Mayor Has Two Occasions To Break A Tie Vote

COMMON COUNCIL TRANSACTS A GREAT DEAL OF BUSINESS IN A SHORT TIME

Automobile a bone of contention. Many licenses granted and real fireworks causes fireworks

Mayor Geerlings was placed in a position to decide two tie votes relative to that lazy automobile not in use and which the health board wants to use to enable Ben Wiersma, City Inspector to visit farmers for inspection which it seems has not been done lately.

Some of the aldermen objected to the allowance of this car, claiming that Mr. Wiersma had made a bid for the job at a certain price of \$700 to which \$200 was added for extra work and they felt that running a car at the city's expense was not in the bid. It seems that Mr. Wiersma was willing to be game and pay for the upkeep of the car providing he would have the use of the car which now is idle.

The Board of Health at different times has requested that the car be put at the disposal of this department and the proposal was turned down. The question came up again last night and many aldermen were of the same mind. Alderman Prins, however, spoke in favor of this "small request" from the Board of Health but alderman Bultman asked that the matter be tabled and made a motion to that effect. When it was put to a vote six aldermen voted for and six against the tabling and Mayor Geerlings, off hand, voted against the tabling of the proposal. Alderman Prins immediately got to his feet and asked that then the proposal be passed, granting the request of the Board of Health.

The same aldermen voted the same way and Mayor Geerlings again, offhand, voted to grant the request, and the Board of Health will have the use of the unused car. Mayor Geerlings said he took the position because it was very important that the milk from the farmers be wholesome and clean and that Holland's milk must remain of a high standard, and while the majority of the dairymen who peddle milk around the city are doing their best to keep a high standard there should be cooperation between farmers, dairymen and the Board of Health. The contact that used to be between city and farmer should be kept up and surely this would be impossible unless a conveyance was available, Mr. Geerlings pointed out.

He said he felt that safeguarding the city against epidemics was more important than the economy an unused car would bring about. The city has the car, Mr. Geerlings contended, and why not put it to some purpose, especially where the health of the children is concerned.

The vote of the aldermen and Mayor is found in the official council in this column.

Another matter that brought up considerable discussion was a petition by citizens on 22nd St. who asked that that street be sprinkled. They said all the housecleaning went for naught and dwellers were afraid to open their windows when it was dry for the dust was unbearable. Alderman Bultman stated that an attempt was being made to put pneumatic tires on the sprinkling car and if that was possible that street, too, would be sprinkled. Undoubtedly the dwellers will receive relief and they should.

COMMENCEMENT ACTIVITIES BEGIN

On the first page of section 2 there are many announcements of commencement and other activities at Hope College. There are pictures of the graduation speakers, the calendar for commencement week and other facts about the closing of the institution for a coming long vacation after a hard year are fully chronicled.

BOYS SHARE SPOTLIGHT AT ZEELAND COMMENCEMENT

The commencement exercises of the Zeeland High school senior class will be held at the school auditorium June 10.

Rev. John A. Dykstra, pastor of Central Reformed church of Grand Rapids, will be speaker. Randall Claver will give the valedictory and LaVerne DeVries the salutatory. This is the first time in the last 10 years that both honors have been awarded to boys.

The Herz-Jones honor award will be presented to Raymond Lokers, the first boy to win this honor. Honor medals also will be given by the American Legion and auxiliary of Zeeland.

Bibles will be presented to members of the graduating class by the board of education.

The baccalaureate service will be held June 7 at First Reformed church. Rev. Richard Vandenberg, pastor of Second Reformed church, will give the address. Rev. Vandenberg is the father of Alison Vandenberg, an honor student in the graduating class.

LAST CHANCE AT CORN BORER THIS YEAR

Last chance of the year to prevent increased damage in 1936 from the corn borer is found in the warning that all corn refuse must be plowed under or burned up within the next ten days to prevent moths hatching. This is the advice of C. B. Dibble, extension worker in insect control at Michigan State College, East Lansing. Corn borer moths have already hatched at the college laboratory and will soon hatch outdoors. After the moths have emerged from the cocoons, nothing can be done to prevent the damage, Mr. Dibble declares.

COMMUNICATION TO HOLLAND FISH AND GAME CLUB

The following letter from Col. H. M. Trippe of the U. S. War Department, Milwaukee, in reply to building a safe walk for fishers to the north pier at Holland harbor is self explanatory.

Holland Fish and Game Club,
Holland, Michigan,
June 3, 1936.

Gentlemen:

1. I am in receipt of your letter of May 31, relative to the north breakwater situation at Holland. You state that this office has refused a permit to construct a walk to the north breakwater at Holland. So far as I can determine, no one has applied for a permit for any such structure. Your suggestion that a permit be given for your club to erect a walk is the first action along this line that I have seen. It is very doubtful if the Secretary of War would approve of your assuming the responsibility for any walk on a Government structure of this character unless the structure was leased to you.

2. It is quite possible that the part of the breakwater in question will be rebuilt by the Government, in which case I assume that there would be no occasion for anyone constructing a special walk. It does not appear to me to be to the best interests of the public to make it possible for a crowd to be out on the breakwater in case of a storm coming up suddenly.

3. I trust that I have answered your questions fully.

Yours very truly,
H. M. Trippe
Lt. Colonel, Corps of Engineers,
District Engineer.

HOLLAND TO GET MORE SCHOOL MONEY THAN PUBLISHED

The county treasurer, John H. DenHerder, has received a check for \$52,939 as the primary supplementary money to be distributed among the school districts of the county.

Grand Haven schools will receive \$12,971; Holland schools \$21,399; Spring Lake school, \$2,501. The state used to pay out the primary money in one lump sum. During recent years this method has been changed to allow the state to pay out money at various times during the year.

The basis of distribution is on the number of children of school age in the districts.

It was at first published that Holland was to get \$15,222 but that is incorrect.

Holland is to receive \$15,222 in Primary Supplement money and \$6,177 in Equalization money making a total of \$21,399. Grand Haven will get \$8,807 Primary Supplement money and \$4,000 Equalization money, a total of \$12,971. Zeeland will receive \$4,191 Primary Supplement money and \$582 Equalization money, a total of \$4,773. Holland Township receives \$2,166; Park Township, \$1,376; Zeeland Township \$139 and Port Sheldon Township, \$120, all in Primary Supplement money.

WILLARD G. LEENHOUTS POST TO MAKE ITS USUAL CLOTHING DRIVE

At a meeting last evening, largely attended the executive committee of the Willard G. Leenhouts Post, No. 6, Holland American Legion, decided to set a date for the regular "Old Clothes Drive" for Holland's needy folk.

For many years the members of the Legion have taken great pleasure in gathering the clothing from different homes that can do excellent service in behalf of those less fortunate.

For the soldiers it has been an established practice to put on this drive and they wish to inform the people at this time to get ready and gather together such clothing for needy men, women or children as they can spare.

A direct distribution will be made of the clothing received and this part of the work will be thoroughly done and the clothes will go where need is the neediest.

The officials of the Legion, at the meeting last evening gave praise to the local newspapers for their past cooperation and asked that they be given the necessary publicity for the present drive, and the News says, "Amen!"

The Legion men throughout the drive, organize themselves into groups, trucks are placed at their disposal and the boys pick up what the good housewife has assembled from the clothes closet and attic. In the very near future the officials of the Willard G. Leenhouts Post will publish the exact plans in order to facilitate the gathering up of old clothes from the different homes.

WATCH FOR MORE PUBLICITY SHORTLY. BEN WIERSMA MAKES MANY INSPECTIONS

Activities of City Inspector Ben Wiersma, who was appointed a month ago by council were shown in his first report last night to council.

He inspected five slaughter houses, 11 pasteurizing plants, and two raw milk plants. Fifty-five samples of milk and cream were taken to the state laboratory for testing.

Mr. Wiersma visited 42 food handling establishments and secured names of all persons to be given health examinations and permits. Six property owners were ordered to clean up premises. Other inspections included public toilet rooms, gasoline station rest rooms, etc.; 16 meat markets; 7 grocery stores; 10 hotels; 2 restaurants and lunch rooms; 7. The city official also paid visits to three tuberculosis cases.

Nearly Million For Ottawa In Bonus Money

BONUS MONEY WILL ARRIVE IN HOLLAND JUNE 15 OR 16. DISTRIBUTION STARTS AT ONCE

The veterans of the World War all seem to be jubilant for Santa Claus is coming right in midsummer and all those having a bonus coming to them are to receive it within the next two weeks.

Postmaster Louis Vanderburg is making all preparations to handle the bonus here in Holland and for the rural districts of this city. The aldermen last evening unanimously donated the use of several aldermanic desks from the council room to be used by Holland's postmaster and the staff he has to handle the bonus checks.

The check must be personally delivered by a postman to the soldier who is entitled to it. No other person is eligible to receive the bonus payoff. The soldier must sign certain documents and certain regulations must be followed under the bill passed by Congress some months ago.

The postoffice authorities state that this work of delivering the bonus checks will be done at night without extra help. This was decided upon for the reason that at that time they would be more likely to find the men at home since many are at work during the day. There is no doubt but that the distribution of \$870,925.61 in Ottawa County will help to stimulate trade in all lines. Holland being a large town with a large soldier population living here and in surrounding country will mean the reception of a large part of the above named amount.

Undoubtedly soldiers and their families are making plans to spend at least a part of it. Some will pay bills, some will save a little, some will possibly buy a new car or new furniture and all enterprises will feel the benefits directly or indirectly.

Postmaster Vanderburg as well as all postmasters throughout the country, has been instructed to stick close to the job during the distribution of this bonus money. Plenty of automobiles will be available to get to the homes of soldiers in Holland or in the rural districts. The different carriers undoubtedly will play an important part as messengers of good cheer to every one of the men who participated in the World War and the families of these men will of course share in this good cheer.

In asking information from some of the heads of the soldier organizations here, it was found that they have no means of knowing the exact amount that Holland will get through its soldiers, since a large number of them live in the rural districts. However, Holland is their postoffice and this is their trading center. It is thought that the amount will be possibly a little less than 1/3 of the total county figure. Zeeland, Grand Haven and other centers of population also have a large number of rural soldiers beyond the city limits but that is rather immaterial since their post-office and their trading center is considered by the government the place where the soldiers live.

In Allegan county there is to be a distribution of \$618,751.23, in Kent County \$3,818,352.00 and in Muskegon County \$1,245,585.88.

Last February the American Legion and the Veterans of Foreign Wars cooperated with the government in making out bonus papers for all soldiers as required under the law passed last December. Veterans here and throughout the nation did this work without pay, the different post members working in relays at banks and other headquarters and at the Red Cross. The work was very efficiently done and the payoff is right at hand, the dates for distribution being the 16th, 17th and 18th of June.

Mr. Sundin, commander of the Veterans of Foreign Wars, at that time gave a rather interesting survey as to how the Ottawa County money was to be spent. It is doubtful whether anyone could compile figures that would be exactly correct and Mr. Sundin does not claim complete accuracy. The figures, however, are enlightening and make interesting reading. The compilation from the files of January 30, 1936 is as follows:

Gerald Klaasen, son of Mr. and Mrs. J. Klaasen, 98 E. 17th St., a junior at the University of Michigan in Ann Arbor has been awarded the Donovan Engineering Scholarship for outstanding scholastic achievement. The scholarship provides tuition and a cash allowance. Mr. Klaasen was graduated from Holland Christian high school in 1930 and was active in local school activities. He was editor-in-chief of "Footprints," annual yearbook of Christian school. He attended Hope College for two years before going to University of Michigan, where he is taking an engineering course. Announcement of the award was made Tuesday in Ann Arbor.

News Items Taken From the Files of Holland City News Fifty, Twenty-five and Fifteen Years Ago Today

FIFTY YEARS AGO TODAY

The competitive examination of the candidates for West Point vacant cadetship was held and the contest was between "Willie" Bertsch of Holland and Charles L. Brown of Grand Rapids. Dr. Scott, president of Hope college, where the examination was held, and Prof. Mitchell of Grand Rapids high, conducted the mental test and found Mr. Bertsch superior. However, Brown's physical condition proved better than the local boy. The latter examination was given by two Grand Rapids doctors. Note: Mr. Bertsch did enter the national military academy however and won high honors when graduated. He was promoted rapidly in the ranks and was stationed at San Francisco, Cal., and also in the Philippines at different times. He was, for years a dry goods merchant in this city. The late Charles Bertsch, pioneer electrician in Holland, was a brother. The family have all passed except Fred Bertsch, who now lives on Macatawa drive, now US-31 with Mrs. Bertsch and family. Charles Bertsch a son is now "hitch-hiking" to China and has nearly arrived. Mrs. Fred Bertsch and the files of the News add the following to the item. Mr. Bertsch graduated from West Point in 1891 and served in Puerto

NOTE: THE CITY DID NOT PAY FOR NIGHT PROTECTION. HOLLAND ONLY PAID FOR A CITY MARSHAL ELECTED BY THE PEOPLE. HE GOT \$29.00 PER MONTH.

TWENTY-FIVE YEARS AGO

John Van Tatenhove, head salesman at Dick Beters Clothing and Shoe Store, is out "10 smackers." A dip at the Decoration Day ball game lifted his wallet. John is a good sport and enjoyed the \$10 game as much as one of "2 bits."

Bird & Perkins of Saugatuck ship yards have laid the keel for a boat for E. E. Weed & Co. basket factory at Douglas. It is to be a side wheeler 17x36 feet, with sleeping quarters for seven men. The boat will be used to draw rafts of logs to the mill at Douglas. Note: The "basket factory" burned some ten years ago. Mr. Weed died two weeks ago and for many years was head of the "Big Pavilion" at Saugatuck.

The Phoenix Cheese & Butter Co. of Zeeland shipped 360,000 eggs and 12,600 pounds of butter to New York City. It was one of the largest shipments ever sent from Zeeland.

Cards are out inviting relatives and friends to the marriage of Miss Maude Vande Luyster of Zeeland and Benj. Scheerhorn of Holland on June 8.

The first Memorial Day in ten years without rain. Kalamazoo Telegraph. Strange to say, Holland has had but two rainy Decoration Days in 20 years. Note: The rainy Memorial Day idea has long been exploded. There have been only five rainy ones in 60 years and only one where the exercises had to be held indoors in Lyceum hall on East 8th street. The other four were carried out as usual regardless of rain. One was a ten-minute downpour as the marchers were on Columbia avenue going to the cemetery—surely a bedraggled parade.

FIFTEEN YEARS AGO TODAY

At least 300 voices under the direction of Mrs. Mable W. Graham, sang an appropriate selection at Centennial Park Memorial Day morning. It was the High School chorus. Hon. G. J. Diekmann was president of the day and former Governor Chase S. Osborn was the speaker. Miss Cornelia Steketee was the reader of the day.

Last Thursday Dick Botes's \$3,600 Buick limousine, stolen some time ago, was picked up in Elk-hart by police. Officer C. Steketee of Holland has been very active and has arrested three Italians supposedly in an auto stealing ring. Through the efforts of Frank Van Ry's men 21 stolen autos have been recovered.

Edward Shreur sold his cottage at Alpena Beach to Dr. Wm. Westrate.

Klaas Valkema, Holland's "biggest news boy" and a good one, has returned from the west where he was compelled to go for his health for nearly two years. He has recovered and 15 years later is still living and well in Holland in other fields of endeavor.

Macatawa is to have a new Inn called the "Kopper Kettle Inn." As a sign board a large copper kettle is hanging out—no doubt an old fashioned "New England Balled Dinner awaits inside."

Tent revival at Ninth st. and Central ave. is going strong and overflow meetings are being held. Mel Trotter of Grand Rapids and Mr. and Mrs. G. W. Taylor of the Pacific Garden Mission of Chicago are in charge. It was at this mission that Mr. Trotter was converted many years ago. Note: George Trotter, now conducting the old Holland Mission, is a brother of the Grand Rapids man.

Henry Ford, the great auto builder, passed through Holland enroute to Kalamazoo. He arrived here over the "West Michigan Pike." Note: This was "Henry's" first visit and it is doubtful whether he has been here since. His works, however, are rolling through daily.

HOPE'S STUDENTS TO ELECT TODAY, FRIDAY

Anchor editor, Cornelius Hoozee of Zeeland, Spencer House of Somerville, N. J., and Andrew Lamper of Zeeland.

Librarian's Unique Report Is Interesting

MISS DORA SCHERMER ENLIGHTENS COUNCIL ON LIBRARY MATTERS

Rather an interesting report with a delightful conclusion was submitted to the common council by our able and painstaking librarian Miss Dora Schermer, approved by the Library board. The report covers four typewritten pages and gives the information that 18,559 books were drawn from the library during the fiscal year, and that there were 18,672 volumes in the library at the end of the year.

Books that were rebound total 330, and new books received total 1,002. The total number of volumes lent for home use during the year is 16,902.

JURY GETS LESSON IN CATTLE BREEDS IN "COW CASE" HERE

Who owns "Nellie" and "Snow," two fine calves? That is the question which the jury in circuit court must try to solve in the suit brought by Benjamin Winkles of Dorris, Mich., against Catherine Brandt, Jamestown.

Testimony showed that their cows, along with others belonging to several farmers, were pastured in a large field. The offspring of some of the cows has been claimed by both parties to the suit and tracing the ancestry of "Nellie" and "Snowball" appears to have many fine points.

A 450-pound cow was brought to town and parked opposite the courthouse at Grand Haven where a veterinary, who claimed he could accurately tell the breeds of cattle, was to determine whether the cow was a Holstein or a Durham or whether she was a mixed breed. The witness stated on the stand that he could determine the breeds even though they were three-quarters one type and one-quarter another and offered testimony as to the parentage of the calves.

The jury will have had a considerable education in cattle breeding before the case is ended as the suit hinges on what breed or breeds the calves are.

HOLLAND TO VOTE ON SCHOOL JULY 13

Holland's annual school election has been set for July 13. Members of the board of education whose terms expire are: William Arendshorst, former Mayor Ernest C. Brooks and John Olert.

LITTLE CHANGE IN LIGHT AND POWER RATES

The common council last evening received a voluminous report from the Board of Public Works having to do with all changes in light and power rates, a report that is filed each year.

On the whole there was very little change in dollars and cents. Holland already has about the lowest rate in the state but according to Mr. Voss the reduction of one cent per kilowatt hour in the first step among the rural resident customers and in the rural commercial rate was made.

In the city where formerly the minimum kilowatt hour was 9c in the first and second step the rate is now 11c per kilowatt hour. The balance of the schedule remains the same.

Mr. Voss said that in dollars and cents there is scarcely any difference. The changes were made for expediency and a matter of book-keeping but no one will suffer because of these changes from a monetary standpoint.

Escanaba To Be Here Saturday

Crowd Tomorrow Soldiers Day Will Be Large

COMMANDER OF LOCAL POST BELIEVES AT LEAST 1,000 WILL GATHER HERE SATURDAY

Grand Ball and Drum and Bugle Corps contest are highlights besides parade

The Henry Walters Post, Veterans of Foreign Wars are all prepared to act as host to a large number of the posts of lower Michigan. Grand Rapids, Muskegon, Grand Haven, Lansing, Saginaw and others. Scores of soldiers from different posts of large and smaller cities will be here in large numbers, many of them accompanied by drum and bugle corps and some by bands.

Thus far there will be at least 1,000 bands and drum corps in the line of march which takes place right after the drum and bugle corps contest.

Immediately after 1 o'clock Saturday there will be a drum corps review at Riverview Park along the lines of the band review held during the Tulip Festival. After the judging has been completed the parade will start from 7th St., Lincoln Ave. to 8th St., west to River Ave. and around Centennial Park to 10th St. where they will disband. Prizes will be awarded from the bandstand in the park and the speaking program will be held there. Loud speakers are installed so all discourses can be easily heard.

The prizes offered for the drum and bugle corps are \$75 for first prize, \$50 for second prize, \$25 for third prize and \$15 for each band no matter whether they are winners or not, as long as they come to participate in the parade.

The parade Saturday, around three o'clock, will be a colorito one. Three large women's drum corps from different cities are to be here and this is but one of the features. There will be several floats, marching men, funny clownish features taken here by members of outside posts. The parade is expected to be at least 3 miles long.

For drum and bugle corps contest at one o'clock, the admission price will be very reasonable. This review is sponsored by the Veterans of Foreign Wars here and is an avenue for making expenses in order that the local boys may entertain their "buddies" for the second time in two years.

At 3:15 in the evening there is going to be a public dance at the Masonic Temple. There will be a large orchestra and the price per couple will be nominal, only 50c.

In the parade it is expected that some of the units of Tulip Time for instance the Rotary and Exchange Clubs combined with possibly a few other clubs added, will appear as a unit. Mr. Sundin states that many requests are coming in, asking that a little of this dutch garb be shown the outsiders who did not come to Holland during Tulip Time, many hoping that like last year, the Tulips would be in bloom but of course that was out of the question since mother nature prevented that and Holland scarcely pinched through the Tulip dates with its Tulip beds.

One of the big attractions will be the women's drum and bugle corps from Alpena, Wyndotte and Adrian—three big ones it is said. Headquarters will be in the Masonic Temple and at Warm Friends Tavern. The banquet is to be held at 6:15 at the Temple and the military ball will begin at 9 o'clock in the same building.

An endeavor will be made to get the Klompen Dancing girls to give a performance as they did at Tulip Time on the "village green."

Secretary of State Orrville A. Atwood of Lansing will be one of the guests and speakers. Other speakers will be Henry Marguard of Chicago, General Judge Advocate of the V.F.W.; R. J. Vandenberg, Michigan's own Department Commander from Detroit and E. H. Clark, Vice Commander of the American Legion of South Haven.

Possibly "Jimmy" Van Zant who has just come from China will fly here to be a guest at the reunion. He is the national commander of the American Legion.

The local committee is comprised of Fred Sundin, Charlie Ash, John Bremer, Andrew Hyma, John Homfield, Frank Jilison and Chris Koores.

The citizens committee is composed of Wm. M. Connolly, Vaudie Vandenberg, John Arendshorst and Ben Mulder.

Program
9:00 a.m. Arrival of Escanaba—Goodrich Docks. Public inspection, 10 a.m. to 12 noon—4 to 5:30 p.m.
1:15 p.m. Drum and Bugle Corps competition, Riverview Park. Admission, Adult, 25c. Children, 10c.
3:15, Parade.
3:15, Parade. Awarding of prizes, Centennial Park.

CLINIC TO BE HELD IN LITERARY CLUB ROOMS

The regular chest clinic will be held next Tuesday afternoon from 1 to 4 o'clock in the Literary Club rooms. Dr. H. J. Bayliff of Muskegon will be in charge assisted by City Nurse Miss Alma Koertge.

The baby clinic will also be held in the Literary Club rooms because of redecorating that is being done in the old hospital annex building.

Mrs. Palmer submitted to an operation in Holland hospital.

Mrs. George Hyma who was the guest of her son-in-law and daughter, Dr. and Mrs. Hill in Aurora, Ill., for a few days returned home Wednesday night.

VAN LOO FOR REGISTER

AT THE PRIMARY

Mr. Benj. C. Van Loo, who two
 years ago made a very good run
 for the nomination to the office of
 register of deeds in the primaries
 for Ottawa county on the Republi-
 can ticket, has again announced his
 candidacy for that office at the
 coming primary election next Sep-
 tember.

Mr. Van Loo has been a lifelong
 Republican and is a native of this
 county. While yet a very small
 child he came to this community
 and has nearly always lived in this
 city. He is the son of the late Mr.
 and Mrs. C. Van Loo, and was asso-
 ciated with his father in the Ze-
 land Furniture Mfg. Co. for many
 years. Later he was manager of the
 Van Loo Fuel Co., from which
 office he resigned about one year
 ago.

He is able and well qualified for
 the position to which he aspires,
 and if nominated and elected he
 will make an honest and efficient
 official.

He was a candidate for the same
 office two years ago, at which time
 he lacked only two or three hun-
 dred votes of the nomination. At
 this time he expects to win over
 the present incumbent, who has en-
 joyed the position several terms.

YOUNG HOLLAND REPUB-
CANS ARE BECOMING
ACTIVE

At least 25 members of the
 Young Men's Republican Club were
 present at a meeting Tuesday night
 called by the executive committee
 of the club of Ottawa County.
 The clubs represent Holland, Ze-
 land, and Grand Haven. The meet-
 ing was held in the First State
 Bank Bldg.

Mr. John Galien, president of
 the Holland Club, was the presiding
 officer and Leonard Vogelzang, sec-
 retary of the local club, acted in
 the same capacity for this meeting.

A committee from the three
 clubs appointed to form organiza-
 tion plan for the county club is
 expected to get busy shortly to per-
 form further arrangements for or-
 ganization.

The next meeting of the execu-
 tive board of all clubs of the county
 is to be held Tuesday, June 23,
 to lay plans for a general public meet-
 ing. Mr. John Galien was elected
 temporary chairman and Mr. Leon-
 ard Vogelzang temporary secretary
 of the county organization.

Establishment of clubs through-
 out the county and gaining of rec-
 ognition from the older Republi-
 cans on a merit basis are the ob-
 jectives of the proposed county
 organization, it was said.

Twenty-five members of execu-
 tive boards of the three clubs
 were present last night. Those
 who attended heard talks by Ed-
 ward Brouwer, state representa-
 tive; John Dethmers, Ottawa
 county prosecutor, and Angus De
 Kruif, field representative of the
 state sales tax commission.

The preliminary meeting for or-
 ganizations of the county unit was
 harmonious.

When the question of site for
 the next meeting arose it was sug-
 gested to meet in either Zeeland
 or Grand Haven. Consensus among
 those present favored holding the
 meeting in Holland because of its
 central location in relation to other
 cities and villages of the county.

BANDITS TAKE \$75 IN HOLDUP
AT HOLLAND

Two armed young men who held
 up the proprietor of Van's drug
 store, 22nd St. and College Ave.,
 Monday night at 10:30, escaped
 with \$75, it was reported to police.
 They fled southward on M-40 after
 the holdup, their victim said.

Vanderploeg and his wife, who
 were working in the place, were
 ordered with "hands up" into the
 rear room, one man covering the
 couple with guns while the other
 rifled the cash drawer. The two
 men then searched Vanderploeg
 and other parts of the store but
 failed to find additional loot.

"Don't make any noise," warned
 one of the robbers. "You may get
 your money back but you can't get
 your lives back."

The men fled and disappeared
 presumably in an automobile.
 They were about 35 years old,
 about 5 feet 7 inches, one slim and
 the other stocky. One wore a gray
 suit and the other a tan; one was
 bare-headed and the other wore a
 gray hat. No clues have been dis-
 covered.

Firemen were called to the Gil-
 boat company on N. River Ave.
 Wednesday afternoon, but the
 blaze was extinguished before the
 fire-fighters arrived.

HAMILTON

(Partly news of last week)

Rev. C. Muller preached at the First Reformed church in a pulpit exchange. Rev. C. Vander Naald of Grand Rapids had charge of the services at the American Reformed church.

P. T. A. meeting was held in the High School room on Tuesday. Prof. Wesley led in community singing. Election of officers was held. Mrs. G. Bussies was elected president; Mrs. B. Kibby, Prof. Wesley and Bert Vos vice presidents; Miss E. Den Uyl secretary. Jacob Dresten spoke to the class and the teachers to which the teachers responded. Social hour was enjoyed at the close.

The Tenth grade banquet was held last Friday evening at the community hall.

In the opening game of the season the local Independents swamped the Zoot Fools of Holland by 12 to 4 score. Rich Wentzel was in fine form holding the visitors

hitless and scoreless for the four innings he pitched, striking out three men in a row in the fourth. Lugten, who replaced him in the sixth with a 10 to 0 lead took things easy and was hit hard, but steady and struck out the last two men to face him. Their teammates however, gave them splendid support in the field and pounded out 13 hits in six innings of which five were doubles besides a home run and a triple. The team appeared to be strong both on offense and defense in this first game.

Margaret Roggen spent the past week-end with Elaine Johnson of Allegan.

A large number of Hamilton folks attended the funeral service of Mrs. Rev. F. J. Van Dyke at Central Park last Tuesday afternoon. Rev. Van Dyke was pastor of the American Reformed here formerly. The community extends hearty sympathy to Rev. Van Dyke and children.

School activities were numerous last week. The Bacc. services were

held at the First Reformed. Rev. H. D. Ter Keurst of Holland preached the sermon to an audience that filled the large auditorium. He emphasized the thought of being a blessing and pointed out various ways in which that purpose might be accomplished. On Thursday evening the graduation exercises were held in the community hall. The program was as follows: Processional, Evelyn Den Uyl; Invocation, Rev. Roggen; Salutatory, Lillian Shaper; History, Genevieve Klompars; Prophecy, Henrietta Brower and Beatrice Deur; Giftatory, Gordon Dangremont; Will, Sylvia Koope; Valedictory, Agnes Folkert; Trio, Sophia Vander Kamp, Fannie Bultman, Evelyn Den Uyl accompanied; Address, Dr. Frank Bachelor, Kalamazoo College; Presentation of Diplomas, Jacob Drenten; Benediction, Rev. Ter Keurst; Arthur Kaechele, county school commissioner, presented the diplomas and various prizes to schools which were winners in the contest of field day.

Memorial Day services were held at the local cemetery last Saturday morning. The children marched from the school grounds. A short program of song and readings rendered, after which Rev. C. Muller gave an address. Thirty-two flags were placed on the graves of the veterans. There were twenty-four civil war and eight world war veterans.

At 10 o'clock the usual ball game was staged in which the locals again were victorious by 11 to 7 score. Rich Wentzel pitched the full game. Holding his opponents to three hits in five innings while his teammates pounded Van Huis with a barrage of hits in the third and giving the team a lead of 10 to 2. Van Lente replaced Van Huis on the mound. In the seventh the visitors staged a batting rally of their own with five hits and four runs. In the last two innings Wentzel again bore down and quickly retired the side. The fielding of the local boys was fast and clean. J. Brink led the locals at the bat with a double, two singles and a base on balls.

Mrs. E. Archambault has been on the sick list but is recovering. Mr. and Mrs. John Van Tatenhove and children were guests at the home of Mr. and Mrs. Wm. Ten Brink Sunday.

Heavy rains of Sunday and Monday have entirely changed the appearance of the fields and will greatly benefit the late crops which are being planted.

Traveling Around America

SELLING EMBROIDERY PICTURES

THIS comely artist has no need for paint brush and oils. She reproduces the beautiful scenes around her in the gorgeous yarns for which her country is famous. The street vendors and their sing-song cries are among the most intriguing features of Santiago, capital of Chile, which is approached through Valparaiso on the regular route of the weekly cruises between New York and South America's west coast.

Along the thoroughfares of this capital city is an almost constant parade of peddlers. What appears to be a straw man swings along under a huge stack of straw mats, totora umbrellas, and table and chairs made of mimbre; another with great ropes of garlic around his neck and with sweet onions in his hands platiately summons the visitor to "observe the choicest harvest of the year." Herb-women are perhaps the most individual criers as they proclaim the wonders of their wares which range from weeds to lightening hair, to a cure for aching feet.

Always among the itinerant merchants is one with huge baskets of luscious grapes from Chile's famous vineyards and with white paper packages containing raisins. In

The group attended the Overisel-Forest Grove ball game, seeing the Overisel stars win by a score of 15 to 8. Mr. Harry Lampen led the Christian Endeavor meeting Tuesday evening. The topic for discussion was "What Have We Worth Sharing With Others?"

Jesus in Gethsemane, Luke 22:39-53

HENRY GEERLINGS

On the way to the cross Jesus was evidently aware of what was confronting him. He reached one of the greatest events of his life when he met his Father in prayer in Gethsemane. He had just instituted the Lord's Supper in the upper room and had revealed to his disciples many things that were on his mind. He gave them to understand that his departure from them was part of the greater plan and that because of his going an added blessing would come to them.

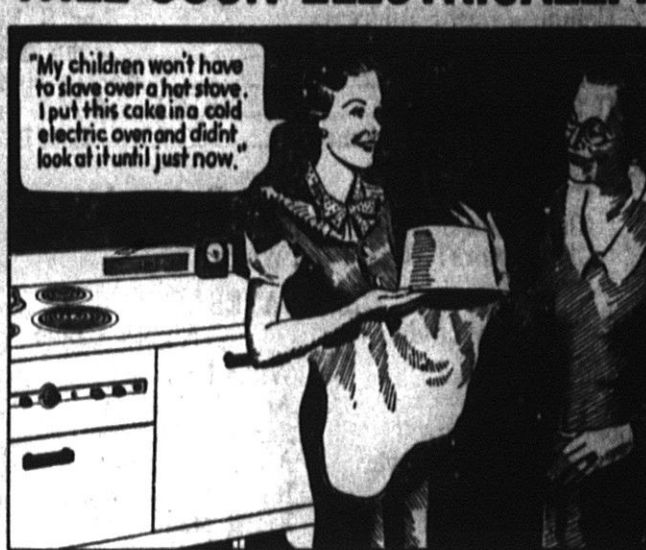

Judas had left the disciples and Jesus. He did not tarry long after Jesus pointed him out as the traitor. He could not stand it to face Jesus when he learned that Jesus knew what a wicked plot he had entered into to sell his Master to his enemies. But the other disciples had gone with Jesus. There were eleven of them and they went out toward the Mount of Olives. On the way they came to a garden, called Gethsemane. Evidently Jesus had visited this spot before. Perhaps he knew the owner and frequented this spot as a place for prayer. It would seem so as Judas seemed to expect to find Jesus there, even at the midnight hour.

When Jesus and the eleven disciples reached the gate of the garden, he asked eight of them to sit by the gate while he went into the garden to pray. Three were chosen to be his companions in the garden, to be nearer to him while he offered his great prayer to his Father. These were Peter, James and John, sometimes spoken of as the inner circle. At least these three were given special privileges which none of the others enjoyed. The three with Jesus went inside the garden. They were unafraid though it was night. Jesus was not alarmed though he knew that Judas was out with the foe planning for his arrest. He longed for companionship that he could depend on.

For the prayer Jesus went by himself. He had to meet the issue alone. While it would be helpful to know that his disciples were not far away, yet the real burden of the moment he had to assume in his own strength. When he had gone farther into the garden, as if to get away from any disturbance, he poured out his heart in prayer to his Father. There was a burden to be carried, a bitter cup to be drained, and Jesus faced the assignment of carrying through the plan. He knew the terrible nature of the ordeal he faced. He did not try to escape doing what was his duty. He expected to carry out the plan, unless there were some other way, whereby a plan for saving a sinful world might be arrived at. This was the thing he asked for; that the hour might speedily pass, and, if by any other way God's purpose might be carried out, then he asked to be spared from drinking the bitter cup. But, immediately he added the words which lift this prayer of Jesus into a high place as being one of the hardest prayers to say with sincerity. Those words were, "not what I will but what thou wilt." That meant that Jesus was ready to do what his Father asked of him, no matter what it might cost. Ending the prayer he returned to his disciples and found them sleeping. That was a disappointment to him. Again and even the third time he went by himself and offered the same prayer to God. It was a long and hard struggle. He was getting under the burden of the sins of the world and it was very heavy. It almost crushed him. But, he was the only one who could carry it. It was the eternal plan that he should carry it. He prayed over the matter and won the victory for himself and for the world.

Jesus had faced the crisis with prayer. He had gained strength in answer to his prayer. He was determined to meet the issue regardless of its dangers and the ultimate cost. If Judas was coming to the garden with armed soldiers to arrest him he was ready to go forth to meet them and be like a criminal in their hands. It was the obvious start to the cross, but he was ready. His purpose was to do the will of his Father. The cup he would drain to his bitterest draught. The shame of an unjust death he would face without a resentment. His mind was made up and his intention was clear. He would allow himself to be betrayed by Judas and then arrested.

Sassalos claimed on May 4 that the car driven by William Prelesnik, Grand Haven township in whose car Groth was riding, sideswiped his car but he did not believe an accident resulted. A day later he read a newspaper article telling of the accident and he immediately contacted the officers in Holland.

Prelesnik claimed that the Sassalos car forced him off of the road and struck his car with such force that Groth was badly injured. State police investigated and later arrested Sassalos.

On a substitute motion of Ald. Bultman, 2nd by De Cook.

Grand-daughter Bears Flowers To Grandfather

"PREVENT WAR BY APPLYING
SANCTIONS TO OURSELVES,"
SAYS EARNEST BROOKS

Memorial Day Saturday, was ideal. The large program printed in full in last week's issue, was fully carried out to the last detail. Even the fact that Little Miss Charlotte De Kraker was to present a beautiful basket of flowers to her grandfather, John Douma, a feature thought of the last minute, was found in the official program.

Little Miss Charlotte approached her grandfather and in a sweet, melodious voice said, "Grandpa, this beautiful basket of flowers is a gift from the citizens of Holland to you."

The venerable veteran of 96, John Douma, feebly arose and said, "My fellow citizens, I never expected this honor from you. I know you love me and I love you. I love the city of Holland and I want to thank you from the bottom of my heart for this token. May God bless you one and all."

Mayor Geerlings then proceeded to introduce former Mayor Ernest C. Brooks who in a short, but very impressive discourse told the large audience the reasons for Memorial Day.

Mr. Brooks said, "This day is a day of commemoration and respect. Today we pay our respects to the veterans of the Civil War and review their activities. The boys in blue of '61 have mostly passed on. There is but one remaining in Holland and you see him here to day. It will not be long before taps are sounded for the last veteran of that Civil strife."

"In '98 you Spanish-American boys fought to raise the heel of despotism from a downtrodden people. In both these instances we gained an objective. Lincoln's emancipation of the slaves sounded the knell of slavery over the entire world. The Spanish American War made free people of our neighboring islands and an independent people of the islands in the far east."

"The great World War was a battle of terrible bloodshed. It is problematical whether we have begun to gain an objective in this war. It was a war to end all wars as we believed. In former wars the sacrifices were not in vain but in the World strife it appears that in the far east and in Europe and Africa, the lesson of war and the horrors of war have not left a lasting impression for wars and rumors of wars are constantly prevalent."

"I am indeed pleased that the American nation has placed sanctions against war. I do not say that in the sense of war commodities but in the sense that we will not sacrifice our American manhood for another foreign war."

"The question that confronts us is, 'How may we end all war?' This can be done through education, I sincerely believe. The boys of the World War feel and know that the glamour of war is short lived and the glories of war are accompanied with such devastation of life and property that it is revolting to those who have participated in such a strife."

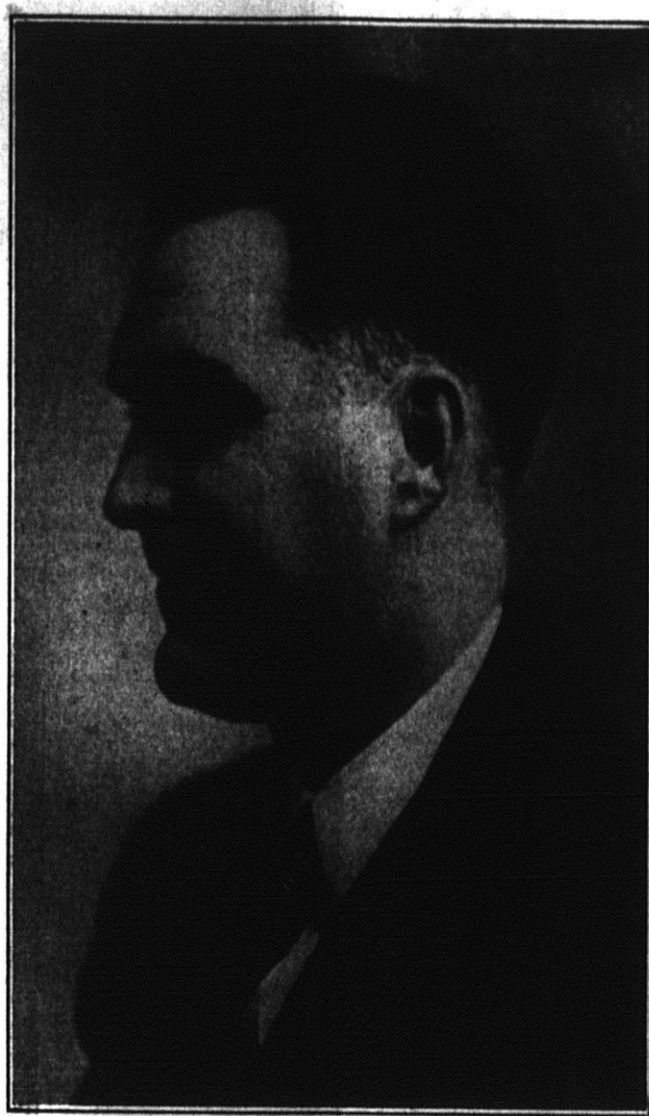

"Why not make the glories of peace as valorous and as vital as the glories of war? Let peace medals replace the medals of war. The root of such a movement must be created in the minds and hearts of all the people and must be world wide in scope."

"America is a peace loving nation and we believe the people of the earth are peace loving if they would only dare to speak. I do not believe as chronic pacifists do, that we should leave our nation unguarded. We should safeguard our people with the proper weapons of defense, not aggression, until the heads of other nations really become peace minded."

"I believe in legislation so drafted that wealth and materials that enter into war, will form a part of the defense together with the living man and the only way this can be done is to take the profits out of war. In applying sanctions let's start with applying them to ourselves as individuals. Let's have no intercourses with belligerent nations. And you veterans who know that General Sherman told the truth when he said war was hell, take the lead in a fight against war for peace. Mobilize your army, not backed with cannon and grenade but backed with a message of good will towards all men."

"This may be an idle dream but at least it is worth a try. But carry on in the name of sacrifice and, God willing, our dreams may come true. At least it will have a wholesome effect and undoubtedly will extend the time between future wars."

RECORD SEASON SEEN AT LAKE MACATAWA

NO CAUSE FOR ACTION IS VERDICT IN CASE

A verdict of "no cause for action" was brought in by a jury in circuit court in the mal-practice suit brought by Orla Shuck, Jamestown, against Dr. William F. Ruis, Jamestown. Damages for a fractured leg which the plaintiff claimed had been improperly set by the physician were claimed by the plaintiff.

A jury of nine men, drawn before the jury in the Shuck-Ruis case was released, disagreed in a suit brought by Herman Berg, Robinson township, against George Herman for recovery of \$100 which Berg claimed he had paid for a horse which he purchased from Herman which Berg claimed was not as represented. The suit was appealed from justice court.

\$8,625 DAMAGES AWARDED BY JURY TO COOK ESTATE

(Allegan News)

Mrs. Lillian Cook was awarded \$8,625.00 damages by a jury in circuit court against the city of Otsego last Friday for the death of her husband, Glenn B. Cook, former Allegan County Engineer. Mr. Cook was killed at 4:30 in the morning of Nov. 1, 1935 while the car he was driving collided with a handstand that had been left parked in the center of the street in Otsego. Judge Fred T. Miles, who presided over the case, withheld his decision.

The jury apparently agreed with Kim Sigler, of Hastings, who gave the closing plea to the jury for the widow and two children, and decided the city of Otsego was responsible for leaving the unlighted stand in the street. Mr. Sigler and Leo Hoffman represent the estate and Marvin J. Schaberg defended the city of Otsego.

One Automobile Leaves Highway Injuring Driver

CAR ROLLS OVER SEVERAL
TIMES BEFORE STOPPING;
WHEELS EXTENDING
UPWARD

(Zeeland Record)

Two young men landed in the local hospital last Sunday afternoon as the result of an automobile accident, Sunday noon, and indications are that they will recover from their injuries.

The accident happened about three-quarters of a mile south of North Blendon on Sunday shortly after noon while they were driving to attend the afternoon services at the North Blendon church.

Purkin Verecke, twenty-two, of Beaverdam, was the driver of the Chevrolet Coupe which figured in the accident, and he was accompanied by David Elzinga, aged nineteen, of North Blendon. As they were driving north on the Beaverdam-North Blendon county road, they were overtaken by a car driven by Gerrit Elzinga, aged seventeen, brother of David, and while this car was passing something happened that caused the Verecke car to leave the road. None of the occupants of the cars noticed any contact between the cars, but it is possible that the Verecke car was forced from the roadway by the closeness of the Elzinga car.

As a result the Verecke car struck a small gutter causing it to swing at right angles with the line of motion and to roll over several times before coming to rest, wheels up, about sixty feet from the point where it left the road. The car was badly damaged, estimated at about \$75.00.

David Elzinga was most seriously injured. Besides being badly bruised and cut about the face, his right arm was so badly mangled that it was at first feared it would be necessary to amputate the member. Later information indicates that the arm is showing improvement and will be saved. Verecke was also badly bruised and cut on the right arm but will recover. Both men were brought to the local hospital by Mr. L. Fisher of Blendon township who was passing there at the time. Elzinga is still in the hospital and it will be several days before his arm is sufficiently recovered to permit his discharge.

After passing the unfortunate car, Gerrit Elzinga, the driver of the other car, kept on driving, not having noticed the accident, until Mr. Fisher, coming from the other direction and witnessing the accident, stopped him to inform him of the mishap.

Both Gerrit Elzinga and David Elzinga are sons of Mr. and Mrs. Nell Elzinga of North Blendon.

STICKERS STILL PROVE POPULAR

DIONNE "QUINS" HAVE RIVALS IN SET OF LAMBS

BEET GROWERS SHOULD BE GIVEN CHANCE

Michigan sugar beet growers face considerably heavier costs if they are forced to market the beets at a factory more than 15 miles distant from their farms, according to a survey by K. T. Wright of the farm management section at Michigan State College. His summaries printed in the Michigan Quarterly Bulletin available within a few days from the Michigan agricultural experiment station at East Lansing indicate that marketing costs per ton are 58 cents for 3.3 miles, 61 cents up to 7 miles, 88 cents for 16.9 miles, \$1.02 for 22.5 miles and \$1.34 for 40 miles.

\$1,300 in Cash and Checks Taken from Creamery Saturday Morning. Officers of the sheriff's department are investigating a robbery at the Conklin Creamery, which occurred some time early Saturday morning or late Friday night. The job netted the robbers \$400 in cash and a large number of checks totaling \$1,300.

The safe was rifled, the dials were chiseled and recomed and the pins pounded back on the big door. This procedure followed on the inside door and the bottom was ripped off the cash drawer. Sheriff Rosema was called at 5:00 a.m. Saturday when the loss was discovered by the men who open the creamery at that early hour. A footprint was discovered as the most tangible clue. This morning a report at the county jail was received that a man in the vicinity had been held for questioning, traced by the footprint.

M-40 will not be paved between Allegan and Hamilton this summer according to an announcement made by Murray D. Van Wagoner, state highway commissioner. In a telegram to Allegan leaders, hope for continuance of work on M-40 on the 1938 Federal Aid program was expressed by Mr. Van Wagoner. It was explained that money would be available July of next year and construction would be resumed with the building of a bridge a short distance beyond the city limits. Mr. Van Wagoner pointed out that \$1,299,000 in highway projects for Allegan county had been completed or programed under his administration. Mr. Van Wagoner also stated that in the last two or three years there has been a betterment of approximately ten million dollars to our cash position, since the new administration has insisted that no new roads be built if we have to go in debt to build them.

The memorial program at Coopersville began at 10:00 o'clock at the park. FIRE ON BLENDON FARM LOSES ALL

Fire destroyed the home of Mr. and Mrs. Peter Fisher in Blendon township causing a loss of the building and contents, the only things that could hurriedly be saved were some clothing.

The fire originated in the attic, probably from a defective chimney, and was not discovered until smoke penetrated to the living-room where the family had retired following the noon meal.

When it was discovered the fire had made so much headway that it was impossible to subdue it. Farm pumps were at once set in motion to supply water, and the Borculo fire department was called but all that could be accomplished was to save the adjoining buildings from catching fire also. In this it was successful, so that the loss was confined to the residence.

TULIPS BACKGROUND FOR MAGAZINE STORY

The activities of Holland's Tulip Time festival form the background for a story in a current boy's magazine written by Marvin L. DeVries, local author, whose specialty is writing adventure stories for the youthful readers of the country.

A brief description of the Tulip Time fete and a photograph of the author appear on the editorial page of the edition, in addition to the story itself. It states, "For ten days the natives turn Dutch—don Dutch costumes, at any rate, and many a pair of wooden shoes clatters over American pavement. The attraction draws about half a million visitors from surrounding states."

Mr. DeVries, who spends all of his time writing, resides at 228 West Ninth st.

COLORED VAGABOND IS VISITOR AT JAIL HERE

(Grand Haven Tribune)

A colored man, bare-footed, in rags and tatters with a few yards attached to his belt, his "lases and penates," was brought to the county jail last night from Marne, after farmers in the district complained of his peculiar actions.

An altar had been erected in a field and Sam was offering a half cooked bird, which he said was a pigeon, but smelled like chicken, as a sacrifice. He had roasted it over a fire of which the farmers complained.

Race, oldest of the quartet, is 85; Riemersma is 83, and both women have become octogenarians in the last year.

Riemersma is a former saw mill worker. He also operated several farms in Holland township, Olive and north of Holland. He retired several years ago. REPORT THAT FISHER WAS TO START TODAY PROVES ERRONEOUS

Reports that Homer Fisher would take over his duties as postmaster at Grand Haven as published in an outside paper, are erroneous. Mr. Fisher said that he had received a telegram saying his commission had been mailed but he has not received it as yet. Mr. Fisher said he expected it would arrive some time this week and he would probably take over the office on June 1. Lieut. Col George L. Olsen who has held over his term which expired Jan. 25, 1936, has received no notification as to when his work will terminate.
