CENTRAL AVENUE MINISTER GETS MORE SALARY

IMPROVEMENTS UP TO \$2,000.00 TO BE MADE ON THE CHURCH

Janitor Also Comes In for a \$10 Raise Matters of Importance Were Discussed

At a consistory meeting of the officers of the Central Avenue church, many important matters were discussed. One was a question of raising the minister's salary.

Rev. B. H. Einink had been receiving \$1600 a year and the consistory considered that his faithful services as pastor of that church were worth at least \$2,000 and therefore granted him the raise of \$400 per year.

Janitor, Mr. Van Huis was also fortunate, being raised from \$60 to \$70 per month.

The consistory further considered some improvements that are necessary and made an appropriation of \$2,000 for the painting of the church, redecorating it, putting a new roof upon it and otherwise making necessary improvements.

Central avenue church has more communicants than any other church denomination in Holland, the total being 792.

Mr. Einink will have been pastor of this church for four years sometime in June.

President Dimment was in Grand Rapids on business last evening.

Judge of Probate James Dandief of Grand Haven, was a Holland visitor yesterday.

BIG EXPLOSION WITNESSED BY HOLLAND MAN

OSCAR NYSTROM HELPS RESCUE INJURED AT CEDAR RAPIDS, IOWA

Was Blown to Pavement When the Douglas Starch Plant Lets Go

The Holland Furnace company has its large branch at Cedar Rapids, Ia.

Oscar Nystrom of Holland, who is also a member of the firm was in that city on business. The Douglas Starch company that blew up, snuffing out between thirty and forty lives is also located at Cedar Rapids.

Mr. Nystrom who has just returned to Holland from his western trip tells of his experience when the explosion took place. He says:

"I was a little over a half mile from the place, when all at once I was thrown to the pavement and a deafening report followed which made my ears ring. Glass was flying all about me, people were crying, women were fainting, several becoming hysterical, children were clinging close to their mothers, and all apparently thought the world was coming to an end."

"It was soon noised around that the big starch plant had blown up, and I hastened in that direction to see if I could be of any assistance."

"I met everywhere people holding their hands or faces where they had been struck with flying glass, and severely injured."

"I reached the plant where rescuing was going on, and helped take out two dead bodies and one man with his legs blown off, who begged the crowd to kill him."

"It was only a few minutes after I reached what was once the plant, and now for blocks all was desolation."

"The rescuers soon had to abandon their work for the reason that the heat became so intense, that it was impossible to keep on, the heat becoming more severe every minute."

"I shall never forget the agonizing cries of many still buried near us under falling timbers and broken walls."

"Human strength could not possibly get them from under, and the intense heat made it still less possible. They no doubt were soon put out of their misery by fire as no human being could long survive such a blast."

"I saw them pull a man out of the river nearby who was literally blown out of the street into the stream. Another man in a hotel, at which I was stopping had his nose cut clean off."

"The fire burned severely all night and only in the morning did the rain somewhat check the blaze."

"The blast came at 6:30 only a few minutes after the day force of between four and five hundred employees had left for their homes."

"There were only about one hundred employees left on the night shift, and but for that fact the loss of life would have been appalling."

"They say there is not a window left whole in Cedar Rapids. This may be exaggerated to some extent, however a vast majority of the window frames are without windows and a great many of the homes and business places are without chimneys."

JENISON PARK TO OPEN DECORATION DAY

Jenison Amusement Park will open May 30, Decoration Day, and will remain open until after Labor Day the first Monday in September.

The park has been renovated and repainted, some new attractions have been added and the popular dance hall with good music will again be a feature at this popular resort.

Jenison Park has been the mecca for picnics containing all the conveniences incident to a well regulated picnic grounds, and no doubt with most of the boys coming back picnicking will be a popular pastime at Jenison Park the coming season.

DAILY BOAT SERVICE NOW IN FORCE

The following announcement has been made by the Graham & Morton Transportation company for the benefit of the traveling public:

"Kindly make a note in your paper calling attention to daily service, leaving Holland every night at 8 o'clock and Chicago every night at 7 o'clock. The steamer 'City of Benton Harbor' will make her first trip leaving Chicago Thursday evening at 7 o'clock, arriving at Central Dock at 11 o'clock and going on to Holland. All trips will be made stopping at Central Dock each way."

THREE-IN-ONE IS SCHEDULED OF EXERCISES

THREE DIFFERENT CELEBRATIONS OF MEMORIAL DAY THIS YEAR

One At College; One at High School; And the Third in the Park

Never was Memorial Day celebrated in Holland as it is being done this year. Instead of having but one celebration, this city this year is having three. One of these is the big celebration that will come off Friday forenoon. Another is the one that was held at Hope College this morning, and a third is the one that is being held by the high school this afternoon.

The change that was made this year from afternoon to morning has met with general approval, so far as an expression of opinion has been possible since the announcement was made yesterday. While it is objected by a few that Memorial Day ought to be celebrated in the spirit of a Sabbath day and that no sports and pleasures ought to be countenanced, the fact remains that in half a century or so of preaching this doctrine it has been impossible to prevent the general public from looking upon Memorial Day as a holiday along with its being a day on which to pay respect to the dead. It is not what ought to be that faced those in charge in coming to a decision, but what actually is. Actual conditions as they were taken into consideration and were reckoned with.

The indications are that tomorrow forenoon Holland will turn out in very large numbers to attend the ceremonies. Many people who would perhaps not attend in the afternoon will stay since it is in the forenoon leaving the afternoon free for other things.

With hundreds of soldiers coming out in their uniforms, with a parade such as has seldom been seen in Holland, with a new spirit of patriotism animating the people, it seems likely that the exercises will be exceedingly impressive.

HOLLAND MARTIAL BAND REORGANIZES

SIX BUGLERS WILL BE ADDED TO THE FIFE AND DRUM CORPS

Preparatory to the 'big soldiers' blowout to be held on July 4, the Holland Martial band that has been doing faithful service at every public demonstration that Holland has ever had for many years back, has been reorganized.

Besides the fifers and the drummers, 18 in number, six buglers have been added, and a drum major with shako and twirling baton, will lead the martial musicians in all future demonstrations.

Also the band will be larger than usual on Decoration day the full complement of men will not be in a parade until the 4th of July when Holland soldiers from overseas will receive their welcome home.

The officers of the band are: Rue Bertsch, president; Jacob Steketee, vice president; Tony Van Doort, secretary and treasurer; Arend Siersma, business manager.

WORLD WAR VETERANS

For your convenience the Memorial Day Parade and exercises will be held in the morning. All soldiers and sailors will meet at the city hall at 8:30 A. M. Friday morning. Come whether you are a member of the Willard G. Leenhouts Post No. 6 American Legion or not. It is your duty to be there. Show your loyalty to our country and to the G. A. R. Veterans. And be at the city hall on time. The uniform is as follows—

Navy—Dress Blues, white hats and leggins.
Marines—Field Green, without leggins.
Army—Overseas men—wrap leggins and overseas caps.
Other Enlisted Men—Service hats and canvas leggins.
Overseas Officers—Sam Browne belts, overseas caps and leather leggins.
Other Officers—Service hats and leather leggins.
All officers and men of the army will wear O. D. suits with blouses. No side arms will be carried.

Remember the time and place, Friday morning at 8:30 at the City hall.
Simon D. Den Uyl,
Charles R. Ash,
Marshals.

Mr. and Mrs. G. Van Schelven will spend Decoration day with their children, Mr. and Mrs. Parent of South Bend, Indiana.

Mrs. N. Bosch and daughter Frances will spend Memorial day in Chicago.

EXERCISES TO BE HELD IN THE MORNING

THIS IS UNANIMOUS DECISION OF ALL MEMORIAL COMMITTEES

Exercises Will Begin at Nine O'clock Instead of As Usual at One O'clock

The decoration day exercises have always been carried out in Holland in the afternoon instead of in the forenoon. This is going to be changed, at least for this year, instead of beginning the exercises in Centennial Park at 1 o'clock in the afternoon these will begin at 9 o'clock sharp in the morning.

There has been so much demand on the part of the citizens taking part in these exercises asking for the change, that the committee thought it wise and found it even more convenient to hold them earlier.

It is said that at least 250 overseas soldiers and navy men will be in the parade, provided the change is made. Otherwise not half that number would be able to take part.

A special request was sent the committee from both these branches of the service, and when these were received the Spanish War Veterans who will have full charge officially of the exercises in the future were immediately consulted and approved of the plan. Several of the Grand Army men were also conferred with and it seemed rather agreeable to them as the strain upon these old boys would not be so great if the exercises were over earlier in the day.

It also was agreeable to the Woman's Relief Corps, who will now provide a good dinner for the boys in blue after the exercises instead of a late supper as was formerly the custom. The new order of things seems to give general satisfaction all over the city.

Holland is about the only city of any size that holds its exercises in the afternoon. One reason for this possibly is that Holland makes more of Decoration Day than most other cities, its programs being more elaborate and consequently require more time.

It is thought that by starting at promptly 9 o'clock, everything would be over at 12:30 or 1 o'clock and that then the participants could take their dinner leisurely and quietly rest up the balance of the day.

Remember, the exercises start promptly at 9 o'clock Friday morning at Centennial Park, and the program will be followed out in the order given.

HOLLAND'S TOTAL FIRE LOSS IS \$5,290

INSURANCE COMPANIES MUST MAKE A FAT THING OUT OF THIS CITY

Firemen and Auto Fire Trucks Have Shown Wonderful Efficiency

The insurance companies must be cutting a fat melon each year off from Holland, when this city's fire losses are taken into consideration.

Chief Blom's report for the year is a very flattering one.

Notwithstanding the fact that Holland has been fraught with fire dangers because of the poor quality of coal which has been causing all these roof fires during the winter, still Holland's total fire loss including the bakery fire of Frank Brieve which was \$1200, amounted to only \$5,290.

Amount of property endangered was \$225,900.

This property was insured for \$133,450. The number of alarms of fire turned in during the year was 89. This is more than double the number of any previous year, the average being about thirty.

The fact that with 89 fires, the fire loss was only \$5,290 the cause cannot be attributed to luck.

It simply means the most efficient fire department at the cheapest price anywhere in the country, managed by a chief who knows his business thoroughly, and has the respect of his men.

It means that the two fire trucks that Holland has purchased have long ago paid for themselves, for there is no doubt that the slow teams could never have kept pace with the number of fire alarms turned in one day.

The chief's report shows that the upkeep of Holland's trucks was less than \$50 for the year, while the upkeep of the team still remaining was more than \$400 for the year.

FORMER HOLLAND MAN DIES OF APOPLEXY

Monday in Zeeland the funeral took place of John Brouwers, formerly of Holland and originally of Zeeland. Mr. Brouwers, who had many friends in Holland, has not been living here for some years, and the announcement of his death came as a surprise to those who knew him while he was in business here.

Mr. Brouwers dropped dead in Paris, Michigan, where he had been living for some time. The cause of death was a stroke of apoplexy. He was 42 years old and is survived by his widow and two children; also by his parents, Mr. and Mrs. S. Brouwers of Zeeland, and by one sister, Mrs. Eli Cross of Grand Rapids. The Brouwers were at one time one of the most prominent families in Zeeland.

Mr. Brouwers was engaged in business in Holland a few years ago, being connected with the Holland Metal Rod company.

FISH FROM GRAND RIVER OVERFLOW ONTO FARM

A new fish pond has been created on the farm of Herman Lampen near So. Blendon. The river in that vicinity overflowed into fields of the farm of Lampen during the recent heavy rains and now that the water has receded a large pond is left filled with river fish. The pond is getting too small and the fish thicker and within a few days nothing but fish will remain and the farmer will only have to pick them up. All Blendon now will have a fish fry.

CAPTAIN DIEKEMA SOON TO LEAVE FOR HOME

Captain Willis Diekema expects to be home from his great adventure in Europe some time during the summer. His father G. J. Diekema until now has had no information as to when he would see his son again who has been absent from this country since early in the war. But the following cablegram was received by Mr. Diekema:

"Orders received demobilizing squadron. Probably sail about June first. (signed) Captain Diekema."

Captain Diekema was at first in the 91st Air squadron and later was transferred to Ninth Air Squadron. He has made an enviable record in the air service and his promotions were frequent. During the last few months he has served with the army of occupation in Germany.

LOAN CEMETERY PLOT TO VETS

The World War is still so recent that the veterans of that conflict have not had time to secure a cemetery plot at the Pilgrim Home Cemetery. Action to this end has not yet been necessary. Boys from here who gave their lives in that war lie sleeping in the soil of France, except those who died in camp who have of course been laid to rest in the family burial plots.

But as a result the Willard G. Leenbouts Post would not have any place on Memorial Day on which to lay their wreaths of flowers in memory of the absent dead, if it had not been for the generosity and thoughtfulness of the Spanish War Veterans.

The veterans of the war with Spain some years ago secured a plot of ground in Pilgrim Home cemetery. Only one veteran of that war lies buried there, namely William Damsen who died a few years ago and was given a last resting place there. But the Spanish War Veterans want the World War Veterans to have a place where they can decorate, and so they have loaned their burial plot to the men who made the fight against Germany.

It is there that the soldiers of that war will congregate on Memorial day when the time comes to place flowers on the graves in honor of the dead. There has not been time for the erection of permanent monuments, even if there had been a site for them. But in lieu of more enduring memorials, a large banner will be placed on the spot of the Spanish War Veterans' burial ground and on this banner will be found the names of the boys who gave up their lives for America, as well as gold stars.

The World War Veterans will congregate at that place and lay their burden of flowers on the ground. This will probably be one of the most interesting episodes in the ceremonies at the cemetery on Memorial Day.

Highland park, Grand Haven and vicinity are expecting one of the biggest summers in years. Every cottage is taken at the park, and to meet the demand of prospective tourists, the first block on Washington street, now provided with seven eating houses and restaurants. Spring Lake is expecting a record-breaking summer, and all hotels, cottages and homes on the lake are to be filled.

ZEELAND'S "ORIGINALS" ARE BACK IN AMERICA

The city of Zeeland was in festive mood Thursday when telegrams came from six of its service men to the effect that they had landed on American soil in New York harbor and would be home in perhaps a week. These six men were members of the first party of eleven who enlisted soon after the war broke out and who presently went to foreign soil. Of the eleven that formed Zeeland's first contingent two died in France, Corp. Gilbert Karsten and Corp. Martin Eding. Three others, Sgt. Henry Boes, Corp. Jack Berense and Jack Den Herder returned home some time ago.

The six who arrived Thursday in New York harbor are: Sgt. H. Holstege, Ted De Pree, Gerrit Rozema, John Slagh, George Meengs and Thos. Beukema.

IS STILL ON THE JOB AT EIGHTY-THREE

Although he is past 83 years old, John Nies, former alderman, is still active in the government service. Mr. Nies is still very much on the job as United States Pension Agent and he works at this job with considerable success. He served as Pension Agent more than 30 years ago when he was still a resident of Saugatuck. In the eighties when he came to Holland and established the Nies hardware business here he relinquished the position, but later he took it up again and he has held the office now for many years.

Mr. Nies served for three years in the armies of the North during the civil war and he took part in over two hundred engagements large and small. Since retiring from business a few years ago he has done a great deal of traveling, including one trip to Europe before the war, and to several parts of the United States.

TWO FISHERMEN PLEAD GUILTY TO FISH VIOLATING

John Arnink and Harm Arnink, both of Zeeland township, and some young boys under age were arrested recently for fishing with nets in lack river, near Zeeland.

Their case came up before Justice Robinson Friday at the City hall. The men at first seemed inclined to fight the charges made by Deputies Homkes and Bouwman, but changed their minds when the trial began.

The Zeeland boys both pleaded guilty and John was fined \$9 including costs and Harm \$13.22 including costs. The boys connected with the case were given a lecture and the judge let them go.

DICK BOTER RE- SIGNS FROM BOARD OF PUBLIC WORKS

Dick Boter, one of the members of the Board of Public Works sent in his resignation to the Common Council Friday morning with the request that it be acted upon immediately.

The resignation is the culmination of some friction between Mr. Boter and the members of the Common Council which resulted in the council requesting the resignation of Mr. Boter "in the interests of the city."

The copy of the resignation now filed with City Clerk Overweg follows: May 22, 1919

To the Honorable Mayor and Common Council of Holland, Mich.

Gentlemen:—I hereby tender my resignation as a member of the Board of Public Works of the city of Holland, and request that said resignation be given immediate effect.

Dick Boter.

CRISP WOMAN PASSES AWAY

Mrs. Henry Roels, for many years a resident of Crisp, died at her home there at the age of 46 years. The deceased is survived by her husband and nine children, eight daughters and one son. One of the daughters is Mrs. John Door and one son, Peter, lives in Iowa. The others are at home. Besides, she is survived by one sister, Miss Alice Hoeksema of Holland, and the following brothers, Peter Jacob and Albert Hoeksema of Holland, and John Hoeksema of East Holland.

The funeral will be held Wednesday, noon at 12 o'clock from the home and at one o'clock from the Crisp church, the pastor of that church officiating.

SAUGATUCK MEAT DEALERS RAISE MEAT SIX CENTS BE- CAUSE OF ICE SHORTAGE

Here is a good illustration of what a serious shortage of ice crop means to the consumer of meat. A retail dealer in Saugatuck who recently had the ice box in his market filled, said that the one boxful of ice cost him as much as his usual supply for the whole season; and the consumer at once found that he had to pay six cents per pound in addition for his steaks.

VRIESLAND PIONEER PASSES AWAY

William Borst, pioneer settler, died at his home in Vriesland as a result of heart failure at the age of 67 years. Mr. Borst was among the pioneer settlers of this section, having immigrated from the Netherlands as a small boy along with his parents and other members of their family. They were early located in Grandville but moved to Vriesland. He devoted nearly forty years to the blacksmith trade from which he retired to take up his duties as station agent for the interurban railway. This position he has held from the time the station was established until the time of his death.

He was united in marriage with Miss Mary Hudson of Vriesland. Those who survive are Wm. Borst of Zeeland; Mrs. John Freriks of Vriesland; and Mrs. Bert De Boer of Chicago. Besides these and Mrs. Borst he is survived by several grandchildren and three brothers. The funeral services were held from the home at Vriesland on Saturday at one o'clock from the home and at one-thirty from the Reformed church.

ZEELAND COUNCIL AP- PROVES CELEBRATION

The common council of the city of Zeeland at its regular meeting voted to back the plans of the committee appointed to take care of the welcoming reception to returning soldiers and sailors of Zeeland.

An "Arch of Welcome" as previously announced will be erected immediately. M. C. Ver Hage is in active charge of its construction and will carry the project through to completion.

The climax of the present plans will occur on the 4th of July, the big event "The Soldiers and Sailors Home Coming." As proposed the general plan for that event will consist of a parade at about noon, memorial services in the public park during the afternoon; and a magnificent pageant at 8 o'clock P. M.

HEIRS SCRAP OVER BIG OTTAWA FARM

The admiral of the British queen's navy in Griffith's musical comedy, "Pinafore," with all "his sisters and his cousins and his aunts," has nothing on Edward Mauterstock, deceased formerly of Chester township, Ottawa county, whose heirs at law have filed a bill in the circuit court at Grand Haven, asking that a certain deed which Mauterstock made, shortly before his death to Mrs. Clara Johnson, a niece, be set aside. Seven heirs at law of Mr. Mauterstock already have signed the bill of complaint, which is amendable as to the plaintiffs in the case, and 15 more will sign the papers and be admitted as complainants as soon as it is possible for them to reach the city.

Mr. Mauterstock had just 23 heirs and 22 are joining in the action against the twenty-third.

The farm involved in the law suit is one of the richest in Ottawa county, being directly in the center of the fruit belt. It is said by farmers near that locality to be worth in the neighborhood of \$15,000. Mr. Mauterstock also had several thousands of dollars in the bank at the time of his death, and the bill alleges that Mrs. Johnson secured this also.

JAY H. DEN HERDER NOW WITH VISSCHER & ROBINSON

Attorney Jay H. Den Herder, of Zeeland, son of the cashier of the Zeeland State Bank, has identified himself with the law firm of Visscher & Robinson in this city.

Mr. Den Herder graduated from the University of Michigan nearly three years ago, and had opened offices in Zeeland where he had been practicing for five months, when war with Germany was declared. He then volunteered for the government service and only recently received his honorable discharge.

The Holland law firm of Visscher & Robinson has been having a rapid growth and for over a year Thomas N. Robinson has shouldered the law burdens alone, for the reason that his partner Mr. Raymond Visscher was also a captain in Uncle Sam's service.

Mr. Den Herder is an able student of law. No doubt his aid will be of valuable service to his co-workers in this vicinity.

The law offices in the Visscher block are to be remodeled to be made more commodious and more convenient to the public.

The past two years have been very busy years for Mr. Robinson for while the law practice of the firm could not be neglected, he was also shouldering a large part of the war work by virtue of his being chairman of the Holland War Board, which made it necessary for him to be identified with the various drives incident to the war.

CRISP HAS A MILITARY WEDDING

A very pretty wedding took place at the home of Mr. and Mrs. G. Looman of Crisp in the presence of immediate relatives and friends, when their daughter Cora was united in marriage with Henry Boes, who has returned from overseas. Mr. Boes enlisted at the outbreak of the war, with the National Guards, 126th Infantry.

The bride was dressed in white crepe de chine, and satin, carrying a bouquet of carnations, while the groom wore his uniform. The rooms were beautifully decorated with the national colors.

At 5 o'clock an elaborate three-course supper was served by Mrs. W. Groenewoud, Mrs. Kooyers, Miss Sena Lievense and Miss Martha Altena.

Mr. and Mrs. Moes will make their future home in Zeeland where Mr. Henry Moes is employed by the Karsten garage. They will be at home to their friends after June 1.

FAMILY REUNION AT NEW GRONINGEN

The home of Mr. and Mrs. D. DeWitt at New Groningen was the scene of a happy family reunion when the mother of Mrs. De Witt, Mrs. Matilda Elhart, of Grand Rapids, came there to celebrate the 86th anniversary of her birth. Those who were present to participate in the event besides Mr. and Mrs. DeWitt and their eight children, were Mr. and Mrs. J. B. Elhart of Zeeland; T. Elhart of Grand Rapids; H. B. Elhart of Virginia Park; A. Elhart of Grand Rapids. Besides these four sons and their wives there were present two grand daughters of Mrs. Elhart, Mrs. G. H. Heuvelhorst and Mrs. Henry G. H. Moes, both of Zeeland with their respective husbands.

Mrs. Elhart is hale, hearty and active at her advanced age and enjoyed the reunion very much, receiving the best wishes of her children and grand children.

COLLEGE BOOTH IS SOLD TO THE CITY

The Hope College booth, located on West Eighth street has been sold to the Holland Police department and will be converted into a patrolman's booth. The booth has done very good service in all of the patriotic drives and many thousands of dollars were subscribed through its window in the various Liberty loans.

It is to be placed on the corner of Eighth street and Central avenue and is to serve all the usual purposes of a police booth.

SOLDIER'S RETURN MARKS REUNION

The return of George H. Gee, former Holland boy, recently a member of the U. S. Coast, was the occasion for a family reunion. Mr. Gee was, until May 22nd, a Radio Sergt. with the 44th Artillery, C. A. C. He left for overseas service with the first contingent of heavy artillery in August, 1917, returning in February, 1919 to Fort Totten, N. Y., where he was stationed until he received his furlough to the Regular Army Reserve May 22nd.

He arrived in Holland Sunday, accompanied by his bride, who was formerly Miss Agnes Mulken of Portland, Maine. They were married on April 22, last.

Those present at the family reunion Tuesday were Mr. Gee's mother, Mrs. Mary M. Moore of 57 W. 10th St. this city, Mr. and Mrs. Harold Porter, 1039 Sheldon Avenue, Grand Rapids with their three children, Mr. and Mrs. R. M. Carroll of 738 Oakland Av. Grand Rapids and two children; Mr. and Mrs. Clifford Harrington R. R. 5, Holland, Jervelo M., Miss Marion B. Gee of 57 W. 10th St. Holland, and the returned soldier and bride. This was the first time in several years that the entire family had been together and the occasion was a happy one.

HOLLAND TOWNSHIP SOLDIER RETURNS

Sgt. Major Manley Stegeman returned from overseas service after eight months and is now spending a few days with his parents, Mr. and Mrs. John Stegeman of Holland township. Mr. Stegeman will soon resume his former duties as efficiency engineer for the Marquette Vignette Works at La Salle, Ill.

TO LAY CONCRETE ON VRIESLAND HILL

Work has been begun on the grading of the Central Michigan Pike one mile east of Zeeland, known as Wentzel's hill. The grade will receive a considerable cut, which will greatly improve the travel on this hill and will extend for about one-quarter of a mile. After the grading has been completed, one mile of concrete road will be built there.

A daughter was born to Mr. and Mrs. Bert Naberhuis.

HOLLAND BOY IS HONORED BY SOLDIERS

"The Willard G. Leenhouts Post, American Legion."

That is the name of the Holland Branch of America's World War Veterans' organization. The name was unanimously adopted Friday evening at a large and enthusiastic meeting held in the court room of the city hall. The committee on choosing a name, appointed at a previous meeting, reported this name, giving as their reason for it that Willard G. Leenhouts had been the first boy from Holland killed in action. The report praised Mr. Leenhouts as one of the first to answer the country's call and as a soldier who had stood by the colors bravely until his untimely death on the field of battle.

The members of the Willard G. Leenhouts Post attended the exercises of Memorial Sunday and the Memorial day exercises in a body. On Sunday they appeared without uniform but on Memorial day they will appear in full uniform. Simon Den Uyl was appointed marshal for the army and Charles Ashe for the navy and marines. Sergeant George Terpetra of Grand Rapids told of the St. Louis convention and gave a stirring talk on "Americanism."

The real feature of the meeting was a red hot discussion about a suit that has been brought against Lieut. Simon Den Uyl, Jacob Lokker and C. A. Bigge by Ryner Dyke of West Olive. A number of stirring talks were given, including talks by Lieut. Den Uyl and Mr. Lokker. The meeting was in an uproar for more than an hour and the members of the Post pledged the moral support of the organization and support in every other way possible to the men against whom the suit has been started.

Soldiers were on their feet all the time, jumping up to express their opinions, and these opinions frequently sized. This took up the greater part of the meeting and when the gathering adjourned there was no doubt left as to where those present stood on the issue.

LOCAL MAN MAKES GOOD IN GEORGIA

Herman J. Stegeman, of Holland Township, former Hope College basketball star, has made a warm place for himself as coach at the University of Georgia. He has signed up as head coach at that institution for the coming year. How he is regarded in Georgia can be gathered from the following clipping taken from the Athens Herald of Athens, Georgia:

Mr. H. J. Stegeman, Georgia's baseball coach will leave Athens tomorrow at 6:30 for his home in Holland, Michigan, after a most successful stay of three months in Georgia territory. Mr. Stegeman came here in March as director of Mass Athletics under the Army Y. M. C. A. He was heralded as a four letter man from the University of Chicago and one of the best college athletes that ever came to Athens. He has fulfilled his alleged reputation in every respect and has come across with the goods in a way that has brought more 'glory to old Georgia.'

After a few weeks as director of mass athletics, Mr. Stegeman took over the coaching of the Georgia baseball team after the departure of Ivy Wingo to Cincinnati when the big league season started. Coach Wingo had made a splendid beginning with Georgia's baseball material and Stegeman took up the work like a master of the game, putting the finishing touches on the best baseball organization Georgia has developed since 1908.

Coach Stegeman's departure tomorrow will leave a lonesome place in Athens baseball and college circles but his friends will miss him for only three months because he will be back in September to take a position as head coach of all athletics at the University. A member of Chicago's baseball, football, basketball, and track teams, he will be well able to turn out some champion bunches for Georgia next year. Coach Stegeman has a wife and twins whom it is hoped he will bring back with him in September.

GETS PRIZE FOR HIS RABBIT EXHIBIT

Randall Bosch, son of Mayor and Mrs. N. Bosch, Friday received a beautiful magnifying glass as a prize for his display of rabbits in the recent exhibit of the Michigan Rabbit Breeders association held at Grand Rapids. The glass was offered as a prize by a Grand Rapids firm for the best display of rabbits at the show by a boy under 16 years old, and the Holland boy won it.

Adelbert Postney of Grand Haven was visiting friends in Holland Saturday.

CAPTAIN BOSWELL TO BE ON NEW RUN

G. L. Boswell formerly of the G. & M. line has been named captain of the Kalkaska, the vessel that is to inaugurate direct boatline service between Benton Harbor and Milwaukee. Mr. Boswell is well known in local marine circles. He has worked for the G. & M. and Goodrich lines and brought the steamer Puritan here from Toledo on her maiden voyage.

The Great Western Transit company will inaugurate its Milwaukee-Benton Harbor steamboat line service within three weeks. The steamer Kalkaska, recently purchased by the company for the run will go to dry dock for a few days and undergo changes and repairs. As soon as this work is completed the Kalkaska will begin operating between the two shores.

The Kalkaska 210 feet long, is now in Chicago. It is the plan of the company to bring the boat to Benton Harbor and redit her.

HOLLAND MAN AR- RESTED FOR SELLING UNDERSIZED TROUT

Peter Verduin who recently came to Holland with his pond nets from Grand Haven, and was fishing out of the harbor of this port, was arrested by Deputy Game Wardens Frank Salisbury and Dick Homkes for having in his possession a few bushels of undersized trout and whitefish.

This is against the law, and the game wardens have been suspecting for some time that Verduin was disposing of his smaller and illegal fish in an irregular way.

The State provides that these fish be thrown back when caught and the fishermen who have them in their possession are subject to arrest and the fish are sent to state institutions and hospitals.

Verduin has been in no end of fish troubles while at Grand Haven. The size of the mesh required in his fishing nets seemed always to be the legal battle ground.

RINER DYKE BRINGS SUIT FOR \$5,000.00 DAMAGES

The men who smoked out Riner Dyke of West Olive, compelling him to buy Victory bonds "will have to pay the damages," said the man who was smoked.

Suit has been filed with County Clerk O. Sluiter by Riner Dyke through his attorney Sybrant Weselius of Grand Rapids asking that the participants in the raid on his home be compelled to pay \$5,000 damages.

The suits thus far as filed are against Lieut. Simon Den Uyl, Jake Lokker and C. A. Bigge.

It is said suits against other men who also participated in smoking out Riner Dyke may follow later, possibly depending upon the outcome of cases against the first three.

Riner Dyke it will be remembered is said to have given the Holland committee an insulting reception when they came to his home to try to induce him to buy Victory bonds in order that lower Ottawa county might go over the top, instead of falling down as a slacker.

The members of the committee returned home with their story and a dozen other men again went to Dyke's home including several soldiers and sailors intending to play a waiting game, but when they found a great deal of socialistic and Bolshevistic literature including letters signed "Yours for the Revolution" that apparently had been sent to Dyke, they made short work in which sulphur gas and guns in the hands of Riner Dyke and also the soldiers played an important part, winding up with Riner Dyke and his father each buying \$250 worth of the bonds.

The aftermath comes in the form of a lawsuit against three of the participants, but what the allegations are going to be is not yet plain for the reason that the declaration has not yet been filed by his attorney.

In a telephone call County Clerk Orrie Sluiter states that several of the soldier boys were thoroughly aroused when they heard that a suit had been filed against these Holland men, including some soldiers.

There seems to be no doubt but that the majority in Holland will take up the cause of the Holland men judging from the meeting that was held Friday night by at least a hundred of Holland's patriotic citizens. As one attorney put it the men would be backed by the entire Ottawa county legal fraternity if that was necessary.

Just what course will be taken and on what grounds Riner Dyke will sue no doubt will be better known when the attorney for the plaintiff files his declaration.

Earle Hoeko of Holland is visiting at the home of his cousin, Mrs. Lewis Knox of Ganges.

TELLS STORY OF RESCUE FROM TORPEDOED BOAT

How she was thrown into the ocean with only a life belt to protect her, how she was picked up by one of the life boats that was rowing away from the torpedoed vessel "Persia," how the life boat floated for 36 hours before it was finally sighted by a torpedo boat destroyer, how the final rescue was effected after many hardships that tried the nerves of the strongest—that was the dramatic story dramatically told Thursday evening by Mrs. John Warnshuis, missionary to India, before a large audience that gathered at the annual business meeting of the Lincoln school Parents-Teachers' club.

Mrs. Warnshuis was on her way to India early in the war when the vessel she was on was struck by a torpedo and sunk. She told the story of that experience Thursday evening and it was a most thrilling one, recalling the scenes of horror that have been repeatedly depicted in fiction in the course of the war. Many passengers of the vessel perished, but Mrs. Warnshuis came through the ordeal safely.

After her talk, her husband, Rev. John Warnshuis, also gave a short talk on India's part in the world war.

Other numbers on the program were talks by George Scheuling, president of the Longfellow School P.T. club and by Principal C. E. Drew. The Lincoln School club gave Mr. Drew a rising vote of thanks in appreciation of what he has done for education in Holland during his stay here. The members of the Van Dyke orchestra, some of whom spent nearly a year in France were back and furnished music. Miss Evelyn Keppel sang a solo.

The following officers were elected for the coming year: president, George Woldring; vice president, Henry Van de Water; secretary, Frank Newhouse; treasurer, Ruth McClellan; press reporter, George Woldring. Mrs. Hieftje was given a vote of thanks for her work as chairman of the refreshment committee and was reappointed to that office.

ZEELAND TOOL CONCERN COMES TO HOLLAND

The Federal Tool and Stamping Co. of Zeeland, Michigan, was recently taken over by the Holland Lighting and Specialty Co. of this city, and the entire die making and metal stamping machinery moved to Holland. The reorganization, handled by Att. Thos. N. Robinson, one of the stockholders, will hereafter be known as the Federal Stamping Co.

The officers are: Thos. Ollinger, president and general manager; Henry Kraker, vice-president; John R. Spencer, secretary; and Henry Winter, treasurer. The four gentlemen, together with Mr. A. H. Landwehr, constitute the Board of Directors.

The corporation has \$25,000 paid in capital and will continue to manufacture the well-known veterinary appliances sold by the Veterinary Specialty Company.

Mr. R. B. Somers and Mrs. J. L. De Gipper, both expert tool and die makers, formerly with the Zeeland Co., have moved to Holland and will continue with the new Federal Stamping Co. located in the Veterinary Specialty Company building on East 20th St. between Columbia ave., and the P. M. tracks.

This new concern will also add a small force to Holland's working family and with the development of this new industry employment will be given to several more at fine pay.

"LOST" LOCAL YANK BACK IN AMERICA

Mr. and Mrs. B. J. Albers of this city Tuesday received a telegram announcing the fact that their son George Albers had arrived in New York and was expecting to arrive home soon. While Mr. Albers' parents live in Holland, his home is in Muskegon where his wife is living during the absence of her husband in the war. Mr. Albers for a long time was among the lost. He was serving in Russia and was a prisoner of the Russians for several months. During all that time his wife and his parents had had no news from him and they had almost given him up for lost, when an exchange of prisoners brought the former Holland man back to civilization. He served in the 339th division in Russia. He is now stationed at Camp Merritt from which he expects to be discharged soon.

Get Your Money's Worth

Most people have enough difficulty making money so they do not want to throw any of it away.

And there is a lot of satisfaction in positively knowing when you have made a purchase that you have received one hundred cents worth of value for every dollar expended.

Besides everybody is entitled to full value.

Of course there will probably always be people in the world who are bound to get the worst of a transaction.

And others who are always getting the best end of the deal.

One thing is certain, however, if you always buy

Lily White

"The flour the best cooks use"

you will always get full value for your dollar.

LILY WHITE FLOUR is sold under the guarantee that if you do not like it as well OR BETTER than any flour you have ever used the purchase price will be cheerfully refunded.

That guarantee means if LILY WHITE FLOUR does not give you complete satisfaction for every requirement of home baking the purchase price will be returned to you without quibbling or delay.

Besides getting your money's worth, bake-day will have a new interest for you, as the wholesomeness and goodness of everything made from LILY WHITE FLOUR, "The flour the best cooks use," will add a decided cheerfulness to the occasion.

PRINCIPAL DREW
WILL GO TO
WASHINGTON

Principal Charles E. Drew, who recently resigned his position with the Holland School Board will leave this city on July 5, after his work here is completed and will make his future residence at Washington, D. C.

Congressman Mapes needed an efficient secretary for the committee on the District of Columbia, and knowing Mr. Drew, and having heard of the reluctant acceptance of his resignation by the Board of Education, he immediately

Charles E. Drew

ly tendered the position to the Holland High School principal.

The position carries with it a salary of \$2,800 a year, and gives a man a greater chance to really become acquainted with the big men of the nation, which may stand him in good stead later on in life.

Altho Holland will regret that Charles E. Drew will leave them, together with his estimable wife, they will be more than pleased to learn of his good fortune and the recognition of his real worth in most any position he might be placed.

Congressman Mapes is a careful selector of the men he places around him, and efficiency only counts with him.

Knowing Mr. Drew and having watched his work in the Holland public schools, he felt that the position would exactly fit a man of Principal Drew's caliber and ability.

Charles E. Drew came to Holland fresh from Hanover College, Hanover, Indiana, when he was 21 years old.

This was in the fall of 1912 nearly seven years ago.

He put two summers in at Columbia University, and has also devoted much time to research work.

Mr. Drew is idolized by the student body, and in the point of athletics has put the Holland High school on the map nationally.

The fact that Holland's high school and the ability of its studentry is recognized by all universities, shows that athletics have had no deteriorating effect upon the students through neglect of studies, and as Prof. Waldo, president of the State Normal school puts it "the Holland schools taken as a whole, stand as high as any in the state."

Mr. Drew in applying his methods in the local schools has simply followed the old adage of "All work and no play makes Jack a dull boy."

LOCAL CHURCH
HAS A LARGE
OVERSUBSCRIPTION

The figures are now about all in regard to the centenary drive in the local M. E. church. With a few straggling figures still to be tabulated, but so few that they will not materially change the percentages, the local church is shown to have reached a percentage of 118 in the drive. The quota of the Holland church was \$14,085 and the amount subscribed was \$16,566.00. Thos. Olinger was the local campaign manager.

In the Grand Rapids district there are eight groups, and the Holland church was second in its group, while it was fifth in the district. All the churches in the district but one reached their quota. Austin Harrington was the financial chairman of the district. The district as a whole reached 106 per cent in its subscription.

West Olive church, which is a part of the local M. E. church organization, reached 113 per cent of its quota, which is considered a very good record for that community.

The Sunday school of the local church did exceptionally good work. It subscribed \$555.70 per year for the next five years, which is 158 per cent. This subscription was wholly voluntary on the part of the school. All the classes were asked to subscribe what they could and the large oversubscription was the result.

Have you ever heard this?

Henry Harmelink of Zeeland; singing of "America;" taps by Clarence Poppen, bugler of S. A. T. C.

MEMORIAL SERMON WAS A VERY FINE MASTERPIECE

A more ideal day for a Memorial Sunday could not possibly have been selected than yesterday. Everything in nature seemed to be set for the occasion and the sweet smell of spring and growing things made the day one long to be remembered.

Patriotic citizens went early to the Third Reformed church to take part in the Memorial Sunday exercises. The G. A. R. boys fewer in number, the W. R. C., the Spanish War Veterans and the soldiers of the World War just organized into the Willard Leenhouts Post, marched from the city Hall to the church edifice and were assigned special places of honor while listening to the discourse of Dr. Samuel M. Zwemer of Holland and Egypt.

The church was appropriately decorated for the occasion and timely music was rendered fitting the occasion. Mr. Zwemer choose for his subject "The Supreme test of Patriotism"

NINE HOUR DAY IS ADOPTED BY MERCHANTS

The Holland stores will go on the nine hour system. This was decided Tuesday afternoon at a meeting of the merchants held in the offices over the Lokker-Butgers store formerly occupied by the Liberty loan headquarters. Some agitation had been in progress on this question for some time, and the matter came to a head Tuesday when the merchants were called together to come to a decision, either to continue the present system or to adopt the shorter hour plan.

The merchants were well represented and the question was fully discussed, with the result that the nine hour plan was adopted. It will go into effect next Monday morning and the buying public had better get busy getting used to the new plan so that they will not find closed doors when they go shopping.

It was decided to open the stores at 7:30 o'clock in the morning, beginning next Monday, closing them at 5:30 in the afternoon. It is not believed that there will be any trouble about the half hour in the morning, as comparatively few people go shopping before that time, but it may take the public some little time to get used to the closing hour in the afternoon. Many people are in the habit of calling at the stores for last minute purchases just before six o'clock. Such persons after next Monday will find themselves disappointed.

It was further decided by the merchants not to go on the half holiday system the coming summer, the nine hour day the year around being looked upon as a sufficient substitute. It is possible that some groups of merchants may adopt the half holiday for themselves, but Holland merchants as an organization decided against it.

FOUND DEAD IN BED AT LANSING

Edward H. Takken, aged 50 years, a switchboard installer for the Bell Telephone company, died in Lansing while at work there. Mr. Takken's home was in Grand Rapids. He was found dead in bed at his room in Lansing Tuesday morning, heart failure being the cause of death.

The deceased was the son of the late Henry Takken of Holland. He is survived by one sister, Mrs. Burke H. Hills of Fennville. The funeral services were held from the home of Rev. B. Rottschaefer, 33 East 13th St. this city, Thursday afternoon at 2 o'clock, Rev. P. P. Cheff of Hope church officiating. Interment took place in Pilgrim's Home cemetery.

LOCAL PASTOR GETS CALL TO IOWA CHURCH

Rev. H. J. Veldman, pastor of the First Reformed church of this city has received a call from the First Reformed church of Newkirk, Ia. The church the not as large as Mr. Veldman's present charge, nevertheless offers him a substantial increase in salary.

Rev. Veldman expects to visit the church before rendering his decision but cannot do so until after he returns from the meetings of the General Synod, which will be convened at Asbury Park, N. J., next week Tuesday.

Mr. Veldman's pastorate in Holland has been a long one, perhaps one of the longest of any outside of Dr. Van Raalte's. Committees are now at work in his present charge seeking to raise \$14,000 for a new addition to the church.

How to Keep Well

"How to keep well" is the question engrossing the minds of those who believe that it is their inherent right to be well. Because of their search for a means to keep the body in tune and thereby maintain health, a readjustment has taken place.

Many of the methods which filled the need for a time have been relegated to the past; but one practice goes on and stands out in contrast thru sheer merit. For years it has stood the test; it is gradually enveloping the world with its beneficial influence. That new method of health is

Chiropractic Adjustment

In the face of criticism, interference and opposition born of ignorance, Chiropractic is overcoming all obstacles, because it is right. Its practitioners are numbered by the thousands, and men and women in all walks of life are having themselves adjusted as a means of keeping well. If it had no merit Chiropractic would not survive, and being right, it can do you no harm to investigate its claims and study its works and methods. Be health-wise; try Chiropractic.

Moolenaar was dragged along a little distance and as a result he sustained various bruises and cuts about the body. The victim of the accident is expected to be laid up for a day or two as a result.

FIVE BROTHERS MEET
RETURNING YANK

Luke Woldring, one of the men who returned to Grand Rapids with the new members of the Red Arrow Division that arrived there Sunday was one of the most surprised men in his company when he stepped off the train. Woldring who is a member of Co. L, was all set for springing a surprise upon his family here. He had it figured out that the family would not know when he would arrive in Grand Rapids, because he himself did not know it until a few days beforehand.

But the family had kept close track of the movements of his company and they knew he was to arrive in Grand Rapids Sunday night. So his five brothers, George, Cornelius, William, John and Ralph, set out to meet him. And when he stepped off the train the quintet were on hand with smiles of welcome. Woldring was the only Holland boy in his company.

JUSTICE ROUNDS
UP SUSPICIOUS
CHARACTER

Carl Harrison, alias Carl Haan, was sentenced Saturday for vagrancy and is now in the county jail for 30 days awaiting an investigation.

His apprehension was caused by his strange actions at the home of a Holland citizen living on River avenue.

The lady of the house who was buying greens from a peddler's wagon left the two children in the rear of the yard playing; one of the children was in a cab near the back porch quietly sleeping, when a strange man was seen by a neighbor lady fussing with the little child and taking something from his pocket.

Soon afterwards she noticed the man quietly tiptoe up the porch and first look in at the window and then try the screen door.

Knowing that the mother of the children was not there she hastily accosted the stranger, who instead of answering walked away glancing over his shoulder as he went. She followed the man for a little way but he soon made all possible haste to get away.

Justice Robinson and Chief Van Ry were immediately called over the phone and were advised of the facts and the justice and Officer Wagner went in search of the man. They caught him on Tenth street and when accosted would not halt, but instead tried to get away. The justice being sure from the description that this was the man stopped him but Harrison made out that he was deaf and dumb and asked to be advised in writing as to what was wanted.

They asked him his name and he wrote that it was Carl Harrison. Later he admitted that it was not Harrison but Carl Haan.

While looking the man over they saw protruding from his rear pockets a long file. This he quickly took from there and tried to place it into his inside vest pocket but at this point the justice ordered Officer Wagner to search the man and beside the file they also found some small saws, a small memorandum containing the names of prominent men of this and other cities.

A card from a home of deaf and dumb people authorizing the bearer to solicit funds for the home was also found. This card showed that the name of the person authorized to make such solicitation had been erased and that the name of Carl Haan had been substituted.

The man also carried a box of peculiar looking pills and it is thought that he had these in his hand when he took the child from the cab.

Other neighbors state that the man came to them with his arm heavily bandaged and was begging them for aid, stating that he had been severely wounded in an accident. The bandage was still around the man's arm but when removed it was found that the member was in good condition showing no traces of an accident, or anything else.

LOCAL FIRM

GIVES HOLLAND
FREE PUBLICITY

The Holland Furnace Company has joined the list of the national advertisers and the city of Holland is coming in for a great deal of very valuable advertising throughout the United States at the expense of this prominent local concern. Last week the Holland Furnace Company had a full page ad in the "Country Gentleman," the national farm paper published by the Curtis Publishing Co., that also publishes the Saturday Evening Post and the Ladies' Home Journal. And the full page ad was in a choice position on the inside of the back cover.

But the point of interest about the ad for local people is the fact that the word "Holland" stands out in it as prominently as a sore thumb, although much more pleasantly than an injured digit usually stands out. The word is printed in big letters clear across the page, and it appears in smaller type in various places in the text of the ad.

The ad is tastefully illustrated by children about a bonfire, and by pictures of homes comfortably heated by the product of this Holland industrial institution.

"The Country Gentleman" is the oldest agricultural journal in the world and its circulation is perhaps larger than any publication of its kind. This type of advertising carries the name of Holland to all parts of the Union.

SERIOUS FIRE
AVOIDED BY
NARROW CHANCE

Holland came within an inch of losing its beautiful high school building or at least of having it damaged by fire Monday evening. Due to a lucky circumstance, the damage was only slight, and except for one room the students of the high school were able to use the building Tuesday as usual, which would doubtless not have been the case if Miss Bertha LaFraugh had not happened to step into the chemical laboratory shortly after six o'clock.

Miss LaFraugh, of the Commercial Department, went into the building where she had a little work to do. She noticed the whole chemical laboratory was filled with smoke and she hastily gave the alarm to Supt. E. E. Fell. But before Mr. Fell arrived Mr. Sirtine was on the scene. He happened to go into the building at the critical time, after a game of tennis. He quickly deluged the flames in the floor with water and put them out. But it took some time before the smoke had cleared away and the extent of the damage could be ascertained.

It was then found that a hole had been burned in the floor in the chemical laboratory about three feet square and the fire had also begun to attack the wall. The amateur fireman however had come in time to prevent the flames from spreading, and it was only the lucky chance of the presence of Miss LaFraugh in the building at a time when it is usually entirely vacant that prevented serious trouble.

The fire, in addition to burning the hole in the floor, ruined one table. It is supposed to have originated in some chemicals in the laboratory. No fire alarm was turned in, and few people knew that Holland had just escaped a serious blaze.

SOLDIERS FROM
HOLLAND TO GET
MORE MONEY

Holland soldiers and in fact all the soldiers who have been honorably discharged have received their \$60 allowed them by the government.

But this is not the only money the boys are going to receive.

This paper has just received a communication from the War department at Washington giving in detail what soldiers are entitled to and how this money can be secured.

The Director of Finance having practically completed payment of the \$60 bonus, involving about 1,400,000 claims, is now settling additional travel allowance due enlisted men of the army under Section of the Act approved February 28, 1919, which authorized travel pay to enlisted men honorably discharged since November 11, 1918, at the rate of 5 cents per mile to actual bona fide home or residence, or place of original muster into the service, at the option of the soldier.

The Comptroller of the Treasury by decisions rendered April 17 and May 3, 1919, has authorized the War department to make settlement of all claims for the 1½¢ difference from place of discharge to place of entry into the military service, also the claims for additional allowance to actual bona fide home or residence at date of discharge when such bona fide home or residence can be determined from affidavit of the soldier and verified by information contained in his original service record. The Zone Finance Officer, Washington, D. C., has been designated to settle these claims with the above restrictions. Applications should be addressed as follows:

Zone Finance Officer
Lemon Building
Travel Allowance, Washington, D. C.

A blank form of application, which includes the necessary affidavit for the additional travel allowance, may be obtained from any Army Recruiting officer, Red Cross, or other agencies organized to aid soldiers. This affidavit must be accompanied by a true copy of soldier's discharge certificate, certified as such by a recruiting officer or the original discharge certificate. The latter to be returned with check. While payment will be made on the original discharge certificate, claimants are advised that the use of the copy will eliminate the possibility of the loss of the original. No further correspondence is necessary except in case of change in address.

A certified copy of discharge certificate submitted for payment of \$60 bonus and now on file in the Zone Finance office will be accepted in lieu of other copy of original discharge certificate. Men who have submitted these certified copies will so state when forwarding claim. Payments will be made as expeditiously as circumstances permit.

In the event that the actual bona fide home or residence at date of discharge, as claimed by the soldier, is not the same as stated on his original service record, the Zone Finance Officer will make settlement for the additional 1½¢ per mile on the same basis that the 3½¢ per mile was paid, that is, from the place of discharge to place of entry into military service, and soldier may make claim to the auditor for the War department for any additional travel pay which he believes may be due him.

SIXTH ANNUAL
BANQUET OF
Y. M. S. A.

At least 150 young people attended the Sixth annual banquet of the Y. M. S. A. held at the Women's Literary club rooms Friday evening.

Y. M. S. A. stands for Young Men's Society Association of the Christian Reformed churches of Holland, who meet in their respective churches every Sunday and meet jointly once a year and this was the occasion.

Rev. J. P. Bettoma, pastor of the Maple Avenue Christian Reformed church, was toastmaster of the evening, and he interspersed his introductions with take-offs and puns upon the speakers who made up the speaking program.

A six course dinner was served by the Ladies Guild which was up to the usual standard.

One of the features not printed on the program was a tableau of the famous song, "The Rose of No Man's Land" in which Albert Timmer gave a rendition of the song very creditably, Henry Top was the soldier boy who received aid from the Rose in the person of Miss Deane Beltman, depicting the Red Cross nurse.

Another number was one given by Gerrit Nyboer who gave a talk on his experiences in a German prison camp, and of several of the battles he participated in, in France.

An unexpected finale was a toast to the flag given by Gerrit Nyboer, just as the banqueters were leaving.

Mr. Nyboer has every reason to feel proud of the flag having fought under the emblem over in France and pointing to the stars and stripes he asked that three cheers be given for it, which was done with a will.

ZEELAND TO HAVE
ARCH OF WELCOME

Recently the common council of the city of Zeeland appointed a special committee of "Welcome to Soldiers and Sailors" with the avowed purpose of showing the "Boys from Over There" that those at home realized what they had done and honored them for so doing.

This committee, John H. De Pree, chairman, immediately decided as the first thing, to erect an arch, symbolic of the "Spirit of Welcome."

Zeeland's arch of welcome will have a span 36 feet and a height of from 14 to 16 feet. The span will be inscribed with the word "Welcome" supported by two columns one inscribed with the name "Sailors" the other with the name "Soldiers." The arch completed means "Welcome Sailors and Soldiers." It will be erected sometime this week probably placed in front of the Postoffice.

VICTORY CLUB HEARS ADDRESS ON BOLSHEVISM

The regular meeting of the Victory Club Monday noon was devoted to the Bolshevist movement. The meeting was in charge of President A. H. Landwehr, and was turned over to Rev. J. P. Battoma, pastor of the Maple Avenue Christian Reformed church, who in an able and splendid address presented a theory of the entire Bolshevist movement.

The speaker directed the attention of club to the fact that Bolshevism is itself a manifestation of sin; that when sin came into the world God designating that mankind should not fall into chaos instituted a form of government, at first crude in the form of the family, developing into government of tribes, cities, states and nations. Opposition to government, that is to God's law has always been manifest, taking various forms as government itself has taken various forms in its development, the highest type of government yet developed, being that of the democracy in the United States of America, the extreme opposite being that of its chaotic anarchy manifested in the present absence of government in Russia.

Rev. Battoma paid an eloquent tribute to the form of government of the United States and the flag by which that government and the people of the United States are represented, a tribute that brought forth vigorous applause from his hearers. Continuing he touched upon the dangers of Bolshevism, mainly the great danger that would naturally follow a failure to check by wisdom and justice on the part of those upholding God's law and God's government, those evil tendencies that make for disorganization and chaos.

CLASS FINISHES FIRST YEAR OF THREE YEARS' COURSE

The Community Teachers' Training Class, conducted under the leadership of Dr. J. E. Kuizenga, finished its first year's work Monday evening when the closing meeting before the summer recess was held. The class held election of officers, Albert Baak being chosen president for the coming year, and Dr. F. N. Patterson of Hope College secretary and treasurer.

The class is one of the largest of its kind in the state of Michigan, the enrollment during practically all the year having been between sixty and seventy. It is non-denominational, anybody from any denomination or with no church affiliation at all being eligible to membership. The meetings have been held in the Third Reformed church.

So far a year's work of a three years' course in training Sunday school teachers has been covered, comprising forty lessons. The second year's work of the course will be begun next fall when the class resumes work. Examinations covering the lessons are given quarterly, the questions being mailed in from state headquarters and the examination papers being sent there to be graded. In this way the students are assured of being graded by strangers. The local class has always stood very high in the examinations. At one time three local students of the class won standings of 100 per cent, and their papers were placed on exhibit at the State Sunday School convention at Cadillac.

Dr. Kuizenga has promised to again conduct the class next autumn. The members of the class declare it is largely due to his thorough work that the class has won the high place it holds among such organizations in the state.

MANY ORATORS TO TAKE PART IN CONTESTS

MEN ARE ENTERTAINED BY THE WOMEN'S CLASS

The Women's Adult Bible Class of the First Reformed church Monday evening entertained the Men's class, on the occasion of the quarterly meeting of the latter. After the men's class had transacted the necessary business, the ladies appeared on the scene and put on a fine program of dialogues, readings, solos and duets. At the conclusion of the program refreshments were served by the ladies.

WOMAN'S FEDERATION HOLDS MEETING

The first quarterly meeting for 1919 of the Federation of Women's Bible classes met in Trinity church Friday night. A large number were present. The following program was given: scripture reading, Mrs. Nettinga; a prayer, Mrs. E. Markham; address of welcome, Mrs. Ossewaarde; and an address on "Life and Work in India," by Mrs. J. Warnshuis. Mrs. Warnshuis described very vividly her work in India and gave several reasons why she labored among the people of India. She also sketched the conditions of women in India, especially in the villages and also told of many instances where she administered medical aid which is very much needed there. The Misses Ottema very beautifully rendered a vocal duet and Ruth Hyma gave a reading. After a social hour and refreshments the meeting adjourned.

Mrs. L. Muder left Monday for Muskegon where she will be the guest of her children Rev. and Mrs. A. Karreman. She will remain until Decoration day.

Krieno Wiersma living at 88 West Twelfth street died Wednesday morning at the age of 64 years after an illness of a year and a half. Mr. Wiersma came to this country from the Netherlands 64 years ago and with the exception of living in Grand Rapids for a short time only the rest he spent in Holland as a cobbler. The funeral will be held on Saturday afternoon at 2 o'clock from the home. Rev. E. J. Tuuk pastor of the Ninth street church where the deceased was a member, officiating. He is survived by a widow and five children, Alderman Ben Wiersma, Richard (just back from France), Neal, William, Mrs. L. Van Appeldoorn all of Holland.

HOLLAND PROMINENT AT SUNDAY SCHOOL RALLY

Berlin, Ottawa county and not Germany, was the host of the No. Ottawa County Sunday School rally, at which South Ottawa furnished the speakers and the singers.

John Vandersluis led a chorus of 30 voices and Prof. J. E. Kuizenga of the Western Theological Seminary and Henry Geerlings, chairman of the State Sunday School Association were the speakers. A delegation of 300 from Conklin, Coopersville and Berlin, were present and a very enjoyable and a most profitable day was spent.

Two auto loads from Holland left early to be present at the rally, among them being Joe Kooiker, Mrs. John Vandersluis, Prof. J. E. Kuizenga, Henry Geerlings, John De Goede, C. J. Smith and Miss Henrietta Warnshuis.

Expires June 14—No. 7773

STATE OF MICHIGAN—The Probate Court for the County of Ottawa.

At a session of said court held at the Probate Office in the city of Grand Haven, in said county, on the 27th day of May, A. D. 1919.

Present: Hon. James J. Danhof, Judge of Probate.

Cora Vande Water, Register of Probate.

STEEPLE JACK IS ARRESTED BY THE POLICE

William J. Duiker, of Lansing, Illinois, it has at last been found out, is the steeple-jack who tried to climb the sides of the First State bank, at midnight, Sunday, April 13, and as he has told the police, "In order to show his fellows, several in number what an efficient human fly he would really make."

The man told the police that after he had got over the entrance and grabbed the heavy stone, that it seemed to come right towards him with little effort, and had he not jumped quickly he no doubt would have been killed by it.

What brought this bank episode to light was the fact that Duiker on May 26th also on Sunday night at midnight got another streak, and tipped over the Hope College Liberty Loan booth near the Strand theater, doing considerable damage to it.

Duiker seems to be a high-strung individual who apparently must have some outlet for his effervescent nature but Justice Van Schelven gave him a settler when he compelled Duiker to pay damages to the amount of \$49.70.

This amount was distributed as follows: \$10 fine; \$4.70 costs; \$10 damages to the Liberty loan booth; and \$25 paid to the First State bank for damages done to the building and walk.
