**HOLLAND CITY STATE BANK**

Holland, Michigan, June 19th, 1922

Dear Sir:--

We were talking things over in the store last week and this question came up: "You have never bought or at present are not buying groceries from us. Why?"

We decided that possibly you were not familiar with our system of doing business; that we give the very best of service, highest quality of merchandise at the very lowest of prices and probably you do not know what kind of a store we have. So here is what we are offering as a special inducement for you to come in and get acquainted with us and also inspect our store.

We will give on Saturday, June 24th, 1922, one pound of sugar free with every dollars worth of groceries purchased (except on sugar and flour).

Dont for-get the day, June 24th, 1922. Why not come in, get acquainted and take advantage of this saving on all cash purchases.

Yours for Service, Quality and Price.

"We want to please",

## GEORGE GETZ TO ENTERTAIN HOLLAND ON THE FOURTH

SENDS OUT NEARLY 1,000 INVITATIONS FOR OLD-FASHIONED BARBECUE

George Getz of Lakewood farm, the best host we know of, a man who has been as generous to Holland as any man we know of, is to have Holland citizens as his guests on July 4th.

Nearly a thousand invitations have been sent out to the citizens and their wives asking them to attend an old fashioned barbecue at Lakewood on Tuesday afternoon, July 4 from one to 7 o'clock. The invitations state further that games of all kinds for young and old will be pulled off with prizes for all winners.

There will be patriotic speeches given by prominent men and music will be furnished by the Jackie band of sixty pieces from Grand Haven.

Austin Harrington, chairman of the merchants association of this city has received an invitation in behalf of the merchants in Holland. This naturally includes every merchant and the wives, or sweethearts of these merchants.

Mr. Getz is quite broad in giving his invitations when he states through his manager Charles Jackson, "Tell them all to come and have a good time. The grounds are open to them."

That's George Getz, the genial host of Lakewood.

## THREE HOPE GRADUATES WIN HONORARY DEGREES

Three honorary degrees were awarded Wednesday evening by the Hope College council, all three on graduates of the institution. Rev. Peter Moerdyke, class of 1866, was awarded the degree of Doctor of Divinity; J. N. Vander Vries, Ph. D., class of 1898, of Chicago, secretary of the U. S. Chamber of Commerce, was awarded the degree of Doctor of Laws; and Dr. Fred Warnshuis, of Grand Rapids, was awarded the degree of Doctor of Science.

The degree of Bachelor of Science was awarded on the following in recognition of special work done at the Western Theological Seminary: Rev. M. L. Tate Rev. J. H. Bruggers, Rev. C. P. Dame, Rev. James Wayer, and John Ter Borg.

## VICIOUS FIDO IS SHOT BY NEIGHBOR; DAMAGES SOUGHT

Slaughter of a dog brought Mrs. Hoen and Mrs. Olhava into court on Tuesday afternoon. Justice Dickenson held court at Grand Haven and Mrs. Olhava the plaintiff sought to recover damages from Mrs. Hoen for the killing of her dog. The dog was alleged to have been very vicious and to have attacked the members of the Hoen family who had to pass in front of the Olhava residence. Leo C. Lillie represented Mrs. Olhava and Prosecuting Attorney Miles handled Mrs. Hoen's case. The case was submitted and will be argued at a future date.

## LOCALS

The Ottawa County Road commission together with the supervisors are making a tour of the Ottawa county roads today. They were in Holland this forenoon took luncheon in Grand Rapids and will be in Gr. Haven tonight for dinner. Chairman Austin Harrington accompanied the party.

Mrs. Durfee will spend the summer in Europe visiting Scotland, England and France.

A survey of the inland lakes of Michigan show that encroaching vegetation and the deposition of marl and silt is filling them up, and that in a million years or so most of them will be dry plains with trees growing on them.--Detroit News. Dr. Vail at Waukazoo also gives us some such idea about carp fishing. Shucks then what's the use of all that trouble learning to swim?

A Grand Rapids barber brings suit for \$17.70 against one of his employees, who, he charges threw a bottle of hair tonic at him. Whereas apparently, he expected the fellow to fight him dry.

The steel steamship Iroquois, the only oil burning vessel on fresh water, will begin its season's run today between South Haven and Chicago. Both the Iroquois and the Petoskey will make daily trips during the summer and are expected to bring to So. Haven more resorters than ever went there before in a single season.

It does our old heart good to see a newly married couple buying a servant. Eldred C. Kuizenga, graduate of the Western Theological seminary, was installed and ordained as pastor of the Zion Reformed church at Grand Rapids. Mr. Kuizenga is a nephew of Dr. John E. Kuizenga of this city.

Gus Lofberg of Grand Haven has passed the final physical examination and has entered the naval academy at Annapolis as cadet. He is a son of Capt. G. Lofberg, superintendent of the coast guard station at Grand Haven.

Louis De Kraker, the veteran meat market man returned from Detroit where he attended a state encampments of veterans of the civil war. He took his three grand sons Louis Karel, Harry and Louis with him.

## FIDELITY GRADUATE FROM HOPE COLLEGE

21 STUDENTS ARE FROM HOLLAND; ONE HAILS FROM CHINA

Carnegie Gymnasium was well filled last evening when the 57th annual commencement took place. Strange to say there were 21 Holland student graduates. This less than ten years ago would have been impossible as at that time Holland students studying at the local school was rather a rare feature.

Holland has just begun to appreciate its college and has found that an education can be given here just a little more thorough at one-fourth the expense than would be the case if an education were attained elsewhere.

In the list of students will also be found one from China named Wonk, Kow Kah.

The program as rendered and the list of students follow below.

## COUNCIL REFUSES TO ACCEPT RESIGNATION OF CITY ENGINEER

COMMITTEE GIVEN POWER TO READJUST SALARY; OUTSIDE FIRM BIDS FOR HIM

City Engineer Jacob Zuidema on Wednesday evening tendered his resignation to the council so as to be able to accept another position that had been offered him at a higher salary. But after a thorough discussion the council refused to accept the resignation. Mayor Stephan pointed out that Mr. Zuidema has proved to be one of the best engineers that Holland has ever had, that he has always attended strictly to business and has been efficient in every respect. He said that Mr. Zuidema has made no blunders and that the city has not been called upon to spend unnecessary money because of mistakes. There have been times in the past when mistakes of past engineers have proved costly, the mayor said, but nothing like that has occurred with the present engineer.

Pointing out that it would be very costly to make a change in the middle of a big paving program and that in any event it would be next to impossible to secure an efficient engineer for the same salary Holland is now paying, Mayor Stephan recommended that steps be taken to meet the figure of the firm bidding for Mr. Zuidema's services. The matter was referred to the committee on streets and crosswalks with power to act.

## COUNCIL SPLITS EVENLY ON 7TH STREET PAVING

TWO PLANS PROPOSED; DECISION FAVORS PAVING FROM LINCOLN TO RIVER

It was decided Wednesday evening by the common council to pave 7th street from Lincoln to River and then to pave Lincoln from 7th to 8th making a loop. The original plan was to pave 7th from Lincoln to Pine and then pave Pine and Lincoln from 7th to 8th also making a loop, but the council stood six to six on this plan. When required to break the tie Mayor Stephan voted "yes," being in favor of paving to Pine so as to cut out a dead end there.

It was found however that on this question a two-thirds vote was required, so that the vote of the mayor did not decide the matter, and the vote was declared lost. On motion of a reconsideration of the motion, it was passed.

Mayor Stephan pointed out that the block from River to Pine and then from seventh to 8th ought to be paved now that this is the one chance for getting it paved. He said that block would remain a dead end and a dumping hole for another generation if it was not paved at this time while the Seventh street job was under way.

Last night's vote was only a test vote and it is still possible to take further action in the matter, but whether or not this vote will be changed is questionable.

Under the auspices of the American Legion and National Guard another athletic contest is to be held over the Wolverine garage on June 28 at 8 o'clock sharp. Some of the events will be "Grappler Cy" of Zeeland weighing in at 145 pounds vs. John Seikman at 175 pounds. Both men come from Zeeland and the contest will be for the championship of our neighboring city and will be a match to the finish. Boxing contests so far booked will be between Ver Hey and Wendell, Slegers and Fuller, Wyschede and Battling Bob. There will be several others but these have not yet been scheduled.

Today Samuel Goldwyn presents "The Concert" from the successful stage play of the same name. Romance such as only real life reveals so plausible and true that it startles by its own simplicity. Two reel comedy "Flatheads and Flivers."

Friday, June 23--Clady's Walker in "The Wise Kid." The merry comedy of a smart little flapper who knew just what she wanted; and when she got it she didn't want it at all. Star comedy, "His inheritance Tax."

Saturday, June 24--Franklin Farnum in "So this is Arizona," featuring Al Hart, Francis Ford and Shorty Hamilton--a western feature without an equal. Presented by a four star cast. Rollin comedy "Pardon Me." Also the adventures of Tarzon, 6th episode of the greatest of all wild animal serials.

Monday, June 26--Shirley Mason in "Ever Since Eve" a story of the Bohemian colony of New York with striking scenic effect, and many thrilling incidents. 2 comedies, Larry Seaman in "His Home Sweet Home" Harold Lloyd Day in "Swing your Partner."

Tuesday, June 27--Wm. Christy-Cabanne presents "The Barricade," a great humane story; greed and prejudice made a wall that divided them. But love and sympathy leveled it to the earth 2 reel Century comedy, "Peggy Be Good."

Wednesday, June 28--McAvoy "A Virginia Courtship,"--it's an exciting love story of the south with a feud, a duel, a thrilling fight and a craming love story all wound up in it. Two reel Sunshine comedy "Love and Wax."

Coming next week: Dusia Farnum in "Iron to Gold."

## OVERISEL

Mr. and Mrs. Ben Poest of Zeeland announce the marriage of their daughter, Margaret H. to James G. Hulsman of Overisel, which event took place Thursday. The newlyweds will live in Overisel where they will be at home to their friends after July 1.

## ZUTPHEN

On Tuesday, June 6, Mr. and Mrs. Henry Brower of Zutphen received their 12th visit from the stork and welcomed into their home another little daughter, whom they named Dorothy June. All the children are alive and well.

## HAMILTON

Rural letter carriers of Allegan county held a get-together meeting and banquet at Hamilton, June 17, at which about 60, including the families of the carriers were present. J. Krammeyer of Hamilton, president of the county organization, officiated as toastmaster and the speakers were Postmaster Klaver and B. Vander Heide of Zeeland and J. Brinkman of Holland and Gerrit Rutgers of Holland.

The North End base ball team defeated the Hamilton team Saturday afternoon by the score of 10 to 3.

The batting of L. Woltman and fielding of John Bredeweg for the winners featured the game.

Batteries for the North Ends, G. Bredeweg and W. Aldering, for Hamilton, F. Wentzel and Mosier. G. Bredeweg struck out 12 and Wentzel seven men.

Any fast teams wishing to book games with the North Ends call Phone 1168 or write E. Bredeweg, 147 River avenue.

## ZEELAND

John and Peter Ver Hey and Miss Anna Verhey with Mr. and Mrs. F. Bosma, Mr. and Mrs. G. Gebben and Mr. and Mrs. C. Kruid and children of Holland formed a motoring party and drove to Lansing Wednesday to attend graduating exercises at the state institution for the blind. A son and brother, Frank Ver Hey, has completed the 8th grade course at that school and is one of the graduates. Frank returns with them and will spend his vacation at home.

D. M. Wyngarden, owner and manager of the large Wyngarden hatchery has purchased the Rief-Van den Bosch property on Main street, at Zeeland, now occupied by the Art Products company and will utilize part of this building for his office and some additional hatching capacity. This will add several thousand feet to his already immense capacity and give him elegant office quarters. Besides these the building will accommodate other business ventures contemplated by Mr. Wyngarden. The Art Products Co. will remain in their present quarters for some weeks to come at least until new and suitable quarters can be found.—Zeeland Record.

John Pieper of Holland announces that he will be in Zeeland every Thursday afternoon from 1 until 5 o'clock, instead of Wednesdays, as heretofore.

Mrs. Benjamin Nykamp of Zeeland submitted to an operation at her home Tuesday morning, by Dr. Winter and Dr. Masselink.

The society for Christian Instruction of Zeeland this week let the contract for building the addition to the present school building to Bos & Lamer, contractors for the sum of \$4,638.58, exclusive of heating and plumbing. The addition will be a 4-room building. Work on its construction will begin at once and will be ready for occupancy in September.

Dr. A. Fox, a former resident of Zeeland, now of Newaygo was married to Maude Maynard, also of Newaygo, on Saturday June 10. Miss Maynard was formerly a teacher in the public schools of that city. Mr. Fox is a dentist in that city. They spent a few days with the former's mother, Mrs. Mary Fox here.—Zeeland Record.

ZEELAND STATE BANK  
TO ENLARGE QUARTERS

One of the most important business deals which has taken place in Zeeland was consummated this week with the purchase by the Zeeland State bank of the store property adjoining their building on the east, now occupied by Wm. Ossewaarde as a clothing and shoe store. The increasing business of this bank has for some time been crowding them for suitable room to accommodate their patrons properly. Their plans call for extensive improvement which, when completed will give them banking quarters second to none in the county.

Mr. Ossewaarde has been engaged in business in Zeeland for the past 35 years and feels that he has now earned a right to retire from active business. He reserves possession of the property until the first of the year during which time he will close out his stock of merchandise.

BEECHWOOD BOOSTERS  
STAGE A WRESTLING EXHIBITION

Wrestling, volley ball and singing surely formed diversified program and took up the evening of the Beechwood Boosters Friday.

"Grappler Cy" of Zeeland, the new wrestling wonder and Homer Hanson, lightweight champion of M. A. C. at one time, gave a five minute exhibition and demonstrated the different holds that play an important part in the art of wrestling.

Cy Vander Luyster of Zeeland also gave an exhibition of weight lifting that was very interesting.

Volley ball was also indulged in and the Boosters have decided to buy themselves a net for future games.

Robert Evans of Hope College and his father John Evans of Coldwater pleasantly rendered some duets that took with the Boosters.

BUILDING BURNS  
WHILE SYNOD IS  
IN SESSION

The delegates from Holland and Western Michigan to the general synod of the Reformed church at Pella, Iowa, have returned home, some arriving Wednesday evening by train from Chicago, and others arriving Thursday morning by Graham & Morton boat.

On the last evening that the synod was in session at Pella, "Old Central Hall", the oldest hall on the campus of Central College, at which institution the synod was meeting, was burned to the ground. The meetings were not being held in that hall, but in Pella churches. The cause of the fire is not known. The burned building was the original building on the campus, erected many years before the Reformed church took over the institution. Since the college became the property of the Reformed church several new buildings have been erected.

On the train from Pella to Chicago the returning delegates passed a subscription list for a new building to replace "Old Central" and the sum of \$12,000 was subscribed. A telegram was sent from Chicago to President M. J. Hoffman, announcing what had been done.

FORMER HOLLAND  
GIRL TO BECOME A  
DOCTOR OF MEDICINE

The common saying is "So the Father so the son," but it is not often that the daughter follows in the footsteps of the father.

A former Holland girl, Miss Iola Gertrude De Pree, daughter of Dr. and Mrs. Peter J. De Pree, who for several years practiced at West Olive and at Holland, is going to be a doctor.

The parents of Miss De Pree are now living in Grand Rapids and on Monday she received her degree from the medical school at the University of Michigan. Miss De Pree took her two first years of college work at Junior College and completed her course of four more years at the university. She will go, in a short time, to serve a year of internship at the Women's and Children's hospital in Philadelphia, which is the largest hospital in the world supervised entirely by women and caring only for women and children.

Miss De Pree has passed her state examination and has been taking her national examination. There are but four girls being graduated from the medical school this year.

"Doctors and chemists seem to run in the DePree family for Miss De Pree's father is a doctor of medicine and her grandfather was a doctor of divinity. Her uncles, Con, Jack and James De Pree of Holland are prominent chemists, so it is evident that when Miss DePree chose her profession it was quite the natural thing," says the Grand Rapids Herald.

"In her work she will stress the care of children, which she loves more than any other branch of her career," her parents, say.

Last summer, Miss De Pree was supervisor of the medical and physical departments of the camp which the Y. W. C. A. of Utica, N. Y., holds each summer at Brantingham Lake, N. Y. Dr. and Mrs. De Pree will go to Ann Arbor for commencement.

The Herald in Saturday's issue prints a cut of Miss De Pree which would indicate she sure will make a good looking doctor.

Mrs. J. C. Post and Miss Katherine Post have returned to the city after an absence of several months.

DROWNING AVERTED  
BY TIMELY AID

The first water accident of the season occurred at Macatawa Park Monday when Ward Chadwick, of Grand Rapids, capsized in his canoe outside the breakwater in Lake Michigan. Mr. Chadwick was in his bathing suit, and at first it did not seem as if the accident would be serious, but Chadwick had not counted on the temperature of the water. It was almost ice cold, and he was soon disabled. Friends of his were standing on the breakwater about a hundred feet away, and they jumped in to keep him above water until the life savers could arrive on the scene.

The crew came in about five or six minutes in the power boat and took Chadwick to the station where stimulants had to be applied to revive him. He was "all in" when the crew took him in hand and could not have kept above water without the help of his friends.

LOCAL MAN SEES  
ENURE COURT  
AWAKENED TO MUSIC

Jubilant delegations of music men returned this week to every part of the country from attending their annual convention in New York City last week. "Unlike the average national convention," said Harris Meyer, of the Meyer Music House, who has just returned from New York, "the gathering of music men and women from every quarter of the country which just closed at the Hotel Commodore, has been more than a mere discussion of the business problems of a great industry. We have left the sessions with inspiration. We have come away convinced that the soul of our country is largely a soul of music."

"We have every reason to go forth like the crusaders of old on a mission of health and happiness, for this is the loftier aim of music. America today is the music centre of the universe. We not only have the best teachers, the best students on earth, but we are making the best musical instruments in the world and more than in any other country in the world."

"All over the land the children are tuning themselves to rhythm of that harmony which only music brings. The school bands and school orchestras are bobbing up everywhere and in the schools the subject of music bids fair to be added to the three Rs as an elementary branch of study. The ideal is a musical America with every child skilled and schooled to play some sort of instrument."

"I do not believe that any of the great throng of men and women who sat through the sessions and loyally attended the meetings failed to understand the path ahead and the rewards which lie at the end of the journey. When music was taken from the luxury list and placed where it rightfully belongs—upon the necessities list—the curtain rang down on the plodding of the past. We face a new responsibility and we welcome the test. No industry in America today has a more solemn obligation, and you may be assured that no group of men and women in America devoted to the task of reconstruction will more eagerly set to the work of vindicating the judgment that music is a necessity of the first order."

From the entertainment point of view an outstanding feature of the convention was a complimentary concert given at Carnegie hall by the Victor Symphony Orchestra of 90 pieces, and Mme. Schumanheink, Mme. Louise Homer, Mme. Samaroft and Reinold Werrenath. The music industries Chamber of Commerce provided a boat trip up the Hudson to West Point where a special review of the cadets of the U. S. Military Academy was staged. Mr. and Mrs. Meyer also visited the Victor Talking Machine Co. at Camden, New Jersey.

BIDS TO BE OPENED  
SOON FOR FOUR MILES  
OF OTTAWA CO. ROAD

On June 27th bids for the paving of a four and one-half mile stretch of road between Coopersville and Marne in Ottawa county will be let by the county road commission. The completion of this stretch will leave but three miles of unpaved road between Grand Haven and Grand Rapids when the Nunica-Spring Lake project is finished.

The Grand Rapids road is either paved or being paved for all its length except between Marne and one half mile from the Kent county line. This road is probably used more than any other of the highways leading out of Grand Haven especially in summer as it forms a route of travel by means of which the tourists from Grand Rapids and points east reach the resorts both at Highland Park and on Spring Lake.

The contract for grading on the new project was let some time ago and is now nearly completed and it is hoped to push the actual paving as quickly as possible.

On the Nunica road, the concrete laying is the only part of the work which is not going forward according to schedule. All of the other phases of the construction work are being pushed rapidly but it is thought that in order to get the concrete laying finished on time that additional paving machines will have to be used. The present equipment is said to be inadequate for the job as specified. Some trouble was experienced in getting men for the work at first but now there are more than enough available. If additional equipment is put on there will be additions to the working force and this will give work to the men who are unemployed.

When the system of roads are laid Ottawa county will have an inlet to its resort region that should be worth many times what was put into them.

YOUTH PLEADS GUILTY  
TO FORGERY

Allen De Vries, 17 years old, was arrested on the charge of forgery and when arraigned Thursday forenoon in justice court he was bound over to circuit court for trial. For some time it had been known that forged checks were floating about. One had been passed on Lokker-Rutgers, one on Frank Charter, and one on Will Blom. The checks were signed by the name of DeVries & Dornbos, and were made out in favor of Bert Jacobusse and were passed during the rush hours at the local stores. In each case the person who passed the checks made a small purchase, and paid for it with the check, receiving the required change.

Suspicion turned to young De Vries and he was identified by one of the victims. At first he declared he had found the checks, but later he admitted to Chief Van Ry that he had forged them, declaring that he had not thought it wrong. The total amount secured by him on the checks was about \$50, which he has paid back. In view of this fact and in view of the boy's youth, a suspended sentence seem likely in his case, and there is no disposition to press the matter to the limit. He will be tried at the August term of court.

Miss Johanna Veenstra, missionary to British West Africa, told a thrilling story of her experiences there, during the two and a half years that she served, at a meeting in the Ninth street church Wednesday evening under the auspices of the Young Ladies Mission Circles of 9th street church and 14th Street church. Miss Veenstra was stationed at Wukara, Northern Nigeria, and she served with the United Sudan Mission Board.

As late as 1917 there was still cannibalism there, four blacks having been killed and eaten by natives, for which the British government executed seven as an example. Miss Veenstra was the first white girl that ever penetrated into the district and she told of lions coming to the river to drink while she was floating down the stream in a canoe. At the end of the railroad she had to travel a thousand miles by bicycle and on foot, and she gave many interesting descriptions of her work there. A program of music was also given, and a silver collection was taken for the benefit of Miss Veenstra's work.

Wednesday evening the Holland Exchange Club, 60 strong journeyed to Grand Haven to be royally entertained by their neighbors to the North, the Grand Haven Exchange club.

The fleet of automobiles, suitably decorated for the occasion were met at the Grand Haven City limits by a welcome committee and proceeded toward the Court House where the Thompson Jackie band and the members of the Grand Haven Exchange club in automobiles joined the caravan and all paraded down the main street of the city.

At 7 P. M. all gathered in the dining room of the Highland Park hotel which had been beautifully decorated for the occasion with a Japanese effect and flower designs. Here the Holland folks together with the hosts from the county sat down to a vounteous dinner ably served by the sons of the Grand Haven members.

Superintendent of Schools Vanden Berg acted as toastmaster and called upon two members of the Holland club, President Sears McLean and C. Vander Meulen for short addresses, to which both responded emphasizing the need for better acquaintance and co-operation between the two cities.

The speeches were interspersed at intervals with vocal music by the celebrated "Dugan and Smith" team of vaudeville fame and the Grand Haven Exchange Club quartet, four young men of real musical ability whose voices blended perfectly.

One of those mysterious "waves" that periodically sweep over a city for no adequate reason that can be perceived by the average person is just now passing over Holland—namely this "wave" of celebrating the 4th of July in June, weeks before the real Fourth of July is here. Normally the small boy does not begin to think of firecrackers until about the week before the Fourth, and his larger brother does not invest in cannon crackers until the night before the Fourth. But this year, for some mysterious reason that might require a profound psychologist to fathom the celebrators, both of the very small boy variety and of the old type began it the middle of June, and they are going at it with progressive intensity as the Fourth approaches.

The Allegan city council has let the contract for summer paving work to H. J. O'Neil. The total amount of work to be done will entail an expenditure of \$22,500.

James De Pree of the Ottawa Furniture Co. was in Gr. Rapids preparing for the Furniture exposition.

BUSINESS COLLEGE  
CLOSES A VERY SUCCESSFUL YEAR

Holland Business College will again have summer school sessions beginning July 5 and will continue for seven weeks. Several young men and young women have already enrolled and more are expected to take advantage of this opportunity. Summer sessions are held to accommodate students of day and evening classes to complete their courses to become eligible for a position, and to offer opportunity to others to continue their studies in the commercial subjects. Demand for office help during the past two months has become considerably stronger. As many as two calls have been received in one day.

The regular school year closed on Friday and it was one of the most successful years of this institution. The number enrolled during the year day and evening classes, was 132. These were made up of school teachers, high school graduates, college students, factory workers, store clerks and stenographers.

The graduates from the stenographic department are: Harold Cook, Jennie Hulst, Agnes Meyer. Those who have completed three or more units of bookkeeping are: Alita Harmson, Mary Jongkryg, Anna Timmer, Howard Wabeke, Marvin Albers, John Westebroek, Thomas Bowerman, John Galien, and Joe Lampen.

During the past school year the following students have taken positions: Catherine De Weerd, Holland Furnace Co.; Catherine Nelis, Holland Daily Sentinel; John Westebroek, Van Voorst Bros. & Bar-ends; Grace Dykstra, The De Pree Co.; Ralph De Vries, American Cabinet Co.; R. Meebor, Zeeland; Clarence Dykhuis, Zeeland; Richard Rossien, Zeeland, Marvin Albers, Grand Rapids; Sophia Allen, Bush & Lane; Mary Jongkryg, Arctic Ice Cream Co.; Helen Hamm Bush & Lane; Anna Timmer, Holland Furnace Co.; Julia Wabeke, Bush & Lane; Evelyn Vandenberg, Holland Furnace Co.; Henry Weller, Weller Nurseries; Sena Telgenhof, Holland Furnace Co.; John Vander Hill, West Michigan Furniture Co.; Alita Harmson, Holland Furnace Co.; Agnes Meyer, The Reformed Church House; Jennie Hulst, De Pree Co.; Anna Stool, C. P. Limbert Co.; Margaret Gossweiler, DePree Co.; Grace Moeke, Zeeland; Harold Cook, Bolhuis Lumber Co.

My attention has been called that there is a state law that owners of city property must keep noxious weeds such as Canada thistle, burdock, milk weed, wild carrot and ox-eye daisies off their property.

We have had several complaints sent us lately regarding vacant lots where the owners neglect to cut the weeds to the great annoyance of adjoining improved property.

We are therefore going to request all owners of vacant lots to keep these weeds cut this year. Wherever property owners are found to be neglecting this duty the city will cut the weeds and charge the expense in the regular taxes.

We trust that everybody will comply with this law in so doing perform a public service preventing the weeds going to seed and doing more damage.

E. P. Stephan, Mayor.

An enthusiastic meeting of the Home Missionary society of the Methodist church was held at the home of Mrs. N. C. Huling, 240 East 8th street. As this was the annual meeting there was no program, but the time was spent in concluding the business of the year. The reports as given by the officers and the committees were very gratifying, showing that the study course had been completed, and all pledges had been paid, clothing had been sent to an Indian Mission, fruit to the Deacons' Home in Grand Rapids and a large amount of miscellaneous work accomplished.

Very promising is the work of the young people and children's departments. The pastor, Rev. G. B. Fleming, was present and gave two expressive vocal selections, playing his own accompaniment. Devotionals were in charge of Mrs. A. E. McClelland. Hostesses were Mesdames N. Huling, J. Wise, H. Harrington and T. Markham. No meetings will be held during the summer vacation but will be resumed in September.

Following are the officers elected for the coming year: Pres., Mrs. H. TeRoller; 1st vice president, Mrs. G. E. Whitman; 2nd vice president, Mrs. G. B. Fleming; 3rd vice president, Mrs. E. Markham; rec. sec'y, Miss Georgia Atwood; cor. sec'y and treasurer, Mrs. E. B. Rich; secretaries of departments: literature, Mrs. G. C. Moody; temperance, Mrs. Charles Gross; evangelization, Mrs. H. W. Smith; stewardship, Mrs. A. E. McClelland; mite boxes, Mrs. E. Markham; membership, Mrs. J. E. Lewis; music, Mrs. Maris and Mrs. J. Wise; posters, Mrs. Bannister, Mrs. Smith and Mrs. Fleming; supt of Queen Esther Circle, Miss Clara McClelland; Home Guards, Mrs. Bottum and Mrs. Rich; Mother's Jewels, Mrs. Rank and Mrs. Willis.

Once the Holland fellows get the golf habit, home will be little more than a filling station.

MAYOR STEPHAN  
ELECTED PRES. OF MUNICIPAL LEAGUE

The League of Michigan Municipalities in convention at the city hall at Holland held their annual election Thursday evening after the speaking exercises.

Mayor E. P. Stephan, who was named vice-president last year was promoted to the presidency for the coming year in the place of Hanson Taggart, city attorney of Grand Rapids.

Mayor Pearle of Lansing was named vice president and Bates K. Lucas of Owosso was named secretary and treasurer.

The directors named are James H. Lee of Detroit, Harlowe Clarke, Mayor of Marquette, J. W. McKey, city attorney of Marshall, Mrs. Margaret Johnston, city commissioner of Ludington.

The convention will be held in Grand Rapids next year, it was decided Friday afternoon just before adjournment.

Mayor E. P. Stephan is bound to throw a few bouquets to the newspapers. He says he wishes to state the following:

Gentlemen:— Now that the convention of the League of Michigan Municipalities is over, I wish to publicly thank the Holland Daily Sentinel and the Holland City News for the wonderful co-operation shown in helping to make the convention a success.

Not quoting myself, but taking the word of nearly every delegate present, there was a unanimous expression telling of the splendid co-operation of the local press being the best they had seen in any city where the convention was held thus far.

Not a few deplored the fact that in their own home town this wholehearted co-operation is lamentably lacking.

I am only expressing what our guests have said, and what I myself have felt. The souvenir editions were surely a boost for Holland.

With the kindest appreciation, I remain,

E. P. Stephan.

TO REPLACE BLACK  
LAKE BUOYS WITH  
CONCRETE STRUCTURES

The two buoys in Black Lake that serve as a guide to vessels showing where the deep water lane is and where the shoals are located that must be avoided are to be replaced by concrete buoys. The present signal stations are built on spiles, but in accordance with its policy of erecting more permanent structures, the government has decided to build them on concrete.

H. P. Zwemer was awarded the contract for furnishing gravel for this work and he has just landed a scowload of gravel from Bass river on the Harrington dock. The work will be begun almost immediately.

After an exciting chase in which the sheriff's Dodge hit her limit, Tony Marchucki of Muskegon was taken into custody by the sheriff on Thursday morning. The Muskegon man, driving a Chalmers, was speeding through Ferrysburg at a hot rate of somewhere between 45 and 50 miles an hour it is alleged. Sheriff Fortney in the county car took the chase and finally caught Marchucki at one of the numerous corners after he had taken one corner at about 45 per. The speeder just missed colliding with a Ford sedan containing three women.

He was arraigned in Judge Wach-court and paid \$20 fine and \$4.80 costs. He was also cautioned not to jeopardize the public safety by such rash driving in the future.

Holland has the largest rod and gun club in the state, according to James Mc Gillivray, of Oscoda, educational director of the state game and fish department, who spoke in Woodman hall Thursday night. The meeting was well attended, about a hundred being present, and it was held under the auspices of the Holland Rod and Gun club.

Mr. McGillivray declared that the Holland club can wield a great influence by working intelligently for the better game and fish laws. So large an organization, he said, can make itself felt in state legislation. He declared that game and fish Warden Baird is now taking up with the attorney general, questions connected with Black Lake fishing, with a view of straightening out the difficulties that have arisen here.

The speaker showed an interesting film of wild life in several sections of Michigan and illustrating what can be done in the way of the conservation of game. He told of a Mr. King, a native of England, who has been living in the wilds of northern Michigan for 20 years in a log cabin on a 250 acre tract of land, and who has voluntarily constituted himself a protector of wild life there. He has taught the partridge, one of the shyest of birds, to eat out of his hand, and at one time counted 106 different kinds of birds on his place. Mr. McGillivray took the pictures of wild life himself with the aid of a trained motion picture camera man.

LUMBER MILLIONAIRE'S  
WIDOW OPENS \$100,000.00  
HOME AS A TEA ROOM

The residence of the late John Torrent, millionaire lumberman of Muskegon will be turned into a tea room by the widow, it is announced, so that she can aid herself in maintaining the home. The home, built during the lumbering days at a cost of \$100,000 is still considered the finest in Muskegon.

The home has been the subject of much litigation and the state supreme court recently held that the property should go to the children at the widow's death. It was brought out at the trial that the widow was receiving only about \$1500 a year to keep up the home.

# CHRISTIAN HIGH SCHOOL HOLDS FIRST COMMENCEMENT

The large Central Avenue church was well filled with an audience who came to listen to the first graduating exercises of the Christian High school in this city.

Four years ago the local high school was built and the first class numbering ten were given their sheepskins Monday night. Prof. G. J. Vanden Bosch of Calvin College gave the principal address to the students telling them that their life work had only just begun and they should disabuse their minds of the thought that because of their graduation they were a finished product. He pointed out that this was only their first star in life and that mankind is never too old to learn.

Prize scholarships were also awarded for the best standings in the following: Gertrude Joldersma, \$4; Leon Bosch \$3; Dorothy De Goede and Anna Koeman each \$1.50. These prizes were given jointly by Mr. Hyo Bos and Mr. G. J. Heetderks.

The A. N. Palmer Co. of New York, who give prizes on penmanship to many schools, also included the Christian school. Not alone were buttons and pins given, but the highest mark of efficiency in the way of a certificate was also given 19 of the graduates. Those pupils who distinguished themselves in that way are the following: Reka Van der Ploeg, Cora Kamphuis, Lyda Brink, Kathryn Selles, Anna Koeman, John Brat, Henry Vogelzang, Dorothy De Goede, Alice DeGroot, Kathryn Toppen, Ruth Bartels, Henrietta Nyboer, Hendrika De Jong, Harold

# BEAUTIFUL WEDDING SOLEMNIZED AT 3RD REF. CHURCH

The Third Reformed church was the scene of a very beautiful wedding at 7:30 o'clock Friday evening, when Miss Nelle Marie Pelgrim, youngest daughter of Mr. and Mrs. Henry Pelgrim of this city, became the bride of Mr. Marvin Charles Lindemann. The double ring ceremony was used. The Rev. James Martin pastor of the church, and Dr. J. Carleton Pelgrim, brother of the bride, officiated. The bride was given away by her father, Miss Kathryn J. Pelgrim was the maid of honor, and the following served as bridesmaids: Miss Helen Lindemann, Miss Ethel Dystra, Miss Evelyn Keppel, Miss Marguerite Meyer, Miss Janet Mulder and Miss Selma Landwehr. Mr. George A. Pelgrim served as best man, and the ushers were Mr. Gerald Bosch, Mr. Adrian Van Putten, Mr. Arthur Cloetuijgh, Dr. John Brower, Mr. Zenas Luidens and Mr. Edgar Landwehr. The bride was preceded by two little flower girls, Helen Jean Pelgrim and Marie Kollen Pelgrim, who scattered roses, while just ahead of the bride marched the ring bearer, Master Kenneth Henry Pelgrim. The wedding march was played by Miss Karsten, organist, and Miss Ruth Keppel, violinist. Before the wedding ceremony, Miss Ruth Keppel played a piano solo, entitled "Meditation," by Glazanon and Miss Helene Van Raalte sang "O Perfect Love," by Wood, and after the ceremony she sang "Beloved, It is Morn," by Alyweid.

The bride was a picture of loveliness in a Parisian gown of silk lace, trimmed with bands of satin. Her veil was real Irish Point lace, studded with pearls and trimmed with orange blossoms. She carried a shower bouquet of lilies of the valley and roses.

The maid of honor was gowned in a beautiful creation of canary yellow Rome crepe and carried a shower bouquet of Ophelia roses and snap dragons.

The bridesmaids wore organdie gowns of pastel shades and carried Colonial bouquets of sweet peas and roses.

The little flower girls wore French dresses of white embroidery net and carried baskets of sweet peas and roses. The ring bearer was dressed in a white satin suit.

The mother of the bride wore a beaded gown of black satin Canton crepe, and the mother of the groom wore a black crepe meteor with black lace.

The church was decorated with banks of ferns and palms, livened with silver baskets of gladioli. In the center stood the candelabra while at each end were tall cathedral candles.

Immediately after the ceremony a reception was given at the home of the bride's parents. The color scheme of the wedding was carried out at the house, and the yard was illuminated with Japanese lanterns. An elaborate supper was served. Delightful piano selections were rendered by John Lloyd Kollen. Dr. and Mrs. A. Leenhouts were Master and Mistress of ceremonies.

The happy couple left Friday evening for an automobile trip to Northern Michigan. The bride's traveling attire was a three piece suit of orcaid eponge with a hat to match. In the fall they hope to occupy their new residence, now in the course of construction on W. 12th-st.

The out of town guests were: Mr. and Mrs. W. C. Lindemann, Lansing, Michigan, and Miss Helen Lindemann; Mrs. Henry Broke, Perryburg, Ohio; Mrs. Sherman Burkett, Toledo, Ohio; Dr. and Mrs. J. Carleton Pelgrim, Marie Kollen Pelgrim and Miss Lena Kollen, Frankfort, Ky.; Dr. and Mrs. D. Milton Green, Detroit; Mr. and Mrs. Theodore Elfrink, Miss Martha Ossewaarde, Dr. Leon Bosch, Zenas Luidens, Mr. and Mrs. Edward Rodenhous, Rev. J. G. Brouwer, of Grand Rapids; Prof. Arthur Cloetuijgh, State College, Pa. and Rev. and Mrs. Henry Van Dyk of Grand Rapids.

# PRETTY WEDDING TAKES PLACES AT TRINITY CHURCH

Trinity church was the scene of a very pretty wedding at 7 o'clock on Saturday evening, when Miss Janet Marie De Graaf, daughter of Mrs. Mary De Graaf, 75 W. 15th-st., became the bride of Mr. John Martin Van Alsburg.

Shortly before the wedding ceremony took place Miss Helene Van de Linde sang "At Dawning," by Cadman and Miss Lucile Mulder rendered "O Perfect Love," (a wedding song) by Burleigh.

Immediately after and to the strains of Lohengrin's Wedding March, played by Miss Susanna Hamelink, organist, the bridal party entered and marched up the center aisle to the altar. Here the bride was met by the groom, Rev. Clarence P. Dame, pastor of Trinity church and the groomsmen, Franklin Van Ry.

The bride was attended by her sister, Mrs. Edith Boylan, who acted as matron of honor.

The bride was very lovely in her bridal gown of white taffeta and veil of tulle, trimmed with orange blossoms. She carried a shower bouquet of bride's roses and Swansonias.

Mrs. Boylan was gowned in orchid chiffon over pink and wore a corsage colonial bouquet, with hat to match.

As the bridal party wended their way through the church edifice to the soft strains of a pipe organ, their path was strewn with flowers from the hands of little Miss Angela Van Lente and Master Lloyd Van Lente, cousin of the bride.

At the head of the bridal party was Master Roger VanLente, also a cousin of the bride dressed in white, carrying a large beautiful Calla lily in which the ring was nestled, and which played an important part in

the wedding ceremony pronounced by Rev. Clarence P. Dame, pastor of the bride and groom.

After the marriage Miss Hamelink played Mendelssohn's Wedding March.

The church was artistically decorated for the occasion with ferns and potted plants and field daisies.

After the ceremonies the party proceeded to the home of the bride's mother where a reception was tendered to 75 guests and elaborate refreshments were served.

The happy couple are now on their honeymoon trip and will be at home to their friends in Holland after Aug. 1st.

Mr. Van Alsburg has been with the Holland-St. Louis Sugar Co. office force for a number of years, and Mrs. Van Alsburg, who is a graduate of the local high school and also Ferris Institute has been connected with the law firm of Black & Black, prominent attorneys of Detroit.

# VOS-KALMINK MARRIAGE TAKES PLACE

Miss Alice Vos, daughter of Mr. and Mrs. Gerrit Vos, 8 West 17th-st. was married at 2:30 P. M. Thursday to Mr. Harry Kalmink, son of Mr. and Mrs. Henry Kalmink of East Saugatuck, Rev. James W. Ghysels of the 9th St. Christian Reformed church performing the ceremony before 75 relatives and friends.

The bride was daintily gowned in white Canton Crepe, trimmed with stylish lace and beads and carried bride's roses. An arch of evergreen and roses was devised under which happy couple were wed.

The ceremony chosen was the double ring service. Marion Vos, cousin of the bride was flower girl while little Anne Margarette Sellas, also a cousin of the bride bore the ring.

Miss Helen Vos, sister of the bride was maid of honor, and was gowned in light blue crepe de chine and tulle, carrying a bouquet of sweet peas, while Mr. Cornelius Marcus attended the groom.

Mrs. Frank Van Dyke played the wedding march from Lohengrin after which Miss De Kleine sweetly sang, "O Promise Me."

After the ceremonies a sumptuous wedding supper was served and the couple left on a wedding trip to Detroit.

At the wedding the master of ceremonies was George Kalmink, while the Misses Bertha Vos and Mary Landman had charge of the gift room.

After August 1st the couple will be at home to their friends on West 18th street.

# HOLLAND TOWNSHIP BOY WINS DETROIT STATE FAIR TRIP

Berlin Bosman, of Holland township, school district No. 5, has been awarded first honors for Ottawa county in the state fair and eighth grade examinations which will entitle him to a free trip to the state fair at Detroit from September 1 to 10. Second honors went to Howard L. Weaver, of Chester township, school district No. 4. In case Mr. Bosman cannot go to the fair, Mr. Weaver will have the opportunity to go. He has been appointed as alternate to Mr. Bosman.

School district 5 of Holland township which produced the winner is being taught by Anthony Mulder; and school district No. 4, of Chester township, which won second honors, is taught by Esther Lillis.

The state fair examination is held each spring in connection with the eighth grade examinations throughout the various counties in the state. Only those pupils who expect to take up agriculture as a profession are eligible to take the examination. The state fair board submits twenty questions which the contestants are required to answer. These are in addition to the regular eighth grade examination questions. The answers to the two sets of questions are averaged and the boy having the highest average standing is given the prize. The examination is open to all boys between the ages of 14 and 18.

The trip to the state fair is an educational one. The fair association pays the railroad fare of each boy to and from Detroit, as well as all the expenses during the week's stay at the fair. The representatives of Michigan's 83 counties are taken in hand by a representative of the fair and in addition to seeing the sights of the fair, the boys are given many other educational outings such as trips to important Detroit manufacturing plants and other institutions.

Rev. James Dykema, of Redbanks, N. J. is visiting here for commencement week.

About 200 alumni, alumnae, and friends of Hope College gathered in Voorhees Hall Tuesday evening at 6:30 for the annual alumni banquet. Nearly all the classes that have graduated from the institution were represented, some of them by many representatives, especially the more recent classes. The class of 1922, that graduated Wednesday night was represented in full force.

A delightful banquet was served after which Rev. C. H. Span of Grand Rapids, president of the association, served as toastmaster, introducing the following speakers: Rev. G. De Jonge, Zeeland, class of 1882; Rev. H. J. Veldman, Detroit, 1892; Rev. H. P. De Pree, Amoy, China, 1902; Mrs. John A. Dykstra, Grand Rapids, 1912; Winfield Burggraaf, Decatur, Mich., 1922; Prof. J. G. Vanden Bosch, Grand Rapids, 1897.

The annual business meeting of the association was held this afternoon, the retiring officers being: president, Rev. C. H. Span; vice-president, Rev. J. G. Brouwer, Grand Rapids; secretary, Rev. Paul E. Hinkamp, Holland; treasurer, Dr. E. R. Dimment, Holland.

John J. Rutgers of the Rutgers Clothing Co., was in Grand Rapids on business Friday.

# LAST HOLLAND BURGLAR IS BEHIND THE BARS

It will be remembered that on Feb. 19, some wholesale burglarizing was going on Holland.

The Holland Armory over the Wolverine Garage was entered and a cleanup was made which also included a large army revolver.

The Farmers' Co-Operative Association on 8th street was entered and an attempt was made to crack the safe. The offices of the Pere Marquette freight house were also robbed and other minor robberies were pulled off here.

A handkerchief left on the floor of the Farmers' Co-Operative Association picked up by Chief Van Ry and his men led to the arrest of Vern Stoddard and Harry Johnson, who were taken at a boarding house in Grand Rapids conducted by a former Holland woman.

It will be remembered that these former jail birds were sent back to Marquette. One of the gang, named Jim Lee, however got away and was not apprehended until Tuesday when the Grand Rapids sheriff's force in a spectacular raid got the last man of the trio. Lee was with a beautiful woman named Lulu Hansma.

The raid was made a short way in the country where in a house several shot guns and revolvers were found with a still in operation, containing a great deal of moonshine.

Lee was taken to prison after he fell while sprinting across a field thru bullets fired by Deputy Sheriff Edward Linkfield, who fired as Lee pulled out an army revolver identified as stolen from the Holland armory last fall. Stumbling, Lee lost his grip on the gun and the weapon, loaded, fell to the ground. Officers shackled him and took him to a jail cell.

Deputies began collecting an assorted mass of loot found in the old farm home, believed a burglars' rendezvous. The first automobile load of goods taken to the jail included

a \$1,000 oriental rug taken from the summer home of J. D. Case, who on April 11 reported his home looted. Other articles included goods taken from the Bowen home on the Cascade road, which was emptied of its furniture by burglars and articles taken from the home of a Plainfield township resident.

After Lee was in custody he made reference to the activities of the police in raiding the Sheldon Avenue boarding house conducted by a former Holland woman early in the year which resulted in sending to Marquette Harry Johnson, paroled murderer and Vern Stoddard, both pals of Lee.

The two sent to prison told officers that Lee joined them in taking safe out of oil stations and offices, entering the Holland armory and other jobs. Lee secretly had been sought for months, but had successfully eluded the police.

A mysterious "woman in the case" gave the tip yesterday to the sheriff and caused him to send Detectives Lannenga, Wyman, Linkfield, Flanders and Oshinski to the farm. The house was deserted, but through a window Jannenga saw the oriental rug stolen from the Case home. A search warrant was obtained and hile officers were in the home, a new automobile in which were riding the Hansma lady, Lee and another man came down the road. The man riding with Lee is said to have leaped from the car a distance from the home and escaped. Officers captured

David E. Jue, a 23-year-old Chinese noodle manufacturer, was in Holland Tuesday making a business call at local stores. Jue is credited with being the youngest Chinese manufacturer in America and as such he has been written up in many of the metropolitan papers. He has headquarters in Chicago and San Francisco, and Tuesday he was on his way from Grand Rapids to Holland, when he stopped at a DuMex Bros., a local customer of his.

Jue came to America from China when he was 13 years old, and now at 23 he has a thriving business.

## LARGE ATTENDANCE AT BACCALAUREATE

The "Son of God Goes Forth to War" was indeed a fitting song for processional of the class of 1922. The song surely fit the address of the occasion.

Dr. Blekkink offered the invocation, after which a quartette composed of Mrs. W. J. Fenton, Mr. Gerit Ter Beek, Miss Mabelle Mulder and Dr. A. C. V. R. Gilmore, rendered "Prepare ye the way of the Lord."

The scripture was read by Dr. Shannon from Daniel 6. Dr. H. E. Dosker then offered the prayer.

Dr. Meinecke then gave us, perhaps the last musical treat of the year, and in his usual calm, clever way rendered a violin solo which reverberates in our ears as we think of it. Again, after the offering was taken the quartet sang "Turn ye even to Me."

Dr. Shannon then delivered his sermon using as his text the 10th verse of the sixth chapter of Daniel. The theme of the address was "Daniel's house, and its rooms."

As only Dr. Shannon can, he briefly reviewed the Babylonian civilization, and Daniel's place in that civilization. Picturing not only in word but carrying and lifting us right with him he took us into the secrets of Daniel's life, and his home. Just here he pointed out the architecture of that house and called our attention to the Babylonian civilization of today—the material world as contrasted with the house we ought to live in, if our homes were to bear out even as Daniel's did.

"How then are we going to reproduce the architecture of this home?"

First, by having a room in it, for "White-hot convictions,"—and when Daniel knew that the writing was signed, Daniel knew! his convictions were not burned out, he knew! We have all come to a Babylon of a creativeless conventionalism. We have come to a time when every man thinks he has the right to do whatever he pleases."

Our second room, should be a room with an outlook upon the infinite—"Daniel opened his windows toward Jerusalem."

There are two landscapes at which we may look, one a muck-heap—measureless materialism, the other the landscape of the infinite; a window open to God.

The third room in the make up of the architecture of our house must be a room devoted to "systematic self-conservation"—"and he kneeled upon his knees three times a day, and prayed, and gave thanks before his God, as he did aforetime." "Great living is not an extemporaneous affair. Systematic effort, persistent effort must be our watch words."

Throughout the sermon Dr. Shannon quoted many passages from various poets, and in all opened the great store of the ages to us, in pictures sketched graphically, and evphorically in a very fitting way. The meeting was closed by singing "Oh Love that wilt not let me go."

### "A" CLASS PROGRAM

It has been the custom in the past for the graduating class of the Preparatory school to present the annual program on Monday afternoon of Commencement week, but this year the exercises were held on Thursday evening preceding commencement week. The success of this new plan was evidenced in the large audience present. A varied program was rendered. To begin the exercises of the evening Miss Cornelia Netting of the "B" class favored the audience with a piano solo. Then the Rev. James Dykema of Red Bank, N. J., gave the invocation. After a few remarks by the class president, Chester Yntema, the following program was given:

Reading—"The Sign of the Cross" (Barrett).....Miss Gladys Kleinhekel  
Piano Solo—"To Spring" (Grieg).....Miss Gladys Moeke  
Class Oration—"The Signal Call".....Nicholas Bruinx

A farce in one act "Ici on Parle Fracaise" ("French Spoken Here), under the direction of Miss Boyd, was presented by the following cast: Anna Maria.....Hilda Wierenga  
Mr. Spriggins.....Chester Yntema  
Mrs. Spriggins.....Jeannette Veldman  
Angelina Spriggins.....Gladys Moeke  
Victor Dubois.....Willis Temple  
Mrs. Julia Rattan.....Gladys Hoekje  
Major Rattan.....Henry Nyboer

The "A" class of 1922 numbers twenty-two, about half of whom have intentions of entering the Freshman Class next September.

The Meliphonians held their annual bust at Macatawa beach. They left Holland after their annual program, as is the custom, and spent Friday evening and most of Saturday there. No one left the party with an empty stomach and all had a fine time.

## Hope College and what the Institution has to Show.

country. It is strong in the literary department and in the languages and science. But from the hard and fast rule that reigned years ago, it has developed in keeping with the educational spirit of the times and now gives options in courses that are varied enough and broad enough to meet the demands of the most exacting. The classical or liberal arts course aims at a broad training in literary work. It puts the students in touch with the movements that have made history and are shaping the world's progress. The course includes studies in English, pure and applied mathematics, French, German, Latin, Greek, history, philosophy, psychology, economics, sociology, biology, chemistry, physics, astronomy and allied branches.

**Courses Broad and Liberal**  
The scientific courses cover text book, experiment and research work in biology, zoology, botany, chemistry, physics, mathematics, etc.

The modern language or English courses gives prominence to the modern languages, devoting four full years to the study of German and French and offering work in Spanish, Italian and Holland languages besides comprehensive work in English literature and composition. The modern languages and mathematics course replaces part of the English studies by mathematics and physics and is a foundation for engineering and mechanical arts.

The teachers course provides full, practical and theoretical work in normal studies. This course entitles certificate holders to the right to teach in New York, Michigan and Wisconsin without further examination.

The school of music embraces departments of piano, organ, string instruments, voice, theory, composition and history. Credit for theory and history work in the musical courses are given students in the literary department and may be applied to degree work.

itory is for girls exclusively, but the dining room facilities are open to the boys. Each table is in charge of a senior during the regular meal hours and the boys and girls of the college mingle freely.

The boys of the institution are not so fortunate as the girls in regard to dormitory accommodations. Their dormitory is the old Van Vleck hall, the pioneer of all the college buildings. It is rich in college legend and tradition and has been remodeled and improved to meet the peculiar requirements of a dormitory. Here, as at Voorhees dormitory, the rates are just high enough to cover expenses. This is exclusively a dormitory, however. At Voorhees hall there are fine parlors, reception rooms, conservatories and practice rooms for the music department.

**Religious Influence Works for Good**  
The chapel, another example of the beneficence of those who believe in the good work Hope College is doing, is one of the finest to be found in any American or foreign college of Hope's class. An evidence of the wholesome effect of the religious atmosphere that pervades the institution is found in what is termed the highest percentage of attendance at daily chapel anywhere in the state. Incidental to this, bible study is required of all students unless specifically excused by request of parents or guardians. Large and well organized Y. M. C. A. and Y. W. C. A. are maintained among the students and these aid the faculty very materially in maintaining the general high moral tone at the college.

The faculty encourages physical culture and out of door sports to the fullest extent conducive to healthy moral and intellectual life. One of the most important buildings on the campus is the new Carnegie gymnasium and auditorium, one of the finest to be found on the grounds of any institution in the class of Hope College.

Thier plans for landscape gardening, however, have been slow to mature because the faculty has worked along the line of improving the efficiency of the institution. The grounds are beautiful enough in their natural state and until there is money enough outside the needs of the institution to pay for the embellishing of the grounds the campus will remain as nature left it except for the periodical visit of the shrubbery and tree trimmers and the semi-weekly passage of the big lawn mowers.

The laboratory equipment at Hope College is said to be second to none in point of excellence. There are educational laboratories that are larger in the number of students to be accommodated, but none can boast of more complete equipment. This has been chosen with greatest care and there are instruments more than sufficient for the number of students who elect to take course requiring laboratory work in any of its phases. Few of the smaller colleges of the world can boast of astronomical apparatus as large, complete and expensive as that at Hope College.

**Complete Set of Audubon**  
The chapel, dedicated under the name of Winants chapel, and the Graves hall where the library, museum and administration rooms are situated, are to all appearances a single building, though they are separated. The library section with its stack room containing nearly 25,000 volumes and the valuable collection in the museum, is absolutely fireproof. In the library is one of the rare original Audubon collections with its life-sized colored engraving of every American bird and a small library of texts relating thereto.

All this may give a superficial idea of what an institution has grown out of the decision of those sturdy Dutch settlers to lay the foundation for the broad and liberal education of their progeny. Today, more than 500 students study in the various depart-

Margaret A. Meyer, A. M. Instructor in French.  
Louise M. Brusse, A. B. Instructor in History.

In the May issue of the "Hope College Bulletin," published today, President Dimment prints a message to the alumni of that institution in which he calls attention to various matters of interest at the local institutions. The message concludes with the following paragraph which shows the growth of the institution:

"Building upon the very excellent work of President G. J. Kollen, LL.D. Rev. Ame Vennema, D. D., the fourth president of Hope assumed his administrative duties in 1911 and began an intensive development which has continued thru the following decade. At that time a debt of \$42,500 burdened the college. The endowment fund as given in the annual report to General Synod for that year, was \$256,207.39. Current disbursements in 1911-1912 were slightly more than \$38,500. Church contributions were less than \$2,000, while the General Synod appropriated thru the Board of Education \$3,720. The debt has been decreased during the ten years by \$15,000. The Endowment Fund is now \$695,000. Current disbursements for the fiscal year just closed have exceeded \$71,000, while contributions, both special and general, including the appropriations of General Synod and certain other items of a like nature, have been in excess of \$23,000. In the face of these facts the deficits for the two years, 1911-1912 and 1921-1922, are practically the same. The student roll during the decade has increased by over 25 per cent and it is in this element as well as in the vastly increased costs of instruction and maintenance that the increased income has been expended. In the year 1911-1912 a senior class of 23 was enrolled, while in June, 1922, 55 will receive the degree of A. B. In the earlier year there were 13 members of the Student Volunteer Band of Foreign Missions, while in the last year there are over 50.

"All this is cause for deep gratitude, but Hope faces opportunities and demands which call for an endowment of \$2,000,000 and an increase in equipment over the next ten years which will involve an outlay of large sums. Hope has a purpose but no goal. Hope aspires to the power of world service but she asks no largess for herself. Hope's faculties and her undergraduates ask of you graduates who are the real Collegium Sacerdotum, fealty, support and prayer."

### MELIPHONIANS PROVE TO BE GOOD ENTERTAINERS

The Meliphone society rendered its annual program last Friday evening. A large audience was present and in every respect the program proved a success. The feature was a play "The Freshman," written by Wilson Stegeman, Meliphone, '15, and revised and directed by Tuins Baker, Meliphone '16. A group of Sophomores decided to cool down a Freshman who was acting too fresh for them. By mistake they almost ducked the Freshman's uncle, Prof. Morgan, because of a trick by the newcomer. However, they get hold of the Freshman later and they give him a double punishment due him.

A Group of Hope College Buildings

English and oratory receive special attention. The preparatory school offers the courses in English language and literature recommended by the English conference of the eastern and middle states and fits the student for entrance in English in any university in America. Courses in oratory are provided in the college in addition to the rhetoric and literary courses. This department is materially assisted by the competition for the George Birkoff, Jr., prize in English literature; the Coles prize in oratory; the Raven prize in oratory and the Coles prize in debate.

Through liberal endowments and aid from the Reformed church, Hope College is enabled to offer its educational advantages at rates far below those asked by other institutions of a similar grade.

To help the poor boy and girl there is an organization known as the board of benevolence which makes collections from the Reformed churches and which distributes the funds thus collected among students who could not pay all the college fee and expenses. This is for the preparatory department at Hope exclusively. Under the conditions existing in this institution a stipulated amount is given by the board which is ample to cover a good part of the necessary expense of a student and makes it possible for any boy or girl of no matter how limited means to secure a preparatory course.

In order that the students at the college may have board and room at a strictly cost price the faculty at Hope has gone into the dormitory question on a very extensive and practical line. The result is most apparent in the fine new Voorhees dormitory for girls.

**Fine College Home for Girls**  
This is one of the finest buildings on the campus. It is superior to the dormitories in some of the largest universities. This includes a dining room which accommodates 100 students. By the practice of careful economy and careful purchasing and preparation the students are here given board at a rate impossible to any institution operating with an idea of paying a dividend. Voorhees dor-

in connection with the gymnasium are some of the finest bathing rooms ever designed. Bathing facilities are provided separately for the girls and boys so there is no necessity of prescribing certain hours or days. The baths are open at all times. The girls' baths and dressing rooms are unique in their arrangement, being the individual work of the late President Kollen. The president, realizing that the modesty of the average girl and young woman would make distasteful the usual dressing and bathing arrangement of a gymnasium, determined to design a department that would obviate every objection. The plan at Carnegie gym has been widely copied. The girls enter the locker room first. Here they remove their outer garments. They then step into individual dressing rooms that really are inclosed passageways leading to the individual shower baths. Absolute privacy is thus insured.

**Building Serves Two Purposes**  
By a unique and ingenious rising and falling section of the running track, the gymnasium may be almost instantly transformed into a fine auditorium seating 1,500 persons. Used as a gymnasium the auditorium has a fine running track. All the equipment is so constructed that it either folds away into the walls, or is hoisted to the roof girds or put away in storerooms. The section of the track over the stage is hung on a system of counter weights sunk in the sub-basement of the building. This section of the track drops to the level of the stage and is so constructed that it fits closely and completes the front of the stage. When it is raised all the 1,500 portable chairs may be stored under the stage.

The campus of Hope College, situated as it is near the center of the city of Holland is attractive. Many of the trees are virgin growth and in no detail has landscape gardening been permitted to spoil the natural beauty of the grove that in some instances effectually conceal a number of the buildings.

The faculty has considered the advisability of excavating the low land at one corner of the sixteen-acre campus and creating an artificial lake.

## Holland Auto - Type Engine

Any work that you have for an engine to do can be done easier, cheaper, quicker, and better with a Holland Auto-Type Light Weight Engine.

Ordinary engines, owing to their heavy weight, bulky size, are suitable only for comparatively few uses. The number of farm jobs they can handle are too limited; too many jobs for the farmer to do are left undone that an engine of the right kind can do cheaper and better.

The Holland Auto-Type Engine is an all purpose engine. It fills the present day demand for light weight, compactness, flexible power, perfect balance, simplicity in construction and economy in operation.

## YOU GET WHAT YOU PAY FOR!

Experienced buyers, the world over, have long realized that when they investigate carefully before buying, they get just what they pay for. The great middle class to which most of us belong, does not make a practice of paying extraordinary prices for fancy things. Neither do sensible people pay a trifle and expect a great deal. They take the "middle of the road." They pay fair prices, and meet fair terms. In return, they do not only expect, but get, good goods and good service.

The excellent reputation of the Holland Furnace is due largely to the Company's policy of holding to the "middle of the road." The Holland Furnace is not fancy; neither is it cheap. It is built for the utmost in heating service. It is manufactured efficiently and sold at prices and terms that are right. Every buyer of a Holland Furnace is fully protected by the Holland Bond. ## GRAND HAVEN ALSO WANTS ADJUSTMENT OF THEIR RATES

The Grand Haven Tribune in a column writeup tells about the difficulties that for a time existed during the peak of high prices and before the readjustment period, between the Holland Interurban and the city of Holland, relative to rates of fare between Holland and Macatawa Park and intervening resorts.

The paper comments on the fair way in which the Interurban company dealt with Mayor Stephan and the Holland common council in cutting the rate from 35c to 25c a round trip.

It seems that Grand Haven also has some difficulty with their car line to Highland Park when the rate was raised from five to six cents.

Of course Highland Park is within walking distance of Grand Haven and can easily be made on foot in a half hour. For that reason the fare is not as large as between Holland and Macatawa.

Relative to the great controversy there the Grand Haven Tribune has the following to say:

"Something of a similar controversy is looming here also as a result of a boost in fare between Highland Park and Grand Haven. This rate has been five cents as long as a car line has been operated, but when the lake cars began running this year, the fare was increased to six cents. No great stir has been made as yet, but the city council at a recent meeting authorized City Attorney Louis Osterhaus to call attention of the railroad company to the clause which specifies a five cent fare.

"It is believed the matter can be settled in a satisfactory manner, once the city officers and railway officials get together."

## JUNIOR CLASS DAY AT JENISON PARK

The Junior class day outing was held at Jenison Park Thursday afternoon and evening with Miss Gertrude Wickes of the high school in charge.

Good things to eat, speeches, music, readings and sports were among the things indulged in.

The program follows:

## GEORGE BABALL OF VRIESLAND IS THE PRESIDENT OF THE ASSOCIATION

The Zeeland Poultry association has many claims to distinction. It is one of the oldest poultry associations of its kind in Michigan. In fact it claims the record.

It is the largest to be centered about so small a place. It has one of the liveliest bunch of boosters for the poultry business to be found anywhere. Its headquarters are in the largest hatchery center in Michigan if not the U. S. And its president, George Caball of Vriesland, takes the cup as one of the most enthusiastic poultry men in Michigan.

The association with 350 members was organized 15 years ago and has made steady progress since. The members get down to brass tacks in their meetings and everything is value or interest to poultrymen is discussed.

Mr. Caball has a wide reputation as a breeder of barred rocks. He knows the game from A to Z.

## UFILAS AGAIN ENTER TAIN ON MONDAY NIGHT

That the people of Holland received again a rare treat from the Dutch society of Hope College is evident from the following program: opening, Pres. Tanis; music, instrumental; quartet; reading, Mr. Gilment; oration, Mr. Burggraaf; quartet; reading, Mr. Van Farowe; a budget, Mr. Schipper; quartet; play, "Eengrap van Oom," characters, Kamps, Schepel, Arnoys, Raterink, Vande Ploeg and Van Farowe.

## STEAMER CITY OF HOLLAND TAKES 12,000 CASES OF STRAWBERRIES FROM B. HARBOR

Lake shipments of strawberries out of Benton Harbor to Chicago continue heavy altho the peak has been passed. On June 9 the steamer City of St. Joseph of the G. & M. line carried 18,000 cases of the berries. Sunday the steamer City of Holland left with approximately 12,000 cases.

Much of the fruit is bought by representatives of Chicago commission houses and a great deal is shipped on consignment. The boat company is running trucks into the country to get shipments.

John J. Rutgers of the Rutgers Clothing Co., was in Grand Rapids on business Friday.

Rev. James Dykema, of Redbanks, N. J. is visiting here for commencement week.

## ALL TRAFFIC RULES IN ALL CITIES THE SAME

Possibly there is no subject brought up at the municipal league convention that seemed nearer the heart of every delegate than a matter brought up by a man who was not on the program, namely Col. Vander Cook, who heads the state department of public safety, and has under him several thousand men on motorcycles who patrol the highways regulating traffic, catching speeders and chasing down criminals.

Mr. VanderCook's address was unusually interesting as it concerns every city in the state and that most vitally.

Mr. Vander Cook came before the league for the purpose of fostering a state ordinance that would make all traffic regulations in every city uniform.

He said "What's the use of having Grand Rapids governed under a different traffic ordinance than Holland, or Holland than Zeeland, Grand Haven, Muskegon or any other city in the state?"

"All cities, large and small can surely have the fundamental regulations governed by common sense and have them uniform. What sense is there in that a motorist going to another town before he enters it is compelled to find out what the regulations are?"

"His ignorance of these facts causes him to violate a law in most any city, for which he may be arrested and of which he was in ignorance."

"The idea is to draft a law that no matter where one goes the fundamentals will be the same in every city. The turning of corners will be done the same in Holland as in Muskegon or any other city."

"I also wish to advocate a thorough traffic system. For instance a main thoroughfare like your 8th street and River Ave. should be streets where through travel always has the right of way and any motorist coming in from the side streets into the main street should not stand on his right-of-way rights, but should be compelled to stop, look and listen, before he enters the 'main drag,' so to speak. This would facilitate travel and prevent accidents."

Mr. Vander Cook also smashed the jitneys and truck companies in the eye. He stated that these truck drivers are a worse menace on the public highway, are the cause of more accidents, besides being instrumental in breaking up more roads than any other means of travel. Many of the drivers are independent and act as if they own the whole road and he states that he gets more complaints from this source than from any other cause.

He stated that the most accidents are on the Dixie highway where there are from one to six each day caused mainly through fast driving and senseless truck drivers.

Mr. Vander Cook stated that the trucks and jitneys are not properly bonded to protect passengers or freight and that while railroads are compelled to pay the state heavy taxes, are compelled to buy a right of way, build railroads at their own expense, keep them in repair, keep them open in the winter time, the trucks and jitneys go over the highways built by public money, kept open in the winter at public expense, and break up the highways without a cent toward it. They pay no preliminary money like the railroads, and while the roads are under government regulation, trucks and jitneys do about as they please.

Mr. Vander Cook stated further that no doubt this means of conveyance is here to stay. However to be fair with the tax payer and the traveling public, they should be bonded as a protectio and taxed in order to help maintain the roads.

Mr. Vander Cook also brought up another subject of vital importance, namely to pass a law allowing the state police to close the road when chasing criminals. There have been raids and bank robberies and a great many of them, and if there was a law that temporarily the road could be closed with barricades while the robbers and criminals were being chased not one of them would get away. As it is no one can stop a car going 60 miles an hour filled with reckless men with guns. However a barricade would stop them, and the law-abiding citizens should not object to helping in eradicating crime by stopping a few moments in front of a barricade until given the "once over" by the state police.

All stations are connected by wire service for immediate use, and with the barricade law no criminal could get very far away over the main highways after a crime was committed and crooks would soon steer clear of Michigan.

Mr. Vander Cook pointed out that Michigan folks do not realize that the crooks from Chicago, Toledo and Detroit have made it a point to come into Michigan considering it easy picking and Holland is no more immune from a Chicago crook than the city of Chicago itself it, and with the automobile the first accessory to crime, a criminal can be nearly back in Chicago before his depredations are noticed. But with better laws, a great deal of this crime can be obliterated.

## MACATAWA TRANSPORTATION LINE IS SOLD

A deal has just been closed whereby the Macatawa Transportation Co. has become the property of Jesiek Brothers of Jenison Park. The Macatawa Transportation Co. has not been doing business for the past five years or so and some of its vessels have been laid up. Jesiek Brothers have bought the Skidoo, the Gladys, more, and the Edna. The Skidoo is not in commission and it will not be used the present summer but will be raised and overhauled in the fall to be ready for business the summer following. Instead of the Skidoo the Tuscarora will be used this summer.

Complete ferry service will be given between Macatawa, Jenison, and Ottawa Beach. The new firm has announced that the fares between any of these points will be ten cents the round trip. Two round trips will be made daily to Waukegon, at thirty cents the round trip.

## WHAT YOU SAW IN THE HOLLAND CITY NEWS FIFTY YEARS AGO

On Friday last L. Van Mourik was carrying brick upon the new Vanden Borg sisters' building being erected on Main street. The second story scaffolding gave away precipitating his movements down to the sidewalk below, accompanied with several hundred brick. Note—The building is located on the corner of 8th-st. and College avenue. Many years ago the building was occupied by a millinery store conducted by the sisters mentioned. It has always been occupied by a hat establishment. The late Mrs. M. Bertsch and later Benjaminse sisters also conducted millinery shops there and now the Huyzer hat shop is located in the building together with the Rose Cloak store.

John Lloyd Kollen won first place in the Michigan Central Normal Music contest. Mr. Kollen was awarded first place in the state for the best rendition of a piano solo.

## EIGHTY-NINE H. S. GRADUATES RECEIVE THEIR DIPLOMAS

The forty-third annual commencement of the Holland High school was held in the school auditorium Tuesday night, Dr. A. Leenhouts, president of the board of education, presenting 89 graduates with diplomas.

The invocation was pronounced by Rev. James Martin. This was followed by the delivery of the salutatory of John Henry Albers, whose average grade for four years was 95.76. The Senior girls' glee club delightedly entertained the audience with two selections "To the Hermit Thrush," and "Evening Prayer."

Prof. W. D. Henderson, of the U. of M., delivered a masterful address taking for his subject "Kings and the Common People." Prof. Henderson stated that the main things in life are acquired through culture, but the main requisite to happiness and success is to know ones self. He said that when he was a student at the university, a speaker instilled the following thought into his mind—"All of you are Kings; go out and subdue your kingdom." Prof. Henderson went to say that it was a beautiful thought, but the only thing wrong with it—it wasn't true. Kings have ruled the world for a long time and there are many common people ruled by kings today. The only way to overcome these things and to acquire your own kingdom is to learn to know yourself.

Life is amazingly short, and the chances that are offered in a short duration upon earth are few and must be grasped at once.

In his conclusion, Dr. Henderson left the following thought with the class of 1922: "Know thyself, be thyself, laugh heartily, suffer patiently, pray earnestly, and labor joyously without ceasing."

Is approaching its Full Stage

## 7 MORE SALE DAYS

Seven More Days of Thrift!

From the very beginning of our 20th Anniversary Sale, an army of extra clerks headed by our regular sales force was rushed to wait on the crowd of eager buyers, who have taken advantage of our *extreme low selling prices*.

Yes! we are proud to state that our Sale is a great success. There are many reasons for that, for instance:

1. NOTIER-VAN ARK CO. offers not a few leaders brought in or bought specially for this Sale, but, placed on sale *their entire high grade line of merchandise*.

2. A Sale on *no Seconds*, for the Notier-Van Ark Co. don't handle that class of merchandise.

3. A fair and square dealing for many years and a *pledge* for further *friendly business relations* with our trade.

Read below about a few of our BARGAINS and come to see *them all*.
