JOHN HOFFMAN, PROP.

IRRITATING COUGHS.

DISTRESSING, DEPRESSING COLDS.

Surely and quickly yield to Dr. King's New Discovery. It soothes the inflamed and irritated bronchial tubes, stops the cough, in many cases instantly loosens the cold and aids expectoration. Don't be annoyed and suffer from coughs and colds. Take Dr. King's New Discovery and be cured.

"Owing to a severe cough and lung trouble I could not work at all for several months," writes Lewis Chamblin, of Manchester, Ohio. "Two of the best doctors could not help me. My weight ran down to 115 pounds. Dr. King's New Discovery cured me, and I now weigh 160 pounds."

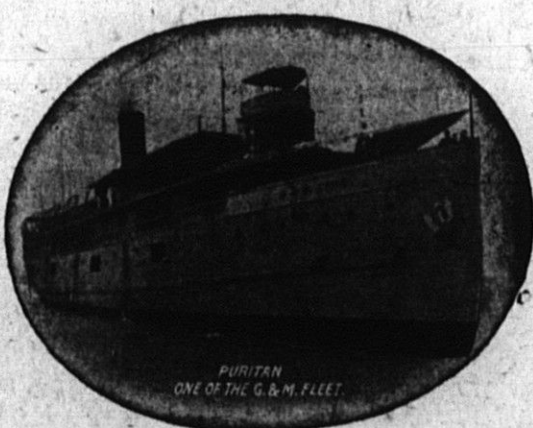

"I am an old lover of your most valuable Godsend to suffering humanity—Dr. King's New Discovery," writes Jennie Fleming, New Dover, Ohio, "for it cured me of a dreadful cough of three years' standing. It was so bad that I would cough until I would be speechless, but, for the quick relief of your wonderful remedy gave me, it's worth more than all the remedies I ever used before."

Thousands have been helped in the same way, by Dr. King's New Discovery. It is not a new medicine, but one that has been used effectively more than forty-three years for the cure of coughs and colds. Your druggist will refund your money if Dr. King's New Discovery does not help you. Start taking right now. Sold by

MORTON WAS AN INDIAN FIGHT- ER

Superintendent of the Twelfth Life
Saving District, Died Monday

Captain Charles Morton, superin-
tendent of the Twelfth Live Saving
District, died last Monday night at
eleven o'clock at his home on Clin-
ton street at Grand Haven. Cap-
tain Morton was stricken ill Febru-
ary 1, but he recovered sufficiently
to resume work at the office, which
he continued until a week ago Fri-
day, when he again became ill. His
condition did not again improve; he
never completely rallied and death
came Monday night.

Captain Morton was one of the
best known and best respected citi-
zens of this vicinity. His sunny
disposition and his cheery goodnat-
ure drew the bonds of friendship
closer about him, and no one knew
him without feeling the deepest re-
gard for him. He was a man of
rare qualities, with always a cheery
word for everyone, and always
ready to do what he could to help
make the world a better place in
which to live. In short he was one
of those men who can go through
life without making a real enemy.

Captain Morton had seen life in
its many stages, and had profited by
his experiences. His youth was not
one of luxury, but it helped him in
the building of his fine character.
He was born in Ireland and would
have been sixty years of age had he
lived until July 12. When very
young he came to America, and
when he was thirteen years of age
he started out to earn his own way
in the world. He spent the early
days of his youth in the Pennsylvan-
ia coal regions and in his young
manhood he joined the United
States army, serving five years
principally in the Indian country.

At the time of the Little Big
Horn where General George Custer
lost his life, when his command was
wiped out by the Sioux, he was with
in a short distance of the tragedy
and could hear the sound of the
rifles in the battle. Captain Morton
was in Major Reno's command
which was part of Custer's troops
and which were unable to get to
the relief of the great cavalry leader
in time to save him, and the brave
Seventh cavalry. Captain
Morton as a soldier in the United
States army, knew many of the old
time characters, who have been
made famous in the history of the
Indian wars in the west. As a mem-
ber of the army Captain Morton too
had his part in the winning of the
west. The captain was not much
given to talking about his army ex-
periences but occasionally when per-
sonal friends were with him, he
would tell bits of his army life.
While stationed at Fort Brady at
the Soo, Captain Morton saw the
steamer Nyack pass through the
locks on her maiden trip. She was
then the queen of the lakes, the
most beautiful passenger boat afloat
at that time.

Captain Morton spent thirty one
years of his life in the United States
life saving service. His first posi-
tion in the service was as a surfman
in the station at St. Joseph, and he
rose rapidly through all the grades
until he was made a keeper. His
first station was Holland, which
station he took immediately upon
its establishment at its first keeper.
Four of his first crew are now keep-
ers in the Twelfth district, over
which he presided. He remained
in command of the Holland life sav-
ing station twelve years, and his
work was known all over the dis-
trict.

Upon the death of Captain Nath-
aniel Robbins, Captain Morton was
raised to the superintendency of the
Twelfth district in 1898. This dis-
trict includes all of the life saving
stations on Lake Michigan, and
Captain Morton had been a highly
efficient officer, one who understood
the service thoroughly and who was
constantly in touch with the keep-
ers and surfmen. He could see
matters at all angles and his sym-
pathy with the rank and file made
him popular and successful as a
superior officer.

Captain Morton is survived by
his wife and the following six chil-
dren: Mrs. Arthur Vanden Berg of
Holland; Miss Louise Morton, Char-
les Morton Grover Morton, Dorothy
and Dena Morton of Grand Haven.
Funeral services were held this
morning at 9:30 in the Second Re-
formed church at Grand Haven and
the remains were taken to St.
Joseph for burial.

No man will concede publicly
and the majority will not concede
privately that leaving all questions
to the will of the people for final
settlement is not fair and equitable.
The initiative and referendum leaves
all public questions to the will of
the people, even the rescinding
and annulling of all or
any part of this new charter. This
can be done by securing and present-
ing a petition representing 25 per-
cent of the vote. It also embodies
all new questions that will come up
from time to time, involving the ex-
penditure of money, or any other
public question of vital interest to
the people at large; in fact this is
a people's charter, because every-
thing eventually must be passed up-
on by a majority of the voters.
Therefore, if you wish to govern
yourself and abide by your own
decisions, vote "YES" on the new
city charter on Monday, July 14th.

"GOOD ROADS" EARLE GIVES SOME PICTURESQUE POINT- ERS ABOUT THIS COUNTY

Speaks at Muskegon Banquet About
Action of the Ottawa Board
of Supervisors.

When the good roads boosters who
are making an automobile trip from
St. Joseph to the Straits and who
stopped in Holland Tuesday after-
noon held a banquet in Muskegon on
their way north. "Good Roads"
Earle devoted a large part of the
toast he responded to, to the situa-
tion in Ottawa Co. The recent action
of the board of supervisors has caused
a big stir in good roads circles
throughout the state and Mr. Earle
devoted much attention to that ac-
tion of the board. He said in part:

"Don't let Ottawa county rescind
its \$600,000 good roads proposition.
That would be the biggest blow to
good roads western Michigan has
ever received. The future prosperity
of Muskegon county, of Oceana, of
Mason, Manistee, Emmet, and all the
other counties, is dependent on Ot-
tawa county doing what it voted to
do—spend that \$600,000 for good
roads.

"I understand that there is a
movement on foot in Ottawa county
to rescind that \$600,000 bonding
proposition for good roads. The
adoption of that proposition was one
of the best things for the future
prosperity of western Michigan that
was ever done. The rejection of it
would be a calamity. Ottawa county
must spend the money, and it is up
to you gentlemen here present to
see that it is spent.

"Ottawa has 24 miles of this
trunk highway to build. The stone
to build those 24 miles of road, 16
feet wide, would cost \$77,760. The
state reward on those 24 miles of
road would be \$81,600. The total
cost to Ottawa county of the road
grading and all, would be \$144,000.
In other words for every \$14 that
Ottawa county puts up, the state
puts up \$7. It's the easiest money
Ottawa ever had a chance to earn.

"Mr. Ross, if you'll put down \$7
besides every \$14 that I put down on
this table, I'll play with you till
morning light breaks and donate the
proceeds to the Methodist home mis-
sionary society. If the people of
Ottawa county rescind this proposi-
tion I'll petition that whole god darn-
ed county be sent to the state home
for the Feeble-Minded at Lapeer. If
I could drop a hook and catch a 14
pound pickerel with a seven pound
pickerel hanging onto its tail, I'd
call it pretty good fishing.

"I was out west not long ago and
took a look at the mountains with
their eternal nightshirts of snow, and
not a tree, and I made up my mind
that green was the color for me and
that if I ever got back to a place
where the grass is green, and the
leaves are green, and the water is
green—that means Michigan—I
would be satisfied.

"But while I was in the west I
found one thing there, that we peo-
ple in Michigan haven't got and
that's the boost spirit. If we had a
little of that western boost spirit, we
wouldn't talk of abandoning this
bonding proposition."

Mr. Earle also gave his unquali-
fied endorsement of the Bourne plan
for national highways.

Rogers' talk was a lesson in busi-
ness arithmetic that demonstrated it
is cheaper to build 16 foot roads
than nine foot roads.

"Under the trunk line road act
passed by the recent state legisla-
ture," Mr. Rogers explained, "we
have about 5,000 miles of road to
build. Under the old act we paid
state rewards on good roads running
from \$250 to \$1000 a mile on differ-
ent classes of highways, a gravel
road earning \$500 a mile and macad-
am \$1,000 a mile. These rewards
are doubled by the state on the
trunk line highways. Each county is
expected to build its portion of the
trunk line within its borders, the
state paying the reward when the
road is built and approved.

"In addition to the double reward
the state now pays an increase of
ten per cent in the rewards for each
additional foot width in the highway.
In other words, whereas a nine foot
gravel road would earn a reward of
\$500, a 16-foot gravel road would
earn a reward of \$850. A nine foot
macadam road earns a reward of \$1-
000 and a 16-foot macadam road
earns a reward of \$1,700.

"If the road happens to be part

FACTORY PROPRIETORS! PLEASE GIVE WORKMEN TIME TO VOTE!

In order to give the working men
a chance to vote for the people's
charter the proprietors of our Hol-
land factories should see to it that
their men be given an hour or may
be only a half hour in which to ex-
press themselves at the polls MON-
DAY. The polls for the school elec-
tion are open from 2:00 until 8:00.

Those who wish to vote on the
NEW CITY CHARTER can do so
between 7:00 in the morning, and
5:00 in the afternoon, the same as
in a regular election.

Therefore if you wish to vote on
this important question, vote be-
tween 7:00 and 5:00 o'clock.

of one of the four trunk lines cross-
ing the state provided for by the re-
cent legislature these rewards are
doubled. In other words, a 16 foot
gravel road would earn \$1,700; and
a 16 foot macadam road, \$3,400. In
the past the state reward on roads
has averaged between 22 and 23 per
cent of the cost. The rewards on the
trunk lines would amount to 44 or
46 per cent of the cost, or nearly
half.

"A nine foot gravel road requires
1,500 cubic yards of gravel. Each
additional foot in width requires 167
additional yards. You must remem-
ber the road is already graded for
the nine foot width, so that there is
no further grading cost. The state
pays \$100 reward on a trunk line for
the additional foot in width, which
amounts to 60 cents a yard. In many
cases this pays the entire cost of the
gravel. Where it doesn't, the extra
cost to the public is small.

On trunk line macadam highway,
the reward is \$1.20 a yard. I under-
stand that you have stone placed on
your local wharf at that price. All
that it costs Muskegon county there-
fore, to have 16 foot roads is the la-
bor and rolling expense.

"The state goes further. It pays
a repair bounty of two per cent of
the original reward. On a nine foot
gravel road which earned \$500 a
mile this would amount to \$20 a
year. On a trunk line road of the
same width it would amount to \$20
a year. On a 16 foot gravel trunk
line road it would amount to \$34 a
year.

"It costs less to keep a 16 foot
road in repair than a 9-foot road,
because the ruts are not worn in the
former. The 16 foot road also draws
the bigger repair bounty. Conse-
quently it is economy under the
present state reward system to build
16 foot roads.

"We can't compel the counties to
build 16 feet wire highways, but
we do make them an inducement
they can't afford to overlook. We
have \$200,000 available this year for
expenditure in rewards on trunk
lines, and applications are rapidly
coming in. Next year we have
\$300,000."

Do you want to take your muni-
cipal elections out of the hands of
the ward heelers and do away with
party lines on questions where party
lines are not necessary and should
not be governed by Democratic, Repub-
lican or Bull Moose principles, but
should be governed by common
horse sense and the brains of in-
dividuals from all parties? If you
want less strife and more common
sense in your spring elections, vote
for the Non-Partisan Election by
voting "YES" on the new city char-
ter on Monday July 14th.

PYRAMIDS BROUGHT THE GOAT
Allegan Gazette—Several auto-
mobile loads of men went though
Allegan Saturday afternoon, on
their way to Kalamazoo. They were
from Holland and were the degree
staff of the Knights of the Pyramids
or some other knights, and they
evidently were bound for Kalamazoo
to show the heathen of that vicin-
ity how razzle-dazzle the imitations
were where done properly. They
had all manner of vicious-looking
wooden spears and the heart of the
quivering, hesitating candidate, and to inspire
the spectators with feelings of grandeur
and majesty. They had the goat
with them, or at any rate they were
feeding something to something out
of a bottle, just outside the city.

Do you want to be represented by
five able and competent men on the
Board of Supervisors—men who can
talk on Holland's best interests and
prevent Holland being made a foot-
ball of by the rest of the Board,
which has not been infrequent in
years past when our representation
was so small that it carried little
weight in the deliberations of the
Board of Supervisors? If you want
these five able men at no greater
expense to the city than the two are
at present, vote "YES" on the new
city charter on Monday July 14th.

Holland City News
\$1.00 Per Year

News from the County

ZEELAND

Willard Claver has returned from a week's trip to Port Huron.

Alfred and Cornelius Van Voorst spent the first of the week in Chicago.

Mrs. Roy Fritche has returned to her home after a three weeks visit with relatives in Traverse City.

L. Reus made a business trip to Grand Rapids Tuesday.

All of the local furniture factories resumed work yesterday morning after closing down a week to make repairs.

The Zeeland Ornamental Co. is having its building repainted and also a large display sign painted on the building.

Mr. and Mrs. Peter Boven of Reeman, Mich., who have been visiting here for several days, have returned home.

Mrs. Gerrit Dyke and children are visiting at Olive Center.

Miss Jennie De Young is spending the week in Grand Rapids.

The Rev. G. De Jonge conducted the services Sunday at the Vriesland Reformed church.

C. Roosenraad has dismantled the warehouse in the rear of his office lot. He has also removed the small house adjoining his office on the east and will build a new residence.

John Pieper is home from Chicago for a visit, at which city he is attending college.

Miss Georgette and Mignon Snyder of New York City are visiting with relatives in this city.

The services Sunday at the 1st Reformed church were conducted by the Rev. M. Broekstra of Forest Grove.

Frank Van Bree spent Sunday at Benton Harbor with friends.

Douw Regenerus aged 21, died at about 11 o'clock Monday at his home on the Zeeland road about one-half mile from the Holland limits. Tuberculosis was the cause of death. He is survived by a brother, Cornelius and a sister Gertrude. The funeral was held yesterday at 1:30 from the home. The Rev. Mr. Haan will officiate.

Frank Boonstra made a business trip to Chicago the first of the week.

B. Ter Haar of Hamilton was in the city on business Thursday.

Bert Pruim spent the 4th in Chicago.

The Rev. M. Broekstra of Forest Grove conducted the services at the First Reformed church Sunday. The Rev. P. P. Cheff preached at Forest Grove.

The Sunday school of the First Christian Reformed church of this city will hold their annual picnic on Wednesday July 16 at Arnold's grove in Jamestown. A choir composed of young people will furnish the music.

At her home in Mendon, Mich., Mrs. Albert Rooks died Monday at the age of 32 years. Mrs. Rooks was formerly Miss Dora De Pree of Zeeland. She is survived by a husband and two sons. The funeral will be held this afternoon at 1:30 from the home of J. J. De Pree in Zeeland and at two o'clock from the Second Reformed church.

CRISP

Born to Mr. and Mrs. R. Koetsier a daughter.

Rev. Van Wezep, of Noordeloos, lead the services at the Crisp church last Sunday.

The following pupils of the West Crisp school have passed the eighth grade examination: Cornelia Eelman, Eddie Hop, Lubert Hop, Albert P. Brandens, and Cornelius Riemersma.

Mr. and Mrs. Ed. Redder, of Holland, visited their parents, Mr. and Mrs. K. Redder, last Sunday.

Mrs. Herman Brovone, of Grand Rapids spent Sunday with her parents, Mr. and Mrs. E. Nienhuis.

EAST SAUGATUCK

Mr. and Mrs. Geerts from Holland visited Mr. and Mrs. John Freicks Sunday.

Mr. and Mrs. J. Tubbergen from Grand Rapids are visiting relatives and friends in this vicinity.

Mr. and Mrs. J. H. Brunink celebrated 4th of July with entertaining their children and grand children from Holland.

Mr. John Brink and family from Chicago visited his parents Mr. and Mrs. G. Brink and family 4th of July.

Mr. J. Ten Brink is on the sick list.

Mrs. M. De Vries who has been sick is improving nicely.

Two of John Schrotenboer horses were badly cut by wire.

BORCULO MAN WAS 81 YEARS OLD; WAS MENTALLY UNBALANCED.

Zeeland Doctor Makes Record Breaking Trip But Unable to Save John Jacobson's Life.

John Jacobson, aged 81 of Borculo, took a dose of Paris Green Friday afternoon, probably with suicidal intent as he was laboring under a delusion that he ought to die. This mental state was brought on by his advanced age and the intense heat.

Dr. H. A. Rigerink of Zeeland was summoned and made the trip in record-breaking time, but arrived too late as the poison had killed the old gentleman.

The deceased was born in the Netherlands and came to this country several years ago. He made his home with a daughter and son-in-law, Mr. and Mrs. John Bouwman. He is survived by a widow and several children. The county coroner was later called and decided that an inquest was not necessary.

HOLLAND TOWNSHIP

"The Clinton Republican" published in St. Johns, Mich., July 3, has a very full report of the exercises held there in honor of Prof. D. B. Yntema of Hope College. Prof. Yntema was superintendent of the St. Johns Schools from 1877 to 1893, when he was appointed Professor of Physics and Chemistry at Hope College, and the graduates of the St. Johns schools conceived the idea of honoring the man who had served them so long and who had placed the school on a firm basis, by dedicating to him a tree to be known as the "Yntema Elm."

The following is quoted from the Clinton Republican in regard to the event:

"In honor of Prof. D. B. Yntema, superintendent of the St. Johns schools from 1877 to 1893, the alumni of that period have named this tree 'The Yntema Elm' and placed this boulder at its foot."

such is the inscription to be found on a huge boulder at the foot of a stately elm on the Central school grounds, St. Johns. Two years ago the idea of placing a memorial in honor of Prof. D. B. Yntema was conceived and it was suggested by Miss Grace P. Hunt that it be done. Last year a committee was appointed to take the matter in charge, consisting of Grace P. Hunt, Supt. Frank P. Buck and Margaret Kimmond. Friday morning, June 27, a most impressive service was held on the central school grounds, when an elm on the east side of the building was dedicated in honor of the man who served so faithfully as superintendent for sixteen years, from 1877 to 1893. It was with a sense of genuine appreciation that the alumni of that time honored Prof. Yntema, who is now of Hope college, Holland.

"Former students of Prof. Yntema came from far and near to attend the services."

The Clinton Republican gives a great many details of the event and devotes about seven columns to the exercises of the day, besides printing a cut of Prof. Yntema. A number of speeches and toasts were given in honor of Prof. Yntema, former students of the Holland man coming from great distances in some cases to show their respect for their former teacher. Moreover a great many graduates from the institution sent messages of greetings which were read on dedication day at the exercises. All of these addresses and messages show the deepest respect and love for the man who served that school for sixteen years.

PARADE THAT HAD BEEN PLANNED COULD NOT BE HELD

"Good Roads" Earle Gave An Eloquent Address In City Hall on His Favorite Subject.

The rain Tuesday afternoon interfered with the good roads plans that the local good roads enthusiasts had made for the reception of the representatives of the West Michigan Pike association who are making a tour from St. Joseph to the Straits. The rain started early in the afternoon so that practically all those who had planned to be in the parade with their automobiles left their machines in the garage and did not come to the meeting in the city hall.

The good roads boosters arrived in Holland about on schedule time, that is, all arrived with the exception of President Wm. De Kleine. De Kleine's machine broke down a little distance south of Holland and he was compelled to let the main party go ahead and wait till help should come. As soon as his plight was learned Austin Harrington went to the rescue in his machine and brought the Grand Haven doctor to Holland.

The main party came here in good shape and were glad to take

shelter in the city hall instead of parading the streets as had been planned if the weather had been more favorable. In the court room Hon. G. J. Diekema, Austin Harrington and Rokus Cook were ready to receive the guests and make them feel welcome and at home. The audience in the court room was small, however, also due to the rain.

The party of visitors was composed of Richard M. Hoffman, secretary of the West Michigan Pike association of Manistee; John I. Gibson, of Ludington, secretary of the Western Michigan Development Bureau; Frank Rogers of the State Highway Commission; Horatio S. Earle, former State Highway Commissioner, better known as "Good Roads" Earle; H. S. Tinkham, representative of the Grand Rapids Press, D. Clark of Chicago and H. Thompson of Battle Creek.

Mr. Earle made an eloquent address in the court room in the city hall. Earle has spoken in Holland on several occasions before and he is well known to local audiences. His theme of "Good Roads" that he used to dwell on when good roads were still hardly more than a dream was just as rich in possibilities as it was in those early days when Mr. Earle first came to Holland. He urged all to become boosters for the good roads and to keep up the boost right along until Michigan shall have roads that will be the envy of the whole country and that will make tourists go out of their way to see the far-famed roads of this state.

At about 4 o'clock the party left for Grand Haven and thence to Muskegon where a banquet was held in the evening.

St. Joseph, July 9.—The start from St. Joseph was made at 8 a. m. Tuesday. The cavalcade of automobiles was headed by Dr. Wm. De Kleine of Grand Haven, president of the organization, in a big Lozier car, driven by Horace Thompson of Battle Creek, son of a newspaper publisher. Immediately following were cars carrying other good roads officials and enthusiasts and then half a score of St. Joseph machines which accompanied the party as far as Watervliet.

Each car bore the legend "West Michigan Pike association". The get away was made without ceremony but there was manifested a quiet enthusiasm, for the interest shown in this city and for the promise the trip holds in bringing about a realization of the vast importance of the project to this section of Michigan.

The people of Watervliet led by R. H. Sherwood, county representative of the association and Senator L. Case were out in force to greet the tourists. The procession pulled up along the principal street of the village and a short meeting explaining the plan for the construction of the highway and the aid which the state will give was held.

The dinner stop was made at South Haven where the good roaders were entertained at luncheon by the business men.

"The purpose of this tour," said Dr. De Kleine before the start in the morning. "Is to create interest in the state highway project and to show to the people the great importance of its early realization."

"The east shore of Lake Michigan is the most beautiful region in America and yet by miserable highways in many sections we are shutting ourselves from the outside world and holding back from development. Give us a state highway from Berrien county to the straits and mark my word that it will pay \$100 for every dollar expended."

ST. JOHNS HIGH SCHOOL ALUMNI PLAN GIVES SUGGESTION TO HOPE GRADUATES

Not Impossible That Something On the Campus May Be Dedicated To President Emeritus.

The tribute that was paid to Prof. D. B. Yntema by his former pupils, alumni and alumnae of the St. Johns High school, when they dedicated to him at the June commencement the "Yntema Elm," has caused a graduate of Hope College to suggest that a similar tribute might be paid to Dr. G. J. Kollen. The graduates of the St. Johns high school dedicated this elm to Prof. Yntema because they wished to honor him now and not wait till later after he could no longer appreciate what he had meant to them.

Similarly it is suggested that something might be placed on the Hope College campus in honor of Dr. G. J. Kollen, the president who has won the title of "Hope's great financial president" and who was instrumental more than any other man in placing the institution on a firm financial basis. When Dr. Kollen became president of Hope in 1893 its equipment and buildings

were very inadequate. Practically all the buildings on the campus, with the exception of Van Vleck Hall and the small frame buildings have been added to the institution's equipment since he has been connected with it, and in addition to that the endowment fund has been made much larger.

It is possible that some such plan as was adopted by the St. Johns students may be adopted here. So far it is merely in the shape of a suggestion on the part of one or two of the graduates of the institution, but it may be given more definite form later when the alumni have a long in Europe from which tour he chance to talk it over and shape plans for it.

Dr. Kollen is at present traveling will return in October.

JOHN BOONE LEFT YESTERDAY FOR PORT HURON TO TAKE PART IN GREAT RACES

J. Boone left yesterday for Port Huron where he will drive one of his former race horses in the races there for a thousand dollar stake. Last year Boone sold his favorite horse Charles Harrington, to Jim Allen of Detroit for over \$2000. Now at the request of the owner of the horse he will drive the horse in this great race.

Boone has won fame on many race courses as an expert and careful driver and because of this and his familiarity with the horse he was asked to drive. He has been to Detroit several times practicing for the race and said he feels confident of bringing home the prize if his horse does not go lame.

TUBERCULOSIS IS FOUND TO EXIST IN HUDSONVILLE HERDS.

Suspicion having been aroused that there were tuberculosis cattle in the fine herd belonging to Louis Van Hatten, of Jamestown township, the state live stock commission instructed Dr. Tacoma to make a test of the herd, and such other cattle in his neighborhood that he might suspect of being diseased. The result was that 20 cows and heifers belonging to Mr. Van Hatten, and one cow belonging to Dr. Tacoma were condemned. Yesterday the 21 cattle were shipped from there to Detroit for slaughter under the inspection of W. R. Harp, one of the members of the live stock commission.

MISS MINNIE MULDER BECOMES BRIDE OF LOUIS BOONSTRA.

Yesterday at the home of the bride's parents south of Zeeland the marriage took place of Miss Minnie Mulder, daughter of Mr. and Mrs. B. Mulder, and Louis Boonstra, son of Mr. and Mrs. R. Boonstra. The ceremony was performed by the Rev. Henry J. Mulder, pastor of the Second Christian Reformed church of Muskegon, brother of the bride. A large number of relatives and friends witnessed the ceremony.

A wedding supper was served. The young couple were the recipients of many beautiful gifts. They will make their home on the groom's farm south of Zeeland.

NOMINATIONS TO BE MADE AT 7:30 IN THE CITY HALL

As Usual Number That Attend Will Probably Be Small Though Caucus Is Important.

This evening in the court room in the city hall the annual school caucus will be held for the purpose of placing in nomination men who will make the race for the office of members of the school board. It is likely that as usual six nominations will be made out of which number three men will be chosen at the election next Monday.

The school caucus is not always very well attended, any more than the school election is well attended. This year there is no fight on, at least nothing of the kind has developed so far, and it is likely that the caucus will be a quiet one.

Keeping school matters out of politics has always been the aim of those interested in Holland's schools and the usual methods that are used at other elections are not employed. Every voter interested in the schools merely comes to the polls and checks off his preferences without the usual accompaniments of oratory that often precedes other elections. The trouble is that very often not enough people seem interested in the school election to come to the caucus or to vote.

If the voters of the city would consider for a moment however they would realize how important this election is. Leaving out of consideration the importance of the office in its more intangible but no less important aspects, the school board each year has the spending of some \$30,000. And during the past year they have had the spending of near-

ly a hundred thousand dollars additional on account of the building of the new school. Considered only from a money point of view the office is an important one, and the money point of view is less important than some others.

JUDGE CROSS GRANTS TEMPORARY INJUNCTION TO PETITIONERS.

A temporary injunction has been granted by Judge Cross restraining the common council of the city of Zeeland from purchasing or condemning property for the opening of Church street and from proceeding to levy special assessments against any of the petitioners. The following petitioners were named in the suit: Albert Lahuis, Cornelius Pieper, Bert Van Loo, Zeeland Fuel and Lime Co., Martin C. Ver Hage, Henry Kraus, Seigle Grant, J. Maselink, Jacob Kuite, Sr., Cornelius Eouwens, Gerrit Hietje, Henry Rief, Cornelius Van Kley.

Mrs. Rena Phillips Did Not Like the Thought of Spending the Hot Weather in the County Lockup

Mrs. Rena Phillips who was arrested last week on a disorderly charge and who pleaded not guilty to the charge before Justice Miles, changed her plea to guilty Saturday and was sentenced to pay the costs of the case and leave the city, not to return within a year, or spend 60 days in the county jail. She said she never would pay a cent of costs and would not leave the city.

Commitment papers were then made out and an officer took her to the P. M. station to take the train to Grand Haven. But here Mrs. Phillips lost her nerve when she saw that the officer was in dead earnest about taking her to jail, and so said she would pay the costs and leave the city if given the chance. So the officer kindly returned with her to the Justice where she settled up and promised to leave the city.

Charles Miles Declares He Had the Time of His Life.

Charles Miles, father of Att. F. T. Miles of this city returned Monday from the Gettysburg Encampment after spending a week viewing the old battle grounds and meeting old friends. At the age of 19 Mr. Miles took part in the famous battle fought in that place and now at the age of 69 he again was given the opportunity to visit the battle grounds and declares it was the time of his life.

The Pennsylvania monument, he claims, is stationed directly over the spot where his regiment was stationed the second day of the famous battle.

GROWERS IN VICINITY OF HUDSONVILLE ARE GLUM OVER THE PROSPECTS

The celery growers are beginning to look mighty glum and with good reason. The succession of reverses that have militated against them are such that the most optimistic would look down in the mouth. The late frosts last spring destroyed many of the plants in the bed, and made the later-sown seeds come very slowly. This followed by the excessive heat and drouth has killed many more of the plants. What have been already transplanted look sickly and thousands of the plants have died in the fields. The plants ought to have been transplanted and growing before this time, and should it fail to rain within a week or ten days the acreage instead of being an increase of 50 per cent over last year's acreage will fall short by over twenty-five per cent.

MEMORIAL SERVICES WERE HELD IN HIS HONOR SUNDAY

The M. E. church was crowded Sunday afternoon when memorial services were held in honor of the Rev. P. E. Whitman whose tragic death occurred last Tuesday.

The Rev. Dr. J. T. Lathrop presided and nearly all the Grand Rapids clergy in the Methodist denomination occupied seats on the platform. Dr. August F. Bruske, pastor of Hope church, spoke on behalf of the local churches and pictured Mr. Whitman as a four-square man—physically, spiritually, morally and intellectually.

The Rev. John W. Sheehan of Grand Rapids, a college chum of Mr. Whitman, paid an eloquent tribute to the dead man and Dr. Lathrop gave a short sketch of Mr. Whitman's career since he was graduated from Abilene college 24 years ago.

The Rev. Russell H. Bready of Grand Rapids read the scriptures and Rev. F. E. George, a former pastor of the local church, closed with the benediction.

FRUIT IS SOMETHING NEW TO LANSING EXPERTS.

John Bouws who lives on the old Bouws homestead along the Graafschap road has a new kind of cherry that has the horticultural department at M. A. C. guessing. This cherry is white in color, or rather a little yellowish. The fruit is sweet to the taste and in every other respect except the color it is a cherry like other high grade varieties. It is also more hardy than the average cherry and grows on a tree that is about three times as large as the usual cherry tree. One summer Mr. Bouws picked 20 crates of the white cherries from his one tree.

Recently an expert from East Lansing was at the Bouws farm and he declared he had never seen this cherry before. He took some to Lansing for examination.

Mr. Bouws lives on the old Bouws farm that has been in the family since the earliest pioneer days. It was purchased from the government by the present Mr. Bouws' grandfather, who turned it over to his son who later turned it over to the present owner.

C. B. SCOTT TAKES OVER THE BUSINESS OF W. H. DEAN.

C. B. Scott, the real estate dealer who has offices in the building on the corner of Eighth and River, has bought the real estate business formerly conducted by W. H. Dean. Mr. Scott will continue to occupy his present offices, but he has by this deal greatly enlarged his business. Mr. Dean has accepted a position with the Western Land company of Manitoba, Canada. Mr. Dean has done a good business while he has conducted a real estate office in Holland and by turning over his lists to Mr. Scott the latter has one of the largest lists in the city.

Percy Ogden Succumbs To Diphtheria After a Week's Illness

Percy Ogden, the fourteen-year-old son of Charles Ogden, a carpenter, living at Ottawa Beach, died Monday of diphtheria. He was ill about a week. The funeral was held Monday afternoon from the home. Interment took place at the Ventura cemetery.

Percy Ogden is well known in this city having lived at Ottawa Beach for many years.

Prompt Work on the Part of Hotel Employees Saved Hotel Macatawa

Timely discovery of a blaze on the roof of the Macatawa Hotel Annex at Macatawa Park at about 6:30 Sunday morning probably saved that building much damage, as a strong northwest wind was blowing and the fire was spreading rapidly when discovered.

The blaze was caused by crossed wires near the roof. A hole was burned through the roof and some of the furniture in the upper story was destroyed but the damage was very slight. The hotel employees manned the hose and prompt work on their part averted what might have been a very serious loss.

One of the most sweeping and far-reaching game laws ever enacted will go into effect October 1, 1913, when the Weeks-McLean migratory bird law will be enforced. The law fixes the seasons for shooting migratory birds and also divides the country into two sections in order that the birds may be protected to the fullest extent. Twenty-five states, including Michigan, are in the northern zone, while the southern division will be composed of the remaining 23 states. The shooting season for the two zones varies according to the classification of the four classes of migratory birds.

Spring shooting is absolutely prohibited as is the shooting of migratory birds between sunrise and sunset.

In most cases three months of open shooting for water fowl are allowed, and in no case will there be less than 30 days, when birds may be shot during the period of their greatest abundance.

Northern Zone—Water fowl, September 1 to December 15; rail, September 1 to December 1; woodcock, October 1 to December 1; shore birds September 1 to December 15.

Southern Zone—Water fowl, October 1 to January 15; rail, September 1 to December 1; woodcock, November 1 to January 1; shore birds September 1 to December 15.

No shooting whatever is allowed of cranes, doves or pigeons. Robins, larks and smaller shore birds are protected at all times. Hunting on the great rivers of the country, the Missouri, Ohio and Mississippi, prohibited during November and December.

ENTERTAINMENTS TO BE HELD ON VANDER VEEN LOTS NEAR SIXTEENTH STREET

Representative of the Lincoln Chautauqua Association to Be Here July 16.

The Chautauqua programs of the Lincoln Chautauqua association will be held on the vacant Vander Veen lots between Fifteenth and Sixteenth streets facing River avenue. This site has finally been decided on by the committee in charge after a number of other available sites had been considered. At first it was planned to hold entertainments on the post office site, corner of River and 10th street, but the Chautauqua association objected to that because of the fact that the interurban cars pass it many times a day and it was feared the noise would interfere with the programs, especially the musical numbers. The site chosen is centrally located and it has the advantage of being in a quiet residence district.

On July 16, Professor Dunn of the University of Wisconsin will be in Holland to meet with the various committees and to make the final arrangements for the series of entertainments. The Chautauqua week will be from August 18 to 23 inclusive and much work will have to be done before all the arrangements are completed.

The Chautauqua association will erect on the Vander Veen lot a tent with a seating capacity of some 1200. The seats will be so arranged that all those who attend the entertainments will be able to see the performers and to hear all the numbers perfectly.

The ticket selling campaign will not begin in earnest until Professor Dunn has been here to make the final arrangements. Already a large number of tickets have been pledged, but the committee hopes to sell about 800 tickets in addition to those purchased by the business men.

NOTED SPEAKERS HAVE BEEN SECURED BY WESTERN SOCIAL CONFERENCE.

The religious Chautauqua held at Central Park last summer was so successful that for some months past plans have been on foot for a similar series of meetings the coming summer. The Western Social Conference is in charge of the plans and a committee that was appointed to make the arrangements has decided on the dates, August 12 to 14 inclusive. Three meetings will be held each day, or a total of nine meetings.

The committee has been very successful in securing speakers although the entire program is not yet complete. Dr. Fitzwater of the Moody Institute has been secured to read three papers on the Epistle to the Ephesians. Dr. Kittell, president of the last General Synod, will give two addresses; he is said to be a very fine speaker. Dr. J. M. Vander Meulen of Louisville, Ky., will deliver a lecture on Athanasius. Other speakers will be announced later.

Mr. and Mrs. Archie Johnson to Remain There Several Months

Mr. and Mrs. Archie Johnson who left for Palm Beach, Fla., yesterday were given a farewell dinner at the home of Mr. and Mrs. R. M. De Merell. Covers were laid for 16.

Mr. and Mrs. Johnson expect to remain in Florida for several months as Mr. Johnson has contracted to install the electric lights and the telephones in the new hotel at West Palm Beach for Mr. W. Weihe.

Mr. Johnson's electrical business in this city is left in charge of his foreman during his absence.

LEFT HOMES MONDAY NOON AND AS YET NO TRACE OF THEM HAS BEEN FOUND.

Five Holland boys between the ages of fifteen and eighteen were seized with the Wanderlust and set out to seek their fame and fortune in the wild world. Without telling even their intimate friends where they were going the following boys left their homes Monday and have not been heard of since: Tom Thomas, Herman Hovenga, James De Ritters, Gerrit Bokompaas and David Overweg. The boys must have planned their trip for some time and gathered together what money they could for the trip. It is claimed that two of the boys sold their bicycles and the other boys raised money in various other ways.

The police department has been notified by the mothers of the boys and has commenced a search for them.

A. G. Van Zoeren Retires After a Long Term in Office

After thirty years of service as justice of the peace of Zeeland township A. G. Van Zoeren of Vriesland has retired from the work and was succeeded on July 1 by Johannes Ossawaarde.

BERT SLAGH WANTED TO SEE "IF IT WAS LIT"

We are never too old to learn, as Berth Slagh found out Friday night when he attempted to celebrate the glorious Fourth in the good old way. Many a time when he was a kid Slagh, like all other kids, had doubtless had a cracker explode in his face while he was looking to "see if it was lit". But as another Fourth came around he, if he was like all other kids, doubtless repeated the operation, not having learned much from the experience or having forgotten it.

But the paint man is now old enough so that he does not indulge in that kind of stunt any more, but still there is something for him to learn, as he found out Friday night, namely, not to take a Roman Candle into the house because it has refused to go off.

There was a celebration at the Slagh home and a number of families were gathered on the lawn to see many dollars' worth of fireworks fired off. After the fireworks were over it was planned to have ice cream and other refreshments. This plan however also went wrong since it was discovered that the two gallons of ice cream had been stolen, and the est was marred to that extent.

That however was only an incident in the evening's excitement. Bert Slagh was firing off Roman Candles, sky rockets and other thrills. One Roman Candle was obdurate and refused to work. Bert finally decided to take it into the house for examination and adjustment. All at once, as soon as the Candle was in the house, it decided to go off. It went in spite of all Slagh could do to stop it.

No serious damage was done, but there was plenty of excitement.

ESTIMATES THAT 1800 PASSENGERS CAME ON BOATS FRIDAY

Day Was A Record Breaking One At The Parks

Fourth of July was a record breaking day for the Graham & Morton Co. More people were brought to this city from Chicago than has perhaps ever been the case in a single day. Friday morning two big steamers of the fleet, the Pugetian and the City of Holland steamed into the harbor. They tied up at the dock along side one another, and the people on the boat farthest from shore were transferred to the dock by crossing over the other boat.

It is said that there were 1800 people on the two boats, 700 of whom were bound for Saugatuck, the others for Holland, Macatawa, and other points.

The indications are that the resort season this year will be a very prosperous one. Each day the Graham & Morton boats bring a large number of people to this city and the resorts and the summer colony bids fair to be a very large one before midsummer has been reached. Reports from Saugatuck are to the same effect. There the boarding houses and cottages are also crowded for the most part.

Not only are the people coming by water but the railroads are also bringing in a considerable number.

Friday is said to have been a record breaker for the bath house at Macatawa Park. The water was ideal for bathing purposes and hundreds of men, women and children took advantage of it, so that the bath house was most of the time filled to its capacity.

The interurban cars were crowded to the limit also in spite of the fact that a large number of special cars had been pressed into

service. The cars ran all night, but it taxed the equipment to its capacity to take care of the thousands who spent the day at the park.

DEFEATS THIRD CHURCH BY A SCORE OF 7 TO 6

Game Fourth of July Was a Hummer And Was Good Entertainment

The First Reformed church Adult Bible Class base ball team defeated the Third Reformed church Adult Bible Class team 7 to 6 on the Nineteenth Street grounds Friday morning. This game aroused a great deal of interest and a large crowd attended and repeatedly cheered the players on both sides. The feature of the game was three fast double plays by the First church team. Henry Geerlings starred in hitting and base running, winning for himself the title of Ty Cobb. He also furnished amusement for the crowd when on a slide to second he landed wrong, turned two summersaults, and wore two large holes in his trousers.

The Third church team started off with a rush and piled up four scores the first inning. Things then looked very dark for the First church players with Becker pitching against them in his old time form but he didn't last long and age triumphed. He was taken out and Vander Berg was put in to finish the game. The first church players settled right down to business and gained steadily until in the eighth inning the game was a tie. Keeping right at it they brought home the winning score in the ninth.

The lineup was as follows:—First Church:—Van Dyke c; Bert Grinwis, Nykerk 2nd base Van Dyke Scheerhorn 1st base, N. Van Dyke 3rd base, Huizinga, Ver Schure ss, P. Rowan p, Nykerk c. f., Kamerad Wilderdink r. f., Plaggenhoof l. f. Third Church:—Vander Berg c, Becker, Burt p and 1st., Dalman 2nd, Lievense 3rd, Burch ss, Faasen l.f. Barnard c. f., H. Geerlings, r. f. A series of five games will be played between these two teams.

PETER DAMSTRA AND JOHN KUIPER WERE FOUND GUILTY BY A JURY OF MALICIOUS DESTRUCTION.

Peter Damstra and John Kuiper, both residents of the country in the vicinity of Zeeland were found guilty in a trial before Justices Miles in the city hall, of maliciously destroying property. The complaint against them was made by Henry Derks of Zeeland and they were charged with breaking windows and doing other damage to his house at Zeeland. Prosecuting Attorney Louis Osterhaus represented the people while the defendants relied on their own word to bring them safely through the trial. The jury was composed of John Kramer, Peter Eelhart, C. De Koster, H. Vander Linde, Nicholas Hoffman and John Buchanan.

Justice Miles sentenced the prisoners to pay a fine of \$25 each and costs of the case amounting to \$28.38, to be divided between them or spend 60 days in the county jail. They both paid.

East Holland Pastor Accepts Call to That Place.

The Rev. Lawrence Dykstra of East Holland, has accepted a call to the Reformed church at Englewood, Ill. He will preach his farewell sermon to his present church the latter part of July. Mr. Dykstra has been connected with the ministry for 35 years.

J. G. VAN ZWALUWENBURG IN CHARGE OF X-RAY AT MICHIGAN.

There has been established a new department of roentgenology, or the study of the X-ray at the University of Michigan. The head of the new department is to be Prof. James G. VanZwaluwenburg of this city, formerly instructor in internal medicine and demonstrator in clinical medicine. In speaking of the new department and its needs before the regent's committee, Dr. Van Zwaluwenburg said that the first need in the way of material is something to protect the life of the operator. He told of the deadly results of using the apparatus to operators who were not protected, and told of 48 different operators who had been killed by the Roentgen rays. The university will immediately take all necessary steps in securing properly protected apparatus for the use in this new department.

C. VANDER NAGEL SUFFERED A BADLY CUT HEAD AS RESULT OF THE CELEBRATION

C. Vander Nagel had 3 stitches taken in a cut in his head at about 1 o'clock Friday night as the result of an encounter with Dick De Boer an employee of the Holland Interurban while bound for Holland on an Interurban car from Macatawa.

The two men got into an argument which ended by De Boer cracking Vander Nagel on the head. The men were parted quickly by Private detective H. Harrington. Vander Nagel's wound was treated by Dr. Tuttle and he went home with his head in bandages but he refused to make a complaint against De Boer.

Deputy Sheriff H. Beekman induced Vander Nagel, to let a doctor dress his wound and took care of him much against the man's will and probably saved him much trouble as he was bleeding profusely.

John Tubergen Missed His Roll Friday Night

What would you do if you would find a roll of bills containing \$142 lying in the gutter? While walking on Eighth street you may find that much, as John Tubergen claimed Saturday that he had been relieved of that amount Friday night somewhere near the Knickerbocker Theatre. He does not know whether he lost it or whether some one else mistook it for their own and slipped it out of his pocket. If the finder returns the money to Mr. Tubergen, 255 Lincoln Avenue, he will be given a liberal reward.

Another man reported a loss of a pocketbook containing six dollars on Seventh Street Friday.

A lady left a handbag containing many valuable articles and about four dollars in cash on a bench in Lincoln park Thursday night. It has not been returned.

DR. DAVID MILLS OCCUPIES OFFICES IN TOWER BLOCK.

Dr. David Mills, who during the past year has been occupying offices in the Vander Veen building, W. 8th street, has left that place and now he occupies offices in the Tower block. The doctor's new offices are more commodious and there are better facilities for placing up-to-date equipment.

Dr. Mills came to Holland a year ago last June after graduating from the University of Michigan. He has since worked up a considerable practice here and has made many friends. Dr. and Mrs. Mills and daughter spend their summers at Macatawa Park.

THE REV. M. FLIPSE AND AGNES GRAHAM & MORTON COMPANY TON WEDDED LAST NIGHT.

Last evening at the home of the bride in Roseland, Ill., the marriage took place of the Rev. Martin Flipse and Agnes Ton. Mr. Flipse will soon take his bride to Holland. He has accepted a call extended to him by the Third Reformed church of this city and the couple are expected to arrive in this city in September when Mr. Flipse will take up his work here.

Mr. Flipse has been pastor of the Reformed church in Roseland for the past three and a half years.

COUNTY OFFICIALS NAME MEN WHO ARE TO SERVE.

County Clerk Jacob Glerum, Sheriff Hans Dykhuis and Justice of the Peace Wachs have drawn up the following panel of jurors to serve at the August term of court:

William Wilson, Spring Lake twp. Frank O'Hearn, Tallmadge twp. John Walsh, Wright, Dohn De Witt, Zeeland twp., Martin Kieft, Grand Haven, 1st ward, Wm. Glerum, Grand Haven, 2nd ward, Claude F. Vander Veen, Grand Haven 3rd ward, Charles J. Morse, Grand Haven 4th ward, James Oxner, Holland 1st district, John M. Stephan, Holland 2nd district, Gerrit Van Dyke, Zeeland city, Martin Bouwman, Alendale twp., Martin Nagelkirk, Blendon twp., Fred Keas, Chester twp., Clyde Welton, Crookery twp., Albert Loring, Georgetown twp., Walter Van Dyke, Holland twp., Abraham De Kleine, Jamestown twp., Wm. Nienhuis, Olive twp., Henry Kettle, Polkton twp., Wm. Barlow, Robinson twp., Charles Carpenter, Spring Lake twp., Thomas Friar, Tallmadge twp.

A change has been made in the schedule of the Graham & Morton Co. From now on until further notice the following double daily service will be in operation:

Leave Holland, 9 a. m. daily, Sunday excepted; leave Holland, 9 p. m. daily. Leave Holland, 2 p. m. Sundays only. Leave Interurban Pier, 10:15 a. m. daily, Sunday excepted; Sundays, 3:30 p. m. Leave Interurban Pier, 10:30 p. m. daily. Leave Chicago 9 a. m. daily, Saturday and Sunday excepted. Leave Chicago, 9:30 a. m. Sunday; Saturday, 1:30 p. m. Leave Chicago, 8:30 p. m. daily, Sunday excepted.

Gets a Two-Bagger and a Triple In Sunday's Game

Carl Smith is another Holland ball player making good in the faster teams. Smith is a Holland High School player and is now playing with the fast Charlotte Independent team. In the game played Sunday at Charlotte against the speedy R. O. H. aggregation of Detroit he is credited with a triple and a two-bagger in the offensive tactics and the Charlotte paper speaks of his fielding as being a feature of the game.

Rosecoe Cardwell Paid \$5 and Another Will Be Arraigned Later for Disorderly Conduct

R. Cardwell was arrested Sunday night charged with being disorderly in Centennial Park. When arraigned Monday before Justice Miles he pleaded guilty to the charge and was sentenced to pay a fine and costs amounting to five dollars.

Another boy was arrested Sunday night on a similar charge but has not appeared before the justice as yet.

TO THE ELECTORS Election Notice

CLERK OFFICE,

Holland, Mich., June 20, 1913.

TO THE ELECTORS OF THE CITY OF HOLLAND:

You are hereby notified that a special election for the City of Holland, will be held on Monday, the 14th day of July, A. D. 1913, in the several wards and precincts of the said City of Holland, at the place designated by the Common Council, as follows:

First Ward—second story of Engine House No. 2, 106 East Eighth Street;

Second Ward,—at No. 147 River Avenue.

Third Ward—in the Police Department Room, City Hall;

Fourth Ward—at Polling place, 301 First Avenue,

Fifth Ward—First Precinct, at the Polling place corner Central Avenue and State Street.

Fifth Ward—Second Precinct, basement floor, Van Raalte Avenue School Building, Corner of Van Raalte Avenue and 20th street;

That said election is called for the purpose of voting for the adoption or rejection of the Revised Charter of the City of Holland, as prepared by the Charter Commission, heretofore elected for that purpose.

Copies of said Charter and statement made by the Commission in reference thereto may be had upon application to the City Clerk, at his office in the City Hall, in said City of Holland.

The said question to be voted, upon will be submitted in manner and

form substantially as follows, to wit:

Shall the Revised Charter be Adopted? () Yes.

Shall the Revised Charter be Adopted? () No.

If you desire to vote for the adoption of said Revised Charter make a mark (x) in the square opposite the word "Yes"; if you desire to vote against said Revised Charter and to reject the same make a mark (x) in the square opposite the word "No."

Notice is given that the polls at said election will be open from seven o'clock A. M. until five o'clock P. M.

IN WITNESS WHEREOF, I have hereunto set my hand the day and year first above written. RICHARD OVERWEG, City Clerk.

A WARM COUNCIL SESSION

The special meeting of the council Monday was anything but a tame affair. It was possibly the most exciting meeting that has taken place in years. Harsh words and retorts were hurled right and left by the different council members, with the mayor as the hub of contention and it was all about that "dog gone" steam roller. When the vote was taken to pass the measure over the mayor's veto it stood 7 to 3, the three aldermen standing by the mayor's veto being Prins, Sterenberg and Vander Hill.

The meeting Monday night was called at the request of Aldermen Van Drezer, King and Harrington. City Clerk read to the aldermen the veto after which on motion of Alderman Harrington the vote was received and fled. This formality over Ald. Harrington made the motion that the resolution offered by Ald. Van Drezer last Wednesday night to the effect that the city should pave the ends of Twelfth St. and that a tandem roller be rented for this work do now pass.

Ald. Prins, progressive alderman from the First opened the circus. "I'm against it," he said. "I think that the blame for the defective spots on 12th street does not rest on the fact that we did not have a tandem roller. I for one do not think it right to send some three or four hundred dollars out of the city to cover up a mistake. Some weeks ago some of the aldermen came to see me and said that we had no use for the road roller and I then was advised to vote no and I still stick to that."

Ald. Drinkwater declared he wanted a good job done and he believed this could not be done without the tandem roller. Mayor Bosch answered this by saying that the city engineer had said privately and publicly that he could build those two blocks under proper conditions without a tandem roller. In the course of the evening the contending factions vented a good deal of their hard feeling on the city engineer, although the latter did not take part in the debate.

"I'd like to know, Mr. Hansen," declared Ald. Prins, again taking the floor, in answer to a remark from Mr. Hansen, "when you've found out that the roller is to blame?" Mr. Prins went on to tell how soon after his election three aldermen had come to his store and had declared that the city did not need the roller and by all means to vote no when this question came up. He said Mr. Hansen had been one of these although he did not remember the others, not having been acquainted with them at the time.

Later in the evening after the wrangle had subsided a little Ald. Dyke, Ald. King and Ald. Vander Hill explained that they had been present at this meeting in Prins' store and that all that had been said was to the effect that the four had pledged themselves not to vote for a roller, or horses or anything else that involved a large expenditure of money, unless the whole thing had gone through the open council in due and proper form. Mr. Prins however stuck to his point that he had been advised not to vote for a roller since the city did not need it.

In the course of the wrangle when everyone was trying to talk at the same time Ald. Harrington demanded that the question be put. But with the remark, "You can't roll this steamroller over us," Mayor Bosch refused to put the question.

"We have had insults enough," cried Mr. Harrington, while at the same time several others were trying to talk, "if you won't put the vote are you bound to do when it is demanded then get out of that chair and let some one occupy it who will put a question to a vote when it is demanded."

If Mr. Harrington's suggestion had been supported by the other aldermen, doubtless the mayor could have been forced to put the question or leave the chair, but in the confusion his voice was finally drowned out and the wrangle went on, the mayor still occupying the chair and everyone talking. Several others now called for the question, but the argument went on and the question was not put till everyone had had his say.

"I don't know those people so good," Ald. Prins replied when asked to identify the men who had visited his store. "They came to the store good natured and gave me a warning to be on the lookout and vote no on the roller."

Ald. King tried to restore some semblance of order into the council by calmly stating the question at issue. He said that either the city needed the steam roller or it did not need it. He said that irrespective of the engineer's word he had investigated the need of the roller by consulting the best paving expert in the U. S. and from his reply he had come to the conclusion that the roller was a necessity.

Ald. Vander Hill also declared

that he had considered the question on this basis as to whether the roller was needed or not and he had come to the conclusion that the council might as well take the money and lump it into Black Lake as invest it in the roller proposition. He declared that in Grand Rapids there had been several blocks of poor paving last summer and there five tandems rollers are used, so that his conclusion was that the defects of 12th St. were not due to the lack of a tandem roller. Ald. Congleton insisted that the city engineer had told him that the work could not be done properly without a tandem roller, and finally Ald. Prins had the last word in the debate by insisting on his original statement that certain aldermen had come to his store and had advised him to vote against the roller whenever it should come up for discussion.

When finally the vote was taken it was found that seven were in favor of passing the resolution over the mayor's veto. This was not unexpected, and Mayor Bosch made some comment to the effect that these were the "immortal seven."

After reiterating about the immortal seven going on record, which the Mayor did very sneeringly, Van Drezer got to his feet and said, "Mr. Mayor, after election last Spring, you told us that the only aldermen you could depend upon were Harrington, Congleton, Dyke, and myself, and we are glad to state that three more have been added to your list namely, King, Drinkwater and Hansen."

By this time the motion to adjourn was loudly called for, and finally the stormy meeting came to an end.

McBride Wins in Hat Ballot

At the meeting of the G. H. common council Thursday the canvass of the vote taken at the special election was taken, and the tie existing in the second ward for membership of the charter commission was broken. The names of Herman Z. Nyland and Geo. W. McBride were placed in a hat, and drawn out. It was previously decided that the slip first drawn should indicate the successful candidate. The name of George W. McBride came first and he was declared elected.

The charter commission therefore now consists of J. Edgar Lee, first ward; George W. McBride, second ward; Frank Nelson, third ward; J. J. Angus fourth ward; Van I. Witt, Lionel Heap, and Jacob L. Dornbos, commissioners at large.

FLY POISONS

There are a number of fly poisons on the market, and some of them contain arsenic. They are all more objectionable than traps, because the dead flies are dropping anywhere and everywhere, perhaps into the food. One of the best fly poisons is formalin mixed with sweetened water in about five per cent strength, exposed in a shallow dish. The flies will drink it and die. Prof. R. L. Smith of the North Carolina experiment station recommends one tablespoonful of commercial formalin to a half-pint cup of half-milk and half water, placed on a shallow plate, with a slice of bread in the liquid. The bread gives a surface upon which the flies may alight. Formalin fly poison is not dangerous to use, and is especially successful in reducing an abundance of flies if the room can be closed, and if they do not have access to any other form of moisture.

DON'T USE TRADING STAMPS

Siegel, Cooper & Co., of Chicago who for nine years gave trading stamps in all departments on June 1st discontinued giving stamps in every department but the grocery and the meat departments. They gave as their reason that they did not believe their customers generally cared for the stamps and they believe good values bring more customers and better results than trading stamps ever will. Holland merchants generally have not taken up the trading stamp idea to any extent.

Scripture to Prove It.

A young girl was caught kissing her sweetheart a few days ago. Her mother took her to task for such actions, but the girl silenced her by this quotation: "Whatsoever ye would that men should do unto you do ye even so unto them." The old woman wilted. Memories of old were brought forcibly to her mind.

Rid Your Children of Worms

You can change fretful, ill-tempered children into healthy, happy youngsters, by ridding them of worms. Tossing, rolling, grinding of teeth, crying out while asleep, accompanied with intense thirst, pains in the stomach and bowels, feverishness and bad breath, are symptoms that indicate worms. Kickapoo Worm Killer, a pleasant candy lozenge, expels the worms, regulates the bowels, restores your children to health and happiness. Mrs. J. A. Brislin, of Elgin, Ill., says: "I have used Kickapoo Worm Killer for years, and entirely rid my children of worms. I would not be without it." Guaranteed. All druggists, or by mail. Price 25c. Kickapoo Indian Medicine Co., Philadelphia and St. Louis.

Walsh Drug Co., H. R. Doesburg and Geo. L. Lage.—Adv.

HAVENS IS FIRST TO REACH CONTROL AT MACATAWA PARK.

Many people waited for hours yesterday, for the arrival of the flying boats and although a number went home disappointed, a goodly crowd of enthusiastic spectators greeted with cheers, Havens and Ver Planck when they sailed gracefully over old baldhead, circled the lake, like an enormous bird and finally settled near Lakeside. Havens put on full speed from the landing place to the club house and the speed of the craft in the water as well as in the air, is astonishing.

Beckwith Havens with J. Ver Planck, owner, arrived in Macatawa with their 100 horse power Curtiss machine at 6:56, having made the 45 mile trip from South Haven in 56 minutes, in the face of the strong northwest wind.

Roy Francis arrived in South Haven about the same time as Havens, but in attempting to get away for Macatawa Park, he collided with a floating log near the end of the pier. One of the propellers of the craft was broken and Francis drifted nearly a mile down the beach before he was picked up by the life savers.

Francis sent to Chicago for a new propeller and resumed the trip this afternoon.

Havens and Ver Planck left Macatawa at 8 this morning for Manistee which is the control of the day. Glen Martin whose machine was damaged has repaired it and left Chicago at sunrise this morning. Walter Johnson left Whiting, Ind., at the same time.

The flyers plan to leave Manistee early tomorrow morning and spend the night in Charlevoix.

Most of the stores and a number of the factories shut up shop for the afternoon and King's Saw mill was among them. In some cases where the factories were not closed the men took a day off.

SHOE PRICES GOING UP

"History will repeat itself and shoe prices will rise after shoes are placed on the free list, just as hides rose after hides were placed on the free list."

"So a manufacturer predicts, 'Shoes will go up,' he says, 'because the law of supply and demand is superior to the law of the tariff.' 'Hides and leather and leather goods are going up all over the world, because supplies of raw material are decreasing and demand for manufactured leather goods is increasing. After the tariff bill becomes a law, there will be a boom in business in this country. Everybody will want shoes, prices will rise. 'Some may think to get lower prices by buying shoes at lower prices, in domestic or foreign markets. But they will be getting lower grade shoes."

"Retailers will get an awful drubbing when shoe prices go up, for manufacturers will press them for increases, while consumers will fight them for the lower prices which they have been led to expect by the promises of the prophets of the political party in power. Shoe prices won't be lower until two head of cattle grow where one grew before, or in other words, until the hide supply is increased."

If this is correct, the time to prepare for is now. The dealer who does not look the situation over carefully will regret it.

RESOLUTIONS OF SYMPATHY

Whereas, the Rev. P. E. Whitman for the last four years our beloved pastor and for the last year our faithful teacher and instructor in God's Holy Word, and by learning from Him not only from his kind and loving words, but by his godly life, he lived, and the help and sympathy he gave to others, we greatly mourn his departure; but we know that he has gone to take possession of his heavenly mansion, where we all hope to meet him again, with Christ, our savior, whom he has helped us to know and love better,

Therefore, be it Resolved, that we tender to dear Sister Whitman and daughter, Ada, our heartfelt sympathy, and pray that they may be greatly comforted with the consolation which he so faithfully administered to others.

Adopted July 7, 1913.

The Men's Live Wire Bible Class, M. E. Church, Holland A. H. Boylan, President. G. C. Moody, Vice Pres. H. C. Maris, Sec'y. Dick Overweg, Treas.

At Least Nest Expensive.

On behalf of a man charged at West London with stealing milk bottles from doorways, it was suggested that he had become obsessed with the idea that milk baths would cure locomotor ataxia, from which disease he was suffering.

Buy it now. Chamberlain's Colic Cholera and Diarrhoea Remedy is also certain to be needed before the summer is over. Buy it now and be prepared for such an emergency. For sale by all dealers.—Advertisement.

MICHIGAN TENTH STATE IN DEATH RATE GRAND RAPIDS NINTH AMONG CITIES OF SAME SIZE BUT FOUR HIGHER THAN STATE

Although America is still farther behind the nations of northern Europe and of Australia and New Zealand in keeping the death rate down, she has during the last 30 years been making rapid strides in the study and prevention of those diseases which tend toward bringing up the death rate.

According to the census statistics, the death rate in the United States in the registration area is 18.05 per 1,000 or population with only nine of the great nations having a higher rate per 1,000 as follows:

Russia, 28.61; Spain, 26.53; Hungary, 24.87; Austria, 23.12; Bulgaria, 20.92; Italy, 20.23; Prussia, 19.70; Germany, 19.52; Finland, 19.12. Having lower death rates than the United States are 16 countries as follows: Scotland, 17.61; France, 17.50; England, 17.16; Switzerland, 16.86; Belgium, 16.78; Ireland, 16.59; Western Australia, 15.83; Netherlands, 15.40; Sweden, 13.88; Denmark, 13.63; Queensland, 13.29; New South Wales, 13.10; Victoria, 13.08; South Australia, 11.73; Tasmania, 11.44; New Zealand, 10.80.

In Michigan, however, the death rate is much lower than the average for the whole United States. In Michigan the death rate is placed at 13.2 per 1,000 population and this state stands tenth in the order of those states in which a register of the deaths is maintained. It is interesting to note that the majority of the states in which the death rate is lower are located in the west. For instance the nine states having a lower death rate than Michigan are:

Washington, which is lowest with a rate of but 8.9. Then comes Montana, Utah, Minnesota, Wisconsin, Colorado, Indiana, Missouri, Ohio and then Michigan and Kentucky tied at the rate of 13.2.

In Grand Rapids the death rate is 4 higher than the average for the entire state, but of the 50 cities having a population of 100,000 or more Grand Rapids stands ninth as to low death rate with a rate of 13.6; Seattle, Washington holds the low record with a rate of but 8.8. Then follow in order, Portland, Ore.; St. Paul, Minneapolis, Spokane, Wash.; Milwaukee, and Oakland, Cal.

But Michigan has been doing good work in keeping down the infant mortality. Here is where good water, milk inspection and similar care in foods and drinks come in. Michigan stands third for low death rate among children not more than one year of age. In this particular the death rate in Michigan is 111.4 per with 102, and Maine about 110-9.

In this particular, too, Grand Rapids has an enviable record, being far below the average rate in the state, with but 107.2 per 1,000 of population, and is eleventh in the 50 cities of 100,000 of population and over. Those cities having a better rate in infant mortality than Grand Rapids are: Seattle, Wash., with but 78.6 and following in order, Oakland, Cal., Spokane, Los Angeles, Portland, Ore.; Omaha, San Francisco, Cal.; Rochester, N. Y.; Indianapolis and Minneapolis.

In this connection the Buffalo Association for the Relief and Control of Tuberculosis send out a "Questionnaire" some time ago to all the principal cities to learn what was being accomplished toward the stamping out of tuberculosis. The returns were received from 41 cities, all of more than 100,000 population. Those returns showed Grand Rapids to have the lowest death rate from tuberculosis of any of them, the rate being 8.9 per 1,000 population in 1911, while the next nearest approach to this record was that of Portland, Ore., with 9.9.

From these figures the rate rose to 30.5 in Denver and 26.5 in Albany, N. Y. Of course Denver gets the worst of this comparison because it receives tubercular patients from all over the nation, who go there to be cured or to die.

In the census of the United States tuberculosis is shown to rank second in its toll of death. Organic heart disease ranks first and in 1911 83,525 persons are shown to have died from this cause with 81,796 from tuberculosis of the lungs. If to this tuberculosis of the lungs is added the deaths from other forms of tuberculosis, this disease will lead all others by something like 10,000 cases in that particular year.

UNSIGHTLY FACE SPOTS

Are cured by Dr. Hobson's Eczema Ointment, which heals all skin eruptions. No matter how long you have been troubled by itching, burning, or scaly skin humors, just put a little of that soothing antiseptic, Dr. Hobson's Eczema Ointment, on the sores and the suffering stops instantly. Healing begins that very minute. Doctors use it in their practice and recommended it. Mr. Alleman, of Littleton, Pa., says: "Had eczema on forehead; Dr. Hobson's Eczema Ointment cured it in two weeks." Guaranteed to relieve or money refunded. All druggists or by mail. Price 50c Pfeiffer Chemical Co., Philadelphia and St. Louis.

Walsh Drug Co., H. R. Doesburg, and Geo. L. Lage.—Adv.

GOOD ROADS PROPOSITION

The Grand Haven Tribune as does the News, in fact as do all Ottawa County papers think, that the Board of Supervisors took a step backward when they tried to abolish the county good roads system in Ottawa county. The Tribune has the following:—

The action of the Board of Supervisors practically bringing to a stop work on the County Good Roads proposition, created a sensation and has stirred the entire county. No end of talk has been created and the action of the board has been criticized by many and applauded by others.

Viewed from a strictly impartial standpoint, the action of the board, which practically amounts to an abolishment of the Good Roads Proposition, is deplorable, and unless the last move of the board is rescinded by that body itself or held up by the court, will set this county back many years.

The people of Ottawa county, by a good sized majority vote, last year, decided to bond this county for \$600,000, to be issued in installments, of one hundred thousand dollars, when needed and to be used in the erection of roads in all sections of the county, on the state reward plan. A board of road commissioners was appointed, and the work started last year.

Roads have been started in various parts of the county and while but a few miles of highway have been completed, quite a number of miles have been laid out or graded preparatory to the work of road building. From the very start there has been dissatisfaction over the methods employed by the commissioners and there has been much criticism of the way the roads were being built. Whether or not this criticism was just appears to be a matter of opinion but there has been great dissatisfaction and the farming public have complained bitterly because of the fact that roads which were in fair condition have been torn up and have been allowed to remain torn up the greater part of two seasons while the county roads have been under process of construction.

Spring Lake township people have been particularly bitter because of the methods used in the building of the road out of Ferrysburg toward the Muskegon line. This road is still in an incomplete state and a good road leading up to this new road was practically destroyed in the heavy teaming and haulage connected with the building of the new highway. Spring Lake has for many years been spending its good money in the construction of gravel roads and the township today has highways of which it is proud and which were built by the township taxpayers.

But not alone Spring Lake, but many other sections of the county, have contributed to the complaint of the methods employed in the building of the new county road system. Whether or not these complaints were just is another question.

From the very first dissension appeared among the commissioners and from the day of their appointment there has been altogether too much cat hauling and criticism of each other. This discussion and lack of team work has undoubtedly had much to do with the inefficiency of the commission.

It was hoped only this spring that this state of affairs would be remedied with the election of a new road commission. Messrs. Richard Dykema of this city Rokus Cook of Holland township and Austin Harrington of Holland City were elected at this time.

But the new board doesn't appear to have improved conditions and they have been at logger heads with the board of supervisors for some time. The purchase of about ten thousand dollars' worth of machinery and an automobile for inspection service appears to have displeased the supervisors and when the Board of Supervisors met this week it was proposed from the first that there would be something doing.

Now the entire good roads measure is up in the air. It is rumored that individual members of the board who recently voted to re-submit the proposition to the people of the county, will vote to rescind their action, providing that the present road commissioners resign. Naturally it isn't presumable that the road commission feel that way about it.

At any rate the entire county suffers from this unfortunate action of the Board of Supervisors. Other counties in Michigan are making a great success of the building of roads on the state reward plan and why Ottawa has fallen down so miserably is a mystery.

Whether or not a commission could be elected that would satisfy the Board of Supervisors in its present temper, or the people of the county, is a question.

Apparently a mistake was made at the very start off in this county good road work in not employing an engineer, a competent engineer, a man of executive and administrative ability, a three or four thousand dollar a year man if necessary, and placing this man at the helm. Then perhaps something would have been accomplished, if it would be possible to find a man who could work in harmony with both the County Road Commission and the Board of Supervisors.

Ottawa county took a backward step.

LEFT MONDAY NOON TO HELP IN THE CONSTRUCTION OF W. A. WEIHES' HOTEL

George Smith, William Austin and Mr. Johnson of this city, Tony Van der Hill of Macatawa and Tony Onagusi and Herman Wergins of Ottawa Beach, in company with many men from Grand Rapids, left Monday for Florida where they will be employed on the construction of a hotel at Palm Beach, Fla.

The hotel is being erected by W. A. Weihe of Palm Beach who has for many years past spent the summers at Macatawa Park and is very well known in this city. Mr. Weihe conducted a boarding house at Palm Beach last winter and was visited by many of the Holland visitors. By winter he expects to have his hotel completed and will open for the winter season. The hotel is being built overlooking the ocean and has very beautiful surroundings. It will be a three-story building equipped with all modern fixtures and will accommodate about one hundred people.

The Holland boys left Monday for Florida and will probably stay there all next winter working in the hotel.

WORST CROP FAILURE IN YEARS

According to the M. A. C. state extension workers and the district supervisors of the county advisor division of the college, the crop conditions have never been as poor in Michigan as they promise this year.

The members of the various staffs cover the entire state in the course of their travels and those that were at the college Monday and those who have reported during last week say they have never seen a time when all kinds of farm products including fruit, have been in such bad shape or promised such poor yields.

The cold wet spring with late frosts which was followed by a dry hot spell that still persists with no promise of a let up, is blamed for the shortage and general poor corn conditions.

Hay, oats, wheat and early potatoes seem to be the hardest hit of the general crops. The only sections having over half a crop of wheat are said to be the southern tier of counties, while oats are said to be poor in every section and will not produce over a half crop even if they should have the best of conditions from this time on to harvest. Hay is said to be less than a third of a crop everywhere and to be dying on the ground before blossoming. Alfalfa, however is in prime shape and is nearly all harvested, with promise of an excellent second crop.

Early potatoes were badly frosted in some sections and will not produce over a quarter of a crop without rain within a few days. Late potatoes are now being planted but the ground is so dry and hot that they stand little show.

Fruit is equally poor according to Prof. L. R. Taft, state inspector of orchards and nurseries, who reports but 35 to 40 per cent of a crop of late apples.

Plums and grapes reports to be but about 30 to 40 per cent of a crop.

The northern part of the state is said to be in a better condition with respect with the fruit crop averaging about 50 per cent of a crop of peaches, plums, cherries and grapes, while apples are said to be about 75 per cent.

WORKMEN DISCOVER ONE WITH DATE LINE OF 1858.

Has Items of Local Interest and Set of Local Market Reports.

While workmen were yesterday breaking down an old building on East Eighth street they found pasted to some of the boards an old newspaper that holds rather a great deal of interest because of its age. Only fragments of the paper could be recovered although these fragments are in a remarkably good state of preservation and the print can still easily be read. The house is one of the oldest in the city having been built here early in the history of the Holland settlement.

The paper was printed in Sheboygan, Wisconsin, October 12, 1858, and it has come down to us hidden under the boards of an old house all these years. The name of the paper is "De Nieuwsbode" and under the name of the paper is stated that it is the organ of the Netherland people in North America. On the margin of the paper are some crude drawings of a girl and some furniture, as well as the name of some one in a handwriting that is decidedly Dutch, part of the name being deciphered as Gerrit Jan.

Practically nothing of the news matter of the paper was recovered with the fragment, the portions found being taken up with medicine advertisements and other matter of this kind.

Part of a legal notice of some kind can be seen which is signed by the consistory members of the Reformed congregation of Graafschap. The names of Jans Rutgers, Steven Lukas, Hindrikus Strabbing, Mathias Naeve, Johan Frederik Van Anrooy, Pieter Boven, Abraham Krabshuis, Hendrik Lamping and Harm Lukas. The date of this document is Nov. 29, 1858.

There is an interesting market report of Holland printed in the paper. It is interesting to compare the prices with the present day prices and the report is reproduced here:

Wheat per bushel, 90c; oats, 35c; shelled corn, 59c; buckwheat at 60c; potatoes, 37c; beef, per pound 3c; pork, 14c; butter 14c; ham 9c; hay per ton, 36c; eggs per dozen, 12c. There are a few other items that could not be of interest to local people such as staves, etc., that are no longer in the market reports of today.

Personal Items

H. V. Dekker and family have left for Central Park where they will camp for two weeks.

Fred and George Zulusky, formerly of this city, now of Milwaukee, have left for home via Chicago, after a visit here.

Preston Lane of Grand Rapids accompanied by his mother Mrs. Lydia Lane came down for an over Sunday visit with Mr. and Mrs. J. H. Purchase. Mrs. Lane will visit for several days.

Mrs. E. Lucas and children Irene and Belford of Chicago are visiting relatives in this city.

F. Kleinhessel left Monday morning for Flint where he has accepted a position with the Holland Furnace Co. there.

Mr. and Mrs. G. T. Haan spent Sunday with relatives in Grand Rapids.

E. L. Eine of Chicago who was visiting relatives in this city left for Chicago Monday.

Mr. and Mrs. John Harmsen and family have returned to their home in this city after a few days' visit in Fremont. They made the trip in their automobile.

Mr. and Mrs. E. J. Hawkins have returned to their home in Vermontville after spending a week with their parents Mr. and Mrs. J. H. Purchase, East 7th street.

Jack Van Anrooy, William Bremmer and W. Halley returned Monday morning from a three days' visit in Chicago and Milwaukee.

Roy Newman spent Sunday in Grand Rapids.

Charles Mc Greevy and Willis Ranker of Chicago who have been visiting in this city returned Monday to their homes in Chicago.

Mrs. W. Van Anrooy who has been visiting in this city returned Monday to her home in Grand Haven.

Fred Van Roy of Florida was visiting relatives in this city Sunday.

Mrs. S. Zioulousky who has been visiting relatives in this city returned Monday to her home in Grand Haven.

G. T. Haan and John VanderVeen took an automobile trip to Oshkosh Monday.

William Van Putten who has been visiting in this city returned Monday to Greenville.

George De Krulff who has been visiting in this city returned Monday to Chicago.

Chris Fries and Clarence Zwemer spent Sunday in Chicago.

Mr. and Mrs. W. J. Garrod of this city spent Sunday with relatives in Allegan.

Miss Jennie Girmes who has been visiting in this city has returned to Chicago.

James Westveld who has been visiting in this city has returned to his work in Decatur, Ind.

John Karreman was in Grand Rapids yesterday on business.

John Karreman left yesterday to spend a few days in Detroit.

Henry Vander Ploeg who spent a few days in Holland has returned to Detroit.

Edward Nyland has returned to Detroit after spending some days in Holland visiting relatives.

Mrs. P. A. Kleis went to Jackson Tuesday to visit her daughter, Mrs. Primeo.

Mr. and Mrs. Thomas De Vries and children of Grand Rapids are visiting at the home of Mr. and Mrs. Milo De Vries.

Mr. and Mrs. Clinton Lincoln of Grand Rapids are visiting at the home of Mr. and Mrs. Milo De Vries.

Mr. and Mrs. Thomas N. Robinson returned yesterday from their honeymoon that was spent at Detroit Harbor, Wis. Mr. and Mrs. Robinson will make their home at the corner of Seventeenth street and River avenue.

Mr. and Mrs. B. Huizenga and Mrs. Richard Kleyn and Henry Huizenga spent Saturday in Grand Rapids.

Miss Theo Thurber of this city is attending the summer session of the University of Wisconsin at Madison.

M. Rahn of Muskegon was the guest of J. Karreman of this city.

Paul Van Tile of Chicago is visiting Mr. and Mrs. F. Nash of this city.

Mrs. Lamphere of Flint has been visiting at the home of her sister Mrs. Van Hoff of this city.

Tom Ten Houten of Chicago is visiting at his home in this city.

Miss Rose Brusse of Grand Rapids is visiting at her home in this city.

Arnold Basset of Chicago spent the week end with relatives in this city.

Mr. Schiller and Mr. Doozier of Chicago have been visiting friends in this city.

Alfred Beck and Woodward Duers Mc Dougal of Chicago are visiting their lady friends in this city.

Miss Jennie Lanting left Thursday for a weeks visit with relatives in Kalamazoo.

George Pilgrim spent Saturday in Grand Rapids.

The Ottawa band played at Saugatuck Fourth of July.

The Rev. and Mrs. M. C. Ruusaard who have been visiting relatives in this city left Tuesday for their home in Otley, Ia.

Mrs. Ben Brower and daughter Dorris left Tuesday for a two weeks' visit at Lima, O. Mr. and Mrs. L. Danglemond, formerly of this city accompanied them. The trip was made in an automobile.

Miss Jennie Lanting is spending a week's vacation in Kalamazoo.

The H. O. H. will not meet tomorrow evening because the hall cannot be procured. The next meeting however, will be held the first Friday in August.

Misses Jeanette and Nellie Brinkman are in Grand Rapids today.

Mrs. James De Young is visiting her mother, Mrs. J. Van Landegend.

John Van Landegend spent a few days with his mother, Mrs. J. Van Landegend.

Mr. and Mrs. Leon Boylon of Kalamazoo are visiting relatives in the city.

Mr. James De Young formerly of Holland, but now of Owosso spent a few days in the city visiting.

Esther Gray of Chicago is visiting friends and relatives here.

John Van Vulpen of Chicago is visiting friends and relatives in this city.

Mrs. Anton Bux and Mrs. Tillie Peterson, of Chicago are visiting relatives and friends in this city.

LOCAL NEWS

The bowling alleys conducted by Archie Jackson on East Eighth St. have been moved to the Casino at Ottawa Beach for the summer.

T. H. Hebert, with the Holland Shoe Company, has purchased a Hudson Roadster of the Kamps agency. The new car was delivered to Mr. Hebert Fourth of July.

Russel Van Ry was arrested Saturday charged with gambling in the city and paid a fine of \$10 and the cost when arraigned before justice Sooy.

Dr. and Mrs. J. O. Scott and daughter left Monday evening for Kansas City, Mo., to attend the National Dentists Convention. Dr. Scott's office will be closed during the month of July.

Miss Ruth Keppel, who is beginning to be recognized as one of the finest violinists in the city, left Saturday for Milwaukee, Wis., where she will take lessons with Prof. Jaffe in the Wisconsin Conservatory of Music.

Edward C. Smith aged 14 died last evening at his home 143 West 12th street. He is survived by his mother, Mrs. Conrad Smith and one sister. The funeral was held yesterday afternoon at 2 o'clock from the home. The Rev. Mr. Blekkink officiating.

Mr. D. Steketee and family formerly of Holland but now of Grand Rapids came from Grand Rapids yesterday in their car.

Victor Nygrant, of Laketown was arrested Wednesday by Detective H. Harrington charged with being drunk on a Holland Interurban car and lodged in the city jail. He was arranged in the morning before Justice Miles and he pleaded guilty to the charge. He was sentenced to 10 days in the county jail.

Mrs. R. Astra aged 48, died Thursday night at her home 67 West Ninth Street. She is survived by a husband and one daughter, Mrs. Shanahan of this city. The funeral was held Sunday afternoon from the home, at 2:30 o'clock. The Rev. E. J. Blekkink officiating. Friends viewed the remains Sunday forenoon from 10 to 12 o'clock.

Jacob Helder, teamster for the Zwemer Coal Yards was arrested Monday charged with driving on the wrong side of the street. He was arraigned before Justice Miles and pleaded guilty to the charge. He paid the costs amounting to three dollars and was released. Mr. Helder was repeatedly warned by the police against doing this but he gave no heed to the warning.

Martin De Weerd has accepted a position as agent for the Detroit Life Insurance Co., in the counties of Ottawa, Allegan and Muskegon. He intends to canvas this city thoroughly and will then try the other cities in his district. Mr. De Weerd was formerly employed by the Standard Milling Co. and later he accepted a position with the Wilkinson-Ryan Co.

For soreness of the muscles, whether induced by violent exercise or injury, there is nothing better than Chamberlain's Liniment. This liniment also relieves rheumatic pains. For sale by all dealers—Advertisement.

LINCOLN SYSTEM GIVES OUT DE-
TAILS OF SERIES OF EN-
TERTAINMENTS.

People of Holland to Be Given a Week of Entertainment and Intellectual Pleasure

The program for the Chautauqua program that is to be given in Holland in August by the National Lincoln Chautauqua System has been completed. During the Chautauqua week there will be 24 entertainments. There will be six days of it and each day there will be two sessions. Each session is made up of two entertainments.

The programs will be varied and will interest a number of people of different tastes. In fact the plan of the system is to furnish something for all who attend the entertainments. There will be popular lectures, lectures on more particular subjects, impersonations, readings, music, vocal and instrumental.

Each lecture will be composed of a lecture on some subject that will interest most people in a popular audience and readings and music.

The campaign for the sale of tickets has not yet started in earnest, but it will be begun in time so that all of the people of Holland will have an opportunity to secure a season ticket. The business men of Holland are backing the movement and the proceeds of the entertainments will be devoted to a nucleus for a fund that it is hoped will eventually swell into a Y. M. C. A. fund of sufficient size to build a Y. M. C. A. here.

The complete program for the Chautauqua week as furnished the Sentinel by the National Lincoln Chautauqua system is as follows:

PROGRAM BEGINS PROMPTLY

Afternoon Music - 2:30
Afternoon Lectures 3:15

Night Music - 7:30
Night Lectures 8:15

FIRST DAY

Afternoon—

Opening Exercises

Concert.....Wehrman Quartet

Readings.....Jane Elsie Wrate

Lecture, "Evolution of the Boy,"

.....Warden J. K. Coddling

Admission—Adults, 25 cents

Youths, 15 cents.

Night—

Introductions and Announcements

Entertainment.....Wehrman Quartet

Impersonations.....Jane Elsie Wrate

Lecture, "What Makes Kansas,"

.....Warden J. K. Coddling

Admission—Adults, 35 cents

Youths, 15 cents

SECOND DAY

Afternoon—

Music.....Musical Artists

Lecture, "One Hundred Years on

the Water Wagon".....

.....Dr. Aaron S. Watkins

Wonders of Science.....

.....Prof. Louis Williams

Admission—Adults, 25 cents

Youths, 15 cents

Night—

Music, Vocal and Instrumental, by

.....Musical Artists

Lecture, "Fools and Failures,".....

.....Dr. Watkins

Wonders of Electricity.....Prof. Williams

Popular night admission, Adults, 25c

Youths, 15 cents

THIRD DAY

Afternoon—

Musical Prelude.....Clarke-Walker Co.

Sadie Walker, America's Most Popular

Chautauqua Violinist.

Lecture, "Four Victories".....

.....Dr. E. L. Eaton

Admission—Adults, 25 cents

Youths, 15 cents

Night—

Popular Concert.....Clarke-Walker Co.

The Old Songs with Violin Obliga-

tato.....C. Ed-

ward Clarke and Miss Walker.

Popular illustrated Lecture, "Glo-

ries of the Firmament".....Dr. Eaton

Admission—Adults, 35 cents

Youths, 15 cents

FOURTH DAY

Afternoon—

Grand Concert.....

.....Lincoln Chautauqua Orchestra

Lecture, "Building of a Home".....

.....William W. Wright

Admission—Adults, 35 cents

Youths, 15 cents.

Night—

Part I

Popular Musical.....

.....Lincoln Chautauqua Orchestra

Lecture (30 minutes), "The Di-

vorice Problem".....William W. Wright

How Bad Backs Have Been Made

WHAT YOU SAW IN THIS PAPER

THIRTY FIVE YEARS AGO

At a regular meeting of the United Sons of Industry the following officers were elected for the ensuing term: A. McDonald, President; R. A. Schouten Vice president; D. Van Bruggen, F. and R. Sec'y; B. P. Higgins, Treas. W. H. Rogers, Q. S. J. Van Zoeren, O. S. Installation will take place next week.

Messrs. G. Van Putten and Sons are having their new store finished the old Koning building having finally escaped the clutches of the law.

Mr. Peter Boet of Grand Haven was nearly killed on Tuesday last by a heavy tackling block falling and striking him on the back of the head, while at work on the Schooner Moore discharging at Winsor's dock at Grand Haven. Dr. Vander Veen dressed the wound. Mr. G. Boeve of Fillmore, Boet's brother-in-law was summoned by telegraph. Mr. Boet has a wife and six children.

Garibaldi gets his mail once a week and it generally averages 600 letters and as many papers.

THIRTY YEARS AGO

Judge Tate has appointed Prof. E. B. Fairfield, of Grand Haven, a member of the Board of County School Examiners, vice Rev. J. F. Zwemer, resigned.

Ed. Vaupell informed us that he arrested a man, apparently an escaped convict, at noon Friday. He was in a cattle car near the residence of B. Grootenhuis, busily at work filing loose a pair of handcuffs from his hands.

A man by the name of R. Zylstra, fireman at the Tannery of the Holland Leather Company, was overcome by heat on Saturday last and had to stop work. He left the tannery at about 4:00 and started to go home, but evidently became confused and wandered about town until he was exhausted and fell down in front of H. Geerling's home on Cedar Street. He tried to say something but could not be understood when they were carrying him to the residence of D. Sluyter, where Dr. Van Putten was sent for. All that could be done was attended to but he died at 7:00. He was buried Sunday morning. Mr. Zylstra was 65 years old and had been in this country but one year, three months of which he had spent in this city.

At the election of Hudsonville Lodge, I. O. O. F. held on Wed., evening, the following officers were elected: Wm. Whipple, Jr., N. G. Chas. L. Underhill, U. G.; W. W. Morris, R. S.; James Pitts, Treas. The installation will take place July 11th. All Oddfellows are cordially invited to be present.

TENTY FIVE YEARS AGO

Mr. and Mrs. George Conway of Wisconsin, Waupun, are visiting Mrs. Conway's sister, Mrs. G. Van Schelven of this place.

G. Van Schelven editor of "De Hope" made an oration at Overisel on the Fourth of July.

Mr. Jas. Souter who for the past two years has been a resident of Santa Anna, California, returned recently to look after his property in this country. Mr. Souter thinks the country is delightful as to climate and business prospects.

The jury list drawn on Tuesday for the August term of the Circuit Court is as follows: Allendale, Wm. Rosie; Blendon, Henry Francis; R. J. Nibbelink; Chester, Curtis Pintler; Wm. O. Irish; Crocker, Wm. B. Parkhurst, Fremont Brown; Georgetown, Aug. Kronmeyer, G. Densmore; Grand Haven City, John T. Percival, Archie McDonald, Sherman H. Boyce; Grand Haven Town, George Aiken; Holland City, Jacob Kulte; Holland Town, Wm. B. Avery; Jamestown, Elisha Lowe; Olive, A. Van Raalte; Polktown, Wm. Averill; Robinson, John Higgins; Spring Lake, David E. Hamilton; Talmadge, A. M. Patterson; Wright, Leslie Sparks.

TWENTY YEARS AGO

Rev. H. V. S. Peeke was married at Minneapolis, Minn., Wednesday to a Miss Green, formerly a missionary in China.

Dr. J. G. Wetmore, the physician in charge of the afflicted family of August Brecker of West Olive, reports that after the death of three children of diphtheria, the fourth sufferer is slowly recovering. Although her throat is paralyzed she is beginning to take some nourishment. Mr. Brecker who was also very ill, is beside himself with grief and has to be constantly watched lest he kill himself. Eight years ago he lost his wife and the care of his children devolving upon him alone, he was greatly attached to them.

Wednesday, Mr. and Mrs. Simon Werkman, buried their five months old twins. One died on Sunday and the other the day following.

FIFTEEN YEARS AGO

Mrs. Geo. Berkhoff, Jr., of Chicago, who is at her summer home at

Macatawa Park, is ill with an attack of typhoid fever. The sad intelligence reached here Saturday of the death at Sea Cliff, Long Island, on Sunday July 3, of Mrs. Samuel Dean, mother of Mrs. Prof. J. T. Bergen. The immediate cause was blood poisoning induced by lack of circulation of the blood. She was buried on the following Wednesday from the Reformed Church at Brooklyn, N. Y. to which the family belong. Her husband, who was in England, was informed as to the serious turn her illness had taken, and left at once for home but did not reach there in time. In view of his absence, Mr. Dean had secured a summer home at Sea Cliff, L.I. where the deceased and her two daughters and families were to spend the season together. Besides her husband, Mrs. Dean leaves two daughters, Mrs. Prof. J. T. Bergen of this city and Mrs. F. Towle of Brooklyn, New York. Mrs. Dean was seventy five years old.

A. J. Ward is building a fine residence on Ninth Street.

TEN YEARS AGO

In the death of Dr. William Vandenberg who passed away at his home in Zeeland last Sunday morning, Zeeland loses one of its foremost citizens and Ottawa county one of its noted physicians. Dr. Vandenberg was 77 years of age and came to this country in 1847. He practised his profession in the east a few years and then came to this county, residing in Drenthe a short time and then moving to Zeeland where he lived until his death. The doctor was deeply learned in his profession and his education was exceptionally good. He leaves five sons and two daughters: Dr. J. W. of New Holland; Christian of Grand Rapids, Benjamin, Alfred and Edward of Zeeland; Mrs. T. Van Eenennaam of Zeeland and Mrs. William Brandle of Grand Rapids. The funeral services were held Wednesday afternoon at the Reformed Church at Zeeland, Rev. J. P. De Jonge officiating.

COMMON COUNCIL (Official)

Holland, Mich., July 3, 1913. The Common Council met pursuant to a call issued by Aldermen Van Drezer, King and Harrington, for the purpose of considering the veto of the Mayor to the proposition of renting a tandem roller for use on Twelfth Street and East Eighth Street, and was called to order by the Mayor.

Present: Mayor Bosch, Alds. Van Drezer, Prins, Drinkwater, King, Dyke, Congleton, Hansen, Harrington, Sterenberg and Vander Hill, and the Clerk.

The Clerk presented the following communication from the Mayor filed in the Clerk's Office Thursday July 3, 1913, at 4:03 o'clock P. M.

Mayor's veto here in full

Holland, Mich., July 3, 1913. To the City Clerk of the City of Holland,

By virtue of the power vested in me by the Charter of the City of Holland, I hereby file with you my veto of the action of the Common Council, taken at its meeting held July 2, 1913, with reference to the rental of a tandem roller to be used on East and West Twelfth St., and on East Eighth St., at a rental of not to exceed five dollars (\$5) per day for the time the same is used, and added thereto the freight charges on the same, which will mean a cost of from \$300 to \$500 as estimated by the committee.

My reason for so doing is that in my opinion, as based upon information received from the City Engineer to some, but it is a fact, just the same, that a number of these items coming up from time to time, unless checked, will make the tax burden in this city rise to appalling figures, and I am sure that as long as it is in my power, I shall endeavor to keep expenses down wherever it can be done without material injury to the city, as it certainly can be in the present instance, as anyone can clearly see if he but takes the time to inquire and investigate, with a mind in a condition to be properly guided, and not with a mind made up in advance, and based upon excuses for which there is no foundation in fact.

I sincerely trust that the Council have reason for their action, because it is no more right, fair and equitable, because the expense is distributed among the larger number of taxpayers. The principle remains that a burden is added to some one that he should not be asked to bear. Taxes are always high, and the aim of the Council should at all times be to keep taxes down as low as is consistent with our absolute needs, in the light of our growth and advancement, but it is just such needless expenses as the one herein referred to, that makes taxes high, and a burden upon the payer, and which causes our tax burden to be an ever increasing element of expense to the one who owns property of any kind in the city. The question of a few hundred dollars may seem a trifle

DR. BELL'S ANT

owner and taxpayer who should bear the burden of the cost. The excess of the cost is to be borne by the people at large, the Council who will place his personal prejudice, if I may use the term, against the expense of the intended to intimate any ulterior motives on the part of anyone, can serve no possible purpose, unless it is to satisfy the vanity and egotism of the majority.

I further file this veto for the reason that a large number of the people who will be required to pay for the improvement and the expenses incident thereto, have by their petition, requested the Common Council to proceed the same as was done on the other part of Twelfth street, both as to materials used and the machinery for laying the same. This request was made to the Common Council in the fact of a full and complete knowledge of all the facts and circumstances, and certainly the people who must pay the bills are entitled to be heard upon the amount of the bill they are to pay, and I can say naught but censure for any member of the Common votes, unless it is an attempt on the part of the majority to cover up the wrongful act they heretofore sought to force upon the people in the purchase of a roller at twenty-one hundred dollars (\$2100.00). It certainly seems to me that in the light of the repeated statements of the Engineer made both publicly and privately, that no one can with any degree of propriety or fairness insist upon this expense.

While some parts of Twelfth St. may not be in the best of condition, I am sure that the causes therefor can well be found outside of the use of the roller, as was admitted by the officers and representatives of the company that furnished the asphalt used upon the street, and that, the attempt at his time to lay these defects to the use of the city roller is the most brazen of frontiers, and, as hereinbefore stated, without even under whose direction the work is to be done, this is entirely a needless and useless expense, and unwarranted expenditure of public money. Whenever public money is appropriated the public should receive some return for the expenditure, and when we are sure that a proper street can be constructed with the machinery we have on hand, both from the statements of our engineer, and also from past experiences, I must say that I am at a loss to understand why the attempt should be made to put the city to this expense at this time.

I cannot possibly conceive of any reason for the action taken by the Common Council, and when I say the Common Council, I refer to the majority, who voted for the proposition, and do not wish in any way to reflect upon those who expressed their disapproval by their negative will look into this matter as I have done, and not force this expense upon the city, or the property owners on Twelfth street, to whom the burden will be sufficiently heavy, without adding thereto anything which will not result in any added benefit.

Respectfully submitted, NICODEMUS BOSCH.

Ald. Harrington, moved that the message be received and placed on file.

Said motion prevailed by yeas and nays as follows:

Yeas: Ald. Van Drezer, Prins, Drinkwater, King, Dyke, Congleton, Hansen, Harrington, Sterenberg 9. Nays: Ald. Vander Hill 1. On motion of Ald. Van Drezer, Resolved, that the resolution presented to the Council at a meeting held, July 2, 1913, authorizing the renting of a tandem roller, do now pass.

Said resolution prevailed by yeas and nays as follows:

Yeas: Alds. Van Drezer, Drinkwater, King, Dyke, Congleton, Hansen, Harrington, Sterenberg 7. Nays: Alds. Prins, Sterenberg and Vander Hill, 3. Adjourned.

Richard Overweg, City Clerk.

COMMON COUNCIL

(Official)

Holland, Mich., July 2, 1913.

The Common Council met in regular session and was called to order by the Mayor.

Present: Mayor Bosch, Alds. Van Drezer, Prins, Drinkwater, King, Dyke, Congleton, Hansen, Harrington, Sterenberg, Vander Hill, and the Clerk.

The minutes of the last meeting were read and approved.

Petitions and Accounts

Isaac Kouw and others petitioned for the sprinkling of 17 Street between Pine and Maple Avenues.

Granted.

The Fratern Order of Eagles extended an invitation to the Council to attend their annual picnic July 12, 1913, at Waukegan.

Accepted, with thanks.

Henry Pelgrim and others petitioned to have 12th Street between Van Raalte Avenue and Lake Street and between Columbia and Lincoln Avenues paved by day labor, with similar material and with the same equipment as they used last year on 12th Street under the supervision and instruction of the City Engineer.

Filed, by yeas and nays as follows:

Yeas: Alds. Van Drezer, Drinkwater, King, Dyke, Congleton, Hansen, Harrington, Sterenberg, 8. Nays: Alds. Prins, Vander Hill, 2.

Anton Self and others petitioned to have 10th Street, between River and Maple Avenues oiled or sprinkled with water.

Referred to the Committee on Streets and Crosswalks, with power to act.

A. J. Van Pernis and others petitioned to have River Street sprinkled, between 15th and 16th Streets.

Referred to the Committee on Streets and Crosswalks, with power to act.

Reports from Standing Committees

On motion of Ald. King, The regular order of business was suspended and the Council proceeded to hear the report of the Committee on Claims and Accounts.

The Committee on Claims and Accounts reported having examined the following claims and recommended the payment of same:

Guaranteed Eczema Remedy

The constant itching, burning, redness, rash and disagreeable effects of eczema, tetter, salt rheum, itch, piles and irritating skin eruptions can be readily cured and the skin made clean and smooth with Dr. Hobson's Eczema Ointment. Mr. J. C. Eveland, of Bath, Ill., says: "I had eczema twenty-five years and I had tried everything. All failed. When I found Dr. Hobson's Eczema Ointment I found a cure." This ointment is the formula of a physician and has been in use for years—not an experiment. That is why we can guarantee it. All druggists, or by mail, Price 50c. Pfeiffer Chemical Co., Philadelphia and St. Louis. Walsh Drug Co., H. R. Doesburg and Geo. L. Lage

The absurd man is the one who never changes. Take our advice when you have a cough or a cold and try Allen's Cough Balsam. There is nothing more soothing, nothing that will bring greater relief. Contains no harmful ingredients. Used for many years with satisfaction and success. 25c., 50c. and \$1.00 bottles.

Painkiller

STATE OF MICHIGAN

The Twentieth Judicial Circuit, In
Chancery.

Suit pending in the Circuit Court for the County of Ottawa, In Chancery, at Grand Haven, on the 26th day of May, A. D. 1913.
Hermanus Boone,
Complainant,
VS.
The Unknown Heirs, Devisees, legatees and assigns of John Cochran and Louania Cochran, his wife,
Defendants.

In this cause, it appearing that it cannot be determined whether said defendants are living or dead, and if living where they reside or if dead, who their heirs, devisees, legatees and assigns are or where they may respectively reside, therefore on motion of Diekema, Kollen & Ten Cate, solicitors for complainant, it is ordered that each of said defendants above named enter their appearance respectively in said cause on or before five months from the date of this order and that within twenty days the complainant cause this order to be published in the Holland City News, said publication to be continued once in each week for six weeks in succession.

The property involved in this case the title to which complainant is endeavoring to clear and have all clouds thereon removed, is situated in the township of Holland, County of Ottawa and State of Michigan, and is described as follows:

The south twenty-seven acres of the east half of the following described parcel of land, being parts of lots three and four in Section sixteen, township five, north of range sixteen west bounded by a line running as follows: Beginning at a point where the south line of said section sixteen intersects Lake Michigan, then east on said south line to the southeast corner of lot four aforesaid, thence north on east line of lots four and three aforesaid twenty-three chains and fifty-three links to a stake, thence west parallel with south line of said section to the west line thereof, thence south along the Lake Shore to place of beginning, containing eighty acres of land.

Orlen S. Cross,
Circuit Judge.

Diekema, Kollen & Ten Cate,
Sols. for Complainant.
Business Address:

STATE OF MICHIGAN

Circuit Court For The County Of
Ottawa
IN CHANCERY

At a session of the said court held at the court house in the city of Grand Haven in said county on the ninth day of June, A. D. 1913:
Present: Hon. O. S. Cross, Circuit Judge.

William Bouwcamp,
Complainant,
vs.
Martha Bouwcamp,
Defendant.

In this cause it appearing by affidavit on file that the said defendant, Martha Bouwcamp, is a resident of this state, and that a subpoena to appear and answer has been duly issued in this cause, but could not be served upon the said Martha Bouwcamp by reason of her continued absence from this state:

On motion of Visscher & Robinson, Solicitors for Complainant, it is ordered that the appearance of the said defendant Martha Bouwcamp, be entered in this cause within four months from the date of this order; and that in case of her appearance that she cause her answer to the bill of complaint to be filed and a copy thereof served upon the solicitor for the complainant within fifteen days after service on her or her solicitor of a copy of the said bill, and in default thereof that said bill be taken as confessed by the said Defendant, Martha Bouwcamp.

And it is further ordered, That the said complainant cause this order to be published in the Holland City News, a newspaper printed, published and circulating in said county, and that such publication be commenced within twenty days from the date of this order, and that such publication be continued therein once in each week for six weeks in succession, or that the said complainant cause a copy of this order to be personally served on the said defendant, Martha Bouwcamp, at least twenty days before the time above prescribed for her appearance.

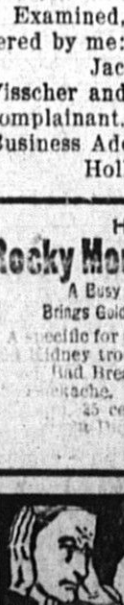

Orlen S. Cross, Circuit Judge.

Examined, countersigned and entered by me:

Jacob Glerum Register.

Visscher and Robinson Solicitors for complainant.

A LAW TO GOVERN OUR CITY

Altho' several cities in our vicinity, Grand Rapids, Kalamazoo and Muskegon, have had brought before their citizens the idea of a new charter, in every case it has been fraught with strife and dissension. The newspapers in these towns have been filled with ideas pro and con pertaining to their charters.

This state of affairs does not prevail in Holland however. In every respect the measures that have been changed are popular and cannot help being popular with the people, because in every instance where any change had been made, it was for them, therefore this new charter can be considered a people's charter. If there is anything in the proposed charter that does not conform with the ideas of the people either now or any future time, they have the right to rescind or recall any or all of it by their vote. Through the sentiments expressed wherever one goes, the new charter seems to be a very popular measure and owing to that fact there has been little criticism made relative to the work of the charter commission.

Consequently if a strong vote is cast on Monday there is no doubt but that the new charter will become a law which will govern our city.

An insect which feeds on mosquitoes has been discovered. Evidently that special insect in this vicinity isn't very hungry.

There isn't much the matter with a nation that can produce such a spectacle as the Gettysburg reunion.

After a courtship of seventeen years a Wilmington undertaker committed suicide on the eve of marriage. Evidently between death and matrimony he preferred the one he was most familiar with.

Do you wish to pay the bulk of your taxes at the time of the year when you can best afford it? Then vote "YES" on the new city charter on Monday, July 14th.

There is no doubt that streets will have to be paved and the sewers have to be laid and other public improvements have to be put in from time to time in the future. The new charter gives you ten years in which to pay this tax, instead of only five years as at present. Don't you think you prefer to have this extension of time? If you do, then vote "YES" on the new city charter on Monday, July 14th.

DON'T SPLIT HAIRS

The stickler often defeats himself and much that passes for defense of a principle is merely a little personal opinion. An eastern railroad at one time sent a great many cars over a certain western road. One day it filed a claim for seven dollars against the western road, and that road did its best to keep the money. The correspondence lasted four years—the eastern road prolonged it just for fun, to see how far the other road would carry it. But in other road would carry it. But in the meantime it quit sending cars that way. Finally a representative of the traffic department called to ask why his line didn't get the business it used to get. For an answer the officer of the eastern road brought out a pile of correspondence six inches high and placed it on the table before him. "That," he said, "is the result of our effort to collect a claim of seven dollars from your road. We quit sending cars your way four years ago."

Then the two men figured out how much that piece of stickling had cost the western road in four years. It amounted to over \$8,000. It is one thing to stand your ground when a real principle is involved, and another thing to carry your contention beyond all reason. Good will is sometimes worth more than petty satisfaction.

USE OF PARCEL POST STAMPS

You may now stick a parcel post stamp on that letter to mother. Also you may use the parcel post stamps in payment of insurance and collect on delivery fees on fourth class matter. These are some of the revisions made in the parcel post system and announcement of which was made July first. Hitherto parcel post stamps were applicable only to parcel post packages. By the revision of the regulations parcel post stamps will be valid for all purposes for which ordinary stamps now are valid. And the distinctive parcel post stamps also will be valuable for the collection of unpaid and short paid postage on all classes of mail. However the issuance of parcel post stamps will be discontinued after the stocks now on hand have been exhausted and ordinary postage will take the place of the distinctive stickers.

LINCOLN SHOOTING RETOLD BY WITNESS

Oklahoman Drank With Booth Shortly Before He Fired Fatal Bullet

Holland Man Also In Ford Theatre Tulsa, Ok., July 9.—Lorenzo Chubbuck, one of the caretakers at Sand Springs Park a local suburban resort, is one of the few men living who witnessed the assassination of President Abraham Lincoln. He was sitting fourth from the lower right-hand box, well to the front, in Ford's Theatre on the night of the tragedy. Chubbuck tells an interesting story of his experience.

"I was working in the Agricultural Department in Washington," he said, "and was lodging at the Model House in Ninth street. Isaac Newton was commissioner of agriculture. One of my friends was James Ferguson, who conducted a saloon in a building adjoining Ford's Theatre. On the day of the assassination Ferguson asked me to go with him to Ford's Theatre that night. I had no wish to go, but finally consented to accompany a young woman who was a relative of Ferguson."

"Late in the afternoon I was standing on the sidewalk in front of the saloon talking to Ferguson, when John Wilkes Booth rode up on horseback. Booth and Ferguson were well acquainted. Booth was riding a fine chestnut horse, and asked us what we thought of his mount. He invited us to drink with him, and we remained in the saloon probably fifteen minutes. Booth left the saloon and rode away, and I went to my boarding house and got ready to go to the theatre."

Sees Booth Enter Lincoln's Box "My seat gave me a full view of the President's box, which was gayly decorated with flags. During a shifting of the scenery Ferguson leaned over and said to me: "There goes Booth over yonder. I wonder where he can be going?" "I looked and saw Booth entering the rear of President Lincoln's box. In a second or two there was the report of a pistol. Ferguson exclaimed: "My God! Booth has shot the president."

"For a slight period of time before the echo of the shot had scarcely died away there was no demonstration on the part of the audience. Booth passed in front of the dying president, stepped upon the railing of the box, and made a jump for the stage. His foot did not clear the long strip of flag design hanging on the front of the box, and he landed heavily, but did not fall. He showed, however, a marked limp as he escaped through the wing."

"The audience grew wildly excited. Ferguson and I took our ladies to a place of security in an upstairs room in the theatre, and then joined the crowd of excited men that was entering Ferguson's saloon, where the assassin was thought to have hidden himself. Many of the men had pistols and rifles. Ferguson got on top of the bar and told the men that John Wilkes Booth had done the shooting, and that he was not in the saloon, but probably had escaped on horseback. The police took charge of the saloon, drove everybody out, and securely fastened the doors. Because of Ferguson's acquaintance with Booth, both he and I were locked up, to insure our being present at Booth's examination, if he should be captured. Afterward we were vouched for and given our liberty."

"I was rooming with a man who was running a tugboat up and down the Potomac River. One night he came in rather late and woke me up, saying that he had brought the body of Booth to Washington on his boat. I asked him what was done with the body. 'Well,' he replied, 'they took it to the prison in the navy yard, tore up the floor of a cell and buried it below.' A day or two later he took me down to the navy yard and showed me a cell where there were some boards standing against the window, on the inside. He said Booth was buried in that cell."

Chubbuck was daily in attendance at the trial of the conspirators, and feels that Mrs. Surratt was unfairly dealt with when she was hanged for her connection with the assassination.

"I have always felt that her complicity was measured by the mere fact that the real conspirators used her house as headquarters for their plotting; it was generally thought that she believed the president was to be kidnapped, but not physically harmed. If her trial had not come at the moment when the public was so intensely excited, I doubt that she would have been hanged. I witnessed the parting between Mrs. Surratt and her daughter shortly before the mother was led to the scaffold and executed. The scene was so tragic that it lingers constantly in my memory. The daughter believed implicitly that her mother was guiltless. With their arms thrown about each other, both sobbing hysterically, they clung to each other until forced apart by the guards, and while being torn from each other's embrace, they fought for the last kiss for the last touch, for the last fervent look and good-bye, moments filled with a greater agony than one can imagine."

Peter Gunst a Holland man was also in the Ford Theatre when President Lincoln was assassinated.

POISON CELERY The department of agriculture has sent out warning that much of the table celery market has been sprayed with dry Bordeaux mixture to protect the plant from disease, and that enough of the poison often remains on the stalks to be injurious to health. Growers have been requested to change their method of spraying and consumers are urged to break the bunches and wash each stalk before eating.

LOCAL MAN ENGAGED IN Y. M. C. A. WORK

Verburb Enthusiastic

That all the towns in the present county Y. M. C. A. district are anxious to start the work and that requests are coming from other communities for organizations was the statement of Martin Verburb, county secretary of the Y. M. C. A. today. Mr. Verburb of this city has just returned from a trip about the county and declares that the interest shown is exceptional.

"At Birmingham," said Mr. Verburb today, "the local committee has been engaged for some time and is straining every nerve to get all that can be gotten out of the plan. A conference was held with Miss Starr, the school superintendent, Monday, and she is anxious that the work be begun at once. She has pledged the assistance of the teaching corps and tentative plans are under way for athletic work and the teaching of games when school opens in the fall."

"In Rochester the business and professional men are backing the work financially and morally. The Y. M. C. A. is working with the Boy Scouts in that village to get every boy there interested in the work. Last week I spoke at the community gathering in the public school on the Ferry seed farm and Mr. McCotter, vice-chairman of the county committee, believes a group or two can be organized in that community."

Community Work at Troy "At Troy a very interesting case presents itself. Mr. Chase, the only local pastor, has pledged his support to the cause and has conducted a round table discussion in his church upon it. He and I are planning to take a group of rural boys on a three or four days' camping trip during the last week in July. July 1 I am to meet the young men's Bible class at a social, where further plans will be made. Mr. Chase is planning community work which will bring many of the play features of the city to his own community for the boys there."

"At a visit to Orion I found similar conditions to prevail. Here local leaders and groups already are awaiting organization. Orion has a playground that is doing great things for its children and inexpensive apparatus is doing excellent service. Arrangements have been made for long 'hikes' with older and younger boys."

"At Oxford the people are anxious to have the county work organized and the school officials also realize what it will mean for the youth there. Even the girls are helping in the raising of funds so the boys can be properly taken care of, one young woman contributing \$8."

"At Holly a fishing trip and 'hikes' are being planned for and in South Lyon work along similar lines will be done."

"Speakers already are being engaged for the winter."

TAKE CARE OF OLD VINEYARDS

Prof. L. R. Taft, state inspector of orchards and nurseries, has sent a letter to various parts of the state telling of the necessity of giving attention to neglected vineyards, in which insects and diseases that injure grapes find breeding places. The grapes find breeding places. The attorney general giving the law under which township boards and village and city councils may appoint three officers to inspect such vineyards and condemn the same to be destroyed. The state inspector will listen to any complaint made to him at Lansing, provided names of owners of such vineyards are given along with those of the supervisor or township clerk.

Jacob DeWitt 21, furniture work, of Holland and Grace Jones of Holland were united in marriage Saturday afternoon by Justice Dickinson.

Shirts with soft collars and soft cuffs, plain and fancy colors—just the thing for these Hot Summer Days. Shirts with bands and attached cuffs, also shirts with soft detachable collars.

TRADE MARK

While the supply lasts, we will sell at the following prices:

\$3.50 Shirts, now	\$2 50
3.00 Shirts now	\$2 00
2.00 Shirts now	\$1 25
1.50 Shirts now98
1.00 Shirts now75
.50 Shirts now38

Act quick if in need of Shirts, as the supply won't last long.

The Lokker - Rutgers Co.

Board of Public Works makes Reduction in Lamp Prices

The Board of Public Works has added another laurel to its string. The city's light and water department has been a paying proposition for many years, so much so that Holland's has often been quoted in national magazines as an example of an ideal plant.

As the plant has been found to be a paying proposition the consumers have been given the advantage of this; the people of Holland have been given in reduced rates what would have gone toward swelling dividends if it had been a private corporation. A couple of years ago the consumers were given a rebate of fifteen per cent for prompt payment. Another notice was sent to the consumers. It gives a list of reduced prices in lamps, by the use of which the current can be reduced. Following is the notice that was sent out:

The following reduced prices on Mazda lamps went into effect July 1st, 1913.

Size of Lamp	Candle Power	Clear Old Price	Frosted Old Price	Clear New Price	Frosted New Price
20 watt.	16	\$.35	\$.40	\$.25	\$.30
40 watt.	32	.35	.40	.25	.30
60 watt.	48	.50	.55	.30	.35
100 watt.	80	.75	.85	.55	.65
150 watt.	120	1.15	1.25	.85	.95
250 watt.	200	1.85	2.00	1.40	1.55
500 watt.	400	3.25	3.50	2.75	3.05

The two standard lamps which are furnished and renewed without charge are:

30 watt "Gem" 12 candle power. (commonly referred to as 8 candle power). 60 watt "Gem" 24 candle power (commonly referred to as 16 candle power).

The term "watt" indicates the amount of current used by the lamp, for example; a 20 watt lamp used one third as much current as a 60 watt lamp, and will therefore cost one-third as much to operate. By comparing the sizes and candle power of the two kinds of Lamps you will notice that by using a 20-watt Mazda lamp in place of a 30-watt Gem lamp you will reduce the cost of current one-third and still have better light. By using a 40 watt Mazda in place of a 60 watt Gem lamp you will reduce the cost of current one-third and have eight candle power more. By using a 60 watt Mazda in place of a 60 watt Gem you will have the same cost of current but twice as much light.

In a few words the comparison may be made by saying that for every candle power you will have when using Mazda lamps you will pay just one half as much for current as when using the same number of candle power with Gem lamps. Aside from the question of better economy the Mazda lamps gave a whiter light than the Gem lamps. The average life (actual number of hours burning) of the Mazda lamps is one thousand hours.

The lamps may be obtained at the Lamp Exchange room of the Board of Public Works in the City Hall, where any additional information desired will be cheerfully given.
