HOLLAND CHOIR RATED AT TOP IN REGIONAL MEET

A Cappella Group Returns From Springfield With Highest Honors

High School Singers Are Not Baffled by Change in Selection

With highest honors, the Holland high school a cappella choir under the direction of Miss Trixie Moore returned to Holland Sunday night from attending the National Region 3 Vocal Competitive festival in Springfield, Ill. The local choir was one of four to receive first division rating in class A. The other three choirs were from Illinois.

A choir from Hartland, Mich., was the only other choir from this state to enter the event. It was given first division in class C. Eighteen choirs were entered in class A and four received first division and five second division.

The Holland choir appeared before the judges Saturday at 2:15 p.m. and sang "Lost in the Night" by Christiansen, "How Lovely Is Thy Dwelling Place" by Brahms, and "From Heaven Above" by Christiansen. An incident which might ordinarily be upsetting occurred just before the choir went on the stage when it was learned that the selection "Lost in the Night" was required in place of "Adoramus Te," Palestrina, which the choir had planned to sing. The choir sang the substituted selection with no special practice although it had been used as a warm-up exercise. The selection was one of those used by the massed chorus at night.

Following the afternoon contest the choir competed in the sight-reading contest and was highly complimented for its work. Later a rehearsal was held for the evening concert under the direction of Olaf Christiansen of New York city, leader of the massed chorus. The evening concert also featured soloists and ensemble work.

The 81 choir members stayed at the Abraham Lincoln hotel in Springfield with two in a room except one room which housed 12 girls. Accompanying the group were Miss Trixie Moore, the director, Miss Clara McClellan and Miss Virginia Kooler of Holland and Miss Margaret Vander Hart of Saugatuck.

FARM HOME IS LOST IN BLAZE

Olive Center, May 16—Fire, believed to have originated from sparks from the chimney, completely destroyed the large farm home of John Alconowski, located one-half mile east of here, Sunday forenoon, causing a loss of several hundred dollars.

The farm formerly was owned by Thomas Kraai. The loss was reported to have been partly covered by insurance.

Discovered about 10:30 a.m., the second floor of the home was soon in flames. Neighbors were successful in removing the contents from the first floor but second floor furnishings were destroyed. Included in the loss were the trousseau and a cedar chest, belonging to a daughter of Mr. and Mrs. Alconowski, who planned to be married within a short time.

Fanned by the high wind, the fire spread across the road and burned over considerable territory before being brought under control.

Need Only Sun to Bring Out Tulips in Holland

Latest reports from Festival Manager S. H. Houtman reveal that about 10 per cent of the city's 3,000,000 tulips are now in bloom. Two days of sunshine will bring out about 90 per cent. They have had plenty of moisture and are in excellent condition, he said.

The white beds planted at each intersection which have always bloomed three days in advance of the others, are out in full bloom. This is the best possible indication that Saturday's influx of visitors will be greeted with all the hues of the rainbow in the tulip lanes along the city streets.

Kalamazoo Exchange Club to Attend Dinner

Members of the Kalamazoo Exchange club, Monday noon, accepted an invitation from the Holland club to attend a joint service luncheon which will be held in Holland armory Tuesday noon, May 21, as a Tulip Time festival event.

A delegation from the local club, including Charles Van Zyl, Rose Marie Burrows, Geraldine Van Velpen and Dora Heigh, went to Kalamazoo Monday to attend the club's luncheon, the three girls providing a short program of entertainment.

Speed Plans in Holland to Aid Stricken Netherlands

Public Meeting Scheduled for Fete in Drive for Relief Funds

While Holland Americans mourned the overrunning of The Netherlands by German armies, plans went forward in Holland today for the raising of funds to aid Dutch war sufferers in the mother country.

Mayor Henry Geerlings has appointed a general committee to work out plans for raising funds. This committee will work in conjunction with the executive committee of the Ottawa county Red Cross chapter.

Members of the committee are Mrs. J. E. Telling, William Arendshorst, Dr. Wynand Wichers, Cornelius Vander Meulen, S. H. Houtman, Edward Brouwer and Mayor Geerlings. A committee meeting was held here at 10 a.m. Thursday in the office of Mr. Vander Meulen in the former Holland City State bank building.

LEGION GROUP TO VISIT FETE

Commander and Adjutant of State Department Accept Invites

Two state officials of the Michigan department of the American legion have accepted invitations to attend Holland's Tulip Time festival Wednesday, May 22. The officials are Everett De Ryke of Milan, state legion commander, and Carl Goetz of Monroe, state adjutant.

While in Holland, Mr. De Ryke and Mrs. Goetz will be entertained by the Willard G. Leenhouts post. Arrangements also have been made for a legion meeting to be held in the post's clubrooms to which legion posts of Grand Haven, Coopersville and Zeeland will be invited.

Henry Geerds and Alfred C. Joldersma will serve as co-chairmen of the reception committee. Other members are A. E. Van Lente, Marinus De Four, Henry Cook, Ben Lieveens, Dr. William Weststrate, Dr. E. J. Bacheler, Henry Poppen, Tony Den Uyl, Gerrit Veurink and Simon Meeuwse.

The two legion officials, scheduled to arrive in Holland during the afternoon, will then be taken on a tour of the tulip lanes and to the tulip farms. Following a dinner aboard the S.S. North American, they will attend the legion meeting at 8 p.m.

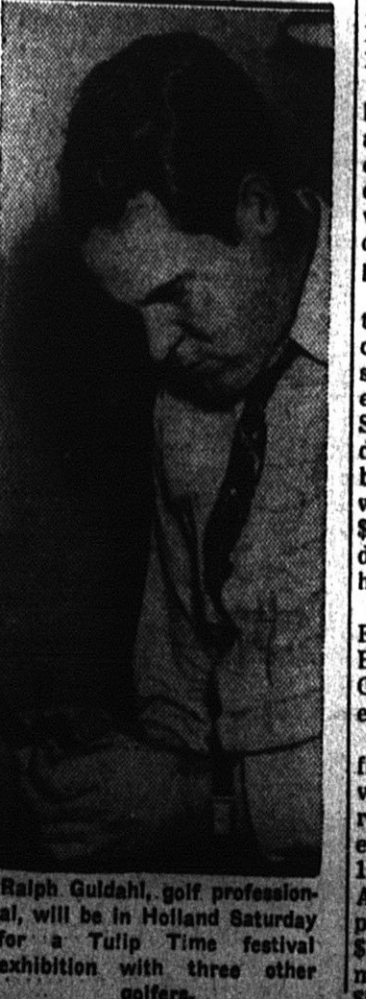

Mrs. De Ryke and Mrs. Goetz are expected to accompany their husbands to Holland. The group plans to remain in Holland overnight.

CALLAHAN DELAYS VISIT TO HOLLAND

At the request of City Assessor Peter H. Van Ark, Dr. Philip A. Callahan, state supervisor of social security, who was scheduled to come here Tuesday to investigate the feasibility of removing the social security office from the Holland city hall, has postponed his proposed visit until Tuesday, May 21.

The delayed visit also will offer Dr. Callahan an opportunity to visit the Tulip Time festival. Mrs. Bernice Van Zyl, Ottawa county social security supervisor, said today that arrangements are being made to hold a noon luncheon aboard the S. S. North American to offer the social security staffs from Ottawa, Allegan and Muskegon counties, an opportunity to meet Dr. Callahan.

To Play Here

Mr. Houtman in a wire yesterday to Dr. Hendrik Willem Van Loon, noted historian, requested him to carry out his original plans to attend this year's Tulip Time festival on Wednesday, May 22.

Mr. Houtman received a wire today from Mrs. Van Loon, advising that her husband had been ordered to bed for a fortnight because of overwork in organizing Dutch relief plans.

Dr. Alexander Loudon, Netherlands minister to the United States, has not definitely canceled his trip to Holland, but officials here feel that he will be unable to be present.

Tentative plans for the raising of funds call for the establishment of Red Cross stations which will be in charge of Junior Red Cross members and Junior League members.

These stations will be located during the festival at the Holland State bank, Peoples State bank, Holland Chamber of Commerce office, Warm Friend tavern, the tulip farms, Netherlands Museum, Little Netherlands exhibit and Riverview park.

Mr. Vander Meulen said Alfred C. Joldersma, cashier of the Holland State bank, and Clarence Jalving, cashier of the Peoples State bank, will serve as an auditing committee.

Plans also are being made to hold a public meeting Wednesday, May 22, at 4 p.m. in Centennial park in connection with the raising of funds. Arrangements have been made for the high school band and a cappella choir to appear on the program but the speakers have not been selected.

Pointing out that it is the city's wish that guests from outside this community enjoy "to the fullest extent of the merriment" of the Tulip Time festival, Mayor Geerlings today offered a reminder that "underneath the gaiety in the hearts of all of us, who treasure the gallant history, the noble culture of The Netherlands and her great contribution to the cause of freedom and progress, there must be a deep undertow of sadness because once again all the suffering and hardship, incident to the attack of a cruel invader is visited upon this country whose quaint customs we so gaily portray."

In response to various inquiries from persons desiring to make contributions but who fear the money may fall into German possession, the local Red Cross chapter said all funds which are donated here are forwarded to the national Red Cross office and it will assume the responsibility of seeing to it the money is used only for the intended purpose.

Plans also are being made to raise relief funds in Grand Rapids and a protest meeting against Germany's invasion of Holland has been arranged for Tuesday night. Donations will be accepted for refugees. Muskegon also is reported to have entered in the drive to raise funds.

Mayor George W. Welsh of Grand Rapids has appointed a relief committee, John Hekman, the Rev. Henry Beets, the Rev. John A. Dykstra, Titus W. Hager and Jacob Verhulst will serve as a Dutch relief committee, after consultation with Jacob Steketee, consul for The Netherlands. Steketee asked the mayor also to serve on the committee.

RELEASE FOUR FOR CONTEMPT

Four Holland young men charged with contempt of court were released today by Municipal Judge Raymond L. Smith after they had spent the night in the Ottawa county jail.

The four were James Haasjes, 18, 130 East 13th St.; Raymond Overcamp, 18, 145 East 14th St.; Herman De Jonge, 18, 236 East 13th St.; and Martin Brown, 19, 124 East 13th St.

Their commitment was ordered by the court Wednesday afternoon after they had given false and evasive answers to questions asked during a one-man grand jury investigation into a case of the sale of beer to minors, Judge Smith reported.

After spending the night in jail, the quartet appeared before the court this forenoon to retell their stories. The group along with Ernest Overkamp, 21, 145 East 14th St., pleaded guilty to charges of disorderly conduct on arraignment before Smith last May 3 and each was given a fine and costs of \$9.15. Their arrests followed a disturbance at the local police headquarters the night of May 2.

Deputy Sheriff William Van Etta reported today that three automobiles were involved in a crash on M-21 near Hudsonville Wednesday night. While names of the drivers could not be learned, it was reported the mishap occurred when one car sought to pass a car and trailer. This second car struck the trailer because of the approach of a third car which also struck the trailer.

G.R. Negro Found Guilty on Conservation Charge

Emmett McGee, 48, colored of Grand Rapids, was found guilty of a charge of fishing with too many lines in Black river, following a hearing Monday afternoon before Municipal Judge Raymond L. Smith.

LOUDON YET TO DECIDE ON TRIP TO LOCAL FETE

Wants to Come Here but Likely Will Be Unable to Make Visit

Resentment Is Shown Here Over German Invasion of Old Country

Washington, May 16 — Dr. A. Loudon, Netherlands minister to the United States, has not yet definitely canceled his scheduled trip to Holland, Mich., May 22 to attend the Tulip Time festival, it was learned at the Dutch legation here.

He still hopes to go to Holland, but likely will be unable to do so, it was said. The legation explained that under present circumstances, arising in the Nazi invasion of the low countries, he cannot make plans a week in advance and that those plans he does make are subject to change at anytime.

(Festival officials already have abandoned hope that Dr. Loudon, who was to have been accompanied by his friend, Dr. Hendrik Willem Van Loon, will attend the festival. The Loudon reception committee is ready to accept the duties of administering a Netherlands relief fund if its services are requested.)

S. H. Houtman, general festival manager, had suggested that the committee which was to have arranged for Dr. Loudon's reception should take over the duties of administering a Netherlands relief fund for this area.

"By carrying out their Tulip Time program as planned, local Holland-Americans can best serve the interests of their former countrymen," Mr. Houtman said.

"While we have refrained from contacting the Netherlands embassy at this troubled time, we are confident that the Dutch government believes that the publicity attending Tulip Time will serve only to accent the bond of sympathy that has existed between the two nations since the Friesians fired the first salvo of the newly formed United States government after the war of '76," he commented.

Mr. Houtman also expressed concern over the importation of tulip bulbs. He said The Netherlands provided from 70,000,000 to 80,000,000 tulips, bulbs every summer for fall planting in the United States. Domestic production of tulip bulbs, with Michigan as the leading producer, totals from 7,000,000 to 8,000,000. As the domestic supply, as well as Dutch importations, is used in the United States, it is expected this fall's supply will be short and the American market not be sufficient to meet demands.

Germany's invasion of The Netherlands, mother country of hundreds of Holland citizens, had its reactions here last week as eyes of the Dutch residents turned across the sea to watch with concern the outcome of this new crisis in the European war situation.

TWO ARE HURT IN THREE-CAR CRASH

Two persons suffered injuries in a three-car accident which occurred Wednesday about 10:45 p.m. on US-31, just south of the Holland city limits in Allegan county.

Harley Scott of Grand Rapids was treated at the hospital Wednesday night for a knee injury and later released.

State police are reported to have investigated the crash but details could not be learned here today.

Deputy Sheriff William Van Etta reported today that three automobiles were involved in a crash on M-21 near Hudsonville Wednesday night. While names of the drivers could not be learned, it was reported the mishap occurred when one car sought to pass a car and trailer. This second car struck the trailer because of the approach of a third car which also struck the trailer.

G.R. Negro Found Guilty on Conservation Charge

Emmett McGee, 48, colored of Grand Rapids, was found guilty of a charge of fishing with too many lines in Black river, following a hearing Monday afternoon before Municipal Judge Raymond L. Smith.

He was assessed a fine and costs of \$14.35 which he paid. After pleading not guilty and waiving trial by jury, McGee's trial was held afterward. The arrest was made earlier in the afternoon by Conservation Officer Forrest Lavy.

Gerrit Lemmen, 29, of Holland, pleaded guilty to a charge of speeding this forenoon and paid a fine and costs of \$5.

Anniversary Concert of Band Is Well Received

Large Audience Is Present at Program in Local High School

As each number was played for each year of the band's existence. During the playing of the final number, "Stars and Stripes Forever," the lights on the stage were dimmed and a spotlight was centered upon an American flag to the left of the stage. Stirred by the scene because of existing conditions in Europe in which the German armies have conquered The Netherlands, the large audience rose to its feet and remained standing throughout the number.

Following the concert, members of the legion band, their wives, former band members and their wives retired to the Woman's Literary club building where refreshments were served and acquaintances were renewed between the present and former band members.

FOUND GUILTY IN CRASH CASE

Local Man Assessed Fine Following Jury Decree in City Court

Gerrit Elferdink, 21, route 5, Holland, was found guilty of a reckless driving charge by a six-man jury following a trial Tuesday afternoon before Municipal Judge Raymond L. Smith. The jury required about 30 minutes to reach a verdict.

Elferdink was assessed a fine of \$50 and costs of \$18.55 which he arranged to pay. Members of the jury were Neal Exo, Lucian Raven, Wilson Diekema, John Wabeke, Richard Hoodema and Leonard Vogelzang.

The charge resulted from an automobile accident April 5 in the intersection of the Waverly road and East 16th St. road in which a car, driven by Elferdink, crashed into a car, driven by Miss Jeanette Westveer, 55, 205 College, in which Miss Westveer and Mrs. John Wolfert, route 5, Holland, suffered injuries.

Deputy Sheriff William Van Etta said this is the fourth time in the past year Elferdink has been arrested and prosecuted for traffic violations. He said Elferdink was arrested twice in April, 1939, on charges of speeding and that last Aug. 28, he was arrested after his automobile had crashed into the rear car of a funeral procession.

Al McCarthy, 42, West 13th St., and Richard Ross, 32, 200 West Eighth St., pleaded guilty to charges of fishing in Lake Macatawa upon their arraignments before Judge Smith.

McCarthy was assessed court costs of \$6.85 which he paid and Ross was fined \$10 and costs of \$6.85 although the fine was suspended by the court. Judge Smith reported that Ross was arrested after he had gone to his home and displayed his brother's fishing license to Conservation Officer Forrest Lavy.

The following have paid fines to Judge Smith after pleading guilty to traffic violations: Morris De Vries, West 10th St., overnight parking, \$1; Egbert Tjalma, route 2, Zeeland, and Ray Van Ommen, 20, of Zeeland, speeding, \$5 each.

FETE INCREASE EXPECTED
S. H. Houtman, manager of the Tulip festival, has predicted that 750,000 persons would visit the city during the eight-day celebration. Last year's attendance was estimated at 600,000 and he predicted an increase on the basis of a 25 per cent advance in the number of inquiries received.

the game is "really played" and to witness the opening day's program of Holland's Tulip Time festival, it was announced here by Henry Boersma, advertising manager of the Holland Furnace Co.

The two professionals are Ralph Gulahl, national open champion for two years, Western open champion for three years and winner of the Masters' tourney in 1939; and Jack Hutchinson, well known for his trick golf shots and former British Open champion, former national open champion and PGA champion.

The amateur golfers are John Goodman, national open and national amateur champion; and Fred Werly, top contender for this year's national open title and one of this season's leading amateurs.

Mr. Boersma said it was impossible for Walter Hagen and Chick Evans to come here for the exhibition match due to a tournament in Boston, Mass.

The golfers will arrive in Holland Friday at 3:55 p.m. along with the movie and radio stars aboard a special car, attached to the regular afternoon Pere Marquette passenger train.

The exhibition golf match at 9:30 a.m. Saturday at the Holland Country club will be played on the last nine holes. Lee Kleis will be referee of the match in which the two professionals will be pitted against the two amateurs.

Winners of the match will be awarded the "Warm Friend trophy," donated by the Holland Furnace Co. The trophy will consist of a wooden shoe mounted on a plaque of sterling silver.

Mr. Hutchinson also will give a demonstration in trick golf shots and is scheduled to appear on the Holland Furnace Co.'s radio broadcast at 1 p.m. and at 8 p.m. Saturday.

The four golfers will don Dutch costumes and pose for pictures prior to the match, but will play in regular clothes. Their caddies will be in Dutch costume. The match was arranged primarily as an entertainment feature for the 200 salesmen and branch managers of the Holland Furnace Co. who will attend this year's festival as winners of the company's 1939 sales contest, but the public is invited.

The group, including the golf players, Miss Dorothy Lamour, Reginald Denny, Tommy Riggs, Herbie Kay and his orchestra and two announcers, Vincent Pelletier and Marvin Mueller, will leave Chicago at noon Friday.

Arrangements have been made for stopovers at Michigan City at 1:26 p.m. and at Benton Harbor at 2:26 p.m. where they will be welcomed by the mayors of the two cities and will be presented with bouquets of tulips. The train will arrive here at 3:56 p.m. and will be met by Mayor Henry Geerlings, company officials and the three tulip time delegates, Mary Lou Van Dyke, Mary Lou Luis and Dorothy Weyenberg, who will present bouquets of tulips to the visitors.

The guests will then be taken to the S. S. Alabama at Montello park where the company will hold open house for its employees. At the boat the group will be presented with engraved wooden shoes.

Arrangements have been made for the movie and radio stars to ride in open cars along Eighth St. and River Ave., following the afternoon broadcast and prior to the afternoon festival program. Miss Lamour and Mr. Denny will ride in the first car and the other stars will travel in a second car. The group will then retire to the Warm Friend tavern where they will witness the street scrubbing program, wooden shoe dancing and the volks parade.

Sixteen branch managers from western states will attend this year's festival. They will arrive by plane in Grand Rapids Friday afternoon, dressed in western costumes which were presented to them at a convention some time ago in the west. They will be met by company managers.

The Holland Furnace Co. group is scheduled to sail Saturday midnight aboard the S. S. South American for a three-day cruise on Lake Michigan.

THREE HUNDRED ATTEND DINNER AT CHICK SHOW

Maintenance of Ideals of America Urged in Talk by Hannah

Baked Goods Contest Is Main Attraction in Zeeland Today

Zeeland, May 16 (Special) — About 300 persons attended the sixth annual banquet of the 11th Zeeland Chick and Egg show, in Zeeland high school gymnasium Wednesday night.

Al Janssen, vice-president of the show, was general chairman and opened the affair with brief remarks, after which he introduced the personnel of the show, composed of Monte Emmons, violinist, Gerard Hanchett, pianist, and Don Kramer, xylophonist, who furnished dinner music. He then introduced the chick queen, Miss Lillian Lanning, daughter of Mr. and Mrs. Ben Lanning and her court, Miss Betty Wyngarden, last year's queen and the runner-up in the queen contest, Misses Dorothy Bouwens and Marjorie Vanden Bosch and their escorts, Don Wyngarden, Robert De Witt, Henry Geerlings and Virgil Janssen.

The invocation was said by the Rev. John Van Peursen, pastor of First Reformed church.

After the dinner, Mr. Janssen introduced the toastmaster, Jack De Witt as a master of wit, super salesmanship, and a modern romance among women.

Music was furnished by Holland children dressed in Dutch costume: Monty Dyer played an accordion solo. He accompanied Mary Lou Van Dyke and Charles Bradley when they gave a klompen dance. The court jesters were Harold Van Heuvelen, Lawrence Bruggers and John Haines, who sang.

John A. Hannah, secretary of Michigan State Agricultural college and past president of the International Baby Chick association, gave a splendid address, presenting facts and statistics showing advances made in the chick industry and the rapid changes which have greatly influenced it.

He spoke of Germany and its extensive preparations for war many years back. Mr. Hannah visited Europe in 1936 and he told of many things he observed at that time. He emphasized the need of maintaining the ideals of this country as of far greater importance than poultry or eggs or colleges, although these things rightly occupy a strategic place in American lives. He closed by quoting a poem stressing the need of maintaining high ideals.

Miss Rose Teninga gave a reading. Announcement was made that, although an effort had been made to present trophies to winners in the various show divisions at the banquet, the unusually large number of entries and the close competition made it impossible for the judges to complete the judging until Thursday noon.

The closing number of the program featured colored movies of the World's Poultry congress held in Cleveland in 1939. This congress was attended by 850,000 persons.

The main feature of the show today was the baked goods contest which began at 11 a.m. Miss Nina Ray and Miss Jane Schroeder judged these articles and the organization named by the contestant will receive one half of the price received at the auction sale to be held at 8 p.m. tonight. George Caball will be the auctioneer.

The main feature of the Friday program will be the public auction of chicks and eggs with A. W. Hilkey as auctioneer.

Program Is Completed for Zingen Van Psalmen

A Cappella Choir to Assist in Chapel Service on Sunday

Arrangements have been completed for the "Zingen van Psalmen," an annual Tulip Time feature, which will be held Sunday, May 19, at 4 p.m. in Hope Memorial chapel. William J. Brouwer, prominent merchant and churchman, will serve as "voorzitter" and Kenneth R. Osborne, head of the organ department at Hope college, will be the organist. This year the Holland high school a cappella choir under the direction of Miss Trixie Moore will assist in the service.

The program will open with a carillon recital on the McLean Memorial chimes by Mr. Osborne. A short devotional service of scripture and prayer will be given by the Rev. Henry Bast, Hope college pastor. Mr. Osborne will play an organ number "Third Chorus," by Hendrik Andressen who is one of the leading organists in The Netherlands.

Audience participation will enter with the singing of psalm 42, verse 1, and psalm 25, verse 1. The a cappella choir will sing "Er Ruischt Langs De Wolven," (One Name Is Olf Sounded) by E. Gerdes. The choir's second number will be "Neerlandse Volkslied" Netherlands Folk Song.

The second group of psalms by the audience will include psalm 118, verse 1, and psalm 84, verse 1. Another organ selection "No. 2 Tocatta," Andressen, will be played by Mr. Osborne. The audience will sing psalms 68, verses 2 and 10, after which the organist will play for offertory "Ave Maria," Arcadelt-Dickinson. DUTCH RELIEF

(Continued from page one)

Through Dr. William Weststrate and Henry A. Geerts, the Voiture Locale No. 1183 of La Society Des 40 Hommes et Eight Chevaux announced today that 25 percent of the net donations and proceeds of the fun party to be held Friday night, May 24, at the Big Pavilion in Saugatuck, will be given to The Netherlands and Belgium relief fund.

The society met Wednesday night and it was decided that, due to the serious condition in the lowland countries in Europe and the urgent necessity for relief, an immediate donation of \$25 be given through the Red Cross.

The two men said it had previously been the intention of the Voiture to raise funds for child welfare in this state.

"It was felt that, any monies donated, would be used for the children and women of Belgium and The Netherlands and so the original purpose of the party would be achieved to a large extent," their statement read.

The local Voiture is an organization within the American Legion, countrywide in the member-

ship and has been formed primarily for the furthering of the aims and purposes of the legion.

Dr. H. Boerigter, doctor of chemistry from The Netherlands, who is stranded in the United States due to the war and who was to have addressed the Holland Rotary club today noon, has hastened to Washington, D.C., and he plans to wire the local committee about the national relief plans so that the local drive can be coordinated.

Jacob Steketee, Netherlands consul at Grand Rapids, informed the local relief committee this forenoon, that a national relief administration has been perfected in New York city with Dr. Van Loon as the head.

Mr. Steketee has been appointed as head of the Grand Rapids district and James Crosby, Jr., of the Grand Rapids Red Cross, will work with Mr. Steketee. Mr. Crosby, according to advice received by Mr. Vander Meulen from Mr. Steketee, has stated that the Red Cross will augment the fund which will be raised to aid the Dutch sufferers.

Mayor Geerlings was requested by the relief committee this forenoon to contact the Holland Ministerial association with a request the ministers arrange for a city-wide collection in all local churches Sunday, May 26.

Mr. Arendshorst will arrange for the provision of all tables and stands at inside relief Red Cross stations and Mr. Brouwer will arrange for tables and chairs for the outside stations which are to be established during the Tulip festival week to receive cash donations.

The task of arranging the staffs for these stations will be undertaken by Miss Beth Marcus of the Junior Red Cross; Misses Virginia Koolker and Mary Harter of the Junior League; Mrs. L. F. Reed has offered the assistance of the Camp Fire girls to the committee.

Anyone in the city who owns authentic costumes or copies of the less known provinces are urged to get in touch with members of the committee or Mr. Wichers office, telephone 3227, at once. Both children's and adult costumes are needed.

ARRIVES HERE TO VIEW FETE

John H. Vander Schel, 3205 Diacano Drive, Los Angeles, Cal., arrived Tuesday noon by bus from California for a two weeks' visit with his parents, Mr. and Mrs. David Vander Schel, 400 Van Raalte Ave., and to witness the 1940 Tulip Time festival.

Mr. Vander Schel is scheduled to report back to his work June 3 with the Lockheed Aircraft Co., as inspector of the twin-engine bombing planes which are being sold to Great Britain. Having seen Holland and her Tulip Time festival in newsreel pictures in past year, he is looking forward in witnessing this year's program in person.

After leaving Holland high school, Mr. Vander Schel went to Los Angeles and was employed in the aircraft industry, working on airplanes for commercial airlines and also those used by the U. S. navy and army and foreign governments. During the past four years, he has inspected approximately 300 twin-engine bombing planes for the U. S. government at the Douglas Aircraft Corp. at Santa Monica.

He reports that the Lockheed corporation is now going into production on an extremely fast fighting plane for the U. S. government and is still continuing to fill orders for several foreign governments.

Los Angeles, he reported, has been the near center of most all major aircraft concerns for some time and it is extremely interesting to see the big new air giants being manufactured. Some of the new planes have reached a wing span of 230 feet and propelled by four engines developing some 6,000 horsepower.

During the past five years, he has seen more than 1,000 new planes being test flown and made ready for delivery with no serious accidents which, he said, indicates that the plane of today is becoming both larger and safer at the same time.

Mr. Vander Schel also does his own personal flying, using a plane he recently flew from Kansas City and he reports that he finds "it a good deal more comfortable to fly places on my week-end trips than to buck traffic on the highways."

ALBION BEATS HOPE GOLFERS

A little bad luck on the last hole of the Duck Lake course Monday, caused the Hope college foursome to lose its first match to Albion, 6½ to 5½.

The match was close all the way with Cimco's No. 2, and Dykstra's No. 4, trials even closer.

Ade Slikkers, Hope No. 1 man, still remained undefeated and took a 78 to Adams' 83. Ted Cimco was low with a 75, three over par. Shooting a 39 on the way out, he dropped one point out of three to Aslip who took a birdie on the ninth.

Kalamazoo, having beaten Albion 6½-5½ on the home course last Saturday, is now the only undefeated MAAA team. Should Hope win the match with Kalamazoo here Saturday, the three would again be tied for the conference field day May 23 and 24. The Saturday date will probably be changed because the Holland Country club will be used that day for exhibitions.

Scores: Slikkers, 40-38-78; Adams 41-42-83; Cimco, 39-36-75; Aslip, 38-39-77; Honholt, 41-44-85; Thompson, 39-40-79; Dykstra, 45-43-88; Turnboom, 44-43-87.

He said that Arabia was the poorest, most backward and most ignorant country in the world. He also said that most of the people in Arabia are very hospitable.

Dr. Raymond Drukker, who is in charge of the education and youth work in Reformed Church in America, spoke briefly in behalf of the Youth Fellowship Conference to be held this summer. The conference of interest here is to be held at Westminster Lodge, Camp Gray, Saugatuck, July 20 to 27.

George Schulling, counselor for the Youth Fellowship within the Classis of Holland since 1935, presided at the meeting. The Rev. William Van't Hof, pastor of Third Reformed church, was in charge of devotions.

PLAY DELAYED AGAIN BY RAIN

Wednesday afternoon has become known as the time when Holland has its weekly rain. It drizzled and poured yesterday for the tenth time this year.

Luckily, few games were scheduled for Holland teams yesterday. The Hope college tennis match here with Hilldale, which had been postponed from the Wednesday before because of rain, was again postponed—this time until next Tuesday. Hilldale was here all afternoon yesterday, but each of the dozen times the boys tried to get out—more rain.

The Flying Dutchmen's daily practice for their opening game with the Dutch of Grand Rapids May 23 under the lights at River-view Park, was also interrupted. Coach Benny Batema's men, working out nightly, are now stationed at the 19th St. diamond due to the setting of the pageant stage at Riverview park. They will be in good shape for the opener as well as will Grand Rapids, one of the strongest teams in the state. Games between the Flying Dutch Juniors and Virginia Parkers in league one at 23rd St., and between the Bat Slingers and Pepsies of Holland high's inter-mural, league two, at 19th St. were also postponed.

Don Van Lente, veteran Flying Dutchman shortstop will be lost to the local club this season, having signed with the Kalamazoo league. Bob Vanden Berg, right-hand hurler, will have completed his teaching duties at Baroda, just outside St. Joe, in time for the Tulip Time game. Among the other veterans to return are Lefty Van Wieren, Ed De Neff, Russ Wolrding, and Barney Neifert.

The Junior Chamber of Commerce is sponsoring the local team's ticket drive.

The only match so far scheduled for Wednesday has been scheduled by the Holland golf team. The optimistic Dutch have added to their match with Muskegon at the Holland Country club, another foe—Zeeland.

The table was decorated with a set of double candelabra with tall pink candles and a centerpiece of sweet peas and snapdragons. Games were played and prizes were awarded.

The guests included Mrs. Marian Schoerhorn Visser, Mrs. Edna Mae Rosendahl Overway, Miss Kay Esther, Miss Violet Slag, Miss Lois Dykhuil, Miss Berdine Hop, Miss Ruth Stegeman, Miss Peg Van Kampen, Miss Lillian De Boer and Miss Bowina Kuzenga.

Mr. Riemersma led devotions and Mayor Ray Serier made an announcement regarding intramural baseball games.

ATTENDANCE AT FETE EXPECTED TO SET RECORD

Plans for Tours, Advance Reservations Exceed Previous Lists

Hotels and Steamers Are Sold Out for First Week-End

The number of advance reservations for rooms in hotels and private homes and for excursions to be made here today indicated that all past attendance records will be broken at the 1940 Tulip Time festival which opens here Saturday, May 18.

S. H. Houtman, Tulip Time manager, has reported that a survey he made discloses that Holland's two leading hotels, the Warm Friend tavern and the Hotel Netherlands, have been sold out for the opening week-end, the last rooms having been reserved several weeks ago.

The Georgian Bay line has received more than 1,000 reservations for its two boats, the S. S. North American and S. S. Alabama which will serve as hotels at their Montello park dock. This is the first time in the history of the festival, the two boats have been completely reserved for the first week-end, Mr. Houtman said he was informed.

Already more than 400 requests have been received at the Tulip Time office for rooms in private homes. Reservations received Tuesday amounted to 50 for only one day, Mr. Houtman reported. Numerous excursions will be run to Holland from various cities during Tulip festival week, bringing thousands of persons by train and bus.

The Pere Marquette railway has informed Mr. Houtman that between 600 and 700, including members of camera groups from Toledo, O., and Detroit, will come to Holland on the first Saturday of the festival.

Another excursion train, bringing 400 members of a business woman's group, will be run to Holland Sunday, May 19. On the second Saturday of the festival, another excursion train from Detroit and Toledo is expected to bring 500 or 600 persons.

The S. S. Illinois will bring a delegation from Milwaukee, Wis., on both week-ends. The boat will dock at Muskegon and the rest of the trip will be made by bus. Upwards of 150 persons are expected to be included on this excursion.

An excursion is planned for Saturday, May 18, from Chicago bringing 300 persons and, due to the overwhelming demand for reservations, a second excursion is being planned for May 25.

The longest tour will come from Boston, Mass., where 25 persons have signed for a tour which will continue the full eight days of the festival.

Two tours are being planned at Toledo, O., and there is a possibility a third one will be organized.

HEIGHTS GAIN SHUTOUT HERE

A surprising Muskegon Heights tennis team swept down from the north last Thursday, and taking all matches, 7-0, gave the locals the worst beating they have had for a long time.

Holland high didn't even rate a place to show except perhaps in first doubles where a three-set match was played, but even that was weak.

Singles
Minarovic (M) d. Van Duren, 6-1, 6-0.
Rudd (M) d. Van Huis, 6-1, 6-1.
Wisenhofer (M) d. Rotman, 6-1, 6-4.
Ketchum (M) d. De Fouw, 6-4, 4-6, 6-2.

Doubles

The civil suit grew out of an automobile accident which occurred about a year ago in Benton Harbor, involving the two parties. The amount of the appeal bond is \$314.

The following persons have been fined by Smith on their pleas of guilty to traffic violations: Allen Teall, route 1, \$2; Louis Javling of Allegan and Fred Veltman of Holland, \$1 each, overnight parking; Chester Oosting, route 1, Holland, speeding, \$5.

Three Southwestern conference golf teams met at the Holland Country club last Thursday, with Grand Haven with a 367 defeating Benton Harbor and Holland, and Benton Harbor with a 385 beating Holland's 391.

At a time when a low score might have meant two matches, the Dutch made their worst score and neared the 400 mark. The fight for conference championship this year will undoubtedly be limited to the two Muskegon schools and Kalamazoo.

Bob Bowen and De Vries of Grand Haven were the only two men of a dozen, staying with the 80's. The last man on each team went over the century mark.

CLOTHING MIXUP IS SETTLED AT CAMP

Four deputy sheriffs were called upon Wednesday May 8, to settle a mixup in clothing which occurred Wednesday night at the hobo camp at Waverly.

Following a receipt of a report from one hobo that he had been "rolled" by three other hobos in which a shirt, two suits of underwear and some socks had been stolen, Deputy Sheriffs William Van Etta, William Kruihof, John Boes and Martin Baerman visited the camp.

Ald. Cornelius Kalkman, Sr., accompanied the group which found that one of the hobos had received a \$5 money order through the mail and, upon cashing it, had spent the money for liquor with which the four "staged a party."

The officers learned that the hobo who claimed he had been "rolled" had given his shirt to his companion as his part in paying for the liquor while the other clothing was given to the other members. When he "recovered," he apparently decided he wanted his clothing back and told a story of being robbed. The clothing was restored, but the three companions didn't think so much of their "friend," Van Etta said.

REFUDIATING LYNCH LAW

From Atlanta, Georgia, comes
the cheering news that the south
has ended its first year without a
lynching since tabulations were
started in 1882. That is a record so
encouraging that it ought to be
reason for national thanksgiving.

National thanksgiving because it
is an achievement in which the
whole of America has a stake. Al-
so, although most of the lynchings
occur in the south, the whole of
America shares in the guilt of mob
law, and it is the good name of the
whole of America that suffers as a
result in the world at large.

During the time when the per-
secution of the Jews was at its
worst in Germany, an American
citizen traveling in that country
expressed his shocked surprise to a
little group of very intelligent
Germans. They answered him very
quietly but very convincingly with
a question of their own: "What
about the treatment of the Negro
in your country?" For the first
time in his life he felt shame for
his native land.

And although most of the lynch-
ings occur in the south, that does
not mean that the south is neces-
sarily more brutal and lawless
than the north. It merely means
that mob violence is likely to oc-
cur at the point where the two
races are in closest contact. Let
the Negro outnumber the whites
in any northern state, and its re-
cord would probably not be much
better than that of the average
state in the south.

And it should be remembered
that this record of a whole year
without a lynching has been
achieved largely through the ef-
forts not of the people of the north
but of those of the south. The
announcement itself was made by
the secretary of the Association
of Southern Women for the Pre-
vention of Lynching. And all
through the south there are mil-
lions of people who are sincerely
devoted to the cause of preventing
mob violence against the blacks.
Lynching is of course a repudia-
tion of the principles of democra-
tic government itself. The mobs
that kill without due process of
law are plainly indulging in treas-
on against their own form of gov-
ernment. They never see it that
way while they are blinded by race
passion, but they are almost the
most deadly enemies America has.
Mob rule and orderly government
cannot live permanently in the
same country.

RECORDS MADE BY
FORENSIC GROUPS

Zeeland, May 16 (Special) —
A majority of students of Zeeland
high school who participated in
forensic contests have made not-
able records after leaving school,
a ten-year chart compiled by L.
Roberts, speech instructor, reveals.
Many speakers in the sub-dis-
trict were valedictorians and sabi-
tarians and, with only a few
exceptions, they were all National
Honorary society members.

It was found that 12 of the 30
participants in the Zeeland school
won first place and several won
second places in the sub-district
contests in the past 10 years.
This year, Zeeland was repre-
sented by three students all of
whom won first honors—Norma
Kammeraad in declamation, June
Pyle in oration and Cornelius Wa-
bake in extemporé.

Teachers who have assisted as
coaches include Miss A. Zwerner,
Justin Vander Kolk, Howard Hill,
Miss A. Plakke and Mr. Roberts.

Jeremiah Denounces False
Prophecy

Jeremiah 23: 21-32

By Henry Geerlings

It is well to remember that the
days of Jeremiah were serious and
wicked days in Judah. The young
king Josiah, in whose reign Jerem-
iah began to prophesy, found
them so. With a rare courage and
an unflinching determination the
youthful king set out to clean up
his country morally and religiously.
While he accomplished much, he
did not accomplish all that he
desired. Evil is hard to destroy.
Even men are difficult to put to
flight.

Old customs and old ways and
delightful sins to which men and
women have grown accustomed
do not yield their place and pow-
er at the first sound of battle.
Evil knows how to fight as does
righteousness. Evil is persistent
and bold and tenacious. It was
true in Jeremiah's day and it is
true in our day. In spite of tears
or centuries of battle we have not
yet utterly defeated the kingdom
of darkness. We have gained some
ground and we have every en-
couragement to go on fighting for
the triumph of righteousness, but
we must not deceive ourselves
with any sense of false security.
We must not count the gains we
have made too rapidly. We must
not think that because we have
done this we can do that, that be-
cause we have sent ten devils back
into their retreat of darkness we
therefore can send a thousand
more to the same place. We can,
but we must not weaken our-
selves by pride and boastfulness
and minimizing the strength of
the enemy.

In this far-off day God needed
a man to thunder against iniquity
in high places and to preach
righteousness with a courage and
resolution and insight born not of
earth, but of heaven. He found
that young man in the person of
Jeremiah. Jeremiah found the peo-
ple deceived by prophets who
cleverly wore what they termed
their divine authority as a cloak
to cover up their fraud. These
prophets apparently were not un-
der control. Nobody had sent
them, yet they were in great haste
as though on an urgent mission.

How like all false propagandists.
Lately we have had many illus-
trations of false propagandists in
our country. They pose as loyal
to the flag and the constitution.
They praise the great men of our
history. They deceive many into
joining them, while at heart and
in purpose they are deadly. They
are enemies of the very princi-
ples which they pretend to uphold.
Through Jeremiah God proposed
a test for false prophets, drawn
directly from them and their
work. They showed no deep desire
to do good to the people. Their
words did not upset the evil ways
of the people. Wickedness flourish-
ed in spite of their well-worded
prophecies. They were entertain-
ing, interesting and eloquent, but
insincere and without authority.
Their messages had no penetrating
power. These are some of the re-
sults of God's examinations of the
false prophets.

These false prophets, whom God
had not sent and for whom he was
not responsible, made Jerusalem
a very difficult place for Jeremiah.
How he had the natural odds
against him is clear from his
struggles to be a true prophet. We
may well observe that false pro-
paganda interferes with the progress
of truth.

But God is everywhere. No
false prophet could escape his ex-
posure. They might think that
they had secret places but God
finds every secret place. Nothing
can be concealed from him.
Though they boasted of their won-
derful dreams as the source of
their prophecies, what they said
had no authority from God.

God uncovered their schemes.
They aimed ultimately to have
people forget even the name of
God. They would turn Israel back
to the evil ways of the past. They
were like our false propagandists
who would put a sneer upon our
faces and a jeer in our words when
we hear the names that are dear
to us Americans. What is vitally
needed is an exposure of the
scheming and trickery of these
propagandists.

In contrast was placed God's
prevailing word. The struggle
might be prolonged, but its out-
come would surely be the destruc-
tion of the false and the exalta-
tion of the true. The only way to
silence the false prophets was to
expose their falsehood and give
prominence to true prophets, such
as Jeremiah, who was sent by God
and spoke only his word.

These false prophets could not
go on with God against them.
They were no match for him.
When he asserted the truth, their
falsehood made them want to slip
away and hide. God helped Jerem-
iah to know and speak the truth.
It was a simple case of the truth.
It takes courage and conviction
and power to do that.

After a visit to Congressman

Mothers Honored
by Dorians

A Tulip Time tea was given
on May 8 in the Hope college
Commons room by the Dorian
society. It is a tradition to en-
tertain the mothers and friends
of Dorian prior to Mother's day.
Dorothy Strabbing, president,
welcomed the mothers and read a
memorial to Mother's Day after
which Ruth De Young played
several piano selections.
During the tea there was a
style show exhibiting the new
collections. As a final tribute to
mothers, Nelvie Vanderbilt sang
"Mother Machree," accompanied
by Ruth De Young.

Miss Jennie Spoelstra was

Fraters and Soph Girls of
Hope Win May Day Events

The fourth annual and most
successful May day took place on
the Hope campus Friday with in-
terfraternity superiority for girls
and interfraternity superiority for
men decided for another year.
The same teams that last year
took undisputed victories, again
proved their prowess, the sopho-
more girls winning with 26 points
and Fraternals society with 83 1/2
points.

Betty Daugherty and Lee Bran-
nock repeated last year's perform-
ances, both being members of
winning teams and again win-
ning Coach Jack Schouten's award
for individual high points.

Miss Daugherty totaled eight
points grabbing first in the
broad jump and second in the
half-century dash. Brannock total-
ed 16 points winning first in the
100-yard dash, tying the 220,
broad jumping first, and tying
second in high jump.

Jean Ruitter who won first in
high jump and Ruth Klaassen who
won first in the 50-yard dash, ex-
hibited the rarest form in fresh-
men and junior classes, respec-
tively. The senior girls showed in
no events except in winning the
softball game over the Juniors.
The sophs outdid the frosh girls
to totally outpoint their nearest
rival, 26-11.

The Fraters got their closest
competition from the Emersons
who counted in all, 49 points.
At the end of the first ten
events, the Emys were in front
44 to 43 1/2. With five more events
to go, however, Fraters nearly
doubled their own score while
Emersonians could scratch up only
five points. The winners took
seven firsts and the runners-up,
six.

The Emys showed up best in
the half-mile when they placed
men in the first three places for
10 points allowing a Cosmos in at
fourth for one. This was the only
event in which the Fraters did
not win at least 2 1/2 points.

Judged on the point system,
first place gave five points, sec-
ond, three points, third, two
points, and fourth, one point.

The sophomore girls proved
their ability in the relay which they
won by a sizable margin, and
the broad jump where Betty
Daugherty, Lorraine Timmer,
and Carolyn Kremers, their three
outstanding athletes, took all
three top honors.

The Cosmopolitans gathered
24 1/2 points winning firsts in the
high hurdles and half-mile relay.
Knickerbockers won three points.
Principals backing up Bran-
nock were Senior Bob Powers,
who was in charge of the fete
but found time enough to win
firsts in shot put, javelin, and
discus throwing, and Freshman
Art Timmer, Bernice Freiligh-
headed girl's arrangements.

The finals of the tennis tour-
nament to decide which girl
would represent Hope at the
MIAA meet in Kalamazoo May
24-25 were not reached and could
not be run off as had been

THREE HURT IN HEADON CRASH

Truck Driver Is Confined in G.R. Hospital With Back Injury

Two truck drivers and a passenger suffered injuries, one seriously, in a head-on collision between two large freight trucks on M-21, about three miles east of Hudsonville, at 1 a.m. Saturday.

The most seriously injured was Robert Heileman, 25, route 5, Grand Rapids, who was confined in St. Mary's hospital, Grand Rapids, suffering of a back injury, the extent of which had not been determined.

James Sandell, 31, route-2, Benton Harbor, was treated at the hospital for facial lacerations received in the accident.

Frank Williams, 62, Dyke Lake, a passenger in Sandell's truck, was confined in the hospital suffering of severe head and facial lacerations. Heileman was driving a truck for the Michigan Associated express and Sandell was driving a truck, owned by William Kellogg, for Associated Truck Lines.

Heileman was driving west on M-21 and Sandell was eastbound. Sandell reported to Deputy Sheriff William Van Etta that he was blinded by the lights of the oncoming truck and thought he was on the right side of the road.

From damage to the trucks, it appears that Sandell's truck was forced up on the front end of the other vehicle. Both machines were badly damaged, the left side being torn off the truck Sandell was driving.

Merchandise in his truck, which included washing machines, castings and other freight, was strewn along the highway. It was necessary to detour traffic through a field until the trucks could be removed.

The tractor of Heileman's truck was crushed and its motor was torn loose from the frame. The injured were rushed to the Grand Rapids hospital in a Grandville ambulance.

Deputy Sheriff William Kruit-hof of Holland and John De Vree of Hudsonville aided in the investigation.

The purpose of a college education is, he said, "to fit, shape, and prepare our hearts and lives after we go out, to be of service to our fellow men and to the world."

There never was, he stated, a greater call than now to "set" for Christian footsteps of life.

Holland M Club Pledges Support to Fete Concert

Yost Is Special Guest at Meeting of Group in Tavern

Enthusiastic support of the gala program and review to be given at Riverview park the Friday night of Tulip festival week by the University of Michigan band, was pledged Tuesday night by members of the local M club attending a banquet in the Warm Friend tavern. Fielding H. Yost, for 40 years coach and director of athletics at the university was a special guest at the affair.

In outlining plans for the review, Festival Manager S. H. Houtman told the alumni group that this program should not be confused with the band review events which will take place the following day, Saturday, as the final event of the week.

On Friday night, the Michigan concert band, composed of 110 smartly uniformed players under the direction of William D. Revelle, will present a program of selections; five class A state high school bands, including about 400 players, will maneuver; and there will be exhibitions of flag throwing and baton twirling, all under the floodlights, with special lighting effects; the program to close with a display of fireworks.

The Michigan club will sponsor this program, which is a new feature of the festival, and which promises to be of interest to visitors to the city and local residents alike.

Miss Anne Visscher, M club president, presided at the dinner which was attended by approximately 60 alumni and their guests. Michigan songs were led by Willis A. Diekmann, who also sang, to his own accompaniment, a song about Michigan which he recently composed.

Miss Visscher stated that the local club had been re-organized, not only for the purpose of stimulating interest in the university, but to recommend candidates for Michigan scholarships. Howard Kammern, Holland high school senior, who has been awarded a scholarship for next year, was a guest at the banquet.

Peter Van Damsen, Jr., was appointed to attend a tenth district meeting in Grand Rapids May 21, and also to represent the local group at the alumni council in Ann Arbor. Mrs. James Brister and Dr. Sidney Tiesinga were named to serve as membership chairman.

Cornelius Vander Meulen was toastmaster and introduced Mr. Yost, whom he said "has the universal admiration and love of all alumni of the university." Mr. Yost spoke informally, reminiscing about the "point a minute" teams of his early days at the university.

"Every Michigan man has a right to be proud of his university," he said, and added that the spirit of the alumni helps to make Michigan what it is. Through the years he has found no better definition for sportsmanship than "the golden rule in action," the famous motto said.

Mr. Yost showed moving pictures taken at several football games in Ann Arbor last fall, the reels containing shots of many "old timers" in the field of athletics. There also were many good views of the Michigan band which will play here next week.

Next meeting of the club has been tentatively set for Sept. 30, with Mayo Hadden in charge of arrangements. The group hopes to present an "Information Please" program here next season, and a concert by the Michigan glee club.

Directs Music

Mrs. W. Curtis Snow will again provide the musical background for the Tulip Tales pageant this year. Through the courtesy of the Meyer Music house of Holland and the Everette Piano company of South Haven, the committee has secured the loan of an organ, which she will play.

Mrs. Snow has been director of music and organist at Hope church for the past four years, and for the past ten years has been organist at the annual presentation of The Messiah. She spends most of her time at Hope college, where she teaches piano, History of Music and Theory. Besides this she finds time to attend a few classes as a student.

Of the Tulip Tales she said, "It is a very fine production. The organ provides a splendid background by means of which the pageant is outlined. The music played is from a selection of two or three dozen pieces chosen for their appropriateness to the different scenes. It is certainly worthy of the City of Holland."

Clerk presented petition from property owners on 21st St. between Michigan Ave. and State St. requesting the Council to accept the bid of the Michigan Colprovia Co. for a so-called cold mix of Colprovia construction for the paving of the street in front of their premises.

Referred to Street Committee.
Reports of Standing Committees.
Street Committee to whom was referred the petition for the paving of 21st St. between Michigan Ave. and State St., reported having met and considered the two bids received. It was the committee's recommendation that the

much as there is a difference in price of approximately 60 cents per square yard, and since the property owners living on this street have petitioned that the Council accept the bid of the Michigan Colprovia Co. for a cold mix asphalt wearing surface, they wish to recommend that this bid of the Michigan Colprovia Co. be accepted as per their price of \$1.05 per square yard.

Ald. Kleis raised the question as to the durability of this cold mix pavement. Mr. Zuidema stated that it is a comparatively new method of laying pavements but is being used to a considerable extent in the east. Mr. Dana Burgess who was present, president of the Michigan Colprovia Co., told the Council members that he had been connected with this process for over 10 years and it has proven very satisfactory. Mr. Burgess referred the Council members to the Ottawa County Road Commission and the State Highway Department since this Colprovia method has been used by both of these departments.

Report of the Committee was adopted and the contract awarded to the Michigan Colprovia Co.

PARKING ON ONE SIDE OF STREET ACCEPTED HERE

Board Action Affects Parts of Michigan Ave. and Lake St.

Other Traffic Matters Are Studied by Police and Fire Group

Traffic conditions in Holland were considered by the board of police and fire commissioners at its regular meeting Monday at 5 p.m. in the office of City Clerk Oscar Peterson in the city hall.

The board approved the installation of "no parking between signs" for the east side of Michigan Ave., adjacent to the driveway entrances of Holland hospital, and also on the south side of Lake St. around the curve onto Van Raalte Ave. The motion was presented by Commissioner Henry Geerds and was supported by Commissioner William Deur.

Acting Police Chief Jacob Van Hoff, who reported two problems existed at these places, said the police department was recommending this action be taken. He said the worst condition on Michigan Ave., occurred between 7:30 and 8 p.m. during visiting hours at the hospital.

Commissioner James Borr said fire truck drivers had complained to him about the parking of cars on the State St. curve. Geerds proposed that parking lines be marked closer to the curb.

Mayor Henry Geerlings pointed out there is a large lot at the rear of the hospital which can be used for parking. It was also brought out that the Western Machine Tool Works maintains a parking lot at the rear of its plant but that employees do not use it, preferring to park their cars on Lake St. or Ninth St.

A proposal that bicycles be licensed in order that police may have a better means of checking them was rejected by the commissioners on the belief that it would not work out successfully in Holland. Proposed by Van Hoff, the license, he said, would enable police to check on reckless drivers and also provide a means of tracing stolen bicycles.

However, the board felt some action should be taken to eliminate dangers to cyclists from being struck by cars and the commissioners favored an "educational safety campaign." They also favored warning bicyclists about riding four abreast in the streets. Mayor Geerlings said it would require an ordinance to handle the entire situation properly.

After Borr had reported that he had received complaints that automobiles were not being parked properly in stalls along Eighth St., the board discussed conditions of Eighth St. and River Ave., which resulted in instructions to acting chief of police to arrange for painting of "inside arrows" at the intersection of Eighth St. and River Ave. and Eighth St. and Central Ave.

With this type of arrow, motorists will be directed to make a left turn inside the center of the street, instead of going around the center of the street intersection as has been the practice. The board felt this would eliminate traffic congestions which result when more than one car stops to make a left turn.

Geerds proposed the installation of lighted arrows on traffic lights at Eighth St. and River Ave. and also "walk" traffic signs for pedestrians after it had been brought out that pedestrians find it difficult to cross the street with the "green" signal because drivers fail to stop for pedestrians.

Van Hoff told Geerds that all traffic lights are controlled by one signal box and to make such a change would require a separate switch. He said it would also be necessary to obtain state highway department permission to make such a change. Geerds said this could be easily done since the department advocates installation of such signals.

Deur reported that barricades are now being repainted and, although the work will not be completed by Saturday, there will be sufficient number to block off Eighth St. for the Tulip Time festival activities.

Fire Chief Cornelius Blom, Jr., was instructed to employ two additional firemen as safety precaution against fires during the festival, the men to be employed the first Saturday and Sunday, Wednesday and the final Saturday of festival week.

At the request of the mayor, the board took no action relative to the proposal of Chief Blom that the old ladder truck be "junked." Blom reported numerous attempts had been made to sell the old truck. Mayor Geerlings said more money can be obtained by trading in the truck when a new one is purchased than by junking it.

SELL TICKETS FOR PROGRAMS

Many Inquiries Received Regarding Two Fete Band Events

The Tulip Time office has one service that is in continuous demand. At the desk where tickets are sold for the two band reviews an attendant is kept busy helping patrons select those seats still remaining.

There is some confusion in the public mind because lack of space at Riverview Park has forced the Tulip Time committee to sponsor two band programs instead of the one previously held. The Friday night program is arousing the most interest locally as it features the 110-piece University of Michigan concert band. The class A marching bands have also been taken from the usual Saturday performance and included in the Friday program.

On Friday the marching band numbers will be accompanied by spectacular fireworks effects and the band maneuvers will be enhanced by the use of artificial lighting. Community singing, flag throwing, and baton twirling and other novel effects are listed for Friday night.

The Saturday band review ranks will be filled in with additional class B and C bands to replace the class A bands which are shifted to the Friday night schedule.

School pupils may obtain 15c admission tickets to the Friday night program by buying them in advance at the high school and at the Tulip Time office. The 15c tickets will not be available at Riverview park.

HOLLAND IS BEATEN BY HEIGHTS GOLFERS

Holland will not enter the regional meet Saturday because of the greenness of its material this year.

But It's True

On May 23, 1931, Christopher broke his back on three different slides into basins. The chicken's offspring had all the appearance and characteristics of a duck. In 1937 Mr. Frankenstein patiently trained his pet cow until it was able to maneuver its feet in a manner not approximated the dance. Mr. Hughes, falling before an oncoming train in January, 1908, lay on the tracks while the engine and the train's seven cars passed over him. He lost his arms and his feet, but he was otherwise unharmed.
