Titus Van Haitsma Victim of Mishap East of Holland

Muskegon Resident,
Driver of Second
Car, Also Injured

An elderly Vriesland man was killed and a Muskegon man was injured in an accident shortly before 12:30 this afternoon on M-21 about 2 1/2 miles east of Holland. Fatally injured was Titus W. Van Haitsma, 76, of Vriesland. He died at Holland hospital at 1:15 p.m., 45 minutes after he was brought there by ambulance. Injured was Thaddeus C. Jones, 53, of 2006 Harding Ave., Muskegon, who is in fair condition at the hospital. Injuries include a dislocated right hip and multiple bruises. Identification of Jones was obtained through his driver's license.

The accident occurred in front of the Vandenberg Shellane store on M-21. Jack Vandenberg, store owner, witnessed the crash and immediately summoned an ambulance, which arrived within five minutes.

Vandenberg said he was leaning on a counter watching the highway when the two cars crashed. "They seemed to fly into the air and then crumple back to the very same spot."

The witness said it appeared that Van Haitsma, who was driving east, lost control of his car. He was hit broadside by the Jones car, headed west. The Van Haitsma car, about a 1947 model, was completely demolished and the other vehicle, about a 1951 model, was badly damaged.

Two Men Arrested On Larceny Count

Two men were arraigned in Municipal Court this morning on charges of simple larceny involving a traveling clock and a small camera taken from a local drug store.

William Alford Wright, Jr., 41, Shreveport, La., was sentenced to serve 10 days in the county jail, and Byron James Kirby, 24, of 264 Lincoln Ave., was sentenced to pay fine and costs of \$29.70 and put on probation for six months.

The two men were apprehended by Hans Suzenar who saw one of the men take the clock. Suzenar got in touch with local police and Officer Jerrold Lubbert took the men to headquarters. Search revealed a camera but no clock although a check at the drug store established one was missing. The clock was later found in a dark corner in the hall at police headquarters.

Others paying fines in Municipal Court were Omer F. Rich, 50, Dayton, Ohio, stop sign, \$5; Gerrit T. Buth, Coopersville, running barricade, \$12.

Misner, prominent Democratic figure, received an appointment this morning to act as a page at the Democratic national convention in Chicago next week. He will leave Sunday night to be assigned his station and will remain until the convention adjourns. The appointment was made by Sen. Blair Moody.

The senior Misner, who has been Ottawa county chairman for many years, will miss his first national convention this year because of ill health. The Chicago convention will not be a new assignment for Dean, as he served in the same capacity in Philadelphia in 1948.

Three Persons Injured In Two-Car Collision

Three persons were treated in Holland hospital for injuries received in a two-car crash at 10:43 p.m. Wednesday at 17th St. and Van Raalte Ave.

The three were passengers in a car driven by George Bilyou, 44, of Maple Farms, Fenntville, which collided with a car driven by William Staal, 62, route 1.

Most seriously injured was 20-month-old Charles Bilyou who received a broken right arm. His mother, Mrs. Florence Bilyou received a cut forehead and a bruised left arm. Frank Bilyou, 10, received face bruises. Bilyou, who was driving south on Van Raalte Ave., told police he thought he was on a through street and did not see the stop sign at 17th St. The left front of his '40 car was damaged to a lesser degree.

Police issued a traffic ticket to Bilyou for running a stop sign. Gerrit Riphagen, of 300 West 17th St., a passenger in the Staal car, was listed by police as a witness.

Pioneer Families To Get Plaques

M. D. Tripp, chairman of Allegan county's centennial fair, has announced that he now has official blanks for application to the Michigan Historical commission for the centennial award.

This award is available to all families whose land has been in possession of the same family for 100 years or more. It is necessary that the chain of ownership be shown and checked by the Historical society in Lansing, Tripp said. Eligible families are asked to write or apply in person at Tripp's office, 114 Locust St., Allegan, and all applications must be on file in his office on or before Aug. 20.

Rev. Westdorp Appointed Dean

Grand Rapids — The Very Rev. John M. Westdorp, pastor of St. Francis de Sales parish at Holland since 1937, today was named new dean of the Holland deanery by Bishop Francis J. Haas, bishop of the Grand Rapids Catholic diocese.

He succeeds the Rev. Theodore Liebek who was transferred recently from St. Mary's parish, Spring Lake, to St. Isidore's of Grand Rapids.

Rev. Westdorp was ordained in 1921. Before becoming pastor of St. Francis de Sales parish in August, 1937, he served as assistant pastor at St. Patrick's parish, Grand Haven, St. John Baptist church, Muskegon, chaplain at St. Mary's hospital and at Mt. Mercy academy. He also has been administrator of St. Paul's parish, Onaway, and pastor at St. Mary's parish, Hemlock.

Man Recovering After Caught in Sand Cave-in

William Strazanac, a construction worker, was to be released from Holland hospital today after recuperating from injuries received Wednesday afternoon when he was caught in a slide of sand while working on sheet piling at the south side of Macatawa park. He was dug out almost immediately by workers and taken to the hospital.

Vandalism Up At Local Park

Vandalism is on the increase at Holland state park, Manager Clare Broad reported today. There has been a considerable amount of window breaking, signs inside of the bathhouse have been scratched and torn off the walls, and a number of the outdoor signs have been dented and smashed, Broad said.

Anyone apprehended on a charge of destruction of property is subject to a \$50 fine, Broad reported.

Vandalism throughout the state at a number of parks has been prevalent, and state conservation and law enforcement officers are starting a crack-down campaign on vandals in state parks.

According to conservation officials, vandalism has been so bad that some state parks have had to reduce facilities.

State park officials say some spots visited weekly by vandals who throw picnic tables into lakes and streams, upturn trash containers and wreck other equipment.

Park officials said some park visitors also are stealing expensive picnic stoves. Cases have been reported where vandals broke into buildings and smashed windows, tables, chairs, and doors and ripped cupboards from walls.

Man Bound Over On Check Charge

Fred C. Bell, Jr., 38, of 610 Riley road, Holland, presently living in Milwaukee, was bound over to Circuit Court upon examination Tuesday afternoon before Municipal Judge Cornelius Vander Meulen on a charge of issuing a check with insufficient funds. He furnished bond of \$300 for his appearance at a later date.

The check with which he was specifically charged was dated March 1, 1952, for \$120 made out in favor of the North Side Texaco Co. Testimony revealed several other checks also had been issued for which there were insufficient funds. The complaining witness was John Riemersma who operates the North Side Texaco Co. Municipal Court fines were paid by Willis Jay Woudwyk, 20, of 213 West McKinley, Zeeland, speeding, \$7; Gerhard Ritsma, 17, of 578 South Shore drive, speeding, \$12; Albert H. New Patrolman Added To City Police Force

Police Chief Jacob Van Hoff today announced the appointment of a new six-foot-three member of the Holland police force. The newcomer, Ed Kampen, 21, of Zeeland, is an addition rather than a replacement and will work a new beat from noon to 8 p.m. The new program was recommended by City Manager H. C. McClintock.

Kampen, who is moving to Holland, will start work Friday. He is a grandson of Mr. and Mrs. Ralph (Babe) Woldring of Holland, and remotely related to Sgt. Ralph Woldring of the local force.

His appointment gives the force a complement of 16 men, a chief and a stenographer.

Port Authority To Receive \$300 In Council Action

Appropriation Okayed
After Attorney Rules
On Harbormaster Pay

An appropriation of \$300 for the Port of Holland Authority was approved by Common Council Wednesday night after City Attorney O. S. Cross ruled that the city of Holland was legally liable for the amount of salary due the harbormaster, the amount not to exceed the figure included by council in the budget.

The city attorney's report pointed out that council had appropriated \$200 in the interim budget and \$700 in the regular budget last year, and that \$700 had been turned over to the Port Authority. Requests for the remaining \$200 had been tabled by council on two occasions. This year's budget also includes a \$700 appropriation for the Port of Holland Authority.

Because of lack of funds, Harbormaster Chester Kramer resigned late in June after his salary had not been paid for about four weeks. It was this point on which the city attorney's opinion was sought.

Status of the Port of Holland Authority at present is confused. The program entered its second year of operations this summer under difficulties. It had operated the previous year as a joint program of Holland, city, Holland township and Park Township. Holland township withdrew this year, and Park township held up its appropriation pending action from Holland city.

In other business, Council delayed action until next meeting on ordinance No. 417 which amends the regular ordinance on public peace and good morals by adding two paragraphs prohibiting the use and sale of pea shooters, squirt guns and the like. The first reading was held two weeks ago. The new ordinance was drafted at the request of the Chamber of Commerce which received many complaints on the use of pea shooters and squirt guns during Tulip Time.

Council passed an ordinance rezoning the new plot known as the Wildwood development to class A instead of class B or D. The new development is in the southwest corner of Holland bordered by Ottawa and Van Raalte Aves. and running from 32nd St. to a point midway between 27th and 28th Sts. The action was taken after no protests were aired at the public hearing scheduled Wednesday night.

A public hearing also was held on closing certain streets in the new development. There were no complaints, but Council postponed action on vacating said streets until the final plat is filed by the development group.

Copies of "Michigan Flood Bulletin" issued by the Michigan State Waterways commission were distributed among Council members.

Permission was granted Peter Kalkman to move a house from 320 West 24th St. to 341 West 22nd St.

A claim for damages filed with the Board of Public Works by Alexander's department store was referred to the Michigan Mutual Liability Co. and city attorney. Damage allegedly occurred when rusty water was forced through a drinking fountain while a meter was being changed. Amount of merchandise damaged by the water had a retail value of \$163.71 and the claim asks \$60 per cent.

City Clerk Clarence Greengrove presented the fire inspector's report for June listing 94 inspections and nine warnings.

A request from A. Patsy Fabiano for rezoning part of a lot on West 19th St. bordering property on Washington Square from class B to class C was referred to the planning commission for recommendation.

City Attorney Cross presented a report on whether council has the right to pass an ordinance requiring a permit for occupancy of new dwellings, indicating that an ordinance requesting the building inspector to issue a permit for occupancy would be valid. He was instructed to draft such an ordinance for presentation at the next Council meeting. This action was prompted by Ald. Robert Vischer who said there are some cases in Holland where a person applies for a permit to build a new home and then moves into the basement without completing the home.

One-Point Margins Mark Recreation League Games

Play in the city recreation men's softball league Thursday night saw two games won by one-point margins.

Wierda topped Sixth Reformed 9-8, with Spyskerman the winning pitcher and Overway the loser. Lith-I-Bar scored in all but two innings to come out on top in an 8-7 decision over Holland. Busari was the winning pitcher, Blackmoor the loser. Young Calvinists defeated Heinz 7-3, with Boeve the winner and Silva the loser.

Council Okays Service Station At 13th and River

One Dissenting Vote
In Issue That Started
Here Early Last Fall

By a vote of 5 to 1, Common Council Wednesday night granted permission to the Texas Co. to erect a service station at the southwest corner of 13th St. and River Ave., presently occupied by a drive-in.

Ald. Bernice Bishop cast the dissenting vote on the basis that another service station in the area would create a traffic hazard for the hundreds of school students walking on River Ave. Alds. Rein Visscher, and Raymond Holwerda were not present.

Council reconsidered the application on request of Ald. Laverne Rudolph of the second ward in whose ward the property is located. There was little or no discussion other than to re-emphasize certain points on safety discussed May 7 when the matter was tabled. The company submitted the original application last fall. Council denied the application Oct. 23. Conrad Bradshaw of the Grand Rapids law firm of Warner, Norcross and Judd appeared for the Texas Co.

Ald. Rudolph said he feels the station would be less of a traffic hazard than the present business. It also is regarded as no fire hazard since plans have been approved by fire authorities.

Council's discussion of the service station situation was interspersed by comments on other subjects by Peter Lugten, local resident, who rose three times to protest certain operations in the city. He first protested the appointment of a Zeeland man as new patrolman for the police department and questioned whether a new man for the police department was provided for in the budget and city charter.

City Manager H. C. McClintock explained the procedure of adopting the city budget and its public hearing according to the city charter, and assured Lugten that the proper appropriation for a new man was provided. He also explained that the department had been seeking a new man three to five weeks, and had advertised for such help. Until the new man, 21-year-old Ed Kampen, was hired, there had been only one application from a man in Florida for the position. Kampen will serve on the night beat and will serve a six months' probationary period like all beginners on the force.

Council approved a recommendation drafted by City Clerk Clarence Greengrove to pay election workers by the day instead of by the hour. Under the new arrangements, election workers will report to the polls at 6:30 a.m. and continue until the work is finished after the polls are closed at 8 p.m., allowing a half hour off for lunch and a half hour for supper. The new program allows \$16 a day for the chairman, \$14 for other workers and \$4 for attending election school. Should part-time help be necessary, such workers will be paid at the rate of \$1 an hour.

Ald. John Beltman inquired about the possibility of improving Pine Ave. from Seventh St. to River Ave., and was informed that the street will be resurfaced shortly after the curve onto River Ave. is slightly rerouted. Meanwhile, Council considered special oil treatment in the vicinity of Van Tongeren park where Beltman said it is particularly dusty.

The meeting lasted one hour and 15 minutes. Mayor Harry Harrington presided and Ald. Beltman gave the invocation.

Check Sought on Dancers In South Haven Parade

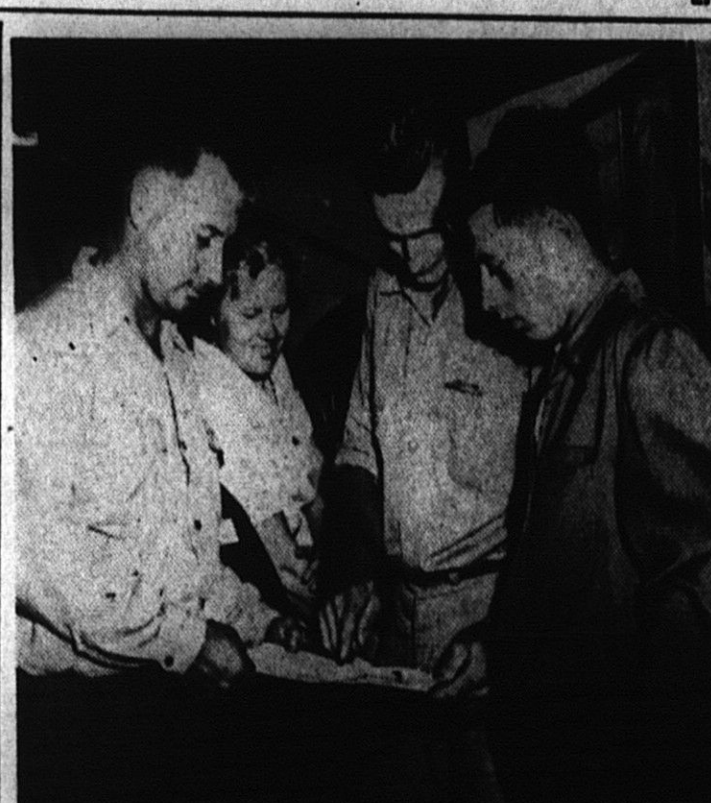

The Chamber of Commerce, which is arranging for a Holland unit in the Blueberry Fiesta parade Saturday morning in South Haven, is anxious to verify the number of klompen dancers who will be in the parade.

Dancers already contacted are asked to call Chamber headquarters. Other costumed dancers interested in marching in the parade also are asked to call the chamber within the next day or so. Present plans call for about two dozen girls, but more can be accommodated. The Chamber is providing transportation and lunch for the group.

Also in the Holland unit will be the Holland Furnace pony hitch and VFW drill team wearing snappy new uniforms.

Grand Haven (Special)—Mrs. Ermyl Eby, who has been with the Ottawa county health department nearly six years, today announced her resignation effective Oct. 15. She came to Grand Haven from Detroit after serving as supervising nurse in Royal Oak schools. She received her nursing degree at Wayne university.

Checking over an air map with the pilot (left) before taking off on an air tour over Ottawa county are Mrs. Lawrence Klokert, route 2, Zeeland, Lawrence Klokert and Ronald Jones, West Olive. The tour, sponsored by the West Ottawa Soil Conservation district, flew 206 persons during an all day tour Wednesday. Over 1,500 farms making up a total of 109,684 acres co-operated with the district in getting conservation on the land. Because of the impossibility of covering the entire county, two flights were made, one over the northern portion and the other over the southern part of the county. Each flight showed how different conservation measures had been employed. (Sentinel photo)

County Air Tour Plan Keeps 4 Planes Busy

As fast as they could land, refuel and load passengers, four planes took up 206 persons on an air tour over Ottawa county Wednesday.

Flying from Grand Haven airport, the planes covered both a northern and southern tour of the county. Each flight covered about 50 miles and took approximately 30 minutes. The early lineup of persons waiting to take a flight, assured the sponsors, the West Ottawa Soil Conservation district, of a successful program.

Many of the persons at the airport spent the time waiting for a flight looking over the many conservation displays which included movies, a display of farm implements, and crop dusting by airplane.

The air tours continued today with two planes scheduled to fly all day pending good flying weather.

According to W. D. Miller, farm planner, the tours are designed to show people the importance of conserving topsoil.

Miles, Hartman And Cook Named To School Board

Proposal to Make City
Third Class District
Wins by Big Majority

One board member was re-elected and two others were elected at the annual election of the Board of Education Monday in Junior high school which attracted 990 votes. The vote was described as moderately heavy for Holland school elections.

E. V. Hartman, the only incumbent seeking re-election, was again named to the board. New school board members are Wendell A. Miles, county prosecutor, and Alvin J. Cook, who operates his own lumber business.

Miles led the field of eight candidates by polling 537 votes. Hartman, a member of the board for 12 years, was second with 462 votes and Cook third with 432 votes.

Other results were Rexford E. Chapman, 385; D. Ivan Dykstra, 271; Robert E. Barber, 192; George Minnema, 261; Henry Voogd, 277.

Voters also overwhelmingly approved a proposal whereby Holland city will be classified as a third class school district under state law. The majority was better than 4-1 in favor of the proposal. There were 735 "yes" ballots, 157 "no" ballots, 19 spoiled ballots and 79 blank ballots.

The proposal, advocated by the Board of Education, provides the necessary mechanics for operating on a sound legal basis under state law. Up to now the board technically was operating under a school charter approved by a special act of the state legislature long before 1900 when Holland became a city.

About the only change the measure involves is that it provides for a seven-member board instead of nine members. The method of reduction rests with the board. It has been suggested that the board be reduced by one member next year and one the following year.

Voting was brisk throughout the afternoon and evening, a decided contrast to some school elections with little or no interest when some voters had to be drummed up to hit the 100-mark. Counting of ballots was completed at 9:50 p.m., a little less than two hours after the polls closed at 8 p.m.

The board will hold its monthly meeting Friday night. Otherwise the board meets the second Monday of each month.

She Had Her Doubts, But Things Were Okay

Mrs. Herbert Huntley, 231 Pine Ave., was awakened early Thursday morning and was "sure" she saw two cows at the curb near her home.

But Mrs. Huntley didn't tell any of her friends of the episode for fear they would laugh it off as a "pink elephant" vision. She did, however, confide in her husband—and he alone.

Mrs. Huntley was reassured it wasn't just a vision when news of the escaped cows was revealed later Thursday. Sure enough, they were cows at the curb. They were liberated from a big stage truck involved in an accident with a car at the corner of 17th St. and River Ave.

He also is minister of music at a Nashville church.

Wounded Soldier Writes

Mr. and Mrs. Martin Nagelkirk of Olive Center received a brief letter Wednesday from their son, Pvt. Sherwin Nagelkirk, 21, who was seriously wounded in Korea. The letter was written from a Korea hospital on the evening of the day he was wounded. He explained in the letter that he was on guard for other American troops at work on the front lines when he was hit. He has shrapnel wounds in both legs and his left arm.

Las Inning Run Brings Triumph To Legion Squad

Holland pushed across one run in the last of the ninth inning to break a tie and defeat Grand Rapids 9-8 Saturday afternoon to advance into the finals of the district American Legion baseball tournament.

The Holland crew, a hand-picked club from the local eight-team league, built up an early lead over the Sunset Gardens team from Grand Rapids only to see it melt away in the late innings. A single by Bill Fortney, double by Bob Van Dyke and a fly to left field by Jim Boeve brought home the winning tally.

Being a double elimination tournament, Sunset Gardens now must play the other Grand Rapids entry, Fulton Drug Juniors, next week with the winner meeting Holland in the finals next Friday. If another game is necessary, it will be played Saturday afternoon. Site of the games is to be arranged. Winner of district play advances to the state tourney in Battle Creek after this month.

Jerry Prince was the winning pitcher Saturday, although a touch of wildness in the eighth frame allowed three Grand Rapids runs to score to tie the count. Prince came on in the sixth frame when starter Jerry Victor began to tire. Losing pitcher was John Rumohr, who took over the mound from Bill Sweers in the

fateful ninth. Before that, Rumohr had been the batting star for the losers, banging out three singles and a long base-loaded triple.

Van Dyke stole the offensive honors for Holland. The young third sacker ground out two doubles and a home run to deep center in five times at the plate.

Holland drilled out 13 hits to compensate for eight fielding misplays. Paul Mack, Bill Vryhof and Ron Nykamp each had two safeties, while single hits were recorded by Fortney, Harry Holtrud, Dick Plagenhoef and Victor.

Man Must Serve Balance of Term

Grand Haven (Special) — An order correcting the sentence of Francis Van Hees of Grand Haven was signed by Judge Raymond L. Smith Thursday afternoon.

Van Hees, now serving the balance of a probation violation term at Southern Michigan prison at Jackson, upon his release soon, will be returned to Grand Haven to serve any remaining balance of his nine-month to one-year term imposed by Judge Smith Jan. 28, 1952, in Ottawa county jail.

On Sept. 7, 1948, Van Hees stood mute and a plea of not guilty was entered on a charge of felonious assault. He was convicted by a Circuit jury and was sentenced to serve 18 months to four years at Southern Michigan prison.

While on parole Van Hees was arrested for assault and battery, on which he was awaiting sentence when he broke out of the county jail. He was sentenced Jan. 28, 1952 to serve nine months to one year at Southern Michigan after pleading guilty Nov. 23, 1951.

Red Barn Theater Filled For 'Ten Nights' Opening

Saugatuck—The new Red Barn theater was filled for opening night Friday of the old temperance play, "Ten Nights in a Barroom," a side-splitting melodrama by William W. Pratt, Esq., which ushered in the fifth season of the Saugatuck Summer Players.

The switch from the Saugatuck high school gymnasium to the renovated red barn just off US-31 Douglas has provided the summer players with an atmosphere long missing under the old setup. A new cement floor, adequate stage equipment, addition of rest rooms and a small office for Director James C. Webster were part of the improvement program, and some of them were completed just in time for the first play.

Theater guests were seated on old church pews, made comfortable with puffy cushions. Straw in the lofts bordering the stage added further atmosphere.

Most of the action of the five acts in 12 scenes took place either outside or inside the Sickle and Sheaf Inn. Three scenes were staged in the home of Joe Morgan, the drunkard father of Little Mary whose plaintive plea of "Father, dear father, come home" has long been immortalized in song and story.

Plenty of violence marked the plot. One big scene showed Little Mary the target of a heavy glass Inn Keeper Simon Slade threw at the village drunkard. A subsequent scene showed the dramatic death scene of Little Mary with her father swearing off liquor for all time. A few other well played fatalities and a series of short temperance lectures at the conclusion emphasized the moral of the story.

John Knuth as Sample Swichel, a Yankee tippler, provided most of the laughs in the production. William Lee Roy appeared as the serious philanthropist who foretold some of the grim outcome. Reva Riley was the long-suffering wife of the village drunkard and Leslie Harmon appeared as her husband. Little Mary was Linda Maas.

The play will continue through Wednesday night, starting at 8:30 p.m.

Park Attendance Down, But No Trailer Spaces

Holland State park was again filled to capacity Saturday as every trailer and tent space was taken with more than 25 trailers waiting outside.

Attendance figures released by Park Manager Clare Broad, show that 16,500 people were at the beach Saturday while 14,000 came on Sunday. Today's threat of rain scared some visitors out and tent spaces are now available without a wait.

2 Cars Damaged In Train Accident

One box car was demolished and another damaged in a railroad accident at 3:40 p.m. Sunday on the C and O tracks near US-31 underpass east of Holland.

The accident occurred on the "second track" and while the damaged cars remained in the roadway, traffic was not affected. The tracks were cleared by 9 p.m.

The demolished car with its load of bricks remained on the scene today, but the second car loaded with coke was removed Sunday night. The latter car was damaged to the extent of about \$150.

The crash resulted when the train backed into a car which had just been switched. It was caused through a misunderstanding between the brakeman and engineer. The impact caused the car containing the bricks to buckle on the tracks.

Four Tons of Cement Price of Quit Claim Deed

Grand Haven (Special) — Mrs. John Balek of Spring Lake township is endeavoring to carry out a strange request in order that the estate of her late husband may be processed. Her husband died last Feb. 15.

The couple had no children and Balek's survivors included the wife, a sister in Wisconsin and two brothers in Orawa, Poland, behind the iron curtain. The sister relinquished her rights in the estate, but the reply from Poland bore a condition that the brothers there would sign a quit-claim deed relinquishing their rights provided Mrs. Balek sent them four tons of cement to be used in rebuilding their home which was destroyed during the war.

Accordingly, Probate Court is making arrangements to deposit \$108 with a New York concern which in turn will forward the cement.

HERBERT HOOVER'S ENDORSEMENT

Last week, you were thrilled and approved when former President Herbert Hoover, sounding a clarion call for Americanism & Government Constitutional echoed your sentiments.

But, to return to Americanism and Constitutional Government, we must have able, courageous men in Congress. No one questions the ability of your Congressman, Clare E. Hoffman.

You will be gratified to know that, on August 15, 1938, Mr. Hoover wrote him:

"I just want you to know how much I admire the fine battle you are carrying on. You are reaching to the very bottom of constitutional rights."

And, in March, 1951, unsolicited, Mr. Hoover again wrote your Congressman:

"I would indeed be remiss if I did not write to congratulate and thank you for your legislative sponsorship of all the remaining recommendations of the Reorganization Commission."

Your record on Reorganization legislation represents an outstanding contribution to governmental economy."

And in March, 1952 the General Manager of the Citizens Committee for the Hoover Commission's recommendations, addressing a colleague who had praised your Congressman, wrote:

"This well-deserved tribute, denotes the admiration and respect which we all hold for Mr. Hoffman and it is gratifying to see it so generously recognized by an outstanding colleague."

So, with your own judgment backed by that of Herbert Hoover and the Citizens Committee for the Hoover Report, ask your friends to aid in nominating your Congressman on August 6, Elect him in November.

Holland All-Stars Bow to Powerful Teamsters Outfit

Pitcher Bob Warner and his Grand Rapids Teamsters Local 206 team made the Holland softball All-Stars victim No. 20 in a row this season as the visitors defeated the locals 4-2 Saturday night.

Again it was a couple of cheap runs for the visitors that spelled All-Star defeat. The Teamsters scored twice in the first frame without benefit of a hit. Other than that, the earned runs were equal.

Warner was reached for six hits by the Holland club—some of them bleeders and some of them solid knocks. He struck out 10 batters, walked three and hit one batsman. The cool right-hander also displayed a wide assortment of pitches from his windmill motion.

Roger Schut was the opening mound choice for Holland, and a touch of early wildness in the first inning hampered his efforts. A hit batsman, a walk, a few passed balls and an infield error brought in two runs. Carl Walvois nailed one of Schut's fast pitches for a home run with the bases empty in the third.

Norm Boeve took over mound chores in the fourth for a three-inning stint and came through with no runs scored. Al Bosch finished up in the seventh and gave up one run on two solid hits, one by Warner.

First Holland run came in the fifth when Ken Matchinsky blasted an infield hit and moved around to third on an infield out and passed ball. Herb Maatman then walked and Matchinsky scored on a double steal.

In the bottom of the seventh, Holland scored its other run. Al Glupker lined one to deep center that bounced over the fence for two bases, and then Pat Fortney lined a single to center scoring Glupker.

Two Accidents Occur in County

Two cars were damaged in a crash at 2 a.m. Saturday on M-21 at the 112th St. intersection located between Holland and Zeeland.

A car driven by Loretta Green, route 6, headed east, on M-21, paused for a left turn and was hit in the right rear by a car driven by Roger O. Soulesley, of 60 West State St., Grandville. Soulesley, whose car was damaged on the left front, was given a ticket for assured clear distance. Both cars were damaged to estimated extent of about \$250.

Soulesley told sheriff's officers he started to pass the other car and couldn't make it, so went around on the right.

At 8:50 p.m. Friday, officers investigated an accident on M-21 near Grandville at the point where the four-lane highway branches into the divided highway.

A '52 model car driven by Burdette Watson, 32, Detroit, was about to pass a car and house trailer driven by George Kamps, 61, route 1, Hudsonville, as Kamps was about to pass another car. Both cars were headed east and the tight quarters caused the Watson car to hit the left shoulder, turn over on the "island" and end up on the other road headed in the opposite direction. Watson was given a ticket for failure to have his car under control. His car was damaged to the extent of \$400. The Kamps car and trailer were not damaged.

Deputy Nelson Lucas investigated both accidents.

On a contract scheduled for completion October 31, 1952, calling for construction totaling \$89,992, West Shore Construction Co. of Zeeland has undertaken extensive repairs of several Western Michigan roads. Also a contract for a similar project amounting to \$21,700 was revealed. Completion date on this second project is September 30, 1952.

Harry Pickett Co. received grading and drainage contracts totaling \$36,279.52, to be completed by Sept. 30, 1952.

Bikes Without License Plates End Up at Jail

In patrolling the downtown section Friday afternoon, local police picked up about 25 bicycles which did not have proper licenses for 1952. Most of them were picked up from theaters.

The bikes were taken to police headquarters and "corralled" in and around the small grassy enclosure in front of the station.

First to appear to get a bike out of hock were three little girls. They could find only two bikes instead of three outside the theater.

The verdict of 25 cents for a new license plate brought worried looks. They could raise only 24 cents among them.

The sergeant and The Sentinel reporter scrambled to provide the extra penny. The reporter won.

Homer in Seventh Furnishes Margin In Tight Contest

A three-run home run by Ron Appledorn in the top of the seventh inning provided the winning margin as Barber Fords nosed out first half champion Main Auto 5-4 in the Holland City Softball league Friday night.

Central Ave. scored four runs in the fourth inning of the first game to turn back Pelon Sunoco by an identical 5-4 score.

The defeat for Main Auto was only its third of the year in league play.

The Autos jumped on Ford hurler Norm Boeve for three runs in the first frame on a walk, single by Herb Maatman, error, hit batsman and single by pitcher Jason Ebels. Last Auto score came in the fourth when Ebels tripled and scored on an infield out.

Fords' first tally came in the third when Don Sundin singled and went around on three passed balls. Second marker crossed in the sixth on a single by Walt Wiodarczyk and an error. That made the score 4-2 for the Autos and set the stage for Appledorn's seventh-inning homer.

Sundin led off the seventh with his third straight single, followed by pitcher Boeve's double. After an infield out Appledorn lined his home run over the left field fence.

Ebels was reached for seven hits by Fords, and he struck out seven. Boeve allowed only four hits and struck out six. He made sure Main Auto wouldn't tie the score by fanning three in a row in the last of the seventh. After a somewhat shaky start, Boeve settled down to retire the last 11 men in a row.

Central Ave. was limited to five hits by Sunoco hurler Whitey Westerback in the first game but all five resulted in runs. The winners bunched four of them for four tallies in the fourth frame. Singles by Paul Vandenberg and Butte Kool resulted in the quartet of tallies. Other Central marker crossed in the first on a walk and double by George Knoll.

Sunoco scored twice in the second on a walk and home run by Jim Bagladi. Bagladi doubled home another run in the fourth after a walk, and final tally scored in the fifth on a double by Vern Vande Water, passed ball and an error.

Miss Boeve, Ivan Compagner Wed

Miss Beverly Dee Boeve, daughter of Mr. and Mrs. Arthur J. Boeve of 854 Lincoln Ave., became the bride of Ivan Compagner in rites last Wednesday evening, July 2, in the Woman's Literary club house. The groom is the son of Mrs. John Compagner of Oakland and the late Mr. Compagner.

Palms, ferns, candelabra and arrangements of daisies, gladioli and stock decorated the auditorium for the double ring ceremony read at 8 p.m. by the Rev. James Baar.

Miss Donna Compagner, the groom's sister, sang "Because." "If I Could Tell You" and "The Lord's Prayer." Mrs. Earle Tellman was organist.

The bride, escorted by her father, chose a traditional gown featuring a lace over satin bodice and satin skirt with long train. The gown buttoned down the back and the lace sleeves were pointed at the wrists. A Juliet cap held her veil of illusion and she carried a white Bible with an orchid. Her double strand of pearls was a gift of the groom.

Mrs. Arthur Boeve, Jr., and Miss Anna Compagner, sister of the couple, attended the bride as matron of honor and bridesmaid. They wore gowns of yellow and aqua, respectively, with net yokes, wide collars and full skirts. They wore long matching gloves and carried

colonial bouquets of white carnations.

Adrian Compagner was his brother's best man and Gene Geib and Arthur Boeve, Jr., were ushers. Little Faye Dekker and Vernon De Hoop, the groom's niece and nephew, were flower girl and ring bearer.

About 100 guests were present at the reception after the ceremony. Miss Patricia Brieve and Peter Ytt served at the punch bowl and Mrs. Garry Yonker and Mrs. Bernice Groenheide, sisters of the groom, were in charge of the gift room. Serving were the Misses Lois Jipping, Mae Naber, Sue Groenheide and Marilyn and Karen Lam.

The newlyweds spent their honeymoon at Mackinac Island and were to be at home today at 759 State St. For going away, the bride wore a beige suit with red and white striped hat and scarf.

Mrs. Compagner, a graduate of Holland high school, is employed at Baker Furniture Co. office. Mr. Compagner was graduated from Zeeland high school and Calvin college and is an elementary school teacher.

Five pre-nuptial showers were given for the bride. Hostesses were Mrs. Arthur Boeve, Sr., Mrs. Arthur Boeve, Jr., Miss Mae Naber, Mrs. Garry Yonker and Mrs. Almon Dekker.

THAT OVER-CROWDED STATE PARK

If you are one of those who like
to run out to the Ottawa Beach
state park on a Sunday afternoon
you have doubtless discovered dur-
ing hot week-ends that anticipation
of a cool, restful outing is far bet-
ter than its realization. No, there
is nothing wrong with the state
park or its management; the park
is among this section's greatest
assets. What is wrong is simply
that the place is too popular.

Instead of realizing your dream
of parking your car facing Lake
Michigan or Lake Macatawa and
inhaling the cool breezes that come
from those bodies of water, you
find yourself caught in a traffic
jam about a half a mile outside
the park. You inch along bumper
to bumper, traveling about two
feet a minute, and there is no
possibility of turning around and
getting out of the jam; once in the
line you have to keep going.

Finally you arrive, and the
search begins for a parking place.
More often than not the search is
vain. You just keep on inching
along in the line and you move out
of the park at the same snail's
pace that brought you into it. But
when you are finally a mile out-
side the park and the traffic be-
comes normal you heave a sigh of
relief.

That is a not unfair description
of the experience many a motorist
goes through at the peak of the
traffic to the state park. Many who
tried to spend an hour of recreation
there on the Fourth of July or on
the Sunday following it can confirm
this description. In spite of the re-
latively vast space that has been
assigned to public recreation at
the state park, it does not begin to
be large enough for peak hours.
There probably isn't much that
can be done about it. For one thing,
more space is running out. For an-
other, the chances are that no mat-
ter how much space should be pro-
vided the congestion would con-
tinue. Cars are increasing faster
than parking space either here or
on city streets. And except for
peak hours, the space accommoda-
tions at the state park are relatively
adequate.

Congestion or no congestion, the
Ottawa Beach state park is prov-
ing to be one of the most valuable
assets of this community. Not only
does it attract hundreds of thou-
sands of tourists each year, but it
also is a boon to the local public.

But a word to local wise is to
stay away from it on hot Sunday or
holiday afternoons. Much better
drive into the opposite direction
and watch the corn grow tall in the
rural areas, or try the state parks
near Muskegon or Ludington.

Gideon, a Man of Faith
and Humility

Judges 6:11-16, 25-31

By Henry Geerlings

The story of Gideon is one of
the most fascinating in the inter-
esting book of Judges. He is called
a man of God. Times were bad
for all Israel, because of the in-
vasion of their land by the com-
bined forces of Midian and Ame-
lek. Conditions became so desper-
ate that the people despaired of
finding enough food. Even the
grain they raised was stolen from
them. Gideon was threshing grain
in a secret place, when he was
called to save his people from the
Midianites. He was rather doubt-
ful about the whole affair and put
Jehovah to special tests to prove
that he could do what He said he
could through his leadership. The
result was the gathering of a
large force of men from four of
the tribes. With this army far too
small to cope with the great army
of Midian, he established a camp
to await developments.

He followed the natural course
in gathering as large an army as
he could. But Jehovah's plan was
to use as few as possible. In Is-
rael would attribute victory over
Midian to its own strength and
skill. Jehovah gave strange orders
to Gideon. It must have been in-
explicable to his mind that he al-
ready had too many men. All who
had any fear about joining in bat-
tle against Midian were to be al-
lowed to go home. Out of the 32,-
000 decided to return. His heart
must have sunk within him as
he saw his army so reduced, but
he was amazed to hear that Je-
hovah intended a further re-
duction of the number of men.

His reason for the limiting of
the army of Israel continued to be
that no chance must be left for
Israel to boast over victory by its
own power. The 10,000 were test-
ed at the water whither they went
to drink. Then 9,700, apparently
indifferent to the danger, exposed
themselves to being suddenly at-
tacked and overpowered. These
were rejected and the remaining
300 were assigned to Gideon as the
force by which he was to con-
quer the great army of the enemy.

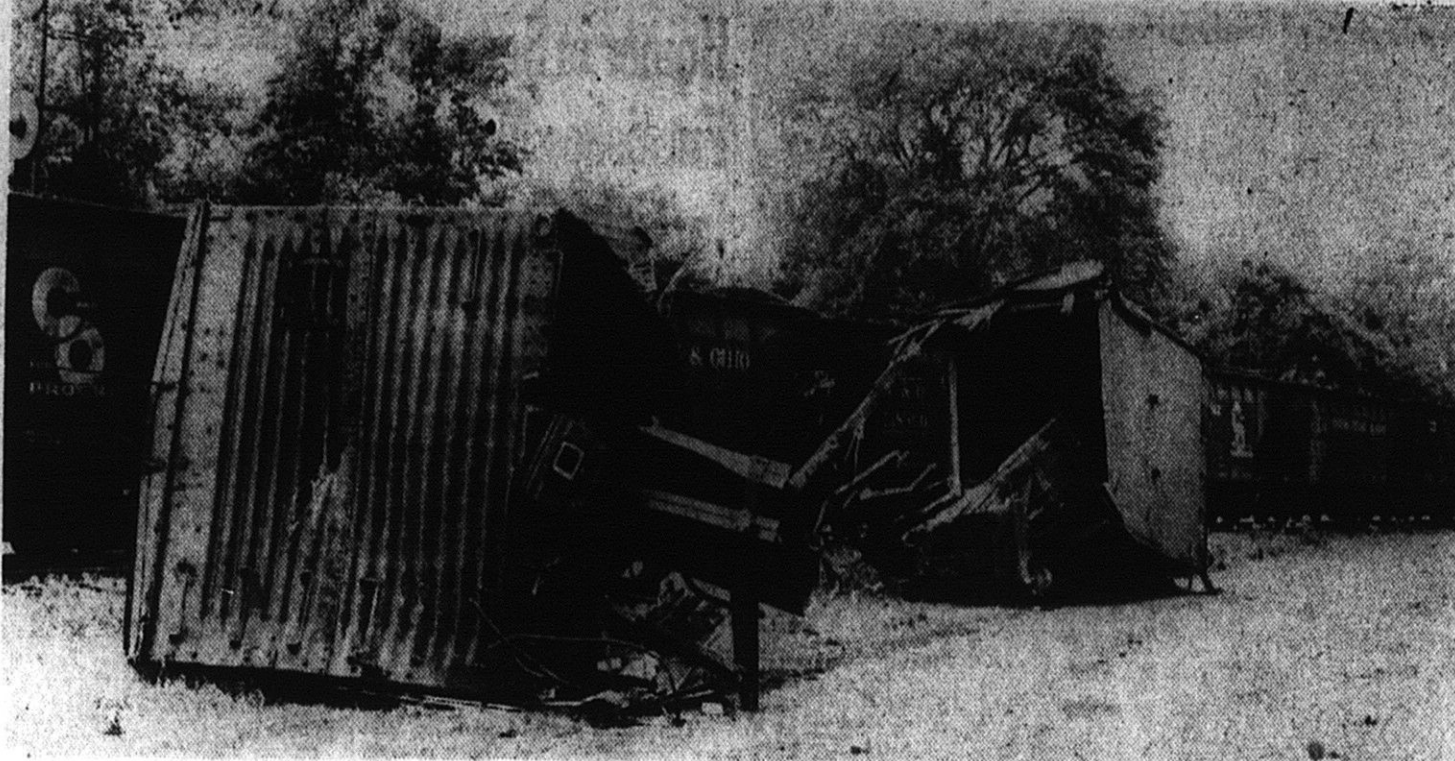

But it was not these few men
who were to gain the victory. It
was Jehovah's use of them that
was to bring success. Gideon was
the key man, but it must not be
forgotten that each of the 300 of
that divinely selected army held a
strategic position and held it well.
The few men who remained
with Gideon were rare in courage
and in devotion to their leader. It
must have seemed strange to them
to watch all the other men go
back to their homes, while they
stayed to meet whatever fate was
in store for them. Gideon's plan
was a clever bit of military de-
ception—a piece of strategy that
had been known to work else-
where and was expected to work
here. Each man was armed with
an empty pitcher in which was
concealed a flaming torch, and
with a trumpet. One hundred men
were put in a group and each of
the three groups was assigned a
definite position, so that the
sleeping enemy was skirted on
three sides. Gideon was the sig-
nal man, and the others were to
follow his example minutely.

At the given signal, the zero
hour, the pitchers were to be
smashed on the ground, and the
torches were to be held aloft and
the trumpets were to sound their
sharpest blasts. There was a great
shout to be mingled with the
sound of the trumpets. It was
the announcement of who they
were and of their motive. To pro-
claim the sword of Jehovah and
of Gideon was to announce the im-
minent danger which hung over
the Midianites. The plan was well
laid out and was in the hands of
men who could be depended upon
to carry it through.

Every detail was followed with-
out a false step. The hosts of Mi-
dian were aroused by the noise,
and what they saw was the flash-
ing flights, which suggested to
them that they were surrounded
by a tremendous force. In the
darkness there was such a wild
scramble to escape that all thought
of standing their ground and
defending themselves was thrust
aside. The success of their de-
ad gesture at a battle was mar-
velous. Nothing short of amaz-
ement comes to us as we read of
what ensued. The flight of the
enemy, the pursuit by the men of
Israel, the slaying of 120,000, the
capturing of their leaders, and the
complete deliverance of Israel
from their oppressors are but de-
tails of the remainder of the ac-
count. Gideon today is heralded as
the hero, but he was not a re-
markable man, except in the fact
that he was willing to obey every
dictation that came to him from
Jehovah. Not Gideon and his men,
but they plus God won.

Humility of the right kind is to
be praised. It is a Christian grace.
Jesus was pleased when He found
it. On the other hand He rebuked
pride. Gideon could not under-
stand why this honor should come
to him. He belonged to one of the
obscure tribes. His family was
poor and he was the least in his
father's house. But God saw in
him qualities of leadership. His
humility was in his favor, for that
would give God a better chance to
do His will through him.

The inspired writer thought
Gideon worthy of a place among
the heroes of the faith. All these
heroes are included in this role of
honor because of their faith. They
believed God—His existence, His
power, His friendliness. Then they
believed that He had called them
to some definite piece of work;
that He would be with them; and
that He would give them His
strength for their weakness. And
then they believed they could not

One box car was literally torn in two Sunday afternoon when a mis-
understanding between the brakeman and engineer sent a train into
a box car loaded with bricks which had just been detached from the
train. The crash, which caused the car to buckle and split apart, oc-

curred on one of the main tracks of the C and O railroad east of
Holland near the US-31 grade separation. A second car loaded with
coke was damaged to the extent of about \$150. The track was cleared
by 9 p.m. Traffic was not delayed since the accident occurred on a
"second" track. (Sentinel photo)

This story under the heading of
"Road Hog" turned up at the police
station this week and brought a big
laugh. We share it with you. Be-
sides, police in a southern state
swear this is true.

The story goes that a model-T
Ford ran out of gas on a main high-
way. The driver of a Cadillac stop-
ped and offered to tow the Ford to
the nearest garage. Along the
way, the driver of the Cadillac for-
got about the Ford. He stepped on
the gas and whizzed past the first
gas station with the Ford in tow.

A state trooper took off after the
two speeders and when the driver
of the Cadillac saw the trooper he
decided to try and out-run him.
He pushed the pedal to the floor
and started to pull away from the
trooper. Seeing he was fighting a
losing battle, the trooper stopped
and radioed ahead to another trooper
about 20 miles down the road.

"Stop the driver of a black Cadil-
lac coming your way," he cried.
"He's doing over a hundred."

"Okay," the trooper at the other
end replied.

"That's not all," the first trooper
went on. "You probably won't
believe this, but there's a man in a
model-T Ford right behind that
Cadillac blowing his horn like mad
and trying to pass."

Cornelius S. Ryan, who will be a
guest of George P. Mahoney, Mary-
land national committeeman, at
next week's Democratic national
convention, had a foretaste of local
democracy in action by attending
Monday night's annual meeting of
the Waukazo school district.

Though calling itself "The Free
State," such intimate neighborhood
meetings are not a part of the
Maryland government procedure.
Rytina is superintendent of the
Washington Times-Herald press
room and lives in neighboring Mt.
Rainier, Prince Georges county,
Maryland.

He and his wife are visiting Mr.
and Mrs. Junius B. Wood and re-
newing old acquaintances in Wau-
kazo. The Woods live in Silver
Spring, Md., most of the year.

Holland has no corner on the
market when it comes to Tulip
trees. The "Man About Town" col-
umn in the Pontiac Daily Press
says several more tulip trees have
been located in Oakland county.
One 25 feet tall with 60 blossoms
last month was reported by Mrs.
Milton Reid of Drayton Woods.
Frank R. Walker of Pontiac also
wrote he knows of others.

The Pontiac column also men-
tioned that several Oakland county
men at the Republican national
convention in Chicago last week
encountered Esther Tufty (she's
The Sentinel Washington corre-
spondent) and decided to phone her
brother, Jake Van Wagoner, in
Pontiac. They put in a call collect,
and everybody talked. Jake, being
a life-long Democrat, of course
was greatly interested.

Remember the story a couple of
weeks ago about a little toy ter-
rier scampering over the freshly
painted corridors in Zeeland high
school? The little pooch was final-
ly captured by Mary Nienhuis,
part-time office worker, who will
be a senior next year.

Now Mary's title is "Bring 'em
Back Alive."

A week or two ago a strange
snake about two feet long was
killed at the service station at 32nd
St. and Michigan Ave. When Corrie
Johnson and Rog Bussies ap-
proached the reptile, it blew up the
back of its neck like a balloon.

When the two men found diamond
designs on its back, they speculated
on the possibility of its falling from
a circus truck passing through
town, and told The Sentinel about
it. And that means research.

According to the Boy Scout man-
ual, the snake resembled a puffed
adder. This conclusion was further
borne out when National Guards-
men on a two-day bivouac in Alle-
gan forest reported seeing similar
snakes.

The rainstorm Monday night was
a blinger all right, and the people
caught in it without raincoats or
umbrellas ended up a bit damp to
say the least.

Among the wettest of the wet
were Deputy Clayton Forry and
Police Officer Ralph Wolrding who
were just preparing for a bit of
white bass fishing in the houseboat
on Lake Macatawa. They had just
placed their gear in a rowboat
when the rains descended. Light-
ning reasoning told them it was the
same distance to the houseboat as
to their parked car, so they took
off for their fishing rendezvous.

Both say there was about three
or four inches of water in the boat
by the time they reached their des-
tination. As for sodden clothing,
just ask 'em!

Laff for the day:
A businessman in love with a
night-club entertainer employed a
detective agency to check up on
her. He received the following re-
port: "The young lady has an ex-
cellent reputation. Her past is
without a blemish. She has many
friends of good social standing.
The only scandal associated with
her is that she has often been seen
late with a businessman of ques-
tionable character."

VFW Down Moose Behind Three-Hit Pitching: Homers

Home runs were in order in city league softball Monday night as three of the long ones went over the fence in the first game between VFW and Moose. The second game between Central Ave. and Hulst was rained out.

In the first contest VFW got two of the three homers to end up on the top side of a 2-1 decision over Holland Moose. Al Glupker and Dick Millman got the homers for the Vets while Ted Bos got one for the losers.

Home runs don't tell the whole story, however, for much of the credit for the win goes to the three-hit pitching of Floyd Vandenberg. Exhibiting a round-house curve and a confusing slow ball he gave up only a single in the fourth and fifth plus the Bos homer. In addition he struck out seven Moose batters.

For VFW both Bill Franks and Don Van Duren collected doubles. VFW got their two runs out of a total of six hits, mostly for extra bases.

Vandenberg received credit for a win while Ed Stille was the loser.

In the second game Central Ave. and Hulst were scoreless at the end of the first inning when the heavy rains started. Owen Aukerman was on the mound for Central Ave. and Al Bosch for Hulst. The game is officially listed as "no contest."

Local Kiwanians Hear Reports on Conservation

Highlights of the 37th annual Kiwanis International convention, held recently at Seattle, Wash., were given by President Jack Plewes and James H. Klomparens, delegates at a meeting of the Kiwanis club Monday night at the Warm Friend Tavern.

At the convention which was attended by more than 10,000 Kiwanians and guests, Walter J. L. Ray, Detroit banker, was elected International president to head the approximately 3,500 clubs throughout the United States and Canada.

The invocation at the local meeting was given by George Steketee. Group singing was led by Gene Chaddock, accompanied by Franklin Van Ry.

J. Walter Malone of Decatur, Ill., was a visiting Kiwanian.

Only Child First Polo Fatality

Grand Haven (Special) — Deborah Hulett, daughter of Mr. and Mrs. Leo Hulett of Marne who would have been four years old Aug. 7, is Ottawa county's first polo fatality this year.

The child died at 4:45 a.m. Monday in Blodgett hospital in Grand Rapids of bulbar polio. She was taken ill July 4 with what was believed to be strep throat and recovered in a few days. Last Friday she complained of a back ache and sore neck. She was taken to Osteopathic hospital in Grand Rapids Friday afternoon and when her condition became critical Sunday she was transferred to Blodgett hospital.

Deborah was the only child in the family. Her father is employed by Stiles Lumber Co. in Grand Rapids.

Dutch Bats Boom But Trail When Rain Comes

Rain washed out the Dutchmen game with the Grand Rapids Black Sox Tuesday night at the end of the top half of the third. The Black Sox were leading 8-7, but it looked as if it would have been a good night for the Dutch bats.

The score was tied at three-all at the end of the first inning after a long homer inside the park was chalked up for Whitney Witteveen. The local boys got four more in their half of the second to lead 7-3. The Black Sox came back strong with five more runs before the game was called.

The game has not yet been rescheduled.

Local Dealer Has New Aid

A new Zenith high efficiency hearing aid engineered to operate at a low cost of less than five cents a day was announced recently by William N. Brown, manager, hearing aid division of the Zenith Radio corporation. The new "Regent" joins the tiny "Royal" and the extra-powered "Super Royal" in Zenith's line of hearing aids.

To effect its unusual operating economies, the "Regent" is equipped with a special power selector switch. By setting the selector switch the "Regent" wearer controls the flow of power from the battery complement so that he or she uses the precise amount the individual hearing deficiency requires—and no more.

In addition to the operating economy of the instrument, the "Regent" provides a built-in Phone Magnet which enables the user to carry on a remarkably clear telephone conversation.

The "Regent" also has finger-touch volume and tone controls for personal adjustment to any type of hearing loss for which a hearing aid is useful. In addition, there's a Zenith exclusive patented Permaphone, a unit with a highly sensitive microphone.

Mike Essenburg, owner and manager, of Essenburg Electric company, 52 West Eighth St., can furnish further information on these hearing aids.

The company services and repairs motors and electrical appliances, does commercial and industrial wiring. Anything in the line of electrical appliances, including hearing aid batteries and accessories, can be obtained at the store.

Meteor Tracking Serious Business

Meteor hunting, which sounds like a silly pastime, is serious business to professors of several universities and colleges taking part in an attempt to alert the residents in northern United States to the importance of tracking the flight and point of impact of meteors.

Value of information obtained from these reports is not limited to some recluses, however, for the Air Force and commercial airlines are interested in the effect of these meteors on the atmosphere. The best estimates indicate that upwards of 100 meteorites per year fall in the United States. Of these, only two or three are recovered for study.

Best results and most accurate data is obtained when the material can be assimilated quickly. This increases the reports value as to path, velocity, resistance of the air, and the orbit the meteor has been traveling about the sun.

At present, State University of Iowa is conducting a special investigation of a meteor that fell about 11 p.m. Saturday, June 28, 1952. Already several hundred reports have been filed on this meteor and a tentative trajectory has been plotted.

But more reports will help to improve accuracy and residents who observed it or any meteor are asked to write C. C. Wylie, % Mrs. P. L. Bunn, Three Rivers. Be sure to include details as to when, and precisely where it seemed to land.

Stegink-Atkinson Vows Spoken in Paris, France

The chapel of the European Bible institute, Paris, France, was the scene of the marriage of a Holland man to Miss Clarice Atkinson, daughter of Mr. and Mrs. W. A. Atkinson of Rosemead, Ontario, Canada. The groom is the Rev. Donald Stegink, son of Mr. and Mrs. Ben H. Stegink of 81 West 17th St., Holland.

The double ring ceremony was read Saturday, July 5, at 4 p. m. by the Rev. David L. Cole. The chapel was decorated with baskets of summer flowers and greenery.

Mrs. Grant Crooks, soloist, sang "Because" before the ceremony and the "Wedding Song" after the vows were spoken. Merle Baer, pianist, played the traditional wedding marches.

Attending the couple were Miss Laura Mildred Davis of Washington, D. C., as maid of honor, and David W. Knowlton of Pennsylvania, best man. Ushers were George Clark and Grant Crooks.

The bride wore a floor-length gown of white Chantilly lace over satin with a fitted bodice, sweet heart neckline and long sleeves. The edge of the full skirt was scalloped. Her waist-length veil was trimmed with satin and tulle. She also wore a strand of pearls, a gift of the groom. Her bouquet was of pink roses.

Miss Davis wore a gown of yellow taffeta with three-quarter length sleeves, square neckline and pleated bodice. Her headpiece matched the gown. She carried a bouquet of cornflowers.

Following the ceremony a reception for 60 guests was held at the European Bible institute. Guests were missionaries studying in Paris. They were from the United States, Canada, Great Britain and Switzerland. Also attending were French friends.

Serving were Miss Jean Souter, Miss Jane Yonker, Miss Edith Durst and Mrs. James Call.

The reception program included a vocal duet by Mr. and Mrs. Jean Vivier; a vocal solo by Miss Edith Weatherspoon of Gary, Ind.; two tape recordings of congratulations from the couple's families, and a short message by Rev. Cole.

Immediately after the reception the bride and groom left on their wedding trip to Switzerland. For traveling Mrs. Stegink wore a beige linen suit with white accessories and a corsage of white carnations. They now are at home at 60 Rue des Cerisiers, Colombes (Seine), France.

Both Rev. and Mrs. Stegink are missionaries and both have lived in Paris for about a year. Mrs. Stegink was graduated from Briarcrest Bible institute, Caronport, Saskatchewan, Canada. The China has a circumference equal to that of the earth.

Self-Inflicted Wound Fatal for Allegan Lawyer

Allegan (Special) — Parle L. Fouch, 77-year-old Allegan attorney who received one of the highest honors of his life Sunday from his law school at Valparaiso, Ind., shot and killed himself Tuesday at his home. Coroner William Ten Brink of Hamilton ruled suicide.

In a note to his wife, Fouch referred to an incurable illness and felt he could not go on any longer. Sheriff Louis Johnson reported that a neighbor, Mrs. Orrin Foster, was the first on the scene after hearing a shot at the Fouch home.

He was taken to Allegan Health Center where he died at 3:30 p.m. Only Sunday he was honored by having his picture hung in the "hall of fame" at Valparaiso university, an honor that came to him for a lifetime of public service. He was present at the ceremony along with his wife and Probate Judge Harold Weston.

A native of Burnips, Fouch was graduated from Valparaiso in 1898. Since then he had practiced law continuously in Allegan. During his 54 years before the bar he served several terms as county prosecutor, was a member of the state legislature from 1907 to 1910 and was currently completing his 30th year as a Circuit Court commissioner.

In September, 1948, he was elected national commander of the Sons of Union Veterans, thus becoming the only Allegan county man ever to hold such a high office in a national patriotic organization.

Affectionately known for his loyalty to the Republican party, he attended 53 state GOP conventions in the last 54 years.

Surviving are the wife, Frances; three stepchildren, Donald Clearwater of Kalamazoo, Mrs. Lillian Hill of Kalamazoo and Howard Clearwater of Battle Creek; a foster daughter, Mrs. Helen Nichols of Otsego; eight grandchildren, one great-grandchild, and a sister, Mrs. Laura Ried of Allegan.

Funeral services will be held Friday at 2 p.m. from Gordon funeral home with burial in Oakwood cemetery.

Injured Hope Student Finds Hospital Cordial

Hamid Tadayon, Hope college senior from Teheran, Iran, is high in his praises of the services at Holland hospital. He says everything is wonderful and the nurses are especially kind and helpful.

Tadayon became a patient at the hospital two weeks ago, after he broke both arms in a fall while working at a local factory. His left wrist is broken and his right arm is broken close to the elbow. He will not have the use of his arms for at least another four weeks. Unable to read because he can't turn pages, Hamid has been amusing himself by listening to the radio.

He reports that he spent most of last week listening to the Republican national convention. The convention was of special interest to him, because he is a political science major at Hope, and his father was a senator to the house of Senate in Iran, up until his death eight months ago.

After Tadayon's graduation from Hope he plans to do graduate work in the east, and then try to get employment on the United Nations staff.

The 24-year-old student came to the United States in Sept. 1949. When he arrived he was unable to speak a word of English. People listening to him converse are amazed at his fine use of English considering the short time he has been in the country.

Tadayon's brother, Majid, is one of the outstanding middle-weight boxers in Michigan, winning the western Michigan Golden Gloves 160-pound title last winter.

Local Home Scene Of Fire Caused By Lightning Bolt

Utility Companies Report Minimum Of Trouble Calls

A mass of cool air moved in on Holland following a severe electrical storm Monday night which brought 1.12 inches of rain and a minimum of cooling.

The storm brought relief to the northern states, but little hope was held for southern states that are burning under temperatures in the high 90's.

Most serious damage in Monday night's storm occurred when the Peter Meurer home at 604 Pine Crest Dr. was hit by lightning, causing estimated damage of \$1,500. Lightning hit a tree 50 feet behind the house and then traveled down two wires of a son's crystal radio set into the house.

Fire broke out between the first and second floors and the Holland township fire department remained on the scene 1 1/2 hours. Meurer was attending the annual meeting of Beechwood school and his wife and two children were at home.

Two neighbors were knocked down as lightning struck near the Meurer home. Mrs. Stanley Hudzik next door was badly shaken and Harold Borgman in a neighboring home was knocked down to his knees.

Fire Chief John Van De Burg said the volunteers of the No. 1 station were badly soaked in the heavy downfall which accompanied the electrical storm. He said firemen finally put out the fire between partitions with the use of high pressure fog.

Virtually no damage was reported by the Board of Public Works which received only a few trouble calls involving blown fuses. Trouble reported to the Consumers Power Co. in Zeeland was limited to one blown fuse.

The Michigan Bell Telephone Co. reported trouble in 10 areas with about 300 phones out of order, mostly because of broken cables. All phones were expected to be back in service by noon today.

Top-Seeded Player Bows in Gruelling Three-Set Finals

A story of persistence and fortitude was written in Kalamazoo Saturday afternoon as Henry Visscher of Holland staged an uphill battle all the way to capture the boys under 15 state junior center tennis championship.

Visscher took a hard-earned three-set decision from No. 1 seeded Jon Erickson of Kalamazoo 1-6, 8-6, 7-5.

Erickson, a six foot-four inch blond giant, was heavily favored going into the finals, and for the first 30 minutes he looked like a shoo-in for the title as he stroked forcibly, took the net and used a devastating overhead to club Visscher into submission in lopsided games.

Erickson was tiring as the second set opened. After establishing

ing a 3-1 lead, the Kalamazooan saw Visscher come up to tie. The game see-sawed until 6-all when Visscher won two in a row to make it a one-set match.

Erickson then came out strong in the third set after the 10 minute rest period and stacked up a 4-1 lead. Visscher, playing fine tennis, pulled up to tie at 5-all. Several critical volleys were out by inches as the 11th game was played. With the game at 'advantage-Erickson', Visscher came through with a clean serving ace. The young Hollander then went on to win that game and in the final game had match point three times before cashing in on the final vital point.

This is Holland's first singles victory in the huge state tourney and climaxes a steady build-up of tennis throughout the years. Visscher showed a fine collection of strokes and kept a cool head in the face of superior play from his opponent which at times threatened to engulf him.

Visscher now qualifies for the national tournament and will play in the Highland Park and Western tourneys before the big nation-wide tourney at Kalamazoo the last of July.

Another Holland player reached the finals but failed to win the championship. Lester Overway lost to Gerald Dubie of Hamtramck in boys under 13 singles 6-1, 6-4.

After a lopsided first set marked by a tenseness on young Overway's part, he loosened up and looked like he might take the second set. But his serve failed him at crucial moments and the end came quickly. Dubie's decisive shot was a drop shot to the backhand for which Overway had no answer. Overway's forehead drive was very strong and kept him in the match for quite a while.

For the second year in a row, Holland has lost in the finals of the boys under 13 singles. Last year, Paul Dykema lost to Rudy Hernandez of Detroit in a terrific 2 1/2-hour battle.

Overway paired with Jon Scott of Kalamazoo in the midget doubles. The duo went down in the finals before the determined onslaught of Dubie and Ray Hanowski of Hamtramck. But the final score of 6-4, 6-3 did not tell the full tale of the closeness of the match.

Overway and Scott played excellently from back court but made frequent errors at the net to lose the match.

Some 20 young Holland players entered the tournament at Kalamazoo, with Joe Moran, local recreation director, in charge of the Holland contingent.

R. E. Barber Top Junior Baseball League Winner

American Legion - Recreation Dept. junior baseball concluded its fifth week Tuesday night at Riverview park with its customary doubleheader.

Tonight's scheduled games between First National Bank-Padnos Iron and Metal and R. E. Barber-Holland Hiltch are giving way to the Turtle Derby and will be rescheduled at a later date.

Standings of the teams at the conclusion of this week's play are as follows:

Team	W	L
R. E. Barber	4	0
Holland Hiltch	3	0
Bowmans	4	1
H. E. Morse	3	1
Hilltop Farm	1	3
Elzinga-Volkers	1	4
First National Bank	0	3
Padnos Iron and Metal	0	4

The closest, most interesting contest to date took place Tuesday between Bowmans and H. E. Morse. In a three hour 30 minute game between these two clubs Bowmans finally edged the Morse team in the 12th inning, 5-4. George Pierson and Jerry Prince tolled for Bowmans with Prince the winner, while a much improved, strong hearted Dave Schreuer went all the way for the losers. A couple key errors proved the downfall for the Morse team, who at three different occasions were within grasp of victory.

In the last of the 12th inning Paul Mack's long double to left, a sacrifice, and Wayne Alofs, sharp single to center decided the contest. Schreuer gave up but six hits for the losing cause, while Pierson and Prince limited the losers to four blows.

In the nightcap, called at the end of six innings because of the late hour, Hilltop Farms took its first win of the season by slugging out a 13-7 decision over Elzinga-Volkers. Ron Nykamp was the winning pitcher, while Dale Groenheide was charged with the loss. Howie Van Dyke was behind the plate for the losers and Earl Rotman caught for winners. Buurman had two hits for the Hilltop club while Daterma and Groenheide had two safeties each for the Contractors.

District tournament play for the league's All-Star entry will be resumed Friday evening at 6 o'clock at Lamar field, Wyoming Park, Grand Rapids. Should the local entry win this contest it will annex the district crown and move to further competition at Battle Creek next week. If the Post 188 club loses Friday, the finale will have to be played Saturday.

Site of the Saturday's Game has not yet been determined. Local officials are boosting plans for the game to be played at Holland while Grand Rapids interests are seeking to have the game played in the furniture capital.

Chix Drop Close Tilt to Merchants

Zeeland (Special) — Behind the steady five-hit hurling of southpaw Jack Turner, the South Haven Merchants nosed out the Zeeland Chix 4-2 in a Southwestern Michigan Baseball league contest here Thursday night.

The Chix established a 2-1 lead by scoring a brace of tallies in the fourth frame. An infield hit by Marv Lugteheid, a walk, an error and an infield safety by pitcher Don Gilder pushed in the two runs.

South Haven tied the count in the sixth, and scored the winning markers in the top of the eighth when two runs crossed on a hit, error and wild pitch.

Al Wenban led the winners at the plate with three singles, while Don Wyngarden had two of Zeeland's five hits.

Gilder allowed 11 safeties, but was tough to reach in the pinches. Turner registered 15 strikeouts.

Juveniles Apprehended By Grand Haven Officers

Grand Haven (Special) — City police took two 15-year-old Grand Rapids youths into custody here Thursday. They admitted breaking into Casey's Grill on Washington St. Thursday morning. They had in their possession a flashlight, cigarettes and \$9.81 in change which had been taken from an unlocked cash register.

Entrance to the building was gained by removing a screen from a front window and prying the window open. The boys were picked up by officers as they were leaving a parked car in an alley at the rear of the Salvation Army building. They also admitted pilfering the glove compartments of several cars and took several bed sheets from a clothesline at 18 Franklin St.

One of the boys told officers he left home at 6 a.m. on June 27 and came to Grand Haven. On July 8 he was joined in Grand Rapids by the other youth and both came to Grand Haven. They will be turned over to Grand Rapids authorities.

Camp Geneva, the Reformed church young people's camp on Lake Michigan, is justly proud of its fine new chapel which was just completed this season in time for the series of weekly camp sessions now in progress. Top picture shows interior of the chapel with its laminated plywood ceiling, attractive chandeliers and glassbrick cross behind the pulpit. Lower picture shows exterior view with the

wing at right accommodating three class rooms. The chapel seats 600. Besides daily devotional meetings, a regular service is held each Sunday at 10 a.m. to which resorters in the area are welcome. The chapel follows the same general design of other camp buildings with cinderblock walls and blue asphalt roof.

Large Chapel Is Newest Camp Geneva Addition

Newest addition at Camp Geneva, the Reformed church young people's camp on Lake Michigan, north of Holland, is a new chapel seating 600 persons which serves as the center of all devotional activity for the camp which will serve more than 1,700 young people this summer.

The new chapel is part of a \$70,000 improvement program completed this year which also includes a new clinic building with isolation wards and an addition to the main dining hall which provides cooks' quarters, a dining room for the help and supply rooms.

The chapel, which follows the same architectural design of other camp buildings with cinderblock walls and blue asphalt roofs has an attractively designed interior with laminated plywood beams and attractive chandeliers. Pulpit furniture was donated by the Leonard Van Liere family in memory of their son, Stanley, who was killed in an airplane crash in June, 1950, while in the service of his country.

Wings on the chapel provide space for three class rooms where Bible and handicraft instruction are given, a counselors' room and a small literature room. The chapel was formally dedicated June 20.

Camp Geneva covers 36 acres, some of it wooded and some cleared. Its buildings consist of a dining hall, seven cabins, a canteen, rest rooms equipped with showers, two pump houses, a manager's home, a clinic with guest house, and the chapel.

The camp represents a net investment of \$200,000 although its actual value far exceeds that figure. Camp facilities are licensed to care for 220 at a time. In cost of operation, the camp is self-sustaining throughout the conference season, and all gifts to the camp are used for capital improvements.

The camp which opened for the first time five years ago when it cared for 1,100 young people in a seven-week season is owned and operated by the Reformed churches of Michigan. Each of the five churches in the state appoint two members to the board of directors. Twelve more are appointed at the annual business meeting.

Reformed church members in the area take an active interest in the camp. On cleanup day shortly before the season opened, 150 men of the area converged on the camp to make it shipshape. Thursday evening visitors' nights attract large numbers, mostly parents of the youngsters attending that week. Last week, about 600 adults visited the camp.

Alonso Wierenga, principal of the South Haven Junior high school, has been camp director every season since the camp opened

ed here five years ago. Robert Westerhof of Holland, a third year medical student at the University of Michigan, is in charge of the clinic.

Weekly camp sessions opened June 23 and will continue through Aug. 30. Three week-end conferences for adults are scheduled for September.

Pitchers Shine, Batters Dull In Tuesday Softball

Pitchers had their big night at Van Tongeren field Tuesday as both Holland City Softball league games ended up in pitchers' duels. Main Auto, behind the three-hit pitching of Jason Ebels, came out on top of a 3-2 decision over Skippers in the twilight game while Pelon Sunoco followed a two-hitter by Case Velderman to beat Barber Fords 3-2 in the second game.

First half champs Main Auto started off with a two-run first inning. Roddy Maat singled, stole second and scored on a single by Ernie Prince, who then advanced on a fielders choice and scored on an outfield error. Mel Koenes scored what proved to be the winning run with a fifth inning homer to left field.

Skippers also scored in the first when Bob Borgman got to second on an infield error, went to third on a wild pitch, and scored on a passed ball. Jun Bremer homered for the second run.

Ebels struck out seven batters in earning credit for the win. George Botas gave up only three hits in losing.

The nightcap saw Fords score in the first with Rich Wolters scoring on a walk, passed ball, single, and passed ball. Ron Appeldoorn singled and went the route on an outfield out.

Sunoco opened up in the second on a single, walk, infield error and infield out which scored Will De Neff and Chick Zych. Sunoco's winning run came in the last of the seventh when Ike De Neff went to first on a "walk," second on a wild pitch, third on a passed ball, and scored on Ken Matchinsky's single.

Again it was a case of the pitchers shining and the batters looking a little dull as Sunoco's Case Velderman pitched eight strikeouts and allowed only two hits. Norm Boeve struck out four batters for Fords, giving up six hits.

Hitting honors for the game went to Matchinsky for his game winning single in the seventh. No hits were greater than singles for either team.

Wyngarden-Bos Vows Spoken

Mr. and Mrs. Elwood Wyngarden

The marriage of Miss Shirley Bos and Elwood Wyngarden took place Tuesday, July 8, at 8 p.m. in First Reformed church of Zeeland. The bride is the daughter of Mr. and Mrs. Jasper Bos, East Main St., and the groom's parents are Mr. and Mrs. Gerrit Wyngarden, 336 West Main St., all of Zeeland.

The Rev. John de Ouden read the rites before a setting of summer flowers and candelabra against a background of ferns. Gladioli and bows marked the pews. Prelude music and the wedding marches were played by Miss Jane Vander Velde, who also accompanied by Miss Shirley Walters as she sang "Because," "Through the Years" and "The Lord's Prayer."

Given in marriage by her father, the bride wore a gown of nylon tulle and lace featuring yards of tulle over the full bridal satin skirt and train in contrast with the fitted bodice of imported lace with tiny puffed lace sleeves, an illusion neckline and lace collar.

Long lace gloves and a fingertip veil of imported illusion fastened to a shirred lace cap completed her ensemble. She carried a colonial bouquet of white roses centered with a white orchid.

Miss Wanda Wiersma attended the bride as maid of honor and Misses Judy and Lois Bos, the bride's sisters, were bridesmaids. Glen Schroteboer attended the groom as best man. Seating the guests were Robert Wyngarden and Duane Hop. Mr. and Mrs. Willis Boss, uncle and aunt of the bride, as master and mistress of ceremonies, completed the wedding party.

Bridal attendants wore gowns of blue, lavender and yellow, respectively. The brides wore lace over taffeta with puffed sleeves and the ballerina skirts featured lace and net panels over taffeta. They wore matching mitts and caps of lace over taffeta trimmed with flowers. They carried colonial bouquets.

The bride's mother chose an aqua lace dress, white accessories and a yellow rose corsage. The groom's mother wore a beige-pink lace dress, white accessories and yellow rose corsage.

The reception for 100 guests was held at the church parlors. Miss Esther Kroodsma and Bernard Raterink served at the punch bowl and Mr. and Mrs. Gerald Raterink, assisted by Mrs. Robert Wyngarden, arranged the gifts. Misses Gertrude Kaper and Irene Van Hoven served as head waitresses, assisted by Misses Mary De Witt, Marion Gelp, Jeanne Streur, Sylvia Schipper, Eleanor De Kleine and Marion Brouwer.

Out-of-town guests were present from Holland, Grand Rapids, Kalamazoo, Hudsonville and Grandville.

For their wedding trip to northern Michigan, the bride wore a pink shantung suit, white accessories and an orchid corsage.

Both the bride and groom are graduates of Zeeland high school. The bride is employed in the office of Herman Miller Co. and the groom, serving with the U. S. Navy, is stationed at the Great Lakes Naval Training center.

Members of the wedding party were entertained at a rehearsal dinner given by the groom's parents Monday evening at Bosch's restaurant.

Dutchmen Fail To Group Hits In Outside Tilt

Failing to group their hits in all but one inning, the Holland Flying Dutchmen fell 13-5 before Grand Rapids Fulton Drugs, champion of the first half of the Grand Rapids city league, in an exhibition baseball game Thursday night at Riverview park.

The Drugs pounded out 14 hits off four Holland hurlers, including two home runs and one triple. Holland collected 11 safeties, but save for the sixth frame when all five Dutchmen runs scored as 10 men batted and banged out four hits, Fulton hurlers Overholt and Southwell kept the safeties scattered.

Two big innings also figured in the Fulton scoring. The visitors nailed down four runs in the fourth and four more in the eighth to assure victory.

Clare Van Liere was the starting pitcher for Holland and was charged with the defeat. He was followed by Warren Victor, Roger Eggers and Lou Humbert. Overholt was credited with the victory.

In the big sixth frame for Holland that sent Overholt to the showers, infield safeties by Dave Kemper and Ed Setter, a walk to Dan Van Lente, another infield safety by Spike Van Eck, a fielders choice and single to left by Butts Kool figured in the scoring.

Kool made his first start for the Dutchmen and banged out three singles in five trips to the plate. Don Piersma and Tony Wentzel also collected two safeties each for the losers.

Fulton home runs were collected by Overholt and Pete Poltice.
