NOT ON THE BLACK LIST

A young man and a young lady who had contemplated going into holy bonds of matrimony applied to a local justice asking him to send for the usual license to make this possible. The regular list of questions of course had to be asked by the dignified justice. How old are you? How old is the young lady? How long have you lived here? What color white or black or—upon this the young man pricked up his ears and said hurriedly "Your honor I am not on the black list and don't intend to be," while the young lady blushing chimed in saying "Mr. Justice I don't think he ever took a drink in his life."

HUGH BRADSHAW IS SUED FOR \$5,000 DAMAGES

Former House Keeper Makes Com-
plaint—Alleges Assault

Rose Mortensen, a former house-keeper of Hugh Bradshaw living on the Park road has brought a damage suit against Mr. Bradshaw for \$5000 damages. In her complaint she alleges that while keeping house for him he repeatedly assaulted her endeavoring to take indecent liberties with her. She further alleges that he obtained a marriage license and tried to cajole her into marrying him, this she refused to do. Thereupon she alleges he pointed a shot gun at her and that also in the presence of many witnesses he called her vile and indecent names. Mr. Bradshaw was arrested at his home by Sheriff Dykhuis and gave bonds signed by Nick Hofsteen to appear in the August term of circuit court when the damage suit will be tried. Diekema, Kollen & Ten Cate are the attorneys for Rose Mortensen and Visscher & Robinson will appear for Mr. Bradshaw. The case promises to be a sensational affair.

In his plea Mr. Bradshaw denies every material allegation made by Rose Mortensen.

RECEIVED MANY USEFUL AND VALUABLE GIFTS.

Greatest Regard is Shown for Mrs.
Boot by Different W. R. C.
Corps About the State

Mrs. Florence M. Boot who after acting as Dep't President of the W. R. C. of the State of Michigan laid down her burdens after an eventful year and a duty which she performed so faithfully and well, has at last stepped aside for others who are taking up the work. It is with regret that the State W. R. C. saw Mrs. Boot relieved of these duties and even efforts were made to have her continue in the work for one year more, but the rules of the State W. R. C. are that this office shall be passed around yearly, therefore there was no other alternative.

However as a tribute to her, thus showing the love and esteem in which she is held, many are the tokens which have been pouring in by mail from different corps about the state accompanied with letters of loyal friendship and well wishes. Some of the tokens which she especially prizes is a golden Past Presidents badge, given by the Department officers of the State W. R. C. Also a diamond ring presented by the Dept Aids of the same organization. Her co-workers Mrs. Mae Hiler and Mrs. Clara Elferdink State Dep't Secretary and Treasurer, both of this city presented her with a set of cut steel hairpins. Both of these ladies also deserve commendation for their efficient work in their separate departments as officers of the State W. R. C.

A beautiful sunburst pin with garnet settings was also amongst the gifts received. The local A. C. Van Raalte Post, W. R. C. was not to be out done in their showing of appreciation for the work done by these three local ladies and therefore each was presented with a set of solid silver teaspoons by the Holland Corps.

Yesterday was the fifty-third birthday of Mrs. Boot and today is the fifth birthday of her granddaughter Eunice Kramer and they are quietly celebrating the occasion today the former in reading over a shower of postal cards containing congratulatory greetings from her many friends in Michigan.

Rev. James Veneklasen, arrived home from Holland Wednesday afternoon where he has been to see his wife and young son who are with Mrs. Veneklasen's parents. Mr. Veneklasen will leave Saturday for a six weeks trip thru the southern states where he will address conventions on the work done by the young people in the Presbyterian churches throughout the country. During Mr. Veneklasen's absence, Prof. J. E. Kuzlenga of Hope College in Holland will take charge of all services in the local church.—G. H. Tribune.

DR. H. KREMERS PASSES AWAY.

DIED LAST EVENING AFTER ILL-
NESS OF SEVERAL
MONTHS.

Death Came On His Birthday Anni-
versary; Has Held Many
Offices of Trust

After a lingering illness extending over several months, Dr. Henry Kremers died last evening at his home, corner Twelfth street and Central avenue, at the age of 64 years. Dr. Kremers passed away on his birthday, having been born in Drenthe, Mich., on July 15, 1850. Death came last evening at about 9:30 o'clock. He had been rapidly failing the last few days.

Dr. Kremers was a graduate of Hope college, Preparatory Department having finished his course there in 1874. In 1876 he graduated from the medical department of the University of Michigan. He spent one year as interne in a hospital at Cleveland, Ohio. He practiced medicine in Drenthe, Mich., from 1877 to 1882, when he located in Holland where he practiced until about a year ago when he retired. For many years, he was one of the most prominent physicians in Holland.

Dr. Kremers has been intimately connected with the civic life of Holland during practically all the years that he lived here. A life-long Democrat, he was deeply interested in politics and he steadily held to his political convictions regardless of what party fortunes might bring. He was a candidate for state offices a number of times on the Democratic ticket.

He served as mayor of Holland from 1889 to 1890. Following are some of the offices of trust that he occupied during his residence in this city: Member of the Board of Education for many years; president of the Board of Education for many years; member of the Pension Board for about 25 years; president of the Pension board until about a year ago when he retired; member of the first Bonus Board that served about ten years ago; director and vice-president of the Holland Sugar Co., until the time when it was amalgamated with the St. Louis and Decatur companies; member of the organization that was back of the first transportation company whose boats plied between Holland and Chicago; director of the First State bank from the time of its organization, of which bank he was vice-president at the time of his death.

Dr. Kremers held other positions of influence and in his death the city loses a citizen who during a long lifetime gave of his time and talents freely for the welfare of the community.

On May 8, 1877, Dr. Kremers married Miss Alice Van Zwaluwenburg. He is survived by the widow and the following children: William Kremers of Decatur, Indiana; Robert E. Kremers, Portland, Oregon; Captain Ernest D. Kremers, Honolulu; Clarence H. Kremers, Kennett, California; Edward K. Kremers, Niagara Falls, N. Y. He is also survived by two sisters and two brothers: Mrs. Hilbert De Kline, of Jamestown; Miss Jennie Kremers of Holland; Lucas Kremers, of Forest Grove and the Rev. Harry Kremers, of Cedar Rapids, Iowa.

The funeral will take place Saturday afternoon at 2 o'clock from the home. The Rev. A. F. Bruske of Hope church will be in charge of the services. Interment will take place in Pilgrim Home cemetery. The pall bearers will be physician friends of the deceased. Friends are requested to omit flowers. An opportunity will be given to view the remains on Saturday from 11 to 12:30 o'clock.

DOES IT PAY TO ADVERTISE

"When a goose lays an egg," said Andrew Lang, "she just waddles off as if she was ashamed of it—because she is a goose. When a hen lays an egg—ah, she calls heaven and earth to witness it! The hen is a natural-born advertiser. Hence the demand for goose eggs, and the hen has all the business she can attend to."

A MOST INTERESTING COUNCIL

MEETING

CITY ENGINEER NABERHUIS
TRIES TO RESIGN BUT
CAN'T

Holland Will Go Into Plumbing
Business

The meeting of the common council last evening was one of the most interesting meetings held for some time and several surprises were sprung besides several important matters were put thru. The sensation of the evening was when City Engineer Henry Naberhuis, who has served the city for the past five years, handed in his resignation to the council to take effect July 22. Not any of the aldermen were aware of Mr. Naberhuis's intentions and the City Clerk did not know that Mr. Naberhuis wished to resign until he handed the resignation last evening.

Mr. Naberhuis's resignation was unanimously rejected by the council and he will not be allowed to resign although he tried hard to do so.

After the vote of the council Mr. Naberhuis asked the Mayor to refer the matter to the committee on streets and crosswalks and the committee on ways and means. This was done and ten minutes recess was granted to discuss the matter. No different conclusion could be arrived at however and the action of the council in not accepting the resignation stood.

Mr. Naberhuis called the council together in private conference after the meeting had adjourned and tried to bring them to some mutual agreement by which he could get away. He gave as his reason for wishing to resign that he wanted to start in business for himself doing contracting work. He said he has been negotiating a deal in the southern part of Florida and said if the council would not accept his resignation he would like to have two weeks vacation to finish the proposition in Florida. Alderman Prins expressed very clearly the view of the aldermen when he said that the City Engineer is just now in the midst of important work street paving etc., and that there is not another man available to step in and take up Mr. Naberhuis's work and carry out his plans as they should be. Mr. Prins stated that he did not think Naberhuis was giving the city a square deal on the proposition as he did not give sufficient notice and that he should not want to resign and leave the city in the hole after he has received all his experience at the expense of the city by doing work here. Mr. Naberhuis has a contract with the city for one year and the aldermen decided to hold him to his contract. This contract expires May 1, 1915.

Municipal Plumbing Is Plan

One of the most unusual legislative matters put through by the council for some time was the establishing of what may be called a municipal plumbing plant. Action was taken on a message from Mayor Bosch to the council in which the Mayor claimed that many people forced by the council to make sewer connections cannot stand the expense of the plumbing and that if the city do the work at cost price and furnish material at cost price it will greatly relieve the burden and it is thought many more connections will be made than is being done now. The mayor's message is as follows:

Holland, Mich., July 15, 1914.
To the Honorable the Common Council of the City of Holland, Gentlemen:

For a long time I have seen the necessity in the City of Holland for persistent effort on the part of the Council and the Board of Health to enforce connections to be made with the sanitary sewer system in the City, for the preservation of the public health. The City is well sewered, and a large percentage of the people have ready access to the system. Many have taken advantage of this, but there are still a very large number who have not, and of these many are so located that it is an absolute public necessity that they should make the necessary sewer connections with their premises.

And while I have been earnest in trying to force such connections to be made, I have been forcibly reminded in a number of instances that we were placing a burden upon many of our citizens that they could not afford. In view of this, and still believing that the necessity existed for enforcing the rules relative to such connections I have inquired into the matter and find that the cost is a burden, which in many cases seems almost unwarranted. I am convinced from my investigation that such work could be done in a way to avoid this excessive cost, and enable many who are willing to connect to do so without burdening themselves with an expense beyond all reason.

I would therefore recommend

HUDSONVILLE

Hudsonville, July 11—A quiet little wedding took place last evening at the home of Watson Stegenga, living 10 miles southeast of this place. Miss Dena Stegenga added Matthena to her name when she promised to love, cherish and nourish for the rest of her life a young gentleman named Andrew Matthena, a traveling salesman for a Milwaukee wholesale house. This wedding is the culmination of a pretty little romance that had its beginning early last fall when both Miss Stegenga and Matthena were coming east from Milwaukee on the Chicago, Milwaukee & St. Paul railroad. When Miss Stegenga entered the day coach she left her small brown grip and a reed suitcase in an alcove near the entrance to the car. Some minutes later Matthena entered and deposited his small brown grip and reed suitcase in the same alcove.

When the trains arrived in Milwaukee, Matthena hastened out, stopping a moment at the alcove to get his little brown grip and reed suitcase then he hurried out and hiked over to the Plankington hotel.

When the train arrived in Chicago, Miss Stegenga left the car after stopping at the alcove to get her little brown grip and reed suitcase. She then took a taxicab for the Grand Central depot where she purchased a seat in a parlor car on the Pere Marquette for Grand Rapids. On this car were several young ladies and gentlemen with whom Miss Dena became quite well acquainted, and when conversation seemed to lag Miss Dena took the reed suitcase to her lap in order to take an unread magazine out and thus amuse herself. Judge her horror when she threw back the lid to see a carefully folded pair of men's pajamas lying on the top. Under these were shirts, —coat shirts—ties, collars, cuffs, an extra suit of light weight clothing and a package of letters addressed to Mr. Andrew Matthena at different postoffice addresses. Closing the suitcase as quickly as she could, she with trembling hand, took up the little brown grip and inspected it suspiciously. But suspicions were

allayed when she observed a fresh-made scratch on its side. This she remembered was made near Lake Mantle but three days before. She fitted her key in the lock and it worked nicely then pushing the catch the grip flew open and revealed a gent's comb, hair brush, a box of Tuxedo, a bag of Bull Durham and a package of cigaret papers. Then came a pack of fancy playing cards, a box of poker chips, two pipes, a box containing 25 cigars, a patent lighter, a package of pictures and a leather covered flash that must have contained medicine, as it had a very peculiar smell when Miss Stegenga unscrewed the top.

Matthena tells his experience as follows:

"When I arrived at the Plankington, I met four of my friends, who are also traveling men, and after taking a friendly nip at the bar, we repaired to my room to have a friendly bout at poker. The weather was still quite warm and I had soiled my shirt front so much that I told the boys to amuse themselves until I could don a fresh shirt. I threw my reed suitcase upon the bed and opened to find a fresh shirt. Well, it would have choked you to have seen me and my companions as I hauled out skirts, shirt-waists, ruffled and laced lingerie, corsets, hose and other articles too numerous and comical to mention. The little brown grip that was supposed to contain my smoking material, cards and poker chips and pask was found to contain brush, comb, power puffs, cosmetics, nail brush and numerous appliances for the beautifying the female form divine. In the pocket of the grip were calling cards and a few letters on which was the name of Miss Dena M. Stegenga, Byron Center, Mich., R. R. 60.

Three days later I received this dispatch:

"Your baggage is now on its way to you in Milwaukee. Please send mine to this address.

"Miss Dena Stegenga."

I expressed her baggage and at the same time sent her a letter.

"That opened a correspondence which has, as you see, resulted in the happiness of both of us. I feel it is well worth the trouble and all the guying I received from my chums."

HOLLAND TOWN

A son-in-law of Mr. and Mrs. Davis of Dayton, Ohio, who are camping on the North Side cut his wrist open with a sickle when cutting grass Wednesday. The sickle made a bad gash and severed the cords of the wrist, allowing the hand to fall back. Dr. Tuttle attended him.

The Pasteurized Milk company located on the park road has changed hands. E. R. Brakesman who organized the company several months ago has sold out to G. R. Kinney and J. B. Pearson, both of Grand Rapids, who have had considerable experience in the business and who expect to conduct a model plant. The company will hereafter be known as the Kinney & Pearson Pasteurized Milk company. The new firm will supply customers at the resorts and they are working up a good business.

Mrs. Frank Webber of the North Side was seized with a fainting spell while on an interurban car Wednesday. She fainted while the car was passing through Zeeland and was still in a faint when removed from the car at the interurban station in this city. Dr. Tuttle attended her and brought her to. She was then taken to her home.

A pretty July wedding took place Thursday afternoon at five o'clock when Miss Josie Henrietta Plagemars and Edward Huibregtse were united in marriage by the Rev. J. Van Peursem at the home of the bride's parents, Mr. and Mrs. John Plagemars, northeast of the city. The ceremony took place in the presence of the immediate relatives and a few friends. They were attended by Mr. Edwin and Miss Elsie Plagemars, brother and sister of the bride. Mr. and Mrs. W. G. Horton furnished the music as the bridal party entered and during the congratulations. After the ceremony a bountiful wedding supper was served by the cousins of the bride.

The out-of-town guests were the groom's parents, Mr. and Mrs. Joe Huibregtse, Mr. and Mrs. John Smies and Mr. and Mrs. Daniel Orlebeke of Oostburg, Wis., Mr. and Mrs. W. G. Horton and the Misses Anna Van Dommelen, Ada Hartigh, Marie Schmidt and Florence Williams of Grand Rapids, the Rev. Jean A. Vis of New Sherop, Ia., and the Rev. and Mrs. Benjamin Wynveen of Harlem, Mich.

Mr. and Mrs. Huibregtse left Friday afternoon for a short visit with their friends and relatives in Wisconsin before leaving for their future home in Eddyville, Ia., where

Mr. Huibregtse will be installed as pastor of the Reformed church.

Thursday afternoon forty ladies enjoyed the hospitality of Mr. and Mrs. Daniel Bertsch at their home on the park road. The occasion was the business meeting of the Ladies Aid society of the local M. E. church. The president, Mrs. A. E. McClellan, presided over the meeting and Mrs. Verwey had charge of the devotions. After the meeting dainty refreshments were served by the host and hostess and the remainder of the afternoon was spent in strolling about the beautiful grounds.

Arrangements were made Friday morning by Mayor Bosch, City Attorney Van Duren, Street Commissioner Naberhuis and the members of the Holland township board, at a joint meeting, to improve the stretch of road from West 16th St. to the stone road that has been built on the park road by the county road commissioners. This bit of road is perhaps the worst of any stretch of highway anywhere near the city. Sixteenth street is in good condition almost up to the spot where the road begins to turn and from there on it is so sandy and so full of bad holes that many automobilists find it hard to get through it. The city and the township will stand the expense of improving this bit of highway jointly. Work on the job will begin tomorrow. The road will be constructed of coarse stone and a filling of smaller stone will be added to pack it. The street will be sixteen feet wide.

The improvement of this road will make that one of the finest exits from the city. It is not impossible that similar steps will be taken for the improvement of the east end of Sixteenth street, from Lincoln avenue to the fair grounds. This is another important exit from the city and is in very poor condition. No definite steps for this have however yet been taken.

NEW HOLLAND

The two miles of grading and graveling of the New Holland road was let last week Wednesday. The first mile south of the New Holland corners was let to Mr. Kopenka of East 16 street both grading and graveling. Mr. Walter Bos of New Haven took the second mile. Both jobs are to be finished by the first of November.

Mr. John J. Smith sold one of his working horses to a party in Grand Haven for \$250 the horse weighed 1500 pounds.

Mr. and Mrs. Simon Bos of Holland spent the fourth at the home of her parents Mr. and Mrs. J. C. Dykema.

Dr. and Mrs. Vanden Berg spent the fourth at the home of Mr. and Mrs. Dinkelo at Holland.

Mr. and Mrs. Isaac Houting drove to Holland last week Saturday.

Mr. Berend Bosman aged 80 years is confined to his home on account of sickness but his recovery is look for.

Mr. A. DeKroft and daughter Lulo and Barto Underhill of Grand Rapids call on Dr. and Mrs. Vanden Berg last week Saturday.

After Holland township board gets through looking after the base ball players they might on their way back take a look at the dead man's curve and see to it that it is made safe not alone for automobiles but for all rigs and not wait until an accident has taken place. Holland Township I think might be held liable in case of an accident.

Rev. Wyngaarden of Crisp who has been infected with the autogerm has taken treatment is now on his way to recovery.

FENNVILLE

The Holland Walk Overs of the Allegan and Ottawa County league went to Fennville Saturday and were defeated in a hard fought game 5 to 4. The Holland team has made a name for itself at Fennville on account of their hard playing. The fans always know what to expect when Fennville and Holland get together, a fight from start to finish.

Next Saturday Holland plays Douglas and the following Saturday Douglas plays at Holland. This will be the first game Holland plays at home and the team hopes to get good support from the fans. On the first of August Holland plays Zeeland at Holland. Batteries for Saturday's game will be Fennville, Johnson and Johnson; Holland, Overweg, Scherhorn and Rosendahl.

The Holland team has been strengthened a great deal. A new third baseman and one new pitcher have been added. Both new players showed up well in their first game Saturday.

The Zeeland and Fennville teams were successful Saturday afternoon in the Ottawa and Allegan league games. Zeeland defeated Douglas 15 to 5 and Fennville defeated Holland 5 to 4.

MACATAWA

The Rev. Jasper Hughes was released and told "to sin no more," to quote Mr. Hughes, when he appeared before Justice Miles to hear the verdict against him on a charge of malicious destruction of property. Mr.

Hughes was found guilty of the charge but on account of other circumstances in the case he was released.

Mr. Hughes was arrested some time ago on complaint of S. W. Miller, president of the Macatawa Park association, who charged him with breaking some water mains in the park with an axe. Mr. Hughes admitted the act but said that he felt in the right as the water supply had been shut off from his daughter's cottage on Wishawaka Ave., by the Park association.

Christian Science services at the former Woman's Literary Club hall have been discontinued during the months of July and August but will be held every Sunday during the summer months at the Auditorium at Macatawa Park.

CRISP

William Kruthoff of Crisp was seriously injured Thursday in a runaway accident while driving to Harlem. Mr. Kruthoff is sixty-five years of age and on account of his advanced age his recovery will be slow. Friday morning he was doing nicely and unless complications set in from internal injuries he will recover.

Mr. Kruthoff's horse was frightened by a passing interurban car and ran away. The sudden jerk tipped over the seat and spilled Mr. Kruthoff in the road. In some way his feet became entangled in the reins and he was dragged for quite a distance. When picked up he was unconscious and bruised from head to foot.

Tuesday the board appointed by the state fair association to select a school boy from Ottawa county who will be the guest of the fair in Detroit in the fall met at Coopersville to decide on the winner. The board is composed of County school Commissioner N. R. Stanton, Master of Grange, Fred Spencer of Crocker, and the Secretary of the Ottawa County Farmer's Institute, John Parks, Jr., of Wright.

One boy will be selected from 26 applicants for the prize. The boy must be between the ages of 12 and 18. His selection will be based on his standing in the regular eighth grade examination, held last spring, and on his standing in a special examination in which twenty questions were asked in regard to agriculture. Each set counts 50 per cent.

The choice is made by number so that no partiality can be shown. The name of the lucky youth has not yet been made public.

DRENTHE

Mr. and Mrs. R. Vis left for a trip to Iowa and expect to spend a couple of months with their relatives.

Miss Jennie Vis has returned home from Big Rapids, after attending school at the Ferris Institute the past year.

Rev. N. Boer from Paterson N. J., is spending his vacation at the home of his father, Mr. K. Boer.

Gerrit Boerman has purchased a Ford, and has made several trips through various parts of the country.

WEST OLIVE

W. J. Bobcock of Chicago who has been spending several weeks in northern Michigan arrived here Wednesday on a visit with his brother Charles Bobcock and family. He recently returned from Florida where he spent the winter.

Carl Ebel one of our oldest farmers is very sick from cancer of the stomach. He has been a resident of this township about forty years and is 72 years old.

Mr. and Mrs. Emil Klumpel and Mrs. Tena Behm of Grand Haven visited relatives here last week.

Charles Tuttle was in Holland Wednesday on business.

Rev. W. W. Vork of Grand Rapids is visiting his son William Vork in Robinson township.

Good roads seem to be the latest improvement of particular importance. When an electric line is built through here from Holland to Grand Haven we hope that it will prove the means of booming Port Sheldon as a summer resort.

William Schnase of Chicago is visiting his sister Mrs. Minnie Schreiber.

C. Lyons of Port Sheldon was a visitor last week.

Chas. Babcock was taken sick while at work on Rork's ranch in Robinson township but is recovering. Mrs. Dr. Smith is visiting her daughter Mr. F. Conlardot of Fort Wayne, Ind.

Crops are looking well at present and huckleberries are ripe.

FENNVILLE

John Weaver, our village marshal while loading a large basket of bread from the depot platform upon his dray wagon Wednesday, the handle to the basket gave way and Mr. Weaver fell backward a distance of six feet, striking on his head and hip. He was taken home in an automobile, and is unable to move although no bones were broken. He appears to be in a paralyzed condition.

Owners of large cherry orchards and currant fields in this vicinity are having a hard time to get pickers. A hundred men and girls could have employment and good wages here at this time. There are some that prefer to hold down a dry goods box.

GRAAFSCHAP

A very delightful moonlight party was pulled off at the home of Marie Damson on Graafschap road. The object of the party of moon beams was Miss Elsie Groosshiem who is the guest of the Damsons and in whose honor the festivity was given. The lawn was beautifully decorated for the occasion and a pleasant evening was enjoyed with outdoor games. A spread was served on the green sward and the guests present voted the hostess a royal entertainer. Those who were present at the lawn fete were: The Misses, Elsie Groosshiem, Margarette Zanting, Maude Rockwell Morgone Nicholas, Gertrude Lugers, Margarette Damson, Edna Damson, Marglen Massa, Johanna Damson, and the Messers Geo. Ekardt, Elvan St. Clair, Georg Klipp, Charles Cobb, John Wiggers, Dick Brondyke, Peter Steinfeld, Tony Van Dine, Richard Stoucks, Edward Damson. Mrs. F. Damson looked after the good things for the party.

Miss Jennie Johnson is visiting Mr. and Mrs. Peter Achterhof.

The Misses Anna and Ella Oosting of Reed City have visit their uncle and aunt Mr. and Mrs. Ben Scholten.

Miss Nellie Hartger of Grand Rapids has been visiting relatives here.

Collection of TAXES

To the Tax Payers of the City of Holland:

Notice is Hereby Given—That the City Tax Rolls of the several Wards of the City of Holland have been delivered to me for the Collection of Taxes therein levied, and that said taxes can be paid to me, at my office, in the City Hall, Cor. River Ave. and 11th St., at any time on or before the

15th Day of August next

without any charge for collection, but that four per cent collection fee will be charged and collected upon all taxes paid between the fifteenth day of August and the first day of September next.

All taxes not paid on or before the first day of September, shall be re-assessed upon the General Tax Roll for payment and collection. To all such there shall be added for interest the sum of four per cent to cover from September first to January first next thereafter, and a collection fee of four per cent.

I shall be at my office on every week day from the first Monday in July to and including the eighth day of August, between the hours of 8:30 a. m. and 5:00 p. m. and on Tuesdays and Saturdays until 8:30 p. m. And from the tenth to the fifteenth day of August, between the hours of 8:30 a. m. and 8:30 p. m., to receive payment of such taxes as are offered me.

CITY TREASURER

HOBO RIOT AT WAVERLY RESULTS IN ARREST OF SIX; GREWSOME STORIES TOLD.

ONE HAS ARTERY CUT; ONE RECEIVES UGLY WOUND ACROSS RIBS; ONE CAME NEAR DROWNING

The Jungles, Scene of Many Another Drunken Brawl, Came Very Near Being the Scene of Tripple Tragedy

A near-drowning and two near-murders resulted from the congregating of tramps in the Jungles at Waverly Monday afternoon. About twenty-five of the Knights of the Road have been spending the weekend at Hobo's Resort at Waverly and they still lingered there Monday when three deaths were narrowly averted. As it is one man is very seriously wounded, having received a deep gash with a knife or razor, the wound extending from his back right along his ribs to a spot near the heart. So deep is the wound that the ribs were laid bare by it. Another man has his wrist cut with a knife or razor so that an artery was severed. His life was saved by the effective work of railroad men at the P. M. round house and the efforts of Dr. Cook and Dr. Boot who were summoned from this city. The man who came near drowning was saved by railroad men after his drunken companions had ducked him in the river so often that he was completely exhausted. The men who figured in the incident are:

Robert Paulsen of Chicago, ducked into the river a number of times.

Frank Smith of Henderson, Ky., artery cut; lost a great deal of blood.

Tom Collens of Milwaukee, received deep flesh wound across his body.

Six men were gathered in by the police and sheriff's force Monday night including the three who were the victims of the gang. These men slept in the city jail over night. They are Charles Bracelin of Philadelphia; James McCann of Syracuse, N. Y.; Tom Collens, of Milwaukee; Frank Smith of Henderson, Ky.; Robert Paulsen of Chicago; and Daniel McIntyre of Pearle, Mich.

The story told by the prisoners is rather fragmentary and the officers are at a loss to know whether they have the exact truth about the matter or not. According to the story of the men themselves about 25 of them collected in the Jungles over Sunday and Monday something of a civil war arose among them. From some of the reports it appears as though the riot was half in fun and half serious, while others appear to feel that it was all in dead earnest.

It is believed, however that the whole trouble started, as things of that nature usually start, in half-good-natured deviltry. However the element of danger entered from the fact that some of the gang were the worse for a large quantity of clear alcohol that they had consumed. A number of these started things by throwing members of the gang into the river. This seems to have been done at first in the nature of a joke. One man, for instance, had slept in a coal car and had collected so much coal dust that his companions decided that he was not respectable enough in appearance to consort with them. So they proceeded to give him a bath.

Paulsen was another of the victims thrown into the river. It seems that in his case a good deal of malice was mixed with the mere desire won the ill-will of his companions, and each time he tried to climb out of the river he was ducked under the water again until he was on the point of drowning. At this stage of the game two railroad employees appeared on the scene and they rescued the tramp. He was so much exhausted however, that a few more duckings would have finished him.

Paulsen appeared before a local justice a few days ago on the charge of using indecent language in the presence of women. He was then fined and sent out of town. It appears that he was more neatly clothed than the average hobo and his companions resented this. They took off his shirt, trousers, coat and shoes and substituted for each article of clothing the regulation tramp apparel with holes and patches.

A kind of free-for-all fight seems to have taken place later in the day and it was during this affair that Frank Smith received the knife wound that severed his artery. He ran to the round house and that saved his life. The local police were notified of the trouble and when the officers arrived they found Tom Collens lying in a box car. Believing

that he was drunk, they tried to rouse him, but on touching him the officers felt the warm blood that had saturated his clothing. On closer examination it was found that he had received a cut that extended from his back, under through his arm to his breast.

Who of the gang did the slashing with the knife or razor is hard to determine. Most of the gang were so dead drunk with alcohol when the trouble occurred that not much reliance can be placed in their stories.

Smith declares that he received the gash in his arm because he attempted to save another man's life. According to Smith's story one member of the gang had stolen some money and some clothes from another member. The robbed man pursued the thief and in the fight that followed the thief got the other man down. He was bending over him with an open razor and, Smith says, was about to cut his victim's throat, when he, Smith jumped into the fray and prevented the murder. In doing this, however, his artery was cut so that he nearly lost his life.

"See what I got," he said holding up his arm, "and all for trying to save another man's life. And for that I get pinched."

Tuesday the participants in the fight were arraigned in Justice court on vagrancy and drunk charges and given small sentences in the county jail. The men said they did not know who did the cutting, altho in some cases it was certain they lied. Smith made the statement that everybody saw the cutting but nobody knew who did it. "Nobody meant any harm," he said Monday just after submitting to having a few stitches taken in his wrist. He then sang an unintelligible song with a rollicking tune and afterwards recited, "The face on the Bar Room Floor," in full. Collens was told jokingly Monday that he would die, to which he answered, "Not by a d— sight, will I die. I'll live to get even with the man that gave me this cut." When asked who did it he said he did not know. Tuesday night Collens' condition was much worse and Justice Robinson went to the jail to take his plea. He pleaded guilty to a charge of vagrancy and was sentenced to fifteen days in the county jail. Unless severe fever sets in he will recover. Smith was given ten days in the county jail when arraigned before Justice Sooy on a charge of vagrancy. Daniel McIntyre was given thirty days, when arraigned before Justice Robinson on a similar charge. McIntyre said that he has been on the road hoboeing for the past twenty years. It was he that was first suspected of doing the slashing. This is not his first visit in Grand Haven as he was sent up by Justice Robinson for 15 days on June 25. Charles Bracelin and Jas. McCann were both sentenced to 15 days in the county jail when arraigned before Justice Miles. These men were all taken to Grand Haven Tuesday noon.

Robert Paulsen picked up as a suspect Monday night, who at first told who did the cutting but Tuesday morning claimed he was not there when the cutting took place, was let go as he was afraid the bunch would 'lay for him' after he got out.

CAN BAD CONDITIONS AT WAVERLY BE LAID AT DOOR OF COUNTY BOARD.

Those Are Questions Being Asked By Those Who Want More Protection Against Hoboes

Is the Ottawa County Board of Supervisors to blame for the fact that conditions can exist at the Jungles at Waverly such as were shown to exist there the other night when the drunken hoboes came very near to committing murder? That is a question that is being asked by some who claim to be familiar with the police situation in Ottawa county. That the existence of such conditions can be laid at the door of the supervisors is asserted by some. It is claimed that the board has been in the habit of slashing the bills of the officers of the sheriff's force so consistently that the initiative has been taken away from the deputies to do individual work in keeping the hoboes cleaned. It is said that many a time deputies have been doing a great deal of trouble and then when their bills were presented in the usual way they were cut down a great deal. This, it is declared, has had the effect of giving the deputies the "I didn't care spirit," so that they have not been on the lookout for hoboes in the jungles. And Waverly having been left almost entirely without protection, the knights of the road have been gathering there

this spring and have become more riotous right along, since they found that they were not being molested.

The Ottawa County Board of Supervisors has an auditing committee, composed this year of Supervisors Hubbard of Georgetown, Luidens of Olive township, and Rycenga of Grand Haven city. This committee goes over all bills that are presented and either approves them or cuts them down. Their report is then presented to the supervisors and for the most part the supervisors pass the report. This is the usual procedure in most legislative bodies. The committee is presumed to go into the merits of the bills carefully and when they make cuts they are presumed to know more about the reasons for doing so than the members of the board who have not gone into the matter.

It is pointed out however that not a single one of the auditing committee is personally acquainted with the conditions here since not a single one lives here. And it is further pointed out that the fact cannot be denied that Waverly is not getting the attention that it should get. The riot a few days ago, was not the only one that took place there this spring. Very recently a citizen was held up by hoboes there and was robbed of his tobacco, and there have been other minor depredations. The hoboes are a constant source of trouble to the railroad company. The company is practically powerless against them because of the fact that the tramps are for the most part irresponsible and have it in their power to do untold damage to the property of the company in retaliation for any prosecution on the part of the road directly.

The charge is not made that either the auditing committee or the Board of Supervisors, in cutting the bills, are doing anything beyond their just powers. There may be very good reason for all the cuts that have been made. The committee is presumed to be in possession of all necessary facts and is presumed to make cuts only in cases where the facts authorize such cuts. But the fact remains that Waverly and this part of the county are not getting the protection against hoboes that they ought to have and the cuts made by the board in officers' bill are suggested as a possible reason for the condition.

Holland has a deep interest in seeing to it that the Jungles at Waverly are well protected. Murders and riots within a quarter of a mile from the city limits do not serve to increase the city's reputation for effective government. In all the state papers the stories about the hobo troubles bear a Holland date line and the impression naturally get out that this city is at fault. For that reason it is very likely that steps will be taken by organizations in Holland to learn all the facts and to find out from the board of supervisors whether some more effective measure cannot be taken to keep Waverly clear of hoboes.

A year or two ago the Jungles were cleaned out and for a time the tramps did not congregate there. But during the past year more and more of them have gotten into the habit of gathering there until at the present conditions are about as bad as they ever were. The cleaning up two or three years ago was the result of a murder, in which the murderer was never brought to justice. This time the actual murder did not take place, but it is likely that the riot of Monday will result in another cleaning up of the Jungles.

MICHIGAN LETTER CARRIERS TO BE ASKED TO HOLD CONVENTION IN HOLLAND

The annual meeting of the South Ottawa Rural Letter Carriers Association was held Tuesday night in the Y. M. C. A. rooms. The principal business of the meeting was the selection of delegates to the State convention to be held in Detroit, July 21 and 22. It was decided to send three delegates, one from Holland, one from Zeeland and one from Hudsonville. John Brinkman was selected as delegate from this city with Gerrit Rutgers as alternate.

It was resolved to invite the State convention to come to Holland in 1915 and the delegates were instructed to use their efforts toward that end.

The election of officers was deferred to an adjourned meeting to be held after the state convention. Last night's meeting was enthusiastic and well attended.

TWO HOBOES WERE SENTENCED YESTERDAY TO WORK ON STREET—ONE COMPLETES SENTENCE TODAY

They Are Doing Good Work So Far

Two more hoboes were added to the street gang yesterday when Frank Clark was sentenced to five days in the city jail at hard labor, when arraigned before Justice Sooy on charge of drunkenness and Steve Price was sentenced to four days in the city jail at hard labor when arraigned before Justice Robinson on a charge of drunkenness. These men were put to work by City Engineer Naberhuis yesterday.

Two hoboes have been working faithfully with the street gang for the past two days and now Mr. Naberhuis has four extra laborers. One of the gang completes his road sentence yesterday and will be released. The other has two days more to serve.

CURIOUS FESTIVAL TO BE HELD AT MACATAWA BAY YACHT CLUB.

Tomorrow will be Italian day at the Macatawa Bay Yacht club. An Italian fete will be held at the club house and in the club gardens. An Italian band will be there from Chicago, all the dishes will be Italian and cooked in Italian style, in little receptacles among the guests so that all can see how the food is prepared. The work will be done by a corps of Italian cooks brought from Chicago especially for this occasion.

Recently the following entertained parties at the yacht club: C. E. Thompson, A. Vanden Berg, Grand Rapids Herald, Charles Phelps, C. A. Floyd, and W. H. Miller of Marshall Field & Co., of Chicago.

FAIR EXCHANGE IS NO ROBBERY THIEF LEFT IT AND TOOK ANOTHER BICYCLE IN ITS PLACE.

Because he did not seem to like the bicycle he had stolen and preferred a higher priced wheel a thief who has not yet been apprehended left the bicycle taken from the home of Tony Weirda, East 19th street at the home of George Deur, 14 West Eighteenth street and took Deur's wheel instead. The home of Mr. Deur is separated from the Weirda home by an alley and the thief seems to have passed through this lane. The wheel of Mr. Deur is a high priced one and the one left in its place is of less value.

There was a good deal of disturbance in that section of the city Sunday. Screens were pried open and various other minor depredations made. The matter has been reported to the police.

CHAUTAUQUA COMMITTEE DECORATE STREETS

Pennants and Banners Are Displayed in Business District

Pennants and banners of many colors advertising the Chautauqua which commences its program in Holland a week from Monday, have been hung across 8th street and also River avenue. The business men backing the Chautauqua are now beginning to advertise the big tent entertainments in a spirited manner and it is has now become a theme of general discussion.

HOLLAND'S NEW BAND SCHEDULED TO APPEAR AT THE CHAUTAUQUA MEETINGS HERE

The Holland band, that is still comparatively new although the boys have had a great deal of practice and are becoming good musicians, has been scheduled to play at the chautauqua meetings week after next. This will be practically the first appearance of the band in Holland.

Simon Kleyn to Try for Nomination for State Representative. On The Progressive Ticket

Another Holland citizen has entered the race for nomination to the office of state representative from the First District. The newest candidate for whom petitions are being circulated is Simon Kleyn of this city who will make the race for nomination on the Progressive ticket. Petitions have previously been circulated for John De Koeyer and there will hence be two candidates for this office on the Progressive ticket.

The Successful Members of the Board of Education

HENRY GEERLINGS

Henry Geerlings, Fred Beeuwkes and Mrs. Geo. Kollen were elected as members of the school board Monday in an election in which more votes were cast than ever before in a school election with a single exception. The total number of votes cast was 730. The vote for the various candidates was as follows: Geerlings, 660; Beeuwkes, 408; Mrs. Kollen, 384; Mersen, 296; Kooiker, 220; Pelgrim, 152. One hundred and eighty eight women voted.

Henry Geerlings the only member

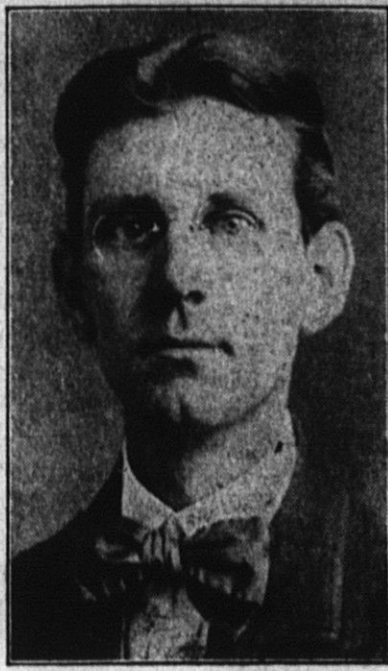

MRS. GEORGE KOLLEN

of the Board up for re-election got all but 74 of the votes cast which shows the great confidence the people have in his ability.

Mrs. Kollens is the first woman ever elected to public office in Holland and considering the anti-suffrage sentiment in Holland her election is rather remarkable and she deserves great credit for her splendid showing.

The large vote cast for Mr. Beeuwkes is a splendid tribute to his standing in the community.

The new board of education met

FRED BEEUWKES

last evening for the purpose of organizing. Isaac Marsilje was elected president; B. Steketee, vice-president; Henry Geerlings, secretary.

The following committee were appointed for the ensuing year.

Teachers—Geerlings, Knooihuizen and Kollen; Scholts—Leenhouts, Brouwer and Steketee; Ways and Means—Brouwer and Dyke; Claims and Accounts—Dyke, Beeuwkes and Marsilje.

(Continued From First Page)

that the City of Holland, for the preservation of the public health, undertake to make the necessary sewer connections, and sanitary installations, whenever requested so to do by a property owner in the city, and that to this end the Board of Public Works be directed to prepare the necessary means for doing such work, and furnishing the materials therefor, and that the same shall be done as near as possible to actual cost, in accordance with the true intent of municipal ownership, and municipal control.

It is not my intention that the City should go into repair work, or in adding to work already in, but only for the installation of such new work as is necessary to give the proper sanitary connections to the property of persons who have not now such necessary sanitary connections and appliances.

Respectfully submitted,
NICODEMUS BOSCH,

Mayor.

The message was followed by a motion by Alderman Congleton adopting the Mayor's plan which is herewith printed:

By Alderman Congleton,
Resolved, That the message of the Mayor be accepted and the recommendations therein contained be adopted; and further,

Resolved, That the Board of Public Works be and hereby are directed to prepare the necessary means for furnishing the materials and doing the work necessary for the installation of sanitary connections to the sewer system in the City of Holland, for those who have not now such connections, and that the same shall be furnished and done as near as possible to actual cost.

Alderman King said that the message met with his hearty support but he made one recommendation which will very probably be followed out by the Board of Public Works. He recommended that the people be allowed to make payments on the installment plan.

Aldermen Vander Ven, Kammeraad and Steketee voted against the proposition when it was put to a vote but all three expressed themselves as not against the proposition but wished to have time to consider the matter and investigate before voting. They all claimed the proposition was new to them and that they did not know anything about it until last evening.

Stone Asks To Move

Mr. Stone of Grand Haven who was granted a license to operate a saloon in the Kuite buildings on East Eighth Street near the depot at the last meeting of the council petitioned the council last night to change his location from 200 East Eighth Street to 190 East Eighth Street. He said the building he wished to move was much better than the other. The council however was not satisfied that he had made satisfactory arrangements with Mr. Kuite so allowed the change providing the license committee finds his case to be as he stated it.

Otto Kramer On Committee

The resignation of John Kelley from the committee of citizens to have charge of the funds collected by contribution to defray the expenses of the poor families on North River Avenue who cannot afford to stand the expense of paving, was accepted and Otto Kramer was appointed in his place. Mr. Kelley gave as his reason that his business was such that he could not spare the time.

Fence Up Back Yard

On recommendation of Alderman Vander Hill the council last night ordered a lattice fence to be built around the back yard of the city hall. Mr. Vander Hill stated that often the back yard is full of boxes and other things which certainly do not add to the beauty of the place but cannot be prevented. The fence

will hide these from view and although as one alderman said the fence will certainly not be a pretty affair it will be better than rubbish.

VanderWater License Still Doubtful

The license committee reported last night that some information had come to their notice in regards to granting a license to William Vander Water to operate a saloon in the Harrington building, East Eighth Street and that the committee would like some time to look up the matter. A recess was granted the committee to do the work but nothing could be accomplished. On motion of alderman King a special meeting will be held Monday night to decide whether or not to give Mr. Vander Water a license.

Swimming Hole At King's Dock

The special committee appointed some time ago to investigate with a view of fixing up a swimming pool for boys reported last night that near King's dock was the best place for a swimming hole but that the committee would not recommend to encourage swimming in Black Lake as the water is too filthy and dirty. Others took the stand that as long as boys were swimming there anyway they should be given some protection and the council voted to put in spiles and rope off a swimming hole at this place at a cost not to exceed \$75.

Ask For State Companies to Connect

On recommendation of alderman Congleton the council last night instructed the City Attorney to take necessary steps to have the Citizen's Telephone Co., which is generally used in Holland and the Michigan State Telephone Company, which is used extensively in other cities of Michigan, to make connections so that a person can talk to anyone in another city using a different phone and not having the citizens phone.

Enforce Ordinance

The council last night decided to have the Board of Police and Fire Commissioners strictly enforce the ordinance against motorcycles and automobiles running with their cut outs open. Several complaints have been made especially against motorcycles for making unnecessary noise. When the question was put to a vote all voted in favor of enforcing the ordinance with the exception of alderman Prins who said, "Let them make all the noise they want to, what harm does that do."

No Gasoline Tanks In Streets

The council decided last evening that no gasoline tanks will be allowed to be put outside of the sidewalk in the street. Mr. Stephens petitioned the council to put a tank in the street in front of his store saying the tank is buried in the ground and nothing is above ground but the pump. His request however was rejected as others have been refused the same request on the grounds that it is an obstruction and that it is dangerous.

King Wants Sewage Disposal

Ald. King, chairman of the committee on Sewers, Drains and Water courses was very much forward in his protest for proper sewage disposal last evening and he rang in his subject several different times saying that the system of dumping sewage in the lake is wrong. He said that it makes that first, third and fifth wards healthy by dumping the refuse in the second and fourth wards. He said it is because we do not take proper care of our refuse that it is not fit to swim in Black Lake.

Mr. King is endeavoring to have the city install a fertilizing plant or provide some other means of taking care of the sewage than by dumping it in the lake.

Items Of Interest

Last Bros. were awarded the contract for the building of the curb and gutter along North River Ave-

nue and Van Kampen was awarded the contract of grading the street. These men were the lowest bidders.

The committee on streets and crossings, the mayor and the city engineer on request of the committee on Streets and Crossings was granted permission to investigate the matter of purchasing a street flusher, full import of which was given in last week's News.

The sum of \$110.50 was spent for temporary aid during the past two weeks.

Week after next the aldermen will make a trip through the city to determine where street lights are needed and it is very likely that several lights will be put in.

The request of City Attorney that he take a ten days vacation commencing Monday was granted.

No objections were made against the grading of 22nd street between Central and Columbia Avenues and the council last night ordered the work to be done.

The following are the gas tests for the past two weeks: number of tests, 32; highest, 638; lowest, 563 average 595.2. There was 23 tests below 600.

On motion of alderman King in the future the council will receive a report on the inspection of weights and measures each month.

POLICE DEPARTMENT TAKES A

AGERSHIP OF MILLING
COMPANY

Rather Interesting Scene When Both
Men Try to Occupy the
Same Place.

A police officer was called for yesterday presumably to prevent trouble when two men tried to occupy at the same time the office of manager of the Van Eyck-Werding Milling Co. At a meeting of the directors of the company Tuesday night H. E. Van Kampen was appointed as manager, to take the place of H. Holkeboer. Holkeboer however claims that he has a contract which entitled him to the office for some time to come and he refused to give up the place. He was on hand in the office at six o'clock this morning and he occupied the manager's chair when the newly elected manager arrived on the scene.

Naturally the scene was a rather interesting one and still more lively developments were looked for when the police department was called into the matter. An officer was immediately sent over to the place and he was on hand a large part of the day looking pleasant and trying as best he could to dispel the clouds that seemed to obscure the atmosphere of the office. Van Kampen was engaged in looking over some office papers when a reporter for the Sentinel called at the office and Holkeboer was busy at the tall office desk. Off hand, judging from outward appearances it could not be told who was the manager, and both claimed to have the honor. It is likely that both will hang on until some legal steps have been taken to determine the actual state of affairs.

BLACK LISTERS WILL REMAIN
ON LIST ONE YEAR AFTER
THIS.

BOYS MUST PAY FOR BROKEN
WINDOWS

The Board of Police and Fire Commissioners held a very important meeting Monday night and much business was accomplished. Perhaps the most important action taken was the strengthening of the Black list in that, any person placed on the list from now on cannot have their name removed under any circumstances for at least one year and after that a strenuous line of red tape must be gone through before the name can be removed. This action was taken on motion of commissioner Mulder and it met with a hearty endorsement of the members of the Board.

Herman Woltman's name was removed from the Black list by the commissioners and Mayor Bosch affixed his signature to the petition at the meeting. Woltman was placed on the list by the Mayor just as saloons came in and as a result he lost his deputy sheriff job and his constable star was demanded by the Mayor.

Four petitions to have names removed from the Black list were rejected outright and three petitions were put over until the next meeting.

Chief of Police Van Ry reported that he has rounded up forty boys for breaking windows in the Dearborn factory building and had obtained confessions from twenty-two of them. On motion of commissioner Mulder the Board turned the matter over to City Attorney Van Duren with instructions to collect the actual cost of replacing the windows and expense of rounding up the boys from the parents of the boys or to prosecute the parents. The oldest of the boys is fourteen.

Nearly every window in the Dearborn plant has been destroyed including several large plate glass windows. The boys used the windows as targets to throw stones at and some of the boys confessed to shooting guns at them. Other factories have suffered in similar manner from this like show of vandalism and in the future like cases will be more severely dealt with.

The Board, on recommendation of commissioner Van Dommelen, decided to enforce traffic ordinances more rigidly than has been the case. Many complaints have been made against slow moving vehicles driving in the center of the street when the ordinance says they must drive next to the curb. Complaints have also been made against people not tying their horses close to the curb and keeping to the right side of the street when driving.

Mr. Van Dommelen also called attention of the commissioner to the fact that young boys and girls are in the habit of walking the streets and action may be taken to prohibit this as much as possible. The curfew will be strictly enforced and possibly more stringent measures will be taken.

Chief of Police Van Ry, on recommendation of the Board, has notified the Holland Interurban Co. to run their cars slower through the city and keep within the speed limit or

arrests will be made. The Zeeland officials are also getting after the Interurban for running fast cars through the city.

Three large photos of fire trucks were submitted to the Board for consideration by the Harwood-Barley Mfg. Co., of Marlon, Ind. The photos were brought here by Commissioner Brusse who seen one of the trucks in Marlon and said that the fire department there has spent but \$1.50 on the truck in four months. No action was taken as to the matter of buying a truck is still in the hands of a committee.

OTTAWA COUNTY HAS 4608
FARMS

Have More Than Most of the Counties in Western Michigan

The Western Michigan Development Bureau has for its motto "A Farmer for Every Forty." This ideal has not yet by any means been reached in the tier of counties along the lake included in the bureau's territory, but the number of small farms is rapidly increasing. According to the official figures compiled in Lansing, Ottawa county has 4,603 farms. Muskegon county, though as large in territory, has only about half that number namely, 2373. Allegan has many more farms than Ottawa, namely, 6,217, the second largest number of farms in any county in the state, Kent county leading with 6,276.

FULL COUNTY TICKET IN THE
FIELD WITH A SINGLE
EXCEPTION.

Many Holland Men Enter the Race
For the Various
Positions.

At 2 o'clock Monday afternoon in Grand Haven, Arie Van Doesburg, a member of the Socialist party and editor of the Holland Progressive Worker, filed the nominating petitions of the candidates of that party who will run for office in Ottawa county in the August primaries. The party is to have a full ticket in the field in Ottawa county with the exception of the office of representative from the second district, for which position no one will make the race. The socialist party has no organization in that district and for that reason no attempt will be made to land a candidate there.

Peter Nedervelt will make the race for Judge of Probate. Nedervelt is a resident of Grand Haven. Marcus Brouwer of this city will try out the issue on the office of county sheriff. The care for the position of county clerk will be made by Cornelius De Witt, also of this city. Arie Van Doesburg will try out for the position of county treasurer and J. H. Arendsen, of Holland, will run for register of deeds.

The candidates for coroner will be Dick Miles and Bert Bernard Jr., of this city. Fred W. Jackson and N. J. Jonker also both of this city, will run for circuit court commissioners.

For drain commissioner Jacob Osterbaan of Holland township, will run and for supervisor Edward T. Van Dyke of Holland township.

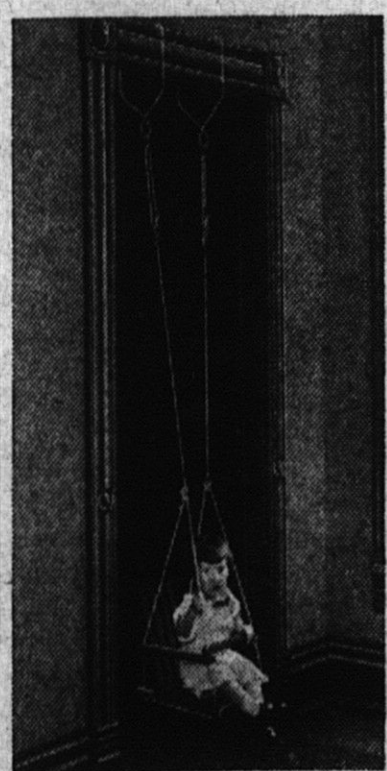

Former Alderman O. J. Hansen of the 4th ward will make the race for state representative from the first Ottawa district. The state senator nominee will be chosen by Muskegon and the nominee for congress in the Fifth Congressional District will be chosen by the Grand Rapids socialists.

All the candidates have fully as many names as they need. Most of them contain more than the required four per cent, but according to a ruling of Attorney General Fellows of a few days ago that fact will not bar the petitions.

A Baltimore man died the other day leaving an estate valued at \$1,000,000 but no will. Hilarity in legal circles.

A feature of the meeting will be the appearance of an Indian girl convert who will also speak of her people in New Mexico and their needs. Music will be furnished by the Central Avenue church orchestra. Everybody is cordially invited to attend this meeting.

HURRAH A CIRCUS COMING TO TOWN

The big, sensational, thrilling number on the program presented by the Barnes' Wild Animal Circus, is a lion act, in which 24 full-grown, jungle bred Africans lions are assembled.

The troupe represents the very acme of lion perfection as to size, appearance and training. The herd if placed on the market would very quickly sell for \$50,000, the normal price for a full grown male being \$2,500. These lions are unquestionably the finest specimens in captivity and are also the best trained lions known.

The 24 man eaters are turned loose at one time in the big steel barred arena in the center of the tent, one lone trainer in their midst. Herr Louie Roth is the man—a trainer of lions of international fame, and the control he exercises over the ferocious beasts is certainly remarkable.

Crowding his way among them, armed only with a small whip, he proceeds to put the animal through a score of different poses and pyramids; mounts one of the largest on a high pedestal and then straddles the snarling animal's back; feeds another raw meat from his naked lips; places his head in the other's mouth; arranged his entire lot in a great pile on the floor and lies on the top-most one. The spectacle is thrilling to an extreme. The act ends with the lions doing a free-for-all hurdle race around the arena.

Should anyone attending the show not care to witness the many thrilling wild animal acts, they can turn their attention to the features in which large troupes of dogs, monkeys, beautiful horses and ponies and many other domestic animals are shown. Beautiful, prancing high school horses, do the late popular dances, marches and poses. Arabian and Shetland ponies assemble in brilliant military drills. Fifty dogs and monkeys do a line of tricks, acrobatics, high jumping and diving. Rocky Mountain goats give exhibitions of their dexterous climbing abilities. Also, one of the most marvelous acts known to dumb animal training is the lion group, these animals performing feats never before seen.

Then there's the laughing section a comedy aggregation of fifty comedy elephants, bears, dogs, monkeys, ponies, mules, etc. Every phase of trained animal entertainment is provided by the Barnes Circus.

A glittering mile long parade is presented to the public at 10:30. Performances will be given in Holland at 2 and 8 p. m. on Thursday, July 30.

A BOOSTER CAMPAIGN

Man Divorced from Woman On Flagrant Charges; Both Reside In Zeeland

A decree of divorce was granted to Jacob Timmer of Zeeland from Louise Timmer by Judge Cross of the Ottawa Circuit court. Timmer married Louise Cook on April 9, '14, and applied for divorce on April 17.

The case will be remembered as one in which most startling charges were made by the complainant. Louise Cook is alleged to have pretended herself the wife of one Frank Cook of Grand Rapids, whose name her two year old son bears. In the bill of complaint Timmer claims that his wife and Cook were never married. He also sets himself up as a person of little will of his own, easily influenced and through such conditions was led to marry the woman. The marriage was declared null and void Wednesday.

Mrs. Louise Cook's maiden name was Louise Heiss, of Zeeland.

Grand Haven Tribune—Following three years of rapidly failing health Leendert Kammeraad, resident of the county for over forty-five years and business man of Grand Haven for the last twenty years, died at his home in Grand Haven on the corner of Washington and Seventh streets Thursday evening shortly after eight o'clock. Death was due to chronic complications. The deceased was in his fifty sixth year.

When nine years of age Leendert Kammeraad came to the United States with his parents and the family settled in the city of Holland of this county. There he remained until 25 or 26 years of age. After that time he took up residence in Grand Haven and here he met Miss Matilda Donker who afterward became his wife.

The deceased was connected with the Ottawa Leather Co., for several years following his removing to this city. Later he launched into business for himself and won the respect of all for his commendable business methods.

In his thirty-third year he was married and took up permanent residence in the city. Of the family of children born to Mr. and Mrs. Kammeraad, six sons survive: Arthur, Frans, Cornelius, Peter, Henry and Leonard Jr., all of whom reside in the city. Besides these the father is survived by a widow, two brothers, John of Holland and Ben of Olive Township and two sisters, Mrs. Jacob Essenberg of Holland and Mrs. John Bolhuis of Holland.

He was also the uncle of Ald. Nick Kammeraad of Holland.

Minutes Mean Dollars IN TREATING ANIMALS

Doubtless you know the danger of delayed treatment of colic and other diseases. You also realize that wrongly applied remedies are often worse than no treatment at all. In other words, not to diagnose a disease accurately may prove fatal. Every owner should be able to recognize an ailment and give correct treatment at the first symptoms. Prompt action is the great secret of treating horses.

Minutes mean dollars. Of course proper treatment is always necessary. That is just how Humphrey's 800 page Veterinary Manual will prove so valuable to you. It is by F. Humphrey, M.D., V.S., and teaches how to diagnose and give proper treatment.

This book will save you hundreds of dollars and costs you nothing. It will be sent absolutely free on request to any farmer in order to introduce Humphrey's Veterinary Remedies. Remember, it is absolutely free. You do not have to order any remedies to secure the book. Address, Humphrey's Homeopathic Medicine Company, 156 William Street, New York City. This is a splendid opportunity to obtain a veterinary treatise that you should have in your library. As a reference work you will find it invaluable. To have it in the time of need will be worth many dollars, whereas it will cost you but a post card by writing for it now.

The funeral was held from the home on the corner of Washington and Seventh streets Monday afternoon at 1:30 o'clock, conducted by the Rev. James Bruinooge of the First Christian Reformed church of this city and the Rev. J. M. Ghyssels pastor of the Second Christian Reformed church of Grand Haven. Interment was made in Lake Forest cemetery.

Typhoid claimed the first victim of the summer in the person of Ryk Van Roekel, aged 31 years, who died Saturday night at his home at 261 East Fourteenth street after a brief illness. Mr. Van Roekel was employed for the past eight years as a baker at the Holland Rusk factory. He is survived by a wife, one son, one daughter, one brother in this city, two brothers in the Netherlands, one brother in Germany and his parents in the Netherlands.

The funeral was held Tuesday at 2 o'clock from the home. The Rev. Mr. Broekstra officiated.

William B. Avery died Friday at the hospital of the Soldiers' Home in Grand Rapids after four week's

illness. Mr. Avery had reached the age of 77 years. He was a veteran of the civil war of the First Michigan Infantry and he has been a citizen of Holland since 1881.

The funeral took place Monday forenoon at 10:30 from the home at the corner of Pine avenue and Seventeenth street. The Rev. J. K. McCreery, pastor of the Wesleyan Methodist church officiated.

The deceased is survived by the following children: Merrill Orlanda, William Lellan, Josiah Benjamin, Elmer E., Mrs. A. M. Ambrose, Mrs. Eunice Lewis Bell and Mrs. Eva Lena Hubbard.

Mrs. George Osborn, aged 75 years died Saturday morning at her home, 129 W. Ninth St. She is survived by a husband and seven children. Funeral arrangements will be announced later.

WHAT YOU SAW IN THIS PAPER THIRTY FIVE YEARS AGO

Our city attorney, Jas. Ten Eyck, and family, arrived home yesterday from Illinois.

Richard Kanter, better known to the traveling community as "Dum-dum Dick," who has been noticed in and around the city hotel for years, died on Monday night last, at the age of 46 years, after a lingering illness of several months.

THIRTY YEARS AGO

The steamer Macatawa has carried an average of 200 passengers daily during the past two weeks. Capt. Hopkins is happy.

Mr. A. Glerum, an old resident of Zeeland and the father-in-law of John and Gerrit Pessink of this city, died very suddenly of heart disease last Thursday afternoon. The funeral will take place today at one o'clock in the Reformed Church of Zeeland.

The report of the census enumerator gives Holland City, population by wards as follows: first ward 864 second ward, 511; third ward, 1,129; fourth ward, 468. The total is 2,972; population in 1880, 2,620 increase 352.

TWENTY FIVE YEARS AGO

Mr. John Steketee, of Grand Rapids has been appointed by President Harrison, as collector of internal revenue, for this district, in place of George N. Davis. Mr. Steketee's many friends will be pleased to learn of his good fortune. The News extends its congratulations to the new collector, and we are certain that he will make an excellent official, in every respect.

The man that runs the post office is supposed to know everything and everybody, for 20 miles around his office. Here is an extract from a sample letter, which Postmaster Van Putten handed us:

"July 3th '89.

Mr Postmaster—Dear Sir:

I don't know your name, nor the man I want to rite to, please give this letter to a dutchman living 2½ miles south of town" etc.

The letter which followed was about a hoof bound "hors."

Abe Caddon was the fortunate individual that drew the five dollar gold piece at the Scott Medicine Co., Wednesday evening.

The body of Lukas Elders, who drowned in the Bay on the fourth was recovered last week by the life saving crew, and interred the next day in the Graafschap cemetery. Frank Harkema, another member of the party, and who at the time of his rescue was resuscitated after much hard work, died on Monday last. The cause is not learned but is supposed he was injured internally.

Capt. C. Gardener, U. S. A., who is in charge of Mayor Pingree's potato planting, bureau in Detroit, speaks very encouragingly of the enterprise.

FIFTEEN YEARS AGO

Rev. G. J. Nykerk, the father of Prof. J. B. Nykerk of Hope College, died at his home in Overisel last Tuesday evening, aged 81 years.

Rumors were current the latter part of last week to the effect that the yacht Mamie S. manned by a crew of hardy mariners was stranded on the beach of Lake Michigan and totally wrecked. This is how it happened. On Thursday night under cover of darkness the staunch steamer commanded by Dave Blom, sailing master, and handled by a crew consisting of H. Van Zee, John Alberte and Iky Rosenbaum cleared for Grand Haven under sealed orders stating the return trip must be made Saturday. The wind was blowing fresh from the northwest on that day, a heavy sea was running, the weather man frowning, but the gallant crew actuated by a desire to obey orders left Grand Haven bound for this port. No soon er did they round the piers and head for Holland then they discovered that it would be impossible to weather the gale. Two or three seas were shipped over the windward quarters and the bold seamen, after "splicing the main brace" several times decided to run back to Grand Haven for shelter. Their good ship was ordered to the dock and captain and crew took the noon train for Holland. A new set of officers and another crew was signed consisting of Ed. Bertsch, Dave Blom, Frank Newman and Fred Emery. They reported for duty at Grand Haven Monday noon and on Monday night owing to their magnificent seamanship the Mamie S. was safely anchored in this harbor.

TEN YEARS AGO

Arie Van der Hill, who is the guest of John Nagelkerk in Grand Rapids had the pleasure of seeing McKinley in action the day he stepped his fast mile. Arie says that there is another horse in the Boone stables that should not be overlooked and that horse is George R. This youngster stepped a half in 1:06 the other day as easy as you please, and Arie says he will be heard from in racing circles before many moons.

DE GROUDWET EDITOR GOES TO THE NETHERLANDS

H. UDEN MASMAN TO ENJOY A WELL DESERVED VACATION IN LAND OF BIRTH.

Left Holland Sunday Morning; Has
Been Absent From Birth-
place 33 Years

After thirty-three years in this country, the last nine of which were spent in the city of Holland, H. Uden Masman, editor of "De Grondwet," is to begin a well earned vacation Sunday morning when he starts out on a journey to his birthplace in the Netherlands. Mr. Masman expects to be gone for several months and it will be the first long vacation that he has indulged in for many years. Mr. Masman left Holland early Sunday morning and on Tuesday morning he sailed from New York on the steamer "New Amsterdam," the destination of which vessel is Rotterdam. He expects to visit with his brother, the Rev. D. T.

H. Uden Masman

Uden Masman in The Hague as well as with other relatives in Amsterdam and other Netherlands cities.

Mr. Masman came to America 33 years ago and during all that time he has been affiliated in important ways with some of the leading Dutch newspapers in this country. He obtained his early training in practical newspaper work in the Netherlands, and this training stood him in good stead in America. For many years he was located in Chicago. In 1883 he founded in that city "De Nederlander," which he edited for ten years and which was a successful venture. At the end of that period Mr. Masman sold that publication and engaged in political organization work in Cook county. During this period he was in the employ of the Cook County Administration. His duties were to organize republican clubs among the Hollanders and to do other work of this nature, for which his intimate acquaintance with Dutch life and traditions fitted him peculiarly. He founded in Chicago a branch of the "Algemeen Nederlandsche Verbond," a national organization of rather great importance. He was instrumental to a large extent in drawing the Hollanders of Cook county into the republican party.

Later Mr. Masman accepted the editorship of "Onze Toekomst," in Chicago, which position he held till nine years ago when he accepted the editorship of "De Grondwet," which paper he has very successfully edited since that time.

Mr. Masman has a great many friends in Holland, who wish him a very pleasant stay in the land of his birth. He is one of the best informed men in this part of the state, not only in the field of contemporary history but also in the line of general culture, having enjoyed a liberal education in one of the universities of the Netherlands and having ever since kept up his interest in intellectual pursuits.

One of the things Mr. Masman takes great pride in is that he was the god-father of the H. O. H. which is one of the most successful organizations in Holland and which numbers among its members many of the Hollanders of this city.

L. O. MOODY TO CONDUCT SERVICES IN M. E. CHURCH TO- MORROW NIGHT.

The people of Holland had an opportunity Sunday evening to hear the city's Y. M. C. A. secretary, L. O. Moody preach for the first time here. Mr. Moody occupied the pulpit in the M. E. church, the pastor being absent for four weeks on a forced vacation because of a slight operation he underwent. Mr. Moody has made many friends in Holland during his short stay here and he is popular with the boys of the city. Most people were not aware of the fact that he can occupy a pulpit.

FAIR ASSOCIATION BOOKS A VERY UNIQUE FEATURE

Is To Be But One of the Big At- tractions To Be Pulled Off.

A race between a camel and a horse—what is to be one of the big features of the Holland fair in September. It is to be such a race as the people of this county have never seen before. In fact it will be a feature which any of the great fairs of the country would be glad presented. But money cannot buy to schedule, because it would be a big drawing card no matter where the feature in other places. The Holland Fair association is fortunate in having interested George Getz of the Lakewood Farm in this exhibition and he will furnish the camel for the big race as well as the native driver. Even if other fairs could get the camel it would be next to impossible for them to get a genuine native to do the driving.

It is claimed that a camel can out run any horse, no matter how fast the horse may be. If that proves the case there will be an interesting race.

All the other departments of the fair are getting along very satisfactorily. The various committees are hard at work and are getting very encouraging reports from horsemen throughout the state as well as from owners of poultry and cattle. Descriptive cards telling of the \$1400 in purses for races have been sent to the principal horsemen and the race card will be a big one, judging from present indications.

The new cattle barn, that is now in process of construction is proving a big drawing card to farmers. They are beginning to take a deeper interest in the fair than ever before knowing that their cattle will be well housed.

E. P. Stephan, secretary of the association, is in Chicago this week to close a deal with the proprietor of the concessions at Forest Park. Mr. Stephan is almost certain of securing these features for the Holland fair. The Forest Park closes on September 12 and the local fair opens on Sept. 15. There will also be several other features booked.

There will be three big days this year. Wednesday will be school and athletic day, Thursday farmers day as usual, and Friday there will be several features, among them the race between the camel and the horse.

Mr. Getz has also promised to give the use of his camel to give children rides on the grounds.

HOLLAND AND GRAND HAVEN WILL BE CONNECTED WITH- IN TWO YEARS SAYS COOK

The members of the county road commission met in Grand Haven to let the contract for the building of two miles of gravel road from Donahue's corners in Grand Haven township to the stone school on Beech Tree road.

This contract when completed will be an important link in what will be one of the most important roads of the county road system—the Grand Haven-Holland road.

Commissioner Rokus Cook, who was in attendance upon the meeting Friday stated.

"Within two years I believe Grand Haven and Holland will be connected by one of the finest roads in the county road system. The letting of the contract Friday is an important link. These 2 miles of gravel will supplant one of the heaviest sand roads in the county and will certainly be appreciated by the farmers and the autoists and will give Grand Haven a good serviceable road almost to Agnew.

"Between Holland and Grand Haven now are some of the worst stretches of road to be found anywhere in Michigan. I believe however that another two years of work on the part of the county road commissioners will do wonders and will bring a fine highway between the cities of Grand Haven and Holland.

Surprising Cure of Stomach Trouble

When you have trouble with your stomach or chronic constipation, don't imagine that your case is beyond help just because your doctor fails to give you relief. Mrs. G. Stengle, Plainfield, N. J., writes, "For over a month past I have been troubled with my stomach. Everything I ate upset it terribly. One of Chamberlain's advertising booklets came to me. After reading a few of the letters from people who had been cured by Chamberlain's Tablets, I decided to try them. I have taken nearly three-fourths of a package of them and can now eat almost everything that I want." For sale by All Dealers.—Adv.

MACATAWA PARK MAY BECOME A VILLAGE

Residents at Resort Have Formed a Cemetery Association; Officers Elected

Is Macatawa Park to become a regularly incorporated village? That is the question that has been asked many a time lately and it is believed that before long steps will be taken to accomplish this result. There is a good deal of talk among the residents of the resort to the effect that they would like to have a greater measure of self-government, and it is believed by many that the summer colony has acquired enough permanency to be able to set up a local government that can exercise all the functions of government.

The latest step which seems to point to the eventual incorporation of Macatawa as a regular village is a rather indirect one, but nevertheless it is looked upon as pointing to the fact that a number of the residents of Macatawa are beginning to look upon the park population as a permanent community and not a mere shifting population. This step is the incorporation of a cemetery association. The officers have just been chosen as follows: Jasper S. Hughes is the president and other incorporators are R. H. Hughes, Simon Harkema, John H. Parr and J. H. Birk.

The new cemetery is to be known as the Crown Hill Cemetery. It is located along the new traction line, including the broken range of hills of Macatawa lying south of the resort. It is considered by the incorporators one of the most beautiful sites for a cemetery that can be found anywhere.

The cemetery, according to one of the officers, will be conducted for the most part on the ancient model with the exception that cement will be used instead of volcanic stones. The place possesses much natural beauty and will further be beautified with additional trees and flowers.

WILLIAM SLOAT IS ARRESTED ON SERIOUS CHARGE AND PAYS A FINE

William Sloat, 19 years old was arrested Saturday on a warrant sworn out by Chief of Police VanRy on complaint of a 16 year old girl who made serious charges against the young man. The formal charge was disorderly conduct and on that charge the penalty was not nearly as severe as the offense warranted. Young Sloat was given the alternative by Justice Miles of paying \$25 and costs of \$3.40 or spend 60 days in the city jail. He paid the fine and was released.

Sloat was found guilty of luring his victim away from the city by giving her a ride on a motorcycle. He was arrested Saturday under the provisions of ordinance 258, the technical charge of disorderly being brought for want of an ordinance that would fit the offense closely.

MANY ATTENDED MOTHERS COUNCIL MEETING AT THE HOME OF ALBERT KLEIS.

The first of the series of Mothers' Councils that will be held during the summer under the auspices of the Woman's Christian Temperance Union and under the supervision of Mrs. H. J. Veldman, Friday afternoon at the home of Mrs. Albert Kleis, Lincoln avenue. The meeting are being held by the W. C. T. U. as a change of work during the summer instead of taking the regular vacation.

A large number of mothers, not members of the W. C. T. U. were present at the meeting, as well as some of the members. The president, Mrs. C. S. Dutton, conducted the devotions. She said that all mothers are called for a great work, like Samuel of old. The greater part of the afternoon was given up to a discussion of child discipline. Deep interest was shown by the mothers. Refreshments were served.

JOHN W. WICHERS AND MISS DELIA PRINCE WEDDED AT BRIDE'S HOME AT OAK GLEN, ILL.

Last Wednesday evening the home of Mr. and Mrs. P. Prince at Oak Glen, Illinois, was the scene of a very pretty wedding, when their daughter, Miss Delia Prince, became the bride of Mr. John W. Wichers, of Zeeland. Miss Elvina Prince, sister of the bride, was maid of honor, while the groom was attended by his brother, Edward Wichers of Zeeland. Little Dorothy Fieldhouse of Chicago was the flower girl. The ceremony was performed by the Rev. Mr. La Far of Bethany Reformed church, Chicago, assisted by the Rev. Mr. De Bey of Oak Glen.

DID NOT LIKE WORK SO WALKED AWAY FROM KEEPER WENT FOR A DRINK OF WATER

Harry Cherry of Grand Rapids got mad and quit his job Thursday afternoon after working about 15 minutes and resting for about an hour. He was put to work cutting grass on the corner of 16th and River by City Engineer Naberhuis in company with a paid worker, after pleading guilty to drunkenness before Justice Miles. He was sentenced to six days of hard labor on the city streets and was given a scythe and put to work. He started well enough but after a few reluctant swings at the tall grass and weeds he sat down in the shade and said he was not in fit physical condition to work. After a good long rest his fellow workman left him to get a drink at Vos' garage. When he returned the hard-working prisoner was gone but his coat was still hanging on the fence and the city employee thought he would return. Cherry's coat is still hanging on the fence, or at least it was when last heard of, but Cherry is no longer a resident of Holland. He has gone and very likely for good. The authorities are not worrying. They consider the plan a success.

Dr. Bell's Pine-Tar-Honey For Coughs and Colds.

Hon. William E. Mason, Who Will Speak at Chautauqua

HON. WILLIAM E. MASON.

SENATOR MASON has served in both branches of the Illinois legislature and in both branches of congress and all of the time during the past thirty-four years has been a recognized power in state and national politics. From the day he entered the legislature on up to his service in the United States senate he has made one continuous fight against grafters, more modernly known as "jackpotters." Mr. Mason makes no claim to oratory, yet the late Speaker Thomas B. Reed stated that the "World's fair was located in the city of Chicago by a ten minutes' speech made by Mason of Illinois," and ex-Congressman Boutell, ex-minister to Switzerland, is authority for stating that the late Senator Hoar of Massachusetts said at a banquet in Washington that the most effective speech he had heard in his twenty-five years' service in the senate was a speech made by Senator Mason.

Senator Mason will appear on the Lincoln Chautauqua program in this city on the afternoon of the fourth day. The prelude will be played by the Royal Black Hussars Band.

Will Be in Holland July 27 to August 1st

OTTAWA COUNTY SECOND LARGEST NUMBER OF STANDARD SCHOOLS OF ANY COUNTY IN THE STATE—ALLEGAN FIRST

Fifty-Two Plates Have Been Awarded Throughout Michigan By Department of Public Instruction

According to a report sent out by the state department of public instruction Ottawa County now has ten "Standard Schools," the largest number of any county in the state with exception of Allegan county which has eleven. An assistant superintendent of public instruction has been working with County School Commissioner Stanton for several days during the past few weeks in visiting the schools in Ottawa county and examining them as to whether or not they came up to the standard. The result is that ten has been provided with brass plates stating that they are "Standard Schools."

Following are the schools thus honored in Ottawa and Allegan counties:

Ottawa county—District No. 5, fr. Holland; district No. 10, Holland; district No. 9, Olive; district No. 3, Talmadge; district No. 2, Blendon; district No. 7, Olive, district No. 6, Holland; district No. 5, Olive; district No. 10, Georgetown; district No. 1, Blendon.

Allegan county—District No. 1, Overisel; district No. 6, Overisel; district No. 3, Casco; district No. 4, Fillmore; district No. 2, Overisel; district No. 1 fr. Valley; district No. 10 Leighton; district No. 5, Casco; Allegan school, No. 3, Laketown; Ottawa School, No. 3, Laketown; district No. 4, Overisel.

In June, 1913, the department of public instruction sent out to commissioners and school officers a circular letter proposing the Standard School plan as a means for improving the rural schools of the state. During the past year the plan has been explained and discussed at the school officers' meetings, institutes and granges, and, to some extent by bulletins. The specifications cover grounds, buildings, furnishings, the equipment, sanitation, organization of the school and success of the teacher. These specifications are detailed and the inspection is made by a member of the department of public instruction.

Whenever a school wishes to become a Standard school, application is made through the commissioner to the department of public instruction and a representative of this department visits the school, approves and makes suggestions as to changes necessary. The initiative in the move-

ment in some cases is by the school board, in other cases by the teacher, but generally comes from the school commissioner. The most effective work has been done where the school board meets with the department of public instruction right at the school house. In most cases where such meetings have been held jointly the school board has been convinced of the desirability and even the necessity for the changes asked in the requirements of the Standard school.

Through the united efforts of commissioners, school boards and teachers, in taking up recommendations and working with the Department results are now beginning to appear that are very gratifying. The success of the plan is assured. During the early part of the year the work went very slowly. The first plates were placed upon the Lannin and the Law schools in Van Buren county, March 11. March 27, No. 1, Montague in Muskegon county was the next to receive a plate. On April 17, No. 2, Farmington in Oakland county was awarded a plate. At the present time 52 plates have been awarded.

CONTRACTOR VANDER VEEN TO REPAIR CENTRAL AVENUE WILL PAY LAST YEAR'S BILL

As a result of action taken at the last council meeting Herman Vander Veen, the Grand Rapids contractor, who built the Central avenue pavement in an interview with City Attorney Van Duren Friday morning, promised to make things right with the city on the paving deal without having the matter dragged through the courts. According to Mr. Vander Veen, work will be commenced on repairing the street in about six weeks. Mr. Vander Veen has decided to do the work himself this year, as there is a great deal of repairing and rebuilding to be done, rather than let the city do it and then charge it up to him, as was the case last year. Vander Veen's men are now doing a paving job in Muskegon and as soon as that is done they will come to Holland with their equipment to repair Central avenue. Mr. Vander Veen has also promised to settle up for the work done on the street by the city last year, and as soon as things can be straightened this bill will be settled without further trouble.

Herman Bosch a Hollander, familiarly known in railroad circles as Yank, Tuesday rounded out 44 years of service as railroad employee. He is 66 years of age and is probably the oldest employee in the service of the only railroad passing through Holland.

A case of scarlet fever has been reported to the health department. A rigid quarantine has been placed on the house. The contagion was carried by a visitor from Ohio.

Mausoleum**

When the material for the Howlett mausoleum, now on the cars of the Grand Trunk tracks, in Grand Haven are on the scene of erection in Lake Forest cemetery in that city the blocks will represent eighty tons of the best granite available, or \$15,000 worth of stone.

The mausoleum in construction represents the biggest piece of its kind yet performed in Ottawa Co. A derrick with a 40 foot boom is necessary to hoist the blocks. The stones are unloaded at the foot of the hill near the tomb site and raised up the terraced side by means of the derrick. The three roof stones weigh eight tons each. The polished blocks for the floor weigh over five tons each.

In style the design of the mausoleum is termed the square, rock-faced type. The base will be 13 feet square and the highest part of the roof will be 13 feet above the base. Art stained windows will be placed upon both sides and the doors will be of heavy bronze in contrast to the old idea of stone. Polished marble will cover the interior walls.

When complete the tomb will cost in the neighborhood of \$25,000.

**SELL ROAD BONDS TO THE J.
NUVEEN & CO.**

Bond Committee Receives Bids of Three Firms Tuesday; For \$150,000 Issue.

SPECIAL SESSION HELD JULY 28

In a meeting of the special bond committee of the Ottawa county Board of Supervisors Tuesday afternoon in the court house, the bond issue of \$150,000 directed by the last session of the supervisors, was sold to John Nueven & Co., of Chicago, at \$2,275 premium and under the stipulations of the bond contract. Two other bidders for the bonds were the Bolger, Mosser & William and the N. W. Halsey Co., both of Chicago naming premiums less than the \$2,000 mark. The special committee accepting the bid of John Nueven & Co., is comprised of supervisors Jas. Chittick, Gerrit Yntema, George M. Hubbard, M. F. Donahue, A. J. Nyland and David M. Cline.

A special meeting of the board of supervisors on July 28 will receive and endorse the sale of the bonds.

**WRITES POETRY IN HONOR OF
MRS. BOOT GIVEN CREDIT
FOR FAITHFUL WORK**

Was Dept. Pres. of State W. R. C.

Mrs. Geo. Lamb of Rockford Michigan secretary of the Peter Webber Corps 235, in an appropriate little poem expounds the work of Mrs. Florence M. Boot, who so faithfully occupied the chair of Dep't President W. R. C. of the state of Michigan. The poem by Mrs. Lamb follows:

To Mrs. Florence M. Boot; Depart-
ment President, W. R. C.
Cease not, dear one, thy work begun
Thy noble work and true,
Cease not to stir a thousand hearts,
To cheer the Boys in Blue.

Alone no one could do the work
That we are pledged to do;
It takes us all, united firm,
To cheer the Boys in Blue.

Our Union lives in common cause;
And in a chosen few
To lead us on, and spur us on,
To cheer the Boys in Blue.

And you the one, the chosen one;
Your noble heart and true,
Has lead us on and spurred us on,
To cheer the Boys in Blue.

So onward, onward in thy work,
Thou one of chosen few,
And spread your love for home and
And cheer the Boys in Blue.

**RELIGIOUS MEETINGS AT THE
COUNTY POOR FARM
SUCCESSFUL**

Interest in the religious meetings being held at the county poor farm at Eastmanville has not abated and meetings are held each Sunday. Last Sunday Frank Bolhuis of this city took a party of local singers to the poor farm to take charge of the services. Hymn books have been furnished to the institution by the Third Reformed church of this city.

So far Zeeland, Holland and Grand Haven have for the most part been furnishing the poor farm with men who took charge of the religious services. But Coopersville, Spring Lake and Hudsonville have also taken an interest in the venture and they will take part in the meetings. William O. Van Eyck, chairman of the county board on poor, is in touch with those places and is making arrangements for meetings.

**HOLLAND WOMAN TAKES IN-
TEREST IN GOOD WORK****She Looks After The Needy Children**

Mrs. John E. Dryden of Holland, formerly a resident of Allegan was in the city Thursday consulting members of the Woman's History class about the Child Welfare movement which just now is getting attention from all over the state. Mrs. Dryden hopes to be able to effect a county organization as has been done elsewhere. The work is organized in various cities, and Douglas and Saugatuck of this county have joined in the movement. The aim of the society is to help needy children everywhere in the state by furnishing money, education, advice nurses, and every other benefit. The society assists fathers in getting work and sees that children of a family get the benefit. The members of the History class do not feel that at present they can take hold of the matter because of the expense connected with their free beds in the John Robinson hospital. Mrs. Dryden was invited to come to Allegan in the fall after the class have started their year's programme and address them on the movement.—Allegan Gazette.

**CARRIER PIGEON LANDS ON
TUG****Bird Bearing No. 18866 Captured On
Grand Haven Fish Boat Mon-
day Morning**

Soon after 7 o'clock Monday morning, when the first tug C. J. Bos was lying at her fishing grounds, some twenty miles out, a strange bird flew tamely to the boat, alighted and made no effort to fly away when one of the fishermen took the bird in his hands. The dove was found to be a homing pigeon, registered, 18866.

It is not known from whence the bird came, but it is thought the flight was from the west side of the lake. The bird was fatigued and apparently unable to fly further when coming to the tug.

The pigeon is at present at the Tribune office recuperating and after a few hours rest will be freed with a message.

The men of the C. J. Bos tug report another strange occurrence a few days ago, when a young owl was captured in the same way.

Geo. Van Landegend who is at present one of Holland's Supervisors is a candidate for State Senator from Ottawa and Muskegon counties on the Progressive ticket.

SAVE MEXICO CITY

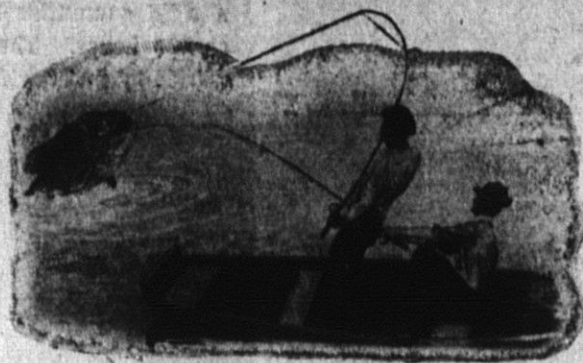

Were Mexico City to be captured and sacked and perhaps burned by the constitutionalists the act would be a heinous crime against civilization. Aside from the humanitarian side of the question which is a big one, the capital of Mexico is one of the historic places of the earth. Its public buildings are monuments to the earliest European civilization on the American continent and are full of deep interest; its museum is filled with priceless relics of a still older, native civilization which is too often undervalued and forgotten.

The nations of the world should not suffer the city to run the slightest danger of injury. If they permit Carranza and his hordes to enter it, they should first take measures to insure civilized conduct in every particular. In this connection it is significant and perhaps not altogether gratifying to note that the states of the A. B. C. alliance are showing more anxiety over the situation than is the American government.

**MRS. PROF. HOEKJE OPERATED
UPON AT ANN ARBOR**

Zeeland Record: Supt. and Mrs. John C. Hoekje of Grand Haven returned from Ann Arbor Wednesday night. Mrs. Hoekje has just been discharged from the University Hospital at Ann Arbor. Following an operation for the removal of her tonsils, the doctors assure Mrs. Hoekje that her arthritic rheumatism will be rather weak from the effects of confinement in the hospital, the operation, and the trip home. Mrs. Hoekje is improving nicely. She expects to spend a few weeks of recuperation with her parents, Mr. and Mrs. A. La Huys, of Central avenue. Mr. Hoekje is taking summer courses at the state university. After spending the week end here and at Grand Haven he will return to Ann Arbor to complete his work. In September he resumes his duties as superintendent of the Grand Haven public schools.

A Dog Fish Story

PUZZLE PICTURE—"Wat Fish This Is?"
Bring answers to Harry Padnos

Harry Padnos is soon going to take a vacation, and during his trip he intends to visit some of the best aquariums in the state in order to find out the difference between a dog fish and a pickerel. While fishing the other day he got a ten strike on his hook, his pole broke and while his line remained intact he, after a great deal of struggling, finally managed to land his fish. "Oul! Oul!" said Harry "what-a-fine-pick-

erel." His friends were equally enthusiastic although they did consider winking at one-another. He marched home with his prize thinking to surprise his wife, but imagine Harry's chagrin when Mrs. Padnos exclaimed "Harry! Harry! can't you tell the difference between a pickerel and a dog fish, why this one has even got a tag and muzzel on." That's why Harrys going to take a trip.

Coopersville Observer:—From two acres of peas John Busman got 6406 pounds of shelled peas, which is another remarkable record, for which he will receive \$144.13. Mr. Busman has a right to be proud of this showing, and is very enthusiastic over pea growing, now that he has got next to it. His first crop two years ago was practically a failure, but remembering the adage, "make your money where you lost it," and profiting by his mistakes, he made good last year, and is reaping his reward now.

**A ZEELAND COW DIES MYSTER-
IOUSLY**

A farmer near Zeeland had a cow die some time ago under mysterious circumstances. All of the veterinarians in this section of the state could reach no conclusion as to the cause of death.

Some veterinary told the farmer that State Chemist M. L. Holm could tell by looking at the cow's stomach just what killed her. So the

stomach was carefully removed by the farmer and shipped to Lansing. It reached the old state block Wednesday. It was carefully removed to a place and buried. The Ottawa county farmer will never know what killed his cow altho he may be able to hand down to posterity a written certificate from Holm that the aforesaid cow is surely dead.

According to Dr. Holm, judging from his observations of the stomach the cow was dead—too long dead to suit the natty doctor.

**TOWNSHIP BOARD AND BASE
BALL MANAGERS COME
TO AGREEMENT****No More Games Are to Be Played at
Jenison Park On
Sunday**

No arrests were made at Jenison Park Sunday afternoon although the base ball game between the Allegan Independents and the Grand Haven Independents was pulled off as scheduled. A representative of the township board and three deputy sheriffs, sent to the scene of the game by Sheriff Dykhuis, were on the grounds, but evidently they did not find anything that merited an arrest. The deputy sheriffs were under orders to carry out the law to the letter as laid down in the communication by the Prosecuting Attorney Osterhaus to the township board, a copy of which was furnished

the sheriff. The deputies were instructed to arrest the players if there was any disturbance of any kind that could be interpreted as a breach of the peace.

But the large crowd of some 600 fans seemed to feel that something was in the air. There was not the usual rooting that often characterizes a ball game. The only way approval of a play was expressed was by clapping of the hands as is done at a concert or a lecture. A person a few rods away from the diamond would not have known that a game was on.

Although no arrest was made for Sunday game the township board practically gained their point by securing promises from the managers of the teams not to play ball at Jenison Park on Sunday again. One of the members of the board stated Monday that it was practically sure that in the future there would not be a game at the resort. In view of this fact it was believed that the best course to pursue would be not to make arrests today, although the players could have been cited before a court under a strict interpretation of the laws as explained by the prosecutor.

All the township board was after was to stop Sunday ball at Jenison Park, and they have, according to their statements, attained that end.

The game Sunday resulted in a victory for Grand Haven by the score of 17 to 3. It was the deciding game in a series of nine between these two teams.

No Doubt You Will Be Surprised To Read This

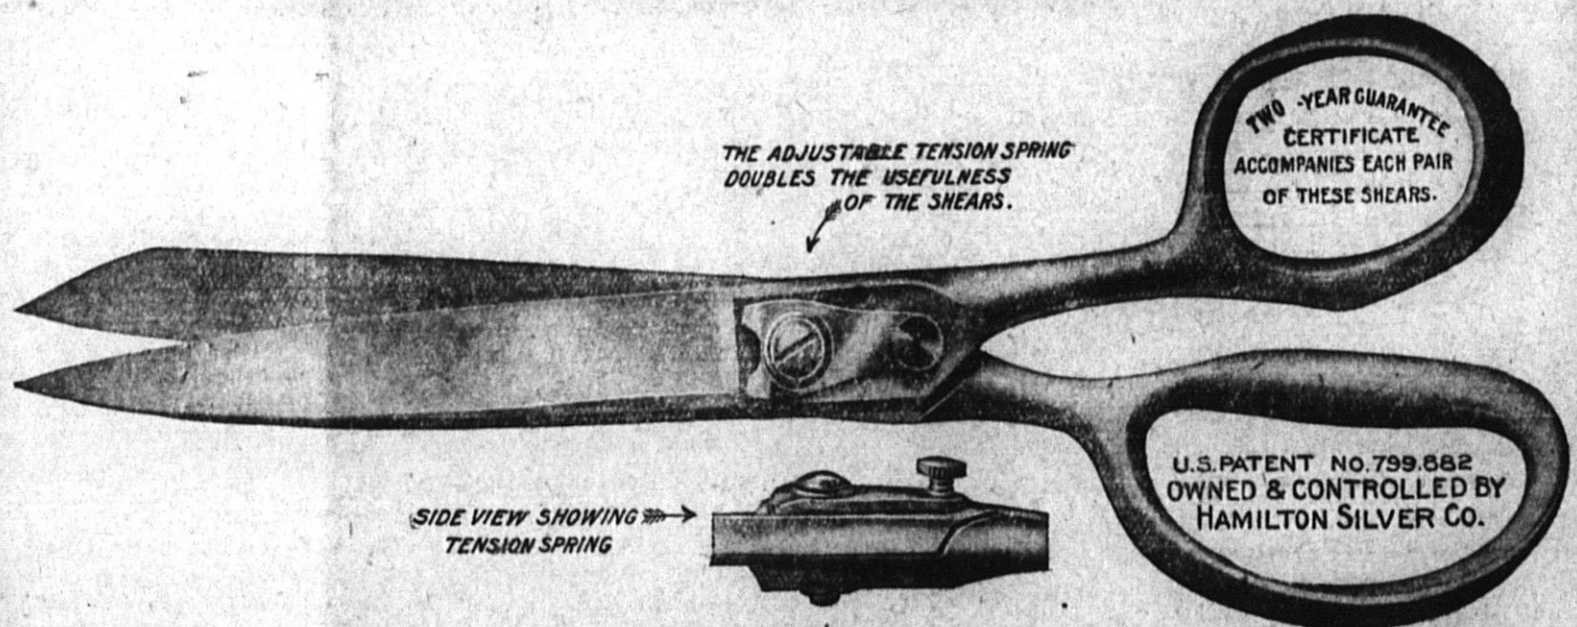

In order to introduce our paper in the home not yet supplied with the News in this vicinity and rather than send out agents to bother you and take up your time the Holland City News has thought of the following new plan to reach those rural and city people. It cost us considerable money to pay agents and to hire rigs for them to go among the rural route subscribers and rather than continue along that plan we are going to try out another. The money we have paid for agents and rigs in sending out solicitors we are going to give to all new subscribers to the Holland City News by giving them the paper longer.

LISTEN-- This is our Bargain Month Proposition Until Aug. 15.

We will give you the Holland City News from now until January 1, 1916, 18 months (or nearly a year and a half) and Our Patent Self Sharpening Shears Guaranteed for Two Years, thrown in free for One Dollar \$1.00 (News 18 months and Our Patent Self Sharpening Shears Guaranteed for Two Years for \$1.00.) We are losing money on this proposition but we do this also when we send out agents. We expect to hold a good many after their time expires if they think enough of the paper to continue when the 18 months are used up. After that the paper will be absolutely \$1.00 per year with a premium included because it is worth it. Don't ask to get this offer after August 15 because you can't get it. Now is the time to get the best weekly with more local news than any weekly in Michigan bar none, from now until January 1, 1916, with a Patent Shears thrown in for one dollar.

Respectfully,
HOLLAND CITY NEWS

P. S.—Last week we had 35 columns of pure local news from Holland, Zeeland, Overisel, Saugatuck, East Saugatuck, Laketown, Holland, etc. We give all the news from all the towns, little and big near Holland, in Ottawa and Allegan counties, besides all the important news from Allegan city and Grand Haven, the two county seats. We have country correspondents sending in items each week, besides giving you the latest market reports and dates of auction sales. Remember this bargain only holds good until August 15 to new subscribers. Don't ask for it after that.
