STRAND THEATER

The House of Good Pictures

Today—William Russell in "Bare Knuckles"—a thrilling story of the North Woods country in which the refining power of a pure love regenerates a brute. Charley Chaplin Comedy "The Rink."

Friday and Saturday, June 24-25.—A special William Fox Sunshine comedy, "Skirts". A six reel comedy that is guaranteed to drive away worry and bring forth many hearty laughs. Ben Tupper comedy "High Art."

Monday, June 27th—Tom Mix in "The Speed Maniac". That well known western favorite in a gripping story of the west, filled with cyclonic and death defying action. A Strand comedy "A Fair Ex-

Tuesday, June 28th—Earl Williams in "The Purple Cipher"—adventure, alluring mystery and romance alone, are all packed into this intensely interesting story of the New York underworld. Not a serial, but a six reel feature with all the thrills and suspense used in that type of story.

Wednesday, June 29—Conway Tearle in "Society Snobs,"—yesterday a waiter—today a Duke—tomorrow? See what fate held in store for the hero of this unusual photoplay. Sunshine comedy, "Verse is Worse."

Thursday, June 30th—Eileen Percy in "Why Trust Your Husband?" A screen farce that's a scream. You'll laugh, and you'll finish with one continuous roar. Charley Chaplin Comedy "Easy Street."

TONIGHT GRADUATING EXERCISES OF HIGH SCHOOL OCCURS

Tonight is a big night for the graduating class of Holland High school.

At 8 o'clock this evening the program that has been arranged for will begin. Ninety-five pupils will receive diplomas and several prizes are to be given out. The exercises are to be held in the High school auditorium. The program and list of graduates follow below:

Processional.....
Invocation.....Rev. P. E. Hinkamp
Prof. Bible and Philosophy,
Hope College
"Spring Song".....Rudolph Sinnhold
Senior Members of Girls' Glee Club
Salutatory (average grade for four years 95.758).....
Janet Dorothy Albers
Address.....Hon. T. E. Johnson
Supt. Public Instruction for Michigan
Violin Solo—"Romanza Adagio".....
Sarasate.....Ruth Keppel
Director of H. S. Orchestra,
Acc. by Gertrude Kramer
Valedictory (average grade for four years 95.854).....
Mary Frances Donnelly
"Rosebuds".....Adam Gelbel
Senior Members of Girls' Glee Club
Presentation of Diplomas.....
Dr. A. Leenhouts
Awarding of Prizes.....
Principal J. J. Riemersma

Prizes—
George E. Kollen Memorial Prize for Public Speaking; Mrs. George E. Kollen Prize for Domestic Art; Henry Geerlings Prize for Citizenship; Fred T. Miles Prize for Commercial Law; Bolhuis Essay Prize. Presentation of Class Memorial.....
Paul Herbert Van Vleet
Acceptance of Class Memorial.....
Doxology

Following are the list of graduates, the named marked with a star is the young man who unfortunately was drowned on the eve of his graduation.

Virginia Evelyn Adams
Wilfred Armbruster
Janet Dorothy Albers
Martha Barkema
Lambertus Eugene Beeuwkes
Hartger J. Borgman
*Joseph Burns
Russell William Burton
Esther A. Bazzan
Harvey Barkel
Agnes Blocker
Dena Bouwman
E. David Boyd
Mildred C. Brown
Justin L. Bussies
Harold L. Cook
Gertrude De Fouw
Harold E. De Free
Frank Roosevelt De Young
Mary Frances Donnelly
Margaret Mary Donnelly
Julia Cecelia Dryden
Esther L. Dyke
John Forsten
Martha Anne Gabbard
Grace Dawn Gardel
Henry Glupker
George H. Hill
Ruth C. Hardie
Richard H. Harkema
Edith M. Harrington
Mary Ella Harrington
Adelia Heneveld
Vera E. Hiler
Ruth M. Hoekstra
Frances Anna Howlett
Grace Klomparsens
Jacob Kobes
Elizabeth Kraai
Geneva Kamper
Chester Kameraad
Hans J. Kautson
Dona Marie Loew
Marjorie Dorothy Mc Bride
Marvin Ellsworth Maria
Mary Meppelink
Oscar J. Ming
Amy Evelyn Mulder
Huldah A. Nies
Henry Oosting
Gladys Mae Orr
Esther M. Prakkien
Deane W. Pelgrim
Mary Irene Pieters
Angeline Poppen
Beatrice Maas Rooks
Philip B. Reimold
Wilhelmina Rinkes
Richard Roosien

EXCHANGE CLUB HEARS FROM ITS MILK EXPERIMENT

The Exchange club held its last regular meeting before the summer vacation Wednesday noon.

For some months past the club has been testing out an innovation in Froebel school under their supervision. Each pupil in this school was furnished with a pint of milk each morning and a close check was kept on the weight and general health of the children.

Miss Koertge's report was read at the meeting and a marked improvement in the health and weight of the children was noted as compared with the children in one of the other schools where milk was not dispensed, which was used as a check on Froebel school. Supt. Fell was present at the meeting and spoke in high terms of the experiment, stating that he was convinced of its practicability and urged that it be continued during the coming school year, and that it be extended to the children in the rest of the schools if possible. A committee was appointed to work out ways and means for this purpose.

Mayor Strahan spoke briefly on the convention to be held in this city June 1922, when Holland entertains the League of Michigan Municipalities.

It was decided to hold the annual picnic at Tennessee Beach on Wednesday, July 13th, and committees were appointed to make arrangements.

The annual election of officers took place with the following result: Sarah McLean, president; Woman's Wishers, vice-president; Clarence Tokker, secretary; Otto P. Kramer, Treasurer. The three directors elected were F. T. Whelan, A. A. Vischer and J. A. Vander Veen.

The following speeders paid \$8.70 each to the different justices of Holland: Claire Vining, 30 miles on River avenue, William Sellers, 30 miles on Fivern avenue, George Zuberger, 29 miles on River avenue. Speed Cop Peterson made the arrests.

The 4th prize winning essay on home building by John Albers was omitted from this week's issue because of lack of space. It will appear in next week's issue.

FORD CAR THIEF IS APPREHENDED IN GRAND HAVEN

The Ford car stolen from Ver Hage, an employee of the Cappon Bertsch Leather company of the North Side, has been picked up at Grand Haven.

A young man who came from Holland drove through the county seat at 3 o'clock this morning and one of the night patrolmen, seeing that he had only one license number started an investigation and discovered that the young Holland lad had no driver's license and admitted that he had thrown away the Ford license and had replaced one of them with a license plate that he had stolen from a Dodge car.

The young man was locked up and will be taken to Holland this afternoon for identification.

He refused to give his name when arrested.

Sheriff Fortney arrived in this city with the young man who stole the Ford car and who refused to give his name, but it was found upon his arrival, that he is Richard Stykstra, whose parents live in this city. Policeman Klommel, the man who caught Stykstra will be given the \$25 reward offered by Chief Van Ry.

Another man arrested by the Holland police in connection with the Ford robbery is Louis Wierda, also of this city. Altho he does not admit stealing the car, he claims to have taken part in stealing the Dodge license number from a Dodge car in Zeeland.

Quite a mess aside from the automobile stealing has taken place in this family.

Mrs. Richard Stykstra was sent up this morning to the county jail for being a disorderly person. She is the wife of the man who is alleged to have stolen the car, and a sister to the man who purloined the license number.

A pal of Mrs. Stykstra, a girl of 17 years by the name of Reka Van Munster, was sent to the county jail for 60 days on the charge of being a disorderly person.

Both women pleaded guilty to the charge.

Chief Van Ry states that he has had considerable trouble with these women, catching them red-handed soliciting on the streets, and that often they were found sleeping in barns and other uncalled for places.

FORMER HOLLAND BOY NEARLY LOSES LIFE IN WRECK

A former Holland boy named Al Rottschaefer, son of John Rottschaefer, former contractor of Holland, now of Grand Rapids, had a narrow escape from being killed by a Pere Marquette train coming to Holland at the Ivanrest crossing.

The young man is a truck driver for his father's plant, called the Standard Builders' & Supply Co.

Rottschaefer was within ten feet of the crossing and was meeting another truck from another lumber company when the train plowed thru both trucks, both drivers jumping just in time.

The trucks are only fit for the scrap heap.

Any Holland resident who chances to take a stroll near north of Black lake may happen on a very sorry looking vehicle which is an ancient coach of the old Grand Rapids, Holland and Chicago railroad. A representative of this paper who happened to go that way the other day could not imagine how the old car ever got there, since there is no railroad track within at least a mile of the spot.

The reporter approached the scarecrow and discovered that it was the domicile of two weary Willies, who at that time were fast asleep on a pile of straw. In one corner was a rusty sheet iron stove. Two soap boxes, a rickety three legged table and a mirror of uncertain shape completed the furnishings of the strange abode. From within came a chorus of rasping moans.

County Clerk Orie Sluiter went out fishing the other day in Grand river and caught ten bass and 16 pickerel. We say that Orie is some Isaac Walton.

LARGE CLASS TO GRADUATE FROM CHRISTIAN SCHOOL

This evening at 7:45 the commencement exercises of the School for Christian Instruction will be held in the Central Avenue Christian Reformed church. The public is cordially invited to attend these exercises. The school has had a very successful year and the class of 60 graduates is one of the largest ever graduated.

The following program will be given tonight: processional; invocation, president of the board; recitation, "A Boy's Speech," Andrew Nyboer; reading, "The Two Weavers," John Tuls; song, "Birdies' Lullaby," 2nd graders; recitation, "Can You Guess?" Margaret Hoogstra; instrumental trio, Allen Heeringa, Edwin Heeringa, and Henry Van Dort; reading, "Mother's Mistake," Kathrine Hills; "A Lullaby," Little Mothers; recitation, "A Boy's Pocket," Julius Drost; exercise, Kindergarteners; song, "The Morning of Life," Wilhelmina Dykstra, Willis Drost, Ruth Steggerda, Wm. Kesters, Flora Van Iwaarden, and Andrew Smeenge; "Daisies Nodding, Dandelions Swaying," offertory, 1st graders; reading, "The Architect of the Amphitheater," Clarence Pot; prize essay, "My School Days," Christine Holkeboer; reading, "When the Minister Comes to Tea," Lyman Jellema; A Class Reunion, class of 1921; address to graduates, Rev. J. Vander Kieft; presentation of diplomas; farewell song, class; benediction.

Following is the class roll:—

Class Roll

Aggie Baas, Wilhelmina Bareman, Andrew Bejman, Gertrude Jeanette Boersma, Louise Bos, Henry John Boss, Albertha Brat, Katherine Brat, Arthur J. Cook, Anna De Graaf, John De Vries, Willis J. Drost, Nellie Annetta Dykstra, Wilhelmina Dykstra, Mary Gallen, Henrietta J. Grissen, Allen Jacob Heeringa, Henrietta Heerspink, Katherine Elizabeth Hills, Christina Holkeboer, Adrian Jacobusse, Susanna Jacobusse, Lyman Ira Jellema, Ella Klaasen, Harriet Knoll, Josephine Knoll, Percy James Knoll, William Clarence Kesters, Harry Lemmen, Martin Michielson, Gerrit Overweg, Jeannette Plockmeyer, Clarence Pot, John Jay Prins, Henrietta Risselada, Marie Schaap, Gerrit Schipper, John Schreur, Albert Seane, James Sinke, Geneva Leona Steinfort, Andrew Smeenge, Cornelia Streur, Ruth Steggerda, Beatrice Timmer, John Henry Tuls, Fannie Unema, Ruth Van Coevern, Dorothy Vander Heuvel, Alice VandenBerg, Ada Van Faassen, Flora Van Iwaarden, Ida Vander Ploeg, John Vander Ploeg, Jennie Van Putten, Edith Visser, Gerredena Vogelzang, Rena Vos, Adrian Westerhof, Martha Windemuller.

The following pupils of the School for Christian Instruction were neither tardy nor absent during the school year, 1920-1921:

Vernon Reidma, Ida Sturing, Ben H. Timmer, Harvey VanderArk, Hazel Westrate, Peter Baas, Gerald Deur, Adrian Vandersluis, Thelma Reidma, Lavina Van Wieren, Fred Geers, Isla M. De Goed, Edwin Heeringa, Jacob VanDyke, Mildred Deur, Benj. Frens, Mina Vander Bie, Herman Jansen, James Baas, Angie Dykema, Theresa Vander Heuvel, Marvin Tinholt, Tena Bonselaar, Albertha Geers, Henrietta Heerspink, Harry Lemmen, Henrietta Risselada, Marie Schaap, Allen Heeringa, Katherine Hills, Albertha Brat, Jeannette Plockmeyer, Ida VanderPloeg, Edith Visser, Leon Bosch, Gertrude Joldersma, Harold Dekker, Catherine Selles, Dorothy Einink, Nicholas Moll.

"The Dwelling Place of Light," by Winston Churchill, at the Colonial last night drew a large audience and was enjoyed by all. The Mermaid comedy was especially good. One of the best pictures of the season, "Excuse My Dust" with Wallace Reid, will be shown Friday and Saturday. This picture was adapted from the Saturday Evening Post story, "The Bear Trap," and is considered one of the best pictures that the breezy star ever appeared in. There will also be a good comedy and Pathe News.

STRAND THEATER WILL HAVE NEW MANAGEMENT

The Strand theater changed hands Saturday and from now on it will be conducted under a new management. This popular theater which for a number of years was the only one in the city, has been leased by Maurice E. Hanna and E. P. Moran of Ann Arbor. The new managers took possession Monday, and Saturday night Mr. J. W. Himebaugh stepped out into retirement. Mr. Himebaugh will continue to make his home in Holland but he will retire from active business.

Both Mr. Hanna and Mr. Moran are old hands at the theater business, although they are both of them young men. Both have been operating a theater in Ann Arbor for some years, and they also at one time conducted a theater in Detroit. In Ann Arbor they ran the "Arcade" for some years, probably the best known amusement house in that city. The new managers of the Strand have been in close touch with the theater business for eight or nine years and they understand the picture show business from the start to finish. Before becoming affiliated with the "Arcade" in Ann Arbor, Mr. Hanna was stage manager of the "Majestic" in that city.

Both Mr. Moran and Mr. Hanna were students at the University of Michigan at one time, from which they went into the show business, which they have followed with conspicuous success ever since. They declared that they wished to become closely identified with Holland in every way and make this city home. They will continue the business at the Strand along the same line in which it has been conducted by Mr. Himebaugh and will make changes and improvements from time to time as circumstances dictate them.

MAY YET IMPROVE SAUGATUCK HARBOR

In spite of an unfavorable recommendation by the government engineers as to dredging the channel at the entrance to Saugatuck harbor, the work may yet be done. There is an unexpected balance of \$3,000 to the credit of this harbor, which is about half the amount needed. The Washington authorities have agreed to expend this, provided a similar amount is raised by those directly interested in the work.

BOYS NOW HAVE OWN DRINKING FOUNTAIN

Work has been completed on installing a new drinking fountain near the boys' bleachers on the baseball grounds, and after this the boys who watch the games on free passes will not have to bother the grognups when they want a drink which is often with healthy boys. The boys bleachers are now entirely in shape with the exception of putting roofing over the top, which will be done next Wednesday evening by George Mooi and his men. They will also put roofing over the bleachers.

The baseball management gives assurance that parents can safely allow their boys to watch the games as the bleachers are fully protected not only with net wire, but there will be a man at each game watching out for the boys and supervising their bleachers.

Until now the management has been lenient about allowing boys to enter without passes because the supply of passes was limited. But there are plenty of passes now and no boy will be admitted after this without a pass.

ACTING POSTMASTER IS AP- POINTED AT SAUGATUCK

A dispatch from Washington announces that R. W. Clapp is at once to be appointed acting postmaster at Saugatuck, in place of Melbourne Powers, who insisted on being relieved of the responsibility immediately. On Monday Congressman Ketcham wired six Saugatuck Republicans, representing all factions, asking them to agree in recommending some one for temporary appointment. All agreed that Mr. Clapp, during the time he has had practical charge of the office, has conducted it efficiently and to the satisfaction of the patrons, and there was no hesitancy in signing a telegram unanimously requesting his appointment. A civil service examination is to be called later to select the permanent incumbent.

ZEELAND ICE MAN DRIVES TRUCK OVER OWN DAUGHTER

A gruesome accident happened in Zeeland Friday evening at about 8 o'clock when Edward Hall, the driver of an ice truck, drove over his own little three-year-old daughter and crushed the life out of her with his heavy truck. Mr. Hall was turning the unwieldy truck around in his yard when the little girl took hold at the back trying to steal a ride. She fell off when her father, not knowing she was there, began to back up. The wheel of the truck passed over the little girl's head and death was instantaneous.

The arrangements for the funeral have not yet been made.

PERE MARQUETTE BELIEVES IN OR- DERING COAL

The officials of the Pere Marquette apparently think that to be forewarned is to be forearmed. They no doubt believe that because last winter was a mild one, it doesn't always hold that the winter following will be.

The Pere Marquette is building a coal mountain at Waverly. Daily it is unloading large numbers of Hopper cars, dumping the fuel into a large heap. The heap is already from 12 to 14 feet high and the track is so laid and hoisted by way of jacks that a car of coal can be shunted on top of the heap and then dumped.

DRENTHÉ BOY GETS FREE TRIP TO STATE FAIRS

Lawrence De Vries of Drenthe is the fortunate eighth grade scholar who will enjoy a week's trip to the state fair at Detroit, September 5-9. Mr. De Vries is from School District No. 3 of Zeeland township and he won the trip by reason of passing the best eighth grade examination in the county, together with the best standing in a set of questions submitted by the fair association. Each year one pupil from each county of the state is awarded such a free trip. The teacher of the school that won this honor this year is Miss Jean Nyenhuis.

Second honors went to Herman A. Kruizenga, of School District No. 1 of Spring Lake township. Kruizenga has been named alternate and he would take the trip in case De Vries should be unable to go. The teacher in this latter school was Charles Sedgman.

"BOOMERANG" DED- ICATED TO MISS ANNA S. KOLYN

"The Boomerang," the annual publication of the High school is this year dedicated to Miss Adriana S. Kolyn. Miss Kolyn's picture forms the frontispiece to the volume and the following dedicatory inscription is found under the cut: "To Miss Adriana S. Kolyn who, with tireless energy and unflinching loyalty has devoted herself to the interests of our High school, whose sympathy and understanding has been felt in the hearts of the class of 1921, this Boomerang is affectionately dedicated."

The "Boomerang" this year contains 126 pages. It is beautifully printed on heavy paper and is profusely illustrated. There are in it individual cuts of the members of the faculty, of the high school seniors and group cuts of several school organizations. The book contains a short class history, a class prophecy and descriptions of various organizations as well as stories of events during the past year.

BUSH & LANE FACTORY PRO- DUCES NEW SMALL GRAND

At the music convention in Chicago recently one of the most notable exhibit of pianos and player pianos was that of our own Bush & Lane pianos made in our city.

To supply the present-day demand for a small Grand piano a new style was drawn up and produced by Mr. Walter Lane and his associates at the Bush Lane factory. It is a dainty style with a plain case of beautifully figured mahogany. The tone qualities have not been sacrificed for smallness of size, but when it is placed in a corner it takes very little more space than an upright piano placed across the corner of a room.

One of the first models produced is now on display at the Meyer Music House, representatives in Western Michigan for the Bush & Lane.

TO LAY CORNERSTONE OF MASONIC TEMPLE ON AUGUST 6TH

The date for the laying of the cornerstone of the proposed new Masonic Temple has been fixed by the building committee as Saturday, Aug. 6. Invitations are out to the Masonic bodies throughout Michigan to be represented at ceremonies to be held on that occasion. Holland will be host to Masons from all over the state and it is expected that on the occasion of the laying of the cornerstone there will be a regular field day of Knights of Templars in this city.

The speakers have not yet been decided upon but they will be announced soon. Osgood & Osgood of Grand Rapids, architects, are now drawing the plans for the new building and they will be ready in a few days to exhibit them. Osgood & Osgood have drawn plans for more Masonic buildings than probably any other firm of architects in America. It is expected that ground for the new building will be broken within a few days.

SEVENTEEN HOPE CO-EDS WIN THEIR H's

Seventeen Hope college co-eds have been awarded sweaters by Coach J. H. Schouten in physical training, the first time in the history of the institution. The requirements in the course comprise a hike of 20 miles a week or four miles a day, 10 hours of basketball, 10 hours of indoor baseball, 10 hours of tennis and electives in swimming, canoeing and hockey a general average of 80 per cent in all studies and not less than 70 per cent in any particular branch. Before any student was eligible a course of 15 different sets of calisthenics was required. The girls were put upon the honor system and their weight was registered weekly upon a chart.

Those who won the sweaters are: Mabel De Jonge, Dea Ossewaarde, Cornelia Ossewaarde, Olive Boland, Jeanette Vander Ploeg, Margaret Van Donselaar, Jennie Van Dam, Henrietta Althuis, Lucile Vander Warf, Mildred Temple, Frieda Guneman, Swanina De Young, Jeanette De Young, Agnes Vander Wal, Frances Mills, Maxine McBride and Sadie Kuiper.

PRESENT SCHOOL WITH A FINE MEMORIAL

The senior class of Holland High school has presented a class memorial to the school in the form of a beautiful picture entitled, "Indian Shepherd." The picture was purchased for the school at a cost of \$150 and the money was part of that raised some months ago by having the class play, "Mary Jane's Pa." That play netted the class about \$600. The rest of the money was donated to the school in the form of equipment for the gymnasium and for the science department. Every cent of the money made by the play has been turned back into the school in one form or another.

The class memorial picture has been hung on the west landing of the corridor. The auditorium has become so crowded with pictures that were class memorials that the corridors are being used for wall space.

CITY LIGHTS GO OUT FOR HALF AN HOUR

At 20 minutes after 10 Friday night a small defect in the fuse at the local light plant, put Holland's lighting system out of commission for about half an hour.

The Strand theater was just letting out, so it didn't effect this institution. In the Colonial the reel had about ten more minutes to go and the audience had to miss the "loving and living happy forever after" part of the reel.

At the high school the faculty were entertaining the Seniors with a lawn fete in which long strings of electric lights covered with Chinese lanterns played an important part. Well, the lights went out and the balance of the party had to be held in the beautiful moonlight.

For a short time citizens had to substitute candles for the regular electric lights.

HOLLAND GIRL ATTENDS ARMOUR WEDDING

Miss Ernestine Windeknecht formerly of Holland, was a guest at the marriage of Miss Leota Armour, the richest girl in America, whose wedding took place in Chicago last Saturday. Miss Windeknecht was formerly bookkeeper at the Buss Machine Works, and at present she is private secretary of J. Ogden Ar-

Farrand
Kohler &
Campbell
Kingsbury
Wellington
A. H. Meyer
and other good Pianos

The secret of the worth of the pianos and player pianos we offer, lies far beneath the case.

No instrument, however beautiful to look upon, justifies your consideration unless there is real workmanship and materials back of its beautiful covering.

It is the part of the piano you cannot see that actually measures its merit—its mechanical design, its scale, its sound board construction, its strings, its hammers.

Every instrument on our floors is the product of reputable makers, pianos selected for our customers' protection by expert buyers who know intrinsic piano worth.

There is no need for your making a mistake in your piano purchase. You can choose any instrument at Meyer's and be certain of full value and satisfaction.

Meyer Music House

HOLLAND MAN WEDS KANSAS GIRL

The Halstead Kansas, Independent, contains an account of the marriage of John Paul Visscher of Holland and Miss Grace Yeomans. The article follows:

The marriage of Miss Grace Julia Yeomans, daughter of Mrs. Charles H. Yeomans, and John Paul Visscher was solemnized at the First Methodist church, Tuesday evening, June 14th, at 7 o'clock.

At 7 o'clock, Dean Remick, graduate of the School of Music of Chicago and at present head of the Conservatory of Music at Eureka Springs, Ark., played a piano solo, followed by a vocal solo, "Beloved is My Home," by Miss Elizabeth Hess.

Mrs. C. A. Yeomans, sister-in-law of the bride, played the wedding march, "The Bridal Chorus" from Lohengrin very slowly; the ministers, Rev. W. B. Robertson of Medicine Lodge, Kan., and Rev. P. C. Herbert, the local pastor, entered from the side door and the groom and the best man, Alex McBurney, nephew of the bride, entered from the left. The ushers, Lloyd McBurney, Albert Schriver, Robert Frizzell and Edward McBurney then started up the aisle from the front, followed by the four bridesmaids, Katherine Schriver, Ruby Dettweiler, Dorothy Smith and Ethlyn Barnes. Then followed the maid of honor dressed in a tea rose chiffon gown with a large hat of lace and roses.

The ring bearer, little Louise Yeomans, niece of the bride carried the two rings in a rose. The two flower girls, Blanche Yeomans and Mary Elizabeth Eidson, nieces of the bride carried baskets of roses which they scattered along the aisle. They were dressed in white organdy with pink organdy hats. As it was a rose wedding the bridesmaids were dressed in rose shades of organdy with large organdy hats, carried bouquets of roses and snap dragons to match their gowns. The bride wore a costume of white satin with an over-drape of fillet lace and pearls and a veil of bride's illusion. The bride entered the church on the arm of her brother, Mr. C. A. Yeomans, who gave her away.

The double ring ceremony was carried out by Rev. Robertson and Rev. Herbert. Miss Hess sang "Because," and Dean Remick rendered another piano solo. The party passed from the church to the strains of Mendelssohn's Wedding March.

A reception followed the ceremony at the home of Mrs. Yeomans on south Chestnut street. Miss Anna Dyck, Walter Dettweiler and Dean Remick furnished the music which added much to the pleasures of the evening. The lawn was lighted so that the large number of guests could be accommodated.

The bride is well known in Halstead, having lived there all her life except a few years spent away attending college. She is a graduate of Halstead High School and of Hope College at Holland, Michigan. Mrs. Visscher is a young lady of admirable christian character, is possessed of a pleasing personality and a general favorite with all who enjoy her acquaintance.

Mr. Visscher is a graduate of Hope college, after which he entered the Johns-Hopkins University on a scholarship where he received his Master's Degree. During the war he served as a lieutenant in the Chemical Warfare Service where experiments were conducted on the new poisonous gases. His summers have been spent at Gold Spring Harbor, Long Island and Woods Hole, Mass., at which places biological experiment stations are located.

The bride and groom left Wednesday for St. Louis, Mo., from where they will go to Wood Hole, Mass., a town on the New England coast on the shores of Cape Cod, where they will spend the summer. Enroute they will go by boat from Detroit to Buffalo and after a short visit there will leave for Albany, where they embark for New York, passing the Palisades, West Point and other beautiful spots along the Hudson. After a short stay in New York City they will sail for Woods Hole, passing the Battery, the Statue of Liberty, Brooklyn Bridge, out from Long Island Sound in the vicinity of Martha's Vineyard to Woods Hole.

After October first they will be at home in St. Louis, Mo., where Mr. Visscher is professor of Embryology at Washington University.

Dick Stoketee was in Grand Rapids Monday on business.

Miss Rae Belker is spending this week in Grand Rapids.

BECOMES BRIDE OF HOPE INSTRUCTOR

A quiet and beautiful wedding was solemnized Thursday afternoon at 4:30 o'clock at the home of Mr. and Mrs. J. G. Kronmeyer, at 32 West 18th street when their daughter, Gladys, was married to Mr. Clarence Kleis. Rev. A. Vanden Berg performed the ceremony, the beautiful double ring service being used. Lois Jane Kronmeyer was flower girl and Sylvia Mae Kronmeyer was ring bearer. Charlotte Ruth Strabbing sang "O Promise Me." The bride was dressed in white satin with georgette crepe and carried a large bouquet of bride's roses and swansonias. The rooms were tastefully decorated with palms, ferns and roses. After the ceremony an elaborate luncheon was served on the shady and spacious lawn. The bride is a graduate of Holland High school and taught in the Hamilton public school for the last two years. The groom is a graduate of Hope College and was principal of the Saugatuck High school during the past year. He has accepted a position in the Hope College Preparatory school for 1921-22. The happy couple are now on a honeymoon trip to Niagara Falls and Buffalo, N. Y.

HOLLAND GIRL WEDS GRAND HAVEN MAN

At 7:30 Thursday evening Miss Rolena Olert was wed to Nelson Poole of Grand Haven, at the home of Mr. and Mrs. Henry Olert, 280 West 14th street. The marriage was performed by Rev. J. R. Brink, uncle of the groom, with little Miss Anna Yonker, niece of the groom, and Master John Olert, Jr., nephew of the bride, acting as the ring bearers. Miss Albertha Olert acted as bridesmaid, while John Voshel of Grand Haven was the groomsmen.

The bride was beautifully dressed in white crepe de chine and carried a large spray of bride's roses.

Fred Olert, a brother, presided at the piano, played Mendelssohn's Wedding March.

After the ceremony, Miss Hazel Kuhl sweetly sang, "I love you truly."

Only immediate relatives and very intimate friends were present.

The couple are now on a wedding trip, but will be at home to their friends after July 4. They will live at Grand Haven where Mr. Poole has a responsible position with the Keller Tool Works.

The bride has many friends in this city, graduating from Holland high school in 1913. She studied two years at Hope college, and for a time taught in the local public schools and later in a school in So. Dakota.

MEMBERS OF LOCAL UNIT TO GO TO GRAYLING

Late Saturday night the officers and some members of the local unit of the National Guard left Holland for Grayling where they will attend a four days' school in preparation for the summer camp for the whole company that is to be held at Grayling August 10 to August 25. Those included in the party leaving Saturday night are the officers, ten sergeants, the company clerk and company cooks and mechanics. The local unit is now composed of 75 men, five new men having come in this month. The nearness of the time for the camp at Grayling is bringing in a number of recruits. The ranks however are nearly filled as the capacity of the unit is 81 men.

All the equipment for the local unit has arrived and it includes some extremely delicate instruments, such as a range finder, clinometers, lensatic compasses, prismatic compasses, Graph Trajectory, Corsellis rule, Hipt-Brown Corsellis, declinators, night firing boxes, aiming stakes, panoramic sights for Browning machine guns.

The company has four Browning machine guns, 81 revolvers, tentage for the entire company, including ten long pyramidal tents and 81 pup tents. Uniforms have arrived for the entire company of 81 men. Besides that, the government has sent a large amount of kitchen utensils, tent stoves, etc.

Ever since March 22, when the local unit was organized, the men have drilled faithfully at least once a week, and sometimes twice a week, the drill nights being Monday and Friday nights. The men are working hard to make a good showing at the summer camp at Grayling in August.

BECOMES BRIDE OF IOWA BUSI- NESS MAN

Trinity Reformed church was the scene of a beautiful wedding Thursday morning at 10 o'clock, when Miss Jedidah Ossewaarde, daughter of Mrs. Ossewaarde, 408 College avenue, became the bride of Mr. George De Ruyter of Sioux Center, Iowa. The wedding altar and arch were beautifully decorated with masses of wild ferns and daisies, vines and palms. Preceding the wedding ceremonies an organ program was given by Miss Susanna Hamelink. The lovely wedding procession approached the altar to the strains of the Wedding March from Lohengrin, also played by Miss Hamelink.

The bridesmaids, Miss Cornelia Ossewaarde, Miss Kathryn Prakken, Miss Olive Boland, Miss Margaret Donzelaar and Miss Magdalene De Young wore gowns of orchid, peach and apricot organdy, with hats to match. They wore corsages of sweet peas. The bride's sister, Mrs. J. H. Stahl of Chicago, was the matron of honor and wore a gown of yellow charmeuse with hat to match. Mrs. Stahl wore Ophelia roses. The little flower girls, Jean and Wilhelmina Walvoord were attired in yellow organdy dresses and carried baskets of daisies tied with tulle bows. Little Evadna Van Steenberg and Lester Wassenaar were the ring bearers and were guided by a daisy garland held by Magdalene De Young.

Mr. J. H. Stahl of Chicago, brother-in-law of the bride, was the groomsmen, and the ushers were Henry Mol, Evert F. Flikkema, Gerrit Wassenaar, Henry Oosting and Meinte Schuurmans.

The bride was lovely in a simple gown of accordion plaited georgette crepe and a tulle veil banded with a coronet of pearls and orange blossoms. The bridal bouquet was composed of white roses, swansonias, and lilies of the valley tied with showers and tulle. The bride was given away by her mother, who wore a grey crepe meteor gown with hat to match and a corsage of orchids and orchid sweet peas.

The Rev. C. P. Dame pronounced the marriage ceremony. Miss Helene Vander Linde sang "At Dawning," and Mr. Teunis Prins sang "Until."

A wedding breakfast was served after the ceremony to the bridal party and the immediate families and friends, at the home of the bride's mother. Mr. and Mrs. Wm. Van Steenberg of Grand Rapids acted as master and mistress of ceremonies.

The bride is a Hope College graduate. She took her first year of college work at Park College, Kansas City, Mo. and then came to Hope where she was president of the Y. W. C. A., president of the Delphi society, editor-in-chief of the Milestone, coach of the Senior play, secretary of the Dramatic Club, and a member of the Student Council.

The groom was formerly a student of the Y. M. C. A. and a member of the varsity basketball team. He also spent a most successful year in Y. M. C. A. work in El Paso, Texas. He is now in business in Sioux Center, Ia., where the bridal couple will make their home and where the bride's father the Rev. M. Ossewaarde, had his last charge.

The out-of-town guests were: Mr. and Mrs. J. De Ruyter from Sioux Center, Ia., Mrs. A. A. Moore, Muriel Moore and Martin Moore from Central City, Ia., Mr. and Mrs. J. De Young and family from Kalamazoo, Mr. and Mrs. J. H. Stahl from Chicago, Adrianna Ossewaarde from Seattle, Wash., and Mr. and Mrs. W. Van Steenberg from Grand Rapids.

HOLLAND GETS LARGE CONVENTION NEXT JUNE

Holland will be host to some illustrious men in June 1922.

At the convention of the League of Michigan Municipalities, held at Kalamazoo, it was decided that the next convention would be held in Holland.

Many cities made bids for the convention but the diligent work of Mayor Stephan and City Clerk R. Overweg, who were delegates with the aid of newly made friends at Owosso, combined with the fact that Holland has a paying municipal light plant, giving the consumers an exceptionally cheap rate, all entered into landing the convention for Holland.

The mayor went armed with a bundle of 1920 reports of our local light and water plant and these he distributed among the delegates

present.

But the fame of the plant combined with its thorough organization was known long before these reports arrived. The Holland men were greeted on every hand, by the mayors and representatives of other cities who asked "how is that wonderful electric light plant getting along?"

Mayor Stephan in making a comment on the landing of the convention, stated that altho Holland worked hard to get the meet here, the thing that made it possible more than anything else was the fact that these municipal men from other cities wanted to see our illumination plant and wished to get first hand information just how Holland managed to build a \$750,000 plant out of its earnings, while at the same time giving the consumer an extremely low rate.

The municipal league embraces all the principal cities of Michigan and the councils of these cities send to these conventions from one to six representatives. Included among those representatives are the mayor, city clerk, city attorney, and an alderman or two.

The experiences of the different cities are told by these representatives and some valuable suggestions are thus gained and many municipal pitfalls are often avoided.

For example, in the last legislature certain interest did its best to foster the Ausborn bill which contained a clause giving the State the power to set aside the Home Rule bill, and by so doing, could for example, regulate the rates of Holland's electric light plant. Naturally Mayor Stephan, and City Attorney McEwen went to Lansing and fought this measure together with other members of the Municipal League.

It is to fight such legislation and to better municipal conditions everywhere that this league has been organized.

In order to get concerted action, however, a committee of seven mayors and city attorneys have been appointed by the League of which E. P. Stephan of Holland is one. When the officers of the league were elected, City Attorney Taggart of Grand Rapids was elected president, Mayor E. P. Stephan of Holland was made vice president, and B. K. Lucas of Owosso secretary and treasurer.

City Attorney Richard Overweg is a very popular individual at these conventions. He has attended these meets every year for the past decade, and all the delegates pat him on the back saying kind words of the Holland city clerk.

The league's books must also be audited each year and for the last two times, Mr. Overweg was delegated to do this work.

The Holland men certainly represented Holland well at this convention, and you can bank on the fact that this city will treat the 300 odd delegates who will be our guests next year, royally.

COMMUNICATION

Editor—

Is Holland going to celebrate the 4th of July?

I guess yes. The greatest day in our nation's history and not celebrate? This would be a stain on our forefathers who bled and died for our country's cause that we might enjoy liberty and the pursuit of happiness, the same as poor old Ireland is struggling for today.

If we cannot make a noise in town we will go one mile north on the Rifle range and celebrate in the genuine way and crack the Old Krag Jorgensen rifles (shoot at paper targets only,) the same rifles as were used by Theodore Roosevelt when he stormed San Juan Hill.

These guns will be put in operation on that great day in honor of the brave men who struggled that we might live in the greatest country on the face of the globe. Let us not become a weak nation, but learn to shoot. As President Harding says, "It must not be again," but how will we prevent it when we still have greedy nations to contend with? As Roosevelt said, "When you need a revolver in Texas, you need it bad." So let us all learn to shoot as our boys did over in France, who drove the Germans back to where they belong. Let us celebrate this great day at the rifle range where many prizes will be given which were donated by our loyal merchants, who are always ready to do their share for Holland.

All who can fire a gun will get a prize July 4th. The shooting begins at 8 a. m. For further particulars see me.

Wm. Woldring.

Tied to His Desk

Many a man, along in years, with ample resources for his family, longs to take that talked-of vacation, but feels tied to his business. Other men have found a way out.

They have discovered that the Grand Rapids Trust Company can relieve them of the details of their affairs for as long a period as they desire to travel or rest, and that their matters will be left in competent hands.

We manage businesses, collect rents, oversee property, pay bills and taxes, keep your accounts, render reports, in fact act as your agent in any fiscal capacity, reporting regularly. Plan that vacation this summer. Let us explain how we can serve you.

LOCALS

Born to Mr. and Gus Boches, of the Quality Candy Kitchen, Monday morning, a boy.

The people who light matches while their gasoline tanks are being filled, will not probably die from any lingering illnesses.

If every business man would keep the walk and street in front of his shop free from waste paper and other litter, every visitor who comes to Zeeland would exclaim, "What a clean town this is."—Zeeland Record.—No brother, if it were clean they wouldn't say a word, but if it is dirty like Zeeland seems to be, then they would be heard from, of that you may be sure. Folks as a rule are slow to praise and quick to find fault.

Miss Emeline Pieper of Zeeland was married to Arie Van Kersen at 5:30 o'clock Saturday evening at the Hope church parsonage, Rev. P. P. Cheff performing the ceremony.

A. H. Landwehr, the Holland Furnace man, is on an Eastern trip and will travel through the state of Connecticut. He will also visit New York state and Pennsylvania. He expects to be away for at least ten days.

Mr. Champion of the Board of Public Works is sending out 3,500 letters to water consumers of the city telling them of the new sprinkling regulations which will be in vogue until the water conditions in Holland are improved. As a reminder, the regulations are as follows: "All that part of the city East of the center of River avenue and Michian avenue, sprinkling can be done Mondays, Wednesdays and Fridays from 6 a. m. to 7 a. m. in the morning and from 5 to 7 p. m. in the evening. In all the rest of the city these same hours prevail on Tuesdays, Thursdays and Saturdays.

Saturday afternoon the new Overland car of Dr. Wm. Westrate collided with another car. The name of the owner could not be ascertained but the number was 53550. The accident occurred on the corner of 16th and Central avenue and while the stranger's car was pretty well damaged, the car of Dr. Westrate suffered the worst with a wheel dished, a spring broken, an axle sprung and a fender demolished. The car was jammed against the city's danger light at that point but the standard was undamaged.

The windows of the Holland Photo Shop (D. J. Du Saar) offer an interesting display. In one window is a framed picture of the 1921 High School graduates, while in the other the 1921 Hope graduates appear in an appropriate frame.

The rain maker gave Holland the "go-by". Rains all around but the lake breeze kept the rain clouds at a distance. Grand Rapids had a fine rain and showers came as far as Vriesland. Central Michigan also had fine rains.

Unity lodge F. & A. M. has extended an invitation to troop two, Holland Boy Scouts to be the guests of the local order Friday evening, June 24. The young chaps will not alone be entertained but will be well fed.

The hot weather has sent scores of citizens to Lake Michigan's bath in beach evenings. Citizens who do not have cottages dress for bathing at home and covered with a large bath robe they drive comfortably to the big lake, returning the same way and they find this an infallible antidote to hot sleepless night.

No fireworks in Zeeland before or after the 4th, City Marshal Huxtable says: "This is to notify the public that no fireworks nor firearms may be discharged before nor after that date under penalty of the ordinance. We issue this warning that anyone arrested may not plead ignorance." We believe Holland has a law of this kind. Let's enforce it.

William Poppe and son are changing the looks of the north side of West 8th street they having the contract for painting six of the residences belonging to the Horning estate. This firm is now ready to handle all painting jobs in short order. See them if in need of anything in their line.

Mrs. J. A. Vander Veen has returned from a trip to Boston and New York City.

Mrs. Gertrude Turling, 147 River av., left Thursday night for Rochester, Minn., where she will submit to an operation on her eyes at the Mayo Bros. hospital.

Miss Sophia Brunema and Henry Turling were married Thursday night at the bride's home, 192 West 14th street, Rev. J. M. VanderKieft performing the ceremony.

J. A. Johnson of Holland, special agent for the Graham & Morton lines was in Grand Rapids Thursday to inspect the newly established ticket office of the company in the hotel Pantlind. It has been arranged to have daily service across the lake beginning June 24. James L. Crowley, passenger agent for Grand Rapids, announces the newly inaugurated weekly daylight trip to Chicago is meeting with response from the Grand Rapids tourists and excursionists.

Rural letter carrier Henry Dekker of Holland found a blue racer when he opened a mail box on his route near Gibson. As Dekker opened the box the snake raised its head but Dekker slammed the cover with such force that the head of the reptile nearly was severed. In one corner of the box was found an empty bird's nest and a post mortem showed the little robin was in the reptile's stomach. The snake was about five feet long.

Holland was nosed out of a victory in Thursday's twilight game at Allegan. It was anybody's game but Allegan bunched their few hits and won the neatly played game 2.

The quarterly teachers' meeting of the Trinity Reformed church Sunday school was held Friday night at the home of Mr. and Mrs. George Hyma on Pine Avenue. Mrs. Damstra had charge of the devotional exercises, after which the following program was given: vocal solo, Miss Esther Dyke; piano solo, Miss Vandenberg; ten minutes' talk on Sunday School lesson, Rev. C. P. Dame; address, Rev. G. B. Fleming; after the business session a social hour was enjoyed. The Sunday school is in a very prosperous condition, and about the middle of July the annual picnic will be held at the summer home of Mr. and Mrs. Geo. Weurding, northwest of the city.

The Beechwood Boosters held a regular meeting Friday evening. A few outdoor sports were enjoyed before the meeting was called to order. After a short business meeting Mr. Zimmerman of Lakewood Farm gave an interesting talk on "Poultry." After this refreshments were served and a social hour enjoyed by all. Mrs. Davidson of the North Side Confectionery store donated the refreshments. The Boosters are going to have an outing at Lake Michigan, June 30, 1921.

J. De Kraker, father of Rev. Jas. J. De Kraker, pastor of the First Presbyterian church of Grand Haven, passed away Thursday at his home at Beverly, near Grand Rapids at the age of 61. He had been ill only about eight weeks.

Mr. and Mrs. "Hank" Beiger of Mishawaka, Ind., arrived at Macatawa and will occupy his cottage "4-U-All" on Mishawauka avenue for the summer. "Hank" says "Now look forward fishing as usual when I am around."

Sears Doan, who one year ago last May enlisted in government service and was stationed at Camp Lewis, Washington, has completed his enlistment period and has returned to his home on W. 18th-st.

Miss Esther Mulder, instructor in the Fennville high school has returned home from her duties to spend the summer vacation. Next fall Miss Mulder will teach at Benton Harbor.

James F. Van Ark of Holland has graduated from the Michigan Agricultural College with the class of '21 in the Engineering Division. Mr. and Mrs. Van Ark will return to Holland for a short vacation.

The W. C. T. U. closed its season's work Friday afternoon with a picnic at Jenison Park. After a program of games and sports supper was served at 5:30.

The old steamer Eastland now the Willemette, a government training ship was in the harbor with some 300 Jackies last week.

The old steamer Eastland now the Willemette, a government training ship was in the harbor with some 300 Jackies last week.

Miss Maude Van Drezer has returned to her home after spending the winter in Lexington, Ky., and Miss Marion Van Drezer has returned from Ypsilanti.

In the League of Michigan Municipalities directory, a publication gotten out for the 23rd annual convention at Kalamazoo, a beautifully illustrated edition, appears the photograph of Mayor E. P. Stephan of Holland. The cut is a new one in which he displays a semi-smile, just "springing one" in the "Koffie Klets" as it were.

Even the Sunday school classes are organizing base ball teams. Peter Notier's class of the Third Reformed church played a class from Maple avenue church at the corner of 15th and River, Monday night. The score was 12 to 6 in favor of the Third church class.

Albert Zuidema who has received the degree of Mechanical Engineer with the class of 1921 from Sibley School of Mechanical Engineering, of Cornell University, will spend the summer with his parents, Mr. and Mrs. A. P. Zuidema, of 121 W. 12th street, and will leave September 1 for Newark, N. J., where he has accepted a position with the Public Service Electric Co. of New Jersey.

A missionary exhibit will feature the Christian Endeavor state convention which opened Wednesday. The exhibit comprises missionary curios from the foreign fields of the world. It will be in charge of Miss Henrietta Warnhuis of this city, who also will direct the missionary pageant to be staged Saturday evening in Holland high school gymnasium by local talent.

At least 1,000 years of service in the mission field is portrayed in a unique chart compiled by Mrs. L. R. Scudder, missionary for the Reformed church in India. It is supposed that the descendants of the late Mr. John Scudders have jointly served 10 centuries. The descendants number 55 workers and comprise four generations. The senior Scudder gave 35 years of service in the mission field and seven sons and two daughters, with their families, enlisted in the service. The grandchildren are 30 strong, and the great-grandchildren are five in number. Sophia Weld Scudder is the veteran missionary still active in service, with 59 years to her credit. Four have served 50 years or more and 12 are still in service. Galeo Fisher Scudder is the youngest missionary in the field, having 16 months. The Scudders are represented also in Africa, Japan and Hawaii.

Ed Zwemer has opened his restaurant on wheels on the corner of River ave. and Eighth street. It is constructed very much along the lines of a waffle wagon seen in big cities. The Owl restaurants in the larger cities appear on the streets at 9 o'clock at night and disappear after 5 o'clock in the morning.

Rev. John Lamar, graduate of Hope College, who was elected vice president of the council of Hope College was presented with an automobile by his congregation at Roseland, upon his return from the general synod held at Asbury Park, N. J.

Mr. and Mrs. John H. DenHerder of Grand Haven announce the engagement of their daughter Julia D. to Mr. A. Harold Sywassink of Holland. The wedding to take place in August. Mr. Den Herder is the treasurer of Ottawa county.

A call has been extended by the Reformed church of North Blenden to Candidate L. Braam, of Holland. The Reformed church of Pella, Ia., has extended a call to Rev. George Hankamp of Jamestown.

Official summer was ushered in at 6:36 o'clock Tuesday night according to the almanac. The wind being southwest that is supposed to be the prevailing wind until the next season rolls around, according to the weather prophet.

The son of Mr. and Mrs. A. T. Baumgartel submitted to an operation on his knee in a hospital in Grand Rapids Monday Tuesday Mr. A. T. Baumgartel was operated on at the same hospital for appendicitis.

Ben Kamferbeek of the Holland City News force, who is visiting in Fulton, Ill., for a few weeks, writes on a postal card that the first day he had a launch ride on the Mississippi; that the Hagenbeck, Wallace Show was at Fulton and that a young man was drowned in the Mississippi near Fulton. Enough excitement for one day in a small town.

Edgar Hunting of Grand Rapids, Coleman C. Vaughan of St. Johns, former secretary of state, and F. M. Boyle of Muskegon, each paid a fine of \$4.45 in a Grand Haven court for speeding on the Spring Lake road.

Gerald Morey, son of Mr. and Mrs. Adelbert Morey of Allegan, and a private in the 27th infantry has returned home after nearly three years' service with the American army in Siberia.

Inez Marie Prince, 9 E. 9th, submitted to a very successful operation performed by Drs. Winter and Kools at the Holland Hospital Tuesday morning. Tonsils and adenoids were removed.

Andrew Klompereans and family have moved into their new cottage at Tennessee Beach for the summer.

Rev. J. B. H. Van Lierop, recent graduate of Western Seminary, has received calls to Reformed church at Atwood and Yakami, Wash.

Supt. E. E. Fell of the Holland schools was in Ionia Tuesday where he gave the graduating address to the junior high school class.

Sheriff Fortney was in the city looking into the Nick Dykema robbery. Chief Van Ry is co-operating with the Sheriff in this matter. Mrs. N. C. Huiling, residing on E. Eighth street, left Wednesday for Wabash, Indiana, where she was called by illness of her brother. She will return on Saturday. Mrs. H. Mouw, 120 W. 14th street has been in Kalamazoo for the last few days, attending the graduating exercises of the Western State Normal. Her daughter Miss Bernice Mouw is a graduate and will teach next fall in the Newaygo schools. Edward Van Tak, living on East 9th street, had the misfortune of spraining his right ankle, which will confine him to his home for several days. Mr. Van Tak is the engineer on the P. M. switch engine in the yards. A Pere Marquette passenger train struck a heavily loaded truck near Hudsonville. The driver of the truck jumped and escaped injury. The front of the engine of the railway train when it reach Holland, looked as though it had plowed through a powder mill. Peter Notier's class of the 3rd Reformed church defeated the strong First church team by the name of Neinhuis class. The game was fast and snappy resulting in a victory for the 3rd team 7-2. Batteries for 3rd—Faasen and Allen; for Nienhuis 1st—Joldersma and Nykerk. Next Monday Notier's class plays the Holland Shoe team at the diamond. George Weber paid a fine and costs of \$8.95 in justice court at Grand Haven upon complaint of E. Hall, taxi driver who alleged that the defendant slapped him in the face Monday morning at the steamboat docks after a quarrel over cab passengers. The defendant closed up the matter by paying the fine and costs. The annual commencement exercises of Fremont high school will be held Wednesday evening. The address will be delivered by Rev. J. E. Kuizenga, professor of practical theology in Western seminary. His subject will be "Things Worth While." The graduating class has 35 members. Mr. and Mrs. B. H. Kamferbeek left for Fulton, Ill., where they will be the guests of Rev. and Mrs. I. Van Westenburg for the next six weeks. Mrs. Van Westenburg is the daughter of Mr. and Mrs. Kamferbeek. The Misses Theda Dobbin, Elsie Haveman and Anna Bosch are spending a few days in Chicago.

Money Makes Money

Interest on investment is the source of surest income. Money works 24 hours a day and seven days a week.

More people are made independent by saving than by slaving.

England has invested to wonderful advantage. Every year statistics show that England buys more from other countries than she sells to them. But interest on investments does not show in the statistical tables.

That is why England is rich.

Money placed in a savings bank is an investment safe and sure

FIRST STATE BANK

HOLLAND, MICHIGAN.

Mr. and Mrs. H. A. Lanning, 78 E. 17th St. were pleasantly surprised at their home Thursday evening by their children to celebrate their 35th wedding anniversary. A three course luncheon was served. The children presented their parents with a beautiful table lamp.

Mrs. George Olsen, of Grand Haven, president of the G. H. American Legion women's auxiliary, has been appointed chairman of the 5th congressional district of Ottawa and Kent county. Mrs. Olsen is engaged in forming units and the most recent one formed was at Coopersville.

Mrs. Blanche Hamlin and Mrs. Gertrude Deagen gave a little picnic party in honor of Mrs. Helen Doan's 24th wedding anniversary, at Port Sheldon Thursday. About ten ladies made the trip and spent the day in picnicking and bathing and in a general good time. They returned in the evening and Friday all showed the effects of a June sun on the waters of old Lake Michigan. Those attending were the Mesdames, Helen Doan, Blanche Hamlin, Gertrude Deagen, Luella White, Mabel Helander, Jessie Galentine, Edna Bertach, Grace Barnum and Minnie Jarvis.

The Y. M. C. A. Camp for the boys of Ottawa County opens next week for a ten day period—closing July 6. This is the second County Y camp to be conducted, a short but very successful one having been held just before the opening of the schools last fall when 42 boys and adult leaders spent a happy week together on the shores of Pigeon Lake (Port Sheldon.)

Walter Sutton, August Breyman, John Kelley and John Hoffman were delegates from here to the Elks' convention in Battle Creek. They returned home Thursday evening. Mr. Kelley was elected treasurer of the State Elks organization. The next convention will be held in Lansing. Miss Anna Boot, who is teaching in the public schools of Cleveland, Ohio, has returned to spend the summer vacation with her parents, Mr. and Mrs. Anna Boot.

T. Weller and Arie Weller, representing Weller Nurseries, are attending a national convention of nurserymen at the Congress hotel in Chicago.

Mrs. B. Welton and son Max are visiting Miss Thelma Welton at Lansing.

C. Ver Hage of the North Side, whose car was stolen Monday night offers a reward of \$25 for information leading to the recovery of the car.

Mrs. P. A. Isherwood and son Bruce of West Chicago are visiting at the home of Mrs. Isherwood's parents, Mr. and Mrs. George E. Clements.

Mr. and Mrs. Ed Morlock and daughter Mathalie left Thursday night for Chicago.

Mrs. C. H. Moon, of Lima, O., has arrived to spend the summer at Sam. W. Miller's cottage near Tennessee Beach.

STRAND THEATER'S WEEKLY PROGRAM

The Strand theater announces a bill for the next week which the management believes will meet the approval of all. A program of which will be found in this issue of the News.

One picture in particular we wish to call attention to is the six act Fox Sunshine comedy "Skirts," which is the offering for Friday and Saturday. It is said to have been produced on so lavish a scale that nine months was required for its completion. Usual comedy standards were completely thrown into the discard. In place of one or two stars no less than fifteen of the most prominent film comedians of note appear. In place of the dozen or so bathing beauties, three thousand of the "fascinating Sunshine Widows," prance their way through the scenes. Comedy is generously blended with thrills. Aeroplanes, cyclones, train wrecks, auto smashups and parachute drops are used for their share of the excitement and fun. And as if this were not sufficient, Wm. Fox closed the season of one of the biggest circus aggregations in the country, in order to incorporate it into the production. Also the World Famous Singer Midget Troupe have contributed their bit—and the result will bring delight to every child and grown up that sees the picture.

Have you tried the new 10c package?

Dealers now carry both; 10 for 10c, 20 for 20c.

It's toasted.

CURIOSITY OFTEN CHOKES SWITCHBOARD OF TELEPHONE

For a short time Tuesday the power was off, something having gone wrong at the power station as it will at one time or another in any institution. Immediately there was a rush to the telephone by power users calling up the board to learn the trouble. So great was the rush to find out what had happened that the "load" on the switchboard became too great and those who could not crowd in caused the telephone company in addition to causing the power department.

A few days ago there was a fire and practically the same thing happened. It appeared at the telephone company's quarters that everybody in town wanted to know where the fire was. Result: congestion on the switchboard. And that happens during almost every fire. And while choking the switchboard is in itself not serious, it may be serious for the telephone users. Suppose someone had fallen into the water and it was necessary to get the lung-motor in a hurry. It would be impossible to get police headquarters because of the congestion on the wires, and a life would be sacrificed to the curiosity of people in regard to a fire. Or suppose there was at that moment another accident. It would be impossible to get the ambulance or a doctor.

Practically the same thing happens when something happens to the gas or to the electric light company or to any other public utility. Immediately there seems to be a rush for the telephone all over the city. It is pointed out by persons who are in charge of these utilities that this anxiety to call up to find out what is the matter merely delays things. The time needed to answer the telephone should be spent in making the necessary repairs, and the time so spent is considerable when a large percentage of the population calls up.

What is badly needed in Holland, according to those who are in charge of telephones, and other utilities, is a little more patience under such circumstances. By inhibiting that natural desire to rush to the telephone people will be doing their share to help adjust whatever is wrong.

HOLLAND IS ALL DRESSED UP FOR C. E. CONVENTION

Holland is all dressed up for the C. E. convention. Flags and streamers and welcome banners fill 8th-st. and River avenue from the Pere Marquette depot to 13th street. Merchants here and there are decorating for the occasion and before the week is out there will be some extensive trimming done.

The wagons of the Board of Public Works together with some of the men took care of the decorations Tuesday evening, and by Wednesday morning the principal streets of Holland were all afire with waving banners and flags ready for the C. E. convention guests who will be here for the balance of the week.

MOTION PICTURES THAT LEFT A LAST- ING IMPRESSION

The Strand theater Tuesday evening filmed a picture of unusual interest from the fact that it departed from the usual love story and gave something that was very instructive and a production that folks will remember for a long time. The picture showed cannibal dwellers on the Solomon Islands their customs and mode of living. There is no doubt but the landscape and scenery depicting tropical climes has never been surpassed in any picture. One unusual feature caught by the explorers was the burying alive of old and infirm natives whose usefulness was a thing of the past. Also the daring film artists pictured many of the friendly cannibal natives on some of the islands they landed on one island in which they were particularly ferocious as was plainly evident in the few films that were taken of them. The explorers however were prevented from taking more by a terrible looking chief who planned for a big feast the next day. The picture men however escaped during the night losing two of their picture machines and having all of their interpreters killed. What pictures could be saved however were of great value to the civilized world, giving them a clear conception of a class of people of whom very little is known.

NOT TO RAVE SEVENTH STREET PRESENT YEAR

Seventh street is not to be paved the present year. That, in a nutshell, is the net result of an extended discussion at the meeting of the common council Monday evening attended by a large number of property owners. A majority of the property owners along the street in the first place petitioned the council to have the street paved. The council, acting on this petition, took the necessary steps. A counter petition thereupon was presented against paving. The frontage on this petition had a majority of 638.6 against the paving, including the property of the Pere Marquette. But since it had been agreed that the P. M. property should be neutral and deducting its approximately 1,500 feet, it was found that even on the counter petition the majority was for paving. Many property owners who had signed the original petition had also signed the counter petition when they discovered that it would cost twice as much as they had anticipated.

Att. D. Ten Cate, representing the P. M., A. C. Keppel, on behalf of a number of property owners, Peter VerWy and others spoke against paving this year. Mr. Keppel and others declared themselves in favor of paving, but they asked that action be postponed in view of the fact that it is very likely that freight rates and general costs of such improvements will be considerably lower a year from now. They pointed out that it would be good business to postpone action for the present, especially in view of the fact that there are a number of property owners along the street who cannot afford the top prices that are required now.

The committee pointed out that they had acted in good faith all along, doing what they did at the express request of the property owners themselves. It was also pointed out that there would always be people who would be unable to bear the cost. Moreover it was pointed out that it costs the city in general some \$3.30 to put a load of gravel for repair work on the street. A motion of Ald. Damstra to go on with the project was lost 7 to 5. A motion of Ald. Prins to postpone action till next spring was then passed by a unanimous vote.

CHICAGO TRIBUNE CARRIES LARGE LOCAL FIRM'S AD.

In the beautiful Rotogravure section of the Chicago Tribune of Sunday there appears on the back page a large adv. of the Holland Furnace Co. which is surely attractive and unique.

The furnace that makes warm friends is depicted by the cut of two large hands in which the Holland Furnace Company shakes with the Holland Furnace users.

The adv. below also demonstrates the volume of business done from 1907 until 1920 by an illustration of a furnace for each year.

The volume of business is shown in the size of the furnace. The 1907 furnace is about the size of a lead pencil, while the cut illustrates that every year the volume of business has grown larger and the furnaces grade up each year in size representing the volume of business, with the 1920 furnace looming up in the picture 5 by 3 inches.

The adv. shows very explicitly in pictures how great the volume has grown from 1907 until the end of the last year.

With business depression all over, the company is sending out circulars to the sales force dated June 3, stating that the May sales were 25 per cent ahead of the May sales of last year.

The circular goes on to say that over a million dollars in sales during April and May was the business done during these supposedly two dull months, and that the ambition and aim of the company is to sell 2,000 furnaces in June.

Surely this showing should create a little current of optimism where a pessimistic trend has been rampant for some time.

Miss Frances L. Tate, recent graduate of St. Katherine's school of Davenport, Ia., has returned to her home in this city.

J. W. Brandt of Buffalo, N. Y., is a guest of Rev. and Mrs. M. L. Tate at the Episcopal church rectory.

William Vanden Berg of the Sinclair Oil Co., was in Grand Rapids on business Tuesday.

NEW PASTOR WAS WELL COMED WEDNESDAY

Wm. Vander Ven and Joe Kooiker acting as a committee of the consistory of the Third Reformed church, drove to Grand Rapids Wednesday noon in two automobiles to meet the Rev. Mr. Martin and family and to escort them to their home in Holland. Mr. Martin, who has been successfully serving a Reformed church in Hudson, New York, for a number of years accepted the call of the local church some weeks ago.

Last evening at 5:30 the consistory of the church gave a reception supper at the church in honor of the new pastor and his family, consisting of his wife and five children, and some time next week, a congregational reception will be held.

WELL KNOWN SUMMER RESIDENT PASSES AWAY WEDNESDAY

One of the best known of the Black Lake summer residents died Wednesday morning shortly before seven o'clock when Captain Silas W. Robinson passed away at his summer home, "Robin's Rest" on the North Side. Captain Robinson suffered a stroke about two weeks ago and since that time he has been partly paralyzed.

Captain Robinson was born in Chicago sixty-two years ago and he lived in that city all his life being prominent in Chicago's business life. He was a contractor and he also conducted an excursion boat from the Chicago dock to Lincoln Park for many years. It was because of this phase of his business that he acquired the title of "Captain". About two years ago he retired from business and since then much of his time was spent at his summer home on the shore of Black Lake.

Capt. Robinson and his family first came to this locality about eleven years ago when they built the beautiful summer home that they occupied since. His excursion boat was a beautiful vessel in which he took much pride. It was named the "Minnie R." in honor of Mrs. Robinson. There were two of them, "Minnie R. I." and "Minnie R. II". The latter was burned to the water's edge on Black lake in front of the cottage a number of years ago.

The deceased is survived by his wife, one brother and five sisters. The funeral was held Thursday noon at 12 o'clock fast time at "Robin's Rest," and the body will be taken to Chicago for burial on the noon train.

Captain Robinson has made many friends in Holland and in the Black Lake resort district during the years that he spent here as a summer resident.

WILL STUDY IN FRANCE THIS SUMMER

Miss Marguerite Meyers, daughter of Mr. and Mrs. A. H. Meyer, will spend the summer in Paris to study the French language at first hand. Miss Meyers has been teaching French in Aurora High school in Aurora, Ill. She will leave Holland Tuesday noon for New York City where she will spend a few days with Rev. and Mrs. Anthony Van Westenberg. On Saturday she will sail on the S. S. "Paris" for France. During her stay in France she will study at the University of Besancon. She also expects to travel in France and Switzerland, returning to U. S. A. in September.

"The Electrical Merchandising," a publication gotten out in the interests of things electrical and published in New York City, contains a writeup in their Hoover department referring to a local firm, namely the Winstrom Electric company. This journal states that 500 Hoovers were sold in a city of 2,500 wired homes, meaning Holland. The sales were made covering a year and a half time. The Hoover man states that the motto of the local firm is, "We haven't time to wait on trade, so we go out and get it." It goes on further and says "this sums up the policy of the Winstrom Electric Co., dealers in everything electrical at Holland, Michigan."

"Incorporated less than two years ago, this firm has already sold more than 500 Hoovers to town customers. They are good local advertisers also. Approximately 75 per cent of their newspaper space in local papers is devoted to featuring the Hoover."

Hoover Department, Electrical Merchandising.

HOLLAND GIRL SHINES IN KALA- MAZOO PAGEANT

One Holland girl played a very important part in the large pageant staged at the Western State Normal at Kalamazoo.

The play in pantomime is entitled "Power of Faith." The play is built around the growth of religion from the earliest form of nature worship to the rise and development of Christianity. The pageant was written by the Book committee of pageantry classes of the Western State Normal and was produced under the direction of Miss Laura Shaw.

Five hundred people from the tiny to the A B C Seniors participated in the event in a series of beautiful dances, choruses and sacrificial ceremonies.

Miss Bernice Mouw played a very important part in this pageant and the Western State Normal Herald in commenting on Miss Mouw's work states that she played her part, as the "Woman of India," with splendid effect.

The beautiful hills and woods of Kalamazoo provided an amphitheater and gave appropriate stage settings, and as the Kalamazoo papers put it—"It was a beautiful picture as from all sections of the hilltop, the entire cast assembled united by Universal brotherhood, and as the sun was descending in the Western sky, they returned again over the hilltop singing "Faith of Our Fathers."

ROAD TO GETZ FARM IS NOW OPEN FOR TRAFFIC

Another road is completed which will be very welcome to the resorters living in the neighborhood of Ottawa Beach, Lakewood Farm, Tennessee Beach and all the other resorts along the Lake Front.

The mile of tarvia and stone along the Alpena road is now completed up to the schoolhouse on the Ottawa Beach highway going north and south.

With the exception of a quarter of a mile there is now a good road from Holland right to the bathing beach at Lakewood which has become rather a popular place for bathing.

The committee on streets and crosswalks recommended to the council Monday night that 19th St. be paved from Columbia avenue to First avenue, and the city engineer was instructed to prepare plans and estimate of cost. After the required interval of three weeks the property owners will be given the usual hearing.

The committee also reported Monday night that estimate of costs of paving E. Ninth street, from Lincoln avenue to Garretson avenue connecting up with Eighth street, was \$11,308.92. This bit of street was ordered paved with Willite, the same material used on the rest of Ninth street.

The contractors of the Ninth St. job have offered to give a maintenance bond of \$15,000, the largest bond for street maintenance that has ever been given in Holland. The mayor and clerk were authorized on Monday night to sign the bond on behalf of the city.

HOLLAND HAS SEVER- AL GRADUATES FROM WEST. STATE NORMAL

Western State Normal school will conclude its 17th annual commencement exercises Tuesday with the presentation of diplomas to 265 graduates.

Graduates from Ottawa county are as follows: Eleanor S. Aldrich, Bernice Mouw, Cornelia Mulder, Ruth Mulder, Kathryn Weersing, all of Holland, Mary Bottje, Margaret W. Cotton, Margaret Helen Van Weelden of Grand Haven; Velma Hazel Cooper, Helen White, Spring Lake. In the list is also found the name of Winona Francis Sherwood of Allegan.

Burt Hatch, of the Michigan State tax commission, who lost some bundles of valuable tax records of Van Buren and Allegan counties Wednesday, recovered them Friday. Mr. Hatch, it seemed, had placed the bundles for a moment on the running board of his car, intending to place them in the machine. Then he forgot them and they fell off. One of the bundles was found near the Holland City limits and the other near Zeeland. They were returned to C. W. Nibbelink who has turned them over to Mr. Hatch.

LOOKS AND BARS NO BAR TO "YEGS"

Professional burglars must have entered the clothing store of Nick Dykema, corner River Avenue and eighth street Tuesday night, and made way with \$500 worth of merchandise. A hurried inventory disclosed the fact that a large consignment of silk shirts, silk socks, neckties and collars were taken, besides three suits of clothes, some hand bags and some jewelry.

That the burglars are professionals seems to be evident from the fact that three heavily barred doors had to be jimmied before the burglars had gained access to the floor above where the goods were stolen. It was a very smooth job from all indications and very quietly performed.

The burglars also entered the safe which was an easy matter, from the fact that Mr. Dykema never locks the strong box, only putting it on the day lock, as he keeps no money or other valuables in it.

The burglars however broke out of the safe the iron box containing private papers, and with a large tailor shears jimmied a hole into it and then left it lying on the floor near the safe. The cash register was also tampered with, and some small change was taken out although not all of it.

The police have no clue to the mystery, no one saw anything unusual going on around the building or in the inside.

Apparently no lights were necessary in the store from the fact that large street lights on the corner, and the bank lamps make the surroundings in the store plainly visible.

Late Monday afternoon a Ford automobile was also stolen from the North Side Tannery.

The machine belonged to C. Ver Hage, an employee and the police feel that the burglars might have provided themselves with this automobile in order to pull the job off in Holland during the night.

It would have been an easy matter to conceal a machine for a few hours until after dark. The license number of the Ford car is 2544597. The factory number is 1653978. The model is a 1917 Ford touring car.

The police also think that the local burglary might have been done by the same gang that took \$3,000 worth of goods from the Ted and Ed store in Zeeland last week.

DIRECTS CLASS TO THE HIGH TRAILS OF LIFE

In an unusually eloquent sermon, the quality of which once more proved that bringing commencement orators from other states to Holland is like carrying coals to Newcastle, Dr. J. E. Kuizenga of Western Theological Seminary commended to the members of the graduating class of Holland High school the high trails of life. The sermon was pronounced Sunday forenoon in the Third Reformed church to one of the largest audiences that ever gathered in that building. In fact it was an overflow meeting and more would have listened to the baccalaureate address if they had been able to find seats in the building.

Dr. Kuizenga took the suggestion for this theme from a book by Hamlin Garland, the title of which, "They of the High Trails," also formed the subject of the sermon. He pointed out the low trails and the high trails in life, and encouraged the graduates to choose the latter and to live their lives on the level of high ideals.

The exercises were impressive. The large class of 92 graduates marched in from the back of the church while the large chorus of 35 marched in from the side door singing the processional, "Onward Christian Soldiers." The audience rose in honor of the class and stood at attention during the processional.

The special musical program included an anthem, "Fear Not Ye, O Israel," by the chorus choir, with incidental solos by Dr. A. C. V. R. Gilmore, Miss Hazel Kuhl and Miss Harriet Stokette; a duet, "The Lord is My Shepherd," by Mrs. Peter Van Ark and Willard Bloemendaal.

The Junior High school auditorium was crowded to the doors Tuesday evening when the annual promotion exercises were held. A total of 84 members of the eighth grade received their promotion diplomas. The exercises of Tuesday evening proved that Junior high has outgrown its quarters as many persons had to be turned away.

Bartel Homkes of the 8-2 class acted as chairman, and the following

program was given: music by the high school orchestra; invocation by Rev. James Wayer; Wagner's "Tannhauser March," by the orchestra; "The Millstream and the Venetian Boat Song," the 8-2 class song; reading, "A Patriot's Wish," by Theodore Van Oosterhout; reading, "It Can Be Done," Esther Brink; playlet, "Worried About Catherine," by Mary Visser as grandmother, Lorraine Raak as teacher, and Frieda Boone as Catherine; reading, "How Do You Tackle the Thing," James McCarthy.

Mr. Fell gave an interesting talk, after which he presented the diplomas to the graduates. The February class presented a beautiful picture, "The Rheims Cathedral," to the school, Willard Vande Water making the presentation speech. Another picture, "The Birth of the Nation's Flag," was presented to the school by the June class, Alice Donnelly making the presentation speech. Raymond Stokette of the 8-1 class, in a few appropriate words accepted the gifts in the name of the Junior High. The program closed with the singing of "The Lost Chord," by the graduating class. Following are the graduates:

Marion Bazaan, Evert Bekken, Edith Bear, Hermine Boes, Gerald Bolhuis, Evelyn Boone, Frieda Boone, Esther Brink, Harry Clark, Clyde Coster, Madeline Cote, Charles Christel, Zali Davron, Ursula Dekker, Isabelle De Kraker, Leslie De Noff, Julian De Pree, Alvin De Vries, Margaret De Vries, Raymond De Weerd, Wilhelmina De Witt, Edward Dulys, Jessie J. Dogger, Gerger, Geraldine Doll, Alice B. Donnelly George Essenburg, Jane Fairgrieve, Lucile Fetterer, Joseph Fleming, Henrietta Gebben, Anna Hienecke, Helen Henderson, James Hoekema, Raymond Horn, Bartell J. Honkes, Clarence Klaasen, Fred J. Kobes, Fred Koops, Elmer Kuiper, Sarah Lacey, Jacob Lievense, Marthol L. Maat, James Mc Carthy, Anthony Meengs, Donald Mokma, Russell Morris, Henrietta Oudemool, Cornelius Oudman, Alvin F. Potter, Minnie Prince, Peter Piersma, Nicholas Prakkens, Austin J. Rank, Vernon Robertson, Lorraine Raak, Esther L. Rose, Edward Scheerhorn, Margaret Schurman, Evelyn Seekamp, Herman Seif, Gertrude Spikhoven, Adriana Stokette, Marie Streicher, Lester Steggerda, Harriet Tazelaar, Effie Terpema, Arthur Upton, Gladys Van Anrooy, La Vern Vander Hill, Helena Van Dyke, Lester Van de Poel, Elizabeth Vander West, Theodore Van Oosterhout, Raymond Van Raalte, Lucy Van Voorst, Frances Van Voorst, Harold VerHoef, Mary Viissers, Jeanette Viissers, Jeanette Viissers, Darlene Von Ins, Charles Vander Meulen, Cornelia Van Klink, Mae Eloise Westreer, Olive Wolrdin, George onker, William Zonnobelt.

Members of the faculty of Holland High school entertained the members of the graduating class of 1921 with a lawn fete on the high school grounds.

The lawns were beautifully decorated with myriads of colored lights and the entire school grounds looked beautiful to the passersby.

One unique feature in which the members of the faculty took part was the staging in living pictures, what would happen to the individual members of the school 40 years hence.

The large entry way to the building was transformed into a frame, and into this frame members of the faculty appeared in tableau, picturing just how members in the class would look two score years from now. This number on the program made a great hit. The following program was rendered: opening remarks, Mr. Rifenema; vocal solo, Mrs. Graham; remarks, Mr. Fell; Remarks by Paul Van Verst, president of class, by Mr. Druw; piano solo, Harriet Vanden Bos; "The Old Fotygraf Album" by an art student; game, announced by Miss Severance.

Guests who did not belong to the faculty staff who were present were Mrs. George E. Kollen, Mr. and Mrs. C. E. Drew and Miss Bertha La Fraugh.

Theda Dobin, Elsie Havenman and Anna Bosch have returned after spending a few days in Chicago.

FIRE COMPENSATION LIFE
INSURANCE
HEALTH ACCIDENT AUTOMOBILE
66 8th St. Phone 2120 HOLLAND MICH

A. H. MEYER GOES TO SEE HIS INJURED DAUGHTER

A staff correspondent of Milwaukee Sentinel at Madison, Wis., has the following on a serious auto accident in which three young ladies from Holland attending the State University at Madison were involved:

"Four university coeds and one visitor were seriously injured in a head-on collision on the Rutledge street bridge here Thursday night. The driver of the second car was thrown through the windshield and suffered a broken leg.

"Miss Margery Palmer, LaCrosse, eye gouged out. Miss Lora Palmer, LaCrosse internal injuries; Miss Christine Cappon, Miss Lavina Cappon and Miss Nella Meyer, all of Holland, internal injuries.

"Miss Lora Palmer was a chaperon at the French House and a leader in the Tri Delta sorority, where she was to respond to a toast at a banquet Saturday night. Miss Nella Meyer also resided at the French House, and has a sister, Helene at the university.

"The Rutledge street bridge is a crescent shaped span across the Yahara river. The meeting cars were coming at a good speed and collided at the crest of the bridge. It is reported that the car containing the five girls was racing with another car. The girls were taken to the Madison General hospital for treatment. All persons injured are expected to recover."

A representative of this paper called up relatives of the young ladies this morning and Harris Meyer stated that his sister had wired that although she had sustained several bodily bruises it was unnecessary to send anyone, which would indicate that nothing serious had occurred.

The father, A. H. Meyer, however left for Madison and is there at the present time. Miss Edith Cappon of this city also left for Madison, Wis., and definite word is expected today.

The mother of the two young ladies stated Saturday morning that she had heard from indirect sources that Christine Cappon was not hurt seriously, but that Lavina was in the hospital and would have to remain there for a few days.

DENIES REPORT THAT THE GIRLS WERE SPEEDING

A copy of the Wisconsin State Journal, containing the story of the auto accident in which Miss Lavina Cappon, Miss Christine Cappon and Miss Nella Meyers were injured, has been received in Holland. The article contradicts the statements of the Milwaukee papers that the car in which the Holland people were riding was speeding at the time of the accident. The accident happened, according to the Madison paper, when "one car tried to pass a car ahead on the upgrade of the bridge. Coming up the other side of the bridge and out of sight was another machine. The danger was seen too late and the two cars crashed into one another."

GIVEN PH. D. DEGREE BY U. OF ILLINOIS

Leonard Yntema, son of Mrs. D. B. Yntema of Holland township, was awarded the degree of Doctor of Philosophy Wednesday evening by the University of Illinois where he has been doing postgraduate work for several years.

Dr. Yntema has been working in the dept of chemistry on a scholarship. He has arrived home and will spend the summer here. Dr. Hessel Yntema and family will also return from Harvard University to spend some time with his mother here before going to Columbia University where he will be a member of the faculty next year. Miss Clara Yntema, who has been teaching Latin at Kemper Hall, Kenosha, Wis., will also return next week to spend the summer at home.

A movement has, it is said, been inaugurated here for closing all unnecessary business places on Sunday—ice cream parlors and fruit, candy and cigar stores are listed. Petitions will be circulated asking the council to order them closed. Holland has had two experiences with the Blue Laws within the past ten years and these efforts have all gone to naught. The trouble seems to be where to draw the line. No doubt if an effort is made, Sunday papers unnecessary auto riding, launch riding, pleasure riding on the street cars and other recreations will come under the ban.

BURGLARS ENTER CLOTHING STORE IN ZEELAND

Zeeland business circles are considerably stirred to know that burglars have made a raid on one of the business places and have stolen from sixty to eighty suits of clothing. In all it is estimated that more than \$3,000 worth of goods was taken.

That the burglars, whoever these may have been, ran an automobile up the alley to the rear of the Ted & Ed clothing store, and "jimmied" their way through the rear, filling their machine with large bundles of clothing, is apparent. The automobile tracks are still plainly evident and the open windows that had been pried loose show plainly how the goods disappeared.

Deputy Sheriff Johnson was quickly called to Zeeland and he in turn phoned to Sheriff Fortney and these two county officials are now working on the job, altho the clues are very meager.

No one heard any unusual noises, nor did they see any suspicious characters in the city. In fact, nothing was known about the burglary until the proprietors came to the store at 7:30 Friday morning.

By that time the burglars with most any kind of car might have reached Chicago with the loot.

A coat hanger was found on the road leading toward Holland, leading to the belief that the robbers escaped in that direction.

ZEELAND FIRM ADDS A BASEMENT STORE

During the present week, Zeeland is being treated to an innovation in the form of a "Basement store." Wm. De Pree Co., following a custom much in use in the larger cities, has altered half of its store basement into as pretty and convenient a shopping place as will be found anywhere in Western Michigan. The "store" occupies a space of about sixty by sixty feet, and is as large as most small stores.

The basement is reached by a wide easy stairway, from the main floor. Everything is finished in a pure white and the goods on display present an unusually attractive appearance against the snowy background. An electric ventilating fan provides a complete change of air every nine minutes.

KALAMAZOO DEFEATS HOLLAND SATURDAY

One big inning for Kalamazoo was enough to defeat Holland Saturday afternoon in a good game of baseball. The game ended 6 to 5 with the locals on the short end.

Kalamazoo scored six runs or all of their runs in the second inning when they touched up Wyngarden for four hits and received a base on balls and one dead ball. For the rest of the game Wyngarden held them allowing only three hits in the last seven innings.

The locals scored their first run in their first turn at bat. Shaw led off with a short hit to left but was caught at second trying to stretch the hit to a two-bagger. Spriggs was safe at first when the ball hit through the box took a high bound the pitcher just touching the ball enough to slow up the fielding. Woldring slammed out a two-bagger to deep center scoring Spriggs, but he too was nipped at third stretching the hit. Batema singled over third next and had neither Shaw and Woldring been caught at the sack two more runs would have been scored. These two thrown away runs would have been enough to sew the game as the locals again scored four runs in the 5th. Ingham was safe at first on an error. Wyngarden was hit in the ribs with one of Budrow's fast ones. Shaw flew out to center. Both runners scored on Spriggs' hit to center. Woldring then gained life on an error and Batema scored both runners with his Texas leaguer over first, falling one short of tying the score. The locals nearly turned the trick in the ninth after two were out. Shaw doubled to right. With Shaw waiting to score the tying run, Riemersma called Spriggs out on a third strike that seemed to be high and inside. However the umpire's ruling holds either right or wrong and thus ended a very interesting game. Kalamazoo will return for two more games one in July and one in August.

Former Sheriff C. J. Dombos is spending several days in the city, renewing acquaintances with old friends.—G. H. Tribune.

NEW INTERESTS PURCHASE STOCK OF G. & M. LINE

Stock in the Graham & Morton Transportation company, possessed by the widow and sister of the late J. H. Graham, has been purchased by former United States Senator William Alden Smith, Nathaniel Robbins, Hunter S. Robbins and Ferry K. Heath.

This transfer places the transportation company, with its boat lines from St. Joseph, Benton Harbor, Holland and Black Lake resorts to Chicago, under entirely new ownership.

At a meeting of the stockholders, a new board of directors, consisting of Nathaniel Robbins, William Alden Smith, Hunter S. Robbins, Ferry K. Heath and J. Stanley Morton, was elected. The following officers were elected by the directors.

Chairman of the Board, William Alden Smith, Grand Rapids; president, J. Stanley Morton, Benton Harbor; first vice president, Nathaniel Robbins Grand Haven; second vice president, Hunter S. Robbins, Grand Haven; secretary, Ferry K. Heath, Grand Rapids; treasurer, A. Reichel, Benton Harbor; general passenger and freight agent, Harry Meyering, Chicago; assistant general passenger and freight agent.

Trans-lake service to and from Chicago to Michigan ports has been rearranged and the City of Grand Rapids, now running between Holland and Chicago, will double the trip each day giving additional service by day light to Chicago.

Relative to changes made in the local transportation company the Benton Harbor News-Palladium has the following:

The Graham & Morton steamship company yesterday emerged from the hands of a receiver with all the debts paid and with prospects for freight and passenger traffic at lower rates than have been for many years.

The announcement was made this morning by J. S. Morton president, and general manager of the line. The new owner is Nathaniel Robbins former of Grand Haven, who took over the line this spring.

Release from receivership was granted by Judge Sessions in the U. S. District court at Grand Rapids yesterday after a meeting of the directors, where it was decided to make application.

The Graham & Morton Steamship company was put under the control of the Michigan Trust company as receiver in 1915, after business conditions and application of the La Follette Seamen's bill sent expenses soaring. During the war, when there was little passenger traffic, the company fought its way through and its status steadily improved.

The steamship City of Benton Harbor, which was taken to South Chicago shipyards last fall to undergo extensive repairs during the winter arrived at 8 o'clock last night. Only a few finishing touches are needed to put the big side-wheel into commission and her first run will inaugurate an augmented schedule. The City of Benton Harbor and City of Grand Rapids will operate between Chicago and Holland, but will also ply between Illinois and this port, leaving Chicago daily at 9:30 a. m. There will be two boats from Benton Harbor, one at 4:30 p. m. and another at 10 p. m. A dollar rate for the trip, leaving Chicago at 9:30 and here at 4:30 will be in effect after June 25.

Capt. Mac Auley will sail the City of Benton Harbor this year and William Johnson of St. Joseph, dean of the Graham & Morton engineers and for many years chief of the City of St. Joseph, in charge of the engine room.

The emergence of the G. & M. line from receivership is regarded as a compliment to the stewardship of President Morton. During the past five years, during the receivership, he has been constantly at his desk and has piloted the company through many difficult problems.

The financial troubles of the G. & M. line started during the summer of 1915, the year that the steamer Eastland tipped over at its docks in Chicago harbor. The G. & M. line had abandoned the St. Joseph docks and at heavy expense had established the Central docks—the best docks on this shore of Lake Michigan. St. Joseph interests started the Eastland running between Chicago and St. Joe. The awful tragedy of the Eastland sent passenger traffic tumbling to almost nothing. In addition the freight shipments were poor. The

earnings of all lines were greatly diminished. Receivership for the company was the only port of safety. Last year was a profitable year for the local company, hastening yesterday's receivership release.

Big things are in store for Benton Harbor through the development of the Graham & Morton company, President Morton declared in discussing the end of the line's receivership.

"New men are in control of the company," said Mr. Morton. "They represent a large amount of capital. The chairman of the board of directors is former U. S. Senator William Alden Smith, of Grand Rapids. Senator Smith is well and favorably known to the residents of this community. Others associated with him including Mr. Robbins, are men of capital. With these men the number of steamboats that Graham & Morton company operates is not a question of dollars. It is merely a question of business. If the company gets the business it will put on more steamers. It will be exactly what Benton Harbor has always hoped it would be, one of the very largest of steamboat lines on the Great Lakes.

The capital and the big men behind the Graham & Morton company now, said Mr. Morton, deserve the cooperation of twin city business interests. They will not hold back in extending the line's capacity and increasing its fleet.

Hay Fever Prevention

Health Talk No. 20

By JOHN DE JONGE, D. C.

The sting was never taken from the hay fever season until the efficacy of chiropractic spinal adjustments in this ailment was discovered.

Authorities agree that the infection was the flying pollen of summer. They also agree that about nineteen out of every twenty are entirely immune to the disease, and that all would be immune if the disease resisting power of the mucous linings of the air passages were of normal health and vigor.

When a full supply of nervous impulses are conducted over spinal nerve lines to these parts, the normal resistance is present. Chiropractic spinal adjustments freeing the nerve lines of interfering pressure, will restore normal health and vigor to these mucous linings. To prevent hay fever begin chiropractic spinal adjustments before your 'hay fever season' starts.

Suffers from Birth—Overcomes Tendency

"My daughter Ada was a sufferer from hay fever every year almost from her birth. In the midst of her last annual attack, which was so violent it caused a discharge from the eyes which necessitated washing them in warm water before she could see, we tried chiropractic and the relief was almost immediate. Before the disease had run its usual course she was well. Last year there was no return of the ailment." — Mrs. William Rubush, Chiropractic Research Bureau Statement No. 1221F.

HEALTH BEGINS—When your health begins depends on you. Consultation is without charge.

Ship and sail under the Stars and Stripes to all parts of the world

THERE was a long period when it was not true, but today it is proudly true once more—trade and passenger routes are so established that you can ship your goods, or you can sail, to any part of the world under the Stars and Stripes.

The program of routes is being carried out with an eye to the future as well as present needs of American exporters and importers and all American prosperity. See that the ships you use are owned and operated by American citizens or by the U.S. Shipping Board.

Operators of Passenger Services

Admiral Line, 17 State Street, New York, N. Y.
Matson Navigation Company, 26 So. Gay Street, Baltimore, Md.
Munson Steam Ship Line, 82 Beaver Street, New York, N. Y.
New York and Porto Rico S. S. Co., 11 Broadway, New York, N. Y.
Pacific Mail S. S. Co., 45 Broadway, New York, N. Y.
U. S. Mail S. S. Co., 45 Broadway, New York, N. Y.
Ward Line, (New York and Cuba Mail S. S. Co.) 109 of Wall Street, New York, N. Y.

Free use of Shipping Board films
Use of Shipping Board motion picture films, four reels, free on request of any mayor, pastor, postmaster, or organization. A great educational picture of ships and the sea. Write for information to H. Lase, Director Information Bureau, Room 911, 1119 "F" Street, N. W., Washington, D. C.

SHIPS FOR SALE

My Master And I

Now believe me, my master and I know what it means to be REAL friends. We don't have to talk to each other all the time to show our friendship, either. All we know is that it's great to be together and to FEEL each other's desires, just as if they were our own.

My master seldom talks to me in words, but I know what he means when he looks at me, every time.

Last night he came in from a snow storm—his face was flaming red from the cold—and he said to my mistress and the children: "Always cozy and warm at home isn't it!"

He sat down by the register to warm his feet, and laying his hand on my head, and rubbing one of my ears over flat, he just looked at me, and I looked at him. He didn't talk, but he said just as plain as could be: "Oh! Boy, you remind me of our Holland Furnace. You are ALWAYS on the job."

MORE THAN JUST BUILDING MATERIALS

Almost any lumber dealer can supply you with the building materials you need for a specific job—so many feet of lumber—bundles of shingles—pounds of nails—or even the genuine Beaver Board.

That's really a small part of the job. When you buy your materials from us you receive our building advice that has been gathered from years of actual experience. That item doesn't show on your bill but it's a mighty important one—one that will mean a saving for you.

And we have tried to buy only the very best materials for our stocks. We are sure that you will appreciate our service as much as the speedy delivery of materials. You should at least consult us before you place an order for building materials.

Better yet, if you contemplate building, let us show you our

BOYS SLIPPED A COG IN MAKING UP STORY

Just about every boy in Holland is under 12 years old these days—at least until he has secured one of the coveted base ball passes that admit him to the games free of charge. Spriggs Te Roller, in charge of the handing out of the passes, is getting some first hand information about boy nature and the boys are using their imaginations actively.

But the other day two boys who applied for passes evidently had not taken sufficient account of all the biologic elements in the case when they applied for the precious pasteboards. They looked rather tall for 12, but Spriggs always goes on the assumption that appearances may be deceiving. Both boys assured him that they were well under 12.

"What's your name?" the first one was asked. "John Jones," giving not the names "Jones" but his real family name. "And what's your name?" the second was asked. "Henry Jones," was the prompt reply. "Brothers?" asked Spriggs. "Yes," chorused the two. Their almost equal height incubated the next question—"Are you twins?" The instant answer was "Nope."

Then when Spriggs still looked doubtful, one of the boys proceeded to reassure him by the remark: "Henry's 3 months younger than me!" And the youngsters seemed to wonder why Spriggs laughed when he handed the passes to them.

WAS FIRST TEST FOR SAUGATUCK LUNG MOTOR

The first use of the lung motor recently purchased by the village of Saugatuck was in the case of Mr. Loomans who was drowned at the mouth of the Kalamazoo last Saturday. Although there was no remote likelihood of restoring life after the body had been in the water fifteen minutes and on the shore a half hour before the lung motor could be secured, it was at once put into operation and worked perfectly. The air was artificially inhaled and exhaled, filling the entire lungs perfectly, the chest rising and falling in perfect imitation of natural breathing. No mechanical device or action will restore the dead, but the perfect action of the lung motor is very gratifying. During the resort season the lung motor will be kept at Heath's boat livery.

COMMON COUNCIL

Holland, Mich. June 15, 1921.

The Common Council met in regular session in the absence of the Mayor was called to order by President Proteem Brieve.

Present—Pres. Proteem Brieve, Alds. Prins, Laeppie, Kammeraad, Dykstra, Wiersma and Vander Hilt and in the absence of the clerk City Attorney Mc Bride was appointed Clerk.

The minutes of the last meeting were read and approved.

On motion of Ald. Laeppie, The regular order of business was suspended.

The Committee on Claims and Accounts reported having examined the following claims and recommended payment therefor:

Allowed and warrants ordered issued.

On motion of Ald. Laeppie, Received that when the council adjourns it shall adjourn until Monday, June 20th 1921, 7:30 P. M.

Carried.

The clerk reported that pursuant to instructions from the council he had given notice of the proposed paving and otherwise improving of Seventh street from the east line of Riven avenue to the West line of the Michigan R'y Co. viaduct at Lincoln

Avenue and of the time and place for hearing objections and suggestions to said proposed improvement, and that objections have been filed by the Pere Marquette R'y company through its attorneys, Dickema, Kohn & Ten Cate.

The clerk further presented the required affidavits of publication of such notice.

On motion of Ald. Wiersma, Resolved that the hearing be adjourned until Monday, June 20, 1921, at 1:30 p. m. Carried.

The committee on Licenses to whom was referred the application and bond of H. Boone to engage in the business of conducting a pool and billiard parlor at Hotel Holland reported recommending that the bond for same be approved and that the license be granted.

Adopted. George Combe appeared to object to the appearance of the premises of M. Goldman junk dealer, on the Corner of Eighth Street and Columbia avenue.

On motion of Ald. Kammeraad, The City Attorney was instructed to notify the said Mr. Goldman to clean up his premises within five days from the date of service of notice of same.

On motion of Ald. Dykstra, The placing of a drinking fountain at the corner of Central avenue and 20th St. and also at the corner of River avenue at either Eighth or Ninth streets was referred to the committee on Streets and crosswalks.

Adjoined. Richard Overweg City Clerk.

Proposals for Paving East 9th Street and Garretson Street

Sealed proposals will be received by the Common Council of the city of Holland, Michigan, at the office of the clerk of said city until 7:30 p. m. of Friday, July 8, 1921

for grading and for furnishing all material for and the construction of an asphaltic pavement on Ninth street between the west line of Lincoln avenue and the east line of Garretson street and Garretson street between the north line of Ninth St. and the south line of Eighth street in said city of Holland.

Each bid must be accompanied with a certified check for five per cent of the amount of the bid payable to the Treasurer of the city of Holland.

Plans and specifications of the work are on file in the offices of the city engineer, and of the undersigned city clerk of said city.

The Common Council reserves the right to reject any or all bids.

By order of the Common Council, Richard Overweg, City Clerk.

Dated Holland Michigan, June 21, 1921. June 23.30 July 7 1921

Expires July 16

To Gerrit Berends— Please take notice that a tool chest and contents was left at No. 12 W. 16th St. on December 7, 1920. Unless the aforesaid property is claimed and the lawful charges thereon, including the expense of this publication, is paid within three months from this date, the same will be sold according to the statute in such case made and provided.

Mrs. H. ENSING, Holland, Mich., June 15, 1921

PROPOSED IMPROVEMENT OF EAST 9TH STREET AND GARRETSON STREET

Notice is hereby given that at a meeting of the Common Council of the City of Holland held Monday, June 20, 1921, the following resolutions were adopted.

Resolved, That Ninth street between the west line of Lincoln Avenue and the east line of Garretson St. and Garretson street from the north line of Ninth street to the south line of Eighth street be improved and paved with a two inch asphaltic wearing course on a six inch gravel or stone foundation, and that such paving and improvement shall include the construction of the necessary curbing, gutters, manholes, catch basins and approaches in said portion of said streets said improvement being considered a necessary public improvement; that such paving be done in accordance with the plans, diagrams and profile of the work prepared by the City Engineer and now on file in the office of the City Clerk; that the cost and expense of constructing such pavement, with the necessary curbing, gutters, manholes, catch basins, and approaches, be paid partly from the General Street Fund of the city, and partly by special assessment upon the lands, lots and premises abutting upon that part of Ninth street between the west line of Lincoln Avenue and the east line of Garretson street and Garretson street from the north line of 9th street to the south line of Eighth street as follows:

Total estimated cost of paving and improvement including cost of surveys, plans, assessment and cost of construction, \$11308.92; that the entire amount of \$11308.92 be defrayed by special assessment upon the lots and lands or parts of lots and lands abutting upon said part of 9th street and Garretson street according to the provisions of the city charter; provided, however, that the cost of improving the street intersections where said part of Ninth street intersects other streets be paid from the General Street Fund of the city; that the lands, lots and premises upon which said special assessment shall be levied shall include all the lands, lots and premises abutting on said part of said streets in the city of Holland; also the street intersections where said part of Ninth street intersects other streets; all of which lots, lands and premises as herein set forth, to be designated and declared to constitute a special assessment district to defray that part of the cost of paving and improving that part of the Ninth street and Garretson street in the manner hereinbefore set forth, said district to be known and designated as the "East Ninth street and Garretson Street Paving Special Assessment District," in the City of Holland.

Resolved, that the profile, diagram, plans, plans and estimate of cost of the proposed paving of Ninth street between the west line of Lincoln Avenue and the east line of Garretson street and Garretson street from the north line of Ninth street to the south line of Eighth street be deposited in the office of the clerk for public examination, and that the clerk be instructed to give notice thereof of the proposed improvement and of the district to be assessed therefor, by publishing notice of the same for two weeks and that Friday the 8th day of July A. D. 1921 at 7:30 o'clock p. m. be and hereby determined as the time when the council will meet at the council rooms to consider any suggestions or objections that may be made to said assessment district, improvement, diagram, profile and estimate of cost.

Richard Overweg City Clerk. Dated, Holland, Mich. June 21 1921. June 23.30 July 7, 1921

LOCALS

The chorus of Central avenue church, some sixty in number, picnicked at Tennessee Beach yesterday afternoon. The merry makers went down by automobile.

The students of the Christian high school held an outing at Tennessee Beach Tuesday afternoon. A program of sports and other things incident to a gathering of this kind were features.

Mrs. James W. Ghysels entertained forty young ladies of the Girls' society of the 9th street Christian Reformed church at the parsonage of the church. The festival was in the nature of a lawn fete and besides an elaborate dinner, many lawn games and other features helped to make the evening a most pleasant one.

Employees sent out by the Park Board are trimming all the shade trees in the city where this is found necessary.

The Ottawa county weather bureau is getting weather observations by wireless. Observer Tullenesen states that for the present this service will cover six zones east of the Mississippi. While information will be received by telegraph the radio forecasts have been inaugurated in the interests of aviation in the United States and also in behalf of the steamships that have wireless equipment. It is estimated that there are at present 30,000 persons in the U. S. in a position to obtain weather forecasts by radio. Holland has many private homemade wireless instruments capable of receiving messages while Holland High has very fine equipment.

Dewey Rial, son of Harvey Rial 172 East 17th street is still in the Army of Occupation at Weissenstern, Germany. A few days ago he was called upon to arrest a German policeman who became altogether too officious. He hauled in the German "goose-step" cop in short order, who was reprimanded by the American officers and sent back on his beat. His father wrote back to him telling him to arrest Bergdoll next.

The large thermometer on the Model Drug store, registered 105° at 4:30 yesterday afternoon.

Mr. H. Holsebos, manager of the Safety Reliance Clevis Co., of Holland, and W. G. Bender, state manager left for Fargo, N. D. on business for the firm.

Wm. Vandenberg of Vandenberg Bros., Ed Stephan of the Holland Furniture Co., Howard Lane of the Bush & Lane Co. and Mr. Tanner of the Holland Furnace Co. all attended the convention of Michigan Purchasing Agents held at Ionia.

WESTERN UNION IS TO MOVE TO NEW QUARTERS

The Western Union Telegraph offices are to be moved from the Harmon building on West 8th street to the building formerly occupied by the Hankow Tea Company on E. 8th street.

The company has twenty men on the job laying the cable under the ground to the new building. The work is slow for the reason that the paved street and the concrete must be run through before real excavation can be done in earnest in the soft earth.

The cable is being laid in conduits and the new building it is expected, will be connected up by July 1st, when all business will be done from the new stand.

Although the Fourth of July is still two weeks off, the youngsters in Holland are already beginning to celebrate. They are beginning to shoot firecrackers, especially in the outlying districts and even on 8th street. Complaints have been coming in at police headquarters and Chief Van Ry has issued a warning.

Holland has an ordinance that forbids the shooting of fireworks before the fourth. This ordinance will be enforced, Chief Van Ry announces, and all youngsters are hereby warned not to let their enthusiasm run away with them.

INSPIRING ADDRESS DELIVERED BY DR. ZWEMER LAST NIGHT

OPENING ADDRESS OF THE C. E. CONVENTION HEARD BY 1,000 DELEGATES

I can, I have, I will for Christ, today was the keynote of Dr. Zwemer's opening address to 1,000 delegates to the 32nd annual Michigan State Christian Endeavor convention at the Third Reformed church last night. Keen insight into the hearts of men and the will of God, coupled with it an actual experience with the world of today, characterized the address throughout. His subject was "The Will of God and for the World Today." "We are facing a world such as the young people of no other age have had the opportunity of beholding. The world today is a very small world indeed. The progress of civilization has made a localized community of the globe. We have infinitely greater opportunities than those of yesterday, for accessibility into the heart of heathendom has been increased a thousandfold since the war.

"The world today which we must face holds 1,670,000,000 prodigal sons, but nevertheless his sons, trampled on, despised, starving and diseased, but nevertheless of same blood as you and I, bone of our bone and flesh of our flesh.

"The world today is a disturbed world. A score of wars are bringing turmoil to the world today. America did not get what she fought for. England today is carrying a greater burden than ever before. yesterday men shed their blood for what they thought was the salvation of the race. Today they are shedding their ink, an hate and passion into a cauldron of menacing unrest and ominous foreboding.

"The world is desperate, the world is suffering. There is terror by night, arrows fly by day, and destruction is wasting at noonday. That is what I have seen in a score of nations in the last six months.

"The will of God is the only thing that matters. His will is that all men should come to a saving knowledge of Him. Go ye into all the world, is the will of God for the world today. We cannot save America if we do not save the world, today."

The official program of the Michigan State Christian Endeavor convention, being held in Holland this week, came from the presses on Saturday afternoon and they are distributed now. The program is printed in a neat booklet of sixteen pages alternate blank pages being left for notes, so that the delegates may use the programs as note books at the same time. Besides the programs of the various meetings, the booklet contains a list of the conference leaders and a list of the state officers. The scope of the convention can be seen from the fact that the following places are represented by leaders or officers: Cairo, Egypt, Indianapolis, Oak Park, Ill., Chicago, New York, Adrian, Charlotte, Harrisburg, Pa., Ann Arbor, Detroit, Grand Rapids, Saginaw, Flint, Sault Ste Marie, Gobleville, and Holland.

The convention theme is "Service" and the convention motto is, "I will do what I can with what I have for Jesus Christ today." All the sessions will be held in the 3rd Reformed church and in Carnegie Gymnasium. The convention opened Wednesday afternoon at two o'clock with the registration and assignment of delegates. The first public session was held Wednesday night at 7:30 in the Third Reformed church.

Each evening the song service by a chorus of 55 voices under the direction of John Vandersluis will begin at 7:30. Registered delegates will have reserved seats, but these reservations will not be held open after 7:20. At that time the general public will be admitted so that there may be as few interruptions as possible during the music.

The opening session besides the song service included an address of welcome by Mr. Harry Kramer, president of the Holland Union, response by Walter C. Radeke, president of the Michigan C. E. Union, and an address on "The Will of God for the World Today," by Dr. S. M. Zwemer of Cairo, Egypt.

Mrs. Albert Van Dyke, aged 85, died Wednesday at her home at 272 West 12th street. The funeral will be held from the home Saturday afternoon at 2 o'clock, Rev. Mr. Heemstra officiating. Friends are requested to omit flowers.

SELL THREE BUSH & LANE PIANOS TO THREE BROTHERS

Here is some more optimism to be spread around. The Bush & Lane Piano company has been doing remarkably well considering the fact that luxuries are the first thing that feels the depression.

Yesterday however, a unique sale was made by Martin Dykema, representative of the Meyer Music House of this city. He sold three Bush & Lane pianos to three brothers who are manufacturers of furniture, and yesterday two trucks of the local music store delivered the three Bush & Lane's to the three brothers. The pianos were all Style 30, done in American Walnut.

These furniture men who you may be sure know the art of woodcraft from a to z, stated that when the Bush & Lane piano was shown to us we were immediately impressed with the fine workmanship of this popular musical instrument.

DRENTHÉ TO CELEBRATE THE FOURTH

Great preparations are being made by a large committee to stage a Fourth of July celebration at Drenth in Doezema's Grove. The speakers of the day will be Rev. W. D. Vander Werp, pastor of the Drenth church and Prof. Wymand

Wichers of Holland.

Baseball games between Drenth and Zeeland in the forenoon and afternoon have been scheduled. The Ottawa band of Zeeland has been engaged for the occasion, and the Ter Beek quartet of Holland will do many vocal stunts during the day.

Naturally all the races and contests incident to a celebration of this kind will be found on the program. The committee in some printed matter that is being sent around state:

"Three thousand persons attended the celebration at Drenth last year. Come and be one of 4,000 this year. Celebrate Old Glory's birthday. Remember the spirit of '76; celebrate and keep that spirit alive in 1921, the same as is portrayed in the large painting "Spirit of '76" picturing the fire and drum corps.

LARGE CROWD ATTENDS LAKETOWN SCHOOL EXERCISES

THIRTY-THREE PUPILS GRADUATE FROM DIFFERENT LAKETOWN SCHOOLS

FRIDAY AND SATURDAY OF THIS WEEK

THE STRAND THEATRE

WRITTEN AND PRODUCED BY HAMPTON DEL RUTH

FEATURING 3000 SUNSHINE COMEDY WIDOWS—THE MOST BEWILDERING ARRAY OF BEAUTY EVER SHOWN ON THE SCREEN—AND THE WORLD FAMOUS SINGER MIDGET TROUPE

THE JAZZIEST, FUNNIEST AND MOST THRILLING COMEDY EVER CONCEIVED

Sun-Baked Soils

Sun baked soil and hot weary horses have long been the bugbear of fall plowing. After a busy season the farmer finds himself and his team unfitted for this hard task which must be done on time.

But neither soil nor season affect the Fordson. Its rugged power is ever present to draw the Oliver Plow through the toughest plowing job on time and the measure of accomplishment is greater and more cheaply attained than by any other method.

No matter what the soil there is a specially built Oliver Plow that will turn it properly.
