and Hendrik Kuiper, is unknown, and
the whereabouts of their unknown
heirs, if any, is unknown.

A "TUCKED AWAY" CHAUTAUQUA

IT'S LIKE "HIDING THE CANDLE UNDER THE BUSH"

If one was to hide away in this city the best street to start on would be Graves Place. Except during school hours, this is about the quietest lane in the city.

Few autos go down Graves Place for the reason that there are but few people living on this short street of one block, which by the way, is a continuation of Eleventh street, chopped off on the West by Centennial Park and to the East by Hope College Campus. Graves Place was named that because at the head of it can be found Graves Library on Hope College campus.

Tucked away in this little street on the school yard is the chautauqua tent, standing out about as prominent as a needle in a hay stack, but since there are no available open spaces left that are centrally located the committee did the next best thing, tucking this chautauqua away on Graves Place and possibly after reading this article folks will have great sport trying to find it.

Remember, altho obscurely located, there are some mighty good programs going on back of the big Central Ave. church, and in which the ex-service men are just now vitally interested.

Come on, let's find the chautauqua tent and boost the project along.

MASTER PAINTERS SIT DOWN TO A BIG CHICKEN DINNER

That the local Master Painters and Decorators gave their guests just about the best time possible is borne out from the fact that the delegates without an exception are simply bubbling over with praise saying that never have they been accorded such wonderful treatment with such a diversified program as at Holland.

In the first place the place of the meeting at the city hall was ideal, cool and free from noise.

The park across the way was restful.

"You showed us your most beautiful town and its industries and its parks. You gave us a ride on a wonderful inland ocean. You entertained us at the largest dancing pavilion with the most ideal music obtainable, you housed us with exceptional hotel accommodations, surrounded with the beauties in nature, Lake Michigan on one side, and Macatawa bay on the other."

"You gave us a wonderful banquet, and now you're winding up the convention exercises with a picnic under the trees, with chicken as the main entree on the menu card."

That in substance is what the delegates are saying individually and collectively, and the praise and thanks are heard on every side, and if this convention does not advertise Holland and vicinity as a good convention town, then nothing, every will.

After the chicken dinner the following program of sports was pulled off, and the delegates are now packing up, ready to go to their respective homes.

Running Broad Jump for Men—1st prize, fountain pen; 2nd prize, pocket knife.

Balloon Blowing Contest for Ladies—1st prize, silk hose; 2nd prize, bar pin.

Shoe Race for Boys—1st prize, Eversharp pencil; 2nd prize, base ball and bat.

Nail Driving Contest for Ladies—1st prize, Electric Curling Iron; 2nd prize, Compact Case.

Three Legged Race for Men—1st prize, bill fold; 2nd prize, flashlight.

Ball Throwing Contest for Ladies—1st prize, lady's umbrella; 2nd prize, six handkerchiefs.

100 Yard Dash for Men—1st prize, fish pole and reel; 2nd prize, Tanager bottle.

100 Yard Dash for Ladies—1st prize, Leather purse; 2nd prize, Bottle perfume; 3rd prize, Week-end package.

Indoor Base Ball Game.

The week's doings of the Painters and Decorators association will be found on page five of this issue.

STATE PAINTERS HAVE UNIQUE BADGES

The bronze badges decorating the breasts of the delegates attending the Michigan Painters and Decorators association of Michigan are very unique and tastefully gotten up.

The badge represents an artist painter's palette with brushes, upon which a Dutch windmill stands out in bold relief.

The wording on the very artistic design is "Master Painters and Decorators Association of Michigan, 1923, Holland, Michigan, July 10-11-12."

The disc is attached to a copper frame with a red, white and blue ribbon and in the copper frame, the name of the delegate and wherefrom is typed which immediately introduces the wearer to fellow delegates during their association in this city.

All the delegates need do is to look at the name in the frame and shake hands. Quite a unique way of introduction.

The local committee having the badges in charge surely picked a design that is very appropriate.

It is therefore ordered that the said defendants enter their appearance in the above case within three months from the date of this order, and that within forty days from the date of this order the plaintiff cause a copy of the same to be published in the Holland City News, a newspaper published and circulating in said county, said publication to continue each week for six weeks in succession.

Dated July 6, 1923.

ORIEN S. CROSS,
Circuit Judge.

The above suit involves title to the following described real estate situated in the township of Holland in said County, to-wit: The Northwest quarter (¼) of the Northeast quarter of Section Eleven (11) Township Five (5) Range Fifteen (15) West.

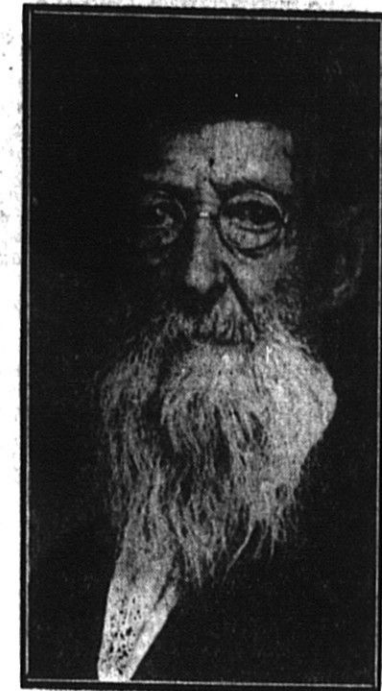

Fred T. Miles,
Attorney for Plaintiff.
Business Address, Holland, Michigan.

PAINTER OF 93 SUMMERS A GUEST AT BANQUET

JOSEPH WARNER IS TAKEN INTO
CAMP BY THE STATE
PAINTERS

On the back "fly-leaf" of the banquet program of the Michigan Painters and Decorators Association held at Ottawa Beach, Holland's oldest painter jumps into prominence, for not alone is his picture there displayed but the committee in charge of the programs had inserted the following reading matter:

"A Young Boy of 93 Summers
In Joseph Warner, Holland lays

JOSEPH WARNER

claim to the oldest sketch, landscape and portrait painter in the U. S. As a welder of the brush, in the decorative line he has also shown great efficiency. This genial painter came to Holland 25 years ago and is now 93 years old, and has the love and respect of the entire community. Mr. Warner is a guest of the Master Painters and Decorators Association at the banquet tonight.

"Above is a likeness of this old gentleman. Pick him out and say 'Howdy.'"

HOLLAND POULTRY MEN TO GO TO LANSING

Several poultry raisers and a goodly number of poultrymen from Ottawa county are planning on attendance at the Inaugural Convention of the Michigan Poultry Breeders' association which will be held at the Michigan Agricultural college today and Friday, in the Poultry building.

Geo. Caball of Zeeland, state and nationally known chick breeder of prize winning utility stock, will be on the program for a poultry experience meeting on the second day as will Miss Margaret Strick of Jamestown who owns one of the finest model poultry houses in the state of Michigan according to statements made by college poultry authorities who have visited her place.

Speaker of national reputation will be found on the program also.

AGILE SNAKE GIVES MAIN ST. CROWD EXCITEMENT AT GRAND HAVEN

A snake evidently coming from nowhere in particular, caused quite a sensation in the second block on Washington St., Grand Haven, Wednesday afternoon. The affair took place in front of the Joe Lehman Tonsorial Parlor. A big black snake evidently brought in from the country in the engine of a Ford car, caused all the commotion. It was observed escaping from the Ford car and was chased across the street to an Oakland owned by J. C. Jorgensen. It coiled around the rear axle of Mr. Jorgensen's car and uncoiled and was induced to come out on the street where Frank Reimer, a jeweler managed to slay it with a broom which was handy.

URNS HOME INTO A POKER HALL

The Holland police have been "pulling" some regular "big city stuff" and Tuesday seven gamblers were caught "red handed," all paying heavy fines before Justice Van Schelven where they were arraigned and pleaded guilty.

Chief Van Ry had known for some time that a quiet game of poker was going on at the home of Bert Holwerda, 39 East 16th street, and detailed Officers Steketee, O'Connor and Zwerling, assisted by Sheriff Ed Vander West of the Sheriff's department, to raid the place.

Officers saw a crowd go in, in one's and two's and about the time when they were well set, and interested in the game, officers knocked for admission, and not getting any quick response, they broke down the door and saw some of the cards and money on the table as not enough time was given the gamblers to make way with the evidence.

Holwerda in whose home the gambling took place became sassy with the officers stating that nobody was going to enter his home unasked, but the minions of the law gave him scant consideration.

The names of the men caught are George Nienhuis, Sam Meuwisen, John Stevens, Steven Panos, Jim Preston, and Nick H. Kamphuis, who each paid a fine of \$50.00, while Holwerda, the owner of the place paid \$75.00 for being sassy.

Besides the fine Justice Van Schelven lectured the men thoroughly, stating that gambling of friends among one another meant nothing more than beating families out of living necessities.

J. J. Riemersma and Wm. Van Putten motored to Grand Rapids Wednesday.

GEORGE GETZ AGAIN COMES TO THE FRONT

BUILDS A CEMENT WALK FROM
LOOP TO THE BATHING
BEACH

When anything is of vital importance and helps Holland, George Getz of Lakewood is never found wanting. With the fair, our baseball team, our public highways, or our civic improvements, Mr. Getz is always the man "who helped put it over."

He nearly got a depot for us once giving the officials of the Pere Marquette road a banquet that must have cost him a "pretty penny."

The deal was practically closed when the war came, which "knocked in the head" all building operations that could wait, but who knows, maybe George will get back of a new depot again.

Recently the Ottawa county road commissions were temporarily short of funds to continue the road to Alpena Beach where hundreds go bathing nightly in the summer time.

Some one said, "Let George do it," George wasn't slow in coming across with \$10,000 to finish the road.

No sooner was the money available when men and machinery were on the job laying the concrete, and within 10 days a 16 foot drive will be completed to the first hill, to the east.

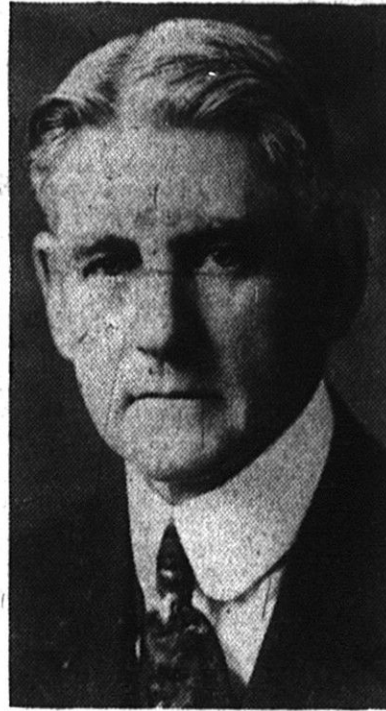

With this finished the boulevard will be complete clear to Holland.

The beauty of this extension is that a wide loop has been built curving around among the large beech trees making the turn at the extreme west and near the bluff very easy.

From the oval to the steps leading to Lake Michigan, Mr. Getz has constructed a wide cement walk of nearly 100 feet at his own expense and for the convenience of the public who bathe in Lake Michigan at that point.

Mr. Getz intends to improve the property further by making a large flower bed of the earth that is inside of the oval, banking it high with potted plants, and having the bank in the center pyramided with flowers contributed from his own greenhouses.

Mr. Getz will see to it that these flower beds are kept in shape as long

GEORGE GETZ

as motorists and pedestrians do their share by using the ordinary precautions, not to damage the flower bed.

The Ottawa County Road Commission will put up the proper safeguards in the way of iron railings and will establish parking zones along the highway near this point which will not only be a convenience to bathers, but will enable Mr. Getz to get in and out of his property at the different gateways without first moving several machines as has often been the case in the past.

In this particular, motorists surely ought to show some sense and not park directly in front of a property owner's gateway, thus preventing him from gaining access to his own.

This is not allowed in the cities by ordinance and the road commissioners consequently will zone certain district where motorists can park conveniently without bringing about a congestion in the loop and at the gates of a man's property.

ALLEGAN TOWNSHIPS' VALUATION REDUCED

When the valuation of Allegan county real estate property was reduced \$3,000,000 by the equalization committee a reduction was made in Lakewood of \$91,400.

In Fillmore of \$142,855.

In Marquette of \$70,760.

In Otsego of \$125,050.

In Saugatuck of \$138,500.

FUNERAL SERVICES TODAY FOR CHARLES P. LIMBERT

Funeral services for Charles P. Limbert pioneer furniture man, who died at his home, 2002 Robinson Rd., on Tuesday, were held this afternoon at 4 o'clock. Burial will be made in Cascad cemetery.

H. J. HEINZ GIVES \$400.00 FOR PICNIC

ONE HUNDRED DOLLARS GOES
FOR THE SPORT
PROGRAM

At least 400 attended the H. J. Heinz picnic at Jensen Park Tuesday when all the picklers, and their families and sweethearts went for a day's outing.

The company spent \$400 to pull off the picnic, \$100 of which was divided into cash prizes in the sporting events.

In the baseball game between the "picklers" and the "vinegars" the "picklers" got the best of the "sour" this time, winning by a score of 9 to 7.

BREAK IN GRAND HAVEN GARAGE; SAFE EMPTY

ROBBERS TAKE SECURITIES BUT
PUT THEM IN A POCKET OF A
TOURING CAR

Thieves obtained entrance to the Edward C. Smith Garage at Grand Haven Tuesday night and breaking in to the safe in the garage office, were only foiled in their motive by the absence of cash which Mr. Smith had taken the precaution to remove before locking up for the night.

Both officers, Lawrence DeWitt and Klump of the Grand Haven police and Undersheriff Jack Spangler of the sheriff's department were working on the affair since its discovery by Mr. Smith. Some progress was reported altho the city police would make no statement. Undersheriff Spangler believed the affair was the work of amateurs.

The thieves were unable to get any money or other valuables from the place due to the fact that Mr. Smith always takes his cash out of the cash drawer and puts it in a safe place before leaving each night. Some non-negotiable securities and some postoffice securities were included in the booty taken by the thieves but abandoned because of its being valuable only to the owner. They were found Wednesday morning, stuffed in the side pocket of a touring car belonging to tourists who had stored their car for the evening in the Smith garage. The tourists were on their way to Traverse City.

It was reported that at a late hour in the evening, quite a number of suspicious characters were seen in the vicinity of the place. Another conjecture on the part of some is that the job was done by the same individuals who have lately broken into the Loker Creamery and Beach Milling Co. at Holland and other places in western Michigan.

While checking up Tuesday night, shortly before 11 o'clock, Mr. Smith stated that he heard a noise in the rear of his garage but believing it to be an overheated motor cooling off, he failed to look around. It was also believed that a dog left in one of the cars which accounted for the scuffle but the dog was taken out and not left in the auto.

The thieves entered the place by breaking open a rear door.

NEW SERIES OF SERMONS AT TRINITY CHURCH

The pastor of Trinity Reformed church, Rev. C. P. Dame, just finished one series of Sunday evening sermons and will begin another on next Sunday evening entitled "Bible Types of Modern Homes." The following subjects will be treated:

"The Home with Worldly Ideals."

"The Home Without Teamwork."

"The Home God Meant."

UNEXPECTED VISITORS COME TO PAINTERS' CONVENTION

Holland had some illustrious visitors yesterday when it comes to big men in the paint business. The men heard of the convention at Holland, dropped in on the boys at the city hall and the program was augmented by a speech from each.

B. L. Solomon of the Pittsburgh Plate Glass Co., gave the delegates a real good talk on "Paint."

H. W. Reuben, president of the International Painters and Decorators Association of Minneapolis, Minn., also an unexpected visitor, gave a talk on "The interests of one should be the interests of all, with painters as well as any other craft."

L. Dupuy of Beloit, Wis., ex-president of the International Ass'n, also dropped in and urged the delegates to attend the national convention, to be held at Atlantic City in February.

Conrad Krause, secretary and treasurer of the Ohio association, also not of the printed program gave a talk on "Mutual Co-Operation," as this relates to painters and decorators.

MANY HOLLAND FIREMEN GO TO SOUTH HAVEN

For the past three days the State Firemen's convention has been held in South Haven.

Chief Blom sent several of the local boys down on different days in order to get some beneficial instruction out of the deliberations there.

The number of men going were divided over the three days in order that all might not be away from the city at one time. The men who attended the convention during the three days are the following:

Leonard Steketee, Sam Althuis, Ray Smeenge, Maurice Kuite, John Veltre, H. De Maat, E. Beekman, Will Van Regenmortel, of Engine House No. 1, and Andrew Klomparsen, John Beintema, Joe Greengood, B. Vander Water, L. Brandt, E. DeFeyer, Joe Ten Brinke C. Blom, Jr. John Schouten, C. W. Blom.

NEW DRINK APPEARS ON THE LOCAL MARKET

A new drink has appeared on the local market that is known as "400". It is being manufactured by the Baraman Brothers Dairy on R. R. 11 and is being distributed by them in Holland and throughout this section of the state. The drink is mixed by a special process for which a machine is used that was patented by a Chicago concern. Baraman Bros. are the exclusive distributors for Holland and vicinity.

The drink, which is a chocolate and milk concoction, comes in half pint bottles and is ready to serve. It has somewhat the appearance of a malted milk. Several local soda fountains are now handling it.

BURGLARS ENTER CREAMERY CO'S SAFE

It has been some time since a burglary has taken place in Holland; however between Saturday and Sunday one proved successful, while a second attempt turned out to be a failure.

When the force went to work Monday morning at the Crystal Creamery, they found the safe door open, and the cash box inside broken, and \$20 in money taken.

Either the burglars knew how to work the dials, otherwise the safe must have been left on the day lock. Anyway the burglars got in and took away the money after entering thru a window which was left open a trifle in order to get air circulation.

The office force of the Beach Milling company Monday morning also found the safe tampered with and when the thieves found that the strong box could not be opened, they knocked off the dial but even then could not get at the tubular in the lock.

Apparently the burglars gave it up as a bad job and in their haste to get away left an overcoat, the only clue the police have in the case.

Chief Van Ry thinks that the burglar or burglars came here during the night by automobile and after having done their work disappeared as mysteriously as they came.

LOCAL PIONEER DIES AT THE AGE OF SEVENTY-EIGHT

One of Holland's pioneer residents passed away at 1 o'clock Monday morning when death came to Mr. Frank Andre at his home at 234 W. 13th street. Mr. Andre has a large circle of relatives and friends in Holland and in other cities in Western Michigan. He has lived in this community for more than half a century, coming to Holland from Fillmore where he operated a grain elevator for a time after coming to this country from the Netherlands.

He was born in Nijkerk, Province of Friesland, the Netherlands. After doing business in Fillmore for a time he moved to Holland where he has been in the coal and grain business almost up to the day of his death. He had been 78 years old the 9th of May.

Mr. Andre is survived by three daughters, Rika, Grace and Josephine. His wife died about 11 years ago. The funeral was held on Wednesday afternoon at 2:30 o'clock, Rev. J. F. Heemstra, pastor of the Fourth Reformed church, of which church Mr. Andre was a member, officiated.

Interment took place in Pilgrim Home cemetery.

PEOPLE TO VOTE ON BOND ISSUE FOR \$35,000.00

The common council took the initial steps for a vote by the people of Holland on bonding the city for about \$35,000 for the building of a storm sewer along Pine avenue from 14th street to the river. The vote on this bond issue will be held about September. City Engineer Zuidema was in straitened Thursday night to prepare plans and specifications and estimate of costs of the proposed sewer so that these may be submitted to the voters in the proper manner.

This is an improvement that is forcing itself upon the city, according to the committee. It has been known for some years that the culvert over the so-called tannery creek into which the surface water from a large part of the city empties is in dangerous condition and may collapse almost at any time blocking up the watercourse and flooding the homes in the western half of the city.

But with the addition of a large area of new paving the creek becomes entirely inadequate for taking care of the water. Last year surface water was added from 19th from Columbia to First, 17th from Central to First, River from 14th to 19th; this year still more will be added, namely College from 14th to 24th, 22nd from College to Prospect, 14th from Columbia to First, and Central avenue from 18th to 24th.

Every drop of water that falls on the paving goes into the storm sewer and none of it seeps away into the soil as is the case on unpaved streets. Hence the volume going into Tannery creek is much increased. To take care of this a new sewer will have to be built, and this will mean a bond issue of about \$35,000.

The aldermen, many of whom have investigated the matter personally, were convinced of the absolute necessity of the improvements and they decided in favor of proposal to submit the matter to the people without a dissenting vote.

When the common council of the city of Holland some weeks ago refused to change over from sheet asphalt to Willite in this year's paving program even though Willite could be obtained at the same price and even though all the aldermen preferred Willite, they acted wisely as shown by a letter from Lovelace & Brock, Muskegon attorneys for H. J. Glover & Son, the contractors. The council refused the generous offer of the contractors because the aldermen believed the change could not be made without invalidating the contract. And the letter of George S. Lovelace confirms this view.

Writing after the council had made this decision but with no knowledge of the aldermen's action, Mr. Lovelace says, "I was of the first impression inasmuch as the change did not increase the cost that it might be done by the common council, but an examination of the authorities has convinced me that my first impression was wrong. I am satisfied that in order to substitute Willite it would require new bids and the making of a new contract."

So the council saved the city from possible legal complications by sticking to the original contract and not making the substitution although it seemed tempting at the time.

HERE'S A GOOD CHANCE TO SAVE \$2.75

How much is saved to those who attend the chautauqua next week by buying a season ticket is shown by figures given out by the committee Friday. If single admission tickets are purchased, there will be three evening entertainments at 75 cents making \$2.25, two evening entertainments at 50c making \$1.00, and five afternoon entertainments at fifty cents making \$2.50. The total price for single admissions would be \$5.75, while the season ticket is sold at \$2.75. Thus the patrons of the chautauqua save \$3.00 by buying season tickets instead of single admission tickets.

BARN AND HOUSE BURNED TO GROUND

The barn of Hermanus Weener near North Holland was completely destroyed by fire and the home of Mr. Kaal standing near the blazing barn also caught fire and was destroyed. Kraal is the son-in-law of Weener. Four horses perished in the barn and all the farm produce that had so far been stored this season was destroyed.

The cause of the fire is unknown but it is supposed to be due to spontaneous combustion in the newly stored hay. When discovered the fire had gained such headway that nothing could be done to save either the barn or the house.

FIFTEEN POUND CATFISH GIVES LOCAL ANGLER A FINE RIDE

The largest catfish ever caught in local waters, so far as known, was hooked by Harry Jones while he was fishing in a boat on Black river. Mr. Jones was casting for black bass and was fishing with a spoon hook. It had hardly touched the water when it was grabbed by a huge catfish and from then on for a little while Jones had the liveliest time of his career. The catfish made a desperate struggle for liberty and gave Jones in his light boat a fine ride. But he was finally landed. The fish weighed 15 pounds and was 31 inches long.

REV. A. A. PFANSTIEHL STIEHL TO LIVE IN EUROPE

Rev. A. A. Pfanstiehl, D. D., who has been in charge of the work at Elmendorf Chapel, East 121st St., New York City, for several years has tendered his resignation to take effect from July 1. It is understood that Dr. Pfanstiehl has accepted a very interesting offer to go abroad upon a confidential mission, and will sail for Holland about the middle of August. He will probably be in Europe for several years. As successor to him at Elmendorf Chapel the Consistory of the Harlem Church has appointed Rev. J. S. Moore, who has been for the past year acting as assistant to Rev. Edgar Tilton, Jr., D. D., at the Lenox Ave. church.

HOLLAND MEETS ITS WATERLOO ON SATURDAY

The Holland Independents met their Waterloo Saturday afternoon at the local ball grounds when they were defeated in the game by Bryson and the Kelley Ice Creams of Grand Rapids 8 to 1.

Bryson pitched nice ball allowing only four hits through the game. Up to the sixth inning, when Hick Hoover broke the ice, the Independents didn't have a semblance of a hit. They only secured one then. Another one came in the seventh; and in the 9th, after Hick Hoover and Babe Woldring were on the retired list, Dicky got a two bagger and won the game by Gerry Batema, who won the \$5 offered by Mr. Getz of Lakewood farm for the most valuable hit. Hick Hoover won the other five also donated by Mr. Getz for the best batting average.

Ex-senator Wm. Alden Smith also gave to the most valuable hit and base batting average a five spot each to the Grand Rapids club. This was won by White, who hit a triple, and Grenrich, the best average, who hit two out of three.

Burkhard, who pitched for the local team, kept his hits well scattered, but a hit usually coupled with errors put him and the local team so far behind that they couldn't catch up.

The features of the game were White's long triple in deep center and retiring of Grand Rapids men who tried to steal Spriggs to Japinga. Four runs were also cut off at the plate, two via the Jappinga to Spriggs route and one M. Hoover to Spriggs, one Woldring to Spriggs, both being neatly thrown in from the outfield.

Thursday at 6 o'clock the Elster Colored Athletes will play here and Saturday at 3:15 the Coral Independents. Those who like to see the colored boys perform should see Jess Elster's funny stuff. Be out.

ALLEGAN MAY HAVE NO POSTOFFICE BUILDING

The question of a new postoffice at Allegan took on renewed life with the departure of Mr. C. W. Weny this week to Detroit to consult with the postal authorities with reference to the erection of a building on the lot south of the Burgess store. Plans for this have been prepared and the matter of a suitable lease is to be considered. Failing in this, it is probable that arrangements will be made for the Post building.

HOLLAND MERCHANTS DEFEAT EAST HOLLAND INDEPENDENTS

The Holland Merchants base ball team Thursday night defeated the East Holland Independents by a score of 5 to 1. It was the best game yet played by the Merchants. Both teams were evenly matched and it was 1 to 1 until the sixth inning when the Merchants got their four runs.

Batteries—Merchants, Venhuizen and Albers; East Holland, Dozeman and Wentzel. Struck out—Albers 9; Wentzel 8. Next week Thursday the Merchants will play the strong South End Independents.

ALLEGAN IS SHORT A MAYOR BUT LONG ON POSTMASTERS

The Gazette received a telegram from Congressman Ketcham Tuesday in answer to an inquiry as to whether Mayor Ferris would be required to resign as mayor in order to become postmaster. Mr. Ketcham says: "Section 160 Postal Laws and Regulations states that postmasters may not hold any elective office." So either Mr. Joseph Mosier as mayor-pro tem will act for the remainder of the year or an election will be held.—Allegan Gazette.

FISHERMEN PROTEST CHANGE IN BASS SEASON OPENING

Vigorous protestations were voiced to the state conservation department by hundreds of fishermen whose vacations have been spoiled by setting the opening of the bass season back one month. Because very few of the state residents and none of the fishermen from other states knew of the change from June 16 to July 16, many had arrived at their favored spots only to be informed of the action. Reasons given for the change was that, because of the late season, fish were reported still to be spawning.

MERCHANTS START HALF HOLIDAY ON WEDNESDAY

After years of endeavoring, the merchants of Holland associated with the Holland Merchants Association have decided to close on Wednesday afternoons for a half day of recreation.

All stores will be closed shortly after the mocking bird blows and all customers in the store at that time are taken care of.

The half holiday was to have started last week Wednesday, but as that day came on the 4th of July the half holiday came as a matter of course.

Officially the half holiday began this week on Wednesday, July 11th, and will continue during July and August as was unanimously voted by Holland merchants. Merchants of Zeeland, Gr. Haven, and Muskegon have been having half holidays for some years back and although the question came up repeatedly in Holland from year to year, nothing ever was definitely decided until this year.

No doubt the merchants feel that there are other things in life than money making and that the sales force as well as the bosses are able to do even better work with occasionally a few hours of recreation thrown in.

Remember the half holiday began on Wednesday and the shoppers can adjust their shopping hours accordingly.

'NO DETOUR' IS THE WORD ANENT M-11

Announcement was made by John Castenholz, chairman of the county road commission that there would be no regular detour for the West Michigan Pike between Muskegon and Whitehall during the construction of the highway. Plans are being made for constructing a road parallel with the present highway to be used during the construction period.

The detour for this highway is a question that has been causing worry to local officials, especially during the height of the tourist and resort season. At the present a detour around on other roads would be troublesome.

Plans were then worked out for building another road along the side of the present highway. G. P. Scharf, the contractor, will not start pouring cement until the new highway is in good condition. Under this plan it will be possible to use the portions of the highway where work is not being done and the various strips as they are ready for travel.

The following in regard to the marriage of Dr. Gerard Raap, son of Prof. and Mrs. A. Raap of Holland, is from the July 5th edition of the Greensburg, Pa., Daily Record.

"At 4:30 this afternoon in the M. E. church of Greensburg, with the pastor, Dr. Andrew M. Shea, officiating, Miss Mararet Plough, daughter of Mr. and Mrs. A. Plough, Westminster avenue, became the bride of Dr. Gerard Raap of Miami, Florida, son of Prof. and Mrs. Albert Raap of Holland, Mich. The ceremony was witnessed by members of the two families, relatives and a few intimate friends of the bride.

"The bride, who was unattended, wore a gown of white chiffon and white hat and carried a shower bouquet of bridal roses. Mrs. Kate Jacob, the church organist, played the wedding music.

"A supper and reception in the home of the bride's parents followed the ceremony, after which Dr. and Mrs. Raap left by motor on their honeymoon. They will make their home in Miami, Fla., where Dr. Raap will be a practicing physician.

"Out-of-town guests at the wedding were Prof. and Mrs. Albert Raap of Holland, Michigan, parents of the bridegroom, and Mrs. M. J. Flipse, of Miami, Fla.

"The bride is a graduate of the Greensburg High school, of Drexel Institute and the University of Philadelphia. Dr. Raap is a graduate of Hope College and the Medical School of the Uni. of Cincinnati, O."

SEMINARY STUDENT DIES IN IOWA

Word has been received in Holland announcing the death of Jacob Scheepel, a student at the Western Theological Seminary. Mr. Scheepel, according to a letter from his sister in Iowa, died at that place on July third and was buried last Saturday. No particulars have been received in regard to the cause of his death. He had been assigned to an Iowa charge to preach the present summer.

Mr. Scheepel is a graduate of Hope College and he had been a student at the local seminary the past year. He is survived by his parents and one brother and sister.

OTTAWA COUNTY MAN HELD AS A TIPSY DRIVER

William Wissink of Ottawa county, was arrested at midnight Friday night at Fruitport on a charge of driving an automobile while intoxicated. His automobile ran into another machine parked on the street, and Deputy Sheriffs Conley and Morey were called.

Wissink pleaded not guilty when arraigned Saturday and his trial was set for July 18, and his bail placed at \$500. It is alleged that Wissink had a bottle partly filled with liquor in the machine at the time.

HOMES TO LIVE IN, — ALWAYS.

The longer we live in homes, the more we become attached to them, and therefore how unwise it would be not to make improvements that are permanent.

How easy it is to make one's home cozier and more attractive all the time. Everyone has friends who do that, and what good folks they are!

When putting in a heating system one's mind naturally turns to the Holland Furnace—THE HEART OF THE HOME. A few reasons are:

1. Clean Air to Breathe.
2. The Strong Guarantee.
3. Fuel Saving Features.
4. The Easy Shaking Grate.
5. The Vast Number of Satisfied Users.

If Hay Fever Sneezers Lined up For Battle

Health Talk No. 27 By JOHN DE JONGE, D. C. Ph. C.

If all the hay fever sufferers were lined up for battle against the rest of us they would lose because they are outnumbered about nineteen to one. They would also lose because they are miserable and feel as if they wouldn't mind so very much if they were shot.

But the fact that only one in twenty succumbs to this seasonal infection indicates very definitely that some are immune, that the defensive powers of the system are sufficient to throw off the invading disease. There is only one known method of increasing the natural resistance of the air passages and that is by chiropractic spinal adjustments. When the full tide of life power flows over the nerve lines the natural resistance that means health is present. Nothing will substitute for chiropractic spinal adjustments in the battle against hay fever.

Well Three Years and no Return

"Being afflicted with hay fever very bad for many years, and after trying several different medical treatments with no results; in fact the trouble appeared to be worse each year, I was persuaded to see a chiropractor. This was three years ago last July. I take oath that I am completely relieved.—G. J. White before E. B. Jones, oath commissioner, Chiropractic Research Bureau, sworn statement No. 1364H.

MAYOR DECLARES WAR ON LOCAL JUNK YARDS

Mayor Stephan Thursday night declared war on junk yards on Holland's main street. He asked for the backing of the common council in his efforts to remove these yards from their present location and to clear these eyesores away from the places where they make a bad impression on every stranger who enters the city from the Pere Marquette depot. What he will have the places cleaned up and kept in a reasonably orderly fashion no matter where they may be located in the future.

"I have been going back and forth to Grand Rapids to the furniture market a great deal of late," said the mayor, "and this has given me an idea of how these junk yards must impress the stranger who comes to the city or who passes through it by interurban or by automobile. The person coming in from the east must get the idea that Holland is a scrapheap and that kind of a thing is the worst kind of advertising that Holland could possibly get."

Complaints have also come in from residents in that section asking that the two junk men be made to clean up their places and to render them less of a nuisance. But a mere cleaning up does not remedy the trouble, in the opinion of the mayor. He believes that the junk yards have no business on Holland's main street and he committed himself and the council to a policy of their removal to a less objectionable location.

Some of the aldermen asked whether this could be done. "Leave it to me," the mayor assured them. "If I can feel that the council will back me up I'll see to it that we get results." The backing of the council was readily assured to the mayor.

The two junk dealers have not yet secured their licenses for the coming year and it is likely that licenses will not be granted until they have complied with the wishes of the city officials. And the mayor and council are determined that these eyesores shall be removed right away from Eighth street.

"DUTCH HANK" GOES TO JAIL FOR SIXTY DAYS

Henry Van Dessel, alias Henry Baker and also known as "Dutch Hank" was arrested by the local police for obtaining money under false pretenses.

The man with a hard luck story of sickness in his family together with a lot of other lying statements, succeeded in softening the heart of Gus Auslicker, aged janitor at Holland High and managed to borrow \$15 from him.

"Dutch Hank" has no family of course and the janitor soon got wise to Van Dessel's scheme.

He was arrested and taken before Justice Van Schelven Saturday morning where he pleaded guilty and because he could not pay a fine of \$35 he was sent to the county jail for sixty days, Officer Bontekoe taking him to the county baillie.

"Dutch Hank" a short time ago had been discharged from the Kent county jail after serving for a similar offense in Grand Rapids.

There he touched up John Kammeraad, a meat market man. He entered the market one morning very much agitated and stated that Kammeraad's brother, living on the Lake Shore, a few miles north of Holland, had been kicked by a horse and was dying.

After giving information he pleaded for a ten dollar loan, which Kammeraad in haste gave him just before he hastened to see his supposedly dying brother.

When Kammeraad reached Holland he found his brother hale and hearty, and the story proved to be a myth.

Van Dessel's method of getting a "ten spot" at that time was all the more aggravating because of the fact that the most severe storm of the winter was blowing, and Jacob Kammeraad and several other relatives from Grand Rapids drove through the storm to Holland, to find when they reached here that they had been victimized by "Dutch Hank."

PAVING CAN BE FINISHED BEFORE SNOW FLIES

Will Holland's four mile and a half paving program be completed before snow flies? This question is frequently being asked by persons living along the streets now under construction and by those who live on streets that are included in the program but that have not yet been tackled by the construction company.

It is the belief of those who are in close touch with the situation that, barring unforeseen accidents, the paving program will be completed this summer if the work continues at the rate at which it is going now. To people living along a street under construction and who are deprived of the use of their driveways for several weeks the work seems slow, but everything is going satisfactorily and according to schedule. Long stretches of street have to be closed to traffic in order to do the work most advantageously and with the least loss of time and labor but this is unavoidable no matter what type of paving is used. The delay is not longer than is absolutely necessary according to persons connected with the city's end of the work and there is no need for fearing that the job will not be completed.

College avenue is far advanced and some of the blocks are almost ready for the final top dressing. This final process does not take long and almost as soon as it is on, the streets can be opened to traffic. Meanwhile work has begun on 14th street. The city is putting the curb on that street and this work will be pushed rapidly. The excavating by the big machine on College avenue will soon be completed when the machine will be moved to 14th and will begin to bite into that street.

The paving work can go as fast as the stone for the street can be brought here. It is now arriving at the rate of one-fifth of a mile a week. This stone comes to Holland by boat, being brought here from Sturgeon Bay. At the present rate one mile can be completed every five weeks and it is estimated that this will finish the job in time before cold weather comes. The city can complete its part of the work the latter part of September.

HOW MUCH WEALTH IS PRODUCED HERE IN SINGLE YEAR?

How much wealth is produced in Holland each year through the labor of men and women of the city who convert raw materials into manufactured products? A circular by an investment house giving the figures for some other cities in the state in the same population class as Holland aroused curiosity on this subject as regards this city and so the figures were looked up. The statistics for the investment house were obtained from the official census records on file at Washington and they covered the year 1919 which is the latest year for which figures are available. The land. There has been a normal growth here as elsewhere since 1919 and the totals in each case are larger than those given by the census bureau, but the statistics available will give an idea of what the work of the people of Holland is producing.

According to the records there were 64 manufacturing establishments in this city in 1919 and the average number of wage earners in these plants for the year was 2,748. The total value of the manufactured products of these 64 concerns was \$17,711,095. And the value added to the raw material by the workers of the city through converting those materials into finished products was given as \$7,486,104.

There were five establishments that produced a total value of less than \$5,000 that year, 17 between \$5,000 and \$20,000, 18 between \$20,000 and \$100,000, 14 between \$100,000 and \$500,000, four between \$500,000 and \$1,000,000, and six of \$1,000,000 or over.

These figures give some idea of the amount of work that is being done in Holland factories in a single year as expressed in dollars and cents. Holland compares well with other towns in its population class and the figures give a concrete picture of normal prosperity.

AT LEAST 1400 TAKE IN EXCURSION TO GRAND HAVEN

Holland had a comparatively quiet 4th of July and even fire cracker shooting seemed to be less boisterous than in other years.

No program of any kind was arranged and aside from the private fireworks parties at night there were no doings in the city to indicate that Independence Day was at hand.

Hundreds of families loaded up automobiles with passengers and good things, and scattered somewhere along Lake Michigan, Black Lake, or Saugatuck, making the Fourth a sort of picnic day.

More than a thousand took advantage of the half fare excursion rate to Grand Rapids on the interurban and Mr. Johnson states that a trifle over 1400 availed themselves of the excursion to Grand Haven on the steamer "City of Grand Rapids."

Macatawa Park, Jensen and Ottawa Beach were overrun with outside tourists and all available parking room at these resorts and even space along the concrete leading to them, was taken up by automobiles from the outside.

There was a veritable parade of machines coming from north and over the pike and the stream from Grand Rapids seemed to be never-ending.

No serious accidents were reported, worthy of mention despite the heavy travel, possibly due to the fact that speeding was out of the question because of the congested condition of the highway.

The American Legion band of Holland, advertised as the best band in Western Michigan, was engaged to play at the celebration held at South Haven, Wednesday.

Director John Van Vyven took the entire band of thirty pieces with him via automobile and the local band made a great hit in the neighboring city.

The boys headed the large parade and were easily the chief attraction at the celebration. The local band also played at the two baseball games between South Haven and Allegan in which the score in the morning was 9 to 4, in favor of South Haven. In the eighth inning the South Havenites only had one score, but rolled up eight in the 9th winning the game.

In the afternoon the results were reversed, Allegan winning by a 16 to 4 score.

After the ball game the band had their supper and to finish up the day right they gave one of the best concerts ever rendered in the large park. The quartette, composed of Joe Kramer, M. Schepers, H. Dekker and B. Kammeraad, rendered some excellent selections and were encored three times and then John Van Vyven gave them a lift and gave the crowd a good laugh. Everyone in South Haven enjoyed the band and this was very encouraging to the boys.

DR. MOERDYKE SUBMITS TO AN OPERATION

Dr. Peter Moerdyc, of Holland and California, is in a Toronto hospital where he submitted to a critical operation for mastoid. Dr. Moerdyc has been ill for some time with ear trouble and suffered great pain but it was not believed that his trouble was dangerous until his daughter took him to a hospital in Toronto where an immediate operation was deemed necessary. The mastoid had advanced so far that the specialists in the hospital gave it as their opinion that death would have resulted in a few days if the operation had not been performed immediately.

The operation was performed on June 26 and Dr. Moerdyc is now rapidly recovering although he is still confined to the hospital.

DEATH COMES SUDDENLY TO HOLLAND WOMAN

Death came very suddenly on the morning of July fourth to Mrs. Albert Faasen, 351 West 19th street. The announcement of her death came as a shock to her many friends and cast gloom over their July Fourth. She is survived by her husband and three children, Gerald, Elmer and William Cornelius, the latter a newborn infant.

HOLLAND STILL BUILDING DOZEN GAR- AGES A MONTH

The people of Holland are building garages at the rate of about a dozen a month, even when the summer is as far advanced as it is now and when building operations have slackened considerably. During March, April, and May the number of homes for the family flatter built each month was much larger than that. It was at that time of the year when the person who was going to buy a car at any time during the year was getting ready for it by erecting a garage. But even in June there were about a dozen who made up their minds to erect a belated garage for use the present season, according to the building permits records in the office of the city clerk.

Usually by June the building operations are in full swing and comparatively few new projects are begun so that the number of permits issued is as a rule small. But this year in June sixteen new permits were issued ranging all the way from \$8,000 to \$125, and totaling an estimated cost of \$30,375.

During the first six months of 1923 the total estimated cost of the buildings for which permits were taken out in the city clerk's office was \$403,375. This is believed to be a record for any similar six months period in the history of Holland. Following are the new building permits issued in June:

June 2—Gerrit G. Groenewoud, 25x30 frame house, West 15th Street.
June 2—B. H. Bowmaster & Co., 18x24 rustic garage, West 7th St.
June 4—John J. Jacobs, 12x13 frame garage, 134 East 18th street.
June 6—Edw. Barkel, 14x13 frame garage, 75 W. 18th St.
June 7—Gerrit Van Dyke, 18x13 frame garage 68 W 16th St.
June 9—Mrs. Etta Whitman, 16x12 frame garage, 206 West 14th St.
June 10—George Rutgers, 12x16 frame garage, 230 West 17th St.
June 10—Gerrit Van Zanten, 14x13 frame garage, East 16th street.
June 12—N. Silvius, 24x36 frame house West 9th street.
June 12—W. Vander Ven, 16x18 frame garage, 110 West 19th street.
June 12—Seth Nibbelink, 20x13 Bedford stone porch, 13 West 9th St.
June 12—Seth Nibbelink, two frame houses, Columbia avenue.
June 13—Gerrit Jaarda, 12 x 13 frame garage, 112 E. 19th St.
June 20—Hayden-Koopman Auto Co., 50x100 baked tile garage, 8 to 14 West 7th street.
June 20—Ben Scholten, 6x20 frame bathroom and vestibule, 150 West 18th street.
June 25—Chris Korose, 18x20 fire class tile restaurant kitchen, 5 West 8th street.

HOLLAND ENGINE IS USED OVER WIDE AREA

While Holland is known as the city of furniture and furmices there are a number of manufacturing plants here that turn out articles not belonging in these two classes but that are carrying the name of Holland to far distant states. One of the more interesting ones of these plants is the Holland Engine Company—not one of the largest institutions of Holland but on that is more than holding its own in the industrial life of the city.

Few people perhaps realize how wide is the territory of this company's operations. The Holland engine is said to be a favorite one in the state of Oregon and Washington where it is widely used in the large fruit districts for operating the sprayline machines and where it is also used to a very large extent for pumping purposes in the irrigated sections. In those regions the water that waters the crops does not come from the clouds as it does in the more favored state of Michigan but from a ditch and engine are in many instances needed to distribute the water. For this purpose the Holland engine is coming more and more into use.

Disagencies across the continent the Holland engine is said to be just as much a favorite in the grapefruit region of Florida. These trees also need snarving and the Holland engine is used for this purpose on many of the grapefruit plantations.

Another section of the country where the product of the Holland factory is in great demand is in the grain belt of the west in such states as Iowa. Many engines are being shipped to that state and to other states near it where they are used for pumping purposes.

Mr. W. J. Smith of the Holland Engine Co. has a record of all that was shipped and for him by his friends when he came here and all the indications are that he is piloting this concern to a substantial success.

Every so often the American Legion sponsors some big work that shows what a valuable organization it is for the community and state. Their most recent undertaking is such a fine project that but little advertising has been necessary to put it over.

At Otter Lake, in the eastern part of Michigan, an American Legion Children's Billet has been established on an ideal tract of forty acres touching on three lakes. This is a community of cottage homes where the needy children of Michigan's deceased and disabled war veterans are taken care of. Each cottage home is in charge of a mother who looks after about ten youngsters. In this way the kiddies are given the mother care and are provided with the home atmosphere which every child really needs. They shall attend the Otter Lake schools and churches and are in that way given the freedom and privileges which would be denied them if they were sent to any public institution for children.

The citizens of Holland are to join with those from other Michigan cities in supporting this children's billet. George Pelgrim has been made the chairman of the local committee and he states that Holland has been pledged to take care of three children. This is a small quota when it is considered that a hundred children will be taken in at the Billet this year. It has been figured out that only \$420 will clothe, feed, shelter and educate a lad for a whole year.

Because of the merit of this undertaking Mr. Pelgrim feels that no organized or extended campaign should be necessary to make good on the pledge of our local Legion Post. He is now mailing out a letter giving the details.

The local banks are lending their assistance to this work and any contributions left with them will be turned over to the committee. Checks can be made out to Mr. George Pelgrim or to any of the banks.

THOUSANDS FROM THIS VICINITY CELE- RATE IN OVERISEL

The oldest inhabitants of Overisel state that the community southeast of Holland never failed to celebrate the 4th of July for 45 years, and during all these different celebrations there has never been one so elaborate and where so many neighbors and friends congregated, as in the year 1923.

Automobiles brought thousands from near and far and Holland was especially well represented. Hon. G. J. Diekema of this city was on the program for the speech of the day, and his subject "True Americanism" was said to be a gem in oratory.

The afternoon program was opened with prayer followed by the singing of psalms and patriotic songs followed by band concerts, sports, and base ball games.

In the evening there was a pageant in which Uncle Sam, the Goddess of Liberty, American children and the children of other nations played an important part.

Young folks dressed as foreign subjects, were pictured as coming to this country and the pageant portrayed in pantomime how through patriotism under the American flag, and by virtue of loyal American citizenship, this nation can and does assimilate these foreign children, teaching them loyalty to their adopted country. The spectacle pictured this American nation as the melting pot from which foreigners are assayed as real true Americans.

Another unique feature was the presenting of a budget read by one of the native sons that proved to be "take-offs" on folks living along the country-side. While the "puns" were laughable in themselves, these were made more so for the reason that they were given in the Overisel Province language, which in itself sounds funny.

Yes, Overisel had a real celebration in the large four acre woods right at its very door.

REFORMED CHURCH IN HAMILTON BURNS THE CHURCH MORTGAGE

At a special meeting held in the American Reformed church at Hamilton the mortgage on the parsonage was burned. The debt contracted about five years ago was paid in three years through the aid of the woman's organization and the membership of the church. The program included addresses by Rev. F. J. Van Dyke, pastor; Mrs. J. Hagelskamp, Dr. G. H. Ritzgerink and Mrs. H. W. Schutmaat. The church numbers 41 families and 83 communicant members.

SIZE OF ZEELAND STATE IS BANK TO BE DOUBLED

The Zeeland State bank is to remodel and enlarge its building and the contract has been let to Abel Post of that city. The addition and alterations will more than double the bank's present accommodations. Large new vaults will be built in addition to the bank and a new front will also add to the appearance of the building.

When the new building is completed it will be one of the most modern banking institutions in the state. The president's office will be located at the east front of the building and will comprise two rooms, the one a central office and reception room while the other will be for confidential transactions. The main lobby will admit to five cages where the general business will be transacted with the cashier, teller and bookkeeper. Besides these there will be a special room for the directors; a work room and a public office room; a ladies' rest room and a gentleman's rest room, with lavatories. It will also have a large room where ordinary public meetings may be held. The east wall of the present bank building will be removed where it interferes with the main lobby and will be replaced by three large marble columns which will support the upper story.

The second story rooms will not be used by the bank at the present time but will be devoted to offices and living apartments. At the front will be equipped two suites of office rooms and at the rear two suites of living rooms, all fitted with modern conveniences.

When these alterations have been completed Zeeland will boast a bank such as few towns the size of Zeeland have.

The slaughter house belonging to Charles Taylor in Coopersville was reported broken into Tuesday evening and a beef stolen. Just why this particular booty should be singled out by Sheriff Portney and force who are working on the case.

MARRIAGE LICENSES

Orrie Jubb, 21, of Nunica and Ella Smith, 20, of Coopersville.
Irvi Hale, 20, of Coopersville and Essie Timmerman, 18, of Nunica.
Raymond Stykstra, 19, and Lillian DuShane, 16, of Holland.
Harry Lenters, 22, of Allendale and Jeanette De Windt, 20, of Hudsonville.

TO HOLD CORN VARIETY DEMONSTRATION

A corn variety demonstration to test corn will be held on the county farm where three-acre plots will be grown to test the results as to growth and yields from seed grown in Ottawa county. Varieties planted are the Ricketts Yellow Dent grown by Clyde Hollis and J. J. Nyenhuis; Golden Glow grown by DeHoop Bros.; others supplying seed are D. H. De Kleene, E. Elzinka, John Venhuizen, Clarence Ulberg, J. G. J. Van Zoeren, Walter Van Dam, Zylstra Bros., Roy LaHuis, H. H. Avinnk, J. C. Hulzenga, and G. B. Vruglink.

MISS YERKES HAS SERIOUS ACCIDENT IN NEW YORK

Miss Susan Hill Yerkes of Akeley Hall, Grand Haven, who is spending the summer in the east had the misfortune to fracture her right knee while alighting from a survey in New Paltz, in the Catskills of New York last Wednesday. She was hurried to New York City and to the home of Mr. and Mrs. Robert Andre in that city, where she has been visiting and where she is receiving the best of surgical attention. It is believed that Miss Yerkes will be quite fully recovered within a month.

Wm. J. Smith is spending a few weeks at his summer home "Bay View Heights."

Mr. and Mrs. George Hill of Grand Rapids were the guests of Mrs. Hill's parents, Mr. and Mrs. Frank Dyke at Tennessee Beach over the Fourth.

COLLECTION

TAXES

To the Tax Payers of the City of Holland:

NOTICE IS HEREBY GIVEN — That the City Tax Rolls of the several wards of the City of Holland have been delivered to me for the Collection of Taxes therein levied, and that said taxes can be paid to me, at my office in the City Hall, Cor. River Ave and 11th St., at any time before the

15th Day of August Next

without any charge for collection, but that four per cent collection fee will be charged and collected upon all taxes paid between the sixteenth day of August and the first day of September next.

All taxes not paid on or before the first day of September, shall be re-assessed upon the General Tax Roll for payment and collection. On all such there shall be added for interest the sum of four per cent to cover from September 1st to January 1st next thereafter, and a collection fee of four per cent.

I shall be at my office on every week day from the first Monday in July to and including the 15th day of August, between the hours of 8:00 a. m. and 5:30 p. m. And on the 16th day of July and 15th day of August, between the hours of 8:30 a. m. and 9:30 p. m. to receive payment of such taxes as are offered me.

Dated Holland, Mich., July 2, A. D., 1923

M. B. BOWMASTER, City Treasurer

LOCAL

The annual mission festival of the Reformed churches of Grand Rapids and vicinity will be held July 26th at North Park. The committee in charge of the arrangements includes Rev. C. Muller, chairman; Rev. John Van Zomeren, Rev. M. Stegenga, Rev. J. A. Van Dyke and C. Dwyer of this city and H. Hoeksema of Grandville. It is expected that between 2000 and 3000 will attend the festival. The committee is making arrangements to secure some of the best home and foreign mission speakers for the occasion.

"Saints Rest" as Central Park is often called in a joke because of the many divines that summer there, again finds itself well supplied with ministers and missionaries. Many former Hope College and Western Theological graduates have married Holland girls or were born in this city, and consequently spend their vacations here. As high as thirty Reformed ministers have spent the summer here at one time and the little chapel at Central Park is never lacking for pastors to lead during July and August.

Peter Gunst, 84, Civil War veteran was knocked down by an automobile last Thursday for the second time within two weeks on the same corner, within a half block of his home. The first accident left him badly bruised, but in the second accident he sustained a broken shoulder bone and a badly bruised leg. Mr. Gunst, whose sight is impaired had waited on the crossing for several cars to pass and thinking the road was clear, walked directly into the path of the machine. He was taken to Holland hospital Friday.

Harry Doesburg, the local druggist, is a summer Santa Claus. Friday morning each patient at Holland Hospital was much surprised when large bouquets of beautiful Reale lilies were distributed, some 20 in number, one to each patient. These flowers are not alone beautiful but are unusually rare except in the garden surrounding the home of Mr. Doesburg on East 9th street. The patients are exceedingly thankful and wish this paper to convey their appreciation to Mr. Doesburg, thanking him for his thoughtfulness.

Gerrit Vanden Brink, a local carpenter, living on the North Side, was overcome by the heat Friday afternoon while shingling a house on W. 17th street. The man had just stepped down a long ladder about to quit for the day, when he fell to the ground. It was found that Vanden Brink had suffered sun-stroke and medical aid was soon brought. The man is doing as well as can be expected but is not out of danger. This is the second time Vanden Brink has been overcome. Had the attack come a minute sooner the unfortunate man would have dropped a distance of at least 25 feet.

Announcement has been received of the marriage of Rev. Theodore F. Zwemer of this city and Miss Sara Anna Winter of Fairview, Ill. Rev. and Mrs. Zwemer will spend the summer at Hudsonville, where Mr. Zwemer is serving as supply for the Reformed church. Mr. Zwemer is a graduate from Hope College as well as the local seminary.

Jim Kelley who owns two large fox farms near Muskegon was in Holland Friday, looking over a similar ranch north of Holland, in which he is also interested. Kelley is a former Holland boy and has made considerable money in raising the black fox, many of them selling at from \$2,000 to \$3,000 a pair. It is stated that the local farm has approximately 20 fox.

Little Mary Frances Bos, who was terribly burned by fireworks Fourth of July night was removed from the home of Mr. Clarkston Kollins on Spring Lake to Elizabeth Hutton Memorial hospital in Grand Haven Friday. Although the little girl's condition is very serious, hopes are held out for her recovery. She passed a bad night it was reported but her condition seemed slightly improved.

The annual family reunion of the Greltzingers was held July 4 at the farm home of Frank Alberts at Chesapeake, Grand Rapids, Holland, Fennville, Ganes and New Richmond. The table was under the maple shade trees loaded with all the good things to nourish the body and, needless to say, all did ample justice, after which all enjoyed visiting. It was voted to hold the next reunion at Harry Sargent's in Ganges, July 4, 1924.

The committee on claims and accounts reported to the common council that the claims against the city the past two weeks amounted to \$5914.76, and the committee on poor reported that \$123 had been expended for temporary aid the past two weeks.

Mr. F. W. Bockstegge of Evansville, Ind., who has been visiting with Richard Hoedema, Central Park, has returned home. Mr. Bockstegge is vice-president of the West Side bank of Evansville and owner and general manager of the Bockstegge Furniture Co.

Com. William Oltman, who spent the Fourth of July at his cottage at Port Sheldon declared that resort accommodated fully 1000 visitors Wednesday and that they came in more than 300 automobiles.—G. R. Herald. No wonder the highway from the Pike on west is so cut up and impassable.

The Board of Education of Cleveland has been stated wants to abolish all vacation. When that time comes to pass no doubt Michigan will have to abolish its resorts and its resort season. The resort season opens and closes with the closing and opening of school.

The tug Bob Stephenson recently purchased by the G. & M. line is to be used in Saugatuck harbor during the navigation season. Currenters are repairing the damage sustained in a recent accident, and the tug will then be painted in the same colors as are the mammoth steamers of the fleet.

John Lampa of Grand Haven was arrested on the fourth by Undersheriff Jack Spangler on a drunk charge. When arraigned before Justice Lillie he was given the alternative of \$10.55 fine and costs or a five day jail sentence. So far he has not raised the money for the payment.

William Blom is moving his pool and billiard tables and fixtures to Muskegon from the Blom building on River avenue and will conduct a billiard, pool and soft drink parlors in the Sawdust City.

Rev. P. D. Van Vleet of Englewood, Illinois, has been installed as pastor of the Christian Reformed church at Crisp, north of Holland. The installation services were conducted by Rev. John Zeeuw of Noordelooze.

Dr. Edward J. Strick and family are expected to reach Holland next week from Amoy, China. Dr. Strick has been engaged in medical mission work in the hospitals at Amoy for the past 15 years.

H. Van Tongeren, the local cigar man, has put in an up-to-date soda fountain and will dispense cool refreshments, popular at all fountains.

The district school at Forest Grove established a record when 53 pupils passed their eight grade examinations. Gerrit Groenewoud, newly elected school commissioner of Ottawa county, has been in charge of the school during the past few years.

W. L. Meade and S. Nemeth of Chicago have bought the Gildner hotel from Henry Gildner of Grand Rapids and James Kay. After remodeling Mr. Meade will be in charge of the hotel end of the business and Mr. Nemeth will have charge of the dining room.

The next annual district conference of rural letter carriers, comprising the counties of Newaygo, Ottawa, Oceana, Muskegon and Kent will be held at Hotel Pantling, Grand Rapids in June 1924. Manager Fred Z. Pantling extended the invitation to the carriers at their conference in Muskegon Saturday and it was cheerfully accepted.

A Noneman of Chicago is recovering from injuries he received Saturday when the automobile in which he and his family were traveling to Grand Rapids overturned at South Haven. Mr. Noneman's ribs were crushed and a lung was punctured. He is expected to recover. Mrs. Noneman and Mr. and Mrs. Peter J. Van Anrooy of Lincoln, Neb., are guests of Mr. and Mrs. John F. Van Anrooy at Grand Haven. The party made the trip from Lincoln by motor covering the distance of 411 miles in three days. They will also visit relatives in Holland.

Jim Bos proprietor of the Harmon building just vacated by Jake Kuite's market, has rented the place to Clarence Thomas, who conducted a chain of twenty groceries in Grand Rapids. Thomas will occupy the building by July 15.

The disabled power boat Minoa of Holland was towed into Macatawa bay on the Fourth of July by the Macatawa coast guards. No damage.

Attorney and Mrs. Arthur Van Duren announce the engagement of their daughter Kathryn to Mr. Earl R. Knutson of this city. The marriage will take place in August.

Grading for a sidetrack has been made from the Pere Marquette line on the North Side to the Holland Maid Co., and ties and iron will soon be laid over the graded section.

Arend Sierema and Klaas Prins returned Friday night from South Bend, Ind., where they went for Johnson motors. While the men were in South Bend their father, who lived in Benton Harbor.

Relatives received a cablegram from Mrs. Martha D. Kollen stating that she had arrived in Amsterdam after a very pleasant voyage. Mrs. Kollen and two children and Mrs. C. J. Lokker are "doing" Europe this summer.

Mr. and Mrs. C. Mulder and family drove into Holland from Hospers, Ia., a distance of 765 miles. They will visit at the home of Mrs. Mulder's parents, 95 East 21st street. Mr. Mulder was a graduate from Hope College in 1915.

Chief Van Ry states that Holland folks were well behaved in their celebration. No automobile accidents were reported and with the exception of one young man who was severely burned by a pinwheel fuse there were no accidents reported because of fire crackers or fire works.

A disastrous fire occurred in Grand Rapids because of a fire cracker that had set fire to the Special Furniture Co. on Davis street. William F. Young died while at the fire of heart failure. He was 66 years old and had been in the service 38 years. The loss to the Furniture Company is \$100,000 while 140 men and women have been thrown out of employment.

Capt. Henry J. Stang of Grand Haven who has recently been assigned to the Infantry Officers Reserves Corps, received orders Wednesday morning to report at Camp Custer for duty from July 17 to 31. Captain Stang will also probably receive orders for duty at Grayling during the encampment of the Michigan National Guard August.

The Fourth of July celebration has claimed its first victim when a large two-inch salute exploded in the face of little arl Vandewater on Lincoln avenue. The lad's face was severely burned on one side nearly destroying the boy's eyesight. The lad thought the fuse of a pin wheel had gone out, and he was endeavoring to relight it, when the accident occurred.

Jack Dempsey won over Tom Gibbons in the biggest prizefight of the year at Shelby Mont., in the 15 round bout on points, according to Referee Dougherty of Philadelphia. Although a knockout was expected Gibbons stood his ground to the last and no doubt this will mean another big fight, later in the year, possibly on Labor Day.

Attorney Louis H. Osterhaus, formerly prosecuting attorney of Ottawa County, is said today. A reckless driving girl in Grand Haven ran over his "pud" dog killing it. And what is more the young lady never even turned around to find out what damage she had done or whether or not she had killed a dog or a child! The attorney is looking about for another pet.

The West Michigan Pike is called the gateway into the resort country. The line of automobiles coming thru on the Pike most any time would indicate that the gate is always open. Some of the tourists come in style, others come prepared for the life in camp and bringing everything but the family cook stove. One Ford weighed down by tents and baggage saying nothing about eight people, also carried the family bird and bird cage the other day.—Muskegon Chronicle.

The Christian Reformed denomination has organized a new church at Burdick Corners with a charter enrollment of 39. This work was done by the classical commission and representatives of the churches at Drenthe and Overisel. The sermon was delivered by Rev. G. J. Vande Riet of Overisel. The first consistory is composed of J. Boerman and G. Schutters, elders, and H. Steele and P. Gieb, deacons. The church is the product of a mission station started about ten years ago.

J. H. Wallbrink left Wednesday for a visit to the Netherlands. He will spend some time visiting childhood scenes and friends and expects to return about the first of October.

Gus Rinck proudly displayed a large pickerel weighing twelve pounds and ten ounces caught on the 4th of July. It might also be stated that perch fishing Wednesday was unusually fine and the perch are running large size.

Word has been given that all curve and railway crossing signs on straight trunk lines will be renewed by a special corps of workers who are now engaged in doing this work thruout the state. Ottawa county is to be visited soon.

Allegan Independents defeated the Standard Oil team of Grand Rapids 11 to 6 at Allegan Sunday. Allegan secured 17 hits and the visitors 5.

Holland Haven is almost as bad as Holland when it comes to gasoline filling stations. Two more permits for service stations have been granted by the common council within the last week.

A few days ago two Ford cars were burned at Macatawa. How the fire started is unknown. The fire from the first communicated to the second, and the blaze made a clean sweep of the two cars.

The contract for a half mile of grading at Marne on Trunk line 16 was awarded to Marsina & Tabor of Grand Rapids whose bid for same was \$7,105.37.

Peter Brill of Vriesland has been awarded the contract for constructing a bridge over Black Creek near Vriesland on Trunk line 50. The job was awarded for \$13,306.50.

Hope church has requested in their bulletin that members cease to park their automobiles directly in front of the church. This is indeed a good suggestion and should be followed by all other churches situated as Hope church is.

Rev. C. P. Dame, pastor of the Trinity Reformed church of this city, believes in showing the younger members of his flock that religion can be an asset to a good time. Tuesday he will give an outing to the younger members of his church.

Notice has been received at the Ottawa County Road Commission office of the awarding of bids recently taken for grading in Marne on M-16 and for bridge construction work at the Crocker Creek and over Black Creek on M-51 near Vriesland.

W. T. McElDowner of Chicago sustained serious internal injuries in a fall from a tree while installing a radio outfit at his summer cottage on the lake shore near Saugatuck. McElDowner and his family had occupied their cottage only a few days before the accident.

Ill health has caused the loss to Oakdale Reformed church of its pastor, Rev. Gerrit DeMott and to Byron Center Reformed church of Rev. John Van Westenbrugge, its pastor. Both pastors have asked their congregations to release them from duty because of ill health. Both men are graduates of Hope and the Western Theological Seminary.

Mr. and Mrs. George VanDuren and son Allen of Indianapolis have returned to their home after spending a week with Mr. Van Duren's mother, Mrs. G. J. Van Duren. While there were here Mr. and Mrs. Wm. Cox gave a dinner in the nature of a family reunion for the Van Duren family at Ottawa Beach to mark the twentieth wedding anniversary of Mr. and Mrs. Cox.

Insurance adjusters are on the grounds adjusting the fire loss of the burned property of Mannes Weener at North Holland Sunday.

Willard W. Hubbard, aged 69, died at his summer home at Macatawa. The funeral was held Monday at the Nibelink-Notter chapel. The body was taken to Chicago for cremation.

Herman DeVries sustained a severe bruise to his leg when a large 12x12 beam fell upon it and partly crushed the member. The accident occurred at Macatawa Park.

The Allegan county fair will be held at Allegan August 28 to 31, it has been announced.

Charles Davis and Charles Brunson living on West 16th street were arrested for breaking scarlet fever quarantine and each paid a fine of \$4.00 to Justice Van Schelven.

The Grand Haven Tribune in its 20 years ago column has the following: "The Ionia and Holland ball teams were having a series of games for a \$200 purse. Neal Ball is the star of Holland's team."

George H. Brewer, 22, of Grand Rapids and Huda Ross, 20 of Holland, secured a marriage license and were married in the office of the county clerk at Grand Haven at 10:30 last Saturday evening. Rev. James J. DeKraaker performed the ceremony.

Rev. John H. Geerlings, who recently resigned the pastorate of the Christian Reformed church at East Saugatuck, will be formally installed as pastor of the church at Rock Valley, Ia., on July 22. The installation services will be conducted by Rev. J. J. Weersing of Hull, Ia., his life long friend.

Speakers listed for the annual mission festival of the Reformed churches in western Michigan at North Park on July 26 are: Rev. G. Watermuller of the Winnebago Mission; Rev. A. Oltmans of Japan; Rev. A. Pieters of Holland; Rev. H. A. Bilkert who has just returned from Arabia and Rev. A. Van Bronkhorst of Japan.

Chief Van Ry has repainted the signs posted up at the main entrances to Holland and he has made them more courteous. The sign reads: "Welcome to Holland—Please drive carefully and obey the state laws." The signs are done in large black letters with a green background. R. Tromp is said to be the artist.

Due to the fact that Grand Haven has no municipal bath houses, the city council each year authorizes the rental of a certain number of lockers in the city's bathhouse at Highland Park for the use of Grand Haven youngsters who wish to go in swimming at the beach. Tickets are issued and given applicants for the privilege. One thousand of these tickets are issued yearly.

Raspberry growers of Ottawa county, most of whom are located in Spring Lake and Conklin are to hold meetings on July 16 to discuss raspberry culture. Prof. T. A. Farrand and Prof. Bennett of Michigan Agricultural college will be the speakers at meetings which will be held in Spring Lake at the farm of H. L. Cross in the morning and in Conklin at the farm of H. L. Dinkle in the afternoon.

Edward Vander West of Muskegon, the possessor of two Elks' Beach fair tickets was awarded the Overland sedan which was given away by the Elks as a grand finale to the big Second Annual Beach fair at Highland park during the past week. Mr. Vander West did not possess a car prior to acquiring the beautiful sedan offered by the Elks. The winning ticket was 462.—Grand Haven Tribune.

A neighbors' quarrel over children took place in the 2nd ward which brought out the police force on a riot call. Three women, Mrs. Bertha De Witt, Mrs. Nellie Driscoll and Mrs. Gabriel Kuite were involved. Mrs. Gabriel Kuite swore out a warrant for Mrs. D. Witt on charge of assault and battery and in the melee Mrs. Kuite is supposed to have fainting eight times. This neighborly quarrel will come to trial in Justice Van Schelven's court next Friday and his Honor will have some time suppressing a "chewing match." It is understood that after the trial is over Mrs. DeWitt will be re-arrested on complaint of Mrs. Driscoll on a similar charge, and Mrs. De Witt is a sister-in-law of Mrs. De Witt.

The Christian Reformed church needs ministers badly. This is apparent from the fact that 16 vacancies exist in three Michigan classes, in the entire denomination there are 43 vacancies. The figures in the last report show an increase of ten ministers over the preceding year, and these will be augmented by a class of 41 which graduated from the seminary this year.

Maple-avenue, Christian Reformed church, of Holland, was organized 10 years ago. Statistics gleaned from an annual report show that the number of families has increased from 30 to 180 during the decade. The church was organized in 1913 with Rev. W. D. VanderWerp of Drenthe as its first pastor. Rev. D. Zwier assumed the pastorate in May, 1920.

A large Cadillac car driven by Chicago parties coming from the resort is said to have run the automobile of B. Wietrink, a notion peddler of Holland into the curb at the corner of 12th and River avenue and the enclosed notion wagon was sent up considerably, and one of the beautiful trees on the lot of B. B. Champion was also badly damaged. The police have the number of the car although the driver did not stop to see what damage had been done.

Louis Cameron for several years a representative of the Texas Oil Co., with field offices at Houston, Texas, with main offices at Chicago and New York and later connected with the National Corporation Oil Co., of Grand Rapids is now identified with the Vandenberg Bros. Oil Co. of Holland, and will represent the local concern in the territory it covers. "Lewie" as he is commonly called by his many friends, is an experienced oil man and comes highly recommended. He says that he is stuck on Holland, claiming it the most beautiful town of its size that he has ever struck in all his travels.

Rev. and Mrs. H. Keegstra, Mr. and Mrs. L. P. Schaddelee, Miss Luwina Schaddelee and Master Leon Schaddelee left Tuesday for a month's vacation. They will visit Niagara Falls, Paterson, N. J. and New York City.

The Benjamin Parliamentary Law Class of the W. C. T. U. will meet with Mrs. K. N. De Merrill, corner of College Avenue and 9th street, on Friday afternoon, July 13, at 2:30 o'clock. All members are urged to be present.

The infant son of Mr. and Mrs. Cornie Vanden Bosch died Tuesday at his home a short distance north of the city. The funeral was held Thursday afternoon at 2 o'clock at the home, Rev. B. H. Minnik, officiating.

Former Superintendent of schools, L. H. Vanden Berg left this city on Tuesday morning to take his position as president of the New York State Normal at New Paltz, N. Y. His family will remain here for a time.—G. H. Tribune.

The Holland Canning Co., is in the midst of the season's cherry pack. Manager Corey states that close to 1,000,000 pounds of cherries will be canned before the season closes two weeks hence. The company expects a busy season as fruits and vegetables promise a heavy yield.

"Thirty years of service in one church is enough," said John Vandersluijs who recently resigned as the choir director of the Third Reformed church. Since his resignation John has received as many as five offers from outside churches to be their director, and several other offers locally. However he is accepting none.

John Hirtzer and J. M. Kreusche, fruit growers in the fruit belt southwest of Holland, have adopted the cash and carry fruit stands on the West Michigan pike, but leave the money transaction to the honesty of the purchaser. The fruit is placed on stands and every basket marked. A cash box is also placed on the stand. Hirtzer's stand contains a sign, "Help Yourself, Pay me." An arrow points to the cash box. Kreusche's stand contains the sign, "Help Yourself, Make Your Own Change." A peach basket serves as the till.

Joe Vanderwege, 14, left home in Holland on June 22. The next day he wrote his mother, Mrs. Cornelius Vanderwege. The letter was postmarked "Holland." The letter briefly said: "Gone to work on a farm. Expect \$50 a month. Will write next week and tell you just where I am. Don't worry mother, I'll be home in September. But the long-looked for letter never came. Mrs. Vanderwege has asked the aid of the Grand Rapids Press to help locate the boy. She fears that the boy may have been lured away on the promise of making good wages on a farm out west. When the lad left home he was dressed in a blue shirt-waist, blue knee pants, old brown shoes and a white sailor cap. Grand Rapids Press.

Rev. J. J. Weersing of Hull, Ia., has declined a call to the Christian Reformed church at Oakland.

Sheriff Delbert Fortney and Officer Rosema returned from a trip to Traverse City where they went Tuesday to accompany a Marne man who was committed to the state asylum there.

There was a demoralized market for wheat in Chicago at the close of the Board of Trade session with the prices down to a bargain counter basis of \$1 a bushel.

The heat spell was broken in this vicinity Wednesday morning when a timely thunder storm brought a heavy downpour of rain. The shower cannot help but be a great corn grower, while fruit and vegetables will likewise be greatly benefited.

PERSONAL

Edward Van Ry who has been visiting at the home of Chief Frank Van Ry for a few days has left for Oak Park, Ill.

Born to Mr. and Mrs. E. Rodenhouse, of Grand Rapids, Monday a girl. Mrs. Rodenhouse was formerly Miss Ada Koning of this city.

Born to Dr. and Mrs. William Westrate at Holland Hospital a 9½ pound baby boy—William Jr.

Rev. A. Maatman of North Holland has received a call from the Reformed church of New Era.

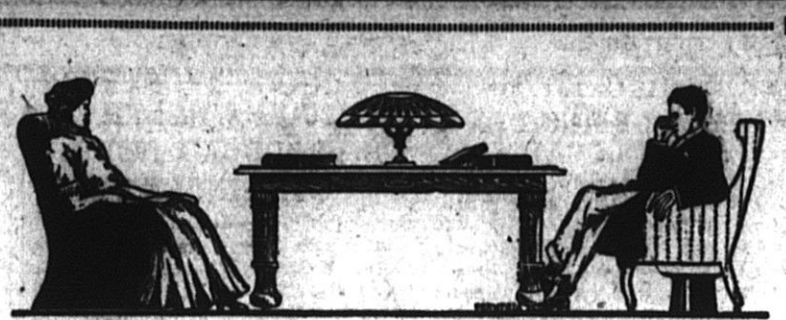

Mr. Wm. J. Westveer, assistant cashier at the First State Bank is enjoying a two weeks' vacation.

Mrs. I. Van Kampen, who has been spending a week or two with her father, Dr. B. B. Godfrey, returned Monday to her home in New Jersey.

"Cubby" Drew of the Holland City State Bank has just returned from a two weeks' vacation and "Marsh" Irving started on his vacation Tuesday.

Miss Annabelle Binns of West Olive, daughter of Mr. and Mrs. Frank Binns, was united in marriage, July 7 to Herbert Hubrecht of Grand Rapids.

Mrs. James Purdy and daughter Carrie left Saturday for an extended visit with relatives in the state of Washington. They expect to be gone a month or six weeks.

BUDGETS for NEWLYWEDS

Says a prominent Jurist:—

- Q "Continued domestic happiness depends in a very large measure upon finances..
- Q Love lays the foundation for the home; but money builds and maintains it.
- Q To recognize this basic principle in life and plan accordingly, means certain success—to knowingly or unknowingly disregard it will bring matrimonial unhappiness.
- Q It is best that finances be adjusted at the start and a definite understanding reached.
- Q Provisions should be made for the laying aside in a Savings Bank account a certain sum from every pay and for the buying of life insurance.
- Q Without these two there will be the feeling as time passes that 'we are not getting ahead' and then there is apt to be trouble.
- Q Nothing contributes more to permanent happiness in a successful home, in my opinion, than a steadily growing, mutually built Savings Account."

— Judge Webster of Detroit

Who can better judge than a Judge?

Phone 5421. 139 W. 19th St. Holland, Mich.

Mr. and Mrs. Ned Lacey spent Sunday at Virginia Park with their parents Mr. and Mrs. G. A. Lacey. Born to Mr. and Mrs. Joe O'Brien of Grand Haven on the 4th of July—A daughter. Joe is well known and has many friends in Holland. Born to Mr. and Mrs. Herman Manken, formerly of Holland and now of Graafschap, July 6th, twin girls weighing seven and six pounds. Henry Meyers of Grand Rapids is building a cottage in the new Port Sheldon township near Lake Michigan. Born to Mr. and Mrs. Elden W. Dick, 84 East 9th St. at Holland hospital—a son named Leonard John.

OTTAWA COUNTY SHERIFF CALLED TO TERRIBLE ACCIDENT

After lying more than 12 hours under his overturned truck, three miles west of Byron Center the body of Jesse W. Huff, of Moline was discovered by Bert Veenboer, who lives near the scene of the accident. Veenboer was driving along the road at about 8:30 Sunday morning, when he noticed the overturned Ford truck in the weeds by the side of the road. Believing that the accident had happened some time before, Veenboer drove on. However his mind was not easy about the wreck and he finally turned and went back.

Upon closer observation he found the body of a man lying under the wreckage. He hurriedly summoned Nick Boone who lives nearby. The two men made closer examination and discovered that the victim of the wreck had been dead for some time. The accident happened just over the line in Ottawa county.

Sheriff Delbert Fortney and Coroner H. J. Boers of Grand Haven were notified and immediately started for the scene of the accident. The body had not been removed from the wreck when they reached the scene, and they directed that the remains be taken out. The victim has evidently died from a broken neck. His watch had stopped at 8:30. To all appearances the man had died early the previous night.

No one on the scene knew the dead man. In his pockets among other personal things were about \$30 in money and a credit slip made out to R. J. Weatherall of Grand Rapids, auto dealer. The slip contained the name of Jesse Wm. Huff of Moline, R. F. D. with credits for payments, probably on an automobile.

The victim of the accident was identified by means of the credit card and Coroner Boer and Sheriff Fortney decided that Huff came to his death through accident and that an inquest was not necessary. The body was released for burial and taken to Metcalf undertaking rooms in Grand Rapids. From there it was taken to Moline for burial.

Bert J. Van Oss, a farmer living within a short distance of the wreck is said to have been on his porch all evening until 10:30 Saturday night. He heard nothing of the wreck and this leads to the belief that the accident occurred at a later hour than at first supposed.

Farmers living in the vicinity said there can be little doubt that many motorists passed that way. But owing to the fact that the truck turned over in a ditch filled with weeds, it was obscured from view to such an extent that the headlights of the passing machines failed to bring it to the attention of the occupants.

Just how the accident happened will probably never be known. Marks on the roadside indicate that the truck skidded in some loose gravel and plied into the ditch turning turtle.

The man's wife became somewhat alarmed on Saturday night when her husband failed to return, but she believed that he might have been detained in Moline or Jamestown and he was spending the night with friends. Huff was a veteran of the World War and leaves a wife and two children.

MAN ARRESTED HERE LAST YEAR TRIES SUICIDE

Arrested about year ago in Holland for stealing a seven-passenger touring car, for which crime he served since then in the reformatory, Alfred Gummo, aged 22, tried to commit suicide in Grand Rapids Monday by jumping off the wealthy street bridge into Grand river.

But Gummo hadn't thought of the big boulders that had been piled up nearly to the surface of the river and he struck feet first, on the submerged stone pile, with the water barely covering him.

A man in a row boat attracted by the calls of spectators on the bridge and seeing the youth in the water, hurried to his aid, pulled him to safety and took him to shore. He was carried into the police ambulance and taken to St. Mary's hospital.

Gummo's scalp was injured and he was shaken up a bit, but when he regained consciousness at the hospital several hours later, physicians said his condition was such that he would be able to go home in the morning.

A few weeks ago he returned to his family home in Grand Rapids, with a girl he hoped to make his wife. His father promptly told him to leave, he declared. Saturday, friends induced him to drink a mixture of three potent drinks and yesterday he lost his job at the Star Transfer Co.

"Then I found my girl had thrown me down and I made up my mind. The water looked slimy but I didn't mind—if I only hadn't hit those bricks," Gummo related at the hospital.

A girl in knickers accompanied Gummo's parents to the hospital and was kissed while he lay unconscious. There wasn't a reconciliation, but Gummo thought about the kiss when he was revived.

Then he said, he heard another "feller" was waiting outside while the girl in knickers dropped in to see "a sick friend."

"I'm through with 'em," the injured Romeo declared last night. "I've for given her four times and I'm thru."

SECOND WARD MAN FIRST TO PAY TAXES

The summer tax gathering campaign started in Holland Monday and City Treasurer Bowman collected \$4,500 on the first day, which is considered a fair average for a first day of a six weeks' period. The first tax payer to settle his account with the city was Frank Slinke, 48 East 6th S.

The summer tax period will last until August 15th. The total to be collected is \$303,406 and the rate is \$20.56.

FORMER HOLLAND MAN WEDS IN LANSING

John Shoemaker, formerly of Holland and now of Lansing, and Miss Ida Mae Kiser were married Saturday night at Lansing, the ceremony being performed by Rev. Mr. George James Boer and Katherine Bremer of Holland motored to Lansing to attend the wedding. Mr. Boer was best man and Miss Gertrude Schroeder was the bride's maid.

The newly wedded couple will spend a week or two at the Dan Bertsch cottage on Park road. They will be at home after July 15 at 108 Barnes avenue, Lansing.

THREE RETIRING SCHOOL TRUSTEES ARE RE-ELECTED

Although not nearly all the voters came out to cast their ballots for the most important offices in our city, namely members of the school board, at least 378 took the trouble to come to the city hall to vote, while more than 4000 stayed at home forgetting all about this most important duty.

The polls at the city hall were open from 2 o'clock until 8 o'clock in the evening, giving everyone who so desired and was eligible a chance to come out to the ballot box and vote.

There was no undue excitement over any one candidate, although Henry Geerlings, who has been a trustee for more than a quarter century, was again given the highest number of votes, namely 316. Fred Beuwick came in second with 276, and Gerrit Vander Hill third with 253.

This re-elects the old members of the board whose terms of office expired.

The other three candidates who were well qualified but did not receive votes enough to elect them were: Mrs. Agnes Albers, 117; Wm. Lawrence, 87; Robert Mulder 74. The vote of Mrs. Albers would indicate that several women voters made an effort to elect her as she ran considerably ahead of the other two new candidates.

MAKE PLANS FOR COUNTY MEET OF OT- TAWA BUSY MEN

Preliminary plans were made Monday night for an Ottawa County Busy Men's meeting in which all the groups of Busy Men in the county will come together for an afternoon and evening of sport and fellowship. The plans are not yet definitely worked out but it is believed that the date will be Wednesday, July 18. Wednesday will very likely be chosen because of the fact that the stores in Holland, Zeeland and Grand Haven close on that afternoon, making it the most convenient day for most of the Busy Men of the county.

The place will probably be the Y camp site near Port Sheldon, although that also has not been definitely decided. Two years ago a similar meet was held at Bass River and at that time 160 Busy Men from all over the county attended. It is expected that fully that many will be present this year. Committees are to be appointed soon to make definite arrangements.

There was not a large crowd at the Holland Busy Men's meet Monday night, due to the chautauqua and other conflicting meetings. Next Monday night's meeting will be a special one with several series of challenges games in base ball, volley ball and indoor base ball. A large crowd is expected.

CENTRAL PARK GIRL WEDS ZEELAND MAN

The home of Mr. and Mrs. Ernest Schnalfeld at Central Park was the scene of a simple but beautiful wedding, when their daughter Marguerite Theresa became the bride of Edward Marion Den Herder, son of Mr. and Mrs. C. J. Den Herder of Zeeland. The bride, petite et charmanante wore a French gown of white chiffon heavily beaded in silver. Her veil was caught up fashion by a wreath of orange blossoms. She carried a shower bouquet of bride's roses and swan-sonia. Mrs. Otto VanderVelde of Detroit, sister of the groom, played the wedding march from Lohengrin. As the bride proceeded unattended to the altar, which was an exquisite bower of shasta daisies and ferns banked at the west end of the sun porch, tiny Evelyn De Bruyn in frilly blue organdie, strewed rose petals in her path. She was met there by the groom, also unattended.

Rev. Hospers of Holland read the single ring ceremony. The music of the orioles in the trees about the house and the golden splendor of the setting sun enhanced a day which is sacred alike to mother as to daughter for it commemorates the 26th wedding anniversary of the bride's mother and father.

After the wedding a two-course wedding supper was served on the spacious sun porch.

The bride's going away suit was an imported French model of tan and brown. The happy young couple left, amidst a shower of rice and good wishes from their friends, for a ten days' cruise on the Great Lakes.

Only the immediate families were present. Mr. and Mrs. Jay Den Herder of Holland were master and mistress of ceremonies.

TO KEEP OPEN HOUSE FOR FOREIGN MISSIONARY SOCIETY

Mrs. Fred T. Miles, 14 East 26th St., will keep "open house" for the Foreign Missionary Society of the Methodist church and their friends on Thursday afternoon of this week.

Members are asked to bring their families and something for a "pot luck" supper and all will eat together at six o'clock. Coffee and lemonade will be served. The Little Light Bearers will provide a short program.

"Mother Goose and Her Missionary Family." Games for all and a general good time. Autos will leave at three o'clock from the following places: Mrs. Harrington's 10th and Van Raalte, Mrs. Harris' 17th and Van Raalte, Dykstra's Drug store, 14th and Central, M. E. church (after the Ladies Aid meeting) and from Beechwood.

HOLLAND MAN ELECTED AS MAIL CARRIERS' HEAD

John Brinkman of Holland was elected president of the Rural Carriers' conference at the 5th annual conference at the fifth annual meeting held Saturday night in post-office building in Muskegon. Frank A. Nims of Muskegon, was made secretary.

Congressman J. C. McLaughlin gave a brief address on the Ketchum bill. Anthony Rosbach of Holland, spoke on the standardization of the service. Brief talks were also made by Postmaster Ben G. Oosterbaan, John Wolterding of Holland, H. Barnum, postmaster at Bailey, and Rev. R. J. Shelby postmaster.

Refreshments were served at the close of the meeting.

A marriage license has been issued in Ottawa county for Jennie Low, 24, Olive, J. Brady, 31, Grand Haven. Born to Mr. and Mrs. Ernest Van Lent, 101 East 23rd St., Tuesday morning, a son.

HOLLAND MASTER PAINTERS ISSUE A BEAUTIFUL PROGRAM

The delegates attending the Third Annual Convention of the Master Decorators and Painters Association of the state of Michigan are to receive a real souvenir of Holland combined with their regular program.

While the doings of the convention are given in full together with a greeting of Mayor Stephan, an article headed "Holland's Inventory," which reflects plainly and concisely everything of importance that Holland has, also appears.

In this article Holland's manufacturing is all described, its civic life is given in detail, embracing parks, light and water plant, and all those things incident to the city.

Its educational institutions and the churches have not been forgotten nor have its amusements and places of recreation including the local resorts and our transportation facilities, beer, overlooked.

This resume of Holland covers nine pages of the book interspersed with illustrations.

"Historical Holland" is the next article in the program that is of interest giving the old story, which notwithstanding is always new, of how Dr. Van Raalte and his brave band of followers blazed the trail to this beautiful spot and called it Holland. These pages contain an old wood cut of Dr. A. C. Van Raalte, and also of the old log church, made years ago, which have been the property of the Holland City News for upward of forty years.

The program contains illustrations of the city hall, a view of the boulevard lights at night, the Woman's Literary Club House, Centennial Park (the heart of Holland) Holland High School, the Holland Country Club, the Greek Amphitheatre at Castle Park, a view of our concrete country highways, Macatawa Bay, (lighted at night), an old "wind-jammer" entering the harbor, the new Masonic Temple, the beautiful steamer "City of Grand Rapids", a complete group of Hope College buildings, the Holland postoffice, view of Holland harbor from Bald Head, several views of Black Lake from the same hill, the Holland Coast Guards out in a storm, and a picture of Hotel Ottawa, the guests' headquarters.

The program is beautifully printed in three colors and the cover is delft blue. The emblem on the cover is very unique, representing a Master Painter who had just stepped down from his ladders, where he spies a small boy with a toy boat, and with his brush deftly puts the finishing touches on the little yacht held in the hands of the small chap. An inscription under the cut reads, "An extra not in the contract."

The compilation and laying out of the program including the printing was done at the Holland City News printery.

"NO POOR OR MILLIONAIRES IN HOLLAND"—STEPHAN

The Master Painters and Decorators convention opened in the city hall at 9:30 Tuesday morning with Bert Slagh, general chairman of the convention, presiding.

Mr. Slagh briefly stated what influences were brought to bear to bring the convention to Holland, still a young sprout in the state organization.

Since the state painters and decorators decided to come here the local organization have planned diligently for weeks to make the meeting in Holland not alone educational, but entertaining as well, and as chairman, in behalf of the local organization he welcomed the guests to this city.

Rev. Tyase then opened the exercises with the invocation whereupon Mr. Slagh introduced Mayor E. P. Stephan as the chief executive, who had taken a special interest in this meeting.

Mr. Stephan gave an unusually interesting address of welcome so different from the stereotype affairs generally handed out at similar functions.

Said Mr. Stephan:—"Mr. Chairman, delegates to the State Painters and Decorators Association, ladies and gentlemen:—"

"I felt like saying fellow painters and decorators, as I was a painter myself once upon a time and worked for the trade for five or four years, and for a period of four years I was a finisher or varnisher in various furniture factories in this city and Grand Rapids. There isn't much I can do in the line of manual labor, but when it comes to wielding the brush, I feel perfectly at home even today and

approximately 150 Master Painters and Decorators from different parts of the state of Michigan have arrived and are holding their business session at the city hall in Holland.

By far the largest number got into the city Tuesday noon and went directly to Hotel Ottawa, the resort headquarters to make arrangements for their stay.

After the first meeting in the city hall Tuesday morning, the second meeting was held at 2:30 in the ball room of Hotel Ottawa at Ottawa Beach.

Tuesday evening the entire delegation was given a trolley ride to Saugatuck and Mr. Weed of the Big Pavilion gave the hundred or more visitors the freedom of the place and the delegation had the time of their lives listening to the wonderful Italian orchestra, dancing and taking in picture shows. Few delegates had ever seen such a beautiful pavilion before, and they were especially impressed with the lighting effect which is unusually attractive to even frequent visitors.

At 2:30 this afternoon the delegates were given a ride on Lake Michigan on the Steamer "City of Grand Rapids" and at 4 o'clock, 6 automobiles took the guests for a ride about the city, Holland Country Club, Lake wood farm, and incidentally peeking into the Holland Ladder Co. and Holland Furnace Co. plants.

At 8 o'clock Wednesday evening an elaborate banquet was given at the Hotel Ottawa with the Holland Painters and Decorators as hosts.

That the Holland boys are to "do it up brown" is evident when the men showed tenderness of foot with rough shoes, combination salad, strawberry ice and a dozen other good things to eat.

At the speaking program Attorney Thomas N. Robinson was the toastmaster and Prof. Wynand Wichers of Hope College was the principal address.

The complete program follows:—Invocation.....Rev. G. Tyase Toastmaster.....Thos. N. Robinson Musical Program.....

Furniture City Quarter Just a Few Stories.....Bert Hogan American Legion Orchestra.....

Address.....Prof. Wynand Wichers At the morning session at the city hall Wednesday morning called at 9:30 o'clock, M. De Boer read a paper on "The Purpose of the Organization" while A. W. Baxter of Grand Rapids gave a discourse on "Licensing Master Painters," and R. K. Logan of Saginaw, president of the organization discussed "Enforcing Laws on Sanitation."

country. We haven't got a millionaire within our borders. Another thing unusual in our city is the fact that our colored population numbers one. It is a city of homes and churches and we glory in both these institutions. I believe I am safe in saying that 75% of the people in this city own their own homes and most of them are very beautiful and kept up in a way that any city can feel proud of. We have no great mansions in this city that we can point to with pride, but we have more homes, good homes, lived in and kept up by laboring men than any city you have ever had the pleasure of visiting before. I trust that the entertainment committee will see to it that you get a drive through the streets of this city and show you the homes our working men live in. I wish that everybody in this country was as ambitious to own their own homes as the people are in this city, as this would do more to stabilize our citizenship and bring about a spirit of happiness and contentment than anything you can suggest.

"Then again we are a city of churches. Again I believe I am safe in saying that a greater percentage of the population of this city go to church on Sunday than any other city in this country. We have somewhere around thirty churches in this city and everyone of them is filled to capacity every Sunday morning. If the home is the greatest institution for good in this world, which is generally conceded, and the church is the greatest organization for good—then a city which is fortunate to have both of these institutions abundantly as our city has cannot help but be a good town to live in.

Then again Holland is a town of schools and colleges. In our midst we have Hope college with over 500 students from all over the country and also a seminary where we educate men for the ministry of the gospel. Both these institutions are owned and under the control of the Reformed Church of America. We have a public school system which stands as high in the educational world of this state.

"Then again it is a great industrial city. We have seven large furniture factories, the largest furnace plant in the world, and another one that is ambitious to become the largest one. We have a large piano factory in this city and a large shoe factory and a chemical plant where the famous San Tox remedies are made known all over the United States; also the H. J. Heinz Pickle plant with its 57 varieties. We have three machine and engine industries in our city, and while these different institutions employ thousands of men we never have any labor troubles and a strike is an unknown quantity in this city.

"As mayor of this city, I welcome you in our midst. I hope that you stay with us will be a pleasant one and that the spirit and atmosphere of this community may be an inspiration to you in your deliberations so that the result of your meeting here will not only be a benefit to the organization that you represent, but to every community to which you may return when you adjourn so that society at large may be benefited and blessed by the work and results of your deliberations and decisions in this convention.

"Again I welcome you. I give to you the liberty and freedom of our city, feeling confident that as honest laboring men you will not abuse the privilege.

"I thank you." In response President R. K. Logan of Saginaw stated that he was much impressed with the mayor's resume of the city where they were guests, and coming from a fellow-craftsman as Mr. Stephan was once upon a time, he knew and felt that the mayor was well acquainted with the problems that confront the trade.

He felt that a welcome such as the mayor had given came right from the heart, and he knew that the delegates would use and not abuse the courtesies that the city of Holland extended.

He also gave words of appreciation to Rev. Tyase for his divine instruction and said that he knew that his words of prayer would be the guiding hand that would dominate the deliberations of the convention while the delegates were in the city.

What Do You Know About Chiropractic?

Do you believe that it is a Health Science which is daily relieving the sufferings of thousands and saving thousands from a premature grave?

Is your belief based upon actual experience or simply upon hearsay, or is it a matter of fact that you have given the subject little serious thought?

Do you know that CHIROPRACTIC is entirely different to any other form of Drugless Science and that it has nothing in common with OSTEOPATHY?

Do you know that there are ten thousand chiropractors who are practicing their profession in the country at the present time and that still the supply is not equal to the demand?

Do you know that since 1909 ALMOST SIXTY THOUSAND patients have been adjusted at the clinic of The Palmer School of Chiropractic, Davenport, Iowa?

Do you know that in the recent "Flu" epidemic chiropractors only lost one case out of 886, or one-ninth of one per cent?

Do you know that it has been proven beyond a reasonable doubt that as a prophylactic (preventive) method, Chiropractic stands head and shoulders above any other?

Ninety five per cent of so-called Dis-ease is caused by a subluxation (displacement) of one or more vertebrae (small bones) of the spine which causes an impingement (pinching) of the nerves, preventing the life force from flowing normally.

The chiropractor relieves this pinching by CHIROPRACTIC SPINAL ADJUSTMENTS with his bare hands only. The displaced bones are put back into their normal position, the pinching is relieved, the life force flows uninterruptedly and Health is the result.

Mechanical defects cannot be corrected by the employment of drugs.

The chiropractor is a spine specialist, a human machinist, who has been trained to know the spine thoroughly.

See your chiropractor, ask him for more information regarding his wonderful Science. Get him to give you a Spinal Analysis and ascertain just what condition your spine is in. It will pay you.

Bachelor & Bachelor, D. C. Ph. C.

Three year Graduates of the Palmer School of Chiropractic.

HOLLAND CITY STATE BANK BLOCK

CITY INSPECTOR SAYS NOW IS THE TIME TO CUT THE WEEDS

The word has gone forth from the city inspector that weeds must go in Holland. This is the time of the year when weeds should be cut so as to prevent them from spreading the seeds and the city inspector is preparing to make war on this nuisance. Beginning next Monday morning he will start the work of cutting weeds in the vacant lots and in other places in the city. The ordinance gives the property owners the right to cut the weeds themselves and so save expense. But now is the time to do it and after next Monday morning the city inspector will do the job in those places where the weeds have not been cut.

The Federal Bakery Friday put a new creation on the market that its laboratories have been working on for a long time. It consists in a new pie that has been given the name of "Two in One." The laboratories have been working to get just the right combination and it is believed that this has been secured now. Just what the ingredients are is not announced but the new pie is being offered on the principle that the proof of the pie is the eating.

HOLLAND IS FINANCIALLY STRONG

In this issue the financial statements of the three Holland banks appear and again the solidity of these banking institutions is reflected. There are few communities of this size where its banks can make such substantial showings as in Holland. The combined assets of the First State, the Holland City State, and the

WEDDING TAKES PLACE AT JENISON PARK

A very pretty wedding took place on Tuesday, when Miss Vesta Conley and Mr. Frank Burt, both of Jenison Park, were united in marriage by the Rev. James M. Martin of Holland, the ring service being used. The bride was very prettily dressed in a gown of blue Canton Crepe and carried a shower bouquet of white carnations and swansons, and was attended by Miss Marjorie Conley and Miss Ivaldell Burt sisters of the bride and groom, who were dressed alike in gowns of pale yellow. The groom was attended by James Burt and Lowell Conley brothers of the groom and bride. A bountiful supper was served at the home of the bride's parents with only the immediate relatives present. The couple received many beautiful and useful gifts. The happy couple left on Wednesday morning for a short wedding trip to Jackson and other points.

The dog tax in Trowbridge and Lee townships, Allegan Co., has all been paid. Legally all unlicensed dogs have been shot by the sheriff. Actually, they are living only because he had not the time to go after them. Allegan is the banner city, as more dogs have been paid for than were reported.

LOCAL WOMAN TO SPEAK IN DES MOINES, IOWA

Mrs. James Wayer left Wednesday for Des Moines Iowa, where she will attend the International Christian Endeavor convention. Mrs. Wayer was sent to the big convention by the Woman's Board of Foreign Missions of the Reformed church, of which body she is a member and which she will represent. She will give an address on Saturday morning on a subject connected with the purpose of the meeting.

MINISTER'S CHILD IS IN- JURED IN GRAND HAVEN

Rev. and Mrs. Schaap and 3-year-old child Agnes of this city took in the Grand Haven excursion via boat on the 4th of July, and while at the county seat the child stumbled and fell in the street. Before she could arise an automobile ran over one of the legs of the child breaking it. The parents quickly took the child to the home of Mr. and Mrs. Gerrit Tinholt who recently moved from Holland to Grand Haven where the injured one received attention. Rev. and Mrs. Schaap returned home Thursday with their child.

Peoples State banks are \$6,990,792.43. The spirit of thrift is shown from the fact that of this sum \$4,034,004.68 is found in savings accounts deposited by thrifty folks living in Holland and vicinity.

Surely Holland does not look poverty stricken, and the showing is especially gratifying, considering the fact that by far the largest percentage of these savings come from patrons working in shops and factories and those in ordinary walks of life. Big business and mercantile busi-

ness do little in the line of saving, as most of their surplus is used in business enterprise, for that reason the sum total in the savings deposit is not added to materially from that source.

The commercial deposits however which comes under a different head, the statements show the sum total in the three banks amounts to \$1,307,533.58.

This represents part of the working capital used by Holland enterprises.

"TED" ZWEMER'S MARRIAGE REPORTED IN ILLINOIS PAPER

Recently one of Holland's young men was wed to a young lady of Fairview, Ill., and the Canton Daily Ledger account under Fairview items:—"Tuesday afternoon at 2:30 o'clock at the home of Mr. and Mrs. J. P. Winter occurred the marriage of their daughter, Miss Sara Anna Winter to Theodore F. Zwemer in the presence of about 30 guests. The wedding march from Lohengrin was played on the violin by Miss Alice Winter accompanied by Miss Evelyn Zwemer on the piano. The bride and groom took their places under a beautiful bower of roses where the father of the bride performed the double ring ceremony. The bridesmaid was Dr. Anna Ruto Winter, sister of the bride, who just recently graduated from the Women's Medical College of Pennsylvania. Adrian Zwemer, brother of the groom acted as best man.

"The bride wore a beautiful gown of white Spanish lace over satin and carried white roses. The groom wore the conventional black.

After the ceremony a two-course luncheon was served.

The couple left by motor for Douglas, Mich., where they will spend their honeymoon. Later they will go to Hudsonville, Mich., where Mr. Zwemer will have charge of a church until fall when both Mr. and Mrs. Zwemer will go to India as missionaries. The bride's going-away costume was navy blue with gray accessories.

"Mrs. Zwemer is the daughter of Rev. and Mrs. J. P. Winter and is a graduate of Hope college, Mich. She has taught in several high schools and for one year taught in the Fairview high school where she made many friends. Mrs. Zwemer is a very accomplished young lady and has done much work in the Reformed church and city.

"Mr. Zwemer is a son of Mrs. Anna Zwemer of Holland, Michigan, and a graduate of Western Seminary and Hope college. He has filled the pulpit in the Reformed church several times and has made many friends in Fairview.

"Those from out of town at the wedding were Mrs. Anna Zwemer, Miss Evelyn Zwemer and Adrian Zwemer, of Holland, Mich., and Miss Dorothy Elliott of Knobnoster, Mo. Congratulations to the bride and groom were received by cablegram from S. M. Zwemer of Cairo, Egypt, and best wishes are extended by the community for a happy married life and success in the foreign field."

A sky rocket at near midnight, 4th of July night, set fire to the roof of the home of William Wagner, corner of 1st avenue and 16th street. Both departments responded to a call from 51, and the blaze was soon put out.

Subscribed and sworn to before me this 29th day of June, 1923.

C. VAN DYKE, Notary Public.

My commission expires July 22, 1925.

Correct Attest—W. H. BEACH, A. H. LANDWEHR, C. H. McBRIDE, Directors.

THE "FRIENDLY WAY" GAINS VICTORY IN OPENING STREET

The policy of the "friendly way" that is being followed in the city administration gained another victory this week when the committee on streets and crosswalks succeeded in having 27th street east of Central avenue opened without a fight. Ald. Kanmeraad, chairman of the committee, reported to the common council Thursday evening that the consent of the various property owners had been secured, that the deeds were ready to be transferred to the city for the parcels of ground that the city will need to open the street, and that everything was ready for formal steps by the council.

The committee recommended that the city engineer be instructed by the council to set the lines for the street and give the necessary descriptions, which recommendation the council adopted without a dissenting vote.

Ordinarily the opening of a street is merely a routine affair and is not worthy of special mention, being noted only in the formal record of the council proceedings. But in this case there were special circumstances. Negotiations have been pending in the matter for a year or two, and at one time it looked as if the city might have a condemnation suit on its hands. It was of course possible for the city to secure the property by legal proceedings, but such proceedings always leave a trail of bitterness in their wake. For that reason the council was rather backward about tackling the problem.

But the committee on streets and crosswalks went at it in the spirit of the "friendly way" and took the human element into consideration. By putting the matter in the right light they were able to secure the consent of the necessary parties without any friction and so the whole thing has been settled.

Mayor Stephan complimented the committee at the meeting Thursday night. "You have done splendid work," he said, "and I want to compliment you. It shows what can be done by quiet, friendly methods, which are always better than force when they can be employed. I want the other aldermen to know that your work is appreciated."

The common council on Thursday night issued another permit for still one more gasoline pump. The letting of permits for such pumps has become a sort of joke with the aldermen. Hardly a council meeting goes by when someone does not ask for the right to operate a gasoline pump somewhere in the city, so that it has almost begun to seem to the aldermen that there must be a gas pump for every car owned in the city.

The requests for permits to operate soda fountains come a close second. These two kinds of permits are more numerous than any other and the aldermen are wondering each time they grant another where the profits are coming from for the petitioners. One bright financier has suggested that the city might establish another fine source of revenue charging license fees for them.

SCHOOLS SAFEST PLACES FOR HOL- LAND CHILDREN

"The schools of Holland are being made the safest place for children so far as health goes." This sentence, taken from the annual report of Miss Alma Koertge, city nurse, gives an idea of what is being done along that line. Miss Koertge during the year made 250 school calls for talks, observation and examinations, and in the course of these calls she excluded pupils in the early stages of scarlet fever, measles, whooping cough and diphtheria, thus preventing the spread of these diseases. But even though this was done, Miss Koertge added that on the whole the parents are becoming more and more careful not to expose other children and hence the schools are fast becoming the safest places in the city.

Miss Koertge made 1283 home calls in the course of which she also found undiagnosed cases of measles, whooping cough, scarlet fever, and diphtheria, all of which she placed under a doctor's care. She assisted at 11 operations in the homes and 21 in the clinic.

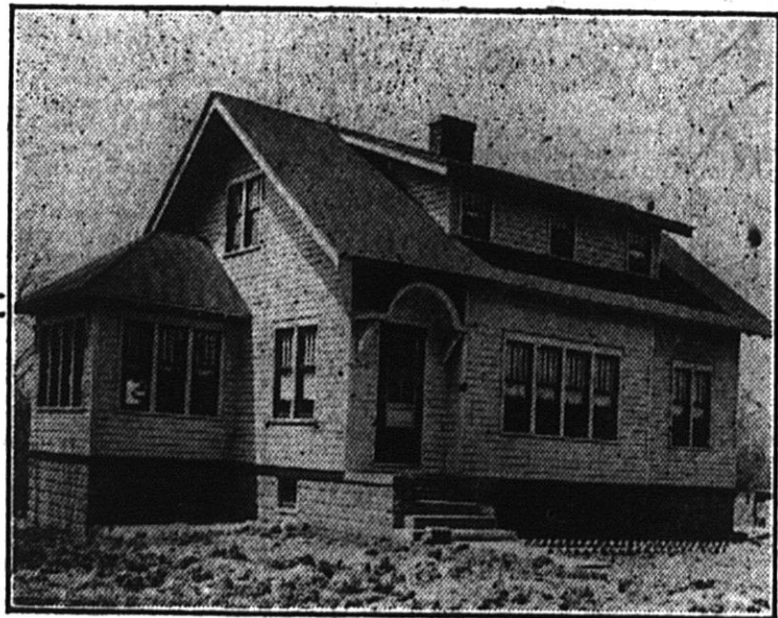

The advance that has been made in the five years that Miss Koertge has been here is eloquently shown in one school. The report at the end of the year five years ago showed that \$3 in that single school still needed dental care. This year in the same school there were only 17 who still needed dental attention. And this school is a fair sample of all the other buildings.

Perhaps the most successful part of the year's program was the medical clinic held each Friday morning at the hospital annex. The number attending was 120, there were 20 tonsils and adenoids operations, two operations done elsewhere as a result of the clinic examination, and ten pairs of glasses fitted. The success of these clinics was largely due to the fact that some Holland doctors donated their services and the Woman's Literary club donated the provisions. In the dental clinics, eight of which were held, 47 children were treated. The work at these clinics was paid for by the Woman's Literary club.

THREAT TO HANG NEIGHBOR ENDS IN \$500 PEACE BOND

"If I find you here at 6 o'clock this evening, I'll hang you to that tree," James Mason, 35, told Edward McGill, 75, his neighbor in Allegan. The aged man obeyed the warning but on his way to take refuge with some friends in another part of the county stopped at the sheriff's office long enough to tell Sheriff Leo Hare about it. Mason, arrested, admitted that he made the threat. Another neighbor signed Mason's \$500 peace bond. All the men are residents of a locality in Valley township that is noted for its colony of bachelors living a pastoral life in single blessedness.

According to statistics just made public by "Public Health Bulletin", published at Lansing, there were 98 births in Holland during the first 3 months of 1923 and 37 deaths. In Grand Haven there were 47 births and 37 deaths. In the whole of Ottawa county, the number of births was 182 and of deaths 105; in Allegan county births 179 and deaths 127; in Allegan city births 29 and deaths 31.

Whatever You Demand In Quality Our Price Will Be Lowest.

We defy competition to meet our price on any house, provided the customer demands the same quality of material and workmanship of others that they demand of us.

Since we are responsible to each individual for every detail of his house both material and workmanship—we must hold to the good proven methods of building. These are methods which have been given highest approval by the United States Chamber of Commerce the fire insurance companies and by the best architects and builders.

Standardizing on these approved methods made it possible to cut and otherwise prepare parts of many houses at the same time by machine.

And instead of fitting and cutting boards on the job, which has always meant a frightful waste (almost 21%) of time, practically every board that goes into a house that we build is prepared by machine. It is first selected from lumber in our own yards—lumber that is just right as to size and quality.

"Expressive Houses" are built of selected lumber, all the way through. The labor cost or carpenter's bill is cut one-third. The construction, is of the highest, approved type.

You are not annoyed by the delays of various men who are only partially interested - one in lumber, one in design, one in construction, one in this material and another in that.

Investigate before you build. Prove to yourself that you can save this money. Compare our price with any other you may get - but be sure the quality is the same from basement to attic.

BOLHUIS LUMBER & MFG. CO., Builders of "Expressive" Houses.

General Office: 17th Street at P. M. Tracks, Holland, Michigan. Telephone 2105.

CHICAGO ANNETTE KELLERMAN SHOWS SKILL IN THE WATER

A Chicago Annette Kellerman is a visitor in Holland and has been giving a demonstration of her skill as a swimmer. She is Miss Violet Franke, aged 17 years, who is a niece of Mrs. Joe Tardiff and visiting at the home of her aunt on the North Side. Miss Franke swims like a fish and is almost as much at home in the water as on land.

Wednesday afternoon she swam from the Ray Tardiff place on the north side of the bay to the J. E. Telling place south of Black lake and back again without stopping. And that was only a slight indication of what she can do. She had not yet begun to get tired and if the lake had been twice as wide it would have been all the same to the Chicago girl. Her friends believe that there isn't another girl in these parts of Miss Franke's age who can match her feat.

OTTAWA COUNTY'S HIGHEST TEMPERATURE IN JUNE, '93

The monthly meteorological summary as issued by D. W. Torrance, in charge of the Grand Haven weather bureau shows that the highest temperature for the month was 93° on the 23rd and the lowest mark was 45° on the 7th. The average for the month was 67° which is above normal. During the month of June the precipitation aggregated 2.84 inches. There were 14 clear days, 11 partly cloudy and five cloudy days during the month.

HOLLAND BOY ENLISTS FOR WORK IN CHINA

Adrian B. Bauman, until Monday a clerk in a Grand Rapids car, used to pick up the newspaper each day and read with a thrill of the latest exploits of American troops abroad. He would sit in his room at 52 Market-av. Grand Rapids, and imagine himself a doughboy carrying pack and rifle over the rough roadways of far away oriental lands.

And then the young man just arrived at his 21st birthday last month could stand the temptation no longer. He sought out Col. H. M. Fales, army recruiting officer, and asked permission to enlist for Chinese service.

At first Col. Fales hesitated. But Bauman has made his decision. And the more he thought of it, the more the colonel became enthusiastic over the plan.

"I know what we'll do," he said. "Col. C. King, in command of the American legion troops in Peking, is a personal friend of mine. I'll give you a letter of introduction to him. He will see that you get the right experience and will keep a friendly eye on you."

So Adrian signed up then and there, the first recruit for the Chinese service that Col. Fales ever has had. July 21 he will sail for China and Peking. The young man's parents live in Holland, Mich.

The Seventh Reformed church of Grand Rapids has chosen Rev. H. Colenbrander of Rock Valley, Ia., as its new pastor to succeed his stepfather, Rev. A. J. Van Lummel, who died recently. The church will spend \$15,000 in remodeling its building. Rev. Colenbrander is the son-in-law of Mr. Henry Koolker of Overisel.

PIONEER RESORTER HAS GOOD WORD FOR HOLLAND

One of the pioneer summer resort families at Waukazon is that of Dr. D. T. Vall of Cincinnati. They have been coming to Waukazon every summer without a miss since 1899 and they have come to look upon Holland as their second home town. Dr. Vall is one of the most prominent medical specialists in the middle west and Cincinnati is his home during the greater part of the year, but the affections of the family are centering upon their beautiful Waukazon place. On returning to the local resort for the summer Dr. Vall had some nice things to say about this community.

"Holland and Waukazon look mighty good to me," he said. "We are again located here for the summer and we appreciate this place; it seems to us like home, as we have been coming to the Black Lake resort since 1899, never missing a summer. "Since then I have watched this community grow and it is now a better city than ever before. The people here are the highest type of citizens and I take pleasure in noting that many of the Holland sons and daughters have gone out in the world where they are called to still larger fields of activity and they are making fame for themselves and for Holland."

"The new golf club is a great institution for community growth. It develops character and sportsmanship and it broadens the mind. I feel like congratulating the citizens on the prospects the future holds for Holland. Dr. Van Raalte planted better than he knew and the plants are still young and tender. Watch 'em grow big!"

HOLLAND WINS BOTH GAMES IN A DOUBLE-HEADER

Holland captured both games of a double-header Wednesday, winning the morning game here 5 to 2 and the afternoon game at Rockford 10 to 12. The morning game was played in an intense heat, which naturally made a rather slow game out of it, although the Holland infield pulled off three snappy double plays.

Hamill from Kalamazoo pitched an easy game in the morning, allowing the batters to hit the ball instead of retreating them all by the strikeout method.

Bennett from Rockford, a youngster, pitched a good game against the heavy hitting Holland crew. He was in trouble several times with bases full and none or one out, but pitched out of it luckily.

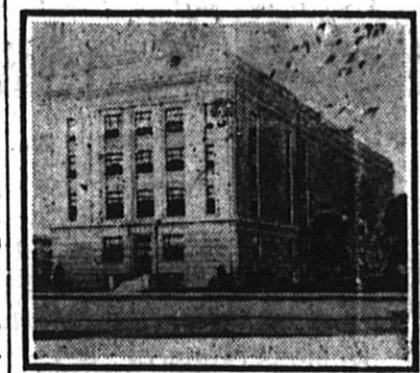

In the afternoon game the locals outscored and outthrew the Rockford aggregation. Father Wolrding was a heavy slugger, getting four out of five. Berkhard pitched a good game for Holland.

Saturday at 3 P. M. the Holland club will play the fast Kellys Ice Cream team. Probably Dahlstrom or Hamill will pitch this game and a good game is assured. Last time a nip and tuck game was played here, the Kellys winning 4 to 3.

George Pelgrim of the Bay View Furniture Co. was in Grand Rapids Thursday attending the Furniture exhibition.

MASONIC TEMPLE TO BE DEDICATED ON AUGUST FOURTH

Plans are rapidly maturing for the dedication ceremonies for Holland's beautiful new Masonic temple. The temple is now completed, or so nearly so that what is left to be done is hardly more than cleaning up the place to make the surroundings correspond in beauty to the building itself. The work of building the temple has been purposely slow because the

building committee was determined to take all the time necessary to make the temple a credit to the city not only but to Western Michigan. The Holland Masons have for many years been looking forward to a temple like this and that dream has finally become a reality through the efforts of the members.

The date for the dedication has been set, the ceremonies to take place on the afternoon and evening of Aug. 4th. The program committee has worked out a general program and is now busy filling in the details which will be announced later as the work progresses.

At 2 o'clock in the afternoon of Aug. 4th the reception will be held for the Grand Lodge officers and the visiting Masons and members of the O. E. S. At 2:30 o'clock the dedication ceremonies will be held. At 5:30 there will be a banquet in the large banquet hall in the temple followed by a number of after-dinner addresses by prominent Masons. From 8:30 to 12 in the evening there will be dancing and other entertainment in the ball room of the new temple.

All the necessary committees have been appointed to make the day a success. These men are working hard and all the indications are that the day's celebration will be a memorable one in every respect.

CITY OF HOLLAND RAMS STEAM YACHT

Dispatches from Chicago give the information that the steamer "City of Holland" running between Holland & Chicago on the Graham & Morton line collided with the power launch "Longfellow" with 19 passengers aboard. While making the harbor in an early morning fog on its trip over from this city.

One of the launch passengers was thrown overboard but was rescued. It is stated that one of the 15 passengers suffered a fracture of the shoulder and hip. The bow of the launch was stove in and the cabin was smashed.

Capt. Con McCauley, commander of the "City of Holland," placed the blame for the near-tragedy upon the shoulders of Capt. Roy Christenson of the "Longfellow."

The little craft, according to Capt. McCauley, drove straight into the "City of Holland," despite loud warning blasts from the boat's siren. The Graham & Morton ship also had the right of way, the skipper said, when his boat docked at Benton Harbor Thursday.

"We were out-bound from Holland and were just entering the Chango breakwaters, when this little launch came out of the fog from the southward. I blew the warning signal, but still she kept on. Then I sounded a warning to sheer off. When the Longfellow remained on her course apparently with full speed signaled full speed astern to the engine room. When we were hit, the Holland was at a standstill."

HOLLAND MEN GIVE OUT SUNDAY SCHOOL ASS. REPORT

The annual report of the Ottawa County Sunday School association, just issued by George Schulling and Anthony Nienhuis, president and secretary, shows that the organization has added approximately 1000 scholars during the last year. There are 73 schools in the county, with a total enrollment, the statement shows, of 10,650. The average attendance for the year is 10,650.

The county is divided into five districts and the report gives the statistics for each one of them. District No. 1 is Grand Haven and is composed of ten schools, 189 teachers and officers and 1872 scholars. The average attendance is 1492. The membership of the five cradle rolls is 232 and the home department 186.

Coopersville, district No. 2, has 15 schools, 160 teachers and officers and 1356 scholars, with an average attendance of 1145, and enrollment of 158 in the five cradle roll departments, and one home department with an enrollment of eight.

The third district is Hudsonville, in which there are 16 schools, 135 teachers and officers, 1588 scholars, the average attendance is 1382, an enrollment of 72 are in the three home departments, the same number of cradle rolls have an enrollment of 52.

The largest district is Holland, which is No. 4. It is composed of 24 schools and has an enrollment of 480 teachers and officers. There are 5987 scholars, with an average attendance of 5076. The eight cradle rolls have an attendance of 403. A total of 159 are enrolled in the four home departments.

Zeeland is the fifth district with a 8 schools, 142 teachers and officers, 1868 scholars, an average attendance of 1600, the two cradle rolls have an enrollment of 97, one home department has 34 members.

The officers of the association are: President, George Schulling; vice-president, J. C. Lehman; second vice president, George F. Marshall; secretary-treasurer, Anthony A. Nienhuis; district superintendents are: L. Van Appledorn, A. Lahus, J. W. VerHoek, H. P. Stegeman and George F. Marshall; department superintendents are: Mrs. E. Walvoord, Mrs. B. Lubben, Mrs. A. Van Harten, D. Boter, J. J. Bolt, Miss H. Wardenhuis, A. Lahus, and John Vandersluijs.

DERAILED CARS AT WEST OLIVE CAUSE TIEUP

A derailed freight train near West Olive caused a tieup in the Pere Marquette train service Friday morning. The northbound passenger train leaving Holland at shortly before five in the morning did not reach Grand Haven until noon.

The derailment of the freight was caused by a washout on the right of way which in turn caused a rail to turn over. The affair was not serious though the wrecking train had to be called to assist getting the cars back on the track. No one was injured according to a report from the Pere Marquette offices Saturday morning.

G. H. GIRL IS BADLY BURNED BY FIREWORKS

Mary Frances Bos, little six year old daughter of Mr. and Mrs. Martin Bos of Grand Haven was severely burned Thursday evening by fireworks which ignited her clothing. The accident happened at the Clarkson Rollins home on Spring Lake where a number of people have assembled for a fireworks display. Early in the evening the children were playing with sparklers.

In some manner the little girl's dress became ignited. Children playing with her saw the cloth smouldering and urged her to run to the lake. She followed their instruction and started for the water thus fanning the sparks into flames. In a few moments the child's dresses were aflame and attracted the attention of the grownups. One of the men rushed to the child and wrapped his coat about her. Fortunately she had tripped and fell face downward on the grass which prevented the flames reaching her face.

The child was badly burned about the back and legs; first aid remedies and olive oil were administered until a physician could be secured. The little girl is now under medical care at the Rollins home.

COLONIAL ORCHESTRA HOLDS PICNIC FRIDAY

The members of the Colonial orchestra and their families, about 25 in number, held their annual picnic Friday afternoon on Tennessee Beach. The picnic was also in the nature of a farewell reception for Henry Maas, the drummer of the orchestra, who is to leave soon for California. Mr. Maas has been with the organization for the past twelve years and is a charter member of the orchestra. He has been exceptionally faithful and has done excellent work. His fellow players presented him with a beautiful signed ring.

The afternoon was spent in playing games and a picnic supper was served.

SURVEY SHOWS FARMERS GO TO CITY TO AID POCKETBOOK

A survey undertaken by Verne H. Church, agricultural statistician, says that an overwhelming number of the farmers who are abandoning their land go to the city, make the change to better their financial condition, according to preliminary reports compiled today. Complete figures are not available, but in many cases more than 90 per cent of the abandonments were due to financial difficulties, according to Mr. Church.

C. De Jongh, 85, is dead at Olive Center. He was a retired farmer and had lived alone.

FOR SALE—Must be sold at once. One team bay horses, full brothers, weight 2800, 4 and 5 yrs. old, sound and true. Price \$350. One top buggy good as new \$50. G. H. Koolker, Fennville, Mich.

STATE OF MICHIGAN

The Circuit Court for the County of

Ottawa—in Chancery

Harm Roossien,

Plaintiff,

vs.

Peter Roossien, Martin Kleft,

S. R. Sanford, S. B. Pecks,

Hattie M. Hopkins, John W. Hopkins,

Galen Eastman and

Wm. M. Ferry, Defendants

At a session of said Court held at

the City of Grand Haven in said

county this 22nd day of June, 1923,

Present, Hon. Orlin S. Cross, Circuit

Judge of Probate.

In the above entitled case it appearing

by affidavit now on file that de-

fendants S. R. Sanford S. B. Pecks,

Hattie M. Hopkins, John W. Hopkins,

Galen Eastman and William M. Ferry

are not residents of said county, and

that their whereabouts are unknown,

It is therefore ordered that all of

said defendants enter their appearance

in said cause within three

months from the date hereof, and

that within forty days from date of

this order a copy of the same be pub-

lished in the Holland City News, and

that the same be continued each week

for six weeks in succession

ORIEN S. CROSS,

Circuit Judge.

The above entitled cause involves

quieting of title to the following de-

scribed real estate situated in the City

of Grand Haven in said county, to-wit:

The West one-third (1-3) of the

West one-half (1-2) of the South

fraction of the Northeast fractional quarter

(1/4) of Section Twenty-one (21)

Town Eight (8) North Range Sixteen

(16) West, excepting the right of way

of the railroad as it now runs across

such parcel of land.

LOCAL

Master Painters and Decorators in convention "get their pitcher took." General Chairman Slaght just before adjournment yesterday noon invited the delegates to congregate on the front steps of the city hall and "Ted" Vander Brink with a snaphooter from the Du Saar studio took two shots of at least 100 delegates. It is said that the painters all looked very pleasant, however the truth of this will be borne out in the picture.

D. J. Du Saar of the Holland Photo Shop is seriously ill at his home on East 14th street.

The young ladies of the court house are disconsolate. That handsome and desirable bachelor supervisor, Mr. Harm C. Ver Beek has ceased to be a matrimonial prospect. A license was issued July 5 for his marriage to Henrietta J. Tirpstra of Holland R. F. D.—Allegan Gazette.

Miss Dorothy Van Drezer was operated on for appendicitis at the Elizabeth Hatton Memorial hospital, Wednesday morning. Miss Van Drezer came through the serious operation nicely according to reports and is doing as well as could be expected.—G. H. Tribune.

Mrs. John Wendell of Baltimore, Md., is a guest of her mother, Mrs. C. Blom, Sr., 147 River Avenue.

There will be a meeting of the draymen and teamsters tomorrow (Friday) night at the home of Gerrit Van Haften, East Ninth Street at eight o'clock for the transaction of business concerning teamsters and draymen. All are asked to be present.

The Third church male quartet, consisting of A. Berkompas, Ralph De Maat, J. Vandersluis and Dr. Gilmore will go to New Era Friday evening to take part in a public musical program.

The Hudsonville Lumber Co. has purchased the Robert Curtis farm adjoining on the south of the property at recently purchased from Benjamin Kell. The company will plat this new purchase and open it up for sale. The demand for new lots and new houses is on the increase.

Hudsonville, through the aid of Cashier F. F. McEachron, has about completed arrangements with the Consumers Power Co., to project a line to the village under the assurance that there will be sufficient patronage to make it profitable. A large portion of the villagers have declared their willingness to support the move.

Charles P. Limbert who founded and for years conducted the affairs of the furniture company in Holland that bears his name, is dead at Grand Rapids.

He was one of the outstanding figures in the history of furniture making and his sudden death from apoplexy at his home on Robinson Road, Grand Rapids, comes as a shock to the furniture world.

Mr. Limbert was born in Akron, O., 38 years ago. He came to Grand Rapids in 1899 as a salesman and was identified with the furniture industry from that time until a year ago, when broken in health, he disposed of his factory located in Holland to D. B. K. Van Raalte, A. H. Landwehr, V. L. Dible and others. The business is still conducted under the name of the Charles P. Limbert company.

This start in the manufacture of furniture was made in Grand Rapids in the front-st. building now occupied by the furniture factory of the C. S. Paine Co.

Mr. Limbert was never married. Since 1894 he and his sister lived in a home on Robinson Rd. Two years ago, while they were visiting in Hon-

olulu, Mr. Limbert suffered a stroke of apoplexy, and was an invalid from that time.

Mr. Limbert was one of the leaders in the development of arts and crafts furniture, which he brought to its highest point. He had a national reputation in the industry. Since 1889 his company has held the same space in the Blodgett building at each furniture exposition.

Of a retiring disposition, Mr. Limbert was in the public eye but little and found his pleasure in quiet pursuits. He was known as an exceptional fancier of flowering plants, of which he collected many fine specimens from this and other countries. One of the delights, too, of his later years was the development of fancy poultry and his chicken pens always held some of the finest strains in the country.

Mr. Limbert is survived by a sister, Mrs. Clara Limbert. Funeral arrangements have not yet been made.

ONE THOUSAND ATTEND 3RD REFORMED CHURCH PICNIC WEDNESDAY

About a thousand persons took part in the picnic of the Third Reformed church Wednesday at Jenison Park. There were plenty of things to eat as there should be at a picnic attended by hundreds of hungry boys and girls, to say nothing of almost equally hungry grownups, and the program of sports was an unusually good one. The weather was ideal, not too hot and not too cold, and the picnic was one of the best given by this church in years.

There were 26 contests on the sports program, including all the good old standbys, such as running races, peanut races, potato races, ball throwing contests, three-legged races sack races, eating contests, balloon blowing contests, smoking contests for men, fat men's races, baby contests, nail driving contests, boxing matches, ball games. Suitable prizes were awarded to the winners in the various contests.

PASTOR'S SON HAS NARROW ESCAPE IN GRAND HAVEN

Raymond Schippers, son of Rev. Henry Schippers of the First Reformed church of Grand Haven, narrowly escaped a severe accident recently while painting a shed near the Van Zylers' silos at Davis street. The young man was painting with Herbert Vandenberg, son of City Clerk Vander Bosch, and when being raised to a position for work on planking the rope used to hold the affair broke. Young Vander Bosch managed to escape injury as did the other boy, but the circumstances of Raymond Schippers getting to safety were rather dramatic. Catching a rope end after it had broken, the youth swung down until near the ground and then in some manner managed to alight on his feet by a dexterous bit of work.

The Holland Merchants base ball team defeated and shut out the strong South End Independents by a 5 to 0 score. Both teams played good ball but the Merchants' heavy hitting brot them the victory. The battery for the Merchants was: Venhuizen and Albers; for the Independents, Selgers Steens and Rinkus. The first pitcher lasted only two innings. Struck out by Albers 6; Rinkus 4. Umpire—Scheerhorn. Next week Monday the Merchants play the West Michigan Furniture Co. and Hamilton on the following Thursday. The games are free so everyone come out and see some good games.

HAMILTON

Jake Carson moved to the farm of Luke Carson.

Mr. Worthington of Kentucky gave a talk about Kentucky in the First Reformed church.

Miss Ida Tanis of Vriesland who is a missionary in Kentucky will give a talk to the missionary societies of both churches, which will be given on the lawn at H. Tanis'.

The P. M. had a wreck near the brick yard Saturday when the engine ran off the track. No one was hurt. They pulled out Sunday morning.

Mr. Ten Brink has purchased a new auto hearse.

Rev. and Mrs. Boer from Grand Rapids visited at Mr. and Mrs. Brouwers.

DRENTHE

Mrs. Donald Vander Werp from Wyoming Park was taken ill while visiting here and was taken to the home of L. Vander Veer.

Clarence Lanning and family of New York are visiting with relatives here. While drawing milk to the creamery last July 4th, Albert H. Lanning's team became frightened while he was loading the milk cans on the wagon. The horses broke loose from the wagon and galloped through Opholt's farm and yard breaking a pine tree and nothing left of the harnesses. The driver nor the horses were injured.

Egbert Bredeweg died at the home of his daughter Mrs. L. De Witt last week Friday at the age of 75 years. He is survived by four children, one brother and a sister, Roelof Bredeweg of Holland and Mrs. A. VanderVeers of Borelio. Burial took place the past Monday.

Mr. and Mrs. A. Nagelkerk visited in Holland with relatives the past Tuesday.

Mrs. W. Compagner of Oakland, who underwent a serious operation performed by Dr. A. J. Brouwer of Holland, is now improving nicely. Mrs. N. Beyer is employed as nurse.

An automobile accident occurred on the Zealand road a short time ago, one night when there was a heavy rain, making it almost impossible for the driver to see far ahead. The occupants were not badly injured, but received a sound shaking up as they landed in a heap of poles alongside the road.

Art Bredeweg spent the past Sunday in Holland the guest of relatives. Jennie Vis left for Macatawa Park Monday where she will be employed for the balance of the summer season.

Mr. and Mrs. John A. Riddering of Grand Rapids were among the many who attended our celebration on July 4th.

East Saugatuck

About thirty people are brought each morning from East Saugatuck by Mr. Luplow, 12 from the Plains, two truck loads, numberink about 18 come from Pullman and eight from Pearle and Bravo. New Richmond furnishes four or five helpers and the remainder are gathered from Fennville and vicinity. When these are all dressed in the rubber aprons at the canning factory, caps and labor tickets, they all look like business.

Strawberries and cherries are occupying the force at present. With the wonderful cold storage in connection the factory is enabled to preserve the fruit for canning so much better. Last week they put up cherries, gooseberries and strawberries.

FOR SALE—Doves. 514 Central Ave.

ANNOUNCEMENT

— TO —

All Ladies of Holland and Vicinity

WE have made arrangements to place at our Basement Grocery Store a Demonstration on Kerr Mason Fruit Jars and Caps, same to take place for a period of one week, viz:

July 16th to 21st

inclusive. The demonstration will tell you all about these wonderful Jars and Caps and will show you how to can your Fruits and Vegetables [either hot or cold pack] and Meats so as to keep them sweet and sound, without spoiling or moulding.

ALL LADIES OF HOLLAND AND VICINITY ARE Invited to Attend this Demonstration!

Kerr Fruit Jars are made of clear, crystal, Flint Glass, uniform in thickness and quality. The new Kerr Mason Caps seal all makes of Mason Jars absolutely air-tight. Require no Rubber Rings. Your fruits and vegetables look and are so fresh and delicious as if fresh from the tree or garden. We recommend especially the Wide Mouth Mason Jar with convenient mouth which admits the hand to arrange large whole fruit. Be sure and attend this very interesting demonstration.
