ANOTHER NEW
BUILDING FOR
EIGHTH STREETHENRY MAATMAN TO ERECT DOU-
BLE STORE WEST OF STRAND
THEATRE

The Bohls Lumber & Manu-
facturing company have just secured the
contract to build a double store in the
open space between the Strand
theatre and Meyer's music house.

The builder is Henry Maatman, lo-
cal shoe dealer and he will spend
more than \$40,000 erecting this store.
The building will be 25x50 feet two
stories, built of solid brick and tile.
The ground floor will be occupied
with mercantile business, including
the shoe store now conducted by Mr.
Maatman. The second floor will be
used for offices. The very latest in
lighting arrangements will be install-
ed and the daylight feature will not
be forgotten.

The entry ways to the two stores
will be in tile and the show windows
will be uniquely arranged to show off
goods to the best advantage.

Mr. Bohls states that excavation
for the new building will begin next
week, and that the new block will be
ready for occupancy early in the fall,
well in advance of the Christmas hol-
iday season.

With the building of the new Peo-
ple State Bank, the erection of the
three story Walsh block, on the old
Lycium Opera House site and the
building of the new Maatman block
there is not a foot of ground remain-
ing in the two principal blocks of the
city that is not occupied by a busi-
ness building.

Within these two blocks there are
only three wooden buildings remain-
ing, and one of these at least is to
be replaced with a stone structure with-
in the next two years.

ANNOUNCE CAMP DATES
FOR GRAYLING DRILLS

The camp dates for the annual
camp of the Michigan National Guards
have been announced from Aug. 6 to
20. This will take a good share of the
boys belonging to Holland Guards, Co.
D up to Grayling for a period of two
weeks to military training, recreation
and outdoor life. The camp is a popu-
lar one and all who can will take
the opportunity. Capt. Heinle
Geerds will be there.

PEACH PLAINS STAGED
LIVELY SCHOOL FIGHT

While the annual school meeting
passed by in many communities with
little interest, in one instance, the
election of the director called forth a
lively competition. An election
meeting, Peach Plains, was a district
where great rivalry prevailed for the
office of director. A number of candi-
dates were in the field with 56 votes
cast. The final count showed Albert
Schultz to have received a majority
and the chairman declared him elec-
ted. Henry Arkema was the former di-
rector. At Piler City, a Manistee au-
thor, State Troopers preserved order.

GRAND HAVEN

We're All Prospectors

There is not much difference be-
tween most of us and the old pros-
pector who tramped the hills seeking
fortune and success.

If we stick at it as hard and with
the same fixed determination as he did
to find gold—our success will be more
certain, quicker and with less hard-
ships.

Save as you work with us.

HOLLAND CITY STATE BANK

The Bank With the Clock on the Corner
Cor. 8th St. & River Ave. Holland, Mich.22,000 VISIT LAKE-
WOOD SUNDAY

Fourth of July was consid-
ered a record breaking day at
Lakewood with 22,000 people
visiting the place. Mr. George
Gels said yesterday that last
Sunday was the banner day
thus far, 22,000 passing thru
the gate.

He stated that that vast
multitude there was only one
couple who became nasty and
wouldn't behave. They were
told that this was private prop-
erty and continuance of such
behavior would mean that they
would be put off the grounds.
The "lippy" young man made a
retort. "You better get busy,"
and within a few minutes the
couple were on the outside of
the grounds, forbidden to come
again.

Mr. Gels stated that the peo-
ple themselves are helping to
keep order and he considers this
a remarkable record.

MUSKEGON MAN
CHARGED WITH
SERIOUS CRIMEWILL BE TRIED AT THE NEXT
TERM OF CIRCUIT COURT

John Ryan of Muskegon was ar-
rested on complaint made out by Officer
Framer charging him with felonious
assault upon Catherine Van Dort liv-
ing on West Seventh street.

He was arraigned before Justice
Charles K. Van Duren, seemed sur-
prised when the charge was read and
made a sweeping denial of the crime.

He however waived examination
and was taken to the Grand Ha-
ven jail this morning and is in com-
munication with friends to raise bail
bond of \$2000.

The girl in question is 20 years old
but is said to be not entirely normal
in mind. Her mother presented the
case to the officers and Prosecutor
Clarence Lokker has taken a hand in
the affair.

Ryan states that he came from
Chicago to Holland on the boat and
took room and board at the Van
Dort place for a day.

He seemed very much surprised
when the accusation was made. He
will be tried at the August term of
circuit court.

FLAGS, SIGNS TO GREET
CHICK MEETING CROWDS

The Grand Rapids Convention bu-
reau yesterday requested all downtown
merchants to display the American
flag in front of their business places
and to place greeting signs in the
store windows in recognition of the
annual convention of the Interna-
tional Baby Chick association which
is to be held there July 18 to 22.
About 2,000 visitors are expected.

SPEED BOAT AT
GRAND HAVEN CAUGHT
IN A SQUALL

The speed boat, Skop, owned by R.
F. Springer of Grand Rapids was
towed in by the Grand Haven coast
guard yesterday when the piston and
a crankshaft broke in the midst of a
bad lake squall. The passengers were
badly drenched.

The boat was out one and a half
miles near Lake Harbor. Muskegon
with three passengers. This runa-
bout won some of the events in the
recent races on Spring Lake. The
Skip is now in Grand Haven harbor
for repairs.

COUNTY JAIL
INMATE RUSHED
TO THE HOSPITAL

Mrs. Kathleen Tate, who has been
confined in the Ottawa County jail
awaiting trial for felonious assault in
the August term of court, was taken
suddenly and rushed to Hutton
hospital where she was operated on
for appendicitis. She is reported to
be doing well and will be able to
doubt to appear at her trial.

CHICAGO'S MAYOR
TO VISIT LAKE-
WOOD SUNDAYGOV. AND MRS. FRED GREEN WILL
ALSO BE GUESTS AT LAKE-
WOOD FARM

Colonel Morris Is To Arrive Here
With Large Yacht "Rosica."

George Gels and the Lakewood
Farm colony are to entertain many
illustrious guests on Saturday and
Sunday of this week.

William Hale Thompson, mayor of
Chicago, better known as "Big Bill"
Thompson will be the guest of Mr.
Gels as will be Mr. Tom Hale, city
clerk of New Orleans. W. H. Stuart,
editor of the "Herald and Sun" col-
umn in the Chicago American. Charles
Burros retired capitalist of Chicago
will also come with the party, as
will R. W. Wolf, Chicago's com-
missioner of public works.

Colonel R. H. Morris, owner of the
large yacht "Rosica" will leave Chi-
cago with a large party, entering
this port on Friday and the ship will
be docked at Lakewood club house
on Macatawa bay. The yacht Rosica
will leave Holland Harbor Sunday eve-
ning with Mayor Thompson and the
others for a cruise up Lake Michigan
to Mackinac Islands.

There will be other prominent
guests at Lakewood, former senator
and Mrs. William Alden Smith enter-
taining Gov. and Mrs. Fred W. Green.
Mr. and Mrs. Charles Greenway, new
manager of the Grand Rapids Press,
and Mr. and Mrs. G. J. Diekmann of
Holland for over the week end.

Mr. and Mrs. Arthur H. Vandenberg
will also have several guests at their
home for over Sunday. Mr. Vandenberg
is managing editor of the Grand
Rapids Herald.

Mr. Gels will have a program of
entertainment for all the guests on
his estate during their two-day visit
here.

PLOWING WILL
STOP THE MARCH
OF ARMY WORMTHE MARCHING SCORGE IS FOUND
IN SOME PLACES HERE

Precautionary measures taken by
Michigan farmers now will save serious
losses from the inroads of a
threatening invasion by the army worm,
according to a statement given out by
the entomology department of Michi-
gan State college.

Farmers can find whether or not
the army worm is present on their
farms by examining the oats in low
spots in their wet fields. The army
worm is a cut worm and prefers to
have its food wilted before eating it.
The worm cuts the leaves from the
oat plants during the night and hides
under clods or rubbish in the day-
time.

If the oats show that army worms
are present, the area where the dam-
age is being done should be plowed
immediately to keep the worms from
maturing and spreading to a larger
area.

Although the loss of the leaves from
the oats may not appear serious at
first, it should be remembered that
later the worm will eat the entire
top of the oat plant. Unless the worms
are brought under control the entire
field of oats may be lost.

A state preparedness now will stop
the worm before its ravages are
ready to start on their devastating
march through Michigan crops. When
the march is once begun, control
measures are difficult and expensive
and crops in fields invaded by the
army worm on the march disappear
as if by magic.

The army worm is only one-half in-
ch in length now, and any increase in
size which it makes is made at the
expense of crop yields.

The army worm is found in a few
places in Ottawa county and generally
comes with a wet cold spring, county
farm agent Milham states.

BEEKEEPERS QUARANTEE
AREA ESTABLISHED

Under the authority vested in me
as commissioner of agriculture of the
state of Michigan under and by virtue
of the provisions of Sec. 5 of Act 60,
Public Acts of 1927, I hereby forbid
the transportation of bees on comb
or other used beekeeping apparatus
into the following territory except by
permit from me, namely, Ottawa
county.

This proclamation to be in full
force and effect for a period of five
years from date hereof, unless sooner
revoked by me.

Given under my hand and the offi-
cial seal of the department of agricul-
ture, this 27th day of June, A. D.

OWNERS TOLD
TO WATCH DOGSDEPARTMENT OF CONSERVATION
THREATENS DRIVE AGAINST
GAME MARAUDERS

"Is Your Dog an Outlaw?" That is
the question being asked sportsmen as
the State Department of Conservation
starts a new drive against dogs chas-
ing game in the woods during the
close season in Michigan. The depart-
ment, through its various conserva-
tion officers, is asking for the co-op-
eration of the prosecutors of various
counties in the drive against outlaw
dogs. Letters are being mailed to the
dog owners in the various counties,
signed by the prosecutors, saying that
dogs must be kept under restraint and
that if they are allowed to run in the
woods they will be killed.

Increases of 3.6 per cent in postal
receipts during the first six months
of the year, and of 11 per cent for
June were announced by Postmaster
Rodgers of Muskegon today. The total
business for the fiscal year ending
June 30 was \$409,100.

INSTALLS GRAND
RAPIDS PASTORINSTALLATION OF REV. TER
KUERT TAKES PLACE
TONIGHT

Rev. Henry TerKuert, pastor-elect
of Bethany Reformed church, Grand
Rapids, will be installed in his charge
tonight, at 7:45. The ceremonies will
be presided over by Rev. Cornelius
Muller, president of the Reformed
Classis of Grand Rapids. Rev. John A.
Dykstra, pastor of Central Reformed
church, who also acted as moderator
for the Bethany church during the
vacancy in its pulpit, will charge the
pastor and Rev. Jacob G. Brouwer,
pastor of Immanuel Reformed church,
will charge the congregation.

Prof. John E. Kuizenga, president of
Western Theological seminary, Hol-
land, will preach the sermon. Rev.
Nicholas Boer of Third Reformed
church will offer prayer and read the
scriptures.

Mr. TerKuert will preach his in-
augural sermon Sunday morning, July
17.

He is a graduate of Hope college and
western seminary. Having won a
scholarship at Hope college he
spent a year in the study of education
and philosophy at the University of
Illinois. He has served as pastor of the
First Reformed church of Milwaukee
since 1918. Mr. and Mrs. TerKuert
have two sons. They will reside on
Lockwood-st., NE., Grand Rapids.

Wednesday night 6 o'clock the
consistory of the church gave a dinner
in honor of the new pastor. This was
followed at 7:45 by a reception for Mr.
and Mrs. TerKuert. The program in-
cluded a 30-minute
devotional and song services and ad-
dresses of welcome by the executives
of the various organizations affiliated
with the church. Refreshments were
served.

ED BROUWER BECOMES IN-
TERESTED IN THE SALES

Ed Brouwer, for years secretary of
the Holland Poultry association, also
conducting the Star Hatchery, south
of the city, has become interested in
a sales and service company covering
Muskegon county. The company is
called The Lake Shore Sales and Ser-
vice, handling the Jelke and Good
Luck products.

Some years ago Mr. Brouwer or-
ganized the Ottawa Sales and Service
company, now owned by Joe Rowan
of Holland.

GRAND HAVEN
RESORT GUARDS
AGAINST FIREHIGHLAND PARK PLANS BETTER
FIRE PROTECTION

John H. Reichardt was elected a
member of the board of the Highland
Park association to fill the unexpired
term of the late Henry Crowe of
Grand Rapids, who died at Grand Ha-
ven suddenly last summer. This is the
first time a Grand Haven man has
been on this board for some time al-
though the territory controlled by the
park board is property of the city of
Grand Haven.

New walks will be laid, with a pos-
sibility of a garage being built south
of the pavilion. The matter of trans-
portation was heatedly discussed.
Many of the resorters are strongly
against having a paved way down the
beach. A committee was appointed to
confer with the city manager and
council in regard to better fire pro-
tection.

No doubt the disastrous fires at
Macatawa was a warning to Grand
Haven to make better provision.

The new budget for the Spring Lake
schools is \$13,000, according to Presi-
dent William Connolly who was again
elected. The appropriation is \$1,500
less than the year before.

Put Up, Local Bands To
Play

Holland is to entertain the Inter-
national Baby Chick convention dele-
gates meeting in Grand Rapids from
July 19 to 22. One day is set aside
to make Holland and Zeeland a visit,
as well as the civic organizations at-
tending to give these delegates a royal
welcome. Across the streets of Holland
a large banner will be put up, and a
crowding roster will be pictured send-
ing out a welcome to the Baby Chick
delegates.

Hundreds of automobiles will be
added to the motored that is to
come from Grand Rapids, Zeeland and
Holland. There will be automobiles
from every state in the union, and
Michigan will have the most, 100
being registered from Ohio, 2 from
California, 4 from Texas, and 2
from the state of Washington, and
quite a large number from Canada.

The committees in charge say that
there will be the largest variety of
license plates coming thru Holland
ever seen here.

There is going to be a parade and
the American Legion band, the Zeeland
band and possibly the high school
band will be in the lineup.

Lakewood Farm is to be visited and
in the evening a picnic dinner will
be served at Jenison park, Wednes-
day evening, July 20.

The merchants of Holland and Zeeland
are requested to put out curb
flags during the day and evening and
make other decorations, if this is pos-
sible.

The hatchery men of this vicinity
are taking a live interest in this de-
trip put on by the convention at
Grand Rapids and have appointed
committees both in Holland and Zeeland
to shoulder the burden of at-
tainment and entertainment.

The program has not yet been fully ar-
ranged, but the Holland committee
consists of the following men: Louis
The above named committee will go
out tomorrow soliciting funds in Hol-
land to be used for the purpose of
entertaining the guests.

GRAND HAVEN
INTERURBAN
HEAD PASSESDEATH CLAIMS WELL KNOWN
TRACTION MANAGER

Wilmot K. Morley, 72, former presi-
dent of the Grand Rapids, Grand Ha-
ven and Muskegon Railway company
and widely known throughout the
state in transportation circles, died
Wednesday afternoon at the family
residence, 1415 Milson ave., SE., Grand
Rapids. Infirmities of age caused
death.

Mr. Morley was active in that line
until his retirement in 1922, having
been president since early in 1920. He
was born in Youngstown, O., on Nov.
15, 1854, and began his railway career
when 13 years old with the Chicago
and Alton R. R.

Following numerous promotions,
Mr. Morley became chief train dis-
patcher and later superintendent of
telegraph. In 1888 he was made super-
intendent of the Kansas-St. Louis di-
vision in which capacity he served until
1893.

Shortly after, he left the steam
road and took position with the
Grand Rapids company, serving as
vice president and general manager
until 1920.

Mr. Morley was a member of num-
erous Masonic bodies, including the
York Lodge, F. & A. M., Columbian
chapter, No. 122, Royal Arch Masons,
De Witt Clinton commandery, Scottish
Rite; De Molai commandery, No. 5;
Knights Templar and Mystic Shrine.

Besides the widow, Mr. Morley is
survived by a daughter in California;
two brothers, Kirk G. Morley of Mc-
Clellan, Ark., and Harry Morley of
Pueblo, Col.; a sister, Mrs. Sadie Par-
dner of California, and four grandchil-
dren.

Funeral services will be held from
the Masonic temple under the aus-
pices of the De Molai commandery.
The time has not been set.

Mr. Morley was well known in Hol-
land especially during the time when
Jack Busby and Charles Floyd were in
charge of the Holland Interurban.
These men were great friends and had
much in common from a railroad
standpoint.

APPOINTED ATTORNEY FOR THE DEFUNCT
FIRST NATIONAL BANK BY THE COMPTROL-
LER OF CURRENCY IN WASHINGTON, ac-
cording to an announcement received
by J. D. Blye, receiver.

He succeeds George F. Norcross of
Grand Rapids, who has been in
charge of the bank's legal affairs since
the receivership.

Most of the merchants are having
their regular holiday this after-
noon and for that reason their res-
pective places of business are closed.

FATHER GIVEN PERMISSION
TO SEE SON 6 DAYS A YEAR

Frank Sims of Ontario, was granted
permission to have his son, Robert, 9,
six days during each summer vacation
between the hours of 12 p. m. and 8
p. m. in an order filed by Judge O. S.
Sims in Allegan county circuit court.
Sims petitioned to have the divorce
decree granted to his former wife,
Elsie Sims, Jan. 4, 1923, giving him the
complete custody of the child, modifi-
ed to permit him to visit the lad.

Mrs. Sims secured her divorce on
the grounds of cruelty and non-sup-
port. The couple were residents of
Plainville, where Mrs. Sims still re-
sides, previous to the separation.

There is going to be a parade and
the American Legion band, the Zeeland
band and possibly the high school
band will be in the lineup.

Lakewood Farm is to be visited and
in the evening a picnic dinner will
be served at Jenison park, Wednes-
day evening, July 20.

MADE FOR BUILD-
ING NEW SCHOOL\$25,000 IN BONDS SOLD AND
BUILDING WILL BEGIN IM-
MEDIATELY

At the annual meeting of the
Lakewood 3rd fractional school dis-
trict in the Harrington division at
Virginia Park, John Ryk was elected
in the place of trustee Henry Van-
derberg who retired. Peter Ver Houw
was re-elected trustee.

The school budget of \$13,000 was
adopted to pay the running expenses
of the school.

The bonds for \$25,000 to build a
new school were issued and sold and
the money is now available. The
school building program that finally
carried after five elections, were held,
will now be carried out.

During one of the recent severe
rain and electric storms a bolt of
lightning came down at the end of
the pier at Grand Haven harbor and
for a time made things pretty warm
for the fishermen taking advantage
of the dark weather to make a good
catch.

The bolt evidently just touched the
pier for everyone down the whole
length of it was effected, none seri-
ously. One man, John Hannigan, said
he had on rubbers and for a time he
thought his feet would burn off.

No serious burns were reported
from others but there were some
"shocked" fishermen. Fishing in many
instances was over for the day and
many could hardly wait to get away
from the pier.

Annual Meeting of Dist. No. 3 Fr.

Laketown, Allegan, held in the Lugers School,

July 11, 1927

MINUTES OF THE MEETING

Meeting was called to order by President Herman Van Osa at 8 o'clock (last time).

Minutes of the last annual meeting were read and on motion properly made and supported, approved as read.

On motion regularly made and supported it was decided to accept the recommendation of the board to raise \$13,000.00 by voted tax.

Election of officers, two trustees for 3 years, resulted as follows: Peter Van Houw secured 120 votes, J. Nyland 92, Vandenberg 45, securing 4. Van Houw and Nyland having received a majority of votes cast were declared duly elected.

On motion regularly made and supported the following were elected to act as an advisory committee to assist the trustees in preparing plans for the erection of a new school house: Ralph Van Lente, A. Krommeyer, Geo. St. John, Henry Van Huis and Jud Krommeyer.

Motion was made and supported to rescind action taken to raise \$13,000.00 by voted tax and fix the amount at \$17,000.00. Motion was amended to read \$19,000.00 instead of \$17,000.00. Both original motion and amendment were voted down. Motion to adjourn—carried.

COTTAGE OWNERS AT MACATAWA TO HOLD A MEETING

The annual meeting of the Macatawa Park Cottagers' association will be held this evening at 7:30 o'clock, fast time, at the former theatre building on the shore of Black Lake. The meeting is called by N. E. Glassbrook, president, and W. H. Brooks, secretary-treasurer, and the purpose of the gathering, as stated in the formal notice, is to elect a board of trustees and to transact such other business as may come before the meeting.

Under the head of "such other business," some cottage owners say, there will be quite a variety of subjects, which will make it a very important meeting. One of them, members say, is the question of the upkeep of the short stretch of gravel road leading into the park. This was very rough all spring, so rough that it was a real detriment to the park, many people refusing to travel over it and turning back at Jensen Park.

Another question to be discussed is the policy of charging twenty-five cents for parking in the loop and a dollar for parking cars over night. Some cottage owners claim Macatawa is the only resort that makes such a charge. They claim it is hurting Macatawa and they are planning to bring it up at the meeting tonight.

Street lighting at the park will also be discussed. The streets are said to be lighted only until 10:30 and some cottage owners would like to see this limit extended. The shortness of the season of running water at Macatawa will also be brought up for discussion. At present it is from June 15 to September 15. At Ottawa Beach the water is turned on on April 1st and it stays on until about October 15. In connection with the turning on of the water, the sprinkling regulations at Macatawa will also be discussed. Some cottage owners claim that the time allowed for sprinkling lawns is too short to keep the grass and the shrubbery green.

The results of the two big fires of this spring will also again be discussed. The cottage owners will take such further steps as they can to counteract the impression that has gone out that Macatawa is done for. They know that Macatawa is still a beautiful resort and they will do what they can to make the world conscious of this fact.

MISS VAN VERST IS WEDDED IN NEW YORK CITY

Dr. and Mrs. G. W. Van Verst have returned to Holland from New York City where they attended the marriage of their daughter, Miss Virginia Van Verst, to Mr. Raleigh Truman Curtis, only son of Mr. and Mrs. John T. Curtis of Troy, New York. The ceremony was performed in the Little Church Around the Corner in the presence of the parents and the guests of the bride. Mr. Curtis is an editor in the financial department of the New York Herald-Tribune. Miss Van Verst had for some time been employed on the staff of the Herald-Tribune.

GIRL FALLS FROM HAYMOW AND ESCAPES DEATH

Frances Riemefama, 7, narrowly escaped death Wednesday when she tumbled a distance of 20 feet from a haymow in her father's barn, near New Groningen. She was picked up unconscious and an examination of her injuries showed fractures of both wrists and jaw and serious cuts and bruises.

Through the carelessness of a city employee in leaving a man hole open on Howard street, Miss Kathleen Hutton suffered serious injuries when she fell into the trap in front of the home of her brother, Julia Hutton at Grand Haven, recently.

PLANS READY FOR SEMINARY DORMITORY

Architect Harvey H. Woonhoff of Grand Rapids has drawn plans for the addition to the students' dormitory at Western Theological Seminary. The plans are being submitted to contractors for bids.

The plans call for a three-story addition, 75x37 feet, of brick and stone, to be erected south of the present two-story dormitory, built a few years ago at a cost of about \$30,000. The addition will increase the number of student rooms from 30 to 68.

The addition will correspond in detail with the present building. Each room is provided with an artistic table, study chair and rocker, built-in bookcase and an alcove to which both hot and cold water can be piped.

A passage way will be constructed between the two sections. The addition in the dormitory has become imperative owing to the steady increase in the enrollment of students, which last year reached 48, the largest in the history of the seminary.

LOOK FOR FLOWERS FIND RATTLER

Mr. and Mrs. Ray Vischer Thursday took an automobile ride thru Allegan county, visiting Round Lake. Mrs. Vischer was picking flowers when she heard the warning of a rattler snake and immediately called her husband who picked up a club and killed it as it coiled near the place where Mrs. Vischer was picking flowers.

The snake was three feet long and Ray is dangle five rattles from his watch chain, cut from the tail of the reptile. The snake was discovered in the vicinity of Round Lake between Allegan and Fennville.

ward: Albert Bolt, third ward; and Fred Stahburg, fifth ward, Grand Haven.

SEA SCOUTS HAVE EXHIBIT AT LOCAL BANK

What can be done with rope? Ask the sea scouts of Holland. A splendid exhibition of different kinds of knots is being held at The Peoples State bank of Holland.

It is worth your while to see this exhibition and see what our own local boys can do. At least some sixty different designs are to be seen. They are nicely put up on a back-board with a neat frame around it, with a photo of the sea scouts and some lake scenes very much in evidence.

LATEST ALARM SYSTEM TO GUARD BANK BUILDING

The Peoples State bank has closed a contract with the O. B. McClintock Co., of Minneapolis, for the installation of a McClintock standard grade "A" burglar alarm system in the new bank building that is now under construction.

"The vital part of a bank is its vault," said Henry Winter, cashier. "There are stored not only the records and money of the bank itself, but also the valuable possessions of safe deposit box customers, which we consider more important than the bank's cash. Therefore, in the planning and construction of our new bank building every consideration has been given to the safety and security of our vaults."

"Not satisfied with the thick walls and heavy entrances, a contract has just been made with the O. B. McClintock Co., the largest bank vault manufacturers in the world, to electrically protect the vaults."

"The entire surface of the walls, ceiling and floor are to be surrounded with electrically sensitive protection. The vault doors are protected against attack of any kind."

"No gang of yeggs with their disastrous burning outfit, commonly termed by insurance companies as the 'torch of hades' will attack our bank because it is well known among the underworld that tampering with a McClintock electrically protected vault spells positive defeat. Records show that more than 45 bank burglars, holdup men and their associates have been killed or imprisoned through the means of McClintock alarms."

"Automatic supervision provides a strict check-up on the officials of our bank so that at no time could our vaults be left for the night without being perfectly and properly safeguarded."

ENTERTAINED AT SUMMER HOME OF THE CASHIER

The employees of the First State bank with their wives were royally entertained by Cashier and Mrs. Wichers Thursday afternoon. The weather was ideal and everyone made a real outing. The men played ball until they couldn't play any more. They were not accustomed to this kind of sport, money, figuring interest and posting checks and deposits. Big it was a splendid change. Some of the men were real slappers. There were several home runs, three base hits and two base hits and a few took first base on balls. It was very interesting to see the men take hold of the bat.

Mr. and Mrs. Wichers entertained splendidly. It was one round of pleasure. After the ball game the entire party strolled along the beach. The waves came rolling in upon the shore and the clouds above their mountainous ranges were majestic.

The ladies played ball by themselves on the beach and performed well. They enjoyed the sport in their way as well as the men.

It is needless to say that after all this exercise all were ready for the sumptuous luncheon prepared by the hostess. Everyone did full justice to it. There was the best of feeling among the large group. Nothing was said about banking experiences. For the time being business was entirely forgotten.

After the luncheon it was suggested to play volleyball. Both men and women played the game. The oldest of the group of twenty-four was just as enthusiastic and just as active as the youngest. There were too many for the volleyball game and so the others played the old fashioned horse shoe game. All in all the employees of the First State bank had a delightful time.

FURNITURE CO. IS REORGANIZED; \$150,000 CAPITAL

A furniture factory, making church furniture, is destined to become quite an industry here. The business was started four years ago by Mr. George De Weerd and is located on East 14th street.

The Artistic Furniture Co. is the name. It has filed articles of incorporation with the secretary of state. The capital stock is listed as \$150,000, with \$75,000 paid in. George De Weerd will retain his position as manager.

Plans soon will be started for a new plant to be situated between Fourteenth and Fifteenth streets, along the main line of the Pere Marquette railway. The structure will be built of brick, 54x38 feet, the main part to be three stories. The company will continue to manufacture church furniture, bank and office fixtures. The plant will cost approximately \$40,000.

Expansion of business forced the company to reorganize with new capital. The old plant will be used for a warehouse.

The new concern negotiated its first contract with the new Borough church for its pulpit furniture.

The officers of the new company will be appointed later.

Mrs. Jacob Manning, Detroit, has returned to her home after spending a week with her sister and brother, Mr. and Mrs. Java Ver Schure—Grand Haven Tribune.

Forrest Maycroft of Coopersville was fined \$10 in Grand Rapids traffic court for driving thru a safety zone on Monroe Ave.

OTTAWA COUNTY CIRCUIT COURT LARGE

The Ottawa county circuit calendar for the August term of court promises to be a heavy one with 21 criminal cases, 11 civil jury cases, 17 non-jury cases, 20 chancery cases and 18 in which no process has been made in over a year. These cases will occupy several weeks. It is thought by the prosecutor and local attorneys.

The term opens Monday, August 1, and the jury will be called Aug. 6. Of the criminal cases the Kenneth Campbell, Grand Haven, negligent homicide case, is the most important locally. This was tried last year and a conviction obtained. The case was taken to the supreme court where it was reversed and returned for retrial. The case was due for retrial last March but as the young man was in college it was postponed to the present term. The case will be handled by the prosecutor, Clarence Lokker, for the people and Louis H. Osterhout and G. J. Diekmann of Holland will act for the defense.

Campbell ran down and killed Mr. and Mrs. Sidney Brank of Spring Lake near the Grand Haven bridge. Jack and Kathleen Tate will be tried on the charge of assault with intent to do great bodily harm. The result of a recent fight in the cockpit of a repair crew working on the Grand Trunk near Marne.

G. Graham Webber, Raymond Stethin and Bernard Crisman will answer to the charge of breaking and entering. LeRoy Banks will be tried for running away from the scene of an automobile accident, under the motor vehicle law; Clyde Horn, John Quinn, Daniel Poppe and Clarence Dykstra will answer charges of wife, child desertion and non-payment of alimony.

The following will come into the court on charges of liquor violation: Merrill Mead, Milton Campion, E. Rask on two charges; John Slagh, John Katt, George Hood, Joe Budlick and Matt Krompovich. Henry Van Oort, Milton Parker, will be sentenced from previous verdicts and some of the listed cases may plead guilty and save the time and expense of a trial.

Of the 20 chancery cases nine are asking for divorce, three are injunction cases and the remainder quieting titles. The civil cases with jury and non jury number 28 which will keep the court busy for some weeks it is thought.

ANNOUNCE SPEAKERS FOR MISSION MEET

At the mission festival of the Christian Reformed church to be held at the Lake Harbor conference grounds Aug. 3, the cause of home missions, Jewish missions, and foreign missions will be discussed.

Dr. Beets of Grand Rapids has been secured to speak on home missions. Dr. Henry Beets, who is secretary of the home missions board, has recently returned from a visit to the Netherlands, in the interest of the Holland immigrants in Canada. With American ports partially closed many Hollanders are seeking new homes in Canada. This constitutes a great problem, to which the Christian Reformed churches are directing their attention.

Rev. E. Bel, a former pastor of the First Christian Reformed church of Muskegon, will speak on Jewish missions. Rev. Bel is a member of the board which has the supervision of the work among the Jews in Chicago, where the Christian Reformed church, besides doing mission work, also conducts a dispensary with Dr. Wm. Yorker in charge. Mission work among the Jews is also carried on at Paterson, N. J.

An effort is being made to secure Dr. Lee S. Huijzen, returning missionary from China, as the third speaker. In the event he cannot be present, it is expected that Rev. S. A. Jivkstra, also from China will appear on the program.

BOOSTERS CLUB TO BANQUET

At the regular monthly meeting of the Virginia park community club, held in the new club house in that lively suburb, it was decided to hold a banquet and entertainment on Friday, July 22nd. Keen rivalry is felt among the various committees appointed to prepare for this affair, and a rousing good time is to be expected.

Among other attractions will be the presentation of a building lot to some fortunate person, the preparations for the large attendance indicated by the number of tickets already sold are being made and the club house is being groomed for the occasion.

LOUIT LOOKS INTO FISHING CONDITIONS

W. H. Louit of Grand Haven, head of the commercial fishing committee of the conservation commission, has left on a two weeks' trip on the great lakes. Director Leigh Young and other members of the department are with him. The party will cruise Lake Huron, Lake Superior and part of Lake Michigan to inform themselves at first hand of the exact status of commercial fishing problems confronting the state authorities. Lake Superior will be visited as an important object of the tour.

More than 1,000 poultrymen and hatcherymen are expected to attend a banquet which will be given at Grand Rapids during the convention of the International Baby Chick Association, July 18 to 22. Prof. C. M. Ferguson, of Michigan State College, is making arrangements. James Schermerhorn, of Detroit, will be the principal speaker.

NEW VARIETY OF RED WHEAT IS PERFECTED

A new variety of red wheat has been developed on his farm by Chas. B. Kelsey, a Grand Rapids banker. The banker has 20 acres planted to this variety which he plans to call "Viking Red." The wheat heads are between five and six inches in length and the straw is more than five feet long. The Michigan State college has promised an investigation of the wheat.

GAME LAW ARREST WINS OFFICER \$200 REWARD

For the second time in two weeks, Conservation Officer Mark Crawford Friday collected a \$200 reward offered by the Grand Traverse Commercial Fishermen's Association, for apprehension of thieves appearing from pond nets. Ernest Under and Seldon Fowler, both of Peninsula townships, pleaded guilty in Justice W. W. Smith's court and the judge took their sentences under advisement for 10 days.

HEROINE RESCUES ZEELAND YOUTH FROM DROWNING

Grand Rapids Herald—Life-saving lessons which Rachel Gebbens, 17, of 1112 Fremont ave., NW, Grand Rapids, received at Harrison park swimming pool enabled her to rescue James Vander Kool, 19, of Zeeland from Grand river at Eastmanville early this week when VanderKool collapsed while in swimming. It became known yesterday, VanderKool weighs 150 pounds while his rescuer tips the scales at less than 100. She is the daughter of Mr. and Mrs. Henry Gebbens.

The two were in swimming when VanderKool lost his strength and called for help. The girl was more than 100 feet from him and had just completed a swim across the river when friends on shore told her VanderKool was calling for help. Though at first believing the call for help was a hoax she started toward him at once and while the swim to him as rapidly as possible, saw him come above the surface twice and then sink for the third time.

Reaching the place where she had last seen him, she dived and after going down several feet felt his wrist in her grasp. Dragging him to the surface, she held on to his wrist and kept afloat, supporting him as she had been taught in her life-saving instruction on the city playgrounds.

Friends on shore had launched a boat, but had failed in their attempt to provide it with oars. The young rescuer had to keep herself and VanderKool afloat for several minutes until a second boat was pushed out from shore and shunted the first one within her reach. She was almost exhausted when help arrived and had to be lifted into the boat.

Vander Kool revived within a few minutes after he had been taken from the water. The water is 10 feet deep at the point where the accident occurred.

The girl has a Red Cross life-saving badge, earned when she passed the life-saving tests given at Harrison park swimming pool under the auspices of the city department of recreation.

SEA SCOUTS RESCUE ONE OF THEIR NUMBER

The Sea Scout schooner with a crew of Grand Rapids boys aboard anchored Saturday off Ottawa Beach in Macatawa Bay, returning from a week's cruise up and down the lake from Ludington to Saugatuck.

When the schooner was just south of Muskegon about seven miles out in the lake the skipper was standing on deck looking through his binoculars at a distant ship when he was struck on the back of the head by a boom and knocked overboard. He was pulled out of the lake by his crew and suffered no serious ill effects from the blow excepting in the lake and a pair of binoculars and the skipper's cap.

DIES AT AGE OF NINETY-ONE

Klaas Verburg, aged 91 years, died Sunday evening at the home of his daughter and son-in-law, Mr. and Mrs. I. Guolooze, 15 West Sixth street. Verburg's home originally was in Fella, Ia. He had made his home in Holland for about two years.

He is survived by four children: Abraham of Colorado Springs, Gerrit of Los Angeles, Mrs. Frank Wilsey of San Diego, and Mrs. I. Guolooze of Holland; also by eight grandchildren and seven great grandchildren. The funeral was held Wednesday at three o'clock at the home, 15 West Sixth street, Rev. James Weyer officiating. Interment will be in the Pilgrim Home cemetery.

ZEELAND BOY DIES IN HOLLAND HOSPITAL

Lloyd Bouwens, 19, whose home is near the old brickyards at Zeeland, died Sunday morning at Holland hospital as a result of appendicitis that developed into peritonitis. He was rushed to Holland hospital Saturday evening but it was too late. He is survived by his parents, four sisters, held Wednesday afternoon at one and three brothers. Funeral was held at the home and at two o'clock at the Second Reformed church in Zeeland.

HOLLAND MISSIONARIES TO RETURN FROM ARABIA

Rev. and Mrs. Bernard D. Hakken plan to return to Holland next spring on their first furlough from Arabia, where they have been stationed as missionaries for the Reformed Church in America since 1922.

Since they left for the orient five years ago Mr. and Mrs. Hakken both contracted yellow fever and were in poor health for some time. They now are engaged as teachers in the schools at Jeddah. Both are graduates of Hope college.

RECEIVES NEW BRIDGE HONOR

Mrs. Sydney Jay Jenckes, who sometime ago received a certificate of membership in the Perfect Solvers Club, has achieved further honors in the Bridge world by qualifying for the degree of Master of Auction Bridge, under the auspices of World-Whithead Auction Bridge Bulletin. This degree is the much coveted goal which all perfect solvers strive to reach, and Mrs. Jenckes secured it through her successful handling of the difficult bridge problems which the course of study covered. Her certificate was issued to her on July 1st, 1927, and bears the personal signatures of Milton C. Work and Wilbur C. Whitehead, America's leading exponents of Bridge, under whose jurisdiction this contest, which was an international affair, was conducted.

Holland is placed in the limelight being the only person in the state of Michigan to receive the honor.

day at 7:30 p. m. on Waverly and US-
41 when Ferdinand Blase and Rob-
binson, driving a Ford sedan, were hit
in the rear by Leon Kuiper of Muske-
gon, driving an Oakland touring car.
The cars were damaged somewhat al-
though able to move off under their
own power. Blase was about the head
somewhat but not seriously in-
jured. After an examination by the offi-
cers they were allowed to proceed.

REMOVED TO INDIA

Rev. and Mrs. John J. Bannings left
Holland en route to India this
morning at 8 o'clock. They are driv-
ing in the new Dodge touring car, a
gift of friends in Connecticut and
Holland. They will drive through
New York except that they will take
the steamer from Detroit to Buffalo
to save one day's journey.

Dr. and Mrs. Bannings are mission-
aries of the American Board of For-
eign Missions, which is largely sup-
ported by the Congregational
church. In India, however, the
church of their mission and that of
the Aroet Mission of the Reformed
Church, together with other Congrega-
tional and Presbyterian Missions,
are all joined together in the South
India United church.

During the past two years Dr. and
Mrs. Bannings have been on furlough
in this country, spending their
summers in Holland, while during
the school year they have resided
with the Hartford Theological Sem-
inary, where Dr. Bannings lectured on
India, and did research work in the
life of Christ, preparatory to writing
on that subject in Tamil for the
Christian workers in S. India.

I anticipate they also will have
happy years of my life during the
next period of service," said Dr. Ban-
nings on leaving. "India is alive with
new energy and new thought. She
realizes that she does not have all she
ought to have and is therefore
struggling for new business, new
social orders, new spiritual power. No
one can predict what will happen in
India the next few years and I am
glad that I have the opportunity of
having a share in this wonderful
development. And I will con-
tribute much to the rest of the
world. She has a wonderful culture
of her own—high in thought, deep in
religious devotion, rich because of the
variety of her peoples, and inspiring
because of her history."

Dr. and Mrs. Bannings will spend
nearly a month in Switzerland on
their way to India. Dr. Bannings is a
member of the continuation commit-
tee of the world conference of faith-
fuls and will take part in the
celebrations of that conference. It is
hoped that through the discussions
and fellowship of this conference
there may come into the churches of
the world a new spirit of fellowship
and mutual recognition. It is hardly
imagined that there will be or-
ganic unity at once. It is hoped that
a new spirit will be born that will
in the future lead to union.
Delegates will be present from all the
major churches except Rome.

Arriving in India about the 20th of
September, the Bannings' will ac-
tively participate in the work of the
mission. They will be in charge of the
seminary in which men are trained
for the ministry of the South India
United and other churches.

DR. B. J. BUSH TO
ADDRESS ROTARY

On Thursday noon Dr. B. J. Bush
pastor of the Westminster Presbyterian
church of Detroit, formerly pas-
tor of the First Presbyterian church of
Levittown, Ky., will be the speaker
at the meeting of the Holland Rot-
ary club at the Warm Springs Tavern
west of Holland. He represented
Kentucky at the international Rotary
convention in Europe. He also spent
last summer in Europe studying con-
ditions there and his address in Hol-
land will be based on the things he
learned while abroad. He will be called
"International Relationships."

Special music will be furnished by
Rotarian Walter Groth of Holland
with John L. Kollen at the piano.

UNUSUAL CASE

IS DECIDED IN
ALLEGAN CO.

A division of the attached wheat,
formerly stored in the Pieser elevator
at Shelbyville, among the claimants
was ordered in a decree filed by Judge
Orin S. Cross Monday in Allegan cir-
cuit court.

The order is the result of suit
brought in January by F. J. Esley
against company of Plainfield, asking
an accounting to determine ownership
of wheat stored in the elevator pre-
vious to 1927. The company claimed to
have placed 3,078 bushels in the ele-
vator. Others claiming ownership of
wheat were Geo. C. Potter, Burt
Bent Culver and Eugene L. Potter, who
said they had stored a total of 1,495
bushels in the Pieser elevator.

Attachment suits were filed on the
grain. In the order filed Monday Sher-
iff Lutgen is instructed to sell non-
attached wheat and divide it between
plaintiffs in proportionate
amounts to their claims.

PIANO ARTIST

TO BROADCAST

Mr. Albert Simpson will broadcast
at the Holland radio station at the
Holland theatre on Thursday evening
at nine o'clock. Mrs. Simpson, who has
frequently been on the
radio of Grand Rapids, will play
some piano numbers, going on at nine
o'clock.

Mrs. Simpson was formerly a resi-
dent of Muskegon, the daughter of
Mr. and Mrs. John Atoll of that city.
She was at one time engaged in non-
paper work in Muskegon, later living
for time in Grand Haven. She is
now a resident of Holland.

120 CRIPPLED CHILDREN

EXAMINED AT MUSKEGON

One hundred and twenty crippled
children of Muskegon county were ex-
amined under the direction of Dr. J.
T. Todgen of Grand Rapids at the
first orthopedic clinic arranged by
the Muskegon county chapter, Michi-
gan Society for Crippled Children, at
Julia E. Hackley Memorial hall.

"A. Bartlett, George LeFevre, Egan
Gloves, Harrington, Oden and Eames
assisted at the clinic. It was an-
nounced that approximately 40 per
cent of the cases examined are cur-
able, while a large percentage will
benefit by medical treatment."

THREE HURT SLIGHTLY

IN FENVILLE CRASH

Lovell Eddy, Dale Martin and Joe
Eriewien were cut and bruised Mon-
day night when a truck driven by
Eddy and Martin were riding on the road
near Hutchins lake, near Fenville.

MICHIGAN LAND OWNERS WARNED AGAINST FAKE TESTERS FOR OIL SOIL

A warning to land owners against
persons representing themselves as
federal oil experts and who are offer-
ing a test of \$25 to test the soil for
a chemical or photographic process,
was issued today by the geologi-
cal survey.

The survey declared that no such
specialist had ever been connected
with its staff, and disclaimed any
knowledge of a method by which the
presence or absence of oil a few hun-
dred or a few thousand feet beneath
the surface could be determined by a
test of the soil chemically, or other-
wise.

It was added that one of those
"experts" had been operating in
Michigan.

FATHER SAVES

CHILD IN BURN-
ING BUILDING

The farm home of Mr. and Mrs. Tony
Kluksa about two miles off of US-41
near Agnew was burned to the ground
on Saturday at 5 p. m. and everything
he family owned was reduced to ash-
es.

The family were about the house
at roof ablaze. The father rushed in-
to the house and upstairs where the
youngest child, not a year old, was
asleep. He succeeded in getting the
baby out of the burning building just
in time for nothing else was saved.
A spark from the chimney is supposed
to have been the cause.

Mr. Kluksa had \$700 insurance to
cover his loss which will in no way
provide for rebuilding. He is employ-
ed at the time at the piano factory
at Grand Haven.

DEATH RESULTS

FROM A STROKE

An hour after he arose this morn-
ing in apparent good health, John
Broder was found dead in one of the
buildings on the farm of Mr. and Mrs.
John Van Lente, Rfd. 11. Mr. Broder
was 56 years old, and he had been
making his home with the Van Lente
family for 20 years. When he was
found for breakfast, an investigation
was made and his body was found.
He had died some time before of
apoplexy.

He is survived by three brothers and
three sisters: Ralph and Arnd K. of
Ottawa, Mrs. L. Rusk, Mrs. H. B.
Vanhecke and Mrs. H. Kuiper of
North Holland. The funeral will be
held Friday at 1:30, fast time, at the
Van Lente home, six miles north on
M-21 and a half mile west. Rev. R.
Joesthus and Miss Nelle Church-
will officiate. Interment will be
at North Holland.

RUNAWAY BOY

WRITES FATHER

FROM ALLEGAN

After spending two years almost to
a day in Allegan homes as a poor boy
from West Virginia without family or
friends, "Tommy White" has been
returned to his father, Abraham
Kreikaner of Highland Park.

Tommy, then about 16 years of age,
was picked up by sheriff's officers
in the lake shore in Allegan county
two years ago. The other lad gave his
name and address in Detroit and was
at once returned home. Tommy, how-
ever, declared he was homeless and
was in need of a home. He was taken
to Hamilton, a brother of Sheriff Ben
Lutgen, gave him a home for a year
and a half. Then he went to live with
William Dannenberg of Trowbridge.

Homelessness overcame Tommy and
he wrote his father a one day letter
week. Immediately the elder Kreikaner
boarded a train and came to Al-
legan, where he asked Sheriff Lutgen
to produce the boy. He could give
no reason for Tommy's dash for free-
dom. Advertisements at the time of
the lad's disappearance failed to
locate him.

FARMERS TO

PLOW FOR PRIZE

East Lansing, July 9.—Farmers of
Michigan who compete in the plow-
ing contest at M. S. C. on Farmers'
Day, August 4, will have an oppor-
tunity to drive a team of champion-
ship purebred horses owned by the
college.

The contest will be divided into
two classes: two horse walking plow,
four horse gang plow, and tractor
gang plow. Horses, tractors, and
plows will be furnished by the col-
lege. The contest will be judged on
knowledge and skill in making pre-
liminary adjustments of plows, and
on the quality of plowing.

The International grand cham-
pionship Percheron mare, Maple
Grove Lella, and the reserve cham-
pion Percheron mare, Duham's
Marie, will make up the team that
is probably best known to those who
have knowledge of the prize winning
horses owned at East Lansing.

All Michigan farmers will be en-
titled to compete in the contest. En-
tries may be made by applying to
George Getman, of the M. S. C. agri-
cultural engineering department. Ap-
plications will be received until 9:30
of the morning of the contest. Win-
ners of first place in each of the
divisions of the contest will receive
trophies. Second place winners will
receive nickel-plated wrenches as
prizes.

Two new stunts to be added to the
farmers' Day entertainment program
this year will be a horsehoe pitch-
ing and a milk can throwing contest.
Coach Ralph Young, athletic direc-
tor, will be in charge of these two
contests.

Entries are also coming in for the
town and country church choir sing-
ing contest, and competition is ex-
pected to be keen in this event. The
contest will be held during the day and
will be played off during the day. It
will be included in the entertainment
program.

The afternoon openair meeting will
draw a brilliant speaking program
this year, the fact that Farmers' Day
comes during the big Country Life
Week at the college making interna-
tional men available.

versary of Mr. and Mrs. Vos.

Allegan county's share of the
county reward funds, totaling
\$8,000, will be remitted to the county
by Aug. 1, according to announce-
ment received from the state high-
way department by Fred McOmber,
chairman of the road commission. No
payment since 1923 has been made to
the counties and the payment of the
money this year is in line with Gov.
Green's policy.

SPORTING

The Kalamazoo Lincoln Life took
the measure of the Holland Indepen-
dents Saturday at Kalamazoo by a
score of 8 to 3. Holland got off to a
nice start in the first inning, scoring
two runs on hits of Riemersma, Ash-
ley, Wilfring and Albers and a base
on balls to Jappinga. Albers held the
celery pickers safe until the seventh
when his stuff failed to fool the bat-
ter and 3 runs were put across, ably
assisted by poor fielding on the Hol-
landers' part. Bove's picking for
Kazoo tightened as the game advanc-
ed and the Holland bats were not at
all noisy the latter part of the game.
Saturday Kazoo comes to Holland
and watch the Independents' smoke.
Wednesday at 6 o'clock the Illinois
Colored Giants play here.

Jens Elster's Colored Athletics
scored an 8 to 5 victory over the
Zeeland Independents Saturday at
Zeeland before a large crowd. Parks
and Fair formed the winning. Yost
and Jappinga the losing battery. Ze-
land's five runs were all scored in the
seventh inning. Next Saturday the
Colored Athletics play the Rockford
team of the Two-County league at
Ramona Athletic park.

This week's scramble in the factory
league honors will be one of the hot-
test that has appeared during the
season. With three teams tied for
second place, some one will have to
change positions. All the teams will
battle to the last ditch. The attend-
ance which has been falling off dur-
ing the past weeks should show im-
provement for the present week, as
the three teams will display some
good brand of ball or they will lose
their present standing in the race for
city honors.

AMERICA NOT TO SEND DELEGATES TO COPENHAGEN

That there is many a slip twixt cup and lip was illustrated by the collapse of a plan that would have put Holland in the limelight of international sea scouting. Holland had been chosen by the national organization as one of nine cities to send a sea scout to the international convention at Copenhagen. The local sea scout troop was chosen because of its efficiency and equipment, the choice being based on a competitive inspection of all sea scout troops in America. The nine best were given the privilege of sending a representative to Copenhagen.

The Holland troop had chosen Leo Peters, son of Mr. and Mrs. Abraham Peters, as its representative. Commander C. L. Beach and Skipper Hyman wired to headquarters at New York asking for approval of the choice which was given because Peters is an expert sea scout and also a graduate national Red Cross examiner. He is an experienced motor and stroke carmen in the first crew.

The sea scout organization and the Holland Rotary club, which sponsors the sea scouts, on the strength of the decision of national headquarters, made plans to gather funds to send Peters to the convention. But just as they were about to put these plans into operation a telegram came announcing that America will not send a delegation because of an insufficient number of applications of boys of proper age to meet the conditions imposed by Danish scout officials. Because of this obstacle the whole plan collapsed so far as America is concerned and with it the plan necessarily fell through to have Mr. Peters go to the convention to represent Holland.

Although it is a disappointment for the Holland sea scout organization, the mere fact that Holland was chosen as one of nine in America to send a scout has greatly encouraged the local scouting officials and the members of the crew.

ALLEGAN POWER PLANT IS ASSURED BY A 3 TO 1 VOTE

By a three to one vote Allegan decided Tuesday to own its municipal lighting plant. The vote was on a proposal to bond the city for \$185,000 to acquire a dam site on the Kalamazoo river and to erect a municipal plant. The vote was 601 to 380.

Four amendments to the city charter, which will be necessary to carry out the project, were also voted upon. A campaign of education in favor of the plant has been carried on for weeks, the situation made more exciting by the fact the Consumers Power company is seeking the same site.

STUNT ARTIST VISITS BROTHER

John Hyma, formerly of this city, a stunt artist on the vaudeville stage, is visiting his brother Andrew Hyma, Mr. Hyma has had very successful year on the vaudeville stage. He has played for 30 weeks in New York city and the rest of the time he appeared in Boston, Washington and a number of other eastern towns. In Washington he made the biggest hit of his career so far, according to the press notices in that city.

Mr. Hyma has written four new acts, one of which, called "Nocturne," has been attracting special attention. He is still doing the dictionary act also, which he gave in Holland last year, varying it with every city in which he appears. With his wife and her parents, Mr. Hyma will leave Sunday for Hamlin Lake, near Ludington, where they will occupy a summer cottage for some time.

IS KNOCKED OVER BY GRAVEL TRUCK

Mrs. A. De Jonge, living on the Zeeland road, was knocked over by a gravel truck while she was going to a store in the vicinity to make some purchases. The woman was unconscious when picked up by John Dykstra, who took her to Holland hospital where some severe bruises and her leg and body were attended to. Her condition is not dangerous. The accident happened near the Yntema farm.

SWEET CHERRIES RIPE THROUGHOUT WESTERN MICHIGAN

Black sweet cherries are ripe throughout the fruit district of western Michigan from Berrien county on the south to Grand Traverse county on the north.

Roadside stands operated by the fruit farmers and in connection with gasoline service along US-31 began last week to sell the sweet cherries at about 40 cents a box. Cherry season, the product of older mills in the state, also is being offered for sale all along the highway.

Wheat rapidly ripening in the warm sunny days of the past two weeks and will be ready for harvesting within the next two weeks. Practically all of the farmers are now in the midst of the haying season with fields of sweet clover, alfalfa and other feed ready for cutting.

Indications throughout the territory, however, are that there will be little or no sour cherry crop this year. The few canneries which have opened the season report that there will be less than 20 per cent of the normal crop of cherries due to the early and late spring frosts.

Other crops including potatoes and corn also are far behind the season in western Michigan as well as throughout the state. The cold weather during the usual spring planting months and the great amount of rainfall retarded the work of the farmers this year.

OPENING DAY OF LODGE TO BE A PICNIC

Wakantanka Lodge, an organization of sportsmen that is developing a large tract of five miles north for hunting and fishing purposes, will hold an opening celebration on Thursday of this week. It will take the form of a basket picnic not merely for the members but for everybody. All the people of Holland and vicinity are invited to come and enjoy a day's outing there. To get to the edge grounds drive north on US-31 or eight miles, then turn west and follow the arrows to Wakantanka.

The sports committee has arranged a fine program of features that will interest young and old, men and women. Some really interesting stunts are to be staged in the course of the day. It will be a basket picnic. All who attend are asked to bring well filled baskets for the picnic lunch. The officers of Wakantanka Lodge are: president, Dr. Batchelor; vice president, Charles Selby; secretary, Dick Boter; treasurer, C. E. Drew.

\$30,000 RELEASED FOR THE BEACH PARK THE MAGNET

Holland state park at Ottawa Beach is to become a fact and all roads leading to it will be completed within the next few weeks. Tuesday the state conservation department voted an appropriation for the Ottawa Beach Oval or whatever form this state park is to take, of \$30,000 available at once and no doubt building operations will begin almost immediately. Ottawa county has done much road repairing and the road commissioners are authorizing the building of some small stretches of new road here and there to close up gaps.

Lower Ottawa just now is seeing much road building. The new so-called triangle scenic highway from the Alpena road to the east, via Waukegon, to the Ottawa Beach oval south and west, is well underway and will be completed within a few weeks.

Contractors started to lay frames at the Alpena-Waukegon intersection going south Monday and the pouring of concrete will begin Thursday.

The crossing at West Olive has been widened to 30 feet at a cost of \$1,600 and the Pere Marquette Railroad Co. has fixed up the main and crossing. It is one of the best in the state and is receiving favorable comment from road men in general as well as the public appreciation.

Kline and Boelens are completing two thirds of a mile of road from Byron Center to Zeeland. This road leads directly east of Zeeland, passing thru Vriesland and Forest Grove.

The bad drop at Crocker Creek caused by settling of the fill has been repaired with asphalt, many big stretches on U. S. 41, which seems to be the worst in the county, have been patched. Just now the force is engaged at the bad break just outside of Spring Lake over McLean's Bayou or Willow Bend, as it is known.

John Edelman of Muskegon has the contract for the approaches to the grade separation in Ferrysburg. This new road will do away with at least four bad curves.

The Charlevoix Engineering Co. has resumed operations on the approaches to the new bridge on Bridge street. This was discontinued last fall on account of the changes in grades and ditches which was thought necessary after the first specifications were approved. The work will be 20 feet with the addition of 20 more as traffic demands. The additional cost will be borne by the state as this has been made a part of M-50.

The rap at Milhouse Bayou near Grand Haven has been completed, one half at a time with the full width being in use next Saturday.

County road commissioners have been in constant touch with the state department relative to the Ottawa Beach oval appropriation and it is gratifying to know that the new parkway on Lake Michigan is in sight.

G. J. Diekmann and several other citizens backed this project two years ago and the Ottawa county board of supervisors gave this proposal unanimous support. In all probability the state park at Ottawa Beach will be completed by fall.

Mrs. A. T. Godfrey has returned to Holland after several months spent in the west. She visited relatives in Fargo, N. D., Wichita, Kansas, and other places. Mrs. Godfrey is occupying her cottage at Buchanan Beach.

A KITE CONTEST NEXT ON THE BILL AT PLAYGROUND

The playground feature for this week will be a kite flying contest for boys. The contest will be held on the 19th street park. Only boys of the city are allowed to compete.

The rules of the contest are simple. Each boy in order to win a prize must make his own kite, which must be able to fly in order to win one of the prizes. The boys will be divided into two classes, a junior and senior group, the junior class being for boys up to 12 years of age, senior class for any boy over 12 years.

There will be no ribbons offered, only four large prizes. The first for the best novelty or oddest kite that flies. This will be an opportunity for boys with a real spirit of invention to come out with a real kite which someone else may have never seen. A prize will be given for the kite that can be flown up in the air the quickest and that has the best flight after it gets up. That means that the kite must not dive around or cut cappers in the air or be a menace to other kites but must be a smoothly flying kite when in the air. Another prize will be given to the boy who makes the largest kite that will fly. This may be of any type, either box, bow, six cornered, falcon wing, Franklin's type, or any other type. A prize will be given for the smallest kite that will fly. Here is a chance for some real small kites such as the humming bird type, the swallow and the wren types.

The kites must be homemade. No kite that has been bought from a store or elsewhere will be allowed to enter. Each boy can enter as many as he likes but each kite must be made by himself. All the entrants will meet at the 19th street grounds at 2 o'clock Friday afternoon. Judging will be done by persons who are not connected with the city playground work.

EUROPE READY TO WELCOME THE LEGION HOSTS

Detroit, Michigan, July 13—Several countries of Europe are making elaborate preparation for the reception of a group of distinguished American veterans, including General John J. Pershing, who will make an official tour immediately after the close of the ninth annual American Legion convention in Paris, Sept. 24. National Commander Howard J. Savage, Detroit, informed Robert J. Byers, of Detroit, Department France convention officers of this state. Every state will be represented by prominent Legionnaires on this post convention tour.

The itinerary for the tour will include Nice, Monte Carlo, Genoa, Rome, Lucerne, Strasbourg, Metz, Brussels, Antwerp and London. The governments of the countries to be visited have extended official invitations to the party and will act as hosts for the Legionnaires while in the country. Receptions will be held not only by the governments but by the cities visited enroute.

While in Italy the delegation will be received by the King of Italy, Premier Mussolini, and the Italian veterans in Genoa a special ceremony will be held by the Legion delegation at the monument of Christopher Columbus which was erected to commemorate his discovery of America.

In Switzerland the party will be entertained by the Swiss government and by the city of Lucerne.

The visit to the famous provinces of Alsace and Lorraine will be an outstanding one. Elaborate receptions have been planned both in Strasbourg and Metz.

In Brussels, King Albert will greet the Legionnaires, special functions have been arranged by the Belgian veterans, and the cities of Brussels and Antwerp will make special arrangements for entertainments.

A long program of ceremonies will greet the Legionnaires in London. The city authorities, the British government, and the British veterans have undertaken to arrange a three day period of entertainment which will close October 11, just in time to permit the Legionnaires to catch the "Leviathan" at Southampton on her official return trip.

Throughout the continent the tour will be made on private trains. The personnel of the trip will be chosen from each state by the Legion department commander, and the entire group will be limited to 250 number that may go is limited to 250 persons, the capacity of two private trains. National Commander Savage announced.

Legionnaires desiring to go on this trip should communicate at once with the department commander of the state, National Commander Savage said.

ALLEGAN SCHOOL CENSUS DROPS

At the annual school meeting for the city of Allegan, H. E. Vaupell, formerly of Holland, and Harry Perrigo were elected to succeed themselves, and M. H. Mutchler was elected to take the place of William Schmitz. The combined report of the secretary-treasurer showed total receipts to be \$115,486.46 and total expenditures, \$112,422.21, with a total balance on hand, July 1, of \$1,064.25.

The new census shows six pupils less than last year's enrollment of 1,027.

TRAFFIC IS DIVERTED TO PUT IN A NEW BRIDGE

Work has been started on the new Richmond bridge, eight miles south of Holland. The Allegan county board of supervisors recently voted to spend \$6,000 on this bridge.

This bridge crosses the Kalamazoo river and is only crossing east of Saugatuck, except for one near Allegan.

Traffic on the Fennville-Holland road has to be diverted through Saugatuck while the work is in progress.

BYRON CENTER SCHOOL ADDITION IS STARTED

Contractors have begun work on the \$20,000 addition to the Byron Center school building authorized by a vote of the district at a special meeting last spring.

The addition will be of two stories. The first will be used as a gymnasium and auditorium and the second will contain a large high school session room and a classroom.

Mr. and Mrs. I. Olcott have returned from a motoring trip to Peoria, Ill. Mr. Olcott reports the roads in fine shape.

MAYOR TO TALK ABOUT HOLLAND ON THE RADIO

Mayor Kammeraad will take advantage of the establishment of a radio station in Holland to tell the world about this city and its advantages. Mr. Kammeraad has been invited by the radio concern to give an address on that subject on Friday evening at 6:15. The mayor accepted the chance to give Holland a bit of advertising and it is likely that many who know all about Holland will tune in and make up part of the invisible audience.

TWO SISTERS BROTHER WED AT SAME TIME

Two sisters and a brother were three of the six principals in a triple wedding last evening in Oakdale Park Christian Reformed church in Grand Rapids and the ceremony was performed by a second brother. Today Mina Vandae Kieft is the bride of Dr. Cornelius M. Geenen. Her sister, Jane, is the bride of Arthur Lanning of Holland, and their brother, Joseph, is married to Alice Wyma of West Olive, Mich.

The ceremony was performed by Rev. J. M. Vandae Kieft, pastor of the Oakdale Park church, formerly pastor of the 14th street church in Holland, and was assisted by his father, Rev. R. Vandae Kieft, pastor emeritus. The vows were read in the church, filled to capacity.

Arthur Lanning, the one person in the group from Holland, is a graduate of Holland high school. Later he worked in the First State bank and for the past three years he has been attending Calvin college. He will teach next year in the Chicago Christian high school. His bride, Jane Vandae Kieft, has been teaching in the Oakdale Park Christian school in Grand Rapids. She wore a gown of George crepe and carried a bridal bouquet of roses and sweet peas and wansonia. She wore a bridal veil. The bridesmaid, Betty VanderKieft, a sister of the bride, she wore a yellow georgette and carried a bouquet of sweet peas. The flower girl was a niece of the groom, Ruth Bothyl, daughter of Mrs. Bothyl of Hawthorne, New Jersey. She was dressed in pink crepe de chine and scattered flower petals from a basket. The groom was in full evening dress and was attended by his brother, Nicholas Lanning. The bride's party stood before a beautiful bank of palms, ferns and white daisies. Immediately succeeding the ceremony, a reception was given and was attended by 100 guests.

HOLLAND BANKS REACH NEW BUSINESS PEAK

Holland's three banks, according to statements appearing in Tuesday's Sentinel, have reached a new peak in their business with total resources listed at \$9,557,893.65. Each bank is capitalized at \$1,000,000 and has a surplus fund of \$100,000 and the combined undivided profits total \$260,011.91, of which First State bank is credited with \$149,114.56.

The total savings department accounts exceed \$5,000,000.

The Trinity church Sunday school will hold its picnic Thursday at the Tower Park.

MUCH BUILDING IS IN PROSPECT IN HOLLAND CITY

Building in Holland is looking up, for there are a large number of contracts that are about to be let and some of them are already in the hands of contractors. The Boihuis Lumber and Mfg. company has just landed another large contract, besides the new \$20,000 depot at Grand Haven. Percy Osborne is spending \$20,000 on a building on East 8th St. across from Engine House No. 2, where a row of brick buildings one-story high are to be erected. The foundations will be so constructed that at least three or more stories can be added as the requirements will demand. The structure will be 60x60 feet, and the display room for cars in this large garage will be 18x40 ft. The garage proper will be in the rear, and will be 60x80 feet. The Boihuis company has already begun operations on the grounds.

A \$20,000 annex is to be built by the First Methodist Episcopal church on W. 10th street. The congregation has done considerable improving of late, the most conspicuous improvement being the revolving cross lighted up at night, which can be seen in most parts of the city. The contract is about to be let for the annex to be used as a heating plant, kitchen and Sunday school rooms.

The contract for the new Hope college chapel is to be let soon. Dr. E. Dimment was not yet ready to give definite information. Dr. Dimment, G. Diekmann and Charles McLean are handling the matter. Architect, Johnson of Ottawa Beach and Chicago has been drawing plans that have been selected. Full details have not yet been released up to this time. Long ago it was decided that the chapel is to be built on the southwest corner of the campus, College avenue and 12th street. The auditorium will have a large seating capacity and the tower will contain beautiful chimes, donated by C. M. McLean and family. Another contract has been let by Dr. W. Westra for a home costing \$13,000, and John Westra has also awarded the contract for a \$20,000 garage, 70x75 feet, on West 7th street.

PICTURE REPRODUCES A COMIC STRIP

The Colonial theatre is reproducing on the screen "Tillie the Toller," made popular in comic strips in a great many of the metropolitan newspapers. Marion Davis, one of the stars of the screen is playing Tillie and a home costing \$13,000, and John Westra has also awarded the contract for a \$20,000 garage, 70x75 feet, on West 7th street.

"Tillie, with all her moods and temperament, brings about many ridiculous and laughable situations. She goes into one difficulty after another and lies and lies and lies, but the versatile Tillie always seems to find a way out and her love affair with Penny Fish and her escapades with the boastful Whipple brings laughter and tears.

There is only one difference between the comic strip and the picture. In the strip Mac remains the goat but in the picture Tillie finds that she cannot fool cupid with a pack of falsehoods. The picture winds up with wedding bells, in which Mac becomes the goat for life.

The picture is good for several laughs. "Tillie the Toller" remains at the Colonial tonight.

Miss Dora Rutgers left Tuesday evening for Ellsworth, Mich. where she will spend two weeks of her vacation visiting her sister and friends.

Three Typical Playground Scenes

The Lions club is making a canvass for funds to equip Kollen park with playground apparatus for the use of all the children in Holland. Above are shown three typical playground scenes which will give an idea of the kind of apparatus that the club wishes to install in the local park. The pictures were taken in another city but the scene might as well be that of the Kollen playground when the apparatus has been installed. The team members are showing similar pictures to prospective donors to give them an idea of what they are after.

Mixing of "Black Base"

We are using crushed gravel in the "Black Base" used on the paving work in Holland this season for the reason that it was found to pass all tests for hardness and size and to be much cheaper than crushed stone. This is received in hopper bottom dump cars from the plant at Grand Rapids and unloaded by an endless belt conveyor specially designed for such work.

This is then brought to the endless chain with buckets on the feeding end of the asphalt plant and heated to a temperature of 350 degrees.

The stone and sand is then weighed separately and dumped into the pug mill mixer and the melted hot asphalt applied. This is then thoroughly mixed and dumped into the trucks. This loaded truck containing 6300 lbs. of "Black Base" mixture then starts for the street to be paved.

Old Landmark With A History Locally Destroyed By Fire On Sunday; Was Built In Year 1850

At noon Sunday fire almost completely destroyed a house on East 8th street west of the Holland Bank company. To most people it was an old shack, an eyesore to the neighborhood, and they felt it was a good thing that it had burned.

There were a few present, however, who knew the history of the old house. They say that it is the oldest house in the city today. It was built in 1850, three years after Dr. A. C. Van Raalte had established his colony here, and for a long time it was the headquarters for colonists from the Netherlands who came over shod in wooden shoes and decked out in golden ornaments, as was the case with many of the Dutch colonists. From that house three colonists, who came to Van Raalte's settlement, were directed where to start in.

The house was built by an old immigrant named Jacob Schrader, who lived in Holland for many years and died in this city. It was built for a man named Engberts who died soon afterwards. Engberts was married to a beautiful belle of the earlier days and the marriage took place in this house. After the death of Mr.

Engberts the widow married a J. Boole, and after his death she made a third venture and married Jacob Labots, who in the earlier days was a powerful figure in this community, joining the Keppel and Fyter and Vandenberg forces in the great secession that took place in the First Reformed church, now the Ninth Street Christian Reformed church. All three marriages took place in this house. The Witvliet, grandparents of Matt Witvliet, of Holland, lived in the home for some time.

Less than fifteen years ago there were four houses within that block on Eighth street, the type of architecture being Dutch, much the same as the one burned Sunday. They were the Haverkate house, the Walker house and the Hoffenruter house. Around the latter there was a large garden and orchard from which the citizens in the earlier days got their vegetables and fruit.

Folks who gathered around the fire were rather surprised to find that the firemen had considerable difficulty in getting to the flames. Chief Blom states that it was practically impossible to chop through that there was a double roof, double side walls, double ceiling and double floor, and the colonists were not economical with nails, for they apparently built for warmth and for strength and lumber cost nothing in those days, for woods bordered 8th street in 1850.

Many of the ceiling boards were a foot wide and were hand planed. The timbers of the foundation were hewn from logs and the lumber in the dwelling is clear and without knots. It was as good as the day it was put into the building.

The old house was occupied by Irvin O'Connor, the restaurant man nearby. O'Connor heard that the fire was in his home and, fearing that his children were inside, he rushed into the smoke-filled building. He was nearly overcome. He was told that his family was in safety across the street. He had no insurance on the contents, although the old house owned by Mrs. Eyckes is partially insured.

There is some dispute as to whether this house is the oldest one in the city. It is claimed that there is one on 7th street, south of the West Michigan Furniture company, that is older. It was occupied for several years by the Williams.

Grand Haven Tribune—A traveling bag belonging to B. O. Tippy, a summer resident of Highland Park, and containing over \$10,000 in notes and other valuables, was found on the city streets recently by Tony Kundellus and Fred Snyder. A \$25 reward was offered by the owner through the classified columns of the Grand Haven Daily Tribune and the recovery of the bag gratifying to both parties.

PICKLE WORKERS

HOLD A PICNIC

Approximately 400 employees and friends attended the annual picnic held at Jensen Park Saturday by the H. J. Heinz Co.

A well planned program of games and sports kept the employees entertained all day. Worthy prizes were given among them being a grand prize of \$10.00, awarded to Cora Van Der Veen. The second prize of \$5.00 was given to Florence Boersma.

The indoor ball games were about the most exciting events of the day. In the morning the bulk pickle department girls played the bottling department girls, winning by a score of 25 to 23. In the afternoon the bulk pickle department men played the bottling department men, winning by a score of 24 to 6. All attending enjoyed themselves. Most of them brought their baskets and made a day of the event.

Michigan Bell Telephone Company, Sparton, Mich.

Attention Mr. Charles H. McRide

Dear Sir:

It seems unnecessary to tell you, because you doubtless your records will show, that we are using long distance service more than we have ever before in our history.

We find this service especially helpful in giving instructions and passing information to our district managers located in various parts of the country, where mail takes from forty-eight to sixty hours.

We also want to congratulate you on the great improvement in service during the past year, and feel sure our use of the long distance will be even greater in the future.

Very truly yours,

W. J. Sparks-Washington

The Circuit Court for the County of Ottawa, in Chancery. Twentieth Judicial Circuit.

Suit pending in the Circuit Court for the County of Ottawa in Chancery, at Grand Haven, on the 14th day of July A. D. 1927.

Isaac Kouw, Plaintiff,

vs.

Mrs. Alexander H. Jordon, Israel Coe, Mrs. Israel B. Harris, Mrs. William B. Jordan, Myra H. Jordan, Myra Elizabeth Wallace, if living, and their unknown heirs, devisees, legatees and assigns if dead, Defendants.

Present: The Hon. Orien S. Cross, Circuit Judge.

Upon filing the bill of complaint in this cause, it appearing that it is not known and that the plaintiff after diligent search and inquiry has been unable to ascertain whether the unknown heirs, devisees, legatees, and assigns of Mrs. Alexander H. Jordon, Mrs. Israel B. Harris, Mrs. William B. Jordan, Myra H. Jordan, Myra Elizabeth Wallace are living or dead, or where they reside if living, or whether the rights, interests, claims, liens, or possible rights to the real estate hereinafter described has been assigned to any person or persons, or if dead, whether they have representatives or heirs living, or where some or any of them reside, or whether such rights, interests, claims, liens or possible rights to the said following described real estate has been disposed of by will, and that plaintiff has been unable after diligent search and inquiry to ascertain the names of said persons included as defendants herein.

NOW THEREFORE, on motion of Charles H. McRide, attorney for plaintiff, it is ordered that the said defendants, the unknown heirs, devisees, legatees, and assigns of Mrs. Alexander H. Jordon, Israel Coe, Mrs. Israel B. Harris, Mrs. William B. Jordan, Myra H. Jordan, Myra Elizabeth Wallace are living or dead, or where they reside if living, or whether the rights, interests, claims, liens, or possible rights to the said following described real estate has been disposed of by will, and that plaintiff has been unable after diligent search and inquiry to ascertain the names of said persons included as defendants herein.

NOW THEREFORE, on motion of Charles H. McRide, attorney for plaintiff, it is ordered that the said defendants, the unknown heirs, devisees, legatees, and assigns of Mrs. Alexander H. Jordon, Israel Coe, Mrs. Israel B. Harris, Mrs. William B. Jordan, Myra H. Jordan, Myra Elizabeth Wallace are living or dead, or where they reside if living, or whether the rights, interests, claims, liens, or possible rights to the said following described real estate has been disposed of by will, and that plaintiff has been unable after diligent search and inquiry to ascertain the names of said persons included as defendants herein.

The above entitled cause concerns the title to the following described premises located in the Township of Olive, County of Ottawa and State of Michigan, as follows:

The East Half of the Southeast quarter (SE 1/4) of Section numbered Seven (7) in Town Six (6) North, Range Fifteen (15) West, being Eighty (80) acres of land more or less according to the government survey.

Dated July 1, 1927.

Orien S. Cross, Circuit Judge.

Countersigned: Anna Van Horsen, Deputy Clerk.

Charles H. McRide, Attorney for Plaintiff.

Address: Holland, Michigan.

The sole and only purpose in bringing this suit, is to remove certain clouds from the record title on the following described premises located in the township of Olive, County of Ottawa and State of Michigan, as follows:

The East half of the Southeast quarter (SE 1/4) of Section numbered Seven (7) in Town Six (6) North, Range Fifteen (15) West, being Eighty (80) acres of land more or less according to the government survey.

"Saints Rest," located at Central Park has its usual coloring of ministers who spend the summer there. Many of them have bought property there. Whenever a Holland church is in need of a minister for a Sunday the local resorts can be relied on to furnish one on short notice. Macatawa also has many ministers from the Reformed denomination who spend their summers there.

Boat racing at Spring Lake has been so successful that plans are being made to stage events at least once each week during the summer. Large crowds attend these events. It seems that some motorboat and sailing races could be put on by boat owners here. Macatawa bay years ago was the mecca for boat racing under guidance of the Columbia Yacht club of Chicago. It seems that local waters might be enlivened some during the resort season.

Next Sunday morning the sacrament of Baptism will be administered at the Central Park church and the minister, Rev. F. J. Van Dyk will preach on the subject, "The Growing Child." Mr. E. Toussaint will sing a solo, "That Sweet Story of Old." By West and there will be an anthem by the choir. At the evening service Mr. Van Dyk will preach on the theme, "The Crimes of Religion," and Mr. Gerry Ter Beek will sing a tenor solo. Mr. J. J. De Pree will play the organ at both services.

A cordial invitation to all to come and worship at Central Park.

All debtors and creditors ought to be interested in this. Next Sunday evening the minister of the First church, Central Ave. and 20th St., will preach on the subject, "God's Care for Debtors" the second and last sermon of the brief series entitled, "Does God Care?" The text of this Sunday evening's sermon is: "When thou dost lend thy brother anything, thou shalt put it to his house to fetch thy pledge. Thou shalt stand abroad, and the man to whom thou dost lend shall bring out the pledge abroad unto thee." Deut. 24:10, 11. This will be the last sermon Rev. C. P. Dame will preach before his vacation.

H. F. HARBECK OBSERVES 50TH ANNIVERSARY OF START INTO BUSINESS

Capt. H. F. Harbeck, president of the Challenge Refrigerator company who has many friends in Holland, is celebrating the 50th anniversary of his entrance into business in Holland. He has been president of the Challenge Refrigerator company for 28 years, and previous to that was secretary of the Cutter & Savage Lumber company for 22 years. He is a man of considerable capital controls both organizations.

He was born and raised in Grand Haven, and all his family has been intimately associated with the civic interests of that city. He was mayor several years, was a member of the board of public works which projected new light into the city when the lumbering industries were moving away by securing several large factories, and has taken an active part in Masonic work. He is secretary of the Grand Rapids Varnish company and prominent in furniture circles of the state.

Miss Hilda Wells of Zeeland was operated on Tuesday in Holland hospital for chronic appendicitis. The operation was successful and Miss Wells' condition is very satisfactory.

The board of directors of the Holland Poultry association will meet this evening at the office of the Commercial Printing Company at 8 o'clock. Business of importance is to come up.

The Allegan County Pomona grange will meet with Monterey grange July 21. Following a potluck dinner noon an open meeting will be held with State Master George Rozbury as the principal speaker.

Fire of unknown origin destroyed the farm home of Fred Wilson near Hudsonville Monday morning with an estimated loss of \$2000. The family was away from home. Furnishings in the downstairs rooms were salvaged by neighbors.

The annual school meeting in Spring Lake passed off with no opposition to the two members of the present board up for re-election, William H. Connelly and Harry E. Potter. There were 35 votes cast with the majority for those members.

The Shady Lawn Florists of this city were commissioned Tuesday to decorate a church in Grand Rapids for a triple wedding. It was the Oakdale Park church. The local florists provided the plants and did the decorating.

Adrian Westerhof and Arend Ditar have left on a camping tour thru the west. With an auto equipped for camping, they set out with no special destination. They expect to camp as long as they feel like it and to go where impulse leads them.

The annual election of two members of three year terms on the Grand Haven board of education was held Monday with no excitement or interest shown. In the morning nine votes were cast but during the afternoon and evening the number was swelled to 101, of which Arthur W. Elliott received 86 votes, Henry V. Bolt, 66, Lawrence Dornbos 20 and ten scattering ones. The old members were returned.

HOLLAND DEFEATS COLORED GIANTS

STEGGERDA PITCHES HIS BEST

The Holland Independents accomplished something Wednesday evening that most of the base ball teams in the state have tried to do but failed, namely take the colored boys from Chicago into camp. Not only did the local distill a real job of it, the final score being 9-3.

Marve Steggerda pitching his first game since arriving home put up a great exhibition of pitching. At no time was he in grave danger, but kept the six hits well scattered and had it not been for a couple miss plays it would have given but one little run to the colored boys. The whole Holland team played a great game, their fielding being of the best type and their hitting being very timely.

Poole, the Giant's pitcher, put up a very fine game but his support in the first few innings was a little ragged. The large crowd that witnessed the game went away well pleased and are looking forward to the game Saturday with the fast Kalamazoo team.

SPORT NOTES

Spriggs had pitcher Poole badly rattled in the 2nd inning and stole second while the pitcher stood with the ball in his hand.

Babe Woldring made a fine hit in the third, the first real hit of the game.

Mr. Turner, the colored R. F., looked like a clown on the first two easy ball hits out to his garden dropping both but he redeemed himself by robbing Dickie of a three base hit in the 8th and Marve Steggerda of a hit in the 8th.

Heinie Albers delivered a beautiful double to center field in the 8th with two on bringing both runners home. Ben Riemersma made a fine stop of Tredway's hit in the ninth.

FISH PONDS NEAR HOLLAND ARE TO BE SHOW PLACES

Although nothing has been said recently of the proposed fish ponds that are to be built by the Holland Fish and Game Protective association, there is no doubt but that this city is to have them, and when put into shape it means that there will be another show place in the Holland and will be intensely interesting to the resorters who come here.

An option has been secured upon six acres of ground directly south of Central Park on 32nd street, or two miles east of the Windmill station on the Saugatuck road. It is an ideal spot with a densely wooded valley through which a brook runs.

The only thing that is holding the proposition up is about an acre of ground owned by the Bennetts and on this one acre the headwater of the brook is found coming out of the hillside surrounded by a clump of trees.

Joe Rhes and others are now negotiating with Mr. Bennett, who is in the east, for the one acre which appears as if favorable agreement can be reached and at a reasonable price, for the building of these ponds could not help but enhance the value of the property because of these improvements; otherwise the officials of the club have two other very desirable spots.

H. A. Smith, state geologist of Lansing, and Henry Schull, fish commissioner of Grand Rapids, have gone over this property and say it is ideal for fish propagation. Fresh water is naturally essential and they state that the springs and the brook will have plenty of it.

It must not be understood that this is to be a fish hatchery, but rather will be a series of fish ponds installed to rear the fish fry until these become fingerlings and large enough to take care of themselves when scooped into Black lake and other bodies of water and streams in the vicinity of Holland.

The capacity of the ponds will be such that between 15 and 20,000 black bass, and as many more blue gills can be raised and planted each year.

It goes without saying that the six acres are to be kept in fine shape, the grounds will be like a park with seats around the ponds, the grass will be cut although the shrubbery will be allowed to run riot and remain in the natural state.

It will be a beautiful place and fish lovers will have an opportunity to see thousands of fish grow up in these nurseries.

The Holland Fish & Game Protective association has put over another proposition. In the first place some money has been secured to put over the deal and more is to come thru popular subscription.

But there must also be a maintenance fund and the officials of the Holland Fish & Game Protective association have secured the consent of the state administration allowing them to fish for carp and use the proceeds towards propagating fish in these ponds and to further foster protection of game and fish in this vicinity.

The main trouble with carp fishing has been the men doing this work have too often seen only the money-time and the claim has been made killed because of reckless handling.

What was once the main thoroughfare part of the way from Toronto to Detroit is no more. Its story was revealed to the Ontario Historical society meeting here this week, by Prof. Malcolm Wallace, who, after much trouble and research, has prepared a brief history of the "Lost Road."

BALLOON MAN IS KILLED AT RAMONA SUNDAY

Within a few seconds after he had thrilled thousands of spectators with a double parachute jump from a balloon at Ramona park, Grand Rapids, on Sunday evening, and while hundreds of boys were running to the spot where he had apparently landed safely, Sam Grover, 47, of Hoptown, was instantly killed when he attempted to alight in a tree and fell 30 feet to the ground.

The large crowd that watched the ascension and double jump, was unaware that the intrepid aerialist had been killed, and cheered what he believed to be a successful landing.

Deborah Smith, 15, of 1109 Sherman st., SE, Grand Rapids, who has watched Grover make many ascensions in the past and has always been in the van of the crowd of small boys that rushed to the places where he landed, was first to reach him and found him lying on his back in the rear of the Miller sanitarium, near Lakeside dr., Ramona Park.

Smith told Marshal Don Williams of East Grand Rapids he thought Grover was breathing when he reached him and that he believed he was only stunned. Officer Vander Maas arrived at the scene a few minutes later and, on observing Grover's condition, hurried back to the station to call an ambulance. Marshal Williams hastened to the spot in a police car, rushed Grover to a hospital, but the latter was dead.

Fire apparatus from East Grand Rapids went to the tree where the fatal accident occurred and obtained the parachute to ascertain if it was to drop to the ground. An examination revealed that the snap and fastenings of the safety belt were in perfect condition.

Officers surmised that Grover, sensing that he was to land in the tree and fearing that he would be dragged through the branches, had fastened the safety device and planned to grab the branches and climb to the ground.

A broken branch near the top of the tree, a tall slim hickory, offered more evidence as to what had caused the failure of his plan. The branch apparently had snapped as he was struck it, causing an almost unbroken fall to the ground.

When found by young Smith, Grover's head was twisted beneath his body and his legs were thrown forward in front of his chest. He is thought to have landed on his head and his neck to have been broken by the impact.

The ascension and jump was one of the most perfect ever staged at Ramona park, the management said Sunday night. Grover ascended to a considerable height before cutting loose with his first parachute. Both parachutes functioned perfectly, and with practically no wind, it appeared that he would make one more of a long list of successful ascensions and drops.

LOCAL DELEGATES RETURN FROM BIG C. E. CONVENTION

Melvin Coesting and Gerrit Rezelman of Holland have returned from Cleveland where they attended the thirty-first international Christian Endeavor convention July 2 to 7. More than 17,000 delegates were in attendance from all over the world. Utah, Michigan, and Pennsylvania were rated as highest honor states because each exceeded its registration of delegates. These three states were given honor badges. Michigan alone had 417 delegates. The Michigan, New Jersey, and Pennsylvania delegations made the most attractive appearance in the parade.

The annual Michigan C. E. state convention was held in connection with the gathering at the Old St. Presbyterian church in Cleveland. The next international C. E. convention will be held in Kansas City, Mo., in July, 1929.

Mr. Coesting and Mr. Rezelman reported at the convention at Cleveland that the convention was a most successful one and that the promotion of world and personal evangelism, prohibition and world peace. Speakers were heard who hailed from Canada, England, Australia, China, Hungary, Finland, India, Mexico, Hawaii, in addition to those from different states in the union. Conferences on subjects related to Christian Endeavor meetings occupied the morning sessions.

While many of the speakers were of national and international fame, the local delegates say that one of the chief values of the convention was the employment of the youth with the thousands of other delegates from all over the United States and Canada and the enthusiasm manifested by them. All of the delegations participated in the big parade held on July Fourth which traversed about two miles of Cleveland's streets and required one hour and twenty-five minutes to pass a given point. Hon. Vic Donahue, governor of the State of Ohio, headed the parade and reviewed it, together with W. R. Hopkins, city manager of Cleveland.

The outstanding series of addresses were given at the Quiet Hour service every morning at eight o'clock by the Rev. Dr. William Hiram Foulkes of Newark, N. J., on the theme, "Youth and the Pathways to Life." Those were deeply spiritual. The keynote convention speech was given at the opening session by the Rev. Dr. Daniel A. Poling of New York, who was elected president of the movement at the convention at Portland two years ago and re-elected at Cleveland. The keynote was sounded with the slogan: "Crusade With Christ."

ter ago in his journeys through Western Ontario, was used by soldiers of the British and American armies as they moved towards the Thames before the battle of Moravintown, and was a highway for immigrants from the eastern states towards Michigan.

Along its course went stage coaches, two-wheeled carts, and horsemen in pioneer days. At its inn doors were gathered nightly the trappings of travellers and merry-makers. Then it fell before the encroaching lake and in time was submerged by the hungry waters. In 1840 man had to build another highway. The old road was buried and almost forgotten.

Sipe's Tigers have won two more games and it is a long time ago since they lost a game. Last Friday they defeated the Holland Fords for the second time this season. In the previous game the Fords came without their regular pitcher and to this cause the defeat was noted. However the locals paid little attention to the fact that the regular pitcher opposed them. The team started the game in their usual way. Callahan, pitching for the locals was in good form and sent the Fords back to the bench by the strike out route. In the second inning Call hit the first man up. Check booted the next two ground

and John Brink followed his example with another easy one—giving the Fords three runs. Another run was scored by the visitors in the third inning, while the Tigers were acting like sick kittens. Callahan was pitching in fine form, however, and the team soon steadied. From there on the Fords found the grade too steep and were stopped while the Tigers proceeded to tear them to pieces. Bud, first man to bat in 5th, slammed out a three-bagger. The next two men were safe with bingles scoring Bud. Then Hern Nyhoff sent a hot one far out center, scoring two more. Before the Fords and the crowd knew what was going on the Tigers were leading 6 to 4. Fords were allowed to score in the final inning but sent home with the short
