## HOSTS MISS GUESTS ON ACCOUNT OF GETZ FARM.

MADE THE TRIP IN AUTOMOBILES OVER THE WEST MICHIGAN PIKE

Holland Social Progress Club Proved Admirable Hosts to Grand Haven Visitors at Home of Ex-Mayor Bosch at Holland

Besides a complete write-up of the program the Grand Haven Tribune gives the following introduction to the Social Progress entertainment held at the home of Mr. and Mrs. Nicodemus Bosch—

"Fifteen members of the Grand Haven Social Progress Club were guests of the Holland Social Progress club in Holland last night, and the royal entertainment at the home of Mr. and Mrs. Nicodemus Bosch will long be remembered by the Grand Haven visitors. From the time of their arrival in Holland until the time for departure, hospitality was the keynote. Mr. Bosch and his family made the guests feel that the pretty home had been built especially for them, and the Holland Social club ably assisted in creating the atmosphere of welcome and good fellowship."

The trip to Holland was made in motor cars over the West Michigan Pike, Dr. Long, Dr. Cherry and Dr. De Witt having turned over their cars to the club for that purpose. Leaving this city at shortly before 4 o'clock, the party detoured to the famous Getz farm and inspected that wonder spot of Michigan before going into Holland. During this interval the car from Holland carrying the reception committee missed the visitors and tore on as far as West Olive. When they returned to Holland with their reception speeches unspoken they found the Grand Havenites comfortably settled on Mr. Bosch's cool porches.

"A most delightful dinner was served at small tables by a number of young ladies, whose presence added the prettiest touch possible to the pleasure of the affair."

After this the Tribune gives a detailed writeup of the program already published.

A tractor plow slowly lumbered thru the city yesterday making more noise than a fire truck. The machine has four wheels, 2 1/2 feet wide to prevent it sinking in the loose earth.

## LIST OF DONORS TO NEW DYE PLANT PUBLISHED

BUYS 160 ACRES OF LAND; START WORK WITH 100 MEN; LATER WILL EMPLOY 1,000

Will Be Located On North Side; Plan for Buildings are Already Made —Building Started

For several weeks the city has been filled with the rumor that an Aniline Dye Works would be located here and a committee had gone out to solicit a fund of \$5,000 as a bonus which has all been subscribed. Each business man who had the welfare of the town at heart gave \$50 to the project without delay.

George E. Kollen says that the option on 160 acres of land directly hundred sixty acres of land directly north of the Gelatin factory on the North side had been secured and that \$15,000 is now on deposit in one of the local banks as a signification of good faith by the men who are back of the company.

The man who is backing the enterprise is a Hollander from the Netherlands by the name of Frans Franken, whose father is now running a large dye establishment in the old country, employing in the neighborhood of 5,000 men. These men are all employed in making the foreign dyes which are so difficult to obtain and are commanding such high prices in this country.

A bonus will be given this factory on the wages earning plan, which is proving so satisfactory in connection with other institutions in the city, in fact, by this system the new project must make good in order to be in on the bonus.

James Price, the architect, has already drawn plans for four large buildings two to be 60x300 feet one story in height and one large office building, also a machine shop. As soon as these are up several chemists from the Netherlands will be on the job and work will commence at once.

When the factory opens up there will be from 75 to 100 men on the payroll and the enthusiastic ones, including Mr. Franken, say that this number will be increased to 1,000 within a very few years.

Judging from the amount of land purchased, provisions certainly have been made for extensive developments.

Ground was broken Tuesday for one of the buildings, which is to be 60x100 feet. This building must be up in 30 days and Boomers & Smeenge who have the contract, say this can be done.

The landing of this project can again be attributed to the diligent work of the Bonus Committee, the Chamber of Commerce backed up by the cash donations of the business men of this city. There is no stock for sale in the Aniline Dye Works which is now located in Holland.

Subscriptions taken in, arranged from \$25 to \$100. One man gave the latter amount while the majority each gave \$50 apiece.

The men who went down in their pockets to subscribe for the \$5,000 bonus for the new Aniline dye works are the following:—

## NEW FURNACE CO. ORGANIZES AND ELECTS DIRECTORS

MAY DECIDE TO CALL NAME HOLLAND HEATER CO. THIS FACT TO BE DECIDED LATER

N. J. Yonker Elected As Manager; Plant to Be in Working Order September 1.

A new furnace company has been organized in the city with a capital stock of \$100,000, with \$55,000 paid in. It is contemplated to call the plant the Holland Heater Co., however this fact will be decided by the Board of Directors at a later date.

The company will manufacture a furnace that has been perfected by N. J. Yonker, the local plumber, who will dispose of his plumbing business at the earliest opportunity to people who are negotiating for it.

At a meeting yesterday the following Board of Directors were chosen: George E. Kollen, G. W. Kooyers, N. J. Yonker, Otto P. Kramer, and Henry Pelgrim, Jr. The organization is as follows: President, George E. Kollen; Vice-President, C. J. Lokker; Secretary-Treasurer and Manager, N. J. Yonker.

A committee has been appointed to select a building site and it is possible that a plot on the C. L. King property will be purchased, in close proximity to the railroad and also to the boat line. This site would especially be available should Holland land the car ferry.

Plans are being made for a large building 100x300 feet one story high. This building will cover the machine shops, casting rooms, and smelting department.

The company will employ at the start 25 men including molders and machinists. It is expected that the plant will be in running order by Sept. 1 and contracts are already being taken for furnaces for September delivery.

## PUT TRUCK UP TO POLICE BOARD

BOARD WILL PROBABLY ACT ON RESULT OF THE TEST MADE.

Post Estate Gives Property to City

The council meeting proper last evening was held behind locked doors, in the committee room between 7:30 and 8:20. What happened there is not known, but it was most certainly a discussion of the fire truck problem, for when the city fathers finally did enter the council chamber, some routine business was accomplished and the meeting adjourned for a week. No one so much as breathed the words "fire trucks". It is said that the Board of Police and Fire Commissioners will be asked to act on the question before the Council goes on record in any way. The Board is expected to meet Monday evening, and the Council will again convene next Wednesday night.

The Board of Police and Fire Commissioners will no doubt be governed by the decision of the committee of three, and Chief Blom, whom the mayor will select to test the truck Friday or Saturday. "The truck will receive an official test," says the mayor, "and I expect it to take place tomorrow". If the test does not meet the requirements made by the company in their specifications no doubt the former action of the board will stand when it allowed the bill with the proviso attached "that the trucks come up to every requirement specified by the Duplex Co". Should the trucks meet all these requirements the action of the board at that time would naturally stand and then it would be up to the Common Council to take final action in the matter. The bill was allowed with the explicit understanding that the trucks make good, otherwise the bill would not be allowed.

Aldermen Drinkwater and Congleton were not present when the roll was called. The regular order of business was suspended and petitions presented. Dick Homkes wanted permission to erect a bathhouse at the foot of Third street. After some discussion this was granted.

The Plaggemar Bros. asked for permission to move a 16x20 barn from the rear of the Fred Boone property to outside of the city, the moving to be done on a wagon. The mayor urged caution in such a matter, as shade trees have in the past been ruthlessly injured. No objection was raised however, to this moving, and the permission given.

Receipt of a deed from the Post estate concerning ground opposite the Trinity church, where 20th street should be made open to State street, was announced. This was accepted unanimously, as the city is acquiring a valuable thing. The street will be opened for traffic in the near future, cutting out a marsh now necessary of several hundred feet to pass around the point of State street and Central Avenue in order to get to State and River street. The city will build a sidewalk of some 130 feet in length on the north side of the street.

The matter of moving the VanVoort barn from the rear of the Nykerk grocery on Central and 13th to 20th street, that was brought up at the last meeting and referred to the committee for investigation was recommended.

## HOLLAND CO. STARTS YARD IN MUSKEGON

BOLHUIS LUMBER COMPANY HAS PURCHASED SITE AT MUSKEGON HEIGHTS

Muskegon and Muskegon Heights are prosperous places these days, and in order to be in on the prosperity the stockholders of the Bolhuis Lumber Company have put in a building and yard at Muskegon Heights and will call it the Heights Lumber Co.

A building has already been built 48x80 feet, two stories high and is located within 200 feet of the city hall of that thriving place.

Mr. Frank Bolhuis says they have only been started for a few days and more than \$500 worth of lumber has already been sold.

The firm has also closed a contract for the mill work and lumber in a large Methodist church in Lansing and also the material for a large wholesale grocery in the capital city.

## BANKS FOLLOW CITY CUSTOM OF CLOSING

WILL CLOSE AT 3:00 O'CLOCK THE YEAR AROUND IN THE FUTURE

All the Holland banks have decided to close their doors at 3:00 o'clock in the afternoon, beginning Thursday, June 1.

Last year these local institutions did likewise but this was only for the summer months. However a new arrangement has been made whereby all the banks in the city have agreed to close the year around at 3 o'clock in the afternoon.

This does not mean that the bank will not be open on Saturday evening. The hours for Saturday will remain as before from 6 P. M. until 8 P. M. and those with saving accounts, who cannot deposit during the day time will find these convenient hours still in vogue.

## F. T. MILES' DERBY GOES INTO RING

FRED T. MILES OF HOLLAND WILL BE CANDIDATE FOR PROSECUTOR

Grand Haven Tribune—Fred T. Miles of Holland had decided to get in to the race for the nomination of prosecuting attorney on the Republican ticket. Mr. Miles, it is understood, has been considering the proposition for a long time but has just come to a definite decision to get in. Two years ago Mr. Miles was a candidate for the nomination on the Republican ticket against Louis H. Osterhaus but was defeated at the primaries. He was placed in nomination by the county Progressives and went into a three cornered campaign at the general elections. Mr. Miles will be opposed this year by Thomas N. Robinson of Holland who up to the last week has stood unopposed for the place on the republican ticket.

More discussion ended in the permission being granted.

The Committee on licenses informed the Council that the bonds submitted by the proprietors of the two local poolrooms had been found O. K. and that the approving of them was recommended. They were approved.

The Committee on Ways and Means reported that the matter of loaning the School Board \$5,000 as requested by them had been investigated and it was found advisable not to grant the request at this time. The motion that the loan be not made was passed unanimously.

A motion to adjourn carried and after some argument it was decided to hold a meeting a week from last night, although it is not the time for a regular meeting, being the last day of the month.

"Oh Me! How the Waves Did Roll," Says Officer Jack. A "A Policeman's Life for Me."

The biggest, burliest officer on the Holland Police force has at last met his match. It was not in the city, tho, but far outside, in fact too far outside for his pleasure. He now claims that the city is where he will stay hereafter. His conqueror anyway jumped on him from behind and made it impossible for him to hit back.

Jack Wagner tried life on the rolling blue Monday and found that as a sailor he was a decided misfit. Early in the morn he boarded the Harvey Watson for a day on the swelling bosom of Lake Michigan. To say that he has decided that a sailor's life was amost as gay as a "cop's" is unnecessary, that is, this decision was reached on the way out. With no land in sight, beyond all 'phone calls, he reveled in the breezes.

But oh! that return trip! Those breezes seemed to lose their playful mood and tossed the boat around like a chip. Jack declares it the worst storm ever seen on Lake Michigan, but the crew was entirely too absorbed in their work to notice it, it seems. Before long, Jack was seen lying on the deck at full length, certain that the boat was sinking with each successive swell.

When the dock was reached, the crew unloaded, but Jack hugged the deck. After a full half hour, his legs began to assume some semblance of strength and he weakly drew himself up and tottered onto the dock and slowly made his way homeward. If he met some friend to whom he seemed cool, they should deal lightly with him.

At ten o'clock duty called him but he failed to obey. It is said that Jack revolted at the idea of waking the streets all night. A substitute was pressed into service and Jack slept. Today he is looking back on it all as a bad dream and is suffering some awful "kidding."

**ZEELAND CHORAL UNION BANQUETS**

A banquet was held Thursday evening in the First Reformed church at Zeeland with the choral union as the participants. This union is composed of singers from the three Christian Reformed churches of this city, about one hundred in number. A short program was rendered, the feature of which was a budget by Miss Minnie Van Vessem.

The members of the union decided to continue their good work after the summer months. They have received considerable praise for their work during the past winter months, the directorship of Rev. Leonard Trap being especially appreciated.

## BREAKS RIBS AND CRIES "ALL'S WELL"

**WORKMAN FALLS ON BELT; IS PULLED AGAINST PULLEY; CONDITION VERY SERIOUS**

John Schipper received serious injuries Monday morning when he came in contact with a swift revolving pulley and belt. Mr. Schipper, who is foreman in the Zeeland Furniture Company, at Zeeland, was about to change a belt from one pulley to another when he lost his foothold on the latter on which he was standing. He fell on the belt and was carried to the swift revolving pulley. Several ribs were broken and other internal injuries were received in the accident.

The machine was immediately stopped and Mr. Schipper fell to the floor. He stood up and shouted that all was well and wanted the men to get to work again. But the clothes and flesh were torn off his body and the man was suffering greatly. He was immediately taken to his home, where he is in a critical condition.

## WAS HEIFER STOLEN BY MYSTERIOUS ONE

**STRANGER LEADS ANIMAL INTO CITY TO SELL FOR SONG; DISAPPEARS AFTER FAILURE**

The Holland police are having a heifer held in the Boone Liver barn till the owner calls for it. The description is given as a spotted black and white, 1-year-old. How he came into the possession of the authorities is a mysterious story.

Monday afternoon a man arrived with the animal from Richmond, he claimed, and wanted to sell it for a mere song. This aroused suspicion. Not effecting a sale, the heifer was placed in the livery stable for the night and Tuesday the owner failed to make his appearance. The proprietor was then notified by the police that the animal is to be held there till the owner can be found. A phone call Richmond disproves the man's story.

## Farmer Digs Up Jug of Brandy 70 Years Old.

Woodland, Del., May 25—Arthur Massey, a Woodland farmer, dug up a can of peach brandy supposed to be seventy years old. He was digging out an apple tree when he found wrapped in the roots a glass jar filled with brandy in which floated a peach. The can was wrapped in tin and a root of the tree had grown around it. The peach was as firm as the day it was spiced and those who got a wee taste of the brandy said it was finer than morning dew. Massey promises no more tastes. The apple tree is known to be at least 70 years old.

## FIRST GAME WAS REAL ZEELAND CELEBRATION

**HUDSONVILLE DEFEATED IN 4-3 FIGHT; SCORE TIE IN THE NINTH**

A record-breaking crowd was in attendance at Saturday's baseball game, when the newly organized Independent team crossed bats with the Hudsonville aggregation, the former winning by the close score of 4-3. This was the first game the Zeeland team played that they will count, the High school game in which the Independents came out ahead by 20 runs, and the Holland game in which the "Y" team scored one run to the team's seven, are not figured in the season's record.

One reason why the Zeeland team defeated Hudsonville was because it had been considerably strengthened by the addition of four new men, who are sure to give it permanent strength during the season. John Mills, who formerly played with the Wheaton-Grays of Illinois, Ashley, formerly with Zeeland and last season with Holland; Garry Batema of Holland, one of the best shortstops around; and Babe Woldring of Holland, who has had several years of league experience in the Michigan State and the Western League.

New uniforms, white with black trimmings have been ordered from the Ty Cobb company thru the William DePree Company, these arrived in time for the game. It was thru the generosity of the business men and the fine attendance at the baseball benefit program given this winter that the team has been able to purchase their much needed uniforms. Altho it is not true that the clothes make the man, it is true that they help greatly to make a good impression.

The Ottawa Band of Zeeland gave a concert before the game at the corner of Main and church streets. After this the band led the automobile parade to the Colonial Avenue baseball ground. The players of both teams followed the band, and they in turn were followed by the automobiles. After a short warming up by the players, the umpire called the game at 3:15.

Zeeland scored one run the first inning when Spriggs came home after hitting a two-bagger. Neither team scored again until the fourth when Batema scored. Van de Bunt of Hudsonville and Gerrit Wyngarden of Zeeland continued to strike out those who faced them and by the end of the ninth inning each had made 15 strike-outs.

In the sixth inning Stedman, catcher for Hudsonville came to bat with two men, Van de Bunt and Schenval, on base. He touched the ball with a stroke that sent it flying over the fence, out of sight. Schenval, however was caught between third and home as he was completing the circuit for a home run. The Hudsonville players insisted that as the ball went out of sight behind the fence the player was entitled to go home. The point was conceded by Capt. Spriggs and after a delay of a few minutes the game went on. Zeeland scored a run in the last half of the 6th inning, and thus the score was tie.

With Eding on base in the last half of the ninth inning, Wyngarden hit

the ball out in centerfield and Eding scored, thus winning the game.

## AFTER FOUR HOURS

Holland Testimony Remains Unshaken.

Time is the best test of truth. Here is a Holland story that has stood the test of time. It is a story with a point which will come straight home to many of us.

Miss Margaret Van Houten, 287 W. Thirteenth St., Holland, says: "For several years I suffered from kidney complaint in the small of my back and shoulders being almost unbearable. It was all I could do to stoop or lift. Colds settled on my kidneys, making the complaint worse. I did not rest well and the secretions from my kidneys were unnatural. Doan's Kidney Pills, procured from Doesburg's Drug store, restored me to good health."

A LASTING CURE.

OVER FOUR YEARS LATER, Mrs. Van Houten said: "The cure Doan's Kidney Pills gave me has been permanent."

We will come up and plan the installation of the one heating system that will:

1. Fill your home with pure, warm, ever-changing air, free from Dust, Gas and Smoke;
2. That will circulate the air, assuring a uniform temperature;
3. That will supply moistened, healthful, invigorating air;
4. That will increase the value of your property more than the amount invested in its purchase.

## HAVE YOU EVER SEEN CHIMNEY SWALLOWS?

MANY ARE VISITING HOLLAND THESE DAYS

A large number of citizens have been watching the peculiar antics of a lot of swallows, in fact the air was filled with them. This veritable cloud of birds keep circling around the high brick stack that arises from the old Huntley planing mill on River avenue, across from Centennial Park.

This stack has been unused for more than fifteen years and whether the birds are wise to this fact is not known.

However these chimney swallows in their circular flight would pour into that chimney like wheat from a hopper. Thousands of them, in fact, and after remaining for a short length of time, the chimney would emit a cloud of birds instead of smoke. The cloud would continue its circular movement and proceed to perform the chimney-dropping stunt over and over again. This the swallows kept up for several hours and most any evening just before sundown these strange creatures can be seen hovering around the old grim, smokeless chimney on River avenue.

## FISHERMAN FALLS INTO MUCH WATER

HOPE STUDENT REALIZES HOW IT FEELS TO BE FISHED; LOST STRING.

One of the Hope College students experienced a fishing incident Tuesday that will not soon be forgotten. "Pee Wee" (James) Hoeven, in company with four schoolmates, made a trip to the Park in the pursuit of game from the deeps. Success attended him, for before long he had a string of 12 sparkling beauties.

Then it happened. It was so sudden that his companions could not realize it for some time. "Pee Wee" simply disappeared. All that told his friends of his departure was a splash. Then they took to fishing bigger game. "Pee Wee" was assisted back onto the pier, but minus his fish pole and plus much wetness. "Pee Wee" made a hurried trip back to Holland and then returned to fish for his steel pole sunk there.

The princess falls in love with him, and wishes to marry the beggar. Her father, King Imit, whose part is taken by Harold Lage, recognized the prince and the marriage is happily concluded. The other principal characters are Ida, Maybelle Mulder; Lilla, Marion Swysink; Aain, Norman Simpson; Dosay, Sylvester Paulus; Justso, Bert Posthumus. The costumes have been procured in Detroit, and the scenery from the Knickerbocker theater.

## MAPLE AVE. CHURCH NAMES CHURCH TRIO

CONSISTORY PLACES NAMES OF THREE PASTORS BEFORE THEM FOR THE VACANCY

At a meeting of the consistory of the Maple Avenue Christian Reformed church Friday night the following trio of pastors was named, one of which will be called by the congregation in the near future: Rev. D. R. Drukker, of Kalamazoo; Rev. G. Hoeksema of Grand Rapids; Rev. C. Vriesman of Zallah, Washington.

The Maple Avenue church has been without a pastor since Rev. Vander Werp, now at Drenthe, left the first of April.

## YOUNG BOY STEALS MONEY FROM BROTHER; SPENDS NIGHT IN CHURCH BARN; IS CAUGHT

A study in juvenile criminology was begun up before the local police during last week. A lad of twelve years, after repeated offenses in the larceny chapter, was detained in the cell at headquarters for two days and Friday was taken to Grand Haven where Judge Kirby of the Probate Court decided that the best action to take for the boy was some hard work away from the bright lights of the city. He was then placed with a farmer on a place near Holland.

This youngster, when only eight years old, began his distinguished career by stealing a horse and a buggy. Later his taste turned to bicycles, and in one summer two of these vehicles made their disappearance through his maneuvering. When he couldn't make way with them he played the "dog in the manger" act and slashed the tires with his knife. The cap for this dummy of crimes was made recently when he stole \$2.75 from his brother. That night he slept in a church barn to escape any impending punishment at home, and early the next morning he was seen boarding the train bound northward. Officer O'Connor detained him with a firm hand, and the lad was examined and given a home on this farm, where he now has a chance to grow straight and shake his mania for larceny.

## SENATOR TOWNSEND KNOCKS MAN OVER

IS A FORMER PRIZE FIGHTER AND WRESTLER, AND HANDY WITH "BOOKS"

The Sunday illustrated magazine has two interesting articles, about two of Michigan's prominent men who are well known in Holland, having appeared here on the campaign platform on many occasions. One story is about Senator Charles Townsend and the other is about Congressman Hamilton.

The story of Townsend follows: Senator Townsend, of Michigan, was a champion wrestler and boxer in his college days. From the time he left college until the present day he has had just one occasion to make practical use of his fist powers. That was when he was recorder of deeds for his county a few years ago. A man and his wife came in one day to transfer a piece of land. When the money had been paid over, the wife, a timid-looking little woman, inquired if she were not to have part of it for hers.

"Naw," replied the man, as he tucked the roll of bills into his pocket. The woman demurred timidly and the man, a husky, weighing about two hundred and ten pounds, turned and slapped her across the mouth with the flat of his hand.

"Wait just one minute," said Townsend, at this point in the proceedings, "and I'll show you something!"

He rushed around from behind his counter and knocked the man down by means of a sharp, quick wallop on the jaw.

The man arose, said that perhaps he had been a little hasty, and went his way.

The following story is told of Congressman Hamilton:

A small detached group of Congressmen were listening to a certain other member making a speech. All were thinking things about the speech and the speaker that he did not feel like saying out loud.

One of them turned to Representative Hamilton, of Michigan, with a look of inquiry.

"As a speaker," responded Hamilton gravely, "that man has not an inferior in the whole United States."

## ARE WEDDED AMIDST THE APPLE BLOSSOMS

VANDER WOUDE-FRERICKS MARRIAGE TOOK PLACE AT HIGH NOON; DINNER SERVED.

At high noon Thursday Miss Grace Frericks was united in marriage to B. Th. Vander Woude, a graduate of the Western Theological Seminary, at the home of her parents, Mr. and Mrs. Bert Frericks on West Sixteenth St. To the strains of the wedding march, "Bridal Chorus," played by Mr. J. W. Weinik of Kalamazoo, the bridal party entered the room. The bridesmaid, Miss Helen Dethmers of Chicago, was dressed in silk crepe de chine with a pink veil. Miss Charlotte Kooiker carried the ring in a Calla Lily. The groom was attended by Richard Vanden Berg of the Seminary. The bride was charmingly gowned in white messaline and a marquisette and wore a long bridl veil, carrying a shower of bridal roses.

After the ceremony, performed by the Rev. E. J. Blekkink of the Western Theological Seminary, Miss Leora Bogue sang, "O Promise Me," and "I Love You Truly." An elaborate dinner was served, the rooms being decorated in pink and white with apple blossoms and lilies of the valley in profusion. The master of ceremonies was Mr. Bert Hekhuis, while Miss Jennie Emmink acted as mistress of ceremonies. The Misses Dena, Tilda and Margaret Muller, Johanna and Henrietta Van Zoeren, Reka Hoek, Mary and Gertrude Hilarides, Frances and Henrietta Tripp, and Fanny and Bertha Oltet acted as waitresses.

## WAALKES-PRINS UNION SOLEMNIZED THURSDAY

REV. H. J. VELDMAN UNITES ALBERT WAALKES AND MISS GRACE PRINS IN PRESENCE OF FRIENDS

The marriage of Miss Grace Prins, daughter of Mr. and Mrs. Teunis Prins, of 361 Central Avenue, to Albert Waalkes, a graduate of the Western Theological seminary occurred Thursday evening at the home of the bride's parents, Rev. H. J. Veldman of the First Reformed church performing the ceremony. The groom, whose home town is German Valley, Illinois, was attended by William Everts, also of German Valley. The bridesmaid, Miss Lucy Vander Ploeg, was gowned in pink, while the bride wore georgian crepe.

After the playing of the wedding march, the "Bridal Chorus," by Miss Jennie Prins, sister of the bride, the ceremony was performed under an arch of ferns and flowers. Miss Verna Hultz was the little flower bearer. Teunis Prins, brother of the bride, sang a few selections after which a dinner was served.

The young couple will make their future home in Lennox, S. D., where the groom has been called to one of the Reformed church of that place.

## REBEKAH MAY PARTY HELD FRIDAY EVENING

The May party given by the Rebekah lodge Friday evening was well attended and a success in every way. The reception rooms were nicely decorated in pink and green, the Rebekah colors, intermingled with flowers in profusion. Boxes were placed over the doors and windows filled with May flowers. Punch and wafers were served in the reception room in charge of Misses Vera Risto, Lelia Wilson and Ruby Moomey. When the party broke up at a late hour, all declared the Rebekahs' royal entertainers.

## HEALTH OFFICER TO DO NO PRIVATE WORK

PERSONAL PRACTICE IN MEDICINE RUINED BY PUBLIC DUTIES, SAYS DE KLEINE

Noted Health-Worker Gives Interview To Daily Sentinel About Health Department

An interview with Dr. William De Kleine, formerly of Grand Haven, now of Lansing, printed in the News a week or two ago in which he urged the establishment of a full-time, well-equipped health department here, has aroused a good deal of comment. Dr. De Kleine will probably be asked some time later to come to Holland to give his views at greater length on this subject. While he was in Holland for a short time Saturday he met the objection that has been raised that Holland is too small for a full-time health department by citing the case of Traverse City, where a full-time health department has been established during the past month as a result of the "Health First" campaign held there immediately after it was held here.

"Traverse City is no larger than Holland," said Dr. De Kleine, "and it has no more cases of communicable diseases than this city has. But it has gone into public health work in earnest. As a result that city has appointed a full-time health officer at a salary of \$1,800 a year. He has given up his private practice and will give all his time to the city. No matter how conscientious or able a man is, he cannot do justice to the office of health officer and at the same time make his living in a private practice. I have been a health officer myself and I know exactly whereof I speak. The man who does his work as health officer well and conscientiously cannot help but work against his own interests in his private practice thereby. The two won't mix. Nine times out of ten the health officer makes an enemy out of the man he compels to clean up, and an enemy does not patronize him in his private practice. Yet it is a health officer's sworn duty to compel people to clean up, if such a course is necessary to protect the health of the public."

"I can see no reason why Holland can't do what Traverse City is doing. I know it will meet with a lot of opposition, but that is no sign that it is not highly necessary. I dare say that if Holland had never had a police department and should now decide to hire a chief of police and six or seven policemen at an annual expenditure of some five or six thousand dollars there would be a big howl about it and people would kick like steers on high taxes; but that would be no reason that the department was not needed. People never say a word about that part of the city budget merely because they have got used to it. Personally I believe that a well-equipped health department is ten times more needed by the city of Holland, or any other city for that matter, than a police department. A well-conducted health department would save peoples' lives not only, it would save their money as well."

Holland is not the only city where Dr. De Kleine is urging the expenditure of more money for public health. He is keeping his hand in practically all the cities where health campaigns have been held, urging them to follow the campaigns with definite action. This is known as "follow-up" work and it was partly as a result of some well directed efforts along this line that Traverse City became the leader among the smaller cities of the state in the matter of health work.

Dr. De Kleine has collected statistics showing that there are several cities in Michigan that are maintaining full-time health departments in spite of the fact that they are not larger than the class of cities to which Holland belongs. Among others are Ironwood, which maintains a full-time health officer at \$2,200 a year, Marquette at \$2,200 a year, and Negaunee at \$2,400 a year.

"These cities are finding out," said Dr. De Kleine, "that it pays them in dollars and cents to invest in full-time health departments. I fully realize that many will be skeptical about that statement but in the Upper Peninsula, where the smaller cities are adopting this plan people no longer are skeptical."

## SEMINARY GRAD. TAKES A BRIDE

MARINUS J. DEN HERDER AND MISS ELIZABETH ROSEBOOM MARRIED BY HENRY J. VELDMAN

A very pretty wedding took place Thursday afternoon at 5 o'clock when Miss Elizabeth Roseboom was united in marriage to Marinus J. Den Herder at the home of the bride's parents, Mr. and Mrs. Henry Roseboom of 14 East Sixth street. The ceremony was performed by the Rev. H. J. Veldman. Miss Amanda Roseboom, sister of the bride, acted as bridesmaid, while the groom was attended by his brother, George Den Herder. The wedding march was played by Miss Mae Roseboom.

Following the ceremony, a wedding dinner was served to the immediate families by the Misses Irene and Margaret Van Alsburg and Messrs. John J. Van Strien and George Scholten. The table was beautifully decorated for the occasion, red and white carnations making an attractive centerpiece.

Mr. and Mrs. Marinus Den Herder then left for a short wedding trip. The out-of-town guests were Mr. and Mrs. Walter I. Hayden, of Alpena, Mich., Miss Elizabeth Vanden Berg, who returned a short time ago from Litchville, N. D., Mr. and Mrs. John Den Herder, Stanley and George Den Herder, Mr. and Mrs. M. Huyser and Miss Bertha Knollinger of Grand Rapids. The groom is a member of the class of '16 of the Western Theological Seminary.

The Misses Jessie Clark, Edna Mersman, Ada Whitman, Abby Moody, Marion Gee, Martha Knutson, Elizabeth King, Kathryn Brown, Marie Markham, Marjorie Bank and Delia E. Byron enjoyed a house-party over the week-end at Virginia Park.

## NINE GRADUATES GET OR WILL BE MARRIED

NEW MINISTERS BELIEVE IN THE HOLY BONDS OF MATRIMONY.

After the graduation exercises the young students' minds turn to thoughts of love or rather marriage. This certainly can be said of nine graduates of the Western Theological Seminary. Of this number this paper has already chronicled the Marinius J. Den Herder and Elizabeth G. Roseboom wedding; also that of Albert H. Waalkes and Miss Grace Prins. The paper also stated that Miss Grace Frericks and Rev. Berend Vander Woude were joined together. Rev. J. Van Bovenkerk also became a benedict some months ago. However, this is only a beginning.

The Rev. Alexander Van Bronkhorst graduate of the Western Theological Seminary, of Forest Grove, and Miss Helene De Maagd of Coopersville, will be married at the home of the bride on June 22. Mr. Van Bronkhorst and his bride will sail early next fall for Japan, where he will enter the missionary field for the reformed church of America. Miss De Maagd is a 1913 graduate of Hope college, and a classmate of the prospective groom.

Another college romance will culminate in June with the marriage of the Rev. Lambert Hekhuis and Miss Jennie Immink, both of Overisel, and graduates of the class of 1913 from Hope college. The couple will soon leave for India, where Mr. Hekhuis has received an appointment as missionary.

The wedding the Rev. Henry Colenbrander of Patterson, N. J., and Miss Fannie Kooiker of Overisel, will take place next September. The young dominie has received an appointment to a pastorate of the reformed church at Sioux City, Ia.

Another village romance which culminates in a wedding June 1st, is that of the Rev. George Heneveld and Miss Etta Lugers, both of Graafschap. The young couple will reside in Galesburg, Ia., where Mr. Heneveld has received an appointment.

Chicago is never left unrepresented in important events, and in this case will be represented by the Rev. Clarence P. Dame and Miss Anna Den Herder, both of that city. The wedding will take place in June. Mr. Dame has accepted a call to Calvary reformed church in Grand Rapids.

The ninth of the young Lochinvar group is the Rev. John De Vries of Austinville, Ia., who weds Miss Elsa Reiniking of Plymouth, Wis., in June. The young dominie will begin his pastorate soon after in Beverly, Ia.

Only two members of the class will continue to retain their bachelorhood. They are G. B. Scholten and R. J. Vanden Berg.

## LOCAL COUPLE HONORED BY CHURCH RECEPTION

REV. AND MRS. JAS. A. VERBERG, OF HYDE PARK CHURCH HONORED BY FRIENDS

An article of interest to local people one in a recent issue of the Boston Globe concerning Rev. and Mrs. Jas. A. Verburg. Rev. Verburg was a popular student of the Western Theological Seminary and Mrs. Verburg was formerly Miss Anna Wearding of this city. The account follows, their pictures being used in the Boston paper.

Boston Globe—Rev. James A. Verburg, the new pastor of the Presbyterian Church of Hyde Park, and Mrs. Verburg, were tendered a reception by the parishioners last evening in the church, which was decorated with pot ted plants and flowers.

Clergymen present were Rev. G. L. Mc Cain, pastor of the Mattapan Presbyterian church, and the following Hyde Park pastors: Rev. George W. Owen of the Congregational church, Rev. Descom D. Hoagland of the Methodist church, and Rev. William Reid of the Baptist church.

Rev. Mr. and Mrs. Verberg were assisted in receiving by Elder and Mrs. John Higgins. The ushers were W. Walter R. Whiting, Russell Pollard, and Donald McPherson.

Features that followed the reception formalities were opened with remarks by Elder Angus McKenzie, who presided. There was speaking by the clergymen, Elder Timothy Spencer and Jas. A. Bain, secretary of the board of trustees. Piano selections were contributed by Miss Annie Snow of Dorchester, and songs by Omar R. Campbell. Refreshments were served by the local committee, of which Mrs. Alexander Stewart is chairman.

## MUSKEGON WINS CROSS COUNTRY

G. R. "Y" BACKS OUT OF RACE; HOPE LOSES WITH 11TH HOUR TEAM.

The annual cross country course of four miles was run between Hope college and Muskegon Saturday afternoon, Muskegon winning the race. At high noon, Grand Rapids "Y" sent a telegram stating that she would not be able to enter. On account of conflicting dates, due to a dual track meet with Mt. Pleasant, Hope had determined not to enter, but put in a team of six men at the last moment. Three of these had not run for two weeks. The first man in was Fors, time 21:45-04. The record for last year, established by Cone of Muskegon is 21:37.

Fors was followed by Weaves, Ashley, Denette and Cone, all of Muskegon. The first Hope man in was Van Lierop. The last Muskegon man, Sibert, was next followed by Dalenborg, Bultman, Brower, Baker and Cooper.

The annual affair has been won by Muskegon six out of ten times. The beautiful shield given by the Holland Business men ten years ago now goes to Muskegon.

Articles of incorporation have been filed with the secretary of state for a new concern in Zeeland called the Federal Tool & Stamp Co. capitalized at \$7,000.

## VAN NEDERYNEN WINS HOPE PREP. CONTEST

The Hope College Preparatory Oratorical contest was held Tuesday evening in Winants chapel and was won by Albert Van Nederynen of the "A" class. A prize of ten dollars goes with the honor, while the winner also will be the class orator on graduation exercises. His oration was entitled "The Challenge to Our Citizens."

Second place was won by Theodore Yntema with the oration, "The Dual Regime," and third place by Winifred Burggraf, "The Stranger Within Our Gates." Other orators were John Wierda, "The Patriotism of Peace"; George Zust, "The Enemy Within Our Gates," and Frances Ihrman, "The Open Door."

The judges on that and style were Profs. A. Heusingkeldt, W. Wichers, and Att. Sooy. The judges on delivery were Wm. Olive, Irvine Lubber and Att. C. H. McBride.

After the third speaker Miss Helene Van Raalte beautifully sang "Spring Again," accompanied by her sister, Miss Christine Van Raalte.

## STUDENTS SAW 116 VARIETIES OF BIRDS

During this spring the students of the natural science department have

reported seeing one hundred and sixteen different kinds of birds. Twenty different kinds of warblers have been seen.

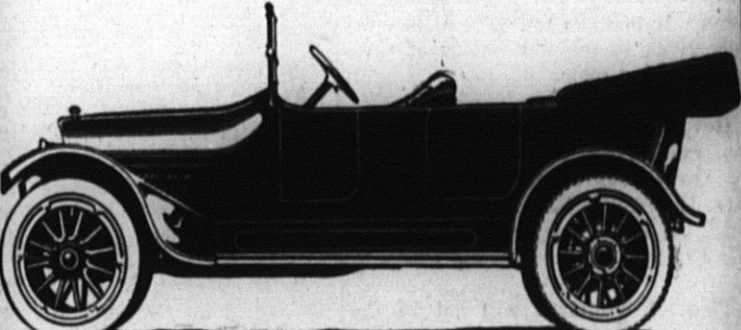

Several people have noticed that there are many more birds this year than is usual. This is probably due to the federal law, passed three years ago, which is enforced by the Department of Agriculture. The law forbids the shooting or injuring of migratory game and insectivorous birds. The increased interest in birds which the people have shown by erecting bird houses may probably have a great effect on bringing the birds around in larger numbers.

## MUCH ADOO IN ALLEGAN ABOUT ONE DEAD EAGLE

Allegan, May 25—Recently a bald eagle was shot here and taken to Dick Allen's studio to be mounted. The game warden heard of the shooting and arrested the boys who killed the eagle. The youths were fined about \$15 and the state confiscated the bird to be sent to some charitable institution. Monday morning Mr. Allen went to his shop and found his back door pried open and the eagle gone. Mr. Allen immediately informed Sheriff Short, who is investigating.—Grand Rapids Press.

## WILL ANY OTHER CAR STAND THIS USAGE?

ONE REO DEALER habitually pulls off this stunt in demonstrating a Reo car to a prospective buyer.

HE DRIVES 15 MILES per hour ahead—and shifts in his reverse gears!

DOES THE REO STAND IT? Well he says he has used the same demonstrating car for a year now—done the trick hundreds (he estimates thousands) of times—and gears are today just as silent and apparently just as good as ever. So is the clutch.

BUT AFTER ALL it isn't so wonderful when you consider how Reo cars are made.

"50 PER CENT OVERSIZE" in all vital parts—that includes shafts and gears of course—makes the feat possible. Would, even if he hadn't the velvety Reo clutch.

THAT DOUBLES the factor of safety, for tho you drop the Reo clutch instantly, till there's no jerk...It takes hold softly—but holds when once fully engaged.

SO IF YOU ARE the one to whom he is demonstrating the Reo car, sitting beside him, you are surprised to find there's no jerk, no apparent strain when he does it.

CAR SEEMS TO come to a gradual, tho a quick stop then as softly reverses.

BUT WE DON'T believe there is another automobile on earth that will stand it—none but Reo.

AND THE REASON is in Reo design, Reo material and Reo construction.

BY THE WAY—let us remind you that the appreciation of Reo quality—Reo value—is so general, the factory is always away behind orders. So it is necessary to place your order long before you want a delivery.

DON'T DELAY—TODAY won't be a minute too soon.

A good cattle barn begins to earn money for you from the day it is completed. And the returns keep coming in year after year without interruption.

Look at the building shown in the picture. It is one good suggestion for a profit-earning cattle barn. You will see from the illustration that it is designed for a good sized herd and it has plenty of room for hay overhead.

Notice, also, the shelter shed, arranged by an extension of the main roof. The cattle appreciate this protection from the weather. When the cattle gain in weight, you gain in money.

Let us help you with your plans for a new cattle barn. There is a certain best material for cattle barns just as there is for all other farm buildings.

You can see this certain best material in our yard.

the warm welcome which you gave us to Grand Haven a few months ago.... I welcome you into the hospitality of this home whose very atmosphere is hospitality. Emerson has said, "Happy is that home which shelters a friend." Tonight I would change the sentiment a little and say Happy is that friend which is sheltered by this home. I welcome you into the friendship of our host, Mr. Bosch. No one in Holland has done more for the cause of social progress in this city than has Mr. Bosch in the four years of his official service to this city. I welcome you into the fellowship of this club. I would allow you to work out your own estimate of us with the proviso that you do not allow your judgment to be influenced by our toastmaster. I welcome you to the memory of the work which you have done so gladly during the year which is past. I welcome you into fellowship and cooperation so that the two clubs from the first cities of Ottawa may serve a large usefulness in their community. I welcome you to the vision of an unfinished task—to the time when a community burdened by many weights which prevent its fullest progress shall have been redeemed and delivered by the efforts of each man here tonight. I welcome with sincere pleasure you, who have left the "Harbor of Success," to come for a while into the Haven of friendship and prosperity."

In response to Mr. Wichers' remarks Pres. J. C. Hoekje, of the Grand Haven club spoke of what the two organizations meant to him and in what ways he believed they could take a still larger part in the life of each community. To illustrate this thought he ably discussed the theme of preparedness, devoting most of his remarks to industrial and social preparedness.

Att. Thos. N. Robinson, who happily and wittily presided as toastmaster during the evening, introduced the various speakers who furnished the entertainment after the elaborate banquet that had been served. The program throughout was of a light nature, the frivolous and the gay being substituted for the customary more serious programs of regular meetings.

Henry Winter of the Holland club responded on the subject, "A Group of Bank Stories." William Connelley of Grand Haven was scheduled to speak on "Relationships," but in his absence Prin. C. E. Drew ably handled this theme. Miss Frances Bosch, tho not on the program, was prevailed upon to give a reading, and she gave an artistic interpretation of several scenes from the "Lion and the Mouse." R. E. Gilbert furnished a saxophone solo. Mr. Pettit of the High school accompanied him. Following that Mr. Pettit tho not scheduled to give a separate number, consented to entertain the company, and he gave a very clever reading. A short story, "The Mother of the New Minister," was read by Arnold Mulder, after which Dr. A. T. Godfrey gave "A Group of Medical Stories."

Mr. Kingsbury Scott of Grand Haven responded to a toast on "Publicity." Having been engaged in newspaper work for sixteen years, Mr. Scott was in position to say many worthwhile things about this mysterious something which is one of the most powerful forces in present-day life. And he said them wittily as well as wisely. William E. Vander Hart was on the program for a Clarinet solo, but his solo consisted in talking about how well he could play and the famous teachers he had studied with, so that there was not time left for the solo proper—which was as he had planned it, of course. The program proper ended with "A Group of Educational Stories," by Supt. E. E. Fell, after which Lionel Heap, next year's president of the Grand Haven club, was called upon for a few remarks.

It was after midnight when the visitors boarded their autos for home, the members of both clubs feeling that the friendship between the two organizations had been more firmly cemented by the joint gathering.

The seventy characters in special costumes carried out the program without a flaw. The Classis Zeeland, Christian Reformed churches met in regular session at the Second Christian Reformed church. When you see the amiable Ame Vennema of Hope College officiate at all the doings in store for friends of the institution decked in official cap and gown of dignity, don't think that it is the latest style, cut from a brand new weave. For style may come and style may go, but the president's gown remains style for ever.

The gown in question was first worn by the Rev. Philip Phelps when he became president of Hope in 1866. It was bequeathed by him to his successor. It has for years been the official gown worn by the late Dr. G. J. Kollen, who in turn willed it to President Vennema.

**WRECKERS OF KING  
FACTORY ON STRIKE**

**DEMAND OF 25-CENT RAISE RE-  
FUSED, 22 WALK OUT AT  
12:45 THIS NOON.**

A new strike has been declared in the city. This time it is the crew of men working at the C. L. Kings Basket factory, wrecking the building under the supervision of Fred Lemcke, superintendent of the Grand Rapids Salvage Co. The men asked for a 25 cent raise on the day's wages and were refused. At 12:45 Monday 22 answered the refusal by walking away from the scene of action and failing to return.

When the work of razing the factory was first started, forty men were employed by the company. This morning, however, only about thirty were engaged in the wrecking. After the walk-out by the strikers, only eight men, the elderly workers of the crew engaged in pulling nails, remained on the job.

**POPPEN VOTED MAYOR  
OF HIGH SCHOOL**

**VANDER WOUDE GOES DOWN TO  
VOTE OF 197-103 FRIDAY  
AFTERNOON.**

N. Meyer is Cler, Jonkman, Treasurer and Van Duren Prosecuting Attorney.

The High school election that took place Friday afternoon and created as much excitement as the choice of the nation will for its head. Two contingents were busy to the last moment, the Poppen crowd, determined that "Poot" was the only possible man to shoulder the responsibility of the mayoralty job, and the Vander Woude backers who could only see "Ikey" in the mayor's chair.

At 3:45 the polls were declared closed with the usual official warning and dignity, and the counting began. Excitement was then at its height, the wise ones openly asserted that they could inform any curious one as to the outcome. When the vote was finally compiled, it was found that Clarence Poppen was the choice for mayor for the ensuing year, he receiving 197 votes to 103 for Vander Woude.

For clerk, Miss Nella Meyer won over Miss Ada Whitman by a count of 259 to 42, leaving her opponent way in the rear.

As treasurer, James Jonkman received 239 votes to 48 for his opponent, Ruth Bauhan. This was also a large majority.

The dignified office of prosecuting attorney falls to Arthur Van Duren, son of Attorney Arthur Van Duren. His rivals for the office were Harold Slagh, 103, and William Vanden Berg, 63. Van Duren polled 133 votes.

The aldermen of the various wards are as follows: First—Peter Van Dommelen and Dyke Van Putten; Second—Mabelle Mulder and Gertrude Mersen; Third—Harold Hunt and Marshal Irving; Fourth—James Klomparsen and Alice McAllister; Fifth—Ben Rutgers and Leona Link; Sixth—Russel Rutgers and Minnie Ray.

The last speeches that were given before election were promises on the parts of the candidates to give the high school the best administration they had ever witnessed in the history of the school and so forth. During the voting several students were surprised to be challenged in the polls and a period of scurrying about for the signatures of their teachers to show themselves passing in their subjects followed. Some were terribly surprised to find that they were not passing, and consequently, not voting.

**SAUGATUCK STUDENTS

**FORWARD MOVEMENT  
CLUB ON UTILITIES**

The Forward Movement Club met Friday evening at the home of Mr. and Mrs. Henry Vande Water, 297 Lincoln Avenue. Responses to Roll Call were on "Current Events."

"Public Control of Public Utilities" was the title of a very interesting and instructive paper read by C. Voorst. "It has been proven," he asserted, "that most of the corruption and graft in our political life today is directly traceable to the evil influence of our public utility corporations. Their very life blood is 'special privilege' and in order to obtain it they are willing to go to any extreme in order to obtain franchises."

Our local gas company was cited as an example of how a corporation does not serve the public nor can be compelled to serve them unless the public is willing to spend thousands of dollars to bring them to time, and even then the ultimate outcome is very doubtful in courts and legislative halls where the very atmosphere is conducive to good growth for every public utility corporation. Not even public control but absolute private ownership of every public utility is the hope of Democracy all over the world.

Refreshments were served by the Misses Vande Water and a very enjoyable evening was partaken of by all.

**TWO HOLLAND MEN  
EASE LABOR WORRY**

**MUSKEGON SUPERINTENDENT OF  
LABOR ONLY ENTICES TWO TO  
LEAVE FOR BOOM CITY.**

That Muskegon is experiencing the same trouble in securing men for work is shown by the presence in this city during the past two days of Otto Weis, general superintendent of labor of that city. His object here was to induce men to move to Muskegon and help that town out of its dilemma in the labor problem. Friday he left with two men, not much success, as Holland is demanding laborers as well.

The Campbell, Wyatt & Carmen Co. of Muskegon Heights has 1200 employees and is asking for 300 more. This firm makes all mouldings for the Continental Motor Works, and the factory is overloaded with orders. The lowest wages paid there per day, according to Weis, is \$2.25.

**WRITER AND  
EDITOR BECOMES  
MOTOR ENTHUSIAST**

**CAN NOW DODGE "AROUND ANY  
FIVE CORNERS"**

Arnold Mulder, editor and author, has at last become a motor enthusiast. Although never dodging the issue in his writings beside making his "Dominee of Harlem" strike straight from the shoulder, he nevertheless invested in a Dodge.

But then the author of "Braun of the Five Corners" now has another vocation and no doubt will need his Dodge to help the people in dodging the dreaded disease tuberculosis. And while he is striking Mr. Consumption right square in the nose in his articles published throughout the state press he incidentally tells the people how this dreaded affliction may be dodged by using precautionary measures.

All the same we hope that Mr. and Mrs. Arnold Mulder may derive much pleasure from their new car this summer and that they may turn the right corner when they meet "Five Corners" at one time.

**TAX RATE HIGHER  
THAN LAST YEAR**

**RATE OF 1915 WAS \$10.26; RATE OF  
1916 IS \$11.77; AUTOS  
BLAMED.**

An announcement from the office of the City Assessor is of great importance to the man of the house. The tax payers of the city are now given the information concerning the rate on which their assessment will be taxed when the payments will be made between the 3rd of July and the 15th of August. The table for 1916 follows:

Valuation .....	\$11,432,641.00
City Tax .....	\$87,593.75
School Tax .....	47,000.00
Total .....	\$134,593.75
Rate per \$1,000 .....	\$11.77

The Table of the past year was as follows:

Valuation .....	\$11,451,639.00
City Tax .....	72,484.45
School Tax .....	45,000.00
Total .....	\$117,484.45
Rate per \$1,000 .....	\$10.26

There is just \$17,019.30 more city and school tax to be raised this year than last. The reason given for the smaller valuation of this year is that the autos have been taken from the tax roll and assessed by the state direct.

This bonus will be included in the next pay given. They also announce that this will be their policy for the next three months, ending July 29.

This action on the part of the company is an agreeable surprise to the employees, being entirely unsolicited by them. The company in so doing is showing its appreciation of those who remain with them.

**MANY CHANGES MADE  
IN OFFICE LOCATION**

**NEW BANK WILL HOUSE OLD  
TENANTS**

**It is Possible That a New Block Will  
Also Be Erected in the Very  
Near Future.**

With the completion of the new First State bank and the remodeling of the old building many changes will take place and several firms will move to new quarters.

The firm of Diekema, Kollen & Ten Cate will occupy four large rooms on the second floor in the front of the bank block, including a large law library. Isaac and Tom Marsilje will occupy three rooms in the center of the building and the Ottawa County Building & Loan Association will be located in a large room in the rear. The large safe of this company has already been moved to the new quarters.

Other changes in location, are the K. O. T. M. lodge from the third floor of the old bank building to the third floor of the Sentinel building on River avenue. The Western Union Telegraph Co. has decided to move from the Holland City State Bank building to a ground floor in the Charlie Harmon building. The Western Union offices will be occupied by Att. A. Van Duren who will have the offices fixed up as soon as the telegraph company vacates the rooms. It is said that the reason why Mr. Van Duren is moving is that the wooden building where he is now located will be torn down in the near future and that the site will be occupied by a beautiful business block. However this is only in prospect.

**COUNTY NOW IS ORGAN-  
IZED AGAINST LIQUOR**

**LA HUIS OF ZEELAND, CHAIR-  
MAN; HENRY GEERLINGS SEC-  
RETARY AND TREASURER**

Large Meeting in First Church Presided Over By Rev. H. J. Veldman.

Before a large crowd of citizens Monday night, the noted speakers of the State Flying Squadron made their addresses and showed sufficient cause for making Michigan dry in November. The main object of the visit of this squadron being to organize the voters of Ottawa county into a fighting body as anti-saloonsists, the nominating committee made their report early in the evening.

As chairman of the county organization, A. K. La Huis of Zeeland was named. Vice-presidents were named as Luke Lugers of Holland, J. C. Lehman of Grand Haven, and J. Ter Avest of Coopersville. Henry Geerlings of Holland was named secretary and treasurer. These nominations were voted upon by the meeting and approved.

District and township and city organizations will be perfected later on. As a fund for the work of this organization, \$3,000 was pledged. Part of this will be used for the purpose of placing a trained worker in the county, while the remainder will go towards helping forward the larger work.

E. K. Mohr, a Sunday school worker, spoke on the subject of "Vision." He emphasized especially the part these Men's Adult Bible Classes should play in the campaign. Grant M. Hudson spoke on the signs of victory and the enlistment everywhere of the business men.

Nathan A. Cole gave his reasons for changing front after having received as high a salary as \$12,000 a year from the liquor interests for being their publicity agent. He arraigned the liquor men for their base methods of corruption and the fallacies in their arguments against prohibition. He laid special stress on the argument of personal liberty.

Prof. J. A. Carroll of California, the soloist, delighted the audience with his songs. George Dok presided at the piano while the Rev. H. J. Veldman was chairman of the evening.

**PLACING SUN DIAL  
NO EASY JOB CARS WARNED AS TO  
SPEED AT COUNTY SEAT**

**IS MUCH LIKE HITCHING IT TO  
A STAR; LINED UP WITH  
FAMOUS OLD PLANET**

William H. Loutit, William M. Connelly and City Manager I. R. Ellison of Grand Haven connected up the new sun dial at the Spring Lake Country club grounds recently. The new dial is a gift to the club by Mr. Blake of Chicago, who is a summer resident at Arbutus Banks and an enthusiastic golfer.

The setting of a sun dial isn't as simple as it may seem and no amateur need expect to be successful. It takes an expert to connect up the dial for service, and Mr. Ellison who is an engineer took his transit and levels and when the proper moment came drew a bead on the old north star. Lining up with the famous old planet, he gave the word and the dial was set in concrete, to the accuracy of a hair.

Wayfarers passing the country club from now on can prove up on the time by taking a comparison of time from the sun dial. It is hitched to the north star and the sunshine hits it just right.

Otto Cohan celebrated his 32nd birthday in Chicago Tuesday.

The Ottawa county road commissioners have ordered signs to be placed at the county line between Ottawa and Kent, Musegon and Allegan, with speed limit caution lettered on them. The commissioners have police powers and have stationed watchers at certain points. Speeding on the Grand Rapids-Holland road has been indulged in frequently and after these warnings are placed the commissioners will use their powers.

Motorists will be pleased to learn that the sink hole in the road in the village limits of Coopersville has at last been made passable and the customary toll of one dollar will not have to be paid to get through this twenty rods. The best route to Grand Rapids is now east to Welsh's Crossing, north to Country Club, west via State Road to Nunica, south one mile, east on Wolverine route to Dennison, cross tracks, continue east two and three-quarter miles, turn south after crossing bridge, arrive at Coopersville, then east, turn south at school, the east, following gravel road to Berlin, angle right thru Berlin, then turn east four and a half miles to Walker road, turn south angling left into Grand Rapids. The detour between Spring Lake and Nunica is necessary on account of construction on concrete road.

**MAYOR'S DECORATION DAY MESSAGE.**

Inasmuch as Gov. W. T. Ferris has set apart next Tuesday May 30 as Decoration and Memorial day, I would as chief executive of the City Holland urge upon every man, woman and child of this community to observe this day in a fitting way, not simply as a holiday, but in the true sense to commemorate the sacred dead and to do honor to the few remaining boys and those faithful women who gave of their very best.

If we can attach any special significance to one year above another this year is one of great moment. Let us show by our presence next Tuesday that we are not slow to appreciate this fact.

J. VANDERSLUIS,  
Mayor.

**HOLLAND TOWNSHIP GIRLS INVOLVED IN AUTO WRECK**

**HASTILY GO FROM GRAND RAPIDS TO DETROIT**

That the two young women in the fatal auto accident early Saturday at Division avenue and Burton street, S. Grand Rapids, gave the wrong names when they told the officers they were Ethel and Frances Clark has been proved by Chief of Police Carroll, who gives their identity as Anna and Fannie Klinkenburg of Holland Town. One of the sisters is married, has two children and was divorced recently, it is said. Since receiving her decree she has been using her maiden name. The young women left Grand Rapids Monday night after informing Chief Carroll of their departure and their new address in Detroit. While E. G. Waltz of St. Johns, Michigan, who was badly injured in the accident, claims that he was not driving more than 25 miles an hour, Coroner Hilliker says that the evidence will show that the auto swerved a distance of 90 feet before striking the telephone pole which caused Miss Ford to be pitched from the machine. He says that when the car hit the telephone pole it was swung about, facing the south before it stopped.
