Zeeland Auto Accident Was Unusual One

WELLING FAMILIES ON TRIP TO WEDDING ANNIVERSARY IN BAD ROAD MISHAP

Mrs. John Welling, for several years a resident of Zeeland, was quite badly injured in an automobile accident, when the car in which she was riding overturned in the roadside ditch near Big Rapids, last Sunday afternoon. She was brought to the home of her daughter, Mrs. Gerrit Kimmie at Drenthe, where she is now recovering.

Mrs. Welling, together with her sons, Willis Welling and Donald Welling, a friend Arlene Swanson and Mr. and Mrs. William Welling were riding in the car on their way to Mt. Pleasant, where they were to attend the Golden Wedding anniversary of a relative. In another car, also going there, were riding the family of her brother-in-law, Jacob Welling of Holland, the latter car leading the way.

Near Big Rapids, they were compelled to take a gravel road for some distance of the trip, and the dry season caused a great volume of dust to be thrown up by the cars.

After driving for some miles, Mr. Jacob Welling, not knowing whether Willis, who was driving Mrs. Welling's car, was coming, because of invisibility, decided to stop and wait and give Willis a chance to overtake him. However, the cars were not far apart, and when the first car stopped the second car suddenly ran up on the first car. In order to avoid a collision Willis applied the brakes so forcefully that it threw the car out of balance and turned over into the ditch, and fortunately did not strike the other car.

Mrs. Welling suffered a fractured rib in the upper chest and injured her collar bone and a vertebra in her neck, besides severe bruises. It has probably not yet developed how serious her injuries are, although she is more comfortable. None of the others were badly hurt, but they all suffered bruises and a bad shaking. The car was damaged to the extent of \$200 or more.

LOCAL ATTORNEY IS WED IN NEW YORK

Miss Lois Elizabeth de Wolfe, daughter of Mr. and Mrs. Abram P. de Wolfe, of Rochester, N. Y., and Vernon D. Ten Cate, a local attorney, son of Daniel Ten Cate, 162 West 14th St., Holland, were united in marriage at the home of the bride's parents, the Rev. Martin A. de Wolfe of Herkimer, N. Y., officiating.

Vows were exchanged before the living room fireplace, which was banked with ferns and variegated summer flowers. A group of immediate relatives were present.

The bride wore an ankle length white tulle ensemble with a short jacket belted at the waist with a grosgrain ribbon. A pill box of pleated chiffon comprised the hat, and her bouquet consisted of gardenias and white iris.

Miss Mildred J. de Wolfe, sister of the bride, as maid of honor, was attired in shell pink mousseline de soie over deep blue velvet. Her hat was a deep blue velvet with a large bow.

Bruce G. Van Leeuwen of Holland, brother-in-law of the groom, was best man.

Following the ceremony a wedding supper was served, after which Mr. and Mrs. Ten Cate left on a wedding trip to the Gaspe peninsula. Early in July they will arrive in Holland where they will make their home.

Mr. Daniel Ten Cate and Mr. and Mrs. Bruce Van Leeuwen were among those from Holland who attended.

The bride is a graduate of Hope college and has been employed at McCurdy's store in Rochester. Mr. Ten Cate was graduated from Hope college and the University of Michigan law school. He is a junior member of the firm of Diekema, Cross, and Ten Cate. He is a former president of the Exchange club and is also chairman of the Tulip festival.

Announcement

It is with a pang of regret that I announce to our readers and the public that this is the last issue of the Holland City News under my proprietorship. I have spent 47 years of my life conducting this newspaper, and have been associated with newspapers altogether for 51 years, beginning in the office of my father, the late Leonard Mulder of the Granddewet, as typesetter and book-keeper.

According to Dr. William Tappan, my physician, I was to relinquish my newspaper work for at least four months. The Holland doctor with whom I was in constant touch gave the warning two years ago which was not heeded. But on last January he called a halt because of the high nervous tension which the getting out of a "one man" newspaper entails, the last two "Tulip Time" issues "capping the climax."

The strength of the Holland City News was based largely upon the printing of historic data and past history of Holland and Ottawa County, and this is slow work, with much detail and requires accuracy.

Having files for nearly 70 years back, and having lived through that period, and having worked with men who were historic minded, I was able to furnish articles and pictures that according to our readers have been of interest.

Since three years ago, when the city established the Netherlands Historic Foundation, the demand for data from home and abroad has been so tremendous that I found it a physical impossibility even to begin to meet the demands. Two requests came from as far away as Hollywood, Calif. from persons who contemplated the writing of scenarios, using Holland and the setting of it, as a background. An artist from San Francisco demanded certain information as this relates to early Holland which he contemplated bringing to life on canvas on which he was working.

A young man asked for the "high lights" on earlier and later Holland in order that he might produce a mural to be presented to the city at some future date. How far he has progressed I do not know, but I surely did not deny him the information. Augmenting hereto the other details of a newspaper office, the writing of columns upon columns of matter each week, the meeting of many folk, the attending of conferences and gatherings, the going to banquets which to me is an abomination, having attended so many of them, these collectively became so burdensome that something had to give. Anyway the physician said "Stop," and Yours Truly "had to obey the red light."

This week the Holland City News was sold to The Sentinel Printing Company, and according to the plans of Mr. Charles A. French and Mr. Wilford A. Butler, they are to continue it as a weekly. However the details of these plans will be fully given by The Sentinel Printing Company. I have been engaged as associate editor on both The Holland Evening Sentinel and the Holland City News. Mr. French has given me the privilege to determine for myself the nature and the extent of my services, and the time that I shall devote thereto. I am to determine the nature of the matter I am to contribute to The Sentinel and the Holland City News, which to any newspaper man is a most liberal concession. Fifty years of active service demands that one has something to do to occupy his mind.

I wish to say here that this matter was under consideration with me for nearly a year and I told Mr. Charles French so. He would never urge me to take the step, but would always reply, "Ben, if you want to come with us, we will be glad to have you be one of us." Well the time finally came when the doing so became imperative. Procrastination in going through with the matter was simply endeavoring to delay the breaking away from an old friend, the old "News," of which my late brother Charles and I became proprietors when I was 21 and he was 19. I love the "old paper"—and I want to tell you it was tearing the heartstrings to make the move. However now that the decision is made, releasing me of many cares which did not grow any lighter at 67, I am greatly relieved, and the severe tension caused by many months of indecision, has passed.

This does not say that the public will be deprived of my modest knowledge of historic facts, relating to Holland and its environs. It is especially gratifying to know

The widow; three daughters, Mrs. Van Portfleet, Mrs. Felicia Auer of Jackson, and Mrs. Alice Onken of Fennville; two sons, Donald and Clifford, both of Fennville; seven grandchildren; a sister, Mrs. Fred Schultz of Douglas; and a brother, Arthur Mc Gee of Harvey, Ill., survive.

It goes without saying that we extend to our patrons the same service and courtesy that has always prevailed, and thank them for their kind consideration during these many years.

All advertising accounts up to this date will be handled by the old Holland City News company. All subscription matters up to this date will also be taken care of by the old company. In due time detailed notices will be sent to subscribers of their accounts or advance payment.

News Items Taken From the Files of Holland City News Sixty, Fifty, Forty, Thirty, Twenty and Ten Years Ago Today

SIXTY YEARS AGO TODAY

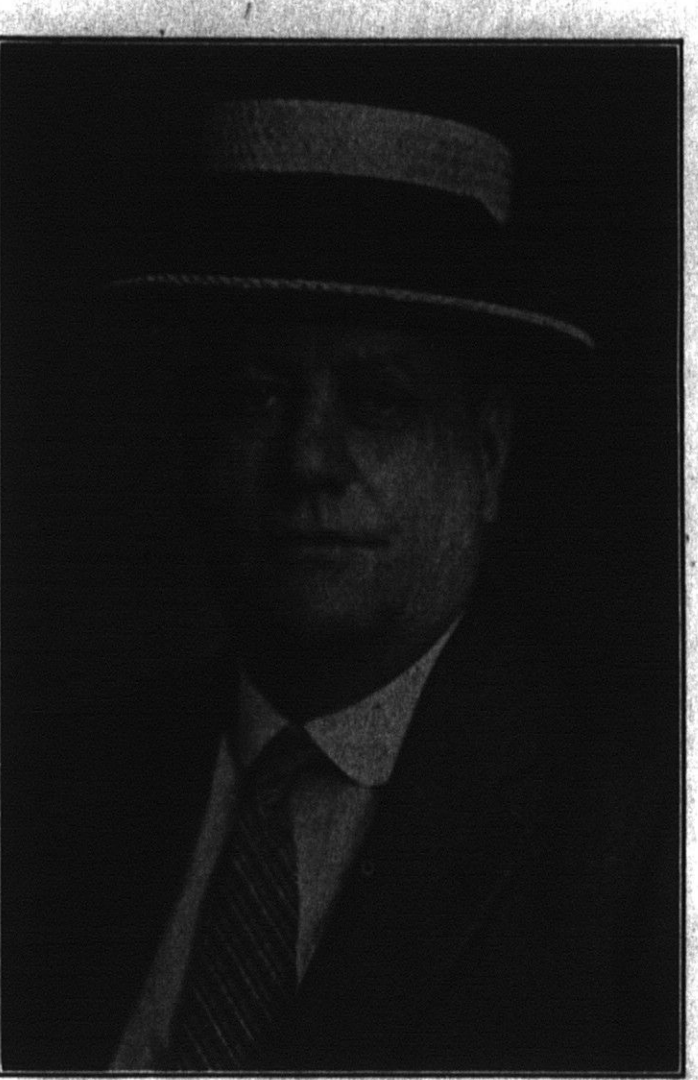

Mr. J. Alberti left Tuesday for Illinois to purchase a lot of horses. Note: Mr. Alberti for many years was in the livery stable business and also conducted an undertaking establishment. The Dykstra funeral home many years ago belonged to Mr. Alberti.

The Fillmore cheese factory started up again last week and we are informed that the association has secured the services of one of the most renowned experts in the western country.

The saw and grist mill at Fillmore station has gone into the hands of a stock company who have money enough at their command to push the business ahead. Mr. R. Koning of Overisel is at the head of the new managers.

A concert by Dr. Gee's band was given on Wednesday evening in Hope college chapel to a large audience. The band was trained down to business as was evinced by every piece the full band played. Among the choicest productions of the evening we may mention the cornet duet by Dr. Gee and Master Eddie Heald, the latter of whom, at the age of fourteen, showed an astonishing degree of proficiency in the famous duet of "Norma." The Harmony Quartette of Holland sang two spirited songs and Miss Hatlie Handy of Allegan played through her piano solo with exquisite grace and delicacy of touch. The violin and clarinet duet, "Souls From Home," by the Gee brothers, was very sweet and a beautiful melody. The orchestra played several fine pieces, accompanied on the piano by Mrs. D. M.

NATIVE OF CHINA GUEST AT D.O.K. MEET

The Daughters of the King S. S. class of Ninth Street Chr. Ref. church held their June meeting on Friday evening at the home of Miss Anne Straatsma, East 8th St. Routine business matters were taken care of, the class deciding on a summer picnic to be held at Buchanan Beach on August 1st. Miss Anne Holkeboer, president of the class presided at the meeting, with Mrs. Raymond J. Nykamp taking charge of the devotions.

A guest of honor at the gathering was Miss Christina Wang, of Kulungu, China. Miss Wang, who in her own country is known as Miss Siok-hi Wang, is an intimate friend of Miss Tena Holkeboer, missionary to China for the past twenty years, and who at present is stationed at Kulungu. Miss Holkeboer was former teacher and organizer of this group, that has been organized since 1916. Many of the members have married and do not any longer belong to Ninth Street church, but because of the class association, which are kept between Miss Holkeboer and the group, the members continue to meet monthly as an organized class.

It goes without saying that the subject of the evening's conversation between the members and Miss Wang was Miss Holkeboer and the work she is doing in China.

Tunnel park, located south of Lakewood Farm, will again be a busy spot this year as is indicated by the numerous picnic and reunions already scheduled there for the season. The picnic sponsored by the Holland board of public works on Tuesday afternoon and evening, was the season's first major event. Some 125 attended the outing. On Wednesday the Slagh reunion, the Bouwman reunion, the Ladies Auxiliary of 9th St. church, teachers of Grandville Ave. church Sunday school of Grand Rapids, and the Priscilla society of First Reformed church at Zeeland held outings at the park. Today the Christian Reformed church, the Adult Sunday school class of Maple Ave. Christian Reformed church, and employees of the Swift Ice Cream Co. held picnics. On Friday, Sunday school teachers of Trinity Reformed church will hold their annual picnic. One of the major events of the picnic season is the annual picnic of the Holland Furnace Co., set for July 23 (this year).

GRAND HAVEN CITY NURSE RESIGNS

Miss Florence Dykhuis, city nurse at Grand Haven for the past five and a half years, has tendered her resignation to the welfare board to become effective July 15. Miss Dykhuis, who is a daughter of Hans Dykhuis, one time sheriff and resident of Holland, has a splendid record at the county seat both in her duties as a school nurse and also welfare cases. While in Grand Haven, Miss Dykhuis instituted a monthly baby clinic, and fostered milk drives, clothes drives and also roused interest in public clinics.

Miss Dykhuis will go to Detroit where she has accepted a position as supervisor of surgery at Grace hospital, one of the large hospitals in Detroit. She took extra training there this year during February, March and April, when she was granted a leave of absence by the city and board of education.

ZEELAND

Teachers of the third annual summer Bible school opening at Third Christian Reformed church Tuesday are the Misses Lois Gierum, Anthonette Van Koeving, and Stella De Jonge. Rev. A. J. J. Baay, church pastor, is superintendent.

The financial report of school district No. 1, fractional, of Holland and Zeeland townships will be given at the annual meeting to be held July 10. Officers will be chosen to fill the offices of Dr. J. Van Kley and K. Folkertema, whose terms expire.

Mr. and Mrs. C. F. De Jonge and family and Mrs. Anna Kranz are making an automobile tour to the World's Fair at San Francisco, Calif. While in California, they will also visit relatives.

OVERISEL

The annual Fourth of July celebration has many outstanding events this year. Among them will be an address in the afternoon given by Dr. Wynand Wichers of Hope college. Also the baseball game will be a big drawing card. An amateur program will be held in the evening. This was also held last year and was found to be a great success.

Mrs. H. Hoekje, Mrs. Joe Schipper, Mrs. Will Slotman, Mrs. H. W. Pyle, Mrs. M. A. Nienhuis, Mrs. E. Folkert, Mrs. G. Koopman, Mrs. E. Gunneman, Mrs. Sander Wolters and Mrs. Gerrit Lampen left Monday morning for Pine Lake where they will enjoy a week's outing which has been sponsored by Kellogg.

The Hulsman's family reunion was held last week Thursday, June 22, at the home of Mr. and Mrs. Ray Koetsier. Those attending the affair were Mrs. Mary Poelakker, Mr. and Mrs. Joe Van Den Brink, Mr. and Mrs. Harold Hulsman and son Howard, all of Holland; Mrs. Jennie Smeyers and children of North Holland; Mr. and Mrs. John Schipper of Zeeland; Mr. and Mrs. Martin Kronmeyer and daughters, Lois and Ruth, of Fillmore; Mr. and Mrs. James Nevensel and family of Dunningville; Mr. and Mrs. Stanley Navotny and children of Allegan; Mrs. J. After the supper a program was rendered, and games were played.

At the State Christian Endeavor convention which was held in Holland last week, the following CE members of Overisel attended: Evelyn Folkert, Irvin Folkert, Wallace Folkert, Clarissa Gunneman, Juliet Koelker, Mildred Koelker, Mae Lampen, Lois Kronmeyer, Hazel Lampen and Ruth Kronmeyer.

Juliet Koelker is attending Western State Teachers' College for the summer.

Mrs. Bert Poppen and daughters, Lois, Ruth, and Kay, of Muskegon, were guests at the home of Mr. and Mrs. John Poppen Saturday afternoon.

Sylvia Albers, who is working at Macatawa Park, visited at the home of Mr. and Mrs. James Kleinhessel Sunday afternoon and evening.

Rev. and Mrs. Bert Hekhuis and daughters, from Wichita, Kansas, visited relatives in Overisel for a few days.

PARALLEL PARKING ON MAIN STREET, FENNVILLE, ALSO A QUESTION

(Fennville Herald)

State highway employees last Friday painted parallel parking lines on Main street, to take the place of the angle parking, the change having been voted for by the village council, which also ordered the removal of the traffic light at Maple and Main streets.

Dissatisfaction with the change was immediately expressed by business men, who contended that by reducing the available parking space on Main street, it would be a detriment to trade, and petitions were immediately circulated asking the council to reconsider its action, and restore the question. The parking question was discussed at the Merchants meeting, and arguments for and against parallel parking were expressed. It was suggested that if businessmen were to park their own cars elsewhere than on Main street and trucks use the alleys in rear of the stores, the matter would be simplified and more space left for other cars. It was claimed that with parallel parking the space available was reduced one third.

Fennville's mayor urged that if the people of the community exercise patience and cooperate with the council, difficulties and objections could be satisfactorily adjusted.

The council, Mayor Jackson said,

had acted upon the advice and urging of the state highway department, believing the change to be in the interests of traffic safety. A wider roadway is afforded, and a traffic officer would watch out for speeders. Additional parking places would be provided, the mayor said, on the lot back of the Ford garage, which would be leveled; and possibly other locations.

RECITAL HELD AT WARM FRIEND TAVERN

Pupils of Miss Ruby Hughes, piano instructor, together with pupils of Mrs. Kremer, instructor of voice at Military Academy, Lebanon, Tennessee, and pupils of Mrs. Viola Partridge, instructor of speech, presented a recital on the sixth floor of Warm Friend Tavern Wednesday evening.

Students of Miss Hughes playing piano solos were Bob and Jack Hoek, Mary Van Raalte, Jane Baker, Marcia Chapman, Joyce Baker, Ellen Crowley, Billy Baker, Lois Mitchell, Donna Speet Helen Crowley, Mary Milewski, James Kiemel, Donald Milewski, Ila Kiemel.

The students of Mrs. Kremer taking part in the program were Miss Grace Schreuer and Mrs. Lora Fogarty.

Monologues were given by the following pupils of Miss Partridge: Betty Walker, Dale Bos, Joyce Post, Beverly Rowan, Lucile Yonkman, Gertrude Christell, and Adele Swenson.

MUIZENGA-WESTERVELT VOWS ARE SPOKEN

Miss Evelyn Muizenge, daughter of Mrs. George H. Muizenge, 24 East 13th St., and John L. Westervelt, Jr. son of Mr. and Mrs. John Westervelt, Sr., of Englewood, N. J., exchanged vows before a setting of ferns and palms interspersed with gladioli and iris of pink and white, with the Rev. William Van't Hof, pastor of Third Reformed church, officiating.

Miss Hazel Westervelt, sister of the groom, played Lohengrin's wedding march, and also accompanied Adelaide and Thelma Koelker, who sang "I Love You Truly," "Hond," and "Ich Liebe Dich," Grieg.

The bride wore blue marquisette with shirred bodice and flounced skirt. Her veil had a braided ribbon halo, and her bouquet consisted of baby breath.

Mrs. Bernard De Pree, sister of the bride, was bridesmaid. Bernard Westervelt was best man.

Immediately following the ceremony a reception was given for 45 guests.

The bride is a graduate of Hope college and has been teaching in Harrington school. Mr. Westervelt received his A.B. degree from Columbia University, N. Y., and M. A. from Rutgers University, New Brunswick, N. J., and is now instructor in Englewood Junior

high, Englewood, N. J.

The couple will spend the summer in Pocono Pines, Pa., and after Sept. 1 will reside in Englewood, N. J.

Those from this vicinity attending were Mr. and Mrs. George F. Muizenge of Zeeland, Peter Hoek of Grand Rapids, the Rev. and Mrs. G. Goris of Grand Rapids, Miss Marjorie Van Bree of Grand Rapids, and Miss Florence Ten Have of Zeeland.

A sacred program with "Old Songs of the Church" will be given at 4 o'clock Sunday afternoon at Restlawn Memorial Park.

Shakes Hands with Pat O'Brien;
To Quit Navy and Go To
College After
August

Stanley Lievens (C.B.S. Flag) U.S.S. New Mexico, San Pedro, California, writes the following interesting letter to the editor of the "NEWS."

"As an additional bit of information I might add that I am getting out of the Naval Service in August of this year. I am intending to start college at Bowling Green, Ohio, where my brother, Robert Lievens, is living. I would appreciate it immensely if you could put this bit of information in the "NEWS" for I have many friends in Holland I am sure would be interested.

"I am also enclosing a mimeographed description, self explanatory, which I am in the habit of writing up when I have an interesting experience for enclosing in my personal letters. You might like to get a "brief" from it.

MY VISIT TO THE PARAMOUNT
STUDIOS

I queried, could I get permission to visit a movie studio? I was afraid it would be impossible, but I thought there would be no harm in trying. I wrote my letter and started hoping. Like an answer to a prayer, my reply came back with the unexpected news that I had their permission to visit the studio at my convenience. I was to be announced to the secretary of the vice-president of Paramount Studios!

I arrived at the gates at one o'clock one afternoon, but believed it a bit early for going in. I walked around the vicinity of the studio to pass the time away and while walking I noticed several extras in the various cafes and on the street. It stirred my imagination to its extremes, trying to picture what the inside would be like.

At last I felt it late enough to present my letter to the gatekeeper. He read my letter and referred me to a nearby office where there was an announcing system. I handed my letter to the gentleman at the desk and after reading it through, he called the vice-president's secretary to announce me. Unfortunately she was not in, so I had to sit down and wait. It was a delightful wait while sitting down. I saw many of our stars and extras reporting for their afternoon work. After a short wait I was again announced and this time I was directed inside, to her office. I quickly reassured myself of the secretary's name and rather hesitatingly walked in. I addressed her and immediately she set me at ease with her welcome acknowledgment. She then told me that I was very fortunate for I was having the vice-president's office boy as my escort. I then had a thrill of a life time when the secretary introduced me to Pat O'Brien who happened to be in the same office. While she made out my pass, I had a very interesting chat with Mr. O'Brien. He told me of his being in the Navy during the war, and then asked me a few questions. I was tempted to ask him for his autograph but I felt that would spoil everything. It seems that everyone wants autographs, so I thought I'd just exult in my handshake with him.

My escort came in at that time and I was introduced to him. He was a nice looking fellow of my age with a very pleasing personality. As we left the office I again thanked the secretary and bade my goodbyes to Mr. O'Brien. As we gained the inside of the studio lot I had to stop in amazement. Buildings were everywhere, whole ones, half ones, and the fronts only of some. These were used in representing business, residential, and slum streets. A short distance down was a "wild west" street. I was informed that this was still a stand from the picture "Union Pacific." Having recently seen this picture, I enjoyed it doubly. Walking on I saw a section of a ship and metal troughs at a "toboggan slide" angle leading up to it. I was told that water is shot down these troughs to give the high water effect. Again walking on we came to our first stage. We stopped at the door and here noticed a red light and a bell buzzing. I soon learned that this was a signal indicating a "set" was being taken. It stopped shortly and we went in. As I entered I saw the directors and extras sitting about, resting between scenes. My escort directed me to a seat behind the directors and we waited for the next action. The particular scene was an office scene with Bob Burns and Joe Allen, for the picture "Our Leading Citizen." Bob Burns was a short distance from me and eyed me quite noticeably. My escort explained that visitors are so uncommon that I was rather an oddity. Suddenly the order was given for silence, and for the actors to get ready to start the next "take." Then came the command to start the scene "rolling." That is when silence is demanded. Not even a shuffle of a foot, or a whisper, is allowed. Bob Burns and Joe Allen went through their parts in a short time, and then the action was "cut" again. While this action was taking place the microphone recorded the sound, extended on a long arm, would follow the talker. The camera was on a runway and was moved forward or backward, whichever the picture required. The lights were concentrated around the overhead, all in a fixed position. There was a window in the office and through it was a beautiful scene of a green yard and trees. This scene was merely an enlarged photograph, but very effective. At this intermission we quietly slipped out to visit another stage. Here we saw an orchestra scene with

PARK TOWNSHIP SPONSORING HORSE RACES JULY 4TH

After more than ten years during which local horsemen have had no opportunity to race on a local track, a group of races and entertainment has been arranged for the Fourth of July at the Park township recreation center north of Holland, where the finest race track in western Michigan has been built. The entire day of the Fourth will be filled with entertainment including free acts, two baseball games, sulky and running races and fireworks at night. \$200 worth of prizes will be given to the crowd during the day.

The three classes of harness races that will be run are the 2:25 trot or pace, the 2:18 trot or pace and the free-for-all trot or pace. In addition, one running race will be run. James Nibbelink, racing chairman, has announced that approximately 20 horses are entered in the harness races and six in the running race.

Among the more prominent western Michigan horsemen planning entries in the events are the Boone brothers of Holland, Lew Manville of Grand Rapids, Douglas Walker of Byron Center, William Bell of Benton Harbor, Ed Bekin of Coopersville, Charles Taylor of Coopersville, John Mohl of Marne, John Huiskin of Marne, James Helder of Holland, Ted Cheff of Holland and H. R. Allen of Holland. Entertainment in the morning will begin with a baseball game between the North Shore Cubs and the Phillips 66 team of Holland, at 10 o'clock. The afternoon game will be between the Cubs and the Virginia Parks. The three teams are members of the "lake shore league here."

Recreational centers opened at four local schools for the summer months Tuesday at 9 a. m. Playgrounds at Longfellow, Lincoln, Washington, and Van Raalte schools are thus affected. All children are welcome at any one of the playgrounds, regardless of school affiliation, according to Leon N. Moody, recreational program director. Gordon Pleune of Grand Rapids will be in charge of tennis events for the summer. Milton L. Hinga, Hope college coach, will aid Mr. Moody in planning contests from time to time. Directors at the playgrounds are: Longfellow—Miss Florence Cook and Earl Faber; Lincoln—Carl Damson and Mrs. Anderson Postma; Washington—Jay Zull; Van Raalte—The Misses Louise Van Dornelen and Thelma Koolker.

half of a large auditorium built in. We got there just as the orchestra was taking its place. The leader was the world famous musician Walter Damrosch. I was surprised to learn that the piece the orchestra was to play was already recorded but still it had to be repeated so they might keep in time. The recording played as they were acting so there would be close unity. After seeing one "set" taken we again went on our route.

In the next stage house they were producing the picture "Disputed Passage." It was in a Chinese atmosphere, having a garden, an interior of a house, and a section of a hospital. We were rather unfortunate this time for the cameras were not in action. I did see John Howard and Victor Varconi who were the leading men actors. Dorothy Lamour, the feminine star, was not on the lot that afternoon. It was getting rather late so we did not take anymore time here.

I was surprised to learn there was a school for the stars' children. They also had their own hospital, hot dog stand, cafeteria, and police station. In one section I was shown the dressing rooms of the stars on contract. These were like small apartments from the outside appearance. They appeared to have one large main sitting room, and one upstairs room, which more than likely was the dressing room. They were very well built and kept up. One point I was called attention to was how the odd repair buildings and executive buildings were utilized. One large repair shop had many windows and steam pipes running out of it so it would look like a factory. An executive building was built to represent a schoolhouse from the outside while a well-kept shrubbery bordered tract of lawn was alongside.

As we came to the end of the tour I returned to the secretary's office to offer my thanks and to express my appreciation. As I entered the secretary remarked, "look what I have for you." To my surprise she handed me a photograph of Pat O'Brien with a little personal comment written on it and addressed to me. I could not show or express my gratitude, I was so elated. With this I took my leave, beaming in satisfaction and thanks to those who made my visit possible.

a wife and three children. He has always been a diligent worker in the Republican party ranks and perhaps more so than the American element in that party in the county appreciated, judging from the lack of Republican officials present at the rites, which were held in the Third Reformed church, Rev. H. Uiterwijk officiating. The Dutch newspaper of which he was editor appeared in mourning the following week. We feel that Mr. Hoogestergeer will be missed by many. Note: The editor in question was a very able, fine man and reared a fine family. He was a partner of Mr. Leendert Mulder, my father. The news story of his death is written differently than a similar story would be written today. The lightning storm undoubtedly was not an early thunder shower and it is doubtful if the dying man even heard it. The lightning is reported to have struck several buildings, including the homes of Henry Baum and Mr. Kattus. The "day" of the American element in the party being absent would indicate that the Holland Republicans were loyal and that the Americans of the early period, and they did not hit so well. Time has changed all that, since in 1939 it would be difficult to distinguish whether a person is an American Hollander, American English, or any other nationality Americanized.

We always considered Holland a healthy place but when the Wizard oil man was unable to sell his medicine at the Lyceum opera house the other night we were convinced of the fact.

Boone & Nibbelink carryalls have been transferring passengers from the depot to the dock this week. Passengers bound for the resorts patronize the extensive line of coaches will be run down to the dock, beginning next week Monday. Note: The carryalls were large, cumbersome, side-seated affairs. There were several in Holland, pressed into service largely during Fair week. Each carryall could hold about fifteen people. The railroad formerly switched their passenger coaches with the excursion passengers over side tracks to the foot of 5th St. and River ave., where they took pleasure steamers to the Holland resorts. Later the railroad built to Ottawa Beach and excursion trains were taken nearly to the present oval. With the advent of the interurban the road was abandoned. The present new highway to the oval via Waukegon and the airport is over a large part of the old railroad right-of-way.

STATE HAS USED EVERY PRECAUTION AT PARKS FOR HOLIDAYS—PEOPLE SHOULD HELP

Next week end will bring a four-day holiday to many people celebrating the Fourth of July and it will see hundreds of thousands pouring out of the cities seeking the out-of-door advantages of Michigan's 56 state parks.

The exodus will begin for most persons on Saturday, July 1, but many who got a head start on Friday will have already set up quarters in a tent, trailer, or cabin by the end of the week.

Although in search of rural blessedness, the vacationing multitude will expect and require many of the comforts of home. For this reason, facilities have been provided by officials of the park division of the department of conservation, in charge of operating state park areas.

State park authorities have announced they anticipate completion of wiring for electrical connections in 32 parks during the present season, the latest effort to give service of a standard demanded by the public. Radios, beauty equipment and household gadgets can be attached to an electrical outlet and life can go on much as it did at home.

New building construction, enlargement of sanitary facilities and setting up additional parking space are among the winter and spring jobs that have been completed by park superintendents. Along this line much work has been done in the Grand Haven and Holland parks, two big beach parks on Lake Michigan drawing nearly a million visitors in a season.

Routine safety measures guard against accidents and illnesses and treat the cases that do occur. Life guards and persons equipped to do first aid are stationed in the play areas. Water supply, traffic regulation, policing and sanitation get special care.

All precautions against accident have been provided for—it is up to the people to use a little precaution themselves, thus avoiding drownings and other tragedies at our summer resorts.

DIRTY FLAGS NO CREDIT TO OWNERS, SAYS SECRETARY STEPHAN

Secretary-manager of the Chamber of Commerce, E. P. Stephan, is asking local residents and citizens who display flags to be sure that these are clean. In the recent flag display made during the C. E. convention a number of the flags on display looked more like filthy rags than like the American flag of which every American citizen should be proud, stated Mr. Stephan. Flags will again be on display next Tuesday, July 4. Let's have a flag display of which we can really be proud!

They are Miss Leona Nyström and Miss Donna Landwehr. They have appeared in many local entertainments and were received most graciously. Now they are scheduled to be at the St. Cecilia Women's club at Grand Rapids. The program will be in the nature of a "spring carnival" given by Miss Calla Travis. The numbers to be rendered by the Holland maidens are two, one a Russian folk dance, "Chardas," and a Swedish polka. Miss Leona and Miss Donna are pupils of Miss Margaret Watson of Grand Haven, with whom they have been studying for some time. Last week the youngsters appeared at the Woman's Literary club in Holland. Folks were agreeably surprised with their talented interpretation of many dances. Apparently Grand Rapids has also heard of their art and they have been asked to give a program before the largest club in the city.

Note: Miss Nyström is now Mrs. Larry Kolb of Hazelbank, and Miss Donna Landwehr continued her art and is now one of the celebrated dance team under the stage name of Donna and Medrano, who today are nationally famous as dancing partners. They have appeared in all the principal cities of the nation and annually come to the Palmer House in Chicago for an engagement and appear during the winter months at Miami, Florida. They are today in New York City and Mrs. Louise Landwehr of Hazelbank has just returned after visiting her daughter in the east. The couple were here during the Tulip Festival.

New School Commissioner Requests Office

REPRESENTATIVE NELSON
MILES SPEAKS TO BOARD OF
SUPERVISORS ON NEW
STATE RELIEF BILL

The Board of Supervisors of Ottawa county began their June session on Monday of this week expecting to continue until Friday with sessions each morning and afternoon. While a number of routine business matters also came up before the board, the main task was the business of equalization of county tax rolls.

The newly elected school commissioner, Dick Vande Bunte, appeared before the board and requested that the board furnish an office for him in Hudsonville and that he also provided with a secretary. This was proposed as a new feature, Vande Bunte stating that he believed he could be of greater service if he spent most of his time in the field, making personal visits to schools to assist teachers with the problems which confront

them. With a secretary in charge of his office this would be made possible, he stated. He also presented an outline of plans for his work among rural schools.

This is the first time the commissioner has proposed a central office, where records may be kept and contacts made by teachers, students and parents. The request of Mr. Vande Bunte was turned over to the committee on education.

A report of the soil conservation district showed that since the district was established in May, 1935, 750,000 pine trees have been planted and 150,000 seedlings were placed in transplant beds. Holland Coast Guards Are Winners In Grand Haven Meet

The local coast guard crew Saturday, in a photo-finish, defeated Ludington by one-fifth of a second to take first place in a surf boat pulling contest at Grand Haven. Eight stations, from Manistee to Michigan City, competed in the race.

By virtue of its victory, the Holland crew will be allowed to meet the northern Michigan winner from Charlevoix, and the winner of that race will represent the 10th district at the annual coastguard fete at Grand Haven on Aug. 4. Besides Holland and Ludington, other cities competing in Saturday's contest include St. Joseph, Manistee, Michigan City, South Haven, Grand Haven and Muskegon.

Members of the local winning crew were Capt. E. J. Clemons, coxswain; A. M. Anderson, boatswain's mate; Emmet F. Foster, motor machinist; and Forest H. Flaughier, Edwin O. Feddick, Carl W. Walters and Adrian M. O'Beck, surfmen.

Holland coast guard crew won first place in the elimination surfboat pulling race, making the two-mile course in Lake Michigan in the excellent time of 18 minutes and 17 seconds. The Holland crew barely nosed out the Ludington crew with a 12-foot lead, which made the Ludington crew's time 18 minutes, 17 and one-fifth seconds. It was the most exciting race of the four which were held among eight stations in the 10th district to determine the winners who will later be pitched against winners from other stations that will race at Charlevoix and Tawas, the finals to be held here on Aug. 10, when the winning crew in the 10th district will compete with winning crews in the 9th and 11th district at the U. S. Coast Guard Water Fete.

Grand Haven's crew with a record of 21 minutes and 41 seconds defeated Muskegon oarsmen with a record of 22 minutes and 17 seconds.

St. Joseph crew with a time of 18 minutes and 38 seconds, defeated the Michigan City crew with time of 19 minutes and 47 seconds and Manistee crew with 19 minutes and 45 seconds won over the South Haven crew with time of 20 minutes and 55 seconds.

Chief Boatswain D. L. Small, 10th district office, was the timekeeper and the races were directed by Lieut. Comdr. W. W. Bennett. With a fair wind directly out of the west the big pulling boats and the straining crews were given a lift so that the time made by the Holland crew is the best record ever made here.

The races were run from 1 p.m. to 4 p.m. Many gathered at the coast guard station as families and friends from the various stations had accompanied the oarsmen to cheer them in the first of the elimination contests which will be held in the 10th district to pick a crew which coast guardsmen hope will land the \$200 prize given by headquarters at Washington, D.C., one of four prizes awarded annually to the best oarsmen on the Atlantic, Pacific and Gulf coasts. — G. BEAUTIFUL DOUBLE WEDDING IS SOLEMNIZED AT WESLEYAN METHOD. CHURCH

Miss Mildred Looman and her sister, Marie Esther Looman, daughters of Mr. and Mrs. Henry J. Looman, 748 Columbia ave., became the brides of George Allen Huff and John Edward Huff, respectively, sons of Mr. and Mrs. Fred Huff of Wayland, at a double ceremony in Wesleyan Methodist church, the Rev. C. W. Meredith, pastor, officiating at the double-ring service.

Attendants for Miss Mildred Looman and George Huff were Mr. and Mrs. Edwin Looman; and for Miss Marie Esther Looman and John Huff were Mr. and Mrs. Russell Looman.

Before the ceremony, Mrs. Ralph Franz played appropriate wedding music, and Mrs. William Valkema sang "I Love You Truly," Bond, and "O Promise Me," deKoven. The Lohengrin wedding march was played as the bridal parties assembled, and Mendelssohn's wedding music was played as the recessional. The altar was decorated with palms, ferns and Easter lilies. The brides were given in marriage by their father, and wore similar floor-length gowns of white chiffon, fashioned on princess lines, with veils of white illusion caught in shirring at the back of the head, and held by tiny flower wreaths. Each carried a bridal bouquet consisting of Easter lilies, fever few, and snapdragons.

Mrs. Edwin Looman, one of the attendants, wore a peach marquisette gown. Her bouquet consisted of blue delphinium, Briarcliff roses, and fever few. Mrs. Russell Looman wore blue embroidered marquisette and carried a bouquet of Joanna Hill roses, bronze snapdragons, and fever few.

June Looman and Jackie Huff were ringbearers, Miss Looman wearing a long white net gown over blue, and young Huff a white linen suit. Joyce Meredith, the flower girl, wore blue taffeta. Immediately following the ceremony, a reception was given for about 50 guests at the home of the brides' parents. Those serving were the Misses June Meredith, Lois Heasley, Ruth Hamelink, and Doris Solomon.

Mr. and Mrs. George Huff left for a three weeks' visit to Yellowstone Park and the World's Fair at San Francisco. For traveling the bride wore navy blue with white accessories. The bride and groom are both graduates of Holland high school, and intend to resume their studies at Houghton college, Houghton, N. Y., in September. After their return from the West they will spend the rest of the summer at 764 Columbia ave.

Mr. and Mrs. John Huff left for Washington, D. C., and the World's Fair at New York. The bride attended Hope college and Houghton college. The groom was graduated from Middleville high school, attended Hope college, and is employed as chemist at the Aniline Dye Co.

Out-of-town guests included Miss Ione Driscoll, former dean of Houghton college. She was dean while on her furlough from Africa. In August she will again leave for Sierra Leone, West Africa, where she is doing missionary work under the auspices of the Wesleyan Methodist church.

Before Painting Floors
To make a paint job on a floor last longer, first be sure that the surface is clean and smooth and that all nail holes are plugged with putty or filler. Remove all grease spots before applying the new paint, and when the paint has dried, go over it with wax to give additional luster and longer endurance. Renewal of the wax coating at regular intervals is wise maintenance.

Mayor called upon Henry Geerds, who was present, to present his verbal petition to the Council.

Mr. Geerds stated that he was representing a property owner who owns 100 ft. of frontage just north of Madison Place, facing on the old channel of the River. Mr. Geerds stated that at the time the stipulation was drawn up setting forth the property lines of the different property owners, the property north of Madison Place was not considered. He stated that inasmuch as a fill has been made in front of this property, he felt that the property owner's rights should be determined and suggested that this matter be referred to a committee for investigation so they may report their findings back to the Council at a later date.

Referred to Civic Improvement Committee together with the City Attorney and City Engineer. Clerk presented several applications for building permits.

Reports of Standing Committees

Ways and Means Committee to whom was referred the recent communication from the Police Board in regard to finding employment for former police officers O'Connor and Bontekoe, reported that they have contacted the Tulip Time committee and were informed by them that they have not requested a watchman at the Little Netherlands exhibit; nor did their committee see any immediate need for a watchman at the City Hall, and since no appropriation had been made in the budget for this expense, recommended that no action be taken.

Adopted.

Street Committee presented a resolution recommending that the City Clerk be authorized and directed to make application to the State Highway Department for a permit to close 8th st. from College to River aves., and River ave. from 8th to 12th sts. on next Saturday afternoon between 4 and 5 o'clock for the State C. Adopted.

Claims and Accounts Committee reported having examined claims in the sum of \$6,322.91, and recommended payment thereof.

Adopted.

Civic Improvement Committee presented a report relative to the matter of re-routing heavy gasoline trucks away from the downtown district. In this report, the committee brought out the fact that the state trunk lines are under the jurisdiction of the State Highway Department and it will be necessary to get their co-operation in order to re-route these heavy trucks. In this connection, the committee reported that the City of Holland and the State Highway Department are not on the best of terms due to the fact that the City of Holland refused about two years ago to co-operate with them in establishing parallel parking on the trunk lines. The committee stated that they have gone into this matter of parallel parking quite extensively. It was reported that they have held meetings with the Merchants' Assn. and discussed this matter and as a result have sent questionnaires to several of our nearby cities to find out just what they are doing in regard to parallel and angle parking.

The committee then read replies which they have received from these several cities and in practically all instances these other cities are parking their cars parallel on the trunk lines.

The committee further reported that in their opinion this matter of parallel parking should be straightened out with the State Highway Department before they go into this matter of re-routing heavy gasoline trucks. Committee then made the following recommendations:

1st.—That the city contact the State Highway Department and inform them that the City of Holland is now desirous of co-operating with them to the extent of re-establishing parallel parking.

2nd.—Request the co-operation of the State Highway Department in having them establish speed zones on our trunk lines entering the city.

3rd.—Solicit their support in relieving the present congested condition of our trunk lines in the downtown district by re-routing heavy trucks away from the high value districts.

Use Ballboats for Oyster Fishing
When you eat a North Carolina oyster, in all probabilities it was caught in a manner which has been prevalent for several hundred years; at least as long as man has been eating oysters. Oyster fishermen of the North Carolina coast still depend on sails for motive power, as they drag the bottom of Pamlico sound with basket-like iron scoops, to scrape the oyster from his lair on the rocky bottom.

Nature's Cycle Is Shown
Arresting examples of nature's endless cycle may be viewed at Hawaii National park in the Mauna Iki area. There among the weird formations in the pahoehoe lava, widely scattered shrubs and ferns and a few stunted trees are striving to gain a foothold. They represent the advance guard of vegetation and the breaking down of the lava built up by volcanoes into soil. Much of the surface of Mauna Iki's pahoehoe lava is rainbow tinted and as performed as Swiss cheese.

Badminton's Origin
The Encyclopedia of Sports says that badminton was called poona when it originated in India many centuries ago. The game appears to have been confined to that country until the late 1800s, when English army officers, who had become converts, took equipment back to England and introduced the sport there. The Duke of Beaufort became interested in the new game and formally introduced it to society in 1873, during a house party at his home called Badminton in Gloucestershire, whence its present name is derived.

Designer of Grace
Samuel McIntire, a product of Salem, Mass., in colonial days like the Adam brothers of England, was most noted for his fame as an architect and as a carver, and is responsible for some pieces of furniture gracefully and delicately executed. His favorite piece of furniture was the sofa and several of these pieces together with chairs to match are in the collection of the Essex institute of Salem.

FENNIVILLE MERCHANTS
TALK OF PLANTING FISH
IN HUTCHINS LAKE

The June meeting of the Merchants association of Fennville was held Monday.

Co-chairman Van Hartesveldt, who presided, said he had been asked to announce there would be a tag day for Douglas hospital July 3rd.

Thursday, Friday and Saturday, Aug. 31, and Sept. 1 and 2, were given as Homecoming dates, and a report was given by the entertainment committee that first-class riding devices—ferry wheel, merry-go-rounds, aerial swing, and other attractions, have been engaged.

A proposal that a fireworks display be given July 4th instead of the usual Wednesday night show for that week, was not favored, as it was believed it would cost too much.

The subject of having Hutchins Lake restocked with fish was considered, and the secretary was directed to write to Harry Plotts, Allegan county conservation officer, and Supt. Marks of the state fish hatchery, and invite them to come to the next meeting and tell how to go about it.

Friends and relatives of missionaries at Kulangsu, the international settlement at Amoy, China, daily await eagerly news from the missionaries who are blocking the Chinese and with them, those residing in the settlement. Speculation is rife as to when or whether the Japanese will tangle with the British soldiers who guard British interests there.

Missionaries of the Reformed Church in America who are still in the war zone aiding Chinese war refugees and attempting to Christianize the yellow race are Mrs. William Angus and Mrs. Clarence Holleman of Grand Rapids; Jeannette Veldman of RFD No. 1, Grandville; and Jean Nienhuis, Tena Holkeboer, and Mrs. Henry Veenschoten, all of Holland. In addition to the missionaries, the children of Mrs. Angus, Marjorie, 9; David, 5; and John, 3, are also at the front. Mr. Angus is working in the interior of China at present.

Mrs. Veenschoten is the former Stella Girard of Holland. With her in China are the Rev. Henry Veenschoten, her husband, and two children, Joan, 16; and Ellen, 10. Girard, a son, is a student at Hope college.

Mrs. Holleman was formerly Ruth Vandenberg, daughter of the late Mr. and Mrs. Albert Vandenberg of Holland. Both Mr. and Mrs. Vandenberg are Hope college graduates. A son, Robert, attends Holland high school. While here, he resides with Mrs. Albert Kronemyer, a foster-sister of his mother.

The Rev. Henry A. Poppen, son-in-law of Mr. and Mrs. J. N. Trompen of Grand Rapids, is one of the leading missionaries in the Kulangsu settlement. Mrs. Poppen and children are in the city here at the present time. Mr. Poppen is a member of the Kulangsu municipal council and is past chairman of the international relief committee.

Mr. Poppen, in a recent letter to his wife here, sent by air-mail to avoid censorship by Japanese, expresses fear that "as Kulangsu goes, so goes the international settlements in the rest of China. States the letter, 'I have been busy with council meetings, interviews with United States commanders, British officials, and consul generals. I've closed the refugee school for a week because I don't want the teachers intimidated or arrested. We have had to station guards at the main entrance to keep the Japanese from getting in.'

Nearly 2000 Register at CE Convention

PARADE IS CLIMAX TO STATE MEETING OF FOUR DAYS; ALL ATTEND CHURCH SERVICES SUNDAY

Officials in charge of the four-day state Christian Endeavor convention held in Holland last week Thursday, Friday, Saturday, and Sunday, disclosed early this week that a record crowd of 1,927 persons had registered for the convention. At last year's convention at Kalamazoo, less than 1,800 registered. According to Ernest S. Marks of Detroit, state union executive secretary, Detroit was voted as the choice of Endeavorers for next year's convention.

One of the highlights of the convention here was the banquet held in the armory Saturday evening. Approximately 750 persons attended. Each was the recipient of a miniature pair of wooden shoes and a souvenir Holland booklet, prepared by the Holland Chamber of Commerce. R. Earle Bolles, retiring state union president, was in charge of the meeting. Larry Armstrong of Detroit, editor of the "Michigan Endeavor," served as toastmaster.

Special music was furnished by a quartet composed of John George, and Gerrit Swearingen, and Gerald Bax, with Ayda Schultema as accompanist. George Campbell of Cincinnati led the song service, with Miss Angeline Smith of Grand Rapids at the piano.

Announcement was made of trips to be made by Miss Inez Von Ins of Holland and Al Van Dyke of Grand Rapids to The Netherlands where they will attend the International Youth conference at Amsterdam. Awards for attendance and membership were made by Kathleen Bogema of Grand Rapids, state registrar.

Another feature of the convention was the parade held Saturday afternoon in the local downtown area. Some 40 floats and 2000 marchers had been scheduled to participate in the event, which was led by the Hudsonville high school band. Bert Brandt, director. Floats were included from Kalamazoo, Detroit, Berrien-Cass counties, Allegan county, Grand Rapids, Muskegon, and from several of the local churches, including First Reformed, Fourth Reformed, North Holland, Ebenezer, Central Park, Third Reformed, Bethel, and Trinity. The Central Park float captured the prize for the Holland division.

A crowd estimated at several thousand witnessed the parade in spite of the warm weather.

Senator George F. McCallum of Ann Arbor was the main speaker at the Saturday night citizenship meeting of the convention held in Hope Memorial chapel, following the large banquet in the armory. Sen. McCallum spoke on "Christian Influence in Citizenship." The audience was advised to "plant your feet squarely on the Rock of the Almighty and do the will of the Heavenly Father."

Throughout the sessions of the convention, the Holland high school A Cappella choir provided special music, under the capable direction of Miss Tricie Moore.

Installation of the new state endeavor officers was held at the Saturday evening session, with the Rev. William Van't Hof in charge. Three of the state officers, namely, Charles Stoppels, Peggy Van Kampen, and Cornelia Van Voorst are of this city. Miss Van Voorst was also an officer of the state C.E. last year when she had charge of publicity, including that of the state convention this year.

On Sunday morning most delegates attended local church services with their hosts and hostesses. In the afternoon a mass communion service was held at Memorial chapel with the Rev. John H. Meenges of Grand Rapids in charge, assisted by pastors of local churches. Approximately fifty elders of Holland consistories aided in the administering of the communion.

The Rev. R. J. Vanden Berg of Zeeland, pronounced the invocation at the service, which was presided over by Howard D. Barcalow of Saginaw, new state president of C.E. George Campbell and Miss Smith were in charge of the song service.

Dr. Raymond M. Voh of Harrisburg, Pa., presented the concluding address of the convention, entitling his speech, "Today's Challenge to be Steadfast." The convention theme was "Be Ye Steadfast," which motto also was the theme of numerous of the floats in Saturday's parade.

The business session of the convention was held Saturday afternoon. Members voted to incorporate the state union, and Mr. Marks gave an outline of the service program of the state Christian Endeavor. The Rev. Henry Van Dyke, pastor of Fourth Reformed church, was in charge of devotions at the Saturday evening session. Anthony Stamm of Kalamazoo presided.

At the final meeting of the year, Robert Gelston of Highland Park, retiring citizenship chairman of the Michigan union, presented several resolutions on behalf of the union. The resolutions specifically thanked the Holland and Golden Chain C. E. unions for their part in arranging details of the convention; thanked President Wynand Wichers and Hope college for use of college buildings; thanked the city of Holland for its hearty welcome; thanked local newspapers for publicity; thanked Mr. George Campbell, song leader, and others for their services during the convention; and presented a program to which Endeavorers once more pledged their full support.

Tomorrow, Friday night at 8 p. m. the American Legion summer band concert series will open at Kollen Park. The Friday schedule will continue throughout the summer, in preference to Tuesday, since Director Eugene F. Heister is taking graduates work at Ann Arbor during the forepart of the week.

Miss Shirley Rutgers, drum major, of Holland high school, also took a first in her division. Glenn Bairum, director of the Northwestern university band, served as judge in the various events. By virtue of their victories, the local Legion band and Miss Rutgers are eligible for competition in the Chicago and Music festival, to be held in Chicago in August. Arleen Vander Heuvel and Louise Swift, juvenile baton twirling class; and Edward Vandenberg, senior boys' baton twirling class, were also local entrants.

Railroads operate on their own roadways, built and maintained entirely by the railroads.

Out of every dollar the railroads take in, taxes take 9 cents, and their rights-of-way take 23½ cents—a total of 32½ cents for roadways and taxes.

Highway motor carriers operate on public highways, built and maintained by taxpayers.

Out of every dollar taken in by the certificated motor carriers, 7½ cents (I. C. C.) goes for taxes of all sorts—and this represents all they pay for roadways and taxes.

Barge lines which operate on our inland waterways—the canalized rivers of the country—operate on "roadways" built and maintained by taxpayers.

Out of every dollar taken in by

these inland waterway freight carriers slightly under 2 cents goes for taxes of all sorts—and this, too, represents all they pay for "roadway" and taxes.

Thoughtful people now believe that forms of transport which operate on and by means of facilities provided by the taxpayers shall pay for the use of such facilities and shall be on an equal basis as regards taxes—real taxes to be expended for the general support of government.

Laws now before Congress aim to remedy the present inequitable situation in the American transportation industry.

In substance, they call merely for a square deal for the railroads.

And a square deal for the railroads means a square deal for the taxpayers, too.

SUNDAY SCHOOL LESSON

July 2, 1939.
Solomon—1 Kings 3:5-15.

Henry Geerlings

In countries where the son of a king succeeds him on the throne it often happens that the new king is a contrast with the old one. Sons do not always follow in the steps of their fathers, even in the matter of crown princes and kings. It was so in the early days of Israel. David had been a great king, devoting his time to the upbuilding of a strong nation. His royal position did not make him proud nor make him a slave to luxury. His son, Solomon, started with all the zeal of his father, but he was so rich and had so many successes that he later became proud and selfish. To keep the government going he laid excessive taxes, and lost his head over the luxuries with which he was surrounded.

Miss Mildred Erickson, daughter of Mr. and Mrs. Carl Erickson, 76 West 14th St., became the bride Saturday at 4 p. m. of Joe Calarec of Waukegan, Ill., in a charming ceremony conducted at the home of the bride's parents, the Rev. William Van't Hof, pastor of Third Reformed church, officiating. The bride wore white satin and lace with a fingertip veil. Miss Marjorie Olszewski and John Calarec attended the couple. About 50 guests attended the reception held at the Anchor Inn following the double ring ceremony. The couple will reside in Chicago upon their return from a wedding trip through northern Michigan. Mr. Eric Erickson and Mrs. John Erickson were saw in the situation a great challenge. His soul went out to meet the challenge.

God liked the young man. He saw in him fine possibilities. He came to him with the resources of heaven. It was at Gibeon at night that God appeared to him in a dream and tested him with a great privilege. He could have what he asked for. It was a test. Every great privilege is a test. The privilege of asking for things. It is a test of what one is. It is a test of what one values most. It is a test of the understanding of the necessities of life. It is a test of one's insight into things. God is constantly saying to us through Christ, "Ask what I shall give you." And what do we ask? We ask for things oftentimes that are unworthy of our best selves and yet we do not ask for that which most dominates our thinking and desires. Our prayers spring up out of the biggest interests of our life. We might almost say, "Tell me what your secret and most persistent prayers are and I will tell you what you are."

We note that this whole asking process of Solomon was a dream process, but that that made it any the less valuable. It just confirms the fact that our dominant desires come to the fore and are revelatory of us. The modern world professes to know a great deal about dreams and is using them as indices of the hidden secrets of the soul. But the modern world is making dreams carry a heavier freightage of service than they will stand. They seem to be breaking down under the load. However, dreams are very significant and this dream of Solomon brought his dominant desires to the very center of the stage. His chance to ask for things came to him in a dream and therefore he asked for those things that he had been previously thinking most about. Possibly he had never given them definite expression before, but the daily trend of his mind was in this direction. When the supreme moment came, when God challenged him with the privilege of asking, the biggest thing of his heart broke into definite expression. He asked for wisdom and knowledge. Certainly this was the result of no sudden impulse, this was not a brilliant flash of a rare moment of inspiration, but rather what Solomon asked for dated back in previous hours of thinking.

God was pleased with the request. It was most creditable to the young man. How profoundly he realized the bigness of the task before him and the necessity for more than human wisdom and power to meet the task!

What if every young politician and potential statesman today entering upon his career were to imitate Solomon and were to feel that the most necessary thing for him is the power not his own! What if statesmen felt the necessity of drawing upon the divine resources of wisdom and power, would there not be a different political history to write in our country? Too many of them think that the biggest necessity is to get votes and a political pull. Understanding hearts and the knowledge that is born from above are among the biggest assets rulers and lawmakers may have.

Allegan County's Oldest Woman is 102 years

Mrs. Rosanna Case is the oldest woman in Allegan County, being 102 years old last Memorial Day. Mrs. Case has been quite active during the past few years, despite her age. Her daughter, Addie, takes care of her at her home on Academy St. in Allegan city, and declares that her mother still enjoys an automobile ride and delights in sitting in her chair in the shade of her home. The daughter will be 80 years old in August. This photograph is through the courtesy of the Allegan and Kalamazoo Gazettes.

Wayfarer's Dole

Bread and a horn of ale, a medieval charity known as the Wayfarer's dole, are given freely to anyone who asks at the Hospital of St. Cross, Winchester, England. Tourists from America often stand in line with English tramps to be able to tell friends back home that they have shared in this quaint relic of the past.

ESCAPES INJURY IN CAR COLLISION

Chas. Sprague had a narrow escape from injury last Saturday, as he was returning home from work at Zeeland. He attempted to pass a semi-truck south of Holland and failed to see a car coming from the opposite direction. His car hit the truck and the impact caused the car to land in a ditch containing a considerable amount of water. The car was demolished, but Mr. Sprague escaped with a slight wetting.

SUNDAY DINNER Suggestions

By CORA ANTHONY
Director of A&P Kitchens

FOR the long holiday week-end a varied group of foods will be featured including young chickens, capons, smoked hams, legs of lamb, ribs of beef and, for a fortunate few, 1939 hatched and raised turkeys.

Melons of several kinds will be plentiful, most berries also, though the strawberry season is practically over. Apricots, peaches and plums are also abundant.

Potatoes, green peas and lima beans are among the best vegetable values. New cauliflower is delicious though not so pretty as is the winter grown. Eggs of the quality continue to be cheap, they are easy to prepare and well adapted to summer meals.

Low Cost Dinner
Roast Chuck of Beef, Browned Potatoes, Beets and Beet Greens, Bread and Butter, Peach Shortcake.

Medium Cost Dinner
Baked Ham, Scalloped Potatoes, Lima Beans, Cole Slaw, Bread and Butter, Jellied Fruits, Whipped Cream, Tea or Coffee.

Very Special Dinner
Melon, Roast Stuffed Young Chickens, Gravy, Boiled Rice, Broccoli, Pickled Peaches, Deviled Egg and Tomato Salad, Rolls and Butter, Sour Cherry Pie, Cheese, Coffee.

The regular issue of the Woman's Day, a monthly publication sponsored by the Atlantic & Pacific Tea Co., is now available and copies can be secured at 2c each at any Holland, Ottawa, or Allegan county A&P food stores. Ask for your copy.
