WARM FRIENDS PICNIC AT JEN- ISON PARK

MANY CASH PRIZES; LARGE
SPORT PROGRAM

It is expected that at least 2000 of the Warm Friends family will attend the Holland Furnace Co. picnic tomorrow to be held at Jenison Park.

Whole families are preparing dainties for the big basket picnic of the year when special interurban cars will leave from under the Tower clock at River and 8th street at 8:30 and again at 9.

The American Legion Band will be on the job and will furnish music throughout the day.

Below are mentioned a few cash prizes but all through the list there will be more cash prizes besides items of usefulness donated for that purpose.

Below will be found the program practically as it will be "pulled off":

(A) Indoor baseball game; Foundry vs. Factory—5 innings; \$10.00.
(B) Indoor baseball game; Stenoga vs. Bookkeepers—5 innings; \$10.00.
(C) Indoor baseball game; winners of first game vs. office—5 innings; \$10.00.

(D) Tag of War; Foundry vs. Foundry; \$10.00.

(E) Tag of War; Factory vs. Factory—centipede style; \$10.00.

OLYMPIK

SPORT NOTES

The Independents found a real opponent in the Illinois Colored Giants yesterday afternoon in the local parts when they were defeated to the tune of 10 to 8.

Dalstrom pitched his usual steady although he was found for 17 hits, but with a little slack support in the second inning when the locals gave the colored boys 3 out of 5 of their score. After a series of two hits and infield out the sacks were 10.

Akers, the hard-hitting short stop with a world of speed hit a line drive which should not have been good for more than two bases, but Okers went the entire route. Then Eastley, the center fielder, knocked a pretty home run over Woldring's head, counting in all five runs.

Then the locals had something to fight for and while they were gathering in scores one per inning they held the colored boys scoreless and hitless until the seventh when on 3 hits the Giants scored one, again on three hits in the eighth the Giants got two and one in the ninth.

The locals tried hard but were usually one run behind in every inning, finally losing by being two scores behind. Features were Jennings and G. Bateman's fielding handling of Akers, the shortstop, Eastley the center fielder, and Rogers, left fielder.

After going along for five innings and the lead of the colored Athletics from Chicago, the local boys couldn't stand the heat and just naturally caved in under the pressure Saturday. Poppen worked too hard in the box and in the fatal fifth he came into the dug out and said he wanted to be taken out; he couldn't stand the heat any longer. Unfortunately Holland had no other pitcher, so Gerry Bateman volunteered to go in but he fared no better; the hard-hitting Giants still getting hits at will and again scored four runs, making a total of 15 runs, enough to win any ball game.

The fans who attended the game, knowing how intensely hot it was, just watching the game from the side lines must stop and consider how much hotter it was with the sun's rays beating upon the players in the diamond.

Naturally the colored boys relished the hot weather, being more accustomed to it and the longer they played the better they were.

It was a real ball game, nip and tuck, for the first five innings, Holland getting thirteen hits for 11 scores while the colored Giants got ten hits for 11 runs.

After that the locals didn't get a hit while the Giants hit nine more for sixteen scores, making the final score 18 to 11.

This week Friday at 6 o'clock and Saturday at 3 o'clock the locals will play the fast Postum team of Battle Creek. Coxy Smith is playing and making good with this professional team and all wanting to see a good game and Coxy play again are asked to come out.

HOLLAND MERCHANTS CONTINUE THEIR STRING OF VICTORIES

The Holland Merchants' baseball team won its second victory Thursday night by defeating the Federal Stamp Co. of this city. The game was fast and furious until the Merchants got six runs in the 6th which clinched the game.

The heavy hitting merchants and the excellent support all around gave the pitcher support worthy of mention.

Batteries for Federal Co.: C. Alderink P.; Kramer; for Merchants: C. Henry Venhuizen, Ray Knoothulzen; umpire Hall of Chicago. Time of the game 1 hr. 40 minutes. Strike-outs Kramer, Knoothulzen 5.

MEN AND WOMEN ENJOY LAKE MICHIGAN

Many of the ladies of the Holland Auxiliary Amer. Legion and also service men of this city, were represented at the big picnic held in Kent county Saturday.

Legionnaires representing posts throughout this district which includes Kent and Ottawa counties motored to the shores of Meyer lake Saturday for the annual American Legion picnic. Wives of the vets were also present, too, for the picnic and while delegates to the district convention met in the lake grove, the women and delegates representing auxiliaries convened at the cottage of J. F. Pepper of Rockford, who was in charge of the picnic program.

After a dinner served in the woods a program of sports was carried out and later the picnickers took to the cooling water to seek relief from the heat wave.

At the close of a business meeting of the district committee, Voiture No. 553 of the "40-8" club, a national organization of legion men composed of members who have been energetic in promoting legion affairs, was formed and officers elected.

The officers are: Erwin M. Treusch, Grand Rapids, chef de gar; Jeff Shank of Grand Rapids, chef de train; Earnest Brooks, Holland, commissaire instant; C. L. Robinson, Grand Haven correspondent; Dr. W. Westrate, Holland, conductor; E. R. Cochran, Lowell, garde de la porte; Howard Barense, Zeeland and Marshall Irving, Holland, gardes de prisonnier; directors, Ted Booth and Ray Conlon of Grand Rapids and Geo. Meengs of Zeeland.

Capt. L. D. Bogan, representing the officers reserve, headquarters of the first district, outlined opportunities of young men between the ages of 17 and 21 who may attend free of charge and receive better results. The leg's goal is \$2000.

The Grand Rapids Herald of "Sunday pictures several of the leading commanders at the picnic, which includes Earnest Brooks of Holland and Carl Meengs of Zeeland.

The ladies from Holland who represented the Ladies Auxiliary at the picnic were Mrs. Frank Gierard, Miss Ruth Cook, Mrs. Herman Cook, Mrs. Cornelius Tiesenga, and Mrs. Edward Stephan.

The delegates from the Willard Leenhouts Post, American Legion, were Dr. Wm. Westrate, Earnest C. Brooks, Ben Liveness and Marshall Irving.

TWO UNUSUAL AUTO ACCIDENTS; NO ONE HURT

Two most curious automobile accidents without injury took place in the vicinity of Holland.

The first occurred on the Zeeland road at the top of the hill near the gravel pit.

Miss L. D. Hale daughter of the banker of South Haven was driving to Grand Rapids with a gentleman friend, with Miss Hale at the wheel. As the car reached the brow of the hill to go down the decline, a gravel team swung out of the pit and it was either strike the team or go into the ditch.

Miss Hale who was going 35 miles an hour jammed on the brakes with such force that the Studebaker sedan went end over end into the ditch.

Strange to say not a part or a glass was broken, nor were any of the occupants injured to any extent. The frame of the car however was badly wrecked, and was taken to the Venhuizen Auto Co. garage where the Studebaker is being put into shape.

The second auto accident happened at Macatawa when Mrs. Elmer Winstrom and her sister backed off the dock into six feet of water.

Ray Soderberg and Ray Nykamp jumped in after the car and extricated the two ladies from their precarious condition. One of the men had to cut the top in order to get one of the ladies out. It is only the quick work on the part of these two Citizens' Telephone Co. men that saved the two ladies from drowning as the water of Black lake had nearly submerged the auto.

As it turned out, they are little the worse because of their unusual experience.

RED CROSS WORKERS MEET IN GRAND RAPIDS

Mrs. G. J. Van Duren was in Grand Rapids Thursday to attend a meeting of Red Cross workers of this district. The meeting was attended by Mr. Twitchell Post War director of the Central division, Mr. Kies, national field director. The counties of Kent, Ottawa, Muskegon and Allegan were represented by their Red Cross secretaries. The meeting was for the purpose of discussing the problems of these workers and many difficulties were pointed out. The veterans' bureau of the sub-district and the veterans' bureau of Grand Rapids were also represented, the latter by Mr. Ellis and his assistant Mr. Vettl.

Mr. Kies gave a talk on Red Cross work in the Illinois flood districts showing what the Red Cross is doing in peace times. So great was the flood area that the workers were ten hours out of sight of land. They went with a large steamer trailing six barges a 15 feet wide and 75 feet long loaded with food for men and beasts, and many smaller barges hauled by tugs.

It was pointed out by the Michigan Red Cross Workers that as the cases are getting fewer they are getting more complicated right along and much more time is needed for each case.

STATE TO PAY BACK ROAD MONEY IN ALLEGAN COUNTY

The Allegan county road commissioners have received word that the state will pay the back maintenance of state roads in the county, amounting to about \$9,000, and that funds will be provided for future maintenance work. Of the new work planned for the year, contracts for the paving through Plainwell and the graveling of the Orangeville road will be let June 29. The paving through Allegan on 89 and the graveling from there to Smith's mill-pond will probably have to go over to next year but the bridge at the pond will probably be built and the work of graveling west from that point will be continued. The resurfacing of 11-3 and 11-4 will also be done this year.

MANY WANT TO SPEND SUMMER IN HOLLAND

Holland seems to be the mecca of people in all parts of the country to a larger extent this summer than ever before. R. B. Champion, acting secretary of the Holland Chamber of Commerce, is in receipt of a large number of requests for rooms for varying periods of time. Often people from far distances write to him and ask him to find a room for them for a week or two weeks or sometimes for the whole summer. It is rather surprising how many people want to come here and it shows that Holland is a popular place as a town in which to spend vacations.

The requests are often from people who want a quiet place to live for a while away from the din of things. Such people do not relish the usual summer resort and yet they want to be where they can get to the water whenever they want to.

The trouble is that the chamber of commerce does not know of many rooms that are available and so it is difficult to give such people definite information. For that reason Mr. Champion is asking all persons in Holland who have suitable rooms that they would care to rent for longer or shorter periods during the summer to send their addresses to him stating the number of rooms they have and what their rates are. These addresses will be put on file in Mr. Champion's office so that when requests for rooms come he will be ready to make an intelligent reply.

The chamber of commerce is anxious to be of service to all such people. Their coming here means good advertising for Holland and it means added business for local merchants. It gets Holland in touch with the rest of the country and people who live here for a few weeks are usually good missionaries for Holland in their home communities.

TWENTY-THREE LOTS TO BE SOLD AT AUCTION

Lot sales are getting to be the regular thing in Holland. Last Saturday a lot sale was held in the Purdy Addition and next Saturday another will be held in the west end of town. John Raven will sell 23 lots there, six of them facing 16th street between Van Raalte and Harrison, eleven facing 14th street in the same block, and six facing 18th street.

This will be a bonafide sale. Mr. Raven announces. Every lot for which a bid is made will be sold, no matter what the bid may be. The highest bidder will get it even if the high bid should be no more than ten dollars. It is expected that the bidding will be brisk however as the lots are very desirable. They will be sold on time payments.

LABOR INSPECTOR GIVES HOLLAND THE ONCE OVER

State Labor Inspector S. C. Cornell was in Holland the past week looking over conditions here in the local manufacturing plants and stores. Mr. Cornell paid especial attention to child labor in Holland and found conditions very good for the most part. While Mr. Cornell's duties do not include informing people what the law is but only to arrest people who violate it, he declared that he would much rather have people so observe the law that arrests are not necessary. For that reason he made a general statement about what is required.

In regard to child labor, he pointed out that each child under sixteen employed by anybody must have a permit from the superintendent of schools whether it is school time, or vacation time. This permit must be on file in the office of the employer and must be returned to the superintendent of schools within five days after the child leaves the employment. If these regulations are not observed the parents and the employer are both subject to arrest and a fine.

Mr. Cornell pointed out that having such a permit on file in the office is a protection to the employer. Without it the child is held to be illegally employed and does not come under the compensation act. If the child is injured, the parents can bring an action against the employer for damages and the insurance company cannot be called upon to pay. So it is to the employer's advantage to have the permit on file.

Mr. Cornell further pointed out that no boy under 18 and no female, whatever her age, is allowed to work more than 54 hours a week or more than ten hours in any single day.

FRANK KULTE DIES AT AGE OF FIFTY-FIVE

Frank J. Kulte died Thursday afternoon at the home of his brother Cornelius J. Kulte, at the age of 55 years. He is survived by three brothers and two sisters: Jacob, Adrian and Cornelius Kulte and Mrs. I. Alcott of Holland, and Mrs. Fred C. Brandt of North Dakota.

The funeral was held Saturday afternoon at one o'clock from the Nibbelink-Notter Chapel and interment took place at the Holland cemetery.

PHEASANTS TO BE HATCHED IN ALLEGAN COUNTY

Came Warden Agan of Allegan county has received from the state department about 700 eggs of the pheasants that are being placed over the state, many of which were in previous years released in that vicinity and have thrived. Various persons have taken the eggs which they will hatch under hens and in the autumn let the young birds take care of themselves in the fields and woods. There are many of the birds in Allegan county, descended from mature ones that were distributed by the state. Killing of them in a series of years is forbidden and a few persons who violated the law have been heavily fined. The pheasants are quite tame, moving in the fields and fence corners, even going to dwellings and barns in search of food. In time they will be abundant and a source of joy to sportsmen, and furnish a considerable food supply. They do not damage any crops.

BORCULO BOY WINS STATE FAIR PRIZE

Jay Weenum, of Borculo, Blenden district No. 5 is the winner of the state fair examination contest for Ottawa county Miss Iva Stanton, county school commissioner, announced Friday. Mr. Weenum will get a free trip to the state fair at Detroit next fall with all expenses paid. He had the best standing in the eighth grade examinations in the county this spring and in the special state fair questions. There were 590 pupils in the county taking the tests this spring and Mr. Weenum won out over them all. The teacher in Mr. Weenum's school is Anthony Mulder.

Second honors were won by John W. Schulling of Beachwood school No. 9, just outside of Holland. His teacher is Irene Van Alleburg. In case Mr. Weenum cannot make the trip for any reason, Mr. Schulling will have an opportunity to go.

Third honors went to Anthony Blauwkamp of Borculo, of Blenden school No. 5, the same school that produced the winner, of which institution Anthony Mulder is teacher.

JUDGE CROSS GETS THE KALE FOR COURT'S CLIENTS

Judge O. S. Cross and Sheriff Leo Hare of Allegan county run a most efficient collection agency. When court business is dull they take up the all money and other court debtors, and they get results. Their "follow up" system is a winner. Last week Clayton Lindsley who had forgotten to settle certain court costs, was reminded of that fact and handed Clerk Stickie \$42.30. John Grabatz was uncertain as to whether he should accompany Deputy Sheriff Robin and had plenty to say about things in general and the iniquity of divorce proceedings in particular. He told still more to Judge Cross with the fluency and picturesque phraseology which marked his testimony in the divorce suit. One thing he now knows and that is, that court decrees are not jokes and alimony is harder to dodge than taxes. There are more gentlemen in arrears who will get invitations to interviews with the court.

THIRTY FAMILIES RERESENTED AT BIG PAVILION

On June 22nd occurred a most interesting reunion of the Strowenjan families. The one hundred and twenty-seven descendants met on the banks of Grand river a mile east of Eastmanville, a beautiful place owned by Gert Strowenjan, "for. Thirty families were represented, and one group of four generations.

Tables were spread and a bountiful dinner served. After dinner a business meeting resulted in making the reunion an annual affair with Gert Strowenjan, sr., acting as president.

The Strowenjan family is an old family having come from Benthelm, Germany some 56 years ago. The only surviving member of the family of which Delck Strowenjan of this city was one, is Mrs. W. B. Smith of Fremont.

Among the families present were some from Holland, Muskegon, Fremont, Coopersville, Holland, Grand Rapids, Iowa and California.

EXCITING TOURNAMENT IN INDOOR BASE BALL NOW ENDED

For the past five weeks an indoor base ball tournament has been held in which the fifth and sixth grades in the schools took part. The tournament developed a great deal of excitement and was conducted under the supervision of Physical Director Wm. Slater. During five weeks a game was played every afternoon on every one of the grounds in the city and in all 60 scheduled games were pulled off. The cup for the boys was won by the sixth grade of the Washington school and the cup for the girls also by the sixth grade of the Washington school. In the fifth grade contests the Longfellow school was the leader in the boys' contests and the Froebel school the leader of the girls' contests.

6th Boys:
The standings: Washington won 6 lost 2; Longfellow won 5 lost 3; Froebel won 4 lost 4; Lincoln won 3 lost 5; Van Raalte won 2 lost 6.

5th Boys:
Longfellow won 6 lost 2; Froebel won 5 lost 3; Van Raalte won 3 lost 5; Washington won 3 lost 5; Lincoln won 3 lost 5.

6th Girls:
Washington won 4 lost 0; Lincoln won 2 lost 2; Longfellow won 2 lost 2; Van Raalte won 2 lost 2; Froebel won 2 lost 2.

5th Girls:
Froebel won 3 lost 1; Van Raalte won 2 lost 2; Longfellow won 2 lost 2; Lincoln won 2 lost 2; Washington won 1 lost 3.

Mr. and Mrs. J. S. Dykstra went to Chicago Thursday to meet their daughter, Mrs. R. A. Eusden of Lawrence, Kas., who, accompanied by her son, John Dykstra Eusden, is here to spend the summer. Rev. Eusden will come a little later.

THE LANDIS INTERCOLLEGIATE BAND

For many years the idea of a band has been associated with the thought of Chautauqua.

Complying with the request of many Chautauqua committees, the Mutual management takes a great deal of pride in presenting "THE LANDIS INTERCOLLEGIATE BAND" to its audiences. The personnel of this organization is made up of fine, clean-cut American young men, selected from the bands of several of our middle western universities.

Two grand concerts will be presented on the fourth day of the Chautauqua assembly by this group of talented young men and will not only include the rendition of the very best band music written, but will also include several speciality numbers that always add a great deal of interest to a program.

It is not too much to anticipate that this band will prove one of the most popular features of the entire Chautauqua season.

Mr. Milfred L. Landis, the conductor of "THE LANDIS INTERCOLLEGIATE BAND," is a bandmaster of several years' experience, although still a young man. He is regularly engaged as the conductor of the Ohio State University Band, and also directs the tours of that organization. As a cornet soloist, Mr. Landis has the reputation of being one of the finest in America, and he is a pupil of Herbert L. Clark, who for many years was the soloist with Sousa's band and who is known all over the world as its premier and cornet soloist. Special numbers by Mr. Landis will add greatly to the programs on band day.

MILFRED L. LANDIS

Business Contact
and
Good Telephone Service

The Manager of your Telephone Exchange is responsible for a good business relationship between you and the Telephone Company.

He is responsible to you for the proper billing for your service. In spite of the many safeguards used throughout the telephone billing system, errors and misunderstandings sometimes occur, but when they do, the Manager wants to know about them and to correct them. You never will find him arbitrary.

In case of error, take your bill to the manager. If he is absent, there are in his department trained men and women who will receive you courteously and will adjust any misunderstanding.

Cooperation on your part will help the telephone people render efficient service. Bills paid promptly are dealt with easily and opportunity for error is greatly lessened.

The Telephone Manager and his representatives are anxious to maintain a good, clear-cut business relationship with all subscribers.

MICHIGAN STATE TELEPHONE CO.

OTTAWA PUPILS MAKE MAPS OF HOME DISTRICTS

Under the inspiration of the late Nelson R. Stanton, commissioner of schools, Ottawa county rural pupils have during the past year taken part in a movement that went under the name of "Project and Pageant for Rural Schools." It was a project arranged for the sixth, seventh and eighth grades in the rural schools of Michigan, and consisted of a map of the township in which the school was located, a geographical description of the township, a historical essay, and the exhibition of this work at a community meeting. This was all done for the purpose of making the pupils interested in their own community, and credit was allowed for it toward the eighth grade examination.

The map and geographical description of the township included such things as the location of the town hall, the school, the boundary lines of the school district, the child's residence, trunk line and county roads, state park, if any, and other important features. It also included much important information about such things as the township's assessed valuation and so on. The historical essay included all the necessary information about the founding of the community.

The county board of school examiners were required to select the best essay for each township and forward it to the department of public instruction to be placed on file by the State Historical Commission.

The following winners were selected for Ottawa county: Reka Klynstra, Blendon; Alice Davenport, Chester; Hermine Dykstra, Crookery; Joe Pikkulik, Grand Haven; Stella Buzcek, Grand Haven; Margaret Rottschaefer, Jamestown; Ruth De Kleine, Jamestown; Bernice Wills, Spring Lake; John P. De Witt, Zeeland; Maggie Yntema, Zeeland.

In commenting on the essays to Miss Iva Stanton county school commissioner, the state department of public instruction wrote: "This is as good a set of stories as has been received from any county. The work has been particularly well done. We feel that your father laid a good foundation in starting this work and to him much credit should be given. The experience will certainly be very profitable to those children who have completed such a project."

BAY CITY MAN BUYS A FINE SADDLE HORSE

Joe Hennessy of Bay City came to Holland Saturday evening and bought "Wylie MacDonald," perhaps the finest saddle horse ever owned in Holland. This horse was the property of John Boone and it was a beautiful animal with a wide reputation. The fact that the buyer came all the way from Bay City for it shows the worth of the animal.

Mr. Boone has been doing quite a business in saddle horses recently. About a month ago he sold two beautiful saddle horses to Wm. Monroe, a Muskegon millionaire, who purchased them for his daughters.

DIPLOMAS AND PRIZES ARE GIVEN TO PUPILS

Despite the intense heat, the Holland High School Auditorium was crowded to overflowing by relatives, friends and citizens who came to listen to the program arranged for the 44th annual commencement of Holland high held Thursday evening.

The invocation was pronounced by Rev. J. H. Bruggers, of the 8th Reformed church of this city, after which a double quartette of senior girls gave a group of songs. The manner in which these and the succeeding songs were rendered was testimony to the excellent work which has been done by Music Director, Mae Cogdal.

The salutatory was given by Bernice Van der Molen, who had attained a four years' average of 98.9. He spoke of the value of education. He said there were three types of students—those whose aim ends in self, those whose aim is to get money, and the third type whose ideal is to create out of the raw stuff in a boy a finer, stronger, nobler type of man. He made a plea for universal education as a means to peace.

Rev. John Wirt Dunning, of First Presbyterian church of Kalamazoo, delivered the commencement address, chosen "Striking the Upward Trail," as his subject.

He likened life to a mountain side with its many trails and youth in a arch of the ones which lead upward. He said that there were four signposts leading to these trails—consecration, with its Christian ideal of work; after the quiet kind based upon true worth; courage, not stolidity but the kind that "fears, but masters fear"; good cheer, which is "the by-product of an unselfish love"; and last, a keen sense of God.

The valedictory was given by Mrs. Harriet Heneveld, who has an average of 97.2 for her work. She likened life to a great orchestra in which each must play his part. The great instruments were the statement, the judges, the men who do things. But she said, the small instruments were just as necessary to the harmony. By unselfish acts and cheerful living, only could one play in harmony with others. The director of the orchestra is the Creator of the Universe and each must follow his guidance and avoid discords. She ended with a plea for better living—a direct application of the commandment, "Thou shalt love thy neighbor as thyself."

The diplomas were presented by Supt. E. E. Fell with a very fitting speech, after which Prin. J. J. Rimmerman presented the various prizes, which had been won by the high school pupils. The G. E. Kollen Memorial prize for public speaking, first prize was won by Harriet Heneveld, second prize, Wm. G. Maat; Mrs. G. E. Kollen, prize for domestic art, first prize, Thelma Haas, second, Dorothy Slaght; Henry Geerlings, prize for Citizenship, Harold Sierma, first; second, Alice Brunson; Geo. Mool prize for Manual Training and Mechanical Drawing, Russell Collins; for manual training, John Van Vuren; W. C. T. U. Essay prize first Thelma Haas, second Jay Wabek.

K. of P. Prize, first prize, P. M. Marcotte, second, Harriet Heneveld; Sons of the American Revolution History prize first, Margu Rita De Witt, second, Mary Zwemer; members of the new Torch society, an honorary society the members of which are chosen annually by the faculty, on a basis of scholarship, character, service and leadership: Russell Darnst, a Robert Fleming, Mae Hadden, Harriet Heneveld, Alice Plasman, Lillian Schmidt, Frances Spoelstra and Wilma Van Doesburg.

BURNED BY HIGH TENSION WIRE AT JENISON PARK

George Rewa, well known in Holland because he played with the Holland Independents a number of times last summer had a narrow escape from being electrocuted on the top of an electric pole when he came into contact with a high tension wire carrying about 2,300 volts. The accident happened at Jenison Park at about ten o'clock Thursday forenoon. Rewa had climbed up the pole in the course of his work as an employee of the Consumers Power Co. A companion was with him and it was due to this fact that his life was saved. Another worker knocked him loose from the wire and the injured man's safety belt prevented him from falling.

Other members of the gang climbed the pole and took him down, carrying him to the Beach House where medical attention was given him. He received some serious burns but will recover, it is stated.

YOUNG ENGINEER WEDS A HOLLAND GIRL

Edward Wolfert and Miss Vera Sande were united in marriage Thursday evening at the home of the bride's parents, Mr. and Mrs. Fred Sande, 32nd street, and in the presence of about 35 guests. The ceremony was performed by the Rev. C. P. D. me. The groom was attended by R. Brown, a classmate at the University of Michigan, and the bride by her sister, Miss Agnes Sande. The double ring ceremony was used.

The couple left Friday evening for Mackinaw Island where they will spend their honeymoon. Early in July they will go to Pittsburgh where Mr. Wolfert has a position with the Westinghouse Co. as electrical engineer. He graduated last week from the engineering department of the University of Michigan.

TRAVEING TOURISTS GO 1700 MILES

Mr. and Mrs. P. E. Takken and three children left Tuesday for Terrace, Minn., after spending three weeks in this city visiting relatives. The Takken family motored to Holland from their home where Mr. Takken runs a large water power, flour mill and general store.

He noticed when he arrived in Holland that his speedometer registered 853 miles. It took him three and a half days to come, camping out on the way.

When Mr. Takken and family reach home again more than 1700 miles will have been covered.

He states that the roads through Wisconsin are wonderful provided the road from Minneapolis through Eau Claire to Milwaukee and thence to Chicago is taken.

The road from Chicago to Holland naturally is fine.

The Takkens live in a resort district in Minnesota where there are 28 fresh water lakes in the immediate vicinity.

Glennwood 12 miles away is one of the largest resorts in Minnesota.

SAYS HARD WORK IS NEEDED FOR SUCCESSFUL LIVES

"Work" was the very short but meaningful subject of the commencement address delivered Thursday evening by Rev. J. Zeewu at the graduation exercises of the School for Christian Instruction held in the 9th Street Christian Reformed church. The large auditorium of the church was crowded with interested listeners who came to see the 51 graduates receive their diplomas and to listen to the program.

Rev. Zeewu advised the graduates not to make pleasure their aim in life but to build substantial lives on the safe basis of hard work, without which nothing that is worth while is achieved.

The following prizes were awarded: Three dollars to John Pott for the best essay on the subject, "Why I Should Continue My Education," offered by the Christian School society; five dollars to Grace Holkeboer for the best essay in the W. C. T. U. contest on the subject, "What I Mean When I Pledge Allegiance to my Flag and the Republic for Which It Stands"; second prize of three dollars in this contest went to John Van Appledorn; first prize for the best scholarship, \$3, went to Cornelius DeBoe, and 2nd prize of \$2 to Gertrude Evelyn Beckman. Each of the graduates received a Bible.

In addition to the address an interesting program was carried out as follows:

Prelude, Colonial Orchestra; Invocation, A. Rosbach; children's exercises: (a) "We Praise Thee," (b) "Remember Thy Creator," Kindergarten; "Did You Pass?" Russell Fredricks; prize essay, "Why I should Continue My Education," chorus, "Speak, for Thy Servant Heareth," (b) "A Loyal Heart," patriotic drill by girls; "Counting Eggs," Margaret Hoogstra and Marinus Potts; "Pins of the Nations," class reading; "Our Class," graduates; offertory, Colonial orchestra; address, Rev. J. Zeewu; presentation of diplomas; class song, "Help Us Now," awarding of prizes; "Good Night," Lois Vrieling; benediction.

Following are the graduates: Anson Boersma, Annetta Bos, Cornelia Bos, Julius Chok, Lillian Dobbin, Donald Drost, Jeanette De Graaf, Fredrika De Jong, Hendrika De Jong, Cornelius De Boe, Louis Elenbaas, Albertha Geers, Donald Grevensoed, John H. Jansen, Cora Kemp-huis, Peter Kolean, Catherine Michels, Jay Prins, John Pott, Benjamin Smeyers, Orville Steggerda, Sena Stegink, Arie Schregardus, Marvin Tinholt, James Vander Wege, James Van Iwaarden, James Van Fassen, Reka Vander Ploeg, Hilda Achterhof, Gertrude E. Beckman, Arthur T. Boeven, Herbert J. Brinks, Tena Derks, Harold A. Deters, Mildred Deur, Benjamin Frens, James Heerspink, Deane Knoff, Gertrude Lohuis, Sena Lohuis, Peter A. Maas, Lewellyn Michmer-shuizen, Jeannette Plantinga, Jacob Reijelman, Gertrude Schaap, Albert Smith, Herbert A. Steggerda, Elsie Steinfort, John L. Van Appledoor, Ellen G. Vander Meer, John Vander Vliet.

Mrs. Raymond Knothulzen and daughter Lois Mae and Miss Bertha DuMez spent Thursday in Grand Rapids.

Mrs. John Olert of West 16th St. witnessed the graduation exercises of the Grand Rapids high school on Thursday evening.

WILL HOLLAND OIL STOCK PAY BIG?

Citizens in some quarters of Holland have been wild about oil stocks the past week, since some Holland and Zeeland men have apparently struck a very desirable bed of oil in Texas after having put in a considerable part of a year in boring for the crude product.

This paper has been on the inside of the story for sometime but has refrained from giving it any publicity for two reasons.

One is that even stockholders do not know how valuable their strike will be and while it looks very promising it might peter out to nothing and prove a "dud." The second reason is that folks get unduly excited over these oil stocks and this would be especially true after a promising discovery had been made by reliable local people and the publicity is liable to bring and will bring a score of shyster oil stock promoters who will be on the job ready to till the fertile soil in this community and relieve Holland citizens of possibly a few hundred thousand dollars in absolutely worthless oil stocks.

Folks should remember that 99 out of a hundred of these oil promoters are fakes and he who invests, may just as well "kiss his money goodbye," for it leaves nothing but regrets afterward.

They should also bear in mind that no one can buy a dollar's worth of stock in promising prospects, for it would be foolish for a stockholder to sell stock in a promising oil well at any kind of a figure for the prospects are that an honest discovery will bring the original stockholder much wealth and such stock is not begging on the market.

This is self-evident right in Holland today because of the favorable indications in the local Texas oil well. Not a stockholder will sell a dollar's worth of his holdings at the present time.

We sincerely hope that the boys will all become millionaires, however we urgently warn Holland people to hang on to their money rather than put it into some untried oil boring scheme in which already more than a quarter of a million of Holland's money has been sunken in similar schemes in the past.

Strangers will no doubt follow this news up with some new and untried oil propositions, but, forget it; refer their schemes to the Holland Chamber of Commerce which has an investigating committee weeding out all the "Blue Sky" schemes.

The Holland prospect is not one of that kind. Holland, Zeeland and Grand Rapids capital had Holland and Zeeland men working on the job, and all stockholders shared proportionately in expense, and if it proves to be a valuable find, will share proportionately in the profits.

It's no stock jobbing scheme, success brings success to all, and the failure, should it prove such, all will bear a proportionate share which is very honest and fair.

Relative to the oil properties which has created quite a stir on Holland's streets for the last ten days even some of the promoters are very modest.

Dr. J. B. Nykerk and C. J. Dregman, two substantial men in Holland and who among a score of other Holland men helped to promote this property, gave the following conservative interview, which no doubt will be of unusual interest.

They say as follows: "A number of local men, together with others from Zeeland and Grand Rapids, are interested in the Zee-Tex syndicate, which is developing a new oil field in Texas. The field is what is known as a 'wild cat' development, which means that oil thus far exists only in the imagination of those interested, but is not flowing from actual wells. It is to be hoped that our local people may be luckier than most of those who have invested in 'wild cat' oil developments."

The fact that the operations of the syndicate are in charge of men like John H. De Free, and Jake Elenbaas of Zeeland, and John Glupker of Holland, who have just returned from Texas much encouraged makes those interested feel that they are at least getting an honest run for their money. Many investors in other oil properties are unable to say as much.

At a meeting of the unit holders held in the city last night Mr. Dick Boter of Holland and Mr. A. B. Knowlson were added as members of the trusteeship.

BODY OF MRS. KENNETH BARNES STILL IN LAKE

Grand Haven Tribune—Mrs. Kenneth Barnes, who was drowned in Lake Washington at Seattle last week was 27 years old. She was born in Middleville, this state, and her maiden name was Dona Stokoe, she being the youngest daughter of Mr. and Mrs. Carl Stokoe, well known former residents of this city. Dona attended the high schools as a girl and accompanied her parents to Los Angeles when they moved to the west. She graduated from Los Angeles high school and from the Southern California Normal school and for several years was a successful teacher in manual training in Los Angeles. She was married five years ago to Kenneth Barnes while the young man was a lieutenant in the aviation service in a Texas training camp. At last reports, according to a letter received by friends from D. A. Lane in Los Angeles today the body of Mrs. Barnes had not as yet been recovered from the waters of Lake Washington.

WIFE OF HOLLAND'S HEALTH OFFICER PASSES AWAY

Mrs. B. B. Godfrey, wife of Holland's health officer and mother of Dr. A. T. Godfrey of Hope College, died Sunday night at about 7 o'clock at her home, corner of College avenue and Tenth street. The announcement of Mrs. Godfrey's death came as a surprise to a large number of her friends in Holland who did not know of her serious illness. She was taken ill on Friday and her decline was rapid, death coming on Sunday night. Mrs. Godfrey was 72 years old. She was born at Jenison, Mich., and at the time of her marriage moved to Leamont. Later the family moved to Hudsonville, and about 28 years ago they came to Holland. The deceased was survived by her husband, Dr. B. B. Godfrey, one son, Dr. A. T. Godfrey, and one daughter Mrs. I. VanKampen, of Monsey, N. J. She was a member of the Congregational church at Hudsonville and burial will take place there. The funeral was held on Wednesday afternoon at 1 o'clock at the home in Holland, Rev. P. P. Cheff of Hope church officiating.

It isn't so very long ago that you were kicking about the cold unseasonable weather.

"Klomp" doesn't have to go to West Baden to take a mud bath. Andrew doesn't need it for his complexion nor for his rheumatism, for his "Warm Friends" furnace eradicates rheumatism, he claims, and his peach-cream complexion comes natural. Nevertheless Andrew did go overboard Thursday near the Ottawa Furniture Co., in fact up to his neck into a mud of exceptional quality. He was endeavoring to reach over and grab a boat that was floating away from the boat in which he was sitting. Well—you know the rest. With the help of his companion Peter Lievense, he was extricated from his afternoon dip.

Sometimes ago Prosecutor Miles had William Lydon of Grand Haven arrested for neglecting to support his minor children. Lydon's wife had died in Grand Haven and Lydon jumped out to Kalamazoo, leaving the little ones to shift for themselves. When relatives heard of the matter they took care of the children. Lydon was brought back to Grand Haven and was put on probation by Judge Cross only on the promise that he will send \$15 a week towards the support of the children. Not complying with this request he will be severely dealt with.

An Allegan judge who has just passed away and whose name is Elmer Allan and who was a justice of the peace, believed in dealing out justice in the open. Weather permitting Allan held court under a large maple tree on the outskirts of Allegan and many a prisoner was sentenced under its foliage. When Allan became a city, he was township justice of the peace and because of an error in the new charter, the city remained without a justice until the correction was made and Allan and his tree court house had to do the law business.

Bert Slagch, chairman of the committee having in charge the annual state convention of the Painters and Decorators to be held here on July 10, 11, and 12, will soon send out the official program in which the address of welcome of Mayor E. P. Stephan appears as well as a program of the list of speakers and the entertainment features which includes a ride to Lakewood, boat ride on Lake Michigan, an automobile tour of Holland, a picnic at Jensen Park, a visit to the Holland Country Club, an inspection of the Holland Furnace Co., and the Holland Ladder Co., a banquet at Hotel Ottawa, winding up with a dance at the Big Pavilion at Saugatuck. Business sessions are to be held at the city hall, Holland.

Grand Haven needs a new hotel, but should plan for one costing \$200,000 instead of \$100,000 George Clapperton of Grand Rapids told the Grand Haven Exchange club in his address Thursday.

Rev. Sam Zwemer is on his way to Africa. He left Thursday evening for Cairo, Egypt and sails from New York Saturday traveling by way of England, Denmark and the Netherlands.

Mrs. Grace Dykstra, 26, died at the Elkland Hotel here after a diabetic attack. She was taken ill on Tuesday night while coming home on the Goodrich steamer but was kept alive by the efforts of a physician on board.

Rev. and Mrs. Henry A. Bilkert of Arabia have reached Holland on their first furlough as missionaries of the Reformed church. They left for Arabia six years ago and will spend most of their time in Kalamazoo and Holland while here.

Johnston Bros. boiler plant in Ferrysburg will be enlarged by 7000 sq. ft. in the near future according to plans announced by the company. The plant is now working to capacity and many orders are ahead.

Mr. and Mrs. Anthony Rosbach, accompanied by Miss Minnie Vandewater and Mr. Clarence Vandewater returned Thursday night from Chicago where they spent a week of Mr. Rosbach's vacation. They made the trip by auto.

Wm. Wolrding and his family are gypsy-flivvering for ten days to Charlevoix. Mr. Wolrding will fish the great trout streams of northern Michigan. He is also interested in the fish hatcheries and will make a stop there.

A fire at 1 o'clock Friday proved to be a grass fire on 20th-st. A second alarm turned out to be a false one at the same place said to have been sent in by some boys tampering with the alarm box in which the glass was broken when the first alarm was sent in.

Edward Morelock surprised his wife on Wednesday evening by inviting the Harmony Circle to celebrate their 17th wedding anniversary. Followers were brought in abundance including a striking bouquet of roadside weeds presented to Mrs. Morelock by her brother-in-law John Rumlund. The dainty refreshments appeared as if by magic and the guests parted with many happy wishes for the future.

Millions of cubic feet of sand and gravel for building in Chicago will be taken from the Bass river section near Lamont as a result of a recent purchase of the Michigan Materials Co. with headquarters in Grand Haven, by the Consolidated Material Co. of Chicago. The plant and equipment to be installed will be the last word in special machinery it is said.

A Borculo hen of 16 weeks is already laying eggs. T. H. Raterink a farmer living near Borculo reports that the first eggs were gathered from his Buff Leghorn pullets on the day when the pullets were just 16 weeks old. The pullets were hatched from eggs laid by stock which took first prize at both the Grand Rapids and Zeeland poultry shows last winter and are the property of Mrs. Peter Isenhor.

The drought has been severe around Holland and Zeeland. All around fine rains were had but Holland was not so fortunate. The strawberry crop has suffered much and the hay crop will be short.

Saturday was the warmest day in Holland thus far this season, the official thermometer at the water works registered 94°. The highest previous record was 92½° Friday. Sunday was somewhat cooler.

Allegan has a slight decrease in its school census. In 1922 the actual enrollment was 1067. In 1921 however there were more country people and fewer city people than in 1922. The present census shows a decrease of about forty the number being 1028.

The Holland Merchants' baseball team members have received their new uniforms and will appear in them for the first time Thursday night when they play the Montello Park Independents at the Water Works at 8 p. m. A good game is assured so everyone out.

George Getz who was injured recently in an auto accident is now at his home at Lakewood, much improved.

The second case of backing into Black Lake took place within two days. Dorothy Thurston and Mary Wells narrowly escaped death when the touring car they were driving skidded into Macatawa Bay at Macatawa. The car was wrecked. A thorough ducking was all the girls suffered.

Rev. Albertus Pieters of Japan has accepted the Bible chair in Hope college. He is a son of the late R. Pieters, second pastor of the old Colonial church on 9th street. He graduated from Western Theological seminary here in 1891 and went to Japan as a missionary of the Reformed church in America.

Camp Cheboygan on Pottawatoni lake near Grand Haven is occupied by Director J. E. Noon and eight boys from St. Louis who are the advance guard of 50 youngsters who will spend the summer there. Preparations are being made to occupy other summer camps in that vicinity.

The Fifth District American Legion picnic is to be held at Meyer's Lake near Rockford Saturday afternoon and evening. It will also be the pre-convention caucus of the district and Holland will have a large representation from both the Auxiliary and the Legion. All those planning to go should notify Ben Lievense by Friday noon.

Chickens and autos are to mix at Grand Haven. At a meeting of the Grand Haven poultry association on Tuesday night it was decided to co-operate with automobile dealers next year in staging a combined automobile and poultry exhibit. Last winter a few dealers did exhibit with the poultry show but indications point to concerted action this year. The date set for the show is Dec 4-7.

Today, June 28, 500 employees of the Herpolsheimer Co., of Grand Rapids are picnicking at Holland resorts. That store is to close at 1 o'clock and special interurban cars are to take the 500 with their families or friends to the Holland Interurban boat dock where the steamer City of Grand Rapids will take them out for a long ride on Lake Michigan. There will be music and dancing on board and returning the steamer will land at Ottawa Beach where a picnic supper will be prepared by Hotel Ottawa and served on Lake Michigan Beach. All the picnic sports will be indulged in and the large Furniture City Band will be taken along and will furnish the music for the day.

The heat wave was broken here Monday when a brisk breeze off Lake Michigan fanned this city. The bathing beaches are still very well populated. The Michigan Railway Co. is running special cars in order to take care of the comfort seeking people. All the parking space for a range of a mile was taken at Macatawa.

Residents on Lincoln-av. were startled Saturday when they heard an explosion, and discovered that a large section of the cement walk in front of the residence of G. Hokker had exploded owing to the terrific heat. The explosion lifted a large block of cement from its foundation and tore a hole in the surface full three feet wide.

The season of navigation on the J. & M. line between Saugatuck and Chicago was opened Saturday and the arrival of the steamer City of Holland. A daily schedule will soon become operative and a big season is in prospect. Many improvements are being made on the company's property. Ward De Young again has been engaged as local agent.

One fruit and refreshment stand situated near the cemetery as you turn into Saugatuck netted the proprietor nearly \$6,000 last year. One of the popular drinks furnished is cold cherry juice, a most refreshing drink with resorts. Roadside are becoming dotted with these refreshment stands all along the West Michigan Pike from Holland to Chicago.

Bastian Steketee took out his pencil and paper and figured that he had taught more than 31,000 Sunday school pupils in the 51 years that he has been a Sunday School teacher in this city. He has taught since 1872 and has supervised both girl and boy classes. He has always been connected with the First Reformed church and since his 14th year has been actually giving religious instruction in the local congregation.

With the increasing hot spell the Holland bathing beaches are being visited by hundreds of people. Many use their machines as dressing rooms and take dips in Lake Michigan and return by auto in their bathing suits. Many from Grand Rapids and many tourists are now visiting the lake. The warm temperature on the lake is very fine there and no heat or drowning victims. Some of the most popular beaches are Ottawa, Macatawa, akewook, Tennessee and Black Lake resorts.

Motorists coming through from Grand Rapids at 3 o'clock Friday encountered a downpour of rain at Grandville and Jensen, but the rain got no further than that. Large banks of clouds were noticeably in the eastern sky at about that time Friday.

Among the graduates from Hope College this week were Charles Van Zanten, who is a son of the late Chas. Van Zanten, many years ago assistant postmaster of Grand Haven, and Ruth Pellegrom who is a daughter of Mr. and Mrs. Baltus Pellegrom of this city.—G. H. Tribune.

The Ottawa County circuit court convened Friday afternoon, with Judge O. S. Cross presiding. This was a short adjourned session for the purpose of making a number of arraignments and cleaning up some of the matters held over from the regular term.

Officials of the Spring Lake Country club are doing all in their power to encourage tennis playing among the younger people of this vicinity in order that Grand Haven and Spring Lake may produce players who will be capable of holding their own with stars from other sections of the state and nation in years to come.

Gertrude Anna Pas, living just outside the city limits east of Holland and Munro Fox of Saginaw were united in marriage Thursday night at the home of the bride. The ceremony was performed by Rev. James Zwemer in the presence of the immediate relatives. Mr. and Mrs. Fox will make their home in Saginaw.

One of the big events in July in Grand Haven will be the Elks beach fair, which is slated to take place at the Highland park pavilion the week of July 2. A fine entertainment has been planned by the committee in charge, and judging by the attendance last year a large crowd is expected.

The Allegan News reports that Mrs. Frank W. Hadden of Holland was the guest of Mrs. A. H. Lamoreaux of Allegan.

Rev. James J. De Kraker of the Presbyterian church of Grand Haven was elected president of the county seat Exchange club for the coming half year at the special meeting. Rev. De Kraker is well known in Holland being a graduate from

R. W. Shears, editor of the Coopersville Observer, was married last Thursday to Miss Amy L. Taylor of Sparta. The bride had for two terms been a teacher in the Coopersville high school. The wedding took place at the home of the bride in Sparta and the Rev. G. W. Maxwell of the M. E. church officiated.

The first public dance to be given in the new Masonic Temple on Friday evening will start at 8 o'clock sharp. All Sadhu, Wizard of the Orient and Princess Isis, the Hindu girl and spiritualistic mind reader will be one of the many features of that evening.

Neal Hyland was elected president of the Grand Haven High school alumni association at its meeting on Tuesday evening. Mrs. John Reichardt, Otto Koch and Martha Meschke were elected first, second and third vice presidents, respectively, and Dr. Arend Vyn was elected secretary and treasurer.

Hope. He recently spoke at the Holland Exchange club and takes a great deal of interest in Exchange work.

Rev. John De Jongh of Dutchess is visiting his sister Miss Maggie De Jongh in Grand Haven and spending a few days in his old home town. Rev. De Jongh has been attending the session of the Hope College council of which he is a member. He is an alumnus of Hope and the Western Theological seminary. Rev. De Jongh spent his boyhood at Grand Haven but has been in the ministry of the Reformed church many years.

Flags at all coast guard stations in the United States including Holland station were lowered at half mast Friday in honor of the memory of S. I. Kimball, founder of the Coast Guard service, who death occurred early on Friday morning. Mr. Kimball organized the first coast guard station, a volunteer affair on the New Jersey coast and later was for years the superintendent of the government life saving service.

Carl A. Bigge of Holland is in St. Louis Mo., attending the international convention of Rotary clubs. Carl writes as follows: "Some town for size. Some convention too with over 7,000 delegates coming from 28 different countries. The president of Mexico invited us to come to Mexico City next year as his guests. The St. Louis Globe-Democrat is sending copies of their paper to every Rotarian in the United States during the week of the convention. No doubt Holland members are getting theirs."

Stanley Schaffer was sent to the county jail for 30 days by Justice Van Scheiven for defrauding Hotel Asselton out of a board bill. Schaffer was traveling with the Wade & May Carnival Co. and run up a bill while the show was here, however he failed to show up with the money after the show left. Officer Bontekoe got the man from Benton Harbor where he was arrested by the Berrien county sheriff. Michigan has a very strenuous law protecting hotels against all board jumpers.

William F. Barth, a druggist well known in Holland was held up at his place of business on South Division street Grand Rapids. A young high school man at 11 o'clock Friday night told the druggist to hold up his hands which he promptly did, and the till was relieved of \$50. The robbery was a daring one the young chap making a lane through a crowd of customers to the till from which he took the money. No one lifted a hand to interfere as he waved a gun to and fro and apparently got the crowd scared out.

The annual Grand Rapids municipal picnic, conducted by city employees, will be held at Jensen Park again this year early in August. This was determined when a poll of employees showed that of the 520 voting, 290 desired to go out of the city for the picnic and of this number 215 showed a preference for Jensen. The poll indicated 1,000 would attend.

That the Rebekah ladies of Allegan enjoyed a picnic at Schermerhorn lake last Tuesday could easily be noticed by the shouts of laughter which echoed from a truck in which they were riding. A number of them went to the Rebekah association meeting at Otsego last Thursday. They expect to again enjoy a good time in Holland and are patiently waiting until the arrangements can be made.—Allegan News.

In the early days of the city, there were many birch bark canoes to be seen, but soon they gave away to "dug outs" as the better tools of the whites made possible the production of these more durable craft. Older citizens remember when these were common. Today only one is known to exist in this vicinity and that is the property of Mr. William Collins and is still used occasionally. It was made from a basswood log about 50 years ago by "Indian Joe" for Andrew Kellogg, and is of excellent workmanship and design.—Allegan Gazette.

Following the miniature tornado which struck in this vicinity about 9:30 Monday night Zeeland, Forest Grove and Virginia Park were in total darkness, the poles carrying electric power from the Wealthy-st. station in Grand Rapids having been razed by the terrific wind. The Consumers Power Co. had more than 40 men on the job shortly after the damage had been done.

Reckless auto drivers are warned to pilot their cars with care in the future as Trooper E. J. Hathaway of the State Constabulary is on the prowl of Ottawa county to keep a watchful eye out for speeders and all reckless drivers. Reckless drivers will be gone after especially. Recent accidents have made the provision necessary. All motorists are cautioned to stay inside the limit of the law or the state policeman with his speedy motorcycle may haul them down and haul them into court.

The Baldus Welding shop did a very nice piece of work Tuesday when they welded a frame of a large truck chassis which had been broken on both sides of the frame. This truck is owned by a Mr. Van de Woud of near Fennville and was in a wreck in which it was completely turned over breaking the frame in two pieces. After the welding had been done the truck was pronounced as good as new. Mr. Baldus has equipped himself to handle all difficult jobs that usually had to be discarded or sent to larger cities for repair, and Holland and the surrounding territory are taking advantage of these facilities.

Employees at the Holland Furnace Co. who call themselves the "Warm Friends Gang" wishes this paper to state that marriage apparently is bad for the teeth. They claim that Ed Oonk, their co-worker suddenly contracted a toothache Monday, and the boss took compassion on him because of the aching molar and let him go for the day. Oonk's distress was of a short duration, for a few hours afterward he got the minister instead of the dentist, and got snitched. This couple are now on a wedding tour and all aches and pains have disappeared. The Warm Friend folks also wish to congratulate Mr. and Mrs. Oonk, wishing them all the success this life affords.

LINCOLN

Get Behind the Wheel

The Seven-Passenger Touring Car

\$3800

F. O. B. Detroit

Ten Body Types

HOLLEMAN-DE WEERD AUTO CO.

ZEELAND HOLLAND BYRON CENTER

Driving the Lincoln brings a new sense of complete mastery of time and roads. Riding under all conditions and at any speed, is a smooth, even flight.

300 operations accurate to one quarter thousandth of an inch; 1200 operations accurate to one half thousandth of an inch; 5000 operations accurate to one thousandth of an inch; make the Lincoln the most accurately built car in the world.

Holland had its first drowning accident Tuesday afternoon when Angelo Columbo a scrubber employed on the Steamer Grand Rapids, fell off the top deck into Black Lake and lost his life. Columbo did not come up again when he fell into the water. Companions immediately went in after him but were unable to locate the body immediately. They found him in about 25 minutes but life was extinct.

Columbo was 27 years old and unmarried. His home was in Chicago.

The loveliest setting that could be imagined for a quiet home wedding was that which marked the nuptials of Miss Adolphia Garney, daughter of Mrs. Edward Grant Garney, to Mr. Charles Ettinger, son of Mr. and Mrs. George D. Ettinger, of Bourbon, Ind., which was quietly solemnized on Saturday morning at the home of the bride's mother in Spring Lake.

Rev. William Frederick Phillips of St. John's Episcopal church officiated. The marriage ceremony took place in the stately living room before an improvised altar of black velvet decked with roses and asparagus ferns. Pink and white peonies in beautiful vases decked the rooms on all sides while a fountain of unusual beauty casting a pale blue light thru its bubbling sprays was placed at the main entrance. Harp music by Miss Helene Lorch of Grand Rapids was played throughout the ceremony. The coming young bride was simply gown-d in white georgette. A shower bouquet composed of tea roses and swainsonia was quietly arranged in colonial fashion.—Miss Marguerite Carl of Newton, Ia., attended the bride as maid of honor. She wore a lovely creation of orchid poncee, and carried a corsage bouquet of lavender sweet peas and swainsonia placed in a frill of orchid ribbon. Miss Gwendolyn Garney as bridesmaid wore a simple gown of burnt orange chiffon carrying a corsage bouquet of pink roses and swainsonia placed in a burnt orange frill. The bride's gifts to her attendants were pearl necklaces. Donald Ettinger of Flint, brother of the groom acted as best man. Following the ceremony a wedding breakfast was served in the dining room. The large dining board was massed with American beauty roses. A unique bowl of pale pink tulips placed above the table was caught to it by streamers of tulle. The wedding cake topped with lilies of the valley and a miniature bride and groom was placed in the center of the rose mass.

John Kaminski of Robinson, taken on a liquor law violation charge, was bound over to circuit court in Justice Illie's court at Grand Haven. William Lyndon up on a charge of deserting his children, was bound over to circuit court also.

Announcement has been made of the purchase of the Freeman Dairy Company of Jackson by the Arctic Ice Cream Company of Lansing, Detroit, Grand Rapids, Holland, Grand Ledge, Fenton and Hastings.

The general management of the Arctic will immediately put into effect the policies of improvement and expansion which have for many years characterized their companies in other communities.

Jackson is the eighth city to which Arctic has extended their progressive and powerful organization during the past few years. Annual value is now well over the \$3,000,000 mark.

Jackson plant equipment will be brought even more up-to-date than it is at present, certain improvements controlled exclusively by Arctic being added.

Holland Busy Men enjoyed their 6th outing Monday evening at Jensen Park. About 25 men were present and a real game of outdoor was indulged in. Peter Lievense and James Nykerk were the two captains and the game was pretty close. Lievense team composed of four Klompers brothers made a hit and won the game. Batteries for P. Lievense's team: Ray Zwemer, Ray Knothulzen and Wm. Joldersma for the tossers, Zip Houtman, M. Dyke, Jim Nykerk and F. Bos. Final score 19-14.

Burnie Mow, who has been teaching school in Fremont has returned to Holland for the summer.

ONE GOOD TURN DESERVES ANOTHER, THESE COUPLES THINK

That one good turn deserves another was the idea of two local couples on Monday afternoon when they were united in the holy bonds of matrimony. First one couple was married, the other couple serving as brides maid and best man and then the other couple was married with the just wedded pair doing the same thing for them. And the brides were both named Ella.

First Edward Oonk and Miss Ella Schuttinga went to the parsonage of Rev. Henry Keegstra, pastor of the 16th street Christian Reformed church, and were married. Gus De Vries and Ella Berkompas attended them. When this was over the quartet went to the parsonage of the Trinity Reformed church where Mr. DeVries and Miss Berkompas were united in marriage by Rev. C. P. Dame, with Mr. and Mrs. Oonk attending them. The couples have left together on a wedding trip.

FURNITURE MAN LOSES HIS VALUABLE RECORDS

R. Keith, of Kansas City, who is attending the Grand Rapids Furniture exhibit, but who is staying at Hotel Macatawa at night, lost a substantial black leather brief case containing some valuable furniture stock records. The case was left on the 8:23 Saugatuck Interurban car from Grand Rapids by mistake Monday but when the owner noticed his loss as he reached Hotel Macatawa he quickly got in touch with the station agent at Saugatuck, but when the car arrived at Saugatuck, the case was missing.

Some person, possibly thinking it was something valuable, appropriated it.

The fact is that while the case has a great value to Mr. K. cause of the records, it can have no possible value to any other person.

Mr. Keith offers a \$25 reward for anyone who will return the case to him.

Mr. C. M. Camburn at Macatawa is taking an interest in the matter and has placarded all the resorts with reward signs.

ANNUAL SCHOOL ELECTION TO BE HELD ON JULY 9TH

On Friday at 7:30 p. m., the annual school caucus will be held in the high school for the purpose of nominating six candidates to be placed on a ballot to be voted for on Monday, July ninth.

The six having the highest number of votes at the caucus will be placed on a ballot to be voted on again at the forthcoming election.

From these six on election day three will be selected, and those of the six receiving the highest number of votes will be declared the trustees for the next three years.

The poles will be open on July 9th from 2 in the afternoon until 8 o'clock in the evening and the polling place will be in the lobby of the city hall.

The trustees whose terms of office expire have been excellent men. Mr. Henry Geerlings has been on the board for a score or more years and has been the secretary of the board for a number of years. Fred Baenwes has also been an untiring worker for a number of years taking a great deal of interest in school affairs. Gerrit Vander Hill has just completed his first term and has a fine record to his credit. Mr. Vander Hill is an employee at the Holland Furniture Co., and notwithstanding the fact that he is a busy man in his vocation, he still finds spare time to take an interest in civic affairs and men of his calibre should have a representation on this board.

Our schools are of vital interest to us, in fact, they are the very foundation of our American institutions, and the opportunity to get good men should not be neglected.

A \$40,000.00 GIFT FOR WESTERN SEMINARY IS ANNOUNCED

The general synod of the Reformed church has received notice that a gift of \$40,000 will be made by Mr. and Mrs. Belmont of Chicago for the endowment of a chair of exegetical theology at the Western Theological seminary provided the synod raised an additional \$30,000.

The supposition is that the required \$30,000 will be forthcoming and that the \$40,000 gift will thus be made available. The synod has approved the recommendation to raise the salaries of the members of the faculty of the seminary from \$3000 to \$3500, with the stipulation that the faculty members are to retire when they reach the age of 70.

PERSONAL

In the 20 years ago column of the Grand Haven Tribune the following item appears: "Sheriff Hans Dykhuis had been called to Holland to quell a mutiny on the steamer Puritan."

Mrs. Marie Phernambucq has moved to this city from Holland, and has taken an apartment at 518 Park street.—St. Joseph (Mich.) Press.

The Main Street Garage has sold a 5-passenger Oakland coupe to Marinus Dornbos and Oakland Six to Dick De Boer.

A marriage license was issued in Allegan county to Miles George Folkert 26, Fillmore and Betsie Nyhof, 22, of Hamilton.

A marriage license was issued in Allegan county for George Koops and Ette De Frell both of Holland.

Mr. and Mrs. H. Van Huil will leave Tuesday for Denver, Colo., to spend three months with their daughter.

Miss Gertrude Stephens, daughter of Mr. and Mrs. John Stephan has left for Madison, Wis., where she will take a course this summer at the University of Wisconsin.

Albert Bolt, for 26 years proprietor of a grocery and general store in Gr. Haven has sold his business to C. Van Helmet. The store building, owned by Mr. Bolt, did not change hands.

Rev. and Mrs. C. Muste and daughter of Bayonne are the guests of J. B. Mulder and family for the next six weeks.

Mr. and Mrs. H. E. Van Kampen are leaving Wednesday to make a visit with relatives in Colorado Springs, Colo.

G. J. Diekema, C. M. McLean, J. A. Vander Veen of Holland and A. La-huis of Zeeland are in St. Louis, Michigan, attending the annual meeting of the Holland-St. Louis Sugar Co.

W. R. Stevenson and son Alfred Leo, are in Chicago attending the annual meeting of the American Optometric Association, which is being held in that city June 25 to 30th at Hotel Sherman.

Mr. and Mrs. George Vrieling and daughter, Miss Thelma Vrieling spent the week end with relatives in Allegan. Miss Thelma will make a more extended stay.

Rev. and Mrs. Ben. Bush of Lexington, Ky., are spending the summer vacation in Holland, the guests of Mrs. L. E. Van Drezer, 123 E. 10th St.

Henry Lagestee of Washington, D. C. is spending a short vacation with his parents Mr. and Mrs. A. Lagestee at 42 West 16th St.

The crop of June brides will not be retarded because of the protracted drought.

Former Senator and Mrs. William Alden Smith were in the city Thursday and will again occupy a cottage at Lakewood for the summer.

Charles K. Van Duren and Arthur Van Duren, Jr., Franklin Cappon, David and Stuart Boyd and Herald De Free are among the students home from U. of M. for vacation.

Rev. F. M. Wiersma of Harlem has received a call from the Reformed church of Marlon, N. D.

The Misses Jeanette and Matilda Veltman, Ella Olfert and Sena Grevengood are attending the summer Normal school at Kalamazoo.

Mr. and Mrs. Alex Van Zanten left Tuesday for Colorado Springs, Col. to spend about a week there. They expect to spend Sunday in Denver.

**STORM PUT THE
INTERURBAN OUT
OF COMMISSION**

The storm raised havoc with the Interurban and telephone service between Holland and Grand Rapids. The Citizens Telephone lines as well as the Holland Interurban between Grand Rapids and Jenison were down because of a young cyclone that struck that section at about ten o'clock Monday night.

All Holland Interurban service was out of the question all along the line from ten o'clock Monday night until late Tuesday afternoon.

The storm effected the entire system all along the line from Saugatuck to Grand Rapids and automobiles and bus lines were liberally used along the line.

Because of the break, the Consumers Power Co. that also furnishes the current for the Interurban was unable to light the local resorts including hotels and Jenison Park.

All was dark at the head of the lake and lamps and candles had to be substituted.

Long distance telephone lines to Grand Rapids and Grand Haven were out of commission, and some of the phones were burned out because of the electrical storm.

All newspapers from Grand Rapids coming to the Interurban failed to arrive and all freights between the Furniture City and Holland have been discontinued for 24 hours.

It was expected that both the phone connections and the Interurban service will be again established by evening.

**BUSINESS COLLEGE
CLOSES AFTER A VERY
SUCCESSFUL YEAR**

Friday marked the close of the year of the Holland Business College. Enrollment in both day and evening sessions was as large as in other years. Judging from the number who have secured office positions, the demand for office helpers is growing proportionately with the industrial growth of the city. Principal Albert Hoeksema states that he has been unable to supply the demand for male and female stenographers in Holland and Zeeland. The school will be closed during the summer months, and the fall term will begin on Tuesday, September 4.

The graduates from the stenographic departments are: Jacob Pilon, Claude Lappinga, Gertrude DeFouw, Genevieve Everett Antoinette Northuis, Margaret Gosweller and Cora Prins. Those who have completed three or more units of bookkeeping are: Claude Lappinga, Gertrude DeFouw, Bernard Buscher, Cornie Westenkroon, Mary Visser, Jeanette Brink, Cornie Schermer and John Van Voorst. Nineteen students were awarded Students' Final Certificates, and Student's High School diplomas in penmanship by the A. N. Palmer Co. of Chicago.

During the past year, the following students have accepted temporary and permanent positions: Howard Wabeke, American Cabinet Co.; Frances Garbrecht and Marian Kuite, Dutch Plantfood Laboratories; Adeline Vander Hill, Holland Chair Co.; Jacob Pilon, Steelclad Autobody Co.; Edith Visser J. C. Penny & Co.; Cornie Westenkroon, Van Voorst Bros. & Bendise; Sine Tinkholt, Winnie Kamphuis, John Meyer, Dena Bos, Cora Prins Mae De Jonge, Holland Furnace Co.; Anthony Lyzinga, P. M. R.Y.; Claude Lappinga and John Gallen, Bolhuis Lumber & Mfg. Co.; John Volkers, Zeeland; Jeanette Brink and Genevieve Everett, Bus Machine Works; Cornie Schermer, Holland Rusk Co.; Gertrude DeFouw, DeFouw Electric Co.; Jeanette Fik, C. P. Limbert Co.; Deane Baraman, Du Mez Bros.; Antoinette Northuis, and Bernard Buscher, H. J. Helz Co.; Mae Stankov, C. De Keyzer, Real Estate; John Bovee, Henry Kraker Co.; Evelyn Nykamp, Holland Canning Co.; Frank DeVries, Home Furnace Co.; Marie Hamelink, Arctic Ice Cream Co.; Beatrice Rooks and Margaret Gosweller, Holland Engine Co.; Lambertus Bouws, Holland Gas Co.; Erna Plummer Michien City; Mary Visser, Peoples State Bank; Florence Ver Haze, Zeeland State Bank; John Van Voorst, Bush & Sons Co.; and Winnie Smith, Reformed Church House.

**HOPE CLASSMATES
UNITED IN MARRIAGE
MONDAY EVENING**

Not content with having received their sheep skins together last Wednesday evening two young people began wedded life together on Monday night. Amid a scene of simple yet impressive beauty Miss Frances Mills daughter of Mr. and Mrs. Harry T. Mills of this city and Mr. Ernest Van den Bosch of Grand Haven, spoke their marriage vows. The ceremony was performed by Rev. P. P. Cheff, beneath a bower of daisies and ferns. Preceding the service Mr. James Mills of Flint, sang "O Promise Me." The bride's mother played the wedding march, at the sound of which Miss Janet Vanden Bosch, sister of the groom, appeared as maid of honor. Little Esther Harris strewn rose leaves for the bride and her father to walk on to the altar.

A wedding supper was served to 40 relatives and guests and a reception followed.

Mr. and Mrs. Vanden Bosch left immediately for an extended tour of the south with the destination Mexico City, Mexico. After Oct. 1, they will be at home to friends in Princeton, N. J., where the groom is preparing for the ministry.

Grand Haven Tribune—John Van Pelt of Holland who was tried Tuesday on a charge of violating the law regulating the size of bass to be taken from the waters of the state, was acquitted by a local jury in Justice Lillie's court Tuesday. Van Pelt is alleged to have taken an undersized bass and was arrested by Game Warden Frank Salisbury. On trial, Van Pelt was acquitted by the following jury of Grand Haven men: Fred Guillard, Henry Bottje, William Byl, Jacob Muller, Frank Riemer, and John Conant. Thomas N. Robinson, Holland attorney, presented Van Pelt's case.

Without a doubt the Postum Cereal baseball team of Battle Creek, appearing here in two games Friday and Saturday is the fastest organization in the state. The Breakfast Food manager has collected together a group of real ball players and is especially strong on the pitching end. Holland will have to face some of the best pitching possible put up by two left-handers, McDonald and Winters, and a right hander by the name of McMillan who has had major league experience.

**OVERSLEEPING BRINGS
ABOUT A PASSENGER
GER CONGESTION**

Considerable commotion was caused Monday morning for the reason that the Holland Interurban did not have enough cars to take the Chicago boat passengers to Grand Rapids on the spur of the moment when these passengers arrive in Holland, and some were compelled to take the next regular car through or resort to buses or taxicabs, as many of them did Monday morning.

The real fact of the matter is that the "beauty" sleep of boat passengers might be continued at least three-quarters of an hour more by going to Holland and taking an interurban car there.

The Holland Interurban Co. however has a double interurban awaiting at the boat dock at the Jenison Interurban pier all ready to take on the passengers thus saving them the long drill from the Graham & Morton boat dock at Holland to the Interurban station on 8th Street or otherwise saving them a taxi fare to negotiate the same trip.

When the boat arrived at the Holland Interurban pier at Jenison Monday morning only 15 passengers got off to take the boat car to Grand Rapids and the Interurban special intended for that purpose went to the Furniture City practically empty.

When the boat arrived in Holland, however, the 150 who took an extra "snore" hired taxi to get downtown but found that the regular could not take care of the overflow and some of the boat passengers had to remain over, or use other means of conveyance.

The Interurban advertises this convenient boat car from the pier, but apparently the passengers were not all aware of the convenience it offers, being as it is only a few steps from the gang plank of the boat.

Mr. Johnson of the Graham & Morton states that the Interurban also has a boat car at Holland ready to take on passengers when the boat arrives here but that the boat Monday morning was an hour late and that together with the sudden furniture rush for Grand Rapids also added to the congestion.

Clare Taylor of the Holland Interurban at Holland states that everything will be done to take care of the summer passenger business both to and from resorts as well as the passengers coming from the Holland-Chicago boats.

**SADDLE HORSE SHOW
TO BE HELD AT THE
HOLLAND FAIR**

For the first time in the history of the Holland Community Fair the lovers of horseback riding will have a chance to exhibit their skills in the program. The committee has decided to add this feature in order that more people may participate in the fall "get-together" and want every one in the vicinity of Holland who has horses to participate. There are to be six classes shown on Holland Day. They are as follows: Men's three-gaited, Women's 3-gaited, Men's five-gaited, Women's 5-gaited, Children's Pony class under 14 hands, and Hunters and Jumpers. Ribbons, and possibly cash prizes and cups will be given.

Mr. John Boone, well-known horseman of Holland, and Mr. Carter P. Brown of Castle Park, have charge of the arrangements and want everybody to turn out. They greatly hope horses will come from Grand Rapids and Muskegon as well as from the various resorts. But most of all they want Holland people to participate.

**CHURCH WEDDING WAS
IMPRESSIVE AFFAIR**

A very impressive and beautiful church wedding was held Sunday evening in the Prospect Park Christian Reformed church when Miss Johanna Dobbin, daughter of Mr. and Mrs. John Dobbin, became the bride of Mr. Gerald Tinkholt, son of Mr. and Mrs. L. Tinkholt. There was an unusually large attendance at the services and the ceremony was one of marked solemnity. The young couple knelt while the audience sang a hymn and the ceremony was performed by Rev. J. C. Schaap, pastor of the church. They were unattended.

Mr. and Mrs. Tinkholt will make their home in Grand Haven where Mr. Tinkholt is in business as an oil

**HOLLAND HAS AN
UNOFFICIAL LIFE
SAVING CREW**

The drowning accident at the Holland dock Tuesday afternoon when Angelo Columbo lost his life in Black lake, as told in Tuesday's issue, calls attention to the fact that Holland has a sort of unofficial life saving crew which is not in the pay of the government but the members of which have saved many lives during the past few years. This crew is composed of George Bender, his son Russel Bender, and the first mate of his vessel, Charley Horton.

Although it took twenty minutes from the time that Angelo Columbo fell into the lake until the time that his body was recovered, it took only seven minutes from the time that George Bender and Charley Horton were called to the job until the time that they brought the body to the surface. They were not called immediately but after they arrived it took only seven minutes for them to find the body and bring it up in spite of the fact that there was quite a heavy sea on and they had to work under difficulties.

The Benders have found and brought to the surface some fifteen bodies during the past twenty years that they have served as volunteer life savers for this port without pay. They have always been on the job quickly when a drowning accident has occurred and they usually direct the work of rescue.

They have also saved many a life when a vessel has been sacrificed but for their timely aid. Last season Russel Bender saved three boys from drowning whose canoe had capsized and who were on the point of going down. The summer before that Geo. Bender saved five persons from drowning near Waukegon when they were out in a canoe and the rough sea threw them into the water. A few years ago they also saved from drowning three persons in a sail boat who had lost control of their craft. And a season seldom passes that they do not save some one from drowning.

Don't forget the school caucus in the high school auditorium, Friday night. A large crowd is desired. FOR SALE—An Ice box and also a combination range; cheap if taken at once. 256 W. 9th St. City. Phone 5198

**ALLEGAN MURDERER
WEEPS AS HE IS
TAKEN FROM JAIL**

Showing remorse for the first time, Luther Karzen, murderer of John Westveld, his neighbor at Hamilton, wept bitterly when he was taken from his cell at the county jail by Sheriff Larry Hare and started to Jackson to serve a life sentence in the state prison.

Despite his stoical demeanor, Karzen brooding over the terrible deed passed many sleepless nights in his cell and he appeared a physical wreck when he was led out of the jail to start the journey to the state prison.

When Judge Orien Cross pronounced sentence, the prisoner collapsed into the chair in front of which he had been standing and restoratives had to be applied. Karzen's mother 37 years old is confined to a bed suffering from shock as a result of the shooting affair. She had not been informed that her son, her only support, was held for murder nor that he was sentenced to a life term in prison. She knows of the shooting, but still believes that Westveld received only minor injuries. Karzen and Westveld had been on intimate terms for ten years.

Karzen refused to loan Westveld a potato planter and the latter, according to the slayer's story, called him a distasteful nigger, and started walking out of the Karzen yard. Karzen admitted running into his home and getting his shot gun which, standing on his front porch he discharged at the disappearing figure of his neighbor. The full charge struck the back. A second charge fired at close range decapitated the already dead body.

Major George Getz of Lakewood Farm was also present as a guest of the club, coming with Wm. Alden Smith who is summing at the Getz farm. Major Getz was made an honorary member of the club and he renewed an invitation at the time to the people to visit his farm on the Alpena Beach road at Holland. It is understood that quite a few new animals have been added to Mr. Getz's already extensive menagerie by the Hagenbeck-Wallace circus people.

Major Getz of Lakewood Farm was also present as a guest of the club, coming with Wm. Alden Smith who is summing at the Getz farm. Major Getz was made an honorary member of the club and he renewed an invitation at the time to the people to visit his farm on the Alpena Beach road at Holland. It is understood that quite a few new animals have been added to Mr. Getz's already extensive menagerie by the Hagenbeck-Wallace circus people.

**FRIENDLY METHOD
GETS RESULTS
FOR THE PUBLIC**

Mayor Stephan is on friendly terms with the Interurban officials and in the past he has secured results from them through friendly relations. When Monday morning he championed the cause of a carload of people who were compelled to wait an hour before service could be secured, he approached the company in the usual spirit of friendliness with a view of serving the best interest of the public and the company both. And results were again forthcoming and they were in the same spirit in which the suggestions were offered as shown by the following letter to the mayor from general superintendent F. W. Brown:

"Dear Mr. Stephan—
On my return from Jackson today, I learned of the overcrowded condition of our train due to leave Holland at 5:30 A. M. due to an overload of boat passengers which I have taken care of.

We are doubling the train leaving Holland at 7:50 A. M. to take care of the furniture dealers, and would of course have taken care of this load had we been so advised. We are anxious to provide the right kind of service and are using every effort to get prompt information in order that this can be done, and I shall be very glad indeed to have you advise at any time about conditions that should be improved, and I assure you of our careful consideration of such.

I am writing you for the reason that I understand that you have knowledge of this particular condition, and I thought possibly you would be interested in knowing it was one which we had to know of in advance in order to guard against and of course is a reflection on the service which we are anxious to avoid.

I will appreciate greatly, any information on these matters although I hate to burden you with such, but knowing your willingness to do these things in the interest of satisfactory results, and thanking you, I am
Yours very truly,
F. W. BROWN,
General Superintendent.

**COUSIN OF HOL-
LAND WOMAN KILLED
IN ACCIDENT**

Mr. and Mrs. Alfred Van Duren were in Daguerre Tuesday to attend the funeral of C. M. Sweitzer, a cousin of Mrs. Van Duren, who was killed in an automobile accident on Sunday when his car collided with a small touring car at Dowagiac. Another occupant of the car, John Blek, died soon after and was also buried Tuesday. The automobile driven by Sweitzer skidded and turned over and he was wedged under the wheel being instantly killed. Mrs. Blek and daughter, other occupants of the car, were seriously injured and are still in critical condition. Frank Clark, another occupant of the car, was slightly injured.

**FORMER HOLLAND
MAN SUFFERS WITH
BLOOD POISONING**

Ray Poppe, formerly of Holland, now a typewriter operator in the office of the Charlotte Tribune, is suffering with a bad case of blood poisoning. He caught his left hand on the copy hook of his machine and blood poisoning set in. The case was so serious that for a time it was feared that the arm would have to be amputated, but now that danger is past and Mr. Poppe is on the road to recovery, although he still has to have the arm dressed several times a day. He is again at work, helping out by operating his machine with one hand.

Mr. Poppe has been in Charlotte for several years and has made good in his work.

According to a bulletin issued by Col. J. H. Schouten, commander of the 126 Infantry of which Company D of Holland is a part, the membership of the local company has kept up well during the first five months of the year. The bulletin gives statistics from January 31st to May 31st, inclusive. The membership for January was 72, February 73, March 73, April 69, and May 69. The average attendance was: January 53, February 49, March 52, April 52, May 49.

The total strength for the two companies of Grand Haven is given as follows: January 82, February 77, March 77, April 78, and May 78.

Word was received Monday from Cong. J. C. Ketcham that Volney W. Ferris had been recommended for nomination at Allegan to succeed C. E. Firestone. The other two candidates were William McClelland and Mrs. Rena Goodrich.

**GEORGE GETZ
INVITES GRAND HAVEN
EXCHANGE CLUB**

Grand Haven Tribune—At the final summer meeting of the Grand Haven Exchange Club held Monday noon in the Guild hall, ex-Senator Wm. Alden Smith of Grand Rapids addressed the members of the club. An excellent turnout of guests was present at this meeting which was destined to be the final one of the summer. The Exchange club will not meet until this coming September.

A picnic will be held in the near future, however, the event being planned as a joint affair with possibly the Grand Rapids Exchange club participating. Floyd Sherer was named as chairman of the committee in charge of the affair.

Senator Smith sounded a warning on the immigration problem and deplored the unfairness of a law which gave the foreigner the right to vote before the youthful American soldiers who shed their blood for the flag. He also paid a fine tribute to three local men, Capt. Geo. McBride, Walter I. Lillie and George A. Farr. Senator Smith's speech was characteristic of him and was a powerful eulogy of the principles of Americanism. He made one striking statement in regard to the war, saying that he believed that the best soldiers were those who were fighting for the best government instead of those who had the most training in soldiering.

Major George Getz of Lakewood Farm was also present as a guest of the club, coming with Wm. Alden Smith who is summing at the Getz farm. Major Getz was made an honorary member of the club and he renewed an invitation at the time to the people to visit his farm on the Alpena Beach road at Holland. It is understood that quite a few new animals have been added to Mr. Getz's already extensive menagerie by the Hagenbeck-Wallace circus people.

**PHYSICAL CULTURE
CLASS HOLDS ITS
FIRST PICNIC**

The Ladies Physical Culture class held its first picnic of the summer on Tuesday afternoon, at the Cardeau Beach. Over forty members were present to make this their first outdoor pattering a lively one and all tired out from their physical "torment" all members wanted it known that they had the best time of their lives.

Games were played and prizes won by the following: Mrs. Gerrit Geerdas, six linen handkerchiefs and a hand-painted bowl; Mrs. Joe Geerdas, bath towel and wash cloth; Mrs. H. Geerdas, a Pyrex dish and three cut glass tumblers; Mrs. Jacob Fris, a glass butter dish and cut glasses; Mrs. Beleveldt, an aluminum cake dish; Mrs. Henry Maatman, hand-painted cream and sugar bowl; Mrs. Bremer, box of stationery and Pyrex casserole and aluminum vegetable strainer; Mrs. Carl Shaw, a hand-painted dish and aluminum kettle; Mrs. Siersma, a pair of silk hose.

The winning side of the tug-of-war team won a five pound box of chocolate and the losers each a stick of chewing gum.

The committee members were: Mrs. Arthur Kronemyer, Mrs. John Ederi, Mrs. Bouman and Mrs. C. Lokker for secretary. Mrs. Victor Cherven, Mr. Henry Maatman, Mrs. Carl Shaw and Mrs. H. Prins arranged the sports and games. Transportation was arranged for by Mrs. Peter Bontekoe, Mrs. D. Bontekoe and Mrs. Jake Fris.

The next picnic of the club will be held the last Tuesday afternoon of July and will again be at the Cardeau Beach.

**Rain Was Too Late for
Strawberries Says Milham**

The rain which was so much needed by the Ottawa county strawberry crop came a little too late stated C. P. Milham, county farm agent, Tuesday. Mr. Milham said that a heavier rain might have done more good but that the precipitation experienced was not enough of a deluge to offset the word of Old Sol.

The rainfall amounted to .42 Monday night. Grand Haven getting the biggest dash on the weather map Grand Rapids had .38 of an inch of rainfall. Tuesday the rain was preceded by a high wind which attained a velocity of 44 miles an hour at about 8:30. This is not a wind record for June as June 12th in 1921 the winds blew at a rate of 50 miles an hour from the southwest. Monday night's wind was westerly.

**SALESMAN GETS
HIS MARRIAGE LICENSE IN
SPITE OF EVERYTHING**

Gerrit Veurink, salesman for the Hayden-Koopman Auto Co. is to be married this week to Miss Margaret Singh of Zeeland and being an auto salesman he decided to drive to Grand Haven in one of his demonstrators to get the license from the county clerk. But in his excitement he either forgot to put in enough gasoline to last through the trip or else it was just the pure cussedness of things. About six miles out of Grand Haven the car refused to go any further, and no matter how Veurink tinkered or talked to his bus, it refused to go. But Veurink did not let that cheat him out of his license. Like a hero in a movie he made the last lap without a movie in spite of everything—just in the nick of time before it closed, having hoofed it all the way. Walking 12 miles for a marriage license is some thing out of the ordinary these days of easy transportation, but Veurink turned the trick.

**Temperance Union To
Hold Picnic Friday**

The Woman's Christian Temperance Union will hold their annual picnic on Friday afternoon at the cottage of Mrs. A. Leenhouts, Delmont Cottage at Macatawa Park. Members are requested to take the 2:15 car, fast time. They are asked to bring their own sandwiches and cake; also cups. Salad and coffee will be furnished by the committee in charge, composed of Mrs. A. Smeenge, Mrs. P. H. Donin, and Mrs. J. Zuidewind. The preliminary program will be in charge of Miss Kathryn Post.

Rev. and Mrs. G. B. Fleming and family of the Methodist church will leave Holland on their way to the Monday morning. The Flemings go to Iowa to spend about three weeks with Mrs. Fleming's relatives in various places in that state. During the pastor's absence there will be preaching services every Sunday for noon in the evening there will be no preaching but other services will be substituted.

**TINHOLT MUST
SERVE SIX MONTHS
IN PENITENTIARY**

An unusual case was decided by the Michigan supreme court which decided that John Tinkholt formerly of Zeeland now of Holland, is to serve six months.

Tinkholt was convicted at the November term of circuit court on a probation law violation, in which it was brought out in the evidence that Tinkholt sold liquor to Jack Knoll, the coal barber, upon which charge he was convicted, and ordered for sentence on December 8.

It is stated that at the time that his case came up before Judge Cross and when sentence was to be imposed, he either requested or consented that his sentence be postponed indefinitely, as was stated by Prosecuting Attorney Fred T. Miles.

At the March term he was ordered to appear for sentence on the 20th day of April, at which time he appeared and objected to his sentence, claiming that the judge had lost jurisdiction, because the sentence had been postponed so long. Written objections were made to the sentence, but Judge Cross nevertheless pronounced sentence against him, namely, six months imprisonment, in the Ionia Reformatory and \$200 fine and costs, and he was taken by the sheriff to the reformatory.

Thereupon his attorney, Mr. Clark of Zeeland, secured from the Supreme Court a writ of certiorari and habeas corpus releasing Tinkholt on a thousand dollar bond and commanded the judge to make an answer to the petition of Tinkholt.

Judge Cross answered the petition, denying a large part of the statements made by Tinkholt and alleging that Tinkholt had requested and consented to the postponement.

After the entire record was presented and briefs prepared by Mr. Clark and the prosecuting attorney, the case was submitted to the Supreme Court last Tuesday for decision and the following day the Supreme court rendered their decision, dismissing the petition of Tinkholt. This means that Tinkholt will have to pay the costs of this proceeding in addition to serving the six months imposed by the court and paying his fine and costs.

Prosecuting Attorney Miles stated that this was a most remarkable procedure where a convicted man appearing for sentence either requests or consents to have his sentence deferred for a time and when the court is ready to sentence, claim the court a loss of jurisdiction because of the deferred sentence to which he gave his sanction.

Mr. Miles stated further that any other decision by the Supreme Court would have worked a hardship on other men brought in for sentence, as it would practically say to the judge that it would be compulsory for him to sentence a convicted man directly after his conviction, and if this was not done the court would lose power to pass sentence at a future date. If the supreme court would have held this good, it would have prevented Judge Cross or any other judge from deferring sentence on any convicted prisoner, even tho in many cases there might be extenuating circumstances that might need time for investigation and would have a bearing upon the judge's final decision, as to the leniency or severity of the sentence passed upon such a convicted prisoner.

No doubt the supreme court took into consideration that such a decision would work undue hardships in many cases where a judge because of circumstances might be more charitable with the convicted.

Hamilton

Mr. and Mrs. H. Tanis were pleasantly surprised when Dr. and Mrs. Andrew Karsten from Rudolph, S. D., came for the summer. The brothers and sisters and their families of Dr. and Mrs. Karsten were also there making a total of 35. An enjoyable evening was spent by all.

Mr. and Mrs. Roggen and daughter of Hull, Iowa returned Monday after a three week's visit in Michigan.

A miscellaneous shower was given at the home of Mrs. A. Lubbers in honor of Lillian Van Der Meer who will be wedded soon. Many presents were received.

Mr. and Mrs. George Drnek and son of Chicago visited at the home of Jon Drnek the past week.

A stereopticon lecture on India was given by Rev. Van Koven in the Reformed church, Friday evening.

Rev. and Mrs. Colenbrander of Iowa are visiting at the latter's relatives.

Mr. John Brink and Mrs. G. J. Nevenzel were in Coopersville on business.

Two younger sons of George Hutzenberger are proving a big success. Joe Koelker is putting on a real sale which will last the balance of the week. Many are taking advantage of this popular sale.

Two younger sons of George Hutzenberger are proving a big success. Joe Koelker is putting on a real sale which will last the balance of the week. Many are taking advantage of this popular sale.

**QUESTIONS RIGHT
OF WM. CONNELLY TO
ROAD JOB**

The board of supervisors met in regular session Monday in the court house in Grand Haven for the usual three day period. A large mass of routine matters occupied the attention of the supervisors all afternoon and up to the moment when the chairman was about to give the notice of adjournment it looked very much as if the first day's session would be without incident worth more than passing notice.

But just before adjournment, Supervisor Peter G. Damstra of this city threw a bombshell that has set the supervisors by the ears and that will give a touch of drama to the present session.

"Mr. Chairman," Mr. Damstra began, "I want to ask a very simple question and I suppose this is the time to do it. What I would like to know is whether William M. Connelly can legally hold the office of Member of the Ottawa County Road Commission and member of the state senate at one and the same time?"

Mr. Damstra sat down after his question and there was a long and eloquent silence in the supervisors' room. No one seemed to be in any hurry to answer the question, but when Chairman Yntema asked if there was anyone who wished to answer, there were several who spoke on the subject. There was some discussion back and forth that kept the supervisors in session long after the usual time for adjournment had passed. Various people gave the ride but Mr. Damstra suggested that the only way to settle the matter was to get a written opinion from the prosecutor of Ottawa county. Mr. Miles being a legal advisor of the board of supervisors, Mr. Damstra suggested that it was logical to place this matter before him. A vote was taken on the question of submitting the matter to the prosecutor and all but one, Supervisor Louis H. Osterhout, voted for it.

So it will be up to the prosecutor to give his written opinion on the matter before the close of the session.

**PAST OTTAWA COUNTY
HEAT RECORDS**

The June heat record was equaled in Ottawa county on Saturday afternoon when the mercury in the thermometer at the weather bureau at Grand Haven rose to 93° above. This mark has been reached once before in the history of the U. S. Weather Bureau in this county, the mark being established as high on June 15, 1905.

On looking up old heat records it was found at the weather bureau that Houghton, Michigan, had the best heat record for the state. Houghton registered 103 in 1917 and also 103 in 1901. The range of weather at Houghton is shown by the fact that in winter it gets to be one of the coldest places in the country, a record of 31° below, having been hung up.

Savannah, Ga., June 25—A petition signed by citizens of Savannah, indorsing Henry Ford for president, having been forwarded to Detroit, the general secretary to Mr. Ford has replied in a letter acknowledging receipt of the petition.

"In view of the interest displayed, Mr. Ford can have no objection to their further activities in this direction."

MAN WHO LIES TO THE JUDGE GETS HEAVIER FINE

Frank Bower who was arrested sometime ago for entering the home of Dick Marlink of Zeeland at night and taking a gold watch was sentenced to Jackson prison to from three to fifteen years.

Bower who has a wife and children living at Grand Rapids is the man who attempted to break the county jail at least five times since last January.

The man is an expert locksmith and can make a key out of a piece of metal with a jackknife quickly if he can only get a glimpse of the original.

Bower came up before Judge O. S. Cross Friday and when Judge Cross asked him whether he had ever been in difficulty with the law, he said that he never had.

Just then Prosecutor Miles stepped into the room, heard the remark and said, "Do you mean to say Frank that you have never been in jail before. How about serving time in Illinois?" "Well," said Frank, "I did not know you knew that and I was endeavoring to make as good a showing before the judge as possible."

The judge spoke up, "For lying to me, Bower, I will add one year to your sentence and he then proceeded to give him from three to 15 years.

The moral apparently is, "Never lie to a judge."

STORE EMPLOYEES HOLD COMMENCEMENT

The Model Drug store held a commencement of its own Thursday night after the regular commencement exercises at the high school. Four members of the graduating class are employees of the store and the party was given in their honor. It was held at the Kopper Kettle Inn. Those present were the four graduates: Miss Gertrude Ver Hey, Egbert Fell, Leroy Hill and Harold DeLoof and their friends; also Herman Vande Water, another employee of the store, who graduated in 1921, and who served as mayor of the high school that year, and the proprietors, Henry Wilson and Jim Yonkman. Each guest was accompanied by a friend, it is rather curious that every person in the Model Drug store, with the exception of Mr. Wilson, is a graduate of Holland High. Mr. Wilson himself having taken special work at Hope College. And all were prominent in school. Mr. Fell was mayor, Mr. Hill captain of the football team for two years De Loof prominent in basketball Mr. Yonkman an officer in the high school government and Mr. Vande Water, mayor. A delightful evening was spent.

THIRTY-THREE GRADUATE FROM THE ZEELAND HIGH

The annual graduating exercises of the Zeeland high school were held in the First Reformed church in that city Thursday evening when the largest class ever graduating from that school received their diplomas.

The class is composed of 33 members. Miss Hilda W. Smith, valedictorian, and Josephine Lippings and Gertrude Shoemaker have equal standings and have jointly received the honor of salutatorians. The class mourns the loss of one member in the death of John Van Koeveing who died last March.

The following was the program as rendered:

Processional, Henrietta Warnshuis; invocation Rev. John Van Peursem; joint salutatory, Josephine Lippings and Gertrude Shoemaker; vocal solo, Helene Van Raalte; class will, Bertus Boone; class oration, Franklin Rynbrandt; class prophecy, La Verne Van Dyke and Richard Van Eenennaam; violin solo G. De Weerd; valedictory, Know Thyself, Hilda Wells; presentation of diplomas, H. S. Denison; class song by the Class of 1923; recessional, Henrietta Warnshuis; benediction, Rev. D. R. Drukker.

HOLLAND LEGHORNS ESTABLISH RECORD

A new contest record was established during the thirty-second week of the M. A. C. egg laying contest when the White Leghorn per owned by the "Reliable Hatchery" of Holland finished the 7-day period with 59 eggs. Two of the hatchery's birds had perfect scores with seven eggs each and five others with six each. Broodiness among the heavier breeds was the principal cause of a decrease in the total weekly production which fell to 3,820 eggs for the 99 pens, while the total for the 32 weeks of contest laying stands at 95,496 eggs.

INTERURBAN EMPLOYEES OFFERED WAGE BOOST AS AGREEMENT ENDS

An increase in wages was offered to motormen and conductors employed by the Grand Rapids Grand Haven & Muskegon R'y at a conference held Friday between representatives of the men and company officials. It was the annual wage conference held in connection with the signing of wage agreement for the ensuing year.

Theodore J. Webber, vice-president of United Light and Power Co., announced an increase in wages had been offered but declined to make public the figures.

He said that the men will report action on the offer some time within the next two weeks and that the officials of the company did not expect any difficulty over either the wage scale or the working agreement.

Justice Lillie's court at Grand Haven, Dr. and Mrs. J. W. Beardslee of New Brunswick are the guests of Dr. and Mrs. A. T. Godfrey. Mrs. Beardslee first attended the graduating exercises at Wellesley College in Wellesley, Mass., where she was a graduate sometime ago.

WOMAN'S BIBLE CLASS HOLDS A BANQUET AS A CLOSING MEETING

As the closing meeting of the Hope Church Women's Bible Class a dinner was given in the parlors of the church Friday evening. The invocation was pronounced by Mrs. J. W. Vischer and the members and guests were served with a fine chicken dinner in charge of Mrs. Dregman. After that Mrs. Rooks, president of the class, presided. Responses were made by Mrs. Dregman, Mrs. C. M. McLean, Mrs. P. P. Cheff, Mrs. G. J. Diekema, and Mrs. S. M. Zwemer. Mrs. Zwemer presented the class with two pictures of Egyptian scenes to be hung in the class room, and the class presented Mrs. Zwemer, who is the teacher, with a beautiful corsage bouquet. The rooms were decorated with roses and other flowers from the gardens of Mrs. Telling. The meeting was incidentally in the nature of a farewell for Mrs. Zwemer.

FROEBEL SCHOOL ROUNDS CHOSEN FOR CHAUTAUQUA

Holland's chautauqua this summer will be held on the Froebel school grounds. This was decided upon Friday by the local chautauqua committee when it met with W. H. Mikeseil, advance agent of the Mutual-Morgan Chautauqua. There is plenty of space on the Froebel grounds facing Graves Place and the location is so central that it will be a very desirable place for the week of entertainments.

It was up to the committee to find a new place this year because the old chautauqua grounds are no longer available. The new Junior high school is being erected there so that it can no longer be used. All the chautauquas Holland has ever held were held there but it is believed that large numbers of people will find their way to the new location and that it will also prove popular. One advantage of the new location is that comparatively few automobiles pass along Graves Place because it is a stub of a street only one block long and so it is believed that the chance for disturbance during the program will be lessened.

The chautauqua will open in Holland on July 9 and will close on July 13. During that same week the Mutual-Morgan company will hold chautauquas in four places in Ottawa and Allegan counties: Holland, Grand Haven, Coopersville and Plainwell. The talent will visit these four places in succession and chautauquas will be going on there at the same time.

Mr. Mikeseil and the committee made plans for properly advertising the coming chautauqua. Signs will be put up in Holland and along all the rural routes leading out of Holland, calling attention to the dates and to the features of the program. These posters will be put up soon and the work of selling the tickets will also begin soon.

WANTS LICENSES OF RECKLESS AUTO DRIVERS REVOKED

Demands are coming from all sides for greater punishment than mere fines for reckless auto drivers and it looks as if it is not going to be very healthy for these drivers in future. The Grand Haven Tribune said editorially Friday.

The Holland City police have decided to adopt drastic measures toward checking the reckless driving by automobile drivers. Hereafter drivers, who are caught speeding or driving recklessly in and around Holland will be treated "rough." License of the offenders will be revoked. Those who persist in making themselves a menace to pedestrians and reasonable drivers will be compelled to keep out of cars and off the roads.

"The experiment to be tried by the Holland police is worthy of observation here and everywhere else for that matter. The speeders and the wild drivers are too much in evidence everywhere. They are endangering their own lives and the lives of all others every day they are allowed to remain on the roads. They are spoiling the pleasure of driving for hundreds of motorists who are willing to use the roads as they should be used.

"The plan of revoking licenses may be tried with some result in Grand Haven and vicinity. It is hardly necessary to point out the time and the place where these traffic abuses may be found. Almost every street or road in and about the city may be observed with results. H. Rbor avenue is one thoroughfare which seems to attract reckless drivers. The concrete highway along the river front was not intended as a speedway. It is too narrow for fast driving with too many turns for safe progress at a very high rate of speed. Yet there are certain drivers who seem to delight in whizzing along this road regardless of the fact that the traffic is heavy there especially in the evening. These speeders seem to have lost all sense of responsibility. They rush along crowding other drivers off of the concrete into the sand never stopping to see whether or not anyone has been injured."

WILT THOU BE MADE WHOLE?

This was a very important question for the sick man, who had been sick for thirty-eight years. He did not have to think about the answer very long. The answer was ready. This man knew that he was a whole. He had spent the greatest part of his life in finding a cure, but could not find it. Up to this time he knew of only one way to be saved from his infirmity. If he only could bathe himself in the pool of Bethesda at the time when the water was moved then he could be cured. But this was impossible for him. He had no strength to move himself, and he had no man to help him.

This man had given up all hope. He recognized his own incapability to help himself. He had tried it long enough, but it was all in vain. He now was willing to give up all attempts of making himself whole. He clings to Jesus as the only deliverer that he might be made whole.

He forgets the pool; that is a thing of the past. It did not save. The words of Jesus give him new courage. Very likely he did not know Jesus at that time. But the question itself suggested authority on the part of the questioner. It was a question not asked out of curiosity. Back of this question was the power and willingness to save.

He confesses his own weakness. He leaps up in joy when Jesus tells him to stand up and walk, and goes to the temple to bring God thanks.

Wilt thou be made whole, is a question which Jesus also puts to us. We are not whole. We are born in sin and by nature we are followers of Satan. And the punishment of sin is death. Our sickness is fatal. There is no happiness without Jesus Christ. Can we make ourselves whole? Like the sick man of Bethesda we often try. He tried it for 38 years, but failed. We seek salvation in social uplift, in being a church member, in doing many kind deeds. But we fail. Our heart is corrupt. We are incapable of doing any good.

Wilt thou be made whole? It is Jesus who addresses us. He can make us whole. He has taken away our sins, and by believing in Him we shall have eternal life. Do we believe? Are we willing to let Jesus make us whole? Then away with all trust in ourselves. Let us acknowledge our own inability and listen to his pleading words: Wilt thou be made whole? Come unto me all ye that labour and are heavy laden, and I will give you rest. Take my yoke upon you, and learn of me; for I am meek and lowly in heart; and ye shall find rest unto your souls. For my yoke is easy and my burden is light.

Rev. A. De Vries,
Nieuwkerk Chr. Ref. Church.

ANNOUNCE ENGAGEMENT OF LOCAL GIRL FRIDAY NIGHT

A very pretty June social affair was held Wednesday evening when Mrs. E. B. Rich entertained at her home, 25 East 7th street. The occasion was in honor of Miss Ada Whitman and the guests included associate teachers and friends. The rooms were elaborately decorated with roses and daisies.

During the early evening music was furnished by Miss Eva Clark, and clever impersonations given by Mrs. Daugherty, accompanied by Miss Whitman at the piano. Then followed games and pretty witticisms in which La Dick carried off the honors.

Later all were invited to the dining room. The table was one mass of beauty, above which hung a canopy from which little white ribbons were suspended to place cards on the table. After all found their places each one pulled a string on which was attached a dainty envelope. When opened, all were surprised to read: "The Cat's Out of the Bag: Ada Whitman and Stanard Bergquist."

Miss Whitman pulled her string and it uncovered a miniature bride and groom holding the engagement ring.

Elaborate refreshments were served by Mrs. Rich and her daughter, Miss Martha Rich.

Miss Whitman is a teacher in Junior High school and a very active worker in the M. E. church.

Mr. Bergquist is head of the biological department at M. A. C. His home is in Ironwood.

ROTARIANS LUNCH AT THE COUNTRY CLUB

The Holland Rotary club members motored to the Holland country club where an elaborate luncheon was given.

John Hyma, the "Mark Twain" of New York who is the guest of his brother Henry Hyma at Pine avenue, kept the gathering laughing with his take-offs in verse on the members.

The meeting was a guests' and ladies' meeting, so-called, and a large number of them were present.

THREE FROM HOLLAND ATTEND H-Y-CAMP

Eugene Kammeraad, William Smith and County Y. M. C. A. Sec'y H. W. Smith make up the Holland contingent to the H-Y-Camp conference in northern Michigan which opened July 22 and will last for ten days. The Holland men left on Thursday afternoon and made the trip by auto. Mr. Kammeraad is the official delegate from the Holland H-Y.

INSPECTS MODEL OF STATUE IN CHICAGO STUDIO

While in Chicago the past week Anthony Rosbach, one of the members of the committee charged with making plans for the erection of a statue to Dr. A. C. Van Raalte to mark the seventy-fifth anniversary of the founding of Holland took occasion to visit the studio of Leonard Crunelle the sculptor who has been tentatively engaged for the work. Mr. Crunelle was not in, being in Europe with Lord Taft, the sculptor, but his son had charge of the studio and showed Mr. Rosbach what has been done.

A wax model of the proposed statue has been made. It is about two feet high and is a very good likeness of the founder of Holland so far as Mr. Rosbach could tell who did not know Dr. Van Raalte and knows him only from his photographs. Worked into the background on two sides of the figure were allegorical figures suggesting the history of this settlement. One of them was a father and a boy with an ax, and the other a mother with a babe in arms and a little girl.

Nothing definite has as yet been decided upon but the wax model is a suggestion. If the people of Holland should decide to erect such a statue the figure in the Chicago studio would be a starting point.

HOPE COLLEGE PROFESSOR ADDRESSES FERRIS GRADS.

Big Rapids, June 26—Prof. Paul E. Hinkamp of Hope College delivered the baccalaureate sermon at the Ferris institute Sunday night. His address marks the beginning of the 1923 graduation exercises. The churches of the city are preparing to close for the occasion.

YOUR FINANCIAL FRIENDS

BE
★
INDEPENDENT

WHERE else but in a Bank will you find the pennies of the newsboy safeguarded as carefully as the thousands of the richest depositor?

Q Where else but in a Bank will you find women and children receiving the same careful assistance with money affairs that the biggest business firms receive?

Q Where else will you find institutions serving more people, or more deeply interested in everything that concerns people from every walk in life?

Q If you have thought of a Bank as an institution serving only the rich, or operated in the interests of the few, spend a few minutes of any business day in the lobby of the First State Bank of Holland. Then you will recognize that

Q This Bank is your true financial friend, striving to serve your best interests as well as to handle carefully the business you entrust to them.

Q Then you will think of this Bank as a strong institution, considerate of others, progressive in public affairs and willing in community service.

Q Then you will know that your savings are safe indeed, when entrusted to the leading bank of Holland.

Holland Furnaces Make
Warm Friends.

OVER 200,000 OF THEM IN USE

The Holland Furnace is in 200,000 homes radiating health and comfort to the members of the family. It is quite a job, delivering first class heating service to so many people, but everyone in the Holland organization is enthusiastic about it. Doing something worthwhile, selling something worth more than its price, always makes a fellow feel good, you know.

Every hour of every day, these 200,000 homes have warm floors for the kiddies, and all the rooms are brim full of clean, comfortable, fresh air, even in mid-winter. Every member of the family is inspired by a home like this.

You, too, have a high purpose in life. Perhaps though, you could make your reward a bigger one by even greater service to the world than you can give now. Why not let a Holland Furnace be the guard in your home, so you too can be full of pep, every single day? It certainly is great business-making EVERY day as good, as your best. Isn't it what you'd call efficiency?

HOLLAND FURNACE CO.,

General Offices -- Holland, Mich.
225 Branches in Central States.

In The World.

BECOMES U. S.

CITIZEN AT AGE
OF 83 YEARS

It is strange that a man who came to the U. S. some sixty years ago because he thought it the land of opportunity, and remained here after he had learned to love it, should wait until he was 83 to become a citizen, but that is just what Henry Rubinsky, a veteran business man of Muskegon did. He was given his final citizenship paper a few days ago in the Muskegon circuit court, the oldest man ever to be naturalized there.

It was partly forgetfulness and partly ignorance of the naturalization laws which deterred Mr. Rubinsky from completing his naturalization sooner. Eighteen years ago he and another Jewish friend went together and sought their first papers. Both believed they were citizens, and for 18 years Mr. Rubinsky voted as a citizen. But two years ago when he sought to sponsor another alien for naturalization, he learned that he was not a citizen.

FIRST DANCE TO
BE GIVEN IN THE
MASONIC TEMPLE

The new Masonic Temple will be open to the public for the first time Friday evening when a public dance will be given there. This beautiful new building is not yet quite completed but it will be finished in August. The main auditorium and dance floor are however completed and it is considered to be one of the finest dance floors in this section of the state. There is plenty of room there and the ventilation is perfect. A change of air is made every minute and a half so that no matter what the temperature out of doors may be the temperature in the building is always comfortable.

At the dance Friday evening Barbino's famous orchestra from Chicago that plays at the big Saugatuck Pavilion will be present to furnish the music. A cafeteria lunch will be served in the basement.

MICHIGAN BANKERS MAY
MEET AT OTTAWA BEACH

Michigan bankers may convene at Ottawa beach next year for their annual convention, the western Michigan delegates have been given assurance of wide support in this proposal while on the bankers' boat trip from Detroit to Lake Huron points last week. The 1923 convention was held enroute. B. P. Herwood of Grand Haven was elected president. A. J. Maynard and Charles H. Bender, vice presidents of the Grand Rapids National bank, were honored by the convention, the former being made first Michigan vice-president of the national bankers section of the American Bankers' association, and the latter Michigan member of the executive council.

FORMER HOLLAND
PASTOR FEARS FOR
THE FUTURE

The Grand Rapids Herald of Monday morning quotes Rev. J. F. Bowerman former pastor of the Holland M. E. church.

Fear of the future of the church, if the war between liberals and fundamentalists is not conducted with less discord, was expressed by Rev. Bowerman of Bufton Heights Methodist Episcopal church in his Sunday morning sermon.

"I am alarmed," the pastor said, "Christian fellowship is broken, when for one reason and another great sections of the church become arrayed against one another. There is a war on now between so-called fundamentalists and liberals. It would not be so bad if the matter were simply one of opinions each side agreeing that the other must be judged by their lives. Instead, two camps are formed unkind words are spoken, fellowship broken, with the result that all hope of reconciliation is forever tossed to the winds. God only knows how far the thing will go but in the meantime, great harm is being wrought in the church by the discordant elements in each camp."

The pastor's sermon in part follows:

"National enemies that we fear most are not necessarily those without our national bounds. America can never be conquered from the outside."

"The real enemies of ancient Rome were within the walls of the city—within the senate chamber. Without disruption among the political agencies the hordes of the north would have been powerless."

"The great danger to American today is the utter disregard in some cases for the sanctity of the law. For instance, in the matter of traffic regulations pertaining especially to automobiles: A man is arrested for speeding. He is jostled by his friends; he himself makes light of it; the newspapers frequently treat the case as an incident only to be laughed at. As a result, the law gradually loses prestige with the masses until it is assumed to be a public joke."

"Until society comes to regard the breaking of traffic laws as they do upon the breaking of other laws, we will go on piling up the death rate of our boys and girls and men and women."

"Another law that is weakened by attitude of society is the temperance law. We will never in the world drive out the liquor curse as long as we sit back and make light of the instances of law violation. America must learn to stand on her dignity regarding the enforcement of laws. Foreign vessels carrying liquor to our shores should be no exception to the rule."

"Likewise, there are thousands of enemies assailing our American homes. Yet there is little danger from these until the barriers are let down from within. Like the medieval castle the drawbridge must be kept chained from within, refusing access to the enemies from without."

"As long as peace and concord reign within the home a thousand temptations cannot prevail against the structure. But, peace and concord depend upon three things: There must be a standard of morals and living in the family to apply equally to all members. When two or more persons have different standards of life they cannot long live together in harmony."

"Second: Mutual trust must be fostered as one of the greatest powers in modern society. Nothing tends to break up a home more quickly than an instance or two of suspicion on the part of either husband or wife. Trust is at the root of all happiness in the home."

"Third: The matter of common desires must be regarded as sacred. It is difficult matter to hold two people together when their likes and dislikes are continuously running counter."

Anything that tends to disrupt these relations in the family is a common enemy.

"The greatest personal enemy one has is often one's own self. Again, as in the case of the nation, it is more often the forces within that wreak the greatest amount of harm. You may blame your troubles upon your environment, evil wishers, open enemies, among your acquaintances, but none of these forces can lay a good man by the heels if he trusts God and obeys His commandments. There is no evil in losing health, position or friends, if one is at peace with the Almighty."

"But there is harm, deep and permanent, when a man surrenders his convictions or right and wrong, his high ideals for worthy and useful conduct, for baubles like pretended pleasure in seeing laws of our country disregarded."

"There may be a heart break when a man loses his fortune, but it becomes a positive tragedy, when that same man allows his business to weaken his faith and lofty ideals. When the finer instincts of honor and unselfishness are destroyed, when his faith in God is weakened then that man is wrecked more surely than disease or affliction."

"The analogy also applies to the church. Again we will find the greatest enemies of the church within our very organizations. I am not afraid of all the infidelity of the world, but I am afraid of pretenders within."

MAYOR STEPHAN
ON WAR PATH FOR
BETTER SERVICE

Mayor E. P. Stephan was on the war path Monday morning when he and about fifty other persons bound for Grand Rapids were kept standing on the corner of 8th street and River avenue for an hour because the 7:50 car was so crowded that not another person could be jammed into it. The car loaded up at the Macatawa end of the line and at intermediate points and when it came here it was like a sardine can.

If this happened once," said the Mayor, "it could be excused as a matter of unexpected emergency, but it happens more than once. At this time of the year the traffic between Holland and Grand Rapids is heavy and it seems to me that the company ought to be ready for that so that they could put on a trailer on short notice when the traffic demands it. I shall call the attention of the company to this condition but that ought not to be necessary. This service should be given without suggestion from anyone. If one car won't do it send along two, and if two won't do it send along three. The traffic must be taken care of and the system ought to be flexible enough so that an added car can be sent at a moment's notice."

COMMON COUNCIL
Holland, Mich., June 20, 1923.

The Common Council met in regular session and was called to order by the Mayor.

Present: Mayor Stephan, Ald. Blue, Kleis, Drinkwater, Brieve, Laepfle, Kammeraad, Brington, Peterson, Wickerink, Dykstra and Vander Hill, and the Clerk.

The minutes of the last two meetings were read and approved.

PETITIONS AND ACCOUNTS.

C. S. Nobles petitioned for license to operate pop corn stand on the west side of Central Ave. at 8th St. or at the Interurban Waiting Room on E. 8th St.

Referred to the Committee on Licenses with power to act.

Albert Van Huis petitioned for fish peddler's license for the sum of \$5.00.

Granted.

John C. Prins and others petitioned for a street light at the intersection of First Ave. and 23rd St.

Referred to the Committee on Public Lighting.

Westing and Warner petitioned for license to sell soft drinks as beverages and submitted bond with Joseph H. Rowan and Joseph Dykstra as sureties.

Bond and sureties approved and license granted.

Jas. Meyer and others petitioned for sprinkling service on 16th St. from Lincoln Ave. to the Pere Marquette Ry. tracks.

Referred to the Committee on Streets and Crosswalks.

Alfred Baldwin petitioned for license to construct sidewalks and presented bond with G. Barndes and H. Van Voort sureties.

Bond and sureties approved and license granted.

Jas. Piers petitioned for permission to install a gasoline pump on Michigan Ave. at the southeast corner of 27th St. and presented bond with J. P. Koster and J. P. Koster as sureties.

Referred to the Committee on Streets and Crosswalks.

August and Harry Harrington petitioned for sprinkling service on Van Raalte Ave. from 9th to 11th Sts.

Referred to the Committee on Streets and Crosswalks.

The Committee on Ways and Means reported that the Michigan Trust Co. have submitted the Annual Audit of the City and submitted copy of same. The Committee further reported that they have established the following office hours for the Treasurer's office: Each and every week day, 8 A. M. until 5:30 P. M. continuously, except on the 15th day of the month, on which day the office will be open from 8 A. M. until 9 P. M. continuously, in which case the office will be open on the Monday following from 8 A. M. until 9 P. M. continuously, to take effect July 1, 1923.

Adopted.

The Committee on Streets and Crosswalks to whom was referred the petition of T. R. Van Wert and others to vacate Macatawa Ave. in Montella Park Addition to the City of Holland, reported having investigated the proposition and recommended that the petition be denied.

Adopted.

The Committee on Claims and Accounts reported having examined the following claims and recommended payment thereof:

LOCAL

The pastor of Trinity church, Rev. C. P. Dame will continue his series of sermons on the subject "New Testament Types of Modern Church Members." The topic for next Sunday evening will be "The Mischief Making church member."

Tomato growers will now be permitted to ship their product by express in seven pound closed baskets, in accordance with a ruling of the express company that the tomato is a vegetable, and not a fruit. Those who thought it an abomination however, are left as badly off as ever.

That 5% deficiency in the temperature of the sun isn't having the effect on thermometers in this part of the world that certain recent preliminary to the heated term seemed to indicate it was going to have.

Grand Haven chamber of commerce is planning to establish a tourist information bureau which will register all resorters and tourists coming into that city and direct strangers, giving out any information to motorists.

The Allegan Gazette is deploring the fact that there is so much money changing hands in that city at each ball game. Says the Gazette in part: "In the Thursday's game many Allegan people bet heavily against the home team, and poor losers were loud in their dissatisfaction, both during and after the game with the decisions of the umpire. While Mr. Haas may not be as accurate as men who make a specialty of that work, his honesty is unquestioned and he umpired a very creditable game. Many times the umpire is right and the grandstand is wrong. In any case, those who indulge in the pernicious habit of betting on a game are aiding to change it into a questionable pastime and should be the last to talk about any 'fixed' games."

WANTED—Housekeeping by elderly lady. Address Mrs. Luella Sevey, 451 Lake avenue, Battle Creek, Mich.

WEST MICHIGAN PIKE BECOMES PAVED WAY

SMOOTH ROAD SURFACE FOR 250 MILES OF TRUNK LINE

Practically all unimproved stretches of road on trunk line highways in Western Michigan will be completed. It is expected by Sept. 1 the concrete highway will extend from Chicago to Hart 250 miles, passing thru Holland and its resorts as one of the main stopping places. This will be the longest stretch of concrete road in Michigan and will make the Western Michigan Pike "a paved way."

Ottawa and Muskegon Counties will replace the four miles of gravel highway on the West Michigan Pike with concrete as soon as building operations can be started. Muskegon county has already awarded the contract for the construction of four miles of concrete on the Pike between Muskegon city and Whitehall.

Oceana county has awarded the contract for the construction of a concrete road in the bad stretch of road north of Muskegon. The one remaining bad stretch of the road, between Muskegon and Big Rapids, is already under construction and will be completed by Sept. 1.

A new route into White Cloud eliminating several dangerous turns, has been provided.

The pastor of Trinity church, Rev. C. P. Dame, will begin a new series of sermons next Sunday morning and continuing at the morning services through the month of July, on the subject "A Layman's Work For the Kingdom." The following subjects will be treated at the morning services: "Planning for the Kingdom," "Practising Kingdom Principles," "Building for the Kingdom," "Sacrificing for the Kingdom" and "Separating for the Kingdom."

LEAGUE OF SERVICE IS STRANDED AT OTTAWA BEACH

The League of Service of Trinity church, an organization of young ladies, planned a picnic at Ottawa Beach Monday. They chartered a local boat to the resort in the evening, but the sudden storm prevented the boat from returning for them.

It so happened that the Holland Interurban was also put out of commission because of the storm that left the party of thirty stranded without money and means of conveyance.

They spent most of the night in the waiting room at Jenison Park, until finally a phone call was gotten thru and motorists from Holland volunteered to take the picnickers back home.

NEW RAILROAD PHONES HERE TO COST \$95,000

Railway telephone connection and the Manuel block system now being used on the Mackinaw division of the Pennsylvania system between Grand Rapids and Mackinaw City will cost \$95,122, according to an announcement of company officials. The installation includes the Muskegon, Traverse City and Harbor Springs branches. A telephone line is also being installed between Grand Rapids and Rort Wayne at an expenditure of \$19,940.
