Counselors Find Body In Lake

John Latimer Had Been
Swimming With Group
From Camp Blodgett

GRAND HAVEN (Special) — John Latimer, 12-year-old son of Mr. and Mrs. Sam J. Latimer, of 3641 Dunbar, SW, Grand Rapids, was drowned in Pigeon Lake at Port Sheldon Saturday afternoon.

John was among 12 boys from Camp Blodgett, located between Grand Haven and Holland, who had gone to Pigeon Lake with four counselors for a swim, arriving around 4 p.m. John was missing at a "buddy check" at 4:30 p.m. and it was later determined that he was last seen at 4:25 p.m.

A hasty check of swimmers in the lake and near shore as well as children on the road revealed no trace of the youth and the search of the water started immediately.

The body was recovered by two counselors, Stuart Post of Holland and John Van Blois of Grand Rapids, about an hour and a half after the youth was first reported missing. Two face masks were obtained from the Port Sheldon store for the search.

Dr. Peter J. McArthur of Grand Haven, serving as medical examiner, said death was caused by accidental drowning, adding that the youth may have suffered a muscular cramp in the left leg.

The body was taken to Van Zantwick Funeral Home in Grand Haven before the parents arrived on the scene. It was later transferred to Blanchard Funeral Home at 53 Jefferson, SE, Grand Rapids. Sheriff's officers responded to the call, but their grappling hooks were not needed.

Court Upholds Search of Car

GRAND HAVEN (Special) — Circuit Judge Raymond L. Smith today filed an opinion denying a motion by defense counsel to suppress evidence in the court case of Elmer Joseph Crachy, 31, Chicago, charged with nighttime breaking and entering.

The opinion held that search of Crachy's car was reasonable under the circumstances in which state police arrested Crachy on a speeding charge at New Buffalo. The search revealed a quantity of cigarettes and tools in the trunk, later linked to a burglary May 7 in Plumb Super Market on Beacon Blvd., south of Grand Haven. Crachy pleaded not guilty to the charge June 25. He is at liberty under \$15,000 bond.

Seek \$150,000 In Moomey Case

GRAND HAVEN (Special) — George C. Moomey, on behalf of his son, Carl James, has filed suit in Circuit Court seeking \$150,000 judgment from Earl Dean Miller of Holland as the result of an accident May 23, 1958, on First St. just west of River Ave. in Holland in which young Moomey received alleged permanent injuries.

According to the declaration, Carl Moomey and Miller, in company with Robert Tasker and Terry Alverson, were attempting to start Miller's stalled car. Tasker and Alverson left to get Tasker's car, but in the meantime Miller got his car started. Moomey who was riding on the hood of Miller's car was thrown to the street, resulting in serious injuries.

Moomey was in a Grand Rapids hospital until Sept. 29, 1958, and then was in Mary Free Bed Hospital until last March 27. The declaration claims complete paralysis from the shoulders downward.

Miller, 18, currently is on two years' probation imposed by Ottawa Circuit Court Jan. 30, 1959, for felonious driving.

Supreme Court Denies Appeal Of De Liefde

GRAND HAVEN (Special) — Prosecutor James W. Bussard received word today that the Michigan Supreme Court has denied a motion of Dr. Jacob J. De Liefde, 63-year-old Grand Rapids dentist, to dismiss charges against him of careless use of firearms on the basis that he was improperly bound over to Circuit Court at a preliminary examination in justice court.

Dr. De Liefde was charged following a hunting accident last Oct. 20 in Zeeland township in which Robert McCoy, 33, route 2, St. Joseph, received shotgun wounds in the face, eyes, right shoulder and stomach, resulting in loss of sight in the left eye.

Defendant was bound over to Circuit Court following examination before Justice Hilmer C. Dickman of Zeeland. Last March 31, he pleaded not guilty in Circuit Court at which time his counsel moved that the charge be dismissed. When Circuit Judge Raymond L. Smith denied the motion, Dr. De Liefde appealed to Supreme Court.

The case will be tried during the next term of Circuit Court.

Holland Juvenile Admits \$208 Theft From Home

A 16-year-old Holland youth, who has admitted theft of \$208 in cash from the Lloyd Nivison home at 297 Hayes St. late Monday or early Tuesday, will be turned over to Probate Court, Grand Haven State Police said Wednesday.

The youth, who is already on probation out of Probate Court, used the greater share of the money to purchase two aquariums, troopers said, and only \$59 was recovered. His parents said they would attempt to return the merchandise and pay the balance of the money taken.

Officers said the boy gained entrance to the home by prying open a screen in the utility room and unlocking a window, sometime between 12:20 p.m. Monday and 7:30 a.m. Tuesday while the owners were at work. He was picked up at his home after a neighbor reported seeing him around the Nivison home.

Manufacturer Heads Local School Board

Carl C. Andreassen was elected president of the Board of Education Monday night, succeeding Bernard Arendshorst who has served as president the past year. The position of president has been rotated each year for several years.

Andreassen is president and general manager of Holland-Racine Shoes, Inc. His current term on the school board expires in 1961.

Harry Frissel was elected vice president, succeeding Andreassen, and James Hallan was re-elected secretary. Mrs. William Hornbaker, who has served as treasurer for several years, asked that she not be re-elected. Since the position of treasurer is not required by statutes, the board transferred these duties to the finance committee.

The board approved hiring two new teachers for the coming year. Oral M. Esch of Remus, Mich., a graduate of Central Michigan College and who also attended Michigan State University, will teach home economics in Junior High School. She is married and has three children. She has had 20 years' experience.

Brown Gets 5-15 Years

GRAND HAVEN (Special) — Emmett Brown, 37, route 4, Holland, who was convicted of manslaughter by a Circuit Court jury June 24 in a murder trial, was sentenced today to serve 5 to 15 years in Southern Michigan Prison by Circuit Judge Raymond L. Smith.

The sentence included a recommendation from Judge Smith that Brown serve the minimum. He also will receive credit for 134 days already served in the county jail. Brown was charged with murder in the fatal shooting Feb. 18 of Gilberto Rivera, 32, of 252 East Ninth St. The shooting occurred in the home of Mrs. Katherine Simpson on route 4.

When asked if there was any reason why sentence could not be passed, Brown said, "It's just that I was drinking and was ready to go home to my family and realized the wrong I had done."

Judge Smith said, "It is difficult for the court to impose sentence in such a matter as we have here. You can't bring back the life of the man who is dead from this cause. Having heard the case, the court is convinced you are a totally responsible for the death of Mr. Rivera and findings of the case show this was something more than an accident."

Thieves Stage Two Daylight Robberies

Ottawa County deputies Wednesday were seeking a group of people believed to be gypsies, traveling in a black 1959 model car, who took about \$300 from two Ottawa County homes in less than an hour Tuesday afternoon.

Two middle-aged women, an older man and a boy about six years old stopped at the John Seifert, home on 120th St. just south of Leonard St. in Nunica at 12:15 p.m. and asked for a drink of water. While Mrs. Seifert was giving a drink to the child, one of the women snatched Seifert's wallet from his pocket.

The thieves removed \$220 from the wallet, threw it down, and drove off in the black sedan, the Seiferts said.

At 1 p.m., deputies said, the women then entered the home of Gerrit Bartels at 120th St. and Stanton Ave. while Bartels was asleep and emptied his wallet of between \$60 and \$70, leaving the wallet. Bartels awoke as the women were leaving, and saw the car with the man and boy waiting outside. He said the car headed west on Stanton St.

Bartels drove to the home of a neighbor some distance away and called Sheriff's deputies. A search of the area roads and highways turned up no trace of the car.

Kent County Sheriff's officers also are seeking the group for the robbery of an elderly Kent County woman at about 2 p.m. Monday. Deputies said the women took \$20 from the purse of Mrs. S. E. Jelsma of 2769 100th Ave. S. E., when she stopped for a drink of water.

Activity Starts At New Plant

There has been considerable activity this week at the site of the new \$7,000,000 manufacturing plant for Parke, Davis and Co. in Holland.

Pre-construction activity consists of building a road on the western border of plant property to be used as a service road for equipment and building materials for the new development. Certain underground facilities are being installed or rerouted before pile driving operations begin on the building site.

Last month, the construction contract was let to Darin and Armstrong Co. of Detroit, with electrical and mechanical contracts to Harlan Electric Co. and Lorne Heating and Plumbing Co., both of Detroit.

Plans call for a unique two-story H-shaped building consisting of four separate manufacturing units at the points of the H, while the cross bar serves as an area for utilities on the first floor and material storage on the second floor. Contour of the land is such that raw materials can be unloaded on second floor levels without using elevators.

Resorters Frolic At Maple Shade

Vacationers at Maple Shade Resort, Port Sheldon, are taking full advantage of the warm weather by devoting most of their time to swimming, water skiing and beach activities. Shuffle board, tennis and badminton are also very popular with the children.

On Monday night, Mr. and Mrs. Henry Larsen celebrated their 24th wedding anniversary with a "cocktail" party. Guests included Guy Doretti, Mr. and Mrs. Wally Dorn and Mr. and Mrs. James Fanlon. Barbara Dorn entertained the teenagers at their cottage with a bunco party.

No Water Restrictions For Holland

A new peak volume of 6,792,000 gallons of water was pumped into Holland Wednesday, but Board of Public Works Superintendent Guy E. Bell said today that the current dry spell poses no threats of water restrictions or shortage for Holland.

While several Western Michigan communities are having serious water problems, Bell said that Holland, with Lake Michigan as its water source, need have no fear of a water pinch.

With the present system, the pumping station has a capacity of 14,000,000 gallons per day. By comparison, Grand Haven, which also hit a new peak of 6,107,000 Tuesday, is imposing sprinkling restrictions and working around the clock to keep the city supplied with water from wells.

Bell said Holland's pumps are presently working about nine hours per day.

Last summer's peak volume for one day was 6,100,000 gallons. Bell attributed this year's rise more to the dry spell than to any extension in water services, pointing out that only small portions of the Montello Park district and the Sandy Subdivision have been added to the water service area.

Car Strikes Two Trees After Rear-End Crash

HUDSONVILLE (Special) — A car driven by John W. Roberts, 19, of route 1, Allendale, skidded into the rear of another car, side-swiped a tree and crashed head-on into another tree at 7 p.m. Tuesday on M-50 at 8th Ave., according to Ottawa County deputies.

Deputy Wallace Blair of Hudsonville said he measured skid marks of 167 feet from the point Roberts applied his brakes to the point of collision with the other car, driven by Max John Kasperlik, 41, of route 5, Grand Rapids who had turned onto the highway from 8th Ave. and was also heading west.

Blair said Roberts' 1953 model car, which ended up against the second tree, was damaged in excess of its value. He estimated damage at \$75 to Kasperlik's 1958 station wagon.

New Safety Sign Put Up At City Hall

A new standard safety sign was being installed Wednesday on the city parking lot just south of City Hall on River Ave.

When completed, the sign will indicate the number of days without a traffic fatality. A green light burns when there are no fatalities. When one occurs a red light will burn three days.

Arrangements for the sign were made by Avery D. Baker, county safety director, and Garth Newman of the Holland police department on recommendation of the Traffic and Safety Commission. All costs are borne by the Holland Association of Insurance Agents.

It was expected electrical work might require a few days.

The sign is similar to those which have been put up in many cities in the United States.

Mrs. Allen Heads Harrington Board

Mrs. Claire Allen was elected president of the Harrington Board of Education at a special meeting Wednesday night. Clarence Maatman will continue as treasurer and Fred Weiss as secretary. The remaining member of the board is James A. Walters who was elected at the annual election Monday.

The board considered appointing a new member to fill a vacancy caused by the resignation of Ralph Maass who recently accepted a position outside of Michigan. A list of potential candidates was prepared but no action was taken. The board is attempting to settle on an appointee who has neither supported nor opposed annexing the Harrington district to Saugatuck.

The board will meet again July 20 at which time it is hoped the four members will appoint a trustee.

Police Stage Snot Safety Inspection

Holland police reserves staged a spot safety check Tuesday night and found 39 violations on the more than 100 cars inspected.

Officers stopped all vehicles on River Ave. at 12th St. not having a green safety sticker and checked driver's licenses and equipment on the cars.

Some of the cars had as high as five pieces of defective equipment ranging from no front headlights to rear tail lights not working. Several motorists were also found to be driving with expired licenses.

The drivers were issued citations and ordered to report to the police station within 24 hours. Motorists can still have their cars inspected by stopping at any service station or auto agency which has the safety inspection sign.

Police reserves said similar checks will continue to be made throughout the summer without advance notice.

School Board OKs Budget For 1959-60

Budget Total Exceeds
\$1,500,000; District
Covers Larger Area

The Holland Board of Education Monday night approved a budget of \$1,513,760.44 for the coming year 1959-60.

Technically, the budget is \$147,752.10 more than the amount expended in 1958-59 or an increase of 9.8 per cent. But the new budget covers an enlarged district of the original city plus the Apple Avenue district. The latter district annexed some months ago and for the remainder of the fiscal year, the Holland board administered the Apple Avenue program on the latter's budget.

Teachers' salaries cover the greater share of the proposed budget, accounting for \$1,164,949.10 of the total which exceeds \$1 1/4 million.

Major revenue figures list state aid at \$609,054.64 and tuition for an estimated 550 students at \$289 amounting to \$147,950, and local taxes of \$636,650.01 based on 10.57 mills on a state equalized figure of \$60,231,789.

The board also took action to retire the 1953 school bond debt which amounts to \$258,187.50, adopting a resolution to advertise 30 days in advance of the date of retirement on Sept. 1 that the bonds would be called. The balance in the fund at the close of the 1958-59 fiscal year amounted to \$116,390.62. The remainder will be collected in taxes this summer.

The treasurer's report revealed a balance of \$73,009.89 at the close of the fiscal year. Supt. Walter W. Scott announced in his superintendent's report that the Holland school district is yet to receive \$25,330.32 in state aid, adding that it is likely the district will receive its first payment of 1959-60 funds before the last payment is made for the year 1958-59.

The secretary read a letter from Willard C. Wichers, chairman of the Holland Planning Commission, asking the Board of Education to cooperate again in a planning program for the coming year totaling \$3,500 in which it was suggested that the city, Board of Education and Board of Public Works each pay 30 per cent and the Chamber of Commerce 10 per cent.

The board acted to pay its share of \$960, provided it is understood that this is the last year the board participates in the program, and also on condition that other agencies pay the allotted shares this year.

Supt. Scott reported on the school census taken annually in May, listing 6,563 children and young people from birth to age 20 in the Holland school district which comprises the original city and Apple Avenue district. This is an increase of 275 over last year, but the district includes additional area. Supt. Scott commented that there appears to be a leveling off of children in the younger age groups.

The superintendent's report listed progress for the new machine shop which is to be erected near Junior High School this summer. The site has been cleared, footings have been poured and columns are expected to be erected next week.

Alternations are progressing in various schools in preparation for the coming school year. The floor covering in the Junior High library, formerly the band room, will be completed by the end of July. Changes in the ventilation system of the high school science rooms will be completed this week. Partitions are being installed in high school offices for guidance and counseling. The Junior high cafeteria is being changed into a classroom to be completed by Aug. 10. Band and choir rooms will be completed after the present machine shop is vacated. The unfurnished room in Apple Avenue school will be completed by Aug. 1.

A committee consisting of Lucille Donovan, Garrell Adler, Edna Dyk, Carol Van Lente, Barbara Lampen, Vern Schipper, Jay Formosa, Arthur Read and Supt. Scott have been meeting regularly to translate the accepted curricular program into space and room requirements for the new high school building. This committee will continue its work until sufficient description of floor space requirements is completed so that the architect may proceed with a trial sketch of a floor plan.

All members were present with the exception of Harry Frissel. The meeting adjourned at 9:21 p.m.

14 Graduated 50 Years Ago

Fifty years ago a class of 14 students was graduated from Holland High School. This year the class totaled 349 students.

Back in 1909 the class of eight girls and six boys received their diplomas from Willis T. Bishop, superintendent of schools, at graduation exercises which took place in the high school, then located on Graves Place. With the building of Holland High School, it became the junior high school, and later with the erection of a new junior high, the school became a grade school and was named Horace Mann. Several years ago both this school and Froebel located just east of this school, were torn down.

Of the 14 graduates two are deceased and one's whereabouts is unknown.

Anglers Asked To Cooperate

EXCITING STUFF — Neighborhood children were the first on the scene at Smallenburg Park Monday when a jet plane arrived almost two hours early. Peering into the cockpit is 11-year-old Earl Van Voorst, flanked by his twin sisters, Pat and Merry, 10. On the ground at left is 11-year-old Philip

Fris holding up his seven-year-old brother Derek. Later in the morning, a crane removed the plane from its two trailers and assembling began by a crew of six sergeants from the Michigan Air National Guard at Battle Creek.

Jet Fighter Plane Arrives Early at Smallenburg Park

Smallenburg Park swarmed with kids, young and not so young, as personnel of the Michigan Air National Guard Monday unloaded a Starfighter F-4C obsolete jet plane which will be assembled as an attraction for youngsters.

The jet plane, loaded on two big Air National Guard trailers with fuselage on one and wings and other equipment on the second, arrived in Holland shortly after 8:15 a.m. Monday, almost two hours earlier than the 10 a.m. scheduled arrival.

Major Richard L. Ford of Battle Creek and a crew of six sergeants accompanied the plane which had been flown to Battle Creek from Philadelphia. It was "demilitarized" in Battle Creek—engines and equipment removed. Major Ford said some 15 to 20 pieces of classified equipment were returned to the Air Force.

Major Ford represented Capt. Howard Strand of the Michigan Air National Guard who was instrumental in arranging for the jet plane to come to Holland. Working on the project in Holland were members of the Theta Alpha chapter of Beta Sigma Phi who submitted the idea with City Council some months ago. City Manager Herb Holt worked with Capt. Strand on arrangements.

Major Ford said two seats will remain in the plane, and the canopy can be moved, although he figured it would take an adult to turn the crank, not a child. All instruments have been removed, but there will be plenty of things to fire the imagination of a small boy at the "controls."

This plane, built in 1953 at a cost of some \$70,000, was designed as an all weather fighter interceptor. It was the same type used to some degree in Korea.

Holland is the only city in Michigan to have a jet plane of this type as a park attraction. Acting Park Supt. Jacob De Graaf is working with Beta Sigma Phi members and their husbands on the project. Air National Guard personnel had lunch with the sorority group at noon at the Gordon Cunningham home. The men were guests in local homes Monday and left for Battle Creek Tuesday afternoon.

Supervisors End Session

ALLEGAN — Allegan County Board of Supervisors ended their June session Wednesday afternoon following a hearing conducted by the Michigan State Tax Commission on the petition of Fillmore Township, seeking a reduction of their state equalized valuation.

Commissioner Louis P. Nims, who conducted the hearing, said the commission felt Fillmore was entitled to some relief because almost 47 per cent of the township's property had been annexed to Holland. He said the commission had reduced Fillmore's share of the county's state equalized valuation 65 per cent, which would be a cut of \$657,889 in the township's tax base.

Saugatuck Township, which had objected to its equalized valuation but filed no formal appeal, also was reduced slightly.

Nims said most of the changes resulted from minor corrections in the tax rolls. He congratulated the board on its equalization report which followed last year's state equalized values very closely.

Most of the morning session was devoted to a discussion of the new county building and the county's chances of obtaining assistance under the Hill-Burton act to help defray costs of building space for the health department. Chairman Francis Brower and County Clerk Esther Warner Hettinger were named agents in all matters regarding application for this federal grant, through which the county could receive as much as \$60,000.

The board discussed the possibility of a special election within the next year at which county voters would be asked to release a \$58,803 court house repair fund, approved in 1948 but never used after objections to a plan for flattening the court house met with considerable opposition. Several board members felt the repair fund could be used for furnishing the new county building.

BUDGETS

A few days ago we read about the Governor of Illinois and his freeze order for six months on some \$80 millions in projects, and we quote "In this state we are not going to spend money we haven't got." With the finance officers estimating total appropriations in excess of anticipated revenue by \$123 millions the Governor of Illinois we think is at least on the right track. Time will tell.

We here in Michigan seem to have already spent the money before hand and now are trying to find new ways and new sources for taxes so that some of the bills can be paid. Some contractors have already left the jobs that were under construction because they have not been paid.

Our state legislature took another long weekend and so the problems keep mounting. Many people are according to our conversations in favor of additional sales tax. We have advocated one per cent gross sales tax without any exemptions. Legal machinery does not seem available to make this possible right at the moment.

Indiana can stay out of debt it seems because of their constitution is old and tired. If we ever write a new one perhaps we will then be able to make provisions for guarding against such a tax mess as we have today.

Budgets are one of the necessary things that everyone sooner or later has to learn to live with. If we do not, then we are in for trouble. We wonder if the people at large really want to live within their means. It is not an easy thing to do in this day and age.

Blessing for an Allen (Ruth)
Ruth 1:19 to 2:3; Ruth 4:13-17
By C.P. Dame

(Based on copyrighted outlines produced by the Division of Christian Education, National Council of the Churches of Christ in the U.S.A. and used by permission.)

The story of Ruth is well known to all Bible readers. It is one of the most beautiful stories in the whole world. In this day when there are so many racial prejudices and so much rivalry between races and people we can learn from it how people of different countries should treat each other, and show a friendly spirit.

I. We all exert some kind of influence. Years ago a family in Bethlehem decided to move because the times were bad. The family of four, Elimelech, the father, Naomi, the mother and the two sons, Mahlon and Chilion, moved to Moab, a pagan country. The two sons married girls from Moab. How much the parents thought about what might happen to the sons in Moab we do not know. Christian families ought to consider other factors besides economics before they move. The men, the three husbands, died in Moab and the three women were widowed. When Naomi, the mother-in-law of two foreign women heard that the Lord had "visited his people in giving them bread" she resolved to return to Bethlehem. Her two daughters-in-law went with her up to the borders of Moab and Palestine and there Naomi urged both of them to go back again to their own land. Orpah kissed her mother-in-law and returned but Ruth refused and clung to Naomi and came with her to Bethlehem. Naomi is a fine example to all mothers-in-law.

The return of Naomi to Bethlehem created a lot of talk. To the people who talked to her she said, "Do not call me Naomi (Pleasantness), call me Mara (Bitterness), for the Almighty has dealt very bitterly with me. 'I went away full, and the Lord has brought me back empty. Why call me Naomi, when the Lord has brought calamity upon me?' Naomi's influence upon Ruth and Orpah was most wholesome.

II. We should accept strangers. Ruth was accepted in Bethlehem. She adapted herself to a new mode of life. She went out to glean in the fields of a rich bachelor, named Boaz, and he fell in love with her and married her. The Bible says that "she happened to come to the part of the field belonging to Boaz, who was of the family of Elimelech." In our time we overlook the providence of God too often. God directed Ruth and Boaz. He is still directing people. It seems as if Boaz was the most eligible bachelor in the small town of Bethlehem. We can really understand that his marriage to the beautiful widow from Moab created much talk. The story gives the impression that Ruth was accepted by the whole community. Boaz was not criticized because he married a woman from Moab. We do not read about any prejudices or resentments against the newcomer.

How should the newcomer who comes to our community or neighborhood be treated? All newcomers are not alike. People who act like Ruth acted years ago are much more easily accepted than people who want to push their way in regardless of what others say or think. Often one group of people fears the coming of another group because they are afraid they may take their jobs away from them. There are many problems in the land. One of the most perplexing problems is how different races and people can get along with each other. This story of Ruth sets before us a fine example to follow. The attitude Ruth showed is praiseworthy and the way she was friendliness to newcomers is always better than hostility.

Holland Police said Scholten was headed south on River Ave., and was waiting for traffic at Eighth St., when Nyhoff struck Slighter from behind and pushed him into the rear of the Scholten car.

A Brazilian youth wants a pen pal.

Wilson de Alomerda, of Para de Minas, Minas, Brazil, writes that he is 20 years old, likes America very much and is learning English. "To know better your language, I wish to make correspondence and I ask please to publish my letter and I shall be able to send Brazilian stamps."

And here's a letter from a woman in New York who seeks not a pen pal but a vacation swap.

Miss Grace Sayman who lives in a small apartment in Greenwich Village writes the Chamber of Commerce that she recently read about Holland, Mich. in the travel section of the New York Times, and while she has traveled a lot has never been in Michigan.

"I don't look old, free lance writer and otherwise employed in an advertising agency doing telephone soliciting. 'I have been to Europe and visited three cities in the Netherlands in 1951, the Hague, Amsterdam and Volendam.'"

Councilman William Heeringa's suggestion for putting up a drag strip in Holland for local hotrodgers brought little or no response at the last Council meeting. But when some heavy trucks lumbered by on River Ave. drowning out all sound in council chambers, another councilman suggested maybe the trucks could be put on a drag strip.

After years in a given business, one begins to think he has seen and heard everything. Then something completely foreign happens, and knocks you for a loop.

Such it was with Art Read, chairman of the Ottawa County Red Cross chapter, who figured he had heard just about every story and complaint ever associated with the organization. But he ran into a new one.

A short time ago on the day a funeral was held, the family received a phone call from a person purported to be a Red Cross worker asking for clothing of the deceased. Relatives were incensed and called it to the attention of Red Cross leaders.

A check revealed no association with administrative personnel or volunteers. But Read is concerned whether there are any similar cases. Solicitation of this type is not a function of the Red Cross, and any persons with similar experiences are asked to get in touch with Read.

Laff for the day: During preliminary inspection at a Boy Scout camp, the camp director found a large umbrella hidden in the bedroll of a tiny scout. He asked the lad to explain, and the tenderfoot did so neatly by countering with this question: "Sir, did you ever have a mother?"

Maplewood

Seeks Another Rehearing

The Maplewood Board of Education is petitioning the State Board of Education for a rehearing in the matter of transferring certain areas of the district lying outside Holland city to the Hamilton district.

The state board denied the request June 24 but the board is requesting reconsideration on the basis that the denial is contrary to the best interests of the school district and contrary to the form and intent of the statute in question.

Gordon Cunningham, attorney for Maplewood district, described the new petition as another step in a long complicated program of reorganization for the Maplewood district. A majority of Maplewood board members are attempting to have Maplewood district borders co-terminus with city boundaries before the school district is annexed to Holland school district.

Annexation of any area outside the city limits to the Holland school district would make the Holland school district fractional with a township in Allegan county, thereby putting certain tax limitations for school operating expenses. So far, Holland school district has not held elections on raising millage for operations.

Lakes in Holland Area Attract Tourists to Motels, Resorts

Tourist accommodations in the Holland area are known to be of the finest. Not actually resorts, but providing most of the facilities, with Lake Macatawa and Lake Michigan within easy access, the motels and cabins are usually well-filled from Tulip Time right through the summer.

Taking its name from Holland, the Tulip City Motel at the junction of US-31 and M-21 is a handy site. At the moment with road building and by pass construction, Mr. and Mrs. Cole Bishop find things "in quite a mess." They have five cabins and 12 rooms in the brick motel building. An editor of a Young Home-makers magazine and his wife, Mr. and Mrs. R. Bolander Olson of Chicago spent several pleasant days at the motel this week. Also a guest was Miss Carolina Coolidge, midwest editor of Living.

They conferred with Zeeland furniture men.

Harry Fogelman, who developed such tennis stars as Tony Trabert, and gave a talk in Holland, was a guest at the Riverside Motel on M-21 during his stay. Mr. and Mrs. Bert Lanting own and operate the 10-unit motel. They have a steady flow of government inspectors and personnel from construction groups.

Just about five miles south from Holland on US-31 is the 16-unit Speets Motel. Mr. and Mrs. Ben Speet have steady advance reservations from many families from Missouri, Illinois and Ohio. The attractive yard and flowers welcome tourists who often spend a week or more. Shuffleboard and badminton are provided for recreation, and the lakes and Saugatuck are nearby.

Only about a mile from Holland State Park at Ottawa Beach are the Oak Grove Cabins at 2011 Ottawa Beach Road, owned and operated by Mr. and Mrs. Anthony Michelson. Families have enjoyed the swimming and fishing in the vicinity and often stay for a week or more.

An ideal location for cabins is on the road between Ottawa Beach and Tunnel Park. Mr. and Mrs. David Underwood own and operate Eagle Drive cabins, the six cabins which are completely equipped for housekeeping. Families come and spend as long as two or three weeks with the Underwoods. A son, David, 13, helps in the routine at the cabins.

Mr. and Mrs. Harry Fagen and four children of Danville, Ill., have enjoyed themselves with badminton, croquet and tether ball.

Another swimming team session will be held Friday at 4 p.m. at Edwin (Bud) Raphael's Little Farm 4916 Cassel Park Rd., following a fine turnout and showing in the opening tryouts Monday.

Sponsored by the Noon Optimist club, boys between 13 and 30 who are proficient swimmers are invited to tryout for the swimming team. Any boys who didn't make the first session but are good swimmers are invited to the Friday drill.

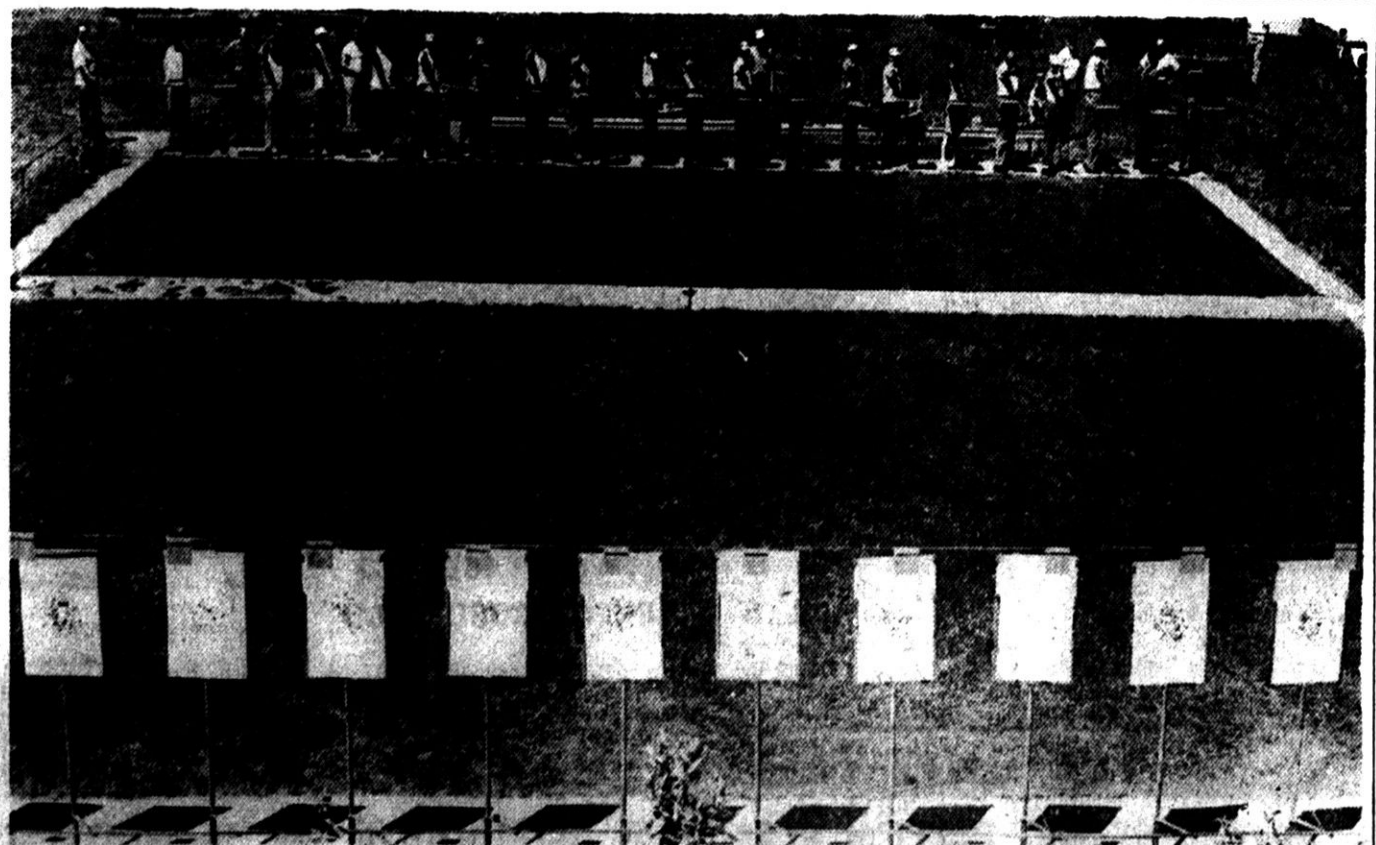

The boys worked on the crawl, backstroke and breaststroke and Raphael plans to develop each boy in the swimming phase which he handles best. The boys worked on kicking, breathing, racing dive and turn arounds.

Plans call for meets to be held with high school teams, YMCA organizations and independent teams. Clayt Ter Haar is chairman of the Optimist project.

Swimmers at the first workout included Tom De Puydt, Chris Swartz, Larry Ten Harsen, Henry Morse, Bob Eastman, Dale Cramer, Mike Jones, Steve Wissink, Leon Prins, Bob Vanden Hout and Gary and Larry Speel.

Others are Terry Woldring, Larry Cramer, Buzz Becker, Jim Bouwman, Dave Gronewoud, Bill Byrne and Jack Alexander.

Woman Slightly Injured — Mrs. Marilyn Israels, 27, of 741 Pine Ave., was released from Holland Hospital Tuesday after treatment for minor bruises of the forehead and both knees suffered in a minor auto accident at 7:15 a.m., today at US-31 and M-40.

POLICE HOST PISTOL MATCH — The Holland police No. 1 pistol team Thursday afternoon took first place in Class A as they played host to a West Michigan Law Enforcement Officers Pistol Match at the local police range. Clarence Van Langevelde shot the high individual score of 532, as Sgt. Ralph Woldring posted a 530 and Paul Nieboer a 519 for the winning total of 1581. The Kent County Sheriff's Department No. 1 team came in second with a 1510, while the Muskegon

Police No. 1 team took third with 1470. The Holland Police No. 3 team finished second in Class B with 1408, as Sgt. Ike DeKraaker shot a 496, Gene Geib a 479 and Richard Bonge a 432. The Zeeland Police team walked off with first place in Class C with a 1311 total, as Larry Veldheer posted a 492, Chief El Boss a 470 and Louis Vis a 349. Ten teams participated in the match, with the Holland police No. 2 team failing to show up. (Sentinel photo)

District School Elections Attract Considerable Interest

School elections in various districts in Holland area stirred up more interest Monday than in many years.

Maplewood — Maplewood district reelected incumbents Andrew Naber and Henry Vander Plow but ran into a tie in the third post for an unexpired term which was finally settled by drawing straws sometime after midnight. L. W. (Bill) Lamb, Jr., emerged as winner over Hubert Hoffmeyer in the drawing before two board members. Each had received 231 votes.

Lamb, a sticker candidate, entered the race last week after it developed that three candidates of the pro-annexation ranks had filed for three-year terms instead of one filing for an expired term. E. Merle De Feyter, candidate for a three-year term, withdrew, but it was too late to remove his name from the ballot. He polled 36 votes nevertheless.

The campaign to elect Lamb as a sticker candidate gathered momentum, and Monday's turnout was said to be the largest for any school election in the district. Total vote cast was 464. Ballots on Lamb and Hoffmeyer were counted and recounted several times. There was two other write-in votes.

Other candidates for three-year terms were Bernard Hulst who

polled 200 votes and John H. Schurman, 197 votes. They together with Hoffmeyer represented a group favoring annexing to the Hamilton district.

After the election was determined, the board met to organize and reelected Richard Streu as president; Vander Plow, secretary; Don Johnson, treasurer. Naber and Lamb are trustees.

Lakeview — Lakeview district reelected Gerrit Vanden Bos to the board and approved an increase of two mills for school operation. Vanden Bos, who was upped, received 24 votes. There were three write-ins and one blank.

Montello Park — Montello Park voters reelected Harold De Pree and Mrs. Maxine Vander West, both unopposed, but rejected a proposal to raise operating millage by two mills, 80 to 82. After the election, the board elected Mrs. Smeenge president, Mrs. Vander West, treasurer, and Mrs. Thelma Scholten, secretary. Other members are Virgil White and De Pree.

Harrington — James Walters was elected to the Harrington school board, defeating Eugene Osterhaven, 224 to 171. The district also voted to continue an additional 4 1/4 mills for school operations, 235 to 194. Frank Johnson received four write-in votes and William Appledorn, one

vote. Earlier in the day, attempts had been made to set up machinery whereby the district could elect a successor to Ralph Maass who resigned from the board June 26, but the petition was not approved by Circuit Court. According to law, a successor will be appointed for Maass and will serve until the next school election.

Van Raalle — William Oonk was reelected to the board, polling 72 votes to 66 for his nearest opponent, Jerry Bosch. Other candidates were some distance behind in the voting.

Federal — Federal district voters reelected Elmer Atman to the board and elected a new board member in the person of John Baldwin. Baldwin received 45 votes and Atman 41. Other candidates were Herman Kragt, 27 votes, Ray Kootstra with 20 and Bernard Ter Horst with 36. A proposal to increase the millage 1.13 mills passed 69 to 5 with four void ballots. Voters unanimously approved a project 77 to 0 to provide bus transportation for students.

Zeeland — Mrs. Marvin Ver Plank was elected to the Zeeland Board of Education, the first woman on the Zeeland board. Randall Dekker was reelected. Mrs. Ver Plank received 171 votes and Dekker 164. Other candidates were Laverna Van

Kley, 84; incumbent Vernon Poest, 81, and Fred Bosma, Jr., 62.

Voters also approved a .93 mill increase on operations, 226 to 51 with 12 void ballots. Total vote cast was 297.

New Groningen — Richard Van Dorp and Wallace Stielstra were elected to the New Groningen school board by polling 26 and 25 votes respectively. Clarence Laar received 11 votes. The district also approved an additional two mills for operating, 27 to 2.

Hudsonville — Jacob Tigelaar and Gilbert Waite were elected to the Hudsonville Board of Education. Voters unanimously approved sale of 33 feet of school-owned property lying west of the school. The property will be sold to the city.

After the election, an organizational meeting was held and Gilbert Hall was elected president; Herbert Serum, secretary, and Jacob Tigelaar, treasurer.

Fennville — A total of 329 persons visited the polls Tuesday, the largest number since the first bonding issue in 1952. Both incumbents, Richard Barron and Thelma Dickinson, were reelected, receiving 230 and 219 votes respectively. Other candidates were Henry Alexander, 102, and John Klungle, 81. There were seven blanks.

Miss Slenk Bride of L. Wassink

Mr. and Mrs. Leon Jay Wassink

East Saugatuck Christian Reformed Church was the scene of a wedding June 18 when Miss Delores Mae Slenk and Leon Jay Wassink were united in marriage by the Rev. Simon Vroom. He used the double ring rite.

The daughter of Mr. and Mrs. Bert Slenk of route 5 and the son of Mr. and Mrs. John Wassink of route 2, Hamilton, were married before a candelabra tree as a centerpiece with seven branch candelabra flanking the ferns and bouquets of white gladioli and pink carnations.

Wedding attendants were the bride's sister, Miss Lois Slenk, as maid of honor; Miss Charlotte Veenstra, bridesmaid; David Wassink, brother of the groom, who lit the candles; Ivan Wassink, a brother, as best man; Hugh Slenk, brother of the bride, groomsmen; and Bertus Van Dis and Terry Dykstra, ushers.

Given in marriage by her father, the bride wore a gown fashioned of embroidered silk organza, princess waistline, and short sleeves. The scalloped neckline formed a V in the back when the softly pleated skirt fell from a lowered waistline. The full floor length skirt ended in a sweep train. A headpiece trimmed with small flowers of seed pearls and sequins held the elbow length bridal veil of silk illusion. She carried a white Bible with a pink rose bud.

Similar gowns were worn by the bridal attendants. The pink ballerina length gowns of dotted swiss over taffeta were designed with fitted bodices and scoop necklines ending in Vs in the back from which fell long tailored bows with streamers of pink taffeta. Matching picture hats completed their costumes. They carried lace fans with corsages of pink carnations.

Accompanying Marty Hardenburg, who sang "O Lord Most Holy" and "The Lord Bless You and Keep You" was Howard Slenk, cousin of the bride, who also played appropriate wedding music. The newlyweds greeted about 100 guests at a reception in the church basement. Miss Judy Plaggemars and Paul Dykema were gift room attendants. Mr. and Mrs. Justin Gebben presided at the punch bowl and Mr. and Mrs. Jerome Den Bleijer were master and mistress of ceremonies. Miss Lorelei Louters of Hollandale, Minn. attended the guest book and the Misses Jeanne Holwerda, Joan Greengood, Arlene Van Winger, Mary Bosch, Arlene Bouwman and Rosella Jager were waitresses.

For the wedding the bride's mother wore a light blue dress of embroidered linen and a pale pink corsage of cybidium orchids and the groom's mother was attired in an aqua dress of embroidered linen with a pale yellow corsage of cybidium orchids.

Entertainment at the reception included solos by Miss Thelma Slenk accompanied by Miss Shirley Bakker. Rev. Broom spoke briefly and offered prayer. Following an eastern wedding trip the couple now reside at 220 120th Ave. For going away the bride chose a two-piece beige dress with matching hat and brown accessories and an orchid corsage. Their honeymoon took them to Niagara Falls, New York City and Washington D. C.

The new Mrs. Wassink is a teacher at Zeeland Christian School. She was graduated from Holland Christian High School and attended Calvin College. The groom, a graduate of Holland High School, is employed at Parke, Davis Co.

Seek to Stop Check Passers

Holland Police are working on a system of proper identification of non-residents desiring to cash checks in the city, after more than \$500 worth of bad checks went through local banks last week.

Under the new program, Chief Jacob Van Hoff said, merchants would ask strangers cashing checks to fill out identification cards, including such information as name, address, age, social security number, drivers license and in some cases, fingerprints.

Van Hoff said that each merchant would probably display a sign stating that the local police department requires such procedure. It is hoped the program would not only help to apprehend bad check passers, but discourage the professional check artists who would be unwilling to supply the information.

Detectives said that at least three different writers are believed to be responsible for the latest rash of bad checks. Merchants were reminded that their best protection still is to demand a adequate identification from strangers before cashing checks.

MBYC Booklet from 1902 Lists Varied Information

Present-day members of the Macatawa Bay Yacht Club will be enlightened and amused at an old copy of the MBYC constitution and by-laws published in 1902.

The booklet was discovered by the late Arie Nobel, who always took a keen interest in boats and sailors and conditions of Lake Macatawa and Lake Michigan.

Some of the companies and hotels in the booklet no longer exist such as Hotel Ottawa at Ottawa Beach, Hotel Macatawa, Hotel Holland, Wolverine Motor Works, Colby's Souvenirs, yacht brokers, yachting togs and fishing equipment manufacturers.

John C. Everett was commodore of MBYC the year 1902. The booklet also lists the officers for 1901 and 1899.
