**A Million Miles WITHOUT AN ACCIDENT**  
**Firestone HIGH SPEED TIRES**

★ WILL STOP A CAR UP TO 25% QUICKER!  
★ GIVES GREATER BLOWOUT PROTECTION!  
★ GIVES 25% LONGER NON-SKID MILEAGE!

**BUY ON PROOF OF PERFORMANCE**

**A MILLION miles on Firestone Tires without an accident.** That is the record of Ab Jenkins, famous driver, who has driven on all kinds of roads and in all kinds of traffic in every state in the union. What a tribute to safe, dependable, tire equipment! Make this proof of performance your guide in choosing new tires to protect yourself and your family.

There are three important facts you should know about the tires you buy—

1. THE FACTS on TRACTION and NON-SKID SAFETY  
A leading university in 2,350 tests has found that the new, scientifically designed tread on the Firestone High Speed Tire stops a car up to 25% quicker.
2. THE FACTS on BLOWOUT PROTECTION  
Ab Jenkins used Firestone Gum-Dipped Tires when he drove his 5,000-pound car over the hot salt beds at Bonneville, Utah, in the record-breaking time of 127 miles per hour, covering 3,000 miles in 23 1/4 hours without a blowout or tire trouble of any kind.
3. THE FACTS on ECONOMY and NON-SKID MILEAGE  
The largest transportation companies in the country, such as Greyhound, to whom safety and tire economy mean business efficiency, use Firestone Tires from Coast to Coast and from Canada to the Gulf. And our own test fleet records prove that the new Firestone High Speed Tire for 1936 gives you up to 25% longer non-skid mileage.

The Firestone High Speed Tire for 1936 proves by performance its superiority in all of these three qualifications. Make this proof of performance your yardstick of safety and value. Decide today to equip your car with new Firestone High Speed Tires for 1936—the safest driving equipment money can buy.

## LOCAL NEWS

Farmers of East Holland extinguished a fire at the farm of Clarence Boeve Sunday with butter-milk, but not until damage estimated at \$800 had been done.

Ottawa county home economics clubs held their annual achievement day at Zeeland Wednesday at the high school.

Mrs. Abram McMann of 118 Graceland ave., Grand Rapids, who figured in an automobile accident near Douglas Saturday night, was taken to Holland hospital for examination, but no injuries were found and she was released Sunday.

Poppy day will be observed in Holland this year on Saturday, May 23, when memorial poppies will be worn in honor of the World War dead. They will be distributed throughout the city by the Willard G. Leenhouts post through their auxiliary.

The women of the auxiliary are making extensive preparations for the observance of the day under the leadership of Mrs. Chester Van Tongeren, the poppy day chairman. The poppies, made of crepe by disabled veterans, will be offered on the streets of Holland and co-operating organizations. "Poppy girls" will distribute the flowers in the business district throughout the day, and will also work in the outlying shopping centers. Contributions for the welfare of the disabled veterans and needy families of veterans will be asked in exchange for the flowers.

Wearing the poppy also gives the wearer a part in the vast work carried out by The American Legion and Auxiliary for the war's living victims; the disabled, their families and the families of the dead. Every penny contributed for a poppy goes to the support of this work, the bulk of the money being used here in Holland in the welfare activities of local Legion Post and Auxiliary Unit.

Many of the Holland school students have won by making the best posters in the poppy poster contest which is statewide.

In the Holland Senior High school first prize went to Dorothy Visser with second prize going to Marinus De Jong. Honorable mention was given to Chester Lokker, Barnard Poppema, Earl Vander Kolk, Julian Hilbink, Der Zwemer, Edna Helmink, Marie Eilers, Clarence Zonne, Roscoe DeVree and John Mrok.

John Vander Wege and Elmer Andriens were awarded first and second prizes, respectively, in the Junior High School contest. Those who received honorable mention were Norma Rutgers, Violet Eberhardt, Alverna Van Order and Bob Bontekoe.

Judges for the contest were Miss Ryan and Miss Althuis. Mrs. Al Joldersma, president of the Women's Auxiliary states that the cash prizes given to the winners were \$5.00 and \$3.00.

The posters are on display in the windows of the following stores: Brouwer Furniture Co., Model Drug Store, Houting and Ten Cate, Keefe's Restaurant, Spaulding's Shoe Store, Eris Book Store.

De Vries Hardware, Knoll Plumbing and Heating, De Fouw Electric Shop, Humpty Dumpty, Little Miss Shop, Holland Sandwich Shop, Sanitary Barber Shop, Weststrate's, Allen Tot and Gift Shop, Vaupell's Men's Shop, Ed Leuw's Garage, Dutch Market, and the Downtown Kroger Store.

## AMERICAN LEGION

The next Post meeting will be held on Wednesday, May 27th. At which time Vining and Bultman will put on the feed and Kammeraad and Slaght will provide the entertainment.

The Memorial services this year will be held in Hope Memorial Chapel on Sunday afternoon. All veterans are urged to be out, meeting at the City Hall at 2:30 p.m. It sure is tough on a man to have to endure Spring housecleaning; especially so on Comrade Jolderama. He became so confused in the mela and debris that he couldn't find his way out to the meeting last Wednesday.

Orders for the new shirts are going forward nearly every week; if you haven't given Jack Barendse your size and money, do it now.

Comrade Justice Nicholas Hoffman commented that it did not make much difference to him how fast and furious the convicted speeders talked, he always managed to get in a short sentence any way.

Another record went to smash at the last meeting when Comrade Earl Morse came up. He has been a member of the Post for nearly two years and never been to a meeting. It may be just as well because he certainly can do a lot of damage to a basket of sandwiches and a bucket of coffee.

And don't forget the Memorial day Parade, all ex-service men are expected to be out. You know we walk, we won't get a chance to ride for at least ten years, but then we will ride.

Regular meeting of the American Legion Auxiliary will be held in the city hall in the G. A. R. room at 7:45.

Plans will be made for the selling of poppies, and also plans will be made for Decoration Day. Please won't you as a member come to this meeting as it is a very important one.

Refreshments will be served by Mrs. Joe Kramer and her committee.

## HAMILTON

Rev. Herman Maassen of the Reformed church of North Holland will have charge of the services at the First Reformed church next Sunday in a pulpit exchange with the pastor Rev. J. A. Roggen.

Mrs. T. Halbert, Gerald, Mary, Ruth and Dorothy Halbert of Kalama; Mr. and Mrs. Ed Van Der Berge of Wayland; Mr. and Mrs. James Joostens and family; Mr. and Mrs. Ted Joostens and daughter; Mr. and Mrs. Lewis Mokma; Mr. and Mrs. Gilbert Jarda and daughter were at the home of Mr. and Mrs. John Joostens Sunday.

Rev. Arie Te Paske of Kalamazoo visited Mr. and Mrs. Martin Groenheide last week Wednesday. The Kronmeyer sisters of Kalama; Mrs. H. D. Strabbing Sunday.

Coral Stilwell of Ionia is visiting his sister, Mrs. P. H. Tisker for several days.

Hamilton will again be represented by a baseball team this summer. The boys are busy practicing, most of the old players are back again and a strong team is assured. Rich Wentzel and Harvey Lugten will take care of the heavy end of the hurling with John Hoakma behind the plate. Plans are being made to obtain new uniforms.

Hamilton folks may well be proud of the boys not only because of the strength of the team but also because the fine spirit which the whole team shows both on and off the field. Let's back up the team.

Mr. and Mrs. Merton Dugremond of Grand Rapids, Mr. and Mrs. Raymond Dangremont and son of Grandville; Mr. and Mrs. Milton Dangremont of Pennville and Lee Slotman were entertained at the

home of Mr. and Mrs. E. A. Dangremont Sunday.

Della Vander Kolk and Helen Knite of Muskegon spent the week end at home.

Mother's Day was observed in the local churches last Sunday with appropriate sermons and music.

Deputy Bert Vos was forced into the ditch by a reckless driver last Saturday night on his way back from Bravo. His car was upset and Bert was stranded until he was able to get help of the local garage. Bert was plenty disgusted, but was unable to identify the driver of the other car.

Rev. J. A. Roggen was a delegate to the Part Synod of Chicago which met at Hope Memorial Chapel last week Wednesday and Thursday.

A miscellaneous shower was given in honor of Anna Petrolje at the home of Mr. and Mrs. Gerrit Lugten Monday evening. Those present were: Mr. and Mrs. John Petrolje, Mae, Kathryn, Garriette, Peter, Henry, Alvin, Justin and Carl Petrolje; Mr. and Mrs. Will Haverdink, Mr. and Mrs. Gerrit Haverdink, Etta, Julius, Harriet Haverdink, Mr. and Mrs. Anthony Bos, Jeanette Bos, Mr. and Mrs. Jacob Helder, Theresa Helder, Mr. and Mrs. Joe Lugten, Mr. and Mrs. Ben Tucker, Francis Tucker, Mrs. Jacob Bultman, Fannie, Julia and Gladys Bultman, Mrs. Tubergen, Fannie, Gertrude Tubergen, Mrs. Ben Lugten, Mabel Lugten, Mr. and Mrs. Julius Lugten, Mr. and Mrs. John Joostens, Hazel, Mabel, Bertha, Harold, Edward, Donald Joostens, Mr. and Mrs. Gerrit Lugten, Harve van, Harold, James, and Gordon Lugten. The shower was a surprise and the bride-to-be received a great many gifts. The evening was spent in the playing of games and contests. Prizes were won by Mae Petrolje, Fannie Tubergen, Kathryn Petrolje, Theresa Helder, Etta Haverdink, Will Haverdink and John Petrolje. A two-course luncheon was served by Mrs. Gerrit Lugten, Mrs. Will Haverdink and Mrs. John Joostens.

William Ten Brink attended a convention of undertakers in Grand Rapids Tuesday.

Rev. H. Maassen of North Holland will have charge of the services at the First Reformed church next Sunday in a pulpit exchange.

Ted Van Dyke is critically ill at the Holland hospital.

The closing exercises for the local high school on grades will begin next Friday when the 8th graders will take their examinations. The Bacc. service will be held at the First Church on May 24 at 7:30 o'clock. Rev. H. D. Keurst of Holland will preach the sermon. Commencement exercises will be held in the auditorium on the following Thursday.

## FAMILY OF FOUR

## Food for 10 Years

A most unusual and interesting contest is being staged by the Kroger Grocery and Baking Company throughout the Middle West.

The contest offers among 2,520 prizes, 3 prizes of Free Food for a Family of Four for ten years, 5 Years and 1 Year, respectively. The amount of food will be based upon statistics compiled by various departments of the United States Government.

Entrants are required to submit in a simple little 50 word letter their reasons "Why Kroger? Dated Coffee is Fresher". Complete details and suggestions and assistance as to how to prepare this letter can be secured at any Kroger store.

The contest is unique in that it offers the winners relief from the usual weekly expense and budget balancing of food for a long period of time. A convenience method of getting the food from Kroger stores as needed by the winners will be offered.

## TULIP TIME MARIONETTE STARS

## Puppetry an Old-New Entertainment

Sprites from puppet land will feature Holland's 1936 Tulip Festival. Dutch Marionettes will tip-toe through the tulips. The show and exhibition has been especially arranged by the municipal Tulip Time committee to present a continuous performance from 10 a. m. to 10 p. m. daily, except Sunday, from May 16th to 24th, which is the duration of the festival.

Famous puppeteers from Chicago's Century of Progress have created the stars for this show, which are in keeping with the traditions of the Dutch. Kias, the clown, entertains with pantomime. Fritsje is a "klompen" (wooden shoe) dancer. Tyl Uilenspiegel, who has been faithfully reproduced from the illustrations in the story books, will regale the audience with his droolery. Collections of various types of puppets will be shown and

a professional will discourse on how they are constructed and operated.

Puppetry is a new-old form of entertainment. Centuries ago it was popular throughout Europe and in the Orient. The natives of the Dutch colony of Java are experts. The Japanese go in for shadow puppets—the French for the string-operated, which are known as Marionettes. The term "Marionette" is French and means "little Maria", as the principal character in many of the early religious plays was the Virgin Mary.

Marionette shows, in their new and highly professional form, are patronized by adults as well as children. Tony Sarg, Russell Patterson and other nationally known artists have brought this type of amusement up to a new plane. These Lilliputian figures are now frequently used in the movies, stage shows and as advertising media.

The 8th grade students, Prof. Wesley, Miss E. Den Uyl, Miss Bultman and Miss Sophie Van Der Kamp enjoyed picnic supper at Laketown Park Monday evening.

Josephine Kuite of Paw Paw, Gladys Lubbers of Lansing spent Mother's Day at home.

**HOLLANDSCHE KOOK BOEK**  
TO BE TULIP TIME FEATURE

A very unique book of some 36 pages will be issued this week Saturday by the Stoketee-Van Huls Publishing Company.

It contains hundreds of recipes which are concocted in the Netherlands. It is a wonderful booklet with colorful cover in four colors showing the river front and a large flower show in progress in one of the seaport cities of the Netherlands. The background is made up of windmills, canal boats and dutch architecture.

Even the chef of the Holland American Steamboat line contributed his share of recipes in dutch cookery.

The book was compiled by Marvin Lindeman and your editor was asked by Stoketee-Van Huls to write the forward which also includes a few highlights on the "Koffie Kleit".

The Dutch Market will be well supplied with the "Hollandische Kook Boek".

The forward, in a small measure, gives the contents of the book and follows.

**"PREVIEW"**

This unusual little volume introduces to you, possibly for the first time, a few highlights in Netherlands culinary art.

This is a cook book containing recipes of tasty dainties and more substantial dishes as these are prepared in the Netherlands, and by the dutch housewives of Holland, Michigan.

The pioneer Hollanders who settled here in Holland, Michigan, also had their Dutch dishes, but these were prepared largely through forced economy. They were, nevertheless, nourishing and healthful.

The early Holland settlers and the generation following are well acquainted with "Geldersche Hutspot," "Pot en Breij," "Oliekoken," "Karnemelkche Pap," and "Jan in den Zak."

Many of these are mixtures comparing largely to an English boiled dinner while others are a soup like concoction made from buttermilk and a porridge cooked in a sack. Anyway, from this description you can see that there was substance there that helped sustain the hard working pioneering Hollander.

This booklet goes further afield in cookery. The recipes are well defined and we feel that the time for a publication of this kind is indeed apropos. It fulfills the quest for typical Dutch dishes which are sought for by many of the thousands who are attracted to Holland, Michigan, during the annual Tulip Festival in May and to our resorts in summer.

While delving in the realms of cuisine, it is altogether fitting to relate a custom that is prevalent in the Netherlands and has found root in Holland, Michigan. In the land of dykes the "coffee houses" are an institution where the Holland folk gather to quietly drink their "Java" which is shipped in from the Queen's East India possessions. Many years ago at least one of the cafes in this city was designated as the "Koffie Kleit".

Promptly at 9:30 in the morning the march to the "Kleits" begins. Merchants, bankers, tradesmen and professional men get the urge for their portion of caffeine at the cafe

**Bill Connelly, The Tulip Festival Dynamo**

Mr. Connelly has put in months and months on this Tulip Festival. From early morning till late at night he has been busy together with the other committee members. However he has not neglected his regular Chamber of Commerce duties, throwing in a couple of successful industrial prospects besides.

His is the pivotal position meeting all comers, making arrangements for all attractions and securing half a million dollars worth of free advertising for the "Dutch Fest" and for Holland. "A Good Hand For Bill!"

or to listen to or take part in the discussion of questions covering a wide range or to participate in some of the horse play that these discussions wind up into.

If you can't find a man in his place of business, he isn't far off. Like as not you will find him with a cup of steaming coffee in one hand and participating in an extemporaneous program between sips at the "Koffie Kleit."

**MUCH BELOVED MAN DIES AT SAUGATUCK**

Mr. Elmer E. Weed, age 74, prominent business man of Saugatuck, died at his home Sunday afternoon of pneumonia and other complications. He had been ill about two weeks and part of the time was in a coma state.

Mr. Weed was at one time manager of the Douglas basket factory which was a great success in the early days. About 15 years ago he came to Saugatuck to manage the Big Saugatuck Pavilion, and for several years he was manager and part owner of the big pavilion and was up to the time of his death.

It was one of the largest resort enterprises of its kind in the state and can be considered the most popular.

He was also active in many civic endeavors and was constantly boosting causes for the betterment and growth of that resort district.

Mr. Weed is survived by the widow and one son, Leonard. Funeral services were held Wednesday at the home in Saugatuck under auspices of the Masonic order there. Many Masons from Holland and other cities attended, especially Fennville, inment in Riverside cemetery.

Mr. Weed was born in Saugatuck township in 1863 on a large farm upon which his father, Joshua Weed, settled in 1860. He attended schools in Douglas and Ganges. He was a thirty-second degree Mason, a member of Douglas F. & A. M. and O. E. S. and of Saladin temple in Grand Rapids.

There were many beautiful flowers from home and abroad.

ARE SETTING ARROWS FOR  
TULIP LANES TODAY

Arrow markings for tulip tours are being placed today, Thursday, to enable prefestival visitors to view the eight miles of tulip lanes that will be in fine bloom by that time. Warm weather has hastened maturing of the flowers.

Tulip beds in massed plantings in Centennial park and boulevards, the million tulips on Nelis farm on Lakewood Blvd. and 100,000 tulips on the Holland Bulb farm on M-21 near the northeast entrance to the city, are nearly all in bloom. Vaudie Vanden Berg is chairman of this committee.

The "Tulip Festival" date was set back one week. It is evident that the committee's action was a wise one, otherwise there would have been a repetition of last year—a festival without tulips in bloom. It seems that there will be a riot of color from bursting buds when the great day comes May 16.

Mr. and Mrs. B. J. Homkes of Springfield, Mass., who have spent several days with Mrs. Homkes' mother, Mrs. A. Holkeboer, left Monday for Detroit where they will make their home. Mrs. Homkes is the former Christiana Holkeboer.

Tax Payment  
Show Decrease  
During YearDELINQUENCY IS 2% GREATER  
THAN LAST YEAR; \$150,-  
327.75 PAID IN

Tax collections in Ottawa county this year show a delinquency of 23 per cent which is two per cent greater than last year. The tabulations have been completed by John Den Herder, Ottawa county treasurer, which show that a total amount of \$150,327.75 has been paid with \$43,502.53 or 23 per cent of the total of \$193,830.28 delinquent.

Mr. Den Herder said that percentages of delinquency in the various townships indicated that the townships near the lake containing resort properties were the ones showing the greatest amount of unpaid taxes for the past year. In the farming sections the payment has greatly improved with Zeeland township having but a four per cent delinquency, which is the lowest in the county.

Grand Haven collected \$22,330.67 out of \$28,876.69 which leaves a deficit of \$6,546.02 or a 22 per cent delinquency. Holland collected \$42,125.76 out of \$49,893.14 or a 15 per cent delinquency. Zeeland City shows a 23 per cent delinquency.

Spring Lake township paid \$5,267.35 with a delinquency of \$4,988.51, or 48 per cent, the highest in the county. Grand Haven township paid \$1,554.32 and \$1,287 is unpaid; Robinson township \$1,003.04 paid with \$905.76 unpaid; Crookery, \$2,019.44 paid and \$615.61 unpaid.

John Den Herder, treasurer of 'his county' stated that the tax receipts will be mailed to taxpayers within the next two or three weeks, as due to the rush caused by the anticipated May tax sale, the office force has not been able to take care of the mail and thus the office work has fallen behind somewhat.

Alvin H. Strabbing of Hamilton sustained injuries on his left arm when the car he was driving collided with a machine driven by John Hoffman, R.R. No. 6, on E. 8th st., at 9:45 p.m., Sunday.

DR. WICHERS TO BE HONORED  
AS ONE OF FEATURES OF  
CENTENNIAL DAY

Cornelius Vander Meulen, prominent local attorney and banker, will be toastmaster and chairman of the Centennial day dinner May 20 at which time Dr. Wynand Wichers, president of Hope college, will be presented with the cross of the Order of Orange-Nassau.

Jacob Steketee, Netherlands consul at Grand Rapids, a ranking officer of the order, will make the presentation at the dinner which is the highlight of Centennial Day of Tulip Time, May 16 to 24. Edgar Guest, Michigan's poet as well as other noted men will be present. Dr. Wichers was knighted last fall after a visit here by Jonkheer Dr. Van Haersma de With, Dutch minister at Washington, during Tulip Time. The presentation of the cross will complete the ceremonies.

BANK AT ZEELAND TO PAY  
10 PER CENT

Trustees of the segregated assets of the Zeeland State bank announced Saturday that a 10 per cent payment will be made to holders of certificates of participation May 15.

This additional payment will bring the total percentage paid on impounded deposits to 64 per cent. Both Zeeland banks are in very fine shape as well as our Holland banks.

The Rail

At Holland, with its slogan, "May Time Is Tulip Time," a city will be transformed into fairyland. By no people in the United States have the quaint customs of their home country been treasured more than by those from the Netherlands, not as a daily usage, but as a vehicle for enhancing festival occasions.

In the city of Holland, the institution of Tulip Time has attained international note because of its magnitude and adherence to the authentic. The festival this year will be held May 16 to 24, inclusive.

Eight years ago the Tulip Time idea had its inception. By 1930 plantings of bulbs had reached such proportion as to warrant the first festival program. The plantings have been augmented from year to year and three million bulbs are now in place comprising eight miles of tulip lanes, that is, residential streets bordered on either side with an endless variety of these lovely flowers.

Mass plantings in parks and nurseries greet the visitors at many points. The municipal government, through its park board, provides the bulbs and handles the horticultural work. The owners of private gardens vie with one another in their efforts to excel in their tulip displays. These gardens are open to the public.

The entire festival program is one of pageants, parades and concerts. The opening ceremony is the scrubbing of the streets. Hundreds of men and women in Dutch costume, the men in puff breeches (pof broeken), and the women in tight bodices and full skirts, and all in wooden shoes (klompen) engage in making the streets of "Tulip Town" clean and spotless. New features will include a Historical Pageant and several indoor attractions, Garden Show, Dutch Market and Dutch Marionettes.

## "Tulip Festival" President

MRS. J. E. TELLING

(Grand Rapids Press)

The marvelous success and growth of Holland's Tulip festival is due largely to the untiring efforts of the general committee headed by Mrs. J. E. Telling.

Mrs. Telling is serving her fourth year as chairman. She has shown extraordinary executive ability and has been a master of detail in the building each year of the festival at tremendous risk.

Selecting of plants, laying of

tulip lanes and supervising of all festival parades, pageants, amusements and ceremonies require tremendous activity on the part of the chairman and the general committee whose zealous work has made the festival such an outstanding success.

The News is pleased to have the Press say this. We have repeatedly made similar statements, however, such comments from the outside about our people are most gratifying indeed.

## The Tulip Time Sonnet

Ralph Schepers, Route 6, Holland, Mich.

Again the magic time is here,  
When leaf and bud and bloom break out  
From tree and bulb, from twig and sprout,  
And all the things folks hold so dear,  
That seemed so lost, so dead and sere,  
Are still alive, there is no doubt,  
And spread their beauty all about—  
Make glad the Spring-time of the year.  
The tulips waken to their glory,  
In flower beds in which they slept,  
To add a year of song and story  
To fame, that through the years they kept,  
To prove that fame not transitory  
Now Holland City is adept.

Its citizens are all for them—  
They grow innumerable flowers  
In parks, in lanes, in garden bowers;  
Each tulip bloom a diadem  
That scintillates atop a stem;  
And tulip dreams, that fill night's hours,  
Concede to each romantic powers  
That spread a halo like a gem.  
To Juliette her Romeo tells  
Like tulips pink and white, she's fair,  
While others in which charm excels  
Remind him of her eyes and hair,  
While o'er it all the great church bells  
Spread benediction on the air.

HOLLAND BOY TO BE MARRIED  
AT EVANSTON

Announcements are out, issued by Mrs. Hilda Weberg of Evanston, Ill., telling of the coming marriage of her daughter, Miss Margaret Lenae Weberg to Mr. Floyd E. Van Anrooy, son of Mr. and Mrs. Gerrit Van Anrooy of Pine Ave.

The marriage will take place at Calvary Baptist Church on Saturday, May 16 at 7:30 o'clock at Evanston.

The reception after the ceremony will be held at Orington Hotel. Those who expect to go are the parents of the groom, Mr. and Mrs. Gerrit Van Anrooy, Gladys, Crystal Bell and Nevin, and Mr. and Mrs. Oscar J. Van Anrooy from Holland and Miss Viola Van Anrooy from the U. of M. at Ann Arbor.

Mr. Floyd Van Anrooy of Evanston it will be remembered, figured in a big bear hunt out west where he shot a large grizzly bear with a small bore rifle as the animal made for him. The bear rug made out of the hide is positive proof of his successful hunt.

WILL REAR 5,000 PHEASANTS  
IN MUSKOGON

A far reaching program which aims to make Muskogon the outstanding county in Michigan for hunting and fishing has been launched under the direction of the Chamber of Commerce committee on Conservation.

The movement is not confined to sportsmen, but to others who realize that Muskogon can obtain rich returns from its hundreds of acres of cutover timber land and streams in the way of attracting hunters and fishermen. The first step in the program, one already under way, is the stocking of the county with between 4,000 and 5,000 pheasants this spring.

The local committee has enlisted the aid of the various farmer organizations, including the members of the 4-H clubs. Instead of raising prize calves, the 800 boys and girls of the 4-H clubs will devote some time to raising pheasants and other wildlife. They might as well, as the farmers who own the land will be paid for their work in some instances, while prizes also will be awarded to the boys and girls.

EDGAR GUEST TO DEDICATE  
NEW TULIPS AT FETE

Edgar Guest, who will be Holland's official guest on Centennial day, May 20, during the Tulip festival, will have charge of the dedication and presentation of two varieties of tulips to Miss Lida Rogers and Mrs. J. E. Telling in honor of whom the flowers will be named.

Miss Rogers, high school biology teacher, is founder of the festival, her suggestion having instigated it eight years ago. Mrs. Telling has served as festival chairman for the past three years.

The tulips are rare varieties developed by Harry Nelis of Holland. Mr. Guest will also attend the Centennial dinner at which Dr. Wynand Wichers of Hope College will be presented with the cross of Orange Nassau, the final ceremony of his knighting. Following the dinner, Mr. Guest will address festival visitors at Centennial park.

The tulip lanes, which will direct festival visitors along Holland's 8 miles of blossom borders, will be officially marked Wednesday, William M. Connelly of the chamber of commerce announced Monday.

Old Holland  
Boat Turned  
Into Stone BargeSTEAMER HOLLAND ONE  
OF THREE BROUGHT  
TO SHIPYARD

The following item from the Sturgeon Bay, Wis., newspaper is a reminder of boat lines and double daily steamer service from local docks to Chicago and back. The "good old days" are not returning very rapidly. The Door County Advocate gives the following:

Door County Advocate. Work began this week at the yard of the Sturgeon Bay Ship building and Dry Dock company on the job of converting into a tow barge the City of St. Joseph, one of four sidewheel passenger steamers purchased by Capt. John Roen, an official of the local shipyard and head of the Steamship company that bears his name.

The St. Joseph arrived here Monday, along with the City of Benton Harbor, in two of the tugs Lamson and Greling respectively from St. Joseph, Michigan, and Capt. Roen said Wednesday that he would bring the City of Holland here, possibly next week. No decision on moving the fourth sidewheeler, the City of Saugatuck, has been made. The craft is also at St. Joseph.

The steamer is being converted into a barge for the general freighting of stone, sand, wood and other heavy products is 260 feet long. The work will take some time to complete and will give employment to a large crew of men.

The Benton Harbor is being cleaned up and painted here, but Capt. Roen was hesitant to make public his plans for its disposition this week, saying they were too indefinite. Also indefinite at present are plans for the Holland.

General work at the shipyard is booming more than ever. The Coast Guard Cutter Perry of Two Rivers came in Wednesday and was docked for repairs and painting, and work on the Bainbridge which has been converted into a ferry for Mackinac service, is being completed so as to insure delivery by June 1. The Bainbridge job was one of the biggest seen here in the shipyard industry for some years.

The News might add that all these steamers mentioned have been on the Holland-Chicago line either under the Graham and Morton or the Goodrich management.

Broadcasting of the opening day events of the Tulip Time festival on May 16 from 2 p.m. to 2:30 p.m. is being sponsored by the Holland Furnace company. The program scheduled will include a narration of the street scrubbing spectacle, the folks parade, both events have become associated definitely as the openers of the festival and also some interesting sidelights on Dutch history and costumes. The program will be broadcast over the Mutual network from WGN, WLW, WOR and KTLW. First broadcast of the festival occurred recently when Rep. Edward Brower, as official spokesman of the Chamber of Commerce, gave a resume of tulip time activities. The 16-minute broadcast was presented through courtesy of the state department of agriculture and was heard over the state station at East Lansing.

Thousands of visitors came into Holland Sunday for a preview of the tulips. More than 50,000 tulips of various varieties now are in full bloom in Centennial park and many lanes throughout the city also are gaily bedecked. With favorable weather the millions of tulips are expected to be in prime condition for the opening of the festival next Saturday.

## The Tulip Band In Full Bloom

Director Bert Brandt, the  
Organizer and Maker of  
Rural School Bands

Director Bert Brandt of Holland is the father in this vicinity of amalgamated bands among the schools that are mostly rural. He has had tremendous success and has made the school pupils music-minded. His group bands have done excellent work in concert, on Memorial Day and especially during the "Tulip Festival" in Holland. Bert has done marvels in making "horn tooters" out of very raw recruits. You will see two or three of his groups in the Tulip parade. Then you can judge how efficient the students are and that

their teacher is right among them and is the cause of their success.

# High Silk Hat of Van Raalte Is In Pageant

Hat Is Authentic One Worn by Founder of Holland

The oldest and most authentic article which will be used in the Pageant of 1936 is Dr. Van Raalte's high silk hat. This is the celebrated hat which was actually worn by the minister, and which was saved from destruction by the merest chance.

It seems that one time Dr. Van Raalte was going to destroy the hat with many other things, but a maid in the family begged that it be given to her; and since then it has remained in her family. Recently Dr. Wickers purchased the silk hat from the Vander Poel estate and now it is to be in the Hope college museum.

Contrary to the belief held by many, Dr. Van Raalte did not wear this hat from the Netherlands. Romantic as it may seem to think that this high silk hat was worn by the dauntless leader when he led his band through the trackless wilderness, such was not the case. He probably wore a sort of three-cornered hat at that time.

It was not until Dr. Van Raalte's son, D. B. K. Van Raalte, was wounded in the Civil War that this hat was purchased. Then the minister bought the hat to wear on his journey to see his son in St. Louis, and afterward used it as a riding hat. This fact, however, does not take away from the value of the

DR. A. C. VAN RAALTE Founder

hat and its authenticity. The hat was worn in the two former pageants, and will again be worn by Harold Nienhuis as Dr. Van Raalte in the Pageant of 1936.

Margaret Van Raalte, the granddaughter of Dr. Van Raalte, is the chairman of Costumes for the present pageant. She and her committee have spent a great deal of time and research in an effort to make the costumes as authentic as possible. They have studied the dress of the various periods, and are carrying out the costumeing in accordance. Naturally, some of the costumes will have to be rented, as, for instance, that of the Duke of Alva. Those in the mob scenes have been requested to get their own costumes after specified directions. There still remain, however, many costumes to be made, such as soldiers' uniforms. A great deal of ingenuity has gone into certain details which at first seemed impossible to be solved. The armor and helmets presented a grave problem, but it, too, has been successfully overcome. Much credit goes to the five girls' societies on the campus, who have helped so willingly to sew the costumes.

Remember the pageant will be given at Riverview Park, Holland May 16, 18, 19.

# Intense Dramatic Action Marks Scenes In Pageant

With the opening of Hope college Pageant of '36 only three days away, extensive preparations are being made by general chairman George Douma to insure the success of the senior class undertaking.

Under the capable direction of Stanley Albers of Grand Rapids, practices and rehearsals have been very gratifying in the eyes of the committees. Rehearsals will begin at 4 o'clock sharp each day and special rehearsals will be announced in chapel. To date the individual societies have responded to the pleas of George Douma very well but he has made the statement that more cooperation and more promptness in coming out for rehearsals must be had if the cast is to be in readiness for the opening performance Saturday, May 16.

The school has accepted the challenge of the class of 1936 and only can that challenge be met by the wholehearted support of the entire student body.

A novel advertising stunt has been worked up by John Van Wyk, head of the advertising committee. The advertising medium is the Youth Fellowship groups of Muskegon, Grand Rapids and Kalamazoo.

The outstanding feature of the production will be the elaborate lighting and staging effects. The work of wiring the park and the speaker and amplifying system is being done by Mr. Nelson Bosman, local electrician and radio expert. The 60 foot stage is to be furnished with footlights—5,200 white, 5,200 red and 5,200 blue. Spotlights from the sides and floodlights all around will be trained on the players. Les Van Tatenhove is stage manager with Bob Arendhorst and Henry Kleinheksel assisting.

Tickets for the pageant may be purchased at either the Warm Friend tavern or the Postal Telegraph office. Reserved seats may be had for 75 cents while all others will be sold for 50 cents. 2,000 seats are available with plenty of standing room for late comers.

The Hope college Pageant of '36 will present many exciting and thrilling scenes as the cruel Duke of Alva metes out punishment to his Dutch subjects.

In the opening act a group of people are wandering about, some talking in small groups very excitedly, others coming in from the sides. The people have come to witness the punishment by the Duke of Alva. They are restless and keep looking expectantly in one direction.

Suddenly a trumpet sounds; it is announcing the coming of the Duke. Soon a company of Spanish soldiers comes in and stops; the captain disbands them to order the crowd back which is milling about in an ominous fashion. The soldiers hold back the crowd as the royal parade comes in, and the Duke mounts his dais. Soldiers remain constantly on guard; the attention of the Duke is focused to a man who is jeering him. In rage, he motions for the soldiers to grab him. He is whipped and left crawling in the dust.

The Duke summons the scroll, and then orders a prisoner to be brought in. He faces the Duke, who is whispering to his court—the decision is that he must go "to the stocks." They force him in. The Duke feasts lustily on all this excitement and punishment—the crowd is in constant flux, and the soldiers are needed to hold each attack.

The next prisoner is summoned. He must die—the prisoner breaks down in tears. He, too, is forced to his punishment which is death itself. He mounts the platform and the priest blesses him. The executioner is anxious to make the death blow—he taps the man a few times, and then raises the axe high—

Prof. Egbert Winter of the department of education of Hope college spoke before the high school assembly Tuesday afternoon. He was introduced by Miss Janet Yonker, and in his talk said that confidence, courage and clean living were essential qualities for success. Miss Lucille Buter, accompanied by Miss Barbara Lampen on the piano, sang several selections. Both are students of the Hope College school of music.—Fennville Herald.

The following officers were elected at a meeting of the Ladies Auxiliary of Eagles, 1594, Friday evening: P. W. President, Mary Veldheer; W. P. Ruth Buursma; Chaplain, Anna Zietlow; secretary, Rosa Haght; treasurer, Leonora; Inner guard, Minnie Vander Bos; Outer guard, Delia Nagelhout; trustee, three years, Fannie Voogd; musician, Fannie Beekman.

# SCHOOL BAND CONCERT A SUCCESS

More than 400 persons attended the spring concert given by the High School band in the school auditorium Tuesday evening. The concert was a successful demonstration of the superior work that has been accomplished here by Eugene F. Heeter, director of instrumental music in the Holland public schools.

Wm. D. Revelli, director of the University of Michigan Band, conducted the band in three numbers, "Western March," Richards, the typically French number, "Ariane Overture" Boyer, and "His Honor" march by Fillmore.

Mr. Revelli also spoke a few words of praise for Mr. Heeter and explained the methods used in judging the National Band Contest to be held in Cleveland, May 16. Mr. Heeter conducted several numbers which were well received.

The band played Wednesday and Thursday nights in Muskegon in connection with the West Shore Music festival, and next week will go to Cleveland for the national contest.

# DEN HERDER AND TAX MONEY PAID

Holland City News: We will appreciate having something along the following lines used as a news item to inform the parties that have sent in Tax monies that the tax receipts will be mailed as soon as possible.

John H. Den Herder, County Treasurer, desires to inform the people that have sent in tax monies, that due to the rush caused by the anticipation of the Tax Sale, that the office force has not been able to take care of the mail, but that all parties may expect to receive their tax receipts within the next two or three weeks.

We feel that many are anxious about what has happened to their money, and with the above item available for them to read, it will give them the information they desire about what and where the money is.

# ZEELAND HOSPITAL HAS ENGAGEMENT FOR HEAD NURSE

The vacancy in the office of Superintendent of the Dr. Thomas G. Huizinga Memorial hospital of Zeeland, which has existed for the past two weeks, since the resignation of Miss Leone Britton, was filled on Monday evening when the hospital board engaged the services of Miss Dena Volkers of the South Shore hospital, Chicago, to fill the vacancy.

The board met at the office of Treasurer Jack Boonstra Monday evening on appointment with Miss Volkers to examine her credentials and discuss the requirements of the position at the hospital, and after consideration by the board it was decided to offer her the position, which she has determined to accept.

Miss Volkers is the daughter of Mrs. H. Volkers of Pine street, Zeeland, and is a lifelong citizen of this community, having attended the Zeeland schools. For a time she was employed at Grand Rapids but for the past nine years she

has been employed at the South Shore Hospital in Chicago, where she has done supervisory work in all departments. She comes well recommended and is evidently well qualified for the position.

For the past two weeks the hospital has been under the supervision of Mrs. John Hendricks, who has been a regular employee at the hospital since its organization.

# ALLEGAN COUNTY

The milkhouse on the farm of Clarence Boeve was destroyed by fire Monday. The fire was believed to have started from an explosion in the boiler which Mr. Boeve had gone to light a few minutes before. The fire burned the electric wires and the motor on the water pump was stalled. There was an ample supply of buttermilk in the place, however, and this was used to put out the fire. The loss was estimated at \$500, all covered by insurance.

Mr. and Mrs. G. A. Miller announce the marriage of their daughter, Agnes, to Tony Orzechowski of South Haven. The wedding was an event of Nov. 27 at South Bend, Ind. Mr. and Mrs. Orzechowski will be at home in Gary, Ind., at the end of the school year.

The Legion Auxiliary will have charge of poppy day at Saugatuck, with Mrs. John Bird, chairman. It will have an all-day sewing bee May 21, at the home of Mrs. Roy Jarvis, with a potluck supper.

The village of Saugatuck, under sponsorship of the Pokagon club, entered a float at the Blossom festival parade Saturday. The float was of nautical design, representing Saugatuck's many boat activities. The girls who entered the local beauty contest sailed the craft. Holland also welcomes the lasses from Saugatuck with their sailing craft.

Marvin Den Herder announces his candidacy for sheriff on the Republican ticket. He is a former deputy, chief-deputy and undersheriff, having served eleven consecutive years in the office at Grand Haven, being appointed in turn by sheriffs Fortney, Kamferbeek and Steketee. At present he is employed in the Grand Haven Brass Foundry. He was born in the city of Holland, is 37 years of age. The first twenty years of his life he lived in Holland where he attended the grade school and high school. He is married and has three children.

At the Primary Election four years ago from a field of five candidates, he was runner-up to the present sheriff Mr. Rosema. Two years ago he did not run against Mr. Rosema, but publicly assisted him in his campaign for election to a second term.

Mr. Den Herder states that he makes the following promise which is the first one of its kind in local sheriff history. That in the event he is elected to the office of sheriff next fall he will appoint as chief deputy at Holland any suitable man that the city council or police commission may be willing to recommend. He feels that Holland and vicinity is entitled to be assured of a deputy of the highest character and competency, and that Holland should have some voice in the choice of the man to serve them. The sheriffs office or any other public organization must have the proper persons as its members to give maximum service to the people.

The experience gained from the eleven years service, having had charge of all the departments of the sheriffs office, he feels that he is qualified to run for the office and competent to properly conduct it.

City of Holland, Rest Lawn Cemetery, at a price of \$30,000.00.

Rev. L. Van Laar appeared before the Council and read a communication which Rev. H. Ter Keurst and himself had signed protesting against the manner in which the Council had handled the matter of appointing a City Health Inspector. It was the contention of these gentlemen that the Council has been treating this office as of secondary importance which they feel will reflect in the health standards of our City. They referred to the fact that the Council had recently appointed a City Health Inspector at a salary of \$700.00 per year from which the Inspector himself is also to pay his own automobile expense. It was their contention that this salary is too low to expect the City Inspector to devote his full time to the job. It was their further contention that if this were permitted to continue, it would result in a gradual breaking down of the health standards of the City, and the citizenry of Holland suffer in the near future. They further contended that the City Inspector should devote his full time and give constant attention to the food sources of its citizens, and these gentlemen requested that the Council rescind its recent action.

Ald. Huyser explained that since the Council had passed the Salary Ordinance at the last meeting, this would have to stand for the time being. He further stated, however, that the matter was being considered of turning over the job of Welfare contact man to the City Inspector, and in this way he would receive an added remuneration to pay for his own car expenses.

The Council took no definite action on these protests since they were at a loss to know what they were to do at this time.

Reports of Standing Committees

Street Com. reported having received bids on a light car for the City Engineer's Dept. and recommended the purchase of a Standard Chevrolet Coupe at a net cost to the City of \$440.00.

Adopted unanimously.

Claims and Accounts Committee reported having examined claims in sum of \$4925.34, and recommended payment thereof.

Allowed.

Welfare Com. to whom had been referred the matter of engaging a Welfare contact man to look after the City's welfare interests in connection with the E. R. A., reported recommending that Ben Wiersma, City Health Insp., be engaged to do this work at a salary of \$200.00 per year.

On motion of Ald. Huyser, 2nd Oudemool, report of Committee accepted.

Ald. Kalkman contended that this was not sufficient remuneration, and recommended that at least \$1200.00 or \$1300.00 be paid Mr. Wiersma per year for the two jobs. Mr. Kalkman stated that there was considerable expense in running an automobile if these two jobs are to be properly handled. In addition to the work of inspecting the sources of our milk supply, dairies and slaughter houses, it is also necessary to frequently drive to the Sanatorium at Muskegon, and he felt that \$200.00 per year for car expense is insufficient.

The motion of Ald. Huyser, however, prevailed.

Public Building Committee reported for information of the Council that they have engaged painters to paint the two city houses just south of the City Hall, also to decorate the clinic building on the old hospital grounds.

Said Committee also recommended that the City Engineer haul in some black dirt at the corner house on River Ave. & 12th St., also some cinders on the west side of North River Ave. opposite the Dutch Novelty Co.

Adopted.

Ordinance Committee reported for introduction amended Dog Ordinance No. 382, Chap. 45, being an ordinance entitled "An Ordinance Relative to Running at Large within the Limits of the City of Holland, of Horses, Sheep, Swine, Mules, Goats, Cattle and Beasts, Geese and other Fowls, and the Appointment and Duties of a Poundmaster", and recommended its passage. The Ordinance was read a first and second time by its title, and On motion of Ald. Prins, 2nd by Huyser.

The Ordinance was referred to the Committee of the Whole and Placed on the eGeneral Order of the Day.

Sewer Committee brought in a report covering the Compulsory Sewer Connections during the past year. This report listed in detail those residences which have connected up with the sanitary sewer during the past year and also listed some who had not as yet complied with the request of the Council to have their properties connected with the sanitary sewer. The Committee further reported that it might be well to construct a lateral sewer in 5th St. west of Fairbanks Ave. In this connection, Ald. Bultman further recommended that a lateral sewer be constructed in Lincoln Ave. south of 16th st.

Accepted & filed.

Sewer Committee further reported having received a request from Klaas Vanden Berg, living at 165 Fairbanks Ave., relative to the

charge for having his premises (which are just outside the City limits) connected with the City sanitary sewer. Committee further reported that about two years ago the Council had set the rate at \$24.00 per year and that Mr. Vanden Berg contended that this charge is too high, stating that he had been tentatively promised sewer connections for approximately \$18.00 per year.

After a brief discussion on the matter, it was moved by Ald. Prins.

That the matter be referred back to the B. P. W. with the recommendation that the Board use its own judgment as to a fair and correct charge for this service.

Communications from Boards and City Officers

The claims approved by the Library Bd. in the sum of \$371.19; Hospital Bd. \$3541.87; Park and Cem. Bd. — \$1657.03; Police and Fire Bd. — \$3854.17; B. P. W. \$24,497.41, were ordered certified to the Council for payment. (Said claims on file in Clerk's office for public inspection.)

Allowed.

Board of Public Works reported collection of \$30,205.93; City Treas. — \$14,635.02.

Clerk presented communication from the Board of Health recommending that Gerrit Kragt be awarded contract as City Scavenger for the ensuing year at the same prices as during the past year.

Approved.

Motions and Resolutions

Ald. Bultman brought up the matter relative to the request made by the American Legion for permission to have their Poppy Day Sale on Sat., May 23rd, which is one week before Decoration Day and the customary day for Poppy Day Sale all over the State. Mr. Bultman stated that the Council had referred this to the Chamber of Commerce and this body did not see fit to approve the request since this would come on a day during our Tulip-Time festival when there will be thousands of outsiders in the City and the Chamber of Commerce felt that the Sale should not be permitted as it might leave a bad impression without visitors. It was the contention of Ald. Bultman that since this was the regular day throughout the State that the American Legion should be permitted to put on their Poppy Day Sale, and

On motion of Ald. Bultman.

It was so moved and approved by the Council.

Mr. Butler, Business Mgr. of the

Holland Evening Sentinel, appeared before the Council in the interest of securing the co-operation of the City in getting out their Tulip-Time Edition to the Holland Evening Sentinel. Mr. Butler stated that he had received the co-operation of many of the industries in purchasing an advertisement to help put across this issue, and requested the Council to also co-operate to this extent.

Referred to the Ways and Means Committee with power to act. Ald. Damson reported that the Lion's Clubs throughout the country are sponsoring a program of purchasing white canes for all blind people, and in this connection are having ordinances passed in the various communities to bring to the attention of citizens the fact that when anyone approaches an intersection with a white cane, it is an indication that this is a blind person and should receive the right-of-way of all motorists. Mr. Damson further reported that he had received a copy of an ordinance which has been passed in other cities, and recommended that the Council take similar action.

Referred to the Ordinance Committee.

General Order of the Day

On motion of Ald. Prins, 2nd by Huyser.

The Common Council went into the Committee of the Whole on the General Order of the Day. The Mayor called Ald. Prins to the Chair. After sometime spent therein, the Committee arose and through its Chairman, reported having had under consideration an amended Dog ordinance, entitled "An Ordinance Relative to Running at Large within the Limits of the City of Holland, of Horses, Sheep, Swine, Mules, Goats, Cattle and Beasts, Geese and other Fowls, and the Appointment and Duties of a Poundmaster", and asked concurrence therein and recommended its passage. On motion of Ald. Prins, 2nd by Huyser, The report was adopted and the Ordinance placed on the Third Reading of Bills.

The "Michigan Bell" for May prints a half page on "Tulip Time in Holland in May" together with pictures. This is a splendid publication appearing each month and printed on fine paper. It reports all the out-of-doors festival "Tulip," "Blossom," "Cherry" and others. The Bell folks from all over Michigan will be present at Holland with "bells on."

The unquestioned leadership of

the Dutch in World affairs during parts of the 16th and 17th centuries is revealed to the student of history when he learns of the amazing numbers of acknowledged artists in this very small nation produced during that period. Mrs. Taylor's talks will prove of definite value to anyone interested in the history of the Netherlands regardless of any knowledge of painting. School classes are invited. There is no charge.

Mr. Fred Kasten, a former semi-professional dancer and singer of the Netherlands, is assisting Miss Athalie Roest in training dancers in special numbers for the Dutch Market Place entertainment. Mr. Kasten, who is 60 years old but can still hold his own against all comers on the dance floor, can recall from memory dozens of tunes and lyrics which he used in his youth. He is planning to come to Holland from his home on Allegan R2 to take part in Tulip Time activities. He will dance and sing with his niece, Mrs. Herbert Van Muers, well known coloratura soprano. ### She Sowed the Seed of 'Tulip Time'

MISS LIDA ROGERS

HOLLAND SCHOOL TEACHER MOTHER OF IDEA BEHIND NOW FAMOUS TULIP FESTIVAL.

(Grand Rapids Press)

Miss Lida Rogers, head of the department in biology in Holland High school, kindled the spark that made Holland the tulip city of America.

On a tour of several countries of Europe several years ago, she found almost every garden beaming with beautiful flowers. She became so obsessed with the idea for civic beauty that she started a schoolroom campaign among her pupils and prepared a paper on "Civic Beauty" for Holland.

Miss Rogers picked the tulip as the logical flower to receive first consideration, as it would promote something distinctly Dutch for this community. Her suggestion brought results. The influence of her work had only begun. The spark brought agitation and started the first May festival on its way. And it grew and grew until the

eight annual festival opening May 16, will find Holland in bloom with 3,000,000 to 4,000,000 tulips leading to every approach to the city and massed plantings in public and private gardens.

Little did Miss Rogers realize that her suggestion would culminate in such a huge enterprise for beauty last year it attracted 500,000 visitors to Holland.

When the first evidence of the blooming tulips was noticeable, Holland citizenry began talking tulips, then buying bulbs, then planting them in gardens—in fact interest so captivated the minds of the people that it started the first festival on its way and every succeeding festival has added much to the general attractiveness of the event.

Meanwhile Miss Rogers had the whole-hearted support of the Holland Chamber of Commerce, civic organizations, park board, nursery men and citizenry. But it was her spark that started the flame to make Holland a city of civic beauty.

les Miller and Mrs. Arie Weller are planning to render a number of songs recently received direct from the Netherlands. These ladies, with Mrs. Harold Lievense,

Pauline Loew, Ned Shaw and Richard Keeler violinists are accompanying the various dancing and singing groups at the Armory during the Tulip Fete. Hendrick Nobel is in charge of all entertainment at the Market Place.

Marjorie, Dorothy and Mary Matchinski, Wilma Mow, Vivian Dekker, Florence Van Dyke, Sylvia Carrier, Alma Prins, Ella Rissalada, Marion Working, Grace Hancock, Ruth Homfeld and Mrs. Beck will participate in an elaborate dance under the direction of Athalie Roest and Fred Kasten. Mr. Kasten learned this dance in the Netherlands to the music of Sousa's Washington Post Waltz.

A local druggist, desiring to carry Eau de Cologne (popular toilet water among the Hollanders) in his Dutch Market Place stock, was forced to import the ingredients from the Netherlands, mix

and bottle it himself and have a special label designed and printed. It is such sincere effort to provide the genuine article that keeps Holland's Tulip Time unique.

De Pree, Wanrooy and Karsten, local artists are demonstrating their skill in a booth arranged for them at the Dutch Market Place. De Pree is a well known wood-cut designer with a studio on west 8th St. Karsten does oil painting as a hobby and frequently illustrates for children magazines. Wanrooy is a sculptor of remarkable ability. He is making a bust of a character model for the benefit of Market Place visitors.

William J. Bryant, the Netherlands Consul at Detroit, who visited us last Ambassador's Day, has become an enthusiastic booster for Tulip Time. Mr. Bryant is chairman of the National Tourist Board of the American Automobile Association, and has directed the national headquarters at Washington to give our festival full and complete publicity and to have notices sent to all of their branch offices throughout the country, which number nearly a thousand.

An interesting sidelight in this connection is that Mr. Bryant and I are old acquaintances. We had considerable correspondence last Tulip Time, but I was not aware that he was the same Bill Bryant, nor was he aware that I was the same Bill Connelly who both pioneered for good roads more than ten years ago, until he walked into my office on Ambassador's Day—"Bill" Connelly.

Well kept tourist homes are not forgotten by their patrons. A letter reached the Chamber of Commerce today from Mrs. Otto Huhn, St. Clair Shores, Mich., stating that she had attended our Tulip Festival a number of years ago and stopped with a Mrs. Kleis on First street, but had forgotten the address. She now wishes to attend again this year and wanted to stop at the same home. Unfortunately these folks no longer live in the city.

That Holland and its environs make good subjects for study in schools is shown by the requests for information that are received by the Chamber of Commerce. Almost daily requests are received from schools throughout the country for data on both the history and present status of this community. William M. Connelly, secretary of the Chamber, reports. Particular interest is shown in the Dutch background. A request received today came from students of Monroe high school. They sought information on tulip bulb culture with which they were promptly supplied.

In cooperation with the request made by the local Chamber of Commerce, for improving and repairing U.S. 21 between Holland and Saugatuck for Tulip Time, the state highway department has almost completed the work of filling in worn spots. William M. Connelly sent a letter of appreciation to Murray D. Van Wagoner, state highway commissioner.

Harry Folger, puppeteer, who has just completed a term as puppetry instructor at the Herron Art Museum in Indianapolis is presenting the first showing of Jan Pickel-Herring the Punch of the Netherlands. Pickel-Herring, sometimes known as Jan Klaassen, has his wife Katryn as Punch and his Judy and treats her in much the same roughshod manner but through it all manages to keep the good will of his audience. Happy-go-lucky, often down but never out, Pickel-Herring has lived through the ages, and on many continents and under various names but nowhere could he have been more at home and fittingly a part of the picture than in the Dutch Market Place at Tulip Time.

One of the highlights during Tulip Week will be at Riverview park May 16, 18 and 19 when the Pageant of 1936 will be given under the auspices of the Senior class of Hope college. It is to be a wonderful production.

Entertainment features at Holland's eighth annual tulip festival, May 16-24, may include vocal numbers by the Van Lente septet, an unusual one-family musical group, consisting of Ralph VanLente, the father, and his six sons. Van Lente has a musical ancestry. His grandfather, Frederick J. Van Lente, organized the first singing school in the Holland colony and for years served as "voorzinger" in Holland's pioneer church. The singing school in 1856 developed into the Van Lente chorus, which maintained its existence for more than 50 years, with the pioneer's two sons, John and Hein Van Lente, as instructors, when English hymns were introduced.

The building of a miniature chapel, to be used as a model representing Hope Memorial chapel in the Pageant of '36 which will be presented at Riverview park on May 16, 18, and 19, has just been completed. It was announced today by Stage Manager Lester Van Tatenhove. The model chapel will be used in the scene depicting the historic building of Hope Memorial chapel which will be symbolized by the laying of the corner stone. Other stage equipment includes a realistic pillory at which the Duke of Alva, played by John Van Wyk, punishes unjustly several Dutch prisoners by whipping, and sending some to the executioner's block. Two typically Dutch houses and a log cabin have also been built to augment the correct stage effect; and a throne for the Duke of Alva is in the making to insure an accurate setting for a portrayal of the founding of Holland. Elaborate lighting equipment is being assembled under the direction of Nelson Bosman of Holland. All materials used in the Pageant of '36 are pur-

### SHOP BETWEEN PARADES

This announcement may be a little premature for Tulip Time but not a few merchants would like to have the buying public shop early on parade days during the festival.

There will be a parade practically every day and during the preparation and the pulling off of the parade proper and for half an hour afterward there is practically no trading. When customers hear the band out they go with an order half given. After the parade all hustle to be waited on and the jam is more than the sales force can handle in a short time.

We might apply the Christmas slogan, "Shop early." Get your needs in the morning or before the parade, then your mind will be at ease, you will enjoy the parades more and the sales forces will thank you in the last analysis see only a few glimpses of the beautiful Tulip Time pageant of which there will be many during the ten days of Tulip Time.

## 529 OTTAWA RURAL PUPILS TO GRADUATE

Eighth grade diplomas will be presented to 529 rural school students at exercises June 1. Eighth grade graduates of schools in the vicinity of Holland will be given diplomas at the Carnegie gymnasium on the Hope college campus June 4, according to G. G. Groenewoud, of Holland county school commissioner.

The Past Noble Grands club of the Radiant Rebekah lodge will entertain the Triple Link club of Allegan with a luncheon Friday.

## Tulip Notes

Felix Mosher, who has a piano exhibited in the Dutch Market Place is a workman of the old school whose pride and interest in his trade transcends that of the mere workman and qualifies him as an artist. He has combined his skill as a cabinet-maker, his lifelong study of piano construction and design and his musical instinct and training in the making of a truly remarkable instrument. The piano will be found near the art department in the Armory building.

Mrs. Cora Bliss Taylor of Saugatuck, Michigan is lecturing on Art and Artists of the Netherlands in the Dutch Market Place at 2 p.m. each day during the Festival except Sundays. Mrs. Taylor has been a consistent prize winner at Chicago Art Institute exhibits hav-

## We Welcome You!

WHEN WARM FRIEND TAVERN was dedicated twelve years ago it already was Dutch and Tulip Minded. The young lady in this picture, at the spinning wheel in front of the fire place in the lobby is 12 years older today but this picture shows typical things in the Netherlands. The Tavern's Dutch complex includes the dress of the bell boys and the signs over the entrance give a Holland smack to this popular hostelry.

Over the main entrance you will find "Welkom Vreemdelingen," meaning "Welcome Strangers." When the guest departs he has become a friend of the place and in leaving this sign meets his eye "Welkom Vriend", meaning "Welcome Friend."

Well, Warm Friend Tavern is all prepared to meet friend and stranger and we know that this colorful Tulip Time will make all who come friends of Holland and friends, we hope, of this fine fireproof hotel with its beautiful surroundings, with its pleasing, comfortable sleeping accommodations and its cuisine possibilities unexcelled.

We Welcome You All!

"May Time is Tulip Time." This is the slogan for the Tulip Festival that has made the city of Holland, Michigan, a mecca for the lovers of the picturesque and beautiful.

By no people in the United States have the quaint customs of a fatherland been treasured more than by those from the Netherlands of Europe, not as a daily usage but as a vehicle for enhancing festival occasions. In the City of Holland, which is the center of 30,000 people of Dutch birth or descent, the institution of "Tulip Time" has attained international note because of its magnitude and adherence to the authentic. Freedom from taint of commercialism, ballyhoo and carnival has been rigidly adhered to.

Eight years ago the "Tulip Time" idea had its inception. By 1930 plantings of bulbs had reached such proportion as to warrant the first festival program, sponsored by the Chamber of Commerce. The plantings have been augmented from year to year and three million bulbs are now in place comprising eight miles of tulip lanes, that is, residential streets bordered on either side with an endless variety of these lovely

flowers. Mass plantings in parks and nurseries greet the visitors at many points. The municipal government, through its park board, provides the bulbs and handles the horticultural work. The owners of private gardens vie with one another in their efforts to excel in their tulip displays. These gardens are open to the public.

The festival program of pageants, parades, and concerts runs for nine days. The opening ceremony is the scrubbing of the streets. Hundreds of men and women in Dutch costume, the men in puff breeches (pof broken), and the women in tight bodices and full skirts, and all in wooden shoes (klompen), engage in making the streets of "Tulip Town" clean and spotless. On the streets are flower girls with yokes and baskets (bloemenmeiden) filled with tulips; and milk carts drawn by dogs as in the Land of Dikes. Old men with long pipes and native garb frequent the Coffee Shops for the daily "Koffie Klets". The shops abound in Dutch souvenirs, babbelaar candy, Dutch art and handicraft. New features include a Historical Pageant and several indoor attractions, Garden Show, Dutch Market and Dutch Marionettes.

ing placed in three successive seasons beginning in 1930. She has studied in France and Italy winning renown through her scenes of Italian gardens and Michigan dunes.

The Holland City News in an editorial was the first to suggest "tulip lanes" but suggested that these lead to the center of activity, Centennial park. Wiser judgment on the part of the committee in collaboration with the traffic police made the present lanes more workable.

The P. M. Railroad is giving an old-fashioned excursion to Holland from Chicago, arriving Saturday at 4 p. m. and returning late Sunday night. Berths for the night can be gotten on the steamer North American at Montello Park. The total cost for the train fare, meals for two days and sleeping accommodations aboard the boat will be \$10. The excursion train will be switched nearly to the boat dock for the convenience of the Chicago patrons. What a crowd you will see at that price and it will be a typical "Chi" excursion crowd.

There is to be another excursion on Saturday and Sunday, May 23, 24. Chicago is flooded with P. M. colored circulars with Holland "Tulip Time" scenes.

Joan Gogelin, known as the Shirley Temple of Michigan is giving her graceful (yes graceful in spite of the wooden shoes) dance at the Dutch Market Place twice each day. Janet Brooks and Donna Van Tongeren make a pretty picture indeed as they dance in their white caps, long skirts and klompen. They are appearing at the Market

Place several times each day. Vivian Tardiff and Alice Mae Houtman appear as solo dancers.

Harry Foulter, expert puppeteer of Indianapolis arrived in Holland Friday to begin setting up of puppet exhibits at the Masonic Temple. The Marionette show is one of the new features of the tulip festival this year and will prove to be a popular attraction. Dutch marionette performances will be given each day by the Rufus Company of Chicago.

## Lip Reading Test to Feature State Sessions of Deaf

LEADERS IN WORK FOR HARD OF HEARING ON PROGRAM FOR HOLLAND MEETING

Dr. Wynand Wichers, president of Hope college and member of the state board of education; Miss Elizabeth Brand, secretary of the Dayton, O., League for the Hard of Hearing; Supt. E. E. Fell of Holland schools; Dr. Carl F. Snapp of Grand Rapids and Mrs. Edith Farrand, executive secretary of the Minneapolis League for the Hard of Hearing, will be among speakers at the sixth annual convention of the Michigan Association for the Hard of Hearing which will be held at Holland May 15 and 16 today and Saturday.

Convention headquarters will be on board the SS. South American which with its sister ship, the North American, will be used as hotels during the tulip festival.

The convention opens at 10 a. m. today Friday, closing at noon, Saturday, May 15.

A feature of the convention will be the state lip reading contest to be held at 7:30 Friday evening May 30, in the assembly room of the SS. American. Miss Sylvia Huxtable of Holland is chairman for this contest and Mrs. Farrand and Miss Brand will be readers.

The cup which will be the prize in the contest is now held by Mrs. Minnie Boudier of this city, who won it at the contest last year in Muskegon. There will be but one group in the state contest this year, those who learned lip-reading after they had left school.

A large delegation from the Grand Rapids league for the Hard of Hearing will attend this convention, it is expected. Paul G. Behnke, executive secretary of the Grand Rapids league, is president of the state association. Nell Ritzema is president of the local league and other officers are: Vice president, Mrs. Bessie Medendorp; recording secretary, Miss Gertrude Jasinski, treasurer, Marinus Schaafsma.

The League for the Hard of Hearing will hold a blind run motor trip and picnic supper Saturday of this week.

## Allegan County Drops 200 From Relief

A one third drop in the relief rolls in Allegan county within the past few weeks is reported today by Mr. Russell Darling, Relief Administrator. Approximately 200 men and women have returned to private employment and more are joining them daily according to Mr. Darling.

Nearly 2,000 men and women formerly on relief rolls in Southwestern Michigan counties have returned to private employment in the past few weeks.

The march back to farm and factory has continued over a period of about seven weeks, it was stated as officials pointed to the fact that it has been found that 1,803 men have taken private jobs and 150 women have been similarly placed.

While a portion of those for whom private employment has opened its doors are engaged in seasonal occupations in rural sections, a large share have gone to work in industrial plants.

During the same period, the W. P. A. administrative staff has also been sharply reduced; where the decrease in relief workers has been about ten per cent in the past month, non-relief workers have been reduced almost 25 per cent.

## CONGRESSMAN MAPES RIDES AROUND WASHINGTON WITH TULIP SIGNS

When news camera men start "grinding away" on the scenes of the eighth annual Tulip Time festival here May 16 to 24, but a few days will pass and movie men throughout the country will know and see that the festival is in progress.

Henry Carley, local theatre manager, has again been appointed chairman of news reel publicity by the festival committee. Mr. Carley last year secured newsreel cameramen for the opening Saturday of the event and the following Tuesday scenes were being flashed on the silver screens in theatres from coast to coast.

Part of Mr. Carley's duties will be to contact major news reel concerns relative to sending sound trucks to the scenes of action during the nine-day celebration. He has already contacted these agencies and they are already here.

The nation's capital will be aware that there is to be a Tulip Time festival. Six sets of bumper signs have arrived for Rep. Carl E. Mapes at Washington who made request for them of William Connelly, secretary of the local Chamber of Commerce and a member of the Tulip Time festival committee. Inscribed on the wooden shoe shaped cards are the words "Tulip Time, May 16 to 24, Holland, Mich." The congressman has acknowledged their arrival and now has them on his car.

## HOLLAND MARINE MAN PROMOTED

Chief Boatswain's Mate Archie R. Davidson, officer in charge of Sturgeon Point station on Lake Huron, was retired because of age, it was announced at 10th district coast guard headquarters at Grand Haven. Mr. Davidson was 64 years old, the maximum age, and had long service. Chief Boatswain's Mate Francis R. Deto, formerly of Holland, number one surman at Sleeping Bear station, was transferred to Sturgeon Point as officer in charge, and John D. Gerndt, boatswain's mate, first class, from Frankfort to Sleeping Bear as number one.

## ADVOCATES EXTERMINATION OF ENGLISH STARLING IN MICHIGAN

"Many persons are of the opinion that the English starling belongs to the blackbird family," says Carl H. Guider, director of the Michigan Insect and Plant Survey. "This is not true. At certain times of the year the starling resembles some of our blackbird species but like the English sparrow it has no relatives in this country."

In discussing the economic value of both birds and their life histories Guider says: "The blackbird is a native of North America, while the starling was first introduced in this country in 1872 but failed to live and soon became extinct. In 1890 or 1891 another attempt was made to introduce the European starling in this country. At that time 50 pairs were released in Central Park, New York City. For several years it looked as though the second attempt would be a failure, as there was no noticeable increase in numbers. In 1894, however, the starling was reported in several New England states and in Pennsylvania. From that time on they have spread rapidly until at present they are found all through the southern part of Canada, down through the middle states south to Texas, and if allowed to increase unhampered it is only a matter of a few years when they will spread to the Pacific Coast."

"The Isaak Walton League believes that every effort should be made to reduce their numbers and, if possible, to exterminate the starling entirely. They are gregarious in habit, noisy, filthy, quarrelsome, and destructive to crops. In addition, they destroy the nesting

## US31 STRETCH IN ALLEGAN TO BE DONE ERE FALL

The rerouted US31 between Holland and Saugatuck will be available for late summer traffic, it was indicated Tuesday.

Fully three miles of concrete was laid last fall and the remaining four and one-half miles will be completed by the middle of July. Grading has been completed and the work of surfacing the new highway will be started at once.

places and greatly diminish the food supply of our native birds. They are wholly undesirable and outlaws in the bird world and, like the English sparrow, do not migrate south in the winter.

"The blackbird, especially the redwing, should not be classified with the starling, as these two birds have nothing in common; nor are they ever seen together in group movements. There are 15 sub-species of red-winged blackbirds in North America, but the Eastern red-wing is the only one likely to be found in Michigan. He may be seen on almost any lake, stream or open swamp, or where cat-tails, rushes and wild grasses grow. The female and young are streaked with brown or gray and sometimes show a little mottled dull red, or orange, on the shoulders. First to arrive in the spring are all males. A week or two later the females arrive. Unlike the robin, wild goose and many other birds, the red-wing is more or less polygamous and often mates with two or more females in a season. He is insectivorous and destroys many insects injurious to crops, and when not too plentiful does much more good than harm."

In and around Holland the starling is outnumbering the English sparrow; in fact it appears they are driving them away.

A shower was given Monday evening at the home of Mr. and Mrs. Gerrit Heyboer in Zutphen, honoring Miss Anne Heyboer, a bride-to-be. She was presented with a gift from the group which included her Sunday School class. Those present included: Misses Elizabeth Nykamp, Ruth Meyer, Evelyn Cook, Irene Heyboer, Gertrude Van Noord, Ethel Ensink, Theresa Veltman, Henrietta Pohler, Dorothy Brower, Katherine Brink, Aileen Peuler, Wilhelmina Maring, Minnie De Vree, Geneva Nienhuis, Gladys Kamps, Mildred Ver Hage, Jessie De Vries, Beth Meengs, Hermine De Weerd, Dorothy Van Der Kolk, Lucy Victory, Genzema Van Haitsma, Ethel Lookes.

## THREE GENERATIONS OF BIRDS IN BUSINESS

(Saugatuck Commercial Record) April 1, 1872, Charles S. Bird, now the oldest druggist in point of service in Michigan, established the Bird Drug Store business which he handled for 58 years.

In 1929 his son John took over the business and has run it until the 18th of this month when Moffat Putnam Bird bought out John. Moffat is a son of the late Harry Bird and grandson of Charles S. He is a graduate of Saugatuck high school and also of Ferris Institute where he obtained his diploma as pharmacist. He has the good wishes of his many friends for success in his new venture.

## WHITE ROBIN IS SEEN ON BARTON PROPERTY

A white robin has winged its way from somewhere to nest in a tall tree in Spring Lake on the property of Mrs. Sarah Barton. The bird is pure white with the exception of the breast and under the wings which are of a tawny tan. The robin has apparently mated with a robin of ordinary plumage and is busy making a nest high up in a tree on Savidge street. The bird is, no doubt, one of the albino type that appear infrequently among the human family, animals and in the bird kingdom. Those who have seen the bird claim it is the first one ever seen in that vicinity.

## VALEDICTORIAN AND SALU- TORIAN NAMED AT CHRIS- TIAN HIGH

Henry Faber, son of Mr. and Mrs. John Faber of 212 E. 12th St. has been announced as valedictorian of the class of 1936 of Holland Christian High school.

Mr. Faber has made an all A record during his four years in high school, earning 4 points out of a possible total of 4. He is the fourth in the history of the school to have this honor. The preceding three are Miss Grace De Rho, Theodor Dirkse and Donald Warner.

He was an active member of the mixed chorus and German Club and an assistant-treasurer of the Mathematics Club.

Mr. Faber is interested chiefly in mathematics and science. He plans to attend college but is not certain as yet which one he will attend.

Saturatorian of the class of '36 is Miss Adeline Dirkse daughter of Mr. and Mrs. P. A. Dirkse of 452 Maple Ave. Miss Dirkse nearly equalled the record of Faber by making 3.98 points out of a possible 4. She is a sister of Theodor Dirkse who was graduated with an all A record in 1932.

Miss Dirkse has been very active during her four years in high school, being a member of the German Club, Mixed Chorus, Debate Club, Girl's Social Club, and Athletic League. She is Associate Editor of the "Footprints" of '36 and vice-president of the senior class.

She has no definite plans for the future but will in all probability continue her work in some college.

## REV. LEPELTAK ACCEPTS CALL IN THE EAST

Rev. Cornelius Lepeltak, pastor of the First Reformed church at Spring Lake, announced from the pulpit on Sunday that he has accepted a call to Marion, N. Y. and would leave his duties here about the middle of the month. He will preach his farewell sermon on Sunday, May 17.

Duties at the new pastorate will begin June 1, which will allow Rev. Lepeltak a two weeks vacation. The church at Marion is larger than the Spring Lake one, having 260 members. Rev. Lepeltak recently declined a call to Westfield, N. D.

The Lepeltaks have been at Spring Lake for the past nine and one half years during which time the church has increased in membership and is one of the most active in the village.

Rev. Lepeltak has taken an active interest in affairs outside of the church. He has been interested in the cubbing division of Boy Scout work; is chairman of the reading committee on the Boy Scout council and has been chairman of the Ex-Service Men's Club since its inception about three years ago. He was an early graduate of Hope College and the Western Theological Seminary and Holland was his home.

## you're safe on CONCRETE

At night the superiority of concrete becomes most apparent because of its visibility. Its light gray surface with sharply defined edges reflects light but is not glossy.

Concrete conforms precisely to the formula for the ideal pavement set up by the International Illumination Congress of 1928 and by the Illuminating Engineering Society in 1934. The importance of this is emphasized by the fact that the rate of death per accident is 43% higher during hours of darkness.

Concrete, smooth but non-skid, insures a quick, certain stop even in the rain. Blowouts, spring breakage, steering gear failures, accidents of all kinds are less apt to happen on concrete.

Yet concrete is not only safe - it is more comfortable - it saves in driving costs - it costs less for upkeep - and cost of construction is less than that of any other pavement of equal load-carrying capacity.

## THREE STATES REPRESENTED AT SESSION OF REFORMED GROUP

The Chicago synod in the Reformed church in America convened in annual session yesterday in Hope Memorial chapel.

Delegates were present from the seven classes of Chicago, Grand Rapids, Holland, Muskegon, Kalamazoo, Wisconsin and Illinois.

Officers elected are: President,

The above picture of Queen Wilhelmina, Princess Juliana, the Queen's mother and Prince Hendrik was the last sent by the late Hon. Gerrit J. Diekema, Minister to the Netherlands, to the editor of the News and his family shortly before his death. Death has also

entered this royal family since, the Queen's mother and Prince Hendrik having passed away during the past three years. That Princess Juliana is a beautiful girl is evident from the picture. She celebrated her 27th birthday on April 30th, last.

## QUEEN CONGRATULATES HOLLAND COUPLE ON 62nd ANNIVERSARY AND THANKS THEM FOR PICTURE

Mr. and Mrs. John VanderSchel recently received a letter from Queen Wilhelmina of the Netherlands congratulating them on the sixty-second anniversary of their marriage, which occurs Friday.

Mr. VanderSchel was foreman at the Cappon & Bertsch Leather Co. at Holland many years. Thirty-two years ago he went in the baking business with his three sons. He now is retired.

Mrs. VanderSchel recently was honored as one of the oldest members of the Ladies Aid society of Central Avenue Christian Reformed church, of which they were members 51 years.

They left The Netherlands in 1884 with four children and have resided in Holland ever since. They were parents of 10 children, of whom 7 survive: William, Dave, Henry, Mrs. M. Van Dyke, Mrs. C. Prins, Mrs. E. Wiltdering and Mrs. J. VanderWerf.

Recently, Mrs. VanderSchel sent to the queen a picture taken when Princess Juliana was in the Queen's arms. The picture dates back a quarter of a century.

The queen through her secretary sent Mrs. VanderSchel a letter of recognition written in the finest phraseology that the Holland language affords.

Those who speak the language of the Netherlands can fully appreciate the great possibilities and the refined politeness that the letter below conveys.

**"It's connected now, Madam"**

A TELEPHONE, the moment it is connected, brings definite benefits to a home. Large or small, in city or country, that home is improved by the presence of a telephone.

Of foremost importance is the benefit of protection. A telephone is a form of insurance against fire and theft. It has saved Michigan homes by the speed with which it has brought firemen to the scene. It has routed burglars by its promptness in flashing an alarm to the police. And in times of illness—during those dread hours when there is sickness in the house—a single telephone call can give help of a kind that no one could appraise in terms of dollars and cents.

Another benefit of the telephone shows itself in the work of the housewife. It reduces the drudgery in

her daily routine, saves her many steps. Particularly in bad weather does she appreciate the privilege, made possible only by the telephone, of doing her shopping without leaving the house.

In social matters the installation of a telephone can mark a new era in the family life. No longer are the various members of the household out of reach of their friends and relatives. A telephone in the home instantly puts them "in touch." It makes social gatherings and many of the pleasures of friendship available both to adults and children.

The telephone is one of the most worth-while of present-day conveniences. Dependable and economical, the genuine value of its service has made it an accepted feature in the modern Michigan home.

**MICHIGAN BELL TELEPHONE COMPANY**

Reduced rates are now in effect to most places on both station-to-station and person-to-person calls every night after seven and any time Sunday.

**WOOD IDENTIFICATION CONTEST. This is the third annual convale of the young rural folks.**

The parade Saturday comprised at least 600 boys and girls. The meetings were held in the auditorium of the Holland High school and all day Saturday. 15th and 16th streets at that point were a bustling center and cars were parked for several blocks.

Mayor Henry Geerlings gave the address of welcome in the morning. That interest in girl's club work in the county is increasing is best shown by the fact that Ottawa county boasts of a flourishing girls handicraft club.

Several hundred visitors viewed the display of clothing and handicraft which represented the county clubs activities during the winter months. Judging was completed this morning. Announcement of winners and presentation of pins and certificates were to be made this afternoon.

A club of seven, of Coopersmen in charge of Miss Lois Corbett, assistant state club leader, and Mrs. G. Vander Kolk, county home demonstration agent, was held this morning. The wood identification contest for boys was staked at 11 a.m. and a leader conference for men in charge of P. G. Lundin, assistant club leader was held at 1 p.m.

There are 28 boys' clubs and 29 girls' clubs in the county. Each group is formed of students in rural schools. Among the leaders are Mrs. T. H. Libbey, Nunica; Mrs. Muller, Coopersville; Miss A. Ellerbrook, Holland; Frank Hambleton, Coopersville; Gordon Moore of Nunica; Raymond Lamb, Beechwood; Mrs. S. P. Wiersma, Zeeland; and Otto Pino also of Zeeland. The Ottawa county council has two eight-year members and three seven-year members. The eight-year boys are Howard Irish and Nick Van Wingerden of Coopersville. The seven-year youths are Peter John Muller, Junior Lillie and Pall Shave, all of Coopersville.

General arrangements for the show were in charge of Mrs. Vander Kolk, L. R. Arnold, county agent, and Mr. Ray Lamb, superintendent of Beechwood schools.

**DUTCH WINDMILL AT HOLLAND IS REPAIRED**

Holland's typical Dutch windmill, constructed last year by Jan Harmeen, as one of the major tulip festival attractions, is being repaired.

The mill suffered its first casualty when winter gales ripped off a blade.

It is located in Windmill park, near the north entrance to the city on US31 and is surrounded by a circular bed of about 7,000 tulips.

**WORK STARTED ON NEW BUILDINGS FOR CANNING FACTORY**

Grading of the tract south of the Fennville Canning Co. has been started, preparatory to the construction of a new cold storage warehouse.

It will be built of brick and tile corresponding with the other parts of the plant, and will have storage capacity for 60,000 bushels of pears and peaches. A room in front for receiving raw products (fruits and vegetables) 42 by 160 feet, and additional working space 46 by 122 for the processing departments will be provided.

**CUTTER ESCANABA NOW IN DRY DOCK**

Orders are expected by Lieut. Comdr. L. B. Olson of the U. S. coast guard cutter Escanaba which left the first part of last week for Manitowoc, where the ship will go into drydock. The tentative date was set for May 14 but Mr. Olson said today he believed the ship would go sooner than that.

The propeller, which was damaged in ice breaking at Sault Ste. Marie, will be replaced. There will be some alterations made in the crew's quarters, and a general annual overhauling. The work will take about two weeks. That settles the fact of not making her annual visit to Holland Tulip Festival.

**WILL USE PINE LODGE AS CHILDREN'S CAMP**

Pine lodge formerly used by the Reformed church as a summer assembly grounds, has been leased to Mr. and Mrs. Robert Cook of Chicago. It will be operated as a camp for children. Hundreds of Chicago children will enjoy a vacation there.

**HOPE LOOKING AHEAD TO ORATORY CONTEST**

Plans have been started by Hope college Pi Kappa Delta for its annual banquet May 22. Eliminations in oratorical contests have been set for May 25.

Entries in the men's contest are: Herman E. Luben and Allen B. Cook of Coopersville, Wilbur C. Jacobs of Fremont, Richard C. Smith of Delmar, N. Y., and Jack Leenhouts, Robert Wismeier, William Arendshorst and Homer Lokker of Holland.

Entrants for the women's contest include: Mildred E. Vandenberg of Orange City, Iowa; Sarah J. Dykstra of Hudsonville, Alma Nyland of Martin, Gertrude L. Meengs of Holland and Mildred E. Kirkwood of Staten Island, N. Y.

**RESETTLEMENT PROJECT PLANS DISCLOSED**

That Pine Plains resettlement project on the 35,000 acres taken over by the government turns out to be not so "hot" as was reported. Only about 300 men, it is reported will be employed clearing up the land to adapt it to recreational purposes, and most of the buildings will be located near Allegan, instead of at Swan Creek, as first believed likely. So Fennville doesn't seem likely to derive much benefit from the undertaking.

**US31 STRETCH TO SAUGATUCK TO BE DONE ERE FALL**

The rerouted, US31 between Holland and Saugatuck will be available for late summer traffic, it was indicated Tuesday. Fully three miles of concrete was laid last fall and the remaining four and one-half miles will be completed by the middle of July. Grading has been completed and the work of surfacing the new highway will be started at once.

**JUNIOR LEAGUE MAKES SCHEDULE OF EVENTS**

Plans for the style show, to be given Tuesday, June 2, at the Holland Country club, were discussed at the weekly meeting of the Junior Welfare league in the Woman's Literary club recently. Miss Helen Sprietsma is chairman of the event. Arrangements also were discussed for the closing meeting of the year, which will be a luncheon on June 9. Miss Marion Katte was placed in charge.

Reports on the dance held last Saturday were received, and it was decided to sponsor a Tulip Time dance, May 16, at the Holland Country club.

The committee on welfare work reported that one layette had been distributed during the past week. The remainder of the evening was spent in sewing.

**TWO G. R. MEN FINED FOR POSSESSION OF BLUEGILLS**

Two Grand Rapids men, Dirk London and J. London, brothers, were arrested by V. A. Antles, conservation officer, for having in their possession 18 bluegills caught out of season at the junction of Grand river and Millhouse bayou. They were arraigned in Justice Howard Erwin's court at Coopersville and paid fines of \$10 each and

costs of \$6.35 each, and went home without any fish. The bluegills were caught six days after the close of the season.

Mrs. L. H. Bourne of Fennville recently entertained the Hannah McIntosh Cady chapter of the D. A. R. She was assisted by Mrs. Warren Duell of Fennville, Mrs. Noble and Mrs. Kellogg of Allegan and Mrs. Charles Sproul of Saugatuck.

**HOLLAND NET TEAM TIES GRAND HAVEN**

(Muskegon Chronicle)  
 Holland high obtained a three to three draw in its tennis matches with Grand Haven. The Grand team swept all six matches in Holland a week ago.

Julian Arendshorst, Holland number one, defeated John Vander Meiden 6-4, 6-2. Robert Pippel of Grand Haven won from Al Joldersma, 3-6, 6-0, 6-3. George

Weber of Grand Haven defeated Howard Beckfort, 6-4, 6-3 and Robert Hook of Grand Haven lost to Bill Tappan, 6-1, 6-3.

Tony Whitefleet and Merle Eilers, Holland number one doubles team, defeated Dave Johnston and Jack Roossien, 4-6, 6-4, 6-2. Louis Murphy and Russell Vander Veen of Grand Haven had an easy time defeating Mart Bekken and Robert Van Tatenhove, 6-1, 6-2.

The Latch String at the "Warm Friend" Establishment is Always Hanging Out

**The Holland Furnace Company Extends Greetings to the Tulip Festival Visitors**

THE HOLLAND FURNACE COMPANY, the largest makers and installers of furnaces, extends its greetings to the thousands of guests who are to come to Holland during the next ten days. The publicity of Holland's unique and colorful annual festival has been given through press, magazine and over the air. We wish to say however, that this publicity has been augmented through the literature that the Holland Furnace Company has been sending out; covering the United States and Canada through 4,500 Holland Furnace Company employees scattered throughout the nation at factories and branches, who have been boosters for Holland's outstanding celebration during the beautiful month of May.

Birdseye View of Holland Plant

THE HOLLAND FURNACE COMPANY was founded in this city thirty years ago. From a very humble beginning it has grown to tremendous proportions and is considered by the entire city of Holland as a potent factor as this relates to the well-being of this community. Some conception can be gleaned when it is considered that thirty years ago the "Warm Friend" establishment started with half a dozen employees backed by two energetic far-seeing men. Today the company has 400 branches dotting the nation, 3 large plants, the largest at Holland, 400 branch managers, from 1200—1800 salesmen, 2000 installers and 400 cleaning machines in service, not including the hundreds of plant workers during the peak of the season. It is not our intention to "talk shop" any further than that the contrasting figures between thirty years ago and today would indicate that the product, namely Holland Furnaces, has great merit and plays an important part in making comfortable the homes of the American people. Again we welcome you to Holland, Michigan, the city of homes and the place "where folk really live."
