Board Supports Uniform Drive

The Board of Education Wednesday night gave assurance to a group representing the Boosters' club that aid will be given in purchasing new uniforms for the High School band. The club, consisting of parents of band and orchestra members of the public schools, had assisted the band in raising \$3,000 through a tag day Saturday.

The board specifically voted to match dollar for dollar from this point onward to a limit of \$2,000. Should the school organizations and the Boosters' club raise another \$2,000 through projects and appeals to industry, etc., the matching program would assure the needed \$7,000 for new uniforms. Director Arthur Hills said if measurements could be taken in the next week or so, new uniforms would be ready by fall. If measurements wait until fall, it would be next fall before new uniforms are ready.

Representing the parents were Paul Rathke, Mrs. Clarence Becker and Mr. and Mrs. Anthony Bouwman. The group reported that 250 letters appealing for funds have been sent to merchants, manufacturers and professional men. They announced plans for a big public ice cream social July 17, sponsored by the band. Hills also presented sketches and samples for the new uniforms and said local dealers have been invited to submit bids. He said 100 new uniforms are needed, costing between \$60 and \$70 apiece.

Supt. Walter Scott commended the parents' group for the fine work done on the tag day drive and envisioned considerably more that can be done by the adults such as encouraging practicing and private lessons, adding in transportation and housing details, and investigating music programs in other schools with a view to working on new music facilities for the school.

In other business, the board released Jack Rombouts from his teaching contract to allow him to

accept a new position as Junior High principal at Sault Ste. Marie. Rombouts has been with the local system four years.

No action was taken in signing the secondary school-college agreement plan which was discussed in detail at an informal meeting last week.

The board also approved a recommendation regarding non-resident elementary children. Beginning next September, no children whose parents live outside the city limits will be admitted to grades kindergarten through eighth grade, other than those presently enrolled. Hereafter, removal from the city disqualifies enrollment in city public schools. Letters will be sent parents of those presently enrolled informing them of the increase in tuition approved at the March meeting.

The building and grounds committee reported on purchase of several parcels of land including 31 lots from C. E. Becker at Washington and 31st St. at a price of \$26,510.24; another lot from Becker in the area at a cost of \$2,640; the purchase of 63 lots at 25th and Harrison from William Rottschaefer for \$30,000. The new property from the Beckers added to property already held by the board provides over 8 1/2 acres for the fifth elementary school. The Rottschaefer property plus what the board owns gives approximately 19 acres for a new high school site.

The board awarded a contract to Pennington Bros. of Muskegon for truck-pointing at Washington school this year. The board also accepted a bid from Smitter Co. Exterminator Termite Service to exterminate termites in the balance of the Junior High school building, the annex and the storage house at 65 West 16th St. for \$2,179.80.

The buildings and grounds committee also reported that all nine property owners in the Van Raalte district have been contacted and the property is now in the process of being appraised.

Phone Company Asks Permission To Boost Rates

The Michigan Bell Telephone Co. today asked for a general rate increase throughout its territory which would boost charges for residence service from one to three cents a day in Holland.

In its application with the Public Service Commission at Lansing, the company also asked that individual-line business service rates be raised a little less than seven cents a day. No increase was asked in long distance rates.

Under the proposed schedule, monthly rates in Holland would be increased as follows:

Residence Service
Individual line, present rate, \$3.50; proposed rate, \$4.40.
Two-party line, present rate, \$3; proposed rate, \$3.75.

Four-party line, present rate, \$2.50; proposed rate, \$3.20.
Rural line, present rate, \$3.50; proposed rate, \$3.75.

Business Service
Individual line, present rate, \$7.25; proposed rate, \$9.25.
Two-party line, present rate, \$6.25; proposed rate, \$7.50.

Rural line, present rate, \$5.25; proposed rate, \$5.75.
Andrew G. Sall, local manager, termed the proposed rate increase "essential if we are to continue to maintain a high-quality service."

Pointing up the company's progress in expanding and improving telephone service at Holland, Sall cited the more than \$1,000,000 spent for construction by Michigan Bell here from 1946 through 1952. He said other expansion and improvement projects scheduled for completion here this year will add another \$194,000 to that sum, bringing total post-war expenditures by the company for expansion and improvement in the Holland exchange to over \$1,300,000.

State telephone officials pointed out that more than half of the proposed rate increase would go to the federal government in taxes. They estimated the requested state rate increase would total about \$22,000,000 a year.

Clifford W. Phalen, Michigan Bell president, said prices for other commodities and service have risen about 90 per cent since 1940 while the cost of telephone service has gone up only 27 per cent during the same period. Since 1940 Michigan Bell's wages and taxes have risen \$60,000,000 while revenues have gained only half that amount.

Phalen estimated Michigan Bell construction expenditures will amount to more than \$40,000,000 a year for the next few years to meet demands for expanded service.

City Officials Give Program

A novel program was presented at the Exchange Club luncheon meeting Monday noon at the Warm Friend Tavern when City Manager H. C. McClellint introduced local administrative officers and each outlined duties connected with his department.

City Attorney James Townsend told how he represents the city in all matters corporal or criminal. He gives a written opinion on any special problem asked by any board and examines all contracts entered into by the city. City Clerk Clarence Greengood, clerk of the council, makes up motions and resolutions before each council meeting, records meetings and sends copies to all council members. He is clerk of the various boards of the city, collects fees, conducts schools for election officials and takes care of registration of voters, which now number 8,500 in the city.

City Treasurer Alden Stoner has charge of all tax collection. He said that for several years the collection rate in Holland has been 99 per cent.

City Assessor William Koop's principal duty is to place on the tax roll the valuation of all properties, real and personal. Evaluation is done according to a fixed formula. His department also sends out all tax bills.

At the meeting, President William Aldrich handed over the gavel to incoming president, Robert Notor. Other new officers are the Rev. John O. Hagans, vice president, and Adrian Klassen, Earl Price and C. C. Wood, board members.

Although construction was past the cornerstone laying stage, members of the Holland Fish and Game Club met Wednesday afternoon at the site of their new clubhouse for a short ceremony.

Located on club property three miles east of Holland on M-21, the new clubhouse is expected to be completed in 30 days. The building will measure 30 by 60 feet and connect with a structure now standing which will house kitchen facilities.

Hine Van Der Heuvel, president, opened the ceremony with a few comments discussing the many long years the club had wanted a clubhouse.

"Now, more than 20 years after the club was first founded," he said, "the members as well as the citizens of Holland have a new home."

Charter member Neil DeWaard told of the club's start as a protest for the way the state was setting up and enforcing fishing regulations. He said the club was originally known as the Holland Fish and Game Protective Association. Henry Geerlings praised the club for its many long years of service to outdoorsmen and to all residents of the community. He congratulated the club for being the oldest continuous organization of its kind in Michigan. Geerlings gave the invocation.

3 Persons Killed When Brakes Fail At Rail Crossing

Accident Occurs
Near Fennville;
Driver Leaps Out

FENNVILLE (Special) — Three persons were killed at 3 p.m. Thursday when a fast northbound C and O freight train struck a car whose brakes failed as the 1939 model approached the Helbach crossing on old M-89 about 3 1/2 miles southeast of Fennville.

Victims were Mrs. Hazel Jean Eastman, 19, and her six-month-old son, Roger, and Charlotte Wallace, 18, all of Pullman.

The driver, Rose Nickelbine, 19, route 2, Fennville, jumped from the car just before the impact and was not injured. Miss Wallace also jumped but was killed.

The car bearing the body of Mrs. Eastman was carried along the track for a half mile, scattering parts of the car all the way. The baby also was thrown free but died shortly after the arrival of Dr. James Clark of Fennville. Dr. Clark was about to take the child to a hospital when it died.

The car was owned by Marty Eastman, husband and father of two victims, who operates a garage and junk yard at Pullman. Miss Nickelbine had taken a car to the garage and then had taken Eastman's car to Fennville to pick up some clothes. All were aware that the brakes were defective, but Eastman told officers he had just put fluid into the brakes which usually was good for two days.

Roadmen working near the crossing tried to halt the car by yelling to the driver to shift into reverse when it became apparent the brakes were not operating as the car continued toward the crossing. The driver swerved down the tracks in an attempt to avoid the crash, but the train struck the car in the rear.

Miss Nickelbine is employed as a waitress in Jolly Host restaurant on US-31.

Conductor of the freight train was L. Wysdyke and engineer was Rolan Pelton, both of Grand Rapids.

Allegan sheriff's officers and South Haven state police investigated the accident. Officers were to confer with Prosecutor Dwight Cheever in Allegan Friday to determine whether any charges would be placed against the driver.

Mrs. Eastman is survived by her husband, Marty; her parents, Mr. and Mrs. Cecil Holton; two sisters, Mrs. Lois Konatser and Virginia, the latter a member of Thursday night's Fennville graduating class; three brothers, Lawrence, and twins, Donald and Ronald, all at home; her grandparents, Mr. and Mrs. Clarence Bushee and Mrs. Belle Holton, all of Fennville.

Miss Wallace, a junior at Fennville High School, was living with a sister, Mrs. Florence Borowiak, in Pullman. Her parents are deceased. Only other survivor is a brother, George, in the U. S. Navy.

Court Issues Injunction Against Holland Pickets

GRAND HAVEN (Special) — A suit seeking a temporary injunction and restraining order against picketing at the bulk storage plant of the Texas Co. in Holland was filed Wednesday in Ottawa Circuit Court.

The suit was filed by Oilways, Inc., of Muskegon and Port City Transportation Co. of Holland against Local 406 of the International Brotherhood of Teamsters (AFL) of Grand Rapids and assorted representatives in Grand Rapids and Ottawa County.

The bill of complaint alleges that picketing began on or about June 9 at the Holland plant without proper notification to the mediation board of the state of the existence of a labor dispute.

The bill of complaint pointed out that the Port City firm had received notice on or about June 4 that the majority of its drivers and operators had become members of Local 406 and were demanding recognition. The complaint further stated the company requested proof that a majority of operators had joined the union but received no reply.

Attorney Dismisses Case

GRAND HAVEN (Special) — The case against Richard Woodrick, 18, Grand Rapids, who was to have been tried before Justice T. A. Husted Wednesday on a charge of disorderly conduct and resisting an officer, was dismissed by City Attorney Jacob Ponstein, for lack of evidence. Woodrick, who pleaded not guilty when arraigned on June 1, was alleged to have resisted city police officer Steve Vozar during the night of Memorial Day, during a fight that took place near the Schuler Hotel.

Invention Will Save a Lot Of Digging in Allegan

ALLEGAN (Special) — Although top gas company officials said it couldn't be done without a lot of extra digging, Allegan stores and factories will soon be getting their gas through leak-proof copper tubing.

The change-over was made possible by an invention cooked up by Harold Sager, local manager for Michigan Gas Utilities. He devised a special drill which will clear the old line and bore through the shut-off valve so that the copper tubing can be pushed through the old present steel pipe.

Before Sager came up with his special drill, plans called for digging two holes in front of each establishment, one at the main where the tubing would be inserted, and another at the shutoff to remove the valve. Sager's plan eliminated need for the second hole.

Fast Action Saves Gas Victim's Life

ZEELAND (Special) — Richard Van Zoeren, 47, of 121 Park St., Zeeland was released from Huizinga Memorial hospital this morning after spending the night under observation for carbon monoxide poisoning.

Van Zoeren was found unconscious in his garage by his two children, Keith and Max, about 5 p.m. Wednesday when they were calling him for supper. He had been working on his car, and only one section of the garage doors was open. The motor was running.

The youths called neighbors Gelmert Ter Haar, 118 Park St., and Martin Vande Velde, 532 East Central Ave., who summoned an ambulance. Van Zoeren was revived at Thomas G. Huizinga hospital shortly after arrival.

Van Zoeren said today he still feels dazed, but believes he had attempted to get outside after feeling the gas take effect, and struck his head on the garage door as he staggered out. Hospital authorities said there will probably be no future effects of the poisoning.

School Board Quits at Midnight; To Meet Saturday

Group Unable to Decide
On Recommendation for
Proposed Bond Issue

The Board of Education, meeting in regular session Wednesday night, adjourned at 12:10 a.m. today after more than 3 1/2 hours of business. Unable to decide on a recommendation for an elementary school bond issue, the board will reconvene at 1 p.m. Saturday for further discussion and decide whether the meeting with the Citizens' committee Monday night will go on as scheduled. The Citizens' meeting is set for 7:30 p.m. Monday night in Longfellow gymnasium.

The question revolved about how far the board should go in the next step of school expansion and whether the figure should be large enough to include the purchase of all desired property to enlarge the various sites.

It was estimated roughly that a new elementary school on the 31st St. site would cost approximately \$500,000. This would include special education departments, releasing much needed space at Washington school. Should the board continue purchasing property to enlarge elementary school sites, it was estimated another \$300,000 would be needed. Several bond elections have lost in other cities, it was pointed out.

It was understood that funds for the proposed addition to Van Raalte school are available from the last \$650,000 bond issue which provided a new school in the Lincoln site, an addition to Longfellow school, and funds for the Van Raalte school addition.

It was originally planned that the Van Raalte addition would be comparable to the Longfellow addition, but subsequent plans resulted in acquiring a new two-block site at 24th and Van Raalte with intentions of building a wing as the first part of an eventually all-new building.

Continued study, plus working with the Holland Planning commission scrapped these plans, and the end result was to retain the present Van Raalte school and add a new wing, build a new elementary school at the 31st St. site and use the site at 24th St. and Van Raalte for a new high school to be developed some years hence.

The board was sharply divided on what course it should take at present. The building and grounds committee which has been acquiring additional property at almost all school sites recommended that only necessary building site be purchased and that if and when isolated properties become available in the area needed for playgrounds that these properties be considered for purchase. Serving on this committee are E. V. Hartman, Jay L. De Koning and Alvin Cook.

Dr. Lester J. Kuyper felt Monday's meeting with the citizens' committee should be postponed until the board decides exactly what it wants in the next elementary expansion program.

Wendell A. Miles felt the meeting should be held. "Tell the citizens' groups our troubles and let them help us decide. Make them our partners in a tough decision. This is no time to hold back," he said.

No vote was taken other than to adjourn the meeting until 1 p.m. Saturday.

The meeting was held Wednesday night instead of Monday night because of the necessity of canvassing Monday's school election vote in which Dr. Kuyper and Mrs. Kenneth De Pree were re-elected.

The board approved Supt. Walter W. Scott's plans for caring for three extra elementary classes next year. A fifth grade at Lincoln will be housed in one of the basement rooms at Longfellow school, and a fifth grade at Van Raalte will be housed in the library at Washington school. These pupils will be transported by bus. A Longfellow grade also will be housed in a basement room in Longfellow school. The room the Van Raalte class will occupy at Washington is currently used as a library. The Library will be moved to the stage of the gymnasium.

Park Township Offers Reward in False Alarm

Fire Chief Herman Windemuller of Park Township Fire Department No. 2 Monday offered a \$25 reward for information leading to the arrest and conviction of the person guilty of phoning in a false alarm Sunday night which took the Park Township truck and 10 firemen's cars to Camp Geneva on Lake Michigan.

The call came in about 7:30 p.m. at a time when beach traffic was heavy.

The fire chief pointed out that a false alarm is not only an inconvenience to volunteer firemen but is also dangerous since many firemen in private cars must get to the scene quickly.

"Guilty persons will be prosecuted to the fullest extent of the law," the chief said. Anyone having information is asked to call Windemuller.

Grandstanding...

Three years of intensive work preceded by many years of intensive wishing, came to a head Tuesday night in Grand Haven when ceremonies and a ball game inaugurated a new lighted baseball park.

Former Mayor Martin Boon acted as master of ceremonies and Mayor Claude Ver Duijn represented the city in brief pre-game ceremonies. The feature attraction was the annual "Old Timers" game featuring stars of yesteryears.

Three years ago plans for the lighted field were started and the city council agreed to purchase a plot of land for \$4,000. An action committee was formed to supervise a drive.

Council, interested industries and citizens pitched in to make improvements and the value of the park was upped to about \$15,000.

In 1951 the field was ready for ball games, with dugouts and a fine fence around the area. Last summer all high school games and city league contests were played at the park along with the Grand Haven Athletes' Southwestern Michigan Baseball League games.

Dreams came true Tuesday night when officials turned on the \$16,000 lighting system. The drive for lights was boosted considerably by a \$7,000 contribution from local supporters matched by the city of Grand Haven.

Holland's Flying Dutchmen play at the newly-lighted field Thursday night.

Hillsdale college is pretty proud of Dr. O. R. Micklow, coach of the 1953 title winning golf squad. Not only was the crown the first Hillsdale had won in golf in a long time, but in addition Micklow was in no formal way a "coach."

Neither is Micklow a faculty member, for off the fairways he has the title "doctor" and spends his time in a highly successful dentistry practice. His first response to a suggestion that he coach golf was, "But I'm no

coach."

College officials thought otherwise, and finally subdued his protests and got an agreement to try it for one season. The success of the squad surprised everyone, including Dr. Micklow. Proceeding on the basis of "doing the best with what I have," the doctor's calm approach gave confidence to an inexperienced squad, and now they have the MIAA championship.

As proof of the spirit of the squad, Micklow notes that seven of the eight meets were played in the rain. "If that didn't dampen their spirit nothing would," he commented.

Athletic director Joe Moran at Holland High school has prepared snappy brochure outlining football prospects for 1953. The booklet introduces the coaches, and gives the complete dope on the schedule, ticket prices, returning veterans, in addition to a resume of last season and a look at the future. It also lists the returning veterans complete with height, weight, age, experience and position. Moran plans to distribute the brochure to school children in the area next fall.

Schedule for the Dutch will include: Grand Rapids Creston, there, Sept. 18; Grand Rapids Union, here, Sept. 25; Muskegon Heights, here, Oct. 2; Grand Rapids Catholic Central, there, Oct. 9; Dowagiac, here, Oct. 16; St. Joseph, there, Oct. 23; Battle Creek, there, Oct. 30; Benton Harbor, here, Nov. 6; Grand Haven, there, Nov. 13.

Those 3-D motion pictures of Rocky Marciano's training camp that will be shown this week at a local theater were taken when the heavyweight champion was training at the Holland Furnace Co. pavilion. A crew of 18 men came to Holland one day to follow the champ around and take the flickers.

Albionites See Repairs, Addition to Hospital

Open house was held Sunday at Albion in the recently remodeled Sheldon Memorial Hospital, a remodeling that included the addition of a new three-story building.

The hospital now has 72 beds and 20 bassinets. Visitors were taken on guided tours of the hospital and given a booklet describing revisions. The booklet said that \$504,050.98 were spent on remodeling.

The new addition has three floors, but is designed to have another one added. The first floor houses administrative offices, the second patient rooms and the third is reserved for obstetrics cases.

Barber, tallied again in the third, this time by Ken Bauman who doubled to left field, went to third on a wild pitch, and scored on Al Dozeman's single to the pitcher.

Then North Holland started to roll. With one out Don Berkompas doubled to left field. Ebels fouled out to first, and then Cal Bosman slammed a single to left field scoring Berkompas.

Ebels went to second on an outfield error, then went all the way around on two more Ford errors, tying up the game.

Winning run came in the fifth as Elmer Veldheer drew a walk to start things off. He went to second on a wild pitch, and to third on an infield out, and scored on Bosman's single to left. This ended scoring for both teams.

North Holland only got five hits off Ford pitcher Norm Boeve, but they managed to stretch them into three runs. Boeve struck out two men and walked one.

Barber got nine hits off North Holland pitcher Berkompas while garnering two walks with two strikes out.

Hitting honors for the winners go to Bosman whose two timely singles accounted for two runs, and Berkompas whose double was essential. Jim Hop also had a double while Earl Arends pounded out a single.

Al Piersma's home run paced Fords, although Al Dozeman's three singles were almost enough to make up the margin. Bauman had a single and double in four chances, and Sundin, Vern Fuder and Rich Wolters collected singles.

Main Auto also felt the sting of "upset" as they were dropped by Hulst Bros in the second game by a 5-2 margin.

Hulst started right out with three runs in the first inning on a single, error, and two more singles scoring Kearney Zoerhoff, Bern Greiving and Jake Bakker.

Zoerhoff homered in the second inning to give Hulst a four run lead before Main Auto could garner their first run in the fourth as Herb Maatman was safe on a fielder's choice, went to second on a wild pitch and scored from there.

Bud Hulst poled a home run for Hulst in the sixth inning and the Auto's Herb Maatman singled and finally stole home to count the final tally in the sixth for the auto's to end scoring.

Al Boech was credited with the win for Hulst, allowing two hits, striking out eight, and walking five. At the plate for Hulst Kearney Zoerhoff and Bud Hulst with homers capped top honors.

Auto Jack Ebels gave up seven hits, struck out seven, and walked one. Hitting honors went to Maatman and Ebels, both with singles.

League standings:

	W	L
Bareman	5	2
North End	5	2
Main Auto	4	2
VFW	3	2
Ford	3	3
Hulst	3	4
Moose	1	5
North Holland	1	5

Fisticuffs Erupt In Seventh Frame; Ump Calls Game

The Holland Flying Dutchmen and Muskegon Home Furnace provided 100 fans at Riverview Park Thursday night not only with baseball but also with boxing and wrestling.

These last two attractions took place in the top of the seventh inning. With Morse on first, David hit a grounder to Dutchman short stop Ron Forney who threw to Terry Burns at second trying to force Morse. Morse was unwilling to be a victim of this scheme, so he charged into Burns with all his might.

This was a signal for a general outbreak of violence—a violence that was brewing from the first inning on as players on both sides engaged in hard base running. Players left the benches to join their teammates on the field in throwing punches and wrestling.

After the fighting tapered off a bit, umpire Adrian Moers informed both managers that the game would proceed no further. Thus, Holland did not get a chance to make up a four-run deficit and the final score was Muskegon 8, Holland 4.

Muskegon pounded pitchers Clare Van Liere and Lou Humbert for 11 hits, but three of the hits were fly balls that dropped safely in the second inning because of twilight conditions. Muskegon scored three runs in that inning, two in the third on three hits, two in the sixth on one hit and one in the seventh on one hit.

The Dutchmen made nine hits off the slants of D. Bolema. They scored three of their runs in the third when first baseman Tony Wentzel homered with Terry Burns and Morrie Witteveen on base. Burns had gotten on through an error and Witteveen through a walk.

Wentzel also got two singles to give him three for four. Holland got its fourth run in the fifth on singles by Butts Kool and Elmer Van Wieren and Don York's infield out.

Three rookies graced Holland's lineup for the first time—Terry Burns at second, Butts Kool in right and Don York in center. Burns is from Holland High, Kool is from Calvin and York, Hope College.

The Dutchmen play Trills Texaco of Grand Rapids Monday 8 p.m. at Riverview Park and go to Grand Haven Thursday for a game with the Grand Haven Merchants.

Band Boosters Donate \$3,000

A tentative count Monday revealed that Holland citizens gave more than \$2,707 in the week-end tag campaign conducted by public school musicians for a new uniforms fund. Executive committee members of the Holland Band and Orchestra Boosters Club which sponsored the campaign, said the final count almost certainly will reach the \$3,000 mark.

Because of the wonderful cooperation, the committee said club members are assured that their \$6,500 goal somehow will be reached. Thus, band members will be measured for uniforms this spring and the new outfits should be delivered in the fall.

A gala atmosphere prevailed in the downtown area Friday night and Saturday when the young musicians pepped up the selling campaign with rousing music by pep bands, the elementary band and ensemble groups. Almost everyone wore an "I am a band booster" tag—those who didn't just were not well dressed!

The Boosters expressed gratitude to all who made the event a big success. Everyone co-operated, they said. They cited a letter from H. P. Vander Linde of the Christian School music department, in which he congratulated the new organization and offered the support of his group in the campaign. The club executive committee will meet Tuesday night to plan the next step in the drive.

Miss Joan Houtman Wed To Dr. George Zuidema

Miss Joan Kathryn Houtman and Dr. George Dale Zuidema exchanged wedding vows in a lovely summer wedding Tuesday evening in First Methodist Church. The Rev. John O. Hagans performed the double ring rites.

The bride is the daughter of Mr. and Mrs. Neal Houtman of 229 West 11th St. and the groom is the son of Mr. and Mrs. Jacob Zuidema, 95 West 15th St.

The altar was banked with bridal wreath and a center of interest was created with white peonies and gladioli. Seven-branch candelabra completed decorations, arranged by Mrs. Claude Lamoreaux.

Traditional wedding music was played by Mrs. Rudolph Mattson, organist. Dr. Robert Cavanaugh sang "How Do I Love Thee" and "Dedication" before the rites and "O Perfect Love" as the couple knelt at the altar.

Miss Barbara Kellogg, friend from Henry Ford Hospital School of Nursing, assisted the bride as maid of honor. Bridesmaids were Mrs. Lynn Post, Miss Billie Houtman and Miss Sally Houtman. Little Jane Shashagay was flower girl.

Dr. Eugene Van Tamelon, of Madison, Wis., brother-in-law of the bride, assisted the groom as best man. Ushers were Jay Rutgers of Holland and Dr. Timothy S. Harrison of Holland. Dr. Joseph Miller of Yazo, Miss., and Robert Peeler of Lexington, N.C., classmates and fraternity brothers of the groom at Johns Hopkins University. Mr. and Mrs. Howard Hoffman of Greenville were master and mistress of ceremonies.

For her wedding, the bride chose a gown of traditional white satin covered with lace, featuring a pointed bodice and net overskirt with a lace panel down the front. Tiny buttons extended down the back from the small standup collar. Her veil of illusion fell from a headband of tiny seed pearls. A pearl necklace and earrings completed her costume. She carried a bouquet of white roses and carnations with white satin streamers.

Bridal attendants wore identical gowns of light blue taffeta with net overskirts, all fashioned by the bride's mother. The honor attendant's was a deeper shade than the bridesmaids' gowns. All wore matching taffeta mitts and carried colonial bouquets of pink and blue carnations.

The flower girl, dressed in a pink taffeta and net gown, scattered rose petals in the aisle before the bride was escorted to the altar by her father.

Joan Houtman chose for her daughter's wedding a mauve shantung dress. She had a yellow and white rose corsage. Mrs. Zuidema wore a nylon sheer black and white dress and a corsage of red roses.

About 200 guests attended a reception in the church parlors. Mrs. Eugene Van Tamelon and Miss Ruth Zuidema poured. Assisting about the rooms were Judy and Joan Houtman, Sharon Bird, Judy Van Leeuwen, Garnet Harrington and Pat Houtman. Mrs. W. Wolters, aunt of the bride, cut and served the wedding cake. Misses Cleve Van Langen and Pat Brinkman served punch and the bride's friends from Ford Hospital nurses home arranged the gifts. Mrs. John Kruid and committee were in charge of kitchen arrangements and Mrs. Carl-Harrington arranged reception decorations.

During the reception, Miss Norma Houtman played several violin selections accompanied by her mother. Mrs. John Hagans sang "Bless This House" before the couple cut the wedding cake.

The newlyweds left on a wedding trip to northern Michigan, Maryland and the Blue Ridge Mountains of Virginia and North Carolina. For going away, the new Mrs. Zuidema changed to a navy blue linen ensemble with white trim, navy and white accessories and a red rose corsage. After July 1, they will be at home at 98 Myrtle St., Boston, Mass.

Mrs. Zuidema is a graduate of Holland High School and Henry Ford Hospital School of Nursing, Detroit. Dr. Zuidema, a graduate of Holland High and Hope College, was graduated from Johns Hopkins University medical school in Baltimore, Md. He will begin his internship at Massachusetts General Hospital and his specialty training in the surgical service of Harvard Medical School.

Parents of the groom entertained at a rehearsal dinner for 25 guests at Holiday Inn.

Allegan County Red Cross Group Has Annual Meet

ALLEGAN (Special) — Charles Ayres of Otsego was re-elected chairman at the annual meeting of the Allegan County Red Cross chapter in Allegan Methodist church last week.

Mrs. Marvin Balgooyen of Valley was elected vice chairman; Mrs. Alice Wood of Allegan, secretary; John C. Pahl of Allegan, treasurer; and Mrs. Thelma Stratton, executive secretary.

The executive committee was authorized to revise the executive board and fill in vacancies. These names and committee chairman for the next year will be announced soon.

Rex Ten Wyck of Otsego was awarded a citation of service from the National Red Cross in recognition of his services as chairman of the 1953 fund campaign which went over the 100 per cent mark in Allegan County.

Some highlights of the general reports were as follows:

Four different blood bank collections were held in which 803 pints of blood were collected. The next blood bank is scheduled in Allegan Aug. 31, and a second one for Otsego-Plainwell area Sept. 1 and 2, according to Mrs. Gale Grable, blood program chairman. Reports are that blood and its derivatives will be needed even if a truce is reached in Korea. The fight against polio continues and blood will be needed in both civilian and military hospitals.

The Junior Red Cross will send three students to the National Junior Red Cross training camp at Clear Lake in August. Two will be from Allegan and one from Otsego.

In the home service department, Mrs. Don Hunsaker of Otsego reported 345 families were aided. In addition 82 servicemen were given financial aid, usually in the form of small loans.

Mrs. Edsel Martindale of Plainwell, production chairman, reported that 201 garments and 50 dressings were made by various volunteer groups. In addition to the distribution of these garments, four cartons of clothing were distributed.

The work of the recreation committee under direction of Mrs. Clarence Diver of Plainwell in taking entertainment to Fort Custer Hospital and to Percy Jones Hospital was outstanding. The committee reported two breakfasts, a watermelon feed, two weiner roasts, a large and successful Christmas party (more than 350 guests), and in 1953 a bingo party each third Wednesday of the month. Special mention was made of Mr. and Mrs. Gilbert Rounds of Otsego who play and sing in the lounge and wards every third Wednesday, and of Hugh Myers of Otsego, who has served as master of ceremonies.

Many organizations and individuals have given much time and thought and contributions for refreshments and prizes. More than 1,000 patients have been reached.

Water safety chairman Leo Waters of Otsego reported that the 1952 swimming camps were given as follows: 140 beginners certificates, 75 intermediate, 16 swimmers, two advanced swimmers, seven junior life saving, and seven senior life saving cards.

There will be two Allegan County people at the National Aquatic School at Whitehall this summer.

VOLLEYS FROM AMBUSH

Cornelis Zwaan's portrait of Her Majesty Queen Juliana of the Netherlands is currently on exhibit in Netherlands Museum and has been attracting several visitors, particularly persons who came to Holland for Hope College alumni and commencement activities.

Willard C. Wichers, museum director, said the portrait will be taken later this season to Detroit where it will be displayed in the Detroit Institute of Art. In the fall the painting will be taken to Washington and New York to be shown in the Netherlands embassies there and later will be taken to the Netherlands. The latter showings will be made because of the great personal interest the queen has shown.

The oil painting was unveiled at special ceremonies last week in connection with the visit of Netherlands Ambassador J. H. van Roijen to Holland. Mme. van Roijen unveiled the portrait in the presence of the Detroit artist, Gov. G. Mennen Williams and 180 others.

Zwaan was commissioned by the Board of Governors of the Netherlands Museum to do the painting. He worked for 1½ hours on a small sketch of the queen posed at Soestdijk palace, and later set up his studio in the home of a relative in Laren, about four miles from the palace. Before he left the Netherlands, the queen paid a surprise visit to his studio, had tea there and expressed herself well pleased with the painting. He finished it in Detroit.

The portrait shows Queen Juliana in a gown of royal blue hand woven silk and a gold sash with a Military Willem's Order, an emblem somewhat like the Order of Orange Nassau. At the right is her royal robe of deep crimson velvet with gold embroidery and ermine. At the upper right is the crest of the House of Orange. The painting measures 68 by 50 inches without the ornate frame.

Dr. I. J. Lubbers, president of Hope College, who served as master of ceremonies for the luncheon, gave the definition of a college president. He said it's a person who looks like a foreigner in any country.

Dr. van Roijen retaliated by defining a diplomat — an honest man sent abroad to lie for his country.

What's the other one about the definition of a faculty member — a person who casts artificial pearls before real waste?

Holland Hospital is starting a new class for new fathers next week, following the successful course earlier this year. The fathers' class is an outgrowth of the mothercraft series held periodically at the hospital. A local physician will meet with the expectant fathers, not necessarily first-time fathers. The meeting will be held Monday at 7:30 p.m. in the board room on the third floor.

It's Newcomer time again in Holland. During May eight new families moved into town, among them, Mr. and Mrs. Robert De Nooyer, and two small children from Kalamazoo who are occupying a duplex at 127 West 24th St. DeNooyer is the new owner of the Chevrolet garage. Mr. and Mrs. Alger Lee and three children of Saugatuck have purchased a home at 68 West 26th St. Mr. Lee is owner of Bob's Sport Shop.

Mr. and Mrs. W. H. Bunting and their 16-year-old son of Harlingen, Tex., are occupying an apartment at 577 South Shore Dr. Mr. Bunting is employed by Scotts, Inc. Mr. and Mrs. Emerson F. Robertson of Benton Harbor have moved into an apartment at 209 College Ave. He is employed by Crampton's. Mr. and Mrs. M. B. Siebesma and their two sons have arrived here from the Netherlands and are in an apartment at 298 Van Raalte Ave. Mr. Siebesma is a butcher at Vans.

Mrs. Vernon Beelen, the former Lucille Boman who is office girl at Christian High School, received a note a week or so ago from her husband, a corporal in Korea, stating that CBS was taking pictures there. That night on Doug Edwards' TV program she saw her husband briefly relaying commands by phone to the gun crew. It was shown in connection with the firing of an atomic cannon in Nevada.

If you happened to see a lot of excitement at the John Bremer home (that picturesque thatched roof home at 659 North Shore Dr.) don't get too concerned. It was two commercial photographers with a couple old models and a new car making some shots with the home as a background. Maybe you'll see it in a color ad some day.

Interested in Holland's master plan? There are several copies available for circulation at Holland Public Library. If the demand is too great, the planning commission will even dig up some more. Yeah, it's really interesting.

Herm Bos has found an old program of the 18th commencement at Hope College in Hope church June 27 in 1883. The program listed eight orations by various students, a master's oration by Abraham Stegeman of New Groningen. Music was listed on the program six times.

Wolverine Boys' State is not a school room activity but is designed as a practical experience in problems of self government as it is in operation in Michigan. It is not meant to take the place of a course in civics or government but is planned so that the boys may put into actual practice the theories of American government. It is often called the Mythical 49th State.

They Planted Beauty--Displays of Iris Highlight of Local Gardens This Week

Iris have been a specialty for several years of the Van Zoeren at 70 West Ninth St., and their wide border garden is a beautiful sight this week with its display of iris and oriental poppies. The Van Zoeren have not discarded the good old varieties but they hold them down to an allotted space and keep adding fine new kinds each year. There are shades of brown, mauve, cream, light yellow, all shades of purple and blue. The contrasting colors of the poppies make a pretty picture. There is much other interesting plant material in this garden, for its owners seem to enjoy trying new things. Moss roses are a recent addition. The garden will be worth watching for later bloom.

Iris is the feature too of the north border of the nicely planted lot of the Ver Hoefs of 738 Washington Ave. The Ver Hoefs have secured a sense of privacy in their back yard with a privet hedge and have brightened the place by using a white picket fence in front of it. The effect is pleasing and a better background has been made for their flower border than the hedge alone would have given. Delphinium, roses, chrysanthemums, and annuals will give them continuing bloom in the border. There is nice foundation planting of yew and juniper in front of the house to insure winter beauty too.

As dividing and transplanting or setting out new varieties of iris

may begin whenever it is convenient after bloom ends, we shall try within the next few weeks to compile a list of the favorite new varieties of those people in the city who are specializing in growing them. Though prices of most recent introductions are too high to interest most of us, there are many fine types in a modest price range. And the nice thing about iris is that they multiply.

Rhododendrons, too, are in full bloom. The Geerds have a most attractive grouping of them at the northeast corner of their home at 588 Central Ave., with pachysandra as a ground cover. And the Butlers enjoy a picture of rhododendron backed by the gray-green of a Russian olive tree in their 26th St. garden. On either side of State St. between 26th and 27th Sts. one may see fine specimens of scarlet Japanese hawthorn.

We had meant, a few weeks ago, to commend the new gas service station at the corner of River Ave. and 13th St. for its thoughtfulness in setting out tulips in the curb to add to the city's display. We learned recently that those bulbs were planted last March. They rewarded the civic mindedness of the owner by blossoming beautifully. We are wondering now what will be used to replace the tulips in this bed and in the tulip lanes throughout the city. Let's have the city colorful again for summer guests and for ourselves.

22 Local Girls Receive Highest Camp Fire Rank

Twenty-two girls passed the Torch Bearers Rank—highest rank in Camp Fire—at the Holland Council's Grand Council Fire Thursday evening at Kollen Park.

The impressive council fire, held "By the Lake, Under the Stars," attracted a large number of parents and friends of the Camp Fire Girls, who were awarded ranks and various honors. The girls processed down the wide stone stairway in the park and formed a large circle around the camp fire. Merry De Waard and Sallie Houtman served as color bearers and Phyllis Smith and Judy Bos, color guards.

Taking part in the firelighting ceremony were Beth Wichers, Patricia Pelon, Jo Lee Hurlbut and Mary Ellen Steketee. Group roll call was taken by Patty Stanford, Janice Nienhuis, Sally Field, Sarajane Bonnette, Karen Kimball and Mary Ann Seif. At the end of the ceremony, Barbara Walvoord conducted fire extinguishing ceremonies.

Passing the Torch Bearers rank in home craft were Barbara Becker, Shirley Dykstra, June Moeller, Constance Oonk, Laura Phillips, Judith Van Leeuwen and Linda Yntema; in sports and games, Joan Elhart, Marlene Harbin, Carol Klaasen, Sharon Pippel, Lou Jeanne Poll and Sandra Schaap; in camp craft, Karen Danson and Mary Ellen Steketee; dramatics, Kathleen Moss and Nancy Plewes; handicraft, Greta Masselink and Joan Tanis; art craft, Jo Lee Hurlbut; Indian lore, Judith Kolm, and music, Linda Nyhol.

National awards for three, five and 10-year memberships were awarded to Camp Fire, Horizon girls and leaders by Mrs. James K. Ward, council president. Service awards were given by Mrs. Lucien Raven, regional representative. The awards represented 2,035 hours of service to the community.

Mrs. Peter Kromann, chairman of the committee of awards, presented 160 birthday honors for "Down to Earth," this year's birthday project. A national honor, never before received in Holland, was presented to Mary Jonker for her Trail Seekers memory book, which had been sent to the national organization. Mrs. Andries Steketee, local executive director, presented the national Memory Book honor.

Mrs. John Kobes, chairman of community service, also presented national awards and Mrs. Gerald Bolhuis awarded ranks.

Warm, dry weather held out long enough for the ceremony, which was the first outdoor council fire staged here.

J. Geukes Wins Plowing Contest

For the second straight year, John Geukes of Byron Center has won the Ottawa County 4-H Tractor Plowing contest. His closest rival in the 1953 contest was Jerry Hop, route 2, Hudsonville. In a special operators skills contest, Mark Brouwer, route 1, Byron Center, emerged as winner. All three are members of the Bell School 4-H club whose leader is Albert Vredeveld.

The contests were held at the Elmer Hop farm near Jamestown. Special awards were made by the local machinery dealers who also demonstrated some of their newer equipment. The events were planned by leaders and members of the Bell Club. Gerald Van Singel and Arden Huijzen were judges.

Both Geukes and Brouwer are now eligible to compete in a state-wide contest to be held in conjunction with the State 4-H Club Show in August. As Ottawa County delegate in 1952 Geukes finished sixth in the state contest.

Garden Club Closes Season

The Holland Tulip Garden Club met for the final meeting of the year at a luncheon in the Juliana room in Durfee Hall Thursday. Tables were colorful with arrangements of iris. Mrs. William Schrier, president, expressed her appreciation for the staging of a successful Tulip Time Flower Show to Mrs. E. H. Landwehr, general chairman; Mrs. C. B. Stewart, staging, and Mrs. Thaddeus Taft, schedule.

Mrs. Fred Stanton, recording secretary, analyzed year's work by reporting "The club's membership has grown in numbers and in skill of accomplishment and its activities have spread out in a widening circle."

This statement was borne out by reports given by Miss Eleanor Duffy, treasurer, and Mrs. R. B. Champion, conservation chairman, who stated that the club is sending four teachers to the Higgins Lake Scholarship Conservation school this summer. She further reported that the plant material left from Conservation exhibit at the Tulip Time flower show had been taken to Loda Lake Sanctuary, a federated garden club project in Newaygo county.

Other reports were given by Mrs. Jerena Rooks who has headed an active and interested study group in Horticulture; Mrs. H. D. Childress in charge of junior work; and Mrs. I. H. Marsille, membership. Miss Lida Rogers, program chairman, announced that "A Beauty Program for Holland" will again be the theme for next year's work.

"Let's Plant Beauty," a weekly column in The Sentinel and a new venture this year, is meeting with increased interest and many inquiries as to plant material, its use and its source, have been received. Miss Rogers expressed appreciation for the fine co-operation to The Sentinel in carrying the column.

Mrs. Schrier announced the state convention to be held June 10 and 11 in the Kellogg building on Michigan State campus at East Lansing. She also announced the Garfield Park garden club flower show June 15 to 19 in Johnson Park, Grandville.

Following the meeting, two gardens on the north shore were visited. The first was the garden of Mrs. Harry A. Waltrous which was most interesting in its panel arrangements, and beautiful in the wide variety and colors of plant material. The garden of Mrs. O. W. Lowry featured rhododendrons, azaleas and roses.

In July Park Supt. Dick Smallenburg will instruct a class in grafting.

Body of Dead Pointer Buried, Couple Learns

The body of the live and white pointer owned by Mr. and Mrs. Clyde Fogg has been disposed of. The Fogs were informed Thursday night after the Sentinel published a plea for locating the carcass in the hope that a rabies test could be made. The dog, which Saturday had bitten a neighbor boy, was drowned Sunday when it romped with sea gulls in Lake Michigan in a heavy fog.

A Hope college student told Mrs. Fogg Thursday night that he had seen the body on the beach at Eagle Crest Wednesday and took the couple there. The dog's body could not be located and residents there said they had seen two youths carry the carcass away in a burlap sack.

A veterinarian said the condition of the dog was probably such that he doubted whether a rabies test could be made. The Fogs do not believe the dog was rabid. It was last vaccinated 14 or 15 months ago.

Cost guardsmen and an airplane had searched the waters and beach for the body.

Vredeveld-Romeyn Rites Read

Mr. and Mrs. Marie Vredeveld

Wedding vows were spoken Thursday evening, May 28, by Miss Marilyn Romeyn and Marie Vredeveld in a double ring ceremony in Second Reformed Church of Zeeland. The candlelight service was read at 8 p.m. by the Rev. Harold Englund. Assorted flowers, ferns and candelabra decorated the church. Satin bows marked the pews and candles were placed in the windows.

Parents of the couple are Mr. and Mrs. Anthony Romeyn and Mrs. Kathryn Vredeveld, all of Zeeland.

Nuptial music was provided by Mrs. Paul Van Dort, soloist, accompanied by her sister, Mrs. Vern Nienhuis, organist.

Escorted to the altar by her father, the bride wore a white gown featuring a lace bodice with tiny buttons down the back, long tapered sleeves and full skirt over taffeta with nylon pleats in front. Her fingertip veil was held in place by a lace cap with tiny pearls. She carried a Bible with white carnations.

The bride was attended by her sister, Mrs. John Vanden Brink,

as matron of honor. She wore an apple-green taffeta gown with nylon lace overskirt, matching mits and headress. She carried a bouquet of white and yellow carnations. Little Linda Lou Vanden Brink, niece of the bride, as flower girl wore a pink taffeta dress with black velvet ribbon around the waist. She had matching mits and headress and carried a basket of rose petals. Jerry Vanden Brink, the bride's nephew, was ring bearer.

John Vanden Brink attended the groom as best man and La Verne Casmier and Leon Brummel, cousin of the groom, were ushers.

A reception for 85 guests was held in the church parlors. Mr. and Mrs. Andrew Vander Veer, uncle and aunt of the groom, were master and mistress of ceremonies. Misses Lila and Alma Vredeveld, the groom's sisters, served punch and Mrs. Irwin Smith and Miss Bernice Cook arranged the gifts.

For her daughter's wedding, Mrs. Romeyn wore a sheer navy dress with white trim. The groom's mother wore a light blue dress with inserted lace.

The newlyweds left on a wedding trip to Florida. For traveling the bride wore a blue suit with red and white accessories and a corsage of white carnations.

Mrs. Vredeveld, a graduate of Zeeland High School, is employed at the office of Howard Miller Clock Co. The groom, also a Zeeland High graduate, is employed at Romeyn's Sales and Service garage.

The winners scored run No. 8 in the seventh inning without a hit. It took a walk, an error and a fielder's choice. The visitors tallied their other two runs in the sixth on a hit by a pitch, a walk, and two errors.

Talsma went the route for Zeeland and gave up six hits. He struck out seven and walked five. Bulles and Switzer shared mound chores for Cedar Springs and between them allowed nine hits.

SEARCHING FOR AN ANSWER

The American government holds
three billion dollars worth of
foods and fibers acquired through
the farm products price supports
program of the past several years.
Three billion dollars! That's a lot
of money even in the astronomical
finance to which we have become
accustomed.

What to do with all that wheat,
all that corn, all the eggs, the but-
ter, all the other things that have
piled up—that is what has been
giving the government officials a
headache. Selling it would defeat
the original purpose in acquiring
it; giving it away would disrupt
the farm products market for
what is being grown today.

The American Farm Bureau
Federation has come up with a
suggestion. Sell at least some of
it, to the extent perhaps of a bil-
lion dollars worth, to famine
stricken countries like India, In-
dochina, Ceylon and Pakistan at a
reasonable price, letting the buy-
ers pay for the food in their own
currencies. The theory is that if
those countries don't have to pay
the food in scarce dollars they
will be willing and able to buy.
And since they would not be buy-
ing through normal channels in
terms of dollars, the disposition of
the products in this way would
not disrupt the American market,
as would be the case if these foods
were disposed of in Europe.

At least, that is the theory.
There may be holes in it that have
not yet been revealed. The plan
is as yet in the stage of investiga-
tion on the part of government
organizations, including the Agri-
cultural department. It may be
found fallacious, but it at least
represents a search for an answer
to a question that not only has
seemed to be without an answer
but that it is becoming a bigger
question with each year that pass-
es. The sum of three billion may in
time become five billion, and even
more.

Whatever the answer, one thing
seems certain. Almost any an-
swer is better than the only one
that has been translated into
practice from time to time—de-
stroying the food. There is some-
thing monstrous in burning wheat,
in killing hogs, in dumping onions
into a swamp, at a time when
there is hunger in other places.
The American people will prob-
ably never stand for that solution.
Some other answer has to be
found. The new plan is at least a
search for an answer.

Mrs. Clarence De Graaf
Holds Hospital Auxiliary

Mrs. Clarence De Graaf was
elected president of the Holland
City Hospital Auxiliary at the
annual June luncheon of the or-
ganization Tuesday at The Castle.
About 130 attended.

Mrs. De Graaf succeeds Mrs.
Raymond H. Fehring, member of
the Hospital Board and the auxil-
iary's first president. The Auxil-
iary has just completed its first
full year of work and Tuesday's
luncheon served as an occasion
for reviewing accomplishments of
the period.

Other new officers are Mrs.
Duffield Wade, vice president;
Mrs. Arnd De Feyter, corres-
ponding secretary; Mrs. Adrian
Klaassen, recording secretary, and
Mrs. A. W. Tahaney, treasurer.

Mrs. Fehring presented a check
for \$400 to Hospital Director Fred
Burd as the auxiliary's contribu-
tion toward a second x-ray ma-
chine badly needed at the hospi-
tal. The contribution came mainly
from the 33 associate mem-
bership drive in which \$851.25 was
collected. Director Burd reviewed
projects that were completed dur-
ing the year involving an outlay
of some \$2,000. If such an amount
were to be raised through endow-
ment, he figured the endow-
ment would be to well over
\$100,000. Mrs. Orle A. Bishop,
volunteer chairman, re-
viewed services done by various
groups, amounting to thousands
of hours in hostess service, sew-
ing and the like.

The principal speaker, Mrs.
Charles L. Sprinkle, president of
the Michigan Association of Hospi-
tal Auxiliaries, told how auxil-
iary groups can best be of service
to the hospital. She said results
are three-fold: public relations,
volunteer services and financial
assistance.

Of the three, she said the public
relations are perhaps the most
valuable. "An informed auxiliary
member becomes a booster for
the hospital and does her greatest
service as she mingles with
people, correcting misunderstanding
caused through criticism, and
telling the story of accomplish-
ments and needs."

For instance, she said auxil-
iaries could do much a great ser-
vice in relating facts and figures
on the gamma globulin situation.
She said through the Red Cross 1-
000,000 doses will be available this
year among 46,000,000 children
whose parents are anxious their
children have the preventive
treatment. She said the govern-
ment is directing use of available
supply and assurance has been
given that gamma globulin will
be available for families in
which a member has been stricken
and for such sections where an
epidemic has struck. She pointed
out that gamma globulin is not a
vaccine and has not been perfect-
ed and it is hoped developments
in the next two years will es-
tablish the treatment as an even
better preventative.

For fund raising, she suggested
fairs and fiestas, balls, style
shows, bridge parties, shore din-
ners, establishment of gift shop
and coffee shop in hospitals, a
service to photograph new babies,
and even a cook's tour of private
kitchens.

"It's the intangibles that make
a hospital seem like home that's
so very important. Auxiliaries
have been providing draperies,
colorful wall paper and other
touches to keep patients and em-
ployees happy," she said. She ad-
ded some auxiliaries aim at keep-
ing the nurses and employees hap-
py, since satisfied employees do not
leave places of employment quick-
ly.

Coast Guardsmen Caution Boaters To Exercise Care

CLEVELAND — Great Lakes area Coast Guardsmen today issued an urgent plea for the boating public to exercise safety while cruising on the lakes and inland waters.

Last summer the number of lives lost and lives saved increased to an alarming degree over the previous season. Because of this the Coast Guard is backing an all out campaign to emphasize the essentials for safe boating.

Officials point out that the job is not only up to them to prevent boating accidents, but to the boating public. Coast Guard records and experience show that most of the casualties and tragic loss of life has been a direct result of ignorance and carelessness — carelessness in boat operation and ignorance of safety precautions and Coast Guard regulations.

If the outboard you own or operate is 16 feet or under it need not be numbered, however, there are other requirements that it must meet, such as, carrying a combination red and green 20-point light in the bow and a 32-point white light aft. After dark even a rowboat must carry a light. Life preservers are another important safety precaution, and there must be one each for everyone aboard. There must be sewn to the cushion a tab bearing the wording U.S. Coast Guard approved.

Outboards that are not hired or rented out do not require fire extinguishers as do inboards. Nevertheless, a fire extinguisher as well as an approved life jacket is cheap insurance.

Real Admiral Roy L. Raney, commander of the Ninth Coast Guard district said that, "A prudent operator will observe the following prohibitions:

1. Do not overload the boat.
2. Do not take chances with fire and explosion.
3. Do not tolerate an installa-

tion which lacks modern safeguards.

4. Do not allow gas or oil in the bilge.
5. Do not operate near swimmers in the water.
6. Do not allow rubbish to accumulate.
7. Do not make temporary repairs except in emergencies.
8. Do not use gasoline stoves.
9. Do not use kapok filled life preservers to sit upon, as such action compresses the filler and destroys its efficiency.
10. Do not fail to provide life belts for children.
11. Do not be afraid on a boat — respect it.
12. Do not forget your wake can damage others.
13. Do not fail to reduce speed through mooring fields.
14. Do not fail to take precautions against fouling other boats when anchoring.
15. Do not lie at anchor with short cable; allow sufficient scope.
16. Do not fail to exercise sober judgment at all times.

Youth Electrocuted South of Zeeland

Victim Pronounced Dead on Arrival At Local Hospital

Accident Occurs When Length of Pipe Comes In Contact With Wire

Nelson Glen Vanden Heuvel, 16, of 25 West McKinley St., Zeeland, was pronounced dead upon arrival at Holland Hospital Friday despite frenzied efforts of three youths to revive him after he came in contact with a 7,200-volt power line.

Vanden Heuvel was working in a field digging flower plants on property leased by Dennis Walters of Zeeland, located on Fairview Rd., approximately one and three-quarters miles southeast of Zeeland when the accident happened.

The youth along with Jerry Westvelt, Clifford Kraai and John Zwighuizen were getting ready to go home for lunch about 11 a.m. The four were loading tools and other supplies onto a small pickup truck parked near the road.

Vanden Heuvel picked up a 20-foot length of pipe to load aboard the truck. Somehow the long pipe touched the overhead high tension lines. The impact of the electricity froze him to the pipe momentarily. The other three youths were temporarily helpless to come to his aid.

The pipe finally dropped and slipped to the ground falling near Vanden Heuvel as he fell. Immediately the other boys, although in a temporary state of shock, rushed to help.

Jerry Westvelt ran across the road to the home of William Meeuwse and placed a call for help. The time was about 11:05 a.m. At the same time Clifford Kraai dashed across a field to where Dennis Walters was working.

He hurried over to the scene where John Zwighuizen was attempting to revive Vanden Heuvel with artificial respiration. The boys took turns but could not bring Vanden Heuvel around.

A few minutes later an ambulance arrived and bundled Vanden Heuvel aboard. With siren wailing the ambulance raced toward Holland Hospital. En route Zeeland police officer Lawrence Veldheer moved out in front to clear traffic.

Veldheer radioed ahead to Holland police who in turn called the hospital to prepare for an emergency case and Sgt. Ralph Woldring drove out to intercept the two cars moving down 16th St., which was blocked off for repairs.

Sgt. Woldring re-directed the cars down 19th St. and three vehicles with sirens wide open drove down 19th St. in a race against time. The time was 11:12 a.m.

Arriving at the rear entrance to Holland Hospital Vanden Heuvel was rushed upstairs to emergency but was pronounced dead by physicians. The time was 11:18 a.m.

Barely 18 minutes had elapsed between the time the call for help was put in and the arrival at the hospital.

The youth was the son of Mr. and Mrs. John Vanden Heuvel of the McKinley St. address.

He was a junior at Holland Christian High School.

Make Life Purposeful, HHS Seniors Are Told

"Aim for a purposeful life, one with more than just a vocation or work," Holland High School graduates were advised at annual baccalaureate services Sunday afternoon in Hope Memorial Chapel.

The speaker was Dr. Richard Oudersluys, professor of New Testament Language and Literature at Western Theological Seminary, who chose for his text a translation of the Moffat Bible from St. Paul's Letter to the Philippians, "I pray that you may have a sense of what is vital."

"We can't ask anything more important than an insight of what is important. We must discriminate between the trivial and the important and treat both as they deserve. If we make little things important, by the same token we may make important things trivial, and all life gets out of focus," he said.

In urging a purposeful life, Dr. Oudersluys said too many people are bored with life, mainly because their purposes are not high enough and they do not follow a plan and pattern in which work, play and purpose bring happiness. "The only purpose for life is complete dedication to the service of God and to one's fellow men. There is abundant opportunity to serve in any craft, trade or profession and find abundant satisfaction."

He said it is futile to strive for happiness as a goal in itself, adding that a man's life is only the picture book of his creed. "Happiness is only the product of a good and rich life. Make your life a masterpiece, not a mixture or a mess," Dr. Oudersluys concluded.

A total of 240 seniors wearing maroon and white robes made a fine appearance as they marched down the broad aisle of the beautiful chapel. Adding further inspiration was the music of the a cappella choir under the direction of Willard Fast which sang Fast's own arrangement of the 23rd psalm, and the Liszt-Reboul arrangement of the inspired "Preludes to Eternity."

The Rev. Christian H. Walvoord of Third Reformed Church read scripture and gave the prayer. Mrs. W. Curtis Snow, college organist, played the processional and recessional.

Rash of Mishaps Reported in Area Thursday Night

Three accidents occurred in Holland area Thursday night, two of them sending victims to Holland Hospital.

Gordon J. Vander Kooi, 23, of 368 West 18th St., formerly of Zeeland, received a fracture of the left ankle and a possible broken back when his 1952 model car left the highway on US-31 three miles south of Holland about 8:30 p.m. Thursday. The car skidded and turned over several times before it bounced into a telephone pole, cracking it nearly off about six feet from the ground. Vander Kooi was taken to Holland Hospital and his condition was described as good Friday.

Deputy Henry Bouwman investigated the crash and listed Louis C. Wood of Covert as an eye witness. Wood said Vander Kooi was traveling at an excessive rate of speed tried to pass him but couldn't make it. When Vander Kooi pulled back to the right, his speed was so fast he was forced to take to the shoulder to avoid hitting the Wood car. The Vander Kooi car traveled on the shoulder for quite some distance, then hit a highway sign and raised a cloud of dust so thick Wood couldn't see the car. The Vander Kooi car flipped over several times scattering glass and other parts over the path before crashing into the pole.

Only one telephone wire snapped. The telephone company completed all repairs Friday. Bouwman estimated the car went about 100 yards after leaving the shoulder. Vander Kooi is a construction worker.

In an accident at 11:15 p.m., 15-year-old Robert Stewart, son of Mr. and Mrs. Charles Stewart of route 1, received lacerations to the chin, right arm and chest when the 1948 convertible in which he was riding left the road on 32nd St. and traveled 210 feet through brush and ditches before it overturned. The car was driven by his mother, Mrs. Mary Stewart, according to sheriff's officers.

Holland Hospital said Stewart's condition was good and he was released late Friday. Damage to the convertible was estimated at \$1,000. The accident occurred in the vicinity of the R. A. De Witt home.

Cars driven by Walter V. Nykamp, 29, of 349 Lakewood Blvd., and Al Bransdorfer, 27, Holland, were involved in a minor accident at 10:15 p.m. on South Shore Dr. near the Central Park store.

Bransdorfer was in the process of leaving a service station when the impact occurred and was given a summons by Deputy Nelson Lucas for interfering with through traffic. Damage to the 1947 Nykamp car was estimated at \$75. Bransdorfer's 1946 station wagon also was damaged.

Grand Haven Man Admits Tale Hoax

Cecil Sidney Long, 19, of 230 Clinton St., Grand Haven, started a 30-day term in Ottawa County jail Friday after pleading guilty to a charge of giving a false and fictitious story in Justice C. C. Wood's court.

The charge grew out of an investigation of a story that Long related to deputies Monday afternoon in which he said he picked up a hitch-hiker on Butternut Dr. and the man slashed his forearms when he refused to give him his car as he demanded.

Long had started for work in Grand Haven Monday afternoon at 1:30 and said he picked up the man about three miles north of Pine Creek. At that time he returned to Holland for first aid and then drove to the Holland police station where he reported the assault.

Officers searched the wooded area and homes in the vicinity for several hours Monday evening and again Tuesday.

Later they questioned Long and he finally admitted that he lied. He said in his confession that he drove to Sloan's pond, off the shore road, and slashed his own wrists with a single-edge razor blade, then drove back toward Holland.

Deputies said Long admitted he was "nervous and high-strung" at the time.

Traditions of wartime duty in the North Pacific ride with this sleek PCE 899, which docked at Kollen Park Friday afternoon. The craft is one of eight such vessels used on the Great Lakes for training Naval Reserve personnel. The eight officers and 70 enlisted men, along with a skeleton crew of regular Navy men, train for two weeks each year. The PCE 899 can train almost all rates in the Reserve program, including boat-swain's mates, gunners' mates, engineers, quartermasters with the exception of submariners and airmen.

Reservists Get Leaves From Training Chores

For the second time this year a large number of sailors were seen on Holland streets as a United States Navy PCE 899 on training cruise in the Great Lakes docked in Holland harbor. The ship entered Holland harbor 3:30 p.m. Friday.

The PCE (Patrol Craft Escort) is one of the eight ships of the Great Lakes Naval Reserve Training Squadron and a veteran of wartime weather patrols in North Pacific waters.

The ships operate on the Great Lakes throughout most of the year, cruising in the same manner as a destroyer squadron at sea. They are manned by civilian Naval Reservists who go aboard for a two-week tour of duty each year. Commander of the ship is Lieutenant LaVaughn C. Riley, a native of Luverne, Iowa, and veteran of war-time duty in the Pacific. Lieutenant Riley was aboard the aircraft carrier USS Vincennes at the time of the Doolittle raid on Tokyo, the battle of Midway and landings in the Solomon Islands.

After the sinking of the Vincennes, Lieutenant Riley saw duty with landing craft repair units, and was present in landings on New Georgia and Okinawa. Lieutenant Riley said the vessel has been declared open to casual visitors.

The ship was built at Portland, Oregon, and was commissioned in March, 1945 just shortly before VE day. She took her shakedown cruise in the San Pedro, Calif., area and then acted as weather ship for four years. Relieved of duty and slated to be decommissioned and put in "mothballs," orders were reversed and she was assigned to the Great Lakes Squadron.

She was recommissioned on April, 1950, and arrived on the Great Lakes in May of that year.

The PCE 899 displaces about 850 tons, and provides training facilities for eight Naval Reserve officers and 70 reserve enlisted men on each cruise. In addition to the reservists, a skeleton crew of regular Navy personnel is on board to aid in training.

The ship is 186 feet long, 33 feet wide at the beam, and draws about nine feet of water when loaded. Two powerful diesel engines push her along at an average speed of about 13 knots.

Used primarily for anti-submarine activity, the PCE has depth charge racks on her stern, and a "mouse-trap," a many-pronged forward-throwing apparatus which hurls depth bombs ahead of the ship.

Topside armament includes a 3 inch -50 caliber dual purpose gun effective either for anti-aircraft or surface fire, three single 40 mm mounts for anti-aircraft use, and four rapid firing 20 mm mounts. The ship left Monday.

Main Auto Hands Bareman Service Its Initial Loss

Big news in Holland City Softball League action Thursday night was the defeat of Bareman's Service—first of the season—by Main Auto. Score was 3-2 with the winning run coming in the last half of the seventh.

In the other game on Thursday's card, North End Tavern stopped Hulst Bros. in a tight one, 2-1.

Howie Glupker tripled for Main Auto to score Ernie Prince, who had singled, from third in the first inning. In the second inning the Autos tallied again on a hit, a wild pitch, an error and a passed ball. Those two runs looked mighty big until the fourth inning when Bareman's tallied twice on two walks, an error and singles by Bob Berens and Bob Borgman.

With the count knotted going into the last of the seventh, LeRoy Tucker led off with a single and advanced on an error by Bareman pitcher Norm Bos. He scored the game decider on a single by Mel Koenes with two out.

Each team had just five hits. For Main Auto it was Tucker with two out of three, Koenes, Prince and Glupker, one apiece.

Bob Berens had two out of three for Bareman's while Lou Altena, Bob Borgman and George Knoll each had one.

North End had just two hits off Hulst Bros. pitcher Dale Hulst but managed to eke out the win on a walk, an error, sacrifice and a passed ball that netted two runs in the second inning.

Hulst had scored its lone run of the game in the top of the first on a single by Kearney Zoerhoff, a walk, stolen base and an error.

Aside from those misplays, the game was a tight one all the way. Hulst had six hits.

North End pitcher was Ed Stille.

Hits for North End were both by Chick Zych who had two singles in two official times at bat.

Bob York paced Hulst Bros. with two out of three. Zoerhoff, Marv Lanser, Mel Zoerhoff and Dale Hulst each had one apiece for Hulst.

Demonstration Is Set for Shearing Of Scotch Pines

A follow-up demonstration on shearing Scotch pine for Christmas trees will be held Tuesday, June 16, at 7 p.m., three miles northeast of West Olive, it was announced today by William D. Miller, conservationist of the West Ottawa Soil Conservation District.

Held primarily to assist tree farmers with plantations which could supply Yule trees, the meeting will cover methods of pruning or shearing and insect control, and is sponsored by the Extension and Soil Conservation Services co-operating with the West Ottawa district. Paul E. Slabaugh, SCS forester, will acquaint growers with new techniques and review work done at previous times.

The demonstration will be held in a county forest located in Section 4 of Olive Township. To reach it, from highway M-50, travel south two and one-half miles from the Yellow Jacket and then west one-half mile. From West Olive go one mile north and two miles east on Stanton St.

Tree growers are reminded that now is the time to spray for European pine shoot moth. This insect is most commonly found in the new growth of red and Scotch pines and causes them to become stunted and shapeless.

A spray consisting of three pounds of 50 per cent wettable DDT to 100 gallons of water applied to the tips of the new growth and the infested tips is recommended. The addition of three pounds of Blackleaf 155 to the above solution will increase the effectiveness.

Open Port Sheldon Area to Public for Training of Dogs

Directors of the West Ottawa Soil Conservation District made some changes in the administration of the Coppersmith Farm located in Section 26-27; Port Sheldon Township. During past few years the Holland Beagle Club has received annual land-use permits for the training of dogs. At its last session the directors decided to open this area to the public for training of dogs.

In order to comply with state regulations a land-use permit was granted to the Holland Beagle Club for 1953. However use of the area is not restricted to members of this club.

The permit turns this area into a special dog training ground as provided in Act 82, Public Acts of 1947.

Dog owners throughout this section may train dogs subject to regulations of the Department of Conservation. Everyone is prohibited from coming on to this area with a gun. All hunting is prohibited.

The change in the director's program for administering this county-owned land was due to requests from some hunters for the right to train dogs. These men do not belong to the Holland Beagle Club.

Big Bats Boom In City Softball League Contests

Two four-run innings were more than enough Wednesday in City Softball League play at Van Tongeren field as Barber Fords romped over Holland Moose by an 11-2 margin.

First one was the third inning when Ken Bauman led off with a double to center field. Don Piersma flied out to second and dependable Al Piersma singled to shortstop moving Bauman to third base.

Bauman scored on Herb Wiersma's sacrifice before Piersma came in on Jud Vander Zwaag's single to center. Rich Wolters singled to right to score Vander Zwaag, and then scored on a double to left by Norm Boeve.

Al Piersma singled to start the seventh followed by Vern Fueder who did likewise. Piersma scored on another single by Vander Zwaag, and then Norm Boeve cleared the deck with a home run, scoring three runs.

Lone Moose tallies came in the seventh on a home run by Walt Hudzik and a couple of Ford errors that allowed Dale Boeve to get on base and eventually score.

Ford Norm Boeve held Moose to two hits, struck out two and walked none. He also slammed a home run, double and single. Don Sundin collected a double and two singles in five trips and Bauman had a double and single in three chances.

For Moose pitcher Bob Fortney gave up ten hits with no strikeouts or walks before relieved in the seventh by Jas De Vries who allowed four hits. Only hitters for Moose were Walt Hudzik with a homer and Ted Bos with a double.

Veterans of Foreign Wars' bats were also well primed Wednesday night in the second game as they trounced North Holland by an 8-2 margin. Vets scored four runs in the second and four in the sixth inning to easily make the necessary margin. In the second Al Glupker and Bob Schutt slammed doubles, Denny Kimber walked and John Wolters and Bill Franks singled to count the sixth tallies.

Scoring in the sixth started as Franks was safe on an error. Vern Vandewater singled to shortstop, Jay Hoffman and Al Glupker were safe on errors and later scored on a single to center by Bob Schutt. Four runs were brought around.

VFW pitcher Al Kraal allowed only three hits while striking out 13 men and walking none. The three hits were composed of two singles and one double, probably one of the better pitching performances this season in City league play.

Hitting for VFW was evenly spread, with Glupker and Schutt getting a double and a single. Franks pounded out two timely singles.

North Holland pitcher Bern Ebels allowed nine hits, struck out four, and walked two men. Earl Arenson had the best hit, a double to right field, while Cal Bosman and Ebels had singles.

Dutchmen Score 21 Times to Beat Trills Handily

Scoring 11 times in the sixth inning, the Holland Flying Dutchmen shellacked Trills Texaco of Grand Rapids 21 to 4 in a "contest" Monday night at Riverview Park, a contest the ump's decided to call in the seventh to save Trills further embarrassment.

Led by first baseman Tony Wentzel's three doubles and a single, the Dutchmen made 18 hits. Third baseman Morrie Witteveen got a homer and two singles, and Frank Wlodarczyk and Elmer Van Wieren also hit homers. Pitcher Lou Humbert got on base five times—twice on hits, twice on bases on balls and once on an error.

Humbert allowed only two hits and struck out 12, but he gave up seven free passes. These bases on balls figured heavily in all of Trills scoring. Humbert struck out six men in a row—the last two batters in the first inning, the side in the second and the first man in the third. The next man then went out short to first, but he got the final out on a strike-out.

Holland scored in every inning except the first. The Dutchmen made two runs in the second on two hits, two in the third of three hits, four in the fourth on three hits, two in the fifth on one hit and 11 in the sixth on nine bingles.

Wlodarczyk and Van Wieren hit their homers back to back in the sixth. Van Wieren's was a colossal clout—a 460 footer inside-the-park round tripper. Half of Holland's 18 hits were extra base blows, while Trills two hits were both singles.

Holland goes to Grand Haven Thursday to play the Grand Haven Merchants. This will be the final warmup for the Zeeland Chix Monday at 8 p.m. at Riverview—the first game of Southwestern Michigan Baseball League play.

The bride is the daughter of Mrs. Edgar C. Setter of 57 East 16th St. and the groom is the son of Mrs. J. Lester Essenburg of 15 West 20th St.

Arrangements of white gladioli, snapdragons and carnations decorated the church altar. The St. Francis De Sales Adult Choir, under direction of Mrs. Peter Van Hesteren, sang "Ave Maria," "Panis Angelicus" and "On This Day O Beautiful Mother."

Miss Dorothy Mikulenas of Grand Rapids assisted the bride as maid of honor and Edgar C. Setter, brother of the bride, attended the groom as best man. The 150 guests were seated by Kenneth Dykstra and Donald Klassen.

Lovely in her gown of white imported French lace and nylon tulle over satin, the bride was given in marriage by her brother Edgar C. Setter. Her gown featured a fitted lace bodice, long sleeves tapered to points at the wrists and a deep bordered peplum of lace which extended to a point in the train. Her fingertip veil of imported silk illusion was held in place by a cap of matching lace and seal pearls. She carried a bouquet of white roses and snapdragons.

The maid of honor wore a waist-length gown of ice blue nylon tulle over taffeta. A tulle jacket topped the strapless gown which was designed with a fitted bodice and full skirt. A satin sash circled her waist, with wide streamers at the back. She wore a pleated headpiece with a nose veil and carried a cascade bouquet.

Mrs. Setter chose a beige ensemble with matching accessories and Mrs. Essenburg wore a navy blue dress with navy and white accessories. They wore rose corsages.

In the afternoon, a reception was held in the Tulip Room of the Warm Friend Tavern. Sisters of the groom, Mrs. Kenneth Dykstra and Mrs. Jud Wiersma, were in charge of the gift room.

The couple left on an eastern wedding trip. For going away, the new Mrs. Essenburg wore a daffodil yellow linen suit with luggage brown and white accessories and a lavender orchid corsage.

Bareman Dropped From League Lead By Vet Pitcher

Bareman Service was dropped from first place slot in Holland City Softball League play Monday night at Van Tongeren Field. Rog Schutt pitched VFW to a 5-1 win. Schutt allowed just five hits while striking out five and walking one.

VFW jumped to an early lead in the first inning on a home run by Vern Vandewater followed by a double to right field by Jay Hoffman. Hoffman scored on a single by Al Glupker.

The Vets scored another run in the fifth inning on a single to left by Rog Schutt who stole second, went on an infield out, and scored on Vandewater's double to left.

Lone Bareman tally was set up in the sixth inning on Lou Altena's single. He went to second on George Knoll's single down the first base line and scored on a single to left by Jun Bremer.

Two insurance runs were counted by VFW in the sixth inning. Al Glupker slammed a homer. Larry Tibbets walked, went to second on Denny Kimber's single, got to third on fielder's choice and scored on a wild pitch.

The bats of Vandewater and Glupker were big guns in the Vet attack as they both counted home runs. Vandewater also slammed a double, while Glupker had a single.

Hoffman had a double and single in three times at bat, and Don Van Duren, Bob Schutt, Kimber and Rog Schutt had singles.

Bareman bats were effectively silenced, with Altena, Knoll, Bremer, Chet Warner and Borgman notching singles. Joe Berens was on the mound for the Service crew. He allowed 10 hits while striking out three men.

Scoring 10 runs on eight hits while holding Holland Moose to only two runs on five hits was enough to give North End Tavern a smashing 10-2 victory in the second game.

North End led all the way as the first man up, Lou Borgman, drew a walk, went to second on a passed ball, and scored on a single to left by Herk Cramer.

Two errors in the fifth inning set up another North End tally, putting Borgman on second base. This time he scored on a solid double by Dell Koop.

Moose started the comeback trail in the third inning as pitcher Bob Birce singled to center field. He went to third on a similar single by Stu Baker, and scored on an error by the shortstop.

In North End's fifth Cramer slammed a home run with one on, and they scored three more in the sixth to cinch the game. Moose made an attempt to come back in the sixth but could score only one run.

North End finished strong scoring three runs, one a grand slam homer by Ed Stille.

Stille's bat was all important in the North End victory, as he garnered a home run and two singles in four times at bat. Cramer had a home run and single in three trips to the plate. Bill and Ed Zych each had singles while Koop batted a double.

For Moose, Baker collected two singles in four trips, Paul Fortney a double in three tries, and Bob Birce and Walt Hudzik singles in two times at bat.

Ed Stille was credited with the North End win allowing five hits and five strikeouts while walking one. Losing pitcher Bob Birce gave up eight hits, struck out two, and walked three.
