L. J. Vanderburg Is Holland's New Postmaster

FAITHFUL ED WESTVEER
RESIGNS AFTER NEARLY
HALF CENTURY OF POST-
MASTERING

A wire reached Holland from Washington early this morning advising Louis J. Vanderburg that he was the new postmaster of Holland, his duties beginning next week, Monday, July 1. In reality, Adrian J. Westveer, better known to his many friends as Ed, could have served to the end of his third term which ended in April, 1935, but under a new federal law Mr. Westveer is entitled to certain pension regulations whereby he could receive an allotted pension, provided he was retired on July 1, this year, as we understand it.

It has been predicted by citizens for some time that Louis J. Van-

derburg would be the candidate selected at Washington to fill this federal post. Mr. Vanderburg is a most likeable man, congenial and accommodating, and from the political angle has been a loyal and hard-working Democrat, covering a period of years, giving his loyal support to that major party for at least a score of years when the distribution of patronage was slender, indeed. For many years Mr. Vanderburg was identified with manufacturing and up to the time the Sligh Manufacturing Co. took over the Thompson Manufacturing Co., Mr. Vanderburg was the manager.

Mr. Vanderburg has always taken a deep interest in civic affairs and for two years was on the tax commission under Governor Comstock's administration, taking care of this district as tax inspector under the 3 per cent sales tax regulations.

Holland has had some very able postmasters from the very beginning, the first being H. D. Post, the second John Roest, the third William Ver Beek, the fourth George Van Duren, the fifth Jacob Van Putten, the sixth Cornelius De Keyser, the seventh Gerrit Van Schelven, the eighth William O. Van Eyck, the ninth Adrian J.

LOUIS VANDERBURG
Present postmaster.

Westveer and the tenth and last thus far, Louis J. Vanderburg, all men way above the average, as political appointments go.

In speaking of Ed Westveer, the retiring postmaster, we might say that Mr. Westveer is now entering his forty-seventh year in the postal service. He began as a young lad at the beginning of 1889, as a postal clerk when there were no mail carriers, city or rural, and the postmaster, Ed Westveer, and another man constituted the entire staff. Today there are at least 40 employees of which 11 are clerks, 12 are city carriers, 2 substitute carriers, 6 rural carriers and substitutes, and 2 custodians.

The office has increased its receipts more than 25 times the figure as when he started. In 1889, receipts at the local office were \$4,810.21. Last year, they were \$129,900.53, and a high peak of \$181,080.64 was reached in 1929.

Mr. Westveer's third term as postmaster expires April 29, 1936, but under the regulation of the administration his career has been cut short. He was appointed postmaster June 16, 1924, to succeed the late William O. Van Eyck. He served as assistant postmaster for 29 years.

It is doubtful that there is a postmaster in the entire nation who so thoroughly knows every phase of the work and regulations of the intricate, technical features of the postal service as does Mr. Westveer.

From youth your editor has known Mr. Westveer and remembers the very first day "Ed's" face peeped from the stamp window, a

Hamilton's New \$50,000 Bridge Open

The bridge crew left for Detroit last Saturday evening, having completed the bridge and obtained the federal o. k. It is a fine piece of work and a beautiful cement structure 150 feet long and 52 feet wide, with a heavy railing of cement pillars and open steel work. A walk 6 feet wide on each side is raised about a foot above the floor of the bridge. The whole structure consists of three spans resting on large cement bases and pillars. The road is about 8 feet higher, thus removing the dangerous dip. The approaches with drains installed

VAN WAGONER ASSURES M-40 TO BECOME FACT

The editor of the Holland City News took a part in the Spring Lake celebration Saturday and incidentally called Murray D. Van Wagoner, state highway commissioner, aside and asked him what the set-up really was for U.S.-40 between Allegan and Holland via Hamilton. Mr. Van Wagoner told your editor that with a little patience this road was bound to come and that very shortly. It was almost sure that the funds were in sight and he said as an aside, "You do not think that we are building large Hamilton bridges unless there is an excellent prospect for a good road leading to it?" Mr. Van Wagoner was very courteous and later sent a reassuring message about the road through Mr. Connelly to the News.

This week Tuesday, Frank Van Der Kolk, residing north of Vriesland, discovered what at first looked like a rat hole in their hen coop, but upon investigation he found a badger with a dead chicken. So he trapped it Wednesday and now has it in a steel crib where he will wait to eat the chicken given to him and not those of his own picking. Badgers are scarce in these parts and have not been seen in recent years. Years ago badger hunting was quite common but badgers are seldom seen in this state now.

Stage Marathon Pin Passing At Local Civic Club

ROTARIAN RITUAL
VERY IMPRESSIVE
EMBLEMS FOR ALL

A very impressive luncheon meeting of the Holland Rotarians was held this noon at the Warm Friend Tavern, the occasion being the induction into office of the new president, Mr. Vance Mapes. Judge Olen S. Cross was in charge of the installation and gave a fine talk in behalf of the club. Mr. Mapes, and by the same token gave praise to the five ex-presidents of the Rotary club in the past.

One of the features was the presentation to these past presidents of gold emblems. Retiring president, Mr. Cross, presented an emblem to Dr. R. H. Nichols, and the doctor presented a similar emblem to Arthur W. Wrieden, who in turn presented one to Charles Kieren. The furniture manufacturer, on the other hand, presented an emblem to ex-President Egbert E. Fell. But how to get such an emblem over to former Judge Cross, the last president, without breaking the marathon was a conundrum. Well, the way out was that the new president, Vance Mapes, who can't have an emblem for a year yet, presented "Orrien" with the golden symbol.

Former Mayor Henry Geerlings, in a very able and eloquent manner, presented the Rotary code of ethics to the newly-inducted members, namely, Charles E. French, Mayo Hadden, Dr. Otto Vander Velde and Mr. Hollis Baker.

The Rotary slogan is "Service Above Self." Mr. Geerlings pointed out that if the slogan were the other way around, "Self First," our accomplishments for general good would be nil. By the same token, "Service Above Self," means that the common good of all. Our service extends over a broad scope and because we do the greatest good for the greatest number, rather than along self-interest—we are doing more for ourselves, eventually, with a more kindly spirit as well as with a more happy heart.

The post office was then located in a one-story frame building on the site now occupied by the Mary Pieper Jewelry store. The building was owned by J. Kuitze, Sr., and at one time was used as a meat market.

These attributes are still with him nearly fifty years later. Constantly active and untiring and a stickler on having everything go in an orderly manner. It was apparent from the first that he would make an active, painstaking, conscientious postal employee. Years passed on, he grew up with the office from a third-class establishment to a first-class post office. With the growth came deserved promotions, until finally he became assistant postmaster. Twelve years ago, the crowning success and highest rung in the postal ladder was reached when he was appointed postmaster under the administration of President Coolidge.

'Out Of The Red' Is Showing Of Warm Friend Co.

HOLLAND FURNACE CO.
STATEMENT SHOWS PRO-
FITS OF NEARLY HALF
MILLION DOLLARS

It is very gratifying and Holland is indeed pleased to peruse the flattering financial statement of the Holland Furnace Company, which has just been issued as of March 31, 1935. The figures show that the Warm Friend establishment is out of the red and a profit margin of \$437,178 is shown on the ledger after depreciation, interest and taxes have been deducted.

Although last year the Holland Furnace Company was slowly but surely creeping out of the fog of depression, the books showed that there was a loss of \$97,319. The profits today, as these figures show, after allowing the annual fixed dividends required on 10,715 shares of preferred stock at an interest rate of 7 per cent, there is left 85 cents a share on non-par, common stock, of 426,297 shares. The sales up to March 31, 1934, amounted to \$5,641,376. However, for the year ending March 31, last, the sales amounted to \$7,043,641, a gain of \$1,402,265, or a figure creeping towards the \$1,500,000 mark. Since this report in March, April, May and June, make even a better sales showing than the year before, indicating that the upward trend is gaining momentum.

Current assets of March 31, including \$1,921,481 cash and marketable securities, amounted to \$5,776,272 and current liabilities were \$437,936. This is compared with cash and marketable securities of \$1,201,473, current assets of \$5,106,531 and current liabilities of \$214,192.

During the year the Holland Credit company was organized as a wholly owned subsidiary for the purpose of financing installment contracts in accordance with the rules and regulations of the federal housing act.

Officers of the company are Edward H. Muehlenbrock, president; P. T. Cheff, vice president and general manager; George B. Tinsbort, treasurer; A. W. Tahaney, secretary.

Directors are Mrs. Katherine Nyström Cheff, Mrs. Louise Landwehr, P. T. Cheff, L. H. Kolb, Thomas H. Marsilie, C. J. McLean and Edward H. Muehlenbrock.

NORTH HOLLAND READY
FOR CELEBRATION; PA-
RADE BIG FEATURE

The committees for the Independence Day celebration at North Holland have been hard at work arranging for the big day with headquarters in the large North Holland schoolyards where speaking and refreshments will be in order. The speaker is to be former Congressman Ketchum. The parade will be the big feature and at least a dozen or more fine floats having to do with early colonial history will be entered. A float on the constitution and its preservation, the picturing of our first president, Washington, and our martyred Lincoln in a tableau will be features. The continental congress, Indian lore, local floats and comic features are included in the parade line-up.

Washington's Lnsaural Ride—Taken by the Olive Center school. His First Cabinet—Taken by West Crip school.

The Douglas Coach—Taken by Borculo school.

The Lincoln Wagon—Taken by North Holland school district.

The Lincoln and Douglas Debate—Harlem School District.

Supreme Court—Taken by the Noordeloos district.

Goddess of Justice—Taken by East Crip.

The above carry out the theme of the parade, "What Our Constitution Means to Our Nation."

Cash prizes amounting to \$60 will be awarded for the best floats.

There will be plenty of bands and other music and a program in connection with the speaking.

In the afternoon all the picnic sports on the calendar will be featured.

Independence Day has never been overlooked by North Holland. This neighborhood has celebrated for years and special stress will be laid on the parade feature and the floats are going to be "dandies," Albert Stegenga, general chairman, says. Abel J. Nienhuis is secretary, and Richard Michael, treasurer.

Mr. Stegenga said an attempt will be made to outstrip any previous parade.

News Items Taken From the Files of Holland City News Fifty, Twenty-five and Fifteen Years Ago Today

FIFTY YEARS AGO TODAY

Early last Sunday morning it was announced from house to house that ex-senator Jan Roost, one of Holland's most honored citizens, had departed this life. His death at this time was a surprise to many. Mr. Roost retained consciousness until the very last which he spent in earnest conversation with his oldest son, John, Jr. Many of the political leaders in the state were present at the funeral. The pallbearers were Holland's first mayor, Isaac Cappon, ex-mayor E. J. Harrington, ex-mayor John Van Landegend, ex-mayor Kommer Schadel, ex-mayor John Van Landegend, ex-mayor E. Vander Veen and Mayor W. H. Beach. Note: — Mr. Roost was also a mayor in this group. He was a harbor builder and secured a loan to open Holland harbor and made it deeper so larger vessels could enter. He received a grant of land, 1,000 acres, in Blenden and Olive townships, well wooded, so he could improve it. He started the publication of De Grondwet in 1860 and advocated the nomination of Abraham Lincoln. Leendert Mulder, my father, a young typesetter, bought a working interest in the small plant and a few years afterward became sole owner and this Netherlands publication is still in the Mulder family and is published by "yours truly" and is now 75 years old. Mr. Roost was elected county treasurer, was appointed postmaster of Holland in 1861 and was sent to the state senate in 1881. He was head of a clothing store on River avenue in a frame building now part of the site of the James A. Brouwer Furniture Co. When he came to this country he was a wheelwright, or wagonmaker, and at one time conducted a brick yard where the Donnelly-Kelly Glass Co. now is. You will notice that the death was announced from house to house. That was the custom in the early days. One man whom your editor especially remembers was the old gentleman Peter Van Leeuwen. When he started on his sad mission of "town crier" only more dignified, he would dress in black, long Prince Albert coat, a top hat with a band of crepe around it, a black tie and white gloves and a very sober face. When a man was prominent every house was visited and given the information, hours of funeral, etc. When more modest death, a list of relatives and friends was notified through this dignified, soft-spoken man who, while on that mission, never smiled.

TWENTY-FIVE YEARS AGO TODAY

Dr. Godfrey and Dr. Mersen had the time of their lives trying to be elected health officer—it taking 41 ballots—which finally resulted in the election of Dr. Godfrey. The common council was

compelled to elect another health officer because of the resignation of Dr. Bruinma.

The new postal cards issued by the government are somewhat different in design from the ones which have heretofore been in circulation. The cards are of a light blue tint with bronze blue lettering. The stamp is elliptical in shape and contains the profile portrait of our martyred President Wm. McKinley against a background of lateral hills.

John Koorker has moved the old house on West 12th street near River street to West 22nd street and will build a beautiful home for himself just across from Centennial Park.

A jury in Justice Miles' court at Holland took three minutes to acquit Con De Pree of auto speeding. Fred Chase, Holland's speed "cop," was the officer who spotted speeders, but it was brought out that Chase had no "stop watch" and could not swear how fast De Pree was going. Note:—The speed limit at that time was 10 miles an hour on 8th street, 15 on residential streets. Today such slow going would cause hopeless traffic congestion. The speed limit has been increased nearly double.

The most outstanding real estate deal, judging from the amount of property involved, was closed by John Koorker of the Scott Lagers Lumber Co. John owned a lot of 82 feet across from Centennial Park upon which he is about to build. The neighbors on both sides wanted 8 feet each and were satisfied to pay Mr. Koorker \$1,000 for the property—that is, \$500 for each 8 feet. A few years ago the entire lot with house was purchased for \$1,800. Note:—At that time \$500 would not be high for property in that locality, it being one of the most beautiful sites in the entire city, across from the finest park that "lays outdoors."

Equalization Table Reduces Assessments

COUNTY VALUATIONS CUT
4.5%: TAX RATE FOR
COUNTY SET AT 4.5
MILLS

The board of supervisors in session at Grand Haven has had but little to come before the general body as most of the work is delegated to the equalization committee.

Tuesday afternoon the board met for a few minutes. A communication was received from Fred Van Wieren, Park township, county drain commissioner, requesting clerk hire for his department due to the increase in business in that office. The matter was referred to the finance committee.

Wednesday morning the board met and then adjourned into committee meetings.

Peter Damstra, member of the special committee on indigent adult hospitalization, said he thought the report of the committee would be presented on Wednesday.

Assessments in Ottawa county as equalized by the committee on equalization show a 4.5 per cent reduction over last year. The table was presented to the board of supervisors this morning and remains there 24 hours, according to law, before it can be acted upon by the board.

The total amount of real and personal property assessments this year is \$39,870,527.42, a reduction of \$726,829.28 from last year's total of \$40,597,356.68. The reduction was based on an average cut of 4.5 per cent, spread in the townships and cities of the county.

The county tax rate is 4.5 mills which, it is expected, on the new assessment roll, will bring in about \$179,000 in taxes, sufficient to cover the present budget and to allow for \$30,000 payment of the general debt of the county. The rate is expected to bring in about \$38,000 more in tax revenue than was announced at the board meeting this morning.

Ries Nies, representative from Holland, objected to the table as presented believing that it was based on the 1934 table and not on actual values. Henry Slaughter, Talmadge township, stated the assessments were made this year from the assessment rolls of the townships which required but a few changes. He stated that the members of the committee could possibly survey the individual valuations on the rolls and therefore it was necessary to follow the previous table to some extent.

The cut this year was mainly on real property valuations. The real estate valuations for the year 1935 are placed at \$34,972,137.42. The valuations last year were \$36,624,725. The personal property is listed this year at \$4,898,390 as against \$4,972,670 last year.

Grand Haven's total assessment is \$5,786,315.44 as compared with a year ago at \$5,924,273. Holland's assessment is \$10,997,704.61 as compared with last year at \$11,700,516; Grand Haven township, \$582,809.27 as against \$610,083 last year; Robinson township, \$411,473.21 as against \$431,262.

Last year Grand Haven was given a reduction of \$1,270,582 and several of the townships were given material slices while Holland was boosted \$488,011; Blenden \$13,911 and Janstown \$17,442. This year these same figures were used as the basis of deduction and increase plus the general spread of 4.5 per cent.

Frank Bottje was allowed \$25 as expense money to attend the state convention of registers of deeds who meet the last of the month in Mt. Pleasant. He appeared before the board to say that in previous years he had paid his own way, but this year, due to reduced salaries, he requested aid from the board. There were but three dissenting votes, Ray Nies and Peter Van Ark of Holland and Cornelis Rosenraad, Zeeland.

After adopting the equalization report submitted by committee Wednesday, generally reducing assessments 4.5 per cent, the county board of supervisors moved to adjournment of the June session, Thursday afternoon. The board authorized the special committee to investigate the hospitalization of indigent adults with power to report methods in other counties are presented. The personnel of the committee are Maynard Mohr, Zeeland township; Richard L. Cook, Grand Haven, and Peter Damstra, Holland.

Lowry started fast and won the opening two games, but Sligh crashed through on the third and nearly turned the tables in the fourth.

Holland Was Spring Lake's Mainstay Sat.

BAND, THE KLOMPEN GIRLS,
SPEAKER AND LARGE
DELEGATION FROM
HOLLAND HELP
NEIGHBORS TO
CELEBRATE

Saturday Spring Lake dedicated its "big white way" which included the opening of a wide concrete thoroughfare, built and supervised by a Holland man, namely, Harry Plaggemars, constructing engineer on the paving job.

The dedication of a boulevard lighting system the full length of this tremendously wide street was also dedicated. It was the gift of George P. Savidge of Beverly Hills, Calif., descendant of the Savidge family who founded Spring Lake and was prominent among people during the early days when the lumberjack was an outstanding figure in the woods and on the streets of the village.

Until recent years the Cutler-Savidge Lumber Co. was prominent in this Grand River village.

Dwight Cutler, older inhabitants here will remember, built the most beautiful hotel in western Michigan at Grand Haven, called the "Cutler House." In its day it was the last word in hostilities. It turned many years ago and the Cutler House was rebuilt but less pretentious. Because it was not a paying proposition, the building was remodeled into accommodation for stores.

The Savidge family were more prominent in Spring Lake; in fact, the village and the Savidges were so closely allied that if you spoke of one of the Savidges everyone knew you meant at Spring Lake. William Savidge many years ago was state senator.

But we are straying away from the dedication and Holland's part in it. In fact, there were more Holland folk than from any other part of the county. What was especially noticeable was that Holland constituted the largest part of the program. The Holland American Legion band was there 100 per cent and they surely got the hands for their wonderful program of music at the band concert where 3,000 gathered and along the sidelines when the parade went by. In fact, the Holland band and the Klompers comprised more than half of the parade.

The toastmaster and the greeter and the introducer of the speakers was also a former Holland man, namely, Carl T. Bowen, for years the Holland city engineer and on the Board of Public Works staff. He left Holland as county engineer when roads began to be built, but has been in close contact with Holland ever since.

Then one of the principal speakers was from Holland, namely, William M. Connelly, director of the city's Chamber of Commerce. Holland was especially represented on the program when Mrs. Charles Miller and Mrs. Herbert Van Meurs sang from the platform in the street, "Wein's Nederlands Bloed," Dutch anthem and "Piet Hein," a Dutch naval song. The Americans looked curious, listened intently, but were pleased with the offerings of the ladies and gave them a good hand. The Holland number that took as well as it did during tulip time in this city was a sextet of dancers who had just finished klomping in the parade and to the music of the little German band, a Grand Haven American Legion get-up. The dancers were: Audrey Butler, Marian Geerds, Helen Heasley, Mary Blanchard, Marlen Kuite, Ruth Ploegsma.

Other marchers from Holland in authentic Dutch costumes were the following: Mrs. Niel Tiesinga, Mrs. Al Butler, Mrs. Wm. Lokker, Mrs. R. Wolters, Mrs. G. Bolhuis, Mrs. Niel Wiersma and Mrs. Vaudie Vandenberg. The Dutch maidens klomped their tulip time dances with the entire celebration crowd on the sidelines. Both singers and dancers were authentically dressed in provincial costumes of the Netherlands. Mrs. Vaudie Vandenberg deserves credit for organizing the Dutch brigade who made the "hit" of the celebration.

Harry Plaggemars, the highway builder, came in for plenty of notoriety when he was led to the platform, out of the crowd, to be introduced. He chaperoned the klompers girls and saw to it that they got a good dinner. Frank Scholten, well known in Holland, and a Spring Lake banker, especially welcomed the Holland folk and believe us, there were a large number present who came to witness the celebration. Holland motor cars were everywhere.

The Muskegon Chronicle gives half a column to the story and includes these paragraphs in its writeup: "The parade through the galaxy decorated business section of the 128th infantry band from Grand Rapids, the Holland Legion band, Spring Lake concert band, Grand Haven Legion Little German band and a band of Dutch girls and women in klompers opened the celebration.

"Carl T. Bowen, county road engineer, officiated at the speaking program. He read a telegram from T. I. Fry, state treasurer, regretting inability to be present. Harry Plaggemars, construction engineer on the paving job, and Mr. Hammond, the village president, were introduced.

"William M. Connelly, former Spring Lake man and road roads pioneer, now managing director of the Holland Chamber of Commerce, was the next speaker. Mr. Connelly told of early efforts to obtain good roads and mentioned work of the late Dr. C. P. Brown, William Savidge, Mrs. Sarah Savidge, James P. Armstead, George W. Christman and Claude C. Hopkins in this connection.

"Murray D. Van Wagoner, the principal speaker, officially dedicated the new pavement. He congratulated the community for staging the celebration and told of the problems of the state highway department. Mr. Van Wagoner promised improvement of U.S. 16 from the Kent county line west to the city of Holland.

Sister Of First Furniture Mfg. Taken By Death

OLD PIONEER LADY
PASSES AWAY AFTER
LONG SUFFERING

One of the old pioneers, Miss Hattie Werkman, died Wednesday afternoon at her home, 36 West Eighteenth street, at the age of 75 years.

Miss Werkman was in the millinery business for a quarter of a century under the firm name "Werkman Sisters." Several years ago they built a brick block, called the Werkman building on east Eighth street near College avenue, supplanting the wooden structure in which they were located.

The old Werkman homestead was located just west of the Hope church parsonage on Eleventh street and two of the sisters lived together in that home for fifty years.

Miss Werkman had been an invalid for over 20 years and during that time has gone through extreme suffering, but despite this fact she was of a sunny disposition and bore her affliction with great fortitude.

Miss Werkman was a devout Christian lady and was a member of Third Reformed church for many years. Before her afflictions she took a deep interest in church work.

The Werkman sisters, while in the mercantile business, were very public spirited. Their gifts to civic causes and benevolent needs were many.

Miss Werkman's brother, Reinhard, was the pioneer manufacturer of Holland and was head of the Phoenix Planing mill, for years operating on the post office corner. He started the first furniture factory in this city, namely, the Ottawa, which operated for nearly half a century and was recently torn down. Mr. Werkman died in the middle west in 1930.

One sister, Miss Jennie Werkman, died in 1932. Another sister, Mrs. John M. Stephan, sister-in-law of former Mayor E. P. Stephan, died early in this year.

Funeral services are to be held this Friday afternoon at 2 o'clock at the home, Rev. Victor Maxam and Dr. William Van Kersen are to be the officiating pastors. Interment will take place in the Werkman plot in Pilgrim Home cemetery.

LOWRY WINS PING PONG CHAMPIONSHIP

Lowry started fast and won the opening two games, but Sligh crashed through on the third and nearly turned the tables in the fourth.

SPEAKING PROGRAM, BAND CONCERT, SPORTS AND BOATING TO BE FEATURES

The second annual rally day to be sponsored by the Holland Christian schools is scheduled to take place on Thursday of next week, July 4, at Pine Lodge. Committees who have the big rally day in charge have been putting in strenuous efforts the past two months and preparations for the all-day picnic have all been made, with an exceptionally fine program of music and speakers not only, but also a sport program in which old and young can participate.

Mr. A. Peters, general chairman of the committees in charge of the festivities, together with Superintendent Garrett Heyns, secretary, and the several other committee chairmen and members of the various committees are leaving no stone unturned to make the day one long to be remembered by the many who will attend. The first big rally day took place on July 4 of last year and was a tremendous success and the committee feels assured that the rally day this year will again prove a big success.

The program begins at 9 in the morning, with a sports program in charge of C. W. Dornbos and committee. The sports will include events for children and adults, and folks should not fail to be on hand in time for this part of the day's events. Music during the afternoon will be furnished by a chorus of more than 100 of Holland's talented young folks and also by the Holland Christian High school band. The evening's program is to be devoted especially to the young folks, although doubtless many who attend the rally, both old and young, will stay for the evening's program also, and the committee states that all are more than welcome.

In the evening, Rev. William Kok of Zeeland will give an address, and music will again be furnished by the large chorus and the school organization.

Refreshments may be had at the several canteens which will be on the grounds all day and evening, with Dick Plaggenmiers as general chairman. He will be assisted by several of the men folks and also by a number of ladies of the local Monica and Eunice societies and others.

The committee extends an invitation to all folks interested to come to Pine Lodge on the Fourth, to enjoy a day of good fellowship, a fine program and a pleasant day generally. The Maple Avenue Christian Reformed church is to start a building program in the near future which calls for the expenditure of \$18,000.

At a meeting held Monday evening, attended by approximately 100 members of the congregation, plans for a modern church house were approved.

The new building will be constructed on the church property, Eighteenth street and Maple avenue, at the northeast corner of the church proper. J. and D. Davenport of Grand Rapids are architects for the new church house.

Other members of the building committee are John Klingenberg, Albert Prins, Abel Postma and Cornelius J. De Koster.

Lugten was in good form, holding the Overiselles to 5 hits, while he turned 13 of them back by the strike-out route.

His teammates gave him good support and hammered the pitches of G. Albers and Bob Freeman, both of whom are former Hamilton players, for 12 hits. Wallace Kemper, J. Brink, Calahan, Roggen and Lugten led at the bat for the locals with two solid bingles each.

Peters led the visitors in stick work. On Tuesday the boys turned back the Main Oils of Holland, 7 to 3. Rich Wentzel on the mound for the locals held the Hollanders to 3 hits. The 3 runs of the opposition were the result of three errors followed by one of the three hits of the game. However, the locals were holding a safe lead.

Wentzel held the visitors powerless, striking out 11, while his teammates, led by W. Kemper, got to Dykhuys' delivery for 12 hits. Games are scheduled for next Friday evening and July 4 morning at 9:30 o'clock.

Governments Play a Part

—in strengthening the banking structure.

EVERY state charters state banks comprising the State Banking System. They are supervised under state laws that supplement and enforce accepted principles of sound banking.

Similarly the Federal government charters and supervises the national banks of which there are many in each state. It created the Federal Reserve System, composed of all National and many State Banks, designed primarily to coordinate and strengthen credit operations of banks; and created the Federal Deposit Insurance Corporation.

While the basic soundness of banks is created by the honesty and efficiency of their own managements, these various government measures brace the financial structure giving it added resiliency and usefulness to the public.

Your car will run better with this marvelous

SUMMER GASOLINE

If you are an experienced and observant driver, you can prove for yourself the hot-weather benefits of Phillips 66 . . . the gasoline that is 100% custom-tailored.

Get a trial tankful and you quickly feel the difference . . . your engine feels it . . . but your pocketbook doesn't! . . . because Phillips 66 costs nothing extra.

Phillips was first to match gasoline to weather. Pioneered CONTROLLED VOLATILITY 9 years ago. This scientific development squarely meets the issue of summer motor troubles—overheating, knocking, and lost power. Meets it just as effectively as it does winter driving problems—slow starting, stalling, and lost mileage.

Every month in the year, Phillips gives you a gas custom-tailored to your locality

and its temperature, as determined by U.S. Weather Bureau standards. It is definitely engineered to meet your requirements. It is not only a summer gasoline . . . this month it is actually a June gas. And next month it will be a July gas. As different every month as the weather differs from month to month.

That is why changes in climate cannot affect the power, pep, and mileage you get with Phillips 66.

Remember, it doesn't take weeks or months to uncover the facts. Try just a single tankful, and you may find that your car is a much better performer than you ever thought . . . that the engine is smoother, cooler, quieter . . . more responsive to the throttle and far more nimble.

MRS. J. E. TELLING TO CHAIRMAN HOLLAND'S TULIP FESTIVAL AGAIN

Holland's Tulip Festival for May 1936, will again be in the hands of Mrs. J. E. Telling, able chairman of the event for the past three years. Mrs. Telling, accepting the chairmanship tendered her by President Arthur W. Wrieden of the Chamber of Commerce, stated that she would begin work on plans immediately, and would also appoint her committee in the near future.

The position filled so ably by Mrs. Telling in the past three years is a big undertaking. It means being busy not only during May and a few weeks previous, but the year round. In addition to the other committees serving this year, Mrs. Telling will also appoint a committee to work in connection with the city park and cemetery board so that the tulips will be of a high quality, and it is also expected that the tulip lanes will be added so that all roads entering Holland will be real tulip lanes.

FOURTH OF JULY AT OVERISEL

The folks of this community are making preparations for the annual Independence Day activities of next Thursday. Speakers, band music, various sports, and a ball game against the Graafschappers make up the program for the afternoon. The local team will also have a game with the Graafschappers in the forenoon. The evening program will be in charge of local young people, under the able leadership of Mr. Morris Folkert. Local talent will take part in a 25-minute dialogue, "The Case Against Casey," and in various instrumental and vocal numbers. A group of little girls will present a flag drill. Mr. H. Poll of Hamilton will read some original poetry, in the form of a musical recitation, accompanied by the Rabbit River Four on the guitars. And the usual "Budget" has not been forgotten this year.

BASEBALL, PAST AND FUTURE

The Benton Harbor Phillips "66" baseball club, champions of Berrien county, will face the Holland Flying Dutchmen at Riverview park Saturday at 3:15 in the featured baseball game of the week. Although his team has won six games in nine starts, Manager Ben Batema has indicated that he will shift the local line-up for Saturday's game in order to regain batting punch which the Fliers seem to have lost.

From all appearances, Batema will move Russell Wolrding, star young centerfielder, to the clean-up spot in view of his fat .448 batting average this year. Wolrding has hit one home run, two triples and four doubles and has batted in five runs. Mark McCarthy, who has hit safely three of the six times he has appeared at the plate, may replace light-hitting Carroll Norlin in right field.

Either Fred Tubergen or Lloyd Driscoll will get the call for Holland to pitch against the crack St. Joseph club. Holland dropped a 9 to 5 decision to the Lansing Capitol Collegians Saturday, as the grads of Michigan State college outsmarted the local team. Garry Batema saved the locals from utter humiliation when he clouted a home run in the ninth with two aboard.

Next Monday at 6 p. m. De Hart Hubbard's Cincinnati Colored Tigers will play at Riverview park against the Dutchmen.

"QUALITY-SERVICE"

Elsewhere in this issue will be found the announcement of the Quality-Service organization comprising nine grocers in various localities in this city. This organization has been in vogue for a good many years, organized under the banners of the "Quality-Service." They advertise that they take orders by phone and deliver. The announcement on the last page gives full particulars. Their mercantile offerings will appear each week.

FORMER LOCAL MERCHANT DIES AT AGE OF 71

Peter Van Kolken, for many years a local merchant, and on the sales force of several mercantile enterprises, died at his home, 3 West Eleventh street, early Thursday morning at the age of 71.

When Mr. Van Kolken came from The Netherlands, he settled in Grand Rapids. Whereas he always like the city of Holland, he located here two score years ago. He was a devout member of the First Reformed church and was interested in church work.

One of the business enterprises in which he was manager was the Holland Tea Store, which was several years ago.

The survivors are three sons, Gerard, Morris and Dick all of Holland; two daughters, Mrs. Shud Althuis of Holland, and Mrs. Jean Vis of Sheldon, Ia.; two brothers, Roy of Glendale, California, and Fred of Portland, Oregon; three sisters, Mrs. Helen Zeerip of Holland and Mrs. Gerrit Duthler and Miss Alice Van Kolken of Grand Rapids.

Funeral services will be held Saturday at 1:30 p. m. at the home and 2 p. m. at the First Reformed church, with the Rev. Wayer officiating. Burial will be in Pilgrim Home cemetery.

Mrs. A. Voorhorst has returned to the home of her daughter in Holland, after having visited at the home of her son, Frank, for a few days.

The funeral services for Lucille Anne Nyhof, infant daughter of Mr. and Mrs. John Henry Nyhof, were held last Saturday afternoon at the home. Rev. Vande Riet officiated. Rev. Jacob J. Weersing, pastor of the First Christian Reformed church of Kalamazoo, and uncle of Mrs. Nyhof, spoke a few words of comfort and offered the closing prayer.

The quarterly teachers' meeting of the Reformed church was held Wednesday evening. Rev. Pyle continued his discussion of the doctrinal standards of the Reformed churches.

Five new members were added to the Reformed church last Sunday. Those who made public confession of faith at this time were Erwin Koops and the Misses Sylvia Koops, Agnes Folkert, Juella Maatman and Eileen Nyhuis.

Local people have expressed their intention of spending the Fourth at the Christian school rally which will be held at Pine Lodge. All friends of Christian education are kindly invited to come to this beautiful place on the north shore of Macatawa lake (formerly Black lake).

Come with the entire family to listen to the inspirational addresses of Dr. William H. Rutgers, pastor of the First Christian Reformed church of Cicero, Illinois; of Rev. John J. Hiemenga, pastor of the Third Christian Reformed church of Paterson, New Jersey, and of Rev. William Kok, pastor of the First Christian Reformed church of Zeeland. The first two named will speak in the afternoon, and the latter in the evening.

Most will be furnished by the Christian High school band, and the rally day chorus will furnish the vocal selections.

This rally day will be an all-day affair. Launch rides can be procured on beautiful Macatawa lake. Well-controlled sports and games will be provided for the children. Young and old will enjoy this rally day gathering.

as soon as finances made it possible and also said the Holland-Toledo road by way of Allegan, namely, M-40, would be taken care of when money was available. He said attempts would be made to improve both projects under the new federal work program.

The Grand Haven Tribune gives the following clipping from a western paper relative to the broadcast from Mr. Savidge:

"George P. Savidge, donor of the boulevard lights in Spring Lake, was the subject for an article in the Los Angeles Times, June 23, telling of his part in the ceremonies last Saturday. His picture accompanied the article taken in his library at his home in Beverly Hills as he was speaking through the telephone.

"In a letter received today by the Grand Haven Tribune Mr. Savidge said the message gained considerable publicity in Los Angeles, due to the telephone company, and at the time he was talking the room was pretty well filled with reporters and picture men, the latter taking flashlights.

"The following article is the one received here:

"Hit 'em!"

With that staccato parance of studio electricians, spoken over the telephone, George Patten Savidge of Beverly Hills late yesterday illuminated the little town of Spring Lake, Mich., with a new lighting system.

Savidge, unable to be present at the ceremony because of pressure of business, gave the word into the telephone mouthpieces in his Beverly Hills home at 5 p. m., which was 8 p. m. in the little town of 1500 souls.

The system is Savidge's gift. He is the grandson of Hunter Savidge, lumber baron, who made a fortune from Michigan white pine, and a nephew of Mrs. Ester Savidge Robbins, who twenty-six years ago gave Spring Lake its first paved streets.

Savidge has wintered here twenty-five years and remained over this summer to serve as art director at the Pasadena Playhouse."

In vacations, as in all pleasures, tastes vary widely; but no matter what your secret dream of a vacation be, you can find that private paradise within the borders of your native State.

Would you whip a crystal stream for trout? In Michigan you may choose among many sites, following rippling shallows and probing limpid pools where you thrill to that sudden tugging at your line.

Would you tour by motor? The highways of Michigan are among the finest in the world—roads of romance that lead through shaded valleys, over hills from which unfolds a view of distant water, or picturesque sand dunes, or the forest where the deer and beaver live.

Would you spend your time playing golf? In every part of Michigan there is a course that awaits your coming.

Do you like canoeing, sailing, boating? Then you can make your choice among Michigan's five thousand lakes—whether you prefer one like a mill-pond in which you may paddle along a pine-fringed bank, or one in which your sail or motor will give you the freedom of a sparkling inland sea.

Spend your own vacation in Michigan. Call its unsurpassed facilities to the attention of your out-of-State friends. By doing so, you will assist them toward a happier holiday. In addition, you will help to promote the popularity and prosperity of your native State.

It is for the purpose of doing our share in this promotion that this series of advertisements is being published by the Michigan Bell Telephone Company, a Michigan organization that prospers only as the citizens of Michigan prosper.

Last Prizes Of High School Are Now Given

PUBLIC SCHOOL PUPILS START LONG VACATION

In last week's issue of the Holland City News the graduating exercises of those who participated in graduation in Holland's last commencement activity was printed.

The Holland High school closed commencement week in Hope Memorial chapel on Thursday night. A fitting close to the exercises but given previously by Hope college and the Holland Christian schools.

The News printed pictures of all the graduates and of the school faculty, the presentation of diplomas by Mr. Fell, the announcement of prizes by Principal Riemersma, and also the announcement of the address by Judge E. J. Millington. This newspaper gave the complete program and the winners of all the prizes with the exception of four which could not be given at that time.

This week, however, we give these four prizes together with the names of the winners:

Fred T. Miles Prize for Commercial Law—Judge Fred T. Miles Prize for Commercial Law consists of a first prize of \$5.00, a second prize of \$3.00, and a third prize of \$2.00 awarded to those students writing the best examinations in Commercial Law. The judges were Mr. Ervin D. Hanson, Miss Iva M. Davidson and Frederick T. Miles, Jr.

First, Hugh De Pree; second, Bobbie Wright; third, Irma Hoeland.

Honorable mention was given Margaret Allen, Esther Bultman and Edwin Kolvoord in the order named.

Prize for Clothing Construction—A sum of \$15 is given for work done by the senior girls in the making of their own graduating dresses. This amount is divided into a first prize of \$10 and a second prize of \$5. First, Jeannette Tibbe, 90% points; cost, \$4.91. Second, Jean Van Dyke, 97% points; cost, \$4.80. Honorable mention, Bobbie Wright.

Edwin Barkel Memorial Band Prize—A sum of \$10 is given by Mr. and Mrs. E. J. Barkel, in loving memory of their son, Edwin, to the member of the graduating class who during his senior year has been of greatest value to the high school band. Winner, Vernon Avery.

William Arendshorst Prize for Commercial Work—A prize of \$5.00 is given by Mr. William Arendshorst to the student in the commercial department who has acquired a high degree of efficiency in class work, and has shown throughout the course superior ambition, co-operation, loyalty and dependability. Winner, Roberta Osborn.

FALLS FOUL OF POLICE WHILE PULLING A LARK (Zeeland Record)

Three young fellows from one of our neighboring bergs experienced the unpleasant sensation of having to pay \$5.00 each for the sake of being smart, last Saturday evening. We are not revealing the names because we are interested only in the moral effect this story may have upon others like-minded.

This city has an ordinance against the shooting of fireworks within the city limits at any time, which is quite well known by most people, and this ordinance is being quite strictly enforced.

Presumably because the Fourth of July, our national holiday, is approaching, sport with fireworks has entered the minds of the insubmissible youth. So they sallied forth, pockets loaded with fireworks, to pull off the "dickens" at Zeeland.

It didn't just suit them to pull off their stuff in some back corner, but they must beard the lion in his den, so they came as near the police department office as they could at a time when both Chief Fred Bosma and Officer Lester De Pree were at the station and exploded one of their "bombs" just outside the police office door. They pulled a hasty retreat with De Pree on their heels, ducked around the corner of the building only to plunge into the open arms of Chief Bosma, who had anticipated exactly that.

They were taken into the police station on the spot and a search revealed a liberal supply of noise makers. They pleaded guilty to the charge, were fined \$5.00 each and costs, and surrendered their supply of fireworks.

P. Rowan and Frank Lievesse and son have returned from a fishing trip.

FORMER HOLLAND BOY SIGNALLY HONORED

Rev. Raymond B. Drukker, formerly of Holland, who has been pastor of Trinity Reformed church, Grand Rapids, for the last five years, has been invited to become secretary of the board of religious education of the Reformed Church in America, he informed his congregation Sunday. He will announce his decision next Sunday.

The position of secretary of the religious education board would require Drukker to take up his residence in New York. The position involves direction of church school work, young people's work, evangelism and stewardship. He has been specially active in religious education of the youth during his pastorate here. He is a member of the board of trustees of the Michigan State Council of Religious Education, western director for the Youth Fellowship of the Reformed Sunday school teachers' organization of the Grand Rapids diocese.

Mr. Drukker is the son of the late Rev. D. R. Drukker for some years pastor of the Fourteenth Street Christian Reformed church here. He also served the Third Christian Reformed church of Zeeland. Raymond Drukker was in charge of the activities for young folks at Pine Lodge for several seasons.

ALLEGAN FARMER, 78, DIES ON LAKE SHORE

The body of William Hull, 78, widely known farmer of western Allegan county, was found on the shore of Lake Michigan about a half mile west of his farm home late Saturday. He had driven his car to the beach and evidently had died of a heart attack after alighting from his car.

MISSIONARY UNION TO MEET AT HOPE CHURCH NEXT TUESDAY

The Woman's Missionary Union of the Reformed Churches of classis Holland, will hold a one-day summer conference in the Hope Reformed church parlors on Tuesday of next week.

Mrs. Garret Hondelink of Rochester, New York, will be the leader of both the morning and afternoon meetings. The morning session which begins at 10 o'clock, will be devoted to review and presentation of the Mission Study Books for 1935-36. The afternoon session, beginning at 1:30 o'clock, will be a "methods" meeting and discussion. Ladies will bring their own lunches, but coffee will be served them by the entertaining church.

Mrs. Hondelink is on her way home from the summer school of missions held June 22-29 at Lake Geneva, Wis., where she has been on the faculty for almost ten years, teaching the standard leadership course in foreign missions. She was also a leader at the Pine Lodge Mission conference last summer. All workers and officers in missionary societies are invited to attend.

AT LEAST 400 ALLEGAN FARMERS GET CORN-HOG MONEY

Four hundred farmers of Allegan county will receive \$30,000 within the next four or five weeks as their share of government payment for participation in the 1935 corn-hog reduction program, according to announcements today by A. D. Morley. Final paper work necessary here is now being completed and contracts will be placed in the hands of the agricultural department at Washington within the next week.

The amount of payment to Allegan county farmers this year is less than half of that received last year when \$81,000 was paid by the federal government to local farmers. This is accounted for by the fact that there are only 400 signers this year as compared to 750 in 1934 and because of the difference in amount of payments allowed for reduction in hogs and corn crops.

Payments have been reduced for 1935 on hogs but increased on corn with a five cent per bushel raise being allowed on corn. This year farmers will receive thirty-five cents per bushel for corn not grown and last year they received thirty cents per bushel.

Corn crops can be reduced this year to a maximum of thirty per cent and from a minimum of ten per cent. Last year the reduction was from twenty to thirty per cent.

INDIANS WORSHIP IN NATIVE DRESS

A group of Indians from Mount Pleasant, Mich., spoke at the Bible Witness Hall, Zeeland, on Sunday evening. They were dressed in their native costumes and explained the meaning of their dress. These Indians have become Christianized. Zeeland folks were rather awed to see real live Indians in war paint on their otherwise peaceful faces at this late date.

ZEELAND'S CRACK MOUND MAN COMES HERE

Marinus Scheele, for several years a mainstay of the Cook Oil baseball club of Zeeland, was signed to hurl with the Pure Oils of Holland for the balance of the season. Scheele, who severed his relations with the Cook Oils, was signed by Del Fogarty, a former Cook Oil player and teammate—Zeeland Record.

BALL HITS BOY IN EYE

Andrew Schreur, son of Mr. and Mrs. Gerrit Schreur, was hit by a ball in the left eye while playing ball and was taken to the Zeeland hospital for treatment. He returned to his home in Beaverdam Wednesday, where he is recovering nicely. However, his eye is in a sling and he can use but one optic for a while.

Albert Schrotenboer is visiting at the home of his parents during the summer vacation.

Emblem For Farmer Lads To Be Gold Beet

HOLLAND SUGAR CO. MAN TO PRESENT GOLD PINS

The first 4-H club picnic held in the county was put on by the Zeeland-Holland club, June 18. This is a newly-organized club and is the largest club in the county. All members, 40 in number, are interested in growing sugar beets. These members are located in one of the best beet growing areas of the state, and leaders are looking for some very good records. The club was organized through the joint efforts of Otto Pino, agricultural instructor at Zeeland, John Kelly, field agent of the Lake Shore Sugar company, and L. R. Arnold, county agricultural agent. The club is sponsored by the Future Farmers of America of Zeeland High school. These future farmers have been made leaders of the club. Each F. F. A. boy has been made directly responsible for a certain number of club members. They are to inspect the fields and give assistance and instruction in all ways possible. In other words instead of learning leadership through theory they will be actual leaders in a very practical way.

The club has held several meetings. These Zeeland boys have arranged the program and have succeeded in making the meetings enjoyable affairs. They are very successful in forming a very vociferous yelling unit. Interesting games have been taught also. This adds much to the enthusiasm of a club. From now on the leaders will be interested in the more serious part of the program, that is, cheap up on the work of the many members.

The picnic day selected, June 18, happened to be a very rainy day and it was impossible for the group to congregate at Tunnel park as planned. The group met at the Zeeland High school at 4:30 p. m. Several parents were present with the children and an enjoyable time was had despite the inclement weather. A picnic supper was held at 6 p. m., after which the children enjoyed some strenuous games. Immediately after the supper a business session was held. It was voted to hold another picnic at Ottawa Beach, 4:30 p. m. July 24.

Mr. Kelly of the Holland Sugar Company was present, and announced that all finishers in the project would be presented by the factory with a fine gold pin. Engraved on this pin will be a beet to make it quite distinctive, also applicable to the type work engaged in by the club member. All members present reported a good stand of beets. All were engaged in blocking the stand at the time of the meeting.

CONTESTS FOR 4-H CLUBS

Merton Henry of Marne, one of Ottawa's outstanding 4-H club members has been selected by L. R. Arnold, county farm agent, to represent the county in a dairy contest to be held in July. In this contest a dairy member in each county of the state will make a detailed study of milk and write up a story. The boy will ride a milk truck which gathers up the milk from various farms, accompany the truck to the concentration point and observe and study the many different steps through which the milk passes. He will observe how the milk is taken in at the plant, how it is turned into butter, cheese, condensed milk, etc. All possible information will be afforded the student to learn in detail all the steps in the journey of milk from the farm to the consumer.

Merton has been an outstanding dairy club member. He is a thoroughgoing student and little will escape him in this study. After spending one day on the truck at Grand Rapids and Sparta, he will then write his story. Winners in the contest will receive a free trip to Chicago or Detroit to make further observations. Merton's many friends are hoping that he will win honors in this contest.

All Resorts to Be Inspected

The Ottawa County Department of Health announces that it is making an inspection of all resort places in the county. The inspection will include all amusement parks, clubs, community resorts, hotels, tourist camps, state and county parks and all types of camps.

The resorts will be inspected for their water supply, garbage disposal, milk supply, food handling and bathing facilities. A sample of water will be collected at each place and sent to the state laboratory for examination.

The inspections will be made by N. A. Rosenberg, sanitary engineer, who also announces that anyone wishing to have their water tested can obtain a water container at the health department office.

\$75 FINE LEVIED AGAINST BERMAN IN "CHICK" LAW

A seventy-five dollar fine plus costs was levied against Morris Berman, 41, Allegan county, when he pleaded guilty to charges of having no record of chickens bought. Berman was arrested after being warned that records must be kept. Several other arrests and fines also were reported by the sheriff's department. This new law was drafted by Representative Ed Brouwer of Holland.

Last week home-grown strawberries appeared in the market and everybody was glad of it. They were large and most luscious, never better, and out of sight in comparison with imported berries from the south which, though wonderfully fine when frost is yet prevailing here, are lacking in flavor except as to one kind, Aroma, which comes from Tennessee and Kentucky. The season is unusually favorable to strawberries, there being plenty of both moderate temperature and rainfall. The crop will be an excessive one and the prices therefore next to nothing; but everybody will rejoice in it. Once somebody said: "God doubtless could make a better berry than the strawberry but doubtless He never did." Yet give us the red raspberry.—Allegan Gazette.

Meats are roasted in open pans without searing or basting—minerals and vitamins are retained—shrinkage is minimized. You get more food value for your dollar—and you do MOST of your cooking with the SWITCH TURNED OFF!

MORE LEISURE—
With the AUTOMATIC ELECTRIC RANGE you can be away from home and cook better meals than ever. Watching, basting, testing, tasting are unnecessary—the AUTOMATIC TIME SWITCH permits you to cook a complete meal WITHOUT ATTENTION—and with greater accuracy than any other method. "LIBERTY UNDER LAW"

(Romans 14:13-21; I Cor. 8:9-13)

Henry Geerlings

In the Roman church, the difference in the moral discernment of its members led to fault-finding. The scrupulous brethren who abstained from meat and drink for conscience's sake, censured the liberal brethren, who indulged in them, and called their conduct impious. And the liberal brethren treated the Jewish scruples with indifference, and called them narrow prejudices. Thus both parties manifested an uncharitable spirit. Strength looked with disdain upon the weakness, and weakness spoke with bitterness of strength. Paul rebuked both. Their uncharitable condemnation of each other proceeded from a presumptuous meddling in the affairs of the personal conscience.

This wholesome warning against fault-finding may well be heeded by us. Men still seek to invade the sacred domains of the personal conscience. They usurp the prerogative of God by passing uncharitable judgments of condemnation upon the conduct of their brethren in things non-essential.

The liberal brother is amongst us who scoffs at the scruples of others, calling them prejudices, and protesting against them as a fanatical curtailment of his personal liberty. And the scrupulous brother censures and condemns the conduct of the more liberal with equal vehemence. Paul's message to both is to follow the dictates of one's own conscience, and not to find fault with the conscience of others. But the matter does not rest there. Obviously, this principle of noninterference lends itself to abuse. It is negative, and not at all conclusive. It does rebuke the fanatic who has no respect for the individual conscience. But it also furnishes liberals a specious logic for their demand to let men do what they please. They object to social legislation of all that is evil. They regard such interference as a movement against personal liberty. Paul would have no kinship with this guild of liberals. He never confused Christian lib-

erty with license. After warning both the weak and the strong against uncharitable judgments, he makes an earnest appeal to the conscience enlightened by Christ. He grants that, in principle, the more liberal brethren in Rome are right. Christ has set them free from the bondage of petty ordinances. But the apostle also points to a grave danger arising from the unrestrained practice of their moral freedom. It may become a stumbling block to the weaker brother, and cause him to fall. Hence Paul exhorts the strong man to practice a liberty which is his theoretically, but to exhibit brotherliness in the avoidance of things harmless to him, but hurtful to another; lest his life be lawful perchance, but still not conformed to the highest law, which is love. We may note specially that Paul grounds his divine principle of sacrificing things lawful but not expedient upon love, and not upon law. It is not a duty that can be enforced successfully by legal statutes. It is a great principle whose practice requires the growth of brotherly love. To our blinded vision that may seem visionary and impracticable. We prefer the shorter way of law and force. That shorter way seems to be the surer, as well. But in the end we always find that laws, at best, are only a straight jacket for moral embilities, and not a remedy for moral diseases. Doubtless, we need legal restraints to curb those who abuse their liberty. But far more than that we need the constraint that brotherly love puts upon conduct. Self-denial finds its glorious example, its sufficient motive, and its constant inspiration in Christ. That clinches Paul's plea to the Roman Christians. Christ lived the divine principle which Paul commends to strong men. He practiced it, and his gospel lifts it in all its power and glory before his followers. A true disciple of Jesus does not live for himself alone. The most precious part of his spiritual inheritance from his Master is the privilege to deny himself for the sake of others. Like Jesus, himself he will manifest his liberty and his strength, not by selfish indulgence, but by service and sacrifice.

V.F.W. WINS TWO OUT OF FIVE PRIZES AT STATE CONVENTION

The auxiliary of the local Veterans of Foreign Wars, Henry Walters post, is in a happy frame of mind, and it seems they have every reason to be. Delegates of the local auxiliary who last week attended the three-day state encampment held at Mt. Clemens, have returned with the good news that the local auxiliary was awarded two out of five prizes given at the state convention, and naturally members are very much elated over this fact.

The prizes, presented to Mrs. Jeannette Sundin, president of the local auxiliary, were a complete set of 18 officers' badges and a historian book.

The badges were presented to the local auxiliary for having the greatest percentage gain in membership in the past year, and the historian's book was presented to the society organized between October 1, 1934, and March 1, 1935, with the greatest net numerical gain in membership. OLDEST RESIDENT OF DRENTHE CELEBRATES 85TH BIRTHDAY AT OLD HOME

Last Thursday evening was a happy event spent at the home of Mrs. Jane R. De Vries in honor of her eighty-fifth birthday anniversary. A family gathering took place where the children, grandchildren and great-grandchildren enjoy past memories from year to year on June 20.

Mrs. De Vries is the widow of the late Rink De Vries, and they spent many happy days starting their young business career together 67 years ago. They had been married 54 years in August when Mr. De Vries passed away the following January in 1922. Since that time Mrs. De Vries has continued to live at the old home, and is very fond of it. She is in good health, and is able to perform her household duties in the usual manner. When it is "Tulip Time in Holland" her tulips are in bloom, which is of great interest to her.

Those present at the birthday party were Dr. and Mrs. I. R. De Vries of Overisel, Dr. and Mrs. A. J. Brower of Holland, Mrs. Sybella Roelofs from Drenth and daughters, Geraldine and Jean; Mr. and Mrs. D. De Vries of Vriesland, Mr. and Mrs. G. W. De Vries, Roscoe De Vries, Benjamin and Ruth Bouwmaster of Central Park, Mr. and Mrs. L. M. De Goffau from Grand Rapids, and Miss Anna De Vries, Mr. and Mrs. R. Van Noord and daughter, Harriet, from Jamestown, Mr. and Mrs. Joe Jonker from Central Park, Mr. and Mrs. L. E. Vredevoogd from Ann Arbor, Mr. and Mrs. J. Ter Beek, Sr., of Holland; Mrs. R. Schadelee, Mrs. Anna Dogger and Mrs. T. Dogger of Holland. The only son who was not able to be present was Theodore De Vries of Buffalo, New York, who visited his mother two weeks ago.

DENTAL CONDITIONS IN SCHOOLS

An interesting report on dental conditions in Ottawa county by W. R. Davis, D. D. S., Director of Bureau of Mouth Hygiene, Michigan Department of Health, appeared in a recent copy of the Journal of the Michigan State Dental Society. In 1928-29 some schools were selected for dental examinations and in 1935 the same schools and grades were selected to determine whether or not there was any improvement in dental conditions of teeth and also in dental attention given. The article further states that the interest shown by parents in the examination, as evidenced by large attendance at time of examination, was exceptional. The nursing service in Holland, Grand Haven and the county in general was considered to be excellent and an important factor in the improvement of dental conditions in the county.

22 FROM COUNTY TO ATTEND 4-H CLUB CAMP

Leaders and members of 4-H Summer clubs in Ottawa county are now concentrating on certain phases of the work. One of these is the attendance at the annual 4-H club camp at Michigan State college July 8-12. Ottawa county will be represented by 11 boys and an equal number of girls. Of the boys 6 will be summer club delegates. These boys are Allan Hambleton, Ben Westrate, Martin Mulder, Harry Modderman, Donald Henry, all of Coopersville or vicinity and Frederick Bush of Robinson township. In addition to being a summer club delegate Fredrick will represent the county as health champion, competing for state health champion while at club camp.

Five boys will be sent to the club camp as winter delegates. These are Arie and Nick Wyngenden of Coopersville; Louis Shear and Fay Rittenhouse of Nunica, and Delbert Strowenjans of Holland. Gordon Moore, club leader at Nunica, has been selected to accompany the boys and have charge of them while at the college.

Three annual club camps are conducted in Michigan during the summer. Delegates from 30 or more counties located in the southern part of the state attend the camp held at the college. These delegates, who are selected because of outstanding work, enjoy five days of instruction while at camp. The camp is run on schedule, and every hour is accounted for. Classes are held daily. Sight seeing tours are arranged, and plenty of time is allowed for games. One day is spent in a tour of Lansing at which time the children visit the state capitol and some of the factories. Every evening is spent around club camp fires where inspiring talks pep up the boys and girls. The children have an opportunity to closely observe and study the college, and experiment station. Because of this many form a desire to later attend the institution. Today many of the college students are former 4-H members. They have formed into an active organization at the college and assist in welcoming the delegates to the club camp.

In addition to club camp, county farm agents and leaders are now interested in other club matters such as the training of judging teams and various demonstration teams. In 1934 over 40 boys competed in the county in crop judging. Twelve boys were taken to the college in August to compete for honors. Later a team of three boys competed at the Detroit fair. This team made a very creditable showing. It is considered quite an honor for a county to be allowed to send a team to Detroit. Ottawa county leaders feel that this county will be able to send a very strong team to Detroit in 1935. Winners at Detroit compete later for national honors at Chicago.

In 1935 leaders hope to organize and train several demonstration teams. This is a phase of club work which has been more or less neglected in the past. Efforts will be made to have a team in the following projects: Dairy, poultry, corn, potato, forestry and handicraft.

"SUPER-SALESMAN" FINDS HIGH PRESSURE LEADS TO JAIL CELL

Raymond Blackmer's ingenious method of extracting \$20 from the savings of a Grand Haven woman has earned him 90 days free board and room at the county jail. The 23-year-old former Hart and Muskegon man pleaded guilty to larceny by conversion before Justice Paul H. Behm yesterday at the "county seat."

Blackmer came to Grand Haven last January and took a room in a private home. He represented himself as a special collector for an electric appliance concern. During his talk, he regrettably announced he had to repossess an electric mangle on which \$12 was due and a vacuum cleaner on which \$8 was due. Also he mentioned he would see these appliances for the landlady if she would pay the \$20.

Within a few days, Blackmer announced, he had the deal arranged and collected the \$20. He was arrested several days ago in Stanton on a warrant obtained by Chief Lawrence De Witt, formerly of Holland. He pleaded guilty yesterday and was sentenced to 60 days in jail and 30 days additional if he did not pay fine and costs of \$47 and repay the landlady her \$20. He had no money.

SUNDAY DINNER Suggestions

By ANN PAGE

THE prices of meats and poultry have continued to rise altitude during the past week, lamb and fowl most spectacularly, and it is not surprising that lower prices are anticipated for winter.

Green beans are temporarily the brightest star in the vegetable firmament with peas, carrots, beets, cauliflower and lettuce almost equally so. They are all plentiful and consequently cheap. Onions, celery, broccoli and tomatoes are fairly high.

Melons and berries are the best fruit choices, particularly cantaloupes, honeydews and watermelons, blackberries, raspberries and huckleberries. Here are a few menus made up from reasonable foods adapted to different budget levels:

- Low Cost Dinner
 - Cold Cuts Cole Slaw
 - Bread and Butter
 - Blueberry Cake Lemon Sauce
 - Tea or Coffee
 - Milk
- Medium Cost Dinner
 - Jellied Beef
 - Pickled Beets
 - Bread and Butter
 - Orange Savarin
 - Tea or Coffee
 - Milk

Cool Dinner for the Hot Day

By JOSEPHINE GIBSON
Director, Home Food Institute

WITH HOT weather beginning to close in upon us, it's high time we think about cool meals for our families. These first warm days should serve as a warning to spur us into action. For the thermometer will soon soar to torrid temperatures when any extra meal planning will seem an effort. A well balanced menu planned in a more temperate moment will seem a godsend some lazy summer afternoon. Prelude the dinner with a tall tumbler of chilled tomato juice, and with this serve tempting tidbits of cheese and olives, pickles and sweet relishes. Then pass a platter of cold cuts of meat and an abundant bowl of potato salad. Add a warm vegetable or two, and taper off with a delicious ice-box dessert prepared in the cool of the early morn. Such a dinner as the following will send your family into hot weather raptures over your planned cool-weather meals:

Chilled Tomato Juice
Assorted Canapés*
Stuffed Spanish Olives
Platter of Assorted Cold Meats
Cauliflower with Mushroom Sauce*
Frozen Prune Whip*
Coffee

(* Indicates recipes given below)

Savory Cheese Spreads for Canapés
I Cream 1 package cream cheese and mix with 2 teaspoons Prepared Yellow Mustard until soft enough to spread on potato chips or thin wafers.

II Soak 1 teaspoon Evaporated Horseradish in 1 tablespoon cold water for 10 minutes. Cream 1 package cream cheese, then add 2 teaspoons Tomato Ketchup or Chili Sauce and the Horseradish, and mix until soft enough to spread on potato chips or thin wafers.

Horseradish Canapés—Soak 1½ teaspoons Evaporated Horseradish in 3 teaspoons cold water for 10 minutes. Cream 1 package soft cream cheese thoroughly, then add the Horseradish and ¼ teaspoon salt. Toast rounds of bread on one side and spread a generous layer of filling on untoasted side. Sprinkle generously with paprika and top with tiny squares of bacon, if desired. Broil in a 375° F. broiler for about 8 minutes.

Potato and Pickle Salad—Boil potatoes with skins on and allow to cool before peeling. Peel potatoes and cut into small dice. To 1 qt. diced cold cooked potatoes, add 2 tablespoons ground onion, ½ cup coarsely chopped Sweet Gherkins and sufficient Mayonnaise to moisten and bind ingredients. Serve in a nest of lettuce; garnish with paprika. Should be served very cold.

Cauliflower with Mushroom Sauce—Remove the lower leaves from 1 large head cauliflower and allow water to flow over cauliflower to remove dust. Cut bottom of stem off smoothly so the head will stand upright in kettle. Place about an inch of water in kettle, cover and steam for 15 minutes, or until tender but yet firm. A few minutes before cooking is completed, sprinkle generously with salt. Drain, cut away remaining leaves and lower stem, and place in center of heated serving dish. Melt 1 tablespoon butter in a saucepan, add 1½ tablespoons unsifted all-purpose flour, and blend well. Add 1-10 oz. can Cream of Mushroom Soup and cook, stirring constantly, until thick. Pour this sauce over the cauliflower and sprinkle with a mixture of toast crumbs and grated cheese—1 thin slice dry toast, finely crumbled, mixed with ¼ cup grated American cheese.

Frozen Prune Whip—Combine 50 marshmallows, 2 tablespoons water plus 2 tablespoons lemon juice, and heat over hot water until the marshmallows are melted. Add 1-3 oz. can Strained Prunes and cool until it stiffens slightly. Whip 3 egg whites until stiff, then fold in 2 tablespoons sugar. Combine the egg whites with the prune mixture and freeze without stirring.
