INEXPENSIVE Jewelry Gifts

"Let me see something suitable
for a graduation gift,—something
inexpensive but of Hardie qual-
ity," is often asked us.

Invariably some of the articles
in our large collection of Gifts
proves to be just the thing de-
sired. For instance, a sterling
silver pencil, coin purse, picture
frame, perfume bottle, or a dain-
ty friendship bracelet, scarf pin,
pair of cuff links, a piece of white
ivory, a pair of hat pins, coat
lapel chain, bar pin or an icy hot
bottle. We show many other
equally appropriate gifts.

Restored to Good Health

"I was sick for four years with
stomach trouble," writes Mrs. Otto
Garf, Zanesville, Ohio. "I lost
weight and felt so weak that I al-
most gave up hope of being cured. A
friend told me about Chamberlain's
Tablets, and since using two bottles
of them I have been a well woman."
Obtainable everywhere.

ative.—Adv. 2.

IMPORTANT FACTS TO CONSIDER ABOUT OUR FIRE PROTECTION

WHY NOT CENTRALIZE OUR
FIRE STATIONS

Our Schools Would Be Better Pro-
tected

Considerable talk has been heard
of late of fire trucks and better fire
protection for our city. That Hol-
land is inadequately protected, there
is no doubt. This city has less fire
protection than any city of like size
in the state, in fact, if the fire mar-
shal of this state were requested, by
any of its citizens, to see that better
protection was afforded them, he
could and would no doubt demand a
heavy expenditure to see that its
citizens and property would be more
adequately safe-guarded. This,
however, will be unnecessary, as the
mayor, the common council and the
Board of Police and Fire Commission-
ers are exerting their efforts to solve
the fire protection problem.

Mayor Bosch has appointed one
alderman from each ward in the per-
sonnel of Aids. Prins, Brieve, Congi-
ton, Vander Ven, Brower and Wiers-
ema to co-operate with three mem-
bers appointed by the police board,
namely Commissioners Jackson, Mul-
der and Chief Blom.

It is up to these men to go over
the matter thoroughly and make
recommendations to the council and
police board who in turn will take
final action, thus disposing of a very
important matter.

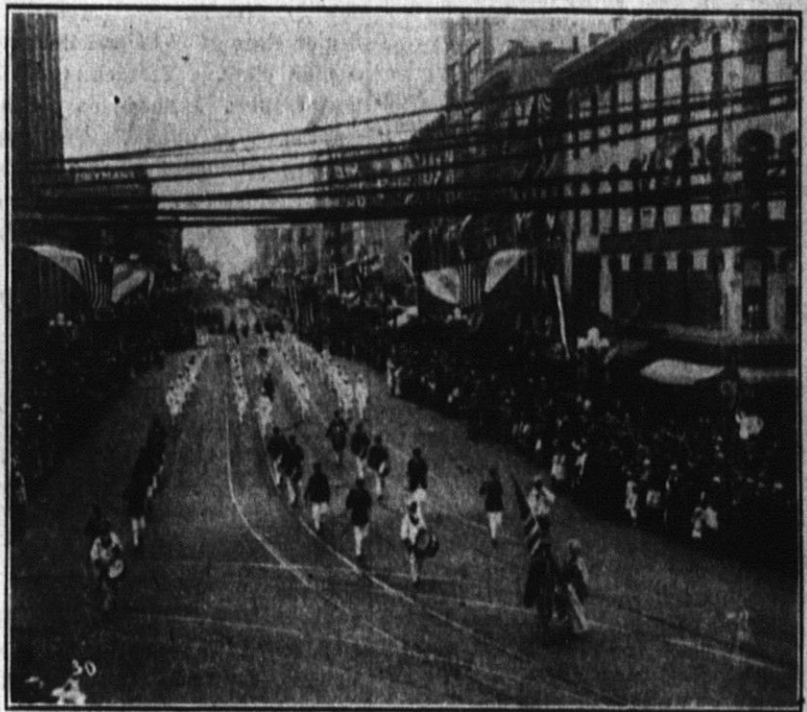

The mayor has also appointed Aid,
Prins, Vander Ven and Brower to
go to Columbus, Ohio, with the com-
mittee appointed by the Police Board
to look over Fire motor trucks made
by the Seegrave Co., who have their
factory in that city. This company
has one of the largest factories in the
world making fire apparatus exclu-
sively and they have invited this
committee to see how a truck is made
from beginning to end, demonstrat-
ing the severe tests that these ap-
paratus are put to before they are
pronounced ready for market.

Mr. Lillie, of the Seegrave Co.,
who was here a few days ago smiled
when asked if their motor truck
could go thru any street in the city.
He says of all the towns that he knew
of where it would be the easiest to
make good, would be Holland, as
this city is as level as a plate with
very few hills and was an ideal town
for motor trucks. Mr. Lillie says:
"We have machines in Cripple Creek,
Seattle, San Francisco, Duluth, Den-
ver, Kansas City and many other
towns which have nothing but hills,
with scarcely a level stretch in them.
Our trucks make those hills at a ter-
rific speed and go where it is im-
possible for horses to make any
headway. He said further, that he
could get to any part of our city with
in three minutes after the alarm had
been sounded. He was willing to
wager that if Holland would place
its fire team in the most remote part
of the city within three blocks (not
cross blocks) to a suppose fire, and
he would start a truck from either
one of the engine houses designated
by the police board, that the auto
truck would pass and get to the sup-
posed fire before the horses would.
This sounds like big talk, but not
when you consider that the Seegrave
truck can do a speed of sixty miles
an hour easily, and at that rate could
reach any limits of our city in little
over a minute.

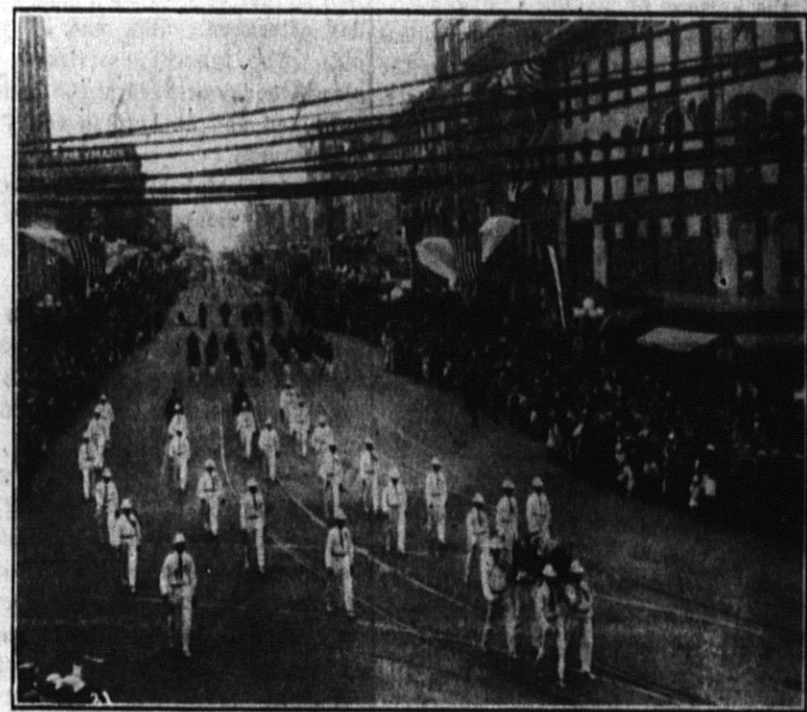

A representative of The American
La France Fire Engine Co., was also
in the city a few days ago and in
comparing our city as being adapt-
able for a fire truck, mentioned Du-
luth, Wis. Said the representative:
"Duluth is 24 miles long and two
and one-half miles wide and a mile
and a half high, being built on a pen-
insula. After we had received an
order from Duluth for one of our
fire apparatus we made a test for
them in order to have it finally ac-
cepted. The committee selected the
worst possible place in the whole city
in which to make the demonstration.
They took a street with a 22 to 23
per cent grade called Snake Alley.
This is a part of the city where the
houses are built step fashion up the
side of the hill. There are no streets
in this part but only narrow alleys,
with a cross street going straight up
the hill and the alleys diverging from
this cross street. The committee said:
"Go up that and in those alleys."
Our apparatus started on this trip
through all kinds of road conditions,
sand, paving block, brick asphalt
and every kind imaginable put
down in a poorer part of the city.
We went up that steep grade, stop-
ped at every cross road and went
where ever the committee asked us
to go, and I assure you they did not
pick out easy places, and when we
got down from that hill the commit-
tee did not even deliberate, but sim-
ply said 'we accept the machine.' To
verify my statement" said the La
France man, "all you have to do is to
wire the authorities in Duluth, Wis."

The American La France Co. will
come through Holland within three
weeks with a truck designed for an-
other city, and will stop over and
make a demonstration at that time.
For information we might state that
the biggest grade in Holland on the
few hills that we have to climb is

less than a ten per cent grade.
A thought that struck the News
this week, relative to fire protection,
is centralization of fire apparatus.
This is not a News idea, but since
the advent of the motor truck it is
being tried out satisfactorily in the
larger cities in the country and has
been advocated by Chief Blom some
three years ago.

Canton, Ohio, is known as having
one of the finest and most efficient
fire departments in the world. They
have centralized and at the present
time have eight pieces of fire appar-
atus stationed at the central station
in the heart of the city.

Holland could build a station on
River avenue between 15th and 16th
streets with runways in three di-
rections, namely on 15th street, 16th
and River avenue. With a fire truck
with chemical attachments, besides
a hook and ladder company, all sta-
tioned in an engine house with plen-
ty of room, would give this whole
city better a much more adequate pro-
tection, considering the faster appar-
atus than we have at the present time.
Eight tents of the city would be in
closer proximity of the fire engine
houses than it is today, with the two
stations at the extreme north end of
the city. Our schools would be bet-
ter protected, which is a very im-
portant consideration. Our high
school would be just around the cor-
ner. We would be much nearer the
Maple Grove and Van Raalte Avenue
schools, and no farther away from
the Central schools. Our factories in
the southeast end of the city would
receive far better protection than is
being given now, while the West
with practically a straight run down
15th or 16th streets to the Shoe
factory, Sugar factory, Bay View,
Heinz and other industries in that
neighborhood, their protection would

be ideal. To get to the business dis-
trict and the factories along North
River Ave. and West Eighth street it
would scarcely take no time at all
to reach that locality with a motor
truck considering that all the way
there are paved streets and it is
only a matter of seconds for a motor-
ized apparatus to make the distance.

The News thinks that with a sale
of the property of one or both engine
houses on Eighth street and the ap-
propriation already granted that land
could be purchased in the vicinity of
15th and 16th streets and a suitable
station built, equipped with the proper
apparatus, and that there would
be money left, not alone, but that
Holland would be far better protect-
ed from fire than it has ever been
before.

It will only be a matter of time
when the horses will be done away
with altogether.

Cities larger and smaller than
Holland are all motorizing, in fact,
as the Seegrave man says, that in
15 months their factory has had only
one order for horse drawn apparatus,
while the rest of the orders received
were for motorized equipment. A
motor truck pays for itself in a few
years, in the first place there is no
expense for feed, shoeing, exercising,
dead horse, etc., besides gasoline bills
are very light because in the aggre-
gate a truck reels off but very few
miles in a year. One great fact is also
apparent, that instead of a man
watching horses at a fire this same
man can help fight fire, thus adding
one man to the fire fighting force.
There is no doubt that the motor
truck will eventually save the tax-
payers money not alone in taxes but
also in a lower rate of insurance
which can only be demanded if your
city is properly safe-guarded against
fire losses.

GOSSIP & OUR CORRESPONDENTS

THAT MAY OR MAY NOT INTEREST YOU

OVERISSEL

Some time ago it was thought that if any man ever earned a permanent place in this community, free from the cares and responsibilities of life that man ought to be Hubert Tanis, now of Hamilton and formerly of Overissel, who recently retired from active business as an auctioneer, string butcher, and a career of years as a successful farmer. Mr. Tanis claims that he is getting well along in years and wishes to take life a little more comfortable for himself and family. While he is still in good health and excellent spirited, considering his weight at a little better than 325 pounds, still he believes he has reasons to confidently look forward to his usefulness to his friends and the community. This was shown in taking up the work of buying two fat hogs of Mr. Rose of Hamilton a few days ago. While one of them was successfully handled and taken away, the second one was anxious to obtain his freedom, and broke out and started to run at large necessitating a race between the fat meat and fat pork. It is needless to say that the meat won although very much winded.

NEW HOLLAND

North Holland is to have a Fourth of July celebration this year. A meeting was held Monday night for the purpose of making arrangements for the celebration, and the indications are that the event will be the biggest of its kind ever held there. Gerrit Brouwer was elected chairman and E. Schilleman secretary. The various committees on arrangements were appointed and plans were discussed.

A feature of the celebration will be a race between a Ford and an Overland over a dangerous course. The next meeting will be held on Saturday night.

SAUGATUCK

The audience in the Congregational church at Saugatuck was addressed Sunday morning by the pastor's wife. The Rev. A. B. Bell, the pastor, supplied his brother's pulpit at Fremont, and Mrs. Bell filled her husband's place. The Rev. J. G. Peters of Douglas officiated at the evening service.

Advices from Buffalo announce the death of Mrs. David Hazen, mother of Mrs. James Koning, of Saugatuck. The funeral was held on the anniversary of Mr. and Mrs. Koning's marriage.

The steamer South American has left Saugatuck for Detroit to begin her season's run and a large number of people were on the dock to bid her farewell.

Last fall there was quite a lively contest between Saugatuck and some other places to induce the management of the Chicago, Duluth and Georgian Bay Trans. Co. to winter their boats at Saugatuck and Saugatuck won. The result is that probably every business man in that town has reaped a direct benefit from the venture, for they have spent thousands of dollars in Saugatuck. For instance Leland's Department Store Co. sold them about \$2000 worth of butter, poultry and eggs, besides other articles. Their hardware bills amounted to over \$500 and August Pfaff who built the dance hall on the North American was able thereby to have work for a number men for a few weeks.

LAKETOWN

Mr. and Mrs. Joe Aalderink and family of Hamilton spent last Sunday with Mr. Aalderink's parents, Mr. and Mrs. G. Aalderink.

Harry Alderink spent Sunday with his parents here.

Dick Jager has a sick cow.

Mr. Minnema's house is nearly finished.

Mr. and Mr. J. K. Aalderink and family spent a day in Douglas visiting with friends and relatives this week.

Mr. Dennike of Chicago who stays with Coughle Bros., commission merchants, spent two weeks at the home of his sister, Mrs. H. M. Yonkers. He has returned to Chicago.

Henry Meyerink has his wall completed for his new barn and is now tearing down the old barn to use the same in building the new one which is to be completed by the 20th of this month. L. B. Strabbing is the contractor.

RUSK

A very pleasant surprise was given Saturday night at the home of Mrs. Richard Kuysers at Rusk in honor of Miss Maggie J. Kuysers who is to be a June bride the occasion was a kitchen shower and about twenty girls were present and the bride to be received many useful kitchen articles. Refreshments were served. Miss Maggie J. Kuysers will be married to Mr. Jacob E. Overweg in June.

Fire of unknown origin destroyed the large barn on the farm of Gerrit Martinie at Rusk. The contents of the building and the granary, corncrib and hen houses were destroyed. One calf was cremated.

ZEELAND

The Art exhibit held Tuesday in the local school, was a great success. The people were continually coming to the exhibit. Light refreshments were served. The fact parents were so interested in the drawing work, speaks well for the school exhibit.

A great deal of interest is being aroused about the base ball game for this evening between the Senior class of 1914 and the present Senior class. The class of 1914 posted their challenge on the bulletin board in school. The present Seniors, no sooner saw the challenge than they accepted it. The batteries for the last year's team will probably be Benstra and Brower. The batteries this year's team will probably be Ten Have and De Spelder.

During the months of June, July and August the jewelry stores will close on Thursday afternoons.

A force of men are breaking down the large barn of C. Pieper on Church street. Mr. Pieper is going to build a beautiful new residence on the place where barn is at present.

There is a change in Interurban schedule to the effect that the limited leaving Grand Rapids at 7:25 a. m. and which arrives at Zeeland at 8:10 will make local stops between Andres and Zeeland. This makes it more convenient for the rural student in High school.

Mrs. Den Herder, wife of Marinus Den Herder of Vriesland, died Thursday afternoon. She was 27 years old. The funeral services took place Monday at 2:00 at the home in Vriesland and at 1:30 in the Vriesland church.

The local high school team returned home Friday defeated by the Hope College Preparatory by a score of 8 to 2.

Johannes Bowens of Borculo left for Adams, Nebraska, on Tuesday, for a few weeks' visit with his daughter, Mrs. Ben Crusa, and other relatives.

A new baseball team is being organized by the Zeeland boys. There are a few teams already in Zeeland, but if the best players in the separate teams get together and form a team, then Zeeland will be represented by a good kid team. The first try out will take place tonight at the Independent's grounds. Any boys wishing to play, should be out for practice then. The team will soon get together and elect a manager, captain and other officers. Games have already been secured with Holland West Ends, and Jamestown.

Harry Mulder, who is working with the Van Heitsma Tile Digger, at Eastmanville, spent a few days at the home of his parents, south of the city.

Miss Martha Westvelt of East Saugatuck, came here Saturday, for a few weeks' stay.

The Wagner Glee club of this city went to Eastmanville Thursday night and entertained the occupants of the county poor farm.

Seigel Gunn and son-in-law, Mr. Mc Mann of Muskegon, are spending a few days here. At present he is visiting with his daughter, Mrs. C. Dykhuis, who lives four miles north of the city.

Mr. and Mrs. Wm. Wentzell, and their two children, Isabelle and Nelson, drove to Hamilton Sunday and spent the day at the home of their uncle, Mr. Johannes Wentzell.

One of Zeeland's oldest inhabitants G. J. Van Zoeren and children the grandchildren and great-grandchildren celebrated their annual family reunion in honor of the old gentleman's birthday anniversary, this time the 85th.

Mr. Van Zoeren has five children as follows: Mrs. Henry Vande Bunte of Gitchel, Mrs. Herman Van Zoeren and M. Van Zoeren of Vriesland and Mrs. M. C. Ver Hage of Zeeland. There are 35 grandchildren and 10 great grandchildren.

Mr. Van Zoeren has made his home with Mr. and Mrs. M. C. Ver Hage in Zeeland for a number of years.

John Bouma is erecting a fine residence near the North Limits of the city.

The Alumni will hold their annual banquet at the Cafe Monday night, June 21.

Johannes Lubbers of Ovensel is erecting a modern farm residence.

The Baccalaureate sermon for the Zeeland High school will be preached by the Rev. P. P. Cheff, Sunday, the 20th of June. On the 18th of June the Juniors will give a reception for the Seniors. Examinations begin also, on the above named date. They will continue thru the next Monday and Tuesday.

Mr. and Mrs. P. Wyngaarden of Vriesland, announce the marriage of their daughter, Ida, to John H. Van Zoeren. The wedding took place yesterday.

P. Ver Hage of the Ver Hage Milling Co., is building an addition to his residence with the intention of putting in a heating plant.

The Grand Rapids Brass Co., Base Ball team will play Zeeland Independent at Zeeland Saturday. A good game is expected for the G. R. Brass Co. gave the Grandville Overlands a hard fight.

The Jamestown baseball team defeated the Drenthe team Monday by a score of 5 to 1. The game took place at Drenthe. The batteries were Vanden Bunte and Zagers for Jamestown, and Nyenhuis and Brouwer for Drenthe.

Last Saturday evening Leonard Yntema of the Senior class of Hope college entertained the class to a 6 o'clock dinner at his home one mile northeast of Holland. After dinner parlor games were played and a social time was enjoyed. The class went via carryall.

Mrs. Wm. Wichers, who was taken sick with pleurisy about a week ago, died at her home in Zeeland, Tuesday morning. Mrs. Wichers had been in good health throughout the winter and spring, and her illness and death came as a most severe shock to her relatives and friends. She was 63 years of age and is survived by her husband, William Wichers, by a daughter, Mary Wichers, of Zeeland, and by four sons, John Wichers of Zeeland, Wynand Wichers of Holland, John W. Wichers of Zeeland, and Edward Wichers of Zeeland. The entire family was at the bedside with the exception of John W. Wichers, who was on his way returning from Edinburgh, where he had spent the winter at the University.

Funeral services of Mrs. W. Wichers occurred Saturday afternoon at the 1st Reformed church at 2 o'clock.

At a meeting of the Junior class of Zeeland high school, together with Superintendent Washburn and Principal, Mrs. Fritche, it was decided to have self-government in the Zeeland high school beginning with next October. The Monitor System was decided upon. Each Monitor will have charge of two rows of seats; there will be about eight of these Monitors. These, together with a representative from each class, will constitute the Pupils' Council. The Monitors who will be appointed by the faculty, will be Seniors in good standing. They will be exempt from examinations if they have an average of 88 per cent instead of 90. As next year's Senior class will have about twenty members, each one will have a chance to be a Monitor.

Two marriages will take place this afternoon in the near vicinity of Zeeland. The parties are: Harmen Stremler and Miss Lena Marlink of Borculo, and Jacob E. Overweg and Miss Maggie Kuysers, of Rusk. The marriage of John A. Jager and Miss Anna Mole of Blenden, which was also announced for this afternoon, has been postponed because of the sudden death of Miss Mole's brother.

Miss Catherine Cook, who was operated on for appendicitis, last week Wednesday is improving nicely.

In appreciation of their loyalty to the school board, six girls in the Junior class of our High school, were each presented with a book, presented to them by Hon. C. Van Loop. The girls showed their loyalty to the school board by not taking part in the Junior fair, given last month in the city park.

The seniors finished in first place in the High school league with a perfect average. They defeated the Freshmen Tuesday by the one-sided score of 20-8. The batteries were for the Freshmen, Cook, Van Lopik and Summers; for the Seniors, Brower, Boonstra and Scholten. The game was a slow one, due to the fact that it was so one-sided. The Seniors got 9 runs the first inning. In the fifth they made 8 more. The Freshmen got three runs in the 4th and also in the 8th. Cook led at bat for the Freshmen getting two hits out of 4, while Boonstra and Brower of Seniors got 10 hits, while their opponents got 4 hits. Five Freshmen got to base on balls and 3 seniors were allowed to walk.

This was the last game of the league. The final averages were as follows:—

	W	L	Pct.
Seniors	6	0	.100
Sophomore	3	3	.500
Juniors	2	4	.333
Freshmen	1	3	.166

THIS IS SOME CATFISH

What would you do if you had only one arm and if, while you were out fishing for white bass with an ordinary bamboo rod carrying a cheap line and an ordinary small white bass hook, a fourteen pound catfish should swallow your bait, hook and all, and should start a fight for life with all the power there is in his fourteen pounds of flesh?

That is the problem that confronted Sam W. Miller. Miller was out fishing for white bass. He had been catching some from the Waverly bridge. It was getting dusk and he was about to leave for home. But he cast forth his line into the water

for one more catch. Hardly had the bait, an ordinary minnow struck the water, when a huge catfish made a dash for it, swallowing hook and part of the line even. The catfish made a tremendous fight, but Miller hung on grimly. The line had cost him five cents and had served for a whole year so that the fisherman expected it to break. Being one-armed he could not bring enough leverage to bear on the task of swinging the fish clear of the braces of the bridge. But he hung on to his fish long enough until another fisherman came to his rescue and helped to bring the fish safely to shore. It tipped the scales exactly at fourteen pounds.

REFORMED SYNOD PASSES RESOLUTIONS FAVORING USE IN SECULAR COURSES IN PUBLIC SCHOOLS

Ashbury Park, N. J. June 9—Resolutions indorsing a movement to make the English Bible a textbook of English history and literature in the educational system of the country were passed by the general synod of the Reformed church in America.

It was announced that contrary to expectations, the proposal to consolidate the Reformed church in America with the Reformed church in the United States—the German Reformed—will not be acted upon by the synod at this time. The 83rd annual report of the board of domestic missions showed total receipts for the current year were \$197,555.

Anti-saloon movements were discussed in a stirring address by an official of the New Jersey Anti-Saloon league. Synodical temperance committee outlined a general program reaching to all classes. Rev. Judson Swift gave an address on the work of the American Tract society, now 90 years old, denying that Christianity had broken down on account of the European war. Rev. J. A. Brown of Grand Rapids, and Rev. Wm. Van Kersen delivered sermons respectively in the First Baptist and First Presbyterian churches.

Vigorous but futile efforts to defeat an amendment to the church constitution providing that the minister of a church, as its pastor, shall ipso facto be a member of the church which he serves were made at the session of the General synod of the Reformed church of America at Ashbury Park, N. J. For three-quarters of an hour the synod debated the question, but when President Dr. I. W. Gowen finally put the motion to adopt the committee amendment, submitted by Chairman F. R. Hutton, there was an overwhelming vote in its favor. This amendment, and another upon which favorable action was taken completed the work of approving the entire set of amendments as recommended by the committee on constitutional revision. The amendments are to go down to the 37 classes for their consideration. A two-third vote is required to alter the constitution.

The two amendments approved last were as follows:

Revised Section 21—The minister as pastor, ipso facto shall be a member of the church which he serves; or, when without charge, he shall be-

come a member of the church of his choice by the regular process of dismissal. The minister, as an officer in the church, is a member of his classis and amenable solely thereto. Revised Section 161—The particular synod shall be the final court of appeal for all cases which have originated in a consistory, except when a member of the particular synod from each classis belonging to it, except classis from whose act on the appeal was taken, shall, within 10 days of its adjournment declare in writing to the president that the case adjudicated is a proper one for appeal to the general synod. In such a case the appeal, if properly made, shall be entertained by the General Synod.

SECRET IS LEARNED OF MAN WHO DIED IN ALLEGAN COUNTY LAST WINTER

Safety Deposit Box Reveals Tragedy in Life of Michigan Hermit—Why He Left Society

Late developments have shown that G. M. Breton, who died last winter in a cabin in Allegan county was not only living under an assumed name, but it was a tragedy which drove him into seclusion and in exile from his native land. Breton had lived but a few weeks in the little house where he died last February and was alone, except for his nearest neighbor, James Stahl. He was considered an educated man, but was retiring and would not discuss any of his past life so that very little was known of him. He did not receive any mail even, except newspapers, among them the London Times.

After his death, Mr. Stahl, to whom Breton had given all his belongings, found a receipt for rent of a safety deposit vault in Chicago. In this vault was found a paper explaining to some extent, Breton's past.

According to the letter his parents in England had become involved in a murder and were executed. Knowing the stigma under which he must live, if he stayed in England, Breton had come to America and assumed a false name.

MERCHANTS ATTEMPTING TO MAKE A GENERAL RULE DURING SUMMER FOR EARLY CLOSING AND HALF HOLIDAYS

Banks Will Close Hour Earlier; Dentists To Close Offices Thursday Afternoons.

It seems likely that some definite move will be made by many of the Holland merchants in the near future to secure a half holiday for the merchants and clerks once a week during the months of July and August. Attempts are being made by some merchants to induce all to join in a movement to close the places of business on each Wednesday afternoon during the two months named. A number of the merchants have already agreed to such a move; and there are some, as some of the meat dealers for instance, who will close on Wednesday afternoon regardless of what the other merchants will or will not do.

The three Holland banks have determined upon a move that is entirely new in Holland with regard to the banks. The banks will not be closed one afternoon a week but they will close an hour earlier every day of the week. During July and August the doors off the banks will be closed at three o'clock every day, including Saturdays. On Saturday evenings, however the banks will be open for business at the usual time, namely, 6 to 8 o'clock. In the larger cities banks always close at 3 o'clock in the afternoon the year round and in many places they do not open their doors till nine o'clock in the forenoon. But the Holland bankers will return to the usual hours on the first of September.

The local dentists have gone a step further than the merchants propose to do. They have all agreed to close one afternoon a week, not only during July and August, but during June and September as well. They will close Thursday afternoons instead of Wednesdays. The new system will go into effect tomorrow and from now until the first of October no one can have his teeth tinkered on the dentists' weekly half-holiday.

Pythians Will Hold Exercises Next Sunday

Castle Lodge No. 153 Knights of Pythias, will hold its annual memorial service next Sunday when the graves of thirteen departed brethren will be decorated. The program at the cemetery will include an address by Wm. J. Landman of Grand Rapids.

HUNDRED AND FIFTY GUESTS PRESENT AT W. L. C. BANQUET TUESDAY AFTERNOON

Fine Luncheon in Dining Room Is Followed by Splendid Program in Club Hall

The seventeenth annual banquet of the Woman's Literary club took place Tuesday. One hundred and fifty ladies enjoyed a delightful five course luncheon in the dining room of the club house. The room had been converted into a veritable fairy bower with branches of trees in which were numerous bird nests and birds. Hundreds of butterflies appeared to be flying through the air and adorned the walls; beautiful flowers and singing birds all helped to enhance the woodland scene.

After the banquet the ladies repaired to the club room where they were welcomed by the president, Mrs. J. P. Oggel who spoke with much feeling in the three years that she had served as president of the club and thanked the members for their assistance during that time. A group of Spring Songs were given by Miss Grace Browning accompanied by Mrs. H. Robbins—Spring's Awakening (Buck) Spring (Hildach) and, as an encore A Little Grey Blue Bird (Saarl).

A series of Tableaux illustrating masterpieces of art were presented by the Sorosis society of Hope College as follows: 1. Orpheus and Euridice, Misses Rhea Oltmans and Anna Visscher; 2. A Dutch Lullaby Miss Nelle Pelgrim; 3. The White Sister, Miss Rhea Oltmans; 4. The Three Fates, Misses Ada Oxner, Rhea Oltmans and Marie Wellings; 5. Coming Thru the Rye, Miss Della Hoppers; 6. Elaine, Margaret Thomasma.

Appropriate music was played on the piano by Miss Jeanette Mulder, while readings by Miss Frances Bosch and vocal solos by Misses Anna Visscher and Ethel Dykstra helped to interpret the pictures. Two poems by Riley, The South Wind and the Sun, and as an encore, At Auntie's House, were given by Miss Ethelyn Metz. Mrs. G. E. Kollen spoke of the beauties of nature and urged her audience to observe and study them. June and the Year's at the Spring, composed by Mrs. Beach, and sung by Miss Browning, fittingly closed a most delightful program.

Too much credit cannot be given to the efficient committee in charge, consisting of Mesdames H. Winter, W. G. Winter, D. Ten Cate, A. Heuer, J. Boyd, R. Hoek and J. S. Dykstra for the success of the day. Among the out of town guests were: Mrs. J. C. Haddock, of Michigan City, Indiana; Mrs. H. Greer of Douglas, both former members of the club; also Mrs. Gold and Mrs. McLeod of Chicago; Mrs. Benj. Bush of Hackettstown, N. J.; Mrs. Jacob Brower, of Linden, Wash.; Mrs. Van Norman of Grand Rapids and Mrs. Wm. Bosman of Grand Haven.

DRENTHE MAN'S MACHINE IS SMASHED WHEN CAR HITS IT.

An E. M. F. automobile owned and driven by John Ter Haar of Drenthe, was rendered a complete wreck Monday when it was struck by an Interurban car at Vriesland. Mr. Ter Haar was coming from the mill and did not see the car coming. He was backing up, when the accident occurred. The car, which was one several flat cars drawn by a Dummy, hit the automobile, striking the back. Meanwhile the motorman was not conscious of what was going on, and the automobile was carried along a short distance, when it struck a telephone pole. The car was quickly stopped. The driver of the auto was thrown from his seat but did not receive any serious injuries. The back of the car was completely smashed. The front wheels and steering gear are about all that remained of the auto. The accident which occurred shortly after 4 o'clock, brought many people to the scene.

Shower Given in Honor of Miss Elva Belcher Last Evening

NECK IS BROKEN WHEN AUTO-MOBILE CRASHES THROUGH SIDE OF BARN

Henry Nyenhuis Loses Life; Brother With Him in Machine Is Uninjured.

Henry Nyenhuis, a Forest Grove farmer, aged 23 years, met instant death when he lost control of his automobile while he was driving it into the barn and the machine dashed through the side of the building. The machine with its occupants, Henry Nyenhuis and his brother, fell some fifteen feet to the ground, toppling over and pinning Nyenhuis under it, breaking his neck. His brother escaped uninjured. Henry Nyenhuis is the son of Mr. and Mrs. John Nyenhuis of Forest Grove. Nyenhuis drove an old model Reo into the barn. The lower part of the barn was used for stable purposes and the second floor was reached by an inclined driveway. It was to this second floor that he was driving the machine. But when he had reached the place where the machine was usually stored he lost control of it and could not bring it to a stop. The barn was constructed of one inch boards through which the machines crashed quite easily.

AUTOISTS SHOULD USE DIMMER

One of the provisions of the general traffic ordinance that was proposed to the common council last week and rejected by them was in regard to the use of dimmers for automobile lights, to soften the strong glare of the lights. There was no opposition to this particular section of the ordinance but it of course went into the discard with the other section when the whole document was turned down by the council.

There is however a good deal of sentiment for such a law in Holland and the police department is advising automobile owners to observe the provisions of the ordinance in this respect without a formal law. Attention is being called to this matter in Grand Rapids at present, which has also focused attention on it in Holland.

PROGRAMS PREPARED FOR NEXT YEAR'S COURSE OF WOMAN'S LITERARY CLUB.

The year book of the Woman's Literary club for 1915-1916 has been issued. It contains a complete list of programs for the year's work that is to begin the first Tuesday in October. According to the list of members printed in the book the club now has a hundred and ninety-eight on its roll, about half of whom are active members, and the others associate members.

For the fourth successive year the club will study during the coming year the general subject United States History, Art and Literature. The period that will be considered is that of today. The programs contain a wide variety of numbers in regard to the great men and movements of the present time in the United States.

D. P. PERRY AND SKIDOO RESORT FERRY BOATS HOLLAND UNDERGOING INSPECTION AND REPAIRS

The Macatawa Park Association ferry boats are now docked at the Scott-Lugers landing, foot of 5th street, to undergo repairs and inspection. The boats are both being painted and gone over thoroughly, and they will be in readiness to be put on the run between the resorts on Macatawa Bay by July 1.

The Holland Interurban ferry will be put on the run from the boat dock to Ottawa Beach June 29th.

HENRY TUBERGEN CHARGED WITH ASSAULT BY ANDREW LANGUIS

Henry Tubergen, son of Mrs. Mary Ayers, Columbia Avenue, was arrested Tuesday on complaint of Andrew Languis charged with assault and battery. When arraigned before Justice Sooy Tubergen was turned over to the juvenile court. Languis, who is employed by Mr. Goldman, junk dealer, alleges that Tubergen threw a brick at him. Mrs. Mary Ayers, mother of Henry Tubergen, is now under arrest on a charge of cruelty to Mr. Goldman's horse.

CENTRAL PARK

Central park is without a hotel, as the large hostelry for years conducted by C. St. John has been converted into three cottages. The resort has about 100 cottages and these are mostly occupied by owners. The resort has become very popular with the clergy and each season about 15 ministers and their families spend their vacations there.

STATE GAME WARDEN SAYS BLACK BASS SEASON DOES NOT OPEN UNTIL JUNE 16

Lansing, June 9—State Game Warden Oates calls attention to the fact that the black bass season does not open until June 16. Many fishermen who have written to the game warden appear to be under the impression that the ban on black bass will be lifted June 15. No person may take more than ten black bass in a day.

John Kraak of Zeeland Says He Was Not Arrested

John Kraak of Zeeland felt very much put out when he read a short time ago that John Kraak had been arrested in Holland and had paid a fine for being drunk. The Zeeland boy says he is not guilty and he doesn't know of any other John Kraak around here; he now thinks that some good friend of his must have given his name when arrested. At any rate the name of John Kraak is down on police record as having been arrested for being drunk.

ROAD FROM HOLLAND TO GRAND HAVEN SOON COMPLETED

According to Road Commissioners Harrington the Pike Road between Holland and Grand Haven will be completed up to West Olive before the end of the week so that autoists will no longer have to make a detour in going to West Olive.

Next week a large gang of men will continue the work between West Olive and Agnew. Very soon the entire distance between Holland and Grand Haven will be in such shape that autoists will find it a desirable road to travel over.

Rev. Irl Hicks Predicts for Month of June; Tells of Storm Periods and Much Rain

Parson Hicks, the St. Louis weather prophet is out now with his predictions for the month of June which will be some damp, if he's guessing correctly. He says among other things:

The first reactionary storm period will fall on and touching the eighth and ninth. This it must be remembered is at the crisis of magnetic and electrical excitation which falls annually on and about the tenth to the fifteenth of June.

Many electrical storms, with the increase of rainfall will pass eastwardly over the country, on and touching the 19th, 20th and 21st. Very warm, humid weather on and about the 20th and 21st, should be regarded as dangerous signals.

The third regular storm period is central on the 25th, covering the 23rd to the 28th inclusive. Storms of rain, wind and thunder will be sweeping eastward through the central regions of the country.

INSTALLATION AT CLARKSVILLE, N. Y.

The Rev. John B. Steketee, son of B. Steketee of Holland, Mich., formerly of Raritan, Ill., was installed as pastor of the New Salem and Clarksville (New York) churches, by the Classis of Albany, last Tuesday, May 18. The services were held in the Clarksville church and were presided over by the Rev. Wm. E. Davis, president of the Classis who also read the form of installation. The Scripture lesson was read by the Rev. T. A. Hageman. The sermon was preached by the Rev. H. S. Van Woert, from 1 Cor. 9:1—"Am I not free? Am I not an apostle? Have I not seen Jesus our Lord?" The charge to the pastor was delivered by the Rev. J. Van Ess, and the charge to the people by the Rev. Mr. Davis. After the installation the Clarksville people served supper to visiting clergymen, and to the consistory of New Salem. All the churches of the Classis of Albany are now supplied with regular pastors. Brother Steketee has already won the affection of his new parishioners and will no doubt bring a blessing to the churches of which he has now become the pastor.—Christian Intelligencer.

The Synod of the Reformed church in session at Ashbury Park, N. J., has passed resolutions endorsing the stand taken by President Wilson in the present war.

The new resort that is being established north of Ottawa Beach on the shore of Lake Michigan will be given the name of Chippewa, in harmony with the Indian names given to many other resorts on Black lake and Lake Michigan.

The cantata The Rose Maiden was given by a chorus of 150 voices and the Glee clubs of the High school under the direction of Miss Lucile Wright at the High school auditorium last night. Special soloists will be Miss Grace Browning, soprano, Miss Mabel Anthony, contralto, Maurice Vander Water, tenor, and George teininger, baritone.

As a memorial the graduating class of the High school has purchased two statues to be placed in the hall of the high school. From the proceeds of the Senior class play a short time ago statues, "Winged Victory," and "The Discus Thrower" were purchased. The statues are both five feet tall and will be of white. The "Winged Victory" will be placed at the end of the hall near the girls' cloak room, and "The Discus Thrower" will be placed at the other end, near the boys' cloak room. The statues will be enclosed with brass railing.

Many people are taking advantage of the opportunity to see the products of the manual training, domestic science and art, and fine arts departments of the public schools by attending the exhibit Thursday and Friday at the high school.

The works of the different departments have been assembled in the halls and some of the rooms used by these departments on the first floor. The teachers of the different departments, Miss Lucile Wright of the fine art department, Miss Elsa Haberman of manual training department, Miss Leonora Fuller of the Domestic Science department, and Miss Almyra Lewis of the domestic Arts departments, have charge of the exhibit and show visitors around.

The exhibit in itself is well worth seeing. The walls of the hall are lined with drawings showing various stages of excellence from the work of the children in the lower grades, where a dab of paint is somehow or other made to resemble a landscape and a dash of green a tree, to works of real artistic merit by the High school students. Scattered from one end of the hall to the other are exhibits from the manual training department. This exhibit is complete showing a large variety of furniture as neatly done as factory work. There are large easy chairs, a couch, several library tables and smaller tables, flower stands, porch swing, magazine racks and many smaller articles. One accomplishment of this department was the fitting out of a lunch room for the High school. The lunch counter and all the tables were made by students from this department.

The domestic arts dept. exhibit shows the skill of High school girls with the needle. Many articles are shown among them being many dresses showing the exact cost of construction. Several girls of this department have made their own commencement dresses at a total cost of less than three dollars.

The domestic science department shows what it can do by furnishing the visitors with coffee and a light lunch.

Meeting of Board of Review, Holland Township.

The Holland Township Board of Review will hold meetings on June 8 and 9 and the 15th at the home of John Rutgers, supervisor Holland Township, at Central Park.

HOPE COLLEGE

This evening the Fraternal society of Hope College will hold its 81st annual banquet. Elaborate programs have been prepared for both events.

At a mass meeting held in Winants chapel Friday morning contract for text books was let to The Hope Text Book Agency, composed of G. Marvin Brouwer and Max Reese.

The entertainment given by the Hope College Y. M. and Y. W. C. A. Thursday night, Winants chapel drew a fair sized audience. The following numbers were rendered: orchestra readings, The Backsmith's Story, by Bernie Mulder; quartet; remarks, Dr. Kollen; readings, Miss Metz; solo, Miss Henrietta Van Zee; Lake Geneva Sun; reading, J. J. De Boer; tableaux.

The Hope College Preparatory Department played a close game after the third inning with Zeeland High on the college diamond Friday. Many errors were made on both sides. Following are results of the seven-inning game:

Zeeland.....0 0 2 0 0 0 0—8 5 ?

Holland.....0 3 5 0 0 0 0—2 5 ?

Each pitcher secured six strikeouts. James Stegeman umpired the game.

Dr. Vennema has returned from Sheboygan county, Wis., where he presented the interests of Hope college in the Reformed church of Oostburg on Sunday morning, in that of Gibbsville in the afternoon, and then preached the baccalaureate sermon to the graduating class of the Wisconsin Memorial Academy at Cedar Grove Sunday evening. He went to Pentwater, Michigan, to give a commencement address to the graduating class of the High school tonight.

The Hope College Athletic Association met Friday afternoon at 4:30 and after regular routine business, elected the following officers for next year:

Director—Fred De Jong; Secretary—Tony Van Westenburg; Treasurer—M. Eugene Flipse; Basket Ball Manager—George Pelgrim; Base Ball Manager—Lawrence Johnson; Track Manager—Bruno Miller; Tennis Manager—Frank Dalman; Assistant Basket Ball Manager—Irwin Lubbers.

The Philathea society of Hope college held their annual party Friday evening at the home of one of its members, Miss Nora Feyen, residing eight miles south of Holland. The members and their guests went via hayrack.

After a very delightful spread had been served, Miss Joanna Kelzer, the toastmaster, made a few remarks. This was followed by a short story written by Janet Veltman and read by Nora Feyen; a reading by Janet Veltman and a budget by Julia Kleinheksel. Remarks were made by the chaperons, Mr. Henry Veltman and Miss Sarah Helene Trompen.

Friday night closing meetings of several college societies were held. The following officers were elected for the fall term:

ANNUAL BANQUET TO BE HELD JUNE 21 IN HIGH SCHOOL GYMNASIUM.

Att. T. N. Robinson To Act as the Toastmaster; Good Speakers Are on Program.

Preliminary plans have been made for the first Holland High school Alumni Association banquet to be held during commencement week. In past all banquets were held during the holidays, but this year the time was changed with a hope of drawing a larger crowd. The date set for the banquet this year is Monday evening, June 21, in the gymnasium of the high school.

Attorney T. N. Robinson has been chosen as toastmaster for the banquet, and addresses will be given by several prominent members of the association. An effort will be made to have Mrs. J. C. Post, who was a member of the first graduating class of the high school, give a talk on the high school of that time; and Gordon Oltmans, president of the Senior class of 1915, will give an address on the High school of today. Harold McLean, president of the Alumni association, will deliver an address, and Ned Lacey is on the program for a few musical selections. The program is not complete as yet and an effort is being made to secure several other good entertainers that are members of the Alumni association.

The banquet will be in charge of the ladies of the M. E. church. Invitations were sent out Thursday in the form of a double postal card, on which all members are asked to return the card stating whether or not they will attend the banquet. Even if in some way the name of an alumnus was overlooked in sending out the invitations, all members of the association are requested to attend the banquet whether with or without invitations.

SUIT IS STARTED IN CIRCUIT COURT BY ARIE DOCTOR SR. AGAINST E. S. RICE.

A dispatch came from Grand Haven yesterday to the effect that a suit has been started in the Ottawa County Circuit Court that is an echo of the tragedy of last winter in Holland in which little 12-year-old Arie Doctor, lost his life. The suit was begun by the boy's father, Arie Doctor Sr., against Eliot S. Rice of Waukazo in the sum of \$3,000. Dikema, Kollen & Ten Cate of this city have been retained by Mr. Doctor to conduct his case.

The contention on which the suit is based is that Rice, while cutting ice in Pine Creek bay on January 15, 1915, left the hole open and unprotected by signals and danger signs. It is contended that the hole thus left open was about 50x100 feet and that little Arie Doctor crossing the ice in search of his father fell into this when it had become too dark for him to see the opening.

The law is understood to require the erection of suitable signs by all who cut holes in the ice. These barricades are to be composed of standards and cross bars either of wood or rope or some other suitable material and the cross pieces are to be at least three feet above the surface of the ice. Moreover they are to be at least ten feet from the edge of the hole in the ice.

The case will come up at the next term of circuit court.

HIGH SCHOOL BAND, MARTIAL BAND AND "BABY" LODGE

ALL WIN PRIZES

AT ELKS CONVENTION.

Holland Contingent At Elks Convention Wins Ovation In Big Grand Rapids Parade

Holland certainly received some favorable advertising Friday, as their division in the Elks' parade marched by 85,000 people, who witnessed the pageant, where every available spot for standing room, and every window and even roofs of the buildings contained spectators. It is safe to say that the Holland contingent received a majority of the applause from this vast concourse of people. In fact, it was an ovation from beginning to end.

As Uncle Sam, in the person of Richard Wiersema, decked out in a satin suit of red, white and blue, carrying a large American flag, and Columbia impersonated by Miss Lucile Mulder, draped in American flags and a cap such as the "Gem of the Ocean" is supposed to wear, put in their appearance, a wave of applause took the crowd as they passed by. To the greetings of the people Uncle Sam responded by lifting his hat and Miss Columbia answered with a nod and smile. The large Martial band containing 22 pieces, playing "The Girl I Left Behind Me", "Marching Through Georgia", "The Dutch Soldier" and similar Civil war selections, simply took the crowd.

Next in the Holland division, was 60 Holland Elks, dressed in pure white from head to foot, with purple socks and tie of purple and orange, typifying the colors of the order. These men made an elegant appearance as they kept in step to Martial music and received many kindly comments from competing lodge organizations.

In the center of the delegation four men, also dressed in white, carried a crib suspended on poles, typifying the "Baby Lodge" of the state, as the Holland lodge is generally known in Elksdom. In this cradle sat Master Leslie Nicholas Hofsteen, dressed in pure white, with blue velvet jacket; he also wore a little white silk hat with an orange ribbon around the crown, and carried a small cane.

Leslie took with the crowd, and wherever smiles and applause greeted him the little man raised his little hat and gave smile for smile, occasionally throwing a kiss to his enthusiastic audience.

The Holland delegation was sandwiched between the two Holland musical organizations, namely the Holland Martial Band and the Holland High school band. The High school band was represented by 52 pieces, led by Justus Huntley, as drum-major. He was dressed in full uniform; even the beautiful white fur shako, which had just arrived in time for the occasion was not missing. The High school band boys did themselves proud, and Director Gilbert, deserves great credit for the thorough way in which he had these young men trained and the high class of music that these boys are rendering, in view of the short period of time that this organization has been in existence. The Holland Scarleteers, as they are called, owing to their red uniforms, received a generous amount of applause, and when they swung into Campau Square, playing Tipperary, the crowd fairly went wild.

One of the treats for the Holland High school boys yesterday was the ball game between the Chicago Cubs and the Grand Rapids team. The boys marched into the grounds at the head of the line of march and took part in the playing of Auld Lang Syne, with massed bands from all parts of the state. They were escorted by Dick Boter, Bert Slagh and Barney Cook, and after the game they hiked for their special car and were speeded back to Holland where they arrived shortly after 7 o'clock.

Holland was distinctive in several particulars. It was the only organization having two bands in the line of march; the only one with a young lady in parade, the only one that boasted of a baby in the line, the only one having a martial band, and the only one having a high school band. It also had the band with the largest number of pieces, all of which went to show that Holland was very much alive Friday.

Holland won three of the prizes: One of the hottest contests was for the prize of \$50 offered to the lodge which had the largest number in the parade in proportion to its membership, an this was won by the local organization, which had 77 per cent of its members in the line-up. The Holland Martial band was awarded \$25 and the Holland High

school band pulled down \$50.

Besides containing a cut of the High school band the Grand Rapids Herald comments on the Holland showing as follows:

"Holland 'Baby' Lodge Admired"

One of the finest features was that representing the 'Baby' lodge from Holland, the most recent acquisition to the herds of the state. One of its bands was composed of 52 pieces, the Scarleteers, in brilliant uniforms, and at the head of the line was the Holland Martial band dressed in continental uniforms exemplifying the Spirit of '76. typified by famous artists and glorified by the birth of liberty in America. There was the figure of Uncle Sam in red, white and blue, and the fiers and drummers, playing The Girl I Left Behind Me. Alongside of Uncle Sam marched the only woman in the parade, gloriously arrayed as Columbia, Miss Lucile Mulder.

The name Steketee plays considerable part in the roster of the Holland Martial band. Of the 22 in line there were four Steketees. The names of those representing the Martial band in Grand Rapids are as follows: Lucile Mulder, (Columbia); Richard Wiersema, (Uncle Sam); Jacob De Vries, Louis Steketee and Ben Mulder (Spirit of '76); George Moomey, (Bugler); Anthony Van Dort, R. Klassen, John Steketee, Rue Burch, Frank Benedict, (fifers); Arend Siersma, M. Steketee, Peter Stegerda, Jacob Steketee, Peter De Kraker, Wm. Deur, Herman Mepplink, Elmor Eastman, Fred Shaw, (drummers.)

The members of the Holland High School band, under the direction of Roy Gilbert are as follows: Cornets—Clarence Poppen, James Van Ark, Bernard Brink, Jerry VanArk, Roelf Pieters, Lyman Lage, Herbert Van Duren, Harris Bertsch, Gerald Slagh, Henry Wolters. Altos—Harry Bronkhorst, Clarence Zuidewind, Benjamin Rutgers. Trombones—Walter Van Putten, John Vander Woude, Bertal Slagh, Leslie Smith. Baritones—Henry Poppen, Marion Buttles, Justin Kronemeyer. Tenors—Geo. Van Lente, R. A. Miller, Bud Romeyn, Harry Alders. Bases—Harold Lage, Raymond Cook, Benjamin Brinks, William Strong. Clarinets—Dyke Van Putten, Raymond Knoothuizen, D. Bolhuis, Henry Luidens, Rendert Muller, Cornelius Scholten, Harold Cook, Frank Daly. Piccolos—William Oudemolen, Dan Zwemer. P. Van Domelen, A. Collins, W. Romeyn. Saxophones—R. H. Gilbert, J. Mills. Drums—Leslie Risto, Frank Van Ry, Norman Simpson, Allan Streur. Drum Major—Justus Huntley.

Mr. Gilbert wishes us to state the band is under great obligations to the following musicians, who kindly consented to help out: Messrs Van Dyke, Kammeraad, cornets; Ver Houw, Trombone; Ten Have, Clarinet.

ALUMNI BANQUET AT HOPE COLLEGE TO BE OF UNUSUAL INTEREST THIS YEAR.

Wm. P. Lovett and Dr. Wm. DeKleine To Be Among the Speakers; Dr. Vennema Toastmaster

Arrangements are fast becoming completed for the annual Alumni association banquet of Hope College. The banquet this year is to be held in Carnegie hall and the date is Tuesday evening of next week.

President Ame Vennema has been chosen as the toastmaster for the evening, and at least two good speakers have so far been secured by the committee in charge. The committee is in communication with one other speaker of national reputation, but his final answer has not yet been received. The two speakers so far secured are Wm. P. Lovett of the Grand Rapids Press and Dr. William De Kleine of Ann Arbor.

Mr. Lovett, who has made a name for himself thruout Western Michigan as the writer of "Religious News and Views," a department that was conducted by the Grand Rapids Press for a number of years, is known in Grand Rapids and other places not only as a writer but as a speaker as well. Through his column of religious news in the Press he has won many friends in Holland. He will speak on the subject, "Shall the Christian College Be Abolished?"

Dr. De Kleine, the other speaker so far secured by the committee, is a graduate of Hope College and is prominently identified with the work of reorganizing the Alumni association on a basis of greater usefulness to the college. His theme has not yet been announced, but it will probably be some phase of the general subject of the relations that the Alumni association bears to the college. In addition to being a booster of various projects that has made him known throughout Western Michigan, he is an able speaker.

The annual business meeting of the Alumni association will this year be held on the afternoon of Wednesday, June 16. The meeting will be an important one this year in view of the fact that a new constitution that has been drawn up will be presented for adoption by the association.

The Senior class of the college will attend the banquet in a body. The class will be represented on the program by John J. De Boer who will give a short address. George Steinger and Miss Grace Browning will sing solos, and there will perhaps be some other musical features.

ARTHUR WALTON BOUND OVER TO CIRCUIT COURT ON THE ADULTERY CHARGE

Arthur Walton, arrested by Deputy Sheriff Cornelius Dornbos in Grand Rapids, was taken from his bride of three weeks to answer to a charge of adultery in this city. Complaint against Walton was made by Miss Jennie Driesenga of Zeeland.

Walton was bound over to circuit court for trial when arraigned before Justice Miles and being unable to furnish bonds of \$300 he was taken to the county jail to await trial.

PROPOSED LATERAL SEWER THIRTEENTH STREET BETWEEN LINCOLN AVENUE AND COLUMBIA AVENUE CITY OF HOLLAND, MICHIGAN:—

City Clerk's office, June 7, 1915. Notice is hereby given that the Common Council of the City of Holland at a session held Wednesday, June 2, 1915, adopted the following resolutions:

Resolved that a lateral sewer be constructed in Thirteenth street, between Lincoln avenue and Columbia avenue, that said lateral sewer be laid at the depth and grade and of the dimensions prescribed in the diagram plan and profile and in the manner required by the specifications for same, provisionally adopted by the Common Council of the city of Holland, June 2, 1915, and now on file in the office of the clerk, that the cost and expense of constructing such lateral sewer be paid partly from the general sewer fund of said city, and partly by special assessment upon lands, lots and premises of private property owners abutting upon said part of Thirteenth street, and being adjacent to said lateral sewer, and such other lands, lots and premises as hereinafter required and specified, assessed according to the estimated benefits thereto determined as follows: Total estimated cost of lateral sewer, \$711.17.

Amount to be raised by special assessment on private property according to estimated benefits received, \$606.97.

Amount to be paid from the general sewer fund, \$104.20.

That the lands, lots and premises upon which said special assessments shall be levied, shall include all the private lands, lots and premises lying within the special assessment district designated by a red line in the diagram and plat of said district by the common council, in connection with the construction of the sewer, all of which private lots, lands and premises are hereby designated and declared to constitute a special sewer district for the purpose of special assessment, to defray that part of the cost and expenses of constructing a lateral sewer in said part of Thirteenth street in the manner hereinbefore set forth and as heretofore determined by the Common Council, said district to be known and designated "East Thirteenth street special sewer assessment district."

Resolved further that the city clerk be instructed to give notice of the proposed construction of said lateral sewer and of the special assessments to be made to defray part of the expense of constructing such sewer, according to diagram, plan and estimate on file in the office of the City Clerk, and of the district to be assessed therefore, by publication in the Holland City News for two weeks and that Friday June 25, 1915 at 7:30 o'clock P. M., be and is hereby determined as the time when the Common Council and the Board of Public Works will meet at the Council rooms to consider any suggestions or objections that may be made to the construction of said sewer, to said assessments, and assessment district, and to said diagram, plan, plat and estimate.

Fortified Tires

Have Pushed Millions of Rocks from the Tire Road

They have saved waste and trouble to hundreds of thousands of motorists. The result is that last year, despite some hundred rivals, men bought about one Goodyear for every car in use.

The rocks that remain are Mishap and Misuse. No tire can ever avoid them. But if you'll judge tires by merit, not by luck, you are bound to come to Goodyears. You'll find they average best.

Fortified Tires
No-Risk-Cut Tires—"On-Air" Cured With All-Weather Treaders or Smooth

3 Price Reductions

Our last big reduction—on February 1st—made the third in two years, totaling 45 per cent. Thus, as our output increases, you get more and more for your money. Be fair with yourself—try these tires. Any dealer will supply you.

The Rocks Avoided

We have saved millions of rim-cuts, blowouts and loose treads by features exclusive to Goodyears. We have brought you security through our piano-wire base.

Our All-Weather tread—exclusive to Goodyears—has minimized punctures, tread wear and skidding. It is tough and very thick. The grips are sharp-edged and resistless.

All these protections—the best ever developed—are in Goodyear Fortified Tires alone.

The clerk reported that the Board of Police and Fire Commissioners at a meeting held June 1, recommended that the Council declare the sheds of John De Boer on East 7th street a nuisance and ordered the same torn down.

Accepted and recommendations ordered carried out.
The Clerk reported that the Board of Health at a meeting held June 1, adopted a resolution determining that the keeping or having of privy vaults, cess pools, etc., on certain premises in the city of Holland are dangerous to the public health and unsanitary, and that the same should be removed, and the said premises connected with the sanitary sewers.

Referred to a Special committee to be appointed by the mayor.
The Mayor appointed as such committee Aldermen Vander Ven, Congleton and Steketee.

The Board of Public Works submitted plans, specifications an estimates of cost for a sewer in 13th St. from Lincoln to Columbia avenues, and requested authority to advertise for bids for material.

Estimated, \$711.17.
Adopted and the Clerk instructed to give notice that the Common Council and the Board of Public Works will meet at the Council rooms on Friday, June 25, 1915, at 7:30

o'clock P. M., to hear suggestions or objections to said proposed sewer.

The Clerk presented a communication from the Board of Public Works stating that their attention was called to the condition of the arches on River Avenue and Eighth street, that the same have been placed for a number of years, and were badly rusted and liable to break at any time, and coming in contact with the street railway trolley might cause damage.

Further, that they are too dangerous for men to work on to make repairs, and that as the arches were originally of private construction, submitted the matter to the council for such action as may release the city from blame in case of accident.

On motion of Ald. Congleton, The arches were ordered removed. The Board of Public Works recommended a transfer of \$28.80 from the water to the light fund.

Adopted and the transfer ordered. The Board of Public Works reported the collection of \$5527.26 light, water and main sewer fund moneys. Accepted and the Treasurer ordered charged with the amount.

Justice Miles reported the collection of \$12.80 ordinance fines and officers fees, and presented Treasurer's receipt for the amount.

Accepted and Treasurer ordered charged with the amount.
Justice Robinson reported the collection of \$3.50 officers fees and presented Treasurer's receipt for the amount.

Accepted and the Treasurer ordered charged with the amount.
The treasurer reported the collection of \$8,156.96 from the sale of North River Ave. Paving Bonds.

Accepted and the treasurer ordered charged with the amount, and the sum of \$160 ordered placed to the credit of the General fund for interest on money loaned for the improvement of said avenue.

The treasurer reported the collection of \$542.07 interest on daily balances on the several banks.

Accepted and the Treasurer ordered charged with the amount.
The Clerk reported the collection of \$93.70 license moneys, etc.

Accepted and the Treasurer ordered charged with the amount.
The clerk reported that Street Improvement Bonds in the sum of \$2000 had been presented to the Treasurer for payment, and recommended that the Mayor and Clerk be authorized to issue a voucher for the amount.

Adopted.
The Asst. Engineer reported relative to the quality of gas.

The clerk presented oath of office of Arnold Mulder as member of the Library board.

Motions and Resolutions.
Ald. Steketee reported that George Mool requested permission to tear up the pavement on W. 12th street for the purpose of making water and sewer connections.

Committee on Streets and crosswalks, with power to act.
On motion of Ald. Vander Ven, Resolved, that the mayor appoint a committee of five aldermen to act in conjunction with the board of police and fire commissioners in the matter of increased fire protection.

Carried.
The mayor appointed as such committee, etc.

On motion of Ald. Slaght, Resolved, that in every street hereafter paved, the piping and connections for water, sewer and gas shall be brought to the curb or lot line of each and every lot situated in the district to be paved.

Resolved further, that if the owner, agent or occupant of any property situated within such paying district, fails or neglects to make such connections when notified so to do, the same will be done by the City of Holland, and the cost and expenses thereof assessed against such premises.

Carried.
On motion of Ald. Congleton, Resolved, that when the Council adjourns, they adjourn until Friday, June 25, 1915, at 7:30 o'clock P. M.

Carried.
Adjournd.

B. H. WRIGHT HAS BEEN ENGAGED AS MANAGER OF HOTEL MACATAWA.

New Chef Is Now On The Job; Many Improvements Have Been Made This Spring.

Swan A. Miller, President of the Macatawa Park Association has engaged B. H. Wright to manage Hotel Macatawa, at Macatawa Park during the coming season. Mr. Wright has had considerable hotel experience in the east and during the past winter he was manager of Hotel Deermont at Petersburg, Florida. It was here that many of the Macatawa Park summer resorters met Mr. Wright and recommended him to Mr. Miller.

Mr. Wright is expected to arrive at Macatawa Park next Tuesday and as soon as possible he will open the hotel to accommodate a few guests and he will also have the restaurant open. Workmen have been engaged in getting the hotel ready for some time and it is expected that the preliminary opening will be made the latter part of next week. By June 26 the entire hotel will be opened and ready for the season.

A special effort will be made this year as was done last year to serve the guests at the hotel with the very best of meals. A chef, a native born of Switzerland, master of five languages and master of all famous dishes, has been engaged and he is already at the park making preparations for the opening of the hotel.

One of the most extensive improvements to be made this season is the putting private baths in several of the rooms. Until now there were plenty of accommodations for bathing purposes but there was but one room with a private bath.

One of the best coolers obtainable has been installed in the kitchen. The new cooler is 23 feet in length, eight feet in width and eleven feet high. It consists of three separate rooms. The dining room has been redecorated and men and women from various colleges have been engaged as dining room attendants.

COSMOPOLITAN SOCIETY OF HOPE COLLEGE QUARTER CENTURY OLD.

Event Celebrated Last Evening With Banquet In Woman's Literary Club Hall

It is twenty-five years ago that the Cosmopolitan society of Hope College, one of the three men's literary societies of the college, was organized, and last evening the members of the society, a number of the alumni and their ladies celebrated the anniversary in a Silver Jubilee in the Woman's Literary club hall.

The celebration opened with a short program on the main floor of the building, beginning with a piano solo by William Rozeboom, followed by a reading by Fred De Jong "How the La Rue Stakes Were Lost," a selection by the Cosmopolitan Quartet, "The Ivy Green" by Henry Russell. The preliminary program closed with a witty dialogue between G. M. Brouwer and O. D. Chapman in regard to attending an anniversary banquet of the society in 1925.

The company adjourned to the dining room of the building where a very elaborate banquet was provided.

Henry Schoon, president of the society, wittily presided as toastmaster, and the following program was given: "Dreams" by Dr. A. B. Poppen of Muskegon; "Firstly, Secondly and Thirdly," by the Rev. J. F. Heemstra of Chicago; "Milestones" by Arnold Mulder of Holland; songs: "What George Did" by the Cosmopolitan Quartet; "Ladies," by Irwin Lubbers; "Friendship, Truth and Progress," by John Tillema; "Cases," by Attorney C. H. McBride; "Alumni" by Cornelius R. Wierenga. The program closed with the singing of the Cosmopolitan song.

Most of the addresses reflected the Silver Jubilee sentiment. Some of the alumni told of the early years of the society's history before it had taken its place as one of the most important organizations on the campus. The celebration was a happy one in every way. Prof. James Sterenberg of Knox college, one of the charter members of the society, was scheduled to speak on the subject "In the Beginning," but he found it impossible to be present.

TAXES TO BE LOWER UNDER FULL VALUE ASSESSMENT PLAN.

According to City Assessor Chris Nibbelink the taxes under the full valuation assessment system this year will be lower than in other years. This year the rate for city taxes will be \$6.23 and the rate for school taxes will be \$3.93 per thousand and dollar valuation or a total of \$10.63. In 1913 the rate for city taxes was \$13 and for school taxes \$4.88 or a total of \$17.68. The taxes in 1914 were assessed for nine months only so those figures cannot be compared. The assessor estimated that the rate for the whole year of 1915 will not be over \$16 altho the state taxes will be extra high. The year 1913 the total tax assessment was \$24.98 per thousand dollar valuation.

Mr. and Mrs. Frank White have returned from the San Francisco Fair.

ENGINEER IS INJURED AND TAKEN OFF TRAIN

Holland Man Sustains Badly Bruised Face from Broken Spring Off Fire Box of Own Engine; Broken Nose Is Worst Injury

RETURNED TO HOLLAND LATER

Grand Haven Tribune:—

Guy Culbers of Holland, Pere Marquette engineer on train No. 7, due here at 5 o'clock, was struck in the face with a piece of broken spring off the fire box of his engine Tuesday evening when he attempted to shake the fire grate. The accident happened between this city and Agnew. Culbers was in a very weak condition from the loss of blood and the heavy blow he had received in the face.

The injured man was taken off the train upon arriving here and Dr. P. M. VandenBerg dressed his injuries. He was found to have a badly fractured nose and bad bruises on one side of his face. He was bleeding profusely at the nose and was in great pain. The flow of blood was stopped and the wounds dressed, after which he was able to go to his home in Holland.

The train left this city in charge of the fireman and a brakeman who took the duties of fireman. An extra engineer was taken on in Muskegon.

ELKS FESTIVAL WILL TAKE PLACE ON RIVER AVENUE BETWEEN 15TH AND 16TH STREET

The common council has granted permission to the Elks to stage their festival on the corner of River Ave. between 15th and 16th streets instead of on Central avenue as was first the intention. Some of the property owners objected to the closing of part of Central Avenue and on River Avenue this will not be necessary.

TRAIN BUMPS INTO TRACTOR.

The big Ottawa county road tractor escaped serious damages by a hair's breadth Tuesday afternoon near Agnew and the men in charge were obliged to get safely out of the way when a Pere Marquette freight engine bumped the machine off the track. The train was not going at any great rate of speed and the tractor was not sitting squarely on the track at the time. There were a few minor parts damaged, the cost of which is nominal.

PIKE MEETING AT ST. JOSEPH AN ENTHUSIASTIC AFFAIR

Holland Man in New Organization.

Regardless of the fact that Grand Rapids and Kalamazoo stole the Dixie Highway from us, the cities along the Michigan Pike from which the Dixie highway was perloined have been getting awfully busy.

At a meeting held in St. Joseph yesterday, a new association was formed, called the Southern Auxiliary of the West Michigan Pike, and the following directors were named: Mrs. Blakesly and Mr. Clarey of St. Joseph, Mr. Takken of Saugatuck, Dr. Young of South Haven and Austin Harrington of Holland.

There was a great deal of enthusiasm on the part of those present and this committee will work in conjunction with the Boards of Trade of the different cities along the highway to see that the roads are kept in good condition and to exert their energies to have the business from the south and west go over the entire length of the Michigan Pike, instead of detouring through Kalamazoo and Grand Rapids.

Proper markers will be placed everywhere, and at Michigan City, where the road diverges on to the Kalamazoo route, a large marker will be placed showing that the Pike is 55 miles shorter than the route via Kalamazoo and Grand Rapids.

Another fact will be made known that the Lincoln Highway is also much nearer the West Michigan Pike. The Pike will be thoroughly advertised and it will be pointed out to the traveling public that that part of the Pike, cut out by the Kalamazoo-Grand Rapids contingent, is the most beautiful for scenery not alone, but also for summer resorting.

The members of the Southern Auxiliary of the West Michigan Pike have blood in their eye and will leave no stones unturned to steer the business that rightfully belongs to the main trunk line of Michigan in its proper channel.

The business men who went from Holland are Austin Harrington, Dick Boter, Nick Hoffman, and John Weersing.

OTTAWA COUNTY NORMAL WILL HOLD GRADUATION EXERCISES JUNE 21

On Monday morning of June 21, in the assembly of the high school at Grand Haven, will occur the annual graduation exercises of the Ottawa County Normal.

In addition to a varied program, Hon. G. J. Dekema will deliver the graduation address. His theme will be "The Road to Happiness". County Superintendent N. R. Stanton will present the diplomas. Admission to this event will be by invitation only.

The date of the Ottawa County Normal Alumni banquet is to be determined later, but doubtless will fall on Friday, June 18.

CUT OUT SOME FANCY LIGHTS IN FRONT OF PLACE WHERE THEY DO NOT HELP PAY

South Haven Tribune:—

The Board of Trade had John Valentine remove this morning the lamps and globes from 13 ornamental lighting posts in front of property where the owners had declined to pay the amount levied against them for the installation of the lights.

None of these owners had signed the subscription list presented to property owners when the lights were put in, so were under no legal obligation to pay. The directors of the Board of Trade felt that as services had been given them for nearly three years on the same terms as the owners who did pay, that no injustice would be done by discontinuing the service at this time.

As the Board of Trade brot about the installation of the ornamental system, and financed it, action rested with it, rather than with the council or Board of Public Works.

As three of the posts stripped were on corners, the top lights were left in service to supply the street lighting necessary at such points.

HOLLAND AND ZEELAND PEOPLE SPEND \$200,000 FOR AUTOMOBILES

According to estimates secured from the various agencies in Holland and Zeeland a sum close to \$200,000 or to be exact as near as can be figured \$174,240, will be spent by the people of Holland and vicinity this summer for automobiles.

Fred Jackson, 25 W. 7th street, will sell 70 Ford cars at \$440 per car, making a total of \$32,800, minus the proposed rebate on the Ford Profit sharing plan.

The owners of the City garage, 209 Columbia avenue, will sell 19 Buicks at \$1235 and 12 Maxwells at \$750 making a total of \$32,465.

Westrate and Brouwer, West 7th street, will sell 26 Overlands at \$850 and \$750, making a total of \$20,800.

Venhulzen & Kooyers, 13 East Seventh street, will sell 16 Studebakers at \$985 and \$1385 making a total of \$17,145.

R. A. Vos of the Holland Auto and Specialty company, corner River and 16th street will sell three Monroes and seven Chevrolets at a total of \$7,030. Monroe sells for \$490 and Chevrolets sell for \$955.

H. H. Kartsen of Zeeland will sell 30 Paiges at from \$490 to \$1395, making a total of \$30,000.

H. DeKruif of Zeeland will sell 25 Reo cars at \$1050 and \$1395 making a total of \$26,250.

The owners of the Zeeland City Garage will sell 9 Maxwell cars at \$750 making a total of \$6,750.

One of the rules in the proposed city traffic ordinance that was turned down by the council at its last meeting was that drivers signal to the traffic officers which way they are going when they pass a corner. Although this law is not on the city books drivers should practice it to avoid confusion and accidents. Signal the traffic officer with your arm which way you are going when you come to a corner.

COMMENCEMENT WEEK AT HOPE STARTS FRIDAY

BOOMERANG IS ISSUED

The annual issue of the High school Boomerang, issued Monday afternoon, contains 104 pages. The annual is dedicated to Principal Charles E. Drew and contains photographs of Mr. Drew, Superintendent E. E. Fell, members of the school board, members of the senior class, group pictures of other classes, of the various athletic teams and the various boards and organizations of the high school including the student council. Articles accompany each of the pictures.

Holland was represented last evening at the meeting of delegates from cities along the Michigan Pike which was held last night in St. Joseph. A. Harrington, Dick Boter, Nick Hoffman, John Weersing and N. J. Whelan left yesterday in Mr. Harrington's automobile to attend the meeting as Holland's representatives.

GOLF COURSE AT THAT RESORT WILL SOON BE OPEN

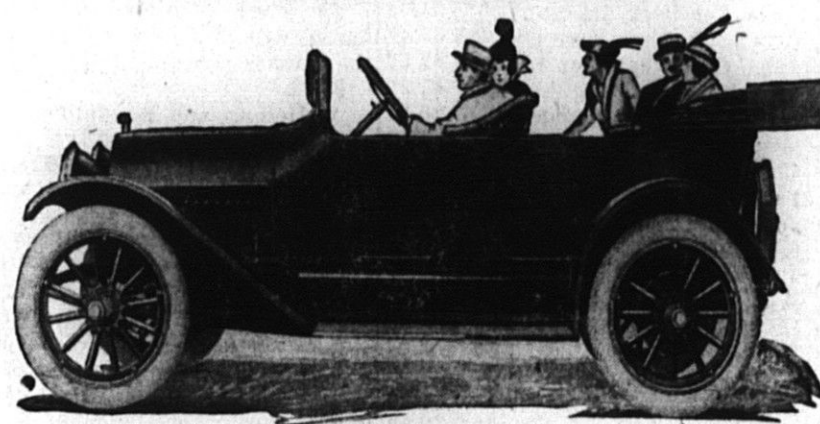

The Ottawa Beach Country club is preparing for the most successful season in its history. In a few days more this attractive summer golf course on the shores of Lake Michigan will be ready for its resort visitors; and the season's prospective program is more ambitious than ever before.

The club house has been moved from the low ground near Black Lake to the crest of the hill to the north and the golf course itself has been rearranged and remodeled. The club house has been rebuilt—and cement sidewalk approaches to the club have been built. Meanwhile a special committee has been appointed to arrange for the construction of a special dock in Black Lake at the club grounds for the accommodation of members from Macatawa, Holland, Waukazoo and other points around the lake.

The golf professional in charge of the club this season will be Maurice L. Wells, formerly assistant to J. W. Watson, professional of the Mission Hills Golf club, of Kansas City, Mo. Mr. Watson is one of the best known professionals in the U. S.

For special tournament play this year six silver loving cups have been hung up for prizes. One cup is presented by Benjamin S. Hanchett, of Grand Rapids; a second by the Holland Interurban, through the courtesy of C. A. Floyd; a third by the Ottawa Beach hotel, thru the courtesy of J. Boyd Pantlind; a fourth, by the Graham and Morton line, thru the courtesy of E. A. Hopperstead; a fifth, by the directors of the Ottawa Beach Country club and a sixth, by J. Newton Lind, Sr.—the latter for a ladies' tournament.

In the Interest of the Consumer

Not an Annoucement, But a Statement of Facts.

Yes! We have Doubled and Redoubled and are again Redoubling our manufacturing facilities and our production.
Yes! This greatly increased production enables us to purchase materials at very low prices.
Yes! Factory organization, special machinery, large capital and intelligent direction all contribute to low cost.
But! The above is not alone sufficient for radical price reductions for 1916.

What Then is the Real Reason?

Listen: For years we have devoted our time, our energies and our best thought to the manufacture and refinement of "FOURS." We know "FOURS." We believe in "FOURS." We are prepared to build "FOURS"—the safe, simple, cheap to operate, thoroughly tried and proven CHEVLET (VALVE-IN-THE-HEAD) "FOURS." In the interest of the consumer, we recognize the fact that the retail dealer must work on a narrower margin, the distributor must work on a much narrower margin, and the manufacturer must work on a very much narrower margin, enabling the consumer to secure for himself an honest and serviceable car at so near 100% value (figured dollar for dollar) that he may no longer be submitted to violent shrinkage in value of his car when "annoucement period" arrives, which so unfortunately comes in the very middle of the natural driving and riding season.

The above frank statement and the effort to meet the conditions are the most real reasons for our 1916 prices—and note, THE CARS HAVE NOT BEEN CUT A SINGLE HAIRLINE IN QUALITY.
