PREACHER CLEANS UP BLASPHEMER

SCHROEDER WAS GOING TO CLEAN UP ON THE CHURCH MEMBERSHIP

John W. Schroeder of Allegan knows what it is to come in contact with a righteous wrath and forceful blow from the fists of an irate dominie.

Schroeder last Sunday walked into the Dutch Reformed church of the city of Allegan and stopped the minister in the middle of his sermon, began swearing at him and stated that he would clean up on the congregation and minister too.

The trouble was brought about because the son of the man persisted in standing in the doorway, making it difficult for worshippers to enter.

Having been warned repeatedly, he still persisted to be nasty and was hauled away by the collar. The father was not inclined to feel kindly in having his young offspring manhandled, and therefore his mission brought him to the church but it took about one upper cut from dukes of an austere divine, when the man took the count, and the masculine members of the congregation carried him out in the open.

Monday morning Justice Cook of Allegan fined him \$40 with an added cost of \$4.10.

SHERIFF FORTNEY GIVES DOG WARNING

Sheriff Fortney sends the following letter to the local press which relates to the dogs of this vicinity. The letter is self-explanatory, and follows below:

Editor of News and Sentinel—

Will you please put a warning in the papers in regards to dogs hunting at night and destroying game. The law provides that no dog shall be loose between sunset and sunrise. Let them know that this will be the last warning. Dogs found in the woods will be shot without further notice.

Yours truly,
Delbert Fortney, Sheriff.

HOLD UNIQUE CLASS MEETING

The Junior class of the Holland High school held its class day exercises at Jenison Park and you may be sure that very few were missing. Miss Gertrude Wicks organized the class and planned the outing and at 11:45 a special car took the students and the instructors to the amusement park.

There were plenty of eats and an elaborate printed program. The program and menu follow below:—

The C. E. Prize of the Reformed church of Springfield, S. D., awarded for the best work done in the English Bible in the Preparatory department, to William Wells Thoms of Busrak, Mesopotamia.

Then Henry Bosch English Prizes Judges, Helen Bell, Martha J. Gibb and Anne Visscher of the faculty; first prize awarded to Helen De Zruin of Grand Rapids; second prize to Jeanette Veldman, of Grandville.

The Gerrit H. Albers Gold Medal—Faculty Award: awarded to Miss Janet Gertrude Pieters, of the Senior Class.

The Mary Clay Albers Silver Medal—Faculty Award: awarded to Miss Henrietta Keizer of the "A" class.

The Adelaide Missions Medals: awarded to Janet Gertrude Pieters and Martin De Wolf.

The prizes held in the debates during the year: awarded to R. Blocker, W. Burggraaf, D. DeGraaf, P. J. De Vries, W. De Ruiter, H. De Weerd, J. Prins, A. Rynbrandt, M. Visscher, A. Engelman and T. O. Yntema.

Mrs. Klass Lappinga and Mrs. J. Katt of Holland were called to Grand Haven because of the death of a sister, Mrs. Jane Lindemulder, who was 87 years old.

PROGRAM FOR STATE C. E. CONVENTION IS COMPLETED

DR. S. M. ZWEMER OF EGYPT HAS ALSO BEEN SECURED AS A SPEAKER

Nothing has been left undone by the local committees to make the next State Christian Endeavor convention a success when it is held in Holland this month.

The program for the 32nd annual convention has been announced. The convention will be held in this city next week Thursday, Friday and Saturday. The Third Reformed church has been designated as the convention church, while some of the big mass meetings will be held in Carnegie gymnasium.

Registration and assignment of delegates will take place June 22 and the convention formally will open that evening with the address of welcome by Harry Kramer, president of the local union. The response will be given by Walter C. Radeke.

Rev. E. B. Allen will give the address. Thursday, June 23, will be devoted to quiet hour in charge of Bishop H. H. Fout of Indianapolis, general conference under the leadership of Haines A. Reichel of Pennsylvania, missionary department by Miss Jean Currie, introduction department by Miss Bertha Clement, addresses by Bishop Fout, E. M. Hayes of New York, Mrs. F. S. Kitch of Detroit, and the presentation of the pocket testament league by the Detroit union. In the evening Rev. S. M. Zwemer of Cairo, Egypt, will deliver the principal address.

Friday's program includes the quiet hour, general conferences, the presentation of the Christian Endeavor World and an address by Dr. Ira Landreth at both afternoon and evening sessions. The business session, including reports of department heads and state officers, and election of officers will take place on Saturday morning. The afternoon will be devoted to a boat ride on Lake Michigan and an athletic program will be staged at Saugatuck.

The C. E. Banquet is scheduled for Saturday evening. Toasts will be given by H. A. Reichel, E. M. Hayes, Dr. W. B. Shirey, Rev. Paul Snyder and Paul H. Benzien.

Bishop Fout will preach the convention sermon on Sunday morning. Mass meetings will be held at 3 p. m. at which Dr. J. Campbell White of New York will give an address and at 7:30 with the closing address by Dr. White. A meeting is also scheduled for 6 o'clock on Sunday afternoon.

The Holland C. E. Union is making elaborate preparations for the convention and entertainment of the hundreds of delegates who expect to attend.

These men with a party of four others met with an auto accident near Ionia in which the large touring car went over an embankment and several of the members of the party were severely bruised although not dangerously hurt.

The father of Mr. Everett got in communication with him by long distance phone advising him of the predicament the party was in, and that attending the wedding was out of the question, which naturally was a great disappointment to the otherwise happy couple.

GUESTS IN AUTO WRECK; COULDN'T COME TO WEDDING

There was an auto load of guests who were supposed to have attended the Walsh-Everett wedding in this city yesterday. They were the father of the groom and the uncle of the young man, Mr. Longstreet, of the Longstreet Lumber Co., of Lansing.

HOLLAND CERTAINLY INTERESTED IN FISTIC SPORTS

It is said that nearly 300 seats have been sold in this city for the Martin-Roper fight at the baseball park at Ramona Friday night.

Some of the most prominent citizens of Holland will have ringside seats.

Up to this morning a little more than 12000 seats had been sold for the biggest scrap that has ever taken place in Grand Rapids.

SEVEN HOLLAND WEDDINGS WITHIN THIRTY-SIX HOURS

CUPID HAS BEEN BUSY THROWING DARTS OUT PROMISCUOUSLY

Holland has been very much married Within the last thirty-six hours. Seven young couples have pledged or will pledge their troth and have or will promise to love, honor, cherish or obey, as the case may be before midnight tonight.

Wedding number one took place at 11 o'clock yesterday when Miss Ruth Latta Walsh was married to Mr. Ranson Everett of Lansing, and marriage number two was solemnized when Clark Hoffman of Holland was wed to Miss Dorothy Snyder at Hopkins, Mich., at noon yesterday. The ceremony was performed by the Rev. O'Connor, of the Congregation at church of Grand Rapids. Mr. Hoffman is the son of the proprietor of the Boston Restaurant.

Marriage number three took place at ten o'clock this morning when Miss Deane Weersing, daughter of Mr. and Mrs. John Weersing was wed to Rev. John Klaaren, Rev. E. J. Bleckink performing the ceremony. Mr. Klaaren who is a graduate of the Western Theological Seminary has accepted a charge in North Holland.

Wedding number four took place at Trinity church at ten o'clock this morning, when Miss Jeddiah Ossewaarde, 408 College avenue was married to George De Ruyter, a prosperous business man of Sioux Center, Iowa. Rev. C. P. Dame performed the ceremony, the double ring service being used.

Wedding number five—Another elaborate wedding took place at 4:30 this afternoon when Miss Gladys Kronmeyer, daughter of Mr. and Mrs. John Kronmeyer, West 18th street, was wed to Mr. Clarence Kleis, an instructor of the Saugatuck schools. Rev. Vanden Berg of Holland performed the ceremony. A unique incident in this marriage is the fact that both the bride and groom were baptized by the pastor who now weds them.

Wedding number six will take place at six o'clock when Miss Sophia Brunnsma will be married to Mr. Henry Tuurling at the home of the bride's parents, Mr. and Mrs. Dick Brunnsma, 192 W. 14th street. The marriage will be performed by Rev. J. M. Vander Kieft, the new pastor of the 14th-st. Christian Reformed church.

The seventh marriage will take place at the home of Mr. and Mrs. Henry Olert, 280 West 14th-st., when Miss Rolena Olert will be wed to Mr. Merceen Poole of Grand Rapids, the Rev. J. R. Brink, of Grand Rapids officiating at this event.

Who says that Cupid hasn't been a busy little imp in the neighborhood of Holland?

The council of Hope College honored four men from widely separated sections of the United States with honorary degrees. The announcement of the awards were made on Wednesday evening by President E. D. Dimment, on behalf of the council at the commencement exercises in Carnegie Hall. The men honored were present on the stage and the insignia of the degree conferred upon them were hung on their shoulders by Prof. W. Wichers after Dr. Dimment had in each case made a recital of the positions of trust and influence they had filled and the services they had rendered that caused the council to confer the degree.

The degree in each case was that of Doctor of Divinity. The men so honored were Rev. G. De Jonge of Zeeland, Dr. Willard Dayton Brown, of New York City, at present secretary of the board of Education of the Reformed church, Rev. Jacob Vander Meulen of Holland, formerly professor of Greek at Hope College and now a member of the faculty of the Western Theological Seminary, and Rev. J. Carleton Pelgrim of Frankfort, Ky., formerly pastor of a Reformed church in Jersey City, N. J., now pastor of a Presbyterian church in Frankfort.

The ceremonies connected with the conferring of these honorary degrees were impressive. Each nomination was greeted with enthusiastic applause by the audience.

Quite an Appetizing Meal to Be Sure.

Above is found the menu served by the Fraternal society at its 87th annual banquet Thursday evening. No doubt our readers can readily make out the different Chinese characters. If they cannot we will assure them that of ten entries on the bill ten have rice in the making of them. We are not sure if rats and mice have any bearing in the meat orders

or whether birds' nest soup constitutes the introduction to the menu. Anyway the 150 odd participants cleaned up on the whole list with a relish and paid the Chinese famine relief fund a liberal sum for it. The menu card was printed at the Holland City News offices and that force is having its troubles with regular American type, thinking only in terms of Chop Suey and rice.

PREP. SOCIETY PLEASES A LARGE AUDIENCE

A packed house greeted the Meliphonians Friday evening when they staged their 64th annual program in Carnegie Gym. The program was full of pep and fun, and was lacking nowhere in keeping up the precedent which has been established by the society.

Elwood Geegh, the president of the society, tendered the audience a hearty welcome. A budget of unusual interest and laughter was effectively read by Stanley Huyser, and Theodore Luidens, capably rendered a pleasing vocal solo. The program concluded with the play "What they did for Jenkins," which was the big feature of the occasion, and they surely did it right. Saturday the Meliphonians observed the annual "Meliphone Bust" at Saugatuck. The alumni were also invited by the society to attend. Lacey's orchestra furnished the music.

Michigan still has much of the lead over all other states in the Union in the number of residents born in The Netherlands, according to Albert Oosterherdt, Chicago representative of the Society of the Netherlands Abroad. The state has 33,083 Netherlands-born residents.

The total of Holland persons in the United States is given as 131,263; Illinois is second with a Holland population of 14,326; New York state has 13,776 of whom 4,754 reside in the city of New York; New Jersey has 13,776 and the three lowest states are Vermont, 32; Mississippi 31; and South Carolina 30. Figures are taken from the latest compilations by the United States census bureau.

Thursday evening the annual June Festival of the Lincoln school was held in Lincoln park. A large audience enjoyed the exercises and the meeting was a success in every way. An auction was held that netted the school \$40. Al Kleis, the new president, gave a short talk, thanking the teachers for their past support of the club and asked both teachers and parents to support it in the future. Additional subscriptions received for the boys' bleachers are: A. Kleis, \$1, F. T. Miles \$1, Donnelly & Kelley \$5. Volunteers were asked for on Monday night to help install a drinking fountain for the boys in front of their bleachers.

Dr. S. M. Zwemer spoke to a large audience in the gospel tent Friday evening.

Little girl—fined out how you can get that, "Oh, You Beautiful Doll," on page two of this issue.

SYRACUSE U.

MAN TO SPEAK IN HOLLAND

All the dates and arrangements for the fifty-sixth commencement at Hope College have been completed. The Meliphone comedy play "What they did for Jenkins," which will be given the coming Friday night on June 10, will usher in the different programs that have been prepared. On Sunday night, June 12, the baccalaureate sermon for the graduates will be delivered by Dr. John H. Ingham of Syracuse University at the Third Reformed church. Dr. Ingham has been a minister for some time of the Second Ref'd church of New Brunswick, N. J.

Monday afternoon, June 13, the A class will present their annual program at 2 o'clock. A play entitled "Oei on Polle Francaise" will feature on the program.

In the evening the Ufflas club, a band of students in Dutch literature will give their program. This promises to be one of the best entertainments that the Ufflas has ever presented.

The Alumni business session will be held on Tuesday, June 14, and will be followed by the annual alumni banquet at Voorhees hall in the evening. Special decade reunions of the classes of 1881, 1891, 1901 and 1911; quarter centennial reunions of the class of 1896; and a semi centennial reunion of the class of 1871 will play a prominent part in the banquet.

On Wednesday evening, June 15, the Senior commencement exercises will take place at Carnegie Gym. Fifty-one seniors and 41 preparatory students will receive their diplomas at that time. The winners in debating, oratory and prize essays will also be given the different awards for the contests of the past year.

The public is extended a cordial invitation to all the public gatherings and programs.

CALLS STONE

"PLYMOUTH ROCK" OF MICHIGAN

The Grand Rapids Herald of Sunday contained a good cut of the large memorial stone on the road between Holland and Zeeland. The following article went with the picture:

"Holland, June 4—This giant stone near Black river on the West Michigan Pike between Holland and Zeeland is the Plymouth Rock of Michigan.

"In 1846, when Zeeland, Vriesland, and the surrounding towns were settled this section of the state was a trackless wilderness. The only means of transportation were the watercourses, such as the Grand river, the Pigeon river, the Kalamazoo, the Pigeon and the Black.

Black river in those days was navigable much higher than it is now and when the Dutch settlers came they shipped all their goods and supplies up the river and landed them where the huge rock is.

"It is remarkable that there is no stone in these parts, and it is hard to account for the 'Plymouth Rock.' The stone has been cut to one-third of its original size.

Recently a committee was appointed to have a bronze plate placed on the stone but for some reason this has never been accomplished. Next year will witness the 75th anniversary celebration of the founding of Holland and it may be done then.

PLAY IS DROPPED FROM

"A" CLASS EXERCISES

The regular class play scheduled for the program of the class day exercises of the A class of Hope College was omitted Monday afternoon out of respect for the memory of Charles Loomans, the Grand Rapids, Wis., boy who lost his life in the Kalamazoo river Saturday. The play had a sprinkling of comedy, and some of Loomans' closest friends were actors in it. They felt so saddened by the death of their friend that they felt it impossible to go with the play and so it was decided to omit it.

Rev. M. J. DenHerder, a Reformed minister of Livingston, N. Y., found his vacation plans suddenly altered when he reached Holland Tuesday night. He was stricken with appendicitis and taken to Holland Hospital where he was operated on by Dr. A. Vanden Berg of Grand Rapids and Drs. Nichols and Thomas of this city. Rev. Mr. Den Herder is a graduate of Hope College and is well known in this city.

Mr. and Mrs. Urlick motored to Grand Rapids last evening accompanied by Mrs. Menzies, Mrs. Buttles, Lena Hoeker, Mrs. Ham and Mrs. Hillebrands. They called on Neighbor Palmer at Blodgett Hospital.

HOLLAND DOWNS GR. HAVEN SATURDAY

Holland again downed their bitter rivals Saturday afternoon by the score of 8 to 3 in a game featured by some heavy hitting. It took the locals just the first two innings to put the game on ice. Shaw led off with a hit to right. Advanced to second on Spriggs' bunt which went for a hit when he beat the throw to first. Woldring cleaned the sacks with a terrific smash to deep left. In the second six runs were pushed over on a base on balls, one error and successive hits by G. Batema, Steggerda, Shaw, Woldring and Japinga.

Holland again threatened to score in the third when the bases were loaded with nobody out. All the runners died on bases when Woldring struck out. G. Batema hit a weak grounder to the infield forcing the runner at the plate and Japinga retired the side by breezing the zone. From then on Westerhoff Grand Haven's portlander held the locals safe. Had he pitched as effectively at first the result might have been different.

Steggerda, who arrived Saturday morning from attending the Chicago School of Physical Training for the last school year, pitched his usual nice game and held the county seat lads to eight hits and whiffing eleven of them. Seven of their hits were made the first four innings and there after "Steg" held the visitors at his mercy. Tripp and Austin showed good batting form for Grand Haven while practically all of the local batsmen used their war clubs to good advantage.

The fans were pleased to see Japinga and Steggerda in the team and great things are expected of both during the season.

The visitors played good ball but for some reason, probably the stickwork and effective pitching of Steggerda, or other they got on the short end of the score. Schouten umpired in place of Riemersma who was confined to his bed on account of illness.

The visiting fans however took occasion to pick on the "umps" and would seem they were looking for an alibi for their defeat. A look at the hits column which shows 14 for Holland to 8 for Grand Haven shows the reason for defeat. Score by innings—

G. H. 0 0 2 0 0 0 1 0—3 8 2
Hol. 2 6 0 0 0 0 0 0—8 14 2
Batteries—G. H., Westerhof and Martin; Holland, Steggerda and Spriggs.

The locals play a two-light game at Grand Haven Wednesday and at Allegan. Saturday the Kalamazoo Legions formerly the Pythians come for their first of a three game series.

BONUS PAPERS TO BE NOTARIED FREE OF CHARGE

It is not going to cost any ex-service man in Holland or vicinity a cent to get his bonus papers in shape if the local post of the American Legion can help it. To forestall any possible charging of fees to the former soldiers for services connected with the getting of the papers in shape, the notaries in the Legion are being rounded up and they will do the work free of charge.

So far four notaries have been listed, Henry Geerds, Al Joldersma, Albert Van Lente and Marshall Irving. There are other notaries in the Legion who will be pressed into the service. But no matter how many there are they will have their hands full. Each one of the papers has to be notaried four times, and it takes fully a half hour to make out papers for a single soldier.

The application blanks for the bonus can now be obtained at any time at one of the following places: Walsh Drug Store, P. S. Boter & Co. and the Peoples State Bank.

The Legion men wish to impress it upon all service men that they should not pay out a single cent in connection with securing their bonus money. It need not cost anyone a cent but the bonus can be obtained without cost of any kind for any service in connection with it.

The Legion is determined to do everything possible to see to it that the bonus money shall come to the soldiers without having anything subtracted from it in fees.

J. M. Brunner of this city Friday morning received a telegram from the Misses Anna Van Putten and Gertrude Tiesenga which read as follows: "Arrived safely in Chicago. Necks were stretched two inches by looking over sky-scrapers. Saw Marlon leave Madison, Wis."

ARRIVES AFTER LONG TRIP IN A POWER BOAT

A trip of nearly a month in a small power boat came to an end for Niel Landman, member of the Macatawa Coast Guard, Sunday noon when he arrived in the harbor at Macatawa with his boat after piloting it all the way by water from South Baltimore. Landman was accompanied by Lieutenant Commander N. Daniels, of the U. S. Coast Guard Depot at South Baltimore, who was in command of a fleet of ten power boats that set out from the yards at South Baltimore on May 15. Members of the coast guard crew of Michigan City and Chicago were also with Landman when the party arrived in Holland, each in a boat to be delivered in those cities. A boat was also delivered at the coast guard station at Muskegon.

The only rough weathered encounter by the little fleet of power boats was on Lake Erie where the party was out in a storm for some twenty hours before they were able to buck the wind and the waves and get into safety of some port. But they were all experienced life savers and they were not in any great danger at any time, although the weather was more than was comfortable even for life savers.

The new power boat has already been put into service and on Monday morning it was ready for action. It replaces a power boat of smaller size and horsepower and will materially increase the efficiency of the local station. The new boat is 26 feet long and has a 29 h. p. engine. It has a speed of about eight miles an hour.

ONE MAN WHIPS AN ALLEGAN COUNTY MAYOR

The mayor of Hopkins, Allegan county, whose name is John Maloney, is in bed having received a severe beating from one Lee Gibson.

It all started when Gibson walked into his store a few mornings ago and made certain pertinent inquiries concerning a legal document which Maloney told him reposed in his vest pocket. When Gibson found out where the note was "Zing!" He got it.

According to the report Maloney came to some 15 minutes later. Both eyes were rapidly turning black. His neck was swollen. His face was marred and scarred. His right arm refused to perform the functions an arm ordinarily performs.

The scuffle brought the Hopkins marshal to the scene. He placed Gibson under arrest, he says. But Gibson scenting trouble jumped into his car and headed for Allegan and delivered himself up to Justice Herman Cook. Arrest on a charge of assault and battery followed. Gibson pleaded guilty. He was released and left Allegan with the threat, it is said of cleaning up the rest of Hopkins.

Justice Cook and Ira C. Montague were in Hopkins Wednesday making further investigations.

Upon learning the mission of the authorities the whole town turned out each to give the different sides of the altercation. The village was in a turmoil. The mayor, the city's chief executive had been attacked. It was an affront upon the dignity and honor of the town. Citizens demanded vengeance.

Gibson according to the mayor had for some time owed him for a cultivator which he failed to pay for even after repeated requests for payment had been made. Extensions on the debt failed to bring final payment and the cultivator was taken from Gibson by the Mayor.

The taking away of the implement brought Gibson to Maloney's store and the mixup soon followed. Gibson was sentenced to 35 days in jail, \$30 fine and \$4.10 costs. If not paid, additional thirty days in jail, by Justice Cook.

The following girls are enjoying a houseparty for the month of June at the Garrod cottage Macatawa: Thelma McColl, Janet Rice, Evelyn Ewald, Bernice Brooke, Ella Van Putten, Beulah Garland, Edith Connors, Geneva Van Lente, Agnes McKinley, Maurine Hamilton, Maria Leenhouts.

Hon. Luke Lugers, who was a representative of the Graafschap church at General Synod held at Asbury Park, N. J., is making a side trip on his return taking in Washington, D. C. He has been calling on Congressman Mapes and President Harding is said.

HOPE STUDENT LOSES LIFE IN THE KALAMAZOO RIVER

A note of sadness was introduced into the commencement activities at Hope College Saturday afternoon when Charles Loomans, 23 years old, of Grand Rapids, Wis., lost his life by drowning in the Kalamazoo river. Mr. Loomans was a member of the "A" class of the Preparatory Department, and with other members of the Melphone society he was enjoying a picnic at Saugatuck. While wading into the river at Saugatuck, he stepped off a ledge, and being unable to swim, he sank and did not come up. Companions immediately went to the rescue and the boy was in the water only about ten minutes, but all efforts at resuscitation proved fruitless.

Mr. Loomans was a popular student. He took a prominent part in the Melphone play that was given in Carnegie hall Friday evening, and he was a student of considerable ability. He was attending Hope College with the intention of preparing for the ministry.

A brief funeral service was held over the body at Dykstra's chapel Sunday evening. Prof. P. E. Hinkamp of college Bible department conducted the services. A large body of students and faculty members sang, "Nearer My God to Thee," and Prof. Hinkamp closed with prayer. The body was shipped to G. Rapids, Wis., where funeral services were held later.

In addition to being a good student Mr. Loomans was an able athlete, having made the record in the Hope-Grand Rapids "Y" relay, covering his three mile lap in less than 15 minutes.

The society each year holds a "bust" at Saugatuck, the day after the annual entertainment. Loomans, with others, had been looking to this event, and he took a leading part in making the picnic successful. His sudden death spread gloom over the picnicers and the company returned to Holland prematurely as a result of the accident.

Hope College students had their last exams Friday morning and are looking forward to a prolonged vacation.

HOSPITAL JUNKETERS WERE TREATED ROYALLY AT OWOSSO

No set of men ever got better treatment at any town than did the hospital junketers at Owosso. From the time of their arrival until their departure, they were given every attention and their every little want was taken care of.

At noon the mayor and city officials gave the Holland men a fish luncheon at which time Mr. E. P. Stephan, James De Young and City Attorney Charles H. McBride were called upon for speeches.

In the afternoon the delegation went to the new hospital in automobiles and the new building was shown to them, to the very minutest detail.

In the evening the Holland folks were invited to the Chamber of Commerce monthly banquet held in the beautiful Elks hall. This organization has a membership of over 800, and 400 were gathered around the festive board to do honor to their guests from Holland. Quite a unique feature in this Chamber of Commerce is the fact that the wives and daughters are honorary members of the club, and have separate tables provided for themselves and on this occasion the ladies too wished to welcome the Hollanders, and the tables of the fair sex were filled.

Owosso had many speakers at this banquet and the toastmaster after calling upon the Mayor of Owosso, also called upon the Mayor of Holland, who responded graciously to the remarks made by the chief executive of the city of Owosso.

City Attorney Charles McBride also was called upon for a speech, he telling of the object of the visit.

James De Young, was then called upon and the toastmaster introduced him as the Mayor of Owosso, which was the signal for an ovation, and surely Holland's and Owosso's former mayor got one, if the demonstration that followed is any indication.

After the banquet was all over, the participants, including the women, arose and gave three cheers for Holland's mayor and the committee that constituted the Holland party.

Facts that the committee have gleaned from the Hospital proposition in Owosso, go to show that if Holland is to build a new hospital, it must abandon the present site and

must go further out.

Men who had the Owosso hospital in charge were severely criticized at first because they chose a site of 13 acres, three quarters of a mile away from the heart of the city, where all is quiet, where smoke and manufacturing does not exist, and where the air is pure and clean.

The biggest knockers on this site, are now loudest in their praises. Owosso folks advise to go out further for a hospital site and to build on nothing less than five acres and to get a larger plot of ground if it is procurable.

A Mr. Bentley who is a wealthy man of Owosso has taken a live interest in building this new institution for Owosso. For three years he has been traveling about the country and in Europe at his own expense looking up hospitals taking notes and marking down features of advantage and also those things that did not appear to be so desirable. From this experience in extensive travel and investigation tour and these relate to hospitals generally, all the good points were taken and along the lines of these ideals the Owosso hospital was built, and altho the knowledge of the Holland committee is somewhat limited relative to hospitals generally, they could readily see that the building they had inspected, must be the next word to perfection. Even the little details such as rounded corners, in rooms so dirt could not accumulate, deflected floors from the hallways, so scrubbing water would not run into the halls, were evident.

Scores of these little details, which in themselves seem small, speak wonders for sanitation.

Alderman Damstra stated that the heating plant was perfection itself, and a model of its kind.

The hospital has one of the finest X-ray rooms to be found anywhere. It has two of the most modern operating rooms and besides, a refrigerator system on every floor. The entire building is absolutely fireproof, which is a very important feature.

Although the hospital has been opened for only two weeks and has a capacity of 60 beds, 48 of these beds have already been filled without any effort.

This demonstrates without a doubt the great need of hospital service, not alone in Owosso, but everywhere, and Holland is no exception to the rule.

The committee from Holland who participated in this hospital junket are the following: City Clerk Overweg; Aldermen Wiersma, Lawrence, Prins, Damstra and Brinkman; Mayor E. P. Stephan, City Attorney C. H. McBride and former mayor, James De Young.

The Accumulation of a Lifetime Wasted in a Year

Often you see the estate that a man spent his life in building, scattered in twelve months, because he neglected to leave proper directions for its continuance at his passing.

He thought he was leaving his family in comfort, but it was suffering and want. The children, with immature judgments, squandered their portion—the widow, inexperienced in finances, was a prey to schemers. Had a will been drawn and a trust created, his family would have never known privation.

To safeguard his family's future is the most important duty of a father. Our booklet will help you take the proper steps. Send for it—it is free.

Make This Your Bank.

A Dime a Day

A silver dime isn't much of a fortune, that's true. But a dime a day saved for a year would be quite a little help. Here are some of the things it would do:

It would buy you a new suit of clothes. It would pay for a week's vacation this summer. It would pay for a lot of Christmas presents for poor children. It would make a creditable payment on a home library. It would buy a good watch, an engagement ring, in fact any one of these or a thousands other things you might want.

Don't despise the dime because it is small. Little drops of water make an ocean.

Come in to-day.

BASE BALL MANAGE- MENT IS APPRECIATIVE

The Holland Base Ball team and manager are elated over the wholehearted support received from the citizens of Holland. They are thankful to the Park Board, the bleacher builders, the cash donors and those who helped fix up the grounds and to those who aided generally.

In turn we might add that Holland is thankful to "Spriggs" and his men for keeping baseball alive and going strong in Holland. If it was not for our team things would look rather dark in deed this summer as far as recreation goes. Anyway, Spriggs wants to tell the public about it and this is what he has to say:

"The work of erecting canopies over the entire bleachers was completed Monday night. Harry Doesburg supplied the smokes. Many thanks to the carpenters and loyal baseball fans that turned out to lend a hand. Holland can now boast of one of the finest municipal baseball grounds in the state. Below will be found a list of the first donors that started the ball a rolling and helped to make possible the new uniforms now adorning the local players and also the two new bleachers and roofs erected for the adult fans. The baseball players early in the season took upon themselves the job of collecting funds for the new uniforms and erection of some badly needed seating capacity. The response of the local fans was wonderful. Then the park board was consulted and a bargain was made whereby they were to, supply thirty loads of clay and the ball players to work the field into playing condition. The players must have the credit for putting the diamond into such nice and pleasing shape and the upkeep for the entire season is left in their hands.

"Along comes George Woldring who conceived the idea of the boys' bleachers and again the fans responded more wonderful than ever. There was the money and the lumber, but was useless without the hand of hard labor. John Woldring the loudest and loyal fan in Holland produced the necessary labor. He laid the plans for erection and urged the carpenters to help on the building along with the ball players and other interested fans.

"Holland now has the finest park around, everybody can enjoy the shade afforded and the best baseball possible will be displayed this season.

"Also many thanks to Ben Mulder of the City News and Sentinel who widely advertised and endorsed the plan thru the papers. Here is the list of donations collected only by the ball players:

BUNDLES OF TAX DOCUMENTS LOST HERE

Two bundles of sale cards for the state equalization work for Van Buren county were lost in Holland Tuesday and the owner is extremely anxious to locate the packages. The papers are very valuable to the state equalization board but they could not be of any possible value to anybody else. However, a substantial reward is offered for their recovery.

Mr. Burt P. Hatch, foreman of the examiners of the board of state tax commissioners of Lansing, is the person who lost the documents. He thinks he placed them for a moment on the sidewalk near the First State bank corner while placing other articles in his car and that they were forgotten there. One package was a shoebox full of papers, and the other was composed of several smaller packages tied together. The finder is asked to turn the packages over to City Assessor C. W. Nibbelink who will forward them to Mr. Hatch.

NEW OFFICERS ELECTED BY THE MISSIONARY SOCIETY

A very pleasant meeting of the Home Missionary society of the M. E. church was held Monday evening at the home of Mrs. E. B. Rich, 41 E. Tenth street. This was the annual meeting and all the reports showed the society in fine condition. The work accomplished during the past year is very gratifying. All pledges have been paid in full and all requests for assistance have been answered, both financially and otherwise, and a substantial balance remains in the treasury with which to begin the new year.

Devotionals were in charge of Mrs. Charles Gross, assisted by Rev. G. B. Fleming. The whole company sang heartily two selections accompanied by Miss Eva Clark. Mrs. H. W. Smith gave a comprehensive survey of the work at large. Vocal and instrumental music was rendered by Mr. and Mrs. Robt. Evans and Mrs. Maris. Officers and superintendents were elected and many standing committees appointed for the coming year which will begin in September. The host and hostess assisted by son Charles served cream and assorted cake.

Following are the officers: President, Mrs. P. E. Whitman; 1st vice-president, Mrs. G. B. Fleming; 2nd vice-president, Mrs. E. B. Rich; Recording Secretary, Mrs. G. C. Moody; Cor. Sec. and Treas., Mrs. G. Elferink; Supt. of Queen Esther Miss Clara McClellan; supt. of Home Guards, Mrs. O. D. Bottome and Mrs. E. B. Rich; supt. of Mother's Jewels, Mrs. E. Markham and Mrs. S. Ingham; temperance, Mrs. Gross; evangelism, Mrs. Smith; stewardship, Mrs. Maris; membership, Miss Atwood; group leaders, Mrs. G. Atwood, Mrs. Gross, Mrs. Locie, Mrs. Rank and Mrs. H. Te Roller.

John M. Tobin, residing near Allegan has received creditable mention in the Holstein Association of America for milk production from two cows in his herd. One cow produced 567 pounds of milk and 28 pounds of butter fat in seven days and the other produced 395 pounds of milk and 14 pounds of butter fat in the same time.

The large flag pole that has been presented to Hope College as a memorial of the class of 1921, was dedicated Tuesday afternoon. The pole is 85 ft. long standing about 75 ft. above ground and was put up on Tuesday morning by Plaggenmarr Bros. It is placed to the southwest of Graves Hall.

Holland has a fair representation among the students who graduate from Ann Arbor. In the list of the graduates are found Miss Kathryn Pralcken, Justin Huntley, Harry Vander Kamp of Holland and Edward Den Herder of Zeeland who graduate from the College of Literature.

Corydon De Vries of Holland will receive his diploma as a doctor of medicine while Miss Ruth Blekkink also of this city will come home with a Degree of Master of Arts.

Word was received in Holland that Mrs. Minnie Besmer, sister of Mrs. M. Beukema, was killed in an auto accident at Galien, O. Mrs. Besmer was formerly of Holland and is well known here. The funeral was held Wednesday afternoon at two o'clock from the Beukema home W. Third street.

Two all-steel coaches passed thru Holland Monday on one of the trains on the Chicago division of the Pere Marquette. The steel coaches have just come from the factory and were immediately pressed into service. There is not an inch of wood on either coach, the construction being exclusively of steel. The coaches are a great improvement over the old style coaches that have been in use.

The 1921 and initial edition of R. L. Polk & Co's Holland City directory has just been issued from their presses and is being delivered to the subscribers. The volume contains 358 pages and presents a commendable typographical appearance, and represents an achievement reflecting credit up the municipality and the publishers as well. The latter enjoy the distinction of being the largest producers of city directories, state gazetteers and national and miscellaneous directories, in the world. Their work in that direction has extended over half a century and they have enjoyed the friendly esteem and confidence of business men in many hundreds of cities. Their imprint on a directory is a guarantee of excellence and completeness, and Holland is fortunate in having the present directory produced under such auspices.

The members and teachers of the Mens' and Ladies' Bible classes of the First Reformed church held a picnic at Jenison Park Monday evening. About one hundred and fifty persons were present and a program of sports was carried out. Two bag games were played, one by the "Has-beens" and the "Never-Was", and one by the "Runts" and the "Anti-Runts". The umpires were Anthony Nienhuis and Jacob Lokker, and it was a standoff as to who made the worst decisions.

Talks were given by Rev. James Wayer, Rev. H. J. Veldman, Rev. D. Dykstra and Mr. Gerrit Ter Vree. Refreshments were served by a committee under the direction of Mat Witvliet.

Cornelius Derkse and Wm. Tunner were arrested Sunday night by Officer Bontekoe who found them out mashing. The young men would ride close up to the curb with their machines and accost groups of young ladies begging them to take a ride. They pleaded guilty in Justice Den Herder's court and the offenders were fined \$13.70 each. Both young men came from the rural districts.

F. J. Conleton and family have moved from Mrs. L. E. VanDrezer's house to 141 E. 10th Street. Mr. and Mrs. G. L. Sumner and Mr. and Mrs. C. G. Bailey of Lansing, Michigan, were in the city attending the Walsh-Everett nuptials. Holland's school census is the largest ever recorded. The total figures compiled by the enumerators are 3,800. The increase over last year is 96.

The Lady Macabees are to have a baked goods sale at Lady Gross' Hat shop Saturday, June 18. All Lady Macabees are urged to donate baked goods as the proceeds go to the growing fund of the order.

Mrs. Johannes Nykerk of this city submitted to an operation for a goitre early Tuesday morning at the Holland hospital. The operation proved to be a successful one as far as can be ascertained now.

Prof. Robt. Evens of Hope College made a trip to Albion Tuesday. Albion had a homecoming and as Mr. Evens was a graduate from Albion College ten years ago he joined the alumni celebrating the occasion.

The 8th grade graduation exercises for Laketown are to be held in the church at Central Park, June 21 at 7:30 p. m. standard time. Rev. G. B. Fleming will deliver the address on "The Supreme Investment." The graduates will receive their diplomas from the hands of Mr. George Heneveld, township supervisor.

The three year old son of Mr. and Mrs. Nick Rowan, Columbia avenue, near 16-st. was quite seriously hurt Tuesday when he fell off the running board of an automobile. He was standing on the runningboard of the Zeeland Bakery truck when it was started up. Tumbling off, the boy sustained a gash in his head. Dr. Thomas dressed the wound.

POPULAR YOUNG HOLLAND LADY WEDS

A very beautiful but quiet wedding took place at 11 o'clock Wednesday morning at the home of Mr. and Mrs. Walter C. Walsh, 42 East 9th street.

The bride was Miss Ruth Latta Walsh and the groom Mr. Ranson Willis Everett of Lansing, Michigan.

Rev. Paul P. Cheff, pastor of Hope church, performed the ceremony, the beautiful ring service being used. The bride was dressed in white canton crepe, trimmed with silk fringe, and wore a white George hat, carrying a huge bouquet of bride's roses and swansonia.

The home was gorgeously decorated with gladiolas and pink roses and the large music room where the wedding took place, was a veritable bower of flowers.

The happy couple were the recipients of many gifts in silver and cut glass. Mr. and Mrs. Walsh presented their daughter with a check for one thousand dollars, besides remembering the couple with other substantial gifts.

After the elaborate luncheon the couple stole away by automobile, and are now on a honeymoon trip to New York City.

After July 4th they will be found at their home in Lansing, Michigan, where Mr. Everett is cashier of the Longstreet Lumber Co.

Mrs. Everett is a graduate of the Holland High school of the class of 1918, and among the immediate relatives and friends who attended these nuptials were also found the members of this class.

HOME BUILDING ESSAY WINNING 5TH PRIZE IN CONTEST

HOW TO MEET THE HOME SHORTAGE

Below will be found the essay winning the fifth prize the \$25 cash prize contest given by the Bolhuis Lumber and Manufacturing Co.

How to Remedy the Shortage of Homes

(Miss Margaret Donnelly)
It is Spring—the mating season. The birds are busy building their nests. The fox is digging his burrow. And even the fish has found a place which, if translated from the mental idea of the fish would be fittingly housed, except the most highly developed of creation—man.

In America this is the result of several years of building inactivity, especially these last years during and following the war. The war has increased the cost of building materials, it has advanced the price of labor, it has produced a scarcity of money, and it has considerably damaged transportation facilities. This state of affairs has necessarily heightened the cost of building, until at the present time an expenditure of one hundred per cent more than before the war is necessary to build a house. The unwillingness of those who desire to own their

own homes to spend so much more than was required in 1914 in building a house, and the refusal of tenants to pay a rent increased more than 25 per cent a year has led to the stoppage of building. For, in the first case, it is cheaper to rent than to build; and, in the second building for the purpose of renting presents extremely small profits, and even annual loss.

In order to stimulate building and to relieve the crowded quarters which have resulted from the lack of building, various methods have been proposed. Some of these are rent legislation government subsidy, and cooperative building.

The first method is limitation on rent rates, so that dwelling places may be financially within the grasp of the wage-earner. This, however, has been, in New York, found to stop building, so it is no permanent remedy.

The second plan that has been proposed is impractical, unjust, and unwise. It is the authorization of government building or subsidy. It is impractical because the government cannot build any cheaper than others, and it usually takes much longer to accomplish such a matter than a private concern does. It is unjust, for it is not right to aid a very small portion of the people (who are self-supporting) at the expense of the majority. It is unwise because it abolishes the American ideal of independence.

The third plan has been tried more widely. The co-operative building assures more homes, but they are built at a loss, because no rents are charged now (except so-called exorbitant ones) which bring a profit of four per cent. No investment with such meagre returns can become very popular.

The erection of buildings costs more than double the cost in 1914.

But are not wages also much higher than in 1914? If wages and prices have advanced proportionately should not rents? Yet if a landlord raises his rent one hundred and fifty per cent he would be pointed out as an object of scorn, a profiteer—and might even be imprisoned for it. However, had rents kept pace with costs and wages, the housing problem would not be so serious.

For real estate would then have continued to be a paying investment.

It is not even now too late to remedy the housing shortage by once more making it profitable to own your own house and to build for rental.

(Home building is best encouraged by mortgages of easy payments. For many are anxious to build homes for themselves but they cannot secure sufficient funds from the banks nor loans with easy payments. Companies of citizens fortunate enough to be little troubled by the shortage should be organized with the purpose of loaning money on mortgages with low rates of interest and easy payments. Such companies would have to have expert advice so that no money would be lost through unwise loans. And they should retain the privilege of rejecting applicants—a privilege a government could not have. This plan will be found to be a better investment than the co-operative building plan and it will do just as much to relieve the situation.)

The building of houses for rental may be made desirable by allowing rent to take the old percentage of the income—a percentage based on the present, not the past, value of the houses. Laws limiting rent; should be repealed. This may seem at first to do little good. But unless a landlord is assured that he can make four to six per cent on his houses he will not build. And any remedy which does not produce houses is but superficial. Costs and prices are slowly decreasing and if rents are allowed to reach as high a zenith as wages did they will also gradually decrease.

This question, as well as well every economic one, is based on the fundamental law of supply and demand.

The troubled condition of this time has been the gradual growth of several years. It can only be remedied gradually during several coming years.

TWO HUNDRED ATTEND K. OF P. MEMORIAL DAY

Thirty automobile loads containing members of Castle lodge K. of P's and their wives and children left the lodge rooms promptly at 2:30 o'clock for the two local cemeteries.

The members of the order, some 80 in number, marched from grave to grave and as these men stopped to uncover before each mound, Chancellor Commander, Oscar Peterson, deposited the tribute of flowers upon the grave of a brother.

Twenty-three graves were thus decorated, after which Oscar Peterson very fittingly performed the ritualistic work and gave the declamation fitting to K. of P. Memorial day.

A prayer was offered by Prelate George Pelgrim, the Pythian hymn was sung by the Pythian quartet consisting of F. Schroeder, L. Burch, J. Van Vyven and Richard Van Kolken.

The address of the afternoon was made by Cornelius Vander Meulen, and his utterance should have been heard in order to be appreciated. Mr. Vander Meulen was at his best, and after he had pronounced his eulogy upon the dead, and the well wishes of these brothers dead upon posterity living, and still unborn, there were few dry eyes in the audience present.

He said, "Who says there is no hereafter? The living God is shown in the shining stars, the growing foliage, the blades of grass and the tender flowers. The man who cannot see God in his handiwork in this nature beautiful is a soul to be pitied. "Pythianism means a battle for the right, for the pure and for the wholesome."

The exercises closed with singing of "Nearer My God to Thee."

FLOWER MISSION OBSERVED BY THE W. C. T. UNION

The last regular summer meeting of the W. C. T. U. was held at the home of Mrs. A. H. Meyer, 4 West 12th street. Mrs. Wm. Van Dyke had appropriate singing and devotionals to correspond with the topic, "Flower Mission and Relief Work."

Mrs. Meyer had charge of the program, and in a few well chosen words Mrs. De Merrell told how the flower mission day originated in the W. C. T. U. Thru the efforts of a young bed-ridden girl and Mrs. Frances Willard it has come to be a National day in the W. C. T. U. Two songs were beautifully sung by Mrs. Kooiker, accompanied by Miss Wilma Meyer, "Spring has come," and "Plant Roses," after which Miss Pope, a teacher at Hope College, the speaker of the afternoon, was introduced. She spoke on the subject, "Recreation," in a timely way.

The program was concluded by Miss Margaret Meyer who sang "The Old Refrain," and then responded to an encore, "Believe me if all those endearing young charms." Her sister, Miss Wilma, played the accompaniment.

During the social hour tea was served by Mesdames Vischer, De Merrell, E. and A. Fairbanks at the conclusion of which beautiful bouquets were made up and taken to the hospital and to the sick and shut-in by various members.

REV. E. H. LANE MAKES HIT WITH AUDIENCE

Rev. E. H. Lane, of Toledo, Ohio, made a good impression in Holland on his first appearance here Sunday. Rev. Lane spoke to large audiences in the gospel tent. Sunday night a large enough audience gathered to fill the tent two or three times. His theme Sunday night was "No Man Careth for My Soul." Mr. Lane will conduct the services again this evening and every evening until the latter part of the month.

In addition to being a forceful speaker, Rev. Lane is a fine singer. Miss Churchford engaged his services because she knew an evangelist of unusual ability would have to follow Mel Trotter, who is a favorite in Holland.

Rev. James F. Zwemer, Rev. H. Hosper, Rev. E. J. Blekkink and Elders Elenbaas of the Fourth Reformed church who were in attendance at Asbury Park, N. J., have returned home after a ten days' absence.

Rev. and Mrs. Albert Wubbena of Peoria, Ill., are the guests of Mr. Arnold De Peyter, 13th-st.

ASKS STUDENTS TO INCARNATE COLLEGE IN THEIR LIVES

A plea to the members of the graduating class of Hope College to incarnate in their lives and in their work the spirit of the institution from which they are about to graduate was the main theme of the baccalaureate sermon pronounced in the Third Reformed church Sunday evening by Rev. John A. Ingham, D. D., of New York City, secretary of the Progress Campaign of the Reformed church. Dr. Ingham first briefly sketched the cosmic background of man's activities upon the earth, declaring that God, in providing such a background, meant to intimate that a great work must be accomplished against it. He called attention to the size of the universe, to the diversity of life upon this earth, to the artistry of God's work in nature.

Each person, he said, should have a realization of this background and should pattern his life according to scale. The educative processes of God, he declared, find their climax in the life of Jesus Christ upon earth, and an institution like Hope College has for its aim to pattern its work after the example of Jesus.

The essential part of Hope College does not consist in its buildings or campus but in the spirit in which it was founded and in which it is being maintained. The members of the graduating class, he declared, are but just entering Hope College in a real way. Hitherto they have been in the classrooms of the college. After this they will enter the college in the world, and it is their duty and privilege to incarnate the spirit of the institution in their lives.

The church was crowded to overflowing, hundreds being turned away. The invocation was pronounced by Dr. E. D. Dimment. Mrs. Reuben Maurits of Grand Rapids sang, "Song of Thanksgiving," by Alliston. Dr. Ame Vennema, President-Emeritus of Hope College, read Scripture. Mr. and Mrs. W. J. Fenton of Grand Rapids sang, "My Song Shall Ever be Thy Mercy," by Merdelashon; prayer was offered by Dr. S. M. Zwemer of Cairo, Egypt. A quartet, Mr. and Mr. Fenton, Miss Myrtle Beach and Mr. W. A. Diekema, sang "The Still, Small Voice," by Hamblen, and Frank De Moen Kleinheksel of Muskegon sang "Come Ye Blessed," by John Prindle Scott.

HOPE COLLEGE STUDENTS GO HUSTLING IN AUTOMOBILES

The last taps of the recitation-class room bell have scarcely died away before a flock of students at Hope College are already girding themselves for life's battle and very peptimistically they are starting out from Holland with automobiles to different fields of endeavor.

Holland, it will be remembered, has a new concern called the Safety Release Clevis Company, which purchased the old Seif brewery and is making a device used in connection with the tractor cultivation. It is a sort of coupling that attaches the tractor to the plow, the evenor or any other agricultural device used on the farm.

The clevis is so constructed that whenever the plow or other machinery strikes a covered up stump, a boulder or any other obstacle the extra pulling pressure caused thereby automatically releases the clevis from the machine and the implement is not pulled to pieces because of the enormous power of a tractor.

Anyway this bunch of students are going to different states to introduce this Holland device, and dressed in brand new overalls, and each with a "Lizzy" they are starting out Monday.

Gerald Slagh and H. Milton Boland are going to Ohio, and William De Ruiter, Clarence Laman, Elwood Geege, Harry Bruwink and Martin Cupery are going to Wisconsin.

Another young man, altho not a Hope College student is also going to make a raid on the agriculturalists. He is Ben Wierda who is going to Indiana.

BODY OF NEW BORN BABE IS FOUND IN ALLEGAN CEMETERY

A new born baby was found in the Oakwood cemetery at Allegan by Sheriff Hare. The baby was only a few hours old and had a cord around its neck. A coroner's jury was empaneled and adjourned for one week for further investigation. No arrests have been made.

BIDS FOR BOULEVARD LIGHT SYSTEM WILL BE IN SOON

Now that the business men have assured their share of the boulevard lighting system, the installation of that system will soon be a fact.

Electric fixtures companies are sending Holland sample poles and standards of the latest designs, unasked for, and as a matter of advertising their wares. One arrived a few days ago which is very ornamental and attractive. But the superintendent is going to be slow in making his selection.

He is looking with an eye to the future, having in mind durability, and standardization, and at the same time, beauty will not be forgotten. Because the city wants nothing but the best in all these things, the Board of Public works is not going to worry about one or two weeks. Mr. Champion stated however, that Holland will have a boulevard lighting system before the summer is over, and after it has been installed, the entire city will be pleased with the new lighting arrangement.

A representative of this paper within the past few weeks has come in contact with a great many Holland citizens who have been away for a number of years, and who have returned to make Holland a visit.

They can't say too much of their home city until you approach them of the subject of boulevard lights.

There they say, Holland is falling down. Then they go on and tell you how every city of any importance of a thousand population and up, whether it be east or west, can boast of a boulevard lighting system, and now that Holland is going to have one, they are pleased over the progressive step taken by its citizens.

The Welding Shop of H. Vander Pels was the scene of a near tragedy Wednesday. The Sin Clair Oil Co. of Holland conducted by Vanden Brg Bros. sent one of their tank wagons to this shop in order to have a leak repaired in one of the compartments.

So that all the gas might be eliminated, the compartment was filled with water overnight, and repairs were made in the morning by Martin Jansen who did not know just how to get at it.

When the welding torch was applied, the tank gave way, and the fact that the men had stepped aside for a few seconds saved his life. Notwithstanding this fact, he is considerably injured.

The windows in the buildings are all shattered and a large cement block used in welding, was blown out of the door across the street landing on the fender of a Chevrolet car that was parked there.

WILL MAKE AUTO TRIP TO CALIFORNIA

Miss Olive Bertsch, daughter of Mr. and Mrs. Frank Bertsch of the North Side, will leave Tuesday morning on an automobile tour to California. Miss Bertsch will make the trip with Mr. and Mrs. John Doty of Munising, Mich. Mr. and Mrs. Doty have been the guests of Mr. and Mrs. Bertsch the past week and they will go to California to make their home there. Miss Bertsch expects to return late in the summer by rail.

The auto trip will be made via the northern route and stops will be made in such places as Yellowstone Park and other interesting spots on the way. Miss Bertsch during the past year has served as principal of the school at Spring Lake.

OTTAWA COUNTY BANKER IS HIGHLY HONORED

B. P. Sherwood, president of the Grand Haven State Bank has been elected vice-president of the Michigan Bankers association, which recently closed its annual convention in Detroit. The session was one of the most important ones ever held and present business conditions formed one of the chief considerations. Mr. Sherwood's election to the office of vice-president is an achievement of considerable honor in state banking circles. Mr. Sherwood is the brother of Mrs. W. J. Garrod 94 West Thirteenth-st.

FRUIT GROWERS JUBILANT OVER FREIGHT RATE CUT

Actual reductions of from 20 to 38 1/2% in the freight charge on boats carrying Michigan fruits and vegetables to Chicago have just been received by Traffic Manager F. E. Coombs of the Michigan State Farm bureau. The greatest cut is on less than car lot shipments of apples. The reductions are on lines of the Goodrich Transit Co. but other transportation companies are expected to soon follow suit.

PRETTY WEDDING AT CENTRAL PARK

An unusually pretty wedding was celebrated at the home of Mr. and Mrs. J. Bowmaster at Central Park, when their daughter Theresa was married to Mr. Henry James Du Mez of Laketown.

The bride was beautifully gowned in white satin and wore a veil. She carried a shower bouquet. Miss Jeannette Koopman of Falmouth, Mich., was maid of honor. The groom was attended by Mr. Arthur Bowmaster, brother of the bride. Little Miss Ruth Mary Du Mez scattered rose petals in the path of the bride and Little

Miss Frances Koeman carried a lily containing the rings. Mrs. L. Kammeraad sang "O Promise Me," and Miss Laura Mannes played the Wedding March. The double ring service was read by Prof. Jacob Vander Meulen uncle of the groom.

The house was tastily decorated for the occasion and the guests comprised about 75-relatives and friends.

The couple have left for a wedding trip to Niagara Falls, Buffalo and other places of interest. Mr. and Mrs. Du Mez will make their home in Laketown.

Mr. and Mrs. Anthony Rosbach left Thursday for Chicago for a few days' visit.

Hay Fever Prevention

Health Talk No. 20

By JOHN DE JONGE, D. C.

The sting was never taken from the hay fever season until the efficacy of chiropractic spinal adjustments in this ailment was discovered.

Authorities agree that the infection was the flying pollen of summer. They also agree that about nineteen out of every twenty are entirely immune to the disease, and that all would be immune if the disease resisting power of the mucous linings of the air passages were of normal health and vigor.

When a full supply of nervous impulses are conducted over spinal nerve lines to these parts, the normal resistance is present. Chiropractic spinal adjustments freeing the nerve lines of interfering pressure, will restore normal health and vigor to these mucous linings. To prevent hay fever begin chiropractic spinal adjustments before your 'hay fever season' starts.

Suffers from Birth—Overcomes Tendency

"My daughter Ada was a sufferer from hay fever every year almost from her birth. In the midst of her last annual attack, which was so violent it caused a discharge from the eyes which necessitated washing them in warm water before she could see, we tried chiropractic and the relief was almost immediate. Before the disease had run its usual course she was well. Last year there was no return of the ailment." — Mrs. William Rubush, Chiropractic Research Bureau Statement No. 1221F.

D. A. R. MEMBERS HOLD THEIR ANNUAL PICNIC

The annual picnic luncheon of the Elizabeth Schuyler Hamilton Chapter D. A. R. was held at the home of Mrs. R. M. Waltz, Lakeside, Wednesday. A delicious two course luncheon was served on the lawn at one o'clock by the committee, Mrs. Clark, Mrs. Vanden Berg, Mrs. Garrod, Miss Cotton and Miss Beach. A short business meeting was called to elect delegates to the state conference to be held in Detroit in October. The afternoon was spent on the spacious porch and lawn. The members on leaving declared it one of the most pleasant meetings of the year.

WAS IN MILLINERY BUSI- NESS FOR 47 YEARS

After conducting her millinery establishment for more than 47 years, Mrs. Mary Fox of Zeeland has decided to retire from actively serving the public in this line, after having, during the past week, sold her stock and all other appurtenances thereto to Mrs. Grace Warren of Zeeland who will continue the business at the old stand.

BUSINESS CONCERN IN ZEELAND CHANGES HANDS

A deal was transacted in Zeeland whereby G. B. Dalman became the owner of a large building and all the frontage on Elm street belonging to Bert Tinkholt where he expects to continue the feed and grain business now conducted by Bert Tinkholt. In exchange for this property Mr. Tinkholt becomes the owner of the fine Dalman farm located just west of the Zeeland brick yards and also a house and lot and a store in Graafschap. John De Jong who has been in the employ of Mr. Tinkholt for several years has in turn bought the Dalman farm from Mr. Tinkholt and will occupy the place in a few weeks.

REFORMED CHURCH DON'T WANT ANY PRIZE FIGHTS

General Synod of the Reformed church holding meetings at Asbury Park, N. J. has just adjourned but before so doing the members expressed themselves against prize fighting, commercialized boxing and especially the Dempsey-Carpentier fight, was condemned by the general synod of the Reformed church at its session on Wednesday. A resolution was sent to the national government requesting the calling of a convention to take steps to decrease the armament of nations to the lowest possible limit consistent with safety.

Plans for incorporation of the Western Theological seminary at Holland were adopted and the institution was given the right to incorporate and handle its own funds and gifts received. The synod adjourned at noon.

NEARLY 200 AT TEND RECEPTION AT HAZELBANK

Friday afternoon from 3 to 5, Mrs. John Pierre Kolla, Mrs. August Herman Landwehr, and Mrs. Oscar Philip Nystrom entertained at Hazelbank, the beautiful summer home of A. H. Landwehr.

Nearly 200 ladies of Holland motored over and that they were given a royal welcome goes without saying. The beautiful home and grounds were thrown open to the guests and their every little want was looked after without delay.

Several young men from Hope College were delegated to look after the parking of the automobiles and a large number of young ladies daintily dressed for the occasion served refreshments to the guests.

In the receiving line were Mrs. Kolla, Mrs. Landwehr and Mrs. Nystrom. These heartily welcomed the guests upon their arrival.

One of the features during the afternoon was a program of music and readings.

The program follows below:—

Piano solo.....Mrs. Robbins
Vocal solo.....Mrs. D. B. K. VanRaalte
Reading.....Miss Ethelyn Metz
Piano solo.....Mrs. F. L. LaCaff

SCHOOL GETS \$500 FROM AN UNKNOWN FRIEND

The Board of Education of the School for Christian Instruction today received from an unknown giver the sum of \$500. The gift was a complete surprise and the giver not being known, the board wishes to take this opportunity publicly to thank the person who displayed this generosity.

The money came in the nick of time. The funds were unusually low at this time and the board was about ready to borrow money to tide them over, when the donation arrived.

NEW DOMINIE IS MARRIED IN CHICAGO, ILLINOIS

The Muskeron Chronicle has the following on the wedding of Mr. Elmer C. Kuizenga, a student at the Western Theological Seminary:

"Miss Evelyn M. Starks, daughter of Mr. John B. Starks, 108 Yuba street and Mr. Elmer C. Kuizenga, a son of Mr. and Mrs. C. E. Kuizenga, 37 West Isabella street, were united in marriage Monday, May 16, at 4 o'clock by Dr. Howard Agnew Johnson at his home, 3720 Grand Boulevard, Chicago.

"The bride wore her traveling suit of navy tricotine with a corsage bouquet of bride's roses, and was attended by her sister, Miss Edna E. Stark, Mr. Myron M. Broekema of Evanston was best man. After the ceremony luncheon was served to members of the bridal party in the Narcissus room at Marshall Fields.

"Mr. and Mrs. Kuizenga will be at home during the summer months at Sandy Hollow, Beach street, Lake Michigan park."

HOLLAND GIRL WEDS CHICAGO CHEMIST

Mrs. Osssewarde, 408 College Ave. announces the marriage of her daughter Ann Margaret to Mr. J. H. Stahl of Elgin, Ill. on June first. The bride was formerly a student at Hope college. She is a graduate nurse of the Presbyterian Hospital in Chicago and during the war served with Hospital Unit No. 3 in France. Mr. Stahl is a graduate chemist from Ohio State University. Mr. and Mrs. Stahl will make their home in Chicago.

MINISTER DIES AFTER OPERATION

Rev. Peter J. Marsilje, aged 43 years, died Friday evening in Blodgett hospital in Grand Rapids after an operation for gall stones. Rev. Marsilje was a native of Holland and spent his boyhood here. His mother still is a resident of this city. He graduated from Hope College in 1899 and after that took a seminary course. He held pastorates in the Reformed churches and later joined the Presbyterian denomination. His health broke down some years ago, and for some time he has been a resident of Holland, making his home on West 14th street.

The deceased is survived by his wife and one daughter, also by his mother and one sister.

Jay M. Dosker, a graduate from Hope College has joined the salesmen's staff of the bond department of C. M. Hurd & Co., investment bankers of Grand Rapids and is visiting Holland from time to time interesting investors.

Mr. and Mrs. John C. Woldring and Mr. and Mrs. John Klingenberg are motoring to Chicago. They expect to be gone for ten days.

TO TAKE VACATION AFTER FIFTY YEARS OF WORK

Mr. and Mrs. John Mulder of Zeeland will spend three weeks with their daughter, Mrs. Theodore Solter in Cincinnati. Mr. Mulder, who is 63 years old, will take his first vacation in half a century when he leaves for Ohio. During the past 12 years he has operated Zeeland's only book store and before that he conducted a machine shop. For a quarter of a century Mr. Mulder has been a deacon in the First Reformed church in Zeeland and he has also served as Sunday School superintendent for that length of time.

X-Ray Reveals Broken Vertebrae in Boy's Neck

Lindsay Van Tongeren, son of Mr. and Mrs. Harry Van Tongeren of Zeeland, who was so seriously injured while in swimming with several playmates some three weeks ago, was taken to the Holland hospital where an X-ray photograph was made of the injured part. It was revealed that three of the vertebrae in the neck had been fractured. Indications are that he will recover. Although recovery is progressing very slowly, he is now able to move both feet and hands, while at one time he appeared to be totally paralyzed.

STUDENTS EAT RICE TO HELP THE STARVING CHINESE

Thursday night the Woman's Literary Club rooms were a veritable little China, on the occasion of the 87th annual banquet of the Fraternal society. This flourishing organization of Hope college departed from the usual custom and dedicated its reunion this year to the millions of starving Chinese, foregoing the usual extravagant menu, for a simple fare of rice, chop suey and tea, as a symbol of their share in the burden of their brothers across the Pacific. A generous co-operation on the part of the Chinese caterer from Grand Rapids and Holland business men made the native decoration scheme a remarkable success.

Old Fraters from all over the globe gathered for this unique reunion. While the active members bore the brunt of the expenses, the alumni contributed generously to the gifts that will aggregate some \$150 as the result of the banquet. Dr. Samuel M. Zwemer, just returned from the Orient, was able to be present and respond to a toast. Dr. H. E. Dosker of Louisville, Ky., spoke of his trip around the world. Prof. W. Wichers and Rev. J. De Kraker also responded for the alumni, with exceptionally fine toasts, and Mr. DeWolf, as toastmaster, Messrs. Richard Blocker, D. Van Putten, and Theodore Yntema represented the active membership. Messrs. Teunis Prins and W. Bloemdaal varied the program with very pleasing vocal solos.

The Fraternal society is now in its 87th year, being older than Hope College, since it was transferred here from Union College in the 60s. Its membership numbers 32 and counts among its alumni men of national and world wide reputation.

BIG CUT IS MADE ON DODGE AUTOMOBILES

Announcement of reductions in the prices of all Dodge automobiles, effective immediately, was made by Dodge Bros. Wednesday. The Company merely announced reductions had been made, leaving determination of the amount of the cuts to local dealers.

The Venhuizen Auto Co., local dealers for the Dodge, announced today that the price cuts here on the Dodge would range from \$812 on touring cars to \$379.50 on sedans.

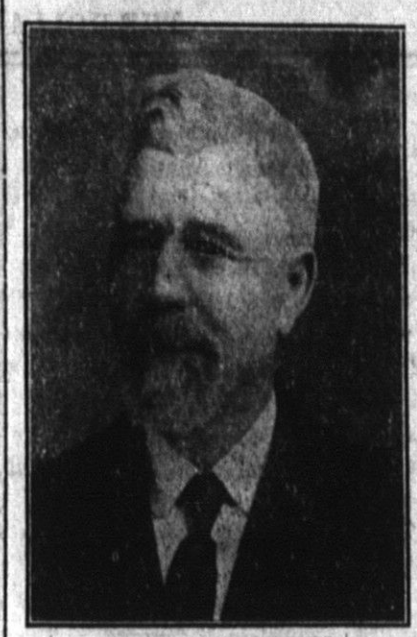

IS HONORED BY SOUTHERN UNIVERSITY

A new honor has been conferred upon Dr. John M. Vander Meulen, former pastor of Hope Church and former member of the faculty of Hope College. At the commencement exercises of the Southwestern Presbyterian University of Clarksville, Tenn., the degree of Doctor of Laws was conferred upon the former Holland man.

Dr. Vander Meulen during the past year has served as president of the Presbyterian Theological Seminary at Louisville, Ky. Before that he was pastor of the Presbyterian church at Oak Park Chicago, and before that of a large Presbyterian church at Louisville.

Mr. and Mrs. J. DenHerder are on a trip to Erie, Pa., where they will remain for two weeks. Erie is the birthplace of Mrs. Den Herder.

CELEBRATES HIS EIGHTY-FIRST BIRTHDAY

Jacob Heeringa, Sr., Jacob Heeringa Sr. is celebrating his 81st birthday today. Every year all his children gather at his home to help him celebrate the event. Mr. Heeringa is still quite active and enjoys good health. He can be seen almost any day on the streets in his Buick automobile.

Mr. and Mrs. Harry Van Zee of St. Louis, Mo., have arrived here and will spend the summer in one of Dr. W. P. Scott's cottages at Jenison Park.

DROPS DEAD FRIDAY NOON IN HIS BACK YARD

Succumbing suddenly to heart trouble, Martinus Bakker, aged 80 years, died Friday noon at 11:45 at his home, corner 17th-st. and Central avenue. Mr. Bakker was in his back yard when death came to him. It was close in the house so he had gone out of doors and was resting in the shade on a chair. He fell off the chair and when he picked up, life was extinct. Mr. Bakker had been ailing with heart trouble for several months.

He is survived by his wife and three daughters, Mrs. Frank Esenberg, Mrs. Fred Massie and Mrs. Frank Palmer. The funeral was held from the home Monday afternoon at 2 o'clock.

COUNCIL MEETING WILL BE RATHER SLIM TONIGHT

"Most of the important business that was to come up before the council meeting tonight will be deferred until Monday night because of the unavoidable absence of the mayor, three aldermen and the city clerk. Tonight was the night when the property owners on 7th St., that is to be paved, were to be heard.

There has been considerable controversy heard pro and con on the estimated cost of the street and this no doubt would bring them out in large numbers.

This hearing however will be postponed until Monday evening when property owners will be given the privilege to be heard.

There will be a special convocation of Holland Chapter, No. 143 R. & A. M. tonight at 7:30 in Masonic hall. Work in the fourth degree. All companions are urged to be present.

Born to Mr. and Mrs. James Kapinga, on East 16th-St., a son.

PROPOSALS FOR PAVING SEVENTH STREET

Sealed proposals will be received by the Common Council of the City of Holland, Michigan, at the office of the Clerk of said city, until 7:30 p. m. of Friday, June 17, 1921 for grading and for furnishing all material for and the construction of a concrete pavement on Seventh street between the east line of River Avenue and the west line of the Michigan Railway Co. Viaduct at Lincoln avenue in said city of Holland.

Each bid must be accompanied with a certified check for 5 per cent of the amount of the bid, payable to the Treasurer of the City of Holland.

Plans and specifications of the work are on file in the office of the City Engineer, and of the undersigned, City Clerk of said city. The Common Council reserves the right to reject any or all bids.

By order of the Common Council,
RICHARD OVERWEG,
City Clerk.
Dated Holland, Mich., May 20, 1921.
June 2-9-16 1921.

PROPOSED IMPROVEMENT OF SEVENTH STREET

Notice is hereby given that at a meeting of the Common Council of the City of Holland held Wednesday, May 18, 1921 the following resolutions were adopted:

Resolved That Seventh Street between the East Line of River Avenue and the West Line of the Michigan Railway Company Viaduct at Lincoln Avenue be improved and paved with cement concrete, and that such paving and improvement shall include the construction of the necessary curbing, gutters, manholes, catchbasins and approaches in said portion of said street, said improvement being considered a necessary public improvement; that such paving be done in accordance with the plans and diagrams and profile of the work prepared by the City Engineer and now on file in the office of the City Clerk; that the cost and expense of constructing such pavement, with the necessary curbing gutters, cross-walks, manholes catch-basins and approaches as aforesaid be paid partly from the General Street fund of the city, partly by the Michigan Railway Company, by special assessment, partly by the Pere Marquette R. Y. Company by special assessment, and partly by special assessments upon the other lands, lots, and premises abutting upon that part of Seventh street between the east line of River Avenue and the west line of the Michigan Railway Company Viaduct at Lincoln Avenue as follows:

Total estimated cost of surveying, plan, assessment and cost of construction \$41,998.77; portion of estimated expense thereof to be paid by the Michigan Railway Company by special assessment as determined and stated by the City Engineer \$109.63; portion of estimated expense thereof to be paid by the Pere Marquette Railway Company by special assessment, as determined and stated by the City Engineer \$10,103.76; balance of expense to be paid by special assessment \$31,028.44; that the entire amount of \$41,998.77 be defrayed by special assessment upon the lots and lands or parts of lots and lands abutting upon said part of Seventh street according to the provisions of the city charter; provided, however, that the cost of improving the street intersections where said part of Seventh street intersects other streets, be paid from the General Street fund of the city; that the lands, lots and premises upon which said special assessment shall be levied shall include all the lands, lots and premises abutting on said part of said street in the city of Holland; also the street intersections where said part of Seventh Street intersects other streets; all of which lots, lands, and premises are herein set forth, to be designated and declared to constitute a special assessment district, to defray the part of the cost of paving and improving part of Seventh street in the manner hereinbefore set forth said district to be known and designated as the "Seventh Street Paving Special Assessment District" in the City of Holland.

Resolved, that the profile, diagram, plans, and estimate of cost of the proposed paving of Seventh street between the East Line of River Avenue and the West Line of the Michigan Railway Company Viaduct at Lincoln Avenue be deposited in the office of the clerk for public examination, and that the Clerk be instructed to give notice thereof to the owners of the lands, lots and premises affected by the proposed paving, by publishing notice of the same for three successive weeks, that Wednesday the 15th day of June A. D. 1921, at 7:30 p. m., be and is hereby determined as the time when the council will meet in the council rooms to consider any suggestions or objections that may be made to said assessment district improvement, diagram, profile and estimate of cost.

NEW DEGREE IS CONFERRED BY HOPE COLLEGE

TITLE OF "BACHELOR OF DIVINITY" IS AWARDED TO THREE MEN

For the first time in the history of Hope College the degree of Bachelor of Divinity was conferred by the council of that institution this year. This degree was provided for last year and this year it was awarded to three men. It is not

an honorary title, but is bestowed by the council in recognition of certain prescribed work done.

The candidate for this degree must have the degree of Bachelor of Arts from a recognized institution. In addition to that he must have completed three years of work in a divinity course, and in addition to that he must have completed certain prescribed courses of study passed on and approved by the council of Hope College. The degree this year was conferred on Mr. John R. Mulder of Holland, member of the graduating class of Hope College in 1917 and of the Western Theological Seminary in 1921; on Arba James Dunewold, of Holland, who graduated from Hope in 1918 and from the Seminary in 1921; and on Gerrit Timmer of Holland, also a graduate of Hope in 1918 and of the Seminary in 1921.

HOLLAND-G. H. GAME BEST OF SEASON

PLAYED TEN INNINGS WITH A TIE SCORE OF SIX TO SIX

More than a hundred fans went to Grand Haven last night to see the twilight game between the locals and the county seat team.

They were planning for a good game, but all state that they never expected to witness one as good as was played with a tie score in the tenth inning with the game called on account of darkness. A report is given below by Spriggs:

Holland. 2 0 0 1 2 0 0 1 0 0—6 12 3
G. H. 1 1 0 1 1 2 0 0 0 0—6 10 3

Batteries—Rinkus, Steggerda and Spriggs; G. H. Mullis and Martin.

Above is the score by innings of last night's contest at Grand Haven which ended 6 to 6 in the tenth due to darkness. It was a game full of spectacular and hair-raising plays, the hitting of both teams featuring.

Holland scored two in their first turn at bat on hits by Spriggs and Woldring, a squeeze play pulled by B. Batema and an infield error.

In the fifth G. Batema caught a fast one and sent it sailing high over the left field fence for a home run. Again in the 5th Spriggs led off with a Texas leaguer over third and scored on Woldring's double to deep center. Woldring scored a minute later when Japinga hit a teasing bouncer to first which hopped thru the first sacker's hands allowing Woldring to score easily.

The locals' last score came in the eighth when G. Batema walked and scored on Shaw's infield hit thus tying the score and forcing the game into an extra inning.

Tripp first up for Grand Haven soaked a four sacker over the right field fence. Another run was pushed across in their second on a hit and Spriggs' wild heave to third. In the fourth Westerhof hit for four sacks over the left field fence which tied the score. In the fifth another run was produced on two hits and another bad peg. In the sixth Grand Haven forged ahead when two runs were scored on a hit batsman, base on balls and two hits.

Steggerda replaced Rinkus on the mound in the seventh. Rinkus was pitching nice ball but the cloudy condition favored Steggerda's speed. Two hits were made off his delivery in the last four innings. The Havenites almost gained the victory in the last of the tenth when the first batsman hit safely, was sacrificed to second reached third on an error. The squeeze play was attempted at this point. Ingham however fielded the ball perfectly catching the runner as he slid into the plate.

This ended the best and hardest fought game of the season and the some hundred of fans from Holland went home happy at the result on the visitors' battlefield. Today at 6 o'clock the Independents play Allegan on the Allegan fair grounds. Many fans will accompany the team.

The government training ship "The Hawk" steamed into the harbor Monday night and anchored off Jenison Park. Many of the members of the crew were on shore leave on Tuesday and spent part of their leave shopping in Holland and seeing the sights here.

"The Hawk" towed a German U-boat that had been moored at Chicago and sunk it beneath the water of Lake Michigan. And while out on that little piece of business they came into Holland harbor for a day.

The Ufflas club of Hope College rendered their annual Dutch program Monday evening at Carnegie Gymnasium to a large and appreciative audience. The club has been working diligently under the direction of Prof. A. Raap and was well pleased with the success. Prof. Raap also made the opening remarks.

CLASS OF 1896 PRESENTS FLAG POLE TO COLLEGE

Dedicatory exercises were held Tuesday afternoon for the large flag pole that has been erected upon the Hope College campus in front of the Graves Library. The pole stands 75 feet above ground and was presented by the class of 1896 upon the 25th anniversary of their

graduation. Two of the members of the class, Dr. E. D. Dimment, the president of the institution, and Dr. John N. Vander Vries, secretary of the U. S. Chamber of Commerce, were present at the dedication of the gift.

The exercises were opened with the singing of our national song, led by Dr. J. B. Nykerk, after which the president of the college made the opening remarks and introduced Dr. John N. Vander Vries, who made the presentation address. The speaker assured the audience that after 25 years of absence, the members of the class of 1896 were more loyal to Hope than ever before, and presented the memorial in honor of Rev. H. J. Wiersum a missionary who died while in service in Arabia. Rev. G. De Jonge, president of the college council, gave the address of acceptance of the gift, and pointed out the appropriateness of such a gift to a school that is preparing men and women, both for the church and state. Another member of the class, D. C. Ruigh, of Nagasaki, Japan, also unable to attend the exercises, was represented by his daughter, Miss Jennie Ruigh, who accompanied by Miss Henrietta Keizer, sang "America, the Beautiful." The boy scouts of the city, in charge of Wells Thoms, raised Old Glory to the top. As expressed by the president of the institution, the members of the class of 1896 are looking forward to another quarter century anniversary.

The exercises were well attended by the faculty, students, alumni and friends of Hope college.

REUNION HELD OF THE HOPE COLLEGE ALUMNI

The Alumni Association of Hope College held its annual banquet at Voorhees Hall Tuesday evening. Rev. C. P. Dame, the retiring president of the association was toastmaster. Speakers representing "Decade Classes" responded to toasts. Rev. John Hoffman of Holland responded for the class of 1871; the Hon. G. J. Diekema for the class of 1881; the class of 1891 was not represented; Rev. James Wayer of Holland for the class of 1901; Rev. E. O. Schwitters of Grand Rapids for the class of 1911; and Peter J. Mulder, the president of the graduates of the present year for the class of 1921. The main speaker of the evening was Dr. John N. Van Der Vries of Chicago, Secretary of the U. S. Chamber of Commerce and a member of the class of 1896. His theme was the connection between education and business. Several musical selections were also rendered and highly enjoyed by the banqueters. Miss Helene VanRaalte

and Teunis Prins gave a vocal duet, and Miss Elizabeth Zwemer a violin solo. After the singing of the Hope song and the doxology the members adjourned.

The bountiful repast was served by the girls of the Y. W. C. A. About 200 members of the Alumni Association were present.

A business meeting of the Alumni Association of Hope College was held at Winants Chapel Tuesday afternoon, at which the election of of-

ficers for the ensuing year was held. Rev. C. H. Spaan of Grand Rapids was elected president; Rev. Jacob Brouwer, vice-president; Rev. Paul E. Hinkamp, the pastor of the college, secretary; and Dr. E. D. Dimment, treasurer.

Besides the election of officers several questions of importance were considered. The campaign that has been held for the alumni chair of philosophy fund was heartily endorsed.

Winter Quarters

Winter months are months of luxury for horses. They do little and eat heavily at this season.

But the Fordson eats only when it works and its belt power is useful for feed grinding, sawing, pumping or other winter jobs.

And in the spring, as soon as the ground is fit, the Fordson and the Oliver Plow complete the plowing job promptly and economically—two very important factors to be considered now—in the interests of better crops. A full line of Oliver Plows is built specially to use with the Fordson in all soils.

"Oh! You Beautiful Doll!"

With apologies to the popular song writer.

Anyway, the little child does utter an exclamation of "Oh!" when it passes by the Winstrom Electric Co. window and sees that doll which really is a beauty.

Many a little girl pulls harder on Mamma's hand and says, "Oh! Mamma buy me that", pointing longingly at the big doll baby in the window.

There is a Way to Get That Doll

Here you have it:

Any child bringing in, before July 1st, the longest list of names and addresses of Mamma's who do not own an Electric Washing Machine, will be given this fine all dressed up Dolly in the show window.

Now Make a Try for It!
