## WANT TO FIND OUT YOUR TELEPHONE RATES?

BELL TELEPHONE GIVES DETAIL REQUEST ON PAGE FIVE OF THIS ISSUE

A matter that has been agitating the minds of Holland telephone users, is the proposed request for a higher telephone rate.

The Mayor, the City Attorney and the Aldermen are not sleeping on this question, in fact they are keeping tabs on both the Telephone Co. and the Michigan Public Utility Commission.

The matter has at last come to a head however, and under the law, the Bell Telephone Company, must apply through the local press, of a community in a legal way, setting forth not only the old rate but just what their new rate applied for, amounts to.

The State demands that all concerns should know thru publicity what that rate is, and then if there are any objections, there is plenty of time to make a protest thru their city officials, at a meeting at Lansing held September 8th.

If you turn to the legal notice printed on page five of this issue, you will find that Holland comes under group seven. Follow group seven all through, and you can figure just what new rate the Bell Telephone company is going to demand.

Then look a little further down in the legal notice, under present schedule and you will see the present rate, beginning where it says one party line \$3.00. In group seven you will find one party line \$4.50.

The entire application is so plainly set forth in the "Legal Notice of Application" that it is needless to go into details here. Turn to the notice for full information, in fact it would be well to cut it from this issue for future reference.

## GARBAGE DUMPERS TO BE ARRESTED FROM NOW ON

CITY INSPECTOR BOSCH HAS BLOOD IN HIS EYE; NEIGHBORS COMPLAIN BITTERLY

Some citizens and not a few business firms seem to abuse instead of use the city dumps at Kollen Park and also at the swamp at the head of Central Ave.

Mr. Bosch has warned dumpers of wet garbage so often that "patience ceases to be a virtue". Filthy garbage potato peels, ends of vegetables, rotten apples and tomatoes, etc., have been thrown in these places and to cap the climax some local market men have been lugging chicken heads, feathers, bad meat and chicken off-scam to the swamp and because of these violations of the city ordinance a stench has gone up from these places that compel neighbors to close their doors in hot weather and for that reason they are complaining bitterly about this condition.

City Inspector Bosch has already returned five loads of this wet garbage to the persons so thoughtless, very much to their chagrin, but from now on there will be something more doing. Not only will the offender be compelled to dig out his rotten garbage and take it back but he will be arrested besides and will be fined heavily. Mr. Bosch is not only backed in this by the Board of Health but by the Common Council as well.

A. KUIPER BOUND OVER TO CIRCUIT COURT

Albert Kuiper, who was arrested about a week ago by Deputy Sheriff Egbert Beekman, was examined before Justice Brusse, Wednesday afternoon. Henry Miel was the only witness questioned and the Justice bound him over to circuit court where his case will be disposed of this month. The case of the two young men who stole a Ford coupe here last month and also the case of the man who is charged with robbing the offices of Dr. Van Verst and Dr. Westrate will also come before Judge Cross.

HOLLAND BUSINESS COLLEGE OPENS SEPTEMBER 8TH

The Holland Business college which has for several years been training young men and women for places in the business world will again open its door September 8th. Last year Holland's banks and industries took every stenographer and secretarial graduate and gave them fine positions. Graduates from the other courses offered in the school, also found positions, because of their complete training. On account of the steady growth of all forms of business in Holland there is still a great demand for graduates who are ready to take responsible positions. The fall term of the school opens on Tuesday September 8th, but beginning August 8th the college office will be open on Saturday's from 3 to 5 and 7 to 8 P. M., for enrollment of students and giving information. Albert Hoeksema is principal of the school and C. J. Dregman is secretary.

OTTAWA COUNTY FARM BUREAU TO PICNIC

The eighth annual picnic of the Ottawa county Farm Bureau will be held on the beach at the State Park Oval at Grand Haven on Wednesday, August 12th. The Home Economics clubs are co-operating with the Farm Bureau in furnishing music and the sports program. The speakers of the day will be Mr. W. W. Billings, of Flint and Mrs. Louis H. Campbell, head of the home economics work at the State College.

On Page three of this issue there is an important message on furniture buying.

## ARMORY IS NEARLY READY FOR OPENING

LOCAL GUARDSMEN WILL HAVE FINE EQUIPMENT IN NEW BUILDING

Auditorium Can Seat Seventeen Hundred People; Auto Show Planned For 1926

Holland's new armory is just about complete, the contractor having finished all but a few minor details. A squad of workmen have cleaned up around the place and now outside of some lighting fixtures and plastering the building is completely finished. The Guards have not used the new drill floor as yet but they will get plenty of exercise here after they return from Grayling. Everything has been moved from the old armory and Captain Geerds is established in his new office which is located just off from the first floor lobby.

The entire cost of the building is \$55,000 of which the state pays \$40,000. The site was purchased at a cost of \$10,000 making the armory complete, cost around \$65,000.

A grand opening will be held some time in September after the examining board has inspected and approved of the building. This opening will be a great affair, and an elaborate program is being planned by the officers. The building will have offices for the American Legion and also for the Ladies Auxiliary. The drill floor which is also made into a splendid basketball court will help alleviate a crowded condition that previously has existed in Holland. For lack of gym space hundreds of athletes have been kept from playing their favorite sport. With this floor available it will be possible for many more teams to play and leagues may be formed. Indoor baseball which has always been a favorite winter pastime in Holland can also be played on the large floor. Due to the far-sightedness of the men who drew up the plans many fine things have been made possible for Holland and vicinity. No doubt 1926 will see a big automobile show in the building as every convenience for such a display is possible.

On the first floor of the building on each side of the lobby is a large parlor and also rest rooms for ladies and gentlemen. Captain Geerds' office, a spacious room for the top sergeant and kitchen are other rooms on the first floor. The drill floor is 73'x90' and can seat 1700 people in case it is used for public meetings. During an athletic contest 700 people can be comfortably seated on bleachers which will be set up temporarily. These are so placed that a three-foot boundary line will give the players plenty of room. The second floor has the office of the Legion and Auxiliary and a club room for the guardsmen. Billiard tables will be placed in the billiard room and lounge chairs will help make this a fine place for the soldiers to rest after drills. The small gallery with French doors affords a splendid place for a speaker to deliver his message.

In the basement the shooting range and supply rooms are located. Locker rooms and also nine shower baths give the soldiers nearly every convenience needed. The building will be open for rental to all enterprises at a rate to be designated by the state. It will be open every day but Sunday. However, on Sundays religious organizations, holding religious meetings can obtain permission to use the auditorium free of charge. Watch for the date of the formal opening of this new building.

The rural mail carriers of Michigan, are gathering today for the state convention at Cadillac, Michigan, and the Holland rurals are represented by Carriers Marinus Kole, Gerrit Rutgers, John Woldring and Bert Tinkholt, who motored to the Northern Michigan city.

Mayor S. C. Moore of Cadillac and Postmaster P. F. Powers welcomed the visitors to Cadillac and the convention really opened this morning in the Y. M. C. A. building.

Wednesday afternoon officers were elected and the delegates will hear the report of the national convention. In addition the state association's attorney, W. D. Brown, is slated for an address.

HERE'S A LITTLE BUNCH OF HAPPINESS AT SUNNYCREST

Above is a picture of twenty young ladies, some in their teens, and others just little kiddies who are receiving real motherly care at Sunnycrest School for Girls on Black Lake. They're sweet children just like our own, only they don't have us to guard, guide and educate them. They are orphan children who didn't have the advantages our children are having. However at the Sunnycrest School at Holland, Mich., they are receiving these advantages and are placed in the proper environments which include motherly guidance and parental teachings.

With your help these and others will continue to receive these advantages that our children enjoy.

If "charity begins at home" then on Saturday of this week we can prove that we believe in this time-honored adage. "Blue Bird" tag day all day Saturday—don't turn the young lady solicitors, or our Boy Scouts down when they ask you to take a "Blue Bird" in order to make a child happy.

cludes motherly guidance and parental teachings.

## SIDE LIGHTS AT THE COUNCIL MEETING

PASTOR FAILS TO COME, CITY FATHER SLAGH ASKS FOR GUIDANCE

A few of the interesting side lights transpiring at the council meeting last evening show that the pastor asked to say divine blessings was mixed as to the hour of the meeting and failed to appear. Mayor Kammeraad called upon Alderman Bert Slagh to open the meeting. Mr. Slagh prayed that the city fathers be guided aright in all their deliberations.

The Harrington Coal Company was awarded the contract for the winter coal supply for the City Hall, the Hospital and the City Green Houses at \$6.18 per ton.

The Zoning committee thru Alderman Peterson announces that at a future meeting they will be ready to present an ordinance governing zoning subject to the approval of the council.

Alderman Alex Van Zanten reported that the poor of Holland were given \$222.00. The amount is some higher than that given in previous reports however this is due to the fact that there had been no council meeting for three weeks.

The committee on building permits stated that they were making progress on the permit of Peter Mass who asks the privilege of building a store building costing \$20,000, at the corner of Twelfth Street and River Ave.

The Peoples Transit Co. asked for a license to run a bus line giving John Boeve and Norman Cobb as bondsmen. The request was referred to the committee on licenses.

Louis Padnos was granted a license to conduct a junk shop, giving as his bondsmen Otto P. Kramer and Wm. Arendshorst.

Henry Hidding and Dick P. Japings were given a renewed license to conduct a soft drink stand at the base ball park.

A request was made by the Eighth Reformed Church at Van Raalte Ave. and 18th-st., asking that their taxes be remitted. Alderman Laepple moved that while the city was willing to remit the city and school tax, state and county tax should be paid by the church. This was agreed upon by the other members of the council.

John Good Coal Co. was allowed to build a side-track over Second-st. to his coal yards near the Donnelly-Kelley Glass Co.

The common council authorizes the opening of 21st-st. to Michigan ave. The street is open from the Central Avenue side but it is impossible to get to River avenue from the west.

August Shipka was personally present to make a protest against William Garbrecht who Mr. Shipka stated was building an old shack of a paint shop next door to him and thus damaging his property not alone, but compelling him to pay a higher insurance. Shipka stated that he had spent considerable money in the beautifying of his home and garden in which he took considerable pride and he did not propose to have an unsightly paint shop stuck directly under his nose. He stated that when he complained Garbrecht's retort was "If you don't like it move your house off." The homes are located at Sixth-st. and Fairbanks ave.

Judging from the action of the council at last night's meeting it came out that the Standard Oil Co. is to build a beautiful service station on the corner of River Ave. and 16th-st. This fact came out when a permit was asked for to move some one story houses from that location to 20th street. Alderman Laepple asked that it first be ascertained whether the houses would be unsightly when placed in the new locality. Alderman Vander Hill's opinion was that the houses were better than the ones already located there so the permit was granted.

## PAYS \$10,000 FOR A SEWAGE DISPOSAL SITE

IDEAL CLEANER BUILDING PERMIT IS AGAIN TURNED DOWN BY THE COUNCIL

Aldermen Must Salute The Flag When Entering The Council Chamber

At a meeting of the Common Council held last evening, all the city fathers were present and considerable business of importance was transacted.

Alderman Laepple who was chairman of a committee to look after the purchasing of a site upon which the new sewage disposal plant, for which \$195,000 was voted sometime ago, is to be located, asked that the Federal Manufacturing Co. be allowed the \$10,000 which is the purchased price of the property.

The Common Council so voted with the proviso that all the papers be made out regular and that all the property bargained for be described in the deed, including certain side track lands along the Pere Marquette right of way.

The purchase property is located between Second and Third streets and between River and Central avenues and comprises about 2 1/2 acres.

The permit to build two buildings on Tenth street near River Ave., asked for some time ago by the Ideal Cleaners was again turned down by the Common Council. Alderman Laepple in a report stated that a committee had gone over the situation repeatedly and could come to no agreement. He said that the committee stood divided on the matter, Alderman Kleis favoring the petition, however, Aldermen Hyma and himself objecting to it, feeling that the granting of this building permit would work a hardship on the adjoining property owners who objected strenuously.

At this juncture Alderman Slagh made a protest and stated that the matter had hung long enough and he personally could not see a reason why the permit should not be granted. He demanded that the Council take a stand one way or another regardless of the committee's ruling.

Alderman Laepple called the aldermen of the first ward out of order stating that there was no filed permit by the Ideal Cleaners now before the Common Council since the first permit had been turned down. City Attorney McBride stated that Mr. Beukema, who was present, could then and there apply verbally for a permit however, in order to make it effective it demanded the unanimous approval of all the aldermen. The verbal permit was then put to a vote but struck a snag when Alderman Brieve voted no. Now the Ideal Cleaners will have to make a new application for a permit to build and present it at the next meeting of the Council.

A very impressive incident at the meeting of the Common Council last evening came when Mayor Kammeraad asked the chairman of the building committee to report. Alderman Drinkwater, dean of the aldermen, arose and requested that Aldermen Brieve and Slagh, two other members of the committee, accompany him in an adjoining room. The oldest member of all the aldermen reappeared shortly shouldering a beautiful silk American flag, bordered with golden fringe. The flag was attached to a long staff topped by a golden eagle. Mr. Drinkwater presented himself before the Mayor's desk, together with the two other members of the committee and stated, "Mr. Mayor here is your report." Simultaneously the mayor and all the members arose and saluted the new flag that will be permanently placed on a standard near the Mayor's chair. Mr. Drinkwater then called upon alderman Laepple to make a few remarks relative to the new acquisition to the council chamber. Mr. Laepple stated as he saluted "old glory" that he felt it an honor to be called upon to say something at that time. He said that the flag stood for so much that it would be difficult to summarize. It meant suffering, hardships, braving death to many so the nation might live. It meant that because of the sacrifices of others we are enjoying the fruits of those sacrifices. He said that the American flag never leads us in behalf of a cause that would bring dishonor upon the people of this nation, "and let no act of ours bring shame upon it" said Mr. Laepple in conclusion.

Upon retiring Alderman Drinkwater moved that by official order from the mayor all aldermen salute the flag in the future as they enter the council chamber. This motion received unanimous support.

## SOLDIER BONUS MAN COMING TO HOLLAND

It is now several years since the first bonus money was paid by the state of Michigan to Michigan soldiers of the World War and strange to say many claims must still be adjusted and a large number of soldiers have not even asked for their allowance from the state and do not doubt there are some who will not even apply.

Anyway there is still a great deal of money that jointly belongs to the boys who fought and Mrs. Van Duren of the local Red Cross has done some hard and persistent work in behalf of many needy soldiers and in scores of cases her efforts have been crowned with success.

According to a letter received by the Red Cross department of Holland the chief of the Michigan Bonus Division will be here within the next three weeks and it might be well for soldiers having a just claim, to get their case well prepared and present these claims upon the state thus avoiding delay. All necessary proof no doubt will be required and advance preparation will do away with digging it up when Mr. Dean is here.

The letter to Mrs. Van Duren explains all as follows:

State of Michigan  
Adjutant General's Office,  
Lansing  
July 29, 1925

The American Red Cross,  
Holland, Michigan,  
Gentlemen:

I anticipate being in your city within the next two or three weeks for the purpose of holding interviews on contents Michigan Soldier's Bonus claims. Will you kindly let me know immediately the name of any person whose claim is not satisfactorily adjusted?

It is believed it is best to advise this fact, being very particular to specify the "Michigan Soldiers' Bonus" and when you have had the returns, let me hear from you.

Yours very truly,  
The Adjutant General of Michigan.  
By R. S. Dean,  
Chief of Bonus Division.

Quite a number of local students are numbered among those receiving diplomas from the Western Normal school at Kalamazoo. The class is said to be the largest graduated in the history of the school.

The summer term ends Friday and over 300 students will be handed some sort of a certificate designating what course they have finished. Following are the list of those from this community:

Early Elementary Life Certificate—  
Helene E. Post, Esther M. Prakkien,  
Holland.

Extension Life Certificate—Xen-  
ana H. Ackley, Grand Haven; Anna  
Kenny, Zeeland and Mrs. Etta Whit-  
man, Holland.

Junior High School Life Certificate  
—Leone D. Van Anroy, Holland.

Physical Education Life Certificate  
(Women) Margaret M. Salmond,  
Muskegon.

Senior High School Life Certificate  
—Jacob Arens, Hudsonville; Henry  
Hidding, Holland.

Limited Certificates—Violet Mae  
Burroughs, Grand Haven; Abbie De  
Kleine, Bryon Center; Bessie Leona  
Kraker, Holland; Marguerite A. Mul-  
ready, Muskegon; Gladys E. Ochock,  
Hudsonville; Loretta Van Doesburg,  
Holland.

One of Zeeland's newest industries, the Acme Brass Works, which began operations last April, has just completed the installation of a brass forging department. The forging of brass is one of the newest developments in the manufacture of brass, and there are very few plants in the United States employing this method. Placing this newer department in operation has been the occasion for a great deal of noise making in Zeeland to the wonderment of the citizens.

Mr. E. L. Oberley, of Chicago, a man of considerable experience in the forging of brass, has also taken an interest in that new company and is in direct charge of that branch of the business. The expert to have three hammers working shortly.

The first unit of this additional equipment just installed, weighs over 14,000 pounds. It is both interesting and instructive to see this powerful forging hammer work. Brass rods are heated to a temperature of 1,000 degrees Fahrenheit, and when fed under the hammer, it produces two finished parts with one blow. Ordinarily about three thousand such parts can be made in one nine-hour day. The company is now working on one contract which calls for 2,200 finished pieces every day, being one of the parts used on a well known make of automobile. As soon as the capacity for additional production warrants, they have the promise for larger and additional contracts.

The company now employs seven-  
teen workers, and has casting, metal  
stamping, forging and nickel plating  
departments in constant operation to  
take care of contracts which will keep  
the plant fully occupied at capacity  
for over three months.

A serious auto wreck was one of the matters taken up by Justice Den Herder Friday, which proved quick work on the part of the Holland authorities. Julius Bevenuti an Italian of Chicago, who was driving a large Hudson car recklessly ran into a Nash car driven by Miss Genevieve Van Lente, bookkeeper at the Holland Furnace Co. A civil suit was pending had not the Chicago man made good and settled the damages done to the Van Lente car for \$200.

Another wreck that is liable to be aired, occurred on the Alpena road, Friday morning near River ave. A Paige, driven by Ben Phillips of Rockford, Ill. was run into by a Ford truck driven by Mr. Schuranga living on the park road. Phillips claims damages amounting to at least \$500 and aims to get that amount. Schuranga's Ford was damaged about \$50 worth.

Muskegon officials have found homes for bad dogs, and at the same time farmers are finding protection against robbers.

Ugly dogs are not shot now, but turned over to farmers, who want them as guards against thieves. Owing to wholesale thievery at farms, there is a waiting list for bad dogs. At all started a few weeks ago, when Peter De Vries walked into the police station and said, "I want to get a mad dog." He was supplied and now other farmers are following suit.

## NEWEST ALARM SYSTEMS TO BE USED AT BANKS

The most modern burglar alarm system now in operation in Grand Haven State bank, the Nunica State Bank, the Pentwater State bank and the Grand Haven State bank's branch at the corner of Washington and 7th streets. Arrangements for the purchase and installation of the systems for these four banks have just been completed and the bank officers believe they are giving their customers the best protection from bank burglars, it is possible to secure.

So efficient is the new alarm system that the insurance companies in which banks carry their burglar insurance, allows a 65 per cent reduction premium to banking houses using this alarm. Bank insurance companies are usually pretty careful on this score and approve burglar protection systems only after careful investigation. In addition to this the records of the installing company show that it has never been possible for burglars to loot securities from a bank equipped with the system to be installed in the above mentioned institutions.

The strength of the new alarm system which is to be installed by the O. B. McClintock Co., Minneapolis, Minn., consists chiefly of a net work of electric wires so woven around the vaults that no space more than two inches in diameter is left unprotected. It is impossible to miss touching one of the wires, when the system is on and the mere touch of a wire sets the gongs going.

The walls of the vaults, the gates, the locks and all surrounding walls are protected by this net work of wires, making the efforts of the cleverest bank burglar futile. B. P. Sherwood, president of the Grand Haven state bank stated Friday that the system was installed in banks chiefly with the idea of giving the maximum protection to the safety deposit box holders in the institution. He believes that these customers are now assured of absolute security in this direction.

The Grand Haven State bank has been protected by a very complete system for a number of years but the bank officers believing that the new alarm goes farther in the matter of protection, will take out the old system and replace it by the new one.

Besides the hundreds of wires secreted and interwoven into the vault walls, which sets alarm gongs going, in response to the slightest touch there is a series of buttons to be installed at many points in the bank, each one of which will touch off the alarm instantly. Thus a person in almost any part of the bank noticing something wrong can start the alarm often without being seen by burglars or raiders.

The extra precautions were considered advisable since an attempt was recently made to rob the Nunica bank and the Berlin bank in Ottawa county was robbed recently of \$3,000.

Two small boys at Grand Rapids were rescued by the police after a three-hour imprisonment in a sewer where they were half covered with water and mud. A timely bit of advice issued to a small boy that he can get almost as dirty in an alley will forestall these exploits.

LOST—Yellow brown shepherd between Ottawa Beach and Holland. Answers to name of Guito. Finder notify Mrs. C. M. Luce, Box 5, Ottawa Beach.

Two business firms in Holland are experiencing considerable trouble in securing building permits for the erection of new business buildings.

One is Peter Maas who wishes to erect a store on River and 12th-sts. and the other is the Ideal Cleaners who wish to erect a two-story building on 10th-st. In both these cases the council had delayed permits to give the building committee a chance to investigate the sentiment of adjacent property owners, and the objections from one has held up the permits.

How councils do vary in disposition and view their obligations! It appears the Holland council feels they are the servants of their constituents. —Zeeland Record.—Is this sarcasm or a real bouquet?

The twenty-third annual Old Settlers picnic of the Jamestown community will be held Saturday, August 28th, at the Jensen Spring Grove picnic grounds.

As usual the picnic will be an all-day affair, exercises opening at 10:30 in the morning with a few remarks by the president, Owen Sneden of Grandville.

At the noon hour a basket dinner will be served. To many who have attended these picnics in past years the congeniality engendered by the community dinner has been the chief feature of the gathering and it is expected that this year's picnic meal will prove an upholder of that tradition.

All who attend the picnic are requested to bring well-filled baskets. Rev. Frederick Pynch of Grandville has been secured to address the picnicers.

A ball game between Drenthe Independents and Jamestown promises good sport.

Music will be furnished by the Salvation Army band of Grand Rapids and several musical numbers have been arranged for.

The time to buy that new bathing suit at special prices. Notter-Van Ark Co.

Prospects for a record Allegan county fair on Aug. 25, 26, 27 and 28 are looking up very bright. Inquiries for space by exhibitors are pouring into Secretary Franz Lelale's office every day.

E. C. Mandenberg of the state department of agriculture was in Allegan this week and contracted for 120 feet of floor space in Agricultural hall. The state will make exhibits at five fairs this year, Allegan to be the only one in southwestern Michigan so honored.

There will be band music by two bands each of three days of the fair. Wednesday the Silver Creek Grange band and Allegan I. O. O. F. band will play. On Thursday Plainwell and Wayland bands will be there; Friday The Grand Rapids Press Newsboy band and the Plainwell, Allegan and Hopkins high school bands combined will furnish the music.

## SPRING LAKE MOVES AHEAD AT FAST CLIP

During the past summer the village of Spring Lake, in Ottawa county, has shown a tremendous advance in community growth with improvements and additions in the line of water-works, sewers and sidewalks, not to mention extensive building that has been going on. This building is being done by outside people particularly who have purchased lots in Grand Haven's neat looking-year round homes or summer residences.

The water works addition is nearly completed, being an enlargement of the building space that increases the size to just double the old capacity. It is stated that the pumping capacity of the plant will be increased just twice as much as at present in order to take care of the demand for the water that the village boasts as being so clear and healthful. The plant is being built by James Spencer.

George Snyder has been awarded a contract for laying over a mile of additional sidewalks in the village. Spring Lake has a great amount of sidewalk for a village of its size and with the addition will far outstrip others. A great deal of additional sewer is also being laid to all parts of the village. This sewer is large and provision is being made for continued growth.

In the Spring Lake school, another room is being finished to take care of additional attendance in the coming year over the past year. A recent addition and the continual adding to rooms in recent years, has increased the capacity of the school to a great extent.

Bumps in the Spring Lake main street were recently taken care of and the village has a smooth and good-looking highway all through it. Those who have carefully considered the attractions of Spring Lake and compared them with other villages in the state of its size or anywhere near its size, are of the opinion the Spring Lakers have a community to be proud of and are far ahead of all others.

Home building in the village is going on with Clifford Taylor of the Spring Lake Standard Oil branch, building a fine new residence on Jackson and Monroe street on the Monroe plat. Mrs. Westveer of Grand Rapids has also acquired property in the Monroe plat and has had plans drawn up for a beautiful residence. Dr. R. R. Eaton of Grand Rapids has purchased a lot in the Monroe plat from William M. Connelly and will build in the near future, it is stated.

A rumor has also been circulated and given credence that a Grand Rapids syndicate has been formed to acquire the Howlett estate, sometimes known as Point Stewart. The idea is to subdivide it and plat it out, putting it on the market as highly desirable resort real estate, it is claimed. It is also stated that Harry E. Draa, Spring Lake realtor, is contemplating the erection of a number of homes in the near future, on desirable property held by him in and about the village.

It has been announced through the Agricultural Committee of the Ottawa county board of supervisors, that Miss Bertha Wellington for two years home demonstration agent in this county, has handed in her resignation to take effect in the latter part of September. It is unofficially stated that Miss Wellington's resignation has been accepted by the agricultural board.

Miss Wellington has planned to go to the sanatorium at Battle Creek where she will take up a course in nursing. During her stay in Ottawa county she has made many friends among the people with whom she has come in contact and has accomplished much. Her going is deeply regretted.

It is stated the board will continue the home demonstration department and that applications for the position are being considered in view of Miss Wellington's determination to adopt nursing work.

Miss Wellington has done a great work especially among the women from the rural district of Ottawa. In Zeeland, Jamestown and Georgetown many women's clubs were organized under her supervision and life on the farm meant something else than the constant grind of home duties.

The Saugatuck Commercial Record has the following relative to a Holland institution:

"The Sunnycrest School for Girls at Holland has been given permission to hold a tag day for the school in Saugatuck Saturday, August 1st. The work of Sunnycrest receives no state appropriation, and is supported almost entirely by contributions of friends of the girls. It is a school for girls from five to fourteen years of age, and as its literature says is "a home and school of opportunity for girls who are without parents and for those others who lack that environment and training which makes for the highest type of womanhood." Helen C. Clarke is the president and general manager of the school, and the board of trustees comprises some of the most prominent citizens of Holland, Grand Rapids and Detroit. It is a cause worthy of any financial aid our people may see fit to give it Saturday."

The board of education has negotiated contracts for the entire corps of 100 teachers for the next school year. Supt. E. E. Fell will continue as head for his fifteenth year and J. J. Riemersma will remain principal of the high school.

About 20 vacancies have been filled. Dr. Abraham Leenhouts has been re-elected president of the board and James A. Brouwer and Henry Geerlings have been re-elected, respectively, vice president and secretary.

At night after the evening meal is the "Wright hour". Then read aloud to the family.

Latest and best story, "A Son of His Father". Several hundred thousand families are doing this within a week after publication. Be one of them. \$2.00 a copy at all bookstores. D. Appleton & Company, Publishers, 35 West 57th Street, New York.

## Away From The Crowds

America is still undiscovered, still waiting to be discovered—by you!

Away from the paved highways, deep in the hidden solitudes—are shady groves fragrant with the scent of flowers—sun-drenched valleys—lazy streams—or hurrying brooks as beat your mood. Waiting to please you with their untouched charms.

Take your Ford and venture forth

into the delights of the unknown. Leave the beaten path to others. Go where you will—whether the road is paved or not.

It is the car of the true adventurer; the car that no going—be it sand, dirt or rocky road—can halt; the car that will take you safely, certainly and happily to where nature hides her true loveliness.

## LOCAL

Burglars entered the office of Dr. G. A. Stegeman and got away with \$50 in old gold. Futile efforts were made to gain entrance into the dental offices of Dr. C. E. Sulzers, the woodwork along the lock being badly splintered with a chisel, but no loot was obtained.

The average population of Jackson state prison this year is 2,500, while that of Marquette is 750.

Zeeland Classis of the Christian Reformed denomination will hold sessions August 12 in the North Blenden. Morning sessions open at 9 o'clock standard time.

The South Bend Independents hammered out a 6-3 victory over the Allegan club. Dave Davenport formerly with the St. Louis Browns pitched masterful ball with Ruse for Allegan receiving poor support. Allegan plays Holland Saturday afternoon at Riverview Park. Albers is slated to pitch but Vande Bunte has shown such rare form that he may be called upon for duty again Saturday. Holland simply must beat Allegan in this game.

John P. Luidens, who was operated upon Wednesday for appendicitis is improving nicely.

Mr. and Mrs. Du Saar and employees of the Holland Photo Shop enjoyed an outing last Thursday.

Spring Lake relatives and friends have received word of the death in Sonoma, Calif., of George J. Arentzen, member of an old time Spring Lake family.

William Melcher of Melcher Bros. garage at Grand Haven, was injured Wednesday afternoon when his Reo sedan struck a tree near the Agnew Stone school on M-11, south of that city. He suffered injuries to his chest and head and is confined to his home.

Rev. Martin and family will spend their vacation at Tennessee Beach, Rev. Winfield, Burggraaf will occupy the pulpit at Third Reformed church for the first Sunday during the regular pastor's absence. Rev. Martin expects to be away four weeks.

Mrs. Mary Banninga, of Holland, who recently returned from India and on her trip visited the Holy Land spoke about the Holy Land at the meeting of the Spring Lake W. C. T. U. held at the home of Mrs. Jack Vander Wall, Summit St., Friday afternoon.

The Mission Festival for Classis Holland, in Prospect Park Grove, which was to be held July 23, has been postponed until Thursday, August 6th. Speakers, Rev. L. Veltkamp, Rev. J. C. De Korne, and Dr. C. Bouma. Rev. De Korne will give an illustrated lecture at the evening session.

The apple season for 1925 started at Fennville Friday when the Fennville Fruit Exchange made its first packing. Such varieties as Sweet Bough and Transparents appearing. J. A. Barron, manager of the exchange, reports a light crop in other fruits for the season, but predicts the apple pack will be quite normal in all varieties, especially in the later ones.

John M. Quingley, 59, resident of Georgetown township, Ottawa county, all his life, died at his farm home Tuesday afternoon after an illness which had kept him in bed since last Thursday. Mr. Quingley was a member of the board of supervisors four years, a member of the township school board nine years and the township highway commissioner fourteen years. He was born in Jensen.

The Central Park Ref. Church Sunday School held their annual picnic at Allegan county park Thursday. The Booster class had charge of the refreshments and the Young Men's Bible class arranged a splendid program of sports and games which was enjoyed by all. At the lunch hour the pastor was completely surprised by the presentation of a handsome purse of money.

Invitations were sent out Thursday for the wedding of Miss Gertrude Pieters and Mr. Maurice Vischer. Both are graduates of Hope College, Miss Pieters having spent three years in Japan after completing her course while Mr. Vischer has been at the University of Minnesota for the same number of years. The wedding is set for August 12th and will be held at the home of the bride.

A warrant charging reckless driving was issued by Kent prosecutor's office Tuesday for the arrest of Joseph Hartuiewicz, R. R. 3, Ada, the result of an automobile accident early Tuesday morning when a machine reported driven by Hartuiewicz collided with a car driven by Henry Tyse of Holland on the Ada-Rd., six miles east of Grand Rapids. Tyse and Miss Dora VandePoel, 22, also of Holland, it will be remembered, were thrown through the windshield and badly cut and were treated at Blodgett hospital.

Seven more arrests were made last night for cars being parked without lights. This brings the total for the week so far to thirty-three.

The Grand Haven Tribune in its column of Twenty-five years ago has the following of Holland: "E. A. Anderson, an old Lake Michigan sailor, who years before had sailed the Kate Howard, had died in Holland."

Rev. Gerrit Hekhuis formerly of Overland, now of Grandville, is spending his vacation visiting his daughter and her husband Rev. and Mrs. James Huffman in New Jersey.

During the present three weeks beginning next Sunday, Rev. M. Van Veenem of Zeeland, will enjoy his vacation, spending a part of the time with his children, Mr. and Mrs. Meeter at Tennessee Beach near Holland.

The home of H. Looyngood at 129 West 29th street was entered Wednesday and a gold watch and some small change stolen. Both Mr. and Mrs. Looyngood are employed during the day and entrance to the home was made while they were away. Officer Steketee is working on the case.

Henry Vander Ploeg of Detroit, was visiting his many friends in Holland the past week. Mr. Vander Ploeg has been connected with the large Freeseema Printing Co. of that city for a number of years. He some years ago conducted a book store here and was at one time city treasurer.

Deputy "Doc" Chapin arrested a man giving his name as DeKraap and Zeeland as his domicile, Saturday night after he had damaged a car belonging to Mr. VanderMeer of Grand Rapids. DeKraap who slipped after the accident was caught near the sinkhole on M-51. He agreed to pay the damage of \$39.—Grandville News.

A very enjoyable evening was spent at the home of Mrs. D. Holkeboer, where a number of relatives gathered to welcome Miss Tena Holkeboer, who returned from China, where she has been engaged in missionary work. Those present were: Mr. and Mrs. E. O. Holkeboer and family; Mrs. M. M. Bontekoe and family; Mrs. H. Holkeboer, Mrs. D. Holkeboer and family; Mr. and Mrs. John VanHuis and family; Mr. and Mrs. Charles Holkeboer and family, Mr. and Mrs. B. Vander Vlies and family.

Mr. and Mrs. J. M. De Haan have arrived in Holland from Ames, Ia., where Mr. De Haan has been an instructor at Iowa State College. They will locate at East Lansing in September where Mr. De Haan will teach in the Michigan State College. He also received a very flattering offer from Northwestern University at Evanston, Ill. Mr. De Haan is a graduate of Hope College and University of Michigan. They will spend the remainder of the summer at the home of Mr. and Mrs. R. Van Putten.

All farmers in Allegan county should note with interest that August 9th has been set aside as Farm Sunday and all farmers are urged to attend church on that date. Nearly every minister has prepared a special sermon on rural life including the development of the community and the solving of the problems now confronting rural agriculture.

The Fourteenth Street Christian Reformed church at the congregational meeting held Monday night, extended a call to the Rev. Dr. William Masselink of Lafayette, Ind.

Fords defeated Pine Creek 12-6 and the Hudson-Essex beat the Warm Friends 17-1 in the city league play last night. Winning hurlers were Van Lente and Hyma.

Despite the cold weather of the last two weeks; to the surprise of the few bathers the water in Lake Michigan is warm. The weather man promises rising temperature which means more visitors to Big Lake.

Mrs. Mae Heffernan and daughter Henrietta, Mrs. Grace Goar and Harry Nyquist from Rock Island, Ill., motored to Holland and are spending their vacation with Mr. and Mrs. P. T. Koopman, 84 East 18th-st.

Albert Kuipers of Holland was arrested by sheriff's officers on Saturday for illegal possession and transporting of liquor. He was bound over to circuit court on \$1,000 bond which had not been furnished up to today.

Mr. and Mrs. Cornelius N. Haan announce the approaching wedding date of their daughter Anna M. to Mr. Burtt H. Brinks, as Thursday, August 20th, 1925 at 8 o'clock at their residence, 520 Coulfield avenue, Grand Rapids, Michigan.

Betty Jean, the five year old daughter of Mr. and Mrs. C. J. McLean, 154 West 14th-st. was run down Tuesday by an automobile driven by Mr. Kuipers of Olive Township. She was dragged and quite badly bruised.

Two Hope college graduates of the class of 1925 will sail this month for Japan where they will serve short terms as missionaries. Cornelius Dykhuizen and Martin Hoeksema embark August 20th on the "Euphrates" of Russia and sail to Yokohama from where they will be assigned to their respective stations.

Four Michigan classes of the Christian Reformed church will hold their quarterly sessions in August. Classis Zeeland meets Aug. 12 in North Blenden, Classis Grand Rapids East Aug. 19 in Detroit, Classis Holland Aug. 20 in Detroit, Classis Reformed church of Holland and Classis Muskegon Aug. 26 in Second Christian Reformed church of Grand Haven.

Rev. George Boone McCreary, Ph. D., D.D., and family, Professor in the Xenia Theol. Seminary at St. Louis, Mo., and former Professor of Philosophy at Hope college, are the guests of Hope college and Ms. George E. Kollen for a couple of days. Prof. McCreary has just come from the Winona Conference at Winona Lake, where he delivered a course of lectures.

A miscellaneous shower was given at the home of Mrs. E. Post, W. 11th street Friday afternoon, in honor of Miss Barndse of Zeeland. Those present were Mrs. L. Post, Mrs. Post, Mrs. A. Post, Mrs. Bloemsa of Zeeland, Mrs. John Post, Mrs. Brady of Grand Rapids, Mrs. Dekker of Lakewood, Fla., Mrs. J. Van Gelder of North Holland, Mrs. J. Boes and Mrs. Kiemersma of Zeeland. The bride-to-be received many useful and pretty gifts and an enjoyable time was spent by all.

The Allegan County Pioneer Society will hold its annual meeting at the County Park on August 27. Dr. George N. Fuller of the State Historical Commission will be the principal speaker. Further particulars will be published later.

Indians in Allegan county are making preparations for the annual camp meeting near Bradley in eastern Allegan, August 23 to 30. "Pale faces" will be made welcome as well as "red men" of Allegan and other counties. The camp meeting will be held on the shore of Selkirk lake.

Supported by eastern and middle-western delegations at Seattle, Wash., Detroit, Friday night was chosen by the Knights Templars for the triennial convocation in 1928. Minneapolis also had extended an invitation.

Grand Haven's two dance pavilions The Barn and the Highland Park pavilion are proving exceedingly popular with people of Holland, Grand Rapids and Muskegon. It is becoming quite the thing to motor to Grand Haven for an evening's dancing. Good music and fine floors make dancing a real pleasure.—G. H. Tribune.

Pulpits in Holland's churches again were occupied Sunday by visiting clergymen. Rev. L. Potgieter of Chicago occupied Rev. J. Weyer's pulpit in First Reformed church; Rev. P. Pleune of Louisville, Ky., and Theodore Tritenback of New Brunswick, N. J., conducted the services in Hope church; Rev. Winfield Burggraaf took Rev. J. M. Martin's pulpit in Third church; Rev. C. B. Muste of Bayonne, N. J., preached in Trinity; Dr. W. F. Kendrick of Grand Rapids preached in Methodist church; Rev. N. Cloo of Inwood, Ia., conducted services in 4th church, and Rev. Charles Stoppes of Hull, Ia., preached in Central Park church.

Alton Faasen and Gerrit Jolderma returned Saturday from an extended canoe trip along Lake Michigan visiting many places of interest.

B. J. Bennink of Holland is the author of a book on church history recently published for use in the primary grades of the Christian schools. The book was written on request of the Union of Christian schools. It treats of the first Christian church, the martyrs, the church fathers, Mohammed, the first missionaries, the crusades, the pre-reformation reformers, the Reformation, in England, Scotland, The Netherlands and France, the French revolution and missions.

Mrs. Ben Olgers and Mrs. William Drost who were injured when a limb of a tree fell on them at the H. O. H. picnic are both recovering rapidly from their injuries. The limb fell when a rope was attached to it to keep back the people from crowding the contestants in the athletic events. Mrs. Olgers suffered injuries to her knee and will be confined to her bed for a short time. A large crowd attended the picnic and the unfortunate accident happened when the events were in full swing.

Rev. and Mrs. Seth Vander Werf and Mr. and Mrs. B. B. Lemmen have returned from a 2,000 mile auto trip thru northern Michigan, the upper peninsula and Wisconsin. Having visited the Straights of Mackinac, Sault Ste. Marie, following the shore line down through Wisconsin to Green Bay and through the center of Wisconsin to the Dells of the Wisconsin River, Madison and around through Chicago back to Holland. The scenery was found beautiful and the trip is highly favored for a vacation.

Mrs. M. S. Stelle, proprietor of the Lakeside Inn on M11 near Virginia Park would like to correct an erroneous impression that has gained credence among tourists, namely that altogether another person, now living in that vicinity, is named as the proprietor of Lakeside. She states that this wrong impression has been damaging and she wishes this paper to state that Mrs. M. S. Stelle of Winter Park, Fla., is the only proprietor and manager and no one else. Mrs. Stelle by the way, has conducted this popular Inn with great success for some time.

George Woldring, plumber, played the role of hero at the H. O. H. picnic at Jensen Park Saturday when he saved a large number of picnickers from possible serious injuries. A rope had been fastened to the body of a large tree to keep the crowd from encroaching upon the space provided for the sport participants. The tree suddenly cracked and Woldring by almost superhuman efforts diverted the fall of the broken top away from the crowd.

Squirrel catching is not a job for a man 70 years old, as Martin Vander Poel of Holland will attest. He endeavored to chase a lively tree climber out of a pear tree in his yard because the squirrel was eating a large part of the choice fruit. The squirrel got away but Vanderpoel made a misstep and his arm was broken above the wrist because of the fall that followed. Within the past year Vanderpoel underwent a critical operation and was in the hospital for many weeks. He was able to resume his work a few months ago but now will be laid up for another long period.

The North-end Cubs defeated the Pine Creek Midgets Monday night in a runaway game, the final score being 12 to 2, only seven innings were played on account of the growing darkness. The Midgets scored one in the 1st and 7th innings. The Cubs scored 1 in the first, 2 in the second, 2 in the third, 6 in the fourth and 1 in the fifth. During the 4th frame with the bases full, Aye cracks out a homer, bringing in 4 men. Quite the next man up, also whacks out a homer, Wybenga singled, and was followed by Baas, De Witt then socks out a 2 bagger bringing Wybenga in. Baas closely following Wybenga was caught out on home. The final two frames the Cubs let up and did not get any runs while the Midgets hooked one in the seventh. Batteries for Midgets: Kruitoff and Derke, Batteries for Cubs: Coster and Baas.

Paul Dogger and A. hur. Van Dyke have just returned from a trip to the Soo. They report very fine roads and an unusually good crop where ever they went through northern Michigan. The repeated rains they say, have done wonders to an otherwise belated crop.

The Past Noble Grands club will meet at the home of Mrs. Jas. A. Drinkwater, 133 Central Avenue, on Tuesday afternoon.

Circuit Court opened Monday at Grand Haven. A number of cases which will interest Holland people are scheduled to be tried during this session.

Mr. George Van Der Woude of 47 West 12th-st is employed for the summer months at White Cloud. He is working on the 57 varieties for the Heinz Company.

A telegram was received by Mrs. J. VanderWest, Saturday announcing the arrival of daughter, Eleanor June, at the home of Supt. and Mrs. C. Mulder, at Hoppers, Iowa.

L. Van Appledorn was arrested for speeding on 24th street Sunday. Officer Modders made the arrest and the offender paid \$8.70 before Justice W. Brusse Monday morning.

The Grand Rapids burglar who emptied a purse on the dining room table while a party of women were playing bridge in another room was the one who had the winning hand.

John Van Taten Hove of the French Cloak store left for Chicago where he is taking in a style show at Terrace Gardens at Hotel Morrison and incidentally do some Fall buying.

Sunday school workers will be interested in the report of the death of J. H. Engle, 60 years old, executive secretary of the Michigan Council of Religious Education, who died at a Lansing hospital Saturday morning following an illness of a week.

The East End Tigers defeated the 17th-st. All Stars with a score of 23-15. The star players of the Tigers were: Vander Baan and W. Prince. Batteries for East Ends were Dykstra and Prince; for the losers Hanpays and Annis.

Mrs. Ada Duffy from Midland, Mich., is spending a few weeks in Holland, at the homes of her daughter Mrs. Clarence Fairbanks on 16th-st., and at the summer cottage of her niece Mrs. E. J. Fairbanks at Virginia Park on Black Lake.

An automobile driven by A. F. Mandermas of Kalamazoo county turned turtle south of Allegan Saturday, breaking Mr. Mandermas' left leg and otherwise injuring him. The machine was much damaged. Mr. Mandermas was taken to his home.

Joe Self of Chicago, is spending a two weeks vacation with his parents Mr. and Mrs. Carl Self on West 12th St. Mr. Self is connected with a large Chicago investment house.

Prof. S. C. Nettinga of Western Theological seminary, Holland, officiated at the morning and evening services in the Bethany Reformed church at Grand Rapids Sunday and at the afternoon Holland services at Fifth Reformed church of that city.

Miss Helen Vandenbelt and Mrs. George Duer, Holland, received scalp wounds, when the car in which they were riding and which was driven by Mr. Duer collided with one driven by Rev. John Meeker of Hurno, Ill., Friday night on the Grand Haven road.

Dr. and Mrs. B. Nibbelink and son of Kalamazoo, Mr. and Mrs. J. H. De Young of Allegan, Mrs. C. De Young of Burnips and Mr. and Mrs. Fred Shellenger and son Bob of Holland spent Sunday with Mr. and Mrs. E. Bouwknegt at Grandville.—Grandville News.

A marriage license was issued to William Klindera of West Olive, age 23, and Miss Anna Hendricks aged 19, of Grand Haven. Miss Hendricks has been associated with Brian's Novelty Cleaners and is well known in Grand Haven. While their marriage is without a doubt a matter of history by this time.

Mr. George and Rebecca Fuflett of California well known here having spent the past ten summers at Ottawa Beach, celebrated their golden wedding anniversary Sunday at Ottawa Beach. Many relatives and friends from Muskegon, Wisconsin and Holland were present to wish Mr. and Mrs. Fuflett many returns of the day.

Deputy Sheriff E. Beekman was called to the Alpena Road Sunday when two motorists became entangled in an argument after both of their cars had gone into the ditch. Each driver had endeavored to stay on the pavement and they came near colliding as they found this impossible at that point of the road. Slight damage was reported to both cars.

Mrs. Martha M. Ogden and family of 203 W. 9th St., returned Sunday from Green Lake where the eleven annual reunion of the Ogden family was held. Over 92 persons were present and a good time was enjoyed by all. A program of sports in which winners of the events were awarded prizes was run off and many contested for the honors. The Ogdens are a well known family, quite a number of them living on the Lake Shore west of Holland. Mr. Henry W. Ogden of Shelby, also not a member of this Ogden family, visited the reunion hoping to trace some of his relatives from this source.

A number of owners of cottages and resort property on Miner lake, 15 miles south of Holland, have brought suit against Charles F. Schuler of Allegan, charging he increased the size of the outlet of the lake over land owned by him and Glen Overton so as to lower the level of the lake and ruin beaches at their property. They claim they filled the outlet to normal depth and Schuler again lowered it. They seek an injunction to prevent maintaining an outlet larger than normal.

A very delightful surprise was given August 1st, on Mr. Charles W. Fairbanks, on his 70th birthday anniversary at the summer cottage of his son E. J. Fairbanks at Virginia Park. In the form of a dinner and supper. Plates were laid for eighteen, all the children being present. R. E. Fairbanks and family from Findlay, Ohio, Mr. and Mrs. John Faasen, Indianapolis, Ind., and Clarence Fairbanks and family, Mrs. Hazel McClellan and daughter, Mr. and Mrs. E. J. Fairbanks and family all of Holland; Mrs. Ada Duffy from Midland, Mich., who is visiting her niece Mrs. E. J. Fairbanks was also present.

Since the report that the Drake hotel robber who escaped from Chicago was in this vicinity the police have been called many times when people were sure they saw the robber. Arrests have been made in the neighboring cities the last suspect being a man taken in Fennville. Chief Van Ry hauled one man in here but after a thorough investigation he was let go his marks not tallying with that of Mullenschuck.

Captain Geerds promises a good time to every one who comes to visit the local guardsmen at Grayling. Each year quite a number of local residents make the trip to see them in action and this month quite a few are expected to visit the camp. The guards are going to pack tonight in their new armory so they will be all set to entrain Friday night at seven o'clock.

Jack Schouten, Hope's coach will have charge of the team of All-Stars which will play the Holland Independents a series of games during this month.

Mr. and Mrs. Tom J. Venhuizen and family motored to New Buffalo to get Miss Gertrude who spent a couple of weeks with her uncle and family at the lake.

Stanley D. Schipper, recent graduate of Western Theological seminary, has been offered three fields of service in the Reformed Church of America.—Allegan, Corinth and Bergholz, O.

Rev. John J. Banninga, who recently arrived here on furlough from India, is a patient in Holland hospital where he submitted to a critical operation. Mr. Banninga has spent 25 years as missionary in India.

The annual colonial mission fest of the Reformed church is being held at Pine Lodge today. Included in the list of speakers are Dr. C. Holleman and Rev. John Van Ess. Sessions will be held in the afternoon and evening.

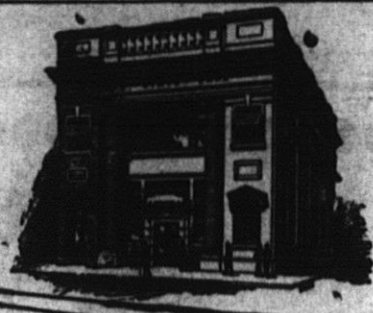

Dick Luckes, Arcadians orchestra paid Holland a visit Tuesday and made quite a hit with their music. The orchestra plays at the Barn and Grand Haven where dances are held every evening except Sunday.

Van's Ins Boosters overcame a 7-run lead to defeat the First Avenue Braves Monday evening. Batteries: Braves, Creep and Baas, Boosters, Piersma, Walters and Black. Van Langeveld starred with some nice catches.

Miss Jennette and Julia Kleis returned from a trip to Madison, Wis., where their sister Harriet is taking a summer course at the University of Wisconsin. They visited "The Dells" of Wisconsin River and other points of interest.

The Pine Creek team and the Heinz aggregation each won their game last night by the same score 14-6. The Creeks with Fogerty on the slab beat the Merchants and Mulder pitching for the Pickle workers tamed the Warm Friends.

Mr. and Mrs. Jacob Kulte of Waukazoo are entertaining Miss Mildred Meyer and Miss Grace Barth, both of Cleveland, O. Miss Meyer, formerly lived at the Marywood, Waukazoo.

## Good Banking Advice to Follow

### Fleece-Lined Pockets:

Q How can you be sure that the promoter, who often comes into this community, is not lining his own pockets? Your banker is in a position to know what investments are safe. His advice may be worth everything to you.

## Mark Hanna on Saving:

Q "Saving puts a man together, makes him fit and able and ready to do things. Before you know it you are getting on, making money and becoming a solid citizen. Nine out of every ten successful men have grown up that way."

## Travel Safely!

Q Use Our Travelers Checks. May be cashed anywhere without identification. Denominations \$10, \$20, \$50 and \$100.00. Safest and most convenient form of carrying funds.

## Money never Grows unless it Works:

Q If you open a savings account in this bank your money will work. It will grow. It will aid you in your efforts to reach financial independence. Others have found this policy a profitable one to pursue, and so will you.

We pay 4% Compounded on Savings!

## SPRING LAKE IS SCENE OF ACCIDENTS

In less than an hour Saturday afternoon, Savidge street in Spring Lake was the scene of three automobile accidents, one of them of a more or less serious nature. Several other minor accidents took place on the Trunk Line highways leading out of Grand Haven but aside from the one accident in Spring Lake that was of serious proportions, none reported to the Ottawa County Sheriff's office.

About four o'clock Saturday afternoon, a Ver Planke Ice truck driven by William French of Spring Lake was traveling west on Savidge street when a Ford car driven by a youth whose name was not learned, turned around in the middle of the block and struck the big truck, turning it over. Cakes of ice were thrown on the street and French escaped injury by jumping. The Ford was but slightly injured. The big truck was righted and later proceeded on its way.

But a short time later, two more wrecks occurred, one in front of the Potter Garage when cars driven by Alfred Porter and Mr. Gerber, struck. There were no injuries and damage was slight. Mr. Porter was driving a Maxwell and Mr. Gerber an Overland touring car. Later Harry E. Draa of Spring Lake was struck at the corner of Prospect and Savidge street, while driving in his new Nash coach. Mr. Draa was uninjured.

Several other wrecks were reported on trunk lines and county roads, all of a minor nature. A collision took place on M-16 east of Spring Lake on Sunday and a Studebaker phaeton bearing an Ohio license was reported turned over on its side on the Fruitport road. Another slight wreck was reported near Ferrysburg. All accidents around Spring Lake and Grand Haven Saturday were not reported to the sheriff's office, Mr. Kamferbeek states.

All citizens of Holland and vicinity are invited to Pine Lodge Friday evening when a concert is to be given under the big tent. The program is well balanced and interesting and will be given under the direction of Miss Grace Mills. Here is the program:

"Liebestraum (Liszt) Marjorie Du Mez; The Bells of St. Mary's (Adams) Mixed Chorus; a. "I love a little cottage" (O'Hara), b. My Rosary For You, (Ball) Mrs. Richard Deagon; Sylvia (Oley Speaks), Goin' Home (Dvorak) Men's Chorus; Starry Night (Densmore) Miss Grace Mills; Mrs. John Koelker; a. Would God I Were the Tender Apple Blossom; Irish Folk Song, b. The Vikings Song, (Cordidge-Taylor) Mixed Chorus; reading, Mrs. Daugherty; Songs of Praise the Angels Sang (Shelley) Mixed Chorus.

During the entertainment a silver collection will be taken up.

Fennville is a busy place, for 300 fruitgrowers from different parts of the state are gathered there for a three-day session. A regular caravan of automobiles has been moving toward Fennville and more are coming every hour.

The growers are being accompanied on the tour by practically the entire staff of horticultural specialists at the Michigan State college. These pomologists figure prominently in the entertainment program at the experiment station. They divided the tourists into groups and led them over the plots, explaining the work in progress and outlining the purposes of each experiment. No opportunity was lost to stress the practical value of each project.

A number of out-of-state pomologists are making the tour this season. Among them is Prof. Charles Abbot of the University of Florida and Laval S. Morris of Utah.

The visit to Mr. Munson's orchard did much to impress upon the growers the need for careful work in cutting out cankers to control fire blight. Although 100 growers spent three days last December, cutting out cankers in this orchard, they missed many sources of infection thru their inexperience in identifying the cankers. Several trees were still badly blighted, while others were entirely free of the bacteria disease.

Munson explained that these trees had been saved at a cost of \$1.50 each. He estimated the tree's value at \$15. In other words he spent \$1.50 to save \$15.

The tourists were much interested in the methods employed by Prof. H. A. Cardinell in saving trees which had been completely girdled by blight. Bridge graft had been made in many instances with great success while some trees whose own root systems had been completely destroyed had been saved by planting and grafting seedling trees into the trunk.

Rev. and Mrs. H. E. Van Vranken of Holland, have completed their first furlough and are planning to return next month to India, where they have served the Reformed church as missionaries for seven years.

Other missionaries who are planning to return to their fields this year include Rev. and Mrs. H. M. Veenschoten to China, Rev. Willis G. Hoekjes and family and Rev. and Mrs. H. V. E. Stegeman to Japan. Rev. and Mrs. Lambert Hekhuis to India. Miss Henrietta Keizer of Hudsonville, recent graduate of Hope college, is planning to leave next month for Japan, where she will teach music in the school at Shimonoski.

The past week-end at Lakewood Farm was enlivened with house parties for a number of visitors from away.

Mrs. Harry W. Getz entertained her son, Harry W. Getz, Jr., of Moline, Ill., and four grandchildren, Bill, John, Carol and Sara in her home.

Mr. and Mrs. G. J. Diekmann entertained at their cottage, Sunset, Mrs. L. Guild, Topeka, Kan.; Mr. and Mrs. Hoyt Post, New York; Miss Mabel Anthony, Holland, and Dr. and Mrs. B. J. De Vries, of Minneapolis. Dr. De Vries was formerly dentist to Kaiser Wilhelm and the royal family in Berlin.

Former Senator and Mrs. William Alden Smith entertained Dean and Mrs. Charles E. Jackson, of St. Mark's pro Cathedral and W. H. Gilbert at dinner in their cottage, Lake View.

A son was born to Mr. and Mrs. Albert Nienhuis on East 18th-st. The warm weather of Lake Michigan again attracted many Holland bathers to the beaches.

## CAMP FIRE GIRLS TAKE RED CROSS TESTS

Several groups of Camp Fire girls are taking the beginners' tests for admittance into the Junior Red Cross Life Saving Corps. Miss Ethyl Dykstra who has charge of the activities of the Camp Fire Girls and Mr. Deto, head of the Boy Scouts are giving examinations nearly every day to those who wish to try and pass the tests and receive the button.

Three tests must be passed before the girls are given membership in Life Saving Corps. Mr. Moreau, who comes here from the National Red Cross headquarters at Washington, D. C., will give final instructions and examinations to the girls wishing to become lifesavers. Four girls from the Lewa group have already passed their first examinations. They are Evelyn Van Dyke, Evelyn Huizinga, Charlotte Koelker and Julia Van der Hill. The Nokoni's group had three girls who could pass the test, Miss Mae Eloise Westveer, Virginia Koelker and Helene Steketee being the successful ones. Miss Westveer is the assistant guardian of this group. The last group had eight girls who passed the test. They are as follows: Marjorie Selby, Dorothy Haan, Verna Brower, Marie Kleis, Margaret Van Vyven, Margaret Boter, Beesie Schouten and Miss Florence Tucker. The last named young lady is a resident of Battle Creek and is a house guest of Marjorie Selby. Miss Tucker is a member of the Camp Fire girls in the Cereel City and expects to go to camp.

Miss Selby and Miss Tucker also swam a hundred yards this being one of the requirements in the second examination. Tuesday another group was taken to the lake where many were expected to pass the first tests. Thursday, those who have passed the first test will be given an opportunity to try and pass the second. On Friday afternoon all those who have failed as yet to pass will be examined along with any late comers who have not yet entered.

The instructors are well satisfied with the results and are especially grateful to the parents who co-operate so splendidly in the work. Mrs. Carl Shaw and Mrs. Herman Prins have given permission to the girls to take all of their examinations in the lake near their cottages, while many others have gladly offered their cars to provide transportation to the lake. There will be no camp established here for the local girls but at Montague, the Grand Rapids groups have been camping all summer. Holland girls are eligible to attend this camp now and a number are planning on spending one or two weeks there before school opens. The local group will give an exhibition at the Holland Community Fair where they will show some types of work they are being drilled in.

After three and a half years of service as director of the women's division of the probation department in the Recorder's Court at Detroit, Miss Elva M. Fornbrook will leave Sept. 15 to become social director of the Martha Cook Residence, the largest of the girl students' dormitories at the University of Michigan. Her resignation, tendered Monday to Fred A. Johnson, chief probation officer, will be accepted at the next meeting of the Recorder's Court judges.

Miss Fornbrook is very well known in Holland having taught English and expression at Hope college several years ago. Mrs. W. Durfee dean of women at the local college and Miss Fornbrook are very personal friends. Mrs. Durfee having visited her in Detroit a short time ago. Miss Fornbrook will be remembered by all her former students here as an excellent teacher and one who was a great asset to the college. After completing her course at Oberlin, Miss Fornbrook took post graduate work at the Curry School of Expression at Boston. On account of her splendid success in teaching, other colleges bid high for her services, and she went from Hope to the Normal school at Kalamazoo. During the war she worked as a Y. W. C. A. secretary in France, Russia and England. After returning to this country she took a position doing social welfare work for the Red Cross at Hamtramck. Here she was given much recognition and offered a fine position in the Probation Department at Detroit where she remained three years.

Being back in the educational field and near to Holland it is expected that this distinguished woman will make many visits to this city.

Dr. G. B. McCreary and family are visiting friends here in Holland. Dr. McCreary was formerly an instructor in the local college having taught philosophy and Bible here for three years. He came here in 1914 and left in 1917 going from Hope to Muskingum college at New Concord, Ohio, which college is his alma mater. At present he is on the faculty at Xenia Theological Seminary where he has been engaged for the past year.

Mrs. Kollen gave a party Monday night for the McCrearys, several of their most intimate friends being invited in for the occasion. Accompanying Mr. and Mrs. McCreary are their two children, Dorothy and Robert. The family has been the guests of Mrs. W. Durfee and have been staying at Voorhees Hall.

Some two hundred friends gathered at the First Reformed church Tuesday evening to extend a welcome to Miss Tena Holkeboer and Miss Jean Nienhuis who have just returned from a five year stay in China doing missionary work. A very suitable program was arranged and afterward a social hour was spent. These young ladies were sent to the mission field under the auspices of the local church.

The Mission Festival of the Christian Reformed Churches of Classes Holland will be held at the Prospect Park Grove Thursday. Afternoon session will start at 1:30 and evening session will start at 7:30. The speakers include Rev. J. C. De Gorne, Rev. L. Veltkamp, Dr. C. Bouma. Rev. De Korne will give an illustrated lecture at the evening session. Everybody is welcome.

A screw driver found by officer Steketee after the Brink's book store and Molenaar & DeGoed robberies, was identified by the two high school lads in Muskegon as the tool that they had used to break open the windows. The youthful robbers surely worked fast as they were only in town for about 2 hours. Their work looked like that of professionals.

## HOLLAND ADDS AT LEAST FIVE NEW CITIZENS

The August term of circuit court was opened in the court house at the county seat with the arranging of the court calendar and the sentencing of Frederick Rupright of Grand Haven. Following a civil case hearing, the naturalization hearing was held and a class of 10 aliens was admitted to citizenship.

During the afternoon Rupright was sentenced to spend from six months to a year in Jonia, pay a fine of \$500 and costs of \$29.30. He is being held to await transportation to Jonia to start serving his term. Mr. Rupright's case attracted much attention and was appealed to the state supreme court where an unfavorable decision to him was again rendered and the case was sent back to Judge Orie S. Cross for sentence.

Rupright it will be remembered is the inventor of a new sort of automobile and some two years ago he canvassed Holland for stock subscription with some success.

From Holland, there were five new citizens admitted while Hudsonville contributed two and Nunica, Coopersville and Zeeland each contributed one. Of the new Americans, eight were formerly citizens of the Netherlands while one owned allegiance to France and another to Austria. The class was comparatively small and in the absence of the regular examiner was put through the examination by the court.

Those admitted from Holland with former allegiance were as follows: Gaston Dorain, France; John K. Aardema, Netherlands; Otto Cnossen, Netherlands; Deswel Vande Bunte, Netherlands; Derk C. Van Bruggen, Netherlands. From Hudsonville two from the Netherlands, Jacob Vande Bate and Theo. Weijberg were admitted and the others were as follows: Nunica, Iknatz Wysozan, Austria; Zeeland, Anne De Jung, Netherlands; Coopersville, Wm. Schippers, Netherlands.

Shock followed shock Wednesday for the outspoken element among the Muskegon's law abiding citizenry with the arrest of four more youths as members of a juvenile criminal gang which has been responsible, officers say, for a score or more of recent night robberies here and throughout western Michigan.

The four arrested today are John Mathews, 19, John Freres, 17, Lawrence Bergeron, 18, and another lad whose name is being withheld because of his tender age. The latter will come under the jurisdiction of the juvenile authorities.

Frank Mathews, brother of John and Herbert Hammond, Linford Standley and Bernard Duff were arrested Tuesday. The youths have confessed, officers say to most of the burglaries with which they were charged.

Some of those held are members of prominent families. Hammond was popular in high school athletics, and has played in Holland. Last winter when the Muskegon outfit was set down in defeat on the basketball court, Hammond was one of their best players. He also starred on the football team playing a half-back position.

A freight car belonging to the G. R. H. and Chicago R'y company was partially destroyed by fire Wednesday morning. The car was standing on the siding at the freight house on West Eighth street and was about unloaded when it was found in flames by workmen.

Only a bundle of paper was destroyed in the car but the car itself will need repairs to cost not under \$100. Spontaneous combustion was the only theory offered as to how the fire started.

### ALLEGAN COUNTY FARMERS ARE JOINING BUREAU

One hundred thirty-eight team workers attended the school of instruction at Allegan, August 3, in an all day session. Everyone was there for business even though they left alfalfa and oats in the field ready for attention. These people knew the program given would more than pay for all the trouble they were to. These same people are part of the 250 workers that will solicit their neighbors this coming week. They will visit every farmer in the county, spreading the good news of Farm Bureau accomplishments and asking them to sign up with the idea of staying joined.

Under the leadership of Claude Hanby and Clark L. Brod, Sec'y. Manager of the State Farm Bureau. Every minute of the day was to the point with no unnecessary words.

If every farmer had been there, instead of over 100 joining at one time we would have had 90 per cent of the total.

Word has been received at Grand Haven that Dr. Long and family who are touring in Minnesota, had a collision with another car near Duluth and had to be towed into a garage. The Longs were held up for a short time on their trip while repairs to a damaged fender and front wheel, were made. There were no injuries.

Gerrit J. Deur, Holland township fruit grower, found another cow seriously ill from poison in his pasture. Timely assistance by a veterinarian saved the animal's life. Deur some time ago lost four cows through poison from arsenic which is believed

Mr. and Mrs. Dick Boter and family and Mr. and Mrs. Henry Zwemer and family left Tuesday for a week's trip to Niagara Falls.

Mrs. Henry Sprang and son Hosang and Mrs. C. Parker of Chicago are guests of Mrs. Crook and daughters Helen and Marion Henderson of this city.

### NOTICE

The last regular Teachers' Examination will be held at the Grand Haven High school, on the 13th, 14th and 15th days of August, 1925, beginning at 8:00 o'clock, slow time.

A special examination will be given for those whose religious convictions prevent them from writing on Saturday. All candidates for the Special examination meet at the County Clerk's Office, Grand Haven Court House, Wednesday morning at 8:00 slow time.

G. G. Greenowood, Comm.

John Dodge, 27, caught at Fennville and held at Allegan by sheriff's officers as a suspect in the recent robbery of a Chicago hotel, was released Tuesday after the officers had established that he was not one and the same William Melneschuk, the only one of the five bandits who escaped.

Cornell Swifney of Grand Haven, paid one dollar in traffic court for parking where prohibited and Thomas Swan paid one dollar for parking over time limit as did Mrs. Edward Seligman. Martin Van Horssen paid one dollar for parking without lights.

										Ind. Bus. Line Rate plus 50 cents	
										Ind. Res. Line Rate plus 50 cents	

Private Branch Exchange Trunk Lines: Business, each, per month ..... Ind. Bus. Line Rate plus 50 cents

Private Branch Exchange Trunk Lines: Residence, each, per month ..... Ind. Res. Line Rate plus 50 cents

### TOLL RATES

Application will also be made to modify the present schedule of toll rates. The present schedule with respect to the initial period rates for Station-to-Station "day" messages provides for a minimum rate of 10¢ for distances up to 12 miles, with 5¢ additional for each 6 miles or fraction thereof over 12 miles up to 24 miles, and 5¢ for each 8 miles or fraction thereof over 24 miles.

The proposed schedule with respect to the initial period rates for Station-to-Station "day" messages provides for a minimum rate of 10¢ for distances up to 12 miles; 5¢ additional for each 6 miles or fraction thereof over 12 miles up to 48 miles; 5¢ additional for each 8 miles or fraction thereof over 48 miles up to 96 miles; 5¢ additional for distances between 96 and 112 miles, and 5¢ additional for each 8 miles or fraction thereof over 112 miles.

The present schedule provides for initial period Person-to-Person rates approximately 25% more than the initial period Station-to-Station day rates.

The proposed schedule provides for initial period Person-to-Person rates approximately 40% more than the initial period Station-to-Station day rates.

The present schedule provides for initial period Appointment and Messenger rates approximately 50% more than the initial period Station-to-Station day rates.

The proposed schedule provides for initial period Appointment and Messenger rates approximately 70% more than the initial period Station-to-Station day rates.

The proposed schedule provides for Overtime rates which will bear the same relation to the increased initial period rates as the present Overtime rates bear to the present initial period rates.

All rates under the proposed schedule to be based on air line distance and computed in the same manner as under the present schedule.

In all other respects and particulars, the rates and practices set forth in the Local and General Exchange Tariffs on file with the Michigan Public Utilities Commission and on file in each local office of the Michigan Bell Telephone Company to continue in force and effect.

## MICHIGAN BELL TELEPHONE COMPANY

According to the Health Dept., officer there is only one case of scarlet fever in Holland at present. This is at 327 West 11th street, Mrs. Witteveen having been taken with the fever shortly after her daughter had recovered. The patient is doing well and is expected to be out again soon.

Exp. Sept. 12  
STATE OF MICHIGAN  
The Circuit Court for the County of  
Ottawa

In Chancery

Alice P. Scudder, Frank

Harbin and Blanch

Harbin, Plaintiffs,

vs.

John C. Dunton, Marion

H. Dunton, Kate E. Van

der Veen and Sadie R.

Luce, Defendants.

It appearing by affidavit on file in this case that defendant Sadie R. Luce is not a resident of the State of Michigan but resides in the State of Alabama;

IT IS THEREFORE ORDERED that the said defendant Sadie R. Luce appear in the above entitled case within three months from the date of this order, and that a copy of this order be published in the Holland City News, a newspaper published and circulating in said county in accordance with the statute in such case made and provided.

Dated this 28th day of July, 1925.

Orie S. Cross,  
Circuit Judge.

The above entitled suit involves the quieting of the title to the following real estate situated in the city of Holland, County of Ottawa and State of Michigan, described as follows, to-wit:

All that part of the southeast quarter of section twenty (20) Township Five (5) North, of range fifteen (15) west, which is bounded and described as follows: Commencing at a point on the west marginal line of north River street, (or Grand Haven road, so called) which is one hundred seventy-seven (177) feet northwesterly from where the north line of section twenty-nine (29) intersects the west line of said North River street; thence in a southwesterly direction ninety-seven (97) feet to a point one hundred and seventeen (117) feet ten and one-half inches (10 1/2) north of said section line; thence due south seventeen (17) feet ten and one-half inches (10 1/2); thence west parallel with the said section line and one

hundred (100) feet north therefrom to the water's edge of Black Lake; thence north along Black Lake thirty-eight (38) feet; thence east parallel with the said section line one hundred sixteen (116) feet; thence in a northeasterly direction parallel with the above line running southwesterly from the point of beginning, and thirty-eight (38) feet therefrom to the west line of North River street, thence southeasterly along the west line of said North River street thirty-eight (38) feet to place of beginning.

FRED T. MILES,  
Attorney for Plaintiffs.

Business Address:  
Holland, Michigan.

Winzler Mfg. Co.

Archbold, Ohio

## MACATAWA FOLKS WANT CO-OPERATION

The annual Good Will banquet given under the auspices of the Macatawa Cottage Owners Association, at Macatawa, was a decided success, and marked the height of the summer season at this popular resort.

Two hundred and ten guests sat down to an elaborate repast, provided by Landlord Swan Miller.

Everything said by the different speakers, indicated a spirit of co-operation and a thought of doing something for Macatawa, and a will to accomplish something that shall be real constructive in behalf of the oldest resort on Black Lake.

M. J. Walker, president of the Cottage Owners Association, was the toastmaster, and he told of the object of the Association, and what had been accomplished and what he aims for the future were. He stated that what Macatawa needed was a spirit of give and take, in other words a spirit of co-operation, and the Association was ready to come more than half way in any concerted plan that might be formulated.

Mayor Kammeraad voiced the opinion that the interests of Holland and Macatawa were mutual, that Holland would do all in its power to aid and back its resorts morally and financially, helping in any meritorious project that might be proposed.

Honorable G. J. Diekema in his usual convincing way interspersed his remarks with a great deal of wit, but brought home some very salient facts pointing out, how all those interested in Macatawa could make this resort a leader and not a follower.

He gave a history of Macatawa going back to the date of its inception, told of its early struggles, and also the many successes.

He pictured glowingly what might be in store for this resort at the head of the bay, with the spirit of co-operation prevailing.

Rev. J. C. Pelgrim, D. D. of Frankfort, Ky., and a graduate of Hope college, asked that the spirit of uplift remain prevalent at Macatawa, and that all strive to maintain a resort having a wholesome religious and moral aspect.

A. H. Landwehr of Holland, stated that the Cottage Owners Association as well as the Macatawa Resort company, first must formulate definite plans to build up Macatawa, and make a concerted effort to follow these plans. Don't have several different plans formulated by different bodies, which receive only partial support, but let all get back work-plan of development, that is work-able from every standpoint. Then accomplish, said Mr. Landwehr.

Mr. Landwehr even had a suggestion picturing a wide concrete highway around old "Bald Head" from the east by the Life Saving Station, south along Lake Michigan, thru the hills and then further south and east, constituting a loop connecting up with M-11.

Rev. G. W. Muckley, D. D. and Rev. Horace Cady Wilson, D. D., also spoke along the lines of co-operation, following a well laid plan that would aid in the resort's development.

It seems that the banquet of Saturday night marks a new era in the history of Holland's great local resort, and it is understood that following the banquet gatherings will be held, when plans as suggested Saturday will be talked over and worked out.

The committee in charge of the arrangements for the banquet was composed of Mrs. Erwin R. Perry, of Grand Rapids who acted as chairman and the other members included Mrs. Jas. E. Walker, Mrs. Harry E. Rhodes, Mrs. R. P. DeVries, Mrs. L. P. Crigler, Miss Rose Vanderluis, Mrs. J. W. Hall, George W. Chappell and J. W. MacMillan.

The program follows: Song, "America"; Remarks—Mrs. J. E. Walker, president Cottage Ass'n; Rev. G. W. Muckley, D. D.; Hon. G. J. Diekema; Rev. Horace Cady Wilson, D. D.; Rev. J. C. Pelgrim, D. D.; Mr. A. H. Landwehr, Get-together Song—Tune: "Old Oaken Bucket".

How dear to our hearts, are thy scenes, Macatawa, Thy beaches and Indian Trails, valleys, and hills, Thy blue skies inviting, Thy greedy fish biting, The charm of it all, no mere mortal can tell; We'll boost Macatawa, The new Macatawa, The dear Macatawa, we all love so well.

Holland's Boy Scouts will go to camp at White Lake, August 22, according to the latest word received from Commissioner Deto. White Lake, located a short distance from Muskegon, is the place chosen for the camp and from all indications it is an ideal spot.

The camp site will give the boys a chance at both Lake Michigan and White Lake. At present about 750 scouts from Chicago are taking training at an Indian camp a short distance from where the Holland boys will be. Before September is over 4200 boys will have taken training at this camp. About 100 scouts from Holland are planning on spending at least one week at White Lake. The scouts here are well organized under Mr. Deto and a great time is planned for the lads at camp.

Owing to the small expense, a great number can afford to take in this splendid outing. Only \$3 a week will be charged as the organization will pay the rest. Transportation will be free and a scout can stay two weeks if he so desires. In order that the camp commanders can provide for all, scouts who are desirous of going will please hand in their names immediately to Mr. Deto at 263 West 11th or Jack Veldman at the office of the Holland City News. Boys who are not scouts but eleven years of age or over who would like to become scouts and go to camp can sign the papers and take their tenderfoot examination at camp. The boys will be given real training as they will be under the instruction of several men who are competent to take care of them.

Either Mr. Deto or Mr. Veldman will be glad to furnish any information regarding the trip. Please get your application in early as the first contingent leaves August 22nd.

Lake theater, Chicago. Mr. and Mrs. William Curly and Miss Gertrude Hornfeld were in Grand Rapids Saturday.

## INTERURBANS MAY RUN BUSS. ES SAYS ORDER

The bus and truck lines it appears will have some real competition according to a new order handed down at Lansing. It has just been decided by the Michigan Public Utilities commission that a network of motor bus lines paralleling and supplementing the interurban system of the Michigan Electric Railway and the Michigan Railway including the Holland Interurban would be allowed.

It permits the Consumers Power company, and allied interests, which control the interurbans, to establish bus lines of the de luxe type running from Kalamazoo to Battle Creek and Jackson, Jackson to Lansing, Kalamazoo to Grand Rapids, Kalamazoo to Otsego, Flint to Saginaw and Bay City, and Lansing to East Lansing. A formal order authorizing the bus service probably will be signed Monday.

The interurbans will operate the motor buses through subsidiary companies. The Southern Michigan Transportation company will handle the bus traffic in the Michigan Electric territory and the Rapid Transportation company in the Michigan Railway territory. Bus service must be in operation by Oct. 1st. The opinion directs that de luxe service must be offered.

The commission in granting the interurban lines permission to operate the bus lines, took into consideration the intent of the legislature when it passed the Karcher bill, which drew the veto of Gov. Groesbeck.

This bill, had it become law, would have given electric as well as steam lines the right to establish bus service without securing permits from the utilities commission. The governor vetoed the measure because he did not believe it adequately covered motor bus transportation, and that it might give the railroads the right to escape state regulation claiming the interstate commerce commission only had jurisdiction because the railroads are interstate carriers.

In vetoing the measure the governor made it clear to members of the utilities commission that he believed the interurban lines were entitled to the protection afforded by the bill, and he has strongly intimated that he will call a special session of the legislature next winter, at which time he will propose legislation giving the state strict regulation over all commercial vehicles traveling the public highways.

One year ago last March the First Methodist Episcopal church of this city, attacked a debt which it had been carrying for many years and made a long stride in the effort to wipe it out. Over \$5,000 was subscribed and nearly all of it has been paid in. The rest will be paid soon. This debt runs back to 1867 with the exception of fourteen months. It involves the building of four different church buildings and three parsonages and the enlarging and remodeling of the church buildings.

It proved a story of struggle and heroic endeavor during these years. The pastor, J. C. De Vinney, had planned to attack the rest of this indebtedness last March, but the hard winter financially led to a postponement. But Sunday at the ten o'clock service by authorization of the official board and at the instigation of a considerable number of the members and friends of the church, he is arranging to raise what remains still to be paid. The service will be carried on in the usual way. The title of the sermon is unique "We Fight Amalek." At the close of the service a subscription will be sought to cover the remaining indebtedness. The congregation has been taken into his confidence. They will come knowing what to expect.

On the previous debt raising Sunday, one of the largest congregations he has fared in Holland was present. He promises as before that no one will be embarrassed that every one coming will enjoy the service, that there will be no individual solicitation. Members and friends are urged to attend. The pastor insists, "We need you and your prayers, more than we need your dollars. If what you can give is only your presence and your prayers that is all we seek. If you can contribute financially besides that is your privilege. But above all else we want and need you." It is expected that this effort will provide for the last dollar of debt which this church has and that with this accomplished a much more adequate program of service shall be undertaken by its members.

After the census has been taken and all information compiled in card form a large map, approximately 8x10 feet, will be drawn and a regular tabulating system will be used to instantly give the pastor a prospect list for intensive work.

At least fifty members and friends, attended the Holland Country club stag given by the club Thursday afternoon and evening. During the day a spirited contest on the green was part of the program and at 7:30 a supper was a most delightful feature.

C. Vander Meulen was toastmaster and called upon Willis Diekema president of the club, who told of past achievement and the extensive plans for the future. Other speakers were: Con De Pree Ed Tansey, Frank Whelan and G. J. Diekema.

Up until Friday morning officer Bontekoe of the local police department had turned in 36 motorists for parking without the proper lights. Quite a number of the arrests have been made for cars parked for the night in front of residents. However, a goodly percentage have been for sparking parties, couples seeming to forsake the old parlor and porch swing for the auto. It costs \$1.50 to be without lights and the price of the fine may be raised to stop this practice.

The Allegan Independents were victorious over the Benton Harbor Independents, which club was substituted for the House of David team unable to come Sunday. The Allegan team won, 10 to 2.

Weber, on the mound for the visitors, was effective in all but the seventh inning, when all the Allegan runs were scored.

Johnny Hyma, the punster and stage hit writer of New York will leave Holland after a month's vacation spent with his parents Mr. and Mrs. Henry Hyma at Graves Place and brother, Andrew Hyma, on Pine Avenue. Johnny is to open with a week's engagement at the State on

## BRYAN SPEECH HERE EFFECT LIFE OF SIZOO

Very impressive were the services in the New York Ave. church at Washington, D. C., when the funeral address was said at the bier of William Jennings Bryan, by Dr. Joseph R. Sizoo, a graduate of Hope college. In his discourse Mr. Sizoo stated that his whole attitude in life was changed when he heard Mr. Bryan's speech at Hope college when the great lecturer gave as his theme "The Value of An Ideal", the subject selected by Dr. Nykerk for a number in the Hope Lecture Course.

Mr. Sizoo's address at Washington follows:

"Some years ago—it seems only like yesterday—Mr. Bryan delivered a lecture to a group of some 500 students in a midwestern college, (meaning Hope college at Holland, Michigan). His theme was, 'The Value of an Ideal.' He spoke with that amazing clarity which so characterized all his addresses not only of the place of an idea in life, but also of the various ideals which men may hold, and then that highest of all ideals—Christian service.

"How profoundly he moved that group of young men, Mr. Bryan never knew. There was one student in that audience for whom it changed the whole program of his life. This student was a freshman at college that year with the plan of preparing for some professional career. The plea for Christian service made by this great heart of faith never left him and following that urge he later entered the Christian ministry.

**Pointed Life Way**

"I was that student. That stirring plea marked the beginning of a whole new attitude to life, and I bring my testimony to the memory of a man who never knew how greatly he had changed that life. Surely it is unique that, as he lies here dead among us, I should bear witness to his influence in this most solemn hour.

"How strange are the ways of God, and how otherwise from our desires! Had it been given to us to control the affairs of life, how different would it have been. Earth can ill spare such noble souls. His ability was so striking, his sincerity was so genuine, his personality was so winsome, and his faith so serene that we had hoped to have him longer with us. We seem to need him so!

"But God willed otherwise; and until the day break, when shadows flee away, we reverently kneel in submission to pray, 'Father, Thy will be done.'

"To this broken family circle, whose days have so suddenly and sadly turned to sorrow and loneliness, the sympathy and prayers of the nation go out. Somehow you must be sustained by the innumerable prayers of the people of the land who are kneeling today at the hearth-stone of your broken home. When the golden bowl is broken and the silver cord is loosed, we pause, we wonder, we weep; but God doeth all things well and you may abide in the promise that underneath and round you are His everlasting arms.

**Perfect Life Wins**

"We talk about unfulfilled dreams and incomplete lives and broken circles; but with God there is no unfinished life and there are no broken circles. Jesus—dead at thirty-three—cried out exultantly from the cross: 'It is finished.' So is every life that follows God's will.

"When is a life finished, you ask? When the seeds of its influence have dropped into the lives of others, enriching them. A life is finished when other lives are lit up by it and walk in its strength. A life is finished when those around it have caught the splendor of its truth and live happier, nobler and truer.

"If that is true then this greathearted lived a finished life. The heritage of that life it may take long to measure. Multitudes have caught the splendor of it and lived by its guiding light.

"It is to rehearse this splendor that we have come today. Praise or blame do not affect him now. They never disturbed his convictions. He was far above all that on earth and he is far beyond all that now. Nothing we say or do can in any way add or detract from him. It is for us to see again the glory of that life and heed its heritage.

**Hands Ever Clean**

"There was a three-fold splendor about this noble man which will ever challenge those who have lived in his day and who are to carry on in the days to come:

"First. He had a capacity for noble living. His life was an open book beyond all possible reproach. His character was unalloyed to the very end. You can turn the searching light of a critical publicity on any page of his past, through all manner of personal and political fortunes of later life, and not one page is smudged or soiled or stained. There was no shadow of self-seeking or gain in him. There was no skelton in the closet. You do not have to tread softly over any episode. Friend and foe call him a man whose great concern was the causes he espoused, and to those causes he came with clean hands and a pure heart. Not only for what he said but for what he was, will his name be treasured.

"Second. He had a deep capacity for love. He was a great friend and never played fast and loose with friendship. Some men are not big enough to have friends, because they are not big enough to be friends, but not so with him. Political opposition never lost him personal friendships. His love was genuine with rich and poor alike, it knew no border, breed or birth. ...It may take decades to measure the urge and hope for peace which he provided for the nation in his day and generation.

**Faith His Rock**

"Third. He had a rich capacity for faith. Any summary of the heritage of his life, however brief, would be utterly unworthy if it did not bear witness to his unflinching faith in God. You will never know this man until you know him there. He was essentially a religious man.

He was not disillusioned about the world. He knew its ills and its failures. How often he said that happiness will be restored, prosperity will beat again with its angel wings and peace will come with its eternal abiding, when men come back to the simple elemental forces of life-like honesty, reverence and faith in God. ...Nothing else explains the greatness of the man like the greatness of his faith. That was unchallengeable, irresistible, and burned with a quenchless fire.

"Some day, perhaps, we may see

## FREE --- GLIDERS

FRIDAY, July 31st to FRIDAY, Aug. 7th

With every purchase of a one gallon can of VALVOLINE, that 100 per cent pure Pennsylvania oil, we will give one of these E-Z-FLY monoplane GLIDERS or we will give one of the GLIDERS to each person who has their oil drained and their crankcase filled with VALVOLINE.

We know that car owners will be pleased with this high grade, pure Pennsylvania oil and we are making this offer to increase the number of satisfied users.

THE PRICES OF THE GALLON CANS ARE  
MED UM - - \$1.30 HEAVY - - \$1.35

In your own can, \$1.10 per gallon

30c per quart is the price when we drain and fill your crankcase

All of the stations listed below are supplied with the E-Z-GLIDERS and you can get them at any of these places:

VAN'S EAST END STATION  
DOWNTOWN SERVICE STATION  
WARM FRIEND SERVICE STATION  
WOLVERINE GARAGE  
LEE'S PLACE, Montello Park  
THE WINDMILL, M-11 & 32nd St.

## Michigan Cherry Pineapple Ice Cream

Special Week-End Brick

The sweetest, juiciest cherries from the famous Michigan orchards and the choicest pineapples from far-off Hawaii—makes this two-layer ice cream treat especially delicious. Your dealer has pint and quart bricks—this week-end only.

Arctic  
Ice Cream

## MUSKEGON LADS ADMIT ROBBING STORES HERE

From a cottage north of Muskegon, 17-year-old Muskegon high school youths sailed forth to loot stores, factory offices and other business places, according to their confessions to the Muskegon police.

The two youths—Herbert Hammond, Muskegon high school football star, and Linfred Standley, Muskegon Heights high school student—were arrested Monday afternoon in a Whitehall poolroom by Detectives Charles Hammond and William Feeney of the police department. (Detective Hammond is not related to the youthful robber).

In confessing to the robbery of the Muskegon high school gymnasium, the two youths implicated two other youths, Frank Mathews, 18, and Bernard Duff, 16. Young Duff and Mathews were also taken into custody.

Hammond and Stanley, according to their confessions, committed other robberies, which numbered a dozen, alone. Among the places they admitted robbing were the Atlantic and Pacific store at Sanford-st. and Lake Shore-dr., Muskegon; the offices of the Muskegon Tent and Awning company; the Lake Shore Machine company; a garage at North Muskegon, and stores at Nashville, Middleville, Holland and New Era.

In the gymnasium robbery, the youths procured stopwatches and athletic equipment.

When captured Monday, the youths were in possession of an automobile which officers said had been stolen. A pistol was found secreted among the cushions.

The youths said they lived "like princes" in their woodland cottage during the day and set forth at night only after they had carefully planned each robbery.

Loot, valued at \$300, was said by officers to have been recovered.

(Contributed)

While fishing last week Mrs. M. Tromp landed a Bull Pout measuring 28 inches long, weighing 8 pounds. The fish was caught on a small hook with worms while Mr. and Mrs. Tromp were fishing for blue gills and probably could not have been landed had not Mr. Tromp made use of his landing net.

The Bull Pout is a fish many people would not know. It resembles both the Bull Head and the Cat Fish and is a fine fish for eating.

Martin Tromp is now retired and lives at Montello Park and is one of the oldest fishermen on Black lake. He was born on the north end of town, the youngest of a family of eight children. Their father was a fisherman, first in The Netherlands and later here in Holland. Two of his older brothers have followed the fishing business all their life, one at the Soo and one at Muskegon.

Old timers can remember in the early days of Holland, long before the fire when Mr. Tromp's father had nets in Black Lake near the Donnelly-Kelley Glass Co. and peddled his fish in a wheelbarrow with a horn in his mouth. Later the older brothers were in the fishing business having a shanty near where the hotel stood at Ottawa Beach. About that time, the oldest brother who's name was John, and his wife were sailing in their fishing boat from their shanty to Holland, a bad squall came up and capsized the boat and the wife who was a good swimmer was under the front end among the nets to keep out of the rain became tangled with the nets in the water and was drowned.

Paul E. Trompen, pastor-elect of Knapp-st. Reformed church, Grand Rapids, will be ordained into the ministry and installed as pastor of the Knapp-st. congregation Thursday night at 7:45.

Rev. John Van Zomeran, pastor of Trinity Reformed and president of the Reformed class of Grand Rapids, will preside. Rev. J. R. Mulder, pastor of Bethany Reformed church, Chicago, of which Mr. Trompen was a member, will preach the sermon.

Rev. Gerrit J. Hekhuis of Grandville, pastor of Mr. Trompen's boyhood days, will deliver the charge to the new minister and Rev. John Bovenkerk of Muskegon will deliver the charge to the congregation.

Mr. Trompen is a son of Dr. and Mrs. Cornelius Trompen of Roseland, Ill., and a graduate of Hope college, class of 1922, and of Western Theological seminary, class of 1925. He will preach in inaugural sermon Sunday, Aug. 9.

Raymond Clark, 18, and Charles Heacock, 19, have confessed that they were the two men who bound, gagged and tortured John Hoyer, 55, of Allegan, in an effort to make him tell where he had hidden his money last Sunday night.

Both young men and Bud Ray, 19, and Karl Slesdet, 22, were members of an alleged robber gang that attempted to rob Zora R. McGonegal, 90, a reputed wealthy Jackson farmer, early last Friday. Heacock is at present in Bronson Methodist hospital, under guard, suffering from injuries received during a scuffle with McGonegal. The aged farmer fought off the robbers with a cane-sword, which he had kept as a relic.

Clark was waiting with Slesdet and Ray to be taken to Jackson prison when he made his confession. Slesdet said he merely accompanied Clark and Heacock to the home of Hoyer in Allegan and waited outside for them. Ray was not mentioned in connection with this affair by the other three men.

Credit is given police detectives Charles H. Grotemut, Roy W. Carney and Oscar F. Wetherell in obtaining the confessions. All four bandits are Kalamazoo residents.

Mrs. Ben Herick of West 12th-st., returned home from Jackson where she has been spending the last two weeks with Mr. and Mrs. R. W. Herick.

Mr. and Mrs. Peter Bloemans of Zeeland and Mrs. Gertrude Reimink of Holland, returned from a two weeks' visit with relatives in Rudyard, Mich.

Russel Barendse who has just returned from a Vulcanizing school will start a vulcanizing shop in the front part of the Holland Auto Laundry on West 16th St.

Mr. and Mrs. Stephan Karsten and family and Mrs. Karsten's mother, Mrs. G. Vanden Brink, have returned from a week's trip to Charlevoix where they were the guests of Allen Bolhuis.

## LOCAL CO. D LEAVES FRIDAY FOR GRAYLING

Holland's National Guard company will leave Friday afternoon for Grayling where the state troops will spend 15 days in training. The local company D will take a special car here and go to Grand Haven where Company F will also entrain. Company G, 2nd battalion headquarters of Muskegon and the Ambulance Co. of Manistee will also board the same train and go to Grayling. The local company according to Captain Geerds can still enlist 4 more men and anyone desirous of taking advantage of this splendid training with pay can still enlist by applying at the new armory on Wednesday night when the local guardsmen will hold their final meeting before going to camp. The schedule of training as it is arranged now is very satisfactory to the Holland men. Six whole days will be spent by the local guards under the direction of Brigade machine gun officer, Major Wiessenhoffer under whom all the machine gun companies of the state will be assembled for this type of training. Major Wiessenhoffer is well known to the local commander Geerds having been in his company in the old G Co., of the 31st Michigan. Four men out of this Company are now captains serving in the National Guard.

At Camp Grayling there will be two days of demonstration and four days of maneuvers. The field day will be held the second Saturday that the men are in camp.

Athletics supervised by trained directors will be given for every soldier for at least one hour and a half each day. The local men are all enthused over the trip and are anxiously awaiting Friday. There will be plenty of drill and also plenty of recreation as the camp is located on a lake where swimming is one of the best. With their new armory nearly completed the Company D men are bound to be in for a very successful winter and there is still room for four more men. Lieutenants J. Bremer and O. Johnson as officers with Captain Geerds.

Frank Cleveland, sheriff of Dickinson county, Michigan, has a way all his own in dealing with curbstone sheiks who would emulate Rudolph Valentino.

Several young women complained to the sheriff that it was quite common for self-styled sheiks to carry on their operations in the vicinity of the court house nightly and make remarks as they passed along.

The other night the clan gathered at their old "caming grounds" but they didn't know the sheriff was interested, under-cover spectator. After watching their antics for a while, he took a hand in the game and it is said he used his hands in spanking some of the sheiks. He also administered some timely advice.

Rev. George G. Heneveld, pastor of Unity Reformed church of Muskegon for seven years, has accepted a call from the Reformed church of Wyckoff, N. J., and will preach his final sermon there on Aug. 24. Rev. Heneveld was president of the Muskegon Pastors' conference for two years and for three years was president of the Muskegon County Sunday school council. He also was active in Y. M. C. A. enterprises. He came there from Kilduff, Ia. Mr. Heneveld is a graduate of Hope college and has many relatives living here.

Farmers in the north part of Georgetown township are much put out over the ravages made in their flocks by sheep-killing dogs. Last Thursday night dogs entered the field where Randal De Went keeps a fine flock of sheep and created such havoc that it became necessary to destroy nine of the best sheep, incurring a loss of \$135. A few nights before they did \$88 damage in Harry Wagner's herd of cattle.

The guilty hounds have been identified and the matter will be brought to the owner of the dogs, shooting of the dogs to be urged.

The Holland-Grand Rapids district as this relates to freight condition on the Pere Marquette, is 10 per cent above in outbound and nine per cent below in inbound traffic, as compared with the same week in June of last year. There is a decrease in coal movement into this territory. The furniture movement outwards is up considerably. The shipments of celery from the Muskegon territory this season indicate that this section is rapidly becoming an important producer of this commodity. Ludington, Traverse City and Casnovia are shipping cherries in large quantities.

The car ferry movements across Lake Michigan for the week just closed was just a shade better than last year, the coal movements being down, but the outbound movements of grain, machinery, paper, automobile frames and miscellaneous commodities showing increases.

Albert Kuiper, junk dealer who has been living in a tent on the north shore was arrested by Chief Deputy Sheriff Egbert Beekman Friday night about 8 o'clock. Kuiper, said to be in an intoxicated condition, gave his son Earl a bad whipping, severely injuring the young man about the face and body. Younger Kuiper appeared Saturday morning before Prosecutur Miles and made the complaint against his father. Sheriff Beekman arrested both men Friday, but Earl was released Saturday after the condition of his wounds was learned. He was given medical attention Friday by Dr. Tappen.

The elder Kuiper is said to have received the moonshine during the day and after having imbibed rather freely attacked his son. He will be arraigned before Justice Brusse. This is not the first time that he has been hauled before the courts and he asked for an examination.

Lawrence "Bud" Vredevoogd of Grandville, has gone to Haarlem, Mich., where he will be in charge of a Heinz pickle station.

Miss Lena Bonhuls of Grandville is spending a month at Ottawa Beach. Another call has been extended to Stanley Schipper of the Reformed church at Corinth, Michigan.

Dr. and Mrs. Albert Holmes and daughter Crystal of Miami, Florida, are guests of relatives in Holland.

Rev. F. J. Van Dyke of Central Park left Thursday night for Chicago where he will spend a part of his vacation.

Chester La Huis, son of A. La Huis of Zeeland, who spent the past eight months in Texas, has returned to his home in that city.

## TAG DAY FOR SUNNYCREST SATURDAY

Notwithstanding the fact that not much has been said publicly of late, relative to our own Sunnycrest School for Girls does not indicate that Miss Helene Clarke and staff have been idle on the job.

The truth is that a score or more of formerly unfortunate children, who did not have the proper home surroundings, and were living constantly in an unharmonious environment have found refuge and happiness here in the beautiful residence on Black lake.

A happier lot of girls will be hard to find anywhere and a visit to this institution will soon bear this out.

While the management has not been heard from to any great extent as far as Holland is concerned, something has been done in our neighboring cities and villages.

Last week Saugatuck did handsomely and Allegan some weeks ago also contributed liberally.

Other cities further away have also shown a real interest in Sunnycrest school for girls as was shown in the financial returns when a "Blue Bird" tag day, so called, brought gratifying results.

Now Sunnycrest will ask its home city for assistance and for that reason it has been decided to hold a tag day all day Saturday of this week.

Mayor Kammeraad is fostering this project as will be noticed in a special message to the citizens of Holland.

Sunnycrest is a home and school of opportunity for girls who are without parents and for those others who lack proper wholesome surroundings and training which make for the highest type of womanhood—surely a most meritorious and noble cause to help along.

Mayor's Office  
Holland, Mich., July 30.  
To Whom It May Concern:

This is to certify that I have given permission to the Sunnycrest Home for Girls to solicit funds for the support of said school and for the noble work in which it is engaged, and do most heartily endorse the method by it requested in designating Saturday, August 8, 1925, as a Tag Day for such purpose.

I believe the cause to be a grand and noble one and commend that the citizens of Holland give this their sincere and earnest support and cooperation.

Signed—

Nick Kammeraad, Mayor.

Let's get back to this movement; our neighbors have already done splendidly—let us honor ourselves by helping these young girls, always bearing in mind that our own children possibly have been more fortunate.

Headquarters for Saturday's drive will be at Warm Friend Tavern and the committee in charge are Mrs. Carl E. Gachwind, Mrs. M. L. Tyssen, Mrs. Louis Farr, Miss Mabel Anthony, Mrs. Con De Pree and Mrs. G. J. Diekema.

A sub-committee composed of captains who will direct the several "Blue Bird" tag day squads are the Misses Marion De Pree, Ethel Dykstra, Emma Witvliet, Jean Zwemer, Virginia McBride, Helene Dyke and Lucille Mulder. Remember the "Blue Bird" tag day sale for Sunnycrest School for Girls, takes place all day Saturday of this week.

August Breyman passed away Monday evening at the home of his sister, Mrs. Percy Ray, 275 Central Avenue.

Mr. Breyman was born November 1, 1879 and was a son of the late Mr. and Mrs. Otto Breyman, former old pioneer of this city. The deceased had a wide acquaintance and many friends in Holland. He was a charter member of the B. O. P. E. lodge No. 1350. He also was a member of Unity Lodge, F. & A. M. 191 and Holland Chapter R. A. M. No. 143. Mr. Breyman is survived by three brothers, William Breyman of Grand Rapids, Henry Breyman of St. Louis, Mo., and Fred Breyman of San Francisco, Calif.; also by two sisters, Mrs. L. F. Schocker of Milwaukee, Wis., and Mrs. Percy Ray of this city.

The funeral will be held Wednesday afternoon at 3 o'clock from the home of Mrs. Percy Ray, 275 Central Avenue.

Mr. Breyman is the youngest son of Holland's first jeweler, who in the early days conducted a store in what was known as Keynon's Hall, located on the site of the McBride Block.

Mr. Moreau a representative from the national headquarters of the Red Cross at Washington, D. C., will be in Holland, August 15th, according to word received in Holland, Monday by Mrs. Katherine Van Duren. Moreau will give exhibitions and instruction in life saving and will also examine quite a number of local swimmers who desire to pass the tests and become life guards.

According to plans now being formulated Moreau will be at Macatawa in the afternoon and at Lakewood in the evening. The Boy Scouts under Mr. Deto and the Camp Fire Girls under the direction of Miss Ethyl Dykstra will be given special attention by Mr. Moreau. These two groups are growing in Holland and anticipate carrying on a big program here this winter.

City treasurer M. B. Bouwmaster, states that city tax money is coming in very slowly in fact only about one-fourth of the entire amount has been collected notwithstanding the fact that the treasurer's office has been open for that purpose since Monday, July 15.

The total amount collectable at this time of the year is \$379,886.63 and of this amount only \$93,140.63 has been taken in by M. Bouwmaster at the city hall.

The last day of grace falls due on Saturday, August 15, until 8 o'clock P. M., after that time there will be a collection fee charged of 4 per cent on all unpaid taxes.

The city treasurer urges that from now on all tax payers call as soon as possible for it can well be imagined what the rush will be if a majority of the tax payers wait until the last day and hour. In that case their will be hours of standing in line and waiting. This can now be avoided.

## MUSKEGON YOUTHS CONFESS TO HOL- LAND ROBBERIES

Officers Steketee and O'Connor returned from Muskegon Tuesday noon with the Ford coupe stolen from G. Harmon about a week ago. They obtained a confession from Herbert Hammond and Linfred Standley, Muskegon high school lads, saying that they had robbed the Brink Book store and Molenaar & De Goede Market recently.

Ten stores in Muskegon, one in Middleville and the three jobs in Holland were all crimes laid to the lads who are both seventeen years of age. The local officers said that the two were members of a gang of seven, five of which are now under arrest in Muskegon. According to Hammond and Standley they arrived here on the midnight freight from Muskegon, and went almost immediately to the Brink store and stole \$25.00. Then they entered the Central Market but could find no money. Going up Central Ave. they attempted to steal a car but after pushing it from the garage they found it locked so left it. At Harmon's garage, however, the car was not locked and they took it and drove to Battle Creek. Here they ran out of cash and sold the motorometer and the spot light from the car. After a few days they drove to Muskegon, going to their cottage in the hills at Michellinda. So many jobs are charged against them by the Muskegon police that the officials there decided to keep the lads instead of allowing the Holland officers to bring them here for trial.

## Safety For a Few Cents

These days, we all have enough worries without adding more, wondering whether our valuables of various kinds are safe or not--and there is no occasion for such worry for a strong safe deposit box can be rented in our strong vaults for a trifle. Why take chances when safety is so cheap.

## Don't You Feel the Same Way

The HOLLAND FURNACE CO. is enjoying the condition of business today. We are pleased that you, like everyone else, are determined now to GET AT LEAST ONE HUNDRED CENTS WORTH IN EVERY DOLLAR you use.

That is the spirit that is leading people, more and more, toward the desirability of HEATING THE HOME with the DEPENDABLE HOLLAND System.

It has grown very distasteful to most of us to be told to take what we are offered or nothing.

There is hardly a soul who is not happy with the thought that he can again use his head in buying, and get the most in SERVICE.

The lasting economy in buying a HOLLAND FURNACE IS APPRECIATED more today than ever before.

Holland Furnaces are sold either for cash or on the time-payment plan.

LOCAL

Dr. John E. Kuizenga and family are now at Winona Lake, Ind., where Mr. Kuizenga is lecturing nearly every day at the large summer conference.

Mr. and Mrs. Harold J. Karsten and baby Harold John Jr., have returned to their home in Chicago after spending their vacation with their parents and brother at Central Park.

Al Rigerink and family have moved to Los Angeles, California, where Mr. Rigerink will engage in business. He has been identified with the De Free Co. of this city for some time.

Wm. E. Shane with the Bell telephone Co. at Lansing is in the city taking the place of Manager Ripley who is on a two weeks vacation.

The Miller & Lieveuse firm has purchased the Spritama building on East Eighth-st. The property was bought from Kinsey & Buys Real Estate Dealers in Grand Rapids.

Dr. J. G. Kuizenga of Grand Rapids and well known in Holland has purchased a piece of property on the lake in front of the Sunnycrest Home where he will build a permanent residence. Miller & Lieveuse, real estate firm transacted the deal.

Dr. J. E. Blekkink will have charge of the prayer service at Trinity church this evening at 7:30 o'clock.

Orville Jones and Reuben Jones were arrested in a downtown lunchroom at Grand Haven yesterday on a disorderly charge and pleaded not guilty when arraigned before Justice Hugh Little. The men are in the county jail awaiting their trial which was set for Monday.

William J. Griffin, foreman of the Chicago Daily News composing department, with his wife and daughter Mrs. Wm. Erhart and children are spending two weeks at Highland Park. Mr. Griffin has spent several summers there and has recently purchased a home at Maple Terrace in Spring Lake, where he expects eventually to make his home.

Mr. and Mrs. James De Koster and daughter Lois and Mrs. Isaac Ver Schure have returned after spending a week at the home of Mr. and Mrs. John Houting, Milwaukee, Wis.

Prof. Zook and his family will become permanent residents of Holland soon. The professor has been engaged to teach in the History department at Hope college and has purchased the residence formerly occupied by Al Rigerink at 134 West 14th-st. Mr. Rigerink and his family will move to California soon. Prof. Zook will bring his family here from Indiana. The deal was closed by Miller & Lieveuse, Real Estate firm.

Arthur Ackerman, Whitehall fruit shipper, paid a fine of \$13 following a plea of guilty to shipping in unlabeled crates before Justice Jerome Turner at Muskegon Wednesday.

Peter Prins secretary of the Chamber of Commerce has just returned from the Northwestern University at Evanston, Ill., where he took a two weeks course in Chamber of Commerce work as this relates to Secretaries. This class is backed by the United States Chamber of Commerce and Mr. Prins states he gained some very helpful and educational pointers during these two weeks.

The unusual spectacle of an own catching and killing a mink was witnessed by a state game warden and two commercial fishermen near Au Train Lake near Munising. The owl was stoned, released the mink and its pet was sent to Lansing.

Miss Dorothy Van Drezer of Grand Haven is making a trip to Cuba, according to word received from her by relatives there. Miss Van Drezer left Grand Haven several weeks ago for a motor to Florida with Mr. and Mrs. Crabb of Grand Rapids, school friends, and is now extending her trip to Cuba.

CHERRY PIE NORTH OF THE CITY

Quite an unusual auto accident took place four miles north of Holland, when a Ford truck from Shelby, headed for Chicago and laden with 235 crates of cherries was wrecked. The surrounding country has had the earmarks of a busted cherry pie, after Charlie Chaplin had through with it. Some of the cherries were gathered together, and a partial load rumbled further down the pike to the windy city.

GREENVILLE TEAM IS AFTER HOLLAND'S SCALP

Holland plays Greenville here Saturday afternoon at Riverview Park. Greenville came within an ace of beating Holland at Greenville a triple play saving the game in the ninth when the home club had the bases loaded.

In tournament play the Greenville team has been going great on account of the pitching of Neve. They also have two other likely looking hurlers but Neve will probably work here with Outman doing the receiving.

The crowd that follows the Greenville team is very enthusiastic about every game that is played and a good number are expected here Saturday. Vande Bunte is due to work for Holland and Albers, the no hit no run hero of last week, is also ready to work. Allegan plays Greenville Sunday at Allegan.

The Allegan players are pretty well upset by the defeat last week and they are anxiously awaiting the next game between the same clubs. As it stands now Allegan still has the edge on games played with Holland this season.

RATTLE SNAKES STILL A PLENTY SAYS FARMER

DISPUTES LOCAL PRESS WHEN TOLD THAT RATTLESNAKES ARE NEARLY ALL GONE

A few days ago the local press published a story of a bull snake that was caught and killed and incidentally added that there were but few poisonous snakes left in this vicinity since civilization advanced. The paper also harked back thirty years when the writer personally killed rattlesnakes found in the wild black berry patches north and west of the city.

H. V. Haverland of Rural Route No. 4, Holland, differs with the editor about the absence of these snakes and we stand corrected and feel rather surprised to find there are still many dangerous and venomous snakes within a few miles of Holland.

Dear Editor:—Within the last week there have been two articles in the paper stating that rattlesnakes are very rare in this part of the county, and none have been seen for years. Every year since we built our home in 1915, we have killed one or more. This month we have killed two, each having five rattles. Both of these crawled out on the short grass around our house at 8:30 in the evening. Mr. Bert Vanden Brink, who has a farm a short distance, has also killed two the same size this month. Our next neighbor west of us has killed one. The old railroad track and surrounding swamp at the culvert here in Big Bay is alive with them. Two of the boys here go over there to hunt for them, and are seldom disappointed.

There has been several boats over there this summer with crowds of picnickers. Nearly all of them bring little children with them, and allow them to run all over the place. It is very dangerous to say the least, because the rattlesnakes ARE there. A word of warning certainly would not be out of place after these optimistic articles that have been published.

Sincerely yours,  
H. V. Haverland.  
P. S.—We have the rattlesnakes from the snakes we have killed this year.

TREMENDOUS CROWD AT MISSION BAND CONCERT

It is doubtful if ever a larger crowd congregated in Centennial Park than last evening, when Nellie Churchford's Mission band, led by John Van Vyven, made its first appearance. Considering the short time that this organization has been in existence, the band did very creditable work, and now no doubt will soon be able to take its proper place in the musical circles in this city.

It was a surprise to all, that our old friend, Dr. J. T. Bergen, former pastor of Hope Church, now of Minneapolis, was present to say a few good words for the band, to offer prayer and to introduce the speaker Mel Trotter.

Mr. Trotter in his usual forceful manner, spoke on the text, "He that Wineth His Soul is Wise." Director John Vandersluis conducted the singing, while a collection was taken up, and \$105 was contributed.

That leaves a debt for band instruments still to be paid, of \$441. The entire expense was \$646.00 and with the amount taken in together with \$100 contributed by Nellie Churchford, leaves the amount above stated still to be paid.

Business men present promised to get donations from other citizens amounting to enough to liquidate the debt.

A committee composed of John Vandersluis, John Koolker and Wm.

FAIR ENTRIES

The Secretary's office will be open to receive them next week, beginning Monday, Aug. 10. Bring them early so that goods can properly be entered.

FORMER ALDERMAN KLEIS DIES AT THE AGE OF 83

Mr. A. P. Kleis one of Holland's oldest residents died Wednesday evening at his home at 165 E. Ninth st. Mr. Kleis has been a prominent citizen of this city for a number of years having served as alderman and fire chief. He came here in 1847 and conducted a general store on Main street which is now being run by his son Henry. Funeral services will be held on Saturday and friends can view the remains at the home on Ninth-st., between 9 and 12 the day of the funeral. Mr. Kleis was 83 years of age. He is survived by his wife and 5 sons.

Miss Ann Boone who has been spending her vacation in this vicinity, returned to Detroit again Sunday, she will resume her duties at the Fisher Body Corporation where she is employed.

All the members of the Ter Haar family, including descendants living in Holland, Zeeland, Drenthe, Vriesland, Forest Grove, Jamestown, Byron Center, Grand Rapids, North Holland and Harlem, held a family reunion in Spring Grove, Jamestown on Thursday, July 30. Everybody took their baskets with them and hot coffee was served free. Horse shoe, was played and also indoor baseball while the children enjoyed themselves in the swings. A short program was given consisting of singing by the Misses Rynbrandt, Kremer and Vander

Wall, readings by Miss Ella Lanning, Miss Kremer and Mrs. Henry Vande Bunte. A solo by Miss Rosamond VanderWall, while Bert Ter Haar sr., read the family history followed by singing by G. Ter Beek and Henry Topp. A business meeting was held and officers elected and it was decided to have another family reunion again next year. Everybody enjoyed themselves and they all enjoyed a good handshake.

Mr. and Mrs. John Boone spent the week-end at the home of Mr. and Mrs. Anton Timmer at Muskegon. Mr. Timmer formerly resided on a farm, northeast from here.

NORTH HOLLAND

A box social will be held at the home of Mr. and Mrs. Gerrit Van Doornink on Friday evening August 7, at 8 o'clock (fast time). Girls are asked to bring boxes to be sold at auction. Proceeds will go toward C. E. fund for Pine Lodge. All young people are invited.

Mr. and Mrs. Ben Ter Haar and Genevieve attended the "Ter Haar" reunion which was held at Spring Grove, Jamestown last Thursday. The services next Sunday will be conducted by Rev. M. Stegeman from Japan.

Rev. Arthur Maatman had charge of the services at New Era last Sunday.

Mr. and Mrs. Clarence Raak and family spent Sunday with Frank Weaver at Holland.

The Ladies Aid society meets at the chapel on Thursday afternoon at two o'clock.

Born to Mr. and Mrs. Albert Brower, Thursday, July 30, a baby boy.

Mr. and Mrs. Frank Hendrych of William Klindera of West Olive. The Grand Haven township announced the young people were married in Grand marriage of their daughter Anna and Haven last Friday.

Our Students Succeed--

Q Holland's banks and industries took every stenographer and secretarial graduate prepared by us during the last school year. Our book-keepers and accountants also found ready demand for their services.

Q Business concerns know that our students are well trained in the latest commercial practices, and are accurate and competent.

Q We shall be able to place an even larger number of students during the coming year.

Q Fall Term opens on Tuesday, Sept. 8. Beginning Aug. 8th, College office is open on Saturdays from 3 to 5 and 7 to 8 P. M. for enrollment of students and giving information.

NUMBER THIRTY-ONE

## AT LEAST 1500 H. O. H. FOLKS GO PICNICING

Saturday was an ideal day for a picnic and the H. O. H. organization of Holland took advantage of the beautiful weather and left for Jemison park early for the annual picnic. It is stated that at least 1,500 gathered at this popular picnic playgrounds; and the sport program was pulled off without a mishap.

Alderman Frank Brive, president of the H. O. H. society, was master of ceremony; and the men who handled the program of sports, could easily be picked out dressed as they were in dutch costume, topped with a small flat Dutch derby. The sport committee was composed of Andrew Klompars, Henry Kraker, Dick Boter, Wm. Deur and John Van Tatenhove. The list of sports and prizes won follows:

Tug-of-war—won by G. Snuerink side, 1 box Knickerbocker cigars.  
Sack races for boys under 12 years—pair tennis shoes, winner Ren Koopman.  
Sack race for girls under 12 years—pair silk stockings, winner Julia Aldering.

Sack race for men—1 hand saw, winner A. G. Van Dyk.

Hobble race for boys over 12 years—Jackknives, winners: Walter Slagh and Chester Hop.

Hobble race for men—thermos bottles, winners: A. Vande Elst and John Van Huls.

Plate race for boys under 12 years—cash prize, won by James Boter and L. Van Tatenhove.

Plate race for boys over 12 years—winners: Folkert Dykstra and Wm. Van Dyk.

Plate race for women—winners: Mrs. Soper and Mrs. Lugten.

Plate race for men—Jackknife, winners: Jake Heider and Louis Steketee.

Rooster race for women—1 tray won by Mrs. G. Aldering and Mrs. Jake Heider.

Peanut scramble for girls—winner: Jno. Woldring.

Peanut scramble for girls—winner: Henrietta Geerts—compact.

Backward running race for boys under 12 years—winner: Frank Sinke, Jr.—Flash Rod.

Backward running race for girls over 12 years—winner: Kate Klenstra—Toilet water.

Backward running race for girls under 12—cash prize, won by Miss Arnoldink.

Backward running race for women—winner: Lydia Brink—pair shears.

Running and jumping race—winner: Andrew Ver Schure—1 Ham.

Running and jumping race for women—winner: Mrs. C. DeWitt—1 scarf.

Potatoe race—winner: Jake Pluim—1 belt.

Boxing contest—winner: Herman Oudemuller—cash prize.

Running race for ladies—winner: Jeanette Brink—percutor.

At the close of sports, president Frank Brive presented each child with a box of Cracker Jack—39¢ present.

One Holland Maid machine donated by Mr. A. H. Landwehr was won by Wm. Mulder.

One mattress donated by DeVries & Dornbos—won by Wm. Pluim.

One Lavatory donated by Henry Kraker—won by Ed Struer.

One medicine cabinet, donated by George Woldring—won by Martin Kammeraad.

One bathing suit donated by Dick Boter—won by M. Hoedema.

One box stationery donated by Steketee-Van Huis Printing Co.—won by M. Nyboer.

One year's subscription G. R. Press donated by Jake Kris—won by Joe Lunkhorst.

## HOW ABOUT A WALK FROM HERE TO GRAND RAPIDS

A project which has been before the people in this vicinity for a long time is now being agitated by the state forcers. It is building sidewalks along the trunk line highways. Many people lose their lives each year because they are hit by automobiles while walking along the highways. A short time ago the question of building a sidewalk on one side of the Zeeland road was discussed and a walk was built for a short distance just outside of the city limits.

Now Gov. Groesbeck is proposing sidewalks on concrete paved trunk line highways. It would be an innovation, he states, but with the large normal increase in motor car traffic it is a question of, but a comparatively few years when walking on a paved highway, particularly on the more thickly populated sections, will be nearly as dangerous as on city streets.

So on trunk lines yet to be paved, the plans should provide for the construction of a sidewalk on at least one side of the road beyond the limits of a town, the governor says. Highway authorities could be vested with discretionary powers to determine when the travel along any part of a trunk line is enough to warrant building a sidewalk.

## ALLEGAN GETS SHUT OUT AS ALBERS HURLS

Heinie Albers, Holland Independent pitcher stepped into the hall of fame Saturday afternoon when he hurled a no hit no run game against the visiting Allegan club. Allegan hit the ball hard at times but straight into waiting hands and only one man reached third base safely. Beside keeping the hard hitting visiting aggregation from breaking into the hitting column Albers whiffed 9 but issued 3 walks and hit one batter. Errors put him in trouble several times but the team always braced and pulled him out.

The visitors threatened to score in the initial frame. Ashley made a wonderful stop and threw out Righter, first hitter. The butcher then booted the next two balls hit to him and Wienmaster got free transportation. Shaw was caught at third on a wonderful peg by Woldring and Winz was out Albers to Riemersma. Holland jumped on Lefty Anderson right off the bat, Mate crashing a single into center. Spriggs sacrificed and Japinga got a base on ball. Dick was caught off from first but after Mate was thrown out, he went to third on Shaw's bad peg. Woldring singled down first base but the run came home on Anderson's wild pitch which occurred just previous. Ashley scored the second when he doubled to start the next inning.

He scored on an error by Righter. The last two Holland runs came in the third, Japinga catching a fast one and driving it over the fence. Spriggs scored ahead of him having singled.

Anderson buzzed along in great style after the damage was done. Hollands plays Greenville here next week Saturday.

Two base hits: Ashley, Riemersma; double plays: Ferris, Righter, Meldema, Japinga to Ashley; Strike out: Anderson 2; Albers 9; Walks off: Albers 3; Anderson 2; Wild pitch: Anderson; Hit by pitcher: Wienmaster by Albers; Time of game: 1 hour 25 min. Umpire: Ross.

The Postum baseball team which was rather easily defeated Wednesday afternoon turned tables Thursday and gave Holland a neat 8-0 trimming. As the breaks were with Holland in the first contest so everything went Thursday to the Postums and breaks are about half of a good ball game. Wyckhoff, who has seen big league service just simply had the local batters baffled as they hit the ball directly into waiting hands. De Young was touched up rather freely 15 hits being chalked up against him.

The visitors took their tallies in single lots until the ninth when they collected 4 runs. Holland got a walk and Julian singled. Graham then inserted a double and two runners scampered home. Prough then banged out a single and Julian crossed plate. Wyckhoff sent in the last score by getting his third hit of the game a one base blow into center field. The local hitters went out in order in nearly every inning although they clouted the ball squarely. An even break with a team like the Postums is no disgrace and a victory over Allegan Saturday will make for a successful week.

## LOCAL LEGION PICNIC IS A HUGE SUCCESS

The Willard G. Leenhouts Post of the American Legion held their annual picnic Thursday afternoon together with the Ladies' Auxiliary of the Post. A large crowd flocked to the cottage of Dr. Westrate, located at Tennessee Beach and spent the afternoon and evening in a rollicking good time. Mess was enjoyed at six o'clock after a long list of contests had kept the crowd busy all afternoon. The first event was a ball game the score of which is still undecided. E. Brooks and Dr. Westrate hooked up in a pitching duel and both claim the victory. Brooks claims he allowed no hits but the opponents scored eight runs on errors. Westrate admitted he was hit rather freely but said he had eleven strikeouts and scored four runs himself. At any rate the box of cigars donated by Van Tongeren's was passed among the players.

The other events were as follows: Ladies running race won by Mrs. Geerts, prize—Dish, donated by Deur & Zwemer.

Hurdle race won by Ed Unk, prize—1 pair silk socks donated by J. Hulst & Son.

Ball Throwing contest won by Mrs. C. Van Tongeren, prize—1 pair silk stockings donated by Boven & Fazerley.

100 yd. dash won by B. Slagh, prize—necktie donated by Bareman & Visser.

Fungo Hitting contest won by Mrs. Garretson, prize—tooth brush holder, donated by Yonker Plumbing Co.

Fungo Hitting contest won by Mike Schoon, prize leather collar bag, donated by Bareman & Visser.

Pair race won by Mrs. G. De Vries and B. Slagh, prize—box of candy, donated by Lawrence Drug and necktie donated by Boter Co.

Ball throwing contest won by Ed. Whaley, prize—1 pair silk socks by J. Wolfert & Co.

Combination race won by Mrs. Geerts and Mrs. Van Tongeren, prize—Toilet water donated by Model Drug and a tumbler holder donated by the Yonker Plumbing Co.

Children's ball throwing contest won by Phillis Tiesenga, prize ball donated by Deur & Zwemer.

Children's running race won by Donna Jane Zwemer, prize—1 pair of shoes donated by Kammeraad Shoe Co.

Backward running race won by Ben Rutgers, prize—flash light donated by De Fout Electric.

The smoking contest was won by Mackinley Berch. Berch sent up a cloud which threatened for a while to drive all the other contestants out. The prize was a smoking stand donated by Jas. A. Brouwer. The winner spent the evening recuperating by the lake.

The winners in the baby contest were as follows: first prize—child of Mr. and Mrs. J. Bremer, prize—picture donated by B. Slagh & Son; second prize, child of Mr. and Mrs. Fazerley, prize—\$2.00; third prize, child of Mr. and Mrs. Nieboer, prize—\$2.00. The doll donated by the DeVries & Dornbos was won by Gladys Nyboer. After mess in which a can of cookies donated by Brive the "cookie king", was the first thing consumed quite a number of the crowd took to the lake for a delightful swim.

Holland shots, look at this record! "Ed" Topperwain, the world's greatest rifle shot, performed the most wonderful feat ever accomplished with a rifle when in July, 1907, in San Antonio, Tex., he shot at 72,500 wooden blocks, 2 1-4 inches square, and missed only nine of them. These blocks represent six cords of wood, and Topperwain mounted the lumber and posed for a photograph when he completed his remarkable feat of endurance and skill. 7,500 a day for ten days.

Topperwain on this occasion intended to shoot at 5,000 blocks a day, but as he went right along hitting them, the scorekeeper didn't bother until he had shot 7,000. Then it was decided to shoot at 7,500 a day for ten days if the ammunition would hold out. It didn't therefore Topperwain shot at 72,500 blocks.

These blocks were thrown shot at 72,500 blocks. These blocks were thrown 25 feet in the air by an assistant. He made straight runs of 13,219, 13,292, 13,5, 14,540 missing four in the first 50,000.

Miss C. Lightheart of 186 West 14 St. won the contest staged by the Lacey company. Miss Lightheart handed in the correct number of people appearing on the pictures which were shown in the show case. She won 6 pictures as a reward for her efforts.

Mr. and Mrs. Geo. Schaftenaar and children of Stevens Point, Wis., are visiting relatives in the city.

## MAPES MAY SAVE UNCLE SAM \$200,000,000

Frank M. Mapes, special writer in the Grand Rapids Herald for Sunday's edition tells why Cong. Mapes is entitled to the lion's share of credit in saving millions for Uncle Sam.

By Frank M. Sparks

It was just a few days ago that Sec. Work of the U. S. department of the Interior made the statement that the reorganization of administrative departments of the government would effect a saving of \$200,000,000.

At intervals prior to Dr. Work's statement, Sec. Hoover of the department of commerce has made similar statements and added a lot of detail as to ways and means for bringing all this about.

Now when Herbert Hoover or Dr. Work speaks, we, the people of Grand

Cong. Carl E. Mapes

Rapids and Western Michigan, sit up and listen and promptly applaud. They are men of great ability, who occupy high positions in the government of the nation and more than all else who have been mightily well advertised.

Mapes Deserves Credit  
But this idea of re-organizing these departments of government is not the original idea of either Work or Hoover. Indeed, the plan which is now under consideration, the plan about which these two secretaries are talking, is not the plan of either or both of them. To a Grand Rapids man, a man who does little about advertising himself, who is a mighty poor publicist, but who works along in his own quiet and efficient way, belongs perhaps more credit for this re-organization plan than to any single man in America.

Carl E. Mapes, congressman from the Fifth District of Michigan, is chairman of the house committee of the joint committee which perfected the reorganization plan. On that committee are also such men as Sen. Reed Smoot and Sen. Pat Harrison. Smoot is a digger and worker. So is Mapes and it was these two who did the big bulk of the research which brought into being this plan which two great cabinet officials now say would save the nation \$200,000,000 a year if it is carried into effect.

The bill has been drawn. Mr. Mapes believes he has the ground prepared so he may put the bill through the house in the session which begins next December. Sen. Smoot tried to start it in the senate last session but failed. Mapes is pretty certain he will not fail in his end of the capitol.

Proves Big Job

Gathering the necessary information, working out the plans by which the overlapping of the work of departments and bureaus could be done away with, getting departmental heads and bureau chiefs to even consent to the consideration of such action and finally the drafting of a report and a bill to make effective and reorganization was a work second to none done by any department of the government in a decade. It has been said that if this plan is eventually carried into effect, it will stand side by side in importance to the government with the budget system as two great strides in advance.

And in all this work, Cong. Carl E. Mapes has been one of the foremost men in the government of the United States in the attempt to put the plan into effect.

"It was a most interesting task," says Cong. Mapes "and one in which I found ample opportunity to study and to dig. But it proved a difficult task, too. You see the administrative branches of the federal government have become greatly muddled because when there has seemed to be a need for the creation of some sort of department to handle some certain new work such as, for instance, the relief of veterans of the World war, it has been the custom to draft a bill and put the work in almost any sort of department where it would at all

5,000 birds will be exhibited under the auspices  
of the  
MICHIGAN STATE POULTRY  
IMPROVEMENT ASSOCIATION

All those who have not listed their birds, do so  
at once.

Incongruities Result  
The result is many incongruities, certain functions being assigned to a department which from its name has no connection and in many other cases an over-lapping of duties in several bureaus in one department and likewise overlapping of the duties of different departments. It was to straighten out all these things that we set out. You will readily understand how loathe one department would be to have a bureau transferred to another department and how loathe a certain bureau might be to have its duties assumed by another bureau doing a similar work. It would mean the cutting down of employees and the cutting out of a lot of equipment and machinery of government. It would all save money but it would naturally be opposed by those who would be affected by it.

Credits Work and Hoover  
Sec'y Work has shown his sincerity and devotion in the matter by voluntarily having two of his bureaus transferred to other departments. So, too, Sec'y Hoover has been one of the most conscientious workers for the reorganization, and it is finally going through the credit for it. How much it will save the government, I have no idea. Sec'y Work may be right, but I doubt if anybody can make a very good guess. It will save a lot, however, in money. It will save a lot of inefficiency on the part of the government, and it will save a lot of annoyance on the part of the public.

For instance, a shipmaster must now go to nine different places before he gets all the necessary papers to enable him to sail. What earthly reason is there to prevent his getting all his papers in a single place. That is a sample of the nuisance to the public that would be done away with if this plan goes through.

When congress meets again in December, a new speaker will be in the throne of the house. Cong. Nick Longworth of Ohio succeeds Speaker Gillette who has been elected to the senate. Speaker Longworth is well known in Grand Rapids, for some years ago, long after he had married Alice Roosevelt, the two were guests at the Lincoln banquet here and Mrs. Longworth in the afternoon of that day laid the cornerstone of the present Federal building.

Has Faith in Longworth

"I believe Longworth will make an especially good speaker," said Cong. Mapes. "He knows the ropes of the house as few others. He knows the rules. He has a most delightful personality. He is in such position that he will be able to maintain the dignity of the position in Washington's social life. He is liked by the members of over whom he will preside. I rather expect he will impress his own personality upon the proceedings of the house to a great extent than any speaker we have had since Cannon. I rather think he will be a real leader, that he will be freely consulted by house members and that in this way he will be more of what we usually look for in speakers. I think his election was a happy choice both for us members and for the Republican party."

Cong. Mapes is spending his second real vacation at home since he entered congress in 1913. Almost from the date of his election the congress has been in nearly continuous session. Last summer came a beaking spell and this summer the breathing spell has been a nice long one. Mr. Mapes and his family are therefore able to be at home to enjoy a little of Grand Rapids and of Michigan life.

"Immediately we heard from two of the interested parties in no uncertain terms. The educators promptly objected to having anything else in their department. They wanted it all to themselves or not at all. On the other hand, the American Legion got the idea that something was going to happen to their department. Now, as a matter of fact, it was impossible to give the educators a department exclusively for themselves or we would be adding rather than subtracting expense. As for the Legion, we were doing absolutely nothing at all to impale

## HIS VACATION LEADS TO CAREER

If undecided as to the course you are best fitted to pursue in college, why not get a job with men who are doing the thing which your mind is most set upon? That is what Clare W. Casler of Conklin, Ottawa county did and now he is entering the Michigan Agricultural college to study forestry. Clare and his father, Burt R. Casler, called at the Herald office recently while Clare was on the way to M. A. C.

May 19 last Clare was graduated from high school at Ravenna and five days later he arrived at McCall, Ida, to take a job with Uncle Sam's foresters in the Idaho national forest, which covers approximately 3,000,000 acres. Together with several other "rookies," he entered the guard school conducted by the deputy supervisor. This is not a school in the academic sense in which the word is used but the recruits were mixed in with the old forest guards and given a taste of real frontier life.

Their equipment consisted of a saddle and pack horse, waterproof tarp, five double wool blankets, axe, shovel, grub hoe, one-man cooking outfit, and food supply for 30 days. This food supply consisted of flour, sugar, bacon, coffee, cocoa, rolled oats, pork and beans, rice, soup, canned vegetables, and condiment. On each day's patrol they had to carry a three-day emergency ration and in addition their noon-day luncheon. Their work consisted of building corduroy roads and bridges, stringing telephone lines and repairing old lines, and lighting forest fires.

Clare reports that the trout fishing on Big Creek, Smith Creek and the salmon river is even better than in Northern Michigan. He said that each man carried a line around his hat band and fly hooks in his hat band. Each man carried a six-shooter and when asked why he carried that the reply was, "In case of being surrounded by fire, I intend to cheat the fire."

Only 17 Years Old

He told of how the national forests are organized. The forests are divided into districts, with a man known as district forester in charge. The districts are subdivided into forests, under the supervision of a forest supervisor. Each forest is again subdivided into ranger districts, the man in charge being called a forest ranger. Under the ranger are the forest guards, the number depending upon the size of the ranger district. There is also a force of what are known as improvement men in each forest. These men come under the supervision of the ranger and are utilized as emergency fire fighters.

Clare Casler is just 17 years old. He plans on taking a year's work in forestry at M. A. C. and then go to the forestry school of the University of Montana. He plans on spending his summers in the national forests of the western states.

## LEAD NICKLES RAISE TANGLE FOR POLICEMAN

Don't drop lead nickels into the street cars. Don't even drop nickels that sound like they might be lead. That's good advice offered by Martin Hynes, of Detroit, now out on \$300 bond on account of just such a misunderstanding.

Hynes, it seems, in getting on a Trumbull street car at Detroit, was called the lonator of a leaden nickel dropped into the fare box. Before the argument went far, Hynes was sent to a cell in the police station. This was at one in the morning. His wife went to Judge Murphy's court all the next day and sat awaiting to see her husband tried. When court was adjourned, she burst into tears and the attendants took her to her cell.

On calling the police station, it was found that the police were not yet decided whether Hynes should be tried in Highland Park or Detroit and so had left him remaining in his cell. The alleged leaden coin had been dropped in the box in Highland Park, but Hynes was not arrested until the car reached Detroit. The corporation counselor had been asked for an opinion.

Judge Murphy let Hynes go home to his wife on bail.

## DENNY CURTIS AND HIS TRAINED ANIMALS AT FAIR

Denny Curtis famous animal trainer is going to be at the Community Fair, August 18, 19, 20, 21. Not only has Denny trained his animals to do tricks but they do them in such a way as to cause continuous laughter. When local people witness the screamingly funny Toximeter number and also his trained dogs and ponies, they will give Curtis a rising vote of thanks and also declare that he is the most successful in his chosen occupation.

Curtis has the dog-on-est mule that has ever been in captivity and in the Toximeter act, the stubborn, kicking, biting qualities of this Missouri product is brought to the fair. The act is a riot from start to finish.

Eddie Polo, one of the two dogs in the world that do a back double somersault, is a feature of the animal act. This whole performance is a scream and kiddies will find this one of the best on the fair program.

## WIERD MUSIC CAUSES DEATH OF SHIP STOKER

A wierd piping coming from a coal bunker on the transatlantic liner America shocked Otto Schmidt, a coal passer to death, so his fellow stokers insisted, when the liner arrived from Bremen today. The stokers said the "sweet tweet" kept coming from the bunkers and they became so frightened they appealed to the captain for action. He investigated and found a stowaway who had aspirations to play the piccolo in the opera orchestra and who couldn't resist the temptation to practice.

## NOTICE OF SPECIAL ASSESSMENT

East 22nd St. Special Sewer Assessment District

To: Voss & Kuite, G. T. Huisenga Est., Wm. J. Mulder, H. Van Wieren, E. E. Van Kampen, G. Blom, Scott-Lugers Lumber Co. and Prospect Park Church, and to all other persons interested.

Take Notice: That the roll of the special assessment heretofore made by the Board of Assessors for the purpose of defraying that part of the cost which the Council decided should be paid and borne by special assessment for the construction of a lateral sewer in East 22nd-St. from College to Central Aves. is now on file in my office for public inspection.

Notice is hereby also given that the Council and Board of Assessors of the City of Holland will meet at the council rooms in said city on Wednesday, August 19, 1925, 7:30 P. M. to review said assessment at which time and place opportunity will be given and all persons interested to be heard. Dated: Holland, Mich., July 16, 1925. RICHARD OVERWAY, City Clerk.

Exp. Aug. 8-1925

STATE OF MICHIGAN—The Probate Court for the County of Ottawa.

At a session of said court held at the Probate Office in the city of Grand Haven in said county, on the 17th day of July A. D. 1925.

Present: Hon. James J. Danhof, Judge of Probate.

In the matter of the estate of

Henry Zonnebelt, Deceased

Katherine Zonnebelt, having filed in said court her petition praying that a certain instrument in writing, purporting to be the last will and testament of said deceased, now on file in said court be admitted to probate; and that the administration of said estate be granted to herself or to some other suitable person.

It is Ordered, That the

17th day of August A. D. 1925

at ten o'clock in the forenoon, at said probate office, be and is hereby appointed for hearing said petition;

It is Further Ordered, That public notice thereof be given by publication of a copy of this order, for three successive weeks previous to said day of hearing in the Holland City News, a newspaper printed and circulated in said county.

JAMES J. DANHOF, Judge of Probate.

In matter of the estate of

Nellie Lagastee, Deceased

Henry H. Lagastee having filed in said court his petition praying that the administration of said estate be granted to Harry H. Lagastee, or to some other suitable person, It is Ordered, That the

17th day of August A. D. 1925

at ten o'clock in the forenoon at said probate office, be and is hereby appointed for hearing said petition;

It is Further Ordered, That public notice thereof be given by publication of a copy of this order, once each week for three successive weeks previous to said day of hearing in the Holland City News, a newspaper printed and circulated in said county.

JAMES J. DANHOF, Judge of Probate.

A true Copy—Cora Vande Water, Register of Probate.

Exp. Aug. 8-1925

STATE OF MICHIGAN—The Probate Court for the County of Ottawa.

At a session of said court held at the Probate Office in the city of Grand Haven in said county, on the 17th day of July A. D. 1925.

Present: Hon. James J. Danhof, Judge of Probate.
