Every article is guaranteed absolutely as represented or money promptly refunded. We tolerate no misrepresentation. Oak is oak, and wood is wood, and cotton is cotton.

Most all peach orchards are showing many cases of the little peach disease. Cases of the yellows seem to be less common. Unless the extermination method is promptly applied, a good many growers will lose their entire orchards in a short time. Some orchards are nearly all gone now.

Distilling the peppermint oil crop has been commenced. The crop will not be much over 65 per cent of last year's yield. Buyers are already in the market and are now offering \$2.50 per pound, which is better than last year. Growers are looking for about \$3 per pound later in the season.

Mr. Haan, a Holland druggist, and the Misses May Huntley, Tillie Damson and Edna Allen planned to enjoy an automobile ride from Holland to Fennville Wednesday, to call on Will Bosman. Everything went fine for a time, but a few miles out of New Richmond one of the auto tires exploded. The damage was beyond repair, so the ride turned into a pedestrian stunt to the railroad station, with an increased respect for the much abused Pere Marquette style of travel, not forgetting a good old reliable horse and buggy.—Fennville Herald.

Fred Van Dyne and John Resckie have admitted that they stole fish from Will Shriver's nets which were set out from the shore of Laketown and have paid him \$200 to satisfy his personal claim. The fishermen at Holland have also had losses by the same men's hands and they are trying to settle this case also without going into the courts but the offenders claim they can only raise \$50 more and this will not satisfy the fishermen. It is generally supposed that there is a third party interested in the theft but although there is much suspicion of a certain man there is no very good clue but if the matter is not settled soon the authorities will take hold of the case and closely investigate the matter from beginning to end which will surely result in bringing the offenders to justice.—Saugatuck Commercial Record.

The Passaic Daily News has the following regarding Rev. Dr. Ame Vennema, formerly of this city: "At its regular meeting in June last, the board of domestic missions of the Reformed church in America elected the Rev. Dr. Ame Vennema, pastor of the First Reformed church of this city, as its corresponding secretary, a position made vacant by the death of the Rev. Charles H. Pool, D. D., last spring. Dr. Vennema has had the appointment under consideration for four weeks, and has been strongly urged by ministers and friends in different parts of the denomination to accept it. It would mean his resignation as pastor in this city. His duties would be to attend to the correspondence of the board at its office in the Reformed church building, 25 East Twenty-second street, New York, have general superintendence of the home mission work of the denomination east and west, and present the claims of that work in the churches. Dr. Vennema announced to his people last Sunday that, although he appreciated the honor and responsibility of the office to which he had been chosen, he had decided to decline the appointment and continue his work in Passaic, hoping and praying that the Lord might increasingly bless the work of the local church."

Want ads in the News pays.

The case of Peter Malone vs. Sarah Margaret and Elizabeth Malone, his daughters of Tallmadge, is being heard in Superior Court in Grand Rapids. The father is suing for \$4500 held by them under his son's will. W. I. Lillie represents the defendants and the case is rather inclined to be sensational.

Dr and Mrs. J. T. Borgen have returned from their trip abroad and last Sunday evening the Doctor conducted services in Hope church. The Doctor and his wife were in Wales sixteen days and held a series of gospel services at Salandudno, a fashionable watering place a short distance from Liverpool. Wallace Cook of Ponton, who was one of the contestants in the State High School oratorical contest in which Holland was represented by Tom N. Robinson, and who was through mistake awarded first place, which place was afterward given to Mr. Robinson, was killed at Lansing last week by a Grand Trunk train. Both of his legs were cut off and a short time afterward he died.

Lewis Reed was drowned in the Kalamazoo river at Saugatuck last Thursday morning. He arrived on the boat from Chicago a few hours before and joined a party of friends in camp on the south side of the river. He prepared himself for a swim and took a plunge from the little dock near the pavilion and he was lost to view. The body was recovered a few minutes later, but resuscitation was impossible. The supposition is that he struck a snag. He was about 25 years of age.

The Rev. Dr. Egbert Winter has accepted an invitation to deliver an address on the occasion of the fiftieth anniversary of the organization of the First Reformed church of Pella, Iowa, to be held in September. Dr. Winter held the pastorate of that church from 1866 to 1884. The Rev. S. Vander Werf, until recently pastor of the First Reformed church of this city, is now in charge. Dr. Winter has also been invited to speak at a joint missionary conference of the Reformed churches to be held at Pella on September 6.

Dan F. Pagelsen, defeated this week for renomination to the Prosecuting Attorney's position, is receiving many messages of surprise and regret from different sections of the county. From Georgetown, which township's delegation went solidly for Mr. Coburn, Mr. Pagelsen was yesterday informed over the telephone by the delegation chairman, that the vote extended the winning candidate by the delegation named, was purely complimentary, Seth Coburn, an uncle of the nominee, has hosts of friends through that township, and the vote was extended as a compliment to him. While Mr. Pagelsen gets some consolation from these messages, the fact is that Mr. Coburn was nominated fairly and squarely. The campaign for the position was the most unique in the political history of the county and it will be a long time before it is forgotten.—Grand Haven Tribune.

The shed used at present is 75x25. To protect themselves against petty coal thieves they will build a fence around their wood yard between Ninth and Tenth streets.

The traveling "gypsy" wagon, which was detained on the road in Holland township owing to a visitation of the stork, has retraced its overland journey to Indiana, abandoning Newaygo county as their final destination. The wagon was occupied by James Harris, wife and four children, one of the latter being born on the road. They were sheltered in an old house in the neighborhood by Supervisor John Y. Hidden Dangers.

Nature Gives Timely Warnings That No Holland Citizen Can Afford to Ignore.

Danger Signal No. 1 comes from the kidney secretions. They will warn you when the kidneys are sick. Well kidneys excrete a clear, amber fluid. Sick kidneys send out a thin, pale and foamy, or a thick, red, ill smelling urine, full of sediment and irregular of passage.

Danger Signal No. 2 comes from the back. Back pains, dull and heavy or sharp and acute, tell you of sick kidneys and warn you of the coming of dropsy, diabetes and Bright's disease. Doan's Kidney Pills cure sick kidneys and cure them permanently. Here's Holland proof:

John Lockhart, of 28th street, near Central avenue says: "I had a constant aching in my loins and kidneys so that at times I could hardly keep around. I could not rest comfortably in any position and after a restless night would get up feeling as tired as when I went to bed. The kidney secretions became irregular, frequent and unnatural. I used different remedies but did not receive any benefit. Seeing Doan's Kidney Pills advertised I procured a box at J. O. Doesburg's drug store and tried them. They did me so much good that I got another box and then another. They cured me."

For sale by all dealers. Price 50 cents. Foster-Milburn Co. Buffalo, New York, sole agents for the United States. Remember the name Doan's and take no other.

CLOTHES

JUST AS YOU WANT THEM

"Just as YOU want them" clothes is the kind I am making right along.

You select the cloth you like and tell me what you want, and you get it.

My "correct method" of measuring and cutting makes a misfit impossible.

In making up clothes, special care is given to strengthening parts that have the most wear, and the little things are not slighted either.

Let the women folks examine any garment of my making, they will tell you "that's well made."

Now sum up the clothes question—good cloth, well made into a splendid fitting garment, just as you want it, costing no more than store clothes; isn't that a combination worth trying?

I have convinced many.

Will you let me prove my statements to you?

Keep Your Nerve

It is nerve energy that runs the organs of your body. The storage battery is the nerve cells in the brain and spinal cord, and from this battery nerve force is sent out through the system of nerves. To keep the body healthy you must have plenty of nerve force; if you have not, the organs work imperfectly, the circulation is sluggish, digestion bad, appetite poor, kidneys inactive, and aches, pains and misery are the penalty.

You can keep the system strong with Dr. Miles' Nerve. It assists in generating nerve energy; it strengthens the nerves and makes the whole system strong and vigorous.

"I take pleasure in recommending Dr. Miles' Nerve to those suffering from nervous prostration, insomnia and melancholy. After several months suffering from above diseases I tried this medicine and found immediate relief. It soothes and strengthens the nerves, chases away the gloomy and depressing thoughts and gives the sufferer renewed strength and hope. It is a superb nerve restorer."

RIGID INSPECTION OF MEAT PLANTS

REGULATIONS ISSUED BY SECRETARY WILSON ARE MOST STRINGENT.

Packing Houses Must Be Clean in Every Particular and Animals to Be Slaughtered Perfectly Healthy in Order to Be Entitled to Labels.

Washington, July 28.—Secretary Wilson Friday made public the regulations under the new law governing the inspection of meat products for interstate and foreign trade. They do not, however, cover the subject of interstate transportation of meat or the microscopic inspection of pork for export. Regulations on these subjects, it was stated, will be issued later.

The general regulations provide that the scope of the inspection shall cover all slaughtering, packing, meat-canning, salting, rendering or similar establishments whose meats or meat food products, in whole or in part, enter into interstate or foreign commerce, unless exempted from inspection by the secretary of agriculture. Under the law the only establishments which may be exempted by the secretary are retail butchers and retail dealers supplying their customers in interstate or foreign trade, but even these exempted classes are required to submit to the secretary an application for exemption. All animals, carcasses and meat food products will be subjected to a rigid inspection. Reinspection will be had wherever necessary.

Lighting and Ventilation.
Sanitation regulations require the establishments in which animals are slaughtered or meat and meat food products are prepared, packed, stored or handled to be suitably lighted and ventilated, and to be maintained in a sanitary condition.

All portions of the buildings must be whitewashed or painted, or where this is impracticable, they must be washed, scraped or otherwise rendered sanitary.

All trucks, trays, chutes, platforms, racks, tables, knives, saws, cleavers and all utensils and machinery used in handling meats must be cleansed daily.

Clothing of Employees.
Employees must wear outer clothing of a material that is easily cleansed and made sanitary. All toilet rooms, urinals and dressing rooms are required to be entirely separate from apartments in which carcasses are dressed or meats and meat food products are prepared. Managers of establishments will not be permitted to employ any person affected with tuberculosis in any of the departments where carcasses are dressed, meats handled or meat food products prepared.

Butchers who dress diseased carcasses are required to cleanse and disinfect their hands and implements before touching healthy carcasses.

Reports on Sanitation.
Weekly reports on sanitation are to be made by the employees in charge of various departments to the inspector in charge of the station, who in turn must report weekly to the chief of the bureau of animal industry at Washington. But if any unsanitary conditions are detected by any department employee, such conditions must be reported immediately to the inspector in charge, who will report to Washington.

The provision relating to dyes, chemicals and preservatives is stringent.

New Inspection Rules.
The inspection of animals before slaughter, designated in the regulations as the ante mortem inspection, is changed to conform to the new law, and to give the secretary of agriculture authority to require that all animals suspected of disease on this ante mortem inspection shall be slaughtered separately and apart from all

other animals, under the careful supervision of federal inspectors.

Destruction of Carcasses.

Special provision is made for the destruction, for food purposes of all carcasses and parts of carcasses and meat food products which, upon inspection, or reinspection, prove to be unclean, unsound, unhealthful, unwholesome, or otherwise unfit for human food. All such meat will be placed in a tank in the presence of a government inspector, and all openings to the tank will be sealed with a government seal by the inspector. Steam will be turned on. Before the carcasses are placed in the tank sufficient coloring matter will be added to render it impossible that the tankage can be used for lard or other eatable product.

Trade Label Regulation.

The meat inspection law under which the regulations are issued, contains a provision that no meat or meat food product shall be sold or offered for sale by any person, firm or corporation in interstate or foreign commerce under any false or deceptive name, but established trade names which are usual to such products and which are not false and deceptive and which shall be approved by the secretary of agriculture are permitted.

Supervision of Stamps.

All stamps, labels and certificates showing that meat and meat food products have been inspected and passed are required either to be affixed by a government employee or to be affixed by an employee of the establishment under the personal supervision of a government employee.

Certificates are required for exports of cattle, sheep, swine and goats, and the meat and meat food products thereof, and no vessel having on board any such animals, meat or meat food products for export will be allowed to clear by the customs officers until the certificate of the secretary of agriculture, showing that the meat is sound, healthful, wholesome and fit for food, is produced.

Free Access to Houses.

For the purpose of enforcing the law and the regulations, inspectors and other government employees under the direction of the inspector, must have access to establishments at all times by day or night, whether the establishment be operate or not.

Labeling Carcasses.

The provision in regard to labeling carcasses which are found diseased and which have been condemned, are very complete. A system of tags numbered in duplicate, with reports to the inspector in charge, who, in turn, reports to Washington, will make it impossible for any carcass which has once been tagged by a department employee to escape the vigilance of the inspectors.

Running through the regulations is a carefully prepared scheme which will effectually prevent the entrance into sausage, curing, canning and other chopped meat establishments of any carcasses which were not inspected and passed by federal inspectors at the time of slaughter.

One of the important provisions of the regulations is the following definition:

"U. S. Inspected and passed." This phrase shall mean that the carcasses, parts of carcasses, meats and meat food products so marked are sound, healthful, wholesome and contain no dyes, preservatives, chemicals or ingredients, which render meats or meat food products unsound, unhealthful, unwholesome, unclean or unfit for human food."

GARRISON MUTINIES; OVER 600 ARE SHOT

BLOODY BATTLE FOLLOWS OUT-BREAK IN FORTRESS AT SVEABORG, FINLAND

REBELS VICTORIOUS; NOW HOLD CITADEL

Torpedo Boats Open Fire on Barracks Causing Terrible Panic—General Strike of Workmen Proclaimed—Agree on New Cabinet.

Helsingfors, Finland, July 31.—A serious mutiny has broken out in the great island fortress of Sveaborg, which defends the sea approaches to Helsingfors. Since ten o'clock Monday night there has been a heavy cannonade at the fortress, interspersed with volleys of rifle shooting. The sound of cheering among the soldiers was also distinctly audible in Helsingfors. It all indicated that fighting was in progress during the whole night between the mutineers and the loyal troops. It is impossible to reach the fortress, but it is said upon authority which is not doubted that there are several hundred dead and wounded.

Cause of the Outbreak.

The cause of the mutiny is reported to have been the death of a soldier in the battalions of sappers and miners. His comrades claimed that the death was due to ill-treatment. They rose and were joined by the artillerymen. Together they outnumbered the loyal infantry troops who supported their officers.

The infantry from the Skatudden barracks, which stands on the sea front in Helsingfors, were immediately ordered out. Two torpedo vessels lying at anchorage off the city thereupon opened with their rapid-firing guns against the barracks, shooting over the heads of the people gathered upon the sea front and causing a tremendous panic. The greatest excitement prevailed, but the socialistic workmen and the Red Guard of Helsingfors were all highly elated over the outbreak. They threatened to take advantage of the situation and proclaim a general strike for the purpose of tying up the railroads. At the latest report the fortress at Sveaborg is completely in the hands of the mutineers.

Sveaborg is a strongly fortified town of Russian Finland, situated on Seven Islands, in the gulf of Finland, immediately southeast of Helsingfors. The islands, which are connected by pontoons, form the site of a fortress which defends the harbor of Helsingfors and consists of numerous military works and batteries and a military arsenal. Sveaborg also has an excellent harbor.

Outbreak Also at Skatudden.

An outbreak also occurred at Skatudden. The officers there were made prisoners and the soldiers elected leaders. One officer was killed. The Russian torpedo destroyer Finn is bombarding the barracks and the mutineers.

The island of Skatudden lies close to the city of Helsingfors, with which it is connected by a short bridge. It is a half a mile long and about a quarter of a mile wide, and is given over entirely to the fortress. The government railway from St. Petersburg encircles the city and terminates upon Skatudden island. The Skatudden fortress is about three miles from Sveaborg.

600 Killed or Wounded.

London, July 31.—A dispatch to a news agency from Helsingfors, Finland, says that a portion of the garrison of Sveaborg, Finland, mutinied Monday night and that a long and sanguinary struggle took place between the mutineers and the loyal troops, in which the former are said to have been victorious. The mutineers, it is added, are now in possession of the fortress.

A later dispatch from Helsingfors says that fierce fighting continues at Sveaborg. Up to midday over 600 men have been killed or wounded. Warships are now bombarding the fortress.

Strike Proclaimed in Finland.

Stockholm, July 31.—The socialistic workmen of Finland are reported to have proclaimed a general strike.

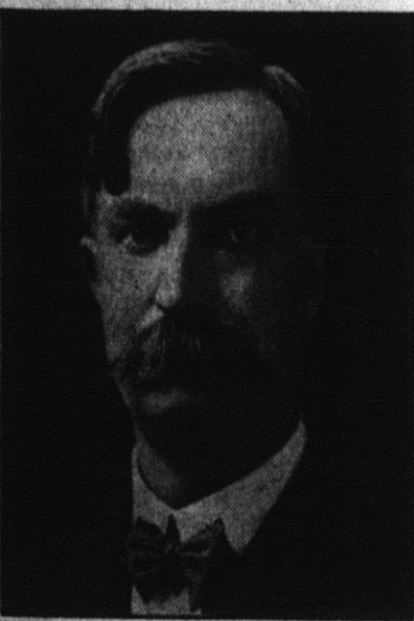

New Cabinet Agreed Upon.

St. Petersburg, July 31.—At a late hour Tuesday afternoon Premier Stolypin issued a statement through the St. Petersburg official news agency to the effect that the assignment of the unfilled portfolios has not as yet been entirely decided upon. This may postpone an announcement of the new cabinet for several days, but it is accepted as a fact that the cabinet has been virtually agreed upon and approved by the emperor. Premier Stolypin has given his first illustration of the modified policy of the government in dealing with the members of the duma who have arrayed themselves against him. A week ago he directed the commencement of legal proceedings against those who signed the Viborg manifesto; then later he announced that the government intended to entirely ignore the action of the members of parliament at Viborg, and now he turns again and announces that proceedings will be initiated although he doubtless has no intention of forcing a trial. He will probably hold the prosecution of these cases over the heads of the accused to prevent them from becoming candidates for reelection to the duma.

The Governor's Neighbors Honor Him.

The estimate placed upon a man by his neighbors is entitled to a considerable amount of consideration. When a man is honored at home it is a ten to one shot that he deserves honor abroad. And that is why Governor Warner's friends are calling attention to an unusual occurrence in Oakland county last week when five hundred of the governor's Oakland county neighbors called upon him at his summer home near Cass Lake to pay their respects before the campaign calls him away from the comforts of home.

Several days preceding the event the governor was told that his home friends wanted to call on him, and the, of course, expressed his pleasure. Those who planned the event sent a piano and a wagonload of chairs from Pontiac and the cottagers entered in-

Governor Fred M. Warner.

to the spirit of the occasion by decorating their lawns with Japanese lanterns. Not to be outdone the governor looked after the refreshments, which included a big cheese.

Several special cars from Pontiac brought most of the guests, who brought along a band and a concert was soon in progress. Congressman Sam Smith did the speechmaking honors, felicitating the governor upon the fact that all the political honors which had fallen to him had not taken him out of the sphere of his friends and neighbors, who took the occasion to pay their respect to him, as one of them who had won distinction.

In this quiet, neighborly gathering can be found one of the reasons for the political success of Governor Warner. It shows that by being true to his friends, by being honorable and trustworthy in all dealings with his neighbors he has gained their approbation and respect. And thus, armed by the good will of his neighbors, he has with confidence stepped into larger spheres and has won the approval and respect of the state.

Republicans Put Strong Ticket In Field.

Sheriff—Jesse G. Woodbury, Allendale.

Clerk—Fred F. McEachron, Grand Haven.

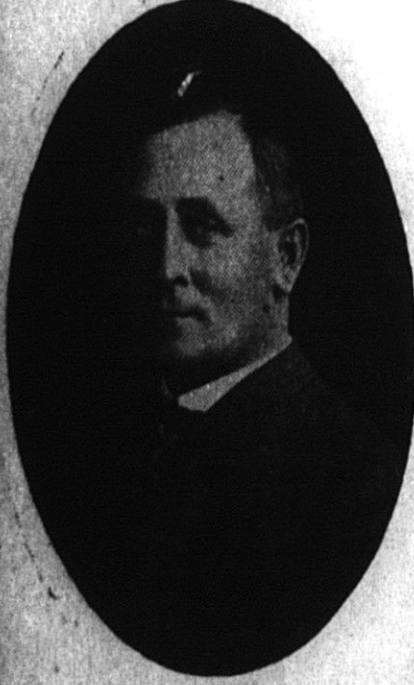

Register—Andrew J. Ward, Holland.

Treasurer—Walter H. Clerk, Robinson.

Prosecuting Attorney—Corie C. Coburn, Grand Haven.

Court Commissioners—Arthur Van Duren, Holland.

Charles E. Soule, Grand Haven.

Auditor General J. B. Bradley.

Coroners—Dr. Mabbs, Holland. Dr. W. S. Walkley, Grand Haven. Surveyor—Emmett H. Peck, Polkton.

Legislative.

State Senator—Luke Lagers, Holland.

Representative 1st District—Nicholas J. Whelan, Holland.

Representative 2nd District—A. Lahuis, Zeeland.

The foregoing ticket was named at the republican county convention held in Grand Haven last Thursday. It is a strong one and deserves popular approval at the polls in November.

Judge E. P. Kirby, chairman of the county committee called the convention to order promptly at 9 o'clock in the morning, and announced that in accordance with the wish of the committee he would call Colon C. Lillie of Coopersville to the chair as temporary presiding officer. Jacob Glerum of Grand Haven was chosen as temporary secretary. Committees were appointed as follows:

Permanent Organization—W. I. Lillie, Grand Haven; Luke Lagers, Holland; John Jackson, Polkton.

Credentials—James Verhoeke, Grand Haven; N. J. Whelan, Holland; Millard Walling, Tallmadge. Resolutions—George E. Kollen, Holland; Dr. C. P. Brown, Spring Lake; Millard Durham, Polkton.

The convention took a ten minutes' recess to complete the organization. The resolution committee presented the following which were adopted unanimously:

"We, the Republicans of Ottawa county in convention assembled, do hereby resolve:

"We, with pride, indorse the splendid administration of that sterling and strenuous man of the people, Theodore Roosevelt, and commend his acts of unswerving loyalty in all matters that tend to the welfare of the country.

"We call attention to the splendid record of the state administration and indorse the work of Governor Fred M. Warner in giving Michigan what the people desire, an economical, sound, wise and just administration.

"We unhesitatingly commend our congressman, the Hon. William Alden Smith, for his grand espousal of those matters of great moment that have come before the national congress, and indorse him for his stand at all times for the right, and the just, believing that he is a man in whom all confidence can be bestowed.

"We indorse our senator and representatives in the state legislature, and commend them for their faithfulness to duty."

Dr. C. P. Brown in behalf of the county medical society suggested that the coroners should be medical men.

The chairman appointed E. P. Stephan of Holland; C. Vander Veen of Grand Haven; Jacob Phillips, Tallmadge, tellers. The nomination for county officers were called for. Jacob Phillips of Tallmadge asked that the rules of the convention be suspended and Jesse G. Woodbury be nominated by acclamation. The sheriff was nominated with enthusiasm. Fred F. McEachron was also nominated by acclamation and 231 ballots were cast by the secretary for the popular young candidate.

Olive township nominated Hubert Pelgrim for register of deeds and H. F. Harbeck presented the name of John J. Rutgers. Charles McBride in a ringing speech nominated Andrew J. Ward of Holland and stated that he had cast his first ballot on the battle field for Abraham Lincoln. Hon. D. B. K. Van Raalte made a strong seconding speech for Mr. Ward, dwelling on the faults of the third term policy.

Then the balloting began and up on the first ballot the score stood as follows: Rutgers, 70; Ward, 109; Pelgrim, 50. Upon the second ballot Ward won the nomination by the following result: Rutgers, 57, Ward, 129; Pelgrim, 35.

A pretty contest developed for the nomination of county treasurer when the names of Walter H. Clark of Robinson and Peter Huyser of Zeeland were presented to the convention.

In presenting the name of Mr. Huyser, for county treasurer, Joy E. Heck of Zeeland claimed the right by succession of his township, considering that had not William D. Van Loo, the present incumbent of the office resigned, he would have been nominated by acclamation. Charles McBride of Holland arose and asked Holland to join hands with Zeeland and support Huyser. The result of the ballot was, Huyser, 100; Clark, 129.

The surprise of the day came on prosecuting attorney. Short nominating speeches were made and the balloting seemed perfunctory. However, when the tellers announced the following result there was consternation and much shaking of the heads of "wise ones." The result:

C. C. Coburn 123
Dan F. Pagelsen 98

Pagelsen is serving his first term and had confidently expected another.

His opponent did not announce his candidacy until Monday and then confined himself, to a great extent, to asking for a "complimentary" vote, in order that he might make a good showing for the serious race of two years hence.

So many gave him "complimentary" votes that he was nominated 123 to 98.

Probably no one was more surprised than Mr. Pagelsen. He had

been so sure of renomination that he had done little or no work. His disappointment was keen but he recognized the shrewdness of his opponent, though too late.

"I take off my hat to you, all right," said he to Coburn.

Captain H. F. Harbeck nominated Thomas J. Kiel of Grand Haven for coroner and W. I. Lillie presented the name of John J. Boer of Grand Haven. Dr. C. P. Brown of Spring Lake in behalf of the county medical society asked the convention to nominate Dr. W. S. Walkley of Grand Haven and Dr. J. A. Mabbs of Holland. In speaking of the autopsies which a doctor as coroner could make, he stated that personally he would like to hold an autopsy upon every supervisor who had cut his small pox bills. John S. Dykstra of Holland was nominated by Mat Witvliet.

The ballot for coroner resulted in a victory for the medical men, the vote standing as follows: Dr. Mabbs, 122, Dr. Walkley 112, J. Dykstra 103, T. J. Kiel 53, John J. Boer 47.

Emmett Peck was nominated for surveyor by acclamation.

Hon. Luke Lagers, Holland, was chosen for state senator, beating Charles K. Hoyt, Grand Haven by a vote of 136 to 90. Hon. D. B. K. Van Raalte made a strong presentation of the claims of Mr. Lagers, and Capt. Harbeck did the same for Mr. Hoyt. Others who took part in the debate were Hon. Walter I. Lillie for Mr. Hoyt and Henry Pelgrim and George W. Aiken for Mr. Lagers.

Mr. Lagers named the following delegates to represent him at the senatorial convention to be called later: D. B. K. Van Raalte, George E. Kollen, Con De Pree, W. H. Beach, H. Pelgrim, J. Heck, Albert Lahuis, H. Keppel Henry Bosch, John Owens, Seth Coburn, Robert Alward, Charles Stearns, John Rutgers, James A. Garfield, John Y. Huizenga.

The Hon. William Savidge of Spring Lake was recommended for a place on the state central committee if Ottawa is entitled to one this year.

Major Johnson, assistant district attorney for Missouri, and a personal friend of Folk, was invited to speak to the convention and his little informal speech was received with cheers by the Republicans of Ottawa. Major Johnson is a relative of Admiral Coghlan, U. S. N., who it will be remembered sang "Rock der Kaiser" at the time of the Spanish war.

The first district legislative convention was called to order by Judge E. P. Kirby. Con De Pree was elected chairman and A. J. Westveer secretary. The convention did not regard tellers as a necessity and none were appointed.

Attorney George E. Kollen placed the name of Mr. Whelan before the convention, declaring that while the district had always been represented by able men of whom the state as well as the district were proud there had been none who had more faithfully and conscientiously attended to the duties of the office than Mr. Whelan, and with the favorable prospects for his advancement to the speaker's chair it was the duty of the district to renominate him by acclamation, and the suggestion was a popular one. The district voted to a man to return him. Mr. Whelan indicated his appreciation in a few words of thanks.

In the second district Dr. C. P. Brown, of Spring Lake, presided over the second district convention. W. B. Stiles was secretary. Four candidates aspired to the nomination, but the contest was a one-sided affair, A. Lahuis winning out on the first ballot which resulted as follows:

A. Lahuis 62
Dr. F. E. Smith 7
Wm. Stoddard 18
Charles Wells 7

Mr. Lahuis was happy over the result and he heartily thanked the convention. Blendon, Georgetown and Jamestown supported Lahuis.

Judge E. P. Kirby was reelected chairman of the new republican county committee and Jacob Glerum was re-elected secretary. Following are the members:

Allendale, James Phillips; Blendon, L. Reeves; Chester, Charles T. Bean; Crockery, Fred Gordon; Georgetown, Cornelius Andre; Grand Haven, William F. Kefgen; Holland town, D. B. K. Van Raalte; Jamestown, Len Pykaart, Olive, John Owen; Polkton, H. H. Averill; Robinson, Charles Stearns; Spring Lake, William Savidge; Tallmadge, William H. Peter Schipper, an employe at the Ottawa Furniture factory, was the victim of a mysterious stabbing Saturday. The physician who attended him found seven cuts from his shoulder to his hand. Schipper refuses to talk about the affair or tell how the cuts were received, and the physician was unable to determine what kind of a weapon was used. Schipper had been married about a year.

August Carl Ponitz of Georgetown is confined in the county jail awaiting disposal as to his sanity. Ponitz has been acting strangely at his home and is reported to have repeatedly threatened his family with violence. He was brought to Grand Haven by Deputy Sheriff Cornelius Andre, suffering from strong evidences of insanity. Ponitz is said to have formerly been a preacher.

WHOLE BATTALION IN MUISTY

Loyal Troops Fire on Those Who Resist Arrest of Comrades.

Poltava, Russia, July 30.—A grave outbreak occurred Saturday in the Sevski regiment, following the arrest of a private of the First battalion, who was discovered with some other soldiers in a shed where the revolutionists are in the habit of holding meetings.

After the arrest the entire First battalion, accompanied by a large crowd, paraded the streets in defiance of the military authorities. The soldiers proceeded to the artillery barracks, where they seized several guns and marched with them to the prison where the political prisoners are confined.

At this stage all the remainder of the Poltava garrison was called out. The loyal troops fired on the mutineers with machine guns as they were engaged in breaking down the gate of the prison. Several men were killed or wounded. The outbreak was not suppressed until two o'clock Sunday morning.

When he came from the house one of the watchers put a bullet through his bowels, but he slightly wounded an officer before he was shot.

Burns Congressman Cole's Barn.

Findlay, O., July 30.—Some unknown rascal, who was seen running from the barn by the neighbors, set fire early Saturday to the barn of Congressman Ralph D. Cole. The barn was practically destroyed, although the neighbors made every effort to save it. It is believed that the incendiary had a spite at the congressman.

SOLDIER IS LEFT TO DIE

TERRIBLE EXPERIENCE OF MAN WOUNDED BY DIETZ.

Trooper injured in Clash with Wisconsin Damholder Rescued After Awful Exposure.

Radisson, Wis., July 31.—After crawling on his hands and knees for a great distance through the forest, Duyo Rogich, of Milwaukee, wounded in three places by Clarence Dietz, reached the homestead of Charles Johnson, and was later carried into Winters, where he secured medical attention. Slight hope is entertained for his recovery. He had been terribly exposed when he reached the Johnson place, and his wounds had become filled with dirt.

Rogich told the story of his terrible experience to the conductor of the Hayward train.

"When the fellows who were carrying me out of the woods thought they were pursued by Dietz and dropped my stretcher, I feared that my last moment had come," he said. "They said to remain where I had been left. After awhile, realizing that they were not coming back, I started to crawl on my hands and knees. I could not raise myself to my feet. All that night and part of the next day I made my way through the woods, resting from time to time, and then starting forward again. The agonies of that awful journey were terrible. Finally, as I had almost decided to crawl beneath a tree and die, then I came upon Johnson's cabin. He cared for me and finally took me into Winters."

Bill Dietz, of Rice Lake, who went to Cameron Dam to see his brother, immediately upon learning of Wednesday's fight, returned to his home Monday on the same train with Rogich.

"The boy Clarence, who is supposed to have been shot by Rogich, is in a serious condition," he said. "The bullet which struck him in the head penetrated deeper than at first thought, and his brain is exposed. It is doubtful whether he can live. I went to my brother's farm at Cameron Dam as soon as I could get there after the shooting took place. He is in good spirits, although greatly concerned over Clarence's wound. All he wants is to be left alone in peace. He fears that fresh trouble is coming soon. He will fight to the last."

CHEAP FARE PLAN FOR DETROIT.

Workmen's Rides 2½ Cents, Others 4 Cents, Under New Franchise.

Detroit, Mich., July 31.—After months of discussion it was announced Tuesday that Mayor George P. Codd and President Jere C. Hutchins, of the Detroit United railway, have agreed on the terms of a new street railway franchise for the Detroit United railway, which will be submitted to the common council and later submitted to popular vote of the people at the November election. Under the franchise the Detroit United makes a number of important concessions, including the following:

Ten tickets for 25 cents during workingmen's hours, from five to eight a. m. and from 4:30 to 6:30 p. m.; six tickets for 25 cents at all other times; universal transfers on all lines at all hours; the street car company to pay for all paving between the tracks, instead of part of it, as at present; and the company to pay a two per cent. tax on its entire gross earnings, instead of the earnings of only part of the system, as at present.

The franchise provides that all of the franchises under which the older lines of the system were built and which expire in 1909 be extended for 15 years, the city then to have the right to buy all the property at its real value.

"Mayor Codd's ordinance is acceptable to me personally and to the Detroit United railway," said Mr. Hutchins after the announcement had been made.

TO CONTEST SAGE WILL.

Nephew of Dead Millionaire Believes He is Entitled to Larger Share.

Troy, N. Y., July 31.—James H. Sage, a nephew of the late Russell Sage, Tuesday declared that the will of the deceased millionaire will be contested. "I have made up my mind to get that to which, as a blood relative of Russell Sage, I am entitled, and if I don't get it, it will be because there is no legal way of doing so," he said.

"I am of the opinion that during Russell Sage's last few years there was undue influence brought to bear upon him, which caused him to leave the bulk of his fortune to his wife," he said he understood that Mrs. Elizabeth Gear, of New York, will also contest the will. Mr. Sage said he had placed his case in the hands of a lawyer.

Victim of a Murder.

Madison, Wis., July 31.—Two bullets found in the head of Joseph Bardenheier, Madison jeweler, whose body was discovered in woods near this city Monday, prove murder. One bullet was fired into the right side of the head, the other bullet into the back of the head. It is inferred that the murderer came from Chicago, as a Chicago boy was with the supposed farmer who lured the jeweler into the country. Detectives will go to Chicago for the boy. One theory is that Bardenheier was the victim of a vendetta, as two men were once sent to Joliet on his testimony.

How to Keep Perfect Teeth.

It is easy when you know how to keep the teeth perfect. Just brush them up and down after every meal, using plenty of good tooth powder. Don't scrub them sideways, that simply cleans the surface and hurts the gums but does not dislodge the food between the teeth, which, decomposing, causes decay, the origin of all tooth troubles.

In addition to personally cleansing the teeth let us examine them at least twice each year.

This service is free. If there are any cavities we will fill them carefully and economically.

We have all the latest improvements in dentistry to help us do good work that will be lasting and pleasing.

We treat all patients as we would like to be treated if our positions were reversed, you the dentist and we the patient. By so doing we make a friend of every patient.

We want you to feel that you are in competent hands. That you will not be needlessly hurt by careless, hurry-up workers—that you will not be paying for something that will not give you good service.

COREYS SEPARATED BY NEVADA COURTS

WIFE IS GRANTED DECREE OF DIVORCE FROM WEALTHY STEEL KING.

Sets up Claim of Desertion and Says Husband Declared He Had Decided to Live Apart as They Could Not Be Happy Together.

Reno, Nev., July 31.—Mrs. William Ellis Corey, wife of the president of the United States Steel corporation, was awarded a divorce in the Second district court of Nevada, sitting at Reno Monday afternoon.

Mrs. Corey was in tears when told that she had been given a decree and the custody of her 16-year-old son, Allan Corey. She drove at once to her home on Riverside avenue, where she says she will continue to reside. No evidence was submitted by the defense and there was no argument.

The question of alimony was not introduced. Mrs. Corey made an interesting admission, however, touching upon this phase of the case, stating that in May, 1906, several weeks before her petition for divorce was filed, she negotiated through her attorneys a financial settlement with her husband.

Tells of Separation.
"I am a resident of Reno, Nevada," said Mrs. Corey, when placed on the stand, "and the wife of William Ellis Corey, the defendant in this action. We were married on December 1, 1883, at Pittsburg, Pa., and lived together until May 1, 1905. At that time my husband deserted me and went to New York. I followed him and held a conversation with him in the Hotel Lorraine. It was there that he told me that he had decided to live apart. He said that it was impossible for us to live happily together and that I would never see him again."

"He stated that he intended going to Europe for several months. There was no scene. I talked with him about the matter and urged him to again resume his place in our home, but he refused. I have never seen him since."

Sister Opposed Brother.
Miss Addie Corey, sister of the respondent, was an interesting witness. She corroborated Mrs. Corey's statement that Corey had deserted his wife and told how she and her aged mother had made several ineffectual attempts to effect a reconciliation.

Her brother, she said, had lost sight of his home, being absorbed in business and infatuated with the fast life of New York.

"Do you consider Mr. Corey a proper custodian for his son?" she was asked.

"I do not for the reason that he is not a proper person for his son to associate with. He has no home and his associates are not fit companions for a young man of Allan's age. I do not think any wealthy New York man is fit to have charge of a boy of his age."

ROOSEVELT IS OUT OF THE RACE

President Will Not Accept Republican Nomination for Third Term.

Peoria, Ill., July 31.—A positive announcement from President Roosevelt that he will not be a candidate for the third term was made Monday in a letter addressed to Mrs. L. A. Kinney, of Peoria, by Secretary William Loeb for President Roosevelt. The text of the letter follows:

"Oyster Bay, N. Y., July 26.—Dear Madam: Your letter of recent date has been received and I thank you in the president's behalf for calling attention to the enclosed clipping. I would say, however, that the president has nothing to add to the statement issued on the night of the election in 1904. His decision as announced at that time is irrevocable."

This expression from President Roosevelt was called forth by an editorial in the Peoria Herald-Transcript which was called to the attention of the president through Mrs. Kinney, wife of a prominent Peoria politician. The editorial was in the form of an appeal to the president to accept the third term.

VARICOCELE CURED

NO NAMES USED WITHOUT WRITTEN CONSENT.
Confined to His Home for Weeks.

"Heavy work, severe straining and evil habits in youth brought on a double varicocele. When I worked hard the aching would become severe and I was often laid up for a week at a time. My family physician told me the operation was my only hope—but I dreaded it. I tried several specialists, but soon found out all they wanted was my money. I commenced to look upon all doctors as little better than rogues. One day my boss asked me why I was off work so much and I told him my condition. He advised me to consult Drs. Kennedy and Kergan, as he had taken treatment from them himself and knew they were square and skillful. He wrote them and got the New Method Treatment for me. My progress was somewhat slow and during the first month's treatment I was somewhat discouraged. However, I continued treatment for three months longer and was rewarded with a complete cure. I could only earn \$12 a week in a machine shop before treatment, now I am earning \$21 and never lose a day. I wish all sufferers knew of your valuable treatment."

ZION PROPERTIES GIVEN TO RECEIVER

JUDGE LANDIS NAMES REPRESENTATIVE TO OVERSEE INDUSTRIAL AFFAIRS.

Declares Vollva Had No Right to Transfer Property Under Power of Attorney, Since Dowle Simply Held It in Trust for the People.

Chicago, July 28.—John C. Hatley, not John Alexander Dowle or Wilbur Glenn Vollva, is to control the Zion City properties, Judge Landis Friday named Mr. Hatley receiver of the Zion Industries. He is to oversee the business end of Zion for an indefinite period. The court ordered an election the third Tuesday in September to select a general overseer to control the religious activities of Zion.

Given in Trust to Dowle.

Thus ended the great controversy over Zion. Moneys and lands given to John Alexander Dowle were given in trust. That was the essence of the decision. The judge declared the conveyance of property by Wilbur Glenn Vollva under power of attorney to be void. He quoted from writings of Dowle to show that the latter had always regarded the property as a trust and in ending declared that adequate compensation would be provided for Dowle by the court at some later time.

The court held that the transfer of Zion City by Vollva and his power of attorney from Dowle to Granger was not worth the paper it was written upon.

Millions Involved in Decision.

Judge Landis' sweeping decision sets at rest the controversy growing out of the action of Overseer Vollva in transferring the properties of Zion from John Alexander Dowle to Granger. Millions are involved, and all Zion, throughout the world, has breathlessly awaited the decision.

Judge Landis has had the decision under consideration for upward of a fortnight, after hearing evidence extending over a period of many weeks, during which testimony of remarkable character was heard.

The decision was received with mingled groans and evidences of joy.

REGULATIONS FOR INSPECTION

Meat Examination in Germany to Be More Rigid in Future.

Berlin, July 31.—The revised regulations for the application of the meat inspection law, recently adopted by the Bundesrath, were published Monday and show a considerable increase of severity in the provisions of the law.

The regulations provide that when the important organs have been removed from a carcass, inspection can be made only by a veterinary expert, instead of the ordinary examiners, and that the meat of such carcasses can only be pronounced fit for food under certain specific conditions.

LOSSES IN FRISCO DISASTER

The dead: Harry Borders, Vincennes, aged 50, single; Lefe Lichey, aged 35, married.

Charles Connors was the worst injured. He was blown 50 feet through the air. Lichey was the fireman at the plant. All the injured will recover.

WOMAN DIES AT THE AGE OF 112

Mrs. Reese, of Laporte, Ind., Died Before Napoleon's Army in 1812.

Laporte, Ind., July 31.—Mrs. Ferdinand Reese, the oldest woman in Indiana and perhaps in the United States, died here Monday, aged 112 years. According to documents in her possession she was born in Volgaritz, Poland, in 1794, and after marrying and burying two husbands in Poland, came to America in 1870, settling at Buffalo, N. Y., where she married Ferdinand Reese. Later Mr. and Mrs. Reese removed to Laporte. Her husband died two years ago.

Dies After Awful Suffering.

Sandusky, O., July 31.—Mrs. E. A. Berry, of Eyria, O., died Monday of burns at Lakeside, where she was spending the summer. She started a fire in her cottage Sunday, when in some manner her dress caught and she lingered all night. Death came Monday after terrible agony. She was a sister of Bishop Berry, of the Methodist church.

Within the past two weeks members of the schoolboards of several schools in Ottawa and Allegan counties came to purchase library books and school supplies in Holland. That is as it should be, for it stands to reason that a merchant in the vicinity of the school would be more careful in his dealings with them than those far away concerns, that are only represented by their agents. The supplies and books were bought from H. Vander Ploeg, the Bookdealer, at 44 E 8th st, who is agent for the best supplies and furnishes reliable books for libraries—books that will be read.

A number of Grand Haven boys are members of Uncle Sam's army and navy and the list appears to be growing year by year. Rotheus Fletcher Hunton, a son of Judge Hunton, has been in the Navy several years and at present is on the battleship Indiana. Zena Sherwin has been in the navy even longer. He has visited nearly all the principal ports of the world. Mr. Sherwin is a skilled mechanic and draws a handsome salary being listed in the salary scale with the more important officers. John Vaxter has been in the regular army for years and is now with his regiment in the Philippines. This young man is an example of the good the discipline of army life works in a man. He likes soldiering so well that he is serving his third enlistment. Louis Kamhout, son of Alderman Kamhout, is serving in the artillery branch of service and at present is stationed at Fort Greble, Rhode Island. Lieutenant Edward H. Andres occupies the highest place in the service attained by a Grand Havenite in the regulars. From the ranks of Co. F. M. N. G., Lieut. Andres rose to its captaincy and then after the Spanish War to the regular army, in which he now holds a first lieutenantcy, and in which he will undoubtedly some day occupy a much higher place, for Lieut. Andres is a soldier every inch. Lieut. Ashley Saxton is another former Grand Havenite, who is now a first lieutenant in the army and is stationed at a Texas garrison. —G. H. Tribune.

Black river claimed another victim last week Wednesday, when John Streue, the thirteen-year-old son of John Streur, an employee of the Crystal Creamery, living at 129 Columbia avenue, was drowned while in swimming. The boy dived from a plank into twelve feet of water and did not come to the surface. His companions, Gerrit Mouw and John Sybesma tried to locate the body by means of an oar and they were soon assisted by Pere Marquette section men who used poles and planks. Jacob Lokker joined in the search with a seine and grappling hooks but the body was not found until the seekers resorted to the unique method of using a hay rake. The body had been under water nearly four hours before it was brought to the surface. Coroner Dykstra took charge of the body and after investigation decided that it was not necessary to hold an inquest. The funeral services were held Saturday afternoon at the Central avenue Christian Reformed church, Rev. R. L. Haan officiating.

Killed By Interurban.

While driving across the railway track at Gregory's Crossing in Jamestown township at 9:14 o'clock last night, John Brenner, a Jamestown farmer, was struck by a Holland Interurban east-bound car, receiving injuries from which he died a few moments later. The body was taken to Grand Rapids.

Brennan was driving home in a covered carriage. He had a one-horse rig and the top of the carriage was up, with the side curtains on. The car was No. 12 and was due in Grand Rapids at 10 o'clock. It was in charge of Motorman Olaf Hansen and Conductor Frank Wells. A few rods above the crossing Motorman Hansen says he saw the carriage approaching the track and he reversed the current, but he was too near to prevent the accident. The headlight shone brightly and he gave the warning signal, but Brennan seemed to pay no attention to it. He got on the track just in front of the car.

Brennan was picked up and taken aboard the car. He was still alive and the car crew rushed on to Grandville to place the man under medical attendance. Arriving at Grandville Dr. Wedgwood was called to the car to examine Brenner, and he pronounced him dead.

The accident occurred in Ottawa county and it is believed he died in this county. Brenner was about 50 years old, married and lived with his family on a farm 2½ miles from Gregory's Crossing. One of his sons, P. Brenner is a motorman for the Holland Interurban road and two other sons, Daniel and Herman, are conductors for the Grand Rapids Street Railway company.
