Christ Reform Synod Warm Upon Hymns

SOME DON'T LIKE "NEARER
MY GOD TO THEE"

Are Handling the Matter Very
Carefully, It Appears

Introduction of hymns into the public worship of the church was the all important matter that engaged the attention of the synod of the Christian Reformed church at its session in Central Avenue church, Holland, on Wednesday. According to the committee's report, presented by Rev. W. Groen of Los Angeles, Calif., classes Grand Rapids East, Hackensack and Ootsekand presented overtures favorable to such action; classes Pella and Zeeland submitted unfavorable overtures, and four classes favored the appointment by synod of a committee to make further study of this matter and to report at another synod.

The committee on liturgical matters recommended that a synodically approved collection of hymns be procured, which may be used in public worship and regular services. The committee advised that "there is need for definite action that our people are using hymns, that our churches in some localities sing hymns in song services held immediately before public worship, that the demand for hymns has gained great momentum and that synod should exercise a guiding hand before the demand can no longer be controlled.

The committee also expressed itself that no time should be unnecessarily lost and advised favorable action upon the overture of class Grand Rapids East, which would mean a saving in time of at least two years. In its report the committee mentioned certain hymns that proceed out of the spiritual life of God's people, as "Nearer My God to Thee," "Jesus Lover of My Soul," "Blest Be the Tie That Binds" and "In the Cross of Christ I Glory." It also advised that synod should act upon the matter at once.

The report brought forth extensive discussion when placed in the hands of the synodical body for adoption. Some delegates expressed themselves opposed to it, others favored it, but the sentiment of the conservative element was to proceed carefully and cautiously.

Prof. L. Berkhof of Grand Rapids stated he had not discovered any immediate necessity for action and expressed the fear the peace of the church might be disturbed through hasty action. Mr. Berkhof felt the time will come for the movement but that the churches were not ready.

Rev. L. VanDellen of Denver, Colo., stressed the opinion "we should not forget our historical background." He stated he was not opposed, but also not ready, for it. He was heartily in favor of it if it should be profitable to the church but protested against the use of a hymn such as "Nearer My God to Thee," with "its sickly melody and written by a Unitarian."

BL LOCAL BUSINESS
MEN

The new memorial park burial ground, which will be known as "Restland Memorial Park" is located on the Zeeland road, two miles east of Holland, and consists of seventeen acres. Stockholders will hold their first meeting early next week.

Twenty-four Holland business men are interested financially, with \$30,000 of the necessary \$50,000 already subscribed, making this possible. The proposition has been under consideration for some time.

A sprinkling system will be installed, the plot will be beautified by an expert in engineering and landscaping. A mausoleum will be built later according to the present plans. No 100,000 or tombstones will be placed in this new park, and there will be trees and shrubbery in great profusion, which will give it the appearance of a park.

Three Youths Are Arrested For Burglary

ARE WANTED FOR DOING A
DOZEN JOBS, ACCORDING
TO SHERIFF'S DEPT

Boy who confesses is caught in bed
After Committing Crime

Mystery surrounding 12 of the boldest robberies in Ottawa county for the past two years was cleared Wednesday at the jail at Grand Haven when Sheriff Kamferbeek sweated an amazing story from three boys. They were Martin Howard, 18 years old, Fred Jones, 16, and his brother, Carl Howard, 16, all boys of that city.

The Ottawa county officers, Sheriff Kamferbeek, Deputy Egbert Beckman and Marvin Den Herder received a tip from Pere Marquette detective, Ryder and Dilly, that directed suspicion to Howard and Jones. They visited Howard's home at Waverly early Wednesday morning but did not find the boys. Stationing one officer at the house, the others hurried to Grand Haven to the home of Jones where they found the three boys who had just gone to bed. They were taken to the county jail and a complete confession was secured.

Suspicion had been directed to these boys for some time and the descriptions tallied so well the officers went directly to the Jones home and found them. A few hours grilling got the entire story. Carl Howard, the youngest, was on his first job, Tuesday night, they said, and was being initiated into the criminal life of the other two. The Howards are sons of Joe Howard of Holland township. Martin had been living with the Jones family and working in Grand Haven.

They confessed breaking into the following places: Busy Bee oil station at Grand Haven, Boomgard's jewelry store at Grand Haven, Nies Hardware in Holland, Potter's garage at Spring Lake, Bill Hordware at Spring Lake, Pere Marquette R. R. office at Waverly, Gebben's store at West Olive, Cook's hardware at Grand Haven, North Side oil station at Holland, Ford's garage in Grand Haven, attempted Buick Hardware and Van Tol store in Grand Haven, and the North Side store in Holland.

The robbery of the Will Boomgard jewelry at Grand Haven, a job pulled over a year ago when nearly \$10,000 worth of merchandise was taken in one of the most finished jobs ever seen here and several others totaling thousands of dollars in loot. Two attempts were made the same night on the Buick Hardware and Van Tol Hardware, there, which showed the same skilled work.

The bulk of the booty they had sold or destroyed. The officers have six watches stolen from the Boomgard robbery, in their possession and expect to have more of the things in their hands shortly. The hardware and guns were all thrown away, and also some valuable jewelry. Most of the stuff, the boys confessed, was thrown in the river, which the officers are now dragging. Vanity cases, pearls, watch pen and pencil set and a gold mesh bag was found in the possession of a sixteen year old sister living in Muskegon.

The mother and sister were greatly surprised at the appearance of the officers and grieved to learn of the trouble their sons and brothers were in. They are running a small restaurant in Grand Haven. The girl had taken the things as gifts she said.

They will be arraigned in a day or two after more of the loot is recovered and more jobs possibly are confessed, the sheriff reports.

FIFTY YEARS AGO TODAY

The dutch were already exploring the arctic regions 50 years ago. On June 6 they departed from Ymuiden at the entrance to the Amsterdam canal the schooner Wilhelm Barents destined for a six month's cruise in the arctic circle. The expedition is commanded by the Dutch naval officer, J. J. de Bruyn. Two other officers and a corps of scientists and a crew of eight men set sail having as their principal object the retracing of the steps in the light of modern science of the famous Dutch pilot whose early work in the polar zone has been given the little eighty-ton craft which is bearing the party northward. The ship also serves as "an arctic school for Dutch seamen." The first point which the expedition proposes visiting will be Jan Mayen Land, in latitude 71 deg. N. next steering its course for the northwest coast of Spitzbergen to Amsterdam Island. From there they will sail for "Noyaya Zemlya" and call at "Bear Island." This island was the grave yard of several Dutchmen who died in the winters of 1833-34. It is a laudable undertaking and the Hollanders here again show their independence rejecting all contribution from abroad in this arctic cruise.

John DeBoer, who was entertaining guests to put on a snow plow last winter will now install a street sprinkler and collect from the property owners.

Holland May Buy Cemetery Property Soon

GAS COMPANY WANTS TO PUT
UP \$60,000 GAS TANK, CHURCH
PROTESTS

Rush Company Asks for a Side
Track to New \$125,000 Plant

From all appearances Holland is soon to add to its cemetery holdings, since in Filgrim Home Cemetery and the Holland Township Cemetery across the way, there is little room left to bury the dead.

The Park and Cemetery Board have received a proposition offering eighty acres of land on East 16th street for cemetery purposes. One parcel of 20 acres is owned by Mr. William Vandenberg, 40 acres by Peter Mellem and 20 acres by Fred Hietje.

The price put on this property is \$25,000 for the eighty acres. It is located on the south side of Sixteenth street, a short distance east of Filgrim Home.

The deal has not gone through up to this time but if it does the board intends to sell lots, promising perpetual care, which will mean a better looking grave yard, at far as maintenance goes, than our present one.

Another matter coming up at the Council was presented by the Ordinance Committee, who gave notice that they will draft an ordinance regulating sign boards within the city limits. This new law will have no connection with the zoning ordinances.

Mr. Heckman of the Heckman Bros. of Grand Rapids, representing the Michigan Dutch Tea Rask Co. on East Eighth street, asked that the Council allow a side track to be built on Ottawa street (between 17th and 19th streets) to their proposed new plant that is to cost \$125,000, that is to be built immediately if proper rail connections can be secured. It was left to the committee on streets with power to act, and no doubt there will be favorable action as it means a large industrial plant for Holland.

There is a protest brought in by members of the Sixth Reformed Church and fifty other residents against the erection of a \$60,000 gas tank on Lincoln avenue and Twelfth street. The petition states that such a plant was a hazard, brought down property values, and was a nuisance during services. Alderman Westing fostered the protest by stating that the Gas Company supplied Zeeland and other outlying places, why not build these supply tanks outside. The entire matter was left to the Appeal Board for a final decision.

The petition of Bert Haddon asking for a license to lay concrete walks in Holland was denied.

The petition of A. Baldwin, that has come up repeatedly asking to lay concrete sidewalks in Holland was finally granted with the understanding that Baldwin repair every sidewalk that he has laid in the past, from which complaints arose.

City Engineer made it known that he had plans and specifications ready, having to do with the paving of 26th street between State and Columbia avenue and also 23rd street between Central avenue and State street. The council has decided to pave these two streets and a hearing is to be held on July 18.

Hope College Gives Landwehr Deserved Honor

WEEK USHERED IN SUNDAY
WITH BACCALAUREATE
SERMON

DAY, ALUMNI BANQUET AND
PAGEANT TUESDAY. SENIOR
PREPARATORY SCHOOL MON.
CLASS EXERCISES WED-
NESDAY

This has been a gala week at Hope College. The week was ushered in Sunday with the preaching of the baccalaureate sermon to eighty-eight Senior grads and fourteen from the Preparatory School.

The baccalaureate address was delivered by Rev. Joseph R. Sizoo, D. D., pastor of the New York Avenue Presbyterian Church, Washington, D. C. Rev. Sizoo is a graduate of Hope in 1907. Most of the Reformed churches in Holland discontinued services Sunday evening in order that they might attend services in Carnegie Hall. President E. D. Dimmet presided over the deliberations and fittingly introduced Mr. Sizoo.

Mr. Sizoo's subject was "Is Religion Valid?" He said the attitude of mind changing toward religion and other things are leading questions marks on everything. It is a question of the century. "For one kind it is so easy. Cynicism is a slowly thinking, it requires no belief. There is no religion about it, and a change is not always an improvement. Religion is not ridiculed so much as people are denying its authority. There are men in the religious world who are not only God is a test tube, and who interpret religion in terms of mechanics and atoms. It is our fault. We have overvalued mechanism. Still, we cannot deny that there is something in religion which is not a cold, not a rule, or a ritual, but a personality who walked on our world, saw the stars and set and breathed the air we breathe. The religion of the world is not a dead, but a living thing. It is a life that it breathes at the cradle down to the glory of living on the hills to the duty of living and at the grave to the last look up. We are wise enough and rich enough in this land of ours, but we are not reverent enough."

In his concluding lecture to Rev. Sizoo and to the following program, President Edward D. Dimmet presiding:

INVITING THE FIRST CRIME

The ideal that prompts agitation for restriction of the sale of pistols and revolvers, is probably praise-worthy. But when anyone can in a few minutes convert a shotgun or rifle into a pistol, it seems certain that if ownership of pistols and revolvers were prohibited to law-abiding citizens, the thug would enjoy the privilege of owning a gun at the expense of the man who respected the law.

Committing a crime when armed for violence may well be punished so severely that no one can do it a second time. But passing a law to prohibit ownership of small arms invites the first crime it would appear.

GAS—A MAJOR UTILITY

The story of gas is a modern epic. From its inauspicious beginning a little over a hundred years ago it has steadily progressed to the extent that John P. Mullen, of the Investment Bankers' Association of America, recently said that the gas business and its securities show a stable value that entitles them to rank with the best of public utility issues.

The manufactured gas industry has not reported a decrease in annual sales or revenue in 21 years. Sales have increased 352 per cent in 25 years in spite of a population increase of but 50 per cent. Sixty million people are now said to buy gas, and it has 21,000 individual industrial uses. Yet in industry it's life has barely begun; the future is beyond prediction.

Dick is the name of Saugatuck's tree squirrel. He has lived in the trees on the square for more than a year and is really everybody's pet and always appears when called. Every morning C. E. Bird, druggist, at Saugatuck, calls Dick to his breakfast and Dick does not hesitate to heed the call to get his nuts. Although several persons may be standing about, Dick has no fear of the human race. But let a dog appear and off he will go. Dick is partial to Uncle Sam's mailbox on which he likes to sit. There are five other squirrels here, but none as tame as Dick who enjoys his friends.

General Synod Delegates May Not Smoke

BEETS RESIGNS AS EDITOR OF THE BANNER

Christian Reformed Delegates Discuss Education and Literature

General synod of the Christian Reformed church is still grinding away in Central ave. church, Holland, and may be in session until next week sometime. The report of the committee for Reformed literature was the first matter to engage the attention of the general synod of the Christian Reformed church in America at Tuesday's session. The report embodied an overture from classis Grand Rapids West with respect to the control by the denomination of its own Sunday school lessons. This question evoked sharp discussion. Some delegates expressed themselves in favor of providing the Sunday schools with their own lessons, while others argued it would be well impossible to get a more perfect coherence than the international lesson committee offers. The committee in its report stated it found it prohibitive to do its own printing, but that the Standard Co. would charge \$5,000 per quarter for picture rolls and \$1,000 for picture cards, making the cost of its own series of lessons \$24,000 annually for pictures alone.

The question finally slumbered down to two points, viz: "Is it desirable from the Reformed point of view to adopt a movement for our own course of lessons, and can it be done within the financial scope of our church?"

With these points in view, synod, upon a resolution of Rev. J. P. De Jong of Grand Rapids, decided to refer the matter of desirability and practicability to a committee for investigation with instruction to report at the next synodical session in 1930.

The question of denominational radio preaching also was referred to a committee to report in 1930. Rev. Henry Beets of Grand Rapids asked to be relieved of the editorship of the Banner. This year he will round out 25 years of service in that capacity. Despite his request, Mr. Beets was given a complimentary vote of 19 on the first ballot and 24 votes on both the second and third ballots. Synod extended a unanimous vote of thanks to him for his service and conceded him his desire in rounding out his 25 years of service.

The question of lengthening the period of catechetical instruction to nine months in the year was extensively discussed as also was the co-ordination of the Sunday school and catechetical instruction into a unified program. Rev. Clarence Bouma of Grand Rapids stressed the importance of catechetical instruction in all the churches. Other delegates took the same stand.

Rev. H. Keegstra of Holland, president of synod, requested delegates to refrain from applause and also from smoking in church during recess.

WEST DIRECTED MISS TALMADGE IN "DOVE"

Roland West directed Norma Talmadge in her first United Artists picture, "The Dove," which comes to the Colonial Theatre Monday, Tuesday, and Wednesday of next week. For a long time after Joseph Shenck bought the script from David Belasco, the cinema world wondered who would direct this important first picture.

West was the choice. For many years he had been associated with Joseph M. Schenck. He had directed Norma Talmadge in one of the most successful of her pictures, "De Luxe Annie," and in making "The Bat" he had proved himself one of the most imaginative dramatic directors in Hollywood.

West comes from a theatrical family. His mother, Margaret Van Tassel, was a well-known actress on the legitimate stage. At the age of seventeen, he acted in "Jockey Jones," a famous old American play. After this West turned his attention to writing for the stage. At one time he had fifty-three of his own plays bringing him vanderbilt royalties! It will be recalled that he wrote "The Unknown Purple," an extremely successful drama. Roland West starred in several of his own plays.

Among the outstanding pictures and plays with which West has been connected as author, director or producer (and sometimes as all three) are "The Bat," "The Unknown Purple," "The Monster" and "The Silver Lining."

TOO MUCH LIQUOR ABOARD DRIVES THRU FLOWER BEDS

On his alleged haphazard trip he drove his machine up to the fountain and, whirling about ran through some flower beds, smashed a couple of benches and damaged the sod, according to officers.

VanHoff searched Vanderkolk's car and confiscated two empty bottles and seven pints of liquor, he declared.

COIN FLIP

On the flip of a coin William Michaels, local old time fiddler won the regional contest at the Grand theatre Friday night sponsored by

the Butterfield theatres Co, before an audience that was so evenly divided in their applause, the decision was left to this manner. Henry Beebe, another Grand Haven man, was the other contestant who won his laurels on the first night of the series of contests. Wil-

liam Michaels won last week. Applause of the audience previously guided the judges in decisions but last night after asking the contestants to play several times they finally submitted it to the coin arrangement. Mr. Michaels will go to the state meet in Grand Rapids,

June 26th where the battle of old-time tunes will be held in the Majestic Theatre to decide who is the best fiddler in the state. The expense of Mr. Michael and a companion will be paid and prizes aggregating \$100 is the goal to be reached in Grand Rapids.

LAKE MICHIGAN GETS MILLION SALMON TROUT

More than 1,000,000 salmon trout have been planted in Lake Michigan. The plant was placed in the water more than 15 miles offshore to fool the perch. Perch eat

the fry and this precautionary measure was considered necessary. Previously 2,500,000 lake trout had been given a start in the hatcheries before being released. Some of the salmon trout placed in the big lake four years ago are now of edible size and it is estimated

that better than 40 per cent of the young fish survive.

Thousands See Great "Pageant Of The Word"

WAS A PANORAMA OF GREAT MERIT, PICTURING CHURCH HISTORY

THE FOUNDING OF THE REFORMED CHURCH, IN THE EAST AND WEST, AND MISSIONARY MOVEMENT ALL SHOWN

The wonderful panorama, "The Pageant of the Word," picturing the founding of the Reformed Church in America three hundred years ago, the planting of its banners in the west, in which Holland and Dr. Van Raalte played such an important part, was said to have been witnessed by at least 20,000 people in Holland, Grand Rapids, Muskegon and Kalamazoo, where this religious spectacle was staged. That intense interest was shown is evident, that in spite of the unpleasant weather, the production was greeted by such large audiences everywhere.

In Holland, the first staging took place on Saturday afternoon for the benefit of the children and a small admission charge made. The production was given to the general public in the evening, however, the proper electric light effect added greatly to the impressiveness of the pageant. The staging was done in front of the large grand stand at the fair grounds, where the seating arrangement was ideal.

At least 400 took part in the spectacle, not including the large chorus stationed in the background and ably led by Temple J. Barcar of Central Reformed Church of Grand Rapids. It was the union chorus of the best artists taken from all the Holland Reformed churches, and proved to be a wonderful singing organization that put the finishing touches to the pageant.

A great deal has been written in the News relative to the "Pageant of the Word" and the history it covered, and this program was carried out to the letter. It will be impossible to mention all the cast because of the large number, but as Manager Heemstra so fittingly put it, that while the leading figures played their parts well, the others and especially those behind the scenes should not be forgotten. This announcement made a round of tremendous applause from the Holland audience.

Only a few of the many characters can be given, but the principal ones representing symbolic or historical persons are: Spirit of the Church, Sarah Klooster of Central Lake; Spirit of Truth, Evelyn Steketee of Holland; Spirit of Light, Margaret Hondelink of Rochester, N. Y.; Spirit of the Pioneers, Stuart Vandervan of Holland; Spirit of Error, George Damsen of Holland; Spirit of Progress, Hazel Albers of Holland; Spirit of Missions, Gladys Huizenga of Holland; Spirit of Vision, Bernardine Siebers of Grand Rapids; Chief trumpeter, Leonard Hoogboom of Clymer, N. Y.; quartet, Antoinette Hondelink, Henrietta Kots, Edith McGilvra and Evelyn Beach; Lily Among Thorns, Phyllis Pelgrim; Jonas Michaelius (first minister), Arthur Oudemool of Holland; Peter Minuet, W. Diekema of Holland; Simon Cornelius, Rev. J. Wayer of Holland; Livingstone, Gordon Van Ark of Holland; Van Raalte, Myron Leenhouts of Williamstown, N. Y.; Hoffman, Paul Brouwer of Grand Rapids.

The pageant given in Holland is the result of several months' work and the cooperation of the Reformed churches of Holland, Beaverdam, Central Park, East Overisel, Ebeneser, Hamilton, Harlem, Hudsonville, Jamestown, North Blenden, North Holland, Ottawa, South Blenden, Vriesland and Zeeland.

Before the pageant opened Dr. S. C. Nettinga of the Western Theological Seminary gave a brief review of church history. He said, in part, as follows:

"There is a old Dutch saying, 'The Unknown is Unloved,' and that is true about the history of the church. This pageant is designed to help you appreciate the contribution which this church has made to the religious life of America."

"History always means to me 'History,' the story of what God has wrought in the world through the lives of men and women, often in lowly places."

Miss Hannah G. Hoekje wrote some original verse which are sung to the tune of the "Pilgrim's Chorus," at the conclusion of the episode showing the educational progress of the church.

Too much credit cannot be given to Frederick H. Olet, general production manager, and Simon Heemstra, general business manager, for these men put in a tremendous lot of work, practically putting on four pageants, at Holland, Grand Rapids, Muskegon and Kalamazoo, each staged by Reformed church folks in their respective cities. Because of Hope College, Holland was especially favored, with so much talent available.

In short, the different episodes pictured the small beginning of the Reformed church in the Netherlands, the persecution which was endured under the Spanish Inquisition and the eventual triumph of the faithful flock. The scene is shifted to the new world and the Dutch in New Amsterdam ask for a "Dominge," with the call answered by Jonas Michaelius, Emigration follows to the midwest. Educational institutions are added to aid the work of the church and from these go missionaries to work in China, Japan, Arabia, India and in this country among the pioneers, Indians, at Ellis Island and in Mexico. The epilogue shows a glimpse of the future of the church, the work being carried on by the young and ending with representatives from all over the world joining in the final scene.

Ref. Church May Build Large Radio Station

CHRISTIAN REF. SYNOD VOTES TO UNIFY MISSION OFFICES

CONFERENCE AT CENTRAL AVE. CHURCH WILL POSSIBLY ADJOURN LATER PART OF WEEK

The Christian Reformed synod meeting in Central Avenue Christian Reformed Church in its second week of conference has been very busy. The publication committee reported that the Wachter and the Banner, church organs, were in a prosperous condition with a combined circulation of 19,000 and the financial report of these papers showed a surplus for two years of \$18,765.00. Of this amount \$13,000 was donated to the Theological school and Calvin College and the balance invested in equipment.

Nominations for editors of these papers made by the committee are: DeWachter, Rev. H. Keegstra of Holland, incumbent; Prof. L. Berkhof of Grand Rapids and Rev. D. H. Kromminga of Grand Rapids; the Banner, Rev. Henry Beets of Grand Rapids, incumbent, and Rev. G. Hoeksema of Chicago and Rev. E. VanHalsema of Grand Rapids.

A member appointed from each class is on the board of missions and the report was read, filed and some proposals acted upon. Rev. D. Zwier of Holland and Rev. G. J. Vanderiet are the local board members.

Among proposals which received approval was the suggestion to send back the repatriate missionaries from China, Rev. H. A. Dykstra and Miss W. Kalsbeek. They will return this fall. If conditions are favorable the synod indorses the return of Rev. S. A. Dykstra and family, Miss Alice Bode, Rev. H. Selles and Rev. N. DeVries.

The synod has authorized the use of either Dutch or English on the floor during discussion. Reports are being printed in both languages.

A proposal to establish a large radio broadcasting station in Chicago was postponed for two years in view of the fact that East and West Grand Rapids classes already are broadcasting.

The needs of the Indian mission at Rehoboth, N.M., were vividly and graphically presented by Rev. R. H. Pousma, formerly missionary in China but at present medical missionary among the Indians. Dr. Pousma pictured the pitiful conditions on the field in the lack of a suitable well, hospital and heating plant, and as a result of insufficient hospital facilities, it was necessary to place contagious and noncontagious patients in the same building.

Division of sentiment came when the committee's report covered a comprehensive program of expansion, sufficiently large for complete evangelization of the Indian work under the missionary jurisdiction of the church. Some considered it a sacred duty to go forward, others expressed their unwillingness to equip one field at the expense of another and still others felt the program loomed so big it first should be investigated fully before any forward step should be taken.

Synod approved the election of a Christian Reformed board of missions as recommended by the committee, with the following members, one from each class: California, Rev. J. DeJong; Grand Rapids, Rev. H. J. Mulder; Hackensack, Rev. H. Bouma; Holland, Rev. D. Zwier; Hudson, Rev. S. S. VanderHeide; Illinois, Rev. Z. Sherda; Muskegon, Rev. J. Dolfin; Orange City, Rev. W. Meyer; Ostrifland, Rev. H. C. Bode; Pacific, Rev. P. Jonker, Jr.; Pella, Rev. I. VanDellen; Sioux Center, Rev. J. C. DeBruyn; Wisconsin, Rev. J. O. Vos; Zeeland, Rev. G. J. Vanderiet. Three elders also will be elected as members.

Synod granted authority to the board to send some of the repatriate missionary force back to China. Rev. H. A. Dykstra and family and Miss W. Kalsbeek will be returned next fall. If conditions warrant it Rev. S. A. Dykstra and family, Miss L. Bode, Rev. N. DeVries and family and Rev. A. H. Selles and family also will return to their posts in the near future.

Rev. R. H. Pousma was elected permanent medical missionary at Rehoboth, N.M., hospital; Rev. J. R. Kamps was made permanent pastor at Rehoboth. Both men formerly were connected with the China mission, but since have become attached to the Indian work. Synod decided for the present not to favor denominational radio preaching but leave it for the Grand Rapids class to take the initiative when opportunity presents itself for favorable advancement.

The question of amusements was the first matter placed before synod. The report of the committee recommended to urge "all our professors, ministers, elders and Bible teachers to emphasize in this age of prevailing worldliness especially those ethical and doctrinal principles which our people must clearly understand and firmly adhere to in order not to be swept away by this mighty tide."

Strong emphasis was placed on the covenant position of Christians and their children, on the call to spiritual separation and on those ethical principles that have been explained in the second part of the report, which call for the awakening and deepening of spiritual life in general and in keeping the religious life vital and powerful through daily prayer, earnest searching of the scriptures and in engaging in those practical Christian works which are the best weapons against worldliness. Warnings should be given not only in preaching, but also in catechism and Sunday school classes, family

visitation and personal contact and in the school rooms.

Consistories also were reminded that in nominations for or appointments to positions of responsibility in churches careful attention should be paid to conduct in the matter of amusements. The same warnings were extended to other bodies as boards of Christian schools, city missions and other organizations. Consistories also were asked to inquire of those seeking to make public profession of their faith and partaking of the Lord's supper as to their stand and conduct in the matter of worldly amusements, and if it appears they are not minded to lead the life of Christian separation and consecration, not to admit their public profession. The report was read and discussed, but not yet adopted.

Missions at home and abroad again was the central theme at the biennial session of the general synod of the Christian Reformed Churches in America Monday afternoon. Synod voted to grant the Hebrew mission at Chicago \$19,164 annually; the Hebrew mission at Paterson, N. J., \$5,000 annually, and to sustain the mission at Buenos Aires, South America, to the amount of \$2,500 for three years.

The total amount collected for the Jewish mission in two years was \$35,429.69. The committee figured that if the denomination was to properly support its budget for that department it would be incumbent for every member to contribute \$1.10 per year. Rev. J. L. VanTiel was reappointed treasurer. Synod decided all monies collected for the Jewish mission be paid into the general mission treasury.

Rev. R. H. Pousma, medical missionary at Rehoboth, N.M., made another earnest plea for needed equipment in that field. This would consist of a new well at \$20,000, a central heating plant at \$35,000, and a new hospital with equipment at \$150,000. Mr. Pousma stated that the architect's plans for the proposed hospital were drawn with the idea of efficiency and sobriety and were devoid of all frills. It would furnish equipment for 60 patients and also provide suitable accommodations for the nurses. Mr. Pousma stressed the opinion that now was the psychological time to go ahead with a program of mis-

sionary expansion.

Rev. Henry Beets challenged the wisdom of expending such a large amount of money for one particular field when all the other mission fields needed continued aid and support. He pointed out that such an amount would be more than twice as much as given to the two Jewish missions, the China work and more than all the Indian mission work. "It would mean \$300,000 from our people," he said, and emphasized the fact the medical program is too big for the denomination in addition to educational problems, emeritus board, and other phases of church work. He said it should be properly classed under the scope of society problems.

Synod finally decided on the appointment by the board of the committee to study conditions of the Navajo and Zuni fields with a view to drafting a comprehensive program of expansion sufficiently large for complete evangelization of the Zuni and Navajo people under the church's missionary jurisdiction.

Rev. H. J. Kuiper, vice-president, presided at the session Monday afternoon until the return of President H. Keegstra.

Many visitors are attending the sessions.

U.S. AWARDS ZEELAND HIGH 1,000 FOR FARM PROJECTS

Herman Andrews, agriculture teacher, received word Thursday that Zeeland High school had again been awarded federal aid to the amount of \$1,000 for completion of its farm projects. Seventeen projects were completed. Twenty-five boys and girls have signed up for project work in 1928. Ten will specialize in poultry, nine in corn-growing and others in the production of celery and potatoes.

Several members of the poultry project club won prizes on their stock at the local and state shows last winter. Corn raised this year will be sent to the state shows to compete for prizes.

Miss Colombe Bosch, a June bride was given a luncheon and bridge shower by Mrs. Ernest C. Brooks at her home, last Saturday. Most of her friends who will take part in the wedding ceremony, were at the luncheon which the hostess served at noon. Ponies made up a beautifully decorated room.

HE BIT 'EM TO DEATH

Dr. J. M. VanderMeulen, even in his most serious addresses, cannot refrain from interspersing a few good stories now and then. One in particular that brought side-splitting laughter at the high school graduation exercises, was an incident that had to do with the World War and the return of the boys from "overseas." One emotional young lady with an inquisitive turn of mind, felt called upon to ask the soldiers just how many Germans they had done away with. According to the story the conversation runs something like this: "Well, my man, how many Germans did you kill and how?" "I killed two with one hand." "Ah let me kiss that brave hand." The next one killed and wounded two Germans with one hand. The young lady continued the oscillation with that hand. The next one was a fine upstanding Irishman. Said the sweet young thing, "Well my lad, how many did you kill?" "I killed 25, ma'am!" "Also with one hand?" "No," he said, "I bit em to death."

Graafschap Divine Defines "Greatness"

CHRISTIAN HIGH SCHOOL GRADUATES CLASS OF 21

The Holland Christian High School last Thursday evening held its seventh annual commencement exercises at 14th Street Christian Reformed Church. The program was followed out largely as it was printed in last week's issue of the Holland City News, when the list of graduates was also published.

Rev. J. Bouwman of Graafschap made the commencement address on "Christian Greatness." "Greatness is preeminence in a certain sphere," he said, "such as a Ford, Tunney or a Bryan. But the greatness Jesus refers to in asking us to be servants of others is in the field of service. Most worldly greatness, such as that of Napoleon, is secured by forcing others down, but Christian greatness is not attained at the expense of others."

Miss Johanna Boersma played the professional. A. Rosbach, president of the school board, led the invocation, following which the girls' glee club sang two selections. Edward Visser represented the class, speaking on "The Call to Service." The school orchestra played two selections and Tenuis Prins sang a vocal solo. The benediction was pronounced by Rev. P. D. Van Vliet.

The diplomas were presented by Clarence DeGraaf, principal of the high school, following which little Donna Tihols, representing the children of the fourth, fifth and sixth grades, presented a little basket of flowers to Mrs. Everdina Vissia, supervisor of the primary grades the past year, who made a brief response.

Mr. Rosbach said on behalf of the board that the value of the school was evidenced by the splendid class of graduates and that for the first time two of the second generation were graduating. He referred to Miss Gertrude C. Van Hemert, whose mother graduated from the grade school, and Miss Marguerite Ver Hoef whose father was an early pupil of the school.

CARS CRASH AT ZEELAND BUT NO ONE IS INJURED

A triple motor accident occurred on M21 one mile from Zeeland when John Gilbert tried to turn in to his own yard. He was hit by Henry Schuitema of Grand Rapids. Gilbert stated that John M. Burg of Belding was in his driveway changing a tire and this caused him to delay turning off the highway. Gilbert's car was overturned and wrecked. No one was injured although eight persons figured in the smashup.

High School Students Receive Cash Prizes

"THE CALL OF THE BLOOD" WAS THE SUBJECT OF VANDER MEULEN

Superintendent E. E. Fell was in charge of the graduating exercises at the 49th annual commencement at the high school and Dr. A. Leenhouts, president of the Board of Education, handed out 132 diplomas. As each student walked to the platform for a diploma or prize, a round of hearty applause came from the audience that crowded the auditorium to a capacity.

The entire program was given in the last issue of the News, and Dr. J. M. Vander Meulen of Louisville, Ky., took for his theme "The Call of the Blood." The call of the blood is also the call of the past, which is a high call. His advice to the graduates was to make use of the education, which meant sacrifice on the part of many parents. The call of the blood is also the call of the future. Don't shun responsibility. He brought out that this generation can make it possible for the coming generation to live in a land of lawbreakers or of good citizens. Fight the good fight and fight thoroughly and with right weapon, which is the weapon of love and friendship. Courage is another essential, which was brought out in the call of the blood. Summarizing the speech, he said, "The call of the past and the future is to be a friend of man and of God."

Principal J. J. Riemersma presented the prizes as follows:

ALLEGAN MAN KILLED IN FALL—BURIED

Funeral services for John Bowler 31, who sustained fatal injuries when he fell 14 feet to the cement floor of his father's barn Saturday night, were held Wednesday afternoon at 2 from the Frost Gordon funeral home. Interment took place in the Blackman cemetery.

Bowler, who landed on his head, was taken from the farm, two miles south of here, to the John Robinson hospital where he died late Sunday night. He escaped death 15 years ago when an automobile, driven by his mother, plunged through a wooden guard rail into the Kalamazoo river. Mrs. Bowler was drowned.

The father, Charles Bowler and a brother, Cecil of Kalamazoo, survive.

SUNDAY SCHOOL LESSON

Lesson for June 24

Review—JESUS THE SAVIOR

GOLDEN TEXT—Choose you this day whom ye will serve.

PRIMARY TOPIC—Jesus Teaches How to Listen.

JUNIOR TOPIC—Learning to Listen.

INTERMEDIATE AND SENIOR TOPIC—Jesus our Lord and Savior.

YOUNG PEOPLE AND ADULT TOPIC—The Son of God With Power.

For senior and adult classes a good method of review will be to study the principal facts and give the leading teaching of each lesson. The following suggestions are offered:

Lesson for April 1.

Before going to the cross Jesus endeavored to make clear to the disciples the reality of His divine personality and the meaning of His suffering and resurrection. Correct knowledge of Christ's person and work is essential to give peace to the disciples in the tragic hours of life.

Lesson for April 8.

The resurrection of Jesus Christ was announced by an angel and He was afterward seen by many witnesses. Conviction concerning Christ's resurrection is absolutely necessary to effectively witness for Him.

Lesson for April 15.

In order to revive the drooping spirits of the disciples Jesus was transferred before them. Two men from the upper world were sent to converse with Jesus about His approaching death at Jerusalem, the very thing about which the disciples refused to talk. In this transfiguration is given a foreglimpse of the coming kingdom.

Lesson for April 22.

Jesus as a son was faithful to His parents. He had a high regard for the true home. In this lesson He sets forth the truth concerning marriage which is the foundation of the home. Those who are actuated by His spirit will recognize marriage as the ideal law of life.

Lesson for April 29.

Jesus' answer to the question of the rich young ruler concerning what he should do in order to inherit eternal life shows that the one thing absolutely necessary is supreme love to God and that we should be willing to part with everything for His sake.

Lesson for May 6.

While Jesus was resting in the shadow of the cross, the disciples were disputing as to who should be greatest. The leading lesson is that true greatness is expressed in willingness to give oneself in service to others.

Lesson for May 13.

Jesus entered Jerusalem and officially presented himself to the Jewish nation according to prophecy. Jesus exercised his kingly authority in cursing the fig tree and drying out the money changers from the temple.

Lesson for May 20.

Under the parable of the husbandmen who betrayed their trust, Jesus showed the Jews to be guilty of persecuting the prophets and of murdering the Son of God. Man's whole duty is summed up in one word—supreme and undivided love of God.

Lesson for May 27.

Jesus is coming in glory and will enter into judgment with those who have been unfaithful. It is incumbent upon all to watch so as to be ready when He comes.

Lesson for June 3.

Though Jesus was the very Son of God, possessing all power, He was at the same time a real man and craved human sympathy, therefore he took with Him His disciples to the garden of Gethsemane.

Lesson for June 10.

Because Jesus took the place of the sinner, He was despised and rejected of men. The treatment of Jesus reveals the awful wickedness of the human heart. They chose Barabbas instead of Christ.

Lesson for June 17.

On the cross Jesus made the supreme sacrifice for the sins of the world. When the price of redemption was fully paid Jesus dismissed His spirit, thus showing that He had all power.
