Venetian Evening For Macatawa

THERE WILL BE FREE PARK-
ING AT THIS POPULAR
RESORT

By Charles Karr
The spirit of Macatawa is awake. It is all the more awake for having been asleep several years.
To celebrate the awakening, Macatawa Park is to have a big party for its thousands of friends on Saturday, July 21st. The party will be in the form of a boat regatta and Venetian Night like the old Venetian Nights that were so popular years ago.

There is to be no charge of any kind for the entertainment. There will be a parade of decorated boats in the evening with Marine Orchestras playing in the bay. Then there will be fireworks. And then dancing at the Macatawa Yacht Club under the Park plan by those who desire it.

The new management at Macatawa is determined to more than make up for the discouragements that Macatawa Park has been through in the way of fires during the last few years. Taking the fires as a warning the new management is going to make Macatawa Park one of the safest resorts in the United States by most adequate fire protection. Important steps in that direction have already been taken.

And everyone who has driven to Macatawa within the last few weeks will have noticed the cleaning up and beautifying of this famous old playground.
Some 200 motor boats, sailboats and yachts are expected to anchor in Macatawa Bay the 19th, 20th, and 21st of this month. They will be coming from various cities but primarily from Chicago. These yachtsmen, themselves, are determined to have their big party of the year by this event and they are going to join with the management of Macatawa in making it a party long to be remembered. They are going to have their own boat races and boat formations which will be of interest to everyone. In the forenoon on Saturday they will have races in Lake Michigan which can be seen to good advantage from Macatawa. In the afternoon in Macatawa Bay there will be speed boat races and surf boat riding demonstrations, as well as canoe tilting contests, etc.

Parking space will be free. Mr. Stebbins, Manager of the Macatawa Park Association, and other members are determined to do everything in their power to give their guests over this week-end a particularly good time. It is only an indicator of the good feeling that has been aroused and will be maintained in Macatawa.

The old times say that the moon is right for good weather, so nothing should interfere with one of the best parties for people in this section of the country, that has ever been staged by any resort.

The people of Holland and other nearby cities are lending their support to the occasion. The other resorts are also showing a most friendly spirit toward Macatawa, realizing that Western Michigan as a whole will develop, and that each of the good resorts will develop individually.

Petitions for Fred McEachron of Hudsonville are being circulated here for reelection as state representative. It is rumored Mr. McEachron will be a candidate for speaker of the House.

SAVES BOY FROM "BIG LAKE"

Peter Crook, 60, proved himself a hero when he rescued a 9-year-old boy from drowning in Lake Michigan. The boy fell in near the breakwater and when Crook heard the splash he dropped his fishing tackle to plunge into the water without stopping to take off his shoes.

Wichers Wins by 800 Votes Monday

THREE ARE RE-ELECTED TO
SCHOOL BOARD AT HOLLAND

Wynand Wichers, cashier of First State bank; Dr. Abraham Leenhouts, member of the board for 16 years, and George Mooi were re-elected members of the board of education Monday in one of the largest votes polled in recent years. The vote stood: Wichers, 800; Mooi, 675; Leenhouts, 571; Elenbas, 350, and Lawrence, 300. The total vote was 902, of which 57 were cast by mail.

Although his name appeared on the ballot William Lawrence had withdrawn from the contest several days before the election, leaving the three candidates for re-election almost a clear field.

FORMER CITY CLERK WORKS FOR THE STATE

Richard Overweg, Holland City Clerk for more than twenty years, has accepted a position with the state of Michigan in the highway department and is working under the direction of H. P. Fleming, resident engineer at Grand Rapids. This does not mean that Mr. Overweg will not run for treasurer of Ottawa county on the Republican ticket. He is expected to be in the highway department in the fall and spasmodically he will find some time to get around the county to see his friends. Other friends will also campaign in his behalf.

FORMER HOLLAND GIRL TO MAKE FLIGHT TO PARIS

Lieutenant Joseph Passmore, flying instructor at a Chicago field, who was wed to Miss Marjorie Hoek of Holland, June 30, at Grand Rapids, will make a New York to Paris flight about September 1, in a tri-motor plane which in all probability will be called "Spirit of the American Legion," Lieut. Passmore being a Legionnaire.

They expect to make the trip in from 16 to 24 hours, cutting Lindy's time in half. The plane weighs 720 pounds and beside its mechanical perfection, it will be an unusually beautiful piece of work. It will carry no radio but will be equipped with earth inductor compass and spirit compass.

Lieut. Passmore is planning on bringing the plane to Grand Rapids about Aug. 15, to be on exhibition for a few days. Mr. and Mrs. Passmore will be at 215 Barclay Ave., N. E., Grand Rapids, until their flight.

Miss Barbara Duncan and Mr. Edgar F. Anderson, both of New York City, were married by Justice I. N. Tubbes, Grand Haven, July 9. The brides were Miss Anna M. Peterson of Woodbridge, N. J., and Mr. Elmer Paul of New York City.

Mr. and Mrs. F. Huisenga and Mr. and Mrs. John Visch, Zeeland, were the guests of their sister, Mrs. Baker, at Ottawa Beach, Wednesday.

Miss Nettie Coburn, accompanied by Mr. and Mrs. H. Kleis and son Leon and friend of Holland, have been spending the week with relatives in Detroit. Zeeland Record.

Contract For Big Fireworks Program Made

SECRETARY VANDE BUNTE
SAYS IT IS TO BE A COLOR-
FUL AND INSPIRING SHOW

Convinced that "fireworks furnish more entertainment for more people" than any other single or group attractions, Secretary Van de Bunte of the Holland Community Fair announced that the greatest fireworks show ever seen in this section will feature during two big nights of the fair, the dates of which are August 21-22-23-24.

Through a contract just signed with the Thearle-Duffield Fireworks company of Chicago, largest producers of fireworks displays and spectacles in the world, the fair management announced it will present a fast, animated, colorful and inspiring show each night, with new devices, effects and conceits in such abundance as has never been shown in this territory, if ever in the state.

Artists, mechanical engineers, chemists and carpenters have been busy engaged all winter in designing and building new productions for the 1928 season. Reproductions of famous scenes and groups, flowers, animals and characters have been designed by artists, to be made into great set pieces, realistic in line and color. Engineers have arranged the most intricate mechanical devices imaginable, by means of which animated effects are produced. One of these is a series of soldiers, snappy in bright colored uniforms and caps and gaudy decorations. Mounted on a huge mechanical structure they move gingerly down the field, each keeping step with the others as the band plays a stirring march.

Chemists make largely depend on new effects, have had a particularly busy winter, experimenting with many new combinations of Twentieth Century magic to form the brilliant colors and forms released by rockets and shells. They announce dazzling new colors for 1928 and startling effects in the largest sizes of bombshells, such as will be fired at the Community Fair at Holland in August.

HOLLAND BANKS SET NEW HIGH RECORDS

Holland's three banks have reached a new peak in their history, with total resources aggregating \$10,644,079.17. The total amount invested in savings deposits is \$6,280,581.04.

Each bank is capitalized at \$100,000 and each has a surplus fund of \$100,000. The total undivided profits are \$285,618.17. First State bank leads with resources of \$3,917,980.78, savings deposits of \$2,367,678.80, and undivided profits of \$173,238.78. Holland City State bank is second with resources of \$3,682,127.47, savings deposits of \$2,216,668.36 and undivided profits of \$39,006.06. HOLLAND BOYS WILL CAMP AT LAKE HARBOR

Many Holland boys will go to camp this summer at the Paul Rader conference grounds at Lake Harbor. Boys coming from Illinois, Indiana and Michigan will join and go to camp at Lake Harbor Camp Chgo-Tab in a few weeks. There will be four camp periods. The first is leaders' camp, July 21-23; second, the boys' camp, July 28 to Aug. 11 for boys aged 12 to 14 years old; from August 11 to 25, boys' camp for boys ranging from 15 to 19 years old. Then last will be young people's camp from August 25 to September 1st.

Activities in camp will be swimming, archery, boating, hiking, baseball, tennis, indoor tennis, basketball, horseshoes, jack mests, camp fires, diving, band, stunts, lights, etc.

There is plenty of room for the boys as there are acres of space and the whole grounds is the boys' playgrounds. A leader is placed over each group of nine boys and the boys are well taken care of in all ways. Many improvements have been made in the camp since last year and just double the amount of boys can be handled this year.

Death Comes To "Flying Dutchman"

RECKLESS SPEEDING AT LAST
BRINGS GRIM RESULTS

Nick Dykstra of Zeeland is Well
Known in the City of Holland

Nick Dykstra of Zeeland, better known as the "Flying Dutchman" because of his mania to speed on a motorcycle, was killed on the Grand Rapids-Holland road at the gravel pits about 2 miles southwest of that city.

Nobody seems to explain just how the accident happened, but from the results it appears evident that the motorcycle or the car with which it collided were surely not creeping along. The motorcycle crashed into a car driven by J. Van Belkum of Grand Rapids. With Van Belkum was a young man and young woman who were not identified by the police. The occupants of the car were uninjured, but after the impact with the motorcycle, Van Belkum and the two other passengers picked up Dykstra, who was lying on the pavement, and rushed him to St. Mary's Hospital.

DEAD MAN WAS GREAT CYCLIST

Nick Dykstra of Zeeland, who died from injuries resulting from a collision of his motorcycle with an automobile, was well known in Ottawa county to many and was called both at Grand Haven and in Holland, the "Flying Dutchman," and was said to have been an expert rider. He once performed in a bowl at the Holland fair when invited to ride by the showman there who thought to show up his prowess. Dykstra took the invitation and beat the performer himself.

In another car, where he died a few hours after the accident, Saturday night. It was found that the Zeeland man sustained a broken neck, fractured left leg and shoulder, was terribly bruised about the head and internally injured.

First reports stated that there were road repairs in that vicinity, but these were untrue. The gravel pits are along the road side and the large gravel trucks turn in where the accident occurred. The side of the highway is rather rough with stones, but not dangerously so with careful driving.

The two wrecks were still at the side of the highway and seen by many Holland motorists on Monday. The motorcycle, it appears, took fire after the accident and is a total wreck.

Coroner Wolfe of Kent County investigated the accident immediately, but has not called an inquest. From his investigation and according to meager details that anyone could testify to, it appears that Dykstra in passing struck some loose gravel on the side and lost control of his machine, swerving directly into the path of the oncoming car, driven by Van Belkum. It all happened so quickly, and in the dark, that no one seems to know the correct details, and Dykstra was unconscious up to the time of his death.

Dykstra figured in many motorcycle speed affairs in the vicinity of Holland in the past. He also figured in an auto accident that took the life of the old gentleman Kuizenga, living east of the city. In turning out for another car with his automobile he struck and killed Kuizenga, who was walking along the road side at night. A coroner's inquest at that time exonerated Dykstra giving a verdict of accidental death.

Dykstra, who is the son of Mr. and Mrs. Alfred Dykstra of Zeeland, with whom he lived was nightwatch at the Herman Miller Furniture company, Zeeland. Besides his parents, he is survived by three brothers, Edward, Menno and Arie of Zeeland, and seven sisters, Mrs. Edward Dykstra of Byron Center, Mrs. Andrew Wierenga of San Bernardino, Calif., Mrs. Gerrit Holgeerts of Castle Park, Mich., Catherine and Grace Dykstra of Denver, Mrs. John Post of Grand Rapids, and Evelyn Dykstra of Zeeland.

The body was taken to the Fred Lageland undertaking parlors in Zeeland. Funeral services were held Thursday afternoon at one o'clock from the residence and at 1:30 from the First Christian Reformed church. Interment was in Zeeland cemetery.

The Zeeland Record in writing up the article says: "There was no faulty pavement in the immediate vicinity which threw the cycle out of control and the people with whom Dykstra collided did not take him to the hospital because their own machine was badly wrecked. To us it appears that Dykstra, traveling westward in the act of passing a car when he suddenly saw another car coming toward him from the west. This machine was probably too close to allow him to clear between them, so he swung to the left to avoid the oncoming car. This car, anticipating, a head-on collision, evidently also swung off the pavement at the same instant to give the required passage, thereby running directly into Dykstra's path. The position of the two vehicles as they lie front to front would substantiate this theory. The Maxwell badly damaged, stood upright. The motorcycle, all burned out, reposed on its side in the spot where it burned. The cycle struck the car smashing the back against the radiator, generally musing up the entire front end of the car. The motorcycle was all doubled up, and a hole knocked into the gasoline tank caused gasoline to spill over the hot motor, setting the machine afire."

John O. S. Cross was in Grand Haven the fore part of the week conducting some chancery cases.

DRINK OR EAT

Lansing Dispatch—Charles H. McBride, of Holland, member of the Republican state central committee is credited with the authorship of a campaign slogan which is calculated to roll up and down the country:

"If you want to drink, vote for Smith. If you want to eat, vote for Hoover."

Jesiek Bros. To Maintain a Yacht Ship Yard

SOME \$6000 PLEASURE BOATS
FOUND IN MACATAWA BAY

The Jesiek Bros., boat men at Macatawa, have started a ship yard for the winter anchorage of sailboats and cruisers of the East Shore of Lake Michigan. This year they took care of 14 boats, but next season the number will be more than doubled. This ship yard is the only one of its kind between Chicago and Charlevoix.

Water sports are reviving on Macatawa Bay it appears for many speedboats and fast craft of all kinds may be seen cruising the waters of Black Lake. The Jesiek Bros. report that several boats of great value are on the Bay this season, their owners having purchased them recently, for this summer sport.

Among the "fast ones" careered about the lake are those of Mr. August Belmer, who has a 42 m. p. h., 200 h. p. craft, made by the Hecker factory, costing \$5,500. Mr. Harry Story of Ottawa Beach and New Rochelle, N. Y., has a new Chris-Kraft, costing \$3,268, and Mr. Herpolsheimer, of Grand Rapids, has a Dodge Watercar, capable of 35 m. p. h. and valued at \$3,200.

Mr. H. E. Loomis has a Hecker boat costing \$4,500 and making 42 m. p. h. Mr. Ed Bouman of Spring Lake, who works with the Jesiek's at the local resorts in the selling of boats, has turned over twelve speed boats to new owners this year. Mr. Jones of Saugatuck in one of the owners. The "Hooten-Planes" are quite popular, being capable of 32 to 38 m. p. h. and having an outboard motor.

Mr. Ward Perry has a Chris-Kraft Sedan, the only one of its kind on the lake, and it is valued at \$6,000.

BRICK PAVEMENT USED TWICE

Following along the lines of the biblical injunction to "turn the other cheek" after the first had been sufficiently smitten, paving engineers are turning over the bricks of veteran brick pavements and are getting a new smooth wearing surface with little or no expense.

Numerous cities are reporting this practice with good results and at little cost.

In some instances where bricks were laid on edge they are being relaid flatwise, leaving enough sometimes to surface another short street or alley besides.

GRAND HAVEN CHILD LOSES HER FINGER

Lois De Haan, five-year-old daughter of Mr. and Mrs. Cornelius De Haan, Grand Haven, had the end of the third finger on her left hand cut off this morning while playing with a lawn mower.

The child had been left just a minute by her mother in company with two little boys. They spun the sharp knives of the mower which was left in the yard and the finger of the girl was cut off just below the nail.

She was taken to Hatton Hospital for dressing and later sent to her home.

John Soegren, R. F. D. 1, Grand Haven, was brought to the hospital Tuesday afternoon with a broken leg sustained at the Eagle Ottawa Leather Co., where he is employed. He was caught by a large roll of paper resulting in the breaking of the limb below the knee.

SAUGATUCK SPORTS SCHEDULED JULY 14 AND 17

The sixth great annual yacht race from Chicago to Saugatuck will be staged Saturday, July 14, and will in all probability arrive in Saugatuck about 6 P. M. Forty yachts have signed up for this great race, for a \$500 purse.

Tuesday, July 17, at 2 P. M. Lake Kalamazoo at Saugatuck will be the scene of yachtsmen's hi-jinks, sail boat racing, power boat race, diving race, watermelon race, swimming race for boys and girls, gladiators' contest, etc. At night Venetian night parade will take place, which officials say will be the greatest illuminated yacht parade ever seen on the east coast of Lake Michigan. At 10:30 P. M. cash prizes will be awarded for lowest lake race and best illuminated yacht in Venetian Night parade, from the stage at the Big Pavilion.

A SACRED BAND CONCERT FOR ZEELAND

The American Legion Band of Zeeland is to stage a sacred band concert in their park Friday evening. Here is the program: "All Hail the Power," a sacred march by W. Lewis; "Throw Out the Life-line," a sacred overture by Al Hayes; "Grand Religioso Fantasia," by Makie Beyer; "Hallelujah," sacred overture by W. Lewis; Dutch psalms; "Joy to the World," sacred overture by Al Hayes; "Star Spangled Banner."

Miss Ardeth Grable of Allegan has obtained a position for next year in the public schools of Zeeland.

Miss Jeanette Voorhorst of Holland was a guest of Miss Beatrice Martin, Allegan. Miss Voorhorst and Miss Martin were roommates.

Meat Packing Industry for Holland

WM. L. EATON, OF WAUKAZOO
AND CHICAGO, OPENS
PLANT HERE

Will Be Growing Concern, Opening
a New Market for Farmers

Wm. L. Eaton, wealthy summer resident and home owner of Waukazo and a citizen and business man of Chicago today opened a slaughtering and packing plant one mile southeast of the city, and the first carload of cattle has arrived; some have been slaughtered and others are waiting for fattening.

The plant is located in the center of twenty-five acres of ground and though a small beginning, the building is substantial and the slaughtering department has every facility that is found in a large packing plant. The floors are concrete, there are overhead carriers that take cattle and hogs on pulleys to different parts of the plant. There is machinery used in hog dressing, with hot and cold water available, plenty of tanks and septic tanks providing all the sanitation that a plant of that kind requires. The plant has a boiler room with large boiler. There are also electric motors connected with electric current. There are scalding machines that enter into the dressing of hogs, cattle and poultry, in fact all the equipment is of the best and forms the nucleus of what can become, and no doubt will become, a sizeable packing industry.

The plant will soon be connected up with a siding diverted from the main line of the Pere Marquette railroad.

Mr. Eaton also has a piggery in connection, fattening the hogs on the off, from the slaughtering plant. There are also plenty of pasture land to fatten cattle and two streams of water flow through the property.

Mr. Eaton is in love with Holland, he thinks it is one of the finest small towns that lies outdoors. For that reason he bought the Rice property, a beautiful estate at Waukazo, and wants to spend most of his time here. He knows, too, that Ottawa and Allegan counties are dairy counties, which means cattle and these counties are not far behind when it comes to hog-raising, since cattle and hogs are closely allied joint products of the farm.

It is needless to say that Ottawa County, and especially Holland and Zeeland, are the poultry center of Michigan, and the packing department of the company will handle a lot of poultry, and especially meat fowl for canning. Egg buying may become a side line, although that has not been fully decided.

Anyway, the new packing company can be considered a new Holland industry. It is starting out modestly, with six employees, not counting Mr. Eaton, and there is very little doubt but that this industry in this city will develop into a large going concern with the possibilities for cattle and poultry buying that this district affords. Holland, too, will furnish the farmer with an added market place, saving him freight and other shipping worries and waiting for commissions that are the bane of a farmer's life. And, by the way, the new packing company is ready now to pay the highest market prices for cattle and hogs to any and all farmers, with cash on delivery.

Mr. Eaton is intensely interested in side lines. For instance at Waukazo he has the most beautiful assortment of pigeons to be found in Michigan, and his rabbit stock and caviar and his goats are the talk of breeders in these respective lines. Mr. Eaton is a great booster of the Holland Fair and his display of the above named pet stock carried away a large proportion of ribbons and medals, not alone at the Community Fair but at other exhibitions where they were on display.

Mr. Eaton's stable of fine horses has always been popular, many prize winners being numbered among them. He has also been the great moving spirit in putting over the Holland Community Fair horse show. This recent innovation having grown tremendously since it has become a part of the main show. Mr. Eaton will again judge the horses in this department this year which is to be a night feature in front of the grand stand during the fair, to be held in August.

Holland feels gratified in the first place that Mr. Eaton, being a stranger, has taken an intense interest in the city and has been willing to help along its civic progress, as he has done for several years at the fair, and along numerous other lines at the resorts. Holland naturally feels pleased that he has been instrumental in bringing a new industry into the city again different from other industries, and one that shows great promise for development and success.

WHY AUTOS HUMP

Wisconsin's traffic engineer points out that more than 60 per cent of the 2,030 motor accidents in that state last year occurred on straight stretches of highway.

The number of accidents on curves and turns continued to increase with increasing traffic, but it was on the straight runs that the greater increase in accidents was felt.

The cause for this peculiar circumstance may be attributed to greatly increased traffic, or to reckless speeding on congested roads. But the fact that accidents happened less often on curves than on straightaways would tend to prove that drivers are more careful.

What this condition resolves itself to, therefore, is the problem of providing sufficient room for the increasing number of automobiles on the highways. It is the narrow road that makes for congestion just as much as the overabundance of vehicles on that road.

The slow progress on such roads, causing irritated temperaments among motorists, is bound to produce accidents. In such event, the curve is safer than the straight stretch, where the impatient driver takes a chance to relieve his feelings.

The solution lies in widening the roads, especially those that diverge immediately out of a city.

Congestion is merely a matter of relativity. So is liability to accident. Widen the highways, decrease congestion and lower the accident rate.

A PERFECT PERFORMANCE

President Coolidge will now be able to go out of office with content in his heart and a smile on his face, for the cameramen got some fine action pictures of his fishing expedition on the Brule in celebration of the chief executive's fifty-sixth birthday.

President Coolidge hooked two trout on one line, caught another by trolling with a spinner, and nabbed a fourth with a good cast into a deep pool. All of these feats were duly recorded on the movie films, after two years of fruitless attempt. Then everybody landed at Cedar Island lodge, where the distinguished host cut pieces of birthday cake and invited all and sundry to make themselves at home.

There is something delightful in this picture of the nation's head amusing himself. Calvin Coolidge may be a silent individual, aloof and unresponsive under ordinary circumstances; but the heart of the man is there, the heart of an American fisherman. Fundamentally there is a kinship between him and the shopkeeper who closed his establishment over the national holiday and put up a sign "Going fishing."

A REAL INDIAN PLAY COMING TO HOLLAND

"Ramona," Dolores Del Rio's first United Artists starring production has been booked into the Colonial theatre for showing next Monday, Tuesday and Wednesday.

Director Edwin Carewe, who presents the picture in association with Inspiration Pictures, Inc., feels that no finer production could have been chosen for Miss Del Rio's debut than Helen Hunt Jackson's immortal American love classic. As the half-breed girl, the sensation of "What Price Glory" and "Resurrection" is said to have the finest opportunity her cyclonic career has yet given her.

In the supporting cast of featured players are found such artists as Warner Baxter, Roland Drew, Vera Lewis and Michael Visaroff.

Helen Hunt Jackson's story "Ramona," which comes to the Colonial next week is regarded as one of the present day American classics. When Mrs. Jackson decided to write "Ramona" she had a deliberate purpose and as high an aim as that attained in the writing of "Uncle Tom's Cabin." She did not realize that her story should prove one of America's most interesting romances.

It was the writer's motive to bring the treatment toward the Indians by the Americans, before Congress in the hope that Congress would enact just laws. That was Mrs. Jackson's whole desire.

Before "Ramona" recalled the Indians' plight in fiction form, she had written "A Century of Dishonor" in which was an account of the United States government's dealing with Indian tribes that had widespread influence. Being a plain cold statement of facts, with copies of evidence to bear it out, "A Century of Dishonor" was really an indictment of the Government for its failure to keep its promise with the Red Man from early times down to the date of publication of the book, 1880.

It was later that Mrs. Jackson became convinced that public sympathy on behalf of the Mission Indians of California, could be awakened if revealed in story form; hence her novel with a purpose—"Ramona."

"Ramona" would never have reached a 94th printing had it not possessed unusual literary qualities; for public interest in the Indian question alone could never have kept the book alive. As it is, "Ramona" is regarded as one of the American classics.

Dr. and Mrs. George H. Baert of Prospect-av. announce the engagement of their daughter, Donna Elmore, to Charles Weller Blinn, Jr., of Grand Rapids. The wedding will take place at noon on Aug. 25 at the home of the bride's parents, in the presence of only the families. Mrs. Clarence F. Ramsay of Coldwater, a sister of the bride-elect, and Edgar Brand of Detroit, Mr. Brand's brother, will attend the couple. Dr. and Mrs. Baert and their family are at their cottage at Four Pine lakes for the summer. The Baerts were former residents of Zeeland, the father of Dr. Baert being a pioneer of that city and one of the first doctors.

DAUGHTER OF FORMER ZEELAND FOLKS TO WED

The Nakomis group of girl scouts, composed of girls of 11 to 14 years, have established camp on the farm of Mrs. Charles Finch, 3 miles north of Getz farm, with Miss Ethyl Dykstra as guardian. Mrs. Finch is cooking counsellor and Miss Gertrude Smeenge, Helen Johnson and Mary Finch are assisting Mrs. Dykstra.

The following girls from Holland at the encampment for the week end are: Dawn Emmons, Grace Keeler, Mary Mooi, Edna Mooi, Helen Jean Pelgrim, Josephine Avers, president of the group, Carol Thompson, vice president, Lucia Ayers, treasurer, Jacqueline Karreman, secretary, Dorothy Beach, Marjorie Rosendahl, Jane Finch, Dorothy Mae Klies and Elaine Busse.

HOLLAND AND LOWELL TO MEET ON DIAMOND JULY 19

A game of much interest between two friendly rivals will be played at Lowell on July 19th when the Holland Butter-Krusts clash with the Lowell Independents, who have been going great guns of late. Holland beat the Detroit Clowns, 2-1, last week, while Lowell drubbed the Clowns, 8-5, which indicates the Holland and Lowell team are pretty well evenly matched.

GOAL OF REFORMED CHURCH SET AT \$100,000 A MONTH

The Reformed Church in America has set as its goal for next year average offerings of \$100,000 a month for denominational benevolences, according to a schedule soon to be mailed church treasurers. This will mark the beginning of a distinct fourth step in the entrance of the church into the 20th century of the world.

Ten years ago the total offerings for benevolences averaged about \$1000 per day, or less than one-third of the goal sought for the ensuing year.

Smoke Panic Is Avoided**GRAND RAPIDS PASTOR CALLS ON FLOCK TO BE CALM AS SMOKE APPEARS**

The calmness and presence of mind of Rev. John A. VanderKieft, pastor of Oakdale Park Christian Reformed church, Grand Rapids, averted a panic which might have resulted in injury to several persons Sunday night, when the motor to the ventilating fan at the church was short-circuited and filled the church with smoke, during services.

Rev. VanderKieft was preaching and, when several members of the congregation left hurriedly and the remainder appeared about to bolt, he calmly told them it was only the fan motor and to remain seated, as they were in no danger. The smoke became so thick a few minutes later that he was forced to dismiss the entire congregation. The organist continued to play until the church was emptied. Mr. VanderKieft was a former pastor of the Ninth-Street Christian Ref. Church in Holland.

CENTENNIAL PARK NOW IN BEAUTIFUL SUMMER DRESS

John Van Bragt, superintendent of parks who has been in charge of this work for the past nine years has one man working in Centennial Park all the time, with extra men helping at times.

There are many varieties of flowers in the park including begonias, salvia, geraniums, dwarf magnolia, palms of several varieties, iris, hydrangias, monarda, 85 varieties of roses, lilies of the valley, peonies, oriental poppies, larkspur, gas plants, snakehead, fuchsia, lobelia, vinca, hyacinthus, wild Nily, trillium, jack in the pulpit, tube roses, azalea, hills of snow, flowering cherry and apple, and spiraea and other varieties of shrubbery.

A carefully planned scheme is followed to show off different varieties to their best advantage against the background of the proper foliage and shrubbery.

The fish pond at the south central part of the park contains about 200 gold and silver fish and three varieties of water lilies, red, white and yellow, coming into bloom. The little island of rock in the center, planted with elephant ears, adds to the attractiveness.

The fish pond is filled by the overflow from the fountain and is made of rock in which a variety of flowers and ferns are planted in a natural appearing manner. The overflow is carried in an underground pipe to an opening on the side of the rise which resembles the mouth of a spring and is banked with ferns.

JACK KNOLL, BARBER ARRESTED TUESDAY

Jack Knoll, 40, Holland barber, was arrested Tuesday by the sheriff's office on a charge of taking indecent liberties with a ten-year-old Grand Haven girl.

The alleged offense is supposed to have taken place at Grand Haven on July 5th. He strenuously denies the charge and the girl's mother is also outspoken in saying she does not believe he is guilty.

He was to be arraigned before Circuit Court Commissioner Burr at Grand Haven today.

HOLLAND BOYS WIN TILT WITH IRATE RESIDENT, GET POOL

"You're not going to dam this creek for a swimming pool if it takes the police department and other city officials to stop it," shouted an enraged property owner to a group of boys who were enjoying the time of their lives at East 13th street.

"Call the police or anybody you wish," retorted one of the boys, and "so say we all" chimed the others, "but we're going to have our pool."

The officials called to render a verdict included Mayor Brooks, City Attorney Charles H. McBride, City Engineer Jacob Zuidema and police officers.

They went into conference and the boys won as the officials decided the water was not deep enough to endanger the lives of the youngsters, even if dammed.

MISSION SPEAKERS PICKED FOR REF. CHURCH FEST

Rev. Benjamin Rottschaefer, a Reformed missionary in India for 19 years and Rev. John L. Terberg, who is making his home in Holland on his first furlough from Japan, have been booked as foreign missionary speakers at the annual colonial mission fest of the Reformed churches in this vicinity, to be held July 26 in the city park at Zeeland. Rev. M. E. Broekstra of Chicago likely will present the work of missions from the domestic viewpoint.

The evening session will be featured with a half-hour concert by the Crisp band. This will be followed by a missionary playlet to be given by young people of New Holland Reformed church, of which Rev. A. Maatman is pastor. The playlet, "Robert and Mary," will present some of the experiences in the lives of Robert and Mary Moffet, first missionaries in South Africa.

Gerrit Yntema of Forest Grove has been named chairman of the day.

Fine and cost of \$25 has been assessed by Justice Pidas E. Fish against Earl Walker, 20, of Abonia, charged with assault and battery. Walker was charged with attacking Charles Hale, Abonia, journeyed until July 22 for hearing about a we ago. The case of Ezra Moorehouse has been adjourned in Allegan County court. Moorehouse is charged with blowing up a dam with explosives in the Gun river swamp district in Martin township.

Zeeland Junior Band, under direction of Fred Rabbat of Grand Rapids for the past two years, gave its first concert in Zeeland Thursday night. The band is composed of 18 young musicians. The Zeeland Legion Band gives a concert every Friday evening at the city park this summer.

Sarah Mulder employed in Lake Harbor is home for a week's vacation.

TRI-COUNTY TELEPHONE CO. MOVES FOR HIGHER RATES

The Tri-County Telephone Co. discussed an increase of rates for the Allegan exchange with aldermen of that city Tuesday evening. The company desires to increase rates as follows: Business phones from \$2.70 per month to \$4.25; residence phones, from \$2 to \$2.75; party lines, from \$1.70 upon the same ratio. The council was asked to sanction the foregoing rates.

Telephone company officials stated they would go before the public utilities commission to ask permission to charge \$4.75 per month for business phones and \$3.75 per month for residence phones with a corresponding increase on party lines. The company states the reason for a revision of rates is that for their first fiscal year their net receipts were only slightly in excess of \$1000.

The aldermen, led by Mayor Joseph F. Mosier, advised the representatives of the company to go before the utilities commission with their plea for an increase of rates.

MICHIGAN TO CAN 35 MILLION POUNDS OF CHERRIES

Michigan will lead the United States in cherry production this year, going ahead of New York for the first time, a survey completed by canning company officials showed. Approximately 35 million pounds of cherries will be canned in Michigan, according to figures made public by Howard Morgan for the Michigan Canner's Association. The figures credited Wisconsin with second place, with from 17 to 20 million, and New York with third place.

NAMES BEET GROWERS AND WINS \$50 PRIZE

Mrs. Hazel A. Tubbs, of Armada, has been awarded the prize of \$50 for suggesting the best name for a group of leading sugar beet growers of the state. The name contest was conducted by the sugar beet companies of the state and the Michigan State College. The winning title was "Banner Beet Growers."

Fifty leading sugar beet growers of Michigan have been nominated for places in the first year's group of Banner Beet Growers, and 20 of the 50 will be chosen.

Selection of members of the group will be determined by their success in producing a crop of beets by methods that are practical and leave the grower a fair profit for his work and the capital he has invested.

Mrs. H. Jongesma and Mr. and Mrs. Gerrit Brower, Jr., motored Standist over the week end and Mrs. Brower will make an indefinite visit with her sister, Mrs. E. H. Foster.

CHILD FALLS OFF CAR FOR CONSTRUCTION JOB

Jackie Robinson, six year old son of Mr. and Mrs. Walter Robinson of Ferryburg, was taken to Hutton Hospital, Grand Haven, following an injury suffered while playing near the construction of the new Grand Haven Beach road.

A temporary railroad has been erected to run small cars for hauling gravel. The child was playing on one of them and in some way slipped between the cars and a board and was slightly crushed. He was rushed to the hospital where it was found he was suffering from shock more than injuries. He was taken to his home in the evening.

MAYOR BROOKS ASKED TO REPORT BEACON LIGHT

Mayor Ernest C. Brooks received the following telegram Wednesday morning:

"The Chicago central aerial beacon, the world's largest night guide to aviators on the top of the Roanoke tower, Chicago, will be lighted Sunday evening, July 15, about 9 P. M.

"May we suggest that you appoint a committee to watch for the light that night. The beacon should be visible under favorable weather conditions from an altitude of 2000 feet to the aviators you may appoint.

"If they see the beacon, which is fitted with red neon tube lights and rotating search lights, we will appreciate a wire before midnight, Sunday, at our expense."

Since there is no landing field here equipped with lights for night landing it is very doubtful if the light will be seen here, but if Holland develops into an airport in the near future, the light will be an asset to night fliers.

WILLARD G. LEENHOUTS POST BACKS AIRPORT FOR CITY

Tuesday evening's meeting of the American Legion was spent chiefly in discussing the aviation problem, for the interest of Holland. A committee was organized to meet with the city officials to see if definite action, to insure a flying field for Holland, can be taken.

The plans of the national organization consist of trying to get a landing field in every town of any size and marking of cities for air travelers. This work has been carried on in a number of states a few having already completed the marking. This is done by having the name of the town painted in big letters on the roofs of prominent buildings. The shed at the north side is already so marked with arrows pointing to the improvised landing field near the factory but no roofs in the city proper are marked to date.

The heart's sincere and tender tribute

THERE are no emotions of the human heart so tender or so beautiful as those which prompt the placing of a Memorial that the place where loved ones lie may be beautiful forever.

There is satisfaction in knowing that one has done all one can. One feels more content when one sees how dignified a proper Memorial looks; how calm, how peaceful, enduring and beautiful.

It may be that you are thinking about a Memorial. If so, we will be very glad to show you our display of all types, including Guardian Memorials.

The Weeping Tragedy

HOT

YOUR faucet says "HOT"—yet it's always "cold." Every morning you turn it with honest intentions, the faucet looks at you with a perfectly sincere "hot" expression—yet it flows as cold as a dripping iceberg. The only "hot" a fellow gets, is the words it makes you say. You stand and abuse poor old faucet or the kitchen clock, while waiting for a kettleful over the stove. All day long, your wife meets this weeping experience—with extra drudging, wearing and tearing her body away to heat hot water. At night it's more tragedy—no hot water!

You weep from disappointment. The faucet weeps from your neglect. If "poor faucet" could speak to you of its honest and willing purpose the flowing tears would surely convince you of your downright "neglect." In giving your faucet a chance to pour HOT WATER.

HOLLAND GIRL IS SERIOUSLY INJURED IN CRASH WITH BUS

Miss Jeanette Postma of Holland received several broken ribs and perhaps internal injuries when she was thrown through the windshield of a car in which she was riding at an early hour Monday morning. Mrs. Melvin Brower, Miss Irene and Leona Brower and Joe Koning, in the same car, received only minor injuries when their car, driven by Mr. Koning, was sideswiped by a Greyhound bus. Mr. Koning is thought to have mistaken the distance between his car and the bus when the lights confused him. Miss Postma was treated at the Zeeland hospital. The other occupants were taken to the Holland hospital and released Monday morning.

OVERWEG, HOLLAND'S CLERK FOR 18 YEARS SEEKS COUNTY OFFICE

Grand Rapids Press — Richard Overweg, who has been connected with Holland's municipal administration for 22 years, Monday entered the race for the office of county treasurer on the Republican ticket. Three other candidates are rivals for the office—John H. Den Herder, incumbent; J. C. Lehman of Grand Haven and Peter J. Ryenga, former register of deeds. In his official career Overweg never missed a session of the council in 18 years because of sickness and never encountered any real opposition for the office of clerk. Years ago when George H. Sipp held the office of city clerk for 17 years no one ever believed his record would be shattered, but Overweg turned the trick and held the office for 18 years. He also served four years as city treasurer before he became clerk.

Overweg resigned the office to take a position with the Holland Furnace Company in Boston. He was comfortably situated when his wife died and this necessitated his return to Holland to care for his children.

Overweg started to circulate petitions Monday and expects to have them filed within a few days.

DR. A. P. PFANSTIEHL DIES AT HOLLAND PARK

Dr. A. P. Pfanstiehl, a graduate of Hope college and a member of one of the most prominent families connected with the early history of Holland, passed away Monday at Highland Park, where he has been a Presbyterian pastor for many years.

Dr. Pfanstiehl graduated from Hope college about 50 years ago and continued his education at the McCormick Theological seminary in Chicago. Previous to serving the church at Highland Park, Chicago, he occupied pulpits in Batavia, Ill., Colorado, New Jersey and other states. He retired from the ministry about 10 years ago, and during the world war did worthy work in Belgium, and since has lectured in America about Netherlands, which country he visited several times. He had been in Europe the past year and recently returned from his trip.

His wife is a member of a prominent family in the Netherlands. He is survived by her and by one son, Carl. He was the last of the original Pfanstiehl family, his brothers and sisters having died.

A joint meeting of the Legions and Auxiliaries of the fifth district of Michigan will be held Wednesday, July 18th, at the Grand Haven Presbyterian church. Business will be transacted, and a banquet at 8 o'clock. Miss Bertha Prestel, state secretary, will be present.

OTTAWA COUNTY FARM NOTES

By C. P. Milham

July 18th will be Ottawa County day at the Graham Horticultural Experiment Station. This station is located on West Bridge Street about ten miles east of Allendale and is operated by the State College. Mr. Hootman will conduct the tour of the orchards at 10 A. M. fast time. Things to be seen are cherry leaf spot control with lime sulphur and bordeaux sprays, pollination work on cherries and pears, forcing bearing of young Northern Spy apples, results of several years experiments in pruning, spray experiments on apples and peaches and of particular interest to the women the big planting of ornamental shrubs. Picnic dinner at noon, free coffee and ice cream and a short speaking program following dinner. Fruitgrowers who have never visited the ground and experiments certainly should spend one day a year there to learn the latest information about new methods. Fruitgrowers who have visited the farm will appreciate a second visit more. The cherry maggot spray is going on rapidly. Cherry leaf spot is defoliating trees to an alarming degree in many southern Michigan counties. Only the best of spraying every ten days will hold or prevent the infection that is under way. Not only this crop is at stake but the tonnage of 1929 and 1930 depends on this season's foliage.

ALLEGAN COUNTY FARM NOTES

By R. L. Helm

Apples and pears—Apple and pear scab is far too plentiful in the state and many orchards will have to include a fungicide in every rainy period "cover-up" for the remainder of the applications. This week will perhaps witness the peak hatch of the first brood of codling moth; for fruit thinning is now revealing wormy apples in the southern half of the state. On trees with crop do not allow more than two weeks to pass without a poison application.

TWO BELIEVED KILLED ONLY SLIGHTLY BRUISED

Stephan Reich and son of Chicago came near having a fatal accident at Allegan Sunday evening. Reich brought a load of furniture here for Dr. William H. Coppash's cottage on Kalamazoo river and while going down Marshall street hill, lost control of his car, which dashed over the curb, through the railing near the south side bridge and toppled over after plunging down the embankment a distance of 20 feet.

First reports had it both were killed, but fortunately they escaped with slight bruises. The truck later was pulled back to the pavement after being unloaded. It then was discovered the truck had faulty brakes.

COMMON COUNCIL

The Common Council met in regular session and was called to order by the Mayor.

Present: Mayor Brooks, Alds. Kleis, Westing, Brieve, Woltman.

Petitions and Accounts Clerk presented following applications for license to conduct soft drink parlors: Hulst & Schrottenboer, East End Drug Store. Granted.

Clerk presented petition from the Consistory of the Fourth Reformed Church protesting against the granting of a permit to the Holland Gas Co. to erect a storage tank at the corner of 12th St. and Lincoln Ave. Referred to Appeal Board.

Clerk presented communication from the Taylor Produce Co. and others asking for protection from the sale of bananas and fruits in car lots. Referred to Ordinance Committee.

Clerk presented communication from the Holland Evening Sentinel asking for better accommodations in the rest room at the city hall. Referred to Committee on Public Bldgs. and Property with power to act.

Clerk presented communication from Mrs. Bessie Vander West, 277 Pine Ave., requesting that the small strip of land adjacent to her property be improved as promised when street was paved. Referred to the Street Committee.

Clerk presented communication from Mrs. C. Corey requesting terms on which she could leave the old Hospital building for the purpose of converting it into a rooming house for teachers. Referred to the Ways and Means Committee with power to act.

Clerk reported that pursuant to instructions he had given notice of the proposed re-paving of 8th St. from River Ave. to the Pere Marquette Ry. track and of the time and place for hearing objections to same, and that the following objections were filed: A petition from property owners on 8th St. objecting to the proposed plan of construction and method of assessment.

At this stage of the proceedings the petitioners were given an opportunity to express their views in the matter. After having heard several petitioners the City Attorney McBride on behalf of the Street Committee of the Common Council gave their reasons for the method that had been proposed. After considerable discussion in the matter by Aldermen and interested citizens definite action was deferred for two weeks, viz. the next Council meeting, Wednesday, July 18, 1928.

Ald. Vande Water was excused at this time, being called away on account of an accident.

Reports of Stand-up Committees. Committee on Streets and Crosswalks reported the completion of the West 16th St. and East 17th St. Paving contracts and recommended their acceptance by the Common Council. Adopted.

Committee on Streets and Crosswalks to whom was referred the petition of property owners on 22nd St. between State St. and College Ave. asking that said part of 22nd St. be paved, reported having investigated the matter and recommended that the street be paved, and the City Engineer be instructed to prepare the plans, specifications and estimate. On motion of Ald. Kleis, Resolved, that George Raffenaud, who has been receiving aid from the City, be taken off from the list, and that he be given no further aid by the City. After some discussion, a Aye and Nay vote was called for which resulted as follows: Ayes: Alds. Kleis, Brieve, Postma, and Scholten—4. Nays: Alds. Westing, Woltman, Hyma, Steffens, McLean, Jonkman, and Vandenberg—7.

Committee on Public Lighting to whom was referred the petitions for erecting street lights on W. 11th St. between Van Ralte Ave. and Washington Blvd., and also the erecting of a light on E. 25th St. between State St. and Columbia Ave. wish to report they have investigated the necessity of placing lights at both these places and recommend that both of them be granted. Adopted.

Committee on Sewers, Drains and Water Courses to whom was referred the petition from the Elm Valley Milk Co. located at the southwest corner of 32 St. and Lincoln Ave. for permit to connect with our sanitary sewer, reported that a similar petition had been presented quite some time ago and was at that time referred to the Board of Public Works who have had the matter under consideration, and at one of their recent meetings recommended that the Company be allowed to make such connections on

the basis of an annual charge of \$25.00, payable quarterly.

On motion of Ald. Scholten, The action of the Board was approved and the Elm Valley Milk Co. permitted to connect in accordance with said report.

Committee on sidewalks to whom was referred the petition of property owners requesting sidewalk on the south side of 26th St. between Michigan and Washington Aves. reported recommending said sidewalk be laid. Adopted.

Said Committee to whom was referred the petition of property owners requesting sidewalk on the north side of 27th St. between Michigan and Washington Aves. reported recommending that inasmuch as there is no public demand, same be denied. Adopted.

Reports from Select Committees The special committee to whom was referred the matter of offensive odors from the Sewage Disposal Plant reported having investigated the matter together with Supt. of Public Works, Mr. R. B. Champion, and find that some of this can be eliminated by treating with a chemical solution, and if this does not give sufficient relief, then it will be necessary to cover the sludge beds and tanks and erect a stack with suction fans and gas jets to burn the escaping gases. Adopted.

The special committee to whom was referred the petition of property owners in the southeast part of the City protesting against the smoke nuisance caused by the paving plant reported having taken the matter up with Mr. Olson who has gone into the matter and had ordered equipment consisting of an addition to the stack and a series of steam jets over the fire box which will remedy a large part of this nuisance. Adopted.

Communications from Boards and City Officers The claims approved by the Hospital Board in the sum of \$3473.07; Board of Park and Cemetery Trustees, \$1848.48; Board of Police and Fire Comm., \$1600.73; Board of Public Works, \$7061.88, were ordered certified to the Common Council for payment. (Said claims on file in the Clerk's office for public inspection). Allowed and warrants ordered issued.

Div. lying between 10th and 11th Sts. west of Fairbanks Ave. described as follows: Parts of Lots 2, 3, 4, and 5, Block "A," East Park Sub. Div. in the City of Holland, and of the time and place for hearing objections to same and that no objections were filed in the Clerk's office.

On motion of Ald. Brieve, Resolved, that the alley in East Park Sub. Div. lying between 10th and 11th Sts. west of Fairbanks Ave. described as follows: Parts of Lots 2, 3, 4, and 5, Block "A," in the City of Holland, be and hereby is declared vacated, discontinued and abolished. Carried all voting aye.

Clerk presented printer's copy of rules of the Common Council which matter had been referred to the City Attorney and himself at a previous meeting and further presented each Alderman with a copy of said rules.

On motion of Ald. Brieve, Adoption of rules deferred for two weeks.

Motions and Resolutions On motion of Ald. McLean, Resolved, that the office of the City Treasurer, City Clerk, City Assessor and City Inspector shall be closed on Thursday after 12 o'clock noon during the months of July and August. Carried.

Committee on Ordinance gave notice that they would present an amendment to the present Peddlers ordinance at a later meeting.

On motion of Aldermen Kleis, The City Attorney and Supt. of Board of Public Works were instructed to check up on the amount of gas being consumed in the City of Holland to determine if the City was not entitled to a lower rate in accordance with the Gas Company's schedule, now in force in the City of Holland, they to report at the next Council meeting.

On motion of Alderman Brieve, The City Clerk was instructed to refund license fee of \$50 collected from H. E. Hellin for permit to sell bananas in carload lots and serve notice on him to discontinue such practice. Adjourned.

Mrs. R. Knooihuizen entertained her sister Mrs. Lizzie Mulder and children from Coopersville, last week.

A son was born to Mr. and Mrs. Elmer Schilleman. Mrs. Schilleman is at present staying with her parents, Mr. and Mrs. J. Bouwman at Borello.

Mr. and Mrs. John W. Nienhuis of Holland are the proud parents of a baby girl, Shirley Dean. Mrs. Nienhuis before her marriage was Miss Margaret Bosch, a daughter of Mr. and Mrs. Jacob Bosch of this place.

There were many people in North Holland last Wednesday to celebrate the fourth. Festivities began in the morning with the parade at 10:30 o'clock. The following school districts took part in the parade: Olive Center, Borello, East Crisp, Noordeloos, West Crisp, and North Holland. There were also some floats in the parade, the one of Albert Siernsma causing particular attention. His float was named "Uncle Tom's Cabin," very ably taking the part of Uncle Tom himself, with negro children added to the scene. The judges of the parade awarded prizes in the following order: Olive Center, 1st; West Crisp, 2nd; North Holland, 3rd. After the parade the following program was carried out: "America" by the audience; Invocation, Rev. Arthur Masten; Psalm by double quartet; oratorical contest in which the following people participated, Grace Bruzeman, Mebelle Brower, Marie Bowman, Bernard Bosman, Spencer P. Stegenga, and Harold Van Dyke. In this contest the judges awarded 1st, 2nd, and 2nd prizes as follows: Spencer P. Stegenga, \$15; Miss Marie Bowman, \$10, Miss Grace Bruzeman, \$5. A solo by Dr. J. B. Nykerk preceded an address by Mr. Gerrit Masselink of Big Rapids, head of Ferris Institute. During the noon hour the East Crisp band favored with a concert. After dinner different games and contests were held, followed by the baseball game between West Olive and Noordeloos. The game ended 4-2 in favor of West Olive. The remainder of the afternoon was taken up by miscellaneous sports. In the evening there was a band concert at 7:30 P. M., followed by remarks and invocation by Rev. Van Vleet. A solo was sung by Marvin Nienhuis, followed by a reading by Ada Nienhuis. An exercise entitled, "Uncle Sam's Album" was next on the program and this was followed by the Uke Girls, the Misses Margaret and Krystal Weener and Mildred Houting. The program ended with the following performances: recitation, Louis Diepenhorst; piano duet, by Genevieve Ter Haar and Gertrude Diepenhorst; stunts by the young people of the community, and a pantomime, "Star Spangled Banner."

HAMILTON

On the Fourth, Sipe's Tigers met defeat at the hands of the Wolverine Stars of Holland by the score of 4-2. The score was close throughout the game and the Stars were able only in their final appearance at the bat to pull away from the Tigers. Both teams were off form, however, and had very little of their usual pep. Wentzel, Sipe's pitching ace, showed his grit by going the whole although he should have been in bed as a result of summer flu. As soon as the game was over and the large crowd which had gathered to see the game had gone, Hamilton was deserted, most of the folks going to the Overisel celebration.

Rev. H. J. Potter and family left in their new Whippet for Kanawha, Iowa, where they will spend their vacation.

Rev. Henry Tellman, pastor of the Reformed Church at Palmyra, N. Y., is spending several weeks' vacation with relatives in Hamilton and Overisel. Mr. Tellman has passed thru a serious illness, but is slowly recovering.

Mr. and Mrs. J. K. Dangremont of Overisel held a family reunion at their home in Overisel on the fourth. Among those present were: Mr. and Mrs. Henry Dangremont and family of Seattle Wash., Mr. and Mrs. Louis Dangremont of Springfield, Ill., Mrs. Lawrence Huyser of St. Louis, Mo., Mr. and Mrs. Ed. Dangremont, and family, Mr. and Mrs. Harold Dangremont of Hamilton, Mr. and Mrs. Kotts of Kalamazoo, Mr. and Mrs. John Schipper, Mr. and Mrs. Henry Hoffman and family, Misses Grootenhuys, all of Holland.

The Eding Garage is delivering Fords as fast as they arrive from the factory. Among the recent purchasers are Geo. Kaper and Harvey Zeepik.

Irene Kolvoord spent the weekend with friends in Grand Rapids. Mr. and Mrs. Frank Mooney of Holland were guests of their parents, Mr. and Mrs. Wm. Ten Brink last Sunday.

A reunion of the Hofmeyer family was held on the fourth at the beach at the park. Those present were Mrs. Vanden Berg, Bert Hofmeyer of Hamilton, Herman Hofmeyer, Bylema and Feder families of Grand Rapids, Geo. Hofmeyer and family of Holland.

The Adult Bible Class of the Van Raalte Ave. Reformed church, Holland motored to this village last Monday evening for an outing. About 60 people enjoyed the outing. Soon after their arrival the men were engaged in an exciting game of ball. After the dust had cleared it was found that Poppen and Koopman in some way won the game. In the meantime the ladies not to be outdone by the men also started a game of their own, but due to the fact that Mrs. Druk kept on in Babe Ruth style the game was still unfinished when the call for supper was heard. After the eats, the crowd turned to several games and contests. It was a happy crowd enjoying a splendid time in a splendid way. This village is glad to welcome such visitors. We have many real beauty spots for picnics. Come again.

Mrs. B. Hakken, missionary to Arabia, spoke the edies of this community under the auspices of the Ladies' Aid of American Reformed at the American Reformed church last Tuesday afternoon. A large crowd of ladies enjoyed the talk. Social hour was enjoyed at the close.

Last Tuesday evening the local Tigers took an easy game from the East Saugatuck nine by the score of 6-2. Callahan pitched an excellent game and the visitors failed to score after the first inning. Herman Nyhoff was unable to play on account of injury to his knee received in the game on the fourth, but Ashley ably defended his position at the hot corner. The boys played a fast and clean game thru-out.

ZEELAND

Master Bernard Raterink was most pleasantly surprised at the home of his parents, Mr. and Mrs. George Raterink, over the Zeeland State Bank, Thursday afternoon, the occasion being his seventh birthday anniversary. Those present to help him celebrate the happy event were: Nicholas De Vries, Virginia Dionise, Doris Ann Van Bree, Adeline Zuwerink, Frances De Jonge, Gerard Van Eden, Ernest and Dorothy Heyboer, Constant Telgenhof, and Willis Hall. Refreshments were served by Mrs. Raterink after which the party proceeded to the city park for an afternoon of enjoyment. Bernard received many gifts from his little friends.

8th Street Paving Hearing Deferred Two Weeks

SOME PROPERTY OWNERS WANT ALL TAXPAYERS TO PAY FOR THE STREET

A rather interesting council meeting was held Thursday evening, when the matter of paving eighth street came up, and most of the property owners were on hand favoring some sort of plan, but not nearly all of them the same plan.

Some wanted to cover the old brick over with asphalt, others wanted to have the present brick turned on its side and there would be plenty of brick to spare since the brick are wider by at least two inches if turned over. Others wanted concrete and still others new asphalt.

Anyway, there was such a difference of opinion, the council decided to have a rehearing two weeks later. Those who discussed the matter in particular were Jake Lokker, Albert Keppel, Wm. Arendshorst, Jack Knoll, Peter De Goede.

According to the engineers' report, the job will cost \$67,000 paving from River Avenue to the west to the Pere Marquette tracks to the east. The understanding was that 75% was to be paid by the citizens at large and 25% by the property owners. He figures that the total cost according to city attorney, Chas. McBride, would be \$10.00 per running foot, \$2.50 of which was to be paid by the merchants who own the buildings and property.

Objection was also made to covering steel rails with asphalt since within a few years rails would be formed where the steel rails lay. It was also discussed that while this big improvement was being made, that part of the street be widened to conform with the rest of the street. It was found that at least 95% of the buildings on east eighth street were set back far enough so that there would be no hardship in widening the street.

If Holland is to grow that is a very important thing to think about, while there is yet time. We are right now reminded that our next door neighbor, Grand Rapids, is spending nearly half a million dollars to make wider Division Avenue and is compelled to do the same thing on Fulton street. Anyway, these matters will come up next week Wednesday, at the regular council meeting.

HOLLAND MEN ON OTTAWA JURY

The jury for the August term of the Ottawa County Circuit Court was drawn this morning in the county clerk's office. They will be called for duty Aug. 13 at 2:00 p. m. The list follows:

Myron Drew, Jamestown; Oliver Banks, Olive; M. C. Kampen, Park; William Cussick, Polkton; Walter Black, Port Sheldon; Frank Westley, Robinson; James M. Spencer, Spring Lake; Charles Riordan, Tallmadge; Austin Scheidel, Wright; Henry Van Geldren, Zeeland; R. Kamhout, Dick Bolthouse, Warner Hansen, John H. Van Dyke, William Swart, Grand Haven; G. Buis, John E. Bredeweg, John Meeboer, John Ten Brink, Marinus Van Ark, Richard Sjaarda, Holland; Johannes Ellenbaas, Zeeland; Frank Sheridan, Allendale, and Cornelius Wittengen, Blendon.

The Board of Public Works began a survey of the city today for the purpose of properly applying the new light rates recently approved by the city council. Neal Houtman, Herman Damson, Frank Van Duren and C. Van Beek are making a house to house canvass to determine the number of rooms that will come under the rates. In addition they are taking an inventory of the electrical appliances such as refrigerators, irons, toasters, etc. This information should be given freely, as it has nothing to do with the rate. Business men like to know what a city has along such lines, and the board desires to get an accurate estimate of the maximum possible loads on the wires in each section of the city.

GETZ FARM ELEPHANT NOW NAMED NANCY; RHINO TO HAVE NAME.

The big elephant at Lakewood Farms zoo will hereafter be known "Nancy," George F. Getz, owner of the popular farm on the shore of Lake Michigan near here, decided after going through hundreds of names submitted in a contest.

Mr. Getz is still keeping the name of the winner of the contest, secret, and has asked the person who submitted the chosen name to come to his home Saturday and get the promised \$5 reward and a ride on the lumbering Jumbo.

A similar contest to pick a name for the rhinoceros, recently added to the zoo, will be staged. All children under 15 years of age are eligible to submit names.

Kuizenga Doesn't Like a Long Faced Christian

BLUE CHRISTIANS DO NOT APPEAL TO THE LORD PASTOR BELIEVES

"One of the meanest recommendations for Christianity is a long-faced Christian," Dr. John E. Kuizenga, president of Western Theological seminary, Holland, said in his sermon Sunday night at Central Reformed church, Grand Rapids.

"I've been in prayer meetings," he said, "where the atmosphere of pessimism that breathed through the prayers and the discourse was such that nothing could have been said on such a recommendation. For his own sake, for the sake of others and for God, the Christian ought to be just as joyful as he can be."

Basing his sermon on the exhortation of Paul to the Thessalonians to "rejoice evermore," Dr. Kuizenga declared that moderns have the same grounds to rejoice in Christianity that the Thessalonians, recently converted from paganism, had.

"Paul," he said, "had released the Thessalonians, heathens a few months before, from the domination of fear; even in the best days of Greece, life was lived in an atmosphere of fear of evil spirits and demons. From that Paul had freed the Thessalonians. Today, if we have not spirits or demons to fill us with fear, we have the microbes to torture us forever. We are all subject to these fears. We are afraid of losing our health, or our jobs, or our possessions. We are afraid of the universe, afraid of society, afraid of ourselves. Yet if we are not afraid, it is because we have not accepted wholeheartedly the great Christian conception that God is our eternal friend and that no power on earth can harm us."

Other sources of fear from which Christianity had freed the Thessalonians and can free the twentieth century men and women were the fear of sin and the fear of death. Dr. Kuizenga specified. He distinguished between happiness and the Christian joy urged by Paul as the difference between content coming from outward things and the joy that can rise above outward things, because its source is within the man instead of in his circumstances.

"When a Christian is always blue," said Dr. Kuizenga, "you can't make me believe that he is in a living relationship with God. Like Elijah, he needs to come out of himself and face the great Jehovah and his power."

"Biddy" Upsets All Egg Price Dope

HENS APPEAR ARE ON A STRIKE; NOT SO MANY JUNE EGGS

Two months ago Michigan hatcherymen and commercial poultrymen were predicting high winter egg prices.

Today they are more confident their prediction will come true than they were at the time of making it. Developments in the meantime have been in their favor.

The half-way mark in the year has been passed and the packing season is drawing to a close, yet no cheap eggs have been placed in cold storage. There was some talk in the produce trade last spring of a crash in egg values during June. Some packers waited for the crash but it didn't materialize. The American hen upset the dope. She began curtailing production in June—fully a month earlier than normal. The slump in production was a reaction to the feed situation. Farmers scrimped on high-priced feeds and biddy revolted. Then poultrymen started culling operations and old flocks were rapidly liquidated.

Briefly, these are the factors which have started egg prices advancing, poultrymen declare. They also are some of the factors which may result in higher prices next fall and winter.

Eggs now in cold storage have cost their owners 5 to 7 cents a dozen more than a year ago. They must be withdrawn at prices 5 to 7 cents a dozen higher to return the packers the same margin of profit as a year ago.

Some assurance of such prices is to be found, hatcherymen believe, in the size of farm flocks, the decrease in chicks on farms and the acute shortage of pullets. Fall and winter egg production will be lighter.

With meat prices high a strong consumptive demand is expected to develop for eggs in late summer and early fall to keep prices advancing. This demand already has started to develop at a time when production is on the decline.

Miss Dorra Rutgers is spending two weeks with her sister, Mrs. Oscar De Groot of Ellsworth, Mich.

SZEKELY COMPANY CLOSES LARGE CONTRACT

The O. E. Szekely company has in the history of the corporation closed one of the largest contracts which will mean business of \$800,000 a year in this one contract and the employment of approximately 60 additional men. They are employing 150 men at the present time. A new company in Des Moines, Ia., has just completed a motor at tests at the municipal field there and will soon be using motors in quantity amounts in their planes. The Szekely company will get a new Niles Aircraft plane in a few days to use as the official testing plane here which has a wing spread of 26 ft. and only weighs 615 pounds. New planes are being designed at the factory.

Mr. Szekely says that there is a good landing field in Black Lake and one of the future planes will be equipped with pontoons instead of wheels. "There is a possibility that an airplane factory will be established here sometime," he said, "and Holland could become an important center of this growing industry."

Holland Gas Co. May Build Their Tank

COMMON COUNCIL HAS NO RIGHT TO INTERFERE PREVENTING EXTENSION

It appears that the Holland Gas Company will be given the right to build a \$60,000 gas tank in order that they may give more efficient service to the gas users in Holland.

Some weeks ago a protest was sent in from the Sixth Reformed church and others in the neighborhood stating that another tank meant a lowering of property value and that it was a nuisance during the hours of service.

Alderman Westing of the First Ward has been fostering these protests and he also moved that an investigation be made as to how much gas the company was selling. It was explained that the amount was well known by the city authorities who have a record of the meter gas, and these figures are also in the hands of the Michigan Public Utility Commission, who are in authority and make the rates for Holland and other cities.

Walter Groth, manager of the Gas Company in Holland, pointed out that the tank was not for Zeeland use, but for storage of Holland gas, which meant better service. It was pointed out that it would be unfair to prevent a company from growing and expanding where more than a million dollars was involved and it is a well known fact that thirty years ago this site was selected since it was about the most undesirable location Holland for residences and especially churches and that at that time the surrounding property was filled with railroad tracks, coal sheds, a fire ruined round house and railroad property buildings. That in spite of the fact that the gas company plant was already there and had been for years, new residences sprang up around it and a new church was built in the vicinity twenty years later. The price of property has more than trebled within the past twenty years.

City officials state the erection of the tank is not contrary to the ordinance and does not run counter to the regulation plans laid down by the zoning commission.

Mr. Groth stated today that the Holland Gas Co. has decided to change the building site, in fact, that course was considered even before the protests were filed. The plans now are to locate the new holder on the 13th street holder site and not on the Lincoln ave. site against which the protests were directed.

Dr. H. C. Adeward has completed a test of the herds consisting of 343 cows in Allegan county supplying Holland with milk and the report made public shows that not one of the cows is reactive.

Grandparents Distracted Over Lost Child

PARENT FINDS LITTLE ONE ON BEACH PLAYING

Little Britt Areskog, four-year-old granddaughter of Mr. and Mrs. L. Fogelin of Grand Haven, who is visiting at their home, strayed away Thursday about 11 a. m. and from then until 6:00 p. m. when she was found on the beach at Highland Park, gave her mother and grandparents many hours of anxious search, assisted by city officers.

The city playgrounds, the neighborhood and every place the child had been known to have gone, were looked over until fear that something serious had happened to her almost overcame the mother.

Paul Fortino joined in the search and it was he who spied her down the beach near the pier playing contentedly with some new-found playmates oblivious of the search or great anxiety she had caused. The child had had no dinner but the little people had shared their lunch. Building castles on the beach had so amused the girl she apparently forgot everything. Today the child is badly burned as she had on light clothing and the hours on the beach played havoc with her delicate skin.

MUCH COMPETITION FOR ALLEGAN COUNTY ELECTION

Eight candidates have filed petitions in the race for sheriff. Lutgen has announced himself again as a candidate for a third nomination. The other seven are Seldon Phillips, Pullman; James C. Halloran, Moline; John A. VanArkle, Otsego; Guy Teed, Fennville; Bert Voss, Hamilton; Fred Miller, Montevideo; Jacob Fleser, Burnips; C. A. Grable, Otsego.

Keen competition will also take place for treasurer's office as Vida Congdon seeks renomination with Lyman A. Lilly and J. Roy Tanner, both members of the board of supervisors, also in the race.

Andrew F. Schumann announced himself this week as a candidate for county clerk against William G. Tisdale, present office holder, who seeks the traditional third term. The office of probate judge is unopposed and A. S. Butler has again announced himself a candidate. Gerrit Heneveld, registrar of deeds, has no opponent either, and will run again for the second term.

George Leland of Fennville will seek a fourth term for state senatorship. His opponent is Paul Smith, Paw Paw, who seeks nomination. Fred Wade, Saugatuck, is alone seeking the nomination as state representative. Arthur Odell of Trowbridge township, present representative, will not run.

A full Democratic ticket will be filed by July 17, also.

The annual mission festival of classic Holland of the Christian Reformed church will be held Thursday July 12th, in the afternoon and evening in the Prospect Park grove. On the program are Revs. Heeres, J. R. Brink, D. Bonnema, Prof. Berkhom, Mrs. H. A. Dykstra, and Miss Brandt. The Rev. H. A. Dykstra will give a stereoscopic lecture on China. An orchestra and double male quartet will furnish the music.

Edward E. Cote of this city has been named shoe editor of the national magazine, "Hide and Leather." He has been with the Holland Shoe company for several years. Mr. Cote is well-known in the shoe industry and has done editorial work with the Brockton Enterprise, Brockton Times, Boston, Globe and the Associated Press.

The Boys' Conference at Pine Lodge which continues until July 12, have the following registered at the camp: Cornelius De Jonge, Gerald Kiel, Clarence De Young, James Vis, Jr., Nelson De Young, Lewis Overreiner, William Heyns, Sidney De Vries, Ted Renzema, LeRoy Scherpenisse, all of Grand Rapids and Gerard Bouma of Zeeland.

GOSPEL CAMP TO BE HELD JULY 10-31

MISS FLORENCE HALL of Conneaut, Ohio one of the musicians at the Gospel Camp fostered by Rev. G. Visser of the Wesleyan Methodist Church, Holland.

Ohio, and Miss Magdalene De Boer of Sandy Lake, Pa., will be the song and music directors of the camp. Miss De Boer is of Dutch parentage and before her conversion was preparing for a musical career on the stage. Miss Hall who accompanies her is a singer and musician of ability.

Ryk Van Eyck, age 75, of East 16th street passed away Saturday evening, at the family home. He came to Holland when four years old, and has resided in this vicinity all his life. He was one of the oldest members of the Ebenezer Reformed church, at which place funeral services were held Wednesday. He leaves to mourn his death, his wife, five sons and one daughter, Henry of Port Sheldon. Mrs. C. Klassen and Peterse of Holland, John and Bert of Detroit and Benjamin at home and also nineteen grandchildren. Burial was made in the Holland Township cemetery.

Rev. Clarence P. Dame, pastor of Trinity church opened the council meeting with prayer.

Holland Family Remembers Hope Substantially

DONATES A \$25,000 PIPE ORGAN FOR NEW CHAPEL

ARENDHORST FAMILY, REAL HOLLAND BOOSTERS AND COLLEGE SUPPORTERS

Dr. J. B. Nykerk, dean of Hope College, always deeply interested in the musical environments at this Holland institution, made a very gratifying announcement Saturday, namely that the beautiful new Memorial Chapel is to be provided with the necessary musical instruments, that will round out and complete the most imposing, the most expensive building that Holland can boast of.

He states that a \$25,000 pipe organ, the last word in instruments of that kind, has been given to Hope by the Arendshorst father and sons, B. Arendshorst, Wm. Arendshorst and John Arendshorst. These men have signed a contract with the Skinner Organ Company of Boston, Massachusetts, to install an organ similar to the one placed in the new Hill auditorium at the University of Michigan. Organs of like make can be found in the University of Chicago, in Princeton University and at the Oberlin Conservatory of Music. The most recent one placed is in the Fountain street Baptist church of Grand Rapids, already seen by many Holland people.

The Arendshorst folks insist that nothing but the best can be purchased and this has been done and these Holland men furnished the necessary funds.

Because of this gift Dr. Nykerk went still farther and is now securing funds for an echo organ to be installed in connection with the large instrument and sufficient funds for an endowment of this magnificent organ. This echo organ is to be placed back of the gallery or in one of the towers of the chapel. Some of the funds have already been secured, and there is little doubt that the rest of the money will soon be available, since the main organ has been secured from the men who remembered Hope College and Holland in such a thoughtful and substantial way.

Dr. Nykerk in speaking of the gift said "Everyone interested in Hope, and that naturally means Holland, Michigan, feels gratified to find that in this city there are men who in their busy commercial lives can find a moment to think of other things and do something for others. They also find time to think of religion and the beautiful and artistic things of life. The college thanks them, Holland thanks them."

The gift of the Arendshorst is the fourth large contribution coming from Holland citizens. When the chapel was first proposed, Mr. C. McLean and sons donated \$12,000 that will pay for the mellow Organ chimes that will be placed in the southwest tower of the new chapel in memory of the late Mrs. McLean. This clock and chimes will be connected with the keyboard of the new organ. All of the musical equipment will be installed in time for the dedicatory program, June 1929, when the general synod of the Reformed church in America will be guests of Hope college and Hope church.

A. E. VANDERWALL CANDIDATE FOR SHERIFF

A. E. Vanderwall of Holland increased the Ottawa county sheriff aspirants to three when he announced his intention to seek the Republican nomination, last week. Officer C. Steketee, Holland, announced his candidacy several months ago, and at the present sheriff, Fred Kamferbeek, who is the only candidate on the Democratic list.

Mr. Vanderwall has several years of service to his credit and during the past few years has been prominently connected with civil affairs in this city. Friends are now circulating petitions for the newly announced candidate.

DAIRYMEN HOLD PICNIC AT FREMONT LAKE

Contests, without which no picnic is complete, were offered those in all walks of life at the annual picnic of Newaygo county dairymen held at Fremont lake, Thursday. The big event was a monster barbecue. The picnic was the most gigantic event yet scheduled in this part of the state.

The Fremont Chamber of Commerce committee consisting of George Howarth, Hermon C. Buck, Eugene Deur, Don VanderWerp and William D. Sargeant were in charge together with Harold C. Stinson, county farm agent, and officers of various dairymen's associations. A scrub bull was roasted and there was enough to feed 4,000 people.

The Muskegon chamber of commerce held a banquet at the Warm Friend Tavern Wednesday evening, and over 100 members were present.

The Poor Committee reports \$172 given for aid to the city poor within the last two weeks.

A suggestion made to the common council for improvements in the city's rest room was referred to the committee on public buildings Thursday night with power to act. The suggestions were that the men's rest room be piped for hot water, that a liquid soap container be placed in it out of reach of children, and that a light be kept burning. It was suggested that signs of welcome to tourists be placed over the wash bowls and that everything be done that is possible not only to welcome tourists but to make them comfortable when they are here. The committee was given power to act.

Word was received Friday that Holland's company of the national guard has won the \$25 prize in paper work in competition with 18 other contestants. Sgt. Peter Tuinman who did the work for Co. D. made no errors in his report.

Major John N. Robinson of Chester college, Chester, Pa., will spend the summer here with relatives. He is a son of Mr. and Mrs. William Robinson and a brother of Thos. N. Robinson.

HENRY VAN WIENEN DROWNED THURSDAY

Henry Van Wieren, 19, son of Mr. and Mrs. Henry Van Wieren of Holland was drowned Thursday evening in the river at Waverly, when he stepped off a ledge into deep water.

Van Wieren, who was an inexperienced swimmer, was bathing with Ben Bosma, Junior Kiles and Gerald Van Wieren, a cousin, whose attempts at rescuing him were futile.

The body was recovered three hours later after the river had been dragged by Deputy Sheriff Beekman, Johnson and Van Etta, assisted by the coastguard.

Men who have announced themselves as candidates for county office on the Republican ticket this far are as follows: For sheriff, Wm. Kooyers, Archie Vander Wall and Patrolman C. Steketee all of Holland, and Fred H. Rozema of Spring Lake; For treasurer, Richard Overway, former Holland City Clerk, John H. Den Herder, treasurer for three terms, Peter Ryeenga, former Register of Deeds at Grand Haven, J. C. Lehman also of Grand Haven. There are two candidates in the field for Judge of Probate, namely the present incumbent Jas. J. Danhof and former state representative, Gerrit W. Kooyers of Holland. Mr. Steketee mentioned for sheriff has been an efficient officer on the Holland Police Department for more than 20 years. The Democrats no doubt will nominate Fred Kamferbeek who is completing his second term.

ROAD TO BORCULO TO BE PAVED

The supervisors have decided after months of discussion to replace with concrete the four and one-half miles of gravel road between Zeeland city and Borculo with 60 percent of the cost of the road to be assessed against the county. The advocates of the improved road had hoped to build six miles of road but opposition of property holders caused the supervisors to build only four and one-half miles.

July 19th, a meeting of property holders will be held at Borculo Christian Reformed church to consider the assessment rates. After the preliminary matters have been decided the contracts will be let.

The road commissioners hope to begin construction by the middle of August and the commission is now repairing and resurfacing the Beaverdam road three miles east of Zeeland which will be used as the detour.

DALMAN BOYS SENTENCED TO LANSING SCHOOL

Judge James J. Danhof of Grand Haven sentenced Donald Dalman, 10 years old and brother Charles, 14 years old, to the Industrial School at Lansing until they are 18, in Probate Court Friday morning, following their arrest for stealing a car. The lads were found in Paw Paw. It was the second offense for the younger boy.

A. A. Nienhuis of the First State Bank started on a two-weeks' vacation Monday.

WALTER L. MAIN CIRCUS NOW ON 48TH ANNUAL TOUR

Regarded as a National Institution With only a few more days remaining before the appearance of the Walter L. Main Circus here, considerable interest is being manifested not only by the younger generation, but also by many of the older "boys." The big Walter L. Main circus, now on its 48th tour of the United States, is regarded as a national institution. Year after year the big show comes for its annual visit. Each season has seen an improvement, until finally it is believed that the pinnacle of success has been reached. The Walter L. Main circus which comes to Holland on Wednesday, July 18th at the fair grounds, affords a complete program of the newest and most novel circus features available today. Down through long years of its history the cream of the show world has been picked to select the numbers for its program and each year the good is weeded from the bad and kept for a new season. In this manner the very best circus entertainment to be found in the world can be found with the Walter L. Main Circus.

Among the features this season are flying aerialists, a sextette of

dancers who cavort gracefully on a lofty wire; Australian whipcrackers and bushmen, two herds of educated elephants, three troupes of Chinese acrobats and acrobats, and forty clowns whose laugh-provoking antics have been history.

unparalleled in American circus. Foremost among the equestrians to be seen with the big show this season is the Cottrell-Powell Family, with their tango horses from the London Hippodrome; Miss Besie Hollis, a new comer in circus ranks who look more the part of a debutante than a somersault rider and who is the product of one of the most fashionable girls' finishing schools; Capt. Raymond DeVry, who comes from the Crystal Palace Theatre, Budapest, with a novel tandem act; Mlle. Doree, with her stable of high school horses, recently a feature of the Folies Bergere, Paris, France, and scores of other equally as gifted and well-known but whose names cannot be mentioned for lack of space.

A spectacular street parade will be seen on the downtown streets at 11 A. M., preceding the first exhibition. Doors to the big show open at 1 and 7 P. M. and the performances start promptly at 2 and 8 P. M.

The Van Raalte Avenue church will hold a congregational picnic July 19th, afternoon and evening, at Liberty Beach.

C. C. Steketee, Jr., Emerson Bouwens, Jake Lievens, Joe Geerts, Thos. Marsilje, Herman Prins of Holland and Dr. Geerlings of Fremont left Sunday morning for Nipagon, Canada, about 175 miles north of the Straits, on a two weeks' camping and fishing trip.

The Holland Co-operative Association, a stock company organized in 1925, had another successful year, according to reports at the annual meeting, which showed approximately \$340,000 volume of business, with 308 stockholders. A dividend of 7 percent and a patronage dividend was declared. Election of officers resulted in the following: President, Maurice Luidens; manager, William Zonnbeelt and secretary and treasurer, Henry Saggers. Peter Bouwman and Gerrit J. Deur were re-elected as directors.

Wide open ~ ~ ~ mile after mile

Hour after hour, the Pontiac Six reels off the miles with safety, both for its passengers and for itself.

Its sturdy Fisher bodies—its rugged construction—its big, four-wheel brakes... these are features which contribute to the safety and comfort of passengers at all times.

As for the car itself, a full-pressure

oiling system lubricates moving engine parts. And such advancements as crankcase ventilation and the thermostatically controlled crossflow radiator protect it from the wear and tear imposed by sustained high speeds.

Today's Pontiac is one low-priced six which needs no pampering. Its record proves its ability to travel wide open mile after mile!

At a recent meeting of the Holland Merchants Association it was unanimously decided to close for

HALF HOLIDAY During July and August

Thursday afternoon of each week during these two months was designated, with the exception of the first week in July for the reason that the 4th of July falls due on Wednesday of that week.

The dates when most of the Holland merchants will close their place of business for half-holiday are the following Thursday afternoons:

July 12, 19, 26

August 2, 9, 16, 23, 30.

We thank the shopping public for their willing co-operation in past years and feel that this same helpful co-operation will be received during the coming summer months and that patrons will adjust their shopping hours accordingly.

Give your stomach a vacation, too!

It needs the rest, these hot days—and Shredded Wheat gives it. The thoroughly baked shreds of whole wheat are easily digested and act as regulators for the whole system. That's because **Shredded Wheat** is nature's own food—just pure whole wheat with all the healthful qualities of the original grain left in.

Vitamins and bran are important these days. Shredded Wheat contains them—and all other food elements in balanced form. Serve it with whole milk and fruit.

HOLLAND VAPORAIRE

HEATING-COOLING SYSTEM

A REVOLUTIONARY DEVELOPMENT

Advantages never before available in any type of home-heating equipment are now put within easy reach of every home owner by the Holland Vaporaire System. This development obsoletes all previous methods of home heating and establishes new standards of comfort and convenience. One simple, economical system warms the home in winter—cools it in summer—and provides perfect circulation of fresh, clean, moist air at all times. Combining exclusive patented features that are years ahead, Holland engineers have perfected a system that meets every essential requirement for homes of all

sizes and saves 20% to 30% in fuel. In hot weather it circulates delightfully cool air into every room. No draft—just perfect ventilation. This means the equivalent of more than a fan to each room—with one central control—at an operating cost of about a cent an hour for electric current. Investigate Holland Vaporaire. See how it antiquates all other ideas of home heating. Get all of the facts before you buy or build a new home, remodel an old one or repair your present heating system. Do this without obligation. Just sign and mail the attached coupon or telephone our nearest branch.
