## Do Not Want A Ballot On Liquor Question

REFORMED CHURCH DELEGATES FROM HOLLAND AND VICINITY ON WAY HOME

Economy May Effect Retention of Reformed Church House in Holland

The General Synod of the Reformed church holding session in old Reformed church at Kingston, N. Y., established and built in Revolutionary days, has adjourned and the next session will be held at Grand Rapids not withstanding that there were many cities, including Chicago, bidding for the next meeting.

The fact that synod will meet in Grand Rapids at Central Reformed church will mean that possibly all delegates will visit Holland also, since meetings are held just before Hope college graduation activities, and a large part of the delegates are alumni of Hope.

Among the highlights of the session this year at Kingston was the election of Dr. E. D. Dimment of Hope college as vice president of General Synod.

There was also a note of the strictest economy rampant at every session.

A report to the synod stated that the teachers in the three theological seminaries of the Reformed church had agreed to accept a "substantial reduction" in salaries. The seminaries are at New Brunswick, N. J., Holland, Mich., and Arcot, India.

Afraid of mistakes in economy and of the depression psychology, a committee of five representatives from different districts were chosen with power to act immediately on the following propositions:

That the Progress council be abolished.

That the five particular synods which are held in districts prior to the general synod, be abolished.

That the general synod be held every two years instead of annually.

That the number of classes delegates to the general synod be reduced.

That one general treasurer serve for all the boards of the church.

That salaries be further reduced.

That the district office, Holland, Mich., be reduced in staff or all work centered in New York City.

If the last thought becomes a fact it might mean the discontinuance of Reformed church house on West Eighth street, Holland.

Advance reports indicate that the Reformed church suffers from the depression in common with virtually every church organization. Figures for this year as compared with the preceding year, are families, 87,746, a loss of 116; added by confession, 6,532, a drop of 578; added by letter, 3,524, a decrease of 522; total membership, 160,161, a gain of 1,131; Bible schools, 772, a gain of 10; Bible school enrollment, 146,000, a gain of 1,656.

In finances the losses have been considerable. Receipts for benevolences amounted to \$797,260, a loss of \$155,307, and for missions not under denominational control the receipts were \$159,719, a loss of \$16,665.

General synod also voted against a referendum on the eighteenth amendment, took a slap at the Literary Digest prohibition poll and decided to do more educational work in behalf of the cause of prohibition.

In other words synod believes in the enforcement of the liquor law and not its abolition.

In the debate on prohibition it was decided that the Literary Digest poll of approximately 18 per cent of the nation's 20 million votes is misleading, inasmuch, it was argued, as most of those not voting, very likely are dry. No fear of a referendum was expressed.

Heated discussion prefaced a grant of support to the Northwest Junior college of Orange City, Ia., which is close to Central college. Synod refused to grant special dispensations in connection with preaching in the Reformed church.

## JACK VELDMAN INJURED WHILE ATTENDING GENERAL SYNOD

Rev. Jerry Veldman, pastor of Richmond Street Reformed church of Grand Rapids, better known as "Jack" to his Holland friends, suffered a painful accident Sunday.

A middle finger of his right hand was seriously mashed in closing the door of an automobile. Mr. Veldman was attending General Synod of the Reformed church at Kingston, N. Y., when the accident occurred.

Mr. Veldman was formerly special writer for the Holland City News and was also doing some reporter work for Michigan newspapers as this relates to the proceedings of Synod meetings.

## FILING OF PEOPLE'S BANK CLAIMS ASSURES OPENING OF INSTITUTION

Depositors and creditors of the People's State Bank of Holland, which temporarily closed last winter, were notified today that they must file claims with the receiver, Clarence Jalving, for all deposits. All claims, according to the notice, must be filed in duplicate form within ninety days.

This procedure, Mr. Jalving explained, is a legal formality for the purpose of determining the validity of all claims and to verify the books of the bank. Until this has been done no definite action can be forthcoming in the matter of reorganization which the receiver said is contemplated if a sufficient number of the former depositors would co-operate. Mr. Jalving and his staff have been working faithfully and diligently on these bank matters with gratifying results. All the officials need now is the whole-hearted co-operation of the depositors in filing their claims.

HOLLAND FURNACE CO. SHOWS \$265,906 PROFIT

Directors of Holland Furnace Co. announced today that for the fiscal year ending March 31, net profits were \$265,906. A. W. Wrieden, treasurer, said this amount is equivalent, after deducting dividends paid on the company's seven per cent preferred stock, to a dividend of 41 cents per share on 432,196 net par common shares.

## DOUBLE HEADER IN BASE BALL HERE SATURDAY

Two baseball games for the price of one will be offered at Riverview Park Saturday afternoon. In the feature contest at 2:00 o'clock, the Holland Boosters will meet the strong Hastings Independents. The Boosters and Dutch Boys will face each other in the city league preliminary at 1:00 o'clock.

Hastings will send a strong club against the Boosters Saturday. Manager Lefty Brown, a former battery mate of Spriggs To Reller, has signed the services of three Michigan State college baseball stars to bolster the lineup.

Lefty Pemberton of the Michigan State team will pitch the game, with Moose, first string catcher, on the receiving end. Bill McCann, a Hastings boy who plays at State, will cavort at second base.

In addition to the three college stars, Hastings has a collection of the best ball players in this section of the state. Last season Hastings won two one-run games from the Boosters.

In the first game, a seven inning affair, the Dutch Boy Boosters will battle the Boosters. The Bakers have taken third place in the league standings and are determined to down the Boosters.

Benny Batema, Booster manager, will use Carl Van Lente, former Hope College mound ace, in one of the games. Van Lente completed his coaching duties at Cassopolis, Mich., this week and has joined the Boosters.

Both games will be offered for the price of 25c.

## Less Sunday Labor Wanted By Farmers

Drive to Unite in Mass No Doubt Brought About by Recent Sunday Milk Gathering Dispute

There has been some quiet work going on among farmers in the vicinity of Zeeland, Borelio, Blendon and other rural communities for the express purpose of frowning upon Sunday labor.

Undoubtedly the agitators, in a measure, started first because a mead milk company, it was felt was desecrating the "Lord's Day" by gathering Saturday night and Sunday morning's milk on Sunday in order that the milk might not spoil and, in a measure, be of less value for their manufactured product, if kept over until Monday.

The farmers objected to have the factory delivery man come for the milk Sunday, but the Milk Company officials claimed that there was no difference between gathering the milk or doing the chores on the farm Sundays, which includes milking and feeding cows and taking care of the animals generally. Anyway there was some difference of opinion even among the farmers as to the right and wrong of milking milk or gathering milk based on biblical lines.

Now it seems that the matter of Sunday desecration through work or otherwise has not died out among many farmers, although matters have been rather quiet since the milk company made a public statement explaining their side of the question and printed in the News some weeks ago.

It seems now that a meeting of delegates from each of the groups of farmers who united in a mass meeting recently at the First Christian Reformed Church, Zeeland, in a protest against too much commercialization of the Sabbath, was held again a few days ago in the same church. Since the mass meeting the farmers have united into five sub-organizations, each for the same purpose, namely to facilitate the work in hand.

Delegates attending this session were sent from the Allen-Rusk, the Beaverman, North Blendon, Bauer, Borelio, Ottawa Station, Noordloos, Crisp, North Holland and the Zeeland groups. The principal work of the evening consisted in appointing a committee to draft a constitution for all the divisions and the first work on the program which is to be undertaken by the committee is to devise some means of protection against Sunday commercialization. Five men were appointed to serve on this committee: Maurice Luidens, North Holland, chairman; H. Van Gelderen of Zeeland, secretary; Christ Stremler of Borelio, treasurer; H. Van Spronson of Allendale and Rev. William Kok of Zeeland.

The committee will report at a mass meeting of all five of these groups of farmers at another mass meeting to be held, it is expected, some time during the coming fall. From this statement it would appear that the farmers will take their time to work out plans.

In a phone call to Maurice Luidens, chairman, stated to the committee, the Sunday milk hauling in reality started this organization. However, he stated, that any Sunday work not necessarily requiring Sunday labor will be frowned upon by this organization.

There are also some dairy men who hold that Sunday's milk must be taken care of Sunday to keep it in the best of condition, it is stated. The editor can give no light on this matter, not being a milk man, but only a poor consumer.

## ONCE PASTOR OF THE CENT. AVE. CHURCH NOW 92 YEARS OLD

Rev. Jacob Noordewier, age 92, pastor of the Christian Reformed Church, who participated in the Diamond Jubilee celebration of the Christian Reformed dominion Tuesday evening in the Grand Rapids Armory, is still strong and well.

Rev. Mr. Noordewier, who has now served the denomination for 63 years in an advisory capacity, is also attending sessions of synod, which convenes in Calvin College auditorium, beginning Wednesday morning.

"Mr. Noordewier many years ago was pastor of the Central Avenue Christian Reformed Church at Holland. This was before the advent of electric lights and pipe organs and a "voor zinger" in a separate little pulpit of his own led the singing of psalms, without instrumental music.

In this church the "voor zingers" were the late Peter Van Leeuwen and Johannes Dykema, father of Martin Dykema, who in a large measure follows in the foot steps of his "dad."

## HUDSONVILLE BAND ENTERTAINED WITH LAWN PARTY

Dr. Moes of Hudsonville entertained the members of the Hudsonville High school band with a lawn party at his home Tuesday afternoon. Many guests were present besides the band members.

The band played a short concert after which ice cream and cake were served to all present. Superintendent Vande Bunte of the Hudsonville schools made a short speech in which he thanked Mr. Bert Brandt, director of the band, the band members and Dr. Moes for their cooperation and interest shown in the band during the year.

The band has discontinued their rehearsals for the summer months and will resume them again next fall.

Manager Carley is putting on a special entertainment at the Colonial theater Saturday morning at 10 o'clock when the kiddies of Holland will be able to see the great nursery story, "Alice in Wonderland." A small charge of 10 cents is being made.

## News Items Taken From the Files of Holland City News Fifty, Twenty-five and Fifteen Years Ago Today

### FIFTY YEARS AGO TODAY

The coming Forepaugh's circus bills covered between 600 and 700 feet of bill boards in this city. Special long bill boards have been erected at the southwest and northwest corners of River and Main streets, put up by the circus people. Note: These were the McBride Block and Holland City State Bank corner; the latter was a large vacant lot, however the McBride site contained the burned ruins of Kenyon's Hall, Holland's first Opera House. The Kenyon block also containing Kenyon's Bank and Joslin and Breyman's Jewelry Store. For years bill boards covered up the unsightly ruins until the McBride Block was built.

Who can beat this? Fred L. Souter a few days ago caught on "Point Superior" near the bayou in Black Lake six large muskellunge weighing respectively: 33½, 30, 24, 18, 16, 11½ pounds, a total of 133 pounds. That should bring tourists and sportsmen to this Holland lake. Note: Mr. Souter was a resident of Holland and for many years traveled for the Walsh-DeRoos Milling Co., on River Ave.

The thanks of the Holland City News is due to United States Senator Thomas W. Ferry of Grand Haven for a copy of the Memorial address on the life and character of the late Zachariah Chandler.

(Note: Mr. Ferry was acting president of the United States for one day while he was senator. A sudden condition arose that made this necessary.)

### TWENTY-FIVE YEARS AGO TODAY

Spain's royal baby has been given 1,000 golden doubloons, or about \$8,000 by the principality of Asturias. If the king ever runs short of change he will find it worth while to rob the baby's bank. Note: Well, it seems that time has come for his country as well.

G. Zaalmink, the founder of Central Park, has sold four lots there to Frances St. Johns, Charles Butels, John Gabel and Henry Brinkman.

John Rotman of Allendale found a strange relic in the form of a knife made entirely of copper crudely made. It is not a weapon such as the Indians had here but it appears to have been left behind by a pre-historic people, possibly mound builders.

During the heavy thunder storm that passed over this locality last Sunday evening a horse belonging to Bert Veneklasen, living at the brickyard west of Zeeland, was killed by lightning. Strange to say, the horse was killed in his stall but the barn, filled with hay, did not take fire.

Mrs. Wm. McKinley, wife of the martyred president, died at her home in Canton, Ohio, Sunday. She was an invalid most of her life and after the president had been shot at the Buffalo Exposition she prayed daily that the Lord might take her also to join her husband. The devotion of this couple, one to

### the other, is one of the beautiful pages in American history of great men and women.

P. Oosting and Son started today on the foundation of the Van Ark block on West Eighth Street. It will be a double store three floors and a basement, and will house the Van Ark Furniture Co.

The marriage of Miss Martha Manting and Thomas DeVries took place at the home of the mother, Mrs. A. G. Manting, Rev. Dr. Drukker performed the ceremonies in the presence of 100 guests. The wedding march was played by Miss Matilda Notier, accompanied by Mr. Peter Notier on the violin.

### FIFTEEN YEARS AGO TODAY

George Beidler of Chicago, who has his summer home west of Virginia Park, gave \$500 to Holland's new hospital, Rev. Dr. Drukker, who is now in California and sent it to Attorney George E. Kollen.

Frank White, Thomas N. Robinson, A. H. Landwehr, Gerrit Van Schelven, Wm. O. Van Eyck, Charles Floyd, G. J. Diekmann, and Ben Mulder were on a committee to endeavor to get a troop camp here harboring 30,000 men. The committee selected a site north of Ottawa Beach overlooking Lake Michigan suitable for drill ground and shooting range. Note: The camp never came here; there were ten other sites to select from and Battle Creek was chosen and Camp Custer resulted.

A double wedding took place at K. of P. Hall on Decoration Day when Miss Anna Terpstra was married to Louis Heideema and Miss Kate Postma promised to "love, honor and cherish" Mr. Louis Uil-diks. The lodge room was rented for the purpose of accommodating the large circle of friends.

E. J. Kirkpatrick, manager of the Appolo Theatre, was taken suddenly ill at the window in this "movie house" and had to be taken home.

Jacob Lokker has purchased a Buick car.

Paul Jones, one of the Indian boys brought up by the missionaries of the Christian Reformed churches in New Mexico, who is now receiving a missionary course at Calvin College, spoke at the 14th Street Christian Reformed church here Sunday.

John P. Kolla is now making the German Iron Cross at the Holland Furnace Co. foundry. The cross is a facsimile of the original cross made in Germany. It has the word "To" on top, a small "helmet" in the center and "De Kaiser" is spelled out boldly at the bottom of the cross. When read straight down the following sentence is evident: "To helmet De Kaiser." The patriotic Frenchman gleefully pins the crosses on coats of his friends.

Note: It must be remembered that 15 years ago we were at war with Germany and our boys were mobilizing in camps and ready to "go across." To say that the feeling against the Kaiser was intense is putting it mild.

### CAMP SITE FOR SCOUTS NOW ASSURED

Peter Norg of Holland, executive of the Ottawa-Allegan Boy Scout area, today announced that negotiations had been made whereby a 20-acre plot fronting on Lake Allegan is available for the Ottawa-Allegan camp session which will begin July 7. The property has been offered for the summer without cost by the Consumers Power company. Tents will be used for sleeping and dining quarters, and arrangements have been made to erect a shack to be used as a cook building.

Gerrit Riphagen, one of the two surviving victims of a truck-automobile accident at the intersection of M-50 and US-31 near Agnew, May 28, in which three persons were fatally injured, returned to his home in Holland last night after two weeks in Hattson Hospital, Grand Haven. Anthony Van Der Bie, the other survivor, who is also from Holland, is reported as steadily improving. An inquest, coroner Gilbert Van De Water said today, will be held soon and several witnesses have been asked to be prepared to testify.

Judge Fred T. Miles will open circuit court at Allegan today Friday.

Auditor General O. B. Fuller has sent \$600 to Grand Haven for the removal of the mountains of sand that had blown over the oval at the State Park.

Rev. and Mrs. Anthony Karreman and daughter Marguerite of Lansing, Ill., motored to Holland to spend the week with Mrs. L. Mulder, West 14th street.

The bluegill pond at the Holland Fish and Game club rearing ponds at New Groningen has been stocked with more than 500,000 fingerlings from the Comstock hatcheries under supervision of representatives of the state conservation department, according to president Clarence Lokker. It required 18 large milk cans to bring the consignment to Holland. The bass pond will be stocked some time this month.

The Allegan Rod and Gun club Tuesday planted 20,000 large-mouth bass fry in the north side rearing pond. As fingerlings they will be planted in county lakes next November.

## Kuizenga Guest Speaker At The Exchange Club

EXCHANGE CLUB NOW HAS "BUD" HUNGA AS PRESIDENT

Yesterday was election day in the Exchange club and Milton "Bud" Hinga was named president in place of Dr. William Westrate, retired. Jake Fris was also named, but instead he moved the election of Mr. Hinga be unanimous.

Fred Beuwkes, who was named secretary, together with the present able secretary, Prof. Albert Lampen, also asked that Mr. Lampen be retained and the vote was unanimous.

Other officers elected were vice president, Andrew Klomprens; treasurer, Alex. Jan Zanten. Peter Notier, Joe Geerts and Frank Dyke were elected to the board of directors. Delegates named to represent Holland at the Michigan Affiliated Exchange clubs' frolic June 12 and 13, of which the Muskegon chapter is the host, are Bud Hinga and Andrew Klomprens.

The Holland Exchange club, which has at present eighty-two members, last year won the state trophy in the class A division of Michigan Exchange clubs. Among the projects of the past season, are providing of a bottle of milk daily to 250 needy school children throughout the winter, and the donation of four \$50 scholarships to be awarded to worthy students at Hope college.

Dr. John E. Kuizenga of Princeton, N. J., was the guest speaker at the Exchange club luncheon at Warm Friend tavern. He spoke of the different type of men, some rovers and prodigals, who consider that life as "Duck Soup." Others dreamers, who were literary men, poets, inventors but poor business heads and others profited from the shrewd investments.

He stated there was also a type of hard headed person who drove hard bargains, did not consider consequences and always considered themselves right, a type that creates displeasure because of this positive attitude.

He said that we were living in a "Duck Soup" age, an age of controversy. We have lived more for a good time, whether that be for food, home or other pleasures.

We have been endeavoring to get all we could out of this worldly life and we are now paying the price. We have been drunk with paper profits, and have spent accordingly. Yes, we are living in an age of "Duck Soup," forgetting to help one another.

He stated that he felt that legal technicalities such as shielded Capone are even worse than machine gunners themselves. When one can make white black and give it dignity then we are in a deplorable condition. We are in the "Duck Soup" class when we allow our legislators to plan new taxes with new levies to pay old debts, thus fooling ourselves rather than applying the rigid program of economy and common sense.

Let us not delude ourselves with this "Duck Soup" fallacy. Mr. Kuizenga also pointed out that the attempted recreation of drink in this country, producing a great waste, surely could not bring prosperity.

In closing Mr. Kuizenga said: "We must come down to old-fashioned hard facts. No one can beat the man who week by week saves a little for a rainy day, which saves for him a home for the tomorrow. In the long run we live by helpfulness for one another, in helpfulness and universal service. After all the law of right is stronger than the foundations of the earth. There can be no lasting wealth in this or any other land without productive toil and healthy economy. God, deliver us from the era of 'Duck Soup' in which we now seem to be floundering."

On Monday evening the "Studios of Allied Arts" presented a program of grand opera music in a recital under the direction of Miss June Mc Ateer at the St. Cecilia studio and the offerings of the pupils were unusually well received. In the list of pupils who appeared was Miss Ethel Hagagan, daughter of Mr. and Mrs. Harry Hagagan, of Beachwood, Holland.

In comment on Miss Hagagan's rendition the Grand Rapids Press states as follows: "Miss Ethel Hagagan, a young singer whose soprano voice is most promising, sang 'Valse de Musette,' from Puccini's 'Boheme.'"

The young girl also pleasingly sang a duet with Mr. Sidney Straight, a tenor, "Tell Me of My Mother," from Opera Carmen by Bizet.

In rendering her numbers it was evident from the applause that Miss Hagagan had exceedingly pleased her listeners. She will appear again at St. Cecilia Monday evening in a program of light opera and comedy with the school. In last Monday's program ten other students of Miss June Mc Ateer of the allied Arts Studio appeared.

## TEACHERS ENJOY OUTING AT HOLLAND COUNTRY CLUB

The teachers of the Zeeland public schools held the last party of the Teachers' Club for the present term at the Holland Country Club on Monday evening with about forty guests present. The Teachers' Club includes members of the faculty of the Zeeland schools, their wives and the members of the school board. The majority of these were present, coming early in the afternoon to enjoy golf, tennis, croquet and kindred games. In the evening of that day an elaborate banquet was held.

## SUPREME COURT SUSTAINS BOWMASTER MATTER

According to an opinion handed down by the supreme court of the state of Michigan, the action of the circuit court returning a verdict of \$12,500 against Peter Van Ark, city assessor, in favor of the Arthur R. Bowmaster estate, sustained the verdict in their decision a few days ago.

The Holland City News has repeatedly given a history of the case, Bowmaster being a resident of Central Park, was fatally injured on US-31 near Zeeland. John De Pree of Zeeland assisted Bowmaster in removing a ditched car when the car, driven by Assessor Van Ark crashed into the parked truck, forcing it forward, the truck striking Bowmaster, causing his death.

The case against De Pree, who was also used for damages, was dismissed.

Van Ark claimed that snow flurries obscured his vision. The firm of Dickema, Cross & Ten Cate were attorneys for De Pree. Clarence Hoffman of Allegan appeared for the Bowmaster estate. The case was tried and retried and this is the final decision in the supreme court.

## VANDER MEULEN TO PREACH IN HOPE CHURCH

Dr. John M. Vander Meulen, a former pastor of Hope church, now of the Presbyterian Theological seminary of Louisville, Ky., will preach in Hope church Sunday morning at 10:30 a. m.

Dr. Vander Meulen is spending a few weeks at his cottage at Central Park and has promised to take charge of the services stated above.

Prof. W. Curtis Snow, able organist and director of music, will have charge of the choir and musical numbers.

## HOLLAND LADIES GO TO THE STATE AND NATIONAL CONVENTIONS

Mrs. Ed Hiller, Mrs. Roy Dekker and Mrs. Walter Van Bommel have been chosen to go to the W. R. C. state convention to be held at Potoski beginning June 22.

Mrs. Clara Elferdink, River avenue, will go to the Woman's Relief Corps convention to be held at Springfield, Ill., Sept. 18. This order is an auxiliary of the Grand Army of the Republic. Most of the women have held or are holding high offices in the state organization.

## PRE-SCHOOL CLINIC AT ZEELAND NEXT WEDNESDAY

A pre-school clinic will be held in the Zeeland high school on Wednesday, June 16th, from 1 to 3 o'clock in the afternoon. Mothers of pre-school children are urged to come and avail themselves of this opportunity of getting necessary medical attention and advice. The clinic is held under the auspices of the Zeeland Literary Club and will be conducted by Dr. R. Ten Have, assisted by a dentist.

## TULIPS TAKE HOLD OF RURAL SCHOOLS

To note how far reaching this "Tulip Time" idea has gone—in many rural schools in Ottawa and Allegan counties children have been making paper tulips, Dutch windmills, wooden shoes, Dutch boys and girls and all other embellishments indicative of "Tulip Time" in Holland. It is stated that the Harlem school north of here is literally filled with Dutch ornaments. Even poems on tulips were part of the course of study.

## ZEELAND GIRLS DEFEAT HOLLAND DAMES

Zeeland Record: Last Thursday, June 2nd, the girls' playground ball team met and defeated Holland on the home diamond. Zeeland had good fortune at bat in the second and third innings when they scored 12 runs. Home runs by Poest and Van Kleve were the features of this scoring.

Holland, with the aid of Van Ingen's homer, threatened in the 5th when they scored five runs. Moerdyke, with Berghorst on the receiving end, held the Hollanders well in check, allowing only seven hits. Both teams had ill luck afield, Zeeland making seven errors to Holland's six. Moerdyke led the local batting attack with three hits out of four trips to the plate, and Van den Heuvel of Holland duplicated the feat for her team. The final score was 18-10. The batteries were: Holland, Van Hey and Vanden Heuvel; Zeeland, Moerdyke and Berghorst.

## HOLLAND GIRL SINGS AT ST. CECILIA, GRAND RAPIDS

On Monday evening the "Studios of Allied Arts" presented a program of grand opera music in a recital under the direction of Miss June Mc Ateer at the St. Cecilia studio and the offerings of the pupils were unusually well received. In the list of pupils who appeared was Miss Ethel Hagagan, daughter of Mr. and Mrs. Harry Hagagan, of Beachwood, Holland.

In comment on Miss Hagagan's rendition the Grand Rapids Press states as follows: "Miss Ethel Hagagan, a young singer whose soprano voice is most promising, sang 'Valse de Musette,' from Puccini's 'Boheme.'"

HOW TO BRING BACK  
GOOD TIMES

Nothing could do more to bring back good times than assurance of a decrease in taxes during the next few years.

Every effort should be made to increase governmental efficiency, eliminate waste and duplication of effort and do away with the burdens and commissions that milk the taxpayer dry. Doing this would not damage the functions of government — it would greatly improve them.

High taxes have throttled industrial development in England. They have done the same thing in Germany, in Austria, in Australia and elsewhere. They are doing the same thing here. High taxes make and prolong unemployment, help cause hoarding of capital and frighten investors. In short, their whole influence is toward the prolongation of depression.

Some changes were made in the City League standings up to Wednesday of this week. The Mossers Leathers claimed a tie for first place with the Boosters by downing Ben Batema's team last week, Friday, 2 to 1.

The Dutch Boy Broad team climbed into first division this week by defeating Phillips in the Monday evening game. The Gulf Gas and Pure Oil are still low with six defeats apiece, with the former club having one victory.

The feature pitching performance was a 2-hit game by Larry Hyma of the Mossers Leathers against the Boosters.

The scheme is to find out who can conjure up the largest number of words from the sentence, including the name of a popular shoe sold by the local firm, namely, "Wear Enna-Jettick Shoes."

The person bringing in the most words properly arranged is to receive a five-piece set of silverware in community plate.

Second prize will be a "Well and True" meat plate.

Third prize will be a set of "Enna-Jettick" shoes to fit the person who wins the prize. These prizes are found displayed in the Beter company show window and the judges are to be former Mayor or Ernest Brooks, Oris Bishop, advertising department of Holland Evening Sentinel, and Ben Mulder, editor of the Holland City News.

Do Not Want  
A Ballot On  
Liquor Question

(Continued from Page One)

Bergen have submitted an overture that the general funds of the board of education be limited to the support of Hope College, Central college, and Western Theological seminary, Holland, and that aid to other accredited schools of the denomination be made through the board and be limited to the territory from which each institution draws a considerable portion of its students.

An overture from the classics of Westchester to make women eligible for elders and deacons was rejected by synod.

Military training in colleges, high schools and training camps was condemned; consideration of reparations and war debts by the people and government of the United States was urged; a quota basis of immigration for Japan upheld; the Sino-Japanese conflict deplored; the war system opposed; the pact of Paris and the World Court upheld, and a hope that America may enter the League of Nations expressed in resolutions adopted by synod.

The resolutions condemning war and military training were adopted only after heated debate, in which much difference of opinion was revealed and the word "stupid" struck out of the resolution condemning war, various delegates holding that not all war is stupid. Military training, the resolution finally adopted holds, is a "waste of public funds."

The resolution regarding the pact of Paris urges all governments to "enter into an agreement whereby in the event of actual or threatened hostilities the signatories promptly consult how short of force—to end such hostilities."

"In view of the world's sad economic plight and on the basis of Christian spirit and teaching," the resolution urges the government to consider the "whole question of reparations and war debts."

A nominal sum towards peace education was allowed.

From the classis of Holland a request was made the synod asking President Hoover to call a national day of prayer and humiliation in view of the present condition of the land and the world.

The synodical sermon was preached Sunday morning by President Dawson on the text "Speak Unto the Children of Israel that They Go Forward." Vice President Edward Dimment of Holland, Mich., presided.

The sermon was a challenge to Christianity in general and to the Reformed church in particular.

The foreign missions centennial service Sunday evening was a colorful event. The clergy were clad in collegiate robes as ecclesiastical vestments and marched with members of the synod. Members of the board of foreign missions and all former missionaries marched around the church square and into the church by the main entrance.

Many persons from surrounding towns and cities, including New York City, were there for the occasion.

The scene of the convention, the First church, of which the Rev. Dr. Lucius Boeve is pastor, is one of the most historic in the denomination. Organized in 1660 the church was burned by Indians on June 7, 1663, and again burned by British on Oct. 16, 1777, a few months after the religious services were held there as part of the inauguration of Gov. Clinton as the first governor of the state of New York.

The church is believed to be the oldest in the Hudson valley and has had a continuous organization and activity since 1660. It possesses an autographed letter from George Washington written to the ministers, elders and deacons of the church in recognition of the loyalty of the congregation. In this letter Washington expressed the opinion that religious liberty was as essential as civil liberty.

One of the outstanding features of general synod meetings was the sermon Sunday by Rev. William Damarens who spoke on George Washington. He said in part as follows:

"The marvel of his achieving was in his unwavering, unconquerable spirit, holding against all odds, unchanged and unchanging, commander-in-chief through all those long hard years until the Revolutionary war and American independence was won.

"Washington's religion was manifest in the Christian virtues that so necessarily characterized him. It was formally confessed in his membership in the Protestant Episcopal church. He was a member of the vestry, he sat at its communion table, he was a faithful church attendant. He was insistent on religious services for the army and his orders were repeated and emphatic as to the decent and moral conduct of the soldiers. His letters abound in expressions of trust in God's providence, of faith in his gracious and overruling care. In the days of war and of peace and in the issues of great enterprise, he gave his reverent thanks to God."

In his closing remarks Mr. Damarens pointed out the many contacts Washington had with the Dutch Reformed church.

"The relations of Washington to the Reformed (Dutch) church in America," the speaker said, "appears in his movement or residence in the war in the localities of the church, and as well in particular communications between him and certain of the consistories. A large part of the wartime he spent in New Jersey, much of the event or movement being in Dutch church vicinity. The battle of Monmouth was near Old First church of Freehold. At New Brunswick, near its old church, were several important incidents, his delay of the British who then entered the city to occupy it for six months, his celebration there with his army the Fourth of July, 1778, his first revealing there of the movement southward in 1781 to the victory at Yorktown. At Prebensen in the Dutch congregation he had headquarters more than once for continued stay in the house of Teunis Dev, an original trustee of Queen's college. At Tappan, just over the line in New York, his home was the DeWitt house, and in the Tappan Dutch church the Andre court of inquiry was held. In the Dutch

church of Paramus were held the later sessions of the court martial of Gen. Charles Lee. During the winter of 1778-79 Washington's army was at camp in the vicinity of the Dutch church of Raritan, a part of the army close to the church edifice. Gen. Washington and Mrs. Washington lived during those months in the house next door to Jacob Rutsen Hardenbergh, minister of the church. They were together much and became warm friends.

"A formal address was presented by the church to Washington on the department of the army and he made appropriate formal reply. In New York Washington passed frequently through Dutch church territory, camping at one time near the old Sleepy Hollow church, Tarrytown. At Albany in the old Dutch church Gen. and Mrs. Washington were sponsors at the baptism of Catherine, daughter of Gen. and Mrs. Philip Schuyler. Also at Albany at a later date, when Washington visited the city, the consistory presented an address to him in the church. At Kingston when he visited that city to show his sympathy for it after its burning by the British he received an address from the Dutch church and the original of his reply to it is in possession of the church.

"In 1789 the general synod of the Reformed (Dutch) church, through a committee, made an address to him in recognition of the establishing of a permanent government, and of his becoming at the time first president of it. To this address also he made formal reply, expressing warm appreciation, and all good wishes for the church."

General synod closed sessions Wednesday morning and delegates from Holland and vicinity are now on their way home after a ten days absence.

Judge Huxtable is a benevolent individual, who always tempers justice with mercy in his court. He beamed happily when a large group of his children and other relatives gathered about him with a surprise party in his honor.

It goes without saying that plenty of good things were brought along by the surprisers, in the "better half" of Zeeland's judge general Mr. Huxtable, also had a hand.

OTTAWA COUNTY  
SOLDIERS' RELIEF BOARD  
SUSPENDS OPERATIONS

More than 400 World war veterans and their families were given assistance by the Ottawa county soldiers' relief commission up to the time it was forced to suspend operations April 18 because of lack of funds, according to George C. Borek, secretary. Up to April 18 the commission was helping 441 veterans and families and the balance of money left on hand would have but 27 cents per person per month until the June session of the board of supervisors, the report said.

The commission is composed of the secretary, a Spanish-American war veteran; Dr. A. E. Stickley, chairman, a veteran of the Spanish-American and World wars, and Samuel H. Bosch, vice chairman, who saw service in the World War.

Secretary Borek reports that on Oct. 1, 1931, the commission was overdrawn \$513.36 and the supervisors were asked to levy 2-10 of a mill for the relief fund, which would have provided \$11,176. The board voted \$2,500, out of which the overdraft was paid, leaving \$1,986.64 available for relief work.

During the winter the demands on the fund were unusually heavy and on April 12 there was an overdraft of \$1,692.72. The supervisors were petitioned for \$4,000 but allowed only another \$2,500, which when the overdraft was paid, left \$238.91. The board also cautioned the commission about overdrawing the account.

April 18 it was found that after bills of \$568.37 were paid there was a balance of \$238.91, and as this would not begin to take care of the demands it was deemed best to cease functioning.

Borek points out that the road work done by veterans was in charge of Carl T. Bowen of the county road commission, who allowed the township supervisors to recommend the names of men to be employed. He also declares that a full share of the federal flour distributed by the Red Cross was received and that Mrs. Eleanor McNett and Mrs. VanDuren, Red Cross chairmen for the north and south sections of the county, respectively, did excellent work.

The First Reformed church of Zeeland held a "family reunion" of the entire congregation last evening in honor of the thirty-four sons and daughters of the church who have served as ministers or missionaries. A service flag now hanging in the church with thirty-four gold and white stars will be taken down and a new star added as John Mulder, recent graduate of Western Theological seminary and latest member of the church to enter the ministry, will be honored.

His brother, Bernie Mulder, pastor of Bethany Reformed church of Grand Rapids, also a son of First church, took part in the ceremony. The program was in charge of Rev. John VanPoussem, pastor of First Reformed church. Mrs. Gerrit Huizenga, soloist, rendered musical numbers, together with the church quartet. A social gathering followed the program. ## HAMILTON

A crowd of about 500 people gathered at the auditorium last week, Thursday evening, for the graduation program of the local high school. The program was as follows:

Processional, Ella Roggen and Beatrice Lugten; invocation, Rev. J. A. Roggen; message, president Parent-Teacher association, Mrs. J. A. Roggen; gift presentation sponsored by Women's Study club, Mrs. G. Schutmaat; salutatory, Doris Maatman; class history, Gerald Meiste; prophecy, Florence Brower; music, Ella Roggen and Beatrice Lugten; valedictory, Clarice Brink; address, Rev. H. D. Ter Keurst; vocal solo, Josephine Kuite; presentation of diplomas, Jacob Drenten; benediction, Rev. J. A. Roggen.

The stage, arranged as a garden scene, was beautifully decorated in the green and white class colors. A large banner with the class motto "Not Evening, but Dawn," was placed across the back of the stage. Doris Maatman received the first, and Clarice Brink, second prize for the best essays on the "Conservation of Forests." These prizes were given by the Women's Study club. The class is the largest ever graduated from the local school, consisting of eighteen students. The members of the class are Ruth Veen, Evelyn Branderhorst, Sophia Tanis, Delia Bussies, Marvin Kaper, Wallace Kempker, Clarice Brink, Doris Maatman, Gerald Meiste, Angeline Kuite, Sarah Oetman, Geneva Etterbeek, Evelyn Kaper, Earl Pall, Jasper Rigerink, Gerdon Timmerman, Henry Deters and Florence Brower.

The school picnic was held at the community ground Friday. Dinner was enjoyed in the hall. The children were kept busy with games, contests and races during the afternoon. All of the members of the faculty will return next year.

Mildred Nyhoff, little daughter of Mr. and Mrs. Neal Nyhoff, who was seriously sick with pneumonia last week, is recovering.

Ben Rankens and Henry D. Strabbing motored to Cadillac on a fishing trip last week, Thursday. Victor Maxam had charge of services at the Immanuel Reformed church last Sunday. He will leave next week for Muskegon where he will serve the Forest Home church for the summer months.

Rev. and Mrs. Edward Tanis of Grand Rapids were here last week, Thursday, visiting relatives and friends.

The ninth graders, accompanied by Prof. T. T. Gorder, enjoyed an outing to Saugatuck last Friday.

Despite the fact that the local baseball teams are without the pitching staff of last year through sickness and injury, the teams continue to add to their string of victories. The Independents at present are without a pitcher. R. Wentzel, their star twirler, seems unable to overcome the effects of "flu." A few days ago Callahan severely injured his hand when he attempted to stop a hard hit ball. Fred Wentzel also is under a doctor's care. Harvey Lugten, the ace of the Merchant team, has been doing double duty. Last week, Wednesday evening, he won a pitcher's duel for the Merchants against Forest Grove by a score of 4 to 3. It was a perfect game for the first. Both teams played perfect ball in the field with both pitchers in excellent form. Lugten struck out 10 men, allowed 9 scattered hits and refused to give a free pass. Bush of Forest Grove struck out 6 men, allowed 7 hits with 2 bases on balls. He failed to keep the hits scattered as successfully as the local moundman. The game was tied 3 all until the ninth, when the local team scored the winning run. Harold Rankens led at bat for both teams with three hard hit singles. Last Monday evening the Independents defeated the fast Martin team, 7 to 1. Lugten was again on the mound and held the visitors to 3 hits. For six innings the teams battled with a 1-to-1 tie. The locals added two runs in the seventh. In the eighth Martin sent in a relief pitcher, who was greeted with a shower of singles and doubles. In the final inning Lugten turned two men back by the

strike-out route and grounded out the last man on an easy roller to second. Martin's single score was obtained in the sixth inning on an error and a hit.

While the Independents were defeating the Martins on the home diamond the Merchants were away and held East Holland to a 5 to 5 tie. The junior team so far has two victories and one tie as a record. Though it means a great loss

to the youngsters they are unselfishly lending Lugten, their star pitcher, to the senior team until Wentzel and Callahan return to the game.

Miss Jennie Dubbink, Indian missionary from Oklahoma, addressed the ladies of this vicinity at the meeting of the Ladies' Missionary society of the First church last Thursday afternoon. A large crowd enjoyed the instructive and interesting address.

Others are Gerrit De Ruiter and Willard Swenson of the same school, and Gilbert Foss of Beechwood who also received honorable mention with the other two.

The best way to find out is to drop in at the Warm Friend Jewelry, 6 East Eighth street, Holland.

SAND DUNE WANDERS - COTTAGES MUST BE MOVED

C. Landman, manager of the boat livery at Macatawa, must either move his cottage or have it eventually transformed into a cave. The building faces Black lake and to the rear is a sand dune.

Due to an open winter the hill has moved about 10 feet toward the house, and aided by blows, the sand now has been piled against it almost up to the eaves.

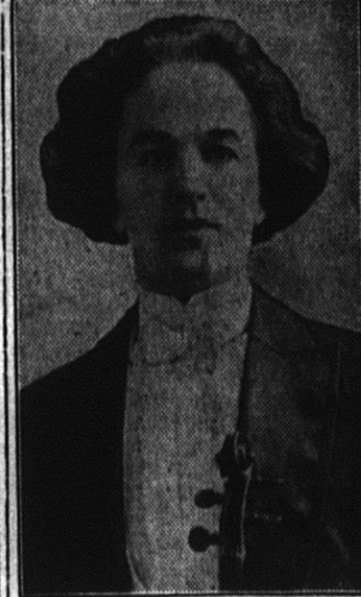

Rather than shovel the sand away, which would be a tremendous undertaking, and the blow might be repeated, Landman probably will dismantle the building and rebuild it in some location out of range of the tremendous sand dune near where "Angels Flight" was located.

SCHOOL PICNIC NOT AT TOWER PARK

The annual picnic of the East Sixteenth street school will not be held at Tower park as stated in last week's News. Instead the picnic will be held at Kollen Park, Holland, next Wednesday in the evening, and will not include the afternoon as was first planned. Ice cream and soft drinks and refreshments will be sold at the grounds. Free lemonade will be served, and a fine program of sports is being arranged. There will be no basket lunch. NOTED RUSSIAN VIOLINIST TO PLAY IN ARMORY

Alexander Kaminsky, Russian violinist, once a member of the Royal Opera Company at Petrograd and the favorite musician of Czar Nicholas, will play at the Immanuel church in the Armory, on next Thursday evening, June 16, giving a concert in which he combines sacred hymns with classical concertos.

Through the masterful handling of the violin he gives his audience contrasting pictures of the hopelessness of a life wasted on the world and the value of a life consecrated to Christian service, for he has experienced both extremes as a musician, who at one day had the world at his feet and who today is using his talent to reveal to mankind that life is worth while when the heart is right with God.

Recently, Mr. Kaminsky played before President Hoover at the White House upon the invitation of the president, who attended a concert which the violinist had given at a Bible conference.

He said the president requested especially that he play "The Old Rugged Cross."

Mr. Kaminsky was decorated by the Russian Czar on five occasions. This concert, which is given under the auspices of the Immanuel church, is free to everyone.

The Unforgivable Sin is a question which has often troubled Christian people and concerning which there is a great deal of misinformation and ignorance. The whole matter must be traced back to the words of Christ concerning the Sin Against the Holy Spirit. All interested are invited to hear more about it at the Sunday morning service.

THREE HOLLAND STUDENTS  
WILL RECEIVE DEGREESAmong the list of students who  
are candidates for degrees from  
Northwestern university at Evan-  
ston, Ill., at the seventy-fourth an-  
nual commencement to be held  
Monday, are three from Holland.They are Miss Margaret West-  
veer of 188 West Eleventh street,  
who will receive her degree of  
bachelor of science in speech;  
Henry Steffens of 150 West Fif-  
teenth street, master of arts; and  
Eugene Damstra of 90 West Sev-  
enteenth street, bachelor of medi-  
cine.Zeeland School  
Class Comes  
To HollandAre Shown The Intricacies of The  
Holland Gas Plant and Write  
About It

The Zeeland High School Chem-  
istry class motored to Holland on  
Tuesday afternoon for the purpose  
of finding out what the interior of  
a gas plant looked like, how the gas  
was made and what the by-products  
consist of and how secured.

The report, written by a member  
of the class, is very enlightening  
and goes to show that we in Holland  
know very little of what is going  
on in some of our manufacturing  
plants which indeed are extremely  
interesting. Here is what the class  
saw:

"Tuesday afternoon the fifth per-  
iod chemistry class went to Holland  
and was taken through the plant of  
the Michigan Gas & Electric Com-  
pany. This is the company, as we  
all know, that brings gas into our  
homes here in Zeeland. Mr. Richard  
Brown of the company conducted  
the class through the plant and ex-  
plained very clearly and in terms  
the class had become more or less  
familiar with in the study of chem-  
istry the operations of the plant.

Mr. Muller, the class instructor, ac-  
companied the students and Julia  
Schipper arranged the details of the  
tour.

"The class was first shown the  
place where the gas is actually  
made. This is a very large brick  
and iron furnace. Coal is heated in  
very long tubes by coke fires under-  
neath. The coal is heated to an im-  
mense temperature but it doesn't  
burn because it is sealed by water  
so that air cannot reach it. The coal  
remains in these long tubes for  
six hours and by the time these  
six hours have elapsed the gases  
are mostly drawn off. From there  
these gases are piped off to the  
condenser where they are cooled,  
and from the condenser they go to  
the cleaner, where some of the im-  
purities are taken off. The main im-  
purity extracted here is ammonia  
gas. Ammonia gas is one of the by-  
products of coal gas manufacture,  
but it is not utilized at the Hol-  
land plant because it is not of suf-  
ficient quantity or concentration to  
prove practical.

"After this was explained by Mr.  
Brown, the class was shown the tar  
tanks. Tar is also a by-product of  
coal gas manufacture. Twelve gal-  
lons of tar are extracted from each  
ton of coal burned.

"The process that makes coal gas  
suitable for home use at all is the  
process that takes the sulphur out  
of the gas. Although sulphur burn-  
ing in coal gas is not as bad as  
carbon monoxide poisoning, it is  
bad enough to make a person very  
sick. So it is very important that  
the sulphur is all taken out. A lead  
acetate test is taken every day to  
determine for a certainty that the  
sulphur is sufficiently low. Gas is  
blown on a sheet of paper on which  
some liquid lead acetate has been  
previously poured. If the sulphur  
content is very low the paper re-  
mains white, if not, it turns brown.

"The large gas tanks float on  
approximately 1,000,000 gallons of  
water and are so constructed that  
they rest inside each other and rise  
and lower according to the amount  
of gas they contain.

"But the gas tanks held another  
element of interest besides their  
apparent use as containers of gas.  
It is quite a climb to the top, but  
what a view! It is possible to see  
Zeeland, Black Lake, and the dunes  
of Lake Michigan, and the fair-  
grounds look to be about a block  
away.

"The chemistry class appreciates  
the courtesy of the Michigan Gas  
& Electric Co. in allowing them to  
go through their plant."

HOLLAND HI-Y CLUB FETES  
GRAND HAVEN HI-Y

Grand Haven Tribune—It's a  
known fact that the Holland High  
Hi-Y and our own enjoy a deep  
friendship. Thursday, the 19th, the  
Holland Hi-Y entertained our club  
in Holland. Upon their arrival the  
tennis and shuffle board teams  
showed their stuff by defeating  
Holland's teams. They failed to  
win in baseball, but walked away  
with the highest points. The Hol-  
land club entertained them further  
with a fine supper. At this time  
the members heard from our own  
Hi-Y. Following the supper they were  
given admission tickets to "Tulip  
Time," the annual tulip time  
operetta.

Without a doubt these get-to-  
togethers will become an annual  
affair and it is their sincere hope  
that the wonderful friendship ex-  
isting will not be broken.

Applications for marriage li-  
censes have been received at the  
county clerk's office from the fol-  
lowing: John Van Wingeren, 26, Hol-  
land; Henrietta Terpstra, 20, Hol-  
land; Jake Lynema, 23, Hudsonville;  
Ella Roelof, 27, Hudsonville;  
George Berens, 27, Holland and  
Doris Raemusson, Holland; Walter  
Nilsson, 24, Grand Haven, and  
Pauline Gierum, 22, Grand Haven;  
Spencer C. Bradley, 30, Hudson-  
ville and Ruth Shoemaker, 19,  
Grandville.

Mr. and Mrs. John A. McKeever  
of Ganges have just returned from  
a trip around the world which they  
began December 11. With all of

they have enjoyed, their cozy home  
in Ganges is best of all—a happy  
thought to their admiring friends  
who await some delightful de-  
scriptions of their trip.

MOULDS FIGURE OF CHRIST  
ON SAND AT STATE PARK

Grand Haven Tribune—A start-  
ling example of sand sculpture  
was found on the sand today at  
the Oval depicting the body of  
Christ upon the cross. The figure  
is molded out of wet sand. It is  
about 10 feet long and the cross  
and figure partly raised above the  
level of the beach.

The work is that of Eugene  
Wurts, a traveling sand scul-  
ptor, who visits many of the sandy  
beaches of the country, and makes  
extraordinary figures. Despite the  
heavy rain last night the figure  
was little disturbed this morning,  
and the marks of agony, the cross  
and the nails are so well done as to  
immediately arrest the attention  
and mark the artist as one of much  
ability.

The actual work of making the  
figure and the cross after the sand  
was piled up to sufficient height,  
was less than a half hour, said  
George Morse, superintendent of the  
park, who gave the man per-  
mission to show his skill. Mr.  
Wurts has been in Florida, where  
he has used the ocean sands for  
the same purpose.

GRAND HAVEN GIRL  
IS KILLED BY AUTO

Marian Secory, 11 years old,  
daughter of Mr. and Mrs. Louis  
Secory, living on Beech Tree street,  
was fatally injured this noon when  
trunk by a automobile driven by  
Frank Miller, 42 years old, of Chi-  
cago. Mr. Miller drove his car into  
the ditch in his efforts to avoid  
hitting the girl but she was struck  
by a fender and hurled to the pav-  
ement.

Marian, police were told, jumped  
out of the car of Rudolph Radschler  
in front of her home and dashed  
across the road into the path of the  
machine driven by Miller. The  
owner of the car, P. A. Birrien, of  
Chicago, was riding with Miller.  
The girl was taken to the hospital  
but died a few minutes later.

PORT SHELTON SCENE OF  
WALTONIAN'S PICNIC  
YESTERDAY

The annual summer picnic of the  
Dwight Lyndell chapter of the Izaak  
Walton league was held Wednesday  
evening at Port Sheldon. Cars left  
the Elk's temple Grand Rapids at  
4 o'clock in the afternoon, with  
L. Marzoff in charge of transporta-  
tion.

Arriving at the lake, there were  
outdoor sports for the "Ikes" and  
their families, followed by a pic-  
nic dinner. Following the dinner  
there was entertainment in charge  
of Carl M. Saunders and Ed.  
Dreier.

PLEASED WITH CHRISTMAS  
SEAL EFFORTS IN  
OTTAWA COUNTY

Purchase of an average of 2.18  
Christmas seals by Ottawa county  
residents placed the county sixty-  
third in Michigan in the 1931 seal  
sale, a tabulation prepared by the  
Michigan Tuberculosis Association  
shows. The average per capita sale  
for the eighty-three counties of the  
state was 3.42 cents. The total sale  
in Ottawa county to date, \$1,198.03,  
is expected to be slightly increased  
by remittances for allotments of  
seals not yet accounted for. The  
loyalty Michigan people have shown  
to the Christmas seal sale in these  
times of exceptional stress chal-  
lenges the Michigan Tuberculosis  
Association to put to the very best  
use every penny entrusted to it.

THREE HOLLAND POST-  
OFFICE EMPLOYEES ARE  
NAMED AS EXAMINERS

Harry Steffens, post office  
clerk, has been designated as sec-  
retary of the local civil service  
board of examiners, pending a per-  
sonal visit by District Manager C.  
D. Hertzog or his representative  
from Chicago and the issuance of  
a formal certificate of designation  
by the civil service commission.  
Dick Klein, clerk, and Jacob Geer-  
lings, letter carrier, are the other  
members of the board.

The former board was composed  
of Assistant Postmaster John Gre-  
vengood, Superintendent of Mails  
John H. Kramer and the late An-  
thony Rosback, rural letter carrier.  
According to a ruling by the civil  
service commission, supervisory  
officials have become ineligible for  
membership on the board.

The government will issue a  
special quarter to celebrate the  
Washington bicentennial. Back in  
1929, nothing less than a \$10 gold  
piece would have been deemed  
worthy. It is gratifying that we  
have reached a point where some-  
thing can be celebrated for two  
bits.

H. L. McCarrick was fined \$5.00  
and costs for driving with im-  
proper license plates. He paid the  
fine in Justice C. E. Burr's court  
Grand Haven. The arrest was made  
by the state police. Harold Jessick,  
Holland, was arrested by the state  
police for passing a car on the  
right hand side of the road. In pas-  
sing, the driver nearly ran into an-  
other car and the gasoline pump at  
the station located on that corner.  
The state police were parked there  
at the time and chased the driver  
until he was stopped several miles  
away. He was arraigned before  
Justice DeKayer of Holland.

BUDDY FRAAM HELD  
FOR SUPERIOR COURT

R. E. (Buddy) Fraam, 31, of 506  
Jefferson-av., S.E., Grand Rapids,  
owner of a billiard hall at 89  
Market-av., N.W., was bound over  
to superior court by Police Judge  
Frank A. Hess Friday for trial on  
a burglary charge. His bail was  
set at \$5,000.

Fraam is accused with three  
others, Fred Hale, 27, Clinton  
Gibbs, 20, and Henry Krus, 35, in  
stealing \$1,200 in cigars from  
Woodhouse Tobacco Co. store at  
5-7 Ionia avenue, S. W.

## Days We'll Never Forget

CHARLES GROSS NO  
LONGER SECRETARY  
OF THE HOLLAND  
CHAMBER OF COMMERCE

Frank M. Lievesse, president of  
the Chamber of Commerce, an-  
nounces that Charles A. Gross is  
no longer secretary of the Holland  
Chamber of Commerce, a post he  
had occupied the last three and  
one-half years.

The resignation was effective  
immediately, said Mr. Lievesse,  
who stated that former Mayor  
Earnest C. Brooks, who is a candi-  
date for the Democratic congres-  
sional nomination of this district,  
will serve as temporary secretary.  
Mr. Gross previously was con-  
nected with the Y. M. C. A. orga-  
nization in secretarial work in Han-  
over, Pa., and Grand Rapids. As

promoter of the Holland Tulip fes-  
tival, he was in a large measure  
responsible for the prominent place  
it now holds.

According to Mr. Lievesse, the  
secretary relinquished his duties  
Saturday night and thus far no  
successor has been selected. For-  
mer Mayor Brooks, whose offices  
are in the Visscher-Brooks building  
which is Chamber of Commerce  
headquarters, is serving in a tem-  
porary capacity as secretary of the  
organization, as well as treasurer.

Mr. Gross states he had no com-  
ment to make, preferring that any  
statements regarding the cham-  
ber's announcement be made by his  
attorney, Clare Hoffman of Alle-  
gan. Mr. Gross stated that he did  
not send in his resignation per-  
sonally.

Mr. Gross has served as secre-  
tary in Holland since early in  
March of 1929, coming here from  
Grand Haven, where he held a  
similar position. He has had about  
nineteen years of secretarial work.

of the fifth and sixth grades.

CHICKS WITH TWO BODIES  
IS HATCHED ON  
ROSEMA FARM

A curious twist in the regular  
order of nature produced a chicken  
with two bodies, four legs and one  
head at the farm of Ben Rosema  
candidate for sheriff at Ferrys-  
burg this spring. The chick never  
lived after it was out of the shell,  
but it was well feathered and seem-  
ed perfect in every way except for  
the strange deformity.

It is preserved in alcohol and  
is the property of Henry Vander-  
Veer of this city.

WEATHER MAN SAYS MAY  
WAS NORMAL—WHO  
WOULD THINK IT

Strange to say, normal tempera-  
tures marked the month of May  
according to the report of W. J.  
Rice, Ottawa county weather man.  
The average temperature being  
54.6 degrees. There were no pro-  
longed periods of above or below  
normal temperatures. The highest  
record of the month was 80 degrees  
reached on May 15, which was a  
new high record for that day,  
though well below the high mark  
for May as a whole. The lowest  
temperature was 32 degrees on the  
second.

Killing frosts occurred on the  
above date and a light frost occur-  
ed on the 17th and 23rd when the  
thermometer again dropped to  
freezing marks. The greatest daily  
range in temperature was 30 de-  
grees on the 24th and the least was  
nine on the first day of the month.

Precipitation was slightly below  
normal, totaling 3.7 inches. It was  
quite well distributed, measurable  
amounts falling on 13 days of the  
month. During the week of May  
5-11 rain fell in measurable  
amounts each day. There was no  
snow during the month. Thunder  
was heard on six days of the  
month. The greatest rainfall in 24  
hours was 0.81 inches on the 9th-  
10th.

Wind movement was slightly be-  
low normal. The total movement  
was 7620 miles or an average of  
10.2 miles per hour. The maximum  
velocity was 27 miles per hour  
from the west on the 27th. Gentle  
to fresh winds were the rule during  
most of the month.

Sunshine averaged 53 per cent  
of the possible amount compared  
to the normal of 62 per cent. Lower  
clouds were quite prevalent during  
the month, accounting for the de-  
ficiency in sunshine. There were 9  
clear, 7 partly cloudy, and 15  
cloudy days in the month. Dense  
fog was recorded on one day and  
an aurora was seen on the night of  
the 29th-30th. A solar halo was  
observed on the 18th.

The 100 acres of celery raised  
here last season will this year be  
increased to about 175 acres. The  
increase to about 175 acres. The  
estimated at 50 per cent, while  
California reports 64 per cent in-  
crease. Get ready to eat a lot of  
this wonderful roughage and be  
sure to get that extra fine Fennville  
Kind.—Allegan Gazette.

A drive through the Fennville  
section of Allegan county discloses  
the number of families of foreign  
birth and are hard to put into  
proportion. They include families  
from Poland, Russia, Italy, Slo-  
vakia. Most of them have large  
families, all whom work hard, live  
simply and economically, and are  
making their fields yield good crops.  
While most of them select small  
muck farms several have taken up  
lands and are doing well.

Mrs. Orien S. Cross of Holland  
has extended an invitation to the  
members of her former Allegan  
bridge club and other Allegan  
friends to be her guests at a lunch-  
on and bridge in her home in Hol-  
land, Tuesday afternoon of next  
week.—Allegan Gazette.

DR. YNTEMA  
AND FAMILY  
TO BE HERE

Grand Rapids Press—Dr. and  
Mrs. Hessel E. Yntema and children,  
Mary Emilie, Hessel Edward, Jr.,  
Tuesday, will arrive on  
Tuesday to visit Mrs. Yntema's  
parents, Mr. and Mrs. Peter J.  
Danhof, prior to sailing in early  
July for The Hague, where Dr.  
Yntema has been invited to present  
the Anglo-American viewpoint on  
the enforcement of foreign judg-  
ments before the International Con-  
gress on Comparative Law.

Dr. Yntema, who is the son of  
Mrs. Mary E. Yntema of Holland,  
has been professor of law of John  
Hopkins Institute of Law since  
1928. Previously he was professor  
at Columbia university and before  
that was connected with the Uni-  
versity of Michigan, of which he is  
an alumnus. Dr. Yntema was  
graduated from Harvard law school  
and as a Rhodes scholar studied at  
Oxford. He has written extensively  
on legal history and conflicts of  
law.

After a visit at the Danhof home  
Dr. and Mrs. Yntema will open  
their cottage, Top Hole, at High-  
land Park for the remainder of  
June. They plan to sail with their  
family early in July. The interna-  
tional Congress on Comparative  
law opens at The Hague on Aug. 3.  
The Yntemas plan to be abroad a  
year.

ARNOLD AND MRS. MULDER  
GOING TO EUROPE AGAIN

Combining business with pleas-  
ure Dr. and Mrs. Arnold Mulder  
will sail June 15 on the Europa for  
a three months' automobile tour of  
Europe. Dr. Mulder will make a  
study of the background of Euro-  
pean literature, visiting France,  
Belgium, Holland, Germany, Aus-  
tria, Hungary and Switzerland.

Miss Hazel Paulman, contralto,  
gave a very fine post-graduate vo-  
cal recital in the chapel on Monday  
evening. She was assisted by Mr.  
Rudolph Nichols, violinist. They  
were accompanied by Mrs. W. Cur-  
tis Snow.

Miss Paulman's first group con-  
sisted of four German songs. These  
were followed by Tchaikowsky's  
"Farewell Ye Mountains." This is  
a very difficult number, but well  
suited to Miss Paulman's voice and  
excellently rendered by her. Other  
favorites of the evening were  
Mozart's "Allieluja," the well-  
known "Worship of God in Na-  
ture," by Beethoven, and "He Was  
Despised" from the "Messiah."

Mr. Nichols appeared in three  
numbers: "Legend," by Wien-  
sias, and "Obozraso," also by Wien-  
sowski; "Conzonetta," by Ambro-  
wski. This last number was es-  
pecially outstanding and won for  
him much applause.

Although Dr. Drum is a stran-  
ger in the Middle West, the fact  
that he is a very close friend of  
Dr. Paul Harrison, missionary to  
Arabia and leader at Hope college  
of Prayer Week services of two  
years ago, makes Holland interest-  
ed at the prospect of hearing him  
and assures for him a warm wel-  
come here.

Musical will be provided by the  
chapel choir under the direction of  
Mr. Snow. The numbers which will  
be rendered are "Blessing, Glory,  
Wisdom and Thanks," by Bach;

J. MULLENBERG IS  
ELECTED PRES. OF  
STUDENT COUNCIL

According to the new ruling of  
the 1931-1932 Student Council by  
which the president of the council  
is to be elected by a majority of  
student votes on Monday morning,  
John Mullenberg was elected pres-  
ident of the Student Council for the  
coming year. Formerly the  
president of the senior class, newly  
elected in June, automatically  
became council president for the  
ensuing year, but both faculty and  
council decided that inasmuch as  
Hope attempts to conduct a demo-  
cratic form of student government  
the choice of a student president  
should lie with the entire student  
body rather than with a single  
class.

The regular election, as stated,  
took place at the beginning of  
chapel services on Friday morning,  
June 3, conducted by George Pan-  
ter, the retiring council president.  
Those on this original ballot were  
John Mullenberg, Albert Marsille,  
and James Van Vleet. The three  
candidates received votes, which  
ranged in a difference of 23 votes.  
A majority of the votes was re-  
ceived by one of the candidates,  
so that it was decided to auto-  
matically drop the one receiving  
the fewest votes and to hold an  
election on Monday morning for  
choice between the two remaining  
candidates.

Again on Monday morning, June  
6, elections were held with the bal-  
lot offering as candidates Marsille  
and Mullenberg, with the result  
that the latter won the election.

Miss Hazel Paulman, contralto,  
gave a very fine post-graduate vo-  
cal recital in the chapel on Monday  
evening. She was assisted by Mr.  
Rudolph Nichols, violinist. They  
were accompanied by Mrs. W. Cur-  
tis Snow.

Miss Paulman's first group con-  
sisted of four German songs. These  
were followed by Tchaikowsky's  
"Farewell Ye Mountains." This is  
a very difficult number, but well  
suited to Miss Paulman's voice and  
excellently rendered by her. Other  
favorites of the evening were  
Mozart's "Allieluja," the well-  
known "Worship of God in Na-  
ture," by Beethoven, and "He Was  
Despised" from the "Messiah."

Mr. Nichols appeared in three  
numbers: "Legend," by Wien-  
sias, and "Obozraso," also by Wien-  
sowski; "Conzonetta," by Ambro-  
wski. This last number was es-  
pecially outstanding and won for  
him much applause.

## OTTAWA COUNTY FARM NOTES

By C. P. Milham

Wild oats are becoming a bad pest in alfalfa. A demonstration and talk on eradication will be given at the farm of Jake Kishman, one-fourth mile north of M-50 east of Grand river bridge, Wednesday, June 15, at 7:30 p. m. Mr. Kishman has practically eliminated this weed where it was bad last year by cultural methods.

The best way to raise baby chicks without loss is on clean ground. A portable summer shelter may be constructed for about \$10, which should be placed at the edge of a corn field or pasture. A demonstration will be held at the farm of William Schwallier, one mile east and four miles north of Marne on June 17 at 2 p. m. At this time one of the range shelters will be completely built by the poultry department of the state college cooperating with Agricultural Agent Milham.

celery and early potato growers should protect against blight this year. Already in some sections early blight has appeared on potatoes. The use of Bordeaux spray made from 4 lbs. copper sulphate, 6 lbs. chemical hydrate lime and 100 gallons of water, or Bordeaux dust made from 20 lbs. monohydrate copper sulphate and 80 lbs. chemical hydrate lime is effective. The addition of 20 lbs. calcium arsenite in the dust or 4 lbs. arsenite of lead powder or calcium arsenate in 100 gallons of spray will kill potato beetles.
