Father F. Ryan Leaves Holland; Is Transferred

HAS BEEN IN CHARGE OF ST. FRANCIS DE SALES CHURCH FOR THIRTEEN YEARS

The Parish and School in Holland Have Had a Gratifying Growth During This More Than a Decade of Service to His Church

It has just been announced that Rev. Frederick Ryan of St. Francis de Sales Church, where he has ministered to a parish of one hundred fifty families for the past thirteen years, is to leave Holland, having been promoted to the Villa Maria Convent, the House of the Good Shepherd, at Grand Rapids. The many intimate friends of Father Ryan, Catholic or non-Catholic, will naturally be pleased to hear of his advancement, but will deplore the fact that he is to leave Holland.

Father Ryan has made many staunch friendships in Holland and has taken a deep interest in the civic life of this city. While an ardent worker in his church and among his people, he has always found time to give a helping hand and use his influence in worthwhile causes that benefited the community as a whole.

A great many Holland folks, of his congregation and those who are not, will miss him in his absence, although the genial Father says that he will visit Holland often for he is only a few miles away and will never forget the city where he has spent so many happy years and has cultivated so many fine friendships.

Father Ryan graduated from Grand Seminary, Montreal, Canada, and was ordained by Bishop Henry Joseph Richter as priest and his first appointment was assistant in St. Andrew's Cathedral, Grand Rapids, where he remained for six years. For eight months he served as Chaplain at Camp Lewis, Washington, during the World War. For five and a half years he was in charge of a parish at Harrisville, Mich., and came to Holland after the death of George L. Nye.

Besides serving the Holland parish for thirteen years, he was also in charge of the Catholic School. This school had its inception when the new parish was built here at 13th St. and Maple Ave. It was built as a combined church and school and the teaching of the pupils is in charge of four Sisters of Mercy, under the supervision of Father Ryan. A playground has also been provided for the children. There are 125 enrolled in the school.

Father Ryan will take his new place in Grand Rapids August 6. His successor to the local church has not yet been announced.

It is entirely fitting to give a short history of the founding of the Catholic Church in the City of Holland. In a file copy of the Holland City News of October 6, 1927, considerable space was devoted to the history, compiled at that time by Atty. Thomas N. Robinson.

The history of the Catholic Church in this vicinity in reality dates back to the year 1870 when Father Marquette first visited the shores of Black Lake in a canoe. Later the early missionaries converted the Indians in the Catholic faith, and when the Hollanders settled here in 1847 they found the Ottawa Indians around the shores of Black Lake largely Catholic.

Father Visoki, with headquarters at Grand Rapids, came on foot at intervals to the "Old Mission" to say Mass and administer the sacraments to his Indian charges. Two years after the Hollanders had settled and the success of the colony was assured, the hundreds of Indians then here, with a village at the present site of Kollen Park and West, left here

"en masse" taking their dead with them from their burying grounds located under pine trees just south of the H. J. Heinz Co. They loaded their dead in a large fleet of canoes, or mackinaws, and set sail for the north, presumably for the Petoskey region, then still unsettled by white men.

The history given at that time states that there was no animosity, feud or trouble between the natives and the Dutch settlers, and on the day of their departure Dr. A. C. Van Raalte, the leader of the colony, and all the settlers gathered on the shores of what is now Kollen Park and offered one solemn prayer, giving the Indians God-speed as they departed and remained watching until the little canoes were lost to view around the bend at "Point Superior," now Naukasoo.

Among the early arrivals of Catholic families were Mr. and Mrs. James Ryder, who came in 1870. Mr. Ryder, it will be remembered, conducted the old Phoenix Hotel, then bordering the C. & W. M. Railroad on 8th St. Mrs. Ryder later conducted different resorts and Holland hotels. Other early families were P. O. Nye, Michael Seery and the family of Patrick Doyle. Then came Mr. and Mrs. Ed O'Leary and others who do not come to mind just at this time.

Father George Nye was the first resident pastor of the parish in Holland, who died on May 19, 1924, and was the son of Mr. and Mrs. F. O. Nye, who probably were the first resident Catholics of the white race in Holland. Mr. Nye took a prominent part in civic life in this community and was Holland's first chief of the fire department. He was a railroad man.

Michael Seery was a very devout Catholic and his home became the center of Catholic activities for years. The priests who served this community at intervals were Fathers Dalton, Murphy, Maus and Eickelman, who respectively came here to say Mass and administered the sacraments. This occurred only three or four times each year and often the Catholic residents of Holland traveled by team to Grand Haven or Douglas, where the nearest priest resided.

Mr. and Mrs. Rogers while in Holland lived on Pine Ave. between 10th and 11th Streets. They reared two sons, Claude and Irwin. Mr. Rogers operated the News for eight years, when it was purchased by Leendert Mulder, publisher of De Grondwet, 62 years ago. Mr. Ben Mulder and his brother, Charles, purchased the paper 46 years ago. The brothers, Charles, passed away more than 30 years ago and the News has been conducted by the present editor ever since.

Mr. Rogers, when he left Holland, was editor and publisher of the Albion Record, and later went west joining the staff of the Western Newspaper Union. Mrs. Rogers was formerly Miss Alice Wiersma of this city. The family lived on West 9th St. and for many years the father was street commissioner.

Dr. Morris founded the Holland City News on February 23, 1872.

Joe Rooks of Zeeland who until recently was employed by the Holland country club has taken a position with the St. Louis Sugar Beet plant.

FIFTY YEARS AGO TODAY

Sunday afternoon, sleepy Holland was awakened by the alarm of fire. Folks had just arrived in church for the afternoon Dutch services when all of a sudden passers by the Deming foundry on West 10th street on this quiet, sultry day, saw a huge volume of smoke curling heavenward and shortly the metallic, jerky clang of the firebell on the "town house" on "Public Square" announced the fact that there was a fire on the Sabbath.

Short blasts from the whistle of the Cappon-Bertsch Leather Co. brought citizens from home and church and soon the street where the foundry was located was filled with people. Holland's two fire companies were at the scene in comparatively short time. Five teams soon played on the flames but of little avail. It was a dry season and soon the high wooden structure was a mass of flames and was doomed to destruction together with a house to the east belonging to L. Visser, and a barn belonging to Filmore Bird. The new mill of James Huntley took fire several times and the pump and harrow factory of Peter Wilms was also damaged. A large consignment of lumber in the Huntley lumber yards, too, suffered from the flames. The total loss to all these persons was a little over \$6,000. The heaviest losers were R. E. Werkman, who had \$3,000 in patterns belonging to the Vindicator Fanning Mill Co. The Holland Manufacturing Co. lost patterns in their Diamond windmill at the rear of the Mary E. Wilms property, 258 River Ave., was damaged by flames. Thursday, shortly before 1:30 p. m.

The building was used several years ago in the manufacture of wooden pumps and wooden harrows for use in farm work.

The fire started on the south side of the building. The extent of the damages was not determined. The kitchen of a bungalow occupied at 316 West 13th St., occupied by Mrs. Elizabeth Sjardina and her daughter, Helen, was slightly damaged by smoke at noon Thursday, when a kerosene stove flared up. The fire was extinguished by a neighbor, Albert Van Kampen, before Holland firemen arrived.

NO REFORMED AIDES IN CHINA 'WAR' ZONE

Dr. Wm. J. VanKersen, western director of the board of foreign missions of the Reformed Church in America with headquarters at the Reformed Church, Holland, stated Thursday that no Reformed missionaries were in the "war" area around Peiping in the course of their work.

The principal Reformed station is at Amoy, on the southeastern coast of China.

Miss Nettie DeJonge of this city, serving in China under direction of the Presbyterian mission board, is stationed at Tsi-nan, about 1,000 miles from the war center.

MRS ED SLOOTER PASSES AWAY

Funeral services were held Wednesday at 2:30 p. m. from the Nibbelink-Notier chapel for Mrs. Edward Slooter, 74, resident of this city for many years who died at her home, 132 West 11th St., after a lingering illness. The Rev. William Van't Hof, pastor of Third Reformed church officiated and burial was in Pilgrim Home cemetery. Mrs. Slooter was born in Grand Haven and was married there June 23, 1892, coming to Holland six months later. While residing in Grand Haven she attended the Congregational church. She was a charter member of the American Legion auxiliary here, and took a deep interest in this organization. Surviving are the husband; a daughter, Miss Rose Slooter; a son, Edward P. Slooter, vice commander of the Willard Leenhouts Post American Legion; three brothers, Capt. William Rosie of Grand Haven, John D. Rosie of San Francisco, Calif., and Thomas W. Rosie of Muskegon.

WIFE OF FORMER HOLLAND CITY NEWS EDITOR DIES

Mrs. Alice Rogers, widow of the late William Rogers, owner of the Holland City News more than fifty years ago, died in Chicago Sunday following an accident. On June 22 she fell from the porch at home and fractured her hip. She died in a Chicago hospital as the result of the fall.

Mr. and Mrs. Rogers while in Holland lived on Pine Ave. between 10th and 11th Streets. They reared two sons, Claude and Irwin. Mr. Rogers operated the News for eight years, when it was purchased by Leendert Mulder, publisher of De Grondwet, 62 years ago. Captain Morton Ranked High As Life Saver

GRAND HAVEN TRIBUNE PAYS TRIBUTE TO HOLLAND'S 1ST COAST GUARD SKIPPER

Some two years ago the Holland City News gave a review of the Coast Guards, or rather, the life savers in those days, when the fiftieth anniversary of the building of the Coast Guard station at Holland harbor occurred. At that time the News pictured the station built fifty years before, also published in today's issue, and gave a detailed resume of the life of Capt. Charles Morton—how he was sent to Holland to supervise the building of the station, and how a great deal of the material was sent to Holland on the revenue cutter, "Andy Johnson," a side-wheeler, undoubtedly out of commission a long time ago.

Capt. Morton was one of the most lovable men your editor has had the privilege to know. Holland thought a great deal of him and

his family and they were extremely sorry to see Capt. Morton leave the time to take a well-deserved promotion at Grand Haven. One daughter, Mrs. Mabel Vanden Berg, head of the Red Cross here, has been living in Holland since the Mortons moved away. Mrs. Morton still lives in Grand Haven.

The Grand Haven Tribune, in connection with the United States Coast Guard water fête, which starts next week Tuesday and continues Wednesday and Thursday, with practically an all-day and all-night program, has printed a special edition covering Coast Guard activities for the last half century up to the present time. The issue is replete with pictures of the personnel of the Coast Guard officials and men in Michigan stations, and especially the stations in this vicinity. Kingsbury Scott, Grand Haven's historian, contributes some thrilling incidents in connection with Coast Guards and with Lake Michigan in its wildest moods.

In this Coast Guard review, under the caption, "Captain Morton was Highly Regarded in Old Service," the Grand Haven Tribune says the following of Captain Morton:

Capt. Charles Morton, third district superintendent of the 11th district Life Saving service, rose from the ranks of surfman and after 31 years, died in the service on July 7, 1913.

He began his life as a life saver at St. Joseph station as a surfman where he remained for four years. Due to his efficiency and attitude he was made the first keeper of the Holland station when it was organized and remained there for 12 years.

Following the sudden death of Nathaniel Robbins, second superintendent who died in the service, he took a competitive examination given to all of the keepers in the district and passed with such high rank he was made district superintendent with headquarters in Grand Haven.

He was born in Ireland. When very young he came to this country. At 13 years of age, he began to support himself. He worked for a time in the coal mines in Pennsylvania and later served in the U. S. army for five years.

He was head of the district at Grand Haven for 13 years and during that time endeared himself to the men in the stations and to local citizens. He was very popular with young people as he had six children and always joined in their interests in sports and pastimes.

The widow survives him and lives in the family home on Clinton St.

Grand Haven is to put on a wonderful demonstration Tuesday, Wednesday, and Thursday of next week. Undoubtedly a great many from Holland and lower Ottawa will help. The Holland Coast Guards are taking part, they will be in the competitive racing, and Holland should take an interest in the program of our neighbors the same as they take an interest in our annual Tulip Festival. Holland was well represented at Muskegon's Centennial, as will be seen elsewhere in this issue. Undoubtedly Holland is going to show a reciprocal spirit and next week will find a motored of local cars heading toward the county seat to join in the celebration, in which our own Coast Guards will be prominent. Mayor Geerlings, the Aldermen, and the city officials have officially recognized this Coast Guard water fête and have accepted an invitation to be present.

Judging from the program, there will be something doing every minute, since there are thirty-five big events, including speed boat races, exhibition surf boat drills, pulling

NEW RAILROAD DEPOT AT FENNVILLE

A letter received here by Attorney Harold Hoover from President Harahan of the Pere Marquette railway states that the company has abandoned some of its plans contemplated at Fennville, but will proceed to build a new depot to replace the one that burned two years ago. At that time everything of value burned—even the depot cat which had been a pet to the station master and the traveling public for years.

QUEEN WILHELMINA TO BROADCAST TO AMERICA SATURDAY

Scout Master Russel announces that Queen Wilhelmina of The Netherlands will broadcast Saturday, July 31st at 10:30 to 11:00 a. m. Eastern Standard Time.

The broadcast will be made from Bloemendaal, Vorelensang, Netherlands, where the fifth World Scout Jamboree will go into session. One of these thousands to gather there is Harvey Hop, who was sent by the Ottawa-Allegan Scouting fraternity because he merited this distinction. Mr. Hop took with him a message to Queen Wilhelmina from Mayor Geerlings of Holland. He first attended the Jamboree at Washington, D. C. and after that sailed for The Netherlands, where he is now, and will be at the opening session Saturday.

WORLD HITCH-HIKER PROVES TO BE ALLENDALE MAN

Jacob Alderink of Allendale, Ottawa county, is "seeing things" and is doing it without paying fare. He is hiking afoot or hitchhiking by car and has been going from coast to coast and in that way enjoys a summer vacation. Last year he undertook a similar trip but apparently did not get enough of it and got the roving spirit again this year.

He writes relatives that he is enjoying himself to the fullest extent, having bathed so far in the Atlantic and the Pacific Oceans and for good measure he took a dip in the Gulf of Mexico. In his swimwear he endeavored to find the Gulf Stream, but in this he was unsuccessful. The best bathing he says is in the Atlantic Ocean; it seems to be more invigorating.

You may be assured that Jacob saw more salt water in his trips. He has traveled to most of the scenic beauties in different parts of the U.S., especially in the West. "Jake" is a student at Calvin College, and when not delving in theological books, he goes out exploring with a pack on his back during vacation time. Alderink believes in "seeing your own country first," and apparently he is making a good job of it.

TWO MEN DROWNED AT SAUGATUCK WHILE ATTEMPTING TO RESCUE GIRL

Lake Michigan claimed two victims Wednesday afternoon in a double tragedy which occurred off shore, just north of the oval at Saugatuck. The two victims were Ralph Martin, 35, Western Springs, Illinois, and Frank Hoobler, 23, Streator, Illinois. The men, both resorting in the Saugatuck area, were engaged in an effort to rescue Grace Linderman, 12, daughter of Mrs. Helen Linderman of Chicago, who is a niece of Mrs. Grace Swenden, operator of the Grace Hotel in Saugatuck. The strong undertow was blamed as being the cause of the dual drowning. The accident was the first major accident of the season in the Saugatuck resort section.

Mr. Martin arrived Monday night and registered at Hotel Mt. Baldhead. Mr. Hoobler arrived Sunday, and planned to spend two weeks with fellow resorters from Streator. Evidently having been drowned about 2:30 p. m. Wednesday, it was not known that the men were missing until their bodies were washed up onto the shore by the rolling waters 45 minutes later.

The young girl is said to have been pulled into water over her head by a strong undertow. Her calls for help were answered by those on shore, who immediately rushed to her aid. Martin was the first to reach the child, but became exhausted while going shoreward. Hoobler, with two companions, James Maracani, 25, and Stanley Griffin, 30, continued the rescue. Martin was not seen alive again. Hoobler disappeared from sight, while aid was given his two exhausted companions by persons on shore, who did not realize that the two rescuers were missing.

Capt. Clements of the Holland Coast Guard, sent Mate Alfred M. Anderson and Surfman F. H. Flaughter, W. A. Wilmot, and Carl W. Walters in answer to the call for aid. The trip to Saugatuck was made in about 22 minutes. The exhausted rescuers were taken to Douglas hospital, from which they were later released. Bodies of the two victims were prepared for burial at Dykstra Funeral home in Saugatuck. The body of Hoobler was sent to Streator yesterday morning; the body of Martin to the parents' home in Ann Arbor.

Verdicts of the accidental deaths by drowning were returned Thursday by Justice of Peace Stephen Newnam of Saugatuck, who investigated the drowning for Dr. Elmer D. Osmun, coroner of Allegan county.

surf boat race, life savers competitive beach apparatus drill, picket boat race, a big banquet at the Armory, life boat races, capsizing drill race, Coast Guard rescue, grand ball at Hyland Park, a parade of all craft in the harbor and a great many other interesting fetes. The celebration will surely be worthwhile.

Hakkens Are To Go To Ancient Bagdad Soon

2,000 ATTEND MISSION FEST AT JAMESTOWN; OFFERINGS WERE \$325

An attendance of nearly 2,000 at the afternoon and evening programs of the Colonial Mission Fest on Wednesday, July 28th, at Spring Grove, Jamestown, is an evidence of a renewed and growing interest in missions on the part of the Classis of Holland, R.C.A. Stirling and informational addresses were delivered by ministers and missionaries, by Rev. J. C. Van Wyk of Fifth Reformed Church, Muskegon, and Mrs. Henry P. De Pree, missionary from China, in the afternoon, and by Rev. Howard Scholten, Synodical missionary of the Particular Synod of Chicago, and Dr. S. C. Nettings, President of Western Theological Seminary, in the evening.

Several missionaries brought greetings from their particular fields, Miss Ida Tanis from Gray Hawk, Ky., for the workers in the Kentucky missions and Rev. J. C. Willoughby from the United Mission of Mesopotamia. In this latter mission, the Reformed Church denomination has joined its efforts with that of the Reformed Church in U.S.A. or the German Reformed, and Mrs. B. Hakkens will join this mission on their return next month to Arabia, and will be located near ancient Bagdad. Rev. Willoughby is at Mosul, site of ancient Nineveh. The school which the Hakkens established in 1924 at Bahrain will be closed because of shortage of funds. There are many more of these United denominational efforts in the mission fields as Mrs. De Pree referred to Rev. Voskuil being loaned to a Methodist station, which needed urgent help due to the sudden death of their resident missionary. This is indicative of the careful missionary strategy in making the best possible use of resources available.

The offerings for afternoon and evening amounted to \$325. This will be supplemented by the proceeds from the canten, again this year so well handled by the ladies from the Jamestown Reformed Church. Mrs. Edith Walvoord and her staff furnished a fine program during the Children's Hour and Leon Moody had charge of recreation. All in all, it was a very successful Fest.

GIRL HURT WHEN AUTO TURNS OVER

While Miss Allice Gearing of Zeeland was returning home from her work at the H. J. Heinz factory at Holland, at about five o'clock Wednesday morning when she reached a point about two miles north of Zeeland, she, for some reason, lost control of her car, which turned over in the roadside.

She was not seriously injured, but she received some body bruises and a gash in the left arm.

DEDICATION OF CHURCH BUILDING SUNDAY

Sunday, August 1, the Hudsonville Community Church will celebrate the first anniversary of the dedication of its new church building. During the year God prospered and blessed. The church carries on missionary work in Kentucky and French Indo-China.

The pastor, C. M. Beerthuis, will give appropriate messages at the morning and evening services. At the evening service, which begins at 7:15, special musical numbers will be given by children and young people of the church. At both services a special thank-offering will be taken to reduce the building debt, which is less than four hundred dollars.

All are invited to attend these special services.

PASTOR'S DAUGHTER IS HONORED GUEST

Mrs. Geneva Sugarbaker and Mrs. Marie Essenburg of Zeeland, were hostesses at a six-o'clock potluck buffet supper at the home of Mrs. Arrie Van Dyke on West Main street, last Tuesday evening, honoring Miss Arlova Van Peursem, who is soon to be a bride.

The invited guests included the Misses Nelvrie Elemaas and Wilma Van Asselt, Mrs. Cornelia Van Den Bosch, Mrs. Helen Wedeven, and the guest of honor.

Miss Van Peursem is the daughter of Rev. and Mrs. John Van Peursem of Zeeland, and she will become the bride of Mr. James Tyssie of Chicago on August fifth. She was the recipient of some very beautiful gifts. The Van Peursem were former Holland residents when Rev. Van Peursem was pastor of Trinity Church.

OLD SETTLERS PICNIC AT JAMESTOWN

The Jamestown Old Settlers Association will hold their annual picnic at Spring Grove near Jamestown again this summer on Saturday, August 14, afternoon and evening.

There will be the usual activities, and all those interested are invited to participate in the good time that is promised.

Deerling Our New License

South Bend sporting interests think that Michigan made a mistake when the Legislature boosted the non-resident hunting license fee for southern Michigan up to \$15 from \$5. They point out that the State will lose a pile of revenue from hunters who wouldn't object to paying the \$5 fee but won't stand for the \$15 touch.

Of course this is a plea for cheap hunting rights by non-residents who have found southern Michigan covers more to their liking. They have been able to come into our southern counties on week-ends and bag four pheasants, a number of rabbits, woodcock, shorebirds and other small game at a minimum of cost, far more than they can get in their own covers. And at the same time if a Michigan hunter had any desire to hunt in Indiana he would be charged \$15.50, which is 50 cents more than we ask Indiana hunters to pay us. So why the kick?

In the last analysis this small game non-resident controversy is merely making a mountain out of a molehill. Only 5,517 non-resident hunters brought Michigan licenses last year, a mere drop in the bucket as compared with the 433,284 residents who hunt under license. The amount of revenue the majority brought into the State wouldn't start to compensate us for the monetary replacement value of the game they took out and if they want to continue let them pay a fair fee for the privilege.

State police from the Grand Haven post were making investigations Tuesday into the theft of a purse belonging to Mrs. Fred Heady, of Grand Haven, which was stolen Monday afternoon from her desk in the office of Prosecutor John Dethmers, where she is employed as stenographer. The purse contained eight one-dollar bills and some change and is believed to have been taken during her short absence. Two suspects were questioned and both denied their guilt. Other visitors at the office also were to be questioned.

Collect Funds For New Scout Building Here

\$1,110 DONATED IN GRAND HAVEN; HOLLAND-ALLEGAN LOWER OTTAWA TO RAISE ABOUT \$3,000

William Hatton, honorary president of the Ottawa-Allegan Boy Scout council, has collected \$1,100 in Grand Haven to be used on the building project at the scout camp located on Lake Pettit near Newaygo, to erect permanent and comfortable quarters for the camp.

The total cost of the improvements will be about \$4,000. The balance will be raised from Allegan county and the south end of the county near Holland.

A new mess hall and sleeping quarters are being built and it is expected the buildings will be completed the first part of next month. It is urged that parents visit this camp, which is located in one of the most beautiful spots in Michigan, on a lake that is considered very safe and surrounded with some of the most beautiful woods left in the state.

The use of the site for this camp, including many acres, was donated to the scouts by the Consumers Power Co. Mr. Hatton was one of the prime movers in an effort to locate a permanent camp and it was through his interest in the matter and his contacts with the officers of the company that the area was donated.

Mr. Hatton gave an amount of old lumber when the camp was started to erect a few shacks in which the boys could live. The popularity of the camp and the increase in the number of boys attending each year demanded that more adequate buildings be provided.

The Grand Haven man began his solicitations early in the summer and has met with much success with but very few who were not interested to further the interests of this international organization which has been a marvelous factor in the guidance and development of youth.

Mr. Hatton says he believes that there is no better investment that can be made than donation to a cause which has produced outstanding results. He says that records show but two percent of the vast numbers belonging to the scout organization are delinquent, and he believes that the principles, training and incentives for fine living which the scout law inculcates, are factors in making fine future men.

Holland is also doing its share. "Bill" Lowry of the Sligh Furniture Co., heads the committee assisted by Attorney Orien S. Cross augmented by the regular committee who handles the crippled children problems in Holland. Mr. Lowry states that already \$500 has been subscribed and more is needed. There will be no regular drive for the Boy Scout building program but those who can and should donate are being asked and many should volunteer to give to the cause of our boys—the "young America" of today and the future leaders of the nation.

John Hop, 48, and Edward Howard, 48, both of Holland, pleaded guilty to charges of intoxication and disorderly conduct on their arraignment Tuesday before Justice of Peace Nicholas Hoffman and each was assessed fines of \$2 and costs of \$4.15. They were arrested Monday about 4 p. m. on East Eighth St. The two men spent Monday night in jail.

A Dutch museum exhibit will be one of the features of the Muskegon centennial and lumberjack festival which opens in Muskegon, Saturday, and will continue until July 31. The exhibit is being erected, was presented with a set of strict supervision of the Survey of Historical Records. Mr. Wichers

said that the museum exhibit is being arranged in co-operation with the Netherlands Day committee and at the invitation of John C. Beukema, manager of the Muskegon Chamber of Commerce. All visitors, who have historical material, will be registered at the exhibit by attendants, dressed in Dutch costume, Mr. Wichers said.

The Christian Reformed churches of Zeeland and vicinity will hold their annual mission festival at Lawrence park in Zeeland August 11. Afternoon speakers will include the Rev. Jacob Kamps, Indian missionary worker stationed at Rehoboth, N. M., and Dr. Henry Beets of Grand Rapids, director of missions for the Christian Reformed Church in America. Evening speakers will be the Rev. Samuel A. Dykstra, missionary to China and the Rev. and Mrs. Edgar Smith, missionaries of the United Missions of Sudan, Africa. Special recognition will be given Mrs. Smith in connection with her work in the Sudan. Prior to her marriage she taught in Zeeland Christian school.

A prominent violinist, Ebba Sundstrom, conductor of the Woman's Symphony Orchestra of Chicago is to be at Waukazoo Inn next Sunday evening. Miss Sundstrom is coming to the resorts as a guest of Selvester Paulus, manager of the Waukazoo Inn, who is Miss Sundstrom's concert manager during the winter. She plans to arrive tomorrow in order to play at 8:30 p. m. Sunday between engagements with her symphony at the Grant Park concert series in Chicago. Mr. Paulus, of Waukazoo, extended his invitation to hear Miss Sundstrom to music lovers throughout the local resort area. Her work as conductor of the Women's Symphony orchestra in Chicago has been recognized by critics as among the greatest for women in the history of music. She began her music at the age of 6 years and appeared in concert work at the age of 10 and was considered a child wonder.

Mrs. Henry De Kruij, formerly of Zeeland, now of Summit, N. J., who spent the past five weeks at her cottage Blue Water, about two miles north of Getz farm, is now visiting Mrs. A. M. Keppel and Miss J. Kremers, at Tennessee beach.

A fire in the Chippewa beach cottage of the Schermer's last Thursday afternoon damaged the clothes and house furnishings belonging to the Schermers before it could be extinguished. The fire was caused by a kerosene water heater blowing up, and catching fire to the furnishings in the bathroom. Kerosene smoke did most damage as Mrs. Schermer discovered all furniture and curtains as well as clothes covered with kerosene soot.

Holland Christian Schools Get New Superintendent

JOHN A. SWETS

SWETS TAKES THE PLACE OF HEYNS AS SUPERINTENDENT OF CHRISTIAN SCHOOLS

The leaving of Dr. Garret Heyns as head of the Holland Christian schools to take the wardenship of the Ionia Reformatory, brought a vacancy in this office and the school board wisely chose a man who is well acquainted with school matters in this city as this relates to the Christian High. The man selected was John A. Swets, who has been with the local school for the last eight years.

A former resident of Grand Rapids, Mr. Swets was educated at Calvin college and the University of Michigan, from which he holds his master's degree. He taught history and directed high school athletics at Holly, in the eastern part of the state, before coming to Holland. In his eight years as principal here he has sponsored high

scholastic standards.

Mr. Swets, 34, is married and has two children. He is the son of Mr. and Mrs. Arie H. Swets of Grand Rapids, Calif., formerly of Grand Rapids, and a brother of Prof. Seymour Swets of Calvin College and Henry Swets of Chicago Junior college and Chicago Christian High school.

Mr. Swets was born in South Holland, Illinois in October, 1902, and he moved with his parents to Grand Rapids in 1929. He held an assistantship to Dr. Howard McCluskey in the department of experimental education in the summer of 1925 at Michigan. He has 40 of 60 credit hours toward a Ph.D. degree in that department.

Majoring in educational psychology and school administration during his college courses, Mr. Swets has found a deep interest in the work. He gained first practice in

it when he served as acting principal of the Holly High school for one semester in 1928. He taught history and citizenship in the Holly school from 1925 to 1929, going there after his marriage upon graduation from the University of Michigan. He was also the director of athletics there during those years.

The Christian School trustees decided to combine the duties of the High School Principal with those of the Superintendent of Schools for the next year at least. This is going to be a big task, but Mr. Swets is going to try his utmost to fill both positions with credit to the school and himself. Mr. Swets was also teacher in American History. However, if the task is too heavy this study may be given to some other instructor to handle.

Enrollment in the Christian schools here next fall is expected to be 850 to 900.

est parishes were located, to attend services.

With the arrival of the Whalens, the Halles, the Fritches, the Dets, augmented by a few more families, the development of the local resorts, the need for more regular services and for a church building, became manifest. On August 7, 1903 a site on 20th Street, West of the Van Raalte School, was selected and approved by Bishop Richter. The church was built here for the reason of its nearness to the Holland interurban line, then serving the city and the resorts.

The late Mr. James S. Whalen, the manager of Hotel Holland, and his brother, Nicholas J. Whalen, were the moving spirits in this church undertaking. Father Eickelman was appointed by Bishop Richter to conduct weekly services here and these were held in De Grandwet Hall, the second floor of De Grandwet building on 7th St. and River Ave. In those early days this hall was thrown open for the benefit of public meetings, religious gatherings, without charge for

many years. The members of the parish-to-be worshipped in this hall until the money was raised to build the brick church pictured in this issue.

On October 11, 1903, the cornerstone of the church was laid with impressive ceremony in the presence of nearly two thousand people. Bishop Schrembs, then the Very Rev. Joseph Schrembs, Vicar General of the Grand Rapids diocese, preached an eloquent sermon. On July 1, 1904, Rt. Rev. Joseph Richter conducted the dedication services. Father Schmidt of St. Mary's parish, Grand Rapids, Fathers Gallagher and Schrembs, both Bishops of the Church, and Father Eickelman, all assisted in the ceremony. These services today have all passed away.

After several years many reasons manifested themselves for changing the location of the church to a more central point. At one time serious consideration was given to the erection of a church at Jenison Park for the convenience and accommodation of the summer visitors. This project was abandoned however, afterwards the present location at the corner of 13th Street and Maple Avenue was selected. This progressive move was made during the pastorate of Rev. George O. De Quoy, now pastor of the church at Bay City, Michigan, and the portion of the building now occupied for school purposes was then

built and used as the church proper.

The files of the News of October 6, 1937, further state that these changes were not carried out without great hardships and sacrifice. To the qualities of leadership and perseverance of Bernard P. Donnelly can be attributed much that was accomplished at that time, but in calling of the roll of the faithful and loyal who labored incessantly for the general good of the parish, there is no safe place to stop—the list must include, besides those already mentioned, the names of Hamel, Paulus, O'Leary, Morlock, Damvelt, Kelly, Van Bragt, and many others. Nor must it be forgotten that the Catholic people of Holland have been favored by the generosity and good will of their non-Catholic neighbors in all their endeavors for parish advancement.

Father De Quoy, who succeeded Father De Quoy, was whole-souled in his energetic activity, and left a lasting impression on the spiritual and temporal affairs of the parish.

This in substance is a review of the history compiled by Att. Thomas N. Robinson in 1927. In his review modesty forbade him to mention the Robinsons as energetic co-workers in the Holland church. Today the list of workers have been augmented considerably by the Goods, Duffys, O'Connors, O'Mearas, Hohmanns and several others who do not come to mind readily.

POSITIONS OFFERED TO WOMEN WORKERS

There is quite a strong demand right now for women factory workers, applications are sought at once. There is some work for these women available in Holland and in Zeeland. Besides these factories openings there are also a few places in offices for those qualified for the work. There are also some openings in other parts of the county.

All women desiring work in Holland or Zeeland, or in other parts of Ottawa county should file their applications at once at the National Re-employment Service office located on the second floor of the post office building at Holland, Mich., where further information can be had on the matter.

Many of these places are very desirable and pleasant, and the pay is good. Both women and girls are eligible for the positions.

Miss Lucille Boeve was the honored guest at a grocery shower, Tuesday night, given by Mrs. G. Oonk at her home on rural route No. 5. The marriage of Miss Boeve to Wilbur Brames will take place in August. Games were played and prizes were awarded the winners. A two-course lunch was served.

At a meeting of the Woman's Home and Foreign Missionary society of the Wesleyan Methodist church Friday, the following officers were elected for the coming year: Mrs. C. W. Meredith, president; Mrs. William Valkema, vice president; Mrs. Howard Zuber, secretary, and Mrs. C. Klaasen, treasurer.

LEGION NOTES

Members of the Willard Leenhouts post gathered at Port Sheldon Tuesday night for a picnic. Between 50 and 60 members were present. Dinner was served in the dining hall under the supervision of Bert Gebben. During the sports program following the dinner, Al Joldersma's team defeated Henry Poppert's team in a game of indoor. Henry Geerds was declared winner in the horseshoe pitching contest. Commander Chester Van Tongeren presided at a business meeting at which it was decided to hold another outing at Port Sheldon on August 25. Announcement was made on a Fifth district meeting to be held Friday night in Grand Haven. Local members planning to attend are asked to meet at the club rooms here at 7 o'clock.

About 25 or 30 are expected to attend. Ten or 12 of the local members are planning to attend the state convention in Detroit August 15, 16 and 17.

At least 1,200 spectators saw the open-air movie picture at the Ed Leuw Garage Tuesday night, as advertised in the News. The movies showed life in India with plenty of elephants, Amos 'n Andy in cartoon, and the salt beds of Utah with its spectacular racing. The scenery was a Hudson-8 on one side and a Terraplane on another. The movies were given under the auspices of the Hudson Motor Co. and Ed Leuw of Holland. It was very entertaining and instructive.

Motorized Wheel Chair
Traveler Visits Relative

Jesser Lowman, 51, of St. Petersburg, Fla., motorized wheel chair traveler, was in Allegan Wednesday to visit his step-son, John Marstener. Mr. Lowman has stirred interest throughout the country with his vehicle, in which he travels at 14 miles an hour.

He terms himself the "roaming legionnaire" and is accompanied on his travels by a pet rooster, "Pete." He states that his vehicle gets 50 miles to the gallon of gasoline on a half-horsepower motor. This method of travel suits him because he suffered the loss of a leg in the World War.

ELECTRIC LIGHT INFORMATION IN BOOKLET FORM

A booklet, "Electric Service with Safety," has been received by the city's electrical department and will be distributed to all local consumers at an early date, Charles Vos, assistant superintendent of public works, announced today.

Illustrated with many photographs, the booklet has been prepared by the International Association of Electrical Inspectors to encourage safety in the use of electrical equipment in homes.

"Electricity is becoming a very common servant in the American home and the housewife has occasion to use it many times a day. The fact is that the domestic use of electricity has doubled since 1920," said Mr. Vos.

"Along with this widespread increase should go a working knowledge of how to care for electrical equipment and keep it serviceable and safe. It is common knowledge that electricity is perfectly safe when properly used but there are certain rules which should be observed to keep it safe at all times. This booklet reviews the rules," he stated.

The five fundamental principles for the safe use of electricity in the homes which, when followed, will go far in eliminating shock and fire hazards are: use materials suitable for the job; keep electrical equipment in good order; do not tamper with appliances or other electrical equipment; avoid handling electrical cords and devices with wet hands; do not use electrical equipment adjacent to water or in damp places unless special precautions have been taken.

BROUGHT TO JAIL

James Nelson, 24, of Muskegon was brought to the Allegan county jail to start serving a 60-day sentence in lieu of a \$54 fine imposed upon him by Justice Nemham at Saugatuck when he pleaded guilty to a charge of larceny.

TAX COLLECTIONS INCREASE
AS DEADLINE NEARS

With only five weeks remaining for Michigan taxpayers to avail themselves of the installment plan for paying back taxes without penalty, Auditor General George T. Gundry, stated today that reports show many of the tax paying public are hurrying to their county treasurers' offices to take advantage of the Legislative plan to save their property from the tax sale next Spring.

Mr. Gundry pointed out that payments made before September 1st may be made with only a 2% collection fee while those paid after that date may still be paid in full but under heavy penalty.

The Auditor General indicated that all real estate taxes for 1935 and earlier years will go to sale unless they are paid in full or are paid up to the currently due installment. He explained that this meant that 1936 taxes must be paid in full, that at least one-tenth of the total of 1933, 1934 and 1935 taxes must be paid in order to escape this sale and that at least three-tenths of the total of 1932 and prior years must be paid to forestall sale of the property next May.

Attention was drawn to the fact that if the first installment of 1933, 1934 and 1935 taxes has not been paid, the property will go to tax sale for the full amount of these taxes.

MAN COMES TO TOWN AFTER
28 YEARS

W. J. Hoadley, aged 72, a bricklayer by trade, came back to Holland after being away 28 years. He lived in this city for 30 years and was one of the men who worked on the Holland City State Bank when it was erected in 1891 and finished in 1892. He was related to the late William Finch, one of the pioneers of Holland and an old veteran of the Civil War. Older residents will remember Mr. Finch as the man who moved buildings in the old-fashioned way, on wooden rollers. He was a tall, angular man, but a fine gentleman, and his home once was on West 12th St., directly east of the home of Peter Van Ark. Mrs. Finch had a beautiful, old-fashioned garden there that was the envy of the neighborhood.

Mr. Finch, it was believed, died as the result, many years ago, of a building coming down on him while he was under it when it was in the process of being moved. Workmen had to dig him out, but he was severely injured, and he did not so many years afterward. James Hoadley, father of Mr. Hoadley, was captain in the same regiment as Capt. Peter De Boe. Mr. De Boe's home was a part of the City Hall property at the corner of River Ave. and 11th St. The Mr. Finch spoken of was the grandfather of W. J. Hoadley. Mr. Hoadley was here to visit friends and, incidentally, to look after some pension matters. Today he lives in Watervliet. Mr. Hoadley was loud in his praises of Holland, and spoke glowingly of its splendid growth and of the many changes that have taken place during his absence.

PAYS \$14 COSTS FOR CAUSING
2 OTHERS TO CRASH

Horace L. Griffin, supervisor of the Cheyenne Motor Bus Co. of Cheyenne, Wyo., forgot he was not out in the wide open spaces of the cowboy country Friday afternoon when he drove on the wrong side of US-31 about four miles north of Holland and unknowingly caused an accident to two other drivers.

As Griffin, driving a new bus through from the Muskegon Bus Co., came near Holland he met J. Edward Pulte of Watervliet, Wis., causing Pulte to leave the road and in leaving the road Pulte's car struck a car driven by John Vandermolen of Muskegon.

Deputies William VanEtta and Henry Borr Friday night returned Griffin from South Haven, where he was apprehended following a complaint made to local officers. Appearing before Justice John Gallen, Griffin was assessed costs of \$14.66 on charges of driving on the wrong side of the road. Both cars were greatly damaged but neither driver was injured.

Holland Girls Show the Mayor How

—The Chronicle Photo.

Quaintly attired in picturesque Dutch peasant costumes, a company of Klompen (wooden shoes) dancers are showing Mayor George D. Vanderwerp some of the steps they executed during The Netherlands Day program at the Centennial exposition. Under the direction of Mrs. Athalie Roest Clark, of Holland, the girls put on a lively exhibition yesterday afternoon and evening in The Mart auditorium. Left to right, they are: Betty Jean Zyke, Anne Laura Parsons, Alice Houtman, Norma Dore and Vivian Tardiff. They made up part of the Dutch village at the Holland Tulp Festival this Spring.

Thursday was Netherlands Day
at the Muskegon Centennial and a
large delegation from Holland,
headed by Mayor Henry Geerlings
and William C. Connelly of this
city, left to help celebrate this
outstanding occasion. There were
many from Grand Haven and Grand
Rapids, and the Hollanders and
their descendants were quite well
represented from all parts of Western
Michigan. They all gathered at
The Mart, the center of the celebration
on the Lake front and there was an evening of Psalm
singing and a speech by Mayor
Geerlings in the Dutch language.

Jacob Vander Veen, 93 years old, of Grand Haven, the only person who was in the Van Raalte colony when it settled at the head of Black Lake in 1847, was present; and he also gave a short talk and was introduced by Cyrus M. Poppen, master of ceremonies. G. A. Bottje, age 84, oldest Holland resident there and was introduced. A large gathering of visitors of all nationalities watched the program put on by the Hollanders.

As the Muskegon Chronicle puts it: "Hundreds of Hollanders sang songs, spoke in Dutch, and Mayor Geerlings was applauded loudly during his discourse. He expressed the spirit of the assembly and also voiced with fervor in which the 'burghers' joined in the community singing. Henry Ten Hoop, who was the director of the singing, was loud in his praises of the efforts and the accomplishments of the Holland singers and called out: 'That is fine! Doesn't that remind you of the olden days?'"

The Hollanders again were taken back to "the old times" when a group of Holland junior and senior high school girls, from 11 to 17 years of age, danced an old Dutch folk dance with their woodland klompen. Athalie Roest Clark, director of the group, received an encore for her solo dance. The group was attired in colorful Old World costumes.

Dressed in quaint black dresses with white aprons and white caps, Miss Marie Groeneveld and Miss Alberta Keur, of Muskegon, pleased the audience with a Dutch duet.

CENTENNIAL NOTES FROM
THE MUSKEGON
CHRONICLE

Scores of heads nodded approval last night when Cyrus M. Poppen, master of ceremonies for the Netherlands program, attempted to recall his Dutch pronunciation. "The girls will sing—let's see if I remember my Dutch—"Daar ruischt langs de wolven," Mr. Poppen said. "Is that right?"

And throughout the auditorium the burghers murmured, "Yah. Dot's right."

James D. Boter, chairman of the committee from Holland, was in charge of arrangements for their section of the Centennial program at The Mart auditorium. He was assisted by Herbert Marsille, also present.

State Senator Earnest Brooks, from the Twenty-third District, was a spectator at the Centennial. Another distinguished visitor was William Arendshorst, of Holland, founder of the Holland Rusk company. He termed the Centennial "very good."

Holland's Klompen dancers, like the "Fighting Irish" of Notre Dame, are recruited from many national groups. In fact, of 12 girls who appeared in the Klompen dances at The Mart, only four bear Dutch names. The four are Betty Jean Dyke, Alice Houtman, Geraldine VanVulpen and Mrs. Athalie Roest Clark, the director.

The others represent several racial strains as indicated by the following names: Anne Laura Parsons, Norma Dore, Vivian Tardiff, Shirley Dean Massa, Arla Parsons, Genevieve Mook, Wilma Nysson and Sophie Firlit. And, to make the picture complete, the girls were escorted here by William M. Connelly, the Irish manager of the Holland Chamber of Commerce.

William C. Connelly, director of the Holland Chamber of Commerce, and Netherlands Consul, Jacob Steketee, of Grand Rapids, were seen singing Dutch Psalms together.

WARN AGAIN GAMBLING IN
LOCAL DRINKING PLACES

A warning was issued by Police Chief Frank Van Ry and Deputy Sheriff William Van Etta, Friday, picture gambling in any form will not be tolerated, after August 1, in beer and liquor dispensing places in Holland and Ottawa county. The ruling of the liquor board is regarded as drastic, with license revocation the penalty for violation. It specifically states that no slot machines, baffle boards, gaming or gambling devices of any kind whatsoever, in which the one who plays the machine stands to win or lose money, trade checks, prizes, free games, or any consideration whatsoever, shall be permitted in premises licensed by the commission. The two police officials stated that the ruling of the liquor commission will be strictly enforced in Holland and Ottawa county, especially in commercial clubs.

Civic Clubs Do
Much To Those
Who Need HelpREPORT OF CITY NURSE INTER-
ESTING AND INDICA-
TIVE THAT FEEL OF
SERVICE HAS BEEN
FILLED WITH WORK

Numerous local clubs and other organizations of the city have co-operated in promoting health in Holland during the past year, the annual report of Miss Alma A. Koertge, public health nurse, shows.

Dr. T. Van Haisma, representing the local Lions Club, presented to all Parent-Teachers Associations in the city an illustrated lecture, entitled, "Care of the Teeth." These lectures were well-attended and proved very popular. Throughout his lectures, Dr. Van Haisma demonstrated to parents the necessity of milk, fruit and vegetables in the diet for the building of good teeth. Funds for the removal of tonsils, financial aid for the milk fund, and other care for which there was dire need were furnished by the Exchange Club. Crippled children were the special interest of the Rotary Club. Thirty trips were made by the nurse to the Crippled Children's Clinic in Grand Rapids, and numerous other needs of children were supplied. Glasses were provided by Junior League funds for children whose parents are not in the financial condition to pay for them.

Each week the Civic Health Committee of the Woman's Literary Club supports the baby clinic, and five pre-school clinics were sponsored by them. 108 children were examined in this manner. The Department of Health, as usual, carried on an immunization program against diphtheria and small pox.

A two-day clinic was provided by the Michigan Tuberculosis Association in addition to aid by local organizations. The purpose of this clinic was to X-ray the chests of people who had had contact with the dread disease. Through the aid of the Michigan Children's Fund, a full-time dentist, Dr. Staughton, in constant attendance on school children with tooth ills. Dr. Staughton came to Holland from the north half of the county in February.

One disease which has been prevalent this year is whooping cough. "Parents have failed to realize the importance of keeping children who cough from contact with other children, and because of this there has been much unnecessary spread of this dreadful disease," Miss Koertge's report states. "Children with any ailment, however slight, should not be in school or other public places."

A total of 1,649 home calls were made during the year by Miss Koertge. Two orthopedic clinics, one psychopathic clinic, one hard of hearing clinic, five pre-school clinics, ten chest clinics, and two all-day X-ray clinics were conducted during the year. Baby clinics are conducted by members of the Civic Health Committee.

Nursing care required 214 home calls, and 220 were for delivery of babies' birth certificates. Calls to schools totaled 415. The nurse assisted Dr. Tappan, city health officer, and Dr. Staughton, school dentist, and observed for communicable diseases and held general check-ups. Conferences with other workers totaled 101. Seven trips were made to the Grand Rapids clinics, six people taken to local doctors, and six classes in "child care" were taught in Junior High school.

One health talk was given outside of school, and three days were spent by Miss Koertge at the Public Health Conference in Lansing. One nurses' meeting was attended in Grand Rapids, and one day was spent at Teachers' Institute in that city. Two confinement calls were attended to.

A total of 1,719 children were tested in school under the supervision of Miss Koertge. Sixty children had their tonsils removed, 25 were given glasses, and 142 returned dental cards from local dentists signifying that their dental care had been completed.

Judging from this array of activity, city nurse, Miss Koertge, surely found her time well-occupied, and is certainly deserving of a vacation for a few weeks, which she is now taking at her home in southern Indiana.

God Leads a People—
Exodus 13:17-22: 14:10-15
Henry Geerlings

Moses had a big job on his hands. He was leading a people who were unorganized and were easily frightened. They murmured. They complained. They longed for the fleshpots of Egypt when they became hungry and food was not in sight. They were liable to turn back at any moment. They did not have much courage. They were not willing to pay a high price for freedom. The going away from Egypt toward the promised land was hard going. The Egyptians were following them in hot pursuit. They were determined to overtake them and bring them back to their own land. We have a good deal of sympathy for these Israelites. They were unarmed and unprepared to contend with the armed Egyptians. The sea lay in front of them. Their pursuing enemies were in the rear. Here is where the greatness and masterfulness of Moses came in. He had to calm the fears of his undisciplined people. He had to inspire them with confidence in his leadership. He had to infect them with something of his own courage. He had to lend them his vision of ultimate success. He had to persuade them that God was with them and therefore they were bound to win. He had to keep the mob spirit down. He had to prevent them getting panic-stricken and so panic-stricken cattle.

We read the story of Moses' leadership and we read it often calmly and take it as a matter of course. We have been taught from our man, a masterful leader and a spirit of youth up that Moses was a great man and so we expect great things from him. We just take them as a matter of course. But we should see for ourselves just why he was so great. We should be impressed by the greatness of his task, by the seemingly almost insurmountable difficulties he faced and trampled down, by the unresponsiveness of a people who did not like to make sacrifices and who had little appreciation of ultimate values. They had little imagination and less sense of the future. They lived in the immediate present and tomorrow had little lure for them. It is safe to say that no man faced a more difficult task of leadership wherein his people could do so little for themselves.

Moses and his people have come to the sea. We must admit that a sight of a sea and no known way to get across it, when people must cross, is terrifying. Now Moses inspires them with faith in something that he believes is going to happen—faith in the fact that God is going to do something for them. Faith in the invisible and the unknown is not easy to create. It is an ever-recurring problem. It is upon us today. Certainly there is vast need today for men and women who believe that God is still on His throne and that He is leading His people and that He will find a way out of our present difficulties. There seem to be impassable seas before us. Nobody seems to know what is going to happen and whether we are going and what we are going after. There is a great fear settling down on people like a dense fog. Men and women are losing faith and hope and outlook and they are surrendering to despair.

The spiritual leaders of today are finding their faith in the conquering power of the spiritual challenged quite as much as did Moses. We are in dire need of some spiritual giant who can inspire courage in a discouraged people, can infect them with a sane and balanced optimism and can say, as if it were the voice of God, "Fear ye not, stand still, and see the salvation of the Lord."

Moses by his unshakable faith in God and by the mysterious power of his own vibrant and infectious personality held his people together. He kept them from dispirited panic. Think of the power of a man who could so speak to his trembling people as that they did go forward into the midst of a dry path between the separating waters of the sea. Think of the force of a man who could keep these frightened people moving somewhat orderly until they all got safely over on the other side of the sea.

Of course we must recognize the mighty hand of God in this deliverance. We do. It would have been an impossible task without God's help and directing wisdom, but may we say it reverently, that God needed Moses. Without him the deed would not have been done. It is in inspiring illustration of the cooperation of the divine and the human. Man cannot get along without God. God cannot get along without man. But the bigger man the more does he recognize and acknowledge his dependence upon God. A big man does not get an overdose of self-sufficiency, and claim everything in the universe for himself. While he may use and does use all of his powers, yet he knows that he must use his with God's. To do things in this world requires that we work with all our might, but we must not forget to join our might to the Almighty's.

HAKKEN AND HATTON DO MISSIONARY WORK AT ROTARY CLUB

"I believe in scouting, and I want \$1,200 from this community for the movement. You've got all the wealth of the county at this end, anyway," William Hatton of Grand Haven, chairman of the Ottawa-Allegan Boy Scout Council, informed the Rotary Club at a recent meeting in the Warm Friend Tavern. In response to Mr. Hatton's brief plea, the board of directors of the Club pledged their support to the building program at the Council Scout Camp at Pettit Lake, Newscout County. Heading the local drive for funds for the project will be William Lowry and O. S. Cross, together with members of the Crippled Children's Committee.

Rev. Bernard D. Hakken, missionary to Arabia, now on furlough in Holland, presented to members of the club a description of life in the Arabian mission field. Rev. Hakken began his talk with a description of a typical Arabian banquet, which he contrasted with the luncheon served at the Tavern. None of the food is wasted, Rev. Hakken asserted, although there is always too much on the table. "Food is given to men servants after guests are through, then women servants are allowed to eat, and what is left is given to beggars, who go around and collect from door to door."

Stressing the fact that Arabia is a fertile land, and not a desert country, as Americans often think, Rev. Hakken stated: "If there were as much rain in Arabia as there is here, it would be a highly fertile country." Numerous resorters were guests of the Rotary Club. Among them were Rotarian William Hatton of Grand Haven; Glenn W. Thompson of Columbus, Indiana; George F. Morrison of St. Louis; Edward Bartow of Iowa City, Iowa; Mal Rogers of Zeeland; A. Van Kovering of Zeeland; Noble R. Jones of St. Louis, Mo.; C. F. Peek of Allegan; David R. Vaughn of South Bend; Jesse Swart of St. Louis, Mo.; and E. D. McCulloch of Peoria, Illinois.

OTTAWA COUNTY FARMERS HAVE BEEN FORTUNATE

County Agr. Agent L. R. Arnold, states that Ottawa County farmers have been very fortunate in 1937. Reports from various parts of the state show sections which suffered through lack of rain, others injured through too much rain and still others where pests such as grasshoppers and army worms are doing great damage. Mr. Arnold states Ottawa growers have had little to worry about this year.

Crops throughout the county are in fine condition. Berry growers report fine yields and prices very satisfactory. Hay yields were good. Black rust struck the wheat. In some cases farmers report damage through shrinkage caused by rust. In many instances damage was slight. It is quite unusual for black rust to appear in Southern Michigan. It is believed the spores were carried in from other states. Some farmers report heavy yields of wheat. Robt. Rasch of Conklin, harvested 4 3/4 acres with a yield of 40 bushels to the acre. Mr. Rasch's poultry had made inroads on this field before threshing or the field might have been somewhat better. The wheat price is quite satisfactory but most growers evince a desire to hold. The Canadian crop is reported to have been injured through drought. The spring wheat crop is still in danger so some farmers feel that holding will be profitable.

HOLLAND CAMPERS DIG OUT OF SAND

Campers and house trailer occupants at the Ottawa Beach oval Tuesday had readjusted their equipment that was partly buried under heavy sands that blew in from the lake shore.

The cement drive gave the appearance of winter storms following a two-day wind. One track had been shoveled out for traffic. Coast guards rescued Jack Crell and Philip DeYoung each about 18 of Grand Rapids after the speedboat had been washed upon the top of the south breakwater. The lads were attempting to go out into Lake Michigan.

The diving tower of the Camp Fire Girls was destroyed by waves. Many small sailboats and other craft were upset in Lake Macatawa, but little damage was done.

GOES TO JAIL AND PAYS \$100 AS WELL

John Albin, 45, R. F. D. No. 4, Holland, was sentenced to 10 days in the county jail, fined \$100 and costs of \$5.35 Saturday by Justice Nicholas Hoffman when Albin pleaded guilty to a charge of operating a motor vehicle while under the influence of liquor. Albin was arrested Friday evening following an accident in which his car crashed into a car driven by George E. McKenzie of Chicago near the Pine Creek road, one mile north of Holland.

Storm in Holland Area Causes Minor Damages; Young Man Nearly Drowned

The rain and electrical storm which swept over Holland and vicinity Friday night about 8:30 p. m. caused minor damages. Late Friday afternoon three unidentified young men were rescued from Lake Macatawa after their sailboat had turned over on its side. Heavy winds about 5 p. m. are said to have overturned the boat near the H. J. Heintz Co. plant on the north side. The rescue was made by Fred Savage of Flint, whose boat, The Hobo, was anchored at Kollen Park. A large barn on the Albert Klokert farm, east of Hamilton, was destroyed by fire, causing damages estimated at approximately \$7,000. The fire started about 10 p. m. Included in the loss, besides the barn, were two calves, 18 loads of wheat, 33 loads of hay, large number of farm tools, and a corn crib.

Hamilton firemen were called to the farm and were successful in preventing the fire from spreading to the nearby chicken cook, garage and farm house. Lightning struck a transformer in Waukazoo and burned out two fuses. This was the only damage experienced by the city power plant or its properties. The local office of the Michigan Bell Telephone Co. reported that the storm did no damage to telephone line here, but that several rural lines had been put out of commission. The Consumers Power Co. of Zeeland reported that lightning had struck several transformers between Zeeland and Saugatuck and had burned out several fuses, leaving consumers without service until repairs were made.

ADDITIONAL APPROPRIATION FOR TULIP BULBS APPROVED

A request of the park board and Tulip Time committee for an additional appropriation of \$700 to be used in the purchase of tulip bulbs for the 1938 festival was approved by the ways and means committee of the Common Council at a meeting, Friday afternoon, of members of the board of park and cemetery commissioners. The Tulip Time committee and the ways and means committee of common council. At the regular council meeting Wednesday night, the park board requested the additional money, pointing out that the \$2,500 approved previously by council would be insufficient to purchase the bulbs due to higher prices caused by a short crop. The matter was referred to the council ways and means committee with power to act. The park and cemetery board met last Tuesday and received one bid presented by the Nelis Nursery for \$3,175.

HOLLAND GROUP WILL ATTEND OIL FESTIVAL AT MOUNT PLEASANT

A delegation of Holland citizens is planning to go to Mount Pleasant to attend either part or all of the Michigan Oil and Gas exposition being planned there for August 10 to 15, inclusive. The group is interested in the development of the Holland-Burnips oil field in Salem township, Allegan county, 15 miles southeast of Holland.

Mount Pleasant is approximately 110 miles northeast of Holland. Special events are planned daily at the "million dollar exhibition," being sponsored by the Oil and Gas Association of Michigan and the Mount Pleasant Chamber of Commerce.

The third annual exposition of unusual exhibits will present to visitors the advancement in the great oil industry in Michigan. Leading manufacturers, refiners, producers and supply houses of the United States will have on exhibition the most modern machinery and equipment with miniature models and motion pictures showing the many changes in the progress of producing and refining Michigan crude oil. Free vaudeville acts, trained animals on the outdoor stage, thrilling air stunt flying and fireworks also are offered visitors. Governor Frank Murphy is scheduled to open the exposition the first day. Grand Rapids day will be observed Friday, August 13. Mount Pleasant has prospered greatly by the oil field development in Isabella county.

UNUSUAL NAME FOR CASTLE PARK'S NEW BUILDING

The new store at the Dance Dune at Castle Park has been given the name, "Castle Cooler," following a contest for submitting names at last week's Saturday dance. Mrs. Harris Meyer submitted the winning suggestion. A wide variety of names was suggested, elimination being by vote of the resort populace. The "Castle Cooler" is built of rough-hewn southern pine siding, and finished with North Carolina shakes. Through a large, decorative window, patrons of the store can look for miles in three directions. Included in the store are a store room, a soda fountain, a kitchen, and a soda parlor. The kitchen is surrounded by a rustic setting of poplars on the east, on the south a stone fireplace, and on the west a stone wall, framing the lake view. Each Saturday and Tuesday a closed dance on the open-air pavilion floor is enjoyed by the residents at Castle Park. Bill Poppink, former Hope College student, and Jack De Kruif, a Zeeland boy, are in charge of the store and kitchen. Carter Brown, manager of the Dance Dune, plans the buffet suppers.

Miss Alice Katte, daughter of Mr. and Mrs. John Katte of Zeeland, and Lawrence Heckathorne of Three Oaks were united in marriage Saturday afternoon at four o'clock at the home of the bride's parents. The Rev. R. J. Vanden Berg, pastor of the Second Reformed church of Zeeland, officiated. The bride was charming in a floor-length gown of white embroidered organdie with a coronet of orange blossoms. She carried a large bridal bouquet of roses, sweet peas and swainsona. Her only attendant was her sister, Mrs. Ronald B. Fox of Ann Arbor, who wore a gown of blue organdie, trimmed in dubonnet, with a shoulder corsage of dubonnet sweet peas. William Perigo of Benton Harbor attended the bridegroom as best man. Rooms were attractively decorated with large baskets and bouquets of gladioli. A reception followed the ceremony. Mr. and Mrs. Heckathorne left on a trip through Northern Michigan. They will spend the month of August in Benton Harbor. After September 1 they will be at home in Manistee where Mr. Heckathorne has a position in the physical educational department of the public schools. TORNADOES SWEEP MICHIGAN AGAIN CAUSING HEAVY LOSS

Many sections of the state were visited during the past few weeks by terrible windstorms. Barns were torn apart, houses were wrecked, farm tools smashed, orchards uprooted and livestock killed.

From one cyclone alone, June 14, this company had over 200 losses in three townships. Damage was done in sections where cyclones had never before struck. You never can tell when or where a tornado will rip up a few hundred thousand dollars worth of property.

If you want to be safe from heavy loss get a windstorm insurance policy with this company at once. The cost is very low.
