PRESIDENT OF HOPE TAKES
PLACE ON STATE BOARD

Dr. Wynand Wichers, president
of Hope college, was in Lansing
recently to take his seat on the
state board of education to which
he was elected last spring. Regu-
lar meetings are held each month
by the board, but these, Dr. Wichers
stated, will not interfere with his
work at the college. He was elected
as a running mate of the late
Maurice R. Keyworth.

HOLLAND HOME BURNS;
TAR SMOKE BLACKENS WALK

Fire caused approximately \$2,000
damage to the home of John De
Witt, 202 West Eleventh street,
this city.

The fire started in the kitchen
of the home where De Witt was
melting some tar. The tar boiled
over and started a cloud of black
smoke and the damage because of
this was considerable, every room
in the house being blackened with
tar smoke.

WALTER J. BLACK, 65,

LOCAL NEWS

Mr. and Mrs. "Chet" Van Ton-
geren of Holland has built a new
summer home at Buchanan Beach
and have moved in it.

Mr. and Mrs. George Mooi and
family, Pine and Fifteenth street,
have moved to the "Hill Top" at
Eagles Crest on Lake Michigan.
"Hi sit daar Mooi."

Dr. Wynand Wichers and fam-
ily are summering at Buchanan
Beach; Dr. William Westrate and
family are at Tennessee Beach, and
Mr. and Mrs. C. C. Wood are at the
same place.

Mrs. Nick Kammeraad, Central
avenue, has been stopping at her
cottage at Idlewood.

Dr. Henry Beets will conduct the
services in the Central Park chap-
el. He is a "pillar" in the Chris-
tian Reformed church, is an editor
and secretary of the board of mis-
sions, and an eloquent speaker.

Landlord Swan Miller has re-
juvenated the hotel at Macatawa.
The dining room has been artisti-
cally done as well as several of the
guest rooms. The landlord is 93
years old.

Mrs. R. B. Champion of Holland
entertained the Ladies' Mission so-
ciety of Third Reformed church at
her cottage at Maple Beach. It was
"pot luck" for the ladies and all
were lucky, with plenty and to
spare.

Dr. Wynand Wichers, president
of Hope college, formally took his
seat at Lansing Monday as mem-
ber of the state board of education
to which he was elected in the
spring election. The board meets
monthly and the new job will not
interfere with the duties of Mr.
Wichers as president of Hope col-
lege.

Mrs. John Koning, 69, died at
her home, 265 West Eleventh
street, this afternoon. Surviving
are five daughters, Mrs. C. E.
Becker and Mrs. E. Rodenhuis
of Grand Rapids, Mrs. Ben Wier-
sma of Holland and Mrs. B. L. Berg
of Detroit; one brother, George
Trench, and two sisters, Miss Dora
Trench and Mrs. Ann Koning-
berg, all of Holland. Funeral ser-
vices were held Wednesday at 3
p. m. at the home, with Rev. Vic-
tor Maxam, acting pastor of Third
Reformed church, and Rev. W. J.
Van Kersen officiating. Burial
was in Pilgrim Home cemetery.

A fourth member has been added
to the "two on one" fishing club.
Gerrit J. Geerds, vice president of
the Holland Ladder company, while
fishing in big bayou with Jacob
N. Lievesse, president of the Hol-
land Fish and Game club, landed
two 1½-pound black bass at one
time. Other "members" of the
club are Andrew Klomparsen, Mil-
de De Vries and James Rhea. A
true fish story. Ha. Ha.

Henry Geerlings, secretary of
the board of education, states that
the Holland public schools closed
their 1934-35 school year with a
cash balance of \$2,630.80. This is
the first time the budget has been
balanced for several years and the
board feels that public school fi-
nances in the future will be on a
sound financial foundation. With
regular operating expenses met,
the board is looking forward to a
building program of enlarging the
high school to alleviate crowded
conditions.

Castle Park, under the manage-
ment of Carter Brown of the south-
land, will stage the usual horse
show in August. Carter has many
fine saddle horses and is a good
judge of "horse flesh" as well as
knowing how to conduct a hospita-
ble hostelry.

Gerald Breen, football coach at
Holland High, will give swimming
lessons for young folks at Castle
Park on Lake Michigan. As long
as Gerald tells them to "crawl"
rather than to "punt" then every-
thing will be all right.

Mrs. John Morren, 36, passed
away Sunday evening at her home
one mile west of Hudsonville. Sur-
vivors are her husband and one
daughter, Marie, parents, Mr. and
Mrs. A. Van Langeveld of Hud-
sonville, three sisters, Mrs. Ger-
trude Smit of Hudsonville and Mrs.
John Timmer and Mrs. Arthur Groe-
newold of Imlay City. Funeral ser-
vices were held Wednesday at 1:15
p. m. and at 2 p. m. at the Hud-
sonville Christian Reformed church,
the Rev. E. J. Krohne officiating.
Burial was in Georgetown ceme-
tery.

ZEELAND PIONEER PASSES

Mrs. Peter Rookus, pioneer resident of Zeeland, passed away at her home on North State St. Saturday at the age of 85 years.

Mrs. Rookus, prior to her marriage, on Sept. 10, 1868, was Miss Hannah Hovinga. She was the fourth white child to be born in the Zeeland settlement, being born on Sept. 1, 1849, in the home of her grandfather, Gerrit Kamps, prominent in early pioneer life in the Zeeland settlement. The home of Mr. Kamps was then located on the southwest corner of Lincoln and Maple Sts., now the location of the Huizenga store. Her father and grandmother were the first to be buried in the early Zeeland cemetery at Central and Church Sts., dying one week apart.

Mrs. Rookus attended the old log school and saw Zeeland grow from infancy to its present size. She spoke often throughout the years of Dominie Vander Meulen, founder of the community, whom she remembered well.

Before taking up their residence in Zeeland in 1893, Mr. and Mrs. Rookus lived on a farm on the Franklin road.

Surviving are four sons and two daughters: John J. and George Rookus of Zeeland; Jacob Rookus of Vienna Park, Cal.; James Rookus of Long Beach, Cal.; Margaret and Grace Rookus of Zeeland; 14 grandchildren and 14 great grandchildren also survive.

Funeral services were held Wednesday at 1:30 p. m. at the home, and at 2:00 at the Free Methodist church. Burial was in Zeeland cemetery.

Mrs. Lena Krause, 62, died Saturday morning at her home in Grand Haven. Funeral services were held Tuesday afternoon at the Kinkema Funeral home, the Rev. John Clemens officiating. Mr. Krause died some months ago. Mrs. Krause's death came after a long illness. She is survived by the following: Two daughters, Mrs. Willis Connor and Mrs. John Swift; three sons, William, Eugene and Floyd, all of Grand Haven; three brothers, Mike and Cornelius Langeland of Grand Rapids, and John Langeland of Onkama, and five grandchildren.

OVERISEL NOTES

The Sunday afternoon services in the Reformed church were conducted by Dr. Milton J. Hoffman, a former resident of this village, who is now the professor of church history at the New Brunswick Theological seminary, New Brunswick, New Jersey.

The prayer meeting in the evening was led by Professor Clarence Kleis of the physics department, who treated the subject of "Liberty and the Law," in connection with the Sunday school lesson.

Mr. Glenn Nykerk of Ewen, Michigan, will be in charge of next week's prayer meeting. His topic will be "The Christian View of Recreation," with I John 2:12-17 as the Scriptural basis.

The introduction to the Bible lesson was read by Gertrude Nyhof at the meeting of the Young People's society of the Christian Reformed church. The subject was "Brotherly Love and Independence," and was based on that portion of the Word that is found in I Thessalonians 4:12. The Misses Florence and Alyce Vande Riet played a piano duet entitled "Qui Vive."

Mrs. Joseph Schipper was scheduled as the leader of the Tuesday evening meeting of the Reformed church's Christian Endeavor society. This was a consecration meeting. With Proverbs 14:34 as the Scripture lesson, the topic under consideration was "What Makes a Nation Great?" Earl Nienhuis will conduct next week's meeting, having as his subject "Why Is Profanity Harmful," which he will treat from the light of Exodus 20:7 and of Matthew 26:67-75.

Mrs. Herman Albers of Michigan City, Indiana, is visiting relatives and friends in this vicinity. Miss Sophia Vander Kamp of Holland is visiting relatives in Hospers, Iowa, and Miss Sylvia Vander Kamp is spending her vacation in Holland.

FORMER HOLLAND MINISTER OFFICIAL AT INSTITUTION

Candidate Marion Klaaren, recent graduate of the Western Theological seminary at Holland, was installed as pastor of the new Conklin, Ottawa county, Reformed church. A committee of the Muskegon classis recommended that the classis of Muskegon appoint Mr. Klaaren as stated supply for a period of one year. The Conklin church is being assisted by the First Reformed church of Grand Haven in supporting the new minister.

Rev. S. Schipper opened the installation services with prayer. Rev. Clarence P. Dame of Muskegon, formerly Trinity's pastor in Holland, read Scripture, the choir sang an anthem, Rev. H. Schipper of Spring Lake led in devotions, the stated clerk gave his greetings, Rev. J. R. Euwema of Grand Haven gave the sermon and Rev. S. Schipper read the form. Charge to the minister was given by Rev. John Klaaren, formerly of North Holland, and charge to the classis was given by Rev. J. Bruggers, Coopersville, formerly pastor of Sixth Reformed church, Holland.

Miss Jean Kole recently entertained the Helping Hand Class of Bethel Church at her home. Miss Rhoda Johnson assisted the hostess. The evening was spent in playing games and lunch was served. Those present were: Misses Dorothy Martinus, Helen Orr, Marjorie Rosendahl, Jeanette and Theresa Schuitema, Maggie and Gertrude Vander Wege, Wilma and Berdena Vander Wilk, Rhoda Johnson, Jean Kole, Janet, Julia and Henrietta Huizenga, Mrs. Bert Wolderink and Mrs. B. Cook, teacher.

Ed Van Landegend of St. Louis, Mo., returned to this city for a vacation.

MR. STEGENGA OF THE FEDERAL FARM LOAN TELLS OF NEW "SET-UP"

The Holland Co-operative association has closed the last fiscal year with a total volume of business in excess of \$200,000, an increase of about 10 per cent over the preceding year.

A 7 per cent dividend was declared on the capital stock, which is held largely by farmers of Allegan and Ottawa counties.

The association, organized in 1920, has a membership of 315. Officers are: President, Wilbur VanAppeldoorn; vice president, Maurice Luidens; secretary-treasurer, Henry Sagers; treasurer, William Zonnebelt.

STEAMER MISSOURI TO RUN EXCURSIONS TO HOLLAND

Holland harbor on Sunday looks like the old excursion days of yesterday.

The steamer Missouri comes from Muskegon every Sunday, bringing a large load of excursionists, landing at Harrington's dock at the foot of Eighth street. Last Sunday a sizeable crowd visited Holland and many were seen viewing our beautiful Centennial park. Some even asked if tulips were still in bloom. Of course, the blooming season is over but there are plenty of peonies to take their places.

The Wisconsin and Michigan and Pere Marquette lines are to continue these excursions every Sunday during the year. However, Holland folk can participate in the delightful return trip at 4 o'clock and they can place their automobiles aboard the boat, go back to Muskegon and return by motor car, the whole at a very reasonable rate, reminding one of the low priced excursions of former years when lake trips were the last word on a summer program of recreation.

The steamer Missouri will arrive in Holland again around 3 o'clock, leaving for Muskegon at 4.

A representative of the company who was in Holland earlier in the week, believes that these excursions during July and August, will be popular innovations to those who enjoy a short voyage on beautiful Lake Michigan.

POLICE AND FIRE COMMISSIONERS ORDER NEW EQUIPMENT

The Board of Police and Fire Commissioners at their regular meeting Monday morning sanctioned the purchase of 1,000 feet of fire hose to be added to Holland's fire department equipment. The purchasing of the hose was referred to a committee with power to act. The committee was also ordered to investigate needed sewer repairs at Engine House No. 1.

The traffic and marking committee and the chief of police were given instructions to make a survey of all traffic signs in view of making repairs or additions. Progress on the policing of Kollen Park was reported. The equipment committee was asked to investigate the purchase of a boat for life-saving purposes and the traffic and marking committee was given a communication from the Greyhound lines, in which they asked for additional parking space at certain hours of the day.

Mrs. Howard Lillard left Holland this morning for a three months' visit to Los Angeles. She left by motor car and expects to arrive on the Pacific coast within ten days. Her reason for going during the summer was that her mother is ill and she will aid in taking care of her. The home of Mrs. Lillard is in Los Angeles and she came to Holland when her husband took charge of Warm Friend Tavern about six months ago.

Ed Van Landegend of St. Louis, Mo., returned to this city for a vacation.

MISSION BOARD CALLS FOR AID: MEETING JULY 9 TO REDEEM MISSION BLDG.

Holland may lose its City Mission at least the Mission home, according to Mr. Trotter, the superintendent. That, it appears, is the danger the Mission is facing just now unless someone comes to the rescue of the City Rescue mission.

The city mission building, built in 1928 and dedicated to the late Miss Nellie Churchford, Holland's veteran mission worker, was sold at auction March 29 of this year. The Mission board has until September 29 of this year to redeem the building, and they are therefore calling a meeting of all those interested for Tuesday evening, July 9. It is thought that possibly some plan can be devised whereby this mortgage and interest, amounting to almost \$12,000, can be paid so that the mission can continue its work in its own home.

Local citizens well remember the loyal efforts put forth by the late Nellie Churchford and her aids, and are also aware of the strenuous work done by George W. Trotter, superintendent of the mission, for the past year, and no doubt are keenly interested in maintaining the mission and its home.

Supt. Trotter urges all interested citizens who feel they would like to see this building kept as a home of the Mission, to attend the meeting Tuesday evening.

Several short talks will be given on the scope of the work, its place in the civic well being of the city and its need. Isaac Kouw, president of the Mission board, will preside at the meeting.

Mr. Trotter states specifically that those attending the meeting will not be under any financial obligation whatever.

The Yonkam and VanderVeen families will hold their annual reunion July 4 at the Gerrit DeWitt farm in Borculo.

HAMILTON

Hamilton baseball fans enjoyed two exciting games during the past week. In a pitchers' battle the locals were defeated by the Virginia Park team by a 3 to 2 count. This game, however, was not won until the last man was out. Rich Wentzel, the local hurler, had the best of VanderVeen, his opponent, holding the visitors to 3 hits, while his teammates got to VanderVeen for 6 safeties. Every run of the Park was a gift through errors, while the local boys succeeded in bringing in one counter, which was earned. Ten Brink led the locals at bat obtaining two singles with a base on balls out of four times at bat. Both teams made three errors, but the local boys bungled at more critical times. Nevertheless the fans were given all kinds of excitement.

Last Monday evening the home boys came out ahead in a slugfest at the expense of the Holland Pure Oils by a 10 to 7 score. Both Lugten and Stopper were hit freely, being touched for 10 solid hits each. Both teams also were hampered by the slippery condition of the grounds. The game, however, was lost by the hurler of the visitors through wildness at critical times. The big inning for the locals was the third when Brink, J. Kempker, Nyhof hit successfully and Haakma, Callahan and Roggen walked. J. Brink, Jr., obtained two doubles and a single. J. Kempker, Lugten and Roggen doubled. Buurman and Plakke led at the bat for the Oils. The game was scheduled as a benefit game for Fogarty who suffered a broken ankle in a game here two weeks ago.

The locals will meet the Dutch Boys of Holland here this week on the Fourth. The visitors defeated Hamilton the beginning of the season by a one-sided score.

The C. E. business meeting and social was held at the First Reformed church last week, Tuesday evening. Miss Josephine Kaper, who has served as president for several years, resigned. Ivan Roggen was chosen to fill her place and Raymond Kaper became vice president. The young people are planning a beach party in the near future.

Mr. C. Nolan and daughter, Ann of Detroit, are visiting Mr. and Mrs. Jacob Eding. Mr. Nolan expects to finish his work here this week.

Melvin Lugten was in Ganges for the week-end. Edith Robeyer of Grand Rapids is enjoying a vacation at the home of her grandfather, Walter Monroe, Sr.

Mr. C. De Hoogh and daughter, Jennie; Mr. and Mrs. Harvey Noorday and children, Junior and Janet of Monroe, S. Dak., and Jacob Dykstra of Grand Rapids were at the Roggen home Monday and Tuesday.

The Koopman school, district No.

2, will hold a reunion at the Community Grove of Overisel on July 18. A basket picnic will be held at 11:30 o'clock. A program will begin at 1 o'clock. All former pupils and teachers are invited.

Mr. and Mrs. Joe Lugten and children, Melvin and Lois; Mrs. Louise Kelly and daughter, Loraine; Mr. Carl Wolters and family of Fennville Sunday.

Born to Mr. and Mrs. Justin Bultman last week, Wednesday, a son.

Gladya Lubbers and Mary Lubbers were in Lansing Monday on business.

Mr. and Mrs. Ed Ringler of Grand Rapids were at the home of Mr. and Mrs. Jacobus Sunday.

Mr. and Mrs. Nick K. Brower and daughter, Lila of Drenthe, visited Mr. and Mrs. Joe Lugten last week, Friday evening.

Mr. and Mrs. Henry Kruidhoff and family of Drenthe were at the Roggen home Sunday evening.

Rev. Victor Maxam of Third Holland will preach at the First Reformed church Sunday afternoon in a pulpit exchange.

Dr. Clarence Holleman, missionary to China, visited friends in this city last week, Wednesday.

Fishing season opened last week, Tuesday, and a lot of folks were out in the woods early.

Mrs. Frank Mooney, Mrs. Don Schaap of Holland were at the William Ten Brink home last week, Thursday.

Josephine Kaper, Margaret and Marian Roggen, Josephine Kemper, Mildred and Dorothy Strabbing, Edna Dangremont, Esther Slotman, Pearl Drenten, Geneva Timmerman, Eleonore Drenthe, Aileen Dangremont, Fannie and Julia Bultman, Josephine Bolks and Lavina Fokkert attended the Y. P. conference at Fennville last week, Thursday evening.

Dr. M. H. Hamelink is standing treat—a 10-lb. boy arrived at the doctor's home last week, Wednesday. Doc is happy to have an assistant in his big practice.

A fellowship meeting was held at the American Reformed church last week, Tuesday evening. Rev. Harvey Hoffman, recent graduate of the Western seminary, is serving the church as stated supply. The young man expects to be ordained in the near future.

A quarterly business meeting of the teachers and officers of the First Reformed church was held last week, Friday evening at the home of Mr. and Mrs. Herman Nyhof. J. Brink Sr., president, Rev. J. A. Roggen gave a resume of the National Younger Men's Missionary congress held in Chicago in May.

Rev. and Mrs. H. J. Potter and family of Ackley, Iowa, were supper guests at the Albert Klomparsen home last week, Wednesday.

Mrs. Dr. G. H. Rigterink returned home last week, Tuesday from a three weeks' auto tour through Canada and the eastern states.

Jake VanderZande escaped injury last week, Friday, when his car was demolished in a collision with a gravel truck at the corner of Main and Wall streets. This corner seems to be a dangerous place, since several accidents have occurred at that place. An officer was at the corner all day Saturday to watch traffic.

Russ Japinga of Grand Rapids was a Hamilton visitor Saturday. The Kings' Daughters society of the First Reformed church, met at the home of Clarice Brink Friday evening.

ZEELANDERS HAVE FINE FISHING HERE

That the early bird does not always get the worm was aptly illustrated with the opening of the fishing season Tuesday when John Vander Weide and his sister, Mrs. David Vereeke, wife of the mayor, got their limit of bluegills.

The fishing party was composed of Mr. and Mrs. Vander Weide and Mr. and Mrs. Vereeke, who set out early Tuesday morning in common with thousands of other anglers to participate in the opening of the fishing season.

His honor the mayor had to get back to his hair-cutting and Mrs. Vander Weide had to return to her work in Holland and up to the time of their departure only eight fish had been landed. But Vander Weide and his sister stayed on and had a busy morning pulling in the fishes. The catch was made in Black Lake, now officially designated as Lake Macatawa.

Smith-Becker Wedding Takes Place at Four o'Clock Friday Afternoon at Memorial Chapel

Hope Memorial chapel was the scene Friday of a beautiful wedding when Miss Betty Smith, daughter of Mr. and Mrs. Paul F. Smith of Bay City and Clarence J. Becker, son of Mr. and Mrs. C. E. Becker of Grand Rapids, were united in marriage at four o'clock in the afternoon of that day. The wedding is the third to take place in Hope Memorial chapel since its erection.

The beautiful cathedral-like interior of the chapel was greatly enhanced by the floral decorations, a background of palms, ferns and large baskets of varicolored peonies and a profusion of white daisies making up the improvised altar before which the marriage vows were spoken in the presence of relatives and friends, who well nigh filled the spacious auditorium.

Prior to the ceremony Frank Kleinhekel of Flint sang "O Promise Me," by De Koven, with Prof. Charles J. White of Bay City accompanying at the organ console. Mr. White continued with a brief program of appropriate music and then as the strains of the "Bridal March" from Lohengrin softly sounded throughout the auditorium, the wedding party slowly and rhythmically wended their way to the altar, the Rev. E. Paul McLean of the Hope College faculty and the Rev. Edwyn Evans of Reed City, uncle of the bride, preceding the groom and his attendant, Fletcher Plumley of Northfield, Vt., former roommate of the groom at Harvard. Together, with the usher, Dr. John Stryker of Chicago, Vernon Ten Cate, Bruce Van Leeuwen and Arthur W. Wrieden, Jr., of this city, they awaited the bride and her attendants. All wore conventional black and white boutonnieres.

The bridesmaids, Miss Sadie Grace Massink of Zeeland and Miss Marian Anderson of Lansing, wearing orchid mousseline de soie with yellow trim, and hats and slippers of matching orchid, and Miss Dorothy White of Bay City and Miss Betty Jean McLean of this city, wearing yellow mousseline de soie with orchid trim and hats and slippers of matching yellow, then made their appearance. Each carried bouquets of sweet peas and maidenhair fern.

Following was the maid of honor, Miss Mina Becker, sister of the groom, gowned in a beautiful shade of turquoise blue mousseline de soie with peach ribbon trim. The gown was fashioned with simple bodice and shoulder cape, the skirt having a fitted hipline. Three tiers of wide ruffles added much to the attractiveness of the floor length gown. Miss Becker carried an arm bouquet of sweet peas and maidenhair fern.

The bride, charming in a gown created by Lanvin, came in on the arm of her father, who gave her in marriage. Her gown of all silk white net was fashioned with fitted bodice and large sleeves, with very full floor length skirt falling from the fitted hipline and tapering into a full sweeping train. Dainty ruffles were the only trim. The bride's veil of white bridal illusion with court train was attached to a cap of the same material with petals also formed of illusion. She carried a bride's bouquet of orchids and rose buds, tied with long streamers of white velvet ribbon.

Following the wedding ceremony a reception was given at the home of the bride's aunt, Mrs. C. M. McLean, with whom the bride has been making her home. Decorations consisted of peonies and delphinium.

In the receiving line were Mrs. McLean, Mr. and Mrs. Paul F. Smith, Mr. and Mrs. C. E. Becker, Mr. and Mrs. Clarence Becker and the bride's party.

Mrs. McLean wore a printed silk gown of pastel shades, and wore a shoulder bouquet of gardenias. Mrs. Smith was gowned in Leland blue chiffon, and wore a corsage of pink roses. Mrs. Becker's gown was of printed chiffon, and her flowers were a corsage of cerise roses.

The guests were served a wedding supper in the dining room of the beautiful McLean home, where white rosebuds and swansons were artistically arranged as a table centerpiece. Presiding at the coffee urn was Mrs. G. W. Brown, great aunt of the bride, and also assisting was Mrs. Edwyn Evans, the bride's aunt.

Mrs. John Van Putten, Mrs. Adrian Van Putten, Mrs. Lester Exo, Miss Gertrude Smeenge, Miss Myra Ten Cate and Mrs. Lewis J. Hohlmann, friends of the bride, served the guests.

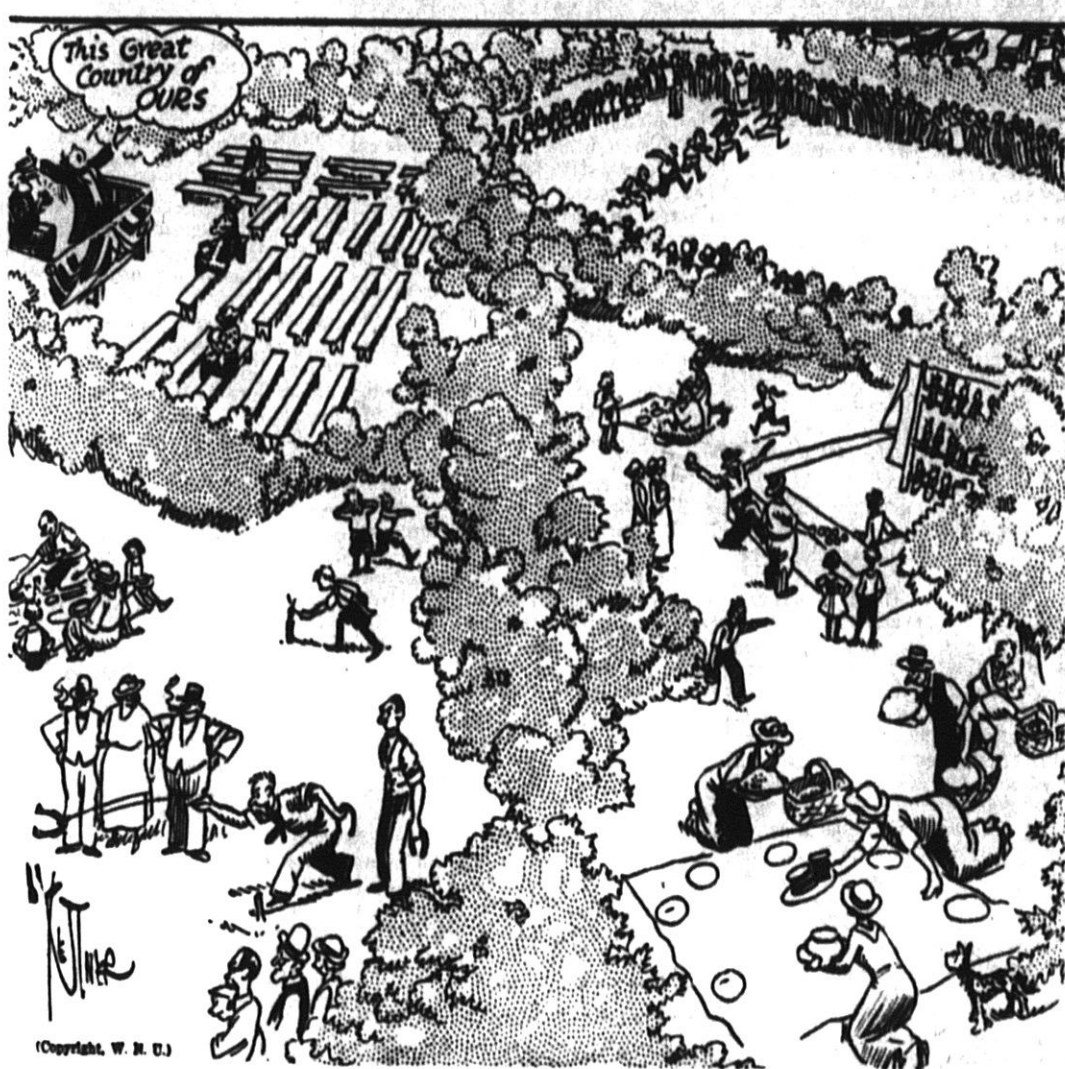

Mr. and Mrs. C. James McLean presided as master and mistress of ceremonies. Mrs. McLean wore a gown of marquisette over French lilac tulle.

Mr. and Mrs. Becker left on a northern trip, going via the lake route. They have returned and are now at home to their many friends at a cottage on Lake Michigan. They will move to their new home, now under construction on Washington avenue in the fall.

Mr. and Mrs. Becker have been very popular among the younger set in this city. Attending Hope College simultaneously, the marriage can truly be said to be the culmination of a college romance. It is also quite a coincidence that the young couple were wed in the same chapel where they each received their A.B. degree in 1931. Mrs. Becker, following her graduation from Hope, attended National Kindergarten school at Evanston, Ill., and for the past year has been teaching at Washington school in this city. She is a member of the Sorosis Literary society.

Mr. Becker, after receiving his A.B. degree at Hope College, attended Harvard, where he received his A.M. degree in business administration in 1933. Mr. Becker is a member of the Fraternal so-

Pays More Than \$6.00 Per Minute for Taxes

The Michigan Bell Telephone Company will pay in taxes this year \$7.26 per telephone based on the average number of telephones it operated in 1934; this is approximately \$1.00 more per telephone than it paid last year. It requires the net earnings from 187,600 telephones or nearly 38% of the average number the company operated last year to pay the tax bill which will amount to \$3,594,000.00. And if taxes were paid through a meter, the Michigan Bell Company would be required to stuff \$6.38 into the slot each minute of every day in the year.

In addition to its state tax, the telephone company will pay the federal government approximately \$809,000 this year, and its miscellaneous local taxes will approximate \$47,000.

Under the Michigan law, telephone and telegraph companies, railroads, railway car-loading companies and express companies pay taxes to the state, in lieu of local taxes, upon property generally used for conducting their businesses. The Michigan Bell Telephone Company is the largest individual taxpayer in the utilities group.

PERSONNEL OF GRAND HAVEN POLICE POST IS CHANGED

Changes in the personnel of the Grand Haven state police post were announced today by Sgt. Earl Sechrist, in charge. Trooper Stanley Niedzielski, at the Traverse City post for some time, has been transferred here to replace Trooper Stanley Carlson, who goes to Traverse City. Trooper Carlson, former Muskegon boxer, is well known in Western Michigan. He has been at the Grand Haven post about a year. Trooper Ray Sweet was transferred here from Mount Pleasant June 18 to replace Trooper Myron Snyder, transferred to Mount Pleasant.

GASOLINE EXPLOSION SENDS MAN TO HOSPITAL

While pouring gasoline into his car last evening John Lyons, 1226 Woodlawn Ave., Grand Haven, formerly of Holland, was severely burned and was taken to Hatton hospital for treatment about 6:00 p. m. According to hospital reports it is not believed his condition is serious.

The gasoline ignited when an explosion occurred, it was reported at the hospital, and flames shot out over the owner of the car, injuring his right side.

SEA GIVES UP HER MAIL

A piece of "tin-can mail," from Tin-Can (Niufoou) Island, of the Tongan group in the Pacific, has been received by Miss Carrie E. Salmond, Lapeer business woman. The letter, mailed by her sister, while en route to Australia, was put overboard in a tin-can from the liner Mariposa. Carried ashore by native swimmers, the letter bears royal Tongan postage and a postmark from Pago Pago, Samoa. It was en route three months.

Game Arrests A Few Less Than Month Before

MOST FOR HAVING NO FISHING LICENSES; SOME FOR FROG CATCHING; NEWS IS AGAINST LAWS INTERFERING WITH OUR "BAREFOOT BOY" DAYS SPORT

Arrests by Michigan conservation officers for violations of the game and fish laws during May showed a slight drop under the April figure and a marked decrease under the May report for 1934.

During May of the past spring, Department of Conservation records show there was a total of 314 arrests, 12 under the total of the previous month and 104 under the total of May, 1934.

Of the 314 arrests made, 281 were for violations of the fishing laws with fishing without a license the chief offense. (Let us say here the News never favored licensing of home fishermen who occasionally get a mess of fish). Twenty arrests were made for violations of the hunting laws, nine for breaking the fire prevention laws and three for illegal trapping.

Total fines assessed in justice court is reported at \$1,440 and total costs, \$1,779. Fines were suspended in 122 cases. Seventeen respondents were placed on probation. Charges were dismissed or sentences suspended in 11 cases and five cases were lost. A total of 776 days in jail sentences was imposed.

Conservation officers confiscated more than 2,100 pounds of illegal fish, including over a half-ton of illegal whitefish. Other articles confiscated consisted of 30 spears, 7 artificial lights, 6 rowboats, 4 rifles, 3 shotguns, 7 gillnets, 2 traps, a hoopnet, dipnet, 10 fishing poles, 3 reels, 6 lines, a revolver, portion of venison, 3 bear cubs and a bearskin.

The 281 arrests for violations of the fishing laws were divided as follows: Fishing without a license, 82; spearing or possession of a spear on a trout stream, 27; possession of bluegills, 22; possession of black bass, 14; fishing on inland lake, 14; possession of undersize trout, 14; selling undersize pike, 10; possession of undersize whitefish, 8; spearing or possession of spear on inland lake and possession of sunfish, 7 each; fishing black bass, 6; setting nets in trout stream, 5. Remaining arrests for fishing violations were divided as follows:

Fishing trout in closed season, spearing suckers illegally, netting pike, dynamiting fish, netting inland lake, commercial fishing without a license, 4 each; spearing black bass, exceeding legal number of lines, offering short yellow-pickler for sale, seining inland waters, 3 each; taking white bass with dipnet, possession of short yellow-pickler, setting nets in closed waters, setting deep traps without license tags, affixing wrong date to resident fishing license, spearing white-eyed pike, obstructing free passage of fish, selling black bass and fishing carp pond, 2 each; possession of frog out of season (The News is also against the frog law—another free institution when we were "barefoot boys") not icing fish, selling white-eyed pike, possession of undersize pickler, illegal possession of spear, attempting to shoot fish, possession of minnows without license, possession of undersize rock bass, possession of speared fish, possession of illegal white-eyed pike and taking perch in closed waters, 1 each.

Carrying firearms in closed game areas without a permit topped the list of hunting violations. Ten arrests were made on that charge. Arrests also were made for possession of venison, 4; shooting partridge, possession of loaded rifle in car, attempting to snare deer, possession of protected game bird, shooting fox squirrel, possession of bear cubs and possession of pheasant eggs illegally, 1 each.

Six were arrested for setting brush fires without a permit and 3 for leaving fires unattended. Two arrests were made for setting traps without identifying tags and 1 for trapping in closed season.

Mr. Mosquito Gentleman, But Wife 'She Devil'

NOW IS THE TIME TO CLIP HER WINGS; LAYS IN WAIT UNTIL "SANDMAN" TIME AND THEN OH! WHAT A NIGHT!

Mosquitoes, those corrupters of public morals which sing as their victims wail, are unnecessary evils whose numbers can be reduced to bearable limits by destroying their most obvious breeding grounds. Mr. Mosquito is a fine gentleman who goes about the countryside in the evening, humming a gay tune, and quelling his appetite by sipping plant juices. He carries a wireless antenna, which enables him to locate his public menage of a wife if the screams of her victims leave any doubt of her whereabouts.

Mrs. Mosquito is just a pain in the neck or other exposed part of the human anatomy. When she is not laying eggs to perpetuate her worthless species, she is stabbing some one in the back. Along with the pain and nervous shock transmitted to persons bitten, the mosquito deposits any disease germs she may have acquired from previous victims. Malaria, yellow fever, and other diseases are transmitted solely or in part by mosquitoes.

The duplicity of the female mosquito is proved by her stealth in seeking places to deposit eggs. They must be placed in water which will not dry up before the eggs hatch nor be so disturbed by winds that the larvae cannot come to the surface to breathe or to escape when they are ready to leave the water as adults.

Applications of oil on still water kill the mosquito larvae because they must breathe at the surface, but people who have placed oil on stagnant pools and whose homes are infested to find plenty of mosquitoes appearing about the premises. These people believe that the story about pouring oil on troubled waters is a lot of hokey.

They consider the oil wasted and that the scientists who urged them to use it are a lot of crack pots who ought to be rolling home somewhere out of the way of busy people. The scientists are a long suffering people who bear this unjust accusation without reply.

The answer is that the insidious female mosquito has checkedmate the oil pouring program by laying eggs in places where most citizens would never think to look for them. The can be thrown out behind the smoke house and greeted with glee by egg-laying mosquitoes, cave-troughs which fail to drain are good incubators, water pots in garages are accepted if they are left filled with water after the fire goes out, and cisterns and rain barrels are refuges in time of trouble.

One of the pleasant facts about mosquitoes is that there are several species and that they work in shifts, when one gang finishes its blood letting the other crew attacks the weakened victims. The house mosquito is that pleasant beast which lies in wait until you are ready to go to sleep and then pounces on you. The malaria mosquito entertains you on the porch after supper, while the house mosquito is ambushed waiting for you to retire.

All Michigan mosquitoes lay their eggs in water and most of them travel only short distances from the places where they hatch. They can be controlled if stagnant pools are drained or coated with oil and all other breeding places searched out and either drained or treated with an oil film. Water in cisterns can be coated with oil without ruining the supply of soft water. Tiny swarms of water in ruts or in depressions can be killed. An early start on the mosquito control campaign will save the annoyance and may prevent the outbreak of serious diseases.

CHERRY PICKERS ARE NEEDED THIS WEEK

Dirk A. Van Oort, formerly of Holland, now Muskegon district manager of the National Re-Employment service, today received a call from the Traverse City manager for cherry pickers to begin work this week.

Persons seeking such employment must obtain a signed recommendation from the Muskegon Federal building office.

The particular task for which local workers are sought necessitates clipping the cherries with the stems on at 25 cents a bush, or about 16 quarts. A good picker can make about \$2.00 a day, Mr. Van Oort said. Camping accommodations will be provided.

GRANDSON OF THE LATE HON. FRED WADE GRADUATED FROM ANNAPOLIS

Ensign Benjamin Gerber Wade, son of Mr. and Mrs. Frank H. Wade of Oak Park, Ill., was graduated with honors from the United States Naval Academy June 6.

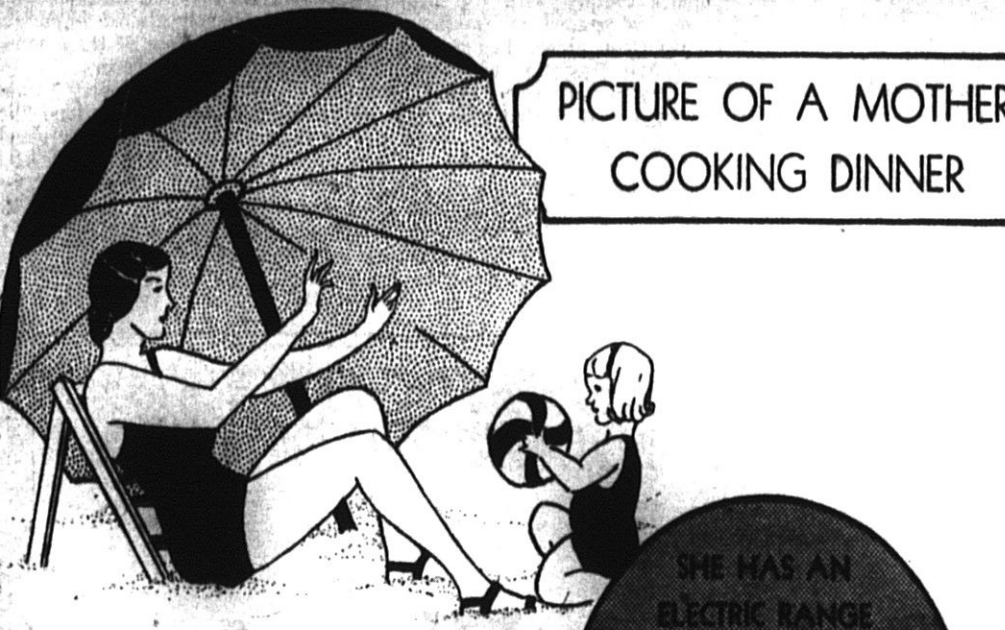

Ensign Wade, with his parents and brother Danny, have been visiting his grandmother, Mrs. D. M. Gerber, for a few days. He reported to the U.S.S. Portland at San Pedro, Cal., June 28.

FROM HOLLYWOOD

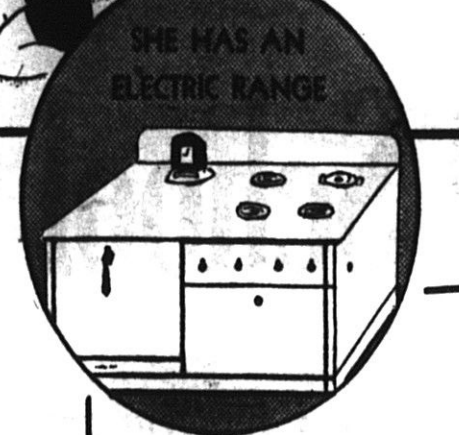

Misses June and Donna Streur of Hollywood, California, arrived in Holland Tuesday morning. They expect to spend the summer with their grandparents, Mr. and Mrs. Edward Streur at Holland and Mr. and Mrs. Henry Huxtable in this city. They are the eldest daughters of Mr. and Mrs. Allyn F. Streur of Hollywood. Mr. Streur is the former Miss Emily Huxtable.—Zeeland Record.

CATCH BIG BLACK BASS

A black bass weighing three pounds and eleven ounces won the \$6 reel offered by Red's establishment for the largest fish caught on the opening day of the season at Allegan. The bass was caught by Edgar Quirk, who lives on Hooker road, near that city.

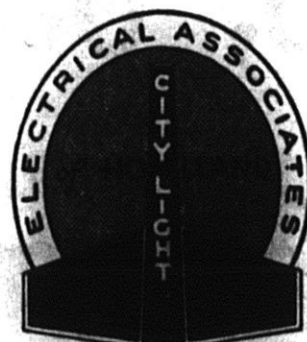

PICTURE OF A MOTHER COOKING DINNER

SCIENCE BRINGS NEW FREEDOM TO THE WOMEN OF HOLLAND

YOU CAN THANK ELECTRICITY for a lot of things—but none more wonderful than modern ELECTRIC COOKERY. You can cook a whole meal without being near the range. You can preserve the healthful vitamins and minerals of the food you buy. You can cook more accurately—and more appetizingly. You can do ALL THIS—AND MORE—in a kitchen as cool as your outdoor porch. You don't even have any scouring of pots and pans—nor any sooty walls or ceilings. Surely it is your ambition to cook better meals and to be FREE from Kitchen Heat and Drudgery. Then, by all means, INVESTIGATE this scientific use of CHEAP ELECTRIC HEAT!

USE HOLLAND'S CHEAP ELECTRICITY TO BANISH KITCHEN HEAT AND DRUDGERY

IN Cooperation with the BOARD OF PUBLIC WORKS

—COOL

An electric range puts an end to the overheated summer kitchen. You never feel wilted after cooking—you work in a COOL kitchen.

—CLEAN

Electricity is the cleanest fuel on earth—all the soot and dirt is kept in the power plant. No pots and pans with blackened bottoms; no discolorations of walls or ceilings.

—FAST

Electric Heat is fast and concentrated; cooking is done speedily. It's so fast that you can do much of the cooking with the switch turned off.

—HEALTHFUL

There is no flame to evaporate the juices of your food—no fumes to carry off the flavor. Valuable vitamins and minerals are preserved.

—ACCURATE

You ALWAYS get the same wonderful results—because of positive heat control.

—THRIFTY

You ECONOMIZE on food, getting less shrinkage and more food value per dollar. And you will be amazed at the cheapness of electric cookery under Holland's extremely low rates!

JUNE BRIDES, ARE YOU LIKE "THIS BABY?"

The following excerpt from an account of a wedding was clipped from a northern Wisconsin weekly newspaper:

"The bride is a woman of wonderful fascination and remarkable attractiveness, for, with a manner as enchanting as the wand of a siren and a disposition as sweet as the odors of flowers, and a spirit as joyous as the caroling of birds, and a mind as enchanting as the wand of a siren, and a disbursement of winter, and with a heart as pure as the dewdrops trembling in a corner of violets, she will make the home of her husband a paradise of enchantment, where the heaven-tuned harp of Hymen shall send forth those sweet strains of felicity that thrill the sense with the ecstatic pulsing of rhythmic rapture."

The editor's description of Mae West would indeed be interesting.

Express Company Also Stops Ferret Shipping

Acquisition of ferrets for illegal use in Michigan may not prove so easy when new regulations planned by the Railway Express Agency are enforced. Through its general agent at Grand Rapids, the company has announced it would prepare regulations under which no ferrets would be accepted for shipment into or within Michigan unless the shipper and consignee show proof of a permit to possess the ferrets.

The regulations were urged as an aid to the suppression of illegal hunting, especially of rabbits. Legal ferrets are used to rid buildings and especially farm barns of rats. Permits are issued for that purpose.

ANNOUNCE PLANS TO ENLIST 500,000 MEMBERS ALL OVER MICHIGAN

Plans to increase the membership of the Michigan Railroad Employees and Citizens League from its present 312,000 to 500,000 by Jan. 1 next were announced today by Floyd E. Drake, executive secretary.

Drake also announced the re-election of the following executive committee who will direct the membership drive commencing June 15: David A. Bodary, Owasco; E. F. Cary, Saginaw; Patrick C. Howard, Battle Creek; and Hurdia M. Ready, Jr., Bay City. The league, one of 38 similar organizations in as many states, was organized in 1932 to obtain equal regulation for all forms of transportation. It now boasts 82 units in 51 counties in the state. Eventually, according to Drake, the league will have units in every Michigan city and village traversed by a railroad. Drake explained the league is not trying to oust the trucks from the highways but to place them under regulation, similar to that governing the railroads.

"The trucks are a new form of transportation, and as such should be regulated," he said.

Forbid Child Labor in Sugar Beet Work

Adjustment payments on Michigan contracts between sugar beet growers and the secretary of agriculture will be made only when it is established that the child labor provisions of the contract have been complied with, according to administrators of the AAA. The employment of children less than 14 years old is prohibited in the beet fields, except that children of the contract signer are exempted from this provision. The hours of work for children between 14 and 16 years old are limited to eight hours a day in the beet fields. Children of farm tenants who furnish equipment and who actively participate in the management of a farm are also exempt from the child labor provisions.

The production control committee in each Michigan district will make the check to determine whether the child labor provisions have been complied with, but the responsibility for preventing violations of these regulations depends upon the contract signer. Labor contractors should not be permitted to employ children on farms where sugar beet contracts are in effect. Complaints of violations of the child labor provisions should be made to the production control committee. The members of these committees are farmers who are known to the contract signers. The committee makes the preliminary investigation of complaints and if violations have occurred the case is turned over to the field representative of the sugar section.

WANT TO OPEN ALLEGAN HOSPITAL AND ALSO TALK OF BUYING STATE PARK

The most important matters brought up in the two days of the session of the Board of Supervisors now in force are the proposition made by Attorney Ira Montague that the county buy the John Robinson hospital for \$65,000 and operate it as a general hospital and also use it for hospitalization of county indigents, thus cutting costs for caring for county patients; and the petitions presented to the board requesting the board to take up the matter of the proposed addition to the County park. In presenting the proposed hospital purchase, Mr. Montague referred to the report given by the County Poor committee last session in which the 1934 costs of hospitalization were set at approximately \$65,000. Mr. Montague presented petitions to the board for the hospital might pay for itself in three years in the saving in caring for indigent patients. The matter was referred to the Public Health and Finance committees, and will be again brought up before the close of the present session.

In regard to the proposed addition to the County park, petitions with some 1,000 names were presented to the board, urging that the attention of the board be given to it. A special committee consisting of Supervisors Thorne, Lyman and VerBeek appointed by the chair Monday to investigate the proposition, gave a verbal report Tuesday to the effect that the acreage in their opinion is desirable addition to the park. The proposition is now in the hands of the finance committee where it was placed last April.

RAINFALL THIS AND LAST YEAR

The excessive rains of the present season form a strong contrast with the weather of a year ago when there was almost a drought in spring and early summer. It brings to mind a verse of recent years that rainfall has decreased because of the destruction of forests; but the weather records of the past half century or more disprove this. As much rain as ever falls in a period of years. What the forests did was slacken evaporation and quicken discharge into streams. The former condition had its undesirable features quite as great as those of the present.

DOG MOTHERS 4 BABY FOX

The Bear Lake, Michigan timber wolf mother, which is rearing four police dog pups, has its counterpart in South Carolina, where Judge W. S. Toler of Society Hill has a dog mothering four baby foxes.

The four orphaned foxes were adopted by Judge Toler's pet with little hesitancy, and are thriving as well as if their own mother were caring for them.

OTTAWA PEACHES HAVE LEAF CURL THIS YEAR

Ottawa peach growers have reported widespread infection of leaf curl this year. L. R. Arnold, county farm agent states that the infection is not confined to Ottawa county but is prevalent throughout the state. It has been reported that one-third the trees in Berrien county, the most important peach county of the state, are affected. When affected by this disease the leaves of the tree take on a swollen curled and velvety appearance.

The peach crop of Michigan will be lessened by thousands of bushels due to the effects of this disease. Many trees will be destroyed or practically so, because of the weakening effects of the disease. Growth of the healthy fruit upon it depends upon the leaves. It is in the leaf that change of elements take place. Root and trunk growth are entirely dependent upon proper functioning of the leaves. The affected leaves cannot function properly; therefore many trees will be injured this year.

Leaf curl is a common ailment of the peach tree. However, some years it does not make an appearance in the orchards. The peach grower, however, cannot neglect proper steps in controlling it, otherwise when it does strike it will cause great loss. During the past few years there has been mild infection and many growers have become careless. It is easily controlled by proper spraying, that is, spraying at the proper time. It is controlled by the dormant spray. This year many growers sprayed too late. They waited until the buds had started to break. Orchards which were sprayed early are unaffected.

After the disease makes its appearance little can be done. Spraying for control is out of the question. If the tree is badly affected and it is an old tree or a weak tree total loss of tree is likely to occur. In case many leaves are unaffected some growers apply a nitrogenous fertilizer in order to get a heavy growth as possible. Another step is to remove the green fruit in order to place all the weight in the tree rather than in fruit. The disease does not spread from leaf to leaf to any extent during the growing season, but is confined to those leaves affected at the present time. The grower can determine right now how badly the tree is affected and take steps accordingly.

OTTAWA COUNTY NEWS

The Vriesland school picnic held on Wednesday afternoon proved a success despite inclement weather. Holland Mayor Bosch and Henry Pelgrim and Hubert Pelgrim were present. The affair was scheduled to be an outdoor celebration but because of the rain the Vriesland Reformed church was used. The church auditorium and balcony were filled to capacity, over 500 being in attendance. Herbert Pelgrim of Holland, 82 years old, held the distinction of being the oldest person present with Seth Coburn, old school teacher, and Gilbert Van Hoven rivals. The regular program was carried out. A letter was received from the Rev. George Cook, long a resident of Vriesland, and now residing out West. Among those who spoke or gave brief greetings were: Dr. William Fortuin, Mrs. John Trompen and John Maurits of Grand Rapids; Seth Coburn of Hudsonville; M. C. Ver Hage of Zeeland; Rev. Ray Van Zoeren of Hageman, New York; Mrs. Bert De Boer of Chicago; Miss Mippie Van Zoeren of Oklahoma; Miss Ida Tanis of Kentucky; Bert De Groot of Dundee; Mrs. Wm. Roberts of Jamestown; Mrs. L. Wyngarden, Carl Schermer, John Freriks and John Nienhuis of Vriesland. John Freriks of Vriesland and Mrs. Bert De Boer of Chicago, sang an old time song often sung in the Vriesland school. Many of these are former teachers of the Vriesland school.

Herman, the infant son of Mr. and Mrs. Richard Kruis of Zutphen, died at Butterworth hospital Grand Rapids, Friday, and was brought to its home for funeral services. The funeral was held at the home Monday and burial was made in Forest Grove cemetery.

The following eighth grade pupils received diplomas in the Drenthe school: Allison Vander Belt, Gerald Schreur, Justin Easing, James Ter Haar, Harold Nyenhuis, Ruth Nyenhuis, John Kaslander and Ruth Timmer.

The three new water wells recently added to the municipal system at Grand Haven have been connected up for the past few days and are adding 800,000 gallons per 24 hours to the city's supply.

The Wide Awake Circle of Virginia Park held a farewell party Thursday evening at the home of Mr. and Mrs. Peter Van Houw of Virginia Park in honor of Mrs. Ed Munson, who will move to Grand Rapids. Mrs. C. Davenport and Lester Knol won prizes and guests were: Mr. and Mrs. H. Teusink, Mr. and Mrs. Van Houw, Mr. and Mrs. J. Vander Werf, Mr. and Mrs. J. Kronmeyer, Mr. and Mrs. C. Onthank, Mr. and Mrs. L. Knol, Mr. and Mrs. W. Appeldorn, Mr. and Mrs. Ed Munson, Mr. and Mrs. C. Hartema, Mr. and Mrs. C. Davenport, Mr. and Mrs. G. Kuypers, Mr. and Mrs. G. Kremers, Mrs. J. Van Dam and Miss Alice Bos of Forest Grove.

The Sunday school classes of Mrs. Henrietta Van Bronkhorst and Mrs. Gertrude Brower of Forest Grove, recently enjoyed a party in Nyenhuis woods. A weiner roast was enjoyed and games were played and prizes won by Gerald Van Koevering, Robert Vander Bunte, Alvin Cotts, Anna Vander Kolk, Gerrit Timmer, Harris De Witt, Lloyd Vander Kolk, Elmer Van Dam and Junior Myaard.

ALLEGAN COUNTY NEWS

Allegan county rural schools are in improved condition this year, according to School Commissioner Fales. Slightly higher salaries will be paid in 1935-'36 and the general outlook is for a much better school year in 1936 than there has been in several years. Practically all of the districts have engaged teachers for the year and all but two members graduating this spring from the county normal class have secured positions.

Did you ever see huckleberries from Florida? Probably the first ever sold in Allegan appeared last week along with muskmelons from Arizona and California. The berries looked just as though they had been produced in Michigan and were nearly as good as the native stock though not quite so sweet and they had rather tough skins. Those who enjoyed them in pies might not have noticed any difference.

Clare E. Hoffman, Republican representative from the fourth Michigan district, said in an interview Thursday that the present congress has followed the administration program "under protest" and predicted that it is only a question of time until the congressional revolt will be open and effective.

The Taylor Art school opens its fifth summer season Monday. William S. Swartz, Chicago painter, will be one of the instructors. Cora Bliss Taylor again will train her students individually to interpret nature and the figure.

The fish-rearing pond on the North Side known as the Turner pond, near Allegan, received 200,000 bluegill fry from Wolf lake hatchery Saturday. High water due to the continued rains, forced the opening of the screens this week. Whether the fry have been damaged can not be determined until the water goes down. It will probably be some time in the coming week before the condition of the fry will be known.

Mr. and Mrs. George Burleigh, Fenville, who have been on a trip to her former home in Ireland for the past two months, returned home last Friday. The trip over was very unpleasant, storms being so severe it was necessary to fasten the chains to the tables in the dining salon during meals. Their visit on the Emerald Isle was of course a very happy one, uniting Mrs. Burleigh with her mother and sisters whom she had not seen in over 20 years. They rented a car at two hundred and fifty dollars a month and so were able to get about easily and enjoy the delights of that beautiful country. They have many interesting experiences to relate to their many friends who are glad to welcome them home.

Thomas Eddy Tallmadge, noted Chicago architect, is drawing plans for the enlargement of the Saugatuck Woman's club home. An assembly room 35 x 45 will be a much needed feature, as the club often has an attendance of more than 100.

Rural school teachers in this vicinity in Allegan county have been announced as follows for next fall: Ganes Union school, Mrs. Adrian Dorman and Mrs. Helen Kitchen; Loomis, Miss Loretta Biler; Darling, Mrs. Marie Walkley; Chase, Miss Eleanor Rice; Peachbelt, Miss Clovis Dorman; Belknap, Mrs. Gertrude Warren; Mack's Landing, Miss Opal Mosier; Idell, Mrs. Cora Deters; Baragar, Miss Blanche Goodwin; Orr, Miss Agnes Miller; Reid, Miss Rhea Sargent.

Mesdames Mabel Boyce, Kate Boyce, Ruth Boyce, Irene Bauhahn, Dorothy Wolcott, Zelma Gilman, Beatrice Van Dine, Dolly Volkema, Mary Resseggie, Genevieve Aalder, Inka Hattie Fuder and Hattie Peltis attended the Mission circle meeting at the home of Mrs. Mabel Boyce at Gibson. A quilt for a Kentucky mission was "tied off."

Miss Marjorie Boeve has returned to Fillmore from Goshen, Ind., and plans to spend the summer months at Macatawa Park.

Cornelius Onk of Bethlehem, Penn., is visiting his parents, Mr. and Mrs. G. Onk, at Fillmore for a few weeks.

Prof. Evans and family of Chicago have moved to their summer home near Paris corner, Gibson, for the summer.

Charles Hoadly has improved his Gibson home by adding a shingled exterior.

Miss Hattie Tymes, 63, of Graafschap, died of pneumonia on Fri-

day morning at the home of her brother, Ralph Tymes, R. R. 6. Miss Tymes was treasurer of the Ladies' Aid society and always took an interest in church work. Surviving are one brother, Ralph, and two sisters, Mrs. Fred Teerman of Holland and Mrs. George Jipping of Graafschap. Funeral services were held Monday at 1:30 p. m. at the home of Ralph Tymes private, and at 2 p. m. at the Graafschap Christian Reformed church, the Rev. H. Blystra officiating. Burial was in Graafschap cemetery.

Claims and accounts committee reported having examined claims in sum of \$5,137.48.

Ordinance committee reported progress on the matter of presenting a new plumbing ordinance.

Committee on public buildings reported for information of the Council that the fountains which were broken have been repaired. Committee further reported that there are several rooms in the city hall which should be cleaned and decorated.

After some discussion the matter was referred back to the committee with power to act.

Sidewalk committee reported for information that the repair project is progressing very satisfactorily.

Reports of Special Committees

Ald. Van Zoeren, chairman of one of the special committees appointed at the last Council meeting, in response to the Mayor's message in regard to necessary improvements at Riverview Park, reported having had a joint meeting of the two committees. The result of the meeting being that the necessary applications should be made for a works division project in putting in heating and plumbing in the large grand stand.

They further reported that Ald. De Cook made a suggestion that the B. P. W. build their warehouse on or near the present site of the old grand stand, near the power plant, and use the upper part for grand stand purposes. The committee further reported that it was

the sense of the committee that an application should be made to the FERA for tennis courts providing a suitable grant of materials can be received from the government. These tennis courts to be in connection with the Board of Education. Such courts could then be flooded in the winter time for skating pond.

Mayor Bosch reported having met with the B. P. W. and discussed the matter of a warehouse. He further reported that it seemed to be the sense of this board that not sufficient room is available for a suitable warehouse as suggested. However, the Mayor requested the committee to keep in touch with the B. P. W. to see if something can be worked out along lines suggested by the committee.

Ald. Bultman reported having made a complete investigation in regard to the cost of moving the present 5th ward voting booth over to the new location on College avenue. He reported this cost would perhaps run to about \$300; at least half of this expense being necessary for sewer and water connections.

Adopted and committee instructed to proceed with the work of moving this building.

Ald. Van Lente reported having received a report that the old wells on the tannery property are in a dangerous condition.

Referred to Ald. of the 4th ward for investigation.

Ald. Huyser reported that there was a recent accident on 24th street at the P. M. crossing. He further reported that from his observation he believed that the trains are running through the city at a much higher rate of speed than provided for by ordinance, and recommended that the police department be instructed to check up on the speed of all trains passing through the city and arrest those who violate the ordinance.

Adopted.

Communications From Boards and City Officers

The claims approved by the

Library board in the sum of \$338.38; Park and Cemetery board, \$889.93; Police and Fire board, \$2,453.77; B. P. W., \$14,752.79 were ordered certified to the Council for payment. (Said claims on file in Clerk's office for public inspection.)

Allowed.

B. P. W. reported collection of \$12,993.87; City Treas., \$2,546.74.

Accepted.

Clerk presented report from City Inspector Doezeman covering his activities during the past two weeks. He reported having inspected the bakeries together with the state inspector, and also collected milk samples. He further reported that the test on these milk samples had proven very satisfactory; further, having adjusted several complaints in regard to throwing of rubbish in alleys; further, that the Bay View Furniture Co. had not yet made a connection to the sanitary sewer but are dumping their sewerage into Lake Macatawa. Inspector further reported that the homes on West 7th street which were ordered to connect up with the sanitary sewer last year were still unconnected.

City Inspector instructed to serve notice on the Bay View Furn. Co. to have the necessary sewer connections installed.

Adopted unanimously.

After a brief discussion in regard to the homes on West 7th street, it was moved by Ald. Bultman, seconded by Kalkman,

That the City Inspector be instructed to have three of these homes comply with the previous order in regard to making their sewer connections. The small home of Gerrit Hesselink was exempted for the present time. Ald. Drinkwater reported that the City of Holland has two homes which are not connected with the sanitary sewer, one on 3rd street and the other on East 16th street at Lincoln avenue. There was some discussion relative to the advisability of maintaining the home on East 16th street since it is in such a

dilapidated condition.

Referred to Public Building committee with the request that they report back at next meeting.

Motions and Resolutions

Ald. Prins again brought up the matter relative to the unsightly condition of the lot at the corner of College and 10th. This matter had previously been referred to the City Attorney who reported that it was his opinion that this lot could be cleaned up under the provisions of Title 10 of the City Charter relative to public health. Mr. Parsons stated that this could be declared a nuisance since the property in this condition could be considered dangerous and a menace. The City Engineer reported that he had just today had an inquiry from a party who desired to haul away the stone and sand if given the permission, and he felt that this could be done without any expense to anyone. However, on motion of Ald. Prins, seconded by Vande Lune, City Attorney was instructed to proceed providing the cleaning up of this property is not begun within five days.

Adopted unanimously.

Dave De Feyter appeared before the Council and entered a complaint in regard to the noise caused by children playing on the playground across from his home.

Referred to Playground Commission.

Ald. Kalkman stated that he had received complaint from property owners living near College avenue and 6th street in regard to the storm waters that can not get away from in front of their property, making it almost impossible for them to get out of their houses during the wet season. He felt that since these property owners are not able to have this land filled in themselves, that the city should step in and do it for them. After a brief discussion, the matter was referred to the City Engineer for investigation.

Adjourned.

City Clerk.

PIKE WILL RISE TO NEW BAIT

THE SOURCE OF THE OLD SWIMMING HOLE, THE BLOODSUCKER PROVES EXCELLENT LURE

The lowly bloodsucker, known once only as a curse to the boys who visited the old swimming hole, today has come into its own. The bloodsucker is more sought for than any other bait by pike fishermen, and brings a fancy price from bait dealers.

There was a time when the boys and girls, who went in swimming, always looked for the bloodsucker clinging to their legs when they came out of the water. In some waters, the bloodsuckers were plentiful and once they started to suck the blood from the bather, they were difficult to remove. No one ever thought of using them for bait. But today the fishermen have discovered that the bloodsucker is a favorite bait, especially for the pike. There are times when pike fishermen find that the bloodsucker will result in catches, when other bait will not lure the fish. The result is that today most fishermen include the bloodsucker as a necessary part of their equipment.

The demand has become such for the bloodsuckers in and around Muskegon, where much of the fishing is for pike, that bait dealers have difficulty in supplying the demand. The bloodsucker brings a good price, depending entirely on the supply and demand, the same as minnows and nightcrawlers.

IT COSTS "PLENTY" TO VIOLATE GAME LAWS

Stronger "teeth" have been given Michigan's fish laws in an effort to suppress the dynamiting or poisoning of fish and the netting of brook, brown and rainbow trout.

A house bill which became law when signed by Governor Frank D. Fitzgerald, increases the maximum fine for the above-named offenses from \$100 to \$300 and the maximum jail term from 90 to 120 days.

The act, which was given immediate effect, provides "That any person using dynamite, nitroglycerin, lime, electricity or other explosive substances or poisons for the purpose of taking or killing fish or using nets for taking brook, brown or rainbow trout, upon conviction thereof shall be punished by a fine of not less than \$100 nor more than \$300 and costs of prosecution, or imprisonment in the county jail for not less than 90 days or more than 120 days or both such fine and imprisonment in the discretion of the court."

NOW IT'S ROBIN QUIN-TUPLETS

Salamanca, New York, has its quintuplets, five fledgling robins found in a nest near a rock garden built by P. Simms. Robins rarely break the rule of three, and the appearance of five hungry babies nearly drove the parent birds frantic, Simms relates.

George Rector Says, "When the Weather Is Hot, Give Me Iced Coffee."

By Sarah Blackwell

WHEN George Rector says something is good, it leaves no room for doubt, for his name and good food are linked in the minds of all fine cooks.

So I think you will be interested in a conversation I had with him on the subject of cool, refreshing beverages for summer.

"All people and all nations have their favorite beverages," he said, "and these they drink, not because they are thirsty necessarily, but for sociability's sake. Most of the wit and wisdom of the world has been said when civilized beings were gathered before cups or glasses."

"Cups are all right," he continued, "while the weather is cool, but when it grows hot give me a glass and in the glass let there be iced coffee."

To give emphasis to his choice, he set about to make me a glass of iced coffee. And was it delicious? So I asked him his method and here it is:

"Icing is the severest test you can give coffee," he said, "so you want to start with coffee that is freshly roasted and ground exactly right for your method of making. If you use a pot, it should be coarse. For a percolator a medium grind is best. And for drip, it must be fine. No one grind you know can possibly make good coffee by all three methods. Then make your coffee double strength. Pour it freshly made, hot, and double strength over the ice in your glasses and serve with sugar, milk or cream to taste. A combination of whipped and plain cream is usually preferred—and that's the way I served you yours."
