Wife Of Veteran Baseball Man Dies In East

MRS. NEAL BALL, FORMERLY
MAUDE CLARK OF HOL-
LAND, PASSES AWAY
AT 52 YEARS

A telegram this morning from Bridgeport, Conn., was a shock to friends of Mrs. Neal Ball, informing them that she had passed away in the East, where she was living with her husband for the past ten years.

Miss Maude Clark was married to Mr. Ball in Holland 31 years ago in the heyday of baseball locally when the city had a team that won over every independent and Michigan State association baseball team. It was selected by the late Mayor Descon Ellis of Grand Rapids to meet an all-American team selected from the big leagues in other words "the Babe Ruth" of 31 years ago. It was considered by the baseball fans at Grand Rapids and Holland that the local team with Neal Ball in the lineup would be the only team in Michigan who could make a showing and they did in a ten inning game with a score of 2 to 1 in favor of the all-Americans, played at Reed's lake.

Neal Ball was the only one of two men in the history of baseball who made a triple play unassisted, while he was playing with Cleveland.

Mrs. Ball, even as a girl, was an enthusiastic baseball fan and during Mr. Ball's victorious reign in the National League Mrs. Ball traveled with him from place to place.

After spending about 15 years in big company Neal stepped down from the pedestal, the way all baseball players do, to manage teams in Atlanta, Ga., and Bridgeport, Conn., and other minor teams and at last settled in Bridgeport, where Mr. and Mrs. George E. Clark, Mrs. Ball's parents, lived.

Mr. Clark, it will be remembered, was a very successful yacht builder, first in Holland then in the East, and is now retired. He was a son of the well-known G.A.R. veteran, Clark, who for years lived on Fifteenth street and was a nurseryman known by everybody as "Berry" Clark, undoubtedly because he raised many berries and sold berry nursery stock.

For a time Mr. Ball was in the sporting goods business after his baseball days were over.

The meager information received from Bridgeport indicated that Mrs. Ball died in a hospital there, rather suddenly, and the funeral services and interment are to take place in that city this Friday afternoon.

Mrs. Ball is survived by her husband, Neal Ball, her parents, Mr. and Mrs. George E. Clark of Bridgeport, Conn., and Mr. and Mrs. C. P. Heiler, 61 West Ninth street, Holland, Mrs. Clark being her niece.

FIVE OTHERS INJURED; ONE IN SERIOUS CONDITION AT ZEELAND HOSPITAL

A tragic accident occurred two miles east of Zeeland Sunday evening when the car driven by Ivan Vanden Bosch and the car driven by James Ensing of Hudsonville collided, Vanden Bosch's car striking a bridge across Black creek on county road 642. Ensing's car was forced against the side wall of the bridge.

Ivan Vanden Bosch, 17, son of Mr. and Mrs. Cornelius Vanden Bosch, 544 East Lincoln street, Zeeland, and student at Zeeland High school, was instantly killed from a broken neck. Simon Van Netten, 15, son of Mr. and Mrs. Gerrit Van Netten, 132 Park avenue, Zeeland, occupant of the Vanden Bosch car, is still in critical condition at Huizenga Memorial hospital, Zeeland, and Egebert Grant, 14, son of Mr. and Mrs. Cornelius Grant, 434 East Lincoln street, Zeeland, third occupant of the car, was taken to the hospital where he was confined until Wednesday morning. Both Grant and Van Netten were unconscious when picked up by John Hove of R. R. 2, Zeeland. It is stated that Vanden Bosch's body was thrown for a considerable distance. The car was a total wreck.

Occupants of the Ensing car were James Ensing of Hudsonville, R. R. 2; Joan Ver Hare and Marvin Ter Meer, both of Vriesland, and Margie Ver Hare. The first three named were badly cut by flying glass, although none were seriously injured. Miss Margie Ver Hare escaped injury altogether.

Coroner Gilbert Vande Water and Prosecutor John R. Dethmers stated that there would be no inquest in the death of Vanden Bosch as the mishap was accidental.

Mrs. Vanden Bosch is survived by her parents; five brothers, Adrian, Oliver, Gerard, Clarence and Earl, all of Zeeland; and a sister, Mrs. Ray Vander Zwan of Spring Lake. Mr. and Mrs. Grady Vanden Bosch of Grand Rapids, grandparents, also survive.

Funeral services were held on Wednesday afternoon at 2 o'clock at the home, and at 2:30 o'clock at Second Reformed church, which the deceased joined in full membership last Easter. Rev. R. J. VandenBerg, pastor, officiated. Burial was in Zeeland cemetery.

HOLLAND COUPLE ARRIVE IN ALASKA

Mr. and Mrs. Frank Clark of Holland have arrived in Palmer, Alaska.

They left Holland the middle of June and went to Seattle where they took the boat for Uncle Sam's northern possessions. It took about seven days by water and they are now located in Palmer, where Mr. Clark is with the Alaskan Railroad.

Mrs. Clark, it will be remembered, was Miss Jennie Kalkman, a daughter of the Alderman of the 2nd ward.

On Wednesday evening the members of the Willard G. Leenhouts American Legion, heard the reading of a new constitution and by-laws. On a motion of Jack Barndette, it was provided that the changed system of voting should be used. The committee in charge of drafting the new instrument is headed by Alfred C. Joldersma, and includes Sam Bosch and Edward P. Slooter. Adoption of the new constitution and election of officers will be held in two weeks on July 24. The group, including Commander Henry Cook, is going to a district pre-convention caucus. Some members also plan to attend a stag meeting at Grandville on July 25.

John Van Bragt has asked that citizens take special care in protecting the tulip lanes. Park employees are already grooming tulip lanes for 1936 and the park and cemetery board is planning a special meeting to map out the replanting program for 1936.

Rev. Henry Van Dyke, pastor of Fourth Reformed church, and family will spend the week-end in Chicago.

Rev. L. Veltkamp, pastor of the Central Avenue Christian Reformed church, and Mrs. Veltkamp are visiting in Chicago.

Prominent Man, Thought Asleep, Is Found Dead

FATHER IS OLDEST OTTAWA
REPUBLICAN; SON HAS BEEN
A PROMINENT DEMOCRAT

Marvin W. Turner, prominent Grand Haven man, died suddenly at the home of his father, George D. Turner, oldest Republican in Ottawa county. Mr. Turner was sitting in a chair in the library, apparently listening to the radio, when he passed on with so little struggle that his aged father, sitting in the room adjoining, thought he had fallen asleep. He went in to awaken him and saw what had happened. A strange coincidence is the fact that Mrs. George D. Turner, his mother, had died in the same chair in the same way some years before.

Mr. Turner was apparently in his usual good health. He was downtown and had made an HOLLC appraisal and a call before going home about noon. He had never complained to anyone about being ill and his sudden death is a distinct shock to the family, friends and associates, as the Turner family is one of the best known in this community and throughout Ottawa county.

Since his return to Grand Haven from Lyons, Colo., where he lived about 25 years, Mr. Turner has taken an active part in civic and Democratic political affairs. He was a member of the board of commerce and industry, harbor commission, appraiser for the HOLLC in Ottawa county, and a member of the executive committee of the Democratic county committee. He was also executive chairman of the centennial committee and devoted many months to the successful celebration which was held at Grand Haven last summer.

He was born in Marne, Ottawa county, April 24, 1877, and moved to his parents when his father was elected as county clerk and held that office for many years. Later conducting the abstract office in the Ottawa county court house, he was graduated from the Grand Haven schools and from the University of Michigan. After college he was employed for a short time with the Grand Trunk railway here and then went into the old National bank, where he rose to be cashier.

He was married to Miss Marion Stickney, who died in the west about 10 years ago. Due to her failing health he resigned from the employ of the National bank and went to Lyons, Colo., where his father-in-law, the late George D. Stickney, had established a private bank. He later bought out the bank and continued to run the bank until about five years ago when he sold his interests and returned to make his home with his father.

Of an intellectual turn of mind, Mr. Turner was a widely read man, a deep student of politics and national affairs and took a keen interest in civic affairs. Retiring in nature, he seldom forced himself to the front but his ability was quickly seized upon in this community and Lyons, Colo., where he rendered civic service as he could. He was also interested in education and cultural pursuits and was a delightful conversationalist.

At the last general election he ran for state representative from this district on the Democratic ticket. Although not elected he received a fine Grand Haven vote. He was considered as a strong candidate for the office of postmaster of that city.

Although his father had been a staunch Republican during his life and a leader in Republican political circles for many years, Mr. Turner did not subscribe to Republican principles and early broke away from that party. He was an independent thinker and a writer of no small ability. The funeral was held Sunday afternoon.

Funeral services were held on Wednesday afternoon at 2 o'clock at the home, and at 2:30 o'clock at Second Reformed church, which the deceased joined in full membership last Easter. Rev. R. J. VandenBerg, pastor, officiated. Burial was in Zeeland cemetery.

Mystery About Girl's Death At Grand Haven

MISS RUBY E. BROWN OF
STURGIS, APPARENTLY
TOOK OWN LIFE

Mystery shrouds the death of Miss Ruby E. Brown, 22 years old, of Sturgis, Mich., who died by her own hand at a Grand Haven hotel sometime during Tuesday afternoon, according to a note addressed to her mother, Mrs. Olive Brown, Mason, Mich.

Death apparently came through the use of a poison of some kind which is believed contained in a white powder, found in a bag near her bedside, or in some tablets which were found in her suitcase. Both have been sent out of the city for chemical analysis by Dr. W. B. Bloemendal, coroner, who rendered a verdict of suicide yesterday.

The body was taken to the Boer Funeral establishment and was held until last night when the father, Earl Brown, claimed the body as his daughter, and identified the handwriting of the note as hers.

The short letter was written on hotel stationery. There was no date or time on it. It was addressed to "Mother," saying Ruby was about to take her own life and that the mother would understand the reason. She asked for forgiveness and said no one could have been a better mother. It was written in a large hand and apparently in no undue haste.

The body was found about 4 p. m. by the clerk at the hotel and a maid.

The maid had tried to get into the room during the day but found it locked. She asked the clerk to use the pass key that she might do the usual work. They found the young woman apparently asleep on the bed. She was dressed in a negligee, with light underclothes but had no shoes or stockings on her feet.

Her hair was beautifully arranged and she had lip stick and rouge on apparently in preparation for dressing. She was a brunette, had lovely cameo features and was of slight build and very attractive, according to those who had encountered her in the hotel.

She registered there a week ago and stated she was spending her vacation at Grand Haven as she was a registered nurse, associated with the hospital at Sturgis. She was a graduate of Bronson hospital, Kalamazoo. She had been in Grand Haven frequently during the spring and early summer and declared she was so attracted by the place that she was going to spend her vacation there.

There were no books in the room, no letters, or writing material other than what the hotel furnished. Her clothes were in good order and of very nice quality and were brought there in suitcases. No one knew how she got there. She paid her bills promptly and had inquired the charge for another week as she had indicated she might remain longer.

The clerk with whom she talked every day, described her as a charming girl, one that appeared to be enjoying herself to the fullest. Others contacted here said she never appeared morose, or in any way to cast suspicion as to her mood.

She frequently stayed in her room until in the afternoon and ate luncheon sometimes about 3 p. m. As she did not put in an appearance the day of her tragedy, the hotel employees thought she had gone out somewhere as she frequently took her meals elsewhere.

The action of the poison, that apparently was taken, must have been very quick, according to the coroner and undertaker as there was no evidence of struggle, or burned condition of the mouth usual with such doses.

The father said that he nor his wife could account for her actions as they did not know of any trouble which might have caused the girl to take the fatal step. The father said she was one of eight children. The Browns are a well-established and respected family of Mason, it was learned, and Ruby was well and favorably known there.

HOLLAND MAN SUEED FOR CAR FATALITY

Damages of \$60,000 for the death of her husband, Ralph H. Bonnett, in an automobile crash in Benton Harbor the night of May 6, 1933, is asked in a suit filed in district court by the widow, Marie H. Bonnett of Toledo, Ohio, against Harry J. Plaggenmeyer of Holland.

The plaintiff claims that her husband was riding with Plaggenmeyer at Plaggenmeyer's request and for Plaggenmeyer's benefit and not as a guest. She charges that speeding over a wet pavement in a drizzling rain, the car swerved and overturned, causing injuries from which Bonnett, a master of steamships on the Great Lakes, died the following day. — Grand Rapids Press.

The Hamilton Independents went 50-50 in their games of the past week. They were defeated by the Dutch Boys of Holland on the Fourth by a 4-1 score. Rich Wenzel, local ace hurler, held the Hollanders to 4 hits, but 5 errors, coupled with bad breaks, spelled defeat for him. His teammates, although securing twice as many hits off Oppie Bronkhorst, were unable to connect when hits would mean runs. J. Kempker, Calahan and Roggen led the locals in offense. Last Tuesday evening, however, they decisively defeated the Allegan Independents and gave the county seat aggregation their second defeat of the season by a 9 to 4 score. The locals, after easily turning back the visitors in the opening inning, started the game with a bang and had pushed four runners across the plate before the Allegan men recovered from their surprise. Again in the third with the bases full, on two hits and a walk, a squeeze play score was in. Allegan came back in the fourth with two doubles and two singles to score twice, but when the locals again triced the Allegan to add three runs on a single and a base on balls the visitors subsided. The breaks, however, were all for the locals. Every daring play of the locals succeeded; every hit was exactly at the

right time, while the visitors' errors came with a runner crossing the plate. With the seventh half had been finished by the visitors, they gave up in disgust. However, the teams will meet again on July 30 and Allegan has determined to even the count. Julius Kempker and Nyhoff led at bat with three singles and a triple and a single, respectively. Jones and Loren secured five of the eight hits for the visitors. It was a game made to order for local fans. Truly hitting with heady and daring base running and teamwork brought the crowd to its feet again and again. Well, the boys certainly deserve the support of the local fans. Let's all be out at the next game.

CROWD ATTENDING MISSION MEETING FEEL THAT HOME FOLKS SHOULD CONTINUE THE WORK

A good representation of citizens attended a special called meeting at the City Mission Tuesday night to consider the future of the mission in Holland, and in its present building—its home, which was sold for mortgage of nearly \$12,000 and must be redeemed by Sept. 29 of this year.

After reports and a number of people expressed their opinions, it was unanimously voted that Holland needed a mission and should by all means save the building. It was pointed out that it was not an organization outside of the church but one in the church—an interdenominational work, spiritual and therefore the churches and its members could and should see the debt was paid and the good work continue.

This, according to an interview with George Trotter, local manager, was the opinion of the ministers present, and arrangements were made for the different pastors and laymen of the various churches to get together with the board of directors of the mission soon and work out some solution whereby the building could be paid for and Holland not lose the mission given by and belonging to them.

Supt. George W. Trotter's report convinced all present that the work must go on.

Following is the report of work done from June 1, 1934, to July 1, 1935:

There were 547 services held; 46,629 attended; 903 visits; 75 professed conversions; 1,152 pieces of clothing given; 6 funerals conducted; 20 other services outside of mission.

On Thanksgiving Day, 325 children and parents were given a chicken dinner.

Sunday school picnic gave several hundred a real treat.

Christmas entertainment cared for 500, candy and orange, and smaller children presents.

Three special evangelistic campaigns conducted. It was shown an average attendance of 150 at Sunday school and that about 100 homilies attended who were at home in the mission. Hence the need and the mission must be saved.

NORTH HOLLAND CELEBRATION IS LARGEST IN HISTORY

North Holland had a real patriotic or rather let us say, historic, Independence day.

Firecrackers, pink lemonade and plenty of eats were only sidelines. Our neighboring "doory" took the Fourth of July to heart in a real way. They are not forgetting the constitution and the fundamentals that have built this nation the largest, best and richest country on this earth within 150 years.

We growl about depression but when the prosperity of the nation, the religious and educational environments, the advantages and recreational features are summed up, we still have a great deal to be thankful for.

The average, covering the century and a half, would still make a prosperous picture despite the temporary gloom which is lifting. But we are not writing an editorial, we are simply telling of what North Holland, through its accomplishments, is thinking at heart. Through their actions they accept the colonial days of our pilgrim fathers, followed by our own local colonial period. They are thinking in terms of the Continental Congress, they are imbued with the spirit of Washington, Jefferson, Patrick Henry, Abraham Lincoln, Garfield and William McKinley. That is evident from the floats that were in the lineup.

There was a picture of the Constitution, the fundamental law of this country. George Washington, our first president; Abraham Lincoln, our martyred president, were shaking hands together. There was a float of the scene of the reading of the Declaration

of Independence. A tableau of Washington's first cabinet. A typification of the Spirit of '76.

An impersonation of Liberty and Justice typified through America's womanhood, blindfolded and with the scales of Justice uplifted.

Then slavery days were depicted in pantomime. The Douglas and Lincoln debate and Lincoln going to the debate were all portrayed. The presentations from then on were more of present-day developments.

The judges for the contests were S. Dogger, L. Brondyke and G. DeVries.

Prizes were awarded to the following:

Historical Floats—First prize, \$10, West Crisp, Washington's First Cabinet; second prize, \$5, Harlem, Douglas and Lincoln Debate; third prize, \$2, North Holland, Lincoln going to the debate.

Industrial Floats—First prize, \$10, The Old and the New Way—

AMERICAN LEGION NEWS

The next post meeting will be held on Wednesday evening, July 24. And a very important meeting

it will be.

It was hoped that the nominees for office could be published in this issue but things went altogether different. We are to have a nominating committee who will have a list of nominations ready to publish next week. This will not hinder the members from nominating from the floor at the next meeting, however.

The new constitution and by-laws were read and discussed at length, at the meeting on the 10th and will again be read and voted upon at the meeting of the 24th. There are several clauses that affect the activities of our post and everyone is urged to come up and talk the thing over.

Plans are in the making for a Legion family picnic to be held in the very near future. The auxiliary will make the plans in general and in detail. For once we get a break; all we have to do is go and eat and play.

The Fifth district will be entertained at Grandville on July 25. This is to be a "stag" affair and the band has expressed its willingness to go with us. This meeting

is the night after our next meeting and is in the form of a pre-convention rally. Every member should make plans to attend the meeting in Grandville and get the latest news on the state convention and who the new state officers are to be.

Don't forget the election of officers of the post on July 24. Don't leave it to a half dozen of the old guard to make the choice of men to handle the affairs of 200 members. We assure you the old guards do not want that condition to prevail.

GANG SHIES STONE THROUGH
AUTO WINDOW

A gang of boys strolling on the Pere Marquette railroad tracks Sunday afternoon took it into their heads that it would be great fun to shy handsome gravel at passing automobiles traveling on M-21 just east of the city limits, with the result that one of the stones penetrated a windshield.

The natural result was that the boys were placed under arrest and had to make good the damage done in their depredations. We are keeping the names anonymous, but there is such a thing as telling the world at another time. — Zeeland Record.

GRAND HAVEN HAS MAN
ON BOARD OF EDUCATION
FOR THIRTY-SIX YEARS

Out of a field of five candidates in Grand Haven, John J. Mulder and Mrs. Hilma Lee were elected to the board of education at the annual school election held yesterday when a total of 332 votes were cast, one of the heaviest school votes here in several years.

Mr. Mulder polled 368 votes; Mrs. Lee, 318, defeating the three remaining candidates who received the following vote: Mrs. Amelia Vander Zalm, 188; Edward Kieft, 148, and Peter Van Lopik, 115.

Mr. Mulder was elected to the

board for the first time for a 3-year term. He was formerly a member of the board of public works, when that board was first established. He later resigned due to pressure of business interests. He succeeds Edward W. F. Moll, who served a record term of 36 years or more.

Miss Janet Koeman was honored at a miscellaneous shower on Thursday afternoon at the summer home of Dr. and Mrs. Jacob Van der Meulen on Lake Michigan. People from Grand Rapids, Kalamazoo, Augusta, Hammond, Ind., Chicago and Chico, Cal., were present.

Two Brothers Figure in Two Auto Clashes

DICK J. VER HAGE HITS CAR ON SATURDAY NIGHT AND JOHN IS STRUCK ON SUNDAY

(Zeeland Record)
Two brothers, John Ver Hage of West Main St., and Dick J. Ver Hage of South Elm St., both figured in auto collisions this week in which neither was seriously injured, but their cars suffered damage to some extent. Dick figured in a head-on collision and suffered a bruised chest that is laying him up for a few days.

At about 9:45 o'clock Saturday night, while Dick J. Ver Hage was returning home from Holland in his small Ford truck he misjudged distance of a coming westbound car as he was passing another car and met head-on in a crash. The other car was owned by William Jaarda of Holland, R.F.D. No. 2, and was being driven by Henry Van Spyker, 63, of 83 East 11th St., Holland. He was accompanied by his wife, who suffered a cut on the leg and on one hand. Van Spyker was cut on the face and on one hand by broken glass.

Ver Hage was alone and suffered bruises on the chest where he had crashed against the steering wheel. Van Spyker claimed to have been driving at a speed of thirty miles, while Ver Hage claims to have been driving at about twenty-five miles an hour.

Van Spyker's car was struck on the left front and suffered a damage of about \$75.00 while Ver Hage's truck was struck in front and was damaged to the extent of \$50.00.

Sunday evening at about 10:30 o'clock, John Ver Hage figured in an accident when his Buick sedan was struck on the left side by a De Soto sedan driven by Gilbert Bosch, 17, of Holland, R.F.D. No. 3.

Bosch is the son of Mr. and Mrs. Dick Bosch. He was driving east on Main St. without having his car headlights lit, and tried to turn north onto Church St. as Ver Hage was passing, striking Ver Hage's car on the left side, resulting in damages of about \$25.00. His own car was damaged on the left fender to the extent of \$30.00.

Both cases were reported to local police, who took charge of the situation.

Four Youthful Octogenarians Relish Outing

(Zeeland Record)
One young chap, Lucius Lane, of Grandville, who last week Saturday, June 22, started enjoying his ninety-third summer in the best of health and happiness, called on the Zeeland Record editor last Saturday, bringing three young friends, just out of their breeches, with him for a frolic. His friends were Frank Noel, 85, of Grandville; Oren Edson, 85, of Hudsonville; and Milton Nobles, 85, of Grandville.

They even rode in style, having secured the services of J. John Pope, editor of the Grandville Star, as chauffeur for the occasion, and they spent the afternoon driving about the county and enjoying the beautiful scenery of verdant spring.

The gentlemen have the combined age of 348 years and average eighty-seven years. They have been residents of their respective communities nearly all their lives and during this period have always been fast friends. All are in excellent health, and are optimistic enough to expect to outlive the present depression.

Mr. Lane is a Civil war veteran and spoke with feeling of President Abraham Lincoln, whom he had met in the field during the war.

POLICE CHIEF'S SON BREAKS ARM IN FALL

Freddie Bosma, Jr., of Zeeland, son of the chief of police, had the misfortune of fracturing his left arm at the wrist Monday, shortly after noon, when he fell from a cherry tree. He was taken to the Zeeland hospital, where the injury was reduced and where he was cared for the remainder of the day.

Freddie was picking cherries in the trees in the lot at the old Cornelius Diepenhorst place on the west side of North State St., just north of the Pere Marquette tracks. As he stepped out on a limb his support suddenly gave way and he fell to the ground.

The unfortunate accident comes at a very inopportune time while Freddie was completing a long visit with his aunt at Flint during his summer vacation.

ORIE DE GUIZ SENTENCED TO JACKSON FOR 15 YRS.

Orie DeGuiz, Zeeland, was sentenced from 3 to 15 years at Jackson by Judge Fred T. Miles in circuit court yesterday afternoon following a plea of guilty which was entered several days ago. The man was charged with a series of breaking and entering filling stations and stores in the southern part of the county.

Harrison Evans, Holland, 40, charged with forgery, pleaded guilty in circuit court. He will be sentenced later. Evans endorsed checks which he had said had been given to him by another party. Officers traced the checks and found Evans had several clever tricks which he employed to get money to purchase clothes with, he told Judge Miles.

Miss Marjorie Jappings was honored at a personal shower given by Mrs. O. Heek, Mrs. H. Van Ry, and Miss Dorothy Bowman. Prizes were awarded to Miss Adrienne Steketee and Miss Bowman. Those present were: Miss Elizabeth Van Ry, Mrs. P. Schurman, Miss Bowman, Mrs. Heek, Mrs. Van Ry, Miss Jappings, Miss Adrienne Steketee, Miss Cornelia Bolte and Miss Marie Dogger.

Calling

MAPLEWOOD SCHOOL TO HOLD SECOND ANNUAL HOMECOMING AUG. 21

The second homecoming of the Maplewood school, Fillmore district No. 2, will be held on Wednesday, August 21, 1935, at the school house. To many of the pupils of yesteryear the name "Maplewood" is unfamiliar, the school originally being known as the Graafschap school, and later as the Van Zanten school.

Pupils of the present day and pupils of former years, as well as patrons and teachers who have attended or been connected with the school at any time during its existence, together with their families, are invited to come out on Wednesday, Aug. 21, to attend this all-day picnic and get-together.

The committee also states that there are many who will not read the notices as published in the press and, therefore, requests that those who do read this notice will inform others who might otherwise not become acquainted with the above information.

SECOND AIR SHOW AT ALLEGAN JULY 13-14

Another air show is being planned for July 13-14 in celebration of the completion of another stage in the development of Allegan's airport at Padgham field. In May a demonstration of this kind was held with 2,000 people in attendance. It is hoped that several army planes from Selfridge field will be present to demonstrate formation flying and show the equipment of such ships. A novelty feature of the show will be a bat-wing parachute drop.

And to think that "great big" Holland with nearly 20,000 population, allowed Allegan, of 3,500, to buy up our own report from under our noses and succeed with it.

TWO OF HOLLAND G. O. P. BAND LEFT

(Grand Rapids Press)
Benjamin A. Mulder and Cornelius B. Dalman form a remnant of the Holland Republican martial band organized about 48 years ago with a membership of more than 80 players, uniformed in white and blue, as the largest drum corps in the middle west.

The band took a part in G. A. R. encampments when the combined strength of the Grand Rapids, Grand Haven and Holland posts totaled 800 and Holland posts participated in the presidential campaigns of 1888 and 1892, and for a week played at the Chicago Columbian exposition in 1893.

The ranks gradually were depleted and since 1900 when seven other players joined the corps, the spirit has been kept aglow for its appearance annually in the Memorial day parade.

HOLLAND CHURCHES PLAN IMPROVEMENTS

Three Holland churches will spend approximately \$30,000 on improvements and building plans. Maple Avenue Christian Reformed church plans the erection of a church house at a cost of \$18,000; Fourteenth Street Christian Reformed church is building a new parsonage for its pastor, Dr. R. J. Danhof, and Third Reformed church is making extensive improvements on its edifice.

Doris Ellen Giebel, who celebrated her seventh birthday Friday, entertained friends at her home, 120 West 19th St. Those present were Henrietta Veltman, Gladys Buema, Beverly Bos, Doris Giebel, Rose Di Faglia, Arlene Vander Heuvel, Norma Van Vuren and Joan Tuhsma.

Miss Alyce Flanagan entertained with a shower Friday evening in honor of her sister, Miss Mildred Flanagan. Prizes were awarded to Mrs. Robert Wills and Miss Grace Rosema. Those attending were: The Misses Kathryn Vodyke, Louise Fabiano, Josephine Fabiano, Esther Fabiano, Sadie Kuna, Pearl Flanagan, Alyce Flanagan, Pearl Ten Harmsel, Genevieve Canuue, Marion Canuue, Beattie Rinsela, Grace Rosema, Hilda Vodyke, and Ann Vodyke. Mrs. William Nieboer, Mrs. Frank Lighthouse, Mrs. Wills, Mrs. Leslie McCarthy, Mrs. John Flanagan and Miss Flanagan.

BIG SAILING FLEET LEAVES CHICAGO TODAY

The sixteenth annual regatta will open the 1935 series of events with receptions for Jackson Park, Columbia and Chicago Yacht clubs July 13 and 14.

The sailing vessels leave Chicago Friday at 8 p. m. July 12, arriving in Saugatuck Saturday morning.

The power boat squadron leaves Chicago Saturday, July 13, at 8 p. m., arriving Sunday morning. Sunday, July 14, 2:30, aquatic sports day at the Big Pool.

Monday, July 15, heralds the beginning of three days of thrilling aquatic sports.

Never has there been so complete and stupendous a program. At 1:30 p. m. Lake Kalamazoo will furnish the setting for the high jumps. This event is remarkable for its spontaneous hilarity for every age, while the notorious "Pirates" ball will claim attention for the evening.

Competition is keen for both these events. Tuesday, July 16, local yacht races in the afternoon followed by Venetian Night pageant, gorgeous display of magnificently decorated boats, which will compete for several trophies and cash prizes. Yachtsmen's ball in Big Pavilion.

Wednesday, July 17, will bring a new feature, outboard motor racing. The events will close with a colossal and magnificent display of fireworks.

Over \$800 will be awarded in prizes.

VETERAN RE-ELECTED TO ZEELAND BOARD

C. F. Waldo was elected a member of the Zeeland fractional district board of education Monday evening. He succeeds John Donia, who has served on the board for eight years.

William O. VanLoos was re-elected to another term. He already has completed more than 25 years as a member of the board.

It was decided to place in the junior high school at the beginning of the new school year a course of instruction in local history. The annual financial statement of the district showed receipts amounting to \$68,552.08; disbursements, \$46,934.72; balance, \$16,617.36; checking account, \$7,954.85.

PARK ENLARGEMENT PROPOSAL KILLED BY THE COUNTY BOARD

The proposed purchase of additional land on the south side of the Allegan county park was turned down by the board of supervisors. A committee consisting of Supervisors Thorpe, VerBeek and Lyman that was named Monday to investigate, made a verbal report that the tract in question was in their opinion desirably located and would make a suitable addition to the park. The finance committee, however, recommended that no more land be purchased at this time, and their recommendation was unanimously adopted. The price asked was \$12,000 for 20 acres. By their vote the supervisors limited the park to its present 11 acres, which are admittedly inadequate to accommodate the growing tourist traffic and resort seeking public.

The board did, however, vote to offer \$50,000 for the Allegan hospital, the owners of which ask \$65,000.

OUTING FOR REFORMED YOUTH WILL BE HELD AT WALDEN WOODS

The Reformed Youth Fellowship camp will be held July 23 to 30 at Walden woods. Courses and leaders will include: "Problems Facing Young People," Rev. Raymond B. Drukker of Grand Rapids; "What Should We Do About Missions?" L. N. Moody of Holland; "Jesus' Life of Living," Mrs. E. B. Drukker of Grand Rapids; "Facing a Life Work," Mrs. Edith Walvoord of Holland; "Great Affirmations of Christian Faith," Dr. Bernice Mulder of Grand Rapids.

The week's program will include lectures, supervised recreation, evening programs and fellowship groups.

John Van Dyke of Grand Rapids spent 4th of July at the home of his mother, Mrs. M. Van Dyke, 272 West 17th street.

CROCKERY FARMER REPORTS A RECORD STAND OF CLOVER

Harm Rosema, Crockery township dairyman, reports a stand of red clover, he believes has attained record height. Much of the clover, he says, measured 58 inches and was unable to remain erect under weight of recent rains.

Leo R. Arnold, county agricultural agent, showed interest in the stand, remarking it to be the tallest red clover he had heard of. He said average height was 30 inches but said that with excessive moisture and ideal growing conditions for all classes of vegetation this year, that some enormous plants would be grown.

C. C. Whistler of the Grand Haven farm bureau said the height was remarkable for either mammoth or medium red clover.

Mr. Rosema's clover was grown on clay loam. His farm is located half a mile south of US-16, 3 miles west of Nunica.

HOLLAND FIRM ADDS TWO MEN TO SALES STAFF

Herbert Emmons is one of the new members of the sales staff of The West Michigan Furniture Co. He is assigned to the western territory which includes the region from Denver west. He takes over the territory vacated by the death, several months ago, of George Skeels. Bill Evans, son of George D. Evans, veteran Baker Furniture Co. salesman, is carrying on the family tradition, having been assigned to the southeastern territory for the West Michigan Furniture Co.

HOLLAND MAN MARKS ANNIVERSARY

Rev. Cornelius Muller, pastor of the Reformed church at Allegan, has rounded out a career of 25 years in the ministry. He is serving his fourth pastorate since his graduation from Western Theological seminary in 1910. He formerly was pastor of Fourth Reformed church, Grand Rapids, and later served as executive secretary of Pine Lodge assembly at Holland. He is the brother of "Ben" Muller, local advertising manager of the I.G.A. and Standard Grocery Co.

TWO BIG SCHOONERS VISIT GRAND HAVEN

The large three-masted schooner yacht, "Atlantic" formerly the "Moby Dick" of Milwaukee, docked at the Edward Bouman dock here yesterday and remained today. The ship is 106 feet long and is listed in the vessel register as owned by the Garanta company. The "Jacinta," of Milwaukee, a 66-footer with two masted schooner rig, entered Spring Lake this morning. The "Jacinta" is listed as owned by J. E. Gerich of Milwaukee.

PETER SCHRAVESANDE VICTIM OF HEAT

Peter B. Schravesande, well known in Grand Rapids business and political circles and a former furniture man here, was prostrated by the heat Saturday morning while walking near the city hall.

After being treated by Dr. A. H. Edwards, city physician, Schravesande was taken to the cottage of his daughter, Mrs. John Belknap, at Wilderess park, south of Grand Haven.

Peter Schravesande was born in Holland, the son of a barber. His father conducted a shop about where Nies' hardware is located—a wooden building—and you had to climb several steps on the outside to get to the shop. Many stores had steps at the front in those days and loading platforms as well.

Wiersma of East Saugatuck will officiate. Interment will be in Pilgrim Home cemetery. He is survived by his sister, Mrs. Van Dort, and several cousins.

Meddling Cat Brings Death to Young Lad

ACCIDENT IS TRAGIC ENDING TO HAPPY FOURTH OF JULY PARTY

Gilbert Farr, 11-year-old son of Mr. and Mrs. James F. Farr, was electrocuted shortly after midnight when he fell on a 7,200 volt wire near Nunica, Ottawa county, and was killed immediately.

The little boy was riding with his grandparents, Mr. and Mrs. Albert Wilkey, Route 2, Nunica, this county, when the car struck an object. The child opened the door and fell out on the live wire. The grandfather attempted to drag the child's body from the wire but the charge of electricity was so strong he could not reach him. Neighbors came quickly and chopped the wire to break the charge of killing electricity.

The wire was a part of the Consumers Power system, which had dropped into the roadway. A dead cat found in the wires, where Gilbert Farr was electrocuted, is the established theory as to the cause of the cruel accident. A survey man from the Consumers Power company reported this to Dr. Bloemendaal, coroner at Grand Haven. He explained that the cat had climbed the pole and had become entangled in the wires causing a short circuit, which burned the wire off so that the live end dropped to the ground.

The accident is one of the most unusual in the annals of the power company and all the circumstances appeared to fit perfectly to take the toll of life in the tragic manner and which would probably occur but once in a high percentage of accidents, the power man stated. He said he had never heard of a similar case before.

Dr. W. B. Bloemendaal, coroner, directed a verdict of accidental death. The body was taken to the Kammeraad Funeral home at Coopersville.

While the occupants of the car felt the charge, in his haste to get out of it, the little boy was the first to leave and fell on the wire at the side of the car when he was terribly burned. The driver of the car saw sparks fly as it is believed the dangling wire first struck the radiator and then was grounded. No one was injured other than the child. The lad, who lives in Grand Rapids, was visiting his grandparents at Nunica during the vacation.

NAOMI

(Ruth 1:14-22)
Henry Geerlings

No one will question the religious charm of the little Book of Ruth. For that reason we study it often. In nearly every case Ruth occupies the first place, while Naomi takes second place. In this instance, however, the order is reversed—Naomi stands first and Ruth second.

The Book of Ruth stands between Judges and I Samuel. It forms a supplement to the first and an introduction to the second. We are told the scene of it was laid in the period of the judges. The suffering of God's people at that time was intensified because of the numerous and savage attacks made upon them by surrounding nations.

The characters of the book are common folk. Its narrative deals with the joys and sorrows of daily life. Not the battlefield, but the home forms the center of its story. Love and friendship are its noble themes. Women are the leading figures; their faith and courage in facing life's tragedies and in manifesting heroic loyalty to basic ideals.

Such homespun material did not tempt the pen of the ancient historian, even as it does not command the front page of the modern newspaper. Yet it is far more significant than tales of battles, crime and scandal, for out of such material the fabric of life is woven, and the garment of our civilization.

As a Moabite woman, Ruth was a worshipper of Chemosh, the god of her people while Naomi, a woman of Israel, put her trust in Jehovah. But when Ruth accompanied her mother-in-law to Bethlehem she abandoned the gods of Moab and chose Jehovah. Ruth changed her creed. It was a significant change and a wise choice.

She changed from the false to the true, and she chose the best and greatest. There are multitudes that must follow her example if they want to face life with courage and fortitude.

Men scoff at creeds. Our modern emphasis is on deeds. We hear it said that it does not really mat-

ter much what a man believes, so long as he is sincere in his belief. But that is a most foolish and pernicious fallacy. Creeds are worthless if they are merely lip service. But as a man thinketh in his heart so is he. So he will live and act and die. The ideas and ideals that he cherishes will mold his conduct and character and shape his destiny.

There is a vital relation between creed and deed, thought and life, which men neglect at their peril and hurt. Ruth made a momentous choice when she chose Jehovah for her God. It meant a change of ideas and ideals. It meant the abandonment of a cruel and licentious deity, and the cessation of a base and degrading worship. That new circle of religious ideas and moral ideals, which marked the worship of Jehovah, became a dynamic factor in molding her character and in shaping her conduct.

The choice of the true God is still the greatest importance. Life is a succession of choices. Each is momentous, from selecting a vocation to choosing a wife. But none is fraught with greater consequences than the choice of the God whom we will worship, to whom we go for truth and grace, for strength and courage, for hope and faith, in joy and sorrow, in life and in death.

Naomi's faith in Jehovah was far superior to Ruth's faith in Chemosh. She had the better creed. But she did not preach it. She lived it. Her better creed expressed itself in nobler conduct. That is clearly implied in our story. Naomi was a Bible in shoes. She was a foreign missionary who made a convert by the irresistible logic of her womanly character. She taught no new theology in the borders of Moab, but she practiced a new religion of kindness and modesty, of courage in trouble, of hope in the future, in a land where religion consisted of cruel rites and immoral ceremonies. It was her deed that changed Ruth's creed.

Do we want all mankind to accept our Christian creed of the true God? Then we must follow Naomi's example. Preaching our faith may edify the saints, but it will not convert sinners, nor convince skeptics, unless our life illustrates our faith. The only convincing proclamation of a God of love is a life of love.

A HOT beverage, first course or dessert will do much to make a cold main course attractive or, if the main course is to be hot, a cold first course beverage or dessert is desirable while the weather is hot. The new consommé jelly when chilled but may equally well be served hot. The abundance and cheapness of fruits make fruit cups a good beginning or ending to a summer dinner.

As part of the state-wide program to wipe out the slot machine racket, Judge Fred T. Miles handed out stiff fines last week. Friday, to Fanny Fisher of Casco and Donald Hogmire of South Haven.

Mrs. Fisher, who pleaded guilty to operating a slot machine on the premises of her beer garden in Casco township, Allegan county, was required to pay \$50 and costs. Hogmire, who supplied the machine, was fined \$100 and ordered to pay costs.

Bernard Mageda of Casco pleaded not guilty to charges of being drunk and disorderly when arraigned before Justice Volney Ferris. His trial is set for July 12. Bond was set at \$100.

It was recommended by the county buildings committee of the health department and agricultural agent. This was approved by the board and work will be done under the direction of the building committee.

Payments are coming in slowly to the Allegan county treasurer's office of delinquent taxes for 1932 and all years previous. Sept. 1 is the deadline for payment of the first installment. All payments after September 1, 1935, will have 4 per cent interest attached, and if the payment for any year comes later than September 1, it will

draw 9 per cent interest for being delinquent.

The first case of diphtheria in Allegan county in two and one-half years was reported Saturday to the health authorities. Max Miller, young son of Alonzo Miller of Cheshire, is suffering from the disease, although he is not seriously ill. He had not been immunized against diphtheria.

According to the agreement made at the time of the reopening in July, 1933, the Allegan State Savings bank on Monday, July 8, made their initial payment of 10 per cent on the half of unpaid deposits for which depositors hold certificates of participation. Such certificates provided that no payment could be made until two years after their issuance. At the time of the reopening of the bank, 15 per cent of the funds due depositors were available in cash, the remaining amounts being divided into two classifications, one of which was represented by five time certificates, at least one of which was to be retired each year for the next five years.

GRAND HAVEN HAS NEW CITY MANAGER

Seymour Justens, 45 years old, who was born and received his early education in Grand Haven, was unanimously chosen city manager by the council at an executive session held following the regular meeting last night. The salary was fixed at \$2,400 which was the salary paid to Peter A. Kammeraad, former manager, for the present year.

HISTORIC ELMS ARE CUT AT GRAND HAVEN

Old-time Grand Haven residents, particularly those whose office windows gave a view of the federal building grounds, were saddened today to see two stately elms fall before the march of progress. The two trees in whose shade stood the famed Cutler Annex of the '80's and '90's, were cut to make room for the federal building addition.

The elms were about 65 feet high and the trunks, two feet thick.

200-POUND WOMAN HAS 24-FOOT TUMBLE AND LANDS ON STENOGR

Lillian Lockwood, a 200-pound char woman, fell from a second floor window, crashed through a skylight, dropped 24 feet, landed on a girl stenographer in an office in Washington, D. C., and picking herself up said, "Well I swan." With her came a flower pot and a shower of broken glass — all of which, including the char woman, fell on Miss Gussie Swartz, a stenographer. The desk was broken, the typewriter smashed and Miss Swartz went to a hospital.

DUTCH EGGS PLAY HUMPTY DUMPTY FROM TARIFF WALL

Foreign eggs soon may become a factor in the American market if domestic prices continue around present levels. Some sample lots already have arrived and a shipment of 4,000 cases of Netherlands eggs is in transit.

Netherlands is an egg exporting country as well as a dairy products exporter, and like most exporting countries understands how to pack its products so as to meet the approval of buyers in other lands. The eggs are packed in 30 dozen cases the same as American eggs and are well graded white eggs. Holland grades closely for size and some samples indicate exporters have large size eggs to offer.

The prices are attractive enough to encourage a certain amount of speculation in the foreign product as some eggs from Holland have been offered in New York as low as 25¢ cents per dozen all expenses paid. They are offered freely at 26 and 27 cents and even at top price are well below the quotation for fine quality white eggs of domestic origin.

It has been several years since any eggs have been imported although small sample lots have been brought in from various places. A few Polish eggs were imported three years ago and several lots also came in from Morocco. As a rule foreign eggs are packed in big cases holding 120 dozens and are too poorly graded to be a factor.

Imports of frozen and dried eggs from China continue to arrive in somewhat larger volume than last year. While imports have not been heavy enough to be an important factor as yet, they are a threat nevertheless. So far no action has been taken in congress on the Lea bill to place an excise tax on Chinese eggs. Farm organizations have endorsed the bill.

The market for domestic eggs is being well maintained. Supplies continue light and storage holdings are building up slowly. At the same time trade output of eggs is quite satisfactory. Bakers are said to be using more than the usual amount of shell eggs.

Michigan white eggs, arriving in car lots, are selling at the top quotation for Pacific coast whites, which is 7 cents above the price of middle western mixed color firsts. These eggs are carefully graded, candled and packed before shipment.

Remodeling Of Homes In City Goes On Apace

FIFTEEN PERMITS GRANTED
BY COMMON COUNCIL IN
SINGLE SESSION

That home building and home repairs are in the minds of everybody in the Federal Housing act, was shown when the common council allowed fifteen permits, two of them for homes. John Good, who is backed by a strong committee already published in the News, states that thus far at least \$300,000.00 in building and remodeling has been brought about by this federal act. That however does not tell all of the story. Many of the permits issued had nothing whatever to do with the Home Loan Housing proposal, and nearly as many building projects are in progress over and above those started through federal aid. For instance the H. J. Heimz company is now building a \$15,000.00 addition. There is one home to be built costing \$8,000.00 and Mr. Good says that there are at the present time twelve new homes under construction in this city and that looks like old times.

It seems that everyone is redecorating interiors and outside of homes, and not a few stores and public buildings are included. There are no permits necessary for such work.

The Holland post office has just finished a paint job on the outside. Then, too, it is stated that the repairs at the Holland resorts are tremendous in volume. Many are remodeling and there are hundreds of paint jobs started or in prospect.

Mr. Good says that a complete survey of the city has been made and there are hundreds and hundreds of jobs neglected for five years that really must be taken care of, and at his office on River avenue he has a list of these prospects available for all builders and contractors to look over.

A crew of at least forty is busy on sidewalk repairing and this undertaking will take the city at least the balance of the season and then Holland will have concrete walks 100 per cent. There are also several walks to be laid by licensed contractors including stretches of new walk.

It is understood that a sewer job is to be let soon on the north side. There is also a great deal of gardening and landscaping going on and all this with our regular enterprises should make things look up for all concerned.

Below is found a list of those who are remodeling or are rebuilding passed at a single council meeting, and such lists are being allowed at every regular meeting. Here are fifteen.

STURGEON OF TREMENDOUS SIZE

A six-foot sturgeon which migrated up the AuSable river last spring to spawn, will not be returning to the waters of Lake Huron again this summer. Victim of an unknown killer, the big fish was found hidden in the brush near Foot dam, 10 miles from the mouth of the stream. Its head had been gashed by a pike pole or a bullet. The sturgeon, representative of a diminishing species of fresh-water fishes, attracted many visitors to Foot dam while it was attempting to spawn. There is a closed season on sturgeon always.

IN GRAND RAPIDS THE
SAME DAY

Improved mail service will be given to patrons in Grand Haven after July 1 whereby mail sent to Grand Rapids and Muskegon in the morning will be delivered in the afternoon and western mail will make connections in Chicago to connect with airmail service all over the country.

The Grand Rapids and Muskegon schedule is as follows: Leave Grand Rapids 9:00 a. m., arrive in Grand Haven 10:30 a. m.; leave Grand Haven at 10:33 a. m., arrive in Grand Rapids 12:05 p. m.; leave Grand Rapids 12:50 p. m., arrive in Muskegon 2:10 p. m.

NO SIGNS ALONG US-16 RE- LOCATION, SPRING LAKE AIM

Roadside signs along the right of way of US-16 relocation west of Spring Lake will be frowned on by the village council. At the request of citizens who feel the brand new pavement from the drawbridge to the business section can be made into a beautiful roadside, the council passed a resolution asking that no signs be placed.

Property owners may do as they please about allowing the signs to go up, but council members and many citizens will feel kindly toward products so advertised. The area along the right of way, rich black soil, has been graded and will be planted soon by the state highway department.

**ZEELAND HENS STRIVING

Jean and Betty, two white Leghorn hens owned by Albert Poelaker, farmer living near Overisel, have set out to establish an unofficial long distance egg laying record.

Hatched in May, 1933, the hens laid their first eggs October 1, of the same year. Since that date they have deposited more than 1,100 eggs in the nests. Neither bird has molted yet; Poelaker reports.

Bids will be opened in Washington July 23, and the contract for the building let on that date or soon after, according to communications from the department of the treasury, which is in charge of such work. The Allegan post office will be of brick with stone trim, approximately 30x62 feet, with a loading rack running at the back of the building. The entrance will be on Trowbridge street facing the court house, with the drive on Chestnut street. It is expected that if the contract is let soon after the bids are opened, the building will be ready for occupancy by December 1, when the lease on the building occupied at present expires.

GRAND HAVEN HAS HIGH ELECTRIC DEMAND

Demand for electricity has been holding steady and slight increases on various days have given the Grand Haven municipally owned plant the largest loads in its history. Harry J. Swanson, president of the board of public works, announces. The board operates the plant for the city.

The largest demand on record was Tuesday, Mr. Swanson says, when the three diesel units, each producing 800 kilowatt hours, were called up to supply 21,800 kilowatt hours of current. The three engines were operated all day the first three days this week and June 18, 21,700 kilowatt hours were consumed.

Industrial demand is holding up well, considered an excellent barometer of conditions. The board recently completed installing its third engine and is now putting in a separate cooling system, independent of the Grand Haven city water supply.

DOUBLE DOG TAX

Although not required by law to do so, County Treasurer John Stockdale is sending delinquent notices to dog owners who have neglected to pay their tax. Fees from this time on are doubled. The notices sent are designed by Treasurer Stockdale to remind those who have not paid the tax but wish to do so, that the matter must be attended to or the dogs will be shot.

Consideration of County Pay Boosts Delayed

SUPERVISORS, BY 15 TO 13
VOTE, DEFER RESTORING
SALARIES — FRED VAN
WIENEN PARK GET

Adopt Plan to Refund \$129,000 in
Covert Road Bonds to Cut Interest

A request by the Ottawa county officers, deputies and other employees of the county, that the salaries be increased to the amounts before the cuts that were made last October, was deferred until the October session by the board of supervisors yesterday afternoon by a vote of 15 to 13.

The motion to restore the salaries was introduced by Charles Lowing, Georgetown, who pointed to the increased cost of living and general raises that had been made in surrounding cities, towns and in the business world as a reason for restoration of the county salaries.

Peter Van Ark, Holland, offered a substitute motion to place the matter in the hands of the finance committee. Gerrit Bottema, Spring Lake offered a second substitute motion to table the matter until the October session.

Those who voted to defer the matter were Abel Postma, Justin Zylstra, William Havedink, Dick Smallegan, Albert Stegenga, Harry Marshall, Gerrit Bottema, Henry Slaughter, Lester W. Martin, Maynard Mohr, Peter Van Ark, William Brusse, Ray Nies, Peter Damstra and David Versake. Those opposed to the resolution were John Hassold, Hunter Herling, Charles Lowing, Frank Hendrych, Albert Hyma, George Hendveld, Frank Garbrecht, Fred Graham, K. L. Cook, Peter Kyeem, Philip Roebach, Charles E. Misner, and Cornelius Rosenraad.

Misner spoke in favor of the restoration of the salaries to the figures before the cuts were made last fall. He pointed to the report of the finance committee at that time which recommended the salaries be left the same as the two years previous. He stated at that time that the officers were given no chance to have a hearing regarding the cuts and a special committee including Maynard Mohr, Lionel Heap and John DeFree had been appointed who were determined to hack the salaries and the board supported their suggestion.

It was pointed out that the salaries of the officials of Holland had received a 10 per cent increase; that Grand Haven had raised salaries from 2 1/2 per cent to 30 per cent, and surrounding cities were doing likewise.

The officers only asked that their salaries be restored for the remainder of the year of six months, which would mean an increase in cost of \$1882 to the county. The budget would not be affected; it was shown, because in many instances the fees of the officers largely support them and in some instances, as the register of deeds office, fees more than pay the entire cost of that office.

Albert Stegenga, Olive township, opposed consideration of the matter as a last minute proposition and urged the question be taken up at the fall session.

The Ottawa county board of supervisors at the closing meeting voted to refund \$129,000 in Covert road bonds to reduce the interest charges from 5 and 1 1/4 per cent to 4 1/4 per cent, the action taken on the recommendation of the finance committee of last year which considered the matter on Feb. 11, 1935.

The bonds affected are district 9, 15, 16 and 17 bearing interest at 5, 5 1/2 and 5 3/4 per cent. The new bonds will bear interest, not to exceed 4 1/4 per cent and to mature serially and run from May 1, 1936 to May 1, 1945 to mature without option of prior payment.

The committee recommending the refund included Charles E. Misner, Albert Hyma, Henry Slaughter, Peter Damstra, and Cornelius Rosenraad.

The board adopted a resolution made by Henry Slaughter of Tallmadge requiring that the township assessment rolls be sent to the court house not later than the third Monday in June for examination by the equalization committee a week before the regular meeting of the board for the June session. This plan has been adopted in Allegan county and gives the committee members more time to devote to the work.

Fred Van Wieren, county drain commissioner of Bark township was allowed \$280 for clerk hire during the ensuing year. Mr. Van Wieren pointed to the increase in work of the office, especially this year of almost continual rain. Poor Fred needed it; his salary was cut to "nearly nothingness" when he was inducted into office.

RAINFALL IN OTTAWA COUNTY

While June was a wet month in Ottawa county with 3.81 inches of rainfall as recorded by Tappan McMahon of Grand Haven, it does not approximate the rainfall here in June, 1914, when 8.16 inches was recorded.

The precipitation in June was far above the past two years and has done much good to the farmers in the vicinity, although for a time it was feared the rains would be detrimental to the early harvesting and the strawberries.

The greatest rainfall was June 17 when 1.53 inches was recorded. On June 19 .75 inches fell and on June 18 .16 inches, which marked the wettest week of the month.
