Another Meeting For Deliberations Scheduled Friday

City Council will resume discussions at 5 p.m. Friday on whether to shift the site for the new county branch building from Little Netherlands at 13th St. and Central Ave. to the City Hall site at 12th St. and River Ave., following an hour and a half meeting here Tuesday afternoon.

The special meeting was called by Mayor Robert Visscher after the Ottawa County Board of Supervisors at a special meeting Monday voted to delay action on building sites in Holland for 30 days to allow Holland officials time to complete the transfer, if such can be effected.

Specifically, the county board by unanimous vote empowered the Buildings and Grounds committee to work on a new agreement. If a new agreement is not effected in 30 days, the committee was instructed to complete final plans for using the 13th and Central site. This involved such technicalities as easements and resolutions, all of which were ready to be signed at Monday's meeting.

As opinions were registered over the 90-minute meeting Tuesday, it was evident that there was no unanimity of opinion, and in view of the fact that several Councilmen and Mayor Visscher were due at the Junior Chamber of Commerce banquet, Councilman Nelson Bosman moved that the meeting be adjourned until Friday.

Councilman Robert J. Kow, who sent the initial communication to the Board of Supervisors on behalf of himself as a Councilman and not speaking for the Council, explained his stand.

"The proposed location at 13th and Central is rather far away from City Hall. We have quite an investment there in Little Netherlands. I don't know what the figures will be this year, but last year even though there was considerable capital expenditure, we netted \$2,000 for the season. I have been told if the city or the Tulip Time board must tear down Little Netherlands and relocate it, it might involve an expenditure of about \$25,000.

"Secondly, when county offices are moved from City Hall, a lot more space will be available for city functions and when and if a new library is built there will be even more space. I can't see any necessity for City Hall expansion in the immediate future even if annexation does take place.

"Third, I feel the city-owned property on Central Ave. between 12th and 13th should not be broken up. It might make a good site for a new library some day perhaps with more property to the east. The site next to City Hall is not large enough for a library," Kow said.

He then moved that the city convey the site at City Hall to the county consisting of 1 1/2 lots or about 82 feet on 12th St., which is approximately the same frontage the county originally obtained farther west on 12th St. occupied by the so-called Wagner and Ferris houses. This site was abandoned when the Holland appeal board declined a variance. Kow's motion was seconded by Bosman.

Councilman Henry Steffens, who opposes the new proposal, presented his viewpoint in three lights. "As a citizen, I believe the city should keep and use its own land for its own purposes—either governmental or cultural uses. As a Councilman, I feel it is not only the function as a legislator but an obligation to guard and conserve the property of the city—not give it away.

"As a citizen of the county, this appears to me to be the first step in moving the seat of the county government from Grand Haven to Holland. I hope this is true, since the greater population is in the Holland-Zeeland area. Before our county builds a building to serve but a segment of the population I'd like to have the supervisors study the needs of the county, and whatever is needed in the future in the way of buildings would fit the needs.

Zeeland Water Customers Hear About Pipeline

Special Vote Set
On Water Authority
On Tuesday, June 4

ZEELAND (Special)—About 150 Zeeland residents attended a public meeting of water customers Tuesday night in the City Hall to review the proposed Grand Rapids-Ottawa Water Authority.

Elmer Hartgerink, chairman of the Board of Public Works, said he was happy with the turnout, considering several conflicts with other meetings and said the people displayed a positive attitude toward the plan.

A motion picture, "Water—Wealth or Worry for America," was shown along with slides of the proposed water system to be built from Lake Michigan to Grand Rapids.

Hartgerink said he told the group the city feels it has exhausted exploration for more wells for commercial purposes in the last six or seven years. He pointed out that Zeeland's two present well fields are barely supplying the need and they will have to be used until the water authority, if passed, is completed in roughly four years.

Taxpayers and non-taxpayers of Zeeland will vote with Grand Rapids, East Grand Rapids, Grandville, Wyoming Township, Paris Township, Hudsonville and Georgetown Township next Tuesday on whether they want to join the project, which is estimated to cost \$23,000,000.

Both the City Council and the BPW have endorsed the authority as a solution to Zeeland's water problem and urged a "yes" vote.

The business meeting was followed by a social hour with Mrs. Barrett and Mrs. Riemersma serving refreshments.

Zeeland Man Pleads Not Guilty to Charge

GRAND HAVEN (Special)—Jason Kraak, 35, of 118 N. Centennial St., Zeeland, pleaded not guilty in Circuit Court this morning to a charge of felonious assault.

He waived the reading of information and his attorney said he will file a motion to quash the information based on the law with reference to the definition of assault—that the testimony taken at the examination before the justice showed no assault under the definition thereof.

The alleged offense occurred in Zeeland, April 13, when Kraak was stopped by Police Sgt. Lawrence Veldheer of Zeeland, for having only one headlight. After Kraak was stopped it was discovered he had an automatic shotgun in his car.

Students, faculty and alumni of Hope College will offer their best wishes to Prof. Albert E. Lampen when he officially retires from the faculty, June 3, after serving as head of the college mathematics department for 39 years.

Dr. William Vander Lugt, dean of the college, said, "Prof. Lampen has formed the minds and the lives of many Hope College students. He is a teacher both by vocation and temperament. He scores very high on all three essentials of a good teacher. He knows his subject, he is enthusiastic about it and he loves the students. One or two of these qualities may be found in many teachers, but to excel in all three is reserved for the few. Prof. Lampen is one of the few."

Dr. Irwin J. Lubbers, Hope president, said, "I have a feeling that Prof. Lampen will not be leaving us completely. After all he has finished only 39 years as a faculty member at Hope. He will have to somehow round out his 40th year even if he only visits with us over

Prof. A. E. Lampen

a daily cup of coffee in the college Koffie Kletz."

The professor, himself, puts it this way, "I do not expect to remain idle. I have been secretary of the Reformed Church Board of Benevolences since 1930 and a member of the Third Reformed Church consistory for 30 years. I hope to continue these activities as well as my membership on the Western Examining Committee of the Reformed Church Board of Education." He also is serving as chairman of the Michigan section of the Mathematical association of America.

Last Rites Held For Fruitport Drowning Victims

GRAND HAVEN (Special)—Separate funeral services were arranged Monday for two Fruitport men who were drowned about 7:15 p.m. Friday while fishing at Big Bay de Noc in the Upper Peninsula.

The body of Grant Taylor, 57, retired businessman who formerly operated a garage and sold insurance, was recovered at 10 a.m. Saturday, and the body of Paul Henry Cooper, 45, dairy bar operator, was recovered about 1:45 p.m. Saturday. Both bodies were taken to B. A. B. Funeral Home in Spring Lake Sunday night.

Taylor is survived by the wife, Eunice; two brothers, Stanley of Fruitport and Clifford of Spring Lake, and a sister, Mrs. Paul Hostetter of Grand Haven. He was a charter member and past president of the Fruitport Lions Club.

Cooper is survived by his wife and four children, Ronnie, Patricia Ann, Jim and Kenny. Cooper was past-president of the Lions club, active in school and community activities.

The two men apparently were thrown from a boat while fishing during rough weather. They had gone north with Jim Boongard of Grand Haven and Bill Bosma of Muskegon a week ago on a fishing trip. The four had gone fishing in two boats Friday, and it is believed the two victims were thrown from their 14-foot aluminum boat by four to five-foot waves. The two boats were about two blocks apart and the survivors were not aware until they saw the boat circling empty on the choppy waters. They had been fishing in water 20 feet deep about two miles from shore.

The fishing place is 106 miles north of the Straits.

Relatives were informed at noon Monday that there is a possibility that Taylor died of a heart attack since examination revealed no water in his lungs and he was still wearing his glasses when his body was recovered. In view of the fact the Cooper had a large gas on his forehead, there's a possibility he may have struck the boat in trying to keep Taylor from falling out of the boat.

3,000 Scouts, Leaders Attend Huge Jambo-Ral

The three-day Grand Valley Council Jambo-Ral wound up Sunday at the Allegan Fair Grounds with a general convocation for the 3,000 Scouts and leaders.

Dr. Irwin J. Lubbers, president of Hope College, one of three speakers stressed a boy's obligation to serve his country, his fellow man and his God. Other speakers were Rabbi Oscar Fleishaker and the Rev. Joseph McKinney.

The convocation theme was "The World Brotherhood of Scouting." During the closing ceremonies three representative Scouts presented \$220.87 which had been collected as a donation to the World Friendship Fund.

Bernard Shashagany, section camp director for the Ottawa District camp, hailed the Jambo-Ral participation by local groups as a huge success.

The outstanding Chippewa camp site was one of 11 large camp areas which featured the Jambo-Ral theme, "Onward for God and My Country." Seen throughout the camp were large teepees, towers, flags, tents of all descriptions and cooking and dining shelters.

Robert Damson, Eagle Scout and holder of the God and Country church award, presided at opening ceremonies for the show Saturday night. Chippewa District Scouts and Explorers massed a huge display of American flags flanked by Scout Unit flags.

Activities included hundreds of demonstrations, displays and skill exhibitions. Saturday the Scouts saw marksmanship demonstrations, Scout movies and visited the exhibit area and archery range.

Sports School Planned for Boys

The Recreation Sports School for boys eight through 13 will start its fifth summer of operation Monday, June 17 and a capacity enrollment of 120 is expected.

The four-week program runs each afternoon from 1 to 4:30 p.m. until July 12 and encompasses just about every sport a youngster would want to learn.

This year the fee for the sports school has been lowered to \$5, half of the fee for the past four years. The change was made to benefit parents with several boys.

The program won't interfere with the Recreation American Legion C League baseball league because all baseball will be played in the evenings.

Plans call for two age and ability groups. They will depend on age, size, ability and playmates.

Instruction will be given in a variety of sports by trained coaches. Bob Connell, Holland High varsity basketball and cross-country coach, will head up the program assisted by four top-flight assistants.

Ted Boeve, freshman football and trick coach at Holland Junior High, will help out along with Del Grissen, former Holland High and Hope College athlete and now majoring in physical education at Western Michigan University.

Tom Maentz, who is regarded as top end prospect for the Chicago Cardinals in the National Football League, is another aide. Maentz formerly played at Holland High and the University of Michigan and was captain of the Michigan football team last fall. Harold Streeter, former elementary physical education consultant and now principal at Washington School, is the other assistant.

A regular meeting of the Retail Merchants Committee of the Chamber of Commerce is scheduled Monday, June 3, beginning at noon at the Dutch Mill Restaurant.

Holland School District Stands To Lose Money

Supt. Scott Says
Approximately \$60,000
Will Be Cut Off

Based on this year's figures, the Holland city school district stands to lose approximately \$60,000 in funds for the coming year based on the new school bill which the state legislature adopted Saturday.

According to Supt. Walter W. Scott who spent Thursday in Lansing, the reduction in local funds involves some \$27,000 in state aid and \$35,000 in tuition.

Based on a reduction of some \$4 per member, Holland with a membership of about 3,700 pupils will lose some \$14,800 for the year ending June 30, 1956. However, funds normally available in August will be immediately available through legislative action, Scott said.

The legislative bill also increases the deductible millage from 2 1/2 to 3 mills, and this 1/2 mill based on \$49,000,000 state equalized valuation amounts to a \$12,500 reduction in Holland. The state bill also changes the formula for calculating tuition. The old formula called for per capita cost plus 25 per cent plus 12 1/2 per cent. The new formula calls for per capita cost plus 15 per cent plus 12 1/2 per cent. This amounts to \$35 per tuition student in Holland. Based on 1,000 tuition students, the loss is \$35,000.

Besides that, the legislature has placed a limit on reimbursing tuition for the coming year. During the current year, the state paid out \$5,200,000 in reimbursement. The limit next year will be \$3,000,000.

This means that although maximum tuition rates are reduced, sending districts will be paying larger amounts from their own revenues. The tuition rate in Holland the current year was \$233 of which the state paid approximately \$100 and the sending district \$133. Under the new figures, Scott believes the sending districts will be paying close to 150 next year.

The school aid bill also includes many amendments on such fronts as special education, transportation, and the like. A compensatory measure in some instances will be the increased state equalized valuation which will allow some districts to raise more in taxes.

Scott paid high tribute to State Sen. Clyde H. Geerlings of Holland and State Rep. George Van Peursem of Zeeland, and to the many other hard working legislators who have been working on the school bill since the beginning of the year.

Supt. Scott said there would be an early meeting of the finance committee to study ways and means of dealing with the \$60,000 reduction in funds. He said it was likely that the teaching staff be reduced — that certain positions would be consolidated. Secondly, he said supplies and equipment would be reduced, and thirdly, the size of classes will increase.

He said every effort would be made to maintain the high quality of the program and saw no reason at the moment to cut such items as music and foreign language.

"We must try to get through these rough spots without hurting the children," he said.

We'll try to cut the local program in places where it will hurt the least, but we'll cut the program rather than put the full burden on local taxpayers," Scott said.

"We all share great concern for the tax levy, and we'll just have to re-trench where we can."

He said there may be some redistricting for elementary schools in the general program of increasing the teacher - pupil ratio.

Legion Course Is in Top Shape

Groundskeeper Elton Cobb at the American Legion Country Club course has been a busy guy the last few weeks getting the course in shape and trying to fill in some of the mud holes.

But he's been successful and right now, barring any more rain, the 18-hole course will be in the best shape of season for the Memorial Day weekend play. Cobb plans to mow both the fairways and greens twice before Thursday.

The course should be crowded Thursday but a members-only reservation plan has been worked out. If a foursome knows the exact time they wish to play, they should contact Pro George Slikkers and set it up.

Reservations are set every seven minutes along with free periods when green fee players may tee off.

The Criers tournament for members will be the big Memorial Day event. This is a handicap event in which all members or those playing, throw out their highest score on any one hole. Prizes will be awarded to the first five low scores and then the 10th, 15th and 20th places.

A blind bogey and a low putt contest also are planned for non-members.

The ladies, who began play at the course today, may begin playing after 2 p.m. Thursday.

Competition has started in the Budde Best-Ball tourney and the deadline for the tourney has been moved from June 16 to June 24.

Camp Fire Girls Awards Committee Meets Now to Pass Girls in Rank

The committee of awards of the Holland Council of Camp Fire Girls is now in session several times weekly passing girls in rank, in preparation for the Grand Council Fire to be held Tuesday, June 4, at 7:15 p.m. in the Civic Center.

Ranks in Camp Fire mark the progress of work and fun that the girls have in their group experiences. Each rank has its own desire and special insignia, and the requirements for each are carefully prepared to fit the needs and desires of the girls at different age levels. First comes Trail Seekers, then Wood Gatherers, Fire Makers and Torch Bearers.

Pictured above is a group of Fire Makers passing rank with the chairman of the committee, Mrs. Adrian Van Putten, and her assistant, Mrs. Carroll Norlin.

As the girls grow, camping requirements are increased as well as home responsibilities and community service. An example of how these requirements are geared to age levels can be shown in

service requirements. Trail Seekers make favors for patients at Holland Hospital and convalescent homes. Wood Gatherers give two hours of service helping in a community garden or cleaning up public property or growing plants for shut-ins. Fire Makers are required to give three hours of service to their own Camp Fire program either in the office or helping with Blue Bird groups.

Highest rank in Camp Fire is Torch Bearer, and here the requirements are so exacting that only a limited number of girls pass this rank each year.

To pass any rank girls are required to earn honors in seven crafts. These include home, creative art, outdoors, frontiers, business, sports and games and citizenship.

Serving with Mrs. Van Putten and Mrs. Norlin on the committee of awards are Mrs. Joe Fabiano, Mrs. John Larion, Mrs. Andrew Dalman, Mrs. La Vern Regnerus, Mrs. Dale Shearer and Mrs. William Plum.

Maroons' Dykema Throws One-Hitter

Another great pitching performance by Merle Dykema, Holland Christian's junior right hander, gave the Maroons a 4-0 win over the Zeeland Chix at Riverview Park, Monday afternoon.

Dykema, who threw a no-hitter in his last start, limited the Chix to just one hit.

The win was sweet revenge for the Hollanders, since the Zeelanders had taken a 1-0 victory over the Dutch, two weeks ago. Christian's win was their fourth against five defeats so far this season.

The locals close their season Wednesday night, under the lights at Riverview, taking on Hudsonville Unity Christian nine. The Unity club has won 11 while dropping just one this season.

Dykema, in addition to allowing the one safety, walked only two batters and struck out nine Chix. Max De Jonge went all the way on the mound for the losers, giving up seven hits, walking no batters, and striking out seven.

After three scoreless innings, the Dutch jumped on De Jonge for four hits in the fourth inning to open the scoring. Centerfielder Dan Bos opened with a single and Leftfielder Paul Sterenberg followed suit to put two runners on.

Two successive Chix errors permitted both runners to score. Firstbaseman Warren Otte and Catcher Allen Walters also singled to drive the third runner across.

Christian added another run in the fifth inning with the same scoring combination. Bos started it with a single, went to second on an error and scored on Sterenberg's one base blow.

Zeeland got a runner as far as third base just once, that in the third. An error and Zeeland's lone hit by Shortstop Bryon Mohr was as close as the Chix could come to scoring.

Sterenberg, Bos and Walters led the Dutch offense with each getting two hits.

Switzerland Throws Welcome Mat Out for 48th Rotary Convention

(Mr. and Mrs. Lawrence Wade of 282 West 12th St., Holland, currently are on a tour of Europe. Mr. Wade, a member of the Holland Rotary Club, attended the Rotary International Convention last week in Lucerne, Switzerland. Following is his account.—Editor)

By Lawrence Wade
We arrived in Lucerne Sunday afternoon in time to attend the evening session of the 48th Rotary International Convention after an interesting experience on the train from Baden-Baden. The train was crowded and seats were not reserved so we had to share a compartment with five other persons who also were going to the convention.

A young couple was from Vancouver, Canada, and another from Chautauque, Kan., by the name of Earnest Johnson. Johnson is editor of the local paper in Chautauque. He knew all about Holland, having met W. A. Butler, Sentinel publisher, at a publishers' convention.

The opening feature of this convention was the usual address of welcome. It was hard to follow and somewhat tiring as each speaker there were three—gave his speech in English, German and French.

Following the "speech making," groups from all parts of Switzerland, dressed in their native costumes, staged a beautiful pageant of Swiss folklore. The title was "The Dreaming Apple Tree." The pageant depicted the four seasons in different areas of this country. Hundreds of people took part in the many songs, dances and games.

The horses, cattle, goats and sheep were from the government experimental farms and were beautiful animals. We heard that it took almost a year to get this production together.

There are 9,800 registered for the convention and almost 5,000 are from the States. The committee in charge of planning has done a grand job in getting us housed and fed. Most of the food has to be imported from other countries because the Swiss cannot grow enough for themselves. We get very good meals, the service is good and there is plenty of variety on the menu. We are staying at Engelberg, a small mountain resort town with more hotels than homes, I do believe. It's 7,000 feet above Lucerne with snow-capped peaks all around. You can get to some of the peaks by cog rails and cable cars where skiing is good all summer.

Monday morning we met Dr. Roland Meyer, a former member of the Holland club, on the street. Doc and his mother lived in Holland for about five years when he was associated with Holland Color Co. Mrs. Meyer returned to Lucerne about a year ago and Doc is back for the first time in nine years, on business. They have taken us to all the interesting places and really showed us the town. Mrs. Meyer and Mary went shopping at some of the good stores they have here.

Monday evening we drove out a short distance from the city and had a real Swiss dinner at a good hotel. It was like a home-cooked meal and a treat after eating in

ARTIFICIAL LIMBS — Donna DeYoung, 6, of Grand Haven, who was born without legs, demonstrates artificial limbs before the Senate Committee on Labor and Public Welfare in the Old Supreme Court Chamber at the Capitol Friday. Plucky Girl Shows Off Her Artificial Limbs

WASHINGTON — Six-year-old Donna DeYoung of Grand Haven, Mich., walked without concern across a platform Friday and congressmen and spectators cheered.

Donna was showing how well she could walk with artificial limbs. The youngster, who was born with no legs, helped demonstrate to the Senate Labor Committee the advances made in prosthetic limbs.

Donna is the daughter of Mr. and Mrs. Wesley De Young of Grand Haven. Mrs. De Young is the former Marion Dykema of Holland, daughter of Mr. and Mrs. Dykema of 51 East 19th St., Holland.

Dr. George A. Aitken, consulting orthopedist for the Michigan Crippled Children Commission, lifted Donna and gave her a gentle shake.

He wanted to demonstrate, he explained, that Donna's artificial limbs, though attached by no cumbersome harness, need nothing more than suction to stay on.

Then Dr. Aitken gave Donna a lollipop, and she walked back to her seat.

The audience applauded — including 4-year-old Diana Beckett from Beltsville, Md., who sucked her own lollipop and enthusiastically clapped her good right hand against a substitute. She lost her left hand in an accident two years ago.

Donna and Diana were two of the youngsters who stole the show as the prosthetics research board of the National Academy of Sciences and National Research Council demonstrated the artificial limbs today before the committee.

Aitken and two other physicians stressed the importance of cooperation by a team of physician, vocational therapist and prosthetic expert in effecting rehabilitation of amputees.

Gen. F. S. Strong, chairman of the prosthetics research board, said the board was doing its best to spread the word about the advances in prosthetic limbs by sponsoring courses for vocational rehabilitation experts from across the nation.

Labor Committee Chairman Lister Hill (D-Ala.) said the results have been "striking."

Among the committee's guests was Sen. Charles E. Potter (R-Mich.). A disabled veteran of World War II, Potter has two prosthetic legs.

Kathryn Glen Schutmaat, 2-month-old daughter of Dr. and Mrs. Alvin Schutmaat, was feted at a Christening party at the home of her grandparents, Mr. and Mrs. Leo M. Loew, 61 Cherry St., Sunday, following the Methodist Church services.

L. Loew of Holland, Miss Flossie Loew of Burnips.

Mrs. William Stickle of Allegan, Mr. and Mrs. Edward Evers of Holland, the Rev. and Mrs. John Hagans of Holland, Mr. and Mrs. Howard Shutt of Battle Creek, Miss Menuela Moreno of Holland, Mr. and Mrs. Paul Stickle of Glenn, Mr. and Mrs. Fred Kasten and family of Hopkins, Mr. and Mrs. Paul Semon and family of Allegan, Miss Jennie Prince of Holland, Emmet McFall and son, Barry, of Emmet.

Run in 7th Wins For Dutch Over Muskegon Catholic

For the second straight day Holland High's baseball team pushed across the winning run in the last of the seventh inning.

The Dutch accomplished the one-run victory Friday against Muskegon Catholic and took an 8-7 decision at Riverview Park. They had done the same thing Thursday with a 2-1 win over Grand Haven.

Terry Otting, peppery second-sacker, was the Dutch hero as he pounded the ball against the left field grandstand to score Bill Tornovich, who had walked, with the winning run.

Otting, who has hit safely in every one of Holland's 12 games, boosted his batting average to .475 with three hits in four trips to the plate.

Muskegon Catholic took a 3-0 lead in the second inning after scoring two tallies in the first on a single, triple and error and one in the second on three singles.

The Dutch broke the ice in the bottom of the second with the Freriks boys supplying the push. Dennis Bluekamp and Joe Howard singled and were advanced by Jay Freriks' sacrifice. Ned Freriks drove both runs home with a line single.

After the Crusaders had scored another run in the third on two singles and a double, Holland came on the last part of the inning with three runs. Ron Kuylers singled, Bob Stoel walked and both advanced on a wild pitch. Otting then singled to drive in two runs and scored on Howard's single.

Two Muskegon runs crossed in the fifth on three singles and an error and the Crusaders added their final score in the sixth on a single and double.

Holland put two more on the scoreboard in the last of the sixth as Stoel singled and Otting doubled and then both romped home on Bluekamp's long double.

Otting had three and Stoel and Bluekamp each had two hits in Holland's 11-hit attack. The Crusaders slapped out 14 safeties.

Three stolen bases helped the Dutch cause.

Kuylers received the win, his third without defeat.

Iraqi Official Likes Government, Schools

It would take 25 years to establish a modern school similar to Thomas Jefferson elementary school in a city the size of Holland in Iraq, according to the assistant governor of one of Iraq's provinces.

But Bakir-Al-Dijah, who visited Holland most of last week on the International Educational Exchange Program sponsored by the United States Department of State, was quick to point out that his native country has good educational facilities.

"We have many primary schools," he said, "but they are not like the ones in the United States." In the capital, Baghdad, he said, there are modern schools, but not too many.

Dijah spent three days in Holland as a guest of Hope College. He visited the City Hall, schools, the water filtration plant and Holland Municipal Court.

Besides the schools, he was impressed with the courts. Courts in Iraq, he said, are separated into smaller ones comparable to our justice or municipal courts with special courts for criminal proceedings. Judges are appointed by the Ministry of Justice.

Dijah, on his first visit to the United States, pointed out a difference in government administration. "Here," he said, "your governor and mayor are elected. In Iraq, they are appointed by the federal government."

Dijah is the assistant governor of Amara, one of 14 Iraqi provinces. The U. S. State Department asked him to visit here to get a look at American practices. When he returns he will give a report to his government on what he has seen and done and will make recommendations of what could be done to improve Iraq. He was not sure whether all his suggestions would be adopted or acted upon.

He liked Holland and said it was a "clean and quiet" town. The people are "very kind," he said, "especially the officials and professors."

While here, he said he was going to visit friends and families of Reformed Church missionaries he knew in Iraq.

Traveling alone, Dijah will spend 15 days in California ("the climate there is more like ours") before returning to Iraq, July 10.

Memorial Day Races Planned

A special Memorial Day race card is planned at Airpark Speedway and with an assist from the weatherman, the first full-fledged program can be completed.

Time trials Thursday will be held at 1 p.m. and the first race at 3 p.m.

A 50-lap modified feature and a 40-lap strictly stock race are planned along with the regular race program.

The wet track at last Saturday's opening night forced cancellation of several of the events. No qualifying laps were run.

Al Newbre crossed the line first in the fast car dash with Dale Adams and Dale Vischer taking the flag in the pursuit and second heat. Harold Ende was the winner in the first heat and feature events. The strictly stock honors went to Jack Villwock and Ray Lockwood.

Play School Set Again for Summer

Holland rea kids, who will be all tired out from doing "nothing" after the first few days of summer vacation, will be able to get rid of lots of energy at the annual summer play school.

The summer school, sponsored by the Holland Recreation Department and scheduled to be held at the five public school elementary buildings, will begin June 24 and conclude July 19.

Sessions will be held at Washington, Longfellow, Van Raalte, Lincoln and Jefferson from 9 a.m. to 12 noon Monday through Friday.

Youngsters of all ages are welcome as long as they can find their way to and from the playground. Most of the children are from three to 15 years. Usually attendance runs from 150 to 350 at each school playground.

Parents are invited to attend with their children and inspect the facilities.

A varied program of games, stories, archery, baton twirling, feature days and handicraft are planned to keep the children occupied. Detailed outlines of the play school will be sent home with the children attending the school.

Two women and one man will handle the supervision at each playground.

Man Acquitted

Jack Bronson, 21, who lives at Seventh and College, was found not guilty at a non-jury trial Thursday on a charge of violating the restrictions of his operator's license. His restricted license allowed him to travel to and from his work and in the normal course of his work.

Heights Group A Corporation

The Holland Heights Park and Recreation association became a non-profit corporation Saturday with the receipt of its corporation papers.

A progress report on the park being constructed at the corner of 10th and Calvin in Holland Heights was issued today by O. S. Cook, secretary of the corporation.

A large four-unit swing set and a three-unit swing set have been set in concrete foundations, he said, and children are already enjoying these as well as a wavy slide. The field has been dragged and leveled and grass has been sown.

A well has been sunk in the center of the park and a pump installed to provide a drinking fountain and water for sprinkling, he said.

To protect neighboring property, a four-foot fence will be placed around the grounds, he said. Other work in process includes four picnic tables and a sand box.

The corporation will meet this week to allocate some \$600-\$700 for the park, Cook said. He said many businessmen in and around Holland have contributed money or material to the corporation and most of the labor has been donated by residents in the vicinity.

Hope Tracksters Capture 4 Firsts

GRAND RAPIDS (Special) — Hope College's track team grabbed four firsts in the College division of the John Bos Relays Saturday at Houseman Field.

Paul Wiegink returned to the site of his prep accomplishments, and took first in the 200-yard low hurdles with a 26.2 mark and first in the 100-yard dash with 10.4 performance. He finished second in the 220-yard dash.

Jim Hilmet walked off with a first in the 120-yard high hurdles in 15.8 and tied for third in the high jump.

Dave Spaan, another Grand Rapids product, found the Houseman cinders to his liking and stepped off the 440-yard dash in a new meet record of 50.9. This bettered the mark Spaan had set last year of 51.7. Spaan also took third in the 220-yard dash.

Jim Mohr was fourth in the 100-yard dash and Bill Elzinga and Roland Schut of Hope tied for second in the pole vault. Jan Robert was fifth in the broad jump. The four are all Hope freshmen.

The Dutch took second in the 120-yard low hurdle shuttle relay, third in the mile relay and 880-yard relay.

Sherry Shaffer, former Holland high mile star and state prep mile king two years ago, set a new meet record in the two-mile. Now running for Western Michigan, Shaffer covered the distance in 10:00.2 to break the old mark of 10:34.0.

RETROSPECT

Well, that's over again — an-
other Tulip Time Festival. The
time has come to look back at
those days of busy activity. Not a
few citizens would probably agree
now that excitement has yielded
to the inevitable letdown, that
there are debts as well as credits.
When gas rationing ended in
London a famous American Lon-
don correspondent for a radio ser-
vice remarked that the people of
that city would almost feel like
remembering the months since No-
vember as the happiest of their re-
cent history, and that they might
learn to bless Nasser for giving
them several months of relief from
traffic congestion. Now that ra-
tioning was ended the traffic tie-
ups once more made life miser-
able.

He was of course not quite sin-
cere in that pronouncement and
neither would the people of Hol-
land bless the days before the Tul-
ip Time Festival came to this
town. But the congestion, the dis-
comforts, the shopping disabilities
— all such things are obviously
a part of the Festival. You can't
bring hundreds of thousands of
visitors into a town the size of
Holland without paying for it in
some trouble and discomfort.
But our Tulip Time Festival is
a community work of art on a
grand scale, and any work of art,
large or small, always involves
trouble and discomfort. Those who
see only the finished product —
be it a painting or a poem or a
symphony — get the illusion that
producing it was all fun and plea-
sure. Actually almost any work of
art is produced with blood, sweat
and tears. The artist has to pay
for the pleasure he gives to the
world.

Holland as a community artist
must likewise pay a price for pro-
viding pleasure for hundreds of
thousands of visitors. Those crowds
of people go back to their home
towns and home states blessing
Holland for its contribution to the
pleasure of life. That is the com-
pensation that any artist values
most.

But it is not the only compensa-
tion. After the discomforts have
receded somewhat into the past,
the people here, even those whose
daily life was temporarily dis-
rupted, recall with pleasure their
community work of art, and there can
hardly be anyone who would want
to go back to the drabness of the
days before the Festival was in-
stituted.

Moreover, on a more commer-
cial scale, the long-time adver-
tising for the city is of course val-
uable. Imitation is the highest
praise. Lately a city as far away
as Albany, New York, has started
a Tulip Time Festival in imitation
of Holland, as Pella, Iowa, did
years ago.

There are of course some debts,
but the credits far outnumber and
outweigh them. Shortly the Direc-
tors and managers will have a
statement for the community. Tul-
ip Time is a community affair.
There is work for everyone. Our
Tulip Time Edition of the Sentinel
was a sell out. Thousands of copies
were mailed or carried away by
the visitors. Every state in the
union as well as many foreign
countries were among the mail-
away copies.

This year there will be need for
contributions to our revving fund.
All contributions will be gratefully
received by Holland Tulip Festival
Inc. your ideas are welcome. Plans
are in progress for next year.

Brothers Divided
Genesis 27:30-38, 41

C. F. Dame
(Based on copyrighted outlines
produced by the Division of Chris-
tian Education, National Council of
the Churches of Christ in the
U.S.A. and used by permission).
There are many divided homes
today. Some eventually fall apart
and some do not but there is no
love in them by which the members
are bound together. Since there
are so many divided and disunited
families today this lesson is most
timely.

I. A divided home is an unhappy
home. Isaac and Rebekah had two
sons, twins. Often twins are much
alike but Esau and Jacob were
disimilar twins. Esau was an out-
door man, a hunter, an animal-
like man who lived for the mo-
ment. His name means, "hairy." He
was his father's favorite because
he brought him venison, Jacob
stayed at home and his mother
liked him more. The name Jacob
means "supplanter" and thambi
means "supplanter" and that he
was. Esau displeased his parents
by marrying two heathen wives.
The Bible says, "They made life
bitter for Isaac and Rebekah."
Jacob listened to his mother not to
marry a heathen wife.

Both of the parents knew that
Jacob should be the heir of the
promises God made to Abraham.
Esau showed his indifference to
the birthright by selling it to Jacob
one day when he returned from
the hunt and saw Jacob eating and
wanted the food immediately. He
got it by selling his birthright for
a mess of pottage. He ate the food
he wanted and went his way as
if nothing had happened. Today
there are people like Esau—they
think only of the present and its
needs.

II. Favoritism in a family leads
to trouble. This has been proven
many times. One day Isaac told
Esau to go and get him some
venison and promised to bless him
before he would die. Rebekah
heard of Isaac's plan and schemed
to do it. She did not pray about
her plan. She called Jacob and
told him to carry out her orders.
Rebekah dressed Jacob in his
brother's clothes, prepared a
savory dish of food for Isaac, sent
Jacob with it to his father whom
he convinced that he was Esau and
thus Jacob got the blessing which
was intended for Esau. In this
blessing Isaac promised the double
inheritance of the property and
the headship of family to Jacob.
The mother and the son were
pitted against the father and the
son, and the mother got the best
of the deal. When Esau got back
from the hunt just as Jacob had
left the tent he learned from Isaac
that Jacob had given the blessing
to Jacob. Upon hearing what had
happened Esau wept bitterly. Al-
though he gave Esau a blessing it
was not the one he wanted. The
father could not undo what he
had done. Esau was so angry that
he talked about killing his brother
for deceiving him. Evidently he
had forgotten that he had once
sold his birthright. Esau was
the architect of his own misery.

III. Wrong is always wrong.
Every one in this family did some
wrong, they all contributed some-
thing to the unhappiness which
followed. Esau did wrong in sell-
ing his birthright because of his
uncontrolled appetite. Today there
are many people who do not know
how to control their appetites.
Esau was a man with undisciplined
emotions; he really never grew
up; he lived for the moment. Jacob
his brother was not right in offer-
ing to buy his brother's birthright
at a time when his brother was
ravishingly hungry, and he surely
was wrong in consenting to the
scheme of his mother to deceive
the father. And Rebekah was
wrong in plotting to get the birth-
right for Jacob and stooping to
deceit and trickery. The father
Isaac was also wrong in doing con-
trary to what he knew was the
will of God—he knew that Jacob
was God's choice for the convenant
promises. If every member of this
family had always done the will
of God every one would have been
far happier. Families which do
God's will follow the right course.

mated damage at \$1,100 to a
freight car and its load of pota-
toes after a fire at the Waverly
freight yards early Monday. Fire

Dr. Dan Poling
HHS Graduation
Speaker June 6

Religious Leader
Is Dynamic Figure
In American Life

Holland High School's com-
mencement speaker this year will
be Dr. Daniel A. Poling, minister
of religion, editor, novelist, radio
speaker, leader in civic move-
ments, counselor of philanthropists
and friend of youth. This dynamic
figure in American life will ad-
dress Holland High seniors at ex-
ercises Thursday, June 6 at 8 p.m.
in Civic Center.

Born in a pioneer minister's
home in the Pacific Northwest,
his schooling through college was
marked the athletic and oratorical
prowess as well as by scholar-
ship. He was a football player, a
track man, played championship
basketball and later worked as a
lumberjack.

For more than a quarter century,
he has been an outstanding leader
of the church and a special friend
of youth. He is editor of the Chris-
tian Herald, most widely circulated
religious journal. His syndicated

Dr. Daniel A. Poling

column, "Americans All," appears
in leading journals of the country.
In 1925, Dr. Poling was elected
president of the International So-
ciety of Christian Endeavor and
upon the death of Dr. Francis E.
Clark in 1927 he became president
of the World's Christian Endeavor
Union. He has had large responsi-
bilities in connection with all In-
ternational and World conventions
the past two decades and traveled
to Europe many times and twice
around the world.

Starting in 1919, he experienced
a remarkable ten-year tenure in
the 300-year-old Marble Collegiate
Church in New York City. He was
president of General Synod of the
Reformed Church in America when
Hope Memorial Chapel was built
in the late 1920's and he partici-
pated in its dedication during a
General synod session in Holland,
Mich.

In 1936 Dr. Poling became pastor
of Baptist Temple in Philadelphia,
made famous by Russell H. Corn-
well, and he continues there as
chaplain of the Chapel of Four
Chaplains, an inter-faith memorial
to the four young clergymen of
three faiths who lost their lives in
the sinking of the S. S. Dorchester
during World War II. His son,
the Rev. Clark V. Poling, was one
of those chaplains. Clark Poling
at one time attended Hope College.

Dr. Poling has two earned and
ten honorary degrees. He is the
author of 23 books including four
novels. His book reviews number-
ing more than 300 annually are
widely quoted.

In his six overseas missions dur-
ing the war, Dr. Poling flew the
Atlantic 10 times and the Pacific
twice. He visited every major
theater of operations during World
War II and was on every active
front. In a letter addressed to the
Australian Commonwealth, Presi-
dent Roosevelt referred to Dr. Pol-
ing as "America's Spiritual am-
bassador of good will."

Much of his time since 1943 has
been devoted to the planning and
construction of the Memorial Chap-
el of the Four Chaplains in Phila-
delphia of which he is chaplain.
During 1949, 1950 and early 1952 he
was on four overseas missions to
Japan, Korea, Okinawa, the Philip-
pines, India, Europe and England.
Two of these missions were on in-
vitational orders from General
Douglas MacArthur.

The crash involved Mrs. Fisher's
car and one driven by Margaret
May Brown of Spring Lake, both
traveling east on Washington. Mrs.
Fisher allegedly made a left turn
in front of the Brown car. City
police investigated.

Another crash occurred at 12:15
p.m. Monday involving cars driven
by Edward Behm, 80, Grand
Haven, and Mrs. Inez J. Vollmer
of Spring Lake at 18th Ave. and
US-31. State police said Behm
made a complete stop for US-31
and then pulled directly in front of
the northbound Vollmer car. The
Vollmer car was considerably dam-
aged but the Behm car received
only minor damage. No one was
injured. State police charged Behm
with making an unsafe start.

Slaves to Appetite
Hebrews 4:15, 16
By Darrell Franken

To the leader: An appetite sug-
gests something which is strong
and which needs to be filled. We
might better describe these appet-
ites as cravings or desires. Within
each individual there are several
appetites. Some of these cravings
are inborn and others are acquir-
ed. Divide the topic into these two
parts and have two young people
lead the meetings, each taking
one of these types of cravings.

Inborn Appetites
Leader No. 1: Scientists working
in the area of Human Development
have discovered certain traits
which they say are part of our
nature.

1. A craving for food is one of
these inborn characteristics. This is
not new to any one of us. We ex-
perience it more than once a day.
Usually the experience demands
our attention to the point that we
prepare food to fulfill that desire.
The appetite for food is not evil in
itself. Without this appetite we
would die for lack of energy. How-
ever, this desire can be carried to
an extreme. It is possible to eat
just for the pleasure of eating. This
becomes gluttony. "Their god is
their belly." (Phil. 3:9) (See also
Proverbs 23:20).

2. A craving for companionship
is also an inborn characteristic of
man. The scientists call this "gre-
gariousness." The trait of man
binds him together with friends
and loved ones. Proper compani-
onship is needed among individuals.
But improper companionship in-
flames the passions. Infatuation
and promiscuity soon grow. And
what started out as an essential
need of man, namely friendly
companionship, is prostituted into
infamy.

3. A craving for pleasure, per-
fectly legitimate in a moderate in-
dulgence, has also the potential of
becoming one of man's greatest
sins. No man is content in contin-
ual misery. Nor did God demand
that men should suffer without
times of joy and happiness which
are pleasures. But many have be-
come like the prodigal son (read
Luke 15: 12-24) who have destroy-
ed their peace of mind, in the
search for worldly pleasure. Plea-
sure is no sin, unless it becomes
the god that is worshiped, and the
one to whom "sacrifices" are
given.

4. A craving for prestige is
another of man's characteristics.
His desire for fame or recognition
comes out of an inherent feeling
that he would like to be respected.
Here again, this is not to be de-
spised or called a sin. Certainly,
God wants his people to act in ac-
cord with the principles of re-
spectability. Yet this very desire
for prestige can become perva-
d. He can achieve respectability
by two standards. God's standards
and man's standards. Would that
all men follow the standards of God
as revealed in Jesus Christ, and be-
come "servants, even as the Son of
man came not to be served, but to
serve." (Matthew 20:28) By
being servants of God, and working
for the welfare of their fellow men,
people will have the proper re-
cognition which they inherently de-
sire.

Acquired Appetites
Acquired appetites are equally
as dangerous as improperly satis-
fied inborn appetites. Acquired ap-
petites are a combination of learned
taste and conditioned habit.
Some are good while others are
evil.

One category of acquired ap-
petites is that of our likes and our
dislikes. Some people like to read
the sports page. Others like to
watch a particular television pro-
gram. Still others like to read
books, go hunting or fishing and
other similar things which are en-
joyable. Most of these are acquir-
ed through repetition and are
wholesome.

Another category of acquired
appetites is not as profitable and
really quite disastrous. This cate-
gory contains the drinkers, and the
dope addicts. These appetites are
also gained through repetition.
Usually these appetites are ac-
quired through continued testing
and playing with the hungry lion
which will eventually destroy them.
Make sure that your appetites
are under the influence of Christ.
He will keep appetites from be-
coming sins.

Ottawa County 4-H News

By Willis S. Boss
4-H Club Agent

A new award program for 4-H club boys and girls in Ottawa County was launched at a meeting on May 15 during the annual 4-H Club Agent's Conference. Details of the 4-H Key Club Award were explained to approximately 100 county 4-H club agents and other extension personnel by Russell G. Mawby, assistant director of extension, 4-H Club Program and Milo Margenau, vice president of Cities Service Oil Co. This new program is offered through the National Committee on Boys and Girls Club Work and is sponsored jointly by the Michigan State University Cooperative Extension Service and by Cities Service Oil Company.

The program gives recognition to 4-H club members who have shown consistent growth in their club work, have developed their leadership ability and have been helpful members in their club and community. It is also to encourage boys and girls to continue their work in 4-H. Awards in the program are gold keys mounted on bracelets for the girls and tie clasps for the boys. Each award is engraved with name of the recipient.

In addition to the gold keys, each recipient is provided with a framed honor certificate of award. Those who win this award become life members of the Michigan Key Club. The awards are limited to the top 4-H members in the county and based on their 4-H record of achievement.

This program already has been installed in Oklahoma, Minnesota, Kansas, Indiana, Illinois, Connecticut, Louisiana, Tennessee, Missouri, Virginia, and North Dakota. Plans are being made to extend this program to a national basis. The first awards will be presented at the county achievement meeting this fall.

The camp counselors for the three camp sessions have been selected. They are Alvin Vissers of Allendale, Timothy Fordham of Coopersville, Beverly Davis of Coopersville, and Joyce Michmerhuizen of Holland. These members will be attending Camp Counselors School held at Bostwick Lake on June 12 and 13. This school will be held to include many other counties and members will receive training in leadership, recreational activities, rainy day ideas, singing, class work, and craft ideas.

As schools are out now, many boys and girls are playing and traveling to friends' homes. We urge motorists to be extra cautious. Also, we want to urge farmers who allow their sons or daughters to drive tractors and handle farm machinery to be cautious as the tools can be dangerous. Mothers and daughters are urged to be cautious in the home doing the spring cleaning. The safety you practice may prevent an accident.

Miss Doris Wieskamp Is Wed to Dale Van Eck

White lilacs and gladioli with palms, ferns and candlelight formed the setting for the double ring ceremony uniting Miss Doris Wieskamp and Dale Van Eck on Friday in the Western Theological Seminary Chapel. The bride is the daughter of Mr. and Mrs. Harry Wieskamp, 36 East 21st St. The groom is the son of Mr. and Mrs. Edward Van Eck, 88 East Ninth St.

The Rev. John M. Hains, pastor of Trinity Reformed Church, who officiated also sang "Oh Promise Me" as the ceremony began and "The Lord's Prayer" as the couple knelt.

The bride, escorted by her father, chose a gown of white imported French lace over taffeta. The fitted bodice featured a mandarin neckline trimmed with lace petals and accented with pearls. The long sleeves tapered to the wrist and the very full skirt of lace terminated into a chapel length train. Her imported illusion veil fell from a heart shaped lace crown. She carried a cascade bouquet of

white and pink roses with trailing ivy.

Mrs. Mauri Wierda, as matron of honor, was the bride's only attendant. She wore a ballerina length gown of lavender dotted swiss over taffeta. The tiny bodice featured a cowl neckline of taffeta and released a bouffant skirt. Her open crowned tulle hat was also in lavender. She carried a cascade arrangement of white and lavender daisies.

Paul Van Eck, brother of the groom, served as best man. Seating the guests were Edward A. Van Eck and Marvin Van Eck, also brothers of the groom.

The reception for 200 guests followed the ceremony in the Seminary Commons room. Mr. and Mrs. B. T. Ely were master and mistress of ceremonies. Misses Kathryn Groenevelt and Elizabeth Sharp served at the punch bowl and gifts were arranged by Misses Joan Tuinsma, Shirley Nivison, Dorothy Winstrom and Mrs. William Mulder.

The reception rooms were decorated in a profusion of lavender and white lilies for the buffet lunch. The three tiered wedding cake was topped with an arrangement of baby orchids. Miss Armina Tibbet and Mrs. Eleanor Cotts poured. Serving the guests were Mrs. Edward Bailey, Thomas Van Dahm and Misses Sandra Schaap.

The Bier Kelder offers many services for your pleasure. The best in premium bottled beers and wines. All served by trained employees. Air-conditioned and open noon until midnight.

WIN FOURTH STRAIGHT CROWN—Zeeland's tennis team finished unbeaten in Kewena League play again this season, for the fourth straight time. Coach Jarold Groters (far left) felt the desire on this year's team was mainly responsible for the championship. Groters has coached

tennis five years at Zeeland. He took second place in the league his first year. Team members pictured left to right are: Keith and Craig Hubbell, twins; Stan Vugteveen, Wayne Tanis and Dave Van Peursem.

Desire Wins Tennis Crowns at Zeeland

Maybe its because each year's team has a tradition to uphold, that accounts for the desire on the Zeeland High tennis team. But regardless of what it is, the Chix netters have been catching it every season for the past four years.

The results have been four straight Kewena League tennis championships and the second straight unbeaten season in league play. It must be desire, because all four championships have been won by the slimmest of margins — one point.

This year's team, especially, had that extra bit of desire, reports Coach Jarold Groters. "These kids wanted to play and improve more than any tennis team I've coached," the Chix mentor said, "they were successful because they did improve the most throughout one year."

Zeeland nosed out Sparta by one

point to capture the title. This duplicated the 1956 feat of also finishing unbeaten and winning by a single point.

One-point victories were also enjoyed in 1955 and 1954 as Zeeland began setting the precedent of being the Kewena net king. The '55 unit lost one league match to Coopersville while the '54 team was unbeaten.

Groters, who never played tennis in high school or college, who received the net bug when he arrived at Zeeland and assumed the tennis reins five years ago. The bug really bit the first year, 1953, as the Chix finished in second place in the Kewena League, losing to Cedar Springs, no longer in the league.

Five players compose the Zeeland team. Three points are scored in each league match, one doubles and two singles. Groters

plays a fifth person in a practice match.

Next year's team should be the "team to beat" again since three of the boys are juniors and two sophomores.

Dave Van Peursem, who has developed a strong driving game, plays the No. 1 singles. He lost the lone Zeeland point this season but avenged it easily in the second meeting. Van Peursem, a junior, teamed with Wayne Tanis, another junior, for a doubles team last season.

Groters also took Tanis and made him a singles player this season. Mo. 2, and Tanis won all of his matches. The doubles team of Stan Vugteveen, a junior, and Keith Hubbell, a sophomore, also has been unbeaten.

Craig Hubbell, Keith's twin, has been used in practice matches this season. He teamed with Keith in the regional Class B tourney.

Their children are Mrs. Alfred (Nora) Doezeman, Mrs. Alvin (Dorothy) Geerlings, Mrs. Howard (Beatrice) Regder, all of Zeeland and John B. Otting of Holland. There are 12 grandchildren.

Volleyballs

Holland and large enjoyed spring weather a couple of days this week which should have come a week earlier for Tulip Time.

Everybody agrees that the weather during the four-day festival last week was the worst on record. Yet, no parades or programs had to be postponed or cancelled, even though Saturday night's program was switched from Riverview Park to Civic Center.

Although crowds were down (I'd stay home myself) the visitors seemed to be in remarkably good humor despite the weather. Outside the 47-degree temperatures, everything else seemed to be all right. Only on Thursday did the sun shine and then the temperature reached a high of 57—still too cold for children in costume marching in the children's parade.

Most affected by the cold were the Orlando, Fla., party with the Eagle band of Edgewater High School. But the chaperones said they suffered more than the youngsters. Nonetheless, the band put on a fine show on the Civic Center floor Saturday night.

The Orlando visitors could scarcely believe that the temperature was up to 78 in Holland the day before Tulip Time. They'll probably find it hard to believe it rose to 81 the Wednesday after Tulip Time too.

The Chamber of Commerce received a telegram the other day asking that Mr. Keteilwell at the Warm Friend Tavern be reminded that the little girl in California still wants those wooden shoes.

and the size is 7½ double. She'll probably settle for a size 9 and six pairs of socks just like the klompers dancers do. Wooden shoes have no size for widths.

The housing bureau at Civic Center received a note from a lady visitor suggesting that when it's so dark during Tulip Time that the city turn on all the city lights to compensate for the lack of sunshine. Shall we refer that to the city manager?

The Dutch Costume Exchange closed about three weeks ago, but there still are several costumes plus several envelopes containing money for costumes in the housing bureau office. If people don't call for the money within a reasonable time, it probably will be turned over to the petty cash fund.

In the housing bureau office, there are often requests from people with pets. Usually they are dogs, but sometimes other pets. The girls at the bureau thought they reached the ultimate last week when one lady said she had brought her parakeet. She assured the staff that it was well behaved and well trained.

About 10:30 p.m. Saturday, a party which included four adults and three children stopped at the housing bureau for accommodations. After fussing around a half hour trying to place such a late group at such a late hour, the staff worker thought she really solved the situation when she located a hostess who would take the whole party for \$12. That price was too high and the visitors said they really would prefer to sleep in their car. That was okay with the housing bureau, and a worker called city police that this group was staying in their car overnight through desire, not necessity.

At Stoner, one of the many marshes in Saturday's Parade of Bands, had the ball game situation licked. He marched in the parade wearing the ear phone of his transistor radio. It worked out fine. The Tigers won that day.

That display of flags on the reviewing stand at the Warm Friend Tavern during Tulip Time was provided by the Holland Elks Club.

Two tablespoons of soil from a tulip bed in Holland will join samples from the 48 states and Hawaii and Alaska in a tree planting ceremony in connection with the centennial celebration of Davis, Ill., near the Wisconsin border next July 24 through 27. The Chamber of Commerce received the request for the soil and forwarded a small packet.

Davis centennial leaders pointed out that other communities in the centennial celebrations buried "time capsules" but Davis wants

to plant a tree—the official Illinois state tree, the Native Oak. In the formal planting ceremony, the committee will deposit on its roots a small sample of soil from states all over the nation and territories.

It's newcomer time again and the city hostess has paid calls on 14 new families during March and April.

Four new families have arrived through General Electric Mr. and Mrs. G. C. Morey of Utica, N.Y., have moved to 25 East 13th St. Mr. Morey is in the engineering department. Mr. and Mrs. Helmut Ochsner and four children of Herrick, S. D., have moved to 77 West Eighth St. Mr. and Mrs. John L. East and three children of Fort Wayne, Ind., have purchased a home at 40 Birchwood.

Mr. and Mrs. Peter Brandt and two daughters have arrived here from The Netherlands and are in an apartment at 288 Van Raalte Ave. Mr. Brandt is employed by the Dutch Boy Bakery.

Mr. and Mrs. Eugene E. Newman and two children of Jackson are living at 72 West 15th St. Mr. Newman is with Whetstone and Miller in Zeeland.

Mr. and Mrs. H. A. Meyer and 10-year-old twin daughters have arrived from The Netherlands and are living in an apartment at 138 West 14th St. Mr. Meyer is cook at the Lampson restaurant.

Mr. and Mrs. Leon Higgins and daughter of Concord, N.H., are living at 107 West 14th St. Mr. Higgins is employed by Vogelzang Hardware.

Mr. and Mrs. Leonard Debets and five-year-old daughter of The Netherlands are living at 40 West 16th St. Mr. Debets is a dental technician at Van Fleet laboratories.

Mr. and Mrs. C. W. Fauquier of Battle Creek have purchased a home at 328 W. Wood.

Mr. Fauquier is construction engineer with Elzinga and Volkens.

Mr. and Mrs. William Porter and two daughters of Riverton, N.J., are living at 304 West 18th St. Mr. Porter is with Chris-Craft.

Mr. and Mrs. William Lukick of Akron, Ohio, are living at 63 West Ninth St. Mr. Lukick is manager of the McLellan store.

Mr. and Mrs. Charles Gasway and two sons of Muskegon are living at 266 West Ninth St. Mr. Gasway is with Swift and Co.

Laff for the day:

"If you refuse me," vowed the ardent swain on bended knee, "I shall die."

She refused him, and 72 years later he died.

During the parade of the pets, each child displayed his pet, giving its name, information on the care of the animal, and some interesting anecdote about it. When David Boersema displayed his turtle, the entire group recited the poem, "The Little Turtle."

The program consisted of a welcome by Ruth Benjamin. Mary Ann Wolbrink read an original story by the group which they wrote after their trip to the animal shelter. "Pet Noises," a song, ably described to the audience the various methods of communications employed by animals.

Duane Vandenberg, Clarence Damgaard, and Bobby Pete wearing "puppy faces" and Delilah Monetta wearing a cat mask acted out the song, "A Game of Tag," as it was sung by the group.

Mira Tidd, Bobby Hyma, and Linda Lokenberg read charts on "How to Care for Cats and Dogs," which had been composed after children had seen movies on both animals.

Holland High Seniors Close Books for a Day

Friday was Senior Day at Holland High School.

Events started with the Senior Assembly that morning at 10:30 a.m. when the yearbook, "The Boomerang," was distributed. The yearbook highlights the senior year.

Dedicated to Austin J. Buchanan, the inscription included these paragraphs: "Austin J. Buchanan has been active in the Holland Public School system for the past 15 years. During the past four years, he has served at Holland High School first as Boys' Counselor, and the last two years as assistant principal in charge of operations."

"We congratulate him on his advancement to Central Michigan College, and while we are sorry to have him leave here, we wish him success in his new work, and hope that he will continue to inspire students as he has done at Holland High School."

"We respectfully dedicate the '1957 Boomerang' to 'Buc' in recognition of the outstanding leadership he has given our class and school. We deeply appreciate his genuine interest in us, his willingness to listen and work out problems with us, and his wonderful sense of humor."

Tribute was also paid to Principal J. J. Riemersma, who retires this year.

In a surprise move, the senior class, as part of its class memorial presented a colored portrait of Riemersma to Holland High School. In the citation, the seniors noted that "Holland High School and J. J. Riemersma are synonymous." A tremendous ovation halted proceedings for a time. In his response, Riemersma, with very evident emotion, noted that this was the second important day of his career—the first was the presentation of a watch to him by the senior class in 1917—a watch he still wears.

At 1 p.m. Seniors met at the school to form a cavalcade of about 130 cars to proceed to the American Legion Country Club escorted by the Holland Police Department. A series of games were planned by the seniors. In charge of the day's events were Keith Van Hof, Lester Overway, Sally Houtman, J. van Vanden Brink, Merry De Waard and Margo Munro. Class sponsors are Edward Damson, Ervin Hanson and Robert Chard.

Supper was to be served at 5:30 p.m. at the Country Club.

Sentinel Newscast Brings Results

A search for a Holland motorist involved in an accident Thursday and broadcast on The Sentinel newscast at 12:05 Friday brought prompt results.

Police Chief Jacob Van Hoff said the department was seeking a motorist whose car backed out and collided with Brian McCormack, 13, of 591 Central Ave., as the youth rode his bike on College Ave. near 24th St.

The driver stopped, helped the boy straighten his bicycle and then went on when McCormack said he was okay. A later examination revealed McCormack suffered a possible dislocated and fractured shoulder and multiple bruises.

This information was broadcast over WHTC and 10 minutes later John Ely called The Sentinel for further information. He said his son had told him of such a mishap Thursday night.

The father and his son contacted police and said they would be in later Friday to fill out the necessary reports. Van Hoff praised the father for his prompt call and thanked the Sentinel and WHTC for their help.

VFW and Zoerhoff Battle to 1-1 Tie

Game Called After 11 Innings; Co. D. Wallops Mobilgas

The stage has been set for another rip-roaring City Softball league season series between the VFW and Zoerhoff Builders.

Perennially the top dogs in the league, the two teams have ended in the final playoffs for the past four years.

More of the same appears in the offing for this year following a 1-1 tie Thursday night at Van Tongeren Field. The game was called after 11 innings to allow the second game to be played. Co. D stopped the Mobilgas Dealers, 8-3 in the nightcap.

After five-and-a-half scoreless innings in the Vets-Zoerhoff clash, Lee Veldman, Vets catcher, put his team ahead with a home run after two were out in the bottom of the sixth.

But the Builders, formerly called Hulst Implement, came right back in the top of the seventh. Kearny Zoerhoff walked and scored on a triple by Guite Van Langevelde to knot the game.

Zoerhoff's made four hits in the regulation game, three were singles and the VFW had three, a double and single, besides the homer.

A Kraal went all the way for the Builders and Rog Schut and Lum Veldman divided the hurling chores for the Vets. Schut worked the first eight innings and gave way to Veldman in the ninth.

Glenn Nykamp socked a double in the 11th for the Builders to lead off the inning but Veldman got the next to pop out and then fanned the next two batters.

With two out in the tenth the Vets pushed a man to third on successive singles by Rog Beckman and Bill Franks but Vern Wedewater's fly out ended the inning. Lum Veldman singled in the Vets' 11th but was retired at second on a fielder's choice.

Kraal struck out nine while Schut whiffed four and Veldman six.

Terry Kraai, Al Kraai, Van Langevelde, Larry Knoper and Glenn Nykamp hit safely for the Builders while Lum Veldman paced the Vets with two hits and Franks, Lee Veldman, Jerry Kok and Beckman had one each.

Six runs in the second inning, made on four hits, three hits and a wild pitch, allowed Co. D to coast to its initial win in the second game.

The Guards added two more runs in the sixth inning while the Mobilgas men had two runs in the second inning on two hits and a wild pitch and a single run in the sixth.

The winners hit safely seven times with Con Boeve and George Smeenge getting two hits and Ernie Prince, Jay Berens and Harv Berens, one each.

Arnie Boeve had two of the Dealers' five hits and Karl Essenburg, Jerry Prince and Herm Kolk collected the others.
