NOTICE OF MEETING

To Whom It May Concern—

Whereas, on the 28th day of May, A. D. 1922, an application was filed with Henry Siersma, County Drain Commissioner of the County of Ottawa, for the cleaning, straightening and extending of a certain drain, which said drain was described in said application as follows, to-wit:

Beginning on the N ¼ NW ¼ sec. 7 township of Blenden about 40 rods south and 40 rods west of the NE corner thereof, thence N to the N line of said description, thence N and W on John Klingers land the SW ¼ sec 6 of said town to the west line, thence south about 30 rods along the town line between the townships of Blenden and Olive. Thence west along the north line of Meno Vander Kooi land the S ¼ SE ¼ sec 1 T 6, NR. 15 W. Being also along the south line of Martin Elenbaas land, the N ¼ SE ¼ said sec. 1, thence west on Adrian Hirdes land S ¼ SW ¼ and the NE ¼ SW ¼ said sec 1. Said Town and Range. Thence west to the Welton and Barlow Drains.

Thence west along said Welton and Barlow Drain to the Blenden and Olive Drain the outlet of said proposed drain. Also a branch to said drain commencing about 120 rods more or less east of where said proposed drain crosses the section line between sections 6 and 7, Town 6 NR 14 W. Thence west to the above proposed drain the outlet of said branch. Said branch to be three feet or less in the bottom and the above drain to be five feet wide or less in the bottom.

(The old Elenbaas drain must be closed at the south end after it is cleaned and straightened. It will be called the Elenbaas and Hirdes drain.) and that said drain will traverse the townships of Blenden and Olive in said county.

Therefore notice is hereby given that in accordance with the statute in such case made and provided, a joint meeting of the Township boards of the Townships of Blenden and Olive will be held on the 6th day of July A. D. 1922 at the residence of Martin P. Elenbaas in the township of Olive in said county of

HOLLAND WILL HAVE ANOTHER THREE- STORY BUILDING

THE VISSER BUILDING ON RIV-
ER AVENUE IS PUR-
CHASED

New Building To Cost \$25,000.00;
Will Be 32 x 96 Feet; Three
Stories in Height

The old Visser building directly north of the Holland City State bank for some years occupied by Harry Padnos, now containing a fruit store, has been purchased from John Visser by P. James Boer and Henry Mastman the proprietors of the "Home of Holland Shoe Emporium", now located in the Waverly building, second floor.

The deal was made through the C. DeKeyser Agency and within six months this old eyesore will have disappeared and a beautiful three-story structure will have taken its place.

The young men have done a very thriving business in their upstairs location, and consider that more room in a centrally located headquarters will widen the scope of their business.

The building to be erected will be 36 x 92 feet, three stories high, will be built of red compressed brick, will be of the best construction and will cost at least \$25,000.00.

The ground floor will be occupied by the shoe department, the third floor is to be converted into offices while the second floor has not yet been decided upon.

While now handling a large line of Holland made shoes for men only the stock will be enlarged and ladies' and children's shoes will also be found in the stock.

It is expected that the new store will be open for business by Christmas and the increased business capacity will necessitate a larger sale.

FORMER HOLLAND WOMAN NINETY YEARS OLD

Word has been received in this city that Mrs. William Deming of Buchanan, Michigan, is celebrating her ninth birthday. Mrs. Deming, it will be remembered some 25 years ago lived on Tenth street cross from the M. E. church and her husband conducted an iron foundry directly east of the home which afterward burned.

George Deming the son is now foreman in a large steel mill near Buchanan.

Miss Lalla E. McKay, one of Holland's artists of unusual ability has cordially invited the public to attend a recital to be given by her pupils at the Methodist church on Friday, evening June 30 at 8 o'clock.

GRECIAN THEATER AT CASTLE PARK TO BE DEDICATED SOON

EXERCISES WILL BE ON FIRST
SUNDAY IN JULY. OPENING
ON JULY 4TH

Is Considered One of the Finest The-
aters Of Its Kind Anywhere
In America

An outdoor Greek theater that rivals any yet designed is to be the possession of Castle Park. Work on the construction of the theater has been in progress for the past year and a half, and it is now completed.

The dedication will take place on Sunday afternoon, July 2nd, and the formal opening will be held on July fourth, when a company of Chicago musical artists, including Grace Holscheid, Robert Mc Donald Ruth Breytspraak, and Arthur Kraft, will appear on the program. After the formal opening the outdoor Greek theater will be used for Shakespearean plays, musicals, pageants, and

other outdoor festivities.

The theater which is set in a hollow of dunes, with fir trees all about it, was designed by Wellington J. Reynolds, instructor in the Art Institute of Chicago, and one of Chicago's most distinguished artists, who has been coming to Castle Park the past twelve years and who has done his best work in that beauty spot.

The theater was built by the people of Castle Park as a memorial to

by constructing against the high earthen bank rising upward of 200 feet from the front of the stage, concrete semi-circular seats with steps running through the center from top to bottom. At the base of the steps on either side of the first row of seats are four pillars, finished off with busts of Grecian statesmen. Between the audience and the stage there is a distance of twenty feet of earth, covered with green sward.

HOLLAND'S MILK SUPPLY IS GONE OVER VERY THOROUGHLY

DR. GODFREY AND AIDES ARE
GOING THE ROUNDS OF
THE DAIRIES

Health Officer Godfrey, City Inspector Henry Bosch and City Clerk Richard Overweg are about inspecting farms from which the Holland milk is secured. Monday 17 farms were inspected and possibly as many more will be done today. At least 40 farms with milk outfits are to be inspected altogether.

Every cow in the vicinity has been gone over by a veterinary and the cattle are now all tuberculin tested free from disease. With the first inspection Dr. Godfrey found a great deal of room for improvement. He has however seen a great change for the better and most of the dairies are strictly within the law.

Some dairymen have been warned however and told quite forcibly what the requirements are.

Holland's milk supply from the standpoint of purity can be considered of a high standard.

EXCHANGE CLUB ELECTS OFFICERS FOR COMING YEAR

PROF. WYNAND WICHERS IS
NAMED PRESIDENT OF THE
ORGANIZATION

The Holland Exchange Club held its last regular meeting of the season Wednesday noon. The club disbanded during the summer months of July and August, and resumes its meetings in September.

The annual election of officers takes place the last meeting in June and the officers for the ensuing year were elected as follows:

President—Wynand Wichers.
Vice-Pres.—E. P. Stephan.
Sec'y—C. A. Lokker.
Treasurer—Otto P. Kramer.
Directors—

J. E. Kuizenga,
Charles H. Mc Bride,
August Heuer.

The directors holding over being Wm. J. Olive, Arthur Visscher and John Vanderveen. Harris Meyer was elected as club pianist and John Van Vyven as song leader.

The club will hold its annual picnic at Kardux Grounds the second Thursday in July. B. D. Keppel, chairman of the picnic committee, appointed as sub-committees: Benj. Vanden Berg on eats; Andrew Klompars on sports; G. T. Haan on oil stoves and oil and general detective about the grounds.

Bert Vanderveen of Los Angeles, Calif., is in the city, the guest of the Vanderveen family.

Flora Pennell Parr, wife of Castle Park's founder. The theater is an artistic triumph, showing a stage opening of 75 feet, with walls of concrete on either side rising sixteen feet, and having four pillars capped with balls of concrete. Inlaid in the center of the walls each side of the stage opening there are bas-reliefs recast by permission of the Chicago Art Institute from designs having received prizes for sculpture there in 1920.

These bas-reliefs with the background of dull chipped concrete, give a most delightful effect. The stage is reached from the front by a short flight of steps on either side, at the top of which are natural pine trees set in huge pots of the same material as the walls of the stage.

The stage itself is a work of art. The floor is of silky grass, and it has a background of oaks, spruce, hemlock and fir trees in all their natural beauty.

The seating arrangement is such that accommodations have been provided for 500 persons with an unobstructed view of the stage and surroundings. This has been done

GRAHAM & MORTON CO. BUY A
LARGE SKATING RINK FOR
WAREHOUSE

Two Government Dredges Are at
Work on the Saugatuck
Harbor

The Graham & Morton Transportation Co. is surely making extensive improvements at Saugatuck.

Not long ago they purchased the water front at the foot of one of the principal streets and now the large skating rink has also been purchased and moved to the docks where it has been converted into a commodious and roomy warehouse.

This freight house is nearly as large as the one at Holland and will accommodate all the freight for some time to come.

The building is so arranged that wagons, trucks or automobiles can be driven in under it and thus be sheltered in bad weather.

The government dredge General Meade has been working on the harbor for the past two weeks and will be through by Friday.

A second government dredge, the Keweenaw has been busy the past month together with the tug Industry, and before the week is over Saugatuck will have a harbor 16 feet deep and 100 feet wide enough to accommodate steamers that will be on the Saugatuck-Chicago run.

The Graham & Morton has also chartered the tug Lutz of Michigan City, and this craft will be used to take the large steamers in and out of the harbor.

With the improvements made by the Graham & Morton Co., by the citizens of Saugatuck and the government, the expenditure will not be far from \$100,000.00.

CITY OF GRAND RAPIDS GOES JULY 4—50¢ THE ROUND TRIP

The Graham & Morton Transportation Co. will stage one of their popular excursions on July 4 when the city of Grand Rapids will take excursionists to Grand Haven and return for 50 cents the round trip.

The big white steamer will leave Holland dock at the foot of 8th St. at 1 o'clock (fast or Holland time) returning leaving Grand Haven at 4:30, and arriving at Holland at 6:30.

Ample time will be given the passengers to inspect the beautiful new state park at the county seat.

UNFORTUNATE MAN TAKEN TO CHICAGO

One child is dead and two others are expected to die as the result of a crash Wednesday at Miner lake crossing, four miles from Allegan, when a northbound Michigan Central train struck an auto containing Mrs. Lloyd Howard, her three children and Mrs. James Wheatley and three children.

Mrs. Howard jumped just before the locomotive squarely hit the vehicle. The other occupants were tossed 30 feet with the auto. That all were not instantly killed was considered a miracle. The train was immediately stopped and the injured brought to the John Robinson hospital. One of the Howard children, aged 8, died soon after entering the hospital. Two other Howard children aged 3 and 5, have fractured skulls and physicians say, cannot live. Mrs. Wheatley was cut by glass and bruised and internally injured, it was said. Two of her children were obliged to have their arms amputated. All three were badly cut and bruised.

The Howards and Wheatleys reside near Miner lake and were returning home from Allegan.

SUPREME COURT UP- HOLDS JUDGE CROSS

The state supreme court this week affirmed the decision made more than a year ago by Judge O. S. Cross upholding the right of John J. Hacklander, R. T. Schaffer and David V. Webster of Saugatuck township to keep fishers and muskrat trappers from their lands.

The case originally was tried before Judge Cross at Allegan and the supreme court unanimously affirmed the decree of the local judge.

The case at the time created considerable interest as a great many trappers living at Saugatuck were concerned in the case.

The land in question is land that lies between the Kalamazoo river and Silver Lake. It was the contention of George J. Sewers, the plaintiff in whose name the case was brought that this land, part of which is under water, was public to hunters and trappers using boats on the navigable channels running thru the land.

The supreme court says: "As owner of the soil defendant Webster is entitled to all profits to be derived from such use as can be made of the premises. Muskrat houses dot the marsh and the pelts of these animals command a ready sale and many of the plaintiffs are commercial trappers and claim if they are kept off this marsh, they will be deprived of great gains. But such gains are gathered where they have no right to reap."

PAYS HIGH FOR CELE- BRATING TOO SOON

Martin Machioli was the first victim this year of Holland's ordinance forbidding the shooting of fire crackers within the city except on the 4th of July. Machioli was arrested Saturday night when he was caught in this forbidden practice and Monday when he appeared before Justice Van Schelven he was fined \$4.70, enough to buy a sufficient supply of firecrackers on the Fourth to have satisfied the heart of any normal patriot.

The police department is determined to put a stop to premature fire works. A warning was published a few days ago and since then the nuisance has abated to a large extent; but there are still some who cannot wait until the time for firecrackers comes, and these have to be curbed by police action. The Machioli case is a warning. Arrests will be made whenever possible, and the officers will keep a sharp look out.

MR. GETZ EXTENDS INVITA- TION TO EX-SERVICE MEN

Mr. George Getz of Lakewood farm, Holland's genial host besides sending out a thousand invitations to Holland folks to be his guests on July 4th extends a special invitation to all ex-service men from this vicinity. Here is his invitation:

"I take pleasure in extending to all ex-service men in Holland and vicinity an invitation to attend an Old Fashioned Barbecue at Lakewood Farm on the afternoon of July 4th from 1 to 7 o'clock."

"GEORGE GETZ."

BEETLES, CUCUMBERS AND MELONS

Holland is in the heart of the pickle and melon district and for that reason must be troubled by a pest that this vegetation is heir to. Ottawa County Agent C. P. Milham states that many requests are coming in from this district asking for advice and he gives the following:

The striped cucumber beetle attacks all melon, pumpkin, squash and cucumber vines. They appear as soon as the tender leaves are above the ground as yellow and black striped beetles two-fifths of an inch in length. The adults eat the leaves and often spread with which kills the vines. The larvae attacks the roots. Adults are hard to poison although successive applications of arsenate of lead or arsenate of lime, 5 pounds to 50 gals. of water will kill a large number. Repellents are often used successfully. Gypsum thoroughly saturated with kerosene or turpentine and spread around the hills, or tobacco dust sprinkled on when dew is on plants, or a dust of air slacked lime with which has been mixed flowers of sulphur will drive the insects away temporarily.

Frequent cultivation also aids in repelling insects as does the spreading of commercial fertilizer around the hills. Probably as good a method to follow as any is the thorough poisoning of a few plants and then applying repellants to others giving them to the poisoned ones.

Replanting should be resorted to if much damage is done because a poor stand costs as much to cultivate and care for as a good stand.

A meeting of the Ottawa-Allegan Undertakers Association will be held in Grand Haven on June thirtieth. A business session and dinner will be given. Practically all of the undertakers in the towns of both the counties will be here and arrangements have been made for a large turnout. Definite plans have not been made as yet but the committee in charge has their ideas well in view.—G. H. Tribune. The Holland undertakers will no doubt be found at the county seat on June 30.

The first boat of the season arrived at Saugatuck Saturday morning.

Rev. Mr. Tate made calls in Saugatuck and Douglas on Thursday of this week.

Mr. Arthur C. Lichtenberger, a senior in Kenyon College is a visitor at the Episcopal Rectory.

LIGHT AND POWER RATES TO BE RE- DUCED JULY 1

Beginning July first, there will be a reduction in the electric light and power rates, according to an announcement made by the board of public works. No reduction will be made in the water rates.

The electric light rate now is six cents per kilowatt hour, with 10% discount for prompt payment, making a net rate of 5.4c per kilowatt hour. The new rate, beginning July 1st, will be 5.5 cents per kilowatt hour, with a discount of ten per cent, making a net rate of 4.95 cents per kilowatt hour.

The present minimum charge is 90 cents. After the first of July the minimum charge will be reduced to 80 cents.

Changes will also be made in the power rates. The service charge in power rates will remain the same but the energy charge will be reduced from two and a half cents gross to 2 and a fourth cents gross, with the usual ten per cent discount remaining the same.

The charge for overhead street lights will be reduced from \$31.50 per lamp per year to \$26.50 per lamp year. The charge for the ornamental lamps will be reduced from \$38.50 per lamp per year to \$33.50 per lamp per year.

The board of public works has decided to discontinue the free flatiron service after the first of July. When the family flatiron gets out of order the repairs will have to be paid for; until now such repairs have been made free of charge. The board also decided to discontinue selling electric flatirons on that date.

TRAVEL PICTURES THAT ARE REALLY WORTH WHILE

Considerable adverse comment is often heard relative to mediocre film productions and the sameness of a vast majority of them. Of course that's a matter of personal opinion but we would like to state that the Colonial theater for the past month or more has been filming a feature that is of unusual interest, so much so that patrons who ordinarily do not see or care for the regular run of pictures go to see these.

They are traveling productions gotten out by Burton Holmes that are wonderful. A short time ago the Netherlands was depicted; the next was the Holland possessions in Java, which proved to be the most beautiful tropical production ever shown here. Two weeks ago Old and New Jerusalem was pictured, the Garden of Gethsemane, and other places of interest we read about in bible history. This week Alexandria and other Egyptian cities were shown that are of unusual interest. Mr. Holmes has a faculty of not only giving kaleidoscopic reviews of these countries in pictures but he brings out the mode of living, the habits of the people so clearly that the film immediately brings out a story of the country that he is passing thru.

Holland folks can become quite well traveled because of these instructive pictures. These travel scenes are well worth while and demonstrative really to what instructive use the cinema can be put.

STATE COMMISSIONER GIVES HIS VIEWS ON ROADS HERE

City Attorney Mc Bride has received an answer to his letter to State Highway Commissioner Rogers in regard to road conditions in this end of the county. Mr. Mc Bride's letter was published a week or more ago and the answer is here-with presented:

Your letter of June 8 regarding the condition of the bridge at Holland which is partly in the city and partly in the county on a state trunk line road, and several other roads in the vicinity of Holland has been received and read with considerable interest.

I have directed that a thorough examination of the bridge in question be made and will be willing to make such joint repairs with the city as may be necessary on the bridge proper and have further requested that the hole you complained of be filled at the earliest possible date. Of course this matter of the hole had not been previously brought to my attention.

The maintenance of trunk line roads is handled through the County Road Commissioners who share the cost with the state on a 50-50 basis and since you have a county road commissioner right at your town who can be reached at all time. I think it would be wise to take any matters of maintenance up directly with your commissioners there as they are in a position to know more about immediate needs than we are here in this office. However, we are always glad to be advised if the maintenance of any trunk line road is not up to the required standards.

The other roads which you speak of are strictly county roads and are matters which are entirely within the jurisdiction of your Board of County Road Commissioners.

Again referring to the bridge I wish to say that if the detailed report shows that the bridge should be rebuilt at an early date, even though the present location is not the best one the state will be very glad to consider it whenever the city is in a position to join the state on a 50-50 basis, as the law requires on bridges partly within a city and partly in the county.

Very truly yours,
F. F. ROGERS,
State Highway Commissioner.

Leslie Risto returned from Chicago Saturday morning on the G. & M. boat.

VETERAN TEACH- ER PRESENTED WITH AN EASY CHAIR

The regular quarterly meeting of the teachers of the Sunday School of the first Reformed church was held Friday evening at the home of A. R. and Mrs. B. Stekete. The meeting marked the 50th year of consecutive teaching on the part of Mr. B. Stekete.

The teachers gathered in goodly number. Besides the teachers there were present Superintendents Geo. Schuling, Mrs. Wolvert and A. Nienhuis, also superintendent Wm. Westveer of Third church, Mr. Damstra of Trinity, Mr. Klaver of Fourth Reformed, Miss N. Zwemer, missionary to China. The company numbered 54 in all.

Short addresses were made by G. Ter Vree, A. Raak, Miss Zwemer, Mr. Vandeluis, and the superintendents of the churches represented. A duet was furnished by T. and A. Luidens and a solo by Mrs. A. Stekete.

At the close of the program Rev. Wayer in a neat little speech, presented Mr. Stekete with a nice "Royal Easy" chair on behalf of the teachers, as an expression of appreciation. It was a delightful meeting much appreciated by Mr. and Mrs. Stekete.

GOES INTO MEAT BUSINESS IN GRAND RAPIDS

After working for seven years as a clerk in the market of DeKraaker & De Koster, John Berkompas has severed his connection with that firm and has decided to go into business for himself. He has purchased an interest in the Consumers Market at the foot of Michigan avenue in Grand Rapids and will move to that city to begin his business career there.

Mr. Berkompas has bought the interest in the market from George Hamburg, and he will conduct the business with Lewis Vredevelt as a partner.

ROAD MAGAZINE TELLS OF NEW OT- TAWA BRIDGE

"Michigan Roads and Forests" the official magazine of the state highway department gives nearly a page and a half of its issue this week to a description of the new Ottawa County bridge that is to be built over the Grand River at Grand Haven. The article occupies the first page in the magazine and is illustrated with an engineer's diagram of the bridge. The bridge will cost approximately \$200,000 of which the city of Grand Haven will pay half and the state of Michigan the other half.

The new bridge will consist of one 212'4" swing span, with 100' deck rivetted Pratt truss on the north end and two 100' deck rivetted Pratt trusses on the south end. The overall length from end to end of approaches will be 565'. The superstructure provides a 24' clear roadway inside of curb and carries two 5' cantilevered sidewalks, the roadway slabs being of reinforced concrete and the sidewalk surfaces being of creased yellow pine 2x4 timbers.

The bridge will be lighted by 12 boulevard lights carried on the superstructure and is designed to be operated by 25 h. p. electric motor or by hand power, it being expected that under ordinary conditions one man may operate this structure. Provision is made for using four men for operating the structure in cases of emergency. The only function of the structure to be operated electrically will be the swinging of the draw. Gates will be provided at 100' from the draw openings on each end and these gates will be of the horizontal rotating type hand operated. The center wedges, the end lifting spuds, the end latches, the end wedge blocks will all be operated by hand. All hand operations will be taken care of by the operator from the center of the span.

COMMENTS ON ONE MOVE- AT CONVENTION HERE

In the furniture exposition section of the Grand Rapids Herald, Mayor Stephan is quoted in an interview about the action of the League of Michigan Municipalities in Holland last week in appointing a man who shall go to Lansing next winter to look after the interests of the municipalities. The mayor has the following to say about the idea:

"Municipalities generally allow themselves to go unrepresented at the state capitol during legislative sessions. All the while there are bills going in which are of importance to the municipalities. Sometimes we learn of them before they become laws and sometimes we do not hear of them until it is too late. On the other hand the corporations and utilities keep representatives there all the time, men who are big enough to command respect and who can present the case of the utilities to the very best of advantage. If the municipalities hear of the bills they hastily rush the mayor and city attorney down there. There is no collective action, no program and nothing else by which the municipalities may act as a unit. The result is we frequently get the worst of it."

"Our plan now is to maintain at Lansing some person well qualified to watch all proposed legislation, keep the municipalities informed of what it is and what it means. Make a careful analysis of it all and be ready and able to present the case of the cities when the time comes for hearing and then to work to pass or defeat any bill which is detrimental to the municipalities. I believe it will save us a lot of money and trouble and give cities a good chance to be as well represented as are the corporations now."

John Lokker was operated upon for appendicitis at Holland hospital Friday.

Three Fires in 24 Hours.

The fire alarm has been blowing quite persistently during the last 24 hours.

Reported elsewhere will be found an account of the Harrington fire Thursday afternoon.

At 11:30 Friday morning an alarm was turned in from box 42, caused by grass fire in Kollen Park. The last of it is now burned. The department has been called out there on three other occasions.

At noon fire was discovered in the roof of a dwelling house on 111 East 10th St. Damages were slight. The alarm came from box 13.

PROSECUTOR HAS POSTPONED INVESTI- GATING INJURED BOY

Thus far there are no further developments in determining the blame for the accident Tuesday in which Robert Shoemaker of Spring Lake was seriously injured while alighting from an interurban car in that village. The report from the Hattson hospital was that the lad was resting better and that slight improvement had been shown.

A consultation of physicians was held after which an X-ray picture was taken to determine the extent of the boy's injuries. A fractured skull, a broken left jawbone and a compound fracture of the right leg was shown.

With the improved condition of the boy it is hoped that he will eventually pull through. The report circulated that his recovery was certain did not come from any of the doctors or hospital authorities.

Prosecutor Miles has postponed the investigation of the case until the outcome of the boy and his condition is established.

LOCAL WOMEN ATTEND NATIONAL CONVENTION

Mrs. George E. Kollen and Mrs. C. J. Lokker are in Chautauqua, New York where they are attending a ten days' bi-ennial convention of the National Federation of Women's clubs. Mrs. Kollen is both the delegate of the Central District of the State Federation of Women's clubs, of which she is the president, and of the Holland club. Mrs. Lokker is also the delegate of the Holland club.

The local W. L. C. became a member of the National Association during the past year and it is likely that after this it will send delegates to the convention of that organization.

WHO'S WHO IN BLOM POOL ROOM VOTE?

The vote in the council on Wednesday night on the granting of a license to Will Blom to conduct a pool room has aroused more than ordinary discussion. The vote stood six to six on reconsidering the former action of the council when the petition for a license was denied, and Mayor Stephan decided the matter by voting no.

Since then Mayor Stephan has been deluged by citizens with requests for information as to who was who in the vote, requests coming both from those favoring the granting of the license and those opposing it. In view of the interest in the matter the record vote is herewith given: Yes,—Blue, Brieve, Drinkwater, Brinkman, Vander Hill, Sprang; No,—Prins Kammeraad, Leapple, Lawrence, Wickerink, Dykstra and Mayor Stephan.

Mr. L. H. Tate has returned from Harvard Law school and will spend his vacation with his parents, Rev. and Mrs. M. L. Tate.

Will You Be Here Then?

WHEN your little girl grows up? You might not.

In order to make sure that your daughter will be enabled to complete her education, regardless of what may happen to you, you can establish a trust fund to be devoted to that object. Make it generous.

This can be done in two ways. Accumulate by installments, or deposit a lump sum at the outset. In either case the income should be allowed to accumulate and compound.

We are glad to accept such "Living Trusts" and can begin when ever you are ready.

Call at our office for the new booklet:

LOCALS

Mr. and Mrs. James Muilenberg of Lincoln, Neb., are visiting at the cottage of Rev. Kloote at Central Park. Mr. Muilenberg has been an assistant in the English department at the University of Nebraska during the past year.

At 3:30 o'clock Thursday afternoon both fire departments were called to the Hotel corner, Chief Blom having received a telephone call from the Harrington residence, one half mile south of Holland on Lincoln ave. Both departments arrived to the out-of-town home quickly and succeeded in putting a roof fire out with chemicals.

Thursday night the steamer City of Grand Rapids was crowded with Hope students bound for home. A large number of students were at the docks to see their fellows off.

The ladies of the K. V. P. were pleasantly entertained at the home of Mrs. L. Van Appledorn, E. 32nd street. The meeting was in the nature of a social gathering in honor of Miss Viola E. Pas, who is to be a June bride.

Herold C. Hunt, graduate of Holland High school and now a student at the U. of M., is business manager of "The Michigan Daily," the newspaper published by the students of the University. The last issue of the daily before the opening of the summer school was published this week. As an illustration of the enterprise of the student editors the fact is given that the commencement issue, containing a full account of the exercises, including a fine cut of secretary of state, Charles E. Hughes, the commencement speaker, and a full report of his address, was off the press before the exercises were ended and the edition was sold out within an hour.

Christian Reformed synod, meeting at Orange City, Iowa, expressed as its opinion Thursday that normal training for teachers in Christian grammar schools should not be given at Calvin College, but should be cared for by a society not responsible to the church. Since no such society exists, however, the synod gave its approval of the action of Calvin curators to care for normal training until a society is organized for such work. Synod was advised to retire professors at Calvin when they reach the age of 70.

Henry Kohloff, of Grand Haven, who conducts a soft drink place, was arrested by the Grand Haven police for violation of the liquor law. His arrest was the result of an affidavit which Ferdinand Behm is alleged to have made the officers stating that he obtained liquor at the place. Kohloff was arraigned before Justice D. C. Wachs and discharged, as Wachs held there was not sufficient evidence. It is understood that Prosecutor Miles of Holland is investigating the case further.

A second great vessel of the U. S. merchant marine now bears the name American Legion. In renaming the so-called state boats after presidents, the shipping board made an exception in the case of the steamship Badger which was given the name American Legion instead. The fastest boat of the Munson line also is named after the service men's organization. In renaming the boats the shipping board undertook to rechristen the Leviathan, greatest American troopship, after President Harding, who directed however that the giant liner retain the name she had during doughboy days.

It is estimated that at least 3000 attended the band concert in Centennial Park Thursday night. Anyway it was a large crowd and shows that the local band is appreciated.

Izzy Altman, former proprietor of the French Cloak Co., was in the city Thursday with a party of friends from Cleveland. John Van Tatenhove took the party out for a fishing trip and they left for Chicago on the steamer "City of Grand Rapids" on Thursday night.

Christian Reformed synod meeting at Orange City, Ia., Wednesday elected for the advisory committee in the Prof. Janssen case, Rev. L. J. Lamberts, Rev. T. Vander Ark, Rev. D. Hollebeek, Rev. J. Gulker, Rev. H. J. Kuiper, D. Sjaardema, D. Starr, J. B. Hulst, A. H. Bosch and Y. Veenstra. The committee will study the Janssen case thoroughly and will give its advice Tuesday afternoon. The report of the board of trustees of Calvin College was read, showing the conditions of the institution to be flourishing. The faculty of Calvin advises synod to continue the 4-year seminary preparatory course.

Weather

It is hard to find out in Allegan when a pickle contract is not a pickle contract. In a suit between some Allegan county farmers, the Allegan products Co., has resulted in the third disagreement by a jury in which the farmers failed to recover damages from the company who it is alleged was supposed to take care of their crops of pickles. All attempts to secure compensation for the loss of the crops have been given up by the complainants. Owing to the large crops last fall the company holding contracts for pickles was unable to secure the necessary storage and therefore refused to take from the farmers pickles raised after the middle of the season.

Mrs. Anna B. Masten and Will G. Masten, principal of the Millersburg, Michigan, high school, are spending the summer with Mr. and Mrs. Alfred Sirr at their summer home at Macatawa.

Harry Boersma, Hope '21, who has been teaching at St. Johns high school is visiting friends in Holland.

Sheriff Fortney and his men are still on the trail of the thieves who entered the Buch store in Marne on June 8 taking between \$500 and \$600 worth of goods. It is said the apprehension of the criminals is nearing as pretty conclusive evidence has been gathered by the county officers.

The Willite Co. and Chief Van Ry have put detour signs at every street intersection that leads to the paving work that is being done on River avenue and 17th street. Motorists should heed these signs and thus avoid trouble. Careless motorists have been going over street intersections that have been dug out on these streets causing cavens and in the future the detour signs must be followed strictly.

Holland rifle shoot of June 23 proved the best in its history, when Wm. Wolrding broke all records ever recorded on the local rifle range, scoring 96 out of a possible 100 at 400 yards, a score that will stand for a long time. Other good scores were those of Neal DeWaard, who scored 86, Henry Koop 84, Dick De Waard 81, Sam Althuis 76, C. A. Bigge 70. Next shoot July 12 at 5 p. m.

John Szymanowski of Grand Haven, who was arrested for violation of the liquor law was taken to Grand Rapids and examined before U. S. district court. He waived examination and furnished \$500 cash bail for his appearance in the federal court Monday morning at Grand Rapids at 9 o'clock. He was nabbed by Grand Haven police Thursday while driving along in his flivver with a cargo of booze.

A farmer with a Ford came to the city the other day and caused all the pedestrians to look around in order to find out what the reason was that the man was honking his horn more than seemed necessary. Upon investigation it was found what was supposed to be a screechy whistle was two bags full of wee pigs which had got to scrapping because of their close confinement.

Mr. and Mrs. E. J. Blekkink left Monday on a trip for Toronto, Canada, where Mr. Blekkink will attend a convention of Theological professors. This convention is held every two years, the first meeting being held four years ago at Harvard and two years ago at New York, while this year the convention is held in Canada in Toronto. The Blekkinks will also visit the Thousand Islands and will be away from Holland for about a month.

J. H. Baer of Detroit was the lowest of the eight bidders on the concrete abutments for the new bridge which is to be built over Grand river between Grand Haven and Spring Lake. His bid was \$97,340. W. H. Gillen of Milwaukee was second lowest bidder and J. B. Rusche of Grand Rapids third. Bids on the bridge proper will be opened soon. When finished the span will cost \$200,000 and work will begin July first, the structure to be completed in about a year.

Venhuizen, and the Misses Cora De Witt, Gertrude De Witt, Helene Nykamp, Bertha Rutgers, Dora Schermer, Jeanette Mulder, Bertha Huizenga, Maggie Wierda, Josie Van Zanten, Jessie Brandama, Mae Niewold, Delia Ratering, Margaret Slaghuys, Rena Bouwman, Elizabeth Wentzel and Dora Wentzel. Miss De Witt was the recipient of many beautiful and useful gifts.

A controversy in regard to closing up of the alley next to the Yonker Plumbing shop was settled Wednesday night when the council allowed the alley to be closed provided that the Yonker Co. would remove the proposed building if asked to do so by Dick Schaftenaar within five years.

Rev. A. Vennema, D. D., of Passaic, N. J., president-emeritus of Hope college, has been the guest of Mrs. A. Vischer, 630 State-st., during his stay in Holland in attendance upon the meeting of the Council of Hope College. Dr. Vennema occupied the pulpit of Hope church on Sunday morning, and left on the noon train Thursday to visit his brothers in Chicago and Menominee, Mich. His friends note a considerable improvement in the condition of his health.

One more fire has been added in the last 24 hours making four in all. An alarm from box 54 was turned in which was found to be a grass fire on College and 24th street.

Mrs. David Van Houten, aged 78, died Friday at her home at Central Park. She is survived by a son and daughter. The funeral was held Monday afternoon at one o'clock at the home, Rev. Mr. Elliott officiating. Interment was at Allegan.

Chief Pippel and Officer DeWitt were driving on Columbus-st., in Gr. Haven and found John Szymanowski with a Ford car loaded with nine gallons of the kick producing fluid. They arrested him and lodged him in jail until the matter is settled by trial.

A surprise shower was given on Thursday evening by the Misses Madge and Gertrude Mulder in honor of Miss Gertrude De Witt. The evening was delightfully spent with games and dainty refreshments were served. Miss De Witt received many beautiful and useful gifts.

A miscellaneous surprise shower was given Thursday night in honor of Miss Anna Hoffman, 1 W. 17th street who is to be a June bride. About 20 young people were present and many beautiful gifts were received. The main feature of the evening was a mock wedding. A three course luncheon was served.

Mr. Harold Wierks, Hope College student, left for his home in Hoppers, Ia., Thursday night.

A surprise party was held at the home of John Westbroek Thursday night to celebrate his 18th birthday. About thirty young people were present and prizes were won by John Westbroek, Wm. Elnink and Sena Ten Hoer. Consolation prizes were won by John Dykstra, John Westbroek and Edward De Groot.

She is survived by her father and mother, five sisters and seven brothers. Rev. G. B. Fleming officiated at the funeral and interment took place in Pilgrim Home cemetery.

James Dyke son of Mr. and Mrs. Frank Dyke, W. 15th street returned room the University of Chicago with his Ph. B. in his pocket. He arrived accompanied by someone else too, an estimable young lady named Miss Martha Westwick of Galina, Ill. who will be the guest of the Dykes during the summer. Mr. Dyke graduated from the Commercial department of the Chicago College.

A survey of the inland lakes of Michigan show that encroaching vegetation and the deposition of mari and silt is filling them up, and that in a million years or so most of them will be dry plains with trees growing on them.—Detroit News. Dr. Vail at Waukazo also gives us some such idea about carp fishing. Shucks then what's the use of all that trouble learning to swim?

Although a few years ago a determined effort was made to eradicate the common tall-growing barberry from Michigan, there remains enough of it to still endanger the wheat, and so another strong effort is to be made to clear out the remainder. This does not apply to the Japanese barberry the thorny low-growing shrub so much planted about homes, which is harmless. The dangerous kind is such on'y because it harbors the rust germs that when passed on are extremely destructive to wheat. This is not by any means the only fungus which exists at first on one sort of plant, without harm to it, and then goes to another and creates severe loss. It is estimated that within four years time this rust caused loss in Michigan wheat equal to 3,100,000 bushels. Nine groups of experts will tour the state, be polite to them when they call on you tell the truth and help wield the pointed spade against the robber.

A delightful birthday party was held Friday afternoon at "Linger Longer", Virginia Park, in honor of Master Victor Chervon, Jr., it being his fourth birthday. A large assortment of presents were received. Games were played under the direction of Misses Julia and Mary Chervon. A dainty luncheon was served by Mrs. Chervon, assisted by the Mesdames John Vaupel and Henry Maatman. The center-piece was a beautiful birthday cake artistically decorated with four candles. Those present were: the Misses Carma Coster, Robin and Hazel Hanson, Pearl and Leona Leighart, Marion Gilbert, Pearl Telgenhof, Eunice and Mary Jane Maatman, Mary Jane Vaupel and Anita Chervon, Masters Robert Dorian, Kenneth Coster, Donald and Harold Leighart, Donald Ver Hill and Victor Chervon Jr.

Central Park on Black Lake is now called "Saints' Rest" for the reason that so many dominies, some thirty in number, make it their headquarters for the summer months. Apparently there is not much rest at Central Park this year as a score of cottages are being constructed and a regular building boom is on. The West limits of the city of Holland stops at the ice houses. However building has been so extensive that nearly all the available property is occupied up to and including Central park. There is so much activity, we fear that the "Saints" will become restive rather than rested.

The Beechwood picnic was held on Friday in Pine Grove. A large number was present and it was added to when the fathers appeared later for "eats." Many games were participated in by the children such as cracker eating contests and races. The hanging contest for boys and girls was great fun for all. The ladies had a slow race, the one who could walk the slowest won the prize. Many delightful prizes were earned. Lemonade was served all day and coffee at supper time. Everybody was given a bag of peanuts and candy. Due to the efforts of Mr. Schuiling, chairman of the picnic committee and his able assistants, Mr. A. White and Mr. C. Emmick, and Mr. R. Van Til, a delightful time was had by all.

Mr. and Mrs. Sears McLean, Mr. and Mrs. Charles McBride, Mr. and Mrs. Abe Cappon, Mr. and Mrs. J. A. Vandervliet, Mr. and Mrs. John Van Tatenhove and Mr. and Mrs. Albert Joldersma left Monday morning for Sturgis, Mich., to attend the state convention of Exchange clubs. The three cars well loaded started from Holland early. It is stated that the city of Sturgis has a big time ahead for visiting guests.

Miss Clara Yntema, daughter of Mrs. D. B. Yntema and a member of the faculty of Hope College, has gone to Madison, Wis., to attend summer school there. Mr. Theodore Yntema, student at the University of Illinois, is spending the summer in Chicago attending a summer school at the University of Chicago.

While riding his bicycle which he just purchased, Gerard, the eleven-year-old son of Mr. and Mrs. G. De Jonge of Zeeland had the misfortune of fracturing his arm above the elbow. He was steering to the side of the road as an auto was approaching and the bicycle skidded from under him causing him to fall with the above named results.

Harvey P. Petit, who is well known in Holland as a former mathematic instructor at the Holland high school, and in music circles on account of his ability as a pianist and organist, was awarded the degree of Doctor of Philosophy at the U. of Illinois.

Holland defeated the Beverly Independents Saturday at Waterworks park by a score of 10 to 6. The Beverly pitcher went wild walking 11 men during the game, C. Smith the Holland shortstop getting in as many as five passes in as many times at the plate. Steggerda of the Holland team fanned 11 men, and Mullies also let 11 men whiff the breeze.

Quite an examination class presented themselves at the Holland postoffice Saturday. The examination was for the purpose of selecting a rural mail carrier on a new rural route to go from Fennville. The following candidates have their applications filed: James Harris, K. J. Weaver, A. Lamoreaux, C. Holben Harold Barrington, John Bieler, Horace Dekker and W. B. Two frame structures were burned in Fennville Wednesday morning early, doing damage of nearly \$5000. The places of business destroyed are the carpenter shop of Elmer Schaeffer and the millinery store of Doris and Gladys Purdy. The Schaeffer store was a complete wreck after the flames had been extinguished, the tools and stock being destroyed with the building. The majority of the Purdy stock was saved but the building was consumed. The fire lasted one hour before the fire department was able to put it out.

The Grand Rapids Press of Wednesday publishes a cut of Prosecutor Fred T. Miles of Holland and the following has this to say about the Holland attorney: "According to Prosecuting Attorney Fred T. Miles drunk and disorderly cases which have come under his jurisdiction have tumbled since prohibition went into effect to practically none. Before the state went dry the highest number of cases in any one year since 1911 was 536 and the lowest 202. Since then the highest number of cases for habitual drunkenness were listed for 1920 at 26, while the minimum number was 3 during the last six months of 1918. Mr. Miles is seeking his fourth term."

A service truck line is being started between Holland, Grand Rapids and Muskegon by A. Woltman and A. Palmer. Long distance hauling will also be done and the partners are planning on purchasing a one and one-half ton International speed wagon. If business warrants additional means of transportation will be procured. The Grand Haven headquarters are the Auto Sales and Service company.—G. H. Tribune.

The Reformed denomination will increase its representation in the foreign mission fields by 11 workers. They will sail for the orient within a few months. Those commissioned by the board of foreign missions are: Miss Dora Eringa and Miss Gerald Mokma of Central college to Japan; Florence Walvoord, Gladys Hildreth, Rev. These men will also visit the company's large beet farm while at St. Louis. Mr. McLean states that the acreage is up to expectation and that the crop in all three factory districts is looking fine.

Spring Lake will be the place selected to hold the 36th annual Sunday School convention of Ottawa County according to George Schuiling of the local postoffice who is the president of the association. An organization has been effected with Rev. W. Teeuwissen and Dick Groenweld of Spring Lake, respectively president and secretary, and committees will be appointed this week to arrange for the details. Ex-mayor John Vandervliet of Holland and Dr. Mulder of Spring Lake will have charge of the music.

A man by the name of Lewis Clapp of Seattle, Wash., is visiting Allegan after an absence of 40 years. Clapp installed the first telephone, a home made affair in Allegan the wires leading from the Clapp residence to the store of I. F. Clapp an uncle. The telephone receiver was made of small pine boxes with a hole in the center over which a piece of bladder was stretched. In the center of the bladder the wire was fastened at both ends to large buttons. Parties on either end were gotten to the phone by striking the button and the vibration brought the parties called. The phone worked very satisfactorily and was considered quite an invention in those days.

Word has been received from Chicago of the marriage of Wallace J. Olson to Miss Florence Northcott of LaGrange, Ill. on the 7th of June. They will be at home to their many friends July 1 at 435 Huntington Av. Buffalo, N. Y. Mr. Olson has been in the East for the past two years in the interests of the White Motor Co. Wallace J. Ling of Meers has completed a 4-year course in civil engineering at the U. of M., and has been assigned a position with the government, but does not know where until he arrives at Washington. He leaves for Washington Wednesday morning. The remarkable part of this performance is the fact that Mr. Ling has just passed his 21st birthday.

MONEY IS LIKE A STREAM OF WATER

Did you ever stop to think of a stream of water—how it flows through your city or past your home—day after day and year after year? But the moment a dam is built and the water stopped—or even part of it—the streams becomes a constantly widening and deepening reservoir of power, with all its significant possibilities of usefulness.

Saving money is like building a dam across a stream. You can let your money come and go, as water in a stream, or by forethought you can stop some of the outgo and pile up for yourself week by week or month by month, the savings which in later years will add to your independence, to your ability to take advantage of new opportunities, and to the comfort you can get out of life.

GETS VESSELS FROM ALTARS OF ANCIENT CHURCH PROPERTY

Twelve years ago Clara Russell of Hudsonville was left an orphan by the death of her father, Sylvester Russel, her mother having died 3 years before. They were living at the time of her father's death near Mt. Forest Ont. The few personal effects of her father were sold to defray the expenses of his funeral and Clara was adopted by a family named Morris, who soon after moved to Detroit, where Clara was brought up and educated. Her only other living relative was a maternal uncle who however, did not interest himself in his orphaned niece, except to send her some substantial Christmas presents each Christmas. The uncle was well-to-do and suffered somewhat so the story goes, on account of having been actively identified with the insurgents in the Riel rebellion uprising many years ago. Last April this uncle died and left all his property to Clara, who in the meantime had moved to Ottawa county and married Fletcher Krima. They were living on a rented farm when the tidings of the uncle's death reached them.

A few days ago Mrs. Krima received a box from her uncle's executor. The box was large, heavy and made of spruce boards dovetailed together. It showed great age, but was sound and secure.

When the box was opened the surprised woman found therein several gold and silver vessels of communion sets, several silver candlesticks and a roll of silk robes which undoubtedly had done service in some Catholic church, pillaged during the insurrection. The box contained many pieces of silver tableware and a purse of money.

By the provisions of her uncle's will she becomes owner of property in Toronto, Montreal and Hamilton, besides a farm near Coburg, on the north shore of Lake Ontario.

Accompanying the box of goods was a letter, the contents of which Mrs. Krima refuses to make public but she says that the farm is hers only in trust for her eldest son, Herman. The rest of the property is hers without reservation.

Just what she will do with the gold and silver plate that had once been church property she does not say, but its value is great.

Mr. and Mrs. Krima leave shortly for Montreal, there to reside in the future.

OTTAWA FURNITURE COMPANY BRING OUT UNIQUE AND BEAUTIFUL FEATURE

Betsy Ross, mother of the American flag, has come into her own again, says the Grand Rapids Herald, and her picture hugging the flag she made and loved, hangs from the walls of the beautiful space of the Ottawa Furniture Co. in the Manufacturers building.

There's a reason for this and that reason is similar to the reasons why other lines have added a patriotic touch in some unique manner, the reason being to properly set off the colonial design now growing so popular in furniture.

Beneath the picture of Betsy Ross in the Ottawa Furniture Co.'s finely arranged space sits the Betsy Ross dining suite, a worthy tribute to the mother of the American flag. It is an apartment suite destined for small dining room where space must be conserved. Colonial in design, of course, it is lightly built without, however, sacrificing any elements of strength. The full beauty of the Betsy Ross design has been brought out by the inlay of the drawers, the ornamental moldings and pulls and by the soft-duo-tone finish on a butt veneer of remarkably beautiful figure. The idea of a Betsy Ross design was an inspiration and this dining room suite in American design is altogether worthy of the name it bears.

Another feature of the Ottawa display is an exemplification of Ottawa construction which is shown a buyer immediately upon his visit to the space and before he has looked over the furniture. An exhibit of workmanship and finish of all exposed parts has been arranged so that one may see and handle and examine all the construction and know how every suite is built before he goes to look at them. It is then merely a case of what designs hold the greatest attractions.

The Ottawa Furniture Co. was one of the first concerns in the nation to manufacture complete matched dining room suites. This season the line is particularly strong there being no less than 21 suites on display in the show space on the third floor of the Manufacturers' building.

Messrs. P. Weller, A. Weller and N. I. W. Kriek left for Detroit to attend the American Nurserymen's convention which is being held at the Wolverine Hotel, June 25-30, where they will be joined by Henry Weller who is on an extended business trip through Michigan.

Miss Christine J. Brook left for Kalamazoo to attend the Western State Normal School this summer.

Lester Venhuizen and Wm. Hall, of the Venhuizen Auto Co. drove in two new Dodges yesterday from Detroit.

The Young Ladies' Mission Band society of Trinity church enjoyed an outing at Ottawa Beach Tuesday night.

Esther and Maybelle Mulder have left for Bayonne, N. J., where they will spend about five weeks with their sister, Mrs. C. B. Muste.

Mr. and Mrs. "Hank" Beiger of Mishawaka, Ind., have arrived for the summer and are at their cottage at Macatawa Park on Mishawaka avenue.

HOLLAND HAS \$750 FIRE MONDAY NIGHT

Shortly after 1 o'clock Monday night an alarm was turned in from box 31, located at the corner of Central avenue and 13th street for a fire that started in a barn belonging to Gerrit DeVries, janitor of the high school who lives on East 14th St.

Mrs. L. Mulder, whose home is directly to the west was awakened by the crackling of the flames and found that everything was illuminated. Mrs. Mulder immediately saw that the barn of the neighbor was afire and gave the alarm.

When the firemen arrived the DeVries barn was practically a mass of flames and the fire soon communicated to the barn directly to the north belonging to John Hameling of De Grootwet office.

The DeVries barn was totally destroyed while the Hameling barn was pretty well ruined.

Mr. DeVries had two new wheels stored in the barn and also a consignment of furniture.

Painters who were painting the house also had a great deal of paint stored and the supposition is that some waste rags deposited there started spontaneous combustion. A large number of chickens in the Hameling barn were saved, with the exception of one or two as far as can be ascertained.

The firemen were on the job very promptly but the fire had gained such headway before the alarm was turned in so that the saving of the building was practically impossible.

Gerrit TerVree of Co. No. 2, was slightly overcome by smoke. Chief Blom however immediately took care of him and had him taken home in an automobile.

It is estimated that the total damage is about \$750 partially covered by insurance.

GRAND HAVEN HAS HAD NO FIRES IN FIFTY-SIX DAYS

The first call that the Grand Haven fire department has had in two months was turned in Sunday morning by neighbors at 438 N. 5th-st., Grand Haven. Jenkins has been stuffing the stove with a large quantity of paper and a large amount of smoke appeared. This caused the alarm which sent the fire department hurrying over the pavement in response to a call for the first time since the 29th of April. The record is 56 days without an alarm.

This is quite a showing and even now the "fireless" record is not spoiled as the Sunday affair was a false alarm. The good showing still remains though it had been hoped that a full sixty days of relaxation for the members of the department was due in fact, it is stated that one prominent official was considering stuffing the fire bell in order to gain the coveted record.

STEER FOR BIG BARBECUE HAS BEEN PICKED OUT

The steer that is to be used at the barbecue at the Lakewood Farm on July fourth when a large number of Holland people will be entertained by George Getz has not yet been slaughtered but it has already been marked for slaughter. It is now in a pen in Chicago in the Swift & Co. plant and when the time comes it will go to the slaughter house to be prepared for shipment to Holland.

And it is a big one—the biggest that James De Koster of DeKraaker & DeKoster could get. That firm received an order from Mr. Getz for the steer and Mr. De Koster paid special attention to getting a fine animal. It will weigh over six hundred pounds dressed and is just the right kind for a barbecue.

Railroad crossing approaches on all state highways including Holland are to be oiled for a distance of 500 feet, it was announced by the state highway department Friday. The announcement followed a decision of the state public utilities commission that a number of crossing accidents have been due to dust. Several bad wrecks have been reported on the crossings where open views of the tracks are accorded in both directions, and the commission lays the blame to dust clouds.

Mr. and Mrs. Henry Green, who left Allegan four years ago to make their home in California, have returned to Allegan, being convinced that Michigan is the only place to live. The Greens believe in "Michigan, My Michigan."

A moonshine special left Grand Rapids for Detroit with 59 moonshiners. The train surely could not be waiting for light. The booze-makers are now serving in the Detroit House of Correction.

John Aiders of Forest Grove is at Holland hospital where he submitted to an operation for the removal of cataracts from his eyes. The man it is said was becoming blind because of the cataract.

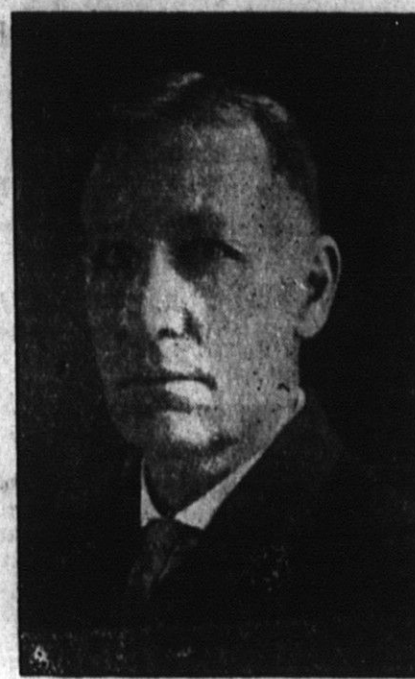

The news reached Holland Monday of the death of Rev. Dirk Scholten, at Inwood, Ia. Rev. Scholten is a graduate of Hope College and well known here. The funeral was held Tuesday, June 27, at the First Reformed church at Alton, Ia.

Captain T. D. McDonald of Grand Haven has been appointed to the command of the Graham & Morton steamer City of St. Joseph.

Miss Helene Van Raalte left Friday for a five weeks' visit with Rev. and Mrs. Anthony Van Westenberg, at Newark, N. J.

BEN BROWER TO BE A CANDIDATE FOR COUNTY TREASURER

A thoroughly efficient candidate from Holland in the person of Benjamin Brower has made it known that

he wishes to try for the office of county treasurer and asks for this nomination on the Republican ticket.

Mr. Brower has for several years been identified with the First State bank as an accountant and of late has been connected with the Holland canning company.

For a number of years he has been the treasurer of the South Ottawa and West Allegan Fair Association and has held many positions of trust including that of alderman of the city.

HOPE GRADUATE GETS DOCTOR OF DIVINITY DEGREE

"The Continent," the official publication of the Presbyterian church, in its current issue, contains the information that the degree of Doctor of Divinity has been conferred upon Rev. George Korteling, pastor of a Presbyterian church in Olweein, Ia., by Lennox College, of Lennox, Ia., a college of that denomination.

Dr. Korteling is very well known in Holland, and frequently visits here, being a son-in-law of Mr. and Mrs. John Kollen, 45 E. 12th-st. He is a graduate of Hope College and served in the Indian Mission of the Reformed church in Oklahoma before entering the Presbyterian denomination.

DEATH ENDS SEVEN YEARS OF MISFORTUNE

After a period of illness and misfortune lasting over the past seven years, Lester Elferdink, son of Mr. Henry Elferdink, passed away early Tuesday morning. The last fall while driving home a car for a friend received injuries that hastened his death.

His passing will be mourned by a host of friends and schoolmates who have known the boy's wonderful spirit of cheerfulness and courage in spite of his serious handicaps. As a student at Holland high school he was prominent in its activities. He was a member of Dnaloh High and was this year treasurer of the athletic board until illness compelled him to leave school. Had he been able to continue he would have graduated last week.

Besides his father, the boy is survived by three brothers and two sisters.

The funeral of Lester Elferdink was held at 2 o'clock Thursday afternoon at the home, 346 River-av. and at 2:30 at the 3rd Reformed church. The funeral at the home was private.

TO OBSERVE TWO ANNI- VERSARIES NEXT WEEK

Saturday, July 1, Rev. and Mrs. William D. Vander Werp of Drenthe will celebrate their 25th wedding anniversary. Both are well known in Holland and vicinity. Rev. Vanderwerp having been the first pastor of the Maple Avenue Christian Reformed church of Holland, and also having held pastorates at Zeeland and East Saugatuck.

Sunday, July 2, Rev. Vander Werp will commemorate the 25th anniversary of his ordination as a minister of the gospel. Special services will be held at Drenthe church at 1:30 in the Holland language and at 7:30 in the English language. All friends are cordially invited to attend.

Since coming to Drenthe Mr. Vanderwerp has been very successful in introducing the American language in the different departments of the church activities. From a church using the Holland language exclusively, it has changed to using the English language in all its gatherings with the exception of two Holland services on Sunday. The Sunday school has doubled in attendance, an adult Bible class has been organized, and great interest has been stirred up in all the organizations.

The Ottawa county board of supervisors met Tuesday morning in the court house and after business of a minor nature they listened to a lecture by Dr. B. J. Kilham, veterinary, of the state bureau of animal industry. About 12 counties have taken up the work now and Ottawa county should get in line as there are said to be deplorable conditions among many herds in the county.

The supervisors will meet Wednesday and Thursday. The important business of equalizing will be taken up before the body has been in session very long as that is conceded to be the main business. In the meeting the need for measures to stamp out tuberculosis among cattle was referred to the committee on health.

MANY CONTESTS ARE SCHEDULED AT LAKEWOOD FARM

There is to be a big time at Lakewood Farm on July fourth, when George F. Getz will be host to a large number of people from Holland and vicinity and when a six hundred pound ox will be the victim of a barbecue. Mr. Getz is anxious that all his guests on that day shall have a good time and he has announced a tentative program of sports. In many of these sports competitive teams will be arranged, which will make the fun all the greater and which will give greater zest to the contests.

Here is a list of the events to be pulled off in the course of the day: Tug of War, men and boys; nail-driving contest, women; potato race, men, women, girls and boys; banana eating contest, men and boys; pie eating contest, men and boys; flag race, boys and girls; sack race, men, boys, and girls; coin hunting in flour, men and boys; greased pig (large) catching, men; greased pig (small) catching, boys; greased pole climbing, men and boys; three legged race, men and boys; cracker eating race (whistling) men and boys; wheelbarrow race, men and boys; foot races of various kinds for women, men, boys, and girls; fat men's race, over forty years and over 200 lbs.; bobbing for apples, men and boys; pillow fight, men; "Getting the Raisin" free for all; baseball between two teams from Holland.

There is plenty of chance here for all kinds of talent in the sport line, and when the contestants have done their best to win one or more of these contests they will be more than ready for a generous chunk of the roast ox that will be simmering over the open fire all the time that the contests are in progress.

Mr. Getz has also provided for an orchestra of six pieces for dancing in the evening. There will be opportunity for dancing on the big porch and on the tennis court.

Hon. G. J. Diekema has been appointed by Mr. Getz to take charge of the speeches and he is arranging for a number of good speakers from different parts of the state. There will moreover be community singing during the afternoon, and at night there will be a movie. Arrangements are also being made to have a radio-telephone in operation.

CONVERT DUMPING HOLE INTO A BEAUTY SPOT

The conversion of a dumping hole into a beauty spot is perhaps about as admirable a work as any one can engage in, and two business firms of the East End are now doing just that. For years the creek running just east of the city limits on the Zeeland road has been more or less of an eye-sore. There was nothing wrong with the creek itself, but the hollow through which it ran was made a sort of dumping ground. That road is the main entrance into the city and each year thousands of people, coming from the Grand Rapids direction get their first impression of Holland from the appearance of that spot. And in past years that impression has not always been a favorable one, but on the contrary very unfavorable.

So H. P. Zwemer & Son and Vandenberg Brothers put their heads together and evolved plans for improving that site. The creek north of the road has been covered with a culvert and the hollow has been filled in with many loads of sand, covered over with many loads of clay. The layer of clay is a deep one with the idea of growing a beautiful lawn there. Beyond the end of the culvert the creek is confined between concrete walls for about 60 feet so that it will not overflow and spoil the work that has been done. Grass has already been sown and before the end of the summer it is expected that the place will have the appearance of a miniature park.

By covering the creek with a culvert, it will be possible to build a sidewalk along the concrete road, thus eliminating danger to pedestrians.

Vandenberg Brothers have remodeled their office and have put a basement under it and work has already been started for an office building for the Wolverine Advertising Company.

The whole thing is a bit of improvement that will be a great asset to the whole east end.

PORT SHELTON WOMAN DIES AFTER LONG ILLNESS

Mrs. Frank Davis, aged 54, died Wednesday morning at her home in Port Sheldon after an illness of many years. She is survived by her husband, two sisters, Mrs. Wegner of Deshler, Neb., and Mrs. Carl Sternburg of St. James, Minn., and one brother, Mr. Fred Fricke, of Geneseo, Ill. The funeral will be held Friday forenoon at 9 o'clock, standard time, Rev. G. B. Fleming, officiating. Interment will take place in the Montague cemetery.

RUMOR UNFOUNDED THAT POOLE PLACE IS SOLD

The Poole place on the Park road, one of the best known places in this section and often pointed out for its austere beautiful architecture, is to be sold. George E. Clements, as trustee for the Poole estate, has the sale in hand and he has a number of negotiations under way one of which is expected to result in a sale before very long.

There was a rumor current the past day or two that the sale had been closed and that the place had been disposed of to Dr. W. G. Winter. Mr. Clements Tuesday denied this rumor and said that the place was still in the open market for anyone who wishes to make a deal.

MANY COLORED AUTO PLATES ARE WITH US AGAIN

The tourists are with us again and from now on until September they will be coming and going, up and down the West Michigan Pike. Auto mobile license plates that may be seen on the streets these days form an interesting study. They are from all over the land. Perhaps an Illinois car is standing next to a car from California. Or a car from Florida or New Mexico or Pennsylvania may be crowding a flivver that is native to the streets of Holland. They are from all localities and done in all colors of the rainbow.

Unlike many another town, Holland has not yet established an auto camp for the accommodation of the tourists. One tourist who came to Holland said that these camps are sprinkled all over the West. Hardly a city or village in the great western states but maintains an auto camp at public expense. In some of those places a caretaker is employed by the municipality, and some even go so far as to provide camp kitchens, camp baths and many other conveniences all for the accommodation of the tourists, and they are all provided free of charge.

And this is not because the cities and villages of the West are so much more open-handed than the cities and towns in other sections. These things are all done because they pay in dollars and cents for the towns. The tourists came to the camps and spend their money in the towns that provide them, and the net result at the end of the summer is a substantial profit for the people of the town as a whole.

Holland is right on the main line of travel of the West Michigan Pike which is fast becoming a favorite route of travel of the auto tourists, and the experience of the towns in the West is a good object lesson of what that kind of thing does. So far Holland has neglected an advertising feature of great value, and other West Michigan towns, Allegan for instance, are taking opportunity by the forelock.

AUTO PARKING AT LAKEWOOD FARM PRESENTS PROBLEM

The parking of cars at the Lakewood Farm on July 4th, when the big barbecue is to be held there, presents quite a problem, as automobiles will be about as thick as fleas. In order to avoid congestion Mr. Getz has made the following arrangements for which he asks publicity: "I have asked the sheriff," he writes, "to be present, and he has kindly consented to come with one or two of his men, to help direct the traffic, and I have asked permission of the authorities to rope off the road leading west from my east gate, that cars may come there and unload and turn and park on the north and south roads."

"It is my personal wish that my guests and friends help me in this matter and assist the authorities by complying with the above, which will greatly facilitate handling the crowd; and also, should there be a wind, keep the sand dirt, dust, etc. from blowing, and also keep the road west of the gate in good shape for pedestrians."

THREE HOLLAND GIRLS TO TOUR EUROPE

Miss Ruth Blekkink, daughter of Rev. and Mrs. E. J. Blekkink, and the Misses Neila and Helene Meyer, daughters of Mr. and Mrs. A. H. Meyer left for an extended trip through the British Isles and Europe. They left by way of Canada to Montreal from where they will sail for Liverpool England.

Their itinerary will be England and Scotland, they will then cross the English channel for France, taking in Paris and other points of interest.

Holland and Belgium will not be forgotten and the intention is to take in Italy and Austria also. The girls are also inclined to climb the Matterhorn in Switzerland.

The young ladies are expected to return to the U. S. the forepart of September.

Principal and Mrs. J. J. Riemersma left Friday for Madison, Wis., where Mr. Riemersma will take a summer course at the Uni. of Wisconsin.

WHAT GRAND HAVEN CITY NURSE HAS BEEN DOING

Although Miss Laura A. Norcross, Grand Haven's city and school nurse has been on duty less than a year, she has found an increasing demand upon her services. Miss Norcross has a desk both at the city hall and at Central school, handling both school and city cases. Miss Norcross has conducted many examinations of children in the public schools and in many cases defects have been discovered and remedied through treatment which will bring health to the children in mature age.

Miss Norcross is also engaged in welfare work and many families have been supplied with necessities and clothing thru her efforts. Miss Norcross will be on duty all summer and can be reached at the city hall.

The county of Ottawa for some unknown reason has persistently refused to securing a visiting nurse although conditions in many of the rural districts are not encouraging to the better health movement. Both Grand Haven and Holland are employing city nurses to look after the health of the school children, and the effect of the service is not hard to recognize. Miss Norcross's report for the year is extremely interesting. A summary of her work in the schools is published below:

Total number of physical examinations made, 1375; total number of emergency cases 660; total of home calls made, 580; total of contagious cases, 89; total of accident cases 22; total of pneumonia cases, 18; total of children sent home for illness 59; total of children to receive glasses after being advised through eye tests 38; total of children to receive dental care after physical examinations, 212; total number of children sent home for pediculosis 8; total number sent home for uncleanness, 12; total number of needy children provided with clothing, 36. Also during the month of February, 18 school children were given new shoes and rubbers through the kindness of a fraternal organization.

CUT WEEDS NOW OR IT WILL BE DONE FOR YOU

The noxious weeds within the city of Holland are going to be cut down, and the work is not going to be left to the caprice of the property owners. A man is now on the job cutting down the weeds in the vacant lots and an attempt will be made to cut them all down before they go to seed.

Property owners who wish to do the work themselves and thus save the expense will have the privilege to do so, but they must go at it immediately. Those who fail to cut them down within the next few days will find that the work has been done for them, and the expense will be assessed against their property on the tax roll.

This method has been decided upon because experience shows that some property owners neglect the weeds in spite of all warnings. There is a state law and city ordinance in regard to noxious weeds, and these laws are merely being enforced now. The weeds going to seed are dangerous and spread the pest, and hence the city will protect those property owners who wish to keep clear of weeds.

CHRISTIAN ENDEAVOR MEET OPENED IN KAL- AMAZOO WEDNESDAY

Scores of advance delegates to the 33rd annual convention of the Michigan Christian Endeavor union, which met in Holland last year, are gathering in Kalamazoo to attend the opening sessions of the state meeting. More than 750 registrations have been made at the convention headquarters and total enrollment of delegates and visitors is expected to be more than 1,000.

Two leading entertainments will feature the convention. These are the annual fellowship banquet to be held Saturday afternoon and the athletic program to be given on Western State Normal Field Saturday afternoon.

Address will be made at various sessions of the convention and among the list of speakers will be found Miss Elizabeth Zwemer of Holland.

SERIOUS ACCIDENT OCCURS ON RIVER AVENUE SATURDAY

River street near 7th was jammed to capacity Saturday afternoon when a serious accident took place.

William Schuurman, 14-year-old son of Mr. and Mrs. Albert Schuurman, 177 W. 9th street, was run down by Peter Zelinaki of Belmont, Michigan.

The boy who was riding his wheel was struck down by the Ford car, the wheels of the automobile passing over his neck, and when picked up by Tony Vander Bie and rushed to the Holland hospital it was thought the lad was dead.

Physicians, however, worked on the case for more than an hour after which the lad regained consciousness and complained about his neck and other wounds about the head. The boy apparently never knew what had struck him for the first question he asked was how he got there.

Monday morning the hospital authorities state that the boy although still in serious condition will no doubt recover.

Zelinaki's claim is that he was following a big car north on River av., that the two cars were not over 15 feet apart, and that the boy on the wheel tried to cut through between the two cars and that it was impossible for him to stop before the impact occurred.

Upon examination by Chief of Police Van Ry who personally took the occupants of the car to headquarters, the details of the accident were thoroughly gone over, names of the witnesses were secured and a more thorough hearing was had Monday afternoon.

Prosecutor Fred T. Miles was immediately called and closely questioned the driver of the car.

It seems that Zelinaki was out on a picnic at Jensen Park with Mr. and Mrs. Kowalski of Grand Rapids, and that they were on their way home when the accident occurred.

After the accident the car was driven behind the city hall and a quiet investigation was made of the contents and in a basket under some sandwiches a bottle of hooch was found. When the driver was confronted with the bottle discovered, he and the rest of them stated that the liquor had been handed them by a man who was drunk at Jensen Park. That each one of them had taken one drink out of the bottle, that was all, when the woman of the husband took the bottle away from her husband and hid it under the sandwiches.

This was apparently true for the bottle was nearly filled when discovered, and the men apparently were not under the influence of liquor.

Chief Van Ry allowed the parties to go, advising them to return on Monday afternoon, holding the Ford car as security.

SCHOOL TEACHERS TO SPEND SUMMER IN VARIOUS PLACES

The teachers of the local high school will be busy this summer traveling and studying. Miss Van Drezer will tour Europe. Miss Anthony will go to California and Alaska. Miss Davidson intends to visit points of interest in New York City and other Eastern points. Miss Wickes will also travel in New York state. Misses Ross and Mulder think that Michigan also contains points of interest and will go to the Northern Peninsula. Miss Rogers will attend the summer session at the U. of M. Miss Pas will attend the Western Normal and Misses Whelan, Hoekje, Conners and Prin. J. J. Riemersma, the University of Wisconsin.

Mr. Slater is visiting in Canada, and Mr. Martin will visit his home. Miss Hammond was called home three weeks ago on account of her mother's illness. Miss MacGill finishing the year for her. Other instructors have more indefinite plans for the summer.

HOLLAND LEGION. NAIRES AND BAND GO TO ALLEGAN

A district convention of the American Legion is to be held in Allegan this Thursday June 29. This meeting will be attended by delegates from about 40 Legion posts in the fourth congressional district. A business meeting is to be held in the post home on court house square at 2:30 p. m.; at 5 p. m. there will be a base ball game between the Allegan ball club and either Hastings, Holland or Kalamazoo. During the game a passenger carrying airplane will be on the grounds to take people for short flights. "Wid" Pierce's five king syn-copaters and "Mose" Allegan's own Keith vaudeville comedian, will entertain the crowd with good orchestral music and songs while the game is in progress. After the game the Allegan post will put on a barbecue on the fairgrounds. The food will be served in "come and get it" fashion. The services of a chef of some reputation in the matter of barbecuing meat has been obtained. After the barbecue there will be a few short addresses by various people, chief among them being State Vice-Commander Brucker of Saginaw and State Adjutant Tabor. Following the speeches there will be some open-air boxing matches which will end the day.

The greatest attraction will be the Holland American Legion band of thirty pieces that will give a concert at noon and will play at and after the ball game. This is the band that created so much favorable comment at the national convention of the American Legion in Kansas City, last fall.

All of the festivities are open to the public, and the American Legion would be greatly pleased if all who can will stay after the ball game and join with the Legionnaires in making the day a pleasant one for the out of town guests. The only charge that will be made is the regular gate fee for the ball game. It is hoped that all the merchants of Allegan will co-operate by closing the stores at 4 p. m. and by making use of patriotic decorations that day.

The contract for the paving of 19th street was awarded Wednesday night to the Willite Construction Co. This firm will do the whole job, both the top dressing and base. The price is \$2.55 per square yard. This is 36¢ per square more than the paving on Ninth street costs but the difference in cost is due to the fact that 19th street will have a crushed stone base while 9th-st. has a gravel base. The price for the paving itself is cheaper than on 9th street, but the base makes it come higher.

The contract calls for base and top dressing from Columbia to Van Raalte, and for the top dressing from Van Raalte to First Avenue.

The Misses Roe and Frances Vandersluis are again occupying their cottage for the summer at Macatawa.

PRIZE ESSAY TELLS THE EARLY HISTORY OF HOLLAND

In an essay contest on the subject of "The Early History of Holland," recently held in the School for Christian Instruction, Miss Alice De Groot was the winner of first prize of \$3, and Leo Peters won second prize of \$2, both prizes being offered by Anthony Rosbach. The winning essay is of considerable general interest and it is therefore herewith reprinted.

Early History of Holland (By ALICE DE GROOT)

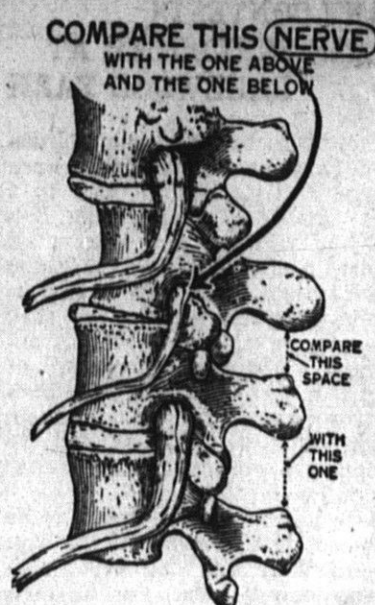

In order to appreciate our city more, it is well to know why it was settled and by whom. Let us therefore take a glimpse into the conditions of the people who were living in the Netherlands at that time.

When William I was king, he changed the form of worship without consulting the people. He wished them to serve God as he had planned. Because of this many ministers and thousands of followers left the church and gathered in barns or in woods for their regular services. But even this was not allowed. Many of the leaders were imprisoned.

When William II came to the throne conditions were a little better, but the people who had left the church were still looked down upon and treated disrespectfully. Aside from the fact that the people might not worship as they wished there was great poverty among the poorer and middle classes. Many were in want of food and the bare necessities of life. They could not remain thus, so they called a meeting, to discuss what could be done to relieve matters. They decided that the only thing to do was to leave their country and find a place of rest and freedom. Being unable to settle in Java as they wished, they looked to America, as their only refuge. There they hoped to obtain better conditions and freedom of religion.

On the 2nd of October in 1846, Dr. A. C. Van Raalte with his 47 followers left the country—they all loved so well to sail for the land of their future hopes. They arrived in New York City, November 17, 1846. From New York City they traveled to Detroit.

Now the question was where to settle. They were much in favor of Wisconsin, but the transportation at that time of the year was poor, so the people stayed in Detroit and found employment in the mills, while Dr. A. C. Van Raalte with Judge Kellogg and an Indian guide looked for a place to settle. The place he wished to secure was between the

Nature is Your Guardian

NATURE at every moment of your existence is standing by your side, a silent guardian of your body. But you must not ignore Nature or treat her disdainfully. You must give her an opportunity to work unhindered in your body. The brain is the great generator of the nerve energy,

which is the basis of body function. This nerve energy is the current which is transmitted over the nerve cables to the various organs, tissues and cells of the body. When you turn off the electric light switch you do not expect the light to burn. Do you think you have any more right to expect your organs to function when the current is turned off? If Nature can get her forces from the brain to the tissue cell, health will result. If the bony segments of your spine press upon the nerves, you should not hesitate to have them in alignment by a chiropractor.

Kalamazoo and Grand rivers, so that he could obtain a rich soil and good fruit could be grown. After he had secured the place he went to Detroit to get the rest of the colony. On February 12, 1847, they reached the site chosen by their leader.

When they arrived they started right in to build log houses. They were kept busy through the spring and fall by building houses, roads and by draining swamps.

The first winter was a severe one and many died for want of food. Sickness was caused by unwholesome food, strange climate and insufficient shelter. But through all these discouragements they sang psalms and trusted in God to help them, which He did and in the fall the sick were restored to health. We should also trust God and ask Him to help us. If we do this our burdens will be lightened.

More and more immigrants came from the Netherlands, so that a year after the first colonists arrived the total amounted to about four thousand.

The people wanted their children to receive an education. Mr. Taylor was the principal and teacher of the school. The first school was built where the De Hope printing office now is. They also wanted their children to receive a higher education than the eighth grade, so they decided to build a college. Through the faithful work of Dr. A. C. Van Raalte, Hope College was begun in 1857. Van Vleck hall was the first building on the campus.

Before they all had homes of their own, they built a church where they could worship God. This first church has now long been broken down, but is still marked by a marble slab in Pilgrim Home cemetery. They worshipped God not only on Sundays but on every day of the week. In their work they trusted in Him. Family services were not neglected.

In 1871 a great fire swept thru the city of Holland destroying many buildings and homes. From all parts of the city one could see people running with the possessions they were able to take with them to the campus for safety, which was left untouched by the flames.

The city was gradually rebuilt and the population increased. Today we have many beautiful buildings and homes with a population of over fourteen thousand (14,000).

Is this not a history to be proud of? The best way to keep on being proud of our city is to retain the

same principles that our forefathers had, honesty, patriotism and above all a love for that which is right. We should try to keep all evil out of it and if we do this we will never have to be ashamed of saying, "I live in Holland."

FARM WANTED—Wanted to hear from owner of a farm for sale, for fall delivery. Give lowest price. L. Jones, Box 99, Olney, Ill.

FOUR DAY CHAUTAUQUA MINISTER'S DAUGHTER TO OPEN HERE ON JULY NINETEENTH BECOMES A BRIDE

Holland's chautauqua will open on July 19th this year. This announcement was made Monday by Dr. A. Leenhouts, chairman of the committee. The company to come here this year will again be the Mutual-Morgan, the same one that held a chautauqua in Holland last year.

Due to a misunderstanding in regard to the dates, there will be only four days of chautauqua this year instead of the usual five. The company had made arrangements for a five day chautauqua, beginning July 19. It was not discovered until after it was too late and all the advertising material had been printed that this would include a Sunday, that being the closing day of the chautauqua and it is pretty well agreed that the public here would not patronize it; what is more, it is agreed that a Sunday chautauqua would hurt the attendance during the other days. So the committee has decided to eliminate the Sunday programs, hold a four day chautauqua, and reduce the price of the season tickets from \$2 to \$1.60. All the advertising will announce a Sunday chautauqua but this is because it was printed before the change was decided upon.

The chautauqua will be held at the usual place, corner 15th street and River avenue. This will doubtless be the last time that a chautauqua will be held there, as the junior high school will be erected there next year.

While the price of season tickets for adults will be \$1.60, the price for children will be half that amount. The season tickets for adults will come to 20 cents per program because the number of programs will be eight, two daily.

The profits of the chautauqua this year will go to the American Legion band.

The committee in charge of the arrangements and the sale of seats is: Dr. A. Leenhouts, chairman, Henry Geerlings, A. H. Landwehr, D. W. Jellema, John Van Appledorn, Andrew Rutgers, H. W. Smith, Dr. C. J. Abbott, Schumacher Bros., C. A. Bigge, Jack Blue and D. J. Zwemer.

OTTAWA FARM BUREAU PROGRAM IS PLANNED FOR THE YEAR

The Ottawa County Farm Bureau work for this year will not include so much work among the poultry men as has been done in the past according to C. P. Milham head of the bureau. More attention will be paid to crops and the work of educating farmers in the elimination of insect pests and in fertilizing and picking the right seed from yields for the future use. Soil testing will be gone into in a measure.

Mr. Milham states that as soon as farmers learn that the soil needs lime and other fertilizer at stated intervals, they will cease to have so much loss as they pay for the fertilizer anyhow with unproductive areas which they try to raise produce on.

The program will include many demonstrations of various sorts, the field selection of seed corn will be given a demonstration in each township. Final selection of seed potatoes will be gone into and methods of eliminating the various destroyers will be shown. It is hoped that a higher spud yield will result from this. Work in producing alfalfa will also be demonstrated. It is said that there is much fine alfalfa land in this county.

In Robinson township there are many marl beds whose productiveness seems almost unlimited and uses of the marl as a means of increasing the value of the soil for growing will be shown. If it is properly used the productivity of the soil will increase appreciably in a very few years it is stated.

Spraying demonstrations to prevent the blight and also in dusting on celery will be given and this will also be done to fruit which is about to be picked in order to kill moles and rot germs which do much to increase the value of the crop.

Home mixing of fertilizers will be shown the agriculturists, the pure chemicals being purchased and mixed by the user. This is quite a step in advance. About thirteen of the fertilizer demonstrations will be given and the use of acid phosphate and ammonium sulphate on apples and grapes will be shown. Observation has shown that with the addition of these to the soil that the leaves and fruit are bigger and healthier. Just what the final effect will be cannot be shown until the fruit so treated is picked.

There is much muck land in the county and its fertilization and use will be gone into. It is claimed that with proper cultivation the muck land of Ottawa county would prove a great source of revenue to the farmer.

The final demonstration will be of the use of sulphur on potatoes for scab. Some attention will be paid to the poultry users along with the extensive work planned though with the soil testing and other phases of the work the Farm Bureau will have a busy year and will have to keep "on the job" at all times.

Circuit Judge O. S. Cross will be in Grand Haven Friday June 30, to hear motions and a limited number of arraignments in circuit court.

The H. J. Heinz Co. picnic took place Tuesday at Kardeau Beach, and the Holland Shoe Co. picnic will take place Saturday, July 1, at Jensen Park.

George Brink of Brink & Leeuw left for Detroit and drove in a flock of Hudsons.

Dr. C. J. Abbott and family left Sunday for a ten days' visit in Iowa.

A beautiful wedding service was held in the Central Avenue Christian Reformed church Wednesday night when Miss Lida Einink, daughter of Rev. and Mrs. B. H. Einink and Mr. John Kaashoek, son of Mr. and Mrs. Adrian Kaashoek, were united in marriage. The ceremony was performed by the bride's father, Rev. B. H. Einink, pastor of the Central Ave. Christian Reformed church. The bride was attended by Miss Cornelia Kaashoek, sister of the groom and the groom was attended by Mr. William Einink, brother of the bride. The full ring ceremony was used, and Mr. William Pott presided at the organ, playing the "Wedding Processional" from Lohengrin.

The groom is a graduate from the Holland High school and is at present an undergraduate student of Mechanical Engineering at Chicago.

Mr. Kaashoek also served overseas with the U. S. forces during the World War.

RESIGNS AS PRESIDENT OF WOLVERINE ADV. CO.

At a meeting of the board of directors of the Wolverine Advertising company held at the offices of the company in this city, the resignation of J. T. Bailey as president and member of the board, was accepted. Vaudie Vandenberg was elected to the presidency and Wm. C. Vandenberg was chosen as Mr. Bailey's successor on the board and also made vice president. With the exception of the change above noted the personnel of the board remains the same, Thos. N. Robinson, secretary of the company, being the other member of the board.

The Wolverine Advertising Co. is now operating in 33 towns in Western Michigan, going as far south as New Buffalo and north as far as and including, Holland.

Vaudie Vandenberg will continue as general manager of the company and he reports that 1922 will be the banner year in the history of the company, practically all space for the balance of the year having been sold.

FORMER DOMINIE IS IN THE TOILS OF THE LAW

Rev. Donald Stewart, reformer and temperance advocate, was under arrest at Los Angeles, Calif., charged with having married various women in New York and other eastern states and with defrauding them of their property and savings. He was arrested at Sierra Madre, in California Tuesday night. With him at the time of his arrest was Mrs. Ethel Turner Osbaldeston, whom detectives alleged, posed as his sister. Stewart, who was said to have been ordained as a minister in Pittsburgh, Scotland, was wanted in Boston on a bigamy charge, it was said. These are also said to be charged against him under various aliases in Indianapolis, New York and Detroit.

Two alleged worthless checks are said to have caused the breaking of Rev. Donald Stewart's engagement to a Miss Van Lopik, formerly of Colorado Springs. After meeting in Colorado Springs Miss Van Lopik is said to have come there where they intended to be married. They visited the young woman's cousin, O. J. Sluiter, Ottawa county clerk at Grand Haven, who Stewart is alleged to have induced to indorse a check for \$850. G. Van Lopik of Grand Haven also was said to have indorsed a check and both were found to be worthless, the officers said. When Miss Van Lopik learned of the check incident she is said to have broken her engagement.

Stewart's real name the detectives said was Robert Allan Mc Laren Browne.

At the annual business meeting of the Hope College Alumni association held Wednesday afternoon the following officers were elected for the coming year: president, Rev. Jacob Brouwer, Grand Rapids; vice-president, Henry Vruwink, Grand Haven; secretary, Prof. P. E. Hinkamp, Holland; and treasurer, Prof. Thos. Welmers, of Holland.

A plan to have the alumni pay the salary of the professor of philosophy at Hope College was adopted. This plan was suggested a year ago and since then many pledges of support have been made by alumni so that it was possible to go ahead. As a result of this action separate chairs for Bible study and philosophy will be established.

A plan was also adopted to ask each alumnus of the institution to contribute \$100 for the purpose of beautifying the campus.

DIPLOMAS HANDED TO 103 EIGHTH GRADERS

At the Junior high school graduation exercises Thursday evening, Supt. F. E. Fell presented 103 diplomas to the eighth graders. The class presented the principal, Miss Minnie K. Smith, with a beautiful picture, "Home Keeping Hearts Are Best." This was presented as a token of esteem and in appreciation of the splendid work of Miss Smith as a teacher.

The following program was rendered: president's welcome, Willard Den Houten; devotional, Wm. Winter; music, Singing (a) Vacation, (b) "The Garden by the Sea," by the class; reading Bertha Prins; declamation, Nick Tavenga; piano solo, Harriet Schuurman; reading, Joan Ter Haar; declamation, George Souter; vocal solo, Gladys Huijenga; reading Wilhelmina Walvoord; Supt. E. E. Fell then presented the 103 graduates with their diplomas. The program ended with the singing of "The American Hymn," by the class.

TO HOLD SERVICES IN WINANTS CHAPEL

Due to the fact that extensive improvements are being made in the auditorium of Hope church, the services of that congregation will during the next three or four weeks be held in Winants chapel. The services will be held at the usual time, 10:30 in the forenoon and 7:30 in the evening.

Last Sunday Rev. P. P. Cheff preached in the forenoon; at night Rev. Richard Dosker, son of Dr. and Mrs. Henry E. Dosker, of Louisville, Ky., spoke on "The Unfinished Work in Japan." Rev. Dosker is stationed as missionary at Matsumata, Japan.

SPEAKS IN INTEREST OF CRIPPLED CHILDREN

Miss Chase, social welfare worker for Michigan, was the speaker at the regular meeting of the Holland Rotary Club Thursday. Miss Chase is a registered nurse and did service overseas during the war. She is in charge of the work for crippled children in both the upper and lower peninsula of Michigan, and she goes about lecturing before Rotary clubs and similar organizations to arouse interest in her work.

The Rotary club first started this work and it is being joined in now by various other civic organizations. The plan is to establish schools, clinics and hospitals for crippled children in this state. The work was first started in Ohio but it has now also come to Michigan.

PUT ON A BENEFIT FOR MISS CHURCHFORD

The managers of the Colonial theater are putting on a benefit for Miss Churchford for 3 days this week. The management has been contemplating for a long time to put on a benefit for her, but the matter was delayed until just the right kind of a picture should be available. A picture has now been obtained that, in the opinion of the management, is just right in both title and substance, and hence the benefit was given at this time.

The picture being shown is "Salvation Nell," a well known movie. The title is obviously appropriate and the story is also said to be in keeping with the character of the work that Miss Churchford has been doing for so many years. It is the story of the experiences of a slum worker in a large city. In addition to this picture, there being a Buster Keaton comedy, a Burton Holmes travel picture, and the Pathe News.

The price is the same as usual and fifty per cent of the proceeds will be given to Miss Churchford. The benefit is being given on Wednesday, Thursday and Friday of this week.

HOLLAND MAN HAS ARTICLE IN ROAD MAGAZINE

In the current issue of "Michigan Roads," a magazine published in Lansing, appears an article on "Roads in the Southwestern Michigan District," by R. H. Steketee, State Highway Department District Engineer, formerly of Holland. The article is illustrated by a half page map, showing the improved roads and proposed roads in Mr. Steketee's district, which comprises Allegan, Barry, Van Buren, Kalamazoo, Calhoun, Berrien, Cass, St. Joseph, and Branch counties. The article says in part:

"Of the 92½ miles proposed for 1922, thirty miles is gravel construction and 6½ miles grading and drainage structures. The same is divided between the counties as follows:— Allegan, gravel 9½ miles, pavement 2 miles; Barry, gravel 13½ miles, pavement 1½ miles; Calhoun, pavement 12½ miles; Cass, gravel, seven miles, pavement 9½ miles, grading and drainage structure 6½ miles; Kalamazoo, pavement 6½ miles; St. Joseph, pavement 14½ miles; Van Buren, pavement 9½ miles; Berrien and Branch counties have nothing included in 1922 program.

"In connection with this construction program the state and counties expect to make every effort possible to clearly mark and maintain a detour for each construction project. This portion of the work is a difficult task, but State Highway Commissioner Rogers has strongly emphasized this point to his organization and to the counties, and it is the intention to inconvenience the motorists as little as possible. To get best results there must be close cooperation between the motorists and those in charge of construction. The District Office of the State Highway Department or any of its employees in charge of the work, stand ready to give, on request, any information relative to condition of road, the best routes between points or such other information they may have available."

President Harding has promised to come to Grand Rapids when he makes his trip to Detroit. He has accepted the invitation tendered by the Woman's Republican club asking him to visit the Furniture City at that time.

Nicholas Prakken was operated on for adenoids and tonsils in Grand Rapids Friday. The operation was very successful.

Rev. M. L. Tate made his monthly trip to Pentwater this week and officiated and preached in St. James church in that place.

FIRST WATER VICTIM OF YEAR IN JAMESTOWN

The first victim of the water this year in Ottawa county proved to be Marion Bosch of Jamestown who while swimming in Mud lake on the Allegan-Ottawa county line, was drowned. He is a son of Albert Bosch, banker of Jamestown, and was a school teacher. He was 19 years old and went in swimming accompanied by his brothers who did not notice until some time afterward that he did not answer when any bit of banter was directed at him and promptly sought help to look for the missing man. The sheriff's department was notified and came to the scene as promptly as possible, arriving about one half hour after the body had been recovered. A physician gave the opinion that death was caused by shock as there was no water in the lungs when the body was found. The body had been in the water four hours it was thought as the brothers failed to note the absence of Mr. Bosch for some time.

The father of the boy was at one time a legislator from Ottawa county.

MODERN POULTRY BREEDER TELLS ABOUT HOL. POULTRY ASS'N

The Modern Poultry Breeder, thru its correspondent Mr. Brower, has the following on what the Holland Poultry Association is accomplishing in the way of culling non-laying hens.

Says the Breeder— The Holland Poultry Ass'n in pushing rapidly ahead. The culling committee last year had figured on getting between 8 and 10 thousand birds to cull but when they figured all the flocks taken care of they then found better than 100,000 and some 40,000 listed, which were gradually taken care of through the winter months by the committee. We were so surprised with the results that the association deemed it necessary to call for volunteers to take up this culling proposition. The response was very gratifying in that more men applied for this work than could be accommodated with the result that eleven were enrolled within two weeks and others came in later. The men are given lessons and on Tuesday of each week they meet at the various homes for recital and these lessons are then sent up to the College at Lansing for approval where they are gone over thoroughly and sent back to the chairman of the committee, who in turn hands them over to the students. These men are putting in some hard licks but they are always looking for Tuesday evening just the same. Some of these men who live outside of the city are compelled to walk in three miles and back but you can bank on Mr. D. Dirks to be there if he'd have to crawl on hands and knees. These men will be through and have their diploma the latter part of June. So the Holland Poultry Ass'n instead of sending out one crew as they did last year, will be able to send seven or eight crews each week if necessary, and hence will be able to take care of many more birds the coming season. The extension committee is planning on starting their work in July and the chairman is ready to take any and all names of farmers with their R. F. D. numbers and the breed; also the number of birds in their respective flocks.

A postal card mailed to H. S. Bosch, chairman of this committee will put you in line, and give you our service. Already a large number of farm flocks are listed so it's up to the farmers to get their names on the list so this committee can make the plans accordingly. The same proposition of last year holds good for this year also.

The men who are taking the culling lessons are contemplating a tour of Ottawa Co. June 5th next, for additional information. Don't miss this! Believe me we'll be there some on two and other on three. (Oh well, you know!)

We cull flocks free of charge for those who are members of our Association. As soon as a party becomes a member he is entitled to this free culling service. The membership fee is \$1.25. One dollar is for membership and 25 cents for subscription to the "Breeder" our official organ.

The culling committee is getting organized to handle all the culling this fall and applications are coming in daily asking that the culling committee come and cull the flocks. More than 100,000 birds will be culled this year.

Reckless and careless drivers of automobiles are to be known as "flivverboobs" according to the decision reached by the judges deciding the American Automobile Association's contest to pick a name describing the reckless driver in the same manner that "pay walker" describes the careless pedestrian. The name was suggested by F. B. Simpson of Cedar Rapids, Ia., who will receive the \$25 in gold offered as a prize by the A. A. A.

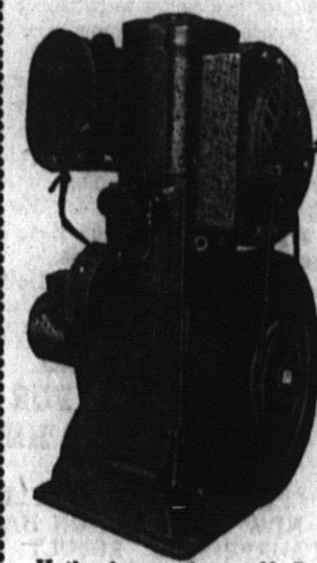

The contest attracted nation-wide attention and the answers were of many varieties including some who declared that it would be impossible to describe a reckless and careless driver in language that would go thru the mails. The prize has been forwarded to Mr. Simpson.

HOLLAND MAN WINS RECOGNITION FOR SPANISH WAR HERO

ARTICLE BY ARNOLD MULDER IN NEW YORK NATION HAS SURPRISING RESULT

It has been the unique experience of Arnold Mulder of this city, to win recognition from the War Department for the man whom Elbert Hubbard called the greatest hero of the Spanish-American war. Everybody has heard of the "man who carried the message to Garcia." Soon after the close of the Spanish-American war Elbert Hubbard wrote a pamphlet about him of which since then more than forty million copies have been distributed. But curiously not one person in a million of those who were familiar with Hubbard's famous "Message to Garcia" knew the name of the man who had carried that message thru the jungles of Cuba, carrying important dispatches from President McKinley to General Garcia.

When a stray copy of Elbert Hubbard's "Message to Garcia" fell into Mulder's hands, he noticed that even Hubbard did not seem to know the hero's full name, because he constantly referred to him as "a fellow by the name of Rowan." And the Rowan was called the hero of the Spanish-American War and although Hubbard said that there ought to be a bronze statue to him in ever college in the land, Mr. Mulder observed that nothing of the kind has ever been done.

He pointed out these facts a few months ago in an article in the New York Nation. The result of that article was rather surprising. Letters came to the writer from far and near and there was an immediate response to the suggestion that Rowan had not received his due. The latest development is a message from San Francisco that Andrew S. Rowan, which is the hero's full name, will receive a medal for his bravery. Senator Samuel F. Shortridge, of California, took the matter up with Secretary of War Weeks, and the latter has given assurances that he will do all he can to have the army board grant Rowan a medal or a distinguished service cross. Rowan's home is now in San Francisco. It appears that after nearly a quarter of a century he will receive recognition for what he did.

DIVINE TELLS OF DIFFERENT CHARACTERISTICS OF MEN

DR. HENRY E. DOSKER OF LOUISVILLE, KY., ADDRESSES LOCAL EXCHANGE CLUB

The Holland Exchange Club was rarely entertained and delightfully instructed in an address by Dr. Dosker of Louisville, Ky., who is a former citizen of Holland.

Dr. Dosker's subject was "National Characteristics" and chose for the development of his theme the type of wit and humor as characteristic of different peoples of the world. Speaking of wit and humor generally, the speaker said, "Blessed is the man who has humor, for the man who can make people laugh brings much happiness into the world."

He spoke of the humor of the Latins, especially predominating among the Italians whose humor is very subtle and always accompanied by the dagger or stiletto and which frequently causes more ill-feeling than pleasure.

He referred to Teutonic wit as very heavy and showed how the German was much better able to command than to laugh, and that the English humor was of an entirely different type from the American in that an Englishman got the point to a joke and enjoyed it in the middle of the night.

The speaker referred to the Irish wit as being of a very light nature, that the Irishman stood on his head and saw things upside down and then told what he had seen in a topsyturvy way.

Story after story was related and most entertainingly told which kept the audience in an uproar all the time, and which characterizes the different types of wit and humor among the various peoples. The speaker told how the German and his wife entered the restaurant, the wife three feet behind, but devoted to each other. The Frenchman and his wife entering arm in arm apparently lovers but the possibilities of a divorce following the next day. The Englishman with his wife a half step behind in every way his equal but he the owner of all the property, and then depicted the American with the lady gallantly leading on ahead and the little fellow following courageously behind.

American wit and humor, like the American people, is young, green, and untamed and sometimes ungenerous and of a braggadocio type.

In a few closing remarks, the speaker appealed to each individual making up the huge melting pot of this nation and stated that each individual stood alone and that each had a place, an influence to exert in his community, and that likewise America stood alone to occupy its place and influence upon the world.

Dr. Dosker's advice was that each individual build upon the old foundations of the forefathers, the ideals and hopes laid down by them, that each have a vision in life and an ambition to make the utmost of ourselves and finally working individually and through organizations such as the Exchange club endeavor that the club stand for something worthwhile and cause its influence for good and for the highest development of the community for business integrity, individual honesty, and responsibility and for the purer and nobler ideals in life.

HOLLAND INTER-URBAN PUTS ON A NEW SCHEDULE

ADDS TO ITS EFFICIENT SUMMER SERVICE

The Holland Interurban is now on summer schedule to the resorts and Grand Rapids, and its five round trip tickets to Macatawa and return for \$1.00 is also in vogue.

There is practically no change in the schedule to Macatawa with the exception of the early morning car which goes at 3:30 (standard time) reaching Macatawa pier at 4 o'clock (standard time) and reaching Saugatuck at 4:30.

Instead of three cars a day to Saugatuck as heretofore, cars will now go every two hours, the first one leaving at 6 o'clock, the next at 7:55, 9:55 and so on throughout the day.

The last car to Saugatuck is at 10:35 (standard time). The last car leaving Saugatuck is 11:30 (Standard) or 12:30 our time.

The last car from Macatawa park leaves at midnight (standard time) or 1 o'clock our time.

TELLS OF EARLY HISTORY OF EAST SAUGATUCK

RALPH SCHEPERS BECOMES REMINISCENT AND TELLS INTERESTING FACTS

The following interesting historical article contributed to this paper relates to East Saugatuck and Colendoom and comes from the pen of Ralph Schepers.

On the morning of October 10th, 1871, all landmarks such as church, parsonage, sheds, stumps, and the fences had disappeared from the East Saugatuck or Colendoom Corners.

A wash-boiler filled with books stood in the middle of the road while its companion, a clothes basket similarly filled, had burned. Among the book thus saved are Gov. reports in the '50s, dealing with meteorological observations at Grand Haven and the first appropriation for Black Lake harbor. Another "Report" contains the narrative of the Gov. Engineer to the Sec. of War, of the bombardment of Fort Sumpter in 1861, describing the damage wrought and how they tried to repair it, until finally they had to give up.

On the fly leaf of an "Old Schryver" is an account of the Immigration journey of Rev. J. R. Schepers from Beilen, Drenthe, on April 11th, 1848, to the arrival at New York in the "Big Ship" in 35 days and thence to Michigan. The notes are not voluminous. This party settled in New Groningen and included the Westvelds Ten Haves, etc. The 1847ers had probably taken up all the desirable land around Holland by that time.

WHAT YOU IN THE HOLLAND CITY NEWS FIFTY YEARS AGO.

Cards of invitations are out for the dance at the Aetna House Friday evening. Lovers of the "art" will readily appreciate, as a good time may be expected. Note—This hotel was a four-story affair located on the brow of the hill between Engine House No. 2 and the Kanters residence. It was managed by Peter Zalsman and burned a Sunday night nearly 40 years ago.

FORTY-FIVE YEARS AGO

The Holland township cemetery association is the name under which the new association has been incorporated. The grounds are located to the south of the old cemetery and the site is now being leveled off and fenced in. The officers of the association are: President, Bernardus Grootenhuis; clerk, Isaac Marsilje; treasurer, Jan. D. Bloemers; sexton, Leeuwie Por. Note—The impression prevails generally in Holland that Pilgrim Home cemetery takes in both the old and new cemeteries so-called. This is not true as the above item denotes. Pilgrim Home is the burying grounds to the north of 16th street. The cemetery to the south is altogether a different organization, managed by different officers.

The following is the result of the school census that has just been compiled by Harry Doesburg, recently appointed census taker: children between 5 and 20 years—1st ward, 276; 2nd ward, 151; 3rd ward, 382; 4th ward, 183; total, 992. Note—at that time the 3rd ward was the largest ward in the city and the 5th and 6th wards were unknown being out in the country.

THIRTY-FIVE YEARS AGO

According to a check kept with the Chicago & West Michigan R'y Co., and the steamer Queen of the Lakes, it is shown that 55000 passengers were carried between Holland and the Macatawa resorts. This number does not include those local fares from Holland and vicinity, but only those holding railroad coupons. Taking those carried by the steamer Macatawa and add them to the excursionists brought here by lake steamers the grand total would no doubt pass the 75,000 mark thus far. Note—Holland was some resort city

even in those early days. The railroad company at that time made connections direct to the boat dock. Large excursion trains were backed in from the depot over the side tracks by the Standard Roller Mills; (now Standard Grocery Co.) and the company deposited their loads on fifth street within a few feet of where the steamers docked in the slip at the foot of that street. Large excursions came in daily during the resort season.

THIRTY YEARS AGO

C. L. Streng and son of Montague came to Holland to look over the grounds in order to establish an up to the minute dry goods store. Note—Henry Streng did just that, he kept things humming while he was in business here. The first location occupied was what is now the French Cloak store. Here a fire destroyed the stock and later the store was located in what is now the Palace Pool rooms in the Vander Veen block, where Mr. Streng bought out Dan Bertsch's dry goods store.

John Dryden of Allegan has been tendered a position as clerk in the Jenison Park hotel this season. Note—The hotel has long since gone up in smoke being last conducted by Luman Jenison, himself.

Ben Van Raalte, jr., made the return trip from Flint to Holland in 14 hours—a distance of 156 miles.

D. Den Bleyker, the founder of the Holland Carriage & Bending Works has returned from a seven months trip through Holland, Germany, Belgium and England. Note—The institution spoken of is now the Bay View Furniture Co. The Bending Works was soon financially bent, much to the regret of many of our local citizens who could ill-afford to loose the money they had invested.

ALLEGAN COUNTY HAS A NEW TESTING ORGANIZATION

Three new cow-testing associations are about to be formed in Allegan county as a result of follow-up work now being done by the dairy and alfalfa campaign staged last fall. The follow-up work is being done by A. C. Baltzer, dairy extension specialist of the M. A. C. assisted by Alfred Bental, Allegan county farm agent. Great interest is found in cow testing association work, the county agent reports and new associations will be formed in Fillmore and Overisel, Salem and Dorr and Hopkins territory.

The two cow testing associations now at work, Wayland and Western Allegan are getting splendid results, Bental says, and the members are greatly pleased with its work.

WM. CONNELLY PURCHASES SPRING LAKE WATER FRONT PROPERTY TO BE PLATTED

Spring Lake is feeling the real boom which is hitting Grand Haven, this spring. The property demand is steadily increasing, and it is expected that before fall many new houses will be built. One of the biggest realty deals in recent years has just been consummated by William Connelly, who is specializing in Spring Lake real estate.

Mr. Connelly has just purchased from the Monroe, Boyce & Howlett interests, Blocks 3, 4 and 5 of Bryan's addition to the village of Spring Lake. This property has a frontage on Spring Lake of over 1000 feet, and lies at the lake end of Jackson street. The property will be platted into building lots at once and placed on the market.

From the number of inquiries already received Mr. Connelly will have a ready sale for they are located in the heart of a fine residence section of the village. The property was owned for many years by the Monroe, Boyce & Howlett lumbering interests, and once was the site of a lumber mill. Later the Spring Lake Basket factory was located on a portion of the plat.

The lake frontage at this point is particularly attractive, and from

this location a fine view up Spring Lake is commanded. The platting of the property is but one of the several projects which Mr. Connelly has in view in Spring Lake realty.

HOPE STUDENTS RETURN FROM LAKE GENEVA CONFERENCE

Cornell Roost and Harold Damstra have returned to Holland from the International Student Conference which held its ten-day sessions at College Camp, Lake Geneva, under the auspices of the International Committee of the Young Men's Christian Associations from June 16 to 26.

These men were two of the ten delegates at the conference from Hope College. The conference was attended by more than 650 men representing colleges and universities of the states of Ohio, Indiana, Michigan, Illinois, Wisconsin, Minnesota, Iowa North Dakota and South Dakota. Among the delegates were students from China, Japan, India, Arabia, and other countries of Asia and Europe in addition to those from South America.

Nineteen clergymen appointed by the missionary and educational board of their respective denominations acted as recruiting officers and advised the students concerning their life work. The clergymen represented the Baptists, Congregationalists, Disciples of Christ, Episcopalians, Friends, Lutherans, Mennonites, Methodists, Presbyterians and United Presbyterians.

Among those who gave addresses were: Bishop McDowell, Washington, D. C., who has been a speaker at the last 28 years; Raymond Robbins of Chicago; G. Sherwood Eddy of New York, associate general secretary of the Y.; C. D. Hurry, secretary of the World's Student Federation; Daniel Ewamiddoss; T. S. Sharpe; John L. Childs of Peking, China; Dr. Paul Harrison; Glenn Frank of New York; Dr. Richard W. Hogue, Philadelphia; E. T. Colton; Dr. E. F. Tittle Evansten; D. R. Porter, New York; A. J. (Dad) Elliott, who is the executive secretary of the conference.

A special meeting of Muskegon county board of supervisors is likely immediately following regular June session. The faction opposed to the proposal to return the power of naming the members of the board of county highway commissioners to the people refuse to permit any other business than equalization to be transacted at the regular session. There is a hot fight on over the highway proposal. Supervisors Tom Bolt and E. D. Skeels lead the opposing factions. So warm has become the sentiment that many supervisors are urging a secret ballot in order that their constituents may not know how they stand on the question. The highway commission spends more than a million dollars a year and has become a political football, according to those who would remove from the supervisors the power of electing its members.
