TRUMAN'S NOSE FOR NEWS

The president deserves a hand
for his position on the tremen-
dously important question of news
in Germany. By reversing the al-
most incredibly stupid policy an-
nounced by Elmer Davis of the
OWI, the president announced to
the American people that basic
American ideas still prevail in the
White House.

Mr. Davis had announced that
news to the German people would
be strictly controlled. He let it be
understood that in the opinion of
the OWI the mentality of Ger-
mans was such that they could not
be allowed to read in their
papers freely what was going on
in the rest of the world. They
were to be spooned on news for
an indefinite length of time. All
the news entering Germany was
to be so slanted and colored and
doctored that it would tell the
German masses only what we
thought they should know and
keep from them what we thought
they should not know.

But that is exactly what we
have been protesting against these
many years. We have been shout-
ing all along—and no one has
shouted it louder than Elmer
Davis—that if people are only al-
lowed to get at the facts they can
in the long run be depended upon
to react properly. Fundamentally
that is why we fought this war.
We shouted in and out of season
that the German people had lost
faith in their newspapers because
propaganda had been substituted
for news.

And all that was true. But how
could we possibly expect them to
have any faith in their newspapers
under our domination if they knew
all along—and no one has
shouted it louder than Elmer
Davis—that if people are only al-
lowed to get at the facts they can
in the long run be depended upon
to react properly. Fundamentally
that is why we fought this war.
We shouted in and out of season
that the German people had lost
faith in their newspapers because
propaganda had been substituted
for news.

Mr. Truman is approaching this
situation from the angle of com-
mon sense. He understands as
well as anybody that just now
many people are in a mood to
deny even fundamental American
democratic principles if such den-
ial will punish our enemies. But he
sees clearly that in doing this we
are punishing ourselves still more.
The job is somehow to get back
into the German mentality a real-
izing sense of decent human re-
lationships. But how could we ever
encourage the Germans to believe
in the superiority of our way of
life if we denied it ourselves, if
we changed places with people
like the late Herr Goebbels and
adopted his philosophy and his
methods?

Sunday School Lesson

May 27, 1945
The Returned Exiles and Their
Work—Nehemiah 8:1-14, 5-8, 8:12;
9:1-3

By Henry Geerlings
God's methods are many. He
uses men of different sorts, and
has them serve His purpose
whether they are conscious of it
or not. It must seem strange to
us that He used Nebuchadnezzar,
who was in a sense a cruel king.
When we think of the brutality
he exercised on the king of Judah
and his sons we cannot reach any
other conclusion. Possibly war de-
velops that hardness of heart.
Nevertheless he was God's instru-
ment or agent in the chastisement
of the rebellious Jews. It is not
probable that he was aware that
he was being used by the God of
the Jews to work out His purpose.
Then later He used a very dif-
ferent king to further that pur-
pose. Cyrus was not the pattern
of Nebuchadnezzar. He was kind
of heart. He wanted to help the
people of all nationalities to make
the most of themselves. He want-
ed them to be free men and not
slaves. He was not much afraid
that they would take advantage
of the liberty he gave them. They
had been taught their lesson.

There are blessings in suffering.
Are we disposed at times to think
that God was possessed of un-
fathomable qualities when He
drove his people into captivity? If
we are, we might think of the good
that came out of their experience.
How long would it have taken
them to give up their idols in the
land of their fathers? The best
we can do is to guess. I venture to
guess that they would never have
given them up. Men do not often
give up their sins in easy circum-
stances. The Jews had to suffer
defeat, deportation, and slavery to
be brought to their senses. That
was done in Babylon in 50 years.
That was the hard way, but it was
the quickest way and surest way
to bring them back to God. Many
of us have seen in a night of sor-
row what day after day of sun-
shine never taught us. Only the
furnace will remove the dross, and
chastisement is often sin's cure.

There is something to be gained
in making a new start. We are
likely to grow listless in the same
surroundings, even in the same
home and in the same work. The
interest we once took in what we
see, and in what we do, and in
the ways we travel may not now
be there. The sameness of the out-
look has taken the urge from our
lives. A neighbor said recently
that she would have to change the
gladioli to the dahlias bed, and
the dahlias to the gladioli beds in
order to get better results. Her
flowers have been deteriorating
for the past few years. The Jews
had a religion, but did not work
at it in their own land. When they
were planted in a strange land
they began to put a new value on
what they once had, and to cher-
ish the hope that the day might
come when they could return.

Religious choices and loyalties
are voluntary matters. No one can
coerce us. The right to worship
God according to the dictates of
our own conscience has been set-
tled long ago. And the right to
worship God or not to worship
him has long been settled, too.
King Cyrus did not tell the Jews
that they had to return to the
land of their fathers. There could
have been no value in that. The
journey would have failed before
it got well started if he had tried
to do so. Only those who were to
return had a willing mind. It
would entail too much hardship
and heartache to insist on any-
one going unless he was persuaded
it was the right thing for him. God
never says more to us than
"Choose ye this day whom ye will
serve." The choice must be ours.
No king can compel us, not even
the King of Heaven.

There is always a cost attached
to the thing that is worth doing.
There may be a greater difference
between the Jews who chose to re-
turn and those who chose to re-
main where they were than we at
first suspect. We are not justified
in saying that those who decided
to stay in Babylon did what was
actually sinful. Religion can be
practiced in more lands than one.
Many of the Jews remaining where
they were kept the faith. There
was little doubt of that. But we
believe they did not make that
good choice when we attribute to
their brethren. They were not wait-
ing to pay the price. They did not
feel like exposing themselves to the
dangers of the long journey. There
were better prospects finan-
cially in Babylon than in Judah.
Have you ever heard it said that
the good is often the enemy of the
best? The fact is the faith of the
one God was preserved to the
world by those who were deter-
mined to make their way back to
Jerusalem at any cost.

The period of the exile brought
tremendous changes into the life
of the Jewish nation. The time of
its glory was over, but it still had
many important contributions to
make to the growing knowledge of
God. He was not without his wit-
nesses in the persons of Haggai,
Zechariah, Nehemiah, and Ezra.

In the Good Old Days

Efforts have been made by the
Macatawa Bay Yacht club to se-
cure a race of fast yachts from Chi-
cago to be held at this place some-
time this summer, but this was
found impossible owing to the fact
that most of the yachts had left
on their summer cruise. This news
story appeared in the July 27 is-
sue of the Ottawa County Times
published in Holland by M. G.
Manning in 1900. Invitations, how-
ever, sent out to the various yacht
clubs brought favorable responses
and the citizens of Holland and
vicinity will have the pleasure of
seeing together the largest num-
ber of pretty boats they ever saw
on Black Lake.

Tuesday was the 23rd anniver-
sary of the marriage of Mr. and
Mrs. J. C. Post. A surprise was
planned for them. On Monday
evening, the eve of the anniver-
sary, about 100 friends gathered at
the home of neighbors, Mr. and
Mrs. G. W. Browning. Mr. and
Mrs. Post had also been invited
and at 8:30 arrived. A profusion
of flowers was everywhere. Mr.
Dr. Kremers had contributed a
beautiful night blooming cereus
which opened for the occasion and
Mrs. C. J. De Roo provided some
magnificent aurum lilies. In one
corner was a green canopy from
which was suspended a large bell.
To the sweet melody of a happy
wedding march played by Mrs.
Milk, they marched to this corner
and had scarcely reached it when
a number of flower girls presented
them with 23 beautiful white
roses. Prof. J. T. Bergen spoke
and offered prayer after which
from somewhere a cord was pulled
and the bell and canopy shod-
dered down a profusion of sweet
peas upon the couple. Strains of
music fell on their ears and "Just
One Girl" was sung by Mrs. G. J.
Diekema.

The following births were re-
ported: To Mr. and Mrs. E. Brink,
East Tenth St. on Sunday a boy;
to Mr. and Mrs. Jean Van Burg on
East Seventh St. on Saturday a
boy; to Mr. and Mrs. S. Vander-
ploeg, Columbia Ave. on Saturday
a boy; to Mr. and Mrs. L. J. Van-
derburg, North of the city on Saturday,
a girl; to Mr. and Mrs. Albert
Glass, East 17th St. on Monday
a boy.

Mrs. T. Vander Ploeg left last
night for a two months' visit
with her children in Chicago. She
was accompanied by her son, Hen-
ry, and Miss Minnie Vander Ploeg
who will remain a few days.

Miss Martha Dykhuizen left
last night for Le Mars, Ia., where
she will remain several months
with her brother, Rev. H. Dykhu-
zen.

Rev. Amie Vennema of Passaic,
N. J., and Dr. Van Zaalburg, for-
merly of Kalamazoo, are on an
extended visit through Europe.

Mrs. J. Van de Roovert, Dr.
John Van de Roovert, Mr. and
Mrs. Harry Van Horn and the
Misses Carrie, Cora and Ruth re-
turned to their homes in Chicago
the early part of the week after
several days' visit with friends
and relatives.

Rev. and Mrs. William Medema
of Buchnell, Ill., are visiting Mrs.
Medema's parents, Mr. and Mrs.
G. Winter on West 13th St.

Harry Witterdink and Jennie
Wykgraaf were married Wednes-
day evening by Rev. J. Van Houte
at the First church parsonage.
Only the parents of the bride and
groom were present.

Wednesday morning all the milk
dealers met and arranged for a
picnic to Grand Rapids on Aug. 1.
S. A. Wilson and P. Boven will ob-
tain suitable transportation rates.
They also talked of a permanent
organization and of selling milk
at uniform prices.

Sgt. Marvin J. Jalling, 20, ball turret gunner on a B-17 Flying Fortress, has been awarded the Air Medal and an Oak Leaf cluster

for his part in bombing attacks on Nazi held strongholds on the Western front. His parents are Mr. and Mrs. Clarence Jalling, Park road.

T. S. Frank J. Brolick, West Olive, is a member of the 479th amphibian truck Co. now at Fort Lewis, Wash., which has been awarded the meritorious service plaque for superior performance during the Normandy invasion. The company also participated in the African, Sicilian and Italian campaigns.

Cornie Versendaal, 20, route 3, has been advanced to machinist's mate, second class, USNR, while serving aboard a destroyer of the Atlantic fleet. He is a son of Mr. and Mrs. Dick Versendaal. A brother, Arie, 22, is a private with the army.

Pfc. Herman H. Boersen, whose wife and son reside at 56 West 19th St., after seeing four months of combat with the 5th army in Italy has been reassigned to headquarters of the AAF engineer command which heads all airfield building aviation engineer units in the Mediterranean theater. He was slightly wounded in the drive up to the Apennine mountains and was later reclassified.

Pvt. Peter G. Botsis, 23, has been serving as an aviation mechanic at a base in England which repairs, maintains and services B-17 bombers that have been flying long range missions. His father, Gus, resides at 107 East 16th St.

Schutte, son of Mr. and Mrs. Harry F. Schutte of Holland, was a student at Western Michigan college, Kalamazoo, before entering the AAF in March, 1943.

Corp. Herbert Bloemers, son of Mr. and Mrs. Jacob Bloemers of West Olive, is a member of the 9th evacuation hospital, known as the Roosevelt hospital unit, which was recently awarded a meritorious service unit plaque for its work with the 7th army in Germany.

many. During the strenuous three-month period for which the plaque was awarded, Bloemers helped in the care and handling of nearly 10,000 patients. The unit landed in southern France 10 days after the assault troops and traveled 185 miles inland and opened full-scale operations only 54 hours after touching French soil.

Pfc. Earl E. Nienhuis, 27, son of Mr. and Mrs. A. Nienhuis, route 5, has been awarded the combat infantryman badge for his service with Patton's 3rd army in Germany. He has been with a squad guarding the valuable treasure found in Germany by the 90th division April 7.

Sgt. Harry J. Davidson, 18, Traverse City, son of Mr. and Mrs. W. V. Petertyl, route 1, Holland, has been serving as a ball turret gunner in one of the lead planes of an 8th air force squadron, which set a record of high altitude precision bombing on a pair of round-houses in the marshaling yards at Hof, vital rail center in Germany.

Sgt. Evert Eeustra of Hudsonville, has found little change in the transition from civil to army life so far as his duties at an AAF airfield in Italy are concerned. His knowledge of bulldozers, graders and many other types in an imposing array of mechanical equipment came from his former association with the Ottawa county road commission. The important difference is that he never had to duck from bombs while working on Ottawa county's peaceful roads as he did last summer when Nazi bombers attempted to drop their missiles on a fighter field under construction south of Leghorn, Overseas 26 months, he spent the last 15 in Italy working on fields on both coasts. His father, Peter F. Eeustra, also is employed by the county road commission.

Gerald G. Millard, 19, 23 West Second St., nose turret gunner with a 15th AAF force B-24 Liberator group, was recently promoted to the grade of staff sergeant. He has been overseas since last November.

M Cops Track Title; Bilek Adds Foot to Shot Put

Muskegon's Big Red track team coached by Leo "Tiny" Redmond walked off with honors at the conference track meet in Holland Saturday, scoring 53 1/2 points, but track fans here were talking about Holland's shot put artist, Rudy Bilek, who added another foot to his best record so far this season when he tossed the metal ball 44 feet, 8 1/2 inches.

Bilek, who started the season by tossing the shot about 40 feet, has been adding to his distance at every meet. His best record until Saturday was 43 feet, 9 1/2 inches. He should place in the state meet Saturday and if he adds another foot during practice this week he will be in the thick of the race for first place at Lansing.

Benton Harbor won second place in Saturday's conference and regionals at the 22nd St. track with 42 1/2 points. Kalamazoo Central was third with 41 5/6. Holland fourth with 21 1/2, and Muskegon Heights last with 21 1/2.

No records were broken Saturday and the meet was far from sensational but most of the events were close, with the high jump tops for excitement. Strong of Kalamazoo jumping over the bar at a height above his head, won the event with a jump of 5 feet, 10 inches. Holland's Bob Van Dyke and Bud Vande Wege did some fine jumping but Van Dyke dropped out at the 5-foot-7 mark, and Vande Wege at 5-foot-7.

Holland thunders qualifying for the state meet at Lansing are Bilek, George Botsis in the 120 high hurdles and Kea Van Tatenhove in the 200-yard low hurdles.

Of the Netherlands he wrote, "And it's worth while when you see the look of happiness on the people's faces and hear their shouts that Holland is free. They invite you into their homes and treat you like a king. Through British broadcasts they all have learned enough English to welcome the soldiers."

"When they learn my name is Valkema and I'm of Holland descent, they shout to one another 'Hier is 'n Frieslander' and then do the questions ever fly." He added he should be home in a month or two.

Valkema who resided in London, Ontario, Canada, entered the Canadian army more than a year before he went overseas. He was in a military guard comparable to the national guard. His wife and children reside in London.

School will close May 25 with a picnic at Mt. Baldhead. In case the weather is bad the picnic will be held at the school house.

Mr. and Mrs. George Lohenhofer celebrated their 25th wedding anniversary last Thursday with a dinner party at their home. They entertained 19 guests including the family.

Mrs. Driesenga has been ill for the past three weeks. She has been cared for by her daughter, Sarah.

Members of the family of Ed Tripp visited the Volkens family over the week-end.

Mr. and Mrs. Bruischaat of Chicago returned home after spending a few days here to help in the 25th wedding anniversary celebration of the George Lohenhofers.

Gets Purple Heart for Son Who Was Killed in Action

Grand Haven, May 24 (Special)—Mrs. Henry Vander Laan, 716 Washington St., has received the Purple Heart medal awarded posthumously to her son, Pfc. Richard Vander Laan, who was killed on Luzon in the Philippines March 10, after participating in three invasions—on Leyte, Manila and Luzon. He was in combat from Oct. 22 to March 10 during which time he had only 10 days rest.

He was inducted June 25, 1943, and was home on a short furlough two weeks before he was ordered overseas to the Pacific area in November of 1943.

HOPE CAMPUS QUEEN
Miss Elizabeth Romaine, named queen of Hope campus at the May Day celebration at the college Friday night, is prominent in college activities. She has served on the YW cabinet this year and has been elected president for next year. She is also next year's president of the Women's Athletic association after serving on the board for two years. She is a member of French club and of the Sphynx (Sigma Iota Beta) sorority. Miss Romaine came to Hope from her home in Hackensack, N.J., as a freshman student.

Flying Dutch Have Heavy Workout

The Holland Flying Dutchmen had a rugged and helpful baseball practice Friday night in River-view park. With a host of players on hand, Manager Benny Batema sent the boys through a heavy hitting drill and wound up the session with infield drills.

A bunch of promising rookies including Al Van Meeteren, 17-year-old infielder, where on hand last night. Regulars of last season included Catcher Loren Wenzel, Pitcher Clyde O'Connor, Second Baseman Harry De Neff, Third Baseman Wayne De Neff and Outfielder Sonny De Witt.

Last season's first baseman, Don De Pree, Shortstop Frank Bagladi and Outfielder Juke Van Huis were on hand for practice drills earlier this season which leaves only one regular of last season who has not reported—Lloyd Dracoll, rightfielder.

It means that with the exception of Lefty Van Wieren, the Dutchmen will be just as strong as last season if the boys play ball the way they did last year.

It was heartening to Manager Batema to see a number of newcomers who promise to give the regulars of last season a run for positions. Some may break into the lineup and even if they don't it means Batema will have some reserve strength, something the Dutch lacked last year.

Heard From Brother Now in Netherlands

Mr. and Mrs. William Valkema, 128 West 11th St., has received a letter from the former's brother, Corp. M. W. Valkema, who is now in the Netherlands with the Royal Canadian Engineers of the British Liberation army.

The letter dated May 10, 1945, was the first received here in about two years. The soldier wrote he had been overseas 4 1/2 years and following hard battles in North Africa and Italy went to Germany and Holland about three months ago.

"Of the Netherlands he wrote, 'And it's worth while when you see the look of happiness on the people's faces and hear their shouts that Holland is free. They invite you into their homes and treat you like a king. Through British broadcasts they all have learned enough English to welcome the soldiers.'"

"When they learn my name is Valkema and I'm of Holland descent, they shout to one another 'Hier is 'n Frieslander' and then do the questions ever fly." He added he should be home in a month or two.

Dr. Wynand Wichers, president of Hope college addressed the group and the queen spoke to her subjects, announcing the new student council president, Alan Staver of Schenectady, N.Y., and vice president, Miss Joyce Van Oos of Holland.

Alcor president, Miss Edna Mae Richards, presented their gift to the school and announced the success of this year's project, the Koffee Klutz. Gifts were presented to Dr. and Mrs. Wichers from the student body and to the retiring registrar, Prof. Thomas Welmers.

welcome the Victory Volunteer

... As you read this, your armed forces are fighting their way toward the great victory. Every American must do his part—that means *every* American must back this greatest of all War Bond drives—the mighty, urgent Seventh:

TWO BIG DRIVES IN ONE!

... Last year, by this time, you were asked to subscribe in two drives. Since this is the first drive in 1945, we *must* be ready to back it up to the hilt. That means you must substantially *increase* your bond buying during the Seventh.

... Let's get ready now to welcome the volunteer salesmen with a generous heart and an open pocketbook. Thousands of men, women, boys and girls are giving their time to take your bond subscriptions. They know

how vital this drive is—show them you know, too, by buying *bigger, extra bonds*.

... If you have *any* income, from *any* source—whether from work, land or capital—you have a personal quota in this drive. Find out what it is—and be ready to do your share when your victory volunteer calls.

... The need is greater than ever before. As we push closer to victory, the cost of waging war gets higher and higher. More guns, more ships, more planes are needed every day. That's why we must put every ounce of effort behind the Seventh War Loan. And remember, too, war bonds are still the world's safest investment—they *represent savings for your future—victory for your country*.

ALL OUT FOR THE MIGHTY SEVENTH!
