How Many Were Here During Tulip Festival

NO ONE HAS WAY OF KNOW-
ING—BUT THERE WERE
MANY

One guess is as good as another when it comes to estimating how many guests visited Holland during the Tulip Festival.

The Holland City News has heard estimates all the way from 150,000 to 300,000. We know, however, that there were a large number, and we know also that it was not a one-day crowd, but folks who came the day before and staid until the day after any big day during the festival. Unlike other years, crowds came every day, and looked at the tulips unhurried, taking their time to go over the tulip lanes and visit the different attractions.

The tulip lanes in a large measure prevented traffic congestion. With a dozen miles accommodating a motecade of guests constantly, it gave relief at the limited parking spaces near the center of the city. During the first tulip time year, we had no tulip lanes, and the congestion in the heart of the city presented a problem that was difficult to cope with. The News, according to the files, editorially suggested tulip lanes at the time, and the committee in charge of these lanes have shown exceptional skill in laying them out and traffic congestion has largely been eliminated, augmented through wise planning of the police department and other agencies aiding our law enforcing body.

Coming back to crowds, some conception may be had from the figures given by former Mayor Stephan, who had those who entered the industrial exposition building "ticked off." They were just 32,119. On Saturday traffic officers on the different highways counted 34,304 cars entering the city over the main highways, which does not include those seeping into the city through the byways. At a ratio of four persons to a car this would mean 137,216. Last Sunday the crowd was almost as large as on "band day" Saturday. With the opening day of the tulip festival it is claimed there were more than 80,000 in the city. The Sunday following, despite the early rain, was a tremendous day for visitors, and Wednesday during the school day parade figures were given out that there were 50,000 who saw the spectacle.

If you can gather any stipulated amount from these estimates, you can do more than the editor. We would say that if there is any semblance of truth in the number estimated to visit Holland during these few days, the crowd is not far from a half million, covering the ten-day period. At best this is our guess.

It is gratifying to note that guests have extended the date of our tulip festival. Not a few came before the official opening, and large numbers are still seen in our parks and on our tulip lanes taking a last glimpse at the nodding buds now slowly but surely fading away.

BAY VIEW WATCHMAN IS FOUND DEAD

Workmen of the Bay View Furniture company, who arrived at work early Thursday morning, found Gerrit Grotelier, 64, of 300 West Twelfth street, dead at his post as night watchman of the local furniture concern. Death was attributed to a heart attack, according to Coroner Gilbert H. Vande Water.

Grotelier, who has made his home in Holland for the past nine years, coming here from Fremont, was discovered at 7:30 o'clock by J. Vande Water, plant superintendent, after he had been dead for several hours. He last punched the time clock at 2 p. m., it was discovered. He was born in Germany February 8, 1870, coming to America as a boy of 16 years.

He is survived by the widow and seven children, Mrs. Henrietta Barnhard of Fremont, Mrs. William Nyboer of Fremont, Harvey and Arnold Grotelier, Mrs. Henry Driesenga, and Trenton and Melvin Grotelier, all of this city. There are ten grandchildren.

Also a sister, Mrs. Egbert Berg-horst of Zeeland, and a brother, Ralph of Grand Rapids.

Funeral services will be held on Saturday at 1:30 from the home and at 2 o'clock from the Bethel Reformed church of which he was a member. Rev. C. Stoppels, the pastor, officiating.

WILL SEEK PERMIT FOR HOLLAND IMPROVEMENT

The civic improvement committee of the council, George Damson, Cornelius Kalkman and William Thompson, Council Members Benjamin Steffens and Albert P. Kleis, and City Engineer Jacob Zuidema, will seek a permit from the government for the cutting of a new and direct channel for Black river as the first step in the proposed development of the lake front between Pine avenue and the US-31 bridge, and forming an island opposite Lakeview park for welfare farming. The project provides for a lake drive from the foot of Pine avenue with an outlet at the park. At a committee meeting Tuesday afternoon a recommendation to the council was adopted that the city engineer apply for a permit. The council recently appropriated \$6,000 for clearing up the swamp area.

Henry Vander Schep, who has been fostering this project showed drawings of this excellent civic improvement.

Justice is being hampered in the city for want of a hall, there being no room available for jury cases. A temporary room is being used at present.

THE SOLDIER DEAD

In the official program of Memorial Day there is a tabulation of the Holland soldier dead in all wars. It is rather an interesting feature and includes soldiers of the Mexican war from Holland, the number of "Boys in Blue" buried here, as well as those of the World and Spanish-American wars. There is only one soldier of the A. C. Van Raalte post remaining, namely John Douma, John Gudemman having past away during the year. There were no deaths in the ranks of the Spanish-American war veterans this year and only one in the World war ranks, namely William Topp.

It would be well to cut out the tabulation for future reference. The official Memorial Day program line of March and exercises in park and cemetery will be found on Page 1, Section 2, of this issue.

MEMORIAL SUNDAY

All military organizations of Holland, ex-soldiers, all auxiliaries are requested to meet at the city hall promptly at 9:15 and in a body. These organizations will march to Trinity Reformed church where Rev. Henry Ter Kuurst, who has been named chaplain by the Decoration Day committee, will deliver the Memorial Day sermon to the soldiers, to the congregation and all those participating in the services.

Special music appropriate on an occasion of this kind will be featured. It goes without saying that all Holland and vicinity is welcome.

SATURDAY IS POPPY

TIME IN HOLLAND

The American Legion auxiliary is fully prepared for the annual Poppy Day in Holland and a staff of solicitors have been chosen to sell poppies to the public, the flowers being made by disabled war veterans who thus gain a means of livelihood.

There will be stations in the different banking institutions up to noon and headquarters will be at G. A. R. rooms in the city hall. The solicitors are selected from among members of the auxiliary and those who have volunteered are Mrs. Stanaway, Mrs. J. Riemersma, Mrs. Louis Dalman, Mrs. Chester Van Tongeren, Mrs. Al Van Lente, Vande Woude, Mrs. John Kammeraad, Miss Rose Slooter, Mrs. De Lin, Mrs. E. Spaulding, Mrs. John Mills, Mrs. Alfred Joldersma, Mrs. G. Van Kolken, Mrs. Ed Slooter, Mrs. Kolk Miller, Mrs. Henry Weller, Mrs. Louis Padnos, Mrs. Frank Van Ry and also several children.

It goes without saying that this is a meritorious cause. The men who make these poppies have practically given their all in sacrifice of a country they hold dear. Our modest giving for a poppy is but a weak gesture in which to show our appreciation. A poppy in your button hole is indicative of your loyalty to a brave soldier. The plea of "Buy a Poppy" should not go unheeded.

PROCLAMATION

The following is a proclamation issued by Governor William A. Comstock proclaiming the week of May 23-30 as Americanism week: "The World was brought to us a welfare problem which has received widespread interest and support by all public spirited citizens, that of our disabled veterans. It is easily recognized that funds provided by public appropriation are inadequate to afford those unfortunate the extent of care they so richly deserve. It is, therefore, highly creditable to such agencies as the American Legion to raise funds by such institutions as Poppy Day so that our disabled veterans may be somewhat compensated for the lack of those things which money can buy, to add to their opportunities for the enjoyment of life. Therefore, as governor of the state of Michigan, I proclaim the week from May 23 to May 30 as Americanism week and urge all citizens to realize in that week their duty to those who risked their lives for the honor and glory of our nation."

WILLIAM A. COMSTOCK, Governor.

OUR NEIGHBOR IS MAKING
ELABORATE PREPARA-
TIONS FOR NEXT
WEDNESDAY

(Zeeland Record)
The Memorial Day services at Zeeland this year will again be conducted along the same lines as in former years, starting with a parade formed at the public school on East Main street, composed of Spanish war veterans, World war veterans, ladies auxiliary of the American Legion, school pupils, Boy Scouts, Girl Scouts, city officers, firemen, business men and the general public.

The Zeeland high school band will participate in the parade and will head the school section of the parade. The Girl Scouts will carry the wreaths to be placed on the tombs of ex-service men who lie buried in the local cemetery.

The parade will organize on East Main street opposite the public schools at promptly 9 o'clock, from where the procession will move west along Main street to State street where it will proceed south to Central avenue, and then east to the city park where the services will be held at the bandstand. The public is requested to participate in these services.

After the services the procession will again form and proceed to the local cemetery where the services will be completed and the salute given the soldier dead. Lieutenant Jarrett N. Clark will be in charge of the services.

An interesting float will be displayed by the local Gilbert D. Karst post of the American Legion in connection with the Boy Scouts, depicting the tomb of the unknown soldier in Arlington cemetery, which, following the parade, will be placed on the veterans' plot in the local cemetery, where it will remain for the summer. An A.E.F. cemetery is also being plotted out where white crosses will bear the names of all deceased world war veterans.

The committee has been fortunate in securing as main speaker, Mr. Henry Geerlings of Holland. Mr. Geerlings is an eloquent speaker and has often been heard at Sunday school conventions and we are assured of an excellent address. Lieutenant Jarrett N. Clark is officer of the day.

All ex-service men are requested to meet at the Legion dugout in the Zeeland city hall at 9 o'clock in uniform, if possible, Memorial Day morning.

The order of the parade and services will be as follows: Parade starts at 9:30 o'clock. JURY RETURNS VERDICT IN CORNELIUS DE KEYSER CASE

"No cause for action" was the verdict brought in by the jury yesterday, impeled in the case of Cornelius De Keyser, Holland, against Delbert Strouwen, charging injuries received in accident last February near Holland. The case was given to the jury at 6:30 p. m. following an all-day trial. A verdict was returned at 10:30 p. m.

The jury was excused Tuesday night by Judge Miles until Monday when the Reynolds case will be heard. This is an appeal from the probate court which decided in favor of the legatee, Miss Jessie Reynolds, who was killed by the C. Reynolds, shortly before her death last fall, while he was being contested by a number of other nieces and nephews of the deceased.

FENNVILLE FARMER TAKES HIS OWN LIFE

Louis Sikora, 38, a farmer living west of Fennville, committed suicide yesterday by shooting himself in the neck with a double-barreled shotgun. One of the barrels took effect and the other missed. His action was attributed to despondency. Sheriff Fred W. Miller and Coroner E. D. Osmun, who investigated, decided no inquest would be necessary. Surviving are the widow; a daughter, Lillian, 9, and a son, Louis, 3.

HOTTEST DAY MONDAY; RAIN BENEFITS FARMS

Monday was the hottest day of the season, the official thermometer registering 90 degrees in Ottawa county. The heavy thunder showers and rain quickly dispelled this high temperature with a drop of 43 degrees which brought the temperature registration down to 47 degrees at 7 a. m. Tuesday.

There was a total rainfall of one half inch, which is about the heaviest rainfall of the season. The thunder and lightning played heavily over this section. The rain was a welcome one to farmers and gardeners as the unusually dry spring has caused hardship especially to those on light soil.

Prof. L. Berkhof of Grand Rapids will occupy the pulpit of Fourteenth Street Christian Reformed church on Sunday in place of Rev. H. Bouma, pastor, who Monday submitted to a tonsil operation in Grand Rapids.

The Women's Relief corps will hold a birthday tea at the home of Mrs. Retta Orr, 3 East Seventh street, this afternoon.

News Items Taken From the Files of Holland City News Fifty, Twenty-five and Fifteen Years Ago Today

FIFTY YEARS AGO TODAY

An eel was caught in Macatawa Bay this week with hook and line. If this is one of those eels the old State Senator John Roost planted two years ago he has at least rendered a valuable service to a poor fisherman.

Note: Mr. Roost also was Holland's mayor in the early day and did much to develop Holland's first harbor project started by Dr. Van Raalte. There were quite a number of large eels planted at that time and up to 10 years ago one was caught occasionally from those plantings. Since eels are not prolific in these waters those caught must be of those plantings and therefore were of great size.

Last Monday John Hemika, a man employed in the saw mill of Flanders and Remick, at East Saugatuck, met with a bad accident when he lost a portion of his hand. He was brushing away a heap of dust and dirt near the large saw when his hand came in contact with the whirling teeth. The member was so badly cut that amputation by Dr. Zwemer of East Saugatuck and Dr. Henry Kremers of Holland was necessary. Note: Those accidents were common in saw mill days, only some were more appalling and in not a few instances, death occurred.

TWENTY-FIVE YEARS AGO TODAY

The interior of the building formerly occupied by Frank Charters Barber Shop is being remodeled into a flower store for Charles S. Dutton, the new owner. The enterprise is to be conducted in connection with his greenhouses. Frank Charter is now located in the building in which Mart Vander Bie formerly ran a boxball alley. Vande Linde and Vissers, the new clothing merchants, are now occupying the entire Hoffman building. Mr. Dutton, the flower man, formerly shared this store with the above named firm. Note: The Hoffman building some years ago was remodeled to be occupied by the McLeellan store. Mr. Charter is still in the store he moved to and owns it. Mr. Dutton has moved to Berkeley, Calif., and the building was torn down and replaced with the Pieper block owned and occupied by the jewelry firm of that name—and by the way that site was once occupied by Jacob Kuite Sr., with a "butcher shop" when they were still called that, rather than the present more preferable name "meat market." Mr. Kuite who was the pioneer butcher in this city also was alderman and city marshal and grandfather of "Sunny" Kuite who now conducts a market on north River Ave. Vander Linde is out of the Vissers firm and Vissers is now first partner and Baarman second, conducting a similar store on East Eighth St. under the firm name of Vissers and Baarman. Here is a continuous bunch of business activity, as it were.

FIFTEEN YEARS AGO TODAY

The three lumber companies of this city have gone on the nine hour day schedule in accordance with the new system adopted by the local furniture factories. The employees of the companies are now working 9 hours a day and after May 1 the offices of the three concerns mentioned will see there men going cheerfully home at 5 o'clock instead of at 6 o'clock. The firms in question are the Scott Lagers Lumber Co., Bolhuis Lumber and Mfg. Co. and Holland Lumber and Supply Co. Note: Apparently there were still long working hours 15 years ago—ten hour days in fact. The Holland City News lays claim for inaugurating the first Saturday half holiday in this city and the 5 o'clock closing has been in vogue for more than a quarter of a century as well as has the half holiday Saturday.

WELFARE COSTS CUT 40 PER CENT IN OTTAWA

The Ottawa county welfare burden has shown a decrease of nearly 40 per cent in the last six weeks, according to Miss Deborah Veneklasen, county emergency welfare relief administrator. The seasonal drop has been aided by an employment increase, especially noted in Holland and Grand Haven, she stated.

Since April 13 the case load in the county has been reduced 239 families, or nearly 1,000 persons, it was reported. It is expected a large number of unemployed will receive summer employment during the resort season.

Charles Jackson Again in Charge at Tunnel Park

A delegation of 25 men from Tallmadge township appeared before the Ottawa county road commission to request that various road projects, some started and others proposed, be completed to give employment to township citizens and allow them to remain in their neighborhood for work rather than have to be detailed to other sections of the county.

The board took the matter under advisement and will take action according to the funds which they have for such work.

Charles Jackson, who has been in charge of Tunnel Park for the past three years, was re-engaged by the board for the coming season. Tunnel Park is owned and maintained by the county and is one of the fine parks on Lake Michigan which is provided free of charge to the public. It will be opened in time for Memorial Day picnics.

One result of the severe winter is the killing of most, if not all, of the privet hedges in the city of Allegan. The largest of them perhaps is that fronting the North Side furniture factory, which is entirely dead.

rection of Bert Brandt of this city. The local bands were not eligible for the contests, and acted more as hosts.

J. J. Riemersma, principal of the high school, was in charge of the parade lineup and every detail was taken care of in a most efficient manner. He and Dr. William Westrate, Henry Geerds and Oscar Johnson were marshalls of the day.

MRS. HARRIET VANDENBERG, MOTHER OF PROMINENT BUSINESS MEN

Many close and intimate friends of Mrs. Harriet Vandenberg were shocked to hear on Friday morning, that she had passed away at 5:45 a. m. at her home at 85 West Tenth street, after a short illness of less than a week. Mrs. Vandenberg was a much beloved woman and had been a resident of this community all her life, being born in Holland township on May 8, 1858, and was 76 years old.

Mrs. Vandenberg was the widow of the late John Vandenberg, Sr., who was alderman of the second ward for a number of years and held many other positions of trust. The husband died in October, 1931. Mrs. Vandenberg herself could be placed with the pioneers of this community since she lived through the pioneering stage of H. and played a part with those early citizens in fostering the growth of this community. However, Mrs. Vandenberg was also born of old Holland stock, her parents being Mr. and Mrs. Berend Van Lente, who with Dr. Van Raalte, came to a veritable wilderness at the head of Black lake where dense forests had to be cleared away to make room for humble log homes, the habitation of our pioneer life and the nucleus of what is now a substantial industrial center.

Mr. and Mrs. Vandenberg lived happily together, making their home for nearly a half century on East 7th street, where the family was born and reared. Mr. Vandenberg, your editor well remembers, was the first bill poster in this city. He was also the custodian of the old Lyceum Opera house, Holland's only entertainment center, and which before it was destroyed by fire, stood on the site of the Pierce Knitting mills on East Eighth street.

In those days bill posting and opera houses and circus bill boarding in small community, went largely under one head, and "Jan" as he was known to his many friends, was that head in this community. The outgrowth of this humble beginning is the Wolverine Advertising company of today, conducted by the two sons, William C. and "Vaudie" Vandenberg.

Mrs. Vandenberg was one of these quiet, thoughtful, kindly women, effacing self and helping others. Her wise guidance is largely reflected in her fine family of boys and girls who today mourn a loving mother. For many years she has been a devout member of the First Reformed church and was active in church and Sunday school organizations for many years, and nearly up to the time of her death.

The funeral services were held at 2 o'clock Monday afternoon from the home of her children, Mr. and Mrs. William C. Vandenberg, at 27 West Thirteenth street, Rev. James Weyer, her pastor, officiating. Interment took place in the Vandenberg plot in Pilgrim Home cemetery. The pallbearers were the four sons, William C., Harry G., "Vaudie," and Benjamin, son-in-law, H. Kirby Hart, and nephew, Alderman Al Van Lente.

The music at the funeral included two selections that were very dear to the departed mother, namely the "Old Rugged Cross," and "Jesus, Lover of My Soul." These were impressively rendered in duet by Mrs. William C. Vandenberg and Mr. Martin Dykema. Mrs. Vandenberg is a daughter-in-law of the deceased, and this request, difficult as it was under the circumstances, was carried out with deep feeling and pathos. Mrs. William C. Vandenberg, Jr., was accompanist.

The floral tributes from home and abroad were many and beautiful, indicative of the esteem in which this much beloved woman was held. Friends were privileged to pay their last respects during the afternoon of Sunday.

The Outdoor Advertising association of Michigan, which convened in Holland last week at the time of the death of the mother of the members, was represented by John T. Bailey, its president, and Attorney Thomas N. Robinson, both of Benton Harbor. Before its sessions closed, the association honored the memory of Mrs. Vandenberg by bowing heads and a moment's pause.

The survivors are William C. Vandenberg, Benjamin Vandenberg, and Vaudie Vandenberg of Holland, Harry G. Vandenberg of St. James, Beaver Island, and Mrs. H. Kirby Hart of Niagara Falls, New York; also two brothers and two sisters, Bert Van Lente of Venetia road, R. 6, Holland, John Van Lente of Holland, and Mrs. Charles Nienhuis of Wybly Island, Wash., and Mrs. Mary Dekker of Holland. Fourteen grandchildren and two great-grandchildren also survive.

RAILROAD GARDENS

(Christian Science Monitor)

Among the unusual long-term plans to rival the five-year pushes of the Soviet and Mussolini's sweeping six-decade drive for a greater Italy comes a ten-year plan to make a blossom railroad right-of-way a blossom paradise each spring.

With thousands of acres lying idle next to the railroad, officials have decided to plant 1,500,000 fruit trees, whose blossoms will be a scenic attraction to tourists and whose autumnal fruits will feed railroad employees at low cost. Peasants along the line are to be taught better agricultural methods at the railroad "farm" plots. Station agents, when trains have been met, will be free to return to their raspberry and strawberry patches or watch their armies of bees collect honey from the railroad orchards.

Whether the bees will commute to the orchards on the 7:05 and catch the 5:15 back to the hive—or follow their customary wing-power bee lines—remains to be seen.

At any rate, such rural activity will be far more attractive to travelers than the parade of nonbonding telegraph poles that whip past the windows of American trains. If railroads of the United States would take up right-of-way planting, perhaps they would be able to sell trips from one end of the line to the other—just for the view and a breath of blossom-perfumed air. As it is now, travelers wearily watch as they whiz past poles while on trips to see Washington's cherry blossoms, the roses of Portland, Oregon, or the tulips of Holland, Michigan.

Goodye to the tulip notes until the tulips bloom again.

STILL TIME TO SEE NELIS DISPLAY OF TULIPS

An unusual attraction during Tulip Week was the Nelis Farm on Lakewood boulevard. It was a real show place visited by thousands upon thousands. There were acres of tulips of variegated colors. There were several different varieties, single, double, giants and dwarfs, parrot tulips, all bunched in a riot of color. There were 250 varieties among the half million bulbs in bloom.

It took four deputies sheriff to keep traffic going orderly at that point on Lakewood boulevard. Large tents had been erected at the edge of the field where bulbs, cut flowers and souvenirs could be purchased. If you haven't visited the Nelis Farms, you simply missed something.

Mr. Nelis states that the tulips are still presentable and beautiful at this late date.

UNIQUE "WEDDING PARTY" IS FORERUNNER OF JUNE WEDDING

Miss Dorothy Holden, home economics teacher at Holland High school, was the honored guest at a dinner given by the high school faculty at the Holland Country club Monday evening.

A most unique program entitled "The Wedding Party" was presented by several of those present with Principal Riemsma, the teacher, functioning as toastmaster. "The Wedding Party" was carried out in minute detail as the "Ring-bearer" (Gerald Brown); "Bridesmaids" (Misses Leone Zimmerman and Lillian Van Dyk); "Best Man" (E. E. Fell) gave toasts befitting the occasion. Even the vocal solos by Leon Moody were in keeping with the remainder of the program, as he pleasantly rendered "O Promise Me," Miss Evelyn Stokette accompanying at the piano. Miss Lucille Lindsey was responsible for "The Ceremony," after which "The Reception" was enjoyed by all in the form of a social hour.

It goes without saying that with all this someone should be receiving a gift. However, there was no farce about this part of the program, as Miss Holden, the bride to be, was the recipient.

The unique program was in charge of the Misses Lucille Lindsey, Evelyn Stokette and Hazel De Meyer.

Mrs. Leona Norlin, Mrs. Frances Hillebrands, Mrs. Martha De Witt, Mrs. Hannah Vanden Brink, Mrs. Jane Vandenburg, Mrs. Frederica Hertz, Mrs. Stella Dore, Mrs. Belle Smith, Mrs. Nellie Kleis and Mrs. Lillian Borchers of the local Royal Neighbor lodge, motored to Grand Rapids Friday morning to attend the semi-annual tri-county convention at which more than 250 members from lodges in Ottawa, Muskegon and Kent counties assembled for the all-day session. Three Hope College School of Music students were presented on Monday and Wednesday of this week in recitals at Hope Memorial chapel. On Monday, Miss Genevieve Wright was presented in an organ recital. Miss Wright is a pupil of Prof. Curtis Snow and the rendition of her numbers gave evidence of her ability as an organist. On Wednesday afternoon the school presented Miss Hilda Lansing, organist, also a pupil of Prof. Snow, and Miss Lois Ketel, soprano, pupil of Mrs. W. J. Fenton of the department of voice, in a joint recital at Hope Memorial chapel. Many musicians of note have studied at our local college, and if this week's recitals are a criterion at least three more will be added to the list.

A large number of Hamilton folks attended the Tulip festivities at Holland Saturday. Both on Saturday and Sunday a steady stream of cars passed through Hamilton to Holland. According to the statement of one of the officials the average was about 8 per minute. It seems that a large number of the tourists had tire trouble since the garages were kept busy helping the unlucky ones. M-40 suffered greatly as the result of the heavy traffic and the condition of the road received the blame for the tire trouble. However, the local folks also suffered severely from the cloud of dust as the cars rushed through town. The heavy rain Monday was consequently appreciated by everyone.

Last week, Thursday evening, Hamilton witnessed one of the most exciting indoor ball games of its history. A challenge had been sent to the south end youngsters by the north end kids. The challenge had been accepted immediately and the time and rules of the games agreed upon. Rooters for both sides became more and more excited as the game progressed with the score tied, 2 and 2. The climax of the game came when in the last half of the last inning the umpire ruled unfavorably and the game was forfeited. We will have to give the youngsters credit for standing up for what they believe is right regardless of consequences.

The grand court of honor, which is to be held at Zeeland June 8-9, promises to be the best yet. Pen-nants are to be given out for patrol camping, signalling, obstacle race, tent pitching, bugling, attendance, advancement, dressing race and string burning. A close race is expected in patrol camping as the winning patrol will have the first chance to represent the council at the regional campfire, which is to be held near Chicago for a three-day period.

Officer Ben Kalkman of the Holland police force was very pleased at the way the local Boy Scouts aided the police during Tulip Time. "The biggest kick I got out of them was last Saturday," he said, "when we needed some rope down at Riverview park. The Scouts got it for me and offered to carry it there but I took it away. After the affair was over

I went down there to get it but it was gone. Later I found it back in its proper place neatly hung up."

Six troops, Nos. 1, 6, 7, 10, 12 and 26, were given 100 per cent for troop ratings for the month of April. The ratings are made from monthly reports from each troop. Each report contains the number of meetings held and hiked, attendance, the number of tests passed, and the attendance at each meeting. From these reports percentages are drawn up and each troop given a rating.

Troop 12, Trinity Reformed church, recently reorganized under the leadership of Mr. Jacobson, has started with a bang. Besides receiving 100 per cent for April, 3 new Scouts were admitted as tenderfoot and two were advanced to second class. Those admitted into the troop as tenderfoot are George Douma, Donald Van Ark and Roger Strop, while Edward Slag and

Howard Kammerad were advanced to second class.

"We are going to win the Waukazoo banner for the third time next month," stated diminutive Seymour Padnos, member of troop 26, who had charge of the meeting since the scoutmaster was absent. And don't forget to say that no other troop has ever won the Waukazoo banner twice in a row like we did," he proudly told the inter-

viewer. The Waukazoo banner is given to the troop that has the highest rating and advancement once a month.

"The Bugle" of troop 30, and "The Arrowhead" of troop 7, the only troop newspapers in the local council, had an opportunity to get "out of the red" when both papers secured large orders for posters in the annual election of Holland High school.

The Sunday School Lesson

MAY 27, 1934
"The Last Judgment"
—Matthew 25:31-46

HENRY GEERLINGS

Two important truths stand out clearly in Jesus' picture of great day when all mankind must appear before the Son of Man for their appraisal. They are the certainty and finality of this divine judgment. Both are amply confirmed by the deepest spiritual and moral convictions of the whole human race.

The expectation of a divine judgment forms a prominent feature of all the higher religions of mankind. It has been expressed in various forms and fancies, but almost universally men have held the belief that ultimately each man shall be rewarded or punished according to his deeds. That expectation is rooted in the moral nature of man. Its sense of right and wrong. It is clarified and strengthened by his growing apprehension of the will of God. Gradually our race has learned that what God demands is not ceremonial and ritualistic observances, but to do justly, to love mercy, to walk humbly with God. Under the revelation of God, men came to believe that demands like these determined the destiny of the soul.

In this present life, however, that seemed far from being true. Here on earth piety and prosperity

seemed to be in an inverse ratio. It was the wicked who flourished, and the godly who perished. This common experience further confirmed men in their belief in a future judgment, with a more equitable distribution of rewards and punishments. Faith in a just and righteous God seemed clearly to imply such a readjustment. Thus all the great religious teachers of mankind have taught the certainty of a future judgment of the soul.

The Son of Man will be the judge. He will sit upon a judicial throne, surrounded by angelic hosts. Obviously, this description is part of the parabolic imagery of the discourse. The essential truth of the picture is, that as the incarnate Jesus represented the perfect, God's well-beloved Son, so the glorified Christ in the eternal standard by whom all men must finally be judged. His Spirit and character forms God's heavenly criterion of judgment.

That is a glorious truth, for on earth other standards prevail by which men judge themselves and others. Birth, money, power, val-

ity, there is no formal trial. No evidence is given, no witnesses are heard, no dockets are consulted. Apparently, the whole judicial process is silent and automatic. But when the separation is made an illuminating conversation ensues between the judge and judged, which throws further light on the principle and standard of divine judgment.

He bestows blessing upon those who have performed the common charities of life toward needy ones. He pronounces a curse upon those who have denied this simple ministry of love. And when both classes of the judged manifest their utter surprise at the sentence, the King makes a significant reply. Those who have ministered to their brethren have ministered unto Him and those who have not done this will be punished.

It is hard for the world to believe that its conventional measurements count for naught with God. Its great men of finance, science and art, its leaders in business and politics—all must at last appear before one who regards kindness and mercy as infinitely superior to riches, power and knowledge. It is difficult even for Christians to believe that the star-

ling words of Jesus in this discourse embody the deepest religious insight and the highest theological truth. All our theological and ecclesiastical tests of salvation must find their ultimate significance and meaning in the test

When it comes to boring for oil there are no surface indications which are at all reliable as indicative of oil beneath. The "pools" may run a long distance but in narrow width or may be more or less circular but not very wide. In the eastern Michigan field, which on the whole is of great extent, many wells have been bored without result; yet near by, in any direction, good flows of oil or gas have come from wells of about the same depth as the barren ones. Failure of some wells in Allegan's vicinity does not, especially in view of the two producing ones, prove that there is no oil hereabouts; but the presence of oil in the first two wells is almost indicative that somewhere, at some depth, oil in paying quantities may be found.—Allegan Gazette.

Miss Lillian Orr returned to Bravo from Holland, where she has been caring for her sister, Mrs. G. Stam, for several weeks.

The following officers were elected by the Allegan County Federation:

tion of Woman's clubs at their meeting in the Baptist church, Plainville: President, Mrs. Charles E. Bassett, Plainville; vice president, Mrs. Carl Swartz, Otsego; secretary, Mrs. Ed Olsen, Fennville.

**IRISHMAN SETS
HOLLAND RIGHT
ON DUTCH WORD**

Detroit Free Press

An Irishman leading a German band may be a rarity, but rarer yet is an Irishman able to correct the native tongue of the Dutch. It happened here during the annual Tulip Time festival in this famous Dutch settlement. William Connelly, former Michigan state senator, was imported to become managing director of the Holland chamber of commerce.

Looking around at the buildings and landmarks of his new surroundings, Connelly discovered that the sign at the door of the leading hotel was misleading and called it to the attention of the townspeople. "Vaartwel Vrienden" said the sign to the departing guests, which means "farewell friends." Connelly pointed out that the word "vaartwel" applies specifically to ocean voyagers, and that the correct word for land travelers was "vaarwel." The sign was changed and Connelly may soon wear the prefix Van on his name.

Official Memorial Day Program for Next Week Wednesday

Because of the Tulip Festival, the preparations made for Memorial Day were somewhat delayed, and this was pointed out in the mayor's message issued by Nico-demus Bosch calling for a meeting which transpired last Monday evening in the G. A. R. rooms of the city hall. There was a large gathering and the mayor presided. Ben Mulder acted as secretary. Several committees were appointed and the program was drawn up.

The program below shows these committees, the exercises in Centennial park, the order of division in the parade, the final exercises in Pilgrim Home cemetery and in South Side cemetery, and such other activities as have to do with Memorial Day.

Chick Show Prizes Awarded to Farms in Several States

ZEELAND HATCHERYMEN WINNERS OF MOST, INCLUDING GRAND SWEEPSTAKES

Awards in the Baby Chick show at Zeeland were presented to exhibitors from Michigan to Montana, with the majority of the awards going to local hatcherymen, as was natural. The margin of victory among the 171 exhibitors was small, the judges, H. A. Bittenbender and L. R. Arnold, reporting differences as little as .06 of a point.

The Grand Sweepstakes prize, for the best display of four entries of white Leghorns, was won by Geerling's Town Line Poultry farm by a narrow margin over Caball's Superior hatchery. Schapp's Pioneer farm won the sweepstakes for light breeds, and the sweepstakes for heavy breeds went to the Miami Valley hatchery of Sidney, O. This hatchery also won the trophy for the highest total on four entries, scoring 379.75 points.

The prize for the highest-scoring single entry went to Schapp's Pioneer farm and the Michigan Sweepstakes for the Michigan hatcheryman with the highest total score on four entries, not more than two entries of one variety, went to the Caball Superior hatchery by .25 of a point over the Wolvenhatchery.

Had 20 Entries

With 20 entries, representing 17 varieties, the Miami Valley hatchery was an easy winner of the trophy for the largest variety. The Superior hatchery won the R. O. P. trophy from the Superior hatchery by .25 of a point.

An excellent showing was made by the Gallatin hatchery of Bozeman, Mont., which won the long-distance trophy. Only one of the 27 chicks entered from Montana died in the 1,800-mile trip.

The Silver Ward hatchery of Zeeland won the sweepstakes for barred Plymouth Rocks; sweepstakes on white Plymouth Rocks was won by Brummer-Frederickson of Holland; sweepstakes on Rhode Island Reds was won by Hunderman Bros. farm; reserve sweepstakes in the white Leghorn class was won by the Superior hatchery; and the Miami Valley hatchery won the sweepstakes on light breeds other than Leghorns. They also won the prize with an entry of Wyandottes, for other than Plymouth or barred Rocks.

Reserve Sweepstakes

H. P. Wiersma's Wolvenhatchery won the reserve sweepstakes on barred Plymouth Rocks; the Miami Valley hatchery won the prize for the largest number of entries; the Gordon hatchery of Marion, Ia., won the reserve sweepstakes for White Plymouth Rocks; the reserve sweepstakes on Rhode Island Reds was won by the Brummer-Frederickson of Holland.

The reserve grand sweepstakes of the entire show was won by George Caball's entry; the reserve hatchery sweepstakes, three or more varieties, went to the Miami Valley hatchery.

With 99 out of 171 entries and a total of 4,275 baby chicks, White Leghorns led all the entries. There was just one entry of ducklings.

PRESIDENT OF HOPE COLLEGE TO TOUR

President Wynand Wichers of Hope college and Mrs. Wichers are planning a vacation tour through Europe during the summer vacation months. The Wichers expect to leave on June 30, visiting Belgium, The Netherlands, England, France and Italy.

CHIEF PETER LIEVENSE THANKS STATE AND GRAND RAPIDS POLICE DEPTS.

Chief of Police Lievensen publicly expressed his thanks to the Grand Rapids police department and the state police for their cooperation during Holland's Tulip Festival.

This kindly help on the part of state police and the Grand Rapids police department who also sent two detectives to Holland over the week-end aided materially in the avoiding of traffic accidents, pick-pocketing and other similar incidents which usually accompany festivals which bring together such a tremendous crowd. It is estimated that at least 300,000 persons visited Holland during Tulip Week.

The assembly program at Christian High school Friday morning included a talk by Mrs. Jeanette Locks of Grand Rapids, who told of her experiences while traveling in the Belgian Congo and Dutch Borneo. She illustrated her talk with a showing of curios from these countries.

William P. Conklin, 93, pioneer Ottawa county resident, died in Grand Rapids Monday evening at the home of his daughter, where he had made his home for the past 40 years.

County Budget Approved By Supervisors

WOULD RAISE \$195,000 WHICH MEANS AN INCREASE IN COUNTY TAX TO 4 1/2 MILLS

The county budget of \$195,000, based on the expenditures of the last year, was approved by the board of supervisors at the one-day session held Monday. This amount had already been presented to the county tax commission upon which to base the county allocation, and accepted. The amount to be collected will raise the county tax from 4 to 4 1/2 mills, the secretary, William Wilde, reported, due to the average 10 per cent decrease in assessed valuations over the county.

Mayor Lionel Heap revived the matter of curtailing the expense of the sheriff's department, and succeeded in passing a resolution whereby the sheriff and other county officers will no longer be able to charge meals to the county while on trips throughout the country unless authorized in advance by the board.

He endeavored to introduce a motion to restrict the accounts of the sheriff's department but this was later substituted by one referred by Charles E. Misner, which was less drastic. This measure failed to pass. John DePree, Zeeland, moved the last resolution and action be expunged from the records, which passed.

A set of resolutions was presented to the board by Carl Bowen, county engineer, representing the Ottawa county tax commission, asking the board to go on record as unfavorable to the proposed referendum which would fix the gas and weight tax through constitutional amendment. It was pointed out that the board was opposed to any further reduction of gas and weight tax as being detrimental to the maintenance of the present road system and future work. The matter was laid on the table.

Peter Van Ark, Holland, moved that the \$50 per month for extra clerk hire given to the register of deeds be retroactive to April 1, and the clerk be hired as long as there is need due to the increase of business in that office for the Home Owners' Loan corporation activities.

The board adjourned until the big session in June.

HOLLAND HIGH OFFICERS ELECTED FOR 1934-35

Officers elected at Holland High for 1934-35 included Willard De Groot, mayor; Mary Jane Vaupell, clerk; Donald Scheerhorn, chief of police; and Donald McCoy, treasurer.

Aldermen chosen are first ward, George Hyma and Althos Rafenand; second ward, Bob Marcus and Phyllis Tiesinga; third ward, Clifford Marcus and Florence Vanderberg; fourth ward, Donald Poppen and Marian Scheerhorn; fifth ward, Frances Hoover and Chester Lokker; sixth ward, David Gordon and Lois Vrieling; seventh ward, Bud Drew and Rod Van Leuwen.

Major officers serving this year are Gleon Bonnette, mayor; Amy Hilarides, clerk; Raymond Boot, treasurer, and Lloyd Moelgrat, chief of police.

JUDGMENT OF \$3,697 GIVEN OWEN KAMPEN

Grand Haven Tribune: A judgment of \$3,697 was given to Owen Kampen, Holland, administrator for the estate of Hilda Kampen, killed in Holland last March in an automobile accident, against William J. Brouwer, Holland, the driver of the car which caused the death of the young woman. The jury deliberated several hours, bringing in a verdict during the evening. The case was tried in circuit court.

VETERAN GUIDE SAYS WALLYES ARE HERE

The wallyes are hitting! Ed Henning, well known Muskegon river guide, reports that the run which was thought would not materialize this season has started to produce and limit catches have been taken since Thursday. Ed states that the early morning and evening fishing will produce a full creel in less time than it takes to tell.

Most of the catches have been made between the dam at Newaygo and Bridgeton on the Muskegon.

REV. GERRIT J. HEKHUIS OF GRANDVILLE IN MINISTRY FOR 46 YEARS

Rev. Gerrit J. Hekhuis, pastor of the Reformed church in Grandville since 1923, who has been active in pastorates of the Reformed Church in America since 1888, is planning to retire from active service in the ministry after a successful career of 46 years.

Mr. Hekhuis is the oldest active pastor among the graduates of Western Theological Seminary and is the only survivor of a class of three to be graduated from the institution in 1888. He was ordained in 1888 in his first charge as pastor of the Reformed church in Spring Lake. One of his two longest pastorates was the Reformed church in Overisel, which he served from 1906 to 1917.

Mr. Hekhuis was offered the chair of Bible in Central College at Pella, Ia., in 1920, but preferred to remain in the pastorate, at that time the Reformed church at Alto, Wis. Mr. Hekhuis has been a member of the Hope College board of trustees and is president of the board of trustees of Western Theological Seminary. He was given a doctor of divinity degree by Hope's council and the vice presidency of the general synod of the Reformed Church in America in 1931.

After Blossom Sprays

Cherries—The first cherry spray (No. 2 in Spray Calendar) should begin when 1/4 of the petals have fallen, using 2 1/2 gallons of lime-sulphur (for leaf spot prevention) and 3 pounds lead arsenate (for curculio) in 100 gallons of spray—for sour cherries. Two gallons of lime sulphur in 100 gallons of water is strong enough for sweet cherries.

No. 2—Apply in ten days to two weeks after No. 1, same materials as for No. 1.

No. 3—Apply two weeks after No. 2, lime sulphur 2 1/2 gallons in 100 gallons for sour; 2 gallons per 100 for sweets.

Preharvest—Dust cherries one week before harvesting with sulphur dust with 10 per cent hydrated lime for a buffer. This treatment is for brown-rot. Spray at this time would stain the fruit, but the least objectionable sprays from this standpoint are the wettable sulphurs. Use at strengths recommended by the manufacturers.

Apples—These sprays begin the campaign against codling moth and finish the scab control program.

Petal Fall Spray—Apply as soon as possible after the bees quit working or when 1/4 of petals have fallen. If weather is very cool use 2 1/2 gallons lime-sulphur to 2 gallons—arsenate of lead, 3 pounds for 100 gallons of spray is added for codling moth and chewing insects.

First Cover—Apply 10 days after petal fall. For scab use Flotation sulphur 4 to 6 pounds in 100 gallons of water, or weak lime sulphur, less than 2 gallons in 100 gallons of water if the weather is warm. If temperature is above 85 degrees lime sulphur may cause burning.

Peaches—Spray as indicated in Spray Calendar if there are prospects of a crop—otherwise no sprays needed.

Plums—Begin with petal fall spray and proceed as in Spray Calendar, for curculio and brown-rot. Spray Japanese varieties as indicated for peaches in the Spraying Calendar.

Grapes—Begin sprays when shoots are 8-10 inches long. This spray is important in preventing dead-arm infections where this disease is prevalent and is an important spray for black rot. Proceed with following sprays as indicated in Spray Calendar.

ELECTION COSTS 89 CENTS FOR EACH VOTE

The special bond issue election on April 30 cost approximately 89 cents per vote, according to estimates by the Department of State. The total cost of the election is estimated at \$250,000, while about 280,000 votes were cast. In the cities the cost varied from \$2 per vote in Detroit to \$1.04 per vote in Lansing. In the villages and rural districts the cost ran below this figure.

SEEKING ENDORSEMENT FOR LIEUT-GOVERNOR J. T. BAILEY

J. T. Bailey, owner of the Bailey Advertising company, and a member of the state board of athletic control, today announced himself as a candidate for endorsement for lieutenant-governor at the primary Democratic convention, to be held in Battle Creek June 19 and 20.

Bailey has lived in Benton Har-

bor for eight years, coming here from Grand Rapids where he was a resident for twelve years. For four years he has been a member of the Fraternal Order of Eagles state old age pension committee, and for the past two years has served as chairman of that body.

He has been president of the Outdoor Advertising association of Michigan for two years and is an honorary aide-de-camp to the present state commander of the Veterans of Foreign Wars.

Mr. Bailey is well known in Holland at one time being associated with the Wolverine Bill Advertising Co., with Vaudie Vandenberg of Holland.

Politically Bailey has always been an active Democrat, and is chairman of the city executive committee of that party.

In 1930 Bailey entered the primary race for state senator of the Berrien-Cass district, but withdrew in favor of Senator Leon D. Case of Watervliet.

"Noting an article in a recent Sunday edition of The News entitled 'A Bird's Paradise in Own Back Yard,' I thought you might be interested in our experiences with quail," writes Ralph J. Burr, of Standish.

"During the past two winters we have had about 40 quail as patrons of our back-door feeding station and we hope our flock increases to several hundred in years to come for they will always find plenty to eat around here.

"In the summer season we have hundreds of birds nesting and feeding in our back yard. One clump of evergreens on our lawn seems to hold a special attraction for several species of birds."

CAR OWNERS SEEM TO HAVE MORE MONEY—LESS WINDSHIELD STICKERS

Many interesting facts are disclosed by a survey of motor vehicle registration statistics on April 30, 1934, as compared with April 30, 1933. The analysis shows that this year 561,938 motorists had purchased full-year plates or \$1,606 more than in 1933, while the sale of windshield sticker permits decreased from 280,987 in 1933 to 205,905 in 1934. The increase in the number of 1934 plates issued, according to indications, is due to the reduction in weight tax rates.

Michigan's business is again licensing its heavier trucks and trailers that have not been in operation for one or more years. This is shown by the fact that while 3,571 fewer trucks are registered, fees from this source have increased \$80,187. With 2,028 fewer trailers than in 1933, the fees this year are increased \$43,765.

SUNDAY DINNER SUGGESTIONS

By ANN PAGE
THIS week brings three fast days which should be enjoyed since fresh fish is plentiful and cheap. If fish is not desired quite so frequently, dishes combined of eggs or cheese, which are excellent values at present, with vegetables are delicious and satisfying. A vegetable plate consisting of asparagus souffle or omelet, carrots and peas and a baked potato would be welcomed by most people.

Fruit desserts should also be popular with the large available selection, among them cantaloupe and honeydew melons, pineapple, strawberries, sweet cherries, raspberries as well as the usual excellent bananas and oranges.

Here are three choice menus.
