Van Raalte Home On Fairbanks Ave. Would Be Restored

A Holland Heritage Fund in the amount of \$1,000 has been established by the Holland Chamber of Commerce to study details and initiate a Heritage Center based on the Van Raalte homestead property on Fairbanks Ave. dedicated to the ideals of this city's founder—Albertus Christian Van Raalte.

The money allocated by the chamber has been accepted in trust by the Greater Holland Community Foundation to formulate details of the project. In turn the foundation will present the proposed project to the community.

At a meeting of the Greater Holland Community Foundation Tuesday noon at the Warm Friend Tavern a committee for the Holland Heritage Fund was appointed. It includes Frank Kleinheksel, Willard C. Wichers, Dr. Irwin J. Lubbers, Mayor Robert Visscher, Chamber President George Heeringa, Earnest C. Brooks, Henry S. Maentz and Willis A. Diekema.

In transmitting the fund to the Foundation, the Chamber Board pointed out that Holland's founding was not by coincidence, but by careful selection on the part of a leader of vision who attracted liberty-seeking Hollanders to his colony, and who planned this city to be one of integrity, industriousness, and social advancement, strongly anchored on education and religious devotion. The growth of the city has followed in that pattern, but the farther we get away from the heritage in terms of years, new generations and newcomers, the greater becomes the need for keeping our heritage to the forefront.

There is good reason for holding Holland's heritage in front of our people, for the more that is known about what went into Holland's founding, the greater becomes one's appreciation of the values upon which the community was built. With that deeper appreciation comes the greater desire to be doing something for the community, and for being constructive in the steady development of the area.

That this heritage has great importance to Holland is proven over and over again every year by the fascination that Tulip Time has for the country as a whole. The thousands of visitors to Holland's Museum is another evidence of what its traditions mean to Holland.

Since all that is contained in Holland's heritage centers around the man who was the founder and leader, it is proposed that a Heritage Center be created on the Van Raalte property, with the restoration of the Van Raalte home being the first step in the development of the Center.

Van Raalte is becoming more and more just a name to the present generation. This name is yet a local street to many people, yet it was Van Raalte who laid out the whole plan for the city. It is a name on one of the oldest schools in Holland, yet it was Van Raalte who established the local public school system. It is a name on one of the older buildings at Hope College, yet it was Van Raalte who, practically single-handed, started the college. To make this name mean something real, the anticipated Heritage Center first pays its respect to the founder-legend by restoring his home to respectability.

From there on the expansion of the Heritage Center becomes a matter of study and planning, which the Community Foundation has agreed to do under the terms of the Chamber of Commerce grant. It is hoped that this study will lead to the making of this Heritage Center into a year-round attraction through the step by step inclusion of a new museum building, the development of a finer Little Netherlands, the erection of a Holland House which will contain appropriate restaurant and gift shop facilities, and the overall landscaping of the property into a place of beauty.

The proposal has met with much enthusiasm, and work will start immediately on formulating the details.

In other business at the Foundation meeting Tuesday, an unallocated \$1,000 gift from the estate of Mrs. Orien S. Cross was received.

In election of officers, W. A. Butler was named president; Marvin C. Lindeman, vice president; Peter Kromann, secretary. Others at the meeting were Earnest Brooks, Harry Harrington, Mayor Visscher, Judge Cornelius Vander Meulen, all trustees, Dr. E. C. Dimment, George Tinkhof and John Fenlon Donnelly, also trustees, were unable to be present.

Former President To Give Graduation Address at Hope

Dr. Wynand Wichers, vice president of Western Michigan College, and former president of Hope College, will be the commencement speaker for the 1956 graduating class of Hope on June 4, Hope President Dr. Irwin J. Lubbers announced today.

Commencement exercises will take place at 10 a.m. in Memorial Chapel.

Dr. Wichers was chosen to be commencement speaker because the 1956 service marks the 90th anniversary of Hope College, and Dr. Wichers is well versed in the history, having been affiliated with Hope since 1905 when he entered as a student, Dr. Lubbers said.

He was appointed instructor in English and Latin in 1909 upon his graduation, and professor of history in 1913. He received an honorary LL.D. degree from Hope in 1931, the year he became president. He resigned in 1945 and has served a term on the Board of Trustees since that time.

Dr. Wichers is an officer in the Order of Orange Nassau, having been elevated to that degree in 1952 when Queen Juliana visited Hope College.

His subject for the June 4 address will be "A College of Distinction."

Allegan Council Votes to Clean Out County Drain

ALLEGAN (Special) — Allegan city councilmen pledged their help in initiating petitions for cleaning out North Side Creek, a county drain that periodically floods residential areas on Cook and North Main St. at their Monday night session.

Home owners in the area had petitioned the city to take action in the matter but City Attorney Chester A. Ray pointed out that, since it was designated a county drain, the city "has no right to touch it." City Manager P. H. Beauvais was instructed to confer with drain Commissioner William Teed and take what steps are necessary to get the cleaning program underway.

Keeping attendance at Monday night's meeting at the 25-person maximum set by the fire marshal's office was a problem. Mayors Exchange Day—part of the Michigan Week program—coincided with senior government day and the council chambers were filled with student council members and members of the Junior Chamber of Commerce escort for Mayor Howard Dittmer of Rockwood, who spent the day in Allegan.

Huitt and Sons were named low bidders on a new police cruiser, offering a special police car at a net bid of \$925.

Action on amendments to the gasoline-pump control ordinance was tabled to allow Beauvais to draft further changes suggested by council. Council had previously asked that the \$10 per pump fee be rescinded due to the fact that the city no longer inspects gas station. A major change proposed would eliminate all pumps located on city streets.

MAYOR JAMES YOUNG of Lake City (left) was Holland's mayor-for-a-day while Mayor Robert Visscher performed the same service Monday in Lake City as part of Mayor Exchange Day of Michigan Week. The visiting mayor arrived here at 11 a.m. and was greeted by City Manager Herb Holt. In the photo they are looking at Park Supt. Dick Smallenburg's prized lemon tree which has been placed in Centennial Park. The visiting mayor had lunch Monday at the Eten House with city officials and Chamber of Commerce representatives, and toured the city in the afternoon. Various Estimates of Saturday Crowd Given by Officials

Tulip Time Officers Thank All Persons Who Helped in Fete

Holland was back to normal today after five busy days of Tulip Time festivities and festival leaders agreed that although the weather was much colder than usual, the 27th annual festival went down as being highly successful.

It's always hard to estimate crowds, but festival and Chamber of Commerce leaders today estimated some 470,000 visitors during the week to this rather small western Michigan city. Some people estimated even more visitors here on Saturday than in other years, but others disagreed. The ability to keep traffic moving plus keeping tie-ups to a minimum again was a great tribute to state police and local enforcement officials.

For Saturday's parade, all divisions lined south of Eighth St. providing a fairly easy flow of traffic over Sixth and Seventh Sts. for the first time this year.

J.J. Riemersma, festival president, and Earl F. Price, Tulip Time manager, today thanked the thousands of local citizens who had gone beyond the call of duty to make the festival a success. This gratitude extended all the way from klompen dancers, bands, programs, police, down to the mothers who provided costumes for the youngsters.

Saturday's events proved a fitting climax for the four-day festival. Getting the most attention was the Parade of Bands featuring 42 bands separated by marching groups, klompen dancers, twirlers, floats and other entries.

Getting a tremendous hand was Rocky Marciano, retired world heavyweight champion, who waved to cheering crowds from a convertible in the third division or mid-point of the parade. The champ was unable to visit Tulip Time the first day but made it for the Saturday climax.

Large crowds converged on Riverview Park for the three-hour band review preceding the parade. Seventeen bands participated in maneuvers for an average of eight or nine minutes each. The climax was the big massed band formation with more than 1,100 musicians joining in marches under the direction of the three visiting judges.

For the first time this year, plaques were presented at Riverview Park instead of at the end of the parade. First division ratings went to Charlotte High School, Dowagiac High School, Ionia High School, Jonesville High School, Quincy High School, Ida High School, Roosevelt-Wyandotte High School of Wyandotte and Grand Rapids Christian High School.

Second division ratings went to Vanderbrook Lake High School, Brooklyn High School, Wayland Union High School, Belding High School, Adrian High School, Owasco High School and South High School of Grand Rapids. Plainwell High School took third.

The Tulip Time Varieties provided a fine closing note Saturday night. A top-notch performance of fine maneuvers by the Woodruff High School band of Peoria, Ill., delighted the large crowd which sat through a two-hour program in temperatures far colder than ideal. The band performed on a darkened field at times and went in for original gimmicks as well as fine marching. Particularly well received was a takeoff on the "64-million-dollar question".

Arthur C. Hills got a big hand with his community singing and the match-lighting ceremony. "Miller's Blackhawk" of Dayton, Ohio, put on a fine performance of maneuvers and twirling. Other attractions were the Marching D's an accordion band of Galesburg, Ill.; two women's quartets, the Hollandaires of this city and the "Junior Misses" of Peoria; the Tigerettes and Flying Tiger Trampolines of West Alexandria, Ohio, and above all the Klompen Dancers, 350 strong in their final performance of the 1956 festival.

There also was a brief twirling exhibition by the two winners of Saturday's twirling contest in Civic Center, Jill Johnson, 13, of Coloma, and Marvin Keizer, 16, of Grand Rapids. George Walbridge, director of the twirling contests, presented wooden shoes to the winners.

Mrs. A. B. Van Dyke, program chairman, introduced George Pelgrim, Jr., who showed slides of pictures taken during the several weeks he spent in England and of other European countries he visited.

Mrs. John G. Kooiker, president, was in charge of the business meeting and reports were given by several committee chairmen. Mrs. Wilson Diekema assisted Miss Muller as hostess. Refreshments were served.

Mr. and Mrs. Leo Morse of Kalamazoo announce the marriage of their daughter, Shirley Lee, to John Rodney Boersma, son of Mr. and Mrs. John Boersma, East 24th St., Holland.

The wedding was an event of Saturday afternoon in Kanley Chapel, Western Michigan College, with the Rev. James Bowker performing the double ring ceremony in the presence of 275 guests.

White chrysanthemums, gladioli and palms decorated the chapel. Mrs. Alan Lincoln was vocalist and Miss Jill Johnston presided at the organ. Miss Morse wore a floor-length gown of nylon tulle, front and back paneled with re-embroidered nylons, a lace pattern and redingote effect. The curved bodice was frosted with the same pattern to form a Sabrina neckline. The tiny cap sleeves were complemented by plain nylon tulle gauntlets forming points over the hands. She chose a Juliet cap of lace accented with pearls to hold her fingertip veil. She carried a cascade bouquet of white roses.

Miss Helen Beattie of Kalamazoo served as maid of honor. She wore a ballerina-length gown of pale yellow crystalite with matching

Veteran Newsman Dies in Gaylord

GRAND HAVEN (Special) — Graveside services were held at 2:30 p.m. Wednesday in Lake Forest cemetery for Cottrell O. Reed, 53, radio manager and former newspaper editor, who died unexpectedly Sunday in Gaylord. Masonic rites were scheduled at 2:30 p.m. Monday in Gaylord and the body arrived in Grand Haven Tuesday morning and was taken to Kinkema Funeral Home.

A native of Lansing, Reed was a reporter and later sports editor of the Grand Haven Daily Tribune and later headed the Grand Haven bureau of the Muskegon Chronicle from 1929 to 1943. He was with the Chronicle in Muskegon from 1943 to 1945 and then joined the Petoskey Evening News. He became editor of the Otsego Herald-Times in 1947 and went to radio station WATX in 1953.

Surviving are the wife, the former Sena Boyink; a daughter, Jessie, 18-year-old senior at Gaylord high school, and a brother, Homer of Eastmanville.

Reed had been installed president of the Gaylord Rotary Club only last week.

Tulip Time Sidelights

Holland has a new claim to fame, geographically wise.

A Chicago woman visiting in Europe last summer naturally included the Netherlands and while there was asked where she was from. When she said it was Chicago, the native asked, "Is that near Holland, Mich.?"

That's a new twist, comparing a four - million population with one barely over 15,000.

Later the Chicago woman was asked so many questions about tulips and Tulip Time that she resolved then and there to visit the next Tulip Time festival.

She was in Holland Saturday.

Those hundreds of Boy Scouts putting in long hours of work on Tulip Time festivals certainly deserve a big thank - you.

Scouts, you know, cannot receive any remuneration for their aid, and a couple of young scouts were pretty non - plussed when a visiting photographer gave them \$2 for service above and beyond.

For two days, the Scouts wondered what to do with the money and asked all and sundry for advice. Scout Executive Dick Wilson finally came through with a good solution. He told them to turn it into their troop treasury.

Fred Miller, director of Miller's Blackhawk of Dayton, Ohio, couldn't be present to see his team perform at the Saturday Varieties program. Fred was inducted into the U. S. Army some weeks ago.

He got a few weekend passes to train his outfit but he couldn't get a pass to come to Holland. His group of youngsters did right well without him. It remained for one person in the press box to remark, "Do you suppose the Army will make him a drill sergeant?"

One of the new attractions in Saturday's parade was the Bessemer high school ROTC unit which provided some pre-parade entertainment at 2:30 p.m. This group which lives over 500 miles away on the Canadian border traveled 150 miles to Duluth and then was flown to Grand Rapids by the Navy — yes, the Navy. Capt. Orbin was in command.

The bass of the "Junior Misses" quartet which appeared at both the Parade of Quartets Friday night and the Varieties program Saturday night, made both appearances on crutches. The winsome spokesman of the group declined to say how the girl broke her ankle other than to say it was not tripping over tulips.

But Lawrence Fogelberg, director of the Woodruff high school band of Peoria, Ill., came through with the real story. The girl, he said, broke her ankle on the trampoline. Her name is Helen Melzer.

Besides being a good athlete and a member of the trampoline team, Helen is a good singer and also a concert pianist.

Joe Schmitt, tenor of the Schmitt Brothers quartet which has appeared about a half dozen times at local quartet parades, informed the big audience in Civic Center Friday night, that the four Schmitt brothers now have 16 children among them, three more than at this time last year. The crowd cheered.

Dick Wilson, the hard working Scout executive who directs the Boy Scouts in a multitude of services performed for the public during the Tulip Time Festival, took time out to challenge a claim in the Sentinel that the 4-H organization is the largest youth organization in the country with more than 2,000,000 members.

Total membership of the Boy Scouts, Dick says, is 4,175,134.

The thousands of people who thrill to the mass band selections at the Tulip Time Band Review just don't realize how much work goes into that formation. Chairman Harold Karsten figured it all out so that the 1,196 mu-

sicians appearing must be properly balanced. At the front are 18 drum majors and 62 twirlers, and at the sides 34 color bearers and guards. There are 56 Sousaphones at the rear, and 103 drums in the middle. That leaves 922 playing in regular band formations.

Of course, those numbers were revised somewhat ... measles and such.

Holland is perhaps the only city that has to say "no" to bands in the Saturday parade. Tulip Time leaders try to accommodate all the bands that want to march, but they don't like to have the parade longer than 60 to 90 minutes.

Band leaders like to come to Holland, mainly because when a parade is scheduled at 4 p.m. it starts at 4 p.m.

Hope Finishes Second in MIAA Track Meet

KALAMAZOO (Special) — Hope College's track team finished a distant second in the MIAA track and field meet held at Angell Field Saturday.

Albion romped to its third straight championship and compiled 92 1/7 points while Hope took second with 42 9/14 points.

Jim Hilmer, Hope's big sophomore all-around athlete, was the only MIAA record breaker. Hilmer shattered a 19-year-old conference mark in the 120-yard-high hurdles with a 15.4 performance.

This was a tenth of a second faster than the record set in 1937 by Bob Martin of Hope and tied in 1950 by Mel Reed of Kalamazoo. Hilmer, in setting the mark, nipped teammate Paul Wiegierink for the first time this year.

"I knew I was going to do it this time when I stepped to the blocks," the lanky 6'7" Hilmer said.

Wiegierink, although beaten in his speciality, broke an Angell Field record on the 220-yard low hurdles, in which Hilmer failed to place and took first in the 100-yard dash. His century time was 10.3.

The brilliant sophomore speedster shaved three-tenths of a second off the low-timber mark with a 24.3 performance.

Wiegierink and Dick Cooley of Albion were the only double winners. Cooley won the 880-yard run and the one mile event.

Hilmer tied with six others for first in the high jump with a leap of 5'8" and John De Vries, last year's champ, tied for fifth in the pole vault to give Hope only two points in the field events.

The remainder were picked up in the running events.

Herb Widmer turned in a 4:33.2 job in finishing a close second in the mile. It was his best run of the year and Dave Spaan won the quarter-mile with 51.1 time. Spaan also grabbed a third in the 220-yard dash and Widmer took a fifth in the two-mile. Hope was second in the mile relay.

Spray Gun Can Be A Lethal Weapon

LANSING — A spray gun can be a lethal weapon — unless it is handled with care, according to state health officials, who today issued a plea for the caution in use of insect poisons, which cause needless deaths each year in Michigan.

Anyone using insect sprays such as DDT, Lindane, Malathion and Chlordane, the state health department said, should wear protective clothing — coveralls, tight-fitting goggles, gloves and boots.

Following the spraying, the department recommends a change of clothing and a warm shower to remove any of the poison dusts or mist which may have reached exposed parts of the body.

John C. Soet, department occupational health spokesman, added that organic phosphates — notably Parathion — should be handled with extreme care. Soet said a gas mask respirator should be worn when using sprays of this type, "and if any discomfort whatsoever occurs during or following the use of the insecticide, you should get medical attention immediately."

"Several deaths occur every year because of careless use of insecticides," Soet warned. "Never open a package of insecticide without carefully reading the label, and then follow instructions. Otherwise, your spray gun may be lethal, not just to insects, but to yourself, a member of your family, or to livestock."

Holland Thimclads Lose Track Meet In Sprint Races

Holland High's lack of speed in the sprints and hurdles cost them a track meet here at the 22nd St. track Thursday afternoon as the Muskegon Catholic thimclads took the meet 61 1/2 to 47 1/2.

In three events, the 100 and 220 yard dashes and the 180-yard low hurdles, the Crusaders outscored Holland 25 to two and that was the margin needed.

Holland defeated the Crusaders in total points in the other 10 events by a 45 1/2 to 36 1/2 score.

Sheri Shaffer, Ron Nienuis and Jan Robbert picked up firsts for Holland and a medley relay team of Keith Bosch, Dick Francomb, Jim Moes and Jack Scully came home first.

Probation Is Given In 3 Morals Cases

GRAND HAVEN (Special) — Three persons were placed on probation for two years on gross indecency charges in Circuit Court Friday. They were Charles Raymond Farwell, 25, of 206 West 14th St., and Clarence Tubergen, Jr., 35, of 235 East 15th St., Holland, and Edward E. Visser, 55, route 1, Allendale. All had pleaded guilty early this year.

In the case of Visser, the court said the matter would be left to Visser whether or not he would have psychiatric help. If the probation department feels Visser should have aid, the court reserved the right to amend the probation order.

Simon Paawe, 40, of 302 West 20th St., Holland, waived the reading of the information, stood mute and a plea of not guilty was entered by the court on a charge of gross indecency. Trial will be held during the June term.

Huge Tulip Time Crowd Loves Barbershoppers

"The best yet!" was the verdict the capacity crowd which took all available seats in Civic Center Friday night for the 10th annual Parade of Barbershop Quartets, sponsored by the Holland SPEBS-QSA chapter. It is now the third year that this popular event has been a part of Tulip Time.

Much of the enthusiasm — and contentment — was due to the smooth performance of Master of Ceremonies Joe Schmitt of Two Rivers, Wis., a master among emcees whose patter was well paced and whose jokes were just right.

And when Joe was joined by three of his brothers for the final quartet presentation, everything was "righter" than right. As expected, the smooth delivery of these International Champions of 1951 was received with even greater enthusiasm (if possible) than the preceding six quartets, all of whom received ringing rounds of applause.

The Schmitt Brothers are in a class by themselves. They can sing anything — fast, slow, loud, soft, sweet and jazzy. The audience's favorite was their concluding Brahms' "Lullaby," sweet and soft.

Getting the biggest laugh of the evening was the "Big Four Quartette" of Chillothe, Ill., a foursome of buxom ladies billed as "800 pounds of harmony." This comedy outfit enlivened their musical selections with some down-to-earth humor which the audience enjoyed no end. Their outfits of green skirts, white satin blouses and hats with flowers, provided quite a picture. This was a quartet which knew "how to belt a good one."

A surprise appearance by the "Junior Misses" of Peoria, Ill., who gave a preview of their performance at tonight's "Tulip Time Varieties," was particularly welcomed by the crowd. These girls

wore cute plaid pinafores with yellow blouses, and they put in a plug for their Woodruff high school band which will be performing tonight at Riverview Park. Their specialty was a little number, "Angel Eyes," which included a trick rendition of a 45-record played on a phonograph for 78's.

The Holland Windmill Chorus, naturally wearing Dutch costumes and wooden shoes, gave their usual good performance under the direction of Francis Hodgeboom of Grand Rapids. Particularly well received was a new selection which Hodgeboom said they filched from TV, "The Halls of Ivy."

The Cardinals of Madison, Wis., put on a smooth performance in their red coats and black trousers. Their special highlight was a brand new arrangement of "Old MacDonald Had a Farm."

The Extension Chords of Grand Rapids, featuring Don Lucas of Holland as lead and emcee, had a lot of fun with a deadpan version of "You Made Me What I Am Today." They made a hit with their "Dungaree Doll" and "Sweetheart of Sigma Chi."

The Merri - Men of Lansing, wearing yellow coats and gray trousers, were good at contrast, at times "good and loud" and then "soft and sweet." Their act included "Umbrella Man" and "Five Foot Two."

The gaudiest outfits of the evening were worn by the Onchords of Saginaw whose barber pole striped outfits outshone even the barber poles on the stage setting. Their best piece was a George M. Cohan medley, but their emcee made it clear they were barbershoppers, not imitations of Uncle Sam.

Community singing at intermission was in charge of Paul Schmitt. The finale was a mass selection by Windmill Chorus and all visiting quartets, led by Francis Hodgeboom.

Volk Provincie Program Welcome Festival Note

Injecting a cultural note on costumes and traditions of the Netherlands, the Volk Provincie program in Civic Center Thursday night proved a welcome addition to this year's Tulip Time program.

Mainly, it was a re-do of the old parade of the Provincies costume show which previously had been staged two afternoons in Holland High School. The program, which required endless hours of planning and costume assembling, was not put on last year, and the return this year was a most welcome note.

Special attractions were the Spartan Bell Ringers, a group of girls from Michigan State University who played several selections on bells under the direction of Wendell Wescott, and the Varsity Quartet of MSU singing mostly barbershop harmony.

The Bell Ringers made their first bow to Dutch traditions by playing the Dutch National anthem, The Wilhelmus. Other selections included "Coronation Bells," Moszkowsky, "Clair de Lune," Debussy, and "Stars and Stripes," Sousa. The quartet in a novelty tune, "Paper Doll," used for their model a cute little girl in Dutch costume.

The costume show was a variation of one put on 13 years by the Woman's Literary Club and the Netherlands Museum, but it was the first time it played before such a large audience. Each year new costumes and new models have been added until now there are about 65 in the cast. Many costumes are imported, some worn by descendants of the original owners. Others are authentic copies of originals. Nine of the 11 provinces were represented.

The tourist in the Netherlands will see few costumes today since people there are as modern and up-to-date as the Americans, but in some spots such as Volendam, Marken and Strijthorst, some old costumes are still worn.

Mrs. Bruce G. Van Leuwen, wearing a colorful Marken costume served as narrator, and Robert Chard was producer and director. Margaret Van Vyven directed children's games. The club committee securing costumes consisted of Mrs. Duncan Weaver,

chairman; Mrs. John Jander, Mrs. Henry Ter Haar, Mrs. Arie Welter, Mrs. Alvin Bos and Mrs. Van Leuwen.

Many costumes were from the province of Zeeland. They included Walcheren — Mrs. L. C. Dalmann, Janice and Suelen Wise, Mrs. H. Ter Haar and Mrs. A. Bos; South Beveland — Cobi Bos, Mrs. E. Boer, Henry Herfst and Annie Anson; Zeeuwisch - Vlaanderen — Mrs. P. Vander Wege, Mrs. V. Van Oosterhout and Vicki Van Oosterhout; West Kapelle — Van Robert and Kathy Wise; Middleburg — Ruth Keppel Myrna Rooks, Mrs. Ervina Boeve, Mrs. B. Kollen and Mary Streur; mourning costume — Mrs. J. Vander Vliet.

From the province of Noord Holland were the following: Volendam — Mrs. L. Wade, Mrs. R. Streur, Mrs. V. Venhuizen, Mrs. J. Vander Broek, Charlie Vander Broek, Mrs. D. Gier, Drindee Gier, Johnny Good, Margaret Van Vyven; Isle of Marken — Mrs. P. Winchester, Barbara Winchester, Mrs. J. Fris and Mrs. Van Leuwen.

Other provinces represented were: Friesland, Mrs. H. Schaap and Mrs. S. Curtis; Gelderland, Merry, Margo and Melissa Hakken; Groningen, Mrs. G. Ver Hoef and Marilyn Martin; Drente, Mrs. D. Weaver; Overijssel, Nancy and Marilyn Cooper (wearing Urk costumes); Staphorst, Mrs. W. Wichers; Utrecht, Judy Martin, Janet Wichers and Colleen Brollin (wearing Spakenburg costumes); South Holland, Mrs. W. Kools, Carol Nelson and Philip Bos.

Children wearing various costumes were Joel Vander Hill, Vicki Lynn and Paula Wise, Margaret and Richard Wayman, Patty Boman, Cathy and Peter Notter, Johnny Ten Cate, David Van Howe, Ricky and Johnny Vander Broek, Kristi Venhuizen and Billy Hakken.

Lois Knoll Wed to Carl Dostie

Mr. and Mrs. Carl Dostie

Miss Lois Knoll, daughter of Mr. and Mrs. Charles Knoll of Zeeland, and Carl Dostie, son of Mrs. Gerrit Knoll of Holland, were married Friday, May 4, in First Reformed Church of Zeeland. The double ring ceremony was performed at 8 p.m. by the Rev. John den Ouden in a setting of ferns with candelabra. Music was provided by Mrs. Hugh Koops, organist, and Gerrit Huizenga, who sang "I Love You Truly" and "The Lord's Prayer."

Given in marriage by her father, the bride chose a floor-length gown of chintilly lace and tulle featuring a scoop neckline outlined in scroll-work of iridescent sequins. The long sleeves ended in points over the wrists. Her bouffant skirt was formed by alternating gossamer of chintilly lace and tulle. A matching pill box hat trimmed with pleated tulle held her ginger-tipped veil. She carried a white Bible with a white orchid and lilies of the valley.

Miss Norma Knoll was her sister's only attendant. She wore a ballerina-length dress of turquoise lace and tulle featuring a wide crushed tulle midriff, bouffant skirt and scalloped neckline. Her floral half-crown of flowers matched her dress and she carried a colonial bouquet of white daisies.

Paul Teusink attended the groom as best man. Ushers were Wesley Glass and Wes Bonzelaar. Mr. and Mrs. Dan Blok were master and mistress of ceremonies.

For her daughter's wedding, Mrs. Knoll wore a beige dress with dusty blue accessories and a blue carnation corsage. The groom's mother chose a navy dress with white accessories. She had a red carnation corsage.

About 70 guests attended the reception in the church Fellowship Hall. Miss Norma Van Harn and Miss Joy Diekema arranged the gifts and Mrs. and Mrs. Wesley Glass served at the punch bowl.

For their eastern wedding trip, the new Mrs. Dostie wore a charcoal and white dress and matching duster with citronella yellow accessories. The couple is now at home at 688 South Shore Dr.

The bride is employed as a secretary at the H. J. Heinz Co. and the groom is employed by Townsend Manufacturing Co. in Zeeland.

Mr. and Mrs. Robert Silerizo and family spent the Mother's Day weekend with her parents, Mr. and Mrs. John Chinalski.

Mr. and Mrs. Keith Landsburg and sons spent the weekend at Aarma with her parents, Mr. and Mrs. Ernest Landerburger.

Mr. and Mrs. Robert Burger of Kalamazoo were Mother's Day guests of her parents, Mr. and Mrs. Edward Grams.

SO WHAT?

A United Press reporter takes the trouble to inform the world that city people like to visit with and be visited by, their country cousins. He says that this fact, now established, "explodes a myth."

Even if that's true, exploding the myth is not the most remarkable part of the story. What is remarkable is the fact that it took the sociology department of the University of Michigan five years to find it out.

To quote the U.P. reporter's words under an Ann Arbor dateline: "After a five-year study, the University of Michigan sociology department reported today that most people actually like visits to and by relatives — even mothers-in-law."

And the reporter, as good reporters will, goes on to quote the solemnly formal report of the U. of M. sociologists. After you have read all the fine print you are supposed to be convinced that people who have left the farm like to keep in touch with the folks back home.

There can be little doubt that the conclusion is true that it took the sociologists five years to arrive at. You don't need to be a specially trained sociologist to be convinced that people who were brought up in the same family like to see Uncle Dan or Grandpa Jones or Grandma Smith when they come to town. And neither is it strange that they should get pleasure out of driving out to the old home place on a Saturday afternoon to visit the spots that they grew up with.

The only strange thing about the whole affair is that it takes learned professors five years to arrive at a conclusion that any average man would be sure of without even dreaming of subjecting it to what the professors call "research."

The average citizen knows something else, that the University of Michigan report does not so much as mention. There are people who move to the city who have small desire to keep in touch with their relatives on the farm, just as there are people remaining on the farm who would just as soon forget those who have moved to town.

But that is not a city-farm situation. The same thing is true of people who merely move to another part of the same city. Some natures just simply clash, and there is little or nothing to be done about it. Not even solemn studies by university professors can throw much light on such temperamental differences. But to spend five years, and an untold amount of educational funds, on finding out something that no sane person could doubt looks a little like painting a lily. If this is higher reading writing and arithmetic then we must be behind the educational trend of the day. What are your views. Write 300 words for publication be sure to sign your name and address.

The Church in Asia Minor
Acts 13:1-4; Acts 13:44-49
By C.P. Dame

(Based on copyrighted outlines produced by the Division of Christian Education, National Council of the Churches of Christ in the U.S.A. and used by permission.)
The Christian Churches of today are carrying on a great foreign missionary program which costs millions of dollars and involves many workers. In this lesson we are told about the beginning of foreign missions. The Holy Spirit is the author of the missionary program of the church.

I. God calls workers. The early church was Jewish but it did not remain Jewish. In Antioch there was a church composed of Jews and Gentiles, the Gentiles outnumbered the Jews and hence the church became known as a Gentile church. In this church there were some able leaders. The Holy Spirit said to this church, "Separate me Barnabas and Saul for the work whereunto I have called them." The church set these two men apart and consecrated them to foreign mission work. The choice was an excellent one.

Although there were more than one half million people in Antioch and only one Christian Church these men left Antioch and with John Mark as their helper sailed to the island of Cyprus to do mission work there. They began their work in Salamis and went through the whole island to Paphos, a distance of about one hundred miles. They preached in the synagogues of the Jews. Luke tells us about how the missionaries got in conflict with a Jewish sorcerer who opposed the work and who was smitten with blindness for a time.

II. The gospel is both received and rejected. From Cyprus the missionaries went to Asia Minor and came to Perga where John Mark left the party. The next stopping place was Antioch in Pisidia. Be careful to distinguish this city from Antioch in Syria. There Paul preached in the synagogue on the subject of justification by faith. The Gentiles who were present were impressed and asked Paul to preach again which he did but his success evoked opposition from the Jews and the missionaries were banished from the city.

From Antioch the missionaries went to Iconium, about 60 miles farther and there they preached the gospel with marked success. They remained here for some time and won converts and provoked opposition and were compelled to leave.

The next city visited was Lystra where Paul preached in the market place to a heathen audience. Here Paul healed a cripple and won much attention for the people believed that Paul and Barnabas were two gods—Paul was Hermes so they thought because he did the speaking and Barnabas who was stately in appearance was called Zeus. When the people were about to worship them Paul stopped them and preached.

Jews from Antioch and Iconium came and persuaded the people that the missionaries were impostors and dangerous men and Paul was stoned and left for dead but he recovered consciousness. On the next day he and Barnabas traveled to Derbe and there they met with no persecution and succeeded in winning converts.

Instead of going directly home, the missionaries retraced their steps and visited the cities where they had preached. Elders were appointed for the new churches and the believers were taught. After having travelled about 1,400 miles they returned to the church in Antioch, Syria, and made a report to the church that had sent them. The journey took about three years and was marked by trials, hardships, persecution and opposition.

1. The Holy Spirit began the foreign missionary movement.
2. This lesson surely teaches us that we should not ignore foreign missions because there is so much to do here.
3. Preaching the gospel often provokes opposition.
4. They who persevere in preaching the gospel win converts.
5. The gospel is for all kinds of people.
6. We can preach the gospel in many ways today.

School Teachers Hear New College President

Teaching a child to get along with one's self and with others is perhaps the most important aim of the teaching profession, public school teachers and guests were told at their annual spring banquet Monday night in Durfee hall on Hope College campus. About 175 attended.

The speaker was Dr. Edgar L. Hardin, president-elect of Northern Michigan College at Marquette who is currently in industrial research and formerly dean of continuing education at Michigan State University.

Dr. Hardin said each teacher should examine himself — "Do I like people? Am I a fit person to associate with? Do I enjoy being sarcastic?" Then he said the teaching of related subjects in the curriculum is not an end in itself but only a means to achieve the ideal of real learning. He spoke of the necessity of a teacher remaining flexible and adaptable in a changing world, one who can see growth and change as they take place. "Young people are growing increasingly more mobile as they easily visit all parts of the world," he said.

He spoke of the need of "relatedness" in which democracy, religious beliefs and the crusading spirit share in the aims of life, plus the need for courage, moral stamina and strength of character. "Are we training the young people to face such things as loss of a job, loss of health, loss of a loved one or to face such disasters as tornadoes? Are we facing such things ourselves?" He spoke of defections in Korea and the realization that not all American soldiers were well grounded in the teachings of democracy. "Certainly, we need more stamina," he said.

Miss Adelaide Dykhuizen, president of the teachers' club, presided and Dr. Lester J. Kuyper of the Board of Education gave the invocation. Dr. Kuyper gave a recognition to Ed Prins, longtime superintendent of buildings and grounds who is receiving an A.B. degree from Hope College this year after completing a 10-year program of part-time study. The teachers gave Prins a rising ovation.

Surviving are the wife, one son, Hilbert, of Forest Grove; five daughters, Mrs. John (Bessie) Van Oss and Mrs. Harvey (Ethel) Vande Bunte, both of Forest Grove; Mrs. Alice Kiel and Mrs. Maurice (Marion) Koets both of Grand Rapids and Miss Cornelia De Kleine of Jamestown; 16 grandchildren; 13 great grandchildren; two brothers, Dr. William De Kleine of Lansing and Abe De Kleine of Forest Grove; one sister, Miss Helena De Kleine of Forest Grove.

Penn-Dixie Corp. Buys Medusa Co. Silos in Holland

Penn-Dixie Cement Corp. has assumed ownership of Medusa Portland Cement Co., West Eighth St., as of May 15.

The new owners, headquartered in New York City, plan no changes in operating personnel. The firm has other silos, similar to those in Holland, at Detroit, Chicago, Milwaukee and Petoskey, in this area.

At least for this year Penn-Dixie will continue to service this area by freight carloads. However, the new owners are working on plans for physical changes that eventually will speed up, and in general greatly improve their services to customers.

Penn-Dixie President B.W. Druckenmiller of New York, believes the "potential is great" in this section of Western Michigan and has results of extensive studies to back up his belief.

The operations in Holland will tie in with the firm's other operations on the Great Lakes.

The J.B. John, a familiar ship in the comings and goings in Holland Harbor, no longer will be used by the new owners. However, Penn-Dixie has its own ship which probably will start deliveries to the local silos next season. The Penn-Dixie ship can transport 13,500 barrels of cement per load compared with the 4,200 per load of the J.B. John.

Penn-Dixie also has plants at Kingsport, Tenn.; Clinchfield, Ga.; Richard City, Tenn.; three plants at Nazareth, Pa.; Buffalo, N.Y.; Des Moines, Iowa; West Winfield, Pa., and Petoskey.

Total capacity of the corporation last year was 16,770,000 barrels. The local plant employs four men plus Superintendent Clarence Anderson. Anderson's wife, Francis, is chief clerk.

Ottawa County 4-H News

It looks as though we did it again. Everything seems to be filled for the two sessions of the 4-H camp this year. We have selected four counselors to help us—LaVerne Bronkema from Holland; Dennis Beuschel from Sparta; Norma Keppel from Zeeland; and Beverly Davis from Coopersville. They will be attending the Camp Counselors School at Bostwick Lake for a two-day training session on June 14 and 15.

Mrs. Grace Vander Koik reports that there was plenty of help in cleaning up the buildings and kitchen last week.

An outdoor working bee will be held soon so that the grounds will be in shape for campers.

A new club is joining the summer group. We are meeting with a group at Sand Creek School this week to organize. Mrs. McKinley from that area is largely responsible for this organization.

Dairy clubs are reminded to get the enrollments in. We are planning a dairy tour early in June and would like to send out letters about it.

Other summer clubs should also send in enrollments.

There were only seven members of the council present at the last meeting but much business was transacted. Approval of the newly revised constitution was the biggest item. Camp counselors were selected and also award nominations were made. A report of the Hudsonville fair was given and general discussion was held on several items.

The meeting was held at Allendale Public School and Mrs. J. Alderink, Miss Sandra and Marilyn Van Timmeran served lunch.

Mark this date on your calendar. Mrs. A. Van Klompenberg is chairman of the Adult Recreation School to be held at Allendale Town Hall on Monday, May 28 at 8 p.m. This meeting is for 4-H leaders and Junior Leaders. Mrs. Grossenbacher and Mrs. Henry Kraai along with Mrs. C. L. McNitt Sr. and Mrs. C. L. McNitt Jr., will work on the committee. Free pamphlets and game books will be given to those attending. Pep up your club with recreation but first come to learn now.

Safety is an everyday affair. Try it and live! We learn by doing so let's do our best to make every day a safety day!

Mark Alan Kaniff was host to a group of friends Tuesday afternoon in celebration of his sixth birthday anniversary. The affair was held at his home, 125 East 34th St.

Gifts were presented to the guest of honor and prizes went to David Plakke, Eddie Redder, Bob Drnek and Jimmy Schuitema. Refreshments were served by Mrs. Carl Kaniff from a table in keeping with the Mickey Mouse theme and featuring a three-tiered birthday cake. Mrs. Kaniff was assisted by Mrs. George Plakke and Mrs. Clarence Dokter.

Invited were Chuckie Dokter, Tommy Houting, David Plakke, Katherine Harrington, Carol Simmons, Patty Houting, Diana Kaniff, Tommy Alderink, Eddie Redder, Bobby Drnek, Paul Vryhof and Jimmy Schuitema.

Christian Endeavor

By Raymond E. Weiss
Summer Projects
Evel. 3:1-8

To the leader: The devotional reading points out that there is a time for all types of activity. As Christians we know that all times are times to work for our Lord and Saviour, Jesus Christ and to endeavor to help others to know Him. There are, however, different methods that are particularly adaptable to certain times of the year.

In this meeting you should attempt to present various possibilities of projects that your society could carry out. You should endeavor to lead your society to decide on one or more that you could best accomplish and that is most needed in your area. You might also present some projects for individuals—some for those who could give only part time to them around their home area and some for those who might wish to spend the whole summer in Christian work.

Ask your pastor for some suggestions along these lines. The following are some of the projects you might suggest to your society:

1. Hold a Daily Vacation Bible School in an area where none is to be held. You might secure the use of a school house, a township hall, etc. Make a survey to find the most needy area in your vicinity.

2. Work with the migrants. There are many different ways you can help these people, child care centers for their young children, a Bible school type program held in their camp, distribution of Scriptures, recreational activities for the young people, etc. Be sure to invite them to your church. Often these people are made to feel only like necessary evils in the community. If your group welcomes them in Christian love you can help break down barriers and win them to Christ. Don't hesitate to approach the Spanish speaking people. Use your high school Spanish. Spanish tracts and Scriptures are available for distribution to these people.

3. Tract distribution in the resort areas. Invite the resorters to worship at your church while on their vacation. Always seek an opportunity to witness to them about Christ.

4. Sponsor several work days in which the members of the society hire themselves out and the funds raised are put in a special fund to help send members of the society to your church camp and to the state Christian Endeavor Convention at the First Presbyterian Church in Saginaw, June 21-24.

5. Check with your church board to see if there is work on the building or grounds that your society could do.

6. Survey the needs of the older members of your church and community and see if there is work you could do for them, as gardening, painting, repairing, etc.

7. Make plans to have your society meet all summer. Invite some of your newly made friends from your other projects to your society.

8. Out of your experiences in witnessing for Christ you will find you need more training on certain Scriptural teachings. Plan a few classes with your pastor to cover these points. Ask him to help you with your approach to the unsaved person.

Plan for work: Pray. Pick a project. Appoint a committee to do the preliminary work. Plan special prayer times for the project that God may use it to His glory. Use as your motto: "This Summer — for Christ."

Gordon Brewer, head football and track coach at Kelloggville High School, has been named to the Hope College physical education and coaching staff. It was announced today by Dr. Irwin J. Lubbers, Hope College president.

He will assist in football, basketball and track at Hope, Al Vanderbush, athletic director said.

"We are extremely pleased to get a man of his caliber," Vanderbush said.

Brewer, who is 33 today and a 1948 Hope College graduate, played end on the 1946 and 1947 football teams and ran the quarter mile in track.

A native of Martin, he coached at Byron Center for two years and has been at Kelloggville for six years where he has developed fine football and track teams. He is one of the outstanding exponents of the Split-T formation.

Fennville Hurler Throws No-Hitter Against Christian

FENNVILLE — (Special) — A masterful no hit, no run pitching performance by freshman Denny Morse gave Fennville's baseball club a 1-0 win over Holland Christian here Monday afternoon. The loss evened Christian's won and lost record at 4-4 so far this season.

In going the route, Morse faced only 24 batters during the seven innings. He walked two batters, hit one and one got on with an error but was quickly erased in a double play. He struck out nine Christian swingers.

Allen D. Walters, making his first start for the Dutch, also turned in a good game, but was in considerable more difficulty. He gave up six hits, but kept them pretty well scattered. He had good control, giving up just three walks and striking out three batters. His teammates committed four misplays, but the tall right-hander managed to pitch out of trouble with some good clutch hurling.

While the Hollanders were failing to show much in the way of an offense, the Fennville club had runners on in every inning but the sixth.

However, in the seventh the winners made the runners pay off as they scored the winning marker. After the first batter was retired, Pitcher Morse walked. He went to second on a single by Catcher Mickey Morse and then came around to score on a one base knock by Shortstop Alan.

Mickey Morse and Second baseman Jim Barnes led the Fennville attack with two hits apiece.

Fennville's only loss this season was a similar 1-0 defeat at the hands of Christian at Riverview Park. The Tom Taber coached nine ended the season with a 9-1 record, the best in the school's history.

The Dutch take on Grand Rapids Christian in a night tilt Wednesday at 7:45 p.m. at Riverview Park.

State Park Gets Ready for Season

Holland State Park Manager Clare Broad said today his crews have been busy at work getting the park shipshape for the summer season. Although the public generally regards Memorial Day as the official opening of all state parks, the park is open in advance of this date, but crews hope to have everything in place by Memorial Day next week.

Two new men have been added to the 14-man park staff. They are Robert Steiner of Roseville near Detroit and David Clark of Lansing. John Winter of Holland will be in charge this summer.

Plan Big Summer Sports School

Elementary Boys Will Take Part In Many Sports

Holland's summer sports school, sponsored by the City Recreation department, will be held June 25 to July 20 inclusive, Joe Moran, City Recreation director announced today.

The school, as in other years, will use Holland public school facilities from 1 to 4:30 p.m. Monday through Friday with Robert Connell, Holland High reserve basketball and cross country coach director.

Enrollment will be limited to 120 boys from the third to the seventh grades inclusive. Special exceptions may be made to second and eighth grade boys upon request.

There will be three age and ability groupings made within the sports school, according to age, size, ability and playmates.

Boys will be issued lockers in Holland high locker rooms and the Junior and Senior High gyms, the high school track, football field and softball fields as well as the 21st St. tennis courts will be used. School buses will be used where transportation is needed.

Boys are asked to furnish their own clothes. All athletic equipment except tennis racquets and baseball gloves will be furnished. A new "sports school" cap will be issued to each boy as standard equipment. Each boy will get a clean towel for showers each day.

The program will include instruction in a variety of sports by trained coaches. The group will take a trip to a park where hiking, nature study and swimming will be major activities.

A "fishing rodeo" will be held under close supervision and films of all phases of sports will be shown. Every member of the sports school will get a chance to be on the "varsity."

Instructors include Bill Noyd, assistant football and basketball coach at Holland High; Bill Hinga, assistant football and basketball coach at Holland High; Russ Hornbaker, head golf coach, Harold Streeter, former physical education consultant for the elementary schools and now Washington School principal and Jerry Victor, University of Michigan athlete and former Holland High football and baseball star.

A \$10 fee will be charged to partially defray the expenses of running the school.

Child, 3, Critical After Accident

A three-year-old Holland girl was in critical condition in Holland Hospital Monday from injuries received when she was hit by a car at Seventh St. and College Ave. at noon.

Jacquelyn Hellenthal, 3, of 46 East Sixth St., received undetermined head injuries and multiple bruises of the head, arm and back. Driver of the car was Edward Gamby, 36, of 138 Fairbanks Ave.

Police said Gamby told them he was driving east on Seventh St., slowed down for the intersection, looked both ways, and when he looked back the girl was right in front of him.

Gamby slammed on his brakes but the front of the car struck the girl knocking her 36 feet through the air. Gamby stopped his car and carried the child from the road to a nearby lawn.

House Committee Approves Funds For Local Harbor

Construction Will Start July 1 If House, Senate Concur

WASHINGTON (Special) — Congressman Gerald R. Ford, Jr., a member of the House Appropriations Committee, said the committee approved \$285,000 Monday in new construction funds for the Holland Harbor project.

This means that construction can be started shortly after July 1, 1956, if the House as a whole and the Senate concur. The Army Corps of Engineers will handle construction.

"This project will greatly benefit the Holland area by reducing coal transportation costs for the municipal power plant, and will help Holland Harbor and area as the St. Lawrence Seaway is developed," Ford told The Sentinel.

Funds approved are for part "B" of the harbor improvement project, which calls for dredging the channel of Black River 21 feet deep and 110 feet wide for 2,600 feet upstream from the existing turning basin. In addition, the turning basin would be widened from 600 to 750 feet, to a depth of 18 feet and extend upstream to join the new river channel.

The City of Holland agreed to pay up to 25 percent of the cost of the second part of the work at a special meeting of City Council on July 25, 1955.

The Holland project is part of the \$421,684,000 for construction of flood control and navigation projects approved by the committee Monday.

The committee trimmed the amount recommended by the administration slightly more than one million dollars. The amount approved by the committee for fiscal 1957 was about 19 1/2 million dollars less than the current year's spending.

Dutch Netters Still Collecting Trophies

Joe Moran might just as well take an option on the biggest trophy case he can find.

Because the way the Dutch netters have been going the past few years and with prospects for the future there just won't be enough room.

Moran, the dean of Western Michigan net coaches, added his 16th straight regional trophy last weekend and in so doing qualified five boys for the state meet June 1-2.

And those lads have a good chance to take home some additional honors, and with a few breaks and a good draw, maybe

even the state tennis championship.

The Holland High netters have won 43 straight dual matches and will be going after their 44th today against always - strong Kalamazoo Central at the 21st St. courts.

If the Dutch get by the Maroon Giants, they have another match coming up with St. Joseph Thursday and then probably, the toughest of the season, a dual match here against East Grand Rapids, next Monday.

Tennis is rapidly growing in Holland thanks to the untiring work of Moran.

He has the Holland children to a point now where that first tennis racquet is quite an early item.

From this year's team, Moran will lose Bill Japinga, his No. 1 singles player and one of the best in the state. Jim Vande Poel and Ron Bronson, a couple of fine doubles players.

Japinga and Vande Poel will participate in the state meet.

But Moran reports that although the shoes left by graduation are always big he has several other boys coming up who should make his net team equally strong next year.

Dutch Qualify Five for State; Christian Third

Holland High's tennis team won its 16th straight regional title Saturday at the 21st St. courts and qualified five players for the state tennis meet June 1-2 at Kalamazoo.

Les Overway, a junior, won the regional singles crown and will carry the Dutch hopes into the state meet. He defeated Larry Sax of Benton Harbor, 6-0, 6-2 in the finals.

It was strictly an all-Holland finals in the doubles. Both local doubles teams disposed of Muskegon teams in the semis to advance into the finals.

Bill Japinga and Rog Plagenhoef, Holland's regular No. 1 and 2 singles players, won the doubles title with a 6-2, 6-1 victory over Jim Vande Poel and Marshall Elzinga, Holland's regular season No. 1 doubles team.

Muskegon followed the Dutch with 6 1/2 points. Other A schools were Benton Harbor 4 1/2, Muskegon Heights 2 and Niles 1 1/2.

The Bucs, coached by Gene Roth, tallied 17 1/2 points. St. Joseph was second with 10 1/2 and Holland Christian third with 8. Zeeland, Grandville and Allegan each had 4 1/2 points.

Poultryrama Has Big Attendance

Two thousand persons who attended the Poultryrama at Zeeland, May 10, 11 and 12 saw visual proof of how the poultry industry had advanced in the last ten years.

The theme of the Poultryrama was "Poultry is the big farm opportunity for Western Michigan." The various booths and exhibitors either showed proofs of this or demonstrated how the industry has progressed.

In the poultry processing booth, the New York dressed turkey of 1946 was contrasted with the completely cleaned, oven ready, plump birds of today. New poultry products such as CAPONettes and Cornish Game Rockettes were displayed.

Booths on other aspects of the poultry industry told the same story in different ways.

The Poultryrama attracted visitors from as far as Abilene, Texas, Abbeville, La., and Windsor, Exhibitors came from Fuyalup, Wash. and Glastonbury, Conn.

Indian Priest Addresses Episcopal Women Here

The need for more concentrated work among the native Indians in the towns and on the reservations and problems of the American Indian today were dynamically presented Tuesday night to some 300 women of the Woman's Auxiliary of the Episcopal Diocese of Western Michigan, presently convening in Holland.

The Rev. Vine Deloria, D.D., assistant secretary in charge of Indian Work in the division of Domestic Missions of the Episcopal Church, addressed the large group at the annual dinner served at Hope Church. The dinner followed afternoon registrations and opening business sessions, including an address by the Rev. Dudley B. McNeill, D.D., Bishop of Western Michigan at Grace church.

Dr. Deloria, whose father was one of the first Indians to be ordained in the Episcopal Church, served for 20 years as a missionary to his own people, the Sioux Indians in South Dakota. He described his childhood on the reservation and the great influence of the Episcopal Church and the Woman's Auxiliary, which financed his education and enabled him to become a priest. He is now the first American Indian to belong to the National Council of the Church in New York City, and annually visits 16 tribes in 11 states.

Of these 100,000 Indians, 25,000 of them are Episcopalians, he said, which means that concentrated efforts are needed in the Indian field.

Dr. Deloria said that in his annual travels he consults with the Indian missions and personnel on their problems, finances and requests and while in the East, intercedes on the welfare side for the American Indian, a assists Indian organization and spends "much time in Washington, D.C." on Indian affairs. He also serves on the Indian committee of the National Council of Churches.

In viewing the Indian situation today, Dr. Deloria called for consolidation and more strategic location of Indian missions because of the move of Indians into the cities, leaving dwindling numbers on the reservations. He cited the need for well-trained clergy and lay people to help the Indian young people learn the English language and learn to get along with the people they have to live with in the future.

The church, must provide for social work among the Indians, must provide for building and repair of physical equipment and must maintain the present schools and hospitals. Funds for advanced education of the Indian are extreme.

Electrical Future Outlined in Talk By G.E. Executive

Atomic Power Will Come More and More Into Our Lives

Samuel Littlejohn, a General Electric Co. commercial vice president from Cleveland, lifted the curtain on "Electrical Tomorrow of 1956" for almost 400 members of local service clubs at the annual Inter-Service Club Council dinner Friday noon at Holland Christian High School gymnasium. Littlejohn, a veteran of 39 years in the employ of General Electric, briefly reviewed the 77-year history of the electric industry and gave an awesome glimpse of what we can expect in the future in such fields as electricity, atomic energy and automation.

"The electrical industry expects to build as much in the next 10 years as it has in the last 77 years," Littlejohn said. "The best years lie ahead."

He pointed out that atomic energy will become the great benefactor of mankind and will be the basis of our subsistence requirements and said the "future of this industry is tremendous."

He also cited advances in building atomic power plants and predicted more of the same in the years ahead.

He said the United States today needs 120 million kilowatts a year and by 1965 we will need 265 million kilowatts annually, of which four million will be furnished by atomic power plants. By 1980 the nation will need 800 million kilowatts each year of which 140 to 150 million will be furnished by atomic plants.

Household items in the nearby "crystal ball" are the electronic oven in which a 15-pound turkey can be cooked in 30 to 45 minutes; heat pumps which cool houses in the summer and warm them in the winter; touchtronic electric switches and wireless clocks. He also revealed that diamonds for industrial uses now are being manufactured here in Michigan and G.E. is working on an 8,500 horsepower gas turbine electric locomotive.

In the field of household lighting, Littlejohn said the contribution of industry has resulted in 75 percent more efficiency while costs have been pared 75 percent. The lighting power of fluorescent lights has been doubled each lineal foot and efficiency of lamps has been increased tremendously.

Littlejohn said G.E. is glad to be in Holland and the company believes in good wages and low prices. "We want to be interested in the community," he said.

G.E. has 350,000 shareholders, including a goodly number of employees who own shares. The company employs 220,000 people at 153 plants located in 115 cities and 28 states.

The local G.E. plant manufactures hermetic motors for the refrigeration and air conditioning branches of the firm. At present six and a half million of these units are needed annually and by 1965 Littlejohn said that figure will be doubled.

At the conclusion of the talk, Harold Ramsey, chairman of the Inter-Club Council, presented Littlejohn with a pair of engraved wooden shoes. Ramsey presided and Clarence Jalying led group singing. Mayor Robert Visscher gave brief words of thanks to the service clubs and Dr. Marion de Velder gave the invocation.

Sherri Shaffer Finishes Fourth In State Meet

ANN ARBOR (Special) — Sherri Shaffer, Holland High's lone hope in the Class A state track meet failed to repeat as mile king here Saturday afternoon.

The long-legged Shaffer, winner of the state meet with a 4:35 time last year, had to settle for fourth place this year with the identical time.

Steve Rhoades, Grand Rapids Ottawa Hills distance star, won the mile in 4:33.6 and Doug Wuggazer of Birmingham was second and Perry Williams of Pontiac was third.

Shaffer jockeyed for first, second and third for the first three laps and then took over the lead as the pack started to churn on the fourth lap.

He held the lead for most of the lap and prepared to turn on his sprint just as Rhoades turned on the gas and passed the local runner on the final turn. Wuggazer was right behind and he sped past and then Williams snuck past the local lad just at the tape. The quartet remained bunched for the final sprint to the tape.

ANN ARBOR, Mich. (UP) — Pontiac's Hayes Jones, as expected, produced the biggest thrills in the state high school Class A track and field championships but Alpena's Pete Dant deserves the title of unsung hero.

Jones, a nimble Negro, won three events, setting records in two of them, and ran a leg on the winning 880-yard relay team Saturday to lead Pontiac to its second straight team championship.

The Chieftains piled up 61 points for one of the most lopsided victories in the history of the meet. Flint Northern was a distant second with 26 points, followed by Birmingham with 23, Lansing Sexton with 20½ and Kalamazoo Central with 18.

Alpena finished in sixth place with a dozen points, all produced

by Dant with victories in the 100 and 220-yard dashes. But Dant had reason for consternation. He posted the fastest times in history in winning the events for the second straight year but was denied records because the tailwind was too strong.

He streaked the 100 in 9.7, a tenth of a second faster than it had ever been run before. And his 21.2 clocking in the 220 was a full half second below the existing record.

Jones was more fortunate. The wind died down at the start of the 120-yard high hurdles and he was able to clip a tenth of a second off his old record of 14.5 which he set last year.
