## PLANTING SEED FOR BOULEVARD LIGHTING SYSTEM

### FIRST STATE BANK MAKES A BEGINNING WITH FIVE POLES

Strand Theater to Follow With Two More In Front of the Movie House

The first seed has been planted that may lead to the building of a boulevard lighting system along the business streets of Holland.

The First State Bank has erected around its beautiful building five large iron standards, surmounted by five lights of unusual power to each standard, making 25 lights in all.

If the corner of 8th street and Central avenue is not thoroughly lighted it won't be the fault of the First State bank. It is expected that the lights will be turned on Saturday, that is providing the Winstrom Electric company receives the beautiful globes that will adorn each light.

Mr. Himebaugh of the Strand also got the boulevard lighting fever, and in order not to be outdone he has decided to place two standards with ten lights of a similar pattern in front of his playhouse.

William Winstrom of the Winstrom Electric company is doing his best to get other merchants interested and before long Holland may have quite a presentable boulevard lighting system and it is only hoped that a standard system may be adopted all the way through.

The reviving of boulevard lights in this city brings to mind the time when this paper first advocated the system.

Mr. Champion at that time figured out that the beautiful system would cost between \$13,000 and \$14,000 in fact the figures had been secured for its installation at that price. The beautiful light that were placed around the city hall for a time were the ones to be installed and the plans called for a system from the Graham & Morton docks at the foot of 8th street, extending to the Allegan tracks at the head of Eighth street.

Also from 4th street on River Avenue to 13th street, the lights to be placed 100 feet apart.

Labor was plentiful in those days, and besides the merchants of the city of Holland had pledged \$5,000 towards the building of the system.

The matter was brought to the people for a vote, but politics crept in and the project was defeated by a little over 150 votes.

If that system was to be built today it would cost Holland between \$35,000 and \$40,000, but maybe Holland may have a boulevard lighting system sometime, who knows.

Every jerkwater town has them these days, and maybe Holland will soon pull itself out of the darkness into the light, judging from the other wonderful developments that are constantly taking place.

## YOUNG HOLLAND AT-TORNEY LINKS UP WITH GRAND RAPIDS FIRM

IS A GRADUATE FROM HOPE COLLEGE AND UNIVERSITY OF MICHIGAN

Attorney Theodore H. Elferdink of Holland, a graduate of the U. of M. Law School has associated himself with Attorney M. Thos. Ward in the Houseman building.

Mr. Elferdink is also a graduate from Hope College and for a time studied law in the offices of Vischer & Robinson in this city.

During the war "Ted" as he is commonly called in Holland, was in one of the aviation units and received rapid promotion.

Mr. Elferdink is the son of Henry Elferdink, South River avenue.

## HOW ARE EX-SERVICE MEN TO GET THEIR MEDALS?

OVER FOUR HUNDRED CERTIFICATES ARE RECEIVED BY LIEUT. GEERDS

If American Legionnaires, and all ex-service men hurry they will be in position to get their honor medals from the government when these are to be doled out on Armistice day.

Lieut. Henry Geerds has received more than 400 acknowledgements from the war department through the Grand Rapids office, and the certificates for medals are being issued with less delay than was the case a couple of weeks ago.

Adjutant Raymond Vischer is going over all the papers connected with the securing of these medals, and Alfred Joldersma is securing by ex-service men, but which are highly necessary to complete the papers required in getting service medals.

These men are doing this work without charge and a great deal of time is spent in completing this work.

If any ex-service man wishes information that will guide him properly, city treasurer Henry Geerds, Attorney Raymond Vischer, Alfred Joldersma or Ernest Brook will be glad to keep them informed.

Peter Van Regenmorter of Grand Rapids formerly of this city, is visiting with friends here.

## NEW COLONIAL THEATER OPENS ON LABOR DAY

WILL SEAT 700; THEATER MADE LARGER THAN FIRST INTENDED

Can Convert Theater Into a Stage Playhouse With Very Small Expense

The new Colonial theater which will cost upwards of \$35,000, located on River avenue near Centennial Park will surely open for the first time on Labor day which falls due on Monday, September 6.

John Raven and John Kramer, the two proprietors have been having considerable trouble getting things completed. The building started off with a bang, but for a time operation stopped because strikes elsewhere delayed material from coming.

Common laborers were also scarce and Mr. Raven and Mr. Kramer put on "blue jeans" themselves and dug out a greater part of the basement.

However now everything is coming swimmingly, all the material is on the ground, and a small army of laboring men and mechanics are as busy as bees in completing the building. The theater has been made larger than was at first contemplated. An addition of more than 20 feet was put on the rear end, and the theater will seat comfortably 700 movie fans.

The most comfortable seats procurable have already been shipped and will be installed in such a way that even a tall "Goliath" will not obscure the vision of a "Tommy Thumb," who might be unfortunate enough to get a seat behind.

The elaborately piled up coiffure for the ladies will be no handicap to the short bald-headed man.

Anyway the playhouse will be a thing of beauty and the management states that nothing but the latest pictures from the best film houses will be shown. The light effect will be up to date in every particular and the beautifully ornamented gallery in the rear will complete the interior, also giving extra seating capacity.

Unless all signs fail, the new Colonial will be open for business on Labor day.

The theater is built in such a way that it can be converted into a regular stage playhouse at a small expense, and the management thinks that this may be done shortly if the enterprise proves as much of a success as is anticipated. In that case vaudeville and road shows will be some of the features that will soon be seen in the new theater.

## GRAND HAVEN SCHOOL CHILDREN SEE SHIP BUILDING REVIVED

CARGO CRAFT TAKES TO THE WATER FROM SITE WHICH SAW THE MAKING OF FAMOUS SHIPS

Many years ago, the Kirby shipyard at Grand Haven owned and operated by the late Capt. Thos. W. Kirby, was famed over the lakes for the staunch wooden craft which it produced. On the stocks there rose the giant frames of ships both sail and steam, which were to ply the fresh water for many years and many of them are in service today, almost as fast as the day they slid down the ways into the waters of the Grand. Schooners and steam craft without number had their beginning at the Kirby shipyard slipping out to sea, to outlive the men who built them.

More than two decades ago the song of the caulking irons rang out to echo in the hills across the stream, and the measured shout of the builders as they heaved on the heavy timbers was a familiar sound. These many years the song of the builders has been stilled. The old shipyard is grown over with grass and bramble, but of late there have been signs of an awakening. Repair yards have been established near the old shipyards for small craft.

Yesterday a launching was scheduled. This event recalls to the minds of the girls and boys of the long ago days, an event which stand out in memory. When a fine craft was to take the waters at either the Kirby or the Duncan Robertson yards on the South Channel, at Grand Haven, the day was made a holiday. The schools were dismissed that the children might see the launching and the whole city turned out. No more inspiring sight has ever been produced by the hand of man, than that of a great new ship resting on her "stock" high above the water, with her spars bedecked with flags. Nothing could compare with the launching of the ship. The sliding broadside on her ways to one has never seen a launching cannot forget, the giant wave which swept away from the ship, and the white flash of foam which arose. No one will forget how the pennant bearing her name, broke out, at just the right time, with the bedlam of salutes to bid the new craft good luck.

But the launching today.—Up on the site of the old Kirby yards, the Michigan Materials company have been building a fine cargo scow, and the work is finished. The new craft is a big one 101 feet long and 25 foot beam with a carrying capacity of 230 cubic yards of gravel. When in commission the scow will carry gravel from the company's beds at Bass river to Muskegon.

## HOLLAND IS VERY MUCH MARRIED IN JUNE AND JULY

EVEN 50 LICENSES ISSUED FOR OTTAWA COUNTY IN SIX WEEKS

Thirty-Three of These were Issued To Couples From This City

Holland has been very much married the last six weeks when it is seen that some 33 cupid's darts struck the mark, causing happy couples to rush to Dr. Orrie Sluiter of Grand Haven or Dr. Richard Overweg of Holland to be healed of their dart wounds by taking out marriage licenses.

Holland by far outnumbers the rest of the county when it comes to getting the nucleus for a "happy for ever after" document. While 33 licenses were issued for Holland, only 17 were issued altogether for the other parts of the county.

Here is the total list:

Arthur Maricham, Catherine Fleming, Marne, Mich.  
George Pyle, Holland twp. and Emma Beld, Zeeland.  
Samuel Hoekstra, and Hattie De Boer, Zeeland.  
Cornelius Bouman, Holland, Sena Bekken, East Saugatuck.  
Peter Lugten, Holland, Jennie Vredevel, Zeeland.  
Fred Plaggemeyer, Flora Doornbos, Jenison.  
George Andrew Artz, Susie Bosman, Holland.  
Arthur E. De Haan, Gertrude Vande Water, Holland.  
Roelof Boverhof, Tryntje Hoffman, Hudsonville.  
Henry Zuiverink, Margaret De Jonge, Zeeland.  
Herman C. Cook, Ettamae Atwood, Holland.  
John Woldring, Gertrude Stekette, Holland.  
Benjamin J. Brandsen, Martha Vander Zwaag, Holland.  
Frank Wierda, Jr., Zeeland, Effie Jaarsma, Hudsonville.  
John Kolenbrander, Alyda Gommers, Holland.  
Raymond H. McFall, Tillie Dykstra, Holland.  
Will Vander Vliet, Hudsonville  
Sophia J. Parsons, Jackson.  
Benjamin A. Van Duin, Nettie M. Peabody, Coopersville.  
Charles De Shane, Coopersville, Wilda Smith, Jackson.  
Andrew Van Lopik, Grand Haven  
Jessie E. Martin, Chicago.  
Albert Vander Yacht, Grace Smeenge, Holland.  
Jacob De Bree, Holland, Caroline Timmich, White Hall.  
W. J. Moerdyk, Zeeland, Cornelia F. Leenhouts, Holland.  
Joseph J. Steigenga, Henrietta Bouwman, Zeeland.  
John Kiekover, Hudsonville, Anna Marie Feenstra, Zeeland.  
William Wiersema, Elizabeth Chriepell, Holland.  
Edward P. Slioter, Holland, Geda Eugenia Alton, Kalamazoo.  
Conrad J. Burgh, Florence Mae Burton, Holland.  
Albert P. Kleis, Bertha Tasker, Holland.  
John Kooiman, Grand Rapids, Jane Ten Brink, Holland.  
Sylvester L. Knepper, Conklin, Fannie A. Gilbert, Bailey.  
John E. Kamp, Effie E. Werkman, Zeeland.  
Aris Eelman, Grand Rapids, Kathryn Rouwharst, Holland.  
John Bremer, Janet Knoll, Holland.  
Harold P. McLean, Rena E. Raven, Holland.  
John Dyke, Jr., Henrietta Tripp, Holland.  
Ernest McWilliams, Holland, Lefta Johns, Saugatuck.  
Rhine J. Niehuis, Anna Zanting, Holland, Michigan.  
Joe Vander Ploeg, Bertha Scholten, Holland, Mich.  
Russell J. Rutgers, Nell Bremer, Holland, Michigan.  
John H. Grit, Flora E. De Gater, Hudsonville.  
Walter A. Vander Haar, Hilda Van Dyke, Holland.

Henry Boss, Nella Bouwman, Holland.  
John Mulder, West Olive, Lucy Van Halm Gerritsen, Holland.  
James C. Gauss, Holland, Bessie B. Scott, Grand Rapids.  
Oscar O. Smith, Grand Rapids, Lena Otting, Holland.  
Peter Van Ark, Henrietta Bloemendaal, Holland.

The Citizens Telephone Co. is distributing its annual telephone directory and is gathering up the old and worn out of date ones, supplementing these with the new and up to date ones. The Holland directory is found in the front part of the book and the Zeeland directory in the back. The fire alarm boxes are also printed in the directory for convenience.

## NEW ADVENTIST CHURCH TO OPEN ON FRIDAY NIGHT

Church Contains a Large Submersion Tank for Baptismal Purposes

The church edifice which was recently built by the Adventists of this city will be opened for the first time for services on Friday evening, and a three day religious session will be in progress.

This beautiful little church is a handiwork of the energetic pastor, the Rev. Walter P. Elliott, who with the members of his congregation has been diligently working to construct the new place of worship.

Aside from the purchasing of material and the doing of some of the mason work, the church on E. 13th St. was built by the Seventh Day Adventists of Holland whenever there were spare moments available. It was a labor of love, not a penny was asked for services rendered.

The church is of unique architecture capable of seating about 800.

As the method of baptism in the Adventist church requires submersion, a large tank has been built in the auditorium capable of holding several thousand gallons of water. This font will be used whenever baptismal rites are performed.

The church is not to be dedicated, so the pastor states, until every debt is paid, and the church property is free from incumbrance. The church will be formally opened however on Friday evening for the first time, and continuous services will be held for three days beginning Friday evening when the program will be opened with song service from 7:30 to 7:45, following which Mr. Arthur Eugene Serus, who is a nationwide traveler, will speak on the subject, "The Call of a World Task," and "The Task of the Church."

On Saturday morning at 10 o'clock Sunday school. At 11:15, sermon by Prof. T. M. French, president of the National Missionary College of Berrien Springs. Saturday afternoon at 3 o'clock, address by Rev. J. F. Piper, president of the West Michigan conference, at 4 o'clock baptismal services.

Saturday evening at 7:30 o'clock social hour in basement of the church. Sunday at 3 o'clock sermon by the Rev. J. F. Piper. In the evening at 7:30 song service, at 7:45 sermon by Prof. T. M. French.

Rev. Elliott wishes us to emphatically state that these services are open to the public, in fact he extends a cordial invitation to the citizens of Holland and vicinity to visit the new church on East 13th street.

## LADY NEARLY 80 SLIPS FROM BED BREAKS HER LEG

X-RAY MACHINE IS USED TO LOCATE THE FRACTURE OF THE LIMB

Mrs. Jane Van Lente, widow of Johannes Van Lente, who lives with her daughter Mrs. James Vander Hill, 240 W. 10th street, and who is 78 years old, met with a peculiar accident that may prove serious.

While retiring the old lady in some way slipped from the bed to the floor where her daughter found her when her moans attracted the attention of the family.

Nothing was thought of the fall at first until the old lady began to complain of rheumatism, as she thought.

Drs. Nichols and Westrate were called and no fracture could at first be located, but as the pain seemed to be intense they brought an X-ray machine to the home and it was discovered that Mrs. Van Lente had broken her leg just below the hips.

The old lady still thinks she has rheumatism, and does not know that one of her limbs is fractured.

Henry Siersma has filed his petitions for the nomination of county drain commissioner on the Republican ticket. Mr. Siersma comes from Olive township and has served the county previously in the office of drain commissioner.

The Grand Haven Tribune column of "twenty years ago," has the following item:—"Lizzie Cappon, Nellie Zwemer, and Belle Takken were Holland girls serving as missionaries in China where the Boxer rebellion was on."

H. H. Lawson, a prominent artist of Grand Rapids has been engaged by Manager Himebaugh of Strand theater to paint beautiful pictures in the panels in the interior of the theater. The artist can only work in the morning from the fact that shows are held in the afternoon and evening. The theater will be redecorated on the outside.

Rec. John M. Vander Meulen of Oak Park, Ill. will preach in Hope church for the next five weeks covering the month of August. Rev. Paul P. Cheff is now taking his summer vacation.

I. Goldman, formerly in the clothing business in this city, now of Kalamazoo, is visiting friends in this city.

Mr. and Mrs. F. C. Hill, and Mr. and Mrs. E. G. Geiselman of Grand Rapids motored to Holland today and are taking in the resorts and Lakewood Farm.

## OFFERS \$50 REWARD FOR ARREST OF TACK THROWERS

About two years ago "Jack the tack man" was busy along the West Mich. Pike and premeditatedly distributed tacks along the highway near West Olive and Agnew and also on the main road to Muskegon. At that time several Holland motorists had their tires punctured. One citizen in particular had seven for the day's record and in every instance the deflation was caused by a small tack left in the road by a miscreant.

At that time Austin Harrington, chairman of the Ottawa county road commission offered \$25 reward to any one giving information that would lead to the arrest of the guilty party or parties.

At Agnew the supposition always has been that a bunch of farmers who objected to the straightening of the road in that vicinity knew more regarding the tack throwing than they were willing to admit, in fact one of Sheriff Dornbos' deputies practically has the goods on one of them but when it came down to "brass tacks" the informer "got cold feet" fearing that a gang in that vicinity might injure him.

But here we have another case on the other side of Holland. A box of tacks apparently had been distributed along West Twelfth street and were swept up by one of Holland's "White Wings." Not that alone, autoists have been picking up tacks on the Saugatuck road, a newly laid highway and besides one piece of cardboard was found containing several dozen long sharp tacks that were so placed in the road in such a manner motorists were compelled to stop or run over the sharp upturned points. So incensed was Austin Harrington when he heard of the new attempt made to do damage to auto tires that he offers \$50 reward immediately and the Sentinel gladly adds \$10 to the amount, making \$60 dollars.

A person, who will deliberately throw tacks on the highway and then sneak away knowing that by so doing he destroys a great deal of property not alone, but places the lives of the occupants of many cars in jeopardy, should be placed behind prison bars.

A suddenly deflated tire is often the cause of a collision not alone but more frequently causes the car to go over an embankment which invariably brings about appalling results.

**HOLLAND COUPLE MARRY AT GRAND HAVEN**  
Two out of town couples were married in Grand Haven Thursday, the ceremonies being performed in one instance by Rev. De Kraker of the Presbyterian church and in the other by Judge James J. Danhof of the Probate court.

Lyle Johnson of Grand Rapids, a son of F. D. Johnson of that city and Miss Lois Louise Mick, daughter of Mr. and Mrs. James Mick of Spring Lake were united in marriage by Judge Danhof at the court house. The license to wed was secured from the county clerk's office.

Ben. Laarman and Miss Ida May Statman both of Holland were married by the Rev. De Kraker at the Presbyterian parsonage. The license was also issued by County Clerk Sluiter.

## CENTRAL PARK STAGES A TRAGEDY IN REAL LIFE

Cornelius Van Hatten, a resorter of nervous disposition, also possessing a quick temper, and who is resorting because of overwork, was so much wrought up about some noise in the neighborhood of his cottage at Central Park that he left his bed, found a club and killed the noise-maker.

Mrs. Martha Scott owns a gentle dog, but Fido will bark in the night. This had been going on for a few nights which was not conducive to sleep, a thing the nerve shaky Van Hatten needed. The gentleman from Chicago could stand it no longer. He picked up the first club he could find and found the animal lustily barking at the moon and forthwith struck "Jack" over the head with it and left him for dead. Then the tourist went back to bed seeking his sleep which he found at last. In the morning it was found that the dog had not died but was injured to such an extent that it had to be killed.

Martha had Cornelius haled into Judge Den Herder's court and an Hatten was fined \$15 and costs and he voluntarily gave Mrs. Scott \$15 for a new dog to be purchased after the resort season.

Van Hatten now sleeps as fine as a fiddle.

## MEN'S CLASS HOLDS PICNIC AT THE BEACH

The Men's Adult Bible Class of the Maple avenue church held their outing at Tennessee Beach Thursday evening. Eleven autos were necessary to convey the men to the beach. The evening was spent with two ball games. The first game was between the honest boys and the cheats, the honest boys winning by a good score.

The feature of the second game was that the teacher G. Vander Hill and the president, C. J. De Koster were the opposing pitchers, Rev. J. P. Batema of Kalamazoo umpiring. The game ended on two and two and was called off on account of the darkness. The evening's enjoyment ended with a weenie roast and hot coffee.

## HOLLAND AND GRAND HAVEN PROMINENT AT GRAYLING

Dr. Wm. Westrate, City Treasurer H. Geerds and a brother, Gerrit Geerds have just returned from the large meeting held at Grayling, Mich. the camp used for National Guard purposes before the war.

In order to get some idea of the size of this camp, we might say that the camp proper comprises 14,000 acres and besides this the public domain lands also owned by the state, which can be used for maneuvering purposes, would add 60,000 acres more.

The re-organization of the National Guards in Michigan is a very live question, and Holland is taking a part in this work, and will soon be numbered among the units that are being organized in the state of Michigan.

Grand Haven's detachment of Co. F, played a very important part during the meet. This detachment was in charge of putting up the tents, taking charge of all the equipment, such as blankets, cots, and chow outfits. The county seat boys say that there were accommodations for all present and welcomed the different delegations as they entered the old camp grounds, when a sort of a reunion was held.

All the buildings of before the war were still in excellent condition, and these and the surroundings brought many memories of days when Uncle Samuel was still at peace with the rest of the world.

There were also sad recollections caused by the absentees who received their early soldier training at Camp Grayling, but who paid the supreme sacrifice in France afterward.

Governor Sleeper was one of the honored guests at the camp and the Grand Haven delegates were also delegated to take His Honor and the rest of the delegates over the vast camp with army cars and mule teams.

After many preliminaries the meeting was called to order by General Covel of Grand Rapids, who explained the reason of the great Michigan National Guard meet.

Other men, high in military ranks were then called upon for speeches, and these in a very plain and concise way told why the Michigan National Guard should be re-organized. These speeches were followed by a general discussion that was very interesting after which Gen. Covel asked for a roll call by cities, organizing, or those which had already established organized units.

The roll call revealed that Michigan is progressing rapidly in organization work. Detroit with two companies of Infantry organized, one under organization; also two troops of cavalry organized and one started. Grand Haven one company organized. Muskegon, one Infantry organized. Grand Rapids Infantry Battalion nearly organized. Coldwater Infantry organizing. Big Rapids Infantry organized. Signal Corps organized at Ypsilanti. South Haven Cavalry organized. Engineers organizing at Calumet, Houghton, Lansing, three batteries F. A. organizing, Holland F. A. organizing; Alma F. A. organizing; Soo organizing Sanitary Train.

All of these cities hope to be recognized in early fall. Under present required two infantry companies, 1 F. A. Supply company Hdqts. Co.; 1 Batt. F. A. are open for other cities. These openings were taken up and assigned before the close of the meeting which means that no new units can be made until the government enlarges the program for the National Guard in 1921 and as there is keen competition it behooves each locality to get behind its organization or lose it. Col. Beresey then read the program outlined by the government for the maximum number of troops subsequently allotted to Michigan under these plans the Michigan National Guards will have 12,000 officers and men in a short time with an organized service including machine gun batt., Balloon Co., Pursuit Squadron of Airplanes and Chemical Warfare Service, including gas protection, flame throwing units, besides additional expansion of branches now authorized. The War department announces that the tactical grouping of States into divisions and the names of the different units be kept the same as far as practical as they were during the war. The whole to be under the Chief of the Militia Bureau, which bureau will comprise an equal. No regular Army-N. G. and reserve officers who are appointed by President of the United States.

Before meeting adjourned a N. G. Boosters' Organization was created to include both officers and enlisted men and civilians actively interested.

The Republican women of Holland are invited to a picnic lunch to be held in honor of the Michigan Republican Women's Executive Committee on Friday, July 30, at one o'clock at Macatawa Park. A committee will meet the street cars and autos to conduct the women who attend to the place of meeting.

All those who wish to attend are requested to notify one of the members of the committee not later than Tuesday morning. The committee is composed of the following: Mrs. C. M. McLean, Mrs. J. E. Tell, Mrs. C. H. McBride, Mrs. Fred Aldworth, and Mrs. W. J. Olive.

## THIEVES STEAL \$42.00 AUTO HORN AT OTTAWA BEACH

Sheriff Dornbos has sent to his Deputy D. Homkes two letters, one from Lewis W. Heath, of Grand Rapids from whose car a fine Sireno horn, valued at \$42.00, was stolen. The second letter comes from the West Michigan Park Association, an organization governing Ottawa Beach.

The Ottawa county sheriff told his deputy to get busy on this matter immediately, and give the matter the widest publicity in order that the thief may be located, and it is hoped that the \$50 reward offered by the West Michigan Park Association may bring some information that will lead in apprehending the miscreant.

The letters which are self-explanatory follow below:

Sheriff, Ottawa county, Grand Haven, Michigan.

Dear Sir:—Please be advised that between 6 P. M. Saturday, July 17, and 8 P. M. Sunday, July 18th, during which time my Cadillac touring car with state license No. 66929 was parked at Ottawa Beach, Michigan in the regular parking place, there was stolen off the car one nickel plated, six volt Sireno horn valued at \$42.00.

I have since learned that thefts from other automobiles have occurred at Ottawa each this year and suggest that you instruct your deputy in this neighborhood to endeavor to locate the stolen property.

The horn should be comparatively easy to identify as there are very few of them in use in this section of the country (the sound is similar to that of a fire department siren). If you will notify your deputy in that section of the county, you will greatly oblige,

LEWIS W. HEATH,  
Sheriff of Ottawa County,  
Grand Haven, Mich.

Dear Sir:—You have already been informed thru L. W. Heath, 1104 Monroe Ave., of the theft of a Sireno horn from his Cadillac touring car parked at Ottawa Beach July 17 and 18.

The West Michigan Park Association announces a reward of \$50 for information which would lead to the arrest and conviction of the person or persons concerned in the theft.

Please give the widest possible publicity to this reward in the hope that it may be of benefit in locating the guilty parties.

Respectfully yours,  
HOWARD F. BAXTER,  
President.

## MAY GET OUT CITY DIRECTORY FOR CITY RECTORY FOR CITY

Ray Poppe, formerly of Holland and who has since made good as a linotype operator in the office of the Charlotte Tribune, is in the city on a combined visit and business trip. Reading in the Sentinel that Holland is much in need of a new city directory, Mr. Poppe came here to look over the field.

Aside from his regular work in the Charlotte Tribune office, Mr. Poppe is associated in Charlotte with Mr. Dorr Meyer who got out the city directory for Charlotte. The two also each year publish the race programs for the Charlotte fair and for the Marshall fair. Mr. Poppe is in Holland to interview members of the Retail Merchants' association with a view of paving the way for getting out an up-to-date city directory for this city.

Although a large number of the ex-service men in Holland have made application for Victory medals so far only one of the medals has arrived in Holland. And the fortunate ex-service man who is the proud possessor of it was the center of a good deal of attention at the soldiers' picnic at Saugatuck. Many of the boys crowded around him to get a good look at the little bronze medal with its bit of ribbon attached.

The man who owns the first Victory Medal in Holland is Fred G. Mulfinger 7 West 8th street. Mr. Mulfinger was in the quartermaster service in the Intelligence Department during the war.

## CANE BLIGHT IS ATTACKING RASPBERRY PLANTS

A new disease known as cane blight which attacks the raspberry bush has made its appearance in Ottawa county and is working havoc among the plants of farmers in this vicinity and particularly in Crookery township where the blight is at its worst.

The disease was first called to the attention of County Farm Agent Milham of this county about four or five days ago when a specimen of a plant attacked by the scourge was brought to him. The affected plant was sent to the state pathologist at East Lansing where it was examined and the nature of the disease determined.

Unless something is done at once the disease will spread rapidly according to Mr. Milham. The blight is very destructive working not only on the bearing plants and preventing the berries from ripening, but attacking the new shoots as well and cutting off their life before they are well started. Altho the disease is not new, it has never been as general as it is at the present time. The remedy for the scourge is a dormant spray of one part lime sulphur to nine parts of water. Affected plants says Mr. Milham should also be dug out and burned.

## TWO "COONS" STEAL FROM TWO OTHER "COONS"

Earl Addison and his brother Grayman Addison were waiters at Highland Park hotel, near Grand Haven. They stole \$820 from two other colored waiters who bear the names of George D. Turner and Edward Gant.

Deputy Sheriff Lawrence DeWitt succeeded in getting a clue to the whereabouts of the negroes who had hastily departed for parts unknown as the "colored gemmen" imagined but DeWitt succeeded in finding them in Michigan City and wired the authorities there to hold the men.

He also found that the negroes had wired \$100 to a woman in Fullerton, La., and a followup wire was immediately sent stopping the payment of the money which proved successful.

The authorities at Michigan City state that the prisoners had \$200 on their persons when caught, and this is in safe keeping with the chief of police of that city.

Deputy De Witt left immediately for Michigan City for his men and he is expected to return with them sometime Wednesday.

## \$10,000.00 SPENT TO IMPROVE FAIRGROUNDS AT ALLEGAN

The Allegan County fair, when it opens this season on Aug. 31, will present a new appearance to the fairgoers, Secretary S. M. Sequist announces that fully \$10,000 was spent on new buildings and improvements during the past year. New buildings consist of an art hall and a grandstand. The race course has been entirely rebuilt. Fair premiums have been increased.

## TRINITY CHURCH HOLDS THEIR ANNUAL PICNIC

The congregation and Sunday school of Trinity church held their annual picnic Thursday. Through the courtesy of Mr. George Weurding they enjoyed the outing at Mr. Weurding's summer place near Buchanan Beach. They went to the picnic grounds in autos. There was plenty to eat at the picnic and a fine program of sports was carried out.

A hot ball game was played between the teams of N. Wassenaar and George Alberts the latter team winning by a 14 to 8 score. The pitching of Van Ry and the stick work of the Alberts team proved too much for their opponents. In the tug of war between the married men and the single men the single men won.

## CIGAR COMPANY HOLDS A BEACH PICNIC

A most delightful outing was enjoyed Thursday evening by members of the firm of the Superior Cigar company their families and the employees of the concern. They drove to Buchanan Beach in autos and enjoyed a party on the beach. All the usual features of an evening picnic were present including a weenie roast a program of sports, several prizes, and a general good time. The company returned to this city at dark after a most enjoyable outing.

## COMMON COUNCIL

Holland, Michigan, July 21, 1920. The Common Council met in regular session and was called to order by the Mayor. Present: Mayor Stephen Alda, Prins, Brieve, Kammeraad, Laspelle, Lawrence, Reithman, Vanderlind, and Wiersma, and the clerk.

The minutes of the last meeting were read and approved.

Petitions and Accounts. Jacob Dogger & Son petitioned for license to engage in the business of junk dealer and presented bond as required with \$100.00 cash and \$100.00 surety.

Bond and sureties approved and license granted.

M. A. Nyhuis and others petitioned for the construction of sidewalk on both sides of 20th street between First and VanKleef avenues, and also that said part of said street be graded.

Referred to the committee on sidewalks.

H. P. Zwemer presented the names of property owners interested signifying that they do not object to the moving of the house from No. 274 East Eighth street to house No. 208 East 9th street, and the house from No. 277 East Ninth street to No. 274 East Eighth street.

Referred to the committee on streets and crosswalks.

Reports of Standing Committees. The committee on streets and crosswalks reported recommending that the city engineer be authorized to purchase twenty manhole rings and covers, at prices ranging from \$13.12 to \$13.75, each.

Adopted and authority granted.

Ald. Damstra and Vanderlind appeared and took their seats.

The committee on streets and crosswalks were given permission to investigate relative to motor driven tacks and sprinklers reported having carefully looked into the matter and found that cities having them in operation are very economical about same and recommend their use very highly.

The committee submitted figures based upon information received from cities which are using motor driven tacks and sprinklers and reported that in accordance with such figures the city of Holland would save \$25 per day for each and every day such flusher and sprinkler was operated, and requested that the information given will receive the thoughtful consideration of the common council.

On motion of Ald. Damstra, The report of the committee was accepted.

The committee on streets and crosswalks reported recommending the purchase of a combined sprinkler and flusher from the Tiffin Wagon Company of Tiffin, Ohio, at an estimated cost not to exceed \$7500.

On motion of Ald. Damstra, Resolved that the report of the committee be adopted and that the city engineer be authorized to purchase such combined sprinkler and flusher as recommended by the committee on streets and crosswalks immediately at an estimated cost of not to exceed \$7500.

July 21, 1920  
To The Honorable the Mayor and Common Council of the City of Holland.

Gentlemen:—Your Committee on Streets and Crosswalks, having been given permission to investigate motor driven street flushers and sprinklers, cost of same, cost of operation, and satisfaction given by them, beg leave to report that they have carefully looked into the matter, and find that cities having them in operation are very enthusiastic about them, and recommend their use very highly.

According to the best information we can get, the following is the cost

of operation of a 1,000 gallon motor driven sprinkler and flusher for a period of 9 working hours.  
Oil for the two motors, 3 pints, 21¢  
Labor, 9 hours at .60.....5.40  
Gasoline for the two motors  
12 gal. at .28.....3.36  
Tire cost, based on guaranteed mileage of 8,000 mi.....2.00  
Interest at 6% on \$7500.....1.24  
Depreciation at 15% per annum 3.08  
Up-keep, repairs, etc. at \$225 per annum......69

Total.....\$15.94

According to figures received from cities using motor driven outfits, the flushing which it takes us 9 hours to do with a horse-drawn flusher, can be done in about three hours with a motor-driven outfit. We are also advised on good authority that the motor-driven sprinkler will replace at least four horse drawn sprinklers. Then the flushing and sprinkling with a motor driven outfit and one horse-drawn sprinkler will cost \$15.94 for sprinkling nine hours with motor-driven sprinkler; \$5.31 for flushing three hours with motor-driven flusher; \$8.55 for sprinkling with one team; totaling \$29.80 per day.

Our cost for sprinkling and flushing at present is 54 hours teaming at .95 per hour, \$51.30; Interest at 6% on \$5000, .82; Depreciation at 15% per annum, \$2.05; Up-keep, repairs, etc. at \$225 per annum, .63; total, \$54.80.

Then according to these figures which are based upon information received from cities which are using motor driven sprinklers and flushers there would be a saving to the city of Holland of \$25 for every day the flusher and sprinkler was operated.

Your committee has gone into this matter very carefully and have endeavored to get reliable and accurate information regarding motor driven sprinklers and flushers, and we hope that the information given in this report will receive your thoughtful consideration.

Respectfully submitted,  
Com. on Streets and Crosswalks,  
Nick Kammeraad,  
E. Brieve,  
Peter G. Damstra.

Staff resolution prevailed by Ayes and Nays as follows: Ayes—Brieve, Vanden Brieve, Kammeraad, Lawrence, Brinkman, Damstra, Vanderlind, and Wiersma—8; Nays—Prins, Brieve, Laspelle—3.

The Committee on Streets and Crosswalks to whom was referred the opening of an alley between Lincoln and Park streets between Lincoln and Park streets, reported that they deem it advisable that the present alley now open from street south to the center of the block be continued to Ninth street.

The committee further reported having met with H. P. Zwemer and the three property owners interested and who feel they are entitled to certain damages and reported that it was the opinion of the committee that it was up to Mr. Zwemer to settle with the said property owners for damages and that after the settlement of Mr. Zwemer with such property owners (which said settlement should be in writing to the satisfaction of all parties) the committee on streets and crosswalks be petitioned for.

On motion of Ald. Laspelle, The report of the committee was accepted.

The committee on streets and crosswalks reported progress on matters pertaining to the West Michigan Pike.

The committee on claims and accounts reported having examined the following claims and recommended payment thereof:

# FIND CAP OF DROWNED MAN AT MACATAWA

The body of J. J. Coyne of Chicago, who was drowned in Lake Michigan has not yet been recovered.

Sunday the skull cap which the young man wore was found about a half mile from the scene of the drowning.

Captain Van Weelden with his small, but faithful crew of coast guards, have been diligently dragging the Macatawa water front with fish set lines and grappling hooks, but up to this morning the body had not yet been recovered.

Today the coast guards are dragging a large 300 foot fish net in which they hope to catch the body if it is still in the vicinity.

J. J. Coyne, who is a single man, came here from Chicago with his yacht Adella. The yacht had a large party aboard and they anchored in Macatawa bay, making it one of the stop-over places in a cruise further up the lake.

Late Friday night when a big sea was running several of the party went out for a dip in Lake Michigan, a short distance north of the Macatawa bath houses.

Coyne who was a good swimmer, went only a short distance beyond the bar into deep water when a lady who is said to be one of the party, thought she heard him cry for help. As it was already growing dark and the waves were running high, those on the beach could not exactly locate just where Coyne might be. After a short wait it was apparent to the party that the Chicago Yachting man was in distress. An attempt was made to launch boats in the immediate neighborhood. The look-out on the beach hastily informed the coast guards, but when they arrived, no trace of the man could be found. There is no doubt but that a strong undertow took Mr. Coyne out in Lake Michigan as the suction on that day was unusually strong.

"It is not at all likely," said the Coast Guards, "that the body will be found near the place where Coyne was last seen to go into the water. It may be several days before the body is washed ashore, and like as not it will be miles from this scene of the accident."

One of the lifesavers related an instance taking place about 12 years ago, when a young man while in bathing at Macatawa in a sea similar to this was also swallowed up by Lake Michigan and five days later was found in a small inlet just beyond Saugatuck.

Capt. Van Weelden and the coast guards are leaving no stones unturned and are using every means and bending their energies to find the body.

Not much could be found out regarding the young man, further than that he was 35 years old, and was single.

Most of the Yachting party is still at Macatawa, patrolling the beach day and night hoping that they may get a glimpse of the body of their lost.

# CANDIDATES FOR SHERIFF RUNS INTO THE FIVES NOW

Allegan county is much in the same boat as Ottawa. Five candidates are rivals for the nomination of sheriff at the primaries to be held on August 31. The candidates are Wesley Manlin, Leo C. Hare, Chas. Webster, William J. Guilford, all of Allegan, and Charles Shaffer of Miner Lake. J. W. Prentice of Saugatuck and Wesley G. Fry of Casco are seeking the nomination for the county treasurer. W. E. Wilson of Hopkins are candidates for the office of drain commissioner, and Fred Wade of Saugatuck and Lewis R. Bensley are making the race for the state legislature.

Ottawa County has Cornelius Staltee, Lewis Bouwman and Lawrence De Witt of Holland and Emil H. Klumpel and Delbert Fortney of Grand Haven. All these men are to run for sheriff in this county.

# THOU SHALT NOT SWEAR

Mrs. Mary Lee Winningham of Tennessee got into a mixup with another resort at Macatawa and in the altercation it is alleged that Mrs. Winningham quoted language other than that given in Webster. It seems that the children in a neighboring cottage occupied by Mrs. Elizabeth Kaiser (the same name is found somewhere in a German dictionary) were quarrelling and Mrs. Winningham took exception to the controversy and let out a flow of profanity.

Judge Don Herder pointed to the ten commandments and fined the lady the cost and told her to patch up her differences. But then Tennessee is a state where they have these funds you see in the "movies."

# FORMER HOLLAND PRINTER LEAVES LARGE ESTATE

The following item appears in the Grand Haven Tribune: "Warrant and inventory filed in the Estate of Henry Holkeboer, Holland, Mich. Deceased, showing real estate \$11,750, personal property, \$44,698.62, total \$56,448.62."

Mr. Holkeboer it will be remembered, was the printer of the Wachter and several other publications of the Christian Reformed church. The contract for the printing of those publication he retained for upwards of thirty years. Shortly before his death, the General Synod of the Christian Reformed Church decided to have these printed in Grand Rapids in an office maintained by the church.

Mr. Holkeboer also made considerable money in Holland St. Louis Sugar stocks, buying when the market was low and with the beginning of the war these stocks shot skyward. The deceased also did considerable business in real estate.

# VAN TONGEREN'S CIGAR CO. ENJOY PICNIC AT OTTAWA

The Van Tongeren Cigar Co. enjoyed a picnic at Ottawa Beach Saturday. All of the employees with their families were present and enjoyed the event which will remain fresh in their memory for a long time to come.

A baseball game was played between the rollers and bunch-breakers, the former being in the lead although the score is not reported.

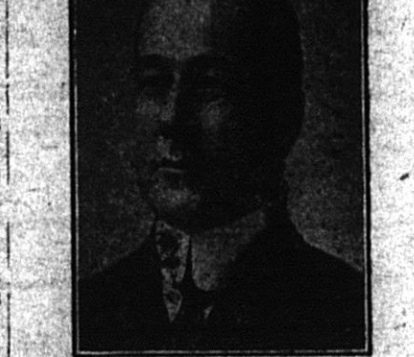

Several contests were pulled off and prizes were awarded to the winners. Refreshments were served.

# ATTENDED MORE SESSIONS THAN ANY OTHER REPRESENTATIVE

Petitions to place the name of a C. E. Mape upon the primary ballot for the Republican nomination for congressman of the Fifth district were sent to the secretary of state Monday. Congressman Mape's petitions contained the names of voters from all over the district. A large number of petitions circulated by friends, still are in Mr. Mape's office as the law restricts the filing to 4 per cent of the total number of votes cast for the secretary of state at the last election.

Mr. Mape's petitions carry the endorsement of many friends in Grand Rapids, Grand Haven, Holland and other towns in his district. His record in the last congress and attentiveness to details were the arguments used by friends in obtaining signers for the petitions.

Mr. Mape attended more sessions of the legislature and worked harder, the records show, than did any other congressman or senator in either of the legislative bodies.

It Did Not Freeze Citizens of Holland were very much afraid that there would be a frost Monday night. Several home gardeners covered up vines and garden truck. The waterworks indicator however shows that at 2 o'clock it was 42 above or within ten degrees of freezing.

Allegan is without gas again. The plant has been "off again on again" for the past three months.

Can you beat it? Grand Haven has still another ball team with a funny name. The latest are the Grasshoppers. The teams thus far with rare appellations are the Sand Pounders, the Muskies, the Swampies, and Grasshoppers.

# THE HEART Of the HOME

If Home is to have that gripping influence that holds us secure in life's most treacherous storm, it must be cozy. Some folks live in homes—others in houses. And it is not difficult to tell to which class a person does belong, is it?

The person whose life is strengthened by a happy, cozy home is one that we all admire. He is one who can smile in the face of any struggle. He is a person who fills the rest of us with confidence. That is the kind of character that we all want to have. So let's strengthen our home influences all we can. Let's start with the Heart of the Home. Why not have a heating system that is guaranteed by the largest installers of furnaces in the World?

Why, of course--just the thing--because

## LOCALS

Montague, in Muskegon county, a thriving community on the Pere Marquette R'y, with a population of approximately 900, offers excellent opportunity for the location of a bakery or restaurant or both combined. There is now no bakery or restaurant in this town, notwithstanding that there is a good all-the-year-round business, and in addition a constantly increasing number of summer tourists who visit this point.—P. M. Railroad Dope Sheet.

Mrs. John Monk of Kankakee, Ill., is the house guest of Mrs. Everett Dick of West 11th street and Mrs. Earl Leonard of Belvedere farm. A kitchen shower was given by Mrs. J. Tripp at Lakewood Farm in honor of Miss Alice Vanden Brink. Those present were the Misses Alice Dryer, Lucy Dryer, Pearl Bredeweg, Jennie tylstra, Rena Johnson, Frances Tripp, Henrietta Bomers, Jennie Waterway, Mrs. Art Vanden Brink, Grace Vanden Brink, Mrs. J. Welscott, Mrs. G. Baalen. A very pleasant time was enjoyed.

While many cities and communities in Western Michigan have already experienced gasoline famines or short rations this summer Holland's commercial cars and pleasure cars as well have so far not been restricted. Vandenberg Bros report the receipt of five tank cars of gasoline this week. They wish it understood however that this is no indication that the general situation is any less acute.

The Michigan Star Furniture Co. of Zeeland has increased its capital stock from \$60,000 to \$110,000. This prosperous concern will do considerable building in the future.

Born to Mr. and Mrs. E. B. Rich. East Tenth street, Sunday a son. Gordon Oltmans, a graduate of Hope College and son of the missionary to Japan spent the week-end visiting friends in this city. Mr. Oltmans is now with the Redpath Chautauqua system and judging from the advertising matter he shows, this system has a wonderful collection of artists this year. Mr. Oltmans is very anxious to get Holland into next year's circuit if the citizens take enough interest. Holland has not had a chautauqua now for two years and should it decide to try another whirl at it the Redpath which is reputed to be the best should be selected. Holland wants nothing but the best.

Dozeman's Grove at Drenthe was the scene of a combined mission feast, when the Christian Reformed churches of Oakland, Drenthe and Overisel will gather there to promote the interest of missions.

The garage which Holleman-De Weerd Auto Co. was to have built this summer at Zeeland will be delayed, owing to the fact that they cannot obtain cement for this purpose.

The Holland Independents are to have a busy time the coming week. They have lost but two of the 13 games they have played this season and expect to add to their winning record. Wednesday a twilight game will be played at Grand Haven. On Thursday a game will be played at Allegan and on the same day a twilight game will be played at Otsego. Next Saturday the Great Lakes team plays at Holland. Saturday the Chicago Colored Giants played here before a large crowd and were handed an 8 to 0 beating.—Grand Haven Tribune.

Married at the Methodist parsonage Saturday evening, July 24 by the Rev. G. B. Fleming, Mr. Henry A. Molitor and Miss Eva Stoken. Mr. and Mrs. Stoken are both from Ft. Wayne, Indiana and will reside at Grand Rapids, Mich., where Mr. Molitor has a position with the Bell Telephone Co.

Mr. and Mrs. Timothy Smith were in Holland and at Mapatawa for the past two weeks. Tim was the second news boy Holland ever had. The late B. P. Higgins the old photographer being the first. Since that time Tim was promoted to a butcher on the C. & W. M. and P. M. Later he ran a cigar store at Grand Rapids with branches at the soldiers home and at some of the hotels. Late he became manager of the Hotel Brown grill room and made a success of it. He was offered a better position at Chicago, which he has now accepted.

## Another Royal Suggestion

## PIES and PASTRIES

From the NEW ROYAL COOK BOOK

CHEER up! There is no further reason for worrying about table variety. The new Royal Cook Book gives new suggestions for every meal every day. The book is so full of surprises there will never be another dull meal in the home. Here are a few suggestions from the new Royal Cook Book.

## Plain Pastry

This recipe is for one large pie with top and bottom crust

2 cups flour  
1/2 teaspoon salt  
2 teaspoons Royal Baking Powder  
1/2 cup shortening  
cold water

Sift together flour, salt and baking powder; add shortening and rub in very lightly with tips of fingers (the less it is handled the better the paste will be). Add cold water very slowly, enough to hold dough together (do not work or knead dough). Divide in halves; roll out one part thin on floured board and use for bottom crust. After pie is filled roll out other part for top.

## Rich Pastry

2 cups pastry flour  
1/2 teaspoon Royal Baking Powder  
1/2 teaspoon salt  
1/2 cup shortening  
cold water

Sift flour, baking powder and salt; add one-half shortening

and rub in lightly with fingers; add water slowly until of right consistency to roll out. Divide in halves; roll out one half thin; put on in small pieces half remaining shortening; fold upper and lower edges in to center; fold sides in to center, fold sides to center again; roll out thin and put on pie plate. Repeat with other half for top crust.

## Apple Pie

1 1/4 cups flour  
1 1/2 teaspoons Royal Baking Powder  
1/2 teaspoon salt  
2 tablespoons shortening  
2 apples, or 1 quart sliced apples  
2 tablespoons sugar  
1 teaspoon milk

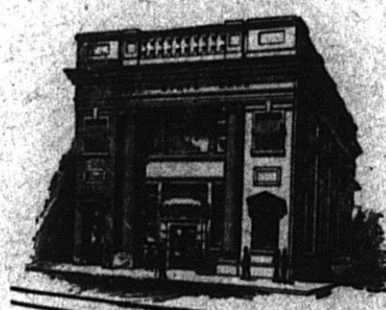

Sift flour, baking powder and salt; add shortening and rub in very lightly; add just enough cold water to hold dough together. Roll half out on floured board, line bottom of pie plate; fill in apples, which have been washed, pared and cut into thin slices; sprinkle with sugar; flavor with cinnamon or nutmeg; wet edges of crust with cold water; roll out remainder of pastry; cover pie, pressing edges tightly together and bake in moderate oven 30 minutes.

## HOLLAND BOY IS AT- TORNEY IN LARGE DETROIT WILL CASE

Constantly we hear of Hope students who have made or are making a success abroad. Today we read of the success of Wallace Visscher, son of Mr. and Mrs. J. W. Visscher, of 875 State street, this city.

Wallace Visscher is a graduate of Hope College, also a graduate from the U. of M. Law department and later he further completed his studies, receiving a Master's Degree from the Chicago University.

But this is aside from the story. After completing his education he and John R. Rood, hung out their shingles in the city of Detroit and these attorneys have made a wonderful success in the automobile city ever since.

The case that has attracted considerable attention in Detroit is a will case which involves several hundred thousand not alone, but a murder had also been committed involving some of the principals in the case and making affairs more complicated.

Although none of the parties are known here the state press gave considerable publicity to the matter at the time and the Detroit Free Press has the following on the fight in court relating to the last will in this case which according to the Free Press the local young man together with his partner won for their clients.

Says the Free Press:—Judge J. H. Goff Friday handed down a decision in circuit court in the case of Dennis H. Dwyer, executor and surviving partner of Francis P. Dwyer, vs Mary E. Bohan and the other sisters. The decision was in favor of Mr. Dwyer. The case was marked by the killing of August Dwyer, one of the brothers, in the office of Dwyer & Dwyer during the progress of the trial, as the result of which a murder charge has been filed against Frank Dohaney.

The sisters asserted that the will of Francis P. Dwyer was obtained by undue influence exercised by D. H. Dwyer, his brother and law partner, and that a large number of pieces of real property in Detroit, purchased by Francis P. Dwyer in the name of Mary E. Bohan, belonged to her.

The case in which the will was contested was tried before Judge G. P. Codd, who refused to submit it to the jury, but directed a verdict that the instrument in question was the will of Francis P. Dwyer. The testimony showed that the will was drawn by Frank Dohaney from the notes given to him by the testator at the hospital and was executed by Mr. Dwyer in the presence of his nurse and the hospital physician, and that Dennis H. Dwyer had nothing whatever to do with the drafting of the will and was not present, nor conferred with about it.

In the decision in the second case just handed down, Judge Goff finds that Francis P. and Dennis H. Dwyer were law partners and had been for the last 20 years; that there never had been any account between them on their business; that the lands purchased in the name of Mary E. Bohan were paid for by checks on the partnership account and were partnership property. Furthermore, that Dennis Dwyer never consented to the title being taken in the name of Mary E. Bohan, and did not know that the titles were so taken till after Francis died, and that Mary T. Bohan never paid any consideration for the purchases, never paid any taxes on the property and never received any income from them.

Judge Goff orders all the lands conveyed to D. H. Dwyer to be administered by him as surviving partner as part of the partnership assets.

The attorneys for Mr. Dwyer were John R. Rood and Wallace Visscher and for Mary E. Bohan and her sisters, Harry H. Wait.

Hopkins, Allegan county, is in ashes Monday morning. Flames originating at 3:15 Sunday afternoon in the L. J. Adams' two-story frame grocery, completely wiped out Hopkins' business district, causing a total loss which is estimated at \$100,000.00. A few small business buildings apart from those consumed by flames are still standing. The fire was not brought under control until 5:30.

The Grand Rapids, Holland & Chicago electric railway, the Holland Interurban, now a part of the Michigan Railway system, has \$1,475,000 5 per cent bonds issued in 1920 maturing August 1, and instead of being paid or refunded the bonds will extend for four years with the interest increased from 5 to 7 per cent the company in addition assuming the payment of the taxes. The company's earning statement shows gross from 1920, \$518,486, compared with \$391,502 for the preceding year; operating expenses \$354,830, compared with \$265,852; taxes \$21,752, compared with \$17,181, and net income \$136,904, compared with \$108,000. The interest charges at the increased rate will be \$105,000.

Mrs. George Cook, 48, of Seballos, Cuba, is dead, and her husband and 14 year old daughter, Dorothy and daughter-in-law Mrs. Byron Cook, 25, are badly injured as a result of an automobile accident at 7 o'clock Tuesday evening at the crossroads, one mile and a half west of Hudsonville, on the Holland-Grand Rapids

highway. The Cook machine, driven by Byron Cook was struck by a car driven by George Riemersma, 22, living on a nearby farm. The Cooks were visiting Mrs. S. R. Cook 1802 Madison avenue, Grand Rapids, mother of Joseph Cook.

Steggerda pitched a shut-out ball game and defeated the Chicago Colored Giants Saturday afternoon 8 to 0 in a long listless game. The negroes found his delivery for only 3 safe swats while his teammates gave gilt-edge support not letting the Chicago boys have a look in.

Holland scored enough runs in the first inning to win the game when Batema walked, went to second on Shaw's sacrifice, Woldinger walked and both scored on G. Batema's 2-bagger. One more was scored in the 5th on an error, sacrifice and hit. The ascension came in the eighth when five runs were scored on three errors and two hits, the dusky boys lost entire control of their throwing arms.

LEO C. LILLIE

Candidate on the Republican Primary Ticket for Prosecuting Attorney of Ottawa County. Except for two years Mr. Lillie spent in the service in France during the World War, when he voluntarily gave up his practice, he has been City Attorney of the City of Grand Haven for the past five years.

Mr. Miles of Holland, who has held the office for two terms is his opponent at the coming primary August 31st, 1920. On his merit as a lawyer, Mr. Lillie will appreciate your support. He will need your vote, go to the polls and cast a favorable ballot. Pol. Adv.

LOUIS D. BOUWMAN

Louis D. Bouwman candidate for nomination for sheriff of Ottawa county on the Republican ticket at the Primaries on August 31 is 40 years old. He has been a resident of Holland for nearly nineteen years during all of which time he has been in business as a barber on North River avenue.

He is the father of five children and a respected citizen. His past four years experience as constable and deputy sheriff have shown that he possesses all of the qualifications for the office he now seeks. He is careful conscientious and cool-headed and absolutely fearless in the enforcement of the law. A vote for him is a vote for efficiency. —Pol. Adv.

EMIL H. KLUMPEL

Emil H. Klumpel Republican candidate for sheriff at the primaries, August 31, 1920, solicits the support of the voters of Ottawa county, and if nominated and elected promises to give the people of the whole county, the best administration of the office within his power. His record is open to the inspection of everyone. He was born on a farm near Grand Haven and lived there with his parents until he was 24 years old. He worked in the Eagle-Ottawa Leather company in Grand Haven for about five years, and during that time was sent to the company's plant in Whitehall. For nearly four years he has been a member of the Grand Haven city police, and is one of the best known officers in the county. During his term of service he was recommended by City Manager Ellison for his natural qualifications for police work stating that the work he had done investigating and locating complicated cases has demonstrated his ability as a police officer. Mr. Klumpel is going to the voters at the primaries upon his merits and asks the people of Ottawa to give him their support during the campaign and at the polls. Pol. Adv.

## TWO HUNDRED AT- TEND THE H. J. HEINZ CO. PICNIC

Bender's beach was a lively place Saturday, when the employees of H. J. Heinz Co. with their families gathered to hold a genuine family picnic. There were at least 200 in the party and these were taken to the picnic in the large Bender Steam yacht. The H. J. Heinz Co. provided for every want of the entire party even down to the lemonade.

The main office at Pittsburgh sent the local office a check for \$250 to be used to make the annual outing a success. There was eats until you could not rest and not one of the "57" varieties were missing.

A sport program embracing fifteen events was started at 10:30. The prizes and prize winners of these events are found below:

1. Ball game between the Vinegar dept. and Pickle dept. Vinegar dept. won with a score of 7 and 6. Winner awarded \$10, loser \$2.50 and umpire \$1.25. Mr. J. A. Hoover was umpire.

2. Lunch was served. There was a wonderful collection of salads and cake and vegetables to select from. Also some of the best fruit. Besides this Joe Lhotka and Eddy John kept their places in the lemonade stand and the people had the opportunity of being well satisfied as far as the drinks were concerned.

3. Men's Race—for young men over 18—prizes were \$1, 50c and 25c. H. Kramer 1st prize, R. Bouwman, 2nd, and Phil Heyboer 3rd.

4. Race for Girls under 18—prizes \$1, 50c and 25c—1st prize, M. Nykerk, 2nd Frances Howlett, 3rd F. Kolik.

5. Race for fellows, 14 to 18 yrs.—prizes were \$1, 50c, 25c. First Abe Steketee, 2nd, R. Damstra, 3rd was a tie between Vanden Brink and H. De Ridder so the two ran over in which Vanden Brink proved the better man and came to claim his 3rd.

6. Woman's Race—over 18 yrs.—first prize Dorothy Howlett, \$1; 2nd prize, Grace Olthuis, 50c; and 3rd prize, Eide Bekhuis, 25c.

7. Small Boys race—below 14 years—1st prize 75c to Ed Morris; 2nd prize, 50c to Herman Seif, 3rd prize, 25c to Leroy Doolittle.

8. Men's Race—for men above 20—1st prize to Chas. Holkeboer, 75c; 2nd prize to John Welling, 50c; 3rd prize, Roy Doolittle, 25c.

9. Ball Throwing contest for women and girls—1st prize, Dorothy Howlett, \$1; 2nd prize, Rena Shears 50c.

10. High Jump for the men—only one prize of \$1 which was awarded to Heine Kramer who jumped 4 ft. eight inches.

11. Women's Chance to catch a rooster. Milo Fairbanks, engineer brought a rooster down, valued at \$2.50 and turned him loose after which the women and girls were allowed to chase him. Helen Welling, daughter of the foreman of the Pickle Dept. happened to be lucky enough to catch the rooster's tail without pulling the feathers out. After she had the rooster she asked what the cash prize was and she was told that she was to receive the rooster. Then she remarked "Well, daddy will have to come across for the rooster then."

12. Broad Jump—Prize \$1—Herman Vander Hart jumped 13ft and six inches in the broad jump and outwitted H. Kramer who he had just tied. This contest was one which took quite a good deal of time to decide the winner as the two mentioned were running close all the time.

13. Three-Legged race—prize \$1 each for the two winners. Abe Steketee and R. De Maat each put one leg in the same sack and ran together outwitting the others by far. Ralph Bouwman and H. Kramer made a wonderful spill over the grass covered knolls at Bender's beach.

14. Clothes Pin race for the women—prizes 75c, 50c and 25c—Anna Blocker took first prize. Mrs. Chervensky, second; and Susie Lenker, forelady in the Bottling Dept. was awarded 3rd.

15. After this the Ice Cream was served and then a few of the party went in bathing and others sat around and bunched together, enjoying a sociable time. The first boat to take the picnicers home came at 5 and another at 5:45. The last boat came at 6:30. Everybody seemed to co-operate with the committee and as far as the majority were concerned all said they had a wonderful outing day.

## WILL HOLD THE CLUB MEET FRIDAY

Mr. Editor—

The Holland Rifle club wishes to announce that they will hold another meeting Friday, July 30 at 7:30 p.m. at the office of C. A. Bigge, life insurance office above Peters' 5 and 10c store for the interest of all concerned and interested in the use of small caliber fire arms, which is becoming a very interesting sport throughout the country, and also to learn the younger generation to become famous shots as Holland is now noted in baseball, and to turn out some of the best in the world.

To the parents of grown-up boys who fear they will be reckless with fire arms and to learn the people the care and safety in the use of their guns; also in time, if necessary be of benefit to the nation by joining this club of clean sportsmanship.

Hoping all who are interested will attend.

William Woldring.

Simon Den Uy, of Detroit, is spending a two weeks' vacation with his parents on West 15th street.

Daniel Ten Cate received the letter.

## NEARLY 1000 ATTEND BUSH & LANE PIANO CO. PICNIC

Nearly 1,000 attended the annual picnic of the Bush & Lane Piano Co. At 9:30 the American Legion band formed a circle on the corner of River and Eighth street and began striking up musical strains for fair.

This was a signal for the vast gathering of workmen to congregate with their families and take the half-dozen special interurban cars that were in waiting at that point.

The entire management of the local institution were on hand to aid in getting things systematized and in order to have the employees and their families comfortably seated.

MACATAWA COAST  
GUARD IS STILL  
SHORT ON HELP

The Macatawa Coast Guard continues to have its troubles with the labor problem. All season Captain Van Weelden has been up against it to keep a full crew. In fact the trouble started way back last fall when several members of the crew resigned because they could make a great deal more money in other jobs than in the life saving service. During latter part of the season the station struggled along with a crippled crew containing several substitutes.

This spring the season opened with an incomplete crew. For some time temporary men filled the gaps and it was next to impossible to secure permanent members. Then came the news that Congress had raised the pay of the lifesavers, and for a time Captain Van Weelden hoped that now the labor famine would be over and that eligible men would volunteer for the service. But later it was discovered that the increase in salary did not apply to beginners in the service, so the situation is as bad as ever.

Recently two more members of the crew have quit, Cornell Vander Nagel and Roy Raymond Williams, both of Holland. They have been replaced for the time being by Gus Baker and John Van Weelden, son of the Captain. The crew now is made up of five regulars and three temporary men.

Holland is not alone in this labor famine for the life saving service. The same story is being told by captains in many of the stations along the lake. All along the line, the regular men who have had years of experience and are therefore valuable to the service are dropping out and seeking employment paying better wages.

CAR FARE UP TO 10  
CENTS IN MUSKEGON

**STATE UTILITIES COMMISSION  
ISSUES ORDER MAKING 3-  
CENT ADVANCE**

The Michigan public utilities commission after a hearing today issued an order increasing the street car fare in Muskegon to 10c for a period of 60 days beginning August 1. Jitney bus fares for the same period were fixed at 6c.

City officials of Muskegon traction company officials and jitney owners were represented in the hearing. The commission at the same time held that it has no jurisdiction to order jitney buses off streets on which there are car lines.

The order of the commission increasing street car fares three cents provides for the sale of four tickets for 30 cents and a 5 cent fare for all children under 5 years. The increased fare was agreed to by the commission only after an agreement had been made by the traction company to make a substantial increase in the wage of its employees.

The shoe cutters of the Holland Shoe factory of this city cut away from their fellow workmen last Saturday and enjoyed themselves at Tennessee Beach on their annual picnic.

The employees of this department all bunched together and had a regular pot-luck picnic all by themselves.

There was plenty to eat and then some and it took a liberal program of sporting exercises to work satisfactorily their digestion.

On the sport program was a base ball game between the machine cutters and the hand cutters. Things even in baseball go faster by machine than by hand it seems judging from the score. The battery for the machine cutters were Haan and Beltman, while the hand cutters put their trust in Steffens and Unema. The final score was 7 to 3 in favor of the machines, who received a box of cigars.

Other sporting events on the sport program were as follows:  
1. 100 yd. dash—prize—Irish mercur pipe—Unema.  
2. Cock fight—cigar lighter—J. Kruit.  
3. Running Broad Jump—cigar lighter—Peter Douma.  
4. Standing Broad Jump—briar pipe—Peter Douma.

FORD LIBERTY MOTORS WIN  
GOVERNMENT CITATION

**"Motors of Unusually Good Quality" Says Director of Air Service**

A certificate of merit, together with a citation by the Director of Air Service, War Department, has just been received by the Ford Motor Co., Detroit. The letter announces that the "Chief of Ordnance also made similar recommendation and citation." It reads:

"This company produced 3950 complete Liberty-12 motors of unusually good quality. They also produced all cylinder forgings used by all plants in the manufacture of Liberty Motors, and they invented and developed special machinery and processes for this purpose. This plant was 100% on war work."

Besides the cylinder forgings, the Ford Company perfected and manufactured all the cylinders and all the bearings used in American made Liberty Motors.

All war work handled by Henry Ford for the United States government was done at actual cost.

## Have You A Perfect Spine?

If your spine is perfect your health is perfect, but as yet Chiropractors have never experienced the sensation of palpating an absolutely normal spine. Nature intended us to be healthy, but because of strains, jars, falls, poisons, etc., we all experience a little discomfort now and then; that is the reason we all have trouble once in a while. What affects one person may not have the same effect on another, for the reason that the one has the right subluxation and the other has not. For instance, you are subject to indigestion and can't eat many things, while your friend is never troubled and eats any and all things. The cause of your condition is a lack of function, due to an impingement of the nerves at stomach place. The first thing to do is to see a Chiropractor. Consultation and Spinal Analysis Free.

## "PUNCHING THE BACK"

"What possible assistance can be given diseased kidney, liver, stomach or uterus by 'punching the back'?" Pulling the trigger of a gun is remarkably easy and without a knowledge of the latent force within the line of fire might well appear incredible. But to those who can reason from cause to effect, the consequences are clearly defined. So it is with the Chiropractic "thrust." It immediately releases the latent force which is an inherent part of all liv-

ing matter, stirring dormant vibrations to life and action. Its value in the restoration of conditions wherein normal functioning of the various organs may be resumed is testified to by thousands of "chronic" invalids who have regained health through its agency. ## IN TWILIGHT GAME

SCORE IS TWO TO SEVEN; HOLLAND WINS 13 OUT OF 18 GAMES SO FAR

Holland added another victory to their long string making 13 wins out of 15 games by defeating Grand Haven Eagles to the tune of 7 to 2 in last night's twilight game. Steggerda again pitched a steady game allowing five hits. Grand Haven's two runs came in the third as a result of two hits and an error but from then on never once threatened to score. Most of the visitors' energy was used in lambasting the umpires even though there was no cause for it. Lefty Westerhof, of Grand Haven pitched a good game but seemed to be wild issuing five bases on balls and allowed ten hits. Holland started operation in their first turn at bat when Batema led off with a base on balls, went to second when Spriggs pushed a bunt past the pitcher reaching first safely both were advanced to third on Ingham's sacrifice and Babe produced the two-bagger sending across the two runners. The other five runs were scored on timely hitting and bases on balls. Grand Haven was well represented with a bunch of loyal supporters who made themselves known by their continuous rooting for their players and against the umpires. Twilight base ball is very well attended.

The American Legions of Grand Rapids play here on Saturday at 3:30 o'clock. Score by innings: G. Haven. 0 0 2 0 0 0 0 0—2 5 2 Holland... 2 1 0 1 0 2 1 0 x—7 10 3 Batteries—G. H. Westerhof and Martin. Holland—Steggerda and Spriggs.

The locals play at Allegan this afternoon at 3 o'clock. Babe Woldring pitches his first game of the year.

His past record as an officer is his recommendation to the public.

He enlisted in the army in the great war and left his job to do service in France with the U. S. artillery. Upon his discharge he resumed this duty as undersheriff.

## HOLLEMAN-DE-

## WEERD TO PLACE STOCK ON MARKET

The Holleman-DeWeerd Auto Co. the concern which a year ago purchased the Star Auto Co. of Holland and are running a chain of garages have been doing a very prosperous business, in fact so much so, that the buildings in which the business is being conducted are entirely inadequate and commensurate to the rapid growth. For that reason the large garage on that street was purchased by the company.

Lately the best location in the city of Zeeland was secured, namely the site where the interurban station formerly stood which is in the heart of the city and on the main street. The intention is to put up a garage and service station there, costing approximately \$25,000.

The business at Byron Center has also grown enormously and it was found necessary to build a garage, 64x170 feet, at a cost of \$22,000.00.

This service station is now under construction and will be ready for occupancy shortly. The new garage in Zeeland to be built this fall will be 65x190 feet.

Because of this contemplated building program, necessary owing to business expansion, the company is going to put on the market \$40,000.00 worth of stock in the company. Of this amount \$8,000, will be common stock, and \$32,000 will be preferred stock, paying a dividend annually of 8 per cent.

The stock will be sold in blocks of ten shares, eight shares to be preferred, and two shares to be common. Each share is valued at ten dollars or one hundred dollars for the block.

There are two reasons why this stock is put up for sale. The first reason is as already stated, namely to complete the building program which is now in progress. The second reason is that when this building program is completed and the new garages are ready for business, then the Ford Motor Co. will increase the Holleman-DeWeerd Company's contract for Ford cars at least 35 per cent, while now the company is handicapped for the reason that they are selling more Fords than the company will deliver.

According to the prospectus relating to the stock, the company's books show that the sales for 1919 were \$220,621.67 with a net profit of \$12,785.42, and that the sales for the first six months of 1920 were \$221,429.15 with a net profit of \$10,936.98.

During 1919 the company delivered 200 Fords and eighteen tractors, besides selling an endless amount of Ford parts.

Thus far in 1920, 181 were delivered besides ten tractors.

Over the year and a half, 409 customers buying Ford parts are on the company's list.

It is understood that all preferred stock purchased in the company is protected and has first lien on the buildings and property of the company and all its assets, besides \$21,000 in insurance carried on the lives of members of the company, payable to the Holland-DeWeerd Auto company and its stockholders, and it goes without saying that under the Michigan State law the stockholders carrying preferred stock are the first to receive their dividends and that stock would be the first liability to be paid out of the assets.

This in substance is the information given in the stock selling prospectus issued by the company to its stock salesmen.

Mr. and Mrs. Fred G. Mulfinger, who were visiting with Mr. and Mrs. George La Bar at Spring Grove for the larger part of a week, returned home Thursday.

John H. Doesburg and son Joan Henry Doesburg Jr., Chicago, were guests of their sister Miss Kittie Doesburg at her home on East 10th street, the latter part of last week.
