Crash Kills Local Man; Five Injured

**Gerrit Landman Dead
At Scene; Cars Collide
South of Hudsonville**

HUDSONVILLE—A Holland man was killed and five other persons injured in a two-car crash at 3:46 p.m. Sunday on 32nd Ave. near Adams St., south of Hudsonville.

Gerrit Landman, 44, of 295 West 19th St., Holland, was pronounced dead at the scene of the crash as a result of multiple injuries. Dr. J. E. Bulthuis of Jamestown was the examining physician.

Injured in the crash were Landman's wife, Florence, 44, and his daughters, Judith, 20, Marjorie, 10, and Barbara, 7, along with Bernard J. Tubergen, 17, of route 2, Perry St., Hudsonville, driver of the second auto.

Tubergen was listed in critical condition today at Zeeland Hospital. Hospital officials said he was unconscious and had suffered a fractured skull.

Mrs. Landman was reported in fair condition with a fractured right arm and severe facial lacerations. Barbara was listed in good condition with fractures of the left leg and right arm.

The two other Landman girls were released from the hospital after treatment of multiple abrasions and bruises.

Tubergen was headed north on 32nd Ave., and Landman was driving south when the two vehicles met nearly head-on at the crest of a hill. The point of collision was on the driver's side of both cars.

Ottawa County deputies said Tubergen had been waving to friends when the accident occurred and apparently crossed to the left of the center line.

Sheriff Edward Grysen said both drivers were thrown from their cars. Landman was crushed between the two vehicles, Grysen said.

Tubergen's convertible overturned in a ditch, coming to rest 220 feet from the Landman car after the crash.

Landman was a member of Central Avenue Christian Reformed Church and was presently serving as a deacon.

He is survived by his wife; two sons, Richard and Jack; three daughters, Judith, Marjorie and Barbara, all at home; his mother, Mrs. Dick Landman of Holland, and two sisters, Mrs. Henry Smith and Mrs. Gerrit Vander Ploeg of Holland.

Ticketed After Mishap

Holland police charged George B. Speet, 50, of 5924 Washington Rd., with improper backing following a truck-car accident at 11:10 a.m. Tuesday on 12th St. near Pine Ave. Police said Speet's truck collided with a car driven by Lewis M. Lash, 63, of Grosse Pointe, Mich.

PLENTY OF WATER — George Romney, Republican candidate for governor, had plenty of company Wednesday as he helped scrub Holland's streets in the opening parade of the Tulip Time Festival. Romney was

joined by his wife and their son, Mitt, 15. Mrs. Romney dropped out of the reviewing stand but Romney and his son went the full route and ended up thoroughly soaked. They didn't mind it a bit. (Sentinel photo)

Tulip Time Sidelights

Mitt Romney, 15-year-old son of gubernatorial hopeful George M. Romney, had the time of his life participating in street scrubbing ceremonies here Wednesday. He was by no means the first to throw water, but once he started he really went to town. His distinguished father was one of his targets.

But young Mitt could take it as well as dish it out. His father was heard to remark, "I think he threw water at 30 people, but 20 of them returned the compliment."

There was probably more water thrown this year than ever before but nobody seemed to mind since temperatures were in the upper 80's, the hottest opening day in the festival's 33-year-old history.

All public schools are closed this afternoon and Friday afternoon for the Tulip Time festival. Normal schedules will be resumed Monday.

The Red Cross office at 1 West 10th St., just two short blocks from the parade route, is all set up for first aid during the festival. A registered nurse is on duty there until 5 p.m. every day. On Saturday, the Red Cross will set up two first aid stations, one at Riverview Park, site of the big band review, and another at Kollen Park, end of the parade route.

Nancy Anne Fleming, "Miss America of 1961" who scored a hit at the costume show Thursday night, will return to Holland Saturday to ride on the Pepsi-Cola float. Karen Jean Southway of Wyoming, this year's "Miss Michigan," had been scheduled to ride on the float but will not be able to do so. She contracted chicken pox Wednesday.

The Chicago American came out today with a big spread on Tulip Time. On the front page is an eight-column streamer. The entire back page is devoted to Tulip Time pictures and copy.

An exceptionally welcome service to visitors this year are those drinking fountains the Board of Public Works has hitched to fire hydrants. Harry Daubenspeck designed the fountain some years ago and they have been in use during several festivals, but never so welcome as in the 90-degree heat Wednesday.

The Tulip Time housing bureau chuckled over this postscript on one of the letters on information. It read, "If you need a self-addressed stamped envelope, send me a line."

Don't miss the children's festival, at 10 a.m. Friday in Civic Center. More than 1,000 school children will engage in songs and games in a program arranged by Mrs. Howard Dounstra of the school should remember the big is no admission fee.

Holland Man, 20, Hurt In Two-Car Collision

Robert A. Bradham, 20, of 95 River Hills Dr., was injured in a two-car crash at 3:37 p.m. Wednesday at the intersection of Aniline and Fifth Aves. He was released from Holland Hospital after treatment of leg lacerations. Ottawa County deputies said the car driven by Bradham was involved in a collision with a car driven by John B. Laskowski, 63, of 843 Pine Ave. Deputies said Laskowski drove from a parking lot into the path of Bradham's car. Laskowski was cited for interfering with through traffic.

Residents Urged To Water Tulips

Mayor Nelson Bosman today urged all residents to water tulips in the lanes near their homes.

The high temperatures of the last few days are causing the tulips to wilt. Some of the flowers have already died but a good soaking at the base of the flowers would help them survive. High temperatures are expected to continue for the next few days.

Hope Tennis Team Grabs Title Share

ALBION—Hope College's tennis team blanked Albion College, 7-0 here Wednesday and sewed up at least a share of the MIAA tennis championship.

It marks the first time in 27 years that an MIAA team, other than Kalamazoo, has won the MIAA crown. In dual meet competition Hope finished with a 5-0 record while Kalamazoo was 5-1.

Dual meet action counts 50 per cent of the season and action in the Field Day counts the other 50 per cent. If Hope wins the Field Day, the Flying Dutchmen will have sole possession of the title.

If Hope takes second to Kalamazoo in the Field Day, the Dutch will share the title with the Hornets. The Hornets have won the title each year since 1935. Hope's win over Kalamazoo this year snapped a 155-dual match MIAA streak.

Hope's victory over the Britons was the fourth 7-0 blanking of an MIAA foe this season. The Kalamazoo victor was 4-3 and the Hope-Calvin match was cancelled because of rain and was not rescheduled.

The victory over Albion was the 13th in 16 starts and gave Hope its best tennis season in history. Coach Dr. Lawrence Green is confident the Flying Dutchmen will make a good showing in the Field Day.

Calvin enters the Field Day with a 4-1 record while Albion is 3-3. Adrian is 2-4; Olivet, 1-5 and Alma, 0-6.

In Wednesday's action, Norm Hess, playing No. 1 singles, stopped Art Smith, 6-3, 6-0 and Bud Hoffman won over Gary Chamberlain, 6-1, 6-0.

Arlan Lanting took Gil Banks, 6-1, 6-3 and Dave Zwart stopped Jon Betwee, 6-2, 6-0. Dave Nykerk blanked Tom Dalzell, 6-0, 6-0.

In doubles, Hess and Lanting won over Smith and Chamberlain, 6-1, 6-2 and Zwart and Nykerk defeated McFarland and Banks, 6-1, 6-0.

Chuck De Witt and Con Nienhuis each had singles for Holland. Steve Rooks was the losing pitcher.

Holland now has a 5-7 record and Zeeland is 11-5. The contest, played in Zeeland, was Holland's home game.

Police Probe Holdup Report

Holland police detectives Wednesday were investigating a reported armed robbery Tuesday afternoon at the Oak Harbor Room in the Hotel Warm Friend.

Robert Lee, bartender at the Oak Harbor Room, told detectives that the robber pulled a gun on him and two customers at the bar and demanded money from a cash register and cash box about 2:20 p.m. The bandit got \$149, Lee told detectives.

Police roadblocks were set up throughout Western Michigan immediately after the armed robbery was reported. Blockades were called off at 4:20 p.m. The bandit had not been apprehended.

Lee said he had been standing behind the bar talking with his two customers, Delone Fuglseth and Jeff Hamm, when the bandit entered. He said the man asked if he could get a sandwich, and Lee told the man the kitchen help had left.

Then, Lee said, the man, who had sat down at the bar, pulled a gun and demanded money from the cash register and from a small cash box in a cabinet under the cash register.

Lee told detectives the \$149 was mostly in \$1 bills with four or five \$5 bills. He said the bandit told him to put the money in an envelope.

Hamm and Fuglseth said the gunman made them climb over the bar and get into a small storage room. Lee said the man told him to get into the storage room after he gave the gunman the money. He said the man told him, "Shut the door, and don't be too quick to open it."

Lee said he heard the man leave and ran outside but failed to see the direction the robber took. He said he then called the hotel desk and reported the robbery to police.

Lee and the two customers said they had never seen the man before. They described him as in his early 30s, close to six feet tall, with dark wavy hair.

Damage to the home on U.S. 31 was estimated at \$8,000. The fire was believed caused by a faulty hot water heater.

Sentinel Issues 22nd Tulip Time Edition

The Holland Evening Sentinel Wednesday presented a 72-page Tulip Time and Resort edition, the 15th such issue since World War II and the 22nd since 1936.

The staff is deeply appreciative of all aid given by friends and patrons in this edition. Among those providing special articles were the Netherlands Information Service, the West Michigan Tourist Association, local citizens and festival leaders.

In this issue, The Sentinel attempts to give the reader a fuller understanding of festival activities and the Dutch culture which largely is responsible for the type of city Holland is today. There also is detailed information on civic activity, resort and church life.

Temperature Sets Record At Opening

**Huge Crowd Expected
To See Parade Today;
25,000 Here Wednesday**

Bright sunshine and temperatures in the upper 80's made a return engagement to Holland today for the Children's parade, following an auspicious opening day Wednesday for Holland's 33rd annual Tulip Time festival.

It was the hottest opening day in the history of the festival with temperatures climbing to 90, but the hundreds of costumed burghers joined in the street scrubbing rite with real zest. And if there were more water thrown at scrubbers than ever before, few objected. It felt good.

Today, between 4,000 and 5,000 children in Dutch costumes or uniforms were slated to march in the children's parade, one of the most appealing spectacles of the Tulip Time program.

An estimated 25,000 to 30,000 were on hand for the festival's opener Wednesday afternoon which in addition to street scrubbing and water fights featured a folk parade and klompen dancing.

Tonight's headliner is a concert in Civic Center at 8 p.m. starring William Warfield, world-famed baritone, appearing with the Hope College Orchestra under the direction of Morrette Rider. Tickets are available at the door.

For the second time in 14 years, the governor of Michigan was not present for street scrubbing Wednesday, but George Romney who aspires to the office was present, showing all the enthusiasm of Gov. G. Mennen Williams and John B. Swainson. Romney, his wife, and their son Mitt, 15, donned Dutch costumes for the ceremonies.

Mrs. Romney dropped out of the long parade of scrubbers when it passed the reviewing stand, but Romney, in the fashion of former Gov. G. Mennen Williams, resolutely made the whole route with scrub broom in hand. He was accompanied by his son whose efforts at dumping water seemed to be aimed more at wetting Romney than Holland's streets.

But the ebullient ex-auto maker took all the splashing with a laugh and said, when he finally returned to the reviewing stand, "Now this is the kind of campaigning I like."

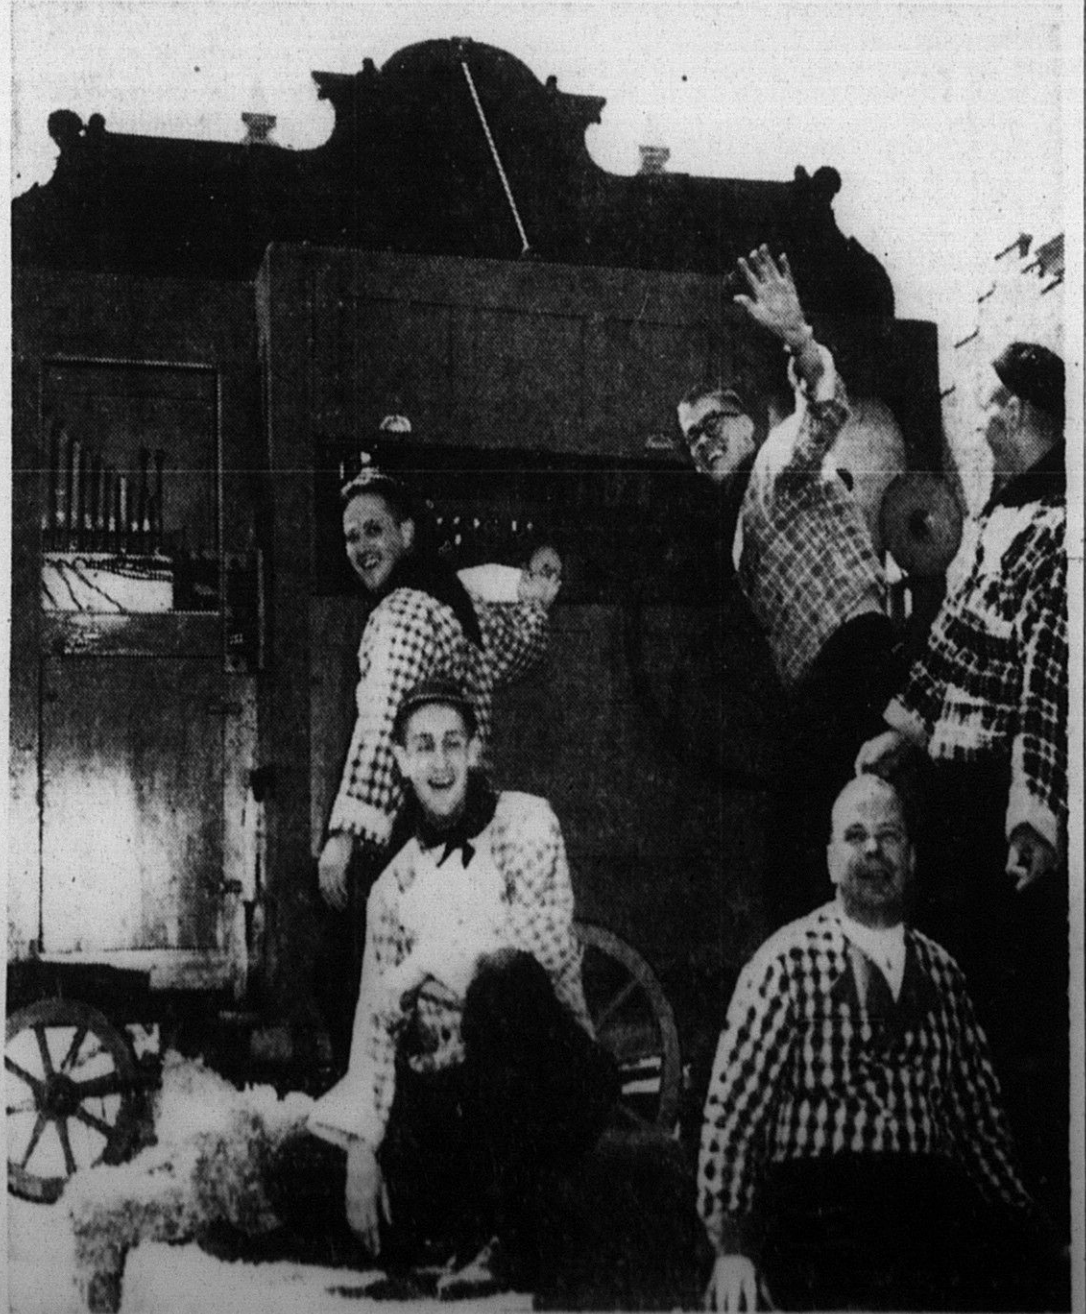

No matter how many people were in the crowd, they saw one of the best Tulip Time openers in history. The millions of blooms in and around the city were at their height and there was none of the cold chill of late spring that has been in the air of some of the more recent festivals.

The Romney family was unanimous in its praise of Tulip Time and of the spirit of the participating Hollanders. Said Mrs. Romney, "It's terrific!" Mitt called it great.

Romney said, "I got soaked, but it felt good. It makes you feel young again. This is a wonderful thing. Every city in Michigan ought to have something like this. This community spirit is what we need."

Mrs. Romney said she hoped to return to Holland next spring as the wife of the first Republican governor in 15 years. "If we come back I certainly don't want it to be as losers," she said.

Gov. John B. Swainson, who attended the festival opening day in 1961, was kept away this year by the visit to Michigan of six touring governors from Japan. He will be in Holland Saturday for the windup of the festival. Williams, during his 12 years in office, missed opening day only once.

GRINDING OUT MUSIC — James Vande Poel (waving) is turning the wheel to grind out some Dutch music on an authentic Dutch barrel organ during the Vulk Parade Wednesday. Standing by to relieve Vande Poel are Lou Hallacy and Tom Bos while Jud Bradford is kneeling and Tulip Time manager Chester

Wulz is seated. The organ was given to the city of Holland by the people of Amsterdam in 1947 but has been in storage the past few years. A group of Holland men restored it and the Holland Jaycees will transport the 10-foot, 3,000 pound organ during the festival parades. (Sentinel photo)

MISS AMERICA — Winds buffeted Nancy Ann Fleming just like other paraders as she rode in a convertible in Wednesday's Vulk Parade. The Montague beauty, now a freshman at Michigan State University, was in Holland to narrate the costume show Wednesday night in the Holland High fieldhouse. She will ride on a float in Saturday's parade. (Sentinel photo)

ACHING FEET — These four Holland High klompen dancers, near exhaustion after dancing in near 90-degree weather Wednesday afternoon, kick off their klompen and rest their tired feet immediately after their

last dance. Even a hard curb and tire hydrant make a comfortable resting place after the strenuous dance routine. The girls are (left to right) Lois Dieke, Judy Rowan, Judy De Witt and Lorri Duffy. (Sentinel photo)

DETAILED INSPECTION — Holland National Guardsmen follow with keen interest as Maj. Robert G. Walker (seated), Inspector General from Fifth Army Headquarters, scrutinizes Company D records during the annual Federal Inspection last week at the Holland Armory. Local

guardsmen were commended by Maj. Walker for their showing in the inspection. Standing left to right are Sgt. Roger Naber, 1st Sgt. Ray Naber, Maj. Nevin Van Anroy of Second Battle Group Headquarters, and Capt. George Smeenge, commanding officer of the local guard unit. (Sentinel photo)

Recreational swimming starts Saturday night for young adults and senior high school students in the West Ottawa High School pool, sponsored by the West Ottawa Recreation Department.

Three different periods will be scheduled from 7 to 8, 8 to 9 and 9 to 10 p.m. The period consists of time in the locker preparing to swim, swimming time and dressing time after the swim.

This recreation swim is to give this age group an opportunity to make use of the pool at a time when very young children and parents are not in the pool, school officials said.

Entrance to the locker room will be limited to a five-minute period from 7:05 to 8:05 or 9:05. The charge will be 50 cents.

A maximum of 75 persons in each period can be accommodated. If more than 75 arrive to swim, those desiring to wait for the next session may do so in the pool balcony.

Use of the balcony on this night is limited to only those waiting to swim. School officials recommended that swimmers attend the earliest sessions possible in order to avoid disappointment if the last period is full.

This swim is not to be confused with Family Nights which are held every Friday night. Family Night is for families and no children (high school age boys and girls are included) are allowed to swim unless their parents are either in the pool with them or waiting in the balcony.

As a matter of policy, no family may include more than two children from another family for Family Night swims.

On Saturday nights, persons are asked to use the south parking lot, secure tickets and proceed to locker rooms if during the five-minute open period or wait in pool balcony until entrance time is announced by pool director.

Swimmers may select any locker, take complete soap shower, then put on swimming suit. Enter pool area when okayed by locker room attendant, acquaint self with pool regulations and swim.

Leave pool when directed by pool director. Locker room must be vacated before next group may enter.

Albion Nips Hope Golfers

Hope College's golf team lost an 8-7 decision to Albion College in the final MIAA match of the season Thursday at the American Legion Memorial course although the Flying Dutch did outshoot the Britons.

It was a shot on No. 17 and a ruling by pro Phil Wiechman that gave Albion the match. The shot in question occurred when the ball landed on the out of bounds line.

Wiechman ruled that a ball touching the line is in the field of play and therefore the shot was valid. Had the ball been ruled out of bounds, the Albion player would have been penalized two strokes and would have lost the point he was awarded for winning the nine holes.

Hope had a total of 393 strokes while the Britons had 401. Jim Wiersma of Hope was medalist with a 72 and picked up two points. Dean Overman shot a 79 and scored 2½ points while Dave Dalman fired an 80 and made two points.

Ed Van Dam shot an 81 and failed to obtain a point while Bill Vandenberg had an 81 and won a half-point. Hope ended MIAA play with a 2-4 record.

Burglars Loot Local Business

Thieves forced their way into the Wooden Shoe Factory, Restaurant and Tap Room at 16th St. and the US-31 bypass early Sunday and made off with loot estimated at more than \$1,000 in value.

Holland police detectives said the burglars stole 157 packs of cigarettes and \$21.50 in cash from one cigarette vending machine, \$16.80 from a second vending machine, \$48 from a cash register and an assortment of rings and knives from the store.

Detectives said at least 12 dozen rings and a number of knives had been taken in addition to the missing cash. Some of the rings had been valued at \$10 to \$12 each, detectives said.

According to detectives, the burglars had entered a breezeway connecting the Tap Room with the restaurant and store, and from there proceeded to pry their way into the other buildings.

The cash register looted by the burglars was located in the souvenir store. Cigarette machines in the Tap Room and restaurant were pried open. Detectives said the thieves had also pried open a juke box, but failed to take the money from it.

While in the Tap Room, the burglars poured themselves some beer. They left several beer cooler doors open, and apparently had planned to take a television set from the tavern. The television set was found standing behind the building.

Detectives said the burglars apparently also had tried to enter the Wooden Shoe Texaco service station, located about 200 feet north of the other buildings they had entered.

Two windows in the station had been broken, detectives said, but the station was not entered.

Detectives placed the time of the break between 4 a.m. and 6:45 a.m. Sunday. There had been a man working at the service station until 4 a.m., and the break was discovered by Stan Kossen, an employee at the Wooden Shoe Restaurant, when he opened the restaurant at 6:45 a.m.

Detectives said it appeared that two men had broken into the buildings. They said there may have been one or more men in a car waiting the thieves.

Supt. Walter W. Scott said today, "Of course, we're disappointed that we did not succeed in describing adequately to our electors the quality of the educational program within the public schools.

The Board of Education has not determined what cutbacks and curtailments in services will be made. There will be a careful evaluation of the entire program from kindergarten through high school including all professional services rendered. On the basis of this survey, reductions will be made.

"Personally, I have no feeling or thought of contempt or vindictiveness because of the outcome. Neither do I have ill will for any of those who may have criticized the school program or me. I do invite those who have constructive comments to make them to board members or to me. Most of all, I invite them to attend regular meetings of the board or PTA meetings in their neighborhoods. Finally, I want to thank our board members and all others who aided in recent radio programs for public information as well as those who participated in the many meetings held in various schools during the campaign."

John D. Plewes, board president, concurred with Scott, and said the program would have to be cut to fit the budget. He added that the board and the staff will do their best to provide the best educational program possible with funds available.

There was little likelihood of another vote in the near future since any new vote, if carried, would wait until the 1963 summer tax.

The Holland Sentinel on April 30 carried a list of areas in which cuts would be considered. These included varsity athletics, GAA and intra-mural program, Dutch dance, eliminating classes having under 20 students, counseling, foreign language in elementary schools, music program, the possibility of elementary principals teaching full-time, and reduction of adult education and summer school programs.

changed with the times.

Taxes are ever with us and there
does not seem to be any good way
that we can reduce them. Every
day that some of the many govern-
mental bodies are in session they
spend hours on taxes.

Right now they are talking about
the possibility of collecting taxes
at the source of dividends. This
all sounds easy. There are, how-
ever, many problems connected
with this way of collection.

Just think of the large amount
of work that would be required
of all forms of business. With our
tax laws as complicated as they
are today there is always room
for much difference of opinion
as to just what is the best way
and just how much taxes each
and everyone owes.

Accounting and legal knowledge,
when it comes to taxes, has grown
into a huge business. This all
takes a part of the earnings from
everyone who is trying to run a
business and have a little left after
all of the many expenses are paid.
We are thoroughly in accord with
the reasoning that everyone should
pay his just taxes.

The Treasury department's
proposal to withhold taxes on divid-
ends and interest at their source
of payment has had a very check-
ered congressional career. Con-
gress has taken, an on-again-off-
again attitude toward this piece
of legislation as a device to cap-
ture all the tax which the federal
treasury is entitled.

A previous Congress rejected
the measure, and this one bottled
it up in committee until the
Treasury Department, with the
full weight of the administration
behind it, called the bill vital. In
view of this insistence, Congress
apparently was ready to give in.
Even the commercial banking in-
dustry, which will have to do
most of the tax collection work,
conceded that nothing would be
done to reason further against pas-
sage of the measure.

But this was before the Easter
recess. Now legislators returning
from home say they find sentiment
against the withholding bill un-
usually strong. There appears to
be a mixture of principle and prac-
ticity in these objections.

As an illustration, the proposal
would subject the redemption
of savings bonds to withholding on
interest increment received at the
time of cashing. As one opponent
noted, it seems a little ridiculous
to hold back three cents tax on a
25-dollar savings bond redemption
when it will require four cents
postage to apply for its refund.

As to the theory of the with-
holding itself, bankers and others
are afraid its imposition could
lead to hoarding savings under
pillows and in other similarly un-
safe repositories. It would be rash
to predict what the outcome will
be for this controversial legisla-
tion, but there are good argu-
ments against it.

Right now we are having prob-
lems with taxes on all levels.
Michigan is not the only state
that has problems. As one travels
around our great country it seems
that all parts of the country are
troubled with more and more
government. This is bound to cost
more and more money.

We cannot afford to continue to
travel this road. It seems that
we must start somewhere in or-
der to reduce the waste.

This is a good time to write your
elected officials and tell them that
you would like to have them work
on reducing the tax dollar waste.

The Day of the Lord
II Peter 3:3-13;
Jude verses 24-25.

By C. P. Dame

The Christian Church has al-
ways been troubled by problems.
Some of these came from within
and others from without. It is good
to remember that where there is
life there are problems.

It is common to question
God's ways. In the days of Peter
there were scoffers. We have scoff-
ers today. Long ago they asked,
"Where is the promise of His com-
ing?"—the coming of Jesus.
They were looking for the im-
mediate return of Christ. There were
no signs pointing to that predicted
event for "all things continue as
they were from the beginning of
creation." In reply Peter pointed
these scoffers to the flood by
which God judged the world of
long ago. It is so easy to forget
history. Peter also said that in
time God would destroy this
world by fire.

After addressing the scoffers
Peter turns to the godly whom he
calls "beloved." He tells them
that God's time table differs
from the kind people use. With
God "one day is as a thousand
years and a thousand years as
one day." The delay of God is
purposeful. "The Lord is not slack
concerning His promise" but He
is exceedingly patient with us all.

The delay of God is a proof of
His redemptive love and mercy
for thus He gives an opportunity
to people to repent. There are
some stubborn and hard-hearted
sinners in the church and outside
of it too and God yearns for the
salvation of all.

The Apostle also states that the
Day of the Lord will come as a
thief—unexpectedly. "The heavens
will pass away with a great noise,
and the elements shall be dis-
solved with a fervent heat, and
the earth and the works that are
therein shall be burned up"—but
we are not told when, God set
no date. Let no person conclude
that because the coming of the
Lord is delayed therefore He will
not come. He will surely come!

Observe that the Apostle makes
no distinction between the Day of
the Lord and the return of Christ.

II. Holy living is always in
place. The earth will not be de-
stroyed, it will be renovated. In
view of this what kind of people
should we Christians be and how
should we live? Some people have
a wrong idea about this life be-
cause they do not have the right
idea about the future. The sole
aim of some people is to have a
gay time today for tomorrow the
end may come. People who look
for a new world must live in
newness of life. And no half-
heartedness is in order—none of
that. Remember that God sum-
mons us to holy living and tells
us how to live that way.

The last two verses of the les-
son text are from the epistle of
Jude and they point us to God
who is able to keep us from fall-
ing. The words, "unto Him that
is able" think about a short time.
We learn in these days more and
more about what able people can
do but we often seem to ignore
the ability of God.

Jude tells us that God can do
two things for us. The first is,
He can keep us from falling. We
readily fall when we move away
from the Lord. In addition, God
can present us "faultless before
the presence of His glory with
exceeding great joy." A God who
can do these two things for us
deserves all glory. It is our high
mission in life to glorify God, the
fount of our redemption and Jesus
who is the Mediator we need.

2,500 Attracted
To Concert by
Rebels Quartet

Although members of the Rebels
Quartet of Tampa, Fla., are not
Dutch, they assumed a Dutch role,
for a time at least, Tuesday eve-
ning when they donned the tradi-
tional Netherlands costume and
sang "Bring Them In" in the
Dutch language. Several "Dutch-
men" in the audience joined them
later in singing the chorus.

The quartet presented one of its
famous religious concerts to close
to 2,500 persons in the Holland
Civic Center as one of the pre-
festival activities arranged by the
Tulip Time Committee and the
Wesleyan Methodist Church.

During the first half of the two
and one-half hour program the
quartet appeared in dress suits
and following the intermission,
despite the humid atmosphere,
they wore the Dutch outfit com-
plete with wooden shoes.

Many of the numbers by the
group were arranged by the pian-
ist, Jimmy Taylor, who sang the
lead in the quartet.

Baritone John Mathews, manager
of the group, served as the master
of ceremonies and Horace Parrish
sang the tenor. He is considered
one of the finest lyric tenors in
the United States in gospel music.

Particularly pleasing to the
audience was the deep bass num-
bers sung by London Parrish, who
although being 6 feet 3 inches tall,
managed to get "way down."

The applause of the large audi-
ence brought the Rebels back to
the mike for several chorus en-
cores.

Immediately following the inter-
mission the Jubilaires Quartet
from Holland entertained with sev-
eral sacred selections.

Literary Club Will Sponsor 'Koffie Kelder'

Pink and red geraniums will add gay splashes of color to the pastel tearoom of the Woman's Literary clubhouse during Tulip Time as club members greet festive visitors in an all-club hospitality project.

Believing that friendly Dutch hospitality is their best civic contribution at Tulip Time, Literary Club members this year are abandoning their usual Dutch lunch project in favor of an informal "Koffie Kelder." The tearoom will be offered as a relaxing rest stop for visiting tourists and is also expected to attract local businessmen during coffee breaks.

Club members in Dutch costume will serve homemade snacks highlighted by the popular "sauceijzen," donated by club members. Souvenir cards explaining the Club's history and listing current projects will be distributed.

Graduation Plans Set For HHS

Air Force General To Deliver Address At Commencement

Baccalaureate exercises for the graduating class of Holland High School will be held Sunday, June 3, in the new fieldhouse, combining baccalaureate with a formal dedication of the new high school.

He also announced commencement exercises Thursday, June 7, in Civic Center with Major General Robert E. McDermott, dean of the faculty at the U. S. Air Force Academy at Colorado Springs, Colo., as speaker. His subject will deal with space and the air force. Arrangements for obtaining General McDermott as speaker were made through the cooperation of U. S. Rep. Gerald R. Ford, Jr., Scott said.

Scott also reported on the canvass of the special school election vote last Thursday in which a 2.9 million issue was defeated 2,863 to 1,111. He explained that results of all school elections are kept for seven years, the staff disposing of batches of ballots and records automatically when they have been on file for seven years.

Scott also announced that Arthur C. Hills of the music department has called attention to the fact that the high school puts on a major musical every two years, and is arranging to produce "South Pacific" next Nov. 27, 28 and 29 and Dec. 1 in the auditorium of the new high school. Inasmuch as these productions have been put on at a profit for the school scholarship fund, Scott recommended board approval which was forthcoming. The production, "Oklahoma!" netted about \$1,000 and "The King and I" more than \$500. Staging the production in the new high school will save Civic Center rental, it was mentioned.

The board discussed a proposal for a joint cooperative program for Holland High School and West Ottawa High School to be conducted by the two coordinators, Donald Gebraad and Myles Runk. Assistant Principal Robert Slocum outlined plans which would involve a savings of some \$3,000 to the local school system while sharing the personnel.

While the board seemingly approved such a merger, Wendell Miles pointed out that this was one of those areas which must be reassessed in the light of the total financial program.

The co-op program the past year placed some 90 students in 50 different places. Coordinators had conducted a questionnaire among nursing co-op students since the program began in 1948. Out of 107 questionnaires, there were 93 answers indicating 48 had completed training in some phase of medical work, 21 are still in training and 27 entered other fields. When asked whether such a survey could be made on other fields in the co-op training, Runk said the number might reach 1,000 and he practically had to beg to get the stamps for the one survey.

The board approved hiring two new teachers, subject to pending evaluation on the entire school program. They are Judy Adams of Rockford, who will receive an A. B. degree in June from Central Michigan University, and Arthur G. Hielkema of Holland, a Hope graduate of 1957 who has 2 1/2 years' teaching experience. Miss Adams is slated to teach girls' physical education in Junior High and Hielkema to teach mathematics and Bible in the high school.

The buildings and grounds committee reported having awarded contracts for concrete work and topsoil placement and grading for the new high school. Elzinga and Volkers were low bidder for concrete work at a price of \$6,874 for the sculpture court, and Don Brink Excavating Co. was low bidder for topsoil, placement and spreading for a price of \$9,590 for 7,000 cubic yards, with \$1.39 per cubic yard for any additional or subtracted amount. As Harvey Butler said, despite some skeptics, \$391,001.62 remains in the building and site fund to complete work at the new high school and for improvements and renovations elsewhere in the system.

Estimated needs for May listed \$140,130 listing \$108,550 for teachers' salaries.

A request from local industries for adult courses to upgrade certain skills to keep abreast of changes in the manufacturing world was taken under advisement, also to be assessed in the light of the financial program. The adult program had come in for considerable criticism in last week's special election.

A communication was read from Jack Daniels of the West Ottawa board thanking the Holland board for flowers sent on the occasion of the formal dedication of the West Ottawa building.

President John D. Plewes presided at the two-hour meeting. All board members were present except Edward Arendshorst. Vern Schipper gave the invocation.

Diplomas Given To 32 Seniors at Commencement

"Because Christ cannot fail, and you are his servants, stand tall, Ambassadors of God" was the challenge presented to the 32 graduating seniors of Western Theological Seminary Wednesday evening at the 86th annual commencement.

Speaking to a large audience which gathered in Dimmet Memorial Chapel for the occasion was Dr. Raymond R. Van Heukelom, pastor of First Reformed Church of Orange City, Iowa, and former pastor of the local First Reformed Church.

He pointed out that Christ appears at a point of service. He promises to deliver and He sends persons on missions which ultimately must succeed. "Although we may be the least in the kingdom, yet we bear the re-creating words of God, 'Stand Tall,' the speaker said.

Kuypers, dean of the faculty presented the professional certificates and academic degree to the graduates.

The production, which is scheduled again tonight through Saturday, was given in the Holland High School auditorium. Curtain time is 8:15 p.m.

Mrs. Robert Greenwood, Sr., director of the play, used no prompter in this production and there were only a few lapses,

noticeable only to those familiar with the production. The audience's applause warranted two curtain calls by the cast.

Jay C. Petter gave a good performance as Sgt. Gregovich while Gerald Kruffy (Col. Wainwright Purdy III) was seen on the stage again following his role as director of the last Community Theatre production.

Mrs. Kenneth O'Meara made her debut as the Old Woman as also does Mrs. Harold Tregloan as the Old Woman's Daughter. Spring Bussies, Kevin O'Meara and Lynn Greenwood are also seen on stage for the first time in their roles as the Daughter's Children.

New School Committee Organized

Hans Suzenaar was elected temporary chairman of a citizens school committee at the first meeting of the group interested in solving school problems. About 18 attended the initial meeting at 6:30 p.m. Monday in the youth room of Civic Center.

It was not necessarily a meeting of dissident members, since at least three admitted voting yes on the May 10 special school election to raise 2.9 mills for operational purposes for three years.

Assisting Suzenaar will be Claus Bushouse, Harold (Bud) Michielson and Gary Joldersma. Michielson said he lives in the Maplewood area but was interested in the Holland school situation.

The next meeting of the group is scheduled May 28 in the auditorium of the old high school on 15th St.

In his introduction, Suzenaar said many persons had voted against the issue for a variety of reasons and he felt a citizens committee could take a closer look at the school administration and eliminate some posts. He added he hoped the committee would refrain from personalities and look for a membership of 100 members or more.

The discussion brought out the belief that Holland people are not against education but most people wanted a full dollar's worth for their money. Discussion also pointed to an undercurrent of dissatisfied teachers and upset principals, coupled with a general apathy toward the school problem.

After the meeting, Suzenaar and a few of the group attended the monthly meeting of the Board of Education in the library of E. E. Fell Junior High School.

Reappraisal Beginning For Schools

Board Expected to Hold Another Meeting Soon; Ponder Possible Cuts

The Board of Education is beginning its careful reappraisal of the entire school program to determine what cuts will be made so that the system can live within its budget, it was announced at the monthly meeting of the board Monday night. The reappraisal is necessary after the millage issue was defeated last Thursday.

First of all, the finance committee will review the budget and make recommendations to the entire board at a special meeting in perhaps two weeks. No teachers' contracts have been signed as yet, and since 80 per cent of the budget is for instruction, it is to be expected that this area will receive a share of cuts.

About 25 persons visited the board meeting, some of them presumably having ideas where cuts should be made. President John D. Plewes welcomed the visitors and indicated the board would be pleased to receive written statements on suggested cuts.

Member Wendell Miles countered by saying he would prefer to hear whatever ideas the people had to be expressed right then. Paul Vander Hill expressed concern over serious unrest over school programs, the misinformation that has been circulated and the seeming lack of confidence in the board.

Harvey Buter of the board assured Vander Hill that the board has been well aware of much of the feeling, all members having received phone calls and in some cases letters. He said he had gone to several meetings on the millage issue which had been poorly attended.

Miles felt that a millage defeat did not necessarily mean a lack of confidence since most operational millage issues often lose the first time around. He invited signed letters, stating he had no patience with unsigned letters in which anonymity engages in a tirade. "After a political defeat, we take our lumps and go to work. I know all about this because I belong to a political party which has plenty of defeats and we're forever optimistic," he said.

James Hallan reminded visitors that board members are taxpayers too and have been fairly close to the people. He said, "We are not shutting out the people we represent."

Hans Suzenaar told the board a citizens school committee is in the process of being formed, following an initial meeting earlier that evening which attracted about 18 persons, representing both yes and no votes. Another meeting is scheduled May 28 in the auditorium of the old Holland High School.

When Plewes asked whether the committee was prepared to help the board in the next millage election, Suzenaar answered, "Yes, if they understand the educational problem and the board can sell the committee."

Vander Hill, who had attended the meeting earlier, amplified the aims of the group as not an antagonistic or belligerent group, but one that could work constructively with the board, not just for the present but possibly over the years.

Plewes said the board on many occasions has been indebted to citizens committees in explaining building issues to the people, and Harry Frissel, another board member, felt the committee would be a fine idea so long as it appealed to responsible people and not to dissidents.

The board indicated there was room for many groups and committees working together to solve school problems and certainly welcomed constructive suggestions.

Estimated deficit for the year 1961-62 was placed at \$122,226.34, according to the monthly financial report as outlined by Harvey

Buter. This is some \$4,500 less than the March 30 estimated deficit for the close of the year. Buter said almost \$10,000 of the estimated deficit was contracted last year.

Scott said Van Raalte and Lakeview districts have not yet paid their tuition fees and that an estimated 75 per cent of state aid has been received for the year. Cash on hand as of April 30 was \$18,232.71. Scott also announced that the Holland board was requesting the maximum millage for operations through the Ottawa County tax allocations commission. Buter this year is representing the Holland district on the board. Scott said the debt service millage this year will be slightly reduced from last year.

Scott also said the review of school finances will include consideration on whether just to stay within the new budget or whether a part of the \$122,000 deficit must be paid off.
