MORE STIR OVER \$1,000 SCHOOL GIFT

GRAND HAVEN ALUMNI CRITICISES BOARD OF EDUCATION

The Grand Haven Alumni association Wednesday passed a resolution criticizing the board of education's action in refusing to accept the \$1,000 gift from Mrs. T. B. Stuart of Denver, Col., unless there were no restrictions.

The resolution, introduced by B. Frank Harbeck, says: "The alumni heartily disapproves the action of the board and resents the ungracious and ungrateful manner toward one who has long been a true and loyal friend of the school and a much beloved teacher."

The board recently refused to accept a gift made by Mrs. Stuart for the continuation of the Lora A. Smith declamation prize as it would not admit of orations. This conflicted with the state constitution.

GRAND HAVEN TO SPARE TREES

WOMAN'S CLUB AND WALTONS STAY THE WOODMEN'S AX

Grand Haven Tribune—"Woodman Spare That Tree" has been heard by the city manager, Paul Taylor, and he has devised ways and means of obviating the cutting of the beautiful trees on Third street preparatory to putting in the cement for the widening of that street.

A petition was sent to him by the Woman's club and many about the city including the Isaac Walton League have regretted the necessity of cutting these giant elms that have been growing there since the big fire.

Through the request of one property owner one tree will be taken out but by leaving out a curb on one side and cutting the roots away somewhat these beautiful trees are to be left to give delight to citizens.

"In every instance," said Mr. Taylor, "we try to avoid cutting trees. One big one was left on Seventh st. It is the policy of the management to preserve the trees and shrubbery whenever possible and no one was more pleased at being able to do so than the city manager."

The work on Seventh street is completed with the exception of a few sidewalk approaches and curbing. This will be finished this week and work on the down town section is to be started next week.

GREASED PIG GETS LOOSE

BOYS AND GIRLS CAN COMPETE FOR PRIZES ON THE FOURTH

It is desired that a large number of boys and girls will enter into the sports program during the afternoon Monday at the fairgrounds. Cash prizes are to be given for first and second places. Those wishing to enter any of the different events are asked to sign up at the Superior Cigar store or call Mr. Hartman, chairman of the sports committee. All contestants must be on hand Monday P. M. when the call comes.

Events during the afternoon are:

- One mile bicycle race, open to boys 12 to 15 years, 1st prize \$5.00, 2nd prize \$2.00.
- 50 yard dash, boys 12 or under, 1st prize \$2.00, second prize \$1.00.
- 60 yard dash, girls 1 to 15 years, 1st prize \$2.00, second prize \$1.00.
- 100 yard dash, free for all, 1st prize \$2.00, second prize \$1.00.
- 30 yard sack race, free for all, 1st prize \$2.00, second prize \$1.00.
- 3 legged race, boys 12 to 15, 1st prize \$2.00, second prize \$1.00.
- Pat man's race, 50 yards, weight must be over 200 lbs., 1st prize \$2.00, second prize \$1.00.
- Pie eating contest, boys or girls 15 or under, 1st prize \$1.00, second prize 50 cents.
- Greased pig, free for all, prize, the pig.
- Penny scramble, boys 12 or under, prize all the pennies you can get.
- Don't fail to sign up before Saturday night if you want a chance at one or more of these prizes.

ELKS AT GRAND HAVEN START \$50,000 BUILDING

The Grand Haven B. P. O. E. No. 1200 will soon break ground for its new temple.

Plans are being prepared by Werner & McCarthy of Grand Rapids call for an Italian style of building. It will cost \$50,000, be three stories high, with restaurant in the basement. A large lodge room with a stage, which can be converted into a ball room, reception rooms, offices, retiring rooms and recreation rooms will be included. The building will be completed some time during the winter.

SHOWER IS GIVEN TO BRIDE-TO-BE

A surprise shower was given Wednesday evening in honor of Miss Jeanette Kleis who is soon to be a bride. Games were played and a two course luncheon was served. Those present were: the Misses Henrietta Kleis, Sadie Kuite, Francis Heyboer, Harriet Kleis, Janet Sligh, Jennie Kuyers, Flora Landman, Alice Bolman, Henrietta Bolman, Julia Kleis. The bride-to-be received many pretty and useful gifts. A good time was reported by all.

The Holland Exchange Club Wooden Shoe Brigade. Prize Winners at Kalamazoo

MOUNTAIN OF GOLD

People visiting the fairgrounds are rather surprised to see a large heap of sand in front of the grandstand. This heap of sand means something. It is called the mountain of gold. Just what the committee has in view is still a dark secret. It will cost \$50,000, be three stories high, with restaurant in the basement. A large lodge room with a stage, which can be converted into a ball room, reception rooms, offices, retiring rooms and recreation rooms will be included. The building will be completed some time during the winter.

GRAND HAVEN PLAY GROUNDS NOT INVITING

HUNDREDS OF CHILDREN COME TO PLAY HOWEVER

Grand Haven Tribune—The sight of hundreds of children crowding into the various play grounds on Monday morning was evidence that there is much enthusiasm on the part of the youngsters of the city in the playground movement which is being put on by several boards of the city.

The directors of the grounds were swamped with the crowds for a time and as there was not much equipment on hand it took the utmost resources of the directors to keep things moving and interesting.

A review of the play grounds reveals that they are rather crude. Just a place to play, a big open field without any shade with tall grass, weeds and a few flowers as the most pleasing feature of one field. A hill side and a few scrub trees on another place, which makes it evident there is much to be done to make these places attractive and comfortable for the children and directors.

YESTERDAY HOTTEST OF YEAR

MANY BATHERS ALREADY TAKING THEIR DIP IN LAKE

The resort season opens very auspiciously in this vicinity. Yesterday was the hottest day of the season the official thermometer at the waterworks registering 90 in the shade while the day before the mercury climbed to 86.

Bathers have been dipping in Macatawa bay and at the head of Black Lake for some time now, and the old stone quarry also has its youngest patrons.

However, the last two nights bathers have been going to Lake Michigan, have ventured in and say the water is fine.

Hotel owners at resorts and those who keep summer boarders are carrying a broad smile to the advance guards of the summer motordaze have arrived.

The weather man this morning says that there is no indication of much change in temperature possibly a little cooler by night. Practically the entire country is covered with this unexpected hot wave and it surely is timely as far as Western Michigan is concerned.

The tourists of the middle west will be reminded of the advertising that has been placed by the Western Michigan Tourist and Resort Association pointing out the fact that this is the summer playgrounds of America.

In this issue of the Holland City News in the second section, appears the annual settlement of the city of Holland, giving a detailed statement of all city expenditures during the year. Any citizen may receive a copy of the News without charge, and furthermore printed copies will be found at the city clerk's office within the next ten days.

Excursion tickets for big lake trip on the Steamer City of Holland on the morning of July 4th can be secured in advance at the three sport stores and at the Goodrich boat dock.

\$10 Reward

for evidence leading to the conviction of any one who voted illegally on June 3, 1927, at the school election held at the Lugers school.

(Signed) George E. Merrill, Montello Park

News Items Taken From the Files of Holland City News Fifty, Twenty-five and Fifteen Years Ago Today

Fifty Years Ago Today

We notice from the Grand Haven Herald that Mr. C. H. Dubois has sold his office to Mr. W. S. Benham, of Newton, Iowa. We extend a fraternal welcome to Mr. Benham to Ottawa county.

The apple crop in this vicinity will be far short of last year, there being but few orchards, comparatively, that are well loaded.

A very systematic attempt was made on Wednesday last to "lift the till." Mr. D. De Vries' grocery store, on River street, just about noon, while the proprietor was to dinner, a boy was left alone to take care of the store, two strangers stepped up and one of them engaged the young man in conversation at the front door, while the second one sneaked around the store and entered the back door, and with cat like stillness crept up to the drawer to empty it. Just at that moment, however, Mr. J. C. Kleyn came around the corner in a great hurry to get something out of the store and while entering saw this stranger come from behind the counter on his hands and feet in a very dexterous manner, and when he emerged from behind the counter, he complained of having hurt his knee. (A stranger to the would be thief) withdrew his attention. He then made his way to the door and asked the boy if he had seen a black and tan dog around there, (in a somewhat excited manner) which were all the signals necessary for his partner, and they departed in a hurry, jumping over lumber piles just north of Mr. Meyer's store, and proceeded down 8th street and out of sight before the intent of the crime was realized.

25 Years Ago Today

Born to Mr. and Mrs. Andrew Steketee, Jr., East Ninth street, Monday a son.

If the wishes of the members of the park board are carried out, Centennial Park will be greatly improved this season. Though no formal action has yet been taken the park board at its meeting this week discussed plans and it is likely that steps will soon be taken to lay out walks, plant flowers and shrubbery and arrange for a system of sprinkling so that the grass can be kept in presentable condition.

Holland will have a shoe factory inside of 6 months. The board of trustees of the fund raised by bond a few months ago for the purpose of inducing manufacturing institutions to locate here has by good work succeeded in making arrangements with the Toronto Shoe Co. of Toronto to locate here.

The opening hour of Hotel Macatawa

Dr. B. J. De Vries has purchased a Cutting touring car.

Miss Bertha Voland of Ottawa Beach and Herbert Fabel of Grand Rapids were married Monday afternoon at the bride's home at Ottawa Beach. The ceremony was performed by Rev. E. P. Whitman. The couple will make their home at 7 W. Crescent street, Grand Rapids.

Clarence Kamphouse, aged 6, son of Mr. and Mrs. Ralph Kamphouse of this city, fell from the topmost limb of a tree and was seriously injured Monday.

The Woman's Relief Corps presented the north side school with a beautiful silk flag at the closing exercises Friday evening. The presentation speech was given by Martha Bell who gave a very interesting history of the American flag. Last year the corps presented the Van Rensselaer Ave. school with a flag on flag day.

Miss Elizabeth Hunt, teacher of history and Latin in the Holland high school, left Monday afternoon for New York, where she with her sister, will spend the week.

They will visit England, Holland, Germany, France, Switzerland and will return to this city about the first of September.

INTERURBAN INJUNCTION NOT ISSUED

JUDGE CARR REFUSES GRAYHOUND REQUEST TO STOP GRAND HAVEN SERVICE

The temporary injunction sought by the Safety Motor Coach Co., operators of the Grayhounds, to restrain the Public Utilities commission from granting the Grand Rapids, Grand Haven and Muskegon interurban operating buses probably will die a natural death.

Judge Leland W. Carr, before whom the matter was argued again failed to grant the injunction sought and probably will not do so. He indicated the case would be decided on its merits July 18, as already on the calendar.

Interurban officials who visited at Grand Haven Tuesday informally announced that their service, when the bus service they propose is started, will mean hourly service from there to Grand Rapids and also a direct bus line to Muskegon.

There will be 30 minute service between Grand Haven and Spring Lake, some 43 trips daily.

Once his will operate from Grand Haven to Muskegon and another to Fruitport with direct connection each way at the Spring Lake station with the Grand Rapids line.

The interurban will seek a terminal at Highland park, also.

SPRING LAKE WOMAN SCORES HIGH AT GOLF

Mrs. Hunter Robbins of Grand Haven with 92 was second to Elsie Hilding's 87 among the 55 women in the West Michigan tournament at Cascade Hills, Grand Rapids.

Lucile Desenberg of Kalamazoo, with Miss Hilding a former champion had 93.

Although the acreage assessed in Allegan county was reduced from 518,100 to 517,775 acres, the total assessed valuation of the county has been increased over 1926 from \$69,950,000 to \$40,350,000.

will take place tomorrow night and a best orchestra in Bloomington, Ill., has been engaged to furnish music for the season and it will make its first appearance Saturday evening at the opening. The coming season bids fair to be one of the best hotel Macatawa has ever had as nearly every room in the house has been assigned for the season.

Miss Wilhelmina Bloemendal and Anthony Rosbach were united in marriage Wednesday evening at 8 o'clock at the home of the bride's brother, B. Bloemendal, 218 East 12th street.

A very pleasant occasion was the wedding at 8 o'clock Thursday night of Mr. Joseph Humer and Miss Sarah L. Elferdink at the residence of the bride's parents, Mr. and Mrs. John Elferdink, 100 W. 16th street.

Fifteen Years Ago Today

Fred White left for Port Cromer, Wyoming Sunday night. Mr. White is head sawyer in a large lumber mill there.

Paul Dryer and C. L. Kuite will attend the convention of Eagles at Traverse City this week as delegates of the local lodge.

Deputy sheriff John Klaver, has tendered his resignation to Sheriff Anderson and has severed his connection with the Ottawa county sheriff's office.

Born to Mr. and Mrs. Richard Van Kollen—a boy.

Dr. B. J. De Vries has purchased a Cutting touring car.

Miss Bertha Voland of Ottawa Beach and Herbert Fabel of Grand Rapids were married Monday afternoon at the bride's home at Ottawa Beach. The ceremony was performed by Rev. E. P. Whitman. The couple will make their home at 7 W. Crescent street, Grand Rapids.

Clarence Kamphouse, aged 6, son of Mr. and Mrs. Ralph Kamphouse of this city, fell from the topmost limb of a tree and was seriously injured Monday.

The Woman's Relief Corps presented the north side school with a beautiful silk flag at the closing exercises Friday evening. The presentation speech was given by Martha Bell who gave a very interesting history of the American flag. Last year the corps presented the Van Rensselaer Ave. school with a flag on flag day.

Miss Elizabeth Hunt, teacher of history and Latin in the Holland high school, left Monday afternoon for New York, where she with her sister, will spend the week.

They will visit England, Holland, Germany, France, Switzerland and will return to this city about the first of September.

BEECHWOOD VOTERS SAY NO TO \$83,000 SCHOOL

By a vote of 115 to 90 Beechwood decided last night not to bond for \$83,000 to build a school house.

Plans were immediately discussed by supporters of the project to call another election. The district is on North Shore Drive, across the river from Holland. This is the fifth vote taken on this project.

DIVES IN LAKE AFTER PAINT BRUSH, SAILOR DROWNS AT MUSKEGON

Robert Lydig, 20, employed on the Steamer Fred W. Green at the old Crosby dock, was drowned in Muskegon lake Wednesday afternoon. According to witnesses, the lad dropped his paint brush into the water, strangled himself and then dived after it. He did not come up.

Wigger Kleverling, professional diver, recovered the body. Efforts are being made to reach the youth's parents in Chicago.

LOCAL MAN WEDS ZEELAND GIRL

The home of Mr. and Mrs. John E. terbeek in Zeeland was the scene of a pretty wedding Tuesday afternoon when about seventy-five guests gathered there at four o'clock to witness the marriage of their youngest daughter, Miss Hildea, to Mr. John Vos of Holland city, son of Mr. and Mrs. Herman Vos.

The ceremony was performed by Rev. A. Keizer of Holland. Miss Bertha Vos, sister of the groom, was bridesmaid and Leonard Dekker of Holland was best man. The bride was beautifully dressed in yellow georgette and carried a bouquet of bride's roses and sweet peas. Miss Bertha Vos played the wedding march.

The newly-weds will make their home in Holland where Mr. Vos is in business, after spending their honeymoon trip to Chicago. A three-course wedding supper was served and they were recipients of many beautiful gifts.

EXCHANGE CLUB WILL FINANCE THE MISSION PICNIC

NEW OFFICERS FOR THE COMING YEAR HAVE BEEN ELECTED

Nellie Churchford's Sunday school and mission folks are to have their regular picnic at a date to be set later. This was assured when the Exchange club decided to forego their own picnic this summer and give the finances thus saved to Nellie Churchford for her picnic.

The committee in charge of the picnic will be Jessi Ridenour, Jake Fris, John Van Tatenhove.

The club also went on record taking two memberships amounting to \$50 and the West Michigan Tourist and Resort Association has its share to advertise Western Michigan as the playgrounds of America.

The election of officers was also held. Ernest Brooks who was vice president, being made the president, and William J. Olive one of the organizers was made the vice president. Professor A. E. Lampen and Otto P. Kramer were re-elected secretary and treasurer respectively.

The hold over directors are John Van Tatenhove, J. A. Johnson and Andrew Klomprens. Three others will be appointed later to take the place of retiring ones.

Leonard M. Carl from the Lansing Exchange club, sent here by the national president, Mr. Bailey, gave a detailed report of what the Exchange club stood for, and stated that everything came down to co-operation. He said that in union there is strength and he gave the example of a young boy breaking a single stick over his knee easily, but when he endeavored to break several sticks over his knee at the same time he found it impossible. Mr. Carl stated that it is a gathering of men like these in Holland that would collectively do much good for Holland, and that's what the Exchange club stands for.

Retiring president, Boter, thanked the members for their earnest co-operation and he stated that it was only thru the backing of the members that the Exchange club could be successful.

Under Mr. Boter's administration the local club has had a wonderful year, many constructive things were done, and the programs given were extraordinary.

PUT ONE OVER ON THE EDITOR OF THE "BREEZE"

BULLETIN IS DISCONTINUED UNTIL NEXT FALL

Erwin Lubbers of Hope college, is now at Columbia University to study for his Ph.D. He is the man who has been writing "who's who" in the windiest sheet ever published namely "The Breeze."

The Breeze came out again yesterday at the last meeting of the Exchange club and put one over on the editor of "The Breeze" by its absence, and the editor himself appears in the who's who column. Members of the Exchange club have a suspicion as to who put that over, and since the absent editor has no manner of defense, he himself is following "Who's Who" stands without further comment.

Erwin J. Lubbers—Chief Horn Footer of Holland Exchange Club, Professor of English at Hope College, (English) is not the only language he knows.

The editor of the Lake Breeze made a fatal mistake when he delegated the writing of this issue to another. For after he has slammed everybody right and left for several issues, what is more natural than that it should be his turn to receive a few lessons this time. When the cat is away the mice will play, you know.

His name is Lubbers because his ancestors were such poor sailors that the Dutch were embarrassed and named them "land-lubbers"—now read "Lubbers" for short. He is a very good looking, even when he looks the other way. He was a very bright student in his day and developed such wonderful speaking ability that it was predicted that he would be a senator some day. Instead, he went out to India after finishing college, where he had various escapades, "where" applies either to "India" or "college." But the Hindus decided that American Indians did not fit in India, and so they shipped him home again.

At Hope college he is coach of debating. Don't get into an argument with him, for he knows all the tricks of logic and can convince you even against your will. He is now at Columbia University to put some finishing touches on his English. Just watch the issues of the Lake Breeze after he gets back. They will undoubtedly be models of diction and style. Well, let's hope so. This issue is enough to convince anyone that the Lake Breeze needs improvement, and a lot of it.

FOURTH OF JULY HAS PRACTICALLY BEEN ARRANGED

DAY WILL OPEN MONDAY WITH THE SALUTE OF TEN GUNS

At a meeting of the Willard G. Leenhouts Post American Legion the program for Monday, July 4th, at the fairgrounds has practically been arranged. The day will open with a salute of ten guns at 7 o'clock, and all Holland and vicinity will be awakened by the booming of air cannonading.

Early in the morning the high school band fully uniformed will parade over 8th street to the Goodrich docks in time for the excursion that leaves at 9 o'clock.

On board the City of Holland a program of entertainment has been arranged for, a vaudeville troupe composed of 17 young ladies will give a continuous performance during the two hour excursion on Lake Michigan. The high school band will furnish the music during the trip and it is also expected that the army flyers who are to give exhibitions at the fairgrounds will fly over Lake Michigan following the excursion boat. This will be a rare sight and a feature in itself.

The program at the fairgrounds opens promptly at 1:30 p. m. as follows: stunts by army flyers over the fairgrounds and race track. Entertainment and special attractions in front of the grandstand by vaudeville troops. The regular 4th of July program of sports in which the youth of Holland and vicinity will participate will be one of the features. There will also be two harness races during the afternoon and one running race. Six stonobreds are already in the racing stables at the fairgrounds accompanied by their jockeys.

The army flyers will close the afternoon program at the fairgrounds at 5 o'clock, giving an imitation aerial combat.

In the evening of course there is going to be a large display of fireworks, the best seen in Holland for some time.

Before the fireworks display is touched off there will be another program of vaudeville which will be exceptional in its merit and will be rather a long affair since there is time enough before dark to put on quite a pretentious program. It will be entertaining to the last degree and the numbers will be interspersed by a band and concert given by the high school band in the grandstand.

The army flyers will appear for the last time in the evening, doing some daring feats of acrobatic flying at that time. There will be plenty of nose dives and loop the loops to make it intensely interesting.

The young lads of Holland are besieging the sports committee with requests to enter the foot races, bicycle, sack, greased pig and other similar stunts. There will be a dozen other contests such as pie eating stunts, banana eating contests and so on.

EXPLODING FIREWORKS NEARLY BRING FINES

Clarence Hershey, 20, and Vernon Larson, 21, both from Muskegon, were arrested at Grand Haven on June 24 for shooting fireworks before July 4th, the time set by the state law for fireworks.

They did not appear on the date set and a Grand Haven officer was sent there. These men were throwing lighted firecrackers from their car into passing automobiles. This is the first arrest there for violating the law which reads there shall be no shooting of fireworks before July 3 and after July 5.

UNUSUAL CASE FOUGHT IN THE PAW PAW COURTS

HOLLAND BOY GETS DAMAGES AMOUNTING TO \$1250

A rather interesting case came up in Paw Paw in which a Holland boy of 16 was involved. Local attorneys handled the case.

The plaintiff's name is Theodore Sundstrum. His father lived here a few years ago and founded the Federal Bakery here. In April, 1925, when this boy was 14 years old he was employed unlawfully by the Fruit Growers Package Co. of Paw Paw, and while so employed got his left hand into a machine called a clipper and cut away the outside half of the hand. As the boy was employed unlawfully he could not come under the compensation law. The company claimed he was guilty of contributory negligence and wouldn't pay him anything. Up on the trial, the jury awarded him a verdict of \$1250.

Interesting facts that have to do with the workmen's compensation law are many. In the first place the Holland boy's employment was in violation of the child labor law in the following particulars: No boy under 15 may be employed during school hours. This was during school hours. No boy under 16 may be employed about machinery at all. Between 18 and 16 they may be employed about machinery provided the factory inspector has approved of machinery as not being unduly hazardous. Boys under 18 may not be employed more than 54 hours in any one week. (This boy worked 10 hours a day, 6 days a week). The employer must keep posted a copy of the law relative to hours. (This was during school hours). This was not done. No boy under 16 may be employed without a permit from the commissioner of schools in the county, or the superintendent of schools, in the city.

Every one of these laws was violated by the package company. However, if the boy were guilty of contributory negligence he could not recover. But in considering that question the jury must take into consideration his age and experience about machinery, and considering it from this viewpoint the jury gave a verdict in favor of the boy. The company's lawyers have now made a motion to set aside the verdict on the ground that this boy was guilty of contributory negligence and that motion will be heard next week.

BUS SERVICE TO BE EXTENDED TO MACATAWA PARK

BUS LINE WILL ENTER RESORT IN-TO THE HOTEL LOOP

Hourly Service Is To Be Maintained, Last Bus From Park 11:20

Jess Ridenour, manager of the Peoples Auto company, will also have the bus line privileges of Holland and resorts and has put a schedule in operation that will be hailed with delight especially by resorters.

He has made arrangements with Swan Miller of the Macatawa Resort company to have his bus line run right into the park up to the hotel loop and an hourly service will be given daily, excepting in the afternoon, when a 40 minute service will be maintained. The last bus leaves Macatawa for Holland at 11:20.

Mr. Miller states also that the rough stretch of road from Jensen Park into Macatawa will be gone over and re-graveled and will be fixed up immediately until a concrete highway is put in.

Mr. Miller apparently is following the policy promised at the general get-together meeting of the cottage owners and the Macatawa Resort company heads to begin some constructive program for this most popular resort.

The matter of transportation has been a vital question to Macatawa for some years and the bus line going right to the heart of the park surely will be a real convenience to many resorters who have no car and want to come to Holland or go from the depot to the resorts.

Heretofore Jensen park was the terminal of the bus line and there was at least a mile to walk over a rough and dangerous highway.

In Holland the bus schedule will remain the same, and while there will be a morning and an evening bus to Beechwood on the northside, the noon bus there will be discontinued. There will be an early morning bus meeting all Chicago boats, which will be an added convenience to the tourist public.

Allegan Board To Add 15 Miles Road To County System

The Allegan board of supervisors Wednesday approved addition, by April 1, 1928, to the county road system of eight miles of road in Ganges and Casco townships extending from Camp Dr. to the north end of a seven-mile stretch in Trowbridge township. A quarter mile of road in Oriskany will be added as soon as completed.

Outstanding checks of the county on the First National Bank of Allegan were ordered paid. The county agreed to pay 25 per cent of costs of paving approaches to Plainwell bridge and authorized repairs on New Richmond bridge to be made by W. L. Perkins of Flint at an estimated cost of \$600.

In a communication from the state department of agriculture it was announced that Allegan county is qualified to be listed as a modified accredited bovine tuberculosis free area, and the veterinarian, Dr. S. P. Head, will be withdrawn.

Operating and indemnity costs paid by state and federal governments in eradicating bovine tuberculosis in the county totaled \$112,485.63 and the county spent \$14,000 the report said.

LOCAL MAN CATCHES MANY FISH UP NORTH

MOTORS TO PINE RIVER AND GETS LARGE SUPPLY OF TROUT

Joe Rhea has returned from Edgemoor on the Pine River where he caught oodles of trout and other fish. The chairman of the Holland Fish & Game Protective association motored up north with Dr. H. G. Morgan, health commissioner of Indiana, and his two sons, together with Leo Caro of Grand Rapids.

They went to the fishing lodge recently purchased jointly by A. H. Landwehr, Dick Van Raalte, Ed Leuw and Frank Lieve.

Edgemoor formerly was a busy sawmill town with 1,000 inhabitants. It had a bank, a postoffice, a railroad station and a railroad, and it was one of the big northern lumber towns in the early days.

As in the case of Singapore, near Saugatuck, there is nothing left of the town. The only place standing is the hunting lodge of the Holland men, and "Shanty" Van Dort, who for years was quite a character around this city, is boss of the lodge. He is mayor, alderman and all the city officials of Edgemoor, for that little berg has a population of one, and he is Shorty of Holland.

A few years ago the depot and railroad iron were still there, showing the place where a town once stood, but junk dealers have wrecked these and the country is just as wild today as it was before the lumber-jacks came. Pine River is a great place for fishing and Mr. Rhea states that if one wants a cool summer there is the place, for the temperature was 39 every morning when he got up during his stay.

DOG SHOW FIRST SPECIAL FEATURE AT PLAY GROUND

The first big special feature which the local playground officials are to pull off this week will be on Friday afternoon when the dog show for boys will be held. Prizes will be given and all types of dogs will be seen in the contest.

The two prizes which are to be given will be announced at the playgrounds. The only rule which is to be observed is that each boy must lead a dog. The dog does not have to belong to him. He can lead his sister's dog or his neighbor's and still be in line for a prize. But he must have the dog collared and tied to a rope or chain.

A prize will be given for the best looking dog of any breed. That means that the dog's coat should be brushed and clean. He should have the appearance of a blue ribbon dog in one of New York's best dog shows. For those who think they do not have a nice looking dog a prize will also be given. The dog which is hardest to classify will be given an award. If you can dress your dog in an old shirt or trousers do it; he may win a prize. Do your best to bring your dog. If by chance anyone not at the playground has a dog he would like to enter, have some young lead it in the show.

Next week's feature will be a doll show for the girls. Prizes will be given for special attractions, which will be announced later.

The attendance yesterday on all playgrounds was larger than Monday and the prospects are that it will get larger every day. Today the ladies of the W. C. T. U. and the Woman's Literary club will tell stories at each playground.

Due to not having equipment at Washington school, the playground has been moved to Froebel until further notice. When this equipment is installed the notice of the change back to Washington will be published.

The Lowe building, recently purchased by E. M. Barbour of Spring Lake, is being entirely decorated both inside and out in preparation for the new tenants who will put in a gift and jewelry store.—Grand Haven Tribune.

Supt. N. B. Killian of the Allegan schools reports the enrollment of only two young men who will attend the C. M. T. C. at Camp Custer. They are Alfred Woodham and Norman Bells.

Sealed proposals for carrying the U. S. mails, including parcel post mails, on the route between the local post office and the Pere Marquette depot will be received by Postmaster E. J. Westveer until July 6, 1927, at one o'clock p. m., standard time.

Mrs. N. Hofsteen and children returned home Friday night from West Lake.

TOY BALLOON CROSSES LAKE

While playing about the yard at his home, little Johnny Wiersma, son of Mr. and Mrs. Henry P. Wiersma, of Zeeland, espied something settling to the ground a toy balloon bearing a tag. In delight he captured the wanderer and upon investigation, his mother read the name of the party who had liberated the toy. It said, "John Wm. Helsa, 1203 Ninth St., Milwaukee, Wis." with the request that the finder notify him when and where it was found. The little balloon had courageously carried its message across Lake Michigan, before the wind and weather injured the material allowing sufficient gas to escape for it to settle to earth.

NOT BLAMED IN THE DEATH OF AUTO VICTIM

Gerben Terpstra, of Zeeland Rd 5, was exonerated of the death of little five-year old Thelma Klingenberg on M-21 near the Hulzena crossing June 21. The coroner's jury held an inquest Tuesday and brought in the following verdict: "We find that Thelma Klingenberg came to her death on the evening of June 21, 1927, by running from the side of the road on to the trunkline M-21 and was accidentally struck by a Ford coupe driven by Gerben Terpstra of Zeeland Rd 5." The jury was composed of Peter H. Boven, J. Fris, John Miller, Adrian Casauwe, Dick Schaftenaar, and H. Vander Linde. Coroner G. Vande Water and Prosecutor Clarence Lokker conducted the case. The witnesses were Dr. O. Vander Velde, Francis Beagle, Viola Stanford, Gerben Terpstra, John Overwey, John Rozema, Gerrit Klingenberg, Cornelius Woudyk, Bert Riemersma, Mrs. Carrie Riemersma, and Henry Jekels. Little Viola Stanford, the dead girl's chum, made the best witness of all, telling a remarkably clear story of exactly how the accident happened.

FLYERS ARRIVE AT HONOLULU RADIO REPORTS

Many radios in Holland picked up the news Wednesday noon that Lieut. Lester Maitland and Lieut. A. F. Hegener arrived safely at Honolulu at seven o'clock Honolulu time.

The two army flyers started in a giant triple-motored Pokes monoplane from Oakland, Calif., Tuesday morning on a non-stop flight to Honolulu. The plane left at 10:09 Michigan time, or 7:09, California time.

Speed cop Spruit picked up Harvey Weber for speeding 35 miles an hour on West 17th street and Dornbos arrested Charles Stegenga for going at the same rate. Both paid the usual fine.

DISCOVER IDENTITY OF AN INSANE MAN

Officer Bontekoe picked up an insane man on the streets of Holland. There was no way of identifying the man and he apparently could give no information as to where he came from. He was taken to the county jail and questioned by Deputy Sheriff Den Herder.

His number and name were found on his clothing. The name was Carl Rinkolon but application to state institutions in Michigan brought no clue as to the identity of the man. No such person seemed to have escaped from any Michigan asylum.

Finally Den Herder mentioned at random a number of state asylums in Indiana and Illinois. When he spoke the name "Kankakee," the prisoner immediately brightened up. He gave evidence that that name was familiar. The officer therefore called up the Illinois state asylum at Kankakee and learned that Rinkolon was wanted there. He had escaped from the asylum last Friday. He will be taken back to the institution.

COME BACK FROM ARABIA

Rev. and Mrs. Dirk Dykstra have reached Holland from Arabia, where they have served the Reformed Church in America as missionaries for 20 years.

Mr. Dykstra has been superintending the building of hospitals, one for Rev. L. P. Dame now on furlough in this country and the other for Rev. James E. Moerdyke, graduate of Hope college, who has been in the field for more than 25 years.

The new hospitals have a ground space of 106,662 feet. Mr. Dykstra has installed electric light and water plants in some of the hospitals and he says all the hospitals eventually will have modern equipment.

Mr. and Mrs. Dykstra plan to spend their furlough of 15 months in visiting the Reformed churches in the east and west and acquainting the people with the progress and needs of the Arabian mission. This is their third furlough here since they went to the orient in 1906.

Mr. and Mrs. Nathaniel Robbins, Sr., of Grand Haven entertained Mr. and Mrs. Hunter S. Robbins with an anniversary dinner Tuesday evening. Their guests were Mr. and Mrs. Hunter S. Robbins, Mr. and Mrs. Nathaniel Robbins, Jr., of Holland, Mrs. William Hatton and Guy S. Warren of Grand Haven.

Mr. and Mrs. Robert Evans and family and Mrs. Estelle Loveland motored to Hesperia, Mich., Monday to spend two days with Mrs. Evans' parents.

Jerry and John Ter Beek, of the Vanden Berg-Ter Beek Furniture Co., have been at the Grand Rapids furniture market the greater part of the week, buying a large stock for fall business.

SPEEDING BUSES NOT POPULAR IN GRAND HAVEN

Grand Haven Tribune.—It became evident Saturday that the office means business in holding down the speed of bus drivers. The state police arrested Floyd Stong, of Muskegon, Greyhound pilot, before Justice Pagelsen who fined him five days in jail. If fine and costs are not paid he will serve 30 days more. Forfeiting his bond on a previous offense Stong received a stiff dose.

PUPILS WILL GIVE RECITAL

Miss Johanna Boersma will present a group of pupils in a piano recital at 7:45 Thursday evening, June 30th, at the Prospect Park Chr. Ref. church. The program will be: Opening, Rev. L. Vanlaar, "Flying Doves" (Heine), Ada Scholten, Florence Kaashoek, "Blue Bird Waltz" (Powell), Donna Tinnholt, "Melody Waltz" (Mack), Helene Vander Kamp, "Con Amore" (Beaumont), Henriette Koyers, "Dancing Fairies" (Mattingly), Josephine Fris, Maxine Deur, Hazel Steketee, "Vacation March" (Spencer), Evelyn Steggerda, "Dance of the Fairies" (Streabog), Bernice Heider, "Minuet in G" (Beethoven), Johanna Westendorp, "Isa De Goed" (Trio Intermezzo) (Renard), Milton Slaght, "Heavenly Waltz" (Vilbrouk), Lena Landman, "Sacred Transcription" (Turner), Louise Newman, "Jack Frost" (Mattingly), Effie De Graaf, Ruth Wabeke, Leona Drost, "Serenade Op. 339" (Lange), Nellie Benhulst, "At Dawn" (Lange), "Narcissus" (Hevin), Hazel Boever, "Le Sylphe" (Bachman), Margaret Vander Woude, Charlotte Elton, Berceuse from "Jocelyn" (Godard), Gertrude Van Hemert, "Intermezzo in Octaves" (Leschetizky), Impromptu Op. 29" (Chopin), Gertrude Elton, "Melody Love" (Engelmann), Willis Heeders, Fred Visser. The public is cordially invited.

Grand Haven Presbyterian Troop Wins Contest

Troop 1 of the Grand Haven Presbyterian church has won first place in the troop efficiency contest for the month of May. One hundred forty-four points were earned. The troop has had a remarkable record, so its winning the contest was no surprise. Few troops have grown so solidly and developed so strong a troop spirit as Troop 1. This is attributed (1) to its unusually capable leadership, (2) to the quality and high spirits of the scouts, and (3) to the interest of its sponsoring church. The troop is connected with the church of which Dr. J. J. De Kraker, past council president, is pastor. Dick Van Hoeven is scoutmaster and William Vagter is assistant. The troop committee is composed of Fred Reus, chairman; ohn McCracken and Chas. Worsfold.

Standings of other troops are as follows: Troop 11, Holland Sixth Reformed church, 142 points. Troop 5, Grand Haven Methodist church, 106 points. Troop 1, Grand Haven Second Christian Reformed church, 97 points. Troop 6, Holland First Reformed church, 92 points. Troop 14, Spring Lake, 53 points. Troop 2, Port Sheldon Township, 49 points. Troop 3, Grand Haven Episcopal church, 39 points. Troop 7, Holland Third Reformed church, 14 points. Troop 9, Holland, Hope church, 13 points. Troop 17, Holland Episcopal church, 8 points. Troop 10, Holland Methodist church, 8 points.

Advancements Star scouts, Daniel Pett, Troop 1, Grand Haven; Elmer Spangier, Troop 3, Grand Haven. Merit Badges: Robert McCracken, Troop 1, Grand Haven, Craftwork in Woodcarving, Reptiles, Taxidermy. Chas. D. Veldhuis, Scoutmaster, Troop 4, Coopersville, Handicraft, Hiking, Interpreting, William Buis, Troop 7, Holland Swimming.

Second class scouts: Henry Bender, Walter Clark, Troop 1, Grand Haven. Lester Van Tatenhove, Troop 6, Holland. Henry Huismann, Assistant Scoutmaster, Troop 16, Grand Haven. Promoted to ranks of Boy Scouts: Mate in Scouts: Edward Dekker, Earle Francomb and Theodore Wyma all of the Paul P. Harris.

Promoted to Patrol Leader: Gerald Nykerk, Troop 6, Holland. National Seascout Director, Pays Visit Thomas J. Keane, National Seascout Director, was a visitor in Holland Saturday, where he inspected the Seascout ship Paul P. Harris, sponsored by the Holland Rotary club.

Mr. Keane has been the prime mover back of the seascout program, and it is his interest, devotion and ability that is making seascouting not only one of the big factors in the Boy Scout movement, but one of the big influences in the life of the nation. Mr. Keane first became interested in seascouting a number of years ago. His realization of the need for a distinctive scouting program for young men, coupled with his interest in the sea led him to lay the ground work which has developed into the seascout department of the Boy Scouts of America.

After his inspection Mr. Keane commended the leaders of the Holland Ship as having developed one of the finest seascout organizations that he had ever inspected. And those who witnessed the inspection would surely agree that his statement was not exaggerated. The ship now has thirty-nine registered members all fully uniformed and inculcated with the scouting

spirit and the lure of the sea. The equipment consists of two twin light boat cutters, a motor boat which has just been completed, and a large steel lifeboat. Its activities consist of both land and sea training. During this particular time of the year most attention is given to practical boat work. Next Saturday a cruise will be taken to Saugatuck.

Skipper Andrew Hyma and Mates Chas Vos and Chas. Ash, former shipmates, are leaders, and it is due to their devoted leadership that such progress has been realized. On Saturday evening a banquet was held in Grand Rapids in Mr. Keane's honor. Twenty-five Holland seascouts and leaders were present.

Camp Opens Friday The first term of camp at Camp Shawondosee will open Friday when twenty-five Grand Rapids and twenty-five Ottawa county scouts will go into camp. Applications are coming in rapidly and indications point to a full camp.

The camp is in readiness to receive the campers. Twenty-four tents are pitched in a giant circle Indian fashion. At one end of the circle beneath huge oaks, pines and beeches is the mess hall where three cooks are busily working to satisfy one hundred hungry appetites. On every side are woods and hills but the camp itself is level, well drained and free from mosquitoes. The lake is a very short distance from the tents and a beautiful trail leads to it.

Six members of the staff or already in camp and the entire staff will arrive Wednesday so as to be ready to welcome the first group Friday.

Camp Leadership Camp Shawondosee has an unusually complete and qualified staff of leaders this year. The nine full time resident leaders will be augmented by numerous scoutmasters who will come to camp with their scouts.

The camp bulletin says of the leadership: A camp may have the most elaborate equipment possible, but the real criterion of its safety, efficiency and worth-while nature is its leadership. The camping committee has selected a group of leaders on a par with any staff in the country.

Scout Executive George A. Miller will again direct Camp—his fourteenth consecutive summer as a leader in scout camps in Michigan, Illinois, and Indiana. Oliver Summer schools, Woodcraft camps, Military camps, with many noted campers.

Scout Executive Francis J. Geiger of the Ottawa County Council, whose scouts are camping with us this year, will be Assistant Camp Director. He has been assistant and camp director of scout camps for the last eight years including the famous Central States Fair Camp of picked boys from the Central States. Mr. Geiger has been a Scout leader for twelve years. Prof. H. N. Hornbeck, B. S., will be camp naturalist and educational director. He is head of the Science department of Union high school and has National and State honors for his nature work. Last summer's campers appreciate the wonderful opportunity of knowing and studying with Prof. Hornbeck.

Clayton W. Bazuin, B. S., who needs no introduction to Shawondosee campers, as he was Camp director for three years, will again be with us and take charge of the older boy program and archery. Mr. Bazuin has had experience in all departments of scouting, is a teacher in Union high school, and is a splendid scout naturalist. Several special trips will be taken by older boys under Mr. Bazuin's direction. William C. Peck of Michigan State

college will again be Athletic director. Mr. Peck is one of the first Eagle Scouts in Grand Rapids, and made a splendid record in high school and college athletics. This is his fifth year at Shawondosee as scout and leader. Edward Stratsma of De Pauw University, a seven-year veteran scout, will be scoutcraft director. Mr. Stratsma directed Camp McCarthy last year and has been a camp leader for three years.

M. E. Rockwell, B. E., will be camp manager and physical director. He was former manager of the Olivet Camp and the Minneapolis Newsboys club. Mr. Rockwell will manage the quartermaster's department and camp store. He is a graduate in health work and will examine and measure all boys during camp, recommending exercises for their improvement. Mr. Rockwell is an ordained minister and will conduct a class in Bible study for all scouts electing to take this work, using a system developed in a Western boys' camp.

Ralph F. Boylan of Michigan State college will be swimming director and assistant athletic director. Mr. Boylan has been in St. Mark's choir camp as camper, assistant leader and leader for eight years. He has the Senior Red Cross Life Saving Certificate and is a member of the State Swimming Team. He is the best swimming coach Shawondosee has ever had.

Claude Ver Duin, a leader of the Ottawa County Sea Scouts, will be Assistant Swimming Director and instructor in boating and seamanship. Mr. Ver Duin is a five-year veteran scout and has been a camp leader for the past five years.

First Reformed Church Troop Receives Charter

Troop 8 of the Holland First Reformed church received its charter at an enthusiastic ceremony in the church last week. Fifty-five scouts and their parents and friends were present.

Rev. James Wayer first introduced Troop Robinson as chairman of the evening. Mr. Robinson introduced the troop committee and presented the troop charter. V. R. Hungerford spoke on the duties of the troop committee. Skipper Andrew Hyma on the duties of the scoutmaster. Scout Wm. Vanden Berg, "What it means to be a Scout," and Dist. Commissioner Frank Lievens on "The Hows and Whys of Scouting," and scoutcraft stunts were given by the troop.

Scoutmaster Wm. Meeng's report showed an encouraging progress of the troop and anticipated a much further development. The troop committee assisted by several scout mothers provided refreshments.

The troop offered a very presentable appearance with nearly every scout in full regulation uniform.

Routine Discontinued The routine program of the council is now discontinued until Sept. 1st, so as to permit undivided attention being given to the summer camp. This will be the last issue of the Scout News until that time.

The headquarters office will, however, continue to be open during these months, to render such services as may be possible.

This and That The Holland Public Library has two new books of special interest to seascouts: "Enkische Seemanns" and "Bowditch Navigation." Scouts Gerrit Wiegerink and Wm. Joldersma of Troop 16 and Bernard Lubben of Troop 4 have been selected to play in the camp band. Scout Executive F. J. Geiger visited Troop 4 at Coopersville last Friday evening. Herman Laug is acting scout-

The man you've always the chance to be

James J. Hill

the great American promoter and builder of a transcontinental railway system, said that a person's ability to save absolutely determined whether or not that person would ever gain financial independence; that if unable to put aside a portion of one's income, no matter how small the latter may be, such person is doomed to be a financial failure.

The First \$1000

Save the first \$1,000 and you will be well on your way to financial independence. One dollar a week as a starter has been the foundation of many a large fortune. Deposit a stated amount each pay day. Dollar by dollar your account will grow and the interest compounded quarterly will soon convince you of the wisdom of the savings habit. Don't wait until you make big money before starting to save regularly. If you do you'll be pretty sure to die poor.

YACHT RACE FROM CHICAGO TO THIS PORT SCHEDULED

The Chicago Yacht club is to stage another yacht race from Chicago to Macatawa as one of the Fourth of July activities. There was some doubt about holding the race this year, although it has been engaged in for about 18 years. During that period there have been a few lapses when the race was not given but the gaps were few. This year it looked at first as if there would be another hiatus, but interests at Macatawa got busy and persuaded the yacht club members to hold the race as usual.

The race will start at seven o'clock on the evening of July first, leaving Belmont harbor, headquarters of the club. Between 35 and 40 boats will take part, one of the largest number that have ever engaged in a similar race. In addition to the yachts that have already registered, there will be some motor boats in the race, adding to the excitement.

The betting present is on the "Joyout," owned by H. Baxter of Grand Rapids, and "The Intrepid," owned by Don Prather of Chicago. "The Intrepid" won the first leg last year and captured a trophy, a marine clock, offered by the Macatawa Bay association.

The Milwaukee Yacht club will be represented in the race. The signs are that it will be a real race in every respect. Last year many people went to Macatawa to see the boats come in and that is again expected this year. The time of arrival cannot of course be accurately estimated, depending on the wind and other weather conditions.

Macatawa is getting ready to entertain the visitors. The families of many of the yachtsmen will come by auto or Goodrich steamer and on Saturday evening, July 2nd, a dancing party will be given for them and for their sailor husbands in the ball room of the Macatawa hotel.

HOME OF NEWLY WEDS DECORATED

A Lawndale court couple will be surprised when they return from their honeymoon at Niagara Falls sometime this week. Friends have been decorating their home from garret to basement.

Some signs read, "Don't be too curious," "Stop your peeking," "Just married," and other curious signs are conspicuously nailed up.

A running cart and other articles have been placed on the front porch, and a wash boiler, rolling pin, etc., are on the rear porch. A flagpole has been placed on the roof with a banner carrying the words, "Home of the Brave."

The home belongs to Mr. and Mrs. John Westbroek, the former bookkeeper at Yonker Plumbing Co., who took as a bride a few days ago Miss "Betty" Galien.

MANY VISIT NEW PARSONAGE

Rev. and Mrs. James Wayer kept open house Tuesday at the new parsonage of the First Reformed church on East Tenth street. They entertained from 2:30 to five in the afternoon and from 7:30 to nine at night. About 200 attended the reception and were given an opportunity to inspect the new home.

The pastor and his wife were assisted at the reception by the members of the building committee who took the visitors over the house. The committee was composed of Dick Boter, George Mool, George Schuiling, P. Van Lente, H. P. Zwemer, A. P. Klein, and D. Meens.

Mr. H. Weemhof of Grand Rapids was the architect and Mr. A. Smeenge of Holland was the contractor. A new addition to the Western Theological seminary dormitory has been authorized by the board, costing about \$20,000. The money for the building program is in sight. The Citizens Transfer Storage Co. is building a new storage house on West Eighth-st., at approximate cost of \$30,000. The building will be completed Sept. 1.

COST OF LEGION SHOW REACHES THE \$4,000 MARK

All indications point to a mammoth crowd for July 4th celebration. There has been a great deal of time spent by members of the legion to see that there will be enjoyment for all. The American Legion is sponsoring this big celebration with more in mind than themselves. They think of their community, trying at all times to do something that will be a credit to their community and their organization.

To put on a big celebration of this nature requires a great deal of time and expense, which of course always has to be considered. The legion boys are asking for the fullest co-operation of their community by their attendance July 4th, for they know they spent some real money and are going to give the people just as much for their money as is within their power. Gate entrance charges have been made as low as possible, merely to cover expenses, which will total around \$4,000 or \$5,000 dollars. Children under 12 years will be admitted free. Automobiles will be parked inside of the grounds free.

Whatever the legion can do to make this a holiday for the entire family has been done. Charges for whatever you buy will be regular, nominal prices. There will be special protection for car owners, special lights for at night; rest tents will be put up for the care of children, etc. Red Cross service in charge of several nurses and a good doctor and several other things that will help make July 4th a real sane and save holiday will be provided.

There will be airplanes, high class vaudeville, wonderful fireworks never before equalled, harness races, running races, fun for the children and sports for the older boys and girls, a big sideshow, Merry-go-round, Ferris wheel, swing, hot-dog stands, lunch counters, balloons, concession booths of all kinds, soft drinks, ice cream, peanuts, candy, cigars, cigarettes and

MEET CASUALLY ON STREET; RENEW IRISH FRIENDSHIP

Many years ago when Dr. T. W. Davidson of Hope church was in charge of the Lynn Memorial Methodist chapel in Belfast, Ireland, there was among those who often came to hear him a boy named Shaw, a priest-vicar of St. James Episcopal church of Chicago, was paying a visit to Father D. D. Douglas, rector of Grace church, with whose father-in-law, Father Lowe, he used to be associated in London.

Father Shaw did not know that Dr. Davidson was in Holland and Dr. Davidson did not know the other was here. It happened by chance that on the way to the boat Tuesday night the two met and Father Douglas introduced them because they are both Irishmen. It soon developed that they had known each other in Ireland many years ago and they recalled many mutual acquaintances.

TO HAVE SPECIAL MUSIC AT RELIGIOUS DRAMA

In the religious drama, "The Rock," to be given at the Methodist church on Friday evening at 8 o'clock, Mrs. Henry Zwering will sing, "Open the Gates of the Temple," by Knapp, Mrs. Wm. C. Vandenberg and Mr. H. Te Roller will each sing a solo. The part of Simon Peter will be taken by Mr. Walter Wightman. Ten characters are represented in the play. The local home missionary society is sponsoring the play and invites everyone to attend. There will be no admission charge but a free will offering will be received.

Many other things too numerous to mention will be offered to the public. The price for the big boat ride will be 75c for adults and half fare for children. The Holland high school band of 50 pieces and 17 high class girl entertainers will accompany the boat trip. Ice cream and soft drinks will be sold on the boat.

CHURCH S. S. TO HOLD A PICNIC IN AUGUST

The quarterly meeting of the teachers and officers of the Sunday school of Sixth Reformed church was held Thursday evening at the home of Mr. and Mrs. Ed Hietje, 245 East 11th street. Peter Wiersma was elected superintendent to have charge of the classes of the primary and junior departments. Mrs. Frank Newhouse has charge of the beginners department and Mr. S. Ver Berg and his assistant, Mr. Frank Newhouse, have general supervision of the school.

It was decided to hold a church Sunday school picnic on August 11th at Pine Lodge. Refreshments were served by the waitresses, Misses Evelyn and Eleanor Hietje, and everyone enjoyed a good time.

In a decision rendered Thursday by Judge O. S. Cross, in Allegan County circuit court, Fred Schoen is entitled to recover \$115 and costs from Blasey Koltowski, Chicago real estate man on a real estate transaction arranged by Koltowski.

Schoen brought suit in chancery to rescind an exchange of real estate between him and William Dubas, claiming he had been induced to trade his Allegan county farm for Chicago property owned by Dubas under false and fraudulent representations. Koltowski acted for both parties in the transaction.

Muskegon police are laughing over what they believe to be the attempt of a husband there to chase away the battle clouds that gathered about his home.

Officers were called to the home of Charles McKnight, when affairs between Charles and the "little woman" got too intricate for the two of them to settle.

Tuesday morning Chief Hansen received a wire, sent from Grand Rapids, but signed "Thomas and Son, Los Angeles," which read:

"Charles McKnight, colored man, inherits \$300,000. If married, his wife receives \$100,000. Must be married to obtain possession of the estate. Please locate."

Officers believe that McKnight visited Grand Rapids Monday night after the domestic upheaval and sent the wire himself, hoping to square himself with his wife.

GRAND HAVEN ALUMNI ELECT NINETEEN; AID IN THE SCHOOL

Jay Dykhouse, principal of Junior high school of Grand Haven, has been chosen as president of the Alumni association for the coming year to succeed Eugene Harbeck. The other officers are: first vice-president, Miss Greta Fisher; second vice president, Bertha Kid; third vice president, Clarence Van Lopik; secretary and treasurer, Mabel Thielman.

The Alumni Scholarship association elected Miss William Young and Mrs. John Walsma to succeed themselves for three years as directors. They report nine of the Grand Haven alumni to be receiving help, and more than \$200 in the treasury. The graduating class of 1927 presented the organization with \$100.

Grand Haven has higher birth and death rates than Holland or Ottawa county for the year ending March 31, 1927.

The Grand Haven birth rate per 1,000 population is 24.3 compared to

22.6 in Holland and 21.7 in Ottawa county. Grand Haven death rate is 10.7 to 10.4 for Ottawa and 8.7 in Holland.

Ottawa had 28 deaths in March itself with seven in Grand Haven and three in Holland. There were 63 county births with 18 in the Haven and 24 in Holland. There were four infant deaths in the county but none in the two cities. That made an infant mortality rate of 63.5 for Ottawa. The county had three still births and Holland two but Grand Haven had none. None of the three Grand Haven divisions had any maternal deaths in March.

The state death rate was 12.3, with 11.7 in the county and 12.7 in the cities. Birth rates were—state, 23.1; cities, 24.6; country, 30.4. Infant mortality was 77.1 in the state.

Mrs. S. B. Shaw, at the evangelistic meeting last night held in the Wesleyan Methodist church, charged that many of the modern tendencies in the church are grieving the Holy Spirit and are responsible for the decline of the influence of the churches. She named such tendencies as belief in evolution and other things of that

kind as responsible for the loss of real power on the part of many churches.

Mr. Shaw spoke on the importance of honoring and seeking the guidance of the Holy Spirit, and the importance of being filled with the Holy Spirit. The meetings will continue every evening of this week.

FRUITPORT WOMAN DIES IN MUSK. SANATORIUM

Mrs. Lillian T. Farr, wife of William T. Farr of Fruitport, passed away at the Tuberculosis sanatorium at Nottawasaga, Ontario, June 27, after a long illness.

Surviving are the husband, William T. Farr, and two daughters, Jeanette and Myrtle; the father, John McNamany and two brothers, John and Ray McNamany.

The body was removed to the Bin gold Funeral Home in Spring Lake and services were held on Wednesday at 9:00 a. m. at St. Mary's church in Spring Lake. Burial was in Spring Lake Cemetery.

Charming Summer Frocks

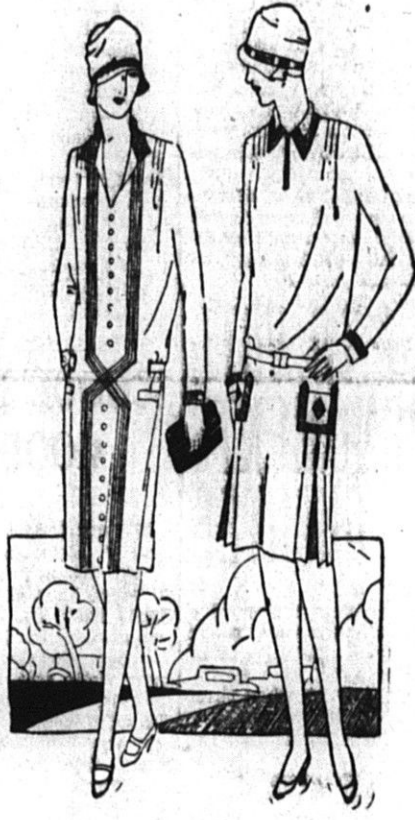

in Rajah-Yo-San Washable Crepe

For Women and Misses with special sizes for small and large women

Here are are a host of lovely models in the season's most desirable fabrics. The Rajah is a wonderful quality rough silk, a real sport fabric. The Yo-San is a Santung crepe with some of the texture of Rajah yet softer and sheerer.

Washable crepe is soft shimmery and delightfully cool.

Then there is the chiffon flowered georgette which is one of the most charming frocks for afternoon and evening wear; sheer, cool and very pretty.. And so many other washable fabrics, too many to mention; and remember you can buy any of these lovely frocks for summer at the very low figure of

\$10.75 to \$17.50

What will stop you from buying any of these for the Fourth of July.

Fourth of July Specials in Coats

We know there are a good many women and misses that need a coat for the Fourth of July and we still have a very good assortment of coats in stock which we are closing out at

1/2-price

Nothing Over \$23.75

regardless of the former price and they are very high grade; in sport or dress coats.

PAVING PRICES

When the paving bids were read and tabulated this season, it was learned that work similar to that built in the past few years would cost \$2.51 per square yard if the work was awarded to the lowest bidder using the same materials in foundation and asphalt surface as in former years. Bids on a sheet asphalt surface with a black base foundation would cost \$2.43 per square yard according to the lowest bidder using similar materials in the asphalt wearing surface as in the other bid.

The contract was awarded using the bid on sheet asphalt surface with a black base foundation for the reason there was a saving of \$4092.80 by this action. Your Council, Mayor and City Engineer had investigated work of this nature and felt it would be wise to make this selection.

This work is now in progress on State Street from 19th to 32nd Street and I would like to have you come out and watch the process of mixing and laying, about which I will tell you more next week.

K. B. Olson, Birmingham, Mich.
Asphalt Roads and Pavements.

Announcement

We are pleased to announce that the Central Sales & Service has taken over the business of the Boeve Auto Co., Chrysler dealers in Holland.

We request all Chrysler owners in and around Holland to call on the new management where they will receive a cordial welcome.

Chrysler Sales and Service in Holland will be entirely reorganized and vigorously developed.

GOLDEN WEDDING CELEBRATED BY ZEELAND COUPLE

On Monday of last week Mr. and Mrs. William J. De Pree of Zeeland, celebrated their golden wedding anniversary at Zeeland, with about 140 guests. The weather conditions were favorable and a delightful day was spent.

The day commemorated the marriage on June 20, 1877, when the ceremony was performed in Kalamazoo by the brother of the bride, Rev. William Moordyk, with Reverend Peter De Pree and Peter Moordyk assisting. Mrs. De Pree was Mary C. Moordyk before her marriage.

In 1878 Mr. De Pree bought out the hardware store of Albert Bolks and he has continued in this field, later adding furniture, to the present day. The only disastrous fire was that of Sept. 7, 1924. Since then the store was rebuilt, business resumed and in 1928 the golden anniversary of it will be celebrated if possible.

Mr. and Mrs. De Pree have been associated intimately with the church life of the Reformed church in Zeeland. During the pastorate of Dr. Wm. Moordyk at the organization of the Sunday school of the First Reformed church in 1871, Mr. De Pree among others was appointed by the consistory to be a teacher in the Bible school. He continued in Bible teaching work for about forty-five years.

As an officer in the consistories of the Reformed church Mr. De Pree has served as deacon and elder for about thirty-seven years. He was clerk of the consistory of the Second Reformed church when the organization took place in 1904.

Mr. De Pree has given generous and continuous leadership to the community. In the old First church she was a Sunday school teacher and served as vice president of the ladies' mission society, and as her connection with the Second Reformed she has at different times served the women's society as vice president and president. Two of Mrs. De Pree's nephews are missionaries in Arabia, Rev. Jas. Moordyk, D. D., Dr. Wm. Moordyk and Rev. and Mrs. Henry De Pree, missionaries in China.

In paying their tribute to Mr. and Mrs. De Pree their friends also paid a tribute to Mrs. De Pree's two brothers, Dr. William Moordyk, minister in the First church from 1871 to 1878, and later also minister of the Second Reformed church; and Dr. Peter Moordyk, an able and faithful Reformed church leader and at one time president of general synod. Since the death of Dr. Peter Moordyk at Toronto in 1923, Mrs. De Pree is the sole survivor of the Moordyk family which Zeeland knew a generation ago.

In the reunion of Monday there were present those who remembered also the brothers of Mr. De Pree, two of whom served in the Christian ministry. They were Dr. Peter De Pree, who held parishes at Grand Rapids, Vriesland, Fella and died in Grand Rapids in 1915, and Dr. James De Pree, who died at Sioux Center this year after serving his last pastorate for over thirty years.

But one of Mr. De Pree's brothers still survives, Henry De Pree, for many years a business associate in the Zeeland store, was present Monday to celebrate the anniversary with his brother.

All of the children of Mr. and Mrs. De Pree were present Monday. They are Mr. and Mrs. John H. De Pree and Mr. and Mrs. James C. De Pree of Zeeland, Mr. and Mrs. Wynand Wichers of Holland, and Rev. and Mrs. A. Luidens of New Brunswick, N. J. Five grandchildren were also present. They are Wm. Stanley and D. Roger De Pree, William Allan Wichers, Dorothy Marian Wichers, and Edwin Marlon Luidens.

The occasion was brightened with floral tributes of many kinds and in great abundance. Letters of congratulation were received from many who could not be present at the celebration. In their number was a letter from California and a cablegram from Paris. They also received substantial gifts in gold.

Among the out of town guests were Mr. and Mrs. Con De Pree, Mr. and Mrs. Jacob De Pree, Mr. and Mrs. James De Pree, Mr. and Mrs. L. Van Hartesveld, Mr. and Mrs. Edward De Pree, Dr. S. De Pree and son James, Rev. and Mrs. Wm. Van Ker, Mr. and Mrs. P. Luidens, John Luidens, Anna and Edna Luidens, J. B. Nykerk, Rev. J. P. De Jong, Rev. Paul Hinkamp, all of Holland; Rev. and Mrs. A. De Young, Mrs. Joe De Pree, Mr. and Mrs. John W. Van Brook, and daughter Edna, Jennie Voecklase, Mr. and Mrs. John Van Dornen, all of Grand Rapids; Mrs. Elizabeth Duncan of Toronto, Can.; Rev. James Veneklasen and son Dudley of Chicago; Mr. and Mrs. F. Adolph of St. Clair, Mich.; and Mrs. Wm. De Kruij of Levering, Michigan.

Zeeland and Holland extends to our esteemed Christian friends hearty congratulations on this happy anniversary and pray for them many years of life together in the enjoyment of each other's companionship and the good-will of their friends.

RETURNS FROM CHEMISTRY MEET AT ANN ARBOR

Prof. G. Van Zyl, head of the department of chemistry at Hope College, returned home Friday evening where he attended the fifth national colloidal symposium at the University of Michigan for three days. Members of organization were present from all over America, about 400 in number, and the guests of honor were Prof. H. E. Kratoch, professor of chemistry at the University of Utrecht, The Netherlands. The meeting was under the auspices of the colloidal division of the American Chemical Society.

The program included papers by some of the most prominent workers in the field of colloidal chemistry. Among the principal topics discussed were: general colloidal theory; plasticity; biological, industrial, and other applications. Special courses in colloidal chemistry will be offered during the summer session at the university. Among them will be lecture, seminar, and research courses under the direction of Professor Kratoch. Pres. Clarence Cook Little delivered an address of welcome.

More than half the cars sold in the United States cost the buyer less than 30c a pound. A comparison with other commodities purchased by the American public shows this pound cost to be unusually low.

BRIDE-TO-BE IS HONORED WITH A JUNE SHOWER

Mrs. C. Huizenga and Mrs. A. Meeuwse entertained with a shower at Mrs. Huizenga's home, 172 West Sixteenth street, honoring Miss Betty Keegstra. Many beautiful gifts were received. The following guests were present: Mrs. Huizenga, Mrs. Meeuwse, Mrs. C. Schut, Mrs. J. Vanden Bosch, Mrs. C. Schutte, Mrs. L. schadlae, Mrs. G. Heerspink, Mrs. G. Vander Woude, Mrs. J. Lemmen, Mrs. H. Leeuw, Mrs. J. Jouma, Miss D. Kulp, Mrs. H. Brondyke, Mrs. H. Keegstra, Miss Gertrude Keegstra, Miss Reka Brondyke and Miss Sadie Kulte.

DICTOR'S WIFE DIRECTOR OF GANGES PLAYERS

Mrs. Dr. Brunson of Ganges is the director of the Ganges Community Players who are to give the religious drama, "The Rock," in the Methodist church in Holland on Friday evening, July first, at eight o'clock. This drama has been presented in several of the churches in Holland, and places and is said to be very uplifting and instructive. No admission fee will be charged but a free will offering will be taken. All are welcome.

THE PLAYGROUNDS MAKE GOOD START HERE ON MONDAY

With the opening of the Holland playgrounds Monday many of the local children enjoyed their first real experience of supervised summer play. The attendance for the opening day was very good, but all the directors wish for a larger attendance, if possible. Director L. M. Moody personally counted 612 children who took advantage of the playgrounds between the hours of 3 and 4 yesterday afternoon. With the evening attendance the total was about 800 persons.

The children come and go. At some periods during the day one playground has more people than another. In the evening more older girls and mothers attend. The directors would like to see some of the fathers and older brothers take advantage of the grounds. All equipment is furnished. All a person must bring is a lot of pep. Monday's attendance included children in baby buggies and fathers of large families. The playgrounds were shown at Longfellow when several of the mothers came to enjoy the day with their children. That school's attendance of parents was the banner of the day of all the grounds.

A varied group of games was played and every day some new game will be given to the young folks. Friday's feature of this week will be unique and the announcements will be made at all the playgrounds in regard to this on Wednesday.

Supervised summer playgrounds are a new thing in Holland and it will be given to the young folks. Friday's feature of this week will be unique and the announcements will be made at all the playgrounds in regard to this on Wednesday.

FORMER HOLLAND GIRL MARRIED IN CALIFORNIA

The first page of the Los Angeles Evening Herald, of June 15, of which a copy has been received here, contained a cut of Miss Jane Margaret Romeyn, formerly of Holland, now of Los Angeles, and the following story about her marriage:

"A wedding uniting a member of one of Glendale's most prominent families and a charming girl who has made her home in Southern California for the past few years was that of Miss Jane Margaret Romeyn, daughter of Mrs. A. Margaret Romeyn, 8500 Ridge Ave., Laurel Canyon, Hollywood, and Walter Emerson Cowan, 151 Virginia Ave., Glendale, which took place today.

"Mr. Cowan is a son of Mr. and Mrs. A. T. Cowan, who have resided in Glendale for the past 15 years, and have a wide circle of friends in that and other cities of the Southland. A. T. Cowan formerly was owner and publisher of the Glendale Evening News and now is a prominent realty man of that city. His son is associated with him in the business. The bride is a graduate of the Glendale high school and is a former student of the University of California at Los Angeles.

"Upon their return from a motor wedding trip the couple will make their home at 1222 1/2 North Central Ave., Glendale."

PLAY AND MUSIC AT THE METHODIST CHURCH

There will be special music at the play, "The Rock," to be presented by young people of Ganges at the Methodist church on Friday evening. A very fine program is to be presented. The meeting will begin at eight o'clock and will be free to the public; a collection will be taken to defray expenses.

BETHANY GIRLS OF ZEELAND GO TO CHICAGO

The Bethany Girls of Zeeland, a Sunday school class taught by John Staal, were on a four day sight-seeing trip in the city of Chicago, going by boat and returning by bus.

They called on Mr. John Vander Water, superintendent of the Helping Hand Mission at Chicago, and he assisted materially in making the trip of the young ladies a pleasant one during their stay in Chicago. He showed them the work he was doing in the slums and they attended some of the meetings at the mission.

The members of the party were: Mr. and Mrs. John Staal, Mrs. C. Roeman, John Brower, Gertrude Volkers, Helen Kleinjans, Anna Brower, Martha Sherman, Pearl Brower, Maggie Johnson, Bertha Brower, Lida Johnson, Jean Volkers, Julia Kleijne, Jeanette Lampen, Marion Vanden Bosch.

Manager Johnny Lavan, of Lincoln held out a protest of \$100.00 levied against him by President George of the Western League for causing a game to be forfeited. Gear had instructed his umpires not to permit Lavan to appear on the field or on the bench until he paid up. The manager indicated he would appeal.

PREPARATION FOR HOLLAND FAIR IS ALREADY BEGUN

Secretary John Arendshorst states that work has already begun for the Community Fair exhibition at the fair grounds, August 23-26. There will be night fairs as usual with fire works, but the first thing thought of is the selection of men and women who have the interest of the fair at heart and know how to handle their respective departments.

The superintendents of the different departments for 1927 are the following:

Cattle Department—J. J. Nyenhuis, H. Harrington, Wm. Glurm.
Sheep and Swine Department—J. J. Nyenhuis, H. Vander Bunte, G. J. Bolks.

Poultry Department—George Cable, C. J. De Koster, J. J. De Koster, Ed Brouwer.

Aquary Department—J. Hendricks, A. Getman.

Agricultural Department—Gerrit Yntema, Ed Cook.

Horticultural Department—G. J. Deur, G. Du Mez, Wm. Van Apple-dorn.

Floral Department—Mrs. J. W. Vandenberg, B. Van der Ploeg, H. Ebelink.

Women's Department—Mrs. Minnie Jones, Mrs. Al Van Duren, Mrs. A. Harris.

Household Department—Mrs. T. A. Boot, Mrs. J. Lawyer.

School Department—Lida Rogers, J. Huizenga, Anna Huizenga.

Miscellaneous Department—Mrs. R. Hayden, Mrs. C. St. Clair.

kennel Department—George Cable, L. Van Wezel.

The executive committee and the other committees in charge of the fair follow:

Executive—A. Harrington, Benj. Brower, Wm. C. Vandenberg, Ted Moordyk, M. C. Ver Hage, G. J. Koolker.

Concessions—John Arendshorst, John Fris, George Cable, John Van Tatenhove.

Speed Department—James Nibbelink, Andries Klopman.

Grand Stand—John Koolker, Ted Moordyk, Dick Boonstra, W. C. Vandenberg.

Buildings and Grounds—Jacob Lokker, John Koolker, S. W. Miller, Abel Postma.

DYKSTRA IS HOME FROM CHINA FIELD

Rev. S. A. Dykstra, missionary to China, with his family arrived in Grand Rapids Thursday. Mr. Dykstra has been laboring in China a little more than two years, being supported by Bates street Christian Reformed church, but on account of conditions there, was recalled. Mr. Dykstra and his family will remain in Grand Rapids until it is certain mission work can be carried on in China unhindered.

Dr. Lee S. Huizenga, also missionary in China, is returning to America and it is expected he will arrive here the latter part of this week.

ALLEGAN TO VOTE ON AMENDMENTS TO CITY CHARTER

The question of construction of a municipal electric lighting and power plant by the city of Allegan will be submitted to the voters at a special election Tuesday, July 12, when three amendments to the charter and two propositions will be placed on the ballot for approval.

Power to acquire and operate public utilities such as light, heat, and power plants and to issue mortgage bonds on such utilities is provided in the first two amendments. Under the first amendment the city council will be authorized to purchase or condemn sites for public utilities and to build or buy a plant for furnishing light, heat, and power. By issuing mortgage bonds on the utility and its earnings, as provided by second amendment, the city will assume no liability for debts or obligations of the plant.

Voters will also be asked to express their desire directly on the propositions of acquiring electric light and power works for the city and to authorize bond issue of \$185,000 to construct a plant on the proposed site on the Kalamazoo river near Calkin bridge at an estimated cost of \$440,000. The bond issue will cover initial construction expenses and later mortgage bonds on the plant will care for remainder of costs. According to this plan the city will only have \$185,000 actually invested in the utility as the remaining indebtedness will be on the part of the plant.

In a third amendment to charter, Allegan's representation on the county board of supervisors will be increased to four members instead of one. Each ward will elect a supervisor and the mayor will also sit on the board. At present Allegan with a population of 4,000 and registered vote of about 1,400 has no greater representation than communities with a few hundred electors. The council deemed it wise to propose this change at the same time other questions were being settled by the people.

Registration day for the special election was set for Saturday, July 9, and registrations may be made in each ward from 8 o'clock A. M. to 8 P. M. on that date. Previous to July 3, persons may register with city clerk during business hours.

TO HOLD FAREWELL FOR MISSIONARIES

Wednesday night, June 29, at 8 o'clock a missionary farewell meeting was held for Mr. and Mrs. Tiltstra in the Seventh Day Adventist church, 12 East 13th St. A missionary program was given. The young couple are going as missionaries to the Netherlands, East Indies, and left Holland Thursday forenoon. All friends of foreign mission work are most heartily invited.

GRAAFSCHAP PIONEER DIES SUNDAY NIGHT

Mrs. John Postma, aged 84, died on Sunday evening at Graafschap. The funeral was held Wednesday afternoon at 1:30 at the home of Mr. and Mrs. J. Zwierenga at Graafschap. Rev. Mr. Keegstra officiating. The services at the Graafschap Christian Reformed church were conducted at 2 o'clock by Rev. Mr. Heeres.

MARRIAGE LICENSES

Walter Thielman, 24, Fort Wayne, Indiana, Neoula Lipp, 18, Fort Wayne, Ind., William H. Conroe, 64, Jones, Alma Ackerman, 62, Hudsonville, John H. MAKE APPEAL FOR TOYS FOR LITTLE FLOOD VICTIMS

Mrs. N. Hofstee, chairman of the Junior Red Cross, has received an appeal for toys for the children of the flood-victims in the south. All kinds of toys will be received at the Red Cross office at the city hall from now on. Those wishing to contribute are asked to do so without delay. They can be left at the Red Cross office; in case the office is closed they may be left at the door. The janitor will be responsible for them in the hall.

The appeal that has come to Mrs. Hofstee reads as follows:

My dear Mrs. Hofstee: Our attention has been directed to an appeal from Clarendon, Arkansas, or toys for the children of the flood-victims. The American Red Cross representative there has written to the headquarters at Little Rock, as follows:

"Couldn't you send me some toys? The children have nothing to play with, so many of these people here lost everything. If I can get the kiddies happy, the older people will just naturally reflect a little to their cheer."

"Can you not make an appeal to our Juniors through the press, Sunday schools and children's organizations for donations of toys either new, or secondhand in good condition, of a substantial durable sort, which could be sent to this office within the next few days."

"Such toys as dolls of the unbreakable variety, bean bags and the like or girls, and any sort of athletic equipment particularly indoor or play ground balls and bats will be suitable for boys. Also any sort of substantial wooden toys, scooters and the like would be very appropriate for all children. Please let us know what you think you can accomplish at your earliest convenience."

Yours sincerely,
(Miss) Josephine C. Smith.

SCHOOL HAD GOOD QUARTER

The quarterly teachers' meeting of Trinity Reformed church Sunday school was held Friday night at the home of Mr. and Mrs. J. Van Oes on South State St. A fine program was rendered, consisting of the following numbers: devotionals, Miss Janet Albers; violin solo, Mr. Harris Westra; address, "The Task of the Sunday School Teacher," Mr. Wynand Wichers; vocal duet, Misses Kloozer and Avery. The average Sunday attendance for the past three months was 590. On June 12th the attendance was 62, the largest in the history of the Sunday school. The Sunday school will hold their annual picnic on July 14th at Tower Park.

TIME LIMIT IS SOON UP

The time limit for the transfer of soldiers' insurance will expire at midnight July second. Any insurance that is brought in after that time cannot be taken care of. Mrs. G. J. Van Duren is giving a special notice to this effect so that no former service man may be disappointed. There will not be any extension this time.

To give all a chance Mrs. Van Duren will be in her office today and Monday from two to five in the afternoon and from seven to eight at night.

Mr. Dick Dirks, sr., formerly of Holland died at the home of his daughter, Mrs. Peter Luyendyk at Kalamazoo at the age of 69 years. He is survived by nine children: Dick, Jr., Peter, Ben, Cornelius, Dewey and Mrs. Henry Kraft of Holland, John of Grand Haven, Jacob and Mrs. Peter Luyendyk of Kalamazoo; also by 25 grandchildren. His wife died two years ago.

The funeral was held on Thursday afternoon at 2 o'clock at the Ninth Street Christian Reformed church.

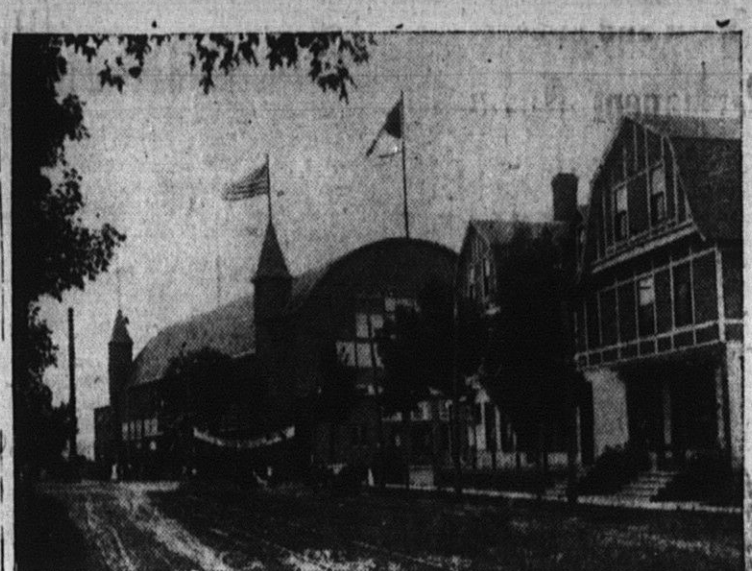

Sheriff Kamferbeek has received word that Carl Herman from Holland with a companion committed to the State Hospital at Kalamazoo last week had escaped.

Herman, who is said to be dangerous and of a surly disposition, made the statement while in the hospital that if he could ever get out he would go back and kill his wife.

The officers are placing guards about the home for a time and the children have been removed to another residence. The authorities at the hospital and police are keeping a lookout for the men.

Mrs. Arthur Kaechele, aged 24, died at her home at Hamilton after an illness of about two weeks. She was before her marriage Miss Gertrude Voorhout. She is survived by her husband, two children, Lloyd and Margaret Anne, her mother, four sisters, and two brothers. The funeral was held Monday afternoon at one o'clock, last time, at the First Reformed church at Hamilton.

Milo H. De Vries and C. W. Dornbos of De Vries & Dornbos are listed among the buyers who are looking over the different lines and are placing orders at the Grand Rapids Furniture exposition.

THE HEART of the HOME

If home is to have that gripping influence that holds us secure in life's most treacherous storms, it must be cozy. Some folks live in homes—others in houses. And it is not difficult to tell to which class a person does belong, is it?

The person whose life is strengthened by a happy, cozy home is one that we all admire.

He is one that can smile in the face of any struggle. He is a person who fills the rest of us with confidence. That is the kind of character that we all want to have.

So let's strengthen our home influence all we can. Let's start with the HEART OF THE HOME.

SURPRISED ON SILVER WEDDING

Mr. and Mrs. John Slighter were pleasantly surprised Friday evening, the occasion being their 25th wedding anniversary. They were invited out to one of the neighbors, then were called home and found a crowd had taken possession of their home. An enjoyable evening was spent. A two-course lunch was served by the Misses Frieda Overway, Dorothy Bouwman, Cella Klansen, and Edith Slighter. The couple was presented with a dinner

set. The presentation speech was made by Mr. John Overway, to which Mr. Slighter responded. The following guests were present: Mr. and Mrs. John Dronkers, Mr. and Mrs. John Overway, Mr. and Mrs. Albert Bouwman, Mr. and Mrs. John Nyland, Mr. and Mrs. Spriggs Tooller, Mr. and Mrs. Mike Essenburg. Those from out of town were Mr. and Mrs. William Dronkers, Mr. and Mrs. Ralph Van Staveren.

The Grand Rapids Herald of Monday shows some pictures of artistic furniture made at the West Michigan Furniture Co., and states that the local factory shows much that is new.

HOLLAND BOY SHOWS UP WELL IN MUSKEGON GO

Emmett Curdie, the Fremont boy wonder, and Len Darcy of Detroit, holder of the state light heavyweight title, fought a ten round battle to a draw Thursday night in the Muskegon boxing show. With a pound of difference in weight, both boys put up a good fight. Curdie had the edge all through the fight, with the exception of the 4th round. At that time Darcy lunged with a right, caught Curdie at the ropes and planted a left into the face which brought the young Fremont into collision with the ropes, causing him to fall on his knees for the count of nine. This was the only time Darcy was on the floor. In the 5th round Darcy was again on the floor as the right blow almost felled the champion, the bell saving him. From that time on until the remainder of the fight Curdie had the champion at his mercy, his left to the head followed by a right to the body, keeping the larger man guessing all the time. Darcy took more punishment than a flier usually can stand and his condition was perfect or he would have lost his crown.

In the semi-windup Henry Perlick of Kalamazoo and Russ Bradford of Pontiac fought 8 fast cantos, the verdict being a draw as Perlick's weight was 6 pounds more than the Pontiac. Perlick led with the first two frames, the remaining four being even. In the last two Perlick went in to win but did not hold the knockout punch in the left glove.

In the star bout Ted Miranda of Grand Rapids won from Ritchie Nelson, South Haven, in fast clean combat.

A REAL BASEBALL GAME SATURDAY

For the second time this year the Fairbanks-Morse team of Three Rivers defeated the local team by one run, Saturday's game ending 8 to 7.

Saturday Jess Elster's Colored Athletics came to town for their annual contest and on the morning of July 4 Holland's bitterest rivals will invade this territory namely Allegan.

DEFEATED AT EAST SAUGATUCK

The Wolverine Stars absorbed a 9-2 defeat at the hands of the East Saugatuck Friday night at the East Saugatuck ball park. Although the country lads won the ball game fairly and squarely, the local club played without three of their players and thus did not work up to usual form.

THE WOLVERINE STARS DEFEATED

In a game filled with spectacular catches and long hits the East Holland Independents took the measure of the Wolverine Stars by a 11-5 score. The game was played at East Holland and since the infield was very rough, both teams committed heavily to the error column. The East Hollanders sewed up the game in the first two innings by scoring two in the first and three in the second. Crispell held the Stars to five hits none of which went for extra bases. Louma the East Holland left fielder, was the hitting star of the evening getting a homer got 2 of his team's 5 hits and also made a pretty one hand stab of a liner. Spoelstra the Wolverines shortstop caught one of Crispell's fast balls on the side of the head and was forced to retire from the game.

INDOOR LEAGUE GAMES SHOW CLOSE COMPETITION

Games in the new Holland indoor league the past week show close competition. The Commercial defeated the Shoes 10 to 5 in a fast game. Batteries: Commercial—Jacobusse and Jim Bouman. Shoes—Steffens and Brightall. The North Ends defeated the Commercial on Monday night in a free hitting game Witvliet, Bredeweg and Van Klink; Commercial: Jacobusse and Bouw-13 to 10. Batteries—North Ends: man.

Independents to Play Jess Elster's Colored Giants On Saturday

The Holland ball team faces a very strong schedule this week-end. Saturday they clash with Jess Elster's colored ball tossers in the annual game. Of all the years that the colored boys have played Holland not once did they come out on top of the heap and this has been getting under Mr. Elster's skin. About a month ago Holland just barely defeated Elster at Beverly 9 to 8. Since then they have defeated some of the strongest teams in this section among them the Leonards who defeated Holland in the first game of the year.

Allegan who has joined the local team and who has yet to pitch, his first game this year will be on the firing line in this game.

Then July 4th in the morning, Holland has another hard nut to crack. Allegan has been lying very low thus far and not much has been heard of their record. Some of the old timers are still playing, namely Ferris and Mozer, and the rest of the team has been gathered from Kalamazoo and Osego. Holland will most likely place Temple or some other new pitcher on the mound. For the July 4th afternoon game Holland plays the Leonards at Romona Park, Grand Rapids.

Rev. Henry K. Pasma and family of Charleston, Miss., are the guests of Mrs. Pasma's parents, Mr. and Mrs. W. G. Barnaby, 321 College ave.

Mrs. Emma Gross announces the coming marriage of her daughter, Miss Eva Clarke, to Mr. Harry Garwood of Grand Rapids. The marriage is to take place in September.

Mr. and Mrs. Peter J. Van Anrooy of Lincoln, Neb., motored to Michigan and are visiting relatives in Holland and vicinity. John P. Van Anrooy, the father, and Miss Cornelia VanRooy, a sister, are entertaining them.

J. A. Zieistra of Grand Rapids was arrested by the Ottawa county traffic officer for speeding through the village of Jenison. He was going at the rate of 50 miles an hour and was fined \$8.55, including costs.

Mary Vanden Berg, who has been visiting in South Pasadena, Calif., the past 6 weeks, has returned home. She was accompanied by her sister, Mrs. A. Rigtierink and children who will be the guests of Mrs. Rigtierink's parents, Mr. and Mrs. Langland, Mr. Bloemendael was a graduate from Hope in 1883.

E. J. Schlemmer, director of Mechanical equipment of the U. S. Treasury Department was in Grand Haven on Thursday to inspect the Grand Haven postoffice. He suggested various changes and improvements. He approved the job of the contractors working on the building.

More than half a supply of 1,000 Lindbergh air mail stamps received at the Muskegon postoffice have been sold and the remainder will be disposed of soon, it is believed. Few of the stamps have been placed on mail, most of the purchasers preferring to keep them for souvenirs.

The Lindbergh air mail stamps have arrived at the Grand Haven postoffice ready for sale to those sending mail by this route. The stamps are of ten cent value, printed in shades of blue and are interesting in design. Holland post office up to this time has no stamps of the noted flyer.

E. R. Cockerel, Muskegon county drain commissioner, has been conferring with Henry Siersma, Ottawa commissioner, on the new drain which will be made from Little Black Lake to Lake Michigan. The project will cost about \$11,000 and is one of the largest projects for the summer. It lies in both counties.

Jay Dykhouse, a principal of the Junior high school, Grand Haven, and his brother who has been teaching in Plymouth, Mich., left Saturday for Ann Arbor where they will take a summer course in the Graduate school at the University applying on their master's degree.

Mr. and Mrs. J. P. Huyer returned Tuesday night from their eastern trip, visiting the battlefields of Gettysburg, and other places of interest.

Funeral services for Mrs. B. H. Fleming of Oklahoma City, Okla., who died of injuries sustained in an accident last week on U. S. 31 near the intersection of the Alpena Beach-id., were held Monday at Ludington.

Where the Fleming family had planned to spend the summer.

Homer Fish of Grand Rapids, director of the playgrounds of Grand Haven this summer, reports a large attendance. There are three playgrounds with the following assistants: Aaron J. Nyland, Miss Esther Peterson, Mrs. Pat Muller.

A free clinic for examination of the chest will be conducted from 1 to 5 o'clock Thursday in the town hall at Byron Center. A physician and nurse employed by the Grand Rapids Anti-Tuberculosis society will make examinations.

Gerald Harmsen, 14-month-old son of Mr. and Mrs. Gerrit Harmsen, Rfd. 3, North Dorr, Allegan county, was taken to University hospital, Ann Arbor, Tuesday when his condition became considerably worse. The child obtained a quantity of cracked corn and put it in his mouth, apparently of which became lodged in his windpipe.

Rev. Henry K. Pasma and family of Charleston, Miss., are the guests of Mrs. Pasma's parents, Mr. and Mrs. W. G. Barnaby, 321 College ave.

Mrs. Emma Gross announces the coming marriage of her daughter, Miss Eva Clarke, to Mr. Harry Garwood of Grand Rapids. The marriage is to take place in September.

Mr. and Mrs. Peter J. Van Anrooy of Lincoln, Neb., motored to Michigan and are visiting relatives in Holland and vicinity. John P. Van Anrooy, the father, and Miss Cornelia VanRooy, a sister, are entertaining them.

J. A. Zieistra of Grand Rapids was arrested by the Ottawa county traffic officer for speeding through the village of Jenison. He was going at the rate of 50 miles an hour and was fined \$8.55, including costs.

Mary Vanden Berg, who has been visiting in South Pasadena, Calif., the past 6 weeks, has returned home. She was accompanied by her sister, Mrs. A. Rigtierink and children who will be the guests of Mrs. Rigtierink's parents, Mr. and Mrs. Langland, Mr. Bloemendael was a graduate from Hope in 1883.

E. J. Schlemmer, director of Mechanical equipment of the U. S. Treasury Department was in Grand Haven on Thursday to inspect the Grand Haven postoffice. He suggested various changes and improvements. He approved the job of the contractors working on the building.

More than half a supply of 1,000 Lindbergh air mail stamps received at the Muskegon postoffice have been sold and the remainder will be disposed of soon, it is believed. Few of the stamps have been placed on mail, most of the purchasers preferring to keep them for souvenirs.

The Lindbergh air mail stamps have arrived at the Grand Haven postoffice ready for sale to those sending mail by this route. The stamps are of ten cent value, printed in shades of blue and are interesting in design. Holland post office up to this time has no stamps of the noted flyer.

E. R. Cockerel, Muskegon county drain commissioner, has been conferring with Henry Siersma, Ottawa commissioner, on the new drain which will be made from Little Black Lake to Lake Michigan. The project will cost about \$11,000 and is one of the largest projects for the summer. It lies in both counties.

Jay Dykhouse, a principal of the Junior high school, Grand Haven, and his brother who has been teaching in Plymouth, Mich., left Saturday for Ann Arbor where they will take a summer course in the Graduate school at the University applying on their master's degree.

Mr. and Mrs. J. P. Huyer returned Tuesday night from their eastern trip, visiting the battlefields of Gettysburg, and other places of interest.

Funeral services for Mrs. B. H. Fleming of Oklahoma City, Okla., who died of injuries sustained in an accident last week on U. S. 31 near the intersection of the Alpena Beach-id., were held Monday at Ludington.

SMASH UP LANDS CHICAGO DRIVER IN CITY LOCKUP

George W. Hood, of Chicago, a salesman for a Chicago roofing and products company, ran amuck on North River avenue Thursday night with his car and as a result he landed in the city jail. He came down river avenue at a lousy rate, colliding with a car driven by George Beeuwkes. He sideswiped the Beeuwkes car, injuring Beeuwkes and the father of Officer Dornbos, who was a passenger. Mrs. Beeuwkes was uninjured.

After hitting the Beeuwkes car the Hood car tumbled down the embankment near the glass factory, and when it was picked up it was a pretty bad wreck.

While passing down River avenue Hood had a quarrel with an officer who had tried to catch him. Hood failed. Halted by the officer, he felt a victim to other officers, who gathered one quart and one pint of alcohol from him and who confiscated the car, that they found in it.

Two charges were lodged against the man, driving while drunk and having liquor in his possession and transporting it. He was arraigned before Justice Charles Van Duren this forenoon and pleaded not guilty to the charge of driving while drunk, demanding an examination which was set for nine o'clock next Friday morning in the city hall. Hood gave bonds for \$500 for his appearance at that time. On the charge of having liquor in his possession and transporting it, he waived examination and was bound over to circuit court. He gave \$500 bonds for his appearance at the August term of court.

TO HOLD BOYS' CONFERENCE AT PINE LODGE

The second annual boys' conference will be held July 7 to 15 inclusive at Pine Lodge. A charge of fifteen dollars per person will include registration, board and room for the entire period of the conference. Twenty-seven boys attended last year and all reported such a pleasant and profitable time that it is expected a large number will attend this year. Accommodations are limited to seventy-five and these will be assigned in the order of their application.

Last year's program was so successful that this year's program will be patterned after it. A very important and interesting feature of the conference is the evening campfire at which boys' problems are discussed by leading business and professional men.

The age-range is that of the high school years, from about 14 to about 18.

HUNTERS CATCH THREE RED FOX AT PORT SHELTON

Lou Bouwman and Bill Van Dracht, Holland premier fox hunters, succeeded in capturing three young red foxes a few days ago. The hunters located the foxes in their old stamping ground at Sloan's pond, near Port Sheldon. After locating a number of dens the hunters succeeded in digging two of the little four-month-old babies out of their homes. As the hunters were trying to dig out another which they had tracked, their dogs succeeded in capturing the third of the group. The season on fox is open all year. The foxes are getting more numerous in this part of the county every year and the hunters can see the damage which these animals do, as the rabbits, pheasants and other small game are fast disappearing thruout the Port Sheldon woods, as well as the farmers' chickens.

Mr. Bouwman stated that the foxes are for sale and one desirous of seeing the animals can do so at his barber shop on River avenue.

WERE MARRIED ON THURSDAY AFTERNOON

Miss Esther Kragt, daughter of Mr. and Mrs. G. H. Kragt, and John Van der Berge, son of W. H. Van der Berge, were quietly married Thursday afternoon at the parsonage of the Central A. V. Christian Reformed church, Rev. L. Veltkamp performing the ceremony. The young couple left at once on an extended auto trip through the East.

BAKERS MEET IN HOLLAND

The West Michigan Bakers' association held a meeting in Holland Thursday. There was a stereotyped address at 222 Warm River Tavern in connection with a dinner at which matters in the baking business were discussed. Later the delegates went to the Federal Bakery for a demonstration in pastry decorations, and today two large size decorated cakes are to be seen in the window of that concern. One present at the meeting in The Netherlands and one is a springtime decoration, with a cherry tree as one of the features.

The Den Herder family of Holland, Zeeland, Grand Haven and other parts of the state held their family reunion at Brown's Grove at James-town where about 150 members of the family tree gathered for a day of sports, and picnic lunch. Thursday Marvin Den Herder of Grand Haven is president of the organization and had appointed a fine committee to arrange the details for that large gathering. They meet once in two years and members make great efforts to be present.

GRAND RAPIDS PLASTER CO. IS MAKING PREPARATIONS FOR THE LAYING OF A NEW PERE MARQUETTE SIDING TO ITS GRANDVILLE MILL. THE GRANDVILLE MILL HAS BEEN STANDING IDE FOR SOME TIME AND HAD A NEW YORK CENTRAL SIDING AS ITS ONLY RAILROAD OUTLET.

It is the intention to place the mill at Grandville in readiness for immediate operation so it can be used as soon as new business orders warrant. It is expected this will be in the early fall.

The Grandville mill, when operating at capacity, employs between 25 and 30 men. The mine of the company is near at hand and the raw material is hauled, ground and packed with little loss of time or needless effort.

FARMERS' DAY TO BE AUGUST 4

Summer Farmers Day at Michigan State College will be held on Thursday, August 4, this year, and plans are being completed for the entertainment of farmers and their families at this annual summer conference which has become the outstanding meeting of its kind in the state. The date was changed this year from Friday to Thursday. The committee in charge of the program promises a speaker of national reputation for the big general meeting in the afternoon. There will be a band concert at noon.

LANSING MAN JUMPS FROM MUSKEGON BOAT

Search by Lansing police for John K. Blink, who disappeared from his home at Lansing and later wrote relatives that he planned to end his life, was halted Thursday by a message that a man believed to have been Blink leaped from the steamship, E. G. Crosby, of the Wisconsin-Michigan Transportation line, Tuesday morning when the boat was nearing Milwaukee coming from Muskegon.

Identification of the man was made when a card indicating that an insurance policy had been issued on the life of Blink was found later in the day tucked in the fire hose on the vessel.

The body has not been recovered. Blink leaves five children, the oldest of whom is married. Mrs. Blink died several years ago. He has been employed by the Red Motor Car company at Lansing.

CHURCH PRINTS ART BOOKLET OF ITS CELEBRATION

A large number of present and former members of the Fourteenth St. Christian Reformed church gathered Thursday evening to celebrate the 25th anniversary of the founding of the church. A beautiful souvenir program of 19 pages was distributed to the audience containing cuts of the present pastor, Dr. Wm. Masselink, of the church building as it looks today and as it looked when first built of the late Rev. D. R. Drukker, Rev. P. A. Hoekstra, Rev. Herman Hoekstra, J. M. Van der Kieft, all former pastors, and of Rev. and Mrs. A. H. Selles, of the church's missionaries to China. There is also a group picture of the present congregation.

The booklet contains an article, "History of the 14th Street Christian Reformed Church," by G. J. Stegenga, a poem, "The Church," by Anthony Roebach, lists of consistory members, pastors, church members, and so on.

In last night's program Dr. Wm. Masselink gave the address of welcome. Other numbers were music by a quartet composed of William Brouwer, A. Van Dyke, B. Stegink, and A. Dittmar; historical sketch by G. J. Stegenga, singing by the congregation; a letter from the family of the late Rev. D. R. Drukker, an address on "Faith of Our Fathers," by Rev. P. A. Hoekstra; saxophone solo by John Stegenga; letter of congratulations by Rev. Herman Hoekstra; an original poem by Anthony Roebach, music by a male chorus composed of G. Wanrooy, A. Dittmar, A. Van Dyke, G. J. Stegenga, W. Brouwer, T. Warner, P. Dalman, and B. Stegink; a letter from Rev. J. M. Van der Kieft.

A feature of the meeting was a talk by Rev. A. H. Selles, a missionary, who has just arrived from the foreign field in China, coming home because of the revolution there. He arrived here at 5 o'clock Thursday afternoon and took part in the exercises. Another interesting feature was the singing of little 8-year-old Gerald Vande Vusse of Zeeland. The program was followed by a social meeting.

IS GRADUATED FROM CINCINNATI COLLEGE

Mrs. W. E. Van Dyke, Lillian Van Dyke, Russell Van Dyke and Dr. Milton Van Dyke of Beechwood have returned from a motor trip to Cincinnati, Ohio, where they attended the commencement exercises at the University of Cincinnati. Dr. Van Dyke was graduated from the medical college of the university. Dr. Van Dyke will soon return to Cincinnati to take further hospital training in the Cincinnati General Hospital. He will specialize in pediatrics.

The occasion was the birthday of Mr. Robbins and his cousin, W. D. Downey. Beautiful arrangements of flowers were placed about the rooms and on the table. The guests included Mr. and Mrs. Clito Nichols of Kalamazoo, Mr. and Mrs. Burley Downey of Grand Rapids, Mr. and Mrs. W. D. Downey of Benton Harbor, Mr. and Mrs. Nathaniel Robbins Jr. of Holland, Mr. and Mrs. Charles Robbins, Sr. and Mr. and Mrs. Charles Lore of Benton Harbor.

HOLLAND FOLKS ATTEND COUNTY CLUB DINNER

Grand Haven Tribune-Mr. and Mrs. Hunter S. Robbins entertained a family dinner at the Country Club on Thursday night.

The occasion was the birthday of Mr. Robbins and his cousin, W. D. Downey. Beautiful arrangements of flowers were placed about the rooms and on the table. The guests included Mr. and Mrs. Clito Nichols of Kalamazoo, Mr. and Mrs. Burley Downey of Grand Rapids, Mr. and Mrs. W. D. Downey of Benton Harbor, Mr. and Mrs. Nathaniel Robbins Jr. of Holland, Mr. and Mrs. Charles Robbins, Sr. and Mr. and Mrs. Charles Lore of Benton Harbor.

GIVES TOYS TO FLOOD VICTIMS

Luke Lamberts, 321 West 15th St., a kindergarten pupil, was the first to deliver toys to the city hall for the children of the flood sufferers in the South. The little boy was at the city hall with a number of his toys early Saturday morning. He was waiting when the Red Cross office opened and he made it plain that he wanted unfortunate children in the South to have some of his toys.

Toys are being received at the city hall for these boys. Those wishing to donate are asked to do so soon.

Mr. and Mrs. Henry Hulsebos recently celebrated the fifty-fifth anniversary of their marriage, which was solemnized in 1872 in Virginia. Hulsebos came to this country in babyhood. They lived on the same farm in Dakota for 35 years and located here a few years ago, following retirement from active work.

GOVERNOR GREEN COMING TO FAIR TO SEE THE RACES

Governor Fred W. Green is coming to the Holland fair this summer. And moreover he is coming of his own accord, not because a committee had been after him or anything of that kind. He had his secretary write to officials of the fair intimating that the governor would be here, not as a governor but as a horse racing enthusiast. Mr. Green wants to see the races and so he is coming to Holland during the fair to be one of the spectators in the grandstand.

There is however a reason. The governor has three of his own horses entered in the races here and naturally he wants to see how fast his ponies can go. He believes they can capture the prize money and at any rate he is going to be here to encourage them and to root for them from the grandstand.

Mr. James Nibbelink, chairman of the committee on racing, received the following letter from the governor's secretary, telling about his honor's intention of attending the fair: "Please advise upon which days your different stakes will be raced. Mr. Green asked me to learn this information so that if possible he could arrange to see some of his horses started."

The announcement has made the officers of the fair more optimistic than ever about the success of this year's fair. The governor of the state would be a drawing card for the fair no matter how he was secured. But coming of his own accord because he has horses entered in the races, his visit will mean much to the institution. The fact that the governor entered his horses in the Holland races gives an idea of what he thinks of the calibre of the race card that is to be staged here. He takes great pride in his animals and would not enter them except in a place where they will have worthy opposition.

YOUNG PEOPLE ARE MARRIED

An informal wedding at the home of Mr. and Mrs. P. J. Trimpe, 130 W. 27th St., Thursday evening united in marriage Miss Marie Trimpe to Maurice Vander Haar, Rev. C. P. Dane officiating.

The bride wore a white satin dress trimmed with imported lace, with rhinestones and pearls. Her veil was fashioned about her head trimmed with pearls. She carried a shower bouquet of white roses and swansons. Her attendant, Miss Alice Boumann, wore a rose satin dress and carried a bouquet of carnations and sweet peas. Clarence De Waard attended the bridegroom. Helen Trimpe, as flower girl, wore a yellow dress and scattered pink sweetpeas. Delbert Vander Haar, who carried the rings in a white suit, wore a yellow suit. A double ring ceremony was used. Miss Carrie Trimpe of Grand Rapids, cousin of the bride, played the wedding march.

Following the service a reception was held in the literary club rooms for 150 guests. A social program was rendered, the first number being an old fashioned mock marriage, followed by a violin solo by James Trimpe, accompanied by Carrie Trimpe. A budget was read by Jake Van Dyke and two musical numbers were sung by Josephine Ayers, Catherine Dooelo, Alice Clark and Julia Speet, who were dressed in Dutch costumes. Mr. and Mrs. Otto P. Kramer, Mr. and Mrs. Dick Boer and E. D. Koppel have returned from a week's lake trip over Lake Huron and Lake Superior. The state bankers convention was held on the boat.

FARM WOMEN TO HOLD 2ND CAMP DURING LATE JULY

The second annual mothers' camp to be held in Ottawa county will assemble at the beautiful summer home of Mr. and Mrs. Frank Beaulen, known as "Peaceful Retreat," for four days beginning July 18 thru July 22.

Mrs. Ruth Morley, county demonstration agent who conducted the camp last year with much success, is now making arrangement which promise unusual interest and delight. Miss Clara M. Sutter, poultry expert for the Farmer's Wife, is to be one of the big attractions on the camp program. She is a woman with a vast experience and personal charm. A former home demonstration agent and poultry specialist at Ames, Ia. Poultry demonstrations will be given daily on feeding, killing and dressing for markets, disease control, culling and other topics which will be most interesting and educational for women interested in poultry.

One specialist from M. S. C. will attend the camp and give daily demonstrations. Some one will direct the physical exercises and give talks on music appreciation.

Mrs. Frank Beaulen a member of the county executive committee, is chairman of the camp arrangements. She is showing herself a most generous and public spirited person, with the interest of the rural women uppermost. Throwing open her home to the enterprise at a nominal cost to each woman, is a generosity that is much appreciated by the home demonstration agent and the women of the county. Mrs. Beaulen entertained the camp guests at a delightful afternoon at the time last year and with the prospect of spending the entire time at her beautiful home, reservations are coming in rapidly. Already about 40 women have signified their intention of attending.

Similar camps are held in many states and other counties in Michigan for the purpose of giving the busy rural women an opportunity for recreation and domestic education.

ZEELAND SENDS OUT ITS LARGEST CLASS

The thirty-third annual commencement exercises of Zeeland high school were held in the high school auditorium Wednesday evening.

The program included an address by Wynand Wichers of Holland, the valedictory by Walton Wells and the salutatory by Josephine DeHaan. Several medals and prizes were presented by M. Rogers, principal.

The class of 45 members is the largest to be graduated in the history of the school.

Henry Geertings, Sec'y

MOTORISTS BREAK TOO MANY FENCES AT W. OLIVE

The pavement on US-31 at West Olive crossing the Pere Marquette railway is being widened to 24 feet in an endeavor to keep the motorists from plunging into the fence at this point saving damage to cars, injuries to individuals and expense to the road commission.

This curve, which is rather sharp, has been the scene of innumerable minor accidents and the fence is continually in a state of damage or repair. The commission feel they are money ahead on the addition to the road as the expense of keeping the fence up has been considerable. Due to the fact that the view of the track is unusually clear there have been no serious accidents there.

PASSES AWAY SUNDAY NIGHT

Mrs. Simon Bos, a citizen of Holland for years, died Sunday evening at the age of 67 years at the home of Mr. and Mrs. Tim Smith, 353 College ave. The funeral was held on Wednesday afternoon at 2 P. M. at the home of Mr. and Mrs. Tim Smith, Rev. J. M. Martin, pastor of the Third Reformed church, officiating. Burial was in Pilgrim Home cemetery. Those who survive are her husband and three sisters, Mrs. John Hoek, Mrs. T. A. Smith, and Mrs. Albert Kraal.

ENDS WORK OF INSPECTION IN OTTAWA COUNTY

State inspector of weights and measures, John M. Daniels of Lansing, has completed the inspection of the heavy capacity scales of Ottawa County. At the request of Chief Van Ry wagon scales in Holland were inspected. Some of them were found to be inaccurate but the error was in favor of the public, not of the dealer.

The equipment used in testing the scales is unique in design. The work of inspection is made possible thru the efforts of Peter Dukeshere, director of the bureau of foods and standards, and L. P. Strong, chief of the division of weights and measures. It has been the experience of the department, said Mr. Daniels today, that very rarely does a scale owner show any disposition to resist inspection or fail to co-operate in the matter of making repairs and improvements. Dealers usually realize that it is a service which the state provides and prosecutions are almost never necessary.

The police department here does the routine inspecting of weights and measures and in the opinion of Mr. Daniels that work has been done as well as it can be done with the equipment at hand. The police department should be supplied with a larger number of test weights, said Mr. Daniels, so that better work could be done.

Former county clerk, Orrie J. Sluiter, gave an address before the Americanization society of Grand Rapids on "The Why of Naturalization." This was published by the Board of Education of Grand Rapids and they will undoubtedly use it in the public schools for reference. The little booklet is a comprehensive survey of naturalization and the laws pertaining to it.

Board of Education

Holland, Michigan, June 13, 1927

The Board of Education met in regular session and was called to order by the Vice President.

Members all present except Trustee Leenhouts.

Trustee Vander Hill opened with prayer.

The minutes of the previous meeting were read and approved.

The matter of building a fence on the East side of the Van Raalte Ave school was referred to the committee on Building and Grounds.

The committee on teachers recommended the following: Edith Rockwell, Frances Cornwall, Olga Gygler, Verda Hawkins, Martha Weingarth, Phyllis Judd, Edna Gillett, Gertrude Plaitz, Mary Dean, Irene Verhuist, Rhea Jackson, Eugene Heeter.

Moved by Trustee Wichers supported by Trustee Vander Hill that the report be adopted. Carried all members voting aye.

The committee on schools recommended that German be taken on again. That the salary of the nurse be increased \$200, 8 that Dr. Frances Howell be in charge of the physiotherapy of the crippled children two hours each day and be allowed \$20.00 for her services.

Moved by Trustee Mool supported by Trustee Miles that the report be adopted. Carried, all members voting aye.

The committee on Claims and Accounts reported favorably on the following bills:

Office supplies \$ 13.49
Telephone 32.89
Supt's Exp 73.38
Teachers' salary 13,857.09
Text books 121.88
Manual training 156.93
Fuel 40.41
Domestic science 133.87
Health 5.77
Library 20.87
Printing 243.47
Other instruction exp 53.31
Antions' supplies, power, it .. 662.56
Pupil 437.72
Other operating expense 131.03
Insurance 612.76
Interest 3,385.00
Washington school 19,295.91

Moved by Trustee Geertings supported by Trustee Miles that the report be adopted and orders drawn for the several amounts. Carried all members voting aye.

The committee on Buildings and Grounds recommended that the cost contract be awarded to Teerman & Van Dyke for Pochantes Mine Run at \$6.40 per ton. Moved by Trustee Miles supported by Trustee Vander Hill that the report be adopted. Carried.

Moved by Trustee Vander Hill supported by Trustee Geertings that the committee on Buildings & Grounds be authorized to make the necessary repairs. Carried.

Moved by Trustee Mool supported by Trustee Miles that the cost of the annual school election be held in the high school auditorium Wednesday evening July 6. Carried.

Trustees Mool and Vander Hill were appointed inspectors of the election. Board adjourned.

Henry Geertings, Sec'y

GRAND HAVEN FIRE TRUCK IS HIT DURING SUNDAY CALL

The Grand Haven fire truck was damaged Sunday about 2:30 p. m. as the department was going to a grass fire call at the corner of Columbus and Second streets.

The big truck was going down Second street when a Buick touring car coming from the west or Columbus hit the truck. The car was driven by Earl Collins, 123 Glade Av., Muskegon, who could have avoided the collision said the chief, if he had been a little quicker and turned. As it was the truck was not going very fast an dthe-collision was a light one. The fender and running board on the truck were smashed but it was not incapacitated and continued to run to the fire. The Buick had the front wheels damaged and the front axle bent.

OFFICERS ARE LOOKING UP SOUTH HAVEN MOTORIST

The occupants of the S. P. Putnam car were badly shaken and their car was wrecked on U. S. 81 near Saugatuck Wednesday night but were not seriously injured.

Mr. and Mrs. S. P. Putnam and two daughters, Miss Edna and Mrs. Hamilton, and a grandson were driving slowly on the Saugatuck road when a car driven by a lady crowded them off the highway into a ditch. When an attempt was made to get the car back to the highway the Putnam car jumped the interurban track at that point and rolled down an embankment on the other side.

A Holland driver who was near the scene of the accident noticed that the driver of the car who was the cause of the accident did not stop but made a getaway as quickly as possible. He followed the car and has secured the number, which is now in the possession of Chief Van Ry who will give the information to the Allegan county authorities.

HOLLAND MAN HEADS MICHIGAN ORDER OF EAGLES

Alumet, in the upper peninsula, is to receive the Fraternal Order of Eagles' convention in 1928. That city had a large delegation present at Muskegon and made a bid to make it the convention city.

Fourteen years ago the Eagles flew to Holland, but since a Holland man was chosen as head of the state organization this year no attempt was made in behalf of this city. No doubt some efforts will be put forth next year.

The state convention of Eagles as a rule brings a delegation of 1,000, not counting many visitors who come with the delegates.

William Wilson, worthy president of the Hollanderie of Eagles, was chosen president of the Michigan state assembly. Mr. Wilson has been an outstanding figure in this fraternal order and under his guidance the membership in Holland has grown tremendously.

The Hollanderie of Eagles today has a membership of 600. It owns its own building and has purchased a lot across from the Holland theater where a beautiful temple will be built in the course of a year or more. The convention at Muskegon was a great success. Besides the election of Mr. Wilson of Holland, who succeeded Harry Chandler of Jackson, the other following state officers were named: Secretary, Michael W. Ryan, Alpena (re-elected); treasurer, James T. Swift of Iron River (re-elected); trustees, William Hecher of Traverse City, Hugh Murchie of Hancock and Charles E. Hooley of Coldwater.

A resolution pledging unwavering support of the state aerio to the Volstead act was passed at the closing session.

William Lorenz, past president of Muskegon aerio, was elected vice-president of the state organization. The visiting delegates were loud in their praises of Muskegon hospitality. Mr. Wilson, the new president, in accepting the election of state president, also dwelt upon this fact and at the conclusion of his talk asked for the co-operation of every Eagle in the state for it is thru numbers that any constructive work can be done, he declared.

The past achievements of Michigan Eagles was brought out. The working men's compensation bill and old age pension are laws today fostered by the Eagles, and old age pension although not enacted into law is receiving the hearty support of every Eagle in the United States.

Holland sent a large delegation to the state convention at Muskegon, which closed Thursday night, and naturally they are elated over the fact that a Holland man had been so signally honored.

Work on the oval at Ottawa Beach will soon be started and it is hoped to have it completed by Oct. 1.

The Allegan Isaac Walton league has planted 30,000 bass fry this week in the county lakes.

Mr. and Mrs. Albert Lamberts and children, W. 17th St., are visiting with friends and relatives in Wisconsin for a few weeks.

The marriage of Miss G. Vander Hill and William Fitzgerald, No. 1 at the Coast Guard Station took place in Holland on Monday. They have not yet returned from their honeymoon.

Mrs. Case Koppelman and two children are making an extended visit with her parents, Mr. and Mrs. Lamberts, W. 19th St. and other relatives. Mr. Koppelman will join his family on July 15.

Mrs. Frank Wilson, 65, for many years a resident of Trowbridge township, Allegan county, died at the family home Monday. She is survived by the husband and two daughters, Mrs. Shirley Jones and Mrs. H. Myers. Funeral was held Wednesday with burial in Linsley cemetery.

Albert Widman was the only man signing the affidavit in the liquor case following the raid on the Smith residence farm, near Grand Haven, it developed yesterday. Clarence Over and John Osterhof of Perryburg were in the car but did not sign. The trio were released when the officers obtained information on which to proceed against the farm operators who sold the liquor.

ALLEGED ILLEGAL VOTES MAY STOP NEW SCHOOL PLAN

Four alleged illegal votes have thrown a monkey wrench on the project of erecting a new school on the Harrington Addition at Virginia Park, across from the Windmill oil station. The \$25,000 bond issue was voted on June 8, with a margin of three votes to spare. Now a petition has been presented to the board of education to rescind the action taken on that election, on the score that four votes were illegal and that hence the election was lost by one vote. It is the contention of those in favor of the project that there were illegal votes on both sides, brought about possibly through ignorance. They sight many instances where voters who voted against it had no right to cast their ballot for by doing so a similar legal technicality could have been brought up had conditions been reversed. It is charged that two of the voters had not lived in the district the required 90 days and that two are not taxpayers.

It seems likely that another election will be held soon when the question of whether or not to rescind the election of June 8 will be decided by the people of the district. It is said this election will probably be held on July 6th at the polling booth at Central Park. If the June 8 election is rescinded, the issue will be where it was at the beginning. Then another election will be necessary before a school can be built.

It is agreed by practically all factions in the district that more school rooms is needed in the district. There is one faction, however, that wants to build a new school on the Harrington addition at Virginia Park. Mr. Harrington a year ago donated a site for this free of charge, and the offer holding good a year and a half. This offer will expire in six months. The amount of this donation approximating about \$3400.

Another faction wants a centralized school. The district at present has three schools. The advocates of a centralized school want to tear down two old schools, build a modern school at a central location and transport children by auto who live too far from the central school. They want to erect a five-room building, constructed in such a way that more rooms can be added later on the unit plan.

About a half a dozen elections on the question of a new school have already been held in the district and more seem to be in prospect.

Mrs. John Vande Wege states that it was three years ago that her son Joe, age 14 at that time, left home and although one letter has been received in which he states that he was working on a Mississippi River boat, no more information has come to her, and she is longing for her son's return if he is still alive.

K. B. Olson, street contractor who is spending most of his time in Holland, making this city a paved city, is said to have a big surprise in store for the American Legion boys and the patrons of the 4th of July celebration at the fair grounds Monday. What it is will not be revealed until that time.

Next Sunday evening there will be a patriotic service in Trinity Reformed church. The pastor, Rev. C. P. Dame, will preach a sermon on the subject, "My Country." The Trinity's well known men's quartette, composed of Messrs Elmer Schepers, Morris Schepers, B. Kammeraad, Joe Kramer will sing patriotic songs. The Boy Scouts, under the direction of scoutmaster Faskerly, will usher. A cordial invitation is extended to everyone.

Prof. Thos. E. Welmers of Hope college will have charge of the services at the Central Park Reformed church Sunday morning. The subject of Mr. Welmer's sermon will be "Liberty, Cleanliness and Obligations" at the evening services the pastor, Rev. F. J. Van Dyke will speak on the theme, "Unattained Ideals." There will be appropriate music at both services, with Miss Hazel Lokker at the new pipe organ.

The Grand Rapids Herald tells of a great event that took place at Wyoming park where a derby was staged and where an audience of 500 saw the "hot wheels." A wee Miss, Violet Finner, by name, who is only 8 years old, executed a fine running race, her steed coming in ahead. Directly behind her nearly neck and neck came the horse ridden by Harris Gezon a lad of 12. Miss Heneveld is well known in this city, having many friends and relatives living here. As a horseback rider the little girl is an adept.

NORTH HOLLAND

Several women and some men of the congregation of our local church, gathered together on last week Wednesday morning at the church to give it a good house cleaning, which proved to be a success as some men who had not been present to help remarked about the floors being so nice and clean.

Miss Angeline Vinkemulder who has been employed in Grand Rapids for the past months has returned to the home of her parents, Mr. and Mrs. Harry Vinkemulder at Crisp, where she intends to remain for the summer months.

Mr. and Mrs. Kass. Weener and family moved their household goods to their home at this place from Holland. Some changes have been made to their home and although not yet entirely completed they were able to move in on last week Wednesday.

Mr. and Mrs. Cornie Plaggenmaars from Grand Haven have been assisting their parents in moving and repairing.

Mrs. R. Knooihuizen had a guest at her home, her sister, Mrs. Mulder and children from Coopersville who also attended the services here on Sunday afternoon.

Bert Bazaan, who moved to this place this spring, has been making considerable changes on his farm as his barn has been reshingled, a new garage and brooder house has been erected, and the house has been given a snow white color, which having a high situation can be seen for quite a distance.

The farm house formerly occupied by the late Mr. and Mrs. Bert Knooihuizen has been rented to Mr. and Mrs. Dick Dams Jr., who expect to move into their new place some time this week. Mr. and Mrs. Dams have been living in a house on the Brower farm located 1 mile west and one fourth mile north from here.

The C. E. society on last week Sunday evening was led by Miss Agnes Tyse, daughter of Rev. and Mrs. J. Tyse from Holland, a former pastor of our local church.

Peter Nienhuis, oldest son of Mr. and Mrs. Harm P. Nienhuis, and Miss Bertha Smith, daughter of Mr. and Mrs. Peter Smith, both young people from this place were united in marriage last week Thursday, the ceremony being performed by our local pastor, Rev. A. Maatman. After a wedding trip to Chicago and

different points of interest they will spend two weeks with them there.

Rev. and Mrs. J. Zeuw of Kalamazoo spent a few days at Zeeland at the home of Mrs. Zeuw's mother, Mrs. J. Janssen. Geneva Janssen accompanied them on their return.

Frank Boonstra of Zeeland has returned to Chicago to resume his studies at Rush Medical college.

Mr. and Mrs. Samuel De Pree are ill with Scarlet Fever. They are being cared for at the home of Mrs. De Pree's parents, Mr. and Mrs. Tanis, on Lincoln street, Zeeland. Mr. De Pree submitted to an operation for the removal of adenoids and tonsils, and a growth in his nose last Tuesday at Grand Rapids, after which he was taken with scarlet fever.

The Zeeland public will please remember that the library will be open but two days a week from June 27th to September. The hours are from 1:30 p. m. to 4:30 p. m. and from 7:00 to 8:00 p. m. on Tuesdays and Fridays.

Gerrit F. Hulzenga was operated on for the removal of his tonsils at Holland hospital.

Miss June Streur from Virginia Park has been visiting with her grandparents, Mr. and Mrs. H. Huxtable.

Mr. and Mrs. Lee Cummings from Holland called on Mr. and Mrs. John Visch Monday—Zeeland Record.

What might have proven a fatal accident befell Lambertus Scherpenisse of Zeeland recently but he proved fortunate by escaping with a few severe bruises only. The accident occurred in the evening when he was returning home from his work in the factory, riding his bicycle, at the State street crossing. At that time of day there is usually considerable traffic at that point, and in turning from North State street onto Main street he was intent on the eastbound traffic so that he failed to notice a car coming from the east, which was driven by two young men from Holland. The car struck both Mr. Scherpenisse and his bicycle to the pavement, where Mr. Scherpenisse was picked up unconscious. He was taken to his home on South Maple street, and soon regained consciousness, where it was found his injuries were limited to severe bruises on the face and body. He recovered quite rapidly so that he was able to perform his duties again the first of this week.

EAST CRISP

About forty relatives and friends gathered at the home of Mrs. Mary Lieveense in the form of a surprise. An enjoyable weenie roast was held on the lawn.

Mr. and Mrs. Leonard Veldheer motored to Grand Rapids Sunday, when they called on their son John who was in the Bioggett hospital in that city. Mr. Charles Prins returned from Ann Arbor Saturday where he had taken his son Gordon, who has been in ill health for some time.

Mr. and Mrs. Walter Meeuwse and baby of Grand Haven called on their sister, Mrs. L. Bakker, recently.

Those who received their eighth grade diplomas last week were Alyda Nienhuis, Estelle Stegenga, Mildred Branden, Clna Veldheer, James and Marvin Mulder, Elmer Lieveense, Henry Bowman, Clarence Weener and Eldert Nienhuis.

For the coming school term Miss Anne Boonstra will again have charge of the primary grades while Mr. Roy Huyser will teach the upper grades.

Mr. and Mrs. Martin Van Westenbrugge and Misses Mary Lieveense and Jennie Meeuwse of Grand Rapids called on Mrs. Mary Lieveense on last Friday evening.

The eighth graders had their class picture taken by McDermant in Zeeland Tuesday.

DRENTHE

It's never too late to start something new. The first "all school" picnic of the Zeeland school for Christian instruction was held on Wednesday, June 15th, at Doorn's Woods at Drenthe. The teachers had decided that this type of picnic would be worth trying out so with the consent of the board, they enlisted the aid of the "Hannah Society" who was willing to take charge of the canteen.

Flora Flocks left the school building at 1:15 for the trip around the Rev. J. De Haan of Holland gave an address to the older folks, while the children spent their energies in sports that had been arranged by the teachers. Prizes were won by Geert Meeuwse, James Wildschut, Cleo Huizenga, Florens Faldyk, Sadie Pectma, Frank Van Netten, Thelma Sneller, Evelyn Dykstra, Clara Gebber, van Kouw, Harold Hoezee, Clifford Markus, Henrietta Goorman, and Harriet Waldyk.

The event proved very acceptable and will undoubtedly be repeated, so it is becoming an annual event is almost assured.

ZEELAND NEWS

Mr. and Mrs. Ed Streur from Holland and Mrs. J. Baker and children from Ottawa Beach were visitors with Mr. and Mrs. F. Hulzenga recently.

Mr. A. Marchi of Detroit, spent last week Saturday as a visitor of Mr. and Mrs. Herman Krommendyk of Zeeland.

Mrs. Alyda Ringewold and sons Lyle Allan and Warren Olsen of Holland, spent Friday as a visitor of her parents Mr. and Mrs. Herman Krommendyk of Zeeland.

Miss Beulah Raak of Grand Rapids was a guest of her parents, Mr. and Mrs. Ed Raak and family at Zeeland.

Miss Cretora Leach and Miss Margery Newman of Pennville spent Saturday as visitors of their friend, Miss Connie Mae Krommendyk at Zeeland.

C. A. Darling of Long Beach, California, called on Dr. and Mrs. John Van Kley, Zeeland. Mr. Darling was an old class mate of Dr. Van Kley while attending the school for instruction here.

Miss Dorothy Corwin of St. Pleasant has accepted a position at Mead, Johnson & Company for the summer months.

Miss Elizabeth Karsten, daughter of Mr. and Mrs. H. P. Karsten of East Main street, submitted to an operation for the removal of her tonsils Friday.

Mr. Gerrit Lokers left on a two-weeks visit with his relatives at Houghton Lake, Michigan.

Born, to Mr. and Mrs. Albert Marlink, Zeeland, a son.

Mrs. Gertrude Alsum and her grandson, Nicholas Wagner, left for Imlay City, where Mrs. Alsum is spending a week with her son, Ralph Wagner, and also her daughter, Mrs. R. Vander Ploeg and family. Nicholas Wagner has been attending the school for Christian instruction here the past year and will now remain with his parents.

Fred Boema, residing on North State street, submitted to an operation for appendicitis at the Emergency Ward. A miscellaneous shower was given for Miss Nella Nykamp, Thursday evening, by the Misses Sena and Anna Telgenhof at their home on South Church street. Nella was quite surprised to find that a clothes basket might contain something besides a family washing. After the bundles had been opened and the presents carefully inspected the evening was given to games. The guests present were: Elizabeth Bouwman, Louise De Kline, Sue Lamer, Margaret Gerritsen, Florence Mimmerhuizen, Henrietta Nykamp, Lenora Nykamp, Johanna Shoemaker, Elizabeth Staal, Cornelia Telgenhof, Talida Van Loo, Katy Van Harri, and Henrietta Develde.

Miss Myrtle De Vries of Zeeland, who has been an instructor in Science in the high school at East St. Louis, left for Madison, Wisconsin, to take summer course. She will resume her duties in East St. Louis the coming fall.

The Misses Agnes Mulder, Jeannette Scholten, Henrietta Gebben, Katie Van Harri and Anthony Mulder took a hike to Vriesland, where they were guests of Mrs. Nelson Wyngarden Wednesday afternoon.

Mrs. Delia Vanden Berg of Zeeland accompanied Mr. and Mrs. Wm DeKruif

on their return to Leveering, and will spend two weeks with them there.

Rev. and Mrs. J. Zeuw of Kalamazoo spent a few days at Zeeland at the home of Mrs. Zeuw's mother, Mrs. J. Janssen. Geneva Janssen accompanied them on their return.

Frank Boonstra of Zeeland has returned to Chicago to resume his studies at Rush Medical college.

Mr. and Mrs. Samuel De Pree are ill with Scarlet Fever. They are being cared for at the home of Mrs. De Pree's parents, Mr. and Mrs. Tanis, on Lincoln street, Zeeland. Mr. De Pree submitted to an operation for the removal of adenoids and tonsils, and a growth in his nose last Tuesday at Grand Rapids, after which he was taken with scarlet fever.

The Zeeland public will please remember that the library will be open but two days a week from June 27th to September. The hours are from 1:30 p. m. to 4:30 p. m. and from 7:00 to 8:00 p. m. on Tuesdays and Fridays.

Gerrit F. Hulzenga was operated on for the removal of his tonsils at Holland hospital.

Miss June Streur from Virginia Park has been visiting with her grandparents, Mr. and Mrs. H. Huxtable.

Mr. and Mrs. Lee Cummings from Holland called on Mr. and Mrs. John Visch Monday—Zeeland Record.

What might have proven a fatal accident befell Lambertus Scherpenisse of Zeeland recently but he proved fortunate by escaping with a few severe bruises only. The accident occurred in the evening when he was returning home from his work in the factory, riding his bicycle, at the State street crossing. At that time of day there is usually considerable traffic at that point, and in turning from North State street onto Main street he was intent on the eastbound traffic so that he failed to notice a car coming from the east, which was driven by two young men from Holland. The car struck both Mr. Scherpenisse and his bicycle to the pavement, where Mr. Scherpenisse was picked up unconscious. He was taken to his home on South Maple street, and soon regained consciousness, where it was found his injuries were limited to severe bruises on the face and body. He recovered quite rapidly so that he was able to perform his duties again the first of this week.

HAMILTON

Mr. and Mrs. Lee Slotman left last week in their Ford coupe for an extended visit with relatives at Midland, Ontario.

Mr. and Mrs. C. A. Rose of Grand Rapids were Hamilton visitors last Sunday to renew old acquaintances. Mr. Rose formerly owned the north end store. Mrs. Rose will remain in Hamilton for a while to assist in the Slotman store.

Mrs. A. Koechele passed away last week Friday after a week's illness. The funeral services were held last Monday at the First Reformed church. The services at the home were in charge of Rev. H. Potter of whose church Mrs. Koechele was a faithful and active member. At the church Rev. J. A. Roggen read the scripture, Rev. H. Potter led in prayer and Rev. Ruth, the pastor of Mr. Koechele, delivered the sermon. A very large number of relatives and friends attended the services. The burial took place in Middleville. Gertrude Voorhorst Koechele was born at Overisel, Michigan, on March 25, 1903, and departed this life at her home at Hamilton on June 24, 1927, at the age of 24 years, 2 months and 29 days. At the age of fourteen she was united with the American Reformed church of Hamilton of which she was

an active member until her death. After her primary education she attended Hope College and later graduated from the Western State Normal school. On May 16, 1925 she was united in marriage with Arthur A. Koechele to which union two children were born, Lloyd Edward and Margaret Anne. She was a kind and loving mother and a devoted wife. She leaves to mourn her loss a husband, two children, a mother, four sisters, two brothers and a host of other relatives and friends. The bereaved families are assured of the sympathy of the community in this sudden and severe bereavement.

The quarterly meeting of the teachers and officers of the Sunday school of the First Reformed church was held last Friday evening at the home of Mr. and Mrs. H. D. Strabbing. Rev. A. H. Strabbing of Holland gave a very interesting address on "The Boy," stressing the ways in which the school can help the boy and also the ways in which the boy can help the school. It was decided to hold the annual picnic on Thursday, July 14, at the Allegan County Park. Two important committees were also appointed. One to take steps in securing a school library and the other to organize another Adult Bible Class. The reports showed that the school is in a prosperous condition and that, if this continues, the church will be compelled to secure more room. After the business session a social hour was spent.

The celery season has opened. The recent rain has put the muck soil in ideal shape and the farmers are hustling to take advantage of it. A great deal of interest has been aroused in the community by a new planter put out by Louis Pol, one of the local farmers. This machine is a real planter, but feels that the new invention is a long step forward and will greatly aid the farmers in the work which is one of the hardest tasks of the celery farmers. Last fall and winter Hamilton took top price throughout the season and the men are determined to repeat. A large acreage is being put in and conditions are better than a year ago.

The Young Peoples Bible Class of the First Church held a social on the church lawn last week Thursday evening. About sixty young people were present and enjoyed themselves. The class with an enrollment of 72 has finished another year of faithful work and this social was given in appreciation of the work which they had done.

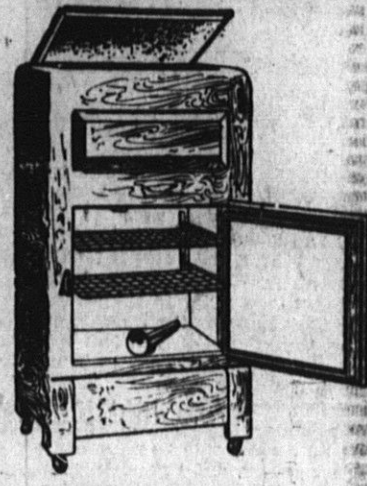

Communion services were held in the local church last Sunday. Five new members were received at the First church, two coming on confession and three by letter from other churches.

The male quartet of East Holland will sing at the First Reformed church next Sunday afternoon. The pastor will preach on "Christ's View of the Christian Life."

The girls of the 8th and 10th grades of the local school staged a real surprise on Ella Roggen Tuesday afternoon (the occasion being her 15th birthday). Several contests and other games were played under the direction of Miss Helen Kuite, after which the guests did full justice to the refreshments, a 2-course luncheon served at 4 o'clock. Many pretty and useful gifts were received.

Get That Refrigerator Now

We have a good assortment to choose from and the woman who wants an especially good ice-box at an especially low price will find here just what she wants and save her many dollars as well.

Leonard and Ranney Refrigerators

\$16.00 and up

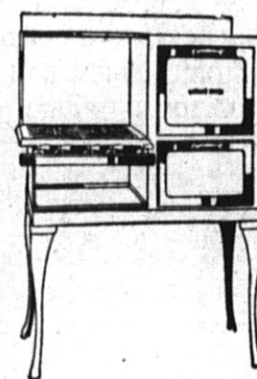

We Have Just Taken the Agency For The

General Electric Refrigerators

which are operated electrically at a very small expense. They never need oiling or attention of any kind nor special wiring. Just connect it to any electric light socket and it goes to work. The expense is nominal. We will be glad to demonstrate.

Radiant Home Gas Ranges

The ideal summer cooking range. They are full white porcelain finish. No hinges or rivets in sight to interfere with cleaning. The oven bottoms are cast iron and will always stay level and never rust out. There is a removable lid in the oven bottom which makes an extra place for a cooking utensil. The ovens are well ventilated with fresh air.

These are the Radiant Home Gas Ranges whose beauty of design and economy in fuel make them doubly a saving at the price of \$58.50.

Chicago

calls you for the JULY week-end

FRIDAY 1
SATURDAY 2
SUNDAY 3
MONDAY 4

SPEND your holiday in Chicago—the vacation metropolis of the middle west! Go by Shore Line Motor Coach, luxurious, swift, and comfortable, direct to the heart of the Loop.

Increased Service offers frequent schedules. Six new parlor-observation coaches added to large fleet now in daily operation. Extra coaches over holidays.

Save an Hour between Michigan City and Chicago. Transfer to South Shore Line at Michigan City—direct connection. Optional privilege to motor coach passengers; no extra fare.

July 4th Features in Chicago

Independence Day celebrations in Humboldt and Washington Park, also at all small parks. Parades, games, night fireworks.

Amusement parks and municipal bathing beaches open.

Day-trip—Chicago Cuts vs. St. Louis, Sat., Sun., July 2-3; vs. Cincinnati, Mon., July 4 (double-header).

Festivities in parks; tennis, boating.

Amusements, picnics, boating in Municipal Pier, Moonlight boat rides. Dancing.

Visit the Field Museum, Lincoln Park Zoo, Garfield Park Observatory, World's Fair Grounds, big new theaters and movies.

Rapid transit "L" trains take you everywhere in the city.

MACATAWA WILL COME BACK SAY THE PARK OWNERS

An enthusiastic meeting of the cottage owners at Macatawa Park and members of the Macatawa Resort company was held in the Hotel Macatawa ball room Friday evening, about 75 being present. As a result of this meeting and the plans laid there for future progress, the pessimism that has been noticeable at the resort has turned into optimism. It is confidently believed by those who attended the meeting that Macatawa will come back much more quickly than had been expected.

The suggestions discussed were: adoption of a rule that only fireproof shingles be used in the future at the resort; discontinuance of the use of 500 narrow lots for building cottages and thus avoiding congestion; the adoption of a rule to use fire screens over the chimneys; the purchase of a good deal more fire hose for the protection of the cottages; the construction of enough fire hydrants to protect the resort; the clearing up of all the present debris left by the recent fires; the construction of an adequate bus line entrance to the park; the adoption of a policy whereby the park residents will patronize the concessions at the resort.

The meeting was opened with a talk by Swan A. Miller, president of the Macatawa Resort company, in which he outlined the needs of the resort and stated the purpose of the meeting. Mr. N. Glassbrook, president of the Cottage Owners association, presided.

After a thorough discussion had been engaged in, many of those present taking part, a general committee was appointed whose business it will be to devise ways and means of carrying out the suggestions made. This committee is composed of Mr. Busche, John Gronberg, George Walker, and N. Glassbrook. That body will draw up rules and regulations, embodying the suggestions made and report back to the cottage owners at a meeting probably to be held the first Thursday in July.

It was pointed out at the meeting that the destruction of the natural beauty of the park has been greatly exaggerated. Macatawa is still one of the beauty spots of western Michigan and it seems certain that in a few years it will be more beautiful than ever. Two new cottages have already been begun, two more will be begun next week and several will be erected in the near future. By next fall there will be quite a few new cottages up, it was predicted at the meeting.

MORE SHARP CURVES TO BE TAKEN OUT OF PIKE

The Ottawa County road commission has made arrangements to straighten out the curves in US-31 at Ferrysburg where there are four sharp curves within a quarter of a mile.

Shortly the Muskegon road commission will have the curves at Muskegon Heights on the same highway straightened out. There are two sharp curves within two blocks at the approach to the Heights, and the country highway commission is now conferring with the state authorities to have this condition changed. This means that the curves at Mona Lake hill and also near Muskegon Heights will be straightened out, making travel over the pike less dangerous.

WORK RUSHED ON GRADE SEPARATION NEAR FERRYSBURG

Work on the approaches of the grade separation of the relocation of U. S.-31 at Ferrysburg is being rushed and it is announced that more than 20,000 yards of the 40,000 yards required to make the fills have been placed. Scores of trucks, steam shovels and gasoline locomotives are at work.

G. P. Schnar, of Muskegon, has the contract for the work and he expects to have the fills made in record time so that it will be possible to finish the entire project long before Nov. 1, the specified time.

Operations at the scene are attracting much attention although at present it is off the trunk line highway. A three inch water main pours water on the fill night and day to aid in settling the freshly drawn sand. The water is being poured on the sand so that it will be possible to start work of paving the approaches to the grade separation shortly after the fills are made.

The overhead structure was completed last year, although the forms were started on the fill. The overhead is 28 feet in height and the approaches must be built to this level. The viaduct is 27 feet in width and will allow for four tracks underneath. The construction is reinforced concrete.

The grade separation and relocation will eliminate railroad crossings and several sharp turns in Ferrysburg. The new route will come straight through Ferrysburg and then the highway will curve over to meet U. S.-31 about one-half mile this side of the village.

The viaduct was built by Marshall & Son of Lowell at a cost of \$69,000 and Mr. Schnar will give the contract for the approaches at a price of \$36,000. The Ottawa county road commission will construct the concrete approaches.

BEECHWOOD SCHOOL HAS MUSIC MEMORY CONTEST

Beechwood school has decided the winners in the music memory contest and the prizes have now been given. Miss Barbara Evans, daughter of Professor and Mrs. Robert Evans, received the first prize for girls, and Clifford Plakke received the first prize for boys, \$2.00 each.

Miss Emily Hope won the second prize of \$1.00. The contest embraced the 5th, 6th and 7th grades, and there were 22 contestants.

NEW TRAFFIC LIGHT IN OPERATION NOW

A new traffic light went into operation Saturday forenoon. It is located at the corner of Seventh and Central. Three other traffic lights are to go into operation in a few days. They are at 9th and River, 17th and River, and 16th and Central.

SUMMER TOURISTS COME TO SAUGATUCK DESPITE THE COLD

June has been a shivery month, yet there have been plenty of signs of summer at Saugatuck.

One of them is the girl swimmers who brave the Kalamazoo, en route to Lake Michigan and its beach. Miss Agnes Bergland was the first swimmer to try the new pool, just opened on the edge of the town.

Fishers report pike fishing the best it has been in years, most of them catching their limit in a short time.

YEGGMEN MAKE CLEAN SWEEP AT COOPERSVILLE

Yeggmens broke into four places in Coopersville at about 2:30 a. m. on Friday, getting a haul of over \$100. They drove up about 2:00 a. m. on Friday, getting a haul of over \$100. They drove up about 2:00 a. m. on Friday, getting a haul of over \$100.

A man living near the Zeet garage heard what he thought was a Ford drive up about 2:00 a. m. on Friday. He saw two men walk over to the garage but paid no further attention to them. This is the only clue the police have as there were no fingerprints or any trails that would give a hint as to who they were or in what direction they went.

Zeet's garage on Church street was entered through a window, the cash register broken and \$12.40 and a 32 Iver-Johnson revolver, registered in Grand Rapids under the name of Sam Peterson, were taken.

Flour mill was entered through a window but nothing was found there. Another stop was made at Grand Trunk station which was entered much in the same way and \$12 in surcharged stamps were taken.

The Poelstra Motor Sales Co., was the big job. The safe was blown with "burglar soup" nitro glycerine, and \$150 and \$20 in checks. Some of the money was taken from the cash register which was ruined.

The officers were called when the damage was discovered. Sheriff Kammerbeek is satisfied it is the work of experienced yeggmens but no traces are left that night to yield to their capture.

BOAT RIDE INTO LAKE MICHIGAN LEGION FEATURE

The members of the American Legion Monday added another feature to their Fourth of July celebration, something they had hoped for the start to put on but for which arrangements could not be made definitely until Monday. This will be a boat ride on the Goodrich Line steamer "City of Holland" into Lake Michigan, for a two hour cruise.

The Legion committee planned this as one of their features at the very start but at first it seemed impossible to secure the boat. J. A. Johnson, of the boat line kept trying to make arrangements with his company for the use of the vessel and he has finally succeeded. As a result the definite announcement was made Monday.

The boat ride will be an attraction that is added to the features at the fair grounds. It was announced that those who take advantage of the opportunity for a cool cruise will not miss any of the doing at the fair grounds. Whatever is done in the entertainment there during the boat ride will be repeated in the afternoon. The boat will leave the Holland dock at nine o'clock in the morning. The trip into Lake Michigan will take two hours and the passengers will be put back on the Holland dock at eleven, in plenty of time to visit the fair grounds for the afternoon's program of horse races, airplane demonstrations and other features.

The Holland high school band will furnish music on the boat and will also parade the streets before the boat leaves. Seventeen clever girl entertainers from Chicago will give a program of songs and stunts during the cruise.

The boat ride has been provided to give the people of Holland and visitors to Holland an opportunity to spend the forenoon in a cool and pleasant way.

DRIVE BEGINS TO SIGN UP FLOCKS

Prospects are bright for a permanent organization of the proposed Ottawa Poultry and Egg Producers association with tentative headquarters at Zeeland.

Maurice Luideus of Crisp, president of the temporary organization, announced Monday the information campaign had been completed and that a drive had been started to secure contracts for at least 100,000 hens. Close to 20,000 hens already have been contracted by poultrymen.

The information drive covered 12 townships in Ottawa and Allegan counties and about 37 meetings were held, at which R. V. Gunn of Michigan State College was one of the speakers. The association will foster the grading of eggs and securing better markets.

Judge Holds Bolhuis Company Did Not Prove Its Charges In Case Against Its Business Competitor

Today Judge John Vander Werp of Muskegon, who presided over the \$88,000 damage suit brought recently in the Ottawa County circuit court by the Bolhuis Lumber & Manufacturing Co. against Frank Essenberg and others, rendered a verdict that amounts to no cause for action and is a victory for the Essenberg interests.

The charges were conspiracy, theft of building plans, hiring away labor, and other allegations. The suit lasted for more than a week, and then Judge Vander Werp, who presided in the place of Judge Cross, took the case under advisement. He has now handed down his decision. The decision covers 20 typewritten pages. In substance Judge Vander Werp says that if the charges made by the Bolhuis company had been established by the preponderance of evidence, the relief asked for by the complainants, namely the Bolhuis company, would have been granted, but Judge Vander Werp holds that after hearing 37 witnesses in the trial, which consumed six days of taking testimony, he was not convinced that the claims made by the Bolhuis company had been established. In other words, the Bolhuis Lumber & Manufacturing company did not prove their case, according to the decision.

The main points in the decision are: The taking away of men; the stealing of plans; the neglect of work, while still employed with the Bolhuis company; the taking of contracts for a competitive concern while still employed at the Bolhuis company; the endeavor thru conspiracy to wreck the Bolhuis company. These appear to be the outstanding features in the case.

In rendering his decision Judge Vander Werp first sums up all the charges made by the Bolhuis company, which were published as the case progressed. Relative to conspiracy the judge says:

"There is testimony in this case that the business of the plaintiff company fell off in and about the city of Holland in the fall of 1925, and the early winter following, but it also appears that in the fall of 1925 is a falling off of building operations. There is no evidence that satisfies me that this condition was due to any act of the defendants, or any of them."

"The bill charges a conspiracy by and between the defendants to injure the plaintiff, that they alienated the plaintiff's employees, made false statements regarding the ability of plaintiff's president, Frank Bolhuis, and caused gossip regarding the same; that the salaries of the defendants during previous years had been paid to them not only for their services, but also in order that they might be trained in the work of the plaintiff; that they did not work for the interests of the plaintiff, but against the plaintiff's interest, devoting their time to wrecking plaintiff's business, circulating among prospective customers, advising them to wait with the letting of their contracts therefor until they could open up a business for themselves; that they were successful in this regard and plaintiff lost many contracts that it otherwise would have obtained; that the individual defendants circulated stories among carpenters in plaintiff's employ causing large waste of material and delay in fulfilling contracts; that men left the employ of the plaintiff for the reason of the efforts of the defendants; that the defendants carried away certain property, plans and other documents belonging to the plaintiff; that in order to induce plaintiff's men to leave its employment they offered them exorbitant wages and salaries thereby inducing them to leave plaintiff's employment; that the plaintiff lost large profits for reason of certain contracts which the defendant corporation received and obtained after it was organized, which contracts could have been let to the plaintiff had it not been for the individual defendant's interference while still in plaintiff's employ."

"If the defendants conspired together to wreck the plaintiff's business by circulating false and derogatory stories regarding it and its business its officers and men, and regarding its large over-head and other expenses; that its president would not be able to carry on the business if the defendant, Frank Essenberg, left its employ and if defendant, during the time they were in the employ of plaintiff, in furtherance of such conspiracy had in contemplation of organizing of a company, to do similar work and induced, while in plaintiff's employ, prospective customers to refrain from entering into contracts with plaintiff and plaintiff and to wait until defendant's company was organized and to do their business with defendant's company that if, after inducing several prospective customers (such customers, it is claimed were Doctor Koole, Mr. Schurman, Mr. Weststrate, Mr. Harrington and Mr. Albers) to refrain from building or contracting to build while defendants were in the employ and drawing salaries from the plaintiff, and thereafter when defendants had organized their company in competition with the plaintiff, obtained their contracts for houses and built the same for them, and did some of the other acts complained of in the bill of complaint, then I am of the opinion, that, although it might be difficult to determine what, in such case, should be the measure of damages. In other words, if the plaintiff has made out its case by a preponderance of the evidence as it has detailed in the bill of complaint, that the facts are then the defendants have conspired together unlawfully to injure and damage the plaintiff, and plaintiff would be entitled to a decree."

"I have fully considered the evidence submitted, thirty-seven witnesses having been sworn and much documentary evidence having been introduced, and I cannot hold that plaintiff had proven its case as set out in the bill of complaint. I am convinced it is not entitled to a decree."

"I find also that at the time the defendant, Essenberg's resignation was sent in and acted upon he had not taken any action toward organizing a rival company or going into the contracting business independently, or otherwise."

(Continued on East Page)

FATHER AND DAUGHTER BURNED AS GASOLINE IN CARBURETOR EXPLODES

Albert Welch, 34 and his daughter, Betty, 4, of Muskegon, were seriously burned about the face and bodies in an explosion in the automobile in which Welch was working at his home, 782 Sanford-st., Muskegon Heights. Welch was taken to Mercy hospital and the girl to Hackley.

According to Fire Chief Carl Holland, gasoline in the carburetor exploded, sending a sheet of flame back to where Welch and his daughter were standing. Lee's ambulance was called after men from the fire department had extinguished the flames. T. J. Pedler took the girl to the hospital.

AUTO ACCIDENT RESULTS IN DEATH OF MRS. FLEMING

The death of Mrs. D. H. Fleming, of Oklahoma City occurred Friday in Holland hospital where she was confined after the accident that took place at the intersection of the Alpena road and US-31.

Mrs. Fleming, it was found, sustained internal injuries which resulted in her death. The body was taken to the Dykstra undertaking parlors and was shipped to Oklahoma City Saturday.

The Flemings were on their way to their summer home in Ludington when the accident occurred.

Mr. Vander Water and Deputy Sheriff Egbert Beekman have started an investigation as to the cause of the wreck and what develops will have a bearing on whether an inquest will be called or not.

MUSKEGON CHURCH TO INSTALL PASTOR

Dr. H. J. Veldman, of Detroit, formerly of Holland, will be installed pastor of the Second Reformed church, of Muskegon, on Thursday evening, June 30.

The installation sermon will be given by Dr. John E. Kulzenga of Holland, professor of Systematic Theology at Western Theological Seminary.

WALSH TO BUILD NEW STORE ON E. EIGHTH STREET

There is one man in Holland who really and truly believes in his city; since he was a young boy he has always had the greatest faith in it, that man is Walter C. Walsh, son of the late Heber Walsh, the pioneer druggist in this city.

That Mr. Walsh has faith in Holland is evident from the fact that he owns 16 store buildings on 8th street. The latest one purchased was the Meeboer building on the corner of College Ave. and 8th street.

Mr. Walsh does not own an acre of ground outside of Holland. He states that others may buy Florida land and speculate in Detroit or other coming cities but there are plenty of very fine opportunities right in our home city, right under our very eyes, and he has backed up his contention with hard cash, buying Holland real estate with it and is hanging on to it.

Mr. Walsh's latest project is the erection of a three story building on the north side of 8th street near College Ave. on the old site of the Lyceum opera house.

This old playhouse burned some twenty years ago. It was the meeting place of all political gatherings and staged many "barn storming" shows. The building was the new mercantile building will start immediately after July 4, and some of the building material is already on the ground. The new structure will be built with a Keweenaw front finished in copper with prison glass effect. The two stores will be for a retail business of some kind and the second and third floors will be converted into office rooms.

The building will have the latest lighting arrangements and all up-to-date fixtures. It is expected when the building is completed it will not cost less than \$25,000.

Mr. Walsh has made arrangements with contractor Postma to handle this work.

Y. W. FROM FIVE STATES ASSEMBLE AT SAUGATUCK

At Camp Gray Foreward Movement park, Saugatuck, 500 Y. W. C. A. members from Ohio, Wisconsin, Illinois, Iowa, Indiana and Kentucky will be entertained this week. This is the first group to come this season.

Different groups of 400 and 500 will occupy Camp Gray during the summer.

LOCAL GIRL MARRIED TO GRAND HAVEN MAN

Miss Annetta Zee and Mr. Russell Vermulden of Grand Haven were quietly married at the parsonage of Rev. J. H. Bruggers Saturday evening at 8 P. M. Miss Zee was an employee of the Pris Book store and the groom is employed in Grand Haven. After a honeymoon trip the young couple will make their home in Grand Haven.

Mrs. Henry Blauwkamp of Zeeland submitted to a second operation at the Holland hospital.

MAN KILLED AT DANGEROUS RAILROAD CROSSING

Ottis A. Flager of Grand Rapids, a prominent lumberman, was killed Sunday afternoon when a Pere Marquette train ran him down on US81 near the Lakeshore crossing, two miles east of Grandville.

Two lines of box cars obstructed the view and when he drove by onto the main track a train coming towards Holland caught up the automobile and hurled it several feet. It was found that Flager had a fractured skull and he died while witnesses picked him up.

PAIR HAVE WILD TIME IN A CAR

Arthur and Chester Franklin, driving an Indiana car, were arrested at Grand Haven on Saturday night for reckless driving.

The Franklin boys were coming east down the Washington street hill when they thought they would give a party just coming from the dance at the Barn a thrill. They hooked onto their bumpers and pushed the car down Washington street at 50 miles an hour. The screams of the girls brought many to the street and the police stopped the stunt.

The girls were thoroughly frightened and the boys driving the car pretty much disturbed as they suddenly spat at a fast gait.

The Franklins were arraigned by state police and officers Monday afternoon on a charge of reckless driving.

TENA HOLKEBOER TO SAIL FOR CHINA IN AUGUST

Miss Tena Holkeboer has returned to Holland from New York city, where she took a special course in high school work at Columbia teachers college. She plans to return to the mission field in China early in August to become principal of the girls high school in Amoy. She is a graduate of Hope college and a daughter of Mrs. Anna Holkeboer.

Before Miss Holkeboer left on her first mission six years ago she transferred her home ownership from the Christian Reformed to the Reformed Church in America because a field in mission work abroad was open and she was anxious to go.

BROKEN COLLAR BONE IS RESULT OF ACCIDENT

At about 9 o'clock Sunday night a Ford car driven by Graafschap people collided with a Buick driven by Henry Holkeboer, on the East Saugatuck road. The result was that there were two badly damaged cars and a lot of injured people. Some of them were taken to Holland hospital.

Henry Holkeboer and the two Menken sisters were the most severely hurt. One of the Menken girls had her collarbone broken while the other had her back wrecked and Holkeboer of Holland was badly cut up.

Miss Sadie Modders of Holland, who was in the Buick car, was not injured but badly shaken up.

The two Menken girls were thrown thru the windshield and thus sustained their injuries.

OFFICERS SECURE 30 GALLONS OF MOONSHINE

The sheriff's force and state police made a raid near Spring Lake Saturday night on the home of John Smiley and Joseph Disalick. They secured 30 gallons of moon and five barrels of mash. The place is located a little east of Spring Lake. The men were scheduled to be arraigned Monday afternoon.

BOOTLEGGERS FAILED TO APPEAR IN COURT

Monday was the time set for the appearance of the two bootleggers, E. T. Kilpatrick and John M. Gilbert, arrested some time ago with two big cars filled with Canadian whisky just as they were boarding the Chicago boat at Grand Haven.

They failed to appear, as officials predicted and in their place Joe Reiley, attorney from Muskegon, saw their bonds of \$1,000 each exstred.

This ends the story as far as the Ottawa officers and state police are concerned. The remaining chapter is the disposal of the whisky and the two cars. This has all been turned over to the department of public safety. On a court order representatives will come to Grand Haven and remove the 800 bottles to Lansing where they will be kept for hospital use or destroyed. The cars will be confiscated by the state also.

TOWER ON ALPENA ROAD IS NOW UP

Anyone traveling in the direction of Lakewood Farm on the north side of Black lake will notice the tower which shows above the tree tops of a very high hill. It marks the location of a new picnic grounds comprising eight acres of park and woods surrounding the high hill upon which this observation tower is built.

Entrance to the park is free, but an admission is charged at the tower entrance. This observation tower is the only one of its kind in the local resorts and on a clear day it is possible to see objects twenty miles away.

Designed by Mr. B. Lieveens, the tower was built by J. Vander Voen under the direction of the owner, G. Kuite, of Holland. Thirty tons of concrete were poured into its foundation. It is twenty-six feet square at the base and tapers to sixteen feet at the top. There are seven floors, the seventh being glass enclosed and accommodating thirty people. Within a short time the new concrete road to the tower will be finished and the tower may be visited in the evening, if the moonlight view is desired.

FORMER OTTAWA SHERIFF WINNER IN COURT FIGHT

By a decision of the Michigan supreme court, handed down Tuesday, former sheriff of Ottawa County, Cornelius Andre and his wife will remain guardians of their two grand children for whose possession the father of the children has made a two year fight. Although the supreme court decision is a divided one, four judges being on each side, it means that the decision of Judge Cross two years ago has not been overturned and will stand. That verdict was that Mr. and Mrs. Andre could keep the children.

The case was tried in the circuit court before Judge Cross two years ago this summer.

Maurice Stearns married Andre's daughter. They lived for a while in Lansing, but Mr. Stearns' conduct toward her was such that she left Mr. Stearns and went back to her father at Jenison. She began a divorce case against him and secured a divorce and the custody of the children.

Later she remarried and then died. Stearns also had remarried and his former wife was very anxious that Stearns should not get possession of the children, but of course, he being their father, would ordinarily be legally entitled to them. She craved a promise from her father and mother that they would not give the children up if they could help it and so when they were remanded they refused to surrender them to the father. The sole question was whether or not a suitable person to have the custody of the children. Judge Cross found he was not.

The case was then carried to the supreme court where the judges were divided evenly, four of them holding that he was entitled to the children and four not. This affirms the decision of Judge Cross.

Justices Snow, Feltner, Clark and McDonald gave the opinion that was favorable to Mr. and Mrs. Andre. It was their opinion, after they had recited the circumstances in the case, that Judge Cross was right in his decision which was as follows and which is quoted with approval by the other four judges:

"There is no question but that the children are in a good home at the present time and that they have the proper home influences and that the proper and suitable care is being given them. There is no question raised but that the children will continue to receive the proper care and support if left in the present home and that the respondent is amply able, financially, and is willing to provide for all the wants of the children and is able and willing to give them a good education. The manner in which he has reared his own children shows that these grandchildren, if left in his care, will not be neglected in any way. The wife of the respondent, the grandmother of the children is a kind Christian woman of the type that will give her best service to the cause that the best influences surround the children."

"The court doth further find that the only question in the case is whether the facts established in this case are sufficient to deny the father the rights to the custody of these children."

"The attitude of the father towards the mother of these children and his having been guilty of such conduct as to compel the mother to take the children from his home; his lack of interest as shown in this case in his children over since that time until the hearing of this case; the fact that the youngest child does not know his mother at the present time. Mrs. Stearns, wife of the petitioner, is an entire stranger to both children; and the fact that the father is away from home a great deal of the time; and the further fact that the father failed truthfully to give his testimony on the hearing of this case, make it satisfactory to appear to the court that the father of these children, the petitioner is not entitled at the present time to the custody of the children involved in this suit and that the welfare of the children will be best served by leaving them where they are at the present time in the home of the respondent."

BURGLARS ENTER SPRING LAKE DRUG STORE

Rumors of a hold-up by yeggmens in Spring Lake caused some excitement on Thursday afternoon but the story simmered down to the fact that a man was trying to get into Dr. C. D. Mulder's safe where a quantity of morphine was kept. At least the evidence which the officers got lead them to believe that was what he was after.

At 12:05 p. m. Dr. Mulder, as is his custom, went to his office located above the Mulder store in Spring Lake. As he came up the stairs he heard the safe door squeak. He became suspicious and jumped to the door in time to see a man rising from the safe, started at the intrusion. He stopped, said he was looking for a dentist but kept edging to the doorway.

When near enough to the door he took to his heels with the doctor in hot pursuit. A Ford car was waiting below with a companion who saw the difficulty, started up the car and speeded down the street.

Leon Campbell, coming along the street, noticed the license number, 458-671, and that is about the only clue the police have.

The doctor said the intruder must have entered the office with a skeleton key as he always locks his inner office. The pair were evidently after some narcotics which they knew were there, he said. This was the only drawer touched and there was nothing of value in the safe other than the drugs.

When you begin advertising in this paper you start on the road to more business. There is no better or cheaper medium for reaching the buyers. We can also provide Printing of every description.

Miss Elean Mulder of Chicago was the guest of her grandmother, Mrs. L. Mulder, East 14th St., Monday.

Mr. Cornelius Plantinga left Saturday morning for Kalamazoo where he will take up a teachers course. Mr. Plantinga has accepted a teaching position in Wisconsin.

George Allie, Chicago, was drowned in Muskegon lake early Saturday when he fell overboard from a row-boat in a strong sea while attempting to change seats.

Annual Settlement

Of the

CITY OF HOLLAND

1926-1927

May 12, 1927.

To the Honorable, The Mayor and Common Council,
THE CITY OF HOLLAND,
Holland, Michigan.

Gentlemen:

Pursuant to instructions of the Ways and Means Committee, we have prepared the Annual Settlement of the CITY OF HOLLAND, MICHIGAN, for the period from March 15, 1926, to March 21, 1927.

This has been prepared from your books in substantially the same form as that prepared by the City Clerk last year.

Several adjustments were necessary to properly reflect the transactions for the period under review. We will present these adjustments in a separate letter.

The co-operation extended us by the several City Officials and Deputies has been greatly appreciated by our Staff. We shall be glad to furnish additional information should you so desire.

Faithfully yours,

JONATHAN B. COOK & COMPANY.

By Jonathan B. Cook,
Certified Public Accountant.

Annual School Election

Notice is hereby given that the Annual School Election will be held on

MONDAY, JULY 1, 1907

The Trustees whose terms expire on that day are

James A. Brown
Mrs. Martha A. Brown
Fred. T. Miles

The Polls will be open from 8 o'clock a. m. to 5 o'clock p. m.

By order of the Board of School Trustees

HENRY J. BROWN, Secretary

SCHOOL TRUSTEES

A Citizens Caucus for the election of the next year's School Trustees will be held at the

High School

Wednesday Evening

MEYER MUSIC HOUSE 17 West 8th St.
HOLLAND, MICH.

Wednesday Evening, July 6, 7:45 o'clock

HOLLAND CITY NEWS

WEST EIGHTH STREET
(Second Floor)
Holland, Michigan

PUBLISHED EVERY THURSDAY

Entered as Second-Class Matter at
the Postoffice at Holland, Mich., un-
der the act of Congress, March, 1897.

Terms \$1.50 per year with a discount
of 50c to those paying in advance.
Rates of Advertising made known
upon application.

Locals

The work committee of the Spanish
War Auxiliary will meet Friday after-
noon at the home of Mrs. G. Knausen.

Miss Doris Mersman is spending the
week with her uncle, Mr. Andrew
Mersman, at Byron Center.

The Grand Haven high school band
is giving concerts on Grand Haven's
principal streets. The young
chaps are newly uniformed.

With the widening of some of the
Grand Haven streets it was necessary
to cut down some giant elms more
than 50 year old on Third-st.

William Hammond of Grand Haven
was arrested Sunday for being drunk
and paid a fine in Judge Pagelson's
court of \$10.

Mrs. Hallis Northuis, who has taken
a course in marcelling at the Alma
Academy in Grand Rapids, has
opened a beauty shop at 17 W. 16 St.

Miss June Van Dyke has returned
to Blodgett hospital, Grand Rapids,
to resume her training after spending
a two weeks' vacation in the city.

Rev. Harry J. Hager, professor of
Biblical Literature and Hope college
pastor, has been offered the pastorate
of Hope Reformed church at Los An-
geles, Calif.

The Ottawa county board of su-
pervisors is in session for a few days.
The Holland solons are all attending.

The matter of tax equalization is
one of the things taken up.

Principal J. J. Riemersma has left
for Ann Arbor where he is taking a
summer course in the graduate school
at the University of Michigan. He will
be away until August 20th.

Mr. and Mrs. Charles Faber, who
have been away for two weeks mak-
ing a trip to northern Michigan and
also to Chicago have returned to
their home at 22 West 16th street.

A new telephone directory for June
has just been issued by the Bell
Company containing the directories
of Holland and Zeeland and other ne-
cessary telephone information.

The ladies aid society of South
Olive Christian Reformed church will
hold their annual sale Thursday after-
noon and evening, June 30. Re-
freshments will be served.

Prof. Clarence Kleis, head of the
department of physics, and Albert H.
Timmer of the Latin department left
Sunday for Ann Arbor where they will
take graduate work in their special
departments at the U of M.

The north Ottawa Red Cross chap-
ter, which sent 43 boxes of cloth-
ing to the flood sufferers, received a
complimentary letter from head-
quarters conveying thanks for the
timely assistance.

Mrs. C. E. Luscomb, 376 Pine Ave.,
who has been out of the city for six
months, visiting her daughter, Mrs.
Gus De Boer, returned to Holland
last week.

Bert Hissey, 53, of Rochester, Ind.,
suffered fractures to both legs Monday
when he was struck by an automo-
bile driven by K. L. Clark of Grand
Rapids on a road near Hopkins. Ac-
cording to the Hopkins physician who
attended Hissey, the latter evidently
became confused and stepped into the
path of Clark's automobile. Hissey's
machine had a flat tire and he was
walking for assistance when he was
hit. He was unconscious when picked
up. After being treated at Hopkins
he was taken to the John Robinson
hospital, where he was reported rest-
ing easily Tuesday.

George Masselink, who recently re-
ceived his M. A. degree from a
Towa State university was a guest of

his brother, Dr. Wm. Masselink.

Francis Lamunton, St. Joseph mo-
torcycle officer, who was injured
Thursday on US31 while pursuing a
speeding auto, died in a Ben-
Harbor hospital Thursday night.

Rev. Gerhard De Jonge celebrates
his fortieth anniversary as a minister
this month. He was graduated from
Western Theological seminary in
1887 and has been a trustee of Hope
college for 35 years.

Alton Kooyers, son of Attorney G.
W. Kooyers, has taken the place of
Don Severance in the office of At-
torney Fred T. Miles during the time
that Mr. Severance takes his summer
course at the Detroit Law school.

John Dykema and Joe Borgman of
the Model Laundry have returned
from Kalamazoo, where they attend-
ed the annual outing and convention
of the Michigan State Laundry Men's
association.

Lyle Hoyt, proprietor of the Pearl
Creamery Co., near Fennville, whose
plant was destroyed by fire last week,
has made arrangements with the Pet
Milk Co. of Allegan to make butter
there until the creamery can be re-
built. Hoyt states reconstruction
steps will be taken soon.

Dr. Edward Masselink, a brother of
Dr. Wm. Masselink of this city, has
received a call to the chair of philoso-
phy of Grundy Center college, at
Grundy Center, Ia. He has not yet
made a decision. This summer he is
filling the pulpit at the Third Chris-
tian Reformed church at Zeeland, oc-
cupying the parsonage. He recently
received the doctor's degree from the
Southern Baptist seminary at Louis-
ville, Ky.

Gus De Boer, rural letter carrier on
No. 12, is leaving for Dakota Tues-
day to visit Mrs. De Boer's parents.

A La Huis of Zeeland left on a trip
to Seattle, Washington, and other
points in the Pacific Coast states.

Fennville postoffice has re-
ceived a consignment of Lindbergh
stamps.

The Saugatuck village council is
enforcing the ordinance against fire-
works except on July 3, 4, 5. None
may be exploded within a block of
any hospital.

Mr and Mrs B. Hultenga and son
Henry have returned from a visit
with relatives and friends in Fremont.

Miss Ruth Hoekstra has left for
Ann Arbor where she will attend U.
of M. this summer.

A group of 20 Camp Fire girls from
Zeeland are to spend the week at Al-
gonquin cottage across the river in
the woods at Saugatuck.

Rev. J. H. Bruggers and family have
left on a five weeks' auto trip to
the west. They will visit Muscatine,
Ia., Cawker City, Kansas, Orange City,
Ia., and Raymond, Minn.

Henry Van Raitsma left Zeeland
Monday for Dayton, Ohio, where he
will submit to a surgical operation
at the World War Veteran's Bureau
Hospital.

Kathryn Glanton, Robert Fletcher,
and Jerry Fox pupils of the primary
room in the East Eighth St. school,
have a perfect record of attendance
during the entire school year.

Mrs. Henry De Krul and daughter,
Miss Lois De Krul, of Washington,
D. C., are spending the summer
months at their cottage at Tennessee
Beach.

BOLHUIS CO.

LOOSE COURT CASE

WITH ESSENBURG

(Continued From Page 1)

had any talk with the other defend-
ants in regard thereto. Unless on one
or two instances, it was casually sug-
gested but not seriously considered
that sometime Essenbourg might or-
ganize a company of his own. I think
Vander Ven, previous to Essenbourg's
resignation, had concluded to sever
his relations with the plaintiff, his
dissatisfaction being chiefly due to
what he felt was ill treatment of his
brother, John Vander Ven, who had
been an employee of the plaintiff and
had been discharged by Bolhuis but
there is no evidence that Vander Ven
conspired with anyone in any man-
ner nor had any agreement with the
other defendants about quitting his
employment. I am not overlooking
the fact that Vander Ven, in his testi-
mony, admitted and stated that he
had had one or two talks with Essen-
bourg at the Holland City Bank, previ-
ous to his leaving the plaintiff and to
Essenbourg's resignation, but I am not
convinced that he is correct regarding
the date when these conversations
were had, and I am of the opinion
that these conversations were had
after Essenbourg resigned and left the
company. Vander Ven was in Essen-
bourg's employ about two weeks
and was not an organizer of Essen-
bourg company. It appears clear to
me in view of the meetings of the
investigating committee, audits, report
and the acquiescence of the party
thereto that Essenbourg had no idea of
resigning from the company until just
about the time that he actually re-
signed, in his resignation, matters occur-
ing at that time that induced him to sud-
denly take that action. It must be re-
membered that during all this time
Essenbourg was still a stockholder in
the company, also he had sold some of
his stock. None of other defend-
ants except Vander Ven had any in-
tention of leaving the plaintiff's em-
ploy before they learned Essen-
bourg's resignation being in and ac-
cepted.

"The leaving afterward was not
due to any overtures on the part of
Essenbourg or otherwise but was due
to individual personal dissatisfaction
with the conditions and because some
of them having worked for years un-
der Essenbourg preferred working for
him or in a company managed by him
rather than remain in the employ of
the plaintiff. They received an in-
crease from Essenbourg or offer of in-
crease in compensation. This is also
true of certain other employees of
plaintiff who are not defendants, who
had worked for Essenbourg not only
since 1919 in plaintiff's company but
had been in his employ before that
time and came to the plaintiff's com-
pany to be with him, Essenbourg. It is
not unnatural that when these men
heard of Essenbourg's leaving and of
his organizing a similar company, they
preferred employment with him. Some
of these men even received and are
still receiving less compensation
from Essenbourg's company than they
received from plaintiff.

"I cannot find that Essenbourg and
the other individual defendants laid
down on the job while in plaintiff's
employ in the fall of 1925, and winter
of 1926, causing waste and loss of
profits in the building program. It is
claimed that Essenbourg, while in
plaintiff's employ, made overtures to
and secured contracts from several
persons to build houses to which ref-
erence has already been made. To dis-
pose of this question, it should be
noted that Essenbourg's resignation was
accepted on March 23rd, 1926; that
he was still a stockholder and direc-
tor of the company at the time he did
not attend the directors' meeting
when his resignation was presented
and accepted, and attended only one
meeting after that date. He remained
around the plaintiff's office during the
remainder of the week offering such
assistance as he could give, but his
actual services as manager of the
company and his salary therefor had
ended when his resignation was ac-
cepted, of which he received notice
March 24th, 1926.

"I am not satisfied that plaintiff
has any complaint to be heard of by
the other defendants leaving the
employ or that they received any
schooling or training with the plain-
tiff further than usual in any employ-
ment of a similar character. It is un-
doubtedly true that in all cases men
become more valuable the longer they
remain in the employment of a com-
pany particularly in office work, in
salesmanship, etc., but if there is no
contract existing between a party that
the employees are to remain in em-
ployment of the employer for a de-
finite time, no fault can be found
with their making a change if they
desire to do so.

"There was considerable reference
in the testimony regarding the Hen-
chett house, and the fact that Essen-
bourg did not look after the building
of that house as he should have done,
causing many complaints by Mr and
Mrs Hanchett. However, these com-
plaints were largely made after the
house was completed with the excep-
tion of the complaint regarding the
foundation being low which was re-
moved shortly after it was put in. It is
my opinion, however, that the trou-
ble with reference to this property
was largely because the building was
in a low place. The lot being low, and
on account of surroundings, snow was
backing or piling up near it. There
was also some complaint about the
house leaking after it was built, but,
taking everything in consideration,
and viewing the entire situation with
reference to this property, I am not
convinced that these complaints were
unusual under the circumstances.

"There is also considerable testi-
mony regarding plans and cost sheets
that disappeared from the plaintiff's
office, and certain of the plans being
found in the Essenbourg office by em-
ployees of the plaintiff, after a search

warrant had been secured to search
the premises. The bill charges that
these documents were stolen from the
plaintiff's office, reference being made
to their being obtained by entering
the plaintiff's office thru a window
while one of the defendants was on
the lookout.

"While search warrant was in the
possession of the Deputy Sheriff, who
was with the party who procured the
plans from the Essenbourg office, it is
clear that there was no necessity for
such search warrant. In fact, it was
not produced nor was any reference
to it made to Essenbourg, who
immediately stated when the party
told him what their errand was, that
if there was anything there, that be-
longed to the plaintiff, they could
have it. The plans what were found
there were something like 100 blue
prints. The evidence shows that the
original drawings and tracings from
which the blue prints were made al-
ways remained in the Bolhuis office
and safe. Blueprints from these trac-
ings having been made and distribut-
ed to the owners and sub-contractors,
and one or two kept in the office. It
appears to me that Essenbourg and
one or two of the other employees of
the plaintiff had used some of the
plans in their respective homes in do-
ing some figuring upon them while
with the plaintiff and that they were
not considered valuable to the plain-
tiff inasmuch as the original drawing
were in its possession. The blue prints
were as a rule, not gathered up after
the building was completed, and it
appears that after the Essenbourg
company was organized these blue prints
were taken to the Essenbourg office,
the name of the Bolhuis Lumber com-
pany cut from the blue prints, and,
no doubt, they were used by the Es-
senbourg company and its employees
to show prospective purchasers of
homes the style of houses that might
be built for them. I am convinced,
that these plans were not stolen from
the plaintiff's office but that they
came lawfully into the possession of
the defendant who had them. Strick-
ly, they should have been returned to
the plaintiff when the individual de-
fendant ceased to be employees of the
plaintiff, but I do not believe that
there was any intent to steal in the
keeping of them.

"This disposal of the principal in-
struments of proof referred to on the trial,
as I have already indicated, it is my
opinion that plaintiff has not made
out a case of conspiracy. The defend-
ant, Essenbourg company, has been
organized, and it is a competitor of
the plaintiff. One may, without liabil-
ity, in furtherance of his own inter-
est, the competition of business es-
tablish any work competing with an-
other and may induce customers of
that other to withdraw their patron-
age from him in order to obtain busi-
ness for himself, altho his action in-
jures and is intended to injure the
other person's business, if there is no
contract between such persons and
his customers. The motive of the per-
son so doing, the malicious, is not
material, his act being lawful, but if
he induces such withdrawal of cus-
tom, not in a bona fide, neighborly
advice, or in free right of competition
to benefit his own business, but with
only to injure the other person, he is
liable to action. No man in or carry-
ing on a business, should be compe-
lled to protect against fair competi-
tion, and, if he cannot meet it and
succeed, he must expect to fail, and
for his loss and injury resulting
from the law affords him no remedy.

"Having held that the plaintiff has
not established his claim that the de-
fendants entered into a conspiracy,
to injure and damage the plaintiff
and that the organization of the de-
fendant company was agreed upon
and carried out after the individual

defendants left the plaintiff's employ.
The whole difficulty seems to me,
thereafter between these parties was
due to the Essenbourg company be-
coming a competitor of the plaintiff.
Under the facts as I find them to be,
the defendants, Essenbourg, and the
other defendants as stockholders and

employees of the latter company have
entered into legitimate competition
with the plaintiff, which they had a
perfect right to.

"In my opinion the bill of com-
plaint must be dismissed, and a de-
gree may be prepared for that pur-
pose. The defendant, William Vander

Ven, having discontinued his defense
in the midst of the trial, is not en-
titled to costs, but costs to be taxed
will be awarded to the other defend-
ants against the Bolhuis Lumber &
Manufacturing company."

JOHN VANDER WERP,
Circuit Judge.

COLEMAN COOKERS

Coleman
Cookers
Make their own Gas

That the Coleman
Lamp Co. has always
lead in the manufac-
ture of High-Class
Gasoline Lamps, Lan-
terns, Camp Stoves,
etc., is recognized and
every good merchant
carries and recom-
mends them. For a
number of years they
have recognized the
need of and have been
perfecting a Gasoline
Cook Stove worthy to
be sold under their
name and we now In-
vite You to a Demon-
stration of the new
Coleman Cook Stove.
In the making of this
stove, price was not
considered as they re-
cognized that a Kitchen
stove must stand hard
and continuous service

and they refused to sacrifice quality for price.

Look for these Points of Superiority in a Coleman:

- [1] A Better Frame and better appearance.
- [2] A Better and Stronger Tank [100 per cent stronger].
- [3] A Better and more easily operated Filler Plug.
- [4] A Better and Larger Pump.
- [5] One-third More Heat.
- [6] Better Quality of Material and Heavier Burners. [A Mechanic will appre-
ciate this].
- [7] A Better Generator.
- [8] A simpler and more convenient method of starting the stove. No hunt-
ing around for an alcohol bottle only to find it empty and broken.
- [9] A stove that will not smoke, no matter how high it is turned or how much
water you boil over it.
- [10] Coleman Service, unequaled by that of any other concern.
