Memorial Day Parade Set May 31

Memorial day observances in Holland call for a Sunday evening service, a Memorial day parade and ceremonies in Pilgrim Home cemetery, according to plans drawn up by the Memorial Day committee which met Monday night in City Hall.

The Sunday service will be held in First Reformed Church at 7 p.m. Sunday, May 30, in charge of Dr. Bernard Brunsting, church pastor.

The parade at 9:30 a.m. Monday, May 31, will follow the usual line of march from Centennial Park east on 12th St. to Columbia Ave., south on Columbia to 16th St., and east on 16th to the cemetery.

William Sikkel who has served as parade marshal for several years presided at the meeting Monday night but said he would not be present May 31 since as an officer in the Grand Rapids National Guard he will be participating in dedication ceremonies of the new Grand Valley armory that day. Martin Japinga was appointed parade marshal this year with Watson Lundie as honorary marshal.

Dale Van Lente will serve as chairman at the program in Pilgrim Home cemetery which will have as speaker Capt. Fred S. Bertsch Jr., of the U.S. Naval Reserve, also principal of Holland High School.

The cemetery program will have the usual choral readings, the reading of the governor's proclamation and Gettysburg Address, decorating of graves, salutes to the colors, military salutes and taps.

Committees follow:
Executive — Dale Van Lente, Mayor Nelson Bosman, Herman Bos, Martin Japinga, Henry Van Lente, Cornelius Havinga, Albert E. Van Lente, George Lievens, Dell Koop.

Parade — Martin Japinga, Harold J. Karsten, Andrew Hyman, A. C. Prigge, Cornelius Havinga, Burrell De Young, Ed Oudman, Vernon Kraai, Hugh Rowell, Harold Bremer, Paul Van Valkenburgh, Roger Scherhorn, John Schutten, Clare Zwip and Robert Mannes.

Traffic — Ernest E. Bear and Gerald Witteveen.
Flowers and decorations — Jacob De Graaf, William H. Van de Water, Mrs. Alden Stoner, Fred Teitsma, Mrs. James Cook, Mrs. Henry Brower, Mrs. M. Geertman, Mrs. Don Breuker, Mrs. Jennie Lugten, Mrs. John Kars, Mrs. Marvin Ver Hoef, Mrs. Marinus De Kraker, Mrs. L. B. Dalman.

Flags — Avery Baker, A. E. Van Lente, William E. LaBarge, Ed Damsen, Charles Knooihuizen, Dale Van Lente, Harlen Bouman, Vernon Kraai, Ben Bowmaster, James T. McKnight, Robert Van Zanten, Clarence Hopkins, Cecil Helminck, Clifford Onthank, Robert F. Sherwood, L. B. Dalman, Rhine Kars, Ken De Waard, Lester De Ridder, Ken Kleis, William Brown.

Conveyance — Leroy Riemersma, Clayton Ter Haar.
Music — Arthur C. Hills, William Kisinger, Howard Updegraaf, Henry Vande Linde, Leslie Waltman, Alvern Kapenga.

Grounds — Frank Zych, Harold Bremer, William Ten Brink, Ben Cuperus, Don Schaafsma.
Sunday service — A. E. Van Lente, Henry Van Lente, Herman Bos, Mrs. Ed Oudman, Mrs. Henry Brower, Russell Bremer, Mrs. Marinus De Kraker, Mrs. Ben Cuperus.

School bands are regularly rotated in the line of march, according to files that go back to 1960.

There was some question on train schedules, but A. E. Van Lente said the train that bisected the 1964 parade was the first such interruption since 1919.

Bert Ten Brink Succumbs at 71

Bert Ten Brink, 71, of 521 East Eighth St., died Wednesday morning at Birchwood Manor where he had been a patient for the past eight months.

Ten Brink had been a Holland resident for the past 60 years. Before his retirement four years ago, he was employed by the city as driver for the fire department for 15 years and previous to that was a volunteer fireman for many years. At the time of his retirement he was a captain.

Surviving are two daughters, Mrs. Raymond (Lois) Haasjes and Mrs. Raymond (Dorothy) Miles, both of Holland; eight grandchildren; two brothers, Joe of Marshall and Martin of Holland; five sisters, Mrs. Ella Larson of Battle Creek, Mrs. Peter Caslos of Charlotte, Mrs. John Koolman and Mrs. Ira Higgins, both of Grand Rapids and Mrs. Margaret Culver of Clarkston; one sister-in-law, Mrs. Gene Ten Brink of Allen Dale; his father-in-law, John Wolfrum of Holland.

3 Persons Reappointed To Boards

Three appointments to city boards were made by Mayor Nelson Bosman Wednesday night with City Council approval.

The three positions are reappointments. Winthrop F. Roser was appointed to the Board of Public Works; John H. Van Dyke to the Hospital Board and Mrs. Henry Steffens to the Library Board. All are five-year terms, expiring June 30, 1970.

Council approved a contract with Houting and Meusen Wrecking Co. at low bid price of \$495 to remove the city-owned house at 67 West 13th St. in connection with developing offstreet parking for Herrick Public Library. The bid was the lower of two bids.

In connection with library parking, Council approved a recommendation of City Attorney Gordon Cunningham to offer \$13,750 for the property at 55 West 13th St. owned by Mr. and Mrs. Edwin Van Spyker, allowing owners to retain possession until Aug. 15 and also providing salvage rights for recent improvements.

Cunningham said he had consulted with Atty. Peter S. Boter who had been retained by the Van Spykers and was of the opinion that the property might be acquired through such an offer, based on an appraisal by a local realtor retained by the owner. An appraisal by a realtor retained by the city had listed \$11,400. The offer will point out that if it is not accepted, there will be no prejudice on quoted prices if the matter goes to condemnation.

Council approved a recommendation of the street department to take bids for a new Pettibone swing loader to replace an existing front-end loader. Provision is made in the 1965-66 budget of the Motor Vehicle Fund in the city budget.

A claim against the city from Mrs. Jack Vroski, 1 South River Ave., was referred to the insurance carrier and city attorney.

The city clerk reported that the ordinance accepted for first reading to rezone certain property west of the present industrial park did not provide for a buffer zone. Upon instruction from the city attorney, the ordinance and notice of hearing was published correctly and Council confirmed the action.

Griffin Hits LBJ's Program

WASHINGTON — Congressman Robert P. Griffin Tuesday charged President Johnson with proposing second class citizenship for millions of workers with his proposal to repeal "right to work" laws in 19 states.

"His proposal for outright repeal of 14-B with no effective protection for the legal and civil rights of individual workers should be soundly defeated by congress."

"I'm convinced that a large majority of the American people take that view," Griffin said.

"If workers are forced to join a union to hold their jobs the law should effectively prevent the union from discriminating on the basis of color or creed; from using dues for politics and non-union business; and from fining or disciplining members who disagree with union policy."

Griffin said the President had disregarded HB 4350 which he introduced on Feb. 4 and which would provide important protection for the individual worker.

"Section 14-B now allows the people of each state to decide whether compulsory unionism should be legal. This power should not be taken away from the states and people unless Congress provides effective safeguards for the legal and civil rights of individual workers who would be affected," Griffin said.

Ed Wyngarden Succumbs at 74

ZEELAND — Edward (Ed) Wyngarden, 74, of route 2, Zeeland, died at his home this morning of a heart attack. He was a member of First Christian Reformed Church and the Senior Men's Society of the church. He was a retired farmer and a member of the Veterans Club of Zeeland and served on the township board. He was a veteran of World War I.

Surviving are the wife, Minnie; one son, Dennis of Zeeland; one daughter, Mrs. Gerald (Geraldine) Vrugink of Hudsonville; nine grandchildren; three brothers, Gerrit and Lester of Grand Rapids and Tom of Zeeland; two sisters, Mrs. Lydia Gerrits of Hudsonville and Mrs. Jack Holwerda of Grand Rapids.

A son, Clifford, died in World War II in action in France.

Vehicle Safety Check Program Gets Started

Holland police chief Jacob Van Hoff today called the attention of Holland motorists to the 1965 vehicle safety-check campaign now going on in Holland.

All service stations and garages in the city have the white-on-blue safety-check windshield stickers, the chief said, and residents may have their cars inspected at any one of those places.

Water and Sewer Work Approved

Four sanitary sewer projects and six water main projects were ordered in by City Council following public hearings on 12 projects at a regular meeting Wednesday night in City Hall. Two water main projects were deleted.

The sanitary sewer projects follow: in 18th St. from Ottawa Ave. to Homestead Ave.; in Lincoln Ave. from 37th St. to 158 feet south of 37th St.; in Maple Ave. from 32nd St. to 35th St., thence along 35th St. to Washington Ave. and in east side of Washington from 35th St. to 40th St.; in Lincoln Ave. from 34th to 35th Sts.

The water main projects: in 35th St. from Columbia to College Aves.; in Grove Ave. from South Shore Dr. to Lakeview Dr.; in 21st St. from Plasman Ave. to Diekema Ave.; in Hazel Ave. from 18th St. to a point 297 feet south of 19th St. and in 19th St. from Hazel Ave. to a point 352 feet east; in Graafschap Rd. from 26th St. to 27th St. and in 27th St. 811 feet east of Graafschap Rd.; in 16th St. from Hoover Blvd. to a point 300 feet west of Lane Ave.

Deleted were water main projects in Lake Dr. from South Shore Dr. to Lakeview Dr., and in Plasman Ave. from 18th St. to 19th St. Objections were voiced on both these projects.

In the latter, the persons who had petitioned for water service asked that installation be delayed.

An application from Herman Berens for a permit to move a house from 697 Maple Ave. to 560 West 22nd St. was tabled to the next regular meeting.

An application from Walter Deitz for a permit to move a house from 498 State St. to 515 West 22nd St. was denied although the vote was not unanimous. It had been considered some months ago and some of the people who objected to the move at that time were present Wednesday night to protest again.

A petition from Harold Brondyke requesting water service to his property located on the east side of Waverly Rd. north of 12th St. was approved with installation to be done under the alternate procedure.

Council scheduled a public hearing July 7 on vacating 154 feet of the central part of an alley between 18th and 19th Sts. running from Maple to Pine Aves.

Gifts to City Announced

Several gifts were reported at a regular meeting of City Council Wednesday night.

City Clerk D. W. Schipper reported receipt of \$500 from the Holland Garden Club to cover half of the cost to dig out a pond and widen the creek at the new Holland Nature Center now under construction on Graafschap Rd. at 26th St.

Holland Hospital reported a gift of \$5 from the Junior C.E. Society of Trinity Church for the pediatrics department, and an all-weather flag valued at \$12.90 from the VFW Auxiliary. All gifts were accepted with thanks to the donors.

Council approved a recent purchase by the city from Slaght's Gift Shop for a picture frame of \$3.50, following presentation of an affidavit by city clerk.

City Manager Herb Holt said he would be absent from the city attending an advanced Management Training Program at the University of Chicago the week of May 23 and designated City Clerk Schipper to act as city manager in his absence.

Announcement was made that the annual convention of the Michigan Municipal League will be held Sept. 15 through 17 at Pantlind Hotel in Grand Rapids.

Mayor Nelson Bosman presided at the meeting which lasted an hour and 10 minutes. All Councilmen were present. The invocation was given by the Rev. T. W. French of the Church of God.

Miss Gene Roelofs, daughter of Mr. and Mrs. Vernon W. Roelofs of 4859 North 174th Ave., was among 172 underclassmen of Carleton College, Northfield, Minn., who were honored at the 27th annual honors day convocation at the college for their scholastic accomplishments during the current academic year.

Two BPW Contracts Approved

Two contracts of the Board of Public Works with Black and Veatch, consulting engineers, were approved by City Council at its regular meeting Wednesday night.

One is for engineering services for a study of power plant expansion, a proposal which was tabled March 17 until Council met with the Board of Public Works to discuss the matter. This joint meeting was held May 10.

Councilman Bertal Slaght asked whether the study would take in possibilities of purchasing power from Consumers Power, and BPW Supt. Guy E. Bell said all avenues would be explored.

The other contract calls for engineer work in connection with the \$1.9 million sewer program which voters approved April 5. This calls for intercept or lines to be laid to Holland Heights, to the southeast section of the city including the industrial park, and west of the city to service South Shore Dr. and the Lakeview area.

Another communication from the Board of Public Works explained why a connection charge would be made for water and sewer service to the R.E. Barber property. Basically, the reason was that the Barber property would be serviced from a distribution water line while other industries on the north side are serviced from a transmission line.

If a distribution line were to be installed at some future date, these industries would have to reconnect and would be assessed accordingly by the township. The board had previously recommended granting services as requested under the same conditions as Taylor Produce Co. All outside properties receiving city water services pay double rates.

Council, which had tabled the Barber request two weeks ago seeking further information on hookup charges, approved the request, but later in the evening Councilman Morris Peerbolt asked the city attorney to draft a policy whereby outsiders would receive the same consideration. Further discussion would likely come at that time. Peerbolt felt generally that hookup charges should be the same and that if further charges were made later by townships that the city could reimburse all or part of the hookup charge.

A letter from the First Michigan Bank and Trust Co. of Zeeland requesting water service and future sewer service at the new branch office site on the northeast corner of East Eighth St. and Clover Ave. was referred to the Board of Public Works for report.

Henry Jackson Dies in Hospital

Henry L. Jackson, 71, of 645 Bosma Ave., Park township, died early Wednesday at Holland Hospital following a short illness.

Jackson was born in New Hampshire and had lived here for the past 19 years. He was employed at Ottawa Door Lights Inc. of Zeeland for the past 10 years. He was a member of the First Methodist Church and the Independent Order of Odd Fellows and the Holland Encampment of I.O.O.F.

Surviving are the wife, Jeanette; three sons, Lawrence of Holland, William of San Diego, Calif., and George of Battle Creek; five grandchildren; one brother, Clarence Jackson of Wallaston, Mass.; one sister, Mrs. Bert Hilton of Welles, Maine.

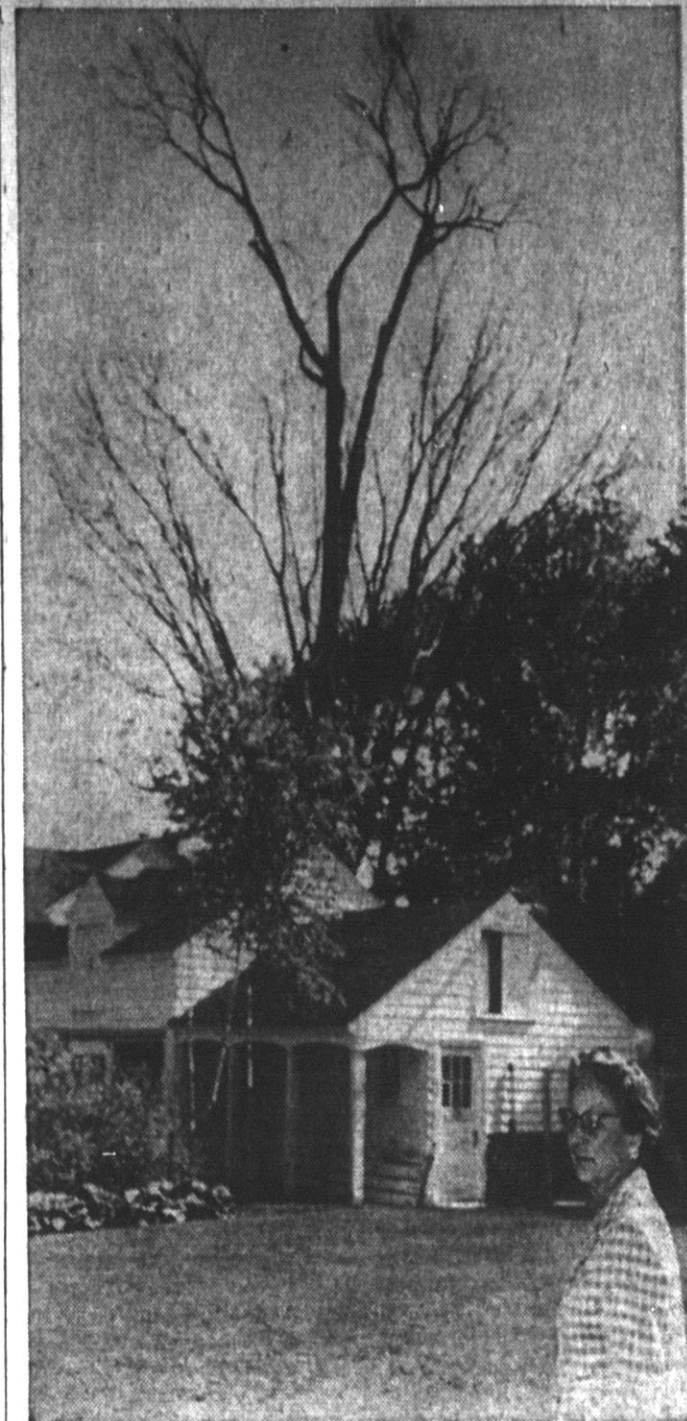

Miss Ruby Calvert Is Recipient of Citation

Miss Ruby Calvert, former speech teacher at Holland High School, received a framed citation "for outstanding citizenship and excellence in professional education" at a dinner meeting held last Friday at Olivet College.

This was done as part of Eaton County's Michigan Week celebration and came as the result of one of her students having named her as the teacher who meant the most to him.

Miss Calvert is a teacher in the Waverly High School, suburb of Lansing where Clifford Marcus is principal. Mr. Marcus formerly served as principal of West Ottawa High School and also was a teacher at Holland High School.

Pat Kool of Holland was among eight women presented with Alpha Lambda Delta National Senior awards at Western Michigan University in Kalamazoo. Miss Kool received the Marcella Leonard Book Award, the top Alpha Lambda Delta award. Miss Kool has completed a 3.78 scholastic average over seven semesters.

PILOT ELM COMES DOWN — Mrs. Peter Van Domelen of 1409 South Shore Dr. looks a bit wistful today just before the giant 200-year-old elm in her backyard (background) was to come down. The tree, known since the turn of the century as the "pilot elm", towers over other trees in the area and measures 27 feet in circumference. The tree is located on the southern point of the Lake Macatawa narrows and was used to guide schooner pilots into Lake Macatawa from the channel where it could easily be picked out as a landmark. In 1952, a large limb of the tree broke off during a wind storm, and this year the big elm finally fell victim to Dutch elm disease. (Sentinel photo)

Vanden Brink Rites to Be On Saturday

Funeral services for Wesley Alan Vanden Brink, 16-year-old son of Mr. and Mrs. Everett Vanden Brink of 1378 Linwood Dr., will be held Saturday at 2 p.m. at the Harderwyk Christian Reformed Church. The Rev. Richard Venema will officiate and burial will be in the Lakeview cemetery.

Relatives are asked to meet in the church basement at 1:45 p.m. The body is at the Ver Lee-Geenen and Sterenberg Chapel where relatives and friends may meet the family tonight and Friday from 7 to 9 p.m.

Wesley was a sophomore at Holland Christian High School.

Wesley Alan Vanden Brink died unexpectedly at his home Wednesday morning. He was serving as vice president of his class. As a freshman he served as treasurer. He was active in sports playing both for the varsity basketball and baseball teams.

Mrs. M. Folkert Dies in Illinois

LANSING, Ill. — Mrs. Morris Folkert, 50, of Lansing, Ill., died this morning at her home following a lingering illness. She formerly resided in Holland, Mich.

She was the former Dorothy Langeland and wife of the Rev. Morris G. Folkert, former pastor of the North Holland Reformed Church and the Grand Rapids Seventh Reformed Church. She was a graduate of Holland Christian High School and Grand Rapids Butterworth School of Nursing. She was a former Holland Furnace nurse.

Besides the husband, she is survived by one son, Tommy; four daughters, Mrs. Bruce (Mary Ann) Laverman of Spring Lake, Ellen, a student at Hope College, Jeane and Nancy, both at home.

Funeral services will be held at 2 p.m. Saturday in Lansing at the First Reformed Church with the Rev. Ralph Menning officiating.

Names given to babies born in Holland Hospital include Christopher Jon, born Tuesday to Mr. and Mrs. Wilbur Bletsch, 1130 Graafschap Rd.; Lisa Hope, born Wednesday to Mr. and Mrs. Vestor Ross, 88 East 16th St.

Airport Has New Lights

An improved runway lighting system is now in operation at Park Township Airport, consisting of medium intensity lights to mark taxiways and runway and different colored runway limits.

These lights which have a high level of penetration coupled with a rotation beacon give the field one of the best systems available for local airports.

This installation marks another step in the overall plan for airport improvement. Long range plans include snow removal equipment, more hangar space and extension of runways if and when necessary. Current improvements were financed by contributions from industry, local units of government and individuals.

Some vandalism has occurred in connection with the new lighting system and officials point out such damage and pilfering is not only hazardous for pilots using the airport but also is a federal offense carrying severe penalties.

Local Court Tries 17 Recently

Couple Slightly Hurt in Crash

Two persons escaped serious injury in a spectacular one-car crash at the 16th St. railroad crossing near Lincoln Ave. at 12:30 a.m. today.

Robert E. Canfield, 25, of 304 West 15th St., driver of the car, and Barbara Yskes, 22, of 220 Ferris St., were released from Holland Hospital following treatment for minor injuries received in the crash.

Holland police said the auto, headed east on 16th St., took off when it hit the railroad crossing grade. Police said the car left a gouge in the pavement where it came down more than 74 feet from the tracks.

The auto bounced another 22 feet and traveled over several lawns before hitting a tree and utility pole where it finally came to rest. The 1959 model car was demolished. Police are continuing their investigation of the mishap.

Questers Chapter Has Meet, Elects Officers

The Christine Van Raalte Chapter of Questers met at the home of Mrs. Jane Lampen in Zeeland Monday evening. Mrs. William De Vries, president, conducted the business meeting.

New officers were elected and will take office at the June meeting. Elected were Mrs. Lampen, president; Mrs. F. Palecek, vice president; Mrs. Paul Walterink, secretary; Mrs. Fred Davis, treasurer.

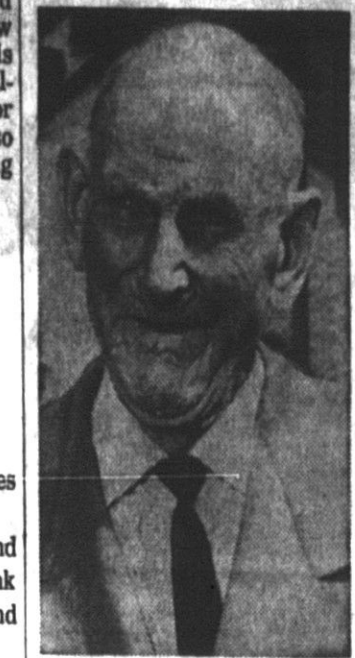

Reports were given on the Dearborn convention. A film on the restoration of Williamsburg was also shown. Refreshments were served by the hostess, Mrs. Lampen, and the co-hostesses, Mrs. Palecek and Mrs. Lois Slinka.

'Joe Steel' Identified By Nephew

EASTMANVILLE — After 58 years at the Ottawa County Infirmary without any known relatives, 102-year-old "Joe Steel" has been identified as Monroe Ratty, former Fennville area resident, by a nephew and niece.

Monroe Eaton of Ganges said "I am positive he is my uncle. I frequently heard my mother, Mrs. Ada Eaton of Douglas, talk about her brother and wonder what happened to him."

"My uncle, whom I'm named after, left home near Fennville

Monroe Ratty (Joe Steel)

about 1882 for the northwoods. My mother never heard anything after that," Eaton said. Eaton and a niece, Mrs. Blanche Wilkinson of Glenn visited "Steel" at the infirmary Sunday.

Another nephew, Steve Variel, lives in Pullman.

Eaton said his uncle recalled working with a pair of oxen while living near Fennville and remembered their names as "Duke and Dime."

Tom Modderman, director of the infirmary, confirmed that "Steel" years ago also mentioned working with oxen and their names as "Duke and Dime."

When a youngster "Steel" was called Little Money. When Eaton asked his uncle if the nickname Little Money was familiar "Steel" said "Yes, that's what they called me when I was a boy."

Eaton said he has been looking for his uncle for many, many years. He went to the infirmary after seeing the story and picture about "Joe Steel" in Thursday's edition of The Holland Evening Sentinel.

"Steel" was born in the small community of Eden, south of Lansing, in Ingham County, Eaton said. Eaton wasn't sure of the exact year but thought it was 1864 or 1863.

"Steel's" mother, Mrs. Polly Ratty, died in Saugatuck in the early 1900s. She was in her late 80s or early 90s.

Until Sunday the only thing known about "Steel" was that he was admitted to the infirmary on Feb. 25, 1907.

The infirmary records show that the 5'4" 115-pound man was found wandering scantily-clad in sub-zero weather in a field near Lamont.

He could give no account of himself, where he was going or what he was doing, and was admitted to the infirmary.

"Steel" won't be alone during his remaining years. His nephew and niece plan to see him frequently. Eaton said "We're not going to move him since he is happy in his 'home' at the infirmary."

The final resting place for "Steel" will not be a lonely spot. He will be buried beside his mother, Mrs. Ratty, in the Saugatuck cemetery.

Launching Basin Sought By Chris-Craft Corp.

Chris Craft Corp. of Holland has applied to the U.S. Army Engineer District in Detroit for a federal permit to construct a launching basin in Lake Macatawa.

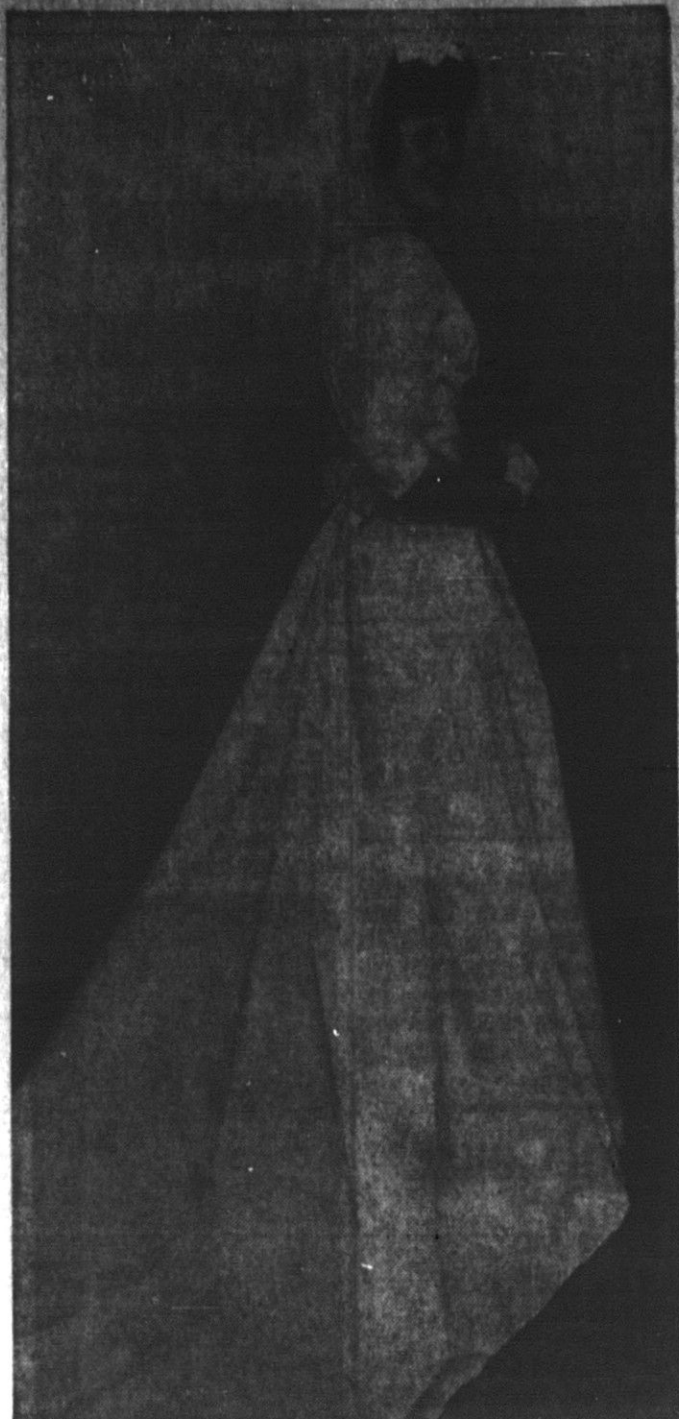

The basin would be located about 1,900 feet west of the US-31 bridge over Black River and would be adjacent to the Parke-Davis plant.

The basin would be dredged to an eight-foot depth. Any persons objecting to the proposed operations should file written protests to the Corps of Engineers, 150 Michigan Ave., Detroit, Mich., prior to 4:30 p.m. on June 2, 1965.

Mr. and Mrs. Lawrence Engelsman of Denver, Colo., announce the adoption of a three-month-old boy, Robert Jon. Mrs. Engelsman is the former Anne De Weerd of Holland.

Miss Linda Beyer of Holland was among eight women presented with Alpha Lambda Delta National Senior Awards at Western Michigan University in Kalamazoo.

Barbara Phillips Becomes Bride of James A. Bazen

Mrs. James Adrian Bazen

(Van Den Berge photo)

Fountain Street Chapel in Grand Rapids was the scene of a wedding Friday at 8 p.m. when Miss Barbara Mae Phillips became the bride of James A. Bazen.

The bride is the daughter of Mr. and Mrs. Jerry Phillips of 119 East 20th St. and the groom's parents are Mr. and Mrs. Peter Bazen of 716 Four Mile Rd., Grand Rapids.

At 8 o'clock the couple exchanged vows in a double ring ceremony performed by the Rev. W.C. Lamain against a background of ferns, palms and ivy with baskets of white gladioli, mums and yellow pompons.

Wedding music was provided by Ruth Teerman and Cornie Jonker.

Attending the bride were her sister, Eleanor Phillips, as maid of honor; Mrs. Karl Van Oostenbrugge, another sister, and Mrs. Henry Rosendall, sister of the groom, bridesmaids; Mary Lou Van Oostenbrugge, niece of the bride, flower girl. The groom was assisted by John Bazen as best man; Marjorie Bazen and Gary Kwekel as groomsmen. Billy Vanden Toorn served as ring bearer and Peter Bazen and Jerry Phillips were ushers.

As the bride approached the altar with her father she was wearing a peau de soie gown featuring a scalloped neck and a chapel train. The bodice was trimmed with re-embroidered

alencor lace and the elbow-length three-tier veil was held by a cabbage rose headpiece trimmed with pearls. She carried a bouquet of white roses with ivy foliage.

Gowns of her attendants were fashioned of pastel yellow organza over taffeta complemented with circular headpieces and bouffant veils. They carried cascades of white daisies and foliage. The flower girl carried a basket of daisies.

A reception for 155 guests was held in the church and serving punch were Mr. and Mrs. Marvin Van Ess. Gift room attendants were Mr. and Mrs. James Rosendall and Mr. and Mrs. Bill Vanden Toorn and at the guest book was Sherrie Kwekel. Serving as master and mistress of ceremonies were Mr. and Mrs. Neal Boerkoel and Mrs. Gary Kwekel.

For a trip to Washington D.C. and the Blue Ridge Mountains of Virginia the new Mrs. Bazen changed to an aqua three-piece suit with aqua flowered hat and black patent accessories. She wore the corsage from her wedding bouquet.

After May 25 the couple will be at home at 555 Walnut N.E., Grand Rapids. The bride was employed in the office of Hart & Cooley. The groom attended Grand Rapids Junior College and is employed with Bazen Electric Co.

Wed in Grand Haven

Mrs. Randall Jay Brown

The Methodist Church of the Dunes, Grand Haven, was the scene April 17 of a double ring ceremony which united Ruth Ann Gibbs and Randall Jay Brown.

The parents of the couple are Mrs. William Gibbs of 1251 Penoyer, Grand Haven, and late Mr. Gibbs and Mr. and Mrs. Robert Brown of troue 2, West Olive.

The Rev. Paul Robinson officiated at the double ring ceremony with Mrs. Joseph Bradozo at the organ and Wyne Poel, soloist.

The bride, given in marriage by her brother, Gerald Gibbs, wore a full-length gown of white satin and embroidered lace. A lace and pearl crown held her silk illusion veil. She carried a bouquet of white chrysanthemums and yellow roses.

Mrs. Allen Arbogast was matron of honor and bridesmaid was Miss Mary Lesar.

Bruce Merryman was best man, groomsmen was Robin Brown and ushers were Harold Cherry and Allen Arbogast.

A reception was held in the church parlors. Attendants were the Misses Bonnie Vander Kolk, Mary Lou Katt, Linda Bunker, Bonnie Baker, Tana Botbyl, Mrs. John P. Gibbs, Mrs. Helen Marshal, Mrs. Paul Garthwaite. Masters and mistresses of ceremonies were Mr. and Mrs. Larry Westerhouse and Mr. and Mrs. Joe Boongaard.

For the northern wedding trip the bride changed to a three-piece linen suit of turquoise with white satin lining and white accessories.

The bride will enter Muskegon Community College's Practical Nursing program in the fall and the groom is a self-employed trucker.

The couple is at home at 109 North Fourth St., Grand Haven.

Push Program To Widen Local Harbor

New efforts to obtain federal funds to widen the Holland Harbor entrance and deepen the channel will be coordinated by a special sub-committee of the Chamber of Commerce.

President L.C. Dalman said the special unit was set up Monday night as part of the Business Development Committee. Members will be named in the next few days.

The chamber was picked as the coordinating committee following a breakfast at Point West Saturday with Congressman Robert P. Griffin. Attending were 32 representatives of Holland City, Holland and Park Townships.

There was general agreement at the Saturday meeting that something must be done to improve the local harbor.

Some expressed concern over the effects of water surging through the widened channel during periods of heavy weather.

Dalman said the chamber hopes to obtain information from the University of Michigan and Michigan Waterways Commission on this phase of the study. The U.S. Corps of Engineers in 1954 had, following a detailed study, suggested the channel be straightened by enlarging the south side.

Objections to using the south side followed and a re-survey was made in 1961 with the possibility of using north side land near Holland State Park.

The Engineers reported, after the second survey, that the south side would be the best for widening and straightening the channel.

Griffin told the Saturday breakfast meeting, hosted by Henry Maentz, that he would do all he could to aid in gaining funds for the harbor work but first there must be agreement by the area on proceeding according to the Engineers' report.

Ticketed After Mishap

Ottawa County deputies charged Basil O. Barton, 55, of route 4, Holland, with disobeying a traffic signal following a two-car crash at the intersection of River Ave. and Lakewood Blvd. at 3 p.m. Monday. Deputies said the Barton auto collided with a car driven by John P. Vanden Bosch, 74, of 50 South State St., Zeeland.

Worship in Jerusalem
II Samuel 6:12-13, 17-18
By C. P. Dame

Millions in our land worship God and millions do not. People who love God worship him, David, a man with many faults, truly loved God and longed to have his nation worship Him in the right way.

I. Our homes need God. In times past homes needed God. David wanted to make Jerusalem the political and religious center of the nation. And that is why he wanted to bring the ark of God into the city. God had told Moses to make the ark, a box, in which were placed the two tablets of stone on which the ten commandments were written. David's first attempt to bring the ark to Jerusalem failed because of an unexpected incident. On the way to the city the oxen stumbled and one of the men who was driving reached forth his hand to steady the ark and was smitten and died. The ark should have been carried on the shoulders of the Levites. David was saddened by this event. He brought the ark to the home of Obed-edom who received it gladly. This ark symbolized God's presence. The commandments of God revealed the will of God. By welcoming the ark Obed-edom confessed faith in God and in His commandments.

When a home welcomes God and His laws some things go out. God and a bar, God and obscene literature, God and quarrelling, God and hate, God and grudges, do not belong together. Often when God enters a home there is a new spirit and atmosphere present. Modern homes need God much.

II. Our nation needs houses of worship. After David had built a palace for himself he talked to his chaplain, Nathan the prophet, about building a temple. He got Nathan's approval. However during the night God spoke to the prophet and told him to tell David not to build a temple but that his son would. The idea of David was a good one. How much better it is for a successful business man to plan to do something bigger for God's kingdom than to merely dream about more luxuries for himself and his family. Success means more opportunities to indulge or to serve.

David was not only a political but he was also a religious leader. The king by offering burnt and peace offerings assumed the role of a priest. Every father ought to be the priest in his home. We Protestants believe in the priesthood of all believers.

III. God's promises inspire people. David was not permitted to build a temple but the son fulfilled his father's dream. One generation plans and dreams and another generation puts them into practice. Often a son reaches a goal the father only dreamed about.

God promised David a greater blessing than building a temple. "Also the Lord telleth thee that he will make thee an house." History tells us that the house of David ruled a long time. Not all the descendants of David walked in his ways but they were blessed because of what David had done. Fathers may be a blessing to their children—a curse too if they so wish. The greatest blessing that came for the house of David was the birth of Jesus Christ, who was the Son of God and a descendant of David.

Vandalism Brings Stiff Sentences

ALLEGAN — Saugatuck law enforcement officers have demonstrated that vandalism is not going to be tolerated in their resort area this summer. The town has been the scene of much vacation time rowdiness on the part of college age youths in the past few years.

Dennis Szymczak, 19, and Norbert Frazier, 22, both of rural South Haven, have begun serving sentences in the Allegan County jail, following their arrest for pulling down a concrete-embedded flag pole at the Saugatuck oval several days ago. Officers said the 60-foot pole which towers over the beach area was yanked out of the ground by means of a heavy rope attached to a car.

Szymczak was sentenced to 10 days in jail and will serve an additional 80 days if he fails to pay a fine of \$100, costs of \$14.90 and \$150 restitution. Frazier has paid the fine and costs levied by Justice Ervin Kasten and is scheduled to spend the next three weekends in jail, Allegan County sheriff's officers said.

MT. PLEASANT — West Ottawa's baseball team won the West State baseball crown here Saturday and will play for the state Class B championship here next Saturday.

The Panthers worked into the finals with an 11-0 win over Big Rapids and a 5-1 decision over Clare. West Ottawa will meet the East State champion for the state crown.

The Panthers will play Flint Bentley Saturday at 1 p.m. for the state championship in Mt. Pleasant. Bentley defeated Caro, 8-3 and Durand, 3-2 Saturday to win the East State crown.

Bentley, coached by Jim Vouchavich and paced by pitcher Bud Palini, has a 7-4 record this season. The state meet is sanctioned by the Michigan High School Athletic Association.

The first game against Big Rapids was called after five innings with the Panthers leading 11-0. The tourney rule is that if a team is leading by 10 or more runs after five innings the game is considered complete.

Steve Vander Lip allowed only one hit in the five innings and that was an infield hit in the first inning.

The Panthers scored early as they picked up three runs in the first inning on a walk to Laverne Westerhof, a single by Lynn Bakker, a double by Dave Farabee and a single by Dale Boeve. The big inning was the third when the Panthers added six runs.

Farabee singled, Bruce Van Huis singled and Boeve hit a short fly to left on which the shortstop and left fielder collided. This was followed by two errors and a double by Steve Vander Lip. The final runs came in the fourth on a home run by Terry Meyer after Vizithum had walked. Farabee and Vander Lip each had two hits for the winners.

In the second game the Panthers defeated Clare 5-1, the team that upset tourney favorite Alma on Friday and defeated Pinconning 10-4 in the morning. Clare had one of the best young ball players in the tourney in third baseman, sophomore Tim Haring, who had seven hits in nine trips to the plate in the two games.

Dick Stehle pitched for the Panthers and allowed seven hits as his teammates were held to five hits. "Mouse" Westerhof put the Panthers in the lead as he hit a 3-2 pitch over the left field fence to lead off in the first inning. Clare then tied the score in the second on two singles and an error.

The Panthers took the lead

Local Man Assigned to Bonn Bureau

Bruce Van Voorst, son of Mr. and Mrs. Jacob Van Voorst, of 402 Hazel Ave., will be leaving soon for Bonn, Germany, to serve as bureau manager for Newsweek magazine. He has been on the Washington staff of Newsweek since January, 1963.

Van Voorst was slated to leave May 14, but on May 3 was sent to the Dominican Republic to cover the revolution, an assignment he also filled two years ago when former Dominican President Juan Bosch was ousted. On this trip, Van Voorst had an extensive interview with Bosch in Puerto Rico.

In talking to his wife in Washington a week ago, the Newsweek man said people just don't realize how bad the situation there really is.

Mrs. Van Voorst and their children are slated to sail June 24 out of New York for Germany. They expect to visit Holland briefly before going to New York, and hope to visit the World's Fair while sailing.

The Bonn bureau is the third largest Newsweek bureau in Europe, following London and Paris.

Previously, Van Voorst spent two years in Addis Ababa, Ethiopia, for the Department of State.

Three in Family Hurt When Auto Strikes Pole

Three children of the Robert Koe family, 131 West 17th St., were injured when the car they were riding in struck a utility pole in front of 208 Maple Ave. at 9 p.m. Sunday.

All were released from Holland Hospital after treatment. Hospital officials said Janice Koe, 18, driver of the car, suffered contusions of the face; Maureen, 17, suffered multiple lacerations of the face, and Douglas, 12, received contusions of the face.

Holland police said the Koe auto was headed south on Maple Ave. when the accident occurred.

3-1 in the bottom of the second on two walks, a sacrifice, an error and a single by Meyer. They scored the final two runs in the fourth on a walk, an error and a single by Stehle. Meyer led the hitters with two hits in three trips to the plate.

Robert A. King Is Appointed To West Point

Robert A. King III

Robert A. King III, 18, son of Mr. and Mrs. Robert A. King Jr., 1127 West Lakewood Blvd., has received notice of his acceptance as a cadet to the United States Military Academy at West Point, N.Y., from Maj. Gen. J. B. Lampert, superintendent of the academy.

King, who will report at the academy July 1, was nominated by Congressman Robert P. Griffin.

A senior at West Ottawa High School, he was co-captain of the swimming team that won the 1965 class B state championship and the southwest district invitational meet. He has won several medals and trophies in this sport and earned two letters. This season he is participating in track.

King has appeared in several school dramatic productions and participated in the debate team and in forensics. As a hobby he performs magic tricks.

He is a member of the school marching band, pep band and senior band and also serves as a school disc jockey during lunch periods and school dances. His interests also include the school radio club and rocket society.

The student council representative of the Grand Valley Council, King also serves on the student police force and jury. He was named first runner-up for the Parke-Davis David Whitney four year scholarship.

He is a member of the Rose Park Reformed Church and is president of the youth fellowship, president of the classic level youth fellowship and vice president of the youth fellowship of the Particular Synod for the State of Michigan and Provinces of Ontario.

He is an Eagle Scout, earning 23 merit badges, an Explorer Scout and secretary of the chapter Order of Arrow. He served as a merit badge instructor and counselor at Camp Shawondosee and is also a Scout life guard. King, the oldest of nine children, has lived here for eight years having previously resided in Allegan.

people who made the 1965 festival a great success.

"There are too many people who helped to mention individually, but we are most grateful to those who helped with the parades, thank klompen dancing and all other attractions, as well as the hard-working police, dealing with traffic congestion, and the park personnel whose efforts toward Tulip Time cover many months of activity," the two men said.

Saturday's parade of bands, the event drawing the largest crowds, was one of the best ever, listing 40 bands, many floats, twirling teams, klompen dancers in convertibles, and other features. The two-mile parade route was lined solidly from downtown to Kollen Park.

Several band members collapsed from exhaustion at the end of the two-mile march and were taken to Holland Hospital. Hospital authorities said it was not so much the heat as lack of food and fluids. Aspirin and 7-Up proved to be effective restoratives.

Hospital Director said 31 band players were treated Saturday afternoon. There also were 13 miscellaneous cases during the weekend, covering such items as objects in eyes, stepping on charcoal on the beach, nosebleeds... all minor. Fourteen persons were victims of minor accidents. Only one victim was admitted. Sunday was a relatively quiet day at the hospital.

With tulips still in excellent condition, Holland is expected to have many visitors the coming week. Local motorists are asked not to park on tulip lanes so that visitors touring the eight-mile route have an unbroken view of Holland's most popular flowers.

Pair Hospitalized After Two-Car Crash

GRAND HAVEN — Two persons were injured in a two-car accident on Lincoln St. near 144th Ave. in Robinson Township at 8:20 p.m. Saturday.

Taken to Grand Haven Municipal Hospital, 45, and Coral St., 21, both of rural Grand Haven.

State police said the accident occurred when Oles turned left from 144th Ave. onto Lincoln St. as the Styf auto was headed west on Lincoln St. Both drivers told troopers they failed to see each other in time to avoid the crash.

Driver Gets Summons

Gerald Hilbink, 60, of 651 Lugers Rd., received a summons for speeding from Ottawa County sheriff's deputies after the rear of his car swung into an auto operated by John Stephenson, 68, of 23 South Division St., Zeeland, on Ottawa Beach Rd. near 152nd Ave. at 10:40 a.m. Saturday.

MILL POPULAR — This long line of people waiting their turn to get into the windmill De Zwaan was only a small part of the 22,000 persons who visited the mill Saturday

and Sunday. More than 40,000 persons have toured Windmill Island and the 200-year-old De Zwaan since Windmill Island officially opened May 8. (Sentinel photo)

Tulip Time Festival Draws Record Crowd

The curtain rang down on a highly successful Tulip Time festival this weekend, a floral event which this year lived up to the superlatives usually associated with the festival.

The tulips were in excellent condition and are expected to remain so for several more days. A lot of other flowers also got into the act this year, the forsythia earlier in the week and the flowering crab during the weekend. Magnolias and Japanese cherry blossoms also added to the splash.

Windmill Island, new this year, accounted for a good share of the heavy influx. Estimates previous years of drawing a half million visitors for the entire Tulip Time blooming season had to be revised upwards.

Li. Ernest Bear of the Holland police department said crowds on Wednesday and Saturday were the largest he has seen in the 28 years he has been riding the parade route. He thanked the people for their cooperation in untangling traffic congestion, and said it was the most orderly crowd he has seen in the history of Tulip Time. He estimated attendance at Saturday's parade at 150,000.

Except for a brief shower in midmorning Saturday and a few sprinkles before parade time in the afternoon, Holland enjoyed ideal weather during the four days of the festival. The weather started out at 70 degrees Sunday morning, but became cooler and windy later in the day.

Mayor Nelson Bosman who is in Lake Orion today on Mayor Exchange day of Michigan Week and Roscoe Giles, Tulip Time manager, joined in expressing heartfelt appreciation to all the

Family of Four Hurt In Two-Car Accident

Four persons were treated at Zeeland Hospital following a two-car crash at US-31 and M-21 at 3:07 p.m. Saturday.

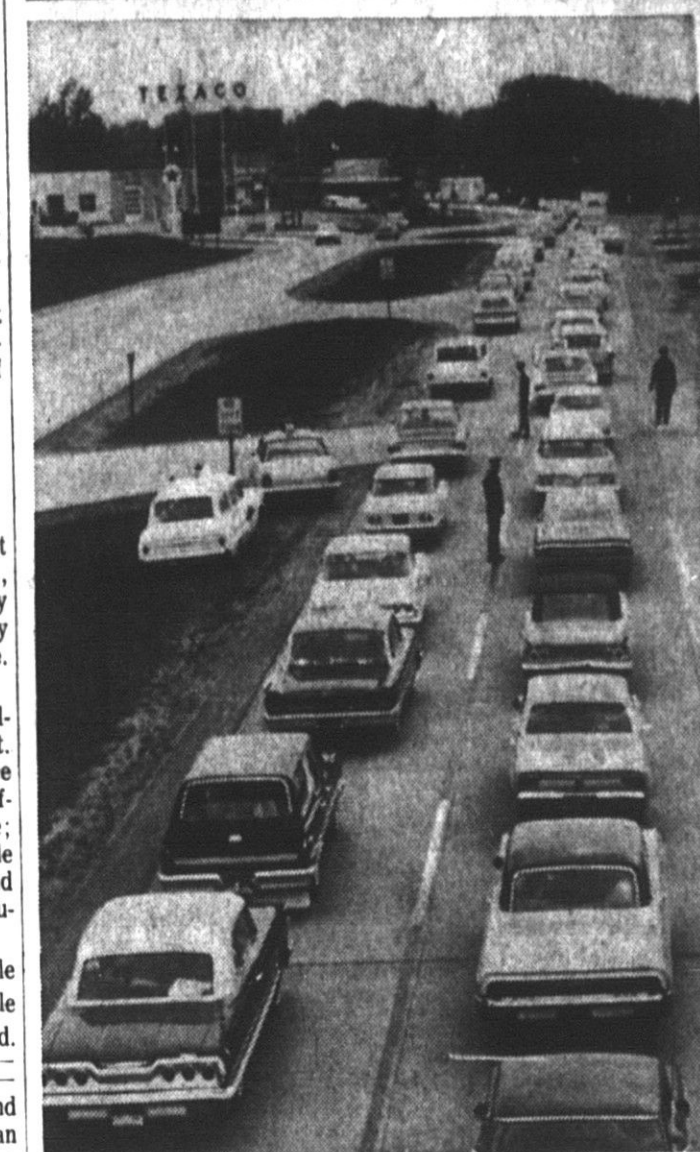

Released after treatment were Jan Schenk, 41, of Cleveland, Ohio, driver of one of the cars involved in the mishap, Schenk's wife, Rosline, 39, and the couple's two children, Peter, 11, and Hendricka, 13.

Ottawa County deputies identified the driver of the second car involved in the crash as James Odenberger, 16, of Grand Rapids. Deputies said the Schenk auto came off the US-31 exit ramp and crossed M-21 in front of the Odenberger car.

Chain-Reaction Crash Injures 4

Four persons were taken to Holland Hospital for treatment of minor injuries suffered in a four-car, chain-reaction collision at the intersection of M-21 and 120th Ave. at 10:25 a.m. Saturday.

Treated were Emily E. Monroe, 41, of Vlamston, Mich., driver of one of the cars involved in the crash, and Nancy Haight, 22, and Peggy Haight, 15, both of Webberville, Mich., and both passengers in the Monroe auto. Also hurt in the crash was Jean Hudson, 42, of Flint, a passenger in a car driven by her husband, Ira, 47. Ottawa County deputies identified

40,000 Visit Island During First 9 Days

Nearly 40,000 people have visited Windmill Island since the cultural development opened Saturday, May 8.

The largest crowds, as expected were Saturday and Sunday which accounted for some 22,000 visitors, according to Windmill Island Manager Jerry Fairbanks. Crowds on Saturday were over 11,000 and on Sunday over 10,000.

Figures as audited by City Auditor John W. Fonger list 31,358 adults and 8,182 children for a total of 39,540 since Windmill Island opened.

Crowds were particularly heavy Saturday afternoon, and the parking lot which accommodates 300 cars had to be closed to additional cars on several occasions. This led to a large number of walk-ins who were not halted in the traffic tieup. Walk-ins were estimated at 3,000.

Shuttle bus service from Hotel Warm Friend also ran afoul of traffic congestion, and this service was cut off for a time.

"We learned a lot of things and will be making new plans as we go along," Fairbanks said. The Tulip Time committee was holding a meeting today to discuss the joys and sorrows of operating such a big undertaking.

Because of the large crowds Saturday and Sunday, the 80-foot sails of Windmill De Zwaan did not turn, since nobody is allowed on the big gallery off the fourth floor of the mill when the mill is in operation. At times, there were lineups to the mill four abreast all the way to the drawbridge which is an attraction in itself.

About 1,000 two-pound bags of flour were sold in the Anholt posthouse during the weekend. This is a ton of flour which the Windmill ground early Saturday morning before daylight. Favorable comment far out-

weighed the kicks at Windmill Island. Most visitors fairly bubbled with delight over the development and seemed not a bit dismayed over the unfinished aspects. Very few complaints were heard. Most visitors said they would be returning, anxious to see the island when all the gardens are in.

Guild Sponsors Dessert Meeting

Trinity Church Women's Guild for Christian Service gathered in Ter Keurst auditorium Tuesday evening for a dessert and program. About 225 mothers, daughters and grandmothers were present.

The buffet table was centered with an arrangement of pink tulips and white mums. Members of the Kapenga and Tigelaar circles were dessert hostesses with Mrs. Govert De Boer and Mrs. Dora Russcher as chairmen. Souvenir programs were distributed by Mrs. Lenore Garvelink and daughter, Linda.

The Schuiteman circle with Mrs. Ronald Nienhuis as chairman, was in charge of the program held in the church sanctuary. Mrs. Tom Vander Kuy arranged the program numbers and Mrs. Don Israels gave the devotions assisted by her daughter, Sherry, and Karen Kooyers. Mrs. Robert Oosterbaan led group singing with Mrs. William Zonnebelt as accompanist.

A clarinet solo was played by Peggy Jones accompanied by Darla Knapp. Karen Oosterbaan introduced the speakers, Harry Wiersma of Grand Rapids, acting director of the Christian Bible Mission, and the Misses Keitha Arnold and Ardath Enszer. Both are area workers in Newaygo County where they present Bible teaching in rural elementary schools. More than 7,000 persons are reached in a program geared to reach youth where there is a lack of religious training.

Mrs. Paul Vanderhill, guild president, welcomed the guests.

Deputies Give Ticket

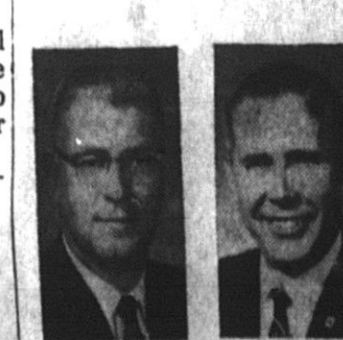

Ottawa County deputies ticketed Theodore Gilman, 24, of Douglas for interfering with through traffic after his car was struck by a car driven by James L. Siegers, 26, of 120 Judith Ave. on Ottawa Beach Rd. at Division Ave. at 2:20 p.m. Saturday.

Fennville Fetes Jordan Thursday

FENNVILLE — Rich Jordan's fabulous high school athletic career is ending and Fennville will show its respects Thursday night to the little fellow who charmed them for four years.

Jordan has been responsible for placing Fennville on the Michigan athletic map and his accomplishments during the four seasons in four varsity sports have earned him the undisputed title of "Fennville's greatest all-around athlete."

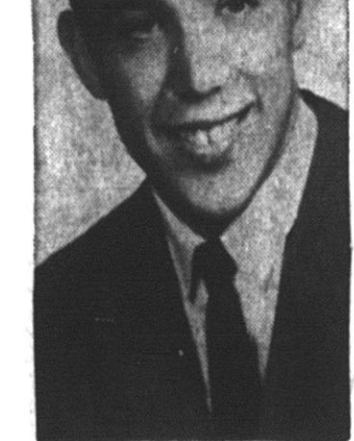

Jordan and Fennville have been synonymous as his achievements brought statewide fame to the community. And to show its gratitude, Fennville has made Thursday "Rich Jordan Day."

The City Council has voted to change the name of the city for a day. Fennville will be changed to "Jordanville" Thursday morning and later in the day, there will be an all-school assembly and Jordan will be officially presented with the keys to the city by Mayor William Bushee.

Fennville fans have thrilled at Jordan's athletic feats and they will get to honor their hero at a 6:30 p.m. banquet Thursday, sponsored by the Fennville Chamber of Commerce.

The event will be held in the Fennville High School gym and Burt Smith, former Michigan State freshman football coach and administrative assistant, will speak.

Jordan and 20 other Fennville senior athletes will be honored at the event. Fennville High School principal Ed Carrigan will be master of ceremonies.

Rich Jordan
... 'Mighty Mite'

These seniors helped Fennville win two Al-Van League football titles, three each in baseball and track and a district basketball crown.

Athletic words like "natural ability" and "desire" fit into the description of the two-sport all-star. Coach Ray Feher, who coached Jordan in baseball and basketball for four years, said he had never seen another boy with as much natural ability and desire.

"His desire made him as good as he is," Feher said, "because his physical attributes aren't great and he is tremendous for his size. He has a good attitude and is a pleasure to coach," Feher added.

"We measured him Monday," Feher said, "and he is 5'7 1/2" with his shoes on. He weighs between 165 and 170 and is solid," Feher continued.

Sacrifice is a nother attribute the 17-year-old Jordan has. Feher went on. Long hours of practice have gone in to making Jordan the athlete that he is. Feher felt and illustrated it with some basketball examples.

"Besides practicing in the gym during the season, Richie has a basket on his garage and he is shooting all the time. He is willing to learn, Feher said, "and he watches the pros. He watches the moves of players and then works on the move, until he gets it down."

Feher said Jordan spent time watching 5'8" Manny Newsome, ex-Western Michigan University basketball All-American and former Bangor all-star Pete Gent, who set a scoring record at Michigan State.

"Gent is a close friend," Feher said, "and Richie has known Pete since he was a little boy." The Jordans formerly lived in Bangor before moving to Fennville several years ago.

His football success has been in his strength. "He has worked hours with weights to build himself up," Feher said, "and the weight program has given him a tremendous pair of legs and I think legs make the athlete," Feher said.

Jordan started his weight program in the eighth grade and still continues it. He doesn't use the program during basketball season because he feels it tightens his forearms, Feher reported.

Feher said Jordan was working on his jump shot in the seventh grade and he developed the shot into the most feared in the Al-Van League. He set a Michigan prep record of 888 points and scored 2,210 points in four varsity seasons. He had a 44.4 average and made 60 points in his final regional tournament game against Bridge-man.

In football, halfback Jordan scored 47 touchdowns including 25 last season and scored a total of 156 points as a senior. In baseball, Jordan is hitting .340 this spring and "he either hits or gets walked," Feher said.

He holds the Fennville and Al-Van League high jump and

long jump records with 6'2 1/4" and 22' 1/4" performances. Jordan qualified for Saturday's Class C state track meet in Mt. Pleasant with a first and third in the two events in the regionals.

A pulled leg muscle received earlier this month while high jumping in Hartford has hampered his recent performances.

Jordan signed a baseball tender to attend MSU on an athletic scholarship. "Michigan State saw him play baseball only once and that was last Thursday night in Kalamazoo," Feher said, "and Jordan had signed his tender before that." He hopes to play baseball and basketball at MSU.

Sonny Means, new MSU assistant basketball coach, and Gent attended the Fennville-Kalamazoo Hackett baseball game. Jordan, a B student, will take a general college course next fall and is considering fields in journalism, business or recreation.

This summer he expects to play baseball for a Kalamazoo city league team or the Ionia Chieftains in the United Baseball League. He is an outfielder and has pitched.

An only child, Jordan is the son of Mr. and Mrs. Reuben Jordan. The elder Jordan operates the Moskowitz Department Store.

In addition to being a two-time all-state football and basketball player, Jordan was named this season to the Coaches and Athlete magazine All-American baseball team.

Besides his prep sports, Jordan is also a fine bowler and tennis player. He had a 187 average in a junior high league a few years ago.

Jordan's accomplishments have kept the telephone and roads to Fennville busy this year. He received 58 college offers.

"We've met quite a few coaches this year," Feher said, "and we enjoyed it because it may be quite a while before we have another one like him."

Track coach George Bruder and football coach Bob Afman will echo Feher's feelings when they watch Jordan graduate on June 4.

Warn Against Gyp Artists

One of the seamier aspects of spring is the flood of door-to-door men who unrelentingly peddle home improvement gyps to gullible or unwary homeowners.

The Holland Chamber of Commerce, following a complaint received by the Ottawa County Sheriff's Department, today warned the homeowner planning to remodel or improve his home to use care and discrimination in hiring a firm to do the job.

The homeowner with visions of a "free" major home improvement may find he has obligated himself to make regular payments on the home improvement, plus a high-interest loan, Chamber officials said.

In some of the home-improvement rackets, the salesman may use the come-on that a home is needed to demonstrate the firm's workmanship. The victim may be promised \$50 or \$100 or a percentage discount for every customer who signs a similar home improvement contract.

Chamber officials said homeowners should beware of the firm that offers a bonus or gift for a "free" inspection or quotes a price far below the bids of other firms doing the same kind of work.

Officials blamed a general lack of awareness on the part of homeowners for the rise of an unscrupulous or incompetent fringe element in the home improvement field.

They asked that all homeowners be familiar with the firm they are contracting to take on a home improvement job, or to call the Chamber of Commerce to determine the firm's reputation.

There are 1,900 patients at the hospital.

Nursery Ready For Planting

Final preparations are well under way at the West Ottawa Soil Conservation District Nursery for this spring's planting of trees and wildlife shrubs, according to August Garbrecht, nursery manager. Each district cooperator will be notified when they will be able to pick up their order.

August Garbrecht is well acquainted with the nursery as it was established on his father's farm in 1938. Early conservationists in Ottawa County were quick to recognize the damage of the blowing sand and need to stabilize it. The blowing sand created many problems by making roads impassable and hindering railroad operations by covering the rails. Many thousands of pines have been planted in the county to stabilize these sandy areas, however about 8,000 acres still remain to be planted in the county.

An outgrowth of these early plantings is the present day Christmas tree industry. Garbrecht recalls going to the Army in 1942 and returning home in 1945 to find that Scotch pine trees were being sold for Christmas trees. Thus a new industry had been born. People soon realized that they were able to control the blowing sand and at the same time receive an income from land that was previously worthless.

There has been increased interest in the planting of wildlife shrubs for food and cover. Each year the district nursery has been receiving more and more orders for this type of material. People realize that there is a real value in being able to see rabbits, deer, game and songbirds. These same people realize that they must plant materials that provide cover, nesting, and especially food during the winter months.

This is a beginning of another year in which the cooperators of the West Ottawa Soil Conservation District are carrying on their conservation program of planning and planting for the future.

Under another section of the act, the committee voted to seek \$4,607 to undertake a camping project this summer.

This program would utilize Camp Pottawatomi, owned by Ottawa county, for a three week period starting at the conclusion of the county 4-H use of the camp for the summer, July 19.

Eight families, selected through county agencies, that do not have a father in the home, would be given a one week vacation at the camp. In addition to the rest and recreation, the supervised camp would provide special training for the women in preparation of surplus foods and other areas of home economics; children would be taught better use of leisure time, recreation, and better health habits; and family programs would be developed in the crafts, play, work and money management.

Under the proposed project, the thousands of acres of federal, county and school-owned forest land in Ottawa county would be maintained by 20 full time and 20 part time employees. The full time work would consist of a 32 hour week, at \$1.25 per hour.

County Extension Director Richard Machiele, who assisted in preparation of the project, said the trees planted on the various forest lands are badly in need of pruning and thinning.

A professional forester would be hired to supervise the program, and work supervisors and tools would also be needed.

The committee voted to submit a formal request to the federal government for about \$72,000 under the Economic Opportunity Act, designed as a part of the President's War on Poverty. An additional 10 percent of the amount would have to be furnished by the committee, but it was stressed the 10 percent could be in services rendered, rather than in actual cash.

Ottawa EOA Committee Seeks Funds for Projects

The Economic Opportunity Act committee for Ottawa county has voted to undertake two pilot projects this year, and has organized a new subcommittee.

In its meeting last week here, the committee voted to adopt a recommendation from the Forestry subcommittee, headed by Ed Dinkel of Marne.

Under the proposed project, the thousands of acres of federal, county and school-owned forest land in Ottawa county would be maintained by 20 full time and 20 part time employees. The full time work would consist of a 32 hour week, at \$1.25 per hour.

West Ottawa Wins Baseball Championship

West Ottawa's baseball team won its first outright Grand Valley conference championship Tuesday with a 3-2 victory over Grandville at the West Ottawa field.

The Panthers had tied for the championship with Zeeland and Grandville in 1963.

The win extended the West Ottawa string to 16 straight and a 6-1 record in the league with one game remaining. All the other teams have at least three losses. The Panthers are 18-2 overall for the season.

The big Panther bats were silent as two Grandville pitchers limited West Ottawa to only one hit and that was a single by "Mouse" Westerhof in the first inning.

The Bulldogs scored one run in the first inning as West Ottawa pitcher Steve Vander Lip had trouble finding the plate. Vander Lip walked three batters and a run scored on a fielder's choice. Their second run came in the fourth inning on a walk and two errors.

The Panthers put together six walks in the sixth inning for their three runs. Jerry Vereeke walked, Craig Van Dyke walked, Westerhof struck out, Lynn Bakker walked, Dave Farabee struck out, and with two outs Bruce Van Huis, Dick Stehle, and Dave Vizithum walked to give the Panthers their margin of victory.

Vander Lip started for the Panthers but was relieved in the fourth inning by Stehle who picked up the win to give him a 7-2 record for the season.

SAUGATUCK — Voters in the Saugatuck-Douglas school district will go to the polls June 14 in the gymnasium of Saugatuck High School to elect three members to the Board of Education and vote on a millage proposition involving 6 mills for two years for operating expenses.

Two members will be elected for four-year terms and one for a two-year term. Candidates for four-year terms are Mrs. Margaret Boyce, Dr. William Schock and William Rich. Candidates for the two-year term are Albert Siska, Richard Hoffman and Ernest Jean Simonson.

Band Fete Attracts Big Crowd

Large crowds attended the colorful band festival Saturday afternoon in Riverview Park in which 12 visiting bands competed in colorful marching maneuvers for ratings, and then joined in a spectacular massed band to play three selections, led by the three band judges.

Eight bands received first division ratings and four second division ratings.

Presentations covered many subjects, ranging from operatic to hootenanny and jazz. And there were several crack bands that specialized in good field marching... something that always is welcome.

Unprecedented large crowds for Tulip Time left its mark and the traffic jam east of the city caught several buses with bands scheduled to perform in the band festival.

Charlotte High School Band which has been coming to Tulip Time festivals for 25 years made its presentation earlier and earned another first division rating. While the band was performing other bands arrived and the regular schedule was resumed.

A good share of bands used show music and Broadway tunes for their themes, some going in for rhythm and jazz numbers. The dance step has become particularly popular in recent years. There was quite a mixture this year, folk music, operatic tunes from Aida, Rachmaninoff's "Prelude in C Sharp Minor" and a sprinkling of themes from the Exodus score.

Zeeland High School used as its theme Vignettes of Old Holland and had formations on a tulip, a boat, a wooden shoe and a windmill, playing "The Swan Waltz" as the sails revolved.

Judges were Eugene F. Heeter, American Bandmasters' Association; Everett D. Kisinger, University of Illinois, and Arthur C. Hills, Grand Valley State College, all of whom directed band review when they headed instrumental music departments at Holland High School. Henry P. Vander Linde of Christian schools served as chairman, and Grandville B. Cutler of Plainwell, formerly with the public school system here, conducted the inspection.

Each of the three judges led the massed band in a selection, ending with a particularly thrilling rendition of "America the Beautiful."

Bands were judged on appearance of uniforms and instruments; music with consideration to volume, balance, rhythm, cadence, suitability and quality; marching which took in uniformity of intervals, alignment, precision and carriage; special maneuvers for originality, showmanship and execution.

Ratings follow:

Class C — Brooklyn High School band, 2nd; Jonesville High School band, 1st.

Class B — Delton-Kellogg High School band, 1st; Hamilton High School band, 2nd; Cornelia High School band, 1st; Lee High School band, 1st.

Class A — Zeeland High School band, 2nd; Charlotte High School band, 1st; Ludington High School band, 1st.

Class AA — Parkside High School band, 1st; Lakeview High School band, 2nd; Owosso High School band, 1st.

Car Strikes Deer

A car driven by James I. Clark, 44, of De Kalb, Ill., struck a deer when the animal jumped in front of the vehicle on Adams St. near 88th Ave. at 10:40 p.m. Saturday according to Ottawa County deputies.

BLUE RIBBON WINNER — This outstanding flower arrangement in the Tulip Time Flower Show at the Woman's Literary Club won a blue ribbon for Mrs. Nelson Clark in the artistic division, Class 702. This arrangement plus several others in the show, won for Mrs. Clark the Sweepstakes Award. Mrs. Clark used blue heron tulips with Alder catkins and a black swan in keeping with the theme of the show, "The Swan." (Penna-Sas photo)

UNIQUE ACCOMPANIMENT — Prof. Wendell Westcott, carillonneur at Michigan State University, plays the Dutch mobile carillon as Kathy Stamm (right) and Mary Ellen Mrok of The Sentinel staff look on. Miss Stamm, a Klompen dancer, has a special interest since Prof. Westcott accompanied the Klompen dancers Thursday during their 7:15 p.m. performance of the traditional dance. Although the tempo was fast, the dancers met the unusual experience with surprise and fun. The spectators were delighted. (Sentinel photo)

Saladin Band Delights With Varied Selections

Saladin Temple's Million Dollar Shrine Band, featuring a concert sparkling with musical variety plus three outstanding vocalists and trumpet soloist Leonard B. Smith, entertained more than 2,000 persons Thursday night in the civic center.

Directed by Forrest D. Van Dusen of Grand Rapids, the 72-piece band is composed of members from throughout Western Michigan, playing music for varied tastes as the concert ranged from overtures to marches and was spiced with popular selections.

Starting with "The Hunting Scene," a selection skillfully narrated to include hunting sound effects and concluding with "God Bless America," the band continued to display its versatility.

Highlighting the concert was Smith's performance. He played "The Harp of Tara, an Irish Fantasy," and played famed cornet solo "Carnival of Venice" as an encore.

Smith displayed his ability with single, double and triple tonguing in reaching a wide range of notes. He also entertained with a 27-inch English posthorn with which he reached difficult note ranges.

Soprano soloist Kathy Barrow and June Law sang with the band. Miss Barrow presented "If I Loved You" and "He's Got the Whole Wide World in His Hands."

Miss Law sang "Open Thy Heart" and her encore was "I Could Have Danced All Night." They sang a duet of the "Italian Street Song."

They were joined by baritone Thixton Sprenger to sing "Edelweiss," "Maria," and "Climb Every Mountain" from "Sound of Music" and also sang "When You Wore a Tulip." Sprenger, who also was master of ceremonies, sang "The Song Is You."

Other band selections were "The Poet and Peasant Overture," "From Tropic to Tropic," "Trombone Treat," "Caribbe-guine," "Stars and Stripes Forever," "Jubilee," "Light Cavalry Overture," "Semper Fidelis," "America the Beautiful" and "The Thunder and Lightning Polka."

Smith conducted his own composition "The Round Table March" and the band and audience joined in the vocal refrain. Eighty-five-year-old "Biff" Bi-

ferno of Grand Rapids played the piccolo solo in the "Stars and Stripes Forever" march.

Misses Barrow and Law were presented bouquets of tulips by Mrs. Donald Sahver and Mrs. Willis De Cook of Holland.

Lou Frost of Grand Rapids, High Priest and Potentate of the Saladin Temple, was presented a pair of wooden shoes by William Du Mond, president of the Holland Shrine Club, and Willis De Cook of the Holland club.

The band presents a concert in the L. C. Walker Arena in Muskegon tonight. The band is composed of members from as far north as Muskegon and east to Albion. They present 11 concerts per year.

VFW Auxiliary Holds Meeting

Delegates and alternates to the department convention of the Veterans of Foreign Wars Auxiliary to be held next month in Lansing were named at a regular meeting of the local VFW Auxiliary Thursday evening.

Named as delegates were Mrs. M. De Kraker, Mrs. Peter Borchers, Mrs. John Sas, Mrs. Ben Roos and Mrs. Don Schaafma. Alternates are Mrs. Martin Kole, Mrs. Katherine Teske, Mrs. William Blank, Mrs. Clara Prins and Mrs. Lillian Vander Kolk.

In other business it was announced that 86 hours of community service had been reported since the last meeting. Mrs. William Zietlow, hospital chairman, reported that since November contributions to the Michigan Veterans Facility in Grand Rapids were valued at \$351.55. She also read a letter of thanks from Margaret Hartnecke, special service officer, for the hospital party provided by the local group last month.

Members voted to send a small monthly check to each of their two "adopted veterans" at the Facility who have no income whatever.

One new member was initiated into the group and memorial services were held for 16 deceased members of the auxiliary.

Lunch was served by Mrs. Ted Bos and her committee. The next meeting May 27 will be held jointly with the VFW Post. At this time officers will be installed and a potluck lunch will be served.

Linus C. Palmer who is superintendent of Kent county parks, and Mrs. Dick Smallegenburg whose late husband was park superintendent before De Graaf. The picture was taken in connection with the annual gathering of Michigan park superintendents during Tulip Time.

Three Hurt In Collision

Three persons were injured in a four-car accident at 12:30 p.m. Saturday on US-31 near 16th St.

Helen Shaver, 57, of Chicago, a passenger in a car driven by her husband, Charles, 60, was admitted to Holland Hospital for observation of possible head injuries. Hospital officials said her condition was good.

Released after treatment at Holland Hospital were Arthur G. Millard, 57, of Kalamazoo, driver of another car involved in the crash, and his wife, Leona, 53. Both suffered bruises and contusions.

Holland police said Millard struck the rear of the Shaver car, forcing it into the rear of a car driven by Hughlen D. Shatley, 32, of rural Zeeland. The Shatley car was forced into the rear of a fourth car, driven by Raymond K. Young, 32, of 4247 58th St., Holland.

Police cited Millard for following too closely.

Treat Three for Minor Injuries After Crash

Three rural Holland young men were treated at Holland Hospital for minor injuries suffered in a two-car accident at 12:40 p.m. Saturday on 120th Ave. near Fillmore St. in Olive Township. All were released after treatment.

Released after treatment were Glenn Hop, 20, of route 4, Holland, driver of one of the cars involved, Bernard Vander Zwaag, 20, of route 2, Holland, driver of the second car, and Vander Zwaag's brother, Glenn, 18.

Ottawa County deputies said Hop's auto struck the rear of the Vander Zwaag car. Hop was cited by deputies for failure to maintain an assured clear distance.

Barbershopping Draws Enthusiastic Applause

A full house cheered Holland's 19th annual Parade of Quartets Friday night in Civic Center, one of the entertaining highlights of Tulip Time festivals in which melodic harmony matches the grace of Holland's favorite flower.

And while the Schmitt Brothers of Two Rivers, Wis., paying another visit to the Tulip City, managed to outshine the other quartets, it was by no means a walkaway. But when they sang their final number, the all-time favorite Brahms' "Lullaby" in German and English, there was no question of maintaining their rank of International Champions.

Adding that comfortable glow to the program was that stellar emcee, Joe Schmitt, who proved years ago he was one of the best. Joe as usual joked about his weight, and brought the Holland crowd up on second generation statistics — 29 children among the four, compared with four the first time the Schmitts appeared in Holland in 1951. Through it all, he spun his own bit of homey philosophy, the joys of singing and the true appreciation of the good life in America.

The Schmitts retired several years ago, but have adopted Holland at Tulip Time, and their appearances year after year bring delight through their distinctive style of singing which runs the gamut of loud, soft, sweet, slow, fast, comedy numbers, religious songs, marches and novelties. Among Friday's selections were "Asleep in the Deep," "Alexander's Ragtime Band" and "The Animals."

"Musts" on local quartet parades are the Extension Chords of Grand Rapids and the Chord Counts of Holland, both received with the usual enthusiasm. A welcome trend for both quartets was a lighter touch on the comedy and a more serious note in selection of music. The Extension Chords' rendition of the sacred number, "My Task," proved a great crowd favorite.

As for the Chord Counts, they obliged with the longtime favorite which they had not sung for two years, "The Three Bells," to the great delight of fans in the audience. A new selection, "This Land Is Mine," from the score of Exodus was another crowd favorite.

A new feature on Friday's program was the appearance of "The Young-uns," a high school folk singing trio, plus playing guitars, lute, bass viol, banjo and recorder. The various moods of selected folk songs proved a pleasant contrast to barbershop singing.

Three new quartets appeared for the first time. The Kord-nators Quartet of Holland, organized only a short time ago, was the first quartet to appear, singing arrangements of familiar selections.

The Imposters of Highland Park, Ill., appearing as southern gentlemen, sang several Dixie medleys and brought down the house with "Standing on the Corner" from "Most Happy Fellow," returning with an appropriate encore of "Tiptoe Through the Tulips."

A change of pace came with the appearance of "The Spartans" of Grand Rapids, a quartet of sad sacks dressed as bums, singing the hilariously funny "When It's Lamplighting Time in the Valley" and going through a group of novelties and

gags that kept the crowd entertained.

The program opened with selection by the Windmill Chorus, mostly new arrangements exceptionally well done. The chorus was directed by Mike Lucas, setting off a chain of Lucas activities. Mike also appeared as lead in the Chord Counts. His brother Don sings lead with the Extension Chords and the young brother, Bob, appeared with the Young-uns.

The trophy for "Barbershopper of the Year" was presented to Ivan Hartgerink by George Moeke, president of the Holland chapter.

As is customary, the program closed with the Windmill Chorus and all quartets singing the barbershop theme song, "Keep America Singing," led by the composer, Willis A. Diekema of Holland.

Beechwood Guild Holds Meeting

Mrs. Gerrit Boeve and Mrs. James Town welcomed the 95 members and guests who attended the mother-daughter meeting of the Beechwood Guild for Christian Service Tuesday evening.

Devotions were led by Mrs. Vernon Webster. The program was arranged by Mrs. Leonard Van Liere and members of the Brandt Circle.

A quartet composed of Mrs. Julius Tripp, Mrs. Russell Van Til, Mrs. Bernard Rowan and Mrs. Nelson Hoffman, accompanied by Mrs. Margaret Plaggenars, sang two songs. Mrs. Harold Dirke and her daughters, Kathy, Patty, and Linda presented "Tip Toe Through the Tulips."

Mrs. Donald Elenbaas was the speaker for the evening. She dedicated the meeting to Mrs. Fenna Wehrmeyer, a member of the Guild, who has been a shut-in for several months.

Mrs. Glen Timmer offered a tribute to mothers and presented corsages to Mrs. Dick Dirke, Mrs. Albert Borgman, Mrs. Rodney De Kraker, Mrs. Lena Kamper, Mrs. Harold Dirke, and Mrs. H. Zylstra as special guests of the guild.

Mrs. Joe Boomker presided at a brief business meeting.

Expansion Set at Bohn Plant Here

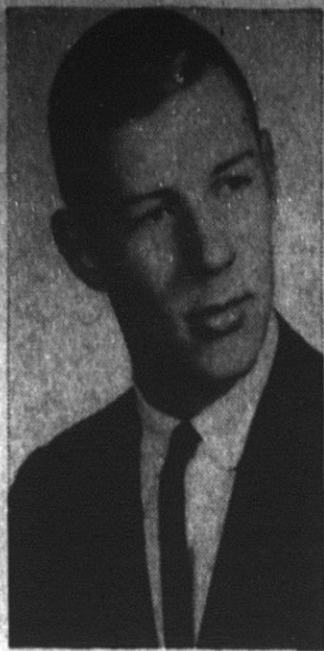

DETROIT — Terry W. Kuhn, president of Bohn Aluminum & Brass Co., Friday announced an expansion in excess of \$1 million at two of Bohn's plants in Danville, Ill., and Holland, Mich.

Bohn's Holland facility produces aluminum trim and fabricated products for a variety of industries.

Paul Disser, plant manager for the Holland plant, said the expansion will add 18,000 square feet. Work is scheduled to start this summer and be completed in the fall. The Holland plant currently employs 260 persons.

The Holland program involves additional operating and storage space plus installation of new machinery and equipment. The expansion will mean a gradual increase in personnel.

Detroit officials of Bohn said continuing growth of the aluminum fabrication business prompted the expansion move in the two cities.

Visiting Violinist Thrills Festival Concert Audience

An appreciative audience gathered in Dimment Memorial Chapel Thursday night for the Tulip Time concert by the Hope College Orchestra with Charles Castleman, violinist, as guest artist.

Highlight of the program was the Brahms "Concerto in D major for Violin and Orchestra," a classical favorite, in which the visiting artist performed brilliantly, blending excellently with the orchestra with Dr. Morrette Rider as conductor.

Charles Castleman displayed the violin techniques which have carried him into the top ranks of the profession. He has earned degrees from Harvard College and the Curtis Institute of Music and has appeared as soloist with the New York Philharmonic, the Philadelphia Orchestra and other leading orchestral groups.

The orchestra opened the program with the contemporary number "Of New Horizons" by Ulysses Kay, one of the guests at the highly successful Fine Arts Festival on campus two weeks ago on the theme "The Negro and the American Culture."

Thursday's concert was the fifth and last concert of the orchestra in Holland. During

the season, this orchestra and its smaller division known as the Hope College Symphonette presented 20 concerts in Michigan and northeastern United States.

Other selections of the orchestra were Adagio for Symphony Orchestra (1964), Theron Kirk, and five Elizabethan Dances (1958) by William Alwyn.

The orchestra's repertoire this year has included many contemporary numbers plus its well-grounded works of the Bach-Beethoven-Brahms school.

Ricky Mc Kinney Marks First Birthday at Party

A birthday party was held Wednesday evening for Ricky Mc Kinney, one year old. The party was given by his mother, Mrs. William Mc Kinney, at their home on route 1, East Saugatuck.

Present for the occasion were the child's great grandparents, Mr. and Mrs. Ed Hofmeyer and Mr. and Mrs. James Tyink; his grandparents, Mr. and Mrs. James Hofmeyer. Also present were Mr. and Mrs. Randy Hofmeyer and Dawn; Eddie Hofmeyer and Miss Karen Brower.

Dancers Perform To Carillon Music

The Klompen dancers were at their usual posts for the usual 7:15 p.m. performance Thursday. The usual cue, "step-brush-hop lines, girls," was given but the usual recorded accompaniment was replaced by live music on the Dutch mobile carillon by Prof. Wendell Westcott of Michigan State University.

The unique accompaniment was as much a surprise for the girls as it was for the spectators. The dancers were not aware of the carillon accompaniment until Mrs. Barbara Ambellas announced over the loudspeaker they would be dancing to the bronze bells.

Prof. Westcott said he had received a tape of the music earlier but could do nothing without the actual music. On Wednesday, he received the music and followed the score to see if it would conform with the dancing since there were "thousands of repeats."

After this first exposure to the music, he sat down and began arranging the music for the carillon. He did not complete the arrangement until one-half hour before the performance Thursday. He played it for the first time accompanying the actual dancing.

Prof. Westcott said he knew he was playing too fast after the first few measures but his problem was how to slow it down smoothly. He said he anticipated hearing the sound of the wooded shoes to assist in keeping the beat but he heard nothing at all. He laughingly remarked, "I thought they all quit."

The dancers might have had their difficulties but all met it with fun. Toward the end of the dance when the tempo was too fast, the girls laughed through their dance steps and had the best time.

In spite of the surprise and difficulties, one observer, Charles Kohler of the Verdin Bell Foundry which designed and constructed the mobile carillon, said the dance steps all appeared to be synchronized.

Prof. Westcott, who was born in Southern Michigan, was graduated with the highest rating ever from the carillon school in Mechelen, Belgium. (Royal Carillon School "Jef Denyn") He has arranged over 2,000 pieces of music for the carillon and has composed about 25 original pieces.

He said the carillon, a Dutch instrument, stands strong today in Dutch culture. A symbol of the people, they are used in connection with civic activities and the position of carillonneur is a municipal one there.

The carillons built before the 19th century are Dutch national monuments and if a bell is to be recast for tuning, permission is first required from the government.

Holland Man, Daughter Hurt in One-Car Crash

A rural Holland man and his two-year-old daughter were treated at Holland Hospital Thursday evening for injuries received in a one-car crash on U.S.-31 one-fourth mile north of the M-21 Underpass.

Arthur Ogden, 34, of 5331 136th Ave., was treated for lacerations of the head and fractured ribs, while his two year old daughter, Lisa Ann, a passenger in the car, was treated for multiple lacerations on the face. She was admitted and is in good condition.

Ottawa sheriff deputies said Ogden was traveling south on U.S.-31 when his car went out of control and left the roadway, traveling 284 feet and finally striking a tree. Ogden's car was totally demolished.

OH, SO PROUD! — A particular delight to Tulip Time visitors this year was the Children's Parade Thursday in which 5,000 youngsters, most of them in Dutch costumes and some in band uniforms, marched proudly in their very own parade. Here

are a group of younger children of kindergarten and first grade size marching down Eighth St. Parade leaders learned years ago that the best way to keep tiny moppets in straight lines is to give them a long pole to guide them. Wooden

shoes are not encouraged in this parade because youthful feet have not been conditioned to the rigors of the experienced klompen dancers.

Windmill Island Film Shown Here

The first public showing of film in connection with Holland's Windmill Island project was held Monday night in City Hall for members of the Windmill committee, City Council, Windmill Island employees and heads of city departments.

The film which covers negotiations in the Netherlands, the selection of Windmill De Zwaan at Vinkel, the dismantling, arrival at Muskegon and Windmill Island developments covered about 3½ hours. This film will be edited into a 30-minute film documentary suitable for television, club programs and general promotion. City Council contracted for the film with Time-Life through the facilities of WOOD-TV in Grand Rapids.

Monday's preview also served as a farewell for Arie de Koning, noted Netherlands architect and technical consultant of the Dutch Windmill Society, and for Mr. and Mrs. Jan Diederik Medendorp, who are leaving Holland today for the Netherlands. Medendorp, Dutch millwright who supervised the restoration project here, expects to return later for the remainder of the summer. He has been serving as miller for Windmill De Zwaan.

A highlight of the evening was the intermission presentation by de Koning of an artistic scroll covering the transfer of Windmill De Zwaan to Holland. The scroll was authorized by the Dutch Windmill Society and signed by several high Dutch officials who had been helpful in the transaction. It was accepted by Carter Brown, originator of the idea to have an imported mill in Holland, on behalf of the Windmill Committee.

The uncut footage had no sound track, and Willard C. Wichers, coordinator for the entire project, explained many points of interest in the Netherlands pictures. He and Medendorp appeared in many sequences, the latter in countless dismantling scenes, many of them with Dutch Frisian cattle looking on as sidewalk superintendents.

Dutch scenes were taken at Schiphol airport, in Arie de Koning's office, in government offices, in rural areas and city scenes, at the De Zwaan site, plus many pictures of Windmills of various types including the series of polder mills. There also were pictures of the open air museum at Arnhem and the drawbridge after which the bridge on Windmill Island is designed.

Local pictures covered the project from the very beginning, the first work on site preparation, removal of dead elms, driving the big piles on which the mill rests, the brick base, the digging of canals, preparation of dikes, the placing of first structural frames, the planting of tulip bulbs, and the colorful dedication in which Prince Bernhard of the Netherlands and Gov. George Romney participated.

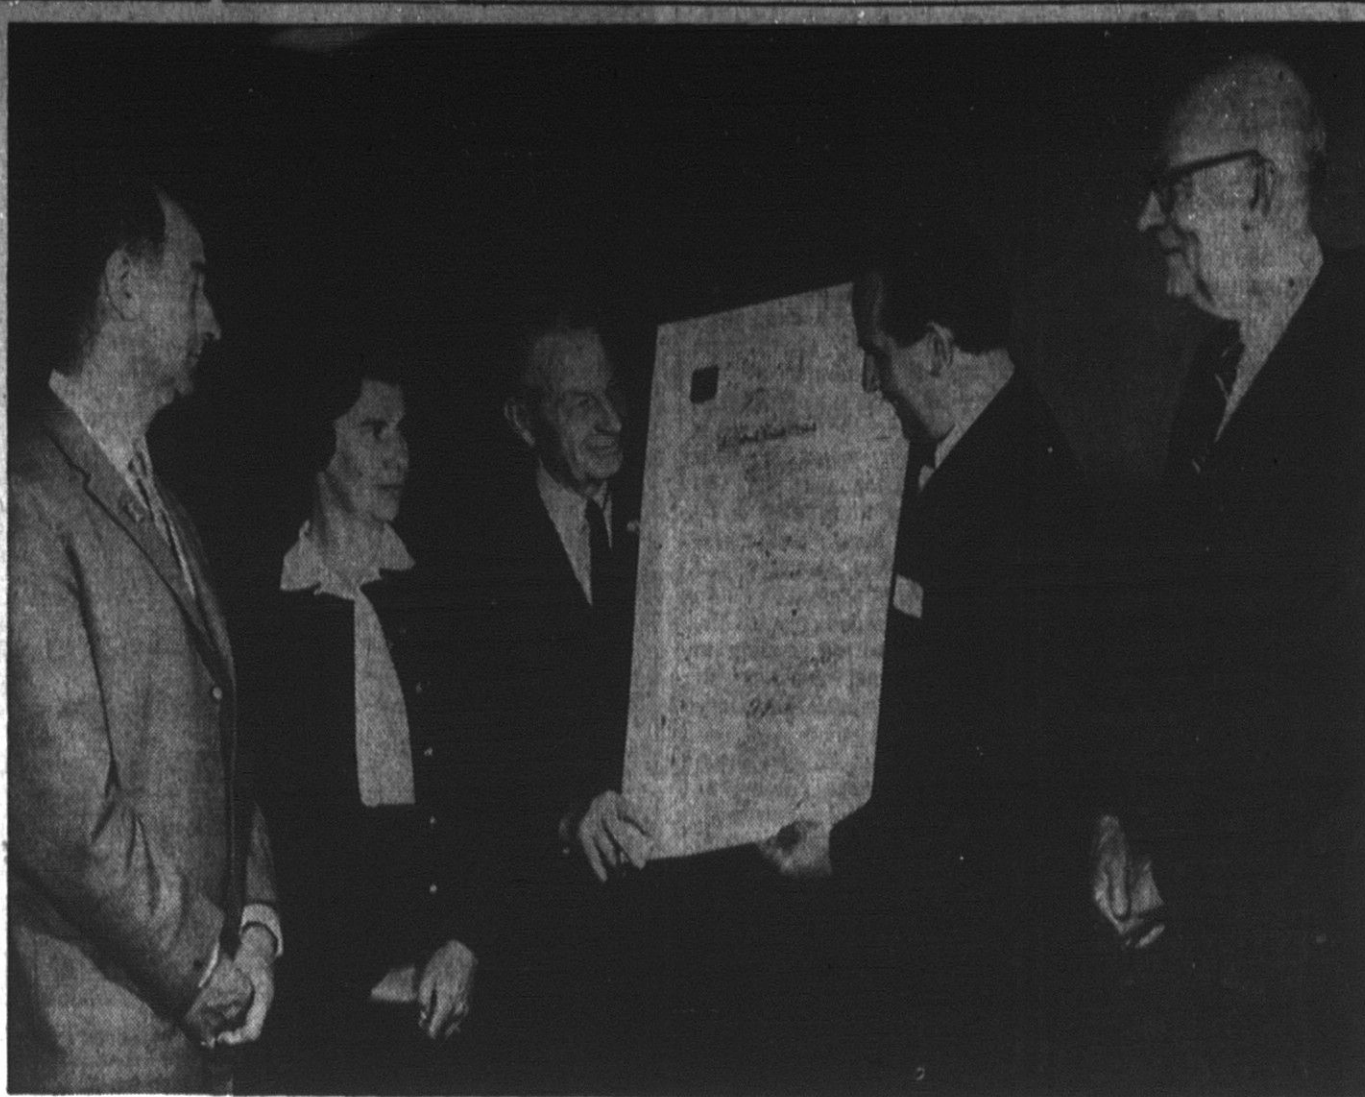

There also was opportunity to ask questions and have authoritative answers from the Windmill experts, Diek Medendorp and Arie de Koning.

For instance, at optimum speed, Windmill De Zwaan can turn 20 complete revolutions per minute. It takes considerably more wind velocity to turn the sails when it is grinding grain than when it just turns in gear. For this purpose, canvas sails are attached to the huge wings to get full benefit of the wind. When building a mill in the Netherlands, one did apply for a building permit; he applied for wind rights.

People attending Monday's preview also learned that a miller can get 98 pounds of flour from 100 pounds of grain.

West Ottawa Swimmers Lauded by Legislature

West Ottawa's victory in Michigan Class B state swimming championship has reached the Michigan legislature and a concurrent resolution of praise has been given to the Panthers.

State Sen. Harold Volkema of Holland and State Rep. Melvin De Stigter Monday were at West Ottawa High School to present the resolution.

The resolution, offered by De Stigter and Volkema, reads "A concurrent resolution of praise for the West Ottawa High School Panthers in the 1965 Class B state swimming championship."

"Whereas, justifiably jubilant are the 'Panthers' of West Ottawa High School for their coronation in the 1965 Class B State Swimming Championship, for they won the crown for the first time, on March 20, 1965 at Ann Arbor; and

"Whereas, The swimming team was formed only three years ago; in their second year the 'Panthers' achieved second place in the championship contest, and this year in capturing the title the entire squad participated, scoring 185 points — an impressive performance; and

"Whereas, The achievements of the West Ottawa High School 'Panthers' Swimming team are founded on depth training — only one event this year being without a 'specialist' on the team. The team's superior

sportsmanship and perseverance, demonstrating a great sense of responsibility and every members' willing sacrifice, demanded by discipline to attain their skills, combined to win their goal — a praiseworthy triumph of the American ideal; now therefore be it

"Resolved by the House of Representatives (the Senate concurring) That the Michigan Legislature proudly commend the West Ottawa High School 'Panthers' upon winning the 1965 Class B State Swimming Championship, and offer congratulations to each individual contributing to the Team's success; and be it further

"Resolved, That copies of this resolution of sincere tribute be transmitted to the 'Panthers' Swimming Team and their supporting members as listed herein.

Maxson Trial Is Postponed

GRAND HAVEN — The scheduled Thursday Circuit Court trial of William Maxson, 32, of Chicago, charged with breaking into a church safe in Holland last December, has been postponed, Ottawa County Prosecutor James Bussard said Tuesday.

Bussard said attorneys for the defense were appealing to the Court of Appeals a decision last week by Judge Raymond L. Smith denying a motion to suppress evidence against Maxson and Joseph Sansone, 27, also of Chicago, charged with burglarizing the Faith Christian Reformed Church safe in Holland last Dec. 21.

Separate trials had been ordered for the pair, with Maxson scheduled to appear Thursday and Sansone during the July term of Circuit Court.

Bussard said the appeal would probably take about six weeks. Attorneys for the defense claim that evidence against the two Chicago men was obtained in violation of their rights.

School Districts Receive Grants

WASHINGTON — Three West Michigan school districts are among the 1,658 Project Headstart programs announced by the White House Monday for Lower Michigan outside Wayne county.

They are Allegan County Re-

source Development Committee, Inc., Allegan, 18 children, one center, \$3,819; Board of Education, Fennville public schools, 35 children, one center, \$7,530; and Holland Board of Education, 30 children, one center, \$4,050.

The Holland Board of Education office said today it had cancelled the program and notified Washington last week of the move.

President Johnson explained in a ceremony in the White House rose garden that the project will prepare underprivileged pre-school children physically and mentally to enter classes next fall on a more nearly equal basis. First grants to local organizations carried \$62.3 million to inaugurate the project as part of the President's war on poverty.
