VALUE OF BOY'S WORD

HAVE you a boy? When do you expect him to begin to build up a credit.

Whenever you can trust him to do as he agrees, he has established the first principle of credit.

Encourage him to regard his word as a sacred asset, as he will never have a better one.

The officers of this bank have a particular liking for boys, and will make a special effort to help your boy.

Works like city gas

Simply light the burners and put the cooking on at once. No wicks, piping or pressure tanks are used. This shows one of ten different styles. We recommend these stoves because we know how good they are, and we have been in the stove business a good many years. Come and see them at our store.

CENTRAL AVENUE PAV- ING MAY BE SETTLED

TRUCK BILL AGAIN REJECTED BY COUNCIL

Drinking Water For Man and Beast To
Be Installed at Several Places
in the City

With handkerchiefs fluttering feebly in the heat, stopping occasionally to be wiped over a warm, perspiring countenance, the city fathers sat and endured the heat patiently for an hour last evening, and then adjourned with a rush for the soda fountain.

With all present, the business of the evening was taken up by the clerk reading a second bill from the Duplex Co., for trucks and interest on the sum amounting to \$8,040.26. This differed from the previous bill in that it was a sworn statement. It was voted that it be rejected and returned to the company.

Permission was given the Rottschaefer Brothers to place building material on the sidewalk adjoining the old First State Bank building where it is being remodeled.

Ald. Congleton reported that Westrumite pavement with a squeegee covering was the recommendation of the Committee on Streets and Crosswalks for 18th street west of River Avenue. It was unanimously adopted.

Street sprinkling on west 9th between Pine and Maple was referred to the Committee on streets and crosswalks with power to act.

The City engineer was given authority to serve notice on the people living on west 19th street between First and Van Raalte to have sewer installed within thirty days or the city would have it done.

The proposed improvement on 18th street between Pine and River not being objected to, the City Engineer was instructed to draw up plans and specifications for it.

The improvement of 18th street between Columbia and the Pere Marquette tracks in the same manner was given the same action, the Engineer being instructed to make plans and estimate as to cost.

The committee on Claims and Accounts submitted a report of the amount of \$3,187.35, which was adopted.

The poor committee spent \$93 in the past two weeks.

The roof water from the Thompson Mfg. Co., complained about some time

CIRCUS CUTS OUT PARADE IN BENTON HARBOR

CLAIMS CITY CHARGED TOO HIGH A LICENSE

Also Demanded Comps For All City Officials.

The Hagenbeck-Wallace Circus that left Holland for Benton Harbor, cut out the circus parade in that city which was a great disappointment to thousands of farmers and citizens and especially the little kiddies who lined both sides of the principal streets.

The St. Joseph Herald has the following on the circus parade.

"The parade was not given and proved a great disappointment to the thousands who lined the streets from 10 o'clock to the noon hour to witness the big street pageant. The trouble, according to C. T. Klugers, the press representative who called at the Herald office this morning, was that the city authorities of Benton Harbor, demanded \$50 license fee and a large number of complimentary tickets, for the privilege, and that the management refused to accede to the demands, so the parade feature was cut."

Holland charged the circus \$25 and voluntarily they gave the city officials passes to the circus.

The circus management was well pleased with the treatment accorded in this city and have expressed this fact freely. They gave a good street parade and a clean show. There were no film-flam games and pickpockets following this aggregation as is so often the case with circuses.

At night after the final act and the large audiences had been dismissed the show company played their search light on the fair ground gate making a veritable lane of light, thus making it easy for pedestrians and autos to find their way out.

The Hagenbeck-Wallace Circus in Holland was purely a Zoological exhibit followed by a fine equestrian and athletic entertainment in the "big top."

KNICKERBOCKER TO BE SOLD AT PUBLIC AUCTION

ALL THE ESTATE OF THE LATE TIEMMEN SLAGH TO GO UNDER THE HAMMER.

Notice was published today that the Knickerbocker theater building and property and the Alice Slagh homestead will be sold at public auction, to the highest bidder, the morning of Sept. 1 at the court house in Grand Haven. This comprises the estate of Tiemmen Slagh, who was killed in a fall from the Knickerbocker theater while putting up a sign. The Michigan Trust Company of Grand Rapids is the administrator of this estate.

Mr. and Mrs. A. Visscher and daughter Anna and Raymond Visscher left this noon for Atlantic City, N. J., where they will stop for two weeks at Hotel Breakers.

\$50,000 BONUS MAY COME UP AT SPECIAL ELECTION

FIRE TRUCK MATTER MAY ALSO BE PUT TO A VOTE THEN.

Aldermen Do Not Want to Mix It With Politics—for That Reason Ask For Special Election

The editor called up some of the aldermen to find out what disposition would be made of the \$50,000 bonus proposition, that was brought up at the mass meeting of 200 citizens last Friday evening.

The consensus of opinion at this meeting was that the council put the matter to a vote. But at last night's meeting nothing was brought up. Some of the council members however, feel that the proposition should not be voted on at the August primaries nor at the November election, so as not to confuse the issue with other political issues. One alderman suggested that a special election be called in September for the purpose of voting \$50,000 bonds to be used by the bonus committee to secure new factories, and at the same time to vote for an added appropriation to buy these or other suitable fire trucks, and in that way disposing of this vexing question. Whether this course will be taken is up to the common council to dispose of at a later date.

PORTABLE CHURCH ON LINCOLN AVENUE

PRESIDED OVER BY JOHN VAN STRIEN OF HOPE COLLEGE

The picture in this article is a reproduction of the portable church that has just been erected on Lincoln Ave. This church was sent by freight from the east and is so constructed that it can be fitted together in a very short time. Each part is numbered and matched to fit exactly.

The Reformed denomination has several of these churches and they are sent to places where a church is greatly needed and where money to build one is not available and the organization

has not been perfected. This was the case in the east end of the city, therefore a "Mission Church" was sent here to be presided over by John VanStrien, a graduate of Hope and student of the Western Theological Seminary.

When the organization is completed and the little congregation is on its feet financially, this church will do similar duty in some other locality.

Services are now being held every Sunday as follows: Sunday school 9:30, church services 10:30 in the morning and evening services at 7:30. All are welcome to attend the services.

WAGENAAR & HAMM HAVE NEW ICE CREAM FREEZER

NEW MACHINE CAN MIX AND FREEZE 10 GALLONS OF CREAM IN SEVEN MINUTES

Wagenaar & Hamm, ice cream dealers have installed a new late style freezer and mixer which will save them considerable time and produce a better article. Ten gallons of cream can be mixed and frozen in this new machine in just seven minutes.

The Wagenaar & Hamm firm started business in this city about three years ago. They have worked up a very good business and the new machine, just installed, became necessary. They can now take care of the large trade easily and quickly and serve an even better quality of ice cream.

This firm is now in a better position than ever before to handle orders for fancy cream and fruit bricks. They will make a specialty of these short orders.

Miss Rose Sooter is visiting with friends in Chicago.

Herman Brouwer has returned from a trip to Detroit.

John Van Vyven of the Meyers' Music House, took the interurban for Grand Rapids this morning.

Henry Luidens, Bert Slagh, John Dykstra and Mayor Vandersluis, left this morning by auto for Bass Lake on a fishing trip.

Fire Chief Blom and two of the firemen are attending the National State convention now being held in Detroit.

TWO HORSES KILLED BY THE HEAT

CONTRACTORS WORK MEN FROM MIDNIGHT TO MID-NOON ON ROAD WORK

Some Furniture Shops Let Men Lay Off During Heat of the Day.

For twenty-one days "Old Sol" has sent his burning rays upon the state of Michigan. In that time no water has fallen except that which comes from a lawn sprinkler in the gardens.

The resort proprietors have been jubilant, the farmers have been elated because they say "you can even hear the corn grow." This is truly a genuine hot summer, and those who predicted that the war has had something to do with the erstwhile winter summer of the past year find their prognostications shattered completely.

The heat however has brought other things than corn growth and resort weather.

An old gentleman died yesterday of heat prostration at Castle Park. Herman Garvelink, living on Rd. 5, Holland, lost a valuable horse that fell dead while cultivating corn in the field. Bert Syblink of East Saugatuck also lost a horse in a similar manner yesterday morning.

Wm. Bronkhorst of Holland, who is a road contractor, has a novel way of avoiding at least part of the heat. He at present has a contract for laying seven miles of road out of Grand Lodge. He gets his men up at 12 o'clock at night and lets them go home at noon, giving them the afternoon to rest, thus avoiding the hottest and most trying part of the day.

Some of our local furniture factories have felt too, that their men should be spared from the intense heat during the middle of the day, and in many instances the employees have knocked off at noon until 4 o'clock, when they return to work to fill out the hours required.

A good shower of rain and a little let-up on the heat would no doubt be welcomed by all.

LATER—Rain has come and we are all thankful.

LOWERED "CHEAP JOHN'S" GOLD IN BUCKET FROM SHIP

VANDER POEL "SET 'EM UP" WHEN RELEASED BY THE ENGLISH.

W. Sikkil, Jr., of this city is in receipt of a letter from his father, W. A. N. Sikkil, who was a passenger with John Vander Poel, a former local clothing merchant, well known here as "Cheap John" because of the goods he dealt in, giving a detailed account of Mr. Vander Poel's experiences with the British government. Mr. Vander Poel was taken as a German spy on account of the large amount of money he carried and because of the many ocean trips to the Netherlands he has been making lately. He freed himself by referring the U. S. officials at Washington to Holland, Mich.

Mr. Sikkil was a chance passenger on the steamer New Amsterdam, having met Mr. Vander Poel after he was on board the boat.

Mr. Vander Poel's troubles commenced when the boat reached Fallmouth, England. All baggage is inspected there. It was discovered that Mr. Vander Poel was carrying \$14,000 in gold on his person. The suspicion of the British officials was aroused and Mr. Vander Poel was ordered off the ship.

He protested fiercely against this and was finally left on board with the warning that next time he must have a British passport.

John's joy knew no bounds, when he was released. He was so happy that he treated all the men around who would take the trouble of going to the smoking room.

His joy went up in smoke at Church-wall, England. The ship was met near this port by a motor boat carrying military officers. These officers ordered Mr. Vander Poel off the boat and they took him along for further examination.

His \$14,000 in gold was lowered into the motorboat in a water bucket. His baggage was not handled so carefully as the gold and it fell into the water. It was fished out and John was taken to the English port.

There he was held prisoner until the U. S. government at Washington, after sending an inspector to this city to investigate, reported to the British officials, that Vander Poel is an American citizen.

Mr. Sikkil arrived in the Netherlands June 15. While in this country Mr. Sikkil became a citizen of the U. S. but he expects to remain in the Netherlands now. He arrived safely June 15. On the trip the former local man saw a few signs of war. The ship he was on passed several floating mines and several times human bodies were seen floating on the water.

The Michigan Railway company has received three new all-steel cars for service on its lines.

Charles airbanks, who for the past three years has been living in Grand Rapids, has moved back to this city to 232 First Avenue.

Owing to the absence of the Mayor Nick Kammerlaar, the Central Avenue Shoe dealer is acting mayor of the city of Holland.

ZEELAND INDEPENDENTS DEFEAT FENNVILLE

The Fennville baseball team was defeated Saturday afternoon at Fennville by the Zeeland Independents. The game was a close one and resulted in a score of 7-5. P. Karsten, who had not pitched a game before Saturday did the hurling for Zeeland. He held them scoreless for three innings. In the fourth inning he was taken out of the box and replaced by Lefty Vande Bunt after the Fennville team had made a three bagger, two bagger and a couple of singles. Vande Bunt pitched great ball and held the Fennville team down.

While Zeeland was making their scores, Atwater did the hurling for Fennville. The Zeeland lineup was somewhat changed in Saturday's game. Mills was out of the game, and Alderink replaced him at first base. Herman Stegeman was unable to play and Nederveld played his base. The Zeeland team will play Fennville a return game at Zeeland in the near future. Each team has won one game of the three game series.

The Ted and Ed team again gave an exhibition of how to make hits and score runs. In fact the game with the Ottawa Station team was so one-sided that only seven innings were played. The final score was 41-8 with the Zeeland team on the long end. The batteries for Zeeland were: Nynhuis and Kramers, John Kornolje featured at bat with eight hits out of nine trips to the plate. The Ted and Ed team has scored a total of 72 runs in the last two games while their opponents scored but 16 runs.

My business experience enables me to conduct the office of Register of Deeds efficiently for the benefit of the public. Your support will be appreciated at the Primaries August 29.

JOHN ARENDSHORST

FRANK L. CHAMBERLIN

Candidate For Register of Deeds Ottawa County

Mr. Chamberlin is and has been a resident of the Township of Georgetown for fifty years. Up to the age of 25, he was engaged in farming. At the death of his parents he sold the farm and bought a general store in the village of Hudsonville, conducting said business in connection with the Post-

Office of the Postoffice changed hands on the coming in of the new administration.

Mr. Chamberlin is a good neighbor and friend to all and respected by all who know him. He is a staunch republican and has attended every county convention since he became of voting age. He boasts of not having missed a primary election since the primary law took effect.

If elected Register of Deeds, Mr. Chamberlin will conduct the affairs of that office in the same efficient manner that he has always conducted his own business.

He will appreciate your support at the primary election, Aug. 29.—Adv.

FOR REGISTER OF DEEDS Herman G. Vanden Brink

Have been Treasurer of Holland City for four years and feel that I am qualified to handle the office. If you can see your way clear to cast your vote for me at the Republican Primary on August 29, it will be appreciated.

FOR SHERIFF

Otto Bajema, of Georgetown

For thirty years has been a resident of Ottawa County. Has always been a republican unwaveringly. Have been a Deputy Sheriff under Sheriff Dykhuys for four years. I solicit your vote on Primary Day, August 29.

FOR COUNTY CLERK

Jacob Glerum

If my services have been satisfactory during my tenor in office as your county clerk, would appreciate your support on Primary day on August 29.

-A Letter to the Voters-

To the Voters of Ottawa County:—

All during the campaign the campaign for sheriff of Ottawa county at the coming primary on August 29th next, I have refrained from advertising, and have limited myself to personally interviewing my numerous friends in the county.

My duties of State Deputy Game Warden, however, have taken all my time, and as the campaign draws to a close, I take this method of speaking to my many friends whom I have been unable to see personally and asking them for their earnest support at the coming primary.

I feel that I am well qualified to serve the county of Ottawa as Sheriff. For eight years I served the county as deputy sheriff under Sheriff Woodbury and Sheriff Andred and for four years I have served the State of Michigan as Deputy Game Warden. For twelve years my business has been the apprehending of criminals and bringing them to justice, and my friends all over the county know my record as an officer.

Experience is the best teacher and I personally believe the Sheriff's office should be on a salary basis. Upon that record I place myself before the people of Ottawa county and ask for their support for Sheriff of Ottawa county.

I decry no one. I make no charge against anyone. I place myself before you entirely upon my record, believing that I will be able, with my experience as an officer, to serve the county best and that I am the best qualified for the office.

Very truly yours, FRANK B. SALISBURY, (Adv.)

Good Cooks

are a blessing to mankind.

Properly selected and well cooked food is positive protection against dyspepsia and a hundred other ills.

The bread winner's earning capacity is increased 50% by the right kind of food properly cooked.

So we say "blessings on the good cook." She generally earns a lot more than she is paid.

There are numerous types of good cooks with various opinions but they are all agreed upon one subject—that pure, well made materials are essential to good results, and were a very important factor in their success.

Lily White

"The Flour the Best Cooks Use."

is a decided favorite with them.

They believed in the theory "a workman is judged by the quality of his tools" so started using Lily White flour.

Their experience with Lily White was delightful and they told their friends about it.

That is how Lily White flour secured its excellent reputation. We did not give to Lily White the popularity it enjoys. We did make the quality right and have kept it right.

Mr. Chamberlin is and has been a resident of the Township of Georgetown for fifty years. Up to the age of 25, he was engaged in farming. At the death of his parents he sold the farm and bought a general store in the village of Hudsonville, conducting said business in connection with the Post-

Office of the Postoffice changed hands on the coming in of the new administration.

Mr. Chamberlin is a good neighbor and friend to all and respected by all who know him. He is a staunch republican and has attended every county convention since he became of voting age. He boasts of not having missed a primary election since the primary law took effect.

If elected Register of Deeds, Mr. Chamberlin will conduct the affairs of that office in the same efficient manner that he has always conducted his own business.

He will appreciate your support at the primary election, Aug. 29.—Adv.

FOR REGISTER OF DEEDS Herman G. Vanden Brink

Have been Treasurer of Holland City for four years and feel that I am qualified to handle the office. If you can see your way clear to cast your vote for me at the Republican Primary on August 29, it will be appreciated.

FOR SHERIFF

Otto Bajema, of Georgetown

For thirty years has been a resident of Ottawa County. Has always been a republican unwaveringly. Have been a Deputy Sheriff under Sheriff Dykhuys for four years. I solicit your vote on Primary Day, August 29.

FOR COUNTY CLERK

Jacob Glerum

If my services have been satisfactory during my tenor in office as your county clerk, would appreciate your support on Primary day on August 29.

-A Letter to the Voters-

To the Voters of Ottawa County:—

All during the campaign the campaign for sheriff of Ottawa county at the coming primary on August 29th next, I have refrained from advertising, and have limited myself to personally interviewing my numerous friends in the county.

My duties of State Deputy Game Warden, however, have taken all my time, and as the campaign draws to a close, I take this method of speaking to my many friends whom I have been unable to see personally and asking them for their earnest support at the coming primary.

I feel that I am well qualified to serve the county of Ottawa as Sheriff. For eight years I served the county as deputy sheriff under Sheriff Woodbury and Sheriff Andred and for four years I have served the State of Michigan as Deputy Game Warden. For twelve years my business has been the apprehending of criminals and bringing them to justice, and my friends all over the county know my record as an officer.

Experience is the best teacher and I personally believe the Sheriff's office should be on a salary basis. Upon that record I place myself before the people of Ottawa county and ask for their support for Sheriff of Ottawa county.

I decry no one. I make no charge against anyone. I place myself before you entirely upon my record, believing that I will be able, with my experience as an officer, to serve the county best and that I am the best qualified for the office.

Very truly yours, FRANK B. SALISBURY, (Adv.)

Good Cooks

are a blessing to mankind.

Properly selected and well cooked food is positive protection against dyspepsia and a hundred other ills.

The bread winner's earning capacity is increased 50% by the right kind of food properly cooked.

So we say "blessings on the good cook." She generally earns a lot more than she is paid.

There are numerous types of good cooks with various opinions but they are all agreed upon one subject—that pure, well made materials are essential to good results, and were a very important factor in their success.

Lily White

"The Flour the Best Cooks Use."

is a decided favorite with them.

They believed in the theory "a workman is judged by the quality of his tools" so started using Lily White flour.

Their experience with Lily White was delightful and they told their friends about it.

That is how Lily White flour secured its excellent reputation. We did not give to Lily White the popularity it enjoys. We did make the quality right and have kept it right.

The Women of Michigan gave Lily White Flour its reputation.

Because Lily White flour baked the best bread and pastries. It will do the same for you. Do not be put off any longer; demand Lily White "the flour the best cooks use."

WALTER HOPPER GIVEN PAROLE BY GOVERNOR

THREW GIRL INTO THE LAKE FROM THE DECK OF THE STEAMER PURITAN

Man Sent Up to Marquette for Life For Murder in 1911 Given Parole by Gov. Ferris. Hopper's Case Drew Sympathy.

Walter Hopper, who threw his sweetheart into the lake from the steamer Puritan, while crossing from Chicago to Holland, has been paroled by Governor Ferris, and will shortly be released from the prison at Marquette, where he has been since Judge Padgham of the Ottawa Circuit court sentenced him to life imprisonment in 1911.

Hopper's case is still fresh in the minds of the people of Holland. His deed was one of the most sensational ever occurring in local criminal records. Hopper and his sweetheart had parted. For some time they had lived together in Chicago, and the girl had grown tired of her lover. Hopper protested against her leaving him, but she spurned him and gave him to understand that their love affair had ended for good.

The girl's insinuations that she had found another lover set fire to Hopper's brain, and when the girl boarded the steamer for Holland one Saturday, Hopper followed her unnoticed. Out into the lake, he approached her, attempting to win her back by kind words and offers of candy. She continued to spurn him, however, and down on the main deck he seized her in mad frenzy and cast her over the rail into the lake. He attempted to follow her but was detained by members of the crew. Hopper was placed in irons and turned over to the civil authorities of Ottawa county.

A charge of murder in the first degree was made against him and altho he wished to plead guilty, Judge Padgham ordered the usual inquiry which is necessary in murder cases. Hopper announced that he wished to pay the death penalty for his act, because he did not wish to live without the girl. He was sentenced to Marquette prison for the rest of his life by Judge Padgham.

During his term at Marquette Hopper has been a model prisoner, and has completely won the prison officials. There was a great amount of sympathy for him in Grand Haven from the time of his arrest and Hopper had no trouble in securing recommendations for parole.

SAMMY GOES VISITING; CHICKENS GO HUNGRY

SAMMY WISE HAILED BEFORE POLICE, BUT IS RELEASED; GIVES GOOD EXCUSE

Sammy Wise lives alone in some room in the Harrison building in East 8th street. He keeps chickens. Fourth of July he went away for a visit. Officer Dave O'Connor saw him in Grand Rapids two days later and wondered how Sammy's chickens were faring.

Upon his return to the city the officer broke into Sammy's chicken coop and found the chickens starving. One little chicken was dead. Presumably it had starved to death. The officer fed the chickens and until Sammy's return they were cared for by a man living near there.

Sammy was hailed before Chief of Police Van Ry to answer for this offense. He said that he had left his chickens in charge of a man living near his rooms and he thought they would be alright. As no serious harm had resulted Sammy was released.

A LEADING NOVELTY IN THE G. R. MARKET

WEST MICHIGAN EXHIBITING UNIQUE PHONOLAMP; LITTLE OVER TWO FEET HIGH

The present market has brought out an unusually large number of novelties many of which are being publicly exhibited for the first time. One of the most unique is found in the space of the West Michigan Furniture company of Holland, in the Furniture Temple. It is called the phonolamp, and as its name indicates it is a lamp and a phonograph. The phonograph is concealed in the base of the lamp. By opening a door in the front of the base, one has his phonograph before him. Both lamp and phonograph are run by the same current. Disk records are used. The lamp is made of a composition metal, finished in old ivory with art glass in the globe. The lamp is but two and a half feet high, and stands on any table.

GARAGE AND FORD AGENCY CHANGE HANDS

RALPH HAYDEN, P. R. COSTER AND W. H. ORR FORM NEW COMPANY.

A local company headed by Ralph Hayden, P. R. Coster and W. H. Orr have purchased the large automobile garage in Seventh street and the Ford automobile agency from Fred Jackson, who has been located there for several years. Mr. Hayden will assume active management of the business for the new company.

Mr. Jackson will retire from the garage business but he will continue in the automobile business, giving his full time as distributing agent for the Briscoe cars.

SUCCUMBS TO HEAT

First Prostration Reported in City During Hot Weather; Awaiting Parade

With the mercury at the 94 degree point in the shade Tuesday morning one prostration took place while the crowd was awaiting the arrival of the circus parade. Mrs. John Boera, of 308 W. 14th street, while standing in front of the Boot Grocery, collapsed. Water revived her and after a rest she was able to walk home.

This is the first prostration reported since the lengthy and strong heat wave struck this city about three weeks ago.

FORD STRUCK BY CAR COMES BACK FOR MORE

CAR OF LOUIS PADNOS, IN INTER-URBAN'S WAY, SCARCELY HURT.

The charmed life of a Ford has again been demonstrated. The one o'clock Interurban on its way to Macatawa struck the Ford car driven by Louis Padnos, junk dealer, near Lage's Drug store on West 13th street, and sent it spinning. The steering wheel had been set for a turn as they left the side of the road for the middle, not seeing the car, and the turn was kept up. A half circle was made on the lawn of a residence near there and the curve ended in front of the interurban, now stopped, as if waiting for another "go."

The occupants of the machine were uninjured by the crash, and the Ford merely sustained a twisted mudguard and a cracked windshield.

ATTORNEY FIGHTS ATTEMPT TO FINE

C. COBURN SAYS FIREMEN IN CAR WARRANTED GREAT SPEED ON EIGHTH STREET.

Corie Coburn, well-known attorney of Grand Rapids, "is going to show the people of Holland a thing or two." He was arrested for speeding during the time of the recent Sunday fire alarm when he made a sensational dash to the fire with some of the fire laddies aboard.

When informed by the officer of his arrest he 'phoned Justice Sooy and said he would pay the fine, and if forced to come to Holland to answer the charge he will "show Holland a thing or two." He came down Saturday and pled not guilty and immediately began his preparations for the showing. The examination was set for the 26th of this month. The defendant claims that the presence of the firemen in his auto warranted the phenomenal speed he made down the main street.

SIX NEW INSTRUCTORS FOR HOPE THIS YEAR

NEW VICE PRESIDENT WILL BE ELECTED BY FACULTY IN SEPTEMBER.

The complexion of Hope college faculty will be considerably changed when the new school year opens in September. At least six new teachers will take the places of the men who will not return. The most important chair to be filled is that of mathematics vacated through the recent death of Prof. J. H. Kleinheksel. The faculty will elect a new vice president to succeed Prof. Kleinheksel. The distinction of the oldest teacher in the college now goes to Prof. John B. Nykerk, who has been a member of Hope's faculty for thirty-one years.

DIEKEMA BEGINS VIGOROUS BATTLE

LOCAL HEADQUARTERS START OPERATIONS OF CAMPAIGN

Gerrit J. Diekema, candidate for the Republican nomination for governor, plunged into the fight in earnest Monday by opening up his state headquarters over Schrouder's drug store at Monroe and Ottawa avenues, Grand Rapids.

George Clapperton is in charge of the state campaign and associated with him are Walter H. Brooks and Arthur Van Duren of Holland.

Mr. Diekema stopped Monday just long enough to predict that he would be first in the primary August 29 and that Sleeper would be second and Leeland third.

PROMINENT ZEELAND RESIDENT IS DEAD

JERRY WALTMAN, 71, SUCCUMBS AFTER LINGERING ILLNESS—VETERAN OF CIVIL WAR

Jerry Waltman, aged 71 years and 8 months, for many years traveling salesman for the Judson Grocery company of Grand Rapids, died at his home in Zeeland Saturday morning after a long illness. Funeral services were held from the residence at 9 o'clock Tuesday morning and the body was taken to Grand Haven for interment. Surviving besides a widow, are two daughters, Mrs. R. Q. Vos and Mrs. Maggie Reed of Grand Rapids, and John Waltman of Holland.

Mr. Waltman was well known to many people in this city. He retired from business a few years ago and since then his health failed rapidly. He has been seriously ill for the past few weeks. He is a veteran of the civil war.

PLAYGROUND IS MEETING WITH SUCCESS

AVERAGE OF 54 PUPILS A DAY TAKE PART IN SPORTS

Overnight Hike to Port Sheldon Planned for Boys on Wednesday

All boys of the city above 11 years of age who wish to take part in a hike along the shores of Lake Michigan under the care of Playground Director Gordon Oltmans on Wednesday, taking blankets with them for an all night stop near Port Sheldon and returning the next day, will board the 6 o'clock car for the park on Wednesday morning, so prepared.

This hike will be a treat for those joining. Early Wednesday the party will take a park car and ferrying to Ottawa Beach will start the hike along the beach, with Port Sheldon as the destination. After "doing" that resort for the remainder of the day a camp for the night will be made near there on the beach, for which the blankets will be necessary. The return hike to Ottawa Beach and the ride home on the interurban will be made on Thursday. Food for the four meals will be part of the camp paraphernalia to be carried.

That the playground movement is meeting with success in this city is demonstrated by the fact that in the past ten days just 535 have attended, making an average of about 54 a day. This is far better the attendance of last year.

Instead of staging the sports at the different schools as was first the plan, the many playgrounds have been abandoned with the exception of the Columbia avenue school (now Lincoln), where all the action now takes place. As Miss Clara McClellan, who was assisting Gordon Oltmans, is unable to continue in the work, this narrowing down of the number of playgrounds was necessary. Now all children who can possibly take part in the fun of the new departure are urged to meet at the Lincoln school grounds each day according to the program previously announced.

The capitol, Lansing, heard today that Gerrit Diekema was going to make a drive for the nomination after the first of August that will be felt by all candidates. The Holland man it is said is planning on a tour of the entire state with a bunch of spellbinders, chief among them being former Governor Chase S. Osborn.

All doubts as to where Grand Rapids and in fact western Michigan stands in the gubernatorial fight were set at rest Saturday by the formation of a state wide organization to promote the candidacy of the Hon. Gerrit J. Diekema of Holland. Headquarters for the state were opened on the second floor of the building at Monroe and Ottawa avenues, over Shrouder's Grand Rapids, and will be maintained there until after the election this fall.

Walter H. Brooks has consented to accept the secretaryship of the Diekema organization and will take active hold commencing Monday or Tuesday. Geo. Clapperton was elected president of the Diekema Primary organization, as the campaign committee will be called, and the selection of assistant secretary and the personnel of the various committees will be announced soon.

The following have been tendered places on the executive committee and have accepted: W. Millard Palmer, Mayor George P. Tima, Arthur H. Van den Berg, Luke Lugers, William Judson, Harry D. Jewell and City Clerk James Schriver. These men supplemented by an advisory committee that is now being selected, will assist the officers in the state wide fight to bring about Mr. Diekema's election.

Just what plans will be followed have not as yet been made public by Mr. Brooks, but as the opening gun in the fight a booklet has been issued by the committee setting forth what it conceives to be some of the reasons why Diekema should be the choice of the people for governor.

MAKING PLANS FOR STATE S. S. MEET

EXPECT 2000 DELEGATES IN HOLLAND AT CONVENTION IN NOVEMBER

Plans are fast maturing for the entertainment of the State Sunday school convention here in November, at which 2,000 delegates are expected. Two large choruses are in training under the leadership of Mayor John Vandersluis and Carnegie gymnasium, Knickerbocker theater and the old Van Raalte church have been secured for the evening sessions. Prominent speakers have been secured and three meetings will be held simultaneously each night. Detroit will send about 200 and the Michigan metropolis will make a bid for the 1917 convention.

PEACH AND GRAPE CROP TO BE VERY POOR HERE

PARK ROAD GROWER SAYS PEARS AND APPLES WILL BE PLENTIFUL THOUGH

According to Daniel Bertsch, a prominent fruit grower on the park road, this vicinity is not very promising. Mr. Bertsch declared that many orchards south and west of Holland will yield very little of this fruit. He claims that in his and other orchards there will be but one peach this year to fifty last year while many grapes did not set at all.

Mr. Bertsch says that pears and apples give evidence of an abundant crop. In other parts of western Michigan, especially in the counties further south the peach crop will be excellent this year, according to reports. The cherry crop is good, generally throughout western Michigan.

While the continued sunshine is drying raspberries to a certain extent, those that have been carefully cultivated are still in good condition. A few blackberries are being brought into market and some dewberries, although it is early in the season for both those fruits.

G. R. "Y" WINS OVER LOCAL TEAM

RETURN MEET WITH TENNIS TEAM RESULTS IN VICTORY FOR HOSTS

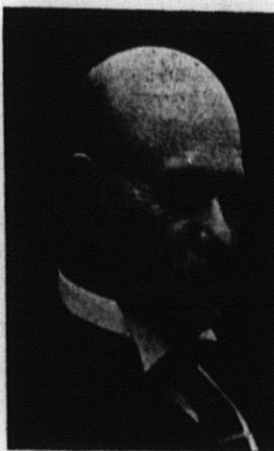

The Grand Rapids "Y" tennis team Monday won the match over the local net team composed of Jack Post and Carroll Van Ark by winning the Post-Rutledge singles first with a 6-2, 6-4 score, and taking the doubles by the same count. The singles between Bartz of Grand Rapids and Van Ark were not finished, as at 7:30 o'clock the first set only had been completed. This ended in a 11-9 count in Van Ark's favor. The matches were played on the Boat and Canoe club court at Grand Rapids.

This Holland team will meet the Grand Rapids Catholic Central net team in a match on the Diekema court, this city, next week Wednesday, play starting at about 4 o'clock in the afternoon.

FOR PROBATE JUDGE

DANIEL C. WACHS

Daniel C. Wachs of Grand Haven, candidate for nomination by the Republican party for the office of Judge of Probate of Ottawa county, at the Primary election on August 29, 1916, was born in Crawford county, Ohio, in 1846, and brought up on a farm. At the age of 18 he went to Columbus, O., where he taught school three years and studied law. He was twice elected clerk of Montgomery township, which embraced the city, was secretary of the Friend Street Railway company two years and admitted to the bar in 1868. After the death of his wife in 1874, he spent a year traveling through the southern states, after which he returned north

and engaged in teaching. In 1879 he came to Grand Haven, was principal of the Ferrysburg schools three years and taught the ungraded school in Grand Haven five years during the winter and had charge of the packing department in the Boyden shingle mill during the summer months.

He served as Recorder of Grand Haven two years; was editor and publisher of the Ionia Express two years; and then published the Grand Haven Daily and Weekly Express for six years. During which time he served two years as county agent. In 1906 he was elected Justice of the Peace and re-elected in 1910.

He has no outside interests to interfere with devoting his entire time to the office of Judge of Probate if nominated and elected. As to his judgment and efficiency in office, he is willing to submit it to the voters of Ottawa county without argument.

A man picked up by Officer Steketee Monday a. m. for being drunk gave the name of William Wellman. He carried a neatly wrapped bundle. In jail Mr. Steketee examined the bundle and found it to be a brand new gun. Wellman was too drunk to offer an explanation. The case is being investigated by the police.

Mr. and Mrs. Joe Kardux, Mr. and Mrs. Nick Hoffman and son, Clark, and Mr. and Mrs. Leonard Kardux and their daughter-in-law, Mrs. Joey Kardux, all of Holland, and Miss Lizzie Ver Plank of Grand Rapids and Mr. and Mrs. G. Vis of this city visited with Mr. and Mrs. H. Heyboer at Zutphen.—Zeeland Record.

Fifty per cent of the men were costless during the services in Third Reformed church Sunday morning. Just before the singing of the second hymn the pastor, Rev. Martin Flipse, announced that he would excuse any man who wished to pull off his coat owing to the excessive heat. Led by the ushers and choir members the men shed their coats.

The car ferry Grand Haven is in ordinary at Grand Haven for a period of about five weeks. She will receive her regular summer overhauling and repairs. During the time she is laid up the car-ferry Milwaukee will go off schedule, making as many trips as possible between that port and Milwaukee to handle the freight.

The Holland Canning company last week shipped a car load of canned goods to the National Guardsmen of this state who are now gathered on the Mexican border. The company believes that the men will especially appreciate as well as relish some of the products of their own state while they are doing duty in, and around Mexico.

The fishing tug Anna brought in a haul of 1900 pounds of herring last Thursday, the largest haul of the fleet made in some time. The herring fishing is much better than it has been for some time and all tugs are getting hauls off this port now. Practically all are herring, comparatively few trout being taken, when the herring are running.—Grand Haven Tribune.

Commencing July 1 the new Federal Standard Barrel law become operative, but it is doubtful if half the grocers in any given community are fully aware of it. Barrels may be of whatever shape may please the maker or vendor, but if they are to pass muster they must contain 7,056 cubic inches, or 105 quarts, or approximately three bushels. The penalty is \$500 fine or six months' imprisonment.

Approximately 845,744 children of school age will participate in the apportionment of primary school money to be made next Thursday by Supt. of Public Instruction Fred L. Keeler. The exact figures will not be available until the totals are tabulated. Superintendent Keeler says the school census for this year shows an increase of approximately 19,000 over the number registered in 1915. Wayne county leads with an increase of 8,000 children. The amount of money to be apportioned this year is \$6,532,735.98, at the rate of \$7.70 per capita.

The warm weather demand has jumped lemon prices to record levels. The dealers are asking \$8 with no guarantee that the price will not be still higher if there is any delay in placing the order. Cantaloupes, water melons, tomatoes and other warm weather favorites also are in heavy demand with the prices firm as quoted.

The trolley wire of the Holland interurban company came down on Van Raalte avenue Saturday afternoon. Several poles fell down and it took some time to make repairs. Traffic was not delayed as cars could run along 13th street line. The damage is slight. Considerable difficulty was experienced in keeping automobilists from driving over the wire.

About 6 o'clock Tuesday evening as freight train No. 60 on the Pere Marquette track pulled into Fennville a big furniture car was discovered to be on fire. The fire company was called out and the flames extinguished before the contents were entirely destroyed. It was loaded with office furniture from the Gunn Furniture company of Grand Rapids consigned to the Abernathy Furniture company of Kansas City.

Holland's new athletic park is rapidly nearing completion. The grounds are being laid out under the directions of the board of public works and are located near the power plant between 5th and Sixth streets. About 25,000 cubic yards of sand have been removed and the park is sufficiently large enough to permit baseball, football, and all other athletic sports. The grounds will be used by all organized teams in the city, both high school and college.

Says a Hudsonville correspondent—We have known of mother hogs eating their young, but that hens should eat the heads off young chicks is to us a new development of cannibalism and certainly very unusual in the biped family, but such has been the experience of Rev. and Mrs. Fryer with their poultry this season. The wings and partially eaten bodies of a number of small chicks were found before the source of this slaughter was discovered.

As a part of their honeymoon trip Mr. and Mrs. Homer V. Venhuizen of Holland were guests Thursday of Miss Mary and Miss Nellie Grooters enroute to Chicago. Mr. and Mrs. Venhuizen were married in Holland July 12. Rev. H. Veldman officiating. Mrs. Venhuizen was Miss Bertha M. Smith of Holland and a social favorite with the younger set. Mr. Venhuizen is an engineer on the Pere Marquette railway and they will be at home in August at Columbia avenue and Fifth street.—G. H. Tribune.

J. Arendshorst, of Holland, republican candidate for nomination of register of Deeds for Ottawa county, was in the city boosting the Holland Fair of which he is the secretary. The association has just awarded the contract for the building of a large barn for race horses. The building will be 44x196 feet, containing 32 double box stalls, and the same must be completed in time for the fair in September. This new barn together with the new buildings erected the past couple of years will place the fair grounds in excellent shape. Mr. Arendshorst was passing out felt pens for autos advertising the fair and any one desiring same can secure them from him at Holland.—G. H. Tribune.

The annual school meeting held Monday evening resulted in the re-election of E. H. House as member of the board for another term of three years. It was decided to extend the school year to 38 weeks, two weeks longer than formerly. The Primary building has already been placed on its foundation and is ready now for the carpenters to put it in proper shape for a model primary school. It has surprised many people to see how easily this large building has been moved by Plaggenbar Bros. of Holland, nearly two miles over rough roads and around corners and placed in position in less than five days without cracking the plaster. School will open Sept. 5. Mr. Ellis is attending the summer school at the University.—Saugatuck Commercial Record.

Gerrit J. Diekema for governor, will be the slogan of western Michigan Republicans during the primary campaign, which will end in August. This step was practically decided at a recent dinner party in Grand Rapids, when many of the prominent men in the party in Grand Rapids gathered at this dinner given as a compliment to the man from Holland and pledged their undivided support to him. The result of the dinner is important in several ways to the Diekema boom. In the first place it removes a serious doubt from the minds of his friends as to what Grand Rapids is going to do, and in the next place it indicates that Diekema is very likely to be the Western Michigan candidate.—Zeeland Record.

COAL DEALERS IN PICNIC AT BEACH

AUTOS LEAVE CITY WITH HORNS HONKING; SPORTS AND FEED MAKE HIT.

The coal dealers of the city are also making hay while the sun shines. This hot weather makes a clear coast for a picnic, say they, and yesterday they proved. At 9:30 a. m. about ten autos drove down main street with a joyful noise just to let the populace know they were going. The cars were draped with large and small flags. Buchanan Beach was their destination. Games and sports of food providing nature were on the program of the day. A big spread on the beach was the most popular number.

JENISON PARK IS BIG PICNIC GROUND

MANY GRAND RAPIDS PERSONS MAKE ARRANGEMENTS FOR OUTINGS.

Many firms and organizations have recently made arrangements with the Michigan Railway company for cars to carry parties to the various resorts for annual picnics within the next three weeks.

Thursday the Broadway Sunday School, about 500 strong, will leave Grand Rapids in eight special cars for Jenison Park where they will remain all day.

The employees of the Luse Furniture company will go to the same park on July 22, and the employees of the Jennings Extract company who were to go to Jenison park that day have postponed their picnic until Saturday, July 29.

July 26, about 150 of the Holland old settlers will go to Jenison Park.

Two picnics will be held at Jenison August 5, that of the Wilmarth & Morman company employees, about 150 in number, and the Berkey & Gay Co. about 900 in number.

STEEL MONSTER IMBEDDED IN ROADSIDE DEFIES ALL EFFORTS

Tuesday afternoon residents and pedestrians along West 16th street and Maple avenue witnessed a strange spectacle. A steel monster had become imbedded in the soft sand on the side of the road where a sewer had recently been dug. One of the large steam rollers had erred slightly from the hard gravel and was down as far as it could go.

All efforts to make it climb out were in vain. A second roller was then rolled to its assistance and a light chain attached. This snapped like so much cord, and a heavier one was sent for. With the combined power of the two steam monsters, the "ditched" one was finally put upon a straight keel again and it snorted away.

Several amateur photographers of the vicinity took advantage of opportunity and snapped the graceful pose of the awkward Austin. One spectator distinctly traced the rhythm of "Geel but I'm Glad to Get Out of the Wilderness" in its relieving puffing.

TRAIN HITS JITNEY; \$100 DAMAGE TO CAR

TWO OCCUPANTS OF MACHINE UNHURT; CLAIMS NO WHISTLE WAS BLOWN.

While driving over the Pere Marquette tracks, Allegan division, Tuesday afternoon, the jitney bus operated by Fred Sinke of 48 East Sixth street, was struck amidships by the train and badly wrecked. The front of the car was torn and twisted, but the driver and his son, who were the only people in the car, were uninjured.

Sinke claims that the train came upon him without the usual warning whistle. He was crossing the track near the Superior Foundry when the accident happened. The damage amounts to about \$100.

DRUNK AGAIN, IN AGAIN, OUT AGAIN, DRUNK AGAIN

THAT WAS WHAT HAPPENED TO JAMES HARRIS; IT'S THIRTY DAYS THIS TIME.

James Harris was arrested last Monday on a charge of being drunk. When arraigned before Justice Miles Tuesday afternoon he was given a suspended sentence. He was held in jail until 3 o'clock in the afternoon and then advised to take the Graham & Morton boat to Chicago.

Just two hours later an officer picked Harris up again. He had been out of jail just long enough to get drunk again.

Justice Miles sentenced him to thirty days in the county jail Wednesday morning.

LAD OPERATED ON FOR APPENDICITIS

FIFTH ATTACK OF DISEASE SO ACUTE THAT OPERATION IMPERATIVE

An operation for appendicitis was performed Wednesday morning on Simon Hildebrandt of this city at the Edgewater Hospital on the North Side. Drs. Winter, Mersen and W. C. Kools of Detroit, assisting Dr. Winter, were in charge of the operation. The quite a severe case, the patient is resting easily and a speedy recovery is expected.

This is the fifth attack of the disease that Hildebrandt has suffered, but this time it was so acute that an operation was necessary. He returned from Lansing for the operation where he has been working for the past month.

ASSOCIATION ELECTS DIRECTORS

The following directors were elected for a term of three years at the annual meeting of the Building and Loan Association held Tuesday night in the new offices in the First State Bank building: George E. Kollen, Arthur Van Duren, I. Kouw and Mrs. L. Thurber.

A two and a half per cent dividend was declared for the six months ending July 1.

FOUR BICYCLES AND ONE AUTO STOLEN

FRANK WEBBER, SAID TO BE EX-CONVICT, GETS NINETY DAYS IN COUNTY JAIL

Two Wheels Owned by Local Men Are Recovered by Police; One Still Missing.

Three bicycles were reported stolen from Holland men Tuesday and one bicycle thought to be stolen from some other city by a circus follower was purchased by a local bicycle shop. Two of the bicycles stolen from local men have been recovered by the police and an effort is being made to locate the owner of the bicycle sold here.

The local bicycle concern showed their good faith in purchasing what they believed to be stolen property by notifying the police and telling them that if the owner could be found he could have the wheel for the same price they paid for it. This price was very small.

A man giving the name of Frank Webber, which name is thought to be fictitious by the police, was taken to Grand Haven yesterday to serve a 90-day sentence for stealing a bicycle owned by Leonard Koppelaar.

Peter Raffenaud of the bicycle firm of Bishop & Raffenaud, reported to the police that a man was trying to sell a good wheel very cheap. The police investigated and found Webber offering a good bicycle for \$2.50. He said he had bought it for five dollars.

Webber was taken into custody and later the wheel was identified by Mr. Koppelaar.

When arraigned before Justice Robinson yesterday a. m. Webber pleaded guilty. He was given the limit, 90-days in the county jail. Webber was considered a tough character by the police and by the Justice and for this reason the sentence was made so severe.

When Webber was being taken to the city jail, a local man who has served a term in the Ionia State prison, claimed to recognize Webber as a former state convict. The local man after a talk with Webber in the city jail, claimed that Webber served five years in Ionia under the name of Brooks for breaking and entering. He said Webber or Brooks, was sent up from Grand Rapids.

Webber denied this when questioned by a police officer. Webber was an employee of the circus here.

A wheel reported stolen by Charles Risselarde, Tuesday afternoon was later found by a police officer about twelve o'clock Tuesday night.

The wheel which has not been recovered by the police was reported stolen by J. Brien, 74 West 12th Street.

One automobile was stolen. A Ford car, 1915 model, owned by James Koning and son of Saugatuck was stolen from the fairgrounds while the circus was going on Tuesday night. The machine bears the license number 45464 and engine number 81370. It is brass trimmed, has a Stewart horn, and smooth U. S. tires. It is thought that the car might have been taken by joyriders and abandoned later.

Sheriff Short of Allegan has offered a reward of \$25 for information leading to the arrest and conviction of the thief or thieves who stole the automobile. A reward is also offered for the return of the automobile.

LOSBY GETS INTO RACE FOR THE STATE SENATE

MUSKEGON MAN WANTS TO SUCCEED DR. HOFMA OF GRAND HAVEN IN STATE SENATE

Peter W. Losby, who served Lakeside and Muskegon as justice of the peace and police justice for sixteen years in all, has announced his candidacy for the republican nomination for state senator of Muskegon and Ottawa counties, which comprises the twenty-third senatorial district of Michigan.

The custom in the past has been for the counties to alternate in furnishing candidates, each county furnishing the occupant of the office for four years, or two terms. Ottawa county has held the office for the past four years, Joe B. Hadden of Holland, now of Allegan, being elected in 1912 and Dr. Edward Hofma of Grand Haven being named in 1914.

Muskegon republicans expect that the ancient practice instituted under the caucus system will be perpetual under the primary system and that Dr. Hofman will not be a candidate for re-election this year, even though he had but one term.

Four years ago a situation similar in that in which Dr. Hofma now finds himself, prevailed in Muskegon county. Ex-Senator John Vanderwerp was defeated in caucus in 1908 as Dr. Hofma was defeated in the election in 1912 by Haddon, a Bull Moose. Vanderwerp came back in 1910 and was elected as Hofma came back in 1914. Vanderwerp pulled out at the end of his term to make room for Ottawa county candidates and Muskegon republicans are looking to Holland to do the same.

Attorney R. J. McDonald of Muskegon is the only other aspirant for the nomination.

FIRST VICTIM OF HEAT DIED IN HAMMOCK

GILBERT JARDINE, CASTLE PARK 76, DIES AFTER PUTTING IN DAY OF WORK.

The first death in this vicinity as the result of the heat took place Tuesday at Castle Park, when Gilbert Jardine, a resident of that place was found dead in his hammock.

Mr. Jardine, who was 76 years of age worked during the day plastering some rooms of his home.

About 5 o'clock he quit work and went to the hammock for a rest. He was found dead a short time later.

The funeral was held today at two o'clock from the home at Castle Park. The Rev. A. F. Brusk of this city officiated.

FARMER, TOO DRUNK TO DRIVE IS LOCKED UP

DICK BRONDYKE TAKES FAMILY SHOPPING; BOOZE IS MIXED UP WITH REINS

Dick Brondyke, a farmer living west of Holland, while taking his wife and child home from a shopping trip thru Holland, got some booze tangled with the reins of his horse and considerable trouble was the result.

Carrying an excessive load of liquor within him, Brondyke proceeded as far as River Avenue and 16th street on the homeward journey without a mishap. At this point the lines became crossed. Brondyke, angered tried to drive the horses and he would have tipped his wife and child out onto the sidewalk, had not a man passing, grabbed the horse and held it.

Brondyke excitedly tried to tell just how it happened and he drove his fist through a new window he was taking home. An artery in his wrist was cut and his wife's hand was cut by pieces of glass.

The police took charge of the party. Both Mr. and Mrs. Brondyke were attended by Dr. Thomas.

Brondyke paid \$3.45 costs to Justice Miles for being drunk. He was then held in the city jail until he was sober enough to go home.

ASK TO BOND CITY FOR \$50,000.00

MASS MEETING WANTS THAT AMOUNT TO GET FACTORIES WITH

Close to 200 boosters, including business men, professional men, manufacturers and laborers unanimously voted that it was the sense of the public mass meeting held Friday night in the court room of the city hall, that the common council pass a resolution submitting to the vote of the people the question, whether or not the city be bonded for a definite sum (\$50,000 was suggested as being sufficient) to be used for a certain length of time to bonus factories in order to get them to locate in this city.

What has been accomplished with the present \$50,000 bonus fund was explained by Chairman A. H. Landwehr. The committee has not lost one cent of this money but instead they now have \$56,000 in safe investments to show for this original \$50,000.

The bonus trustees devised a scheme whereby if a bonused factory goes broke the city will not lose. The bonus given a factory coming here is put into buildings and property and the trustees hold the title. The factory concern can earn their bonus by paying out in wages each year for five years, an amount, four per cent of which will equal the bonus paid them. Should the amount in that time not equal the amount given, then the owners of the factory must pay the difference in cash.

The bonus committee is preparing a report even more complete than the one given at this meeting. This report will be published in the News before the question of granting a new bonus is presented to the people.

Att. Geo. E. Kollen gave a good straight from the shoulder talk on the conditions facing Holland. He said that he did not believe in the principle of bonusing factories but that as long as the cities around us are following this method of attracting factories, we must do the same to live. Mr. Kollen said that he believed that some day a city would spring up on the eastern shore. He said everything was pointing to either Muskegon, Grand Haven or Holland becoming this city.

Con De Pree gave an enthusiastic address telling of the need of a bonus fund to keep pace with the cities around us.

Other talks were given by J. A. Keiley, G. Van Schelven, Mayor Vander-sluys and Att. F. T. Miles.

All the speakers brought out the fact that we need a bonus to bring in the factories knocking at our doors.

FENNIVILLE ALLEGED AS SAULTER ASKS EXAMINATION.

MAN CAUGHT IN CHICAGO BY SHERIFF SHORT SAID TO HAVE CONFESSED

Little Fennville Girl is Recovering; An Examination Takes Place Tomorrow.

The 19-year-old farmer lad, who it is alleged committed an assault upon the 11-year-old girl of Fennville, was caught in Chicago by Sheriff Short of Allegan county. Both Prosecutor Pearl Fouch and Sheriff Short claim to have a confession signed by the Fennville man.

However an examination was demanded by him through his attorney, Clare Hoffman, and this will be held before Judge Stedman in Fennville tomorrow at ten o'clock. The little girl it is said, is recovering rapidly and will possibly be at the examination as a witness, when it is called.

Two loads of long steel girders for the new buildings of the Holland Autoline Co's plant passed thru the city this morning on their way to the scene of the erection on the North Side.

The new wing of the Holland Home in Grand Rapids, will be completed about October 1. Several societies and individuals of this city, Grand Haven and Bib Rapids, have offered to furnish rooms.

During June the Pere Marquette Railway company reports total earnings \$1,779,468, an increase of \$345,542 over the corresponding month last year. The freight earnings showed an increase of \$277,542, and passenger earnings, \$31,592.

William Connelly, secretary of the Grand Haven Chamber of Commerce, and Guy Hamilton, president of the Alter Motor Car Company, Plymouth, Michigan, are in Detroit arranging for the transfer of the new company from Plymouth to Grand Haven. Negotiations are on for two other concerns.

Saturday the following games will be played by the teams comprising the new factories' league, recently organized in this city: Shoe vs. Piano, 19th street at 2 p. m.; Furnace vs. West Michigan, 19th street at 3:30 p. m.; Limberts vs. Holland Furniture, College Campus at 2 p. m.; DePree Chemicals vs. Walk-Overs, College campus at 3:30 p. m.

ZEELAND

Fire Chief Heasley, M. C. VerHag and Martin Korstange left Wednesday for Detroit where they are acting as delegates to the State Firemen's convention which is being held in Detroit July 20, 21, and 22. D. F. Boonstra, a member of the local fire department is also attending the convention and was accompanied to that city by Mrs. Boonstra and children.

Born to Mr. and Mrs. John Shoemaker, S. State street—a girl. Several of the local coal dealers motored to Macatawa Park Wednesday, where they attended the coal dealers' picnic.

The evangelist, the Rev. Ellis of Hudsonville has accepted a call to supply the church at Wayland for two months.

J. Arendshorst of Holland made a business trip to Zeeland Wednesday. The Rev. and Mrs. Leonard Trap returned Wednesday from Grand Rapids where they spent the past week with friends.

COMMON COUNCIL

(Continued from Page One)

ago by an adjacent property owner, was advised disposed of by the Committee on Sewers, Drains and Watercourses by the ordering of the installment of a roof drain on the building, to connect with the storm sewer.

No report was ready from the special committee investigating fire trucks in adjacent cities.

Two assistants for Park Supt. Kooz-ers were named in J. Markus and Henry De Pree. These men will inspect the trees of the city for scale.

Three additional fire alarm boxes were ordered conforming with the recommendation of the fire chief, to be placed on Columbia and 18th street, on 18th and Maple and on 14th and Lincoln near the new Furnace Company.

Justice Robinson reported \$11.90 collected as officers' fees, and the city treasurer reported \$24.49 in delinquent taxes.

Censor Board appointments to fill vacancies were recommended by the Board. As Frank Bolhuis and Prof. Dimment are leaving, Dr. Mabbs and Prof. Huisinkveld were suggested. The matter was tabled for two weeks.

The City Attorney announced that a settlement of the Central Paving problem was in sight. The city was offered 8,000 gallons, or more if necessary, to put an entire new top coat over the street, and the payment of half the cost of the labor to have it put on. It was explained after discussion that it would be to the city's advantage to do this instead of waiting for another suit in Circuit Court next year. A committee composed of Chairman Congleton of the Street Committee, City Attorney, Engineer, Mayor and George Kollen to arrange for the settlement, was appointed. They will report back to the council at a special meeting for endorsement.

Gerrit Kamper, living on Lincoln between 9th and 10th street, complained to the council in person that his shade trees had been trimmed by an assistant of the Park Board, but had been left looking like flag poles. The Committee on Streets and Crosswalks was ordered to investigate.

Water troughs for horses of farmers and city people were assured last evening when Ald Congleton moved that the City Engineer be ordered to place water troughs on three different spots in the city according to his judgment. Farmers have been complaining of the lack of water, and the improvement will be welcomed by the city people as well.

A drinking fountain for pedestrians will also be placed on 13th street near Lage's Drug store, as crowds gather here, waiting for the cars, and water is in great demand.

The question of the city attorney, "Whatcha gonna do for the flivvers?" met with the proper snub on the cart of the chair and broke up the meeting. The physical needs of the perspiring council members were at once attended to with the accompanying fizz of soda water.

FOR JUDGE OF PROBATE

Edward Soule, candidate for the Republican nomination for Judge of Probate, was born in Spring Lake, Jan. 27, 1871. He was educated in the Grand Haven Public Schools and graduated in the class of \$89. He became a shorthand reporter and was employed in local offices and also in the law office of Congressman Ford, in Grand Rapids. GEO. LAGE HEADS THE NEW FACTORY LEAGUE

MAYOR VANDERSLUIS AND HERMAN VAN TONGEREN ARE OTHER OFFICIALS ELECTED

First Games Will Be Played Next Saturday Afternoon; Managers See Revival of Baseball Here

George L. Lage was elected president of the factory league at the meeting of managers held Monday night at Van Tongeren's cigar store. Mr. Lage will have the honor of pitching the first ball at the games Saturday. The other officers, chosen are Mayor John Vandersluis, Vice President and Herman Van Tongeren, secretary and treasurer.

These three men will constitute the executive board and they will handle all the affairs of the league. They will commence at once on arranging the schedule.

Saturday two double headers will be played. Two games will be played on the Hope College diamond and two games by other teams will be played on the Nineteenth street grounds. Just which teams will play has not been decided upon as yet.

From now on two games will be played on these diamonds every Saturday afternoon.

There will be six teams in the league. They are the Bush & Lane, Holland Furnace, West Michigan, Holland Shoe, Limbert's, Holland Furniture, and De Pree Chemical.

The prize for the winning team will be a silver cup.

All managers were present at the meeting Monday night and they were very enthusiastic about the league's prospects. It is hoped that his factory league will mean the revival of baseball in Holland.

FIRST MOTHERS' MEETING A VERY SUCCESSFUL ONE

Ladies From Different Churches Are Royally Treated by Ladies of 14th Street Church

At least sixty ladies from the different church denominations gathered at the first Mothers' meeting held Friday afternoon in the parlors of the Fourteenth Street Christian Reformed church.

The meeting was called to order and presided over by Mrs. John Weersing, who made an apt presiding officer.

The program for the afternoon was well arranged and it was truly a meeting where the young mothers learned how to bring up the little babes as they came into the world and the proper rearing of these dear little ones.

The program opened with prayer by Mrs. Garvelink and scripture reading by Mrs. Van Dyke. A quartet consisting of Mrs. Boomers, Mrs. Westrate, Mrs. Ten Brinke and Mrs. Streur accompanied by Mrs. Stegerda, sang very impressively "Abide With Me," and "Jesus Leads."

Mrs. Charles Dutton was then called upon to explain the object of the meeting and she told briefly the helpfulness that these meetings would bring to the young mothers. Her talk was to the point and was well received by the attending ladies.

The question box was presided over by Mrs. John Van Oss who surprised her many friends owing to the able way in which she conducted this part of the work. Very valuable information was brought out by way of the question box. Each questioner was given a minute to put the question desired answered and the answer must also be given in that time limit. This is done to expedite matters and in order that a great deal of ground can be covered on the subject in this way.

Dr. Leenhouts was next introduced by Mrs. Dutton, who called the local physician "The beloved physician" as Luke was called in the bible.

The doctor had his subject well in hand and gave the mothers present some valuable knowledge about the bringing up of children, a great deal of which they never knew of. Dr. Leenhouts did not mince matters but gave a straight from the shoulder talk long to be remembered and followed by his attentive listeners.

The ladies of the Fourteenth street church deserve praise for their hospitality and their earnest endeavor to make the ladies from sister churches feel at home.

The meeting was closed after all had partaken of dainty refreshments served by the women of the above named church.

CHEERFUL SICK BOY RECEIVES SURPRISE

ATTRACTS ATTENTION OF GRAND RAPIDS MEN AND CONDUCTORS ON INTERURBAN CARS

Little Coral Taylor, son of Mr. and Mrs. W. O. Taylor, 291 West 13th St. received a pleasant surprise Friday evening.

Coral is a game, gritty little kid with a bad case of tuberculosis of the bone. He attracted the attention of Grand Rapids business men by giving them a wave of the hand as they passed his back yard every evening in the interurban resort car on their way to Macatawa Park and Ottawa Beach.

George Todd, manager of the Central Michigan Paper company, made it a point to look Billy up and found that a little money would not go amiss.

So Friday night on the way down a collection was taken up by Mr. Todd and Edmund Brochu of the John D. Raab chair company and the car was made to make a special stop at Billy's back yard when he was presented with a lapful of silver and bills amounting to \$50.

The conductors of the line also helped Coral out. Besides money he received a cot, flowers, fruit and other things.

POSTAL REGULATIONS VERY IMPORTANT

ALL MAIL BOXES ON THE RURAL ROUTES MUST CONFORM TO SPECIFICATIONS

All mail boxes erected on rural routes from now on must conform to new specifications prescribed by the postoffice department, and be officially approved by postmasters at the place of manufacture. Each box so accepted will be stamped on the inside by the approving postmaster. Two sizes have been designed and adopted: No. 1—18½ inches long, 6¼ inches wide; 7¼ inches high; for letters and ordinary mail. No. 2—23½ inches long, 11 inches wide, 14 inches high, for all mail, including parcel post.

Better knowledge of postal conditions and requirements on the part of the public means improved service rendered by postal employees. A copy of the Official Postal Guide, issued in July annually, should be a part of the necessary equipment of every business concern, of every school or institution, and in fact, of all who may use the postal service. The Guide is especially essential to the users of the parcel post, as the list of postoffices arranged by states contains the unit numbers. Zone keys are obtainable through your postmaster, who will be pleased to explain about the different priced editions and furnish order blanks.

HAS HAND-MADE WOODEN AUGUR USED IN BUILDING ERIE CANAL

A hand-made wooden augur a century old, used in the construction of the Erie canal by his grandfather is the unique possession of C. M. Camburn of Macatawa. Adorning the wall of his store at this summer resort, it is often the object of curious interest among the visitors.

Inspection shows it to be made of one solid piece of wood, the grain running in the same direction throughout. The body of it is shaped similarly to the modern tool and is made of rock elm. The holder of the bit is a piece of hickory. A nail used to hold the bit is one of the old-fashioned kind, pounded out and with a square head. A smooth pivot at the head, just below the knob held in the hand, allows the augur to swing freely and smoothly. Mr. Camburn shows its present usefulness even now by boring a neat hole with the ancient relic.

Rather clumsy in appearance though it is, it has served a long period of usefulness, and its work has been greatly admired. In the hands of Willis Camburn, Mr. C. M. Camburn's grandfather, it helped to build the Erie canal in the years 1817 and 1825,—that tie between Lake Erie and the Hudson. The tool was made by a Camburn more than a century ago, presumably by the owner's great-grandfather, though of this fact Mr. Camburn is uncertain. As a family heirloom it is priceless in value.

Other possessions at the Camburn cottage include pounded brass candlesticks made in Scotland a hundred years ago and the andirons in use in the fireplace were taken to this country by the great-grandfather from Scotland.

LAD SUFFERS A FRACTURED SKULL

SON OF MR. AND MRS. J. E. TELLING IN SERIOUS ACCIDENT ON PAVEMENT

Master John Telling, son of Mr. and Mrs. J. E. Telling, of 85 West 12th St., was seriously injured about the head when he was thrown to the pavement in a bicycle collision. John rode out of the Telling driveway into 12th street as another bicyclist came up. The two met in the middle of the street and the youngster was thrown forcibly to the pavement, striking on the side of his head.

He was carried into the house and medical aid summoned. Dr. W. G. Winter found that the boy was suffering from a fractured skull. The wound was dressed and the injured lad has been resting quietly since. Absolute rest and quiet for some time will restore the young victim to health.

WRECK SPILLS 200 GALLONS OF "GAS"

DRIVER ESCAPES DEATH BY MIRACLE; WAGON ENTIRELY DEMOLISHED.

Another raise in the price of gasoline! Two hundred gallons of the precious fluid were lost Thursday a. m. on the park road. The tankwagon of T. Keppel Sons, carrying about three hundred gallons of gasoline, met with an accident that wrecked the wagon and sent about two thirds of the load into the dust.

As the outfit coasted down the hill at Montello Park on the way to this city, one of the hind wheels came off. The wagon at once turned over, pinning the driver, Albert Blink, under the hood to protect him from the sun. The separate cans were thrown into the dust and the lids coming off, the fluid ran out. The large tank spilled a great deal of its contents as well.

Blink, by a great miracle, one of the unexplainable mysteries of fate, crawled from under his prison without a scratch. Spectators thought that he had been killed. The outfit was considerably damaged.

NEW POLICEMEN ADDED TO HOLLAND FORCE

DUMMY TRAFFIC COP DIRECTS VEHICLES ON RIVER AVE. AND EIGHTH STREET, CORNER

A new policeman was added to the Holland force Saturday morning. It's a dummy but it minds good and does the work O. K. A traffic signal, that's what it is. Just a little red box with a light in it displaying a sign, "Keep to the right." It has been stationed on the corner of Eighth street and River Ave. Pity he who is so indiscrete as to knock it over with his automobile.

The policemen who have had to do continuous traffic duty on this corner in the hot sun, are glad. They will not have to wear white gloves and more.

NEW METHOD OF CANNING TO BE TRIED OUT IN SAUGATUCK

WILL BE UNDER THE DIRECTION OF THE STATE AGRICULTURAL COLLEGE

The extension division of the State Agricultural College is sending out demonstrators to teach the cold pack process of canning fruits and vegetables. Upon solicitation it has been arranged to hold a demonstration in Saugatuck on the afternoon of July 31. This demonstration cannot fail to be of great value to housekeepers and we hope our readers who are interested will remember the date. Information can be had of Fred Wade who has charge of local arrangements.—Saugatuck Record.

100,000 SMALL MOUTH BASS PLANTED

GAME WARDEN WANTS TO MAKE BLACK LAKE GOOD PLACE TO FISH.

Now Has Application In For Bluegill Spawns; Conditions Not Right For Pike.

Deputy Game Warden Cornelius Dornbos is perhaps as much or more interested in good fishing for the people of Holland than any other man. He enjoys fishing himself and he likes to see other people enjoy fishing. That is why he is trying to make Black Lake a good lake to fish in.

About six weeks ago Mr. Dornbos applied to the Michigan Fish Commissioners in Detroit for small-mouthed bass spawn to plant in Black Lake. Shortly after making application he received 50,000 very small-mouthed bass from the Comstock Park Hatchery. These he planted. Last week he received another shipment of 50,000 and these were also planted in Black Lake. He expects to plant some every year.

There are very few fish that give as much sport to the angler as small-mouthed bass. If these fish thrive, as they evidently will, in a few years there will be excellent fishing here. These kind of fish give a hard tussle when hooked and it takes an expert to land them.

Mr. Dornbos is now making an effort to get some bluegill spawn. These fish are now quite plentiful in Black Lake and good catches of them are made daily. However it is well to replenish the supply every year. This will insure excellent fishing. These are nice eating fish and it is a pleasure to catch them.

Many people have wondered why the walleyed pike are not caught in Black Lake when they are so plentiful in the Kalamazoo river. Mr. Dornbos offers this explanation. There very probably are many of this kind of fish in Black Lake but fishing conditions are not right. The body of water is to large and too deep. Pike keep close to the bottom and they generally seek the deepest water. Some of these fish have been caught here but not very often.

They are caught so plentifully in the Kalamazoo river, because there they are confined to the narrow stream. Seeking the deep water they take the middle of the stream and so it is easy to find them.

CRYING OF BABY AROUSE MR. AND MRS. JOHN VANDER HILL EARLY SUNDAY MORNING

Doors Left Open On Account of Warm Night Make Entrance Easy; Nothing Stolen

The first case of burglary in Holland for some time was reported to the police department Sunday morning.

About 1 o'clock Saturday night, Mr. and Mrs. John Vander Hill, 223 West 20th street, were aroused by men prowling through their home. Mr. Vander Hill got up and the men fled from the house and it is thought they went thru the alley. It is believed they made their escape in an automobile but Mr. Vander Hill was not certain.

There were two men in the party. They entered the house by breaking the screen on the back door. The inside door was open.

Nothing was stolen and it is thought they were scared away before they had a chance to do their work.

The noise they made first awakened the baby and this aroused Mr. and Mrs. Vander Hill.

No other burglary attempts were reported to the police.

SAUGATUCK DOCTOR DIES AT AGE OF 90

Dr. H. H. Stimson, aged 90 years, died last Wednesday at his home in Saugatuck. He has practiced medicine in Saugatuck for the past sixty years. He was active up until the time of his death. He lived to bury his wife and children and has lived alone for many years, with a man and wife as his housekeepers.

The funeral was held Friday afternoon at two o'clock from the home.

350 POOR CHILDREN PICNIC AT MACATAWA

HOLLAND MERCHANTS RESPOND LIBERALLY TO AID MISSION WORKERS; NONE LEFT BEHIND.

Over 350 poor children of this city attended the annual Sunday school Picnic, given by the City Mission, at Macatawa Park last week. Through the efforts of Miss Nellie Churchford and the other Mission workers money was raised and food secured. Miss Churchford wishes to thank all the business men who aided the picnic with contributions of food, money, clothing and in other ways.

Fares from Holland to the park were paid for 250 children and about a hundred children paid their own way.

The children enjoyed bathing in Lake Michigan and a general good time around the Park. S. A. Miller, president of the Macatawa Park association helped the picnic by donating the steamer D. P. Perry, to take the children for a five mile ride on Lake Michigan.

A splendid meal was served in the picnic grove and every child had plenty of good things to eat.

Not a poor child in the city, able to go to the picnic, was left behind. The mission workers went through the city systematically to get all the children out. In some cases shoes and clothing was furnished the children in order that they might attend the picnic unashamed.

HOLLAND MAN TAKEN OFF BOAT BY BRITISH

**JOHN VANDERPOEL, SUSPECTED,
HELD ABOARD SHIP WHILE
PROBE IS MADE**

John Vander Poel, a former Holland clothier, was a passenger on the New Amsterdam which was held up by a British patrol boat near England a month ago. Vanderpoel was one of two men suspected, owing to frequent trips between New York and the Netherlands, and searched. \$14,000 in gold was found in his possession. Vanderpoel was taken aboard a gunboat and unable to satisfy the British officials as to his identity he referred them to the Washington authorities and these in turn sent a government inspector to Holland. Vanderpoel was reported to be a citizen of this country and subsequently released. W. A. N. Sikkle, a local paperhanger, was making the trip with Vanderpoel.

"KEEP TO RIGHT" TO BE OBEYED

**SOME ARE IGNORANT OF SIM-
PLEST RULES OF DRIVING;
OBEY ORDER**

Now that the Silent K. O. P. is placed on the corner of Eighth and River Avenue, it is intended by the authorities that the vehicles of all description shall obey the order printed thereon, "Keep to the Right." Many seem to be ignorant of the meaning of that little phrase. Saturday officers were kept busy steering erring ones onto the right path. The driver of a vehicle is in danger of being arrested for simply passing on the wrong side of this dummy. Autoists coming up to it expect the coast to be clear on the right side and sail around it. If some one is careless enough to be on the left side, they will be a party to a collision with the fault all theirs.

Obeys the rules. Keep to the right!

CITY BOOSTERS NOW TURN TO CHAUTAUQUA

**TICKET SELLING CAMPAIGN WAS
LAUNCHED AT DINNER MON-
DAY EVENING.**

**Largest Crowds Ever Is Plan of Com-
mittee; To Advertise Extensively
In Country**

Eighteen Chautauqua boosters gathered in Hotel Holland cafe, for a six o'clock dinner Monday. The eighteen men seated around the long table were eighteen of the best Holland Boosters in the city. They decided that from now on all their energies will be directed toward making the chautauqua a bigger success than it has ever been when that institution comes here with its talented musicians, lecturers and entertainers the week of August 14.

Monday evening the ticket campaign was formally launched. Each man present took a number of the tickets and they are going out to tackle every one they meet for a dollar and a half. That is the price of a season ticket in Holland. In all other cities on the Lincoln Chautauqua program the price is two dollars. It is because Holland is the banner city that the twenty-five per cent reduction is given. This season ticket entitles the holder to all the entertainments in the afternoon and evening. The actual cost of each show to one holding a season ticket is just six cents and each show is worth the price of the season ticket.

The committee has very few season ticket buyers pledged this year in proportion to the number pledged in other years. Still the Chautauqua boosters are looking for a much larger sale this summer than any previous year. Tickets have been placed in every store and every booster citizen has a pocket full of them. Every resident of this city should have at least one.

Every year about three hundred dollars has been cleared over and above expenses. This money all goes to the Y. M. C. A. building fund. Last year approximately \$275 was added to this fund by the chautauqua. This year at least that much should be cleared.

For the purpose of getting more people from the country around Holland to attend the chautauqua a band of boosters will make a tour of the farm districts and villages. Next Monday night an automobile procession led by several players from the High school band will tour through the villages and country east toward Zeeland. It is up to the band to attract a crowd and then some of Holland's silver tongued orators will proclaim the advantages the advantages to be obtained by attending the chautauqua here.

Later a similar trip will be made to Waukazoo.

Bert Slag has charge of this advertising campaign. Ben Brower and Gerrit VanZanten have charge of the ticket selling.

DEAD AFTER SEVERE ILLNESS.

**S. S. Dykstra Passed Away This Morn-
ing at Age of Sixty Years**

Simon S. Dykstra, aged sixty years, died Tuesday morning at his home, 206 West 13th street after a severe illness. The deceased leaves a widow and eight children, Mrs. Chas. Wabeke of Wayland, Simon, Jennie, Mrs. Gerrit Vander Water, Mrs. A. De Groot, Winnie, Florence and John, all of this city. The funeral will be held Friday afternoon at 2 o'clock from the home. The Rev. B. H. Elnink will officiate.

Increased.**

The Holland Furnace company, a concern which has grown from babyhood to one of the largest in Holland during the past nine years, is now building another addition. Mgr. Landwehr is a little modest about telling of improvements being made and already half of the new addition has been completed without noise or thunder.

The new addition is 50 x 100 feet built of brick and of saw-tooth or open air construction.

Contractor Oudemolen is doing the work. The building will be ready for occupancy in about 30 days. It will be used as a machine room. This will mean that the Furnace company will need an additional force of machinists.

This is the second addition the Furnace company has put up in the past six months. The other addition was the new foundry. This foundry is now employing many high priced moulders. Mr. Landwehr stated that the building of the foundry will necessitate the general enlargement of the whole plant and several other additions are planned for the near future.

The Holland Furnace company has added a large number of skilled and unskilled laborers to their force during the past year, many of whom were brought from outside to increase the population of Holland. No laborers are needed at present but some will be needed soon.

This company has also added largely to their sales force and it is a well known fact that each of their salesmen is a traveling advertisement for Holland.

That the goods of this company have given satisfaction is shown by the fact that over 1700 of their furnaces are installed in Ottawa county and everyone is still in good order. Some were sold nine years ago.

MISS MARTHA BLOM LEAVES HOSPITAL MUCH IMPROVED

**NOW STAYING WITH SISTER IN
CADILLAC; LOCAL PARTY
VISIT WITH HER**

Miss Martha Blom of this city, who has been confined at the Mercy hospital in Cadillac for the past two months has left the hospital and is now staying with her sister, Mrs. J. Wendel, Lincoln St., Cadillac. While in the hospital she underwent two operations. Her condition now is much improved.

A party consisting of Mrs. N. J. Whelan and daughter Rose, Mrs. E. Bertsch and son Harris, Mrs. Wm. De Witt, William Kellogg and Elmer Wendel motored from this city to visit Miss Blom, the early part of the week. They returned to this city Friday.

LOCAL PARTY OF TOUR- ISTS BUY STRANGE FURNITURE

A most unique clock is found in the home of Mr. and Mrs. W. H. Wing, 88 west 13th street, that was purchased a few years ago in a most attractive Swiss shop by Miss Hazel Wing, who was at that time a member of a party of tourists from this city. Among their many points of visit was this Swiss Art Shop, owned by a Swiss woman and aided in her work by her daughter. "L. Haag" is the name found over the door of this little shop in picturesque Lucerne, Switzerland.

This valuable possession is made of wood, hand-carved with a hunting design. Above the face of the clock a deer's head is found, on one side a rabbit and on the other a fox hang as if dead. Below is seen a hunting kit. Three large weights are the means of winding the timepiece.

Every half-hour a tune is played by this wonderful bit of furniture. Poor different tunes compose its repertoire; thus every two hours the same song is heard. A cuckoo appears on one side during the sweet music and a violinist on the other. Many different clocks are to be found in this Swiss shop, each one having a different set of tunes, the shopper to choose after hearing them played.

At the time that Miss Wing purchased his clock John Wannamaker of New York was buying 36 similar ones for his store's stock and a large one to be kept there permanently.

Musical furniture is found in this shop presided over by the mother and her daughter that gladden the heart of the curio collector and the one in search of beautiful furniture. Among them are musical chairs that play while one is seated in them. Mrs. F. E. Browning of 87 west 14th street is the possessor of a specimen of this unique art, having purchased it in this Art Shop while a member of this party of tourists. Musical hat-racks, nut-dishes and many different strange bits of furniture may be purchased from Mrs. L. Haag.

Since the war has swept all Europe, it has taken with it the means of a livelihood of this mother and her daughter. Tourists ment properly to them, but the tourists came no more. Miss Wing recently received a letter from Mrs. Haag asking her if her friends or herself did not care for some more musical furniture. She promises to send it all with custom's duty prepaid and the articles C.O.D. They are at a loss as to what can be done to their little picturesque shop with its highly prized contents. Miss Wing has informed her friends and is taking their orders for Swiss musical furniture, forwarding their wishes to the Swiss Art Shop in Lucerne.

HAVE OFFICES IN NEW BANK BUILDING

**DIEKEMA, KOLLEN & TEN CATE
AND I. MARSLIJE MOVE TO
NEW HOME**

**First State Bank to Move Next Month;
A. Peters Has Force
Remodeling**

Both the second and third floors of the old First State Bank building are now unoccupied and A. Peters, the new owner of this building, has a force of carpenters busy remodeling. The men are now at work on the second floor tearing out partitions. The east part of this floor will be entirely made over.

This floor will be fitted out for offices. Mr. Peters expects to have the rooms ready for occupancy by the latter of September or the first part of October.

The law firm of Diekema, Kollen & Ten Cate is now settled in its new quarters in the new First State Bank building on the opposite corner from the old building. They have some of the best office rooms available, elegantly fitted.

I. Marsilje, who occupied offices on the third floor in the present bank building, will be located in his fine office in the new bank building this week.

The First State bank itself will not occupy its beautiful new home for about another month.

The new First State bank building was designed by Architect R. A. Leroy and erected by the Beyer Construction company of Kalamazoo at a cost of nearly \$50,000. This block is 44x92 feet, two stories and built of Bedford stone. The bank was organized in 1889 and its business is nearly \$1,800,000.

HOLLAND MAN IN LINE FOR BOOST TO LIEUT- COLONEL POSITION

Some interesting facts about the life of our soldiers in Mexico are given in a letter to Charles Bertsch of this city just received from his brother Royal Major William H. Bertsch, with the regular army. Mr. Bertsch has seen considerable service under the American flag in this country, the Philippines and other places. He has been in Mexico for some time and according to his letter he is now in line for promotion to Lieutenant-Colonel.

The letter follows:—
Eagle Pass, Texas,
July 5, 1916

Dear Charlie:—
We are head over heels in work at this time and I haven't had much time to write you. Since coming here the troops have been pouring in so fast that it has been all we could do to get camps ready for them and keep them supplied. Pipes have been laid all over the surrounding country in order to furnish them with water, and we are handling supplies by the carload. We are building all kinds of storehouses, a big hospital, and having extra sidings put in on the railroads. We are also getting options on a lot of railroad rolling stock. We have a motor truck train and have 66 more Packard trucks on the way. They have furnished us a Dodge touring car to get around with, and I certainly do find it useful. The head of the Mexican International R. R. is at Piedras Negras, just across the river, and they will probably use this as one of the main lines of communication in case of invasion of Mexico.

We have the 3rd Infantry (my old regiment) here, also the 30th Infantry, four companies of Coast artillery, the 3rd Field Artillery, part of the 14th Cavalry, the 1st Vermont Infantry, two Kansas Infantry regiments, three Maryland Infantry regiments, and some field artillery and cavalry from Maryland, together with Engineer companies, ambulance companies and field hospitals. Gen. Gurne is in command, and I am his staff officer in charge of all the quartermasters work.

This is a much warmer place than San Antonio, and the det storms are very disagreeable. The thermometer has been as high as 113 degrees this year and they say it can do better. We had some rain today, which helped out a whole lot. It is the first we have had since I have been here. Conditions in Mexico are awfully bad. They have raised no crops for fear of having them destroyed by bandits, and the people are starving. Their money is almost worthless. All Americans are leaving and there are very few of them now left in the country.

The new reorganization has put us near the head of the list for promotion, and I should be a lieutenant-colonel very soon.

BIG STORM TERRORIZES PEOPLE IN COUNTRY

**LIGHTNING, HAIL AND WIND
DOES GREAT DAMAGE IN COUN-
TRY NEAR GRAND HAVEN**

Grand Haven Tribune—The severe electrical storm of early Sunday morning, which passed to the north of Grand Haven, was felt in all its severity in Crocker township and parts of Fruitport township.

From that district came tales today of the fury of the storm. Wind of cyclonic force, a cloudburst, hail and terrific lightning, were experienced.

A north Crocker resident who visited Grand Haven today said that in all her years of residence, no such storm had ever been experienced before. The storm was felt in its worst in the half hour between 5:30 and 6 in the morning. The four o'clock storm was bad enough but the storm of two hours later was a record breaker.

Thunder claps followed thunder claps. The air was charged with electricity. At least 20 trees in a space of a mile square were struck by lightning. In some cases the trees were split in two from top to bottom. Some of the landmark trees of the district were destroyed. A big pine tree on the farm of C. O. Guild was completely shattered by lightning. Another pine tree in the lot of Bert French was blown down. Hundreds of other trees in that particular neighborhood were uprooted.

The wind blew with force for fifteen minutes and during that period a number of outbuildings were blown down.

FISHERMEN HEED CALL OF WARM WEATHER

**LARGE CROWDS OF LOCAL PEOPLE
ENJOY SPORT IN BLACK LAKE
AND AT SAUGATUCK.**

The warm weather makes the people the city dream about calm lakes and cool breezes. About the first thing the sportsman thinks of in connection with these things is a rod and line.

During the past weeks hundreds of people of Holland have enjoyed the pleasures of fishing. The pier at Macatawa on both the Black Lake end and Lake Michigan end are lined with fishermen and fishermen every day. Many fish from boat in the harbor.

The docks around Holland and old fishing holes near here get their full quota of anglers.

The many stories about the limit of pike have tempted many local people to the Kalamazoo river at Saugatuck.

BUTCHER TRIES TO SMOKE PIKE BUT THEY PROVE TO BE PIKERS

Who ever heard of smoked wall-eyed pike?

We have heard of such an animal but we haven't seen it. Jake Kuite claims he has, and we'll have to take his word for it. Jake ought to know smoked fish when he sees it, or baked fish, too.

Mr. Kuite and Dave Blom had enjoyed such great success in pike fishing at the merchants' picnic that they returned with about twenty. Having had similar catches during the past two weeks, they wished to prepare this mess in a different manner. They did. And such a mess.

It was out at the Kuite cottage at Waukazoo, that, it happened. Friday night. Jake is an expert at preparing smoked meat, and to him fell the duty of setting up the apparatus and supervising the smoke. With a wire thru the gills of the victims, he stretched them over a tile with a fire beneath, and then left them to their fate.

They were already tasting delicious smoked, wall-eyed pike in their imaginations when Jake announced that they must be ready for serving. And then the slip! They found that nineteen had fallen to the ground, baked, and the remaining one, on being touched by man's hands, gave up and joined his brothers.

This is only an explanation of why Mr. Kuite was heard Friday to repeatedly advise his customers that, after all, baked are the best.

MOON HID PART OF FACE BEHIND EARTH

**LUNAR ECLIPSE FRIDAY NIGHT
LASTING THREE HOURS, WAS
VISIBLE TO NAKED EYE**

For three hours beginning shortly after 9 o'clock Friday night and ending at midnight, there was a lunar eclipse. The moon, except for a faint edging of hazy light was obscured by the shadow of the earth. Moon, sun and earth were directly in line at 10:36 p. m. the moment of maximum eclipse.

According to astronomical calculation only eight-tenths of the lunar light was extinguished because some of the light from the sun's disk was refracted through the earth's atmosphere and the rays bent to strike the moon's orb. Therefore the earth's shadow was not sharply defined.

The eclipse was visible to the naked eye. The phenomenon lasted from 9:10 p. m. to 12:03 a. m., according to calculation.

MAPES SPEAKS FOR HONEST ELECTIONS

**DISCUSSES CORRUPT PRACTICES
BILL AS MEANS TO PROMOTE
PURITY IN CAMPAIGNS**

Washington, July 20—Declaring that publicity of contributions and expenditures in a campaign for public office will tend to lessen if not wholly prevent improper use of money and so promote the purity and honesty of elections Congressman Carl E. Mapes spoke at length Thursday on the corrupt practices bill of which he is joint author with Congressman Rucker of Missouri. The purpose of the bill is to limit the expenditures of candidates and require publicity of expenses of candidates for president, vice-president and members of congress.

"It is interesting," declared Congressman Mapes, "to note the change of attitude of the Democratic party in regard to this kind of legislation. In 1894 during the Cleveland administration that party repealed the federal election laws and the bribery statutes passed soon after the Civil war for the purpose of maintaining the purity of elections, against the protests of Republicans. Today the Democratic party makes the enactment of a similar measure a part of its legislative program."

Mr. Mapes explained that the bill limited the amount a candidate for president could spend to \$50,000 while a candidate for vice president is limited to \$25,000. A senator to \$50,000 and a representative to \$25,000, in both primary and election. It does not repeal but supplements the state laws. It requires publicity of all expenditures whether made by the candidate himself by regularly organized political committees, voluntary associations or friends or otherwise.

Constipation and Indigestion.

"I have used Chamberlain's Tablets and must say they are the best I have ever used for constipation and indigestion. My wife also used them for indigestion and they did her good," writes Eugene S. Knight, Wilmington, N. C. Chamberlain's Tablets are mild and gentle in their action. Give them a trial. You are certain to be pleased with the agreeable laxative effect which they produce. TEN ARE INJURED WHEN CAR STRIKES TRAIN

**MOTORMAN REMAINS AT HIS
POST AND IS BADLY
HURT.**

**Officials and Koenes Declared Brakes
Or Chloride Not Responsible for
Wreck.**

Seven persons are in Butterworth hospital and three are at 1905 Thomas avenue, S. W., suffering from injuries sustained when eastbound Holland interurban limited No. 8, crashed into a Pere Marquette switch engine at Grandville Saturday night at 6:30.

THE INJURED

William Krieger, 20 years old, 548 Spencer street, N. E., leg bruised.

Paul Workman, 17 years old 702 Sinclair avenue, N. E., head cut and right shoulder wrenched.

Clifton Jameson, 14 years old, 708 Sinclair avenue, N. E., rib fractured. J. H. Koenes, 29 years old, Holland, 81 W. 15th street, motorman; left leg and foot crushed.

Henry J. Voorhees, 49 years old, So. Boarden; chest crushed.

Mrs. J. Voorhees, 46 South Boardman, chest crushed.

Martin Sprout, 49 years old, 939 Hovey street, S. W., right arm fractured.

John Verraar, 1905 Thomas Ave., S. E., knee and left side injured.

Richard O'Brien, 1905 Thomas Ave., S. E., fractured nose.

Cornelius O'Brien, 1905 Thomas avenue, S. E. injured back and head.

The switch engine and box cars were on the south side of the track. The car was approaching from the west. The engineer started across the street with the engine. The next moment the car had crashed into the locomotive demolishing the vestibule of the car and damaging the pilot of the engine.

General Superintendent C. E. Morgan of the interurban line, declared that the brakes were in perfect order, as he had made a personal inspection of them. At the hospital Sunday, Motorman J. H. Koenes of Holland, declared that the brakes were working and that he saw the engine on the track ahead of him in time to stop. He declares that he attempted to stop but for some unaccountable reason failed. He did not put the blame on any of the train crew or on the chloride preparation that had been applied to the street.

The impact of the car and the engine threw the passengers from their seats severely injuring ten, who were taken to Butterworth hospital. They were first removed to the office of Dr. J. D. Brook, who gave first aid and a call was sent to Grand Rapids for Metcalf's ambulance.

Dr. R. J. Hutchinson, chief surgeon for the Holland line and Dr. F. C. Warnshuis, chief surgeon for the Pere Marquette, were also notified and arrived at the scene of the accident with the ambulance. The injured were rushed to Grand Rapids, and taken to Butterworth hospital where both physicians with Dr. Brook, dressed the injuries. None are in critical condition.

That Motorman Koenes was not killed is a mystery to those who saw the accident and car after the crash. The vestibule of the interurban had been crushed into a mass of broken wood and iron. The smoking compartment of the car was likewise smashed, and even the windows in the rear vestibule were broken.

Passengers who were not injured, or so slightly that they did not need medical attention, were brought in another car to Grand Rapids. The limited was then taken to Jenison and a wrecking crew immediately started work putting it in condition to be taken to the car shops at Holland, where it was removed some hours after the accident.

Superintendent E. E. Cain, of the Pere Marquette and Claim Attorney G. J. Cooper, took the statements of the engineer and brakeman, as well as those of Conductor W. L. Coxen and Fireman Sherman, Maggert, all of whom declare that the block signal was set against the interurban and that the car did not slacken its speed until it had crashed into the locomotive.

Billiouness and Stomach Trouble.

"Two years ago I suffered from frequent attacks of stomach trouble and billiouness," writes Miss Emma Verbyrke, Lima, Ohio. "I could eat very little food that agreed with me and I became so dizzy and sick at my stomach at times that I had to take hold of something to keep from falling. Seeing Chamberlain's Tablets advertised I decided to try them. I improved rapidly." Obtainable everywhere.
