How to Judge a Phonograph

Follow This Way of Brunswick Owners

Before you buy a phonograph, we suggest hearing several. It will be to your advantage to make tone tests for yourself.

Please do not think that this is difficult or that it takes a musically trained ear.

In over 300,000 homes music lovers enjoy The Brunswick because they have followed the above advice. Critical people have chosen Brunswicks because they have come to appreciate the betterments afforded by the Brunswick Method of Reproduction.

You need only hear The Brunswick play several selections—you need only compare it with one or two other phonographs and you will appreciate the tone qualities brought about by the Brunswick Method of Reproduction.

EXPECT TO SAVE \$25 A DAY ON THE STREET SPRINKLING

COUNCIL ORDERS PURCHASE OF MOTOR SPRINKLER AS AN ECONOMY MEASURE

Not to Exceed \$7,500.00 in Cost; To Be Here About August Fifteenth

Holland is to change its street sprinkling system. After the middle of August the whole job will be done by one motor driven sprinkler instead of by five horse driven wagons. By this change the city, according to the figures gathered by the streets and crosswalks committee, will save \$25 a day for every day that streets are sprinkled. The new sprinkler will cost about \$7,500, and the committee has been authorized to buy one at a price not to exceed that figure. The committee was very enthusiastic about the saving that could be made in this way and they have been promised that the sprinkler can be delivered by August 15. That will mean that even during the balance of this year some \$1300 can be saved on street sprinkling.

The committee brought in the following report, on the strength of which the sprinkler was ordered purchased:

July 21, 1920
To The Honorable the Mayor and Common Council of the City of Holland.

Gentlemen:—Your Committee on Streets and Crosswalks, having been given permission to investigate motor driven street flushers and sprinklers, cost of same, cost of operation, and satisfaction given by them, beg leave to report that they have carefully looked into the matter, and find that cities having them in operation are very enthusiastic about them, and recommend their use very highly.

According to the best information we can get, the following is the cost of operation of a 1,000 gallon motor driven sprinkler and flusher for a period of 9 working hours.

Oil for the two motors, 3 pints, .21	
Labor, 9 hours at .60.....	5.40
Gasoline for the two motors	
12 gal. at .28.....	3.36
Tire cost, based on guaranteed mileage of 8,000 mi.....	2.02
Interest at 6% on \$7500.....	1.24
Depreciation at 15% per annum 3.08	
Up-keep, repairs, etc. at	
\$225 per annum.....	.63
Total.....	\$15.94

According to figures received from cities using motor driven outfits, the flushing which it takes us 9 hours to do with a horse-drawn flusher, can be done in about three hours with a motor-driven outfit. We are also advised on good authority that the motor-driven sprinkler will replace at least four horse drawn sprinklers. Then the flushing and sprinkling with a motor driven outfit and one horse-drawn sprinkler will cost \$15.94 for sprinkling nine hours with motor-driven sprinkler; \$5.31 for flushing three hours with motor-driven flusher; \$8.55 for sprinkling with one team; totaling \$29.80 per day.

Our cost for sprinkling and flushing at present is 54 hours teaming at \$95 per hour, \$51.30; Interest at 6% on \$5000, \$.82; Depreciation at 15% per annum, \$2.05; Up-keep, repairs, etc. at \$225 per annum, \$.63; total, \$54.80.

Then according to these figures which are based upon information received from cities which are using motor driven sprinklers and flushers there would be a saving to the city of Holland of \$25 for every day the flusher and sprinkler was operated.

Your committee has gone into this matter very carefully and have endeavored to get reliable and accurate information regarding motor driven sprinklers and flushers, and we hope that the information given in this report will receive your thoughtful consideration.

Respectfully submitted,
Com. on Streets and Crosswalks,
Nick Kammeraad,
P. Brivee,
Peter G. Damstra.

Manistee was swept by a 1,000,000 fire last night, destroying the mammoth Buckley & Douglas saw mill and salt works. Five hundred volunteers joined the fire department in battling the flames. At least 300 men will be out of employment. This is the last of the lumber industry at Manistee, a city that at one time had 50 saw mills.

C. ST. CLAIR LEFT HEAVY DAMAGE

FIGHT INSURANCE CO. FOR THE WORKINGMAN'S COMPENSATION

Was Injured While Lifting a Piano For the Meyers Music House

C. St. Clair of this city has been an invalid for sometime caused it is alleged thru overlifting, while moving a piano.

Mr. St. Clair was in the employ of the Meyers Music House of Holland at the time, and he and Frank Swift were ordered to move a piano on the second floor of a building in Byron Center. In so doing, St. Clair strained himself to such an extent that a blood vein in his head burst and he has been rather helpless ever since.

The Meyers Music House is protected by insurance and the company immediately fought the case, claiming that they paid no indemnity for overlifting, but had Mr. St. Clair received injuries while moving the piano caused thru a broken rope, a broken timber, a falling piano, or any number of causes that might emanate from such moving, then Mr. St. Clair would be entitled to damages.

When the case came up for the first time nearly a year ago, the local arbitration board decided against Mr. St. Clair and for the insurance company. Mr. St. Clair thru his attorney Fred T. Miles took the matter up with the State Board at Lansing and this Board decided in favor of Mr. St. Clair. The insurance company not being satisfied with the decision of the state board carried the matter up to the supreme court and yesterday this court rendered a verdict in favor of Mr. St. Clair and thus sustained the findings of the State Board and consequently rejecting the verdict of the local board.

The insurance company will therefore have to pay to Mr. St. Clair of this city one half of his weekly wages which was \$20 a week at the time when this accident at Byron Center took place. This payment will have to be made covering the time of his confinement which has been since June 20, 1919, and the end is not yet.

Attorney Fred T. Miles and Raymond Visscher of Holland handled the case for Mr. St. Clair, while the company had their own attorneys in the case.

HOLLAND MINISTER'S SON BREAKS AN ARM AT GLENN, MICH.

FELL OUT OF HAY LOFT ON A CEMENT FLOOR

Philip Cheff, thirteen year old son of Rev. and Mrs. Paul P. Cheff of this city went out with several other Holland lads to pick cherries at Glenn in Allegan county.

The boys at night were hustled in the hay loft of a barn on the premises and slept in the fresh new-mown hay.

Philip Cheff, however, while asleep slid from the hay on the second floor of the barn to the cement floor below, breaking his wrist in two places.

The lad was also bruised about the head and body. Dr. Brunson of Ganges was quickly summoned and gave the boy first aid. He brot the boy to Holland by automobile and Dr. Winter of this city took charge of the case. This morning the boy is resting easily at the home of his parents at Hope church parsonage on West 11th street.

FORMER HOLLANDER A BIG FARM MANAGER

HOLLAND BOY WORKING ON A FARM IN INDIANA

C. W. Blocker whose family lives in Holland and whose children attend Hope College was in the city for a few days this week on a visit.

In conversation he told a representative of this paper that he was cultivating a large farm just outside of South Bend, Ind., and that he was manager of one of the farms run by Plowaty-Steenburg & Co., big produce dealers.

The farm Mr. Blocker is managing has 85 acres put to onions, 45 acres to cabbage and 15 acres to celery and 40 acres to various kinds of garden truck making 185 acres in all.

This company has an acreage in Michigan of over 3600 acres all put to garden truck. On the South Bend farm four Holland boys are employed. They are George Steketee, son of the former alderman, Anthony Ver Hey, Berrel Van Dyke and Henry Oosting. Mr. Blocker states that the Holland boys make excellent farmers.

Marinus Van Putten of Grand Rapids was in the city calling on his customers.

At the annual business meeting of the Ottawa County Building & Loan Association, Otto P. Kramer, Louis Vanden Berg, C. W. Nibbelink and Thos. Marsille were re-elected as directors for the full term. A two and a half percent dividend was declared for the six months ending on June 30.

Miss Mary Browning of Battle Creek is a guest at the home of Mr. and Mrs. C. M. McLean.

REFLOOR BRIDGE

BETWEEN ZEELAND AND HOLLAND CITY

Work has been begun by contractor C. M. Blakeslee upon the laying of a new concrete floor on the bridge between Holland and Zeeland. During the actual operations the bridge will be closed to traffic and a detour on River Street until a point directly south of Zeeland is reached from which place traffic will be routed straight into Zeeland. Contractor Blakeslee will lay one half of the flooring on the south Ottawa bridge and then return to the work being done on the Vrieeland hill. After competing that job within about three week, the other half of the flooring will be completed.

There were 89 births and 54 deaths in Ottawa county in April. Of this number Grand Haven contributed 12 births and 6 deaths while Holland had 21 births and 8 deaths.

BASE BALL PARK IS FOR USE OF ALL THE PEOPLE

COUNCIL ESTABLISHES THIS PRINCIPLE AT MEETING LAST NIGHT

Park Is Transferred to the Jurisdiction of the City Park Board

That the Water Works Ball Park belongs to the whole people of Holland and not to any single base ball organization was the principle vigorously established by the common council at their meeting on Wednesday night. It was charged by Ald. Blue and Ald. Prins that the scrub teams had been prevented from playing on the ball grounds by persons acting for the Holland Independents, that they had been turned away from the park and even chased off the grounds.

The aldermen made a vigorous fight to have it understood once for all that if the city is to maintain such a park it is to be open to all teams at all time except at such times as a scheduled game is to be played by the Independents when they can have the use of the grounds.

The first step taken to secure action was to transfer the grounds from the oBoard of Public Works to the Park Board. This was done at the request of the board of public works. That board is not engaged in work of that particular class and Mr. De Young for the board pointed out that the ball park did not belong under the board's jurisdiction but properly belonged to the park board. Hence the transfer was made.

It was thereupon decided that the chairman of the committee on the buildings and public property get into touch with the park board immediately and make some arrangement whereby the ball park will become available as a play ground for all the people instead of for a few. What plan will be worked out has not yet been determined, but it is likely that some custodian will be appointed who will have the say in the matter and who will grant the use of the park to scrub teams as well as to the Independents or other professional or semi-professional teams that may ask for it.

ARE THERE UNLICENSED TAXIS IN HOLLAND?

How many licensed taxis are there in the city of Holland? Some of the aldermen wanted to know this at a meeting of the council Wednesday night. They intimated that certain parties were operating taxis without having taken out a license. The council decided that this was not in the jurisdiction of the aldermen as a body but that it belonged to the police department. If such taxis are operating the officers are expected to make arrests as per ordinance and deal with the drivers as they would with any person who violates the traffic ordinance of the city.

FORMER HOLLAND CITIZEN BOOSTS CITY

HAS NOT BEEN HERE IN TEN YEARS—SEES WONDERFUL CHANGES

Mr. Fred Noble former bandmaster of this city has been away from Holland for at least ten years and in speaking to a representative of this paper he simply couldn't get over the fact that Holland had made such tremendous strides in the way of building during his absence.

Said Mr. Noble: "When I left for Stevens Point Wis., a little over ten years ago, there were only a few brick blocks on the north side of Eighth street, now it is filled. The south side of the street has especially improved. There was no Boter Block, Fris store, New Fruit store, or a Pieper Jewelry store. Peter Brown's blinds were still up and the old barber shop in the Kuite building was going full blast. You had no city hall or postoffice, nor a new high school, and the south end of the city stopped about 16th street. Your new banks and factories across the bay have all come since I was here before.

"Holland is all changed and I want to say that a young man who has a good job or a man who runs any kind of business with fair success, is foolish to leave Holland. I know, I am employed in Chicago and were it not for my son who is in the university there, I would be out of that place long ago."

Holland people with their many fine homes, beautiful streets, fine drives and wonderful lakes and resorts, have no idea what they really possess. I was the same way once, but an absence from it for a number of years has opened my eyes to all these things and also to the steady, healthy, dependable development that Holland is undergoing.

HOLLAND FAIR

LOSES PRESIDENT
ON SATURDAY

The Holland Fair association lost its president Saturday when death came to Otto Schaap at his home in Zeeland as a result of three strokes of paralysis that he suffered during the past three weeks. Mr. Schaap had been in robust health until a few weeks ago when he suffered the first stroke. Since then he has been in a critical condition and his death was not unexpected.

The deceased was 59 years old. He was born on the old Schaap homestead in East Holland and spent his boyhood there. At the age of 23 he went west to seek his fortune in a new country. He settled in North Dakota and until 1902 farmed there very successfully. While he prospered in a business way, he took a prominent part in the politics of the county in which his large farm was located, serving as county treasurer for a number of years.

Selling his farm in Dakota, he came back to Michigan with his family settling in East Holland. He moved to Zeeland in 1912, serving the city as alderman for five years. In company with his brother, Arie Schaap of Holland township, he engaged in an extensive horse importing business. Thoroughly familiar with western conditions, they bought up horses in the western states on a large scale and sold them to farmers in Michigan.

He has been connected with the Holland Fair association for the past eight or nine years, first as director and later as president. In the latter capacity he served the Fair ably and that institution losses an able executive. Austin Harrington, who was named vice president at the last election, will now serve as president until the next annual election.

The deceased is survived by his wife and four children, Mrs. D. Bolter, Cornie Schaap, Jeannette Schaap and Edward Schaap. The funeral will be held Tuesday afternoon at 1:30 from the home and at 2 o'clock from the 2nd Reformed church in Zeeland, Rev. Benj. Hoffman, Rev. P. P. Cheff and Rev. H. Harmelink, officiating.

SIMON KLEYN TO
CAMPAIGN FOR
LEGISLATURE

Simon Kleyn of Holland will be a candidate for the Republican nomination of representative in the state legislature from the first district of Ottawa county, which includes the cities of Grand Haven and Holland and the townships of Grand Haven, Holland, Olive and Park. Mr. Kleyn has nominating petitions filed and his friends have begun their campaign for his nomination at the primaries on August 31.

Mr. Kleyn is serving his sixth year as a member of the board of supervisors from Holland city, and for several years he has been a member of the finance committee of that body. He is also serving on the committee of infirmity and poor. Mr. Kleyn is a member of the board of public works at Holland and for many years has been active in public affairs in his home city.

In stating his ideas in connection with the announcement of his candidacy yesterday Mr. Kleyn declared that in his opinion the necessary elements in proper representative in the state legislature were not only efficiency and equality but alertness as well. Had there been alertness in the last legislature Mr. Kleyn declares, Ottawa and other counties would not be paying portions of the state assessment which should be paid by other counties, whose valuations have increased many per cent. Mr. Kleyn states that Ottawa will pay about \$20,000 in taxes which should be paid by counties, like Wayne and others which have increased their valuation tremendously since the last state equalization. The state legislature, he says, passed a bill authorizing state equalization but failed to make the equalization mandatory on the supervisors. Therefore the old equalization stands, Mr. Kleyn says, and the amounts which should be paid by other counties will affect the first district about as follows: Grand Haven city \$2200; Holland city, \$5200; Grand Haven township \$200; Park township, \$800; Holland township \$1800; Olive township \$600.

G. W. Kooyers who has served his third term is also a candidate.

HAMILTON
The funeral of Mrs. Herman Rutgers was held Wednesday afternoon, Rev. Heemstra of Holland also Chas. Raith of Diamond officiating. Burial was made at Hamilton cemetery. She is survived by her husband and one child.

SHERIFF MAKES

ANNUAL REPORT TO
STATE OFFICE

Interesting facts are contained in the annual report issued by the sheriff's office at the county seat to state officials at Lansing. The report has just been completed and sent on to the state capital.

It shows among other things that there were 185 prisoners kept in the jail for the fiscal year ending June 30. The number of males incarcerated for felony was 129. There were no women imprisoned for felonies but five were confined for misdemeanors. The total number of days served by all prisoners amounted to 1513. Eleven males under 18 years of age were locked up for felony, and 12 were put behind the lock and key for minor offenses. 12 were committed to the state house of Correction at Ionia.

On of the most interesting facts is the list and number of prisoners as classified according to nationality. This compilation shows that 100 were Americans, three were Germans, six Dutch, four Hungarians, one Arabian, two Italians, two French and one was a Haitian.

Four insane persons were cared for by the institution during the year.

CHILD OF FORMER HOLLAND FOLKS HAD BRAIN FEVER AND TUBERCULOSIS

Marvin Sterken, a four-year old son of Mr. and Mrs. Henry Sterken formerly of Holland, now of New Groningen Monday afternoon died from brain fever, after an illness of about one week's duration. The little fellow had been a sufferer from tuberculosis of the bone in one of his legs for several months, which had tended to undermine his health and left him an easy prey. He leaves his parents and three small brothers. Funeral services were at the home in New Groningen Thursday and interment was made at the New Groningen cemetery.

GREENWICH VILLAGERS
IN TOWN SATURDAY

Holland is a good deal more interesting in summer because of the many resorts in this vicinity than it would be without them. The resorts are an asset to the business men of course but they serve also to add many a touch of color to the streets of the city during resort months that would otherwise be lacking. Many a curious character is to be seen on the streets from time to time that gives an exotic touch to vary the monotony of the usual staid street scene.

Such a little touch was seen Saturday morning by a number of people. Two tall maidens who looked as if they had come straight from Greenwich Village came marching from the boat dock. At the corner of River and Eighth they set down their grips, walked until a store, stocked up liberally on cigarettes, lighted them at the counter clear lighter, and then proceeded on their way happily puffing. They attracted almost as much attention as if they had been in ultra-fashionable bathing suits.

The Grand Haven Postoffice will be overhauled from roof to basement. The interior will be beautifully decorated.

JULY MISSION FESTS TO BE PERMANENT AFFAIRS

The committee in charge of the Patriotic and Mission feast held on July 5 at Bosch's woods near Borculo, met at North-st church, Zeeland, to wind up the affairs of that day's doings on Wednesday evening. After hearing the treasurer's report, it was decided to make this a permanent affair, and accordingly a committee was elected the officers of which for the ensuing year are R. Lamer, president; J. Buter, secretary; H. Klanderma, treasurer.

The association was formed of members of the three Chr. Reformed churches of that city the church at Borculo, and it is expected the church of Crisp will also cooperate in the future. It is the purpose of this association to purchase a grove in that vicinity to become grounds for the annual festival.

HOLLAND BUREAU
JOINS THE EXCHANGE

Three farmer organizations from Ottawa county were represented at the organization meeting of the Michigan State Farm Bureau Exchange. Each one of the three were well enough satisfied with the plan to agree to join the Exchange.

The Holland, Coopersville and Conklin organizations have seen the advantage of being connected with an organization which will do a business of many millions of dollars in a year's time.

Seventy-six organizations were represented, forty-three signed up and the remainder referred the matter to their board of directors for action.

Zeeland is a Farm Bureau organization and will join as soon as it secures a manager. Jamestown is waiting to see how the plan works out and as soon as they can see the advantages it is likely they also will join.

The Exchange is organized as a branch of the State Farm Bureau, so it has the support of the seventy thousand odd members of the State Farm Bureau. Each member of the Co-ops joining must of necessity be loyal to the State Farm Bureau because the two organizations will be working together.

"TIN LIZZIES"

COST \$1450.00
IN INDIA

Abe Stephan or rather Mayor E. P. Stephan and also manager of the Holland Furniture Co. put one over on his boss, J. A. Vander Veen when he purloined a letter from the Vander Veen private letter files. Mr. Vander Veen after allowing his manager to read a very interesting letter, coming as it did from Rev. John Banninga, formerly of Holland and now of India, carefully tucked the epistle away from sight.

The Mayor wanted that letter, however, for the reason that in every detail it is very interesting and because it comes from a man who is well known here, is a Hope missionary, and his wife, to, is a Holland girl (nee Mary Damsen) whose mother resides on Pine avenue.

Mr. Banninga while a student at Hope was first in his studies, was first in baseball and football, was first in oratorical work and now stands just as high as a missionary in the mission fields in India, being head of a native seminary there.

The letter follows below:
Pasumalai, S. India
May 28, 1920

Mr. John A. Vander Veen,
Holland Furniture Co.,
Holland, Michigan.

My dear Vander Veen—I must hasten to tell you how pleased we were this morning to get a letter from Stephan enclosing a draft for \$100 for our work, which he said you had asked him to forward to us. Stephan has always been a good friend to us and we are indeed glad to have this evidence of his continued interest in our work, but our thanks go out to you especially for we know you must have a lot of calls for donations to all sorts of things and when a man gets as far away as we are it takes some interest on the part of his friends to keep them from forgetting all about him.

But after all it's like a baseball game. You'd think the fellow out on the bleachers in the sun wouldn't care to pay to get in but even he doesn't know one of the players personally he enjoys the game and gets his money's worth just as well as the manager who is running the show. My, haven't I sat on those bleachers myself and yelled myself hoarse when the home team made its winning run. We chaps wait out here in the outfield and sometimes we almost feel that the fellows in the grandstand don't see our work, but when we managed to pull down a fly that looks like a home run for the other team we realize that the boys at home are keenly interested in us as in the battery nearer home.

And it's a great game we are playing. Our little job isn't just standing under a tree and preaching long sermons to half-naked savages. I can assure you, India is right in the center of things these days and we have men here who don't have to play second fiddle to any one. We have fine universities here and they are turning out hosts of graduates every year and the educated Hindu is about as keen a man as you could find anywhere. And business is pushing forward here by leaps and bounds. Since the war all kinds of industrial concerns are being floated and India will soon be a competitor with England in the matter of spinning and weaving. Leather industry too is thriving, while coffee, tea and rubber are making men rich each day. We are getting to be very modern with strikes, women's suffrage, political campaigns and goodness knows what not.

I am supposed to be in charge of a Theological Seminary which has as many students and teachers as that in Holland, but during the last year I have had in addition the charge of a whole district 150 miles long and 50 miles wide with 17 churches, 3 high schools, 3 hospitals, 45 village schools and over 60 preachers. It is a little harder than managing a baseball team but just as much fun. You can imagine that with all this work my most serious task is not selecting a text for next Sunday's sermon. I often don't preach for a whole month, but I keep a couple of stenographers and book-keepers busy to say nothing of all the travelling I have to do to keep an eye on the whole field. But with a motorcycle and good train service I can cover a lot of ground.

During the past year we have been in the Malabar District in charge of the work formerly conducted by the Basel (German Mission) but as all the Germans were interned or sent home the work was taken over by our church and I was sent there to reorganize it and keep it going till a permanent man could be found. He is coming out in July and we shall then return to our former work here in Pasumalai. I must go back to Malabar for a month before moving back here. But when we get back here we shall have not only the seminary but also a good deal of district work and administration. During four days in the week I shall be teaching my classes and the rest of the time I expect to be out in the villages inspecting work, conducting special meetings, conferring with pastors and other missionaries and settling quarrels and 101 other things.

I met Ben Rottschaefer a short time ago and he told me about the Ford car he had bought through Henry De Free of Holland at a price much cheaper than we can buy here. The car he is bringing out would cost not less than \$1450 while

Ben expects his to land here costing less than \$1000 with self-starter, shock-absorbers and all. When I get back to Pasumalai permanently I shall need such a car for village work and I want to get in touch with some one in Holland that can help me get it. I have about \$600 in sight for the outfit but will have to raise the rest and then also get some one to buy and ship the outfit as Ford doesn't allow his agent to do so. But that's something I must work out hereafter. But our work is getting so complex that we feel we must have modern methods to make ourselves efficient and to make our time count for most.

But this is getting too long for a busy man like you to read. Let me close with a warm Thank You, John, for you've done us a fine turn. It helps tremendously in what we are trying to do, but also gives us new faith and courage when we see the friends at home stand behind us. A fellow can play the game better when the home crowd is on the sidelines backing him up.

Sincerely yours,
John J. Banninga.

PROSECUTOR'S
REPORT SHOWS A
BIG INCREASE

The semi-annual report for the six months ending June 30 just rendered to the Attorney General of the state by F. T. Miles, county prosecutor of Ottawa discloses some very interesting facts. Foremost among these is the great falling off in arrests and prosecutions for drunkenness and disorderly conduct. The report shows that for the six months ending June 30 there were a total of 129 cases prosecuted by Mr. Miles. Of this number 104 were convicted, eight were acquitted, five were dismissed on payment of costs, ten were nolle prossed, and two were discharged on examination.

In releasing his report for publication, Mr. Miles said: "I call your attention especially to the drunkenness and disorderly cases. Eleven drunkenness and four disorderly. My report to the attorney general for the first six months of 1917 shows 304 cases prosecuted, 27 disorderly and one hundred and nine drunkenness. This was before the prohibition law, became effective. In the next six months ending December 31, 1917 there were 32 disorderly cases and 137 cases of drunkenness. In those days the predominant crimes were drunkenness disorderly conduct and assaults. Under the prohibition law these are almost entirely eliminated an the predominant violation is of the motor vehicle law and the game laws, very minor crimes."

The enormous falling off in public prosecutions since the prohibition law became effective is indeed a remarkable fact. In three years a decrease in the number of prosecutions from 304 to 129, a percentage of more than 100 is startlingly unusual. The largest number of prosecutions for the past six months came under violation of the motor vehicle law. They totaled 58 cases.

Next in the numerical order came violation of the game laws with 12 prosecutions. Drunkenness was the next with seven, assault and battery followed with nine and larceny in next place shows seven prosecutions.

ZEELAND IS TO HAVE
A NEW CHURCH

The congregation of the 3rd Chr. Reformed church of Zeeland are making preparations for building a new edifice for public worship. The members and friends who are able and so inclined are asked to make such voluntary contributions as are within their means. No definite date has been decided on, as yet, for beginning the building operations. The congregation is owner of the large vacant lot on the corner of State-st and Central avenue at Zeeland where it is expected the proposed structure will be built.

Come into our store
and ask for Mr. Edison's
REALISM TEST

It reveals to you the Supreme Realism of the New Edison, the phonograph with which Mr. Edison has challenged the talking-machine manufacturers of the world.

It shows you the charm of music's imagery. It transports you to the far-away. It makes you lose consciousness of your surroundings.

This Fascinating Test

enables you to determine, in an interesting and scientific way, whether the Realism of the New Edison gives you the same emotions as the living singer's voice—as the sound of the actual instrument—or as the performance of great bands and orchestras.

Noted Psychologists

endorse this entertaining experiment as the correct way to ascertain the New Edison's Realism.

You, too, may enjoy this experiment. We invite you to try it.

It will answer, once and for all, your questions, "Can I have the voices of living singers at my beck and call, in my own home? Can I have the great orchestras and bands of the world exactly as they sound?"

Our Budget Plan

Pays for your New Edison by systematizing your entertainment expenditures. Ask about it.

You Control The Michigan State Telephone Company

Your telephone is operated by a company, organized and controlled under the laws of the State of Michigan.

So far as its rates are concerned, it is directly subject to the decisions and direction of the Michigan Public Utilities Commission.

You, through this commission, actually control the telephone service which is so intimately a part of your every day life. Its future success or failure is directly in your hands, because the commission must have your moral backing if it is to deal fairly with the telephone company in the matter of revenues. Sufficient and adequate revenues are absolutely vital to the very existence and the development of the utility. Without them the telephone cannot properly function in the industrial and social advancement of the State.

The close association of your telephone company with the Bell system of America gives you the advantages of a service which is world-wide in its scope. By means of this service, you can, at your will, talk to any one of 13,000,000 telephones in use throughout the United States today.

It gives your telephone company, too, the advantages of the scientific research of the greatest telephone engineers in the world. This research has developed the telephone art in the United States until today it is by far the most efficient in the world. It is daily developing new improvements which will do much to make your service better.

The officers of your telephone company, who are directing its affairs, are Michigan business men, keenly alive to the many problems incident to the development of the State.

And so it is throughout the entire personnel of our company. It is made up of men and women, actuated by no other desire than to do their jobs well and to deserve this great responsibility of giving to the people of Michigan the kind of telephone service they desire.

EMIL H. KLUMPEL

Emil H. Klumpel Republican candidate for sheriff at the primaries, August 31, 1920, solicits the support of the voters of Ottawa county, and if nominated and elected promises to give the people of the whole county the best administration of the office within his power. His record is open to the inspection of everyone. He was born on a farm near Grand Haven and lived there with his parents until he was 24 years old. He worked in the Eagle-Ottawa Leather company in Grand Haven for about five years, and during that time was sent to the company's plant in Whitehall. For nearly four years he has been a member of the Grand Haven city police, and is one of the best known officers in the county. During his term of service he was recommended by City Manager Ellison for his natural qualifications for police work stating that the work he had done investigating and locating complicated cases has demonstrated his ability as a police officer. Mr. Klumpel is going to the voters at the primaries upon his merits and asks the people of Ottawa to give him their support during the campaign and at the polls.

THRILLER BOOKED FOR HOLLAND FAIR THIS YEAR

Announcement was made Wednesday by John Arendshorst, secretary of the Holland Fair association, that a thriller has been booked for the fair this year such as the people of Holland have never seen here before. The Riley Balloon Co., known as America's greatest and most successful aeronauts, have been booked for Holland. They will make balloon ascensions during three days of the fair, working up to a grand climax on Friday. On Wednesday they will make a moderately high flight that will require a single parachute drop, on Thursday a higher flight requiring a double drop, and on Friday a flight for which a triple drop

will be necessary. This drop will be the thrilling climax of the series.

The dates of the fair this year are September 14, 15, 16 and 17. All the indications so far are that the fair will be a successful one if the weather is favorable. The crops in this section this year are extraordinarily big and there will be plenty of chance to make creditable entries.

The famous Fisher's Orchestra of Kalamazoo will again be on hand. This orchestra has been at the fair for a number of years and it has made good with the patrons of the institution. Another feature will be a big exhibit, accompanied by public demonstrations, to be put on by the Ottawa County Farm bureau.

The annual premium book telling all about the coming fair and containing full information about entries, rules and regulations, is now being printed and will be published and mailed to the patrons about August first.

Another feature of interest is the fact that a Bush & Lane Piano, a Buick automobile and a Holland Furnace are to be given away on the fair grounds during the exhibit.

"LABORATORY ON WHEELS" WILL VISIT HOLLAND

The Michigan Health Department's "laboratory on wheels" will begin Tuesday its search among the Michigan Health resorts for unsafe drinking water, unclean milk or unsafe waste disposal. It will start from Lansing and will reach Holland during the next week or two. It is in charge of an engineer, a bacteriologist and an assistant. Before starting for Jackson county, campus demonstrations to summer students will be made at the University of Michigan and the Normal College at Ypsilanti.

"This traveling laboratory and school," said State Health Commissioner R. M. Olin, "will help the summer playground of America vastly increase its profits and its happiness by showing how to insure safe drinking water, safe milk and safe waste disposal. For Michigan to be first in health means tens of millions of dollars brought into our state each year, not to mention the safe and enjoyable vacations for our own residents."

"Because health protection of resorts means enormous business increases, we are to have a conference at the state health offices Tuesday of leading promoters of Michigan's great industry of entertaining vacationers. Among those who will participate are representatives of the Pere Marquette, G. R. & I. and Michigan Central Railroads, H. S. Gray, secretary of the Michigan Tourists' Association, Fred Pant'ind, President of the State Hotel Men's Association, Stuart H. Perry of the Michigan Community Council Commission, and members of the Michigan Department of Health."

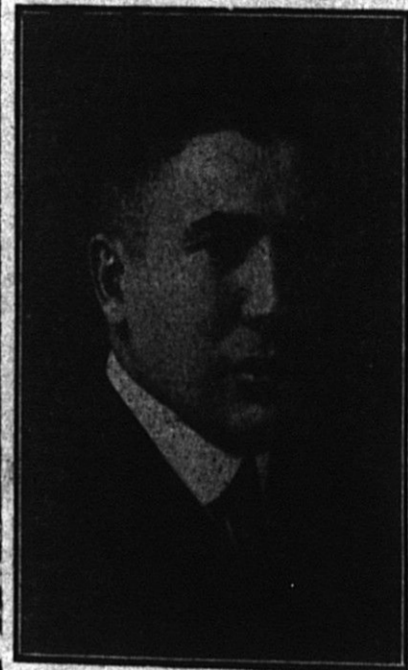

"We shall discuss methods of eliminating the entire resort section in work for safe water, safe milk and attractive sanitary conditions. We know we can wipe out vacation typhoid, because in seven years the cases and deaths have been cut in half."

STATE HIGHWAY DEPT. IS TAKING TRAFFIC CENSUS

In compliance with requests sent out some time ago from the State Highway Department at Lansing the traffic census is being kept on some of the main trunk lines in this state during the months of July and August. None of the roads which run through this city are included in the list and no work will be done here at the present time along that line.

The idea of the census is to determine whether or not the road is sufficiently large and substantial to withstand the traffic which is being sent over it and also to discover if the expenditures made upon the particular highway are justified by the amount of travel over the route.

It is the intention of the State highway department to accomplish the same end on all of the pike lines thru the state. The Dixie Highway the West Michigan Pike will undoubtedly be comprised in the next set of trunk lines denoted for this census.

LEO C. LILLIE

Candidate on the Republican Primary Ticket for Prosecuting Attorney of Ottawa County. Except for two years Mr. Lillie spent in the service in France during the World War, when he voluntarily gave up his practice, he has been City Attorney of the City of Grand Haven for the past five years.

Mr. Miles of Holland, who has held the office for two terms is his opponent at the coming primary August 31st, 1920. On his merit as a lawyer, Mr. Lillie will appreciate your support. He will need your vote, go to the polls and cast a favorable ballot.

PRO-SLATE MAN- UFACTURERS HOLD CONVENTION HERE

Holland was the scene of another convention this week when manufacturers from all parts of the country came to Holland and held programs here. It was a convention of the Pro-Slate Panel Building Manufacturers of America. They were invited here by the Bolhuis Co. and held their meeting in a Pro-Slate building erected on the Bolhuis property in the southern part of the city. While here the members were lodged at Macatawa Park.

There were 16 manufacturers here, representing firms in Dayton, O., Evansville, Ind., Davenport, Ia., Little Rock, Ark., Manistee Mich., Chicago and East Wapole, Mass. It was held after which the night was the manufacturers decided to go to Pro-Slate house building in addition to the erection of garages and cottages.

LOUIS D. BOUWMAN

Louis D. Bouwman candidate for nomination for sheriff of Ottawa county on the Republican ticket at the Primaries on August 31 is 40 years old. He has been a resident of Holland for nearly nineteen years during all of which time he has been in business as a barber on North River avenue.

He is the father of five children and a respected citizen. His past four years experience as constable and deputy sheriff have shown that he possesses all of the qualifications for the office he now seeks. He is careful conscientious and cool-headed and absolutely fearless in the enforcement of the law.

A vote for him is a vote for efficiency.

BAND CONCERT
THURSDAY EVENING

The American Legion Band will give one of its popular band concerts Thursday evening in Centennial Park and many special numbers will be found on the long program. The concerts are becoming more and more popular and Holland citizens look forward to these occasions as a night out and make no other engagements for that evening.

At last week's concert an old Holland Band master was present in the person of Fred Noble of Chicago. For several years Mr. Noble

was the leader of all things in band music in this city. Notwithstanding the fact he had lost one of his legs he marched right along with the rest of them and his cornet could be heard above all others even tho he had but one hand to hold it with while on the march.

Mr. Noble was surprised when he heard the American Legion band

COOKIES and SMALL CAKES

From the NEW ROYAL COOK BOOK

WHEN the children romp in hungry as young bears, here are some wholesome, economical delights that will not only be received with glee, but will satisfy the most ravenous appetite in a most wholesome manner.

Cookies

1/2 cup shortening
1/2 cup sugar
1/2 cup milk
2 eggs
1/2 teaspoon grated nutmeg
1 teaspoon vanilla extract or
grated rind of 1 lemon
4 cups flour
3 teaspoons Royal Baking Powder

Cream shortening and sugar together; add milk to beaten eggs and beat again; add slowly to creamed shortening and sugar; add nutmeg and flavoring; add 2 cups flour sifted with baking powder; add enough more flour to make stiff dough. Roll out very thin on floured board; cut with cookie cutter, sprinkle with sugar, or put a raisin or a piece of English walnut in the center of each. Bake about 12 minutes in hot oven.

Cocoa Drop Cakes

4 tablespoons shortening
1 cup sugar
1 egg
1/2 cup milk
1/2 cups flour
3 teaspoons Royal Baking Powder
1/4 cup cocoa
1/2 teaspoon salt
1 teaspoon vanilla extract

Cream shortening; add sugar and well-beaten egg; beat well and add milk slowly; sift flour, baking powder, salt and cocoa into mixture; stir until smooth, add vanilla. Put one tablespoon of batter into each greased muffin tin and bake in moderate oven about 20 minutes. Cover with boiled icing.

Orange Cakes

4 tablespoons shortening
1 cup sugar
1/2 cup milk
1 egg
2 cups flour
3 teaspoons Royal Baking Powder
1/2 teaspoon salt
1 teaspoon orange extract
grated rind of 1 orange

Cream shortening; add sugar slowly, beating well; add milk a little at a time; then add well-beaten egg; sift flour, baking powder and salt together and add to mixture; add flavoring and grated orange rind; mix well. Bake in greased shallow tin, or individual cake tins, in hot oven 15 to 20 minutes. When cool cover with orange icing.

YOUNG HOLLAND BUSINESS MAN TAKES A BRIDE

A pretty home wedding took place Tuesday evening at the home of Mr. and Mrs. J. W. Bloemendal when their daughter Henrietta became the wife of Peter H. Van Ark. The ceremony was performed under a bower of ferns and trumpet vines by Rev. M. Flipse, the double ring service being used. Miss Henrietta Warnshuis played the wedding march. The flower girls, Margaret Flipse and Evelyn Hilarides carried baskets of daisies, and the ring bearer, Edna Van Ark, carried the rings in roses. Before the ceremony Miss Harriet Steketee sang "Beloved, It Is Morn'" and "O, Perfect Love" and Mrs. Wilson Diekema sang "I Love You Truly."

The bride was dressed in a beautiful gown of ivory charmeuse and satin trimmed with beaded pearls. Her veil was of silk tulle caught with a band of pearls and orange blossoms. She carried a bouquet of roses, sweet peas and swansonia.

During the congratulations Willard Bloemendal played violin solos, accompanied by Miss Henrietta Warnshuis. Master and Mistress of Ceremonies were George Bloemendal and Miss Alice Van Ark. Miss Margaret Muller had charge of the dining room and Miss Louise Williams of the gift room. Miss Henrietta Warnshuis and Miss Harriet Steketee assisted with the decorations. After the congratulations Mrs. Ralph Bloemendal and Mr. Anthony Rosbach read original poems about the marriage. A wedding supper was served.

The bride and groom left Tuesday night on a wedding trip followed by the good wishes of the many friends and relatives gathered to witness the ceremony. They will make their home on West Twelfth street.

Mr. Van Ark is a successful young business man, in charge of the clothing store of Notier, Van Ark & Winter since his return from the army at the close of the war. The bride is popular in musical and social circles and has frequently appeared at public concerts.

MARRIED WEDNESDAY FORENOON AT BRIDE'S HOME

A very pretty wedding took place this morning at 11 o'clock at the home of Mr. and Mrs. John H. Raven when their daughter Rena Eleanor became the bride of Mr. Harold Parsons McLean. The Rev. Paul P. Cheff, pastor of Hope church, read the marriage vows in the presence of the immediate families and near relatives.

Preceding the ceremony, Mr. R. A. Page sang "O, Promise Me," accompanied by Mrs. Page; then as Mrs. Page played Mendelssohn's Wedding March the bridal party appeared.

The bride, who was given in marriage by her father, was lovely in her dainty dress of Brussels lace with a tulle veil caught with orange blossoms. She carried a beautiful shower bouquet of bride's roses and swansonia.

Miss Floy Raven the bride's sister, was maid of honor and was very attractive in shell pink organdie with hat to match; she carried pink roses. Little Baxter McLean, nephew of the groom, was the ring bearer and carried the ring in a rose. Mr. Paul McLean came from New Brunswick, N. J. to act as best man for his brother. Miss Ethelyn Metz acted as Mistress of Ceremonies.

The rooms were decorated with a profusion of flowers, the ceremony taking place before an effective arrangement of palms and ferns, with tall baskets of pink roses on either side.

After the service, a wedding breakfast was served in the dining room where small tables were set, each enhanced with a basket of sweet peas and pink tulle bows. The young ladies in charge of the dining room were the Misses Gertrude Kremer, Katherine McBride, Kathryn Vanderveen, Minnie Ray and Eleanor Aldworth.

Mr. and Mrs. McLean left for a motor trip to the Northern Michigan resorts. The bride's going-away suit was of dark blue tricotine with a modish taffeta hat of the same shade.

The young couple are both graduates of Holland High school. The bride specialized for two years at Hope College, then went to the Western State Normal College at Kalamazoo where she graduated from the kindergarten department. For the past four years she has taught at Lansing. Mr. McLean is a graduate of M. A. C. and is a relative of

with the 328th Field Artillery. They will make Holland their home and have taken furnished apartments at 332 Maple avenue for the summer.

Those from out of town attending the wedding were Mr. and Mrs. Paul Smith, Bay City, Mich.; Mrs. F. Hubbard and Miss Ruth Hubbard, Ottawa, Ohio; Mr. and Mrs. Frederick Raven, Chicago, Ill., and Elan Abbott, of Lansing, Mich.

WONDERFUL PRIZES ARE TO BE GIVEN AT LEGION PICNIC

Saugatuck is awaiting the army of Legionnaires from Holland Thursday afternoon and the town is to be decorated for the occasion.

Great preparations for the occasion have been made by the Willard Leenhouts Post of Holland for this event. Special cars will leave the interurban station at 12:30 and the picnics can return on any train until the last "owl" car at night.

The American Legion Band, together with a Saugatuck band will furnish music for the occasion and at the Fruit Town the Holland and Saugatuck Posts of Legionnaires will join and march to the picnic grounds.

A beautiful spot has been selected at the foot of Old Baldhead and there the elaborate programs will be pulled off.

The boys are especially cautioned not to fill up before they go to the picnic because the commissary department is going to dish up wonderful chow; in fact that part will be an event on this first annual American Legion blow-out. After the eats a sport program has been arranged for and winners in these different events stand to win some very substantial prizes.

A man can even get a hair cut if he can win, or even lose, in a wheelbarrow race. The mayor gives \$5 if a legionnaire can win in a three-legged race, notwithstanding the fact that each man only has two, and some of the soldiers even lost one of those in France. But then there is a way which the picnickers will ascertain when they attend.

Below will be found the list of prizes given by different businesses, the contests to be held and the rules of the game:

No individual to receive more than one prize, but every one may compete in as many contests as desired, prize being given to second man to finish in case first has already received a previous prize.

1. Base Ball Game—Officers and Non. Coms. vs. Bucks—Carton of Camels.
2. Tag of War—Carton Cigarettes—Haas Bros.
3. Cock Fighting, 4 contests, winner each a Durham Razor—Haas Drug store.
4. Mountain Climb—1st, Camera (Coster); 2nd Book (Fris Book store).
5. Swimming Race (Sprint) 1st Sport Shoes (Coster's); 2nd Drinking Cup (Brink's).
6. Swimming Race—Long Distance—1st Sport Shoes, (Sprietmas); 2nd Billfold (Brink's).
7. Band Race—Sextoblade—Nies Hardware.
8. Running Broad Jump—1st Flash Light (De Fouw's); 2nd—Gem Razor (Desburg).
9. Shot Put—1st Everready pencil (Piepers); 2nd Jack Knife (Sprietmas's Hardware).
- 10—Individual T. of War—1st Si-garf Cutter (Hazenga's Jewellery store).
11. Wheelbarrow Race—1st, a hair cut and shave or two (Charter barber shop; 2nd Package of camels a piece.

in the third place Austin Harrington furnished the company with one carload. So that all in all the company now has nine carloads to pull them through. "Coal to burn" as Manager Davis expressed it.

Until 11 o'clock Wednesday forenoon there was every prospect of a famine in gas. To avert that, Mayor Stephan asked Mr. Harrington to let the gas company have the one carload of gas produce coal that he had, and altho it interfered with his own business, Mr. Harrington, in order to prevent a gas famine, let the company have the coal. But this later proved unnecessary when a regular avalanche of gas coal came descending upon the company.

It has been a rather anxious time for the local concern during the past week or so. It was during the latter part of last week that danger began to threaten. Coal had been expected daily, but when it did not come Manager Davis began to worry; and also he began to take special measures. Saturday in guarded announcement was made to the public that trouble might possibly be expected. The situation was really more critical than the average person appreciated. Since then the company the Pere Marquette, Mayor Stephan and City Attorney McBride have been hard at work on the case and they even appealed to the Michigan Utilities Commission. But all danger has been averted and the flow of gas will not be interrupted.

BIG KODAK CO. BUYS GRAND HAVEN MAN'S INVENTION

N. E. Brown Grand Haven inventor of an automatic kite camera device has sold his patent to the Eastman Kodak Co. which held an option on the patent and manufactured the product during the war. The automatic machine was used extensively on airplanes.

Brown's invention made it possible for the pilot of an airplane to photograph desired object without carrying a photographer as passenger and without moving from his seat behind the steering wheel. When the war broke out the Eastman Kodak Co., began manufacturing the Brown device and infringed upon his patent. Negotiations were entered and Brown's patent rights were recently purchased.

Brown used a big hexagonal kite when he tried out his device. The kite stood nine feet high and was tailless. In a stiff wind it required two men to hold it. Very good pictures can be taken with cameras raised to various altitudes with his clever device. The camera he used is an ordinary instrument equipped with a good, fast lens and a speedy between-lens type shutter—G. R. Press.

A bushel of potato salad, six feet of layer cake, 165 rusk buns, 180 cups of coffee, a whole bunch of bananas—this formed the backbone of a beach lunch furnished to those who took part in the business men's outing at Cardeau Beach Picnic grounds Tuesday night. There were other frills but these were the main features. And it was good to the last crumb, according to those who helped to eat it.

HOLLAND WINS TWO- LIGHT GAME

Steggerda Holland's youthful pitcher bested Freeman, Otsego's star in a pitching duel in yesterday's game winning the 3 to 2. A shut-out victory would possibly have been scored had it not been for Spriggs' high peg to second the ball going to center allowing two runners to cross the plate in the second inning.

Steggerda had the best of the pitching argument allowing only 2 scattered hits and striking out eight while Freeman was touched up for 6 hits and struck out five.

Holland evened up the score in the second after Otsego was handed 2 runs. G. Batema led off with a beautiful two-bagger, Woldring's sacrifice was perfectly handled but the play was made on Batema at second when he attempted to go to 3rd. He however again reached second safely when the ball was muffed in a close play. Shaw's sacrifice advanced both runners one base and both scored on Ingham's timely hit over first. The game went along nip and tuck until the sixth when the locals scored the last and winning run on a perfect squeeze play. After Waltz first man up in the 6th had flew out, G. Batema, got his second hit and went all the way to third on Woldring's hit to short center. Shaw laid down a perfect bunt on his third attempt, easily scoring Batema with the winning run.

Otsego looked dangerous in the seventh when the first batter up gained life on an infield error, and started for second when the next batter dropped one behind second, which looked like a safe blow but Ingham came tearing in stuck out his gloved hand and gobbled up the ball before it fell to the ground, threw to first, completing a double play and nipping in the bud the visitor's chance to score.

Freeman's mound work cannot be overlooked as he pitched a beautiful game but allowed the hits to come in clusters. He bears all the earmarks of a coming star.

G. Batema was the only one to solve his delivery for more than one hit and he recorded three out of four times up. Score by innings:—

Holland... 0 2 0 0 1 0 0 x—3 6 2
Otsego... 0 2 0 0 0 0 0 x—2 2 2
Batteries—Otsego, Freeman and Hutchins; Holland—Steggerda and Spriggs. Umpires—Riemersma and Hadden.

LEENHOUTS AGAIN HEADS HOLLAND SCHOOL BOARD

The annual meeting of the board of education for the purpose of organizing for the year was held Monday evening in the city hall. It was a very harmonious meeting and most of the evening was spent in transacting routine business.

Dr. A. Leenhouts was re-elected by a unanimous vote as president of the board; in fact all the elections were unanimous and without any contest. James A. Brouwer was named as vice president, and Henry Geerlings, secretary.

The new members of the board named at the recent election, took their seats, and the new board, as now constituted, was for the first time in six years without a woman member.

HORSES' KICK WORSE THAN DYNAMITE

J. M. King of Alton, Ill., came to Georgetown some weeks ago to visit relatives and friends and to regain his health. He had a severe attack of typhoid fever and when being taken from the hospital in an automobile he was thrown out and suffered from a fracture of his right arm.

At Georgetown his health rapidly improved. Last week he took himself well enough to help his brother-in-law haul in hay but was twice thrown from the load suffering some bruises. In the evening while putting the horses in the stable kicked Jethrow out of the stable door, breaking the bridge of his nose and mauling him up generally.

He next went to see a neighbor and when passing through the barn yard he was attacked by an old sow which was mothering a fine litter of young pigs. She ripped a large gash in Jethrow's leg and would have done more damage had it not been for the neighbor's collie which came to the rescue just in time.

Jethrow took the train for the east Monday. He says he is going to Delaware to work in a powder mill. He thinks it safer than farming.

MISSIONARY TO SPEAK TO THE ROTARIANS

The Rotary Club thru its speakers' committee, has secured Dr. Livingston Warnshuis as the speaker for the regular noon luncheon on Thursday noon of this week. Dr. Warnshuis has served for many years as missionary to China and he has won recognition there not only in the Reformed church, which denomination he represents, but thru out the mission world.

Rotarians are requested to make the audience a good sized one by bringing guests to the meeting.

GOITER BECOMING MORE PREVALENT AMONG RURAL SCHOOL CHILDREN

Statistics show that 345 of 1468 children in rural schools of Kalamazoo county had goiter; 230 were obvious mother-breathers; 638 had enlarged tonsils; 422 had enlarged glands; 408 had eye defects; 651 seriously needed dental care; and 1135 had never been vaccinated. Multiply these totals by 600 and you get an idea of the possible and

"MOCKING-BIRD" EXCITES WONDER OF TOURIST

Because this city is on the direct route between Chicago and the northern resorts of Michigan, Holland these days sees more transients passing through in automobiles than is the case with many other cities of this size in other sections of the state not on the direct line of travel. The autos come from all parts of the country, but especially from western and middle states. License plates from as far away as California, Washington, Oregon and other states in the far west can be seen almost any day on the streets of Holland.

Many of the automobile parties carry their own hotels with them, that is, they are equipped with tent, oil stove, collapsible tables and chairs and all the articles needed for staying out in the open at night and avoiding the high cost of living in hotels. An increasing number of automobiles are seen with tent strapped to the running boards, while a few drag along a trailer, although that method is not as yet very popular.

The West Michigan Pike is the highway that is bringing many of these autoists to Holland, and a good many of them stop long enough to see the sights of the city and form casual acquaintances with people here. And often they see and hear things here that have become common place to the citizens. Today one autoist from Nevada took the trouble to stop his machine and ask a citizen what the weird noise was that was being dinned into his ears. It was 12 o'clock and the "mocking-bird" was sounding. The whistle was explained to him. "Well, I'll be dinged!" he exclaimed; "I have been all over, but never have I heard such a whistle before."

Dr. J. B. Nykerk has left for Chicago on business.

FORMER MISTRESS OF "THE CASTLE," PASSES AWAY

Mrs. Flora Pennell Parr died on Monday morning, July 19, after an illness of only a few hours, at Castle Park, Mich., at the cottage of her sister Mrs. A. H. Barber. She was a daughter of Mr. and Mrs. W. A. Pennell and was born in Granville, Illinois. While she was still a small child the family removed to Normal, Ill.

She was a graduate of the Illinois State Normal University of Normal, attended Vassar College, and was recalled to Normal to assume the responsibilities as Dean of Women in the Normal School. Her work as teacher of English was of a very high order. She served in this position for thirteen years, or until she married Mr. John H. Parr. They opened a preparatory school in Chicago and in 1894 they brought a group of older boys of the school to Macatawa for a camping trip. While there they learned of the Castle, which was not occupied at that time, and "rowing down the shore the party discovered the picturesque building. The spot seemed so promising for a happy camping place that Mr. and Mrs. Parr purchased the property in 1896.

A charming resort was organized with their family and friends about them. From this small circle the resort has grown into one much sought after by people who are seeking a place of quiet and rest among congenial people.

From the first, Mr. and Mrs. Parr cultivated a high moral tone in the little community. Three years ago the property was sold to Mrs. Parr's nephew, Carter P. Brown. The Parr family then located in Louisiana where they have recently purchased a new home. Mrs. Parr expected to join them there in September.

Mrs. Parr leaves her husband and her daughter Mrs. Ralph Miller and little granddaughter Barbara; and her sisters, Mrs. J. H. Carter of Rankin, Ill.; Mrs. A. H. Barber of Chicago; Mrs. Eva P. Brown of Normal, Ill.; and Mrs. Newton Evans of Allegan, Mich.

She was a former member of Hope church, Holland, and a member of the Elizabeth Schuyler Hamilton Chapter of the D. A. R. of this city.

A short service in her memory were held at Castle Park at the sunset hour on Wednesday, among the friends whom she had known many years. The interment will take place at Granville, Ill.

MISS HOLKEBOER WILL SAIL FOR MIS- SION FIELD IN SEPT.

The latest recruits to the foreign mission field are three Ottawa county young women. The trio is composed of Miss Alice Smallegan of Forest Grove, Miss Jean Nienhuis of North Holland and Miss Tena Holkeboer of this city.

Miss Smallegan studied at Hope preparatory school, Michigan Agricultural college, Western State Normal and six months at Dr. White's Bible school. She will sail on the S. S. Korea Marie from San Francisco on Nov. 5 and will take charge of the lace class at Ranipettai, India.

Miss Nienhuis is a graduate nurse of Blodgett Memorial hospital of Grand Rapids. She has been commissioned for hospital work in the Amoy mission, China. She will sail from San Francisco on Sept. 25.

Miss Tena Holkeboer attended Holland school. Hope preparatory school, taught three years, graduated from Hope college in June, was awarded first place in the state oratorical contest for women at Adrian, China, for educational work or Sept. 25. She will sail from San Francisco.

SOME "SUMMER MINISTERS" RETURN

A number of the students of the Western Theological Seminary who spent weeks since commencement in May in various parts of the country in summer charges have returned to Holland. The dignity of the cloth is not interfering with these near-ministers putting the summer to good advantage in a money-making way. A number of them have accepted positions for the Heinz Co. and after seven or eight weeks spent in composing and preaching sermons, they will spend the next seven or eight weeks left of the summer vacation weaving pickles at the salting stations.

SPORTING WRITER LAUDS NEAL BALL

In a column of sporting gossip, contributed to a string of newspapers throughout the country, Grant Rice, one of the greatest sports writers in America, has the following paragraph about Neal Ball, former Holland Independent star: "If you cast your eyes over the box score, you will notice another ex-leg league headliner in the cast supporting Bender. I refer to Neal Ball, hero of the first unassisted triple play, who is galloping around with the bat to the tune of 356—against fairly good pitching too—the last time I saw his averages."

BREAKS COLLAR BONE IN AUTO SMASH

When Dick Dogger was driving home from Saugatuck Saturday night with Herman Beekman and Andy Clark, his Ford wheeled about and struck a telephone post near the Holland Shoe factory on 16th street. The result was that Herman Beekman had his collar bone broken and the "Lizzie" was badly bent in every joint.

After taking an inventory it was found that the windshield was broken, the fenders bent, the radiator broken and an axle must be renewed.

The Ford was hauled into the Ford hospital conducted by Drs. Holleman & De Weerd where Lizzie will be confined for a short time.

VETERAN OF MEXICAN WAR PASSES AWAY

James Scrimger, a veteran of the Mexican War and also a veteran of the Civil War, died in this city at the home of his daughter, Mrs. M. J. Shannon, 317 West 15th St. Mr. Scrimger had reached the ripe age of 94 years and in addition to having the distinction of being the only man in this city who was a veteran of the Civil War, he was the city's oldest resident. He was born in Allegan county, where interment will take place.

Scotland and came to America as a young man.

The funeral will be held Wednesday forenoon at 11 o'clock from the United Brethren church in Casco.

G. R. DRUGGIST WANTS GIRL TO PAY DAMAGE TO CAR

Sunday travelers when going by the store of Alderman Peter Prins, in the 1st Ward might have noticed that the sidewalk in the vicinity was littered with screens and screen doors. They might also have seen the remains of a buggy in the vacant lot nearby.

Well it all happened this way: Miss Hardger of Graafschap had come to Holland to buy some groceries from Peter and incidentally wait for a young lady by the name of Miss Steging of Grand Rapids, who was coming on a late Holland interurban car to spend the week-end.

Her groceries purchased, Miss Hardger tied "Do-Mains" to a telephone pole and took a turn down the street for a peep at Holland's boulevard lights.

At about 11:30 P. J. Haan, a druggist of Grand Rapids came along. He did not see the buggy and smashed into the rear end demolishing the vehicle completely. Not satisfied with this wreck or rather becoming excited he whirled his machine into the grocery of Alderman Prins carrying with it the screens and breaking the door. The entrance was to small however and the machine remained stationary.

Haan claimed he would make the young Graafschap girl pay for his broken fender because the buggy did not carry a red lantern or a light as a danger signal and for that reason he did not see the rig.

Here Peter spoke up: "Well how about my screen door? Must I hang a red light on dat too?"

Old "Dobbins" who was still standing alone hitched and undamaged neighed and shook his head, "Yes, Yes," Peter will paint the new screen red.

HOLLAND WILL BE REPRESENTED AT GRAYLING

A detachment of nearly 30 Grand Haven members of Co. F, M. N. G. left Grand Haven at 5:45 a. m. for Grayling, Michigan, where they will spend a week in helping to entertain guests from all parts of the state who will come to attend a big booster meeting to be held there Saturday and Sunday, July 24 and 25. The Grand Haven boys will go to Grand Rapids taking the G. R. & I. from there for the state military reservation, arriving there during the afternoon. They will immediately make camp and on Wednesday will begin preparations for receiving the visitors who will begin to arrive Friday night.

The object of the meeting is to interest former guard officers and other influential Michigan citizens in the promotion of the National Guard in the state. Grand Haven is one of the few cities in the state which has organized and is maintaining the national unit, and with Big Rapids is the only small city. In an effort to re-organize former units in other cities throughout the state the boosters meeting is being held.

Holland is also organizing a national Guard unit and City Treasurer Henry Geerds and Dr. Weststrate who has recently been appointed by the state authorities as captain in the medical corps will also attend.

The strong wind increased the grinding task of the swimmers. Both Mr. Benson and Miss Jenks are residents of Chicago and are spending their vacations at Gerhardt park, Smith's Bayou, Spring Lake. Mr. Benson swims for the Alverno Athletic Club of Chicago.

Paving Crew On Strike; Demands are Not Granted

When their demand for a raise from fifty-five to sixty cents an hour was refused Tuesday, about ten of the young men working on the Pennoyer Avenue paving job at Grand Haven quit work. Operation was suspended because of the strike, but were again resumed Thursday. The demands of the strikers was not met it is understood.

The Farm Shippers' association of Conklin, Ottawa county, is building three large silos with a grain capacity of 11,000 bushels. It is expected they will be completed in time to receive the new grain crop.

Miss Julia Den Herder of Grand Haven is the guest of friends in this city.

TWO FOUNDRIES ON FIRE LAST THURSDAY NIGHT

At 8:30 Thursday evening both fire departments were called to the Buss Machine Co. works on West 8th street, because of a fire started from the cupola setting fire to one of the sky-lights. A pail of water put out the blaze. No damage.

Another fire more serious was discovered on the roof of the Home Furnace Co. on the East End at about 11:30 Thursday night, and both departments responded quickly. The blaze was soon under control with a loss of only about \$300 to the company which amount is fully covered by insurance.

The fire also started from a spark from the foundry cupola, it is thought. Manager James De Young is out of the city on business, but representatives of the company say that few of the employees knew there had been a fire and the plant is running along as usual.

FIRST REFORMED CHURCH SUNDAY SCHOOL PICNICS

About 500 were present at the 1st Reformed church Sunday School picnic held at Benders Beach Thursday afternoon and evening and from reports Friday, everyone had the time of their lives. There were various stunts, games and sports for the grown-ups and a "fish pond" for the little ones. Two interesting ball games were played between the classes of Dick Boter and Anthony Nienhuis. In both games the Nienhuis' won by close margins. In the evening there was another ball game between the teachers and the Men's class in which the Men's class proved the victors.

GRAND HAVEN OF FICER GETS SUSPECT FOR STEALING AUTO

Jack Darpey of Muskegon and Ted Harrington of Grand Rapids were lodged in the Ottawa county jail Thursday night by Omer Spangler of the Grand Haven police force on suspicion of being guilty of the theft of the automobile in which they were riding. Later the officers' suspicions were verified and Chief of Police Hanson of Muskegon came to Grand Haven and returned with Darney and Harrington as prisoners.

With the two men were two girls whose home it is thought was in Grand Rapids where they were picked up by Darpey and Harrington. The girls were lodged at the River-view Hotel for the night and left the city in the morning.

It was later learned from Muskegon that Darpey is the only party implicated in the theft of the car which was a 5-passenger Dodge. Darpey obtained the car in Muskegon, drove to Grand Rapids and picked up Harrington at that place. Harrington had no suspicion that the car was stolen property. He will be released it is thought.

HUYSER FAMILY AN- NUAL REUNION ROLLS AROUND

Thursday, July 29th has been set as the day for holding the annual family reunion by the association known as the Peter Huyser family. The reunion will be held in the grove on the farm of Cornelius Huyser at Beaverdam where an elaborate program will be preceded by a dinner at 11:45 o'clock. The program is made up of twelve numbers, composed of songs, speaking, historical sketch recitations and sports.

The Huyser family descendants are many and number among them children of the late Mr. and Mrs. Peter Huyser, grandchildren and great-grandchildren, most of whom are residents of Ottawa county and all of whom are planning to participate in the merrymaking of the day.

Mr. and Mrs. Peter Huyser, the original couple from whom this big family circle sprang, were among the pioneer settlers, who located in the Holland colony in 1847, being among the Van Raalte colony.

CHICAGO COUPLE SWIM 5 MILES IN THREE HOURS

Miss Gertrude Jenks and Mr. Gus Benson dove off the Goodrich docks at Grand Haven at noon Friday and reached Gerhardt park, a distance of approximately five miles, three hours later. The strong wind increased the grinding task of the swimmers. Both Mr. Benson and Miss Jenks are residents of Chicago and are spending their vacations at Gerhardt park, Smith's Bayou, Spring Lake. Mr. Benson swims for the Alverno Athletic Club of Chicago.

FORWARD MOVEMENT CLUB HOLDS ANNUAL PICNIC

The members of the Forward Movement club, together with their wives and a number of friends and their wives, enjoyed their annual picnic Friday evening at the home of Mr. and Mrs. Jacob Oosterbaan, east of the city on the Zeeland road. It was the closing meeting of the club year. A short business session was held, after which the evening was spent with games, refreshments and other activities. The club is to meet again in September at the home of Mr. and Mrs. Henry Vander Warf, State street.

COMMITTEE NAMED FOR HOME STUDY WORK

At the Women's Congress in Coopersville Mrs. Colon C. Lillie, who is the representative of the Farm Bureau women on the county executive committee was asked to appoint a committee of four to assist in promoting the study of home projects in Ottawa county. The following committee has been appointed:

Mrs. William Berger, Georgetown; Mrs. Wm. Payne, Grand Haven; Mrs. Wm. Ernest, Crocker; Mrs. John Schafer, Chester.

As soon as possible the committee will meet to make plans for the home study work.

MORTGAGE SALE

Whereas, default has been made in the payment of the money secured by a mortgage dated the 3rd day of March, A. D. 1908, executed by Edward T. Leiter and Mary B. Leiter, his wife, of the township of Holland, County of Ottawa, State of Michigan, to Jacob Wabeko of the city of Holland, County of Ottawa, State of Michigan, which said mortgage was recorded in the office of the Register of Deeds of the County of Ottawa in Liber 88 of Mortgages on page 174, on the 4th day of March, A. D. 1908, at 8:30 o'clock A. M. And whereas, the said Jacob Wabeko is and was assigned by the said Jacob Wabeko to the Holland City State Bank of Holland, Michigan, a corporation organized and existing under and by virtue of the laws of the State of Michigan, which mortgage was recorded in the Office of the Register of Deeds of the County of Ottawa in Liber 88 of Mortgages on page 174, on the 4th day of March, A. D. 1908, at 8:30 o'clock A. M. And whereas, the said mortgage is now owned by the said Holland City State Bank, and whereas, the amount claimed to be due on said mortgage at the date of this notice, is the sum of One thousand and Twenty-eight Dollars and eighty-three cents (\$1,028.83), Dollars of principal and interest, and the further sum of \$85.00, being the statutory attorney fee stipulated for in said mortgage, and the whole amount claimed to be due on said mortgage is the sum of One Thousand and Thirty-Six Dollars and Eighty-three cents (\$1,063.83), and no suit or proceeding having been instituted at law to recover the debt so remaining secured by said mortgage, or any part thereof, the power of sale contained in said mortgage has become operative.

Now, therefore, notice is hereby given that by virtue of the said power of sale, and in pursuance of the statute in such behalf provided, the said mortgage will be foreclosed by the sale of the premises therein described at a public auction to the highest bidder at the north front door of the Courthouse in the City of Grand Haven in said County of Ottawa and State of Michigan, on Monday, the 16th day of October, A. D. 1920, next, at 2 o'clock in the afternoon of said day, said premises to be described in said mortgage as follows to-wit: all that certain piece or parcel of land situated in the City of Holland, County of Ottawa, State of Michigan, and described as follows to-wit: All that part of lots nine (9) and ten (10), Block A in the City of Holland, which is bounded on the East side by the West margin line of Fairbanks Avenue; bounded on the North side by the South margin line of Third Street; bounded on the South side by the South margin line of Third Street; bounded on the West side by the West margin line of Fairbanks Avenue; and running thence in a southerly direction along the center of Marshall's Creek to the South boundary line as above described, such point of intersection on said boundary line being Third Street, and Fifty-four (54) feet West from the West margin line of Fairbanks Avenue, and running thence in a southerly direction along the center of Marshall's Creek to the South boundary line as above described, such point of intersection on said boundary line being Third Street, and Fifty-four (54) feet West from the West margin line of Fairbanks Avenue, and running thence in a southerly direction along the center of Marshall's Creek to the South boundary line as above described, together with the hereditaments and appurtenances thereto belonging or in anywise appertaining.

Have You A Perfect Spine?

If your spine is perfect your health is perfect, but as yet Chiropractors have never experienced the sensation of palpating an absolutely normal spine. Nature intended us to be healthy, but because of strains, jars, falls, poisons, etc., we all experience a little discomfort now and then; that is the reason we all have trouble once in a while. What affects one person may not have the same effect on another, for the reason that the one has the right subluxation and the other has not. For instance, you are subject to indigestion and can't eat many things, while your friend is never troubled and eats any and all things. The cause of your condition is a lack of function, due to an impingement of the nerves at stomach place. The first thing to do is to see a Chiropractor. Consultation and Spinal Analysis Free.

"PUNCHING THE BACK"

"What possible assistance can be given diseased kidney, liver, stomach or uterus by 'punching' the back?" Pulling the trigger of a gun is remarkably easy and without a knowledge of the latent force within the line of fire might well appear incredible. But to those who can reason from cause to effect, the consequences are clearly defined. So it is with the Chiropractic "thrust." It immediately releases the latent force which is an inherent part of all liv-

ing matter, stirring dormant vibrations to life and action. Its value in the restoration of conditions wherein normal functioning of the various organs may be resumed is testified to by thousands of "chronic" invalids who have regained health through its agency. Consultation and spinal analysis free.

CITY TREASURER

COLLECTS \$34,000.00

With two weeks of the six weeks period of tax gathering completed, City Treasurer Geerds has collected \$34,000 out of a total to be collected of \$257,966.17. Although the amount collected is only a little more than one-seventh of the total amount the actual sum gives no indication of the amount of the tax bills paid. Most of the ones turned in so far are for small amounts that do not swell the total to any large extent. The biggest day so far was Saturday when the amount collected was \$4269.75. A comparison with last year shows that the taxes are coming in in good shape and that the property owners are not backward about settling up. The tax gathering period will extend until August 15.

The Holland Rusk Company, Incorporated, a Michigan Corporation,

vs.
Adolphus King and Clara King and their respective unknown heirs, devisees, legatees and assigns.

Defendants.

At a session of said court held on the 17th day of June, 1920.

Present: The Honorable Orlen S. Cross, Circuit Judge.

Upon filing the bill of complaint in this cause, it appearing that it is not known and that the plaintiff, after diligent search, has been unable to ascertain whether said defendants Adolphus King and Clara King and their respective unknown heirs, devisees, legatees and assigns or some or any of them are living or dead or where they are or whether any title, claim, lien or personal right or claim of the real estate described in the said bill of complaint has been assigned to any person or persons; or, if dead, whether they or some or any of them have personal representatives or heirs living, or where some or any of them may reside, or whether such title, interest, claim, lien, or possible right or claim to the premises described in the said bill of complaint has been disposed of by will.

Upon motion of Raymond Vischer, attorney for the plaintiff it is ordered that the said defendants and their respective unknown and unascertained heirs, devisees, legatees and assigns and each one of them shall enter their appearance in this cause within three months from date of this order; and that within 20 days the plaintiff shall cause this order to be published in the Holland City News, a newspaper printed, published and circulated in said city of Holland, Ottawa County, Michigan; and that said publication shall continue once each week for six weeks in succession.

By the law of 1919 every person owning a dog must pay a license fee required to the county treasurer.

The law further requires that on June 15, 1920, and each year thereafter after the county treasurer shall make a list of all unlicensed dogs, as shown by the records in his office, and deliver copies of such list to the sheriff and prosecuting attorney of the county. It then becomes the duty of the prosecuting attorney to bring an action, and of the sheriff to kill such unlicensed dogs.

This law being new, we are giving this notice so that every owner of a dog who is unaware of the law may

immediately pay to the county treasurer the license fee and secure their tag.

After August 1st necessary steps will be taken to enforce this law by proper action and killing of dogs.

LOCALS

Ald. Brieve, chairman of the committee on poor, reported last night to the council that the sum of \$69 had been expended for temporary aid the past two weeks.

Martin Beekema, proprietor of the West Michigan Laundry was taken with a stroke of apoplexy while at work in his laundry. His recovery is very slow it is said.

Attorney Arthur Van Duren has again moved his offices to the old quarters in the Holland City State Bank block. The local attorney has been located in the First State bank building for the past nine months while the other bank was being remodeled. The Ottawa County Building & Loan Association will again occupy the rooms vacated by Mr. Van Duren and Mrs. Thurber will again be in charge.

Mr. and Mrs. Wm. Palmer of Osego visited the lady's father and wife, M. C. Fuller over Sunday and left Monday for a two weeks' visit with relatives in Minneapolis, Minn. In the Grand Haven Tribune column of twenty years ago the following items of interest appear: "Johnny Van Dyke of the 4th ward was the champion berry picker of the city. He had made \$1.25 the day before picking raspberries and had averaged over a dollar a day for the

week. Also this one: Kalamazoo capitalist wanted to put a gas plant in Holland.

Miss Marie Travers of Tucson, Ariz., is the guest of Mrs. Edward F. Buecking at her summer home on Macatawa Bay. Mr. Stephan and Ann Miller of Chicago are also guests for the summer. The Buecking home has been filled with guests all season thus far.

Mr. Joseph Heinecke, sr., underwent a serious operation at the Blodgett hospital in Grand Rapids.

W. J. Olive was in Grand Rapids today on business.

Johannes Alberts of Overisel died yesterday morning of cancer at the age of 68 years. He leaves a wife and seven children. The funeral will be held on Saturday at one o'clock from the Overisel church. B. J. Albers, living at 40 West 18th-st. in this city is a brother of the deceased.

NEXT MONDAY IS TUSSOCK MOTH DAY IN HOLLAND

Next Monday, July 26, will be Tussock Moth Day in Holland. That day has been set aside by the super-

intendent of parks as the day on which all persons in the city are asked to destroy the Tussock moths in the trees on and in front of their own property; if everybody, whether property owner or renter of the property will respond to this call, the Tussock moth can be cleaned out of the city in a single day and the shade trees will be spared from a great deal of damage this season. By destroying the moth now, an enormous crop of them will be prevented later on.

The need of this work is extremely urgent according to the superintendent of parks. The city is full of the moth. Seldom in the past have there been so many of them in the trees of the city at one time, and unless stringent measures are pursued the moth will do serious damage to the trees both this season and later on.

There are two ways of handling

the situation. One is to have the city hire men to do the job systematically. This is now being done with the maple borers. The borers are not very numerous this year, but those found in the trees are being destroyed carefully.

But this system of taking of the Tussock moth would require an army of men, many more men than can possibly be secured. Hence the only alternative is for the people of Holland to assume the job themselves. If each person will do his share the pest can be destroyed in short order. And if all will do it on the same day the job will be done quickly and systematically.

The simplest way to destroy them is to tie a bundle of kerosene soaked rags on a long stick, set fire to them and thus burn the nests out of the trees.

COUNCIL THINKS ALLEY QUESTION PRIVATE DEAL

The council Wednesday night washed its hands of the controversy between property owners in the east end and H. P. Zwemer and the Western Foundry Co. in regard to the

opening of an alley. The only thing the council will do is to see to it that the interests of certain property owners are protected so that they will not lose by the opening of an alley at a certain place. The council, in its original resolution permitting the closing of a portion of 9th street made this promise, and the aldermen will stick by that promise.

For the rest they took the position that the controversy is between Mr. Zwemer and the property owners and that these two parties will have to come to a decision between them. As soon as they come to an agreement and tell the council so in writing, the aldermen will give their consent to the opening of the alley, and they don't care whether the alley is on the east side of certain property or on the west side.

This was in accordance with a report brought in by the streets and crosswalks committee, Mr. Zwemer who had sold certain property to

the Foundry Co. with the understanding that the alley was to be at a certain point protested, declaring that after working hard to get the foundry to locate here he was being burdened with a big expense, but the aldermen took the position that their hand were tied and that the whole thing now was a private transaction. The only thing the council could do, according to the committee, was either to grant permission to open an alley or to withhold such permission. They will grant it as soon as the property owners in question are satisfied.

Members of the committee and other aldermen vigorously defended the property owners, declaring that they were not unreasonable in their demands and were entitled to the protection that had been promised them.

A complete new map of all of the trunk lines in the state, both upper and lower peninsula have been received at the office of the county clerk, Orrie Sluiter at Grand Haven and can be obtained there for 15c, the actual cost of printing the pamphlets. The maps have been put out by the State Highway department and are most complete and accurate. A limited number only is on hand at the present time but if the demand warrants it a new supply will be obtained.
