Biggest Auto Parade Ever Staged Here

THOUSANDS WILL SEE THE SPECTACLE FRIDAY NIGHT

Motor Car Dealers and Chamber of Commerce Have Been Working Out Plans Together

Plans have been completed for the large automobile parade this Friday evening at 7 p.m. sharp. The affair is sponsored by the Holland Chamber of Commerce together with the Holland Automobile Dealers Association. The parade will consist of three divisions—personal cars, commercial cars and tin can cars. Prizes will be awarded.

Such a parade is a new thing in Holland and if it works out well it will become an annual event each year right at the height of the resort season.

Charles Gross, secretary of the Chamber of Commerce, as well as the other officials and committees and automobile men, have been liberal in giving their time to this unusual feature.

The parade starts promptly at 7 o'clock and according to the route considered most advisable by Chief Van Ry of the police department the parade will proceed from Eleventh street north on River to Eighth street, east on Eighth street to Columbia avenue, south on Columbia avenue to Thirteenth street, west on Thirteenth street to the west limits and disband. The parade will be formed at the corner of River avenue and Eleventh street. The dealer's division to assemble between River avenue and Pine avenue; personal car division between Pine and Maple avenues; commercial car division between Maple avenue and Washington avenue; tin can division between Washington avenue and Van Raalte avenue.

Eleven grand prizes will be awarded to the winners of the various divisions as given below. The marshal of the day will be Mr. Peter Norg, boy scout executive, who will be assisted by his aids. The Holland High School Band and probably the American Legion Band will furnish the music for the occasion. The entries to date have been very gratifying and the parade will offer the spectators some very unique demonstrations in the line of motor transportation.

The parade will form as follows: First Division—headed by band, followed by the following automobile dealers in their order, Holleman & De Weerd Auto Co., Holland Chevrolet Sales, H. P. Zwemer & Son, Venhuizen Auto Co., Auburn Sales and Service, Ter Haar & Timmer, Chrysler Auto Co., Peoples Auto Sales, Oakland-Pontiac.

Second Division—Individual car division.

Third Division—High School Band, Comical Car Division.

Fourth Division—Tin Can Division.

Fifth Division—Commercial Car division—created on demand of local commercial interests.

The prizes to be awarded will be as follows:

Personal division—Best decorated car—\$15 spotlight donated by the Holland Chevrolet Motor Sales. Best polished car—1929 model—\$10 worth of auto accessories donated by Montgomery Ward & Co. Best 1930 model—Ford tire or credit on larger tire—Stekette Tire Shop.

Best looking old model car—Tire or seat covers for Ford car—Holleman & DeWeerd Auto Co.

Comical Car Division—First prize \$10 spotlight—Marks Stores. Second prize, sponge and polishing cloth—Model Drug Co. Third prize—Inner tube—Holland Vulcanizing Co.

The following judges have been selected: A. J. Westveer, Postmaster, J. J. Rutgers, M. J. Vandebunte, Andrew Klomparsens, and Vande Vandenbergh.

BRUCKER AND GREEN AT LAKEWOOD

Attorney General Brucker, candidate for Governor and Governor Fred Green were guests at Lakewood Farm over Sunday. They say it was not politics, but rest they wanted last Sunday.

ENJOYED REUNION AT OTTAWA BEACH

The Diekema family held their annual reunion at Ottawa Beach last Saturday afternoon, when a fine program was given, and much of the time was devoted to games and sports at which several prizes were won, and a most enjoyable time was spent by all. Among those present were Mrs. B. Diekema, Mr. and Mrs. C. Diekema, Mr. and Mrs. G. Diekema, Mr. and Mrs. J. Diekema, Mr. and Mrs. Wm. Van Dyke and Mr. and Mrs. Joe Diekema of Beaverdam; Mr. and Mrs. John Diekema and children and Mr. and Mrs. Gerrit Diekema and children of Jensen; Mr. and Mrs. Cornelius Van Dyke and children and Mr. and Mrs. R. Lamer and children of Zeeland. — Zeeland Record.

MAST REUNION AT INDIAN CREEK SATURDAY

The Mast reunion with about 150 Masts present will be held at Van Zoeren's woods at Indian Creek near Vriesland. An elaborate program has been arranged and the baskets will be well laden with good things to eat. At this reunion folks will come from Hamilton, Fremont, Jamestown, Grand Rapids, Vriesland and other points in order to enjoy this annual affair.

The officers of the organization are John K. Mast, Jamestown, president; John H. Mast, Hamilton, secretary; and K. Van der Veer, treasurer.

HEAD OF BELL CO. IN HOLLAND

"Gene" Ripley, able manager of the Holland, Grand Haven, Zeeland and Jamestown exchange, will have headquarters in the beautiful new building at Holland, open for business Monday morning.

WILLIAM KOOYERS IS NOW ON BAIL AND OUT OF JAIL

William Kooyers of Olive township, who became mixed in a farm mortgage deal with a Coopersville bank, which officers attempted to foreclose, was locked up in the county jail because he declined to give bail and refused even the help of friends.

The trouble started when the bank in question levied on his farm claiming a debt amounting to \$5000. When officers approached the farm they claimed that threats were made. In the meantime, officers claim that the grain on the farm had been cut and prepared for threshing. This preparation was made by the representatives of the bank but Kooyers, it is said, claimed the wheat and had it taken from the farm in the night time. This brought an officer and a warrant to Olive township charging Kooyers with grand larceny. When Kooyers appeared before Justice C. E. Burr of Grand Haven he was given a hearing.

Four witnesses testified as to the processes of the law under which the courts decreed to Fred Van Aillsburg of Coopersville the rightful owner of the property in question. Kooyers planted grain, harvested it, and removed it to his barn across the road, Marvin Den-Herder, undersheriff, testified. He declared Kooyers to have threatened the claimants, who appealed to the officers for protection when seeking to recover the grain.

C. A. Lokker, county prosecutor, placed the whole matter before the court and asked Kooyers for a statement which he declined to make. He was not represented by counsel. He was bound over to Circuit Court on a bond of \$500 the trial set for September.

Following the trial Mr. Van Aillsburg offered to give Kooyers the grain and call the whole matter off providing he could take peaceful possession of the land. Friends and relatives declared they would try to persuade the defendant to settle the case. Meanwhile Kooyers was held in the county jail as he had declined to seek bail although officers declared it would have been no trouble for him to have secured the funds. It appears that Kooyers had a change of heart after a night in the "hoosegow" and the bail of \$500 was forthcoming and he is again free.

No one believes the man dishonest; he does not seem to realize what this court order meant and also still believes and says the farm is his.

DAVIDSONS ARE SPENDING WONDERFUL VACATION PERIOD IN MAINE

Dr. T. W. Davidson, pastor of Hope church, and his family are having a wonderful outing at Kennebunkport, Maine. He writes the News as follows: "Dear Mr. Mulder:—We are all fine and greatly enjoy the bathing and salubrious breezes of the Maine coast. The car is a great boon to us in finding the quaint and beautiful places found in all directions. This resort is an ideal place for a real summer vacation. Best wishes to all. Ever sincerely, Thomas W. Davidson."

SAM HABING IS SLOWLY IMPROVING FROM FALL

Samuel Habing, veteran mason, fell from an 18 foot scaffold to the floor below while at work at the new addition at the rear of Lincoln school on Columbia avenue. It is stated that Mr. Habing struck some machinery in his fall and sustained terrible bruises to the back and spine. L. Vanden Belt was bruised about the legs and Jake De Feyter sustained a broken foot. Alderman Bert Habing and Contractor Abel Postma had narrow escapes since Postma had just descended from the scaffold and Mr. Habing was about to mount it when the structure gave way and the men who were 18 feet up came tumbling down. They were rushed to Holland hospital where medical aid was given them; however, Mr. Habing, who was more seriously injured, is recovering nicely despite his advanced age of 73 years. Working men were hoisting brick and water on wheel barrows when the scaffold gave way.

GRAND HAVEN ENDURANCE CYCLISTS RIDE 200 HOURS

Four Grand Haven boys finished endurance bicycle contest Wednesday at nine, completing 200 hours of continuous riding. They are Billy Byl, Don Dykhuys, Gene Jobin, Kenneth Arkema. This record beats by seven hours the one made by a Grand Rapids quartet who rode 193 hours.

News Items Taken From the Files of Holland City News Fifty, Twenty-five and Fifteen Years Ago Today

FIFTY YEARS AGO TODAY

H. Huntley, brother of James and Al Huntley is here from Tunbridge Wales, England, visiting them.

Dr. Robert Best, of Overisel, has sold his home there and will come to Holland to practice. Note: He surely built up a big practice in this city in those days.

Among the social events during the week was the marriage of Rev. D. Van Pelt to Miss Gertrude E. Scott oldest daughter of Rev. Charles Scott, D.D., president of Hope College.

Messrs Boone & Co. of Groningen, have bought a little steam-tug to be used by them to tow their logs up and their lumber down Black River. The boys have christened it the "Mud-turtle" and so it looks. Note: The editor remembers the old "Mud-turtle" snaking long rafts of logs from Black Lake through the man winds in Black river. It was quite a journey to the mills at New Groningen. The mills were located in the bend at the bridge at the extreme north end of the Holland Country Club golf course. The bridge was then called Scholten's bridge, a wooden structure, and at the approach to this bridge was a "half way house" for thirsty travelers.

TWENTY-FIVE YEARS AGO TODAY

Bos & Bohuis have been given the contract to build the Bush & Lane Piano factory at a cost of \$30,000; 640,000 brick will be used in the construction.

Frank D. Farnsworth, Albert J. Vegter, John J. De Koeyer & John Greengood took the postal clerk examination at the local postoffice. The examining board consisted of Paul Coster and Ed. Westveer. Note: Today Mr. Vegter is a carrier, Mr. Greengood is assistant postmaster and Mr. Westveer is postmaster. Paul Coster, who was a carrier has been in private business for 20 years, first as a photographer then as an auto sales and

service man.

The C. L. King basket factory is turning out \$50,000 peach baskets daily and is doing a rushing business on butter plates. Note: This big factory located on the Kollen Park site, was one of the leading industries here. When woods and the source of logs were depleted to within a few hundred miles of Holland the factory stopped running and was dismantled and the yards are now Kollen Park.

Isaac Van Westenburgh of Grand Rapids will have charge of the H. J. Heinz salting house at East Saugatuck. Note: Since that time he has become a minister and is now at the head of a big Reformed Church in Chicago.

Prosecuting Attorney Orien S. Cross of Allegan county will be married today at Macatawa Park to Miss Louise Griswold, niece of M. J. Sherwood in whose cottage the ceremony will take place. Rev. Wm. Lucas, of Allegan, will officiate.

A. J. Muste, graduate of Hope College, has accepted a position of instructor in Greek at North Western Classical Academy at Orange City, Iowa.

FIFTEEN YEARS AGO TODAY

On motion of board member Frank Pifer, supported by members Frank Bohuis only such men as do not drink liquor will be hired by the Holland Board of Public Works, believing that the nature of the work in the power plants needs men with a clear head and not clouded with alcoholic beverage. The motion was carried upon recommendation of the superintendent. Well the boys have enough "Adam's ale" where they work.

Isaac Marsilje was elected president of the Board of Education, B. Steketee vice president and Henry Geerlings secretary.

Dyke and Oosting received the contract to build three miles of

AUTO LICENSE FROM HONOLULU DISCOVERED IN HOLLAND

Many motorists visit Holland according to license plates, nearly every state in the union from Maine to California being represented at some time or other. However a few days ago a motorist drove in sight with a license plate from Honolulu, Uncle Sam's extreme western possessions. The car belonged to Mr. "Ernie" English, who is making an extended visit with Mrs. English in America. They came to Holland to visit their aunt, Mrs. C. Graham, 83 West Fifteenth street, and his coming was a real surprise to his Holland relative. The lad was 14 when he left for the Sandwich Islands and is now 35 years old and Mrs. Graham had not seen her nephew during that period.

Mr. English is employed with a large business concern and is doing well. He formerly lived in Muskegon until sailing Hawaii.

Dead chestnutwood loses its tannin content so slowly that it is possible to extract tannin from native chestnut trees for 30 years after their death.

concrete on the Alpena road toward Getz Farm.

Mrs. Arie Doctor died at her home after an illness lasting almost since her son Arie Doctor, age 12 fell through a hole in the ice in Pine Creek Bay last January. The fact that the body of the boy could not be found until Spring contributed to the severe and fatal illness of the mother.

The home of Mrs. James Cook, formerly of Holland, now of Zeeland was the scene of a double wedding when two of her children were married. The contracting parties were Herman Cook and Miss Kate De Jonge and Edward De Pree and Miss Kathryn Cook.

Superintendent of Parks Kooyers believes that Burbank had nothing on Holland in producing freaks in nature. He says that he has a nest of young squirrels in one of the park trees and the young are pure white. To supplement these freaks he claims to have seen two "white black" birds with a flock of all black ones. The birds were a drab white John states and we assure you he is not "color blind."

Cappons Take New Route Home From West Coast

CALIFORNIA IS BOTH WINTER AND SUMMER RESORT, SAY HOLLAND FOLKS

Will Start for Holland on August 10 with Auto, Returning West on October 2

Mr. and Mrs. John J. Cappon of Holland this year have prolonged their stay in California, in fact this is the first time these home folks have spent a summer in the West and according to the letter, they rather like it. Mr. Cappon states that they will leave early in August, stay in Holland a short time, returning for Los Angeles in October.

The following letter is indeed interesting:

Holland City News, Holland, Michigan.

We plan to leave here the tenth or eleventh of August via automobile over a different route, through the Rockies than any route we have taken before. On this route there has been opened up to the motoring public during the past two or three years some of the most beautiful, thrilling and awe inspiring scenery to be found on this globe. This will include the north rim of the Grand Canyon of Arizona, which up to within two years ago was only accessible on foot or horseback; and we are told by friends who have seen the Canyon from this viewpoint, that it is equal to, and in many respects more beautiful; it is one thousand feet higher than the south rim. Before going to the Grand Canyon we will visit the much talked of Zion Park in Utah, and after retracing our track from the Canyon, we will visit Bryce Canyon, another of the great wonders of the marvelous western country; then there is Cedar Breaks which we are told is by no means to be lightly thought of as a scenic spectacle. Then we will visit Salt Lake City before continuing on towards the east. We have planned to take the Victory Highway to Denver which we anticipate as being very beautiful. From Los Angeles to Denver over the route we have outlined will be very much like motoring through the halls of a great Art Gallery, except that instead of seeing the artist's attempt at reproduction, we will see the master strokes of the great artist, Nature, who has been at work eons of time and who unlike the artist of brush and paint will never complete the picture; for even while one is admiring the scene the lights and shadows are constantly softening or darkening the color schemes in all of their varied shades. After passing through Denver we will be traveling over the great plains of Nebraska and Iowa; while interesting in a way the scenery will naturally be more or less monotonous after having seen the great wonders of the Rockies. This letter is largely one of anticipation; and it is often said that "Anticipation is greater than realization." We are looking forward to a full or even greater realization of our anticipation.

This is our first summer in California, and must say that it has been a great pleasure to be here; especially when we read about the excessive heat that the middle west has had. We have had a few days of quite warm weather, but, with very little humidity we had very little discomfort. This country really is an all the year resort; so, if you do not like the rigors of winter, or the excessive heat of summer, come to California, the land of enchantment.

Yours truly, JOHN J. CAPPON.

WALTER TELLER POST EARLY WORKER IN HOPE CHURCH DIES

According to information received by Mrs. Kate Garrod Post, 70 West Thirteenth street of this city, Walter Teller Post died at the age of sixty-three at Kokomo, Indiana, July 7, while he was visiting in that city.

Walter T. Post was the eldest son of the late Charles F. and Charlotte Taylor Post who were for many years residents of Holland. Walter attended school in Holland and when about seventeen years of age became an active member of Hope Church.

In 1890, he went to St. Paul, Minn. and held a position in the office of the Northern Pacific R. R. for many years. During this time he married Miss Willer H. Carl of Peru, Ind.

In 1906, he moved with his family to South Bend, Indiana, where he has since made his home. He is survived by his wife, one son Carl, of South Bend, Ind. and by a baby granddaughter.

STORES WILL CLOSE WEDNESDAY AFTERNOON DURING FAIR WEEK

C. W. Dornbos, president of the Holland Merchants' Association, has announced that Wednesday, August 20, will be Holland Day at the Holland-Zeeland Community Fair. The local stores and factories will be closed the afternoon of that day to permit the employees to attend the fair. The merchants have decided to do away with the annual picnic this year and in its stead lend their every support to the local fair.

ECHOS OF SAUGATUCK CENTENNIAL

The chairman of the Centennial Celebration held at Saugatuck recently in a long article conveying "thanks" through the Commercial Record says among other things: "Your chairman expresses most sincere thanks to everyone who in any way helped to promote the affair. She delights in the perfect harmony of it all—in the splendid co-operation of not only our own people but that of our neighbors, Holland, Douglas, Fennville, Lakeland or Gibson, Casco, which added much to our wonderful parade with their splendid floats; the Casco band, Holland Legion band and Holland School band and our own High School band—we couldn't have put it over without their inspiring music."

TALK ABOUT SHERLOCK HOLMES WE HAVE ONE HERE

Two Fruitport youngsters, one 13 and the other 12 years old, were taken into custody by State Police, charged with entering the home of Ernest Hentschell in that village. Among the loot was \$241 in money, including 96 pennies, a lady's watch, a man's watch, a rifle and some cigarettes. The fact that one of the little boys wore shoes which exposed his toes through the sole, led to the arrest. His tracks were followed directly to his home by the owner of the house which had been entered. Too bad Sir Doyle is dead—here is matter for another Holmes story. Both boys were to appear in the juvenile court of Muskegon county today.

Must Give School of Instruction to Election Inspectors

Republican political machinery will get into play with the county convention at Grand Haven on Sept. 16 just ten days previous to the state convention which will be held in Grand Rapids this year.

Ottawa County will have 22 delegates at the state meet, which makes her 15th in the list according to number. Detroit has 383, Grand Rapids 81, and Muskegon 25.

Shortly after the primary election, the successful candidates for republican nominations will meet to select a county chairman. While the state law has been changed regarding several election measures, this remains the same.

William Wilds, county clerk, at Grand Haven will hold a school of instruction on Aug. 14 for all township clerks and inspectors of election to instruct them in handling ballots and checking returns. Especially will they be cautioned about wrapping ballots after the count and securely sealing them. In the event of a re-count all ballots found without the seal are thrown out.

Due to the political situation in the state and the intense rivalry between candidates the primary election which virtually counts as an election in this Republican state may be a close one.

The new general election law stipulates that each year 20 days prior to a general election a school of instruction be held for rural election officers.

Dr. and Mrs. John Masselink of Zeeland are spending a few days at the Vandenberg cottage at Bu-deau Beach.

Mr. and Mrs. Andrew Verschure of Holland have been entertaining extensively at their cottage at Car-deau Beach.

LIVE WIRES TO HEAD C. OF C. MEMBERSHIP DRIVE

Secretary Charlie Gross of the C. of C. surely picked live ones on the membership drive that is to be

Alex Van Zanten

inaugurated soon. Just think, Bill Olive is chairman of the committee and you know what he is when it comes to soliciting insurance. Alex Van Zanten of the Peoples State Bank sure knows his figures and that counts in a membership drive and they'll all dance to Fred Meyer's tunes. We miss our guess when the drive gets into a

Fred Meyer

full swing. It will either be "wheat or chaff" for the prospective teams, the chaff going to the loser. The two generals, Van Zanten and Meyer, are to name eight captains and each captain will be privileged to appoint five additional helpers. The drive will be followed with a supper in which the winners will feast on chicken and the losers on pancakes.

Zealand "Hitch Hiker" Badly Hurt Near Holland

A lad of 12 named Herman Wagner of Zealand, a son of Mr. and Mrs. Ralph Wagner, was very seriously hurt doing a "hitch hiking stunt." He was struck down by a truck driven by Herman Tyink, also of Zealand, who drives for the Midwest Trucking Co. The mishap occurred while young Wagner was attempting to board a car driven by A. Taylor, Zealand.

The accident occurred on M-21 about two blocks east of the Holland city limits. Young Wagner was afoot on his way to Holland walking on the north side of the road, and had reached a point about midway between the Holland town school house and the Yocum service station when he hailed Mr. Taylor's car for a lift. In doing so, he stepped onto the pavement in order to force the driver to stop.

Taylor cleared the boy by driving to the left into the opposite lane and came to a stop in order to pick the boy up, when suddenly the Midwest truck shot by from the rear on the right, knocking young Wagner to the pavement. The fact that Taylor stopped suddenly and unexpectedly in the center of the street gave Tyink no choice but to swing to the right to avoid a rear-end collision with Taylor.

Young Wagner was immediately rushed to the Holland Hospital by Taylor and later brought by him to the Zealand hospital where it was found that he had been struck in the groin by the fender, and a truck wheel had lacerated the flesh and tendons and splintered the bone of one leg at the ankle. He was picked up in a dazed condition, in which state he remained for a day or two. The lad is slowly recovering.

CIGARETTE CAUSES AGNEW WOOD FIRE

Some irresponsible "snipe" of a kid was seen to throw the "butt" of a cigarette out of his car window in the grass in the beautiful woods at Agnew where U.S.31 and M50 meet. Soon the fire was racing through the woodland and Geo. Bork, candidate for Drain Commissioner, who was on his way to Holland, and Jack Marcus gave the alarm and with sixteen other men began putting out the fire. They did not succeed until the underbrush in two acres of wood had been destroyed and the bark of many trees scorched. What effect this will have upon the trees will not be known until next year. The kid rode on and possibly does not even know the destruction left in his wake through this and similar cigarette "butts" he threw out in his listless travels.

Definite evidence was secured that the blaze was started through the carelessness of the cigarette smoker, as a smoldering butt proved. Posters lining the highways, beg the motoring public to be careful. Mr. Bork urges every smoker, every one using a match in the open to try their utmost to prevent fires. The smallest spark thrown into the dry grass at this season, with a burning sun may turn a woods or field into a raging conflagration, he says.

TEN SPANISH AMERICAN WAR ORGANIZATIONS TO PICNIC HERE

Saturday, August 16, is to be a gala day for the Spanish American War Veterans and Auxiliaries of Holland, Muskegon, Allegan, Grand Rapids and Grand Haven. They are to stage a large basket picnic at Tunnel Park and altogether there will be ten organizations represented and will include the families of these members. It is to be a large gathering and all the picnic sports and a well laden basket will feature the outing. A visit to Lakewood Farm just north of the park will be on the program, it is said.

The committee in charge is T. Vander Water of Holland, George Bork of Grand Haven and Charles Redman of Muskegon.

Ed and Herman Bos are leaving on a ten-day trip in northern Michigan, Wisconsin and Illinois.

NEW HOLLAND BELL TELEPHONE BUILDING OF DUTCH ARCHITECTURE

Manager C. E. Ripley of the Michigan Bell Telephone company states that within a few hours Holland is to realize what it has been looking for for many years, namely an up-to-the-minute telephone service.

About five years ago the Bell company took over the old Citizen Lines with an antiquated dial service that had done very well for a score of years and under good management. However the best of machinery does wear out and Holland has been hoping and praying for an entirely new system and it goes without saying that at mid-night Saturday this city with its 3000 phones will be connected up with the best exchange on earth.

For a year and a half the Bell company has been planning and building with night and day forces putting up the beautiful structure of Dutch architecture located just across from Centennial Park, adding to the beauty of the fringe of public and semi-public buildings that surround this breathing spot. The grounds have been beautified, the building has been completed and the equipment has been installed all at a cost of three-quarters of a million dollars. The building is three stories and basement, the outer walls being of red brick trimmed with limestone. Surely the intricate machinery, closely woven wires, cables, one dizzy to try to comprehend what a tremendous job this must have been, every wire of the thousands of wires placed just so; every wheel and cog—thousands of them—working like timepieces. A large

force of men have been working day and night, double shifts, in order to complete this tremendous task.

Manager Ripley says the cut-over will be made at midnight Saturday. As the old saying goes, "The better the day the better the deed," but the local manager says this was not taken into consideration. However between Saturday and Sunday, after all business is closed until Monday, the calling rate is shut down at least 80 percent and that all helps in the work of changing over.

The changing of numbers is made necessary because of mechanical requirements of the new dial telephone system, which will be placed in service here at twelve o'clock this week Saturday night, Mr. Ripley says. The number changes will become effective at that time.

In connection with the change to new dial service there will be a change in the method of making calls from your telephone in that it will no longer be necessary for you to operate a push button to ring the bell of the telephone you have dialed. Other features to be introduced with the new service are: The Dial Tone—a "humming" sound which indicates that the equipment is ready for your call; the Ringing-Signal—a "burring" sound which informs you that the bell of the telephone is ringing; and the Busy-Signal—a rapid "buzz-buzz" sound which informs you that the called line is busy.

In the case of party line service it is important that each subscriber operate the switch, associated with his telephone, to the downward

position as near 12 o'clock, Saturday night, as possible. If it is not possible to operate the switch at 12 o'clock Saturday it may be done before that time or in the morning. However, it is necessary that the switch be operated to the downward position before attempting to answer or to make a call after 12 o'clock, Saturday night. (If operated before, incoming calls will not be received in the interval between that time and 12 o'clock; if operated after, the telephone bell will ring on calls for all parties on the line between 12 o'clock and the time the switch is operated.)

It has been found that subscribers generally originate more than the normal number of calls during the first few days after a new dial office has been placed in service. It will be very helpful in maintaining a good grade of both outward and inward service if each subscriber will restrict his telephone calls to the normal number for the first few days following the cutover.

In order that telephone users may continue to call the old numbers until the new numbers become effective, Manager Ripley suggests that all subscribers continue to use the old directory, with the gray cover, until twelve o'clock Saturday night, August 2, and that they use the new one with the red cover after that time.

Manager Ripley believes that the users of the new dial equipment will be pleased with it. Instructions in the use of the new service are being given by means of demonstrations at the company's business office, 205 River avenue. The new telephone directory also will contain instructions in its information pages.

**THE AUTOMOBILE
DOLLAR**

It is altogether fitting at this time when the city is filled with tourists to stage an automobile parade as is being sponsored by the local dealers through the co-operation of the Holland Chamber of Commerce. An automobile is the vehicle that today contributes at least 90 per cent toward our recreation and especially toward the recreation of our traveling tourists. This being a summer town, the middle of the resort season is bringing about a parade of this kind. It is another way of showing our ware and "telling the world" that Holland can supply any make of motor car the most exacting heart desires. It is rather interesting to note that today the automobile dollar buys more than any dollar on earth, so to speak.

An observant newspaper paragrapher says, "Perhaps one reason for the constantly increasing number of automobiles is that bargain hunters have discovered that, in terms of 1914 purchasing power, the 'automobile dollar' today is worth \$1.22, while the 'cost of living dollar' is worth only 62 cents."

The Holland City News believes this comment touches one of the greatest economic miracles of all time. The motor car is the child of faith. It demanded big money from an age that had little money. In the beginning it was stigmatized as the "rich man's plaything." According to the financial status of the average man of the time, the first automobiles cost a lot to make, a huge sum to buy and too much to maintain.

At such a time, vision was required to prompt men to strive for the development and perfection of a thing that so few felt could be perfected. It was a sort of prophetic vision that could fix as its purpose the making of cars priced within the reach of the common run of folks.

But there were men of such vision. They worked and risked and waited and won out. They brought the automobile up from an extravagant thing to a necessary, economical thing. They made it an every-day servant, and at the same time they were putting quality into it, they were cutting the cost out of it. Weighed with the dollar, it became better and better. The automobile dollar appreciated even while the "cost of living dollar" was depreciating; that is—all the time of the economic shift which made it harder for the dollar to meet the demands of other necessities—the automobile was giving more in service and quality for a decreasing price. It is a remarkable achievement.

She Shot the Wife**

Already weakened, partly demolished by terrible earthquake shocks, many houses, palaces and churches in Naples were leveled by a severe gale, adding to the terror and loss of life. Then came a tidal wave driven by the gale.

After repeated earthquake shocks, with Vesuvius blazing menacingly in the background, a hurricane sweeping the city, thousands injured, two thousand dead, no wonder the people are frightened.

The appalling extent of Italy's disaster is due to the fact that in building even small dwellings, walls and floors are nearly all made of stone, roofs of heavy tile. Earthquakes causing even slight disturbance, separating walls, allow heavy stone floors and tiled roofs to fall through, killing the inmates.

It is believed that Mussolini will order dwellings rebuilt of reinforced concrete. Ordinary steel framing is too expensive; lumber, scarce in Italy, is too perishable to suit Italians.

McIntire-Marshall, an American concern, erecting the great bridge across the Hudson river, has devised a method of steel construction, extremely light, little more expensive than wood. Mussolini should investigate that.

In ancient days men gathered to watch elephants, tigers, bears, rhinoceroses and other gigantic animals fight each other or fight gladiators. All interest centered on the big enemies of mankind.

Rembrandt painted a most interesting scientific picture of an elephant, with its queerly made knees and deep wrinkles. He never heard of a microbe.

Today human intelligence is concentrated on enemies too small to be seen, far deadlier than any poisonous snake or any ferocious tiger.

Dr. Thomas F. Rivers of the Rockefeller foundation showed a gathering of scientists in Paris slides, explaining experiments with polio virus, or parrot disease.

And Doctor Pfeiffer, learned German, discoursed on the "Pfeiffer bacillus," known to cause certain forms of influenza.

The germs discussed are so small they pass through porcelain filters. No microscope is powerful enough to reveal them.

Science is not even able to explain how the germ of grippe or polio virus, after years of harmful inactivity, can suddenly spread world-wide, creating havoc in a few months.

Calvin Coolidge wrote a history of the United States in 500 words to be engraved on a mountainside in South Dakota. Mr. Borglum sculptor, carving the mountain, changed the text. Mr. Coolidge disowned it, and will probably write another.

You feel as though you had read of Moses coming down from the mountain with the Ten Commandments, and Borglum changing the wording, possibly leaving out the word "not."

Lady Owen, in Paris, rich, titled woman, fell in love with Doctor Gastaud. He, she says, reciprocated until she lent him 100,000 francs. Then he stopped reciprocating, went back to his wife and—only the vernacular describes it—gave Lady Owen "the air."

Lady Owen thereupon shot the wife, Mme. Gastaud, three times, principally in the stomach.

Smoking gold-tipped cigarettes rapidly, Lady Owen expressed indignation surprise when the police refused to set her free. Who can read the heart of a woman?

Why shoot the poor wife instead of shooting the "air giver"? All through the ages women have protected men and blamed each other.

Dr. James Eads How, lifelong friend of poor men, is dead of starvation, leaving perhaps \$1,000,000. He believed that abstention from food could cure anything. His theory has cost him his life.

His money is left to help the most unfortunate class of unemployed, the "hoboes," whose friend he had always been.

The good example of sympathy is worth \$1,000,000, wisely spent or otherwise. But \$7,000 spent on ambitious youth might do more for the poor than \$1,000,000,000 spent on confessed failures.

The work of one man, Edison, has paid to workers \$1,000,000 for every dollar that How leaves to "hoboes." It will continue paying billions in wages and profits for generations to come.

Doctor Wood, head of the Crocker Cancer Research institute, announces the successful growing of cancer cells in a glass tube.

That they are genuine cancer cells is known because, transplanted in the bodies of rats, they produce cancer.

For 3,000 years, Doctor Wood says, men have "worked with dead cancer cells." Now, for the first time, we have them alive, and capable of producing human cancer.

The announcement is important. To hold and study your enemy is a great advantage.

News was received in Holland by Mr. and Mrs. Byron Girard and Mr. and Mrs. Gerrit Dalman of the death of their nephew, Wesley Reynolds, 15-year-old son of Mr. and Mrs. Verne Reynolds of Kalamazoo. The boy was instantly killed while a spectator at the auto races at Recreation Park at Kalamazoo. The racing car of James Brown of Findlay, Ohio, left the track near the end of a 100-mile automobile race, crashed into the fence and killed the boy instantly.

Mr. and Mrs. E. J. Blekkink and daughter Ruth are on an auto trip through Wisconsin.

**"BILL" EATON ENTERTAINS
HOLLAND FAIR DIRECTORS
AT WAUKAZOO**
**Holland Men Plan Biggest Horse
Show Ever Given at Fair**

The annual fair, under the Holland-Zeeland Fair association, promises to be the greatest under the present committee. The event will be held at the local grounds Aug. 19-28. Last spring many of the buildings were damaged by the winds, but work under the direction of William Eaton has placed them in first class condition.

The horse show will be in charge of Charles Kirchen, and animals from all over the state will be entered. Other exhibits are being planned, among them a poultry show. The Johnny Jones shows will be at the fair during the four days.

The horse show and the fair in general received an added impetus at a meeting of the directors held on the beautiful estate of William L. Eaton at Waukazoo. There was much business discussed but there was also much pleasure in the way of a picnic lunch provided by the genial host, Mr. Eaton.

The presiding officer, Austin Harrington, opened the meeting with an outline of conditions at the fair grounds, conditions of the buildings, of their being repainted and said there was no finer property of that character to be found in the state of Michigan in spite of the recent storm. The chairman gave full praise to all those who participated in helping along the fair and he specifically mentioned "Bill" Eaton, Mayor Brooks, Charles Kirchen and Carter Brown.

Mr. Kirchen, who has much to do with the horse show which has become a most popular feature, stated that he felt that this horse show at the Holland fair would continue to develop and one reason for this was the love that the rank and file have for a beautiful horse and he stated that indications now are that the best horse flesh from Michigan will be entered in the show in August.

Secretary Vande Bunte gave a short review of past successful fairs but stated that this year would have them all beaten, that even at this early date every foot of space in the Art Hall had been spoken for. The poultry exhibit will also be tremendous. An additional building will have to be built to accommodate this exhibit of poultry, rabbits and pet stock. The added building to accommodate the poultry is to be under the supervision of William Eaton.

Carter Brown of Castle Park stated that Holland would be surprised to know how many resorters spend nearly the entire week at the fair. To them it is a novelty and a diversion in their resorting program. Most of them are very much taken up with the horse show. Mr. Brown contended, Mr. Brown also stated that since this is the center of the baby chick industry, that a pretentious exhibit along these lines would indeed be appropriate. He also suggested that our Dutch characteristics be emphasized in our advertising matter abroad and that the windmill and the wooden shoe be liberally used.

Bernard P. Donnelly stated that fairs cover a greater scope today than formerly. The fairs of yesterday comprised cattle, horses, sheep, hogs and products of the farm and while these are very essential attributes, still the fair of today has much more to show and one of these departures has been the horse show, that from a very small beginning has developed into tremendous proportions. He mentioned the fireworks feature, the different state exhibits, domestic science and school competition, all unknown in the old fairs. The fair of today is a gigantic undertaking and the men who sponsor it should receive the unstinting support of all citizens. Mr. Donnelly stated.

The Holland-Zeeland fair board were very much enthused and encouraged at this meeting. "Bill" Eaton, they voted, is a wonderful host, and an untiring executive as has been shown in his organized effort to rebuild the fair after a tornado had played havoc with many of the buildings.

Mrs. Gertrude Boer of Holland and Rev. Wm. Stuart of Grand Rapids were quietly married last week Thursday evening at the home of the bride's parents, Mr. and Mrs. James A. Brouwer. Rev. H. H. Meeter of Grand Rapids performed the ceremony in the presence of the immediate families. Immediately after the ceremony the couple left for a honeymoon trip to Chicago. They expect to make their home in Grand Rapids where Rev. Stuart is instructor of Bible at the Christian High School. Mr. Stuart has been president of the Federation of Women's Societies of the Reformed churches of Holland for a number of years.

Miss Anne Meengs, who has been studying in Chicago, is spending the summer vacation at the home of her parents, Mr. and Mrs. Henry Meengs, 140 East Sixteenth street.

Miss Mary Robinson of Ann Arbor is spending a two month's vacation in Holland at the home of her parents, Mr. and Mrs. Wm. Robinson.

Mr. and Mrs. Henry G. Terpstra and family have moved from their former residence at 252 East Fourteenth street to 340 Lincoln Avenue.

**OSBORN NOW BEGINS TO TALK
POLITICS: WILL BE AT PENN-
VILLE MONDAY**

Chase S. Osborn, former governor of Michigan, has carried his fight against Senator James Couzens of Detroit, for the Republican nomination as U. S. Senator, back into Western Michigan. Tuesday in an address before the Benton Harbor exchange club members and guests, the orator from the Soo asserted he entered the race solely in the interests of responsible government for Michigan. Cheered repeatedly during his talk, the speaker showed he had lost none of his noted vigor nor ability to see clearly through any question.

Saturday the former governor will speak at the Fenwick picnic. Monday he addressed the Ypsilanti Rotary club, and Sunday he spoke on the need for a return to Christian living and family worship in our homes at an address before the Social Safety association in Grand Rapids.

**PAUL SCHILLEMANN RUNNING
FOR DRAIN COMMISSIONER**

Paul Schilleman of Holland township has announced that he is a candidate for Drain Commissioner on the Republican ticket. Mr. Schilleman is a member of the Holland Township Board and is well acquainted in lower Ottawa. He is the son of the well known old auctioneer Chris Schilleman of Zeeland. The son has followed in the footsteps of the father as an auctioneer and is associated with Mr. Bouwmaster in this work.

**PENNEY EMPLOYEES
STAGE PICNIC**

Mr. and Mrs. H. Warnhuis entertained the employees of the J. C. Penney company at the Ottawa Beach Oval Thursday. Several picnic sports featured in the program for the evening. There was plenty of bathing and rambling around in the sand and hills of Ottawa Beach. The host and hostess have been camping at the State Park and felt this as an auspicious occasion to entertain their co-workers in the Penney store family.

Among those who attended were Mr. and Mrs. L. Jacobs, Mr. and Mrs. H. Frondt and Mr. and Mrs. H. Warnhuis, Miss Anna Straat-sma, Miss Henrietta Gebben, Miss Jennie Koees, Miss Gertrude Wabbeke.

**TWO CONTRACTS ARE LET BY
BOARD OF PUBLIC WORKS**

Two contracts, totalling nearly \$35,000 were awarded Monday night by the Holland board of public works which met at the City Hall in a special session.

The Allis Chalmers Manufacturing company's bid of \$32,727 was accepted by the board from a field of four, for a metal-clad switch gear for the Fifth street station. This will replace old equipment at the plant to take care of the increased voltage made possible by the new turbine.

The other contract let was for steam piping. This was let to the Pittsburgh Pipe and Equipment company whose bid of \$2,217.45 was low in the field of seven.

**WEAVER-LUIDENS WEDDING
TAKES PLACE A PINE LODGE
AUDITORIUM**

The first marriage ceremony to be solemnized in the new auditorium at Pine Lodge occurred Friday evening when Miss Mary Weaver of Hamilton became the bride of Theodore Luidens, son of Peter Luidens of this city. The auditorium was beautifully decorated in palms and ferns. Rev. Bernie Mulder of Pella, Iowa, performed the impressive ceremony.

Presiding the ceremony Miss Anna Luidens, sister of the groom, beautifully rendered "Beloved, It is Morn." The wedding march was played by Miss Marion Luidens, niece of the groom.

The bride looked very charming in a beautiful gown of white satin trimmed with lace. Miss Alice Hirschman of Holland, who is bridesmaid, wore a lovely gown of yellow chiffon. Preston Luidens acted as best man. Little Betty Mulder was flower girl.

Immediately after the ceremony a wedding banquet was served to thirty-five guests in the dining room of the Pine Lodge hotel.

Mr. Luidens is a graduate of Hope college and also of the New Brunswick Seminary. He has accepted the pastorate of the Reformed church at Williston Park, Long Island, New York. The bride attended Hope College and received her degree from Kalamazoo State Teachers' College.

**NEW BOAT CONCERN LOCATES
IN HOLLAND**

The Holland Boat Manufacturing company located at 270 East Eighth street, will be headed by R. C. Parks, who is a designer and manufacturer of boats and automobile bodies and trailers. The company will manufacture boats, aquaplanes and water boards and trailers of all sorts with the exception of the largest trailers, which will be handled through an agency agreement.

**AMERICAN FLAG SHOULD BE
USED ON PATRIOTIC DAYS
ONLY**

The Willard G. Leenhouts Post No. 6 American Legion has asked the Holland Merchants Association that the American flag be displayed only on patriotic days. The Holland banners, which were purchased recently, should be used for conventions, distinguished guests and other occasions.

**MISS FRENCH VISITS WITH
DIEKEMA'S AT THE HAGUE**

Miss L. Ruth French, daughter of Mr. and Mrs. Charles A. French of the Holland Evening Sentinel, enjoyed a visit at the home of Minister and Mrs. G. J. Diekema at The Hague. Miss French flew from the Croydon airdrome, England, to Rotterdam and The Hague to visit the Diekema's. Miss French was entertained at dinner at the Minister's home and after the meal she enjoyed an automobile trip about the city with her hostess.

**HOLLAND'S TULIP TIME IS
STILL BEING ADVERTISED**

Harry Harrington of the Harrington Coal company has sent the Holland City News a matted copy of the A.S.A. News, a trades magazine circulating many thousand copies. An entire page is devoted to Holland's Tulip Time and a picture is printed of the cornucopia of tulips as seen in the flower show.

The write-up covers a page touching on Holland's history, its foundation, the idea of tulip time in Holland, the description of beautiful homes and parks and the fact that Charles A. Gross, secretary of Chamber of Commerce, gave a broadcast from Chicago over station WLS maintained by the A.S.A. News. Surely through the broadcast and the publicity received through the trades magazine Holland is again favorably advertised.

Born to Mr. and Mrs. Ray A. Eusden of Newton, Mass., a son, on July 29, Mrs. Eusden was formerly Miss Marie Dykstra of Holland.

**RLCA PASSES TWO RESOLU-
TIONS**

The Post Office department will receive notice of two resolutions passed by the Michigan Rural Letter Carriers Association at their twenty-eighth annual convention held in Holland last week.

The resolutions have to do with the handling of third class matter and the manufacture of mail boxes. The first resolution, dealing with third class matter, points out that matter could be handled much more easily if the articles were of a standard size and urged the department to require a set size.

The other urged the department to encourage the manufacture of number two mail boxes equipped with a lid which when open does not fall below a point at the bottom of the box.

The resolutions committee also extended their support to the Ladies Auxiliary towards the enactment of legislation that will provide for the widow of a deceased carrier.

Officers of the department and those who have interested themselves in efforts to secure the adoption of legislation to meet rural needs were thanked by the Association and asked to continue their efforts in the same direction.

The committee on resolutions also moved that the proper steps be taken to get the weeds and brush along rural roads cut and burned along the state and county trunk lines as is required.

The committee on resolutions was made up of Harry E. Russell, Ann Arbor, chairman; Harry Ullsh, Shepard, and Charles Iler, Hopkins.

**THRILLING BYRD
ADVENTURE SEEN
IN REAL DETAIL**

Daring South Pole Flight One of Wonders of Rialto's True-Life Feature

The daring flight of Read Admiral Richard E. Byrd across the South Pole is only one of the feats of daring and heroism captured by the Paramount cameraman who brought "With Byrd at the South Pole," a thrilling picture of adventure, to the United States. The feature film, which will show at the Holland theatre Friday and Saturday, Aug. 1 and 2, is a continuous drama, filled with adventure, humor, thrills and romance.

Never before has such a colorful pictorial record been spread on the screen. More than 30 miles of film were required to perfect it. From the moment Read Admiral Byrd and his intrepid band of explorers landed in the unknown region at the "bottom of the world," until they started the final trek for home, the life they lead, the sights they saw, the thrills they experienced are in this film for everybody to wonder and marvel at.

Mr. and Mrs. J. C. Roodvoets have moved to 302 West Sixteenth street to make their future home.

REPORT CONDITION OF OTTAWA JAIL EXCELLENT

Grand Haven Tribune—Following a recent inspection of the Ottawa County jail, Sheriff Cornelis Steketee received a letter from F. C. Nicholson, state inspector, complimenting the sheriff on the excellent condition of the premises. Especially did he mention the spotless mess and order. He assured the sheriff of the appreciation of the state welfare department.

BADGER TROPHY IS NOW PERMANENT FOR HOLLAND'S CO. D

Company D, 126th infantry, National Guard, added the Badger trophy to its permanent possessions in Holland Armory.

The trophy was presented by the Wisconsin officers' divisional staff to the company in Michigan National Guard showing highest military proficiency, which represents the inscription on the emblem.

The trophy is 14 inches wide and 18 inches high. The Holland guards, 62 in number, won the trophy for the third successive year at the Grayling encampment.

Capt. Geerds has been in command of the company for nearly 10 years and has been in military service since 1914. He did valiant service over seas during the World War.

HOLLAND MANUFACTURER AGAIN ADDS TO PLANT

Hart & Cooley, manufacturers of furnace accessories, has placed the contract for a one-story 24x140-foot brick and steel addition to its plant on M21 just east of the Holland city limits, with Contractor Martin Oudemool of this city. Work was started Monday.

The plant, formerly known as the Federal Manufacturing Co., has developed into one of the largest industries in this city.

NOTES FROM THE ALLEGAN
COUNTY AGRICULTURAL
AGENTS' OFFICE

By A. D. Morley

The Soils Laboratory Truck, a
traveling soils laboratory, will visit
Allegan county in the near future
according to A. D. Morley, county
agricultural agent.

There is no longer any need to
guess as to the lime or fertilizer re-
quirements. A simple reliable test
can now be used to tell accurately
the amount of lime required for the
soil and the amount and kind of
fertilizer to apply.

The farmers of Michigan have in
crops approximately eight and one-
half million acres each year and ac-
cording to the soils department of
Michigan State College, over six
million acres of this need lime and
nearly all of it needs fertilizer of
one kind or another today and
needs the immediate attention of
every farmer.

Where lime is needed it is un-
doubtedly the controlling factor in
production and should come first,
then fertilizer can be profitably
used. Tests show in some cases the
use of lime has made the use of
fertilizer five times more profitable
and the combined use has trebled
the income over a period of years.

The Soils Laboratory Truck will
be in the county for a series of five
meetings, the dates and places of
which will be announced later.

Tuberculosis in the poultry
flocks of Michigan is serious and
wide spread. It has become so seri-
ous in several states that laws have
been enacted restricting the im-
portation of poultry unless they
have passed the tuberculin test.

This is the time of year when
hens slow down in production. The
farm flock should be culled rigidly
and the sickly, non-producer and
light hens disposed of. They may
not have tuberculosis, but hens
older than one year that have been
producing steadily are much more
susceptible to an infection than a
strong, healthy, well-fed pullet.

Pullets from a flock of healthy
chicks, raised on clean grounds un-
til they are ready for the laying
house; which by the way should be
thoroughly disinfected, are a much
better business risk for the farmer
than a mixed flock of old hens and
pullets.

Tells How and
Where the "Big
Fire" StartedINCIDENTS IN CONNECTION
WITH THE BURNING OF
THIS CITY IN 1871

III INSTALLMENT

(By Albert Kamferbeck)

Going back to the corner where
our goods were temporarily
dumped, we now commenced to lug
them eastward till about one-third
the distance of the block on Sev-
enth street, between College and
Columbia avenues, on the south
side of the street, just about where
now the Farmers Co-op Mill is lo-
cated. Formerly a hill crossed Sev-
enth street here, but this hill was
cut through about two or three
years before, creating a ten-foot
high sand bank, the street being
about that much lower than the
property along it. This made a good
place to bury the goods as we only
had to dig a very shallow hole and
rake the sand from the hill over it.

While we and a number of other
people were busy burying our
goods, a man alongside of us, who
was doing the same thing, after he
had put his goods in the hole, put
one of those large old-fashioned
clocks of about a foot and a half
high, a foot wide, and three inches
deep, on the top of his goods and
then covered the whole over with a
large blanket. As I thought he in-
tended to let it go at that, I was
about ready to tell him that he
ought to put the clock between his
goods and then cover the whole
over with a thick layer of sand as
we all did, because otherwise his
goods, on account of the rain of
sparks, would unquestionably be
consumed. Before I could utter this
he dumped a large shovel full of
sand on his goods which at once
crushed in the glass door of the
clock.

Looking at me, he said: "I must
be crazy. Had I put the clock be-
tween the goods, I could have saved
it, now, however, it is ruined."

Blunders like this and the one I
mentioned before occurred again
and again during the raging of this
all-devouring fire, and these blun-
ders were not to be wondered at,
much less laughed at. I, as a 14-
year-old kid, did not at that time
fully realize the full extent of the
terrible calamity which over-
whelmed the older people, and the
nervous breaking strain under which
they labored at that time.

This great fire destroyed between
200 and 300 dwelling houses, and
so to speak, the entire business part
of the city.

On the south side of Ninth street,
between Central and College ave-
nues, the fire came to a stop just
west of the J. W. Bosman building,
which building is still standing
today. On Eighth street the fire
was brought to a stop on the south
side of the street, between College
and Columbia avenues, just west of
the Wakker building—torn down
since that time to make room for
the Slag & Zuidewind buildings,
now occupying that site. On the
north side of the same block, the
fire was brought to a stop just west
of the building opposite the Holland
Theatre. This building—still stand-
ing—was the only wing part of a
building at that time but was
changed later into a full-fledged
house as it is today.

By this great fire, one old lady,
Mrs. Jacob Tolk, whose husband
had died several months before,
sadly perished. She lived in a shanty
in the center of a large lot on the
northeast corner of Pine ave-
nue and Ninth street. She had been
seen and spoken to by neighbors,
as I heard at that time, but refused
to leave, thinking that her dwelling
place would escape destruction. The
next morning I saw her charred re-
mains lying in the midst of the
ruins of her humble home.

A young married lady died while
the fire was raging. The husband
took the corpse in his arms and
carried it to a place of safety,
watched over it till the next morn-
ing, when he had her buried.

A widow, whose husband had
died the previous month of May, as
a result of appendicitis—then
known as inflammation of the
bowels—took her two small chil-
dren, when her home was burning,
and fled with them to the cemetery,
where she was found the next
morning waiting over her husband's
grave and piteously calling his
name in this hour of great sorrow.

A widowed lady, whose baby had
died the day before the fire, took
the corpse in her arms and fled with
it to the eastern part of the city.
The next morning she visited the
ruins of her home, still carrying
her dead baby, and reluctantly con-
sented to have it buried, crying
piteously and saying it was all she
had left in the world.

Holland City, Mich., July, 1930.
The End.

Roy Hamilton, who gave as his
address 1115 California st., N. W.,
Grand Rapids, was arraigned in
Grand Haven justice court and
pleaded guilty to driving while
under the influence of liquor. Jus-
tice C. E. Burr assessed him \$100
fine and \$4.65 court costs, with 10
days in jail. If the fine is not paid
in 10 days he will remain an addi-
tional 20 days.

GRAND HAVEN TRIBUNE

TELLS OF 10 INNING
GAME WITH BOTER
TEAM AT HOLLAND

Grand Haven Tribune.—The
Grand Haven All Stars played a
return game in Holland with the
Boters Saturday afternoon and had
to go ten innings before they could
come home with a 7 to 6 victory.

The woodchoppers made eleven hits
to the All Stars' ten, but committed
five errors to the Havenites' three.
Bosworth was throwing for the
All Stars and fanned ten men,
walked three and walked one.
V. Fogarty fanned Sluka, the first man
up, then Bill Robinson drove a hot
one through the pitcher, E. West-
erhof then hit to shortstop, and
Bill was out on second with Elmer
parked on first. Secory beat out a
bunt and Elmer came in when the
catcher missed the ball. Secory got
a nice hand from the crowd in the
last of the first when he made a
barehanded catch of White's high
foul in front of the stands, right
against the screen. B. Rutter came
to bat in the second with two down,
and planted the ball out in center
field for a double, scoring on Bos-
worth's single to short right field.
In Holland's half of the inning Fo-
garty led off with a double and
scored on Eastman's hit thru short.
E. Westerhof scored in the third
on H. Westerhof's single to center.

PICKLES BEING
PICKED NEAR ZEELAND

The H. J. Heinz Co. plant here
has started pickle packing opera-
tions for the 1930 season. Accord-
ing to reports from farmers in this
section there will be a fine crop.
Saturday's rain improved the local
outlook. The plant has signed up
one of the largest acreages in re-
cent years. The receiving stations
at Borculo and Rusk will be opened
next week. They send their pickle
reports to the Zeeland salt house.

Dell Fogarty robbed Secory of a
single when he went up in the air to
get Secory's drive to left. In the
fourth Bosworth dropped one over
the second baseman. Sluka was
safe when the first baseman mis-
judged his high fly. Bosworth
scored on Robinson's hit to center.
Sluka came in when Robinson tried
to go to second, Bill finally being
out.

V. Fogarty doubled to left in the
fifth and came in when Bill Robin-
son lost McCarthy's hit in the sun.
White doubled in the fifth and
scored on a wild pitch. N. Eastman
wheelied a walk from Bosworth
and came in on B. Eastman's single
to center. The Boters got a run
across in the eighth to tie up the
count. Secory got going in the
tenth, driving one thru the short-
stop. The second baseman juggled
H. Westerhof's hit and Secory
came home. Bowman flied out to
right field and Harold came in after
the catch. In Holland's half, Brandt
walked and came in on White's
double to center. White tried to get
to third on the hit but was caught.
McCarthy flied out and Bosworth
fanned Eastman to end the game.

SPEEDBOAT IS TOWED INTO
PORT UNDER WATER

The Knappen speedboat Wildcat
which was rescued from the beach
at Grand Haven is now being re-
paired at the Barrett Boat Works
in Spring Lake. The boat was sal-
vaged in time to save her from be-
ing pounded into wreckage by the
U. S. Coast Guard crew and Swartz
& Jobin, who used a scow to keep
the craft up until she could be
brought to the repair yards.

The speed boat became disabled
when the ignition was wet by the
sea. Endangered offshore by the
sea, the craft was headed ashore
and permitted to drift on the beach,
when her occupants left her in
safety. The owner started down
the shore and enlisted the aid of
Swartz & Jobin, who took a small
scow to the scene. Because of a
hole stove in her bottom, the Wild-
cat would not float alone and was
made fast to the scow's bottom.

The Coast Guard power boat
came up and hauled the odd sal-
vaging outfit into deeper water.
The speed boat entirely submerged
was thus towed to the Spring Lake
yards.

ILLINOIS POULTRYMEN SET
SEPT. 3 AND 4 FOR ZEELAND.
HOLLAND MEET

The Illinois Poultrymen's asso-
ciation has set Sept. 3 and 4 as the
dates for its proposed tour of the
southwestern Michigan poultry
belt. They will spend most of the
first day in the Holland-Zeeland
section, the "Petaluma of the Mid-
dle West."

Leaving here, the tourists will
drive to Michigan State college to
inspect the poultry plant and the
international egg laying contest.
En route home, the visitors will
stop at the A. M. Smith & Co.
packing plant in Eaton Rapids, the
Layher Bros. Turkey ranch at Na-
poleon and the Kellogg farm near
Augusta.

CHRISTIAN REFORMED
ASSOCIATION TO MEET
IN HOLLAND, SEPT. 11

The Christian Reformed Sunday
School association of the middle
west will hold its thirty-fourth an-
nual convention at Holland, Sept.
11, according to Rev. L. J. Lam-
bert, secretary of the organiza-
tion.

Morning and afternoon sessions
will be held in Fourteenth Street
Christian Reformed church, but the
closing session will be held in the
auditorium of Central Avenue
church.

Five hundred delegates and visi-
tors are expected. The first meet-
ing of the association was held in
Holland in 1895.

Michigan Eggs
Are Largest;
Hens Lay MoreZEELAND FIELD MANAGER
SAYS MANY EGGS INCREASED
IN SIZE TWO OUNCES

Consumers of Michigan eggs are
getting more egg for their money
than ever before, records in the
eighth international egg laying
contest at Michigan State College
indicate.

Largely as a result of the pou-
ltry improvement program insti-
tuted by the college's poultry de-
partment five years ago, Michigan
hens now are not only laying more
eggs per bird, but also are laying
larger eggs.

The contest hens laid 18,859 eggs
in June. These eggs scored 19,189-
95 points, indicating that the aver-
age weight per egg was in excess
of two ounces, as the rules of the
egg-laying marathon provide for
crediting hens with a full point for
each egg weighing two ounces. Ad-
ditional credit of five one-hun-
dredths of a point is given hens for
each ounce their eggs weigh in ex-
cess of 24 ounces to the dozen.
Under the point system, deduc-
tions of five one-hundredths of a
point are made for each ounce that
the eggs weigh under 24 ounces to
the dozen.

Scoring of eggs was inaugurated
five years ago for the purpose of
encouraging producers to breed up
strains of hens which lay large
eggs as well as many of them. The
poultry department pointed out
that the consuming public no longer
considers an egg an egg, but in-
steads that the egg must meet cer-
tain weight and quality require-
ments.

With most markets now buying
eggs on grade, poultrymen readily
caught the significance of produc-
ing large eggs to make the "extra"
and "first" grade requirements and
net the higher prices bid for eggs
grading above "standard."

In commenting upon the larger
size of the eggs produced by the
contest birds in June the poultry
department explained:

"This is the first time since the
introduction of the point system
in the college contests that the
points scored have exceeded the
number of eggs produced."

But the improvement in the size
of Michigan eggs has been evident
for some time. James Davidson, of
Zeeland, field manager of the Mich-
igan Poultry Improvement Associa-
tion, reported last May that hens
in flocks owned by members of the
association were producing larger
eggs. He estimated that the size
had been increased about two
ounces to the dozen in the past
three years. He attributed the im-
provement to the organization's
rigid culling of the flocks which
produced eggs for Michigan hatch-
eries.

By culling out the low-producing
birds and selecting breeding stock
from hens which laid large eggs,
Davidson said strains of hens lay-
ing large eggs have been developed
and distributed over the state.

BRIDE OF TWO MONTHS DIES
AT HOLLAND HOSPITAL

Mrs. William Baker, 17, passed
away Friday noon at the Holland
hospital. Mrs. Baker was Miss Ros-
etta Nuismier before her marriage
two months ago. She was born in
Holland on November 17, 1912.

She is survived by her husband
and parents, Mr. and Mrs. Joe Nuis-
mer. Three sisters and four brother-
s also survive. They are Mrs.
William Hopp, Mrs. Paul Van
Iwaarden and Mrs. Calvin Tardiff,
all of Holland, Elmer and Joseph
Nuismier, Jr., of Memphis, Tennes-
see, and Russell and Willis Nuis-
mer of Holland.

Private funeral services were
held Monday afternoon at 1:30
o'clock at the home of her parents
at 181 East Sixteenth street, and at
2 o'clock from the Sixth Reformed
church. Rev. John Vander Beek
officiated. Interment took place in
Pilgrim Home Cemetery.

Four crates of ring-neck pheas-
ants were received in Allegan Wed-
nesday from the state game farm
by Floyd Harter and at once set
free in the woods. There were about
fifty of them two thirds grown and
they were mostly females. These
birds placed first some years ago,
have thriven well throughout Alle-
gan county.

FORMER HOLLAND BUTCHER PASSES

Jacob A. Van Zoeren, age 79, of Grand Rapids, who has been actively engaged in the meat business in that city for 44 years, died at his summer home on Black lake near Holland Friday. He was born in Vriesland, Aug. 22, 1851, his father, Arie J. Van Zoeren, going to Vriesland with the early Dutch settlers in 1848. Mr. Van Zoeren spent his early youth in Holland and Grand Haven. In Holland, Mr. Van Zoeren conducted a meat market on East Eighth street 45 years ago.

He is survived by one sister, Mrs. Mary Koning of Saugatuck, and two children, Edward J. Van Zoeren, and Henry J. Pyle, both of Grand Rapids; also six grandchildren and one great-grandchild. Funeral services were held from the home at 1:30 Monday afternoon and at 2 o'clock from Grace Reformed church, Grand Rapids. Interment was in Oakwood cemetery.

STEEKETEE FAMILY HOLDS BIG REUNION

Sheriff Steketee Meets 245 Other Descendants of Pioneers Thursday

Sheriff Cornelis Steketee went over to Zeeland Thursday, not to serve a warrant, but to meet with 249 other descendants and survivors of the families of Cornelis, Andries and Jan Steketee who came to America from the Netherlands in 1853.

Cornelis, Andries and Jan Steketee were three brothers, who came to Western Michigan soon after the Van Raalte colony was settled on Black Lake. Andries was a sailor, who was drowned when his little schooner was cast ashore in a storm near St. Joseph. Sheriff Steketee is a grandson of Cornelis and many of the Steketees now living in Grand Rapids are descendants of Jan.

There are 508 descendants who are members of the reunion association, which met yesterday at Zeeland. Speeches, a picnic lunch, and a general visit and business meeting filled in the day. Dick Steketee of Holland was elected president for the coming year, Dina Bos is secretary, Dick Ellenbaas, vice-president and John Van Lenta, treasurer.

At the meeting booklets containing the genealogy of the Steketee family since early in 1700 were distributed.

OVERISEL

The Rigtterink family reunion was held at the Rigtterink homestead in Overisel. Members of the family came from Grand Rapids, Holland, Overisel, Hamilton and Allegan.

The Lankheet family reunion was held at the community grove at Overisel, where a large crowd of relatives gathered. Members of the family came from Borculo, Zeeland, Holland and Hamilton.

The Walters family reunion was held at the community grove at Overisel where members of the family from Overisel, Hamilton, Zeeland, Holland and Borculo gathered for the day.

SAUGATUCK-DOUGLAS AND VICINITY

Mrs. John Kruizenga and daughters Florence and Anne of Holland, Mrs. Abbie Megley of Grand Rapids, Herman Van den Brink of Holland were guests of Mrs. M. P. Heath recently.

Three bazaars will be held on the village green at Saugatuck in the near future. The congregational women will have their annual sale Wednesday, the M. E. women Saturday and the American Legion auxiliary Aug. 9.

The antique exhibit at the village hall during the centennial was such a success that many are desirous of having Saugatuck start a permanent museum. To start the collection, Mrs. D. A. Heath has presented the village with an old and wonderfully made black walnut secretary, which was used as Saugatuck's first postoffice in the '30's by her grandfather, Stephen A. Morrison. This, with the many Indian relics found in excavation in the old Indian burial ground, forms a nucleus of the museum.

Mrs. Ella Starring of Allegan, Mrs. Bertha Murry of Ganges, Mrs. Lionel Fortier of Holland, Mrs. J. Carr of Muskegon, Henry Zee of Grand Rapids, Mr. and Mrs. Phil Taylor of Grand Ledge and T. G. Force of Alameda, Calif., were guests in the Clara Billings home at Saugatuck during centennial.

Mr. and Mrs. Erick Erickson and two children of Holland were Sunday guests of Mr. and Mrs. A. D. Nye, Ganges.

Joseph Smith of Chicago, a recent resorter at Saugatuck, will be returned from Chicago Monday by Sheriff's officers on a charge of stealing the motor from a boat he rented last week. The motor was recovered Saturday in a shack near Hamilton. Smith was arrested in Chicago and waived extradition.

Robert (Bud) Marriott, Jr., age 13, son of Mr. and Mrs. Robert Marriott of Saugatuck, was vic-

torious over 370 boys, aged 12 and 13, in the swim yesterday at Lincoln park lagoon, Chicago, for the Chicago Tribune trophy. Bud's father is proprietor of "The Big Pool" here.

Tuberculosis in poultry flocks in Michigan is widespread and serious, warns A. D. Morley, Allegan county agricultural agent. Several states have quarantined against importation, he says. This is the time to cull flocks, the county agent admonishes farmers.

ZEELAND

Horace Botzen, 13 East Main street, Zeeland, passed away at the Zeeland hospital last week Wednesday evening at the age of 81 years. He had been ill for nearly a month. The deceased is survived by four

daughters and three sons. They are Mrs. W. Murray of Hastings, Mrs. Pettinger of Detroit, Mrs. George Combs of Holland, Mrs. Grace Warren of Zeeland, John and Arthur Vanden Bosch of Ann Arbor and Jacob Vanden Bosch of Cutlerville. Funeral services were held Saturday afternoon at 2 o'clock at the First Christian Reformed Church of Zeeland. Rev. William Kok officiating. Interment took place in the East Holland cemetery.

Mrs. Edward Brunet, 55, of 140 West Tenth street, died last week Thursday evening at the Holland hospital. She was born in Canada but has been a resident of Holland for some time. The deceased is survived by her husband and three sons, Joseph of Chicago and Edward and Melvin of Holland. Funeral services were held Saturday

morning at 9:30 o'clock from the St. Francis de Sales church, Father Ryan officiating. Interment took place in Pilgrim Home Cemetery.

The Klompars Paint Shop has bought the tools and equipment of the Ottawa Bump shop, owned and operated by H. Van Order. The Klompars Paint Shop is now equipped to repair any wrecked automobiles.

The Holland Memorial Park Association have installed a six-inch pipe-line from their property to the Black River and pump the river water to their grounds for sprinkling purposes.

A. J. Mulder of Grand Rapids was arrested in Holland last week Wednesday evening on charges of driving while under the influence of intoxicating liquor. He was fined \$56.15 by Justice C. De Keyser.

Common Council

Holland, Michigan, July 18, 1930

The Common Council met in special session pursuant to call by the Mayor.

Present: Mayor Brooks, Alds. Kleis, Prins, Brieve, Woltman, Hyma, Vandenberg, Steffens, Habing, Postma, Veltman, Thomson and the Clerk.

The Mayor stated that the meeting had been called to consider a report that he had received from Mr. Melick, bridge engineer for the State Highway Department, relative to the construction of a new bridge on US1 over Black River at the north City limits.

The report which was read by the Mayor, went into considerable detail. It showed that the bridge would show points as outlined in said report. The City Engineer had made a drawing on the blackboard showing the river and layout of the two proposed locations, and pointed out to the Aldermen the locations of the various points which were referred to in the report. The present location of the bridge was designated on the blue prints and drawing as point "A" and the other proposed location as point "B."

Blueprints showing the estimated cost of construction in the two locations went into considerable detail, and showed an aggregate amount of \$104,465.00 for location "A" or the present site and \$124,752.00 for location "B" making a difference of \$18,287.00. The blueprints further show that the State of Michigan would pay 100% of this cost in either case.

In addition to the construction cost it is estimated in the report that the cost of acquiring the land and five residences, which would be necessary if the bridge were to be located at point "B," would be approximately \$25,000.00. Since this cost is not shown on the estimate, it would indicate that this expense would have to be borne by the City of Holland if a bridge were to be built at point "B."

The report further states that no advantage whatsoever is to be gained by constructing the bridge at point "B."

The Council spent about 1½ hours going over the report and discussing the matter from various angles, and

On motion of Ald. Brieve, 2nd by Thomson,

RESOLVED, that the Common Council of the City of Holland inform the State Highway Department that they are in favor of having the new bridge constructed on the same location as the present bridge which is designated as point "A" on the drawings submitted.

Ald. Hyma offered a substitute motion to defer action on the report. There was no support for Ald. Hyma's motion, and the vote on the original motion was taken, all present voting Aye.

Ald. Oscar Peterson, City Clerk.

JUDGE MILES FILES DECISION CONCERNING TRUCK OPERATOR WITHOUT PERMIT

A decision in the case of the People against Milton Wells for operating a truck on US-16 without a permit from the Public Utilities Commission was filed Monday by Judge Fred T. Miles declaring the defendant to be "not guilty."

In his findings the judge bases his decision on the fact the defendant was not a responsible agent or officer of the company and therefore is discharged from guilt.

The findings of this case, the judge goes on to say, have nothing to do with the guilt or innocence of the Star Transfer Co. and its officers, "which in my opinion presents an interesting and important question that goes at the root of the question that should be decided."

The case was an appeal from a Justice Court held before C. E. Burr and was tried as a test case. The respondent waived trial by jury submitting his case to Judge Miles.

Lesson for August 3

NAOMI AND RUTH: A STUDY IN RACIAL RELATIONSHIPS

LESSON TEXT—The Book of Ruth.

GOLDEN TEXT—And hath made of one blood all nations of men for to dwell on all the face of the earth.

PRIMARY TOPIC—Ruth, a Helpful Daughter.

JUNIOR TOPIC—Naomi's Faithfulness Leads Ruth to God.

INTERMEDIATE AND SENIOR TOPIC—Our Neighbors of Other Races.

YOUNG PEOPLE AND ADULT TOPIC—The Way to World Brotherhood.

I. How Naomi and Ruth Were Brought Together (1:1-15).

On account of famine in Bethlehem of Judah, Naomi with her husband and two sons sojourned in the land of Moab. After the death of her husband, her two sons married Moabish women. After a time her sons died also. After the death of her sons, Naomi resolved to return to her homeland, having heard that the Lord had visited his people in giving them bread. They went to Moab to escape trouble, but only got into more. This is always the case when God's people go into the world to escape difficulties. It was not until Naomi was thus chastised that she resolved to return. When the time came for her to go, Ruth and Orpah accompanied her for a distance.

II. Ruth's Noble Choice (1:16-18).

Greatly as Naomi loved her daughters-in-law, she would not have them go into this matter blindly. She wished them to know the seriousness of their action. She revealed to them the worst that could come upon them. This is the right principle to be acted out to all our relations in life. Jesus Christ is our supreme example. He held before the people the cost of discipleship.

1. No chance for them to marry again (v. 11).

Naomi told them that she had no more sons for whom they could wait. In that day for a woman to be unmarried was the greatest disgrace. Society differed then from now. No avenues were open by which women could earn their living and be independent.

2. Heavens gods must be reformed (v. 12).

Idolatrous worship could not be carried on in the land where God's people dwelt. This was delectably touched upon when Orpah went back. She went back when it was plain that there was no chance for her to get a husband. After Orpah's return Naomi put an additional test upon Ruth, that of giving up her religion. Ruth was equal to the occasion. Her mind was fully made up. She was willing to accept as her God the One who was able to produce in his subjects the nobility of character.

3. Her determination was definite and unflinching that her expressions have come down to us in words which "no poetry has outwitted and which has gone through centuries in death, whatever or wherever that would be. To crown it all, she renounced her heathen gods and worshipped Jehovah, the true God.

III. Blessings Which Attended Ruth's Choice.

1. She found the true God (1:16).

Instead of a heathen god who was unable to help her, she had the Living God, the God of Israel.

2. She found friends (ch. 2).

As she went to glean she was led to the field of Boaz, a man of grace and wealth. The servants of Boaz treated her with consideration.

3. A good husband and happy home (chs. 3 and 4).

4. An honored place in the Israelitish nation (4:13-17).

5. She became a link in the chain of the Redeemer's ancestry (4:18-22; Matt. 1:5).

The story of Ruth is a fine example, first, of right racial relationship. The union of Ruth with Israel was around the true God. And second, of dispensational truth:

(1) The famine in the land indicates the testing of the Jews in the great tribulation.

(2) The going into Moab indicates the sojourn of the Israelites among the nations.

(3) The sickness and death in Moab indicates the chastisement of the Jews and their sorrows in the present age.

(4) The return to the land indicates the gathering of Israel to their own land, Palestine.

(5) Ruth's decision indicates the gathering of the Gentiles through the influence of the Jews.

(6) The marriage between Boaz and Ruth indicates the union of the church with Jesus Christ.

Charles E. Bassett, Fennville postmaster, will give a radio talk about Fennville fruit Aug. 4 over station WENR, Chicago. Fennville has been mentioned before in the horticultural and agricultural programs from the Chicago stations.

The Fennville Fruit exchange packed its first apples of the season in its new plant Tuesday. The new machinery for washing apples was used for the first time on Yellow Transparent.

George M. Petrie, president of the St. Johns Table company, Cadillac, and president of the National Furniture Manufacturers' association, died of a heart attack while bathing in Lake Michigan here early this afternoon. He was 62 years old. Mr. Petrie had been taking treatments at the Battle Creek Sanitarium, Battle Creek, and had come here over the week-end to seek relief from the heat. He went bathing immediately after eating dinner, friends announced, which is believed to have precipitated the heart attack.

The annual meeting of the Board of Directors of Hattson Hospital, Grand Haven, was held at the hospital on Friday night. The officers were all re-elected as follows: Julian Hattson, president; Rev. Henry Schipper, vice president; Mrs. L. J. Koster, secretary and Miss William Young, treasurer. Gerrit

Boiten, representing the working men was reappointed as a director and made a fifth member of the executive board. The terms of Louis H. Osterhaus, representing the attorneys and B. P. Sherwood, business men's representative, have expired. It remains for the several clubs to appoint new members or reappoint the present ones. Reports were read covering the financial conditions, the number of patients, etc., which will be published in full later. About \$2000 was received in donations.

A committee headed by Judge Leonard D. Verrier, William Waggoner and Edwin Owen of Grand Rapids has been appointed by the Highland Park association to confer with the Grand Haven aldermen

regarding the purchase of the present leased land of Highland Park from the city. It is the unanimous desire of the lease holders to privately own the land on which they have built their summer cottages. A special meeting of the council will be called to consider the matter.

OTTAWA "FOUR H" BOYS GO TO STATE CAPITAL

Nineteen Ottawa County 4 H club boys will go to East Lansing August 15-16 to compete with club boys from other counties in judging grain and cattle. They will go with agricultural agent Milham who trained them and three adults who are helping transport the boys to and from the college. The boys making the trip are Elmer Modderman, Tim Modderman, Earl Nanninga, Joe Rypma, Allen Van Singer, Howard Harnsen, Jacob Post, Fred Westveld, William Weststrate and Raymond Walt from Lamont and Coopersville; Nelson and Albertus Elmhuis from Zeeland; Harvey Vandelaan and John Abel from Hudsonville; Frederick Cooke from Spring Lake and Bruno Olechnowicz from Grand Haven.

LEGION ROLL IS 846,000

The greatest strength in the history of the American Legion was recorded at Indianapolis, Ind., when the total enrolled membership reached 846,000.

This exceeded the previous high mark of 1920, which was 845,186. A check for \$1,114 from the California department of the Legion was received, but the California membership represented by the check was not included in today's membership total, as the membership cards have not yet been received.

When these are received the Legion membership will be more than 847,500.

Favorite Bible Passages

Dr. Nicholas Murray Butler President of Columbia University.

The twenty-third Psalm. Psalm 19, quoting verses 1-3: The heavens declare the glory of God; and the firmament sheweth His handiwork. Day unto day uttereth speech, and night unto night sheweth knowledge. There is no speech nor language, where their voice is not heard. Their line is gone out through all the earth, and their words to the end of the world.

In them hath he set a tabernacle for the sun, which is as a bridegroom coming out of his chamber, and rejoiceth as a strong man to run a race. His going forth is from the end of the heaven, and his circuit unto the ends of it; and there is nothing hid from the heat thereof.

The law of the Lord is perfect, converting the soul: the testimony of the Lord is sure, making wise the simple. The statutes of the Lord are right, rejoicing the heart: the commandment of the Lord is pure, enlightening the eyes. The fear of the Lord is clean, enduring forever: the judgments of the Lord are true and righteous altogether.

In the beginning was the Word, and the Word was with God, and the Word was God. The same was in the beginning with God. All things were made by Him; and without Him was not any thing made that was made. In Him was life; and the life was the light of men. And the light shineth in darkness; and the darkness comprehended it not.—John 1:1-5. (Compiled by the Bible Guild.)

ALLEGAN COUNTY SHERIFF RETURNS WITH PRISONERS

Sheriff Guy Teed has returned from Waterloo, Ia., and brought back Cornell (Casey) Belding, 20, of Dorr township, to Allegan to appear on a breaking and entering charge. Belding is charged with breaking into the Dorr hardware store, April 25, and stealing about \$50 in checks and currency. He bought a second hand car for \$22.50 the same night in Grand Rapids, it is said, and started for Waterloo. When the car failed to take him to his destination he stole one. He finished serving a 90-day sentence in the Waterloo jail Monday.

SPRING LAKE MAN ATTEMPTS TO FIRE AT FLEEING BURGLAR

Failure of a rifle pin to work probably aided the get-away of a house breaker in Spring Lake early Sunday morning as Edward Wood, one of a trio to be robbed, worked feverishly at the gun while he chased a medium sized man out of sight.

Mrs. Wood awoke suddenly about 3:30 a. m. with the realization that someone was in the room. She called her husband who immediately gave chase to the fleeing robber.

Reports coming to Sheriff Steketee indicate the same thief had probably entered the home of Mrs. Thomas Anderson, former postmistress of Spring Lake, whose home is on Savidge Street and William Fritchman living on River st., as evidences showed someone had entered those homes via the windows. No losses were discovered. A fine cosine cake missing from the refrigerator at the Anderson home. Several sums of money were near at hand, had the thief run upon them. Entrance was gained to the Wood home through an unlocked door, which due to the heat had been left open. State police and sheriff's officers are investigating but as Mr. Wood could not give much of a description of the man, they have meagre clues.

Mr. and Mrs. Herman Vaupell were pleased to entertain their sister, Mrs. Louis Vanden Burg of Paterson, N. J. last Wednesday. Messrs. Edward and John Vaupell of Holland with their families were also dinner guests at the family gathering.—Allegan Gazette.

SUMMER FAIR BREAKS EVEN

Allegan County Fair association broke even on the mid-summer fair and home-coming, officers were told at the meeting Wednesday evening. A few bills are outstanding, but the books will just about balance, the treasurer reported, when all are presented. It was decided that as the Fourth next year falls on Saturday, all free attractions and exhibits will be omitted and horse racing be given the center of the stage for the one day celebration.

ZEELAND NURSE WEDS MAN FROM MINNESOTA

A pretty wedding took place at the home of Mr. and Mrs. Peter Brill at Zeeland, on Wednesday, July 16, when their sister, Miss Sarah Brill, a nurse at the Edward Hines, Jr. Hospital of Hines, Illinois, and daughter of Mrs. H. Brill of Holland, became the bride of Mr. Vern Harvey Downey of Taylor Falls, Minnesota.

"I Love You Truly" was sung by Miss Josephine Lippenga of Vriesland. The bride entered to the strains of Lohengrin's "Wedding March," played by Miss Matilda Lippenga, also of Vriesland.

The marriage ceremony was solemnized by Rev. John Van Peursum of the First Reformed Church of Zeeland, in the presence of the immediate relatives and a few friends.

The rooms were very prettily decorated with ferns and flowers.

After the ceremony a wedding supper was served. The out-of-town guests were Mrs. H. Brill and daughter, Jeanette of Holland, Mr. and Mrs. Ralph Brill and children of Grand Rapids, Mr. and Mrs. F. Stewart and daughter Adelaide of Detroit, Miss Marie Beukema and Mr. Edward McNeth of Chicago.

Mr. and Mrs. Downey left for Taylor Falls, Minnesota, where they will make their home.

CHRISTMAS TREE INSPECTION IN SEPTEMBER

State inspection of Christmas trees, boughs and shade trees will start September 15th and farmers should notify E. C. Mandenberg at the State Department of Agriculture at once if they plan on inspection. Last year a number were prevented from disposing of Christmas trees because applications for inspection were received too late. According to C. P. Milham, agricultural agent, the purpose of the inspection is to prevent the spread of insects and diseases.

FOUR TIE FOR LOUITT TROPHY

The tournament at the Spring Lake Country Club on Saturday to compete for the Loutitt trophy resulted in a tie of four players who will stage a playoff next Saturday. They were Carl T. Bowen, shot, 85, Roy Springer 95, John Slingerland, 81, and Stanley Sutherland 82. Handicaps brought the net score to the required 70. C. B. Kelsey made a net score of 79, J. J. Angus was among several who overshot themselves which with their handicaps put them out of the running with scores below 70. Angus made 89. There were 30 entries.

"Check and Double Check"

That's how Amos 'n Andy put it. The First State Bank believes in the policy of the two colored boys made famous via the radio. Their "check and double check" when rigidly applied, which is sometimes doubtful in Andy's calculations, is worthy of serious consideration. A checking account at this bank is a double check on expenditures.

IT PAYS BECAUSE:—

Literally thousands maintain a bank account because it actually pays. Quite reason enough, isn't it?

IT PAYS in real dollars and cents because you don't have to pay any bill or account twice. Cashed checks are receipts.

IT PAYS in actual dollars and cents because you cannot lose or misplace the money in your bank account.

IT PAYS in actual dollars and cents because your funds in our bank are protected from theft and fire loss.

IT PAYS, above all, in saving that most expensive luxury, worry and anxiety of mind.

IT PAYS in the very real satisfaction of knowing where you are at, of knowing where your money was used. You can only get an adequate check on yourself when you get it all on paper before you.

IT PAYS judging from the thousands who are opening accounts daily at the different banking institutions of the nation. Just witness the annual growth of banks and bank deposits which conclusively indicates that folks want a checking system for their convenience and safety. Few abandon the practice after they have started. They find it pays—so will you.

IT PAYS to open your account now with the FIRST STATE BANK.

CARL E. HOFFMAN

Republican Candidate for the office of

PROSECUTING ATTORNEY for Ottawa County. A graduate of the Detroit College of Law. I believe in the strict enforcement of all the laws passed by the legislature. This includes the liquor laws, as well as all laws suppressing vice, gambling and crime generally. The present incumbent has held this office four years and is seeking the public favor for another term of two years. If you believe in a fair, impartial, strict enforcement of the law and in the fairness of making an occasional change in public office, I earnestly solicit your support at the primaries September 9, 1930.
