Picture by C. H. Geerlings.
As a young girl she joined Hope Church, and during her forty-three years in Yonkers was an active member of Park Hill Reformed Church, she especially concerned herself and was active in missionary work as long as her physical condition permitted. On her return to Holland she, with her husband, rejoined Hope Church.

All her life she was a diligent student of the Bible which was her complete guide for Christian living. After pondering and accepting the precepts for right living her faith was unshaken. Not a crusader, she was simply concerned about her own spiritual life and that to her was supremely important. In this way she felt she could do her part in combating the Godless ideologies of today. It was her good fortune to be born with some of the characteristics of her pioneer grandfather. Her keen intuitional mind gave her clarity of vision and expression that drove her unerringly and straight to the point. On an occasion when she and her husband were doing the "World of Tomorrow," New York's World Fair, her husband was at a loss to find a certain building. She quickly set him aright saying with her characteristic warm humor, "I'm never lost in the world of Tomorrow." Ever courageous, she did not know what fear was. When asked wasn't she afraid to be alone in that big house on the hilltop, her ready response was, "I'm never alone— I'm always with my God in whom I live and move and have my being." Whenever she faced a crisis, uncomplainingly and without resentment her immediate reaction was, "God perhaps is trying to show me something"; then she might quote Dr. Van Raalte who upon being forced to make a decision contrary to the wishes of his consistory in connection with a revival in 1865, said "... I lay my hand on my mouth and pray."

In the late years when her sight dimmed, she enjoyed listening to the radio and oral reading, and for hours would sit folded in thought and memories, never complaining but patiently, hopefully bidding the coming of the Bridal. Her wish was consummated on November 28, 1952, five days after her 79th birthday. Surviving her are her husband; her son Orlando S. II, of Pleasant Ridge, Michigan; her brother Ben Van Raalte of Holland; six grandchildren and two great grandchildren. Her funeral service was conducted by Dr. Marion de Velder and Dr. Edward D. Dimment. She rests in Pilgrim Home.
Hope Men In Science

Frederick F. Yonkman '25 has been elected vice-president in charge of research by the Ciba Pharmaceutical Products, Inc., board of directors.

Fritz has been director of research at Ciba under Dr. Ernest A. Oppenheimer since 1945. Dr. Oppenheimer is retiring January 1 after nine years in this post. He will continue as a consultant.

Before joining Ciba in 1945, Fritz was head of the Wayne University medical school department of pharmacology.

Dr. Yonkman is the leading authority on the relation between the sympathetic nervous system and high blood pressure. His appointment coincides with the successful conclusion of a 13-year search for a drug that would control high blood pressure—No. 1 killer of persons past middle age—by slowing down overactivity of the sympathetic nervous system. Apresoline, Ciba's development for such treatment, was introduced in April and has been accepted by the medical profession as the most effective, safe drug yet discovered for lowering blood pressure.

Fritz received his M.D. from Boston University school of medicine and started graduate work in experimental biology at Yale University but transferred to the University of Iowa where he earned his Ph.D. in 1928.

He is on the teaching staff of the college of physicians and surgeons. Columbia university, is a director of the American Pharmaceutical Manufacturers association and a member of more than a dozen medical and scientific societies. He has published more than 100 articles in medical and scientific journals.

He has been a member of the postgraduate teaching staff of the University medical school and of the Gordon College, Boston, Mass., faculty.

Mrs. Yonkman is the former Janet Albers '25. Fritz and Janet have a daughter, Gretchen, on the campus now as a Junior. Fred graduated last June and is now a private in the Army at Fort Leonard Wood, Missouri. Johnnie is still in elementary school.

COMMENCEMENT DATES
By Clarence Klaas '10

To the casual observer a college calendar as published in the annual catalogue appears to be a matter of extreme simplicity. Usually all other programs and projects can easily be correlated with this calendar. Proper attention is given to such matters as inter-collegiate relationships in athletic schedules, practice teaching arrangements with the Public School system, the inclusion of holidays in the vacation periods and avoidance of conflicts with well established programs of the community or denomination of which we are a part.

The college calendar for 1952-53 was adopted in time for inclusion in the February issue of the college bulletin. At the meeting of General Synod R.C.A. in the following June the selection of dates for their 1953 meeting was left to the president and stated clerk of Synod. The dates chosen by them resulted in an unfortunate conflict between the annual meeting of Synod and the Hope College Commencement schedule. This was the more regrettable because in June 1952 for the first time Hope College had adopted a new schedule with the baccalaureate service on Sunday afternoon and the commencement program on Monday morning. This change from the old traditional program had been made after very careful study and was very favorably received.

After careful and extensive deliberations, first by the calendar committee, then by the faculty administrative committee and finally by the student-faculty executive committee it was decided that for this year only the former program of activities should obtain. Hence for June 1953 the adjusted calendar is as follows: June 7, Sunday, Baccalaureate; June 9, Tuesday, Alumni convocation; June 10, Wednesday, Commencement.

1942. Dr. William Tappan who has just completed 5 years of postgraduate work in surgery at the University of Michigan medical school is now associated with Dr. Kenneth Maclean in the practice of surgery at Reno, Nevada. He and Mrs. Tappan and their two sons, William Ross, 3, and John Manning, 3 months, left Ann Arbor for Reno late in November.

1926. Jacob Geerling is a member of the American Editorial Board for the International Greek New Testament, a new edition of the manuscript evidence, now being prepared conjointly by committees of scholars in America and in Great Britain.

1931. The Ralph Posthuma's of LeMars, Iowa, lost a 6 year old son in August, victim of polio.

PICTURES OF PRESIDENTS

Of interest to the alumni will be the announcement of Miss Mildred Singleton, College Librarian, that the portraits of the founder and first 4 presidents of Hope College have been cleaned and replaced in the college library.

The portraits of Dr. A. C. Van Raalte, founder of Hope College, Dr. Philip Phelps, First President, Dr. Charles Scott, Second President, Prof. Gerrit J. Kollen, Third President and Dr. Ame Vennema, Fourth President, are now hung on the North wall over the book shelves. The windows of the south wall over which they used to hang have been restored.

HOPE ORCHESTRA HONORED

A new textbook published by the American Symphony Orchestra League entitled THE COMMUNITY ORCHESTRA contains several pictures of the Hope College Orchestra along with an article on its development and operation. The Hope orchestra was the only organization mentioned coming from a relatively small liberal arts college, the book concerning itself primarily with semi-professional orchestras and those from large conservatories or university schools of music. The orchestra was cited primarily for its work in personnel development and community cultural relations.

1921. James P. Hoekzema '21N is now the county agricultural agent for Ingham County, Michigan. He was formerly agricultural editor in Huntington, Indiana. Address: 1161/4 W. Sycamore Street, Mason, Mich.

Dr. Gerrit Van Zyl '18, A.B., M.S., Ph.D., Prof. of Chemistry at Hope College, and Charles Wimmer, dean of Hamline University and Prof. of Chemistry, on the occasion of Dr. Van Zyl's being presented an honorary degree from Hamline University, St. Paul, Minnesota, October 17.

Three degrees were presented to men who have a reputation of success in training scientists who continue in graduate school. They were selected as among the best in their fields from the small liberal arts college. Besides Dr. Van Zyl, Dr. Hubert Baker Goodrich, professor of Biology at Wesleyan University, Middletown, Connecticut and Dr. Duane E. Roller, professor of Physics at Wabash College, Crawfordsville, Indiana, were presented with degrees.

WILLIAM N. BIRCHBY '99 RETIRES

William N. Birchby, assistant professor of mathematics at the California Institute of Technology, retired October 1 after 34 years at the Institute.

Prof. Birchby won much praise during his career at Caltech as an examination-designer in mathematics. His programs for testing the knowledge of students are rated as excellent, not only by his own division but by the entire Caltech faculty.

Prof. Birchby had done research and written a number of papers in his field of analysis in mathematics. He also wrote a paper on interferometer work in physics, which was published in two parts in the Proceedings of the National Academy of Sciences.

Born near Manchester, England, he came to the United States with his mother as a small boy. He attended schools in Michigan and Colorado. After receiving his A.B. from Hope in 1899 he went to Colorado College where he received the degree of Master of Arts in 1903.

He was an instructor at Colorado College and a summer instructor at the University of Southern California before joining the Caltech faculty in 1918. He has been active on the latter campus as assistant registrar, and on the committees on freshman registration and admission to upper classes.

Prof. and Mrs. Birchby live at 1508 Sinaloa Avenue in Pasadena. He plans to indulge in his hobby of gardening and to continue study on certain mathematical problems.

This means three straight league championships in the Tri-C circuit which includes Olivet, Portland, Diamondale, Nashville, Lake Odessa, Vermillion and Woodland.

It will be remembered that Gord was an all-around athlete at Hope. He earned three major letters in basketball and three in football while on the campus besides the citation as all-MIAA end.

LEAVING FOR INDIA

Blaise '42 and Marian Korteling '47 Leva with their tiny daughter Lynda Lor- raine will leave the United States in January, 1953, for mission work in South India.

Marian, who received her M.D. from the University of Michigan, will practice medicine as her mother Anna Winter Korteling '19. Mrs. Korteling has been active in medical work in India for over 25 years. Marian's father, Ralph G. Korteling '19 has been an evangelical missionary in our South India mission for a quarter of a century.

Blaise spent three years in India after completing his theological training at New Brunswick Seminary in 1946. He has since received his master's degree from the University of Chicago and his Ph.D. from the University of Michigan. While in residence at Ann Arbor he served as pastor of the University Community Chapel at Willow Run. Blaise plans to continue his evangelistic work.

Chapel Choir Prepares for Big Spring Tour

For the first time in the history of the school, the Hope College Choir will supplant the men and women's Glee Clubs as the choral group to make the annual Spring vacation tour. Leaving Holland on March 31, this seventy-voiced mixed choir will move eastward, presenting several concerts enroute to New York City, and will be featured as the guest choir at the Easter Sunrise Services in Radio City Music Hall. Several more appearances in the New York City vicinity and up-state New York will follow, and the two busloads of musicans will return to Holland April 11, after a strenuous concert schedule of eleven appearances in the twelve-day tour.

Behind this new venture in presenting Hope and its fine music department to its friends and constituents in the East, is an interesting story. For a number of years, members of the music staff have expressed the wish that sometime the great sacred, choral literature written for mixed voices, as interpreted by our chapel choir, could be heard by the many people throughout the Reformed Church and Hope alumni who have for a number of years enjoyed the concerts of our Men's and Women's Glee Clubs. But the obstacles to putting on tour a mixed group the size of the glee clubs always seemed too great. Then, too, the Glee Clubs had established such a reputation among our churches, there was such a constant demand for their appearances, and the engineering of the tours was so well in hand after years of experience, that there was a very real reluctance to tamper with what one minister described as the "finest public relations project of the college." So the idea simmered for several years.

Then last February the chapel choir, ninety strong, was invited to take part in the Michigan Intercollegiate Choral Festival held at Kalamazoo. The braves that accompanied its performance there and its stirring concert as part of Tulip Time festival last spring caused the idea to revive. When, early last September, a letter arrived from the Protestant Council of Greater New York, inviting the choir to participate as the featured guest choir at the Easter Sunrise Services in Music Hall, (Continued on Page 13)

This will be Edward Viening's fourth participation in the production. A cellist and Holland senior, he is a religious education major and intends to enter the ministry. At left is the Hope Memorial Chapel tower.

"Messiah"
It Takes Many Hours of Work and Singing

By CLYDE H. GEERLINGS
Special to The Herald

During the Christmas season a hundred thousand musicians, professional and amateur, will present to countless millions in a thousand cities and towns in this country and in a thousand more throughout the Christian nations of the world, a performance of a piece of music that required only twenty-three days to compose and four and one-half hours to sing if produced in its entirety. George Frederick Handel's "The Messiah" is celebrating its 210th year of popularity since it was written in 1742 by a German-born, Italian-schooled and English-acclaimed man after the music critics of his time had deemed him "through."

Typical of the organizations presenting this best loved of all oratorios is the 250 voice Messiah Chorus and orchestra at Hope College in Holland. This non-professional choral society has been heard by more than 30,000 music lovers in the West Michigan area since it was organized 23 years ago by the late Prof. W. Curtis Snow, then head of the Hope College Music Department.

In 1929 the oratorio was presented as part of the year's repertoire of the Holland Civic Chorus, of which Prof. Snow was the Director. And it so remained until 1946 when it became a joint project of the Hope College Choir and the A Capella Choir of Holland High School.

Through these years it was truly a community enterprise in character. Although most of the participants were students, local interested citizens were welcomed and the presentation was under the direction of members of the music faculties of both Hope College and Holland High School including Trixie Moore, Eugene F. Heeter and Prof. Kenneth Osborn.

Since 1946 the chorus has been directed by Prof. Robert W. Cavanaugh, Chairman of the music faculty at Hope, and in 1948 it became a college production with the exception of the orchestra which enlists several members from the high school music department.
Special practice rehearsals of ensemble groups are held often during "The Messiah" season. Above, members of the string section got together for a couple of hours to work on the accompaniment for the Hallelujah Chorus. They are (left to right): Bette Hoiman, sophomore from Holland, Jean Wierenga, junior from South Haven, Carol Boyd, sophomore, Boonton, N.J. At this time of the year campus "chatter" includes "The Messiah." At right above, Prof. Albert Lampen, head of the mathematics department at Hope, tells Wilma Beets (left) and Marcia Veldman, both freshman students from Grand Rapids, about the history of the oratorio as presented for the past 24 years on the campus.

"The Messiah" chorus which will present Handel's "The Messiah" for the 24th consecutive year on the Hope College campus is made up of students who may be majoring in music, but for the most part are following other fields of endeavor. They sing just for the fun of singing.

Heart of the entire chorus is the 70-voice Hope College Choir. Performing with professional precision this group of young men and women will travel to New York City next spring to participate in a nationwide broadcast in Radio City at the annual Easter Sunrise Service and will give concerts in Rochester and Schenectady, N.Y., along the way.

The other 130 voices making up the 200 voice chorus are drawn from the student body at large. According to Prof. Cavanaugh no qualifications are necessary to become a member. It is an attempt on the part of the music department to encourage all students who like to sing, but who have no desire to enter music as a career.

Pre-medics, pre-dental students, business administration majors as well as others interested in English, History or Political Science put in 10 strenuous weeks each year of their campus life to make the Christmas season classic a success. Gordon Webster and William Bouwer of Grand Rapids are preparing for the ministry, while Lois Tornia also of Grand Rapids expects to make dental hygiene her life work. All, as well as 60 other Western Michigan students, are a part of the Messiah Chorus.

The big thrill which comes to each member four times during his college life is the evening of the performance, which this year will be Tuesday. The chorus will be robed while the members of the orchestra and soloists will be in full dress. The four lead roles will be taken by musicians of national reputation, authorities in the understanding of the oratorio. This year's artists include Grace Ravesloot, soprano of New York; Nora Conklin, contralto of Toronto, Ont.; John Toms, tenor of Evanston, Ill.; and Russell Skitch, bass of Toronto. Some of the artists who have been guests in the past include: Nancy Carr, soprano and Robert Speaker, bass of Chicago; Helene Heelman, contralto of Chicago and Grand Rapids; Harold Haugh, tenor of the University of Michigan and Thelma Von Eisenhauer, contralto of Detroit.

In a production as large as this, which includes only one last minute rehearsal with the principal soloists, there are many possibilities for "things to happen."

Prof. Cavanaugh recalls that one time a soloist began singing the wrong recitative. In two of the arias the introductory measures are identical and the artist singing the complete oratorio from memory didn't know which aria to sing and chose the wrong selection. Another principal brought the wrong dress shirt for his tails and had to hold a book over a gaping area throughout the performance.

Two years ago a near-complete electrical power failure in the City threatened to stop the production. A cooperative Board of Public Works channeled the current from the one remaining generator to the section of Holland which included the college campus until "The Messiah" was concluded and then resumed the parceling out of power to the various sections of the City.

Asked if he believes that "The Messiah" will continue to be as popular as it has been in the past, Prof. Cavanaugh said, "This oratorio is good music. If you believe as I do that the best in most things live, then there is certainly reason to believe that the "Hallelujah Chorus" by Handel will be just as stirring 210 years from now as it was when King George II of England rose to his feet on hearing it and the assemblage with him to do honor to a great composer."

...Most Beloved Christmas Music
At the annual alumni dinner in June, 1947, Dr. Otto van der Velde ‘15 presented the report of a special alumni committee. The proposal of the committee was to encourage alumni gifts to the college for special and general purposes. By establishing a Centennial Fund all alumni gifts are credited to this over-all fund—gifts made by alumni for whatever purpose, science, scholarship, debt retirement, etc. It is the goal of this committee that this fund should reach a Million Dollars by the Centennial year—1966.

We thought it would be of interest to the readers of the alumni magazine to publish the results of the progress of this fund up to December 1, 1952. At the time of the proposal of the fund, it was decided that all alumni gifts to the Science, Equipment and Library Fund, then in progress, should be included which in several cases made it retroactive. To date included in the Centennial fund have been gifts to three funds: Balance the Budget fund of 1949, Gym fund, Archives fund, Emergency fund of 1952, Centennial fund, Durfee Dormitory fund, Scholarship fund, Alumni fund, Debt Retirement fund, Individual Donations, class gifts and area gifts.

The total gifts credited to this fund to date amount to $68,909.58. The special Centennial Committee that proposed the Centennial Fund proposed also different degrees of membership. By accumulated gifts or single donations of specified amounts, members would attain different degrees of membership. Initiates are those whose total gifts amount to $100.00; Associates have reached the $500.00 mark, Fellows, the $1,000.00 station and Honor Members, $5,000.

We are presenting the list of those in these membership classes, and those who have started on the road to a particular goal. We are presenting the list of donors, together with the amounts by classes.

Gifts not collected by Hope College such as those to the Roll Call, Synod, United Advance are not included since the individual donors are not known.

**CHAPEL CHOIR PREPARES FOR BIG SPRING TOUR**

(Continued from Page 8)

The decision was finally reached that possibilities of an Eastern tour should be explored. The enthusiastic response of a number of the larger churches and groups to inquiries led to the final decision.

Incidentally, the news of the possible trip caused so much interest in the choir, that over 200 students tried out for membership, and a second choir, called Chanted Choir, with a membership of 120 voices, was established to meet this interest.

The itinerary of the spring tour is as follows: The two Greyhounds will leave Holland, Tuesday, March 3, and stop overnight in Hamilton, Ontario. Wednesday evening the first concert will be held in First Presbyterian Church, Auburn, New York. Friday evening the choir will be in the First Reformed Church of Tarrytown, and then move to New York City Saturday for rehearsals. Easter Sunday will be a big day. Following the Sunrise Service in Music Hall, the choir will appear in Middle Collegiate Church and take part in the 11:00 o'clock service that evening. During that evening they will participate in the service at the Fort Washington Collegiate Church. On Monday evening, April 6, they will present a concert at the First Protestant Dutch Church of Flushing, Long Island. Tuesday they will appear in the Second Reformed Church, Hackensack, New Jersey; Wednesday five churches of Clinton and surrounding area will have the appearance of the Bethel Reformed Church of Passaic. Thursday they will sing in the Second Reformed Church of Schenectady. On Friday they will conclude their tour, performing in a concert at the University of Rochester auditorium, Rochester, New York.

Directing the choir will be Professor Robert Cavaughan, Chairman of the Department of Music. Accompanying him on the tour as associate director and chaperone will be Mrs. Curtis Snow. The piano and organ accompanists, all members of the choir, will be Arlene Ritsema, Betty Schepers, Jane Vander Velde, Alice Hilmar, and Kenneth Louis.}

ANN ARBOR MEETING

About 45 Hope College alumni and friends from the Ann Arbor vicinity enjoyed a dinner meeting on Friday, November 7 at the Congregational Church. The invocation was given by Rev. Henry Colenbrander who is doing graduate work at the University. Following a delicious ham dinner Roy Runnels acted as toastmaster. Since this was the first Ann Arbor meeting to be held those attending introduced themselves and told what they were doing in Ann Arbor.

We were pleased to have with us for the evening Mr. Clyde Geerlings who led group singing accompanied at the piano by his wife. He also showed movies and explained the plans of the Michigan Colleges Foundation.

Dr. Laurence Vredevoe of the Bureau of School Services at the University gave greetings from Ann Arbor and recalled with us memories of Hope. After the planned part of the meeting was over, acquaintances were renewed and plans were started for future informal get-together in the spring.

Among those attending were Bob and Harry Visscher, Norma Hoffman, Russell Van Dyke, Bill Van't Hof, Rev. and Mrs. Bla Levai, Carl Klaasen, Dick and Ruth Nieuwema, Al and Karyl Van Zyl, Betty and Walt Boerman, Claire and Ano Vander Kolk, Carolyn Ingham, John Van Eenennaam, Jack Vander Veld, and Mrs. Gerald Bonnette, Mrs. Laurence Vredevoe, Bob Ozinga, Bob Burton, Mike De Young, Bob Albers, Frank Beach, George Hoeckstra, Jim Klompens, Dick Huff, John Luidens, and Kamil Muktar.

WISCONSIN HOPE COLLEGE CLUB
Rose Winstrom Muilenburg ’44

Scenes of various campus activities and Hope banners reminiscences of our college days decked the room of the YWCA in Milwaukee to make an appropriate setting for our alumni meeting. Thirty-four alumni and friends of Hope College met November 18 to renew old acquaintances, welcome new members, and to learn about the current conditions at our alma mater. After chatting with friends we were seated at gaily decorated tables for our dinner.

Harold Wiers ’24, presided over the business meeting which followed. Introductions and fitting remarks were made; letters from other alumni were read by Mildred Ramaker ’26. Changing our name from the Milwaukee Chapter to the Wisconsin Hope College Club was one of our main topics of business. Officers for the ensuing year were elected. They are as follows: President, Kenneth Hyink ’29; Secretary, Rose Winstrom Muilenburg ’44; Treasurer, Marrett De Groot Poppe ’24.

Of course no meeting would be complete without the inimitable Clyde Geerlings ’27 and Ardean Van Arendonk Geerlings ’27 who led us in some lively group singing. A film produced by the Michigan Colleges Foundation was shown by Clyde. John Ver Meulen ’24 told us about the progress of the foundation and answered many questions stimulated by the film.

After the singing of more Hope songs, we bid our farewells, looking forward to our annual meeting next year.

Jean Brondyke Droppers ’52, Bill Ten Haken ’17, Neil Droppers ’52, (Wisconsin).

Necrology

ANTHONY VAN WESTENBURG

The Reverend Anthony Van Westenburg was born in Grand Rapids, Michigan, on March 3, 1894. He was educated in the public schools there, and graduated from Central High School in 1912. He received an A.B. degree from Hope College in 1916, and served as principal of the Hull, Iowa, high school for one year. He graduated from the New Brunswick Theological Seminary in May, 1920, and was ordained in June of that year in the North Reformed Church of Newark, New Jersey, which he served for four years as assistant minister.

In 1924 he became the 17th minister of the First Reformed Church of Scotia, New York. During his pastorate, the church grew rapidly and in 1938 an enlarged educational building was dedicated. Five years later a disastrous fire destroyed both the sanctuary and the new building.

In 1949 Mr. Van Westenburg became the director of Kirkside, a new home for retired ministers and missionaries and their wives at Roxbury, New York. Very soon after his appointment, he became seriously ill. He passed away at Kirkside on October 14, 1952. Services were held at the Jay Gould Memorial Church in Roxbury on October 15th with the Rev. Herman Lubben officiating, and in Holland, Michigan, on October 17th with Dr. John R. Mulder conducting the service. Burial was in the Pilgrim Home Cemetery in Holland. A memorial service was held in the First Reformed Church of Scotia on October 22nd, at which the Rev. Daniel Y. Brink presided, and in which the Rev. Floyd Nagel, the Rev. Dow Clute, and the Rev. H. V. Frelick participated.

Mr. Van Westenburg served for many years as a member of the Executive Committee of the Board of Foreign Missions, acting as Chairman of the Committee on China. In 1946 he and Dr. Luman J. Shafer visited the Reformed Church Missions in South China. He had been a member of the Board of Superintendents of the New Brunswick Seminary and served at one time as the President of the Board. He had also been a member of the commission appointed by General Synod to study union with the United Presbyterian Church, and had held the appointment as Trustee of Hope College.

During his pastorate at Scotia, Mr. Van Westenburg held offices and was very active in the Ministerial Association and the Schenectady County Council of Churches. He was a member of the Scotia Rotary Club, and later of the Roxbury Rotary group.

He is survived by his wife, the former Christine C. Van Ralte—Hope '16; by his daughter, Mrs. Stephen Wing Akin of Schenectady; by one grandson, David Christian Akin; and by three sisters, Mrs. C. A. Vander Wiere and Miss Gezina Van Westenburg of Grand Rapids, and Mrs. E. W. Gaikema '20 of Muskegon, Michigan.

ARTHUR B. VAN ZANTE

Rev. Arthur B. Van Zante '00 passed away May 31, 1952, at the age of 77, in a Seattle, Washington, hospital. He suffered a stroke and died within 48 hours. Prior to that he had done his regular calling on the church members and taught his adult Bible class.

Mr. Van Zante was born on a farm in Pella, Iowa, July 11, 1874. He was of staunch Dutch ancestry and grew up in a strict Calvinistic atmosphere. He early became a member of the Dutch Reformed Church and determined to be a minister of that church. He was graduated from Hope College and Western Theological Seminary. His first pastorate was in the Reformed Church of Fairview, Illinois. While there he married Carlotta Bell. After a pastorate of four years he moved West, at which time he joined the Presbyterian Church.

His first Presbyterian pastorate was at Snohomish, Washington. There followed pastorates at the Westminster Presbyterian Church of Tacoma, Washington; Moreland Presbyterian Church of Portland, Oregon; Rainier Beach Presbyterian Church of Seattle; Sprague Memorial Church of Tacoma; then an assistant pastorate at the First Presbyterian Church of Seattle, in which position he continued for seven years. His ministry continued for 49 years.

Mrs. Van Zante passed away in 1951 and a daughter, Jean, died several years before. A son, E. A. Van Zante, survives, also four grandchildren, all of Seattle, Washington. A sister and four brothers live in Iowa.

WILLIAM BAYARD HUGHES

William Bayard Hughes (Bill) '29 died July 5 at Presbyterian Hospital, Chicago. He was born in Pawtucket, Rhode Island in 1904. After graduation from Hope he received a degree in Sociology from Rutgers University, and also attended Drake University Business School. He lived at 1424 Keystone, River Forest, Illinois.

Bill was an elder in the Fair Oaks Presbyterian Church, Oak Park, Illinois. He was always active in work for underprivileged children and in the Y.M.C.A. He was a member of the Medinah Country Club. He was Secretary and a Director of the John N. Bos Sand Co.

Bill is survived by his widow, Wilhelmina Bos Hughes, class of '26, a son, Howard Bos, and his mother, Mrs. Thomas Hughes, of Passaic, New Jersey.

The courage, uncomplaining fortitude, and never failing cheerfulness with which he bore a painful arthritis condition for the last 12 years typified his fine spirit for which we all knew and loved him.

ABRAHAM JOHN VAN HOUTEN

Abram John Van Houten '09, former pastor of Middletown Reformed Church, died October 7, 1952, at the home of his daughter, Mrs. Robert Koch, Red Bank, New Jersey.

He was born in Ontario, New York, educated at Hope College and New Brunswick theological seminary. Ordained a Reformed Church minister 40 years ago, he held pastorates at the Second Reformed church of Lodi and the First Reformed Church of Irvington, New York. For ten years prior to his retirement in 1948 he was pastor of the Middletown Church. Mr. Van Houten was a member of the Red Bank ministerium.

Mrs. Van Houten died March 8, 1950. Surviving besides his daughter are two sisters, Mrs. Herrmann Timmer, Holland, Michigan, and Miss Josephine Van Houten, Grand Rapids, Michigan; two brothers, Isaac Van Houten and Cornelius Van Houten, both of Grand Rapids, and a grandson.

JULIA C. V. R. REIMOLD
(Continued from Page 1)

a week we trudged across the campus to the inviting home of Mrs. Gilmore, our Lady Matron, who sought to quicken us to gracious living and higher thinking.

During my college course, Sorosis Society was inaugurated. But a Girls' Society with evening meetings was too great a departure for a country-side lass to win parental consent to membership. So there is nothing to remember!

Yet, despite a dearth in extra-curricular activities, we managed to be happy and rejoiced that there was an institution of higher learning for us right in our community. We were grateful for a college and remembered how it was pressed out of the very souls of pioneer men and women who valued education for their young people.

Van Vleck then symbolized Hope College to us. It stood on its little hill in its virgin-treed campus among common-place wooden buildings, but it was our college, our "workshop for Eternity!"

Van Vleck still stands on its little eminence in the heart of the campus but now nestles in the midst of noble buildings, fringing the outer border of Hope's well-kept campus.

There is a thrill, however, to an old graduate who, motor-wise, encircles the campus grounds. It is that luring glimpse he gets where Van Vleck peers modestly, benignly down that charming lane between Durfee Dormitory and Science Hall—the Lane which leads uphill to the north front door of the old familiar building. It is a breath-taking vista. One almost hears the voice of the Founder of Holland and Hope saying: "This (institution) is my anchor of hope for this people."

LETTERS

Marvin G. Mepyan's '50, writing to the Palette & Masque members, immediately after Homecoming and the presentation of "Harvey"...

Returning to Hope College is always a great experience. But it's even a greater thrill when one can return and realize the tremendous importance that Dramatics is now playing in the lives of those on the College Campus.

Thus it is to you, as members of Palette & Masque, that I write now, congratulating you on the fine job you are doing in keeping Palette & Masque moving forward and fulfilling the dreams of those who struggled for its early existence. In short, I feel the whole of it is wrapped up in one small word, Thanks.
