hose and half hose - 10 cents up

## A. PETERS 5 and 10 Cent Store & Bazaar

East 8th St. Corner Central Ave.

**PUBLIC AUCTION**—Saturday, May 28 at Central Park: household goods will be sold. Three doors north of grocery at the home of Mrs. E. Swift. H. Lugers Auctioneer.

**Boxes for Sale**  
Two or three loads of boxes, barrels and crates with straw for sale. A. Peter 5 & 10c store and bazaar.

**WANTED**—Girl for general housework. Apply Mrs. W. J. Olive 90 West 11th street.

### DE GRONDWET GIVES \$25 FOR BOULEVARD LIGHTS

J. B. Mulder of De Grondwet also wishes to aid in securing the last thousand towards the boulevard lighting system and sends the committee a check for \$25 toward that end. At noon \$325 had already been secured by the committee thru voluntary subscriptions.

The baccalaureate sermon of the Zeeland high school will be delivered by Rev. D. R. Drukker on June 16.

### PROGRAM IS COMPLETE FOR MEMORIAL DAY

PARADE TO BE A SPECIAL FEATURE ON THIS OCCASION

Memorial Sunday To Be Fittingly Observed

Not in years have Holland folks taken such a general interest in Decoration Day as in 1921.

The committee meetings were largely attended and the members did diligent work.

The committees were confronted with more obstacles this year than ever before. The flower committee especially have had a hard time in securing the necessary garlands because of early blooming and severe frost.

These difficulties have been overcome however, and all graves of the soldiers will be properly decorated and the monuments erected in honor of the absent dead will be wreathed in flowers.

Memorial Sunday on May 29, will be observed this year under the auspices of the Grace Episcopal church.

The sermon will be delivered at the usual time, Sunday morning, by the Rev. M. L. Tate, rector of the church.

By reason of the limited capacity

of Grace church, the Hope church consistory volunteered to co-operate with the Episcopalians, and have offered Mr. Tate the use of Hope church on this occasion.

The members of the different military organization and auxiliaries in this city are requested to be at G. A. R. Hall at 10 o'clock in the forenoon of May 29 and be organized and ready to march in a body to the place of worship.

The parade this year will be more pretentious than ever for the reason that besides the different organizations that participated in other years, nearly 1,000 school children will take part and the newly organized National Guards in full uniform will also be in the line of march, and it is said that the mail carriers' force also have decided to take part this year.

The speaking program too has not been neglected. Holland's foremost orator Hon. G. J. Diekema will be heard from in his opening remarks, and he as president of the day will introduce in turn former Governor Chase S. Osborn, whose ability as a speaker is second to none.

The program below is officially complete. A unique feature of this program is a compilation by G. Van Schelven headed, "Our Honored Dead", showing that heroes of five wars lie buried in Pilgrim Home Cemetery.

### MEMORIAL DAY, 1921

President.....Hon. G. J. Diekema  
Chaplin.....Rev. M. L. Tate  
Orator.....Hon. Chase S. Osborn  
Reader.....Miss Cornelia Steketee  
Marshal.....Seth Nibbelink  
Bugler.....George Moomey

### COMMITTEES

Executive—C. H. McBride, E. P. Davis, Mrs. G. J. Diekema, Jacob Lokker, J. J. Riemersma.  
Finance—Henry Winter, Otto P. Kramer, Henry Luidens.  
Invitation and Program—Dr. A. Leenhouts, Mrs. J. S. Dykstra, B. A. Mulder, G. Van Schelven, M. Vande Water, Dr. Wm. Westra.  
Parade—John Homfield, Ernest Brooks, Miss Rose Sooter, Mrs. William H. Orr, Carl Shaw, Andrew Hyma.  
Flowers and Decorations—Harry R. Doesburg, Fred T. Miles, John Van Bragt, Mrs. Thomas Marsilje, E. E. Fell, G. W. Kooyers, Henry Van Lente, Fred Beeuwkes.  
Grounds—Herman Woltman, Jack Knoll, Henry Woudstra, Eugene Goudreau, Ed Maatman.  
Music—John Van Vyven, Ed Stephan, Miss Evelyn Keppel, Willis A. Diekema, George Moomey, Arend Siersma.  
Conveyance—John Boone, Andrew Klomparsen, W. H. Orr, A. Barnum, G. L. Henkle, D. B. Thompson, George Kardux.

### Program of Exercises—Centennial Park, 9 A. M.

"Hail Columbia"—American Legion Band.....J. Van Vyven, Director  
Proclamation by Gov. A. J. Groesbeck.....Miss Cornelia Steketee  
Opening Remarks.....Hon. G. J. Diekema, President of the Day  
Invocation.....Rev. M. L. Tate  
Selection.....High School Chorus  
(300 Voices, Under Direction of Mrs. Mable W. Graham)  
"Star Spangled Banner".....American Legion Band  
Address.....Hon. Chase S. Osborn  
"America".....The Audience

### THE PROCESSION

At the close of the exercises in Centennial Park, Procession will form under the direction of the Marshal and his assistants, as follows:—  
1st Division—Tenth Street, the Right resting on River Ave.  
2nd Division—Central Ave., the Right resting on Tenth St.  
3rd Division—River Ave., the Right resting on Tenth St.  
Line of March—West on Tenth Street to River Avenue, North on River Avenue to Eighth St., East on Eighth St. to Columbia Ave., South on Columbia Ave. to Ninth St., where the procession will disband and conveyances be in waiting for those who are to take part in the exercises at Pilgrim Home Cemetery.

Automobiles and Carriages are urgently requested to vacate the streets when and where the procession is being formed.

### ORDER OF PROCESSION

First Division—Seth Nibbelink, Marshal

1. Holland Legion Band.
2. Fire Department.
3. Post Office Department.
4. School Children
5. Decorators
6. Boy Scouts.

Second Division—Henry P. Zwemer, Ass't Marshal

1. City Officials in Automobiles.
2. Officers of the Day in Automobiles.
3. G. A. R. and Veterans in Automobiles.
4. Women's Relief Corps in Automobiles.
5. Holland Martial Band.
6. Spanish War Veterans.
7. American Legion.
8. Auxiliary to American Legion.
9. Holland National Guard.
10. Ambulance.

### EXERCISES AT "PIRGIM HOME" CEMETERY

In Charge of Comrade G. Van Schelven, Commander of A. C. Van Raalte Post, G. A. R.

1. Distribution of Flowers to Decorators at West Entrance. Assignment in Pilgrim Home and South Side Cemeteries, to graves of all deceased Soldiers buried there. Also grave of Dr. A. C. Van Raalte.
2. Forming of procession. March to Monument Square. Placing of colors.
3. Song by the Audience, cornet leading.
4. Bugle Signal. Dirge by Band. Salute by Colors. Placing of flowers on scattered graves throughout cemeteries. Return of Decorators to Monument Square.
5. Observance of Memorial Day. Proclamation of President Harding by Reader, Miss Cornelia Steketee.
6. Invocation—Rev. M. L. Tate.
7. Lincoln's Gettysburg Address—By Reader.
8. Roll Call of Departed Comrades of the Civil, Spanish and World Wars, buried in our Cemeteries.
9. Dirge by Band. Salute by Colors. Decorating of graves in Monument Square.
10. Song—Tenting Tonight on the Old Camp Ground," by John Van Vyven and Quartette.
11. Roll of the Absent Dead, as Inscribed on Monument.
12. Dirge by Band. Salute by Colors. Decorating of Civil War Monument by Sons and Daughters of U. S. W. V.
13. Firing of Military Salute—Squad of U. S. W. V.
14. Taps—George Moomey.
15. Benediction—Rev. M. L. Tate.

### OUR HONORED DEAD

With Us	Absent
Napoleonic Wars, 1800-1816.....2	3rd Mich. Infantry.....3
Mexican War.....2	8th Mich. Infantry.....8

### FIRE DEPARTMENT HELPS WITH CITY'S NEW WELL

FIRST POINT DRIVEN DEVELOPS ONE HUNDRED AND TWENTY-FIVE GALLONS A MINUTE

Ten Points Are To Be Driven; Second One Goes In Today

The new well east of the city is developing fine and although we cannot hold our hopes too high, Mr. Champion states that the initial point driven and completed does as well as did any well in the city at the start.

Yesterday Chief Blom and a few of his men took the big pumper to the prospective well and attached the suction pipe to the newly driven well point and took water from it at the rate of 125 gallons per minute.

This news is certainly very gratifying if all points driven from now on develop the same amount of water.

The Board of Public Works already has material on the ground to drive nine more points and if the other points develop the same capacity, Holland can be assured of another well as good as the two that now comprise our supply.

Mr. Champion states that the city has a pump in reserve and as soon as the new well shows sufficient promise then this pump will be installed immediately and at the rate shown by the first well point driven, this city may soon have an added water supply of more than 1000 gallons per minute which will mean that our supply will be augmented by about one-third more water. Chief Blom of the fire department is co-operating in every way and Mr. Champion promises a night force within a few days when a man can be taught how to run the boring machine for the night work.

The quality of the water is the same as what we now have. Mr. Champion sent a sample to the State Board of Health for analysis and a report should be forthcoming within a week or ten days. The first test might not prove as satisfactory as would be desired, but the superintendent states that this would not worry him for the reason that other wells in the city when first developed, had to be operated for several weeks before the desired standard of water was attained.

Mr. Champion stated that he would not promise exactly when the well would be completed, but if nothing unforeseen prevented work, the well should be ready within six weeks.

### SEMINARY GRADUATE WEDS HOLLAND GIRL

MARRIAGE OF JOHN R. MULDER AND JANET SCHOON IS SOLEMNIZED

A very pretty wedding was solemnized last evening at six o'clock when Miss Janet Schoon, daughter of Mr. and Mrs. Peter Schoon, 88 West 16th street, was united in marriage to the Rev. Mr. John R. Mulder eldest son of Mr. and Mrs. Robert Mulder, 2 W. 9th-st. The ceremony was performed by Dr. John E. Kuizenga. After the wedding supper Mr. and Mrs. Mulder left for Western states, including Iowa and the Dakotas.

The ceremony was introduced with a vocal solo by Miss Helene Vander Linde, singing "I Love You," Miss Magdalene Mulder, sister of groom, accompanying. Miss Mulder then played Lohengrin's wedding march as the couple marched under an arch of snowballs and ferns, pretty little Joyce Notier acting as ringbearer, with Mr. Peter Mulder brother of the groom, as best man and Miss Gertrude De Witt, daughter of Mrs. G. De Witt as maid of honor. The troth was pledged with the double ring service.

The bride was beautifully gowned with white chiffon trimmed with pearls, and carried a bride bouquet of white roses and swansons. The maid of honor wore gorgeously trimmed with taffeta and carried a bouquet of sweet peas.

Mrs. Mulder is a graduate of Holland High school and for several years held the position of book-keeper and stenographer at the P. S. Better & Co. stores. She was very popular socially and was very active in the young women's affairs at Trinity church. Mr. Mulder was recently graduated from the Western Theological Seminary, delivering the commencement oration. He is a graduate of Hope College, the class of 1917, and distinguished himself with his scholarly attainments, winning a fellowship at the University of Michigan, where he attained his Master of Arts degree. Mr. Mulder is considering a call from Reformed church at Raritan, Ill.

### LOCAL

Prof. Wynand Wichers of Hope College delivered the baccalaureate sermon to a class of sixteen students of the Allendale schools. Jacob Lokker and J. Sturink of the Lokker-Rutgers Co. have just returned from Chicago where he picked up a large consignment of new goods. The two Holland men motored down.

### GAS COMPANY WILL LAY TWO MILES OF MAINS THIS YEAR

MAYOR STEPHAN GETS ANOTHER PETITION FOR GAS CONTAINING 33 NAMES

Citizens Do Not Realize That They Must Take Hold of Their Own Petitions

Mayor Stephan has received another petition containing 33 names asking for gas on 16th and 17th streets and Van Raalte avenue.

Already three petitions have been sent in and thus far the Holland Gas Works has applications enough for the laying of more than two miles of mains in the two wards. This is about all they will be able to take care of this year, however, that does not say that those who desire gas now or at some future date should not apply immediately.

Gas will be furnished to prospective users in the order that the applications are received, provided of course that this is found expedient.

The Holland Gas Works has already ordered pipes for more than two miles of mains, and construction work will soon begin.

Many residents of the 5th and 6th wards are calling up the Mayor's office asking when the gas mains will be laid by their homes. They seem to fail to understand that applications must be made through petition to the Common Council or the Gas Works, and these petitions are acted upon provided there are enough gas users on the street to make it pay.

Neither the city officials, nor the gas company are around soliciting this business.

It is a case of the gas company helping those that help themselves.

### WELL USED FOR TWENTY YEARS DEVELOPS SALT

DEMONSTRATES THAT NO WATER SOURCE IS SAFE TO DEPEND UPON

The big water question is now confronting Holland, and while this story has nothing to do with Holland's water source, what happens here, might happen to this city's water wells or any other water supply, and should such a catastrophe take place, Holland would find itself without water overnight.

The case in point is two wells near the Holland Furniture Co. For twenty years the boilers of this shop were supplied with water from either one or the other of the two wells.

About a year ago the well constantly used, suddenly developed salt, and Manager Stephan was at his wits ends to get a temporary water supply.

The salt filled the boiler with scale, soon making them difficult to fire, making this use of the water impossible.

The Holland Furniture Co. connected up with the second well. For two months this well gave very fine water, no scale being evident in the boilers and the management was just beginning to congratulate itself upon the success of the second well when suddenly salt also developed in well No. 2, and these sources of water supply had to be abandoned after they had been in use for a score of years.

This example demonstrates forcibly that any source of water supply is perpetual.

Holland really had a fine well of water on 20th street and Pine Ave. The volume of water supply at that point is wonderful. The pumpage direct from the well is as clear as crystal, but when pumped into the mains it developed rust and at intervals the rust deposits would come through hydrants and faucets and the well had to be abandoned.

Aside from the color given to it, the water itself was absolutely pure and healthful and is today.

### STRAND THEATER

The House of Good Pictures

Today—Louise Lovely in "Partners of Fate" and Chaplin in the "Emigrant."

Friday—Dorothy Dalton and Charles Ray in "Back of the Man" and Pollard comedy.

Saturday Douglas Fairbanks in "The Law" and Eddie Pollo.

Monday Billie Rhodes in "His Pajama Girl" this is a scream, of a comedy drama and Borrowed Skirts comedy.

Tuesday and Wednesday, "The Biggest Picture of the season is 'The Penalty,' a super-special, Rex Beach presents Gouverneur Morris a picture that will set the whole town talking. Why did every crook in San Francisco tremble at his frown? Why did he hold thousands in peril of their lives. Come and see the Strand Tuesday Wednesday, Regular Prices.

## THE BIG WATER PROBLEM FACES HOL- LAND AT LAST

This spring when the question of building a municipal gas plant was left to the voters to decide, those who were far-sighted enough to comprehend the actual needs that Holland had to face in the near future publicly expounded that before a gas plant was installed at a cost of nearly half a million dollars the first needs should not be lost sight of.

One of the needs was a sewer disposal plant, another was a new hospital, and a third was more water. All very important, in fact imperative needs.

Those who watch city business closely knew, and the Board of Public Works, and Mayor and Common Council, have known for a long time, that the water problem is harassing the city officials as it never has before.

The general public knew only in a perfunctory way that Holland was short of water, and that sprinkling the lawn is rather slow business.

But aside from the impatience displayed, because the stream from the nozzle didn't function more liberally, the average citizen does not give the question much thought.

It will therefore come with rather a shock, to know that Holland is nearly dry, and this dryness has nothing to do with Volstead law either.

The cases that Holland once had are beginning to fail us. The city wells which when first discovered were thought to be of the ever-flowing variety, seem to be petering out.

The water supply in one of the wells has diminished at least 50 per cent and the other well has developed a silt sediment which is also rapidly reducing the flow into this well, and what the result of this new dilemma may bring is hard to conjecture, and even the superintendent and members of the Board of Public Works have no means of knowing.

The short dry spell has brought Holland face to face with a serious condition, and you cannot lay stress on this fact too strongly.

Holland is facing a water famine, not because there is an over abundance of water used, but because Holland hasn't water enough, and the supply from the original sources is diminishing rapidly. It may not be generally known that Holland's wonderful quality of water is surface water notwithstanding, drained from some 2,000 acres of wonderful water shed to the south of us. But Holland cannot expect that this supply is going to remain inexhaustible with the city growing daily and large numbers of water users being added every week.

As was said before, in a general way it was known that this city did not have an over supply of water, but the short dry spell brought in so many complaints from water users that the seriousness of the condition soon became apparent. Water faucets on second floors all over the city failed to respond when water was necessary and on the hill in the 5th ward even ground floor water cocks went dry, and we haven't even entered our summer months.

The complaints came in so thick and fast that Mayor Stephan immediately called a meeting of the Board of Public Works and not a member was absent, and you may be sure that a more serious-minded gathering has not met in Holland for some time.

The hands of the Board of Public Works are tied, they surely haven't got the power of Moses, who struck the rock and water came forth. The Board must find new water sheds with plenty of water, otherwise we may face a period of dead lawns and unsprinkled streets, in order that the supply may go for drinking and culinary purposes, and of course for one of the greatest needs, namely fire protection.

Superintendent Champion has struck a promising vein of water on the Zeeland road, a quarter of a mile

out from the city limits.

The board Saturday instructed Superintendent Champion to get all the necessary pipes and apparatus for driving, and to work on this prospect day and night, putting at work enough men so that the 24 hour gait could be kept up.

However we should not hold our hopes too high over this prospect, as it may pan out to be entirely inadequate.

The city officials are grasping at every straw, hoping that temporarily this water famine may be staved off.

Citizens however must prepare themselves for one thing, and that is the fact that the water problem is right on top of us when we all thought that it might be staved off for a few years at least. It is a situation that we have got to face and the great problem is in what way are we going to face it?

The writer in an interview with Supt. Champion, readily ascertained that the water condition here is the liveliest question we have today.

The interview with Mr. Champion follows below. Said Mr. Champion:

The Board of Public Works is confronted with a serious problem in its efforts to supply the city with its water requirements this summer. As is well known, all the present supply is furnished by the 19th and 28th street stations. Each of these stations is equipped with two 1100 gallon per minute pumps, altho the supply at either place is not sufficient to operate more than one at a time.

During the first few years after the installation of the 28th street station in 1914 it was possible to obtain for a time at that time, as high as 1800 gallons per minute. Commencing in 1918, however, the yield from the 28th St. Station has been falling off gradually until March of this year when somewhat less than 700 gallons could be obtained.

The station was shut down on March 16 and pumping was resumed on May 21st. During this time efforts rect the fault causing the diminished yield. It was successively assumed and then disproved that it was being admitted through some break in the system; that the ground water level was so low it uncovered the top of the well screens thus admitting air and, finally that the screens were clogged. When it was decided that the screens were clogged an air compressor, with the necessary appurtenances, was secured and, when installed, a program of "back-blowing" the wells was started.

This operation has for its object the opening of the screen and the cleaning away of firm sand immediately surrounding the screens. The results have been very discouraging in-so-far as increasing the yield of the wells is concerned.

The conclusion has about been reached that during the many years the plant has been in operation and during which time the ground water has been very materially lowered, the fine sand in the soil, much finer, even than the lake sand found on the beach, has flowed along toward the wells and has gradually filled the void in the coursing sand strata. This results in putting the soil in such condition that it will not readily yield the water quickly enough to supply the wells. If this thought is ultimately confirmed by the work now in progress, it means that the 28th street station has become an unimportant source of water supply.

Investigations for additional ground water supplies are in progress east of the city on the Zeeland road. The work to-date is quite promising. A very good deposit of water bearing gravel has been located and if extensive enough it will doubtless prove sufficient to meet our requirements. At a meeting of the Board of Public Works held May 16th the superintendent reported what had been found thus far and he was authorized to proceed with the utmost energy to prosecute the investigations. A special meeting of the Board, called by the mayor, was held on the morning of May 21st, at which time the whole situation was fully inquired into and discussed.

The superintendent was authorized to proceed with the development of a supply at the 28th St. project as soon as he felt it was at all justified. Arrangements have been made with Chief Blom of the fire dept for a test on the new well Tuesday which occasion, it is hoped will give ground for the immediate purchase of the necessary pipe and equipment. It is believed that some relief may be had within thirty days if the project proves to be warranted.

The superintendent was authorized also to limit street sprinkling when in his judgment it ought to be done. As a matter of fact, the water used on the street is a very small proportion, from 5 to 10 per cent of the total.

The rain of Monday night came as a godsend to the farmers of Ottawa County. Reports from this section of the county showed that the need for rain was very great. With the spring crops being put in, moisture was particularly needed at this time to give the seed a good chance to germinate.

Crop conditions in this part of Ottawa county are on the whole fair, according to the farmers, altho some crops have suffered during the winter. In some sections for instance, wheat, rye and other grains that are sowed in the fall have suffered from a practically snowless winter. The snow is a natural protection for such crops, safeguarding them against the frost, but the past winter the fields were bare most of the time. Hence much of the wheat and rye has come into the ear when it is much smaller than usually at this time.

But the opportune rain that came Monday evening is expected to have considerable effect in helping these crops to pick up before harvest time some weeks hence.

## WINDING UP THE BOULEVARD LIGHT PROJECT

The matter of boulevard lights for some reason has been lagging a little and this morning the members of the different committees pulled themselves together and were bound that this project is not going by default.

They realize that the Common Council has done the handsome thing and they are going to show their appreciation by winding up the matter quickly.

Tuesday morning an earnest meeting was held, when committee men talked right from the shoulder. Some stated that they had put in weeks of work on this thing, and they were not going to let a few kickers and whiners throw a monkeywrench in the machinery.

The business men's committee is within \$1,000 of securing the required amount, and one business man said it all, when he stated, "We business men would surely be put in a ridiculous light to have it made public that Holland because it was a mere \$1000 short, failed to put over a beautiful boulevard lighting system on its principal streets, a project that they had been hoping for, for the past ten years."

Another one stated that if the lights were once installed, not a citizen would begrudge money spent, and they would no more think of taking a pole from 8th street, than they would of saving a tree down in Centennial Park.

No one can appreciate how far Holland is behind in this matter until he visits other cities where they have these conveniences.

Without boulevard lights, Holland looks like a village at night, and strangers do not appreciate its real size. Put in the lights and see the transformation.

A committee of ten, headed by the most prominent business men will start combing the city tomorrow for the amount subscribed and not paid, and also for additional subscriptions on the principal streets and in other parts of the city. In the list canvassed the manufacturers will not be overlooked.

Surely if in all Holland \$1,000.00 cannot be gotten together for such a worthy cause, well—we'd hate to say what we think.

The Holland City News and Sentinel boosted this project for several years, we have spent considerable money on the first proposition when it was defeated. We have already paid more than our quota on the present subscription list, but to show that we wish to do something more than advise, we will further pledge ourselves to an added subscription of \$25 for the News and \$25 for the Holland Daily Sentinel, to be applied as an initial subscription on the \$1,000 that the committee is said to be short.

## HERE ARE SEVEN DAUGHTERS TO BE PROUD OF

You have heard of the seven Sunderland sisters, who had such wonderful hair that they sat all day admiring it. They were not in it with the seven daughters of a neighboring farmer.

You have also read the forceful story from the "good book" of the seven wise and the seven foolish virgins. Well Forest Grove has a parallel case in which seven daughters exemplified in a way the thoughtfulness of the wise ones.

Seven Ter Haar sisters sent their mother for a two days' visit to relatives in Byron Center and upon her return she found her home cleaned from attic to the basement and the faces of the seven daughters and the cleanliness of the home plainly indicated to the observing mother the surprise the seven sisters had in store for her.

## DIES AT THE AGE OF EIGHTY-TWO

Martinus Yonkman passed away at the home of Mrs. Cecil Huntley, West 14th street, one of his daughters.

Mr. Yonkman had gradually weakened during the past few weeks with heart failure. He was born 82 years ago in North Brabant, the Netherlands, and came to this country 54 years ago.

During his early years he conducted a grocery store on the corner of 10th and River avenue and later was in the clothing business with Johannes in Dykema in the present Boter location. Since coming to this country he was a member of the Central Avenue Christian Reformed church. He is survived by two sons, Nicholas Yonkman of Fort Wayne, Ind., Fred Yonkman of Minneapolis, Minn., and four daughters, Mrs. Jas. Wall of Kalamazoo, Mrs. Albert Meyer of this city, Mrs. W. D. Clock, of Otsego, and Mrs. Cecil Huntley, living on W. 4th street. Funeral arrangements have not yet been made.

Walter Johnson and Cornelius Derkse were fined \$1 each and costs for riding bikes on the sidewalk. Justice Brusse imposed the fines.

J. H. Etterbeek has sold his house and lot on East Main street, adjoining the North Street church on the west to Dr. Fred Jonker of Holland. —Zeeland Record.

## JOSEPH BURNS LOSES HIS LIFE IN THE LAKE

Black Lake claimed its first victim Tuesday when Joseph Burns, son of Mr. and Mrs. William Burns, West 9th street, lost his life by falling into the water while fishing on the piles back of the Western Machine Tool Works. While the boy was in the water twenty minutes before he was brought to the surface, it is believed by Dr. Thomas, who was on the scene almost immediately, that death was not due to drowning but to heart failure.

The boy some time ago had been subject to spells, but he had not had them for some time. It is supposed however that he suffered an attack while fishing.

The accident happened about 11:30 Tuesday forenoon. A hurry-up call was sent to police headquarters for the pulmotor and it was rushed to the scene of the accident. But life was extinct when the boy was taken from the water and all efforts to resuscitate the victim of the tragedy proved useless.

Joseph Burns would have graduated with the class of 1921 from Holland high school. He finished his work in high school last February at the close of the first semester of the school year and since that time he has been out of school but he would have returned on commencement night to receive his diploma from the hands of Supt. Fell together with others who finished their work in February and with those who finished in June.

The body was taken in charge by the Dykstra undertaking firm. Arrangements for the funeral have not yet been made. Burns was 18 years old.

## HEADS LIST FOR BOYS' BLEACHERS

The ball has been started rolling in the matter of securing bleachers for the boys of Holland on the base ball diamonds. Mr. G. A. Lacey has announced that he was willing and eager to head the subscription list with three dollars. If there are some twenty others in Holland who will follow Mr. Lacey's example, the bleachers will be assured for the boys. It is believed that others will help the project along. Anyone wishing to do so may report to the Sentinel.

If the bleachers are provided, the boys of Holland of twelve and under will be admitted free of charge to the games that the Holland Independents will play on the local diamond this summer.

## CRISP PIONEER DIES AT GRAAFSCHAP

John Baldewyn aged 70 years, died Monday at his home in Graafschap. Mr. Baldewyn was born in the Netherlands and came to America in 1881. He lived on a farm in Crisp for many years and recently went to make his home at Graafschap. He was a member of the South Olive church, which church he helped to build.

The deceased is survived by his wife, two daughters, Mrs. N. Schipper and Mrs. Wm. Noor; 13 grandchildren, 1 great grandchild and one brother in the Netherlands. The funeral will be held Wednesday afternoon at 1:30 from the home and at 2 o'clock from the Graafschap church, Rev. Bolt of Graafschap officiating. Interment will take place at Graafschap.

## MOTHER OF LOCAL MANUFACTURER DIES

Mrs. J. Vander Berg, mother of L. J. Vander Berg of this city, died at her home Sunday in Grand Rapids, at the age of 82 years. Mrs. Vander Berg was born in the Netherlands and came to this country 57 years ago. She has been a resident of the west side in Grand Rapids for 58 years.

The deceased is survived by her husband, four daughters, and one son. The funeral will be held Wednesday afternoon at 1:30 at the home, 416 Lane Avenue, Grand Rapids.

## CONTRACT IS LET FOR NINTH STREET PAVING

The contract for paving Ninth-st. was let Friday evening to the Willite Road Construction Co. of Detroit. The city is to lay the curb and gutter, while the Willite company will lay a six inch compact gravel base covered by two inches of "Willite." This will be the first "Willite" pavement in Holland. The company will receive 50c per square yard for the base and \$1.69 per square yard for the top.

How closely Engineer Zuidema had figured is shown by the fact that the bid of the Willite company varied only \$988 from the estimate, being \$988 lower. The complete estimate for the paving, for curb and gutter work and all incidentals, including interest on a ten year basis, was \$77,445. It is believed that the final price will be lower than that, since it is expected that labor will not cost the city quite as much as provided for in the estimate, and there will be other reductions. Another item of importance is the interest. The interest covering the ten year period would amount to \$21,928. If all the property owners should decide to pay cash for the job this amount could be deducted from the cost of the job.

## CAN I AFFORD TO BUILD?

One of Our Holland Ideal Homes.

This is a question which is perplexing many persons to-day, when, as a matter of fact, they should be wondering "Can I afford not to build?"

Rents are still high—and all present indications are that they will remain so. Now the question is whether or not you can afford to go on paying from \$35 to \$40 per month merely for a place to live, and be no further ahead at the end of the year.

This same amount of money put into a new home is sound investment! A savings account! an asset!!!

Lumber and other materials are down in price to a level where you can't afford to put off building longer.

We have plans for you that cover the entire building field. These are for your assistance in solving the big "Can I Afford" question.

Come in or call us and let's work this home building problem out together.

WE BUILD THE

## CONTRACT LET FOR STANDARD OIL SERVICE STATION

As has already been chronicled, the officials of the Standard Oil Co. sometime ago refused to heed the request of members of the First Reformed church, besides a large list of petitioners from other churches, asking that the new service station be not built on the site purchased for that purpose on the Northwest corner of Central avenue and 9th-st.

A committee of the common council at that time brought in a report allowing the Standard Oil Co. to build, and after this was done members of the above named church asked the committee to rescind its action, for the reason that the service station on that corner would cause a disturbance on the Sabbath, and was demoralizing to the youth who would thus see the Sunday laws broken.

The committee however felt that eventually, and as the city grew, the church would be surrounded by mercantile business, and they could not prevent property owner from selling his property to a person who gave the highest price.

They felt that constant discrimination against different lines of trade that might locate there, preventing the sale of the property, would eventually make this property worthless, for the reason that no business enterprise would take a chance to purchase. Anyway the whole matter died down again, and no doubt, the church authorities altho not satisfied, are making the best of the situation.

Now the final stage has been reached and the contract has been let to erect a one story service station on what is called the Takken property.

Contractor "Fritz" Jonkman has secured the contract and states that the building will be much the same as the other service stations erected by the Standard Oil Company in Grand Rapids, Allegan, Muskegon and other cities. The sum to be spent is in the neighborhood of \$5,000 and the building is to be ready for occupancy by July 1st.

Altho the place will be surrounded by lawns and shrubbery, the rest rooms spoken of before are not in the building plans. It is said that the building will be very neat and ornamental, however.

## FIFTH AND SIXTH WARDS TO NOW HAVE GAS

At last after years of litigation and the spending of a great deal of money for law suits and investigations it appears that the gas question is settled in Holland and residents of the Fifth and Sixth Wards who have been without gas all this time will finally have this long felt want filled.

In the flush of victory, the newly elected mayor promised that, being elected to the office of mayor, he pledged that before his term of office expired he would see to it that the Fifth and Sixth wards would have gas the same as the citizens in the other wards.

Even Mr. Stephan's political friends considered that this was a rather rash promise to make considering the difficulties that confronted him and have harassed other city administrations since the question was agitated.

But the mayor backed by a whole-hearted co-operating council took hold of the matter in a business like way, first appointing a committee in whom every one had confidence and whose duty it was to give a proper appraisal of the plant. This being done the voters were given a chance to purchase the present plant at the appraised value. When this proposition was turned down a second one was voted on namely to build a municipal plant. This proposition being unanimously defeated the decks were clear to negotiate with the present company, which Mr. Stephan has been doing for the past few weeks, with the result that Mr. Joseph Brewer of the American Public Utilities Co. has written the mayor a letter setting forth the fact that the Holland Gas Works is now ready to make extensions wherever those can be made without penalizing the vast majority of consumers.

The letter to Mayor Stephan is given below in full:

Dear Mr. Mayor—

I have your letter of May 17th We have approved a job order to extend our main on West 19th street and at the south end of Central Av. The number of signatures on the petition hardly warrants the extension but we are going to do it anyway. This must not be accepted however as a precedent. We will pursue the same policy that the city of Holland does in the extension of water and electric service—only where they are profitable. If any other course is pursued our present consumers will be penalized in order that the company may give service to those less fortunately situated.

Yours very truly

Jos. H. Brewer, Pres.

**HAMILTON NEWS**  
Gerrit Brower who has been ill with pneumonia is improving nicely.  
Rev. Ter Low preached in Newkirk, Ia. Sunday. He received a call from that place a few weeks ago.  
Mr. and Mrs. Raleigh Vander Kolk, and Minnie Nielsen visited at the home of John Pieters.  
Mr. and Mrs. Peter A. Krsten visited at the home of H. Tanis.  
Rev. Vander Werp of Holland preached in the First Reformed church Sunday.  
Herman Nijhof has purchased a new Ford. Miss Edla Van Putten visited friends in Hamilton Sunday.  
Seven tenth graders of the Hamilton high school graduated Thursday. Prof. Welmers of Hope College gave a nice talk. The program consisted of a few orations, a piano solo and a song by two little girls and the class prophecy.

Contractor Fritz Jonkman was in Grand Rapids on business Friday.

## COMMON COUNCIL

Holland, Mich., May 18, 1921.  
The Common Council met in regular session and was called to order by the mayor. Present—Mayor Stephan, Ald. Blue, Lawrence, Dystra, Wiersma, and Vander. The minutes of the last meeting were read and approved.  
O. Greengrove and others petitioned for sprinkling services on Eleventh street between Lincoln and Fairbanks avenues.  
Referred to the Committee on Streets and Closures with power to act.

The Chas. F. Lambert Company petitioned for permission to build a bicycle shed on the Sixth street side of their factory between the sidewalk and curb line.  
Granted.

The Pere Marquette Ry. Company and others, property owners on Seventh Street requested the Council to reconsider the paving of Seventh street and not pave same at this time on account of the high cost of material.  
Filed.

A. Michershuizen petitioned for the use of the sidewalk to the Light and Water Station for unloading coal.  
Referred to the Committee on Streets and Closures.

J. W. Himebaugh petitioned for license to engage in the business of conducting a pool and billiard parlor at No. 34 West Eighth-st. and J. E. Benjamin as sureties.  
Referred to the Committee on Licenses.

John W. Post petitioned for license to engage in the business of conducting a pool and billiard parlor at No. 74 East Eighth Company Bond.  
Referred to the Committee on Licenses.

George Mout petitioned for license to engage in the business of constructing sidewalk and presented bond as required with Dick Boter, and John Van Telenhove as sureties.  
Approved.

Cor. Last petitioned for license to engage in the business of constructing sidewalks and presented bond as required with Jacob Boss and A. C. Keppel as sureties.  
Approved.

R. Forten and others petitioned for the placing of a street lamp at the corner of Twenty-second street and Ottawa Ave.  
Referred to the Committee on Public Lighting.

**Allowed and warrants ordered issued.**  
The committee on Poor reported presenting the report of the Director of the Poor for the two weeks ending May 18, 1921, in the sum of \$124.00.  
Accepted and filed.

Ald. Damstra here appeared and took his seat.

The committee on Sewers, Drains and Water Courses reported recommending that the necessary piping and manholes be constructed for the draining of 15th street east of Maple avenue and 19th street east of College avenue, and that the City Engineer be instructed to purchase the necessary material for same.

Adopted and authority to purchase the material granted.

**Reports of Select Committees**

Ald. Lawrence chairman of the special committee on "George E. Kollen Memorial Park" reported as follows—  
Under this head we might report to the council about the work we are doing in conjunction with the Park Board at the George E. Kollen Memorial Park. So far we have accomplished the work of removing all the ash and rubbish amounting to hundreds of tons of old wire, which made the place a place of loads and also the removal of hundreds of logs. Then further, we have leveled and filled in some of the more unsightly holes, altogether making the place looking a hundred per cent better than it did six weeks ago.

Yesterday we let the contract for the blasting out of the concrete rate, and after this work has been accomplished we shall be ready for the plans. We are at present negotiating with Mr. Goebel of Grand Rapids, one of the greatest architects and landscape gardeners in the country, to prepare for us plans and specifications for the laying out of the Park. Mr. Goebel has been on the ground twice and claims that in his estimation, considering the topography and its location bordering on the lake, this piece of property is one of the most ideal for park purposes he has ever seen, and that after being fully developed this park would be one of the City's greatest assets and one on the beauty spots in the state.

In conclusion we would suggest that in the very near future the Council officially place the park under the jurisdiction of the park board with the hope that the council will give every assistance to the board for the development of the property.

Respectfully submitted,

Wm. Lawrence.

Approved and filed.

The aldermen of the first ward to whom

was referred the petition of Julia Nemoaher to have her premises connected with the sanitary sewer under the provisions of Ordinance No. 808, reported having duly considered and investigated same and recommended that the agreement for same be accepted and the petition granted.  
Accepted.

The City Attorney submitted the Attorney General's opinion relative to the authority of a city to create special assessment district for the purpose of installing boulevard lighting.  
Filed.

**Allowed and warrants ordered issued.**  
The Board of Public Works reported the collection of 1443.61 Light, Water and Main Sewer Fund collections.  
Accepted and the Treasurer ordered charged with the amount.

The City Clerk reported the collection of \$461.27 for license and U. S. C. and presented Treasurer's receipt for the amount.  
Accepted and the Treasurer ordered charged with the amount.

The Treasurer reported the collection of \$512.07 from Holland Hospital and \$434.00 from the Board of Education for their share of the cost of the auto purchased for the city nurse.  
Accepted and the Treasurer ordered charged with the amount.

Justice Bruess reported the collection of \$6.80 Ordinance Fines and Officers Fees and presented Treasurer's receipt for the amount.  
Accepted and the Treasurer ordered charged with the amount.

Justice Den Herder reported the collection of \$7.70 Ordinance Fines and Officers Fees and presented Treasurer's receipt for the amount.  
Accepted and the Treasurer ordered charged with the amount.

The City Engineer submitted plans, specifications and estimate for the cost of grading paving and otherwise improving Seventh-st. from the east line of River avenue to the west line of the Michigan Railway Co. viaduct at Lincoln avenue. Total estimate of cost \$41399.77.

On motion of Ald. Wiersma  
The plans, specifications and estimate of cost were provisionally adopted, and ordered filed in the Clerk's office for public examination, and the Clerk instructed to give notice that the Common Council will meet at the Council rooms on Wednesday, June 16, 1921 at 7:30 P. M. to hear objections and suggestions to said proposed improvement.

On motion of Ald. Damstra  
The Clerk was instructed to advertise for bids for the grading and for the furnishing of material and for paving Seventh street. The Clerk submitted bond of Richard Overweg, city clerk as principal with H. J. Luudens and Henry Geertlings as sureties. Bonds and sureties approved.

## Motions and Resolutions

On motion of Ald. Blue  
The Committee on sewers, drains and water courses, and the city engineer were charged with the consideration of a proposition proposed to be established as a precedent for future sewer connections for properties on those avenues in which there are no sanitary sewers and to submit same to the Common Council.

On motion of Ald. Wiersma  
The Mayor was requested to appoint a household committee for the present year.

The Mayor appointed as such committee: Ald. Lawrence Wiersma and Prins.

The Mayor stated that a municipal hospital had recently been constructed in the city of Oronoso similar in construction and size to that in the plans submitted for the proposed hospital for the city of Holland but at a great reduced cost of construction and deemed it advisable for a committee of the council to visit Oronoso for the purpose of making investigations and looking over their hospital whereupon

On motion of Ald. Blue

The Mayor was instructed to appoint a committee for said purpose.

The Mayor appointed as such committee: Ald. Lawrence, Wiersma, Prins, Damstra, and Prins.

On motion of Ald. Wiersma

Resolved, that the Common Council appropriate the sum of \$225.00 for the proper observance of Memorial Day.

Carried.

The Mayor reported relative to the necessity of repairing that part of Sixteenth St. from Harrison Avenue west of Ottawa.

On motion of Ald. Blue

The city engineer was instructed to prepare plans and estimate of cost of constructing surface drains and otherwise repairing and improving said part of Sixteenth-st.

Through the city Attorney an invitation was extended the council to attend the Memorial Day services.

On motion of Ald. Wiersma

The invitation was accepted with the recommendation that the Council attend in body.

Adjourned until Friday, May 20, 1921 at 7 P. M.

Richard Overweg, City Clerk.

Expires June 14—8872

## STATE OF MICHIGAN—The Probate Court

for the County of Ottawa.

At a session of said court held at the Probate office in the city of Grand Haven in said county, on the 20th day of May, A. D. 1921.

Present: Hon. James J. Danhof, Judge of Probate.

In the Matter of the Estate of

PETER DE VRIES, Deceased.

Jacob Geertlings having filed in said court his final administration account and his petition praying for the allowance thereof and for the assignment and distribution of the residue of said estate.

It is Ordered that the

20th day of June A. D. 1921

at ten o'clock in the forenoon, at said probate office, be and is hereby appointed for examining and allowing said account and hearing said petition;

It is Further Ordered, That public notice thereof be given by publication of a copy of this order for three successive weeks previous to said day of hearing in the Holland City News, a newspaper printed and circulated in said county.

A true copy— Judge of Probate.

Corra Vande Water, Register of Probate.

Expires May 28

## STATE OF MICHIGAN—The Probate Court

for the County of Ottawa.

At a session of said court held at the Probate office in the city of Grand Haven in said county, on the 3rd day of May, A. D. 1921.

## LOCALS

The Holland City Gas Works has sent a communication to the Zeeland Common council that relates to future gas rates. The communication was accepted and filed and a conference is to take place soon. The committee appointed to take up this matter is Attorney Clark, Aldermen De Bruyn and Glerum.

Roy Walter of Holland and W. Edmondson of Detroit were arrested and paid fines for speeding. The former was going 26 miles on Central avenue and the latter 29 miles at street intersections. Jurge Den Herder fined Walter \$8.70 while Edmondson forfeited his cash bond by not returning.

Mrs. H. W. Perry of Chicago and eldest daughter, Mrs. Leah Perry-Ragan of New York City, have returned to Macatawa for the summer season and are now at Mrs. Perry's summer home "The Pines." The Perrys have been summer dwellers here for the past 35 years, and are well known in this city.

John Mulder of Cuba, who is visiting friends in Allendale received a sack of new potatoes Thursday shipped by his brother-in-law who lives in Alabama. Mulder in this case reaped the results of his labors, for he planted these same "spuds" in Alabama in February when he chanced to be a visitor at the home of his sister in the south.

The Holland Gun club is becoming very active on their grounds on the West Michigan Pike north of the city. Besides the gentlemen members, not a few ladies also attend the shoot weekly. The shooting grounds are ideal with the targets placed against the side of a hill, preventing any danger from casualties. The club is issuing membership cards for 1921 and the cards contain the names of the following officers—president, Henry F. Coop; vice-president, Charles Van Zyl; secretary, Wm. Woldring; treasurer, Jacob Fris; executive officer, Neal De Waard.

Klaas Valkema, the biggest newsboy that Holland ever had and no doubt the best one, has returned from a trip west. Klaas has been away 18 months and spent part of his time in Denver, Colo. He also visited relatives in Iowa. He had a breakdown after several years selling his paper through wind and rain, and his physician advised him to go west for his health. He went but before returning he stopped off at Mayo hospital where he was given a thorough examination and was pronounced physically sound. From the looks of him he must be.

A reception and social was given Friday evening in honor of Rev. J. M. Vander Kieft, newly installed pastor of the 14th Street Christian Reformed church. The members of the congregation turned out en masse and the church proper was used as a place for an overflow meeting place. The new pastor and family were given a royal welcome to the church and Holland.

Six Fillmore boys opened the window of the church at that place and helped themselves to a box of cigars left over from a social function. The boys were Benj. Ten Cate, Albert Clayton, Edward Lenters, Johannes Mast, John Piper and Dennis Nyland. They were arraigned before Justice S. C. Brady of Allegan and paid \$9 and costs ranging from \$8.35 to \$9.75, which they paid.

Ben Winkels, an Ottawa county farmer living near Borculo, while going home after having called on his brother where he got a load of eggs, gleefully looked back to see some other driver get his dust. He lost control of his car and the machine went over in the ditch, but with little damage done to the Lizzie. But Oh, the eggs! Even the present day market reports never gave them such a drop. Winkels can have scrambled hen fruit for breakfast for the next year.

Due to the efforts of C. E. Bird the U. S. Survey boat Gen. Hancock was at Saugatuck this week taking soundings to determine what dredging would be necessary to maintain the channel in the harbor. There was found to be a good depth of water all along the course except at the point opposite the D. C. Cook's place, where the sand spit projects into the channel, and in places between the piers. This survey does not necessarily mean that any work will be recommended or appropriation made for it unless active efforts are made by those interested. To this end Mr. Bird has circulated a petition to the district's senators and congressmen asking their aid in securing appropriations for necessary work. These have been signed by everybody who could be reached, and will be forwarded to Washington at once.

Henry Van Dyke, the fellow who last week took the money from the telephone pay stations in the Sherman House at Allegan, and also at the Pere Marquette depot, was arraigned before Judge Cross in circuit court last Saturday afternoon and was sentenced to a term of from two to five years in Jackson prison.

Edward Streur has sold his summer cottage at Alpena Beach to Dr. Wm. Westrate. The Streur cottage is one of the most desirable bits of resort property in that section. It is the third cottage north of the Gels farm. Property in that section has been rapidly taken up during the past few years.

Seventh street residents wish it made clear as to the exact meaning of the price intended when the Sentinel stated yesterday that the figure of the city engineer in his estimate of cost gives the price at \$6.84 per running foot. This means \$6.84 for each property owner or \$13.68 a running foot to be paid jointly by the property owners on both sides of the street.

The electric light in a portion of the city of Allegan nearly went out last Saturday evening when a large blue heron flew into the wires near the Allegan bridge. The bird caused a short circuit and was burned to death, but no damage was done to the wiring.

John R. Mulder and Gerrit Timmer graduates of Western Theological seminary, passed a successful examination for licensure given by the Michigan classis of the Dutch Reformed church in the Y. M. C. A. building at Grand Rapids Wednesday afternoon.

A marriage license has been issued in Grand Rapids for Joseph De Boer, 23, Grand Rapids and Jean Cay 22, Zeeland.

Allegan City is starting a paving campaign. No doubt the city fathers believe in making public improvement when other lines of trade are lagging.

Gasoline has taken a tumble. Some of the garages handling St. Clair Oil are advertising gas at 22 and 7-10ths cents a gallon. The firms advertising this price are Holleman-De Weerd and Haydon-Kardux Auto Co.

Arend Smith, Holland grocer, has filed in U. S. district court a voluntary petition in bankruptcy, claiming liabilities of \$4,682.95 and assets of \$3,370.19. Of the obligations, only \$446 are secured.

A class of eight, five girls and three boys, will be graduated from the Saugatuck high school this year. Those who will receive diplomas are: Lois Bennett, Marguerite Gossweiler, Dwight Mosier, Marc Reid, Mildred Robart, Dee Tourtellotte, Julia Whipple and Jeanette Walker. The last named has been chosen valedictorian and Louis Bennett will deliver the salutatory. Class night is June 9 and the commencement on June 10. Rev. William Hill will deliver the baccalaureate sermon.

The automobile drivers of Holland seem to have it in for the drinking fountains in the city and are doing their best to put these fountains out of business. Two more fountains were put out of commission over the week end, one on the corner of 16th and Central and the other on the corner of Eighth and College. Who the autoists are who ran into these fountains has not been learned, but they certainly succeeded in hitting them, as the results show.

Coxie Smith, the Lansing short stop, hails from Holland. Delegations from his home town have attended each game of the Lansing series and manifested pleasure over the form he has shown. He is way the smallest player in the league.—Grand Rapids Herald.

For years any mention of Grandville on a local stage has always brought a laugh. Every city in the country has some suburb which is used for producing laughs by comedians, because it never misses fire. Grandville is getting to be quite a town of late and boasts of considerable sporting blood. It pairs with the neighboring town of Jenison in supporting a baseball team which seems to be a bear for a town, or two towns of their size. Saturday the Holland Independents, one of the strongest independent teams in western Michigan played at Grandville and suffered an 8 to 0 defeat. The two Vans, Vander Bunt and Vander Molen, formed the Grandville-Jenison battery. Hoover and Te Roller were in the box for Holland.—Dickerson, in the Sunday Grand Rapids Herald.

Coxie Smith of the Lansing team was in Holland Sunday visiting with friends and relatives.

Al De Weerd of Holleman-De Weerd Auto Co. motored to Byron Center Friday.

The flag on the Holland postoffice as is the case of all federal buildings, is at half mast in honor of the late Chief Justice White.

Announcement was made Monday by Westrate Bros. that on June 1st the price of the Willy-Knight will be reduced \$300 and the price of the Overland \$200.

Holland has not had a circus in a number of years. We should be due for one very soon. Grand Rapids will have its first show this season on June 6 when the Hagenbeck-Wallace "Biggest Shows on Earth" will exhibit.

Dr. A. Leenhouts, Dr. H. J. Poppen and Dr. R. H. Nichols left Tuesday for Bay City where they are attending the annual convention of the State Medical Society Wednesday and Thursday.

Neal Ball, formerly of Holland and of triple play fame, is playing a good game this season with the New Haven team of the Eastern League. Ball is playing second base and is making a very good record in the summaries.

The Ford Motor Co. is now turning out 4000 Lizzies daily. The highest number of Ford cars ever turned out in a single day was 4092 which was on May 12. The factory is operating on full time six days a week and three shifts a day.

WANTED—A position as housemaid in home in Holland; just returned from the Netherlands, a home preferred where Dutch is spoken. Inquire Miss Maggie Vassendaal, Route 12, Holland, Mich.

If for the next few days you hear terrific explosions don't be afraid; no war has been declared—everything is peaceful on Black Lake. However "Dynamite Charlie" is in town and is blowing up the heavy cement foundations on the site of the C. L. King Co. It means a beginning of the making of another beautiful park for Holland.

Gerrit De Groot of Vriesland exhibited a copy of the New York Herald dated Saturday, April 15, 1865, to friends containing the story of the assassination of President Lincoln which tragedy occurred the evening before. The paper is the property of Mr. De Groot and is in a fair state of preservation, and highly prized by him. It is a four-page, six column extra edition.

The North Side Boosters Club at its last meeting has decided to go into sports this summer. The club has been divided into two sides with each side picking a base ball team. The teams will play a series of games during the summer months and the victorious nine will receive a prize to be selected later. Several other kinds of sports are on the summer's schedule.

Holland is one of the few cities in which the municipal public utilities are run at a profit. Both the electric lighting plant and the waterworks have earned more than the cost of operation during the past ten years according to a report of the public works. Not long ago one member of the public utilities commission complimented that city upon the efficient management of these two plants.—Allegan Gazette.

George Woldring, who accompanied Prof. Egbert Winter to Freeport, Michigan where the latter made two addresses in regard to training of the children before a Parents-Teachers' meeting, was also called upon for a speech. The unprepared Woldring tackled the job and made a very good job of it. He told the people of Freeport all about Holland's school playgrounds, about the P-T clubs, the city nurse and various other matters connected with school work.

George F. Churchill left Friday morning for Cincinnati, Ohio. Attorney Thos. N. Robinson and family motored to South Haven over the week end and were the guests of Capt. and Mrs. Robinson.

A number of Holland men, members of the Grand Rapids Credit Men's association, will go to Grand Rapids Tuesday to attend the regular monthly meeting of that association. C. Vander Meulen will deliver the principal address.

The W. C. T. U. will meet Friday afternoon at the home of Mrs. G. H. Huizenga at 3 o'clock. The subject of the meeting will be "Our Home's Best Gift to Our Country." The program will be in charge of Mrs. W. E. Van Dyke, and the devotions will be in charge of Mrs. James Wayer. Those taking the course in parliamentary law will meet at 2:30. Anyone wishing to join this class is cordially invited to meet with them. The class is conducted by Mrs. DeMerrell.

Dr. John E. Kuizenga of the Theological Seminary addressed the Y. M. A. C. of Hope college Tuesday evening. His theme was "Believe Your Beliefs" a complement to one given some time ago on "Doubt Your Doubts." Dr. Kuizenga explained some of the fundamentals of faith, of the Christian religion and development.

The funeral of Mrs. Margaret M. Whitworth, wife of the president of Berkey & Gay Furniture Co., of Grand Rapids took place Wednesday. Mrs. Whitworth is the sister of Dan Bertsch who lives on Macatawa drive and of David Bertsch formerly of the North Side now of California.

The damage suit of Mrs. Myrtle Koon Cherryman, prominent club woman against Fred Northquist and R. W. Bennett for \$2000 damages is on trial in Judge McDonald's court, in Grand Rapids. The suit is the result of an automobile accident. Mrs. Cherryman is very well known in Holland.

William Connolly of Spring Lake, has informed the Association of Commerce of Grand Rapids that relative to the old Pearl street bridge being used at the Bridge street ferry the use there of a bridge without a draw must be taken up with the government as the war department considers that Grand River is navigable.

The Home Guards of the Methodist church will meet at the home of Mrs. Bottume, 129 E. 10th-st. Thursday afternoon directly after school. Every Guard member is urged to be present and bring a new member.

A boat directly from Chicago to Holland will be put in service June 1 and daily service will be inaugurated June 25, but there will be holiday daily service over Memorial day beginning Friday.

Rev. Verne C. Oggel, pastor of the Windsor Park Presbyterian church at Chicago, was a guest at the college Wednesday morning. He conducted the devotionals at Chapel worship and also addressed the student body.

Undersheriff Spangler of Grand Haven arrested John Dreese on the charge of larceny. It was alleged that he had lifted a pair of silk socks from Van Tolls Clothes Shop. Dreese drew a fine of \$10 and costs, with a ten day jail sentence as an alternative.

# A Long Head or a Short Head

It's queer how the thrift habit seems to reflect itself in people. Usually the more efficient, earnest workers have savings accounts. They are usually long headed—the ones who plan ahead. Are you of that type? Or are you short headed?

The man who borrows gets the habit. And it's a bad habit. The chronic borrower is shunned by his friends, and soon becomes his own worst enemy. The best way to keep from borrowing is to start a savings account. Then if you need money, draw on this all accommodating friend, namely, your surplus at our bank.

Begin making a start with a savings account. You will then fortify yourself against the borrowing habit and at the same time be under obligations to no one.

We Pay 4% On Savings.

**FIRST STATE BANK**  
HOLLAND, MICHIGAN.

# More Price Reductions by Lokker-Rutgers Co.

In the re-adjustment we are again marking down the higher priced goods in our Store to present market prices and some below.

No matter what the previous cost has been, we are going to mark our merchandise down to get back to normal business methods as soon as possible.

Get in the habit to bug Good Clothes.

We Recommend To You

**CLOTHCRAFT and  
KUPPENHEIMER  
CLOTHES**

because they are the best and most economical to buy. Tailored of the best material, by the best and most experienced workmen.

We are headquarters for Men, Young Men and Boys Wearing Apparel and carry the most up-to-date line in Ottawa County.

We are prepared to fit you out from head to foot for **DECORATION DAY**.

A Large Stock of Carter's Underwear.

Come In And Let Us Convince You.

**The Lokker-Rutgers Company**  
39 - 41 East 8th Street.

The final meeting of the different decoration day committees demonstrated that nothing has been left undone at the last meeting there was some controversy over the question of inviting the school children to take part. This seemed impossible from the fact that many teachers from abroad go home to celebrate having three days' vacation. It has however been arranged that the older girl scouts will have charge of squads of pupils from the 5th grade and up, including the High school pupils. It was expected that some 800 children will be in line. Mrs. Frank Rhoda was a Grand Rapids visitor Saturday.

The decoration day flower committee have arranged with local flower stores for the purchase of six hundred carnations for the reason that wild flowers and garden flowers are not to be had because of early blooming and frost. These carnations will be used together with a great deal of greenery of which there is an abundance in our city parks. Mr. Doesburg of the Park Board and Mr. Van Bragt, superintendent of parks state that very presentable bouquets can be made from these combinations. John Vander Woude was a Grand Rapids visitor Saturday. W. J. Olive was in Grand Rapids Tuesday on business.

Diving in Boones river Monday afternoon, Lendie Van Tongeren, of Zeeland, struck bottom with his head. He was unconscious and partially paralyzed when assisted to shore by a companion. Physicians say the boy has a blood clot on his brain, which has caused paralysis. He is expected to recover. Final arrangements for the annual Memorial day parade and program at Zeeland are being completed by the committee. A parade will form at the school at 9:30 and march to the city park, where special speaking will take place. After this the parade will march to the cemetery for appropriate exercises.

## PERSONALS

The new uniforms for Holland's National Guard have arrived. The men are drilling nightly in the armory in the Wolverine building. Capt. Geerd's men want to make a good showing on Decoration day, and at least 100 men will be in line.

An electrical storm accompanied by a tremendous downpour of rain and hail did much damage at Muskegon and vicinity Monday. Shade trees were blown down, blocking the traffic; the fire alarm system was interrupted, awnings torn from their stays and some crops damaged.

Mrs. Harry Ottema and Mrs. John Hardy of Chicago are visiting at the home of their parents, Mr. and Mrs. Devon at Port Sheldon.

Mr. and Mrs. H. P. Zwemer have left for Auburn, Ind., to drive thru a new Auburn car for Bert Habing.

Grand Haven has added another strange name to its multitude of baseball teams. The latest club is named the Piety Hill Sluggers.

Miss Bessie Van Ark, who has been spending the winter in Chicago, is visiting her mother on West 12th-st. for a few weeks.

Mr. and Mrs. O. S. Reimold have returned to Holland for the summer and will make their home at the Ben Van Raalte homestead.

The Graham & Morton line has established a ticket office in the Hotel Pantlind at Grand Rapids. J. E. Crowley of Grand Rapids will be in charge.

The funeral of Joseph Burns the boy who lost his life in Black Lake Tuesday noon, will be held Thursday forenoon at 9:30 at the St. Francis church.

John VanTatenhove of the French Cloak company is in Chicago on business.

Mr. and Mrs. Jacob Fris have returned from a ten days' honeymoon. They will make their future home at 56 West 18th street.

The store of H. Van Tongeren has been added as one of the places where non-resident fishing licenses may be obtained.

G. W. Kooyers motored to Lansing to attend a special session of the legislature called by Governor Groesbeck.

Neil Vander Meulen of the DePree Co. was one of the speakers at the banquet in the Grand Rapids Credit Men's association.

Mrs. John Weiser of Chicago is spending a month with her daughter Mrs. F. Moser.

Alfred Van Duren is in Battle Creek attending the Masonic Grand Lodge.

The job of blasting out the foundation masonry on the property of C. L. King & Co. has been abandoned by the park board. The work has been in progress for the past two days, but the tests that have been made have convinced the park board that the job is an impracticable one. "Dynamite Charley" in charge of the work, used up sixty pounds of dynamite, but the amount of wall broken out was so small, that some members of the board estimate it would cost the greater part of a thousand dollars to knock out the whole foundation.

Hence the job was abandoned. As a substitute a terraced slope will be built and the masonry will be covered over.

Election of officers for the Pi Kappa Delta society, a national honorary society to which Hope College was recently admitted, was held on Tuesday. Richard Blocker was chosen as president, Winfield Burgraaf as vice president and Maurice Vischer as secretary-treasurer. The installation ceremonies will be held within two weeks at which Prof. Froth of Kalamazoo, the National Historian in the order, will read the ritual. The organization is composed of members in debating and oratory, with a view towards strengthening and encouraging the work in these departments.

The Hope Branch starts out with a charter membership of ten as follows: Dr. J. B. Nykerk, coach in oratory; Miss Vera J. Keppel, Holland; Theodore O. Yntema, Holland; Harold J. Oosterhof, Thayer, Ind.; Richard J. Blocker, Holland; Maurice Vischer, Holland; M. Schuurmans, Manhattan, Mont.; Judson Staplekamp, Holland; Anthony Engelman, Holland; Winfield Burgraaf, Decatur. Six others will be eligible for membership next fall: Wm. De Ruiter, South Holland, Ill.; Harvey De Weerd, Holland; Peter H. De Vries, Archbold, O.; Jerry DeVries, Chicago; Abraham Rynbrandt, Hudsonville; Jacob Prins, Fulton, Ill.

WILL UNVEIL  
MONUMENT FOR  
POLAR BEAR

A monument for a former "Polar Bear," who gave his life for America in the swamps of Russia, will be unveiled at Pilgrim Home Cemetery Friday afternoon at two o'clock. The monument has been erected in honor of Stillman Jenks, son of Mr. and Mrs. S. J. Jenks of Shelby. The mother of the dead soldier is a sister of the late Arend Visscher, of J. W. Visscher, and of Mrs. J. J. Mersen, and the Jenks family burial plot is next to the Visscher plot at Pilgrim Home cemetery.

Stillman Jenks went to Russia as a "Polar Bear" and altho his home was not in Holland, he was well acquainted with most of the "Holland Polar Bears." He had spent many summers with his parents here, and was well acquainted in this city. He was killed in action in the Russian swamps and his body was never recovered.

No funeral services have been held for him and the services Friday afternoon were not to be funeral services but patriotic services for unveiling the monument erected in his honor and as a memorial to him. C. L. Austin, sectional welfare officer of the American Legion was in charge of the services. Comrade Houghton of Grand Rapids, the only surviving member of the outpost to which Stillman Jenks belonged, was one of the speakers. Prof. C. B. Williams of Kalamazoo College, which institution young Mr. Jenks attended, also gave an address.

As many members of the American Legion as possibly could do so attended. A special request was made that the "Polar Bears" attend the services. The firing squad of the Willard G. Leenhouts Post, American Legion were present. Suitable music was furnished by some of the members of the Legion band.

The last shoot of the Holland Rifle club proved the greatest in its history, all previous records being shattered when Henry Van Eyck scored 90 out of a possible 100, with Woldring, H. Coop and Van Zyl scoring 87. Other good scores were: Neal De Waard, 82, S. Alth., 80; G. Vrieling, 73. Many other new members made good scores. More interest is shown in the Holland Rifle club than ever before, and the club is planning for a great shoot July 4th when prizes will be put up and the poorest as well as the best will have a chance to win a prize.

The next shoot will be held on Wednesday, June 8. Those who cannot attend on that date are asked to come Decoration day at 8 a. m.

Further shoots will be arranged for on holidays. Those who cannot shoot are invited to come out and learn and be instructed by some of the best shots in the country.

These Rifle clubs were gotten up by Theodore Roosevelt and approved by the government to encourage marksmanship among civilians somewhat on the Swiss order. In this way in time of trouble a man will be his own soldier if necessary.

SHERIFF FORTNEY  
AND OFFICER STEKETEE  
RETURN TO HOLLAND

Two very jubilant officers, namely Sheriff Fortney and Patrolman C. Steketee rode into Holland from Elkhart, Ind., with the stolen car of Edgar Landwehr of the Holland Furnace Co.

From an interview it is evident that these local officers have been very busy.

Thus far they have restored to their owners within the past few months 30 automobiles, even picking one up while in Auburn, Ind., and restoring it to its owner, living in Akron Ohio.

The officers left Angola at 10 o'clock Tuesday morning and arrived in Grand Haven at 9 o'clock Tuesday night coming to Holland Wednesday morning.

Among the arrests made there were three Italians who have been directly or indirectly connected with Ottawa county.

The officers state that Charlie Spadafire and Paul Caruso (no relation to the great singer) have been identified with fruit business in Grand Haven and Holland. Caruso it is stated for a time was employed at one of the Italian Fruit stores in this city.

Henry De Rose who was arrested at Wauseon, Ohio, is said to be a cousin J. De Rose who a few years ago conducted a fruit store in the Slagh block West of the Knickerbocker theater.

The men are now in the hands of the United States officers and will have to answer to the government on the charge of stealing and transporting cars from one state into another.

They were taken to Indianapolis where two of them were asked to give a bail bond of \$10,000, and two others \$2,000.00. In default of getting these bonds they are now locked up in jail awaiting the time when the federal grand jury meets at the Indiana State Capitol.

Landwehr's car was found in a private garage of an Italian whose name is Joe Carcorellia.

That the local officers have been busy every minute while away and that they deserve full credit for the thorough way in which they cleaned up this difficult case goes without saying.

DICK BOTER'S  
CAR IS DISCOVERED  
AT LAST

Although citizens of Holland possibly didn't know it, chief Van Ry and his force have been diligently working on stolen car cases for several months.

During that time 21 have been recovered and returned to their owners, either in Holland or in other cities.

Late Thursday the Dick Boter car, a beautiful \$3600 Limousine Buick model, was picked up in Elkhart, Ind. by the Elkhart police, with whom the local authorities were in touch for some time.

The police there have also locked up three Italians who they suspect hail from Holland and Muskegon and Officer Steketee and Sheriff Fortney, two men who have been very active personally upon these cases, left for Elkhart at midnight for the purpose of identifying the men who are being held.

There is no doubt but that the car picked up was the one from Holland, as the description and the marks on the car are identical with the Boter automobile.

Even the number is exactly the same with the exception that a three had been cleverly made into an eight; but not so cleverly that it fooled the officers.

The car now belongs to the National Union Insurance Co. of Pittsburgh, Pa., a firm for which John Arendshorst is agent in Holland.

Mr. Arendshorst wired representative Sullivan in Grand Rapids Friday morning, who left immediately for Elkhart to start prosecution.

On departing he stated, "We intend to co-operate with your Holland officers in cleaning up this gang, and will spare no expense in doing it."

A short time ago the beautiful new car of Daniel Ten Cate was also returned, besides a large consignment of automobile accessories found in the barn of Joe Varano, 272 West 22nd street.

That man was recently found guilty in circuit court and is awaiting sentence.

Sheriff Fortney and his men have been co-operating wholeheartedly with Chief Van Ry and the local police officer Steketee together with Mr. Fortney have been doing a great deal of detective work with gratifying results.

During Monday night's storm one of the towers on the west end of Hotel Ottawa was struck by lightning. The windows in the tower were all broken and not a shingle was left on it.

It is fortunate that no fire was started by the bolt in this large wooden structure.

The storm for at least an hour was the most severe seen at the resorts for many years. The heavy rain was intermingled with large hail stones.

The members of the Willard G. Leenhouts Post, American Legion, will travel to Zeeland Thursday evening to take part in a big Americanization meeting that will be held in the public park in that city if the weather permits. The members of the local Post are requested to meet at the corner of Eighth-st. and River avenue and they will go to Zeeland in Auto buses. The Holland American Legion band will go to the meeting in a body and will furnish the music. The speakers will be Maj. J. J. Emery and Howard Brink of Grand Rapids.

## INFORMATION AS TO DECORATION DAY PARADE

The Decoration Day Parade committee and the Marshal of the Day, Seth Nibbelink, wish to give the following information to those participating in the parade:

Formation of Division immediately after the exercises in the park.

All units of the First division to form on Central Ave. South of 10th street in the order mentioned facing the north.

The first four units of the Second Division to take their autos on River avenue South of 10th st. Facing North.

The remaining units of the second division to form on the north side of Tenth street between River and Central facing West.

All captains and leaders kindly follow the above program in forming their respective units.

NOTED OTTAWA  
COUNTY ATTORNEY  
PASSES AWAY

Ottawa county lost one of its best known attorneys Friday when death came to Walter I. Lillie at his home in Grand Haven. Mr. Lillie was one of the oldest and most respected members of the Ottawa county bar and he was widely known not only in Grand Haven but throughout Michigan.

Mr. Lillie was especially active in politics during his long career as an attorney. He served Ottawa as prosecuting attorney from 1886-1890, and held a variety of other offices in both county and Grand Haven city government. He filled various posts with conspicuous ability, and his personality was one that was outstanding.

## LOCALS

Macatawa is to have a new inn, called the Kopper Kettle Inn. As a signboard a large copper kettle will be hung out. No doubt a New England boiled dinner will be a very essential thing at that inn.

Chief Van Ry wishes Memorial day traffic regulations thoroughly understood. No vehicles of any kind must be found on River avenue or 8th-st. between Columbia avenue to the east and 12th street to the south after 9 o'clock in the morning. No automobile parking will be allowed on these streets until after the parade is over. Tenth street in front of the park will be blocked off as well as 11th street from Pine to River avenue.

Rev. H. F. Heemstra, pastor of the Fourth Reformed church has just returned from a ten days' trip East, where he attended a meeting of the Educational Board of New Brunswick Seminary. He also stopped over at Passaic and Patterson, N. J., and New York City.

Supt. E. E. Fell, most of the local school principals, and a number of others, members of the board of education and of the various P. T. clubs are in Grand Rapids today to attend the state convention of P. T. clubs. That Holland's plumbing industry is interested in P. T. work is shown by the fact that three of the city's plumbing firms are represented at the convention—G. Woldring, David Damstra and Dick Steketee.

The Erutha Rebekah Lodge will hold a dancing party in the lodge rooms Friday evening. A four-piece orchestra will furnish the music. Refreshments will be served. All are invited.

Dr. Winter, Dr. Poppen and Dr. A. Leenhouts are among the physicians who are attending the medical convention at Bay City.

J. Stegeman, who graduated from the local seminary this month, has accepted a call from the Reformed church at Lucas, Mich.

Mrs. Frank Oosting was in Grand Rapids Wednesday.

Mrs. Ida Jones of Muskegon, is a guest of Mrs. W. Quackinbush. Mrs. Jones and Mrs. Quackinbush were schoolmates and they had not seen each other in thirty years.

Jake Zoerman, Nick Kammeraad, Henry Van Lente and George Piers went fishing to Crystal Lake Wednesday and they had their full share of trouble. Zoerman's car developed a hot box and a soft-tire, Zoerman fell into the lake when the party arrived at the fishing grounds, and to cap the climax, Van Lente caught a mammoth pickerel which got away after it had been caught. It was described as one of the largest pickerels ever caught in that lake, and Van Lente had landed it in the boat. But the fish did not seem to like the place and so jumped out of the boat into the lake again.

Henry Vanden Berg entertained the Young Men's Bible Class of 9th St. Chr. Ref. church last night. Practically all turned out for this occasion. A good game of base ball was played and called on account of darkness. Then a social hour was enjoyed. A three course luncheon was served. All reported to have enjoyed the evening.

The Lyric Glee club has arranged a program for Friday, May 27 and lovers of music will want to hear this program. This entertainment was to have been given last Friday but on account of Director Ten Horst being called out of town, the club decided to postpone the concert until tomorrow night.

The Federation of Women's Adult bible classes will meet Friday evening at 7:30 o'clock in the Third Reformed church. The Holland Poultry Association will hold a meeting this evening at 7:30 at the Overisel school, District No. 1, on "Increasing Egg Production by Handling Chicks," and "Swat the Rooster." If you are having trouble with your chicks and wish to get more eggs from your pullets this winter, come to this meeting. Tell your poultry trouble to the speaker and he can give you help. The speaker of the evening will be K. A. Zimmerman, who has had a wide experience in this work in the middle West and the far East.

Mrs. P. McCarthy, who underwent an operation at St. Mary's hospital, has returned to her apartment at the Lenox, G. R. and wishes to thank the ladies of St. Francis church in Holland for their very nice letters; also for the beautiful flowers. Mrs. McCarthy's condition is satisfactory.

HIGH SCHOOL SOCIETY  
HOLD A BANQUET

ALL WILL MAKE MERRY AT THE MARY JANE INN

The Sigma Chi society of the High school has everything prepared for annual party to be held at the Mary Jane Inn at Macatawa Park tonight. An elaborate spread has been prepared as may be judged from the following menu—

MENU  
"Eat, Drink and Be Merry"

"Putting It  
Off" Causes  
Untold  
Misery

Procrastination is an evil habit that ensnares many men unconsciously, costing them and their families much in prosperity and happiness.

More than anything else, men seem to put off making wills, though this is one of the most important obligations a man owes his loved ones.

Daily you see instances where failure to make wills wastes inheritances, embitters families and entails want.

Have you too put off this important duty? So simple but vital a matter should not go unattended. As the first step, send for our helpful booklet, "Safeguarding Your Family's Future." It is free.

BOYS' BLEACHERS  
ON BALL GROUNDS  
A SURE THING

The response to the Sentinel's appeal, printed on Monday, for a fund of some \$50 or so with which to build boys' bleachers on the city's base ball grounds for the boys of Holland of 12 years and under has met with a most generous response so far. If the bleachers are built the Holland Independents will issue free passes to twelve year old boys and under that age to attend all games played by the Independents at home.

G. A. Lacey started the subscription list Tuesday with a three dollar donation and Wednesday other subscriptions came to the Sentinel of five. The subscription list will be turned over to a committee which will co-operate with the management of the Holland Independents for the erection of the bleachers.

Up to the time of going to press this afternoon the following subscriptions had been received in the order in which they came: G. A. Lacey, \$5; E. B. Rich \$1; Yonker Heating & Plumbing Co. \$3; Isaac Kow & Co., \$3; Holland Sentinel Pub. Co., \$2.50; Holland City News \$2.50; De Grandwet \$1.50; E. P. Stephan \$5; C. E. Drew \$2; W. J. ## PROPOSED IMPROVEMENT OF SEVENTH STREET

Notice is hereby given that at a meeting of the Common Council of the City of Holland held Wednesday, May 18, 1921 the following resolutions were adopted:

Resolved That Seventh Street between the East Line of River Avenue and the West Line of the Michigan Railway Company Viaduct at Lincoln Avenue be improved and paved with cement concrete, and that such paving and improvement shall include the construction of the necessary curbing, gutters, manholes, catchbasins and approaches in said portion of said street, said improvement being considered a necessary public improvement; that such paving be done in accordance with the plans diagrams and profile of the work prepared by the City Engineer and now on file in the office of the City Clerk; that the cost and expense of constructing such pavement, with the necessary curbing gutters, cross-walks, manholes catch-basins and approaches as aforesaid be paid partly from the General Street fund of the city partly by the Michigan Railway Company, by special assessment, partly by the Pere Marquette R'y Company by special assessment, and partly by special assessments upon the other lands, lots, and premises abutting upon that part of Seventh street between the east line of River Avenue and the west line of the Michigan Railway Company Viaduct at Lincoln Avenue as follows:

Total estimated cost of paving and improvement including cost of surveys, plans, assessment and cost of construction \$41,892.77; portion of estimated expense thereof to be paid by the Michigan Railway Company by special assessment as determined and stated by the City Engineer \$16,683; portion of estimated expense thereof to be paid by the Pere Marquette Railway Company by special assessment as determined and stated by the City Engineer \$10,195.70; balance of expense to be paid by special assessment \$15,012.44; that the entire amount of \$41,892.77 be defrayed by special assessment upon the lots and lands or parts of lots and lands abutting upon said part of Seventh street according to the provisions of the city charter; provided, however, that the cost of improving the street intersections where said part of Seventh street intersects other streets, be paid from the General Street fund of the city; that the lands, lots and premises upon which said special assessment shall be levied shall include all the lands, lots and premises abutting upon said part of said street in the city of Holland; also the street intersections where said part of Seventh Street intersects other streets; all of which lots, lands, and premises as herein set forth, to be designated and declared to constitute a special assessment district, to defray that part of the cost of paving and improving that part of Seventh street in the manner hereinbefore set forth said district to be known and designated as the "Seventh Street Paving Special Assessment District" in the City of Holland.

Resolved, that the profile, diagram, plans, and estimate of cost of the proposed paving of Seventh street between the East Line of River Avenue and the West Line of the Michigan Railway Company Viaduct at Lincoln Avenue be deposited in the office of the Clerk for public examination, and that the Clerk be instructed to give notice thereof to the proposed improvement and of the district to be assessed therefor, by publishing notice of the same for two weeks and that Wednesday the 15th day of June A. D. 1921, at 7:30 p. m., he and is hereby determined as the time when the council will meet in the council rooms to consider any suggestions or objections that may be made to said assessment, improvement, diagram, profile and estimate of cost.

Richard Overweg, City Clerk.  
Dated Holland, Mich., May 20, 1921.  
May 26, June 2 and 9-1921.

TO HOLD MEETING  
ON SAND BLOW

On June 2nd a meeting will be held on the Harlem Sand Blow project. The purpose is to stimulate interest in the checking of sand blows economically. A number of varieties of trees, shrubs and vines have been planted on the sandblow to determine which is best for permanently holding sand. The meeting will be held at 2 P. M. on the sand blow that is located one mile north of the Pine Creek School and one quarter mile east of the West Michigan Pkwy. A sign will be posted at the entrance to direct those who attend. D. T. Harman, former president of the Ottawa county will be present at the demonstration.

### EMERSONIAN BAN- QUET BIG SUCCESS; SIXTY ATTENDING

Pale moonlight o'er a calm shimmering lake in late May bath a strange and wonderful power. At least that is what the thirty Emersonians of Hope College, and their friends will maintain. The 2nd annual banquet of the Emersonian society held at the Leland Tea Room at Saugatuck, has come and gone but it will linger long in the memory of those who attended as one of the happy events of golden college days. It was the 2nd annual affair and judging from the attendance and "pop" shown the newly organized society will become a permanent institution at Hope the same as the other societies at the local college. The guests were taken to Saugatuck via Macatawa Bay and Lake Michigan Power Boat route and when they arrived the exponents of the great writer were ready to partake of the big spread awaiting them.

Here is the spread:

Menu  
"I almost die for food, and let me have it."  
Cream of Tomato Soup  
Wafers  
Fricassee Chicken Hot Biscuit  
French Peas  
New Potatoes in Cream Hot Rolls  
Celery Olives Radishes  
Fruit Salad Wafers  
Ice Cream Cake  
Nuts  
"Forbear, and eat no more."  
Here is the talkfest—  
Program

Wm. Vander Borgh, '21, Toastmaster  
Remarks ..... Toastmaster  
Fairies ..... Edward Tanis, '22  
Castles ..... Jacob Schepel, '22  
Cavatina ..... J. Raff  
Harold Vander Ploeg, '22  
Knights ..... H. J. Harsevoort, '22  
Jester ..... J. W. Neckers, '23  
Piano Solo ..... Selected  
George T. Kots, '23  
Cross Roads ..... John Wierda, '21

The following are the officers of the society—President Wm. Vander Borgh; vice-president, Edward Tanis; secretary, Jacob Schepel; treasurer, Stanley Schipper.

The list of members follows—Marvin Achterhof, Stanley Bolks, Irvin Borgman, John Elbers, G. T. Kots, Gerrit Kramer, Raymond Lubbers, James W. Neckers, Stanley Schipper, Edward Tanis, Jacob Schepel, William Vander Borgh, John Wierda, Bert Wierenga, Henry Pas, Harold

Vander Ploeg, Raymond Hopkins, Thomas De Vries, Leonard De Moor, William Harmeling, Martin E. Cupery, Adrian DeBoom, William Brown, Russel Van Dyke, Richard Van Farrowe, Henry J. Harsevoort.

### NEWLY MARRIED COUPLE VISIT'S GROOM'S PARENTS

Harold Lage, son of Mr. and Mrs. George Lage, arrived home Sunday with his bride who was formerly Miss Edith Alden. The young couple were married on May 9th at the home of the bride's parents, Mr. and Mrs. E. J. Alden, of Rogers Park, Chicago. Miss Alden was a popular girl in that section of Chicago, and Mr. Lage is well known in Holland. He enlisted early in the war and was stationed for two years in Texas. Since the signing of the Armistice he has spent much of his time in Chicago, engaged in musical work. Mr. Lage is an athlete of considerable ability and took a lead-in part in athletics in Holland during his high school career here.

### KNIGHTS OF PYTHIAS ENJOY BIG PARTY

The Knights of Pythias party at the big Pavilion at Saugatuck Friday evening was one of the biggest functions of its kind held there for some time. About 135 couples attended the gathering and had the time of their lives. There was dancing, motion pictures and other features. From the starting of the motion pictures to the "Home Sweet Home" waltz all enjoyed a thoroughly good time. Lacey's orchestra of eight pieces furnished the music, and all agreed that you don't have to go out of Holland to get good music.

There will be work in the third rank on Thursday evening, May 26. All Knights are urged to be present as this will finish the work for the season.

Saugatuck is the mecca these days for parties from Holland. In addition to the K. of P's and their friends Friday night, there was a company of Hope College students at Saugatuck for an outing, the members of the Emersonian society. Next Friday the Knickerbocker society of Holland will go to Saugatuck.

### MAY ADMIT BOYS FREE OF CHARGE TO BALL GAMES

Here is good news for the kids of Holland—provided the older people will come across with a very little money. The management of the Holland Independents has offered to let the boys of Holland in free to all the games played here this summer, provided bleachers are erected for them. The boys' bleachers are a necessary condition, since there would be an endless confusion if the boys were admitted to the games indiscriminately with no place for them, where they could be taken care of.

The plan is to erect bleachers at a cost of perhaps fifty dollars. These are to be for the boys exclusively. The plan further includes a supervisor or who shall be in charge of the boys at the games and shall be responsible for their good behavior.

According to the plan as formulated all boys of 12 years or under would be eligible for free admission. Each boy would be provided with a pass that he must show at the gate. This pass would be issued with the knowledge of the parents, and the parents would thereby become more or less responsible for the good behavior of the boys at the games. Moreover, the pass would be taken away from the boy who did not behave himself at the game.

The cost of boys' bleachers would not be exorbitant. According to one man who is taking an interest in this matter it would probably not exceed \$50. But even if it should be twice that sum it is believed that it can be raised so that the boys of Holland can have many a good time during the summer.

The plan of raising the money has not yet been devised but some system of subscription will probably be worked out soon by those back of the movement.

The contract for painting the mail boxes in the city was let to L. A. Kramer.

### HOLLAND LOSES IN INITIAL GAME

In the first game of the season the local Independents suffered a humiliating defeat at the hands of the Grandville-Jenison team at Grandville Saturday afternoon.

Nine goose-eggs were all the locals managed to get while the opposition slipped across eight runs.

In their first turn the Grandville boys started to make a real cleanup hitting two home runs and triples and singles enough to score five runs. The locals did not have the punch to come back and looked like amateurs at the bat trying to connect with Vander Bunt's left-hand shoots. Our boys plainly showed the lack of real batting practice. Hoover pitched steady ball after the first inning but not until all the damage had been done. Rinkus pitched the last three innings and allowed three hits and one run. This defeat will undoubtedly mean much to the locals and will make them realize that some hard practice must be put in to get in shape for the opening games Friday and Saturday. Some real changes in the lineup will be necessary as the game Saturday was played to get a line on the positions.

### INNING TILT FROM JUNIOR BY 7 TO 6

In a thrilling 10-inning game here Saturday afternoon Hope college baseball team beat Grand Rapids Junior College 7 to 6. The visitors had the edge on Hope 6 to 3 in the eighth when hits by VanPutten and Lubbers aided by a couple of errors let in three runs for the locals tying the score.

In the tenth frame Van Putten singled on the first ball pitched and stole second. Schuurmans popped a pretty "Texas Leaguer" to center scoring Van Putten and putting the game on ice. Laug was wild in the beginning but pitched fine ball in the last three innings. Score—

Hope.....1 0 1 0 1 0 0 3 0 1—7  
Junior.....1 2 0 0 1 2 0 0 0—6

Batteries—Hinkley and Hill; Laug and Japinga.

### In a new size package

10 for 10 cts

MANY smokers prefer it. They'll find that this compact package of ten Lucky Strike Cigarettes will just suit them.

Try them—dealers now carry both sizes: 10 for 10 cts; 20 for 20 cts.

It's Toasted

### FOR INSTANCE

If you have an automobile, the McBride Agency will insure you against any kind of loss, or all in one combination policy. If you have a home, the McBride Agency will insure you against fire, lightning, tornado or burglary.

If you employ help, the McBride Agency will insure you under the Workmens Compensation Law.

If you have plate-glass, the McBride Agency will insure you against breakage.

## THERE IS A MAN IN HOLLAND THAT WE WISH TO COMPLIMENT.

This man was thrown out of employment but now he has a job. Business men have their eyes on him, admiring his thrift and industriousness. He has turned bad fortune into good fortune—he has provided a job for himself. When good times come back, will he be in demand? The answer is too obvious.

This man is increasing capital as fast, if not faster than ever. He has seen opportunity and is making the most of it. He is improving his home—doing most of the work himself—it is work, indeed, but it is fun too. Home, the family's most prized possession, is going to be MORE of a home.

He is digging his own basement, and doing other necessary things that the folks have needed for years. Perhaps you know this man. If so, don't you agree that he is to be complimented? Is there any doubt about his getting good employment when he is ready for it?

# \$100.00 IN GOLD REWARD FOR A SLOGAN

The Holland Exchange Club wants a good slogan for Holland, one that will attract attention and hit prospective readers right between the eyes.

The Exchange club does not want any "weak kneed" soft sounding slogan, but only one with pep will do.

Chicago has its "I will" Grand Rapids "The City that Knows How", this city once had, "Do it for Holland," but this one went astray and has not yet returned.

It was suggested that "Holla for Holland" might be a good one, but then the committee isn't going to confine itself to one slogan by a long shot. Everyone in the city is going to get a chance and there is only going to be one prize and that is going to be very substantial.

The committee appointed to handle this proposition is Frank T. Whelan of the Holland Shoe Co., Neil Vander Meulen of the De Pree Co. and B. A. Mulder of the Sentinel and News.

The prize will be for \$100 in gold and this prize will not be subdivided. The person with the best slogan will get all the coin and the entire amount will be given in "yellow boys."

The committee has not made any definite arrangements up to this time as to just how this contest is to be conducted.

However it was decided that the Exchange Club would not go in on this proposition alone, but would ask the Rotary Club and the Retail Merchants association to co-operate with the Exchange Club in order to put this slogan over properly.

Mr. Whelan of the Holland Shoe Company stated that their manufactured goods went all over the United States and all over the world, and he could think of no better way to advertise Holland than to trade mark the city with a slogan that would appeal immediately to everyone who might see fit to read it, and the slogan should be such that a casual observer could not help but take notice of it.

Anyway full details relative to the coming contest will be given in the very near future and no doubt the affair will become quite spirited with friendly rivalry prevailing.

You can be sure that the slogans receive will be judged on their merits, for this one is to be a permanent motto, with a clean cut American smack.

# "BUSY MEN" TO GET AN EARLY START

The "Busy Men" are off for an early start. All who could conveniently do so met at the County Y office Wednesday morning for a thirty minute setting-up meeting. Plans were made for a series of bi-weekly outings to be held throughout the summer, the first one being held last Tuesday evening. W. C. Vandenberg, chairman of the Y social committee, presided. Joe Kooliker was appointed general chairman of the outings; Andrew Klomprens chairman of transportation; C. E. Drew, recreation; and J. Van Tatenhoven, general.

These men will act as a general committee on securing a location. The other members on the various committees were not chosen but will be announced later.

One of the features of the organization will be a publicity and invitation committee, charged with the responsibility of reaching every man possible.

These "Busy Men's Outings" proved very popular last season, though not begun until later. This year they will be much better organized after a greater variety of recreation and will easily take a leading place among the summer activities.

The committee wishes it understood that there is no membership in connection with these outings, but that they are open to all men who wish to come. Since it is impossible to reach all men of the city with a personal invitation, everyone wishing to come should call up Chairmen Kooliker or the transportation chairman Klomprens.

The only expense will be for the eats and occasional incidentals, covered by a nominal assessment on each trip.

Every man whose schedule is crowded these days will appreciate the unique chance of these recreation trips; the quick getaway after business hours, the hour of snappy play at the game he most likes, the good eats, splendid fellowship, and back again while the evening is still early.

These outings for men are being promoted thruout the county by Secretary Smith. Grand Haven organized last week to play June 1st, Coopersville is already going, Zeeland and Spring Lake soon. The first out was held on Tuesday, May 24, at Bender's Beach.

Two hundred and fifty mothers and daughters of Coopersville met at Odd Fellow hall for a community banquet Thursday evening under the leadership of the Camp Fire Girls. Miss Anna L. Sima, guardian of Coopersville Camp Fire girls was in charge of arrangements and led the fathers of the community were the waiters.

The Burton Heights Christian-Reformed church of Grand Rapids has received an acceptance to its call extended to Rev. H. J. Mulder, of La Fayette, Ind. Mr. Mulder, who was graduated from the Calvin seminary in 1908, will be the successor to Dr. Henry Beets, who was chosen director of the Christian Reformed denomination last year.

# GEORGE DAMSON IS NEW HIGH SCHOOL MAYOR

A very spirited campaign has been conducted in the High school for the past week and Friday the regular election was pulled off. Holland folks no doubt have been seeing high school pupils all tagged up with badges of all colors and sizes. The badges contained the names of the candidates whom said student was supporting. Some of the school pupils had their coat lapels so laden that it was difficult to see that part of the garment.

Anyway Friday was the day for the big event and nomination speeches were in order, and he it said that even the old veteran campaigners have nothing on these high school chaps when it comes to oratorical ability. Even the young ladies did not take a back seat in this contest as several nominations were made and not a few came out victorious in the final count.

After the votes were counted it was found that George Damson had won over Maurine Lacaff for mayor by a vote of 228 to 153.

The results on the other offices voted on are as follows: clerk, Miss Anna Meengs, 241; Carol Van Hartesveldt, 189; Miss Meengs being the successful candidate.

Treasurer, Harry Aldus, 280; Gerit De Koning, 95. Mr. Aldus had a landslide over Koning.

Here is the result in the aldermanic election the two receiving the highest number of votes being declared the winners:

First Ward—Fred Meyer, 50; John Zwearing, 40; Theodore Vandenberg, 30; George Luidens, 5. Second Ward—Leroy Hill 52; Kathryn Keppel 42; Vernon Sen Cate 23.

Third Ward—Anna Barkema 36; Russel Damstra, 28; Cornelia Steketee 23; Clyde Geerlings 24; Robert Flemming 18; Mary Nykerk 8.

Fourth Ward—Lillian Scott 22; Martha Schumacher 25; John Albers, 19; Lester Elferink 17; Clarissa Popen 16; Egbert Fell 13.

5th Ward—Cor. Houtman, 40; John Vandenberg 32; Thelma Haas 21; Mabel Du Mez 12; Rutherford Huizenga 11; Ruth Nibbelink 11. Sixth Ward—Ruth Marcotte 34; Harriet Henevelt 41; William Nies 23; Alice Kraker 17.

# YOUNG MEN'S GROUPS ALSO GET BUSY

The representatives of the Young Men's Group of the Holland Y met in the office of the County Secretary Thursday morning, for the purpose of organizing the summer outings. There were present Messrs Russel Rutgers, Ray Knooihuizen, Heinje Topp, Henry Veining, B. Nysson, A. Buter Morris Huyser and Gerrit Vruwink.

Jacob Fris was chosen general chairman. Messrs Wm. Duer, Rutgers and Vruwink, transportation; A. Siersma and R. Knooihuizen, recreation; B. Nysson, Morris Huyser, and J. Nykerk, eats; Topp and Buter publicity. Others will be signed to these committees later.

It was voted to hold these meetings much on the same plan as last year and Wednesday was chosen as the night but not on the night when the Legion meets.

Suggestion was made and accepted that an attempt should be made to find a place within a reasonable distance so as not to consume too much time in getting to and from the place. Also sentiment was expressed favoring a larger part of the program for swimming and other aquatic sports. The first meeting was set for June 1st.

# PATRIOTIC GATHERING HELD IN CITY HALL

Holland Camp entertained the members of the A. C. Van Raalte Post, G. A. R., the Guy V. Henry Camp, U. S. W. V. of Grand Rapids, the Sherman Dickerson Camp U. S. W. V. of Grand Rapids, the Sherman Dickerson Camp, U. S. W. V. of Grand Haven, and the Willard G. Leenhouts Post, American Legion in the G. A. R. Hall Thursday evening. There were about fifty present.

After the invocation by M. Notter, supper was served. Toastmaster Gordenau called on the following for toasts—Mayor E. P. Stephan, Comrades G. Van Schelven, J. Heeringa, of the G. A. R., Comrades Kilstrom, and Will Hiler of Grand Rapids, Comrades Swartz of Grand Haven, Comrades Homfeld, Rybarczyk and Waltman of Holland, U. S. W. V., and Comrades Westrate and Brooks of the American Legion. All of those called upon gave entertaining toasts. After that a social time was enjoyed at which some of the men renewed their acquaintanceship with comrades whom they had not met in 22 years.

# GRAND RAPIDS FORFEITS THE RACE TO HOPE COLLEGE

The date for the Grand Rapids Hope relay was set for Saturday. After deliberation, the Grand Rapids team informed the Hope team this forenoon that they cannot run, because they only have nine good men. They have had plenty of time to pick a team from the whole city of Grand Rapids, while Hope has a choice out of about 150 men. Saturday morning Hope challenged them to run the course with nine men but this they also refused. It appears as if Hope's victory of last week has proved too much for them.

Because Grand Rapids would not run on the day set for the race, the race is forfeited to Hope. As it now stands Hope is tied with Grand Rapids, each having won six races.

# ANOTHER HOLLAND AUTOMOBILE HAS BEEN FOUND

Officer C. Steketee and Sheriff Del Fortney wired Chief of Police VanRy Monday morning that the car of Edgar Landwehr, stolen from in front of Hotel Holland several months ago, has been recovered at Angola, Ind. This means that every car stolen from persons living in Holland has been recovered through the efforts of the police and sheriff departments. One car stolen in Holland but owned by a Zeeland citizen has not been recovered. This is the Dodge car belonging to R. A. Page of Zeeland, which car was stolen from in front of Hope church last winter. And the recovery of all the other cars stolen here gives basis for the hope that the Paige car will also be discovered in due time.

Federal officers are co-operating with the officers of Ottawa county and Holland city in rounding up the gang of auto thieves. The federal officers are working on the case under the new federal statute in regard to transporting stolen automobiles from one state to another. The government is sparing no expense or trouble in bringing the gang to justice. Four Italians are reported to be in the hands of the officers at the present time in connection with the stealing of cars in Holland, and they are supposed to be part of a gang working on a national scale. The gang is said to have used the South Bend, Angola, and Elkhart district in Indiana as a sort of a dumping place for stolen cars from all over America.

Edgar Landwehr's car was described by Officer Steketee as being in very poor shape. It was a brand new car when stolen but since then it has seen hard usage so that it had to be equipped with new tires before it could be brought back to Holland, the original tires having been worn out. Mr. Steketee and Mr. Fortney expect to be back in Holland on Wednesday with Mr. Landwehr's car.

# WINS FOURTH PLACE IN STATE CONTEST

Lillian Scott, winner of the district commercial contest at Muskegon some weeks ago won fourth honors in the state commercial contest at Kalamazoo Friday. Miss Scott's record was very close to the records of those who won first, second and third honors. The gold medal for first honors was won on a record of 69 words per minute; second honors and a silver medal, on 66 words per minute; the third honors on 62 words per minute while 4th honors were won by Miss Scott on a record of 61.45 words per minute.

An additional fact to Miss Scott's credit is that she is only a Junior in Holland high school, while the other three winners are all seniors in their respective schools. Each of the other three had had six months more work in their commercial departments than had Miss Scott. Holland high school is extremely proud of the record made by Miss Scott against contestants from all over the state.

# HOLLAND TOT MAKES A HIT AS AN ACTOR

"Last Sunday during the opening exercises of the Bible School, Mrs. Orville McIntosh, recited 'Grandmother's Day,' a poem of her own composing. As a pretty illustration of her theme, she took to the platform with her, her tiny grandson, Bruce Orville Dick. The wee toddler seemed to enter into the spirit of the occasion taking his part with adorable unconsciousness."

The above is a clipping from the Union City Register Weekly of May 12. Bruce Orville Dick is the 19-months-old son of Mr. and Mrs. E. W. Dick of 84 E. 9th street, Holland, who with his parents and Mr. and Mrs. Andrew Hyma and son John, also of Holland, spent the week-end at the home of his grandparents, Mr. and Mrs. O. McIntosh at Union City.

# BIG ROAD CONTRACTS LET IN OTTAWA AND ALLEGAN COUNTIES

Contracts were let last week Friday for building approximately nine miles of cement road on the Dixie highway. One contract covers five and one half miles of the highway from the southern boundary of the village of Wayland and extending northward, and was awarded to Eitel & Ayres of South Haven. This will be twenty feet wide through the village and 18 feet wide the rest of the way. The second contract was given to O. M. Whitow of Muskegon and is for an eighteen foot roadway to extend about three and one half miles south of Martin. The aggregate cost will be \$330,000. This improvement will about close the gaps in the Dixie Highway in that county.

# Ford Producing

# 4,000 CARS A DAY

## PRESENT PRODUCTION GREATER THAN FOR SAME PERIOD LAST YEAR.

Ford is building cars at full speed. And, according to an official statement from the factory at Detroit, the demand for Ford cars and trucks will exceed the output, despite the fact that a new high level of production has been reached.

By the first of May the figures representing daily production were in the neighborhood of 4,000 a day, so the May schedule was set at 101,125 cars and trucks, not including the output of the Ford Canadian plant or any of the foreign assembling plants. The output mounted daily; May 12th brought forth 4092, the greatest number that have been produced in one day so far this year. Since the month has 25 working days, present indications point to a new high record.

A comparison of Ford production figures for 1920 and 1921 discloses the fact that for April, 1921, the output was greater by 34,514 than for the corresponding month of a year ago. The output for May 1921 will probably overshadow May, 1920, by between fifteen and twenty thousand cars and trucks.

Approximately 43,000 men are at work in the Detroit plant of the Ford Motor Company. The factory is operating on full time, six days a week and three shifts a day.

"We were never in a better condition than we are right now", said Henry Ford recently.

# Holleman - De Weerd Auto Co.

# JAPANESE STUDENT GIVES NINE ADDRESSES HERE

Mr. Sumio Uesugi, M. A., B. D., a graduate of the U. of C. was a visitor in Holland for a few days. Mr. Uesugi is a native of Japan and was educated in this country to prepare for missionary work in his own land. He made ten addresses Sunday at nine different places and addressed the Hope College student body at the chapel exercises Monday morning. His topic concerned the homes in Japan and the missionary influence over the home-life there. He expects to leave for his native country soon to take up active service there.

# REPORT OF THE CONDITION OF The First State Bank

at Holland, Michigan, at the close of business April 28, 1921, as called for the Commissioner of the Banking Department.

## Health For Heart Disease

Health Talk No. 19  
By JOHN DE JONGE, D. C.

There is no more terrifying disease than heart trouble. The victim lives in constant fear of over-exertion. The emotional exhilaration of exercise is denied them. A child so afflicted is particularly unfortunate.

Chiropractic spinal adjustments restoring a normal flow of spinal nerve impulses into the heart and adjacent muscles is a directly effective and scientific method of getting at troubles of this character.

# Can Exercise Now.

"About four months ago I was suffering with a very bad case of heart trouble. I could not play or exercise because of the effect it had on my heart."

"The principle of chiropractic was explained to me and I tried it. I continued for sixty adjustments. Now I am taking plenty of exercise. The pounding that used to bother me has entirely disappeared."

"I consider chiropractic a wonderful science." — R. E. Strocker, Chiropractic Research Bureau, Statement No. 12625

**ACT TODAY. — Why delay when consultation is without charge. Find out.**

## Weather Forecast

JUNE, 1921

1st to 5th—Fair Period. Clear and cooler conditions prevailing in the Northwest, the Lake region and Canadian Provinces. Fine growing weather in the Central and Middle Atlantic states. 6th to 9th—Sultry Period. Hot and sultry weather throughout Kansas, Missouri, Iowa, Illinois and Wisconsin. Local thunder storms in upper Missouri and Mississippi river valleys. 10th to 12th—Showery Period. Destructive thunder storms in Minnesota and both Dakotas. Stormy conditions over the Great Lakes and the North Atlantic seaboard.

13th to 16th—Pleasant Period. Clear weather and stationary temperature between the Rocky mountains and the Mississippi river. Fair and cool in the Lake region and New England. 17th to 20th—Cloudy Period. Increasing cloudiness in the Central and Middle Atlantic states. Stormy conditions over the Great Lakes and North Atlantic seaboard. 21st to 26th—Hot Period. Sweltering conditions throughout the Mississippi and Ohio river basins. Sultry and threatening weather over the West and Northwest. 27th to 30th—Storm Period. Heavy local thunder storms in New York and Pennsylvania. Cloudy and general unsettled weather from the Gulf coast to the Great Lakes and in New England.
