AGENCY AMERICAN LAUNDRY

Justice of the Peace D. C. Wachs  
and Charles N. Dickinson; Sheriff  
Andre and County Clerk Jacob  
Glerum met in the office of the  
county clerk and drew the jury for  
the August term of court. The  
following from Holland were drawn  
to serve: Micheal Bos, George B.  
Dalman, Henry Elferdink.

Mrs. A. M. Galentine returned  
home Sunday evening after a week's  
visit with her parent, at Greenville,  
Michigan.

## HORSE ADRIFT RESCUED

A horse which, it is surmised,  
backed off a steamer from Luding-  
ton, Pentwater or some other north-  
ern port while in mid-lake, enroute  
to Chicago was rescued by the crew  
of the White lake life-saving station  
at an early hour Saturday morning.  
The look-out at the station sighted  
the animal swimming. Captain Cur-  
ran immediately ordered a life-boat  
put out, which brought the horse in.  
It proved to be a handsome seven-  
year-old brown mare. The horse was  
almost exhausted by its long swim.  
Captain Curran had the animal rub-  
bed dry and fed, taking the best of  
care of it.

## WHEN VAN DREZER MADE MILK SHAKES

Twenty years ago the milk shake  
was a general favorite, and some  
dispensers did a good business in  
this drink alone. Its popularity wan-  
ed to some extent, and of late years  
it has not had the vogue that it once  
had. We must remember, however,  
that a thing may get so old as to be-  
come new again.

Another generation has begun  
drinking soda water since the milk  
shake was in its glory, and there is  
no reason why they should be denied  
all knowledge of this drink. A New  
York druggist sold the milk shake  
last season under the name of the  
"Fluffy Ruffles," and did a thriving  
business among the school girls of  
the smart set. He had a "smart"  
name and the drink was hailed as a  
smart drink.

The editor of this paper remem-  
bers well when Ed. Van Drezer made  
the finest milk shakes in the city,  
and Ed. had quite a run on them too.  
Even though this was twenty years  
ago nevertheless he could easily  
detect one of Van's "Fluffy Ruffles"  
or rather plain milk shakes as they  
were called.

## FORMER HOLLAND MAN MADE \$300,000

Christian Bertsch, brother of John  
Bertsch, formerly of the Cappon-  
Bertsch Leather Co., and Dan  
Bertsch living on the Park road, has  
retired from the Herold-Bertsch  
Shoe Co., and, says a Grand Rapids  
paper, cleared up in the neighbor-  
hood of \$300,000 while being active-  
ly in business in that city. Bertsch  
came to Holland to live in 1858, with  
the intention of laying the founda-  
tion in Cappon's tannery. Holland  
he has since achieved. Shortly after  
his arrival in Holland he started as  
an apprentice in the E. Herold Shoe  
Shop, then located two doors east of  
the present Post Office. For two  
years he worked on the bench but  
after that he was taken in as a part-  
ner. This partnership lasted only a  
few months when he accepted a pos-  
ition in Cappon's tannery. Holland  
did not seem to afford him the op-  
portunity he wanted and he deter-  
mined to go elsewhere. Just then  
the California gold craze was on  
when Mr. Bertsch also went in  
search for the yellow medal, return-  
ing empty handed as did many  
others. This was in 1864. Since that  
time he has cast his lot in the city  
of Grand Rapids and pulled out close  
to a half million.

To clear the room of flies use car-  
bolic acid, heating a shovel and pour-  
ing on it 20 drops of the poison. The  
vapor will kill the flies.

Sound asleep on a tombstone in  
Oak Hill cemetery at Grand Rapids,  
Frank Kearnes was arrested by  
Special Officer William Steed. He  
was arraigned in police court,  
charged with being a vagrant, and  
now sleeps in the county jail.

The city of Flint is expending  
\$400,000 for a water filtration plant  
and service mains to supply house-  
holds with pure water direct from  
the faucets. With a double system it  
wouldn't cost Holland that much  
and we would still have the best  
water on earth.

Commission men state that the  
present year was the largest for  
strawberries experienced in the last  
eight years. The quality of the ber-  
ries is excellent and the growers are  
getting good prices. The raspberries  
will yield a fair crop and the early  
apples are short. There will be a  
good sized crop of the later apples  
and other fruit will yield a short  
crop.

Supt. E. E. Fell returned this noon  
from a business and pleasure trip to  
Pickney and Ypsilanti.

## OUR TOWN BOOSTERS

Patriotism means something be-  
sides yelling for the flag; it also  
means working for the community.

There is no use reading the Decla-  
ration of Independence to the man  
who depends on Chicago for his  
goods.

We would be quick to defend this  
community in time of war. It is  
equally urgent that we be prompt to  
promote its welfare in time of  
peace.

The easiest money man acquires  
comes from the increasing value of  
his home. Therefore, the most im-  
portant work he does is helping the  
community to grow.

The value of each man's property  
is enhanced by the value of the prop-  
erty around it. It is not enough to  
make a good town.

build a good house; we must help to  
The seed from which springs this  
community's prosperity is the  
money that is invested here at  
home. It will never bear fruit for us  
if it is planted somewhere else.

## HOLLAND HAS NO HONEST FLAG

The new national flag, bearing 48  
stars, emblematic of all the states  
including the recently admitted Ari-  
zona and New Mexico, was hung  
from all federal structures in the  
country and from the American  
navy throughout the world on the  
fourth.

Thirteen stars only will be per-  
mitted in the blue square of the  
flags that are less than five feet  
wide, to avoid overcrowding. The  
red field on the president's flag was  
changed to blue today, but because  
of the president's absence, only the  
regular flag fluttered above the  
White House.

Not a real honest United States  
flag moved in Holland on the fourth  
as the flags contained only 46 stars  
instead of 48.

## ARCTIC LOON CAPTURED ALIVE BY LUDINGTON MAN, PRIZE FIND

A beautiful living specimen of the  
loon, a bird rarely seen in this vicin-  
ity and rapidly becoming extinct, is  
now in possession of Peter Paasch,  
of Ludington, caught in some fish  
nets in Lake Michigan while trying  
to steal the fish. Its feet and neck  
had become entangled in the nets in  
a manner that made it impossible  
for the bird to extricate itself.

The loon is an Arctic swimming  
and diving bird, which spends a few  
months of the year in the waters a-  
long the northern edge of the United  
States. It is rarely seen in this vicin-  
ity. Occasionally one is shot, but the  
living bird in captivity is a great  
rarity.

The one caught at Ludington is of  
unusual beauty. It measures fully  
two and a half from head to foot.  
Its plumage is glossy, coal black  
stripes alternating with the purest  
white in the back. The breast is  
snow white, the head black, and a  
striped collar of black and white en-  
circling the neck. The bill, fully  
three inches in length, is hard and  
strong as steel. In anger it struck  
at a board with its bill and made a  
hole nearly half an inch deep in the  
plank.

A few years ago the loon hat was  
the rage in millinery, and so popular  
did it become that hundreds of  
hunters spent their time in the profit-  
able occupation of hunting loons.  
Thousands were killed in a short  
time and it became necessary for  
the legislatures of several states to  
pass laws prohibiting the shooting  
of the birds.

Arrangements have been made for  
the fifth annual mission feast of the  
Reformed churches in western Mich-  
igan, to be held in Brown's picnic  
grove at Jamestown Thursday, July  
25. Special cars will be run on the  
Holland Interurban during the day.  
Rev. Dr. E. J. Blekkink of this city  
will be president of the day. The  
speakers include Rev. Samuel M.  
Zwemer and D. Dykstra, both of the  
Arabian mission; Rev. G. Water-  
muller, of the Winnebago Indian  
mission in Nebraska; Rev. S. F.  
Riepma of Grand Rapids and Rev.  
Henry J. Veldman of Holland. Mus-  
ic will be furnished by the male  
chorus of Zeeland, under the direc-  
tion of C. J. Den Herder.

The store of B. Steketeer will re-  
main open six days out of a week.

## RECORD TAKES TRIBUNE TO TASK

The report in the Grand Haven  
Tribune last week to the effect that  
there is a movement in Ottawa coun-  
ty toward persuading Chase S. Os-  
born to enter the race for Republi-  
can senatorial toga, now held by  
Wm. Alden Smith, which he states  
started in Grand Haven, we are  
afraid, will end there, if there ever  
was such a movement except in the  
imagination cap of the Tribune edi-  
tor. When the people of Ottawa  
county, especially the farming com-  
munity, as he says, get ready to  
make such a swap as that kindly  
call up the Record, southeastern Ot-  
tawa wants to know. Don't be al-  
together too radically progressive,  
brother, it's well to leave well en-  
ough alone. Too much of a good  
thing makes it a bad thing. The  
people have stood by Wm. Alden all  
these years and have had no chance  
to regret it.—Zeeland Record.

The News might add: Has brother  
Nicholas forgotten what Senator  
Smith has accomplished for Grand  
Haven in the maintenance of its  
fine harbor, in the erection of beau-  
tiful government buildings in the ap-  
pointment of its citizens to respon-  
sible and remunerative position, let-  
ting alone what other good qualities  
as a public official the Senator may  
possess. Holland hasn't forgotten  
its new breakwater and the possi-  
bilities of a good harbor at a cost  
of nearly one million dollars. Who  
accomplished this? Bill Smith alone,  
when men like Ford, Richardson,  
Belknap before him, and our present  
Cong. Sweet after him, gave us  
nothing. Aside from that Gov. Os-  
born will have too much good horse-  
sense than to run at this time.

No doubt the Tribune folks in  
their heart accord the Senator a  
second term, the sentiment they  
speak of for another candidate being  
only a "bugy man."

We can assure the Tribune that  
such a sentiment does not prevail  
in any other part of the county.  
Judging from the way petitions are  
being signed. While petitions  
from other candidates are lacking  
in signature and are taking weeks  
to fill, the Smith petitions are re-  
turned within a few days filled with  
a request for more blanks. More  
than 1500 names have already been  
voluntarily signed to these petitions  
in Ottawa alone which is a fifth of  
the number required by him in the  
whole state, and is a fourth of the  
total vote cast in Ottawa county.  
This same condition seems to pre-  
vail in most of the other counties.  
The senator receiving more than  
100,000 signatures in the state.

## Holland's Half-Half Holiday

Holland's half holiday, which be-  
gins this afternoon, proves to be but  
half of a half holiday.

Instead of all stores closing only  
those that wish to do so will close.

The furniture stores, some of the  
groceries, some of the meat markets,  
shoe stores, coal dealers, feed stores,  
flour mills, some of music stores,  
clothing stores, electrical stores and  
cigar stores will observe the half  
holiday.

The Hardware stores, cloak stores,  
drug stores, Bosmans Tailor Shop,  
Dry Goods stores, some meat mar-  
kets, some of the groceries, book  
stores and the 5 and 10 cent stores  
will not close.

## George Hummer for Senator

It is rumored that George Hum-  
mer will run for United States Sena-  
tor on the Democratic ticket.

## Wants Sheriff to Pay Back Money

The Board of Supervisors at a  
meeting yesterday appointed a com-  
mittee to take legal steps to try and  
get back all the money over paid  
Sheriff Andre by the county.

Considerable money, it is alleged,  
was paid according to evidence given  
in the grand jury trials.

Mrs. Mary Whitman, cook at  
Bradford's restaurant, was quite  
badly injured the other evening  
when the gas stove exploded. The  
turned on the gas sometime before  
lighting the match, thereby filling  
the oven full of gas, causing an ex-  
plosion when the match was lighted.

## WEST OLIVE

The Fourth of July celebration here was one of the best in spite of the fact that the West Olive band was conspicuous by its absence. The wheelbarrow race was won by John Veland, the running race by Jean Pick, the sack race by G. W. Marble and the jumping contest was won by Gus Schreiber who jumped ten feet. In the afternoon a ball game was played in which the Ottawas defeated the Sand Burrs by a score of 3 to 2. Horse racing followed, John Geland winning the running race and Cliff Blinn the trotting race. Dancing and fireworks concluded the program. Music was furnished by Joe Peck, Wm. Barlow and Frank Swift.

G. H. Tuttle of Zion City, Ill., was in the village this week on business.

Among the Grand Rapids visitors here on the Fourth were Mr. and Mrs. Higgins, Mrs. A. Boyer, Sr., Frank Mayo, Mr. and Mrs. Rex Reese, Frank Peck, Mrs. Ada Warner and W. J. Babcock. Al Hidding of Holland helped celebrate the Fourth by attending the ball game. We now understand that he is also in the political game for sheriff.

John Robert, Jr., and Chas. Babcock were called to Montague, Friday to help repair a portion of the railroad which was washed out by the recent rain.

Mr. and Mrs. Art Drinkwater of Holland spent the Fourth with relatives.

Your correspondent wishes to say for himself that the population of West Olive has not grown as rapidly as Chicago since the village was platted in 1871. Perhaps if the time ever comes when Pigeon river is dredged deep enough to admit steamboats, and good roads, electric cars, and airships are an every day occurrence then a city will result. As near as the writer has been able to figure out this good old time will come when Grand Rapids, Holland and Grand Haven will be one large city on Lake Michigan.

Thursday afternoon between three and 4 o'clock the general store of John Ridder at Olive Center was completely destroyed by fire. The building was burned to the ground and only the books and cash register were saved.

The fire started from firecrackers that small boys exploded near the store in a post-Fourth celebration. There is practically no fire protection in Olive Center and it was only a short time after the fire was discovered before it had gained such a headway that nothing could be done to stop it.

Dr. J. M. Vander Ven was occupying the second floor of the building as a home and he barely escaped alive. Having been away on a call during part of the night he was taking a nap in the afternoon and he did not wake up until the fire had gained considerable headway. Unable to rescue anything of his household goods he escaped from the building before it collapsed. Dr. Vander Ven has recently moved from Coopersville to Olive Center and since he had not had time to re-insure his furniture it is a total loss.

The entire loss of the building and stock is estimated at \$5,000.

Mr. and Mrs. Arthur Drinkwater spent the Fourth with relatives in West Olive.

Mrs. L. M. Thurber was in West Olive Thursday.

## JAMESTOWN

Word has been received from the master of the Pomona grange that the State Fair association prize was awarded to Abraham Rynbrandt of Jamestown Ottawa county, a member of the eighth grade. Rynbrandt took the eighth grade examination May 16-17, and also the agriculture examination, in which he carried the highest points and was awarded this prize. The boy is privileged to go to the Detroit state fair for one week free, and have all his expenses paid and spending money in his pocket.

The annual missionary festival of the Reformed churches will be held July 25, Thursday, at Jamestown grove. Final arrangements were made at a committee meeting held recently. The list of speakers include Rev. Samuel Zwemer of Arabia an authority on Mohammedanism, Rev. G. Watermuller of the Winnebago mission, Nebraska; Rev. S. F. Riepma of Grand Rapids and Rev. H. J. Veldman of Holland.

The Second Reformed church of Jamestown has purchased a pipe organ. The organ will be installed during August.

## EAST SUGATUCK

Miss Mary Lubbers will reside during the summer and perhaps permanently in East Saugatuck. She went there because the work in her father's store has become so heavy that her brothers are unable to take care of it and their other work. Miss Lubbers is a young woman of usefulness as well as one of fine character and she has made many friends in Allegan who disliked to have her leave. They gathered in her home one evening last week and passed a few hours with her. They presented her with a pretty spoon as a testimonial of their respect and friendship. Miss Lubbers' place in the office of the register of deeds, at Allegan where she has been singularly efficient, is being taken by Miss Lou Butler.

## DRENTHÉ

While he was exploding a torpedo bomb the left arm of Herman A. Niers of Drenthe was lacerated as well as both hands. He is in a serious condition. Dr. H. A. Rigterink of this city was called.

## CRISP

Steve Oudemolen and Tony Niesink were in Crisp and other neighboring towns July third, buying up wool from the farmers there.

## BEAVERDAM

Mrs. Bowen and daughter, Muriel of Grand Rapids are spending the week visiting Mr. and Mrs. O. A. Byrnes, Maple street.

At a Congregational meeting at the Beaverdam Reformed church a call was extended to the Rev. Mr. Strabbing of Sheboygan, Wis.

## OAKLEY

The Christian Reformed church at Oakland, have extended a call to Candidate Walter Heeres of Muskegon.

## BORCULO

## MARRIAGE LICENSES

Ernest Bughart and Emma Joyce of Wayland; Jacob Eding of Hamilton and Helen Zeerip of Holland; Jacob Visscher of Overisel and Anna Pietz of Easton, Pa.

## GAAFSCHAP

A family reunion took place at the home of Mrs. L. Holtgeerts at Graafschap. The day was spent in ball games and other sports. The ladies in the company spread a long table under the apple trees and there all partook heartily of the feast that had been prepared. The following were present: Mr. and Mrs. Albert Wolbert Graafschap; Mr. and Mrs. Louis Holtgeerts and family, Holland; Mr. and Mrs. Bert Holtgeerts and family, of Holland; Mr. and Mrs. John Dykstra of Grand Rapids; Mr. and Mrs. Mart Bowman and family of Allendale; Mr. and Mrs. Arthur Vos and family of Allendale.

## SKIN SORES

Easily and Quickly Healed

Those who suffer from Eczema, pimples or other skin eruptions know its misery. There is no need of suffering. You can easily get rid of it by a simple and inexpensive preparation known as the Five-Drop Salve. It is a carefully compounded ointment that for fifteen years has proven its value as a soothing, healing remedy for eczema, pimples, running sores, burns, scalds, salt rheum, ringworm, piles and acne. A single application will usually give immediate relief. The burning, irritating inflammation quickly subsides and the sores dry and disappear.  
The Five-Drop Salve is now put up in 25 and 50 cent packages and sold by nearly all druggists. If it is not obtainable in your locality you can order direct from Swanson & Co., 110 Lake St., Chicago, Ill., and it will be sent post-paid upon receipt of price. It is an excellent remedy for cracked skin and scalp humors.

## AMENDMENT BY LAST LEGISLATURE REQUIRES ELECTION OF COMMISSIONERS EVERY TWO YEARS

During the past few weeks the attorney general's department has had numerous queries from drain commissioners in various counties of the state relative to the new law that requires that they be re-elected every two years.

This change was made at the session of 1911, because of the fact that the old statute required the term of office to be four years, and contained another provision that the election be held biennially.

Owing to the fact that the office of county drain commissioner is not a constitutional office, the legislature has authority to change it as it may deem necessary. Constitutional offices cannot be changed unless the constitution is amended. Many of the county drain commissioners elected two years ago were of the opinion that they were secure in their positions for at least four years and many of them were surprised to learn that it is necessary to go thru another campaign again this fall.

## OVERSIGHT OF DISTRICT COMMISSIONERS

Hon. and Mrs. A. N. Shook of Cral, Michigan and Hon. and Mrs. J. Clyde Watt of Saranac, Mich., were Fourth of July guests of Mr. and Mrs. N. J. Whelan. They came here in Mr. Shook's automobile and on the Fourth the entire party went to South Haven and Saugatuck. At Saugatuck an excursion was taken on Lake Michigan. The visiting delegation were very favorably impressed with the industrial situation of Holland and with the magnitude of the resort business in this vicinity.

## COOK BROS. ARE NOW LOCATED IN JOHN DYKSTRA STORE.

Cook Bros. Friday moved from 37 East Eighth street where they have been located for a number of years to 44 East Eighth street, the building formerly occupied by the John Dykstra store. The store has been redecorated and new shelving has been put in and it has been improved in a number of other ways. The stock of the Dykstra store has been moved into the basement of the building and will be gradually closed out. Mr. Dykstra will continue in the undertaking business and in the business of renting chairs, tables, dishes, etc.

## FIVE HUNDRED AND NINETY-NINE WENT TO THE POLLS MONDAY

The largest number of votes ever cast in a regular school election was cast Monday when five hundred and ninety-nine voted for school trustees. The following were elected:

## FULL TERM

Isaac Marsilje..... 344  
James A. Brouwer..... 332  
John C. Dyke..... 265

## TO FILL VACANCY

Charles Knoohuizen..... 327  
Dr. Leenhouts..... 278

The vote on several of the candidates was a very close one and several counts had to be taken. The election of officers worked until 11 o'clock to determine all the winners. Mr. Marsilje and Mr. Brouwer had large enough votes to make a recount unnecessary. But Fred Beuwerkes and John C. Dyke ran so close that four or five counts were necessary to show who was the winner. There was a difference of only two or three ballots between them and sometimes one seemed to have the advantage while at other times the other seemed to be ahead. The task of the officials was made harder because of the fact that a number of the voters did not seem to know how to mark a ballot. One man had put crosses in front of all the names on the ballot. Others had voted for four men for the full term; still others had made other blunders. All of these ballots of course had to be thrown out. The ballot was so simple that a child could have understood it and it seems inconceivable that any one could go wrong on it. After the fourth or fifth count Dyke was found to have 265, and Beuwerkes 261.

On the first count on the trustees to fill vacancies it appeared that W. H. Vanderhart and Dr. A. Leenhouts had won. Vanderhart on the first count had one more vote than Henry Brusse. On this vote Mr. Knoohuizen was credited with only 326 votes. The officials then proceeded to decide between Vanderhart and Brusse since one of these two seemed a sure winner. But while engaged in this they discovered that they had made a mistake of a hundred votes in the case of Mr. Knoohuizen. This made Mr. Knoohuizen an easy winner and made the recount on Mr. Brusse and Vanderhart unnecessary.

Sixty-seven of the 599 votes were cast by women. Although this was not as large a number as some had expected it was about the same proportion to the men as in the special school election a few weeks ago.

## PLAN IS TO ALLOW SEVEN HOURS A DAY FOR THE SPRINKLING.

The day and night gangs employed by the Board of Public Works are now busily engaged on the job of securing an adequate water supply for the city of Holland. All night long in the vicinity of the new well the pounding can be heard as the "points" are being driven down and the work is progressing fast. In fact the new system proves to be very satisfactory and although the water supply is not yet as adequate as would be desirable the situation is getting better and it is expected that the street sprinklers can be kept going all summer and that there will be enough water for lawns and domestic use.

It is possible that the sprinkling hours will be limited during the months of July and August. The plan is to give the people so many hours a day however that there will be no excuse for letting the lawns

suffer. It is possible that a period of three hours in the morning, from evening will be designated as the five to eight, and four hours in the

#### YOUNG MAN GETS INTO TROUBLE FOR CELEBRATING TOO NOISILY.

One young man in Holland evidently had not been reading the newspapers and he did not seem to know that the 4th was to be a sane 4th in Holland. Or if he knew about it he decided to take a chance and have some fun on his own hook. He is about 24 years old and evidently decided that the small firecrackers were entirely too tame for him. So he got himself a huge cannoncracker and produced some ear-splitting noise.

But the officers were on the job the 4th and hardly had the reverberations of the report died away when the celebrator of the glorious Fourth in the old-fashioned way was told that he had transgressed a state law and that he would have to answer for it to the people of the state of Michigan. He will be arraigned soon and it is possible that the dealer who sold the cannon cracker may find himself in trouble as well as the young man who did the celebrating.

#### ROBBERS SECURE CHANGE AND MERCHANDISE FROM THE BENDER STAND.

On the evening of the third of July a robber broke into the stand of George Bender at the Graham & Morton dock. He secured \$1.50 in change a box of cigars, some oranges, bananas, soft drinks. The robber gained an entrance by taking out the pane of glass from the rear window. Mr. Bender went from his store to Waukazoo at 12 o'clock and returned about 1 o'clock, and it is supposed that the job was pulled off during that time. It is supposed that the robber was scared away by something before completing his job.

The same night the boat house of Walter De Weerd and John Arendschorst was broken into. There were two cill skins, a pair of hip boots and a pair of short boots and a few other articles were taken. No clue to the identity of the robber has been found although there are indications that the job was done by home talent.

A hobo coming from Allegan county was arraigned in justice court this morning on a charge of being drunk. He pleaded guilty to the charge and was given two hours to get out of the city.

#### DEPUTY SHERIFF GOES TO ALLEGAN TO APPEAR IN COURT

Bullets of Officers Results Fatally At Seven O'clock in the Evening.

This forenoon Deputy Sheriff John Kleis of this city who Friday afternoon shot and killed Ted McCarthy, at Douglas was arraigned before Justice Cook at Allegan. McCarthy died at Douglas Friday p. m. about 7 o'clock. A coroner's jury will make a thorough investigation of the body before it is buried. According to reports from Douglas McCarthy was shot once in the leg and twice in the lower part of the body.

Mr. Kleis was accompanied by C. Ver Schure, W. W. Hanchett, and his father Saturday a. m., when he went to Allegan, as well as by Attorney C. C. Coburn of Grand Haven. Mr. Ver Schure, Mr. Hanchett and Mr. Kleis' father signed bonds to the amount of \$2,000 and Kleis will be given an examination in Justice Cook's court in Allegan July 24. The formal charge of manslaughter was lodged against the Holland man by Deputy Mac Short of Allegan. Kleis voluntarily complied with all the legal steps that were taken and no attempt was made to lock him up.

Immediately when the news reached Holland Friday night friends of the deputy sheriff hastened to Douglas in an automobile to furnish bail for the officer in case it should prove necessary. When they arrived there however, Mr. Kleis had left for Holland and he spent the night at his home. Saturday morning he went to Allegan to appear in court there.

Various versions of the story of the shooting have been floating about town since Friday evening when the story of the affair appeared in the Sentinel soon after it happened. It is claimed by some who were eye witnesses of the deed that Mr. Kleis went to Douglas Friday afternoon armed with a warrant for McCarthy on the charge of being drunk and disorderly. McCarthy had promised to appear in justice court in Holland on this charge yesterday morning at 10 o'clock. When he met McCarthy there he read the warrant to him and then handed it to McCarthy so that he could read it for himself. After this the two started for Saugatuck peacefully and apparently Kleis did not anticipate any trouble of any

kind. On the way however McCarthy is said to have made objections to walking to Saugatuck and to have suggested going in an automobile. Then, he is said to have asked the officer what would happen if he should refuse to go. Mr. Kleis is declared to have said that of course he would not refuse to go along peacefully, but when it appeared that his prisoner would not go with him Kleis seems to have hauled out his handcuffs. Thereupon McCarthy seems to have hit the officer twice in the face and Mr. Kleis bears the marks of these blows.

Immediately after that, according to the story McCarthy took to his heels and paid no attention to Kleis' call that he should halt. The officer after chasing McCarthy for three blocks then shot two bullets into the dust behind McCarthy to scare him and make him come to a stop but it seems that he paid no attention to this. Then he is said to have shot him in the leg and the other two bullets seem to have been the ones that resulted fatally for the prisoner.

McCarthy was well known to the officers of Ottawa and Allegan counties. On the second of July he had been released from the Ottawa county jail where he had been lodged since June 17 on a charge of drunkenness. It seems that he immediately became drunk again after his release. Recently he also served a 25 day term in the Allegan county jail. He has been working on the farms near Saugatuck.

The police department in Holland received a telephone message from the county officers at Grand Haven Tuesday to the effect that it is thought that Ted McCarthy who was shot and killed by Deputy Sheriff John Kleis Friday afternoon at Douglas was wanted in another part of the state on a murder charge. According to the telephone message it appears that a man who was well acquainted with McCarthy had been locked up in the Ottawa county jail sometime ago and was responsible for the story about McCarthy. He is said to have said to have claimed that McCarthy had been doing time in some other section of the state and that he had killed a guard. The man responsible for the story is supposed to be in Muskegon and

this afternoon Mr. Kleis went to Grand Haven to investigate the story. If the story should prove to be correct it would explain why McCarthy should have taken such desperate chances to get away from the officer and why he should have declared that he would never be arrested again.

#### SUGAR COMPANY WILL PAY THAT MUCH FOR DESIGN OF MACHINE

Inventor of Satisfactory Puller and Topper Could Make A Fortune Out of It.

Here is a chance for some inventive genius to win a ten thousand dollar prize and on top of that make a fortune out of the patent of his invention. The Holland-St. Louis Sugar company is in receipt of a circular from the Great Western Sugar Co. which comprises eleven factories in Colorado, Nebraska and Montana, offering a prize of ten thousand dollars for the design of a satisfactory beet puller and topper.

The offer is open to anyone who wishes to try his hand at it. The time limit is March, 1915, and there are numerous conditions that can be learned by writing to the company at their general offices at Denver Colorado.

The problem of a satisfactory beet puller and topper has worried those who are engaged in the beet industries for many years. Various attempts have been made to solve the problem and even in Holland machines have been invented at various times that were designed to meet the need. But so far no machine has been invented that is satisfactory in every way. If such a machine could be invented it would greatly simplify the growing of beets as all know who have ever worked in the beet fields. It would greatly lessen the labor and the inventor of such a machine could be absolutely sure of a great demand for them.

The puller and topper must conform to the following specifications:

1. The motive power required for different soil and weather conditions must not be excessive, that is, not to exceed four horses per beet row if animal power is used.
2. The device must pull and top all the beets and separate beets and tops and leave beets and tops con-

venient to load. It is especially understood that the work may be done by two machines of which one does the topping, the other the pulling, or vice versa although a combined machine is preferred. The pulling and topping must be done in a satisfactory manner.

3. The steering and turning of the machine or machines must be easy and practical. The Beet Puller and Topper must be adjustable for rows from 16 to 20 inches apart.

4. The operation must be such that damage to the beets or tops will be avoided as much as possible.

5. The machines must fulfill the above conditions regardless of the size of either beets or foliage, and be practical in the varying types of beet lands.

6. The machines must be durable and reasonably simple, and the different part easily replaced.

7. The selling price of the machine or machines to the public by the local dealer, whether combined or otherwise, shall not exceed \$300 if the motive power is animal power, and shall not exceed \$500 if self-propelled.

8. The Committee of Judges shall have the right to alter, modify, or set aside the above specifications, in their discretion.

#### Well Drivers at Allegan Are Very Optimistic.

While the men drilling the well for the Northern Oil and Gas Co., have been forced into idleness of late by lack of pipe they have been encouraged again this week. They were permitted to examine the log of one of the wells driven here years ago. This record is in possession of Mrs. I. P. Griswold. They found it like those wells in Indiana and Ohio which pay well in oil—the same stratum of rock and about the same amount, though it lies much deeper here than there. The operators are confident that they will find paying quality and quantity of oil.—Allegan Gazette.

The resort season at Macatawa and Ottawa Beach and at the other Black lake resorts this year threatens to be a disappointment to many of the cottage owners. It looks as though the season will be an exceptionally quiet one in the cottage

renting line and those who are keeping in touch with resort business think that prospects will not get much better as the summer advances.

In fact, this is the time when practically all the cottages should have been taken. Formerly the month of July was the most active in the resort business but this year cottages are going slowly. There are eleven vacant cottages on the lake front at Macatawa south of the bath house and they are among the best cottages at the park. Many other cottages at Macatawa are still without tenants and many will doubtless remain so during the summer.

When the reason for this condition of things was enquired into one Holland man said this morning that he thought the automobile was to blame for it.

"The reason I think so" said he, "is that it is only the cottage resort who does not come. All the hotels at the resort are doing a good business and the transients are numerous. I have it figured out that many people who formerly were in the habit of taking a cottage at the resorts for the season do not do so now because of their automobile. They would rather not be tied down to one place. For that reason they motor from one resort to another and stay at each place a few days. There is a good deal of the nomad in most people and they like the idea of visiting a number of places during a summer instead of staying at one resort. Many of these people patronize the hotels and hence those places do not suffer like the cottage owners do. It is possible that conditions may change for the better, but just at present people who want to rent cottages are few."

## Where Credit is Due

A good deal of sympathy must be felt for Senator La Follette and his immediate followers, the later days of the Chicago convention, and since taken into account that La Follette has been fighting the progressive battle for a long time and has fought it faithfully, efficiently and consistently. Whatever anybody may think about him, or his ideas, the fact remains that more credit in the progressive cause belongs to him than to any other one man. He fought his battles when it took not only courage but originality. He nearly wore himself out making speeches explaining and advocating the cause. It often happens that men reap where others sow, Roosevelt put himself in the center of the stage and did the spectacular, which ought not to be permitted to detract from any credit which really belongs to Senator La Follette.

This year's Fourth of July was quieter than last year's third.

Colonel Henry Waterson, more in sorrow than in anger, announces the fact that he would support the devil if he were the Democratic nominee. We expect something new from Henry, all Democrats are that way.

## PLEASING PROSPECTS

Michigan Tradesman. After more than a week of strenuous effort the Democrats have nominated Governor Woodrow Wilson as their candidate for the presidency. This must be regarded as a good nomination, probably the best that the Democracy could make. Governor Wilson is what is known as a Progressive. Judging from his record as Governor of New Jersey he seems to be a Progressive of a sane type and not of the smasher order. If elected, it is very likely the Government will be safe in his hands, but when the possibilities of his election are considered, it is somewhat difficult to figure out where he will go for his cabinet advisors. The Democracy has been out of power and office for a long time and so persistent have been those who have held the leader

ship in chasing after strange gods that little is left in the party of the good old-fashioned followers of the Jacksonian faith. But figuring on cabinets at this stage of the game is distinctly premature. President Taft has to be reckoned with and Colonel Roosevelt may have a few words to say before the time for cabinet making comes and one or the other of them may relieve the country of any anxiety as to what Governor Wilson may do.

Now that the Democrats have named their candidate, we have only to hear from Roosevelt and the quadrennial country saving performance will be on. So far as Wilson and Taft are concerned the campaign ought to be mild mannered and decent. Even though he be a Progressive, Wilson has never shown himself the irreconcilable foe of sound business and general prosperity. Taft is classed as a conservative, but it would not be difficult to prove by the records of his administration that he is progressive enough to make trouble for certain classes and interests. It is certain that the issue between Taft and Wilson will not be so sharply drawn that the country will be thrown into any great excitement of turmoil. In 1896 and again in 1900 we had the financial issue to disturb and demoralize, and then we had finances and the tariff and there was more disturbance. This year there seems to be no sharply drawn dividing line and this will make it lots easier for those of us who prefer to earn an honest living in the usual ways of commerce or industry. The campaign will last four months, and from present prospects there seems little reason for worry as to the ultimate outcome. When the campaigning gets fairly under way there ought to be enough doing to keep us interested, but there is nothing in the immediate prospect to warrant taking a vacation from the ordinary vocations of life. It may be different, of course, should Roosevelt get into the game, but it is doubtful if even Roosevelt could make many good citizens of this country forget the important duty of earning an honest living. The country is to be congratulated upon the pleasing prospect of a quiet campaign season and with little disturbance to business.

## JOHN VANDEN BOSCH DIES SUD- DENLY THIS FORENOON.

While sawing a board in his back yard, 168 West 16th street Friday morning John Vanden Bosch suddenly suffered a stroke of apoplexy and dropped down before a physician could arrive. A doctor was called immediately by members of the family but when he arrived life was extinct.

Vanden Bosch was 80 years old and was still remarkably active for his age. He was in the habit of doing little odd jobs about the house, and found pleasure in his work.

Deceased came to this country about 40 years ago. He was born in the Netherlands and lived there until middle age when he came here and took up his residence on a farm. Later he worked in the Plugger mill here and still later in a mill in Zeeland. He was well known both in Holland and Zeeland. Deceased is survived by a wife and one son.

## THE SQUIRREL A TREE PLANTER

The squirrels of the United States rank as nature's most important chestnut, hickory and walnut tree planters. Contrary to common belief they do not lay up their winter store of nuts in a mass; instead, each nut is buried separately, and since they never need one-tenth of the provender they store, what they do not consume germinates, and in this manner we get the uniform nut-tree forests, which would otherwise grow in clusters under the parents tree where nuts fall.

## POLITICAL NOTES

George P. Hummer of Grand Rapids is more than likely to make the race for the Democratic nomination for governor now that Wilson is nominated. He said at Baltimore he would like to make the race if Bryan were the nominee, but he is equally favorable to Wilson and worked hard for the New Jersey man in the Michigan delegation. It is quite likely he may be in the race, although he has not yet returned from Baltimore to give his decision. Woodbridge N. Ferris, who made a great run against Warner, would also rather like to get into the game again, but there is some opposition to him in the Democratic party on the ground that he is more Socialist than Democrat.

Nomination petitions favoring Hon. Wm. Alden Smith for United States Senator have been circulated in several townships and precincts in the county during the past few days and have been largely signed, several asking for additional petitions and reporting that every Republican asking signed most cheerfully. If there is any opposition in the county to the nomination of Sen. Smith it has not as yet been made manifest.—Owosso Times.

There was a bolt from the republican party in 1864, and some very earnest and eloquent men took part in it; they said that Abraham Lincoln was no president for radicals to vote for, being an unprogressive person who made the constitution his fetish, was insensible to human rights, meant well enough perhaps in a feeble way, but was useless to the people. The national ticket of those bolters of 1864 did not last until election day; it and they were lost in the shuffle. There was another and much more formidable bolt from the republican party in 1872; the men who led off in it were not Pinchots, Flinns and Heney's, but men of the political distinction of Greeley, Sumner, Trumbull and Schurtz. For a time that bolt made many republicans nervous—good old Henry Wilson of Massachusetts among them. Everybody knows how it came out.—Courant, Hartford, Conn.

A. E. Bonner of Coopersville, the bloodhound candidate for the Republican nomination for sheriff of Ottawa county was in the city last Friday on political business. Mr. Bonner made the trip to this city in his Ford car and he stated that he wanted to stop a rumor which is being circulated in some parts of the county to the effect that he had dropped out of the race. Mr. Bonner states with emphasis that he is not out of the race and will not be until the last vote is counted. He states that he cannot be frightened out nor bought out and that he is now covering the county from end to end and seeing the majority of the voters personally.

## USE A SHEEP SHEARS

All millers are urging the Ottawa county farmers to take advantage of the present opportunity to rid their wheat field of the growing rye, which, if allowed to ripen and mingle with the wheat grains will make the crop almost worthless for flour making. The rye now stands several inches above the wheat, and with the aid of a pair of sheep shears or two it is an easy matter to go over the field and clip off the rye. This plan is being generally followed in southern Michigan with good suc-

cess under the advice of millers and shippers. Owing to the manner in which rye darkens the flour it is growing more and more difficult to sell wheat containing any quantity of rye.

## CAN'T FREEZE OUT SCALE

Prof. F. C. Newcombe of the University of Michigan sends out a note of warning to those who have been crediting the cold winter with killing the San Jose scale.

"Such people," said he, "will be sadly disappointed, for the first brood of this pest is now hatched and crawling the plant twigs to fasten themselves upon the new growth. Spray right away for this pest, spray this week if possible.

"The young are killed easily; the old cannot be killed by any means we know of. I have trees that were well sprayed last April by the strongest petroleum emulsion; the young of the scale are now active on the same trees."

Carpenters are at work tearing down the barns of the Central Ave. Christian Reformed church. A new barn 50x60 feet and having 36 stalls connected with sewer will be erected in its stead and a large addition will be built on to the consistory rooms.

## Rain-Proof, Wind-Tight

There's genuine satisfaction in living under a roof of Reynolds Asphalt Shingles. In the first place it costs but moderately to buy and lay them. Secondly, they make a very fine-looking roof. And thirdly, once laid, they're on "for keeps."

## Reynolds Flexible Asphalt Slate Shingles

are rain-proof and wind-tight. The storms and frosts of a score of years will have little appreciable effect on them, because they are granite-surfaced and sufficiently elastic to resist thawing and freezing. These are the shingles for economical builders to buy. Have had a ten-year test—no painting or repairs are ever necessary. Reynolds Asphalt Shingles are fire resisting and do not color rain water. 8x12 1/2 inches and lay 4 inches to the weather. Beware of imitations. We also make high grade granite surfaced roofing in rolls.

## SOCIETY

A very pretty wedding occurred at the home of Mr. and Mrs. McClellan at 169 East Fifth St., when their daughter Miss Maud was united in marriage to Henry TeRoller of this city. Many relatives and friends witnessed the ceremony which was performed by the Rev. P. E. Whitman. Miss Clara McClellan played the wedding march. A solo was rendered by Miss Florence Taylor. The bride was prettily gowned in white voile and carried a bouquet of roses and swainsonia she was attended by her sister Miss Laura McClellan while Lloyd Kanter was best man.

The newly wedded couple took the evening train for Ludington where Mr. TeRoller is catcher for the Ludington baseball team. After September 10th they will be at home to their friends in Holland.

## SMOKE THIS IN YOUR PIPE

A cheap pipe is a poor varnish that soon rubs off.

The stranger may not deceive you, your neighbor can't.

When you won't pay for wool you must expect to get shoddy.

There is no one in the world who sells wool at a cotton price.

You don't buy land by the description—you look at the land.

Apparently a profit is not without honor save in its own country.

A paper umbrella is cheaper than one of silk, but sometimes it rains.

It is hard to make a house seem like home with mail order furniture.

It isn't the price you pay but the goods you get that counts in the long run.

When you are sure you are penny wise, make sure you are not pound foolish.

Funny how the people in Chicago keep right on buying from their retail stores.

The man now looks over the goods first doesn't have to overlook the defects afterward.

When a merchant makes a cheap price remember he has to have cheap goods to meet it.

You wouldn't go slow about buying a horse whose owner's chief argument is that it is cheap.

You can not cut very deep into the ordinary price of an article with out punching a hole in the quality.

The trading that makes the least trouble and assures the most satisfaction is the trading that is done face to face.

If the mail order goods are not right you can ship them back. If the merchant's goods are not right you don't have to buy them to find it out.

The devil-fish discharges an inky fluid that so discolors the water it escapes detection. The mail order octopus discharges vast quantities of ink that obscures the quality of its goods.

Some people seem to think that the home merchant is trying to fool them into buying high-priced goods. As a matter of fact, the mail order house is trying to fool them into buying low grade ones.

## QUEEN WILHELMINA MIGHT NOT GO IN AIR

Queen Wilhelmina of Holland found on her visit to Paris a few days ago that being a reigning monarch has disadvantages and does not insure being able to follow royal inclinations.

While she was here she expressed a desire to go up in an aeroplane and arrangements were made to give her a ride in the air.

The French authorities thought it advisable to consult the Dutch government before the queen took her flight and the government of Holland vetoed the plan. So did the queen-mother and Wilhelmina remained on the ground.

M. Millerand, minister of war, arranged a military review for the queen and gave orders for the usual aeroplane exhibition in connection to be omitted so as not to remind the queen of what she wanted and could not have because she was only a queen instead of an ordinary woman.

## WHAT YOU SAW IN THIS PAPER

## WHAT YOU SAW 35 YEARS AGO

It seems as if Centennial Park is entirely forgotten. Some trees are dead and ought to be replaced, and a trifling expense would cut the grass, produce a better sod, and prevent the weeds from spreading their seeds.

## WHAT YOU SAW 30 YEARS AGO

The wheat harvest will commence next week.

A young Old Fellow was received at the residence of Mr. John Kramer of the third ward, last Wednesday night. The boy is to follow the footsteps of the father and attain the office of alderman of this city. He aspires, so we hear, to the position of Mayor. His aspirations exceed those of most boys of his age, and we think they come up to those of the Dad.

## WHAT YOU SAW 25 YEARS AGO

Thursday afternoon little Johnny Roost, aged about 8 years, fell from Fixter's dock into the water, and by the time the alarm was given he had come to the service three times and had sank for the last time. The water is fully 25 feet deep where he went down and after several unsuccessful attempts to recover him by diving was given up, when fortunately Jacob De Feyter, who has for several years been in the Life Saving Service at Muskegon and who is now employed on Werkman's new factory came to the scene with a pike pole and getting into a skiff he dragged slowly along the edge of the dock and fastened to the clothes of the boy. On bringing Johnny to the shore Mr. De Feyter, being familiar with the resuscitation drill of the Life Saving service, commenced laboring over him. After an hour or two of work they saw him giving signs of life. Yesterday afternoon he was reported as recovering rapidly.

Born to Mr. and Mrs. Anthony Steketee Thursday—a son.

An Edison phonograph was exhibited on the streets of Holland one day this week.

The mason work on the new bank block will be under the supervision of Thomas Haw of Muskegon.

## WHAT YOU SAW 15 YEARS AGO

The 15-year-old son of Mr. and Mrs. W. H. Dalman, residing on 14th street, while inserting some fuse into some powder Monday afternoon, had his face blown full of powder caused by the throwing of a fire-cracker in the hands of one of his companions near by.

A young silverite arrived at the home of Mr. and Mrs. Gunder Anderson.

Wm. O. Van Eyck and Geo. E. Kollen were the orators at the celebration of Independence day at New Holland on Monday. Patriotic addresses were delivered by G. J. Diekema at Coopersville.

Burglars effected an entrance to the hardware store of Kanters Bros. on Thursday morning and as summarized two dozen knives, about 20 razors and six revolvers, amounting to about \$100 were parloined.

## WHAT YOU SAW 10 YEARS AGO

The Waukezo Hotel has opened for business under the direction of Miss Trousdale.

Dr. G. A. Stegeman has opened dental parlors in the offices over Tromp's picture store.

It is expected that the second track of the G. R. H. & L. M. electric road between here and Grand Rapids will be completed next week.

## WORK ON NEW BUILDING WILL BE BEGUN IMMEDIATELY

The contract for the new church building to be erected by the congregation of the Wesleyan Methodist church has been awarded to Contractor J. B. Brinks. The new church is to be built on the corner of Pine and Seventeenth streets and the lot and building are to cost in the neighborhood of \$4000.

The work on the new building is to begin at once and the church is expected to be completed before November 1. The church property on the north side will be placed for sale.

Holland Maid and Centralia Farmer Marry First Time They Meet

—No Courtship.

Centralia, Ill., July 10.—Miss Peitje Bos, aged 22, arrived from Holland Tuesday and was married to Andrew Dykstra, a farmer. The ceremony was performed by Justice Grant Fetherling. The pair never had met before. There was no courtship, correspondence or anything other than a letter of introduction from an aunt of the bridegroom in Holland, who accepted his bride on the recommendation of his aunt.

## NOMINEE'S BOOSTERS EXPECT TO PERFECT ORGANIZATION HERE.

A Woodrow Wilson club is to be organized in Holland and the men in this city who are interested in the election of the New Jersey governor are not going to let any grass grow under their feet. A meeting of the Wilson enthusiasts is to be called in the very near future and perhaps the preliminary plans will be made by the leaders in a day or two.

There are said to be a great many Wilson enthusiasts in Holland and in the country surrounding this city. The plan is to gather all these into a Wilson club and to make the campaign all the more effective in this way. Although no definite plans have been made as yet, it has been suggested that a Republican Wilson club be formed as well as a Democratic Wilson club. It is hoped by those who are forming the plans that a large number of regular republicans can be gathered into the Wilson fold this year.

It is expected to form a similar organization in Zeeland and in Grand Haven and perhaps in other parts of the county. The farmer vote always cuts a big figure and doubtless every possible attempt will be made to interest the farmers in these clubs and secure them as active members. Because of the daily newspapers sent to the farmer every day by the rural delivery, the rural voter is pretty well posted on political affairs and most of them show a keen interest in national affairs.

One of the plans is to have effective organizations in all parts of the county and later perhaps, unite them all into one Wilson club. These clubs will make every effort in their power to advance the interests of the New Jersey governor.

## FORMER PROMINENT FURNITURE MANUFACTURER DIED SUDDENLY AT MACATAWA

John P. Creque, aged 72, former vice president of the Kent Furniture company of Grand Rapids, died at 11 o'clock Sunday at his home at Macatawa following an acute attack of pernicious anaemia.

He is survived by his wife, Minnie J. Creque and two daughters, Mrs. Freeman S. Godfrey and Miss Adelaide Creques all of Grand Rapids.

Mr. Creque was born in Bucks county, Pa., May 13, 1836, and came to Grand Rapids in 1854. When the war broke out he was employed as a clerk in Jefferson Carson's sutler tent, connected with the Third Michigan cavalry. He was subsequently sutler of the Third regiment, Missouri volunteer infantry.

After the war he returned to Grand Rapids and in 1867 engaged in the furniture business, in which he was eminently successful, being not only affiliated with the Kent Furniture company but with the St. Joe Valley Furniture company, Mishawaka, Ind. He was vice president of the latter in 1864 he married Miss Minnie J. Pike.

Mr. Creque served as an alderman from the Second ward for 12 years, and for several years was a member of the board of public works, also director in the Hollywood, Cal., National bank. He retired from active business life eight years ago and since has made his winters home in Hollywood, Cal., and his summer home at Macatawa. He returned to Michigan for the summer a month ago.

Funeral services will be held at 3 o'clock Tuesday afternoon from Burton Spring chapel, 72 Sheldon ave. Grand Rapids. Burial will be in Park Hill cemetery.

## PROF. AUGUST F. VEENKER AND JANE H. SONNEMA ARE MARRIED.

The marriage of Miss Jane H. Sonnema to August Veenker of Monmouth, Ill., took place at six o'clock Wednesday night at the home of the bride's parents, Mr. and Mrs. A. J. Sonnema of 405 Cass Avenue. Rev. J. Alex Brown of the First Reformed church performed the ceremony in the presence of about 50 relatives and intimate friends. An improvised canopy of green interwoven with Marguerites formed the bridal bower beneath which the bride and groom stood.

The bride was charmingly gowned in white embroidered voile, cut en train, and trimmed with point Venise lace. A wreath of Arwansonia held her tulle veil in place, and she carried a shower bouquet of swansonia. Miss Marina Vanderveen was bridesmaid. She was gowned in cream voile over blue messaline and carried pink sweet peas. Marjorie V. Den Herder acted as groomsman. The wedding music was rendered by Miss Gertrude Schweitzer of Jackson, Miss Henrietta Sonnema, sister of the bride, sang "Beloved, It Is Morn." Little Harriet Sonnema was ring-bearer. Helen Nutting, Gertrude Sonnema and Dorothy Pitman acted as ribbon bearers. They were dain-

ty white frocks and pink sashes.

Following the ceremony a wedding supper was served. The Misses Cora and May Pitman of Cadillac and Gertrude and Edie Schweitzer of Jackson assisted in the dining room. Mrs. James H. Fuller had charge of the gift room and Mr. and Mrs. Ralph Nutting acted as master and mistress of ceremonies. Miss Josephine Buob presided at the punch bowl.

Mr. and Mrs. Veenker are taking a northern trip, and will make their home in Monmouth.—Grand Rapids Herald.

## PUZZLED BY HIS FIND BUT LATER LEARNS WHO OWNER IS.

Frank Miller, who lived in Grand Haven made a capture of an animal which puzzled him considerably. When he saw the animal he took it to be a fox and he set his dog on it. The dog ran up to the animal, however, but refuse to touch it, romping and playing with it instead. When Mr. Miller reached the animal, he discovered that it had a silver collar on and seemed to be a pet. Instead of running away from him, it came up to him and he picked it up in his arms and carried it home, where he fed it and cared for it. The animal looked for all the world like a little fox but its friendliness upset all calculations. This morning he came to Grand Haven with the intention of advertising his find. But while in the city he learned that Milton Fox, a son of the president of the Fox Typewriter company of Grand Rapids, who is living in Sunset Lodge at Highland Park, had lost a pet fox last Wednesday. That settled all doubt in his mind as to the sort of an animal he had picked up. He at once took means of letting the owner know that his pet had been found.

The fox was sent up from Texas to the owner of the big typewriter factory this spring and when the family moved down to Highland Park they brought the little animal with them. The fox is very young and had always been in captivity which explains its domesticated state. Last Wednesday it disappeared from the cottage and wandered five miles back inland, when it was picked up by Mr. Miller.

## THREE YOUNG MEN GET INTO A STREET FIGHT.

A street fight at the corner of Columbia avenue and Fifth street on Saturday night resulted in the arrest of three local men, Joseph Midge, Andro Augustyn and John Rasmus. They appeared in Justice court Tuesday and pleaded guilty to the charge. Midge was given his choice between a fine of \$5 or ten days in the county jail; Augustyn between a fine of \$10 and 20 days in jail and Rasmus between a fine of \$15 and 30 days in the lockup. They decided to pay the fines. Midge and Augustyn bore marks of the fight on their faces while Rasmus was unmarked. In the case of the first two it was the first time they appeared in justice court. For Rasmus it was the third time he appeared and that made his fine heavier than that of the others. When the justice lectured him on his misdeeds and warned him not to come up again on a charge of drunkenness he declared that he would not promise not to get drunk as long as beer is being manufactured. He has been in this country only three years.

Mr. and Mrs. Byde Purchase, Lloyd Purchase and Mrs. Joe Mitchell appeared on a charge of raising a disturbance. The complaint was made by Mr. Oonk. The sentence of 30 days in the city or county jail was suspended when the defendants promised not to repeat the offense and were put on probation for a year.

## WRITES LETTER OF APPRECIATION TO MAYOR BOSCH.

Mayor Bosch Tuesday received the following letter from J. S. Morton, president of the Graham & Morton company.

Benton Harbor, Mich., July 6, 1912.

My dear Mr. Mayor:—

I am in receipt of your welcome letter of the first stating your council had very kindly named the newly created street and park after Mr. Graham and myself. I want to assure you that this action of your honorable body is highly appreciated, as after being among you for the past eleven years and trying in our way to help build up your city, we are glad to be classed as among those you are willing to honor and put your stamp of approval upon, showing that our efforts have not been in vain. I can assure you that this company appreciates the loyal patronage received from your business men and feel that the success of Holland is our success and we want to be looked upon in the same manner that we would were we residents of your city. We are always

willing to assist in the up-building and creating of a greater Holland, which we feel is now permanently started in that direction.

Again thanking you for the compliment bestowed upon us, we remain Yours most respectfully,

J. S. MORTON, President.

Hon. Nicodemus Bosch, Mayor, City of Holland, Holland Michigan, Marriage License.

Louis Poppema 22; Keda Crandall 19, Holland.

H. F. Brakesma 23; Miss Hazel Houlton 27, Macatawa Park.

## J. PERKINS OF OTTAWA BEACH BADLY CUT FRIDAY NIGHT.

While J. Perkins and a few other boys were out in a launch some distance off Ottawa Beach Friday night the engine in the boat ran hot and while they were waiting for it to cool off the boys went in and took a swim in the lake. When the engine was started up again Perkins and a companion were hanging on to the side of the launch and somehow Perkins slipped, his feet catching in the propeller of the boat. Both feet were badly cut up so that it took Dr. Collins Johnson 48 stitches to close the wounds. The wounds are not at all dangerous but very painful and it will be some time before the boy will be able to walk.

He was taken to the cottage at Ottawa Beach of his brother, C. F. Perkins, of the Perkins Lumber Co., of Grand Rapids and today he had improved considerably.

## AND SENATOR SAYS IT DIDN'T COST HIM A CENT TO GET PETITIONS.

Declares If the Voters Don't Want Him He Will Retire Gracefully.

Lansing, July 12.—Senator William Alden Smith's renomination petitions were filed today with the secretary of the state. Backed up by the signatures of thousands of enrolled Michigan Republicans, they ask for a place on the primary ballot in August for Senator Smith's name as a candidate for re-election on the Republican ticket to represent Michigan in the upper house at Washington. The maximum number of signatures permitted by the state primary law to be filed with the secretary of state is 8,836. The minimum number is 4,412. The maximum number of names has been filed on behalf of Michigan's senior senator.

The signatures represent voters in both the lower and upper peninsula. They include the names of a vast number of prominent Republicans. Senator Smith himself was in Lansing today visiting Gov. Osborn and in connection with this formal inauguration of the movement looking toward his return to the senate he said:

"The primary indorsement of my course in the United States senate by thousands of representative citizens living in fifty or sixty different counties in the state is a testimonial I shall always greatly value. These petitions asking for my re-election to the senate were prepared and circulated by personal political friends representing all shades of party faith and all classes of people—farmers, laborers, mechanics, tradesmen and professional men in every walk of life. I have not expended a penny for this service and have not been asked to reward a person. This phase of the primary is most gratifying.

"I wish senators were to be elected this year by direct vote of the people. This change will soon come about, as congress has submitted the amendment to the constitution and its adoption is certain. I have voted six times for this amendment—first in 1895 and in almost every congress since.

"My candidacy for re-election will be made on my public record with which the people of Michigan are familiar, and if my course meets the approval I shall be very glad to serve a second term. If not satisfactory, I will give way without regret to some one else."

Chances Are There Will Be But One On Crawford Line.

There is probably no chance for more than one boat on the Crawford line between Saugatuck and Chicago this season.

The new rulings of the government will allow the boats to carry so small a number that it will hardly pay for the extra expense, so the present equipment will have to serve.

The Tennessee can carry about 350 passengers and is doing a good business now and giving good service.

EXPIRES AUGUST 17.

**Notice of Mortgage Foreclosure.**  
Default has been made in the pay-  
ment of a real estate mortgage, dated  
the 29th day of Oct., 1910 recorded in  
the office of the register of deeds,  
for the county of Ottawa and State  
of Michigan, on the 1st day of July  
1911, in Liber One Hundred Four  
(104), of mortgages, on page One  
Hundred Eighteen (118), which mor-  
tage was made and executed by  
Peter Stegenga and Minnie Stegenga  
his wife, both of Holland, Mich., as  
Mortgagors, to the First State Bank  
of Holland, Mich., a corporation, as  
Mortgagee.

The amount now due and remain-  
ing unpaid for more than thirty days  
after the same fell due, is the entire  
principal of the mortgage together  
with interest thereon, amounting in  
all to One Hundred Nine Dollars and  
Twenty Eight Cents (\$109.28), to-  
gether with taxes on said property  
paid by said Mortgagee for the  
year 1909, amounting to Sixteen  
Dollars and Thirty Nine Cents (\$16.  
39), and taxes for the year 1911,  
amounting to Sixteen Dollars and  
Eighty One Cents (\$16.81), making  
the total amount now due and unpaid  
One Hundred Forty Two Dollars and  
Forty Eight Cents (\$142.48), together  
with an attorney fee of Fifteen Dol-

lars, (\$15.00) provided for in said  
mortgage and by the Statutes of the  
State. No proceedings at law or in  
Chancery have been instituted to re-  
cover the debts secured by this  
mortgage or any part thereof, and  
notice is therefore, hereby given, that  
by virtue of the power of sale in  
said mortgage contained, and the  
statute in such case made and pro-  
vided the premises in said mortgage  
described will be sold at public ven-  
ue to the highest bidder at the  
North front door of the Ottawa  
County Court house, in the City of  
Grand Haven, Ottawa County Michi-  
gan, on Monday the nineteenth (19)  
day of August at three o'clock in the  
afternoon of said day, for the purpose  
of satisfying said mortgage and the  
expense of sale. Said premises are  
situated in the City of Holland, Coun-  
ty of Ottawa, State of Michigan, and  
are described as follows, to-wit:—

The East Half, (E. 1/2) of the West  
One Hundred Ten feet (W. 110 ft.)  
of lot five (5) in block Sixty Two  
(62), in the City of Holland, accord-  
ing to a recorded map or plat of said  
City.

The mortgage above described be-  
ing a junior mortgage, a senior mor-  
tgage of Four Hundred Fifty Dollars  
(\$450.00) against this property hav-  
ing been given by said Mortgagee to  
said Mortgagors in May, 1909, the  
property will be sold on this fore-  
closure, subject to said senior mor-  
tgage, which is recorded in Liber  
Seventy Six (76) of mortgages on  
Page Four Hundred Thirty Seven  
(437) in the office of the Register of  
Deeds of Ottawa County, Michigan.

Dated this 20th day of May A. D.

**MRS. LOUISE HERMANN CAME TO**  
HOLLAND TWO YEARS  
AGO.

Mrs. Louise Hermann, wife of  
Peter Hermann, died at her home at  
at 231 E. Sixteenth Street Tuesday  
day afternoon at three o'clock at the  
age of 80 years. She had been ill  
for some time and at the time of her  
death she was surrounded by her  
relatives.

Mrs. Hermann came to this city  
about two years ago from Fulton,  
Illinois, in order to be able to spend  
the rest of her life with her chil-  
dren here. She is survived by her  
husband, and daughters, Mrs. Hiram  
Kedman, Lansing and John P. Kolla  
of this city. Mrs. Hermann has been  
a devout Catholic all her life and the  
funeral took place from the St.  
Francis church this morning at  
8:30. Interment will take place in  
the Pilgrim Home cemetery.

**THE JOHN NUVEEN COMPANY**  
THINKS THEY ARE SUFFIC-  
IENTLY LEGAL.

This Removes All Obstacles and the  
Building of Roads Can Be Begun  
Immediately.

The John Nuveen company of Chi-  
cago has decided that the \$100,000  
good roads bonds issued by Ottawa  
County are sufficiently legal in form  
for them, and a message from the  
company stated that the bonds were  
being lithographed and prepared for  
sale and asking the signature of the  
proper officials of the board of super-  
visors to be attached to them.  
Accompanying the communication  
was a certified check for \$5000, from  
the purchasers of the bonds.

All that remained was the passage  
of the proper resolutions by the  
board of supervisors, before the cash  
would be forthcoming to the good  
roads fund. The board of supervi-  
sors assembled in special session at  
the court house Tuesday afternoon  
and adjourned for a short recess be-  
fore taking up the bond matter. How-  
ever, it was reported that the major-  
ity of board were in favor of pass-  
ing the proper resolutions and closing  
up the bond matter at once, and  
no trouble was expected.

With the money on hand the board  
of county road commissioners can  
go ahead with the road building at  
once, and the start can be made on  
the Ottawa county good roads.

Among the other business to be  
considered by the board yesterday  
was the report of the special grand  
jury committee.

**Vriesland Missionary Tells Neigh-**  
bors of Her Work There

A party took place at the home of  
Mr. and Mrs. John Meengs, sr., of  
Vriesland in honor of their daughter,  
Miss Johanna, who is home on a va-  
tion from Oklahoma, where she is  
working in the interest of the Re-  
formed church.

A meeting was held on the lawn  
at which Miss Meengs gave a very  
interesting talk about her work  
among the Indians. Dainty refresh-  
ments were served and all had a  
pleasant time.

**Mrs. D. Koolman Aged 80 is Serious-**  
ly Injured.

While driving in a buggy on her  
way to visit her son who lives on a  
farm a few miles northeast of this  
city, Mrs. D. Koolyn, aged 80 years,  
was thrown from the buggy and badly  
injured.

While crossing the old wooden  
bridge about two miles out of the  
city the buggy struck a rotten plank  
and the sudden jar threw Mrs. Kool-  
man forward over the dashboard at  
the horse's feet. The horse stood  
still however until help arrived. Mrs.  
Koolyn was taken to a physician  
and then back to her home in this  
city on Sixteenth street.

**Frank B. Salisbury for Sheriff.**  
Frank B. Salisbury, candidate for  
the Republican nomination of sher-  
iff of Ottawa county, is too well  
known to the people of Ottawa coun-  
ty, to require an introduction. For  
the last eight years he has occupied  
a most important station in the sher-  
iff's force of Ottawa county and as a  
result he has been frequently spoken  
of as the best officer Ottawa county  
ever had. As a police officer, he has  
frequently shown himself completely  
without fear, in the execution of his

duty, whether it strikes friend or foe.  
While he has naturally made some  
enemies because of his position as  
an active deputy sheriff, he has made  
more than enough friends to balance  
the account during his term of office.  
Only recently interests opposing Mr.  
Salisbury have been active, but a full  
and fair trial of the matter resulted  
in a complete vindication of the of-  
ficer, and the sympathy of the major-  
ity of the people of Ottawa county  
was clearly with Mr. Salisbury thru-  
t all.

Frank B. Salisbury, while not a  
native of Ottawa county, came to  
Georgetown, this county, from Jack-  
son county, when he was but two  
years of age, and has lived in Otta-  
wa county ever since. His father  
died when Frank Salisbury was 14  
years old and he was compelled to  
support himself and assist in the  
care of his mother and younger  
brothers and sisters. Eight years  
ago he was appointed deputy sheriff  
by Sheriff Woodbury and served as  
under-sheriff. When Sheriff Andre  
took the office, Mr. Salisbury re-  
mained as the working deputy.

In his candidacy his friends are  
standing by him loyally and he is  
promised hearty support from all  
can electors of the county of Ottawa  
parts of the county. The Republi-  
cans are asked to vote for his nomina-  
tion at the primaries August 27.—Political

### A HERO IN A LIGHTHOUSE

For years J. S. Donahue, So. Hav-  
en, Mich., a "civil-war captain, as a  
light-house-keeper, averted awful  
wrecks, but a queer fact is, he  
might have been a wreck, himself,  
if Electric Bitters had not prevent-  
ed. "They cured me of kidney trou-  
ble and chills," he writes, "after I  
had taken other so called cures for  
years, without benefit and they also  
improved my sight. Now, at seventy,  
I am feeling fine." For dyspepsia,  
indigestion, all stomach, liver and  
kidney troubles, they're without  
equal. Try them. Only 50 cts. at  
Walsh Drug Co., Geo. L. Lage and  
H. R. Doesburg.

services in the Auditorium at Maca-  
taw during the months of July and

ternoon.

### A GIRL'S WILD MIDNIGHT RIDE

To warn people of a fearful forest  
fire in the Catskills a young girl  
rode horseback at midnight and  
saved many lives. Her deed was  
glorious but lives are often saved  
by Dr. King's New Discovery in  
curing lung trouble, coughs and  
colds, which might have ended in  
consumption or pneumonia. "It  
cured me of a dreadful cough and  
lung disease," writes W. R. Patter-  
son, Wellington, Tex., "after four in  
our family had died with consump-  
tion, and I gained 87 pounds." Nath-  
ing so sure and safe for all throat  
and lung troubles. Price 50c  
and \$1.00. Trial bottle free. Guaranteed  
by Walsh Drug Co., Geo. L. Lage and

**ELECTORS OF THAT CITY AUTH-**  
ORIZE BOARD TO BUY A  
BUILDING.

Election of School Trustees Was  
Held Monday Night; Board to  
Buy Church Building.

The annual school election in the  
city of Zeeland and vicinity took  
place Monday evening in one of the  
high school buildings. The meeting  
was opened with prayer by the se-  
cretary of the school board, B. Neer-  
ken; after the reading of the treas-  
urer's report which showed a bal-  
ance of \$76 on hand, the election of  
the members of the Board of Educa-  
tion took place. C. J. Den Herder  
whose term expired was re-elected  
and Dr. W. G. Heasley was elected to  
take the place of Frank Boonstra,  
whose term expired. These two  
members were elected for a term  
of three years.

On account of the overcrowded  
condition of the schools, Superin-  
tendent J. C. Hoekje made a plea at  
this meeting asking that the board  
of education furnish more room. For  
this reason it was decided that the  
board of education be authorized to  
buy the old Second Reformed church  
building that is located near the  
school for the sum of \$2000 or less.  
This building is to be used for the  
Kindergarten. The Rev. D. R. Druk-  
ker closed the meeting. The meet-  
ing was well attended. A total force  
of 20 teachers have been engaged for  
the coming school year.

**CHARTER COMMISSION WILL**  
TAKE A VACATION FOR A  
FEW WEEKS.

Four of the members of the char-  
ter revision commission met Monday  
night in the council room for a regu-  
lar session. There was no quorum  
present however and no business  
could be transacted. The members

talked politics for about an hour and  
then decided not to wait any longer  
for an additional member. The heat  
has been telling on the members and  
during the last few meetings it has  
been hard to get a quorum. So it  
was decided last night to postpone  
the work of the commission until  
cooler days shall come. For that  
reason the next regular meeting will  
be held the first Monday in Septem-  
ber.

**BOARD OF PUBLIC WORKS**  
AGREES TO PAY \$4000 FOR  
JOB.

After Two Hours of Conference  
Compromise Is Agreed On  
With Firm.

The Board of Public Works work-  
ed hard Monday night for 2 hrs. try-  
ing to make a settlement with the  
Calumet Construction Company for  
the construction of the new well that  
firm built for the city. The price  
named in the contract was \$4400 but  
the Board of Public Works and the  
officials finally came to terms where-  
by the city of Holland will pay \$4000  
for the well.

So far the board has not paid a  
dollar for the work done by the Cal-  
umet Construction company and pay-  
ment was delayed because there was  
a difference in regard to some claus-  
es in the contract. The contract called  
for sinking the well forty feet  
deep and putting it on a solid founda-  
tion. When finally completed the  
well was seven feet and nine inches  
short of the required forty feet and  
the board contended that the com-  
pany should be paid less pro rata,  
that being stipulated in the contract.  
This would mean \$111 a foot or about  
\$80 less than the contract price. The  
company however brought in a  
counter bill for \$650 for ten days'  
work that had been done under or-  
ders of the Board after the company  
had declared that it was impractic-  
able to go any further into the clay  
bottom.

Professor Slagh of the Latin department of the Manistee high school returned to his home in this city after an extended trip through Upper Peninsula. He was one of the party of men who spent several weeks fishing and camping on the Huron river.

Bert O. Chapman of Zeeland has started suit in the Ottawa county Circuit court against Siegel Gunn, proprietor of a Zeeland restaurant asking \$5000 damages for alleged alienation of Mrs. Chapman's affections. Chapman makes his living by peddling patent medicines.

A pretty out-of-door wedding took place in Allendale at the home of the bride's parents, Mr. and Mrs. H. H. Stevens, when their daughter Gladys was married to Claude E. Barr of Spring Lake. Rev. J. K. McCreery of Hastings performed the ceremony.

News has been received here of the death of E. Kremer at Denver, Colo. He was seventy-three years old and is survived by his widow and two children. In the early days Mr. Kremer operated a blacksmith shop here. He also had been a resident of Forest Grove and Grand Rapids.

Charles Barense, aged 66 appeared in justice court Tuesday on the charge of being drunk. He pleaded guilty and was sent to Grand Haven for fifteen days. C. Miller was arraigned on a similar charge and was fined five dollars which included the costs. Another bicycle rider was fined three dollars for riding on the sidewalk.

Through the death of Mrs. John Vandenberg at Hull, Ia., the boards of foreign and domestic missions of the Reformed church have received a legacy of \$6,250. A month previous to her death Mrs. Vandenberg deeded her home in that city to the mission cause and this at public sale netted the above figure. Mrs. Vandenberg is survived by nine children all of whom approved the plan.

Mr. and Mrs. James A. Brouwer, have issued invitations to the approaching marriage of their daughter Gertrude to William Boer of Grand Rapids. The ceremony will take place at their home 78 East Ninth street, Thursday evening, July 18. Mr. and Mrs. J. Beintema have issued invitations to the approaching marriage of their daughter Eva to John Tripp for Thursday evening July 11, at their home 158 East 16th street.

The sand artist at Macatawa attracted a large crowd of people during the week with a beautiful production of "Custer's Last Stand." This is said by many who have seen it to be the best effort of the artist so far. His work on the beach never fails to attract a great deal of attention and he reaps a pretty good harvest of nickels and dimes for his pains. The artist has a sign up asking for a penny for the artist but most people do better and make it a nickle, dime or a quarter.

W. A. Van Syckle, for six years traveling salesman for the Voigt Milling Co., of Grand Rapids has resigned that position to accept a proprietary interest in the Globe Carving Works of Holland. Mr. Van Syckle is a most popular and efficient salesman and enjoys the confidence of a host of friends and patrons, who wish him abundant success in his field of endeavor. The Globe Carving Works has a prosperous little business concern located on Sixteenth street, and promises to become a factor among Holland manufacturing establishments.

Respectfully submitted,

Nicodemus Bosch,  
Arthur Van Duren,  
Frank Dyke,  
Committee.

Adopted, and the Clerk instructed to serve a copy of same on the Board of Public Works.

The Committee on Streets and Crosswalks to whom was referred the matter of placing labor under the nine hour schedule submitted the following reply thereto:

"We have your communication relative to the matter of placing all labor under the so-called nine hour schedule, and note what you have to say in reference thereto, and in reply wish to call your attention to the fact that the reasons given in excuse for your having taken action on this matter could have been given before as at this time, and thus placed the Council in the position of knowing why its request had not been considered by your body. The fact that you apparently took no notice of the resolution was, it seemed to the Council, sufficient cause for again calling the matter to your attention, and was not as you term it ill-advised," but was entirely pertinent, and well within the rights of the Council, to know why its request had not been acted upon, and what was more, apparently entirely ignored.

We appreciate the statement that you are in harmony with the movement, and trust that before this time you may have taken the necessary steps to conform to the request heretofore made, as other Boards have done. The question of salaried employees does not enter into this matter, as it certainly is well understood by all that those persons have particular and peculiar duties to perform, which cannot well be regulated by any system of hours, or added compensation, and the action of the Council could not well be construed to refer to such persons, as it distinctly referred to persons working on an hourly schedule.

With reference to the rights of the Board and as against the Council, we wish to call the attention of the Board to the fact that the Board is not supreme in any of its actions, except in the matters of merest routine, but that the accounts and acts of any considerable moment are subject to the review and approval of Common Council. Also we would call the attention of the Board to the fact that under section 3, of Title XII of the City Charter, it is expressly provided that all of the powers, duties, etc., of the Board are subject to the direction of the Common Council, and hence it was not amiss for the Council to take the action, it did.

While it is not the intention or desire of the Council to encroach upon the rights and powers of the Board, nor to presume to dictate in matters of policy, yet, in view of the fact that the adoption of the nine hour system was necessary in all departments if it was to be effective at all, the Council was entirely within its rights to request the Board to do as other Boards did, and also to insist that the system be made general throughout all departments employing labor under the City Government.

Considering all of the facts and circumstances, we must insist that the Board comply with the former action of the Council, as speedily as the matter can be adjusted to existing conditions, and the Council can see no need for any further extended delay in the matter."

Crosswalks requested that they be authorized to expend not to exceed \$50.00, for the opening of 24th Street, West of Van Raalte Avenue.

## Cow Wrought Much Mischief.

A series of accidents all on account of a cow occurred one day not long ago at Neerim, South Victoria. A man who was driving a gig was upset by running over a cow. The pony then bolted with the upturned gig, which frightened a team of horses attached to a wagon, and the latter capsize over a log, pinning underneath it the driver, who sustained a fracture of the skull.

## Fear Sparks From Telephone.

It is possible to ignite by sparks from a telephone. Hence in all German gas works the telephone bells are covered with wire gauze.

## Gone and Well-Nigh Forgotten.

An anxious inquirer wants to know what has become of the old-fashioned man who used to go to the penitentiary after being found guilty?—Toledo Blade.
