RINGLING DAY ALMOST HERE

Big Circus Round This Way On Five Great
Trains Loaded With Wonders

Children are now on their best behavior in anticipation of a real holiday treat on Monday July 12 when Ringling Bros.' World's Greatest Shows will exhibit at Muskegon.

It is expected that this city will send more than its usual number of "sawdust fans" to welcome this popular circus.
Ringling Brothers promise many novelties and innovations and a "bigger and better everything" is the slogan. Preceding the regular circus performance the new spectacle of "Solomon and the Queen of Sheba" will be enacted on the largest stage in the world. This mammoth 1,250-character pageant cost \$1,000,000 and the costumes, scenery and stage properties are said to be a revelation in gorgeousness. Among the 885 scenic acts, are scores of equestrians, including the Lioyd's famous English riders; the Borzina, rolling globe artists; the Josephson Glims troupe; the five highest perch acts ever presented; Big Bingo, the biggest living elephant; five herds of trick elephants; 50 clowns, 20 families of acrobats and a magnificent horse show and speed tournament. The menagerie is larger and more complete than ever and features many animals never before exhibited in America. A free street parade will be given on the morning of show day.

Traveling Man's Experience

"In the summer of 1888 I had a very severe attack of cholera morbus. Two physicians worked over me from four a. m. to 6 p. m. without giving me any relief and then told me they did not expect me to live; that I had best telegraph for my family. Instead of doing so, I gave the hotel porter fifty cents and told him to buy me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and take no substitute. I took a double dose according to the directions and went to sleep after the second dose. At five o'clock the next morning I was called by my order and took a train for my next stopping point, a well man but feeling rather shaky from the severity of the attack," writes H. W. Ireland, Louisville, Ky. Obtainable everywhere.—Adv.

SPEED COP NO RESPECT
OF PERSONS

MANY SPEEDERS AND SIDEWALK
RIDERS TAKEN IN BY POLICE
DEPARTMENT THIS MONTH

Officer Bontekoe has the record of making more arrests this month than all the other officers taken together. This is due not alone to the fact that he is a speedy cop but also a speed cop. Bontekoe has added twenty-two scalps to his belt this month. Sketete 8; O'Connor 6; Wagner, Meeuwse and the chief, each two, making 42 arrests in all. Out of this array of arrests there were nine speeders and seven cyclists who love the sidewalk better than the road, thirteen drunks who like the road better than the sidewalk. Mixed in this mess were a couple vehicle ordinance violators, two selling liquors to minors, one contributing to a delinquent, another for indecent language with a final wind-up of a seduction case, a robbery committed by a man with the awful name of Sargis Volvinee. There were fourteen tramps in the city jail. The doors of ten places of business were left open and the amount of \$106.10 in fines were received. An air of respectability is also mingled in the list, as one professor came under the violations of riding on the walk.
That the speed cop is no respecter of even his own relatives is shown when Bontekoe arrested Bontekoe. So you see taking it all in all the police docket has been an interesting one.

BRYAN FINED FOR SPEEDING.

Ernest Bryan of Detroit was fined \$4.90 for speeding 70 miles an hour on the Macatawa Park road. That's going faster than the ex-Secretary of States.

BOYS WILL BE IN CAMP

CAMP BAN BEARD FOR BOY
SCOUTS OPENS AUGUST
AT WAUKAZOO FOR
THREE WEEKS

Parents Will Get Wireless Messages
from Boys Every Night

The annual summer encampment for the Holland Boy Scouts will begin August 7 at Waukazoo. It is planned to keep the camp open until August 28 because of the many who wish to go. Several new Amazon tents made of the finest arm khaki have been purchased and the camp will be a model one. A diving platform and spring board will be built and bouys set out in the water at ten, twenty-five and 50 feet distances for the diving and swimming races and boating games. Competent swimming instructors will be on the spot when the boys takes their dips. A base ball diamond, basket ball and volley ball court will be laid out on the parade ground and the camp messers will fight it out for the championship in the square circle.

The camp will be under the supervision of Captain Jake Van-Putten, Scout Masters Gilbert and Holt and assistant Scout Masters Daniel Den Uyl, Buck Oudemolen, Al Zuidema and Jim Van Ark.

A competent cook will be employed. The cost to the boys and officers will be \$2.50 per week. Applications must be in and money paid before August 1. Only second class scouts will be admitted as the officers are planning to instruct the scouts in merit badge work.

An important meeting is called for all scouts at headquarters in the High school Monday evening at 7 o'clock. Scouts are urged to tell their fellow-scouts to be sure and attend this meeting. The officer troop and the High school troop should be at the meeting to a man as plans for the full tournaments and team organization to meet the challengers from neighboring town scouts will be made.

It is planned, if funds can be raised, to install a wireless system of telegraphy at Ban Beard. Allen Streur has charge of that department of scout work. If the wireless is put in messages will be sent to the boys who have stations in Holland and they will keep the mothers and dads informed as to the welfare of the campers, hearing from the scouts every night by wireless. The orders for supplies will be relayed to the dealers by the receivers of the messages.

This expedition marks the opening of the annual encampment of the Chicago boys at their summer camping ground, the gift of the Chicago Board of Trade. L. L. McDonald, scout executive for Chicago district, was in charge of the department arriving June 28. The boys took possession of the steamship Carolina and manned the vessel from the wireless to the bridge. Chicago Tribune.

COMMON COUNCIL DOES
WORK IN A HURRY

MATTER OF COMPELLING INTER-
URBAN TO STOP LIMITEDS AT
ALL CROSSINGS COMES UP
IN COUNCIL

New Vault to Be Placed in the City
Hall; Will Loan Steam Roller
—Last of Recall Case

The meeting of the Common Council was of short duration and little over twenty minutes was consumed for the Council to dispose of the business before it, after a three weeks' lay-off.

The first matter to come up was the protection of the books of the city engineer which in case of fire would be in jeopardy.

Ald. Prins recommended that a steel vault and fixtures similar to the one in the city clerk's office be installed. Apparently Ald. Prins has had a change of heart in the line of fire protection, as he was very enthusiastic in getting these books protected. He said that owing to the lack of a vault "All things were lying around like in the woods yet." Thereupon the council immediately granted the request for the vault and it will be installed as soon as possible.

Echoes of De Keyzer Re-Call

A faint echo of the De Keyzer re-call police board case came up when the bill of Attorney Smedley of Grand Rapids, for \$185.82 was allowed by a unanimous vote. Altho the aldermen were not falling over themselves to vote for it, it was about the only thing left for them to do, thus winding up Holland's first attempt at an official recall.

Base Ball Will Continue to Be Played
at Fifteenth Street

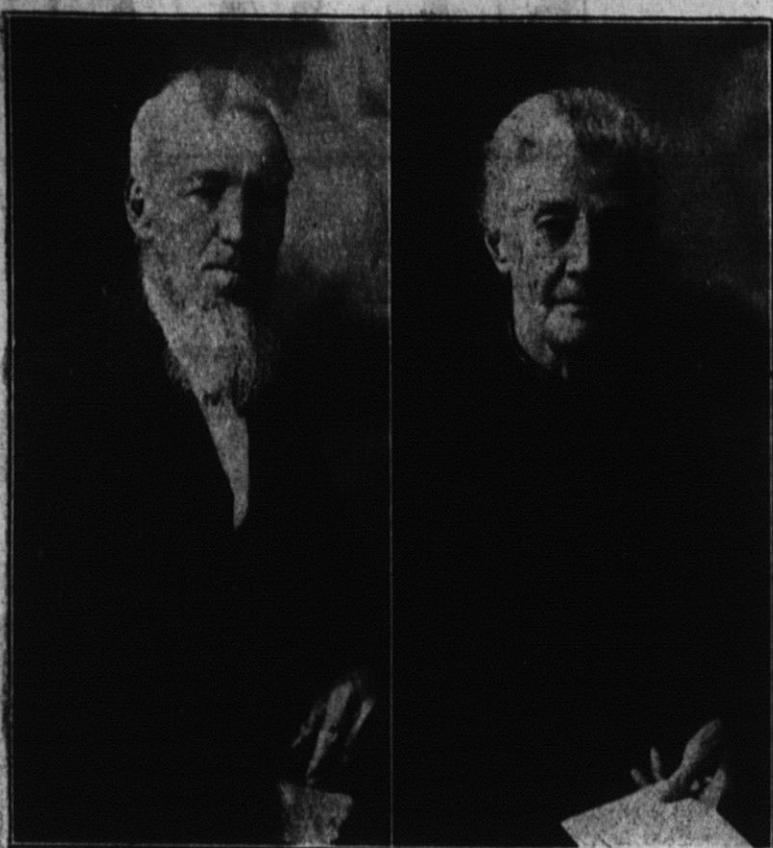

The aldermen quite generally felt last evening that the boys should not be prohibited from playing base ball on the Vander Veen property on River avenue and Fifteenth street.

Baseball was caught up in the shuffle with street carnivals, festivals and shows of like nature, when they were tabbed by the neighbors in that vicinity in the form of a petition asking the council to prohibit any further disturbance of any kind, be it base ball or show. Judging from the temper of the council last evening, in the future the members will frown on shows and smile on base ball, as far as the 15th street grounds are concerned. The members felt that there were few enough playgrounds in the city and while Mr. Vander Veen was willing to donate these grounds the city should encourage rather than discourage, places for clean sport under proper police surveillance.

Wind Don't Blow Right

The committee having in charge the investigation of the smoke nuisance, arising from the West Michigan Steam Laundry were asked for a report. Tenants from the Holland City State Bank block had been complaining bitterly some time ago that the smoke was flowing into their windows. However, this was last summer in April 1915 and since that time this committee has been watching the weather vein daily looking for an auspicious occasion when the wind would again blow from the prevailing southwest. But the arrow remains pointing toward the north and the committee has had no chance to watch the rule of cause and effect. For the benefit of the farmer, Holland and its resorts and the corn, we hope that the wind will change so that the smoke committee can make a report soon.

HOLLAND TOWN

Harm Kragt, a pioneer of Holland township and for the past twenty years a resident of Holland, died Friday afternoon at his home, 389 Central avenue, at the age of 75 years. Death was caused by diabetes.

Mr. and Mrs. Kragt were married in the Netherlands and they came to Holland in 1865. They made their home on a farm about two miles east of this city near Schouten's bridge until 20 year ago, when they moved to this city. Mr. Kragt had been an officer of the Central Avenue church for the past forty years.

The deceased is survived a widow and seven children. The children are Klaas, now living on the old homestead, Mrs. J. Huizenga of New Groningen, H. HUDSONVILLE

A motor party of nineteen left right after church last Sunday for a trip down to the lake. They first visited Lakewood Farm, Holland, Maastawa and Jenison Park, having a picnic supper at the latter place. They report a fine time. Those from here were: F. L. Chamberlain, wife and daughters Alice and Emily; their married daughter, Mrs. H. De Groot and husband; A. W. Sherwood and wife Arthur Sadler, wife and little son, E. Brow of Detroit and Earl Peasley and wife and O. H. Hara and wife of Byron Center.

The H. J. Heinz pickle salting station here has shipped out three cars of pickles from here in the past few days. Another large vat is being added to their outfit here and everything is being put in readiness for this season's harvest, which will begin soon.

The death of Mrs. Joseph Totten of Holland has cast a gloom over the entire vicinity. She was for many years a resident of this place and endeared herself among her hosts of friends by the beautiful spirit of love and the many characteristics that make an ideal life. Though lost to sight, to memory she will be ever dear and we think of her as not dead but gone to join the innumerable host that gathers around the white throne. Mr. and Mrs. Totten moved to Holland shortly after the marriage of their adopted daughter, Hattie, where they were residing when Mrs. Totten after a protracted illness passed away. Her remains were brought to Hudsonville, Friday, June 25th, and the funeral services were held in the Congregational church, of which she was formerly a faithful and active member. Surrounded with roses and quantities of other fragrant and beautiful flowers her earthly remains received a last loving tribute by many weeping friends. Rev. Fryer's eloquent words were fervent and appropriate, befitting the life so loved and esteemed. We heartily sympathize with the bereft and sorrow-stricken husband and daughter in the loss they are sustaining. Among those from out of town who attended the funeral were Mrs. John Larkins of Saskatchewan, Mrs. Will De Kleine and Mrs. E. Hoyt of Ann Arbor, Dr. and Mrs. Godfrey of Holland, Miss Totten, a niece from Pennsylvania and Mrs. J. Wilkinson of Grand Rapids. Mrs. Totten was laid beside her little daughter, Mamie, in Georgetown cemetery.

There is a reaper whose name is death, And with his sickle keen, He reaps the bearded grain at a breath, And the flowers that grow between."

Hudsonville, Mich., July 6—Mystery surrounds the origin of a disastrous fire near here Monday afternoon, which resulted in the burning of the barn and residence of Herman Ringerwole and the residence and another building belonging to Abraham De Grotus, with an estimated loss amounting to \$6,500.

The Ringerwole family were attending a church picnic when they were notified that their house and barn were on fire. Neighbors rallied to their assistance but aside from saving some of the contents of the house, their property is a total loss. It is thought that the fire caught in the barn and spread to the house, but what caused the barn to catch on fire is not known. The blaze at the Ringerwole residence was discovered at about 4 o'clock yesterday afternoon.

Wind carried sparks from the Ringerwole buildings to the residence of De Grotus, and despite the best efforts of neighbors this building too was destroyed. The buildings of the two fires were insured for a small sum.

CHRS VAN DYKE OF ZEELAND SETTLES AFTER EXAMINATION FOR VIRGINIA PARK AFFAIR AND IS RE-ARRESTED

One of the largest fines assessed in a local justice court in some time was paid smilingly by Chris Van Dyke of Zeeland Thursday. At an examination before Justice Miles in the court room of the city hall on a charge of

felonious assault on the person of Harry Golbraith sufficient evidence was not brought against Mr. Van Dyke to hold him on this charge, but Mr. Van Dyke admitted assault and battery on Mr. Golbraith. Justice Miles then pronounced a sentence of a fine of \$50 and costs of \$3.50 against Van Dyke. Mr. Van Dyke, who had assumed an air of bravo throughout the examination, stepped forward with a sneering smile on his lips and threw a \$100 bill before the justice saying that was the smallest change he had.

However Mr. Van Dyke was not yet out of trouble. He had no sooner paid his fine and started to leave when Deputy Sheriff Joe Meyers, who has pushed the case and worked it out from the first, stepped forward, and placed Van Dyke under arrest on a charge of disorderly conduct. This warrant was issued by Justice Sooy. Van Dyke was brought before Justice Sooy where he pleaded guilty and paid the costs of \$4.00.

Other members of the automobile party of Zeeland young men who stopped in front of Mattison's place at Virginia Park and caused a disturbance which ended with Van Dyke's assault on Mr. Golbraith were arrested Thursday.

Frank Van Bree and Chester La Huis of Zeeland pleaded guilty to disorderly conduct before Justice Sooy and each paid the costs of \$7.00. Warrants have been issued by Justice Sooy for the arrest of John and Nelson Veneklassen of Zeeland on a disorderly charge and they will be arraigned later.

Van Dyke and La Huis had already purchased tickets to San Francisco and they leave tonight.

Late Thursday Harry Golbraith of Virginia Park started a suit for damages against Chris Van Dyke of Zeeland for injuries received when Van Dyke struck him Sunday night. Golbraith asks for \$100 damages.

AUTHORITIES DID NOT CATCH VAN DYKE

The suit started by Harry Golbraith chauffeur for Mr. George Beidler of Virginia Park, against Chris Van Dyke of Zeeland asking for 100 damages for injuries received when Van Dyke hit him last Sunday night, did not interfere with Mr. Van Dyke's trip to San Francisco on which he started Thursday night with Chester La Huis to attend the Exposition. Although Deputy Sheriff Joe Meyers had a civil warrant for Van Dyke to grab him when he tried to leave, Van Dyke gave the officer the slip and is now well on his way to San Francisco.

Van Dyke paid an aggregate of \$57.50 in fines Thursday afternoon for his assault on Mr. Golbraith and for disorderly conduct.

**KNICKERBOCKER THEATER
GETS 30 DAY SENTENCE**

Continued His Bunt After Arrest and
Solicited Aid of Attorney; Wanted
Minister to Go His Ball

A. Berlin, who came to this city a few weeks ago, boldly gave out the information that he was going to open up and operate the Knickerbocker theater, and then borrowed money on the face of the information, is now enjoying the pleasant weather in the Ottawa county jail.

When Mr. Berlin was brought back to this city from Owosso to answer to a charge of jumping his hotel bill at the Bristol hotel he still assumed a superior air as if he was far above doing anything like jumping a hotel bill. When arraigned before Justice Miles in the morning, Mr. Berlin asked if he could have some time to get bonds and engage an attorney. The case was held open until the afternoon.

Mr. Berlin went to a local attorney to solicit his services to intercede for him. However about the only way Mr. Berlin's case could be settled was to settle for the hotel bill, and the man did not have any money. Mr. Berlin called up a local minister and asked him to go his bail. Mr. Berlin had a list of the names of ministers in different cities and it is very likely he finds it convenient to call on a minister to get him out of trouble by giving a smooth story.

Unable to get out of his trouble, Mr. Berlin appeared before Justice Miles late Thursday afternoon and pleaded guilty to the charge against him. Justice Miles promptly sentenced him to spend thirty days in the county jail.

**COMMITTEE MAKING ARRANGEMENTS TO PROVIDE LODGING-
FOR STATE LETTER CARRIERS DELEGATES**

When the State Letter Carriers association convention is held in Holland on July 20 and 21 a large number of people are expected here, so many in fact that it is believed that the hotels will not be able to accommodate nearly all of them. For that reason the committee in charge of arrangements is making arrangements to secure rooms for many of the delegates in private homes. Any one who wishes to rent rooms to the delegates during these two days should get into communication with Anthony Rosback, 218 East Twelfth street.

**TAKEN TO MISSOURI OTTAWA
MAN'S HOUND MAKES RETURN TRIP.**

Last October, Henry M. Alexander of Ottawa county, left for Missouri, taking his family in a covered wagon, commonly called a prairie schooner. A valuable hound also was taken along. The party crossed the Mississippi river at Clarksville, on a ferry and proceeded to their destination, 30 miles west of their crossing point. About May 1 the dog was missed. Mr. Alexander then learned from the ferryman at Clarksville that the dog was seen to swim the river at that point. Alexander gave the dog up as lost.

George Walton lives on the place of the Alexanders vacated at Hudsonville. One morning recently he was surprised to find Alexander's hound lying on the doorstep. The dog was emaciated, but seemed happy, if dogs are happy, at being home again. Walton wrote Mr. Alexander and has received a letter asking him to be kind to the canine. Mr. Alexander will come for her in October, he said. It is estimated the dog traveled over 650 miles in returning.

If Your Buildings are Wrecked by Wind--Who Pays?

Millions of Dollars worth of Property is Destroyed Every Year in Michigan by Terrible
Windstorms, Tornadoes and Cyclones

If You Lost Your Property That Way Wouldn't it
Be Nice To Have Someone Pay You Back Your Loss

There is no locality or section of the state that is exempt from the visits of these awful destroyers. They are just as apt to sweep down into the valleys, as one did last year, when it thundered down into the valley of the Grand River and completely wiped out the little town of Petrieville, in Eaton County, which nestled on its banks. The people of that little town thought because they were located in a valley and had never been visited by a Cyclone that they never would be harmed, and that if a cyclone should come it would "jump over them." For that reason not a single person there carried a cent of insurance against Cyclones and Windstorms. But every building in the little town was completely wrecked. Cyclones absolutely know no law, and really seem to take special delight in violating all human probability. No locality is immune from their visits.

It would cost you very little to have us carry the risk of your property and then if a Tornado or Windstorm visits your locality, as it is liable to do, your interests are protected. This is the period when these terrible Demons of Destruction are getting in their work and your home may be next. It's a wise man who provides against loss from this source.

We are backed by over 60,000 members and an assessable property valuation of over \$120,000,000.00. A policy in our Company is as safe and sound as a Government Bond.

But We Don't Bid For Your Trade On These Grounds

and to have another steam roller are shy one steam roller in the city and while the councilmen might be one of the proverbial steam rollers mentioned in connection with the two predominating parties, the mayor and the council thought this would hardly be as effective as a genuine east iron one. Considerable good work is being done in repairing the streets and the city roller is hard at work trying to catch up. On top of this street repairing work comes the repairing of Twelfth street, where the city roller will be needed continuously for some time. County Road Commissioner Austin Harrington has been asked by the committee on streets for the loan of the county roller for a period of ten days. The city to pay the county \$5 a day for the use of it. About a year ago the county was in urgent need of an extra steam roller and at that time the city loaned the Holland roller to the county at the rate of \$5.00 a day.

Holland's Trees Will Be Inspected
Three men will be appointed by the Mayor to inspect trees and shrubbery in the city in order to eradicate tree pests such as San Jose scale and kindred parasites that are a bane to tree life all over the country. This committee will work in conjunction with the county and state commissions who have this work in charge.

Station Agent Mr. Rich of the P. M. railroad company will stand personally responsible for the ringing of the bell while trains pass at the crossing on west 12th street. Complaints have been coming in to the effect that this bell is silent as the trains pass, making it a dangerous crossing for pedestrians and vehicles.

The Poor came in for \$148.50 in three weeks time.

A strenuous kick was brought in by neighbors relative to broken walks and the council ordered that the broken sidewalks at the following places be repaired immediately. At the corner of Eleventh and First Avenue; also at 76 First Avenue sidewalk in front of a lot belong to John Beardslee and sidewalk in front of lot belonging to Mrs. Pieters on West Eleventh street.

Further sidewalk legislation was brought about when the walk along Twenty-fourth street was ordered laid and the city promised in connection therewith to lay a crossing at Michigan Avenue.

The only matter that precipitated any discussion was relative to the petition sent in by the business men and others asking that the Interurban Co. be compelled to stop at all crossings. Mr. Floyd has been seen about the matter and he told the committee that he has been around to call upon most of the petitioners and those that he had seen were satisfied after the matter had been presented to them in the proper light. Of course in the winter, spring and fall the cars stop at all the crossings, but this is the summer schedule which was very necessary for resort transit, said Mr. Floyd, and the reports are a very beneficial factor for Holland. Mr. Floyd also said that Zeeland started to handicap the interurban road schedule and now they have only one stopping place in Zeeland, the road being compelled to buy its own right-of-way through the city. The mayor said he did not want to be exacting, but that the interurban must play fair and not expect to have everything come one way. He said further if this what they intended to do, drastic measures would be taken to make them live up to the franchise in every detail. With the exception of Aldermen Vander Hill and Wiersema, who wanted the road to live up to the letter of the franchise, the other aldermen and the mayor felt that both city and street car company should give and taken in the matter along the line of past negotiations, but it was thoroughly understood that the city should be dealt with fairly. According to City Attorney McBride, Charles Floyd has indicated that he will fix up a schedule which will meet with the city's approval, altho in doing so he says considerable time will be lost in going through Holland with the limited cars.

The News thinks that the matter of stopping of limited cars should be gone into very carefully, because "what is good for the goose, is good for the gander," and the interurban road might be asked to stop at every cross road between Grand Rapids and Holland and the resorters and Holland passengers might thus spend the greater part of the day in transit along the companies right of way. There is no doubt that Holland citizens are glad that only one stop is made in Zeeland and that the resorters are glad that fewer stops are made in Holland and that the Saugatuck people would be still more pleased if the car would not linger anywhere. Our own experience has been a kindly feeling towards the road when the car whizzes by Jenison, Jamestown, Forest-grove and Vriesland. But, a growl will pass our lips should the car go a block beyond our destination. Some regard should be had for our resort travel which means much to this city. How much is self-evident and shown in liberal donations made for a cement road recently and other improvements which will foster a kindly feeling between the resorts and this city.

On the other hand the interurban road should give Holland some consideration and live up to their past record of giving this city a fair deal. The city council should be sane in their demands and the street car company should be reasonable in their schedule. But the idea which a couple of the aldermen wish to convey seems to be that "it's a corporation. Let's go after them to the limit." This is unfair. Corporations have their rights as well as individuals besides there are good corporations and bad corporations and on the whole it can be said that the Holland Interurban has been a good corporation in this city.

CHICAGO MAN THOUGHT THEY
WOULD GET RICH RUNNING A
CHICKEN FARM IN ALLE-
GAN COUNTY.

Jews In Church of Gentiles

Judge Cross has just rendered a verdict in a suit at law that concerned three printers who came from Chicago and bought a farm in Allegan county some time ago. They were Thomas J. Forrest and Edwin Wilcox and the third man was a Jew, Henry Perlman. The latter was a sharp one and the other two were good clean young men who got to thinking and reading and then to dreaming that they could establish a great chicken farm in Allegan county, get away from their confinement in the city and grow rich. Their plans and dreams, as it came out in court, were amusing, for they figured, as many others have done, that there was a fortune to be gotten without much work and some trouble. Forrest and Wilcox entered into partnership with Perlman, thinking he knew all about the chicken business, and they all put in money, together about \$6,000. The Jew was sent over to manage the farm and his letters back to his partners were interesting. One which made all the court smile, described Perlman's trip to church with some Casco neighbors. He told them all about it and then added: "Don't tell a soul about this; but say, it must have been great to see my face in a Christian church." The partnership failed and the three could not divide the remains amicably. Judge Cross ordered the property sold, all debts paid, and remainder divided equally among the three dreamers.

Twin Tires?—No

One's a Goodyear as It Might Be
The Other Costs Us \$1,635,000 More

This is to prove that you
can't judge tires by looks.

Here are two Goodyear
tires, seemingly identical. But
one is built like many of its
rivals. Goodyear extras are
omitted. The other has those
hidden values. And those un-
seen extras, on this year's out-
put, will cost us \$1,635,000.
This year's betterments
alone add to our cost \$500,-
000 yearly. Yet our 1915
price reduction saves our
users about five million dollars.

No Price Excuse

This is not a price excuse.
Goodyear prices have been
fairly racing down. Our late
big reduction
made the
third in two
years, total-
ing 45 per
cent. No
equal tire
can compete

with the Goodyear, because
of our matchless output. None
does. Goodyear excels all
other tires in at least five im-
portant ways.

You Deserve It

You deserve the Goodyear
quality when you buy a tire.
You deserve Fortified Tires,
with the No-Rim-Cut feature,

the "On-Air" cure, our extra-
strong fabric, our number of
plies. You deserve in anti-skids
our All-Weather tread, tough,
double-thick and resistless.

These things have brought
Goodyear the largest sale in
the world. They are saving our
users millions of dollars yearly.

They are at
your com-
mand. Any
dealer, if you
ask him, will
supply you
Goodyear

NEW BASEBALL TEAM READY FOR BUSINESS

GAMES ARE TO BE PLAYED IN THIS CITY EVERY OTHER SATURDAY

Fennville, Douglas and Zeeland Are the Other Cities Represented in the League.

At an enthusiastic meeting held Thursday night in Lyceum ring an amateur baseball league was formed by the present independent teams of Holland, Zeeland, Douglas and Fennville. Arrangements were made to have each team play twelve games during the season and each team has posted a ten dollar guarantee which will be forfeited if a team fails to play the 12 games scheduled. A league game will be played every Saturday. Every other Saturday the Holland team will play a league game at home.

The first game of league ball will be played by the Holland team Monday when the local team will play the Zeeland team at Zeeland in the morning and again in the afternoon at Jenica Park. The Douglas and Fennville teams will open the season with a game at Douglas Saturday; and these two team will play again Monday at Fennville.

The league will employ two official umpires for the season. They will probably be Jack Schouten of this city and Mr. Holt of Ganges. Both of these men are known as good fair umpires from their past records.

All four teams in the new league are now very evenly matched and they have played some close games already this season while playing independent ball. At the meeting last night it was decided that neither team would be allowed to hire any outside players. New players can be recruited in the home city for each team.

A trophy will be given to the pennant-winning team at the close of the season.

At the meeting last night Charles Ash, manager and captain of the Douglas team, Spriggs To Roller, Captain and Walter Van Hietsema, manager of the Zeeland team, and Ralph (Babe) Woldring, manager and captain of the Holland team, were present. Another meeting will be held in about a week to make further arrangements.

THE "ZOE T." AND THE "TREPANG" WERE IN HELPLESS CONDITION OFF MACATAWA PARK ON LAKE MICHIGAN

Two yachts were disabled in the vicinity of the Macatawa Park Coast Guard station. The "Zoe T.", a 35-foot boat, was beached three miles north of the station Sunday due to crippled machinery. The coast guard towed the boat in. It was owned by Tubbergen Brothers who were on their way to Macatawa via Grand Haven.

Monday the "Trepang" a 40-foot auxiliary gas yacht, bound from Chicago to Saugatuck, was spied by the look out at Macatawa in a disabled condition a few miles south of the south pier. The crew went to the rescue and towed it in. The boat was owned by O. P. Alford of Chicago, and those in the boat at the time of the accident, were Mr. Alford, his wife, five children and Earl Bigelow, of Evanston.

MOVEMENT ON FOOT TO INCREASE ACCOMMODATIONS FOR THE RESORTERS

Is Another Outgrowth of the Meeting At Lakewood Farm Last Week.

A remark made by Mr. Getz at the meeting of Chamber of Commerce at Lakewood farm Wednesday afternoon to the effect that there was not a good landing for launches in Holland did not pass without effect on the Holland people. The figures compiled by Judge Everett of Waukazo, as announced by Mr. Getz, that an average of \$10 is spent in Holland by every launch party that comes here from the resorts about the lake has awakened the people of Holland to the value of a safe and attractive boat landing.

In the past the city has fixed up the Scott-Lugers dock as a landing place for launches and that dock is now used extensively by the resorters. Still Mr. Getz said in his frank heart to heart talk with the members of the Chamber of Commerce that a gentleman from Waukazo trying to make a landing at that dock, struck a snag and a large hole was torn in his boat. "One accident like that is enough to make a stranger, or rather summer visitor, sore at Holland in general for some time to come."

"The social and business gathering at Lakewood farm has done more to bring about a clear understanding between resorters and people of Holland and any efforts in that direction in the past and now, while the citizens of Holland as well as the resorters are in the spirit of the movement is the time to make rapid strides forward," said an influential member of the Chamber of Commerce today. "We should do all in our power to bring the resorters to Holland to do their trading here and to make them take an interest in the little city they visit every summer; that is possible to be done. The city gateways to the city should be opened wide. The gateways to the city are the roads, the Interurban and by water route. We are now interested in road building and the citizens of Holland have responded nobly to the call for public spiritedness."

"However the other important gateway to the city, namely the water route has been sadly neglected. Although the city has fixed up the Scott-Lugers dock somewhat, much more could and should be done. The slip should be cleaned out well to prevent a recurrence of the accident suffered by the Waukazo party. The dock and path leading to River Avenue should then be made attractive. Instead of the two small lights now on the dock, the dock should be well lighted and the pathway leading to the street should be lit up like a boulevard. To top this off the city should put up a large electric sign on the dock that can be seen for some distance, so that the launch parties can easily find their way to the city dock by night or by day. This will make the visitors feel welcome and it will certainly help Holland."

CONCRETE ROAD DONATIONS NOW
REACH A TOTAL OF \$2957.50

Many Manufacturers Still to Be Heard
From; Look for Good Sum From
Waukazoo and Ottawa Beach

In addition to the \$2,872.50 that was reported as having been subscribed for the concrete highway on the Alpena road up to Saturday noon, \$85 was reported by two of the committees Saturday afternoon. The sum is made up of following donations: N. J. Jonker \$50; W. J. Garrod, \$25; Overland Garage, \$10; James Kole \$10. This makes a total so far subscribed of \$2957.50.

Following is the complete list of donations secured Thursday and Friday up to 2 o'clock: Added to the \$2,300 secured at the Lakewood Farm meeting, the total now is \$2,872.50. A. Steketee is listed in the following list as giving \$25. His total is \$50, half of which was reported in Thursday's list.

A. Steketee \$25; W. P. Scott, \$10; L. Sprietsma & Sons, \$25; Enos Stone, \$5; S. Nibbelink, \$10; John Bosman, \$10; Lee Cummings, \$5; I. Kouw & Co., \$25; Benard Keefer, \$5; Gimes Kotros, \$5; Wykhuisen & Karreman, \$5; Vander Linde & Visser, \$25; Vaupell & Alderworth, \$5; H. Van Tongeren, \$10; H. R. Doesburg, \$10; J. O. Steketee, \$10; Fred Jackson, \$10; Paul Coster, \$5; Model Drug Store \$5; J. Benjamin, \$5; John Kleis, \$5.

In view of the fact that Waukazoo has so far not been counted in, this amount is very encouraging. Waukazoo is looked to for about \$500. The sum will be definitely subscribed as soon as the cottagers at that resort can hold a meeting for this purpose. A considerable sum is expected to come from Ottawa Beach also. If that resort should do as well as Waukazoo is confidently expected to do, the four thousand mark will be reached.

CARRIER, HAVING BROKEN RIB
KEEPS AT HIS WORK

Although he sustained a broken rib and other injuries in a runaway accident, Dick H. Oosting, a rural carrier, completed his route, a distance of several miles, before he was removed to his home, Monday. Oosting's horse took fright when the harness broke, throwing the driver out of the rig, and the animal ran nearly a mile before being caught. One of Oosting's patrons provided a rig and drove him to Holland so the carrier could deliver his mail.

MR. AND MRS. GERRET VANDEN BERG
MARRIED FIFTY
YEARS AGO.

Observe Anniversary Friday at Their
Home In This
City.

Mr. and Mrs. Gerrit Vanden Berg Friday celebrated their golden wedding anniversary. The couple were married at the old Graafschap church by the Rev. D. Broeks on July 2, 1865. The old couple have lived in and about Holland since 1865.

Mr. Vanden Berg came to this country with his parents in 1856. They crossed the ocean in a three-masted schooner and it took them forty-two days to cross from Rotterdam to New York.

From New York they came to Kalamazoo and then they came the rest of the way by team and wagon across country to Holland, landing here Oct. 4, 1856. They located on an 80-acre farm in Fillmore township where they lived a few years with his parents.

Mr. Vanden Berg has also lived in the now forgotten village of Singapore which in those days was quite a prosperous lumbering town and there is where he got acquainted with his future wife, Miss Alida Kalewart, her father being an old ship carpenter who repaired and built ships at that place.

After living on a farm in East Saugatuck for 31 years they bought 10 acres of land just outside of town and lived there 15 years and then moved to Holland this spring, residing at 115 East 16th street.

Mr. Vanden Berg boasts of helping to elect Abraham Lincoln as president of the United States. He cast his first vote for Lincoln and he has never missed voting the republican ticket and has never missed an election in the many years he has voted.

The immediate family all helped Mr. and Mrs. Vanden Berg celebrate the day. The old couple were the recipients of a number of beautiful gifts. Mr. and Mrs. Vanden Berg are the parents of eight girls and three boys, nine of the children still living, all residents or living near the city except one who lives on a farm near Cadillac.

Dr. M. J. Cook, the dentist, has returned from his vacation and is back in his office for business.
