PROSECUTOR LOSES ONLY TEN CASES

ALLEGAN COUNTY HAS QUITE A CRIMINAL BILL FOR CIRCUIT COURT

There Were 237 Prosecutions in Six Months and All But Ten Were Convicted.

Prosecuting Attorney Fouch of Allegan county this week submitted his semi-annual report to the attorney general. It covers the work of his office from January 1 to July 1, 1915. The total number of prosecutions were 237 of which there were 227 convictions. There were three desertion convictions, cruelty to animals 3, arson 1, assault and battery 16, assault to do great bodily harm, 1, breaking and entering 2, drunkenness 77, non-support 1, vagrants 58, violations of game and fish laws 20, indecency 3, larceny 6, violations of motor vehicle laws 4, first degree murder 1, rape 6, violations of school laws 9, and many other lesser matters. It has been a very busy six months, marked many unusual cases and so far as thoroughness and energy count, Mr. Fouch certainly is above criticism.

JOHN DUNTON HAS ANOTHER INVENTION.

John Dunton, who owns the north side of the bay near the Tannery and James Hawkins, City Treasurer, have leased a flooring plant at Lake Odessa, and will organize a stock company to manufacture flooring, an invention on which Mr. Dunton has spent a number of years. The wood is cured with a filler which Mr. Dunton has perfected and which makes it impervious to water. "The flooring is especially desirable because it does not swell or shrink under any circumstances. It will probably find its chief market in flooring for bath rooms."

CARRIER PIGEON FLIES INTO HOME.

A carrier pigeon flew into the home of Mr. Harry Madden, just south of Pullman, Allegan county, Tuesday. The poor bird was nearly starved. It has the marks "14 and 1885" and some unintelligible letters. It is hoped that the owner may read this item and notify Mr. Madden.

A TIDAL WAVE AT LUDINGTON.

A number of the people who chanced to be on the beach of Ludington, Michigan on Saturday afternoon at 5 o'clock declared that they witnessed the unusual spectacle of a huge tidal wave which accompanied the shower and ran back up the beach a distance of 150 feet.

GRAYLING DEER "ELOPE"

"Scandal" in Game Department to Be Remedied by New Fence.

Lansing, Mich., July 15—Michigan's game department, even though the last legislature figured it had been properly fixed when it was turned over to the public domain commission, has a scandal.

The scandal hidden by Game Warden Oates and his assistants until a few days ago, consists of the elopement of two pet deer. The "groom" was a big buck which the game department secured on Bois Blanc island last winter, after it had been injured, while the "bride" was a pretty fawn which for months had been hanging around the home of the caretaker at the military reservation at Grayling.

Chief Deputy Jones had sent the buck to Grayling to recuperate, made friends with the fawn and became a regular boarder at the kitchen table. He was allowed five or six quarts of oats a day and was apparently having the time of his life.

One beautiful day last month the tame fawn and the Bob Lo Buck decided to leave. They are still gone.

In order that there may be no more elopements, the department is erecting a fence to keep the deer in a big enclosure.

CHICAGO MAN COMMITS SUICIDE BY JUMPING FROM PURITAN IN MID-LAKE

Discouraged over business failures and disheartened over loss of position G. W. Voorhees, 1446 West Harrison Street, Chicago, jumped from the hurricane deck of the Graam & Morton steamer Puritan while the boat was in mid-lake between Chicago and Benton Harbor, Sunday. No one saw the leap to death. A letter was left addressed to his wife in Chicago saying that he would commit suicide.

The Man from Michigan has an interesting story to tell in a page ad. to be found on page three of this issue.

MAY BE AN INTERURBAN LINE TO ALLEGAN

ELECTRIC INTEREST WANT PERE MARQUETTE; WOULD THEN ELECTRO FROM ALLEGAN TO HOLLAND.

It is Said the Big Power Company Will Be a Bidder for All the Road in Michigan.

The Commonwealth Power company, or interests closely allied with it, may be bidders for the Pere Marquette rail road or portions of it when the road is sold at receivers' sale, according to gossip in financial circles. The portion of the road that is desired, it is said, is that which lies in Michigan, about 1,800 miles, letting other interests take the Canadian division. The plan, it is said, would be to electrify the system or such portions of it as could be done advantageously.

The Commonwealth company has waterpower developments on the Muskegon, Manistee, and Au Sable rivers and several sites for additional developments, all within easy transmission distance for the Pere Marquette. In addition it has large steam plants at Grand Rapids and Saginaw, both Pere Marquette points, besides waterpower developments on the Grand and Kalamazoo rivers and steam plants at Kalamazoo, Battle Creek, Flint, and other points that could be connected if necessary.

The electrification of the system would be a costly undertaking, but it could be extended over a period of years, starting with the important divisions. The only section of the Pere Marquette which competes with the Michigan Railway system, which is a subsidiary of the Commonwealth, is the Holland Interurban. Several branches of the Pere Marquette fit in exactly with the Commonwealth interests. Particularly is this true of the lines between Grand Rapids and Chicago and from Allegan to Muskegon or at least to Holland. As to the latter, an agreement on price was once made but the Pere Marquette backed out and demanded more money which was refused. Later another effort was made, but bondholders refused to agree to the sale unless the purchase price was turned over to them, as otherwise the sale would have decreased their security. So the matter rested. Undoubtedly it is the design of the Commonwealth interests to widely extend their interurban lines in Michigan, by that means providing for economical and profitable use of the electric power generated by their great system of dams, which also is to be largely developed, including more dams on the Kalamazoo river at or near Allegan. Acquisition of the Pere Marquette system by the Commonwealth no doubt would give to Michigan people better service, by either steam or electric power, than would be likely to get from any other purchaser.

Mrs. Wilhelmina Sprick Dies Tuesday Evening; Came with the Early Settlers to Holland

Mrs. Wilhelmina Sprick passed away at 6:25 Tuesday evening at the home at 334 Fulton St., Grand Haven after an illness of two weeks.

Mrs. Sprick was born in Appledoorn, Prinvine f Gelderland, the Netherlands, the 29th of August, in the year 1842, and when five years of age came to America with her parents, Mr. and Mrs. Marinus Wonters Rysdorp to make their home. They settled in Holland where Mrs. Sprick spent her girlhood days among the pioneer scenes of those days.

She was married to Mr. John Sprick November 5, 1868, at Holland by the Rev. Jacob Vander Muelen, and then came to Grand Haven to make her home where she has since resided. Mr. Sprick died the 29th of May 1878.

She leaves to mourn their loss the following children: Henry J., of Grand Rapids, John, Martin and Miss Gertrude of this city, and three grandchildren. She leaves a sister, Mrs. Henry Sprick of this city, and a large circle of friends. She was loved by all who knew her. She was a member of the Second Reformed church of Grand Haven for many years.

The funeral will be held at 1:45 at the home and 2:30 at the Second Reformed church Friday afternoon, July 16, 1915. The funeral at the house will be private.

AMOUNT FOR CONCRETE ROAD NOW PAST \$3500 MARK.

Although the exact amount of money subscribed for the concrete highway on the Alpena road cannot be given but a fairly accurate estimate shows that the amount has passed the \$3500 mark. This does not include subscriptions from Waukazo or Ottawa Beach and these places are expected to come across with several hundred dollars.

Belgian Beet and Sugar Factories.

Contrary to the prevailing belief that this year's output of beet sugar in Belgium would be negligible, the commerce reports say that nearly all of the Belgian factories are at work, including those at Wanze and Huy, between Liege and Namur, and at Tirelemant. The manufacturers, says the correspondent, have an expectation of making any profits, but they are saving \$6,000,000 worth of beets, and are providing employment and a livelihood for their employees.

HOLLANDERS ARE SOME TIME BEATEN

SOMETHING THAT "BEATS THE DUTCH"

What It Took the Hollanders 75 Years to Do an American Did Just in Eight Days

"It beats the Dutch" is an old proverb often used in referring to some unusual happening. This is the world's testimony to the industry, the perseverance and the ingenuity of the people of Holland.

But it so happens that the United States has had a chance to "beat the Dutch" at their own game, and has done so. And among the first people to recognize America's triumph were the Dutch themselves.

A tract of country, lying under water part of the Mississippi swamp land around New Orleans, was plotted out by surveyors. The amount of land was a trifle larger than the amount which Holland has drained from what used formerly to be the Zuyder Zee.

The land having been mapped out, dikes were built all around it, similar to the dikes which have been built in Holland, and are always a-building and a few pumps were started. So far the system was the same as that followed in Holland.

But the pumps in Holland are quite small, driven by the large, leisurely windmills. The American pumps were driven by electricity, with a capacity of a million gallons a minute. Five of them were put at work. Five million gallons a minute is calculated to empty almost any place in a hurry. It took the New Orleans men exactly eight days to clear away from water a tract of land that had taken Holland 75 years.

The immediate value was enormous. Land that had been a drug on the market at a cent an acre was in high demand at a \$100 an acre. An investor could have made 10,000 per cent on his money in a fortnight. And instead of a malaria-breeding swamp, New Orleans now has a rising suburb on the most fertile soil in the world.

Was Always Collecting Money for the Poor Sailors.

Allegan Gazette.

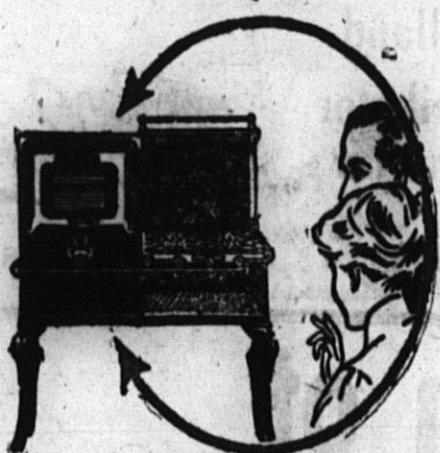

Many Allegan people remember that exceedingly polite and polished gentleman who used to come to Allegan and collect money for a sailors' home in Chicago, Rev. William M. Van Slyke. Those people have since learned that he belongs to that class of ultra sweet and ultra polite, jovial, and pure apparently, that wise folk do suspect. Some years ago he was married in the Sherman House to a lady who got a divorce that day from her former husband from Judge Padgham. A year or two later Detroit papers told of much domestic unhappiness. Mrs. Van Slyke filed suit for divorce in Ann Arbor, her former home, and he about the same time started suit in Paw Paw. Judge DesVoignes of Van Buren county refused him a decree because her suit was pending in the Washtenaw court. Mr. Van Slyke was not satisfied with Judge DesVoignes' ruling and appealed to the supreme court where he was again rebuffed. Later in Ann Arbor, Mrs. Van Slyke obtained a decree and Mr. Van Slyke appealed that finding. Last week the supreme court again rebuked the oily collector. He opposed the finding by saying that their marriage was fraudulent because Mrs. Van Slyke had made misrepresentations to Judge Padgham about her first divorce. Her attorneys rebutted this by saying that he could not bring that into the action for he had assisted her in getting the first divorce and had been a party to whatever misrepresentation had been made. The supreme court emphasized that point in their last ruling. Mr. Van Slyke has not done any collecting here since his trouble began and probably never will again. He was a champion at the business and gathered lots of money. No one ever appeared before the various church congregations with any more if indeed quite as much suavity. He was an expert, surely. He was once "kicked out" of an Allegan store, however, because he presumed to tell an irate brother how much he ought to give to the sailors' home and to Van Slyke.

Holland has seen very much of Van Slyke and his dear sailors "Bethel" in the past, but not of late. His cause may have been meritorious, but the fact remains that the liberal givers of Holland always looked to Van Slyke's coming with trepidation.

TRAMPS WORK IN THE SUMMER AND BOARD AT COUNTY EXPENSE IN THE WINTER

Attorney C. E. Hoffman appeared before the Board of Supervisors of Allegan and said he represented Carl Granger et al as taxpayers. He said that there was a law that the justice shall not issue a warrant for hobo cases until ordered the prosecuting attorney or a bond given. He told of a man named Stonebuhner who had passed several months in jail, went to Gobleville remained two days and when he came back was again arrested and placed in jail; that part of the hoboes spent the summer working on the mint farm in Clyde and their winters in the Allegan jail at the expense of the taxpayers and he wanted the board to stop such a drain on the tax payers pocket.

Free Demonstration and Baking Exhibition of The DETROIT VAPOR OIL STOVE

At our Store, Sat., July 17
EVERYONE INVITED TO ATTEND

It's a pleasure to cook with a Detroit-Vapor stove. You simply light the burners and put the cooking on at once. No building of a wood or coal fire, with loss of time, and the dirt of ashes, soot and smoke to annoy you and spoil the kitchen's neatness and cleanliness.

The modern gasoline and oil stove gives you all the convenience of city gas where you can't get gas. Lights instantly no waiting, no loss of fuel, no smoke or soot. Absolutely safe. Very economical. The cost of running the Detroit-Vapor stove is less than one cent an hour per burner.

This splendid stove makes your kitchen up-to-date, handy and convenient. No pressure-tanks or gas pipes to spoil the good looks of the stove or cut up your floors. It can be placed in any part of your kitchen. Detroit-Vapor stoves come in various styles and sizes.

WEST OLIVE

Our Fourth of July celebration passed off very quietly, compared with former years. The attendance was up to the average but much noise was conspicuous by its absence.

One of the most interesting base ball games ever seen here was staged in the morning between the West Olive Sand Burrs and Ottawa Orioles. Both teams played excellent ball but up to the 4th inning victory seemed slim with the score 3 to 0 in favor of Ottawa. Pitcher Schultz was then relieved by Bert Peck. The local boys began to gain, but it was not until the ninth inning when a fierce drive by Roberts, sent two men home and tied the score. The winning strike by Fred Peck sent Vern Bins home in the 12th inning with the score 8 to 7 in favor of the Sand Burrs.

Following was the lineup:—West Olive—Behm, Schultz, Headley, E. Peck, Bins, B. Peck, F. Peck, R. Roberts, and Kiers. Ottawa lineup—H. Dennis, Meeker, O. Lamb, West, Fletcher, Stone, L. Lamb, Richardson, C. Dennis. O. Lamb pitched for Ottawa; Ray Lick and Tim Roberts were umpires and Chas. Cole, timekeeper. Length of game three hours. In the afternoon a dozen contests were pulled off and prizes were awarded to first and second winners. The 2 mile running race was won by Ben Stone; horse race, Ernest Guiles; sack race, Ben Stone; 3-legged race, Ben Stone and L. Lamb; fat man's race, T. Sheehan; fat girl's race, Mrs. Rose Fletcher; young ladies dash, Miss Vida Stone; young men's dash, P. De Haas; small boy's race, Willie Lamb; small girl's race, Miss Hamburger; jumping contest, Fred Peck. A rope pulling sensation in which about 40 men participated and a drill given by a troop of Boy Scouts encamped at Port Sheldon, concluded the afternoon program.

Dancing and fireworks were in order during the evening. Among the out-of-town visitors were T. R. Bins and family of Holland, Mr. and Mrs. Clarence Stimpson of Grand Rapids, Mr. and Mrs. Klump of Grand Haven; Warren Miles of Lake Odessa, Bert and Eugene Peck and families of Chicago; Mr. and Mrs. Alex Barlow of Grand Rapids, W. J. Babcock and Richard Roberts of Chicago, Mr. and Mrs. Joseph Werner of Grand Rapids; and Mr. and Mrs. Albert Van Raalte of Holland.

Rev. George Sanford is the new pastor of the Methodist church. He and his wife are now living at the parsonage. We wish them success in their work. Jerome Marble spent Sunday in Holland visiting his son, Harry Marble and family.

Carl Ebel, one of Olive's oldest residents, who has been sick for several years is improving.

Wm. and Isabel Schnase of Chicago, are visiting their sister, Mrs. John Schreiber.

John Names was in Grand Rapids on Sunday last.

Mrs. Harry Guiles is suffering from a felon.

One of our German ladies is responsible for saying that "the Irish and the Dutch, never amount to much." The question arises as to whether she is dutch.

HOLLAND TOWN.

At the annual school election at Beechwood Tuesday William E. Van Dyke and Nick Hoffman were elected as members of the school board for a term of three years. E. Bareman was elected to fill the vacancy caused by the resignation of G. J. Nykerk. About the usual number of voters came to the polls, the votes cast numbering 35.

The first of the series of vacation Mothers' Meetings, conducted by the Women's Christian Temperance Union, was held at the home of Mrs. Wm. Van Dyke, at Beechwood, on Thursday afternoon. Most of the ladies were conveyed across in Mr. Bowder's launch, others coming in autos to the number of about sixty. The meeting was led by Mrs. C. S. Dutton and the question box was conducted by Mrs. Gowdy. Mrs. C. J. Dregman addressed the ladies on "Infant Feeding and the care of Utensils."

Several of the ladies of the North Side Choir furnished music, and a very pleasant social time was enjoyed while the hostess served tea and cake.

TONY MARINO PAYS FINE WHEN HE PLEADS GUILTY TO THE CHARGE OF STEALING MILK BOTTLES

Tony Marina paid a fine and costs amounting to \$10 in Justice Sooy's court Friday when he pleaded guilty to the charge of having taken empty milk bottles belonging to the Boston restaurant and selling them at four cents apiece. Marino was an interurban employee and he admitted having taken several bottles furnished by the restaurant to motormen and conductors along with their meals.

Mr. Hoffman had missed many bottles and Railroad detective Hub Harrington made an investigation that led to Marino's arrest. While he admitted to Justice Sooy that he had sold the bottles, he claimed that he had not known there was anything wrong about it. He claimed that many other men had been doing it. Other arrests are likely to follow.

Notice is Hereby Given—That the City Tax Rolls of the several wards of the City of Holland have been delivered to me for the Collection of Taxes therein levied, and that said taxes can be paid to me, at my office in the City Hall, cor. River Ave. and 11th St., at any time before the

15th Day of August Next

without any charge for collection, but that four per cent collection fee will be charged and collected upon all taxes paid between the sixteenth day of August and the first day of September next.

All taxes not paid on or before the first day of September, shall be re-assessed upon the General Tax Roll for payment and collection. So all such there shall be added for interest the sum of four per cent to cover from September 1st to January 1st next thereafter, and a collection fee of four per cent.

I shall be at my office on every week day from the first Tuesday in July to and including the seventh day of August, between the hours of 8:30 a. m. and 5:00 p. m. and on Tuesdays and Saturdays until 8:30 p. m. And from the ninth to the fifteenth day of August, between the hours of 8:30 a. m. and 8:30 p. m. to receive payment of such taxes as are offered me.

Dated Holland, Mich., July 6, A. D., 1915.

The arrest of five drunks in one evening four of whom were from Allegan county, which is "dry" aroused the ire of Chief of Police Van Ry and he announces that he will put a stop to outsiders coming here from "dry" counties to get drunk and cause a disturbance by imposing severe sentences.

Mrs. Dan of Lake Odessa, president of the Fifth district, Woman's Christian Temperance Union, was in Holland Tuesday afternoon and she was entertained by the ladies of the local organization. Monday evening Mrs. Dan gave an address in Zealand and Tuesday morning she gave an address in Grand Haven.

John Gatifield of the P. M.-Grand Trunk joint offices of Ferrysburg claims to have caught the fattest black bass drawn from the waters of Grand river in many years. He showed friends a seven-pounder after angling in the river during Monday afternoon. This is the largest bass reported thus far this season.

The frame building attached to the Van Raalte building on the corner of Ninth street and River Avenue is being torn down. The work is nearly completed now. E. O. Holekboer has purchased the lumber, which is practically all clear pine. The building was built many years ago when lumber was cheap and when the best was used for even modest buildings.

Hermanus Bos Tuesday celebrated the 44th anniversary of the day he entered the employ of the old Chicago & West Michigan Railway company which later was absorbed by the Pere Marquette. Bos started in as section foreman on the line between Vriesland and Zealand and when through an accident he lost his right leg twenty-two years later he was offered the position as flagman at the Eighth street crossing here since has held that job. Bos is 67 years of age and one of the oldest employees of the company.

Holland's vehicle ordinance has been printed in booklet form and copies of it can be secured at the office of the city clerk. The booklet contains in convenient form all the information that automobile drivers and drivers of other vehicles on the streets of Holland need. It is a small pamphlet in red covers and can be carried in the vest pocket. It was printed by special order of the council in an attempt to encourage greater familiarity with the rules of the road in Holland and to make the streets safer.

Work is rapidly progressing on taking down two old buildings that had stood for very many years and that because of their age were far from being examples of beautiful architecture. The work on the Van Raalte building on River avenue between Ninth and Tenth streets is practically completed and most of the lumber has been carted away, and the work on the Boone livery barn on Central avenue is progressing fast. The razing of these two buildings leaves fine sites for new structures that will improve the respective localities materially.

Over 2,000 people were on the floor of the large dancing pavilion at Saugatuck when it opened July 5, showing that there are some dance-loving people in this vicinity.

Harold Davis formerly of Saugatuck was married to Miss Cora Cutting at the home of the bride's parents at Arlington, Cal., July 2. After the ceremony the young couple went for a short wedding trip to Los Angeles and are now back to their home in Riverside.

Prof. and Mrs. John M. Slagh of Manitowish, formerly of Holland, are in Colorado Springs for a few days. They are on their way to the exposition in San Francisco. Incidentally they will visit the Grand Canyon and other places of interest.

Miss Katherine and Miss Bertha Rosbach, missionaries at Rohoboth, New Mexico are spending a six weeks' furlough with their brother Anthony Rosbach in this city. They brought with them a little Indian girl five years old named Minnie Sherman.

A new road of gravel will be laid on Sixteenth street, from Lincoln avenue to Fairbanks, by the city, and a half-mile east of Fairbanks by the county.

Twenty-Eighth street, west, almost as far as Harrison avenue, will be opened up soon, following the deed of the property to the city by P. H. Vinckmulder.

C. E. Drew, who attended the Y. M. C. A. camp at Torch Lake, returned yesterday. While in camp he was taken with an attack of quincy. Mr. Drew was adult advisor of the camp fire program and conducted a bible study class. Among the others from Holland who attended are L. O. Moody, secretary of the local Y. M. C. A.; Elmer Kruidenier, Justice Huntley and Franklin Cappon.

The consistory of the Christian Reformed church at Jamestown has formed the following trio of ministers from which the congregation will select one to whom a call will be extended: the Rev. H. Bultema of Pella, Ia., and Candidates H. Hoeksema and P. Yonker of Grand Rapids. The church at Crisp has extended a call to the Rev. J. H. Mokma of Chicago; the church at Rusk to the Rev. Peter Ekster of Grand Rapids.

According to County Clerk Jacob Glerum this is one of the busiest summers at the Grand Haven Court House in respect to the taking out of naturalization papers. There will be the unusual number of 24 applicants at the August term of court and for the November term of court fifteen applications have already been entered. Mr. Glerum does not believe that the European war is the cause of so many wishing to become American citizens as must of the applicants are Dutch.

General Manager Floyd of the Holland Interurban has announced two new stops in Holland for the limited and flyers. By making Columbia avenue a stopping point, these trains will now stop on all crossings on Eighth street. VanRaalte avenue has also been made a stopping point. As the News said in its last issue, the Interurban no doubt would meet any reasonable demands and the Holland road can be numbered among the good corporations in this city.

HOPE ORATOR WINS SECOND PLACE IN NATIONAL PROHIBITION CONTEST.

Hope College scored what practically amounts to another big victory in oratory when Irwin J. Lubbers of Cedar Grove, Wis., a member of the Sophomore class, Thursday night was awarded second place in the national contest held in connection with the sixteenth national convention of the anti-saloon League of America at Atlantic City, N. J. Mr. Lubbers' subject was "The New Age of Reason." Mr. Lubbers was awarded first place by the judges on thought and composition. Mr. Lubbers first won the home contest at Hope College and then the State contest. He represented Michigan in the National contest.

First place in the contest was won by Bernard Clausen of Colgate University, Hamilton, N. Y.

Missionaries to Arabia Will Make a Campaign for \$7,000

Missionaries on furlough from Arabia in this country will unite in a systematic campaign for the purpose of cancelling a \$7,000 deficit on the 25th anniversary of the founding of the mission by the Rev. James Cantine.

The needs of the Arabian mission will be brought to the church by Dr. Cantine, Dr. Samuel M. Zwemer, Mrs. Cantine, the Rev. and Mrs. E. Calverley, the Rev. J. E. Moordyk, Dr. Paul W. Harrison, Dr. and Mrs. H. R. L. Worral and the Rev. G. J. Pennings.

The Man from Michigan has an interesting story to tell in a page ad. to be found on page three of this issue.

Our New Store

We are now permanently located in our New Store in the Hotel Holland Block with everything brand new

Our Prices Are Not Balloon Prices

Our prices are not like a balloon, first blown up and then busted back to its original size. For instance, we do not take a \$15.00 suit, boost the price to \$25.00 and then cut the price on the suit \$10.00, thus making a grand reduction, but really selling you a \$15.00 suit for \$15.00 as is so often done throughout the country. We can sell you as good a suit as anyone wants to wear for \$15.00 right off the reel, without juggling the prices first. Our goods have the stamp of merit on them backed up by the O. K. of the largest clothing manufacturers in the world. They stand back of their goods and make good anything that might not prove up to the standard.

Compare some of these so-called \$25.00 clothes, cut to \$15.00, with our \$15.00 brand new stock suits and you will receive an eye opener. We are not saying anything, but just make your own comparison and we have no doubt as to what your judgement will be.

CHRIS HANSEN TEMPORARILY RELEASED FROM SERIOUS CHARGE.

But Present Charge Kept Hanging Over Him Until He Makes Good His Promises.

Chris Hansen of his city, who was arrested last week Tuesday on a complaint of his wife charged with assault with intent to do great bodily harm less than the crime of murder, was given another chance when brought before Justice Robinson for his examination Tuesday afternoon. When arraigned last Tuesday Hansen was unable to furnish bonds and he was taken to the county jail to await his examination.

The charge against Hansen is a serious one and it is said some strong evidence might be brought against him. Mrs. Hansen claims that her husband attacked and beat her after he had insulted and quarreled with her while in an intoxicated condition.

However when Mr. Hansen was brought up for his examination Tuesday he was in a penitent mood and he promised to be good in the future. Mrs. Hansen was willing to give her husband another chance and so Hansen was released for the time being. However, the present charge with strong evidence to back it has not been dismissed, and should Mr. Hansen do anything out of the way he will be brought up to answer the present charge against him.

SEES HOLLAND AFTER AN ABSENCE OF 48 YEARS

After having been away from Holland for 48 years, Mrs. W. C. Withington of Elmira, New York, is back in this city to pay a visit here. After nearly half a century of absence from the city she has come back and today she was marveling at the changes that had taken place here during those years.

Mrs. Withington is the sister of the late Mrs. E. J. Harrington, wife of former Mayor Harrington, and she is spending some time at the Harrington home. In spite of the fact that she is 78 years old Mrs. Withington made the long journey from Elmira, N. Y., all alone. She stood the trip well and is enjoying her visit here thoroughly.

When Mrs. Withington visited in Holland forty-eight years ago when she was still a young woman, she did not find the city here that Holland has now grown to be. She recalls that in many of the roads there were still stumps in the middle of the highway. The people of those days had been too busy to remove them and were driving around them. Holland then was a straggling country village.

FRANCES BOSCH WINS DIAMOND BRACELET.

Miss Frances Bosch won fifth prize in the Grand Rapids News special contest. The prize consists of a \$25 diamond-set bracelet. These special prizes have nothing to do with the grand prize of a trip to the Pacific coast, but the winning of one of the specials means that the lucky person has a good chance for the big prize. Miss Bosch has been forging ahead fast the last couple of weeks and if she continues as successful as up to the present she will have a very good chance for the big prize.

SEVENTY CHURCHES IN THE REFORMED DENOMINATION HAVE NO PASTORS

Vacant churches in the Christian Reformed denomination are giving each other a merry race to secure some of the recent graduates of the Grand Rapids seminary as their pastors.

Licentiate W. Bajema has been offered a choice of five fields: Harderwyk, Mich.; Randolph, Wis.; and Alto, Wis. Candidate H. Hoeksema has been offered three calls: Fourteenth St., Holland; Muskegon, Third and Pentwater, N. J.; Second. Candidate P. Jonker also has a choice of three churches: Ocheydon, Ia.; East Paris and Overisel, Mich. Candidate N. Fokkens has been tendered a call to the church at Oak Lawn, Ill.

There are about 70 churches in the denomination without pastors and according to an established rule no church can issue a call to any of the licentiates until a month after graduation.

THINK TAXES THIS YEAR ARE LOWER BECAUSE OF LOWER RATE

They Forget That Low Rate Is Caused By the Increase In Valuation

Although it has been explained in print again and again that the taxes this year are not lower than last year, the numerous inquiries at the office of the city treasurer show that many people have that notion. It has often been explained with painstaking care that the rate per thousand dollars valuation is much lower this year than last year but that because of the fact that the valuation of property has been raised a forty per cent the actual amount to be paid out by the property owner is about the same as formerly.

But every day many property owners leave the treasurer's office in a dis-

pointed mood because of the fact that they had grasped the idea that the rate was lower but had wholly failed to take into consideration a fact fully as important, namely that the valuation has been raised all over the state to a cash basis. Last year the city taxes were the lowest they had been since 1910 and this year they are approximately the same as then.

Up to Tuesday night Treasurer Vandenberg had collected the sum of \$8,467.19. This represented the first seven days of the campaign of approximately 6 weeks, and is considered a very good beginning. Most of it is in rather small amounts. The amounts collected each day are as follows: July 6, \$1402.28; July 7, \$616.78; July 8, \$1233.24; July 9, \$893.70; July 10, \$1110.30; July 12, \$1922.81; July 13, \$1288.08.

The Man from Michigan has an interesting story to tell in a page ad. to be found on page three of this issue.

George W. Phillips who died at the home of his parents, Mr. and Mrs. A. Finch, was buried Saturday. The funeral was held from the Finch home at 16 West Fourteenth street, at 2 o'clock in the afternoon.

Mrs. Samuel Perkins died at her home in Saugatuck at the age of eighty-eight years.

Mrs. D. Bronkhorst, aged 80 years, died Tuesday at the home of her son Gerrit, 39 West Second street. Mrs. Bronkhorst was a pioneer of Holland, having made her home here many years.

Mrs. Tony Veldhoen died Saturday at her home at 39 Cherry street at the age of 31 years. She is survived a husband and three children. The funeral was held Tuesday afternoon at one o'clock from the home and at 2 o'clock from the Fourth Reformed church the Rev. M. E. Broekstra officiated.

June Mari, the one-month-old child of Mr. and Mrs. John Plakke, 29 West Third St. died Sunday night. The funeral was held this afternoon at 2 o'clock from the home.

The funeral of Anthony Slack was held at the home in Douglas Tuesday afternoon at 2 o'clock.

Jacob Updike, aged 65 years, died at his home in Saugatuck. The funeral was held yesterday forenoon at ten o'clock from the home.

Relatives in Holland received by telegram the news Monday that Mrs. John Heimenga, wife of the Rev. John Heimenga of Passaic, N. J., died suddenly at her home. No details have reached Holland and the news was all the more startling because of the fact that Mr. Heimenga had been visiting here a week or two ago. Both Mr. and Mrs. Heimenga are well known in Holland.

The deceased is survived by one daughter besides her husband. The funeral will be held here this afternoon.

SEE WITH YOUR EARS THAT IS LATEST

This is a marvelous age, an era of scientific achievement. But we rush about so much that unless we get our science on the fly, we don't get it. It must be presented to us attractively and forcefully. Which is just the way it will be presented by Rene B. Welbourn, who comes here during Chautauqua week with his kit bag full of wonders and presents it to young and old and those half-way between with a telling "punch."

Read what an eastern newspaper said the other day in commenting on Mr. Welbourn's lecture:

"Did you ever see anything with your ears?"

"If you were at the chautauqua tent last night you did, and you saw a lot of other things which you never expected to see—or hear, for that matter."

Rene B. Welbourn, was lecturing on "Modern Miracles" and at the same time performing them.

"It was more like an evening in the cavern of a magician of the middle ages than one spent before a staid chautauqua platform, and the audience applauded each feat as tho it were that of a wizard, instead of a very collected young man who explained it all as he went along."

"The transformation of light into sound was his first experiment, and the audience burst into applause, as the horn of the mental ear-eyer on the platform bleated a response to the passage of a common incandescent lamp before it. Welbourn went calmly on with his work, and after telling gravely of a mule whose hearing had been restored by the rays from blue spectacles which he had worn over his ears. 'Meby' the speaker admitted 'you think this is a fish story. But it isn't. The audience gasped as if half inclined to believe him—'It's a mule story,' concluded Welbourn sadly as he reached for a battery."

"A single ray of light sent a pile of blocks toppling to the floor. With a few chemicals he burned a hole through a plate of iron in three seconds—and the audience could time him if it so wanted to, which three-fourth of it did. A few seconds later, igniting it with an

ROBINSON'S SHOW HERE SATURDAY JULY 17.

The sober, quiet, innocent-looking camels are always objects of no little interest. With the herd in the Robin-

son Famous Shows, which are bill to appear here Saturday, July 17, are to be found some of the finest specimens ever exhibited in this or any other country, including the only living baby wild-black camel known to man, its mother having died upon its birth. While a party of hunters were in the high and cold regions near the lake of Lobnars last December, in search of rare animals for the Robinson Famous Shows, they sighted a small number of wild camels, and, singling one from the number, succeeded in capturing it. Never before having seen the like, the collectors became fired with the desire to show them o the Robinson Famous Show patrons, but were not successful in showing the original of the capture, but a baby camel, that bids fair to be as vicious as its mother. The beats is now giving its keeps no end of trouble, and all kinds of difficulties are daily encountered. Scientists and all students of natural history will find this untamable quadruped an interesting study.

**WHAT YOU SAW IN THIS PAPER
THIRTY-FIVE YEARS AGO**

At a meeting held in the First Reformed church, on Thursday evening last, a vote was taken for choice of pastor from the trio made two weeks ago. Rev. H. Beuken of Amsterdam, Netherlands, received 71 of the 100 votes, and will consequently be called. Independence Day was celebrated on the 3rd, and all the "Kickers and croakers" are astonished at the crowd there was in town.

MOTORCOP BONTEKOE HAS BUSY TIME; PROMINENT GRAND RAPIDS MEN WANTED

Dudley Waters and Two Others From That City Nabbed—Zeeland Man Up For Second Time.

Complaints were made Tuesday before Justice Robinson for the arrest of four alleged speeders. Most of the arrests were made Sunday by Motorcop Bontekoe. However complaints were not made until Tuesday as the violators are all from out of town, three hailing from Grand Rapids and one from Zeeland. The alleged violators will probably be arraigned sometime this week.

Probably the most prominent man ever summoned in court in Holland, charged with this offense is Dudley E. Waters of Grand Rapids, a receiver for the Pere Marquette railroad and a prominent man of that city. Motorcop Bontekoe charges Mr. Waters with exceeding the speed limit with his automobile on Eighth street last Sunday. The other Grand Rapids men charged with speeding their automobiles in Eighth street Sunday are Lewis A. Weery and T. C. Mason.

William Kardux is the Zeeland victim. Mr. Kardux paid a fine for speeding some time ago and it is expected that the second offense will draw a little larger fine if he is found guilty.

Monday Motorcop Bontekoe arrested Bernard Rowan of Holland for speeding his motorcycle in Eighth street. Tuesday Mr. Rowan paid the costs of \$3.50 to Justice Sooy.

T. C. Mason of Grand Rapids made a strenuous objection to the complaint made against him charging him with speeding his automobile in Eighth street Sunday, and the complaint has been withdrawn. Mr. Mason said that he was not outside of Grand Rapids Sunday and that his car had never been outside of that city. Motorcop Bontekoe secured only the number of the car that did the speeding Sunday and it is possible that the cop got the wrong number.

**MRS. GOWDY DID NOT WIN IN THE
SCHOOL ELECTION**

Isaac Marsilje, James A. Brouwer and Fred T. Miles, The Successful Candidates

The response of the voters in the school election yesterday afternoon and evening was very satisfactory as compared with the number of votes cast in similar elections other years. The total number of voters who came to the polls Tuesday was 576, of whom 167 were women. The three trustees elected are Isaac Marsilje, James A. Brouwer and Fred T. Miles. The vote was as follows:

Isaac Marsilje, 426;
James A. Brouwer, 389;
Fred T. Miles, 336;
Henry Winter, 255;
Mrs. A. G. Gowdy, 195.

The total vote cast this year was not as large as last year. At that time 730 went to the polls to vote, of whom 188 were women. But last year was the largest school election in the history of Holland, with the exception of one year, about a dozen years ago when because of special reasons more votes were cast.

The comparatively large vote of Tuesday was all the more significant because of the fact that the slate nominees was one of the best chosen for a long time. Many voters felt that the choice would be a good one, no matter which three of the five were chosen and for that reason there was not as much incentive for going to the polls as there would have been if some of the candidates had been less desirable than they were.

The vote of Tuesday was a specially splendid endorsement of Mr. Marsilje. Mr. Marsilje has been a member of the board for a long time and he has served as president for some years. Mr. Brouwer's election by 389 votes was also a fine endorsement of his work done as a member of the board during the past few years. Att. Fred T. Miles also was not a new man to the voters in this connection. He served ably before and last year refused renomination. The two unsuccessful nominees, Mrs. A. G. Gowdy and Henry Winter received large enough complimentary votes to have made the race worth while. The size of this vote of the unsuccessful candidates means more than would have been the case if they had not had pitted them against three veterans who have been tried and found satisfactory.

FOR CHIPPEWA PARK.**

Build a Dock 168 Feet Long.

The Big Bay Realty Co., owners of a large tract of lake frontage lying just east of the Ottawa Beach golf links, on what is known as Big Bay, or Martin's Point, comprising about 70 acres, has recently been platted into 205 lots, besides several parks. A number of lots have been sold and cottages will soon be built. The company has just let the job to Wm. F. Van Anrooy of this city for the building of a dock 168 feet long so as to provide transportation for all future residents, by ferry boat from all other points on Black Lake. Work on the dock started Tuesday. The company has named this place Chippewa Resort and it is expected that it will eventually be one of the prominent places on Black Lake.

CENTRAL AVENUE CONGREGATION ORGANIZED HALF CENTURY AGO.

Will Commemorate Occasion On November Eighth.

Central Avenue Christian Reformed church will commemorate the 50th anniversary of its organization with special services this year. The date of its organization was Nov. 8, 1865.

The Rev. J. De Beer, Emden, Netherlands, was its first pastor. The call extended to Mr. De Beer included a salary of \$700, free parsonage and a cow with feed. Besides Mr. De Beer the following pastors have served the church: the Rev. F. Hulst, the Rev. J. Noorwiler, the Rev. C. Hoeksema, the Rev. G. E. Boer, the Rev. J. A. De Bruyn, the Rev. E. Vander Vries, the Rev. H. Van Hoogen, the Rev. R. L. Haan, and the Rev. B. H. Einink, who assumed charge a few weeks ago.

Central Avenue church is next to the largest in the denomination.

Miss Susie Barnaby of Hudsonville has demonstrated her ability in realizing handsome returns from gardening. Assisted by her father who has passed his 85th year. Miss Barnaby devoted her spare moments toward raising asparagus and her income this season has been about \$140.

**JOHN M. VAN ZOEREN CHARGED
WITH GETTING MONEY ON
WORTHLESS CHECK**

Is Arrested and Pleaded Guilty.

The following is a clipping from the Ann Arbor News-Times:—

"John M. VanZoeren, an insurance agent of Holland, Mich., whose wife is a patient at Dr. Neil A. Gates' private hospital, was arrested Monday evening by Police Sergeant Thomas M. O'Brien and arraigned before Justice W. G. Doty on a charge of having obtained \$10.75 from Mrs. Mary Kellner, to whom he had given a check for this amount, the check being returned unpaid for want of funds.

"Van Zoeren entered a plea of guilty and was fined the costs by Justice Doty. He was penniless and, had it not been for the friendship of an acquaintance, he would have had to go to jail. It appears that Van Zoeren has had his wife here for treatment for some time and that his son, a boy of tender age, has been playing the part of nurse to his mother. The boy was in court and aroused the sympathy of the court officials. The father wanted him to go out and to see if he could raise the money to pay his fine, but Justice Doty said that this was no errand for a boy and told the father that he must raise the money himself, and that an officer would go with him to guard him."

**RIVER STREET THE SCENE OF
CHERRY PICKERS**

Bad Spill Was Caused By Runaway.

Cherries, cherries, heaps of them, mountains of them! At least that is the way it looked to those who saw them piled up on the sidewalk in front of De Grondwet office, corner River Avenue and Seventh street shortly after the noon hour Friday. A thin windrow of them trailed along for about half a block toward Eighth street. But the bulk of the luscious red fruit was heaped up against the De Grondwet building directly before the door so that the employees had to make a fair-sized jump to get into the building.

The cherries belonged to J. P. Huyzer and it was Lawrence Huyzer who was driving the rig. He had about 30 crates of them on his wagon when the horse became frightened on seeing the steam roller near seventh street on Central avenue. Before the animal was caught it had managed to collide with a telephone pole, an automobile and several other inconvenient objects. Incidentally on the corner of Seventh and River a dozen or more of the crates were spilled on the sidewalk. The wagon was badly smashed and the driver received bad bruises on his arm.

**BOY AND GIRLS TRAMPED
FAR BEFORE BEING CAUGHT**

Rode in Coal Car—Begg Food for the Girls

Allegan, Mich., July 9—Alvah Misner 18 years old, was arrested here for abducting Laura Craig, 17 years old and her sister, Viola, six years younger from Durand, and all three have been taken back to Shiawassee county. After luring the girls from home, Misner walked with them to Grand Ledge. There they got into a coal car and rode to Grand Rapids, whence they walked to Dor, where they were completely exhausted. Misner kept the girls secreted all the way and begged food of the farmers, and the authorities were unable to locate them.

There is a movement underway to change the route of the West Michigan Pike north of Saugatuck and a petition has been submitted to have the route extended on north from where the proposed route now turns east on the State road. If this change were made it would extend through Laketown and connect with the pike now built in Ottawa County, a little east of Jenison Park.

Dr. and Mrs. E. J. Strick are on their way from Amoy, China, to this country. They have been stationed in Amoy as Reformed church missionaries. Dr. Strick having been medical missionary in a hospital in Amoy. Mrs. Strick's health gave way which has necessitated the return to this country.

Dr. Strick was formerly of Forest Grove. He is a graduate of Hope College and of Rush Medical College, Chicago. For a number of years he was instructor in Rush Medical college.

The greatest cherry crop in many years is now presenting a problem to the fruit men in the fruit belt. The trees are weighed down with rich red fruit and a trip through the country at this time is one of interest to the most prosaic tourist.

This week, the sour cherry crop will be at its height. With such an abundance of fruit the market is low.

**MRS. G. J. SPEET VICTIM OF UN-
EXPLAINED ACCIDENT; SHE
BURNED TO DEATH**

Was Alone In the Kitchen When Her Clothes Catch Fire; Death Came Several Hours Later

As a result of very bad burns she received Thursday morning in some manner not thoroughly explained, Mrs. G. J. Speet of R.F.D. 1, died Thursday noon at her home. Members of the family do not know exactly how Mrs. Speet's clothes caught fire as she was alone in the kitchen, but it is believed that a spurt of flame shot out at her from the stove. She was found by her children and when the flames had been extinguished she had been so badly burned that there was practically no hope for her recovery. Dr. H. Boss and Dr. W. G. Winter were called in, but they could do little beyond relieving her suffering.

The deceased was 55 years old. She is survived by her husband and three children, Mrs. Henry Rutgers, Miss Dena Speet and Stephan Speet, staying at home.

**SIXTEEN-YEAR-OLD LAD LOSES
HIS LIFE WHILE IN
SWIMMING.**

Was Employed On One of the Vessels of the Indiana Transportation Company.

The Kalamazoo river at Saugatuck claimed another victim Friday afternoon when George Eagle, about sixteen years old, was drowned while in swimming. It is supposed that the boy was overcome with cramps. He was in the water about fifteen minutes and when the body was recovered Dr. W. B. House of Saugatuck worked over it for about an hour and a half trying to resuscitate the boy but his efforts proved unavailing.

The boy was employed in the kitchen of one of the vessels of the Indiana Transportation company plying between Saugatuck and Chicago. Very little is known about him as he was not well known in Saugatuck. About 4 o'clock he went in bathing and it was but a short time afterward that he went down.

It has been learned that the dead boy's father lives at 1032 Greenfield avenue, Milwaukee, and a telegram has been sent to him apprising him of the boy's death. No disposition will be made of the body until the parents are heard from.

BIG SHOW COMING

The Children Will Enjoy It.

"Yes, the children wanted to come, and after much persuasion I consented to bring them."

How often has every American heard this remark in the menagerie tent of the Circus? Sometimes the speaker was perhaps a crusty old bachelor, who had escorted his little nephews and nieces to see the weird beasts of the jungle. Again, it was the proud parents whose face beamed with paternal or maternal love, as the case might be, while watching the antics of the future congressmen or future stately matrons of society, as they beheld the swaying, ponderous form of the elephants. Of course, the old folks care not for the menagerie. Far be it from the average man or woman to admit that he or she cares to tread the tanbark or sawdust and watch the wild animals parading up and down their cages. This form of entertainment does not appeal to the adult. That is why many who are not blessed with children go to the circus. They want to see the show in order to tell the neighbors' children about it, or write to some little ones in another part of the country in order to delight the sunshine of some household. No the old folks do not care for the bareback riders, the clowns and the hundred and one attractions of a three-ring circus. Still they go every time that they have a chance, and usually they remain when the announcement is made: "You can now secure your tickets for the grand concert as our gentlemanly agents pass among you." One American circus has just completed a five-year tour of Europe and the continent. Kings, Emperors, dukes, lords, duchesses and queens drank red lemonade and those of royal birth who had no little ones went simply to enjoy the antics of the children and others.

(The Robinson Famous Shows regard the attention and care given to ladies and children as the first consideration. The circus is distinctly American. Side show wonders never run out. One freak follows another; there is always some extraordinary feature in the annex to interest every one.

The big shows will be here on Thursday, July 15.

PLENTY MORE LIKE THIS IN HOLLAND

Scores of Holland people can tell you about Doan's Kidney Pills. Many a happy citizen makes a public statement of his experience. Here is a case of it. What better proof of merit can be had than such an endorsement?

Mrs. L. Gaze, 91 W. Eighth street, Holland, says: "Pains in my kidneys and lameness across my loins made it hard for me to straighten after stooping. I also had trouble from the kidney secretions. Two boxes of Doan's Kidney Pills removed the backache, corrected the kidney weakness and benefited me in every way." (Statement given May 11th, 1909.)

OVER TWO YEARS LATER, Mrs. Gaze said: "I have enjoyed almost complete freedom from kidney trouble since I used Doan's Kidney Pills. I take them occasionally as a preventative."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Gaze had. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.

**Blindfolded
Tire Buyers**

This is to point out the way to the light.

Tires which seem identical are often most unlike. There are dozens of standards. The fierce competition compels many a compromise, affecting what you seek.

**Features Which
Cost Millions**

Goodyear Fortified Tires have five great features found in no other tire. They have others which are rare—hidden features, never missed until the tire meets trouble.

These Goodyear extras, on this year's output, will cost us \$1,635,000. Our 1915 improvements alone will cost us

\$500,000 yearly. And nearly all for things you never see—things you never miss until the tire falls down.

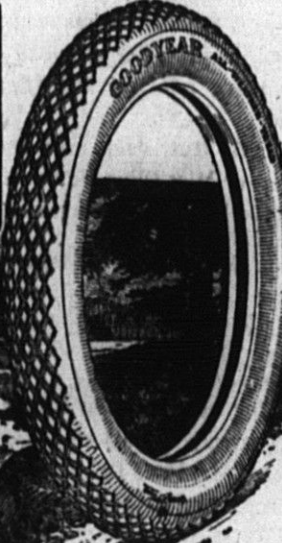

Yet our late price reduction saves our users about five million dollars this year. And that was our third reduction in two years, totaling 45 per cent.

How to Judge

Judge tires by the maker. Judge them by known features. Each exclusive Goodyear feature combats a major trouble.

Judge, above all, by records. Not by mere good luck or mis-hap, but by Tiredom's general verdict. In its 16th year the Goodyear tire far outsells any other. It has outsold for years.

By any measure you can use, Goodyear tires are best. Adopt them. Any dealer will supply you.

In this chest you have an excellent remedy for Toothache, Bruises, Sprains, Stiff Neck, Backache, Neuralgia, Rheumatism and for most emergencies. One 25c bottle of Sloan's Liniment does it all—this because these ailments are symptoms, not diseases, and are caused by congestion and inflammation. If you doubt, ask those who use Sloan's Liniment, or better still, buy a 25c bottle and prove it. All Druggists.—Adv. 3.

OUR STATE CAPITOL IS DUTCH— AT LEAST THE NAME IS

Lansing Means Land-Sink Or the Dutch For Sinking Lands.

The Christian Intelligencer has the following interesting item showing how the State Capitol, Secretary of State and several counties throughout the United States by the name of Lansing have their name derived from the Dutch.

The story follows:—
“With the record of eleven pages in the United States—counties, towns, villages and one state capitol, named Lansing; with sixty-nine men of this name in the New York militia or Continentals in the Revolutionary War; with a half dozen ministers in the Reformed church records of like name, and several of the manuals of other denominations showing something like the same; with illustrations specimens of the manhood and womanhood of the family in the missionary field; and one now holding the office of Secretary of State in the Presidential Cabinet, in succession to able ancestors in both New York and New Netherland, the Lansing clan may well rejoice along the whole line. This line extends far away into the old land behind the dykes. The Lansings, in their history, have illustrated the truth of Proverbs 22:29—“Seest thou a man diligent (skillful) in his business? He shall stand before kings; he shall not stand before men (obscure) men.” The Lansings, now associated with things high, took their name first in the medieval Netherlands, from the low, or alluvial land, on which they dwell; for land-sink and Lansing or low land, are not far apart in form or meaning. In Holland, the name is still spelled Lamsink, and one of the most honored missionaries in South Africa, with successors, bore this name, though he also wrote his name Lansing. Not least among the migrations of the stock was that from New Jersey, about 1817. From Holland, the apple was brought, grafted on Indian stocks and cultivated into the famous Spitzbergen. Thence, brought to Lansing, in Tompkins County, N. Y., by people of this clan name, the evolution seems complete in the “King appel of Tompkins County,” the summit of appledom, and so sought after in Great Britain and the United States. The original Cayuga Indian tree trunk on which the first “king” was ripened, stood until a few years ago.” W. E. G.

WEST MICHIGAN PIKE TOUR NOW ON.

Tourists Pass Through Holland Monday After Holding Meeting Here; Are Royally Received Along the Route; Progress Made in Road Building.

The West Michigan Pike Tourists arrived in Holland Monday afternoon on schedule time and after a short stop they continued on their way north along the Pike. The tourists stopped for lunch at Hotel Macatawa and were later given the freedom of all the walks in the park to drive through with their automobiles by Swan A. Miller, president of the Macatawa Park association.

Ottawa county figures quite prominently in the Pike association. President, Wm. H. Louitt of Grand Haven, while Dr. Wm. De Kleine the first president of the association was also a resident of that city. Louis H. Conger, the secretary, now of Muskegon, was formerly of Holland. Wm. M. Connelley of Spring Lake is the Ottawa county vice-president of the organization. The Allegan county vice president is William R. Takken of Saugatuck.

Five cars pulled out of St. Joseph for the 1915 tour over the pike from St. Joseph to Manistee with a total mileage of 635 miles. They were piloted by President William H. Louitt of Grand Haven, Lester Clark of Grand Rapids, B. H. Sherwood of Watervliet, G. W. Young of South Haven and Austin Harrington of Holland. The last three named are vice-presidents of the Pike association. Besides those named the following were in the party along the tour: Hon. G. J. Diekema, of Holland; Philip T. Colgrove of Hastings, president of the Michigan Good Roads association; Samuel H. Ranch of the Ryerson library; Charles Collier of the Fruit Belt; Paul A. Leake of Michigan Woods and Forests; George C. Schroeder of Grand Rapids; L. H. Nelson of Cadillac district engineer for the state roads department; John I. Gibson of the Western Michigan Development Bureau; Secretary Water K. Plumb of the Grand Rapids Association of Commerce; L. E. Boyles, federal bureau of roads, Washington, D. C.; State Highway Commissioner F. F. Rogers, Lansing; Assistant Highway Commissioner, Wm. W. Cox, Kalamazoo; Congressman J. C. McLaughlin, Muskegon; E. W. Booth, jr., Grand Rapids Press; Charles Collier, Grand Rapids; Paul A. Leake, Grand Rapids Association of Commerce; S. H. Ranck, Grand Rapids; George Schroeder, Grand Rapids; Henry Rebertsch, Grand Rapids; official bugler, Louis H. Conger, of Muskegon and John I. Gibson of Traverse City, secretaries of the Pike association.

The Pike tourists were given a royal escort out of St. Joseph by several automobile loads of good roads enthusiasts and out of every city where the tourists stopped they were met by automobile parties that escorted the tourists into the city. At Muskegon and Ludington the tourists were met by bands. Grand Haven had the largest turnout of automobiles, 35 machines having met the tourists out from that city. Near Holland eight automobiles met the tourists and escorted them to this city. The meeting held here was under the direction of Austin Harrington.

Since the tour of last last year considerable improvement has been made in the Pike road and the tourists this year found the riding much more pleasant. All along the route miles of road has been improved. The road between Holland and Grand Haven has been improved and opened up for the first time for the Pike tourists and a good road now connects these two cities.

VEHICLE ORDINANCE TOOK EFFECT YESTERDAY.

The new vehicle ordinance passed by the council went into effect Wednesday of this week. One of the most important laws of the ordinance is the requiring of dimmers on automobile lights. Other provisions are that an automobile must not be parked within 15 feet of a fire hydrant, not to turn in the street without first being sure that the movement can be made in safety, signal traffic officer direction driver wants to go.

NEW FIRE DEPARTMENT WORKS FINE

Pennville has cause to be proud of its fire fighters and new water works. Both had their first test about 2:30 in the morning when a passenger from the south-bound train discovered the Wade Brothers' barn on Maple street to be in flames.

In just eight minutes from the first alarm two streams were playing on the fire and the Marron millinery store located only eight feet from the barn. The store was saved with some damage to the goods by moving them out. Loss to Wade Brothers will be about \$300. The flames were subdued within 20 minutes after discovery.

MARTIN HIEFTJE PLEADS NOT GUILTY TO DESERTING MINOR CHILDREN.

Zeeland Man Must Answer Serious Charge.

Martin Hieftje of Zeeland was arrested Tuesday by Deputy Sheriff H. Harrington on a charge of deserting his two minor children. Hieftje was lodged in the city jail and yesterday morning he pleaded not guilty when arraigned before Justice Sooy. The trial was set for next Monday afternoon at 2 o'clock in the city hall. Hieftje furnished bail of \$100 and was released pending trial. Complaint was made by Mrs. Hieftje.

When arraigned yesterday Hieftje said that he wished to turn over a new leaf and that he would try to win back the favor of his wife and to care for his children.

MRS. JONES OF NEW YORK CITY Special Demonstration Saturday, July 17.

Has no greater cooking convenience than you can have on the farm or in the village.

Cooking in a hot stuffy kitchen on a sizzling hot wood or coal range in summer has probably made more women discontented with farm or village life than any other one thing. She thinks of the gas stoves the city folks can cook on. We have a joyful message for these women. The Detroit-Vapor stoves work just like a city gas stove, so you do not have to be without the convenience of a city gas stove any longer, no matter where you live. No storage or pressure tanks needed. You can put the stove in any part of the kitchen. Simply light the burners and the stove is ready to cook on. We invite you to look at them, and we will give you a little book showing the different styles and sizes.

Special Demonstration Saturday, July 17.

There are hundreds in use in this vicinity giving entire satisfaction. To be convinced, ask a user.

HOLLAND SPANISH WAR VETERANS START MOVEMENT TO ORGANIZE RIFLE CLUB

Will Be Part of National Organization; Formed to Encourage Rifle Practice

The Spanish War veterans of Holland have started a movement to organize a Rifle club in Holland which will become a part of the National Rifle Association of America and is to be enrolled as an affiliated organization of the third class civilian. The club in Holland will be launched with a membership of 30, and after the government rifle club application has been sent to Lieut. Albert S. Jones, General Secretary of the National Rifle association of America, Washington, D. C., and approved, as it very likely will be, then other members will be accepted.

The United States government will furnish the club with army rifles that throw a 30-30 steel bullet and will also furnish 120 rounds of ammunition to each man yearly. The guns to be used are the ones that were used in the Spanish-American war, and the government has a good supply on hand.

It is understood that there are no special obligations for war service upon the members of the Government Rifle clubs. But the object of the organization is to encourage military rifle and pistol shooting. Then in case of war The United States government would have thousands of expert marksmen in the country that it can call on to volunteer for military service although the members of the rifle club are not compelled to enlist in the army if war is declared any more than any other citizen. Any citizen of the United States over 16 years of age can become a member of the organization.

The club must secure a suitable rifle range and take regular target practice. The guns are of high power and would easily kill a man at two miles. Target practice will be held on ranges of 250 yards, 500 yards, 750 yards and 1000 yards, or practically the same target practice that soldiers in the regular army are given. All rifle and revolver competitions held by the club will be governed by the rules and regulations as laid down by the National Rifle association, approved by the National Board for Promotion of Rifle Practice and by the Secretary of War. All scores of competition must be sent into the head officers of the National association.

There are already a great many of these rifle clubs in cities throughout the United States. Grand Rapids has a rifle club of over 250 members. A general call for membership has not been made in Holland or will not be made until a charter organization of 30 members is completed. Martin Vander Bie has charge of the work of securing charter members. So far twenty-three have been taken in to be charter members of the local club. After six more are secured the list will be closed and a meeting will be held at which time officers will be elected. The secretary will then send in the application to become part of the National organization.

The following are the present members: R. B. Champion, Charles Vos, C. Van Dyke, L. Kamerling, B. Veneklasen, J. Homfeld, George Moomey, Herman Woltman, Gerrit Klassen, B. Ham, M. Vander Bie, Anthony Westrate, F. E. Dulyea, Eugene Fairbanks, Dave O'Connor, Jack Wagner, Cornelius Steketee, Sr., Cornelius De Waard, D. J. Heijfje, S. A. Verwey Cornelius Sandy, Ernest Kleis and Thomas Venhuizen.
