LOCAL COMPANY SELLS 430 LIZZIES IN SIX MONTHS

LAST MONTH'S BUSINESS NEAR-
LY \$75,000.00

The Holleman-Deweerd Auto Co. having garages in Holland, Zeeland and Byron Center, are boasting of an auto sales record that is hard to beat which goes to demonstrate that people still have money to buy automobiles.

Albert Deweerd, manager of the local branch, stated that over the last six months the company's record was as follows:

Two Lincoln cars, 16 Fordson tractors, 430 new Fords, comprising touring, roadsters, coupes and sedans.

Besides the company sold 206 second hand cars. He also states that during the month of June the business was the largest in the company's history, the exact figures for the month being \$72,869.72.

The company still has some orders ahead that have not been delivered.

DAUGHTER OF B. NEERKEN OF ZEE- LAND IS WED

MARRIES HOLLAND BOY WHO IS
NOW AT CAMP GRAY

A pretty wedding took place at the home of Mr. and Mrs. Benjamin Neerken at Zeeland when their daughter Miss Henrietta N. Neerken, was wed to Mr. Willis J. Potts of Holland. Rev. R. D. Meengs of Kalamazoo, brother-in-law of the groom performed the ceremony following a beautiful ring service throughout.

The bride was daintily dressed in a traveling suit of blue and wore a corsage bouquet of roses and sweet peas. The groom wore conventional black. The home was artistically decorated with sweet peas and snap dragons.

After the ceremony a three course luncheon was served after which the happy couple left on a short wedding trip.

Mr. and Mrs. Potts will spend the summer at Camp Gray, where Mr. Potts is camp physician. In the fall they will move to Chicago where the groom will resume the study of medicine for one more year at Rush Medical College.

Miss Neerken was a former Holland girl and was at one time a pupil in our Holland schools.

MRS. THURBER TO RESIGN FROM THE LOAN ASSOCIATION

WILLIAM BRUSSE SELECTED TO
FILL THAT POSITION

Mrs. L. M. Thurber who for more than 30 years has very efficiently held the position of secretary and manager of the Ottawa county building and loan association is to resign and her place will be filled by Mr. William Brusse, one of Holland's leading citizens and now justice of the peace.

Mrs. Thurber for the next 2 years will visit her daughter, Theo Thurber who is teaching in the Philippine Islands.

Mr. Brusse will also conduct his justice of the peace office as heretofore and states that he is already working on plans to develop the association.

THE "PIKERS" ARE ON THEIR WAY AROUND LAKE MICHIGAN

WILL BE IN HOLLAND JULY 19,
ENTERTAINED AT WOMAN'S
LITERARY CLUB

Austin Harrington, chairman of the Ottawa County Roads Commission has received information from the manager of the Michigan Pike association that 62 tourists with 31 cars and trucks are on their way and are now in the north part of Wisconsin.

The tourists will reach Holland on Wednesday noon, June 19, and will be entertained with a banquet at the Woman's Literary club given by the Merchants association and the Rotary and Exchange clubs.

The men of these different clubs will do the serving and you can wager that the service will be well rendered.

Hon. G. J. Diekema of Holland will be the toastmaster on this occasion and he will call for speakers at random during the banquet hour.

From Holland the "Pikers" go to Grand Rapids where they will be entertained and from the Furniture City they will go back to Detroit from where the tour started.

It is figured that the trip will last approximately 14 days and the distance traveled will be about 2,800 miles.

Quite a unique bit of information is sent on ahead to those cities entertaining the pike tourists. It is especially stipulated that if the visitors are to be fed, that cold ham sandwiches and potato salad be omitted from the bill of fare. No doubt these are standards everywhere and the tourists would soon be fed up on ham and salad if these were to be the courses three times a day.

For that reason Holland's committee on "chuck" is warned before time that cold pig and cold Irish "spuds" are to be forgotten next week Wednesday.

Members of the West Michigan Pike association are to start from Benton Harbor and pick up members all along the line going as far as Petoskey where this party will meet the tourist party who have made the trip around Lake Michigan.

From Petoskey both aggregations will come back home.

How large the second party going to Petoskey will be is hard to conjecture. However the party of tourists from both associations who will visit Holland will be approximately 100.

Holland has Grand Haven beaten for a school vote. Of course that is not saying much for in this city less than a hundred took the trouble to come out and vote for every 1,000 voters eligible.

According to the returns Holland cast 303 votes Monday, Grand Haven 133.

But then Holland being nearly as large as Grand Haven it has nothing to crow over, in fact the vote in both instances shows a lamentable lack of interest in the proposition that in reality is the most vital in our city.

The well being of our children strikes directly home and it seems rather strange that this apathy exists not in Holland alone, but in every community where school elections are held. The reason for this may be largely attributed to the fact that all the candidates from which the best are to be chosen are good men.

In Holland the tried men have gone back but the destiny of our children would have been just as safe in the hands of the other three men chosen at the caucus who either withdrew from the race or were defeated for place on the school board.

Grand Haven also believes in having women on the board. Mrs. Elizabeth M. Nyland, for instance, receiving nearly a two to one vote over the other candidates.

The great war has left the land of the Turk and adjacent countries in a more perplexing situation than before. Therefore Sumayah Attiyeh's lectures the afternoon and evening of the second day of Chautauqua should be of great interest. The New York Herald recently devoted an entire page to pictures and a narrative from her pen concerning Turkish life. Although born in Syria, Miss Attiyeh is thoroughly Americanized. Her home is now in New York.

A THRIVING PLANT HAS SPRUNG UP AT WAVERLY

HAS ITS OWN ELECTRICITY
AND MAKES TILE AND
FLOWER POTS

A plant that perhaps is unknown to many people in Holland is the Holland Tile & Gravel Co. which is located directly west of the Waverly station. Hub Boone, of the city, is president and treasurer of the firm; W. E. Dunn, vice-president; and George Huntley, the secretary.

The plant has been in operation for approximately six months and is actively engaged in the manufacture of Duntile—which includes tile blocks for all building purposes, drain tile, and silo tile, made in different sizes and faces.

Although the plant at present is only manufacturing the building tile, their intention is to put on the market in the near future a tile that can be utilized for floor purposes. The plant also manufactures ornamental flower urns and cemetery urns.

The tile blocks are steam cured in large steam kilns, and are thoroughly steamed for 48 hours. This hardens the tile blocks thoroughly and after the steam curing process they are ready for use.

The plant at Waverly is well equipped for a large production, and is a most interesting one.

Besides this they also employ a large generator which supplies an electric current for their motive power and lighting purposes.

The company is making progress and is already supplying tile for several houses.

ALLEGAN ALSO NOTICES AUTO TOURIST TRADE

Allegan Gazette—Tourist travel last week-end and the Fourth broke all records according to local hotel operators. When one considers the number of cars from other states seen in Allegan, and that Allegan is on no important trunk line, one can conceive the great number of cars which must pass thru a city on the important roads, also the number of people who are traveling by auto. By far the greater number seen bear Illinois licenses, altho cars are seen from practically every state in the Union.

GRAND HAVEN FIRM IS FORMED TO SELL INSURANCE

C. F. VANDER VEEN AND FRED
C. ERHMAN COMPLETE THE
ORGANIZATION

Fred Erhman, who for a number of years has been associated with the Peerless Novelty company, has resigned from that company, to engage in the general insurance business in Grand Haven. Mr. Erhman will become associated with C. F. Vander Veen in an organization for the sale of all kinds of insurance and bonds. The new organization will handle both life and fire insurance, compensation insurance and surety bonds. Their offices will be in the Grand Haven State Bank building. Mr. Vander Veen has been in the life insurance business here for a number of years representing the Lincoln Life Company, and he has an extensive clientele here. Mr. Erhman is also very well known, and the combination should be a successful one.

SALVATION TENT MEETING BEGINS ON JULY SIXTEEN

THE CELEBRATED EVANGELIST
WOOD OF HILLSDALE IN
CHARGE

Holland is to have an evangelist in this city. A large tent is to be pitched at the corner of 1st avenue and 15th street and beginning Sunday July 16 and thereafter daily meetings will be held.

The celebrated Evangelist E. E. Wood of Hillsdale will be in charge. Daily meetings will begin in the evening at 7:45 and on Sunday at 3 p. m. and again at 7:45 p. m.

Mr. Wood will be assisted by Rev. I. E. Miller of Grand Rapids and the song leader will be Harold Gretzinger.

Fred Wright of Holland is making a great many of the arrangements and states that all citizens of Holland and vicinity are welcome.

DR. KURTZ TO SPEAK AT 3RD REFORMED CHURCH FRIDAY

Arrangement have been fully made to greet Dr. D. W. Kurtz, president of McPherson College, of McPherson, Kas. He is to fill a four days' speaking engagement at Camp Warren, near Benton Harbor, a camp for training Sunday School workers and it is while there that he will come here under the auspices of the Ottawa County Sunday school association.

Dr. Kurtz is scheduled to speak here this week Friday in the 3rd Reformed church. The general public is cordially invited to hear him. At Kalamazoo he gave four addresses on the doctrines of the bible and one on "The Symphony of Life." He is the author of several books. Holland will greet Dr. Kurtz with a crowded house no doubt.

OTTAWA COUNTY LAD IS VICTIM OF ROAD TRAGEDY

CLAUS KATT, 14-YEAR-OLD LAD
DIES AS RESULT OF ACCIDENT
ON ROAD WEDNESDAY

Claus Katt, 14 years old, Spring Lake lad, died at Elizabeth Hutton hospital, Grand Haven, Wednesday noon, as a result of injuries sustained in the morning on the road just east of Spring Lake. The accident happened at 7:30 and Dr. Mulder who was called immediately rushed the lad to the hospital. From the first it was seen that the lad had practically no chances for recovery. He was terribly injured about the head.

The boy was employed as a berry picker by Peter Lex of Spring Lake and it is Mr. Lex's custom to gather up the pickers with his truck in the morning, taking them out to his patch. Claus met the truck at the John Vink place on the concrete road just east of Spring Lake village.

As nearly as could be ascertained the boy stepped out into the road as the truck approached. As it slowed down to stop he ran around the front and attempted to board it from the side. In some manner he missed and fell into the road falling directly in front of a large car which passed directly over him, and came to a stop considerable distance away.

The name of the driver of the car was not learned by Mr. Lex or Stanley Worthing who was soon on the scene after the accident. It was stated that the car was on its way to Ludington and both Mr. Lex and Mr. Worthing understood that someone else had taken the name. The sheriff's officers were trying to ascertain the name of the driver.

The driver of the car which had run down the lad was at first asked to bring the injured boy to the hospital but his car was full of people and luggage and William Wachter who came up offered his car. The other car was allowed to go on its destination.

Capt. Wm. E. Preston, formerly in charge of the Coast Guard station at Michigan City and now assigned the keepership of the Grand Haven station, has arrived. He is now in charge of the station, relieving temporary keeper Herman Castle. Capt. Preston was very well known in Michigan City and to quote his home paper, "His many friends are loathe to see him make his departure." His home is in Milwaukee.

Abraham Peters of Holland has returned from attending a two weeks' session of the General Synod of the Christian Reformed church held at Orange City, Iowa.

Dr. and Mrs. J. P. Simons of Ottumwa, Ia., are the guests of Mr. and Mrs. G. Morris of the Northside.

Mrs. N. Hofstee and children Dorothy and Leslie are visiting in Grand Rapids from there they will journey to Paw Paw, Detroit and Greenville, and in two weeks will leave for Madison, Wis.

During the heavy downpour of rain yesterday morning, his windshield partially obscured, Judge Soule driving his auto on Fulton street at Grand Haven, collided with the crossing gates maintained on that street by the Pere Marquette railway. There was a freight approaching at the time and the gates had just been lowered when the judge came along in the rain. Neither the judge or auto were injured, but the gates were damaged to some extent.

ZEELAND

Rev. H. Oostendorp returned to his home this week from Orange City, Ia., and again occupied the pulpit at the North St. church Sunday.

John H. Karsten and Nellie Bridges of Bangor were united in marriage at Grand Haven Monday afternoon. They will make their home in Zeeland.

Dave Hoffman, who recently came here from Omaha, Neb., has purchased the house on West Main st. recently vacated by Dick Huizenga, and will occupy the same in the near future.

Mr. Arnold R. Muller and Miss Esther C. L. Black were united in marriage by Rev. D. R. Drukker at the home of the bride. Mrs. Muller is the daughter of Mr. and Mrs. G. Raterink of Robinson. They will make their home in Robinson.

John H. Schipper of Overisel and Miss Mary Kronmeyer of Holland were quietly united in marriage by Rev. A. Vanden Berg at the summer home of Mr. and Mrs. A. Kronmeyer at Central Park on Thursday, June 29. The bride was for some years a teacher in the Holland high school. The groom holds a position in the State Commercial Savings Bank.

The members of the Robt. De Bruyn family held a reunion on the 4th at the cottage of David De Bruyn at Tennessee Beach near Holland. Those present were the parents of this city, Mrs. Gertrude De Bruyn and children, Wm. DeBruyn, and children, Mr. and Mrs. Doedema of Grand Rapids, Mr. and Mrs. DeBruyn of Flint, Susie DeBruyn

GETZ PLEASED WITH CONDUCT OF CROWD THE FOURTH

George F. Getz is pleased with the way the people who were his guests on the Fourth of July conducted themselves. In a letter to the News he expresses his appreciation. The letter follows:

I wish to thank the News, as well as you personally, for your courtesy and assistance in giving to the public the information regarding our little Fourth of July celebration. I was very much pleased indeed to see so large an attendance in response to my invitations to the barbecue.

I was much gratified, the next morning, when I inspected my grounds, to find so little damage done to the main part of my grounds, in fact, nothing to speak of, and I want to take this opportunity to thank the public in general for observing the few signs asking them to keep on the walks, which were the only signs I had placed on the main living part of my farm.

There was a question in my mind whether I should throw the gates open to the public on the north side of the road of my home or confine them to the south side where the barbecue and celebration were going to be held. I decided I would take a chance as the public has always been used to the gates being open and the privilege of going through my grounds. I have had very few sad experiences, considering the number of people who walk around them, and I must say I do not regret it. There wasn't a single thing that I could see that the public abused in extending them this privilege. When you consider that I didn't have one single employee left to look after my property on the north side during the afternoon, as I required every man at the barbecue, it seems more remarkable than ever and makes me very happy to feel and know the public so thoroughly appreciated the courtesy extended to them on that part of the farm and fully protected my property.

The ones that really appreciated this privilege to the visitors were the bears and monkeys. They never had such a feast as they had that day. Most of the people that visited that part of the grounds fed them and I think my man who takes care of them concluded they didn't need any more to eat for several days. The next morning he found them all asleep, whereas hours before that time they were usually up begging for their breakfast.

I have one regret and that is that we were unable to pull off all the races that we had contemplated. I am very glad, however, that the children, and even the grown people, responded so promptly and numerously to entering the various races. I hope every one who attended the barbecue that day feels fully paid for coming to Lakewood Farm.

I also want to take this opportunity of thanking, through you, Mr. Diekema, Mr. Stephan, Mr. Lokker, Mr. Orr, and others who kindly assisted me in taking care of our activities that day.

With my very best wishes, I am,
Yours very truly,
GEORGE F. GETZ.

Ray Poppe and son of Charlotte are visiting the home of W. J. Poppe.

FRIS GETS NEWSPAPER BY SEAPLANE

The large seaplane seen hovering over the city Friday night at 7 o'clock landed at the head of Black lake with a bundle of "Americans" for Fris Book store. The seaplane started from Chicago at 5:25 and arrived in Holland at 7 o'clock making the trip in one hour and 35 minutes, establishing a new record for delivering newspapers.

The seaplane was the Isle de Luzon piloted by R. W. Pears, assisted by R. J. Ramig, and is a six passenger plane.

It belongs to a large fleet of regular commercial planes navigated by the Triangle Airway Co., 2229 Michigan avenue.

Chicago is called the air port and the company does regular freight and passenger business right from its office. The seaplane will be at the Holland resorts for some time and advertises rides at \$10 a ride or \$75 per hour.

NEW ZEELAND PASTOR INSTALLED THURSDAY

The Rev. J. Van Peursem, a former pastor of Kalamazoo Second Reformed church, was installed as pastor of the First Reformed church of Zeeland Thursday night, and delivered his inaugural message on Sunday July 9. Among those present and taking part in the installation were Dr. S. C. Nettinga, and Dr. J. E. Kuizenga of Western Theological seminary, Holland, Rev. G. De Jong and Rev. H. Hoffman of Zeeland also took part in the program.

Wednesday evening a reception was tendered the new pastor and his wife by the consistory members and their wives in the parlors of the church where a bounteous dinner was served by the Ladies Aid society.

A farewell sermon was delivered by Rev. Van Peursem last Sunday morning at Kalamazoo on the topic "The Crest of Hope". At the Sunday evening service a special program, including a chorus of 35 voices, was rendered. On Tuesday evening the members of the congregation tendered their departing pastor a farewell reception.

DOUGLAS TO VOTE ON WATER WORKS BONDS

The village of Douglas, at a special election called for July 31st will vote on a proposal to bond the village for \$16,000 for the purpose of installing a waterworks plant. This is the one great present need of that village, and the cost will be returned many times over in the enhanced sale and rental value of property alone. The amount proposed to be expended should furnish Douglas with an up-to-date plant with ample capacity for all requirements.

LOCAL MAN WINS BEAUTIFUL LOVING CUP

Stephen Karsten district agent of the Michigan Mutual Life Insurance Co. of Detroit, was presented Saturday with a silver loving cup at the regular semi-annual state meeting of the company held at Hotel Browning.

Mr. Karsten has the honor of selling more business for his company during the past month than any other agent in the Grand Rapids district. The presentation was made by Harry M. Truesdell, district supervisor of the company at Grand Rapids.

Following the banquet there was an interesting address on "Organization," delivered by J. J. Mooney, president of the Michigan Mutual Life Insurance Co. of Detroit. Superintendent of Agencies, Mr. Geo. B. McGill also gave a very interesting talk.

COLLECTION OF SUMMER TAXES NOW IN PROGRESS

The annual collection of summer taxes in Holland began on Monday morning of last week and during the first two days the sum of \$2,707.90 was gathered in by City Treasurer Bowmaster. Of this sum the first day yielded \$2,259.44 and the second, namely the day after the 4th, \$448.46.

The rate of summer taxes this year is \$20.50 per \$1000 valuation, three cents less than last year. Any taxpayer who knows his valuation can figure out for himself what his bill will be. No bills are sent by the city to the taxpayers and each one must figure it out for himself or else call at the office of the treasurer and learn what the amount is.

The total to be collected this summer is \$284,979.22. Of this amount the city taxes foot up to \$138,979.22, and the school taxes amount to \$145,000. The state, county and good roads taxes, as well as the special assessment taxes, are always paid during December.

The summer tax campaign will last until the fifteenth of August at 9 o'clock in the evening. The office of the city treasurer will be open every day from eight in the morning till 5 in the afternoon for the collection of taxes, including the noon hour, and on Saturday night it will be open until 8:30 o'clock. During the last week of the tax gathering campaign the office will be open every day from eight in the forenoon until eight in the evening.

A considerable number of small accounts have already been paid. Those who pay their taxes now usually are not required to wait a long time, as is the case later in the season when the office of the city treasurer is often crowded.

Jacob Smith was the first taxpayer to deposit his money in the treasury. Smith however, divided the honor as he also paid his neighbor's taxes.

HOLLAND BURGLAR ESCAPES FROM KENT COUNTY JAIL

Jimmy Lee, the last of the trio of burglars who burglarized the Holland armory and the Farmers' co-operative offices and the Pere Marquette depot some time in February, escaped from the Kent County Jail Saturday.

It will be remembered that Lee was caught by Kent county officers after a spectacular running fight in which he used a pistol taken from the National Guard rooms over the Wolverine garage.

Two of the men were already serving at Marquette but Lee was awaiting trial in Kent county.

It seems that Lee and another prisoner had sawed out the bars of their jail, dropped from a two story window into the jail yard, and there found a convenient plank 16 feet long permitting them to scale the wall.

A passerby saw a blanket rope hanging from the window of the jail and notified the sheriff.

Because of the escape William J. Hurley, former sheriff, and present turnkey has resigned.

Sheriff Vieregger stated that Mr. Hurley failed to inspect Lee's cell before retiring.

MUSKEGON WOMAN FEARS FOR MISSING HUSBAND

Mrs. Henry Workman of Muskegon asked police to help her find her husband who disappeared Sunday night. She said she was worried for fear he might have met with foul play.

USED FURNITURE MARKET WAS OPENED HERE

A new business firm opened in Holland Saturday morning when the Holland Used Furniture Market began its career in this city. The new store is located at 7 East Eighth street, the place formerly occupied by the Express company in the Hotel Block. The store is operated by the firm of Estelle & Way, the members of the firm being Paul Estelle and S. Way.

The company handles all kinds of used household articles. They have a large stock on hand now, purchased in Flint. Both basement and the main floor are heavily stocked. Both members of the firm have been in this business before and are experienced at their job.

BREAK YOUR DATE WITH HAY FEVER

Health Talk No. 30

By JOHN DE JONGE, D. C.

If you are among those who have a date to begin sneezing with hay fever on or about this time of year, make up your mind to break the date this year. You never wanted to keep it anyway. To some it always comes at the same hour on the same day of each hay fever season. It was never a welcome guest. It is always a bore and a nuisance.

Some are immune from this ailment. Only about one in twenty keep the date. They are the ones who are susceptible. To be susceptible your air passage membranes and tissues have to be below normal in their functioning power. About the same day Nature floats the infection that starts your trouble and the under normal condition you are in makes it welcome. Chiropractic spinal adjustments will open the way for a full tide of mental energy to travel the spinal nerve lines to the air passage membranes and hay fever is conquered.

Hay Fever and Headache Gone

"For five years I suffered from stomach trouble, headaches and hay fever. During this time I resorted to every means known to conquer these troubles but without result until I turned to chiropractic. Now my headaches and my hay fever, and my stomach trouble too, are things of the past. My health is better in every way and I am indeed grateful to chiropractic."—W. T. Perry, Chiropractic Research Bureau Statement No. 1829H

LOCAL WOMAN IS KILLED FRIDAY NIGHT BY INTERURBAN

Mrs. Henry Olt, aged 60 years, was instantly killed Friday evening at Vriesland when she stepped into the path of a west-bound interurban flyer. Mrs. Olt had spent the day with Mr. and Mrs. Bert Frericks near Vriesland and when the accident occurred she was at the station waiting for an interurban car to take her home.

It is supposed that Mrs. Olt that the flyer was a local and that it would stop. It is believed that she stepped too near to the track where the sucking of the rapidly moving car drew her beneath the wheels. Death was instantaneous. The ambulance was called in which the dead woman was taken to her home in Holland at 230 W. 14th St.

The interurban car was in charge of Motorman Fred Knowlton and Conductor Harry Van Dam. It left Grand Rapids at 8 o'clock and was on its way to meet the Graham & Morton boat with its load of passengers for that boat.

Mrs. Olt is survived by her husband and the following children: Bertha, John, Fred, Ella, and Mrs. P. Veltman of Holland, and Mrs. Nelson Pool of Grand Haven; also by the following brothers and sisters: Mrs. H. Hynen, Orange City, Ia.; Mrs. K. Wexman, Chicago; H. R. Brink, Holland; E. R. Brink, East Saugatuck; Rev. J. R. Bink, Grand Rapids; Mrs. E. Horst, the Netherlands.

The funeral was held last Monday.

MANY HOLLAND CAR OWNERS ARE WITHOUT DEEDS

There are a considerable number of people in Holland, as in every city in the state who will be prevented by the new state law in regard to titles of automobiles to dispose of their cars during the next month or two. Moreover these persons will be up against it if demand should be made to them here or elsewhere to show that their cars legally belong to them. They neglected to secure a deed to their cars from the department of state during the year or more when opportunity was given for this and now it will be impossible for them to get the deed for a month or two because the department at Lansing is swamped.

The new law has been in effect for about a year but one of the clauses specified that the owners of cars would have until the first of July 1922, before they would need to use the deeds. Many car owners, having so much time in which to secure the deed, postponed and then forgot all about it. And then when the time limit approached they hustled and got their order in, supposing that the deeds would come to them by return mail.

But they are still waiting, and the announcement comes from Lansing that they are likely to wait a month or two. The car owners all over the state were extremely careless about this matter and it is estimated that three-fifths of the auto owners of Michigan failed to secure their deeds before the first of July. So it is necessary to hire thirty additional clerks in the department of the secretary of state and to turn the House of Representatives at Lansing into an office.

So great is the congestion that it is estimated it cannot be cleared away for two months. Meanwhile the car owners without deeds cannot sell their cars because they will have no deeds to go with them.

ON ADVENTURE JOUR- NEY TO GRAND HAVEN

Four Muskegon boys were taken into custody at Grand Haven. The boys claimed to have come from Muskegon for "Kid's day" at the Elks' fair but at the time of their being taken they were in possession of quite a quantity of gum and candy. Under cross questioning the lads admitted stealing the goods after the usual amount of lying had been done. It is said that all ran away without their parents consent and had hopped a freight in true rover style. A store on Washington ave. at Grand Haven was named by the boys as the scene of their breaking in but it was denied that the place mentioned had any connection with the affair. The boys were Walter Johnson, Steve Masaraka, Carl Chiasee and Charles Poplic. Nothing has been done with them as yet but they will all be sent to their homes in Muskegon it is said.

Grand Rapids has two more drownings. A lad of 18 and another of 17 were drowned Sunday. This makes a total of 12 during 1922. The steamer City of Saugatuck had 600 passengers for Saugatuck and Black lake ports when it pulled up at the dock last Saturday night. —Saugatuck Commercial-Record.

EDUCATION TO PLAY IMPORTANT PART IN THE FAIR

A new arrangement is being made by Sec'y Arendshorst in the educational building in which the work of our school pupils is show. More wall space has been put in the building and over 3,000 entries have already been secured.

This does not include a large number of entries that will come later from the manual training department, bulky objects for instance—not such entries coming from the domestic art department of our schools.

These entries will be added later in the fall when it is more convenient to handle them.

In the lower grades of the school competition will be between the schools proper, but in the Junior high and in the high school individual names will be used or in other words there will be competition between individuals for prizes.

We may be sure that the school exhibit this fall at the Holland fair will be the largest in history.

Mr. A. H. Landwehr of the Holland Furnace Co. believes in education and he has taken it upon himself to foot all the bills that the prizes or premiums will entail.

DR. BRUNSON FIGURES IN AUTO ACCIDENT

Accidents are becoming alarmingly frequent on the pike, several cars having been badly smashed recently. Dr. Eugene Brunson was the victim last Friday of a particularly flagrant case of reckless driving, and nearly lost his life through the speed mania of a stranger who was said to have been driving a big car at a speed of over 50 miles an hour. The doctor in his sedan, came out of the driveway of his residence, crossed the road, and was coming to a stop in front of his office when the speeding car crashed into him, throwing him out of the rear of his car to the pavement. The doctor was picked up for dead, but as help was at hand he was revived, and it was found that he had a very bad gash on his forehead and a very badly bruised shoulder.

ALLEGAN PRISONER GOES HOME; THEN ESCAPES

Agnes Allen, who was sentenced to 60 days in the county jail in Allegan, Wednesday for violation of the Volstead act, asked the Allegan sheriff to permit her to go home with her father before commencing her sentence. As soon as she arrived home she went out the back way, obtained a boat, and with a friend, F. Paradine rowed up the river to Trowbridge day. From there they obtained a ride to Plainwell, whence they went by interurban to Monticello. Members of the sheriff's force and Prosecuting Attorney Montague soon learned their route and pursued them overtaking them at Monticello. Now they are both in the county jail sadder but wiser. It is not known what further action will be taken against Miss Allen, but Paradine will be charged with having assisted a prisoner to escape.

PHOTO DISCLOSES BODY OF A WOMAN HID IN A CANYON

On developing a film negative taken two months ago in Topanga Canyon, 25 miles northwest of Los Angeles, B. W. Anderson found that the body of a woman lying under a tree among the undergrowth was clearly outlined in the photograph, according to his story to the police. The body appeared to have been badly mutilated. When on the trip neither Anderson nor his friends saw the body, they told the police.

MERCURY SATURDAY NIGHT 56; SUNDAY MORNING 86

Holland is certainly getting a variety of weather. Rather unseasonable for the resort season.

Bathing has been out of the question for the timid, and for resort business the cool spell has been anything but encouraging.

Saturday night the mercury was 56 and Sunday morning a hot wind directly from the south blew it up to 86. The land breeze of the day also blew up something else, namely a nice warm timely rain.

The weather man promises more reasonable weather for some time to come.

MUSKEGON LADS GOVERNOR TO ATTEND CONVENTION AT OTTAWA BEACH

Plans for the ninth annual convention of the Michigan Electric Light Association has developed sufficiently to give promise of one of the most important meetings in the history of the electric industry in this state. The meeting will be held August 21-23 at Ottawa Beach and inquiries already received by Secretary Herbert Silvesterg of Ann Arbor, indicate a record attendance.

John F. Gilchrist, vice-president of the Commonwealth Edison Co., Chicago, a national authority on public relation matters is to be one of the main speakers at the banquet to be held on the evening of the 22nd. Another national figure who has accepted an invitation to address the meeting is G. Y. Allen of New York, radio expert for the Westinghouse company. Mr. Allen is a national authority on radio development. His remarks will be illustrated by view of installation and data from all over the world.

Governor A. J. Groesbeck has also promised to attend the meeting providing no important state matters intervene, and give the electric utility men his idea of how they can best serve Michigan.

FIRST GETS JEERS THEN CHEERS FROM BASE BALL CROWD

Much depends on the point of view and the difference between popularity and disgrace sometimes depends merely on how the general public looks at the same thing.

This fact was vividly illustrated in the case of Fred Scheerhorn, 112 E. 14th street. Mr. Scheerhorn was a soldier in the world war and on the battle fields of France he was wounded in the left arm which has caused that arm and his left hand to be useless to him. He submitted to a number of operations in France and in this country, but all the skill of the surgeons could not give back to him the use of that arm.

But this disability did not take away from Mr. Scheerhorn his love for playing base ball. At first on local lots he tried out the stunt of batting and catching with one hand, and gradually he learned to make his right arm do the work of both arms.

In Holland, where everybody knows Scheerhorn, his pluck in not being downed but his misfortune won its merited recognition, but when Mr. Scheerhorn began to play ball in other cities it was a different story.

He accepted an offer to play a game in Hastings, and no sooner had he come up to bat but the crowd in the grandstand began to hoot and jeer. They thought that he was doing grandstand work, standing there swinging the bat with one hand, and they were quick to take the starch out of such a player. When he more-over indulged in the stunt of catching a ball with one hand the crowd jeered still more.

So the umpire stepped over to the grandstand and explained the situation to the crowd, telling how Mr. Scheerhorn had won an honorable wound in France. And after that the hooting changed to cheers. Whenever Scheerhorn came up to bat the crowd broke out into loud applause and from then on the Holland man was the hero of the day.

NEW GASOLINE RATES WILL BENEFIT HOLLAND AND MICHIGAN

Effective Monday, the price of gasoline, kerosene and all other petroleum products manufactured by the Standard Oil Co. of Indiana will be reduced the full extent of the freight reductions authorized by the interstate commerce commission, effective July 1, the company announced today.

This will be a saving to the retail trade of from 2-10 to 4-10 of a cent a gallon and will apply in Wisconsin, Minnesota, South Dakota, North Dakota, Iowa, Missouri and a part of Oklahoma, Kansas, Illinois, Michigan and Indiana.

No doubt the other oil companies will follow in behind the Standard and make a similar reduction.

TWO HAWKS ATTACK MAN AS HE EXPLORES THEIR NEST

A battle with chicken hawks that lasted two hours and finally forced them, after being slightly wounded, to seek safety in flight, was the very thrilling experience of Mr. and Mrs. John Fleming of James-st. road near Battle Creek. Two hawks became so incensed when Mr. Fleming explored a nest and killed the young hawks that they followed the retreating couple for two miles and came so close at one time that Mr. Fleming was brushed by the claws of a bird.

The fight started when Mr. Fleming climbed the tree to their nest. The parent hawks swooped down on him with shrill cries, beating him with claw and wing.

PROPER FERTILIZATION AND RESEEDING IMPORTANT, SAYS SPECIALIST

That pasture lands are the most neglected of all farm areas in the state, and that Michigan farmers must consider proper pasture fertilization and reseeding measures if they would maintain production of these tracts, is the statement of Dr. M. M. McCool, head of the soils department at the Michigan Agricultural college.

A recent trip through central and southern counties of the state convinced Dr. McCool that Michigan pasture lands must be given immediate attention. The whole question of pasture fertilization is a comparatively new thing in northern states, but the M. A. C. soils department has numerous experiments under way in various parts of the state on pasture lands, and is getting together a fund of valuable information on fertilization and management questions.

"The common impression that pasturing does not remove fertility from the soil is generally erroneous," says Dr. McCool in discussing the pasture land question. "A great deal of fertility is not returned to the pasture area due to the fact that the animals spend much of their time in the barn yard or under shade trees."

"The majority of pasture lands are badly neglected on our farms. Many are pastured too early in the season and are over-grazed, with the result that yields are lowered because of injury to the turf and the weeds of various kinds creep in."

"Many pastures, especially in the southwestern part of Michigan, are estimated to have more than 75 per cent of sorrel in their vegetation. This means lowered feeding value, and the livestock get insufficient lime—a diet need recognized by livestock specialists."

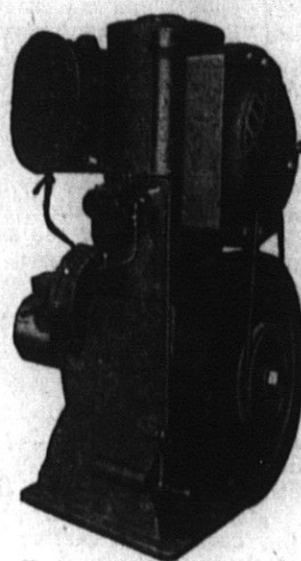

"In view of the situation it is doubtless true that lime would prove advantageous on these pasture lands, and that proper fertilization would result in good returns on the investment. If blue grass or June grass predominates in the pasture, top dressing early in the spring with about 100 pounds per acre of nitrate of soda would be worth while. On

one of the M. A. C. experimental plots, such treatment doubled the growth of forage by May 15, this year.

"If legumes are growing in the pastures it is advisable to use phosphate on the land, preferably

about 200 pounds of 16 per cent acid phosphate. If the soil tends toward light texture, from 25 to 75 pounds of potash should be used in addition. Reseeding of pastures could be done to decided advantage in many instances.

SIMPLICITY

Holland Auto-Type 4 H. P. Engine

THE Holland Auto-Type Engine is extremely simple in construction. There are no complicated parts to adjust. No pumps are used for fuel or water circulation, thus eliminating a frequent source of trouble.

By means of radiator and fan directly connected to the engine, it has positive cooling and what is important there are no tanks and hose connections to move about or adjust. All working parts are enclosed, thus adding years to the life of the engine.

These and other important features you will find in "The Holland Auto-Type Engine"—A necessity on every farm

JOHN BENJAMIN ARRESTED ON LIQUOR CHARGE

John E. Benjamin, the local shoe man on East Eighth street is again in difficulty.

Saturday Deputy Sheriff Oscar Johnson and local Patrolman Chas. Barnes raided the footwear emporium and found in the rear of the store three gallons of moonshine that was alleged to have gone in by way of the alley. The liquor was found in a large grip in the rear room.

The shoe man denies any claim to the liquor stating that he did not know how it came there, in fact did not know of its presence until made aware of it by the police.

Quite a coincidence occurred as the raid was taking place.

Ed Wosinski driving a Ford coupe just drove in from Grand Rapids and stopped in front of the Benjamin store.

The officers had been suspecting the Grand Rapids man and immediately raided his machine also.

In it they found seven gallons of moonshine which it is alleged was to have been delivered somewhere in the city.

Wosinski is now locked up in the city jail awaiting further developments. The officials state that Deputy Vander West of the Sheriff's department has been watching the shoe man for sometime.

Benjamin has been in other difficulties incident to the Volstead law.

A four cornered fight for the county clerkship is looming for the Republican ranks in Allegan county.

Two more men have entered, Glenn Gordon, of Burnips and Ralph Le Blac of Allegan who formerly was engaged in the automobile business. The other candidates are Wm. H. Stickle, present county clerk and John W. Peet, former Allegan city clerk.

The tree pest that did considerable damage on the north side of the bay last year is again operating and many beautiful shade and fruit trees are suffering as a result. Last year the little worm that is responsible for the damage attacked oak trees mostly and the ground under those trees was strewn with twigs that were gnawed off. This year the oak trees are again being attacked, and the fruit trees are also suffering some.

Mr. Bohl, northside orchardist, discovered that the little worm had gnawed the top out of one of his finest apple trees.

Mr. Bohl last year wrote to the department at Washington about the pest and received a description of how it operates but apparently the method has not been found to combat it.

A very appreciative audience crowded the First Reformed church Monday evening to hear Mr. Earl Billings, of Chicago, a musician and composer of national note, in a recital given through the courtesy of the Meyer Music House, it being one of the most unique entertainments ever presented in Holland.

While the occasion was for the purpose of the demonstration of the Euphonia Reproducing piano, this fact was entirely forgotten as far as the audience was concerned, but rather accepted as a most enjoyable entertainment.

Mr. Billings proved himself to be an exceptional pipe-organist. His selection of stops for the different passages showed unusual taste. The program as a whole was a most enjoyable one.

Miss Evelyn Keppel, our local soprano, was well received, her numbers were well rendered and much praise was heard of her voice. Holland regrets that one of its leading singers is soon to leave this city.

As was said the recital featured the Euphonia Reproducing piano, a recently perfected instrument, an achievement of the Cable Co. of Chicago.

A unique feature of the program was the organ-piano duets. Mr. Billings played the organ and the Euphonia Reproducing piano played his recordings of the same number so that he actually was playing duets with himself.

Mr. Billings proved to be an artist of great talent and versatility, and with the assistance of Miss Keppel's beautiful voice completely charmed the music lovers and musicians, who complimented Harris Meyer for making it possible to have so fine a program presented.

The 33rd Annual meeting of stockholders of the Ottawa County Building & Loan Ass'n will be held at its office in the First State Bank Bldg. on Tuesday evening, July 18, at 7 p. m.

The annual report will be read and directors elected to take the places of Arthur Van Duren, Isaac Kouw, Daniel Ten Cate and Louise M. Thuber, whose terms of office expire. A director will also be chosen to fill vacancy caused by the death of I. Marsille.

There will not be a twilight game this week as expected on account of George Bosman's gang of painters being at work giving the bleachers a brand new coat of moss green paint at the baseball park. The park board is spending a neat little sum to preserve the bleachers and to improve the appearance of the park. Without any interference of a twilight game the work will be completed by Saturday. At 8:15 o'clock on Saturday the locals will clash with the Pope & Heyboers, who were the Western Michigan champions last year.

Thursday evening at 6 o'clock fast time Holland will play the South Haven team at the resort city. A real tough game is expected as the locals are bound to wipe out their defeat of some weeks ago, and naturally South Haven will go the limit to defeat Holland again. A number of fans are expected to make the trip.

MAYOR WAS SCARED TO RIDE IN SEAPLANE

Mayor Stephan has been very high up in city affairs because of his political career, but never did he soar so high as when the seaplane, the "Isle de Luzon" took him a "kiting" over the city.

Anyway, one of the representatives of the seaplane from Chicago called on the mayor, and asked him to take a ride. The mayor said "not by a long shot," and referred the air pilot to J. A. Vanderveen, his business associate at the next desk.

Jack too was skittish and urged the mayor to go. The two men "ping ponged" forth and back until the "sky pilot" suggested that they both go.

Deprecatingly they accepted the offer for neither would be bluffed and the mayor afterward said, "I'm not afraid of many things, but I was really afraid to go up in that machine."

"However, now that it's over, I'm going again the first opportunity I get. It is one of the most delightful experiences I have ever known; you do not know when the plane leaves the water and takes the air."

"You are not permitted to look directly down and couldn't if you wanted to, but you look more at a distance which possibly accounts for the fact that there is no dizziness in the experience."

"We took a ride directly over Macatawa, then south to Saugatuck, then came straight thru to Holland."

"The ride was as smooth as anything possibly could be. We received a few little jolts in going over the high hills at Macatawa. The pilot said that he has had this experience before in going over Baldhead which is due to air pockets generally prevalent in hilly and mountainous regions."

"In approaching Holland from the west the city looks more like a large woods than a town. This is because of the vast number of shade trees that Holland can be proud of."

"When over the city however, the streets as they are blocked off are plainly discernable and the large buildings in the city can be easily located."

"Holland doesn't look as large as it does down and the farming country too, the sections of land and the roads are plainly marked."

"Black Lake and the winding Black river are an unusual sight from a thousand feet up. At that, when the trip is over deep down in his heart a man is rather relieved that his feet are again on terra firma."

"I will say however that for safety I would rather ride in an airplane at any time than to take a trip in an automobile going at 45 and 50 miles an hour, as some of our speed fiends go."

In an interview with the pilot Mr. R. W. Pears, he had the following to say relative to the company he represents "The Triangle Air Ways Inc. operate a passenger carrying service along the coast of Lake Michigan. These ships just recently completed a trip from New Orleans to Chicago, flying time 13 hours and ten minutes."

"We will endeavor to be back to your city in the near future and hope to have the pleasure of carrying some more of your citizens."

Holland and Ottawa county republicans will no doubt be pleased to learn that the republican state central committee decided to leave a well beaten path of selecting Detroit or Saginaw as a place to hold their republican state convention.

Even Grand Rapids or Lansing, old convention towns were not considered but Muskegon where the convention has never been held before was selected as the place to convene.

The total resources of Holland's three banks aggregate \$6,373,658.24 on a combined capital stock of \$250,000. The total savings deposits aggregate \$3,818,928.28. The surplus fund totals \$120,000 and the undivided profits \$115,374.07. The reports published Tuesday are the largest on record here.

The following young ladies have just returned from a week's vacation at Macatawa Park: Agnes Boeve, Harriet Boeve, Ruth A. Mulder, Ruby Mannes, Henrietta DeHaan and Lillian Dykhuis. A good time was reported by all.

Hamilton defeated Burnips in one of the best games of the season, July 4. It was a pitchers' battle between Wentzel for Hamilton and Frier for Burnips with their team-mates giving gilt edged support. A large crowd attended and got their money's worth. The score was 3 to 2.

Those of this city who attended the wedding of Miss Helen Vanderveen of Spring Lake and Mr. Andrew Peterson of Grand Haven were: Mr. and Mrs. Edward Brink and family; Mr. and Mrs. Fred Peterson and family; Mr. and Mrs. Anthony Van Lier and family. Miss Nellie Peterson, John De Witt, Henry Woudstra and Mr. Van Zanten.

Mr. and Mrs. Nicholas Dosker and son Nicholas of Louisville, Ky., are the guests of Dr. and Mrs. H. E. Dosker of Central Park.

HOPE CHURCH TO COM- PLETE INDIRECT LIGHTING SYSTEM

Hope church is to renovate from one end to the other. The entire church will be redecorated, the pews and interior wood-work and the front part of the organ loft will be re-stained and revarnished. J. C. Hoek & Son have the interior decorating work in charge and a large crew of men are scraping the varnish from the pews and woodwork which will be refinished entirely.

When the church is completed it will be the most beautiful edifice in the city.

As beautiful as the interior decorations will be the lights that the Geer Electric Co. is installing.

The system will be a complete indirect lighting system, which will have the effect of footlights one sees in theaters, a soft clear visible light. The lights will be hidden in small caves along the wall and the lights will not be visible. The lights in the auditorium proper will number 84, with six lights on either side of the choir loft.

In the center of the church a large stucco fixture will be installed which will be an indirect lighting system with a wattage of 1200 volts. The wattage for the wall lights will be 9,000 volts.

The lights will be controlled by switches that will allow only a small number of lights to be illuminated at one time, and will permit a shading of any lighting tone desired. The lights will be installed in such a manner so as to throw no glare or shadows, but will produce a soft, direct light.

HOPE COLLEGE BOY MENTIONED IN U. S. VET- ERAN'S FIELD LETTER

In the Field letter of the U. S. Veterans' Bureau, which contains articles concerning the work of the bureau in behalf of world war veterans high compliment is paid to a Hope college student, namely "Red" Vandenberg, a soldier from Grand Haven, who is using his compensation for wounds to good advantage. The letter has the following to say:

"At Hope college, Holland, Mich. there is one student whom every one knows, honors and respects. He walks on one leg, as the other is somewhere in France. His left arm is stiff and his left side is badly crippled, but his mind is always alert and he never misses an opportunity to smile. He not only leads his class in scholarship but is the favored leader among 500 students. Although unable to participate in athletic activities his energetic spirit always helps the other men to do their best."

"A real soldier, and excellent student and a born leader is Ernest B. Vandenberg."

SEVENTY-FIVE STRIKERS COME TO HOLLAND

A crowd of 75 strikers from the Pere Marquette car shops at Wyoming boarded an interurban car at Grand Rapids with the express purpose of marching into Waverly and inducing the men there at work to stop.

The policy of the Grand Rapids men seems to be in conformity with railroad shops in other cities where railroad machinery and engines are repaired and rebuilt.

The unions in these shops are on a strike and have been for the past few weeks and are waiting for the company to recede from their demands.

Anyway the strikers left the interurban car near Waverly late last night and induced the small force of workmen, six in number to quit work and the Waverly yards and round house is now without the customary lot of men.

The men on the whole were very orderly and there was no show of violence whatever.

Chief Van Ry was in constant touch with the situation having been informed that the strikers were coming. He states there was only one bully among them who did a lot of loud talking but aside from this the rest of the men were orderly and gentlemen.

With the exception of a few, the strikers took a late car back to Grand Rapids. No doubt the remaining ones will watch developments here in order that they may report to the heads of the union in the Furniture City.

Not alone is the Waverly crowd out on a strike but the track men in the vicinity of Holland have also left their work.

Albert Hoeksema of Holland Business college was in Grand Rapids on business Saturday.

PROPOSALS FOR RADIATOR SHIELDS

Scaled proposals will be received by the committee on Public Buildings and Property of the Common Council of the City of Holland at the office of the City Clerk until Tuesday, July 18, 1922, 5 o'clock P. M. for furnishing and installing radiator shields on fifty-one (51) radiators in the city hall in accordance with the following specifications:

Twenty-five gage black sheet iron shields as manufactured by the American Radiator Company or its equal, with brackets and fasteners.

Radiator shields not to be decorated, the work to be completed not later than August 15, 1922.

The committee reserves the right to reject any or all bids.

By order of the Committee on Public Buildings and Property.

Dated, Holland, Michigan, July 11, 1922.

RICHARD OVERWEG, City Clerk.

HOLLAND TO HAVE BEAUTIFUL NEW BUSINESS BLOCK

The contract has just been let for a new business block that will be one of the finest places of its kind in Western Michigan. The Nibbelink-Notter company have had plans made for a new funeral home that will surpass anything in Holland or Grand Rapids, and work on the new structure will be begun within a month. All the arrangements have been made and the actual work will start as soon as the present building is vacated.

The building now occupied by Brink & Leeuw will be completely remodeled and converted into a funeral home. A white terra cotta front, the only one of its kind in the city, will be put in, with art glass windows on both sides of the entrance. The entrance itself will be a work of art and will be in the middle of the front, leading not only to the offices and funeral rooms on the ground floor, but also to two modern apartments on the second floor.

On the east side of the building, ground floor, will be located the chapel, and back of that the laying-out room, the morgue and the trimming room. On the other side of the entrance, main floor, will be a reception room, the office, and two show rooms. All will be equipped in the most modern style and in the completest way possible, making the place the best of its kind anywhere in this part of the state.

The contract calls for an outlay of about \$35,000. The contract for the mason work and the terra cotta work has been let to Habing & Son, and the rest of the work has been let to Abel Postma.

The new building of Brink & Leeuw is nearing completion and that firm will soon leave the Nibbelink-Notter building to occupy their new garage.

AS USUAL SCHOOL VOTE MONDAY IS VERY LIGHT

The school vote for members of the Board of Education held at the city hall was unusually light, the total vote being 303.

All the old members who stood for re-election were returned.

Altho six members were chosen to go on the ballot, James De Young and Simon Kleyn withdrew leaving a choice of three candidates out of four placed upon the ballot.

Voting started at the city hall at 2 o'clock and the polls were closed at 8 o'clock in the evening, but at no time was there a big rush, and the election inspectors could handle the vote with ease.

The candidates elected are George Mooi, Dr. A. Leenhouts and Henry Winter.

Mooi received the largest number of votes, his total being 264.

The rest of the ballot follows:

George Mooi	264
J. Henry Van Lente	122
Abraham Leenhouts	237
Henry Winter	274

PROSECUTOR FRED T. MILES TELLS OF HIS CASES IN OTTAWA CO.

Prosecutor Fred T. Miles believes that prohibition does prohibit and that wide open saloons mean more drunkenness. In a compiled statement taken from the Ottawa County Court records, he draws a comparison between the days of the flowing bowl and the later days of great drought. Mr. Miles in a resume of these periods has the following to say:

"The following figures relative to drunkenness are taken from the reports of Prosecuting Attorneys of Ottawa county to the Attorney General's report covering the years 1911 to 1921, inclusive (11 years).

"The Michigan Prohibition Law took effect May 1st, 1918; United States Law—Volstead Act—took effect October 1919.)

"The Prosecuting Attorney's reports are made up from reports to them by justices of the peace. In these cases there is generally a plea of guilty.

Drunk Cases	
Before Prohibition	After Prohibition
For the Year 1911.....	372
1912.....	202
1913.....	368
1914.....	360
1915.....	379
1916.....	536
1917.....	346
For the Year 1918.....	63
1919.....	36
1920.....	11
1921.....	24

"During each of these years a number of arrests were made under the act relating to 'disorderly persons neglecting to support their families, gambling device operators, habitual drunkards, and others. Most people complained of because of drunkenness during the past three years have been habitual drunkards—those that formed the habit under the saloon days, and are now being charged as habitual drunkards.

"The attorney general's department informs me that similar results to those in Ottawa county have been reached in other counties where an honest attempt has been made to enforce the prohibition law. The officers over this county inform me that they are picking up drunk people more closely than they did in the saloon days, and that 'one drunk' occasions more talk now than a large number did in saloon days.

"FRED T. MILES."

The Grand Haven Tribune of 20 years ago says "James D. Stewart was chief engineer of the Graham & Morton steamer Puritan."

A civil service examination to fill a vacancy in the custodian service will be held at the Holland postoffice on July 25th. The job carries a salary of \$660 and a bonus of \$240. Information may be secured at the postoffice.

FLASHES GEMS ON STEAMER PURITAN; THIEF GETS THEM

Jewels Worth \$15,000 were extracted from the state room of Mrs. C. M. Lauritzen, Chicago society woman, as she and her husband were returning from a lake trip on the steamer Puritan.

Presumably the wily thief employed a pole with hooks and worked from the outside window, as Mr. and Mrs. Lauritzen were asleep. Their door was securely locked and the jewels were in the stateroom when they retired. Mrs. Lauritzen had worn them in the dining room and afterwards placed them inside her handbag, which she hung on the wall of the stateroom. The hook upon which it hung was not far from a window and the thief with a cane to which hooks were attached could easily have reached them.

The steamer Puritan was at one time one of the large boats on the Holland and Chicago run.

A Michigan barber was arrested for running a blind pig in his shop. Probably gave his customers choice of hot towel or hot tooth.

It must be nice to be a banker and have nothing to do but open up occasionally between holidays.

Mr. and Mrs. Frank Johnson returned after one week's visit in Sprng Lake ad Grand Haven.

Marine Van Putten of Grand Rapids is in the city on business.

UNIQUE WEDDING OCCURS ON WEST NINTH STREET

At 10:30 Saturday morning at the old Cappon home, Miss Edith Cappon, daughter of the late Isaac Cappon and wife, was united in marriage to Mr. E. Paul McLean.

The home was beautifully decorated with pink roses and as the guests entered they were presented with a rose to which the following verse was attached:

In days of yore the bride so fair
Had heaps of rice thrown in her
hair.
But rose leaves pink befit our
bride
As she embarks upon life's tied
So pluck the petals from this rose
And shower them on her as she
goes.

The Rev. Dr. Martin clad in clerical gown led the way to an altar of ferns and hydrangeas. He was followed by the best man, Franklin Cappon, brother of the bride. The groom, clad in conventional black, followed immediately after.

Miss Lavina Cappon, sister of the bride wore a gown of orchid canton crepe and carried a colonial bouquet of ophelia roses. She preceded the bride to the altar as bridesmaid. The bride entered last, to the strains of Lohengrin's Wedding March, played by Miss Mary Bliss of Detroit. Miss Cappon was attired in white canton crepe, trimmed in crystal, with a beautiful veil of tulle fastened to a crown of real Princess point lace with orange blossoms, and carried a shower bouquet of bridal roses, lily of the valley and swansonia. The mother of the bride wore a handsome gown of black faille and georgette with a huge corsage bouquet of deep red roses.

After the ceremony a two course luncheon was served of which all the guests partook.

Amid showers of rose leaves and confetti the happy couple left for a three weeks auto tour of the East before settling in their new home in the parsonage of Rockaway Reformed church, White House, N. J., of which Mr. McLean is now pastor.

Mr. McLean is the youngest son of Mr. and Mrs. C. M. McLean and is a graduate of Hope College and New Brunswick Theological seminary. The bride was a graduate nurse of the Presbyterian hospital, Chicago. Both bride and groom were born in Holland and received their preparatory education in our public schools and the best wishes of the people of Holland go with them.

Those who came to town for the wedding were John Quigley, East Orange, N. J.; May Sullivan, Mt. Clemens; Florence Carlson, Rockford, Ill.; Mary Bliss, Detroit; Douglas Roby, Detroit; Marvin DeVries and Franklin Cappon, Ann Arbor; Peter, Etta and Hazel Van Dommelen, Grand Rapids; and Miss M. Browning, Battle Creek.

GIVES KITCHEN SHOWER FOR MISS EDITH CAPPON

A shower of modern kitchen utensils was held Wednesday at the home of Mrs. Austin Harrington in honor of Miss Edith Cappon who is soon to be a bride. Elaborate refreshments were served. The color scheme was pink, the house being decorated with that color. The shower was a neighborhood affair, in the nature of a farewell to Miss Cappon, to show the place Miss Cappon held in the lives of those near her.

Earlier in the week showers were given for Miss Cappon by Miss Vaupe and by Miss Anne Visscher.

HAS FIRST SHIP LAUNCHING IN QUAR- TER OF CENTURY

For the first time in many years Grand Haven saw a launching on Thursday. At the shipyards at the north end of Second street the tug for the Johnson Gravel Co. took to the water at about three o'clock.

The launching Thursday was the first to take place in Grand Haven in many years. Fully 25 years have passed since the last big wooden ship took to the water, but prior to that time many launchings were events of considerable importance. At one time each yard launched a ship on the same afternoon. Some hitch in the arrangements caused boats to stick on the ways, and both boats would slide from the ways at the same time.

The ship building industry at Grand Haven passed out of existence many years ago. Of the 300 or more ship carpenters only a few remain. James Hanna of Ferrysburg, who worked in the old Duncan Robertson yards in the early days, was in charge of the building of the new tug which took to the water on Thursday.

FARM AGENT TO GIVE CULLING EXHIBITION

C. P. Milham, county Farm Agent will give demonstration of culling hens and selecting breeding stock within the next few days. This will be of immense value to the poultry raisers as they will learn the methods of eliminating the unprofitable birds.

Friday, July 7, at 5:40 p. m. at the farm of C. E. Barr in Spring Lake and on Monday, July 10 Ottawa poultry raisers will be given a chance to see a demonstration at the yard of G. J. Van Westrienen on 530 Franklin street, Grand Haven at 5:30 p. m. The reason for the time selected is so that the raisers who work will be given the opportunity of seeing the demonstrations. Some of these demonstrations have been conducted before but many did not have the chance to witness them so that another showing is to be made for this reason.

Prof. Berkhoff of Calvin College will have charge of the services at the 9th St. Christian Reformed church Sunday.

REV. VELDMAN'S CHURCH IN DETROIT DEDICATED SUNDAY

A program has been received by this paper telling of the dedicatory services to be held in Detroit, when the beautiful new church edifice of which Rev. Henry J. Veldman, the pastor, shall be officially opened.

The picture of the pastor appears on the title page, while a photo of the church structure can be seen on the second page. The opening program in the new church took place Sunday morning and was in the Holland language while in the afternoon a program of English services were held. Sunday evening another program was given, four divines taking part. All together twelve pastors of different churches took part in the separate dedicatory services and naturally music and other features also held important places in the programs.

On Tuesday evening a large church social is to be held as one of the features and as a fitting ending to the week's doings an organ recital will be given Thursday evening.

The church is named the First Reformed church of Detroit and is located on Henen and Stuart avenues. Rev. Veldman for many years was a very successful pastor of the First Reformed church of Holland.

WHAT AN ORDERLY CITY GRAND HAVEN MUST BE

The Grand Haven police force was recently assembled to appear in movies being taken of the city. Chief Pippel and two men appeared.

"Where's the rest of the force?" inquired F. J. Foy, the operator.

"This is our force," replied the chief, who also acts as chief of the fire department.

Grand Haven claims the smallest police force of any city of its size in the state. It has 7,000 residents. —Detroit News.

REV. VAN KERSEN TO SPEAK AT SUNDAY AF- TERNOON MEETING

The second of the series of Sunday afternoon meetings in Centennial Park under the auspices of the Men's Federation of bible classes will be held Sunday afternoon at four o'clock. Rev. W. J. Van Kersen will be the speaker of the afternoon, and the quartet of Trinity church will furnish the music. An interesting program is assured and the public is cordially invited.

In view of the lack of hymn books, the singing by the crowd presented difficulties last week. President N. J. Jonker Saturday asked all persons to bring along with them the hymn book called "Joy to the World."

MAKES DISPLAY OF RADIO APPARATUS

Holland radio fans, as well as any others who are not yet fans but who at least have a casual interest in the subject, now have a good chance to see what radio apparatus looks like by taking a squint at the show window of the H. Van Tongeren Cigar store. Mr. Sirrine and Mr. Clyde Geerlings have placed all kinds of radio equipment in that window, and that display is attracting a good deal of attention.

Mr. Sirrine and Mr. Geerlings are perhaps the most enthusiastic radio fans in the city and they are doing much to interest other persons in the subject.

DEBONAIR YOUTH STEALS \$1,000 IN GEMS FROM HOME

A debonair and well groomed young man Sunday night crawled into a side window at the home of James H. Fox, manager of the Rindge-Krekal company, Grand Rapids, skillfully picked out valuable gems from an assortment of jewelry and stepped out the front door as the residents were seated on the front porch who believed the stranger had made a social call. The jewelry taken was valued at \$1,000.

IOWA PAPER TELLS OF PASTOR'S LIFE

A copy of the Inwood, Iowa, newspaper containing the notice of the death of the Rev. Dirk Scholten, has been received. The notice of the death was printed at the time, but the Iowa paper contains some information about the life of Rev. Scholten which may be of interest to his many friends here. It is reprinted in part:

"The Rev. Dirk Scholten was born in 1852. He was a son of Mr. and Mrs. William K. Scholten.

"Moved to America in 1870 and the family settled at Chicago. In 1875 they relocated settling at Alton, Iowa. Graduated from Hope College, Holland, Michigan, 1883, and Western Seminary, Holland, in 1886. Licensed to preach and ordained by the Reformed Church in America in 1886.

"Pastorates: 1st Reformed church Lector Kas, 186-1891; 1st Reformed church, Muscatine, Ia., 1891-96; 1st Reformed church, So. Blenden, Mich., 1896-1908; Classical Missionary, Classis of Pella, Ia., 1908-11; 1st Reformed church, Edgerton, Minn., 1911-14; Classical Missionary, Classis of Iowa, 1914-21. Retired from the ministry October 19, 1921. Resided in Inwood 1914-1916. Located here permanently in 1920.

"Death resulted from a complication of diseases after an illness covering four months. He is survived by his widow, six sons and two daughters: William K., of Spirit Lake, George, of Walkidell, N. Y., Walter A. of Tarrytown, N. Y., and Alfred C., Adrian H., Mamie H., Alice E., and Peter of Inwood. Also by one brother, Gerrit J. Scholten of Corsica, South Dakota, and one sister, Mrs. J. Vrijemeit of Alton, Ia."

FIRE FRIDAY WAS DISASTROUS TO PROFESSOR'S HOME

Both fire departments were called out Friday forenoon to one of the most disastrous fires in a residence that people here have witnessed for a long time, when an alarm was sent in from the residence of Prof. Egbert Winter, 274 W. 14th street. It seems that the fire had taken a strong hold on the building before it was discovered by the family, and when the fire departments arrived the upper part of the building was a mass of flames. It is supposed that the fire originated from burning some paper in the furnace.

The upper story of the home was very badly damaged, and the kitchen was also seriously burned. The roof was practically destroyed completely, and the ceilings of the upper half of the building were also badly burned.

The firemen battled with the flames for the greater part of an hour before the whistle sounded that the fire was out. While the lower part of the house was not seriously burned, it suffered a good deal from water that was poured upon the fire.

A good deal of the furniture was carried out of the lower rooms by members of the family and neighbors, but the furniture on the second floor was for the most part a total loss.

The amount of the damage was roughly estimated at approximately \$2,000.

YOUTH IS RUN OVER BY AUTO FRIDAY MORNING

Arthur John Alverson, 15 years old, living at 26 West 3rd street, was run down by an automobile Friday morning at the corner of Maple Avenue and 12th street. The car was a Chevrolet driven by a Mr. Smith and the driver did all he could for the boy, taking him to the hospital.

When the boy and machine collided, the boy was on a bicycle on his way to the Poole farm where he was to have put in the day picking cherries. The car knocked the boy off the wheel and threw him onto the fender, from which he slipped down and the wheel of the car passed over his left arm, considerably tearing the flesh and cutting a hole in his left elbow. No bones were broken. The bicycle was completely demolished.

NEW MERCHANT AR- RIVES IN HOLLAND

Mr. Frank Duhrkoff of Riverville, Washington, who is to manage the new J. C. Penney Company department store at 40 East 8th street, has arrived in town. The work of getting the new store in readiness for the opening already is well under way.

Mr. Duhrkoff is one of the most experienced merchants of this nation-wide institution. He brings with him unusual qualifications, and, under his management, the new store gives promise of quickly becoming not only successful but one of our future popular shopping places. The J. C. Penney Co. is about to open 59 new stores throughout the United States. It then will have a total of 371 department stores in operation in 29 states.

PASTOR WANTS TO STAY IN ZEELAND

Rev. D. R. Drukker last week received an invitation to preach in the First Presbyterian church of Passaic, N. J. The dominie has decided not to comply with the invitation. The probability exists that the invitation was sent with the view of extending a call to Mr. Drukker to become their pastor as that church is vacant now. The First Presbyterian church of Passaic is the largest in the city and its members are among the most wealthy, assuring a pastor of a most respectable salary.—Zeeland Record.

PAROCHIAL SCHOOL AMENDMENT NOT TO GO ON BALLOT IN NOV.

Three proposed amendments to the Michigan constitution were killed automatically at 5 p. m. Thursday when proponents of the measures failed to file petitions carrying the 105,000 signatures necessary to submit them to the voters at the forthcoming state election.

The amendments included one that would require all children of school age to attend public schools and in effect abolish parochial and all private schools; another, to abolish the moiety clause and to make apportionment for the state legislature strictly on a population basis and the third to make the office of superintendent of public instruction appointive instead of elective.

OTTAWA CO. REALIZES NEED FOR ACTION IN CATTLE DANGER

The quashing of the tuberculosis eradication by the supervisors at their last meeting does not seem to have put a stop to the controversy regarding it and the question is still being kept hot by those who were interested in putting it across and who realized the need for the measure.

In 1921 the number of animals tested in the county was 1,027 and the number of reactors found was 124 or 12.07% of the cattle tested. The amount of indemnity paid by the state in these cases amounted to \$5,778.94.

During this year so far 1,761 animals have been tested for the disease and 206 were found to be reactors to the test. This gives a per cent of 11.07. The amount paid by the state so far was \$1,052.50. The grand average of reactors for the cattle tested was 11.84%.

There are 33,240 head of cattle in the county it is estimated by the Farm Bureau and if the percent holds true in the tests of these the loss of the Federal indemnity which would be gained by county co-operation will amount to about \$150,000. This is a large enough amount to be felt if taken in or out of the county. So far \$9,240 has been lost in Federal indemnities.

The cattle tuberculosis menace is getting to be felt in the county and farmers all over are asking why action was not taken. It is pointed out that unless the disease is curbed it will soon get to such a stage that Ottawa county products will be blacklisted and a cleaning up campaign will have to be held that will be of a very expensive nature.

Report of the Condition of

There is an acute shortage of labor in Fennville to harvest the large fruit crop. Currant pickers are very scarce. Girls who usually have helped pick fruit this year have found employment at the canning factories and this has seriously interfered with harvest.

GRAND HAVEN COAST GUARDS FAIL TO FIND "GOLDEN GIRL"

Herman Castle, No. 1, of the U. S. Coast Guard crew in command of the big power boat at Grand Haven station cruised the lake for 15 hours Saturday and Sunday in search of the gasoline boat, "Golden Girl," reported disabled in the lake. The Grand Haven station was notified by a long distance call from Racine, Wis. Saturday that the "Golden Girl" was sighted in a disabled condition about 45 miles off Milwaukee. The report had been made by one of the car ferries out of Milwaukee, and the U. S. Coast Guards were asked to send boats out to find the missing craft if possible.

Mr. Castle with four members of the Grand Haven crew, manned the big power life boat and started out, getting away from the harbor at 11:30 Saturday morning. The weather held fine all that day and fine visibility maintained over the lake. The big boat cruised directly on the Milwaukee course for many hours and then moved south in the belief that the prevailing north and north-westerly winds might have carried the disabled craft south. Well to the southward the life boat passed a big ore boat bound down the lake and hailed the skipper. No one on the ore boat had seen anything of the "Golden Girl." Running back thru the darkness the big coast guard boat kept a sharp look out in the darkness. No trace of the missing craft was found however. The life boat reached Grand Haven at 1:30 Sunday morning.

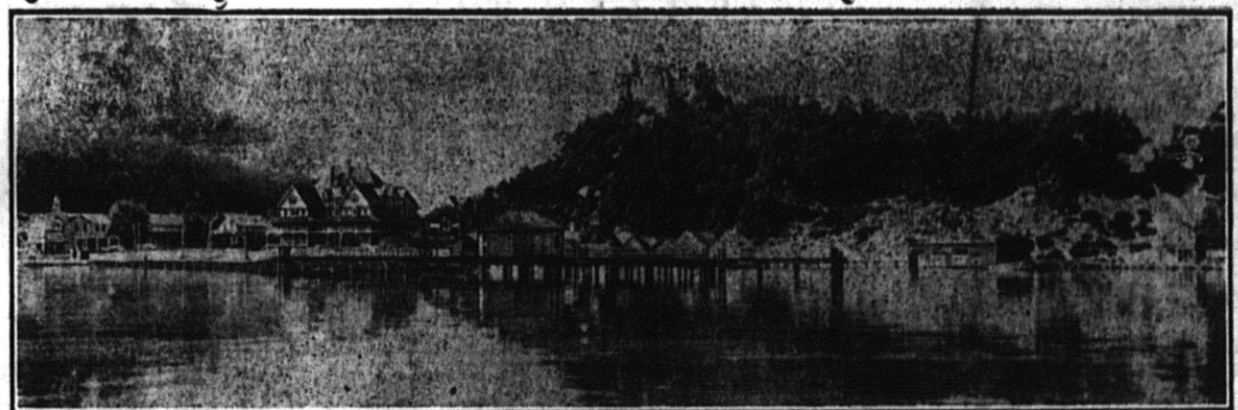

It is believed that other coast guard boats were out from the west shore stations, but no report has yet been made as to whether the mission boat was picked. "The Golden Girl" is rather a large craft, with a cabin over all, thus assuring protection to those riding in her, regardless of the weather. Fine weather has prevailed most of the time since the craft was first reported missing and no great fear has been felt for her crew, on that score.

Mrs. Clarence Lokker left Saturday for a visit with relatives in Lenox, Mass.

Miss Helene VanderLinde, bookkeeper at DeVries & Dornbos, is on a two weeks' vacation and will spend it in Orange City, Iowa.

WITH THE OPENING OF THE RESORT SEASON

This is the season of the year when tourists come from far and near to

HOLLAND AND ITS RESORTS

Holland knows of the bargain values that this firm has given for years, that is the reason we have built up such a wonderful clientele in this vicinity.

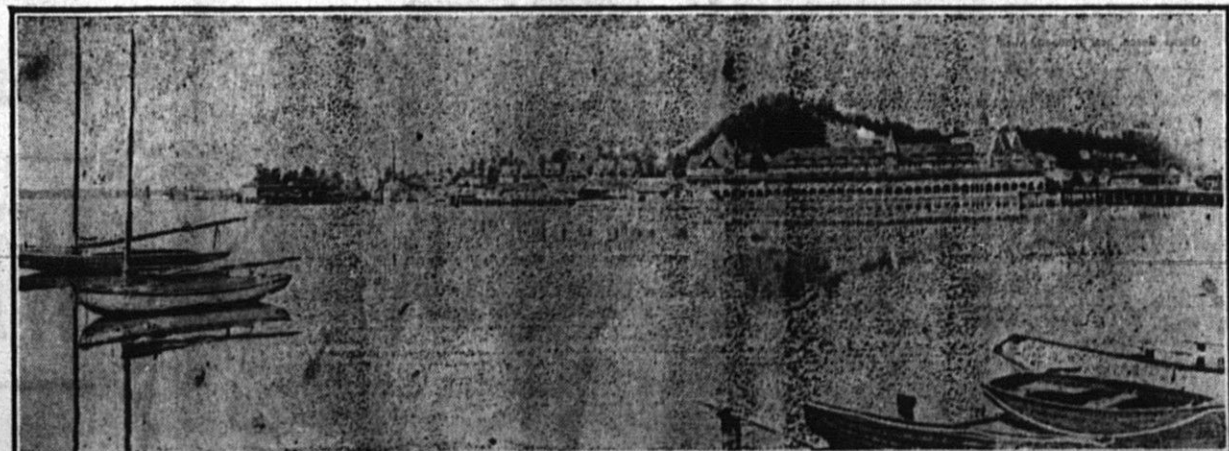

Holland also wants its Share of the Tourist Trade

The way to get that trade is to treat the stranger within our gates with all the courtesy at our command and give them a square deal always.

THE LOKKER-RUTGERS COMPANY

not only invites Holland and vicinity to its place of business, but also every tourist is welcome here. Any information we may be able to give, any favor we can readily extend, will be willingly and graciously given our summer visitors.

We carry a full line of summer goods, bathing suits and other things incident to a summer outing. These seasonable things we have on hand. But Listen, our double store with three floors are simply filled with Men's and Women's Shoes, Men's and Children's Clothing and everything in the line of Gent's Haberdashery. If you want to be dressed properly come to this emporium. Let us be your outfitter.

John Benjamins who was arrested on a liquor charge was arraigned before Justice Brusse and demanded an examination. The date has not yet been set because Prosecutor F. T. Miles is busy with many other cases.

The schoolmaster evidently was abroad when signs were made at either end on the closed part or the Monterey road. At one end the public is told to "detor" while at the other they must "detur." This sounds quite like the spelling of a college graduate.—Allegan Gazette.

Grand Haven's column of twenty years ago has the following: "Dr. A. Vander Veen had brought back from Bermuda some fine pictures of the Boer prisoners of war held there by the British."

"They shall not pass" was an excellent slogan for Verdun, but it is very annoying on the highway.

Prof. Paul H. Streeter, assisted by Miss Flora Craig will instruct classes in dancing at the Big Pavilion this summer.—Saugatuck Commercial-Record.

G. J. Diekema is on a two weeks' vacation. He is spending it close at home, namely at his cottage at Macatawa Park.

Clarence Lokker was in Muskegon Tuesday evening.

Word has been received that Ed Johnson, Luther, Michigan, had died. Old residents will remember Mr. Johnson as being a school teacher at Fillmore, some 35 years ago. He married a Holland girl, the daughter of Mr. Thomas Purdy, better known as "Berry" Purdy who lived for many years at what is now Montello Park. Mr. Johnson is survived by a wife and one son.

Miss Jeannette Mulder and Miss Metta Ross of the local High school are on an extended trip over the Great Lakes. They took the big tourists' steamer North American from Chicago and are taking in Mackinac Islands, Sault Ste. Marie, Houghton, Duluth, Perry Sound in Canada, and other points of interest that the Great Lakes have to offer. Postal cards received by Mr. J. B. Mulder give the information that they are having a delightful time.

The Citizens Telephone Co. of Holland are distributing their new directories. These of course are up to date and the information given is largely the same as is found in former directories. The Zeeland directory is found in the back of the book. The fire alarm boxes in this city are also printed as before.

After visiting relatives in Holland for two weeks Mr. and Mrs. C. Weststrate and Mr. Harold Van Lente have returned to their home in Oskaloosa, Ia.

The squirrel cage in Centennial Park, once the joy of many youngsters in Holland has been torn down.

Mr. and Mrs. Sweeney are visiting in Holland. Mr. Sweeney two years ago was the athletic coach at the Holland high school. Mrs. Sweeney before her marriage was Miss Ruth Brown of this city.

Mr. and Mrs. H. M. Ferry and Mr. Geo. D. Gray of Detroit were the guests of Miss Kittie Doesburg of Tenth street. Miss Doesburg has accompanied them on their return trip by auto to Detroit where she will spend a few weeks.

The American Legion band gave a second band concert at Macatawa last evening for the purpose of boosting the sale of Chautauqua tickets. Between play speakers advanced the interest of the local chautauqua that the Willard Leenhouts Post of the American Legion, Holland, was to receive some of the benefits.

HAMILTON

Mr. Editor—As I have noticed an article in your issue of July 8 regarding Mr. Fred Scheerhorn, playing ball with one hand in Hastings, I will say that he is an expert at the game and very much credit is due him as a brave soldier in France, having fought for our country, and was severely wounded. He suffered for the cause of freedom and let us one and all rejoice, that he returned to our glorious country under the stars and stripes which never has failed. And as a ball player he need not take the back seat for any of them as he pitched a fine game in our village on Saturday, July 8 defeating the Warm Friends of Holland by a score of 9 to 3 in favor of Hamilton.

Mr. Scheerhorn formerly was a member of the Warm Friends, and being dissatisfied with him and for some reason dismissed him May 1 but the way he pitched ball for us last Saturday, I think the Warm Friends team made a bad mistake as they all seemed to be peaved when Scheerhorn stepped in the box.

Let all honor be due him as a brave American soldier.

Sincerely yours,
HAMILTON CITIZEN.

In a seven inning game at Hamilton July 8 with the score 5 to 0 in favor of Hamilton in the 5th inning two of the players of the Warm Friends ball team of Holland, quit on account of Umpire Eding's decision at first base. The rest of the team convinced that it was a fair decision, picked two fellows from the crowd and scored three runs in the remaining two innings, showing that they are good fellows besides good ball players. Fred Scheerhorn of Holland pitched a fine game for Hamilton. Score 9 and 3 in favor of Hamilton.

JACOB EDING,
Hamilton, Mich.

Editor's Note—Our Hamilton neighbors should not get too excited about a little base ball game. The Warm Friends team are really what the name implies and are a fine bunch of young men. Do not place too much stress on what a few fans on the side lines have to say. The excitement carries many a base ball fan off his feet whether that be a Holland or a Hamilton fan. Play another game and forget it, that's the spirit.

THIRTY-FIVE YEARS AGO

The excursion steamer, Macatawa plying between Holland and the resorts was sold under a mortgage of \$1600. W. A. Williams purchased the craft for the face value of the mortgage. Note—This steamer for many years was the main means of taking passengers to and from the resorts. The steamer docked in the slip at the foot of Fifth street. During July and August the steamer always carried a band aboard and from the top of the pilot house Will Thomas and his men played before the boat left and as it was starting out on a trip to the resorts. The same procedure was resorted to at Macatawa thus attracting tourists to take a ride.

Toyn De Kruij of Zeeland has sold his famous and promising race horse "Roy" to parties in Minneapolis, for \$2,000 in hard cash. Note—"Roy" was the homeliest horse possible, it had a head like a chestnut burr, but oh! how that nag could go. "Roy" was prominent at the Holland fair when "Turk" and "Montague Boy" of Holland and "Stockyard Billy" of Muskegon were making wonderful records. Holland was some race horse town in those days.

It is almost a settled fact that next year a line of boats running from Chicago to Holland will be established and there is no reason why the line should not pay well. Note—The boat line did not come until two years later and it didn't pay well, as the News predicted. Many Holland men lost money in the first Chicago-Holland boat line venture and a boat line never really made money until the Graham & Morton took hold. The first steamer built by Holland capital was the old steamer "City of Holland." It was built at Saugatuck and dubbed the "old tub" by all marine men. She was the greatest ship to encourage sea-sickness imaginable. How that old girl could roll!

THIRTY YEARS AGO

M. Van Putten has bought out the news stand of M. G. Manting. In due course of time he expects to occupy the one story frame building to be vacated by the Holland City Bank. Note—The building mentioned was on the site now occupied by the Fris Book store and was the bank building in which the private bank of the late Jacob Van Putten sr., conducted business. Later years Marinus Van Putten sold the book store to the late L. Fris, father of the several Fris boys who have conducted the business since their father died. Jacob Fris is the present owner.

TWENTY-FIVE YEARS AGO

Slang of 25 years ago—"I just think it's too utterly utter the way that Holland girl spits slang" says a Grand Haven girl to a Holland friend. "My! If I twirled my talker

as she does my blooming old dad would tan my duds, until the dust was thicker than fleas in fly time." "You betcher hump, and serve you right," replied the Holland girl. "My parents are sunflowers of the same hue, and if I should make a raw crack in my conversation they'd thrash the cussedness out of my anatomy quicker 'en chain lightning." After both ladies proceeded to suck the juice of a lemon through a stick of candy.

Waukazoo Inn, the beautiful cozy hotel erected last winter in the large natural woods on Black lake was opened for the first time Monday night. Over 400 folks from Holland and the resorts came to congratulate Attorney J. C. Post of Holland and Judge J. C. Everett of Chicago, who is the new proprietor. The Steamer Post Boy brought the guests and a program of singing and dancing was indulged in.

A very pretty wedding occurred at the home of Mr. and Mrs. A. E. McClellan, 169 East Fifth St. when their daughter, Miss Maud, was united in marriage to Henry TeRoller of Holland. Rev. P. E. Whitman performed the ceremony, while Miss Clara McClellan played the wedding march. A solo was beautifully rendered by Miss Florence Taylor. The bride was prettily gowned in white voile and carried a bouquet of roses and swansonia. She was attended by her sister, Miss Laura McClellan while Lloyd Kanter was best man. Note—This newly married man went under an assumed name. He called himself Henry, but his name really is "Spriggs" at least that's the only one we ever heard. Anyway Spriggs or Henry is just as happy as a clam even ten years later.
