20 East Jackson Boulevard, Chicago

### COMPLETE STILL CONFISCATED BY THE SHERIFF'S FORCE

When Sheriff Fortney and Deputy Jack Spangler acting on a "tip" from law abiding citizens, headed for Crookery township Monday night of this week, they found one of the finest and most complete stills yet uncovered in this county. The operators, however, were fleet of foot and in spite of a strenuous chase by the officers made their escape. The entire equipment of the rum manufacturers was confiscated, and is in possession of Sheriff Fortney at the present time.

The still was found in a thick patch of woods without any shelter whatever. Rumors that whiskey was being made in the vicinity had reached the sheriff some time ago, and after looking over the ground circumspectly Fortney decided that the time for a cleanup had come on Monday. He and Deputy Spangler detailed themselves to the job.

The going was difficult, however, neither the sheriff nor his deputy realized that they were right upon the still but believing that it was further off were unprepared for what happened when from the brush some distance in front of them there was a sound of flight. Two men dashed from the underbrush, took the woods and marsh in the neighborhood and with several yards start and a good knowledge of the country made their escape.

The names of the operators are not known. It is thought that they are farmers living somewhere in the vicinity. They are, however, minus a fine gas stove, copper kettles, coils etc. and five barrels of mash and a quart of moonshine are no more.

"They may be wearing them higher in Hawaii," but Holland girls and the resorters are going them a close second.

But the most unique incident is told of a beautiful young lady, presumably from the resorts, who was wearing dresses of "Ziegfeld Folly" length. Not a few men as well as women turned about to watch the beautiful maiden, but apparently their eyes were not arrested upon the short petticoats and long stocking, but rather upon the runner in one of the hose through which a couple of yellow backs were peeking.

It seems after all, owing to the extreme styles these days, that a reputable bank might be recommended as the safest place for funds.

American Legion Band is faithfully staging band concerts every Thursday night, the weather permitting.

Bandmaster Van Vyven has an entirely new program for tonight at Centennial Park and Holland and vicinity including the local resorters are invited to this music fest.

Thousands have come to listen to the musical organization of which we are justly proud, and no doubt Thursday night of this week will find Centennial Park crowded to capacity.

Mr. and Mrs. Frank Douma of Ottumwa, Ia., have been guests of Mr. and Mrs. Martin Tanis on Central Avenue for the past few days. They left for Chicago last night.

Eleven more water consumers had their water shut off within the last three days for violation of the sprinkling rules, and the city is \$11 richer today.

Miss Ruth Mulder left today for Muskegon to spend the week end with friends in that city.

The latest automobile in the city is a large, blue one, driven by a wealthy resorter. It has alongside of it a miniature pipe organ that plays all the popular tunes of the day as it rolls through the city streets.

A unique automobile passed thru the city yesterday. It was in the form of a large cylinder 20 feet long, a replica of a package of Life Savers called Pepomint, that you can buy in any local drug store. The town was flooded with sample packages of these little cylinders. The automobile also had musical horns which attracted considerable attention.

### Dr. J. O. SCOTT DENTIST

Hours 8:30 to 12:00 Phone 64604  
1:30 to 5 P. M.

508-9 Widdicombs Building  
Grand Rapids, Mich.

### NOTICE

Before you build or remodel your home, see J. Vogelzang and W. Deleeuw.

Also repairing of all kinds of furniture. Patterns made from blueprint. Done at 236 West 19th Street.

Work guaranteed. Prices reasonable. Phone 2173.

### ZEELAND ROAD WELLS ARE NOW COMPLETED

PUMPS WERE SET IN MOTION  
LAST NIGHT; WONDERFUL  
RESULTS ATTAINED

Sample of Water Sent to Ann Arbor for Final Analysis

After the hardest kind of work, and meeting up with many unforeseen obstacles, Mr. Champion has at last completed the wells on the Zeeland Road, the pumps have been installed, and everything is ready to turn the water into the mains.

Last night the pumps were set in motion and a steady stream of eight inches was thrown from the pipe that will furnish the mains with Holland's new supply of water.

Although Mr. Champion has already received several analysis of water taken from the wells just driven, as a final test, and for protection of public health, another consignment of water was sent to the state chemist and there is very little doubt but that this will be approved not later than Saturday, and if found O. K., the new water supply will be turned into the mains not later than Monday.

Altho many of the board members were skeptical about the water supply in that vicinity, they are agreeably surprised at the results. The new found water shed will furnish Holland with at least 1100 gallons of extra new fresh water a minute, and that amount if maintained will settle Holland's water problems for some years to come.

For a time at least some sort of sprinkling regulations will be in vogue. Just what these will be has not been decided definitely, but the board of public works is considering a regulation allowing water users in one half the town to use water for sprinkling one whole day, and the other half also a whole day, in other words, water users will be able to sprinkle an entire day every other day.

Anyway it seems that Holland's water troubles will be over by the first of the week, and with the bountiful rains that we have had, these troubles are now practically over.

### HOLLAND TEAM HAS A NEW PITCHER ON ITS BASE BALL STAFF

INDEPENDENTS TO PLAY JACKSON ON SATURDAY AFTERNOON

There is going to be a fine baseball game at Waterworks park Saturday afternoon at 3:15 when Holland will cross bats with Jackson, the strongest team in the south part of the state.

The team from the prison town is very much like the Jenison-Grandville team, cleaning up on everything that comes before it.

There will be a new pitcher on the mound Saturday in the person of Fred De Jonge of Burnipra Corners, a son of a former Holland man.

De Jonge for sometime pitched for the Hope College team and last year finished the season for the Grand Rapids Central League team.

DeJonge is so good that he struck out 12 of Holland's best men in a recent game played with Allegan. The Holland Independents will also be found in the state tournament. In this series of games Holland must at least play four games to be in on the money. All the games are to be played at Ramona Park, Grand Rapids, and the first game to be played by Holland will be August 20 with the West Side Merchants team as opponents.

Mr. and Mrs. J. Boone motored to Grand Haven this morning.

The Grand Haven Tribune of July 27, contains an article at least a column and a half long telling about the Masonic cornerstone laying in Holland urging Gr. Havenites to visit this city on that day and stating further that the Masonic Order at the Countyseat will be present in a body.

Gerrit J. Albers of San Antonio, Texas is visiting relatives and friends in Holland and vicinity. Mr. Albers was formerly an attorney in Grand Rapids and has been doing banking business in Texas.

### THOU SHALT NOT SLEEP IN CHURCH

"WYNKEN, BLYNKEN AND NOD" IS DISPELLED BY MINISTER'S BELL

By hearing, we are told that in the old Holland colony and even at the time when Holland was incorporated as a city, the strictest discipline was maintained during church services, and believe us, long services they were.

There are men living in Holland today who remember the black plush penny bag attached to a long pole, not so much because of the pennies they deposited there each week, but for the reason that when found asleep one of the deacons was ordered by an austere pastor to wake up an individual who had given himself over to Morpheus.

This same rule is being applied today, only a twentieth century method.

Rev. G. Fleming, popular pastor of the M. E. church, has inaugurated a very unique method of waking up the church sleepers.

On the pulpit alongside of the good book, he has placed a bell with a sharp tinkle, and should he spy one of his parishoners quietly nodding their head, appearing to be agreeing with the minister, although themselves unconscious of the fact, and oblivious to the dominee's discourse, Mr. Fleming's hand descends on the tapper of the bell.

The quiet sleepers only need one sharp tap. Those that are "sawing wood" get two taps of the bell.

It is said that during these sultry days the tinkle of the bell at the M. E. Church is heard quite frequently.

### OTTAWA CO. COURT TO OPEN BUSY SESSION MONDAY

RESOLUTIONS IN MEMORY OF  
RECENTLY DECEASED MEMBERS OF OTTAWA BAR

Hear Applications of 32 Who Desire To Be Heard on Next Tuesday

The August term of the Ottawa circuit court will open in Grand Haven on Monday of next week to face a period of strenuous work. A great number of cases are on the calendar to be disposed of by Judge Cross when he arrives. The first session will be opened at 2 o'clock Monday afternoon.

Resolutions for the deceased members of the Ottawa County Bar, who have died in the past year, will be drawn up and passed at the opening session of the court. Committees of local attorneys have been appointed to draw up these resolutions and to present them at Monday's session at which time they will be inscribed upon the court records. Resolutions in memory of the following members of the Ottawa County Bar will be received: Judge Phillip Padgham, W. I. Lillie, P. H. Mc Bride and Arend Vischer.

The local men who will appear are many on Tuesday morning when 32 applicants for citizenship will appear for examination by the Federal Naturalization Examiner. The list of aspiring citizens this year is exceptionally large and the list of names contains many Grand Haven and Hollandites, a bigger percentage in fact, than for many years.

Following is the list of applicants for citizenship papers: Marinus Arnoys, Henry Vander Veen, William Martinus, Jake Nagelkirk, Cornelius Van Harn, Dick Darns, A. Patsy Fabiano, B. J. Willer, Adrians Vander sluis, William J. Klevet, Nicholas Griep and Herman Bakius all of Holland; John Oosterink, Harry Vander Ploeg, of Jenison; Frank Fendt of West Olive; Henry Hoscher, Abram Menenglim of Hudsonville; Cornelius J. Lemson, Helbert Flokstra of Zeeland; Peter Lettel, Adam Boese, Michael Sterzer of Nunica; Henry Telgenhof of Drenthe.

Among the jurors that have been chosen for the August panel will be found C. Rose, John Kolean, A. J. Schermer, R. J. Ten Have, Bert Beekman, M. J. Cook all of Holland; D. De Bruyn of Zeeland; John W. Roberts, Allendale; Otto Terpestra, Blendon; Frank Brumel, Holland township; Jacob F. Kraai, Olive; Klaas Brouwer, Zeeland township.

Munga Park Cigars selling everywhere at two for 25c will be sold at the Model Drug store Saturday only, at five cigars for a quarter. 3c20 day evening.

### ANGRY RESORTERS MAKE IT HOT FOR CHICAGO MAN

RESENT HIS INSULTS TO WOMEN AND JOIN FORCES TO PUNISH HIM

Deputy Sheriff Rescues Him; Is Fined in a Holland Justice Court

A budding lynching bee was nipped in the bud at Ottawa Beach on Tuesday afternoon, when Jacob Witteveen, deputy sheriff at that resort arrested Ellis Monk, Chicago, taking him away from a crowd of infuriated men. The men had gathered for the purpose of making things as hot for Monk as possible and there were many threats of lynchings. Mr. Witteveen however pointed out to them that this was a country of orderly legal proceedings and that anything in the line of violence would be a blot upon them and upon this community. In this way the angry crowd was pacified and they allowed the officer to take his prisoner to Holland.

The formal charge against Monk was disorderly conduct. He is said to have molested women in the ball room of Ottawa Beach hotel, pinching them and in other ways molesting them. Things went so far that his actions caused a miniature riot, and then the husbands of the women who had been molested organized a squad for the purpose of inflicting punishment on Monk. For a short time there was quite a commotion and the crowd was at white heat. A riot call was sent to the deputy sheriff and his good offices were employed to quiet the crowd and cause the affair to go into regular legal channels.

Monk is from Chicago and is about 32 years old. He was taken before Justice Brusse later in the afternoon by the deputy sheriff where he pleaded guilty to the charge of disorderly conduct. Justice Brusse assessed him a fine of \$20, together with costs amounting to \$6.50. The man paid gratefully, glad to be safe out of the hands of the men whose wives he had insulted, and he made a bee line for other parts on the first train he could get. He decided not to say goodbye to any one at Ottawa Beach.

### BEAUTIFUL NEW CAFE TO START UP

WILL BE AN EXCLUSIVE AFFAIR NEXT TO FIRST STATE BANK

A new cafe elegantly furnished, and catering more largely to exclusive trade will start up Saturday on the second floor of the Blom building, immediately west of the First State bank.

The place is being remodeled and elegantly furnished and will be fitted out more along the lines of a club room with small tables where patrons can have more privacy in talking over business matters.

The tables will have subdued table lights such as are seen in dining cars and large cafes.

It is said that some forty odd business men are backing the project with small amounts in order that they may have a sort of a club room where travelling men, prominent visitors and outside business men may find a quiet place to lunch in private, and find all the comforts connected with a big hotel there, only on a smaller scale.

Easy chairs and davenports will be installed looking toward the comforts of the guests.

Mr. L. M. Crawford who has been made famous amongst the resorters as the former proprietor of Crawford's Cafe, will be manager. He has named the place the three big "C's" namely Crawford's Comfort Cafe.

He states that the place will have ten tables, will be absolutely flyless, and that his kitchen will be open to inspection at any time.

The specialties are going to be chicken, fish and frog leg dinners and catering to banquets.

Mr. Crawford expects to open his cafe Saturday of this week. Mr. and Mrs. La Verne Charman, Mr. and Mrs. Jesse Smith of Stratton Negr., Mr. and Mrs. Pat Nordoff and baby David, Mrs. Myrtle De Feyter of New York City and Mrs. Cora Wyatt, motored to Muskegon Tuesday at five cigars for a quarter. 3c20 day evening.

## STELLEMA GETS ANOTHER HARD KNOCK- OUT BLOW

Wybrand Stellema, the local fruit and produce man has certainly been having his bumps. The latest bump took place on the Grand Rapids market where he was bartering with a commission man, quarreled and got cleaned up.

Mr. Stellema, until a few days ago was still doing a produce business on East Eighth street.

He disappeared Saturday and his wife searched for him all day Sunday.

It appears that at the Grand Rapids city market Saturday morning, Mr. Stellema got into an altercation with Abel Shefman, a commission merchant of Grand Rapids. The two quarreled over some produce prices and it is said that the commission man knocked Stellema senseless and a policeman rushed to the scene with an ambulance and brought the man to St. Mary's hospital.

Through confusing Stellema's name with that of another patient at St. Mary's, the hospital attendant Saturday had reported the Holland man discharged from the institution Saturday noon. Instead he was at the hospital suffering from shock, it was stated. He was discharged from the hospital Monday morning and he returned to his home in Holland with Mrs. Stellema.

Mrs. Stellema went to Grand Rapids Sunday morning in search of her husband when he failed to return home. She was informed at the hospital that Mr. Stellema had been discharged Saturday. She then appealed to the police for aid and they searched the city in vain. Mrs. Stellema appeared on the city market Monday morning expecting to find her husband there, but when he failed to appear she asked Supt. Henry Houman to make inquiry at the hospital. The hospital reported Stellema was about ready for discharge.

The Stellema's for the past half year have been in no end of trouble. In the first place he had to leave one store because the building was rented to another tenant. He bought the Beach building on East 8th street, then went bankrupt. The bankruptcy was fixed up in some way and he started in business again on the same location. After a few weeks he burned out and his wife and children were taken from the floor above by firemen, as fire had burned away the stairway.

A few days later Stellema was wandering around the Graham and Morton docks in a semi-conscious condition, minus a roll of \$80.

It was claimed that at one time he had struck his head, and at times he suffered from intense headaches. This time he was laid out in the regular way and what the next unusual event in Stellema's life will be, is a matter for the future to decide.

The man certainly has had his bumps.

## PROCEEDS OF THE CHAUTAUQUA TO GO TO THE BOY SCOUTS

The proceeds from the Holland chautauqua have always been devoted to some public cause. No individual or group of individuals has ever made a cent out of these entertainments, and the custom followed in other years, will again be followed this year. The proceeds from the chautauqua week entertainments will this time be given for the support of the Boy Scout organization. The money has at various times been devoted to the Y. M. C. A. fund and other things of that nature, but this year it was decided that the Boy Scouts were entitled to support. So every cent that is raised from the sale of tickets over and above the expenses of the chautauqua will be given to that organization.

The various persons who are now working in the interest of the coming chautauqua are doing their work free of charge. A large committee of citizens is backing the movement to give Holland a first class chautauqua this year and these persons are donating their services to the community. They will get nothing out of the whole thing but will purchase tickets to the entertainments for themselves and families in the same way in which anybody else will do that who has had nothing to do with the arrangements.

In view of this fact and in view of the fact that the proceeds will go to so worthy a cause as the Boy Scouts, the committee members feel justified in asking for a wide public support of the chautauqua on part of the general public. The general

## PROMINENT GUEST AT MARIGOLD LODGE MAKES GREAT HIT

Marigold Lodge has an illustrious guest in the person of Billy Tildon, aged 17, son of one of the most prominent financiers of Chicago, William A. Tildon, president of the National Dearborn Bank.

Billy is the guest of Dick Gold at the Gold Lodge, and is having a great time resorting there.

Apparently Billy is a literary genius. Far away from the bustle of Chicago and surrounded by nature scenes and fanned by the zephyrs from Macatawa bay, he has been inspired to write a very unique love letter to an imaginary girl.

In this epistle he is using only the titles of some forty odd popular songs, and he has them so well fitted together without any extra phraseology that the love letter is entirely complete and rounded out with the titles of the songs placed in the proper position to constitute good reading.

The letter is written of course to a lady that never existed except in the mind's eye, but no doubt many of Holland's maidens will peruse the missive with interest.

Here it is girls—

"Darling," I'm "Grieving for you" and your "Caresses." "Hon-ey," "I've got those same old left all alone again blues," but "I'll Come back to you." Now, "I ain't got nobody" and I'm "All by myself," but "Cherie," "When we meet again," if "Only" you'll "Teach me," you'll never get "Tired of me" even if I am only a "Fair one."

"I never realized" what "Two sweet lips" that say "I love you," would mean to me. Those "Lips" with their "Smiles" and "Kisses" remind me of "The girl of my dreams."

"When you're alone" with me "My dream girl," "Ain't we got fun?" "When you have another's arms about you, do you ever think of me?"

"I'll think of you" and "I'll keep on lovin' you."

"Oh! Boy!" "I'm in heaven when I'm in my mammy's arms," but "When my baby smiles at me," "Somehow" it seems that "My dreams come true."

"Fair one," "I'll remember" those "Sweet kisses" "Until we meet again" and then, if you'll "Feather your nest" "In our little gray home in the west," we'll go on "Crooning" in the "Moonlight" and forget "Pining" and "We'll let the rest of the world go by."

"Good-bye, dear."

"I never knew I could love anybody, honey, like I'm lovin' you."

## NEW STRETCH OF PIKE ROAD IS OPEN TO TRAFFIC

All the way from Holland to Muskegon on either concrete or tarvia by September 1st—that is the program of the Ottawa county road commission in conjunction with the contracting firms that are building the concrete roads between Holland and Grand Haven. All the indications now are that the goal will be reached by Labor Day and after that there will be no more murderous stretches of road between Holland and the county seat that keep motorists from going in that direction.

Austin Harrington of the county road commission Tuesday announced that the concrete road has now been completed and opened for traffic as far as the Harlem church. The new stretch that has been in process of construction between the Harlem church corner and the spot where road building stopped last fall has been thrown open to the public, and a considerable stretch of very poor road is thereby eliminated.

The opening of the new stretch means that there is only about five or six miles of poor road left between Holland and Gr. Haven, but that five miles is about all that can be imagined in poor highway. It has for some time been in extremely bad condition. Repairs have been made from time to time, but these repairs have been of a more or less temporary nature to tide over the period until the new concrete road has been finished.

Two contractors are at work on the job of finishing the road from Harlem to Holland. Oosting & Hofsteen have the contract for the five miles from the Alpena road towards Harlem, and a short stretch near Harlem is in charge of another contractor. Both firms will be at work on the job at the same time and it is confidently expected that September first will see the finish.

There will still remain a short stretch of a few rods from the Alpena road to the bridge that will not be concreted, but this stretch will also be improved in some way so that it will be in much better shape than it is at present.

## ROBBERS MAKE BIG CLOTHING MAUL IN GRAND HAVEN

Robbers who gained access to the Enterprise Clothing Co. between Saturday and Sunday night succeeded in the theft of between \$700 and \$800 worth of stock contained in the establishment. Entrance to the store was gained through a rear door opening into the shipping rooms of the Lorraine Mfg. Co. which occupies a space in the rear of the Enterprise. An augur was used by the burglars in gaining entrance. The wood was cut from around the entire lock which was then removed.

The burglars found their way into the Lorraine Co. rooms thru the basement. A heavy piece of glass was removed from the cellar door thru which the thieves entered. Once in the cellar no difficulty was experienced in reaching the main floor of the building and the bit and augur applied to the door between the two concerns put the finishing touch on the work.

It is not known just when the job was "pulled" Wilfred Kieft a member of the Enterprise Co. was the last to leave the store on Saturday night at midnight. Mr. P. C. Kieft, opened up Monday morning when the robbery was discovered.

The thieves paid particular attention to suits, some fifteen or twenty being taken; three suit cases, two or three bags, a number of shirts and ties. The safe in the store was not tampered with, and no cash was obtained. The shoe stock was also unmolested.

It is thought by members of the sheriff's force and the Grand Haven City police department that the work is that of professionals. Only complete suits were taken, and the hangers were removed with the clothing. Officers believe that the thieves came and went in an automobile though no tire marks were discernible in the alley. No clue was left by the despoilers. All efforts are being made to secure some clue which may lead to the apprehension and arrest of the guilty parties.

## MANY REPORT FOR FREE SWIMMING LESSONS

A considerable number of persons, old and young, reported at the G. E. Kollen Memorial Park Monday to receive swimming lessons free of cost. The number was not as large as is expected later in the week. Because of the rain in the morning, the water was not ideal for swimming purposes but in the afternoon and evening a considerable number of persons came who wished to learn the extremely valuable art of swimming.

Francis Deto, who has been employed by the Home Service Department of the Red Cross as instructor is thoroughly equipped for this work. He was a member of the Macatawa Coast Guard for a number of years, and knows the life saving methods from beginning to end. One of the essentials in all coastguard work is of course a thorough knowledge of swimming in all its intricacies and Mr. Deto is competent to instruct beginners thoroughly. There will be an opportunity all this week to get these lessons free of charge.

## LIVE STOCK IS DESTROYED IN BAD BARN FIRE

Carl Lemke's big barn, located on the pike, a mile south of Grand Haven, and practically all of his stock and a large quantity of hay and rye were destroyed by fire early Saturday morning. The loss was a very heavy one and is said to be only partly covered by insurance. Much of the rye stored in the barn was just put in and when the fire was discovered there was no chance in getting any of the grain out of the burning building. Mr. Lemke's loss of stock consisted of four cows, two heifers, two horses, three hogs, a dog and a number of chickens. The cows burned in their stalls. One of the horses got out into the open air, but dropped from the effects of the smoke and fire.

Mr. Lemke had recently finished putting in about ten tons of hay, and this was all stored for winter. About fifty bushels of rye were also stored in the granary, and this is a total loss.

Some straw and farm implements were also destroyed in the fire. The building was entirely razed by the fire, and the dwelling house caught fire in several places. Insurance to the extent of between \$700 and \$800 will not nearly cover the heavy loss, estimated between \$3000 and \$4000. The cause of the blaze is a mystery. The flames appeared to break out on the side of the barn away from the house, and soon had the structure completely enveloped. It is believed that the fire may have started from spontaneous combustion in the new hay. This is merely conjecture however. Geo. C. Borck who passed the place at shortly after midnight said that there was no sign of trouble about the place then.

Many Holland motorists going to Grand Haven and Muskegon were able to see the ruins Sunday as they drove by the farm on the West Michigan Pike. Some of the dead animals were scattered about the place.

## CAN'T MAKE AN OLD DOGFISH BITE ON BOGUS BAIT

Fishing with pearl buttons is the latest at Ottawa Beach. It started with one of the Hope students working there for the summer. A resorter complaining to the waggish Hopeite, said that the elusive monsters of the deep would not bite with minnows, crabs, worms, or any other kind of bait. The student suggested pearl buttons to lure the finny tribe. Soon the resorter was out in a row boat with rod and line, and a pearl button attached to the hook. No results. After a period of waiting Mr. Resorter pulls up his line and adds a crab to the bait on the hook, and casts his line on the other side of the boat. Presto. An eight pound bass. As soon as the news spread every next man was out fishing with pearl buttons. The original Mr. Resorter had forgotten to tell of adding the crab to the pearl-baited hook. All day the patient Isaac Walton's sat in the boiling sun waiting for the hungry fish to swallow the pearls, but alas they waited in vain. You can't teach an old dogfish to bite on new bait. Perhaps you will think this is a fish story, but it ain't.

## More Power, Less Weight= Economy!

HERE is the most economical tractor—the one that furnishes the greatest traction power with the lightest tractor weight and smallest fuel consumption. It pulls three 14" plows, turns an acre an hour, and is light enough to work on plowed ground without packing it down.

It uses little more fuel than many two plow tractors—does half more work in the same time and saves labor cost; does half more work every mile it travels and saves maintenance, repairs and depreciation.

Just as the three-horse team is the right animal unit for heavy work on farms of all sizes, the Huber Light Four is the right power unit.

It plows, harrows, pulls the binder, hay loader and manure spreader economically and will run the small thresher, silo filler, hay baler, etc. So simple that a woman or boy can operate.

Makes better crops possible by getting work done at the right time. Often pays for itself in a single season.

Let us show you the Huber and tell you what it will do for you.

**Holland Auto & Specialty Co.**

Corner River Ave. & 16th Street

Weight 2,000 pounds  
pulls three 14" bottom plows; 12 h.p. delivered to the draw-bar; 25 h.p. at the belt; Waukegan four-cylinder motor; Perflex Radiator; Hyatt Roller Bearings; burns gasoline, kerosene or distillate; center draft; two speeds, 2 1/2 and 4 miles per hour.

# 25 % DISCOUNT

We have in stock a few CORD Casings—Firestone, Goodyear and United States. To make room for a stock of the Grand Rapids Corduroy Cords, we offer our present stock subject to prior sale—at a discount of 25 per cent. Present prices are low; this attractive offering makes the price to you at less than cost.

## GRAND RAPIDS CORDUROY CORDS

"Climb Out of the Rut"

We are stocking a general stock of tires and tubes: call and examine the "Climb Out of the Rut" tire made in Grand Rapids, Michigan.

As soon as the ifactory at Grand Rapids is able to supply us, we will carry a representative stock of both tires and tubes.

## Take That Needed Vacation

Many men who have mastered business now find that their business masters them. Their health demands they take a rest, and they have ample resources for a long vacation. Yet they feel they can not leave their affairs.

Yet other Michigan men have found a way out, by turning their matters over to the Grand Rapids Trust Company for competent management during their absence. In this organization is combined technical experience in many lines. We manage businesses, collect rents, oversee property, pay bills and taxes, keep your accounts, reporting regularly. You can take that needed outing. Let us explain how we can serve you.

**GRAND RAPIDS TRUST COMPANY**  
GRAND RAPIDS, MICHIGAN

## FLAG HAS TWENTY WHITE AND FOUR GOLD STARS

An event of considerable interest took place at the Overisel Reformed church Thursday evening when a Christian Service flag was dedicated in honor of the 24 men and women of the church who have become ministers and missionaries. The honor men and women present marched in to the church in a body while the audience sang "The Son of God Goes Forth to War." Devotionals were conducted by Rev. J. Wolterdink, of Marion, New York, and Rev. H. Tellman of Palmyra, N. Y. Little Jean Brink sang "I Gave, I Gave My Life for Thee," and meanwhile the flag with its twenty white stars and four gold stars rose slowly and impressively, by an unseen hand to its place above the organ loft. Thereupon the pastor read the list of names of all those whose stars appear on the flag: G. J. Nykerk, M. Kiekentveld, G. D. Dangermond, John Hoffman, J. Hoekje, G. H. Dubbink, B. Hoffman, G. Kooiker, J. Brummel, G. E. Cook, H. Tellman, M. J. Hoffman, J. Wolterdink, R. Vanden Berg, H. D. Ter Keurst, A. Maatman, J. E. Hoffman; Missionaries, Mrs. A. Oltmans, Mrs. A. Pieters, Mrs. H. Boot, Miss Sena Kooiker, Miss J. Voorhorst, Rev. L. Hekhuis, Mrs. L. Hekhuis. The four gold stars are in memory of those who have passed away: Revs. G. J. Nykerk, M. Kiekentveld, G. H. Dubbink and Mrs. H. Boot. The address of dedication was delivered by Rev. B. Hoffman of Zeeland. Dr. H. Hospers of the Western Theological Seminary and Rev. G. J. Hekhuis of Alto, Wis., a former pastor of the church, gave addresses. The benediction was pronounced by Rev. H. Colenbrander of Rock Valley, Iowa.

## DEPUTY JOHNSON ARRESTS ALLEGED BOOTLEGGER

Deputy Sheriff Oscar Johnson of Holland has been ferreting out whiskey stills at Spring Lake, and while he was keeping tab on another who was suspected of boot-legging, he rounded up Jim Berghorst, arresting him on the charge of bootlegging moonshine.

Johnson's contentions are that in looking for the other fellow, he ran across Berghorst, and asked him whether there was any whiskey to be obtained.

He states the man told him that some Canadian whiskey came in every week, and that he possibly could get some for the deputy who he did not know was an officer. The man left, but soon returned stating that while he couldn't get any Canadian whiskey, he had some good moonshine.

Deputy Johnson quizzed him as to how he knew it was good. It is alleged that Berghorst told him that he made it himself and quietly tipped off to the deputy how it was done.

Johnson then arrested the man, and he is now in the county jail, and his examination will take place this afternoon, when it will be found out whether Berghorst is innocent, or whether there is enough evidence to bind him over to circuit court.

## SHERIFF COMING TO HOLLAND TO KILL DOGS

A concerted drive is being made by Sheriff Fortney and his deputies at the present time in an effort to complete the collection of dog taxes now due from owners of canines in Ottawa county. At the sheriff's office in Gr. Haven is a list of more than 600 names representing dog owners of the county who have not as yet remitted.

The tax was due on June 15, but though more than a month has elapsed since that time there has been a marked tardiness in complying with the law. Dogs found without a license are liable to be shot by the sheriff or his officers and a fine of \$25 may also be imposed upon the owner for his failure to secure the required license.

Sheriff Fortney is warning dog owners of the necessity of complying with the regulations and drastic steps will be taken against delinquent ones if some early sign of action on their part is not forthcoming.

The sheriff has written this paper that he will soon land at Holland and vicinity and kill unlicensed dogs and arrest the owners. It is said that this vicinity has more than its share of dogs without a tag. This is especially true in the rural districts.

Holland suffered another defeat Saturday afternoon by the score of 9 to 5 at the hands of the fast Postum Cereal team of Battle Creek. The air tight pitching of Winters, the breakfast food twirler was mostly responsible for the locals' defeat. The locals seemed to be way off form at the bat securing only seven scattered hits off of Winters' left wing shoots. In the field the locals looked miserable at times, the three runs in the seventh scored by the visitors were chiefly donated thru a brace of infield errors sandwiched with two safe hits.

## ONE COTTAGE AND LARGE WOOD LOT BURN SATURDAY

An alarm of fire was turned in at the hotel corner at 1 o'clock Saturday when it was stated that all the cottages at Ventura Beach were going up in smoke and that six summer homes had already been destroyed, and the men owning cottages there asked Chief Blom for assistance.

It was useless to send the big pumper over the nearly impassable roads, but instead Chief Blom sent several firemen in automobiles to the supposed fire. B. P. Donnelly gathered twelve men from the streets of Holland as volunteers, and also got several men from the Donnelly-Kelley Glass company.

John Good of the North Side Tannery loaded up trucks and automobiles with employees from the leather works and with all possible speed this aggregation of willing workers hastened to the scene of the conflagration. The men in Holland however had been misinformed, for the fire although near the resort was in the home of Mrs. Dar Huff, wife of the veteran fighter, at Ventura.

There was no water available, not even a pump, and naturally the isolated little home in the woods at the end of a sand trail, was soon destroyed, but not before the fire had communicated itself to the beautiful timber lot across the way.

Parts of this virgin forest was soon ablaze, and some three hundred men including farmer neighbors residing in the vicinity, began to fight the fire with shovels and other implements with which they could dig sand.

George Getz had his entire force from Lakewood farm present and he personally directed the fire fighting.

For ten hours the men bravely fought the fire in the timberland and Mr. H. L. Williams of Chicago, who has a farm much similar to Lakewood soon had horses and plows on the ground, and soon had long furrows plowed around the patch of woods. When this was completed Mr. Williams and others started a back fire from the edge of the plowed ground which soon burned over a large patch to where the main fire was burning in the timber. This prevented the blaze from communicating with other tracks of timber and farm houses in the immediate neighborhood.

While the resort property was in no time in danger a shifting of the wind in the opposite direction would probably have meant the destruction of a great deal of resort property in that vicinity.

Heading one of the fighting aggregations was Rev. Father John Fenlon brother-in-law of B. P. Donnelly of this city who is a guest at the Donnelly cottage. He wielded a shovel with as much vigor and effectiveness as any of the fighters present.

H. L. Williams and his men and George Getz, his men, Jake Lokker, John Boone, John Rutgers, Thos. N. Robinson, Ernest Beekman, Jim McCarthy, Chas. Bontekoe, the employees of the Glass Company and the tannery, besides many others of this city, whose names we could not ascertain, did yeoman's work to save that district and the beautiful woods in that vicinity, and altho the woods burned over will cover nearly a mile square, there can be no doubt but that the entire districts for miles would have been swept by fire had these men not come forward with timely assistance.

It is hard to ascertain what the property damage is, although the loss of the home will be in the neighborhood of \$2,000.

The woods destroyed was an especially fine wood lot and it is hard to estimate the amount of its worth. The woods belong to H. Vanden Berg, living in that vicinity.

Heavy rains of Monday morning prevented the fire from starting up again and no doubt all the danger of more woods fires in that vicinity is over.

Henry Morris whose woods were badly burned by the fire at Ventura Beach Saturday and Sunday wishes to thank most heartily all those who assisted in fighting the fire.

Mr. N.T. Sherman Tuesday expressed his thanks through the News to all those who helped fight the fire in his wood lot near Ventura beach Saturday and Sunday. Mr. Sherman said: "I especially wish to thank Mr. Getz, Mr. Williams, Mr. Donnelly, Mr. Lee, Mr. Goode, Mr. Byrnes, Mr. Robinson and many from Holland, including part of the Holland fire department."

Mr. and Mrs. Jesse Smith of Starton, Neb. are visiting Mr. Smith's sister, Mrs. Cora Wyatt and nieces, Mrs. Verne Chapman and Mrs. Pat Nordof.

## PERSONALS

Born to Mr. and Mrs. Peter Lebas, a boy.

Mr. and Mrs. A. M. Galtentine spent Sunday with relatives near Belding. Adriana Was is spending her vacation in Chicago.

Attorney Raymond Visscher was in Grand Rapids on legal business on Monday.

Andrew Ver Schure, who has been visiting relatives here, returned to Chicago Sunday night.

Born to Mr. and Mrs. William J. Brouwer, 41 E. 14th St., a girl, Marjorie Gertrude.

Mr. and Mrs. William Sloat of Muskegon spent the week end with Mrs. Schaftenaar.

THE DIXIE GIRLS

Three delightful Southern girls present the entertainment on the last day of our Chautauqua in two prelude programs. These Dixie Girls specialize in the songs and stories of the old South before the Civil War, picturing for us those days and times which seem like a dream as we look back at their charm, grace and beauty combine with artistic ability to make this program a delight to the eye and to the ear.

Rain Tinkling (Rain of Manoa)	and Toots Paka Med—Toots Paka Troupe	18582	
Toots Paka Medley and Rain Tinkling (Rain of Manoa)	Toots Paka Troupe	18582	

The Toots Paka Hawaiian Troupe, which has made more Hawaiian records for the talking machines than any other Hawaiian company, is to give two programs on the fourth day of our Chautauqua.

THE VENETIANS

The second day of our Chautauqua brings to us five native sons of Italy, singing and playing the happy music of that Southern clime. Typical Italians, with the temperament and artistic ability that we so often find in that race, their vaudeville and Chautauqua experience in America has taught them how to adapt their music to American audiences. Italian folk songs, real happy bits of their racial life expressed in music, great Italian arias, the best of Italian instrumental music, occasional American popular airs and pleasing bits of humor make up the program of unusual versatility and quality.

THE CRAVEN FAMILY ORCHESTRA

This musical family have literally grown up in the Chautauqua and have become known from coast to coast for their excellent work. They are first-class musicians and artists who play a great variety of instruments. The four sisters form a vocal quartet of pleasing quality. A typical company of Chautauqua entertainers who always please. No finer sight could be wished than to see these four talented sisters appearing with their father—an accomplished musician—in the varied numbers and formations which comprise their wholesome, winning program.

## LOCALS

Rev. Martin, pastor of the Third Reformed church officiated at the marriage of Mr. Gilbert L. Headley and Miss Flora Ida Helmers, both of Holland. The happy couple were married in their new "Love nest" built at 35 E. 9th street. Only immediate relatives were present. The marriage took place on Thursday evening at 8 o'clock.

Thursday's twilight game with Fennville resulted in a victory for Holland only 19 to 13.

Gilbert Vande Water, employed by J. S. Dykstra in his undertaking business, has left for Chicago to take a ten weeks' course in the Worsham School of Embalming.

Black Lake resorts again are the mecca for picnics. The carpenters' picnic was held there Thursday and Third Reformed church Sunday School about 800 strong, picnicked at Jenison Park Friday. On Thursday, July 28, the Sunday school of First Christian Reformed church at Zeeland is picnicking at Jenison Park and the school of Third Reformed church, Zeeland picnicked at Tennessee beach. The Forward Movement club picnicked there Thursday night while the Lyric Glee club choose Tennessee Beach.

Grand Haven taxpayers are slow. The treasurer has been at his tax window for three weeks now and less than \$5,000 was taken in in that time.

Central Park has a new name. It is now called "Saints Rest." The reason for the change it is said is because some twenty dominions of different denominations spend their summers there.

Ernest Wanrooy, son of Gerrit Wanrooy ran his new Dort into the rear end of the Van Kampen lumber truck Friday afternoon. The damage was very slight only an axle being bent on the Dort. The heavy truck escaped without any breakage. The accident happened at River and 8th street.

Dr. and Mrs. D. R. Meengs of Grand Rapids have been the guests of Miss Bessie Bohuis, 78 W. 12th street for the past few days. Miss Bohuis is a sister of Mrs. Meengs. Some 35 years ago the doctor was in the drug and school book business in the building now occupied by the Huizenga Coal Co., on River avenue.

One of the interesting events of Third Reformed church Sunday School picnic Friday at Jenison Park was a ball game played between the class of Peter Notier and another team called the All Stars, chosen from all the rest of the Sunday school. The game was very interesting and exciting but Notier's class showed the others up in great style winning the game 16 to 4. Batteries for Notier's class were: Al Faasen and Frank Lieverse; All Stars, Ted Dubbink catcher and Tazelaar was the pitcher.

Five candidates recently graduated from Calvin College have received calls to churches both in Michigan and as far afield as Minnesota and Kansas. Candidate Vander Woude has received calls from Cutlerville, West Branch and Hancock, Minn.; Candidates John De Haan has been called to Rotterdam, Kansas, and Lamont; Candidate John Dykstra of Holland to Eddyville, Ia.; Candidate E. P. Pekelder to Christian Reformed church at Wyoming Park and Candidate John Medendorp to Dutton.

Grand Haven at its State Park is following Holland's example and will improve the bathing beach, put out a life line and have a life guard there. The added equipment will consist of about 700 feet of heavy hawser line, secured to poles, which will be set fifty feet apart along the entire length of the beach. These spiles will be placed in about four feet of water. The Grand Haven Tribune pointed out the fact that Holland was following this procedure at George E. Kollen Memorial Park.

The first state bonus check to be received by any former service man now residing in Grand Haven, so far as is known, was placed in the hand of Andrew Heitjje of Beaudry and Co. Thursday. Mr. Heitjje's application for the bonus was sent out with 193 other applications from the Grand Haven post. For this reason it is believed that nearly 200 other former service men of the county, who will soon be the recipients of the gratuity due them. Mr. Heitjje was not only the first man to receive his bonus money, but he further set an example for all others who will receive theirs by depositing the full amount of the check in a bank.

A peculiar accident happened to a former Grand Haven man in Florida. Howard Lyman, formerly at the county seat, who is now prominently connected with the fruit growing industry in Florida, was badly injured not long ago near Orlando, Fla. Mr. Lyman was driving alone the road near town when a thunder storm came up. Lightning struck a street directly alongside Mr. Lyman's car. The shock stunned the driver.

First Reformed church will hold their picnic Friday of this week at Kardeau Beach.

Saturday night Chief VanRy locked up several prowlers who were snooping around houses. No doubt they were hoodlums that follow every show. The chief and his men however had made preparations and no robberies were reported at headquarters, altho some cases have been heard of where suspicious characters were snooping about door yards late at night, but were frightened away. After the hoodlums were locked up for a few days at the city jail, Mr. Van Ry told them to get out of town in fifteen minutes. They got.

The Grand Haven team defeated the fast Postum Cereals of Battle Creek Sunday by a score of 7 to 5. Holland was unable to do the trick Saturday afternoon.

Rev. C. Muste of New York, who is the guest of J. B. Mulder, conducted services in the First Reformed church at Muskegon Sunday. He will also have charge next week Sunday.

The Rebekahs held a meeting in the lodge rooms Friday evening and a social hour was enjoyed for the good of the order. Miss Eva Clark gave two piano solos, and Mr. Millard Harrington of Jackson gave an interesting talk about the Odd Fellows home in Jackson. There was a large attendance.

Both fire departments were called out Saturday afternoon to put out two rubbish fires at the foot of 8th street. Chief Blom told the men tending the bonfires that they had no business starting fires in such dry windy weather and that it must not occur again.

Jacob O'Brien of Grand Haven this summer engaged with his brothers in commercial fishing out of Cheboygan suffered a painful injury at that place which threatens serious results. He was seated under the awning of one of the city's business places when the entire canvass fell to the walk, striking the man on the head. The hurt inflicted was a severe one and serious results were feared for a time. He is now rapidly recovering from the wound, however.

Mrs. Koene Vanden Bosch, aged 67 years, died Monday at the home of Mr. and Mrs. John De Koster, 23 West 15th street. Death came to Mrs. Vanden Bosch at about 2:30 in the afternoon. The funeral was held Wednesday at 12:30 at 28 West 15th street, and at 1:30 at the First Christian Reformed church at Zeeland.

The X L Class of the Third Reformed church Sunday school will hold their picnic at Kardux beach on Friday P. M. Buses will leave Centennial Park from the Postoffice corner at 3 and 4 o'clock.

Born to Mr. and Mrs. August Huesling, Sunday, a girl.

Hon. G. J. Diekema is again a grandpa. He has received a wire that a daughter was born to Mr. and Mrs. John H. Rodger at St. Luke's hospital, Chicago. Mrs. Rodger, nee Marie Diekema, is the youngest daughter of the Holland man.

Miss Rose Slioter and Miss Irene Hicks have just returned from a trip which included Jackson, Detroit, Niagara Falls, Buffalo, Toronto, Quebec, Montreal, down the St. Lawrence river and return. They visited the Shrine of St. Anne, and the Thousand Isles.

There will be a special meeting of the star of Bethlehem on Thursday evening to make arrangements for helping in the laying of the corner stone of the Masonic Temple on Saturday, August 6. All members are urged to be present.

Mr. and Mrs. John P. Harmon and Mr. and Mrs. P. A. Sellas and daughter Katherine are on an extended motor trip through the northern resorts, Sault Ste. Marie and Upper Michigan.

Saturday River and Eighth street was a veritable band concert hall. At 11 o'clock the big I. O. O. F. band of Grand Rapids going to Saugatuck gave a little concert on the bank corner. At 1:30 the thirty piece band of Zeeland marched down 8th street and gave a few selections at the same corner. At three o'clock the Warm Friends band of the Holland Furnace company played several selections before marching to the baseball grounds where they were engaged to play for the afternoon, and at five o'clock the large band of the Wolfe's circus played on the bank corner for a half hour, endeavoring to attract Holland folks to the Kermess.

The village of Saugatuck let a paving job Monday evening to O. M. Witlow of Muskegon. The amount of the contract is \$14,000. The paving will practically encircle the Saugatuck public school. Arthur Van Duren of Holland who was selected attorney by the common council of Saugatuck drew up the necessary plans, specifications and contract.

Capt. Michael Morgan, in command of the Graham & Morton steamer "City of Grand Rapids" was married 27 years ago Tuesday, and to celebrate the anniversary he took his family to Ottawa Beach where they spent the day among friends.

After an illness of several months' duration, Miss Gertrude Geerts died at her home in Zeeland at the age of 21 years. She was the only daughter of the late John Geerts and was born and brought up on a farm just west of Zeeland. She is survived by four brothers, all of whom live in that community. They are John, Henry, Herman and Jacob Geerts. The funeral was held Friday afternoon at 1:30 o'clock at the home and at two o'clock at the First Reformed church of Zeeland.

The Woman's Club of Grand Haven are to have a regular Ziegfeld's Follies as an annual entertainment. The title of the show is Fads and Fancies of 1921. Young men and women of Grand Haven, some 50 in number together with Chicago talent will comprise the cast. While little is known about the particulars, it is reputed to be a light snappy affair with zip and go, comparable in its nature to the Follies. The affair will be staged September 15 and 16.

The annual picnic of Berkey & Gay Furniture Co. employees of Grand Rapids and families will be held on Aug. 6 at Jenison Park.

Ralph Hayden, of Hayden-Kardux Auto Co. left for Flint to drive thru a consignment of Chevrolet cars. Purchasers desiring these cars may receive immediate delivery by leaving their order at the garage now.

William Foreman, who was arrested Monday night by Grand Haven police officer De Witt on a charge of violation of the liquor law was bound over to circuit court under \$500 bond which was furnished. Foreman is employed as porter at the Gildner hotel.

Wm. Stellema, the fruit dealer, who was severely beaten in an altercation at the Grand Rapids City market and was laid up in St. Mary's hospital, has come back to Holland and will try over again. He says he will surely knock out the jinx that has been trailing him for some time.

Mr. and Mrs. Simon D. Den Uyl of Detroit are visiting their parents in Holland.

The Holland Auto Specialty Co. has sold a Maxwell Sedan to Dr. E. J. Blekkink.

Miss Josephine and Wallace Leenhouts left Tuesday for Detroit and Niagara Falls.

Born to Mr. and Mrs. Bert Streur, 24 West 27th street, Tuesday afternoon, a nine and a half pound boy.

Peter Dulyea, Martin Dykema, J. P. O. de Mauriac were among those who went to Grand Rapids on business Wednesday.

There will be a special meeting of the Star of Bethlehem Thursday night. Business of importance will be discussed.

Mr. and Mrs. T. J. Venhuizen and family and Mr. and Mrs. J. Vander Varste left for Anderson, Ind., to visit the former's sister for a few days.

After spending two weeks with friends and relatives in Holland and Grand Rapids, Miss Belle Koning returned to Chicago Friday night.

Rev. E. J. Bekkink of Holland was the principal speaker at the Forest Grove Sunday School Picnic Wednesday.

Rev. J. Dykstra graduate of Calvin College has received a call to a charge in Eddyville, Ia.

Rev. and Mrs. Peter Pluine of Louisville, Ky. are spending their vacation at Montello Park.

Mr. and Mrs. John De Jongh of Holland were called to Grand Haven to attend the funeral of John De Jongh. Rev. Vruwink and Rev. Mr. Van Arendonk conducted the services.

Mrs. Herman Watts and son Philip of Independence, Kas., have been visiting at the home of Mr. and Mrs. George Lage, 136 W. 11th street.

D. B. Thompson of the Oldsmobile Co. spent Sunday at Wolf Lake near Muskegon.

Miss Ruth Mulder was the guest of Mr. and Mrs. John Van Landegend of Muskegon over Sunday.

Mr. and Mrs. Clarence Lokker motored to Muskegon for over the week end.

Seth Nibbelink, son James and daughters Misses Betty and Wilma Nibbelink and Miss Ruby Wise were the guests of Mrs. Jacob Nibbelink at Muskegon over the week end.

Mr. and Mrs. Marius Mulder were the guests of Rev. and Mrs. Anthony Karreman at Muskegon over Sunday. Mrs. W. D. Sanders of near Belding, is spending a few weeks with her children, Mr. and Mrs. A. M. Galentine.

Mrs. Peter De Vries and daughter, who have been spending a few weeks with relatives and friends in Holland left Monday for Muskegon and from there will return to their home in Grand Rapids.

Mr. and Mrs. H. Van Ry of Holland were guests for over the week end of Mr. and Mrs. Henry Van Woerkom.—G. H. Tribune.

Munga Park Cigars selling everywhere at two for 25¢ will be sold at the Model Drug store Saturday only, at five cigars for a quarter. 3¢20

FOR SALE—Will sell my new Gulbransen player piano at a bargain if taken at once. Marinus Van Klink, 390 W. 20th St.

## THE FIRST STATE BANK

is under the strictest scrutiny of the STATE OF MICHIGAN.

All its business affairs are gone over whenever an inspector might happen to step in.

This bank always has its "house in order" and the unexpected bank examiners have not in thirty years found as much as a figure incorrect.

The coming of the bank examiner is never known to any bank. His coming is unannounced. He may ask for an examination of affairs any day, any hour, any minute, and woe to the banking institution whose affairs are not regular.

The examination of the First State Bank in the past 30 years stands at the top of the list for regularity in business affairs as the records at the State Capitol will show.

All depositors are protected by assets amounting to nearly three million dollars.

We Pay 4% On Savings.

## THE FIRST STATE BANK

HOLLAND, MICHIGAN.

One hundred Boylans held a reunion at Jenison Park yesterday. Most of them came from Allegan Co. Some of them from Allegan county. Some of the Boylans live in this city. These reunions have generally taken place on the fair grounds at Allegan and have been in vogue for at least 25 years.

Munga Park Cigars selling everywhere at two for 25¢ will be sold at the Model Drug store Saturday only, at five cigars for a quarter. 3¢20

Mrs. Harry Raffenaud, aged 34 years, died Sunday evening at the home of her mother, 209 W. 14th St. as a result of a stroke of apoplexy. The deceased is survived by her husband and two children; also by the following brothers and sisters: Herman, Fred, John, Frank, Mrs. E. Vander Woude, Anna and Clara. The funeral was held Wednesday afternoon at two o'clock at 209 West 14th street, and interment took place in Pilgrim Home cemetery.

Mrs. Raffenaud's mother, Mrs. Martha Schroeder, passed away ten days ago.

Miss Eva Schurr, new Home Demonstration Agent for Ottawa county has been provided with a new Ford by the Ottawa County Farm bureau. Miss Schurr is carrying on a great deal of work throughout the county and is rapidly becoming acquainted with the residents of the county with whom she is to work.

Official notification has just been received at the office of Superintendent of Coast Guard stations for the Eleventh District of the closing of numerous coast guard stations all over the country. In this district the stations at Point Betsie near Frankfort, Point Sauble, near Ludington, at Pentwater and White Lake have been discontinued. Two stations number 294 and 295 have been closed on Lake Superior and 281 and 249 have been effected by the same order on Lake Erie.

Now is the time for every householder to take a look at his chimney and to have it repaired in case it needs repairing. That was the advice given by Fire Chief Blom Tuesday to the people of Holland. Mr. Blom has been making the rounds in various parts of the city to ascertain the condition of the chimneys and he has found a considerable number that badly need attention. In each case where he found something wrong he notified the owner and recommended repairs.

When the line used in the gun at the Coast Guard station in Grand Haven parted at the weekly life drill, the 19 pound shot attached to it went wild and instead of stopping on the south bank of the river continued its unbridled journey as far as the concrete oval on the beach at Highland park. The big piece of steel brought up with a crash against one of the benches on the beach, smashing it to bits. Horses of Klaus Dykehouse standing near the place at the time narrowly escaped being hit.

## PASSENGER RATE CUT WAS WISE POLICY

The passenger business on the Grand & Morton line is better this year than it has been for several seasons, according to Local Agent Johnson. The G. & M. line was a pioneer in the return to normalcy in passenger fares and that policy has fully vindicated itself during the month or two while it has been in force. Quite early in the season the company knocked off fifty cents from the fare on one way trips and a dollar from round trip fares to Chicago.

The passenger business responded immediately to this cut. A sharp upward jump in business was noted and this has continued to increase as the season advanced, each month showing a considerable volume of business over the corresponding month for several years past. The business has practically doubled over that of last year and the showing made is considered very satisfactory. After the G. & M. company had made the cut in rates other steamship lines followed suit, and all appear to be reaping the benefit from this wise policy.

## Local Store Clearing House for Cigars

## SELLS 9,400 OF ONE BRAND ALONE IN A DAY

You have heard it said occasionally that one can buy cheaper abroad than at home. Merchants in any town, especially when located near a larger trading center have to hear this line of talk from time to time.

Holland however, has a merchant who even has anything in Grand Rapids beat.

Three years ago, Gil Haan of the Model Drug store tried the scheme of making a clearing house of the cigar business in his store. He came in contact with many a Grand Rapids wholesale house who owned consignments of cigars, and good cigars too, that were moving slowly, in fact in many instances there was no sale for them.

Gil offered to clear these cigars for the wholesalers at a small margin on each smoke. While the wholesale was tickled to get them off from his shelves for half the price he paid for them.

In clearing these cigars Gil did not retail them at the wholesaler's original price but at a very meager margin above the actual price he paid for them in fact in most instances 10 and 15 cent cigars were sold direct to the customers five for a quarter.

The extreme low price to customers made the goods move like hot cakes, and Gil's clearing house soon became the talk of the jobbers in Grand Rapids, Chicago, Toledo, Kalamazoo and other points.

Mr. Haan states that he has sold so far this year a half million cigars, and the highest number in any one Saturday was 9,400 of one brand.

The highest single consignment purchased at one time was yesterday when 29,000 were unpacked, and

put up for sale.

The beauty of this system is that the consumer is actually getting his money's worth.

(Educational Publicity.)

## Strand Theater

Today—Eileen Percy in "The Tomboy." A photoplay built on unconventional lines and for laughing purposes only. Guaranteed to draw a laugh from the most sober person in town.

Geo. Clark comedy, "The Instructor."

Friday, July 29—Carmel Myers in "Beautifully Trimmed." The story of an impoverished society girl who becomes the accomplice of an unscrupulous artist.

Centenary comedy "Hot Dog." Saturday, July 30—All Star cast in "Honeymoon Ranch." Out of the East came Tom Creighton. He met the "two gun" bullies with his two fists. He thrashed the whole gang, made their leader reform, won the prettiest girl in town, and then settled down.

Ben Turpin comedy, "The Undertaker's Hope."

Monday, August 1—May Allison in "The Last Card." Showing how to give the third degree to a murderer with a piano, a furnace, and a pretty woman.

Two comedies, "The Love Lesson"; Harold Lloyd in "The Flirt."

Tuesday and Wednesday, Aug. 2 and 3—Anita Stewart in "The Yellow Typhoon." It's a First National production. Follow the Yellow Typhoon in her mad career for excitement, for lust of gold, of pleasure and the pure love of adventure—from New York to Paris, the great gambling halls of Europe to the Orient—with the works of men's lives and souls she leaves in her wake. Harold McGrath's masterful direction with Anita Stewart at her best.

Harold Lloyd comedy "Get out and get under."

## NOTICE

Beginning Monday, Aug. 1st we will start the showing of bigger, better and later pictures. In order to meet the increased cost of these productions we will be forced to make a slight change in the admission prices. The afternoons will remain the same, 10c for the children and 15c for adults. At night the prices will be 15c for children and 20c for adults, war tax included. Watch our program for the big productions coming.

Munga Park Cigars selling everywhere at two for 25¢ will be sold at the Model Drug store Saturday only, at five cigars for a quarter. 3¢20

Munga Park Cigars selling everywhere at two for 25¢ will be sold at the Model Drug store Saturday only, at five cigars for a quarter. 3¢20

## FOUR HUNDRED CAME TO BATHING BEACH

More than four hundred men, women and children visited the George E. Kollen Memorial Park Tuesday to take advantage of the supervised swimming there provided by the Home Service Department of the Red Cross. It was a bigger response than had been expected and the indications are that the crowds will be even larger later in the week.

The Boy Scouts provided tents on the grounds that were used by the people as dressing rooms, and the boys also did much good work in the line of cleaning up the bathing beach and putting it into shape for bathing purposes.

The members of the Men's Adult Bible Class of Hope church, some 50 strong, went to the cottage of John Bosman Tuesday evening to enjoy their annual picnic there. The event was a most enjoyable one, and the hosts were Mr. John Bosman and Mr. Charles H. Mc Bride, who furnished a generous spread for the large crowd of hungry men.

W. J. Olive, president of the class presided at the banquet, and called upon three speakers. In view of the fact that the outing was a picnic the addresses were extremely brief, but the three speakers managed to compress a good deal of thought into the few words that each expressed. The speakers called upon were G. J. Diekema, Rev. P. P. Cheff, and Dr. H. E. Dosker of Louisville, Ky.

All had taken bathing suits and all showed their skill in swimming. There were two chicken races, 2 hens being let loose in the woods. Clarence Lokker caught one of them, being successful probably because he was coached by Dr. Tappan, who is an expert at the game, and Ted Moore captured the other.

In a ball game between teams captained by A. H. Landwehr and B. D. Keppel, the former was the winner by a score of 7 to 6. D. Vander Haar doing the umpire work.

Undersheriff George Hare and Deputy Sheriff Wm. Oliver of Allegan were called to Martin in Allegan county where \$75 had been taken from the home of Mrs. McGee by a gypsy woman. The band, which had an Oldsmobile, one Packard and a Marmon, all large touring cars, had been driven out of Kent Co. by the officers and landed in the eastern part of Allegan county. It was impossible to tell which of the party had taken the money so one of the men was brought to jail. Soon after the officers arrived with their prisoner, who gave his name as George Stevens, other men of the company appeared, presented \$75 and \$16.50 costs and all were permitted to go on their way.

## HAMILTON

ake Huizinga and family of Overisel have moved to Hamilton.

Mrs. Edward Maatman has purchased a new piano.

Stanley Bolks is working for the pickle station at Burnips Corners and Edgar Tannis at Jamestown.

The Christian Endeavor society of the First Reformed church had a social. All reported a good time.

Rev. M. C. Ruissard of Sheboygan Wisconsin preached in the First Reformed church Sunday. A call was extended to this minister a few weeks ago.

Prof. Tony VerHulst and family of Tennessee visited at the home of his brother Henry Ver Hulst a few days last week.

Harry Lampen from Zeeland is spending his vacation in Hamilton.

Next week Rev. VanDyke of the American Reformed church will preach at the First Reformed church. Andrew Lubbers and Ed Dangremont are busy every day delivering oil.

Mr. and Mrs. Fred ... are back from ...

Reka and Ellen Vander Meer of Holland are visiting relatives here. Mr. and Mrs. Henry Brower visited their son in Mill Grove Saturday and Sunday.

MAY ALLISON

May Allison, Monday, August 1st, at the Strand Theater in "The Last Card."

## GOES TO KANSAS WITH NINE IN FIVE PASSENGER CAR

Tom Tilma, who was for several years a resident of Holland, and who with his family, consisting of a wife and seven children drove from Wichita, Kas., to visit relatives in this city and Grand Rapids, began his return trip to Kansas Wednesday morning.

He started out with a five passenger Dodge car, and believe us, the machine was pretty well crowded with happy, laughing children bobbing out from all ends of the car.

The trip to Kansas takes five days, and the Tilma family also have a camping outfit with them in order that they may pitch their tent in the evening, wherever they desire. Mr. Tilma upon leaving stated that Michigan has every state beaten for good roads, especially considering those which he passed over. He said that from Chicago to Holland the highway was ideal except a stretch north of South Haven, no doubt the same piece of road that has been pointed out by this paper several times before.

Mr. Tilma is high up in the trades and labor council of Wichita, and edits a labor paper in that town.

He states that Holland furnaces, Holland shoes, and Holland pianos are purchased in Kansas in large quantities, and seeing them advertised makes him feel nearer home. He says after all Michigan is a great state and he was glad to have visited again after an absence of 12 years.

He also states that Holland has made wonderful strides which may not be so apparent to the citizens who have seen its gradual growth, but is very noticeable to one who has been absent for a dozen years.

Mr. Tilma is a brother of George Tilma, former mayor of Grand Rapids.

The Grand Haven Tribune has the following little notice that is of interest:

"Shorty" king of the hoboes is in the city again. "Shorty" has been making Grand Haven for about 30 years now. He declares this city is one of the liveliest on the east coast this summer and says that conditions generally are as bad as he ever experienced as a Knight of the Road."

Chief Van Ry states that there is no doubt but that "Shorty" would be in Holland for a few days for he seldom fails to make him a call.

Chief states that he has met up with "Shorty" from time to time ever since he had something to do with police work.

"Shorty" was on the tramping job when Frank was elected marshal of Holland, years ago. Later he stayed with Frank at the county jail while Mr. Van Ry was sheriff.

Mr. Van Ry has been chief now eight years and in that time "Shorty" the king of hoboes has made him a visit at least two or three times.

## KITCHEN SHOWER GIVEN FOR JULIA DEN HERDER

A kitchen shower was given in honor of Miss Julia DenHerder of Grand Haven by Miss Amelia Sywassink, West Tenth street. A dozen guests were present and a luncheon was served, the centerpiece on the table being a miniature bride and the decorations being in an Alice blue color scheme. The gifts were arranged under a parasol suspended from the chandelier, a blue ribbon leading from the parasol to the gifts. The out of town guests were Dorothy Den Herder of Grand Haven and Marion Sywassink of Grand Rapids.

The people of Holland are cordially invited to attend an entertainment to be given by the young people of Munga Park Cigars selling everywhere at two for 25¢ will be sold at the Model Drug store Saturday only, at five cigars for a quarter. 3t20

## BUY A BASKART

Which can be used for several different uses: CARRYING GROCERIES, MEATS, IN ETC.

## The BASKART

Was invented by a woman whose arms and back and feet ached from "lugging" her own market basket day after day.

There is no drudgery about carrying home parcels in a Baskart. A child can wheel a sack of flour and a peck of potatoes at the same time. You won't be ashamed to take a Baskart on a street car or to pull it behind you as you walk along. It is good looking and noiseless. The price is only \$2.75, delivered right to your door. The Baskart will begin paying for itself the first day you own it.

## De Vries & Dornbos

The Home of GOOD Furniture.

One of Our Holland Ideal Homes.

## Who Said the Cost of Building did not come DOWN?

A year ago, in 1920, \$300 would only buy 1000 feet of clear Oak.

## TO-DAY

THIS IS WHAT \$300 WILL BUY IN BUILDING MATERIAL:

- 1000 Feet clear Oak Flooring
- 1000 " No. 1 Y. P. Dimension
- 1000 " No. 2 Y. P. Shiplap
- 1000 No. 1 Lath
- 1000 Com. Brick
- 2000 Ex. XAX Shingles
- 500 Feet Plaster Board
- 6 Sks. Cement
- 1 Roll Green or Red Roofing
- 2 Rolls Building Paper
- 1 5xPan. No. 1 Door
- 1 Front Door
- 50 Lbs. Nails

The above bill of lumber and other building materials will cost you at our place of business just \$295.60, leaving you a cash balance of \$4.40 out of your \$300.

Now is the time to think of building. Try the

## "HOLLAND IDEAL HOME"

way and get in on the low cost.

# BIG BARGAIN

## Beautiful Home or Three Family APARTMENT HOUSE for Sale

The beautiful home of the late C. G. Wheeler, corner Columbia Ave. and 10th Street, will be sold at a very low figure. Beautiful as a one family residence, with large rooms thrown together by beautiful French doors. The upstairs has bedrooms arranged so that Two Separate Apartments could be used. Or, as nice large airy bedrooms with dressing rooms. Complete bath rooms both up and down stairs. The French doors added below makes the entire down stairs into One Apartment, thus making a Three Family Apartment, or a residence for one. Sleeping porch and sun parlor up stairs and large screened porch down stairs. One of the best locations in the City. Large maple shade trees on both streets and on lawn. Lincoln Park to the east, Hope College Campus to the south. Lot 132x101. This is a mighty good buy, as a One Family Residence, a Three Family Apartment, or as an investment. Terms cash or part cash and payment, or might consider exchange.

Inquire: E. J. FAIRBANKS, 236 Columbia Ave., City.

HOLLAND, MICH., July 26, 1921.

## To the People of Holland:

Do you know what your ice company is doing for you? Do you know how your ice service and prices compare with those of neighboring cities?

Compare these prices per hundred pounds of ice delivered:

	Wholesale	Retail
Holland	25c	55c
Grand Rapids	40c	70c
Kalamazoo	40c	80c
Saugatuck	90c	\$1.10
Muskegon	50c	60c
Macatawa Park	80c	90c
Zeeland	40c	75c

Last spring as soon as it was apparent that the natural ice crop would be a failure, the Superior Ice Company installed a new 7½ ton ice machine to take care of the unusual situation. This machine will be idle during the years when natural ice can be obtained. The plant is now making 24 tons daily which is about 4 tons more than the consumption here in 1920.

On June 1st all ice trade outside Holland was cut off so as to give the City the best service possible. On two occasions it was necessary and if the extremely hot weather continues it may again be necessary to ration the ice to the houses. However, the rationing will be as liberal as possible and far better than that in surrounding cities.

The Superior Ice Company has always believed that it is their duty to serve Holland first. In this unusual summer the ice company has strictly adhered to this policy although companies of surrounding cities who were unable to harvest natural ice this year offered them a better price for their ice.

## MANY WILL LEARN TO SWIM DURING PRESENT SUMMER

Supervised swimming at the George E. Kollen Memorial Park beach began Monday, with Francis Deto as the instructor. Mr. Deto was placed at the beach by the Home Service Department of the Red Cross. Wilbert E. Longfellow, national field representative of the American Red Cross Life Saving Corps, announces that last year more than 25,000 persons learned to swim through the aid of such Red Cross instructors. The national field representative gave the following hints to the youngsters of Holland who expect to learn to swim this summer by means of instruction furnished by Mr. Deto:

"In learning to swim you must first overcome any fear of water. Let us look around for a teacher. Who better than the mother duck hunting for something to eat as she swims about? She puts her head under water and opens her eyes. If she can see, so can you. Suppose you try it. Put your head under the water and open your eyes. Sure enough you can see. And neither your eyes nor your ears have been injured.

"The next step in our game is to imitate a motor boat. The motor boat takes the air into one valve of the carburetor and lets it out again through the underwater exhaust pipe. Adapt that idea to yourself. Take in a big breath, close your mouth, rest your face in the water and force the air out thru your nostrils. This is the swimmer's method of breathing.

"Really and truly the human body is lighter than water. It will float if we will permit it because of the air spaces inside. To prove this, take a good breath, squat down in the water till your chin is just clear of it, then grab both knees underneath with your hands and put your face under by bringing the chin close to the chest. This will overbalance you, but hang on to your knees until you find your balance. This is the jelly-fish; everyone can float like the jelly fish. You can also float like a mud-turtle or a bull frog, all stretched out on the surface. If you keep your chin close enough to your chest the feet will stay up and you will float. To stand up, simply bring your hands and feet toward each other.

"It will be an easy matter now to pretend you are a sled and coast along on the surface. Best results are secured if you keep your chin in all the time. Lie down in the water and push your feet against the bank. Your hand, with the fingers slightly lifted, serve as the front runners of your imaginary sled. A good push and you go coasting ten or fifteen feet. If you throw your head back your feet will sink; too much weight in the air."

## LOCAL CONTRACTOR GETS LARGE THEATER CONTRACT

Frank Dyke, the local contractor, who has become famed because of his ability to build fine school and college buildings is now branching out and has included theaters in his list.

He has just closed a deal to erect an \$85,000 movie theater at Dowagiac, Michigan, that must be completed before Christmas.

The new theater will have a seating capacity of more than a thousand and will be one of the finest buildings in that county.

The new movie is for the benefit of the city of Dowagiac and is being erected by the Beckworth estate, the inventors and manufacturers of the popular Round Oak stove. The largest stove plant on earth is located at Dowagiac.

## BODY OF HOLLAND TWP. SOLDIER ARRIVES

The body of Pvt. Ralph K. Rouwhorst arrived in Holland Thursday night from France where the young man died for his country. He was a member of Co. A, 42 Division, the famous Rainbow Division which did some hard fighting in the Argonne.

The young soldier was wounded there Oct. 14 and he died of the wounds received in action in the Argonne Forest. He died Oct. 16, 1918.

The funeral services were held Monday at 1:30, slow time, from the Crisp church, Rev. Bruinooge officiating. Interment was at the New Holland cemetery. Army friends of the late soldiers will act as pallbearers.

## ASKS PROBE OF BARN BLAZE NEAR SAUGATUCK

Sheriff Leo Hare has asked the state fire marshal to assist him in investigating the blaze which destroyed the barn on the Morris Sandovich farm north of Kibbe this week. The barn with its contents was valued at several thousand dollars.

## \$4000 FIRE AT VIRGINIA PARK

Friday morning at 10:30 an alarm of fire was turned in from the hotel corner. Chief Blom had received a call for aid from Virginia Park where it was said a big fire was raging.

Department No. 1 responded to the call with the large pumper and chemical truck, but unfortunately the pumper has been out of commission for a week or more, because Chief Blom was compelled to aid in drawing water from the new wells on the Zeeland road in order to hurry Holland's water supply and in some way a quantity of sand was taken into the pumps and put these out of commission.

The repaired pumps were shipped away immediately and it is said that they have already been returned and installed.

The firemen did fine work with the chemicals however, altho when the department arrived the Capt. Thompson residence which was the only building which was ablaze, was beyond saving.

The fire had started on the second floor, caused by a defective chimney. Mrs. Thompson states that she was doing considerable cooking in the morning and had several pies in the oven. She smelled smoke and looking up the stairway to the floor above, she discovered the second floor all ablaze.

The alarm was quickly given and neighbors formed a bucket brigade. The Coast Guards were soon on the job with their fire fighting apparatus and did fine work in saving the buildings in the vicinity. The local firemen joined forces with the Coast Guard and no doubt their efforts saved many cottages at Virginia Park.

The first stream of water to be thrown on the building came from John Cappon's electric pump next door. This temporarily stemmed the blaze and aided in keeping the cottages next to the burning building thoroughly wet.

Most of the downstairs furniture was saved by Capt. Thompson with the assistance of neighbors, but some of it, however, was left too near the burning structure and was consumed later.

One of the articles carried out of the house was a lighted oil stove with pies baking in it which was rather a strange sight to behold on the lawn of the Thompson property. The loss to building and contents is approximately \$4000 with small insurance.

## CITIZENS TELEPHONE CO. TO INCREASE THE HOLLAND RATE

An increase of 30 per cent in telephone rates at all its exchanges except Grand Rapids was requested of the public utilities commission at Lansing by the Citizens Telephone company. Subscribers in 67 cities and villages will be affected and Holland is in the list.

No serious opposition to the proposed increase was offered by the cities represented at the hearing, the attitude of their representatives being to permit the increase provided adequate service was maintained.

The company pointed out that its rates had not been changed since the system returned to state control, whereas the Michigan State Telephone company's rates had been increased throughout the state, in some instances in territories served by both companies.

Should a new rate be granted it will be based on a recent appraisal of the company's property, which, it was said, had disclosed a low earning under the existing schedule.

When the company first applied for an increase over the temporary rates established in 1919 the commission refused to act on the ground that the properties, as a whole, were earning a return of 8 per cent on the investment.

President Tarte presented figures to show the present earnings are less than 2 1/2% on the investment.

Although all the cities and villages affected had been notified to send representatives only Traverse City, Nashville and White Cloud did so. Lansing, Holland, Cadillac and others of the larger communities served by the company were not represented.

Grand Rapids gets out of the rates raising easily. "Grand Rapids does not enter into the discussion," said C. E. Tarte, general manager of the Citizens Telephone Co. last night. "I cannot say that the business in this city does not warrant an increase. I can only state that we have not gone into the matter locally as yet from a cost study standpoint. I cannot give any information as to what we shall do in the future with regard to the local situation."

Mrs. Ben Lammen and son returned Friday night from a four weeks' visit to Cleveland, O.

## TWO FORDS ON RAM-PAGE NEAR ZEELAND

While driving east in a Ford Car on the main road between Zeeland and Vriesland, near the farm of M. D. Wyngarden, Mr. Vander Noat was run into by another Ford car and landed in the ditch alongside of the road. The other machine was driven by H. A. Cross of Holland and was homeward bound. At Hudsonville Mr. Cross had experienced some trouble with the steering mechanism and had made some repairs. Everything went well until he met the Vander Noat car. In turning out to pass this car the machine swung around head-on toward the other machine, striking it squarely on the left-forequarter upsetting it into the ditch and considerably damaging it. No one was injured, but both cars were put out of commission. They were towed into the Holleman-DeWeerd garage at Zeeland.

## ALLEGAN RECEIVED \$255.00 BEQUEST FROM FORMER HOLLAND MAN

The city of Allegan was given \$255.00 Monday by the estate of the late B. B. Sutphin. This is one-half of one per cent of the estate settled to date. Still more money will come to that city when the remainder of the estate is settled up. The money will be put into a city memorial fund and the interest from this fund will be used to buy books for the library.

Mr. Sutphin some 18 years ago was in the seed and produce business in Holland and was located on River avenue. He moved here from Allegan which was his home town.

## LOCAL DRIVERS CHIEF OFFENDERS, SAY OFFICIALS

The auto drivers of Holland must positively learn to stop and wait for passengers to get off and on street cars. This was the suggestion made by Chief of Police Van Ry Friday, and unless, beginning next Monday this rule is observed, there will be wholesale arrests. Until now the police department has confined itself to warning drivers not to transgress again, but after this there will be no more warnings but arrests will be made. Literally hundreds of persons have been warned, according to Chief Van Ry, but the practice of passing street cars that are loading or unloading does not seem to diminish.

The curious part of it is that the violations of this traffic ordinance regulation are made almost exclusively by local drivers. The police department has paid particular attention to this and it is almost invariably true that drivers from out of town, tourists and others, observe the rule. The same rule is in force in most big cities and most drivers from away have it so firmly fixed in their minds that they observe it here as everywhere.

But many local drivers seem to think that the regulation does not apply to them. But the Chief of Police wishes it understood that it does most certainly apply to all and that after this every infraction of this section of the traffic ordinance will be followed with arrest.

It is also pointed out, not by the police, but by some drivers, that the practice of some auto owners to keep their cars standing at the curb at night on dark streets without having the tail light going is a real menace. Some dark sections of Twelfth street are especially dangerous and within the past few days at least three near accidents happened on that account on that street.

Another suggestion made by the drivers is that on band concert nights autos should be parked about the Centennial Park at the proper angle to be able to back out and should all be parked at the same slant, not in the haphazard way in which they have been standing during concerts and which has caused much confusion.

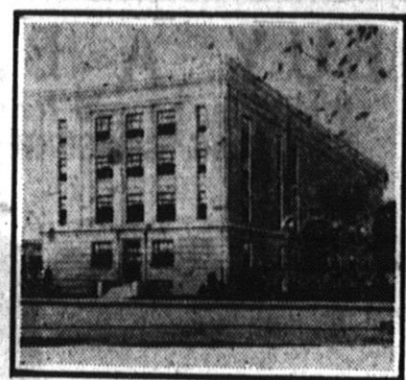

The Ottawa County Odd Fellows Association will meet in Grand Haven on the evening of July 30 and one of the largest gatherings of the fraternity ever held here is expected. Plans are being made for the entertainment of fully 250 members of the order. The Odd Fellows lodges at Grand Haven, Holland, Nunica, Coopersville, Marne, Conklin and Hudsonville are expected to be represented at the session. The program is being arranged by the Grand Haven lodge. —G. H. Tribune.

Local contractor Frank Dyke was in Grand Rapids on business Friday.

E. P. Stephan was in Grand Rapids on furniture business Friday.

## PREPARATIONS FOR BIG DAY AUG. 6TH GO FORWARD

Practical Masons are working daily laying the foundation for Holland's Masonic Temple. Overlooking Centennial Park, the beauty spot of the city, located at its heart, will be erected one of the most beautiful and modern structures ever conceived by a Masonic body. This will represent the culmination of many years thought and work on the part of Unity Lodge No. 191 and the laying of the cornerstone of this building, August 6th, will be the greatest day in the history of the Holland lodge and a noteworthy event in Masonic circles throughout the state of Michigan.

How the Masonic Temple Will Look out the state of Michigan.

Invitations have been extended to all Masonic bodies in the State of Michigan to attend the cornerstone laying and several notable Masonic organizations from Chicago have agreed to take part in the impressive ceremony. St. Bernard Commandery of Chicago will come by special train at least 500 strong with their drill corps which is the finest in the United States and a band of sixty pieces. Woodlawn Commandery is also expected to attend with their drill corps, and band. De Molai Commandery of Grand Rapids will, of course, attend almost to a man. They have never failed to make a most impressive appearance.

Special dispensation has been granted for Field Day for all Commanderies in this district. Speakers of nationwide fame in Masonic circles have been secured for the occasion. Gov. Grosbeck has many engagements but will make every effort to attend. The grand parade will number it is expected ten thousand, and, including the families of the outside Masons who will accompany them to enjoy the week end at an ideal summer resort, the population of Holland will undoubtedly be doubled.

The Holland lodge and its committee are making the most thorough plans for the entertainment of the guests. This event, coming in the midst of the resort season and taking place in a typical Michigan resort city close to the waters of Lake Michigan with outing facilities of Macatawa, Ottawa Beach and Saugatuck not to mention numerous smaller resorts at its command, offers an ideal weekend for visiting Masons and their families. The Pere Marquette has granted a rate of a fare and a half for the round trip from any point in Michigan for all who wish to come for that occasion.

The committees of the local lodge will be splendidly organized so as to serve the visiting Masons in every way. Information booths will be located at the depots and the main entrances, to the town. Holland's splendid Scout organization has been engaged to act as guides. Hundreds of automobiles will be placed at the service of the visitors. A grand Masonic ball will be given at the big pavilion at Saugatuck and all these features, together with the natural facilities for pleasure such as boating, bathing and fishing, assure visiting-Masons an enjoyable time.

Requests for reservations are coming daily and the local lodge has already, on its own initiative, reserved 300 rooms at one resort hotel to take care of outside guests. Indications are, however, that reservations will have to be made for many additional guests. A cordial invitation is extended to all Masons. Holland will do its best to take good care of all.

The parade will form on East 8th street near P. M. depot and start promptly at 2 P. M. fast time (1 P. M. Standard time) ending at the site of the temple where the cornerstone will be laid by the Grand Lodge Officers immediately after the parade.

Gerrit Rutgers, J. Brinkman and Lambertus Tinholt, local mail carriers have returned from Hart where they went to perfect the organization of a rural carriers' association of Oceana county.

C. L. Goodrich, state high school inspector, made a tour of inspection with County Commissioner Stanton Thursday of the schools in Grand Haven township, District No. 1 and in Tallmadge township, District No. 1. A secured by col.

## IN ALL THREE ARE RESTS WERE MADE FOR ILLEGAL FISHING

Rumors have been going the rounds that 13 non-resident fishermen were arrested for not having a license.

This rumor has been exploded by Deputy Sheriff Oscar Johnson, who gave the names of the men who were arrested and the number as three instead of thirteen.

He stated that one of them became very sassy, and another was good natured about it while a third brot the controversy between Mayor Stephan and the department.

Etta Wiles, a former saloon keeper of Chicago was unusually wild, the deputy states. Deputy Johnson in telling the story says that when Wiles was told that he was fishing illegally, and was asked to take out a license, he said he didn't have to and when he was told that he was subject to arrest, Wiles stated that no Chicago police would ever arrest him in Chicago and no dinky officer in these parts was going to do the trick. He was fined however, when brought before Justice Brusse.

Albert J. Meyers of Ohio, was also arrested but he was good natured about the affair, and told Mr. Johnson, "I saw your signs, but I thought I could get by with it."

Deputy Johnson is not only a game warden but also a deputy sheriff, these two departments having been joined together by the legislature subject to the approval of the board of supervisors.

Arrests recently made by Deputy Sheriff for speeding on the highway outside of Holland was Mr. Wyngarden, 55 miles on the Zeeland road; a A. Hoadley, 40 miles on the Park road; William Cooper of Grand Rapids, who was driving a large Packard and going 55 miles.

Johnson stated that he chased the man from Virginia Park to Zeeland before the driver was caught. Chas. Dekker of Grand Rapids, 40 miles on the Park road.

Bill Sackers, 55 on the Park road. Mr. Armstrong of Detroit, 45 on the same road.

These cases were brought up within the last few weeks, and the men paid their fines before different justices in the city.

Mr. Johnson still has a few speeders to be arraigned.

It will be noticed that the speed records given by Deputy Johnson in the cases of these offenders in most instances nearly double the speed allowed by law, and this is dangerous to the public and out of reason.

The annual picnic of the Odd Fellows and Rebekahs was held Saturday afternoon and evening at Jenison Park. A ball game between the Odd Fellows and Sister Rebekahs ended in a 10 to 5 score in favor of the latter.

Following were prize winners in afternoon contests clothespin race, Hazel Jones; string chawing contest, Rose La Chaine; children's peanut scramble, Donald Burrows; lean ladies' race, Ola Shank; fat ladies' race Kate Herrick; children's race, Naomi Shank.

Ninety persons sat down to a bountiful supper prepared by the committee. After supper the program of sports was resumed, with the following winners: pipe smoking contest for the Brothers, Tony Westrate; ladies chicken race, Jennie Stauffer; men's chicken race, Bert Shank; cracker eating contest, Floyd Stauffer. After spending the evening taking in the various amusements at the park, the picnic adjourned.

## TO GIVE PROGRAM IN FILLMORE TOWN HALL

The Lightbearers class of the Ebenezer Reformed church, located a few miles east of Holland, will give a public entertainment in the Fillmore township town hall on Thursday and Friday evenings, July 28 and 29. This entertainment will be given for the benefit of the piano fund.

The class gave a similar entertainment last winter, but at that time bad weather interfered with the complete success of the plans. A good program is promised.

The large I. O. O. F. band of Grand Rapids together with 100 delegates of the order, marched through the streets of Holland on their way to Saugatuck where an encampment is being held. The band is composed of 28 men and they gave a band concert on River and 8th street for about 30 minutes.

## Piles Sufferer Finds a Correction

Health Talk No. 21

By JOHN DE JONGE, D. C.

Piles or hemorrhoids are a form of rectal tumor due primarily to lack of tone in the muscles affected, and secondarily to straining. The straining may be from costiveness, or from muscular exertion. Some forms of piles are quickly responsive, but the fibrous or connective tissue piles are slow. Chiropactic spinal adjustments will remove the primary cause of piles, which is lack of tone in the parts affected. Pressure on spinal nerves in the lumbar region causes this lack of tone and when pressure is removed the piles gradually disappear.

### Suffered 20 Years Before Health Came

"I suffered twenty years from chronic stomach trouble and piles. I tried all kinds of drugs, patent medicines and several doctors without results. In June 1919 I started Chiropactic. I was relieved of my stomach trouble and the piles showed a gradual improvement until well. I have done more work in the past few months than in any similar period in six years."—J. S. Lumbley, Chiropactic Research Bureau, Statement No. 1266L.
