Teachers To Get Pay If Money Does Not Run Out

SCHOOL BOARD HAS A FINAL MEETING ON TEACHERS' SALARY QUESTION

The board of education held a final meeting on the question of salaries last evening and you may be assured that they have been at their "wit's end" to do the fair thing by the teachers, by the public and to "cut their cloth," according to the money in sight.

In making a contract with the teachers for 1933 the board has studied the situation very carefully and it was a trying situation in which there was plenty of unwarranted criticism. They are now offering a contract covering the ensuing year, guaranteeing to pay a stipulated amount provided the money is available.

In other words, if the amount accruing to the teachers' salary fund through the amount set up in the budget for teachers' salaries, the primary school fund, non-resident tuition and other state aid is not sufficient to pay the total of the nine months' salaries stated in the contracts of all the teachers of the Holland public schools, the salary stated in this contract shall be reduced by the per cent that the deficit in money is to said total. If the amount received through the above sources shall be in excess of the above named total the salary stated in this contract shall be increased by the per cent that the excess in money is to said total, provided that the increase in the amount of this contract shall not exceed the stated salary for one month.

The board of education has had meetings galore and their deliberations have been fraught with much worry. The citizens of Holland must always remember that these men are working without pay and this school salary question has been with them night and day for at least a year and at no time did they stint in their labors—efforts that directly involve the dearest of our possessions—our children.

All the members are sympathetic with the personnel of our school system and are co-operating with them in every possible way to keep our excellent system intact. None of the departments have been eliminated. The members of the board of education realize that every department is necessary in order that the youth of our city may have every advantage. There was considerable hesitancy on the part of the board to make contracts since it was impossible to foresee if there would be the necessary funds to make the required monthly payments.

The training and education of the children of any community is vital and important. Education is a debt which age owes to youth. Children only grow up to youth. Whatever may be the economic difficulties we cannot afford to neglect the education of our children. All together. Whatever greatness has been achieved by the sons and daughters of our commonwealths is due to the sacrifices of parents who in the past were more deeply concerned about the education of their children than they were about any other matter.

It has been said that America is another name for opportunity. No greater disaster could come upon our people than to have the educational privileges and opportunities of the youth restricted. They will be the men and the women of tomorrow. Upon their shoulders will rest the responsibility of carrying on the good work we have begun. The doors of opportunity should always be open to every capable and worthy boy and girl who cares to enter.

The citizens of this city believe in good schools. They believe that our public schools are a tremendous power in shaping the lives of our youth. No more capable and efficient teachers can be found in any system of education than those who have been with us in the past. They are devoted to their task and are rendering splendid service and have taken their curtailed remuneration for that service in a sportsmanlike manner.

JUDGE ORDERS HOLLAND BANK CASE TO COURT

The third step within a week toward the reopening of Holland banks was taken today when Judge Fred T. Miles issued an order for a hearing in circuit court at Grand Haven June 3 relative to the reorganization of the Peoples State Bank, closed for more than a year. Plans for reorganizing the First State bank and the Holland City State bank had met state approval earlier in the week.

Today's action followed a petition by the state banking commissioner, R. E. Reichert, asking that cause be shown why the People's State bank should not be reopened, according to Clarence Jalving, receiver. It is expected that after the hearing Judge Miles will set a definite date for the reopening of the bank and new directors and officers will be elected by stockholders.

The bank will reopen with a capital of \$150,000, and there will be available immediately to depositors \$120,000.

OPENS SERVICE STATION IN GRAAFSCHAP

According to an announcement found elsewhere, "Lou" Rutgers will open a service station in Graafschap, the grand opening being Saturday of this week. On that day beautiful free gifts are to be given to prospective customers. The place will be called the Rutgers' Service Station.

Tulip Festival Notes

Holland must be a noisy country. Some thirty modern reproductions of the picture book visited the capitol Friday morning, in costume, including wooden shoes. Their coming into each legislative chamber was heralded by a noise which sounded as if one wing of the building was falling down. The boys and girls were inviting state officials to visit Holland, Michigan, for the tulip time celebration. The girls distributed tulips and sang; the men folded hands over paunches and smoked pipes which curved down to their waists.—Lansing State Journal.

Tulip lane was a solid mass of automobiles today as thousands of visitors thronged Holland for the last day of the tulip festival. But while the period formally designated as tulip time was at an end blooms have just reached their zenith, retarded as they have been by unseasonable weather. Prospects are that with a continuation of the present favorable weather they will retain their freshness most of this week. Next in popularity to tulip lane, a ten-mile drive through the residential district planted on both curbs with tulips, estimated to number more than 2,500,000, were fields of commercial growers. Thousands of visitors today sought out these more remote plantings, one of which contains a solid mass of 500,000 tulips of all hues and descriptions, resembling at a distance at ten-acre oriental rug, into which both gaudy and pastel shades have been woven with consummate artistry.—Detroit Free Press.

Wooden shoes clattered in the corridors of the State Capitol Friday, as 30 delegates from Holland, in Dutch garb, came to invite legislators to attend the tulip festival in their town. The Hollanders put on a little show, singing Dutch songs, and while the women distributed tulips the men put on a smoking exhibit with their long pipes.—Detroit Free Press.

Only one traffic accident was reported for Sunday, May 21, despite the thousands of automobiles. A car driven by Miss Anna C. Murphy of Grand Rapids, collided with an automobile driven by Clyde Molen of Grand Rapids on East Eighth street. Mrs. Walter Hodson, an occupant in the Molen car, received minor bruises. Miss Murphy's car was damaged considerably.

The Junior League held a Tulip Time dance Saturday, May 20, in the Warm Friend Tavern ballroom. The dance was attended by about eighty couples. The music was furnished by Herb Van Duren and his orchestra. Special entertainment was provided in keeping with Holland's celebration. Four high school girls, Jean Wismer, Lida Helder, Mary Van Kolken and Ruth Klassen, accompanied by Lois Vrieling, presented a dance in Dutch costume and wooden shoes. Miss Shirley Shaw gave a Dutch dance and other specialty numbers. She was accompanied by her mother, Mrs. Carl Shaw. The dance was in charge of Miss Marjorie Selby and her committee, Misses Carol Van Hartefeldt, Wilhelmina Walvoord and Ruth Bolhuis. The next dance, a summer formal, will be given at the Holland Country club on Friday evening, June 16.

Possibly the most colorful parade ever staged in Holland was the wind-up in Tulip Week. A parade more than two miles long was witnessed by at least 15,000 people. The line of march swung into Eighth street after the band contest at Riverview park, where \$300 in cash prizes was given away. The two Holland bands made a wonderful showing and would have won prizes but being the host this was impossible. The prizes given out at Riverview park were the following: Junior unit, first place, Kalamazoo Central High school, \$75 and a trophy; second, Boys' band of Benton Harbor, \$50; third, Lansing Eastern High school band, \$25; fourth, Ottawa Hills High school band of Grand Rapids, \$15; fifth, Grand Haven High school band, \$10. In the senior division, first place was awarded to the Grand Rapids 126th Infantry band, \$75 and a trophy, and the second prize, the sum of \$50, went to the De Molay Commandery band of Grand Rapids. The Kalamazoo Drum and Bugle corps of Kalamazoo was presented with a cup.

Prize winners in the Tulip Time contest staged during Tulip week under the auspices of the Women's Literary club home garden department have been announced. These miniature parks which were on display in the Literary club rooms during Tulip Week are now on display at the office of the Camp Fire Girls on West Eighth street. First prize of \$3 was awarded to the Chickagami Camp Fire group of which Mrs. J. W. Moran is in charge. Second prize of \$2 went to the girls of the Ocawasin group of which Mrs. Charles Landwehr and Miss Margaret Westveer are guardians. Other groups entered received honorable mention and the sum of \$1 each. These include Ahsonzong, under the direction of Miss Carol Van Hartefeldt, guardian, and Waniula with Mrs. Randall Bosch and Miss Lillian Mulder as guardians; the Waketa, with the Misses Isabelle Van Ark and Lucille Ver Schure as guardians and the Kinuna group, who have Miss Betty Smith and Miss Lois Keppel as guardians.

Miss Verda Greeno, Miss Lydia Seinenberg, Charles Wood and John Flickema, all of Muskegon, were apprehended here last week on charges of picking tulips.

Local Couple Only One Day Apart In Ages

FORMER HOLLAND FAIR HEAD CELEBRATES WEDDING ANNIVERSARY

Last Wednesday, May 21, Mr. and Mrs. A. B. Bosman quietly celebrated their fiftieth wedding anniversary. Both Mr. and Mrs. Bosman were descendants from merchant tailors. Mr. Bosman is the oldest son of Jan W. Bosman, who conducted a tailoring shop and later a clothing store on East Eighth street more than a half century ago. Mrs. Bosman was a daughter of Mr. Gerrit Brusse of Zeeland, who conducted a similar business also a half century ago. She is a sister of former Mayor William Brusse and former Register of Deeds Peter Brusse.

Mr. and Mrs. Bosman were married in Grand Rapids in 1870 and during that time Mr. Bosman first associated with his father and later conducted business at Holland, Zeeland and Hamilton.

At the latter place he was in the hardware business.

For many years A. B. conducted a second-hand store on East Eighth street near Columbia avenue. It surely was an old curiosity shop.

Mr. Bosman also was the mainstay at the Holland fair, both as president and secretary. That was before the days when George Getz took a hand in helping to put the fair on its feet. Fairs were tough going in those days, held generally in the latter part of September or the first part of October, and the dates were scheduled with the full moon and often then the fair ran into bad weather.

Mr. Bosman has served as alderman, member of the board of public works and has been the best solicitor for funds for public causes and charity the city has known for many years.

Mr. Bosman was born in the Province of Gelderland, The Netherlands, and is the brother of Jack Bosman, Mrs. Henry Workman and Mrs. Henry Hyma of Holland.

Mr. Bosman's greatest vocation was real estate. For many years they have made their home at 51 East Thirteenth street. Despite his 77 years he is still healthy as Mrs. Bosman.

Rather a coincidence in the life of this couple is the fact that there is only one day apart in their ages. The birthday of Mr. Bosman occurs November 29 and Mrs. Bosman the 30, both being born in 1855.

The news congratulates the happy couple. The children are Mrs. Henry Meengs, George Bosman and Bernard Bosman of Holland and William Bosman, Grand Haven.

FORMER HOLLAND MAN SPEAKS AT SOUTH BEND

South Bend Times—"There is no peace where there are alliances," John Vennema of Chicago, told the Chamber of Commerce at its luncheon meeting Monday, in connection with his talk on "The Human Element of the Dutch."

Holland's position internationally, Mr. Vennema pointed out, has been "friendly relations with all nations, alliances with none."

Holland and the United States have been especially friendly, he said, recalling the fact that Holland was the first country to recognize American independence and that Dutch guns in the West Indies were the first to fire a salute to the Stars and Stripes.

Mr. Vennema reviewed the commercial relations between the two countries, especially as regards exports and imports between the United States and Holland's territorial island possessions in the Pacific.

Mr. Vennema is a graduate of Hope College and Michigan Law School and a brother of the late Dr. Ame Vennema, who was president of Hope College.

C. E. BROOKS ELECTED HEAD OF MEN'S CLUB

The annual meeting of the Men's club of Hope Reformed church was held Wednesday evening in the church parlors.

The following officers were elected: Ernest C. Brooks, president; Sears McLean, vice president; Edward J. Yoemans, secretary-treasurer; Kenneth V. DePree, Milton L. Hinga, directors representing the constituency; Bruce M. Raymond and J. D. French, non-constituent members of the board of directors.

Rev. Paul E. Hinkamp's popular "Autobiography of Old Man Depression," a humorous paper, was the feature of the program. Dinner was served by a division of the Hope Woman's Aid society, in charge of Mrs. Frances E. Browning, assisted by Mrs. Theodore H. Peck.

The new Chicago's special, "A Century of Progress" postage stamp is printed and on sale. It won't be long before Postmaster Westveer gets his Holland.

Two Daisies In a Tulip Bed

The above scene was taken in Centennial park, but don't get excited boys—the two well guarded and beautiful daisies are very much married. The stern looking Jake Fris, pulling his pipe, is either looking at the tulips or his beautiful young wife. Vivacious Mrs. Kam-

meraad is also deeply interested as is her "hubby," John, who lives at Lincoln avenue and Twenty-sixth street.

The above cut appeared in the Chicago Daily News and our kind friend, Frank Knox, whom the editor has known for many years

and owner of that paper, kindly sent it to the Holland City News. Mr. Knox has given Holland plenty of publicity in his newspaper circulating a half million, and under this picture appearing May 16 he gives a short description of "Why Tulip Time in Holland?"

DAUGHTER BORN TO MEMBER OF 1932 BLOSSOM COURT

Mr. and Mrs. Edwin Blakeslee are the parents of a daughter, Barbara Ann, born Wednesday night at their home in Benton Harbor. Mrs. Blakeslee is the former Dorothy Allerton, Miss Benton Harbor in the 1932 Blossom Festival. She was first maid of honor in the court of Blossom Queen Margery Cramp-ton last year.

PLANTS 48,000 TROUT IN WHITE PIGEON LAKE

Alfred Rehm, professor at Peabody college, Nashville, Tenn., who owns a summer home five miles southeast of White Pigeon, has a planted in the yard and Tuesday laid 48,000 Rainbow trout.

Swallows on Wing Nearly Entire Time

Swallows spend practically all of their time on the wing. Not only do they catch the insects that form the chief part of their diet while flying, but they rarely find it necessary to alight in order to drink or bathe. They have become skilled in accomplishing both of these processes while skimming lightly over the surface of the water.

Work on sand removal at the oval at Grand Haven started Monday, being done by welfare labor. Funds of \$2,000 were secured by an official committee including Mayor Lionel Heap, Charles E. Misner, city attorney, and Peter Kammeraad, city manager, which will be used for the sand removal, the installation of a septic tank and such other necessary improvements as will make the park comfortable for the thousands of annual visitors. The state furnished the money.

News Items Taken From the Files of Holland City News Fifty, Twenty-five and Fifteen Years Ago Today

Fifty Years Ago Today

The Reformed Church, parsonage and barn at Ebenezer, three miles southeast of Holland were totally destroyed by fire. The fire is supposed to have started from live coals in ashes which had been thrown in the yard near the barn by a servant girl. A portion of the church furniture and household effects of the pastor, Rev. John Mentendyk, were saved. The loss is estimated at \$7,000 with no insurance. Note: In those days folks did not believe in insurance, believing that the "Lord would provide." Today this attitude has been considerably changed, namely that the "Lord wishes us to use the means available."

M. Den Herder, father of Zeeland's banker, Jacob Den Herder, died at the age of 84 years.

Over 1400 bushels of wheat were brought to the Standard Roller Mills on River Street in one day. Surely a fine market for the farmer — \$1,400 in money was paid to them and much of it remaining in Holland, spent with the storekeepers.

Twenty Five Years Ago Today

Walter Sutphen, son of Prof. and Mrs. J. G. Sutphen, broke his wrist while roller skating.

Mrs. Hugh Bradshaw, formerly of Holland, now of Chicago, died after a long illness. She was the wife of the man who brought the "Mabel Bradshaw," a lake steamer, to this port.

Mrs. C. Lapeltak, age 83, died at the home of her children, Mr. and Mrs. Ben Kamferbeck, Graves Place.

POPPY DAY

The Willard G. Leenhouts post, American Legion, and the auxiliary of that order are planning for the annual Poppy Day for Saturday of this week, a time indeed appropriate before Memorial Sunday, the day following, and Decoration Day next Tuesday.

The annual sale of these artificial poppies with the date so near at hand is a bright reminder of the sacrifices thousands of American boys made in the World war. These poppies have been fashioned in veterans' hospitals throughout the land. They will be offered at every street corner.

As in past years this appeal for funds to carry on relief and rehabilitation among the veterans will be made by organizations that have pledged themselves to devote all the money received to this worthy work.

Poppy Day in Holland will be this Saturday. It would be a good thing to resolve now to have a little extra cash on hand that day to contribute to the welfare of those who still are suffering from the effects of the war.

SCOUTS REVIEW COURT AT HOLLAND TONIGHT

FINISHING U.S.-31 PAVING

Saugatuck Commercial — Work has been resumed on the paving of U.S.-31 from the point where it was suspended last winter to the junction with M-89. Last summer a project was started by the Garden clubs of Saugatuck, Ganges and South Haven for planting of flowers along the highway, like Holland's Tulip lanes and Grand Rapids' avenues of Iris. "Hollybrook Highway" was suggested for U.S.-31, and the other day someone advanced the idea, in conversation with the Herald editor that a "Daffodil Drive" would be attractive, except for the sameness of color, and that color, yellow, which some people do not like. Well, here's another. How about a "Red Rambler Route" or "Bachelor's Button Boulevard?"

"CHEERY BEERY DAYS" NOW WITH US AGAIN

Fennville Herald—"New Beer's Day" was observed in Fennville Thursday evening, May 11, starting at 6 o'clock, when the legal 3.2 beverage went on sale at the Stevens Hotel and the store of J. H. Van Blois. The license of the hotel permits sale for consumption either on or off the premises, that of the latter for consumption only. Both report a brisk business.

MAY IS WEEPY MONTH. BUT OLD RECORD STANDS

May for Holland to date had 426 inches of rain. The May normal rainfall is 3.44 inches and the record was established in May, 1911, with 7.18 inches. To date there have been three days in May without rain, May 4, 14 and 17. The rainfall Friday evening was .85 inches and for five minutes Saturday morning from 4:04 there was .37 inches rainfall, according to the local weather bureau.

Mumps and German measles, according to Dr. Ralph Ten Have, county health director, are prevalent throughout the county. There are several cases of scarlet fever and a number who have been exposed are under quarantine. The heaviest epidemic of the first two diseases is around Blenden township.

UNION RALLY OF LEAGUES FOR SERVICE HELD HERE

A union rally meeting of Leagues for Service from societies of Holland, Zeeland, Jamestown, Forest Grove, North Holland, Overisel and Hamilton was held in Trinity church Wednesday evening and approximately 275 members were present.

The meeting was opened with group singing followed with devotion by Mrs. Charles Kuyers.

A slate of officers was submitted by Miss Jeanette Westveer, who presided at the meeting. These were unanimously elected by the group. The officers include Miss Lois Marsjole of First Reformed church, president; Mrs. Russell Risselada of Third church, vice president; Miss Bernice Scholten of Sixth church, secretary; Miss Bernice Van Spyker of Trinity church, treasurer; Miss Agatha Vanden Elst of Fourth church, home missionary chairman; Miss Jean Kole of Bethel church, foreign missionary chairman, and Miss Hannah Hoekje and Miss Westveer, advisers.

Mrs. James Weyer made a few remarks in regard to a new missionary conference union. A selection was sung by a double quartet from Bethel Reformed church followed with a play "Soup, Sand and Sage Brush," presented by members of the Third church group. The double quartet favored with another song and the concluding number on the program consisted of an inspiring address by Mrs. Henry Poppen, missionary to China.

The society of Trinity church will receive a banner for having the largest percentage of its members present.

At the close of the meeting a social hour was enjoyed and refreshments were served.

GRADUATES AS NURSE FROM CHICAGO HOSPITAL SCHOOL

Miss Pearl Karreman, daughter of Rev. and Mrs. Anthony Karreman of Waupun, Wis., graduated from St. Catherine Hospital School of Nursing. The exercises were held at the chapel of St. Catherine's hospital. Rev. and Mrs. Karreman were former residents of this city. Mrs. Karreman being Miss Margaret Mulder, daughter of Mrs. L. Mulder. Rev. and Mrs. Karreman and three daughters, Pearl, Jean and Margaret, motored to Holland after the exercises.

SENT TO COUNTY JAIL FOR BEATING HORSE

A horse belonging to Fred Schwetzer of Crookery township was beaten to death by the owner in a fit of rage recently and he is serving a sentence of 40 days in the county jail for cruelty to animals. He went to jail in lieu of a fine of \$50 and costs. Sheriff Ben Rosema was called to the farm where the horse had been killed and found the animal in terrible condition. The owner had evidently battered the horse's head with a heavy stick. Schwetzer claimed the horse tried to kick him.

OLD FIRE HOSE CART GOES TO CHICAGO

Big Rapids is to be represented in the Century of Progress in Chicago this summer by its silver horse cart, pride of the local fire department since it was won as a prize in 1877 at the Philadelphia Centennial. City Manager Dan Vincent announced.

The horse cart will be entered in the big Chicago fair by the manufacturing concern that sold the fire apparatus some years ago. The old Alerts, as the Big Rapids fire ladders were called back in 1877, won the cart and \$300 in cash in a national firemen's tournament at the Big Rapids fair. It has been carefully preserved here and is now only brought out on special occasions to be a part of local parades.

Gerrit Schutten has moved from his home on Holland route No. 4 to a residence on the Ottawa Beach road.

OFFICIAL PROGRAM

The official Memorial Day program for next Sunday and next Tuesday is found on the first page of the next section. The program has just been completed in every detail and includes the program to be given in Centennial park, the line of march to the cemetery and the impressive services to follow.

The program also contains a compilation of the number of fallen heroes in the Napoleonic war, Mexican war, Civil war, Spanish-American war and World war. Two Civil war veterans died during the year; one answered taps from the ranks of the Spanish-American war group and three from the World war heroes, which is all given in the program.

Tulip Time's Tonic

The beauty of Holland's Tulip Time will be remembered by all of the many visitors who traversed the lanes between red, pink, lavender and yellow blossoms last week. Never was community enterprise more excellently conceived or more wholeheartedly carried out. Many communities might appear as brilliantly beautiful as Holland if they, too, were to go in for tulips on so extensive a scale. But where else is there another community which could be brought together in such unanimity? The flowers are handsome, but the thing that really is most impressive is the public spirited enthusiasm which inspired the dedication of private property and produced the volunteer labor of hundreds of householders. There must be, after all, something to Holland's claim that it is a city of "warm friends." The spectacle of civic unity is an exemplary tonic for other cities.—Editorial, Grand Rapids Herald.

JUDGE DISPOSES OF MINOR COURT CASES

Several minor court matters were brought before Judge Fred T. Miles in circuit court. Among them was a divorce granted to Sylvia Ver Hey against Jacob Ver Hey, both of Holland. An order for alimony was entered in the court brought by Kittle Martin of Spring Lake against Bert Martin. The defendant was out of the state for some time so that personal service was not possible. When he came back, he was brought before the court. He stated he had a job in Cleveland, Ohio, and the court decreed he pay alimony.

REV. BURGRAFF CALLS SYNOUD PERFORMANCE PAGAN

Rev. Winfield Burgraff, youngest member of the faculty of Western Theological seminary, makes some caustic comments on the proposed method for postponement of the general synod of the Reformed Church in America, scheduled to convene in Grand Rapids June 8.

Mr. Burgraff ridicules the method of the vice president and the permanent clerk going into an empty building to call a meeting of synod and then having one say to the other, "There is no quorum here," as plain bunk and a pagan performance—to the shame of the Reformed church.

"If the economy committee has plans for saving \$10,000, and the cost of holding a synod with reduced delegations can be done for \$5,000, why not work in the interest of economy, if economy is the slogan?" Burgraff says. "This saving would look mighty good to the boards of foreign missions or one of the other boards."—Grand Rapids Press.

How to Locate a Bee Tree Told by Man 90 Years

ALLEGAN COUNTY MAN GIVES INTERESTING DESCRIPTION OF WHY THE "BEE LINE" ROAD

Allegan county, the setting for Coopers' wonderful Indian story, "Oak Opening," possibly the most beautiful forest description ever written, also had to do with wild honey bees and how these bee hives in trees and logs were traced.

It takes an Allegan county man, a veteran bee hunter, to give an unusually interesting story of how he personally traced the bees to their natural home in Allegan county and was provided with honey in the early days.

The man is Mr. John Short, who will soon celebrate his 90th birthday, and has kept bees since he was 12 years old.

"A most interesting and profitable undertaking and one requiring real skill is lining up a wild bee tree," the Allegan county man said. "It can best be done on a warm day in the fall after the frost has killed the flowers on which the bees work and they are eager for honey. A bee box is the first requisite. This is a small box and in it is placed some honey comb filled with honey. In this a bee is caught and allowed to feed until he stops buzzing.

"Then the box is quietly opened. The bee will come out and circle to get his bearings, then with his unerring sense of direction he will fly straight to the tree which is his home.

"Soon he will return, bringing more bees. They will continue this and as they make their straight 'bee line' to the home tree it is possible to follow them several rods each time, leaving a little of the comb behind each time they return to it. If the box is carried past the home tree they will stop working on it.

"When setting up the box, a stick is wet with anise oil and placed near it. The odor attracts the bees. When unsuccessful in starting bees to work on his box a bee man sometimes heats a flat stone and puts upon it some honey comb. When the wax flies out it makes a scent which will bring them when nothing else will.

"A bee line is sometimes followed as far as two miles, though from one-half to three-fourths of a mile is the average distance of a line. Cross lining is accomplished by moving the bee box on an angle to the line the bees are making, leaving some comb behind. One thus attracts them to two sets and two lines are formed leading to the same home tree. By watching where these two lines converge the tree is more easily located."

The wild bee's home is not always found in hollow trees. Sometimes they are found in hollow logs or stumps. Occasionally two swarms are found in one tree. Only once in 76 years' experience has Short found a swarm on a bush, though honey exposed, and weighing the bush down to the ground. It contained between 30 and 40 pounds of honey.

Short began keeping bees at the age of 12 when his father purchased a swarm for him because of his eagerness for them and his keen interest in them. He is a natural beekeeper and declares that unless one is, he will not be successful with them. He has kept as many as 100 swarms at one time, and has been stung so many times that a sting will no longer swell on him.

He still uses an ancient bee box which he made in 1870, planning the lumber himself. He says that the statement is sometimes made that bees fan to keep cool and avert a circulation of air through the hive to ripen the honey. If it were not ripened before being capped it would ferment. And bees, it seems do not care for that.

MRS. TELLING AND THE TULIPS

Elsewhere in this issue there appears an announcement in which Mrs. John E. Telling gives unstinted praise to all those directly involved and instrumental in making Holland's Tulip Festival an unprecedented success.

The local newspapers were mentioned by Mrs. Telling, for which we extend thanks.

It is, however, about time that someone says a few fine things about Mrs. Telling—so richly deserved.

A Tulip Festival in Holland is not a carnival, a side show nor an exhibition a la bally-hoo. It is a spectacle that carries with it dignity, beauty and an aesthetic complex. There is nothing clownish about it but an exposition that appeals to our better senses. There is not a vestige of viciousness or loudness in our Tulip Time Festival. It is a spectacle that appeals to our sense of beauty. It is restful to the nerves—it instills a thought in one's mind and heart that these beautiful creations come from the hand of a greater Being than the hand of man.

No one in Holland could head a Tulip Time Festival with better grace and decorum than could Mrs. John Telling. Because it is a festivity of dignity is why Mrs. Telling fits in. The editor of The News has wondered these many weeks how these great pageants—continuous programs covering a period of ten days—could be so calmly staged without a vestige of brain storm or undue excitement. Undoubtedly there was a great deal of worry, obstacles and disappointments behind the scenes, but Mrs. Telling and her able co-workers never allowed anything but dignity to appear in public.

The presentations on the streets and in public places seem to just happen without effort and without agitation, and with calm deliberation. We know that underneath there must have been much cause for worry at times but that side was never displayed to the public. It is the personality of a lovely woman like Mrs. Telling, her tact, her diplomacy and her calm deliberate and dignified judgment that brought this about.

We sincerely hope that Mrs. Telling may be prevailed upon to head the 1934 Tulip Festival for she, in every way, is eminently fitted to be at the head of an affair that has attracted nation-wide attention.

Our hats are off to Mrs. John Telling!

SPORTING JOBS

PAST, PRESENT AND FUTURE SPORT NEWS

Two great colored baseball teams will invade the city in the next four days to play Holland's leading nines. Saturday afternoon the Hartford Colored Giants of Chicago, the team that was rained out in its previous scheduled appearances, will play the Holland Boosters at Riverview park at 3 o'clock.

On Memorial Day morning at 10 o'clock the Pere Marquette of Grand Rapids, one of the best colored outfits in the country, will meet the Mosser Leathers at Riverview park.

Brice Rogers, manager of the Chicago dusky outfit, asked the local management to come back here Saturday after rain had halted the previous games. Rogers likes Holland and he is anxious to get the approval of the local fans on his great colored team. The dusks are comical as well as star ball players.

The City league baseball season opened Monday and the Mosser Leathers and Holland Boosters both got away to a flying start. The Mosser beat the Dutch Boy Breads in an 11-inning struggle, 2 to 1, while the Boosters batted their way to an 11-to-6 victory over the Pure Oils.

The Dutch Boys held a 1-to-0 lead over the Tanners until the tenth, when Babe Woldring's outfield scored a run. In the tenth the Bakers mowed down a Mosser rally with a sparkling triple play, but the Mosser team came back in the eleventh to win.

Tubergan and Vandenberg pitched for the winners, and George Zoerhof went the distance for the losers.

Lefty Sakkers came in the game to halt the Pure Oils while the Boosters banged the offerings of Wynand Vandenberg and Haight for 14 safe blows. Mark McCarty got four of the hits and drove six runs across the plate. Ed Wolters started for the Boosters and went good until the sixth inning when he began to weaken.

The Hope college golf team stamped itself as one of the best squads in the state last week by running its string of victories to five straight. Bud Hinga's outfit defeated Grand Rapids Junior, 6 to 5, gaining revenge for the lone defeat of the year at the hands of Junior. The Grand Rapids team is a veteran outfit that defeated Michigan and Michigan State last year. Hope downed Olivet here by an 8-to-4 count for the second time this season. Ben Timmer was mauler in both matches with 72 and 78 scores.

Holland High school did not fare so well in the Southwestern conference tennis tournament last week, Saturday, as Grand Haven successfully defended its title. All Holland players were eliminated in the second round, the doubles teams being forced out of the running in the semi-finals.

Allegan County News

The dates for the Allegan county fair this year are September 19 to 23. Leon Kolvoord of this city is making plans for the boys and girls bicycle and pony races which are to be special features. An effort will be made to have the largest and best school exhibits ever shown. For the first time in several years the old-time floats will be used to bring the children in from various parts of the county for school children's day. Liberal prizes will be awarded.

Allegan real estate dealers report they are receiving inquiries by mail and many personal calls from residents of Chicago and other cities who desire to purchase farms. They draw the conclusion that city persons of means believe a good farm will be a paying investment.

Mr. and Mrs. Peter Ver Burg and family of Chicago and Rev. and Mrs. James Ver Burg of Ohio were week-end guests of J. C. Van Leeuwen and family during Tulip Time at Niekerk, southeast of Holland.

Commencement week of Saugatuck high school will start Sunday with a baccalaureate sermon by Rev. R. L. Kortkamp at the Congregational church. The commencement program will be held at the school auditorium Thursday evening, June 1, followed by the alumni banquet, Friday, June 2.

The Saugatuck village board has accepted the report of the budget committee and voted to assess a summer tax of 16 mills, the same as last year.

Action to continue mission work at New Richmond, Allegan county, and adjoining communities was determined at a meeting of the delegates and others of the Holland classis of the Christian Reformed churches who convened yesterday in Ninth Street Christian Reformed church. Previously, the work at the New Richmond mission had been in charge of the Graafschap and Ninth Street Christian Reformed churches. Now the work will be taken over by the classis under the direction of a committee headed by Rev. P. Van Vliet of Crisp. Routine business and reports occupied the remainder of the session. Rev. Richard Posthumus of Pine Creek presided. Rev. S. Fopma of Noordeloos was clerk.

Our elder residents still remember Walter Scott Strowger, who lived at Fennville in the home of his uncle, Harrison Hutchins, and went to school about fifty-five years ago. He died at Rochester, N. Y., recently, aged seventy years, and was noted as the inventor of the automatic telephone switchboard, a safety incandescent gas lamp, an improved type of storage battery, and various other practical devices. If you should meet anyone who possesses any of that Hutchins blood, look out for a mechanical genius. Harry Hutchins, who is spending some time on the farm of his father, Henry, has assembled enough old parts of machinery, together with a few new parts, and has constructed a farm tractor and a power spray outfit that are doing good service on that fruit farm.

Mother's Day was appropriately observed at the Douglas hospital. Two young sons were born, one at 10:20 a. m. and Mrs. Leonard Sweet of Bravo. He will be called Darrell Eugene. The other came at noon, son of Mr. and Mrs. Frank Van Dine of Gibson. Mrs. Paul Schultz, who was operated on Monday morning at the Douglas hospital by Dr. Winter of Holland, is feeling as comfortable as could be expected.

The vicinity of Saugatuck and Douglas was very fortunate when on May 9 they received a consignment of 200,000 fry of walleyed pike from the state fish hatchery at Mattawan, known as the Walleye hatchery. These fry were received through the efforts of John A. Scarlett as were the whitefish and lake trout which were planted in the lake this spring. Keeping the waters surrounding resort towns well stocked with fish is one of the big inducements which entice the tired business man to try out their town for a week's good fishing.

Charles B. Smith, near Ganges, is fitting the ground for planting of sugar beets he has contracted with the company of Holland. A trio from Holland gave a musical entertainment in the schoolhouse Friday night. A collection was taken, proceeds going to the church building fund. The rain kept many at home.

The annual Memorial Day service will be held at the M.E. church, Ganges, May 30. O. L. Smith, a Detroit attorney, will give the address. There will also be orchestra music, readings and special music. The Gettysburg Address will be given by Harold Hoover. Following the program a cafeteria dinner will be served in the social room. General synod of the Reformed church was to have met in Central Reformed church in Grand Rapids on June 8 instead of at Asburg Park, New Jersey, as was customary, comprising 500 delegates, was to have met this year but it was planned to postpone the meeting until 1934 to save money. It is the duty, however, to call a meeting of a few to organize and adjourn in order to keep the records of annual meetings intact, covering a period of more than 200 years. The two officers of synod to carry out the instructions of President Dawson are Dr. Edward D. Dimment of Hope college and Dr. J. M. Martin of Holland, respectively vice president and permanent clerk.

Mrs. Edith Walvoord of Holland will be the guest speaker at the W. C. T. U. meeting to be held at Zeeland next week, Friday, at the Second Reformed church. NORTH HOLLAND

The North Holland baseball team defeated the Alley Rats of Zeeland in the first indoor baseball game of the season by the score of 7 to 1 on Monday evening at Zeeland. Weenum, for North Holland, allowed 4 hits, struck out 19 men and walked 1, while Dalman for the Alley Rats allowed 11 hits, struck out 12 and walked 3. North Holland gained the advantage by scoring 5 runs in the first inning and 2 more in the ninth, while the Alley Rats scored their only run in the eighth inning. The batteries for North Holland were Weenum and Dalman and for the Alley Rats, Dalman and De Weerd. With no allays of any kind in the city of Zeeland we have often wondered where the Rats came from and why the name? "Game Cocks," we believe, would be more appropriate, it would seem.

Mr. and Mrs. Harm Kuite and family motored to Hamilton Sunday to visit at the home of Ben Dewerd.

Mr. Anthony Danberg and Mr. and Mrs. Justin Danberg and Melvin and Johanna Danberg of Overisel visited at the home of Henry Boers Saturday.

Those who took the seventh and eighth grade examination from here were as follows: Seventh grade, Justin Poll, Willis Timmer, Jean Veldheer, Kenneth ozema and Gerald Groenewoud; eighth grade, Manley Kuite and Slinda Smeysers. Mr. and Mrs. Jack Knoll of Holland visited at the home of John Knoll Monday evening.

Mrs. Harm Kuite motored to Laketown Friday.

Mr. Albert Timmer harvested his crop of rhabarb this week.

Mr. Peter Zeldenrust was in Grand Rapids Tuesday on business.

Mr. and Mrs. Ben Kuite and son Manley visited at the home of Herman Bartels Monday evening.

HAMILTON

The local farm bureau last week received 40,000 gallons of gasoline. This item in last week's correspondence was changed to 4,000. Evidently the printer thought it was an exaggeration on our part, believing that in these days of depression such an order couldn't be true.

Rev. William Pyle was a Hamilton visitor Friday.

Mrs. William Ten Brink and son, Henry, motored to Lowell last week, Wednesday.

The King's Daughters society of the First church met with Henrietta and Josephine Johnson at Holland Friday night.

John Stegink of Muskegon was a week-end guest at the John Kronmeyer home.

Duff Dangremont last week, Friday night, came back from a fishing trip at the Saugatuck pier thoroughly disgusted. His friends, however, have revealed the reason. It appears that Mr. Dangremont fell from the pier into Lake Michigan—pole, pail and all. He lost the pole, saved the pail and scared the fish.

Most of the Hamilton folks were Holland visitors for several days last week enjoying the tulip celebration. A very large number of

cars passed through this village each day and in spite of the heavy rains made life uncomfortable with clouds of dust. We hope that the state has kept count of the cars that have passed over M-40. Even regular traffic is so heavy that most of the time the roads look and feel like the old-fashioned washboard.

Rev. James Wayer of the First Reformed church of Holland had charge of the evening service at the Second church Sunday evening in an exchange of pulpits with Rev. Paul Hinkamp.

Gertrude Vos is visiting with relatives in Holland this week.

Mrs. Frank Peters and family of Jamestown were at Henry Nyenhuis and Harry Lampen Sunday.

Mr. and Mrs. Ed Hoelands of Grand Rapids were guests of Rev. and Mrs. J. A. Roggen Sunday evening.

Mr. and Mrs. William Drenten, entertained the former's brother, John, of New Buffalo Sunday.

Mrs. A. Van Hoven, Mrs. William Noordhuis of Zeeland, Mr. and Mrs. Herman Holleboom and daughter, Ruth, of Holland visited Mr. and Mrs. William Ten Brink last week, Wednesday evening.

C. N. Menold has announced that Friday of this week will be opening day for his new drug store. Mr. Menold has spared no expense with the result that he has a well-equipped, up-to-date and neat place of business. The store is very conveniently located at the corner of Central avenue and Main street. There will be a treat for everyone Friday—ice cream cones, favors and cigars. Mr. Menold is an old hand in the drug business and the community extends a hearty welcome to him in his new venture.

Mr. and Mrs. Raymond Dangremont and son of Grand Rapids visited their parents, Mr. and Mrs. V. A. Dangremont, Sunday.

Dora Rankens spent Sunday with Mr. and Mrs. Donald Klein in Holland.

Mr. and Mrs. Marvin Kooiker attended the Allegan county Mail Carriers' meeting at Allegan Saturday evening.

Mary Lubbers and Gladys Lubbers were in Grand Rapids Thursday.

The Ford garage reports a definite pickup in business. Last week they sold two new Fords and several used cars.

Elinor Voorhorst of Allegan is spending this week with her mother, Mrs. B. Voorhorst.

Several of the celery growers are busy planting an early variety of celery. This is a new thing in this community. In the past the growers have confined themselves to the late crop. The weather is ideal and the crop is getting a very good start. Mr. Ed Miscooten, one of the prominent celery men, is very enthusiastic, not only because of conditions, but also because of the saving of labor since the late crop usually is planted at the time when irrigation is necessary.

Mr. and Mrs. L. Kropshot of Fremont were guests of Mrs. William Schutmaat during the past week-end.

Mr. and Mrs. William Drenten and children of Grand Rapids are visiting Mr. and Mrs. Herman Nyhoff this week.

Mr. and Mrs. Henry Klein were at the home of their children, Mr. and Mrs. Donald Klein, of Holland Sunday.

Neal Nyhoff of Holland was a Hamilton visitor Tuesday.

Mr. and Mrs. Herman Kuite were in Kalamazoo Friday. Their daughters, Helen and Josephine, of Western State returned with them to spend the week-end at home.

The annual eighth and seventh grade examinations were held in the high school room last week, Thursday and Friday.

Next Sunday evening the baccalaureate service of the high school will be held at the First Reformed church. Rev. J. A. Roggen will preach the sermon for the class.

Wednesday the commencement exercises will be held at the Community auditorium at 7:30 when an outside speaker will deliver the address. Marie Fokkert is the valedictorian of the graduating class. Margaret Roggen and Mildred Strabbing are the joint salutarians. The class numbers nineteen: Marie

Fokkert, Margaret Roggen, Marian Bolks, Mildred Strabbing, Geneva Timmerman, Myron Bolks, Henrietta Bergman, Julia Bultman, Marian Barkel, Milton Barkel, Howard Lugten, Harvey Kronmeyer, Bert Brink, Florence Volkers, Josephine Kempker, Edwin Kolvoord, Pearl Drenten, Louis Ter Avest and

Leonard Dangremont. Memorial Day, next Tuesday, both of the local teams will open the baseball season. The Merchants will play at 8 o'clock, and at 10 o'clock the Independents will meet the fast organization from Hudsonville. Manager Clarence Billings is also trying to arrange

for a game in the afternoon when it is hoped the locals will cross bats with a team from Holland. Henry Drenten has recovered from an operation for appendicitis and is again at home. Earl Monroe of Chicago was a week-end visitor at the home of his father, Walter B. Monroe.

Sylvia Dickerson of Constantine, was a guest at the Herman Kuite home Saturday and Sunday. Everett Root and Sarah Nies of Zeeland were united in marriage last week, Saturday. "Epp" is, therefore, standing treats this week. The couple will reside on East street.

A detailed plan for the resumption of business of said Bank is now on file in the office of the Commissioner of Banking of the State of Michigan, and with the Conservator of said Bank, and will be available to all depositors and other creditors and stockholders of said Bank during the legal banking hours of said Bank.

1. The Commissioner of the Banking Department of the State of Michigan, by and with the approval of the Governor of the State of Michigan, shall immediately levy and proceed to collect to the fullest extent a 100% stock assessment against the stockholders of said Bank.

3. All accounts of \$10.00 and under, and school savings accounts will be available for payment in full without restriction.

4. Waived deposits:

The certificates of participation representing the waived deposits are to be issued against assets, which are to be taken out of the assets of the Bank and placed in a trust for the ratable benefit for the holders of said certificates, as provided for in a certain trust agreement between the Bank and certain Trustees, a copy of which is on file in the office of the Commissioner of the Banking Department, and on file in the office of the Bank, and is open for inspection at all times during business hours; which said agreement reserves in the Bank the right to substitute certain assets of the Bank for assets of the trust for a period of two years from the date of said agreement.

5. Earnings:

The earnings of the Bank to be conserved, and no dividend be paid to stockholders until a surplus is established equal to 20% of the capital stock of the Bank.

6. Capital structure:—The capital structure of the Bank shall be such ratio of capital to deposits as shall be determined upon by the Commissioner of the Banking Department, and shall at the date of opening be represented by sound assets.

7. Officers and directors:

The officers and directors of the Bank on opening shall be approved by the Commissioner of the Banking Department.

8. Interest on accounts:

Interest on savings accounts and certificates of deposit and other interest-bearing accounts will be computed to March 4, 1933, and become a part of the creditor's claim against the Bank.

9. Preferred Stock:

In the event it shall be deemed advisable to issue preferred stock and have the Reconstruction Finance Corporation subscribe for the same or part thereof, the Commissioner of the Banking Department shall have the right to order said preferred stock issued in such manner and form as shall be satisfactory to the Reconstruction Finance Corporation.

10. (a) This notice will be posted on the front door of the Bank, and will be published in the Holland Evening Sentinel and/or Holland City News, newspapers printed and circulated in the county of Ottawa, Michigan, for two successive weeks, and any depositor, creditor or stockholder, upon application within thirty days next following the last publication of this notice to a Court of Chancery of said county, that being the county within which said Bank is located, such creditor or creditors, stockholder or stockholders, depositor or depositors, shall have the right to review said plan of reorganization; to have a determination made of the value of his or their claims against the Bank; and the Court, at its discretion, may order and decree the payment thereof in cash, or by the allocation of assets to said claimant or claimants, to the value of his or their claims, as so determined; or said Court may order or decree that said creditor or creditors, stockholder or stockholders, depositor or depositors shall accept and abide by such plan or reorganization, or make such other or further order or decree in the premises as shall be fair and equitable under the circumstances of the case.

(b) Failure to make such application within the said thirty day period by any creditor, stockholder, or depositor, shall be deemed to be consent to such reorganization or plan.

11. Release of available deposits (A):

(a) 50% of "other deposits" to be released and made available to depositors, as follows: The amount available under this paragraph or under the opening on restricted basis plan shall be represented by time certificates of deposit issued to each depositor, maturing in from one to five years in equal amount per year. Such time certificates of deposit to be issued in five series; one series to each year from date hereof. Such time certificates of deposit to bear interest at the rate of 1% per annum, payable semi-annually for the first year; 2% per annum payable semi-annually the second year; 2% per annum payable semi-annually the third year; 3% per annum payable semi-annually the fourth year, and 3% per annum payable semi-annually the fifth year.

(b) Such time certificates of deposit shall be redeemed at the Bank on the date of maturity.

(c) Such time certificates of deposit are callable at any time by the Bank, with the consent of the Commissioner of the Banking Department. Each time certificate call for payment shall cease to bear interest from the date of call. Notice of such call may be given by causing the notice thereof to be published in a newspaper of general circulation in the county or counties in which the Bank is situated, for such length of time as shall be determined by the Commissioner of the Banking Department, or may be given by personal notice or by mail, or in such other manner or for such length of time as the Commissioner of the Banking Department shall determine. Such notice shall also be posted in the lobby of the Bank at least five days before the time of redemption.

(d) Such time certificates of deposit may be accepted in whole or in part by the Bank in payment in whole or in part of any note, loan, mortgage, debt, and—or other obligation, whether similar or not, owing, due or to become due to the Bank, whether such obligation or debt be legal or equitable; and the Bank, with the consent of the Commissioner of the Banking Department, may accept such time certificates of deposit, or any part thereof, in settlement or compromise of any claims, demands, and—or obligations, legal or equitable, owing or claimed by the Bank; and such time certificates of deposit may also be accepted in whole or in part by the Bank, with the consent of the Commissioner of the Banking Department, in payment of the purchase price in whole or in part of and for any of the assets of the Bank. Provided, however, that the consent of the Commissioner of the Banking Department must be obtained on the acceptance of any and all time certificates of deposit with more than one year's maturity from date of transaction.

(e) Such time certificates of deposit of any and all maturities may be accepted by the Bank in payment of any assessment of capital stock and—or purchases of or for capital stock.

12. Release of available deposits (B):

The Commissioner of the Banking Department, on or before the date of opening the Bank, may release all or part of such available deposits, and such parts so released shall remain to the credit of each depositor, and made available to immediate withdrawal, without restrictions except such as are now or may hereafter be imposed thereon by the Secretary of the Treasury of the United States and—or any other lawful national authority.

13. Whenever the Commissioner of the Banking Department shall order the release of all of the available deposits and make the same available for immediate withdrawal without restriction, except such as may be imposed by the Secretary of the Treasury of the United States or any other lawful national authority, then, and in such case, the Bank shall be opened, as follows:

(a) Bank to be opened on the following basis: 50% of "other deposits" available. 50% of "other deposits" waived as herein provided, and to be represented by certificates of participation issued in accordance with a trust agreement to be executed by the Bank and certain Trustees as a part of this plan.

(b) The 50% made available above to be subject to immediate withdrawal without restriction, except those imposed by Federal authority or hereafter in force.

Dated May 15, 1933.

RUDOLPH E. REICHERT,

Commissioner of the Banking Department of the State of Michigan.

OTTO P. KRAMER,
Conservator.

Tire prices may never be so Low again!

GOODYEAR certainly makes it worth while for you to put money in tires now. Your dollars never bought tires to equal the quality, the safety, the mileage which Goodyear is today building in every tire wearing the Goodyear name—

And because Goodyear now concentrates on two main lines of tires—a real saving in costs is passed on to you.

Look at the present prices of the world's most popular tire, the Goodyear All-Weather — and the prices of the thrifty Goodyear Pathfinder — and you'll certainly agree, it's smart to buy Goodyears NOW—while prices are still down close to bottom, and your money buys more than it may ever buy again.

ZEELAND NOW HAS ACCREDITED SCHOOL

The North Central Association of Colleges and Secondary Schools has again accredited the Zeeland high school for the school term of 1933-1934. Membership in the organization is purely voluntary, but it must meet with certain requirements, which restrictions are not so closely adhered to at the present time due to the financial difficulty imposed upon many schools, when schools have enjoyed a high rating in the past. These high schools must maintain high standards, which assures that the high school diploma will be acceptable with state boards granting certificates.

VALUE-GIVING DEMONSTRATION

Guy Kelley, manager of the Montgomery Ward store on East Eighth street, is in the midst of a gigantic sale for Friday and Saturday of this week.

Mr. Kelley is throwing out six pages of bargains from overalls and socks to bicycles and furniture. Lawn mowers, tires, paint farm accessories, house cleaning needs, summer wearing apparel, foot wear and an endless lot of extra specials.

The bargains are unusual and as Mr. Kelley, the local store manager, states, "here is another demonstration of the values that Ward's offers to its customers."

"It is the general impression that present-day prices on merchandise are soon to be increased. We believe, therefore, that it will pay you to buy NOW."

SUNDAY DINNER SUGGESTIONS

By ANN PAGE

MAY-TIME menus will include such appetizing dishes as roast veal, chicken pot pie, new potatoes, fresh peas and delicious pies made from fresh rhubarb and fresh strawberries combined, served with good old fashioned cheese.

You still find very good values this week in lamb and veal and there is a variety of fish to choose from including blue pike and fresh shrimp.

At this season of the year, before fresh vegetables from nearby gardens are abundant, it's wise to take advantage of the canned products. Canned tomatoes, lima beans, string beans, and red kidney beans are inexpensive right now.

This week's Sunday Dinner Menus planned by the Quaker Maid Kitchen are real May-time menus and take advantage of seasonal foods which are plentiful this week—and therefore inexpensive.

The Jerrold Clothing company located for the last five years on East Eighth street near College, will discontinue the business in this city. Jerrold Store is one of a number of similar stores in Michigan, Ohio and Wisconsin. The firm wants to close out within three weeks, and naturally the prices on everything in stock is given a tremendous reduction as will be noticed in an announcement elsewhere.

Remember This Week Saturday Is National Poppy Day

Saturday of this week will be National Poppy Day in every hamlet, village and city in the U. S. The local unit of the W. H. Leenhouts Post No. 6 will have charge as in former years. Realizing the straitened circumstances of many of the citizens, less than half as many poppies were ordered this year. But it is hoped that every one who possibly can will buy a Legion Poppy. These poppies are made at the Veterans' Hospitals at Camp Custer by World War Veterans who are confined there for treatment. A workshop is provided for those who are not entirely bedridden and here the poppies are made, as well as other articles such as trays, pictures, purses, articles of tooled leather, etc., which are sold to visitors at the hospital. There are many who receive no compensation and it is pleasant, yet pathetic to see how proud they are to be able to earn a little in this manner as they receive a small sum for each poppy made. The unit also makes a profit which in turn is used for rehabilitation (welfare) work at the hospital and Children's Bilet as well as some local welfare work. It is a national requirement that all Poppy money be used for rehabilitation.

Some of the citizens of Holland conflict the Legion Poppy with the flower of other organizations. The Spanish War Veterans sell the red carnation earlier in May—on McKinley's birthday, this being President McKinley's favorite flower. Then the Veterans of Foreign Wars composed of Spanish, Mexican and World War Veterans have also adopted the poppy. But the red crepe paper poppy—a duplicate of those growing in Flanders fields, is the "Legion Poppy" and will be sold all over the country Saturday, May 27th. Mrs. S. Meusen is the local chairman. If you can, won't you buy one and wear it through Memorial Day in remembrance of those who gave their lives "Over There" and for those who are still sacrificing?

Memorial Day

BIG BOAT WITH COAL

The steamer Sumatra, 450 feet in length, largest vessel ever to enter Black lake, has arrived at the Harrington docks with 5,000 tons of coal for the Holland dealers. The steamer is en route from Toledo. The coal will be unloaded by automatic devices and the boat can be unloaded quickly. It is quite a sight to see the boat and the rapid unloading.

EXTEND RURAL MAIL SERVICE AT CENTRAL PARK

A large number of the residents of Central Park will be served directly by rural mail carriers instead of being required to obtain their mail from boxes located on the Park road beginning June 1, according to A. J. Westover, postmaster. Routes of rural carriers will be extended into Central Park, going north on Myrtle avenue to Lakeview avenue and south on Grove back to the Park road.

Thus direct service will be provided and the hazard created by the grouping of boxes along the main highway eliminated.

Meetings of the volley ball team which assembles every Friday evening at Lincoln school have been postponed for the season.

Memorial Day Program Is Officially Given

America

My country, 'tis of thee,
Sweet land of liberty,
To thee we sing;
Land where my fathers died,
Land of the pilgrims' pride,
From every mountain-side
Let freedom ring.

Let music swell the breeze,
And ring from all the trees
Sweet freedom's song;
Let mortal tongues awake,
Let all that breathe praise,
Let rocks their silence break,
—The sound prolong.

My native country,—thee,
Land of the noble, free,
Thy name I love;
I love thy rocks and rills,
Thy woods and templed hills,
My heart with rapture thrills
Like that above.

Our fathers' God, to Thee,
Author of liberty,
Of thee I sing;
Long may our land be bright
With freedom's holy light,
Protect us by Thy might,
Great God, our King.

Soldier Death Brings Out Local History

OLDST CIVIL WAR VETERAN PASSES AWAY

Gerrit S. Doesburg, 90 years old, a veteran of the Civil war and a sailor on the Great Lakes, passed away Tuesday at his home, 86 East Twentieth street. The other brothers who went before were Otto J. and Jacob O. Doesburg, the former a printer and publisher, and the latter the owner of a drug store on East Eighth street, now conducted by his son Harry. Otto J. was at one time publisher of the Holland City News. This was just fifty years ago.

Mr. Doesburg was born in The Netherlands in 1843, coming to this country in 1848 with his parents, who landed in New York where the army of General Winfield Scott was parading down Broadway. They followed the waterway to Holland. For a number of years the Doesburg boys and their father published the Ottawa County Register, but this project was discontinued when the youths joined the army. For forty years Mr. Doesburg sailed the Great Lakes following his service in the war and was out in a small sailing vessel in the memorable storm that claimed the Alpena.

When the family emigrated from The Netherlands by water they finally landed in Grand Haven. All the household goods were placed on a scow which was towed to Holland when the harbor was only a rivulet and the outlet ran along the Ottawa Beach hills beyond the north limits of the present oval. At that time there was still an Indian village at Waukazo and a larger one on the lake bluff on what is now West Sixteenth street, where the shoe company and the Heinz company is now located.

He was an active member of the A. C. Van Raalte post, G. A. R., of which there are only two surviving members today, Mr. John Douma and Mr. John Gunderman.

For many years Mr. Doesburg was employed at the Holland City News and De Grootweg, and was considered the most accurate hand type setter in Holland in his day.

Mr. Doesburg was a member of Company I, 25th Michigan Infantry, and was in the South when General Lee surrendered to General Grant. He was in the regiments that paraded over Pennsylvania avenue, Washington, at the close of the war, considered the most imposing military spectacle of that day. This was shortly before the assassination of President Lincoln.

The funeral services were conducted this afternoon at 2 o'clock from Dykstra funeral home, Rev. J. Wendell Davis, pastor of Grace Episcopal church, officiating. Mr. Doesburg was buried with military honors, taps were sounded over his grave and Spanish-American war veterans acted as pallbearers.

He is survived by the widow and one daughter, Mrs. G. Michmerhuizen; and a nephew, Harry Doesburg; also five grandchildren.

REAL FOLKS ON THE HOLLAND STAGE MONDAY AND TUESDAY

Real stage folks added with regular picture program, are scheduled for next week at the Holland theater.

The largest aggregation of talent from the Hills of Missouri, Arkansas and Tennessee, aptly described as the greatest "Home-spun Opera" ever produced, is on its way north to entertain Michigan theatergoers, opening Monday, May 29, matinee at the Holland theater for two days, May 29 and May 30.

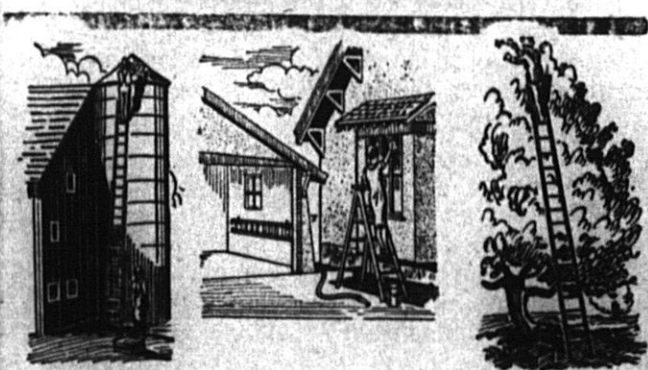

Halton Powell's famous "Hill Billies", a backwoods sensation of real mountain folks, 20 people in all, woven into a web of unexcelled entertainers who create one long laugh and a source of rare pleasure are the attraction. Home folks from old Bald Knob who sing and yodel the old-time songs, a flock of apple-cheeked gals from "them thar" hills, ceded to be the greatest mountain step dancers in America, augmented by ten crazy mountain musicians who thrill you with guitars, banjos, harmonicas, hand saws and fiddles make up the organization.

Included in the many feature specialties of Halton Powell's "Hill Billies" are Bandmaster Tim Shean, composer of Wayne King's theme song, "The Waltz You Saved for Me"; Corporal Whittaker, the 88-year-old Tennessee ridge runner; Carl Mollison, the human pot table of Arkansas, discovered by Ripley in his famous "Believe It or Not" column; Rita Lawrence, the sweetheart of the Blue Ridge; Bick Hanley, the funny Missouri fat boy; the four Ozark Moonshiners; John K. Rader, the "Caruso of the Hills," and ten other talented "you-alls" from "down yonder" furnish the entertainment.

Rev. and Mrs. Henry V. E. Stegeman, missionaries in Japan since 1917, reached Seattle, Washington, Tuesday on their furlough from the Orient. They plan to make their home in Holland. Mr. Stegeman is a professor in theology in Meiji Gakuin seminary in Tokyo. Both are graduates of Hope College. Mrs. Stegeman is supported by the Sunday school of Third Reformed church.

Marian TeRoller, Angelyn Vande, Maria Dalman, Gertrude Meengs, Earnest Tirrell and Julian Heath survived the elimination contests in public speaking in Holland high school and will compete in the final for the \$10 and \$5 prizes annually offered on the Mabel Anthony Memorial foundation May 29.

Flickers Rout Six Squirrels

In a lively contest between a pair of flickers and a family of six squirrels over a home ownership problem at Gunn Lake, Allegan county, reported recently the flickers came out ahead. But before the dispute was settled it had attracted a number of highly interested spectators, including a number of blue-jays and a much excited collie dog. The flickers, observers of the incident said, had returned home from the South to find the squirrels snugly ensconced in their favorite nesting place in a hollow in a great oak tree. The latter obviously were little disposed to give up their warm winter home, but the flickers were persistent. Their scolding calls and savage dashes at the squirrels every time one dared show itself finally had the desired effect. The routed tenants of the recent winter scampers chattering away among the tree branches and the flickers took possession of their former abode.
