The Service Flag

It hangs below the Stars and Stripes,
A banner bright and new,
Red bordered with a field of white,
And star of deepest blue;
However humble is the home
O'er which its colors wave,
It glorifies it in the light
That shines upon the brave,
For where that new-born emblem flies,
A man has buckled on
The sword in Freedom's sacred cause,
And from the house has gone
To face the trinity of Death.
In lead and steel and gas;
So when you see the service flag,
Salute it as you pass.

GIVES BROOMS FOR OLD SHOES

RUSSIAN JEW HAS BUILT UP A LARGE TRADE IN THE PAST NINE YEARS

Withing a few days a small carload
of old shoes will leave the city for Chi-
cago.

Shoes of all makes, sizes, and shapes,
male, female, and child shoes, it mat-
ter not, will be tied together in pairs
ready for shipment.

It has just been brot to light that
a Russian Jew has for nine years made
two raids upon this town collecting all
the old footwear he could get.

In exchange for the shoes he gives
his customer a kitchen broom, a small
whisk broom, or a duster. It all de-
pends upon the condition of the shoes.

The has a regular list of
customers whom he visits. Occasionally
he find some customers that are not yet
on their upper and therefore not ready
to hand over the covering to their low-
er extremities, but these he gives a
broom just the same and charges it up
until he come again six month later.

In Chicago these shoes are tapped
and are then resold to the poorer class
of people at a very reasonable price.

The man is in the city now and seems
to be in a prosperous condition, show-
ing several bonds purchased during the
third liberty loan drive.

AUTO VIOLATIONS ARE MANY AND VARIED

"CAPPY" CAPPON WENT 'ROUND THE END WITH CAR INSTEAD OF THE BALL

"Cappy" Cappon it is admitted is
possibly the fastest football star in
this state. It is said that he is just
as fast at base ball and basketball.

Now we hear of another proclivity
in which speed enters and in which he
also excels. This is shown when he
made one of his famous end runs at
the rate of 33 miles an hour on Central
avenue, but even at this terrific speed,
swifter interference stopped him.
Tackler Bontekoe prevented him from
making goal, and caused his being pen-
alized by Referee Robinson, for play-
ing the game a great deal too fast,
which is all against the rules laid down
in the rule book of the state of Mich-
igan.

When asked by the Referee why he
made such unusual time, "Cappy" said
"It was dinner time and I was hun-
gry." But the swift high school
graduate is some "sliver" rider just
the same besides being fast at almost
any form of sport you might mention.

Hoek and H. Zwemer were asked
to appear before Justice G. Van
Schelven to show cause why they were
running a touring car with a truck li-
cense attached. Both men had changed
their trucks over into touring cars and
said they did not know that a license
for one would not apply for the other.
The law is plain on this score however
and the men promised to get touring
car licenses.

E. R. Alzman of Muskegon paid \$5
to Judge Robinson for going 27 miles
an hour on Seventh street.

STORES TO BE CLOSED DECORATION DAY

Early shopping on Saturdays is ap-
preciated by the merchants and proves
a great help for the early closing
hours. This was expressed by the re-
tail committee from the Chamber of
Commerce and seems to please the buy-
ing public as in recent years the people
just postponed shopping till after sup-
per. Whereas now many do their shop-
ping early in the day time when the
light is natural, and the regular clerks
can wait on the trade who are better
fitted and posted on the merchandise
offered for sale, especially in dry goods
and clothing lines in selecting colors.
In as much as Decoration day will be
observed in an unusual way and service
will be held in the several churches, it
is expected that every business place
will be closed all day, May 30.

POSTOFFICE CLOSED

MEMORIAL DAY

The Holland postoffice will be closed
all day next Thursday, May 30. There
will be no deliveries made that day by
city and rural mailcarriers, nor will
mail be handed out at the post office.
Those having important letters and
packages to mail can deposit same in
the box at the post office corner. Col-
lections will be made from boxes so
marked at 5 o'clock in the afternoon.

GOD SAVE OUR MEN

(Tune of America.)

God save our splendid men, Send them safe home again; God save our men, Make them victorious, Patient and chivalrous,— They are so dear to us,— God save our men.	When tempted, keep them pure, Be their protection sure,— God keep our men. God hold our precious men, And love them to the end; God hold our men. Held in Thine arms so strong, To Thee they all belong, Held safe from every wrong, God hold our men.

LITTLE KNOW HOLLAND SHOP IS FAMOUS ABROAD

SHIPS ONE OPERATING TABLE A
DAY; GOODS GO ALL OVER
THE WORLD

Boys in France Will See Veterinary
Specialty Co. Equine Table Made
In Holland.

The Veterinary Specialty Co. per-
haps one of the least known factories
in Holland locally, probably carries the
name of Holland further than does the
product manufactured by any other
Holland business institution.

Withing the past few days, this com-
pany has shipped an Equine Operating
table, weighing 1100 lbs. to the ex-
treme eastern part of the Province of
Quebec, Canada; two other tables left
for Georgia; an Ajax Stocks to Ala-
bama and Nebraska; and a Canine ta-
ble to New York City, while still an-
other one was shipped to Seattle,
Washington.

Every state in the Union and every
province in Canada, as well as every
veterinary school in both North and
South America and in Australia, has
this company's product. The Philli-
pines and Hawaiian Islands can also
boast of them.

Last winter these operating tables
were turned out at the rate of one a
for several months. Every army
cantonment and fort, including several
British Stations, are equipped with
these veterinary appliances and a good-
ly number are going over with the
"boys" to "somewhere in France."

The manager of the company is Mr.
Olinger and the plant has been located
in the old wire fence factory near the
Holland Furnace Works. The men em-
ployed are high class mechanics.

FORMER TEACHER GETS ADVANCEMENT

"JOCK" RIEMERSMA NOW A REG-
IMENTAL SERGEANT-
MAJOR

"Jock" Riemersma, popular former
high school teacher, who went to Camp
Custer last fall, has made rapid head-
way in that camp and has the rank of
Regimental Sergeant Major, the
highest non-commissioned office in the
army and he has risen to this position
in a few months through ability and
hard work. Riemersma is in the en-
gineering department.

This is a hard department in which
to secure advancement because of the
fact that most of the men in its are
"varsity" men and the competition is
therefore keener. Mr. Riemersma is a
graduate of Hope College. Later he
took a post graduate course at the U.
of M. and for some time he has been a
popular instructor in the high school.

WILL WED AND GO TO CHINA

Cards are out announcing the date of
the marriage of Rev. Henry A. Poppen
of Iowa and Miss Dorothy Trompen of
Grand Rapids. Miss Trompen is a
daughter of Mr. and Mrs. John Tromp-
en of Grand Rapids and it a graduate
of Hope College. Rev. Poppen is a
graduate of the Western Theological
Seminary. The ceremonies will take
place in the First Reformed church at
Grand Rapids on Wednesday, June 12
at 7:30 p. m. Their future home will
be in Amoy China where the happy
couple will be missionaries.

WOMAN'S LITERARY CLUB CLOSSES YEAR'S WORK

LAST MEETING IS HELD YES-
TERDAY; REPORTS ARE
READ.

The last meeting of the year of the
W. L. C. was held Tuesday afternoon
with a large attendance. Reports were
read from the various standing com-
mittees explaining the many activities
of the club and especially emphasizing
the record of service undertaken for
the public and community need in this
great crisis.

Mrs. Waltz accompanied by Miss
Gertrude Kramer sang two solos, and
two selections were rendered by a
quartet composed of Evelyn Keppel,
Florence Vennema, Evelyn DeVries,
and Jeanette Mulder accompanied by
Mabelle Mulder.

At the close of the meeting the
members adjourned to the dining room
where a social hour was enjoyed and
refreshments served. The dining room
was in charge of Mrs. A. L. Cappon.

"CONCRETE" CONNELLY HAS OTHER GIFTS THAN MERE ROAD BOOSTING

WILL BE IN HOLLAND
IS A RATTLING GOOD FIFER AND
TODAY

William "Concrete" Connelly, be-
sides being a rattling good booster for
the right kind of highways and a rip-
ping good chamber of commerce sec-
retary is something else again. He is a
ripping good fifer, as well, so he is.
After much argument and threat-
ening Fifer Connelly which sounds like
the British Army, was prevailed upon
to display his talents to the public. So
today he is going to turn out with the
Grand Haven home guard organization.
He is going to pipe the fife as he never
piped before to the time of a beating
drum. He is going to parade as an es-
cort to the selecta tomorrow and he
will go clean through to Holland with
the contingent.—Grand Haven Tribune.

ZEELAND NOW HAS BUT THREE VETERANS LEFT

Hendrick Everts, a Civil War veteran, died suddenly Thursday at his farm home near Zeeland at the age of 73. He became ill last Monday and was apparently feeling a little better when he suffered a stroke of apoplexy which resulted fatally.

Mr. Everts came to this country with his parents during the emigration period in 1847. When the Civil War was raging in this country, Mr. Everts enlisted in the 25th Michigan Infantry, Co. I, in 1863 and served until peace was declared in 1865.

Later he married and lived in Grand Rapids for a number of years. After his second marriage he settled on the Everts homestead a short distance northwest of Zeeland. A wife, three sons and three daughters survive him, besides a brother, Roelof Everts, of Holland.

Funeral services were held Saturday, from the home at 2 o'clock in the afternoon. Rev. Harmeling officiated. Interment was made in the Zeeland cemetery.

One by one the old veterans depart in answer to the final summons. But few are left to rehearse to the present generation, the suffering, privations and terrible struggle—enduring all, that we might enjoy the blessings of a preserved nation. There are still three of the veterans in Zeeland awaiting the last bugle call; they are: Hon. C. Van Loo, H. B. Van Dyke, and Marinus Kossen.

In Holland also the ranks of the veterans are becoming thin. Just at this moment two of them are seriously ill and are not expected to recover. There will be several names missing at the roll call next week when Memorial day is celebrated.

WILL STAGE A BIG PARADE FOR THE BOYS

At a meeting of the War Board held Thursday afternoon the arrangements were completed for the joint celebration and parade to be given in Holland next Wednesday as a farewell to the 93 Holland boys and the 67 Grand Haven boys who will leave for Camp Custer on that day. Holland will send sixteen automobiles to Grand Haven in the forenoon to help transport the Grand Haven men to Holland over the Pike. Grand Haven will furnish some twenty machines. The sixty-seven men from the county seat will be accompanied by the home guard and a large band, the total number of visitors being about 150.

Arrangements have been made for a farewell dinner to both the Holland boys and the Grand Haven drafted men in the court room of the city hall at 11:30. Plans have been made to furnish meals to the other visitors at other places, the room not being large enough to accommodate all. After the meal the boys will be addressed by Hon. G. J. Diekema. Mr. Diekema was very reluctant to accept the honor. He has addressed all the boys who have left for camp so far and he asked that some one else be detailed to speak this time. But the War Board was unanimously of the opinion that Mr. Diekema should be asked to deliver the address again this time. Rev. J. P. Batema will pronounce the invocation.

The parade will leave the city hall at 12:30. John Homfield has been named marshal of the day and he will appoint two assistants. It is planned to make the parade the most imposing one that has been attempted so far. The public school, the School for Christian Instruction, Hope College are invited to join in the parade. The mayor, Common Council, city boards, G. A. R., Spanish War Veterans, W. B. C., are also invited to form part of the parade. The boy scouts will be out in uniform and other organizations in the city that wish to join the procession are cordially invited to do so.

H. P. Zwemer has sold a Republic truck to A. P. Kleis to be used in the new fertilizer plant.

SECTION MAN IS KILLED INTERURBAN

Peter Schuud, a Michigan Railroad employee, was struck Monday forenoon at about eleven o'clock by an east-bound interurban car about half way between Holland and Zeeland and instantly killed. Schuud, who is sixty-two years old, was working on the railroad as a section hand. When the interurban car was approaching Schuud backed from west track to the east track directly into the path of the approaching car and was struck squarely, the motorman being unable to take any precaution about slowing down because of the suddenness with which the man stepped into the path of the car.

He landed on his back and never moved again. Two men were working with him but they did not see him struck. Schuud lives near Forest Grove. Att. G. W. Kooyers, acting for Coroner Cook impounded a jury this afternoon, but the hearing was postponed until Tuesday afternoon to give the railway officials an opportunity to get here. The jury is composed of Nick Hoffman, Gerard Cook, James Kole, Albert Koppel, Albert Cook, and N. Dykema.

The body was taken to the Nibbelink Undertaking parlors. The deceased is survived by a wife and five children.

BIG FARM REAL ESTATE DEAL CLOSED

A real estate deal of rather unusual importance because of the amount involved was closed thru the Weersing agency on Saturday when the farm of Anthony Drovers near Vriesland was sold for \$16,000, of which \$12,000 was for the land and buildings and \$4,000 for the growing crops and stock. The farm is eighty acres and is one of the finest in that section. It was sold to E. M. Chappelle.

Mr. Weersing declares that the impression that real estate is not moving is an erroneous one. He declares that real estate has been moving very satisfactorily in Holland and vicinity this spring and he looks upon it as a mark of confidence on the part of public in business conditions in spite of the war.

SAUGATUCK AMUSEMENT ASS'N CAPITALIZED AT \$45,000

The Saugatuck Amusement association has been organized and incorporated with a capital stock of \$45,000. E. E. Weed, proprietor of the Basket factory at that place is at the head. Included in this deal is the Big Pavilion that has been having its ups and downs financially for the past ten years. Mr. Weed who is a thorough business man is making a winner of it however and for that reason a re-organization has taken place. Saugatuck can hardly see its big summer attraction go by the boards and the citizens realize what would happen if this pleasure spot were put out of commission.

NEW MEN MAY BE CALLED TO CAMP SOON

When the names of the 93 men who are to go to Camp Custer next Wednesday had been listed by the local draft board it was found that there were only in the neighborhood of twenty men left in Class One in this district. This would not be enough for a single draft. Then the newly married men were added to the list giving the second district in the neighborhood of 40 additional men, making the total in class One between sixty and seventy at the present time.

However should there be a single draft of the size of the present one that number would be wiped out. It is believed however that before the next draft comes the young men who are to be registered on June 5 will be ready to be listed. This will add perhaps 200 more men to Class One. These young men will be placed at the bottom of Class One and will not be called until all the others in that class have been used up.

But if the draft next time should be as large as the present one, it is quite likely that some fifteen or twenty of the new men who became twenty-one during the past year will be used immediately.

On June 5 the young men of the district will be registered as they were last year on registration day. But they will be listed on the questionnaire system. They will be given serial numbers and will be called according to the numbers chosen in Washington last year. The numbers will begin with one again and go as high as the number of new men calls for.

CLUB DISCUSSES TEMPERANCE PUBLICATIONS

The Woman's Christian Temperance Union met Friday afternoon at the home of Mrs. S. De Boer. "Our Publications" was the subject of the meeting and the purpose of the discussion was to make the members of the organization better acquainted with the temperance papers that fight the cause of temperance.

A song to the tune of "Put On Your Old Gray Bonnet," was given by girls in costume, namely Levina Essenberg, Lillian Schaap, Melvin Wyssnaar, Mary Gowdy, Theresa Wolters, accompanied by Mrs. Gowdy. A dialog was given by Mrs. Clark, Mrs. Gowdy, Mrs. Weersing, Mrs. Koolker, Mrs. G. W. Kooyers. The devotions were conducted by Mrs. J. P. Huyser. The hostesses were Mrs. Irmann, Mrs. DeBoer and Mrs. Naberhuis. The meeting was in charge of Mrs. Weersing.

WAR IS EASY ON WILD LIFE LESS HUNTING

The war has had two opposite effects on the sale of fire arms. On one side there has been a decided decrease in shooting wild game, due also in part to the enactment and enforcement of Federal game laws protecting migratory birds and partly because three million young men of hunting age are hunting or are preparing to hunt Huns. This is evident not only in the falling off in sales of shotguns, but also of loaded shells and hunting apparatuses. On the other hand, the Government demand for munitions of war has not only created a pronounced scarcity in many lines directly affected, such as metallic cartridges and revolvers, but also in those lines where this Government demand has shifted the use of men and machinery from articles like sporting rifles and shot guns to rifles needed for the soldiers, thus creating a great scarcity of the former articles in the domestic trade.

It is very difficult to get revolvers at all for the regular trade, and automatic pistols practically cannot be had. Loaded shells for trap shooting sell only in a very limited way, for clay pigeon shooting is a sport kept up almost entirely in time of peace by persistent propaganda. Naturally, in time of war it falls to a very low estate. The sale of blank cartridges formerly used mostly for Fourth of July celebrations, and the like is practically extinct now, as a matter of conserving men and material to make cartridges for war purposes.

The demand for leggings for army uses far outstrips the supply, while those for hunting purposes sell in much reduced volume. All kinds of reloading tools and implements in connection with the hunter loading his own shells are practically a thing of the past and linger on in a fast-dying fashion.

The war will at least be beneficial to the propagation of wild game, and with practically no hunting going on because of the lack of hunters and materials with which to hunt, within a few years, should this condition continue the woods are bound to be alive with wild game. Holland merchants do not go strong on guns and powder, but even they have found a material falling off in the sale of shooting irons.

U. S. EXPERT TO BE HERE THIS WEEK

DR. MARY E. ANDERSON WILL SHOW WOMEN HOW TO MAKE COTTAGE CHEESE.

Demonstrations To Be Given in the High School Friday and Saturday Afternoons.

In an effort to encourage the use of home-made cottage cheese in Holland as a food to take the place of other foods and thus help in the great national movement of food conservation, Miss Grace M. Hitchcock, Ottawa County Domestic Economy agent, was in Holland Monday to make arrangements for public demonstrations to be given Friday and Saturday. Miss Hitchcock was accompanied by Dr. Mary E. Anderson of the United States Department of Agriculture, who will give the demonstrations. Dr. Anderson is one of the 27 women being sent out by the United States government to do work of this kind which will help along the food conservation movement.

The demonstrations in Holland will be given in the domestic science room of Holland high school Friday and Saturday afternoons beginning each day at 3 o'clock. All women of the city are cordially invited to attend these meetings. Dr. Anderson is an expert in this line of work and she has a great many practical recipes that most housewives can make use of. She declared Monday that some of her recipes are much easier to use than those in common use in many homes. It is in fact on the side of simplicity that the greatest stress will be laid.

Dr. Anderson declared that cottage cheese is a very good substitute for wheat. Since the government has asked the people to abstain from wheat and wheat products until the next harvest, this will be one way of finding something else to eat.

GOES TO WAR BUT CONTINUES BUSINESS

BENJ. H. LIEVENSE TURNS IT OVER FOR THE TIME BEING TO ANOTHER

Benjamin H. Lievensen, a young business man of Holland, who is to be one of the 93 men going to Camp Custer Wednesday is not going to let the Kaiser scare him out of his business. Lievensen has been running a very successful battery shop and when he was drafted for the service he did not throw up his hands and sell out. He hopes to get a lot of good shots at the Kaiser or his representatives but he also hopes to come back to Holland to continue his business here.

For that reason instead of selling he has made arrangements with Henry De Maat to continue the Holland Battery Shop. For the past two years Mr. Lievensen has run a Willard Service Station and he expects to do so again when he comes back. And in the meantime his customers will receive the same treatment they got when he was here.

NEWLY MARRIED MEN EXAMINED BY THE BOARD

Thirty-one newly married men were examined by the physician of the draft board at the city hall Monday morning. These men were wedded since registration day last year and by reason of a new order they are to be inducted into service in the coming drafts. Those who were physically fit have been listed in Class One.

A very large percentage of the 31 were found by the physician to be physically fit for service, and the new order will add a considerable list to the available material for Class One. There are some ten or twelve others in the district who were married since last June and who are still to be examined. These will be handled very soon now, they did not appear today for various legitimate reasons.

The local board Monday declared itself ready to register the young men who have become 21 since last June. That is the board is ready to register outsiders who belong in other registration districts but do not wish to journey to their home board for this purpose. All such will be registered here and their cards will be sent to the home board by the local board. A number of Hope College students will have to be registered in this way. The board will see all such persons any day up to 2 o'clock in the afternoon.

All young men who live in this district will of course not register until the regular registration day on June 5.

HOPE SENIORS GET POSITIONS

As usual Hope is ready to supply her quota of teachers for the purpose of spreading her culture abroad, not only throughout the United States, but even in India. The following Seniors have already received positions as teachers and principals in Secondary schools while many more are still awaiting appointments.

Miss Marion Struick will start her career as a teacher of Agriculture, Economics and Latin in the Hoppers, Iowa, high school. Miss Marion Van Drezer and Miss Ethelyn Vaupell will be teachers of the Modern Languages in the Grandville and Marshall high schools respectively. Miss Florence Walvoord has received a position as teacher in the High school of her home town, Cedar Grove, Wisconsin, while Miss Gertrude Schuurman will teach French and English Literature in Clifton, New Jersey. After taking a post graduate course in Spanish at the University of Chicago, Miss Della Hoppers will teach French and Spanish in the Grand Haven High school. Two of this year's graduates will carry the Message of Hope into heathen India, Miss Clara Coburn as missionary and Mr. Paul McLean as principal of Hope High school, Madanapalle.

DISCOURAGES USE OF BARBED WIRE

Some city officials are objecting to the cutting of laws early in the morning and the police department has been asked to discourage this practice. Citizens are said to be disturbed by lawn mowers that begin their operations as early as 5 o'clock.

Another matter that the police is much in earnest about is the use of barbed wire across lots or across corners. Some property owners are using this kind of wire and Chief of Police VanRy declares it is endangering children. When scratched by the wire there is some danger of lock-jaw, and Chief Van Ry suggested today that the council should pass an ordinance prohibiting the use of barbed wire anywhere within the city limits. This will include using it over fences.

BOARD OF REVIEW

The Board of Review will meet in Holland township on June 4 and 5 and again on June 12 and 13. The Board will be in session from 9 a. m. until 4 p. m. at the office of the supervisor. By order of the Board of Review of the Township of Holland.

ARE HOLLAND AUTO OWNERS AL LHERE?

How many automobiles are there in Holland? According to the returns received by the War Board to their request to have the autos listed for patriotic service there are only 114. That is the exact number of replies that have been received by Chairman J. J. Cappon from the automobile owners in Holland. It was generally supposed that there were several times that number of machines in Holland, but that is all that have been registered. Following are the names of the auto owners registering and the serial number showing the order in which their machines have been listed:

CERTIFICATES LOOK LIKE BALLOTS

The sugar certificates which the manufacturers who use sugar in the goods they manufacture must make out look a good deal like an election ballot. They contain two solid pages of reading matter, with little squares behind each question asked, in the manner of an election ballot, in which the applicant for a certificate can write his answers. During the months of May and June all local manufacturers needing sugar, such as ice cream concerns, candy concerns, and so on, must have such a certificate before they can get a pound of sugar. What is more no one may sell them sugar unless the certificate duly signed is presented when the sugar purchase is made. Violation of this order will be followed by penalties.

There will be no laxness about this matter, as appears from the certificate itself. At the bottom of the certificate is a blank affidavit which the applicant for sugar permit must swear to before a notary public in which he declares that all the answers he has given are the truth.

In addition to giving the name and address of the manufacturer, the certificate answers a great many questions about his business, what he manufactures, stock of sugar on hand Jan. 1, 1918, amount received since then, sugar now in transit, stock of sugar on hand Jan. 1, 1917, and so on. The questions are for the purpose of learning what each firm's average consumption of sugar is, as a basis on which to decide on the amount to be allowed it now.

ACCEPTS CALL TO LOCAL CHURCH

Word was received Saturday that Rev. R. Veldman of Chicago has accepted the call extended to him by the Prospect Park Christian Reformed church. Mr. Veldman has not served a congregation before as a regular pastor altho he graduated from Calvin Seminary in Grand Rapids some time ago. On leaving that school he took a postgraduate course in Princeton seminary, and during the past year he has been studying at the Divinity School of the University of Chicago. The announcement of his acceptance of the call was made to the congregation Sunday.

Rev. J. Hiemenga of Rochester, N. Y. occupied the pulpit of that church Sunday.

The German Lutheran church at Agnew, Ottawa county, has contributed \$18.50 to the American Red Cross drive. An ice cream social at the home of Mr. and Mrs. Bertha Jeske, netted \$5.50. Similar gatherings are to follow during the summer.

VETERAN DIES ON MEMORIAL SUNDAY

Death stepped in to take away one more veteran of the civil war on the very day when his comrades commemorated Memorial Sunday. Sunday morning at about 7 o'clock John Grootenhuis, one of the best known of the local veterans, passed away at his home on the corner of College Avenue and 7th street. Grootenhuis had been ill for about three weeks and his death was not unexpected. The flag in Centennial Park was placed at half mast in his honor Sunday.

Grootenhuis was 76 years old. The funeral will be held Wednesday afternoon at 4 o'clock from the home, Rev. J. F. Bowerman officiating. Interment will take place in the South Side Cemetery. The deceased is survived by three daughters and one sister. His wife died more than 25 years ago.

Mr. Grootenhuis was one of the first to enlist when Company I was organized here in 1862 and he served for the full period of three years, receiving an honorable discharge at the end of the war as a sergeant. His brother who enlisted somewhat later in the 8th Michigan Infantry was mortally wounded at Fredericksburg on May 12, 1864.

Mr. Grootenhuis was born in the Netherlands and he came to America with the original settlers. He passed through all the early hardships here. In recognition of this fact he was selected a few years ago to lay the cornerstone of the Holland City Hall.

Mr. Grootenhuis' mother was the only woman who accompanied the first band of settlers from Allegan to this community. For three weeks she cooked for the men in an improvised log hut on the Vander Haar hill, until other shacks had been put up to receive the other women. Mr. Grootenhuis' father was in many ways Dr. Van Raalte's right-hand man. He was a man of education and he did the first surveying, laid out the first highways and staked out the first farms.

The deceased will be laid to rest Wednesday with military honors in which his comrades in arms will take part.

BUT FOUR LEFT OF ORIGINAL COLONISTS

The death of John Grootenhuis Sunday called to mind that of the people who came across the Atlantic in the very first shipload of the VanRaalte immigration there are now only four living. All the others have passed away. The quartet of survivors are: Hendrik Jan Laarman who lives on the North Holland road, Mrs. C. V. R. Gilmore of this city, Henry Cook, of Allegan, father of Dr. M. J. Cook of this city, and Albert Cook, also of Allegan, a brother of Henry Cook.

These persons were children in the party of Hollanders who left the Netherlands in 1846 to be the pathfinders for the larger party of immigrants who were to leave Holland to found a new Holland on the shores of Lake Michigan. These youngsters understood but little of the purposes of the big trek to the new world and they understood but little of the hardships they would have to pass thru together with their elders in their new home.

The party sailed in the good ship, "The Southerner," which landed in this country late in the fall of 1846. The party was headed by Dr. Van Raalte, the moving spirit of the whole immigration, and the story of their hardships in the wilderness of Michigan has often been told. The original party of which the four persons named are the sole survivors, blazed the path for other immigrants who came in the following year and in the years that followed that.

BOARD HAS JOBS FOR DRAFTED MEN

The local draft board Monday issued two calls for special men in the military service. They want one man from this district to serve as repair man or as an operative in a gun factory. He is to be sent to Camp Hancock, Ga. The second call is for two men qualified for positions as bargemen or boatmen to be sent to the engineering corps at Laurel, Md.

These men must be inducted into the service on Saturday, June 1. The draft board will see volunteers for these positions at any time during the week. If volunteers do not present themselves the board will assign men to the position from among the drafted men. The bargemen job is to be filled from one of the following: Class 1, Class 2-B; Class 3-K, and Class 3-L.

The installation services of the Rev. Henry Harmeling took place at the 1st Reformed church at Zeeland Thursday evening. A reception will be tendered the Rev. and Mrs. Harmeling and family on next Wednesday evening, May 29, by the congregation in the church parlors. Rev. Harmeling takes the place vacated several months ago by Rev. P. P. Cheff, when the latter came to assume the pastorate of Hope church.

FINDS LOOT IN PAWNSHOPS OF MUSKEGON

The discovery of loot from cottages and homes south of Grand Haven in Muskegon pawnshops has convinced Sheriff Dornbos that he made no mistake in picking up Daniel King, as a suspect for the looting of summer homes and private dwellings along the lake shore south of that city.

When he arrested King on Sheldon road on a tip from people living out along the lake shore, the man dropped a remark which gave the sheriff a clew. Asking King what he had done with his booty that he had the day before, prisoner declared he had taken it to Muskegon, and named the shop in which he had disposed of it.

Later King denied making any such statement to the sheriff but the officer followed up the tip and visited pawnshops in Muskegon where he found silverware and field glasses and other articles which had been taken from the home of Carlyle Lawrence, near the lake shore. The broker gave a description which fitted that of Dan King, in telling the officer of the man who had left the goods there. Later Mrs. Lawrence identified a number of the articles as her own.

The home of Mrs. Ida Carnick on Sheldon road had also been ransacked but as the owner was absent there was no opportunity of identifying anything found in the Muskegon shops, and believed to have been taken from the Cornick place. Gold rings, watches, and other trinkets served to complete the loot gathered in by the sheriff.

IRON COFFIN WAS BUILT TO FIT A MAN

Ann Arbor, Mich. May 25—The iron casket containing the body of Judge William A. Fletcher, first supreme court justice of Michigan, was recovered on Wednesday from its ancient burial place in Felch park, at Ann Arbor, formerly a cemetery, and has been placed in the vault in Forest Hill cemetery, awaiting directions from the Michigan Historical society for its final burial.

The recovery of this casket was the work of Titus F. Hutzel. About 1903 Mr. Hutzel who was then superintendent of the water works company, was laying a water pipe thru this park when his workmen dug up an iron casket, containing the well preserved body of a distinguished looking man. The casket was of peculiar structure being made in the shape of a human body. The body wore a pleated ruffled shirt, white standing collar with a black bow tie, and a dress suit with a low cut vest.

Mr. Hutzel's mother, Mrs. Sophia Hutzel, remembered the burial of Chief Justice Fletcher in such a casket.

At the time of the discovery of the body, Mr. Hutzel attempted to have something done about removal of it to some other place for burial. But thru the failure of relatives to act the body was put back again. It was only the memory of Mr. Hutzel which was able to fix the approximate location. Recently the matter of a proper burial and a monument for the chief justice was taken up by the Michigan Historical society and a few days ago Mr. Hutzel received orders to attempt to relocate the iron casket.

Chief Justice Fletcher was not the only chief justice of the supreme court of Michigan but under the laws of the Michigan courts at that time he was the first presiding judge of the Washenaw circuit court from 1836 to 1842, when he retired and Judge Felch succeeded him.

ALIEN WOMEN OVER 14 TO REGISTER

United States Marshal Herman O'Connor has issued the following order for this district:

Upon an order issued by the Attorney General at Washington D. C. all German alien females of the age of 14 years and upwards will be required to register. Said registration will be begun on June 17 and will continue up to an including June 26 (excepting Sunday, June 23). The places of registration will be police headquarters in all cities which had a population of five thousands or over according to the census of 1910, and at the postoffice in places of lesser population in 1910, said places of registration will be open from 6 o'clock a. m. to 8 o'clock p. m.

"Every German alien female will be required to register at the places mentioned above within the above dates, and failure to do so by any such alien will make such alien liable to severe penalties imposed by the government.

"Should there be any doubt as to who comes within this classification? (German alien female) they should at once consult, either the chief of police or the postmaster of the city or town in which they live for information regarding this matter.

"HERMAN O'CONNOR,
United States Marshal."

Rev. M. Filipe, pastor of the Third Reformed church, has returned to Holland after spending about ten days in the East where he attended a meeting of the Board of Superintendents of the New Brunswick Theological Seminary, of which body he is a member.

OFFICIALS GET AFTER TWO OTTAWA MEN

How the government officials are getting after people who are not bearing their just share of the war burdens and who are not supporting the government as all patriotic citizens should was illustrated today when two statements were signed by Ottawa County citizens in which they promise to support America in the war in the future and conduct themselves as patriotic Americans. Government officials got after these two cases Friday and the statements, together with \$150 in cash for the Red Cross, were secured through the local branch of the American Protective League.

The names of the parties involved are withheld, in view of the fact that these are the first cases of their kind here and since both parties have made solemn promises in good faith to do better. But the American Protective League is hard at work and later it may become necessary to publish names.

The two documents secured are self-explanatory and they will tell of some conditions that have been uncovered in Ottawa county, which are happily very exceptional. But others of similar kind may look for similar treatment, the local Protective League declares:

I, _____ of _____, Ottawa county, Michigan have not contributed heretofore to the American Red Cross or other war activities, and have not purchased any liberty bond on the first, second or third liberty loan, and whereas I have been duly classified by the Local Board of Division No. 2 for Ottawa County, in Class 4-C under the Selective Service Law, and for that reason am not subject at this time to immediate call for military service, and whereas, I desire to do my part now and in the future to aid the government in every matter in my power in the prosecution of the war, and to show that I am a true, loyal and patriotic American citizen, I hereby freely and voluntarily agree,

1. That I will on this 24th day of May donate to the American Red Cross the sum of \$150.

2. That in the future whenever a drive is in progress to obtain funds for liberty bonds, Red Cross, Y. M. C. A. or other patriotic purposes, that I will contribute my due share on any such drives.

3. That I will live up to the rules and regulations presented by the United States Government through any of its officials or boards now and in the future.

4. That I will do everything in my power hereafter to assist the country in the carrying on of the war and will direct my energies personally, so far as is in my power to contribute to the success of this country in the present war.

Signed _____
Witnessed—
May 24th, 1918

Holland, Michigan.
I, _____ of the City of Holland, County of Ottawa and State of Michigan, hereby freely and voluntarily make the following statement.

I am not a citizen of the United States. I was born April 10th, 1892 at Harlem in the Netherlands and came to this country arriving at Hoboken, N. J. April 9, 1914. In my questionnaire, duly returned to the Local Board of Division No. 2, for County of Ottawa, State of Michigan, Holland, Michigan, I claimed exemption from military service because I am not a citizen and also stated in said questionnaire that I was not willing to return to my native country and enter its military service. Since a state of war has been declared with Germany and during the month of April, 1918, I stated to one _____ that I wished President Wilson was shot, and said to her further that I would not fight for this country and have talked to her in favor of Germany and whenever I heard that Germany had won a battle I made the statement that it was a good thing.

I was married in Holland, Michigan, on March 3rd, 1915 and have two children, one a year and a half old and another four months old. Complaints have been made by my neighbors that I have been brutal to these little children and that I have whipped them severely and have sworn at them in the presence of others. I admit that the charges are true.

Regarding my statement concerning the President and my sympathies with Germany, I wish to say that I have not meant them and have said them in the spirit of fun for the purpose of making others angry. I realize that this was very foolish and that it has gotten me into serious trouble and that I am ashamed of myself for having made them and that I will never say anything again of that sort in the future. I am also ashamed of my treatment to my children and I will never punish them, either severely or otherwise, until they are old enough to know what such punishment is for and I will punish them then in some other manner than by physical violence. I will not swear at them or in their presence in the future. I wish to say further that from now on I stand ready to take up arms and fight for the United States of America in the present war if the need arises. I came to this country because I believed and still believe that it is the best country in the world and it is my desire to be a good patriotic citizen.

Up to this time I have not bought liberty bonds nor have I contributed anything to the Red Cross or Y. M. C. A. or other war activities and I agree that in the future I will support every patriotic cause financially as well as

Nut Bread

is particularly appetizing. It wholly satisfies the taste for cake and the more expensive delicacies, as well as provides a nourishing, palatable bread at a very moderate cost. No wheat flour is required to make it, something very much in its favor at the present time. Furthermore, you will have to taste good and hard to convince yourself it is not made from wheat flour.

By all means use

Rowena Rye Flour

for therein lies the basis of its goodness.

The color of Rowena Rye Flour is practically the same as wheat flour, nice and white, and the flavor is very appetizing.

It can be used very successfully in ordinary bread making as well as for cakes, pies, quick breads, etc.

Here's the recipe for Nut Bread—Be sure to use Rowena Rye Flour.

- 1 cup Rowena Corn Meal
- 2/3 cup boiling water
- 2 teaspoons salt
- 2 tablespoons fat
- 3 cups Rowena Rye Flour
- 8 teaspoons baking powder
- 1 1/2 cups milk
- 1 cup nutmeats

Put meal, salt and fat into bowl and pour on the boiling water. Cool. Then add the milk, the rye sifted with the baking powder, and the nuts last of all. Moderate oven about 1 hour. If sour milk is used add 1/2 teaspoon soda.

We Furnish Comfortable Glasses

GLASSES that fit perfectly, that rest easily and gently but firmly on your nose, that are adapted to your individual vision and face contour, are the kind we guarantee you'll receive if you favor us with your patronage.

No two noses are alike. The clip or frame just right for one nose might, and probably would be, just wrong for another.

It is our business to study the face and expression of each and every customer in order to provide the glasses or spectacles that will be least conspicuous—that will enhance, not mar, their personal appearance.

We Positively Guarantee Right Glasses and Frames

Individual eye defects vary and naturally necessitate individual attention. We are extremely careful in this respect. Correctly focused glasses—the kind a painstaking and scientific examination proves should be worn, are the only kind we furnish.

with my moral aid and effort, and will obey all lawful rules and regulations prescribed by the President and the various war boards and others in authority during the present war.

I am heartily ashamed of my actions in the past toward my family and toward this country. I am sorry for what I have done and said and beg that I may be given another opportunity to show in the future that I can be a better man and a better citizen.

SEVENTEEN OLD SOLDIERS ARE AT SERVICES

There were seventeen veterans of the Civil war in the line of march to the Memorial Sunday services held Sunday forenoon at the First Reformed church. Several members of the A. C. Van Raalte Post G. A. R. were too weak to make the march and to attend the services, while one of them has just passed away. The veterans of the Spanish-American war were also at the church in a body, and so were the members of the Woman's Relief corps.

There are about ten or twelve other veterans of the Civil War who were not present at the services Sunday morning for various reasons. The total number of remaining veterans of Holland and in the immediate vicinity is between 25 and 30. These are not all members of the local Post however, but all who can do so when well enough

usually observe days like those of Sunday with the post.

Rev. H. J. Veldman, pastor of the church, preached an eloquent Memorial sermon to the survivors of that civil conflict and he eloquently connected the events of that day with the stirring war scenes of today, showing that the Memorial services today have added meaning from the fact that the country is again facing a great crisis in which courage of the boys today is expected to do for America what the courage of the boys of '61 did for us more than a half century ago.

Mrs. Waltz sang a solo and there was other special music in honor of the occasion.

Captain Geo. W. McBride, of Grand Haven, will deliver the Memorial address at Coopersville Thursday afternoon in the Odd Fellows hall, preceded by the usual exercises on this occasion. "Mac" although practically blind still has the old-time patriotic fire that carried him so bravely thru the cruel war. He is a brother of P. H. McBride of Holland.

SAYS FAREWELL TO LOCAL CONGREGATION

Rev. John Van Peursem preached his farewell sermon to the congregation of Trinity church Sunday evening. The church was packed to the doors. Special programs had been issued containing the history of the local church since the day it was organized in 1912. The church was dedicated Sept. 18 1912. The following statistics were given on the program:

"During the pastorate of Rev. J. Van Peursem the number of families has been increased from 65 to 155; the

number of baptized non-communicants from 142 to 365; the number of catechumens from 100 to 235; the enrollment in Sunday School from 315 to 615. 161 were received on confession, 169 by letter; 140 infants were baptized. The salary of the pastor has during these years been increased from \$1,000 to \$1,500.

"On June 9, 1913, the congregation decided to build a new parsonage at a cost of \$4,300. This parsonage was ready for occupancy in November of the same year.

"The church property has a value of \$23,900 of which \$11,000 has been paid, and \$7,000 is interest bearing debt.

"The church attendance has increased from about 200 to about 600.

"During the last six years the church has contributed for denominational objects \$3102.89; for other objects \$633.99 and for congregational objects \$31,473.89.

"\$155 was received from the Board of Domestic Missions as aid to the pastor's salary. In April, 1917, the church assumed self-support."

The scow James E. Davis, formerly owned by Flint & Smalley, has been bought by Kelley & Weed of Saugatuck and fitted out as a gravel scow. The Men's Adult Bible Class of the Third Reformed church was delightfully entertained on Friday evening at the home of H. Pelgrim, Sr., on west 12th street. About fifty men were present. The program was in charge of A. Vredenberg, president of the class, and included speeches, music, reading, and the singing of American. Refreshments were served.

The farmers' dance which the Mayor of Bird Center is going to pull off at his pavilion at Jensen Park Tuesday evening is creating considerable comment among the rural population. Saugatuck it is said will send a car filled with representatives of the hoe, and many from this vicinity will be on hand. A farmers' orchestra, having jazz band trimmings and also having some hoodoo selection in their repertoire, will be there "with bells on."

Mr. and Mrs. Fred Jackson again entertained in honor of another employee of the Star Auto Co., who leaves within a few days for Columbus, Ohio, to serve Uncle Sam. Both the office and the shop force joined in wishing Ed Nederveldt good luck and presented him with a beautiful fountain pen as a remembrance. Dinner was served at 6:30 after which Mr. Hanchett entertained the boys with some good music and Mr. Jackson passed the cigars.

The Ganges correspondent has the following items—Mr. and Mrs. Wm. Orr of Holland visited Saturday and Sunday in the home of C. P. Williamson—Leona Link of Holland visited her parents in Ganges over Sunday—Mr. and Mrs. George Kurz, and Mrs. Emma Trumble visited relatives in Holland over Sunday. They also attended the funeral of the Advent preach Mr. Reisman—Mr. and Mrs. Charles NeNcomb of Holland came down to Ganges, the latter part of the week to see his mother and look after his farm.

The Italian population of Holland quietly celebrated "Italy Day" Friday by subscribing liberally to the Red Cross. The Holland Italians are extremely patriotic. During the Liberty Loan drive the businessmen of that nationality voluntarily asked for a half page of advertising in which to advance the cause of the Third Liberty Loan. The newspaper men were surprised and pleased to see such a patriotic spirit. Several of the local sons of Italy and also of Greece have already joined the colors.

A farewell party was given in honor of Fred Heerspink who leaves to serve Uncle Sam soon, at the home of his parents Mr. and Mrs. John Heerspink in Graafschap. Refreshments were served and smokes were passed around, making it a very pleasant evening for all present. Mr. P. R. Coster took a flash light picture of the crowd which will serve as mementoes of the occasion. Those present were Mr. and Mrs. John Heerspink and family; Mr. and Mrs. Henry Bouwman and family; Mr. and Mrs. Fred Lemmen and family; Mr. and Mrs. Steven Meplink and family; Mr. and Mrs. George Heerspink and family; Mr. and Mrs. Henry Breuker and family; Mr. and Mrs. G. J. Heerspink Jr., and family; Mr. and Mrs. Ben Van Zanten; Mr. and Mrs. Stephen Oudemolen and family; Miss Johanna Jonkryk, Henry Slenk. The crowd left at a late hour for their different homes wishing Mr. Fred a safe return.

All of the northern county towns under the jurisdiction of the Grand Haven committee came thru in excellent manner in the recent K. C. drive. Some of the results were as follows: Grand Haven \$1550; Spring Lake, \$491; Berlin, \$525; Coopersville, \$301; Nunica, \$51; Dennison \$263. Holland in the southern district also made a fine showing in the campaign. Everybody down there got behind the project and it went through flying. The latest total for the entire county reached \$7700 which was above the quota set for Ottawa—Coopersville Observer.

Harold E. Veldman returned home Friday afternoon from Chicago where at the Aug. tano Hospital he submitted to an operation. As soon as he is strong enough he intends to enlist in some branch of Uncle Sam's service.

Other Holland men who were honored recently at the rural carriers' convention held at Grand Haven are Anthony Rosbach, who was made chairman of the Ottawa County Rural mail carriers association. G. Rutgers who was elected vice president, and J. Brinkman who was made secretary and Treasurer. This practically gives the entire organization to Holland. With Mr. Rosbach the state delegate and L. B. Tinkholt alternate delegate besides J. Brinkman as state treasurer of the organization, Holland certainly has received its share of honors, as far as the Rural mail carriers are concerned.

Ex-Sheriff Cornelius Andre of Georgetown was a Holland visitor Monday. A Berlin barber shop was painted yellow because the owner refused to donate to the Red Cross. No, not Berlin, Germany, but Berlin, Ottawa county. Patriotic colors and barber shops have been closely allied for a number of years, but in this vicinity from time to time, a strange hue is bound to creep in over night. Even the ever-silent barberman talks too much for his own well-being.

These are the closing days for 1918 at Akeley Hall at Grand Haven. The events connected with the closing of the well known school for the year are now being held each day, and the graduation ceremonies this morning marked the end of the school year. The supper and party for alumni will be held this evening at the school. Akeley will have many guests during the first three days of the present week, when parents of the graduating class and members of the school alumnae will gather. This college for girls at the county-seat is endowed by the Akeley estate. The Akeleys made their money in lumber around Grand Haven and when they moved away they left this monument in the form of a girls' college.

Mrs. Della S. Johns, 60, was seriously injured Saturday evening when an auto driven by E. M. Reese knocked her over on the brick pavement at Allegan while she was crossing the street in company with several other women. Mrs. St. Johns became confused and started across ahead of the auto. Her companions pulled her back, but she started ahead again. The driver also became confused and the woman walked into the path of the machine before he could stop it. Her skull and one hip were fractured, but it said at the hospital that she may recover.

The quaintness and charm of Dickens' writings stand out prominently in the beautiful little story of home—"The Cricket on the Hearth." The song of the cricket is to Mr. and Mrs. John Perrybingle a song of cheer and good luck. When disaster is about to wreck their happiness the cheerful chirp of the cricket stays the hand about to do violence. The "A" class of Hope College will present this classic Friday night May 31st in Carnegie Gym. The curtain will rise at 8 o'clock. Costumes and stage setting will be in keeping as much as possible with the time in which Dickens wrote.

TOTAL TAX RATE HIGHER THIS YEAR

City Assessor C. W. Nibbelink has made out the tax rolls for the mid-summer collection of taxes and it is found that the tax rate will be higher this year than last year. The increase in the rate of this year over last year in city taxes will be 16 cents per \$1,000 valuation, while the increase in school taxes for 1918 over 1917 per \$1,000 valuation will be \$1.30. This makes a total increase for city and school taxes of \$1.46 per \$1,000 valuation.

The taxes will be collected from the first Monday in July until the fifteenth of August. The city taxes would have been lower this year than last year had it not been for the fact that the sum of \$5,675 has been eliminated from the city's resources by the going out of the saloons; that sum would have been collected in saloon licenses. A second reason for the increase is the fact that \$2,000 was spent on the fire truck. These two items have served to make the rate a little higher than last year. The school taxes, are higher in accordance with the increase of the cost of living. Wages of teachers and expenses in general have increased rapidly during the past year making a higher school tax imperative.

The total of the city tax this year is \$100,946.04 and the rate per \$1,000 valuation is \$8.34; last year the total city tax was \$98,398.00 and the rate \$8.18; increase for 1918 in city tax rate 16 cents per \$1,000.

The total school tax this year is \$71,000 as over against \$55,000 last year. The rate is \$5.87 as over against \$4.57 last year, an increase in the rate of \$1.30.

The total rate this year is \$14.21 per \$1,000 valuation as over against \$12.75 in 1917, or a total increase of \$1.46 per \$1,000 valuation.

11 MORE VOLUNTEERS LEAVE WEDNESDAY

That the enlistment spirit has not by any means died out in Holland is shown by the fact that since May 14 a total of sixteen men have enlisted in the services from this city. Five of this number have already left. They went away to Columbus on May 14, their names being Henry J. Poppen, George Riemsmma, Cornelius Kiofarsen, Oral Shafer and Stanley Blizart.

Eleven more of the sixteen will leave Holland this morning, also for Columbus. They will meet at 7:45 sharp at the interurban station and will go via interurban to Grand Rapids from which place they will begin their trip to Columbus. Four others were to be examined this afternoon and if they pass they will go to Columbus later.

The eleven that left this morning H. J. Poppen, George Riemsmma, erfeld, Chester Westveer, Raymond Lemmen, Lawrence Brower, Russell Zalsman, Lewis Jacobs, Delbert Kinney, Elwood Geegh, Albert Timmer and Kryn Kalkman.

HOLLAND TO HAVE NEW OPTICIAN

John Pieper, one of the draft men who will leave Holland Wednesday with the contingent of ninety-three men, will leave his optical business here to go and fight the Kaiser. Mr. Pieper has secured in his place Mr. Fred Seymn of Grand Rapids, who will take charge of his work during Pieper's absence. Mr. Seymn is an optician of ten years experience and Mr.

patrons to patronize him during the months to come assuring them that they will be given the same courteous treatment that the have always received at this place. Mr. Pieper also wishes to thank all those for past business.

WILL CLASH WITH STRONG G. R. TEAM

The Holland Independents will clash with the Billmores of Grand Rapids in the opening game of the season Saturday on the College campus. A very close and exciting game is expected as the Billmores are the best team in the neighboring city, including former Central League and Southern Michigan leagues. This aggregation takes on the Camp Custer team at Grand Rapids Memorial Day which goes to prove what class they belong to.

The Independents are practicing faithfully every night and will be in first class condition. Arrangements are under way to have a real season opening. A parade is being planned to start from the City Hall with both the teams marching behind a brass band and Con De Pree will pitch the first ball. Holland fans will again awaken to the fact that days of real sport will again be here. Watch the papers later in the week for the full line-up of both teams.

"A" CLASS TO GIVE RED CROSS BENEFIT

The stories of Dickens are wide in their appeal for he wrote not only of the "classes" but of the "masses" as well. His character sketches are so clearly and finely drawn that we cannot forget the different types of people to whom he introduces, us in his offerings.

In "The Cricket on the Hearth" we meet John Perrybingle, the simple, honest "carrier" or "carter", Dot Perrybingle, his pretty wife, Caleb Plummer who lives a life of complete devotion to his blind daughter, Bertha, Tilly Slowboy, the funny little maid of all work, who adores the Perrybingles; especially John Perrybingle, Jr.; Tackleton, the fruff, cruel master of Oaleb, and keeper of the toy hop. Nor can we forget Mrs. Fielding, who altho in very straitened circumstances, impresses upon us what "might have been" in the way of her possession of wealth if Mr. Fielding had followed her advice in business matters.

"The A" class of Hope College will present on Friday evening, May 31, "The Cricket on the Hearth." The curtain will rise at 8 o'clock. Tickets are on sale at Huizenga's. No reserved seats.

PASS RESOLUTION FOR THE LATE DR. KOLYN

It is with sincere sorrow that we record the death of the Secretary of the District Committee of the Board of Foreign Missions, R. C. A., the Reverend Matthew Kolyn, D. D., which occurred with startling suddenness on Monday, May 13th.

As a cultured gentleman, a warm Christian friend, an able and instructive preacher of the gospel of the blessed God, a conscientious and scholarly teacher of young men in training for the ministry, and a facile and versatile writer for the religious press his memory will be long and tenderly revered.

Our monthly meetings for the consideration of matters of missionary interest, his sunny nature, his wise counsel and his unfeigned love for the kingdom of Jesus Christ made his presence endeared, and we sorrow most that we shall see his face no more among us.

While we extend most cordial sympathy to his bereaved family, we place upon our minutes this appraisal of his, princely virtues and fruitful life.

AME VENNEMA,
CORNELIUS DOSKER,
Committee.

Holland, Mich., May 27, 1918.

TOMATO PLANTS NET RED CROSS \$18.08

The sale of tomato plants netted \$18.08 for the Red Cross. Monday the Red Cross box on the premises of Hallet & Son was opened in the presence of Red Cross solicitors and that sum was found to have been secured. Hallet & Son raised tomato plants for sale on their lot and people who purchased the plants were required to deposit the money in the Red Cross box. All money made in this way was a donation to the cause.

WEST DRENTHE PEOPLE PATRIOTIC

The people in Drenthe and in that general vicinity have again shown themselves one hundred per cent patriots by coming across with money for the Red Cross. During the Third Liberty loan the Drenthe people made a name for themselves, in this district, and Monday a representative from West Drenthe came to Holland with \$116.50 which he turned over to the Red Cross committee.

This money was made at a school benefit entertainment. The entertainment was held out of doors in the school yard but not a single person remained outside of the fence where it could also have been witnessed. All came in and paid their admissions. The school is located about six miles east of Holland on the Sixteenth street road and the teacher is Gerrit Boeve.

SUPERINTENDENT VAN WPELDEN AT MACATAWA WANTS MORE CUTTER MEN

A call to enlist more men for the U. S. Coast guard cutter service for sea duty, has been received by Capt. Van Weelden, U. S. Coast Guard at Holland Harbor.

Ordinary seaman or coal heavers from this district are wanted and an especial effort is being made to enlist them as rapidly as possible.

This call opens a chance for: Holland young men who have been looking for a chance to serve their country, and who prefer life on the sea to that in the army. The service is under the jurisdiction of the navy and cutter service is full of thrills and excitement. Several of the Holland men, who responded to the previous call in this branch are already at sea and some of them are in European waters.

The cutter service offers a number of attractions to young men. They may enlist for a year if they wish and the chances of advancement are said to be excellent. Preliminary training is received at schools maintained especially for cutter men. Enlistments may be made at the Coast Guard station with Captain Van Weelden.

TELLS ABOUT NOSE AND THROAT Deafness Is Bad Business

(Dr. J. W. Shanks, nose and throat specialist, New Peck Bldg., 85 Monroe Avenue Grand Rapids, Michigan, has prepared a series of educational articles on adenoids, tonsils, catarrh, and deafness, extracts of which will appear in this column from time to time. NO FORMAL ANNOUNCEMENT FOR DECORATION DAY

The Memorial day committee on invitations and programs hereby wishes to state that no written invitations have been issued this year, as has been the custom and there will not be, for the reason that an invitation extended by the committee on a day such as memorial day stands for, seem superfluous. It is a day that belongs to every American citizen. It is a day when all true-blooded Americans should stand attention and feel it their duty to aid and participate in the solemn exercises and deliberations planned, thus honoring those boys in blue who were instrumental in preserving our glorious nation from disorganization, decay and slavery.

Today our young men from the south are fighting shoulder to shoulder, with our boys from the north. The boys from Dixie are fighting for the same principles that their brave but misguided fathers fought against in '61.

Citizens of Holland need not be invited to do their duty. They need not be told to honor the men who made it possible for the sons of the blue and the sons of the gray to march side by side, to fight shoulder to shoulder, in one common cause in order that right, freedom, christianity and liberty may be preserved for ever on this earth.

They know that just as the northern soldier severed the shackles of the black slave in the south in '61, our boys from a united nation are today given the tremendous task of emancipating the world from Prussian tyranny, Prussian greed and Prussian slavery.

The committee feels that all Holland citizens realize their duty and need no special invitation to honor those heroes who gave their lives that we might share the fruits of their sacrifices and in order that we might live in a free, united, glorious country.

Citizens of Holland! Stand attention!

Letter from Soldier

Letter from Aaron Smith, Soldier

Fort Hancock, May 19, 1918

Dear Uncle and Aunt:

It is Sunday forenoon and I thought I would drop a few lines advising you that I have received the package of papers and wish to thank you for the kindness.

I never felt better in all my life. Can't complain about anything around here. The army life is a good life for all the young men. Even men who were bums and loafers and booze fighters, are straightened out. They just realize what human life is and it makes men out of them. But it is very hard for them at first without their liquor and having to do things here that they have never dreamed of doing before. There is no such a thing as can't in the army. It just is "do it and be done with it."

None of the boys are use to that, but they will here. Well as far as I have gone, I have not had any trouble yet. If anybody does the right thing with Uncle Sam, he will do the same with him. Some of them will say that the army life is no life, but the ones who say that are no men of the U. S. A. As I have found out many different things since I have been in the service. I have always been treated fine and cannot complain about anything. And now for the grub, what they serve us. It is good enough for anyone, always a plenty of everything. We get lots of meat and butter and good bread, all white bread, too. They have their own bakery here. Then we get a lot of canned goods such as peaches, pears, pineapples and dried fruits. The U. S. A. feeds their men fine. And we should be thankful for that. The circumstances here are nothing to what the President has to contend with. And we have him to thank for what he has done for us. He has done his part fine for a long time and I think we should do ours, every one of us—for our country and for the old Red, White and Blue—as we do not want our flag to be trampled upon and used for a football.

Well Uncle, and all, it is time for dinner, and as I do not know if this will interest you or not, I will close knowing I have done the best I could.

Letter from Ned Lacey in Italy

Camp d'Airazione Sud.

Dear old "Tony."

I was more than glad to hear from you and as I have found by experience that letters left unanswered a day or so are neglected indefinitely, I will just drop a few lines while the iron is hot.

Sometimes I think I should like to bring a story uptodate and have it mimeographed to send occasionally to the friends at home. This grim business has been a wonderful experience and we have not enjoyed a dull minute since we left Princeton Ground school. We have spent considerable time in England, France and now Italy, lived in all conditions from the height of luxury to abject poverty. It has been more than interesting and even tho we get an awful bump now and then it's a wonderful business this.

The nations of the world now engaged in this international hell prided themselves on the advances they had made in every walk of life. Civilization is what we are pleased to call it. Scientists were working over time, we enjoyed more real advantages than any people had ever enjoyed before us, literature and art were flourishing—truly we were living in an enlightened age. Now the brains of science have turned and concentrated on this very unpleasant business of turning useful and generally peace-loving individuals into shapeless masses of native clay. Quite a success, too, has been theirs, over here

we see the affect of it. But that good old country of ours has never been forced to take the rear seat in anything she really sets out to do so I have few fears for the future. One really does not appreciate the titanic proportions of this war until they look at it from this side. At Ground School I began to feel that I was being let in on the inside of many things, I was, to myself, quite wise on this war business. Since, I have found I had not even gone thru the Kindergarten.

Yes, we are in sunny Italy. At least it sounds nice to write and think it to say the least. Our winter here has not been unlike late fall at home. In the absence of coal, furnaces and many other incidentals useful in a modern home we have had some real sorry days. But the army is the army. Since packages have begun to make their appearance it isn't half so bad as it used to be. We at least get a package of American tobacco, occasionally—after friend censor gets his!!! To one who has never enjoyed the pleasures of European tobacco he fails sadly in his appreciation of the good old American product.

Italy is a great country, beautiful, picturesque and poverty-stricken. We are in the south and here we find the true "Wop". He lives as we find him in the rear of a fruit stand at home, in a mess of dirt and general filth. Fogia boasts of some 80,000 people yet the city is spread over but little more space than Holland. It is a quaint old place and was considered quite a city centuries ago before an earthquake destroyed it.

The women are indeed beautiful particularly in the north where they are not unlike our own. In fact there are many cities in Northern Italy that one could live in and enjoy himself. We spent several days at Torino and I think I enjoyed it more than Paris and its gay white way.

Our treatment has of necessity been of the best. A man can't fly and exist on anything but good treatment. It only takes a couple of days on a flying field to bring you to the realization that you have nerves. Our Italian instructors and mechanics were of the best and it was not long before we learned to reverence them.

Although many of the fellows who left Ground School weeks after we came abroad have finished their work and have been commissioned we consider ourselves fortunate to say the least. The personal equation is the measure of one's existence in aviation. They have gained a commission and certain training. Here the school requires twice as much as is required in America. More than that we are held to it. I would like my commission but I would not part with my training for anything for it is the best given at any school in the world. For instance we work from 4,000 feet up to 15,000 instead of the maximum of 4,000 required in the States.

It is wonderful work and you could not drag me out of this branch of the service. We get an awful fright occasionally—I admit it frankly—but it seems to hold one like strong drink. So far I have been very fortunate and as I have only 10 more days of flying to get my second brevet. I am going to sit tight and look out for it is considered quite an honor to get through with no broken wood to your credit.

Well Anthony this is quite a letter. I trust that this finds everything going well and I wish to thank you for your thoughtfulness, at least, in writing for there is nothing like a letter from over here.

Best wishes and luck,

Sincerely yours,

NED LACEY,

Amer. Exp. Forces,

U. S. Air Service,

Dear Folks:

Well to start with I have been busy these last few days that I hardly knew where to turn next. We have been out on the pistol range every day except Friday afternoon and Saturday. That is certainly great sport, we have to practice slow fire from 15 to 25 yards and then rapid fire from 15 to 25 yards, and now later we will get the moving targets. It is all so interesting that I wish you folks might see it. Al and Van Lierop are still out to the artillery range doing good work as far as I hear. I hope that they get thru soon as it seems very lonesome without having Al run in and having a chat with me and Van Lierop chasing around somewhere, but guess that it won't be long, as they have started their battery practice, a couple of weeks and they will be thru and then there are four other batteries to go out for a couple of months. And then I am so busy that I really haven't much time to see them even if those fellows were here as we are on the go day after day and hour after hour.

Last Thursday we were out at the range all day and Friday morning all morning we pegged away at the target in the boiling hot sun, but such is the life, they can't hurt me that way—they will have to find a different method than work, etc., to put me out of commission. Friday noon when we

came back for dinner, there were orders awaiting us to report to division headquarters and we had to play with three other bands for exercises for Liberty day. Gee, but we made some music—just think of 115 fellows playing together, it sounded great—13 trombones, and maybe you think that we didn't slip across with the music, well I rather think that we did. I am going to buy one of the pictures which were taken of us, costs \$1 but it is worth it to me as it is nice to keep. It is one of those panoramic views.

Friday after we were thru at those exercises we had to go to division headquarters again and from there we were taken in machines to a town 40 miles distant, by the name of Mart, and we played there in the interests of the Liberty Loan, and had some time. After we had finished with the campaign we raised the honor flag at that town—and had a little excitement out of that. After the flag had been raised and we had played 'Star Spangled Banner', then one of our batteries that was there for the occasion with one of their cannon fired the gun 12

without stopping and talk about your noise—well I guess so, I was standing about 5 feet behind the thing as she went off and the people sure did jump, as you know those guns make quite noise and give quite a jar. Every shot that was fired about six windows in the stores would crack and fall to the walk and when it was over there were few plate-glass windows left in the stores within the surrounding block. We came back to Waco about 8 o'clock and had supper in the hotel and as we were eating supper orders came in for us to be at the depot the next morning at 6:45 to go another trip. So Saturday I rolled out at 5 A. M., rolled over to breakfast and rolled back as I was too sleepy to walk at least I think that I was, I don't remember as I was so sleepy. At 6:45 in the morning we were seated in the train patiently waiting for the engine to get busy and take us to our destination, which we found was Mt. Calm, a town about 40 miles from here.

We arrived at Mt. Calm about 8 a. m. and autos were waiting for us to take us out to breakfast. Of course we didn't tell them that we had had breakfast as we were all perfectly willing to eat again. After breakfast they took us for an auto ride thru the country for a couple of hours and at 11 A. M. we started playing a concert. At 12:30 we had dinner out to the different peoples' homes, and were then taken down again at 1:30 when we then started the regular exercises for the wind-up of the Liberty Loan campaign. At 6 we had supper and took the train back at 8 P. M., we played a short concert just before train time as the people wanted it so badly and they had treated us so fine that we simply could not refuse. The people were just wonderful to us I never struck such a patriotic and sociable town before that I know of. They had six machines standing in front of a garage all day long especially for our use any time we felt like it; we could take one of them and go out for a ride—and believe me we were joyriding almost every spare minute that we had. And I tried so hard to spend some money in that town but found it impossible as the business men had received orders that they should let us have whatever we wanted and that the town would square up with them later, so I ate ice-cream, candy and drank soft drinks all day long and could not get rid of a single nickel. I thought that possibly I might be able to spend 15c for a shave but the barber told me when he was thru that it was all taken care of. We fellows bought gum and everything we could imagine just to see if there was a possible chance of spending 5 or 10 cents but we gave up after awhile and said it was impossible. Then just before we got on the train that evening a man came up and handed "Chief" a bunch of bills and told us to get a good feed when we got to Waco, we tried to refuse as they had treated us so well, but they would not listen so we had a big feed when we got back. Those people want us back when they raise their honor flag and I surely hope that we go and not some other band. I was so tired that I slept all morning and this morning and this afternoon I am spending in writing letters as I have fallen behind as I have been so busy.

Tonight I go to play at a church for the services, I think that I will play there every Sunday as they want us to and it is pleasant playing in small orchestras like that, and at the same time I am attending church. They always come out after us in machines, about six of us usually go.

It is starting to thunder outside so I guess that we are due for a heavy Texas rain, so that means some rain. The last few days have been so nice altho quite warm but I am getting used to the warm weather so that does not bother me any more. I suppose that when I get back to Michigan I will freeze most of the time until I get used to it again.

No we do not go away after the

troops come back as you see we have nothing to do with the cannon, all we have is our pistol and that range is only a couple of miles, which we walk easily of course. I am going out to the artillery range as soon as I get an afternoon off as I think that I will enjoy it so much. You know the whole range is arranged just like a real battle field, up in the front lines the trenches are empty as those are supposed to be the enemy, and then come the first line trenches of our army, in there the infantry regiments are stationed. The infantry occupies all the trenches as you know and a certain distance back of them the infantry and light artillery is stationed (that's what we are) and then a certain distance back of the light is the heavy artillery, and the cavalry takes the flanks; that's regular fighting style. You see the light artillery shoots over the infantry and the heavy over the whole business and they all shoot at the same enemy trenches—some racket you can only imagine. Well folks I must go to supper and then must get ready for playing tonight at church, hundreds of hugs and kisses for you all, from your loving soldier son and brother,

Musician Harold J. Karsten,

DRENTHE

Henry Redder was home from Camp Custer over Sunday.

Dick R. Hunderman left for Camp Custer Wednesday to train for military service.

Rinke De Vries attended the memorial services at the First Reformed church in Holland the past Sunday.

Decorations Day was observed in our church with morning services.

Dick R. Hunderman spent the past Monday with relatives in Grand Rapids.

Miss Jennie Hunderman from Grand Rapids Sundayed with relatives here.

Misses Minnie and Clara Nykamp spent Saturday in Holland.

Jenning Lanning who has been very ill with pneumonia has completely recovered and was seen in our midst again Sunday.

Albert G. Brouwer is now having small pox, while his sister Jennie who was afflicted with the same malady is improving.

Members of our cantata are practicing every Wednesday evening for giving another entertainment. They have also purchased a piano, altho all the young people of this community have donated toward it. Now it has been published that this instrument is for the benefit of church and chapel only, and not for public entertainments.

After receiving three weeks of military training at Camp Custer, John C. Ver, Hulst returned home last week, being discharged on account of heart trouble.

Mr. and Mrs. J. Brower from Oakland spent Tuesday evening with Dr. and Mrs. A. J. Brouwer.

A surprise party was given for Albert H. Lanning by his relatives last Monday evening in honor of his birthday anniversary. Those present were Mr. and Mrs. H. A. Lanning, Mr. and Mrs. D. Nagelkerk and Miss Mary Nagelkerk.

NEWBERRY for United States Senator

Truman H. Newberry is a candidate for United States Senator. He is an American in real earnest. His service in the Spanish-American War, his record as Secretary of the Navy under President Roosevelt, and his present work as a commander

Truman H. Newberry

in the Third Naval District, which includes the port of New York and the Brooklyn navy yard, mark him as a FIGHTER and DOER, capable and courageous.

Michigan born, November 5, 1864, Michigan reared and devoted to all of Michigan's interests, with his record of service, and his active, positive loyalty to state and country, it is especially fitting that Truman Newberry be chosen to represent Michigan in the Senate of the United States.

When twelve years old, he was color-bearer in a Michigan Cadet organization which won fame at Philadelphia. He helped organize the Michigan Naval Brigade in 1895, enlisting as a private and serving as an able seaman on the training ship "Yantic." He was an ensign in the Spanish-American War on the "Yosemite." As a commander, in the Third Naval District he will

continue to serve his country, standing for and by the government for the full prosecution of the war and leaving his campaign for Senator entirely in the hands of his friends. His two sons are enlisted in their country's service, too, one as a major in the army, the other as an ensign in the navy.

Truman Newberry is a worker. After he left college, he took hard knocks working with a construction gang on the old Detroit, Bay City & Alpena Railroad. He also sailed the Lakes and earned for himself a license as first-class pilot. HE IS A MAN'S MAN.

As Secretary of the Navy under President Roosevelt, he is credited with putting the navy in a state of preparedness, which has had much to do with its present efficiency.

"Fighting Bob" Evans said of him—"Truman H. Newberry is the greatest Secretary of the Navy the nation has ever had."

His ability and experience make him an ideal candidate for United States Senator.

CHIROPRACTIC

FACTS THAT YOU SHOULD KNOW

Some citizen asks me, "Did you ever cure tonsillitis?" I do not and never did like that word CURE. If I were to answer on the impulse of the moment, I would say, "NO!" The word CURE means HEAL, to MAKE WELL. NO LIVING PERSON POSSESSES THE POWER TO HEAL ANOTHER, but each one of us has this Healing Power WITHIN OURSELVES for the healing or reparation of our own body.

YOU CAN'T CURE ME - - I CAN'T CURE YOU

You can however cure your self providing this body power is not interfered with. IF YOU ARE DISEASED, THERE ARE NINETY-FIVE CHANCES OUT OF A HUNDRED THAT THERE IS INTERFERENCE. Now you come to the Chiropractor. YOU HAVE TONSILLITIS. I KNOW OF A SPECIFIC PLACE WHERE I WILL FIND NERVES PINCHED. YOU HAVE APPENDICITIS. I know of another specific place. BOTH CASES HAVE PINCHED NERVES. Nothing changes except location. No doctor knows the function of the Tonsils; therefore he should not be permitted to remove them. Is it not much better to keep these much abused little organs healthy than to deprive your body of something that an ALL-WISE CREATOR KNEW ESSENTIAL TO YOUR NEEDS.

I can't make the sun shine but I CAN RAISE THE SHADE and LET THE SUNLIGHT INTO THAT DARKENED ROOM.

I can't MAKE Healing Force, but I CAN ADJUST SUBLUXATED (displaced) VERTEBRAE, and LET IT IN THOSE DISEASED TONSILS.

Great in its simplicity! Simple in its greatness!

"The senseless, ruthless destruction of the Tonsils is becoming each day a greater menace to the public good."—John McKenzie, M. D., John Hopkins University.

**GIVE \$100 FOR THIS CAUSE; HELP
ALONG OTHER
PROJECTS**

The Senior class of Holland high school has donated one hundred dollars to the Red Cross. The class recently gave a patriotic benefit holding two performances which netted them \$400. Of this sum \$150 was invested in Liberty bonds, \$100 went to the Red Cross and the balance, minus a small sum necessary for expenses, went to the Y. M. C. A. and the K. of C. The money invested in Liberty bonds will be for a class memorial to be purchased in later years when the Liberty bonds can be legitimately sold.

Mrs. Elizabeth R. Vorhees has made another donation of \$2,500 to be added to the endowment fund of Hope College. Mrs. Vorhees is the widow of the late Ralph Vorhees and she and her husband some years ago gave to Hope College Vorhees Hall.

This is the second time that Mrs. Vorhees has added \$2,500 to the endowment fund of the college, the other donation having been made two years ago.

"MR. BOB" SCORES A HIT FRIDAY NIGHT

The Hope College Dramatic Club scored a decided hit in the two-act comedy "Mr. Bob" which was given in Carnegie Gymnasium Friday evening. This was the first appearance of the organization before a Holland audience the play being given as a Red Cross benefit. A considerable sum was realized.

Perhaps the most remarkable acting of the evening was that of Miss Mary Geogh, of Sioux Falls, South Dakota, who played the difficult role of Rebecca Luke, a maiden lady who has bestowed her affections on stray cats. Milton Van Dyke of this city as "the goat", a certain Robert Brown, who is mistaken for several different personages, also proved himself an adept along his-trionic lines.

Miss Margaret Thomasa of Grand Rapids and Clarence R. Heemstra of Chicago who played the parts of servants in love with dramatics but decidedly averse to creatures of the feline variety, kept the audience in a continual uproar of laughter.

Toward the close of the first act Mr. Heemstra added a realistic touch to the performance and incidentally proved to his affinity, lack of terpsichorean ability by unintentionally coming in contact with the footlights, several of which were sent whirling from the platform. The rare presence of mind of the embryo stars saved both themselves and the audience from what might have proved a situation, embarrassing to say the least.

Much credit is due Peter G. Baker of Passaic, N. J., who stepped into one of the leading roles of the drama at the eleventh hour, taking the place of Clarence Poppen of Holland, who for some unknown reason dropped out of the play. Mr. Baker took to his role like a veteran and came thru the entire performance without a hitch. Miss Harriet Baker as Katherine Roger and Miss Helen Bell as "Mr. Bob," both of Grand Haven, ably supported the other members of the cast, each making a fine impression upon the audience.

MELIPHONE SOCIETY GIVES ITS ANNUAL PUBLIC PROGRAM WEDNESDAY NIGHT

The sixty-first annual program of the Meliphone Society of the Preparatory Department of Hope College, which was given in Carnegie Gymnasium Wednesday evening, drew an audience which packed the large auditorium from gallery to pit. It is estimated that no less than twelve hundred persons were present.

The hall was beautifully decorated in the national colors, and in burnt orange and black, the colors of the society. On the platform were displayed the society banner and the society service flag, the latter containing four stars which eloquently testified to the devotion of the society's members to the nation's cause. Private Ernest VandenBosch, of the American Expeditionary Forces, Sergeant John Kobes and Private Herman Ter Borg of Camp Custer, and Private Cornelius Standard of Eagle Pass, Texas, are the Meliphonians already in the service.

The program was one of the finest ever given by the society. After the invocation by the Rev. John Van Peursem of Trinity church, Winfield B. Burggraaf, president of the organization delivered a short address of welcome. Anthony Z. Meengs read the famous selection, "The Heart of Old Hickory," in a very effective manner, after which the Meliphone Quartet, an organization composed of Messrs. Burggraaf, Bloemendal, Flipse, and Muller, rendered a number of musical selections.

The third number on the program was a humorous reading by C. Ivan Flipse entitled "A Study in Nerves." Willard Bloemendal entertained the audience with a violin solo after which the budget was read by Stanley Bolks.

The second part of the program was a play entitled "The Turn in the Road." In this serio-comedy many amusing situations developed which time and again broke down the house. Rendert H. Muller as Hiram Skinner and Theodore Cook as Thomas Toddlers were especially successful in tickling the risibilities of the crowd. Anthony G. Meengs who essayed the leading role, and Frank A. Huff, who played the difficult part of a typical college dude, also proved themselves actors of no mean ability. The more serious roles were taken by Winfield B. Burggraaf, Louis Watermuller and Henry Tyssie, all of whom were very effective. Henry Luidens and Elwood Geegh as Campbell Edwards and Edward Campbell respectively ably assisted their associates.

Much credit for the success of the program is due to Peter G. Baker of the Junior class who acted as coach of the embryo histrionic artists.

TO HOLD RAVEN CONTEST ON WEDNESDAY NIGHT

The Raven Oratorical Contest will take place in Winants Chapel, Hope College at 8 P. M. this evening, May 29. The following students will participate in the order named: James J. Buurggraaf, Hudsonville; Douwe Wiersma, Orange City, Iowa; Carl J. M. L. Schroeder, Ringle, Wis.; Roscoe M. Giles, Skaneateles, New York; John Kemper, Sioux Center, Iowa.

IS SURPRISED BY THE FACULTY MEMBERS

Dr. Ame Vennema, president of Hope College, was pleasantly and completely surprised by the members of the faculty and the wives of those who have them Saturday evening, the occasion being Dr. Vennema's sixty-first birthday anniversary. They brought Dr. Vennema hearty felicitations and good wishes.

FIFTY FOUR HOLLAND FIRMS ARE CREDITORS

In a partially completed list of the creditors filed in the bankruptcy matter of the Vereeke & Siersma hardware firm located in the Vander Veen building corner of River and 8th street it is shown that fifty-four Holland business men hold claims against said firm. Besides these Holland firms Zeeland business houses also come in for a liberal share.

The list shows that there are very few preferred or secured creditors. It also shows that a lady by the name of Mrs. Gertrude Vereeke, Zeeland, lay claim to the sum of \$3,956.79 and Arend P. Siersma and Ida Siersma have a claim for \$1,000 listed. Of the other large amounts held against the firm and which are secured are those of J. A. Vander Veen, \$1,250 and Peoples State Bank, \$1,000. The amount of \$1,400 is claimed by S. Vanden Berg of Holland; this amount however is unsecured. Both partners ask that their homes be exempted jointly, amounting to nearly \$5,000. The law provides for this exemption. The Vereeke-Siersma Hardware Company was organized about a year ago.

The condition of the firm at the time of the failure and the list of creditors follow:

Michigan Tradesman—Arend P. Siersma and David Vereeke, doing business under the firm name and style of the Vereeke-Siersma Hardware Co., of Holland, filed a voluntary petition in bankruptcy. Adjudication was made May 2 and the matter referred to Mr. Corwin. Mr. Corwin has been appointed receiver and Dick Boter of Holland, has been appointed custodian and is in charge of the assets. Appraisers have been appointed and an inventory and appraisal is now being taken. The first meeting has been called for May 16 at which time creditors may appear, prove their claims, elect a trustee and transact such other business as may properly come before the meeting. The schedules show firm liabilities amounting to \$18,713.08, and the firm assets to amount to \$19,691.53, of which \$500 is claimed as exempt to the bankrupts. The individual schedules of David Vereeke show liabilities amounting to \$2,263.34, and assets amounting to \$3,202.50; which includes real estate amounting to \$2,400 and of which \$2,000 is claimed as exempt to the bankrupt. The individual schedules of Arend P. Siersma show liabilities amounting to \$2,774.26 and assets amounting to \$2,075, all of which is claimed as exempt, a it consists of a homestead. JURY HANGS IN MOVIE CASE IN JUSTICE COURT

After being out over four hours the jury which was drawn to hear the case against the Sunday moving picture programs in the Grand Haven theaters, failed to reach a decision in the case and was discharged at about ten o'clock by Justice Dickinson, when he was convinced that nothing could be gained by holding them longer.

According to the reports of the jurors after their discharge, the vote stood five to one in favor of the movies. One man held out from the beginning and refused to change his vote, claiming that the theaters should be held under the state law of 1848, forbidding Sunday amusements.

Because of the fact that Deputy Sheriff Peterson had greatest difficulty in rounding up six men in Grand Haven to try the case, the hearing in Justice Dickinson's court did not get fairly started until about 4 o'clock in the afternoon. Both Daniel F. Pageison and Walter I. Lillie acted for the moving picture theater managements while Fred T. Miles prosecuting attorney represented the state.

The officer found it practically impossible to find material for a jury in Grand Haven. When the available material seemed exhausted in Grand Haven Deputy Peterson was sent over to Spring Lake to find jurors, and he found the same trouble there. When the jury was finally accepted it contained three Grand Haven men, two from Spring Lake and one from Ferrysburg.

The jury as completed was composed as follows: Ray Lyons, Grand Haven; Henry Bottje, Grand Haven, Wm. Jones, Ferrysburg; Ellis Wood, Grand Haven, George Schwab, Spring Lake, foreman; and Henry De Vries, Spring Lake.

The case was specifically against M. Christiansen, manager of the Robin-hood theater but the matter applied in fact to both houses as far as the Sunday moving picture program are concerned. Suit is brought for the collection of the \$10 penalty provided by the statutes, under the claim of the prosecution that moving pictures are classed as Sunday amusements.

It is expected that Prosecutor Miles will make plans for retrial of the case although the majority stood against the state's side of case.

HOLLAND TO HAVE BALL TEAM AGAIN

Holland will again be represented with a fast Independent base ball team. Con De Pree who gave Holland the fastest team in its history has consented to all the uniforms of the DePree Chemical Co. to be used and will be back of the boys in every respect. The team has been strongly organized with Doc Waltz the financial manager, Spriggs Te Roller to arrange a schedule and Babe Wolding has been chosen to act as captain.

Games will be played every Saturday and holiday on the Hope College campus, providing the management is successful in securing the campus. Negotiations are now under way to bring a fast Grand Rapids team here to open the season next Saturday June 1 and such teams as Muskegon Independents, Colored Athletes of Grand Rapids, Gr. Haven, Kalamazoo and Camp Custer will appear later in the season.

Holland's sporting blood will be sure to rise again and give the team a good financial support. Although the war is attracting most of our attention and taking most of the young men it must be remembered that the few that stay at home need recreation and entertainment as well. There will be no game Memorial day but the following Saturday in all probability will be the opening of the season.

HOPE IS THE WINNER IN RELAY RACE

Hope College won the ninth annual Holland-Grand Rapids relay race over the Grand Rapids Y. M. C. A. Saturday afternoon, Manager John Dalenberg, finishing in the Furniture City fully three minutes before Captain M. Van Der Visse of the rival organization. The time of the race, which covered 31.4 miles was three hours, ten minutes, and 51 seconds. The record was made by Hope in 1913 when the team finished in three hours, one minute, and 28 seconds.

The star athlete of the day was Elmer H. Lubbers of Cedar Grove, Wisconsin, a member of the Sophomore class, who ran the first lap for Hope. At the crack of the pistol Lubbers leaped from the mark at Nick Dykema's store and ran like a deer to Scholten's bridge, a distance of 2.9 miles, leaving his opponent, far in the rear. When he breast the tape it was found that he had made his distance in 15 minutes flat, a record for the nine years which bids fair never to be equalled. Lubbers is the man who won all the dashes in the recent inter-class field meet, scoring more points than any other athlete participating in the event.

In the second lap Selzer of Grand Rapids managed to best Ihrman of Hope by 24 seconds, while in the third Furness wiped out Hope's lead entirely, finishing at the same time with Pyl of Hope. The fourth lap proved the most exciting of the entire race. Kalmback of Grand Rapids and Tanis of Hope being the contenders for the lead. After a neck-and-neck race of nearly two miles Kalmback suddenly lapsed into a walk, enabling Tanis to make a substantial gain for Hope.

The fifth lap was run by Minar of Grand Rapids and Pieter Vos of Hope, a genuine Hollander who came to America some time ago. At the eleventh hour Vos was substituted for Huntley, who was prevented from running by an attack of bronchitis. Although a green man, the doughty Dutchman ran one of the pluckiest races of the afternoon. He was relieved by Plikkema who easily maintained the lead over Smith.

Stegeman of Hope and Miedema of Grand Rapids next opposed each other. Stegeman finishing at Andre's Crossing with an increased lead for Hope. Kempers, the next Hope runner, duplicated Stegeman's feat, defeating Renwick by one minute and thirteen seconds. As a result, Hope was nearly one mile in the lead when Baker took up the race against Brusse of Grand Rapids, one of the best runners ever developed in the Valley City. Brusse gained two full minutes on the Hope man, but this was not sufficient to enable Capt. Van Der Visse to overtake Dalenberg, who ran the last lap for Hope. Vander Visse however, decreased Hope's lead by an additional two minutes making the finish an interesting one.

The time made by the runners follows:

Grand Rapids—Shim, 19:14; Selzer, 18:13; Furness, 18; Kalmback, 22:14; Minar, 18:50; Smith, 18:27; Miedema, 21:05; Renwick, 20:07; Brusse, 17:27; Van Der Visse, 16:35.

Hope—Lubbers, 15; Ihrman, 18:37; Pyl, 21:50; Tanis, 20:23; Vos, 19:04; Plikkema, 18:35; Stegeman, 19:59; Kempers, 18:54; Baker, 19:38; Dalenberg, 18:51.

Total time: Hope, 3 hours, 10 minutes, 51 seconds. Grand Rapids, 3 hours, 13 minutes, 57 seconds.

On Friday the silver loving cup won by the Hope team will be presented to the college with appropriate ceremonies. This is the fifth cup won from Grand Rapids by Hope in nine years, Hope winning in 1909, 1910, 1913, 1914 and 1918. Last year no race was held on account of the departure of scores of athletes for war service.

Fire destroyed the dwelling on the Fred Van Alsburg farm at Coopersville Tuesday night. It is thought that lightning struck the building during the storm. The house was unoccupied. Mr. Van Alsburg is well known and has many relatives living here.

Attorney Theo. N. Robinson was in Grand Rapids on business Monday.

DIES AT HOSPITAL AFTER OPERATION

Mrs. John Koning died last night at Holland hospital at the age of eighteen years and six months. Mrs. Koning submitted to an operation from which she failed to rally. Before her marriage, Mrs. Koning was Miss Marie Knapp, daughter of Mr. and Mrs. Martin Knapp, Michigan Avenue. She had many friends who mourn her death.

The funeral was held Monday afternoon at 2 o'clock from the home of Mrs. John Koning, Sr., 265 W. 11th street. Rev. M. Filipe of the Third Reformed church officiating. The deceased is survived by her husband, her parents, Mr. and Mrs. Martin Knapp, five brothers and three sisters.

HAVE FOUR SONS IN THE SERVICE

Hugh E. Lillie, junior member of the law firm of Lillie, Lillie & Lillie of Grand Haven Thursday passed the entrance examinations for enlistment in the United States navy at Detroit. Mr. Lillie has returned to close up his business affairs and will leave Detroit Tuesday morning for the U. S. naval station at Great Lakes, Ill., to train for the naval service. All four sons of Mr. and Mrs. Walter I. Lillie are now in the service of Uncle Sam.

FIVE VOLUNTEER IN ONE DAY

Five young men have been enlisted and passed by Sergeant Herbert R. Kent, who opened another recruiting station at the postoffice Thursday. The five men secured the first day are: Charles Zalsman, Edward Nederveld, Chester Westveer, John Robert and Raymond Lemmen.

These men will leave Holland on May 29, the day when the city will hold its big parade and farewell reception for the 93 drafted men. Sergeant Kent is anxious to secure a considerable number of others who will be ready to leave for camp on that day. He wants to have the city make a good showing and he is asking all young men to call at his office to talk it over. Within a few days a great many young men in Holland will have to register and then it will be too late to volunteer, Sergeant Kent said today.

GRAND HAVEN POLICE WITH BIG GUNS NOW

Lynn Hudson, former of the Grand Haven police force is now stationed at Ft. Hancock, New Jersey, with the U. S. Coast Artillery and expects to be sent overseas during the coming summer. In a letter to Chief of Police D. Fortney, he tells about the big guns there which break the windows in the houses nearby by their detonations alone.

SERVICES IN CHURCHES ON MEMORIAL DAY

Attention is again called to the prayer services which will be held on Decoration day morning and forenoon in the following Reformed churches: sunrise prayer meeting at 6 o'clock in 3rd and Trinity Reformed churches; at 9:30 meetings will be held in First, Fourth, and Trinity. A cordial invitation is extended to everyone to attend these services.

TRIED TO SELL HIS BOND AND WHAT HE GOT

E. J. L. Mills, cashier at Antrim Co. State Savings Bank, Mancelona, chairman of the Liberty Loan committee for Mancelona township and chairman of the War Board for Antrim county, has shown a patriotic spirit which is hard to beat and not often equalled.

A farmer called at the Antrim county State Savings bank the other day and wanted to sell a \$50 Liberty bond. Mr. Mills told him it was a patriotic thing to hold the bond during the war. The farmer insisted that he wanted to get the money, whereupon Mills offered to lend money on the bond, but he said no, he wanted to clean up the matter and get the money back.

Mr. Mills said all right, and then he asked the farmer how much the bank had loaned him last year for seed.

"Three hundred and fifty dollars."

"How much will you want this year?" asked Mr. Mills.

"Oh, about the same amount, I guess."

"I wish to say to you, Mr. Blank, that your credit is no longer good at this bank."

"Why, I have always borrowed money from you and paid you back."

"I realize that, but we are keeping our money to lend to people who will help the government, and you have proved today that you are not that kind of man. Your credit is no longer good in this bank, and we wish to have no further transactions with you. We are going to help the farmers and other people, who, in turn, are willing to help the government."

U. OF M. HAS BUT ONE GERMAN STUDENT NOW

Ann Arbor, May 20—"Karl Ritscher of Moorburg, Germany."

That name on the rolls of the University of Michigan this year represents the only student who gave Germany as his home. There are students here from practically every country in the world: China, Japan, the Philippines, Turkey, Bulgaria, Rumania, Serbia, France, England, Australia, Canada and the rest, generally two or more from each country, but only one from Germany.

"The students are very considerate to me, and I admire them and the American spirit immensely," is about all Ritscher will say. He is a sophomore in the engineering college, where he is taking a course in marine architecture. Next year he will not be in the universities, as the United States will not allow an alien enemy to work in or near shipyards.

"I am 22 years old, and came to the United States when I was 18, just two months before the war started in Europe," Ritscher says. He is of studious, quiet appearance, medium height and speaks English with only the slightest accent. "I am a shipbuilder by trade and I expected to bum around for about a year from one shipyard to another, learning American shipbuilding methods. When war broke out I did not change my plans, as I thought it would soon be over.

"But the war dragged and dragged along, and at last I thought I had better go to school here. My plan had been to go back to a German school after I had spent my years in American shipyards. I have two brothers and probably a father in the German army. My father is only 47 years old, so he probably is in the army, although I cannot be sure as it is more than a year since I heard from home. But I had better not talk much. I have been told to keep my mouth shut."

In reply to a direct question Ritscher answered:

"I like the American system of government very much. In Germany it will come by evolution, not by revolution. Oh, I do not believe in revolution. That is destructive, and I do not think it will occur in Germany. The abolition of kaiserism will be by evolution.

"The kaiser, so I am told, is a great statesman. His father was great because he had the faculty of picking good advisers. But the kaiser is different; he is a strong man. A weak man could not rule Germany. None but a strong man can be an autocrat in Germany. If the next kaiser is not a strong man he will not be able to wield much power.

"I will not say what I think of the war. I think I should not."

COUNTY ROAD MAINTENANCE ORDER GIVEN

Maintenance Order Number One has been issued to the foreman who will look after the repairs and upkeep of the Ottawa county road system, under the completed plan of organization now being followed. Because the lack of funds makes impossible any idea of full time maintenance and repair system, the Ottawa County road commissioners have been compelled to do the next best thing. They have evolved a most efficient system along other lines.

Maintenance foremen are appointed in various districts, and these men are so located as to keep them in constant touch with the road commissioners. Each foreman is supplied with a badge which indicates his number and mark of authority.

The first order under the new system has been issued, printed in red ink and containing minute instructions. Each is furnished with a map upon which is marked out the district, and must be always ready to answer maintenance calls. He is authorized to employ extra help when circumstances require it, and above all he is expected to take pride in keeping his section of the road in good condition.

Upon acceptance of the appointment and instructions the foreman is required to fill in an attached card indicating that he has read the instructions and will follow them. He is then given his badge and commissioned to go ahead with his job.

The foremen are required to drag the roads once a week, except when too muddy or frozen. All chuck holes are to be filled with material specified and when the road needs resurfacing the foremen are instructed to confer with the road commissioners.

All washouts and slides are to be repaired immediately and if the road is dangerous the foreman is expected to fence it off. All weeds are to be removed from the roadside once in each season. Culverts must be kept open. Gravel will be supplied by the commissioners and instructions for the use of the material is given the foremen.

A battery of auto trucks is also owned by the maintenance department, and is a part of the system which has been evolved for keeping the country roads in trim. If instructions are followed and the maintenance men show the same pep which is exhibited by the commission, Ottawa's road system should be a shining example for some years to come.

News has been received of the safe arrival of Edward Haan, son of G. T. Haan, in France.

NAVAL RESERVES DOING SPLENDID WORK FOR U. S.

THOUSANDS AT THANKLESS TASKS THE WORLD OVER DESERVE CHEERS, NOT SNEERS.

"The young men who serve in the Naval Reserve Force are performing a duty just as patriotic, just as essential to the final victory of our arms in this war, as that performed by the men of any other branch of the nation's forces."

That is Lieut. Commander Truman H. Newberry's answer in the New York Evening Mail to the few scoffers and critics of the men in the Naval Reserve.

"ONLY NAVAL RESERVES."

Why does that branch of the service attract so many men? Are they draft dodgers? Do they fear service at the front in France? Do they seek to enter a branch which will keep them near home?

These are the questions which the military editor of The Evening Mail put to Commander Newberry, commandant of the Naval Reserve Force in the third district.

Only a few days ago two blue jackets sat in conversation in a Broadway subway train. At Forty-second street two soldiers entered. After a whispered conversation and frequent glances at the sailormen, one of the soldiers bent down to read the gilt lettering on the jackets' hats.

"Only Naval Reserve guys," he sneered.

It wasn't the first time the military editor had seen that sneer. Among civilians, as well as among men in uniform, the same attitude toward the reservists has been noticed. So he sought out Commander Newberry and asked for comment.

"You say there seems to be a tendency to belittle service in the reserve force? There is no reason for it," declared Commander Newberry. "Among soldiers and sailors there is always a friendly bantering. Sometimes it is not friendly. But it is never serious.

THOUSANDS "OVER THERE."

"As for civilians, their attitude may be attributed to lack of information. It is true that originally the reserve recruited men for coast patrol duty. Do they know that the larger part of the force is now serving at sea, in foreign waters, side by side with the men of the regular navy, or training at the great naval stations for active service?

"More—do they know that men are being accepted for general service, which means they may be assigned anywhere, on any ship of the navy, at the discretion of the navy department?"

"Surely these lads are entitled to as much credit as the men of other branches. And they have reason to be as proud of their uniforms as the men in olive drab or forest green are of theirs.

ALL SERVING NATION.

"Every man who wears an American uniform is serving the nation—in whatever capacity he is enlisted. And those who volunteered for the Naval Reserve Force, because service on the sea appealed to them, are serving just where they belong.

"In April last year, when the United States entered the war, the only class open for non-seagoing men was class four. Since July 1, 1917, however, all men in this class have volunteered for general service, and no men will be accepted now unless they volunteer for general service.

"Another thing. In common with some other nations America has never realized the important role of its navy in warfare. But you may be sure that when this war has been finally won, the United States Navy will have played an essential part in the great victory. That will be a task for the historians, and they will not begin their work until peace comes. So we'll have to wait. But the navy's part in that history will be a brilliant one!"

And there you have the commander's answer.

Incidentally, Commander Newberry is head of a family which has registered 100 per cent, perfect in this war. He gave up a large business in Michigan to answer the President's call. Mrs. Newberry is president of the Needle Work Guild of America, which is devoting its entire strength to Red Cross work. Their twin boys, Barnes and Phelps, are on active service. Barnes is an ensign in the navy, on duty somewhere on the Atlantic, and Phelps is a major in the aviation section of the army.

NEWBERRY KNOWS THE NAVY.

The commander's record includes active participation in two wars. He was Secretary of the Navy in President Roosevelt's cabinet. He holds the only commander's commission given to any man in the country promoted directly from civil life during the present war.

SERVICES ARE PROVIDED FOR COUNTY FARM

The superintendents of the poor of Ottawa county have undertaken the task for another summer of providing religious exercises for the inmates of the county infirmary at Eastmanville every Sunday during the summer months. Mr. G. Van Schelven of this city is chairman of the superintendents of the poor and the other members are C. N. Dickinson, secretary, of Grand Haven, and J. Lubbin, farm superintendent of Coopersville.

The religious services schedule outlined by the committee covers twenty Sundays, commencing on May 19 and closing on September 29. Each of these Sunday services will be voluntarily rendered. They will be conducted under the auspices of one or more of the various churches of their auxiliary societies in the villages or cities of the county to which dates have been assigned.

In most cases last summer religious workers went to the infirmary in automobiles with a party of speakers and singers and made Sunday a real Sunday to the inmates of the county institution who have been taken away from their home church organizations, and this work has been greatly appreciated by the inmates. The dates that have been assigned are as follows:

Conklin, July 21; Coopersville, May 26, September 15; Grand Haven, June 9, July 7, August 11, September 8; Holland, May 19, June 2, June 16, June 30, July 14, August 4, August 18, September 1, September 22; Hudsonville, July 28; Zeeland, June 23, August 25, September 29.

MANUFACTURERS TO BUY SUGAR BY CERTIFICATE

Under new regulations all manufacturers using sugar can purchase sugar, during the months of May and June, only upon certificates issued through the food administrations office. The manufacturer will be required to file a sworn statement setting forth certain facts, and on these statements certificates will be issued. Wholesalers and retailers can sell no sugar to manufacturers unless such order is accompanied by a certificate.

These statements can be obtained at the office of Wm. Brusse, 6 East 8th street.

Grocers can also secure sugar cards permitting them to sell sugar for canning purposes in 25 pounds lots upon application.

It is reported that an army of 1,200 swooped down upon Saugatuck from Chicago last Sunday afternoon. If any of them are Germans we will surround them; if they are not we will extend to them the right hand of welcome for the time they're with us.—Correspondent.

Rev. and Mrs. H. A. Day have returned from a three weeks' visit to the central and eastern parts of the state. Mr. Day is feeling much better.

Both fire departments were called out to a fire in the Van Mourick home at 226 West Fourteenth street. An overheated stove caused a blaze in the kitchen doing \$100 damages. Near the stove there were six cans of Kerosene standing containing 60 gallons of oil. This is against the law and Chief Blom instructed the man to bury it in the back yard. But for the timely aid of the fire department this dangerous combustion might have done serious work in the neighborhood.

GRACE CHURCH ANNOUNCES MEMORIAL EXERCISES

In accordance with the proclamation of the authorities, Memorial Day will be observed at Grace church as a day of fasting and prayer. Morning Prayer will be said at 9 o'clock with Litany and Penitential Office, followed by the offering of the Holy Sacrifice with special intention for the day, that God will forgive us our pride, arrogance, covetousness, avarice and other national sins and that we may realize truly that our strength and hope lie only in our Father.

HOLLAND CHORUS INVITED TO ZEELAND

WILL GIVE A CONCERT IN THAT CITY ON FRIDAY EVENING.

Next Friday evening the Spring Festival Chorus of the Y. M. S. A. Lecture Course of Zeeland will give the same number in North St. Chr. Ref. church in Zeeland which has been given in the Central Ave. church in Holland May 3. The chorus was greeted with a very large audience here and many also who were not there are anxious to hear it, because of the appreciation of those who heard it. The young people of Zeeland were also anxious to hear this number and therefore have invited the chorus over on May 31. The admission will be free, but a collection will be taken for the benefit of the Red Cross fund. There will very likely be a special car leaving at about 7 o'clock.

PARENTS WILL ACT IN PLAY

"The Scientific Country School" is the title of a play to be given by the Longfellow P.T. club for the benefit of the Dental Clinic this evening in the high school auditorium. Those taking part in the performance are: Mrs. John Van Oss, Dick Steketee, Jacob Rezelman, Bert Faassen, John Oostling, Albert Clark, Gerrit Nenzenel, Zora Marcott, Marvin Oostling, Gordon Van Ark, James Faassen, Susanah Hameling, Marius Hameling, Mrs. Chas. TWO SERVICE FLAGS ARE DEDICATED

FIRST REFORMED CHURCH HAS TWO BANNERS IN HONOR OF ITS BOYS

Large Audience Attends Exercises Last Evening; Patriotic Addresses Given.

A large audience gathered last evening in the First Reformed church to attend the exercises in connection with the dedication of that congregation's service flags. So many of the boys of that church have gone in the service that two flags were used to display their stars.

The exercises were most impressive and the music and addresses rang with patriotism. After the Processional prayer was offered by George Schulling. The flags were formally presented to the congregation in a brief but impressive address by Dick Boter and the pastor, Rev. H. J. Veldman responded in a similar way, accepting the banners on behalf of the congregation.

The Misses Martha Barkema, Dorothy Den Herder and Wilma Vander Bunte sang "Keep the Home Fires Burning."

The principal address of the evening was delivered by Hon. G. J. Dickema, who, himself having two sons in the service, spoke with his usual conviction and earnestness.

Gerrit Ter Beek sang a flag song and the program closed with the singing of "America" and the benediction. Programs for the occasion had been printed containing all the names and addresses of the boys from this church in the service. Fifty-nine names appear in this list. These boys are scattered throughout many of the camps and some are in France.

COLLEGE CLASS BREAKS PRECEDENT

"A" CLASS WILL GIVE A PLAY INSTEAD OF USUAL GRADUATING EXERCISES

The "A" class of Hope were permitted a new departure this year from the regular class day program. The annual play which has always been given Monday afternoon of commencement week, free of charge, will this year be given Friday evening, May 31st, at Carnegie Gym., with an admission of 25c. The money realized from the entertainment will be given to the Red Cross.

"The Cricket on the Hearth" will prove distinctly different from any play given in this city during the past year. The charming simplicity and peace of a middle-class English home is the keynote of the story. The cast of characters is as follows: John Perrybingle, Winfield Burggraaf; Mr. Tackleton (a toy-maker), Anthony Meengs; Caleb Plummer (his man), Henry Tyse; Mysterious old Gentleman, Louis Watermuller; Porter, Jack Scheepel; Dot (wife of John), Gertrude Mulder; Bertha (a blind girl), Jeanette Hoffman; Mrs. Fielding, (shabby genteel), Janet Kooiker; May Fielding (her daughter), Anna Tyse; Tilly (Siswboy), Alice Buchanan; Four Fairies. The cast have been carefully and faithfully rehearsing their parts. An evening of real pleasure is promised. Seats on sale at Huizenga's Jewelry store.

MAKES GOOD IN WESTERN COLLEGE

MISS MARIE DYKSTRA IS PRAISED IN BULLETIN OF INSTITUTION

The following article is taken from the college bulletin of Kingfisher College, Kingfisher, Oklahoma, showing how a Holland girl has made good there:

"One of the difficult problems which the teachers' committee of the trustees of Kingfisher College is confronted, is that of securing just the right person to place at the head of our Pierson Department. A musician of the first rank, a strong teacher, a Christian character, who will catch the spirit of Kingfisher College and fit it to college life, is demanded and singular success along these lines has been attained in the engagement of Miss Marie A. Dykstra as teacher of piano.

"The head of our Piano department, Maria A. Dykstra, is a woman of deep sympathies and strong influential personality, kind but firm.

"Miss Dykstra received her Mus. B. degree from the New England Conservatory. She possesses a delightful personality of music, Boston, Mass. She is a pupil of Carl Stasny, who is one of America's foremost instructors, and was a pupil and friend of the great "Miss Dykstra's experience in teaching pianos includes two years in the Normal Department of N. E. Conservatory and private pupils in Boston. One year with the Institute of Musical Art of Detroit, Mich., and one year in Kingfisher College.

"It is only right and just to state that Miss Dykstra is the most thorough and painstaking teacher we have had at the head of our piano department. The phenomenal progress of her pupils renders further comment unnecessary."

All the express companies in the United States have merged into one this morning. Holland therefore will have but one company to deal with in the future. The government has made this possible.

OBSTRUCTION ON INTERURBAN RAIL, ENDANGER CAR

AN ATTEMPT WAS MADE TO WRECK A CAR IN GRAND HAVEN LAST SUNDAY

Last Sunday evening, between six and six-thirty, someone placed stones, bricks and pieces of wood on the interurban track leading to Highland Park, between the Grand Haven water work and the gas plant. A car had just been sent down to the Park before over the line and coming back to the station the motorman, luckily saw the obstruction on the rail. The car was promptly stopped. Had the car hit any of the obstructions it would surely have been derailed.

The Interurban management offered a reward of \$25 for information as to the individuals who placed this on their tracks. Some one perhaps would have been killed or seriously injured had the fast moving car been thrown from the tracks.

Some years ago two men on an interurban work train were killed near Highland Park when their car was derailed, having hit an obstruction on the rails. It is to be hoped that the reward offered will bring the information as to the perpetrator of Sunday evening's work.

DR. J. T. BERGEN GIVES WARNING IN "CONTINENT"

In the current issue of "The Continent," a prominent Presbyterian weekly, Dr. John T. Bergen, of Minneapolis, Minn., formerly pastor of Hope Church and professor of Bible at Hope College, writes a spirited article entitled "Danger in Premillennialism" in which he attacks the theory that Christ will make his bodily appearance upon earth in the near future. The article is of added interest when one recalls the recent "Manifesto" concerning "the significance of the hour," issued by such eminent British clergymen as Drs. F. B. Meyer, G. Campbell Morgan, and A. C. Dixon, and the subsequent "Call for a Conference" signed by a number of well known American ministers including Drs. R. A. Torrey, L. W. Munhall, Mark A. Matthews, J. Wilbur Chapman, Paul Rader and Len G. Broughton.

"It is quite evident," says Dr. Bergen, "that those who would propagate the premillennial teaching find no comfort in the symbols of the Presbyterian church. Nor can they find comfort in the symbols of any Christian church. Only once in the western Waldensian for a short time, did premillennialism appear in any Christian confession. Our brethren must go to the confessions of strange, schismatic movements, from the Montanists to the Russellites, to find any comfort in creeds, confessions, etc."

Continuing Dr. Bergen says: "With many Christian leaders, from Papias to the latest such an one; with many ecumenical councils attended by these very men; with two thousand years of study and debate, the Christian church does not believe in pre-millennialism. Origen fought it; Augustine fought it; Luther fought it; Calvin fought it; no Protestant confession admits it nor ever can, because the Scripture proof is insufficient. The apostles settled the issue: 'From thence He shall come to judge the quick and the dead,' 'Even so come, Lord Jesus.'"

"The propagation of premillennialism is fraught with peril. The Bible school that propagates it is planting schism in the kingdom of Christ. Last week there were arrests of some of the premillennial propagandists, among whom German agents had mingled, teaching sedition. This is a dangerous time to hold a premillennial conference."

The Red Cross campaign closed in Holland Monday night as well as throughout the United States. When the figures were added up Tuesday morning it was found that the sum of \$7,800 had been collected in Holland during the week. This is \$800 more than the minimum quota set for Holland, this city having been asked for seven thousand dollars.

Tuesday, however, the subscriptions still kept coming in and the total that was secured until Monday night will be materially increased it is believed before Holland will send in its amount to headquarters. The committee had set Holland's goal higher than the figure that has been reached. In many other towns the allotment was doubled and in some cases more than doubled.

Although the campaign is formally closed, some few days will be required to finish up the odds and ends of the work and during that time the local headquarters will be glad to receive added subscriptions. But those who wish to give are asked to do so at once, at least not later than this week.

Grand Rapids, May 28—Michigan saved the day for the central district with its large oversubscription, nearly doubling its \$3,000,000 quota. Chicago failing to make her quota by about \$2,000,000, led Bernard E. Sunny, campaign director for the central division, to urge this state to keep up to the last minute in the hopes of making up the deficit and thus make it possible for the central division to get her required quota.

Every county in the state reached its quota or over-subscribed, the doubtful county of Mackinac reporting her quota filled Tuesday morning. Big Rapids' contributions to the Red Cross have gone beyond the \$6,000 mark, double the quota set.

ZEELAND AND GRAND HAVEN BANDS HERE

All preparations to give the boys of Ottawa county who will join the colors this noon a fitting sendoff has been made. The war board has left no stones unturned to make this one of the greatest farewells ever given to departing soldiers from this city.

The boys from eastern Ottawa will be in Holland early accompanied by the Zeeland band. This musical organization phoned the War Board Tuesday morning that they were willing and anxious to turn the band over to the war board free of charge and to serve wherever this organization saw fit to place it.

The Grand Haven Band comes with the Northern Ottawa contingent and are also patriotically donating their services. The Holland Martial band and the Holland Concert band will also be in the line of march doing their bit as usual, and even the Hope Jazz band will be found in the educational division.

Before the parade begins a spread will be given the soldiers in the city hall when our townsman, G. J. Dickema will give the color bearers of Ottawa a heart to heart talk. The clergy of city will also be present and a fitting program for the occasion has been arranged for.

The Grand Haven contingent will no doubt arrive over the pike by automobile around 11 o'clock, the Grand Haven War board having made complete arrangements to get the Grand Haven and northern Ottawa county boys here in ample time.

More convenient arrangements have been made to entrain the boys so that mothers, fathers, sisters, brothers, and sweethearts will be better able to say their good-byes and to remain with their loved ones as long as possible. They will not be crowded in the background as has been the case on two other occasions, because of the inconvenient place selected to stop the car. The car this noon will be on the Allegan "Y" at the head of Eighth St. along the paved street where there is ample room to accommodate several thousand people without serious crowding.

Chief Marshal John Homfield, has also arranged his parade so that all the marchers will be able to see the drafted men, and the soldiers on the other hand will be able to witness the parade. Before the parade starts from 12th street the soldiers of the National army, the veterans of the Civil war, the veterans of the Spanish War and the home guards will line up in front of the city hall. The line of march will pass before them and will be reviewed by them and when the last of the marchers have passed, this body of men will fall in behind the pageant and be escorted to the train. At the depot the participants in the parade will open ranks and the departing men will pass between the lines to their car. At the train ropes will be stretched in such a manner that relatives can more easily get to their boys and thus avoid the jostle that would otherwise occur if these precautions were not taken.

The following is the order of parade as mapped out by Chief Marshal of the day, John Homfield:

Chief Marshal, John Homfield and assistant marshals Carl Bowen and Andrew Hyma.

First Division—Grand Haven band and Hope College will form on Twelfth street, east of River avenue, right resting on River avenue.

Second Division—Hope Jazz band, Public Schools, Christian School, will form on River avenue south of 12th street, right resting on Twelfth St.

Third Division—Zeeland Band, all industrial and fraternal organizations will form on West 12th street west of River avenue, right resting on River avenue.

Fourth Division—G. A. R., United Spanish War Veterans and Women's Relief Corps in Automobiles, Holland Martial band; city officials, draft board, Boy Scouts, Holland Concert Band, Grand Haven Home Guards, Grand Haven Drafted Men, Holland Drafted Men, Hook and ladder truck with drafted men.

Fourth Division will form on the East side of River Avenue, south of Tenth street right resting on Tenth St.

All organizations will report not later than 12:15 and March in columns of four or four abreast, keeping an interval of five feet.

Automobiles and carriages are urgently requested to vacate the streets when and where the parade is being formed.

Tuesday evening a farewell party was given in honor of Jacob Zwemer, who left for Camp Custer this noon at the home of Miss Rama Bouwman. Dainty refreshments were served and the evening was spent in playing games and music.
