Surprising Cure of Stomach Trouble

When you have trouble with your stomach or chronic constipation, don't imagine that your case is beyond help just because your doctor fails to give you relief. Mrs. G. Stengle, Plainfield, N. J., writes, "For over a month past I have been troubled with my stomach. Every thing I ate upset it terribly. One of Chamberlain's advertising booklets came to me. After reading a few of the letters from people who had been cured by Chamberlain's Tablets, I decided to try them. I have taken nearly three-fourths of a package of them and can now eat almost everything that I want." For sale by all dealers.—Adv.

HOLLAND INTERURBAN TO A QUESTION THAT CONCERNS HAVE PLENTY OF CARS

The big Fourth of July Celebration at Jenison Park promises to draw a large crowd of people this year on account of the fact that the Interurban Company has so many new cars and increased power. This condition has now been remedied and there will be many who will take advantage of the holiday to go to this amusement park.

FOWL TRICK PLAYED ON FOLKS AT CHURCH IN WEST OLIVE

Menno Woodruff, Olive Twp., Reports Loss Of Nearly 200 Chickens In Past Few Weeks

SAYS HE KNOWS GUILTY ONES

Menno Woodruff, of the fish tug Anna in Grand Haven and resident of West Olive is very much rolled over the loss of nearly two hundred chickens as the result of a few visits from some one or ones during the past few weeks.

Capt. Woodruff says that the thief was very familiar with the conditions around the home for the fowls were taken while the family was attending church on different Sundays and at the times the watch dogs were in the house. Woodruff also remarks that he knows who the guilty parties are.

A few weeks ago the first raid was made by the chicken thief. On that occasion he carried away an old hen and her brood of sixty-five chicks. Another time between eighty and one hundred old hens were missing after the Sunday services.

THE BOARD OF HEALTH ONLY

Last night the common council passed an ordinance that should be vetoed by the mayor. The council in giving effect to this ordinance has demonstrated its ability to be small and petty. We have no discussion to offer relative to the merits of the scavenger ordinance that was passed last night. We are too busy to be bothered about how the city's garbage and refuse is hauled away or by whom as long as it is hauled away by somebody. It may be right and it may be wrong to allow competitive bids for the city scavenger work as provided in the ordinance just passed but in the light of a past unsatisfactory experiences with the bidding system the citizen who has garbage that he wants removed would prefer the present method.

The principle involved is not small. It has to do with the right of the Board of Health to perform the duties without being over-ruled by the council. The board of health has satisfied itself that the few complaints against the present city scavenger were not warranted. His work to that board under whose supervision he comes, had been satisfactory. They had decided to employ him for another year. Then came the council and without consulting the board of health, without regard to the action they had taken, passed the ordinance in question and in effect said to the board of health, which is honestly serving the city without reward or hope of reward, "you will do not what you think best, but what we say you will do".

There is probably no city board as important to all of us as is the board of health. It has to deal with the problems of contagion and sanitation that are of vital interest to every individual citizen. No health board has ever performed its functions more satisfactorily in the city of Holland, than the present efficient board of health and the present efficient health officer. Other boards are likewise doing good work. Their members are interested in the work and are close to the problems that each board meets. Is it possible that a body of aldermen is to be allowed to cancel and destroy the efforts and work of the city boards? And especially in a case like the present, where no greater civic problem is involved than the obtaining of an official of no higher dignity and title than that of "City Scavenger"?

We understand that the mayor will veto this ordinance and we will admire his stand in so doing. If the board wishes to take the same action that is outlined in the ordinance well and good. Let it do so. But if there is any change at all it should come through and from the board of health, which knows what it wants and not from a board of aldermen, who are essentially not as conversant with the health problem as is the board of health.

THE THREE CENT COIN

Chicagoans are starting a campaign for the revival of the three cent coin. They argue that the coin will not only promote thrift but will lower the cost of many small articles. Discussing this phase of the subject Byron R. Newton, assistant secretary of the treasury, the other day said:

I favor a 3-cent coin. With commodities a reasonable profit can, in many instances, be fixed at odd cents. With our present system the even coin of larger denominations is more often used—that is instead of an article selling for 13 cents, it is sold for 15 cents. With a 3-cent coin many articles now sold for 5 cents would fall into the 3-cent class. It would be a great boon to the poor.

This largely states the case for the coin. But it has its opponents, who argue that it will be a nuisance because so likely to be mistaken for the 10 cent piece, and so likely to be palmed off on the unthinking slot machines of the country.

The old three-cent coin was abolished for being a nuisance in making change in the days before the slot machine. But if a coin can be devised which will be so different from the dime as not to be mistaken for it, and unavailable for playing tricks on machines, pay-enter cars and the like, it might be useful in saving time in "making change."

YOU MUST PAY MORE FOR WATER.

Shooting Gallery Ordinance Passes and is Very Strict.

The meeting of the Common Council last night was a long drawn out affair lasting over two hours. The meeting did not start until after eight o'clock instead of 7:30. This has happened for the last three or four meetings and Mayor Bosch stated last night that hereafter all meetings would commence at 7:30 sharp. (Applause.)

Several matter of importance were taken up and disposed of.

Water Rate Raised

Principal among the important matters was the adoption of the water rate schedule for the ensuing year submitted by the Board of Public Works. The price of water to the small consumer has been raised from eight to ten cents per one hundred cubic feet. The rate to the big consumer has been raised accordingly. It was stated by City Attorney A. Van Duren that the reason a lower rate can be given the large consumer was that altho the heavier users took so much water it did not increase the expense to the city to furnish such customer, in fact that it costs the city no more to furnish a heavy user of water than it did a small consumer and that he profit to the city was much greater. Ald. King voted against the adoption of the schedule. The water rate schedule as adopted by the council is as follows:—

WATER RATES Available for all customers using City Water Rate

10 cents per 100 cu. ft. for the first 100,000 cu. ft. used semi-annually
8 cents per 100 cu. ft. for the next 100,000 cu. ft. used semi-annually
6 cents per 100 cu. ft. for the next 100,000 cu. ft. used semi-annually
4 cents per 100 cu. ft. for all over 300,000 cu. ft. used semi-annually

Gets Constable Job

Gerrit Van Hatten was appointed constable of the Third Ward to succeed Herman Waltman who resigned on request of Mayor Bosch after he had been black listed. Van Hatten who is also a deputy sheriff, petitioned the council for the constable job and as there were no other petitions in he had easy sailing. E. P. Stephan received a vote for this office as a compliment from the aldermen from the second.

Special Meeting To Consider Saloon Licenses

Peter De Feyter last night petitioned the council for a license to open a saloon at 208 East Eighth Street. This is near the P. M. Depot. William Vander Water petitioned for license to open a saloon at 72 East Eighth Street. Both petitions were referred to the license committee to report at a special meeting of the council tonight at 7:00 o'clock.

Amos Stone of Grand Haven was refused a license to open a saloon at 204 East Eighth Street at the meeting last night but on motion of alderman Drinkwater the application will be recommended tonight. Mr. Stone choose for his location a building near a little Mission house on East Eighth Street and although the State law does not consider a Mission House a church alderman Kammeraad said he would vote against a saloon being near it as the people who worshipped there had as much right as the people who attended churches in the city.

City Will Start Suit Against Contractor

On motion of alderman Congleton the City Engineer was instructed to make all necessary repairs and to be done on the Central Ave. pavement alleged to be faulty and not up to contract and to collect from contractor Herman Vander Veen of Grand Rapids and his bonds men. This same thing was done by the City in 1913 at a cost of \$214.37 and contractor Vander Veen has not yet remitted for same. The City Attorney was instructed to start suit against Mr. Vander Veen and his bondsmen to recover this money and the amount to be spent in repair this year.

NEWS from the COUNTY

MACATAWA

The Macatawa Resort company has planted eight cans of black bass in Black Lake. The resort company has been planting black bass in the lake each spring during the past half dozen years, until the supply of black bass has materially increased. Thousands of this kind of fish have been planted here.

Swan A. Miller of the Resort company stated Tuesday that this would be the last time that the company would do this work. He declared that the company had more than done its duty in replenishing the black bass supply of Black lake, and that from now on it would be up to other interests. It is possible that some fishermen's organizations or probably some of the local commercial organizations may take up the work and plant more fish in the future.

HOLLAND TOWNSHIP

In the matter of reimbursing the township of Holland for \$655.81 as a result of a mistake in the footings of the taxes for 1913 the committee reported to table the motion until the October term. The claim was found valid by the committee, Donahue, Rutgers, Brower, Hilderink, and Clayton.

The correct amount of footings in the Holland Township valuations was \$2,394,945. An error showed the amount \$2,488,225, with a difference of \$93,280 upon which \$655.81 taxes were assessed.

The report of the committee was tabled among the last acts of the body and adjournment followed.

Saturday at noon saw the close of one of the most strenuous sessions ever held by the Ottawa county board of Supervisors and none of the body was loathe to leave the official quarters.

A casual glance at the acreage figures of the equalization table for Ottawa county assessment rolls will make the average individual up with a start. While the fact has been in existence for an indefinitely long time it is not generally known that Grand Haven encircles 2,581 acres of land and that there are 346,426 acres of land in the county. Holland has 1,818 acres of land within the city limits. Holland township comprises 31,418 acres and is the second largest township unit in the county, the largest being Olive with 33,835 acres. Spring Lake township is the smallest township in the county with 11,139 acres of land.

Blendon, Chester, Crocker, Georgetown, Holland, Jamestown, Olive, Polkton, Robinson, Tallmadge, Wright, and Zeeland show an average of nearly 25,000 acres of land. With such comparisons there is little wonder that Ottawa county is a \$40,000,000 strip of county.

DRENTHÉ

Drenthe and its vicinity will show their patriotism by giving a good celebration on July 4. A good program will be rendered in the afternoon. Rev. G. De Jong will give the address, besides there will be other numbers on the program. The work is in charge of Mr. H. K. Boer and it is needless to say that something very good can be expected. The picnic will be in the small grove one-half mile west of the village, just an ideal place on a summer's day.

TRIED TO ASSAULT LADIES DRUNKEN ROWDIES ARE PUT TO FLIGHT WHEN GIRLS PUT UP SCRAP.

Fred Howard Arrested and Fined; Albert Kuiper Wanted By The Police

Fred Howard, aged 26, was sentenced to pay a fine of \$50 and costs of \$3.45 or spend 60 days in the county jail when he pleaded guilty to a charge of assault and battery on Helene Klevit, aged about 16 years. Howard was arraigned before Justice Robinson Friday morning. Complaint was made by Chief of Police Frank Van Ry.

Howard was arrested last night near the Pere Marquette depot and lodged in the city jail. The police were called when Howard and Albert Kuiper chased Helene and Anna Klevit and grabbed the girls by the arms. The girls put up a strong fight and drove off their assailants.

Howard is a married man and has two children at his home on East Eighth street. He was drunk when arrested Thursday night and Friday morning he claimed he did not remember a thing about meeting the Klevit girls. Howard was closely questioned by the justice in regard to his family affairs and according to Mrs. Howard he has only worked part of the time during the last month and he has not given his wife a cent. Before that he gave her very little. During the month of May he said he earned about \$15. During June his income has been about \$6.50.

A warrant is out for the arrest of Albert Kuiper, also a married man. Kuiper evaded the police Thursday night and has either left the city or is remaining in hiding Friday.

Albert Kuiper pleaded not guilty to a charge of being drunk when arraigned before Justice Robinson Friday afternoon and his trial has been set for next Tuesday afternoon.

Kuiper, a married man, was with Fred Howard Thursday night, when Howard attacked Helene Klevit. It appears that Kuiper did not chase the girls, as Howard did, nor did he grab hold of them.

Howard was unable to raise \$53.45 Friday afternoon to pay his fine and was taken to Grand Haven to serve sixty days in the county jail.

G. FRITZ OF OLIVE TOWNSHIP OVERCOME IN BURNING BUILDING.

Rushes Into Kitchen to Escape But Is Unable to Make His Way Through Flames

A fire that resulted in the death of one man and in the possibly fatal injury of another occurred in Olive Township early Sunday morning on the farm of H. Messler, five miles west of Olive Center. The cause of the fire is unknown but the house was completely destroyed. G. Fritz father-in-law of H. Messler, owner of the farm, lost his life in the flames when he attempted to escape from the burning building. In an attempt to rescue Fritz, H. Messler was so badly burned that two physicians who attended him, Dr. C. Boone of Olive Center and Dr. Huizenga of Zeeland, fear that he may not recover.

The family was awakened early Sunday morning by the smoke and flames. Mr. and Mrs. H. Messler managed to escape from the house. Mrs. Messler's father seems to have rushed into the kitchen in the excitement. He attempted to escape from the house through the kitchen door. But the room was a mass of flames and he never emerged from the door way. Messler rushed into the burning kitchen but was unable to find the old man who seems to have been overcome by the smoke. The son was so badly burned that he needed immediate medical care.

The house was burned to the ground. After the flames had subsided the charred remains of old Mr. Fritz were found where the kitchen had stood.

LENA PRISCILLA VENHUIZEN BECOMES BRIDE OF DR. MARTIN R. DE HAAN

A pretty June wedding took place at the home of William Venhuizen, on E. 24th St., Thursday night when his daughter, Lena Priscilla, was united in marriage to Dr. Martin R. De Haan, by the Rev. John Van Peursem, in the presence of about 200 guests.

The ceremony was performed under the beautiful trees, the bridal party walking from the house to a canopy of ferns and daisies, preceded by two little flower girls, Evelyn Van de Belt and Sylvia Schuurman, who carried baskets of roses and strewed rose petals in their pathway. The bride was given away by her father.

The bride wore a beautiful gown of white silk crepe de chene and oriental lace over satin, made with a long full train. The upper part of the bodice was made of chiffon trimmed with Rhinestones. She wore a bridal veil, fastened with roses and swansonia, which fell to the end of the long train. She carried a shower bouquet of roses and swansonia.

Ralph De Haan, brother of the groom played the wedding march and Mayme De Witt played the congratulatory music. Henry Venhuizen brother of the bride was master of ceremonies, and Miss Retta Pas, cousin of the bride, was mistress of ceremonies.

Following the ceremony which took place at 6 o'clock a bounteous wedding supper was served by the Misses Sarah Klomparsen, Sue Van Dort, Grace Harmsen, Anna Cook, Jeanette Mulder, Elsie Plaggemars, Jennie Fris, Fannie Tien, Jennie De Jonge, friends of the bride. Margaret Van Dort and Angie Westveld presided over the punch bowl.

The young couple were the recipients of many beautiful gifts.

The out-of-town guests were: Charles toe Laer of the Otis Elevator Co., Peter Dykhuis, Jacob Kempis, John De Maagd, John Dornbos and Harry Dornbos of Chicago; Judge Osterbaan, Hazel Osterbaan, Guy J. Osterbaan, Esther Stror and John Stror of Muskegon; Mrs. Hoebeke, Charles Dykstra, Dick Nies, Laura Brandt, Cora Brandt, Harry Brummel of Grand Rapids.

The couple were spirited away by Thomas W. Venhuizen, brother of the bride, but only after a strenuous struggle amidst showers of rice, and loads of old shoes.

Dr. De Haan graduated recently from the medical department of the University of Illinois, receiving the degrees of M. S. and M. D.

He was valedictorian of his class.

ent at the council meeting and then by Mr. Fileman they protested against the paving of that street north of 4th street on the grounds that they cannot afford the tax. The tax per foot each year for ten years will amount to 28 cents but there are several families who really cannot stand this extra burden. But owing to the fact that Alderman Drinkwater of this ward has personally collected \$267 and has a promise of \$100 more toward the paving of this street by subscription and that the Holland Businessmen's Association has offered to stand part of the expense because of the business they receive from farmers who come to Holland over that road the council decided to authorize the paving and the work will be commenced soon.

A committee composed of Henry Geerlings, John Keuey and E. P. Stephen was appointed to take charge of the money collected by Ald. Drinkwater and use it to pay the taxes of families who are unable to meet the extra paving tax.

Scavenger Ordinance Causes Dissension

An ordinance giving the council the power to appoint the city scavenger without the indorsement of the Board of Health caused some dissension in the council last evening. Mr. Raas has done the work for the past few years well, but some other man wanted the same job and getting no satisfaction from the Health Board tried the common council and apparently has succeeded if the new ordinance is sustained which is doubtful.

Mayor Bosch objected to the council taking this matter out of the hands of the Board saying that the council should have confidence in the Board. When the ordinance was brought up for the final vote the Mayor declared that if it was passed it would only result in his veto. At that Alderman Vander Ven declared that the mayor need not think by that he could tell the aldermen what to do nor try to use them as tools to serve his own purpose. "If that is your idea you are badly mistaken," declared the alderman from the 4th. Aids Harrington and Congleton voting against its passage.

The scavenger ordinance as adopted which will very like be vetoed by Mayor Bosch today is as follows:

Adopt Shooting Gallery Ordinance Adopted

The following ordinance in regards to shooting galleries was adopted by the council last evening after Alderman King had declared it to be an ordinance aimed against 'Dad' Fitzgerald by men who wished to use his place of business, which could be aimed against several grocery stores, drug stores and other business places that allowed the drinking of beer:

RICHARD OVERWEG, City Clerk.

HOLLAND MEN REFUSED ADMITTANCE TO KALAMAZOO HOTEL

Although Respectable Citizens At Home They Leave Conventions Behind On Automobile Trip

A party of Holland business men composed of Dick Boter, John Vander Sluis, John Dykstra and C. Fris all respective citizens of this peace loving city left conventions behind them and attired in overalls, Byroneague shirts and huge straw hats took an automobile trip through Ottawa, Allegan and Kalamazoo counties.

In Allegan on the first day of their journey they were arrested for speeding but this did not curb the hilarious spirit of the Holland men. They paid their fine without a murmur of protest and journeyed on to Otsego. Here it was discovered that J. S. Dykstra had so far forgot himself as to bring along a night shirt. "Oh! He did not wear that garment. Mr. Vander Sluis dropped it into a convenient lake while Mr. Dykstra was enjoying the scenery.

In Kalamazoo came the really great set back of the journey. The Holland aggregation arrived in that city Wednesday night rather late and of course went to a hotel for a night's lodging. The clerk calmly surveyed the group and informed them that there was 'nothin' doin.' That was a respectable hotel and the Holland men were forced to seek refuge in the Y. M. C. A. a christian institution in which the men felt kindly sympathy for the weary travellers.

In spite of the hardships encountered it was a glorious trip and the Holland men will try it again soon.

WHAT YOU SAW IN THIS PAPER THIRTY FIVE YEARS AGO

If somebody would cause the elevated mails along the sidewalks to be driven down, he would confer a great favor on the ladies, with long dresses, and save one of the commandments from being broken.

On Wednesday last—circus day several teams took fright, and two runaways occurred. The tannery team which Mr. Moes usually drives took to their heels and spilled a load of leather over the street. Mr. J. De Spelder's horse also ran away, spilled him out and a barrel of lime on top of him, which caused the dislocation of his shoulders. An accident of that kind may have serious results with the people of the age of Mr. De Spelder. Doctors Van Putten and Mc Cullock were called to attend to the sufferer and report their patient doing well.

Mr. A. Visscher, attorney at law, is building a handsome residence about a mile out of the city. Mr. Jas. Huntley is the contractor and Mr. Geo. Sipp is the supervising architect.

Capt. Eads, the eminent engineer who constructed the jetties at the mouths of the Mississippi, proposes, in a letter to the Tribune, to substitute for the contemplated ship canal at Panama, a railroad by which the largest vessels may be conveyed across the isthmus. The conveyance would require 1,000 wheels, with a road bed forty feet wide and eight or ten rails. Eads claims that the project is entirely practicable, that it would be only one fourth the cost of a canal, although more profitable, and the road may be completed in three or four years.

THIRTY YEARS AGO

Late last week Friday afternoon a little five year old son of Capt. J. Borgman fell into the tannery creek off from the bridge on Eighth street and would have drowned but for the timely and brave assistance rendered by Miss Maggie Van Putten, daughter of Mr. G. Van Putten who with difficulty, rescued the child from a certain and early death.

Miss Helen Phanstiel, who has taught in our schools so long and so successfully, has accepted a position in the Muskegon schools at a salary of \$450. Miss Emeline Dutton has also accepted a position in the same school at a salary of \$400. We are sorry to lose these teachers, and while we favor economy in school true economy is always mixed with a little wisdom. We are informed that both of these teachers could have been retained for \$100 less each than they receive in Muskegon. Good teachers make good school, and it is the part of wisdom to retain such.

The lightning last Wednesday evening took a liking to potatoes and entered Mr. Van Lente's patch, near the city, without any ceremony. It made a hole in one hill as big as a man's arm, and all the potatoes in a space forty feet square from where it entered were laid flat.

A severe lightning and thunder storm visited this section last Wednesday night. The rain poured down in torrents, and the lightning and thunder was terrific. The house of Mr. Jas. Graham, Fourth ward, was struck, but fortunately nobody was hurt. A popular tree in front of Capt. M. De Boe's house was also struck by lightning. The Captain was out of doors at the time and standing within ten feet of the tree. He says it reminded him of an artillery engagement and the lightning looked like a bomb shell.

Dr. O. E. Yates is laying a cement walk near his residence, corner of Eleventh and River Streets.

Last Sunday evening the startling news that Frank Haven had met a sudden and mysterious death was spread throughout the city and in a short time a morbidly curious crowd gathered in the rooms over Slag cigar company's store and viewed the remains meanwhile conjecturing as to the cause of his death. Marshal Dykhuus was present and summoned Dr. Yates the corner, who in turn called up Prosecutor Mc Bride and explained that Haven was found dead in the bed and that the presence of the prosecutor to view the remains and examine the surroundings was necessary. After a hurried consultation between Dr. Yates and

Mr. Mc Bride it was decided to hold an inquest, as the conflicting state of the affair, and the attendant circumstances lent a suspicious and mysterious aspect to the case.

The jury after deliberating for some time brought in a verdict that Frank Haven came to his death by natural causes.

LARGE AUDIENCE LISTENS TO A MUSICAL PROGRAM AND PLAY.

Civic Circle Entertain

The Woman's Literary club house was crowded Monday when the Civic Circle club gave their first entertainment. The size of the audience was a great encouragement to the girls who had been working hard to make the program a success. The musical program opened with a Flower Song, an instrumental solo by Rena Breur, which was followed by the following numbers: "When the Dew is on the Rose," duet, Nellie Breur and Minnie Gallien; "The Lullaby of the Night," Etta Bouwman; "Just at the Break of Day," duet, by Nellie and Lena Breur; "Humoreske," instrumental solo, Rena Breur.

The main feature of the program was the one act play, "Aunt Matilda's Birthday," in which the following took part:

FOUR STITCHES TAKEN IN JOHN HOPKINS' HEAD.

John Hopkins sustained a severe cut in the back of his head and was badly shaken up Tuesday when he was thrown from his wheel in a collision with an automobile, driven by Hubert Hayden. Dr. Leenhouts attended him, and four stitches were required to repair the injury.

The accident happened on the corner of Eighth street and Central Avenue. Hopkins evidently did not see the automobile and he rode into the rear of the machine from the side.

HOLLAND OFFICE GOES INTO FIRST CLASS DIVISION

VAN SCHELVEN GETS MORE MONEY

The salary of the Holland postmaster has been increased a hundred dollars a year, beginning yesterday when the local office will be in the first class division for the first time. The advance to first class automatically carries with it an increase in salary for the postmaster. The Zeeland and Grand Haven postmasters will also receive a raise of one hundred dollars and so will the postmasters of numerous other Michigan cities. The Grand Rapids postmaster is raised a thousand dollars, from \$5,000 to \$6,000 a year. A few postmasters will receive less pay than last year and some postoffices have been dropped from the list.

CLARENCE PECK CAUSES PECK OF TROUBLE IN BARBER SHOP

Thought He Was Going To Die and Proceeds to Make Things Lively.

Clarence Peck, a barber on River avenue, went temporarily insane Monday afternoon about 5 o'clock from the sight of blood when he cut an artery by putting his hand thru a show case. Peck was boxing with a friend in the Dogger and Peck shop, when he accidentally struck his hand thru the show case. In jerking his hand out the glass cut a deep gash in his wrist and opened an artery.

When the blood shot out of the cut, Peck for the time being lost his mental balance according to Dr. Thomas who attended to him. The sight of the blood spurting out of his arm caused him to become obsessed with a great fear that he was going to die on the spot and that nothing would prevent it. He straightway commenced to tear things up, and friend and foe suffered alike at his hands. His partner in business, during one of the intervals when he was quiet, seeking to humor him, tried to shake hands but was met with a blow in the face that staggered him. Peck had the shop all to himself for a few minutes and he threw bottles, smashed show cases and tore up things in general. He was finally pinned down and partly calmed while bleeding fiercely. He was taken to Dr. Thomas' office much against his will as he thought he was being arrested. Four stitches were taken in the wound and today Peck is doing nicely.

BAY CITY DRUGGIST WANTS A HOLLANDER AND FAMILY TO WORK HIS LAND

The fame of the Hollanders as celery farmers has gone throughout the state and frequently the newspapers in distant part of the state tell about the celery raising that is done here. That the Hollander has won a reputation in this respect was again illustrated when Mayor Bosch today received a letter from G. M. Milligan of Bay City, who is in the drug and jewelry business in that city, asking for a Holland family to clear a large tract of marsh land for him and raise celery on it.

Mr. Milligan offers good inducements. He will furnish a house free as well as a place for a garden, and will pay the family by the acre for clearing the land and raising celery and other garden truck. His only stipulation is that it shall be a Holland workingman with a family, one who knows something about celery raising.

A SIX THOUSAND DOLLAR FIRE

FACTORY OF HOLLAND LAUNCH AND ENGINE CO., PARTLY DESTROYED.

There was a \$6,000 fire caused by lightning Friday night when the Holland Launch and Engine Company's factory was partly destroyed. Fire broke out at about one o'clock and both departments hastily responded. Not until about three hours later was the fire completely extinguished although the fire departments had the flames under control before the building was half destroyed.

In the building were a number of launches at the time of the fire, some in process of construction and some being repaired. Of these seven were completely destroyed and one was so badly burned that it is practically useless. One of the launches was owned by a Saugatuck man and was valued at a thousand dollars.

The total loss of six thousand dollars is covered by five thousand dollars insurance, one thousand on the building and four thousand on the contents. One of the launches destroyed belong to the Rev. B. F. Brinkman of Pella, Ia., another was the property of L. N. Hobbs, P. M. baggageman. A launch belonging to Robert Poole of this city was slightly damaged. Four of the launches destroyed were the property of Mr. Garvelink.

SUN SETS AT 7:35 BICYCLES MUST HAVE LIGHTS AFTER EIGHT-THIRTY-FIVE

After repeated warnings by the police department the first arrest this spring under the bicycle light ordinance was made Saturday. G. Slickers was the unfortunate example. When arraigned before Justice Miles Saturday afternoon Slickers paid the costs amounting to \$3.

Chief of Police Van Ry stated Saturday that the riders had been given plenty of time to get lights and had been warned enough so that now anyone riding without a light on his wheel after sunset and one hour before sunrise will be arrested if detected.

Miss Grace Browning and Miss Hazel Wing Attended Music Instructors Convention

Two local musicians took part in the closing program of the convention of music instructors held in the state. They were Miss Grace Browning and Miss Hazel Wing. The Muskegon Chronicle says about the work of these young ladies: "Miss Grace Browning a Holland,

Mich., soprano, also substituted for Miss Grace Dymond of Grand Rapids who was to sing but was unable to appear. Miss Browning has studied in Berlin, her teacher being an Italian of prominence and she sings with the high clear head tones which are characteristic of the Italian school. Her voice is of sweet quality and her articulation excellent. Miss Hazel Wing of Holland, pianist, soloist of the evening previous, accompanied her."

MITCHEL SCHREGARDUS IS FREED BY JURY EVENING.

Case Developed Some Interesting Testimony; Witness Gets Tangled

Mitchel Schregardus, charged with assault on Miss Dena DeFrel, was found not guilty Friday afternoon after a trial lasting from about 2 o'clock in the afternoon until 8:30 in the evening. He was given a jury trial before Justice Miles and it was one of the most interesting cases tried in Holland for some time.

Schregardus successfully proved an alibi for the evening of Monday June 15, which was accepted by the jury in the face of the girl's positive statement that Schregardus was the man who assaulted her.

John Jones, Sam Knoll, Jacob Schregardus and Harry Exo were the principal witnesses for the defense. Sam Knoll swore on the stand that on the evening of June 15 he had been with Schregardus every minute from 7 o'clock until 9 o'clock and he swore to it that Schregardus had on a brown suit while Miss De Frel said the man who attacked her had on blue trousers. During the cross examination Knoll was considerably rattled and crossed himself in his story several times. He could not remember anything that happened about Monday night. Several times he swore that Schregardus had never spoken to him about being with him on the night Schregardus was charged with assaulting the girl and then he would say that Schregardus had talked with him on this matter. Knoll was so mixed up at one time that he did the same thing the negro did when arrested for stealing the chickens. When questioned about Monday evening, Knoll said: "Oh! You mean the night Mitch was out with the girl."

The jury was out out a short time when they returned their verdict of not guilty.

Att. Daniel Ten Cate conducted the case for Schregardus and Pros. Att. Louis Osterhouse conducted the case for the people.

The jury was composed of the following men: John Buchanan, Tom White, Andrew Chipkema, Leonard De Loof, Milo De Vries and Nick Hoffman.

SWAMP LAND BETWEEN HUDSONVILLE AND VRIESLAND IS VALUABLE.

The swamp land between Hudsonville and Vriesland has become thickly inhabited. In no other section on earth is there so many five acre farmers as are found here, and in no other spot in this state does land range as high in price as this same muck land in this great swamp. Several offerings have been made of late of upwards of \$400 an acre for this land, but not since Cornelius Spoolman acquired the title of the Sherwood farm has any been transferred.

When the land will raise 400 to 600 boxes of celery to the acre and that celery net the grower more than \$1 a box, it would be the height of folly for him to sell it for less than the net income of one year's crop. So it is that the many persons eager to purchase are disappointed and have to leave for other parts, where, even if they do not find a place where they can produce such celery as is produced here, they can buy land cheaper.

OLDER PUPILS OF MRS. GOWDY ENTERTAINED AT BENNETT FARM

Among those who boarded the 1:15 Saugatuck car Saturday were the older pupils of Mrs. Gowdy's violin class. After a refreshing ride on the car, the party was met at Gibson by Oscar Bennett, the host for the day.

The ride to the Bennett farm was one of the pleasant features of the afternoon.

Several enjoyed the bathing and all entered into the spirit of old fashioned games. But finally the picnic baskets looked so appealing that they could not be resisted.

Delicious strawberries and cream in abundance were furnished by Mr. Bennett and these with the other "eats" were heartily enjoyed.

All are anxiously waiting to see how pleasant they could look when Miss Hicks pressed the button of akodak. But the perfect day finally reached a close and at a late hour all returned to Holland with all kinds of appreciative words for the Bennetts' hospitality.

Music Pupils Discuss the Work of This "Wizard of the Violin."

The second division of violin pupils met with Mrs. Gowdy, Friday afternoon. The life of Paganini, written by Haweis, was read and an interesting conversation on this "wizard of the violin," followed. The following program was rendered: Cradle Song, (Hauser), Angelina Poppen; Loin de Ball, (Gillet) Russell Rutgers; Reverie, (Gills) Lambertus Beuwkes; Scherzo, (Klassert), Theodore Cook.

Each pupil received a Perry picture of Paganini. The refreshment committee, Angelina Poppen and Corneli Oudermeulen, served cake, fruit salad and orangeade.

Minutes Mean Dollars IN TREATING ANIMALS

Doubtless you know the danger of delayed treatment of colic and other diseases. You also realize the wrongly applied remedies are often worse than no treatment at all. In other words, not to diagnose disease accurately may prove fatal. Every owner could be able to recognize an ailment and give correct treatment at the first symptoms. Prompt action is the great secret of treating horses.

Minutes mean dollars. Of course proper treatment is always necessary. That's just how Humphrey's 500 page Veterinary Manual will prove so valuable to you. It is by F. Humphrey, M.D., V.S., and teaches how to diagnose and give proper treatment. This book will save you hundreds of dollars and costs you nothing. It will be sent absolutely free on request to any farmer in order to be introduced in your library. As a reference work you will find it invaluable. To have it in the time of need will be worth many dollars, whereas it will cost you but a post card by writing for it now.

POLICE BOARD TAKES IMPORTANT ACTION

Will Make Hoboes Work On Streets And Do Odd Jobs About The City

Men On Black List And Bicycle Riders Come In For Share Of Attention At Meeting Monday Night

The Board of Police and Fire Commissioners held a very important meeting Monday night and with several Justices of the Peace and Mayor Bosch present important action was taken. The Board decided to check the desire of the knights of the road from coming to Holland and henceforth all men picked up on the street and lodged in the city jail will be haled before a Justice of the Peace under the city ordinance and will be sentenced to hard labor such as working on the streets and doing other city jobs. Common drunks will sometimes be treated in the same way. The men will not have a guard over them and if they run away alright but if they return they will be rearrested on a more serious charge and given a stiff sentence. It is hoped this will check the rush of hoboes to Holland.

Five petitioned to have names taken off the black list were submitted to the Board but the Board was in no hurry to act and the petitions were tabled until next meeting to give the commissioners a chance to investigate the cases.

The Board decided that the city was being made poorer by bicycle riders who violate the ordinance in regard to riding on the sidewalks being fined only the immediate costs of \$3.00 and in the future the fines for this offense will be made stiffer.

MISSIONARIES SAIL TO FIELDS

The Rev. and Mrs. D. Dykstra left Monday on their return trip to Muscat, Arabia where they are engaged in missionary work after a two year's vacation in the United States. They sailed today from New York and will spend two weeks in Palestine.

Friday evening they were tendered a farewell reception at the First Reformed church which was attended by about 300 friends. Addresses were given by several prominent men in church affairs and by friends. Both Mr. and Mrs. Dykstra were presented with keepsakes of Holland.

HOLLAND ASSESSMENT INCREASED

In accordance with the order from the State Tax Commission to assess on cash valuation basis the total assessment of this city is \$9,620,025, according to the equalization table passed by the Board of Supervisors at their session in Grand Haven Friday. The sum of \$2,424,600 was added to Holland City assessment. All property in Ottawa county with this year be assessed on the cash valuation basis.

PIKE SIGNS ARE TACKLED UP

"Western Michigan Pike" signs have been tackled up all along the pike between Holland and Grand Haven by Dr. Wm. De Kleine, president of the Western Michigan Pike association and Dr. A. T. Godfrey. By following these signs the automobilist cannot lose his way along the pike. Similar signs are being tackled up all along the pike from St. Joseph the Straits. The "safety first" slogan was also observed and red signs were posted at all railroad crossings.

HOLLAND AGAIN IN LEAGUE BALL

The independent baseball teams of Holland, Zeeland, Douglas and Pennville have formed a league under the name of Ottawa and Allegan league and have arranged a schedule of games for the summer. The following are the managers of the teams: Holland, Bernard Rosen-dahl; Zeeland, Van Hattsuma; Pennville, Ryndols; Douglas, B. Weigert. The first game will be played at Holland July 25, when Holland and Douglas will cross bats. The first league games were played Saturday.

CONSUL OF NETHERLANDS DIED AT WAUKAZOO

George Birkhoff, Consul General of the Netherlands for the States of Michigan, Illinois and Wisconsin, aged 62 years, died at his cottage at Waukazoo Friday evening at 11:00 o'clock. Mr. Birkhoff was a brother of the late Mrs. Henry Boers and is well known here. Each year the Birkhoff prizes are contested for at Hope College. Short funeral services were held at Waukazoo Saturday morning conducted by Dr. Henry E. Dosker of Louisville, Kentucky and Dr. G. J. Kollen of Holland after which the body was taken to his home in Chicago for burial where the funeral was held Monday.

The Holland Business College Friday brought to a close the school year and students completing their courses were given recommendations and certificates of proficiency. More students were enrolled this year than in any year previous. The new courses in Cost Accounting and Business Efficiency raised the standard of the College work. Nearly half the 1914 graduates have already secured positions.

MONDAY SEMI ANNUAL TAX COLLECTION BEGINS

CITY TREASURER TO GATHER IN OVER A HUNDRED THOUSAND DOLLARS.

Cannot Be Paid After September 1 When Eight Per Cent Will Be Added

Next Monday the July tax gathering time will begin in Holland. It will continue until the 15th day of August, and during that period City Treasurer Vanden Berg will have to gather in \$103,262.50. This money is made up of the school and city taxes, the other taxes being collected in the fall. The school tax will amount to \$42,030.15 and the city taxes to \$61,232.35.

The total assessed valuation on which taxes will be paid is \$7,195,425, or which the personal amounts to \$1,811,995 and the real \$5,383,430. The rate for the July taxes is \$14.35 a thousand. Any property owner, by a simple operation in multiplication, can find how much his tax bill will be, provided of course, he knows how much he is assessed at.

Because of the fact that this is the first time that the semi-annual collection of taxes is put into operation, there is still considerable misunderstanding. There are many who think they can pay now if they want to but that they do not have to. The fact is that if the taxes are not paid now by the 15th of August an additional percentage of four per cent. will be added. That is, only four per cent will be added for those who pay during the next two weeks.

After September first, there will be no more opportunity to pay taxes, but still another four per cent will be added, making the total collection fee eight per cent. This eight per cent will run until the time of collection of taxes in December when the whole amount will be collected. By provisions of the new charter the unpaid taxes on September first will be subject to reassessment for the December campaign of tax collection.

The office hours of City Treasurer Vanden Brink will be as follows: From July 6 to August 8 from 8:30 a. m. to 5 o'clock in the afternoon, with exceptions of Tuesdays and Saturdays when the office will be open until 8:30 in the evening. From August 10 to August 15 the office will be open from 8:30 in the morning till 8:30 in the evening every day.

C. D. GEORGE DIES AT DOUGLAS AS RESULT OF CURIOUS SPREE

Drank Favorite Toilet Water And The Poison Was Too Much For Tramp Barber

Love of strong drink and lack of good taste resulted in the death of C. D. George aged 32 years of South Haven, a barber at Douglas, when he took to drinking the favorite barber's toilet water, Bay Rum. Saturday he took an over dose of the stuff and at about 7:30 Saturday evening he died of poisoning.

George was a tramp barber having been away from his home without his parent's knowing of his whereabouts for the past 3 years. Three weeks ago he came to Douglas and secured work in the Schultz barber shop. On several occasions his employer found it necessary to reprimand him for being under the influence of liquor. Being unable to secure any liquor in Douglas or Saugatuck, as Allegan is a dry county, he conceived the idea of drinking Bay Rum. The rum part sounded all right and probably was, but George evidently did not think of the harm in the "Bay." At first he took only a little bit at a time, but later he became bolder until Saturday he took the required amount. Altogether he drank about three quarts of the 50 per cent alcohol toilet water.

The body was taken to South Haven for burial. He is survived by a mother and a sister, Mrs. R. Gleason, both of South Haven.

Even while George was at Saugatuck, only a matter of about fifteen miles from his home, after being away from home for three years, his mother was unaware of his whereabouts until his death.

"The Mother" was the subject for discussion at the meeting of the Woman's Christian Temperance held Friday afternoon at the home of Mrs. P. Wilms. Mrs. F. T. Miles led in the devotions and roll call was responded to by "Current Events." Mrs. Post was named as delegate to the convention to be held in North Chester in August. Questions were presented to the club concerning "The Child and His Training."

LONG CONTINUED FEUD BETWEEN RESORT COMPANY AND INTERURBAN CO. SETTLED

Work Started Yesterday On Building the Line As Far As the Power House

According to Swan A. Miller of the Macatawa Resort company the differences between the Resort company and the Interurban railroad company have been settled and the long continued feud has come to an end. Yesterday the railroad company began the work of building a track from the end of the present track to Macatawa Park proper. According to park officials the plan is to build another loop where the cars can swing around. This loop will not be on the site of the former loop but will be near the power house. It will take the passengers to Macatawa instead of leaving them half way between Macatawa and Jenison Parks.

There are a number of Holland and Grand Rapids people who have been in the habit for many years of spending their summers at Macatawa but who are remaining at home this year. They refuse to go to the trouble of walking the distance from the present end of the line to the park and hence they are enjoying themselves as best they can at home. In many other ways the taking of the line out of Macatawa Park has proved inconvenient for the public and the information that the company is to build a new terminal that will take the passengers entirely to Macatawa is very welcome news to the traveling public.

The Interurban company now has more and better cars than it has ever had in the history of the line. It has all the facilities of handling the crowds but the fact that the cars did not go as far as Macatawa has been the only drawback. With the building of the new loop this difficulty will be done away with. The loop is expected to be completed in a very short time.

SUPERVISORS GRANT \$150,000 FOR ROADS

That the Board of Supervisors has the utmost confidence in the Good Roads Committee was shown at a meeting of the supervisors Saturday morning when a motion providing for \$150,000 additional good roads bonds to carry on the work in Ottawa county easily carried. The Committee had only asked for \$100,000 but were granted an additional \$50,000. This will be distributed equally among the townships.

MISS LOUISE EMMA WARNSHUIS AND THE REV. MELVIN VERNE OGGELE WEDDING TUESDAY EVENING IN HOPE CHURCH

Three Hundred Witness Beautiful Ceremony in Hope Church; Former Pastor Reads the Service.

One of the most beautiful weddings ever solemnized in Holland took place Tuesday at 7 o'clock at Hope church when Miss Louise Emma Warnshuis, daughter of Mrs. A. C. Warnshuis, was married to the Rev. Melvin Verne Oggele, son of Mr. and Mrs. J. P. Oggele.

The church was beautifully and artistically decorated with lilies and palms which blended appropriately with the bright gowns of the women and sober evening dress of the men. Some three hundred spectators witnessed the ceremony which was performed by the Rev. J. M. Vander Meulen, D. D. of Louisville, Ky., a cousin of the bridegroom, assisted by the Rev. John E. Kuizenga of Holland. The bride was given away by her brother, Dr. F. C. Warnshuis of Grand Rapids. The Episcopal ceremony was used.

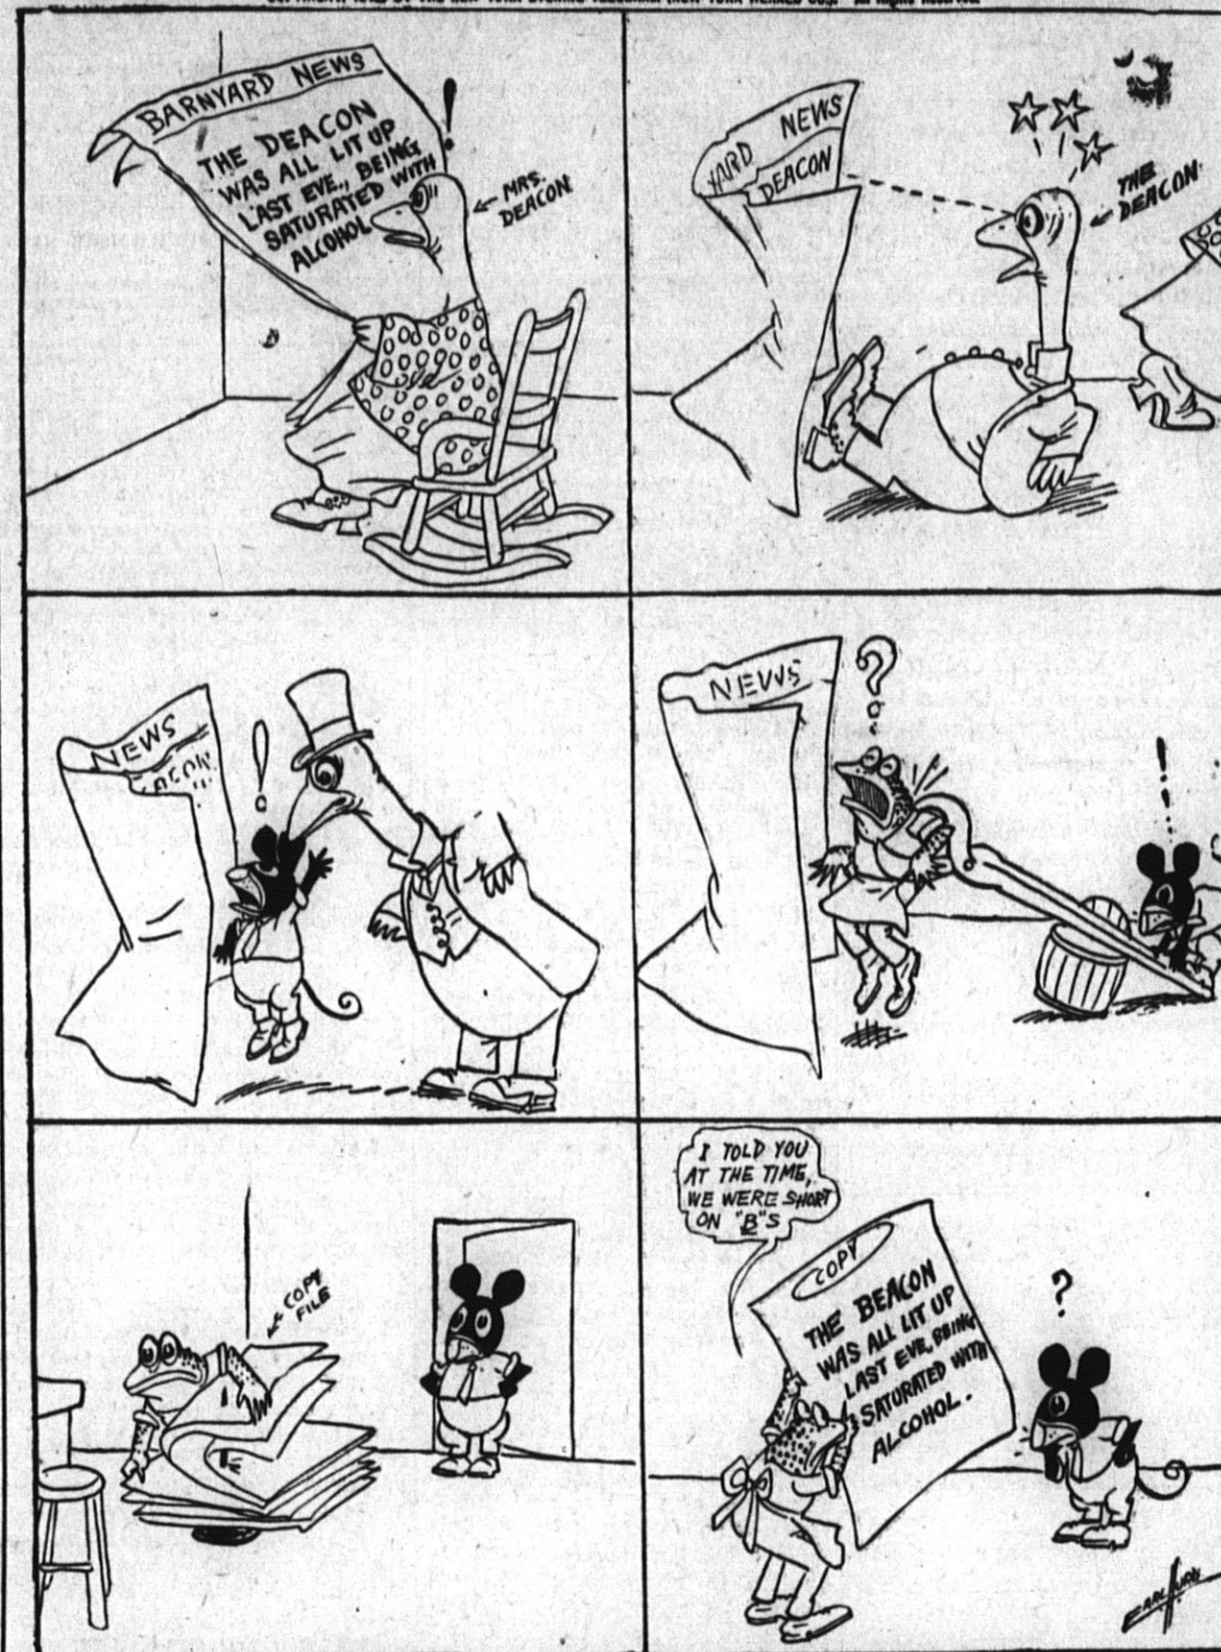

To the strains of Lohengrin's Wedding March, the bridal party, composed of the ushers, bridesmaids, maid-of-honor and bride, with her escort, Dr. F. C. Warnshuis, marched in. A short musical program was rendered while the guests were assembling. Miss Henrietta Warnshuis, sister of the bride played Schubert's Serenade. A duet, "Calm as the Night," by Prof. J. B. Nykerk and Mrs. Helene Pardee, and a solo by Miss Grace Browning.

Directly following the ceremony, while the newly wedded couple were still kneeling, Miss Grace Browning, in a very pleasing manner sang a benediction, "Oh, Perfect Love." For the recessional, Miss Henrietta Warnshuis, who showed herself to be an artist at the organ, played Mendelssohn's Wedding march.

The processional was made most impressive by the gorgeous gowns worn by the women in contrast to the men's attire. The bride was a picture of loveliness in a gown of ivory satin with court train, with Venice lace and pearl trimmings. She wore a beautiful bridal veil fastened with orange blossoms and she carried a shower bouquet of roses and swansonia. A beautiful pearl brooch, the gift of the bridegroom, also added to the beauty of the bride's adornment.

The maid of honor, Miss Anna Warnshuis, sister of the bride was beautifully gowned in light blue satin with entrain trimmed in ivory lace. She wore a snood of blue silk net fastened with pink rose buds and carried a bouquet of pink sweet peas and maiden hair ferns.

The bridesmaids wore gowns of blue crepe de chine trimmed with white lace. They wore snoods of blue maline fastened with rose buds and carried bouquets of pink sweet peas and maiden hair ferns.

The bride's mother, Mrs. A. C. Warnshuis wore gray satin with entrain trimmed with gray chiffon and white lace. She wore a bouquet of lavender sweet peas.

The bridegroom's mother, Mrs. J. P. Oggele, wore white embroidered organdie over lavender satin.

Miss Henrietta Warnshuis, organist wore a very attractive white gown of imported Chinese silk, heavily embroidered.

The bridesmaids were the Misses Vera Fletcher and Gertrude Kanters of Kalamazoo, Evelyn De Vries, Bernice Mulder, Ruth Post and Rose Bruse of this city.

The ushers were George Manting of Grand Haven, John Vruwink of Chicago, Edward De Pree of Zeeland, Gerrit Warnshuis of Detroit, Neal Muste of Grand Rapids and Henry Pyle of Holland.

A reception followed the church ceremony, at the home of the bride's mother, Mrs. A. C. Warnshuis, 82 East Thirteenth street. The rooms were decorated with baskets of pink gladiolas and asparagus plumosa. A three course luncheon was served.

Out-of-town guests besides those mentioned were Mrs. F. J. Eilenburg of Lansing, Mr. J. C. Bright of Chicago, Mr. and Mrs. G. S. Bright and daughter Iris of Grand Rapids, Lillian McCarthy of Grand Rapids, Mrs. De Roo and daughter Margaret of
