Four Liberated Prisoners Come Home for 60 Days

Evarts, Kammeraad
And De Waard in Same
Camp But Did Not Meet

Two bomber pilots, a gunner and an infantryman who were held prisoners of Germany for several months were back at home today for 60-day furloughs after living through experiences that would fill volumes. The volumes, however, will likely go unpublished since all the men seemed more anxious to forget than relate harrowing tales.

The eagerly welcomed men were Lt. Donald R. De Waard, B-24 Liberator pilot who arrived last Thursday morning; Lt. James J. Evarts, Jr., pilot who arrived Wednesday, June 6, T/Sgt. George A. Wolters, top turret gunner and crew chief who arrived here Thursday night; and Pfc. Herbert J. Kammeraad who returned here May 26.

Although confined to the same camps and liberated the same day at Moosburg, De Waard and Evarts never met. Kammeraad also was at Moosburg but was outside of the camp at the time it was liberated and was one of the first to be moved to France. He said the only Holland man he met there was Sgt. Harvey Van Tubergen.

De Waard bears scars on his left hand and head as the result of flak wounds when his Liberator was hit May 29 on his 15th mission near Vienna and he was forced to bail out. For many months he was confined to the large camp for air corps officers at Stalag III near the Polish border, and early this year was marched with other prisoners finally ending up at Moosburg about 350 miles away.

He said he marched about 60 miles and made the rest of the trip in boxcars. He said tribute to the Red Cross for the "life-saving" weekly food packages, and clothing. He said he lost about 20 pounds which he has regained. His parents, Mr. and Mrs. C. De Waard, reside at 261 East 13th St. Evarts who lost 50 pounds while held a prisoner was welcomed by his wife, the former Groeneveld, and their 12-year-old daughter Nancy, 113 West 11th St., when his train pulled in Wednesday night. They are at present spending a few days in Grand Rapids with his parents, Mr. and Mrs. James F. Evarts, Sr. A pilot on a B-24, he was shot down last July 3 near Yugoslavia, suffered a sprained ankle and kept hidden three days before being captured. He had flown first to Brazil, then to North Africa and arrived at his assigned base in Italy two weeks before he was shot down.

Kammeraad, 22, was taken prisoner last Sept. 6 when his infantry company was cornered in France. He spent most of the time at Stalag 7A at Moosburg and was one of the first to be shipped out of there, arriving home here in less than a month. He spent some time in France gaining back most of the 15 to 20 pounds he lost while in Germany. De Waard and Evarts as AAF officers did not work as prisoners but Kammeraad did some railroad work. From here he will report to Hot Springs, Ark. His parents are Mr. and Mrs. Herman Kammeraad, 320 West 20th St.

Holland M.P. Personal Guard on Doolittle Visit

A Holland M.P. served as personal guard to General Jimmy Doolittle for the big reception for Doolittle and Patton in Los Angeles, Cal., last Saturday, it was learned today.

Pfc. Paul Wiersma, who was transferred to Los Angeles last November with the M.P.'s from Fort Brady, wrote his parents, Mr. and Mrs. Nick Wiersma, Fairbanks Ave., that he and an FBI man guarded Doolittle's room and watched the door after the general and his wife arrived. He said Doolittle was particularly gracious, always speaking when he went in or out and Mrs. Doolittle in one occasion came out to share a box of candy.

Wiersma and his wife, the former Mildred Elenbaas of Zeeland, live in an apartment in Los Angeles.

Awards Are Presented At CHS Commencement

Awards, including six new ones by the Alumni association, were presented seniors at the Christian High school graduation exercises in Central Avenue Christian Reformed church Tuesday night.

The new awards, a pin and \$10, went to Miss Fern Brat, commercial study; Miss Elizabeth Sjaarda, language; Miss Kathleen Kragt, mathematics; Miss Ruth Kaasboek, music; Martin Stegink, science; and Miss Elizabeth Kamp-huis, social science.

Miss Joyce Branderhorst was given the Calvin college scholarship.

Citizenship pins were presented to Miss Kathleen Kragt and Gordon Spikman. The senior essay contest was won by Miss Elizabeth Kamphuis, first prize of \$5, and Miss Joyce Branderhorst, second prize of \$2.50. Topic for the essay was "William Penn, His Contributions to American Democracy." The Anne Holkeboer Bible award was won by Miss Branderhorst and the Henry Huizenga Bible awards were presented to Misses Jo Anne Kool, Helen Kragt and Caroline Van Dam and Gordon Spikman.

The awards were presented by Raymond Holwerda of the faculty. Gordon Spikman, president of the senior class, presented Dr. Walter De Kock, superintendent, the class memorial, a check for \$1,200 to be used for a new lighting system in the high school building.

"Tonight is an occasion that we have looked forward to for a long time. This is the culmination of study and fun which marks high school," Miss Kamphuis said in her valedictory to the graduates, students, teachers, parents and friends attending the exercises.

God dominates every sphere of life, she continued, and though there are many disappointments in life, the triumphs outweigh them.

"Tonight we join the ranks of alumni... and the future waves before our eyes." "But," she said, "the Christian training they received stands them in good stead and we face the future without fear." "Our parents have led us across the way, our teachers have been our friends and helpers for

four years." She expressed gratitude to board members and challenged classmates to live lives that will reflect the glory of God.

Miss Branderhorst, salutatorian, spoke on the class motto "We Have Crossed the Bay; the Ocean Lies Ahead."

"All life is like a voyage," she said. She thanked parents and teachers for help in crossing the bay and plotting the course to the eternal Haven and said the teachers served as a guide book. "We have come to the point where we must choose our own course and although there are different ways of reaching the Haven of Rest we all will be seeking the same destination."

Diplomas were presented to the 59 graduates by Dr. De Kock. One member, John Spikman, with the navy at Great Lakes, could not attend. Dr. De Kock in presenting diplomas said there are two important things on a ship: First is a compass which helps keep accurate direction. "In your life that compass is God's holy Word and that compass will ever direct you—keep your life on an even keel," he said. The second important thing is the necessity of a good pilot. "Christ must be your pilot if you are to steer on a straight course. Be true to God's command and be loyal. Christ is your pilot," he concluded.

Paul Holkeboer, a member of the graduating class, played the organ prelude, "Priere a Notre Dame," the procession "Pomp and Circumstance" and the postlude "Onward Christian Soldiers" and "Stand Up, Stand Up for Jesus." The invocation was given by Rev. M. Vander Zwaag and closing prayer was offered by Rev. J. M. Dykstra of Zeeland.

The chorus, under the direction of Marvin Baas, sang two groups of songs, "Oh, Sing Your Songs," "Ode to America," Noble Cain and "Dark Water" and "O Lamb of God." Musical selections were presented by members of the graduating class. Miss Ruth Kaasboek played a piano solo, "Sonnet to Petrarcha." Miss Kathleen Kragt played a flute solo, "Cantilena," and Miss Sylvia De Boe played two marimba selections "Largo," and "Go Forward."

Persons who were beaten with rifle butts by German guards and then carried by other prisoners, he said.

The provincial court which is similar to the state supreme court continued to operate much the same as before the war, although German guards and inspectors were around much of the time, he said. Since he lived in an agricultural community, Van Doremalen had enough food, but Claas gained back in this country the 30 pounds he had lost in Eindhoven.

The population in Vught was well aware of the atrocities in the Vught camp. Van Doremalen said, since many persons were forced to work on construction jobs. Some 30,000 Hollanders were confined at one time or another to the camp which from the outside resembled a holiday resort. When Vught was finally liberated in October, 1944, it was found that more than 13,000 Hollanders had been maltreated, murdered and burned. When the Allies approached, prisoners were moved swiftly into Germany. It was at this time that the commander got panicky and allowed many prisoners to escape. A remaining 450 prisoners were ruthlessly slaughtered.

Since Vught was in the fighting zone, the people spent more than three weeks in cellars, the marine said. Those who had no cellars in their homes stayed with friends or neighbors and it was not uncommon for three families to share a single cellar. The last letter Van Doremalen received from his mother stated people had gone back to their cellars due to robot bombs.

Although both studied English in their school classes, the two marines picked up all their "speaking English" in the four months they have been in this country. Although they appeal to interpreter friends at times to clarify certain words, they shift pretty well for themselves.

Learns Relatives in the Netherlands Are Dead

News of the deaths of two brothers, a brother-in-law and a nephew in the Netherlands was received by Mrs. Walter Smith, 93 East 22nd St., Wednesday, her first direct word from her family there since the Pearl Harbor attack.

Most of the deaths were due to starvation or illnesses caused by low resistance, according to the letter written by her sister, Mrs. William Kottelbrink, who lives near Amsterdam. The letter was dated May 17 and was mailed from England May 22 by a service man who had gone there on furlough.

The letter revealed that Mrs. Smith's oldest brother, Christian Bloemendal, 55, one of his numerous bicycle trips to Gelderland for food collapsed and died last February. In March, Mrs. Smith's youngest brother, Hendrick, 50, was stricken with typhoid fever and having no resistance due to starvation, died on March 23. His second son, Gerrit, 17, died on Easter Sunday of the same disease. The widow and nine children survive.

Mrs. Smith still has one brother and two sisters in the Netherlands whom she and her husband

hope to visit as soon as travel permits.

A brother-in-law, Johan Breukelaar, 58, died of cancer in June, 1942. Mrs. Smith had been informed of his passing in a Red Cross letter in January, 1944, but no details were included.

Another brother-in-law, William Kottelbrink, spent eight months in a concentration camp and was released in May, 1944. Mrs. Smith also learned that the numerous letters she had sent to the Netherlands had never been delivered.

She had attempted to inform the Kottelbrinks that Mr. Kottelbrink's brother was a Japanese prisoner. He had sent his wife and two children to the Netherlands in 1939 when he was transferred to Japan, expecting to retire in 1940. After being interned for two years, he was to be sent in 1942 to America but the steamer was captured and he was put into a concentration camp on Luzon from which he was released only recently by the Allies.

Mrs. Smith came to Holland in 1930 when the late G. J. Diekema, then minister to the Netherlands, returned for a visit. She was married to Mr. Smith, a native Hollander, here in 1938.

Rev. William Van Peursem has accepted the call extended to him May 8 by the Fourteenth Street Christian Reformed church, according to a letter received by the congregation of the local church.

Rev. Van Peursem was pastor of First Christian Reformed church, Denver, Colo.

Shortages Force Bakery Closings

Three of Holland's six retail bakeries have scheduled closings in the near future due to a shortage of sugar and shortening.

The French Pastry shop will close at the end of this week until July 5. E and T will close the last week in June and the first week in July and the Banner bakery will be closed next week.

And it was the general opinion among the bakery owners that the situation will get worse instead of better. There will probably be more and longer closings during the summer, they said.

Tony Last, a board member of the Associated Retail Bakeries of Western Michigan and ex-president of the organization, said that there was a severe shortage of shortening although most of the bakeries were expecting to be cut approximately 20 per cent for the next quarter—July, August and September. They now receive about 75 per cent of their 1941 consumption.

Three bakeries have not scheduled closings but they were pinched and there was a definite prospect that they would schedule closings in the near future if shortages persist. The Triumph Bakery shop will not close but Owner William Du Mond said unless he received shortening this week he would be forced to shut down for a time. Barbara Jean was remaining open during the entire week but it turns out pies and cakes only on Saturdays. The Just It bakery has not scheduled any closing.

Last said the shortening scarcity would effect cakes, cookies and fried goods most seriously.

In Owasco, United Press said, three of the four bakeries there were closed and would not be able to open until July.

Dr. R. J. Danhof preached his farewell sermon in Fourteenth Street church May 20 and is now pastor of Nelard Avenue church in Grand Rapids.

Local Group May Join in OPA Fight

John Hulst, president of the Holland Food Merchants association, today said the local merchants will meet Monday at 6:30 p.m. at Pine Crest to discuss support of a resolution adopted by the Michigan Retail Grocers and Meat Dealers association advocating open defiance of OPA community ceilings on fresh fruits and vegetables.

Hulst said the merchants felt strongly about what he said were OPA injustices on fresh fruits and vegetables and added that he believed the local organization might fall in line with the state association's resolution.

Hulst said the group also would discuss the possibility of closing meat markets here a few days a week due to the meat shortage.

Central Michigan grocers and meat dealers will meet tonight to discuss the resolution, according to a United Press story from Lansing.

W. R. Keasey, secretary-manager of the state association, said his organization will begin its protest program July 1.

Local organizations affiliated with the state association are being requested not to abide by community ceilings unless the OPA makes their application equitable, he said.

Keasey contends that OPA ceilings are creating injustice for large numbers of grocers and that they are directly contrary to basic price regulations. They are established, he added, on an arbitrary basis without regard to allowable mark-up over cost, normally provided in fixing price ceilings.

Keasey Ousted for Slap At Fruit Ceiling Prices

Detroit, Mich., June 14—Patrick McNamara, Detroit district OPA director, today ordered immediate dismissal of Willie Keasey as chairman of the Lansing war price and ration board.

McNamara said Keasey's service on the board was "detrimental to the best interests" of the rationing and price control program. Keasey has been a member of the Lansing board (local board No. 3) since its inception.

McNamara's order directed Keasey to turn over all government records and property to Board Supervisor Charles A. Brown immediately. Keasey is secretary-manager of the Michigan Retail Grocers and Meat Dealers association.

The Detroit OPA office said the dismissal followed publication of a resolution by the association saying that the group would not abide by community-wide ceiling prices on fresh fruits and vegetables. McNamara implied that the resolution represented Keasey's views as principal officer of the organization.

(In Lansing, Keasey said he would issue a statement after he had received official notice of his removal.)

Allotments for Canning Sugar Are Cut in Half

The local war price and rationing board was informed today that canning sugar for those who have not yet filed their applications will be issued here on the basis of 7½ pounds per person, compared with the 15-pound limit allowed before the temporary ban earlier this month.

New allotments will be made on the following scale: One person, eight pounds; two persons, 15 pounds; three, 25 pounds; four, 30 pounds; five, 40 pounds; six, 45 pounds; seven, 50 pounds; eight, 60 pounds. Sixty pounds is the new limit for any family compared with the former limit of 120 pounds.

Applications will be accepted at any time. Coupons will be mailed.

Rain Won't Stop Infantry Show in Riverview Park

Gates Closed Until
8 p.m.; Exhibit Set up
In Post Office Block

Rain or other inclement weather, unless very drastic, will not affect the "Here's Your Infantry" show in Riverview park tonight. In fact, rain is considered quite normal by the 65 infantrymen who have experienced about four favorable days in their appearances in 14 Michigan cities since May 14. Only once were they rained out—in Ypsilanti where a two-day downpour discouraged all would-be spectators.

Riverview park gates will open at 8 p.m. tonight and all persons are warned not to venture into the roped areas where demolition bombs and other "props" are planted. Michigan State troops and Boy scouts will assist local police in directing the crowds.

The program will get under way at 8:30 p.m. with a concert by the 28-piece 98th AGF band from Ft. Benning, Ga. At 9:15 p.m., or as soon as those attending Holland High school commencement arrive, the infantrymen will demonstrate and fire all types of infantry weapons. Then the attack on the Jap pillbox will be staged.

Realism will hold sway in this attack. In destroying the pillbox, the mission also is to wipe out enemy patrols, snipers, roadblocks and to capture prisoners for information. Sgt. Edward Condit will provide a running commentary over the amplifying system as the action progresses. Sometimes the battle is too realistic. Veterans were hurt on two occasions during the Michigan tour. The large pumper of the Holland fire department and a local ambulance will be on hand.

The infantry team set up an exhibit of infantry vehicles, weapons and other supplies in the post office block shortly before noon today and expected to remain there until 4 p.m. The band was to play.

Fifty bond salesmen consisting of college boys and Junior Chamber of Commerce members and their wives will be at the park.

The men who

North Shore Tops Wood Team, 2-1, In League Opener

Stu Baker's long home run over the centerfielder's head, deep into the "dark corner" of Riverview park gave North Shore a 2-1 victory over the Northern Wood Lumberjacks Friday night as the American Legion Baseball league got off to a fast start.

Today at 2 p.m. the Ford Phil-Hens are scheduled to clash with the Hart and Cooley Registers in the second league game.

Sam "Jumbo" Walsh of the North Shore Cubs and "Clubby" Zuverink of the Lumberjacks engaged in a pitcher's duel last night. Each allowed a run in the fourth but then Walsh settled down to hold the Lumberjacks the remainder of the contest while Zuverink served up a game-winning home-run pitch to Baker in the sixth.

The hit might not have gone for a home run had Ken Dykstra not misjudged the power in Baker's bat. He came running in a couple of steps but the ball was still on the way up and before he had time to turn around and get under it the ball was rolling way out into the centerfield corner. Baker crossed the plate before the ball was back in the infield.

Zuverink allowed the Cubs four hits and fanned eight men. Walsh allowed only two hits and fanned nine.

Probable pitchers in the Legion game this afternoon are Mart Stegink for the Phillies and Si Johnson for the Registers.

The Ford Phillies sounded warning Saturday afternoon that they would be a team to be reckoned with in the American Legion Baseball league as they hammered Ernie Victor of the Hart and Cooley team for 10 hits in chalking up a 5-1 triumph in Riverview park.

Victor, laid up with rheumatism for about four days last week probably wasn't as effective as he might have been but regardless of that his curve and drop were breaking well and he managed to fan 14 Ford batters.

But between those strike-outs the Ford boys were swinging at anything over the platter and their hits included a double off the rightfield screen by Jim Lampen and a triple off the leftfield stands by Austin Chamberlain.

Lefty Mart Stegink, on the hill for the Fords, was never in serious trouble as his keystone combination of Shortstop Howie De Jonge and Second Baseman Ronald Schipper pulled off two double-plays. He allowed only three hits.

Austin Chamberlain belted out two singles and a triple for the Phillies while Bud Wentzel cracked out a double and single for Hart and Cooley batting honors.

Humility Needed, HHS Grads Told

Rev. John M. Vander Meulen, minister of First Presbyterian church, Lansing, reminded Holland High school graduates attending baccalaureate services in Hope Memorial chapel Sunday afternoon that there is no more important lesson to learn in life than to "walk humbly in the sight of God."

Taking as his subject "The Exaltation of a Humble Soul," he said humility is not a popular virtue in the world today.

"The world urges upon us a proud, self-assertive attitude, but Christ says it will not work. He who sets out to enjoy life soon finds that self enjoyment defeats its own purpose. Unless you have humility in some form, you will not find happiness. Service to others and service to God lead to peace and contentment."

Making their first appearance in caps and gowns, the girls in white, the boys in maroon, the graduates were led in a procession by members of the chapel choir. Mrs. W. Curtis Shaw, head of the Hope college music department, presided at the organ.

Rev. C. A. Stoppels pronounced the invocation, read the Scripture and offered prayer. Selections by the choir under the direction of Miss Tricie Moore were "Onward Ye Peoples," "Sibelius," and "Salvation Is Created," "Tschernokof," Mrs. Snow played "Intercession," Bingham, as a prelude, and "Prædium in B Minor," Bach, postlude.

Members of the board of education were seated on the platform with Supt. E. E. Fell and Principals J. J. Riemersma. Baskets of iris, syringa and daisies decorated the chapel.

Graduation exercises will be held in the chapel Thursday at 7:30 p.m.

Van Dommelen Writes of Experiences in Europe

With the relaxation of censorship in the European area, many local families are getting detailed reports of experiences in the war area.

Indicative of this is the letter dated May 24 which S. Sgt. Charles E. Van Dommelen sent his father, Peter Van Dommelen, Sr., from Schottery, Germany, in which the sergeant traced his experiences since leaving the United States the latter part of November, 1944.

His detailed letter read in part: "Our advanced party was awakened the latter part of November on a cold snowy midnight and taken to a pier where the men with their equipment found it difficult to walk up the gangplank. The compartments were not separate rooms as one might think but sections assigned to troops from different units. This made it simple to locate whole groups of soldiers if it became necessary.

"On the first of December we were on our way and enjoyed two days of calm water. The third day out we hit some rough weather. Nothing exceptional to one who has spent so much time on the lake, but for those who had never been on the water before, it was a sad experience. One of my best friends had never been on the water and always had a fear of boats. He got a good case of sickness and didn't recover until we landed.

"We didn't know where we were headed and began to speculate on the subject after we were a few days out. From our heavy clothing and woolen caps, we finally stripped down to open shirts, no hats or gloves, etc., and we knew then we were going south. Later on, we found out that our route had been down off the coast of Spain and up through the Bay of Biscay, the English channel and finally to England.

"We docked at South Hampton. From this port we drove quite a long way and on Dec. 13 at night under blackout conditions we arrived at our camp in England. It was formerly a training camp for the Royal Berkshire regiment and was supposed to be one of the best in the UK. Well, the Americans have it all over them again. It comes to quality. I really believe old Camp Shelby with all its wear and tear from training men for two wars is far superior to the English idea of comfort.

"We left England Jan. 21 for Weymouth, this time in an LST. I enjoyed the LST more than I did the LaJone because the accommodations—meals and scenery were much better. It took quite some time to cross the channel since the boat often stopped at night or even in the middle of the day for precautionary measures. We passed LeHavre at night and how surprised I was to see so many lights. I couldn't believe this was a war zone.

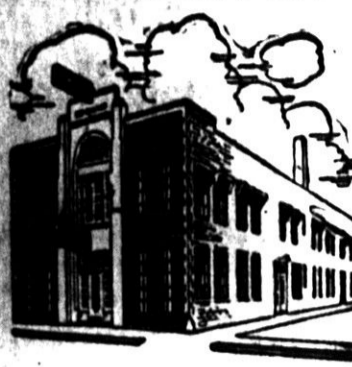

"We passed LaHavre, went down the Seine to Rouen where we docked and took a truck to La Hallitier 40 miles away. From there we drove 140 miles to an open field near Marchais where we lived in tents for one week and then traveled in trucks to Malmédy, Belgium, and then on to Ibertingen where we first saw action.

"Ibertingen is near St. Vith. I have never seen so much destruction in all my life. Everything seemed to be destroyed and I felt as though the bottom had dropped out of the world. At this time the bulge was still a threat and we were very cautious night and day for any sign of a breakthrough. Mines were always a serious problem to us whether we were on foot or riding in vehicles. It was here also that I saw my first dead soldiers—Germans. They had lain here a month or two and were just being found now that the snow was melting.

"From Ibertingen we moved forward and stopped at Bullingen. I learned here right on the spot to recognize by sound what shells were ours and what were the enemies'. There was a terrific explosion behind us and the captain and I ran to a pillbox. A few minutes later we learned that the spot where we had been standing was hit. That's my idea of divine guidance.

"From Bullingen we went through the Selgried line to Schorrenberg, and then to Altenberg and Schmitheim. At Sch

RULE BY A MINORITY

A well known Washington cor-
respondent has once more trotted
out the familiar contention that
33 members of the United States
senate may have it in their power
to keep America out of the world
security league that is now in pro-
cess of being formed in San Fran-
cisco. The senate is less than a
fourth as large as the house, but
it only a third plus one of this
small body of 96, or 33 members,
should refuse to endorse such a
league, there is nothing the house
or the government or the Ameri-
can people could do about it.

All that is plain and simple fact,
and there is nothing to be done
about it. It is provided for by the
constitution of the United States,
and that constitution is regarded
by the American people as almost
a sacred document. While it can
be amended, any such amendment
undoubtedly now would come years
to date for the present situation.
Whether we like it or not, we are
forced to accept the fact as it is.
It is obviously rule by a very
small minority. But before you
condemn such minority rule un-
reservedly, try to remember what
such men as Washington, Frank-
lin, Hamilton, Jefferson, Madison
and others had in mind who put
the rule into the constitution.
They were no totalitarian auto-
crats; their democratic wisdom is
recognized in most other respects.

Those founding Fathers knew a
good deal about human nature.
They understand that the will of
the American people at any given
moment is not necessarily the true
will of the American people. Amer-
icans, like others, are swept by
waves of temporary emotion. Un-
der the pressure of war emotion
they might be ready to subscribe
to many things in 1945 that they
would not dream of endorsing over
a long period of time. Like people
anywhere they need time to think
things out and to arrive at a per-
manent public opinion.

That was one of the main rea-
sons for the senate in the first
place—a body whose members are
subject to review by the voters
only once in six years. That gives
them a certain independence and
a certain courage to insist on the
long view. That, on the whole, is
wholesome and desirable. There
can be no doubt that in the pre-
sent San Francisco conference all
sorts of fantastically radical ideas
would have been written into the
charter if the fear of senate dis-
approval had not acted as a re-
straining influence. The senate is
naturally conservative. By reason
of its very organization. But we
need brakes in our government as
well as accelerators.

It is too late to do anything
about the situation now, and the
American people would do well to
think twice before they do any-
thing that will loosen those brakes
in the future.

THE CHURCH INVITES YOU

Every time you absent yourself
from worship you deliberately
cheat your own heart, and cause
your soul to shrivel. The church
also is injured—no absentee de-
finitely robs the entire congrega-
tion of potential spiritual strength
and vision. The early church had
the baptism of the Holy Spirit
only when "they were all of one
accord in one place." More than
that the absentee causes the pro-
gress of the kingdom of God to be
retarded. Omit one brick and the
structure is not complete. Then,
too, surely the heart of God is
pained by the careless, indifferent
willful absentee.

Why not accept the invitation
and go to church next Sunday?

Lesson

June 17, 1945
The Church Begins Its Work
Acts 5:29-35, 33-40, 42
By Henry Geerlings

Today's lesson emphasizes three
great facts. The first is the resur-
rection. This is the most chal-
lenging fact of history. It is a
miracle of such tremendous qual-
ity that all the other miracles of
the gospel story pale beside it in
significance. Time was when
a preacher on Easter morning
would have given himself to build
up arguments for its truth. And
there are many arguments which
could be brought forward. There
is the argument of the New Testa-
ment book. You cannot account
for this book except of the fact of
the resurrection of Christ from the
dead. There is the argument
of the New Testament men. You
cannot account for Peter and Paul
— the difference between the men
they were and the men they be-
came—except by way of a miracle
and that miracle is the miracle of
Christ risen. Their whole life and
personality became what they
were because their hearts were
kindled by the vision of the risen
Christ, as flame is caught from
flame.

But there is not so much need
today to argue against it. They
used to close up the universe
against the possibility of God and
deny any value to spiritual expe-
rience outside their own explana-
tion. They have given up this
line of argument. Life is far too
wonderful a thing for any man to
reduce it to a system.

What we ought to be concerned
about most of all is not the truth
of the resurrection, but the mean-
ing of it. What tremendous pow-
er was it that lay behind it? What
was it that was happening there
in that sealed tomb from which
Christ came forth at last, glorious
in His risen life? The answer
in the Bible gives us, in
answer after phrase, is just this.
It was a creative act of God. It
was a new revelation of the living
power of the living God. That, it
says to us, is the kind of God with
whom we have to do. We had
learned that He is a God of right-
eousness and truth so unbending
that Christ went to His cross
rather than yield before the forces
of the world. And we had learned
that He is a God of love. That is
the message of Calvary. But
when Christ rose again we learned
that, that the spirit of right-
eousness and love is also the secret
of power, able to unlock the
gates of death.

The second fact is the forgive-
ness of sins. The fact that our
gospel is primarily and essentially
a gospel of forgiveness is written
large across the face of our sacred
records. And this gospel of for-
giveness meets the world's deepest
need. The bottom evil of the
world is not poverty, nor ignor-
ance, but sin. What it suffers
from is not an unenlightened
mind, but an uneasy conscience
and a polluted soul. And it is
with this, the world's greatest
need, that forgiveness deals and
deals effectively. Forgiveness is
not simply a promise. Men do re-
ceive from Christ the remission of
their sins. We have the experi-
ence of countless multitudes who
know themselves forgiven, who
rejoice in the conscious posses-
sion of the love and favor of God
to warrant and justify us in our
faith when we say, "I believe in
the forgiveness of sins."

The third fact is Gamaliel. In
the New Testament he appears
twice, and both times in a most
interesting way. First, he is the
second place when the apostles
were arrested very soon after
Pentecost for preaching Christ in
Jerusalem, he, a member of the
Sanhedrin, before which they
were brought for trial, uttered a
memorable plea for toleration and
delay of judgment.

He was the grandson of the
great scholar and teacher Hillel,
and he belonged to the same lib-
eral school as his great ancestor.
He was a Pharisee but he was not
trammelled by the narrow bigotry
of the sect. He rose about the
prejudices of his party. Our im-
pulse is to class him with the best
of the Pharisees, like Nicodemus
and Joseph of Arimathea. Candor
and wisdom seem to have been
features of his character. He was
held in honor of all the people. He
died 18 years before the destruc-
tion of Jerusalem and was buried
with great honor.

Want a Good Haircut?
Don't Read in Chair

Pontiac, June 14—A resolution
discouraging the practice of read-
ing in the barber chair won the
overwhelming support of the State
Barbers association here.
"No one would think of reading
a newspaper or magazine while
getting a tooth pulled," one dele-
gate said. Others pointed out the
practice is just as annoying to bar-
bers as it would be to dentists.
Readers stiffen their necks.

A deal was put through this
morning that will mean an addi-
tional pay roll in the neighbor-
hood of \$350 a week for the peo-
ple of Holland. As a result of
this deal, engineered by C. S. Col-
lins, the smokestacks of the North
Side Gelatine Works are again
smoking and there is employed la-
bor for a small army of men, ac-
cording to a story appearing in
the Tuesday, Jan. 27, issue of the
Holland Daily Sentinel published
in 1914. The deal consists in the
reorganization of the Gelatine
plant, the property having been
taken over by the Clarkson Com-
pany of Chicago. The name of the
plant in the future will be "The
Clarkson Gelatine Works."

more than \$150 and after the ex-
penses have been paid, there will
be about \$125 left as a playground
fund.

Tomorrow the exhibition of pic-
tures will begin in the new high
school building and it will be con-
tinued for three days. The pro-
ceeds will be used for buying pic-
tures for the schools.

the birthday of Elizabeth R. Voor-

with fitting exercises at the col-
lege. The celebration takes the
form of an oratorical contest in
which two representatives of the
young ladies of the three lower
classes compete. The winner of
the contest becomes Voorries rep-
resentative in the Inter-Collegiate
contest. Miss Anna Kohn was
chosen last year at Abion on the
state contest and will enter the

"Give us a chance to get out
and we will stay as far away from
Ottawa county as we possibly
can" was the substance of what
the hoboes of Ottawa county said
to the hobo committee that was
appointed by the board of super-
visors at their last meeting. It is
the opinion of the committee, com-
posed of H. Van Tongeren of this
city, Mr. Nyland of Grand Haven
and Mr. Cook of Zeeland that Ot-
tawa county will no longer be
bothered with hoboes. The dose
of work that has been handed out
has proved even more effective
than the supervisors had dared to
hope. The fact that hoboes are
mortal enemies of hard work was
again demonstrated. This news
story appeared in the Thursday,
Jan. 29 issue.

down the thin crust that covered
the lake and one after another the
shanties went down. Some of
them were built at a cost of from
\$20 to \$50.

Allegan Trounces Flying Dutchmen, 9-5, at Riverview

Clyde O'Conner yielded 11 hits, gave up four walks and hit four batters Thursday night in Riverview park while his teammates committed six errors behind him, handing Allegan a 9-5 victory.

There was little doubt the Dutchmen were soundly beaten last night. Allegan started off with two runs in the first inning and added consistently to their lead after that. Holland made comebacks almost every inning but, weakened by the loss of three regulars,

didn't have the punch to carry them to more than one run an inning.

They hammered Chuck Lester, whom Allegan imported from Kalamazoo especially for the game, for 10 hits and as many as three in an inning.

Al Smathers, another Kalamazoo import, registered the blow of the evening with a 375-foot homer into the left-centerfield stands in the sixth inning with nobody on board.

Leading the Dutch hitting attack were Don De Pree, Al Van Meeteren and Wayne De Neff, each with two safeties.

Fell Pays Tribute To School Board

In his last official appearance before the board of education, Supt. E. E. Fell who is retiring after 35 years of service Monday night expressed his appreciation for the privilege of working with a board which he said is fully committed to the single purpose of serving the boys and girls of the city.

"One of the greatest services of this board has been helping to assemble a fine staff of teachers who feel they are treated right. Many times teachers have come here for less money than offered elsewhere because of the fine reputation the board has established in dealing with the teachers."

"I know you will give the new superintendent, Carroll C. Crawford of Ann Arbor, the same high type of cooperation. One of the greatest services a person can render to the community is to serve on the board of education."

It has been a real inspiration to work with you. May God bless you in your continued good work."

An election board of five members was appointed for the annual school election July 9 in the city hall. The election will be held 2 to 8 p.m. in the GAR room instead of in the first floor corridor, according to permission granted.

Serving on the election board will be Trustees A. E. Lampen, Margaret De Pree and C. J. De Koster, assisted by Mrs. Marius Mulder and C. Roos.

Three members will be elected. Retiring this year are A. E. Van Lente who has served nine years and John Olet who has served 12 years. The third member, Albert Van Zoren, resigned early this year when he moved to Kalamazoo.

The board also discussed the

issues involved in the proposal submitted at the May meeting in regard to changing from the semi-annual to the annual school system, and decided to table it until the next meeting when the new superintendent will be present. It was generally agreed, however, that the parents, teachers and school board members be thoroughly aware of the multiple angles before a decision is made.

Approval was given recommendations by the buildings and grounds committee headed by Trustee A. E. Van Lente for a partition in the office of Washington school similar to those in high school and junior high; ceiling insulation in Van Raalte school to aid heating in cold weather; and as much redecorating of interior of Junior High and Washington schools as can be accomplished in the summer.

The board also approved an increase of \$10 a month in the salary of Dr. Frances M. Howell for her work in the orthopedic room of Washington school. The increase in her salary was overlooked last month when other salary increases were approved.

The board approved the appointment of the Mahoffer, Moore, De Long and Kragt firm for the annual audit. Approval was given a recommendation by the committee on teachers for an extension of Dr. Fell's work until July 16.

Synod Commends Truman's Efforts In Peace Making

Buck Hill Falls, Pa., June 12.—The general synod of the Reformed Church in America in its 193rd annual session here commended President Harry S. Truman for his religious approach to the problems of peace-making and assured him of hearty support and its prayers in his patient and persistent work for a just and durable world order.

The synod also voted to celebrate the day of complete victory with services of thanksgiving and dedication to a just peace. An effort to condemn the mass bombings of Japanese cities was voted down by an almost unanimous decision. Synod also went on record against peace-time military conscription.

Delegates endorsed an active program of interest in marriage and the home. It urged that Mother's day be considered an appropriate time in speaking for marriage rather than against divorce and urged possible courses on successful marriage and the happy home.

Statistics revealed that 114 churches and missions were aided by the home board the past year counting almost 6,000 families and almost 12,000 in the Sunday school. Thirteen mission churches assumed self-support during the year. Income of the board was well over \$400,000.

Synod confirmed the appointment of Dr. Jacob Prins of Grand Rapids, synod president last year, as minister of Evangelism. The Reformed church is now one among 16 major denominations to make such an appointment.

Noting increasing Negro population in cities where the denomination is active, General Synod instructed the board of domestic missions to cultivate a fellowship among them and draw them into the activities of church life. More than 6,500,000 Negroes have left church circles in the last several years, it was reported.

The commission on army and navy chaplains reported 53 ministers in the chaplaincy, the denomination having met its full quota at all times. Two chaplains were killed in action, Clark V. Poling who went down with the torpedoed *Dorchester*, and Rowland A. Koskamp who was killed by Allied bombs after liberation from a prison camp in Germany.

At 11:30 a.m. they were called to the Henry Steffens home at 14th St. and Washington Ave. where the chimney caught fire as workmen were testing it for fume leaks.

The regular alarm at 12:20 p.m. took the firemen to the home of Mrs. Leonard Mulder 271 East 11th St., where a barn in the rear of the lot caught fire and burned a hole about a foot square in the rear wall. The fire was thought to have been caused by youngsters playing behind the barn. The blaze was put out by hand extinguishers. Mrs. Mulder's husband is in the service.

Reports of Standing Committee

Claims and Accounts Committee reported having examined claims in the sum of \$4,288,788 for the May 29th Payroll, and \$14,395.84 for the June 6th Payroll and Claims, and recommended payment thereof.

Adopted.

Street Committee reported recommending that a hearing be held on the application of the Christian Schools for the closing of 20th Street between Michigan Avenue and State Street. Committee recommended that the hearing on this be held on July 18, 1945.

In discussing this matter, the City Attorney read the Charter provision governing the vacating of streets and alleys which provides that when a date for a hearing is set a resolution must be passed by the Council which states that the Council deems it advisable to vacate said street before it is advertised for a hearing.

Some of the Aldermen were of the opinion that a date for hearing could be set without going on record relative to their wishes in regard to the vacating of the street. It was explained, however, by the City Attorney that this is not possible and unless the Council deems it advisable to vacate, then there is no provision made in the City Charter for setting a date for a hearing.

After quite some discussion on the matter it was moved by Alderman Mooi 2nd by Te Roller, that a vote on the vacating resolution be taken.

Since there was a division in the Council on this matter, Alderman Steffens called for a roll call, on a motion of Alderman Slagh, supported by Alderman Daiman, supported by Alderman Slagh, that 20th Street between Michigan Avenue and State Street be vacated and the hearing on said vacating be set for July 18, 1945, at 7:30 p.m.

The vote resulted as follows: Ayes: Aldermen Steffens, Bontekoe, Mooi, Streur, Damson, Slighter and Daiman—7.
Nays: Aldermen Te Roller, Harrington, Slagh, Meengs and De Pree—5.

Alderman Streur reported that he has had requests from people in the 4th Ward that a culvert be constructed in Ottawa Avenue to close the creek which is located on the boundary line between the City and the Township, and on motion of Alderman Streur, the matter was referred to the Street

was referred a request from the State Liquor Control Commission for approval on a transfer of the Tavern and S. D. M. license at 126 East 8th Street from Ray Hamilton, to Jack Ver Hey, reported recommending that such transfer be granted.

Adopted.

License Committee to whom had been referred together with the Civic Improvement Committee the application of the Sun Oil Co. for a permit to construct a drive-in service station to be located on the south side of East 8th Street, just west of the Klaassen Printing Co., reported recommending that such request be granted. The amount of the frontage on which the Co. has an option is 108 1/2 feet.

Adopted.

Alderman Mooi reported on behalf of the Public Building Committee that consideration has been given to the request of John Van Putten for permission to rent the voting booth on the S. W. corner of College and 19th Street. Mr. Mooi reported that since the Board of Public Works has points on this property from which they draw water for their 19th Street Pumping Station, he has taken the matter up with them and the Board requests that before the Council rents this property they would like to contact the State Health Department and get permission from them to use this property for such purpose.

Adopted.

Committee on Public Buildings reported recommending that they be given authority to get quotations on the cost of putting acoustical material in the Library rooms.

Adopted.

Civic Improvement Committee reported that the City Attorney has drawn up a supplementary agreement with the Architects—Kingscott and Associates of Kalamazoo, Michigan relative to their plans and specifications for a Municipal Recreation Building. The City Attorney then informed the Council on the principal provisions of this supplementary agreement which, briefly stated, provide that the Architects proceed with the completion of these plans with the understanding that before it can be financed it must receive a satisfactory vote of the property owners in the City of Holland, and further, for the services that will be done, the City agrees to pay not to exceed an amount of \$18,000.00.

Accepted and filed.

Agreement approved and the Mayor and City Clerk instructed to sign same on behalf of the City of Holland.

Clerk presented communication from the Board of Health recommending the approval by Council to a recent action of the Board in ordering sanitary sewer connections at 417 West 22nd Street

who has made a study of such matters over a long period of time; stating that he felt sure Dr. Dimmett would be happy to offer his services and make such suggestions as he felt might be helpful to the City officials.

City Clerk requested to contact Dr. Dimmett on this matter.

The other suggestion made by the Cemetery Superintendent that the entire Cemetery be put on a "care basis" requiring all lot owners to pay for care, necessitates an ordinance for enforcement. For this reason we suggest that this proposal be referred to the Ordinance Committee and the City Attorney for consideration.

In this connection, the Committee also suggests that the use of nothing but cement vaults be given consideration.

Adopted.

Reports of Special Committees

City Attorney reported that he has examined the Deed and Abstract whereby Mr. Harry Harrington is conveying to the City of Holland all of Lots—1, 2, 3, and 7, Block 14, Hope College Addition, together with a vacated alley, and finds that the title and abstract are good and recommends that the Council accept this conveyance as a good and merchantable document.

Adopted.

City Attorney also reported for information of the Council that the Committee which was appointed at a recent meeting of the Council to give some recognition to Supt. E. E. Fell, Superintendent of Schools, upon his retirement, reported that such tribute will be given Mr. Fell on next week Thursday, at Commencement exercises. (June 14, 1945.)

Swimming Lessons to Begin Soon in Ottawa

Swimming and life-saving lessons will be given by expert instructors in Holland and Grand Haven this summer when the Ottawa county Red Cross chapter conducts its water safety program at Ottawa beach, Macatawa park, Central park, Waukazoo, Grand Haven and Spring Lake.

Miss Virginia Dykhus of Holland, chairman of water safety for the local chapter, announced today that Miss Patricia Haskin, 205 East 15th St., and Miss Ruth Bartholomew of Chicago, both upperclassmen at Hope college, will direct the classes in Holland. Miss Dykhus, who directed the program here last year, will take charge in Grand Haven and Spring Lake.

The Holland program will get under way shortly after July 1 after Miss Haskin completes her training at the state aquatic school at St. Mary's in Battle Creek. Miss Bartholomew attended the national aquatic school at Okonowoc, Wis., near Milwaukee last August and is a qualified instructor. She took her senior life saving course under Miss Dykhus last summer.

Already 120 students are enrolled in the county compared with some 85 last year. The Grand Haven classes will get under way June 25.

The program will include classes for non-swimmers and swimmers, divided into groups according to age and ability. No charge will be made for the instruction, the only requirement for enrollment being written evidence of physical fitness and parental consent for students under 18 years. Although only advanced swimmers will be eligible for life saving certificates, all groups enrolled in the classes will learn how to effect drowning rescues.

All interested persons are asked to contact the Red Cross office at 6 East Eighth St.
